

AGENDA

October 7, 2020

CITY COUNCIL
HOUSING AUTHORITY
6:00 p.m.
Council Chambers
311 Vernon Street
Roseville, California

To help minimize the spread of COVID-19, members of the public may not attend in person, but may view the meeting on Comcast channel 14, Consolidated Communications channel 73 and AT&T U-Verse. City Council meetings are also video streamed live and are available on the City's website and YouTube channel. Members of the public may offer public comment by the following means:

Dial in Phone Number: 916-774-5353
Email: publiccomment@roseville.ca.us

If you need a disability-related modification or accommodation to participate in this meeting, please contact Voice: 916-774-5200, TDD: 916-774-5220. Requests must be made as early as possible.

THE CITY OF ROSEVILLE WELCOMES YOUR PARTICIPATION

If an agenda item is open to public comment, such public comment shall be addressed to the chair of the meeting.

Public Comment - Speakers have three minutes under Public Comment to speak on issues that are not listed on the agenda and are within the City's jurisdiction. The Brown Act does not permit any action or discussion on items not listed on the agenda.

Consent Calendar - If applicable, the Consent Calendar consists of routine items that may be approved by one motion. Any person can remove an item from the Consent Calendar to be discussed separately.

Agenda Items - Speakers have five minutes to address items that are listed on the agenda.

Americans with Disabilities Act - Notify the City Clerk or Secretary at least 72 hours in advance if special assistance is required to participate in a meeting including the need of auxiliary aids or services.

Audio/Visual Presentations - If making a presentation regarding an agenda item, audio/visual materials must be submitted to the City Clerk or Secretary at least 72 hours in advance.

Security procedures are in place to attend Roseville City Council meetings. All attendees must successfully pass through a security metal detector. Any person with a prohibited item will not be allowed entry. Prohibited items include, but are not limited to: firearms (even with valid CCW), knives, pepper spray/mace, explosives of any kind/ any weapons and/or dangerous devices of any kind, illegal drugs and alcohol.

Bids / Purchases / Services

7.1. Transit Advertising - Services Agreement Amendment

Memo from Alternative Transportation Manager Michael Dour and Public Works Director Jason Shykowski recommending the City Council adopt RESOLUTION NO. 20-393 APPROVING A FIRST AMENDMENT TO SERVICES AGREEMENT, BY AND BETWEEN THE CITY OF ROSEVILLE AND IRON HORSE MEDIA, LLC, AND AUTHORIZING THE CITY MANAGER TO EXECUTE IT ON BEHALF OF THE CITY OF ROSEVILLE. The Transit Advertising Services Agreement, which was approved on September 4, 2019, allows Iron Horse Media to sell advertising for placement on Roseville Transit buses for a period of five years in exchange for compensation to the City based upon an annual percentage of gross revenue, with a minimum annual guaranteed fee of \$121,500. Due to the COVID-19 pandemic, advertising sales have slowed significantly. As a result, Iron Horse Media is proposing this First Amendment to reduce the minimum annual guaranteed fee for the first two years of the agreement to \$95,000 and \$80,000. The proposed contract amendment would reduce advertising revenues to the Transit fund by up to \$31,500 in FY2021 and \$41,500 in

FY2022. On March 27, 2020, the Federal government adopted the Coronavirus Aid, Relief, and Economic Security (CARES) Act. The CARES Act included a total of \$25 billion in Federal Transit Administration funding allocations to help the nation's public transportation systems respond to the COVID-19 pandemic. Of this, \$2,679,013 is available to Roseville Transit to offset increased operational costs and declining revenue streams. The result is that, even with the reduction in advertising revenue and other revenues, staff expects that the Transit Fund will remain fully funded through FY21 & FY22.

7.2. Duke Davis Park Shade Sails – Contract Purchase Agreement

Memo from the Park Planning & Development Superintendent Tara Gee and Parks, Recreation & Libraries Director Jill Geller recommending the Council adopt RESOLUTION NO. 20-392 APPROVING A CONTRACT PURCHASE AGREEMENT BETWEEN THE CITY OF ROSEVILLE AND LANDSCAPE STRUCTURES, INC., AND AUTHORIZING THE CITY MANAGER TO EXECUTE IT ON BEHALF OF THE CITY OF ROSEVILLE (3000804). In May 2020, a budget adjustment was approved allocating funds from the Diamond Creek Community Facilities District No. 1 Fund for the addition of the shade structures at Duke Davis Park. The Contract Purchase Agreement outlines a cost of \$42,336.84, which includes all labor, materials, bonds and structural calculations. There is no fiscal impact to the City's General Fund.

CONTACT: Tara Gee 916-774-5253 tgee@roseville.ca.us

7.3. Vegetation Management and Firebreak Control - Contract Purchase Agreement Amendment

Memo from Park, Recreation & Libraries Superintendent Eric Dexter and Parks, Recreation & Libraries Director Jill Geller recommending the City Council adopt RESOLUTION NO. 20-399 APPROVING AMENDMENT NO. 1 TO CONTRACT PURCHASE AGREEMENT BETWEEN CITY OF ROSEVILLE AND H & N ENTERPRISES, AND AUTHORIZING THE CITY MANAGER TO EXECUTE IT ON BEHALF OF THE CITY OF ROSEVILLE (3000211). Due to COVID-19 the Parks Division was unable to hire seasonal employees that would normally perform installation of firebreaks and reduction of vegetation on City-owned and private property. The Parks, Recreation, & Libraries Department currently has a contract for vegetation management and firebreak control on an as-needed basis with H & N Enterprises. Staff is requesting to add \$21,436 to the Contract Purchase Agreement for a new total not-to-exceed amount of \$134,436. The additional amount will not result in an increase to the General Fund budget as there were cost savings through not hiring City staff to complete the work.

7.4. 2020 Residential Resurfacing Project - Award of Contract and Budget Adjustment

Memo from Assistant Engineer Jesse Khatkar and Public Works Director Jason Shykowski recommending the City Council adopt RESOLUTION NO. 20-383 APPROVING AN AGREEMENT, BY AND BETWEEN THE CITY OF ROSEVILLE AND AMERICAN PAVEMENT SYSTEMS, INC., AND AUTHORIZING THE CITY MANAGER TO EXECUTE IT ON BEHALF OF THE CITY OF ROSEVILLE; and adopt ORDINANCE NO. 6272 OF THE COUNCIL OF THE CITY OF ROSEVILLE AUTHORIZING CERTAIN AMENDMENTS TO THE FISCAL YEAR 2020-21 BUDGET AND DECLARING THIS ORDINANCE TO BE IMMEDIATELY EFFECTIVE AS AN APPROPRIATION MEASURE. The scope of this project consists of resurfacing various streets in the South Cirby neighborhood, Automall Drive, Scarborough Drive, and Yosemite Street. In addition, the project incorporates minor traffic striping modifications along Scarborough Drive, Yosemite Street, Sierra Boulevard, and Vernon Street. The \$880,000 project is funded with the Highway Users Tax Fund, SB-1 Road Maintenance and Rehabilitation Account Fund, Roadway Fund, and Citywide Park funds. No General Fund resources will be used.

7.5. VHF Radio System Support - Sole Source Contract Purchase Agreement

Memo from Information Technology Program Manager Karl Grover and Chief Information Officer Hong Sae recommending the City Council adopt RESOLUTION NO. 20-382 APPROVING A CONTRACT PURCHASE AGREEMENT BETWEEN THE CITY OF ROSEVILLE AND SILKE COMMUNICATIONS, AND AUTHORIZING THE CITY MANAGER TO EXECUTE IT ON BEHALF OF THE CITY OF ROSEVILLE (3000849). Staff requests approval of a contract purchase agreement with Silke Communications to provide two years of support and enhancement of the City's VHF radio system which will not exceed \$150,000. Support and maintenance of the VHF system is budgeted in Information Technology's FY2020-21 Operations fund.

7.6. Supervisory Control and Data Acquisition Network - Sole Source Purchase Order

Memo from Preventative Maintenance Coordinator Blaine Wiegel and Environmental Utilities Director Richard Plecker recommending the City Council adopt RESOLUTION NO. 20-381 APPROVING A PURCHASE ORDER FOR TRANSMITTING/MONITORING EQUIPMENT FOR SUPERVISORY

CONTROL AND DATA ACQUISITION (SCADA) NETWORK with JPR Systems Inc. in the amount of \$300,000 with funding from the Environmental Utilities Department's FY2020-21 operations budget for Water/Wastewater and Collections. The Environmental Utilities Department has standardized various high performance transmitting and monitoring sensors with Endress+Houser equipment. JPR Systems Inc. is the exclusive manufacturer's representative for California, Hawaii, and parts of Nevada. This agreement would allow for four optional renewal years at one-year intervals. Staff requests authorization to utilize the optional renewal years of the contract without further Council approvals until the contract expires or until City staff determines that continuing with the same vendor is not in the City's best interest. Projected spending for optional renewal years is as follows: \$300,000 FY2021-22, \$300,000 FY2022-23, \$300,000 FY2023-24, and \$300,000 FY2024-25.

Resolutions

7.7. Microsoft Enterprise - Agreement Renewal

Memo from Business Systems Analyst Pete McLemore and Chief Information Officer Hong Sae recommending the City Council adopt RESOLUTION NO. 20-398 APPROVING A PURCHASE ORDER BY AND BETWEEN THE CITY OF ROSEVILLE AND SOFTCHOICE, AND AUTHORIZING THE CITY MANAGER TO EXECUTE IT AND ALL RELATED DOCUMENTS ON BEHALF OF THE CITY OF ROSEVILLE. Microsoft provides the City with necessary software licensing to perform business tasks essential to the City for day-to-day operations. Staff requests approval of an agreement with Softchoice, an authorized Microsoft reseller, with a cost for years 1-3 in the amount of \$392,689.42 and for years 4-5 in the amount of \$412,463.07, for a total agreement cost of \$2,002,994.40 over the 5-year term and is included in the Information Technology Operations Internal Service Fund budget. Staff recommends that the Council also delegate authority to the Chief Information Officer to approve additional costs, not to exceed \$50,000 per year, to cover any changes in the City's Information Technology environment completed with Softchoice. Future renewals of the purchase order will be contingent on Council approval of the budget for each year.

7.8. Statewide Park Development and Community Revitalization (Prop 68) Grant Program – Approval to Submit Application

Memo from the Park Planning & Development Superintendent Tara Gee and Parks, Recreation & Libraries Director Jill Geller recommending the City Council adopt RESOLUTION NO. 20-400 RESOLUTION OF THE CITY COUNCIL OF THE CITY OF ROSEVILLE APPROVING THE APPLICATION FOR STATEWIDE PARK DEVELOPMENT AND COMMUNITY REVITALIZATION PROGRAM GRANT FUNDS. The State

Department of Parks and Recreation has been delegated the responsibility by the Legislature of the State of California for the administration of the Statewide Park Development and Community Revitalization (Prop 68) Grant Program, setting up necessary procedures governing application(s). These procedures, established by the State Department of Parks and Recreation, require the grantee's Governing Body to certify by resolution the approval of project application(s) before submission of said applications to the State. Once the resolution has been approved and submitted to the State Department of Parks & Recreation, staff will work with the State Project Officer to submit an application for projects to revitalize Saugstad Park. There have been three previous rounds of grant awards statewide. This is the fourth and last round of grants equaling \$395 million across the state. Projects under this grant must be completed by December 2024. The amount of the grant could be as much as \$8 million, however, in the last round of grant awards, the average amount of an award was \$4 million. If awarded, no local match of funds is required. Upgrades to this park site will require no new General Fund allocations.

7.9. Oak Ridge Drive Bridge Replacement Project - Professional Services Agreement Amendment

Memo from Associate Engineer Rjahja Canlas and Public Works Director Jason Shykowski recommending the City Council adopt RESOLUTION NO. 20-379 APPROVING A SECOND AMENDMENT TO PROFESSIONAL SERVICES AGREEMENT, BY AND BETWEEN THE CITY OF ROSEVILLE AND PARAGON PARTNERS, LTD., AND AUTHORIZING THE CITY MANAGER TO EXECUTE IT ON BEHALF OF THE CITY OF ROSEVILLE. Paragon Partners will provide additional right of way services needed for the Oak Ridge Drive Bridge Replacement project. This second amendment will increase the contract amount by \$3,600, increasing the total contract from \$70,098 to \$73,698. The Federal Highway Bridge Program fund will cover 100% of the cost associated with this amended contract. No General Fund resources will be used on this project.

7.10. Recreation Management Software - Product and Services Agreement

Memo from Administrative Analyst Rendi Hodge and Parks, Recreation & Libraries Director Jill Geller recommending the City Council adopt RESOLUTION NO. 20-380 APPROVING A PRODUCT AND SERVICES AGREEMENT, BY AND BETWEEN THE CITY OF ROSEVILLE AND ACTIVE NETWORK, LLC, AND AUTHORIZING THE CITY MANAGER TO EXECUTE IT ON BEHALF OF THE CITY OF ROSEVILLE. Staff recommends Council award an agreement to Active Network, LLC to host, implement and maintain new recreation management software in the Parks, Recreation & Libraries Department. The total cost of the agreement is

\$350,000 over three (3) years, including implementation, interface development and integration, annual maintenance and equipment purchases. First year costs total \$200,000 and are included in the approved FY2020-21 Parks, Recreation & Libraries Capital projects fund budget. The funds for each year's annual maintenance and support costs will be recommended in future budgets.

7.11. Blue Oaks Corridor - Landscape Improvement Agreement

Memo from Park Planning & Development Superintendent Tara Gee and Parks, Recreation and Libraries Director Jill Geller recommending the City Council adopt RESOLUTION NO. 20-384 APPROVING A LANDSCAPE IMPROVEMENT AGREEMENT, BY AND BETWEEN THE CITY OF ROSEVILLE AND THE ANTHEM UNITED CREEKVIEW DEVELOPMENTS LIMITED PARTNERSHIP, AND AUTHORIZING THE CITY MANAGER TO EXECUTE IT ON BEHALF OF THE CITY OF ROSEVILLE. In preparation for new development within the Creekview Specific Plan area, Anthem United approached the City regarding enhancing the main thoroughfare (Blue Oaks Boulevard) into the development area. The north side of Blue Oaks Boulevard consists of properties owned by Anthem, with the eventual deed of a small open space parcel. The south side of Blue Oaks consists of City-owned parcels including the City's electric power plant. The landscape improvements are located on the southern edge of the Creekview Specific Plan area. The costs for design, installation, maintenance and removal of the landscape improvements are the sole responsibility of the developer. There will be no General Fund impact.

7.12. International Swaps and Derivatives Association - Master Agreement with Gas & Power Annexes

Memo from Electric Risk and Compliance Officer Petra Wallace and Electric Utility Director Michelle Bertolino recommending the City Council adopt RESOLUTION NO. 20-397 APPROVING (1) AN INTERNATIONAL SWAPS AND DERIVATIVES ASSOCIATION, INC. ("ISDA") MASTER AGREEMENT WITH GAS AND POWER ANNEXES WITH CITIGROUP ENERGY, INC. ("CITIGROUP") AND (2) THE INTERNATIONAL ENERGY CREDIT ASSOCIATION'S ("IECA") AMENDMENT ADOPTING, INCORPORATING, AND AMENDING THE ISDA AUGUST 2012 DODD-FRANK SUPPLEMENT AND 2013 DODD-FRANK SUPPLEMENT ("IECA AMENDMENTS") WITH CITIGROUP, BY AND BETWEEN THE CITY OF ROSEVILLE AND CITIGROUP, AND AUTHORIZING THE CITY MANAGER TO EXECUTE THEM ON BEHALF OF THE CITY OF ROSEVILLE. This item is an International Swaps and Derivatives Association Master Agreement (ISDA) with Gas and Power Annexes with Citigroup Energy, Inc. that will allow the City to purchase physical and financial electricity and

natural gas. There is no fiscal impact associated with the execution of the ISDA with Gas and Power Annexes as it is only an enabling agreement.

7.13. Baseline at Sierra Vista Community Facilities District No. 1, Public Facilities - Intent to Form and Incur Indebtedness

Memo from Administrative Analyst Jeannine Thrash and Assistant City Manager/Chief Financial Officer Dennis Kauffman recommending the City Council adopt RESOLUTION NO. 20-385 A RESOLUTION OF INTENTION OF THE CITY COUNCIL OF THE CITY OF ROSEVILLE TO FORM A COMMUNITY FACILITIES DISTRICT, DESIGNATE AN IMPROVEMENT AREA THEREIN, ESTABLISH A FUTURE ANNEXATION AREA, PROVIDE FOR ADDITIONAL FUTURE IMPROVEMENT AREAS THEREIN, AND TO AUTHORIZE THE LEVY OF A SPECIAL TAX THEREIN TO FINANCE PUBLIC FACILITIES AND PUBLIC SERVICES IN AND FOR SUCH COMMUNITY FACILITIES DISTRICT; and adopt RESOLUTION NO. 20-386 A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF ROSEVILLE OF INTENTION TO INCUR BONDED INDEBTEDNESS TO FINANCE THE ACQUISITION AND CONSTRUCTION OF CERTAIN PUBLIC FACILITIES IN AND FOR THE CITY OF ROSEVILLE BASELINE AT SIERRA VISTA COMMUNITY FACILITIES DISTRICT NO. 1 (PUBLIC FACILITIES) AND IMPROVEMENT AREAS THEREIN. The developer, D.F. Properties, Inc. intends to form a Community Facilities District (CFD) within the Sierra Vista Specific Plan in order to fund certain backbone infrastructure fees, in-tract improvements, and obligations. The project has a total of 218 residential units, 115 low-density residential units and 103 medium-density residential units, as well as approximately 81 acres of commercial development. The CFD will generate special taxes that will be paid by the property owners sufficient to pay the costs of debt service, CFD administration, and any authorized pay-as-you-go facilities, as well as provide funding in the future for maintenance/replacement of constructed facilities. The formation of the district will not impact the City's General Fund.

Ordinances (for introduction and adoption - appropriation/urgency measures)

7.21.1203 Gabrielli Drive - Purchase and Sale and Loan Agreement, Agreement for Access and Parking, Grant Deed & Budget Adjustment

Memo from Economic Development Manager Troy Holt and Economic Development Director Laura Matteoli recommending the City Council adopt RESOLUTION NO. 20-396 APPROVING A PURCHASE AND SALE AND LOAN AGREEMENT, AN AGREEMENT FOR ACCESS AND PARKING, AND A GRANT DEED, BY AND BETWEEN THE CITY OF ROSEVILLE AND THE SUNRISE LIONS CLUB OF ROSEVILLE, INC., AND AUTHORIZING THE CITY MANAGER TO EXECUTE THE AGREEMENTS AND ALL ESCROW RELATED DOCUMENTS ON BEHALF OF THE CITY OF ROSEVILLE; and adopt ORDINANCE NO. 6275 OF THE COUNCIL OF THE CITY OF ROSEVILLE AUTHORIZING CERTAIN AMENDMENTS TO THE FISCAL YEAR 2020-21 BUDGET AND DECLARING THIS ORDINANCE TO BE IMMEDIATELY EFFECTIVE AS AN APPROPRIATION MEASURE. Staff is recommending approval for a Purchase and Sale and Loan Agreement, an Agreement for Access and Parking, and a Grant Deed with the Sunrise Lions Club of Roseville for the property at 1203 Gabrielli Drive (APN: 470-250-002-000). The purchase price is \$10,000, with \$2,000 due at the time of sale and the remaining amount due in four annual payments of \$2,000. Staff is also recommending approval of a budget adjustment to deposit the sales proceeds into the Strategic Improvement Fund and establish appropriation authority for the City's share of escrow fees. This agreement will have no impact on the City's General Fund.

7.25. Fiddymment Ranch Phase 3 Trail Project - Reimbursement Agreement and Budget Adjustment

Memo from Alternative Transportation Manager Michael Dour and Public Works Director Jason Shykowski recommending the City Council adopt RESOLUTION NO. 20-378 APPROVING A REIMBURSEMENT AGREEMENT, BY AND BETWEEN THE CITY OF ROSEVILLE AND JEN CALIFORNIA 15, LLC, AND AUTHORIZING THE CITY MANAGER TO EXECUTE IT ON BEHALF OF THE CITY OF ROSEVILLE; and adopt ORDINANCE NO. 6270 OF THE COUNCIL OF THE CITY OF ROSEVILLE AUTHORIZING CERTAIN AMENDMENTS TO THE FISCAL YEAR 2020-21 BUDGET AND DECLARING THIS ORDINANCE TO BE IMMEDIATELY EFFECTIVE AS AN APPROPRIATION MEASURE. This item requests Council approval of a Reimbursement Agreement between the City and JEN California 15, LLC, in the amount of \$2,381,051 for design and phased construction of the Fiddymment Ranch Phase 3 Trail and a budget adjustment in the amount of \$2,266,051. The proposed 1.25-mile long multi-use trail is identified in the West Roseville Specific Plan (WRSP) to extend from Fiddymment Road to Blue Oaks Boulevard along the south side of Pleasant Grove Creek. Funding for the project is from the Neighborhood Park - WRSP fund. No General Fund resources will be used for the project.

7.26. West Roseville Specific Plan Parcel W-81 Bike Trail Segment 1 Project – City/Developer Reimbursement Agreement Amendment and Budget Adjustment

Memo from Alternative Transportation Analyst Jeannie Gandler and Public Works Director Jason Shykowski recommending the City Council adopt RESOLUTION NO. 20-394 APPROVING A FIRST AMENDMENT TO CITY/DEVELOPER REIMBURSEMENT AGREEMENT, BY AND BETWEEN THE CITY OF ROSEVILLE AND LENNAR HOMES OF CALIFORNIA, INC., AND AUTHORIZING THE CITY MANAGER TO EXECUTE IT ON BEHALF OF THE CITY OF ROSEVILLE; and adopt ORDINANCE NO. 6273 OF THE COUNCIL OF THE CITY OF ROSEVILLE AUTHORIZING CERTAIN AMENDMENTS TO THE FISCAL YEAR 2020-21 BUDGET AND DECLARING THIS ORDINANCE TO BE IMMEDIATELY EFFECTIVE AS AN APPROPRIATION MEASURE. The proposed action would authorize the City to amend the current reimbursement agreement with Lennar Homes of California, Inc. to cover cost increases to

construct a paved bike trail within the West Roseville Specific Plan (WRSP) Parcel W-81 and approve a budget adjustment in the amount of \$104,356.49 to cover the cost increases. Cost increases were incurred due to the necessary redesign of trail segments to avoid vernal pools discovered during initial construction. Trail construction and reimbursement are required by the WRSP Development Agreement and the Westpark Phase 3 Parcel W-17e/18e Subdivision Conditions of Approval. The bike trail is wholly funded through the WRSP Bike Trail Fee Program in the Neighborhood Park - WRSP Fund. General Fund resources will not be used for this project.

7.27. Housing Element Update Project - Memorandum of Understanding and Budget Adjustment

Memo from Senior Planner Lauren Hocker and Development Services Director Mike Isom recommending the City Council adopt RESOLUTION NO. 20-401 APPROVING A MEMORANDUM OF UNDERSTANDING, BY AND BETWEEN THE CITY OF ROSEVILLE AND THE SACRAMENTO AREA COUNCIL OF GOVERNMENTS, AND AUTHORIZING THE CITY MANAGER OR DESIGNEE TO EXECUTE IT ON BEHALF OF THE CITY OF ROSEVILLE; and adopt ORDINANCE NO. 6277 OF THE COUNCIL OF THE CITY OF ROSEVILLE AUTHORIZING CERTAIN AMENDMENTS TO THE FISCAL YEAR 2020-21 BUDGET AND DECLARING THIS ORDINANCE TO BE IMMEDIATELY EFFECTIVE AS AN APPROPRIATION MEASURE. Staff is requesting Council authorization to enter into a Memorandum of Understanding (MOU) with the Sacramento Council Area of Governments, for the purpose of securing a partial grant of \$79,000 for development and implementation of the City's Housing Element update project. This grant award will be the third grant brought to City Council by the Planning Department in the last year. To date, the City has received an SB 2 Planning Grant award for Commercial Corridor planning in the amount of \$310,000, has applied for the non-competitive LEAP grant in the amount of \$500,000 for Housing Element development and implementation, and this request to enter into an MOU to receive a \$79,000 grant award. The recommended budget adjustment reflects these amounts and does not negatively impact the City's General Fund.

8. ORDINANCES

8.1. Emergency Medical Services First Responder Fee - Municipal Code Update

Memo from Assistant Fire Chief Brian Diemer and Fire Chief Rick Barteo recommending the City Council introduce for first reading ORDINANCE OF THE COUNCIL OF THE CITY OF ROSEVILLE ADDING CHAPTER 9.27 OF TITLE 9 OF THE ROSEVILLE MUNICIPAL CODE REGARDING EMERGENCY MEDICAL SERVICES FIRST RESPONDER FEE. This item is an ordinance adding Chapter 9.27 to the Roseville Municipal Code regarding an Emergency Medical Services First Responder Fee. An Emergency Medical Services First Responder Fee is charged to patients who receive advanced life support services, basic life support services, or other

medical services by Roseville Firefighters requiring transportation via ambulance to the hospital. The fee is expected to generate \$1,210,225 in cost recovery from medical or auto insurance payments for emergency medical response, treatment, and care provided by Roseville Fire personnel on fire engines or trucks, based on assumptions for the number of transports and the rate of collections. The City will conservatively budget for the first fiscal year of the new General Fund revenue for FY2021-22.

Proclamation - Breast Cancer Awareness Month

CITY OF ROSEVILLE

BREAST CANCER AWARENESS MONTH

October 2020

WHEREAS, while breast cancer touches the lives of Americas from every background, in every community, considerable progress has been made in the fight against breast cancer; and

WHEREAS, it is estimated that more than 276,000 new cases of invasive breast cancer in women will be diagnosed in the United States in 2020; and

WHEREAS, October is Breast Cancer Awareness Month, an annual campaign to increase awareness about the disease; and

WHEREAS, during this, it is fitting to advocate for breast cancer research and to educate about breast cancer detection, risk factors, and treatment; and

WHEREAS, we support those courageously fighting breast cancer and honor the lives lost to the disease; and

WHEREAS, this October, we recognize breast cancer survivors, those battling the disease, their families who are a source of love and encouragement, and applaud the efforts of medical professionals and researchers working hard to find a cure; and

NOW, THEREFORE, I, JOHN B. ALLARD II, MAYOR OF THE CITY OF ROSEVILLE, CALIFORNIA, do hereby proclaim October 2020 as BREAST CANCER AWARENESS MONTH and urge citizens and civic organizations to acquaint themselves with the issues involved in Breast Cancer Awareness.

SIGNED this 7th day of October, 2020.

COUNCIL COMMUNICATION

CC #: 1034

File #: 0721

Title: Transit Advertising - Services Agreement Amendment

Contact: Michael Dour 916-746-1304 mdour@roseville.ca.us

Meeting Date: 10/7/2020

Item #: 7.1.

RECOMMENDATION TO COUNCIL

Staff recommends that the City Council adopt a resolution authorizing the City Manager to execute the First Amendment to the Transit Advertising Services Agreement between the City and Iron Horse Media, LLC.

BACKGROUND

On September 4, 2019, the City Council approved the Transit Advertising Services Agreement between the City and Iron Horse Media, LLC (IHM). The Agreement, effective October 1, 2019, allows IHM to sell advertising for placement on Roseville Transit buses (IHM) for 5 years plus 2 optional years in exchange for compensation to the City. Compensation is 40% of annual gross revenue with a minimum annual payment of \$121,500.

The COVID-19 Pandemic has impacted businesses throughout the country, including many of the businesses in Roseville and the greater Sacramento area that advertise with IHM. IHM indicates that some businesses have canceled or suspended existing advertising contracts and that it has been challenging to sign new contracts. IHM states in the attached letter requesting an amendment to the agreement that they have experienced a decline in gross revenues affecting their ability to meet the minimum annual payment of \$121,500.

The proposed amendment would reduce the minimum annual guaranteed fee for the first year of the contract to \$95,000 (October 2019 – September 2020) and \$80,000 for this next year (October 2020 – September 2021) but would not otherwise change the agreement. This means that IHM will pay the above amounts or 40% of gross revenue in each year, whichever is greater. Staff supports this request due to the unique circumstances surrounding the COVID-19 Pandemic.

FISCAL IMPACT

The proposed contract amendment would reduce advertising revenues to the Transit Fund by up

to \$31,500 in FY 2021 and \$41,500 in FY 2022, for a total advertising revenue reduction of \$73,000. On March 27, 2020, the Federal government adopted the Coronavirus Aid, Relief, and Economic Security (CARES) Act. The CARES Act included a total of \$25 billion in Federal Transit Administration (FTA) funding allocations to help the nation's public transportation systems respond to the COVID-19 pandemic. Of this, \$2,679,013 is available to Roseville Transit to offset increased operational costs and declining revenue streams. The result is that, even with the reduction in advertising revenue and other revenues, we expect that the Transit Fund will remain fully funded through FY21 & FY22.

ENVIRONMENTAL REVIEW

The California Environmental Quality Act (CEQA) does not apply to activities that will not result in a direct or reasonably foreseeable indirect physical change in the environment, or is otherwise not considered a project as defined by CEQA Statute §21065 and CEQA State Guidelines §15060(c)(3) and §15378. The proposed agreement amendment meets the above criteria and is not subject to CEQA. No additional environmental review is required.

**FIRST AMENDMENT TO
TRANSIT ADVERTISING SERVICES AGREEMENT**

THIS FIRST AMENDMENT TO AGREEMENT is made and entered into this ____ day of _____, 20__, by and between the City of Roseville, a municipal corporation (“CITY”), and Iron Horse Media, LLC, a limited liability company (“CONSULTANT”); and

W I T N E S S E T H:

WHEREAS, CITY and CONSULTANT previously entered into a Services Agreement dated September 4, 2019 (“Agreement”) regarding transit vehicle advertising services (“Project”); and

WHEREAS, CITY desires to amend the Minimum Annual Guaranteed Fee associated with such services; and

WHEREAS, CONSULTANT is willing and able to provide such services.

NOW, THEREFORE, the parties agree as follows:

1. Section 4.1 of the Agreement is amended to read as follows:

“In accordance with the terms and conditions of the Contract Documents, CONTRACTOR shall pay to CITY each Contract Year, as and when hereinafter set forth, the greater of: (i) the Minimum Annual Guaranteed Fee (“Annual Fee”) amount set forth in the table, below; or (ii) the Annual Percentage Fee (“Percentage Fee”) calculated using the applicable percentage rate set forth in the table, below. The amount of the Percentage Fee due for each

Contract Year is the dollar amount by which the applicable percent (specified in the table) of Gross Sales received during a Contract Year exceeds the amount of the Annual Fee paid to CITY during that Contract Year, or portion thereof, during the term of this Agreement. As used herein, "Gross Sales" means the gross selling price of all advertising to be placed on CITY transit vehicles sold by CONTRACTOR, whether for cash or on credit, less the following: (i) sales taxes, excise taxes, gross receipts taxes, occupational and similar taxes (except personal income taxes and real property taxes of CONTRACTOR) if such taxes are enacted and imposed on CONTRACTOR after the execution of this Agreement, (ii) the cost of designing, manufacturing, installing, and maintaining advertising copy; and (iii) the cost of commissions paid to advertising agencies or sales representatives, up to a maximum amount equal to fifteen percent (15%) of gross selling price of the advertising sold.

	Annual Fee	Percentage Rate
Year 1	\$95,000	40%
Year 2	\$80,000	40%
Year 3	\$121,500	40%
Year 4	\$121,500	40%
Year 5	\$121,500	40%
Optional Year 6	\$121,500	40%
Optional Year 7	\$121,500	40%

”

2. All other provisions of the Agreement shall remain unchanged and in full force and effect.

IN WITNESS WHEREOF, the City of Roseville, a municipal corporation, has authorized the execution of this First Amendment to Agreement in duplicate by its City Manager and attested to by its City Clerk under the authority of Resolution No. _____, adopted by the

Council of the City of Roseville on the ____ day of _____, 20____, and CONSULTANT has caused this First Amendment to Agreement to be executed.

Roseville, CA 95678

RE: Request for Modification to the Transit Advertising Agreement.

Dear Mr. Dour,

Firstly, I hope that you, your staff, MV, the drivers and passengers are safe and healthy.

The purpose of this letter is to request to modification to the Transit Advertising Agreement. The reason for the modification is because the Covid-19 pandemic has caused a significant reduction in the transit advertising revenue. This is because a.) the vast majority of our clients have not open for business since mid-March and, b.) the value of the advertising has been diminished because it is not being seen by the intended public, due to the viewers sheltering in place.

The current state of our advertising program:

1. As of this date, 80% of our Accounts Receivable, since March 12th, has not been paid. In other words, our normal 30 days Accounts Receivable has not yet been collectible.
2. A significant percentage of our advertising clients have requested their advertising contracts be suspended.
3. In early March we had multiple new campaigns (approximate value of \$75,000) that were in the final stages of contract negotiations. Those campaigns disappeared in mid-March. This year does not appear to have a significant upside.
4. It is my understanding that almost all the advertising on other municipal transit systems has either been suspended or canceled.
5. If our previous advertisers do not again use our service, next year will be a rebuilding year with revenue that is lower than this year.

I respectfully request the following modifications to our agreement:

1. Waive the \$30,750 Quarterly Payment due on July 20, 2020,
2. Reduce the \$121,000 Annual Minimum to:
 - a. \$95,000 for this contract year (Oct '19 – Sept '20), and
 - b. \$80,000 for next year (Oct '20 – Sept '21),
3. The 40% Annual Percentage of Gross Revenue payment to the City of Roseville by October 20, 2020 would remain the same, and
4. Monthly, Quarterly and Annual reporting requirements would remain the same.

Please See EXHIBIT A – PROJECT TRANSIT ADVERTISING REVENUE

As of today, the best-case scenario is that we will finish the Agreement year in September with a total payment to the City of Roseville that is more than the currently contracted minimum payment of \$121,500. The reason for this assumption is that there are significant accounts receivables that are contracted for, have been earned, but have not yet been paid. I expect that those funds will eventually show up. We are fortunate because we have great advertisers and I expect that they will want to continue to utilize our product after the dust settles.

The worst-case scenario is that our largest advertisers continue to suspend their campaigns and do not pay funds that have been earned. (We will pursue the collection of earned funds through all legal means). This would result in no revenue for the impacted months and the cancellation of future campaigns. Transit advertising revenue for March, April, and May campaigns has simply disappeared throughout most of California. Worst-case scenario is that were the same as everyone else.

I thank you in advance for your consideration of the requested contract modification.

Sincerely,

IRON HORSE MEDIA, LLC.

Title: Duke Davis Park Shade Sails – Contract Purchase Agreement
Contact: Tara Gee 916-774-5253 tgee@roseville.ca.us

Meeting Date: 10/7/2020
Item #: 7.2.

RECOMMENDATION TO COUNCIL

Staff recommends City Council adopt a resolution to approve Contract Purchase Agreement No. 3000804 with Landscape Structures, Inc., and authorize the City Manager to execute it.

BACKGROUND

In May 2020, a budget adjustment was approved allocating funds from the Diamond Creek Community Facilities District (CFD) No. 1 Fund for the addition of the shade structures at Duke Davis Park. The Contract Purchase Agreement outlines a cost of \$42,336.84, which includes all labor, materials, bonds and structural calculations. The addition of the shade sails is consistent with the work plan outlined in the Diamond Creek CFD No.1 bond refunding process in FY2018-19.

FISCAL IMPACT

A budget adjustment was approved in May 2020 allocating funds from Diamond Creek CFD No. 1 Fund (Fund 3016) towards specific projects at Duke Davis and Bill Hughes Parks. There is no fiscal impact to the City's General Fund.

ENVIRONMENTAL REVIEW

The proposed project involves a minor alteration to an existing facility. This activity is categorically exempt from CEQA as a Class 1 Exemption (State CEQA Guidelines Section 15301). The Exemption has been prepared and no further CEQA action is required.

Respectfully Submitted,

Tara Gee, Park Planning & Development Superintendent

Jill Geller, Parks, Recreation & Libraries Director

Dominick Casey, City Manager

Attention: Total Cost not to exceed the agreement amount without prior approval of the Purchasing office.

Contract Terms and Conditions

1. To the fullest extent allowed by law, Contractor shall defend, indemnify, and save and hold harmless the City, its officers, agents, employees and volunteers from any claims, suits or actions of every name, kind and description brought forth, or on account of, injuries to or death of any person (including but not limited to workers and the public), or damage to property, resulting from or arising out of Contractor's willful misconduct or negligent act or omission while engaged in the performance of obligations or exercise of rights created by this Agreement, except those matters arising from City's sole or active negligence or willful misconduct. The parties intend that this provision shall be broadly construed. Contractor's responsibility for such defense and indemnity obligations shall survive the termination or completion of this Agreement for the full period of time allowed by law. The defense and indemnity obligations of this Agreement are undertaken in addition to, and shall not in any way be limited by, the insurance obligations contained in this Agreement.
2. Contractor is an independent contractor, and shall not be considered an officer, agent or employee of the City.
3. Without the written consent of the City, this Agreement is not assignable by Contractor either in whole or in part.
4. Time is of the essence of this Agreement.
5. At any time during the term of this Agreement, the City has the right to terminate this Agreement, provided Contractor is given thirty (30) days written notice. City's termination shall be without further liability to City; however, Contractor shall be entitled to all costs reasonably incurred prior to the date of termination. Contractor acknowledges that City may terminate this Agreement should funds not be appropriated by its governing body to continue services under this Agreement.
6. This Agreement may only be amended or modified in writing. It is integrated and contains the complete understanding of the parties.
7. All equipment, supplies and services sold to the City of Roseville shall conform to the general safety orders of the State of California.
8. Unless notified to the contrary, in writing, the City assumes that the Contractor has accepted the work in accordance with the plans and specifications (if any) and agrees to do the work in compliance with this Agreement.
9. All prevailing wages and fair employment practices must be adhered to. For prevailing wage contracts over \$25,000, copies of certified payroll must be submitted with invoices. Prevailing wage rates may be obtained from the State Department of Industrial Relations and/or the following website address:
<http://www.dir.ca.gov/dlsr/DPreWageDetermination.htm>.
10. Contractor agrees to the below insurance requirements:
 - a. Unless otherwise specified, the Contractor shall maintain the policies of insurance outlined in Attachment A, incorporated herein by this reference, in full force and effect during the term of this Agreement. The City of Roseville retains sole discretion in determining the types and proper levels of insurance coverage.

- b. Form. Contractor shall submit a certificate evidencing such coverage for the period covered by this Agreement in a form satisfactory to Risk Management and the City Attorney, prior to undertaking any work hereunder. Any insurance written on a claims made basis is subject to the approval of Risk Management and the City Attorney.
- c. Additional Insureds. Contractor shall also provide a separate endorsement or section of the policy showing City, its officers, agents, employees, and volunteers as additional insureds for each type of coverage (except Workers' Compensation) and for ongoing and completed operations. Such insurance shall specifically cover the contractual liability of Contractor. The additional insured coverage under the Contractor's policy shall be primary and noncontributory, as evidenced by a separate endorsement or section of the policy, and shall not seek contribution from City's insurance or self-insurance. In addition, the additional insured coverage shall be at least as broad as the Insurance Services Office (ISO) CG 20 01 Endorsement. Any available insurance proceeds in excess of the specified minimum insurance coverage requirements and limits shall be available to the additional insureds. Furthermore, the requirements for coverage and limits shall be:
 - (1) the minimum coverage and limits specified in this Agreement; or
 - (2) the full coverage and maximum limits of any insurance proceeds available to the named insureds, whichever is greater.
- d. Cancellation/Modification. Contractor shall provide ten (10) days written notice to City prior to cancellation or modification of any insurance required by this Agreement.
- e. Umbrella/Excess Insurance. The limits of insurance required in this Agreement may be satisfied by a combination of primary and excess insurance. Any excess insurance shall contain or be endorsed to contain a provision that such coverage shall also apply on a primary and noncontributory basis for the benefit of City (if agreed to in a written contract) before City's own insurance shall be called upon to protect it as a named insured.
- f. Subcontractors. Contractor agrees to include in its contracts with all subcontractors the same requirements and provisions of this Agreement, including the indemnity and insurance requirements, to the extent they apply to the scope of the subcontractor's work. Furthermore, Contractor shall require its subcontractors to agree to be bound to Contractor and City in the same manner and to the same extent as Contractor is bound to City under this Agreement. Additionally, Contractor shall obligate its subcontractors to comply with these same provisions with respect to any tertiary subcontractor, regardless of tier. A copy of City's indemnity and insurance provisions will be furnished to the subcontractor or tertiary subcontractor upon request.
- g. Self-Insured Retentions. All self-insured retentions (SIR) must be disclosed to Risk Management for approval and shall not reduce the limits of liability. Policies containing any SIR provision shall provide or be endorsed to provide that the SIR may be satisfied by either the named insured or City. City reserves the right to obtain a full certified copy of any insurance policy and endorsements. The failure to exercise this right shall not constitute a waiver of such right.
- h. Waiver of Subrogation. Contractor hereby agrees to waive subrogation which any insurer of Contractor may acquire from Contractor by virtue of the payment of any loss under a Workers Compensation, Commercial General Liability or Automobile Liability policy. All Workers Compensation, Commercial General

Liability and Automobile Liability policies shall be endorsed with a waiver of subrogation in favor of City, its officers, agents, employees and volunteers for all work performed by Contractor, its employees, agents and subcontractors.

- i. Liability/Remedies. Insurance coverage in the minimum amounts set forth herein shall not be construed to relieve Contractor of liability in excess of such coverage, nor shall it preclude City from taking such other actions as are available to it under any other provisions of this Agreement or law.
11. Contractor shall comply with all federal, state and local laws and ordinances, including but not limited to the City's storm water regulations, as may be applicable to the performance of services under this Agreement. Failure to comply with local ordinances may result in monetary fines and cancellation of this Agreement. Refer to www.roseville.ca.us/stormwater for links to more information on the City's storm water regulations.
12. In the event that the terms of any attachment or exhibit conflict with any terms of this Agreement, the terms of this Agreement shall control.
13. This Agreement may be executed in one or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument. In the event that any signature is delivered by facsimile transmission or by e-mail delivery of a ".pdf" format data file, such signature shall create a valid and binding obligation of the party executing (or on whose behalf such signature is executed) with the same force and effect as if such facsimile or ".pdf" signature page were an original thereof.
14. If either party commences any legal action against the other party arising out of this Agreement or the performance thereof, the prevailing party in such action shall be entitled to recover its reasonable litigation expenses, including but not limited to, court costs, expert witness fees, discovery expenses, and attorneys' fees. Any action arising out of this Agreement shall be brought in Placer County, California, regardless of where else venue may lie. This Agreement shall be governed by and construed in accordance with the laws of the State of California.
15. This Agreement shall be binding upon the heirs, successors, executors, administrators and assigns of the respective parties hereto.
16. If any of the provisions contained in this Agreement are for any reason held invalid or unenforceable, such holding shall not affect the remaining provisions or the validity and enforceability of the Agreement as a whole.
17. For purposes of this Agreement, the terms "Contractor," "Consultant," and "Supplier" are used interchangeably.
18. No contractor or subcontractor may work on a public works project unless registered with the Department of Industrial Relations pursuant to Labor Code section 1725.5. During the performance of this agreement, Contractor and its subcontractors shall have a continuing legal obligation to maintain current registration with the Department of Industrial Relations. Contractor is hereby notified that this project is subject to compliance monitoring and enforcement by the Department of Industrial Relations.
19. Contractor must submit all claims as defined in and in accordance with the claim resolution process set forth in Section 9204 of the Public Contract Code. Each such claim must be sent to the City by registered mail or certified mail with return receipt requested and must contain reasonable documentation to support the claim. All claims must be received prior to acceptance of the work.

20. Contractor agrees to defend and indemnify City if, despite the parties intent and practice, any venue, agency, or court with competent jurisdiction determines that Contractor and/or any of its agents, officers, employees, volunteers, independent contractors, or subcontractors, are characterized as employee(s) of City. Contractor and City agree that: (a) Contractor is free from the control and direction of City in connection with the performance of the work; (b) Contractor is providing services directly to City; (c) Contractor has and will maintain at all relevant times a business license; (d) Contractor maintains a business location that is separate from City; (e) Contractor is customarily engaged in an independently established business of the same nature as that involved in the work performed hereunder; (f) Contractor actually contracts with other businesses to provide the same or similar services and maintains a clientele without restrictions from City; (g) Contractor advertises and holds itself out to the public as available to provide the same or similar services; (h) Contractor provides its own tools, vehicles, and equipment to perform the services; (i) Contractor has negotiated its own rates; (j) Contractor set its own hours and location of work in accomplishing City's on-call needs; and (k) Contractor has the right to control the manner and means of accomplishing the result desired and exercises its own expert independent judgement.

The supplier named hereon by the acceptance of this order agrees to the provisions of this document titled "Contract Purchase Agreement" and all accompanying terms, conditions, and attachments.

Insurance Submission Process

The City of Roseville Human Resources/Risk Management Department uses a service called EBIX to manage our insurance certificate tracking.

How It Works

- The vendor's contact information is entered into EBIX. EBIX will contact the vendor to request proof of insurance.
- The Vendor can forward the request to their Insurance Agent(s) if necessary.
- Vendor/Insurance Agent submits insurance to EBIX by email to roseville@ebix.com or by fax to (770) 325-5727. After faxing or emailing the certificate, please DO NOT send the certificate by mail to EBIX. Please do not mail, email or fax any certificates to the City of Roseville.
- Once submitted, EBIX reviews the insurance documentation. If there are deficiencies, EBIX will send a follow up letter or email requesting additional information.

COUNCIL COMMUNICATION

CC #: 1044

File #: 0704

Title: Vegetation Management and Firebreak Control - Contract Purchase Agreement Amendment

Contact: Eric Dexter 916-746-1769 edexter@roseville.ca.us

Meeting Date: 10/7/2020

Item #: 7.3.

RECOMMENDATION TO COUNCIL

Staff recommends City Council adopt a resolution authorizing the City Manager to execute Amendment No. 1 to the Contract Purchase Agreement between the City of Roseville and H & N Enterprises, allowing for the installation of firebreaks and reduction of vegetation on City owned and private property.

BACKGROUND

The City of Roseville is required, by California Fire Code 304.1.2 and Title 19 California Code of Regulations, to install firebreaks on City property prior to July 1st of each year. A minimum 30-foot firebreak is required between natural areas and residential and commercial properties. The City typically utilizes a combination of City staff and contract labor to complete the firebreak installation. Approximately 200 acres of firebreaks in over 100 locations are installed throughout the City each year. The Roseville Fire Department issues notices to all private property owners whose property requires a firebreak. Should private property owners fail to meet the deadline, the City installs the firebreak and bills the property owner. Due to COVID-19, the Parks Division delayed the hiring of seasonal employees that would normally perform some of these firebreaks. This resulted in contractors performing additional work to complete the Firebreaks by the July 1 deadline, which resulted in contract increases.

Vegetation reduction and management for clearance, asset protection and other regulatory measures is also conducted as part of the project and is utilized by the Parks, Recreation & Libraries Department, Public Works Department and Environmental Utilities Department for said services. We are currently in the final year of a five year contract with H & N Enterprises to complete this work.

FISCAL IMPACT

Funding for the vegetation management and firebreak control services is funded through operating

budgets from Fire, Public Works, and Open Space Preserves in the General Fund, as well as from the Environmental Utilities enterprise funds.

The original contract had a not to exceed amount of \$113,000. The additional work resulted in a \$21,436 increase above the original amount for a new total of \$134,436. There is no increase to the General Fund budget due to the cost savings of not hiring City staff to complete the work.

ENVIRONMENTAL REVIEW

The proposed project involves a minor alteration in the condition of the land, water and or vegetation which will not remove healthy, mature, scenic trees. This activity is categorically exempt from CEQA as a Class 4 Exemption (State CEQA Guidelines Section 15304). The Exemption has been prepared and no further CEQA action is required.

Respectfully Submitted,

Eric Dexter, Parks, Recreation & Libraries Superintendent

Jill Geller, Parks, Recreation & Libraries Director

Dominick Casey, City Manager

This Contract Purchase Agreement is sent for your review and acceptance. Notify the Buyer via email of any needed changes to the company name, address, and contact information. The Buyer will update the agreement prior to you signing the document.

Return signed copies of the agreement to the Buyer noted on the agreement. Alterations or modifications to the agreement are not allowed. Upon receipt of all necessary documents, the City will sign the agreement and return a fully executed copy to you. Receipt of the signed copy will be your notice to proceed with the work in accordance with the terms and conditions of the agreement. Work must not begin until the contract has been fully executed.

The following guidelines must be followed for the signature block on the agreement:

Sole proprietorship - By owner

Partnership - Any general partner

Corporation - Two options:

(1) A signature from the President and the corporate seal; **OR**

(2) One signature from the Chairman of the Board, President, or any Vice President **AND** one signature from the Secretary, any Assistant Secretary, Chief Financial Officer, or any Treasurer or Assistant Treasurer of the corporation

*General Manager, Office Manager and/or Sales Manager are **not** corporate officer titles. The agreement will be rejected if not signed in accordance with these guidelines.

Insurance requirements:

The City's insurance requirements are referenced on Attachment A of the agreement. By signing the agreement, you are confirming that your company has the minimum insurance limits required.

Contract Terms and Conditions

1. To the fullest extent allowed by law, Contractor shall defend, indemnify, and save and hold harmless City, its officers, agents, employees and volunteers from any claims, suits or actions of every name, kind and description brought forth, or on account of, injuries to or death of any person (including but not limited to workers and the public), or damage to property, resulting from or arising out of Contractor's willful misconduct or negligent act or omission while engaged in the performance of obligations or exercise of rights created by this Agreement, except those matters arising from City's sole negligence or willful misconduct. The parties intend that this provision shall be broadly construed. Contractor's responsibility for such defense and indemnity obligations shall survive the termination or completion of this Agreement for the full period of time allowed by law. The defense and indemnity obligations of this Agreement are undertaken in addition to, and shall not in any way be limited by, the insurance obligations contained in this Agreement.
2. Contractor is an independent contractor, and shall not be considered an officer, agent or employee of the City.
3. Without the written consent of the City, this Agreement is not assignable by Contractor either in whole or in part.
4. Time is of the essence of this Agreement.
5. At any time during the term of this Agreement, the City has the right to terminate this Agreement, provided Contractor is given thirty (30) days written notice. City's termination shall be without further liability to City; however, Contractor shall be entitled to all costs reasonably incurred prior to the date of termination. Contractor acknowledges that City may terminate this Agreement should funds not be appropriated by its governing body to continue services under this Agreement.
6. This Agreement may only be amended or modified in writing. It is integrated and contains the complete understanding of the parties.
7. All equipment, supplies and services sold to the City of Roseville shall conform to the general safety orders of the State of California.
8. Unless notified to the contrary, in writing, the City assumes that the Contractor has accepted the work in accordance with the plans and specifications (if any) and agrees to do the work in compliance with this Agreement.
9. All fair employment practices must be adhered to. In addition, if the project referenced on this service agreement is a Public Works project, all prevailing wage laws must be complied with. For prevailing wage contracts over \$25,000, copies of certified payroll must be submitted with invoices. Prevailing wage rates may be obtained from the State Department of Industrial Relations and/or the following website address:
<http://www.dir.ca.gov/dlsr/DPreWageDetermination.htm>.
10. Contractor agrees to the below insurance requirements:
 - a. Unless otherwise specified, the Contractor shall maintain the policies of insurance outlined in Attachment A, incorporated herein by this reference, in full force and effect during the term of this Agreement. The City of Roseville retains sole discretion in determining the types and proper levels of insurance coverage.
 - b. Form. Contractor shall submit a certificate evidencing such coverage for the period covered by this Agreement in a form satisfactory to Risk Management and the City Attorney, prior to undertaking any work hereunder. Any insurance written on a claims made basis is subject to the approval of Risk Management and the City Attorney.
 - c. Additional Insureds. Contractor shall also provide a separate endorsement or

- section of the policy showing City, its officers, agents, employees, and volunteers as additional insureds for each type of coverage, except for Workers' Compensation. Such insurance shall specifically cover the contractual liability of Contractor. The additional insured coverage under the Contractor's policy shall be primary and noncontributory, as evidenced by a separate endorsement or section of the policy, and shall not seek contribution from City's insurance or self-insurance. In addition, the additional insured coverage shall be at least as broad as the Insurance Services Office (ISO) CG 20 01 Endorsement. Any available insurance proceeds in excess of the specified minimum insurance coverage requirements and limits shall be available to the additional insureds. Furthermore, the requirements for coverage and limits shall be:
- (1) the minimum coverage and limits specified in this Agreement; or
 - (2) the full coverage and maximum limits of any insurance proceeds available to the named insureds, whichever is greater.
- d. Cancellation/Modification. Contractor shall provide ten (10) days written notice to City prior to cancellation or modification of any insurance required by this Agreement.
 - e. Umbrella/Excess Insurance. The limits of insurance required in this Agreement may be satisfied by a combination of primary and excess insurance. Any excess insurance shall contain or be endorsed to contain a provision that such coverage shall also apply on a primary and noncontributory basis for the benefit of City (if agreed to in a written contract) before City's own insurance shall be called upon to protect it as a named insured.
 - f. Subcontractors. Contractor agrees to include in its contracts with all subcontractors the same requirements and provisions of this Agreement, including the indemnity and insurance requirements, to the extent they apply to the scope of the subcontractor's work. Furthermore, Contractor shall require its subcontractors to agree to be bound to Contractor and City in the same manner and to the same extent as Contractor is bound to City under this Agreement. Additionally, Contractor shall obligate its subcontractors to comply with these same provisions with respect to any tertiary subcontractor, regardless of tier. A copy of City's indemnity and insurance provisions will be furnished to the subcontractor or tertiary subcontractor upon request.
 - g. Self-Insured Retentions. All self-insured retentions (SIR) must be disclosed to Risk Management for approval and shall not reduce the limits of liability. Policies containing any SIR provision shall provide or be endorsed to provide that the SIR may be satisfied by either the named insured or City. City reserves the right to obtain a full certified copy of any insurance policy and endorsements. The failure to exercise this right shall not constitute a waiver of such right.
 - h. Waiver of Subrogation. Contractor hereby agrees to waive subrogation which any insurer of Contractor may acquire from Contractor by virtue of the payment of any loss under a Workers Compensation, Commercial General Liability or Automobile Liability policy. All Workers Compensation, Commercial General Liability and Automobile Liability policies shall be endorsed with a waiver of subrogation in favor of City, its officers, agents, employees and volunteers for all work performed by Contractor, its employees, agents and subcontractors.
 - i. Liability/Remedies. Insurance coverage in the minimum amounts set forth herein shall not be construed to relieve Contractor of liability in excess of such coverage, nor shall it preclude City from taking such other actions as are available to it under any other provisions of this Agreement or law.
11. Contractor shall comply with all federal, state and local laws and ordinances, including but not limited to the City's storm water regulations, as may be applicable to the performance of services under this Agreement. Failure to comply with local ordinances

may result in monetary fines and cancellation of this Agreement. Refer to www.roseville.ca.us/stormwater for links to more information on the City's storm water regulations.

12. In the event that the terms of any attachment or exhibit conflict with any terms of this Agreement, the terms of this Agreement shall control.
13. This Agreement may be executed in one or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument. In the event that any signature is delivered by facsimile transmission or by e-mail delivery of a ".pdf" format data file, such signature shall create a valid and binding obligation of the party executing (or on whose behalf such signature is executed) with the same force and effect as if such facsimile or ".pdf" signature page were an original hereof.
14. If either party commences any legal action against the other party arising out of this Agreement or the performance thereof, the prevailing party in such action shall be entitled to recover its reasonable litigation expenses, including but not limited to, court costs, expert witness fees, discovery expenses, and attorneys' fees. Any action arising out of this Agreement shall be brought in Placer County, California, regardless of where else venue may lie. This Agreement shall be governed by and construed in accordance with the laws of the State of California.
15. This Agreement shall be binding upon the heirs, successors, executors, administrators and assigns of the respective parties hereto.
16. If any of the provisions contained in this Agreement are for any reason held invalid or unenforceable, such holding shall not affect the remaining provisions or the validity and enforceability of the Agreement as a whole.
17. For purposes of this Agreement, the terms "Contractor," "Consultant," and "Supplier" are used interchangeably.
18. If the project referenced on this agreement is a Public Works project, then the following shall apply: No contractor or subcontractor may work on a public works project unless registered with the Department of Industrial Relations pursuant to Labor Code section 1725.5. During the performance of this agreement, Contractor and its subcontractors shall have a continuing legal obligation to maintain current registration with the Department of Industrial Relations. Contractor is hereby notified that this project is subject to compliance monitoring and enforcement by the Department of Industrial Relations.
19. If the project referenced on this agreement is a Public Works project, then the following shall apply: Contractor must submit all claims as defined in and in accordance with the claim resolution process set forth in Section 9204 of the Public Contract Code. Each such claim must be sent to the City by registered mail or certified mail with return receipt requested and must contain reasonable documentation to support the claim. All claims must be received prior to acceptance of the work.

The supplier named hereon by the acceptance of this order agrees to the provisions of this document titled "Contract Purchase Agreement" and all accompanying terms, conditions, and attachments.

Insurance Submission Process

The City of Roseville Human Resources/Risk Management Department uses a service called EBIX to manage our insurance certificate tracking.

How It Works

- The vendor's contact information is entered into EBIX. EBIX will contact the vendor to request proof of insurance.
- The Vendor can forward the request to their Insurance Agent(s) if necessary.
- Vendor/Insurance Agent submits insurance to EBIX by email to roseville@ebix.com or by fax to (770) 325-5727. After faxing or emailing the certificate, please DO NOT send the certificate by mail to EBIX. Please do not mail, email or fax any certificates to the City of Roseville.
- Once submitted, EBIX reviews the insurance documentation. If there are deficiencies, EBIX will send a follow up letter or email requesting additional information.

Questions Regarding Insurance Submission: Contact EBIX at (951) 652-4239

Exhibit B
Revised 4/2/20

Contract Provisions for Non-Federal Entity Contracts Under Federal Awards

1. For purposes of this Exhibit B, the terms contractor, consultant, supplier, and vendor shall be used interchangeably and specifically refer to the party furnishing good and/or services to the City of Roseville (hereinafter "City") pursuant to the Agreement.
2. **Contractual remedies for breach of the Agreement:** Should any party breach any of the terms of the Agreement, the non-breaching party may commence any legal action against the other party arising out of the breach of the Agreement or the performance thereof. The prevailing party in such action shall be entitled to recover its reasonable litigation expenses, including but not limited to, court costs, expert witness fees, discovery expenses, and attorneys' fees. Any action arising out of the Agreement shall be brought in Placer County, California, regardless of where else venue may lie. This Agreement shall be governed by and construed in accordance with the laws of the State of California.
3. **Termination for cause or convenience:** At any time during the term of this Agreement, the City has the right to terminate this Agreement, provided contractor is given thirty (30) days' written notice. City's termination shall be without further liability to City, however contractor shall be entitled to all costs reasonably incurred prior to the date of termination. contractor acknowledges that City may terminate this Agreement should funds not be appropriated by its governing body to continue services under this Agreement.
4. **Equal Employment Opportunity:** The regulation at 41 C.F.R. Part 60-1.4(b) requires the insertion of the following contract clause.

During the performance of this Agreement, the contractor agrees as follows:

(1) The contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, sexual orientation, gender identity, or national origin. The contractor will take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to their race, color, religion, sex, sexual orientation, gender identity, or national origin. Such action shall include, but not be limited to the following:

Employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided setting forth the provisions of this nondiscrimination clause.

(2) The contractor will, in all solicitations or advertisements for employees placed by or on behalf of the contractor, state that all qualified applicants will receive consideration for

employment without regard to race, color, religion, sex, sexual orientation, gender identity, or national origin.

(3) The contractor will not discharge or in any other manner discriminate against any employee or applicant for employment because such employee or applicant has inquired about, discussed, or disclosed the compensation of the employee or applicant or another employee or applicant. This provision shall not apply to instances in which an employee who has access to the compensation information of other employees or applicants as a part of such employee's essential job functions discloses the compensation of such other employees or applicants to individuals who do not otherwise have access to such information, unless such disclosure is in response to a formal complaint or charge, in furtherance of an investigation, proceeding, hearing, or action, including an investigation conducted by the employer, or is consistent with the contractor's legal duty to furnish information.

(4) The contractor will send to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding, a notice to be provided advising the said labor union or workers' representatives of the contractor's commitments under this section, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

(5) The contractor will comply with all provisions of Contractor Order 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.

(6) The contractor will furnish all information and reports required by Contractor Order 11246 of September 24, 1965, and by rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to his books, records, and accounts by the administering agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.

(7) In the event of the contractor's noncompliance with the nondiscrimination clauses of this contract or with any of the said rules, regulations, or orders, this contract may be canceled, terminated, or suspended in whole or in part and the contractor may be declared ineligible for further City contracts or federally assisted construction contracts in accordance with procedures authorized in Contractor Order 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Contractor Order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.

(8) The contractor will include the portion of the sentence immediately preceding paragraph (1) and the provisions of paragraphs (1) through (8) in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to section 204 of Contractor Order 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. The contractor will take such action with respect

to any subcontract or purchase order as the administering agency may direct as a means of enforcing such provisions, including sanctions for noncompliance:

Provided, however, that in the event a contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the administering agency, the contractor may request the United States to enter into such litigation to protect the interests of the United States.

The applicant further agrees that it will be bound by the above equal opportunity clause with respect to its own employment practices when it participates in federally assisted construction work: Provided, That if the applicant so participating is a State or local City, the above equal opportunity clause is not applicable to any agency, instrumentality or subdivision of such City which does not participate in work on or under the contract.

The applicant agrees that it will assist and cooperate actively with the administering agency and the Secretary of Labor in obtaining the compliance of contractors and subcontractors with the equal opportunity clause and the rules, regulations, and relevant orders of the Secretary of Labor, that it will furnish the administering agency and the Secretary of Labor such information as they may require for the supervision of such compliance, and that it will otherwise assist the administering agency in the discharge of the agency's primary responsibility for securing compliance.

The applicant further agrees that it will refrain from entering into any contract or contract modification subject to Contractor Order 11246 of September 24, 1965, with a contractor debarred from, or who has not demonstrated eligibility for, City contracts and federally assisted construction contracts pursuant to the Contractor Order and will carry out such sanctions and penalties for violation of the equal opportunity clause as may be imposed upon contractors and subcontractors by the administering agency or the Secretary of Labor pursuant to Part II, Subpart D of the Contractor Order. In addition, the applicant agrees that if it fails or refuses to comply with these undertakings, the administering agency may take any or all of the following actions: Cancel, terminate, or suspend in whole or in part this grant (contract, loan, insurance, guarantee); refrain from extending any further assistance to the applicant under the program with respect to which the failure or refund occurred until satisfactory assurance of future compliance has been received from such applicant; and refer the case to the Department of Justice for appropriate legal proceedings.

5. **Davis Bacon Act:** If the Agreement is a prime construction contracts in excess of \$2,000, contractor agrees:
 - a. All transactions regarding this contract shall be done in compliance with the Davis-Bacon Act (40 U.S.C. 3141- 3144, and 3146-3148) and the requirements of 29 C.F.R. pt. 5 as may be applicable. The contractor shall comply with 40 U.S.C. 3141-3144, and 3146-3148 and the requirements of 29 C.F.R. pt. 5 as applicable.
 - b. Contractor is required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor.

- c. Additionally, contractor is required to pay wages not less than once a week.
6. **Copeland Anti-Kickback Act:** If the Agreement is a contract for construction or repair in excess of \$2,000, contractor agrees:
- a. Contractor. The contractor shall comply with 18 U.S.C. § 874, 40 U.S.C. § 3145, and the requirements of 29 C.F.R. pt. 3 as may be applicable, which are incorporated by reference into this contract.
 - b. Subcontracts. The contractor or subcontractors shall insert in any subcontracts the clause above and such other clauses as FEMA may by appropriate instructions require, and also a clause requiring the subcontractors to include these clauses in any lower tier subcontracts. The prime contractor shall be responsible for the compliance by any subcontractor or lower tier subcontractor with all of these contract clauses.
 - c. Breach. A breach of the contract clauses above may be grounds for termination of the Agreement, and for debarment as a contractor and subcontractor as provided in 29 C.F.R. § 5.12.
7. **Contract Work Hours and Safety Standards Act:** This section applies if the Agreement is in excess of \$100,000 under grant and cooperative agreement programs and involves the employment of mechanics or laborers. It is applicable to construction work. These requirements do not apply to the purchase of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.
- (1) *Overtime requirements.* No contractor or subcontractor contracting for any part of the contract work which may require or involve the employment of laborers or mechanics shall require or permit any such laborer or mechanic in any workweek in which he or she is employed on such work to work in excess of forty hours in such workweek unless such laborer or mechanic receives compensation at a rate not less than one and one-half times the basic rate of pay for all hours worked in excess of forty hours in such workweek.
 - (2) *Violation; liability for unpaid wages; liquidated damages.* In the event of any violation of the clause set forth in paragraph (1) of this section the contractor and any subcontractor responsible therefor shall be liable for the unpaid wages. In addition, such contractor and subcontractor shall be liable to the United States (in the case of work done under contract for the District of Columbia or a territory, to such District or to such territory), for liquidated damages. Such liquidated damages shall be computed with respect to each individual laborer or mechanic, including watchmen and guards, employed in violation of the clause set forth in paragraph (1) of this section, in the sum of \$27 for each calendar day on which such individual was required or permitted to work in excess of the standard workweek of forty hours without payment of the overtime wages required by the clause set forth in paragraph (1) of this section.
 - (3) *Withholding for unpaid wages and liquidated damages.* The (write in the name of the Federal agency or the loan or grant recipient) shall upon its own action or upon written request of an authorized representative of the Department of Labor withhold or cause to be withheld, from any moneys payable on account of work performed by the contractor or subcontractor under any such contract or any other Federal contract with the same prime contractor, or any other federally-assisted contract subject to the Contract Work

Hours and Safety Standards Act, which is held by the same prime contractor, such sums as may be determined to be necessary to satisfy any liabilities of such contractor or subcontractor for unpaid wages and liquidated damages as provided in the clause set forth in paragraph (2) of this section.

- (4) *Subcontracts*. The contractor or subcontractor shall insert in any subcontracts the clauses set forth in paragraph (1) through (4) of this section and also a clause requiring the subcontractors to include these clauses in any lower tier subcontracts. The contractor shall be responsible for compliance by any subcontractor or lower tier subcontractor with the clauses set forth in paragraphs (1) through (4) of this section.

8. Clean Air Act and Federal Water Pollution Control Act: If the Agreement is in excess of \$150,000:

- a. The contractor agrees to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act, as amended, 42 U.S.C. § 7401 et seq., and the Federal Water Pollution Control Act, as amended, 33 U.S.C. 1251 et seq.
- b. The contractor agrees to report each violation to the City and understands and agrees that the City will, in turn, report each violation as required to assure notification to the Federal Emergency Management Agency, and the appropriate Environmental Protection Agency Regional Office.
- c. The contractor agrees to include these requirements in each subcontract exceeding \$150,000 financed in whole or in part with Federal assistance provided by FEMA.

9. Debarment and Suspension:

- (1) This Agreement is a covered transaction for purposes of 2 C.F.R. pt. 180 and 2 C.F.R. pt. 3000. As such, the contractor is required to verify that none of the contractor's principals (defined at 2 C.F.R. § 180.995) or its affiliates (defined at 2 C.F.R. § 180.905) are excluded (defined at 2 C.F.R. § 180.940) or disqualified (defined at 2 C.F.R. § 180.935).
- (2) The contractor must comply with 2 C.F.R. pt. 180, subpart C and 2 C.F.R. pt. 3000, subpart C, and must include a requirement to comply with these regulations in any lower tier covered transaction it enters into.
- (3) This certification is a material representation of fact relied upon by the City. If it is later determined that the contractor did not comply with 2 C.F.R. pt. 180, subpart C and 2 C.F.R. pt. 3000, subpart C, in addition to remedies available to the City, the Federal Government may pursue available remedies, including but not limited to suspension and/or debarment.
- (4) The contractor agrees to comply with the requirements of 2 C.F.R. pt. 180, subpart C and 2 C.F.R. pt. 3000, subpart C while this offer is valid and throughout the period of any contract that may arise from this offer. The contractor further agrees to include a provision requiring such compliance in its lower tier covered transactions.

10. Byrd Anti-Lobbying Amendment, 31 U.S.C. § 1352 (as amended):

If the Agreement is \$100,000 or more, contractor shall file the required certification under the Byrd Anti-Lobbying Amendment, 31 U.S.C. § 1352 (as amended). Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or

organization for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, officer or employee of Congress, or an employee of a Member of Congress in connection with obtaining any Federal contract, grant, or any other award covered by 31 U.S.C. § 1352. Each tier shall also disclose any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier up to the recipient who in turn will forward the certification(s) to the awarding agency.

11. Procurement of Recovered Materials:

- i. In the performance of this contract, the contractor shall make maximum use of products containing recovered materials that are EPA-designated items unless the product cannot be acquired:
 1. Competitively within a timeframe providing for compliance with the contract performance schedule;
 2. Meeting contract performance requirements; or
 3. At a reasonable price.
- ii. Information about this requirement, along with the list of EPA- designated items, is available at EPA's Comprehensive Procurement Guidelines web site, <https://www.epa.gov/smm/comprehensive-procurement-guideline-cpg-program>.
- iii. The contractor also agrees to comply with all other applicable requirements of Section 6002 of the Solid Waste Disposal Act.

12. Access to Records:

- (1) The contractor agrees to provide City, the FEMA Administrator, the Comptroller General of the United States, or any of their authorized representatives access to any books, documents, papers, and records of the contractor which are directly pertinent to this contract for the purposes of making audits, examinations, excerpts, and transcriptions.
- (2) The contractor agrees to permit any of the foregoing parties to reproduce by any means whatsoever or to copy excerpts and transcriptions as reasonably needed.
- (3) The contractor agrees to provide the FEMA Administrator or his authorized representatives access to construction or other work sites pertaining to the work being completed under the contract.
- (4) In compliance with the Disaster Recovery Act of 2018, the City and the contractor acknowledge and agree that no language in this contract is intended to prohibit audits or internal reviews by the FEMA Administrator or the Comptroller General of the United States.

13. No Obligation by Federal Government:

The Federal Government is not a party to this contract and is not subject to any obligations or liabilities to the non-Federal entity, contractor, or any other party pertaining to any matter resulting from the contract.

14. Program Fraud and False or Fraudulent Statements or Related Acts:

The contractor acknowledges that 31 U.S.C. Chap. 38 (Administrative Remedies for False Claims and Statements) applies to the contractor's actions pertaining to this contract.

File #: 0900-04-01 & 0201-01

Title: 2020 Residential Resurfacing Project - Award of Contract and Budget Adjustment

Contact: Jesse Khatkar 916-774-5434 jskhatkar@roseville.ca.us

Meeting Date: 10/7/2020

Item #: 7.4.

RECOMMENDATION TO COUNCIL

Staff recommends that City Council:

1. Adopt a resolution awarding the 2020 Residential Resurfacing Project (previously known as the 2019 Residential Resurfacing Project) to the lowest responsive bidder, American Pavement Systems, Inc, in the amount of \$669,585, and authorize the City Manager to execute the agreement with authorization for staff to approve change orders up to 10% (\$66,959) as a construction contingency; and
2. Adopt an ordinance approving a budget adjustment in the amount of \$660,000.

BACKGROUND

The City has a proactive residential street maintenance program designed to seal, protect, and preserve existing pavement by completing affordable asphalt resurfacing at 7 to 10 year intervals. This keeps the City residential streets in good condition and avoids pavement failure that would require more costly rehabilitation or reconstruction. Staff tracks which residential street segments have been resurfaced in prior years so that various segments are proactively resurfaced when needed.

The scope of this project consists of resurfacing various streets in the South Cirby neighborhood, Automall Drive, Scarborough Drive, and Yosemite Street. In addition, the project incorporates minor traffic striping modifications along Scarborough Drive, Yosemite Street, Sierra Boulevard, and Vernon Street. The project streets are shown on Exhibit A. Staff determines which streets are to be resurfaced with the aid of a pavement management system software that helps optimize the timing of resurfacing projects based upon road condition and available funding.

On August 5, 2020 the City Council approved the plans and specifications for the project and authorized staff to call for bids. Four bids were received and opened on August 25, 2020. All bids came in over the engineer's estimate of \$500,000. The increased bid cost over the engineer's estimate is due to increased labor costs and the numerous project locations spread throughout the City (additional mobilizations).

Bid Summary	
Bidder's Name	Amount
American Pavement Systems, Inc	\$ 669,585
Intermountain Slurry Seal, Inc	\$ 691,691
VSS International	\$ 763,000
Pavement Coatings Co	\$ 949,300

The design of this project was originally budgeted with the establishment of a new CIP titled the 2019 Residential Resurfacing project during the FY2017-18 budget development process. Construction has been delayed due to staff resources and shifting priorities. The project title was changed for advertisement and award so that it matches the year of construction start.

Public Outreach

Public Affairs & Communications staff will inform residents and businesses about the project benefits and construction impacts through a variety of methods including, but not limited to: direct mail, signage, social media, web, and email notifications. More details about the project will be shared at roseville.ca.us/resurfacing. Informational mailers will be sent to residents and businesses adjacent to the construction. Prior to working on each street, the contractor will distribute door hangers at residences and display temporary “No Parking” signs with the scheduled resurfacing date for that street.

FISCAL IMPACT

This project is funded by:

- \$85,000 in previously approved Roadway Funds leftover from last year’s residential resurfacing project;
- \$100,000 in previously approved Highway User Tax Funds leftover from last year’s residential resurfacing project;
- \$660,000 in new Roadway Maintenance and Rehabilitation Account funds (RMRA, SB 1 gas tax) being requested by the attached budget adjustment;
- \$35,000 from the previously approved Harry Crabb Park CIP to construct additional on-street parking adjacent to the Harry Crabb Park.

The total project construction budget is \$880,000.

The \$880,000 construction budget will fund the construction contract, construction contingency, contract construction management and inspection, and City staff time.

No General Fund resources are allocated for this project.

ENVIRONMENTAL REVIEW

The proposed project involves the repair, maintenance, and minor alteration of existing facilities. This activity is categorically exempt from CEQA as a Class 1 Exemption (State CEQA Guidelines Section 15301). The Exemption has been prepared and no further CEQA action is required.

Respectfully Submitted,

Jesse Khatkar, Assistant Engineer

Jason Skykowski, Public Works Director

Dominick Casey, City Manager

Resolution No. 20-383

Agreement

Ordinance No. 6272

Budget Adjustment

RESOLUTION NO. 20-383

APPROVING AN AGREEMENT, BY AND BETWEEN THE CITY OF ROSEVILLE AND AMERICAN PAVEMENT SYSTEMS, INC., AND AUTHORIZING THE CITY MANAGER TO EXECUTE IT ON BEHALF OF THE CITY OF ROSEVILLE

WHEREAS, an Agreement regarding the 2020 Residential Resurfacing project, by and between the City of Roseville and American Pavement Systems, Inc., has been reviewed by City Council; and

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Roseville that said Agreement is hereby approved and that the City Manager or his designee is authorized to execute it on behalf of the City of Roseville; and

BE IT FURTHER RESOLVED that the City Manager or his designee is authorized to approve change orders for the project, consistent with the contract terms, provided that the net cost of all change orders shall not exceed ten percent (10%) of the contract price.

PASSED AND ADOPTED by the Council of the City of Roseville this ____ day of _____, 2020, by the following vote on roll call:

AYES COUNCILMEMBERS:

NOES COUNCILMEMBERS:

ABSENT COUNCILMEMBERS:

MAYOR

ATTEST:

City Clerk

A G R E E M E N T

THIS AGREEMENT, is made and entered into this ____ day of _____,
20____, by and between the City of Roseville, a municipal corporation, ("CITY"), and
American Pavement Systems, Inc, a Corporation,
("CONTRACTOR"); and

W I T N E S S E T H:

WHEREAS, the City Council of the CITY, at a meeting held on the 5th day of
August, 2020, approved plans and specifications for the 2020 Residential
Resurfacing Project

and directed the City Clerk to advertise for sealed proposals for doing said work and providing
that bids be submitted on the 25th day of August, 2020; and

WHEREAS, the City Clerk, thereafter duly and regularly caused a notice to be published
in the manner and for the time prescribed by law; and

WHEREAS, CONTRACTOR, pursuant to the provisions of said notice duly filed a bid
with the City Clerk, a true copy of which bid is now on file in the office of the City Clerk, and is
hereby referred to and by this reference made a part hereof as fully as if set forth at length herein;
and

WHEREAS, all bids received pursuant to said notice were opened and examined and
publicly declared at the time specified in said advertisement for bids and at a meeting of the City
Council held on the 7th day of October, 2020, the Council found and

declared the bid of CONTRACTOR to be the lowest responsible bid and thereupon awarded a contract to CONTRACTOR to do the work referred to in the aforementioned specifications.

NOW, THEREFORE, the parties agree as follows:

1. THE WORK. CONTRACTOR agrees:

a. To do the work and furnish all the labor, materials, tools, supplies, equipment, superintendence, insurance, and bonds required for the 2020 Residential Resurfacing
Project

in accordance with the Contract Documents (the Work).

b. To do and perform the Work contemplated hereby in a good and workmanlike manner under the direction of and to the satisfaction of the Director of Public Works of the City of Roseville.

2. PAYMENT. CITY shall pay CONTRACTOR Six Hundred Sixty-Nine Thousand
Five Hundred and Eighty-Five dollars (\$ 669,585.00) for the Work to be done under this Agreement in accordance with the Contract Documents.

3. CONTRACT DOCUMENTS. The complete Agreement between the parties hereto consists of the following documents:

- a. The advertisement for bids (including the notice to bidders, instructions to bidders and proposals);
- b. The accepted bid;
- c. Plans and specifications (including standard construction specifications, special provisions and construction details);
- d. Bonds and insurance required by the specifications; and

e. This contract.

All documents specified above are intended to operate so that any work called for in any one and not mentioned in the other, or vice versa, is to be executed the same as if mentioned in all said documents.

4. LIQUIDATED DAMAGES. In the event CONTRACTOR does not complete the Work within the time specified, CONTRACTOR agrees that CITY will suffer damages. Inasmuch as the actual damages which would result from such breach by CONTRACTOR under this Agreement are uncertain, and would be impractical or extremely difficult to fix, CONTRACTOR agrees that it shall pay, or CITY shall deduct from CONTRACTOR's fee, the amount of \$ 2,400.00 per day as liquidated damages, in the event of such delay.

5. TIME OF COMPLETION. Time is of the essence of this Agreement. CONTRACTOR shall complete all Work under the Contract Documents within 30 Days of the date of this Contract. CONTRACTOR shall begin work by the date specified in the "Notice to Proceed" letter and shall diligently prosecute all of the Work under this Contract in all parts and requirements as defined in the Contract Documents.

6. SERVICE OF NOTICE. Any notice required or permitted to be given under this Agreement shall be deemed given when (a) personally delivered to the recipient identified below; (b) mailed by registered or certified mail, return receipt requested, postage pre-paid, to the address specified below; or (c) sent by facsimile, with confirmation of receipt, to the facsimile number identified below.

CITY may also act through either its architect or construction manager if CITY expressly gives notice to CONTRACTOR, in writing, that CITY's designee has authority to act for CITY in a specific capacity.

7. DISPUTES. Disputes arising from this Agreement will be determined in accordance with the Contract Documents and Public Contract Code Sections 10240-10240.13.

8. GOVERNING LAW. This Agreement shall be governed by and construed in accordance with the laws of the State of California.

9. INDEPENDENT CONTRACTOR. CONTRACTOR shall act as an independent contractor, and covenants and agrees that it will conduct itself consistent with such status, that it will neither hold itself out as, nor claim to be, an officer or employee of CITY by reason of this Agreement.

10. SUCCESSORS IN INTEREST. This Agreement shall be binding upon the heirs, successors, executors, administrators and assigns of the respective parties hereto.

11. MODIFICATION. This Agreement and each provision contained herein may be waived, amended, supplemented or eliminated only by mutual written agreement of the parties.

12. SEVERABILITY. If any of the provisions contained in this Agreement are for any reason held invalid or unenforceable, such holding shall not affect the remaining provisions or the validity and enforceability of the Agreement as a whole.

13. INTEGRATED AGREEMENT. This is an integrated agreement and contains all of the terms, considerations, understanding and promises of the parties. It shall be read as a whole.

14. CONTRACTORS LICENSE LAW. CONTRACTORS ARE REQUIRED BY LAW TO BE LICENSED AND REGULATED BY THE CONTRACTORS' STATE LICENSE BOARD WHICH HAS JURISDICTION TO INVESTIGATE COMPLAINTS AGAINST CONTRACTORS IF A COMPLAINT REGARDING A PATENT ACT OR OMISSION IS FILED WITHIN FOUR (4) YEARS OF THE DATE OF THE ALLEGED VIOLATION. A COMPLAINT REGARDING A LATENT ACT OR OMISISON PERTAINING TO STRUCUTRAL DEFECTS MUST BE FILED WITHIN TEN (10) YEARS OF THE DATE OF THE ALLEGED VIOLATION. ANY QUESTIONS CONCERNING A CONTRACTOR MAY BE REFERRED TO THE REGISTRAR, CONTRACTORS' STATE LICENSE BOARD, P.O. BOX 26000, SACRAMENTO, CALIFORNIA 95826.

IN WITNESS WHEREOF, the City of Roseville, a municipal corporation, has authorized the execution of this Agreement in duplicate by its City Manager and attestation by its City Clerk under authority of Resolution No. _____, adopted by the Council of the City of Roseville on the ____ day of _____, 20____, and CONTRACTOR has caused this Agreement to be duly executed.

ORDINANCE OF THE COUNCIL OF THE CITY OF ROSEVILLE
AUTHORIZING CERTAIN AMENDMENTS TO THE FISCAL YEAR 2020-21
BUDGET AND DECLARING THIS ORDINANCE TO BE IMMEDIATELY
EFFECTIVE AS AN APPROPRIATION MEASURE

THE CITY OF ROSEVILLE ORDAINS:

SECTION 1. The City of Roseville Annual Budget, Fiscal Year 2020-21, is hereby amended by transferring appropriation to and from the activities indicated below:

Appropriate funds for the 2020 Residential Resurfacing project, per request of the Public Works Department, as listed on the attached Request for Budget Adjustment in the amount of \$660,000.

SECTION 2. This ordinance is hereby declared to be an appropriation measure, immediately effective pursuant to the provisions of Section 5.03 of the Charter.

SECTION 3. The City Clerk is hereby authorized and directed to post a true copy of the foregoing ordinance in each of three (3) conspicuous locations in the City and she shall immediately after such posting enter in the ordinance book, under the record of the ordinance, a certificate under her hand stating the time and place of such publication by posting.

COUNCIL COMMUNICATION

CC #: 1023
File #: 0203-05

Title: VHF Radio System Support - Sole Source Contract Purchase Agreement
Contact: Karl Grover 916-774-5145 kgrover@roseville.ca.us

Meeting Date: 10/7/2020
Item #: 7.5.

RECOMMENDATION TO COUNCIL

Staff recommends Council authorize a Contract Purchase Agreement with Silke Communications for two years of enhancement and support on the VHF radio system in the amount of \$150,000 and adopt a resolution authorizing the City Manager to execute it.

BACKGROUND

The VHF radio system is used by the Fire and Police Departments to enable personnel to communicate with other agencies during daily interactions as well as significant mutual aid incidents. In addition, the VHF system is used as a method for Fire Station alerting and as a backup to the 800MHz radio system.

This contract is sole sourced as Silke is in the process of updating Fire and Police interoperability radio systems with engineered work and there are additional efforts needed to complete the update process. Also, this work must be provided by Silke to remain under manufacturer warranty.

The support coverage is from July 1, 2020 through June 30, 2022. The contract is based on time and materials and will not exceed \$150,000.

FISCAL IMPACT

Support and maintenance of the VHF system is budgeted in the FY2020-21 budget of the Information Technology Operations Fund.

ENVIRONMENTAL REVIEW

The California Environmental Quality Act (CEQA) does not apply to activities that will not result in a direct or reasonably foreseeable indirect physical change in the environment, or is otherwise not considered a project as defined by CEQA Statute §21065 and CEQA State Guidelines §15060(c)(3) and §15378. A contract purchase agreement for VHF system support meets the above criteria and is not subject to CEQA. No additional environmental review is required.

Respectfully Submitted,

Karl Grover, IT Program Manager - Network Infrastructure

Hong Sae, Chief Information Officer

Dominick Casey, City Manager

Resolution No. 20-382

CPA 3000849

RESOLUTION NO. 20-382

APPROVING A CONTRACT PURCHASE AGREEMENT BETWEEN THE CITY OF
ROSEVILLE AND SILKE COMMUNICATIONS, AND AUTHORIZING THE CITY
MANAGER TO EXECUTE IT ON BEHALF OF THE CITY OF ROSEVILLE

WHEREAS, a contract purchase agreement (3000849) for on-call services for the City of Roseville's VHF communications system, between the City of Roseville and Silke Communications, has been reviewed by the City Council;

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Roseville that said contract purchase agreement is approved and that the City Manager is authorized to execute it on behalf of the City of Roseville.

PASSED AND ADOPTED by the Council of the City of Roseville this ____ day of _____, 2020, by the following vote on roll call:

This Contract Purchase Agreement is sent for your review and acceptance. Notify the Buyer via email of any needed changes to the company name, address, and contact information. The Buyer will update the agreement prior to you signing the document.

Return (2) signed originals of the agreement to the Buyer noted on the agreement. Alterations or modifications to the agreement are not allowed. Upon receipt of all necessary documents, the City will sign the agreement and return a fully executed copy to you. Receipt of the signed copy will be your notice to proceed with the work in accordance with the terms and conditions of the agreement. Work must not begin until the contract has been fully executed.

The following guidelines must be followed for the signature block on the agreement:

Sole proprietorship - **By owner**
Partnership - **Any general partner**
Corporation - **Two options:**

(1) A signature from the President and the corporate seal; **OR**

(2) One signature from the Chairman of the Board, President, or any Vice President **AND** one signature from the Secretary, any Assistant Secretary, Chief Financial Officer, or any Treasurer or Assistant Treasurer of the corporation

*General Manager, Office Manager and/or Sales Manager are not corporate officer titles. The agreement will be rejected if not signed in accordance with these guidelines.

Insurance requirements:

The City's insurance requirements are referenced on Attachment A of the agreement. By signing the agreement, you are confirming that your company has the minimum insurance limits required.

Contract Terms and Conditions

1. To the fullest extent allowed by law, Consultant agrees to indemnify, including the cost to defend City, and its officers, agents, employees and volunteers from any and all claims, demands, costs or liability that arise out of, or pertain to, or relate to the negligence, recklessness, or willful misconduct of Consultant and its agents in the performance of services under this contract, but this indemnity does not apply to liability for damages for death or bodily injury to persons, injury to property, or other loss, arising from the sole negligence, willful misconduct or defects in design by City or the agents, servants, or independent contractors who are directly responsible to City, or arising from the active negligence of City. Consultant's responsibility for such defense and indemnity obligations shall survive the termination or completion of this Agreement for the full period of time allowed by law. The defense and indemnity obligations of this Agreement are undertaken in addition to, and shall not in any way be limited by, the insurance obligations contained in this Agreement.
2. Consultant is an independent contractor, and shall not be considered an officer, agent or employee of the City.
3. Without the written consent of the City, this Agreement is not assignable by Consultant either in whole or in part.
4. Time is of the essence of this Agreement.
5. At any time during the term of this Agreement, the City has the right to terminate this Agreement, provided Consultant is given thirty (30) days written notice. City's termination shall be without further liability to City; however, Consultant shall be entitled to all costs reasonably incurred prior to the date of termination. Consultant acknowledges that City may terminate this Agreement should funds not be appropriated by its governing body to continue services under this Agreement.
6. This Agreement may only be amended or modified in writing. It is integrated and contains the complete understanding of the parties.
7. All equipment, supplies and services sold to the City of Roseville shall conform to the general safety orders of the State of California.
8. Unless notified to the contrary, in writing, the City assumes that the Consultant has accepted the work in accordance with the plans and specifications (if any) and agrees to do the work in compliance with this Agreement. Any work product created for City pursuant to this Agreement is deemed owned by City.
9. All prevailing wages and fair employment practices must be adhered to. For prevailing wage contracts over \$25,000, copies of certified payroll must be submitted with invoices. Prevailing wage rates may be obtained from the State Department of Industrial Relations and/or the following website address:
<http://www.dir.ca.gov/dlsr/DPreWageDetermination.htm>
10. Consultant agrees to the below insurance requirements:
 - a. Unless otherwise specified, the Consultant shall maintain the policies of insurance outlined in Attachment A, incorporated herein by this reference, in full force and effect during the term of this Agreement. The City of Roseville retains sole discretion in determining the types and proper levels of insurance coverage.
 - b. Form. Consultant shall submit a certificate evidencing such coverage for the period covered by this Agreement in a form satisfactory to Risk Management and the City Attorney, prior to undertaking any work hereunder. Any insurance written on a claims made basis is subject to the approval of Risk Management and the City Attorney.
 - c. Additional Insureds. Consultant shall also provide a separate endorsement or section of the policy showing City, its officers, agents, employees, and volunteers as additional insureds for each type of coverage, except for Workers' Compensation and Professional Liability. Such insurance shall specifically cover the contractual liability of Consultant.

The additional insured coverage under the Consultant's policy shall be primary and noncontributory, as evidenced by a separate endorsement or section of the policy, and shall not seek contribution from City's insurance or self-insurance. In addition, the additional insured coverage shall be at least as broad as the Insurance Services Office (ISO) CG 20 01 Endorsement. Any available insurance proceeds in excess of the specified minimum insurance coverage requirements and limits shall be available to the additional insureds. Furthermore, the requirements for coverage and limits shall be:

- (1) the minimum coverage and limits specified in this Agreement; or
 - (2) the full coverage and maximum limits of any insurance proceeds available to the named insureds, whichever is greater
- d. Cancellation/Modification. Consultant shall provide ten (10) days written notice to City prior to cancellation or modification of any insurance required by this Agreement.
 - e. Umbrella/Excess Insurance. The limits of insurance required in this Agreement may be satisfied by a combination of primary and excess insurance. Any excess insurance shall contain or be endorsed to contain a provision that such coverage shall also apply on a primary and noncontributory basis for the benefit of City (if agreed to in a written contract) before City's own insurance shall be called upon to protect it as a named insured.
 - f. Subconsultants. Consultant agrees to include in its contracts with all subconsultants the same requirements and provisions of this Agreement, including the indemnity and insurance requirements, to the extent they apply to the scope of the subconsultants work. Furthermore, Consultant shall require its subconsultants to agree to be bound to Consultant and City in the same manner and to the same extent as Consultant is bound to City under this Agreement. Additionally, Consultant shall obligate its subconsultants to comply with these same provisions with respect to any tertiary subconsultant, regardless of tier. A copy of City's indemnity and insurance provisions will be furnished to the subconsultant or tertiary subconsultant upon request.
 - g. Self-Insured Retentions. All self-insured retentions (SIR) must be disclosed to Risk Management for approval and shall not reduce the limits of liability. Policies containing any SIR provision shall provide or be endorsed to provide that the SIR may be satisfied by either the named insured or City. City reserves the right to obtain a full certified copy of any insurance policy and endorsements. The failure to exercise this right shall not constitute a waiver of such right.
 - h. Waiver of Subrogation. Consultant hereby agrees to waive subrogation which any insurer of Consultant may acquire from Consultant by virtue of the payment of any loss under a Workers Compensation, Commercial General Liability or Automobile Liability policy. All Workers Compensation, Commercial General Liability and Automobile Liability policies shall be endorsed with a waiver of subrogation in favor of City, its officers, agents, employees and volunteers for all work performed by Consultant, its employees, agents and sub consultants.
 - i. Liability/Remedies. Insurance coverage in the minimum amounts set forth herein shall not be construed to relieve Consultant of liability in excess of such coverage, nor shall it preclude City from taking such other actions as are available to it under any other provisions of this Agreement or law.
11. Consultant shall comply with all federal, state, local laws, ordinances and policies as may be applicable to the performance of services under this Agreement. Failure to comply with local ordinances may result in monetary fines and cancellation of this Agreement.
 12. In the event that the terms of any attachment or exhibit conflict with any terms of this Agreement, the terms of this Agreement shall control.
 13. This Agreement may be executed in one or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument. In the event that any signature is delivered by facsimile transmission or by e-mail delivery of a ".pdf" format data file, such signature shall create a valid and binding obligation of the party executing (or on whose behalf such signature is executed) with the same force and effect as if such facsimile or ".pdf" signature page were an original thereof.

14. If either party commences any legal action against the other party arising out of this Agreement or the performance thereof, the prevailing party in such action shall be entitled to recover its reasonable litigation expenses, including but not limited to, court costs, expert witness fees, discovery expenses, and attorneys' fees. Any action arising out of this Agreement shall be brought in Placer County, California, regardless of where else venue may lie. This Agreement shall be governed by and construed in accordance with the laws of the State of California.
15. This Agreement shall be binding upon the heirs, successors, executors, administrators and assigns of the respective parties hereto.
16. If any of the provisions contained in this Agreement are for any reason held invalid or unenforceable, such holding shall not affect the remaining provisions or the validity and enforceability of the Agreement as a whole.
17. For purposes of this Agreement, the terms "Contractor," "Consultant," and "Supplier" are used interchangeably.
18. Consultant agrees that any and all information furnished by City shall be deemed proprietary and confidential. All such information, to the extent previously, presently or subsequently disclosed to Consultant and/or processed and derived by Consultant services is the property of City and such property shall be deemed and treated as "Confidential Information" of City. Consultant acknowledges that such Confidential Information may contain information provided and/or generated by third-parties. Consultant agrees that such Confidential Information shall not be disclosed to any third party without written permission from City, except as required by law. Consultant shall not use the Confidential Information except to perform Consultant's services as directed by City.
19. All facilities, devices, networks and services used to store, deliver, process, backup or purge Confidential Information will employ administrative, physical, technical, and procedural safeguards and best practices at a level sufficient to secure Confidential Information from unauthorized access, destruction, use, modification, or disclosure. Such measures will be no less protective than those used to secure Consultant's own information of a similar type, and in no event less than reasonable in view of the type and nature of the information involved. It is the City's expectation that Consultant, at its own expense, shall perform annual audits for any data centers that house Confidential Information, using an independent third-party audit that meets industry standards applicable to the services under this Agreement, and provide the audit report or certification upon request to City.
20. Consultant will retain Confidential Information until deleted by City or City-authorized third party, or for a time period mutually agreed upon by the parties to this Agreement.
21. Upon termination or expiration of this Agreement, Consultant will ensure that all Confidential Information is securely transferred to City within thirty (30) calendar days. Consultant will ensure that any transfer of Confidential Information is accomplished by methods that are compatible with the relevant City systems, and that City will have access to all Confidential Information during any such transfer. Consultant shall securely dispose of all Confidential Information when requested by City and Consultant will provide written notification to City once all Confidential Information has been securely disposed of.
22. Consultant shall report to City any data compromise or unauthorized access to Confidential Information within twenty-four (24) hours after Consultant discovers such data compromise or unauthorized access. Consultant will take commercially reasonable measures to address any such data compromise or unauthorized access in a timely manner. Except as otherwise required by law, Consultant will not provide notice to end users or other entities of any such data compromise or unauthorized access without written permission from City. Consultant will promptly reimburse City in full for all fees and costs incurred by City in any investigation, remediation or litigation resulting from any such data compromise or unauthorized access, including identity protection and restoration services for each person, who in the City's sole discretion, could be impacted by identity theft.
23. Consultant may not advertise that City is a client, list City as a reference or otherwise use City's name, logos, trademarks, or service marks without prior written permission from City.

24. Consultant acknowledges that services rendered under this agreement (including but not limited to service levels and operational levels) shall be performed in accordance with industry standards.
25. If the project referenced on this agreement is a Public Works project, then the following shall apply: No contractor or subcontractor may work on a public works project unless registered with the Department of Industrial Relations pursuant to Labor Code section 1725.5. During the performance of this agreement, Contractor and its subcontractors shall have a continuing legal obligation to maintain current registration with the Department of Industrial Relations. Contractor is hereby notified that this project is subject to compliance monitoring and enforcement by the Department of Industrial Relations.
26. If the project referenced on this agreement is a Public Works project, then the following shall apply: Contractor must submit all claims as defined in and in accordance with the claim resolution process set forth in Section 9204 of the Public Contract Code. Each such claim must be sent to the City by registered mail or certified mail with return receipt requested and must contain reasonable documentation to support the claim. All claims must be received prior to acceptance of the work.

The supplier named hereon by the acceptance of this order agrees to the provisions of this document titled "Contract Purchase Agreement" and all accompanying terms, conditions, and attachments.

Insurance Submission Process

The City of Roseville Human Resources/Risk Management Department uses a service called EBIX to manage our insurance certificate tracking.

How It Works

- The vendor's contact information is entered into EBIX. EBIX will contact the vendor to request proof of insurance.
- The Vendor can forward the request to their Insurance Agent(s) if necessary.
- Vendor/Insurance Agent submits insurance to EBIX by email to roseville@ebix.com or by fax to (770) 325-5727. After faxing or emailing the certificate, please DO NOT send the certificate by mail to EBIX. Please do not mail, email or fax any certificates to the City of Roseville.
- Once submitted, EBIX reviews the insurance documentation. If there are deficiencies, EBIX will send a follow up letter or email requesting additional information.

Questions Regarding Insurance Submission: Contact EBIX at (951) 652-4239

Questions Regarding Insurance Requirements Contact Risk Management at (916) 774-5202

From Towers to Talk

City of Roseville Service Call Out Procedures

City of Roseville On Call Service Call Out Procedures

An authorized member of City of Roseville will initiate a Radio Service Call Out Procedure. As of Q1 2020 the following members of City of Roseville are approved to initiate a radio service call out:

- Karl Grover
- Paul Ruiz

Normal Business Hours:

Call the West Sacramento Shop at 916 345 4553

After Business Hours:

Call the main toll free Silke number and select the California technician on call at 855 GO-SILKE (855 467 4553)

Service Request:

WHO: Identify yourself as a City of Roseville member.

WHAT: Quick report on what the problem is:

WHERE: Quick report on where the problem is:

WHEN: Quick report on when the failure was noticed or occurred

Point person and call back number: Who should we work with (if other than the reporting person) for resolution and their contact number?

This call gets the process rolling with the Silke Com Team. We will initiate our call out tree to be responding to the problem.

Then, if possible, please have the reporting person follow up with an email to SilkeSupport@silkecom.com with any additional information, cell phone pictures, additional info, etc.

Hourly rates for On Call Service

Field Technician during normal business hours	\$145 an hour
System Technician during normal business hours	\$225 an hour

After hour rates are at 1.5 times normal hourly rates.

The Field Technician rate is applicable to tasks such as radio & antenna installation, repeater/voter equipment installation, radio program loading, basic troubleshooting (coax, SW/B, physical wire connections), radio system clean up (tracing coax and wires, labeling connectors, grounding), voter connections down and similar tasks.

The Systems Technician rate is applicable when a technician is actively working on "the system". Tasks such as programming the comparators and voters, tuning combiners, troubleshooting complex problems (voter is down and does not come back up after standard phone line troubleshooting).

The same technician can bill at both rates on the same call out, based on the task they are performing.

June 30th, 2020

City of Roseville Fire Department
316 Vernon Street #480
Roseville, CA. 95678

Dear Roseville Fire Department.,

Thank you for the continued opportunity to serve as a communications resource for your operations. Silke Communications stands behind our workmanship and the product we represent and install. However, Silke Communications will not warranty any service, work or installation we have provided in the past that is still under warranty, if a non-Silke technician has performed work on that system. Limited exceptions are made for City of Roseville Fleet Technicians that have been trained by Silke Communications and stay within the approved scope of work. For radio and communications hardware and other physical material we have installed, we cannot provide warranty service, either manufactures' or out extended warranty is a non-Silke technician has worked on the system, beyond standard user accessible options.

Contract Terms and Conditions

1. To the fullest extent allowed by law, Consultant agrees to indemnify, including the cost to defend City, and its officers, agents, employees and volunteers from any and all claims, demands, costs or liability that arise out of, or pertain to, or relate to the negligence, recklessness, or willful misconduct of Consultant and its agents in the performance of services under this contract, but this indemnity does not apply to liability for damages for death or bodily injury to persons, injury to property, or other loss, arising from the sole negligence, willful misconduct or defects in design by City or the agents, servants, or independent contractors who are directly responsible to City, or arising from the active negligence of City. Consultant's responsibility for such defense and indemnity obligations shall survive the termination or completion of this Agreement for the full period of time allowed by law. The defense and indemnity obligations of this Agreement are undertaken in addition to, and shall not in any way be limited by, the insurance obligations contained in this Agreement.
2. Consultant is an independent contractor, and shall not be considered an officer, agent or employee of the City.
3. Without the written consent of the City, this Agreement is not assignable by Consultant either in whole or in part.
4. Time is of the essence of this Agreement.
5. At any time during the term of this Agreement, the City has the right to terminate this Agreement, provided Consultant is given thirty (30) days written notice. City's termination shall be without further liability to City; however, Consultant shall be entitled to all costs reasonably incurred prior to the date of termination. Consultant acknowledges that City may terminate this Agreement should funds not be appropriated by its governing body to continue services under this Agreement.
6. This Agreement may only be amended or modified in writing. It is integrated and contains the complete understanding of the parties.
7. All equipment, supplies and services sold to the City of Roseville shall conform to the general safety orders of the State of California.
8. Unless notified to the contrary, in writing, the City assumes that the Consultant has accepted the work in accordance with the plans and specifications (if any) and agrees to do the work in compliance with this Agreement. Any work product created for City pursuant to this Agreement is deemed owned by City.
9. All prevailing wages and fair employment practices must be adhered to. For prevailing wage contracts over \$25,000, copies of certified payroll must be submitted with invoices. Prevailing wage rates may be obtained from the State Department of Industrial Relations and/or the following website address:
<http://www.dir.ca.gov/dlsr/DPreWageDetermination.htm>
10. Consultant agrees to the below insurance requirements:
 - a. Unless otherwise specified, the Consultant shall maintain the policies of insurance outlined in Attachment A, incorporated herein by this reference, in full force and effect during the term of this Agreement. The City of Roseville retains sole discretion in determining the types and proper levels of insurance coverage.
 - b. Form. Consultant shall submit a certificate evidencing such coverage for the period covered by this Agreement in a form satisfactory to Risk Management and the City Attorney, prior to undertaking any work hereunder. Any insurance written on a claims made basis is subject to the approval of Risk Management and the City Attorney.
 - c. Additional Insureds. Consultant shall also provide a separate endorsement or section of the policy showing City, its officers, agents, employees, and volunteers as additional insureds for each type of coverage, except for Workers' Compensation and Professional Liability. Such insurance shall specifically cover the contractual liability of Consultant.

The additional insured coverage under the Consultant's policy shall be primary and noncontributory, as evidenced by a separate endorsement or section of the policy, and shall not seek contribution from City's insurance or self-insurance. In addition, the additional insured coverage shall be at least as broad as the Insurance Services Office (ISO) CG 20 01 Endorsement. Any available insurance proceeds in excess of the specified minimum insurance coverage requirements and limits shall be available to the additional insureds. Furthermore, the requirements for coverage and limits shall be:

- (1) the minimum coverage and limits specified in this Agreement; or
- (2) the full coverage and maximum limits of any insurance proceeds available to the named insureds, whichever is greater

- d. Cancellation/Modification. Consultant shall provide ten (10) days written notice to City prior to cancellation or modification of any insurance required by this Agreement.
 - e. Umbrella/Excess Insurance. The limits of insurance required in this Agreement may be satisfied by a combination of primary and excess insurance. Any excess insurance shall contain or be endorsed to contain a provision that such coverage shall also apply on a primary and noncontributory basis for the benefit of City (if agreed to in a written contract) before City's own insurance shall be called upon to protect it as a named insured.
 - f. Subconsultants. Consultant agrees to include in its contracts with all subconsultants the same requirements and provisions of this Agreement, including the indemnity and insurance requirements, to the extent they apply to the scope of the subconsultants work. Furthermore, Consultant shall require its subconsultants to agree to be bound to Consultant and City in the same manner and to the same extent as Consultant is bound to City under this Agreement. Additionally, Consultant shall obligate its subconsultants to comply with these same provisions with respect to any tertiary subconsultant, regardless of tier. A copy of City's indemnity and insurance provisions will be furnished to the subconsultant or tertiary subconsultant upon request.
 - g. Self-Insured Retentions. All self-insured retentions (SIR) must be disclosed to Risk Management for approval and shall not reduce the limits of liability. Policies containing any SIR provision shall provide or be endorsed to provide that the SIR may be satisfied by either the named insured or City. City reserves the right to obtain a full certified copy of any insurance policy and endorsements. The failure to exercise this right shall not constitute a waiver of such right.
 - h. Waiver of Subrogation. Consultant hereby agrees to waive subrogation which any insurer of Consultant may acquire from Consultant by virtue of the payment of any loss under a Workers Compensation, Commercial General Liability or Automobile Liability policy. All Workers Compensation, Commercial General Liability and Automobile Liability policies shall be endorsed with a waiver of subrogation in favor of City, its officers, agents, employees and volunteers for all work performed by Consultant, its employees, agents and sub consultants.
 - i. Liability/Remedies. Insurance coverage in the minimum amounts set forth herein shall not be construed to relieve Consultant of liability in excess of such coverage, nor shall it preclude City from taking such other actions as are available to it under any other provisions of this Agreement or law.
11. Consultant shall comply with all federal, state, local laws, ordinances and policies as may be applicable to the performance of services under this Agreement. Failure to comply with local ordinances may result in monetary fines and cancellation of this Agreement.
 12. In the event that the terms of any attachment or exhibit conflict with any terms of this Agreement, the terms of this Agreement shall control.
 13. This Agreement may be executed in one or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument. In the event that any signature is delivered by facsimile transmission or by e-mail delivery of a ".pdf" format data file, such signature shall create a valid and binding obligation of the party executing (or on whose behalf such signature is executed) with the same force and effect as if such facsimile or ".pdf" signature page were an original thereof.

14. If either party commences any legal action against the other party arising out of this Agreement or the performance thereof, the prevailing party in such action shall be entitled to recover its reasonable litigation expenses, including but not limited to, court costs, expert witness fees, discovery expenses, and attorneys' fees. Any action arising out of this Agreement shall be brought in Placer County, California, regardless of where else venue may lie. This Agreement shall be governed by and construed in accordance with the laws of the State of California.
15. This Agreement shall be binding upon the heirs, successors, executors, administrators and assigns of the respective parties hereto.
16. If any of the provisions contained in this Agreement are for any reason held invalid or unenforceable, such holding shall not affect the remaining provisions or the validity and enforceability of the Agreement as a whole.
17. For purposes of this Agreement, the terms "Contractor," "Consultant," and "Supplier" are used interchangeably.
18. Consultant agrees that any and all information furnished by City shall be deemed proprietary and confidential. All such information, to the extent previously, presently or subsequently disclosed to Consultant and/or processed and derived by Consultant services is the property of City and such property shall be deemed and treated as "Confidential Information" of City. Consultant acknowledges that such Confidential Information may contain information provided and/or generated by third-parties. Consultant agrees that such Confidential Information shall not be disclosed to any third party without written permission from City, except as required by law. Consultant shall not use the Confidential Information except to perform Consultant's services as directed by City.
19. All facilities, devices, networks and services used to store, deliver, process, backup or purge Confidential Information will employ administrative, physical, technical, and procedural safeguards and best practices at a level sufficient to secure Confidential Information from unauthorized access, destruction, use, modification, or disclosure. Such measures will be no less protective than those used to secure Consultant's own information of a similar type, and in no event less than reasonable in view of the type and nature of the information involved. It is the City's expectation that Consultant, at its own expense, shall perform annual audits for any data centers that house Confidential Information, using an independent third-party audit that meets industry standards applicable to the services under this Agreement, and provide the audit report or certification upon request to City.
20. Consultant will retain Confidential Information until deleted by City or City-authorized third party, or for a time period mutually agreed upon by the parties to this Agreement.
21. Upon termination or expiration of this Agreement, Consultant will ensure that all Confidential Information is securely transferred to City within thirty (30) calendar days. Consultant will ensure that any transfer of Confidential Information is accomplished by methods that are compatible with the relevant City systems, and that City will have access to all Confidential Information during any such transfer. Consultant shall securely dispose of all Confidential Information when requested by City and Consultant will provide written notification to City once all Confidential Information has been securely disposed of.
22. Consultant shall report to City any data compromise or unauthorized access to Confidential Information within twenty-four (24) hours after Consultant discovers such data compromise or unauthorized access. Consultant will take commercially reasonable measures to address any such data compromise or unauthorized access in a timely manner. Except as otherwise required by law, Consultant will not provide notice to end users or other entities of any such data compromise or unauthorized access without written permission from City. Consultant will promptly reimburse City in full for all fees and costs incurred by City in any investigation, remediation or litigation resulting from any such data compromise or unauthorized access, including identity protection and restoration services for each person, who in the City's sole discretion, could be impacted by identity theft.
23. Consultant may not advertise that City is a client, list City as a reference or otherwise use City's name, logos, trademarks, or service marks without prior written permission from City.

24. Consultant acknowledges that services rendered under this agreement (including but not limited to service levels and operational levels) shall be performed in accordance with industry standards.
25. If the project referenced on this agreement is a Public Works project, then the following shall apply: No contractor or subcontractor may work on a public works project unless registered with the Department of Industrial Relations pursuant to Labor Code section 1725.5. During the performance of this agreement, Contractor and its subcontractors shall have a continuing legal obligation to maintain current registration with the Department of Industrial Relations. Contractor is hereby notified that this project is subject to compliance monitoring and enforcement by the Department of Industrial Relations.
26. If the project referenced on this agreement is a Public Works project, then the following shall apply: Contractor must submit all claims as defined in and in accordance with the claim resolution process set forth in Section 9204 of the Public Contract Code. Each such claim must be sent to the City by registered mail or certified mail with return receipt requested and must contain reasonable documentation to support the claim. All claims must be received prior to acceptance of the work.

The supplier named hereon by the acceptance of this order agrees to the provisions of this document titled "Contract Purchase Agreement" and all accompanying terms, conditions, and attachments.

Insurance Submission Process

The City of Roseville Human Resources/Risk Management Department uses a service called EBIX to manage our insurance certificate tracking.

How It Works

- The vendor's contact information is entered into EBIX. EBIX will contact the vendor to request proof of insurance.
- The Vendor can forward the request to their Insurance Agent(s) if necessary.
- Vendor/Insurance Agent submits insurance to EBIX by email to roseville@ebix.com or by fax to (770) 325-5727. After faxing or emailing the certificate, please DO NOT send the certificate by mail to EBIX. Please do not mail, email or fax any certificates to the City of Roseville.
- Once submitted, EBIX reviews the insurance documentation. If there are deficiencies, EBIX will send a follow up letter or email requesting additional information.

Questions Regarding Insurance Submission: Contact EBIX at (951) 652-4239

Questions Regarding Insurance Requirements Contact Risk Management at (916) 774-5202

COUNCIL COMMUNICATION

CC #: 1022
File #: 0800-02

Title: Supervisory Control and Data Acquisition Network - Sole Source Purchase Order
Contact: Blaine Wiegel 916-746-1833 bwiegel@roseville.ca.us

Meeting Date: 10/7/2020
Item #: 7.6.

RECOMMENDATION TO COUNCIL

Staff recommends City Council adopt a resolution approving a sole source purchase order with JPR Systems Inc, to provide Endress+Hauser monitoring/transmitting equipment and parts for the supervisory control and data acquisition (SCADA) network and automation systems of the Environmental Utilities Department (EUD) Water and Wastewater plants and remote sites. Staff also requests authorization for four (4) additional one (1) year renewals without further Council approvals until the contract expires or until City staff determines that continuing with the same vendor is not in the City's best interest.

BACKGROUND

The Environmental Utilities Department has standardized various high performance transmitting and monitoring sensors with Endress+Houser equipment. JPR Systems Inc. is the exclusive manufacturer's representative for the state of California, Hawaii, and parts of Nevada. JPR Systems is an authorized sales agent working on the behalf of Endress+Hauser to provide quotations, proposals, sell products and receive purchase orders in their assigned territory.

FISCAL IMPACT

The estimated annual cost of service is \$300,000 with funding from the Environmental Utilities Department's FY2020-21 operations budget for Water/Wastewater and Collections. Projected spending for optional renewal years is as follows: \$300,000 FY2021-22, \$300,000 FY2022-23, \$300,000 FY2023-24, and \$300,000 FY2024-25.

ENVIRONMENTAL REVIEW

The California Environmental Quality Act (CEQA) does not apply to activities that will not result in a direct or reasonably foreseeable indirect physical change in the environment, or is otherwise not considered a project as defined by CEQA Statute §21065 and CEQA State Guidelines §15060(c)(3) and §15378. The purchase of equipment and parts meets the above criteria and is not subject to CEQA. No additional environmental review is required.

Respectfully Submitted,

Blaine Wiegel, Preventative Maintenance Coordinator

Richard Plecker, Environmental Utilities Director

Dominick Casey, City Manager

COUNCIL COMMUNICATION

CC #: 1039
File #: 0800-05

Title: Microsoft Enterprise - Agreement Renewal
Contact: Pete McLemore 916-774-5431 pmclemore@roseville.ca.us

Meeting Date: 10/7/2020
Item #: 7.7.

RECOMMENDATION TO COUNCIL

City staff recommends approval and authorization for the City Manager to sign this agreement, and any other documents necessary to facilitate this agreement, for Renewal of a Microsoft Enterprise Agreement for Software licensing via Softchoice, an authorized Microsoft Reseller, for a 5-year agreement. This agreement is based on competitive pricing from the Riverside County Enterprise Agreement consistent with the previous City Enterprise Agreements. The estimated annual costs are \$392,689.42 for years 1-3 and \$412,463.07 for years 4-5; not to exceed a total agreement cost of \$2,002,994.40 over the 5-year agreement. Staff also recommends that the Council delegate authority to the Chief Information Officer to approve additional costs, not to exceed \$50,000 per year, over the term of the agreement to cover any changes in the City's IT environment which will be charged by annual "True Ups" completed with Softchoice.

BACKGROUND

The City's existing Microsoft Enterprise Agreement with Insight (formerly PCM-G) expired on September 30, 2020. The IT Department recommends the Microsoft Enterprise Agreement with Softchoice based on the City's Request for Proposals (RFP) for Microsoft Enterprise Agreement that was issued on July 16, 2020. Three vendors submitted proposals in response to the RFP. Of the 3 proposals, Softchoice was selected based on their proposal providing the best cost savings for the City, their experience providing volume licenses, and their staff experience with Microsoft licenses. The recommended agreement includes all former "True Ups" and additional license purchases since the last agreement expired, keeping the City in contract compliance moving forward.

The Microsoft Software agreement includes: Microsoft Office (Outlook, Word, Excel, PowerPoint, etc.), Exchange (email), SharePoint, OneDrive, SQL (database) and Teams. All of these applications are essential to the City for day to day operations.

FISCAL IMPACT

The estimated fiscal year FY2020-21 cost of the agreement is \$392,689.42 and is included in the

Information Technology Operations Internal Service Fund budget. The annual amount of the contract for years 1-3 is \$392,689.42 and for years 4-5 is \$412,463.07, for a total agreement cost of \$2,002,994.40 over the 5-year term before taking into account any "True Ups". Future renewals of the purchase order will be contingent on Council approval of the budget for each year.

ENVIRONMENTAL REVIEW

The California Environmental Quality Act (CEQA) does not apply to activities that will not result in a direct or reasonably foreseeable indirect physical change in the environment, or is otherwise not considered a project as defined by CEQA Statute §21065 and CEQA State Guidelines §15060(c)(3) and §15378. The expenditure for these support subscription renewals meets the above criteria and is not subject to CEQA. No additional environmental review is required.

Respectfully Submitted,

Pete McLemore, IT-Business Systems Analyst

Hong Sae, Chief Information Officer

Licensing Solution Provider Agreement Number PSA-0001529

This Licensing Solution Provider Agreement is made and entered into this 22nd day of October 2019, by and between Softchoice Corporation, a New York Corporation ("CONTRACTOR"), and the COUNTY OF RIVERSIDE, a political subdivision of the State of California, ("COUNTY").

WHEREAS, COUNTY and Microsoft Corporation ("Microsoft") have entered into that certain Microsoft Enterprise Agreement (Master Agreement No. 8084445; the "Master Agreement"), effective August 23, 2019, under which COUNTY has the ability to enter into one or more enrollments to order certain Microsoft product licenses;

WHEREAS, CONTRACTOR desires to provide support to COUNTY and its Enrolled Affiliates (as defined in the Master Agreement) for said licenses under this Agreement and hereby represents that it has the skills, experience, and knowledge necessary to perform under this Agreement; and

WHEREAS, COUNTY desires to accept CONTRACTOR's services under this Agreement.

NOW, THEREFORE, for good and valuable consideration, the receipt and adequacy of which is hereby acknowledged, the parties agree as follows:

1. This Agreement covers all enrollments for all products licensed under the Master Agreement. All terms and conditions of the Master Agreement, attached as Exhibit E of this Agreement and incorporated by reference, shall apply to the purchase of related products and services.
2. This Agreement is available for use by all government entities within the State of California (an "Enrolled Affiliate") for the duration of the Term (defined below in section 4). Enrollment documents will contain the terms and conditions specific to each entity.
3. CONTRACTOR agrees to extend the same pricing, terms, and conditions as stated in this agreement to each and every government entity in the State of California. Terms and conditions are governed by this Agreement, the Master Agreement, and the applicable enrollment documents for each entity. Entities shall make purchases in their own name, make direct payment to CONTRACTOR, and be liable directly to CONTRACTOR for all obligations.
 - 3.1 COUNTY shall in no way be responsible to CONTRACTOR for Enrolled Affiliates' purchases and obligations. COUNTY shall in no way be responsible to other entities for their purchases or any acts or omissions of CONTRACTOR, including but not limited to product selection or implementation, services or other related matters.
 - 3.2 CONTRACTOR shall notify Enrolled Affiliate in writing of the terms and conditions stated in Section 11.
4. This Agreement shall be effective from November 1, 2019 through October 31, 2021, unless terminated earlier (the "Term").
5. Hold Harmless/Indemnification:
 - 5.1 CONTRACTOR shall indemnify and hold harmless the County of Riverside, its Agencies, Districts, Special Districts and Departments, their respective directors, officers, Board of Supervisors, elected and appointed officials, employees, agents and representatives (individually and collectively hereinafter referred to as Indemnitees) from any liability, action, claim or damage whatsoever, based or asserted upon any services, or acts or omissions, of CONTRACTOR, its

Licensing Solution Provider Agreement Number PSA-0001529

officers, employees, subcontractors, agents or representatives arising out of or in any way relating to this Agreement, including but not limited to property damage, bodily injury, or death or any other element of any kind or nature. CONTRACTOR shall defend the Indemnitees at its sole expense including all costs and fees (including, but not limited, to attorney fees, cost of investigation, defense and settlements or awards) in any claim or action based upon such acts, omissions or services.

- 5.2 With respect to any action or claim subject to indemnification herein by CONTRACTOR, CONTRACTOR shall, at their sole cost, have the right to use counsel of their own choice and shall have the right to adjust, settle, or compromise any such action or claim without the prior consent of COUNTY; provided, however, that any such adjustment, settlement or compromise in no manner whatsoever limits or circumscribes CONTRACTOR indemnification to Indemnitees as set forth herein.
- 5.3 CONTRACTOR'S obligation hereunder shall be satisfied when CONTRACTOR has provided to COUNTY the appropriate form of dismissal relieving COUNTY from any liability for the action or claim involved.
6. Contractor Responsibilities: CONTRACTOR will offer the following services to each Enrolled Affiliate at no additional charge. It is the responsibility of the Enrolled Affiliate to determine which products and/or services, if any, meet their needs and communicate that to the CONTRACTOR.
 - 6.1 Provide reports showing year to date annual spend according to Enrolled Affiliate's specifications. Frequency will be determined by each Enrolled Affiliate (monthly, quarterly, etc.).
 - 6.2 Provide a short synopsis of why an amendment is needed and the ramification of each amendment to an enrollment at the time of such amendment.
 - 6.3 Provide an updated price list on an annual basis or when requested by Enrolled Affiliate.
7. CONTRACTOR's Microsoft Enterprise Agreement license subscription price attached hereto as Exhibit A and service rates attached hereto as Exhibit B.
8. CONTRACTOR's Microsoft Enterprise Agreement Participation Form attached hereto as Exhibit C and incorporated herein by reference.
9. Usage Reporting: CONTRACTOR will provide to COUNTY the Licensed Support Provider (LSP) Reporting of Active Enrollments to Master Microsoft Enterprise Agreement No. 8084445, Select Plus Agreement No. 7756479, Microsoft Premier, Unified, and MCS Support services, showing a list of enrollments by February 15th of each year. Forms shall be submitted electronically to MasterMicrosoftAdmin@rivco.org. A copy of the form is attached hereto as Exhibit D and incorporated herein by reference.
10. Administrative fees: CONTRACTOR will be charged .5% of the annual enrollment amount to leverage the Riverside County Master Microsoft Agreement No. 8084445, Select Plus Agreement No. 7756479, Microsoft Premier, Unified, and MCS Support services. This will be an annual fee, per enrollment inclusive of Affiliates Shadow Enrollments. Example: A three-year aggregated agreement with a contract amount of \$300K, divisible by three years will result in an LSP Participation Fee of \$500 annually (100K*.5%). RCIT will invoice the Awarded LSP annually based on the enrollments verified from the

Licensing Solution Provider Agreement Number PSA-0001529

“Reporting of Active Enrollments” list submitted by December 15th of each year. Payment is due to Riverside County Information Technology thirty (30) days from invoice date.

10.1 Riverside County Information Technology (RCIT) will invoice the CONTRACTOR annually based on the enrollments verified. Payment is due to RCIT within thirty (30) days of invoice date. The COUNTY will not accept credit as a form of payment.

10.2 Failure to meet the administrative fee requirements herein and submit fees on a timely basis may constitute grounds for immediate termination of this Agreement.

11. Contract Management: The contacts for this Agreement for COUNTY shall be both RCIT and Purchasing as listed below.

COUNTY Primary Contact:
Jim Smith
3450 14th Street
Riverside, CA 92501

COUNTY Secondary Contact:
Rick Hai
2980 Washington Street
Riverside, CA 92504

CONTRACTOR contact:
Dave Tomke
314 W. Superior St., Suite 300
Chicago, IL 60654

11.1 Should Contract Management contact information change, the CONTRACTOR shall provide written notice with the updated information to the COUNTY no later than 10 business days after the change.

12. Termination:

12.1 COUNTY may terminate this Agreement without cause upon thirty (30) days written notice served upon the CONTRACTOR stating the extent and effective date of termination.

12.2 COUNTY may, upon five (5) days written notice terminate this Agreement for CONTRACTOR's default, if CONTRACTOR refuses or fails to comply with the terms of this Agreement or fails to make progress that may endanger performance and does not immediately cure such failure. In the event of such termination, the COUNTY may proceed with the work in any manner deemed proper by COUNTY.

12.3 CONTRACTOR's rights under this Agreement shall terminate (except for fees accrued prior to the date of termination) upon dishonesty or a willful or material breach of this Agreement by CONTRACTOR; or in the event of CONTRACTOR's unwillingness or inability for any reason whatsoever to perform the terms of this Agreement.

13. Conduct of Contractor:

13.1 The CONTRACTOR covenants that it presently has no interest, including, but not limited to, other projects or contracts, and shall not acquire any such interest, direct or indirect, which would conflict in any manner or degree with CONTRACTOR's performance under this Agreement. The CONTRACTOR further covenants that no person or subcontractor having any such interest shall be employed or retained by CONTRACTOR under this Agreement. The CONTRACTOR agrees

Licensing Solution Provider Agreement Number PSA-0001529

to inform the COUNTY of all the CONTRACTOR's interests, if any, which are or may be perceived as incompatible with the COUNTY's interests.

- 13.2 The CONTRACTOR shall not, under circumstances which could be interpreted as an attempt to influence the recipient in the conduct of his/her duties, accept any gratuity or special favor from individuals or firms with whom the CONTRACTOR is doing business or proposing to do business, in accomplishing the work under this Agreement.
- 13.3 The CONTRACTOR or its employees shall not offer gifts, gratuity, favors, and entertainment directly or indirectly to COUNTY employees.
- 13.4 CONTRACTOR shall establish adequate procedures for self-monitoring and quality control and assurance to ensure proper performance under this Agreement; and shall permit a COUNTY representative or other regulatory official to monitor, assess, or evaluate CONTRACTOR's performance under this Agreement at any time, upon reasonable notice to the CONTRACTOR.

14. Independent Contractor/Employment Eligibility/Non-Discrimination:

- 14.1 The CONTRACTOR is, for purposes relating to this Agreement, an independent contractor and shall not be deemed an employee of the COUNTY. It is expressly understood and agreed that the CONTRACTOR (including its employees, agents, and subcontractors) shall in no event be entitled to any benefits to which COUNTY employees are entitled, including but not limited to overtime, any retirement benefits, worker's compensation benefits, and injury leave or other leave benefits. There shall be no employer-employee relationship between the parties; and CONTRACTOR shall hold COUNTY harmless from any and all claims that may be made against COUNTY based upon any contention by a third party that an employer-employee relationship exists by reason of this Agreement. It is further understood and agreed by the parties that CONTRACTOR in the performance of this Agreement is subject to the control or direction of COUNTY merely as to the results to be accomplished and not as to the means and methods for accomplishing the results.
- 14.2 CONTRACTOR warrants that it shall make its best effort to fully comply with all federal and state statutes and regulations regarding the employment of aliens and others and to ensure that employees performing work under this Agreement meet the citizenship or alien status requirement set forth in federal statutes and regulations. CONTRACTOR shall obtain, from all employees performing work hereunder, all verification and other documentation of employment eligibility status required by federal or state statutes and regulations including, but not limited to, the Immigration Reform and Control Act of 1986, 8 U.S.C. §1324 et seq., as they currently exist and as they may be hereafter amended. CONTRACTOR shall retain all such documentation for all covered employees, for the period prescribed by the law.
- 14.3 CONTRACTOR shall not discriminate in the provision of services, allocation of benefits, accommodation in facilities, or employment of personnel on the basis of ethnic group identification, race, religious creed, color, national origin, ancestry, physical handicap, medical condition, marital status or sex in the performance of this Agreement; and, to the extent they shall be found to be applicable hereto, shall comply with the provisions of the California Fair Employment and Housing Act (Gov. Code 12900 et. seq), the Federal Civil Rights Act of 1964 (P.L. 88-352), the Americans with Disabilities Act of 1990 (42 U.S.C. §1210 et seq.) and all other applicable laws or regulations.

Licensing Solution Provider Agreement Number PSA-0001529

15. Entire Agreement: This Agreement, including any attachments or exhibits, constitutes the entire agreement of the parties with respect to its subject matter and supersedes all prior and contemporaneous representations, proposals, discussions and communications, whether oral or in writing. This Agreement may be changed or modified only by a written amendment signed by authorized representatives of both parties.

IN WITNESS WHEREOF, the parties hereto have caused their duly authorized representatives to execute this Agreement.

Enterprise Agreement

State and Local

Not for Use with Microsoft Business Agreement or Microsoft Business and Services Agreement

This Microsoft Enterprise Agreement ("Agreement") is entered into between the entities identified on the signature form.

Effective date. The effective date of this Agreement is the earliest effective date of any Enrollment entered into under this Agreement or the date Microsoft accepts this Agreement, whichever is earlier.

This Agreement consists of (1) these Agreement terms and conditions, including any amendments and the signature form and all attachments identified therein, (2) the Product Terms applicable to Products licensed under this Agreement, (3) the Online Services Terms, (4) any Affiliate Enrollment entered into under this Agreement, and (5) any order submitted under this Agreement.

Please note: Documents referenced in this Agreement but not attached to the signature form may be found at <http://www.microsoft.com/licensing/contracts> and are incorporated in this Agreement by reference, including the Product Terms and Use Rights. These documents may contain additional terms and conditions for Products licensed under this Agreement and may be changed from time to time. Customer should review such documents carefully, both at the time of signing and periodically thereafter, and fully understand all terms and conditions applicable to Products licensed.

Terms and Conditions

1. Definitions.

"Affiliate" means

- a. with regard to Customer,
 - (i) any government agency, department, office, instrumentality, division, unit or other entity of the state or local government that is supervised by or is part of Customer, or which supervises Customer or of which Customer is a part, or which is under common supervision with Customer;
 - (ii) any county, borough, commonwealth, city, municipality, town, township, special purpose district, or other similar type of governmental instrumentality established by the laws of Customer's state and located within Customer's state jurisdiction and geographic boundaries; and
 - (iii) any other entity in Customer's state expressly authorized by the laws of Customer's state to purchase under state contracts; provided that a state and its Affiliates shall not, for purposes of this definition, be considered to be Affiliates of the federal government and its Affiliates; and
- b. with regard to Microsoft, any legal entity that Microsoft owns, that owns Microsoft, or that is under common ownership with Microsoft.

"Customer" means the legal entity that has entered into this Agreement with Microsoft.

"Customer Data" means all data, including all text, sound, software, image, or video files that are provided to Microsoft by, or on behalf of, an Enrolled Affiliate and its Affiliates through use of Online Services.

"day" means a calendar day, except for references that specify "business day".

"Enrolled Affiliate" means an entity, either Customer or any one of Customer's Affiliates that has entered into an Enrollment under this Agreement.

"Enrollment" means the document that an Enrolled Affiliate submits under this Agreement to place orders for Products.

"Enterprise" means an Enrolled Affiliate and the Affiliates for which it is responsible and chooses on its Enrollment to include in its enterprise.

"Fixes" means Product fixes, modifications or enhancements, or their derivatives, that Microsoft either releases generally (such as Product service packs) or provides to Customer to address a specific issue.

"License" means the right to download, install, access and use a Product. For certain Products, a License may be available on a fixed term or subscription basis ("Subscription License"). Licenses for Online Services will be considered Subscription Licenses.

"Microsoft" means the Microsoft Affiliate that has entered into this Agreement or an Enrollment and its Affiliates, as appropriate.

"Online Services" means the Microsoft-hosted services identified as Online Services in the Product Terms.

"Online Services Terms" means the additional terms that apply to Customer's use of Online Services published on the Volume Licensing Site and updated from time to time.

"Product" means all products identified in the Product Terms, such as all Software, Online Services and other web-based services, including pre-release or beta versions.

"Product Terms" means the document that provides information about Microsoft Products and Professional Services available through volume licensing. The Product Terms document is published on the Volume Licensing Site and is updated from time to time.

"SLA" means Service Level Agreement, which specifies the minimum service level for Online Services and is published on the Volume Licensing Site.

"Software" means licensed copies of Microsoft software identified on the Product Terms. Software does not include Online Services, but Software may be part of an Online Service.

"Software Assurance" is an offering by Microsoft that provides new version rights and other benefits for Products as further described in the Product Terms.

"Trade Secret" means information that is not generally known or readily ascertainable to the public, has economic value as a result, and has been subject to reasonable steps under the circumstances to maintain its secrecy.

"use" or "run" means to copy, install, use, access, display, run or otherwise interact.

"Use Rights" means the use rights or terms of service for each Product published on the Volume Licensing Site and updated from time to time. The Use Rights supersede the terms of any end user license agreement that accompanies a Product. The Use Rights for Software are published by Microsoft in the Product Terms. The Use Rights for Online Services are published in the Online Services Terms.

"Volume Licensing Site" means <http://www.microsoft.com/licensing/contracts> or a successor site.

2. How the Enterprise program works.

- a. **General.** The Enterprise program consists of the terms and conditions on which an Enrolled Affiliate may acquire Product Licenses. Under the Enterprise program, Customer and its Affiliates may order Licenses for Products by entering into Enrollments.
- b. **Enrollments.** The Enterprise program gives Customer and/or its Affiliates the ability to enter into one or more Enrollments to order Products. Subscription Enrollments may be available for some of these Enrollments. Notwithstanding any other provision of this Agreement, only Enrolled Affiliates identified in an Enrollment will be responsible for complying with the terms of that Enrollment, including the terms of this Agreement incorporated by reference in that Enrollment.

- c. **Licenses.** The types of Licenses available are (1) Licenses obtained under Software Assurance (L&SA), and (2) Subscription Licenses. These License types, as well as additional License Types, are further described in the Product List.

3. **Licenses for Products.**

- a. **License Grant.** Microsoft grants the Enterprise a non-exclusive, worldwide and limited right to download, install and use software Products, and to access and use the Online Services, each in the quantity ordered under an Enrollment. The rights granted are subject to the terms of this Agreement, the Use Rights and the Product Terms. Microsoft reserves all rights not expressly granted in this Agreement.
- b. **Duration of Licenses.** Subscription Licenses and most Software Assurance rights are temporary and expire when the applicable Enrollment is terminated or expires, unless the Enrolled Affiliate exercises a buy-out option, which is available for some Subscription Licenses. Except as otherwise noted in the applicable Enrollment or Use Rights, all other Licenses become perpetual only when all payments for that License have been made and the initial Enrollment term has expired.
- c. **Applicable Use Rights.**
- (i) **Products (other than Online Services).** The Use Rights in effect on the effective date of the applicable Enrollment term will apply to Enterprise's use of the version of each Product that is current at the time. For future versions and new Products, the Use Rights in effect when those versions and Products are first released will apply. Changes Microsoft makes to the Use Rights for a particular version will not apply unless the Enrolled Affiliate chooses to have those changes apply. The Use Rights applicable to perpetual Licenses that were acquired under a previous agreement or Enrollment are determined by the Agreement or Enrollment under which they were acquired. Renewal of Software Assurance does not change which Use Rights apply to those Licenses.
- (ii) **Online Services.** For Online Services, the Use Rights in effect on the subscription start date will apply for the subscription term as defined in the Product Terms.
- d. **Downgrade rights.** Enrolled Affiliate may use an earlier version of a Product other than Online Services than the version that is current on the effective date of the Enrollment. For Licenses acquired in the current Enrollment term, the Use Rights for the current version apply to the use of the earlier version. If the earlier Product version includes features that are not in the new version, then the Use Rights applicable to the earlier version apply with respect to those features.
- e. **New Version Rights under Software Assurance.** Enrolled Affiliate must order and maintain continuous Software Assurance coverage for each License ordered. With Software Assurance coverage, Enterprise automatically has the right to use a new version of a licensed Product as soon as it is released, even if Enrolled Affiliate chooses not to use the new version immediately.
- (i) Except as otherwise permitted under an Enrollment, use of the new version will be subject to the new version's Use Rights.
- (ii) If the License for the earlier version of the Product is perpetual at the time the new version is released, the License for the new version will also be perpetual. Perpetual Licenses obtained through Software Assurance replace any perpetual Licenses for the earlier version.
- f. **License confirmation.** This Agreement, the applicable Enrollment, Enrolled Affiliate's order confirmation, and any documentation evidencing transfers of perpetual Licenses, together with proof of payment, will be Enrolled Affiliate's evidence of all Licenses obtained under an Enrollment.

- g. **Reorganizations, consolidations and privatizations.** If the number of Licenses covered by an Enrollment changes by more than ten percent as a result of (1) a reorganization, consolidation or privatization of an entity or an operating division, (2) a privatization of an Affiliate or an operating division of Enrolled Affiliate or any of its Affiliates, or (3) a consolidation including a merger with a third party that has an existing agreement or Enrollment, Microsoft will work with Enrolled Affiliate in good faith to determine how to accommodate its changed circumstances in the context of this Agreement.

4. Making copies of Products and re-imaging rights.

- a. **General.** Enrolled Affiliate may make as many copies of Products, as it needs to distribute them within the Enterprise. Copies must be true and complete (including copyright and trademark notices) from master copies obtained from a Microsoft approved fulfillment source. Enrolled Affiliate may use a third party to make these copies, but Enrolled Affiliate agrees it will be responsible for any third party's actions. Enrolled Affiliate agrees to make reasonable efforts to notify its employees, agents, and any other individuals who use the Products that the Products are licensed from Microsoft and subject to the terms of this Agreement.
- b. **Copies for training/evaluation and back-up.** For all Products other than Online Services, Enrolled Affiliate may: (1) use up to 20 complimentary copies of any licensed Product in a dedicated training facility on its premises for purposes of training on that particular Product, (2) use up to 10 complimentary copies of any Products for a 60-day evaluation period, and (3) use one complimentary copy of any licensed Product for back-up or archival purposes for each of its distinct geographic locations. Trials for Online Services may be available if specified in the Use Rights.
- c. **Right to re-image.** In certain cases, re-imaging is permitted using the Product media. If the Microsoft Product is licensed (1) from an original equipment manufacturer (OEM), (2) as a full packaged Product through a retail source, or (3) under another Microsoft program, then media provided under this Agreement may generally be used to create images for use in place of copies provided through that separate source. This right is conditional upon the following:
- (i) Separate Licenses must be acquired from the separate source for each Product that is re-imaged.
 - (ii) The Product, language, version, and components of the copies made must be identical to the Product, language, version, and all components of the copies they replace and the number of copies or instances of the re-imaged Product permitted remains the same.
 - (iii) Except for copies of an operating system and copies of Products licensed under another Microsoft program, the Product type (e.g., Upgrade or full License) re-imaged must be identical to the Product type licensed from the separate source.
 - (iv) Enrolled Affiliate must adhere to any Product-specific processes or requirements for re-imaging identified in the Product Terms.

Re-imaged Products remain subject to the terms and use rights of the License acquired from the separate source. This subsection does not create or extend any Microsoft warranty or support obligation.

5. Transferring and reassigning Licenses.

- a. **License transfers.** License transfers are not permitted, except that Customer or an Enrolled Affiliate may transfer only fully-paid perpetual Licenses to:
- (i) an Affiliate, or
 - (ii) a third party solely in connection with the transfer of hardware or employees to whom the Licenses have been assigned as part of (A) a privatization of an Affiliate or agency or of an

operating division of Enrolled Affiliate or an Affiliate. (B) a reorganization, or (C) a consolidation.

Upon such transfer, Customer or Enrolled Affiliate must uninstall and discontinue using the licensed Product and render any copies unusable.

- b. **Notification of License Transfer.** Enrolled Affiliate must notify Microsoft of a License transfer by completing a license transfer form, which can be obtained from <http://www.microsoft.com/licensing/contracts> and sending the completed form to Microsoft before the License transfer. No License transfer will be valid unless Enrolled Affiliate provides to the transferee, and the transferee accepts in writing, documents sufficient to enable the transferee to ascertain the scope, purpose and limitations of the rights granted by Microsoft under the licenses being transferred (including the applicable Use Rights, use and transfer restrictions, warranties and limitations of liability). Any License transfer not made in compliance with this section will be void.
- c. **Internal Assignment of Licenses and Software Assurance.** Licenses and Software Assurance must be assigned to a single user or device within the Enterprise. Licenses and Software Assurance may be reassigned within the Enterprise as described in the Use Rights.

6. ***Term and termination.***

- a. **Term.** The term of this Agreement will be 36 full calendar months from the effective date unless terminated by either party as described below. Each Enrollment will have the term provided in that Enrollment.
- b. **Termination without cause.** Either party may terminate this Agreement, without cause, upon 60 days' written notice. In the event of termination, new Enrollments will not be accepted, but any existing Enrollment will continue for the term of such Enrollment and will continue to be governed by this Agreement.
- c. **Mid-term termination for non-appropriation of Funds.** Enrolled Affiliate may terminate this Agreement or an Enrollment without liability, penalty or further obligation to make payments if funds to make payments under the Agreement or Enrollment are not appropriated or allocated by the Enrolled Affiliate for such purpose.
- d. **Termination for cause.** Without limiting any other remedies it may have, either party may terminate an Enrollment if the other party materially breaches its obligations under this Agreement, including any obligation to submit orders or pay invoices. Except where the breach is by its nature not curable within 30 days, the terminating party must give the other party 30 days' notice of its intent to terminate and an opportunity to cure the breach.

If Microsoft gives such notice to an Enrolled Affiliate, Microsoft also will give Customer a copy of that notice and Customer agrees to help resolve the breach. If the breach affects other Enrollments and cannot be resolved between Microsoft and Enrolled Affiliate, together with Customer's help, within a reasonable period of time, Microsoft may terminate this Agreement and all Enrollments under it. If an Enrolled Affiliate ceases to be Customer's Affiliate, it must promptly notify Microsoft, and Microsoft may terminate the former Affiliate's Enrollment. If an Enrolled Affiliate terminates its Enrollment as a result of a breach by Microsoft, or if Microsoft terminates an Enrollment because Enrolled Affiliate ceases to be Customer's Affiliate, then Enrolled Affiliate will have the early termination rights described in the Enrollment.

- e. **Early termination.** If (1) an Enrolled Affiliate terminates its Enrollment as a result of a breach by Microsoft, or (2) if Microsoft terminates an Enrollment because the Enrolled Affiliate has ceased to be an Affiliate of Customer, or (3) Enrolled Affiliate terminates an Enrollment for non-appropriation of funds, or (4) Microsoft terminates an Enrollment for non-payment due to non-appropriation of funds, then the Enrolled Affiliate will have the following options:

- (i) It may immediately pay the total remaining amount due, including all installments, in which case, the Enrolled Affiliate will have perpetual rights for all Licenses it has ordered; or

(ii) It may pay only amounts due as of the termination date, in which case the Enrolled Affiliate will have perpetual Licenses for:

- 1) all copies of Products (including the latest version of Products ordered under SA coverage in the current term) for which payment has been made in full, and
- 2) the number of copies of Products it has ordered (including the latest version of Products ordered under Software Assurance coverage in current term) that is proportional to the total of installment payments paid versus total amounts due (paid and payable) if the early termination had not occurred.

(iii) In the case of early termination under subscription Enrollments, Enrolled Affiliate will have the following options:

- 1) For eligible Products, Enrolled Affiliate may obtain perpetual Licenses as described in the section of the Enrollment titled "Buy-out option," provided that Microsoft receives the buy-out order for those Licenses within 60 days after Enrolled Affiliate provides notice of termination.
- 2) In the event of a breach by Microsoft, if Customer chooses not to exercise a buy-out option, Microsoft will issue Enrolled Affiliate a credit for any amount paid in advance for Subscription Licenses that the Enterprise will not be able to use to do the termination of the Enrollment.

Nothing in this section shall affect perpetual License rights acquired either in a separate agreement or in a prior term of the terminated Enrollment.

f. Effect of termination or expiration. When an Enrollment expires or is terminated,

- (i) Enrolled Affiliate must order Licenses for all copies of Products it has run for which it has not previously submitted an order. Any and all unpaid payments for any order of any kind remain due and payable. Except as provided in the subsection titled "Early termination," all unpaid payments for Licenses immediately become due and payable.
- (ii) Enrolled Affiliate's right to Software Assurance benefits under this Agreement ends if it does not renew Software Assurance.

g. Modification or termination of an Online Service for regulatory reasons. Microsoft may modify or terminate an Online Service where there is any current or future government requirement or obligation that: (1) subjects Microsoft to any regulation or requirement not generally applicable to businesses operating in the jurisdiction; (2) presents a hardship for Microsoft to continue operating the Online Service without modification; and/or (3) causes Microsoft to believe these terms or the Online Service may conflict with any such requirement or obligation.

h. Program updates. Microsoft may make changes to this program that will make it necessary for Customer and its Enrolled Affiliates to enter into new agreements and Enrollments at the time of an Enrollment renewal.

7. Use, ownership, rights, and restrictions.

- a. **Products.** Unless otherwise specified in a supplemental agreement, use of any Product is governed by the Use Rights specific to each Product and version and by the terms of the applicable supplemental agreement.
- b. **Fixes.** Each Fix is licensed under the same terms as the Product to which it applies. If a Fix is not provided for a specific Product, any use rights Microsoft provides with the Fix will apply.
- c. **Non-Microsoft software and technology.** Enrolled Affiliate is solely responsible for any non-Microsoft software or technology that it installs or uses with the Products or Fixes.

- d. **Restrictions.** Enrolled Affiliate must not (and is not licensed to) (1) reverse engineer, decompile, or disassemble any Product or Fix; (2) install or use non-Microsoft software or technology in any way that would subject Microsoft's intellectual property or technology to any other license terms; or (3) work around any technical limitations in a Product or Fix or restrictions in Product documentation. Customer must not (and is not licensed to) (i) separate and run parts of a Product or Fix on more than one device, upgrade or downgrade parts of a Product or Fix at different times, or transfer parts of a Product or Fix separately; or (ii) distribute, sublicense, rent, lease, lend any Products or Fixes, in whole or in part, or use them to offer hosting services to a third party.
- e. **Reservation of rights.** Products and Fixes are protected by copyright and other intellectual property rights laws and international treaties. Microsoft reserves all rights not expressly granted in this agreement. No rights will be granted or implied by waiver or estoppel. Rights to access or use Software on a device do not give Customer any right to implement Microsoft patents or other Microsoft intellectual property in the device itself or in any other software or devices.

8. Confidentiality.

"Confidential Information" is non-public information that is designated "confidential" or that a reasonable person should understand is confidential, including Customer Data. Confidential Information does not include information that (a) becomes publicly available without a breach of this agreement, (b) the receiving party received lawfully from another source without a confidentiality obligation, (c) is independently developed, or (d) is a comment or suggestion volunteered about the other party's business, products or services.

Each party will take reasonable steps to protect the other's Confidential Information and will use the other party's Confidential Information only for purposes of the parties' business relationship. Neither party will disclose that Confidential Information to third parties, except to its employees, Affiliates, contractors, advisors and consultants ("Representatives") and then only on a need-to-know basis under nondisclosure obligations at least as protective as this agreement. Each party remains responsible for the use of the Confidential Information by its Representatives and, in the event of discovery of any unauthorized use or disclosure, must promptly notify the other party.

A party may disclose the other's Confidential Information if required by law; but only after it notifies the other party (if legally permissible) to enable the other party to seek a protective order.

Neither party is required to restrict work assignments of its Representatives who have had access to Confidential Information. Each party agrees that the use of information retained in Representatives' unaided memories in the development or deployment of the parties' respective products or services does not create liability under this Agreement or trade secret law, and each party agrees to limit what it discloses to the other accordingly.

These obligations apply (i) for Customer Data until it is deleted from the Online Services, and (ii) for all other Confidential Information, for a period of five years after a party receives the Confidential Information.

9. Privacy and compliance with laws.

- a. Enrolled Affiliate consents to the processing of personal information by Microsoft and its agents to facilitate the subject matter of this Agreement. Enrolled Affiliate will obtain all required consents from third parties under applicable privacy and data protection law before providing personal information to Microsoft.
- b. Personal information collected under this agreement (i) may be transferred, stored and processed in the United States or any other country in which Microsoft or its service providers maintain facilities and (ii) will be subject to the privacy terms specified in the Use Rights. Microsoft will abide by the requirements of European Economic Area and Swiss data protection

law regarding the collection, use, transfer, retention, and other processing of personal data from the European Economic Area and Switzerland.

- c. **U.S. export.** Products and Fixes are subject to U.S. export jurisdiction. Enrolled Affiliate must comply with all applicable international and national laws, including the U.S. Export Administration Regulations and International Traffic in Arms Regulations, and end-user, end use and destination restrictions issued by U.S. and other governments related to Microsoft products, services and technologies.

10. Warranties.

a. Limited warranties and remedies.

- (i) **Software.** Microsoft warrants that each version of the Software will perform substantially as described in the applicable Product documentation for one year from the date the Enterprise is first licensed for that version. If it does not and the Enterprise notifies Microsoft within the warranty term, then Microsoft will, at its option (1) return the price Enrolled Affiliate paid for the Software license, or (2) repair or replace the Software.
- (ii) **Online Services.** Microsoft warrants that each Online Service will perform in accordance with the applicable SLA during the Enterprise's use. The Enterprise's remedies for breach of this warranty are in the SLA.

The remedies above are the Enterprise's sole remedies for breach of the warranties in this section. Customer waives any breach of warranty claims not made during the warranty period.

- b. **Exclusions.** The warranties in this agreement do not apply to problems caused by accident, abuse, or use in a manner inconsistent with this Agreement, including failure to meet minimum system requirements. These warranties do not apply to free, trial, pre-release, or beta products, or to components of Products that Enrolled Affiliate is permitted to redistribute.
- c. **Disclaimer.** Except for the limited warranties above, Microsoft provides no other warranties or conditions and disclaims any other express, implied, or statutory warranties, including warranties of quality, title, non-infringement, merchantability, and fitness for a particular purpose.

11. Defense of third party claims.

The parties will defend each other against the third-party claims described in this section and will pay the amount of any resulting adverse final judgment or approved settlement, but only if the defending party is promptly notified in writing of the claim and has the right to control the defense and any settlement of it. The party being defended must provide the defending party with all requested assistance, information, and authority. The defending party will reimburse the other party for reasonable out-of-pocket expenses it incurs in providing assistance. This section describes the parties' sole remedies and entire liability for such claims.

- a. **By Microsoft.** Microsoft will defend Enrolled Affiliate against any third-party claim to the extent it alleges that a Product or Fix made available by Microsoft for a fee and used within the scope of the license granted (unmodified from the form provided by Microsoft and not combined with anything else) misappropriates a trade secret or directly infringes a patent, copyright, trademark or other proprietary right of a third party. If Microsoft is unable to resolve a claim of infringement under commercially reasonable terms, it may, at its option, either (1) modify or replace the Product or Fix with a functional equivalent; or (2) terminate Enrolled Affiliate's license and refund any prepaid license fees (less depreciation on a five-year, straight-line basis) for perpetual licenses and any amount paid for Online Services for any usage period after the termination date. Microsoft will not be liable for any claims or damages due to Enrolled Affiliate's continued use of a Product or Fix after being notified to stop due to a third-party claim.
- b. **By Enrolled Affiliate.** To the extent permitted by applicable law, Enrolled Affiliate will defend Microsoft against any third-party claim to the extent it alleges that: (1) any Customer Data or

non-Microsoft software hosted in an Online Service by Microsoft on Enrolled Affiliate's behalf misappropriates a trade secret or directly infringes a patent, copyright, trademark, or other proprietary right of a third party; or (2) Enrolled Affiliate's use of any Product or Fix, alone or in combination with anything else, violates the law or damages a third party.

12. Limitation of liability.

For each Product, each party's maximum, aggregate liability to the other under this Agreement is limited to direct damages finally awarded in an amount not to exceed the amounts Enrolled Affiliate was required to pay for the applicable Products during the term of this Agreement, subject to the following:

- a. **Online Services.** For Online Services, Microsoft's maximum liability to Enrolled Affiliate for any incident giving rise to a claim will not exceed the amount Enrolled Affiliate paid for the Online Service during the 12 months before the incident.
- b. **Free Products and Distributable Code.** For Products provided free of charge and code that Enrolled Affiliate is authorized to redistribute to third parties without separate payment to Microsoft, Microsoft's liability is limited to direct damages finally awarded up to US\$5,000.
- c. **Exclusions.** In no event will either party be liable for indirect, incidental, special, punitive, or consequential damages, or for loss of use, loss of business information, loss of revenue, or interruption of business, however caused or on any theory of liability.
- d. **Exceptions.** No limitation or exclusions will apply to liability arising out of either party's (1) confidentiality obligations (except for all liability related to Customer Data, which will remain subject to the limitations and exclusions above); (2) defense obligations; or (3) violation of the other party's intellectual property rights.

13. Verifying compliance.

- a. **Right to verify compliance.** Enrolled Affiliate must keep records relating to all use and distribution of Products by Enrolled Affiliate and its Affiliates. Microsoft has the right, at its expense, to the extent permitted by applicable law, to verify compliance with the Product's license terms. Enrolled Affiliate must promptly provide the independent auditor with any information the auditor reasonably requests in furtherance of the verification, including access to systems running the Products and evidence of Licenses for Products Enrolled Affiliate hosts, sublicenses, or distributes to third parties. Enrolled Affiliate agrees to complete Microsoft's self-audit process, which Microsoft may require as an alternative to a third party audit.
- b. **Remedies for non-compliance.** If verification or self-audit reveals any unlicensed use or distribution, then within 30 days, (1) Enrolled Affiliate must order sufficient Licenses to cover that use or distribution, and (2) if unlicensed use or distribution is 5% or more, Enrolled Affiliate must reimburse Microsoft for the cost Microsoft has incurred in verification and acquire the necessary additional licenses at 125% of the price based on the then-current price list and Enrolled Affiliate price level. The unlicensed use percentage is based on the total number of licenses purchased compared to actual install base. If there is no unlicensed use, Microsoft will not subject Enrolled Affiliate to another verification for at least one year. By exercising the rights and procedures described above, Microsoft does not waive its rights to enforce this Agreement or to protect its intellectual property by any other means permitted by law.
- c. **Verification process.** Microsoft will notify Enrolled Affiliate at least 30 days in advance of its intent to verify Enrolled Affiliate's compliance with the license terms for the Products Enrolled Affiliate and its Affiliates use or distribute. Microsoft will engage an independent auditor, which will be subject to a confidentiality obligation. Any information collected in the self-audit will be used solely for purposes of determining compliance. This verification will take place during normal business hours and in a manner that does not interfere unreasonably with Enrolled Affiliate's operations.

14. *Miscellaneous.*

- a. **Use of contractors.** Microsoft may use contractors to perform services, but will be responsible for their performance subject to the terms of this Agreement.
- b. **Microsoft as independent contractor.** The parties are independent contractors. Enrolled Affiliate and Microsoft each may develop products independently without using the other's Confidential Information.
- c. **Notices.** Notices to Microsoft must be sent to the address on the signature form. Notices must be in writing and will be treated as delivered on the date shown on the return receipt or on the courier or fax confirmation of delivery. Microsoft may provide information to Enrolled Affiliate about upcoming ordering deadlines, services, and subscription information in electronic form, including by email to contacts provided by Enrolled Affiliate. Emails will be treated as delivered on the transmission date.
- d. **Agreement not exclusive.** Customer is free to enter into agreements to license, use or promote non-Microsoft products.
- e. **Amendments.** Any amendment to this Agreement must be executed by both parties, except that Microsoft may change the Product Terms and the Use Rights from time to time in accordance with the terms of this Agreement. Any conflicting terms and conditions contained in an Enrolled Affiliate's purchase order will not apply. Microsoft may require Customer to sign a new agreement or an amendment before an Enrolled Affiliate enters into an Enrollment under this agreement.
- f. **Assignment.** Either party may assign this Agreement to an Affiliate, but must notify the other party in writing of the assignment. Any other proposed assignment must be approved by the non-assigning party in writing. Assignment will not relieve the assigning party of its obligations under the assigned agreement. Any attempted assignment without required approval will be void.
- g. **Applicable law; dispute resolution.** The terms of this Agreement will be governed by the laws of Customer's state, without giving effect to its conflict of laws. Disputes relating to this Agreement will be subject to applicable dispute resolution laws of Customer's state.
- h. **Severability.** If any provision in this agreement is held to be unenforceable, the balance of the agreement will remain in full force and effect.
- i. **Waiver.** Failure to enforce any provision of this agreement will not constitute a waiver. Any waiver must be in writing and signed by the waiving party.
- j. **No third-party beneficiaries.** This Agreement does not create any third-party beneficiary rights.
- k. **Survival.** All provisions survive termination or expiration of this Agreement except those requiring performance only during the term of the Agreement.
- l. **Management and Reporting.** Customer and/or Enrolled Affiliate may manage account details (e.g., contacts, orders, Licenses, software downloads) on Microsoft's Volume Licensing Service Center ("VLSC") web site (or successor site) at: <https://www.microsoft.com/licensing/servicecenter>. Upon the effective date of this Agreement and any Enrollments, the contact(s) identified for this purpose will be provided access to this site and may authorize additional users and contacts.
- m. **Order of precedence.** In the case of a conflict between any documents in this Agreement that is not expressly resolved in those documents, their terms will control in the following order from highest to lowest priority: (1) this Enterprise Agreement, (2) any Enrollment, (3) the Product Terms, (4) the Online Services Terms, (5) orders submitted under this Agreement, and (6) any other documents in this Agreement. Terms in an amendment control over the amended document and any prior amendments concerning the same subject matter.

- n. **Free Products.** It is Microsoft's intent that the terms of this Agreement and the Use Rights be in compliance with all applicable federal law and regulations. Any free Product provided to Enrolled Affiliate is for the sole use and benefit of the Enrolled Affiliate, and is not provided for use by or personal benefit of any specific government employee.
- o. **Voluntary Product Accessibility Templates.** Microsoft supports the government's obligation to provide accessible technologies to its citizens with disabilities as required by Section 508 of the Rehabilitation Act of 1973, and its state law counterparts. The Voluntary Product Accessibility Templates ("VPATs") for the Microsoft technologies used in providing the Online Services can be found at Microsoft's VPAT page. Further information regarding Microsoft's commitment to accessibility can be found at <http://www.microsoft.com/enable>.
- p. **Natural disaster.** In the event of a "natural disaster," Microsoft may provide additional assistance or rights by posting them on <http://www.microsoft.com> at such time.
- q. **Copyright violation.** Except as set forth in the section above entitled "Transferring and reassigning Licenses", the Enrolled Affiliate agrees to pay for, and comply with the terms of this Agreement and the Use Rights, for the Products it uses. Except to the extent Enrolled Affiliate is licensed under this Agreement, it will be responsible for its breach of this contract and violation of Microsoft's copyright in the Products, including payment of License fees specified in this Agreement for unlicensed use.

Supplemental Contact Information Form

This form can be used in combination with MBSA, Agreement, and Enrollment/Registration. However, a separate form must be submitted for each enrollment/registration, when more than one is submitted on a signature form. For the purposes of this form, "entity" can mean the signing entity, Customer, Enrolled Affiliate, Government Partner, Institution, or other party entering into a volume licensing program agreement. Primary and Notices contacts in this form will not apply to enrollments or registrations.

This form applies to: ☐ MBSA
☒ Agreement
☐ Enrollment/Affiliate Registration Form

Insert primary entity name if more than one Enrollment/Registration Form is submitted

Contact information.

Each party will notify the other in writing if any of the information in the following contact information page(s) changes. The asterisks (*) indicate required fields; if the entity chooses to designate other contact types, the same required fields must be completed for each section. By providing contact information, entity consents to its use for purposes of administering the Enrollment by Microsoft and other parties that help Microsoft administer this Enrollment. The personal information provided in connection with this agreement will be used and protected according to the privacy statement available at <https://licensing.microsoft.com>.

1. Additional notices contact.

This contact receives all notices that are sent from Microsoft. No online access is granted to this individual.

Name of entity* County of Riverside
Contact name*: First Regina Last Funderburk
Contact email address* RFunderburk@rivco.org
Street address* 3450 14th Street, 4th Floor
City* Riverside State/Province* California Postal code* 92501-3861
Country* USA
Phone* 951-955-2265 Fax

☐ This contact is a third party (not the entity). Warning: This contact receives personally identifiable information of the entity.

2. Software Assurance manager.

This contact will receive online permissions to manage the Software Assurance benefits under the Enrollment or Registration.

Name of entity* County of Riverside
Contact name*: First Regina Last Funderburk
Contact email address* RFunderburk@rivco.org
Street address* 3450 14th Street, 4th Floor
City* Riverside State/Province* California Postal code* 92501-3861

Country* USA

Phone* 951-955-2265 Fax

☐ This contact is a third party (not the entity). Warning: This contact receives personally identifiable information of the entity.

3. Subscriptions manager.

This contact will assign MSDN, Expression, and TechNet Plus subscription licenses to the individual subscribers under this Enrollment or Registration. Assignment of the subscription licenses is necessary for access to any of the online benefits, such as subscription downloads. This contact will also manage any complimentary or additional media purchases related to these subscriptions.

Name of entity* County of Riverside

Contact name*: First Regina Last Funderburk

Contact email address* RFunderburk@rivco.org

Street address* 3450 14th Street, 4th Floor

City* Riverside State/Province* California Postal code* 92501-3861

Country* USA

Phone* 951-955-2265 Fax

☐ This contact is a third party (not the entity). Warning: This contact receives personally identifiable information of the entity.

4. Online services manager.

This contact will be provided online permissions to manage the online services ordered under the Enrollment or Registration.

Name of entity* County of Riverside

Contact name*: First Luis Last Flores

Contact email address* LFFlores@rivco.org

Street address* 3450 14th Street, 4th Floor

City* Riverside State/Province* California Postal code* 92501-3861

Country* USA

Phone* 951-955-8114 Fax

☐ This contact is a third party (not the entity). Warning: This contact receives personally identifiable information of the entity.

5. Customer Support Manager (CSM).

This person is designated as the Customer Support Manager (CSM) for support-related activities.

Name of entity* County of Riverside

Contact name*: First Luis Last Flores

Contact email address* LFFlores@rivco.org

Street address* 3450 14th Street, 4th Floor

City* Riverside State/Province* California Postal code* 92501-3861

Country* USA

Phone* 951-955-8114 Fax

6. Primary contact information.

An individual from inside the organization must serve as the primary contact. This contact receives online administrator permissions and may grant online access to others. This contact also receives all notices unless Microsoft is provided written notice of a change.

Name of entity* County of Riverside

Contact name*: First Jim Last Smith
Contact email address* jimsmith@rivco.org
Street address* 3450 14th Street, 4th Floor
City* Riverside State/Province* CA Postal code* 92501-3861
Country* US
Phone* 951-231-5909 Fax

7. Notices contact and online administrator information.

This individual receives online administrator permissions and may grant online access to others. This contact also receives all notices.

Amendment to Contract Documents

Agreement Number

8084445

004-kaylead-S-04

This amendment ("Amendment") is entered into between the parties identified on the attached program signature form. It amends the Enrollment or Agreement identified above. All terms used but not defined in this Amendment will have the same meanings provided in that Enrollment or Agreement.

Enterprise Agreement
Custom Terms CTM

1. Section 6a, "Term", is hereby amended and restated as follows:
 - a. Term. The term of this Agreement will remain in effect unless terminated by either party as described below. Each Enrollment will have the term provided in that Enrollment.
2. The pricing that Microsoft will offer Enrolled Affiliate's Reseller for Enrollments effective between November 1, 2019 through October 31, 2021, and that will apply for the entire initial term of such Enrollments, is as follows:

Product	Price Level	Examples include but are not limited to the following*:
Enterprise Online Services** (including Full USLs, From SA USLs, Add-ons and Step Ups)	Level D minus 2%	M365 E3 and E5, Enterprise Mobility + Security E3 and E5, Office 365 Enterprise E1 or E3, Windows 10 Enterprise E3 or E5
Enterprise Products	Level D	Office 365 Pro Plus, Windows 10 Enterprise, Core CAL Suite, Enterprise CAL Suite
Additional Products	Level D	M365 F1, M365 E5 Compliance, M365 E5 Security, Office 365 Enterprise F1, Project Online, Visio Online Plan 1 or Plan 2, Dynamics 365, Azure, SQL Server, Windows Server, etc.
Server and Tools Product (applies to Server and Cloud Enrollments only)	Level D	SharePoint Server, SQL Server, BizTalk Server, Visual Studio, Core Infrastructure Suites, etc.

*The examples include online services that are available in either the commercial or government cloud offerings.

**Qualifying Enterprise Online Services are identified in the Product Terms with the cell value of "EO" in the tables for "Program Availability". The scope of Enterprise Online Services is subject to change as Enterprise Online Services are added, updated/revised or removed from the Enterprise program offering.

Exclusions apply to the additional 2% discount on Enterprise Online Services as follows:

- The price list month that applies to an order is not a factor in determining whether the additional 2% discount on Enterprise Online Services may be applied to an order. The only applicable factor is the effective date of the Enrollment.
- The discount does not apply to any extensions of the initial Term or renewal Enrollments.
- The discount does not apply to any promotional SKUs. Enrolled Affiliate is entitled to the lower of the promotional price or discounted price.

The price level that applies to Enrollments effective on or after November 1, 2021 is Level D for all Products.

The Reseller and the Enrolled Affiliate will determine the Enrolled Affiliate's actual price and payment terms.

Except for changes made by this Amendment, the Enrollment or Agreement identified above remains unchanged and in full force and effect. If there is any conflict between any provision in this Amendment and any provision in the Enrollment or Agreement identified above, this Amendment shall control.

This Amendment must be attached to a signature form to be valid.

RE: RFP Microsoft Enterprise Agreement (EA)

*******ADDENDUM ONE*******

Please note the following revisions, which represent one attachment:

Question: There are Software Assurance renewals listed for various SQL SKUs, Visual Studio Enterprise MSDN and Windows Server, but the current EA list of licenses on page 30 does not include any of those products. Are you renewing that maintenance from another contract that isn't shown?

Answer: Thank you for your question. It has come to our attention that our full EA was not captured on our original document. Please see the addendum for a better capture of our environment as provided by Microsoft.

Please use the addendum licensing sheet instead of the EA license provided at the end of the RFP.

You must acknowledge receipt of this addendum by including a signed copy with your proposal submittal.

I acknowledge receipt of Addendum One

TAB A: Firm Qualifications

Describe your firm and provide a statement of your firm's qualifications for performing the requested services.

Response:

As a Gold Certified Microsoft Partner, Softchoice is ranked among the top 5 LSPs in North America and #8 in the world.

Our team of Microsoft experts utilize deep knowledge and a broad base of expertise to deliver an optimized solution to our customers that both meets their needs and exceeds expectations. We offer high touch services including roadmap consulting, deployment support, licensing advisory, implementation services, cloud, and technology viability assessments.

As a twelve-time recipient of the Microsoft's Operational Excellence Award, the City of Roseville will recognize the accuracy and efficiency of our licensing agreement processing and management capabilities. We follow a unique Microsoft Agreement management methodology that is comprised of multiple tools, resources, and processes designed to help the City of Roseville identify the most cost-effective licensing models to best support and help in building your business. The tools and assessments we have designed to help the City of Roseville include, but are not limited to:

- Expert Agreement Management, Price Analysis, and Negotiation Strategy upon Renewal
- Software asset management (SAM) consulting assessments
- Customized Microsoft roadmap and strategic future-planning sessions
- Ongoing Cost optimization analysis and recommendations
- Software Assurance benefits planning
- Licensing & Deployment Assessments and Services
- Scheduled Account Reviews / Product Updates
- Online Services Portal Administration, Onboarding, and Support
- Strategic Fulfillment
- Project Management

The only true way to achieve ongoing cost savings and efficiencies within your technology portfolio is by having a partner that knows your organization: the people, the processes, the agreements, the upcoming projects, and overall objectives. Softchoice has a proven formula for successfully achieving these overall objectives through Account Management, Asset Management, Maintenance Management, Six Sigma Oversight, Knowledge of Microsoft Licensing Programs, Microsoft Professional Services, and Partnerships.

Softchoice Request for Proposal Response

Page 3 of 5

Softchoice is both an authorized Microsoft LSP (Licensing Solutions Provider) and a National SI.

As a trusted Microsoft partner for over 20 years, Softchoice is committed to maintaining the highest status and relationship with Microsoft. Softchoice has maintained accreditation for 20 years and is continually represented at the Microsoft Operational Excellence Awards (13-time winner). As a valued partner of Microsoft, Softchoice works closely with Microsoft to ensure that we have all the requirements to continue and excel as a Gold Partner. Some of Softchoice's credentials include:

- Microsoft Gold Certified Partner
- #1 Enterprise Agreements Managed in North America: 16th year in a row
- 42% market share in Canada for all Microsoft Volume License sales
- 10 Microsoft Gold Certifications
- 98% Enterprise Agreement Customer Renewal loyalty
- 12 -Time Operational Excellence Award Winner
- IMPACT Award Winner: SMC Partner of the Year
- 200+ customers moved their Microsoft Agreements over to Softchoice in 2019

Softchoice Microsoft Certification Level

- Gold Messaging
- Gold Software Asset Management
- Gold Communications
- Gold Collaboration and Content
- Gold Cloud Platform
- Gold Datacenter
- Gold Cloud Productivity
- Gold Small and Midmarket Cloud Solutions

These Gold Certifications allows Softchoice to deliver solutions and services for:

- Microsoft Certified Solution Expert: Cloud Platform and Infrastructure (AZURE)
- Microsoft office Specialist (includes O365)
- Microsoft Certified Solutions Expert: Messaging (Exchange & Exchange Online)
- EMS
- TEAMS
- SQL

Softchoice is trusted with managing over 6,500 Microsoft Agreements, spanning across both the Public and Private sectors of Canada and the United States – this is more than any other LSP in North America. In addition, Softchoice successfully manages large Microsoft Framework Agreements for various organizations upwards of 30,000+ people throughout Canada & the United States which include some of the most advanced and complex Microsoft agreements in the world.

Identify the services which would be completed by your firm's staff and those that would be provided by sub-consultants or sub-contractors, if any.

Response:

All services associated with this request for proposal would be completed by Softchoice. Softchoice would not utilize any partners to complete the services associated with the scope of work.

Identify any sub-consultants or sub-contractors you propose to utilize to supplement your firm's staff.

Response:

Not applicable.

Include the firm's organizational chart, including its constituent parts, and size variation of staffing levels in the past five (5) years.

Response:

Softchoice is one of the largest IT Solution and Managed Service providers in North America. Every day, thousands of organizations rely on Softchoice to provide insight and expertise that speeds the adoption of technology, while managing cost and risk. Through our unique points of view, we challenge leaders to think differently about the impact of technology on their employees and customers. We support our customers coast to coast with over 40 offices and 7 call centers in Toronto, Vancouver, Calgary, Montreal, Atlanta, Chicago, and Seattle. Softchoice head office in Canada is located in Toronto, Ontario and headquarters in Chicago, Illinois, United States.

Softchoice training, marketing and development teams are located in Toronto, Ontario and Chicago, Illinois. Softchoice Keystone Managed Services are located in Oakville, Ontario. Finally, Softchoice sales teams are located strategically across Canada and the United States to provide localized sales support.

Executive Leadership Team

As President and Chief Executive Officer, Vince De Palma is responsible for the implementation of Softchoice's strategic plan, as well as the growth and success of Softchoice people and the business as a whole. He joined Softchoice in February 2017. Vince's career spans more than

Softchoice Request for Proposal Response

Page 5 of 5

30 years of executive leadership experience. Prior to joining Softchoice, he served as President and CEO of Shred-it, an international information destruction company. Under his leadership, Shred-it became a globally recognized information security brand, operating in over 200 service centers in 18 countries worldwide and serving over 400,000 businesses and organizations.

Softchoice is pleased to provide support to the City of Roseville with a total of 1,800 employees strategically located across Canada and the United States. Please find below Softchoice number of employees, split by function and geographical locations:

	Canada	US Central	US East	US West	Grand Total
Development	127	24	27	25	203
Management	6		1		7
Operations	201	3	8	3	215

TAB C: Qualifications of Team

Provide a brief summary of the role, qualifications and experience of each team member and designated project manager/lead assigned to this project, including length of service with the firm and the qualifications/experience of any sub-consultant or sub-contractor staff on your project team.

Response:

Your Dedicated Account Team starts with your Account Executive, Maureen Copeland, who is responsible for the City of Roseville/Softchoice partnership. Maureen's role is to oversee the high-level needs of your organization:

- Overall account management and project involvement.
- Participation for State meetings: purchase reporting reviews, pricing updates/changes, program & contract education, and vendor-presentations.
- Assistance and guidance around asset management, technology options, industry trends, cost savings initiatives and opportunities.
- Proactive discussions surrounding hardware savings options to your organization.
- SLA governance
- Overall satisfaction of your account

At Softchoice, we believe exceptional customer service requires dedicated people who know and care about your business. That is why we are pleased to provide you with a unique, first to market, three prong Unified Account Management approach. In addition, your Account Executive, will help manage your needs and put time back in your day. She will take time to understand your technology needs and your preferred methods of conducting business, giving the City of Roseville the peace of mind that comes from knowing your requests are in capable hands.

Maureen can also be contacted for:

- Information and pricing on more than 400,000 software and hardware products
- Detailed reports on your purchase order and payment history
- Information and instruction on Softchoice's timesaving tools and technology
- Updates on the latest technology products and promotions
- Proactive notification of deals and promotion; relevant to your business.

Maureen Copeland – Senior Account Executive

Based out of Minneapolis, Maureen Copeland has over 6 years' experience in technology sales and Account Management. She is actively engaged in all levels of IT solutions to many of Softchoice's Enterprise & Public Sector clients in California. Maureen manages some of the largest Microsoft Enterprise contracts and helps her customers in their everyday licensing needs and always keep them informed with the changes made by Microsoft.

Softchoice Request for Proposal Response

Page 3 of 7

Maureen is a dedicated account executive, from both a client and a vendor perspective. She enjoys the challenge of working with influential business leaders and helping them to think differently about the impact that technology can have on their organization. Maureen excels in helping clients leverage Softchoice resources to effectively build and execute a road map to bring them through these transitions to a successful outcome.

Softchoice In-house Microsoft Resources

Softchoice's Microsoft Licensing Pre-Sales Team

This team consists of 60 people dedicated to being experts in the field of Microsoft Product Use Rights and Licensing. This group of Microsoft Licensing experts work collectively toward ensuring our clients receive all Microsoft updates quickly after they are announced and understand the potential impact of these changes to their specific Microsoft position. This team is available to assist with any technical questions and concerns, or any questions pertaining to the specifics of a client's agreement. In order to provide the top level of service to the City of Roseville, Softchoice will dedicate a Microsoft Sales Specialist (MSS) to your Agreement who will be integral in supporting all Microsoft Product and License related inquiries and discussions. The MSS will ensure the City of Roseville is notified about licensing changes, upgrade options, EOL notices, and tracking agreement details.

Softchoice's Microsoft Licensing Operations Team

This team consists of 25 people tasked with ensuring accuracy and audit on our order and contract submissions to Microsoft. The people shown on the chart represent the Canadian team. This team prepares the Microsoft Contracts and acts as an additional layer of review

Softchoice Request for Proposal Response

Page 7 of 7

before contracts are processed with Microsoft. This team helps ensure our clients save time and money by properly submitting and managing the contract process. Softchoice continues to ensure our Sales and Technical support personnel are enrolled and updated with the latest Microsoft training and certifications.

Post Sales Licensing Support

Microsoft is one of our largest and most complex vendors. With online services being their main business drivers; new portals, agreements and support lines are emerging for end-users to utilize. The growing use of these constantly changing services often pose challenges to our clients. Softchoice created a unique team specializing in non-technical Microsoft Licensing issues, referred to as the Post-Sales Licensing Support Team. Our Post-Sales team offers a reliable and consistent support service that all clients can currently utilize. The Post-Sales Services is a complimentary service to our Microsoft Agreement clients and would be provided to the City of Roseville.

Access to Softchoice Technical and Solutions Architects

Finally, with over 200 technical pre-sales technical and Solutions Architects trained and certified in Microsoft Technologies, Softchoice can offer the City of Roseville information on leveraging existing Microsoft licensing and road mapping toward new/future technologies. The Softchoice Microsoft Practice is built on a solid foundation incorporating a center of excellence, very strong vendor relationships, and technical expertise unparalleled in the industry. Softchoice Microsoft Services works in partnership with customers to provide customized solutions to develop and evolve their Microsoft solutions across the full range of technologies.

Software Asset Management Experts

These full-time accredited experts make your software management smart and efficient. We have delivered software asset management consultations to over 1300 customers.

Any proposed sub-consultants or sub- contractors shall be listed. Include sub-consultant's and sub-contractor's assigned task(s) and experience. Full resumes may be included in the appendix.

TAB D: Project Understanding

Based on the available information, supplemental research, field observations, and experience with similar projects, provide a narrative describing your understanding of the services requested in this RFP, your general approach and any major challenges to achieving the City's stated goals.

Response:

Softchoice is a Microsoft Licensing Solutions Provider (LSP). This means we have the scale to support multiple Microsoft licensing solutions through our team of Microsoft Sales and Operational specialists. Softchoice is also a Microsoft Systems Integrator (SI). This means we have local people that can help you with plan, implement, and support your custom solution.

There are literally thousands of potential IT providers to pick from in North America. The purpose of this image is to quickly winnow down the list to a select few that bring together the capabilities of a national footprint and the unique awareness that comes with also having local presence. The purpose of the following image is to clearly articulate what makes us unique and better amongst our competition. As you can see, as a national provider our scales are high, while our expertise extends to the local level.

A North American footprint enabling you to execute faster, and be more cost-effective.

Local experts who know your business, and will accelerate your adoption of technology.

- What you get with our **scale**:
 - Reduce your costs and speed shipment delivery with our **virtual supply chain**
 - Top-tier support and incentives through our **strategic vendor relationships**
 - **Solve your problems quicker** with access to our community of 500+ technical experts
- What you get with our **expertise**:
 - **Unique points of views** informed by thousands of customer engagements
 - Local, **seasoned experts** who know your business

Softchoice Request for Proposal Response

Page 3 of 11

- Accelerate your team's learning with hands-on, **local boot-camps & events**

Microsoft Enterprise Agreement Experience

Softchoice's EA retention rate is second to none in the industry. In addition, a significant number of customers who initially signed with another LSP have made the switch to Softchoice because of the award-winning customer service and value-added IT asset management services we provide. Softchoice manages the most Microsoft Enterprise Agreements in North America. In 2019 alone, over 200 organizations moved their Microsoft agreements from a competing LSP to Softchoice.

Resources	Licensing & Financial Strategy Consulting
Microsoft Sales Specialists Licensing Specialists SAM Consultants Microsoft Solutions Architects Technology Consultants and Engineers Project Management Office	Licensing Current State Assessment Customized Financial Analysis Contract Consolidation, Processing, Management Monthly Reporting Budgetary Planning Sessions

Softchoice's Enterprise Agreement Lifecycle Management solution is a structured framework designed to help the City of Roseville choose the right MS technology solutions through the best licensing structure. The framework promotes the deployment of the technology and that the value of the investment is realized during the term of their licensing agreement.

Our process includes:

- Proprietary compliance assessment service
- Licensing gap analysis
- Consultations with dedicated Microsoft licensing, solutions, and Software Assurance (SA) specialists
- Cost modelling and scenario analysis with strategic recommendations
- IT roadmaps and in-depth product knowledge
- CIO-level annual account reviews and reporting
- SA benefits utilization summary and guidance
- Microsoft technology roadmaps
- Project management of key milestones over the duration of the term including licensing changes, true-ups, and renewals

Our approach to EA management allows Softchoice to deliver the following:

1. A lower total cost of ownership and reduced risk of non-compliance by using the right procurement strategy and software asset management processes.
2. Much higher SA benefit utilization through diligent tracking and reporting of available and consumed SA benefits including management support and best practice guidance.

Softchoice Request for Proposal Response

Page 4 of 11

3. A simplified experience that allows customers to save time and money while also reducing exposure to risk and providing tools and insight to simplify true-up and renewal processes.

Microsoft Enterprise Agreement Experience

Through leveraging the Enterprise Agreement protocol detailed below, Softchoice will successfully facilitate strategic EA Renewal Agreement preparation and completion in collaboration with the City of Roseville

In advance of the deadline, our dedicated Microsoft Specialist for the City of Roseville, Richard Nice, who has over 30 years of industry experience in managing and negotiating Microsoft agreements, will prepare an advanced EA cost modelling workbook. This will include a structured inventory of all licenses under the current agreement and any other expiring agreements to first determine current state. We will also assist with finalization of the Year Three True Up requirement as applicable.

The workbook will be built to include an advanced cost modelling and scenario analysis detailing the Microsoft licensing programs that are available for consideration for the City of Roseville at the time of the deadline. A pricing matrix will be provided for each scenario with an expert breakdown of the prospective advantages and disadvantages for the City of Roseville under each prospective option.

This complex exercise is a critically important step in the process. It is designed to facilitate informed decision making through exploration of all viable options available to the City of Roseville. Through this process our expert team will work closely with the City of Roseville stakeholders to ensure the attributes of each licensing program are intrinsically understood both from a short- and long-term perspective in terms of go forward strategic and financial implications for the business.

We typically assist our clients to understand their long-term financial outlook by modelling each recommended licensing scenario beyond the initial contract term (i.e. 6-9 years) with anticipated growth targets included as applicable. This provides insight to support the long term returns of an investment in a Microsoft licensing agreement by offering a complete line of sight against current and prospective future state requirements.

To ensure the most favorable terms are achieved for the City of Roseville, Softchoice will leverage our strategic market position with Microsoft and advanced industry knowledge to assist in development and execution of a defined renewal strategy built upon our knowledge and experience with successful negotiation tactics and levers when negotiating with Microsoft to secure the most advantageous renewal scenario possible for the City of Roseville.

Furthermore, we will ensure that alignment across the Microsoft executive and sales teams occurs to maximize any/all discounting potential prior to the renewal deadline.

Softchoice Request for Proposal Response

Page 5 of 11

Our Award-winning operations team are readily available to build, provide, and review the contractual paperwork as required to ensure that all parties are clear and comfortable with the terms of the contract prior to final sign off.

Quarterly Microsoft Account Management updates

Softchoice will utilize an EA Management Process which suggests that we meet with you on a quarterly basis throughout the term of your agreement with agendas for each of those meetings that are specially created around an annual timeline of important actions for ensuring that you get the most from that agreement, while reducing the time and risk that goes into managing it.

These quarterly reviews would cover topics such as:

- Review of Products and Quantities on your EA
- Your Microsoft Client team and extended Support Resources at Softchoice
- Utilization of Microsoft Cloud Services
- Activation and Usage Planning of SA Benefits
- Licensing and Technology Roadmap Briefings
- Microsoft Technology Deployment Planning
- Microsoft Funding Sources for Deployment Projects
- Business Technology Review
- Assessment Services to assist with True-up/Renewal
- Keystone Managed Services to support Adoption
- Review: Cost Analysis for your True-Up/Renewal
- Update: Events, Useful Collateral, and Promotions

The meeting agendas we propose are on annual basis, keeping in mind that the timing and naming of these meetings corresponds to the lifecycle of your Enterprise Agreement, and not to the time of year:

Quarterly Appointment #1

- Review all products and quantities on EA
- Activate and plan usage of all Software Assurance Benefits
- Plan the deployment of technologies on the EA
- Review resources available through your EA Reference Guide on softchoice.com

Quarterly Appointment #2

- Softchoice to provide licensing and technology roadmap briefing
- Review potential funding sources from Microsoft, based on your deployment plans
- Explore the option for a Business Technology Review to support deployment planning

Quarterly Appointment #3

- Discuss assessment services available to assist True-Up planning

Softchoice Request for Proposal Response

Page 6 of 11

- Review adoption and consumption of Microsoft technologies
- Explore the option for Keystone Managed Services to support consumption and adoption

Quarterly Appointment #4

- Finalize cost analysis for True-Up
- Review process for order and licensing acquisition
- Prepare to schedule new quarterly EA reviews for the next year of the EA
- Softchoice would also proactively communicate any changes, promotions on an ongoing basis, and fully intends on having open lines of communication with the City of Roseville.

Softchoice will be maintaining on-going communication with the City of Roseville stakeholders throughout the lifecycle of the EA. Focusing on product roadmaps, licensing changes and impact, new releases, promotions, events etc. We are committed to providing value to the City of Roseville in order to ensure consistency across your Microsoft agreement practice. We have designed and follow a strong methodology which is outlined in the graphic below. Our methodology includes breaking down the agreement by year and outlining all tasks, roles, and responsibilities to ensure quality of service for the City of Roseville.

Although Softchoice has designed and follows the above outline, we understand that every organization, and every agreement, is unique and will require a specialized process. The City of

Softchoice Request for Proposal Response

Page 7 of 11

Roseville will benefit from Softchoice's years of experience managing various Corporate, Enterprise and Government Framework Agreements. Softchoice leverages a best in class, custom contract, and invoice management system. Ensuring our clients get the right support, the right contract, and right invoice is core to the value of Softchoice. *For our level of accuracy and client satisfaction through our Horizon platform, we have been awarded twelve (12) Microsoft Operational Excellence Awards.*

Microsoft Procurement

Requests for licenses can be handled through person to person contact with your dedicated Account Team, via our online Web Procurement tool or at Softchoice.com. Your contractual pricing for products is documented and loaded into our procurement systems to ensure the pricing is always accurate and current. There are two ways to add additional licenses to your Enterprise Agreement.

- First, for licenses that were not listed on the initial purchase, you must submit the order within 30 days of deployment of the product - "Add-on."
- Second, for licenses that were listed on the initial purchase, you can wait until your anniversary date to submit the order - "True-up." You have the option of submitting the order before your anniversary date or during each given year.

All purchase orders for both "Add-on's" and "True-ups" can be sent to Softchoice. The billing will be direct from Microsoft just like the initial annual payments. Softchoice goes further by proactively leveraging our team of experts and specialists to help the City of Roseville identify and evaluate the best products to solve their business problems. In many cases, cost modelling comparative scenarios are crafted and reviewed along with a detailed inventory of pros and cons associated with each option in the event of any major purchase or change. This ensures the correct products identified and are quoted in a way that delivers the greatest cost advantages to the customer.

Distribution Process

Microsoft licensing, keys, reports, and benefits are available via the Microsoft VLSC website. Softchoice can offer advice in setting up the VLSC website, and ad-hoc support when in navigating the portal as needed.

Within the first month of the agreement, Softchoice will conduct a one-hour training session for the City of Roseville administrators to walk through VLSC portal and review administration processes to ensure the City of Roseville Benefit Administrators are well positioned to manage their SA Benefits. This includes provision of an online Software Assurance Handbook for each Benefit Administrator and a comprehensive list of standard Microsoft VLSC support resources available to the City of Roseville team.

Under this model, Softchoice can also help with reporting in detail on SA Benefit usage, including specific names/dates/courses/purchases for Home Use, eLearning, and Training Vouchers. This reporting will help identify any potential issues such as over consumption of benefits by members.

Softchoice Request for Proposal Response

Page 8 of 11

As a company that believes that the job is not done until the City of Roseville is happy, we are dedicated to finding solutions to any issue, regardless of its nature, that arises under the contract we are managing.

By proactively managing the agreement and having regular quarterly in person meetings, Softchoice will work with the City of Roseville to determine the best licensing strategy that ensures compliance but also is the best for budget. Our proactive and consultative management style helps you feel confident that have the right agreement at the right price.

Order Desk

At Softchoice, all employees can be reached from local phone numbers, or from our toll-free number; 1-888-607-7638. Specific individuals can be reached directly by entering their extension number when prompted, or by following the voice prompts for redirection to their personal lines. Because of this, the City of Roseville will have access to a toll-free number to call. As well, orders can be received via email or fax at your convenience.

In respect to the City of Roseville Microsoft agreement, questions can be forwarded either as a phone call or via email. As a Microsoft LSP, Softchoice will promptly address any related questions, such as regarding the products and capabilities, the licensing, pricing on the agreement, as well as questions relating to the Microsoft Portal.

Softchoice account team are the front-line support for the City of Roseville for all questions or issues and can also be directed via a generic email. Most questions or requests are answered within the initial email or phone call, with a 2-hour SLA for initial respond. If the question asked is not one that can be immediately answered, a variety of internal or external resources can be engaged to provide an accurate response, usually within 24 to 48 hours. If the answer is still unclear after that time, the client will be contacted and made aware that the question has been escalated

Microsoft Licensing Support

Softchoice's Microsoft Enterprise Sales and Licensing Team consists of 50+ people dedicated to being experts in the field of Microsoft Product Use Rights and Licensing. This group of Microsoft Licensing experts work collectively toward ensuring our clients receive all Microsoft updates quickly after they are publicly announced and understand the potential impact of these changes to their specific Microsoft position.

From an Operational perspective, Softchoice's Microsoft Licensing Operations Team consists of an additional 25+ people tasked with ensuring accuracy and audit on our order and contract submissions to Microsoft. The benefit to you is getting things done the first time, accurately, and no "back and forth" that may result in costly delays.

Overall, the primary goal of these 75+ Microsoft technologists, in conjunction with your Softchoice Account Executive, is to help you maximize your Microsoft investment through every step of the way.

Softchoice Request for Proposal Response

Page 9 of 11

With constant change across technology licensing and a reliance on those products as a basis for any enterprise, a good understanding of the license implications is important. We will work with the City of Roseville to ensure that the necessary staff is aware of the “licensing basics” and who they can turn to for additional questions. Often those that work with the products do not always have an in depth understanding (or interest) in the licensing behind them. We feel that it is important to highlight the importance of having an accurate understanding of licensing for those using the products because the State is liable to ensure that it is compliant in its licensing. For example, a server administrator who is not aware of the license rights may setup a virtual server farm without taking into consideration virtualization, fail-over and short-term migration of licenses and thus put the State in a position of non-compliance. As new staff are hired by the State, we will work directly with them so they understand the licensing basics and will offer a “Licensing 101” session from time to time as licensing and personnel changes, or for those who simply need a refresher.

Working with Microsoft

The relationship between the City of Roseville (the client), Softchoice (the LSP), and Microsoft is a tightly integrated one. From Microsoft’s perspective, they see the optimal partnership consisting of Microsoft owning the responsibility for executive briefings, infrastructure optimization, and the contract renewal. The LSP partner primes the responsibility for the agreement preparation and execution, software assurance benefits guidance, licensing logistics and overall account management excellence.

As one of the largest Microsoft partners in North America, Softchoice has an excellent relationship with Microsoft at many different levels. Having a close relationship between the LSP and Microsoft results in the best possible Microsoft experience for the City of Roseville. Microsoft relies on our expertise on their licenses, programs, and procedures to ensure that our clients receive an overall positive experience and a high level of customer satisfaction. Often Microsoft Account Managers and Technology Specialists defer to us for licensing questions saying, “Ask Softchoice, they’re the experts in licensing”.

Apart from the frontline, client facing, Microsoft team, we have relationships with people in Microsoft Operations and the individuals who manage the various programs found within the Software Assurance Benefits. As well, Softchoice executive meet regularly with their Microsoft counterparts, and have a solid relationship that allows us a direct line into executive support as the needs arise. Being a reliable and trustworthy partner to Microsoft creates a positive team environment and a positive approach to the account management that ultimately benefits our clients.

Include any issues that you believe will require special consideration for this project.

Detailed overview of Softchoice unique approach is provided within the first pages of our response. In addition, Softchoice hosts several local events, webinars, lunch and learns, etc. as it relates to Microsoft at no additional cost. Some Examples include:

- Local Client Community Events (Discovery Series)
- Azure Bootcamp Series
- Microsoft Cloud Governance and Security in O365
- Skype Webinars
- Unleashing the Power of Office 365 workshops
- Extending SQL to the Cloud info sessions

Below is a recent photo of an Azure Bootcamp. Softchoice Technical Specialists have delivered over 40 events and webinars on the latest Microsoft technologies in the first half of 2020 alone. Events may be virtual in 2020 due to the pandemic.

City staff will assess your understanding of all aspects of the project based on the overview.

TAB E: Project Plan

Provide a detailed discussion of your firm's approach to the successful implementation of this project.

Include thorough discussions of methodologies you believe are essential to accomplishing this project.

Include a proposed work schedule to accomplish all of the required tasks within the desired timeline.

Identify the staff who would be assigned to each task, including sub-consultants and sub-contractors.

List any necessary equipment, training or installation services required.

In this instance, Softchoice is not performing any implementation or scope services. Please find below our new client onboarding methodology.

Service Onboarding and Initiation

Please find below a proposed agenda and required attendees for the initial hardware and software procurement contract kick-off meeting.

1. Procurement Process Integration
 - Discuss the preferred process to engage on day-to-day business
 - (Electronic Procurement Integration, Softchoice.com, or Email Communication)
2. Purchase Decisions
 - Discuss all relevant information regarding the order process.
 - What PO information is valuable to capture?
 - What data needs to be reported regularly?
3. Discuss the Payment Process
 - What does each organization or business unit need to for easy payment interaction?
 - Does each business unit need a cost center code?
 - How to resolve payment issues as they arise?
4. Primary Contacts
 - Who are the day-to-day people to engage at the client?
 - What roles? Sourcing, IT, Accounts Payable
 - Softchoice Account Team (Org Chart)
 - Introductions to correct people on a daily basis
 - Who do you engage at Softchoice? When?

Softchoice Request for Proposal Response

Proposed service due diligence process

Our due diligence plan is to conduct regularly scheduled governance meetings

- Weekly, Bi-Weekly or Monthly
- Ideally, same day and time each month – reoccurring meetings balance of year
- Attendee Recommendation: Client - Sourcing/Procurement, Vendor Mgt., IT Business Owners
- Softchoice – Account Executive, Inside Sales Rep, Specialized Resources

Governance Information

- Softchoice to Drive Content (w/Client Input)
- Track on-boarding of Vendors (# of vendors added) and Spend Reporting
- Customized Reporting will develop by need over time
- Maintenance Renewals (Due Now, 30 Days, 60 Days and 90 Days)
- What is coming? What has been done?
- Co-Terming Opportunity
- Cost Saving Opportunities
- Large Contract Reviews
- Agreements in Flight Review
- Industry/Vendor Information – What is Softchoice seeing in the market?

Professional services project methodology

Softchoice professional services engagements are managed by a Project Manager, skilled engineers and architects oversee the design and implementation.

Project Management plays a critical role in the planning and deployment of technology solutions. Softchoice's project management office (PMO) combines broad expertise and extensive practice experience to successfully deliver client projects.

The Softchoice PMO has developed a unique proprietary customized project management methodology called "OPTICs," which is based on the principles and best practices advocated by the Project Management Institute (PMI), a world leader in the development of the project management profession.

Softchoice project managers and project coordinators are certified professionals with either Project Management Professional (PMP) or Certified Associates in Project Management (CAPM) designations as awarded by PMI.

The process begins with a detailed scope of work provided to Blackberry for review prior to any professional services engagements.

Softchoice Request for Proposal Response

Page 4 of 4

Typical scope of work includes:

- Project Summary
- Project Scope
- Discovery
- Design
- Staging and Configuration
- Implementation
- Testing
- Knowledge Transfer
- Migration
- Post Support
- Project Management
- Project Deliverables
- Exclusions from scope
- Project Assumptions
- Client responsibilities
- Fee Schedule and Expenses
- Cancellation and rescheduling
- Change requests
- Payment Terms
- Approvals

Once the SOW is approved, the team is provided with a detailed project plan and communication plan.

TAB G: Required Statements/Documents

TAB G: Required Statements/Documents – Include statements of assurance regarding the following requirements in the proposal:

- *Non-substitution for the designated members of the team without approval by City staff (Section 5.0)*

Response:

Softchoice will immediately notify the City of Roseville of any team member staffing changes. Softchoice will work with the City of Roseville to ensure client satisfaction with any team member substitution.

Since the scope of services associated with this RFP is for a Microsoft EA agreement, the City of Roseville primary point of contact at Softchoice is your dedicated Account Manager. If for any reason the account manager is changed, Softchoice can let the City know and ensure we assign someone new that meets your satisfaction.

- *The absence of a conflict of interest (Section 10.4)*

Response:

Softchoice does not have a conflict of interest in bidding to the City of Roseville Microsoft Enterprise Agreement request for proposal.

- *Indicate your ability and agreement to fulfill the indemnification and insurance requirements contained in the sample contract (Section 10.7). (Please note that actual certificates of insurance are not required as part of your submittal.)*

Response:

Addressed in the exception section.

- *A statement that nothing contained in the submitted proposal will be proprietary. (Section 10.21)*

Response:

Confirmed. Nothing contained in our proposal is proprietary.

PROPOSER'S CERTIFICATION

I hereby propose to furnish the goods or services specified in the Request for Proposals ("RFP"). I agree that my proposal will remain firm for a period of up to ninety (90) days in order to allow the City of Roseville ("City") adequate time to evaluate the qualifications submitted.

I have carefully examined the Request for Proposals and any other documents accompanying or made a part of this RFP. The information contained in this proposal is true and correct to the best of my knowledge and is signed under penalty of perjury under the laws of the State of California. I further certify that I am duly authorized to submit this proposal on behalf of the firm as its authorized agent and that the firm is ready, willing and able to perform if awarded the contract.

I further certify that this proposal is made without prior understanding, agreement, connection, discussion, or conspiracy with any other person, firm or corporation submitting a proposal for the same product or service; that this proposal is fair and made without outside control, collusion, fraud or illegal action; that no officer, employee or agent of the City or any other proposer is financially interested in said proposal; that no undue influence or pressure was used against or in concert with any officer, employee or agent of the City in connection with the award or terms of the contract that will be executed as a result of this RFP; and that the undersigned executed this Proposer's Certification with full knowledge and understanding of the matters therein contained and was duly authorized to do so.

Page 2 of 3

TAB H: Exceptions

Describe any and all proposed exceptions, alterations or amendments to the Scope of Services or other requirements of this RFP, including the Sample Contract (Attachment B). The nature and scope of your proposed exceptions may negatively affect the evaluation of your submittal and the City's determination of whether it is possible to successfully negotiate a contract with your firm.

Response:

Softchoice Exceptions to Attachment B - Sample Contract

Softchoice provides information technology professional services ("**Services**") and resells hardware and software products and related services from third party vendors (collectively, "**Products**", which include maintenance, support and warranty services). Our response to your request is provided with the expectation that the final terms and conditions applicable to the provision of Services and/or resale of Products will be negotiated by the parties in good faith upon your acceptance of our proposal. Our understanding is that the scope of this RFP is limited to the provision of the Microsoft Enterprise Agreement (which would be considered a "Product") and therefore we are not addressing terms in this Agreement related to Services as those would not apply.

- i. Softchoice agrees with the Indemnification clause in section 3, provided that it is understood that Products are subject to end user license agreements, subscription agreements, or such other terms of use required by third party vendors (Microsoft, in the case of this RFP) (the "Vendor"). Vendors often provide warranties or indemnities directly to the end customer under these agreements or terms of use (the "Terms of Use"). As a reseller, Softchoice does not directly provide any warranties or indemnities for Products.
- ii. Softchoice can comply with the RFP's insurance requirements in section 4 of the sample contract, except Softchoice does not maintain auto liability insurance, as we do not have any owned/hired autos, however our general liability insurance covers non-owned and hired autos.
- iii. In addition to the terms contained in the Sample Contract, Softchoice would require a limitation of liability to be included. Our liability will be limited to the dollar amount paid for the Product in the twelve months preceding the claim. Neither party would be liable for any indirect, special, or consequential damages, lost or corrupted data, or for any lost earnings or profits.
- iv. The Copyright, Ownership and Use of Materials section would not be applicable to this type of engagement, however any intellectual property rights in the Products would be subject to the Terms of Use of the Vendor. For any Materials created by Softchoice (which are out of scope for this RFP), Softchoice would provide the Client with ownership in such Materials, subject to our rights to retain our pre-existing and

Softchoice Request for Proposal Response

TAB I: Competency of Proposers

The City wants to ensure that the successful Consultants has the necessary facilities, ability, experience, and financial resources to provide the services specified herein in a satisfactory and timely manner. Please list and explain any pending bankruptcies, liens, stop payment notices, judgments, lawsuits, arbitrations, mediations, foreclosures, and any similar actions filed or resolved in the past seven (7) years.

Response:

Softchoice does not have any pending bankruptcies, liens, stop payment notices, judgements, or any similar actions currently or in the past seven years, excluding HR matters.

Since 2013, Softchoice is a private owned company with approximately \$1 billion dollars of annual sales. Softchoice is fully owned by Birch Hill Equity Partners. With over \$3 billion in capital under management, 20 partner companies and 36 fully realized investments since 1994, Birch Hill is the leader in long-term value creation in the Canadian mid-market. As a group, Birch Hill's partner companies represent one of Canada's largest corporate entities with over \$6 billion in total revenue and more than 34,000 employees.

Please indicate whether a client has ever terminated a contract with your firm for breach, and if so, please explain.

Response:

Not applicable. Softchoice has not had a contract terminated for breach of service.

Include a schedule of hourly rates for all proposed staff and the amount of time each person will be devoted to this project.

Response:

The scope of this project does not include professional services so there is no schedule of hourly rates to include currently. Should the City of Roseville ever wish to engage Softchoice in a professional services engagement, we will work with the City of Roseville to develop a proposal which fits the desired scope of work.

Define any reimbursable expenses requested to be paid by the City.

Response:

None to define at time of request for proposal submission.

Amendment to Contract Documents

Enrollment Number

5-0000005868706

This amendment ("Amendment") is entered into between the parties identified on the attached program signature form. It amends the Enrollment or Agreement identified above. All terms used but not defined in this Amendment will have the same meanings provided in that Enrollment or Agreement.

Enterprise Enrollment (Indirect) Invoice for Quoted Price Amendment ID M97

The price quoted to Enrolled Affiliate's Reseller is a fixed price based on an estimated order submission date. Microsoft will invoice Enrolled Affiliate's Reseller based on this fixed price quote. If this order is submitted later than the estimated order submission date, Enrolled Affiliate's Reseller will be charged for net new Monthly Subscriptions (including Online Services) for the period during which these services were not provided. Pricing to Enrolled Affiliate is agreed between Enrolled Affiliate and Enrolled Affiliate's Reseller.

Alternative Acceptance Form (Microsoft Only)

Due to the extraordinary impact of the coronavirus (COVID-19), Microsoft has implemented steps to protect personnel and the communities in which they live and work, including conducting business from remote locations and/or using different processes. As a result, Microsoft is utilizing this Alternative Acceptance Form in place of signing a Program Signature Form.

Microsoft's authorized representative is accepting the contract documents shown on the Program Signature Form bearing the Proposal ID shown below ("Contract Documents") by typing their name and entering the date of acceptance on this Alternative Acceptance Form. The Agreement Effective Date shown below is the Agreement Effective Date shown on the Program Signature Form.

For the purposes of this Alternative Acceptance Form, "Customer" means the Customer entity identified on the Program Signature Form bearing the same Proposal ID that appears on this form, and "Microsoft" means the Microsoft entity or entities identified below on this form.

MBA/MBSA number:	
Agreement number:	8084445
Enrollment number:	
Proposal ID:	0993198.005 PSF
Opportunity ID (if applicable):	5-0000005868706
Agreement Effective Date:	
Customer Name:	City of Roseville

To indicate Microsoft's agreement, Microsoft's duly authorized representative will complete this form by entering their name and the date of Microsoft's acceptance below. Upon completion of this form, Microsoft agrees that it (1) has received, read and understands this Alternative Acceptance Form, the Program Signature Form, and all Contract Documents, including any websites or documents incorporated by reference and any amendments, and (2) agrees to be bound by the terms of all such documents, as of the Agreement Effective Date. This Alternative Acceptance Form, when completed, will be incorporated into the Agreement noted above.

Acceptance by Microsoft	
Enter applicable Microsoft Affiliate: Microsoft Corporation	
Name of Microsoft authorized representative:	Shirley Snyder Customer Care Specialist
Acceptance date:	September 09, 2020
<i>The above person is duly authorized on behalf of Microsoft to accept these Contract Documents. Microsoft will not challenge the enforceability or validity of the agreement formed by this alternative process or any of the Contract Documents based on its acceptance using this Alternative Acceptance Form.</i>	

Optional Confirmation of Acceptance on Customer Request

Once Microsoft returns to its normal business processes, if Customer requests a Microsoft signature, an authorized representative of Microsoft will sign and deliver a copy of this Alternative Acceptance Form below to confirm the effectiveness of the agreement as of the Agreement Effective Date shown above.

Optional Microsoft Confirmation of Acceptance	
Enter applicable Microsoft Affiliate: <choose one>	
By signature of its duly authorized representative below, Microsoft hereby acknowledges, ratifies and confirms that the agreement referenced on this Alternative Acceptance Form was duly accepted, and is effective as of the Agreement Effective Date shown above.	
Signature:	
Printed First and Last Name:	print your complete name
Printed Title:	print your title
Signature Date:	enter the date you signed this form

Enterprise Agreement State and Local

Not for Use with Microsoft Business Agreement or Microsoft Business and Services Agreement

This Microsoft Enterprise Agreement (“Agreement”) is entered into between the entities identified on the signature form.

Effective date. The effective date of this Agreement is the earliest effective date of any Enrollment entered into under this Agreement or the date Microsoft accepts this Agreement, whichever is earlier.

This Agreement consists of (1) these Agreement terms and conditions, including any amendments and the signature form and all attachments identified therein, (2) the Product Terms applicable to Products licensed under this Agreement, (3) the Online Services Terms, (4) any Affiliate Enrollment entered into under this Agreement, and (5) any order submitted under this Agreement.

Please note: Documents referenced in this Agreement but not attached to the signature form may be found at <http://www.microsoft.com/licensing/contracts> and are incorporated in this Agreement by reference, including the Product Terms and Use Rights. These documents may contain additional terms and conditions for Products licensed under this Agreement and may be changed from time to time. Customer should review such documents carefully, both at the time of signing and periodically thereafter, and fully understand all terms and conditions applicable to Products licensed.

Terms and Conditions

1. Definitions.

“Affiliate” means

- a. with regard to Customer,
 - (i) any government agency, department, office, instrumentality, division, unit or other entity of the state or local government that is supervised by or is part of Customer, or which supervises Customer or of which Customer is a part, or which is under common supervision with Customer;
 - (ii) any county, borough, commonwealth, city, municipality, town, township, special purpose district, or other similar type of governmental instrumentality established by the laws of Customer’s state and located within Customer’s state jurisdiction and geographic boundaries; and
 - (iii) any other entity in Customer’s state expressly authorized by the laws of Customer’s state to purchase under state contracts; provided that a state and its Affiliates shall not, for purposes of this definition, be considered to be Affiliates of the federal government and its Affiliates; and
- b. with regard to Microsoft, any legal entity that Microsoft owns, that owns Microsoft, or that is under common ownership with Microsoft.

“Customer” means the legal entity that has entered into this Agreement with Microsoft.

“Customer Data” means all data, including all text, sound, software, image, or video files that are provided to Microsoft by, or on behalf of, an Enrolled Affiliate and its Affiliates through use of Online Services.

“day” means a calendar day, except for references that specify “business day”.

“Enrolled Affiliate” means an entity, either Customer or any one of Customer’s Affiliates that has entered into an Enrollment under this Agreement.

“Enrollment” means the document that an Enrolled Affiliate submits under this Agreement to place orders for Products.

“Enterprise” means an Enrolled Affiliate and the Affiliates for which it is responsible and chooses on its Enrollment to include in its enterprise.

“Fixes” means Product fixes, modifications or enhancements, or their derivatives, that Microsoft either releases generally (such as Product service packs) or provides to Customer to address a specific issue.

“License” means the right to download, install, access and use a Product. For certain Products, a License may be available on a fixed term or subscription basis (“Subscription License”). Licenses for Online Services will be considered Subscription Licenses.

“Microsoft” means the Microsoft Affiliate that has entered into this Agreement or an Enrollment and its Affiliates, as appropriate.

“Online Services” means the Microsoft-hosted services identified as Online Services in the Product Terms.

“Online Services Terms” means the additional terms that apply to Customer’s use of Online Services published on the Volume Licensing Site and updated from time to time.

“Product” means all products identified in the Product Terms, such as all Software, Online Services and other web-based services, including pre-release or beta versions.

“Product Terms” means the document that provides information about Microsoft Products and Professional Services available through volume licensing. The Product Terms document is published on the Volume Licensing Site and is updated from time to time.

“SLA” means Service Level Agreement, which specifies the minimum service level for Online Services and is published on the Volume Licensing Site.

“Software” means licensed copies of Microsoft software identified on the Product Terms. Software does not include Online Services, but Software may be part of an Online Service.

“Software Assurance” is an offering by Microsoft that provides new version rights and other benefits for Products as further described in the Product Terms.

“Trade Secret” means information that is not generally known or readily ascertainable to the public, has economic value as a result, and has been subject to reasonable steps under the circumstances to maintain its secrecy.

“use” or “run” means to copy, install, use, access, display, run or otherwise interact.

“Use Rights” means, with respect to any licensing program, the use rights or terms of service for each Product and version published for that licensing program at the Volume Licensing Site and updated from time to time. The Use Rights include the Product-Specific License Terms, the License Model terms, the Universal License Terms, the Data Protection Terms, and the Other Legal Terms. The Use Rights supersede the terms of any end user license agreement (on-screen or otherwise) that accompanies a Product.

“Volume Licensing Site” means <http://www.microsoft.com/licensing/contracts> or a successor site.

2. *How the Enterprise program works.*

- a. General.** The Enterprise program consists of the terms and conditions on which an Enrolled Affiliate may acquire Product Licenses. Under the Enterprise program, Customer and its Affiliates may order Licenses for Products by entering into Enrollments.
- b. Enrollments.** The Enterprise program gives Customer and/or its Affiliates the ability to enter into one or more Enrollments to order Products. Subscription Enrollments may be available for some of these Enrollments. Notwithstanding any other provision of this Agreement, only Enrolled Affiliates identified in an Enrollment will be responsible for complying with the terms

of that Enrollment, including the terms of this Agreement incorporated by reference in that Enrollment.

- c. **Licenses.** The types of Licenses available are (1) Licenses obtained under Software Assurance (L&SA), and (2) Subscription Licenses. These License types, as well as additional License Types, are further described in the Product List.

3. ***Licenses for Products.***

- a. **License Grant.** Microsoft grants the Enterprise a non-exclusive, worldwide and limited right to download, install and use software Products, and to access and use the Online Services, each in the quantity ordered under an Enrollment. The rights granted are subject to the terms of this Agreement, the Use Rights and the Product Terms. Microsoft reserves all rights not expressly granted in this Agreement.
- b. **Duration of Licenses.** Subscription Licenses and most Software Assurance rights are temporary and expire when the applicable Enrollment is terminated or expires, unless the Enrolled Affiliate exercises a buy-out option, which is available for some Subscription Licenses. Except as otherwise noted in the applicable Enrollment or Use Rights, all other Licenses become perpetual only when all payments for that License have been made and the initial Enrollment term has expired.
- c. **Applicable Use Rights.** The latest Use Rights as updated from time to time, apply to the use of all Products, subject to the following exceptions.
 - (i) **For products with metered usage-based pricing (e.g. metered Microsoft Azure Services)** Material adverse changes published after the start of a calendar month will apply beginning the following month.
 - (ii) **For Versioned Software.** Material adverse changes published after the date a Product is first licensed will not apply to any licenses for that Product acquired during the applicable Enrollment term unless the changes are published with the release of a new version and Customer chooses to update to that version. Renewal of Software Assurance does not change which Use Rights apply to perpetual Licenses acquired during a previous term or Enrollment
 - (iii) **For all other Products (e.g. Office 365 services).** Material adverse changes published after the start of the subscription term will not apply to any licenses for that Product acquired during the applicable Enrollment term.
 - (iv) **For use rights granted through Software Assurance.** Material adverse changes published after the date a Product is first licensed will not apply to any licenses for that Product during the applicable enrollment term unless the changes are published with the release of a new version and Customer chooses to update to that version.
- d. **Downgrade rights.** Enrolled Affiliate may use an earlier version of a Product other than Online Services than the version that is current on the effective date of the Enrollment. For Licenses acquired in the current Enrollment term, the Use Rights for the current version apply to the use of the earlier version. If the earlier Product version includes features that are not in the new version, then the Use Rights applicable to the earlier version apply with respect to those features.
- e. **New Version Rights under Software Assurance.** Enrolled Affiliate must order and maintain continuous Software Assurance coverage for each License ordered. With Software Assurance coverage, Enterprise automatically has the right to use a new version of a licensed Product as soon as it is released, even if Enrolled Affiliate chooses not to use the new version immediately.
 - (i) Except as otherwise permitted under an Enrollment, use of the new version will be subject to the new version's Use Rights.

- (ii) If the License for the earlier version of the Product is perpetual at the time the new version is released, the License for the new version will also be perpetual. Perpetual Licenses obtained through Software Assurance replace any perpetual Licenses for the earlier version.
- f. **License confirmation.** This Agreement, the applicable Enrollment, Enrolled Affiliate's order confirmation, and any documentation evidencing transfers of perpetual Licenses, together with proof of payment, will be Enrolled Affiliate's evidence of all Licenses obtained under an Enrollment.
- g. **Reorganizations, consolidations and privatizations.** If the number of Licenses covered by an Enrollment changes by more than ten percent as a result of (1) a reorganization, consolidation or privatization of an entity or an operating division, (2) a privatization of an Affiliate or an operating division of Enrolled Affiliate or any of its Affiliates, or (3) a consolidation including a merger with a third party that has an existing agreement or Enrollment, Microsoft will work with Enrolled Affiliate in good faith to determine how to accommodate its changed circumstances in the context of this Agreement.

4. *Making copies of Products and re-imaging rights.*

- a. **General.** Enrolled Affiliate may make as many copies of Products, as it needs to distribute them within the Enterprise. Copies must be true and complete (including copyright and trademark notices) from master copies obtained from a Microsoft approved fulfillment source. Enrolled Affiliate may use a third party to make these copies, but Enrolled Affiliate agrees it will be responsible for any third party's actions. Enrolled Affiliate agrees to make reasonable efforts to notify its employees, agents, and any other individuals who use the Products that the Products are licensed from Microsoft and subject to the terms of this Agreement.
- b. **Copies for training/evaluation and back-up.** For all Products other than Online Services, Enrolled Affiliate may: (1) use up to 20 complimentary copies of any licensed Product in a dedicated training facility on its premises for purposes of training on that particular Product, (2) use up to 10 complimentary copies of any Products for a 60-day evaluation period, and (3) use one complimentary copy of any licensed Product for back-up or archival purposes for each of its distinct geographic locations. Trials for Online Services may be available if specified in the Use Rights.
- c. **Right to re-image.** In certain cases, re-imaging is permitted using the Product media. If the Microsoft Product is licensed (1) from an original equipment manufacturer (OEM), (2) as a full packaged Product through a retail source, or (3) under another Microsoft program, then media provided under this Agreement may generally be used to create images for use in place of copies provided through that separate source. This right is conditional upon the following:
 - (i) Separate Licenses must be acquired from the separate source for each Product that is re-imaged.
 - (ii) The Product, language, version, and components of the copies made must be identical to the Product, language, version, and all components of the copies they replace, and the number of copies or instances of the re-imaged Product permitted remains the same.
 - (iii) Except for copies of an operating system and copies of Products licensed under another Microsoft program, the Product type (e.g., Upgrade or full License) re-imaged must be identical to the Product type licensed from the separate source.
 - (iv) Enrolled Affiliate must adhere to any Product-specific processes or requirements for re-imaging identified in the Product Terms.

Re-imaged Products remain subject to the terms and use rights of the License acquired from the separate source. This subsection does not create or extend any Microsoft warranty or support obligation.

5. ***Transferring and reassigning Licenses.***

- a. **License transfers.** License transfers are not permitted, except that Customer or an Enrolled Affiliate may transfer only fully paid perpetual Licenses to:

- (i) an Affiliate, or
- (ii) a third party solely in connection with the transfer of hardware or employees to whom the Licenses have been assigned as part of (1) a privatization of an Affiliate or agency or of an operating division of Enrolled Affiliate or an Affiliate, (2) a reorganization, or (3) a consolidation.

Upon such transfer, Customer or Enrolled Affiliate must uninstall and discontinue using the licensed Product and render any copies unusable.

- b. **Notification of License Transfer.** Enrolled Affiliate must notify Microsoft of a License transfer by completing a license transfer form, which can be obtained from <http://www.microsoft.com/licensing/contracts> and sending the completed form to Microsoft before the License transfer. No License transfer will be valid unless Enrolled Affiliate provides to the transferee, and the transferee accepts in writing, documents sufficient to enable the transferee to ascertain the scope, purpose and limitations of the rights granted by Microsoft under the licenses being transferred (including the applicable Use Rights, use and transfer restrictions, warranties and limitations of liability). Any License transfer not made in compliance with this section will be void.

- c. **Internal Assignment of Licenses and Software Assurance.** Licenses and Software Assurance must be assigned to a single user or device within the Enterprise. Licenses and Software Assurance may be reassigned within the Enterprise as described in the Use Rights.

6. ***Term and termination.***

- a. **Term.** The term of this Agreement will remain in effect unless terminated by either party as described below. Each Enrollment will have the term provided in that Enrollment.

- b. **Termination without cause.** Either party may terminate this Agreement, without cause, upon 60 days' written notice. In the event of termination, new Enrollments will not be accepted, but any existing Enrollment will continue for the term of such Enrollment and will continue to be governed by this Agreement.

- c. **Mid-term termination for non-appropriation of Funds.** Enrolled Affiliate may terminate this Agreement or an Enrollment without liability, penalty or further obligation to make payments if funds to make payments under the Agreement or Enrollment are not appropriated or allocated by the Enrolled Affiliate for such purpose.

- d. **Termination for cause.** Without limiting any other remedies it may have, either party may terminate an Enrollment if the other party materially breaches its obligations under this Agreement, including any obligation to submit orders or pay invoices. Except where the breach is by its nature not curable within 30 days, the terminating party must give the other party 30 days' notice of its intent to terminate and an opportunity to cure the breach.

If Microsoft gives such notice to an Enrolled Affiliate, Microsoft also will give Customer a copy of that notice and Customer agrees to help resolve the breach. If the breach affects other Enrollments and cannot be resolved between Microsoft and Enrolled Affiliate, together with Customer's help, within a reasonable period of time, Microsoft may terminate this Agreement and all Enrollments under it. If an Enrolled Affiliate ceases to be Customer's Affiliate, it must promptly notify Microsoft, and Microsoft may terminate the former Affiliate's Enrollment. If an Enrolled Affiliate terminates its Enrollment as a result of a breach by Microsoft, or if Microsoft terminates an Enrollment because Enrolled Affiliate ceases to be Customer's Affiliate, then Enrolled Affiliate will have the early termination rights described in the Enrollment.

- e. Early termination.** If (1) an Enrolled Affiliate terminates its Enrollment as a result of a breach by Microsoft, or (2) if Microsoft terminates an Enrollment because the Enrolled Affiliate has ceased to be an Affiliate of Customer, or (3) Enrolled Affiliate terminates an Enrollment for non-appropriation of funds, or (4) Microsoft terminates an Enrollment for non-payment due to non-appropriation of funds, then the Enrolled Affiliate will have the following options:
- (i) It may immediately pay the total remaining amount due, including all installments, in which case, the Enrolled Affiliate will have perpetual rights for all Licenses it has ordered; or
 - (ii) It may pay only amounts due as of the termination date, in which case the Enrolled Affiliate will have perpetual Licenses for:
 - 1) all copies of Products (including the latest version of Products ordered under SA coverage in the current term) for which payment has been made in full, and
 - 2) the number of copies of Products it has ordered (including the latest version of Products ordered under Software Assurance coverage in current term) that is proportional to the total of installment payments paid versus total amounts due (paid and payable) if the early termination had not occurred.
 - (iii) In the case of early termination under subscription Enrollments, Enrolled Affiliate will have the following options:
 - 1) For eligible Products, Enrolled Affiliate may obtain perpetual Licenses as described in the section of the Enrollment titled "Buy-out option," provided that Microsoft receives the buy-out order for those Licenses within 60 days after Enrolled Affiliate provides notice of termination.
 - 2) In the event of a breach by Microsoft, if Customer chooses not to exercise a buy-out option, Microsoft will issue Enrolled Affiliate a credit for any amount paid in advance for Subscription Licenses that the Enterprise will not be able to use to do the termination of the Enrollment.
- Nothing in this section shall affect perpetual License rights acquired either in a separate agreement or in a prior term of the terminated Enrollment.
- f. Effect of termination or expiration.** When an Enrollment expires or is terminated,
- (i) Enrolled Affiliate must order Licenses for all copies of Products it has run for which it has not previously submitted an order. Any and all unpaid payments for any order of any kind remain due and payable. Except as provided in the subsection titled "Early termination," all unpaid payments for Licenses immediately become due and payable.
 - (ii) Enrolled Affiliate's right to Software Assurance benefits under this Agreement ends if it does not renew Software Assurance.
- g. Modification or termination of an Online Service for regulatory reasons.** Microsoft may modify or terminate an Online Service where there is any current or future government requirement or obligation that: (1) subjects Microsoft to any regulation or requirement not generally applicable to businesses operating in the jurisdiction; (2) presents a hardship for Microsoft to continue operating the Online Service without modification; and/or (3) causes Microsoft to believe these terms or the Online Service may conflict with any such requirement or obligation.
- h. Program updates.** Microsoft may make changes to this program that will make it necessary for Customer and its Enrolled Affiliates to enter into new agreements and Enrollments at the time of an Enrollment renewal.

7. Use, ownership, rights, and restrictions.

- a. Products.** Unless otherwise specified in a supplemental agreement, use of any Product is governed by the Use Rights specific to each Product and version and by the terms of the applicable supplemental agreement.
- b. Fixes.** Each Fix is licensed under the same terms as the Product to which it applies. If a Fix is not provided for a specific Product, any use rights Microsoft provides with the Fix will apply.
- c. Non-Microsoft software and technology.** Enrolled Affiliate is solely responsible for any non-Microsoft software or technology that it installs or uses with the Products or Fixes.
- d. Restrictions.** Enrolled Affiliate must not (and is not licensed to) (1) reverse engineer, decompile, or disassemble any Product or Fix; (2) install or use non-Microsoft software or technology in any way that would subject Microsoft's intellectual property or technology to any other license terms; or (3) work around any technical limitations in a Product or Fix or restrictions in Product documentation. Customer must not (and is not licensed to) (1) separate and run parts of a Product or Fix on more than one device, upgrade or downgrade parts of a Product or Fix at different times, or transfer parts of a Product or Fix separately; or (2) distribute, sublicense, rent, lease, lend any Products or Fixes, in whole or in part, or use them to offer hosting services to a third party.
- e. Reservation of rights.** Products and Fixes are protected by copyright and other intellectual property rights laws and international treaties. Microsoft reserves all rights not expressly granted in this agreement. No rights will be granted or implied by waiver or estoppel. Rights to access or use Software on a device do not give Customer any right to implement Microsoft patents or other Microsoft intellectual property in the device itself or in any other software or devices.

8. Confidentiality.

"Confidential Information" is non-public information that is designated "confidential" or that a reasonable person should understand is confidential, including Customer Data. Confidential Information does not include information that (1) becomes publicly available without a breach of this agreement, (2) the receiving party received lawfully from another source without a confidentiality obligation, (3) is independently developed, or (4) is a comment or suggestion volunteered about the other party's business, products or services.

Each party will take reasonable steps to protect the other's Confidential Information and will use the other party's Confidential Information only for purposes of the parties' business relationship. Neither party will disclose that Confidential Information to third parties, except to its employees, Affiliates, contractors, advisors and consultants ("Representatives") and then only on a need-to-know basis under nondisclosure obligations at least as protective as this agreement. Each party remains responsible for the use of the Confidential Information by its Representatives and, in the event of discovery of any unauthorized use or disclosure, must promptly notify the other party.

A party may disclose the other's Confidential Information if required by law; but only after it notifies the other party (if legally permissible) to enable the other party to seek a protective order.

Neither party is required to restrict work assignments of its Representatives who have had access to Confidential Information. Each party agrees that the use of information retained in Representatives' unaided memories in the development or deployment of the parties' respective products or services does not create liability under this Agreement or trade secret law, and each party agrees to limit what it discloses to the other accordingly.

These obligations apply (1) for Customer Data until it is deleted from the Online Services, and (2) for all other Confidential Information, for a period of five years after a party receives the Confidential Information.

9. Privacy and compliance with laws.

- a. Enrolled Affiliate consents to the processing of personal information by Microsoft and its agents to facilitate the subject matter of this Agreement. Enrolled Affiliate will obtain all required consents from third parties under applicable privacy and data protection law before providing personal information to Microsoft.
- b. Personal information collected under this agreement (1) may be transferred, stored and processed in the United States or any other country in which Microsoft or its service providers maintain facilities and (2) will be subject to the privacy terms specified in the Use Rights. Microsoft will abide by the requirements of European Economic Area and Swiss data protection law regarding the collection, use, transfer, retention, and other processing of personal data from the European Economic Area and Switzerland.
- c. **U.S. export.** Products and Fixes are subject to U.S. export jurisdiction. Enrolled Affiliate must comply with all applicable international and national laws, including the U.S. Export Administration Regulations and International Traffic in Arms Regulations, and end-user, end use and destination restrictions issued by U.S. and other governments related to Microsoft products, services and technologies.

10. Warranties.

a. Limited warranties and remedies.

- (i) **Software.** Microsoft warrants that each version of the Software will perform substantially as described in the applicable Product documentation for one year from the date the Enterprise is first licensed for that version. If it does not and the Enterprise notifies Microsoft within the warranty term, then Microsoft will, at its option (1) return the price Enrolled Affiliate paid for the Software license, or (2) repair or replace the Software.
- (ii) **Online Services.** Microsoft warrants that each Online Service will perform in accordance with the applicable SLA during the Enterprise's use. The Enterprise's remedies for breach of this warranty are in the SLA.

The remedies above are the Enterprise's sole remedies for breach of the warranties in this section. Customer waives any breach of warranty claims not made during the warranty period.

- b. **Exclusions.** The warranties in this agreement do not apply to problems caused by accident, abuse, or use in a manner inconsistent with this Agreement, including failure to meet minimum system requirements. These warranties do not apply to free, trial, pre-release, or beta products, or to components of Products that Enrolled Affiliate is permitted to redistribute.
- c. **Disclaimer.** Except for the limited warranties above, Microsoft provides no other warranties or conditions and disclaims any other express, implied, or statutory warranties, including warranties of quality, title, non-infringement, merchantability, and fitness for a particular purpose.

11. Defense of third party claims.

The parties will defend each other against the third-party claims described in this section and will pay the amount of any resulting adverse final judgment or approved settlement, but only if the defending party is promptly notified in writing of the claim and has the right to control the defense and any settlement of it. The party being defended must provide the defending party with all requested assistance, information, authority, and must take all reasonable action to mitigate its losses arising from the third-party claim. The defending party will reimburse the other party for reasonable out-of-pocket expenses it incurs in providing assistance. This section describes the parties' sole remedies and entire liability for such claims.

- a. **By Microsoft.** Microsoft will defend Enrolled Affiliate against any third-party claim to the extent it alleges that a Product or Fix made available by Microsoft for a fee and used within the scope

of the license granted (unmodified from the form provided by Microsoft and not combined with anything else) misappropriates a trade secret or directly infringes a patent, copyright, trademark or other proprietary right of a third party. If Microsoft is unable to resolve a claim of infringement under commercially reasonable terms, it may, at its option, either (1) modify or replace the Product or Fix with a functional equivalent; or (2) terminate Enrolled Affiliate's license and refund any prepaid license fees (less depreciation on a five-year, straight-line basis) for perpetual licenses and any amount paid for Online Services for any usage period after the termination date. Microsoft will not be liable for any claims or damages due to Enrolled Affiliate's continued use of a Product or Fix after being notified to stop due to a third-party claim.

- b. **By Enrolled Affiliate.** To the extent permitted by applicable law, Enrolled Affiliate will defend Microsoft against any third-party claim to the extent it alleges that: (1) any Customer Data or non-Microsoft software hosted in an Online Service by Microsoft on Enrolled Affiliate's behalf misappropriates a trade secret or directly infringes a patent, copyright, trademark, or other proprietary right of a third party; or (2) Enrolled Affiliate's use of any Product or Fix, alone or in combination with anything else, violates the law or damages a third party.

12. Limitation of liability.

For each Product, each party's maximum, aggregate liability to the other under this Agreement is limited to direct damages finally awarded in an amount not to exceed the amounts Enrolled Affiliate paid for the applicable Products during the term of this Agreement, subject to the following:

- a. **Online Services.** For Online Services, Microsoft's maximum liability to Enrolled Affiliate for any incident giving rise to a claim will not exceed the amount Enrolled Affiliate paid for the Online Service during the 12 months before the incident.
- b. **Free Products and Distributable Code.** For Products provided free of charge and code that Enrolled Affiliate is authorized to redistribute to third parties without separate payment to Microsoft, Microsoft's liability is limited to direct damages finally awarded up to US\$5,000.
- c. **Exclusions.** In no event will either party be liable for indirect, incidental, special, punitive, or consequential damages, or for loss of use, loss of business information, loss of revenue, or interruption of business, however caused or on any theory of liability.
- d. **Exceptions.** No limitation or exclusions will apply to liability arising out of either party's (1) confidentiality obligations (except for all liability related to Customer Data, which will remain subject to the limitations and exclusions above); (2) defense obligations; or (3) violation of the other party's intellectual property rights.

13. Verifying compliance.

- a. **Right to verify compliance.** Enrolled Affiliate must keep records relating to all use and distribution of Products by Enrolled Affiliate and its Affiliates. Microsoft has the right, at its expense, to the extent permitted by applicable law, to verify such compliance with the Product's license terms. Microsoft will engage an independent auditor and Enrolled Affiliate must provide the independent auditor with any information the auditor reasonably requests in furtherance of the verification, including visible access to systems running the Products and evidence of Licenses for Products Enrolled Affiliate hosts, sublicenses, or distributes to third parties. Enrolled Affiliate must provide, without undue delay, the foregoing information and access upon request of the independent auditor.
- b. **Verification process.** Microsoft will notify Enrolled Affiliate at least 30 calendar days in advance of its intent to verify Enrolled Affiliate's compliance with the license terms for the Products Enrolled Affiliate use or distribute. The independent auditor is subject to a confidentiality obligation sufficient to cover the auditor's engagement with Enrolled Affiliate for the verification process. Enrolled Affiliate may, at its discretion, also require a mutually agreeable confidentiality agreement with the independent auditor for access to premises, data

and systems. Such confidentiality agreement between Enrolled Affiliate and auditor must be completed within fourteen (14) days of such request, and shall not restrict the ability for the independent auditor to accurately verify compliance and share the resulting information with Microsoft. Any information collected will be used solely for purposes of determining Enrolled Affiliate's compliance. This verification will take place during normal business hours and the auditor will make best efforts not to interfere with Enrolled Affiliate's operations during the course of the audit.

- c. **Remedies for non-compliance.** If verification reveals any use of Products without applicable license rights, then within 30 days Enrolled Affiliate must order sufficient licenses to cover its use, and, if such use or distribution is determined to be in excess of Enrolled Affiliate's existing licenses by 5% or more of the audited environment(s) in aggregate, then Enrolled Affiliate must reimburse Microsoft for the costs Microsoft incurred in obtaining the verification and acquire the necessary additional licenses. Such licenses will be obtained at 125% of the price, based on the then-current price list. The use percentage is based on the total number of Products used without applicable license rights (as described above) compared to the total Product use. If it is verified that Product use is sufficiently licensed, Microsoft will not require the Enterprise to engage in another verification for at least one year. By exercising the rights and procedures described above, Microsoft does not waive its rights to enforce its rights under these Additional Use Rights and Restrictions or to protect its intellectual property by any other legal or contractual means.

14. *Miscellaneous.*

- a. **Use of contractors.** Microsoft may use contractors to perform services but will be responsible for their performance subject to the terms of this Agreement.
- b. **Microsoft as independent contractor.** The parties are independent contractors. Enrolled Affiliate and Microsoft each may develop products independently without using the other's Confidential Information.
- c. **Notices.** Notices to Microsoft must be sent to the address on the signature form. Notices must be in writing and will be treated as delivered on the date shown on the return receipt or on the courier or fax confirmation of delivery. Microsoft may provide information to Enrolled Affiliate about upcoming ordering deadlines, services, and subscription information in electronic form, including by email to contacts provided by Enrolled Affiliate. Emails will be treated as delivered on the transmission date.
- d. **Agreement not exclusive.** Customer is free to enter into agreements to license, use or promote non-Microsoft products.
- e. **Amendments.** Any amendment to this Agreement must be executed by both parties, except that Microsoft may change the Product Terms and the Use Rights from time to time in accordance with the terms of this Agreement. Any conflicting terms and conditions contained in an Enrolled Affiliate's purchase order will not apply. Microsoft may require Customer to sign a new agreement or an amendment before an Enrolled Affiliate enters into an Enrollment under this agreement.
- f. **Assignment.** Either party may assign this Agreement to an Affiliate but must notify the other party in writing of the assignment. Any other proposed assignment must be approved by the non-assigning party in writing. Assignment will not relieve the assigning party of its obligations under the assigned agreement. Any attempted assignment without required approval will be void.
- g. **Applicable law; dispute resolution.** The terms of this Agreement will be governed by the laws of Customer's state, without giving effect to its conflict of laws. Disputes relating to this Agreement will be subject to applicable dispute resolution laws of Customer's state.

- h. Severability.** If any provision in this agreement is held to be unenforceable, the balance of the agreement will remain in full force and effect.
- i. Waiver.** Failure to enforce any provision of this agreement will not constitute a waiver. Any waiver must be in writing and signed by the waiving party.
- j. No third-party beneficiaries.** This Agreement does not create any third-party beneficiary rights.
- k. Survival.** All provisions survive termination or expiration of this Agreement except those requiring performance only during the term of the Agreement.
- l. Management and Reporting.** Customer and/or Enrolled Affiliate may manage account details (e.g., contacts, orders, Licenses, software downloads) on Microsoft's Volume Licensing Service Center ("VLSC") web site (or successor site) at: <https://www.microsoft.com/licensing/servicecenter>. Upon the effective date of this Agreement and any Enrollments, the contact(s) identified for this purpose will be provided access to this site and may authorize additional users and contacts.
- m. Order of precedence.** In the case of a conflict between any documents in this Agreement that is not expressly resolved in those documents, their terms will control in the following order from highest to lowest priority: (1) this Enterprise Agreement, (2) any Enrollment, (3) the Product Terms, (4) the Online Services Terms, (5) orders submitted under this Agreement, and (6) any other documents in this Agreement. Terms in an amendment control over the amended document and any prior amendments concerning the same subject matter.
- n. Free Products.** It is Microsoft's intent that the terms of this Agreement and the Use Rights be in compliance with all applicable federal law and regulations. Any free Product provided to Enrolled Affiliate is for the sole use and benefit of the Enrolled Affiliate and is not provided for use by or personal benefit of any specific government employee.
- o. Voluntary Product Accessibility Templates.** Microsoft supports the government's obligation to provide accessible technologies to its citizens with disabilities as required by Section 508 of the Rehabilitation Act of 1973, and its state law counterparts. The Voluntary Product Accessibility Templates ("VPATs") for the Microsoft technologies used in providing the Online Services can be found at Microsoft's VPAT page. Further information regarding Microsoft's commitment to accessibility can be found at <http://www.microsoft.com/enable>.
- p. Natural disaster.** In the event of a "natural disaster," Microsoft may provide additional assistance or rights by posting them on <http://www.microsoft.com> at such time.
- q. Copyright violation.** Except as set forth in the section above entitled "Transferring and reassigning Licenses", the Enrolled Affiliate agrees to pay for, and comply with the terms of this Agreement and the Use Rights, for the Products it uses. Except to the extent Enrolled Affiliate is licensed under this Agreement, it will be responsible for its breach of this contract and violation of Microsoft's copyright in the Products, including payment of License fees specified in this Agreement for unlicensed use.

COUNCIL COMMUNICATION

File #: 0704-01 & 0214

Title: Statewide Park Development and Community Revitalization (Prop 68) Grant Program – Approval to Submit Application

Contact: Tara Gee 916-774-5253 tgee@roseville.ca.us

Meeting Date: 10/7/2020

Item #: 7.8.

RECOMMENDATION TO COUNCIL

Recommend City Council adopt a resolution authorizing the City Manager or designee to submit an application under the Statewide Park Development and Community Revitalization (Prop 68) grant program for Saugstad Park.

BACKGROUND

The State Department of Parks and Recreation has been delegated the responsibility by the Legislature of the State of California for the administration of the Statewide Park Development and Community Revitalization (Prop 68) Grant Program, setting up necessary procedures governing application(s). These procedures, established by the State Department of Parks and Recreation, require the grantee's Governing Body to certify by resolution the approval of project application(s) before submission of said applications to the State. The grantee will enter into a contract(s) with the State of California to complete submitted and approved project(s).

The Statewide Park Development and Community Revitalization (Prop 68) Grant Program targets building successful parks in underserved areas. Underserved areas are defined as under-parked (insufficient parkland/1,000 population and based on the General Plan standard or income level). Once the resolution has been approved and submitted to the State Department of Parks & Recreation, staff will work with the State Project Officer to submit an application for projects to revitalize Saugstad Park.

There have been three previous rounds of grant awards statewide. This is the fourth and last round of grants equaling \$395 million across the state. Projects under this grant must be completed by December 2024.

FISCAL IMPACT

The amount of the grant could be as much as \$8 million, however, in the last round of grant awards, the average amount of an award was \$4 million. If awarded, no local match is required.

Upgrades to this park site will require no new General Fund allocations.

ENVIRONMENTAL REVIEW

The California Environmental Quality Act (CEQA) only applies to projects which have the potential to cause a significant effect on the environment. Where it can be seen with certainty that there is no possibility that the activity in question may have a significant effect on the environment, the activity is not subject to CEQA. (CEQA Guidelines §15061(b)(3)).

Respectfully Submitted,

Tara Gee, Park Planning & Development Superintendent

Jill Geller, Parks, Recreation & Libraries Director

Dominick Casey, City Manager

Resolution No. 20-400

RESOLUTION NO. 20-400

RESOLUTION OF THE CITY COUNCIL OF THE CITY OF ROSEVILLE APPROVING
THE APPLICATION FOR STATEWIDE PARK DEVELOPMENT AND COMMUNITY
REVITALIZATION PROGRAM GRANT FUNDS

WHEREAS, the State Department of Parks and Recreation has been delegated the responsibility by the Legislature of the State of California for the administration of the Statewide Park Development and Community Revitalization Grant Program, setting up necessary procedures governing the application; and

WHEREAS, said procedures established by the State Department of Parks and Recreation require the Applicant to certify by resolution the approval of the application before submission of said application to the State; and

WHEREAS, successful Applicants will enter into a contract with the State of California to complete the Grant Scope project;

NOW, THEREFORE, BE IT RESOLVED that the City Council of the City of Roseville hereby:

APPROVES THE FILING OF AN APPLICATION FOR REVITALIZATION OF SAUGSTAD PARK ("PROJECT"); and

1. Certifies that said Applicant has or will have available, prior to commencement of any work on the project included in this application, the sufficient funds to complete the project; and
2. Certifies that if the project is awarded, the Applicant has or will have sufficient funds to operate and maintain the project; and
3. Certifies that the Applicant has reviewed, understands, and agrees to the General Provisions contained in the contract shown in the Grant Administration Guide; and
4. Delegates the authority to the City Manager or designee to conduct all negotiations, sign and submit all documents, including, but not limited to applications, agreements, amendments, and payment requests, which may be necessary for the completion of the Grant Scope; and
5. Agrees to comply with all applicable federal, state and local laws, ordinances, rules, regulations and guidelines.
6. Will consider promoting inclusion per Public Resources Code §80001(b)(8 A-G).

Title: Oak Ridge Drive Bridge Replacement Project - Professional Services Agreement Amendment
Contact: Rjahja Canlas 916-746-1300 rcanlas@roseville.ca.us

Meeting Date: 10/7/2020

Item #: 7.9.

RECOMMENDATION TO COUNCIL

Staff recommends City Council adopt a resolution to approve the second amendment to professional services agreement with Paragon Partners, Ltd., and authorize the City Manager to execute it on behalf of the City of Roseville.

BACKGROUND

On July 5, 2017, Council awarded a contract to Paragon Partners to provide right of way services for the Oak Ridge Drive Bridge Replacement Project. In December of 2018, Council approved the first amendment to the contract and increased the contract total to \$70,098.

The final construction drawings require an additional temporary construction easement from parcel APN 470-070-053 that was not included in the scope of work in the original contract nor the first amendment. This second amendment will authorize Paragon Partners to negotiate that additional easement on behalf of the City. Staff will return to Council for approval of the additional temporary construction easement after negotiations have been completed. In addition, Paragon Partners continues to work to obtain a Partial Deed of Reconveyance from the lender for parcel APN 470-100-042. The amendment will also authorize the additional resources required to complete this task.

FISCAL IMPACT

The current contract amount including the first amendment is \$70,098. The second amendment will increase the contract amount by \$3,600 and will bring the contract total to \$73,698. The Federal Highway Bridge Program (HBP) fund will cover 100% of the cost associated with this amended contract. No General Fund resources will be used for this project.

ENVIRONMENTAL REVIEW

The California Environmental Quality Act (CEQA) does not apply to activities that will not result in a direct or reasonably foreseeable indirect physical change in the environment, or is otherwise not considered a project as defined by CEQA Statute §21065 and CEQA State Guidelines §15060(c)(3) and §15378. Approval of a second amendment to professional services agreement meets the above criteria and is not subject to CEQA. No additional environmental review is required.

**SECOND AMENDMENT TO
PROFESSIONAL SERVICES AGREEMENT**

Oak Ridge Drive Bridge Replacement Project

THIS SECOND AMENDMENT TO AGREEMENT is made and entered into this 9th day of September, 2020, by and between the City of Roseville, a municipal corporation (“CITY”), and Paragon Partners, Ltd., a California corporation (“CONSULTANT”); and

W I T N E S S E T H:

WHEREAS, CITY and CONSULTANT previously entered into a Professional Services Agreement dated July 5, 2017 and amended December 15, 2018 (“Agreement”) regarding Oak Ridge Drive Bridge Replacement Project (“Project”); and

WHEREAS, CITY desires to amend the Agreement to include additional services as described in CONSULTANT’s letter/proposal dated August 25, 2020, which is attached hereto as Exhibit “A” and incorporated herein by reference; and

WHEREAS, CONSULTANT is willing and able to provide such additional services.

NOW, THEREFORE, the parties agree as follows:

1. CONSULTANT shall provide additional services as described in Exhibit “A” of this Second Amendment to Agreement.
2. Paragraph 2 of the Agreement is amended by adding an additional paragraph to read as follows:

“CITY shall pay three thousand, six hundred dollars (\$3,600), in consideration of the additional services as set forth in Exhibit “A” to the Second Amendment to Agreement. This brings the total not to exceed contract amount to seventy-three thousand, six hundred ninety eight dollars (\$73,698).”

3. All other provisions of the Agreement shall remain unchanged and in full force and effect.

IN WITNESS WHEREOF, the City of Roseville, a municipal corporation, has authorized the execution of this Second Amendment to Agreement in duplicate by its City Manager and attested to by its City Clerk under the authority of Resolution No. _____, adopted by the Council of the City of Roseville on the ____ day of _____, 20__, and CONSULTANT has caused this Second Amendment to Agreement to be executed.

Subject: Additional Scope - Oak Ridge Drive Bridge Replacement

Dear Mr. Canlas:

Thank you for the opportunity to provide additional acquisition services for the Oak Ridge Drive Bridge Replacement Project (Project).

Per your request, please see below for the cost proposal to acquire an additional temporary construction easement from Sara Trott (APN 470-070-053) and to continue to work to obtain a Partial Deed of Reconveyance from Lola Bower's (APN 470-100-042) lender.

Paragon is proposing a budget of \$3,600 for the above referenced tasks.

If you have any questions or require additional information, please contact me at (916) 396-6471 (cell) or via e-mail at psamms@paragon-partners.com.

Sincerely,

A handwritten signature in blue ink, appearing to read "Pamela Samms".

COUNCIL COMMUNICATION

CC #: 1021

File #: 0704

Title: Recreation Management Software - Product and Services Agreement

Contact: Rendi Hodge 916-774-5240 rhodge@roseville.ca.us

Meeting Date: 10/7/2020

Item #: 7.10.

RECOMMENDATION TO COUNCIL

Recommend Council adopt a resolution to approve a three (3) year agreement with Active Network, LLC to host, implement and maintain new recreation management software in the Parks, Recreation & Libraries Department and authorize the City Manager to execute it.

BACKGROUND

In 2016, the Parks, Recreation & Libraries Department purchased the PerfectMind Recreation Management Software to assist the Department with processing program registration, facility rentals and point of sale transactions. These transactions include registration for all of the City's recreation programs and facility reservations for parks, picnics, gyms, sport fields and meeting/banquet rooms. The contract with the current vendor will expire in December 2021.

In preparation of the current vendor's contract expiring, staff from the Parks, Recreation & Libraries and Information Technology Departments conducted a request for proposals (RFP) for Recreation Management Software. The City received five (5) submittals. The review team evaluated the proposals based on overall system functionality, implementation plan, training, ongoing maintenance and support, references and cost. The top four (4) vendors were then invited to provide in-depth demonstrations of their systems and participate in interviews. The systems were further evaluated and ranked based on the demonstrations and interviews. Staff then identified the top two (2) vendors for further reference checks.

Staff recommends awarding the contract to Active Network, LLC based on their ability to meet the needs and demands of the Parks, Recreation & Libraries Department. Active Network, LLC has been providing recreation management software for over 20 years. Active Network's product, Active Net, is an advanced cloud-based product which provides all the necessary core functionality and stability required for daily business operations, plus additional features and mobile options. Active Net will provide a solution that addresses all of the Department's functional needs by automating and improving the ability to service customers, while simultaneously improving operational efficiencies and reducing operational costs throughout the Department.

FISCAL IMPACT

The total cost of the agreement is \$350,000 over the first three (3) years, including implementation, interface development and integration, annual maintenance and equipment purchases. First year costs total \$200,000 and are included in the approved FY2020-21 Parks, Recreation & Libraries Capital Projects Fund budget. The funds for each year's annual maintenance and support costs will be recommended in future budgets.

ENVIRONMENTAL REVIEW

The California Environmental Quality Act (CEQA) does not apply to activities that will not result in a direct or reasonably foreseeable indirect physical change in the environment, or is otherwise not considered a project as defined by CEQA Statute §21065 and CEQA State Guidelines §15060(c)(3) and §15378. Approval of an agreement for recreation management software meets the above criteria and is not subject to CEQA. No additional environmental review is required.

Products and Services General Terms

Your relationship with Active and your use of Active's products and services (including your licensing of Active's SaaS and/or Desktop Software, your use of Services, and/or your purchase or leasing of Hardware) are subject to the terms and conditions set forth herein and are between you and Active. Capitalized terms are defined in Section 7 below, unless otherwise defined within the body of this Agreement, the applicable Product Attachment, or Schedule. In order to use the Products, you (referred to herein as "Client") must first agree to this Agreement. You represent and warrant that you have the necessary and full right, power, authority, and capability to accept this Agreement, to bind your organization, and to perform your obligations hereunder. You can accept this Agreement by: (a) clicking to accept or agree to this Agreement, where this option is made available to you by Active in the user interface for any Product; (b) where a link to this Agreement appears in an order form, Schedule, or other document provided to you by Active, by signing such document; (c) by signing this Agreement, if there is a designated area to sign; or (d) by actually using the Products. In the case of (d), you understand and agree that Active will treat your use of the Products as acceptance of this Agreement from that point onwards. You may not use the Products and may not accept this Agreement if (i) you are not of legal age to form a binding contract with Active, or (ii) you are a person barred from receiving the Products under the laws of the United States or other countries, including the country in which you are a resident or from which you use the Products. You may not use the Products if you do not accept this Agreement. By accepting this Agreement, you agree as follows:

1. AGREEMENT STRUCTURE AND SCOPE.

1.1. General Terms and Incorporation of Product Terms. This Agreement establishes the general terms and conditions to which the parties have agreed to in order to facilitate the licensing of Software and the provision of Products. Additional Product-specific terms and conditions are set forth in one or more documents referenced in the applicable Schedule, each of which is incorporated herein (each, a "Product Attachment"). All references to the "General Terms" mean this document, exclusive of Product Attachments and Schedules. Active agrees that all Products will be operational and live as per the implementation plan that will be established after this Agreement is executed.

1.2. Incorporation of Schedules. The parties may enter into new Schedules from time to time. Each Schedule incorporates the terms of these General Terms and the applicable Product Attachment.

1.3. Incorporation of EULAs. Client's use of any Third Party Products hereunder may be subject to, and Client will comply with, this Agreement and any applicable Third Party EULA(s).

1.4. Affiliates. Client's Affiliates may order Products from Active (or one of Active's Affiliates) by entering into a Schedule. In the event that a Client Affiliate enters into a Schedule with Active (or an Affiliate of Active), reference in this Agreement to "Client" and "Active" will mean the respective entity that accepts (as described in the Preamble) the applicable Schedule. Each such Schedule will be deemed to be a separate agreement.

1.5. Incorporation of Service Level Agreement. The parties agree that the terms of the Service Level Agreement to which they have agreed are incorporated by reference in this Agreement as Exhibit A.

2. FINANCIAL TERMS.

2.1. Fees; Payment Terms; Currency. Fees, currency, and payment terms are specified in the applicable Schedule. Unless otherwise specified in the Schedule, all amounts owed by Client that are not directly collected by Active are due from Client within 30 days from either (a) the end of the remittance cycle during which the fees accrued (if related to registrations or transaction processing), or (b) the date of the applicable invoice. Past due fees will accrue interest at the lesser of the annual rate of 10% per annum or the maximum amount permitted by applicable law. In the event of any non-payment or delay in paying a fee, Client agrees to reimburse Active for any fees and expenses incurred in its collection efforts. Payment of fees is under no circumstances subject to or conditioned upon the delivery of future Products or functionality. Except as otherwise provided in a Schedule, Active may modify the fees once per calendar year upon 30 days' notice, provided that any such increase will not exceed 12.5% over the then-current transaction fees or 5% over the then-current subscription fees.

2.2. Taxes. The prices in this Agreement do not include Taxes. Client is responsible for and agrees to pay any and all Taxes. If Client is tax-exempt, Client will send Active a copy of its valid tax-exempt certificate (or, as applicable, its reseller's certificate) prior to execution of any Schedule. Client is solely responsible for determining which, if any, Taxes apply to Client's use of the Products and for collecting, remitting, and reporting the correct amounts of all such Taxes to the applicable governmental authorities, even if Active provides Client with tools that assist Client in doing so. In the event that a governmental authority requires Active to pay any Taxes attributable to Client's use of the Products, Client agrees to defend, indemnify, and hold Active harmless from all such Taxes and all costs and expenses related thereto.

3. LIMITED RIGHTS AND OWNERSHIP; INDEMNIFICATION.

3.1. Reservation of Rights. All rights not expressly granted in this Agreement are reserved by Active and its licensors. Client acknowledges that: (a) all Protected Materials are licensed and not sold; (b) Client acquires only the right to use the Products in accordance with this Agreement, and Active and/or its licensors will retain sole and exclusive ownership of and all rights, title, and interests in the Products, including the following: (i) all Intellectual Property embodied or associated with the Products, (ii) all deliverables and work product associated with the Products, and (iii) all copies and derivative works thereof; and (c) the Products, including the source and object codes, logic, and structure, contain and constitute valuable trade secrets of Active and its licensors.

3.2. Restrictions. Unless otherwise set forth in a EULA, Product Attachment, or Schedule, Client will not itself, or through any Affiliate, employee, consultant, contractor, agent, or other third party: (a) sell, resell, distribute, host, lease, rent, license, or sublicense, in whole or in part, the Protected Materials; (b) decipher, decompile, disassemble, reverse assemble, modify, translate, reverse engineer, or otherwise attempt to derive source code, algorithms, tags, specifications, architecture, structure, or other elements of the Products in whole or in part, for competitive purposes or otherwise; (c) allow access to, provide, divulge, or make available the Protected Materials to any user other than those who are licensed to have such access; (d) write or develop any derivative works based upon the Products; (e) modify, adapt, translate, or otherwise make any changes to the Products or any part thereof; (f) use the Protected Materials to provide processing services to third parties, or otherwise use the same on a service bureau basis; (g) disclose or publish, without Active's prior written consent, (i) performance or capacity statistics, or the results of any benchmark test performed on the Products, or (ii) the terms (but not the existence) of this Agreement or other valuable trade secrets of Active or its licensors; (h) without Active's prior written consent, perform or disclose or cause to be performed or disclosed any information related to any security penetration or similar tests; (i) disclose or otherwise use or copy the Protected Materials except as expressly permitted herein; (j) remove from any Products identification, patent,

copyright, trademark, or other notices or circumvent or disable any security devices' functionality or features; (k) contest or do or aid others in contesting or doing anything which impairs the validity of any proprietary or Intellectual Property rights, title, or interests of Active in and to any Products; (l) use the Products for other than authorized and legal purposes, consistent with all applicable laws, regulations, and the rights of others; (m) take any steps to avoid or defeat the purpose of security measures associated with the Products, such as sharing of login and password information, or attempt to circumvent any use restrictions; or (n) except as expressly permitted by this Agreement, use the Protected Materials for hosting purposes.

3.3. Enforcement. Client will (a) ensure that all users of Products comply with the terms and conditions of this Agreement; (b) promptly notify Active of any actual or suspected violation thereof; and (c) cooperate with Active with respect to any investigation and enforcement of this Agreement.

3.4. Intellectual Property Indemnification. Active agrees to defend, settle, and pay damages (including reasonable attorneys' fees) relating to any third party claim, demand, cause of action, or proceedings (whether threatened, asserted, or filed) ("Claims") against Client to the extent that such Claim is based upon Active's proprietary Products (excluding Third Party Products) directly infringing a United States patent, registered United States copyright, or registered United States trademark, provided that the Products are used in compliance with this Agreement.

4. DISCLAIMERS AND LIMITATION OF LIABILITY.

4.1 EXCEPT AS OTHERWISE SET FORTH HEREIN AND TO THE EXTENT PERMITTED BY APPLICABLE LAW, YOU ACKNOWLEDGE AND AGREE THAT THE PRODUCTS ARE PROVIDED ON AN "AS IS" AND "AS AVAILABLE" BASIS. THE WARRANTIES, IF ANY, SET FORTH HEREIN AND IN THE PRODUCT ATTACHMENTS ARE LIMITED TO THEIR EXPRESS TERMS AND ARE IN LIEU OF, AND ACTIVE, ITS LICENSORS, AND SUPPLIERS EXPRESSLY DISCLAIM TO THE MAXIMUM EXTENT PERMITTED BY LAW, ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, ORAL OR WRITTEN, INCLUDING ANY (a) WARRANTY THAT THE PRODUCTS ARE ERROR-FREE OR "BUG"-FREE, ACCURATE, SECURE, OR RELIABLE; (b) WARRANTY THAT THE PRODUCTS WILL OPERATE WITHOUT INTERRUPTION; (c) WARRANTY THAT ALL ERRORS WILL BE CORRECTED OR THAT THE PRODUCTS WILL COMPLY WITH ANY LAW, RULE, OR REGULATION; (d) IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, TITLE, OR NON-INFRINGEMENT; (e) IMPLIED WARRANTIES ARISING FROM STATUTE, COURSE OF DEALING, COURSE OF PERFORMANCE, OR USAGE OF TRADE; AND (f) WARRANTY THAT THE PRODUCTS WILL MEET CLIENT'S REQUIREMENTS. ACTIVE WILL NOT BE LIABLE FOR INDIRECT DAMAGES OR LOSSES (IN CONTRACT, STATUTE, TORT, OR OTHERWISE), INCLUDING DAMAGES FOR LOST PROFITS, LOST SAVINGS, COST OF REPLACEMENT SERVICES, LOST DATA, LOSS OF USE OF INFORMATION OR SERVICES, OR ANY INCIDENTAL, CONSEQUENTIAL, EXEMPLARY, PUNITIVE, OR SPECIAL DAMAGES, WHETHER OR NOT ACTIVE HAS PREVIOUSLY BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. HOWEVER, SOME JURISDICTIONS DO NOT ALLOW THE EXCLUSION OR LIMITATION OF LIABILITY FOR CONSEQUENTIAL OR INCIDENTAL DAMAGES, SO THE ABOVE LIMITATION ONLY APPLIES WHERE ALLOWED. TO THE EXTENT PERMITTED BY APPLICABLE LAW, ACTIVE'S TOTAL AGGREGATE LIABILITY FOR ALL MATTERS ARISING FROM OR RELATED TO THIS AGREEMENT IS LIMITED TO (I) THE AMOUNT OF FEES ACTUALLY PAID BY CLIENT AS CONSIDERATION FOR THE SPECIFIC PRODUCT UNDER THE APPLICABLE SCHEDULE GIVING RISE TO SUCH CLAIMS DURING THE 12 MONTH PERIOD PRECEDING THE DATE ON WHICH THE FIRST CAUSE OF ACTION AROSE, OR (II) IF NO SUCH PAYMENTS HAVE BEEN MADE OR SUCH AMOUNTS CANNOT BE CALCULATED, 10,000 U.S. DOLLARS (OR THE EQUIVALENT THERETO AS DETERMINED BY THE APPLICABLE COUNTRY'S CURRENCY), AS APPLICABLE.

4.2 INTENTIONALLY LEFT BLANK.

4.3 INTENTIONALLY LEFT BLANK.

4.4 FOR THE PURPOSES OF THIS SECTION 4 AND ANY INDEMNIFICATION PROTECTING ACTIVE UNDER THIS AGREEMENT, REFERENCE TO ACTIVE WILL ALSO INCLUDE ITS SUPPLIERS AND LICENSORS.

5. TERM AND TERMINATION.

5.1. Term. The term of this Agreement will be set forth in the applicable Product Attachment.

5.2. Termination. Either party may terminate this Agreement, including any or all Product Attachments and Schedules executed hereunder, immediately upon written notice: (a) in the event that the other party commits a non-remediable material breach of this Agreement and/or the applicable Product Attachment or Schedule, or if the other party fails to cure any remediable material breach or provide a written plan of cure acceptable to the non-breaching party within 30 days of being notified in writing of such breach, except for breach of Section 2 of these General Terms which will have a 10 day cure period; or (b) in the event of institution of bankruptcy, receivership, insolvency, reorganization, or other similar proceedings by or against either party under any section or chapter of the United States Bankruptcy Code, as amended, or under any similar laws or statutes of the United States or any state thereof, if such proceedings have not been dismissed or discharged within 30 days after they are instituted; or the insolvency or making of an assignment for the benefit of creditors or the admittance by either party of any involuntary debts as they mature or the institution of any reorganization arrangement or other readjustment of debt plan of either party not involving the United States Bankruptcy Code. Where a party has the right to terminate this Agreement, such party may at its discretion either terminate the entire Agreement or the applicable Product Attachment or Schedule; provided however, that termination of a Product Attachment will automatically terminate all Schedules entered into pursuant to such Product Attachment. Product Attachments and Schedules that are not terminated will continue in full force and effect under the terms of these General Terms. Following termination of this Agreement or a Product Attachment (for whatever reason), if requested by Active, Client will certify that it has returned or destroyed all copies of the applicable Protected Materials and acknowledges that its rights to use the same are relinquished. Termination for any reason will not excuse Client's obligation to pay in full any and all amounts due, nor will termination by Active result in a refund of fees paid.

5.3. Early Termination Fee. This Agreement may be terminated by Client without cause upon 30 days' advance written notice and payment of an early termination fee in the amount of \$60,000.

6. INSURANCE

Active agrees to continuously maintain, in full force and effect, the following minimum policies of insurance during the term of this Agreement.

COVERAGE

LIMITS OF LIABILITY

Workers' Compensation	Statutory
Commercial General Liability	\$1,000,000 each occurrence \$2,000,000 aggregate
Personal Injury:	\$1,000,000 each occurrence \$2,000,000 aggregate
Professional Liability (errors and omissions)	\$1,000,000 per claim \$2,000,000 aggregate

a. **Form.** Active shall submit a certificate evidencing such coverage for the period covered by this Agreement in a form satisfactory to Risk Management and the City Attorney, prior to undertaking any work hereunder. Any insurance written on a claims made basis is subject to the approval of Risk Management and the City Attorney.

b. **Additional Insureds.** Active shall also provide a separate endorsement form or section of the policy showing Client, its officers, agents, employees and volunteers as additional insureds for each type of coverage, except for Workers' Compensation and Professional Liability. Such insurance shall specifically cover the contractual liability of Active. The additional insured coverage under the Active's policy shall be primary and noncontributory, as evidenced by a separate endorsement or section of the policy, and shall not seek contribution from Client's insurance or self-insurance. In addition, the additional insured coverage shall be at least as broad as the Insurance Services Office ("ISO") CG 20 01 Endorsement.

c. **Cancellation/Modification.** Active shall provide ten (10) days written notice to Client prior to cancellation or modification of any insurance required by this Agreement.

d. **Umbrella/Excess Insurance.** The limits of insurance required in this Agreement may be satisfied by a combination of primary and excess insurance. Any excess insurance shall contain or be endorsed to contain a provision that such coverage shall also apply on a primary and noncontributory basis for the benefit of Client (if agreed to in a written contract) before Client's own insurance shall be called upon to protect it as a named insured.

e. **Subcontractors.** Active agrees to include in its contracts with all subcontractors the same requirements and provisions of this Agreement, including the indemnity and insurance requirements, to the extent they apply to the scope of the subcontractor's work. Furthermore, Active shall require its subcontractors to agree to be bound to Active and Client in the same manner and to the same extent as Active is bound to Client under this Agreement. Additionally, Active shall obligate its subcontractors to comply with these same provisions with respect to any tertiary subcontractor, regardless of tier. A copy of Client's indemnity and insurance provisions will be furnished to the subcontractor or tertiary subcontractor upon request.

f. **Self-Insured Retentions.** All self-insured retentions ("SIR") must be disclosed to Risk Management. Policies containing any SIR provision shall provide or be endorsed to provide that the SIR may be satisfied by either the named insured or Client.

g. **Waiver of Subrogation.** Active hereby agrees to waive subrogation which any insurer of Active may acquire from Active by virtue of the payment of any loss under a Workers Compensation policy. All Workers Compensation policies shall be endorsed with a waiver of subrogation in favor of Client, its officers, agents, employees and volunteers for all work performed by Active, its employees, agents and subcontractors.

h. **Liability/Remedies.** Insurance coverage in the minimum amounts set forth herein shall not be construed to relieve Active of liability in excess of such coverage, nor shall it preclude Client from taking such other actions as are available to it under any other provisions of this Agreement or law.

7. GENERAL PROVISIONS.

7.1. U.S. Government Restricted Rights. The Products are provided with restricted rights. Use, duplication, or disclosure by the U.S. Government is subject to restrictions as set forth in subparagraph (c) of The Rights in Technical Data and Computer Software clause at DFARS 252.227-7013, or subparagraphs (b)(1) and (2) of the Commercial Computer Software - Restricted Rights at 48 CFR 52.227-19, as applicable. The Manufacturer is Active Network, LLC or one of its Affiliates or subsidiaries.

7.2. Suspension. Active will be entitled to suspend any or all Services or deactivate Client's account, including suspending its performance and obligation to remit payments hereunder, upon 10 days' written notice to Client in the event Active reasonably believes that Client is in breach of this Agreement.

7.3. Force Majeure. Neither party will incur any liability to the other party on account of any loss, claim, damage, or liability to the extent resulting from any delay or failure to perform all or any part of this Agreement, if and to the extent such delay or failure is caused, in whole or in part, by events, occurrences, or causes beyond the reasonable control and without any negligence on the part of the party seeking protection under this subsection, including internet service provider or third party payment delays or failures, acts of God, strikes, lockouts, riots, acts of war, terrorism, earthquake, fire, or explosions. Dates by which performance obligations are scheduled to be met will be extended for a time equal to the time lost due to the delay so caused.

7.4. Assignment. Active may assign this Agreement and any or all of its rights and obligations herein without Client's approval. Except as provided in an applicable Product Attachment, Client may not assign or transfer this Agreement without the prior written consent of Active.

7.5. Export; Anti-Bribery. The Products may include encryption software or other encryption technologies that may be controlled for import, transfer, export, or other purposes under Export Laws. Client may not export, re-export, transfer, or re-transfer or assist or facilitate in any manner the export, re-export, transfer, or re-transfer of or provide access to any portion of the Products in violation of Export Laws, as determined by the laws under which Client operates, including: (a) to any country on Canada's Area Control List; (b) to any country subject to U.N. Security Council embargo or action; (c) contrary to Canada's Export Control List Item 5505; (d) to countries subject to U.S. economic sanctions and embargoes; and (e) to persons or entities prohibited from receiving U.S. exports or U.S.-origin items, including, to any person or entity appearing on the Office of Foreign Assets Control's Specially Designated Nationals and Blocked Persons List; the Bureau of Industry and Security's Denied Persons List, Entity List, or Unverified List; or the Department of State Debarred List. Client hereby represents and covenants that: (i) Client is eligible to access the Products under Export laws and all other applicable laws; and (ii) Client will import, export, re-export, transfer, or re-transfer the Products to, or use or access the Products in, any country or territory only in accordance with Export Laws and all other applicable laws. Furthermore, Client hereby represents and covenants that, in connection with its respective activities conducted under this Agreement, it will comply with the U.S. Foreign Corrupt Practices Act of 1977, as amended, the U.K. Bribery Act of 2010, as amended, and the Convention on Combating Bribery of Foreign Public Officials and has not and will not make or receive, directly or indirectly,

any payments or gifts, or offers or promises of payments or gifts or things of value in exchange for anything that may arise out of this Agreement in a manner that would violate these laws and rules or any other applicable anti-corruption or anti-bribery laws or regulations.

7.6. Notices. Any notices required to be given under this Agreement will be in writing sent to the address on file with Active for Client or, in the case of Active, to the address set forth in Section 8 of these General Terms to the attention of Legal Department. Notices will be deemed received the next day if sent via overnight mail or courier with confirmation of receipt, or 3 days after deposited in the mail sent certified or registered.

7.7. Relationship. This Agreement is not intended to create a partnership, franchise, joint venture, agency, or a fiduciary or employment relationship. Neither party may bind the other party or act in a manner which expresses or implies a relationship other than that of independent contractor.

7.8. Severability. If any part or provision of this Agreement is held to be unenforceable, illegal, or invalid by a court of competent jurisdiction for any reason whatsoever, (a) the validity, legality, and enforceability of the remaining provisions of this Agreement (including all portions of any provisions containing any such unenforceable provision that are not themselves unenforceable) will not in any way be affected or impaired thereby, and (b) to the fullest extent possible, the unenforceable, illegal, or invalid provision will be deemed modified and replaced by a provision that approximates the intent and economic effect of the unenforceable, illegal, or invalid provision and this Agreement will be deemed amended accordingly.

7.9. Survival. The following provisions will survive any termination, cancellation, or expiration of this Agreement: Sections 1, 2, 3.2, 4, 5.2, 6, and 7 of these General Terms, and such other provisions that should reasonably survive termination, cancellation, or expiration hereof.

7.10. Amendments; No Waiver. No amendment or waiver of any provision of this Agreement will be effective unless it is in writing and signed by the party against which it is sought to be enforced.

7.11. Entire Agreement. This Agreement constitutes the parties' entire agreement relating to its subject matter. It cancels and supersedes all prior or contemporaneous oral or written communications, agreements, requests for proposals, proposals, conditions, representations, and warranties, or other communication between the parties relating to its subject matter as well as any prior contractual agreements between the parties. No modification to this Agreement will be binding unless it is in writing and includes a signature by an authorized representative of each party. All pre-printed terms of any Client purchase order, business processing document, or on-line terms will have no effect. There have been no material representations or statements by any person or party to this Agreement as an inducement for a party hereto to accept this Agreement other than what is expressly set forth in writing herein.

7.12. No Third Party Beneficiaries. This Agreement is for the benefit of the parties and their successors and permitted assigns, and does not confer any rights or benefits on any third party, including any employee of a party, any client of a party, or any employee of a client of a party. Notwithstanding the above, the parties acknowledge that all rights and benefits afforded to Active under this Agreement will apply equally to its licensors and suppliers, and the owner of the Third Party Products with respect to the Third Party Products, and such third parties are intended third party beneficiaries of this Agreement, with respect to the Third Party Products as applicable.

7.13. Governing Law and Venue. Neither the United Nations Convention of Contracts for the International Sale of Goods nor the Uniform Computer Information Transactions Act will apply to this Agreement. THE PARTIES HERETO IRREVOCABLY WAIVE ANY AND ALL RIGHTS TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT.

7.14. Order of Precedence. To the extent any terms and conditions of these General Terms conflict with the terms and conditions of any Product Attachment, the provisions of the Product Attachment will control. To the extent any provision of these General Terms or any Product Attachment conflict with the provisions of a Third Party EULA, the Third Party EULA will control. In the event of a conflict between a Schedule and these General Terms or the applicable Product Attachment, the General Terms or the applicable Product Attachment (as applicable) will control, provided, however, that such standard variable terms such as price, quantity, license scope, payment terms, shipping instructions, and the like will be specified on each Schedule.

7.15. Interpretation. Any reference to a statutory provision includes a reference to any modification or re-enactment of it from time to time. The headings and pronouns contained herein are for convenience and ease of reference only and will not affect the construction or interpretation of this Agreement. The word "including" in this Agreement means "including, without limitation." All references to days means calendar days. This Agreement will not be construed in favor of or against a party based on the author of the document.

7.16. Counterparts. These General Terms and each Product Attachment, Schedule, and any exhibits thereto may be executed in one or more counterparts, each of which will constitute an enforceable original of this Agreement, and the parties agree that electronic or digital signatures, as well as pdf scanned copies of signatures, will be as effective and binding as original signatures.

7.17. Remedies Cumulative; Injunctive Relief. All rights and remedies provided in this Agreement are cumulative and not exclusive of any other rights or remedies that may be available to the parties, whether provided by law, equity, statute, in any other agreement between the parties or otherwise. Furthermore, in the event of a breach or threatened breach of the intellectual property obligations in this Agreement, Active, in addition to any and all other rights (at law or in equity) which may be available, will have the right of injunctive relief and other appropriate equitable remedies to restrain any such breach or threatened breach, without the requirement of posting a bond.

7.18. Confidential Information. Active agrees that any and all information furnished by Client shall be deemed proprietary and confidential. All such information, to the extent previously, presently or subsequently disclosed to Active and/or processed and derived by Active services is the property of Client and such property shall be deemed and treated as "Confidential Information" of Client. Active acknowledges that such Confidential Information may contain information provided and/or generated by third parties. Active agrees that such Confidential Information shall not be disclosed to any third party without written permission from Client, except as required by law. Active shall not use the Confidential Information except to perform Active's services as directed by Client. All facilities, devices, networks and services used to store, deliver, process, backup or purge Confidential Information will employ administrative, physical, technical, and procedural safeguards and industry accepted practices at a level sufficient to secure Confidential Information from unauthorized access, destruction, use, modification, or disclosure. Such measures will be no less protective than those used to secure Active's own information of a similar type, and in no event less than reasonable in view of the type and nature of the information involved. Active will ensure that all Confidential Information is securely transferred to Client within thirty (30) calendar days. Upon conclusion of thirty (30)

days, inclusive, after termination of this Agreement for any reason, Active will have no obligation to maintain or provide such Client Data to Client and Active shall thereafter delete all Client Data in Active systems or otherwise in Active's possession or under Active's control. If requested by Client, Active will certify that it has returned or destroyed all copies of the applicable Client Data using commercially reasonable measures and acknowledges that its rights to use the same are relinquished. Active will use commercially reasonable methods to delete Client data from their systems and provide certification for that removal where required. The following will not constitute Confidential Information for purposes of this Agreement: (a) information or data which is or becomes publicly available other than as a result of a disclosure in violation of this Agreement, (b) information or data which was already known to Active prior to being furnished pursuant to this Agreement, and (c) information or data which becomes available on a non-confidential basis from a source other than Client if such source was not subject to any prohibition against transmitting the information to Active.

7.19. Data Compromise. In the event of a Security breach involving Active's systems and Client data, Active will notify Client without undue delay following its internal confirmation that such data has been involved in a Security Breach, provided that such notification will not conflict with or compromise Active's efforts to (i) cooperate with law enforcement, (ii) protect customer data or confidential information belonging to Active or any third party, or (iii) remediate or mitigate the Security Breach and further provided that Active will notify Client at the same time Active notifies other similarly situated and similarly impacted customers.

8. DEFINITIONS.

"Active" means Active Network, LLC, with a principal place of business at 717 N. Harwood St., Suite 2500, Dallas, TX, 75201, together with its Affiliates, or, if your principal place of business is in Canada, Active Network Ltd., with a principal place of business at 2925 Virtual Way, Unit 310, Vancouver BC V5M 4X5.

"Affiliates" of a designated corporation, company, partnership, or other entity means all entities which control, are controlled by, or are under common control with the named entity, whether directly or through one or more intermediaries. For purposes of this definition "controlled" and "control" mean ownership of more than 50% of the voting capital stock or other interest having voting rights with respect to the election of the board of directors or similar governing authority.

"Agreement" means these General Terms, together with all Product Attachments and Schedules accepted by the parties (as described in the Preamble).

"Client" means the individual who accepts this Agreement (as described in the Preamble) and any business entity on behalf of which such individual accepts this Agreement.

"Desktop Software" means each Active-developed and/or Active-owned software product in machine readable object code (not source code) that is installed on desktop(s) or server(s) controlled by Client, the Documentation for such product, and any Updates and Upgrades thereto.

"Documentation" means the user instructions, release notes, manuals, or on-line help files in the form generally made available by Active, regarding the use of the applicable Software or Services, as updated by Active from time to time.

"Effective Date" means the date that Client accepts this Agreement (as described in the Preamble).

"Export Laws" means export control laws and regulations of the countries and/or territories in which Active operates or in which the Products are used, accessed, or from which the Products are provided.

"Hardware" means computer hardware, equipment, and/or utilities supplied by Active pursuant to a Schedule.

"Intellectual Property" means any and all intellectual property and proprietary rights (in whole or in part) recognized in any country or jurisdiction in the world, now or hereafter existing, and whether or not perfected, filed, or recorded, including inventions, technology, patent rights (including patent applications, divisions, and disclosures), copyrights and all works of authorship (whether or not copyrightable), moral rights, trade secrets, trademarks and other indicators of source (and the goodwill associated therewith), service marks, trade dress, logos, methodologies, procedures, processes, know-how, tools, utilities, techniques, protocols, various concepts, ideas, methods, models, templates, software, source code, algorithms, tools, utilities, the generalized features of the structure, sequence and organization of software, user interfaces and screen designs, layouts, general purpose consulting and software tools, utilities and routines, and logic, coherence and methods of operation of systems, training methodology and materials, which Active has created, acquired, or otherwise has rights in, and may, in connection with the Products or the performance of Services hereunder, create, employ, provide, modify, create, acquire, or otherwise obtain rights in, and in each case includes any derivative works, alterations, and other modifications using, incorporating, based on, or derived from the foregoing.

"Maintenance Services" means the provision of Updates and Upgrades related to the Software all as more particularly set out in the applicable Product Attachment and/or Schedule.

"Preamble" means the first paragraph of these General Terms.

"Products" means, collectively, SaaS, Desktop Software, Services, Hardware, and all other services, products, or materials provided by Active to Client under the terms of this Agreement.

"Professional Services" means the implementation, site planning, configuration, integration, and deployment of the Software or SaaS, training, project management, and other consulting services.

"Protected Materials" means Products, except for Hardware.

"SaaS" means (a) the software as a service which is hosted by Active or its hosting providers and which is accessed by Client and its users via the internet; (b) Active's web sites; and (c) associated services, as more fully described in the applicable Product Attachment. SaaS functionality is subject to change from time to time at Active's sole discretion.

"Services" means, collectively, (a) Professional Services; (b) Maintenance Services; (c) Support Services; and (d) any other services set forth in a Schedule.

"Security Breach" means (i) any unauthorized use of, loss of, access to or disclosure of, Client data; provided that an incidental disclosure of or incidental access to Client data by Active or its authorized parties, where no reasonable suspicion exist that such disclosure or access involves theft, or is fraudulent, criminal or malicious in nature, shall not be considered a Security Breach hereunder.

"Schedule" means the document, schedule, quote, pricing form, web page, order form, or similar document and the terms and conditions contained therein "accepted" (as described in the Preamble) by the parties that describes order-specific information, such as a description of Products ordered, features, options, license details, and fees.

"Software" means the SaaS and the Desktop Software, collectively.

"Support Services" means the provision of technical assistance for Software or Hardware as further described in an applicable Product Attachment and/or Schedule.

"Taxes" means any and all applicable taxes, including sales, use, excise, withholding, assessments, stamp, transfer, value-added, duties, tariffs, export charges, import charges, and other taxes or assessments (however designated) imposed by any foreign, federal, provincial, state, or local governmental authority upon or applicable to Products arising out of this Agreement, other than those based on Active's net income.

"Third Party EULA" means the end user license agreement, if any, that accompanies the Third Party Products, which governs the use of or access by Client to the applicable Third Party Products.

"Third Party Products" means those hardware, firmware and/or software products, including updates and enhancements thereto, if any, owned by third parties, together with all user manuals and other documents accompanying the delivery of the Third Party Products.

"Updates" means bug fixes, patches, error corrections, minor releases, or modifications or revisions that enhance existing performance of the Software that are provided as part of Maintenance Services. Updates exclude Upgrades.

"Upgrades" means a new Software release that contains major functionality enhancements or improvements; and which is designated by an incremental increase in the release number to the left of the decimal point (by way of example only, release 5.0 designates an Upgrade from release 4.x). Upgrades exclude new products, modules or functionality for which Active generally charges a separate fee.

Recreation and Membership Management Product Attachment

This document is a "Product Attachment" as defined in the General Terms entered into by Client and Active and is subject to and incorporates by reference the provisions of the General Terms. This Product Attachment is effective as of the date it is "accepted" (in accordance with the Preamble to the General Terms). Any capitalized terms not defined herein have the meaning ascribed to them in the General Terms.

1. SERVICES. Active will provide Services related to events, camps, licenses, classes, tickets, contests, permits, facility/equipment use, transactions, sales, memberships, reservations, donations, and/or activities (together, "**Events**"), including without limitation access to its SaaS. Client agrees to cooperate with Active and to provide Active with certain information relating to Client's organization as necessary for Active to provide the Services and SaaS. SaaS provided hereunder are deemed delivered when access is made available to Client.

2. LICENSE TO INTELLECTUAL PROPERTY/PROMOTION.

2.1. Active hereby grants to Client a limited, non-exclusive, non-transferable, non-sublicensable license during the term of this Product Attachment (a) to use the SaaS for the purposes of offering, promoting, managing, tracking, and collecting fees in connection with Client's Event(s) solely in accordance with the Agreement and the Schedule, which for purposes hereof will include the support and maintenance handbook applicable to the Products, as may be updated from time to time, such handbook being available for review in the Client portal, and (b) to display, reproduce, distribute, and transmit in digital form Active's name and logo solely for the purposes set forth in this Section 2. Client hereby grants to Active a limited license to use information provided by Client relating to Client's organization and Event, which may include content regarding the Event, Client's organization's name, trademarks, service marks, and logo, in connection with the promotion of Client's organization or Events and the Services that Active provides.

2.2. Client will make reasonable efforts to promote and encourage the use and availability of the SaaS in connection with the promotion of Events. During the term of this Product Attachment, Active will be the sole and exclusive provider of registration software and other services similar to the Software and Services provided to Client hereunder for all of Client's Events for which registration begins during the term of this Product Attachment until the Event occurs. Client expressly understands and agrees that the exclusivity set forth in this Section 2.2 is consideration in exchange for the pricing and other benefits being provided to Client hereunder.

2.3. Active may present commerce offers to users who register for, sign up, or otherwise use the SaaS in connection with the Events ("**End Users**"). Any such End Users may opt in to receive information, items, or promotions/deals from Active or third parties, in which case, Active or such third party will be responsible for fulfillment and providing customer service for any such offers. Client will not present any competing offers to End Users.

2.4. Client will: (a) not use the SaaS to transmit, publish, or distribute any material or information: (i) for which Client does not have all necessary rights and licenses, including any material or information that infringes, violates, or misappropriates the intellectual property rights of any third party; (ii) that contains a computer virus or other code, files, or programs designed to disrupt or interfere with the functioning of the SaaS; (iii) that is inaccurate or misleading; (iv) that is or that may reasonably be perceived as being harmful, threatening, offensive, obscene, or otherwise objectionable; (v) that contains a virus or malicious code; or (vi) that includes the private information of another without express permission, including but not limited to contact information, social security numbers, credit card numbers or other information which a reasonable person would consider private in nature; (b) not attempt to gain access to any systems or networks that connect to the Services and SaaS except for the express purpose of using the SaaS for their intended use; (c) not engage in any activity that interferes with or disrupts the SaaS; (d) not use the SaaS in violation of the CAN-SPAM Act, Canadian Anti-Spam Legislation, or any other applicable laws pertaining to unsolicited email, SMS, text messaging or other electronic communications.

3. INFORMATION COLLECTION.

3.1. Active collects certain information from End Users (collectively, "**Participant Information**"). Client may login to Active's data management system to access the Participant Information. Client is responsible for the security of its login information and for the use or misuse of such information. Client will immediately disable a user's access who is using the SaaS on its behalf or notify Active in writing if any such user is no longer authorized or is using such information without Client's consent. Active may rely, without independent verification, on such notice, and Client, inclusive of Client's parent, subsidiaries, and affiliated entities, as applicable, and each of their respective officers, directors, managers, shareholders, owners, agents, employees, contractors, and representatives covenant not to sue and agree to defend, indemnify, and hold harmless Active from any claims arising from Active providing, denying, suspending, or modifying access to or use of the SaaS and Services of any individual as directed by Client or by someone who Active reasonably, under the circumstances, believes is authorized to act on behalf of Client. In the event of any dispute between two or more parties as to account ownership, Client agrees that Active will be the sole arbiter of such dispute in its sole discretion and that Active's decision (which may include termination or suspension of any account subject to dispute) will be final and binding on all parties. Client agrees not to use the Software or Services to collect or elicit (a) any special categories of data (as defined in the European Union Data Protection Directive, as may be amended from time to time), including, but not limited to, data revealing racial or ethnic origin, political opinions, religious or other beliefs, trade-union membership, as well as personal data concerning health or sexual life or criminal convictions other than as expressly directed by Active, and in such event, only in pre-defined fields within the Software that are intended for that purpose; or (b) credit card information other than in pre-defined fields within the Software that are intended for that purpose.

3.2. Both parties agree to use the collected information in compliance with (a) all applicable laws, rules and regulations, including, without limitation, those governing privacy and personal information (e.g., by including an appropriate CAN-SPAM Act and Canadian Anti-Spam Legislation opt out mechanism in email communications) and the use of credit card data (e.g., using credit card information only for purposes authorized by the cardholder); (b) applicable credit card network rules and Payment Card Industry Data Security Standards; and (c) Active's privacy policy, as published on its website or otherwise provided by Active from time to time.

4. FEES.

4.1. Client will pay the fees as more fully described in the applicable Schedule. Unless otherwise set forth in the applicable Schedule, Active will charge registration fees to individuals who register for the Events or purchase goods or services online, and will process and collect such fees as a merchant of record according to the card networks. On a bi-weekly basis, unless otherwise set forth in the applicable Schedule, Active will pay Client sums due to Client based on the total fees collected, net of Active's service fees as set forth in the applicable Schedule and any other deductions provided herein. The applicable currency will be set forth in the Schedule.

4.2. Active may suspend its performance hereunder, including remitting payments, or terminate the Agreement or this Product Attachment in the event it reasonably believes that Client's use of the Services or SaaS is not in compliance with applicable law or the Agreement, is fraudulent, or is otherwise suspect, or if there is a dispute as to the legal authority of a Client-associated party to perform hereunder. If Active reasonably believes that a transaction may be fraudulent or otherwise contrary to law, Active may issue an invoice or offset an equivalent amount from Client's account or any payment Active owes to Client and return the value to the End User (as set forth below) and if sufficient funds are not available, Client must reimburse Active on demand. Active will notify Client of the reason for such offset provided that it is lawful to do so.

4.3. If the Schedule indicates that Client is paying on a subscription basis, Client will be invoiced for the first year of subscription fees upon the date of the first live operational use of the SaaS for the Event(s) ("Go-Live Date"), with subsequent annual subscription fees being invoiced upon each anniversary of the Go-Live Date.

4.4. If (a) there are any overdue amounts owed by Client; or (b) there are returned charges or items, including those resulting from any error or complaint related to an Event, Active has the right to charge fees owed to Active by Client by issuing an invoice, or by offsetting the deficiency from any account balance Client maintains with Active or any payment Active owes Client.

4.5. All fees described in the applicable Schedule are in consideration of the SaaS and Services that Active provides. Active and Client acknowledge that certain credit card network rules and laws prohibit imposing a surcharge that is based on the type of payment method used (e.g., having a different fee for the use of a credit card vs. debit card), and therefore, each agrees not to impose such a surcharge on any end user.

4.6. In the event Client is entering into this Product Attachment and using the Services and/or SaaS for the benefit of a third-party Event or organization ("Third Party Recipient"), Client agrees that Active can remit amounts directly to the Third Party Recipient identified by Client. In addition, Client will cause each Third Party Recipient to agree to and comply with provisions that are at least as protective of Active as Section 4 of the General Terms and Section 5 of this Product Attachment in Client's agreement with such Third Party Recipient. Should Client fail to obtain such agreement to such provisions and the failure results in costs or damages to Active, Client agrees to defend, indemnify, and hold Active harmless from any such costs and damages, including, without limitation, reasonable attorneys' fees. In addition, Client is responsible and liable for each Third Party Recipient's compliance with the terms and conditions of the Agreement.

4.7. It is Client's responsibility to notify End Users of Client's refund policy. Client must ensure that Client's refund policies are consistent with the Agreement. Client agrees that all fees for a given Event are earned by Client only following either the conclusion or delivery of the applicable Event (as applicable) and all amounts ultimately due to Client will be net of all service fees, reversals, refunds, disputed charges, chargebacks and other deductions whether due to customer complaints, allegations of fraud, discrepancies related to the applicable Event or otherwise. No payments will be made to Client with respect to any Event that is cancelled. If payments have already been made by Active to Client for a cancelled Event or if Active reasonably determines that it is prudent or otherwise necessary to pay a refund to or honor a chargeback request from an End User, Active may issue an invoice or offset an equivalent amount from Client's account or payment owed by Active to Client and return the value to the End User, and if sufficient funds are not available, Client must reimburse Active on demand. Active will notify Client of the reason for such offset provided that it is lawful to do so.

4.8. When Active is acting as the merchant of record and Client elects to include an additional fee in the End Users' cart that is identified as a "sales tax" or similar designation, then, no more frequently than once per calendar year during the term of the Agreement, Active may, upon at least 5 business days' prior written notice, (i) require Client to send to Active Client's books and records related to its sales tax payments, and/or (ii) visit Client's premises during Client's normal business hours to review Client's sales tax payments.

5. **INDEMNIFICATION.** Client will defend, indemnify, and hold Active harmless from and against any third party claim, demand, cause of action or proceedings (whether threatened, asserted, or filed) ("Claims") against Active to the extent that such Claim is (a) based upon (i) injury or death to a person or damage to property resulting from the participation in an Event operated by Client in connection with the Services and/or SaaS; (ii) Client's provision to Active of materials, products, or services as part of Client's obligations hereunder that infringe the intellectual property rights of any third party provided that such materials, products, or services are used by Active in accordance with the Agreement; (iii) use or unauthorized disclosure of Participant Information by Client or other third parties to whom access is given to Participant Information as provided hereunder; (iv) Client's use of the Services and/or SaaS in violation of Section 2.4 of this Product Attachment; (v) any claims for refunds, reversals or chargeback requests from End Users; or (b) brought by a Third Party Recipient or brought in connection with Active's payment to a Third Party Recipient of any fees due hereunder in accordance with the Agreement.

5.2 Active will indemnify, including the cost to defend Client, and its officers, agents, employees and volunteers from any and all claims, demands, costs or liability that arise out of, or pertain to, or relate to the negligence, recklessness, or willful misconduct of Active and its agents in the performance of services under this contract.

6. TERM AND TERMINATION.

6.1. Unless otherwise set forth in the applicable Schedule, the initial term of this Product Attachment will be for 3 years from the Effective Date with renewals for 2 additional 3 year terms thereafter (each, a "Renewal Term") by mutual written agreement. Unless otherwise set forth in the applicable Schedule, to the extent that Client enters into a Schedule for additional Services and/or SaaS that are related to or interoperable with Services or SaaS set forth in a previously entered into Schedule, the term of such subsequent Schedule will be concurrent and coterminous with the term of the previously entered into Schedule.

6.2. If Client has entered into a sub-merchant agreement for payment processing services, and such agreement is terminated by the applicable acquiring bank, Active may terminate this Product Attachment and the effected Schedule.

6.3. Notwithstanding the termination or expiration of this Product Attachment or the Agreement under any circumstance other than in the event of Active's material, uncured breach of the Agreement, the parties agree that Active will continue to be the exclusive provider of registration software and other services similar to the Services and SaaS for all of Client's Events for which registration begins during the term of this Product Attachment until the Event occurs.

7. ASSIGNMENT.

7.1. Client may not resell, assign, or transfer any of its rights or obligations hereunder except as expressly provided herein, and any attempt to resell, assign, or transfer such rights or obligations without Active's prior written approval will be null and void.

7.2. Client will cause each Schedule hereunder to be assigned to (a) the purchaser of all or substantially all of Client's assets or equity securities or (b) to any successor by way of merger, consolidation, or other corporate reorganization of Client ((a) and (b) together, a "Change of Control").

7.3. Client will provide written notice to Active of any proposed or completed Change of Control as soon as permissible and in any event within 5 days of the public announcement or close of the transaction, whichever occurs first. Within the 30 day period following such notice, Active will have the right to immediately terminate each applicable Schedule if Active determines, in its reasonable good faith discretion that the purchaser or assignee is a competitor of Active or a party with whom Active does not want to do business. Client agrees to require that the purchaser or assignee (as outlined in this Section 7) agree, in writing, to be bound by the terms and conditions of the Agreement and each applicable Schedule.

8. MISCELLANEOUS.

8.1. Sections 5, 6, and 8 of this Product Attachment and any fees owed by Client will survive any termination or expiration of the Agreement.

8.2. The "Liquidated Damage Amount" equals the "Annual Projected Contract Value" (to the extent such amount is specified in the applicable Schedule(s)) times the number of years in the then-current term, minus the amount of revenue already paid to Active during the then-current term, net of all refunds, credit card chargebacks, and all other deducted amounts. Client agrees that (a) it will pay Liquidated Damages to Active if (i) Client breaches its exclusivity obligations under Section 2.2 of this Product Attachment; (ii) Active terminates a Schedule and/or the Agreement in accordance with Section 5.2 of the General Terms; (iii) Client fails to cause an assignment as specified in Section 7 of this Product Attachment; and/or (iv) Active terminates a Schedule and/or the Agreement pursuant to Section 7.3 of this Product Attachment; (b) all Liquidated Damage Amounts set forth in the Agreement will automatically reset during each Renewal Term; (c) Active may offset any Liquidated Damages Amount set forth in the Agreement from any account balance Client maintains with Active or any payment Active owes Client; (d) because of the difficulty in making a precise determination of actual damages incurred by Active, the Liquidated Damage Amount will be assessed, not as a penalty, but as a reasonable approximation of costs incurred by Active and Active's loss of revenue; and (e) that in any suit or other action or proceeding involving the assessment or recovery of liquidated damages, the reasonableness of the Liquidated Damage Amount will be presumed and the liquidated damages assessed will be in addition to every other remedy now or hereinafter enforceable at law, in equity, by statute, or under the Agreement.

Exhibit A
Service Level Agreement

	Service Level Reference	Service Level Requirement
1	System Availability	The Software will have an Actual Uptime greater than or equal to 99.5% of the total possible minutes of system availability of the Software during each calendar month.
2	Performance Monitoring	Active Network shall deploy APM (application performance monitoring) for the Solution. Active Network shall address issues via Active Network's escalation plan with 24 hours on call coverage. In the case of a SEV1 or SEV2 incident, Active shall provide progress updates as they become available on ACTIVE Net Answers via Alert Subscription. The SEV definitions are as follows: SEV1: A customer facing system or business critical service or infrastructure, is down, unusable or extremely latent, impacting the ability to sell, process registrations or transactions or perform critical business functions. A loss or potential loss of business-critical data. SEV2: Performance or functionality degradation of a system or service or infrastructure that impacts the ability to sell, process registrations or transactions or perform business functions. SEV3: Loss of an individual system or service that has a low impact to customer facing systems, or revenue generating business functions.
3	Performance Scaling	Active Network shall ensure that the deployed solution has the ability to temporarily scale up for increased registration demand.
4	Data Backup	Active Network ensure a complete backup, restoration and archival strategy, and data backup plan is in place.
5	Data Center Security	Active Network shall maintain appropriate data center policies/standards that align to industry accepted practices, through provision of applicable audit reports.
6	Security Monitoring	Active Network ensures that security monitoring technologies are in place to continuously monitor infrastructure / service to detect malicious attacks, incidents and abnormal events.
7	Disaster Recovery	Active Network shall have and will maintain a disaster recovery plan should a catastrophic failure occur and shall have a fail over option available that would allow a return to normal operations within 24 hours of failure.
8	Support and Maintenance Services	Active Network shall provide technical support and maintenance per the Support and Maintenance Handbook (http://support.activenetwork.com/activenet/articles/en_US/Article/Support-and-Maintenance-Handbook)
9	Scheduled Maintenance	Scheduled maintenance means the amount of Downtime resulting from maintenance performed during the Scheduled Maintenance Period to provided Corrective Maintenance Services to correct an Anomaly or to provide Evolutive Maintenance Services. Scheduled maintenance, resulting in "Scheduled Downtime", typically occurs every 30 days.Scheduled Downtime shall not be considered times when the system is unavailable.

COUNCIL COMMUNICATION

CC #: 1025

File #: 0704

Title: Blue Oaks Corridor - Landscape Improvement Agreement

Contact: Tara Gee 916-774-5253 tgee@roseville.ca.us

Meeting Date: 10/7/2020

Item #: 7.11.

RECOMMENDATION TO COUNCIL

Recommend Council adopt a resolution to approve the Landscape Improvement Agreement for the Blue Oaks Corridor between the City of Roseville and Anthem United Creekview Developments Limited Partnership, and authorize the City Manager to execute it.

BACKGROUND

In preparation for new development within the Creekview Specific Plan area, Anthem United approached the City regarding enhancing the main thoroughfare (Blue Oaks Boulevard) into the development area. The north side of Blue Oaks Boulevard consists of properties owned by Anthem, with the eventual deed of a small open space parcel. The south side of Blue Oaks Boulevard consists of city-owned parcels including the Electric power plant. The scope of work within the Agreement will be at Anthem's sole cost.

The Agreement includes:

- Installation of landscape improvements completed by Anthem consistent with the requirements of the Development Agreement on both the north and south sides of Blue Oaks Boulevard between Westbrook Boulevard and the open space to the east
- Maintenance of the landscape improvements completed by Anthem consistent with the City's maintenance service levels or better until no later than February 1, 2026
- Removal of the landscaping on City-owned parcels completed by Anthem, unless the City elects to retain all or a portion of the landscape improvements
- A bond from Anthem to cover the cost to remove the landscape improvements should the City elect to not retain the landscaping and in the instance that Anthem is not in a position to do so themselves

If approved, it is anticipated that the landscape improvements will begin in the late fall or winter of 2020.

FISCAL IMPACT

The landscape improvements are located on the southern edge of the Creekview Specific Plan area. The costs for design, installation, maintenance and removal of the landscape improvements are the sole responsibility of the Developer. There will be no General Fund impact.

ENVIRONMENTAL REVIEW

The proposed landscaping project involves minor alteration in the condition of the land and vegetation, and will not involve removal of healthy, mature, scenic trees. This activity is categorically exempt from CEQA as a Class 4 Exemption (State CEQA Guidelines Section 15304). The Exemption has been prepared and no further CEQA action is required.

Respectfully Submitted,

Tara Gee, Park Planning & Development Superintendent

Jill Geller, Parks, Recreation & Libraries Director

Dominick Casey, City Manager

**LANDSCAPE IMPROVEMENT AGREEMENT
BLUE OAKS BOULEVARD CORRIDOR LANDSCAPING**

THIS AGREEMENT is made and entered into this ____ day of _____, 2020, by and between the City of Roseville, a municipal corporation, (“CITY”) and Anthem United Creekview Developments Limited Partnership, a Washington limited partnership (“ANTHEM” or “LANDOWNER”); and

W I T N E S S E T H:

A. ANTHEM is the owner of certain real property under development in the City of Roseville known as the Creekview Specific Plan (“Creekview”) located in the City of Roseville (“City”), County of Placer. The legal description for Creekview is attached hereto as Exhibit “A,” and generally shown on Exhibit “B” both of which are incorporated by this reference (the “Property”).

B. CITY and ANTHEM entered into a Development Agreement dated October 3, 2012, which was recorded against the Property on November 28, 2012, as Document Number 2012-0113752-00 in the Official Records of Placer County, and the First Amendment of Development Agreement, dated November 6, 2019, which was recorded against the Property on December 19, 2019, as Document Number 2019-0103338-00 in the Official Records of Placer County (“DA”).

C. ANTHEM is developing or overseeing the development of Creekview as a master planned community consisting of residential, commercial, park, open space, and public-quasi

public uses. The land use plan for Creekview is attached hereto as Exhibit “C” and incorporated herein by reference.

D. ANTHEM intends to install certain landscape improvements, including plant material and irrigation systems, north and south of Blue Oaks Boulevard from Westbrook Boulevard to Westpark Drive and on the east side of Westbrook Boulevard north of Blue Oaks Boulevard (“Landscape Improvements”), as shown in Exhibit “D” (Blue Oaks Corridor Landscape Plan) and listed in Exhibit “F” (Installation and Maintenance Obligations) attached hereto and incorporated herein by reference. The Landscape Improvements are intended by ANTHEM to enhance the Blue Oaks Boulevard corridor.

E. Landscape Improvements are proposed adjacent to roadways in several different landscape areas (“Landscape Areas”), as shown on Exhibit “D”:

1. Landscape Areas 1, 2, 3 and 4 are within the landscape corridors of Creekview parcels C-70, C-43, C-83, C-84, and C-54, north of Blue Oaks Boulevard owned by ANTHEM (“North Areas”).

2. Landscape Areas A, B, C, and D are located on parcels south of Blue Oaks Boulevard owned by CITY (“South Areas”).

F. Landscape Improvements planned in the North Areas are consistent with the requirements of the DA. Landscape Improvements planned in South Areas are not ANTHEM’s obligation in the DA but are proposed by ANTHEM as a public benefit and enhancement of the Blue Oaks Boulevard corridor.

G. ANTHEM and CITY desire to enter into this Agreement providing for the direct installation by ANTHEM of the Landscape Improvements in accordance with approved improvement plans.

NOW, THEREFORE, in consideration of the covenants set forth herein, CITY and ANTHEM hereby agree as follows:

1. Construction and Installation of Landscape Improvements. At its sole cost, ANTHEM shall cause the Landscape Improvements to be constructed in North Areas and South Areas, in accordance with the approved improvement plans. CITY shall not be responsible for any costs related to the installation of Landscape Improvements, nor shall ANTHEM be eligible for reimbursements or fee credits from CITY for same.

2. Landscape Maintenance Obligations.

a. North Areas. ANTHEM shall maintain Landscape Improvements in North Areas.

b. South Areas. ANTHEM shall maintain Landscape Improvements in South Areas at the established standard service level described in Exhibit “E” (“Maintenance Standard of Care”).

3. Cost of Maintenance. The estimated annual cost of maintenance for each of the Landscape Areas is listed in Exhibit “F”.

a. North Areas. ANTHEM shall be responsible for the cost of maintenance for Landscape Improvements in North Areas.

b. South Areas. ANTHEM shall be responsible for the cost of maintenance for Landscape Improvements in South Areas at the established standard maintenance service level, as described on Exhibit “E” until the Landscape Improvements are removed or City assumes maintenance responsibility, as described in Section 4 of this Agreement.

4. Removal of Landscaping in South Areas. No later than February 1, 2026, ANTHEM shall, at its sole cost, remove Landscape Improvements in South Areas installed consistent with Section 1 of this Agreement. ANTHEM reserves the right to remove, at its sole cost, all or a portion of the Landscaping Improvements in South Areas before February 1, 2026 by notifying CITY in writing in advance of removal.

Prior to installation of Landscape Improvements in South Areas, ANTHEM shall provide CITY with a performance bond for the removal of same. The amount of the bond shall be \$29,465.33 which is 200% of the estimated cost to remove Landscape Improvements in the South Areas.

CITY may elect to retain all or a portion of the Landscaping Improvements in South Areas by notifying ANTHEM in writing, no later than January 1, 2026, that ANTHEM is no longer obligated to remove the Landscape Improvements in all or a portion of the South Areas as required in this Section 4, and CITY shall release the performance bond.

Notwithstanding the foregoing, in the event of conflicts with CITY's installation of infrastructure improvements prior to February 1, 2026, CITY reserves the right to require ANTHEM to remove all or a portion of the Landscaping Improvements in South Areas by notifying ANTHEM in writing. Such actions shall be at ANTHEM's sole cost.

5. Permits. ANTHEM shall be responsible for obtaining all necessary permits. CITY shall approve all plans prior to issuing any permit.

6. Compliance with Laws. ANTHEM shall comply with all federal, state and local laws, ordinances and policies as may be applicable to the obligations under this Agreement.

7. Right of Entry. CITY grants ANTHEM, its employees, agents and contractors permission to enter upon and use the South Areas, as may be reasonably necessary in order to

install and maintain Landscape Improvements in South Areas, consistent with Sections 1 and 2.b of this Agreement. If at any time ANTHEM or its employees, agents and contractors shall cause any damage to any portion of South Areas as a result of its entry or work hereunder, ANTHEM shall promptly cause such damage to be repaired at its sole cost and expense. In addition, ANTHEM is not permitted to store personal property or equipment in South Areas.

8. Changes in the Scope of Work. If, during the course of construction, field conditions require a change of scope different than contemplated in Exhibit "D, as referenced above, and prior to making any changes that will affect the scope of this Agreement, ANTHEM shall contact CITY and get approval by CITY for those changes.

9. Prior To Commencement of Work. Prior to commencement of work, ANTHEM shall comply with the following: (1) obtain pre-approval from CITY of ANTHEM's construction documents; (2) cause its contractor to obtain an encroachment permit from City prior to commencement of construction activities in CITY's right of way (and land adjacent thereto); and, (3) cause its contractor to provide insurance and related documentation to CITY in accordance with Section 10 of this Agreement.

10. Indemnification. To the fullest extent allowed by law, ANTHEM shall defend, indemnify, and hold harmless CITY, its officers, agents, employees and volunteers from any claims, suits or actions of every name, kind and description brought forth, or on account of, injuries to or death of any person (including but not limited to workers and the public), or damage to property, resulting from or arising out of ANTHEM's willful misconduct or negligent act or omission while engaged in the performance of obligations or exercise of rights created by this Agreement, except those matters arising from CITY's sole or active negligence or willful misconduct. The parties intend that this provision shall be broadly construed.

ANTHEM's responsibility for such defense and indemnity obligations shall survive the termination or completion of this Agreement for the full period of time allowed by law. The defense and indemnity obligations of this Agreement are undertaken in addition to, and shall not in any way be limited by, the insurance obligations contained in this Agreement.

11. Insurance. Prior to the issuance of an encroachment permit and commencement of any field construction for those certain Public Improvements as shown on Exhibit "D," ANTHEM shall, or shall cause its contractor to, have on file with CITY throughout the duration of construction and maintenance of Landscape Improvements in South Areas (described in Sections 1 and 2.b of this Agreement), and maintain in full force the following policies of insurance:

<u>POLICY</u>	<u>LIMITS OF LIABILITY</u>
Commercial General Liability, Including endorsements for comprehensive form, premises operations, products/completed operations, broad form property damage, independent contractors, contractual, personal injury, explosion/collapse and underground hazard	Bodily Injury: \$2,000,000 each occurrence \$4,000,000 aggregate Property Damage: \$2,000,000 each occurrence Personal Injury: \$2,000,000 each occurrence \$4,000,000 aggregate
Workers' Compensation	Statutory
Automobile Liability	\$1,000,000 combined single limit

a. Form. ANTHEM shall submit a certificate evidencing such coverage in a form satisfactory to Risk Management and the City Attorney, prior to undertaking any work hereunder. Any insurance written on a claims-made basis is subject to the approval of Risk Management and the City Attorney.

b. Additional Insureds. ANTHEM shall also provide a separate endorsement

form or section of the policy showing CITY, its officers, agents, employees and volunteers as additional insureds for each type of coverage, prior to undertaking any work hereunder. Such insurance shall specifically cover the contractual liability of ANTHEM. The additional insured coverage under ANTHEM's policy shall be primary and noncontributory, as evidenced by a separate endorsement or section of the policy, and shall not seek contribution from CITY's insurance or self-insurance. In addition, the additional insured coverage shall be at least as broad as the Insurance Services Office ("ISO") CG 20 01 Endorsement. Any available insurance proceeds in excess of the specified minimum insurance coverage requirements and limits shall be available to the additional insureds. Furthermore, the requirements for coverage and limits shall be: (1) the minimum coverage and limits specified in this Agreement; or (2) the full coverage and maximum limits of any insurance proceeds available to the named insureds, whichever is greater.

c. Cancellation/Modification. ANTHEM shall provide ten (10) calendar days written notice to CITY prior to cancellation or modification of any insurance required by this Agreement.

d. Umbrella/Excess Insurance. The limits of insurance required in this Agreement may be satisfied by a combination of primary and excess insurance. Any excess insurance shall contain or be endorsed to contain a provision that such coverage shall also apply on a primary and noncontributory basis for the benefit of CITY (if agreed to in a written contract) before CITY's own insurance shall be called upon to protect it as a named insured.

e. Contractors. ANTHEM agrees to include in its contracts with all contractors the same requirements and provisions of this Agreement, including the indemnity and insurance requirements, to the extent they apply to the scope of the contractor's work.

Furthermore, ANTHEM shall require its contractors to agree to be bound to ANTHEM and CITY in the same manner and to the same extent as ANTHEM is bound to CITY under this Agreement. Additionally, ANTHEM shall obligate its contractors to comply with these same provisions with respect to any subcontractor, regardless of tier. A copy of CITY's indemnity and insurance provisions will be furnished to the contractor or any subcontractor upon request.

f. Self-Insured Retentions. All self-insured retentions ("SIR") must be disclosed to Risk Management for approval and shall not reduce the limits of liability. Policies containing any SIR provision shall provide or be endorsed to provide that the SIR may be satisfied by either the named insured or CITY. CITY reserves the right to obtain a full certified copy of any insurance policy and endorsements. The failure to exercise this right shall not constitute a waiver of such right.

g. Waiver of Subrogation. ANTHEM hereby agrees to waive subrogation which any insurer of ANTHEM may acquire from ANTHEM by virtue of the payment of any loss under a Workers Compensation, Commercial General Liability, or Automobile Liability policy. All Workers Compensation, Commercial General Liability, and Automobile Liability policies shall be endorsed with a waiver of subrogation in favor of CITY, its officers, agents, employees and volunteers for all work performed by ANTHEM, its employees, agents and subcontractors.

h. Liability/Remedies. Insurance coverage in the minimum amounts set forth herein shall not be construed to relieve ANTHEM of liability in excess of such coverage, nor shall it preclude CITY from taking such other actions as are available to it under any other provisions of this Agreement or law.

12. Obligations Arising From Agreement. Neither the General Fund nor any other fund or monies of CITY, shall be utilized for payment of any obligations arising from this Agreement. Neither the credit nor the taxing power of CITY is pledged for the payment of any obligations arising from this Agreement. CITY's obligations arising from this Agreement are not a debt of CITY, or a legal or equitable pledge, charge, lien or encumbrance upon any of its property, or upon any of its income, receipts or revenues.

13. Assignment. ANTHEM shall not assign this Agreement without the prior written consent of CITY.

14. Successors and Assigns. Each and every provision of this Agreement shall be binding and inure to the benefit of the successors and assigns of the parties hereto.

15. Attorney's Fees; Venue; Governing Law. If either party commences any legal action against the other party arising out of this Agreement or the performance thereof, the prevailing party in such action shall be entitled to recover its reasonable litigation expenses, including but not limited to, court costs, expert witness fees, discovery expenses, and attorneys' fees. Any action arising out of this Agreement shall be brought in Placer County, California, regardless of where else venue may lie. This Agreement shall be governed by and construed in accordance with the laws of the State of California.

16. Notices. All notices required by this Agreement shall be delivered in writing and delivered in person or sent by certified mail, postage prepaid.

Notice required to be given to CITY shall be addressed as follows:

Director of Parks, Recreation & Libraries
City of Roseville
316 Vernon Street
Roseville, CA 95678

Notice required to be given to ANTHEM shall be addressed as follows:

Anthem United Creekview Developments, LP
3001 Douglas Boulevard, Suite 200
Roseville, CA 95661

17. Modification. This Agreement and each provision contained herein may be waived, amended, supplemented or eliminated only by mutual written agreement of the parties.

18. Severability. If any of the provisions contained in this Agreement are for any reason held invalid or unenforceable, such holding shall not affect the remaining provisions or the validity and enforceability of the Agreement as a whole.

19. Integrated Agreement. This is an integrated agreement and contains all of the terms, considerations, understanding, and promises of the parties. It shall be read as a whole.

IN WITNESS WHEREOF, the City of Roseville (CITY), a municipal corporation, has authorized the execution of this Agreement in duplicate by its City Manager and attested to by its City Clerk under the authority of Resolution No. _____, adopted by the Council of the City of Roseville on the ____ day of _____, 2020, and ANTHEM has caused this Agreement to be executed.

Goals

City of Roseville

- A high quality of life for our residents, businesses and visitors
- Fiscal soundness
- Safe and stable infrastructure

Parks, Recreation & Libraries

Enhance lives and the community by providing exceptional experiences for Roseville residents, businesses and visitors through our parks, recreation and libraries' facilities

Parks Division

Create and maintain **safe, clean and green** public spaces

Priorities shall be defined based on "safe, clean and green". When faced with two or more competing tasks, tasks associated with public or staff safety shall be the first priority, tasks associated with cleanliness shall be second and tasks that are aesthetic in nature shall be third.

DEFINITIONS

Turf:	Grass and the surface layer of soil held together by its roots.
Weed:	Any wild plant growing where it is not intended, designed, or desired to be and is growing in competition with cultivated plants.
Component:	Any part or aspect of a system that relies on each part to be complete. Examples include a slide is part of a play structure or a valve box is part of an irrigation system.
Site Furniture:	Park elements that are placed for the convenience or comfort of the user, such as, a drinking fountain, picnic table or bench.
Access Restriction:	A structure, such as a bollard, fence or gate, built to bar passage by either a vehicle or pedestrian.
Beds:	Landscape planters or non-turfed (planted) areas.
Bare Areas:	Area within the turf area where there is no living plant material.
Undeveloped Park Sites:	Portions of a park, slated for future development, but as yet, do not have any constructed improvements.
Natural Areas:	Areas within a developed park, but are set aside to remain undeveloped because of a valued natural resource.

BASIC MAINTENANCE

The Park, Recreation & Libraries Department has established a base level of maintenance which shall be universally applied to all parks, facilities and streetscapes, unless otherwise noted. In all cases, defects that pose a safety concern shall be reported immediately upon discovery.

IRRIGATION

Irrigation systems and the associated components shall be maintained to ensure public safety and full functionality. The irrigation system shall be managed to ensure proper soil moisture and reduce visible stress of turf or landscaping without disrupting the user's experience, through efficient use of water.

1. Public Safety:

- a. There shall be no standing water in turf, landscaped areas or on pavement.
- b. Nuisance run-off on or across paved areas due to irrigation shall be eliminated. This creates algae and slippery surfaces.
- c. Blown heads which create divots or holes in playing or walking surfaces shall be immediately repaired and backfilled.
- d. Tripping hazards due to stuck sprinkler heads, sunken valve boxes, etc. shall be repaired.
- e. Overspray onto walkways, fences, walls, roadways or other areas where irrigation is not watering turf or landscaping, shall be prohibited.
- f. In cases where repairs require a longer lead time to address, the impacted area shall be properly cordoned off.

2. Water Management:

Irrigation systems shall be programmed to comply with current and applicable Water Efficient Landscape Ordinances (WELO).

a. Park areas:

- i. There is a required weekly site walk to spot check the irrigation system. Adjustments to the system shall be made prior to the next watering cycle.
- ii. A full irrigation system check shall be performed prior to the start of the irrigation season (March – November). Monthly system checks shall be performed to maintain the system during the season. Repairs shall be completed prior to the next scheduled watering period. This shall include flushing of drip systems.

b. Streetscapes:

- i. A full irrigation system check shall be performed during the growing season, at minimum at the start of the growing season (March), mid-way through the growing season (June/July), and at the end of the growing season (November). This shall include flushing of drip systems.

TURF CARE

All turf areas shall support the designed uses such as curb appeal and/or informal/non-programmed or formal/programmed recreational use. Turf shall be an even surface, with uniform green color during the growing season. The soil moisture level shall be consistent throughout the turfed area, and shall be free of standing water. Bare areas and weeds shall not exceed defined tolerance levels.

1. Maintained Turf heights:

- a. Based on assigned service level.
- b. At no time shall mowing remove more than 1/3 of the leaf blade.

2. Mowing:

- a. Mowing frequencies will be a minimum of one (1) time per week from March through October and bi-monthly from November through February or as needed to prevent clumping.
- b. Mulch mowing is the required method, unless otherwise approved.
- c. Mowing patterns should be alternated to avoid ruts and compaction.

3. Edging:

- a. Edging frequency will be based on assigned service level.
- b. Edging along hardscape shall utilize a blade edger.
- c. Edging along valve boxes, utility boxes, poles, etc. shall utilize a string trimmer.

4. Bare areas: Shall be no more than 15% of the total turfed area in a dedicated sports fields. All other areas shall be based on service level.

5. Weeds: Tolerance level shall be based on service level.

6. Aeration: Frequency is based on service level.

7. Seed or sod repairs: Maintain an acceptable turf stand. Repair of turf shall be in the form of either seed or sod depending on the actual use and the schedule of activity at the location. Timing shall be coordinated with area Supervisor.

8. Fertilizer: Fertilizers shall be applied to ensure the health of the turf. Fertilization will be completed as extra work.

LANDSCAPE AREAS: GROUND COVER, PLANTER BEDS and BIO-SWALE PLANTERS

All plants shall be maintained in a healthy and attractive condition. Landscaping shall also be maintained to provide secondary functions such as natural barriers, pollution/dust control and/or erosion control.

1. Removal and replacement of plant material: Dead, stunted or severely damaged plant material shall be removed within thirty (30) days of discovery. Replacement planting shall occur in the Spring or Fall seasons and shall be comparable in size to the lost or original plant, up to a maximum of thirty-six inch (36") boxed specimen, unless otherwise approved.

2. **Median plant maintenance:** At un-signalized left turn lanes, plant material shall be maintained at twelve inches (12") or lower for a minimum distance of 175 feet as measured from the nose of the median.
3. **Trimming:** Pruning of shrubs shall be consistent with horticultural standards. Focus shall be on the removal of dead or diseased material, thinning for natural structure/form, and rejuvenation pruning to ensure the health of the plant. Shearing, other than hedges and groundcover edging, shall be limited in use.
 - a. Trimming of plant material shall be based on service level. The frequency may increase depending on the plant species and the location.
 - b. Ground cover shall be edged as needed to prevent plant growth from extending beyond curbs, sidewalks, roadways, buildings, and turfed edges.
 - c. Hedges along sound walls shall be maintained to within one (1) foot below the top of the adjacent wall or fence.
 - d. Vines shall be maintained to prevent growth over a wall and onto private property.
 - e. Plants shall be maintained to ensure proper irrigation functionality and proper coverage.
 - f. Ornamental grasses and perennial monocots shall be pruned at the end of the growth season to promote new growth and remove dead debris.
 - g. Bio-swales - Shrubs will be pruned to eliminate encroachment into parking lots and walk areas. Trimming of the ground covers or filter plantings will only be on a request basis by City staff not to exceed two (2) times per year. Bio-swales are located at various locations.
 - h. Hard Fescue that is located in parks, trails, and bio-swales will need to have seed head cut back two (2) times per year in the spring and fall pursuant to coordination with a Parks Supervisor.
4. **Annuals:** Seasonal color through the planting of flowers shall be installed to completely and evenly fill the planting space. Dead heads, blank spots, and other defects shall not detract from aesthetic of the planting area. Beds shall be weeded and detailed a minimum of once every two (2) weeks.
5. **Bark mulch:** Replenishment will be discussed and evaluated at an annual review. If bark mulch needs to be added, this would be deemed extra work and billed accordingly.
6. **Weeds:** Weed control in all areas shall be prevented and/or treated to not exceed service level tolerance for the location.

TREES

Trees shall be maintained using International Society of Arboriculture standards in order to ensure public safety, in addition to the overall health and structural integrity of the tree. Trees shall conform to the general shape and height of the species.

1. **Pruning:** Tree limbs shall be pruned at height of eight feet (8') or higher for pedestrian clearance over sidewalks, pathways and trails and fifteen feet (15') or higher over streets and roadways. See Attachment A, Tree Pruning Standards.
2. **Staking:**
 - a. Young trees shall be properly staked to encourage a straight trunk (growth) and until roots are firmly established.
 - b. Proper staking is detailed in the Parks Construction Standards (link provided at end of this document).
 - c. Once tree is firmly established, stakes shall be completely removed with no protrusion above finish grade or voids/holes in the soil.
 - d. Trees must be straight.
 - e. Ties on the stakes shall be checked periodically to ensure they are adjusted properly.
 - f. Tight or damaged ties or stakes shall be replaced or repaired.
3. **Removal and Replacement:** All severely or irreparably damaged trees shall be removed within thirty (30) days of notice. This includes removal of tree stumps and/or surface roots. Replacement of trees shall be during the Spring or Fall seasons, unless otherwise approved.
4. **Tree Wells:**
 - a. Shall be weed free.
 - b. A well-defined radius of three feet (3') diameter around the tree trunk shall be maintained for trees located in turf.
 - c. Use of mechanical controls, such as string trimmers, shall be utilized in a manner to prevent scarring of the tree.
 - d. No mulch for tree wells located in turf.

PORTERING

All maintained areas shall have a clean appearance. Portering services may be performed by City staff and/or Contractor staff. Please be aware of the standards below for any park or area where portering is assigned to a contractor.

Portering refers to the following items which are described in more detail below:

- Vandalism and Graffiti
- Litter/Trash Receptacle Servicing
- Unpaved or Paved Surfaces
- Access Restrictions
- Playgrounds
- Sports Facilities

1. Vandalism and Graffiti

All park assets shall be maintained to ensure proper functionality and shall be free of hazards.

- a. **Vandalism:** All damage caused by vandalism shall be immediately reported upon discovery. Repairs related to safety will be addressed within twenty-four (24) hours of report.
- b. **Graffiti:** All public assets shall be free of graffiti. Upon discovery, photo document the graffiti and send to Parks Supervisory team. Obscene graffiti must be cleaned or covered immediately.
- c. **Temporary Closures:** In situations where vandalized components pose a risk to public safety or alter the intended use, the area shall be cordoned off to prevent public use. A sign indicating the component is temporarily closed for public use shall be posted on site. Any temporary closure shall be immediately reported to the Parks Supervisory team.

2. Litter/Trash Receptacle Servicing

All maintained areas shall have a clean appearance and be free of litter, trash or debris after service is completed.

- a. **Hazardous debris/litter:**
 - i. Remove hazardous debris immediately upon discovery.
- b. **Trash receptacles:**
 - i. Shall not be more than 2/3 full.
 - ii. Shall not have a foul odor.
- c. **Frequency:** Servicing of trash receptacles shall occur a minimum of two (2) days per week or three (3) non-consecutive days per week based on service level.

3. Paved and Unpaved Surfaces

Paved and unpaved surfaces shall be maintained to ensure public safety and cleanliness. Surfaces shall be smooth, less than one-quarter inch (1/4") height difference between panels, contain no "bird baths," and be free of weeds, algae, debris, litter, bark, engineered wood fiber or other friable material.

Paved or impervious surfaces: Examples include concrete or asphalt pathways, picnic areas, asphalt parking lots, brick or pavers mortared in place, etc. These surfaces shall be inspected monthly for cracks and raised areas. Tripping hazards shall be immediately reported and repaired.

Unpaved or pervious surfaces: Examples include decomposed granite pathways, gravel parking lots, pervious concrete, bricks or pavers set in sand, pea gravel areas within parks, etc. These surfaces shall be inspected two (2) times a year. Holes, divots, cracks and bare areas shall be filled, repaired or replenished upon discovery.

4. Playgrounds

All play equipment and associated resilient surfacing shall be maintained to ensure overall safety and functionality.

a. Resilient surfacing:

- i. Friable surfaces: Examples are sand or engineered wood fiber. These surfaces shall be raked smooth a minimum of three (3) non-consecutive days per week to achieve a consistent distribution of material across the entire area within the containment area or as needed. The minimum thickness of material shall be twelve inches (12"). Emphasis shall be placed on high use zones such as swings, slide exits, entry steps, etc.
- ii. Poured-in-place rubber surfacing shall be free of holes or cracks no larger than a two inches (2") in diameter +/-.

b. Removal of unwanted material:

Unwanted material or debris that impact the safety, cleanliness or functionality of the play space shall be removed immediately upon discovery.

5. Sports Facilities

Sports facilities include softball fields, baseball fields, soccer fields, horseshoe pits, and outdoor sports courts (basketball, tennis, pickle ball, bocce ball, volleyball, etc.

- a. **Sports court surfaces**: Surfaces shall be cleaned a minimum of two (2) times per month to prevent buildup of sand, leaves, bark mulch, gravel, etc.
- b. **Basketball**: Backboards, rims and nets will be clean, free of holes or tears and in good working condition.
- c. **Horseshoe courts**: Backboards and fences shall be in good condition. Rake and fill holes, divots or cracks as needed to prevent trips and falls.
- d. **Sand volleyball courts**: Sand shall be raked smooth on a bi-weekly basis, be replenished as needed and be weed free.
- e. **Dedicated softball/baseball fields**: Infields and warning tracks shall be essentially weed free throughout year. Low areas in turf and infields shall be filled upon discovery.

Backstops, sideline fences, dug-outs and safety netting shall be free of holes, protruding pieces or broken components

6. Park Signage

- a. Visibility of all signage including park identification signs, playground rules, park rules, park namesake biography signs, kiosks, interpretive signs, etc. shall be clear of obstructions such as tree limbs, shrubs or other plant material.
- b. Text on signs shall be legible and colors shall be consistent.
- c. Signs shall be securely mounted and located at key points or sight lines for clear visibility.

7. Water Features

- a. All water features shall be clean and free of litter and debris.

SERVICE LEVELS

The chart below outlines differences in allowable tolerances based on the four service levels. Each park or streetscape is assigned a service level and the Contractor is expected to provide maintenance at that level unless otherwise noted. Tasks not listed in the chart below shall be maintained at the basic maintenance level described above.

	Premium	Standard	Core	Low
Turf Care				
Maintained between:				
Warm season (Bermuda)	1"-2"	1"-2.5"	1"-2.5"	1"-2.5"
Cool season (Fescue & Bluegrass)	2"-3.5"	2"-3.5"	2"-4"	2.5"-4.5"
Bare Areas	None	up to 15%	Up to 30%	Up to 40%
Edging	Every other week	One every 3 weeks	Once per month	None
Weeds	None (street frontages, play/picnic areas, etc.)	No more than 20%	No more than 40%	No more than 60%
Aeration	2x/year (minimum)	1x/year & as needed	1x/year	None
Landscaping & Trees				
Hedge pruning	At top of fence/wall	Within 1' under top of wall/fence	No more than 1' over top of fence/wall	Acceptable
Missing plant material (includes trees)	None	None within high visibility areas	In limited areas (up to 20%)	Acceptable
Weeds	None	None within high visibility areas	In limited areas (up to 25%)	1-4 applications per year as budget allows
Pruning Shrubs	3/x year (Minimum)	3/x year (Minimum)	2/x per year	1/x per year
Portering Services (Parks)				
Litter/Trash Receptacle Servicing	Daily	3 non-consecutive days/week	2x/week	2x/month
Playground and Sports Facility Raking	4 days/week	3 non-consecutive days/week	2 non-consecutive days/week	1 time per week
Sports Courts	4 times/month	2 times/month	1 time/month	None

City of Roseville Parks, Recreation & Libraries Parks Design & Construction Standards can be found on our website at www.roseville.ca.us/parksintheworks.

Attachment A

2016 City of Roseville

Tree Pruning Standards & Tree Maintenance Standards

All work shall be performed under the on-site supervision of a licensed and experienced ISA Certified Arborist and Qualified Tree Risk Assessor (TRAQ).

All work shall conform to the current Standards and Best Management Practices of:

- American National Standards Institute (ANSI) A300 for Tree Care Operations- Standard Practices for Tree Pruning and Risk Assessment.
- ANSI Z133.1 Safety Requirements for Arboricultural Operations.
- International Society of Arboriculture (ISA) Best Management Practices for Tree Pruning, Risk Assessment, Cabling, Fertilization, Tree Planting, IPM.
- California Occupational Safety and Health Administration (OSHA) General Industry Safety Orders: Tree Work, Maintenance, Removal, Logging, Rigging, Crane and Aerial Devices.

A. Level II Risk Assessment:

On all Routine Cycle Pruning, Grid Pruning and Specialty Pruning the contractor shall perform an ISA level II Risk Assessment (basic assessment) on each tree prior to making any pruning cuts or performing any other tree work. The level II assessment shall be performed by an experienced ISA Qualified Tree Risk Assessor (TRAQ).

B. Routine Cycle Pruning (Grid Pruning): Section 1 to 4

- When performing routine cycle & service request pruning, section 1 to 7, contractor shall perform all pruning including structural and clearance pruning.
- If a tree has encroached into the high voltage lines contractor shall not be allowed to perform any pruning and shall immediately notify utility provider to clear the tree away from the lines. After the tree has been pruned and the line is cleared by the utility provider the contractor can proceed with the pruning.
- All pruning projects shall be coordinated with the City and approved two weeks prior to start date.
- All traffic controls and bike trail closures shall be approved by the City at least one week prior to project start; see section C 11 (standard requirements).
- Equipment use including bucket trucks in parks and golf courses, shall be coordinated and approved by City staff at least two weeks prior to project start.
- No trucks over a weight of 6,000lbs pounds shall be driven on concrete pathways.
- No trucks or other equipment shall be driven on wet turf.
- Before driving on landscape or parks, irrigation main lines and sprinkler heads must be marked by City staff.

1. Structural Pruning including Clearance Pruning: Young Trees (0"-6" DBH) and (7"-12" DBH)

- a. Prune to manage tree growth and form to maximize safety, structural integrity, and health.
 - i. Whenever reducing the length of a limb the reduction cuts must be made back to a parent branch with at least 1/3 the diameter of the subordinated limb.
 - ii. Lion tailing will not be allowed.
- b. Remove dead branches at the point of attachment; >0.75" in diameter.
- c. Remove diseased, decayed, broken, weakly attached, and/or crossing branches.
- d. Develop and/or maintain a central leader.
- e. Space main branches along one central leader.
- f. Identify the lowest branch in the permanent canopy to facilitate management of lower branches.
- g. Keep all branches less than 50% of the trunk diameter to ensure that the branch collar and branch protection zone remain intact.
- h. Vertically and radial space scaffold branches 12"-48" apart.
- i. Reduce growth by subordinating or removing branches with included bark and co-dominant stems >0.5" in diameter.
- j. Remove all mistletoe and vines growing on trees.
- k. Provide fourteen feet (14') overhead clearance over roadways and bike lanes.
- l. Provide eight feet (8') overhead clearance over walkways, sidewalks, and parking lots.
- m. The specified pruning may require the removal of up to 30% of the foliage in many instances. Under no circumstances shall more than 40% of the foliage be removed from an individual tree.

2. Structural Pruning including Clearance Pruning, Cleaning, Weight reduction, and Thinning: Intermediate Trees (13"-23" DBH)

- a. Prune to manage tree growth and form to maximize safety, structural integrity, and health.
 - i. On all trees over twenty inches (20") DBH contractor shall reduce end weight by 25% and maintain a well balanced crown.
 - ii. Whenever reducing the length of a limb the reduction cuts must be made back to a parent branch with at least 1/3 the diameter of the subordinated limb.
 - iii. Lion tailing will not be allowed.
- b. Remove dead branches at the point of attachment.
- c. Remove diseased, decayed, broken, weakly attached, and/or crossing branches; >1" in diameter.
- d. Develop and/or maintain a central leader.
- e. Space main branches along one central leader.
- f. Identify the lowest branch in the permanent canopy to facilitate management of lower branches.
- g. Vertically and radial space scaffold branches 12"-48" apart.
- h. Reduce growth by subordinating or removing branches with included bark and co-dominant stems over 1.5" in diameter.
- i. On trees with dense foliage, thin crown to allow wind and light penetration into the interior branches.
- j. Remove all mistletoe and vines growing on trees.
- k. Provide fourteen feet (14') overhead clearance over roadways and bike lanes.
- l. Provide eight feet (8') overhead clearance over walkways, sidewalks, and parking lots.
- m. The specified pruning may require the removal of up to 30% of the foliage in many instances. Under no circumstances shall more than 40% of the foliage be removed from an individual tree.

3. Mature Tree Pruning including Clearance Pruning, Cleaning, Weight reduction and Thinning: Mature Trees (24"+ DBH)

- a. Prune to manage tree growth and form to maximize safety, structural integrity, and health.
 - i. On all trees DBH contractor shall reduce end weight by 25% and maintain a well balanced crown.
 - ii. Whenever reducing the length of a limb the reduction cuts must be made back to a parent branch with at least 1/3 the diameter of the subordinated limb.
 - iii. Lion tailing will not be allowed.
- b. Remove dead branches at the point of attachment; >1" in diameter.
- c. Remove diseased, decayed, broken, weakly attached, and/or crossing branches.
- d. Reduce growth by subordinating or removing branches with included bark and co-dominant stems.
- e. On trees with dense foliage, thin crown to allow light penetration onto the interior branches.
- f. Remove all mistletoe and vines growing on trees.
- g. Provide fourteen feet (14') overhead clearance over roadways and bike lanes.
- h. Provide eight feet (8') overhead clearance over walkways, sidewalks, and parking lots.
- i. Do not remove more than 25% of live foliage from tree unless directed by Urban Forester.
- j. Do not remove live branches larger than 8" in diameter without approval from the Urban Forester.

4. Palm Pruning

- a. Remove dead fronds, fruits or loose petioles. Dead fronds are those with less than 50% green tissue.
- b. Live, healthy fronds above horizontal (9 o'clock to 3 o'clock) shall not be removed.
- c. Fronds removed shall be severed close to the petiole base without damaging living trunk tissue.
- d. Palm peeling (shaving) shall consist of the removal of only the dead frond bases at the point they make contact with the trunk without damaging living trunk tissue.

C. Extra Work: Section 5 to 10

5. Bike Trail Safety Pruning:

- a. Prune to manage tree growth and form to maximize safety, structural integrity, and health.
 - i. On all trees over twenty inches (20") DBH contractor shall reduce end weight by 25% on the tree's side that overhangs the bike trail.
 - ii. Whenever reducing the length of a limb the reduction cuts must be made back to a parent branch with at least 1/3 the diameter of the subordinated limb.
 - iii. Lion tailing will not be allowed.
- b. Remove dead branches at the point of attachment; > 1" in diameter.
- c. Provide fourteen feet (14') overhead clearance at bike trails.
- d. Remove diseased, decayed, broken, weakly attached, and/or crossing branches.
- e. Remove all mistletoe.
- f. Prune to clear line of sight for bike trails, traffic signs, signals, and street signs.

- g. Set up proper traffic control and re-direct pedestrians and bicyclists when working on a bike trail.

6. Clearance Pruning for roadsides, sidewalks, signs and light structures

- a. Prune to manage tree growth and form to maximize safety, visibility, structural integrity, and health.
 - i. Contractor shall reduce end weight by 25-50% on the tree's side that overhangs the roadside, sidewalks, signs and light structures.
 - ii. Whenever reducing the length of a limb the reduction cuts must be made back to a parent branch with at least 1/3 the diameter of the subordinated limb.
 - iii. Lion tailing will not be allowed.
- b. Remove dead branches at the point of attachment; >1" in diameter.
- c. Provide fourteen feet (14') overhead clearance at roadsides.
- d. Provide eight feet (8') overhead clearance at parking lots, sidewalks, and other pathways.
- e. Clear sign or light structure on all sides so that it is visible.
- f. Balance Tree on road- and sidewalk side

7. Clearance Pruning for Traffic Signal Head & Traffic Sign Obstructions:

- a. Prune to manage tree growth and form to maximize safety, visibility, structural integrity, and health.
 - i. Contractor shall reduce end weight by 25-50% on the tree's side that overhangs the roadway.
 - ii. Whenever reducing the length of a limb the reduction cuts must be made back to a parent branch with at least 1/3 the diameter of the subordinated limb.
 - iii. Lion tailing will not be allowed.
- b. Remove dead branches at the point of attachment; >1" in diameter
- c. Provide fourteen feet (14') overhead clearance at roadsides.
- d. Provide eight feet (8') overhead clearance at parking lots, sidewalks, and other pathways.
- e. Prune to clear line of sight to traffic signs (stop sign, speed limit sign, etc.) and follow Table A1 for required sight distance.
- f. Prune to clear line of sight for traffic signal heads and follow Table A2 for required sight distance.
- g. Balance Tree on road- and sidewalk side

Table A1: Required Traffic Sign Sight Distance as a function of speed

Speed* (mph)	Distance (ft)
20	115
25	155
30	200
35	250
40	305
45	360
50	425
55	495
60	570
65	645
70	730
75	820

* Posted speed, off peak 85th percentile speed prior to work starting, or the anticipated operating speed

Table A2: Required Traffic Signal Head Distance as a function of speed

85th Percentile Speed (mph)	Minimum Sight Distance (ft)
20	175
25	215
30	270
35	325
40	390
45	460
50	540
55	625
60	715

8. Emergency Services & Response:

- a. The contractor shall be required to provide emergency response with a 3-4 person crew for hanging limbs, hazardous, wind damaged or downed trees. This may include day, night, weekends, holidays and during storms. The contractor will be given specific locations and the work to be done at each location via telephone from a City authorized representative. The contractor shall be required to start the work indicated within sixty (60) minutes of the initial phone call and report back to the City representative upon completion of the work specified. Before and after pictures for documentation shall be taken by the contractor.
- b. The contractor is required to provide a 24 hour emergency phone number and names of two (2) contact individuals within one (1) week of contract award. Should the phone number or contact person change during the course of the contract the contractor is required to inform the City immediately.
- c. The contractor shall be required to provide all traffic control required during emergency response operations. Staff that performs traffic control operations must be traffic control certified. No work shall be performed on trees affected by high voltage lines. Should the work involve high voltage lines the contractor shall be required to notify the responsible utility company to shut down the line or take any other necessary actions to allow work to be performed safely.

9. Removal of Stumps and Stump Grinding:

- a. All stumps must be removed to at least eighteen inches (18") below the lowest soil level adjacent to the stump or until deep roots are no longer encountered. The contractor shall grind the stump to a minimum of five feet (5') either side or five feet (5') radius of the outer circumference of the stump and grind until no surface roots are longer encountered.
- b. All tree stumps shall be measured four inches (4") above finish grade level to determine its size.
- c. Stumps should be cut low enough to the ground where grinding can be performed safely. No stumps shall be higher than four (4") inches.
- d. Existing stumps need to be marked immediately after tree removal with orange cones and yellow caution tape until the stumps have been completely removed and backfilled to prevent tripping hazards.
- e. All stump grinding locations shall be called in to the Underground Service Alert (USA) for locating underground utilities. The locations shall have cleared by USA prior to stump grinding.
- f. Stump grinding needs to be performed within 10 business days of UAA clearance.
- g. All stumps shall be backfilled and compacted with premium screened topsoil, two inches (2") above grade to prevent settling.
- h. No stump grinding debris such as shavings or wood fibers shall remain on site. The stump grinding debris shall not be used to backfill the grinding hole.

10. Tree Planting & Planting stock:

- a. Tree planting and planting stock shall be performed according to the current City of Roseville Parks, Recreation & Libraries Parks Design & Construction.
- b. All planted trees shall be watered in after planting.

D. Standard Requirements: section 11-15:

11. Traffic Control:

- a. All Tree Pruning, Tree Maintenance and emergency response work shall include proper Traffic Control which shall conform to the California MUTCD 2010 Edition.
- b. A written Traffic Control Plan (TCP) shall be submitted to the City's Traffic Engineering Department for approval seven (7) days prior to starting work.
- c. Only after the TCP has been approved and stamped by the City's Traffic Engineer traffic control can be set up.

12. Resident Notification:

- a. No parking signs shall be posted at least 2 days in advance to assure that no cars are blocking access to trees that need to be pruned.
- b. Residents must be informed via door knocker at least 14 days in advance that routine cycle pruning, grid pruning will take place.
- c. Residents must be informed via doorknocker for specialty pruning or tree removal at least 48hrs prior to work performed.
- d. If a tree is getting skipped for pruning due to parked cars the contractor shall come back at a later time when no car is parked there and prune the tree at unit price.
- e. Contractor must use City of Roseville door knocker template and content.

13. Tree stake and tree tie removal and repair:

- a. The contractor shall be required to remove tree stakes and tree ties that are no longer needed for support or replace broken tree stakes and tree ties during routine cycle or specialty pruning.
- b. Stakes and tie replacement shall be replaced according to current City of Roseville Parks, Recreation & Libraries Parks Design & Construction.

14. Wood chips/throughput tracking:

- a. Contractor shall be required to track on a daily basis the amount of wood chips generated (throughput through chipper) by quantity in cubic yards and location.

15. Tree Removal/Before and After Pictures:

- a. Contractor shall be required to take before and after pictures for public justification. The before pictures should show the entire tree and the specific defect(s).
- b. When the tree has been removed the branch, trunk or decay pocket with the defect shall be dissected/sliced open and pictures shall be taken depicting the cross section of the defect (after pictures).
- c. The contractor shall attach the before and after picture to the specific tree ID number and update the history in the asset management software.

COUNCIL COMMUNICATION

CC #: 1038
File #: 0800-03

Title: International Swaps and Derivatives Association - Master Agreement with Gas & Power Annexes
Contact: Petra Wallace 916-774-5510 pwallace@roseville.ca.us

Meeting Date: 10/7/2020
Item #: 7.12.

RECOMMENDATION TO COUNCIL

Staff recommends that the City Council adopt a resolution authorizing the City Manager to execute:

- International Swaps and Derivatives Association, Inc. ("ISDA") Master Agreement with Gas and Power Annexes with Citigroup Energy Inc. ("Citigroup").
- International Energy Credit Association's ("IECA") Amendment Adopting, Incorporating, and Amending the ISDA August 2012 Dodd-Frank Supplement and 2013 Dodd-Frank Supplement ("IECA Amendments") with Citigroup.

BACKGROUND

Council approved updated Electric Utility Risk Management Policies in February 2020. As part of those policies, Roseville Electric is required to limit the cost exposure of providing electricity over a three-year period by purchasing specific amounts of fixed price energy as either electricity or natural gas.

Roseville Electric has historically used financial swaps to hedge natural gas and electricity market price risk. ISDA agreements provide an industry standard contractual framework for executing financial transactions for electricity and natural gas, and provide significant credit and other protections to the City. The Citigroup ISDA agreement includes a Gas Annex and a Power Annex, facilitating physical gas and physical electricity contracts, and consolidates credit support for those transactions under the terms of the ISDA agreement. Roseville Electric has ISDA agreements in place with a number of counterparties. Citigroup is a new counterparty and is expected to offer competitive prices in physical and financial gas and electricity.

In 2013 the Commodity Futures Trading Commission created new rules governing swap trading under the Dodd-Frank Act. The rules require counterparties trading swaps to make certain representations and establish additional terms and conditions for their transactions. To facilitate

this process, the IECA Amendments were created and used since 2013 by City of Roseville and its counterparties.

FISCAL IMPACT

There is no fiscal impact associated with the execution of the ISDA agreement with Gas Annex and Power Annex as it is only an enabling agreement. There are no transactions currently pending under the proposed ISDA agreement. Transactions facilitated by the attached agreement will conform to the Roseville Energy Risk Management Policies.

ENVIRONMENTAL REVIEW

The California Environmental Quality Act (CEQA) does not apply to activities that will not result in a direct or reasonably foreseeable indirect physical change in the environment, or is otherwise not considered a project as defined by CEQA Statute §21065 and CEQA State Guidelines §15060(c)(3) and §15378.

The ISDA agreement with Gas Annex and Power Annex meets the above criteria and is not subject to CEQA. No additional environmental review is required.

Respectfully Submitted,

Petra Wallace, Electric Risk and Compliance Supervisor

Michelle Bertolino, Electric Utility Director

Dominick Casey, City Manager

ATTACHMENTS:

Description

Resolution No. 20-397

ISDA 2002 Master Agreement

Amendment Citigroup ISDA August 2012 DF Supplement

Amendment Citigroup ISDA March 2013 DF Supplement

RESOLUTION NO. 20-397

APPROVING (1) AN INTERNATIONAL SWAPS AND DERIVATIVES ASSOCIATION, INC. ("ISDA") MASTER AGREEMENT WITH GAS AND POWER ANNEXES WITH CITIGROUP ENERGY, INC. ("CITYGROUP") AND (2) THE INTERNATIONAL ENERGY CREDIT ASSOCIATION'S ("IECA") AMENDMENT ADOPTING, INCORPORATING, AND AMENDING THE ISDA AUGUST 2012 DODD-FRANK SUPPLEMENT AND 2013 DODD-FRANK SUPPLEMENT ("IECA AMENDMENTS") WITH CITIGROUP, BY AND BETWEEN THE CITY OF ROSEVILLE AND CITIGROUP, AND AUTHORIZING THE CITY MANAGER TO EXECUTE THEM ON BEHALF OF THE CITY OF ROSEVILLE

WHEREAS, International Swaps and Derivatives Association ("ISDA") agreements provide an industry standard contractual framework for executing financial transactions for electricity and natural gas, and provide significant credit and other protections to the City; and

WHEREAS, the Citigroup ISDA agreement includes a Gas Annex and a Power Annex, facilitating physical gas and physical electricity contracts, and consolidates credit support for those transactions under the terms of the ISDA agreement; and

WHEREAS, in 2013 the Commodity Futures Trading Commission (CFTC) created new rules governing swap trading under the Dodd-Frank Act; and

WHEREAS, the CFTC rules require counterparties trading swaps to make certain representations and establish additional terms and conditions for their transactions, as described in the International Energy Credit Association's Amendment adopting, incorporating, and amending the ISDA August 2012 Dodd-Frank Supplement and 2013 Dodd-Frank Supplement ("IECA Amendments"), by and between the City of Roseville and Citigroup Energy, Inc; and

WHEREAS, the ISDA Master Agreement with Gas and Power Annexes, and the IECA Amendments, both by and between the City of Roseville and Citigroup Energy, Inc., have been reviewed by the City Council.

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Roseville that the ISDA Master Agreement with Gas and Power Annexes, and the IECA Amendments, both by and between the City of Roseville and Citigroup Energy, Inc., are hereby approved and that the City Manager is authorized to execute them on behalf of the City of Roseville.

PASSED AND ADOPTED by the Council of the City of Roseville this ____ day of _____, 20_, by the following vote on roll call:

AYES COUNCILMEMBERS:

2002 MASTER AGREEMENT

dated as of August 21, 2020

CITIGROUP ENERGY INC. and CITY OF ROSEVILLE

have entered and/or anticipate entering into one or more transactions (each a "Transaction") that are or will be governed by this 2002 Master Agreement, which includes the schedule (the "Schedule"), and the documents and other confirming evidence (each a "Confirmation") exchanged between the parties or otherwise effective for the purpose of confirming or evidencing those Transactions. This 2002 Master Agreement and the Schedule are together referred to as this "Master Agreement".

Accordingly, the parties agree as follows:—

1. Interpretation

- (a) **Definitions.** The terms defined in Section 14 and elsewhere in this Master Agreement will have the meanings therein specified for the purpose of this Master Agreement.
- (b) **Inconsistency.** In the event of any inconsistency between the provisions of the Schedule and the other provisions of this Master Agreement, the Schedule will prevail. In the event of any inconsistency between the provisions of any Confirmation and this Master Agreement, such Confirmation will prevail for the purpose of the relevant Transaction.
- (c) **Single Agreement.** All Transactions are entered into in reliance on the fact that this Master Agreement and all Confirmations form a single agreement between the parties (collectively referred to as this "Agreement"), and the parties would not otherwise enter into any Transactions.

2. Obligations

- (a) **General Conditions.**
 - (i) Each party will make each payment or delivery specified in each Confirmation to be made by it, subject to the other provisions of this Agreement.
 - (ii) Payments under this Agreement will be made on the due date for value on that date in the place of the account specified in the relevant Confirmation or otherwise pursuant to this Agreement, in freely transferable funds and in the manner customary for payments in the required currency. Where settlement is by delivery (that is, other than by payment), such delivery will be made for receipt on the due date in the manner customary for the relevant obligation unless otherwise specified in the relevant Confirmation or elsewhere in this Agreement.

(iii) Each obligation of each party under Section 2(a)(i) is subject to (1) the condition precedent that no Event of Default or Potential Event of Default with respect to the other party has occurred and is continuing, (2) the condition precedent that no Early Termination Date in respect of the relevant Transaction has occurred or been effectively designated and (3) each other condition specified in this Agreement to be a condition precedent for the purpose of this Section 2(a)(iii).

(b) **Change of Account.** Either party may change its account for receiving a payment or delivery by giving notice to the other party at least five Local Business Days prior to the Scheduled Settlement Date for the payment or delivery to which such change applies unless such other party gives timely notice of a reasonable objection to such change.

(c) **Netting of Payments.** If on any date amounts would otherwise be payable:—

- (i) in the same currency; and
- (ii) in respect of the same Transaction,

by each party to the other, then, on such date, each party's obligation to make payment of any such amount will be automatically satisfied and discharged and, if the aggregate amount that would otherwise have been payable by one party exceeds the aggregate amount that would otherwise have been payable by the other party, replaced by an obligation upon the party by which the larger aggregate amount would have been payable to pay to the other party the excess of the larger aggregate amount over the smaller aggregate amount.

The parties may elect in respect of two or more Transactions that a net amount and payment obligation will be determined in respect of all amounts payable on the same date in the same currency in respect of those Transactions, regardless of whether such amounts are payable in respect of the same Transaction. The election may be made in the Schedule or any Confirmation by specifying that "Multiple Transaction Payment Netting" applies to the Transactions identified as being subject to the election (in which case clause (ii) above will not apply to such Transactions). If Multiple Transaction Payment Netting is applicable to Transactions, it will apply to those Transactions with effect from the starting date specified in the Schedule or such Confirmation, or, if a starting date is not specified in the Schedule or such Confirmation, the starting date otherwise agreed by the parties in writing. This election may be made separately for different groups of Transactions and will apply separately to each pairing of Offices through which the parties make and receive payments or deliveries.

(d) **Deduction or Withholding for Tax.**

(i) **Gross-Up.** All payments under this Agreement will be made without any deduction or withholding for or on account of any Tax unless such deduction or withholding is required by any applicable law, as modified by the practice of any relevant governmental revenue authority, then in effect. If a party is so required to deduct or withhold, then that party ("X") will:—

- (1) promptly notify the other party ("Y") of such requirement;
- (2) pay to the relevant authorities the full amount required to be deducted or withheld (including the full amount required to be deducted or withheld from any additional amount paid by X to Y under this Section 2(d)) promptly upon the earlier of determining that such deduction or withholding is required or receiving notice that such amount has been assessed against Y;
- (3) promptly forward to Y an official receipt (or a certified copy), or other documentation reasonably acceptable to Y, evidencing such payment to such authorities; and

(4) if such Tax is an Indemnifiable Tax, pay to Y, in addition to the payment to which Y is otherwise entitled under this Agreement, such additional amount as is necessary to ensure that the net amount actually received by Y (free and clear of Indemnifiable Taxes, whether assessed against X or Y) will equal the full amount Y would have received had no such deduction or withholding been required. However, X will not be required to pay any additional amount to Y to the extent that it would not be required to be paid but for:—

(A) the failure by Y to comply with or perform any agreement contained in Section 4(a)(i), 4(a)(iii) or 4(d); or

(B) the failure of a representation made by Y pursuant to Section 3(f) to be accurate and true unless such failure would not have occurred but for (I) any action taken by a taxing authority, or brought in a court of competent jurisdiction, after a Transaction is entered into (regardless of whether such action is taken or brought with respect to a party to this Agreement) or (II) a Change in Tax Law.

(ii) **Liability.** If:—

(1) X is required by any applicable law, as modified by the practice of any relevant governmental revenue authority, to make any deduction or withholding in respect of which X would not be required to pay an additional amount to Y under Section 2(d)(i)(4);

(2) X does not so deduct or withhold; and

(3) a liability resulting from such Tax is assessed directly against X,

then, except to the extent Y has satisfied or then satisfies the liability resulting from such Tax, Y will promptly pay to X the amount of such liability (including any related liability for interest, but including any related liability for penalties only if Y has failed to comply with or perform any agreement contained in Section 4(a)(i), 4(a)(iii) or 4(d)).

3. Representations

Each party makes the representations contained in Sections 3(a), 3(b), 3(c), 3(d), 3(e) and 3(f) and, if specified in the Schedule as applying, 3(g) to the other party (which representations will be deemed to be repeated by each party on each date on which a Transaction is entered into and, in the case of the representations in Section 3(f), at all times until the termination of this Agreement). If any “Additional Representation” is specified in the Schedule or any Confirmation as applying, the party or parties specified for such Additional Representation will make and, if applicable, be deemed to repeat such Additional Representation at the time or times specified for such Additional Representation.

(a) **Basic Representations.**

(i) **Status.** It is duly organised and validly existing under the laws of the jurisdiction of its organisation or incorporation and, if relevant under such laws, in good standing;

(ii) **Powers.** It has the power to execute this Agreement and any other documentation relating to this Agreement to which it is a party, to deliver this Agreement and any other documentation relating to this Agreement that it is required by this Agreement to deliver and to perform its obligations under this Agreement and any obligations it has under any Credit Support Document to which it is a party and has taken all necessary action to authorise such execution, delivery and performance;

- (iii) **No Violation or Conflict.** Such execution, delivery and performance do not violate or conflict with any law applicable to it, any provision of its constitutional documents, any order or judgment of any court or other agency of government applicable to it or any of its assets or any contractual restriction binding on or affecting it or any of its assets;
 - (iv) **Consents.** All governmental and other consents that are required to have been obtained by it with respect to this Agreement or any Credit Support Document to which it is a party have been obtained and are in full force and effect and all conditions of any such consents have been complied with; and
 - (v) **Obligations Binding.** Its obligations under this Agreement and any Credit Support Document to which it is a party constitute its legal, valid and binding obligations, enforceable in accordance with their respective terms (subject to applicable bankruptcy, reorganisation, insolvency, moratorium or similar laws affecting creditors' rights generally and subject, as to enforceability, to equitable principles of general application (regardless of whether enforcement is sought in a proceeding in equity or at law)).
- (b) **Absence of Certain Events.** No Event of Default or Potential Event of Default or, to its knowledge, Termination Event with respect to it has occurred and is continuing and no such event or circumstance would occur as a result of its entering into or performing its obligations under this Agreement or any Credit Support Document to which it is a party.
- (c) **Absence of Litigation.** There is not pending or, to its knowledge, threatened against it, any of its Credit Support Providers or any of its applicable Specified Entities any action, suit or proceeding at law or in equity or before any court, tribunal, governmental body, agency or official or any arbitrator that is likely to affect the legality, validity or enforceability against it of this Agreement or any Credit Support Document to which it is a party or its ability to perform its obligations under this Agreement or such Credit Support Document.
- (d) **Accuracy of Specified Information.** All applicable information that is furnished in writing by or on behalf of it to the other party and is identified for the purpose of this Section 3(d) in the Schedule is, as of the date of the information, true, accurate and complete in every material respect.
- (e) **Payer Tax Representation.** Each representation specified in the Schedule as being made by it for the purpose of this Section 3(e) is accurate and true.
- (f) **Payee Tax Representations.** Each representation specified in the Schedule as being made by it for the purpose of this Section 3(f) is accurate and true.
- (g) **No Agency.** It is entering into this Agreement, including each Transaction, as principal and not as agent of any person or entity.

4. Agreements

Each party agrees with the other that, so long as either party has or may have any obligation under this Agreement or under any Credit Support Document to which it is a party:—

- (a) **Furnish Specified Information.** It will deliver to the other party or, in certain cases under clause (iii) below, to such government or taxing authority as the other party reasonably directs:—
- (i) any forms, documents or certificates relating to taxation specified in the Schedule or any Confirmation;
 - (ii) any other documents specified in the Schedule or any Confirmation; and

(iii) upon reasonable demand by such other party, any form or document that may be required or reasonably requested in writing in order to allow such other party or its Credit Support Provider to make a payment under this Agreement or any applicable Credit Support Document without any deduction or withholding for or on account of any Tax or with such deduction or withholding at a reduced rate (so long as the completion, execution or submission of such form or document would not materially prejudice the legal or commercial position of the party in receipt of such demand), with any such form or document to be accurate and completed in a manner reasonably satisfactory to such other party and to be executed and to be delivered with any reasonably required certification,

in each case by the date specified in the Schedule or such Confirmation or, if none is specified, as soon as reasonably practicable.

(b) **Maintain Authorisations.** It will use all reasonable efforts to maintain in full force and effect all consents of any governmental or other authority that are required to be obtained by it with respect to this Agreement or any Credit Support Document to which it is a party and will use all reasonable efforts to obtain any that may become necessary in the future.

(c) **Comply With Laws.** It will comply in all material respects with all applicable laws and orders to which it may be subject if failure so to comply would materially impair its ability to perform its obligations under this Agreement or any Credit Support Document to which it is a party.

(d) **Tax Agreement.** It will give notice of any failure of a representation made by it under Section 3(f) to be accurate and true promptly upon learning of such failure.

(e) **Payment of Stamp Tax.** Subject to Section 11, it will pay any Stamp Tax levied or imposed upon it or in respect of its execution or performance of this Agreement by a jurisdiction in which it is incorporated, organised, managed and controlled or considered to have its seat, or where an Office through which it is acting for the purpose of this Agreement is located ("Stamp Tax Jurisdiction"), and will indemnify the other party against any Stamp Tax levied or imposed upon the other party or in respect of the other party's execution or performance of this Agreement by any such Stamp Tax Jurisdiction which is not also a Stamp Tax Jurisdiction with respect to the other party.

5. Events of Default and Termination Events

(a) **Events of Default.** The occurrence at any time with respect to a party or, if applicable, any Credit Support Provider of such party or any Specified Entity of such party of any of the following events constitutes (subject to Sections 5(c) and 6(e)(iv)) an event of default (an "Event of Default") with respect to such party:—

(i) **Failure to Pay or Deliver.** Failure by the party to make, when due, any payment under this Agreement or delivery under Section 2(a)(i) or 9(h)(i)(2) or (4) required to be made by it if such failure is not remedied on or before the first Local Business Day in the case of any such payment or the first Local Delivery Day in the case of any such delivery after, in each case, notice of such failure is given to the party;

(ii) **Breach of Agreement; Repudiation of Agreement.**

(1) Failure by the party to comply with or perform any agreement or obligation (other than an obligation to make any payment under this Agreement or delivery under Section 2(a)(i) or 9(h)(i)(2) or (4) or to give notice of a Termination Event or any agreement or obligation under Section 4(a)(i), 4(a)(iii) or 4(d)) to be complied with or performed by the party in accordance with this Agreement if such failure is not remedied within 30 days after notice of such failure is given to the party; or

(2) the party disaffirms, disclaims, repudiates or rejects, in whole or in part, or challenges the validity of, this Master Agreement, any Confirmation executed and delivered by that party or any

Transaction evidenced by such a Confirmation (or such action is taken by any person or entity appointed or empowered to operate it or act on its behalf);

(iii) ***Credit Support Default.***

(1) Failure by the party or any Credit Support Provider of such party to comply with or perform any agreement or obligation to be complied with or performed by it in accordance with any Credit Support Document if such failure is continuing after any applicable grace period has elapsed;

(2) the expiration or termination of such Credit Support Document or the failing or ceasing of such Credit Support Document, or any security interest granted by such party or such Credit Support Provider to the other party pursuant to any such Credit Support Document, to be in full force and effect for the purpose of this Agreement (in each case other than in accordance with its terms) prior to the satisfaction of all obligations of such party under each Transaction to which such Credit Support Document relates without the written consent of the other party; or

(3) the party or such Credit Support Provider disaffirms, disclaims, repudiates or rejects, in whole or in part, or challenges the validity of, such Credit Support Document (or such action is taken by any person or entity appointed or empowered to operate it or act on its behalf);

(iv) ***Misrepresentation.*** A representation (other than a representation under Section 3(e) or 3(f)) made or repeated or deemed to have been made or repeated by the party or any Credit Support Provider of such party in this Agreement or any Credit Support Document proves to have been incorrect or misleading in any material respect when made or repeated or deemed to have been made or repeated;

(v) ***Default Under Specified Transaction.*** The party, any Credit Support Provider of such party or any applicable Specified Entity of such party:—

(1) defaults (other than by failing to make a delivery) under a Specified Transaction or any credit support arrangement relating to a Specified Transaction and, after giving effect to any applicable notice requirement or grace period, such default results in a liquidation of, an acceleration of obligations under, or an early termination of, that Specified Transaction;

(2) defaults, after giving effect to any applicable notice requirement or grace period, in making any payment due on the last payment or exchange date of, or any payment on early termination of, a Specified Transaction (or, if there is no applicable notice requirement or grace period, such default continues for at least one Local Business Day);

(3) defaults in making any delivery due under (including any delivery due on the last delivery or exchange date of) a Specified Transaction or any credit support arrangement relating to a Specified Transaction and, after giving effect to any applicable notice requirement or grace period, such default results in a liquidation of, an acceleration of obligations under, or an early termination of, all transactions outstanding under the documentation applicable to that Specified Transaction; or

(4) disaffirms, disclaims, repudiates or rejects, in whole or in part, or challenges the validity of, a Specified Transaction or any credit support arrangement relating to a Specified Transaction that is, in either case, confirmed or evidenced by a document or other confirming evidence executed and delivered by that party, Credit Support Provider or Specified Entity (or such action is taken by any person or entity appointed or empowered to operate it or act on its behalf);

(vi) **Cross-Default.** If "Cross-Default" is specified in the Schedule as applying to the party, the occurrence or existence of:—

(1) a default, event of default or other similar condition or event (however described) in respect of such party, any Credit Support Provider of such party or any applicable Specified Entity of such party under one or more agreements or instruments relating to Specified Indebtedness of any of them (individually or collectively) where the aggregate principal amount of such agreements or instruments, either alone or together with the amount, if any, referred to in clause (2) below, is not less than the applicable Threshold Amount (as specified in the Schedule) which has resulted in such Specified Indebtedness becoming, or becoming capable at such time of being declared, due and payable under such agreements or instruments before it would otherwise have been due and payable; or

(2) a default by such party, such Credit Support Provider or such Specified Entity (individually or collectively) in making one or more payments under such agreements or instruments on the due date for payment (after giving effect to any applicable notice requirement or grace period) in an aggregate amount, either alone or together with the amount, if any, referred to in clause (1) above, of not less than the applicable Threshold Amount;

(vii) **Bankruptcy.** The party, any Credit Support Provider of such party or any applicable Specified Entity of such party:—

(1) is dissolved (other than pursuant to a consolidation, amalgamation or merger); (2) becomes insolvent or is unable to pay its debts or fails or admits in writing its inability generally to pay its debts as they become due; (3) makes a general assignment, arrangement or composition with or for the benefit of its creditors; (4)(A) institutes or has instituted against it, by a regulator, supervisor or any similar official with primary insolvency, rehabilitative or regulatory jurisdiction over it in the jurisdiction of its incorporation or organisation or the jurisdiction of its head or home office, a proceeding seeking a judgment of insolvency or bankruptcy or any other relief under any bankruptcy or insolvency law or other similar law affecting creditors' rights, or a petition is presented for its winding-up or liquidation by it or such regulator, supervisor or similar official, or (B) has instituted against it a proceeding seeking a judgment of insolvency or bankruptcy or any other relief under any bankruptcy or insolvency law or other similar law affecting creditors' rights, or a petition is presented for its winding-up or liquidation, and such proceeding or petition is instituted or presented by a person or entity not described in clause (A) above and either (I) results in a judgment of insolvency or bankruptcy or the entry of an order for relief or the making of an order for its winding-up or liquidation or (II) is not dismissed, discharged, stayed or restrained in each case within 15 days of the institution or presentation thereof; (5) has a resolution passed for its winding-up, official management or liquidation (other than pursuant to a consolidation, amalgamation or merger); (6) seeks or becomes subject to the appointment of an administrator, provisional liquidator, conservator, receiver, trustee, custodian or other similar official for it or for all or substantially all its assets; (7) has a secured party take possession of all or substantially all its assets or has a distress, execution, attachment, sequestration or other legal process levied, enforced or sued on or against all or substantially all its assets and such secured party maintains possession, or any such process is not dismissed, discharged, stayed or restrained, in each case within 15 days thereafter; (8) causes or is subject to any event with respect to it which, under the applicable laws of any jurisdiction, has an analogous effect to any of the events specified in clauses (1) to (7) above (inclusive); or (9) takes any action in furtherance of, or indicating its consent to, approval of, or acquiescence in, any of the foregoing acts; or

(viii) ***Merger Without Assumption.*** The party or any Credit Support Provider of such party consolidates or amalgamates with, or merges with or into, or transfers all or substantially all its assets to, or reorganises, reincorporates or reconstitutes into or as, another entity and, at the time of such consolidation, amalgamation, merger, transfer, reorganisation, reincorporation or reconstitution:—

- (1) the resulting, surviving or transferee entity fails to assume all the obligations of such party or such Credit Support Provider under this Agreement or any Credit Support Document to which it or its predecessor was a party; or
- (2) the benefits of any Credit Support Document fail to extend (without the consent of the other party) to the performance by such resulting, surviving or transferee entity of its obligations under this Agreement.

(b) ***Termination Events.*** The occurrence at any time with respect to a party or, if applicable, any Credit Support Provider of such party or any Specified Entity of such party of any event specified below constitutes (subject to Section 5(c)) an Illegality if the event is specified in clause (i) below, a Force Majeure Event if the event is specified in clause (ii) below, a Tax Event if the event is specified in clause (iii) below, a Tax Event Upon Merger if the event is specified in clause (iv) below, and, if specified to be applicable, a Credit Event Upon Merger if the event is specified pursuant to clause (v) below or an Additional Termination Event if the event is specified pursuant to clause (vi) below:—

(i) ***Illegality.*** After giving effect to any applicable provision, disruption fallback or remedy specified in, or pursuant to, the relevant Confirmation or elsewhere in this Agreement, due to an event or circumstance (other than any action taken by a party or, if applicable, any Credit Support Provider of such party) occurring after a Transaction is entered into, it becomes unlawful under any applicable law (including without limitation the laws of any country in which payment, delivery or compliance is required by either party or any Credit Support Provider, as the case may be), on any day, or it would be unlawful if the relevant payment, delivery or compliance were required on that day (in each case, other than as a result of a breach by the party of Section 4(b)):—

- (1) for the Office through which such party (which will be the Affected Party) makes and receives payments or deliveries with respect to such Transaction to perform any absolute or contingent obligation to make a payment or delivery in respect of such Transaction, to receive a payment or delivery in respect of such Transaction or to comply with any other material provision of this Agreement relating to such Transaction; or
- (2) for such party or any Credit Support Provider of such party (which will be the Affected Party) to perform any absolute or contingent obligation to make a payment or delivery which such party or Credit Support Provider has under any Credit Support Document relating to such Transaction, to receive a payment or delivery under such Credit Support Document or to comply with any other material provision of such Credit Support Document;

(ii) ***Force Majeure Event.*** After giving effect to any applicable provision, disruption fallback or remedy specified in, or pursuant to, the relevant Confirmation or elsewhere in this Agreement, by reason of force majeure or act of state occurring after a Transaction is entered into, on any day:—

- (1) the Office through which such party (which will be the Affected Party) makes and receives payments or deliveries with respect to such Transaction is prevented from performing any absolute or contingent obligation to make a payment or delivery in respect of such Transaction, from receiving a payment or delivery in respect of such Transaction or from complying with any other material provision of this Agreement relating to such Transaction (or would be so prevented if such payment, delivery or compliance were required on that day), or it becomes impossible or

impracticable for such Office so to perform, receive or comply (or it would be impossible or impracticable for such Office so to perform, receive or comply if such payment, delivery or compliance were required on that day); or

(2) such party or any Credit Support Provider of such party (which will be the Affected Party) is prevented from performing any absolute or contingent obligation to make a payment or delivery which such party or Credit Support Provider has under any Credit Support Document relating to such Transaction, from receiving a payment or delivery under such Credit Support Document or from complying with any other material provision of such Credit Support Document (or would be so prevented if such payment, delivery or compliance were required on that day), or it becomes impossible or impracticable for such party or Credit Support Provider so to perform, receive or comply (or it would be impossible or impracticable for such party or Credit Support Provider so to perform, receive or comply if such payment, delivery or compliance were required on that day),

so long as the force majeure or act of state is beyond the control of such Office, such party or such Credit Support Provider, as appropriate, and such Office, party or Credit Support Provider could not, after using all reasonable efforts (which will not require such party or Credit Support Provider to incur a loss, other than immaterial, incidental expenses), overcome such prevention, impossibility or impracticability;

(iii) **Tax Event.** Due to (1) any action taken by a taxing authority, or brought in a court of competent jurisdiction, after a Transaction is entered into (regardless of whether such action is taken or brought with respect to a party to this Agreement) or (2) a Change in Tax Law, the party (which will be the Affected Party) will, or there is a substantial likelihood that it will, on the next succeeding Scheduled Settlement Date (A) be required to pay to the other party an additional amount in respect of an Indemnifiable Tax under Section 2(d)(i)(4) (except in respect of interest under Section 9(h)) or (B) receive a payment from which an amount is required to be deducted or withheld for or on account of a Tax (except in respect of interest under Section 9(h)) and no additional amount is required to be paid in respect of such Tax under Section 2(d)(i)(4) (other than by reason of Section 2(d)(i)(4)(A) or (B));

(iv) **Tax Event Upon Merger.** The party (the "Burdened Party") on the next succeeding Scheduled Settlement Date will either (1) be required to pay an additional amount in respect of an Indemnifiable Tax under Section 2(d)(i)(4) (except in respect of interest under Section 9(h)) or (2) receive a payment from which an amount has been deducted or withheld for or on account of any Tax in respect of which the other party is not required to pay an additional amount (other than by reason of Section 2(d)(i)(4)(A) or (B)), in either case as a result of a party consolidating or amalgamating with, or merging with or into, or transferring all or substantially all its assets (or any substantial part of the assets comprising the business conducted by it as of the date of this Master Agreement) to, or reorganising, reincorporating or reconstituting into or as, another entity (which will be the Affected Party) where such action does not constitute a Merger Without Assumption;

(v) **Credit Event Upon Merger.** If "Credit Event Upon Merger" is specified in the Schedule as applying to the party, a Designated Event (as defined below) occurs with respect to such party, any Credit Support Provider of such party or any applicable Specified Entity of such party (in each case, "X") and such Designated Event does not constitute a Merger Without Assumption, and the creditworthiness of X or, if applicable, the successor, surviving or transferee entity of X, after taking into account any applicable Credit Support Document, is materially weaker immediately after the occurrence of such Designated Event than that of X immediately prior to the occurrence of such Designated Event (and, in any such event, such party or its successor, surviving or transferee entity, as appropriate, will be the Affected Party). A "Designated Event" with respect to X means that:—

(1) X consolidates or amalgamates with, or merges with or into, or transfers all or substantially all its assets (or any substantial part of the assets comprising the business conducted by X as of the

date of this Master Agreement) to, or reorganises, reincorporates or reconstitutes into or as, another entity;

(2) any person, related group of persons or entity acquires directly or indirectly the beneficial ownership of (A) equity securities having the power to elect a majority of the board of directors (or its equivalent) of X or (B) any other ownership interest enabling it to exercise control of X; or

(3) X effects any substantial change in its capital structure by means of the issuance, incurrence or guarantee of debt or the issuance of (A) preferred stock or other securities convertible into or exchangeable for debt or preferred stock or (B) in the case of entities other than corporations, any other form of ownership interest; or

(vi) **Additional Termination Event.** If any "Additional Termination Event" is specified in the Schedule or any Confirmation as applying, the occurrence of such event (and, in such event, the Affected Party or Affected Parties will be as specified for such Additional Termination Event in the Schedule or such Confirmation).

(c) ***Hierarchy of Events.***

(i) An event or circumstance that constitutes or gives rise to an Illegality or a Force Majeure Event will not, for so long as that is the case, also constitute or give rise to an Event of Default under Section 5(a)(i), 5(a)(ii)(1) or 5(a)(iii)(1) insofar as such event or circumstance relates to the failure to make any payment or delivery or a failure to comply with any other material provision of this Agreement or a Credit Support Document, as the case may be.

(ii) Except in circumstances contemplated by clause (i) above, if an event or circumstance which would otherwise constitute or give rise to an Illegality or a Force Majeure Event also constitutes an Event of Default or any other Termination Event, it will be treated as an Event of Default or such other Termination Event, as the case may be, and will not constitute or give rise to an Illegality or a Force Majeure Event.

(iii) If an event or circumstance which would otherwise constitute or give rise to a Force Majeure Event also constitutes an Illegality, it will be treated as an Illegality, except as described in clause (ii) above, and not a Force Majeure Event.

(d) ***Deferral of Payments and Deliveries During Waiting Period.*** If an Illegality or a Force Majeure Event has occurred and is continuing with respect to a Transaction, each payment or delivery which would otherwise be required to be made under that Transaction will be deferred to, and will not be due until:—

(i) the first Local Business Day or, in the case of a delivery, the first Local Delivery Day (or the first day that would have been a Local Business Day or Local Delivery Day, as appropriate, but for the occurrence of the event or circumstance constituting or giving rise to that Illegality or Force Majeure Event) following the end of any applicable Waiting Period in respect of that Illegality or Force Majeure Event, as the case may be; or

(ii) if earlier, the date on which the event or circumstance constituting or giving rise to that Illegality or Force Majeure Event ceases to exist or, if such date is not a Local Business Day or, in the case of a delivery, a Local Delivery Day, the first following day that is a Local Business Day or Local Delivery Day, as appropriate.

(e) ***Inability of Head or Home Office to Perform Obligations of Branch.*** If (i) an Illegality or a Force Majeure Event occurs under Section 5(b)(i)(1) or 5(b)(ii)(1) and the relevant Office is not the Affected Party's head or home office, (ii) Section 10(a) applies, (iii) the other party seeks performance of the relevant obligation or

compliance with the relevant provision by the Affected Party's head or home office and (iv) the Affected Party's head or home office fails so to perform or comply due to the occurrence of an event or circumstance which would, if that head or home office were the Office through which the Affected Party makes and receives payments and deliveries with respect to the relevant Transaction, constitute or give rise to an Illegality or a Force Majeure Event, and such failure would otherwise constitute an Event of Default under Section 5(a)(i) or 5(a)(iii)(1) with respect to such party, then, for so long as the relevant event or circumstance continues to exist with respect to both the Office referred to in Section 5(b)(i)(1) or 5(b)(ii)(1), as the case may be, and the Affected Party's head or home office, such failure will not constitute an Event of Default under Section 5(a)(i) or 5(a)(iii)(1).

6. Early Termination; Close-Out Netting

(a) ***Right to Terminate Following Event of Default.*** If at any time an Event of Default with respect to a party (the "Defaulting Party") has occurred and is then continuing, the other party (the "Non-defaulting Party") may, by not more than 20 days notice to the Defaulting Party specifying the relevant Event of Default, designate a day not earlier than the day such notice is effective as an Early Termination Date in respect of all outstanding Transactions. If, however, "Automatic Early Termination" is specified in the Schedule as applying to a party, then an Early Termination Date in respect of all outstanding Transactions will occur immediately upon the occurrence with respect to such party of an Event of Default specified in Section 5(a)(vii)(1), (3), (5), (6) or, to the extent analogous thereto, (8), and as of the time immediately preceding the institution of the relevant proceeding or the presentation of the relevant petition upon the occurrence with respect to such party of an Event of Default specified in Section 5(a)(vii)(4) or, to the extent analogous thereto, (8).

(b) ***Right to Terminate Following Termination Event.***

(i) ***Notice.*** If a Termination Event other than a Force Majeure Event occurs, an Affected Party will, promptly upon becoming aware of it, notify the other party, specifying the nature of that Termination Event and each Affected Transaction, and will also give the other party such other information about that Termination Event as the other party may reasonably require. If a Force Majeure Event occurs, each party will, promptly upon becoming aware of it, use all reasonable efforts to notify the other party, specifying the nature of that Force Majeure Event, and will also give the other party such other information about that Force Majeure Event as the other party may reasonably require.

(ii) ***Transfer to Avoid Termination Event.*** If a Tax Event occurs and there is only one Affected Party, or if a Tax Event Upon Merger occurs and the Burdened Party is the Affected Party, the Affected Party will, as a condition to its right to designate an Early Termination Date under Section 6(b)(iv), use all reasonable efforts (which will not require such party to incur a loss, other than immaterial, incidental expenses) to transfer within 20 days after it gives notice under Section 6(b)(i) all its rights and obligations under this Agreement in respect of the Affected Transactions to another of its Offices or Affiliates so that such Termination Event ceases to exist.

If the Affected Party is not able to make such a transfer it will give notice to the other party to that effect within such 20 day period, whereupon the other party may effect such a transfer within 30 days after the notice is given under Section 6(b)(i).

Any such transfer by a party under this Section 6(b)(ii) will be subject to and conditional upon the prior written consent of the other party, which consent will not be withheld if such other party's policies in effect at such time would permit it to enter into transactions with the transferee on the terms proposed.

(iii) ***Two Affected Parties.*** If a Tax Event occurs and there are two Affected Parties, each party will use all reasonable efforts to reach agreement within 30 days after notice of such occurrence is given under Section 6(b)(i) to avoid that Termination Event.

(iv) ***Right to Terminate.***

(1) If:—

(A) a transfer under Section 6(b)(ii) or an agreement under Section 6(b)(iii), as the case may be, has not been effected with respect to all Affected Transactions within 30 days after an Affected Party gives notice under Section 6(b)(i); or

(B) a Credit Event Upon Merger or an Additional Termination Event occurs, or a Tax Event Upon Merger occurs and the Burdened Party is not the Affected Party,

the Burdened Party in the case of a Tax Event Upon Merger, any Affected Party in the case of a Tax Event or an Additional Termination Event if there are two Affected Parties, or the Non-affected Party in the case of a Credit Event Upon Merger or an Additional Termination Event if there is only one Affected Party may, if the relevant Termination Event is then continuing, by not more than 20 days notice to the other party, designate a day not earlier than the day such notice is effective as an Early Termination Date in respect of all Affected Transactions.

(2) If at any time an Illegality or a Force Majeure Event has occurred and is then continuing and any applicable Waiting Period has expired:—

(A) Subject to clause (B) below, either party may, by not more than 20 days notice to the other party, designate (I) a day not earlier than the day on which such notice becomes effective as an Early Termination Date in respect of all Affected Transactions or (II) by specifying in that notice the Affected Transactions in respect of which it is designating the relevant day as an Early Termination Date, a day not earlier than two Local Business Days following the day on which such notice becomes effective as an Early Termination Date in respect of less than all Affected Transactions. Upon receipt of a notice designating an Early Termination Date in respect of less than all Affected Transactions, the other party may, by notice to the designating party, if such notice is effective on or before the day so designated, designate that same day as an Early Termination Date in respect of any or all other Affected Transactions.

(B) An Affected Party (if the Illegality or Force Majeure Event relates to performance by such party or any Credit Support Provider of such party of an obligation to make any payment or delivery under, or to compliance with any other material provision of, the relevant Credit Support Document) will only have the right to designate an Early Termination Date under Section 6(b)(iv)(2)(A) as a result of an Illegality under Section 5(b)(i)(2) or a Force Majeure Event under Section 5(b)(ii)(2) following the prior designation by the other party of an Early Termination Date, pursuant to Section 6(b)(iv)(2)(A), in respect of less than all Affected Transactions.

(c) ***Effect of Designation.***

(i) If notice designating an Early Termination Date is given under Section 6(a) or 6(b), the Early Termination Date will occur on the date so designated, whether or not the relevant Event of Default or Termination Event is then continuing.

(ii) Upon the occurrence or effective designation of an Early Termination Date, no further payments or deliveries under Section 2(a)(i) or 9(h)(i) in respect of the Terminated Transactions will be required to be made, but without prejudice to the other provisions of this Agreement. The amount, if any, payable in respect of an Early Termination Date will be determined pursuant to Sections 6(e) and 9(h)(ii).

(d) ***Calculations; Payment Date.***

(i) ***Statement.*** On or as soon as reasonably practicable following the occurrence of an Early Termination Date, each party will make the calculations on its part, if any, contemplated by Section 6(e) and will provide to the other party a statement (I) showing, in reasonable detail, such calculations (including any quotations, market data or information from internal sources used in making such calculations), (2) specifying (except where there are two Affected Parties) any Early Termination Amount payable and (3) giving details of the relevant account to which any amount payable to it is to be paid. In the absence of written confirmation from the source of a quotation or market data obtained in determining a Close-out Amount, the records of the party obtaining such quotation or market data will be conclusive evidence of the existence and accuracy of such quotation or market data.

(ii) ***Payment Date.*** An Early Termination Amount due in respect of any Early Termination Date will, together with any amount of interest payable pursuant to Section 9(h)(ii)(2), be payable (1) on the day on which notice of the amount payable is effective in the case of an Early Termination Date which is designated or occurs as a result of an Event of Default and (2) on the day which is two Local Business Days after the day on which notice of the amount payable is effective (or, if there are two Affected Parties, after the day on which the statement provided pursuant to clause (i) above by the second party to provide such a statement is effective) in the case of an Early Termination Date which is designated as a result of a Termination Event.

(e) ***Payments on Early Termination.*** If an Early Termination Date occurs, the amount, if any, payable in respect of that Early Termination Date (the "Early Termination Amount") will be determined pursuant to this Section 6(e) and will be subject to Section 6(f).

(i) ***Events of Default.*** If the Early Termination Date results from an Event of Default, the Early Termination Amount will be an amount equal to (1) the sum of (A) the Termination Currency Equivalent of the Close-out Amount or Close-out Amounts (whether positive or negative) determined by the Non-defaulting Party for each Terminated Transaction or group of Terminated Transactions, as the case may be, and (B) the Termination Currency Equivalent of the Unpaid Amounts owing to the Non-defaulting Party less (2) the Termination Currency Equivalent of the Unpaid Amounts owing to the Defaulting Party. If the Early Termination Amount is a positive number, the Defaulting Party will pay it to the Non-defaulting Party; if it is a negative number, the Non-defaulting Party will pay the absolute value of the Early Termination Amount to the Defaulting Party.

(ii) ***Termination Events.*** If the Early Termination Date results from a Termination Event:—

(1) ***One Affected Party.*** Subject to clause (3) below, if there is one Affected Party, the Early Termination Amount will be determined in accordance with Section 6(e)(i), except that references to the Defaulting Party and to the Non-defaulting Party will be deemed to be references to the Affected Party and to the Non-affected Party, respectively.

(2) ***Two Affected Parties.*** Subject to clause (3) below, if there are two Affected Parties, each party will determine an amount equal to the Termination Currency Equivalent of the sum of the Close-out Amount or Close-out Amounts (whether positive or negative) for each Terminated Transaction or group of Terminated Transactions, as the case may be, and the Early Termination Amount will be an amount equal to (A) the sum of (I) one-half of the difference between the higher amount so determined (by party "X") and the lower amount so determined (by party "Y") and (II) the Termination Currency Equivalent of the Unpaid Amounts owing to X less (B) the Termination Currency Equivalent of the Unpaid Amounts owing to Y. If the Early Termination Amount is a positive number, Y will pay it to X; if it is a negative number, X will pay the absolute value of the Early Termination Amount to Y.

(3) *Mid-Market Events.* If that Termination Event is an Illegality or a Force Majeure Event, then the Early Termination Amount will be determined in accordance with clause (1) or (2) above, as appropriate, except that, for the purpose of determining a Close-out Amount or Close-out Amounts, the Determining Party will:—

(A) if obtaining quotations from one or more third parties (or from any of the Determining Party's Affiliates), ask each third party or Affiliate (I) not to take account of the current creditworthiness of the Determining Party or any existing Credit Support Document and (II) to provide mid-market quotations; and

(B) in any other case, use mid-market values without regard to the creditworthiness of the Determining Party.

(iii) *Adjustment for Bankruptcy.* In circumstances where an Early Termination Date occurs because Automatic Early Termination applies in respect of a party, the Early Termination Amount will be subject to such adjustments as are appropriate and permitted by applicable law to reflect any payments or deliveries made by one party to the other under this Agreement (and retained by such other party) during the period from the relevant Early Termination Date to the date for payment determined under Section 6(d)(ii).

(iv) *Adjustment for Illegality or Force Majeure Event.* The failure by a party or any Credit Support Provider of such party to pay, when due, any Early Termination Amount will not constitute an Event of Default under Section 5(a)(i) or 5(a)(iii)(1) if such failure is due to the occurrence of an event or circumstance which would, if it occurred with respect to payment, delivery or compliance related to a Transaction, constitute or give rise to an Illegality or a Force Majeure Event. Such amount will (1) accrue interest and otherwise be treated as an Unpaid Amount owing to the other party if subsequently an Early Termination Date results from an Event of Default, a Credit Event Upon Merger or an Additional Termination Event in respect of which all outstanding Transactions are Affected Transactions and (2) otherwise accrue interest in accordance with Section 9(h)(ii)(2).

(v) *Pre-Estimate.* The parties agree that an amount recoverable under this Section 6(e) is a reasonable pre-estimate of loss and not a penalty. Such amount is payable for the loss of bargain and the loss of protection against future risks, and, except as otherwise provided in this Agreement, neither party will be entitled to recover any additional damages as a consequence of the termination of the Terminated Transactions.

(f) *Set-Off.* Any Early Termination Amount payable to one party (the "Payee") by the other party (the "Payer"), in circumstances where there is a Defaulting Party or where there is one Affected Party in the case where either a Credit Event Upon Merger has occurred or any other Termination Event in respect of which all outstanding Transactions are Affected Transactions has occurred, will, at the option of the Non-defaulting Party or the Non-affected Party, as the case may be ("X") (and without prior notice to the Defaulting Party or the Affected Party, as the case may be), be reduced by its set-off against any other amounts ("Other Amounts") payable by the Payee to the Payer (whether or not arising under this Agreement, matured or contingent and irrespective of the currency, place of payment or place of booking of the obligation). To the extent that any Other Amounts are so set off, those Other Amounts will be discharged promptly and in all respects. X will give notice to the other party of any set-off effected under this Section 6(f).

For this purpose, either the Early Termination Amount or the Other Amounts (or the relevant portion of such amounts) may be converted by X into the currency in which the other is denominated at the rate of exchange at which such party would be able, in good faith and using commercially reasonable procedures, to purchase the relevant amount of such currency.

If an obligation is unascertained, X may in good faith estimate that obligation and set off in respect of the estimate, subject to the relevant party accounting to the other when the obligation is ascertained.

Nothing in this Section 6(f) will be effective to create a charge or other security interest. This Section 6(f) will be without prejudice and in addition to any right of set-off, offset, combination of accounts, lien, right of retention or withholding or similar right or requirement to which any party is at any time otherwise entitled or subject (whether by operation of law, contract or otherwise).

7. Transfer

Subject to Section 6(b)(ii) and to the extent permitted by applicable law, neither this Agreement nor any interest or obligation in or under this Agreement may be transferred (whether by way of security or otherwise) by either party without the prior written consent of the other party, except that:—

- (a) a party may make such a transfer of this Agreement pursuant to a consolidation or amalgamation with, or merger with or into, or transfer of all or substantially all its assets to, another entity (but without prejudice to any other right or remedy under this Agreement); and
- (b) a party may make such a transfer of all or any part of its interest in any Early Termination Amount payable to it by a Defaulting Party, together with any amounts payable on or with respect to that interest and any other rights associated with that interest pursuant to Sections 8, 9(h) and 11.

Any purported transfer that is not in compliance with this Section 7 will be void.

8. Contractual Currency

(a) **Payment in the Contractual Currency.** Each payment under this Agreement will be made in the relevant currency specified in this Agreement for that payment (the "Contractual Currency"). To the extent permitted by applicable law, any obligation to make payments under this Agreement in the Contractual Currency will not be discharged or satisfied by any tender in any currency other than the Contractual Currency, except to the extent such tender results in the actual receipt by the party to which payment is owed, acting in good faith and using commercially reasonable procedures in converting the currency so tendered into the Contractual Currency, of the full amount in the Contractual Currency of all amounts payable in respect of this Agreement. If for any reason the amount in the Contractual Currency so received falls short of the amount in the Contractual Currency payable in respect of this Agreement, the party required to make the payment will, to the extent permitted by applicable law, immediately pay such additional amount in the Contractual Currency as may be necessary to compensate for the shortfall. If for any reason the amount in the Contractual Currency so received exceeds the amount in the Contractual Currency payable in respect of this Agreement, the party receiving the payment will refund promptly the amount of such excess.

(b) **Judgments.** To the extent permitted by applicable law, if any judgment or order expressed in a currency other than the Contractual Currency is rendered (i) for the payment of any amount owing in respect of this Agreement, (ii) for the payment of any amount relating to any early termination in respect of this Agreement or (iii) in respect of a judgment or order of another court for the payment of any amount described in clause (i) or (ii) above, the party seeking recovery, after recovery in full of the aggregate amount to which such party is entitled pursuant to the judgment or order, will be entitled to receive immediately from the other party the amount of any shortfall of the Contractual Currency received by such party as a consequence of sums paid in such other currency and will refund promptly to the other party any excess of the Contractual Currency received by such party as a consequence of sums paid in such other currency if such shortfall or such excess arises or results from any variation between the rate of exchange at which the Contractual Currency is converted into the currency of the judgment or order for the purpose of such judgment or order and the rate of exchange at which such party is able, acting in good faith and using

commercially reasonable procedures in converting the currency received into the Contractual Currency, to purchase the Contractual Currency with the amount of the currency of the judgment or order actually received by such party.

(c) **Separate Indemnities.** To the extent permitted by applicable law, the indemnities in this Section 8 constitute separate and independent obligations from the other obligations in this Agreement, will be enforceable as separate and independent causes of action, will apply notwithstanding any indulgence granted by the party to which any payment is owed and will not be affected by judgment being obtained or claim or proof being made for any other sums payable in respect of this Agreement.

(d) **Evidence of Loss.** For the purpose of this Section 8, it will be sufficient for a party to demonstrate that it would have suffered a loss had an actual exchange or purchase been made.

9. Miscellaneous

(a) **Entire Agreement.** This Agreement constitutes the entire agreement and understanding of the parties with respect to its subject matter. Each of the parties acknowledges that in entering into this Agreement it has not relied on any oral or written representation, warranty or other assurance (except as provided for or referred to in this Agreement) and waives all rights and remedies which might otherwise be available to it in respect thereof, except that nothing in this Agreement will limit or exclude any liability of a party for fraud.

(b) **Amendments.** An amendment, modification or waiver in respect of this Agreement will only be effective if in writing (including a writing evidenced by a facsimile transmission) and executed by each of the parties or confirmed by an exchange of telexes or by an exchange of electronic messages on an electronic messaging system.

(c) **Survival of Obligations.** Without prejudice to Sections 2(a)(iii) and 6(c)(ii), the obligations of the parties under this Agreement will survive the termination of any Transaction.

(d) **Remedies Cumulative.** Except as provided in this Agreement, the rights, powers, remedies and privileges provided in this Agreement are cumulative and not exclusive of any rights, powers, remedies and privileges provided by law.

(e) Counterparts and Confirmations.

(i) This Agreement (and each amendment, modification and waiver in respect of it) may be executed and delivered in counterparts (including by facsimile transmission and by electronic messaging system), each of which will be deemed an original.

(ii) The parties intend that they are legally bound by the terms of each Transaction from the moment they agree to those terms (whether orally or otherwise). A Confirmation will be entered into as soon as practicable and may be executed and delivered in counterparts (including by facsimile transmission) or be created by an exchange of telexes, by an exchange of electronic messages on an electronic messaging system or by an exchange of e-mails, which in each case will be sufficient for all purposes to evidence a binding supplement to this Agreement. The parties will specify therein or through another effective means that any such counterpart, telex, electronic message or e-mail constitutes a Confirmation.

(f) **No Waiver of Rights.** A failure or delay in exercising any right, power or privilege in respect of this Agreement will not be presumed to operate as a waiver, and a single or partial exercise of any right, power or privilege will not be presumed to preclude any subsequent or further exercise, of that right, power or privilege or the exercise of any other right, power or privilege.

(g) **Headings.** The headings used in this Agreement are for convenience of reference only and are not to affect the construction of or to be taken into consideration in interpreting this Agreement.

(h) ***Interest and Compensation.***

(i) ***Prior to Early Termination.*** Prior to the occurrence or effective designation of an Early Termination Date in respect of the relevant Transaction:—

(1) ***Interest on Defaulted Payments.*** If a party defaults in the performance of any payment obligation, it will, to the extent permitted by applicable law and subject to Section 6(c), pay interest (before as well as after judgment) on the overdue amount to the other party on demand in the same currency as the overdue amount, for the period from (and including) the original due date for payment to (but excluding) the date of actual payment (and excluding any period in respect of which interest or compensation in respect of the overdue amount is due pursuant to clause (3)(B) or (C) below), at the Default Rate.

(2) ***Compensation for Defaulted Deliveries.*** If a party defaults in the performance of any obligation required to be settled by delivery, it will on demand (A) compensate the other party to the extent provided for in the relevant Confirmation or elsewhere in this Agreement and (B) unless otherwise provided in the relevant Confirmation or elsewhere in this Agreement, to the extent permitted by applicable law and subject to Section 6(c), pay to the other party interest (before as well as after judgment) on an amount equal to the fair market value of that which was required to be delivered in the same currency as that amount, for the period from (and including) the originally scheduled date for delivery to (but excluding) the date of actual delivery (and excluding any period in respect of which interest or compensation in respect of that amount is due pursuant to clause (4) below), at the Default Rate. The fair market value of any obligation referred to above will be determined as of the originally scheduled date for delivery, in good faith and using commercially reasonable procedures, by the party that was entitled to take delivery.

(3) ***Interest on Deferred Payments.*** If:—

(A) a party does not pay any amount that, but for Section 2(a)(iii), would have been payable, it will, to the extent permitted by applicable law and subject to Section 6(c) and clauses (B) and (C) below, pay interest (before as well as after judgment) on that amount to the other party on demand (after such amount becomes payable) in the same currency as that amount, for the period from (and including) the date the amount would, but for Section 2(a)(iii), have been payable to (but excluding) the date the amount actually becomes payable, at the Applicable Deferral Rate;

(B) a payment is deferred pursuant to Section 5(d), the party which would otherwise have been required to make that payment will, to the extent permitted by applicable law, subject to Section 6(c) and for so long as no Event of Default or Potential Event of Default with respect to that party has occurred and is continuing, pay interest (before as well as after judgment) on the amount of the deferred payment to the other party on demand (after such amount becomes payable) in the same currency as the deferred payment, for the period from (and including) the date the amount would, but for Section 5(d), have been payable to (but excluding) the earlier of the date the payment is no longer deferred pursuant to Section 5(d) and the date during the deferral period upon which an Event of Default or Potential Event of Default with respect to that party occurs, at the Applicable Deferral Rate; or

(C) a party fails to make any payment due to the occurrence of an Illegality or a Force Majeure Event (after giving effect to any deferral period contemplated by clause (B) above), it will, to the extent permitted by applicable law, subject to Section 6(c) and for so long as the event or circumstance giving rise to that Illegality or Force Majeure Event

continues and no Event of Default or Potential Event of Default with respect to that party has occurred and is continuing, pay interest (before as well as after judgment) on the overdue amount to the other party on demand in the same currency as the overdue amount, for the period from (and including) the date the party fails to make the payment due to the occurrence of the relevant Illegality or Force Majeure Event (or, if later, the date the payment is no longer deferred pursuant to Section 5(d)) to (but excluding) the earlier of the date the event or circumstance giving rise to that Illegality or Force Majeure Event ceases to exist and the date during the period upon which an Event of Default or Potential Event of Default with respect to that party occurs (and excluding any period in respect of which interest or compensation in respect of the overdue amount is due pursuant to clause (B) above), at the Applicable Deferral Rate.

(4) *Compensation for Deferred Deliveries.* If:—

(A) a party does not perform any obligation that, but for Section 2(a)(iii), would have been required to be settled by delivery;

(B) a delivery is deferred pursuant to Section 5(d); or

(C) a party fails to make a delivery due to the occurrence of an Illegality or a Force Majeure Event at a time when any applicable Waiting Period has expired,

the party required (or that would otherwise have been required) to make the delivery will, to the extent permitted by applicable law and subject to Section 6(c), compensate and pay interest to the other party on demand (after, in the case of clauses (A) and (B) above, such delivery is required) if and to the extent provided for in the relevant Confirmation or elsewhere in this Agreement.

(ii) *Early Termination.* Upon the occurrence or effective designation of an Early Termination Date in respect of a Transaction:—

(1) *Unpaid Amounts.* For the purpose of determining an Unpaid Amount in respect of the relevant Transaction, and to the extent permitted by applicable law, interest will accrue on the amount of any payment obligation or the amount equal to the fair market value of any obligation required to be settled by delivery included in such determination in the same currency as that amount, for the period from (and including) the date the relevant obligation was (or would have been but for Section 2(a)(iii) or 5(d)) required to have been performed to (but excluding) the relevant Early Termination Date, at the Applicable Close-out Rate.

(2) *Interest on Early Termination Amounts.* If an Early Termination Amount is due in respect of such Early Termination Date, that amount will, to the extent permitted by applicable law, be paid together with interest (before as well as after judgment) on that amount in the Termination Currency, for the period from (and including) such Early Termination Date to (but excluding) the date the amount is paid, at the Applicable Close-out Rate.

(iii) *Interest Calculation.* Any interest pursuant to this Section 9(h) will be calculated on the basis of daily compounding and the actual number of days elapsed.

10. Offices; Multibranch Parties

(a) If Section 10(a) is specified in the Schedule as applying, each party that enters into a Transaction through an Office other than its head or home office represents to and agrees with the other party that, notwithstanding the place of booking or its jurisdiction of incorporation or organisation, its obligations are the same in terms of recourse against it as if it had entered into the Transaction through its head or home office, except that a party will not have recourse to the head or home office of the other party in respect of any payment or delivery deferred pursuant to Section 5(d) for so long as the payment or delivery is so deferred. This representation and agreement will be deemed to be repeated by each party on each date on which the parties enter into a Transaction.

(b) If a party is specified as a Multibranch Party in the Schedule, such party may, subject to clause (c) below, enter into a Transaction through, book a Transaction in and make and receive payments and deliveries with respect to a Transaction through any Office listed in respect of that party in the Schedule (but not any other Office unless otherwise agreed by the parties in writing).

(c) The Office through which a party enters into a Transaction will be the Office specified for that party in the relevant Confirmation or as otherwise agreed by the parties in writing, and, if an Office for that party is not specified in the Confirmation or otherwise agreed by the parties in writing, its head or home office. Unless the parties otherwise agree in writing, the Office through which a party enters into a Transaction will also be the Office in which it books the Transaction and the Office through which it makes and receives payments and deliveries with respect to the Transaction. Subject to Section 6(b)(ii), neither party may change the Office in which it books the Transaction or the Office through which it makes and receives payments or deliveries with respect to a Transaction without the prior written consent of the other party.

11. Expenses

A Defaulting Party will on demand indemnify and hold harmless the other party for and against all reasonable out-of-pocket expenses, including legal fees, execution fees and Stamp Tax, incurred by such other party by reason of the enforcement and protection of its rights under this Agreement or any Credit Support Document to which the Defaulting Party is a party or by reason of the early termination of any Transaction, including, but not limited to, costs of collection.

12. Notices

(a) **Effectiveness.** Any notice or other communication in respect of this Agreement may be given in any manner described below (except that a notice or other communication under Section 5 or 6 may not be given by electronic messaging system or e-mail) to the address or number or in accordance with the electronic messaging system or e-mail details provided (see the Schedule) and will be deemed effective as indicated:—

- (i) if in writing and delivered in person or by courier, on the date it is delivered;
- (ii) if sent by telex, on the date the recipient's answerback is received;
- (iii) if sent by facsimile transmission, on the date it is received by a responsible employee of the recipient in legible form (it being agreed that the burden of proving receipt will be on the sender and will not be met by a transmission report generated by the sender's facsimile machine);
- (iv) if sent by certified or registered mail (airmail, if overseas) or the equivalent (return receipt requested), on the date it is delivered or its delivery is attempted;
- (v) if sent by electronic messaging system, on the date it is received; or

- (vi) if sent by e-mail, on the date it is delivered,

unless the date of that delivery (or attempted delivery) or that receipt, as applicable, is not a Local Business Day or that communication is delivered (or attempted) or received, as applicable, after the close of business on a Local Business Day, in which case that communication will be deemed given and effective on the first following day that is a Local Business Day.

- (b) **Change of Details.** Either party may by notice to the other change the address, telex or facsimile number or electronic messaging system or e-mail details at which notices or other communications are to be given to it.

13. Governing Law and Jurisdiction

- (a) **Governing Law.** This Agreement will be governed by and construed in accordance with the law specified in the Schedule.

- (b) **Jurisdiction.** With respect to any suit, action or proceedings relating to any dispute arising out of or in connection with this Agreement ("Proceedings"), each party irrevocably:—

- (i) submits:—

(1) if this Agreement is expressed to be governed by English law, to (A) the non-exclusive jurisdiction of the English courts if the Proceedings do not involve a Convention Court and (B) the exclusive jurisdiction of the English courts if the Proceedings do involve a Convention Court; or

(2) if this Agreement is expressed to be governed by the laws of the State of New York, to the non-exclusive jurisdiction of the courts of the State of New York and the United States District Court located in the Borough of Manhattan in New York City;

- (ii) waives any objection which it may have at any time to the laying of venue of any Proceedings brought in any such court, waives any claim that such Proceedings have been brought in an inconvenient forum and further waives the right to object, with respect to such Proceedings, that such court does not have any jurisdiction over such party; and

- (iii) agrees, to the extent permitted by applicable law, that the bringing of Proceedings in any one or more jurisdictions will not preclude the bringing of Proceedings in any other jurisdiction.

- (c) **Service of Process.** Each party irrevocably appoints the Process Agent, if any, specified opposite its name in the Schedule to receive, for it and on its behalf, service of process in any Proceedings. If for any reason any party's Process Agent is unable to act as such, such party will promptly notify the other party and within 30 days appoint a substitute process agent acceptable to the other party. The parties irrevocably consent to service of process given in the manner provided for notices in Section 12(a)(i), 12(a)(iii) or 12(a)(iv). Nothing in this Agreement will affect the right of either party to serve process in any other manner permitted by applicable law.

- (d) **Waiver of Immunities.** Each party irrevocably waives, to the extent permitted by applicable law, with respect to itself and its revenues and assets (irrespective of their use or intended use), all immunity on the grounds of sovereignty or other similar grounds from (i) suit, (ii) jurisdiction of any court, (iii) relief by way of injunction or order for specific performance or recovery of property, (iv) attachment of its assets (whether before or after judgment) and (v) execution or enforcement of any judgment to which it or its revenues or assets might otherwise be entitled in any Proceedings in the courts of any jurisdiction and irrevocably agrees, to the extent permitted by applicable law, that it will not claim any such immunity in any Proceedings.

14. Definitions

As used in this Agreement:—

“Additional Representation” has the meaning specified in Section 3.

“Additional Termination Event” has the meaning specified in Section 5(b).

“Affected Party” has the meaning specified in Section 5(b).

“Affected Transactions” means (a) with respect to any Termination Event consisting of an Illegality, Force Majeure Event, Tax Event or Tax Event Upon Merger, all Transactions affected by the occurrence of such Termination Event (which, in the case of an Illegality under Section 5(b)(i)(2) or a Force Majeure Event under Section 5(b)(ii)(2), means all Transactions unless the relevant Credit Support Document references only certain Transactions, in which case those Transactions and, if the relevant Credit Support Document constitutes a Confirmation for a Transaction, that Transaction) and (b) with respect to any other Termination Event, all Transactions.

“Affiliate” means, subject to the Schedule, in relation to any person, any entity controlled, directly or indirectly, by the person, any entity that controls, directly or indirectly, the person or any entity directly or indirectly under common control with the person. For this purpose, “control” of any entity or person means ownership of a majority of the voting power of the entity or person.

“Agreement” has the meaning specified in Section 1(c).

“Applicable Close-out Rate” means:—

- (a) in respect of the determination of an Unpaid Amount:—
 - (i) in respect of obligations payable or deliverable (or which would have been but for Section 2(a)(iii)) by a Defaulting Party, the Default Rate;
 - (ii) in respect of obligations payable or deliverable (or which would have been but for Section 2(a)(iii)) by a Non-defaulting Party, the Non-default Rate;
 - (iii) in respect of obligations deferred pursuant to Section 5(d), if there is no Defaulting Party and for so long as the deferral period continues, the Applicable Deferral Rate; and
 - (iv) in all other cases following the occurrence of a Termination Event (except where interest accrues pursuant to clause (iii) above), the Applicable Deferral Rate; and
- (b) in respect of an Early Termination Amount:—
 - (i) for the period from (and including) the relevant Early Termination Date to (but excluding) the date (determined in accordance with Section 6(d)(ii)) on which that amount is payable:—
 - (1) if the Early Termination Amount is payable by a Defaulting Party, the Default Rate;
 - (2) if the Early Termination Amount is payable by a Non-defaulting Party, the Non-default Rate; and
 - (3) in all other cases, the Applicable Deferral Rate; and

(ii) for the period from (and including) the date (determined in accordance with Section 6(d)(ii)) on which that amount is payable to (but excluding) the date of actual payment:—

- (1) if a party fails to pay the Early Termination Amount due to the occurrence of an event or circumstance which would, if it occurred with respect to a payment or delivery under a Transaction, constitute or give rise to an Illegality or a Force Majeure Event, and for so long as the Early Termination Amount remains unpaid due to the continuing existence of such event or circumstance, the Applicable Deferral Rate;
- (2) if the Early Termination Amount is payable by a Defaulting Party (but excluding any period in respect of which clause (1) above applies), the Default Rate;
- (3) if the Early Termination Amount is payable by a Non-defaulting Party (but excluding any period in respect of which clause (1) above applies), the Non-default Rate; and
- (4) in all other cases, the Termination Rate.

“Applicable Deferral Rate” means:—

- (a) for the purpose of Section 9(h)(i)(3)(A), the rate certified by the relevant payer to be a rate offered to the payer by a major bank in a relevant interbank market for overnight deposits in the applicable currency, such bank to be selected in good faith by the payer for the purpose of obtaining a representative rate that will reasonably reflect conditions prevailing at the time in that relevant market;
- (b) for purposes of Section 9(h)(i)(3)(B) and clause (a)(iii) of the definition of Applicable Close-out Rate, the rate certified by the relevant payer to be a rate offered to prime banks by a major bank in a relevant interbank market for overnight deposits in the applicable currency, such bank to be selected in good faith by the payer after consultation with the other party, if practicable, for the purpose of obtaining a representative rate that will reasonably reflect conditions prevailing at the time in that relevant market; and
- (c) for purposes of Section 9(h)(i)(3)(C) and clauses (a)(iv), (b)(i)(3) and (b)(ii)(1) of the definition of Applicable Close-out Rate, a rate equal to the arithmetic mean of the rate determined pursuant to clause (a) above and a rate per annum equal to the cost (without proof or evidence of any actual cost) to the relevant payee (as certified by it) if it were to fund or of funding the relevant amount.

“Automatic Early Termination” has the meaning specified in Section 6(a).

“Burdened Party” has the meaning specified in Section 5(b)(iv).

“Change in Tax Law” means the enactment, promulgation, execution or ratification of, or any change in or amendment to, any law (or in the application or official interpretation of any law) that occurs after the parties enter into the relevant Transaction.

“Close-out Amount” means, with respect to each Terminated Transaction or each group of Terminated Transactions and a Determining Party, the amount of the losses or costs of the Determining Party that are or would be incurred under then prevailing circumstances (expressed as a positive number) or gains of the Determining Party that are or would be realised under then prevailing circumstances (expressed as a negative number) in replacing, or in providing for the Determining Party the economic equivalent of, (a) the material terms of that Terminated Transaction or group of Terminated Transactions, including the payments and deliveries by the parties under Section 2(a)(i) in respect of that Terminated Transaction or group of Terminated Transactions that would, but for the occurrence of the relevant Early Termination Date, have been required after that date (assuming satisfaction of the conditions precedent in

Section 2(a)(iii)) and (b) the option rights of the parties in respect of that Terminated Transaction or group of Terminated Transactions.

Any Close-out Amount will be determined by the Determining Party (or its agent), which will act in good faith and use commercially reasonable procedures in order to produce a commercially reasonable result. The Determining Party may determine a Close-out Amount for any group of Terminated Transactions or any individual Terminated Transaction but, in the aggregate, for not less than all Terminated Transactions. Each Close-out Amount will be determined as of the Early Termination Date or, if that would not be commercially reasonable, as of the date or dates following the Early Termination Date as would be commercially reasonable.

Unpaid Amounts in respect of a Terminated Transaction or group of Terminated Transactions and legal fees and out-of-pocket expenses referred to in Section 11 are to be excluded in all determinations of Close-out Amounts.

In determining a Close-out Amount, the Determining Party may consider any relevant information, including, without limitation, one or more of the following types of information:—

- (i) quotations (either firm or indicative) for replacement transactions supplied by one or more third parties that may take into account the creditworthiness of the Determining Party at the time the quotation is provided and the terms of any relevant documentation, including credit support documentation, between the Determining Party and the third party providing the quotation;
- (ii) information consisting of relevant market data in the relevant market supplied by one or more third parties including, without limitation, relevant rates, prices, yields, yield curves, volatilities, spreads, correlations or other relevant market data in the relevant market; or
- (iii) information of the types described in clause (i) or (ii) above from internal sources (including any of the Determining Party's Affiliates) if that information is of the same type used by the Determining Party in the regular course of its business for the valuation of similar transactions.

The Determining Party will consider, taking into account the standards and procedures described in this definition, quotations pursuant to clause (i) above or relevant market data pursuant to clause (ii) above unless the Determining Party reasonably believes in good faith that such quotations or relevant market data are not readily available or would produce a result that would not satisfy those standards. When considering information described in clause (i), (ii) or (iii) above, the Determining Party may include costs of funding, to the extent costs of funding are not and would not be a component of the other information being utilised. Third parties supplying quotations pursuant to clause (i) above or market data pursuant to clause (ii) above may include, without limitation, dealers in the relevant markets, end-users of the relevant product, information vendors, brokers and other sources of market information.

Without duplication of amounts calculated based on information described in clause (i), (ii) or (iii) above, or other relevant information, and when it is commercially reasonable to do so, the Determining Party may in addition consider in calculating a Close-out Amount any loss or cost incurred in connection with its terminating, liquidating or re-establishing any hedge related to a Terminated Transaction or group of Terminated Transactions (or any gain resulting from any of them).

Commercially reasonable procedures used in determining a Close-out Amount may include the following:—

- (1) application to relevant market data from third parties pursuant to clause (ii) above or information from internal sources pursuant to clause (iii) above of pricing or other valuation models that are, at the time of the determination of the Close-out Amount, used by the Determining Party in the regular course of its business in pricing or valuing transactions between the Determining Party and unrelated third parties that are similar to the Terminated Transaction or group of Terminated Transactions; and

(2) application of different valuation methods to Terminated Transactions or groups of Terminated Transactions depending on the type, complexity, size or number of the Terminated Transactions or group of Terminated Transactions.

"Confirmation" has the meaning specified in the preamble.

"consent" includes a consent, approval, action, authorisation, exemption, notice, filing, registration or exchange control consent.

"Contractual Currency" has the meaning specified in Section 8(a).

"Convention Court" means any court which is bound to apply to the Proceedings either Article 17 of the 1968 Brussels Convention on Jurisdiction and the Enforcement of Judgments in Civil and Commercial Matters or Article 17 of the 1988 Lugano Convention on Jurisdiction and the Enforcement of Judgments in Civil and Commercial Matters.

"Credit Event Upon Merger" has the meaning specified in Section 5(b).

"Credit Support Document" means any agreement or instrument that is specified as such in this Agreement.

"Credit Support Provider" has the meaning specified in the Schedule.

"Cross-Default" means the event specified in Section 5(a)(vi).

"Default Rate" means a rate per annum equal to the cost (without proof or evidence of any actual cost) to the relevant payee (as certified by it) if it were to fund or of funding the relevant amount plus 1% per annum.

"Defaulting Party" has the meaning specified in Section 6(a).

"Designated Event" has the meaning specified in Section 5(b)(v).

"Determining Party" means the party determining a Close-out Amount.

"Early Termination Amount" has the meaning specified in Section 6(e).

"Early Termination Date" means the date determined in accordance with Section 6(a) or 6(b)(iv).

"electronic messages" does not include e-mails but does include documents expressed in markup languages, and **"electronic messaging system"** will be construed accordingly.

"English law" means the law of England and Wales, and **"English"** will be construed accordingly.

"Event of Default" has the meaning specified in Section 5(a) and, if applicable, in the Schedule.

"Force Majeure Event" has the meaning specified in Section 5(b).

"General Business Day" means a day on which commercial banks are open for general business (including dealings in foreign exchange and foreign currency deposits).

"Illegality" has the meaning specified in Section 5(b).

“Indemnifiable Tax” means any Tax other than a Tax that would not be imposed in respect of a payment under this Agreement but for a present or former connection between the jurisdiction of the government or taxation authority imposing such Tax and the recipient of such payment or a person related to such recipient (including, without limitation, a connection arising from such recipient or related person being or having been a citizen or resident of such jurisdiction, or being or having been organised, present or engaged in a trade or business in such jurisdiction, or having or having had a permanent establishment or fixed place of business in such jurisdiction, but excluding a connection arising solely from such recipient or related person having executed, delivered, performed its obligations or received a payment under, or enforced, this Agreement or a Credit Support Document).

“law” includes any treaty, law, rule or regulation (as modified, in the case of tax matters, by the practice of any relevant governmental revenue authority), and ***“unlawful”*** will be construed accordingly.

“Local Business Day” means (a) in relation to any obligation under Section 2(a)(i), a General Business Day in the place or places specified in the relevant Confirmation and a day on which a relevant settlement system is open or operating as specified in the relevant Confirmation or, if a place or a settlement system is not so specified, as otherwise agreed by the parties in writing or determined pursuant to provisions contained, or incorporated by reference, in this Agreement, (b) for the purpose of determining when a Waiting Period expires, a General Business Day in the place where the event or circumstance that constitutes or gives rise to the Illegality or Force Majeure Event, as the case may be, occurs, (c) in relation to any other payment, a General Business Day in the place where the relevant account is located and, if different, in the principal financial centre, if any, of the currency of such payment and, if that currency does not have a single recognised principal financial centre, a day on which the settlement system necessary to accomplish such payment is open, (d) in relation to any notice or other communication, including notice contemplated under Section 5(a)(i), a General Business Day (or a day that would have been a General Business Day but for the occurrence of an event or circumstance which would, if it occurred with respect to payment, delivery or compliance related to a Transaction, constitute or give rise to an Illegality or a Force Majeure Event) in the place specified in the address for notice provided by the recipient and, in the case of a notice contemplated by Section 2(b), in the place where the relevant new account is to be located and (e) in relation to Section 5(a)(v)(2), a General Business Day in the relevant locations for performance with respect to such Specified Transaction.

“Local Delivery Day” means, for purposes of Sections 5(a)(i) and 5(d), a day on which settlement systems necessary to accomplish the relevant delivery are generally open for business so that the delivery is capable of being accomplished in accordance with customary market practice, in the place specified in the relevant Confirmation or, if not so specified, in a location as determined in accordance with customary market practice for the relevant delivery.

“Master Agreement” has the meaning specified in the preamble.

“Merger Without Assumption” means the event specified in Section 5(a)(viii).

“Multiple Transaction Payment Netting” has the meaning specified in Section 2(c).

“Non-affected Party” means, so long as there is only one Affected Party, the other party.

“Non-default Rate” means the rate certified by the Non-defaulting Party to be a rate offered to the Non-defaulting Party by a major bank in a relevant interbank market for overnight deposits in the applicable currency, such bank to be selected in good faith by the Non-defaulting Party for the purpose of obtaining a representative rate that will reasonably reflect conditions prevailing at the time in that relevant market.

“Non-defaulting Party” has the meaning specified in Section 6(a).

“Office” means a branch or office of a party, which may be such party’s head or home office.

“Other Amounts” has the meaning specified in Section 6(f).

"Payee" has the meaning specified in Section 6(f).

"Payer" has the meaning specified in Section 6(f).

"Potential Event of Default" means any event which, with the giving of notice or the lapse of time or both, would constitute an Event of Default.

"Proceedings" has the meaning specified in Section 13(b).

"Process Agent" has the meaning specified in the Schedule.

"rate of exchange" includes, without limitation, any premiums and costs of exchange payable in connection with the purchase of or conversion into the Contractual Currency.

"Relevant Jurisdiction" means, with respect to a party, the jurisdictions (a) in which the party is incorporated, organised, managed and controlled or considered to have its seat, (b) where an Office through which the party is acting for purposes of this Agreement is located, (c) in which the party executes this Agreement and (d) in relation to any payment, from or through which such payment is made.

"Schedule" has the meaning specified in the preamble.

"Scheduled Settlement Date" means a date on which a payment or delivery is to be made under Section 2(a)(i) with respect to a Transaction.

"Specified Entity" has the meaning specified in the Schedule.

"Specified Indebtedness" means, subject to the Schedule, any obligation (whether present or future, contingent or otherwise, as principal or surety or otherwise) in respect of borrowed money.

"Specified Transaction" means, subject to the Schedule, (a) any transaction (including an agreement with respect to any such transaction) now existing or hereafter entered into between one party to this Agreement (or any Credit Support Provider of such party or any applicable Specified Entity of such party) and the other party to this Agreement (or any Credit Support Provider of such other party or any applicable Specified Entity of such other party) which is not a Transaction under this Agreement but (i) which is a rate swap transaction, swap option, basis swap, forward rate transaction, commodity swap, commodity option, equity or equity index swap, equity or equity index option, bond option, interest rate option, foreign exchange transaction, cap transaction, floor transaction, collar transaction, currency swap transaction, cross-currency rate swap transaction, currency option, credit protection transaction, credit swap, credit default swap, credit default option, total return swap, credit spread transaction, repurchase transaction, reverse repurchase transaction, buy/sell-back transaction, securities lending transaction, weather index transaction or forward purchase or sale of a security, commodity or other financial instrument or interest (including any option with respect to any of these transactions) or (ii) which is a type of transaction that is similar to any transaction referred to in clause (i) above that is currently, or in the future becomes, recurrently entered into in the financial markets (including terms and conditions incorporated by reference in such agreement) and which is a forward, swap, future, option or other derivative on one or more rates, currencies, commodities, equity securities or other equity instruments, debt securities or other debt instruments, economic indices or measures of economic risk or value, or other benchmarks against which payments or deliveries are to be made, (b) any combination of these transactions and (c) any other transaction identified as a Specified Transaction in this Agreement or the relevant confirmation.

"Stamp Tax" means any stamp, registration, documentation or similar tax.

"Stamp Tax Jurisdiction" has the meaning specified in Section 4(e).

"Tax" means any present or future tax, levy, impost, duty, charge, assessment or fee of any nature (including interest, penalties and additions thereto) that is imposed by any government or other taxing authority in respect of any payment under this Agreement other than a stamp, registration, documentation or similar tax.

"Tax Event" has the meaning specified in Section 5(b).

"Tax Event Upon Merger" has the meaning specified in Section 5(b).

"Terminated Transactions" means, with respect to any Early Termination Date, (a) if resulting from an Illegality or a Force Majeure Event, all Affected Transactions specified in the notice given pursuant to Section 6(b)(iv), (b) if resulting from any other Termination Event, all Affected Transactions and (c) if resulting from an Event of Default, all Transactions in effect either immediately before the effectiveness of the notice designating that Early Termination Date or, if Automatic Early Termination applies, immediately before that Early Termination Date.

"Termination Currency" means (a) if a Termination Currency is specified in the Schedule and that currency is freely available, that currency, and (b) otherwise, euro if this Agreement is expressed to be governed by English law or United States Dollars if this Agreement is expressed to be governed by the laws of the State of New York.

"Termination Currency Equivalent" means, in respect of any amount denominated in the Termination Currency, such Termination Currency amount and, in respect of any amount denominated in a currency other than the Termination Currency (the "Other Currency"), the amount in the Termination Currency determined by the party making the relevant determination as being required to purchase such amount of such Other Currency as at the relevant Early Termination Date, or, if the relevant Close-out Amount is determined as of a later date, that later date, with the Termination Currency at the rate equal to the spot exchange rate of the foreign exchange agent (selected as provided below) for the purchase of such Other Currency with the Termination Currency at or about 11:00 a.m. (in the city in which such foreign exchange agent is located) on such date as would be customary for the determination of such a rate for the purchase of such Other Currency for value on the relevant Early Termination Date or that later date. The foreign exchange agent will, if only one party is obliged to make a determination under Section 6(e), be selected in good faith by that party and otherwise will be agreed by the parties.

"Termination Event" means an Illegality, a Force Majeure Event, a Tax Event, a Tax Event Upon Merger or, if specified to be applicable, a Credit Event Upon Merger or an Additional Termination Event.

"Termination Rate" means a rate per annum equal to the arithmetic mean of the cost (without proof or evidence of any actual cost) to each party (as certified by such party) if it were to fund or of funding such amounts.

"Threshold Amount" means the amount, if any, specified as such in the Schedule.

"Transaction" has the meaning specified in the preamble.

"Unpaid Amounts" owing to any party means, with respect to an Early Termination Date, the aggregate of (a) in respect of all Terminated Transactions, the amounts that became payable (or that would have become payable but for Section 2(a)(iii) or due but for Section 5(d)) to such party under Section 2(a)(i) or 2(d)(i)(4) on or prior to such Early Termination Date and which remain unpaid as at such Early Termination Date, (b) in respect of each Terminated Transaction, for each obligation under Section 2(a)(i) which was (or would have been but for Section 2(a)(iii) or 5(d)) required to be settled by delivery to such party on or prior to such Early Termination Date and which has not been so settled as at such Early Termination Date, an amount equal to the fair market value of that which was (or would have been) required to be delivered and (c) if the Early Termination Date results from an Event of Default, a Credit Event Upon Merger or an Additional Termination Event in respect of which all outstanding Transactions are Affected Transactions, any Early Termination Amount due prior to such Early Termination Date and which remains unpaid as of such Early Termination Date, in each case together with any amount of interest accrued or other

compensation in respect of that obligation or deferred obligation, as the case may be, pursuant to Section 9(h)(ii)(1) or (2), as appropriate. The fair market value of any obligation referred to in clause (b) above will be determined as of the originally scheduled date for delivery, in good faith and using commercially reasonable procedures, by the party obliged to make the determination under Section 6(e) or, if each party is so obliged, it will be the average of the Termination Currency Equivalents of the fair market values so determined by both parties.

“Waiting Period” means:—

(a) in respect of an event or circumstance under Section 5(b)(i), other than in the case of Section 5(b)(i)(2) where the relevant payment, delivery or compliance is actually required on the relevant day (in which case no Waiting Period will apply), a period of three Local Business Days (or days that would have been Local Business Days but for the occurrence of that event or circumstance) following the occurrence of that event or circumstance; and

(b) in respect of an event or circumstance under Section 5(b)(ii), other than in the case of Section 5(b)(ii)(2) where the relevant payment, delivery or compliance is actually required on the relevant day (in which case no Waiting Period will apply), a period of eight Local Business Days (or days that would have been Local Business Days but for the occurrence of that event or circumstance) following the occurrence of that event or circumstance.

IN WITNESS WHEREOF the parties have executed this document on the respective dates specified below with effect from the date specified on the first page of this document.

SCHEDULE
to the
ISDA 2002 Master Agreement
dated as of August 21, 2020,

between

CITIGROUP ENERGY INC.,
a corporation organized and existing
under the laws of the State of Delaware
("Party A")

and

CITY OF ROSEVILLE,
a municipal corporation created
under the laws of the State of
California
("Party B")

Part 1
Termination Provisions

In this Agreement:

- (a) **"Specified Entity"** means in relation to Party A, for the purpose of:

Section 5(a)(v), Citigroup Global Markets Limited, Citigroup Global Markets Inc., Citigroup Global Markets Commercial Corp., Citicorp Securities Services, Inc., Citibank Europe PLC, Citigroup Global Markets Europe AG, Citibank, N.A., Citibank Japan Ltd., Citibank Canada, Citigroup Commodities Canada ULC, and Citigroup Financial Products Inc. (each, individually a "Section 5(a)(v) Affiliate");
Section 5(a)(vi), not applicable;
Section 5(a)(vii), not applicable;
Section 5(b)(iv), not applicable;

and in relation to Party B, for the purpose of:

Section 5(a)(v), Any Affiliate;
Section 5(a)(vi), not applicable;
Section 5(a)(vii), not applicable;
Section 5(b)(iv), not applicable.

(b) **"Specified Transaction"** will have the meaning specified in Section 14 of this Agreement. For purposes of clause (c) of such definition, Specified Transaction includes any securities options, margin loans, short sales, any agreement governing the purchase, sale, transfer, exchange or option of a commodity, or any other commodity trading transaction and any other similar transaction now existing or hereafter entered into between Party A (or any Credit Support Provider of Party A or any Section 5(a)(v) Affiliate of Party A) and Party B (or any Credit Support Provider of Party B or any Affiliate of Party B). For this purpose, "commodity" means any tangible or intangible commodity of any type or description, including without limitation power, natural gas, petroleum (and the products and by-products thereof), emissions allowances, precious metals and coal.

(c) The **"Cross Default"** provisions of Section 5(a)(vi) of this Agreement will apply to Party A and will apply to Party B as modified by adding, immediately prior to the semicolon at the end thereof, the following:

“provided, however, that is shall not constitute an Event of Default under either Section 5(a)(vi)(1) or (2) if (a) the event or condition referred to in Section 5(a)(vi)(1) or the failure to pay referred to in Section 5(a)(vi)(2) arises in the ordinary cause of business by mistake, oversight, or transfer difficulties and (b) such event of default or failure to pay is remedied on or before the third Business Day following the error or failure being discovered.”

In addition, Section 5(a)(vi) is hereby amended by deletion of the words “, or becoming capable at such time of being declared,” from clause (1) of such provision.

For purposes of Section 5(a)(vi), the following provisions apply:

“**Specified Indebtedness**” shall have the meaning set forth in Section 14 of this Agreement.

“**Threshold Amount**” means:

- (i) with respect to Party A, 2% of the stockholders’ equity of Party A’s Credit Support Provider; and
- (ii) with respect to Party B, \$50,000,000; and

Threshold Amount includes the U.S. Dollar equivalent on the date of any default, event of default or other similar condition or event of any obligation stated in any other currency.

For purposes of the above, stockholders’ equity shall be determined by reference to the relevant party’s most recent consolidated (quarterly, in the case of a U.S. incorporated party) balance sheet and shall include, in the case of a U.S. incorporated party, legal capital, paid-in capital, retained earnings and cumulative translation adjustments. Such balance sheet shall be prepared in accordance with accounting principles that are generally accepted in such party’s country of organization.

(d) Clause (6) of Section 5(a)(vii) of this Agreement is hereby amended to read in its entirety as follows:

“(6)(A) seeks or becomes subject to the appointment of any administrator, provisional liquidator, conservator, receiver, trustee, custodian or other similar official for it or for all or substantially all its assets or (B) in the case of Party B, any Credit Support Provider of Party B or applicable Specified Entity of Party B, (i) there shall be appointed or designated with respect to it, any entity such as an organization, board, commission, authority, agency or body to monitor, review, oversee, recommend or declare a financial emergency or similar state of financial distress with respect to it or (ii) there shall be declared or introduced or proposed for consideration by it or by any legislative or regulatory body with competent jurisdiction over it, the existence of a state of financial emergency or similar state of financial distress in respect of it;”

Without limiting the applicability of any other provision of the U.S. Bankruptcy Code, as amended (the “Bankruptcy Code”, including without limitation Sections 362, 546, 556 and 560 thereof and the applicable definitions in Section 101 thereof), it is the intention of the parties that all Transactions entered into hereunder will constitute “forward contracts” or “swap agreements” as defined in Section 101 of the Bankruptcy Code, that the rights of the parties under Section 6 of this Agreement will constitute contractual rights to liquidate Transactions, that any margin or collateral provided under any margin, collateral, security or similar agreement related hereto will constitute a “margin payment” as defined in Section 101 of the Bankruptcy Code, and that the parties are entitled to the rights under, and protections afforded by, Sections 362, 546, 556 and 560 of the Bankruptcy Code.

(e) Section 5(a)(viii) is hereby amended to read in its entirety as follows:

“(viii) **Merger Without Assumption.** The party or any Credit Support Provider of such party consolidates or amalgamates with, or merges with or into, or transfers all or substantially all its assets to, or reorganizes, incorporates, reincorporates, or reconstitutes into or as, another entity (or, without limiting the foregoing, with respect to Party B, an entity such as an organization, board, commission, authority, agency or body succeeds to the principal functions of, or power and duties granted to, Party B or any Credit Support Provider of Party B) and, at the time of such consolidation, amalgamation, merger, transfer, reorganization, incorporation, reincorporation, or reconstitution or succession:

- (1) the resulting, reorganized, reincorporated, reconstituted, surviving, transferee, or successor entity (the “Resulting Entity”) fails to assume all the obligations of such party or such Credit Support Provider under this Agreement or any Credit Support Document to which it or its predecessor was a party whether by operation of law or pursuant to an agreement reasonably satisfactory to the other party to this Agreement; or
- (2) the benefits of any Credit Support Document fail to extend (without the consent of the other party) to the performance by such Resulting Entity of its obligations under this Agreement.”

(f) The “**Credit Event Upon Merger**” provisions of Section 5(b)(v) of this Agreement will apply to Party A and its Credit Support Provider and will apply to Party B and its Credit Support Provider; provided however, that the phrase “materially weaker” means (i) the unsecured, senior, long-term indebtedness of the resulting, surviving or transferee entity is rated less than, or equal to, BBB- by S&P or less than, or equal to, Baa3 by Moody’s. “Moody’s” and “S&P” shall have the meanings ascribed to such terms in the Credit Support Annex.

(g) The “**Automatic Early Termination**” provisions of Section 6(a) of this Agreement will not apply to Party A and will not apply to Party B; *provided, however*, that with respect to a party, where the Event of Default specified in Section 5(a)(vii)(1), (3), (4), (5), (6) or to the extent analogous thereto, (8) is governed by a system of law which does not permit termination to take place after the occurrence of the relevant Event of Default, then the Automatic Early Termination provisions of Section 6(a) will apply to such party.

(h) “**Termination Currency**” means United States Dollars.

(i) “**Additional Termination Event**” provisions of Section 5(b)(v) will apply with respect to both parties and is defined as the decline in the credit rating of a party or, if the Party is not rated, its Credit Support Provider, below investment grade; that is, below BBB- by S&P, or below Baa3 by Moody’s Investor Service, Inc.

(j) **Termination Events.** Section 5(b)(v) of this Agreement is hereby amended to read in its entirety as follows:

“(v) **Credit Event Upon Merger.** If “Credit Event Upon Merger” is specified in the Schedule as applying to the party, such party (“X”), any Credit Support Provider of X or any applicable Specified Entity of X consolidates or amalgamates with, or merges with or into, or transfers all or substantially all its assets to, another entity (or, without limiting the foregoing, if X is a Party B, an entity such as an organization, board, commission, authority, agency or body succeeds to the principal functions of, or powers and duties granted to, X, any Credit Support Provider of X or any Specified Entity of X) and such action does not constitute an event described in Section 5(a)(viii) but the creditworthiness of the resulting, surviving, transferee or successor entity is materially weaker than that of X, such Credit Support Provider or such Specified Entity, as the case may be, immediately prior to such action (and, in such event, X or its successor or transferee, as appropriate, will be the Affected Party); or”

Part 2 Tax Representations

(a) **Payer Representations.** For the purpose of Section 3(e) of this Agreement, Party A will make the following representation and Party B will make the following representation:

It is not required by any applicable law, as modified by the practice of any relevant governmental revenue authority, of any Relevant Jurisdiction to make any deduction or withholding for or on account of any Tax from any payment (other than interest under Section 6(d)(ii), 6(e), 6(f) or 9(h) of this Agreement) to be made by it to the other party under this Agreement. In making this representation, it may rely on (i) the accuracy of any representations made by the other party pursuant to Section 3(f) of this Agreement, (ii) the satisfaction of the agreement contained in Section 4(a)(i) or 4(a)(iii) of this Agreement and the accuracy and effectiveness of any document provided by the other party pursuant to Section 4(a)(i) or 4(a)(iii) of this Agreement and (iii) the satisfaction of the agreement of the other party contained in Section 4(d) of this Agreement, except that it will not be a breach of this representation where reliance is placed on clause (ii) above and the other party does not deliver a form or documents under Section 4(a)(iii) by reason of material prejudice to its legal or commercial position.

(b) **Payee Representations.** For the purpose of Section 3(f) of this Agreement, Party A and Party B make the representations specified below, if any:

The following representation will apply to Party A:

It is a corporation organized under the laws of the State of Delaware and its U.S. taxpayer identification number is 27-0069674. It is "exempt" within the meaning of Treasury Regulation sections 1.6041-3(p) and 1.6049-4(c) from information reporting on Form 1099 and backup withholding.

The following representation will apply to Party B:

It is a municipal corporation organized under the laws of the State of California and is a resident of the United States of America and its U.S. taxpayer identification number is 94-6000409.

Part 3 Agreement to Deliver Documents

For the purpose of Section 4(a) of this Agreement:

(a) Tax forms, documents or certificates to be delivered are:

Party required to deliver document	Form/Document/Certificate	Date by which to be delivered
Party A and Party B	As required under Section 4(a)(iii) of this Agreement, IRS Form W-9, IRS Form W-8BEN, IRS Form W-8ECI, IRS Form W-8EXP and/or IRS Form W-8IMY, whichever is relevant.	Promptly upon execution of this Agreement.

Party required to deliver document	Form/Document/Certificate	Date by which to be delivered	Covered by Section 3(d)
Applicable for Physically-Settled Commodity Transactions	Applicable for Physically-Settled Commodity Transactions	Applicable for Physically-Settled Commodity Transactions	Applicable for Physically-Settled Commodity Transactions

Party A and Party B	Certificates, documents or other evidence sufficient to confirm the sales tax exempt status of such party for each jurisdiction in which the purchase, sale and/or delivery of any physical commodity takes place under this Agreement, such that the other party will bear no obligation in relation to such purchase, sale and/or delivery for charging, collecting or remitting sales, use or other excise taxes to any local, municipal, state or federal taxing authority or agency.	As applicable, within ten (10) Local Business Days of the receipt of a written request by one party from the other party, which written request shall be delivered in accordance with the provisions of Section 12 of this Agreement.	Yes
---------------------	---	---	-----

(b) Other documents to be delivered are:

Party required to deliver document	Form/Document/Certificate	Date by which to be delivered	Covered by Section 3(d)
Party A and Party B	Evidence reasonably satisfactory to the other party of the (i) authority of such party and its Credit Support Provider, if any, to enter into this Agreement, and Credit Support Documents and any Transactions and (ii) the authority and genuine signature of the individual signing this Agreement and any Credit Support Document on behalf of such party to execute the same.	Upon execution of this Agreement and, if requested by the other party, as soon as practicable after execution of any Confirmation of any Transaction.	Yes
Party B	Copies of its energy risk policies, guideline or similar document.	Upon execution of this Agreement.	Yes
Party B	Legal opinion in the form of Attachment C attached.	Upon execution of this Agreement.	No
Party A and Party B	Credit Support Documents.	Upon execution of this Agreement.	Yes

Party A and Party B	The party's annual report containing audited consolidated financial statements prepared in accordance with accounting principles that are generally accepted in such party's country of organization and certified by independent certified public accountants for each fiscal year, <i>provided</i> that, in the case of Party A, the annual report will be that of Party A's Credit Support Provider.	If requested by the other party, as soon as available and in any event within 120 days (or as soon as practicable after becoming publicly available) after the end of each of its or of its Credit Support Provider's, as applicable, fiscal years if such financial statement is not available on "EDGAR" or a party's, or its Credit Support Provider's, as applicable, home page on the World Wide Web at www.citigroup.com (which may be in the notes to the financial statements for Citigroup Inc.) for Party A and at http://www.roseville.ca.us/ for Party B.	Yes
Party A	Party A's Credit Support Provider's unaudited consolidated financial statements, the consolidated balance sheet and related statements of income for each fiscal year, prepared in accordance with generally accepted accounting principles in the country in which such party is organized.	If requested by the other party, as soon as available and in any event within 60 days (or as soon as practicable after becoming publicly available) after the end of each of its or its Credit Support Provider's, as applicable, fiscal quarters if such financial statement is not available on "EDGAR" or its Credit Support Provider's home page on the World Wide Web at www.citigroup.com (which may be in the notes to the financial statements for Citigroup Inc.) for Party A.	Yes

Part 4
Miscellaneous

(a) **Addresses for Notices.** For the purpose of Section 12(a) of this Agreement:

Address for notices or communications to Party A:

Address: Citigroup Energy Inc.
2800 Post Oak Blvd., Suite 500
Houston, Texas 77056
Attention: Legal Department
Telephone No.: (713) 752-5200
Facsimile No.: (713) 752-5244

(For all purposes)

In addition, in the case of notices or communications relating to Section 5, 6, 11 or 13 of this Agreement, a second copy of any such notice or communication shall be addressed to the attention of Party A's legal department as follows:

Address: Legal Department
388 Greenwich Street
17th Floor
New York, New York 10013
Attention: Senior Deputy General Counsel, Citi Markets and Banking
Facsimile No.: (212) 816-5550

Address for notices or communications to Party B:

Address: City of Roseville
2090 Hilltop Circle
Roseville, CA 95747
Attention: Utility Director
Telephone No.: 916-774-5602
Facsimile No.: 916-774-5583

In addition, in the event this Agreement includes terms for physically-settled Commodity Transactions, the notices or communications information for Party A and Party B shall be as set forth in Part 7 hereto and such notices and communications information shall relate solely to such Transactions.

(b) **Process Agent.** For the purpose of Section 13(c) of this Agreement:

Party A appoints as its Process Agent: None.

Party B appoints as its Process Agent: None.

(c) **Offices.** The provisions of Section 10(a) will apply to this Agreement.

(d) **Multibranch Party.** For the purpose of Section 10(b) of this Agreement:

Party A is not a Multibranch Party.

Party B is not a Multibranch Party.

(e) **Calculation Agent.** The Calculation Agent will be Party A unless otherwise specified in a Confirmation in reference to the relevant Transaction; provided, however, if Party A is the Defaulting Party, the Calculation Agent shall be Party B (or any designated third party mutually agreed to by the parties) until such time as Party A is no longer a Defaulting Party. All calculations made by the Calculation Agent may be independently confirmed by the other Party at its sole discretion. In the event that the Parties' initial calculations are inconsistent and the amount owed disputed, the undisputed amount will be paid when due by the relevant party. The parties shall endeavor to resolve any such dispute in good faith. If the parties are unable to resolve such dispute within a commercially reasonable time not to exceed two (2) Local Business Days, the parties shall mutually select an independent dealer in the applicable commodity to act as Calculation Agent with respect to the issue in dispute. Any costs incurred pursuant to such appoint will be equally shared by Party A and Party B.

(f) **Credit Support Document.** The Credit Support Documents are: (i) the Credit Support Annex and Paragraph 13 thereto; (ii) the guarantee by Citigroup Global Markets Holdings Inc. in favor of Party B as beneficiary thereof in the form attached hereto as Exhibit A; and (iii) any other document, which by its terms, secures, guarantees or otherwise supports a party's obligations under this Agreement.

(g) **Credit Support Provider.** The Credit Support Provider for Party A is Citigroup Global Markets Holdings Inc. The Credit Support Provider for Party B is not applicable.

(h) **Governing Law.** In regard to Section 13(a), the parties agree that this Agreement will be governed by and construed in accordance with the laws of the State of New York (without reference to choice of law doctrine (except Section 5-1401 of the New York General Obligations Law).

(i) **Jurisdiction.** Section 13(b)(i) of the Agreement is hereby amended by deleting in line 2 of subparagraph (2) the word "non-" and by deleting paragraph (iii) thereof. The following shall be added at the end of Section 13(b): "Nothing in this provision shall prohibit a party from bringing an action to enforce a money judgment in any other jurisdiction."

(j) **No Agency.** The provisions of Section 3(g) will apply to this Agreement.

(k) **Representations.**

(i) The introductory clause of Section 3 of this Agreement is hereby amended to add the following language at the end thereof:

"In addition, each party also represents that, in the case of the representations contained in Section 3(a) and 3(e), such representations will be deemed to be repeated to each party on each date on which a Transactions is entered into and at all times until the termination of this Agreement):"

(ii) Section 3(a)(ii) of this Agreement is hereby amended to read in its entirety as follows:

"(ii) **Powers.** It has the power to execute this Agreement and any other documentation relating to this Agreement to which it is a party, to deliver this Agreement and any other documentation relating to this Agreement that it is required by this Agreement to deliver and to perform its obligations under this Agreement and any obligations it has under any Credit Support Document to which it is a party and has taken all necessary action and made all necessary determinations and findings to authorize such execution, delivery and performance;"

(iii) Section 3(b) of this Agreement is hereby amended to read in its entirety as follows:

"(b) **Absence of Certain Events.** No Event of Default or Potential Event of Default or, to its knowledge, Incipient Illegality (in the case of a Party B) or Termination Event with

respect to it has occurred and is continuing and no such event or circumstance would occur as a result of its entering into or performing its obligations under this Agreement or any Credit Support Document to which it is a party.”

(iv) Section 3(c) of this Agreement is hereby amended by: (i) adding in the second line thereof after the word “governmental” the words “or regulatory” and (ii) adding the words “in any material respect” immediately prior to the end of the section.

(l) **Additional Representation** will apply. For purposes of Section 3 of this Agreement, the following will constitute an Additional Representation:

“(h) **Standardization, Creditworthiness, and Transferability.** The economic terms of this Agreement, any Credit Support Document and each Transaction have been individually tailored and negotiated by each party. Each party has received and reviewed financial information concerning the other party and has had a reasonable opportunity to ask questions of and receive answers and information from the other party concerning such other party, this Agreement, such Credit Support Document, and such Transaction. The creditworthiness of the other party was a material consideration to each Party in entering into or determining the terms of this Agreement, such Credit Support Document and such Transaction. The transferability of this Agreement, such Credit Support Document, and such Transaction is restricted as provided herein and therein.

(i) **Relationship Between Parties.** Each party will be deemed to represent to the other party on the date on which it enters into a Transaction that (absent a written agreement between the parties that expressly imposes affirmative obligations to the contrary for that Transaction):

(1) **No Reliance.** It is acting for its own account, and it has made its own independent decisions to enter into that Transaction and as to whether that Transaction is appropriate or proper for it based upon its own judgment and upon advice from such advisors as it has deemed necessary. It is not relying on any communication (written or oral) of the other party as investment advice or as a recommendation to enter into that Transaction; it being understood that information and explanations related to the terms and conditions of a Transaction shall not be considered investment advice or a recommendation to enter into that Transaction. It has not received from the other party any assurance or guarantee as to the expected results of that Transaction.

(2) **Evaluation and Understanding.** It is capable of evaluating and understanding (on its own behalf or through independent professional advice), and understands and accepts, the terms, conditions and risks of that Transaction. It is also capable of assuming, and assumes, the financial and other risks of that Transaction.

(3) **Status of Parties.** The other party is not acting as a fiduciary for or an advisor to it in respect of that Transaction.

(j) **Eligible Contract Participant.** At the time of each Transaction entered into under this Agreement, each of Party A and Party B represents to the other that it is an eligible contract participant as defined in Section 1a(18) of the U.S. Commodity Exchange Act (“CEA”) and CFTC Regulations promulgated thereunder (an “ECP”).

(k) **Commodity Trade Option.** With respect to each Transaction that is a Commodity Trade Option, as of the date the Transaction is entered into:

(1) The party that is the offeree represents that: (i) it is a producer, processor, commercial user of, or merchant handling, the commodity that is the subject of the Commodity Trade Option, or the products or byproducts thereof; (ii) it is entering into the Commodity Trade Option solely for purposes related to its business as such; and

(2) Each party represents to the other that the Commodity Trade Option, if exercised, contains a binding obligation that results in the sale of the specified nonfinancial commodity for immediate or deferred shipment or delivery.

“Commodity Trade Option” means a commodity option (as that term is defined in CFTC Regulation 1.3(hh)) entered into pursuant to CFTC Regulation 32.3(a).

(l) **No Employee Benefit Assets.** The assets that are used, directly or indirectly, in connection with the execution, delivery and performance of this Agreement and the Transactions entered into pursuant hereto are legally and beneficially owned by such party and are not held by it, directly or indirectly, for the benefit of or under any form of any employee benefit or other plan, trust plan, pension plan, individual retirement accounts or other type of similar plans.”

(m) **Additional Representations of Party B.** For the purpose of Section 3 of the Agreement, Party B hereby further represents and warrants to Party A (which representations will be deemed to be repeated by Party B at all times until the termination of this Agreement and any Transactions) that:

(i) **Governmental Entity or Public Power System Security.** With respect to each Transaction, Governmental Entity or Public Power System shall either (i) have created and set aside a Special Fund or (ii) upon execution of this Agreement and prior to the commencement of each subsequent fiscal year of Governmental Entity or Public Power System during any Delivery Period, have obtained all necessary budgetary approvals and certifications for payment of all of its obligations under this Agreement for such fiscal year; any breach of this provision shall be deemed to have arisen during a fiscal period of Governmental Entity or Public Power System for which budgetary approval or certification of its obligations under this Agreement is in effect and, notwithstanding anything to the contrary in Article Four, an Early Termination Date shall automatically and without further notice occur hereunder as of such date wherein Governmental Entity or Public Power System shall be treated as the Defaulting Party. Governmental Entity or Public Power System shall have allocated to the Special Fund or its general funds a revenue base that is adequate to cover Public Power System’s payment obligations hereunder throughout the entire Delivery Period.

(ii) **Non-Speculation.** This Agreement and each Transaction has been and will be, entered into not for the purpose of speculation but solely in connection with the financing activities of Party B, including, without limitation, increasing the predictability of cash flow, including earnings on invested funds, and otherwise improving Party B’s ability to manage its funds and revenues.

(iii) **No Immunity.** Governmental Entity or Public Power System warrants and covenants that with respect to its contractual obligations hereunder and performance thereof, it will not claim immunity on the grounds of sovereignty or other similar grounds with respect to itself or its revenues or assets (irrespective of their use or intended use) from (i) suit, (ii) jurisdiction of any court (including a court located outside the jurisdiction of its organization), (iii) relief by way of injunction, order for specific performance or for recovery of property, (iv) attachment of its assets (whether before or

after judgment) or (v) execution or enforcement of any judgment to which it or its revenues or assets might otherwise be made subject to in any suit, action or proceedings relating to this Agreement in the courts of any jurisdiction, and no such immunity (whether or not claimed) may be attributed to such party or its revenues or assets.

(iv) **Legal Investment.** This Agreement and each Transaction hereunder do not constitute any kind of investment by Party B that is proscribed by any constitution, charter, law, rule, regulation, investment guideline, restriction or policy, government code, constituent or governing instrument, resolution, guideline, ordinance, order, writ, judgment, decree, charge, or ruling to which Party B (or any of its officials in their respective capacities as such) or its property or revenues is subject.

(v) **Organization.** Party B is a state or political subdivision thereof, or an instrumentality, agency or department of either of the foregoing.

(vi) **Investment Policies.** It has clear investment policies, its personnel are fully trained in and knowledgeable of such investment policies, and such investment policies are subject to regular reviews.

(vii) **"Dodd-Frank Margin Application.** Party B is not a financial end user as defined in the Margin Requirements. For purposes of the foregoing, the term "Margin Requirements" means the Margin Requirements for Uncleared Swaps for Swap Dealers and Major Swap Participants; Final Rule adopted by the Commodity Futures Trading Commission, published at 81 FR 636 (January 6, 2016) Section 23.151."

(viii) Party B has the capacity and authority to enter into this Agreement and any Transaction hereunder pursuant to the Roseville Charter and the Energy Trading Authority Policy ("Policy"), each as may be amended from time to time.

(ix) Each Transaction under this Agreement is entered into in accordance with, and is authorized by, the Policy and the Energy Hedge Policy, each as may be amended from time to time.

(x) With respect to any Transaction under the Agreement:

1. Any purchase of physical power by Party B shall be used to serve load above what is expected to be generated or purchased from existing resources;
2. Any purchases of natural gas by Party B shall be used to fuel Party B's facilities;
3. Any sale of physical power by Party B shall be in excess of Party B's load requirements;
4. Any sale of natural gas by Party B shall be made only where more economic energy is available for purchase by Party B;
5. All financially-settled power and natural gas Transactions entered into by Party B under this Agreement are for the sole purpose of hedging and portfolio optimization, and not for speculative purposes; and

6. The aggregate net amount of all authorized transactions permitted under the Policy do not exceed the limits specific therein, as may be amended from time to time.

(m) **Agreements.**

- (i) The introductory clause of Section 4 of this Agreement is hereby amended to read in its entirety as follows:

“Each party agrees with the other (or, in the case of Section 4(f), (g) and (h), Party B agrees with Party A) that, so long as either party has or may have any obligation under this Agreement or under any Credit Support Document to which it is a party:”

- (ii) Section 4 of this Agreement is hereby amended by adding the following subsections “(f)”, “(g)” and “(h)” thereto:

(f) **Notice of Incipient Illegality.** If an Incipient Illegality occurs, the Party B will, promptly upon becoming aware of it, notify Party A, specifying the nature of that Incipient Illegality and will also give such other information about that Incipient Illegality as Party A may reasonably require.

(g) **Security and Source of Payment of Party B’s Obligations.** The Obligation of Party B is an operating expense of the utility, payable from operating and other legally available revenues.

(h) **Nature of Obligations.** The obligations of Party B to make payments to Party A under this Agreement and each Transaction (1) are not subject to appropriation or similar action and (2) do not (A) constitute any kind of indebtedness of Party B or (B) create any kind of lien on or security interest in any property or revenues of Party B which, in either case (A) or (B), is proscribed by any constitution, charter, law, rule, regulation, investment guideline, restriction or policy, government code, constituent or governing instrument, resolution, guideline, ordinance, order, writ, judgment, decree, charge, or ruling to which Party B (or any of its officials in their respective capacities as such) or its property or revenues is subject.

- (n) **Netting of Payments.** For Scheduled Settlement Dates, with regard to payments due on that date, Multiple Transaction Payment Netting will apply to the following groups of Transactions, each of which shall be treated separately for purposes of payment netting and each of which shall be netted on a Commodity by Commodity basis, to the extent operationally feasible:

- (i) physically settled Commodity Transactions, excluding Option Transactions;
- (ii) Commodity Option Transactions; and
- (iii) financially-settled Commodity Transactions other than Option Transactions. If a party wishes to net payments across any of these groups of Transactions and/or payments with respect to other types of Transactions on a particular date, either party may notify the other in writing, not less than one Local Business Day in advance of one or more Scheduled Settlement Dates, that with regard to payments due on that date, Multiple Transaction Payment Netting will apply. Except to the extent that such advance written notice shall have been given, Multiple Transaction Payment Netting will not apply for purposes of Section 2(c) of this Agreement with respect to such other Transactions.

The starting date for the election commences upon entering the first Transaction under the Agreement with respect to any of the above groups of Transactions.

Part 5 Other Provisions

(a) **Single Agreement.** The phrase "(evidencing Transactions heretofore or hereafter entered into between Party A and Party B)" is hereby added after the word "Confirmations" in Section 1(c).

(b) **Obligations.** Section 2(a)(iii) of this Agreement is hereby amended to read in its entirety as follows:

“(iii) Each obligation of each party under Section 2(a)(i) is subject to (1) the condition precedent that no Event of Default, Potential Event of Default or Incipient Illegality with respect to the other party has occurred and is continuing, (2) the condition precedent that no Early Termination Date in respect of the relevant Transaction has occurred or been effectively designated and (3) each other applicable condition precedent specified in this Agreement.”

(c) **Change of Account.** Section 2(b) of the Agreement is hereby amended by adding the following provision at the end thereof: "provided that, such new account shall be in the same legal and tax jurisdiction as the account prior to any such change."

(d) **Accuracy of Specified Information.** Section 3(d) of this Agreement is hereby amended by adding in the third line thereof after the word "respect" and before the period the words "or, in the case of audited or unaudited financial statements, a presentation of the financial condition of the relevant party in accordance with generally accepted accounting principles, consistently applied."

(e) **Transfer.** The consent referred to in Section 7 shall not (after consideration of any tax or other consequences to a party of consenting to such assignment) be unreasonably withheld.

(f) **Confirmation Procedures for Entering into Physically-Settled Transactions.** With respect to physically-settled Transactions only, the parties hereby amend Section 9(e) as follows:

On or promptly following the date on which the parties reach agreement on the terms of a physically-settled Transaction, as contemplated by the first sentence of Section 9(e)(ii), each Party will send the other a Confirmation. The receiving Party will promptly thereafter confirm the accuracy of (in the manner required by Section 9(e)(ii)), or request the correction of, such Confirmation. If any dispute shall arise as to whether an error exists in a Confirmation, the parties shall in good faith make reasonable efforts to resolve the dispute. If a Party fails to accept or dispute the Confirmation in the manner set forth above within five Local Business Days after it was effectively sent, the Confirmation shall be deemed to correctly reflect the parties' agreement on the terms of the Transaction referred to therein, absent manifest error. The requirement of this Section and elsewhere in this Agreement that the parties exchange Confirmations shall for all purposes be deemed satisfied by a Confirmation sent and an acknowledgement deemed given as provided herein."

(g) **Waiver of Right to Trial by Jury.** Each party hereby irrevocably waives, to the fullest extent permitted by applicable law, any right it may have to a trial by jury in respect of any suit, action or proceeding relating to this Agreement or any Credit Support Document.

(h) **Severability.** Except as otherwise provided in Sections 5(b)(i) or 5(b)(ii) of this Agreement, in the event that any one or more of the provisions contained in this Agreement should be held invalid, illegal, or unenforceable in any jurisdiction, the validity, legality and enforceability of the remaining provisions contained herein shall not in any way be affected or impaired thereby. The parties shall endeavor, in good

faith negotiations, to replace the invalid, illegal or unenforceable provisions with valid provisions, the economic effect of which comes as close as possible to that of the invalid, illegal or unenforceable provisions.

(i) **Recording of Conversations.** Each party hereto consents to the recording of its telephone conversations relating to this Agreement or any potential Transaction. The parties agree that each may electronically record all telephone conversations between them regarding any Transaction and the terms thereof, with or without the use of a warning tone, and that any such recordings may be submitted in evidence to any court or in any Proceeding for the purpose of establishing the formation or existence of any Transaction and the terms thereof. Each party hereby consents to such recording and agrees to obtain any necessary consent to, and provide notice of such recording to, its personnel.

(j) **Limitation of Liability.** No party shall be required to pay or be liable to the other party for any consequential, indirect or punitive damages, opportunity costs or lost profits.

(k) **2002 Master Agreement Protocol.** The parties agree that the definitions and provisions contained in Annexes 1 to 16 and Section 6 of the 2002 Master Agreement Protocol published by the International Swaps and Derivatives Association, Inc. on July 15, 2003 are incorporated into and apply to this Agreement.

(l) **HIRE Act Protocols.** The parties agree that the definitions and provisions contained in the (x) Attachment to the 2010 Short Form HIRE Act Protocol and (y) the 2015 Section 871(m) Protocol, in each case as published by the International Swaps and Derivatives Association, Inc. are incorporated into and apply to this Agreement as if set forth in full herein.

(m) **Foreign Account Tax Compliance Act.** Withholding Tax imposed on payments to non-US counterparties under the United States Foreign Account Tax Compliance Act. "Tax" as used in Part 2(a) of this Schedule (Payer Tax Representation) and "Indemnifiable Tax" as defined in Section 14 of this Agreement shall not include any U.S. federal withholding tax imposed or collected pursuant to Sections 1471 through 1474 of the U.S. Internal Revenue Code of 1986, as amended (the "Code"), any current or future regulations or official interpretations thereof, any agreement entered into pursuant to Section 1471(b) of the Code, or any fiscal or regulatory legislation, rules or practices adopted pursuant to any intergovernmental agreement entered into in connection with the implementation of such Sections of the Code (a "FATCA Withholding Tax"). For the avoidance of doubt, a FATCA Withholding Tax is a Tax the deduction or withholding of which is required by applicable law for the purposes of Section 2(d) of this Agreement.

(n) **Confidentiality.** Each party agrees that this Agreement and all other documents relating to this Agreement and any information provided to it or its Credit Support Provider, if any, in connection therewith will be used only for purposes related to its relationship with the other party and will be kept confidential, subject to the following exceptions:

- (i) as to Affiliates, directors, employees, regulators, counsel, auditors, agents or other advisors of a party to whom it is necessary to show the information for purposes related to its relationship with the other party, each of whom will be required to keep the information that is disclosed in confidence;
- (ii) in any statement or testimony pursuant to a subpoena, summons or order by any court, government body, agency or regulatory authority, or otherwise required by law, order, regulation, ruling or in connection with applicable litigation, provided that the disclosing party notifies, to the extent permissible, the other party of such requirement prior to disclosure and that the disclosing party requests confidential treatment of such confidential information;
- (iii) upon the request or demand of any regulatory or banking authority;

- (iv) as to potential or actual assignees, participants and/or other transfers of an interest in extensions of credit related to any contemplated transaction, but only in connection with assignments or transfers permitted under the terms of Section 7 of this Agreement (such entities will be subject to the same confidentiality provisions as those of the parties hereto);
- (v) as to information about one of the parties that (a) is or becomes generally available to the public other than as a result of a disclosure by the other party or its representatives; (b) becomes available to the other party on a non-confidential basis from a source other than that party or one of its agents or (c) was known to the other party on a non-confidential basis or independently developed by the other party prior to its disclosure to the other party by that party or one of its agents;
- (vi) to a rating agency in connection with such party's credit rating,
- (vii) as required of Party B, as a governmental entity, information to be maintained as a matter of public record;
- (viii) Notwithstanding any other provision of this agreement, upon receipt of a public records or information request pursuant to the California Public Records Act, or any similar act, Party B may, at its sole discretion, disclose confidential information, which does not fall within a statutory exemption (e.g., trade secret information) from disclosure.

A party may disclose any one or more of the commercial terms of a Transaction (other than the name of the other party unless otherwise agreed to in writing by the parties) to any industry price source for the purpose of aggregating and reporting such information in the form of a published energy price index.

(o) **Termination Based on Notice.** If no Transaction (or any present or future payment obligations, contingent or otherwise, thereunder) are outstanding under this Agreement, either party may terminate this Agreement upon written notice to the other party.

Additional Definitions. Section 14 of the Agreement is hereby amended by adding the following definition:

"Affiliate" shall have the meaning specified in Section 14 of this Agreement.

"Default Rate" shall be simple interest equal to the U.S. Prime Rate as quoted in the Money Rates section of The Wall Street Journal plus 2% per annum.

"Governmental Entity or Public Power System" means a municipality, county, governmental board, public power authority, public utility district, joint action agency, or other similar political subdivision or public entity of the United States, one or more States or territories or any combination thereof.

"Incipient Illegality" means (a) the enactment by any legislative body with competent jurisdiction over Party B of legislation which, if adopted as law, would render unlawful (i) the performance by Party B of any absolute or contingent obligation to make a payment or delivery or to receive a payment or delivery in respect of a Transaction or the compliance by Party B with any other material provision of this Agreement relating to such Transaction or (ii) the performance by Party B or a Credit Support Provider of Party B, if any, of any contingent or other obligation which Party B (or such Credit Support Provider) has under any Credit Support Document relating to such Transaction, (b) any assertion in any

proceeding, forum or action by a government entity, in respect of Party B or in respect of any entity located or organized under the laws of the state in which Party B is located to the effect that performance under this Agreement or similar agreements is unlawful or (c) the occurrence with respect to Party B or any Credit Support Provider of Party B of any event that constitutes an Illegality.”

“Reference Market-makers” The definition of “Reference Market-makers” in Section 14 is hereby amended by deleting clause (b) thereof.

(p) **Accounts.** If a Confirmation does not state the account to which, or the currency in which, payments are to be made, they shall be made in United States Dollars to the following accounts:

Party A

Payment:	As specified in the relevant Confirmation
For the Account of:	
Account No/CHIPS UID:	
Fed. ABA No.:	

Party B

Payment:	U.S. Bank
For the Account of:	City of Roseville
Account No/CHIPS UID:	153499281092
Fed. ABA No.:	121122676

(q) **Existing Agreements.** The parties have (i) previously entered into a WSPP Agreement dated June 20, 2017 (the “WSPP Agreement”), and have entered into Transactions under the WSPP Agreement (the “Existing Power Transactions”), and (ii) previously entered into a NAESB Base Contract for Sale and Purchase of Natural Gas (the “NAESB Agreement”) and Transactions under the NAESB Agreement (the “Existing Gas Transactions”). The parties agree that this Agreement shall supersede and replace the WSPP Agreement and the NAESB Agreement and that the Existing Power Transactions and Existing Gas Transactions shall constitute Transactions under and be governed by this Agreement. To the extent of any conflict between the terms and provisions of the Existing Power Transactions and the Existing Gas Transactions and the terms and provisions of this Agreement, the terms and provisions of this Agreement shall control.

Part 6

Additional Provisions for Commodity Derivative Transactions

(a) **Additional Definitions.** This Agreement and each Transaction are subject to the 2006 ISDA Definitions as modified and updated (the “2006 Definitions”), and the 2005 ISDA Commodity Derivatives Definitions (the “2005 Definitions”), (collectively, the “Definitions”), each as amended, supplemented, updated, and restated from time to time, each as published by the International Swaps and Derivatives Association, Inc. (“ISDA”), and will be governed in all respects by the Definitions. For purposes of the Agreement, all references in the Definitions to “Swap Transactions” shall be deemed references to “Transactions”. The Definitions are incorporated by reference in, and made part of, this Agreement and each relevant Confirmation as if set forth in full in this Agreement and such Confirmation.

(b) **Inconsistency.** Section 1 (b) (“*Inconsistency*”) is modified to provide that in the event of any inconsistency between the 2006 Definitions and the 2005 Definitions, the 2005 Definitions will govern. In the event of any inconsistency between the provisions of this Agreement and the Definitions, this

Agreement will prevail. In the event of any inconsistency between the provisions of any Confirmation and this Agreement or the Definitions, such Confirmation will prevail for the purpose of the relevant Transaction.

(c) The "**Market Disruption Events**" specified in Section 7.4(d)(i) of the 2005 Commodity Derivatives Definitions shall apply, except as otherwise specifically provided in the Confirmation.

(d) "**Additional Market Disruption Events**" shall apply if so specified in the Confirmation.

(e) The "**Disruption Fallbacks**" specified in Section 7.5(c) of the 2005 Commodity Definitions shall apply.

(f) **Rounding.** For purposes of preparing any calculations referred to in the Commodity Definitions, unless otherwise agreed to and specified in a Confirmation, rounding conventions for commodity pricing shall be as follows:

Megawatt Hours:	rounded to the nearest fourth decimal place
MMBtu:	rounded to the nearest fourth decimal place
Gallons:	rounded to the nearest fourth decimal place
Barrels:	rounded to the nearest third decimal place

Part 7

Dodd-Frank Title VII Provisions

(i) **US Person Status.** [Check only One]

☒ Party B hereby represents and agrees that it reasonably believes that it does fall within one or more of the U.S. Person Categories, as defined and outlined in the ISDA Cross-Border Representation Letter, available [here](#), or would otherwise be deemed to be a "U.S. person" under the U.S. Commodity Futures Trading Commission's ("CFTC") Final Cross-Border Interpretive Guidance, available [here](#), (the "**Interpretive Guidance**"). This representation shall be deemed repeated each time Party B enters into a Swap Transaction with Party A unless Party B has notified Party A to the contrary in a timely manner in writing prior to entering into such Swap Transaction.

OR

☐ Party B hereby represents and agrees that it reasonably believes that it does not fall within any of the U.S. Person Categories, as defined and outlined in the ISDA Cross-Border Representation Letter, available [here](#), and believes in good faith that it would not otherwise be deemed to be a "U.S. person" under the U.S. Commodity Futures Trading Commission's ("CFTC") Final Cross-Border Interpretive Guidance, available [here](#), (the "**Interpretive Guidance**"). This representation shall be deemed repeated each time Party B enters into a Swap Transaction with Party A unless Party B has notified Party A to the contrary in a timely manner in writing prior to entering into such Swap Transaction.

(ii) **Notification of Right To Segregate Independent Amounts.** With respect to funds or other property provided to margin, guarantee or secure obligations for Uncleared Swaps entered into under this Agreement, to the extent mandated by the Dodd-Frank Act, Party B has the right to require segregation of such funds or other property (other than variation margin) at an independent third party custodian. This notification is deemed repeated each time Party B enters into an

Uncleared Swap with Party A. For purposes of this paragraph, the term "Uncleared Swap" means a Transaction that is a "swap" as defined in the CEA section 1(a)(47) and CFTC regulation 1.3(xxx) that is not subject to the CFTC's mandatory clearing requirement under CEA section 2(h) and CFTC regulations promulgated thereunder.

- (iii) **Certain Dodd-Frank Disclosures.** Party B and certain of its affiliates ("Citi") are registered with the CFTC as a U.S. swap dealer. As a swap dealer, these entities are required to provide you with certain disclosures including information regarding the material risks and characteristics of particular transaction types and material incentives and conflicts of interest. The parties agree that these disclosures may be provided through the Citi Velocity website. Please log on to <https://www.citivelocity.com/menu/DoddFrankMaterialDisclosures> for access to these disclosures. If Party B does not have a Velocity username and password, please use the following username: citidisclosures and password: welcome1 for access. Contact your Citi representative if you have any questions regarding this information.
- (iv) Capitalized terms used in this Part 7 shall have the meaning below, unless otherwise specified.

"Swap Transaction" means any Transaction that results in the creation of a new Swap between two or more parties or in a change to the terms of an existing Swap between the parties, including execution, termination, assignment, novation, exchange, transfer, amendment, conveyance, or extinguishing of rights or obligations of a Swap.

Part 8 Physically-Settled Commodity Transactions

(a) **ISDA North American Power Annex.** The North American Power Annex to the ISDA Master Agreement published by ISDA (attached hereto as Attachment A), as amended, supplemented, replaced or modified from time to time, (the "Power Annex") is incorporated by reference in this Agreement and in the relevant Confirmations with respect to "Transactions," as defined by the Commodity Definitions, in physically settled power, except as otherwise specifically provided in the relevant Confirmation. The Commodity Definitions and the provisions of Part 6 are incorporated in this Power Annex for all purposes. All terms used in this Part 8 that are not otherwise defined shall have the meanings given to them in the Power Annex. For the purposes of this Agreement, all physically settled Power Transactions shall be deemed to be Specified Transactions.

(b) **Amendments to the Power Annex.**

- (i) References to Part 6. The Power Annex is amended by replacing all references to "Part 6" or "Part 6 of the Schedule" with references to the "Power Annex" or "Power Annex to the Schedule", as applicable.
- (ii) FERC Standard of Review; Certain Covenants and Waivers. Clause (h)(iii)(D) of the Power Annex is amended and restated in its entirety to read as follows:

"(D) The Parties agree that in the event that any portion of clause (h)(iii) is determined to be invalid, illegal or unenforceable for any reason, the provisions of clause (h)(iii)(A) shall be unaffected and unimpaired thereby, and shall remain in full force and effect, to the fullest extent permitted by applicable law."
- (iii) Events of Default. Clause (i)(ii)(B) of the Power Annex is amended to delete the words "[Section 5(a)(ii)][Section 5(a)(ii)(1)]" and replace them with the words "Section 5(a)(ii

- (iv) **Utility.** Neither party believes that it is a "utility" as such term is used in Section 366 of the Bankruptcy Code. Each party waives and agrees not to assert (i) the applicability of the provisions of Section 366 of the Bankruptcy Code in any bankruptcy proceeding wherein such party is a debtor and (ii) that the other party is a provider of last resort.
- (v) **Bankruptcy.** It is eligible to file as a debtor under Chapter 7 and/or Chapter 11 of the United States Bankruptcy Code (the "Bankruptcy Code").
- (vi) **Forward Contract Merchant.** It is a "forward contract merchant" within the meaning of the Bankruptcy Code.
- (vii) **Applicability of UCC Adequate Assurance.** Each party agrees that notwithstanding any provisions of law relating to adequate assurance of future performance, including without limitation Article 2-609 of the UCC, the parties shall only be entitled to request adequate assurance as specifically provided in this Agreement, including the Credit Support Annex hereto. For purposes of the foregoing, UCC means the Uniform Commercial Code as adopted by the jurisdiction governing the parties and the Transactions. Section references are to the Model Uniform Commercial Code and are intended to correspond to the same substantive provisions contained in the specific codes adopted in the controlling jurisdictions, to the extent that section references differ."
- (viii) **Events of Default.** Clause (i)(ii)(B) of the Power Annex is amended to delete the words "Section [5(a)(ii)][5(a)(ii)(1)]" and replace them with the words "Section 5(a)(ii)".
- (ix) **Definitions.** Clause (i)(iv) of the Power Annex is amended as follows:
 - (A) The definition of "Replacement Price" is hereby amended to (1) add the phrase "for delivery" immediately before the phrase "at the Delivery Point" in the second line and (2) delete the phrase "at Buyer's option" from the fifth line and replace it with the following: "absent a purchase".
 - (B) The definition of "Sales Price" is hereby amended to (1) delete the phrase "at the Delivery Point" from the second line and (2) delete the phrase "at Seller's option" from the fifth line and replace it with the following: "absent a sale".
 - (C) The following new definitions are added to clause (i)(iv):

"Claims" means all third party claims or actions, threatened or filed and, whether groundless, false, fraudulent or otherwise, that directly or indirectly relate to the subject matter of an indemnity, and the resulting losses, damages, expenses, attorneys' fees and court costs, whether incurred by settlement or otherwise, and whether such claims or actions are threatened or filed prior to or after the termination of this Agreement.
- (x) **Transmission, Scheduling and Imbalance Charges.** Clause (b)(ii) of the ISDA Power Annex is hereby amended by adding the following text to the end of the Section: "Product deliveries shall be scheduled in accordance with the then-current applicable tariffs, protocols, operating procedures and scheduling practices for the relevant region."
- (xi) **Schedule P.** The following shall be added at the end of Schedule P:

"If the Parties agree to a service level/product defined by reference to a different agreement, tariff, set of rules or protocols (herein, "agreement") (e.g., the PJM Operating Agreement, the ERCOT Protocols, CAISO, the MAPP Restated Agreement) for a particular Transaction, then, unless the Parties expressly state and agree that all the terms and conditions of such other agreement will apply, such reference to a service level/product shall be as defined by such other agreement, including if

applicable, the regional reliability requirements and guidelines as well as the specific excuses for performance, Force Majeure, Uncontrollable Forces, or other such excuses applicable to such other agreement, to the extent inconsistent with the terms of this Agreement, but all other terms and conditions of this Agreement remain applicable."

"CAISO Energy" means with respect to a Transaction, a Product under which the Seller shall sell and the Buyer shall purchase a quantity of energy equal to the hourly quantity without Ancillary Services (as defined in the Tariff) that is or will be scheduled as a schedule coordinator to schedule coordinator transaction pursuant to the applicable tariff and protocol provisions of the California Independent System Operator ("CAISO") (as amended from time to time, the "Tariff") for which the only excuse for failure to deliver or receive is an "Uncontrollable Force" (as defined in the Tariff).

"West Firm", or "WSPP Schedule C" or "Schedule C" or "WSPPC-Firm" or any similar description means with respect to a Transaction, a Product that is or will be scheduled as firm energy consistent with the most recent rules adopted by the WECC for which the only excuses for failure to deliver or receive are if an interruption is (i) due to an Uncontrollable Force as provided in Section 10 of the WSPP Agreement; or (ii) where applicable, to meet Seller's public utility or statutory obligations to its customers; provided, however, this clause (ii) shall not be used to allow interruptions for reasons other than reliability of service to native load. Notwithstanding any other provision in this Agreement, if Seller exercises its right to interrupt to meet its public utility or statutory obligations pursuant to clause (ii) above, Seller shall be responsible for payment of damages for failure to deliver firm energy as provided in the ISDA Power Annex.

"WECC" means the Western Electricity Coordinating Council.

"WSPP Agreement" means the Western Systems Power Pool Agreement as amended from time to time.

(xi) Elective Provisions. Clause (j) of the Power Annex is amended and restated in its entirety to read as follows:

"(j) Elective Provisions.

1. (a)(ii) ☒ Applicability of the Power Annex to Outstanding Power Transactions. If not checked, not applicable.
2. (a)(iii) ☒ Applicability of Outstanding Credit Support held by a party in connection with Outstanding Power Transactions. If not checked, not applicable.
3. (c)(i) and (c)(ii) ☒ Accelerated Payment Damages. If not checked, not applicable.
4. (d)(ii) Timeliness of Payment
 - ☐ Option A
 - ☒ Option B
 - If neither is checked, Option B shall be deemed to apply.
5. (h)(i) Wholesale Power Tariffs

Party A Electric Tariff. Tariff/Date/Docket: FERC/11-30-17/ER18-343-000

Party B Electric Tariff. Tariff/Date/Docket: N/A

6. (h)(ii) ☒ Applicability of Severability provision. If not checked, not applicable.
7. (h)(iii) ☒ Applicability of FERC Standard of Review and Certain Covenants and Waivers. If not checked, not applicable."

(c) **ISDA North American Gas Annex.** The North American Gas Annex to the ISDA Master Agreement published by ISDA (attached hereto as Attachment B), as amended, supplemented, replaced or modified from time to time, (the "Gas Annex") is incorporated by reference in this Agreement and in the relevant Confirmations with respect to "Transactions," as defined by the Commodity Definitions, in physical gas, except as otherwise specifically provided in the relevant Confirmation. The Commodity Definitions and the provisions of Part 6 are incorporated in this Gas Annex for all purposes. All terms used in this Part 7 that are not otherwise defined shall have the meanings given to them in the Gas Annex. For the purposes of this Agreement, all physical Gas Transactions shall be deemed to be Specified Transactions.

(d) **Amendments to the Gas Annex.**

(i) **References to Part 6.** The Gas Annex is amended by replacing all references to "Part 6" or "Part 6 of the Schedule" with references to the "Gas Annex" or "Gas Annex to the Schedule", as applicable.

(ii) **Elective Provisions.** Clause (l) of the Gas Annex is amended and restated in its entirety to read as follows:

"(1) Elective Provisions.

1. (a)(ii) Outstanding Gas Transactions. This Gas Annex shall apply to the following pre-existing Gas Transactions pursuant to clause (a)(ii):

☒ Option A: All Gas Transactions outstanding between the parties as of the date this Gas Annex becomes effective.

☐ Option B: The Gas Transactions listed in Schedule 1 to this Gas Annex.

☐ Option C: None of the Gas Transactions between the parties that were executed prior to the date this Gas Annex becomes effective.

If none of the above options is selected, Option A shall apply.

2. (a)(iii) Outstanding Gas Credit Support:

☒ Outstanding Gas Credit Support held by a party in connection with Outstanding Gas Transactions shall be deemed to have been delivered under and in connection with this Agreement pursuant to clause (a)(iii). If not checked, not applicable.

3. (b)(ii) Performance Obligation (remedy for breach of Firm obligation):

☒ Option A: Cover Standard

☐ Option B: Spot Price Standard

If neither option is selected, Option A shall apply.

4. (e) Taxes:

☒ Option A: Buyer Pays At and After Delivery Point

☐ Option B: Seller Pays Before and At Deliver Point

If neither option is selected, Option A shall apply.

5. (f)(ii) Payment Date:

☒ Option A: the later of the 25th Day of Month following Month of delivery or 10 Days after receipt of the invoice by Buyer (*provided* that if the Payment Date is not a Local Business Day, payment is due on the next Local Business Day following that date).

☐ Option B: the later of the ___ Day of Month following Month of delivery or 10 Days after receipt of the invoice by Buyer (*provided* that if the Payment Date is not a Local Business Day, payment is due on the next Local Business Day following that date).

☐ Option C: Notwithstanding anything to the contrary in this Schedule, payments with respect to both Gas Transactions and Power Transactions (as defined separately in this Schedule) will be netted and payable on or before the later of the 20th Day of Month following Month of delivery or 10 Days after receipt of the invoice by Buyer (*provided* that if the Payment Date is not a Local Business Day, payment is due on the next Local Business Day following that date).

☐ Option D: Notwithstanding anything to the contrary in this Schedule, payments with respect to both Gas Transactions and Power Transactions (as defined separately in this Schedule) will be netted and payable on or before the later of the 25th Day of Month following Month of delivery or 10 Days after receipt of the invoice by Buyer (*provided* that if the Payment Date is not a Local Business Day, payment is due on the next Local Business Day following that date).

If none of the above options is selected, Option A shall apply.

6. (k)(xxii) Alternative to Spot Price Index:

The parties have selected the following alternative index as the Spot Price Index: _____. If no index is specified, the Spot Price Index specified in clause (l)(xxi) applies."

(v) **Other Provisions/Modifications to this Gas Annex. :**

(a) **Performance Obligation.** Clause (b)(iii) of the Gas Annex is deleted in its entirety.

(b) The following new paragraph is added as clause (f)(vi):

“(vi) **Mobile-Sierra Standard.** To the extent, if any, that a Gas Transaction does not qualify as a “first sale” as defined by the Natural Gas Act and §§ 2 and 601 of the Natural Gas Policy Act, each party irrevocably waives its rights, including its rights under §§ 4-5 of the Natural Gas Act, unilaterally to seek or support a change in the rate(s), charges, classifications, terms or conditions of this Gas Annex, any Gas Transaction hereunder or any other agreements entered into in connection with this Agreement (collectively, the “Covered Agreements”). By this provision, each party expressly waives its right to seek or support: (i) an order from the U.S. Federal Energy Regulatory Commission (“FERC”) finding that the market-based rate(s), charges, classifications, terms or conditions agreed to by the parties under the Covered Agreements are unjust and unreasonable; or (ii) any refund with respect thereto. Each party agrees not to make or support such a filing or request, and that these covenants and waivers shall be binding notwithstanding any regulatory or market changes that may occur hereafter. Absent the agreement of all parties to the proposed change, the standard of review for changes to any section of the Covered Agreements proposed by a party (to the extent that any waiver as set forth in this section is unenforceable or ineffective as to such party), a non-party or FERC acting sua sponte, shall be the “public interest” standard of review set forth in United Gas Pipe Line Co. v. Mobile Gas Service Corp., 350 U.S. 332 (1956) and Federal Power Commission v. Sierra Pacific Power Co., 350 U.S. 348 (1956) (the “Mobile-Sierra” doctrine), and clarified by Morgan Stanley Capital

Group Inc. v. Pub. Util. Dist. No. 1 Snohomish County, 128 S. Ct. 2733 (2008) and NRG Power Marketing LLC v. Maine Pub. Util. Comm'n, 558 U. S. 165 (2010)."

(c) **Force Majeure – Alternate Provisions.** Clause (h)(vi) of the Gas Annex is deleted in its entirety.

(d) Clause (j) is amended by adding the following at the end thereof:

"(iv) *Section 6(c)(i).* Section 6(c)(i) of this Agreement is hereby amended by adding the following phrase at the end:

"(it being understood, that to the extent in the reasonable opinion of the Non-defaulting Party or the Non-Affected Party, as the case may be, any of the Terminated Transactions that are Gas Transactions may not be liquidated and terminated under applicable law on the Early Termination Date, then such Terminated Transactions shall be liquidated and terminated as soon as thereafter as is reasonably practicable)".

"Imaged Agreement. Any original executed Agreement, Confirmation or other related document may be photocopied and stored on computer tapes and disks (the "Imaged Agreement"). The Imaged Agreement, if introduced as evidence on paper, the Confirmation, if introduced as evidence in automated facsimile form, the Recording, if introduced as evidence in its original form and as transcribed onto paper, and all computer records of the foregoing, if introduced as evidence in printed format, in any judicial, arbitration, mediation or administrative proceedings, will be admissible as between the Parties to the same extent and under the same conditions as other business records originated and maintained in documentary form. Neither party shall object to the admissibility of the Recording, the Confirmation or the Imaged Agreement (or photocopies of the transcription of the Recording, the Confirmation or the Imaged Agreement) on the basis that such were not originated or maintained in documentary form under either the hearsay rule, the best evidence rule or other rule of evidence."

Other Documentation. The following provision is added as:

"Upon request, each Party shall deliver to the other Party documentation reasonably requested to evidence the authority and power of such Party and/or its Guarantor, as the case may be, to enter into this Agreement or any guaranty, as the case may be, which may include, without limitation, certified resolutions and a certification of the signature and authority of the individual(s) executing this Agreement or such guaranty, as the case may be and to the extent applicable and requested certificates, documents or other evidence sufficient to confirm the sales tax exempt status of such Party for each jurisdiction in which the purchase, sale and/or delivery of any physical commodity takes place under this Agreement, such that the other party will bear no obligation in relation to such purchase, sale and/or delivery for charging, collecting or remitting sales, use or other excise taxes to any local, municipal, state or federal taxing authority or agency."

(e) The following new paragraph is added as clause (n)(i):

"(i) Each party agrees that notwithstanding any provisions of law relating to adequate assurance of future performance, including without limitation Article 2-609 of the UCC, the parties shall only be entitled to request adequate assurance as specifically provided in this Agreement, including the Credit Support Annex hereto. For purposes of the foregoing, UCC means the Uniform Commercial Code as adopted by the

jurisdiction governing the parties and the Transactions. Section references are to the Model Uniform Commercial Code and are intended to correspond to the same substantive

provisions contained in the specific codes adopted in the controlling jurisdictions, to the extent that section references differ.”

Part 9
U.S. QFC Mandatory Contractual Requirements

The parties agree that the definitions and provisions contained in the ISDA 2018 U.S. Stay Protocol and Attachment thereto as published by the International Swaps and Derivatives Association, Inc. on July 31, 2018 are hereby incorporated into and apply to this Agreement as if set forth in full herein. For these purposes, the following terms as used in the U.S. Stay Protocol shall have the following meanings: “Regulated Entity” shall mean Party A. “Adhering Party” shall mean Party B and “Protocol Covered Agreement” or “Covered Agreement”, as applicable, shall mean this Agreement. In the event of any inconsistencies between this Agreement and the ISDA U.S. Stay Protocol, the ISDA U.S. Stay Protocol will prevail.

IN WITNESS WHEREOF, the parties have executed this document on the respective dates specified below with effect from the date specified on the first page of this document.

CREDIT SUPPORT ANNEX

to the Schedule to the

2002 ISDA MASTER AGREEMENT

dated as of August 21, 2020

between

CITIGROUP ENERGY INC. and CITY OF ROSEVILLE

("Party A")

("Party B")

This Annex supplements, forms part of, and is subject to, the above-referenced Agreement, is part of its Schedule and is a Credit Support Document under this Agreement with respect to each party.

Accordingly, the parties agree as follows:—

Paragraph 1. Interpretation

(a) **Definitions and Inconsistency.** Capitalized terms not otherwise defined herein or elsewhere in this Agreement have the meanings specified pursuant to Paragraph 12, and all references in this Annex to Paragraphs are to Paragraphs of this Annex. In the event of any inconsistency between this Annex and the other provisions of this Schedule, this Annex will prevail, and in the event of any inconsistency between Paragraph 13 and the other provisions of this Annex, Paragraph 13 will prevail.

(b) **Secured Party and Pledgor.** All references in this Annex to the "Secured Party" will be to either party when acting in that capacity and all corresponding references to the "Pledgor" will be to the other party when acting in that capacity; *provided, however*, that if Other Posted Support is held by a party to this Annex, all references herein to that party as the Secured Party with respect to that Other Posted Support will be to that party as the beneficiary thereof and will not subject that support or that party as the beneficiary thereof to provisions of law generally relating to security interests and secured parties.

Paragraph 2. Security Interest

Each party, as the Pledgor, hereby pledges to the other party, as the Secured Party, as security for its Obligations, and grants to the Secured Party a first priority continuing security interest in, lien on and right of Set-off against all Posted Collateral Transferred to or received by the Secured Party hereunder. Upon the Transfer by the Secured Party to the Pledgor of Posted Collateral, the security interest and lien granted hereunder on that Posted Collateral will be released immediately and, to the extent possible, without any further action by either party.

Paragraph 3. Credit Support Obligations

(a) **Delivery Amount.** Subject to Paragraphs 4 and 5, upon a demand made by the Secured Party on or promptly following a Valuation Date, if the Delivery Amount for that Valuation Date equals or exceeds the Pledgor's Minimum Transfer Amount, then the Pledgor will Transfer to the Secured Party Eligible Credit Support having a Value as of the date of Transfer at least equal to the applicable Delivery Amount (rounded pursuant to Paragraph 13). Unless otherwise specified in Paragraph 13, the "**Delivery Amount**" applicable to the Pledgor for any Valuation Date will equal the amount by which:

- (i) the Credit Support Amount exceeds
- (ii) the Value as of that Valuation Date of all Posted Credit Support held by the Secured Party.

(b) **Return Amount.** Subject to Paragraphs 4 and 5, upon a demand made by the Pledgor on or promptly following a Valuation Date, if the Return Amount for that Valuation Date equals or exceeds the Secured Party's Minimum Transfer Amount, then the Secured Party will Transfer to the Pledgor Posted Credit Support specified by the Pledgor in that demand having a Value as of the date of Transfer as close as practicable to the applicable Return Amount (rounded pursuant to Paragraph 13). Unless otherwise specified in Paragraph 13, the "**Return Amount**" applicable to the Secured Party for any Valuation Date will equal the amount by which:

- (i) the Value as of that Valuation Date of all Posted Credit Support held by the Secured Party exceeds
- (ii) the Credit Support Amount.

"**Credit Support Amount**" means, unless otherwise specified in Paragraph 13, for any Valuation Date (i) the Secured Party's Exposure for that Valuation Date plus (ii) the aggregate of all Independent Amounts applicable to the Pledgor, if any, minus (iii) all Independent Amounts applicable to the Secured Party, if any, minus (iv) the Pledgor's Threshold; *provided, however*, that the Credit Support Amount will be deemed to be zero whenever the calculation of Credit Support Amount yields a number less than zero.

Paragraph 4. Conditions Precedent, Transfer Timing, Calculations and Substitutions

(a) **Conditions Precedent.** Each Transfer obligation of the Pledgor under Paragraphs 3 and 5 and of the Secured Party under Paragraphs 3, 4(d)(ii), 5 and 6(d) is subject to the conditions precedent that:

- (i) no Event of Default, Potential Event of Default or Specified Condition has occurred and is continuing with respect to the other party; and
- (ii) no Early Termination Date for which any unsatisfied payment obligations exist has occurred or been designated as the result of an Event of Default or Specified Condition with respect to the other party.

(b) **Transfer Timing.** Subject to Paragraphs 4(a) and 5 and unless otherwise specified, if a demand for the Transfer of Eligible Credit Support or Posted Credit Support is made by the Notification Time, then the relevant Transfer will be made not later than the close of business on the next Local Business Day; if a demand is made after the Notification Time, then the relevant Transfer will be made not later than the close of business on the second Local Business Day thereafter.

(c) **Calculations.** All calculations of Value and Exposure for purposes of Paragraphs 3 and 6(d) will be made by the Valuation Agent as of the Valuation Time. The Valuation Agent will notify each party (or the other party, if the Valuation Agent is a party) of its calculations not later than the Notification Time on the Local Business Day following the applicable Valuation Date (or in the case of Paragraph 6(d), following the date of calculation).

(d) ***Substitutions.***

(i) Unless otherwise specified in Paragraph 13, upon notice to the Secured Party specifying the items of Posted Credit Support to be exchanged, the Pledgor may, on any Local Business Day, Transfer to the Secured Party substitute Eligible Credit Support (the "Substitute Credit Support"); and

(ii) subject to Paragraph 4(a), the Secured Party will Transfer to the Pledgor the items of Posted Credit Support specified by the Pledgor in its notice not later than the Local Business Day following the date on which the Secured Party receives the Substitute Credit Support, unless otherwise specified in Paragraph 13 (the "Substitution Date"); *provided* that the Secured Party will only be obligated to Transfer Posted Credit Support with a Value as of the date of Transfer of that Posted Credit Support equal to the Value as of that date of the Substitute Credit Support.

Paragraph 5. Dispute Resolution

If a party (a "Disputing Party") disputes (I) the Valuation Agent's calculation of a Delivery Amount or a Return Amount or (II) the Value of any Transfer of Eligible Credit Support or Posted Credit Support, then (1) the Disputing Party will notify the other party and the Valuation Agent (if the Valuation Agent is not the other party) not later than the close of business on the Local Business Day following (X) the date that the demand is made under Paragraph 3 in the case of (I) above or (Y) the date of Transfer in the case of (II) above, (2) subject to Paragraph 4(a), the appropriate party will Transfer the undisputed amount to the other party not later than the close of business on the Local Business Day following (X) the date that the demand is made under Paragraph 3 in the case of (I) above or (Y) the date of Transfer in the case of (II) above, (3) the parties will consult with each other in an attempt to resolve the dispute and (4) if they fail to resolve the dispute by the Resolution Time, then:

(i) In the case of a dispute involving a Delivery Amount or Return Amount, unless otherwise specified in Paragraph 13, the Valuation Agent will recalculate the Exposure and the Value as of the Recalculation Date by:

(A) utilizing any calculations of Exposure for the Transactions (or Swap Transactions) that the parties have agreed are not in dispute;

(B) calculating the Exposure for the Transactions (or Swap Transactions) in dispute by seeking four actual quotations at mid-market from Reference Market-makers for purposes of calculating Market Quotation, and taking the arithmetic average of those obtained; *provided* that if four quotations are not available for a particular Transaction (or Swap Transaction), then fewer than four quotations may be used for that Transaction (or Swap Transaction); and if no quotations are available for a particular Transaction (or Swap Transaction), then the Valuation Agent's original calculations will be used for that Transaction (or Swap Transaction); and

(C) utilizing the procedures specified in Paragraph 13 for calculating the Value, if disputed, of Posted Credit Support.

(ii) In the case of a dispute involving the Value of any Transfer of Eligible Credit Support or Posted Credit Support, the Valuation Agent will recalculate the Value as of the date of Transfer pursuant to Paragraph 13.

Following a recalculation pursuant to this Paragraph, the Valuation Agent will notify each party (or the other party, if the Valuation Agent is a party) not later than the Notification Time on the Local Business Day following the Resolution Time. The appropriate party will, upon demand following that notice by the Valuation Agent or a resolution pursuant to (3) above and subject to Paragraphs 4(a) and 4(b), make the appropriate Transfer.

Paragraph 6. Holding and Using Posted Collateral

(a) **Care of Posted Collateral.** Without limiting the Secured Party's rights under Paragraph 6(c), the Secured Party will exercise reasonable care to assure the safe custody of all Posted Collateral to the extent required by applicable law, and in any event the Secured Party will be deemed to have exercised reasonable care if it exercises at least the same degree of care as it would exercise with respect to its own property. Except as specified in the preceding sentence, the Secured Party will have no duty with respect to Posted Collateral, including, without limitation, any duty to collect any Distributions, or enforce or preserve any rights pertaining thereto.

(b) **Eligibility to Hold Posted Collateral; Custodians.**

(i) **General.** Subject to the satisfaction of any conditions specified in Paragraph 13 for holding Posted Collateral, the Secured Party will be entitled to hold Posted Collateral or to appoint an agent (a "Custodian") to hold Posted Collateral for the Secured Party. Upon notice by the Secured Party to the Pledgor of the appointment of a Custodian, the Pledgor's obligations to make any Transfer will be discharged by making the Transfer to that Custodian. The holding of Posted Collateral by a Custodian will be deemed to be the holding of that Posted Collateral by the Secured Party for which the Custodian is acting.

(ii) **Failure to Satisfy Conditions.** If the Secured Party or its Custodian fails to satisfy any conditions for holding Posted Collateral, then upon a demand made by the Pledgor, the Secured Party will, not later than five Local Business Days after the demand, Transfer or cause its Custodian to Transfer all Posted Collateral held by it to a Custodian that satisfies those conditions or to the Secured Party if it satisfies those conditions.

(iii) **Liability.** The Secured Party will be liable for the acts or omissions of its Custodian to the same extent that the Secured Party would be liable hereunder for its own acts or omissions.

(c) **Use of Posted Collateral.** Unless otherwise specified in Paragraph 13 and without limiting the rights and obligations of the parties under Paragraphs 3, 4(d)(ii), 5, 6(d) and 8, if the Secured Party is not a Defaulting Party or an Affected Party with respect to a Specified Condition and no Early Termination Date has occurred or been designated as the result of an Event of Default or Specified Condition with respect to the Secured Party, then the Secured Party will, notwithstanding Section 9-207 of the New York Uniform Commercial Code, have the right to:

(i) sell, pledge, rehypothecate, assign, invest, use, commingle or otherwise dispose of, or otherwise use in its business any Posted Collateral it holds, free from any claim or right of any nature whatsoever of the Pledgor, including any equity or right of redemption by the Pledgor; and

(ii) register any Posted Collateral in the name of the Secured Party, its Custodian or a nominee for either.

For purposes of the obligation to Transfer Eligible Credit Support or Posted Credit Support pursuant to Paragraphs 3 and 5 and any rights or remedies authorized under this Agreement, the Secured Party will be deemed to continue to hold all Posted Collateral and to receive Distributions made thereon, regardless of whether the Secured Party has exercised any rights with respect to any Posted Collateral pursuant to (i) or (ii) above.

(d) **Distributions and Interest Amount.**

(i) **Distributions.** Subject to Paragraph 4(a), if the Secured Party receives or is deemed to receive Distributions on a Local Business Day, it will Transfer to the Pledgor not later than the following Local Business Day any Distributions it receives or is deemed to receive to the extent that a Delivery Amount would not be created or increased by that Transfer, as calculated by the Valuation Agent (and the date of calculation will be deemed to be a Valuation Date for this purpose).

(ii) **Interest Amount.** Unless otherwise specified in Paragraph 13 and subject to Paragraph 4(a), in lieu of any interest, dividends or other amounts paid or deemed to have been paid with respect to Posted Collateral in the form of Cash (all of which may be retained by the Secured Party), the Secured Party will Transfer to the Pledgor at the times specified in Paragraph 13 the Interest Amount to the extent that a Delivery Amount would not be created or increased by that Transfer, as calculated by the Valuation Agent (and the date of calculation will be deemed to be a Valuation Date for this purpose). The Interest Amount or portion thereof not Transferred pursuant to this Paragraph will constitute Posted Collateral in the form of Cash and will be subject to the security interest granted under Paragraph 2.

Paragraph 7. Events of Default

For purposes of Section 5(a)(iii)(l) of this Agreement, an Event of Default will exist with respect to a party if:

- (i) that party fails (or fails to cause its Custodian) to make, when due, any Transfer of Eligible Collateral, Posted Collateral or the Interest Amount, as applicable, required to be made by it and that failure continues for two Local Business Days after notice of that failure is given to that party;
- (ii) that party fails to comply with any restriction or prohibition specified in this Annex with respect to any of the rights specified in Paragraph 6(c) and that failure continues for five Local Business Days after notice of that failure is given to that party; or
- (iii) that party fails to comply with or perform any agreement or obligation other than those specified in Paragraphs 7(i) and 7(ii) and that failure continues for 30 days after notice of that failure is given to that party.

Paragraph 8. Certain Rights and Remedies

(a) **Secured Party's Rights and Remedies.** If at any time (1) an Event of Default or Specified Condition with respect to the Pledgor has occurred and is continuing or (2) an Early Termination Date has occurred or been designated as the result of an Event of Default or Specified Condition with respect to the Pledgor, then, unless the Pledgor has paid in full all of its Obligations that are then due, the Secured Party may exercise one or more of the following rights and remedies:

- (i) all rights and remedies available to a secured party under applicable law with respect to Posted Collateral held by the Secured Party;
- (ii) any other rights and remedies available to the Secured Party under the terms of Other Posted Support, if any;
- (iii) the right to Set-off any amounts payable by the Pledgor with respect to any Obligations against any Posted Collateral or the Cash equivalent of any Posted Collateral held by the Secured Party (or any obligation of the Secured Party to Transfer that Posted Collateral); and
- (iv) the right to liquidate any Posted Collateral held by the Secured Party through one or more public or private sales or other dispositions with such notice, if any, as may be required under applicable law, free from any claim or right of any nature whatsoever of the Pledgor, including any equity or right of redemption by the Pledgor (with the Secured Party having the right to purchase any or all of the Posted Collateral to be sold) and to apply the proceeds (or the Cash equivalent thereof) from the liquidation of the Posted Collateral to any amounts payable by the Pledgor with respect to any Obligations in that order as the Secured Party may elect.

Each party acknowledges and agrees that Posted Collateral in the form of securities may decline speedily in value and is of a type customarily sold on a recognized market, and, accordingly, the Pledgor is not entitled to prior notice of any sale of that Posted Collateral by the Secured Party, except any notice that is required under applicable law and cannot be waived.

(b) **Pledgor's Rights and Remedies.** If at any time an Early Termination Date has occurred or been designated as the result of an Event of Default or Specified Condition with respect to the Secured Party, then (except in the case of an Early Termination Date relating to less than all Transactions (or Swap Transactions) where the Secured Party has paid in full all of its obligations that are then due under Section 6(e) of this Agreement):

(i) the Pledgor may exercise all rights and remedies available to a pledgor under applicable law with respect to Posted Collateral held by the Secured Party;

(ii) the Pledgor may exercise any other rights and remedies available to the Pledgor under the terms of Other Posted Support, if any;

(iii) the Secured Party will be obligated immediately to Transfer all Posted Collateral and the Interest Amount to the Pledgor; and

(iv) to the extent that Posted Collateral or the Interest Amount is not so Transferred pursuant to (iii) above, the Pledgor may:

(A) Set-off any amounts payable by the Pledgor with respect to any Obligations against any Posted Collateral or the Cash equivalent of any Posted Collateral held by the Secured Party (or any obligation of the Secured Party to Transfer that Posted Collateral); and

(B) to the extent that the Pledgor does not Set-off under (iv)(A) above, withhold payment of any remaining amounts payable by the Pledgor with respect to any Obligations, up to the Value of any remaining Posted Collateral held by the Secured Party, until that Posted Collateral is Transferred to the Pledgor.

(c) **Deficiencies and Excess Proceeds.** The Secured Party will Transfer to the Pledgor any proceeds and Posted Credit Support remaining after liquidation, Set-off and/or application under Paragraphs 8(a) and 8(b) after satisfaction in full of all amounts payable by the Pledgor with respect to any Obligations; the Pledgor in all events will remain liable for any amounts remaining unpaid after any liquidation, Set-off and/or application under Paragraphs 8(a) and 8(b).

(d) **Final Returns.** When no amounts are or thereafter may become payable by the Pledgor with respect to any Obligations (except for any potential liability under Section 2(d) of this Agreement), the Secured Party will Transfer to the Pledgor all Posted Credit Support and the Interest Amount, if any.

Paragraph 9. Representations

Each party represents to the other party (which representations will be deemed to be repeated as of each date on which it, as the Pledgor, Transfers Eligible Collateral) that:

(i) it has the power to grant a security interest in and lien on any Eligible Collateral it Transfers as the Pledgor and has taken all necessary actions to authorize the granting of that security interest and lien;

(ii) it is the sole owner of or otherwise has the right to Transfer all Eligible Collateral it Transfers to the Secured Party hereunder, free and clear of any security interest, lien, encumbrance or other restrictions other than the security interest and lien granted under Paragraph 2;

(iii) upon the Transfer of any Eligible Collateral to the Secured Party under the terms of this Annex, the Secured Party will have a valid and perfected first priority security interest therein (assuming that any central clearing corporation or any third-party financial intermediary or other entity not within the control of the Pledgor involved in the Transfer of that Eligible Collateral gives the notices and takes the action required of it under applicable law for perfection of that interest); and

(iv) the performance by it of its obligations under this Annex will not result in the creation of any security interest, lien or other encumbrance on any Posted Collateral other than the security interest and lien granted under Paragraph 2.

Paragraph 10. Expenses

- (a) **General.** Except as otherwise provided in Paragraphs 10(b) and 10(c), each party will pay its own costs and expenses in connection with performing its obligations under this Annex and neither party will be liable for any costs and expenses incurred by the other party in connection herewith.
- (b) **Posted Credit Support.** The Pledgor will promptly pay when due all taxes, assessments or charges of any nature that are imposed with respect to Posted Credit Support held by the Secured Party upon becoming aware of the same, regardless of whether any portion of that Posted Credit Support is subsequently disposed of under Paragraph 6(c), except for those taxes, assessments and charges that result from the exercise of the Secured Party's rights under Paragraph 6(c).
- (c) **Liquidation/Application of Posted Credit Support.** All reasonable costs and expenses incurred by or on behalf of the Secured Party or the Pledgor in connection with the liquidation and/or application of any Posted Credit Support under Paragraph 8 will be payable, on demand and pursuant to the Expenses Section of this Agreement, by the Defaulting Party or, if there is no Defaulting Party, equally by the parties.

Paragraph 11. Miscellaneous

- (a) **Default Interest.** A Secured Party that fails to make, when due, any Transfer of Posted Collateral or the Interest Amount will be obligated to pay the Pledgor (to the extent permitted under applicable law) an amount equal to interest at the Default Rate multiplied by the Value of the items of property that were required to be Transferred, from (and including) the date that Posted Collateral or Interest Amount was required to be Transferred to (but excluding) the date of Transfer of that Posted Collateral or Interest Amount. This interest will be calculated on the basis of daily compounding and the actual number of days elapsed.
- (b) **Further Assurances.** Promptly following a demand made by a party, the other party will execute, deliver, file and record any financing statement, specific assignment or other document and take any other action that may be necessary or desirable and reasonably requested by that party to create, preserve, perfect or validate any security interest or lien granted under Paragraph 2, to enable that party to exercise or enforce its rights under this Annex with respect to Posted Credit Support or an Interest Amount or to effect or document a release of a security interest on Posted Collateral or an Interest Amount.
- (c) **Further Protection.** The Pledgor will promptly give notice to the Secured Party of, and defend against, any suit, action, proceeding or lien that involves Posted Credit Support Transferred by the Pledgor or that could adversely affect the security interest and lien granted by it under Paragraph 2, unless that suit, action, proceeding or lien results from the exercise of the Secured Party's rights under Paragraph 6(c).
- (d) **Good Faith and Commercially Reasonable Manner.** Performance of all obligations under this Annex, including, but not limited to, all calculations, valuations and determinations made by either party, will be made in good faith and in a commercially reasonable manner.
- (e) **Demands and Notices.** All demands and notices made by a party under this Annex will be made as specified in the Notices Section of this Agreement, except as otherwise provided in Paragraph 13.
- (f) **Specifications of Certain Matters.** Anything referred to in this Annex as being specified in Paragraph 13 also may be specified in one or more Confirmations or other documents and this Annex will be construed accordingly.

Paragraph 12. Definitions

As used in this Annex:—

"Cash" means the lawful currency of the United States of America.

"Credit Support Amount" has the meaning specified in Paragraph 3.

"Custodian" has the meaning specified in Paragraphs 6(b)(i) and 13.

"Delivery Amount" has the meaning specified in Paragraph 3(a).

"Disputing Party" has the meaning specified in Paragraph 5.

"Distributions" means with respect to Posted Collateral other than Cash, all principal, interest and other payments and distributions of cash or other property with respect thereto, regardless of whether the Secured Party has disposed of that Posted Collateral under Paragraph 6(c). Distributions will not include any item of property acquired by the Secured Party upon any disposition or liquidation of Posted Collateral or, with respect to any Posted Collateral in the form of Cash, any distributions on that collateral, unless otherwise specified herein.

"Eligible Collateral" means, with respect to a party, the items, if any, specified as such for that party in Paragraph 13.

"Eligible Credit Support" means Eligible Collateral and Other Eligible Support.

"Exposure" means for any Valuation Date or other date for which Exposure is calculated and subject to Paragraph 5 in the case of a dispute, the amount, if any, that would be payable to a party that is the Secured Party by the other party (expressed as a positive number) or by a party that is the Secured Party to the other party (expressed as a negative number) pursuant to Section 6(e)(ii)(2)(A) of this Agreement as if all Transactions (or Swap Transactions) were being terminated as of the relevant Valuation Time; *provided* that Market Quotation will be determined by the Valuation Agent using its estimates at mid-market of the amounts that would be paid for Replacement Transactions (as that term is defined in the definition of "Market Quotation").

"Independent Amount" means, with respect to a party, the amount specified as such for that party in Paragraph 13; if no amount is specified, zero.

"Interest Amount" means, with respect to an Interest Period, the aggregate sum of the amounts of interest calculated for each day in that Interest Period on the principal amount of Posted Collateral in the form of Cash held by the Secured Party on that day, determined by the Secured Party for each such day as follows:

- (x) the amount of that Cash on that day; multiplied by
- (y) the Interest Rate in effect for that day; divided by
- (z) 360.

"Interest Period" means the period from (and including) the last Local Business Day on which an Interest Amount was Transferred (or, if no Interest Amount has yet been Transferred, the Local Business Day on which Posted Collateral in the form of Cash was Transferred to or received by the Secured Party) to (but excluding) the Local Business Day on which the current Interest Amount is to be Transferred.

"Interest Rate" means the rate specified in Paragraph 13.

"Local Business Day", unless otherwise specified in Paragraph 13, has the meaning specified in the Definitions Section of this Agreement, except that references to a payment in clause (b) thereof will be deemed to include a Transfer under this Annex.

“Minimum Transfer Amount” means, with respect to a party, the amount specified as such for that party in Paragraph 13; if no amount is specified, zero.

“Notification Time” has the meaning specified in Paragraph 13.

“Obligations” means, with respect to a party, all present and future obligations of that party under this Agreement and any additional obligations specified for that party in Paragraph 13.

“Other Eligible Support” means, with respect to a party, the items, if any, specified as such for that party in Paragraph 13.

“Other Posted Support” means all Other Eligible Support Transferred to the Secured Party that remains in effect for the benefit of that Secured Party.

“Pledgor” means either party, when that party (i) receives a demand for or is required to Transfer Eligible Credit Support under Paragraph 3(a) or (ii) has Transferred Eligible Credit Support under Paragraph 3(a).

“Posted Collateral” means all Eligible Collateral, other property, Distributions, and all proceeds thereof that have been Transferred to or received by the Secured Party under this Annex and not Transferred to the Pledgor pursuant to Paragraph 3(b), 4(d)(ii) or 6(d)(i) or released by the Secured Party under Paragraph 8. Any Interest Amount or portion thereof not Transferred pursuant to Paragraph 6(d)(ii) will constitute Posted Collateral in the form of Cash.

“Posted Credit Support” means Posted Collateral and Other Posted Support.

“Recalculation Date” means the Valuation Date that gives rise to the dispute under Paragraph 5, *provided, however*, that if a subsequent Valuation Date occurs under Paragraph 3 prior to the resolution of the dispute, then the “Recalculation Date” means the most recent Valuation Date under Paragraph 3.

“Resolution Time” has the meaning specified in Paragraph 13.

“Return Amount” has the meaning specified in Paragraph 3(b).

“Secured Party” means either party, when that party (i) makes a demand for or is entitled to receive Eligible Credit Support under Paragraph 3(a) or (ii) holds or is deemed to hold Posted Credit Support.

“Specified Condition” means, with respect to a party, any event specified as such for that party in Paragraph 13.

“Substitute Credit Support” has the meaning specified in Paragraph 4(d)(i).

“Substitution Date” has the meaning specified in Paragraph 4(d)(ii).

“Threshold” means, with respect to a party, the amount specified as such for that party in Paragraph 13; if no amount is specified, zero.

“Transfer” means, with respect to any Eligible Credit Support, Posted Credit Support or Interest Amount, and in accordance with the instructions of the Secured Party, Pledgor or Custodian, as applicable:

- (i) in the case of Cash, payment or delivery by wire transfer into one or more bank accounts specified by the recipient;
- (ii) in the case of certificated securities that cannot be paid or delivered by book-entry, payment or delivery in appropriate physical form to the recipient or its account accompanied by any duly executed instruments of transfer, assignments in blank, transfer tax stamps and any other documents necessary to constitute a legally valid transfer to the recipient;
- (iii) in the case of securities that can be paid or delivered by book-entry, the giving of written instructions to the relevant depository institution or other entity specified by the recipient, together with a written copy thereof to the recipient, sufficient if complied with to result in a legally effective transfer of the relevant interest to the recipient; and
- (iv) in the case of Other Eligible Support or Other Posted Support, as specified in Paragraph 13.

“Valuation Agent” has the meaning specified in Paragraph 13.

“Valuation Date” means each date specified in or otherwise determined pursuant to Paragraph 13.

“Valuation Percentage” means, for any item of Eligible Collateral, the percentage specified in Paragraph 13.

“Valuation Time” has the meaning specified in Paragraph 13.

“Value” means for any Valuation Date or other date for which Value is calculated and subject to Paragraph 5 in the case of a dispute, with respect to:

- (i) Eligible Collateral or Posted Collateral that is:
 - (A) Cash, the amount thereof; and
 - (B) a security, the bid price obtained by the Valuation Agent multiplied by the applicable Valuation Percentage, if any;
- (ii) Posted Collateral that consists of items that are not specified as Eligible Collateral, zero; and
- (iii) Other Eligible Support and Other Posted Support, as specified in Paragraph 13.

**ISDA
CREDIT SUPPORT ANNEX
to the Schedule
to the
ISDA Master Agreement
dated as of August 21, 2020,**

between

CITIGROUP ENERGY INC.,
a corporation organized and existing
under the laws of the State of Delaware
("Party A")

and

CITY OF ROSEVILLE,
a municipal corporation organized and existing
under the laws of the State of California
("Party B")

Paragraph 13. Elections and Variables

(a) **Security Interest for "Obligations".** The term "Obligations" shall have the meaning set forth in Paragraph 12.

(b) **Credit Support Obligations.**

(i) **Delivery Amount, Return Amount and Credit Support Amount; Addition to Paragraph 3 of this Annex.**

(A) **"Delivery Amount"** has the meaning set forth in Paragraph 3(a).

(B) **"Return Amount"** has the meaning set forth in Paragraph 3(b).

(C) **"Credit Support Amount"** means for any Valuation Date (i) the Secured Party's Exposure for that Valuation Date plus (ii) the aggregate of all Independent Amounts applicable to the Pledgor, if any, minus (iii) the Pledgor's Threshold, if any; *provided, however,* that (x) in the case where the sum of the Independent Amounts applicable to the Pledgor exceeds zero, the Credit Support Amount will not be less than the sum of all Independent Amounts applicable to the Pledgor and (y) in all other cases, the Credit Support Amount will be deemed to be zero whenever the calculation of the Credit Support Amount yields an amount less than zero.

(D) **Delivery of Independent Amounts.** Notwithstanding anything herein to the contrary (including without limitation the provisions of Paragraph 3), with regard to Transfers of Independent Amounts, the relevant Transfer shall be made in full by the close of business on the second Local Business Day following the Trade Date of the applicable Transaction.

(ii) **Eligible Collateral.** The following items will qualify as **"Eligible Collateral"**:

(iii) **Eligible Collateral.** The following items will qualify as **"Eligible Collateral"**:

Party A	Party B	Valuation Percentage
---------	---------	----------------------

(A) Cash	[X]	[X]	100%
----------	-----	-----	------

(iv) **Other Eligible Support.** The following items will qualify as “Other Eligible Support” for the party specified:

	Party A	Party B	Valuation Percentage
Letter of Credit	[X]	[X]	100%, <i>provided</i> that if a Letter of Credit Default has occurred and is continuing with respect to such Letter of Credit, or twenty (20) or fewer Local Business Days remain prior to the expiration of such Letter of Credit, the applicable Valuation Percentage shall be zero.

(iv) **Thresholds.**

(A) **“Independent Amount”** shall mean with respect to Party A and Party B with regard to any Transaction, the USD equivalent of the amount as specified in the relevant Confirmation.

(B) **“Threshold”** shall mean, (i) with respect Party A, the lesser of (a) the amount set forth below opposite the lower of the Credit Ratings in effect on any Valuation Date for Party A’s Credit Support Provider or (b) the amount of the guarantee provided, and (ii) with respect to Party B, the lesser of (1) the amount set forth below opposite the lower of the Credit Ratings in effect on any Valuation Date for Party B; *provided, however*, a party’s Threshold shall be zero if on any Valuation Date an Event of Default or Potential Event of Default with respect to such party has occurred and is continuing.

<u>Threshold</u>	<u>S&P Credit Rating</u>	<u>Moody’s Credit Rating</u>
U.S. \$25,000,000	A- and above	A3 and above
U.S. \$ 15,000,000	BBB+	Baa1
U.S. \$ 10,000,000	BBB	Baa2
U.S. \$ 5,000,000	BBB-	Baa3
U.S. \$0	Below BBB-	Below Baa3

(C) **“Minimum Transfer Amount”** for purposes of computing a Delivery Amount pursuant to Paragraph 3(a) and a Return Amount pursuant to Paragraph 3(b), as of any date shall mean, with respect to Party A, USD \$1.00, and with respect to Party B, USD \$1.00.

(D) **Rounding.** The Delivery Amounts will be rounded up and Return Amounts will be rounded down to the nearest integral multiple of USD \$100,000.

(c) **Valuation and Timing.**

(i) **“Valuation Agent”** means, for purposes of Paragraphs 3 and 5, the party making the demand under Paragraph 3, and, for purposes of Paragraphs 4(d)(ii) and 6(d), the Secured Party receiving or deemed to receive the Substitute Credit Support or the Distributions of the Interest Amount, as applicable, provided, however, that in all cases, if an Event of Default, or Potential Event of Default, has occurred and is continuing with respect to the party designated as the Valuation Agent, then in such case, and for so long as the Event of Default or Potential Event of Default continues, the other party will be the Valuation Agent.

(ii) **"Valuation Date"** means at the request of either party, any Local Business Day which, if treated as a Valuation Date, would result in a Delivery Amount or Return Amount.

(iii) **"Valuation Time"** means, with respect to the determination of Exposure, Value of Eligible Credit Support and Posted Credit Support, the close of business on the Local Business Day immediately before the Valuation Date or date of calculation, as applicable; *provided* that the calculations of Value and Exposure will be made as of approximately the same time on the same date.

(iv) **"Notification Time"** means 11:00 a.m., New York time on a Valuation Date *provided, however*, that, notwithstanding Paragraph 4(b), if a request for Transfer is made by the Notification Time, then the relevant Transfer shall be made not later than the close of business on the next Local Business Day and, if such request is received after the Notification Time, not later than the close of business on the second Local Business Day following such request.

(d) **Conditions Precedent and Secured Party's Rights and Remedies.** Each Termination Event specified below with respect to a party will be a **"Specified Condition"** for that party (the specified party being the Affected Party if a Termination Event or Additional Termination Event occurs with respect to such party):

	Party A	Party B
Illegality (provided all Transactions are Affected Transactions)	[X]	[X]
Tax Event	[]	[]
Tax Event Upon Merger	[]	[]
Credit Event Upon Merger	[X]	[X]
Additional Termination Events specified in the Schedule to this Agreement	[X]	[X]

(e) **Substitution.**

(i) **"Substitution Date"** has the meaning specified in Paragraph 4(d)(ii) of this Annex.

(ii) **Consent.** The Pledgor must obtain the Secured Party's consent for any substitution pursuant to Paragraph 4(d); *provided, however*, such consent shall not be unreasonably withheld.

(f) **Dispute Resolution.**

(i) **"Resolution Time"** means 5:00 p.m., New York time, on the second Local Business Day following the date on which notice is given that gives rise to a dispute under Paragraph 5.

(ii) **Value.** For the purpose of Paragraphs 5(i)(C) and 5(ii), the Value of Posted Credit Support or of any Transfer or Eligible Credit Support or Posted Credit Support, as the case may be, will be calculated by the Valuation Agent in accordance with standard market practice using third party sources (such as, by way of example only, Bloomberg or Reuters) where available.

(iii) **Alternative.** The provisions of Paragraph 5 will apply.

(g) **Holding and Using Posted Collateral.**

(i) **Eligibility to Hold Posted Collateral; Custodians.** A party or its Custodian will be entitled to hold Posted Collateral pursuant to Paragraph 6(b) *provided* that the following conditions are applicable to it are satisfied:

- (1) Such party is not a Defaulting Party.
- (2) The Credit Rating of such party or such parties Credit Support Provider is at least BBB- (in the case of S&P) and Baa3 (in the case of Moody's).
- (3) The Custodian is a Qualified Institution.
- (4) Initially Party A shall not be using a Custodian and Party B shall not be using a Custodian.

(ii) **Use of Posted Collateral.** The provisions of Paragraph 6(c) will not apply to both parties.

(h) **Distributions and Interest Amount.**

(i) **Interest Rate.** The "Interest Rate" with respect to U.S. Dollars will be the "Federal Funds Rate", set forth in H.15 (519) for that day opposite the caption "Federal Funds (Effective)." If on any day such rate is not yet published in H.15 (519), the rate for such day will be the rate set forth in Bloomberg Screen page FEDL01<INDEX><HP><GO> for that day under the caption "FED FUNDS EFFECTIVE", or such other rate as may be agreed by the parties. For this purpose "H.15 (519)" shall have the meaning specified in the Annex to the 2000 Definitions as published by the International Swaps and Derivatives Association, Inc.

(ii) **Transfer of Interest Amount.** Transfers of the Interest Amount will be made in arrears on the third Local Business Day of each calendar month and on any Local Business Day that Posted Collateral in the form of Cash is transferred to the Pledgor pursuant to Paragraph 3(b).

(iii) **Alternative to Interest Amount.** The provisions of Paragraph 6(d)(ii) will apply, *provided, however*, that the Interest Amount will compound daily.

(i) **Other Eligible Support and Other Posted Support.**

(i) **"Value"** with respect to Other Eligible Support and Other Posted Support means the undrawn portion of any Letter of Credit, maintained by the Pledgor (or its Credit Support Provider) for the benefit of the Secured Party, *provided* that if a Letter of Credit Default has occurred and is continuing with respect to such Letter of Credit, or twenty (20) or fewer Local Business Days remain prior to the expiration of such Letter of Credit, the applicable Value shall be zero.

(ii) **"Transfer"** with respect to Other Eligible Support and Other Posted Support means:

(1) For purposes of Paragraph 3(a), delivery of the Letter of Credit by the Pledgor or issuer of the Letter of Credit to the Secured Party at the address of the Secured Party specified in the Notices Section of this Agreement, or delivery of an executed amendment to such Letter of Credit (extending the term or increasing the amount available to the Secured Party thereunder) by the Pledgor or the issuer of the Letter of Credit to the Secured Party at the address of the Secured Party specified in the Notices Section of this Agreement; and

(2) For purposes of Paragraph 3(b), by the return of an outstanding Letter of Credit by the Secured Party to the Pledgor, at the address of the Pledgor specified in the Notices

Section of this Agreement, or delivery of an executed amendment to the Letter of Credit in form and substance satisfactory to the Secured Party, (reducing the amount available to the Secured Party thereunder) by the Pledgor or the issuer of the Letter of Credit to the Secured Party at the Secured Party's address specified in the Notices Section of this Agreement. If a Transfer is to be effected by a reduction in the amount of an outstanding Letter of Credit previously issued for the benefit of the Secured Party, the Secured Party shall not unreasonably withhold its consent to a commensurate reduction in the amount of such Letter of Credit and shall take such action as is reasonably necessary to effectuate such reduction.

(iii) *"Certain Rights and Remedies".*

- (1) *Secured Party's Rights and Remedies.* For purposes of paragraph 8(a)(ii), the Secured Party may draw on any outstanding Letter of Credit (Other Posted Support) in an amount equal to any payments then payable or which may in the future become payable by the Pledgor with respect to any Obligations.
- (2) *Pledgor's Rights and Remedies.* For purposes of Paragraph 8(b)(ii), (i) the Secured Party will be obligated immediately to Transfer any Letter of Credit (Other Posted Support) to the Pledgor and (ii) the Pledgor may do any one or more of the following: (x) to the extent that the Letter of Credit (Other Posted Support) is not Transferred to the Pledgor as required pursuant to (i) above, Set-off any amounts payable by the Pledgor with respect to any Obligations against any such Letter of Credit (Other Posted Support) held by the Secured Party and to the extent its rights to Set-off are not exercised, withhold payment of any remaining amounts payable by the Pledgor with respect to any Obligations, up to the Value of any remaining Posted Collateral and the Value of any Letter of Credit (Other Posted Support) held by the Secured Party, until any such Posted Collateral and such Letter of Credit (Other Posted Support) is Transferred to the Pledgor; and (y) exercise rights and remedies available to the Pledgor under the terms of the Letter of Credit.

(iv) All Other Eligible Support and Other Posted Support consisting of Letters of Credit shall be issued and maintained in accordance with the provisions set forth in Schedule I attached hereto.

(j) **Demands and Notices.**

All demands, specifications and notices under this Annex will be made pursuant to the Notices Section of this Agreement, *provided*, that the address for Party A for such purposes shall be:

Citigroup Energy Inc.
 Collateral Management Group
 388 Greenwich Street, 11th Floor
 New York, NY 10013
 Telephone no. (212) 816-8090
 Facsimile no. (212) 994-0728
 Email: derivatives.margin@citi.com

and the address for Party B for such purposes shall be:

City of Roseville
2090 Hilltop Circle
Roseville, CA 95747
Attention: Utility Director
Telephone No.: 916-774-5602
Facsimile No.: 916-774-5583

(k) **Addresses for Transfers.**

Party A: As provided in the relevant Confirmation

Party B: Payment to: U.S. Bank
For Account Of: City of Roseville
Account #: 153499281092
Federal ABA#: 121122676

(k) **Other Provisions.**

(i) **Custodians.** A party shall be eligible to serve as Custodian if and for so long as it (i) is not affiliated with Party A or Party B and (ii) is a Qualified Institution.

(ii) **Actions Hereunder.** Either party may take any actions hereunder, including liquidation rights, through its Custodian or other agent.

(iii) **Events of Default.** Paragraph 7(i) shall be amended and restated in its entirety as follows: "(i) that party fails (or fails to cause its Custodian) to make, when due any Transfer of Eligible Credit Support, Posted Credit Support or the Interest Amount, as applicable, required to be made by it and that failure continues for two Local Business Day after notice of that failure is given to that party;"

(iv) **Pledgor's Rights and Remedies.** Paragraph 8(b)(iii) is amended by replacing the words "Posted Collateral" with the words "Posted Credit Support."

(v) **Pledgor's Rights and Remedies.** Paragraph 8(b)(iv) is amended by replacing each use of the words "Posted Collateral" with the words "Posted Credit Support."

(vi) **Security Agreement.** This Credit Support Annex is a Security Agreement under the provisions of the Uniform Commercial Code of the Governing Law specified in the Schedule to the ISDA Master Agreement between the parties.

(vii) **Amendments to Definitions.** Paragraph 12 of this Annex is hereby amended by adding or amending, as applicable, the following defined terms:

"Credit Rating" shall mean, on any date of determination, (i) with respect to Party B, the lower of its utility revenue bonds rating (not supported by third party enhancement) or its issuer rating by the specified entity by S&P, Moody's or any other specified rating agency or agencies, and (ii) with respect to Party A, the lower of its Credit Support Provider's long-term senior unsecured debt or deposit rating (not supported by third party credit enhancement) or its issuer rating, by S&P, Moody's or any other specified rating agency or agencies.

"Letter of Credit" means an irrevocable, standby transferable letter of credit, issued by a major U.S. commercial bank or a U.S. branch office of a foreign bank which is substantially in a form acceptable and satisfactory to the Secured Party with such changes to the terms in that form as the issuing bank may require and as may be acceptable to the Secured Party and is not an Affiliate of either party, where (i) such letter of credit bank has a senior unsecured long term debt rating of "A-" or better by S&P and "A3" or better by Moody's and has a combined capital surplus of at least \$10,000,000,000. Each Letter of Credit shall be a Credit Support Document.

"Local Business Day" Notwithstanding anything to the contrary contained herein Local Business Day shall, in addition to any other meaning specified herein, include a day on which commercial banks are open for business (including dealings in foreign exchange and foreign currency deposits) in New York City and in California.

"Moody's" shall mean Moody's Investors Service, Inc., or its successor.

"Qualified Institution" means a commercial bank or trust company or financial institution, which not affiliated with either party, organized under the laws of the United States or a political subdivision thereof, with (i) a Credit Rating of at least (a) "A-" by S&P and "A3" by Moody's, if such entity is rated by both S&P and Moody's or (b) "A-" by S&P or "A3" by Moody's, if such entity is rated by either S&P or Moody's but not both, and (ii) having assets of at least \$10,000,000,000.

"S&P" shall mean S&P Global Ratings or its successor.

IN WITNESS WHEREOF, the parties hereto have executed this Annex as of the date first above written.

**Schedule I
to Paragraph 13
of the
ISDA Credit Support Annex**

LETTER OF CREDIT PROVISIONS

I. **Letters of Credit.** Other Eligible Support provided by the Pledgor ("X") for the benefit of the Secured Party ("Y") in the form of a Letter of Credit shall be subject to the following provisions.

(a) Any Letter of Credit shall be delivered by X to such address as Y shall specify and shall be maintained for the benefit of Y or its designee. X shall (i) cause the renewal of each outstanding Letter of Credit on a timely basis as provided in the relevant Letter of Credit, (ii) if the bank that issued an outstanding Letter of Credit has indicated its intent not to renew such Letter of Credit, provide a substitute Letter of Credit at least twenty (20) Local Business Days prior to the expiration of the outstanding Letter of Credit, and (iii) if a bank issuing a Letter of Credit shall fail to honor Y's properly documented request to draw on an outstanding Letter of Credit, provide for the benefit of Y a substitute Letter of Credit that is issued by a bank acceptable to Y, other than the bank failing to honor the outstanding Letter of Credit, within two (2) Local Business Days after such refusal. Any failure of the second bank to honor Y's proposed document request to draw on an outstanding Letter of Credit or failure by X to deliver such substitute Letter of Credit shall constitute an Event of Default under this Agreement.

(b) Upon the occurrence of a Letter of Credit Default, X agrees to either cause the delivery to Y of a substitute Letter of Credit, or, alternatively, X shall provide other Eligible Credit Support, in each case on or before the second Business Day after the occurrence thereof (or on or before the fifth Local Business Day after the occurrence thereof if only clause (i) under definition of Letter of Credit Default applies). "Letter of Credit Default" shall mean with respect to an outstanding Letter of Credit, the occurrence of any of the following events: (i) the bank issuing the Letter of Credit shall fail to maintain a Credit Rating of at least "A-" by S&P and "A3" by Moody's; (ii) the bank issuing the Letter of Credit shall fail to comply with or perform its obligations under such Letter of Credit; (iii) the bank issuing such Letter of Credit shall disaffirm, disclaim, repudiate or reject, in whole or in part, or challenge the validity of, such Letter of Credit; (iv) such Letter of Credit shall expire or terminate, or shall fail or cease to be in full force and effect at any time during the term of this Agreement; or (v) any event analogous to an event specified in Section 5(a)(vii) of this Agreement shall occur with respect to the bank issuing the Letter of Credit; provided, however, that no Letter of Credit Default shall occur in any event with respect to a Letter of Credit after the time such Letter of Credit is required to be cancelled or returned to X, in accordance with the terms of this Agreement.

(c) As one method of providing additional Posted Credit Support, X may increase the amount of an outstanding Letter of Credit or establish one or more additional Letters of Credit.

(d) A Letter of Credit shall provide that Y may draw upon the Letter of Credit in an amount that is equal to all amounts that are due and owing from X but have not been paid to Y within the time allowed for such payments under this Agreement. A Letter of Credit shall provide that a drawing may be made on the Letter of Credit upon submission to the bank issuing the Letter of Credit of one or more certificates in accordance with specific requirements of the Letter of Credit.

(e) (i) Upon or at any time after the occurrence of an Event of Default, Y may draw on any outstanding Letter of Credit upon presentation to the bank issuing the Letter of Credit of one or more certificates in accordance with the specific requirements of any such Letter of Credit. Cash received from drawing upon the Letter of Credit shall be deemed Other Posted Support and shall

either be (y) applied against all amounts that are due and owing from X but have not been paid to Y under this Agreement or (z) held by Y as Other Posted Support in accordance with this Annex. Notwithstanding Y's receipt of Cash from any drawing under a Letter of Credit, X shall remain liable for any amounts owing to Y and remaining unpaid after the application of the amounts so drawn by Y.

(ii) Upon or at any time after the occurrence or deemed occurrence of an Early Termination Date as a result of a Termination Event and the failure of X to make all payments due and owing to Y in accordance with the terms of this Agreement, Y may, subject to the availability of such amounts for drawing, draw on any outstanding Letter of Credit in an amount equal to such amounts owing to it upon presentation to the bank issuing the Letter of Credit of one or more certificates in accordance with the specific requirements of any such Letter of Credit. Notwithstanding Y's receipt of Cash from any drawing under a Letter of Credit, X shall remain obligated to Y to Transfer sufficient Eligible Credit Support to Y in accordance with the terms of this Annex. In addition, X shall remain obligated to Y for any amounts owing to Y and remaining unpaid after the application of any amounts so drawn by Y.

(f) The provisions of this Schedule I shall constitute agreements for all purposes of this Agreement and this Annex.

(g) X covenants and agrees that so long as a Transaction shall remain outstanding under this Agreement, no Letter of Credit shall be secured by any mortgage, security interest, pledge, lien or other encumbrance upon the property of X.

(h) In all cases, the costs and expenses (including but not limited to the reasonable costs, expenses, and attorneys' fees of Y) of establishing, renewing, substituting, canceling, and increasing the amount of a Letter of Credit shall be borne by X.

ATTACHMENT A

**North American Power Annex
to the
ISDA Master Agreement**

APPENDIX A

Part [6]. **Physically Settled Power Transactions**

(a) **Power Transactions under this Agreement; Credit Support Documents**

(i) ***Power Transactions.*** The provisions of this Part [6] shall apply solely to transactions between the parties for the purchase or sale of a Product (as defined below) on a spot or forward basis or as an option to purchase, sell or transfer a Product (collectively, "Power Transactions"). All Power Transactions will be deemed to have been entered into in accordance with the terms of this Agreement and shall be Transactions for the purposes hereof. A subsequent agreement between the parties to settle a Power Transaction without involving a physical delivery of a Product shall not affect such Power Transaction's status as a Power Transaction under this Part [6]. In the event of any inconsistency among or between the other provisions of this Agreement and this Part [6], this Part [6] will govern with respect to Power Transactions.

(ii) ***Applicability to Outstanding Power Transactions.*** If elected under clause (j) as being applicable: upon the effectiveness of this Part [6], all Power Transactions then outstanding ("Outstanding Power Transactions") shall be Transactions for purposes of this Agreement and shall be governed by and subject to the terms and conditions of, this Agreement. All confirmations evidencing such Outstanding Power Transactions shall constitute "Confirmations" within the meaning of this Agreement that supplement, form part of and are subject to this Agreement. If any Confirmation issued or entered into in respect of one or more Outstanding Power Transactions was issued or entered into pursuant to the terms of a master agreement or in a form that contains non-economic substantive provisions such as those relating to default and termination rights (such master agreement or the portion of such Confirmations containing such non-economic terms being referred to herein as the "Prior Master Agreement"), then the terms of the Schedule and the pre-printed form of this Agreement shall automatically supersede such Prior Master Agreement effective upon the execution of this Part [6].

(iii) ***Credit Support Documents.*** If elected under clause (j) as being applicable:

(A) ***Outstanding Credit Support.*** The parties agree that to the extent any collateral, margin, performance assurance or other similar form of credit support (such credit support, excluding guarantees, being referred to herein as "Outstanding Credit Support") is held by a party in connection with the obligations of the other party under Outstanding Power Transactions, such Outstanding Credit Support shall be deemed to have been delivered in respect of the obligations of the other party under Outstanding Power Transactions.

The parties further agree that with respect to any Outstanding Credit Support that (x) if the parties have entered into a Credit Support Document in connection with this Agreement that governs the provision of collateral, margin, performance assurance or other similar form of credit support (such Credit Support Document, an "Existing ISDA Credit Support Document") then the Outstanding Credit Support shall be deemed to constitute credit support provided under such Existing ISDA Credit Support Document and such Existing ISDA Credit Support Document shall automatically supercede any agreement between the parties pursuant to which the Outstanding Credit Support was provided (the "Outstanding Credit Support Document") effective upon the execution of this Part [6] and (y) if the parties have not entered into an Existing ISDA Credit Support Document, then the Outstanding Credit Support Document constitutes a Credit Support Document with respect to the party that provided such credit support.

APPENDIX A

(B) *Amendments/Guaranties.* The parties agree that they will enter into such amendments to any Outstanding Credit Support Document as may be necessary to give effect to the terms of this clause (a)(iii). To the extent that a guaranty was delivered in connection with a party's obligations under Outstanding Power Transactions or a Prior Master Agreement, that party represents and warrants that any amendments necessary to ensure that the guaranty would extend to Transactions subject to this Agreement have been made prior to the effectiveness of this Part [6] and agrees (x) that such guaranty constitutes a Credit Support Document with respect to the obligations of such party and (y) the guarantor under such guaranty constitutes a Credit Support Provider with respect to the obligations of such party.

(b) **Obligations and Deliveries**

(i) *Seller's and Buyer's Obligations.* With respect to each Power Transaction, Seller shall sell and deliver, or cause to be delivered, the Quantity of the Product to the Delivery Point. Buyer shall purchase and receive, or cause to be received, the Quantity of the Product at the Delivery Point and shall pay Seller the Contract Price. However, with respect to options, the obligations set forth in the preceding two sentences shall only arise if the option is exercised in accordance with its terms. Seller shall be responsible for any costs or charges imposed on or associated with the Product or its delivery of the Product up to the Delivery Point. Buyer shall be responsible for any costs or charges imposed on or associated with the Product or its receipt at and from the Delivery Point.

(ii) *Transmission and Scheduling.* Seller shall arrange and be responsible for transmission service to the Delivery Point and shall Schedule or arrange for Scheduling services with its Transmission Providers, as specified by the parties in the Power Transactions, or in the absence thereof, in accordance with the practice of Transmission Providers, to deliver the Product to the Delivery Point. Buyer shall arrange and be responsible for transmission service at and from the Delivery Point and shall Schedule or arrange for Scheduling services with its Transmission Providers to receive the Product at the Delivery Point.

(iii) *Force Majeure.* To the extent either party is prevented by Force Majeure from carrying out, in whole or part, its obligations under any Power Transaction and such party (the "Claiming Party") gives notice and details of the Force Majeure to the other party (the "non-Claiming Party") as soon as practicable, then, unless the terms of the Product specify otherwise, the Claiming Party shall be excused from the performance of its obligations with respect to such Power Transaction (other than the obligation to make payments then due or becoming due with respect to performance prior to the Force Majeure). The Claiming Party shall remedy the Force Majeure with all reasonable dispatch. The non-Claiming Party shall not be required to perform or resume performance of its obligations to the Claiming Party corresponding to the obligations of the Claiming Party excused by Force Majeure. If the pre-printed form portion of this Agreement is the 2002 ISDA Master Agreement form, Section 5(b)(ii) of this Agreement shall not apply to any Power Transaction.

(c) **Remedies for Failure to Deliver or Receive; Limitation on Condition Precedent**

(i) *Seller Failure.* If Seller fails to Schedule and/or deliver all or part of the Product pursuant to a Power Transaction, and such failure is not excused under the terms of the Product or by Buyer's failure to perform, then Seller shall pay Buyer on the date payment would otherwise be due in respect of the month in which the failure occurred or, if "Accelerated Payment of Damages" is specified in clause (j), within five (5) Local Business Days of invoice receipt, an amount for such deficiency equal to the positive difference, if any, obtained by subtracting the

APPENDIX A

Contract Price from the Replacement Price (as defined below). The invoice for such amount shall include a written statement explaining in reasonable detail the calculation of such amount.

(ii) **Buyer Failure.** If Buyer fails to Schedule and/or receive all or part of the Product pursuant to a Power Transaction and such failure is not excused under the terms of the Product or by Seller's failure to perform, then Buyer shall pay Seller on the date payment would otherwise be due in respect of the month in which the failure occurred or, if "Accelerated Payment of Damages" is specified in clause (j), within five (5) Local Business Days of invoice receipt, an amount for such deficiency equal to the positive difference, if any, obtained by subtracting the Sales Price (as defined below) from the Contract Price. The invoice for such amount shall include a written statement explaining in reasonable detail the calculation of such amount.

(iii) **Limitation on Condition Precedent.** Section 2(a)(iii) of this Agreement is hereby amended by adding the following phrase at the end of clause (1) immediately before the last comma of such phrase:

"(provided, however, that in relation to any Transaction that is a Power Transaction, if an Event of Default or a Potential Event of Default has occurred and is continuing for longer than ten (10) NERC Business Days without an Early Termination Date being designated, then the condition specified in this clause (1) shall cease to be a condition precedent to the obligations under Section 2(a)(i))."

(d) **Payment**

(i) **Billing Period.** Unless otherwise specifically agreed upon by the parties, the calendar month shall be the standard period for all payments pursuant to any Power Transaction under this Agreement (other than (x) payments due as a result of the designation of an Early Termination Date; (y) any option premium payments; or (z) if "Accelerated Payment of Damages" is specified as being applicable, payments due pursuant to clauses (c)(i) and (c)(ii)). As soon as practicable after the end of each month, each party will render to the other party an invoice for the payment obligations, if any, incurred hereunder during the preceding month.

(ii) **Timeliness of Payment.** The parties shall designate which of the following two options shall apply with respect to the timing of when payment obligations are due in relation to Power Transactions:

Option A: Unless otherwise agreed by the parties, all invoices for payment pursuant to a Power Transaction shall be due and payable in accordance with each party's invoice instructions on or before the later of the fifth (5th) Local Business Day of each month, or the second (2nd) Local Business Day after receipt of the invoice.

Option B: Unless otherwise agreed by the parties, all invoices for payment pursuant to a Power Transaction shall be due and payable in accordance with each party's invoice instructions on or before the later of the twentieth (20th) day of each month, or the tenth (10th) day after receipt of the invoice or, if such day is not a Local Business Day, then on the next Local Business Day.

Each party will make payments by electronic funds transfer, or by other mutually agreeable method(s), to the account designated by the other party. Any amounts not paid by the due date will be deemed delinquent and will accrue interest at the Default Rate, such interest to be calculated from and including the due date to but excluding the date the delinquent amount is paid in full.

APPENDIX A

(iii) **Payment for Options.** The premium amount for the purchase of an option shall be paid within two (2) Local Business Days of receipt of an invoice from the option seller. Upon exercise of an option, payment for the Product underlying such option shall be due in accordance with the applicable provisions of clauses (d)(i) and (d)(ii).

(iv) **Power Transaction Netting.** If the parties enter into one or more Power Transactions, which in conjunction with one or more other outstanding Power Transactions, constitute Offsetting Power Transactions, then all such Offsetting Power Transactions may, by agreement of the parties, be netted into a single Power Transaction under which:

(A) the party obligated to deliver the greater amount of Product will deliver the difference between the total amount it is obligated to deliver and the total amount to be delivered to it under the Offsetting Power Transactions, and

(B) the party owing the greater aggregate payment will pay the net difference owed between the parties.

Each single Power Transaction resulting under this clause shall be deemed part of the single, indivisible contractual arrangement between the parties, and once such resulting Power Transaction occurs, outstanding obligations under the Offsetting Power Transactions which are satisfied by such offset shall terminate. For the purposes of this Part [6], "Offsetting Power Transaction" shall mean any two or more Power Transactions having the same or overlapping Delivery Period(s) (as specified in the Power Transaction), Delivery Point and payment date, where under one or more of such Power Transactions, one party is the Seller and under the other such Power Transaction(s) the same party is the Buyer.

(e) **Limitation of Liability**

NOTWITHSTANDING ANYTHING TO THE CONTRARY IN THIS CLAUSE (E), THE FOLLOWING PROVISION SHALL APPLY SOLELY TO POWER TRANSACTIONS, AND NOTHING IN THIS PROVISION SHALL AFFECT THE ENFORCEABILITY OF SECTION 6 OF THIS AGREEMENT WITH RESPECT TO POWER TRANSACTIONS OR OTHERWISE.

THERE IS NO WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, AND ANY AND ALL IMPLIED WARRANTIES ARE DISCLAIMED. THE PARTIES CONFIRM THAT THE EXPRESS REMEDIES AND MEASURES OF DAMAGES PROVIDED IN THIS AGREEMENT SATISFY THE ESSENTIAL PURPOSES HEREOF. FOR BREACH OF ANY PROVISION FOR WHICH AN EXPRESS REMEDY OR MEASURE OF DAMAGES IS PROVIDED, SUCH EXPRESS REMEDY OR MEASURE OF DAMAGES SHALL BE THE SOLE AND EXCLUSIVE REMEDY, THE OBLIGOR'S LIABILITY SHALL BE LIMITED AS SET FORTH IN SUCH PROVISION AND ALL OTHER REMEDIES OR DAMAGES AT LAW OR IN EQUITY ARE WAIVED. IF NO REMEDY OR MEASURE OF DAMAGES IS EXPRESSLY PROVIDED HEREIN OR IN A POWER TRANSACTION, THE OBLIGOR'S LIABILITY SHALL BE LIMITED TO DIRECT ACTUAL DAMAGES ONLY, SUCH DIRECT ACTUAL DAMAGES SHALL BE THE SOLE AND EXCLUSIVE REMEDY AND ALL OTHER REMEDIES OR DAMAGES AT LAW OR IN EQUITY ARE WAIVED. TO THE EXTENT ANY DAMAGES REQUIRED TO BE PAID HEREUNDER ARE LIQUIDATED, THE PARTIES ACKNOWLEDGE THAT THE DAMAGES ARE DIFFICULT OR IMPOSSIBLE TO DETERMINE, OR OTHERWISE OBTAINING AN ADEQUATE REMEDY IS INCONVENIENT AND THE DAMAGES

APPENDIX A

CALCULATED HEREUNDER CONSTITUTE A REASONABLE APPROXIMATION OF THE HARM OR LOSS. NEITHER PARTY SHALL BE LIABLE FOR CONSEQUENTIAL, INCIDENTAL, PUNITIVE, EXEMPLARY OR INDIRECT DAMAGES, LOST PROFITS OR OTHER BUSINESS INTERRUPTION DAMAGES, BY STATUTE, IN TORT OR CONTRACT, UNDER ANY INDEMNITY PROVISION OR OTHERWISE. IT IS THE INTENT OF THE PARTIES THAT THE LIMITATIONS HEREIN IMPOSED ON REMEDIES AND THE MEASURE OF DAMAGES BE WITHOUT REGARD TO THE CAUSE OR CAUSES RELATED THERETO, INCLUDING THE NEGLIGENCE OF ANY PARTY, WHETHER SUCH NEGLIGENCE IS SOLE, JOINT OR CONCURRENT, OR ACTIVE OR PASSIVE.

(f) **Taxes**

(i) **Cooperation.** Each party shall use reasonable effort to implement the provisions of and to administer this Agreement insofar as it applies to Power Transactions in accordance with the intent of the parties to minimize all Taxes, so long as neither party is materially adversely affected by such efforts.

(ii) **Taxes.** Notwithstanding Section 2(d) of this Agreement, Seller shall pay or cause to be paid all Taxes imposed by any government authority on or with respect to the Product or a Power Transaction arising prior to the Delivery Point. Buyer shall pay or cause to be paid all Taxes on or with respect to the Product or a Power Transaction at and from the Delivery Point (other than ad valorem, franchise or income taxes which are related to the sale of the Product and are, therefore, the responsibility of the Seller). In the event Seller is required by law or regulation to remit or pay Taxes which are Buyer's responsibility hereunder, Buyer shall promptly reimburse Seller for such Taxes. If Buyer is required by law or regulation to remit or pay Taxes which are Seller's responsibility hereunder, Buyer may deduct the amount of any such Taxes from the sums due to Seller under this Agreement. Nothing shall obligate or cause a party to pay or be liable to pay any Taxes for which it is exempt under the law.

(g) **Title, Risk of Loss and Indemnity**

(i) **Title and Risk of Loss.** Title to and risk of loss related to the Product shall transfer from Seller to Buyer at the Delivery Point. Seller warrants that it will deliver to Buyer the Quantity of the Product free and clear of all liens, security interests, claims and encumbrances or any interest therein or thereto by any person arising prior to the Delivery Point.

(ii) **Indemnity.** Each party shall indemnify, defend and hold harmless the other party from and against any Claims arising from or out of any event, circumstance, act or incident first occurring or existing during the period when control and title to Product is vested in such party as provided for herein. Each party shall indemnify, defend and hold harmless the other party against any Taxes for which such party is responsible.

(h) **Miscellaneous**

(i) **Tariff.** Seller agrees to provide service to Buyer, and Buyer agrees to pay Seller for such service, in accordance with Seller's Tariff, if any, and the terms of this Agreement. Each party agrees that if it seeks to amend any Tariff during the term of this Agreement, such amendment will not in any way affect outstanding Power Transactions under this Agreement without the prior written consent of the other party. Each party further agrees that it will not assert, or defend itself, on the basis that any applicable Tariff is inconsistent with this Agreement. For the purposes of this Part [6] "FERC" shall mean the Federal Energy Regulatory Commission. Each of the Party A FERC Electric Tariff and the Party B FERC Electric Tariff is referred to

APPENDIX A

herein as a "Tariff" and collectively as the "Tariffs", which Tariffs, to the extent applicable as set forth in clause (j), are incorporated herein.

(ii) **Severability.** If elected under clause (j) as being applicable with respect to Power Transactions only, any provision of this Agreement declared or rendered unlawful by any applicable court or law or regulatory agency or deemed unlawful because of a statutory change (individually or collectively, such events being referred to herein as a "Regulatory Event") will not otherwise affect the remaining lawful obligations that arise under this Agreement. The parties agree that if a Regulatory Event occurs, they will use their best efforts to reform this Agreement with respect to Power Transactions only to give effect to the original intention of the parties; provided, however, that nothing in this provision shall affect the enforceability of Sections 5 or 6 of this Agreement with respect to Power Transactions or otherwise.

(iii) **FERC Standard of Review; Certain Covenants and Waivers.** If elected under clause (j) as being applicable:

(A) Absent the agreement of all parties to the proposed change, the standard of review for changes to any provision of this Agreement (including all Power Transactions and/or Confirmations) specifying the rate(s) or other material economic terms and conditions agreed to by the parties herein, whether proposed by a party, a non-party or FERC acting *sua sponte*, shall be the "public interest" standard of review set forth in United Gas Pipe Line Co. v. Mobile Gas Service Corp., 350 U.S. 332 (1956) and Federal Power Commission v. Sierra Pacific Power Co., 350 U.S. 348 (1956)(the "Mobile-Sierra" doctrine).

(B) The parties, for themselves and their successors and assigns, (y) agree that this "public interest" standard of review shall apply to any proposed changes in any other documents, instruments or other agreements executed or entered into by the parties in connection with this Agreement and (z) hereby expressly and irrevocably waive any rights they can or may have to the application of any other standard of review, including the "just and reasonable" standard, provided that this standard of review and the other provisions of this clause (h)(iii) shall only apply to proceedings before the FERC or appeals thereof.

(C) In addition, and notwithstanding the foregoing clauses (h)(iii)(A) and (B), to the fullest extent permitted by applicable law, each party, for itself and its successors and assigns, hereby expressly and irrevocably waives any rights it can or may have, now or in the future, whether under Sections 205 and/or 206 of the Federal Power Act or otherwise, to seek to obtain from FERC by any means, directly or indirectly (through complaint, investigation or otherwise), and each hereby covenants and agrees not at any time to seek to so obtain, an order from FERC changing any provision of this Agreement (including any applicable Power Transactions and/or Confirmations) specifying the rate(s) or other material economic terms and conditions agreed to by the parties, it being the express intent of the parties that, to the fullest extent permitted by applicable law, the "sanctity of contract" principles acknowledged by FERC in its Notice of Proposed Policy Statement (issued August 1, 2002) in Docket No. PL02-7-000, Standard of Review for Proposed Changes to Market-Based Rate Contracts for Wholesale Sales of Electric Energy by Public Utilities ("NPPS") shall prevail and neither of them shall unilaterally seek to obtain from FERC any relief changing the rate(s) and/or other material economic terms and conditions of their agreement(s), as set forth in this Agreement and in any Power Transactions or Confirmations, notwithstanding any subsequent changes in applicable law or market conditions that may occur. In the event it were to be determined that applicable law precludes the parties from waiving their rights to seek changes from FERC to their market-based power sales contracts (including entering into covenants not to do so) then this clause (h)(iii) shall not apply, provided

APPENDIX A

that, consistent with clause (h)(iii) neither party shall seek any such changes except under the "public interest" standard of review and otherwise as set forth in clauses (h)(iii)(A) and (B).

(D) In connection with the foregoing, the parties acknowledge that, pursuant to the NPPS, FERC has invited interested persons to submit comments with respect to the provisions thereof and therefore agree that, if and to the extent FERC adopts in a final or subsequent policy statement ("FPS") the use of specific language which varies from that set out in clause (h)(iii)(A) above, then clause (h)(iii)(A) shall, without further action of either party, be deemed amended to reflect such specific language, provided that to the extent that the specific language adopted in an FPS is in any way inconsistent with the mutual intent of the parties in this regard as currently set forth in clauses (h)(iii)(A) and (B), then the parties agree to meet to attempt to negotiate in good faith an amendment to this clause (h)(iii) to address such inconsistencies, provided further that neither party shall be obligated in any way to agree to any such amendment if to do so would be inconsistent with such current mutual intent as expressed herein or would expose such party in any way to greater risk of changes being ordered by FERC to the parties' agreement as set forth in this Agreement and any Power Transactions and/or Confirmations.

(i) **Certain Modifications to this Agreement**

(i) **Single Agreement: Section 1(c).** With respect to all Power Transactions, the words ", the Tariffs, if any" are hereby added immediately following "this Master Agreement" in Section 1(c) of this Agreement.

(ii) **Events of Default: Sections 5(a)(i) and 5(a)(ii)(1).**

(A) With respect to all Power Transaction, the words "or delivery" are hereby deleted in Section 5(a)(i) of this Agreement.

(B) With respect to all Power Transaction, the words "(or to deliver or receive the Product, the exclusive remedy for which is provided in clause (c) of Part [6] of the Schedule)" are hereby added at the end of the parenthetical of Section [5(a)(ii)][5(a)(ii)(1)] of this Agreement.

(iii) **Effect of Designating an Early Termination Date: Section 6(c)(i).** Section 6(c)(i) of this Agreement is hereby amended by adding the following phrase at the end of such section:

"(it being understood, that to the extent in the reasonable opinion of the Non-defaulting Party or the Non-Affected Party, as the case may be, any of the Terminated Transactions that are Power Transactions may not be liquidated and terminated under applicable law on the Early Termination Date, then such Terminated Transactions shall be liquidated and terminated as soon as thereafter as is reasonably practicable)".

(iv) **Definitions: Section 14.** Section 14 of this Agreement is hereby amended by adding the following definitions:

"Buyer" means the party to a Power Transaction that is obligated to purchase and receive, or cause to be received, the Product, as specified in a Power Transaction.

"Contract Price" means the price in U.S. Dollars (unless otherwise provided for) to be paid by Buyer to Seller for the purchase of the Product, as specified in a Power Transaction.

APPENDIX A

“Delivery Point” means the point at which the Product will be delivered and received as specified in a Power Transaction.

“Force Majeure” means an event or circumstance which prevents the Claiming Party from performing its obligations under one or more Power Transactions, which event or circumstance was not anticipated as of the date the Power Transaction was agreed to, which is not within the reasonable control of, or the result of the negligence of, the Claiming Party, and which, by the exercise of due diligence, the Claiming Party is unable to overcome or avoid or cause to be avoided. Force Majeure shall not be based on (i) the loss of Buyer’s markets; (ii) Buyer’s inability economically to use or resell the Product purchased hereunder; (iii) the loss or failure of Seller’s supply; or (iv) Seller’s ability to sell the Product at a price greater than the Contract Price. Neither party may raise a claim of Force Majeure based in whole or in part on curtailment by the Transmission Provider unless (i) such party has contracted for firm transmission with a Transmission Provider for the Product to be delivered to or received at the Delivery Point and (ii) such curtailment is due to “force majeure” or “uncontrollable force” or a similar term as defined under the Transmission Provider’s tariff; provided, however, that existence of the foregoing factors shall not be sufficient to conclusively or presumptively prove the existence of a Force Majeure absent a showing of other facts and circumstances which in the aggregate with such factors establish that a Force Majeure as defined in the first sentence hereof has occurred. The applicability of Force Majeure to the Power Transaction is governed by the terms of the Products and the Related Definitions contained in Schedule P.

“NERC Business Day” means any day except a Saturday, Sunday or a holiday as defined by the North American Electric Reliability Council or any successor organization thereto. A NERC Business Day shall open at 8:00 a.m. and close at 5:00 p.m. local time for the relevant party’s place of business. The relevant party, in each instance unless otherwise specified, shall be the party to whom the notice, payment or delivery is being sent and by whom the notice or payment or delivery is to be received.

“Product” means electric capacity, energy or other product(s) related thereto specified in a Power Transaction by reference to a Product listed in Schedule P, which is incorporated herein, or as otherwise specified by the parties in the Power Transaction.

“Quantity” means the quantity of the Product that Seller agrees to make available or sell and deliver, or cause to be delivered, to Buyer, and that Buyer agrees to purchase and receive, or cause to be received, from Seller, as specified in a Power Transaction.

“Replacement Price” means (A) the price at which Buyer, acting in a commercially reasonable manner, purchases at the Delivery Point a replacement for any Product specified in a Power Transaction but not delivered by Seller, plus (i) costs reasonably incurred by Buyer in purchasing such substitute Product and (ii) additional transmission charges, if any, reasonably incurred by Buyer to the Delivery Point, or at Buyer’s option, (B) the market price at the Delivery Point for such Product not delivered as determined by Buyer in a commercially reasonable manner; provided, however, in no event shall such price include any penalties, ratcheted demand or similar charges, nor shall Buyer be required to utilize or change its utilization of its owned or controlled assets or market positions to minimize Seller’s liability. For the purposes of this definition, Buyer shall be considered to have purchased replacement Product to the extent Buyer shall have entered into one or more arrangements in a commercially reasonable manner whereby Buyer repurchases its obligation to sell and deliver the Product to another party at the Delivery Point.

APPENDIX A

"Sales Price" means (A) the price at which Seller, acting in a commercially reasonable manner, resells at the Delivery Point any Product not received by Buyer, deducting from such proceeds any (i) costs reasonably incurred by Seller in reselling such Product and (ii) additional transmission charges, if any, reasonably incurred by Seller in delivering such Product to the third party purchasers, or at Seller's option, (B) the market price at the Delivery Point for such Product not received as determined by Seller in a commercially reasonable manner; provided, however, in no event shall such price include any penalties, ratcheted demand or similar charges, nor shall Seller be required to utilize or change its utilization of its owned or controlled assets, including contractual assets, or market positions to minimize Buyer's liability. For purposes of this definition, Seller shall be considered to have resold such Product to the extent Seller shall have entered into one or more arrangements in a commercially reasonable manner whereby Seller repurchases its obligation to purchase and receive the Product from another party at the Delivery Point.

"Schedule" or "Scheduling" means the action of Seller, Buyer and/or their designated representatives, including each party's Transmission Providers, if applicable, of notifying, requesting and confirming to each other the quantity and type of Product to be delivered on any given day or days during the Delivery Period at a specified Delivery Point.

"Schedule P" means "Schedule P: Products and Related Definitions" to the Master Power Purchase & Sale Agreement published and modified from time to time by the Edison Electric Institute.

"Seller" means the party to a Power Transaction that is obligated to sell and deliver, or cause to be delivered, the Product, as specified in a Power Transaction.

"Transmission Provider" means any entity or entities transmitting or transporting Product on behalf of Seller or Buyer to or from the Delivery Point in a particular Power Transaction.

(j) Elective Provisions

1. (a)(i) ☐ Applicability of Part [6] to Outstanding Power Transactions. If not checked, not applicable.
2. (a)(ii) ☐ Applicability of Outstanding Credit Support held by a party in connection with Outstanding Power Transactions. If not checked, not applicable.
3. (c) ☐ Accelerated Payment Damages. If not checked, not applicable.

4. (d)(ii): Timeliness of Payment

☐ Option A

☐ Option B

If neither is checked, Option B shall be deemed to apply.

5. (h)(i): Wholesale Power Tariffs

☐ Party A Electric Tariff. Tariff/Date/Docket _____

☐ Party B Electric Tariff. Tariff/Date/Docket _____

APPENDIX A

_____ If not checked, not applicable.

6. (h)(ii) __Applicability of Severability provision. If not checked, not applicable.
7. (h)(iii) __Applicability of FERC Standard of Review and Certain Covenants and Waivers. If not checked, not applicable.

ATTACHMENT B

**North American Gas Annex
to the
ISDA Master Agreement**

ISDA NORTH AMERICAN GAS ANNEX

to the Schedule to the

ISDA Master Agreement

dated as of

between

..... and

This Gas Annex supplements, forms part of, and is subject to the above-referenced Agreement and is part of the Schedule thereto.

(a) Physical Gas Transactions under this Agreement; Credit Support Documents

(i) ***Physical Gas Transactions under this Agreement.*** The provisions of this Gas Annex shall apply solely to transactions between the parties for the purchase or sale of physical Gas with delivery points in North America on a Firm or Interruptible basis on a spot or forward basis or as an option to purchase or sell Gas (collectively, "Gas Transactions"). All Gas Transactions will be deemed to have been entered into in accordance with the terms of this Agreement and shall be Transactions for all purposes of this Agreement. A subsequent agreement between the parties to settle a Gas Transaction without involving a physical delivery of Gas shall not affect such Gas Transaction's status as a Gas Transaction under this Gas Annex. In the event of any inconsistency among or between the other provisions of this Agreement and this Gas Annex, this Gas Annex will govern with respect to Gas Transactions. In the event of any inconsistency between the Confirmation for a Gas Transaction and this Gas Annex, the Confirmation will govern with respect to such Gas Transaction, except as provided in clause (a)(ii) with respect to Outstanding Gas Transactions.

(ii) ***Applicability to Outstanding Gas Transactions.*** Gas Transactions executed by the parties prior to the effectiveness of this Gas Annex and selected under clause (l)(1) ("Outstanding Gas Transactions") shall be Transactions and shall be subject to the terms and conditions of this Agreement upon effectiveness of this Gas Annex, unless otherwise agreed in writing by the parties with respect to one or more specific Outstanding Gas Transactions. All confirmations evidencing such Outstanding Gas Transactions shall constitute "Confirmations" within the meaning of this Agreement that supplement, form part of and are subject to this Agreement. If any confirmation issued or entered into with respect to one or more Outstanding Gas Transactions pursuant to the terms of a master agreement or in a form that contains provisions that are not directly related to the commercial terms of the Transaction and that are inconsistent with or duplicative of the terms and conditions of this Agreement (such master agreement or the portion of such Confirmation containing such non-commercial terms being referred to herein as the "Prior Master Agreement"), then, notwithstanding any provision of this Agreement to the contrary, the terms of the Schedule and the pre-printed form of this Agreement shall automatically supersede such Prior Master Agreement effective upon the effectiveness of this Gas Annex.

(iii) ***Credit Support Documents.*** If elected under clause (l) as being applicable:

(A) ***Outstanding Gas Credit Support.*** The parties agree that to the extent any collateral, margin, security or other similar form of credit support (such credit support, excluding guarantees, being referred to herein as "Outstanding Gas Credit Support") is held by a party in connection with the obligations of the other party under Outstanding Gas Transactions, such Outstanding Gas Credit Support shall be deemed to have been delivered in respect of the obligations of the other party under and in connection with this Agreement.

The parties further agree that with respect to any Outstanding Gas Credit Support that (x) if the parties have entered into a Credit Support Document in connection with this Agreement that governs the provision of collateral, margin, security or other similar form of credit support (such Credit Support Document, an "Existing ISDA Credit Support Document") then the Outstanding Gas Credit Support shall be deemed to constitute credit support provided under such Existing ISDA Credit Support Document and such Existing ISDA Credit Support Document shall automatically supersede any agreement between the parties pursuant to which the Outstanding Gas Credit Support was provided (the "Outstanding Gas Credit Support Document") effective as of the date agreed by the parties and (y) if the parties have not entered into an Existing ISDA Credit Support Document, then the Outstanding Gas Credit Support Document constitutes a Credit Support Document with respect to the party that provided such credit support.

(B) *Amendments/Guaranties.* The parties agree that they will enter into such amendments to any Outstanding Gas Credit Support Document as may be necessary to give effect to the terms of this clause (a)(iii). To the extent that a guaranty was delivered in connection with a party's obligations under Outstanding Gas Transactions or a Prior Master Agreement, that party represents and warrants that any amendments necessary to ensure that the guaranty would extend to Transactions subject to this Agreement have been made prior to the effectiveness of this Gas Annex and agrees (x) that such guaranty constitutes a Credit Support Document with respect to the obligations of such party and (y) the guarantor under such guaranty constitutes a Credit Support Provider with respect to the obligations of such party.

(b) Performance Obligation

(i) Seller agrees to sell and deliver, and Buyer agrees to receive and purchase, the Contract Quantity for a particular Gas Transaction in accordance with the terms of this Gas Annex. Sales and purchases will be on a Firm or Interruptible basis, as agreed to by the parties in a Gas Transaction.

(ii) The remedy for the breach of a Firm obligation by a party shall be determined pursuant to the option below that the parties select in clause (1)(3):

Option A *Cover Standard:* The sole and exclusive remedy of the parties in the event of a breach of a Firm obligation to deliver or receive Gas shall be recovery of the following: (i) in the event of a breach by Seller on any Day(s), payment by Seller to Buyer in an amount equal to the positive difference, if any, between the purchase price paid by Buyer utilizing the Cover Standard and the Contract Price, adjusted for commercially reasonable differences in transportation costs to or from the Delivery Point(s), multiplied by the difference between the Contract Quantity and the quantity actually delivered by Seller for such Day(s); or (ii) in the event of a breach by Buyer on any Day(s), payment by Buyer to Seller in the amount equal to the positive difference, if any, between the Contract Price and the price received by Seller utilizing the Cover Standard for the resale of such Gas, adjusted for commercially reasonable differences in transportation costs to or from the Delivery Point(s), multiplied by the difference between the Contract Quantity and the quantity actually taken by Buyer for such Day(s); or (iii) in the event that Buyer has used commercially reasonable efforts to replace the Gas or Seller has used commercially reasonable efforts to sell the Gas to a third party, and no such replacement or sale is available, then the sole and exclusive remedy of the performing party shall be any unfavorable difference between the Contract Price and the Spot Price, adjusted for such transportation to the applicable Delivery Point, multiplied by the difference between the Contract Quantity and the quantity actually delivered by Seller and received by Buyer for such Day(s). Imbalance Charges shall not be recovered under this clause (b)(ii), but Seller and/or Buyer shall be responsible for Imbalance Charges, if any, as provided in clause (c)(iii) of this Gas Annex. The amount of such unfavorable difference shall be payable five Local Business Days after presentation of the performing party's invoice, which shall set forth the basis upon which such amount was calculated.

Option B *Spot Price Standard:* The sole and exclusive remedy of the parties in the event of a breach of a Firm obligation to deliver or receive Gas shall be recovery of the following: (i) in the event of a breach by Seller on any Day(s), payment by Seller to Buyer in an amount equal to the difference between the Contract Quantity and the actual quantity delivered by Seller and received by Buyer for such Day(s), multiplied by the positive difference, if any, obtained by subtracting the Contract Price from the Spot Price; or (ii) in the event of a breach by Buyer on any Day(s), payment by Buyer to Seller in an amount equal to the difference between the Contract Quantity and the actual quantity delivered by Seller and received by Buyer for such Day(s), multiplied by the positive difference, if any, obtained by subtracting the applicable Spot Price from the Contract Price. Imbalance Charges shall not be recovered under this clause (b)(ii), but Seller and/or Buyer shall be responsible for Imbalance Charges, if any, as provided in clause (c)(iii) of this Gas Annex. The amount of such unfavorable difference shall be payable five Local Business Days after presentation of the performing party's invoice, which shall set forth the basis upon which such amount was calculated.

(iii) Notwithstanding clause (b)(ii) of this Gas Annex, the parties may agree to Alternative Damages in a Confirmation executed in writing by both parties.

(c) Transportation, Nominations and Imbalances

(i) Seller shall have the sole responsibility for transporting the Gas to the Delivery Point(s). Buyer shall have the sole responsibility for transporting the Gas from the Delivery Point(s).

(ii) The parties shall coordinate their nomination activities, giving sufficient time to meet the deadlines of the affected Transporter(s). Each party shall give the other party timely prior notice, sufficient to meet the requirements of all Transporter(s) involved in the Gas Transaction, of the quantities of Gas to be delivered and purchased each Day. Should either party become aware that actual deliveries at the Delivery Point(s) are greater or lesser than the Scheduled Gas, such party shall promptly notify the other party.

(iii) The parties shall use commercially reasonable efforts to avoid imposition of any Imbalance Charges. If Buyer or Seller receives an invoice from a Transporter that includes Imbalance Charges, the parties shall determine the validity as well as the cause of such Imbalance Charges. If the Imbalance Charges were incurred as a result of Buyer's receipt of quantities of Gas greater than or less than the Scheduled Gas, then Buyer shall pay for such Imbalance Charges or reimburse Seller for such Imbalance Charges paid by Seller. If the Imbalance Charges were incurred as a result of Seller's delivery of quantities of Gas greater than or less than the Scheduled Gas, then Seller shall pay for such Imbalance Charges or reimburse Buyer for such Imbalance Charges paid by Buyer. "Unpaid Amounts" as defined in Section 14 of this Agreement shall include unpaid Imbalance Charges, if any.

(d) Quality and Measurement

All Gas delivered by Seller shall meet the pressure, quality and heat content requirements of the Receiving Transporter. The unit of quantity measurement for purposes of Gas Transactions shall be one MMBtu dry. Measurement of Gas quantities hereunder shall be in accordance with the established procedures of the Receiving Transporter.

(e) Taxes

The Taxes payable by a party shall be determined pursuant to the option below that the parties select in clause (l)(4):

Option A: *Buyer Pays At and After Delivery Point:* Seller shall pay or cause to be paid all taxes, fees, levies, penalties, licenses or charges imposed by any government authority ("Taxes") on or with respect to the Gas prior to the Delivery Point(s). Buyer shall pay or cause to be paid all Taxes on or with respect to the Gas at the Delivery Point(s) and all Taxes after the Delivery Point(s). If a party is required to remit or pay Taxes that are the other party's responsibility hereunder, the party responsible for such Taxes shall promptly reimburse the other party for such Taxes. Any party entitled to an exemption from any such Taxes or charges shall furnish the other party any necessary documentation thereof.

Option B: *Seller Pays Before and At Delivery Point.* Seller shall pay or cause to be paid all taxes, fees, levies, penalties, licenses or charges imposed by any government authority ("Taxes") on or with respect to the Gas prior to the Delivery Point(s) and all Taxes at the Delivery Point(s). Buyer shall pay or cause to be paid all Taxes on or with respect to the Gas after the Delivery Point(s). If a party is required to remit or pay Taxes that are the other party's responsibility hereunder, the party responsible for such Taxes shall promptly reimburse the other party for such Taxes. Any party entitled to an exemption from any such Taxes or charges shall furnish the other party any necessary documentation thereof.

(f) Billing, Payment and Audit

(i) Seller shall invoice Buyer for Gas delivered and received in the preceding Month and for any other applicable charges, providing supporting documentation acceptable in industry practice to support the amount charged. If the actual quantity delivered is not known by the billing date, billing will be prepared based on the quantity of Scheduled Gas. The invoiced quantity will then be adjusted to the actual quantity on the following Month's billing or as soon thereafter as actual delivery information is available.

(ii) Buyer shall remit the amount due under clause (f)(i) of this Gas Annex, in immediately available funds to the account specified from time to time by Seller, on or before the Payment Date elected in clause (l)(5) of this Gas Annex. In the event any payments are due Buyer hereunder, payment to Buyer shall be made in accordance with this clause (f)(ii).

(iii) In the event payments become due pursuant to clauses (b)(ii) or (b)(iii) of this Gas Annex, the performing party may submit an invoice to the nonperforming party for an accelerated payment setting forth the basis upon which the invoiced amount was calculated. Payment from the nonperforming party will be due five Local Business Days after receipt of invoice.

(iv) If the invoiced party, in good faith, disputes the amount of any such invoice or any part thereof, such invoiced party will pay such amount as it concedes to be correct; provided, however, if the invoiced party disputes the amount due, it must provide supporting documentation acceptable in industry practice to support the amount paid or disputed. In the event the parties are unable to resolve such dispute, either party may pursue any remedy available at law or in equity to enforce its rights pursuant to this clause (f).

(v) A party shall have the right, at its own expense, upon reasonable notice and at reasonable times, to examine and audit and to obtain copies of the relevant portion of the books, records, and telephone recordings of the other party only to the extent reasonably necessary to verify the accuracy of any statement, charge, payment, or computation made under this Gas Annex. This right to examine, audit, and to obtain copies shall not be available with respect to proprietary information not directly relevant to Gas Transactions under this Gas Annex. All invoices and billings shall be conclusively presumed final and accurate and all associated claims for under- or overpayments shall be deemed waived unless such invoices or billings are objected to in writing, with adequate explanation and/or documentation, within two years after the Month of Gas delivery. All retroactive adjustments under clause (f) of this Gas Annex shall be paid in full by the party owing payment within 30 Days of notice and substantiation of such inaccuracy.

(g) Title, Warranty and Indemnity

(i) Unless otherwise specifically agreed, title to the Gas shall pass from Seller to Buyer at the Delivery Point(s). Seller shall have responsibility for and assume any liability with respect to the Gas prior to its delivery to Buyer at the specified Delivery Point(s). Buyer shall have responsibility for and assume any liability with respect to said Gas after its delivery to Buyer at the Delivery Point(s).

(ii) Seller warrants that it will have the right to convey and will transfer good and merchantable title to all Gas sold hereunder and delivered by it to Buyer, free and clear of all liens, encumbrances, and claims. EXCEPT AS PROVIDED IN THIS CLAUSE (g)(ii), ALL OTHER WARRANTIES WITH RESPECT TO GAS, EXPRESS OR IMPLIED, INCLUDING ANY WARRANTY OF MERCHANTABILITY OR OF FITNESS FOR ANY PARTICULAR PURPOSE, ARE DISCLAIMED.

(iii) Seller agrees to indemnify Buyer and save it harmless from all losses, liabilities or claims including reasonable attorneys' fees and costs of court ("Claims"), from any and all persons, arising from or out of claims of title, personal injury or property damage from said Gas or other charges thereon which attach before title passes to Buyer. Buyer agrees to indemnify Seller and save it harmless from all Claims, from any and all persons, arising from or out of claims regarding payment, personal injury or property damage from said Gas or other charges thereon which attach after title passes to Buyer.

(iv) Notwithstanding the other provisions of this clause (g) of this Gas Annex, as between Seller and Buyer, Seller will be liable for all Claims to the extent that such arise from the failure of Gas delivered by Seller to meet the quality requirements of clause (d) of this Gas Annex.

(h) Force Majeure

(i) Except with regard to a party's obligation to make payment(s) due under clause (f) of this Gas Annex, Section 6 (e) of this Agreement and Imbalance Charges under clause (c)(iii) of this Gas Annex, neither party shall be liable to the

other for failure to perform a Firm obligation, to the extent such failure was caused by Force Majeure. The term "Force Majeure" as employed herein means any cause not reasonably within the control of the party claiming suspension, as further defined in clause (h)(ii) of this Gas Annex.

(ii) Force Majeure shall include, but not be limited to, the following: (A) physical events such as acts of God, landslides, lightning, earthquakes, fires, storms or storm warnings, such as hurricanes, which result in evacuation of the affected area, floods, washouts, explosions, breakage or accident or necessity of repairs to machinery or equipment or lines of pipe; (B) weather related events affecting an entire geographic region, such as low temperatures which cause freezing or failure of wells or lines of pipe; (C) interruption and/or curtailment of Firm transportation and/or storage by Transporters; (D) acts of others such as strikes, lockouts or other industrial disturbances, riots, sabotage, insurrections or wars; and (E) governmental actions such as necessity for compliance with any court order, law, statute, ordinance, regulation, or policy having the effect of law promulgated by a governmental authority having jurisdiction. Seller and Buyer shall make reasonable efforts to avoid the adverse impacts of a Force Majeure and to resolve the event or occurrence once it has occurred in order to resume performance.

(iii) Neither party shall be entitled to the benefit of the provisions of Force Majeure to the extent performance is affected by any or all of the following circumstances: (A) the curtailment of interruptible or secondary Firm transportation unless primary, in-path, Firm transportation is also curtailed; (B) the party claiming excuse failed to remedy the condition and to resume the performance of such covenants or obligations with reasonable dispatch; or (C) economic hardship, to include, without limitation, Seller's ability to sell Gas at a higher or more advantageous price than the Contract Price, Buyer's ability to purchase Gas at a lower or more advantageous price than the Contract Price, or a regulatory agency disallowing, in whole or in part, the pass through of costs resulting from this Agreement; (D) the loss of Buyer's market(s) or Buyer's inability to use or resell Gas purchased hereunder, except, in either case, as provided in clause (h)(ii) of this Gas Annex; (E) the loss or failure of Seller's gas supply or depletion of reserves, except, in either case, as provided in clause (h)(ii) of this Gas Annex. The party claiming Force Majeure shall not be excused from its responsibility for Imbalance Charges.

(iv) Notwithstanding anything to the contrary herein, the parties agree that the settlement of strikes, lockouts or other industrial disturbances shall be within the sole discretion of the party experiencing such disturbance.

(v) The party whose performance is prevented by Force Majeure must provide notice to the other party. Initial notice may be given orally; however, written notice with reasonably full particulars of the event or occurrence is required as soon as reasonably possible. Upon providing written notice of Force Majeure to the other party, the affected party will be relieved of its obligation, from the onset of the Force Majeure event, to make or accept delivery of Gas, as applicable, to the extent and for the duration of Force Majeure, and neither party shall be deemed to have failed in such obligations to the other during such occurrence or event.

(vi) Notwithstanding clauses (h)(ii) and (h)(iii) of this Gas Annex, the parties may agree to alternative Force Majeure provisions in a Confirmation executed in writing by both parties.

If the pre-printed form portion of this Agreement is the 2002 ISDA Master Agreement form, Section 5(b)(ii) of this Agreement shall not apply to any Gas Transaction.

(i) Limitation of Liability

FOR BREACH OF ANY PROVISION FOR WHICH AN EXPRESS REMEDY OR MEASURE OF DAMAGES IS PROVIDED, SUCH EXPRESS REMEDY OR MEASURE OF DAMAGES SHALL BE THE SOLE AND EXCLUSIVE REMEDY. A PARTY'S LIABILITY HEREUNDER SHALL BE LIMITED AS SET FORTH IN SUCH PROVISION, AND ALL OTHER REMEDIES OR DAMAGES AT LAW OR IN EQUITY ARE WAIVED. IF NO REMEDY OR MEASURE OF DAMAGES IS EXPRESSLY PROVIDED HEREIN OR IN A GAS TRANSACTION, A PARTY'S LIABILITY SHALL BE LIMITED TO DIRECT ACTUAL DAMAGES ONLY. SUCH DIRECT ACTUAL DAMAGES SHALL BE THE SOLE AND EXCLUSIVE REMEDY, AND ALL OTHER REMEDIES OR DAMAGES AT LAW OR IN EQUITY ARE WAIVED. UNLESS EXPRESSLY HEREIN PROVIDED, NEITHER PARTY SHALL BE LIABLE FOR CONSEQUENTIAL, INCIDENTAL, PUNITIVE, EXEMPLARY OR INDIRECT DAMAGES, LOST PROFITS

OR OTHER BUSINESS INTERRUPTION DAMAGES, BY STATUTE, IN TORT OR CONTRACT, UNDER ANY INDEMNITY PROVISION OR OTHERWISE. IT IS THE INTENT OF THE PARTIES THAT THE LIMITATIONS HEREIN IMPOSED ON REMEDIES AND THE MEASURE OF DAMAGES BE WITHOUT REGARD TO THE CAUSE OR CAUSES RELATED THERETO, INCLUDING THE NEGLIGENCE OF ANY PARTY, WHETHER SUCH NEGLIGENCE BE SOLE, JOINT OR CONCURRENT, OR ACTIVE OR PASSIVE. TO THE EXTENT ANY DAMAGES REQUIRED TO BE PAID HEREUNDER ARE LIQUIDATED, THE PARTIES ACKNOWLEDGE THAT THE DAMAGES ARE DIFFICULT OR IMPOSSIBLE TO DETERMINE, OR OTHERWISE OBTAINING AN ADEQUATE REMEDY IS INCONVENIENT AND THE DAMAGES CALCULATED HEREUNDER CONSTITUTE A REASONABLE APPROXIMATION OF THE HARM OR LOSS.

(j) Certain Amendments to this Agreement for Gas Transactions

- (i) *Section 5(a)(i).* With respect to all Gas Transactions, the words "or delivery under Section 2(a)(i) or 2(e)" in the second line of Section 5(a)(i) of this Agreement and, if the pre-printed form portion of this Agreement is the 2002 ISDA Master Agreement form, the words "or the first Local Delivery Day in the case of any such delivery" and ", in each case," in the third and fourth lines of Section 5(a)(i) of this Agreement, are hereby deleted.
- (ii) *Section 5(a)(ii).* With respect to all Gas Transactions, the words "or delivery under Section 2(a)(i) or 2(e)" in the second line of Section 5(a)(ii) are hereby deleted and the words "or to deliver or receive Gas, the exclusive remedy for which is provided in clause (b)(ii) of the Gas Annex to the Schedule" are hereby added at the end of the parenthetical of Section 5(a)(ii) if the pre-printed form portion of this Agreement is the 1992 ISDA Master Agreement form or Section 5(a)(ii)(1) if the pre-printed form portion of this Agreement is the 2002 ISDA Master Agreement form.
- (iii) *Section 5(a)(v).* With respect to all Gas Transactions, (A) if the pre-printed form portion of this Agreement is the 1992 ISDA Master Agreement, the parenthetical "(other than by failing to make a delivery)" is inserted after the word "defaults" in clause (1) of Section 5(a)(v) and the words "or delivery" in clause (2) of Section 5(a)(v) of this Agreement are deleted; and (B) if the pre-printed form portion of this Agreement is the 2002 ISDA Master Agreement, the words "(including any delivery due on the last delivery or exchange date of) a Specified Transaction or" in clause (3) of Section 5(a)(v) of this Agreement are deleted.

(k) Definitions. For purposes of this Gas Annex, the following definitions apply:

- (i) "Alternative Damages" shall mean such damages, expressed in dollars or dollars per MMBtu, as the parties shall agree upon in the Transaction Confirmation, in the event either Seller or Buyer fails to perform a Firm obligation to deliver Gas in the case of Seller or to receive Gas in the case of Buyer.
- (ii) "British thermal unit" or "Btu" shall mean the International BTU, which is also called the Btu (IT).
- (iii) "Buyer" shall mean the party receiving Gas under a Gas Transaction.
- (iv) "Contract Price" shall mean the amount expressed in U.S. Dollars per MMBtu to be paid by Buyer to Seller for the purchase of Gas as agreed to by the parties in a Gas Transaction.
- (v) "Contract Quantity" shall mean the quantity of Gas to be delivered and taken as agreed to by the parties in a Gas Transaction.
- (vi) "Cover Standard" shall mean that if there is an unexcused failure to take or deliver any quantity of Gas pursuant to this Gas Annex, then the performing party shall use commercially reasonable efforts to (i) if Buyer is the performing party, obtain Gas, (or an alternate fuel if elected by Buyer and replacement Gas is not available), or (ii) if Seller is the performing party, sell Gas, in either case, at a price reasonable for the delivery or production area, as applicable, consistent with: the amount of notice provided by the nonperforming party; the immediacy of the Buyer's Gas consumption needs or Seller's Gas sales requirements, as applicable; the quantities involved; and the anticipated length of failure by the nonperforming party.

- (vii) "Day" shall mean a period of 24 consecutive hours, coextensive with a "day" as defined by the Receiving Transporter in a particular transaction.
- (viii) "Delivery Period" shall be the period during which deliveries are to be made as agreed to by the parties in a Gas Transaction.
- (ix) "Delivery Point(s)" shall mean such point(s) as are agreed to by the parties in a Gas Transaction.
- (x) "EFP" shall mean, when used in a Confirmation of a Gas Transaction, the purchase, sale or exchange of natural Gas as the "physical" side of an exchange for physical transaction involving gas futures contracts. EFP shall incorporate the meaning and remedies of "Firm", provided that a party's excuse for nonperformance of its obligations to deliver or receive Gas will be governed by the rules of the relevant futures exchange regulated under the U.S. Commodity Exchange Act (7 U.S. Code 1, as amended).
- (xi) "Firm" shall mean that either party may interrupt its performance without liability only to the extent that such performance is prevented for reasons of Force Majeure; provided, however, that during Force Majeure interruptions, the party invoking Force Majeure may be responsible for any Imbalance Charges as set forth in clause (c)(iii) of this Gas Annex related to its interruption after the nomination is made to the Transporter and until the change in deliveries and/or receipts is confirmed by the Transporter.
- (xii) "Gas" shall mean any mixture of hydrocarbons and noncombustible gases in a gaseous state consisting primarily of methane.
- (xiii) "Imbalance Charges" shall mean any fees, penalties, costs or charges (in cash or in kind) assessed by a Transporter for failure to satisfy the Transporter's balance and/or nomination requirements.
- (xiv) "Interruptible" shall mean that either party may interrupt its performance at any time for any reason, whether or not caused by an event of Force Majeure, with no liability, except such interrupting party may be responsible for any Imbalance Charges as set forth in clause (c)(iii) of this Gas Annex related to its interruption after the nomination is made to the Transporter and until the change in deliveries and/or receipts is confirmed by Transporter.
- (xv) "MMBtu" shall mean one million British thermal units, which is equivalent to one dekatherm.
- (xvi) "Month" shall mean the period beginning on the first Day of the calendar month and ending immediately prior to the commencement of the first Day of the next calendar month.
- (xvii) "Payment Date" shall mean the payment date for Gas Transactions under this Gas Annex, as specified in clause (l)(5) of this Gas Annex.
- (xviii) "Receiving Transporter" shall mean the Transporter receiving Gas at a Delivery Point, or absent such receiving Transporter, the Transporter delivering Gas at a Delivery Point.
- (xix) "Scheduled Gas" shall mean the quantity of Gas confirmed by Transporter(s) for movement, transportation or management.
- (xx) "Seller" means the party delivering Gas under a Gas Transaction.
- (xxi) "Spot Price" as referred to in clause (b)(ii) of this Gas Annex shall mean the price published as the Spot Price Index for the relevant Day; provided, if there is no single price published as the Spot Price Index for such location for such Day, but there is published a range of prices, then the Spot Price shall be the average of such high and low prices. If no price or range of prices is published for such Day, then the Spot Price shall be the average of the following: (i) the price (determined as stated above) for the first Day for which a price or range of prices is published that next precedes the relevant Day; and (ii) the price (determined as stated above) for the first Day for which a price or range of prices is published that next follows the relevant Day.
- (xxii) "Spot Price Index" shall mean, with respect to a Gas Transaction, unless otherwise specified in the Confirmation for that Transaction, the "Daily Midpoint" price set forth in Gas Daily (published by Platts), or any successor publication, in the column "Daily Price Survey" under the listing applicable to the geographic location closest in proximity to the Delivery Point(s) for the relevant Day or, if an alternative index or price is specified in clause (l)(6) below, such alternative index or price.
- (xxiii) "Transporter(s)" shall mean all Gas gathering or pipeline companies, or local distribution companies, acting in the capacity of a transporter, transporting Gas for Seller or Buyer upstream or downstream, respectively, of the Delivery Point pursuant to a particular Gas Transaction.

(I) Elective Provisions

1. (a)(ii) – Outstanding Gas Transactions. This Gas Annex shall apply to the following pre-existing Gas Transactions pursuant to clause (a)(ii):

☐ Option A: All Gas Transactions outstanding between the parties as of the date this Gas Annex becomes effective.

☐ Option B: The Gas Transactions listed in Schedule 1 to this Gas Annex.

☐ Option C: None of the Gas Transactions between the parties that were executed prior to the date this Gas Annex becomes effective.

If none of the above options is selected, Option A shall apply.

2. (a)(iii) – Outstanding Gas Credit Support

☐ Outstanding Gas Credit Support held by a party in connection with Outstanding Gas Transactions shall be deemed to have been delivered under and in connection with this Agreement pursuant to clause (a)(iii).

If not checked, not applicable.

3. (b)(ii) – Performance Obligation (remedy for breach of Firm obligation)

☐ Option A: Cover Standard

☐ Option B: Spot Price Standard

If neither option is selected, Option A shall apply.

4. (e) – Taxes

☐ Option A: Buyer Pays At and After Delivery Point

☐ Option B: Seller Pays Before and At Deliver Point

If neither option is selected, Option A shall apply.

5. (f)(ii) – Payment Date

☐ Option A: the later of the 25th Day of Month following Month of delivery or 10 Days after receipt of the invoice by Buyer (provided that if the Payment Date is not a Local Business Day, payment is due on the next Local Business Day following that date).

☐ Option B: the later of the Day of Month following Month of delivery or 10 Days after receipt of the invoice by Buyer (provided that if the Payment Date is not a Local Business Day, payment is due on the next Local Business Day following that date).

☐ Option C: Notwithstanding anything to the contrary in the Schedule, payments with respect to both Gas Transactions and Power Transactions (as defined separately in the Schedule) will be netted and payable on or before the later of the 20th Day of Month following Month of delivery or 10 Days after receipt of the invoice by Buyer (provided that if the Payment Date is not a Local Business Day, payment is due on the next Local Business Day following that date).

☐ Option D: Notwithstanding anything to the contrary in the Schedule, payments with respect to both Gas Transactions and Power Transactions (as defined separately in the Schedule) will be netted and payable on or before the

later of the 25th Day of Month following Month of delivery or 10 Days after receipt of the invoice by Buyer (provided that if the Payment Date is not a Local Business Day, payment is due on the next Local Business Day following that date).

If none of the above options is selected, Option A shall apply.

6. (k)(xxii) – **Alternative to Spot Price Index.** The parties have selected the following alternative index as the Spot Price Index: _____. If no index is specified, the Spot Price Index specified in clause (l)(xxi) applies.

ATTACHMENT C

Party B Legal Opinion

August 21, 2020

Attn: Office of General Counsel
Citigroup Energy Inc.
2700 Post Oak Blvd., Suite 400
Houston, TX 77019

Ladies and Gentlemen:

I am the City Attorney of the City of Roseville, an attorney licensed by the State of California and in good standing with the California State Bar Association. I have acted as counsel to the City of Roseville in connection with the execution and delivery of the International Swaps and Derivatives Association Master Agreement ("Agreement") between the City of Roseville and Citigroup Energy Inc. dated August 21, 2020. The Agreement may be supplemented by confirmation of transactions to be entered between the parties from time to time.

In connection with this opinion, I have examined: (1) The California Constitution and Government Code, as amended and supplemented (the "Act") pertaining to the creation, existence and operation of the City of Roseville; (2) an executed copy of the Agreement; (3) such documents and records of the City of Roseville, certificates of public officials and officers of the City of Roseville; and (4) such other documents as I have deemed necessary or appropriate for the purposes of this opinion. In this opinion, I have assumed the genuineness of all the signatures, the authenticity of all documents submitted to me as originals, and the conformity to authentic original documents submitted to me as certified, conformed or photo copies.

Based on the foregoing, as of the date hereof I am of the opinion that:

1. The City of Roseville is duly created and validly existing under the provisions of the Act as a body politic and corporate in and of the State of California, with full power and authority to execute and deliver, and to perform its obligations under the Agreement.
2. The execution and delivery of the Agreement by the City of Roseville, and any other documents which the City of Roseville has executed and delivered pursuant thereto, and the performance of its obligations thereunder, have been and remain duly authorized by all necessary action and do not contravene any provisions of the Constitution and statutes of the State of California, or any other law, regulation, or contractual restriction, or governing instruments, binding on the City of Roseville or affecting the City of Roseville or its property.

3. All consents, authorizations and approvals required for the execution and delivery by the City of Roseville of the Agreement, by and through its City Manager, Dominick Casey, and its Power Management Services Agent, Alliance for Cooperative Energy Services Power Marketing LLC, and any other documents which the City of Roseville has executed and delivered pursuant thereto, and the performance of its obligations thereunder have been obtained and remain in full force and effect, all conditions thereof have been duly complied with, and no other action by, and no notice to or filing with any governmental authority or regulatory body is required for such execution, delivery or performance.
4. The Agreement and any other documents which the City of Roseville has executed and delivered pursuant thereto, have been duly executed and delivered by the City of Roseville.
5. The Agreement constitutes the legal, valid and binding obligation of the City of Roseville, enforceable against the City of Roseville, in accordance with its terms, subject to applicable bankruptcy, insolvency and similar laws affecting creditors' rights generally, and subject, as to enforceability, to general principles of equity.

Sincerely,

Robert R. Schmitt
City Attorney

AMENDMENT ADOPTING, INCORPORATING AND AMENDING THE ISDA AUGUST 2012 DF SUPPLEMENT

This Amendment Adopting, Incorporating and Amending the ISDA August 2012 DF Supplement (this "Amendment") is made as of August 21, 2020 (the "Effective Date") by and between **Citigroup Energy Inc.** ("SD") and **City of Roseville** ("CP").

WHEREAS, reference is made to the ISDA August 2012 DF Supplement published by the International Swaps and Derivatives Association, Inc. ("ISDA®") on August 13, 2012 (the "ISDA August 2012 DF Supplement"); and

WHEREAS, the parties desire to amend the terms of the ISDA August 2012 DF Supplement and apply it to that certain ISDA Master Agreement dated August 21, 2020 (the "Covered Agreement");

NOW, THEREFORE, in consideration of the mutual covenants set forth herein, the parties do hereby agree as follows:

Article 1:

Adoption and Incorporation of the ISDA August 2012 DF Supplement

1.1 *Adherence to Protocol Agreement.*

SELECT ONE:

☒ Option One: In lieu of using the procedures set forth in the Protocol Agreement, the parties desire to implement the terms of the ISDA August 2012 DF Supplement

©2012 by the International Energy Credit Association

ALL RIGHTS RESERVED UNDER U.S. AND FOREIGN LAW, TREATIES AND CONVENTIONS. THE ISDA AUGUST 2012 DF SUPPLEMENT IS A COPYRIGHTED DOCUMENT (COPYRIGHT © 2012 BY INTERNATIONAL SWAPS AND DERIVATIVES ASSOCIATION, INC.) AND ISDA® IS A REGISTERED MARK OF THE INTERNATIONAL SWAPS AND DERIVATIVES ASSOCIATION, INC. AUTOMATIC LICENSE – PERMISSION OF THE COPYRIGHT OWNER IS GRANTED FOR REPRODUCTION BY DOWNLOADING FROM A COMPUTER AND PRINTING ELECTRONIC COPIES OF THE WORK. NO AUTHORIZED COPY MAY BE SOLD. WHEN USED AS A REFERENCE, ATTRIBUTION TO THE COPYRIGHT OWNER IS REQUESTED. By making this available, the IECA does not offer legal advice, and all users are urged to consult with their own legal counsel to ensure that their commercial objectives will be achieved and legal interests protected. This document may be periodically reviewed and revised after publication in response to market developments and comments received. The foregoing should not be construed as a warranty or assurance that further revisions will be forthcoming, or of the timeliness or comprehensiveness of such revisions. No claim is made to material copyrighted by others.

between them by incorporating it by reference and completing Exhibit A. The ISDA August 2012 DF Supplement, as amended hereby, is incorporated by reference into the Covered Agreement as though fully set forth therein and shall govern all Swap transactions, if any,

under the Covered Agreement. The parties adopt between them the ISDA August 2012 DF Supplement into the Covered Agreement by execution of this Amendment, rather than pursuant to the procedure set forth in the ISDA August 2012 DF Protocol Agreement (the “Protocol Agreement”) or the Adherence Letter (as defined in the Protocol Agreement), the ISDA August 2012 DF Supplement or the ISDA August 2012 DF Questionnaire and its Addendum I (the “Questionnaire”). The phrase “this DF Supplement” as used in the ISDA August 2012 DF Supplement, as so adopted and incorporated hereby, means “this Amendment,” and the term “Covered Agreement” means “Covered Agreement” as defined in this Amendment. Exhibit A hereto shall be used in lieu of the Questionnaire contemplated by the Protocol Agreement for the Covered Agreement. “DF Supplement Information” is any information set forth in Exhibit A together with any other information that the parties agree shall be “DF Supplement Information.”

☐ Option Two: The parties agree to use the procedures set forth in the Protocol Agreement and agree to implement and amend between them the terms of the ISDA August 2012 DF Supplement by adhering to the Protocol Agreement and exchanging the Questionnaire and entering into this Amendment. The Protocol Agreement, Questionnaire, DF Terms Agreement (if applicable) and ISDA August 2012 DF Supplement shall govern all Swap transactions, if any, under the Covered Agreement, provided that the ISDA August 2012 DF Supplement and Questionnaire shall govern as amended by this Amendment. The phrase “this DF Supplement” as used in the ISDA August 2012 DF Supplement, means the ISDA August 2012 DF Supplement as amended by this Amendment, and the term “Covered Agreement” means “Covered Agreement” as defined in this Amendment. “DF Supplement Information” is any information set forth in the Questionnaire together with any other information that the parties agree shall be “DF Supplement Information.”

1.2 *Resolving Conflict of Terms.* Capitalized terms used herein and not otherwise defined shall have the meaning ascribed thereto in the ISDA August 2012 DF Supplement. However, in the event of any inconsistency between (a) a term defined in the Covered Agreement or in a Swap transaction confirmation and (b) a term defined in the ISDA August 2012 DF Supplement, then (i) the term defined in the ISDA August 2012 DF Supplement will control for purposes of interpreting this Amendment, and (ii) the term defined in the Covered Agreement or Swap transaction confirmation (with any inconsistency between the two documents determined in accordance with the Covered Agreement) will control for purposes of interpreting the Covered Agreement or Swap transaction confirmation.

Article 2:

Amendments to the ISDA August 2012 DF Supplement

2.1 *Amendments to Schedule 2 of the ISDA August 2012 DF Supplement; Agreements between a Swap Dealer and any other party.*

(a) Scope.

(i) Section 2.2 is amended by (1) adding “grounds to vitiate, cancel or otherwise terminate a Swap,” following the words “termination event”, (2) deleting the word “termination” following the words “shall not alter a party’s”, and (iii) adding the following at the end of the Section: “Provisions in the Agreement that in any manner limit the liability of one party to the other party are not amended or affected hereby.”

(ii) Section 2.6 is amended by adding the following prior to the period at the end of the Section: “, as determined necessary by the party employing or responsible for such personnel”.

(iii) The following new Section is added at the end of Section 2.8:

“2.8.1 SD acknowledges that, unless specifically stated herein, CP does not waive any of its rights against SD, or excuse SD from any of its duties to CP, provided for in the DF Supplement Rules.”

(b) **Confidentiality.**

(i) Section 2.13 is amended by adding the following prior to the period at the end of the Section: “with respect to DF Supplement Rules; *provided however*, that SD will, if legally permitted to do so, notify CP of such request as soon as practicable after receipt thereof and shall not disclose such Material Confidential Information until the earlier of (a) CP notifying SD that it will not contest such disclosure or (b) five (5) Business Days (or shorter if such shorter period is requested by the regulator and SD has notified CP of such requirement, if in SD’s determination such notice is permitted by law and is consistent with the request of the regulatory authority) have passed following CP’s receipt of such notice without CP notifying SD that CP shall contest the disclosure of such Material Confidential Information to the requesting regulatory or self-regulatory organization, unless such notice to CP or such restriction on disclosure is otherwise not permitted by applicable law or by the requesting regulating authority or self-regulatory organization; *provided further*, that the foregoing proviso shall not be applicable to routine filings by SD”.

(ii) Section 2.14 is amended by (1) deleting “, on or prior to the date on which this DF Schedule 2 is incorporated into the Agreement,”; (2) adding the words “or enter” between “have entered” and “into a written agreement” in the second line; and (3) adding the following prior to the period at the end of the Section: “; *provided however*, CP does not waive any of its rights or excuse SD from any of its duties to CP under such written agreement relating to the non-disclosure of information”.

(iii) Section 2.15 is amended by (1) adding “on a need-to-know basis” in the fourth line after “Material Confidential Information” and prior to “to (i) any”; (2) adding the following to the end of the first sentence “; *provided however*, the persons to whom such disclosure is made will be informed of the confidential nature of such information and instructed to keep such information confidential”; (3) replacing the second sentence in Section 2.15 up to the colon with the following: “Subject to the foregoing, Material Confidential Information may be disclosed to any person acting in a structuring, sales or trading capacity for SD or any affiliate of SD as permitted by CFTC Regulation 23.410(c)(2); *provided that* nothing in the foregoing shall waive any violation of CFTC Regulation 23.410(a); and *provided further that* for purposes of the foregoing, CP and SD agree that:”.

(c) Information Updating.

(i) Section 2.1 is amended by (1) deleting “and (iii) all DF Supplement Information that is financial information furnished by or on behalf of it to the other party has been prepared in accordance with applicable accounting standards, consistently applied.”; (2) adding an “and” before “(ii)”; and (3) adding a period after “in any material respect”.

(ii) Section 2.3 is amended by adding the following prior to the period at the end of the Section: “and shall be deemed made when provided or given so that no misrepresentation by CP is deemed to occur due to the one day delay built into the definition of “Notice Effective Date”.”

(iii) Section 2.9 is deleted and replaced with the following: “The parties agree that if the Non-Reporting Counterparty has reported a Swap under the Agreement as an “international swap” to a non-U.S. trade repository, it shall notify the Reporting Counterparty as soon as practicable and in accordance with the Notice Procedures, of the (i) identity of each non-U.S. trade repository not registered with the CFTC to which the Non-Reporting Counterparty or its agent has reported the Swap; and (ii) swap identifier used by such non-U.S. trade repository to identify the Swap.”

(iv) Section 2.10 is deleted and replaced with the following:

“2.10 Each party agrees that if it is the Non-Reporting Counterparty with respect to a Swap under the Agreement, then upon the occurrence of any corporate event (the meaning of “corporate event” as used in CFTC Regulation 45.1 to be reasonably determined by the Non-Reporting Counterparty unless and until the CFTC issues a specific definition of such term) with respect to the Non-Reporting Counterparty that is also a “life cycle event” (as that term is defined in CFTC Regulation 45.1) in respect of that Swap, it will, as soon as practicable, but in no event later than 10 a.m. on the second “business day” (as that term is defined in CFTC Regulation 45.1) following the day on which such life cycle event occurs, notify the Reporting Counterparty with respect to the Swap of the occurrence of such life cycle event, with sufficient detail regarding such life cycle event to allow the Reporting Counterparty to comply with any reporting requirements imposed by the DF Supplement Rules relevant to such other party’s compliance with the DF Supplement Rules reporting requirements (see CFTC Regulation 45.4(c)).”

(d) CP Acknowledgements.

(i) Section 2.19 is amended by adding “, which may include an electronic communication” after the words “will be confirmed in writing”.

(ii) Section 2.20 is amended by adding the following to the end of the Section: “If a party has represented to the other party that it is an “eligible contract participant” as defined in Section 1a(18) of the Commodity Exchange Act, then such party is not a Hedging Entity ECP and therefore does not make the representation in this Section 2.20.”

(iii) Section 2.22(a) is amended by replacing the words “to allow CP to assess its potential exposure in connection with such Swap” with “in accordance with the requirements of the DF Supplement Rules (CFTC Regulation 23.431(b)(1) – (4))”.

Article 3: **Representations and Warranties**

3.1 *Mutual Representations.* Each party represents to the other (which representations will be deemed to be repeated by each party as of the time of each Swap Transaction Event) that:

- (a) It is duly organized and validly existing under the laws of the jurisdiction of its organization or incorporation and, if relevant under such laws, in good standing; and
- (b) It has the power to execute this Amendment.

3.2 *Representation of Swap Dealer.* SD represents to CP (which representation will be deemed to be repeated by SD as of the time of each Swap Transaction Event) that it has determined it is a “swap dealer” as defined in Section 1a(49) of the Commodity Exchange Act and CFTC Regulation 1.3(ggg) and is registered or intends to register accordingly.

Article 4: **Miscellaneous**

4.1 *No Other Agreement.* Except as amended hereby, the Covered Agreement remains in full force and effect.

4.2 *Headings.* The headings used in this Amendment are for convenience of reference only and are not to affect the construction of or to be taken into consideration in interpreting this Amendment.

4.3 *Governing Law.* This Amendment, as between the parties and in respect of each Swap transaction between them, will be governed by and construed in accordance with the law specified to govern that Swap transaction in the Covered Agreement and otherwise in accordance with applicable choice of law doctrine.

4.4 *Counterparts.* This Amendment (and each amendment, modification and waiver in respect thereof) may be executed and delivered in any number of counterparts (including by facsimile transmission or PDF files) and all of such counterparts taken together shall be deemed to constitute one and the same instrument.

IN WITNESS WHEREOF, the parties have executed this Amendment as of the Effective Date.

Special Entity Disclosure. Is CP a “special entity” as defined in Section 4s(h)(2)(C) of the Commodity Exchange Act and CFTC Regulation 23.401(c) thereunder?	
☒ Yes	☐ No
If CP is a “Special Entity,” select the applicable subsection: ☐ CP is a Federal Agency. ☒ CP is a State, State agency, city, county, municipality, other political subdivision of a State, or any instrumentality, department, or corporation of or established by a State or political subdivision of a State.	
Addendum I. Do the parties incorporate herein by reference Addendum I to the ISDA August 2012 DF Protocol Questionnaire, published by ISDA on December 13, 2012?	
☐ Yes	☒ No
Addendum I - Active Funds – Is CP an “Active Fund”?	
☐ Yes	☒ No
Addendum I – Additional Representations for Commodity Pools	
If CP indicated above that it is a Commodity Pool and CP is an Eligible Contract Participant solely on account of its status as a Large Entity and/or as a Hedging Entity ECP (see below for definitions of these terms), then CP is deemed to make the following additional representation: CP represents that, effective on (i) the later of (A) the ECP Modification Effective Date and (B) the date of this Amendment and (ii) on the date of each Swap Transaction Event following such date, unless CP has notified SD to the contrary prior to such date, CP has total assets exceeding \$5,000,000 and is operated by (and, if CP was formed on or after December 31, 2012 or such later date as the CFTC may specify under applicable regulations, is formed by) (1) a person registered as a Commodity Pool Operator with the CFTC, (2) a person excluded from the Commodity Pool Operator definition under CFTC Regulation 4.5 or otherwise, (3) a person properly exempt from registration as a Commodity Pool Operator under CFTC Regulation 4.13(a)(3) or otherwise, or (4) a foreign person performing a similar role or function, subject as such to foreign regulation.	

AMENDMENT ADOPTING, INCORPORATING AND AMENDING THE ISDA MARCH 2013 DF SUPPLEMENT

This Amendment Adopting, Incorporating and Amending the ISDA March 2013 DF Supplement (this “Amendment”) is made as of August 21, 2020 (the “Effective Date”) by and between **Citigroup Energy Inc.** (“SD”) and **City of Roseville** (“CP”).

WHEREAS, reference is made to the ISDA March 2013 DF Supplement published by the International Swaps and Derivatives Association, Inc. (“ISDA®”) on March 22, 2013 (the “ISDA March 2013 DF Supplement”; capitalized terms used and not otherwise defined herein are defined in the ISDA March 2013 DF Supplement and its Questionnaire); and

WHEREAS, the parties desire to amend the terms of the ISDA March 2013 DF Supplement and apply it to that certain ISDA Master Agreement dated August 21, 2020 (the “Covered Agreement”);

NOW, THEREFORE, in consideration of the mutual covenants set forth herein, the parties do hereby agree as follows:

Article 1:

Adoption and Incorporation of the ISDA March 2013 DF Supplement

1.1 *Adherence to Protocol Agreement.*

SELECT ONE:

☒ Option One: In lieu of using the procedures set forth in the Protocol Agreement, the ISDA March 2013 DF Supplement, as amended hereby, is incorporated by reference into the Covered Agreement as though fully set forth therein and governs all Swap transactions, if any, under the Covered Agreement. The parties adopt between them the ISDA March 2013 DF Supplement into the Covered Agreement by execution of this Amendment, rather than pursuant to the procedure set forth in the ISDA March 2013 DF Protocol Agreement (the “Protocol Agreement”) or the Adherence Letter (as defined in the Protocol Agreement), the

ISDA March 2013 DF Supplement or the ISDA March 2013 DF Questionnaire (the “Questionnaire”). The phrase “this March 2013 DF Supplement” as used in the ISDA March 2013 DF Supplement, as so adopted and incorporated hereby, means “this Amendment,” and the term “Covered Agreement” means “Covered Agreement” as defined in this Amendment. Exhibit A hereto shall be used in lieu of the Questionnaire contemplated by the Protocol Agreement. The information contained in Exhibit A as well as any other information required to be delivered under the Agreement shall be automatically updated or provided and deemed delivered to SD by any other written notices provided to SD under the Covered Agreement.

☐ Option Two: The parties agree to use the procedures set forth in the Protocol Agreement and agree to implement and amend between them the terms of the ISDA March 2013 DF Supplement by adhering to the Protocol Agreement and exchanging the Questionnaire and entering into this Amendment. The Protocol Agreement, Questionnaire and ISDA March 2013 DF Supplement govern all Swap transactions, if any, under the Covered Agreement, provided that the ISDA March 2013 DF Supplement and Questionnaire govern as amended by this Amendment. The phrase “this March 2013 DF Supplement” as used in the ISDA March 2013 DF Supplement, means the ISDA March 2013 DF Supplement as amended by this Amendment, and the term “Covered Agreement” means “Covered Agreement” as defined in this Amendment. The information contained in the Questionnaire as well as any other information required to be delivered under the Agreement shall be automatically updated or provided and deemed delivered to SD by any other written notices provided to SD under the Covered Agreement.

1.2 CFTC Swap Entity. SD shall be a “CFTC Swap Entity” for purposes of the ISDA March 2013 DF Supplement.

1.3 Notice Procedures. If Option One is selected and both CP and SD provide the applicable email addresses for delivery of notices in Exhibit A, then Notice Procedures for purposes of the ISDA March 2013 DF Supplement will include the additional procedures set forth in Sections 7(c)(v), (vi) and (vii) of the Protocol Agreement for the purposes specified in each respective Section provided that each reference to “such Matched PCA Party’s Questionnaire” shall be deemed to be a reference to the information specified by the SD or CP, as applicable, in Exhibit A.

Article 2:

Amendments to the ISDA March 2013 DF Supplement

2.1 Amendment to March 2013 DF Schedule 1 of the ISDA March 2013 DF Supplement; Defined Terms.

(i) “**March 2013 DF Supplement Information**” is amended by adding to the end of the Section: “The only March 2013 DF Supplement Information exchanged by the parties as of the date hereof is Exhibit A or the Questionnaire, as applicable, along with any other information that the parties have agreed in writing is March 2013 DF Supplement Information.”

2.2 Amendments to March 2013 DF Schedule 2 of the ISDA March 2013 DF Supplement; General Terms.

- (i) Section 2.2 is amended by adding the following at the end of the Section: “Provisions in the Agreement that in any manner limit the liability of one party to the other party are not amended or affected hereby.”
- (ii) Section 2.5 is amended by replacing the word “Swaps” in 2.5(b) with the word “swaps” and each use of the word “Swap” in 2.5(c) with the word “swap.”
- (iii) Section 2.9 is amended by replacing “in writing prior to the execution of such Swap” with “in writing delivered in any form, including electronically, prior to or at the time of execution of such Swap.”

2.3 Amendments to March 2013 DF Schedule 3 of the ISDA March 2013 DF Supplement; Calculation of Risk Valuations and Dispute Resolution.

- (i) Section 3.3(iii) is amended by inserting the words “viewable at no cost to CP” after the words “posting on a secure web page.”
- (ii) Section 3.5 is amended by (a) inserting the words “, subject to Section 3.6 below if applicable,” between the words “Notice Procedures” and “on or prior” and (b) replacing the words “shall include CP’s” with “shall include or be followed as soon as reasonably practicable with CP’s.”
- (iii) Section 3.11 is amended by adding the following at the end of the Section: “In the event of any inconsistency between this Amendment and the Covered Agreement respecting calculation of termination payments, CSA Valuation, exposure or payment calculations, dispute resolution mechanisms, or other agreements of the parties set forth in the Covered Agreement, the Covered Agreement as unamended by this Amendment shall control.”

2.4 Amendments to March 2013 DF Schedule 4 of the ISDA March 2013 DF Supplement; Portfolio Reconciliation.

- (i) Section 4.2(c) is amended by deleting “, and in any event not later than the close of business on the second Local Business Day of CP following the Data Delivery Date.”
- (ii) Section 4.7 is amended by adding the following at the end of the Section: “In the event of any inconsistency between this Amendment and the Covered Agreement respecting any agreement or other procedure for the exchange, delivery and/or reconciliation of Portfolio Data and/or the resolution of any discrepancy between them or other agreements of the parties set forth in the Covered Agreement, the Covered Agreement as unamended by this Amendment shall control.”

Article 3:
Representations and Warranties

3.1 *Mutual Representations.* Each party represents to the other (which representations will be deemed to be repeated by each party as of the time of each Transaction Event) that:

- (i) It is duly organized and validly existing under the laws of the jurisdiction of its organization or incorporation and, if relevant under such laws, in good standing; and
- (ii) It has the power to execute this Amendment.

3.2 *Representation of CP.* All information and representations provided in Exhibit A are based on CP's understanding and interpretation of the CEA and CFTC Regulations as of the date hereof, after reasonable diligence and inquiry. In the event that factual information with respect to CP set forth in Exhibit A changes, CP agrees to correct such information no later than the next following Transaction Event.

Article 4:
Miscellaneous

4.1 *No Other Agreement.* Except as amended hereby, the Covered Agreement remains in full force and effect.

4.2 *Headings.* The headings used in this Amendment are for convenience of reference only and are not to affect the construction of or to be taken into consideration in interpreting this Amendment.

4.3 *Governing Law.* This Amendment, as between the parties and in respect of each Swap transaction between them, will be governed by and construed in accordance with the law specified to govern that Swap transaction in the Covered Agreement and otherwise in accordance with applicable choice of law doctrine.

4.4 *Counterparts.* This Amendment (and each amendment, modification and waiver in respect thereof) may be executed and delivered in any number of counterparts (including by facsimile transmission or PDF files) and all of such counterparts taken together shall be deemed to constitute one and the same instrument.

IN WITNESS WHEREOF, the parties have executed this Amendment as of the Effective Date.

COUNCIL COMMUNICATION

CC #: 1026

File #: 0206-03-01

Title: Baseline at Sierra Vista Community Facilities District No. 1, Public Facilities - Intent to Form and Incur Indebtedness

Contact: Jeannine Thrash 916-774-5473 jthrash@roseville.ca.us
Dennis Kauffman 916-774-5313 dkauffman@roseville.ca.us

Meeting Date: 10/7/2020

Item #: 7.13.

RECOMMENDATION TO COUNCIL

Staff recommends that the City Council adopt the following resolutions and set a meeting date of November 18, 2020, at 6:00 p.m., in the Roseville Civic Center, Council Chambers at 311 Vernon Street, Roseville, California, as the time and place to conduct a public hearing:

- A Resolution of Intention of the City Council of the City of Roseville to Form a Community Facilities District, Designate an Improvement Area Therein, Establish a Future Annexation Area, Provide for Additional Future Improvement Areas Therein, and to Authorize the Levy of a Special Tax Therein to Finance Public Facilities and Public Services in and for such Community Facilities District
- A Resolution of the City Council of the City of Roseville of Intention to Incur Bonded Indebtedness to Finance the Acquisition and Construction of Certain Public Facilities in and for the City of Roseville Baseline at Sierra Vista Community Facilities District No. 1 (Public Facilities) and Improvement Areas Within

BACKGROUND

It is the request of the Developer, D.F. Properties, Inc. to form a Community Facilities District within the Sierra Vista Specific Plan in order to fund certain backbone infrastructure fees, in-tract improvements, and obligations.

The project has a total of 218 residential units, 115 low-density residential units and 103 medium-density residential units, as well as around 81 acres of commercial. The project is planned for two phases, with the residential portion being Phase 1, and also the initial boundary area for the District. The commercial portion of the project will be Phase 2, and will be identified as the future annexation area for the District.

FISCAL IMPACT

The CFD will generate special taxes that will be paid by the property owners sufficient to pay the costs of debt service, CFD administration, and any authorized pay-as-you-go facilities, as well as provide funding in the future for maintenance/replacement of constructed facilities. The issuance of bonds will not impact the City's General Fund.

ENVIRONMENTAL REVIEW

The California Environmental Quality Act (CEQA) does not apply to activities that will not result in a direct or reasonably foreseeable indirect physical change in the environment, or is otherwise not considered a project as defined by CEQA Statute §21065 and CEQA State Guidelines §15060(c)(3) and §15378. Adoption of the resolutions meets the above criteria and is not subject to CEQA. No additional environmental review is required.

Respectfully Submitted,

Jeannine Thrash, Administrative Analyst

Dennis Kauffman, Assistant City Manager/Chief Financial Officer

Dominick Casey, City Manager

Description

Resolution No. 20-385

Resolution No. 20-386

Proposed Boundary Map

CITY COUNCIL OF THE CITY OF ROSEVILLE

RESOLUTION NO. 20-385

A RESOLUTION OF INTENTION OF THE CITY COUNCIL OF THE CITY OF ROSEVILLE TO FORM A COMMUNITY FACILITIES DISTRICT, DESIGNATE AN IMPROVEMENT AREA THEREIN, ESTABLISH A FUTURE ANNEXATION AREA, PROVIDE FOR ADDITIONAL FUTURE IMPROVEMENT AREAS THEREIN, AND TO AUTHORIZE THE LEVY OF A SPECIAL TAX THEREIN TO FINANCE PUBLIC FACILITIES AND PUBLIC SERVICES IN AND FOR SUCH COMMUNITY FACILITIES DISTRICT

WHEREAS, under the Mello-Roos Community Facilities Act of 1982, as amended, Chapter 2.5 of Part 1 of Division 2 of Title 5, commencing at Section 53311, of the California Government Code (the "Act"), the City Council of the City of Roseville (the "City Council") is authorized to establish a community facilities district and a future annexation area, and to act as the legislative body for such community facilities district; and

WHEREAS, the Act provides that for purposes of financing of, or contributing to the financing of, all or a portion of public facilities to be financed by the community facilities district the legislative body may designate a portion or portions of the district as one or more improvement areas ("Improvement Areas") and that after the designation of Improvement Areas, proceedings for purposes of the Act may apply only to the respective Improvement Area or Improvement Areas for those specified facilities; and

WHEREAS, the City Council, having received indications of interest on behalf of the owners of the areas of land proposed to be included in a proposed community facilities district, desires to proceed with the establishment of a community facilities district and an initial Improvement Area therein, and a future annexation area from which additional Improvement Areas may be created, all in order to finance costs of public infrastructure and services necessary or incidental to new development in the City.

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF ROSEVILLE RESOLVES AS FOLLOWS:

1. It is proposed to establish a community facilities district, an initial improvement area therein, and future annexation area within the City of Roseville under the terms of the Act to finance costs of public infrastructure and services necessary or incidental to new development in the City, which may include the payment of development impact fees related thereto.

2. The name proposed for the community facilities district is the City of Roseville Baseline at Sierra Vista Community Facilities District No. 1 (Public Facilities) (including designated Improvement Areas, the "CFD"). The name proposed for the future annexation area is the City of Roseville Baseline at Sierra Vista Community Facilities District No. 1 (Public Facilities) (Future Annexation Area) (the "Future Annexation Area").

Pursuant to Section 53350 of the Act, the territory to be initially included in the CFD (as shown on the map described in Section 3 hereof) is hereby designated to include an initial improvement area as "Improvement Area No. 1 of the City of Roseville Baseline at Sierra Vista Community Facilities District No. 1 (Public Facilities)" ("Improvement Area No. 1"). The initial boundary of the CFD is coterminous with the initial boundary of Improvement Area No. 1.

3. The proposed boundaries of the CFD, Improvement Area No. 1 and the Future Annexation Area are as shown on the map of them on file with the Clerk, which boundaries are hereby preliminarily approved and to which map reference is hereby made for further particulars. The Clerk is hereby directed to record, or cause to be recorded, the map of the boundaries of the CFD, Improvement Area No. 1 and the Future Annexation Area in the office of the Placer County Recorder within 15 days of the date of adoption of this Resolution. The City Council finds that the map is in the form and contains the matters prescribed by Section 3110 of the California Streets and Highways Code.

Parcels within the Future Annexation Area shall be annexed to the CFD only with the unanimous approval (each, a "Unanimous Approval") of the owner or owners of each parcel or parcels at the time that parcel or those parcels are annexed, without any requirement for further public hearings or additional proceedings.

All or any portions of territory that annexes into the CFD from the Future Annexation Area or otherwise may be annexed into Improvement Area No. 1 or into a separate Improvement Area then in existence or to be designated at the time of such annexation and no additional hearings, resolutions of the City Council or other procedures are required.

The Unanimous Approval shall specify annexation into Improvement Area No. 1 or into an Improvement Area then in existence or to be designated pursuant to the Unanimous Consent. After the designation of a parcel or parcels as an Improvement Area, all proceedings for approval of an appropriations limit, the rate and method of apportionment and manner of collection of special taxes, and the authorization to incur bonded indebtedness may differ from Improvement Area No. 1 or any other Improvement Areas, all as set forth in the Unanimous Approval, and shall apply only to the parcel or parcels within such Improvement Area. Likewise, all or any portions of territory that annex into the CFD from the Future Annexation Area or otherwise may be annexed into a separate zone of any Improvement Area then in existence or to be designated at the time of such annexation and no additional hearings or procedures are required and the rate and method of apportionment applicable to such zone may differ from other areas of the CFD as set forth in the Unanimous Approval and shall apply only to the parcel or parcels within such zone, as provided in the Unanimous Consent.

4. Except to the extent that funds are otherwise available to the CFD to pay for the Facilities (as defined below), and/or the principal and interest as it becomes due on bonds issued by the City for each Improvement Area within the CFD to construct and/or acquire the Facilities, a special tax (the "Facilities Special Tax") sufficient to pay the costs thereof, secured by recordation of a continuing lien against all non-exempt real property in the applicable Improvement Area of the CFD, will be levied annually within each Improvement Area, and collected in the same manner as ordinary ad valorem property taxes, or in such other manner as the City Council or its designee shall determine, including direct billing of the affected property owners.

Except to the extent that funds are otherwise available to the CFD to pay for the Services (as defined below), a special tax (the "Maintenance Special Tax") sufficient to pay the costs thereof, secured by recordation of a continuing lien against all non-exempt real property in the CFD, will be levied annually within the CFD, and collected in the same manner as ordinary ad valorem property taxes, or in such other manner as the City Council or its designee shall determine, including direct billing of the affected property owners.

The proposed rate and method of apportionment of the Facilities Special Tax and Maintenance Special Tax (together, the "Special Tax") among the parcels of real property within the CFD, in sufficient detail to allow each landowner within the proposed CFD to estimate the maximum amount such owner will have to pay, are described in the Rate, Method of Apportionment and Manner of Collection of Special Tax attached hereto as Exhibit A and hereby incorporated herein (the "Rate and Method"). At such time as territory within the Future Annexation Area is annexed into the CFD pursuant to the Unanimous Consent, approval of a rate and method of apportionment for such territory may differ from that of other Improvement Areas as set forth in the Unanimous Approval, and shall provide sufficient detail to allow each landowner within the annexed territory to estimate the maximum amount such owner will have to pay.

A Facilities Special Tax shall not be levied in an Improvement Area after the fiscal year identified in the rate and method for such Improvement Area, except that a Facilities Special Tax that was lawfully levied in or before the final tax year and that remains delinquent may be collected in subsequent years. Under no circumstances shall the Facilities Special Tax levied against any parcel in such Improvement Area for private residential purposes be increased as a consequence of delinquency or default by the owner of any other parcel or parcels within such Improvement Area in contravention of the Act, including Section 53321(d) of the Act.

As required by Section 53339.3(d) of the Act, as to annexed property, the City Council hereby determines that the Facilities Special Tax proposed to pay for public facilities financed with bonds that have already been issued and that are secured by an existing Improvement Area shall be the same as the tax levied in such existing Improvement Area for that purpose, except that a higher Special Tax may be levied for that purpose within the territory proposed to be annexed or to be annexed into such Improvement Area in the future to compensate for the interest and principal previously paid by such existing Improvement Area, less any depreciation allocable to the public facility. In so finding, the City Council does not intend to limit its ability to levy a Facilities Special Tax within territory to be annexed or to be annexed in the future to pay for new or additional public facilities, with or without bond financing.

The Maintenance Special Tax proposed to pay for Services to be supplied within the territory annexed in the future shall be equal to any Maintenance Special Tax levied to pay for the same Services in the CFD, except that a higher or lower tax may be levied within the territory to be annexed in the future to the extent that the actual cost of providing the Services in that territory is higher or lower than the cost of providing those Services in the existing CFD. The foregoing shall not be construed to limit the levy of the Special Tax within the territory to be annexed in the future to provide new or additional Services beyond those supplied within the existing territory of the CFD, or to pay for new or additional Facilities, with or without bond financing.

5. The type of public facilities proposed to be financed in whole or in part by the CFD, Improvement Area No. 1 and any Future Improvement Areas and pursuant to the Act shall consist of those items listed as facilities on Exhibit B hereto (the "Facilities") and the type of public services proposed to be financed by the CFD and pursuant to the Act shall consist of those items listed as services on Exhibit B hereto (the "Services"). The Council hereby determines that the Facilities are necessary to meet increased demands placed upon local agencies as the result of development occurring within the CFD and the Future Annexation Area. The financing of the costs of Facilities may include, without limitation, the payment of principal of and interest on bonds together with all direct, indirect periodic, and/or other related costs (including, without limitation, costs of administering the CFD, levying the Special Tax and administering the bonds, and establishing and replenishing reserve funds). Land annexed into the CFD pursuant to a Unanimous Approval may specify additional facilities and services to be financed by the Special

Taxes levied on such annexed land, as set forth in the Unanimous Consent, without additional proceedings, provided the conditions set forth in this Section with respect to the original Facilities and Services are met.

The City Council hereby finds and determines that Section 53329.5(a) of the Act relating to the City calling for bids for construction of the Facilities are inapplicable to the CFD in that the City will acquire but not construct the Facilities. To that end, City may enter into one or more contracts directly with any owner or developer of land within the CFD for acquisition of Facilities.

The Council hereby determines that the Services are necessary to meet increased demands for such services placed upon the City as the result of development occurring within the area of the CFD and the Future Annexation Area. The Services are in addition to those provided in the territory of the CFD as of the date hereof and will not supplant services already available within the territory of the CFD as of the date hereof. Similarly, services to be financed by special taxes upon territory within the Future Annexation Area shall be in addition to those provided in such territory of the CFD as of the date hereof and will not supplant services already available within the territory of the CFD as of the date hereof.

6. Except as may otherwise be provided by law or by the Rate and Method, all lands owned by any public entity, including the United States, the State of California and the City, or any departments or political subdivisions thereof, shall be omitted from the levy of the Special Tax. In the event that a portion of the property within the CFD shall become for any reason exempt, wholly or in part, from the levy of the Special Tax, the City Council will, on behalf of the CFD, increase the levy to the extent necessary upon the remaining property within the applicable Improvement Area which is not exempt in order to yield the required debt service payments and other annual expenses of such Improvement Area, if any, subject to the provisions of the applicable Rate and Method. It is anticipated that the Special Tax will be billed as a separate line item on the regular property tax bill. However, the City Council reserves the right, under Section 53340 of the Act, to utilize any method of collecting the special tax which it shall, from time to time, determine to be in the best interests of the City, including, but not limited to, direct billing by the City to the property owners and supplemental billing.

7. The levy of the Special Tax shall be subject to the approval of the applicable qualified electors of the CFD at a special election. The proposed voting procedure shall be by mailed or hand-delivered ballot among the landowners in the proposed CFD, with each owner having one vote for each acre or portion of an acre such owner owns in the CFD. The levy of the Special Tax on parcels within the Future Annexation Area and annexed to the CFD shall be subject to the approval of the qualified elector by execution of the Unanimous Approval, and a special tax shall be levied in the Future Annexation Area only with the Unanimous Approval of the owner or owners of each parcel or parcels at the time that parcel or those parcels are annexed to the CFD, without any requirement for further public hearings or additional proceedings.

8. It is the intention of the City Council, acting as the legislative body for the CFD, to cause bonds of the City to be issued for each Improvement Area pursuant to the Act to finance in whole or in part the construction and/or acquisition of Facilities. The bonds issued in these proceedings shall be callable in accordance with the provisions of the Act, and shall be issued in such series and bear interest payable semi-annually or in such other manner as the City Council shall determine, at a rate not to exceed the maximum rate of interest as may be authorized by applicable law at the time of sale of such bonds, shall mature not to exceed 40 years from the date of the issuance thereof and shall be as more specifically set forth in any resolution authorizing the issuance of such bonds.

9. The Chief Financial Officer of the City, as the officer having charge and control of the Facilities and Services in and for the CFD, or the designee of such official, is hereby directed to cause and direct a study of said proposed CFD and the Facilities and Services, and to cause to be prepared for filing at the public hearing the report required by Section 53321.5 of the Act (the "CFD Report") presenting at least the following:

(a) A brief description of the Facilities and Services by type which will be required to adequately meet the needs of the CFD.

(b) An estimate of the fair and reasonable cost of the Facilities and Services, including the cost of acquisition of lands, rights-of-way and easements, any physical facilities required in conjunction therewith and incidental expenses in connection therewith, including the costs of the proposed bond financing and all other related costs as provided in Section 53345.3 of the Act.

The CFD Report shall be made a part of the record of the public hearing specified below.

10. The City Council hereby sets November 18, 2020 at 6:00 p.m. either virtually if so noticed or at the City of Roseville Civic Center Council Chambers located at 311 Vernon Street, Roseville, California 95678, as the time and place when and where the City Council, as legislative body for the CFD, will conduct a public hearing on the establishment of the CFD and the Future Annexation Area, and consider and finally determine whether the public interest, convenience and necessity require the formation of the CFD and the Future Annexation Area, and the levy of the Special Tax. At the hearing, testimony concerning the CFD, the extent of the CFD and the Future Annexation Area, or the furnishing of the particular types of public facilities and public services will be heard and protests will be considered from registered voters residing within the CFD and persons owning real property within the CFD. Written protests by the owners of a majority of the land which would be subject to special taxation within the proposed CFD will require the suspension of proceedings for at least one year. Written protests must be filed with the City Clerk at or before the time fixed for the hearing. If such protests are directed only against certain elements of the proposed improvements or proposed special tax, and if such protests constitute a majority protest, only those elements shall be deleted from the proceedings.

11. The City Clerk is hereby directed to cause notice of the public hearing, attached hereto as Exhibit C, to be given by one-time publication in a newspaper published in the area of the CFD and the Future Annexation Area. The publication shall be completed at least 7 days before the date of the public hearing referenced above. The notice shall be substantially in the form specified in Section 53322 of the Act and attached hereto, with the form summarizing the provisions hereof hereby specifically approved.

12. . This Resolution shall take effect from and after its adoption.

* * * * *

I hereby certify that the foregoing Resolution was duly adopted by the City Council of the City of Roseville, California, at a regularly scheduled meeting thereof, held on the ____ day of _____, 2020, by the following vote of the City Council:

ATTEST:

City Clerk of the City of Roseville

EXHIBIT A

City of Roseville
Baseline at Sierra Vista Community Facilities District No. 1
(Public Facilities)
(Improvement Area No. 1)
Placer County, California

RATE, METHOD OF APPORTIONMENT, AND MANNER OF COLLECTION OF SPECIAL TAX

1. Basis of Special Tax Levy

A Special Tax authorized under the Mello-Roos Community Facilities Act of 1982 (Act) applicable to the land in Baseline at Sierra Vista Community Facilities District No. 1 (Public Facilities) (Improvement Area No. 1) of the City of Roseville (City) shall be levied and collected according to the tax liability determined by the City through the application of the appropriate amount or rate, as described below.

2. Definitions

"Acre" or "Acreage" means the land area of an Assessor's Parcel as shown on an Assessor's Parcel Map, or if the land area is not shown on an Assessor's Parcel Map, the land area shown on the applicable final map or other Development Plan.

"Act" means the Mello-Roos Community Facilities Act of 1982, as amended, Sections 53311 and following of the California Government Code.

"Administrative Expenses" means the actual or reasonably estimated costs related to the administration of the CFD, including, but not limited to, these:

- a. Costs of computing Special Taxes and preparing annual Special Tax collection schedules (whether by the City or any designee thereof or both).
- b. Costs of collecting the Special Taxes (whether by the County, the City, or otherwise).
- c. Costs of remitting the Special Taxes to the Trustee.
- d. Costs of the Trustee (including its legal counsel) in the discharge of the duties required of it under the Bond Indenture.
- e. Costs to the City, CFD, or any designee thereof of complying with arbitrage rebate requirements.
- f. Costs to the City, CFD, or any designee thereof of complying with City, CFD, or obligated persons disclosure requirements.

- g. Costs associated with preparing Special Tax disclosure statements.
- h. Costs incurred in responding to public inquiries regarding the Special Taxes.
- i. Costs to the City, CFD, or designee thereof related to any appeal of the Special Taxes.
- j. Costs associated with the release of funds from an escrow account, if any.
- k. Costs to the City for the issuance of Bonds authorized by the CFD that are not recovered through the Bond sale proceeds.
- l. Amounts estimated to be advanced or already advanced by the City for any other administrative purposes, including attorney's fees and other costs related to collection of the Special Taxes and commencing and pursuing to completion any foreclosure of delinquent Special Taxes.

"Administrator" means a City official in the Finance Department, or their designee responsible for determining or overseeing the levy and collection of the Special Taxes.

"Affordable Housing Director" means, at any point in time, the person in the City who serves as head of the department that is in charge of the City's affordable housing program.

"Affordable Unit" means a Unit built on a Residential Use Parcel for which an Affordable Unit agreement has been entered into for the property designating the Unit as affordable, or is determined to be exempt from the Special Tax under applicable law. A Multifamily Parcel For-Rent may have only a portion of the Units assigned as Affordable Units. The City Manager, or his or her designee, shall determine which Units are designated as Affordable Units and maintain an Affordable Unit listing, which shall contain all designated buildable parcels by tract and lot number, and in the case of Large Lot Parcels remaining before May 1 of the preceding Fiscal Year, the number of designated Affordable Units for each such Large Lot Parcel; all entries shall indicate the effective date of designation. The Affordable Unit listing also shall be updated to reflect those Units no longer qualifying as Affordable Units, also known as Market-Rate Units. The Affordable Unit listing, which shall contain all qualifying Affordable Units as of April 30, shall be made available to the Administrator by July 1 of each year for purposes of determining the Maximum Annual Special Tax for Parcels pursuant to Section 4.

"Annexation Parcels" means a Parcel or Parcels annexed to the CFD after formation. The Maximum Annual Special Tax will be assigned to such Parcels using the provisions of Section 4. Annexation Parcels may be assigned a different Maximum Annual Special Tax Rate or Maximum Annual Special Tax per Parcel using a methodology different from the other Parcels in the CFD and may be placed in an area designated as a separate zone or improvement area of the CFD, all of which shall be set forth in revised attachments hereto as needed, without further CFD proceedings.

"Annual Facilities Costs" means, for any Fiscal Year, the total of these:

- a. Debt Service to be paid from Facilities Special Taxes.

- b. The amount needed to replenish the reserve fund for the Bonds to the level required under the Bond Indenture, to the extent not included in a computation of Annual Facilities Costs in a previous Fiscal Year.
- c. Administrative Expenses for such Fiscal Year.
- d. The amount needed to (1) cure any delinquencies in the payment of principal or interest on Bonds, which have occurred in the prior Fiscal Year, to the extent not otherwise included in a computation of Annual Facilities Costs in the current or any previous Fiscal Year, , and (2) to fund any foreseeable deficiency of the amount to be available for the payment of principal or interest on Bonds, which are expected to occur in such Fiscal Year, to the extent not included in a computation of Annual Facilities Costs in the current or any previous Fiscal Year.
- e. The amount needed to (1) cure any delinquencies in the payment of the Facilities Special Tax in the prior Fiscal Year, to the extent not otherwise included in a computation of Annual Facilities Costs in the current or any previous Fiscal Year, and (2) to fund any foreseeable deficiency in the payment of the Facilities Special Tax for that Fiscal Year which is expected to occur in such Fiscal Year, to the extent not included in a computation of Annual Facilities Costs in the current or any previous Fiscal Year.
- f. Authorized Pay-As-You-Go Costs.
- g. During the Deferral Bonding Period, the amount needed to pay Development Impact Fee Deferrals not financed by Bonds.
- h. Less any available earnings on any reserve fund or Facilities Special Tax funds, available capitalized interest or any other available revenues of the CFD or the City that may be used to fund Annual Facilities Costs.

"Annual Maintenance Costs" means, for any Fiscal Year, the total of these:

- a. Authorized Services costs to be paid from Maintenance Special Taxes.
- b. Administrative Expenses for such Fiscal Year.
- c. The amount needed to (1) cure any delinquencies in the payment of the Maintenance Special Tax in the prior Fiscal Year, to the extent not otherwise included in a computation of Annual Maintenance Costs in the current or any previous Fiscal Year, and (2) to fund any foreseeable deficiency in the payment of the Maintenance Special Tax for that Fiscal Year which is expected to occur in such Fiscal Year, to the extent not included in a computation of Annual Maintenance Costs in the current or any previous Fiscal Year.
- d. Less any available earnings on any reserve fund, Maintenance Special Tax funds or any other available revenues of the CFD or the City that may be used to fund Annual Maintenance Costs.

"Assessor's Parcel" means a lot or Parcel with an assigned Assessor's Parcel Number in the maps used by the County Assessor in preparing the tax roll.

"Assessor's Parcel Map" means an official map of the County Assessor designating Parcels by Assessor's Parcel Number.

"Assessor's Parcel Number" means the Parcel and Parcel Number as assigned by the County Assessor on the equalized tax roll.

"Assigned Maximum Annual Special Tax" means the maximum Facilities Special Tax or Maintenance Special Tax assigned to each Large Lot Parcel that is an Original Parcel based on the Expected Land Uses at CFD formation, as shown in Attachment 1.

"Authorized Facilities" means those facilities and fees to be financed, as identified in the resolution forming the CFD.

"Authorized Services" means those services authorized to be funded, as defined in the resolution forming the CFD.

"Base Year" means the Fiscal Year beginning July 1, 2020, and ending June 30, 2021.

"Bond(s)" means any bond(s) issued by the City for the CFD under the Act and any other debt, as defined in the Act, the City incurs to further the CFD's purposes.

"Bond Indenture(s)" means the indenture(s), resolution(s), fiscal agent agreement(s), or other financing document(s) pursuant to which any Bonds are issued.

"Building Permit" means a permit issued by the City for the construction of a Residential Use or Nonresidential Use structure.

"Business Professional" means a Parcel or Parcels zoned to provide for office uses and other uses that are related to and supportive of office uses.

"CFD" means Baseline at Sierra Vista Community Facilities District No. 1 (Public Facilities) of the City of Roseville, Placer County, California.

"Chief Financial Officer" or "CFO" means the Chief Financial Officer of the City, or his/her designee.

"City" means the City of Roseville in Placer County, California.

"Community Commercial" means a Parcel or Parcels zoned to serve the principal retail shopping needs of the entire community by providing areas for shopping centers, and other retail and service uses.

"Council" means the City Council of the City acting for the CFD under the Act.

"County" means the County of Placer, California.

"Debt Service" means the total annual amount of Bond principal, interest, and the scheduled sinking fund payments of the Bonds in a calendar year.

"Deferral Bonding Period" means the period after the Initial Bonding Period has ended and during which the City finances the Development Impact Fee Deferral.

"Developed Parcel" means, in any Fiscal Year:

- a. For Single-Family Parcels: All Parcels for which a Final Small Lot Subdivision Map was recorded before May 1 of the preceding Fiscal Year.
- b. For Multifamily For-Rent Parcels and Multifamily For-Sale Parcels: All Parcels for which a Building Permit for new construction of a Residential Use structure was issued before May 1 of the preceding Fiscal Year.
- c. For all Nonresidential Use Parcels: All Parcels for which a Building Permit for new construction of a Nonresidential Use structure was issued before May 1 of the preceding Fiscal Year.

Once a Parcel is defined as a Developed Parcel it shall remain as a Developed Parcel.

"Development Agreement" means the Development Agreement By and Between the City of Roseville and DF Properties, Inc. relative to the Sierra Vista Specific Plan dated April 28, 2010.

"Development Impact Fee Deferral" means the deferred payment of development impact fees due to the City or the South Placer Regional Transportation Authority (SPRTA) for Developed Parcels, using the approach and amounts identified in the Development Agreement, which may be amended from time to time.

"Development Plan" means a condominium plan, apartment plan, site plan, or other development plan that identifies such information as the type of structure, acreage, square footage, or number of Units that are approved to be developed on Single-Family Parcels, Multifamily Parcels, and Nonresidential Parcels.

"Expected Land Use(s)" means the total number of Units or Acres of each land use type by Tax Category expected in each Large Lot Parcel and Original Parcel at CFD formation as identified in Attachment 3 of this RMA.

"Facilities Special Tax" means the Special Tax authorized to fund Annual Facilities Cost. Facilities Special Taxes are shown in Attachments 1 and 2.

"Final Use Small Lot Parcel" means a Parcel designated for development as a single-family residence, which is part of a Final Small Lot Subdivision Map.

"Final Small Lot Subdivision Map" means a recorded map designating the final Parcel subdivision for individual Single-Family Parcels.

"Fiscal Year" means the period starting July 1 and ending the following June 30.

"Full Prepayment" means the complete fulfillment of a Parcel's Facilities Special Tax obligation, as determined by following the procedures in Section 8.

"High Density Residential" means, per the Sierra Vista Specific Plan, a land use designation that primarily accommodates attached housing, but depending on the unit type, could also include detached housing, within the density range of 13.0 or greater dwelling units per gross developable acre. Typical housing product types include, but shall not be limited to, detached townhomes, courtyard townhomes/condominiums, garden-style apartments, and podium design apartments/condominiums.

"Improvement Area" means an area within the CFD with its own distinct geographic area in which the provisions of this RMA shall apply. If there are more than one Improvement Areas, each Improvement Area shall have its own distinct number that is different from any other Improvement Area.

"Improvement Area No. 1" means the area designated as such on Map 1. The area included in Improvement Area No. 1 will be included in the initial boundaries of the CFD.

"Initial Bonding Period" means the period in which Bonds are outstanding which financed Authorized Facilities costs or refunded prior Bonds other than the Development Impact Fee Deferral. Each Improvement Area of the CFD will have its own Initial Bonding Period.

"Large Lot Parcel" means a Parcel created by a Large Lot Subdivision Map.

"Large Lot Subdivision Map" means a recorded subdivision map creating Parcels by land use. However, the Large Lot Subdivision Map does not delineate Final Use Small Lot Parcels. A Final Small Lot Subdivision Map will create individual Single-Family Parcels.

"Low Density Residential" means, per the Sierra Vista Specific Plan, a land use designation that supports single-family detached homes on conventional lots within the density range of up to 6.9 dwelling units per gross developable acre. Typical housing product types include, but shall not be limited to, standard, alley-loaded, or clustered, single-family detached units.

"Maintenance Special Tax" means the Special Tax authorized to fund Annual Maintenance Costs. The Maintenance Special Tax will be levied and collected beginning with the Transition Year. Maintenance Special Taxes are shown in Attachment 3.

"Market-Rate Unit" means a Unit that is not an Affordable Unit.

"Maximum Annual Special Tax" means the greatest amount of Facilities Special Tax or Maintenance Special Tax that can be levied against a Parcel in a given Fiscal Year, as shown in Attachments 1, 2, and 3.

"Maximum Annual Facilities Special Tax" means the greatest amount of Facilities Special Tax that can be levied against a Parcel in a given Fiscal Year, as shown in Attachments 1, 2, or 3.

"Maximum Annual Maintenance Special Tax" means the greatest amount of Maintenance Special Tax that can be levied against a Parcel in a given Fiscal Year, as shown in Attachments 1, 2, or 3.

"Maximum Annual Special Tax Rate" means the rate of Facilities Special Tax or Maintenance Special Tax charged per Unit or per Taxable Acre, as shown in Attachments 1, 2, and 3.

"Maximum Annual Facilities Special Tax Revenue" means the greatest amount of Facilities Special Tax revenue that can be collected in total from a group of Parcels (such as Developed Parcels) by levying the Maximum Annual Facilities Special Tax.

"Maximum Annual Maintenance Special Tax Revenue" means the greatest amount of Maintenance Special Tax revenue that can be collected in total from a group of Parcels (such as Developed Parcels) by levying the Maximum Annual Maintenance Special Tax.

"Maximum Annual CFD Special Tax Revenue" means the sum of the Maximum Annual Special Tax levied on all Taxable Parcels in the CFD in a Fiscal Year.

"Medium Density Residential" means, per the Sierra Vista Specific Plan, a land use designation that accommodates both single-family detached homes and attached homes within the density range of 7.0 to 12.9 dwelling units per gross developable acre. Typical housing product types include, but shall not be limited to, standard or alley-loaded lots, courtyard lots, green court lots, auto courts, alley clusters, zero-lot lines, or z-shaped lots. In addition, duet/half-plex homes, townhomes, or condominiums may be accommodated in Medium Density Residential areas.

"Mixed Use Parcel" means a Parcel or Parcels designated for a combination of Residential Uses and Nonresidential Uses.

"Multifamily For-Rent" or "Multifamily For-Rent Parcel" means any Parcel designated or developed for more than one residential dwelling Unit per Parcel and where such units are initially offered for rent to the general public and cannot be purchased by individual homeowners. Such uses may consist of apartments or structures such as duplexes or triplexes, including land uses defined as High Density Residential. Each residential dwelling Unit within Multifamily For-Rent or Multifamily For-Rent Parcels is not expected to have its own distinct Assessor's Parcel Number.

"Multifamily For-Sale" or "Multifamily For-Sale Parcel" means any Parcel designated or developed for more than one residential dwelling Unit within a single building or structure and that may share at least one common wall where such units are not initially offered for rent to the general public and initially may be offered for sale to individual homeowners. Such uses may consist of condominiums or buildings such as half-plexes or time-share units, including land uses defined as High Density Residential. Multifamily For-Sale Parcels are anticipated to have their own distinct Assessor's Parcel Number as is the case in residential condominium projects. Once designated as Multifamily For-Sale or Multifamily For-Sale Parcel, the Parcel shall remain so designated unless the original structures are demolished.

"Nonresidential Use" means a Taxable Parcel zoned for land uses other than Residential Uses which may include Business Professional, Community Commercial and Mixed Use.

"Original Parcel" means a Taxable Parcel identified in Attachment 1 at formation of the CFD.

"Parcel" means any Assessor's Parcel in the CFD based on the equalized tax rolls of the County as of January 1 of each Fiscal Year.

"Partial Prepayment" means the partial fulfillment of a Parcel's Facilities Special Tax obligation, as determined by following the procedures in Section 8.

"Pay-As-You-Go Costs" means that portion of costs of acquisition, construction, and improvement of Authorized Facilities not financed by Bonds that are eligible for funding from excess Special Tax.

"Prepayment" means the full or partial fulfillment of a Parcel's Facilities Special Tax obligation, as determined by following the procedures in Section 8.

"Proportionately" means that the ratio of the actual Special Tax levy to the Maximum Annual Special Tax is equal for all Developed Parcels. For Small Lot Tentative Map Parcels, Proportionately means that the ratio of the actual Special Tax levy to the Maximum Annual Special Tax is equal for all Small Lot Tentative Map Parcels. For Large Lot Parcels, Proportionately means that the ratio of the actual Special Tax levy to the Maximum Annual Special Tax is equal for all Large Lot Parcels. For Undeveloped Parcels, Proportionately means that the ratio of the actual Special Tax levy to the Maximum Annual Special Tax is equal for all Undeveloped Parcels.

"Public Parcel" means any Parcel that is or is intended to be publicly owned, as designated in any final map, that is normally exempt from the levy of general ad valorem property taxes under California law, including, but not limited to, public streets, schools, parks, and public drainageways, landscaping, wetlands, greenbelts, and open space.

"Remainder Parcel" means a portion of a unit of land that is created as a result of the recording of a Large Lot Parcel Map or Final Small Lot Subdivision Map, which results in a designated remainder as defined in Government Code Section 66424.6(a) (Remainder Parcel). Such a Remainder Parcel may contain taxable and tax-exempt uses, such as Residential Uses, and Public Parcels, such as park sites. Once designated as a Remainder Parcel, such Parcel will be considered a Large Lot Parcel for the purposes of future Subdivisions and for the provisions of Sections 4 through 6.

"Residential Use" means a Parcel designated for residential use, such as single-family residential Units, residential condominiums, townhouses, or apartments that would be included in the definitions of Low-Density Residential, Medium Density Residential or High Density Residential.

"RMA" means this Rate and Method of Apportionment, and Manner of Collection of Special Tax, as it may be amended from time to time in connection with Annexation Parcels or otherwise.

"Single-Family Parcel" means, in any Fiscal Year, all Parcels in the CFD for which a building permit was issued or may be issued for construction of a Unit that is a single-family residential, residential condominium, or townhouse Unit.

"Small Lot Tentative Map" means a map that is approved by the City for the purpose of showing the design of a proposed Subdivision, including the individual buildable lots expected in the Subdivision, as well as the conditions pertaining thereto. The Small Lot Tentative Map designation for this RMA is in reference only to the areas shown on the map on which Low-Density Residential and Medium-Density Residential uses would be permitted. A Small Lot Tentative Map is not based on a detailed survey of the property in the map and is not recorded at the County Recorder's Office to create legal lots.

"Small Lot Tentative Map Parcel" means, in any Fiscal Year, all Parcels included in a Small Lot Tentative Map that was approved before May 1 of the prior Fiscal Year that are planned for Low-Density Residential and Medium-Density Residential and which have not yet become a Developed Parcel.

"Special Tax(es)" mean(s) any tax levy under the Act in the CFD.

"Subdivision" or "Subdivided" means a division of a Parcel into two or more Parcels through Parcel reconfiguration, lot-line adjustments, or the Subdivision Map Act process. A Subdivision also may include the merging of two or more Parcels to create new Parcels.

"Successor Parcel" means a Parcel created by the Subdivision of an Original Parcel or a Successor Parcel.

"Tax Category" means the categories of taxable land uses shown in Attachments 1, 2, and 3.

"Tax Collection Schedule" means the document prepared by the Administrator for the County Auditor-Controller to use in levying and collecting the Special Taxes each Fiscal Year.

"Tax Escalation Factor" means a factor of 2 percent by which the Maximum Annual Facilities Special Tax, Maximum Annual Maintenance Special Tax and related Maximum Annual Special Tax Rates shall be increased annually until the Transition Event. After the Transition Event, the Maximum Annual Maintenance Special Tax may be increased up to 2 percent annually at the City's discretion. The Administrator should refer to Section 4.a for application of the Tax Escalation Factor.

"Taxable Acreage" means that area of a Parcel determined by the Administrator to become a Taxable Parcel or Parcels upon further Subdivision. An example might be that a Large Lot Parcel Map creates a Remainder Parcel that, according to Attachment 1, contains both taxable uses and tax-exempt uses.

"Taxable Parcel" means any Parcel that is not a Tax-Exempt Parcel.

"Tax-Exempt Parcel" means a Parcel not subject to the Annual Special Tax. Tax-Exempt Parcels include (a) Public Parcels, (b) Affordable Units, and (c) Parcels owned by the City, school districts, special districts, or the state or federal government. A Taxable Parcel that is acquired by a public agency shall remain a Taxable Parcel as per the provisions of Section 4.g.

Certain privately-owned Parcels also may be exempt from the levy of Annual Special Taxes, including common areas owned by homeowner's associations or property owner associations, wetlands, detention basins, water quality ponds, and open space, as determined by the Administrator.

"Transition Event" means the earlier of (a) after the Initial Bonding period, the Fiscal Year in which the Administrator determines the Development Impact Fee Deferral, and any eligible Pay-As-You-Go Costs have been repaid in full to the City and City determines funding is no longer needed for Annual Facilities Costs, or (b) Fiscal Year 2085-86.

"Transition Year" means the first Fiscal Year following the Fiscal Year in which the Transition Event occurred.

"Trustee" means a national banking association organized and existing under the laws of the United States acting as a trustee or fiscal agent for Bonds.

"Undeveloped Parcel" means a Taxable Parcel that is not a Developed Parcel, Small Lot Tentative Map Parcel, or a Large Lot Parcel.

“Unit” means, for a Single-Family Parcel, the individual residential unit on such Parcel, or for a Multifamily For-Rent Parcel or Multifamily For-Sale Parcel, an individual residential unit in a multifamily building.

3. Duration of the Special Tax

The Facilities Special Tax will be levied and collected until the earlier of (i) the Transition Year or (ii) Fiscal Year 2085-86. The Maintenance Special Tax will be levied and collected beginning in the Transition Year. The Maintenance Special Tax will be collected in perpetuity.

4. Administrative Tasks for the Facilities Special Tax

Tasks required of the Administrator are discussed below:

- a. Annual Special Tax Escalation. Until the Transition Event, the Administrator shall increase the Maximum Annual Facilities Special Tax, the Maximum Annual Maintenance Special Tax and Maximum Annual Special Tax Rates by the Tax Escalation Factor in all Fiscal Years following the Base Year. After the Transition Event, the City, in its sole discretion, may determine whether to apply the Tax Escalation Factor to the Maximum Annual Maintenance Special Tax in any Fiscal Year.
- b. Assignment of the Maximum Annual Facilities Special Tax to Original Parcels. Attachment 1 identifies the Assigned Maximum Annual Facilities Special Tax for each Original Parcel at CFD formation, which is determined for each Large Lot Parcel based on the Expected Land Uses in each Large Lot Parcel at CFD Formation. The Assigned Maximum Annual Facilities Special Tax shall continue to apply to the geographic area to which it was assigned. If, before further Subdivision, the Administrator determines there are multiple Assessor’s Parcels in a Large Lot Parcel, the Administrator shall assign the Maximum Annual Facilities Special Tax to each Assessor’s Parcel on a pro rata basis to all Assessor’s Parcels in that Large Lot Parcel based on the percentage share of Taxable Acreage identified for each Assessor’s Parcel. Similarly, if the Administrator determines there are multiple Large Lot Parcels in an Assessor’s Parcel, the Maximum Annual Facilities Special Tax shall equal the sum of the Assigned Maximum Annual Facilities Special Tax for all Large Lot Parcels in that Assessor’s Parcel.
- c. Assignment of the Maximum Annual Facilities Special Tax to Annexation Parcels. If Parcels are annexed to the CFD after formation, the Maximum Annual Facilities Special Tax shall be assigned to these Annexation Parcels using the definitions in Section 2 and the Maximum Annual Facilities Special Tax per Unit or Acre shown in Attachment 2 as adjusted by the Tax Escalation Factor applied by the Administrator, unless the Annexation Parcels are annexed with a new set of Maximum Annual Facilities Special Taxes. Attachment 1 or 2 shall be amended, or a new attachment created, to include the Annexation Parcels and, if necessary, the applicable tax rates. If new Maximum Annual Facilities Special Taxes are created, Attachments 1, 2, and 3 should be amended to reflect the Maximum Annual Facilities Special Taxes for the Annexation Parcels. Once annexed, these annexed Parcels shall be considered Original and Successor Parcels and will be subject to the same procedures for assignment of the Maximum Annual Facilities Special Tax to Successor Parcels described in

Section 4.d. The owner of the Annexation Parcels shall be responsible for paying all costs associated with annexing the Annexation Parcels to the CFD, but otherwise shall not be required to pay any other charge, fee or catch-up special tax in connection with or as a condition of such annexation unless otherwise agreed to by the owner of the Annexation Parcel in connection with the annexation.

- d. Assignment of the Maximum Annual Facilities Special Tax to Successor Parcels. As Original Parcels and Successor Parcels are Subdivided through creation of Final Small Lot Subdivision Maps, lot line adjustments or other Parcel amendments through the Subdivision Map Act process, the Administrator shall use the following steps to assign the Maximum Annual Facilities Special Tax to new Successor Parcels. As a result of each assignment of the Maximum Annual Facilities Special Tax upon Subdivision of an Original Parcel or Successor Parcel, the sum of the Maximum Annual Facilities Special Taxes assigned to the newly created Taxable Parcels shall never be less, but may be greater, than the Assigned Maximum Annual Facilities Special Tax for that Original Parcel or Successor Parcel.
1. If an Original Parcel or Successor Parcel is Fully Subdivided into Single-Family Parcels with No Remainder Parcel(s). There shall be no net loss of Maximum CFD Special Tax Revenue as a result of the assignment of the Maximum Annual Facilities Special Tax to Single-Family Parcels. The Administrator shall use the following procedures to assign the Maximum Annual Facilities Special Tax to Single-Family Parcels. All references to Maximum Annual Facilities Special Taxes in the attachments are subject to application by the Tax Escalation Factor by the Administrator:
 - A. Multiply the Maximum Annual Facilities Special Tax per Unit by Tax Category from Attachment 2 by the number of Units for each Single-Family Parcel created by the Subdivision. Sum the Maximum Annual Facilities Special Taxes for all Single-Family Parcels created by the Subdivision.
 - B. If the sum of Maximum Annual Facilities Special Taxes calculated in Step 4.d.1.A above is equal to or greater than the Assigned Maximum Annual Facilities Special Tax for the Original or Successor Parcel that was Subdivided, assign the Maximum Annual Facilities Special Tax per Unit by Tax Category as calculated in Step 4.1.d.A above to each Single-Family Parcel created by the Subdivision.
 - C. If the sum of Maximum Annual Facilities Special Taxes calculated in Step 4.d.1.A above is less than the Assigned Maximum Annual Facilities Special Tax for the Original or Successor Parcel that was Subdivided, Proportionately increase the Maximum Annual Facilities Special Tax per Unit for all Units until the sum of resulting Maximum Annual Facilities Special Taxes from all Units equals the Assigned Maximum Annual Facilities Special Tax for the Original or Successor Parcel that was Subdivided. Assign the Maximum Annual Facilities Special Tax calculated in this step to each new Single-Family Parcel created by the Subdivision.
 2. If Original or Successor Parcel Is Subdivided into Single-Family Parcels and One or More Remainder Parcels. When an Original or Successor Parcel is Subdivided into Single-Family Parcels and one or more Large Lot Parcels (or Remainder Parcels), the Assigned

Maximum Annual Facilities Special Tax is apportioned to the Single-Family Parcels and Large Lot Parcels created by the Subdivision in the following manner:

- A. Apportion the Assigned Maximum Annual Facilities Special Tax to the area(s) that is/are being Subdivided into Single-Family Parcels and to the area(s) that will be Remainder Parcel(s) on a pro rata basis, based on the percentage share of Taxable Acreage represented by each such area as compared to the total area of the Original or Successor Parcel.
- B. For each area Subdivided into Single-Family Parcels, multiply the Maximum Annual Facilities Special Tax per Unit by Tax Category from Attachment 2 by the number of Units for each Single-Family Parcel created by the Subdivision. Sum the Maximum Annual Facilities Special Taxes for all Single-Family Parcels created by the Subdivision.
- C. For each area Subdivided into Single-Family Parcels, if the sum of Maximum Annual Facilities Special Taxes calculated in Step 4.d.2.B above is equal to or greater than the Assigned Maximum Annual Facilities Special Tax apportioned to that area of the Original or Successor Parcel that was Subdivided into Single-Family Parcels, assign the Maximum Annual Facilities Special Tax per Unit by Tax Category as calculated in Step 4.d.2.B above to each Single-Family Parcel created by the Subdivision.
- D. For each area Subdivided into Single-Family Parcels, if the sum of Maximum Annual Facilities Special Taxes calculated in Step 4.d.2.B above is less than the Assigned Maximum Annual Facilities Special Tax apportioned to that area of the Original or Successor Parcel that was Subdivided into Single-Family Parcels, Proportionately increase the Maximum Annual Facilities Special Tax per Unit for all Units until the sum of resulting Maximum Annual Facilities Special Taxes from all Units equals the Assigned Maximum Annual Facilities Special Tax apportioned to that area of the Original or Successor Parcel that was Subdivided into Single-Family Parcels. Assign the Maximum Annual Facilities Special Tax calculated in this step to each new Single-Family Parcel created by the Subdivision.
- E. For the Remainder Parcel or Parcels, identify the Maximum Annual Facilities Special Tax for the entire Original or Successor Parcel that has been Subdivided. Sum the Maximum Annual Facilities Special Tax for all Single-Family Parcels created by the Subdivision. Subtract the sum of the Maximum Annual Facilities Special Tax for all Single-Family Parcels from the Assigned Maximum Annual Facilities Special Tax for the Original or Successor Parcel being subdivided and compare it to the Maximum Annual Facilities Special Tax assigned to the Remainder Parcel or Parcels in Step 4.d.2.A. Assign to each Remainder Parcel, the lesser of the calculations in this step or in Step 4.d.2.A, but in no event less than the difference between the previously Assigned Maximum Annual Facilities Special Tax for the Original Parcel or Successor Parcel being Subdivided and the total of the Maximum Annual Facilities Special Tax for all Single-Family Parcels created by such Subdivision.

Once designated as a Remainder Parcel, such Parcel will be considered a Large Lot Parcel for the purposes of future Subdivisions and for the provisions of Sections 4 through 6.

3. If an Original or Successor Parcel is Subdivided creating multiple land uses and Tax Categories or for any rezones of land uses on Original or Successor Parcels:
 - A. Identify the Assigned Maximum Annual Facilities Special Tax for the Original Parcel or Successor Parcel that is being Subdivided or rezoned.
 - B. For each Taxable Parcel subject to rezone or created by Subdivision multiply the Maximum Annual Facilities Special Tax per Unit or per Acre by the number of Units or by the number of Acres by the appropriate Tax Category.
 - C. Sum the Maximum Annual Facilities Special Tax for each Taxable Parcel and compare it to the Assigned Maximum Annual Facilities Special Tax of the Original or Successor Parcel that is subject to rezone or is being Subdivided. If the sum of the Maximum Annual Facilities Special Tax for each Taxable Parcel is greater than the Assigned Maximum Annual Facilities Special Tax for the Original Parcel, the Administrator shall apply the Maximum Annual Facilities Special Tax calculated above for each Taxable Parcel.
 - D. If the sum of the Maximum Annual Special Tax is less than the Assigned Maximum Annual Facilities Special Tax for the Original Parcel, the Administrator shall Proportionately increase the Maximum Annual Facilities Special Tax calculated above for each Taxable Parcel until the sum of the Maximum Annual Special Tax is equal to the Assigned Maximum Annual Facilities Special Tax for the Original Parcel.
4. If an Original Parcel or Successor Parcel is Subdivided creating multiple Nonresidential Use Parcels:
 - A. Identify the Assigned Maximum Annual Facilities Special Tax for the Original Parcel or Successor Parcel that is being Subdivided.
 - B. For each Taxable Parcel created by Subdivision multiply the Maximum Annual Facilities Special Tax per Acre by the number of Acres by the appropriate Tax Category.
 - C. Sum the Maximum Annual Facilities Special Tax for each Taxable Parcel and compare it to the Assigned Maximum Annual Facilities Special Tax of the Original or Successor Parcel that is being Subdivided. If the sum of Maximum Annual Facilities Special Tax for each Taxable Parcel is greater than the Assigned Maximum Annual Facilities Special Tax for the Original Parcel, the Administrator shall apply the Maximum Annual Facilities Special Tax calculated above for each Taxable Parcel.
 - D. If the sum of the Maximum Annual Special Tax is less than the Assigned Maximum Annual Facilities Special Tax for the Original Parcel, the Administrator shall Proportionately increase the Maximum Annual Facilities Special Tax calculated above for each Taxable Parcel until the sum of the Maximum Annual Special Tax is equal to the Assigned Maximum Annual Facilities Special Tax for the Original Parcel.
- e. Affordable Units that Become Market-Rate Units. If, in any Fiscal Year, the City Manager, or his or her designee, determines that a Unit that previously had been designated as an Affordable Unit no longer qualifies as such, the Affordable Housing Director shall update the

Affordable Unit listing by denoting the change in status of the Unit, together with the effective date thereof. For all Affordable Units that are converted to Market-Rate Units, such Units shall be assigned the Maximum Annual Facilities Special Tax per Unit based on their Tax Category as shown in Attachment 2, as adjusted by the Tax Escalation Factor so long as the Special Tax does not decrease on such a Unit.

- f. Transfer of the Assigned Maximum Annual Facilities Special Tax from One Large Lot Parcel to Another. The Maximum Annual Facilities Special Taxes shown in Attachment 2 were determined based on the Expected Land Uses for each Large Lot Parcel shown in Attachment 1. If the number of planned residential Units or Nonresidential Acreage is transferred from one Large Lot Parcel to another before recording of a Final Small Lot Subdivision Map in any portion of the Large Lot Parcel, the City may, in its sole discretion, allow for a transfer of the Maximum Annual Facilities Special Tax from one Large Lot Parcel to another. Such a transfer shall be allowed only if (1) all adjustments are agreed to in writing by the affected property owners and the CFO, and (2) there is no reduction in the Maximum Annual CFD Special Tax Revenues as a result of the transfer. Should a transfer result in an amendment to Attachment 1, 2, or 3 of the Notice of Special Tax Lien, the requesting property owner shall bear the costs to effect the transfer in the CFD records and prepare the required amendments to the Notice of Special Tax Lien and Attachments 1, 2, or 3. Before the transfer, the City may require a deposit from the requesting property owner for such costs.
- g. Conversion of a Tax-Exempt Parcel to a Taxable Parcel. If a Tax-Exempt Parcel is not needed for public use and is converted to a taxable use or transferred to a private owner, it shall become subject to the Facilities Special Tax. The Maximum Annual Facilities Special Tax for the newly Taxable Parcel will be determined using the provisions of Sections 4 and 5 of the RMA.
- h. Taxable Parcels Acquired by a Public Agency. A Taxable Parcel that is acquired by a public agency after the CFD is formed will remain subject to the applicable Special Tax unless the Special Tax obligation is satisfied pursuant to Section 53317.5 of the Government Code. An exception to this may be made if a Public Parcel, such as a park site, is relocated to a Taxable Parcel, in which case the previously Tax-Exempt Parcel of comparable acreage becomes a Taxable Parcel and the Maximum Annual Facilities Special Tax from the previously Taxable Parcel is transferred to the new Taxable Parcel. This trading of a Parcel from a Taxable Parcel to a Public Parcel will be permitted to the extent there is no net loss in Maximum Annual CFD Special Tax Revenue and the transfer is agreed to by the owners of the Parcels involved in the transfer and the CFO.

5. Administrative Tasks for the Maintenance Special Tax

This section discusses the administrative tasks for the Maintenance Special Tax, which shall be applicable after the Transition Event.

Tasks required of the Administrator are discussed below:

- a. Assignment of the Maximum Annual Maintenance Special Tax to Developed Parcels. After the Transition Event, the Administrator shall assign the Maximum Annual Maintenance Special Tax to all Developed Parcels using the Maximum Annual Special Tax Rates for the Maintenance Special Tax by Tax Category shown in Attachment 3, as adjusted by the Tax Escalation Factor.
- b. Assignment of the Maximum Annual Maintenance Special Tax to Successor Parcels. After the Transition Event, if Original Parcels and Successor Parcels are Subdivided through creation of Final Small Lot Subdivision Maps, lot line adjustments or other Parcel amendments through the Subdivision Map Act process, the Administrator shall use the steps in Section 4.d to assign the Maximum Annual Maintenance Special Tax to new Successor Parcels. *When applying Section 4.d after the Transition Event, the Administrator shall substitute Maintenance Special Tax for Facilities Special Tax and shall substitute Maximum Annual Maintenance Special Tax for Maximum Annual Facilities Special Tax.*
- c. Affordable Units that Become Market-Rate Units. If, in any Fiscal Year, the City Manager, or his or her designee, determines that a Unit that previously had been designated as an Affordable Unit no longer qualifies as such, the Affordable Housing Director shall update the Affordable Unit listing by denoting the change in status of the Unit, together with the effective date thereof. For all Affordable Units that are converted to Market-Rate Units, such Units shall be assigned the Maximum Annual Maintenance Special Tax per Unit based on their Tax Category as shown in Attachment 3, as adjusted by the Tax Escalation Factor.
- d. Conversion of a Tax-Exempt Parcel to a Taxable Parcel. If a Tax-Exempt Parcel is not needed for public use and is converted to a taxable use or transferred to a private owner, it shall become subject to the Maintenance Special Tax. The Maximum Annual Maintenance Special Tax for the newly Taxable Parcel will be determined using the provisions of Sections 5 and 6 of the RMA.
- e. Taxable Parcels Acquired by a Public Agency. A Taxable Parcel that is acquired by a public agency after the CFD is formed will remain subject to the applicable Special Tax unless the Special Tax obligation is satisfied pursuant to Section 53317.5 of the Government Code. An exception to this may be made if a Public Parcel, such as a park site, is relocated to a Taxable Parcel, in which case the previously Tax-Exempt Parcel of comparable acreage becomes a Taxable Parcel and the Maximum Annual Maintenance Special Tax from the previously Taxable Parcel is transferred to the new Taxable Parcel. This trading of a Parcel from a Taxable Parcel to a Public Parcel will be permitted to the extent there is no net loss in Maximum Annual CFD Special Tax Revenue and the transfer is agreed to by the owners of the Parcels involved in the transfer and the CFO.

6. Assignment of the Maximum Annual Special Tax

- a. Classification of Parcels. For purposes of the next Fiscal Year tax levy, by June 30 of each Fiscal Year, using the Definitions in Section 2, the Parcel records of the Assessor's secured tax roll as of January 1, and other City development approval records, the Administrator shall cause:
 - 1. Each Parcel to be classified as a Taxable Parcel or Tax-Exempt Parcel.

2. Each Parcel to be classified as a Developed Parcel, a Small Lot Tentative Map Parcel, a Large Lot Parcel (including Remainder Parcels), or an Undeveloped Parcel.
- b. Assignment of the Maximum Annual Facilities Special Tax to Taxable Parcels. The Maximum Annual Facilities Special Tax will be assigned to each Taxable Parcel each Fiscal Year using the procedures (not all steps may be applicable for each such Parcel) in Section 4.
- c. Assignment of the Maximum Annual Maintenance Special Tax to Taxable Parcels. Following the Transition Event, the Maximum Annual Maintenance Special Tax will be assigned to each Taxable Parcel each Fiscal Year using the procedures (not all steps may be applicable for each such Parcel) in Sections 4 and 5.

7. Calculating Annual Special Taxes

This section discusses the levy of the Facilities Special Tax and the Maintenance Special Tax. Collectively, these Special Taxes are included in the discussion of the assignment of the Maximum Annual Special Taxes. For the period following CFD formation until the Transition Event, the Maximum Annual Special Tax shall refer to the Facilities Special Tax. Beginning with the Transition Year, the Maximum Annual Special Tax shall refer to the Maintenance Special Tax.

The Administrator will compute the Annual Facilities Costs or Annual Maintenance Costs and determine the annual Special Tax levy for each Taxable Parcel based on the assignment of the Special Tax in Sections 4, 5, and 6. The Administrator then will determine the tax levy for each Taxable Parcel using the following process:

Facilities Special Tax Levy

- a. Compute the Annual Facilities Costs using the definition of Annual Facilities Costs in Section 2.
- b. For all Taxable Parcels, calculate the Facilities Special Tax levy for each using the following steps:
 - Step 7.b.1. The Facilities Special Tax shall be levied proportionately on all Developed Parcels up to the amount of Annual Facilities Cost or up to 100 percent of the Maximum Annual Facilities Special Tax Revenue for all Developed Parcels, whichever is less.
 - Step 7.b.2. If additional revenue is needed after *Step 7.b.1.*, the Facilities Special Tax shall be levied proportionately on each Small Lot Tentative Map Parcel until the revenue from the Facilities Special Tax levy in this step, when added to the levy amount computed in *Step 7.b.1.*, equals the Annual Facilities Costs, or up to 100 percent of the Maximum Annual Facilities Special Tax Revenue for all Small Lot Tentative Map Parcels. As necessary, the Facilities Special Tax shall be levied on Small Lot Tentative Map Parcels for the entire portion of Annual Facilities Costs, excluding Pay-As-You-Go Costs.
 - Step 7.b.3. If additional revenue is needed after *Step 7.b.2.*, the Facilities Special Tax shall be levied proportionately on each Large Lot Parcel until the revenue from the Facilities Special Tax levy in this step, when added to the levy amount

computed through *Step 7.b.2.*, equals the Annual Facilities Costs, or up to 100 percent of the Maximum Annual Facilities Special Tax Revenue for all Large Lot Parcels. As necessary, the Facilities Special Tax shall be levied on Large Lot Parcels for the entire portion of Annual Facilities Costs, excluding Pay-As-You-Go Costs.

Step 7.b.4. If additional revenue is needed after *Step 7.b.3.*, the Facilities Special Tax shall be levied on each Undeveloped Parcel until the revenue from the Facilities Special Tax levy in this step, when added to the levy amounts computed through *Step 7.b.3.*, equals the Annual Facilities Costs, or up to 100 percent of the Maximum Annual Facilities Special Tax Revenue for all Undeveloped Parcels. As necessary, the Facilities Special Tax shall be levied on Undeveloped Parcels for the entire portion of Annual Facilities Costs, excluding Pay-As-You-Go Costs.

Maintenance Special Tax Levy

c. Beginning in the Transition Year, compute the Annual Maintenance Cost using the definition of Annual Maintenance Costs in Section 2.

d. For all Taxable Parcels, calculate the Maintenance Special Tax levy for each using the following steps:

Step 7.d.1. The Maintenance Special Tax shall be levied proportionately on all Developed Parcels up to the amount of Annual Maintenance Cost or up to 100 percent of the Maximum Annual Maintenance Special Tax Revenue for all Developed Parcels, whichever is less.

Step 7.d.2. If additional revenue is needed after *Step 7.d.1.*, the Maintenance Special Tax shall be levied proportionately on each Small Lot Tentative Map Parcel until the revenue from the Maintenance Special Tax levy in this step, when added to the levy amount computed in *Step 7.d.1.*, equals the Annual Maintenance Costs, or up to 100 percent of the Maximum Annual Maintenance Special Tax Revenue for all Small Lot Tentative Map Parcels.

Step 7.d.3. If additional revenue is needed after *Step 7.d.2.*, the Maintenance Special Tax shall be levied proportionately on each Large Lot Parcel until the revenue from the Maintenance Special Tax levy in this step, when added to the levy amount computed through *Step 7.d.2.*, equals the Annual Maintenance Costs, or up to 100 percent of the Maximum Annual Maintenance Special Tax Revenue for all Large Lot Parcels.

Step 7.d.4. If additional revenue is needed after *Step 7.d.3.*, the Maintenance Special Tax shall be levied on each Undeveloped Parcel until the revenue from the Maintenance Special Tax levy in this step, when added to the levy amounts computed through *Step 7.d.3.*, equals the Annual Maintenance Costs, or up to 100 percent of the Maximum Annual Maintenance Special Tax Revenue for all Undeveloped Parcels.

e. Levy on each Taxable Parcel the amount calculated above.

- f. Prepare the Tax Collection Schedule and, unless an alternative method of collection has been selected pursuant to Section 10, send it to the County Auditor requesting that it be placed on the general, secured property tax roll for the Fiscal Year. The Tax Collection Schedule will be sent no later than the date required by the County Auditor for such inclusion.

The Administrator will make every effort to calculate the Special Tax correctly for each Parcel. It will be the burden of the taxpayer to identify any errors in determining which Parcels are subject to the tax and their Special Tax assignments.

8. Prepayment of the Facilities Special Tax Obligation

A property owner may at any time prepay 50 percent, but not more or less than 50 percent of the Maximum Annual Facilities Special Tax. For Nonresidential Use Parcels, Full Prepayment is permissible at any time. Full Prepayment is not allowable for Residential Use Parcels.

In addition to the conditions above, the City may allow a Full or Partial Prepayment if the City determines that the Prepayment will not jeopardize its ability to make timely payments of Debt Service and maintain a 110-percent annual Debt Service coverage based on Maximum Annual Special Tax Revenues in all years where there will be Outstanding Bonds. Prepayments must be made by May 1 to have the Prepayment reflected in the following Fiscal Year's Special Tax levy. Prepayment is permitted only under the following conditions:

- The landowner prepaying the Facilities Special Tax on a Parcel has paid any delinquent Facilities Special Tax and penalties on that Parcel before Prepayment.
- Following Prepayment, amounts in the reserve fund are equal to or greater than the reserve fund requirement.
- The City determines that the Prepayment will not jeopardize its ability to make timely payments of Debt Service and maintain a 110-percent annual Debt Service coverage based on Maximum Annual Special Tax Revenues in all years in which issued Bonds will be outstanding.
- The portion of the Prepayment for the Development Impact Fee Deferral shall only be used to pay for the Development Impact Fee Deferral whether it was or is to be funded through annual special tax payments or through bonded indebtedness.

When permitted, the Administrator shall calculate Prepayments using the following steps:

- a. The Full Prepayment amount shall be established by following the steps below:

Step 8.a.1: Determine the Facilities Special Tax for the Taxable Parcel for which the Facilities Special Tax is to be prepaid using the provisions of Sections 4, 5, and 6. If the Parcel is not designated as a Developed Parcel, determine the applicable Facilities Special Tax for the Parcel assuming it is a Developed Parcel.

Step 8.a.2: Increase the Facilities Special Tax by 2 percent per annum for the longer of
(i) 30 years from the year in which the Parcel was first subject to the Facilities

Special Tax as a Developed Parcel, or (ii) the end of the then-remaining Initial Bonding Period.

Step 8.a.3: Using a discounted rate equal to the most current yield for the 30-Year Treasury Constant Maturity, calculate the net present value of the revenue stream determined *Step 8.a.2*. If this yield is no longer available, the Administrator will select a yield rate from the most comparable type of security.

Step 8.a.4: Add to the amount calculated in *Step 8.a.3* interest on the Bonds being redeemed to the next redemption date.

Step 8.a.5: Add to the amount calculated in *Step 8.a.4* a redemption premium on the Bonds being redeemed (if any) as identified in the Bond Indenture(s).

Step 8.a.6: Add to the amount calculated in *Step 8.a.5* the Development Impact Fee Deferral amount applicable to the Parcel, as adjusted for inflation. If Bonds have been issued to finance the Development Impact Fee Deferral, follow *Step 8.a.2* and *8.a.3*, using for *Step 8.a.2* the longer of (i) 30 years from the year in which the Parcel was first subject to the Facilities Special Tax during the Deferral Bonding Period, or (ii) the end of the then-remaining Deferral Bonding Period.

Step 8.a.7: Add the administrative cost of processing the Prepayment to the amount calculated in *Step 8.a.6*.

Step 8.a.8: The amount in *Step 8.a.7* is the amount of the Full Prepayment of the Maximum Annual Special Tax for the Taxable Parcel.

b. Partial Prepayments will be calculated as described below:

The amount of any Partial Prepayment is limited to 50 percent of the Full Prepayment amount determined in *Step 8.a.8*. A Partial Prepayment may only be made in an amount equal 50 percent of the Full Prepayment desired by the party making a Partial Prepayment, except that the full amount of Administrative fees and expenses determined in *Step 8.a.7* shall be included in the Partial Prepayment. The Facilities Special Tax that can be levied on a Parcel after a Partial Prepayment is made is equal to one-half of the Facilities Special Tax that could have been levied before the Partial Prepayment.

9. Interpretation, Application, and Appeal of Special Tax Formula and Procedures

Any taxpayer who feels the amount of the Special Tax assigned to a Parcel is in error may file a notice with the CFO appealing the levy of the Special Tax. The CFO then will promptly review the appeal and, if necessary, will meet with the applicant. If the CFO verifies that the tax should be modified or changed, the Special Tax levy will be corrected and, if applicable in any case, a credit or refund will be granted.

Interpretations may be made by the City, without Resolution or Ordinance of the Council, for purposes of clarifying any vagueness or ambiguity as it relates to the Special Tax rate, the method of apportionment, the classification of properties, or any definition applicable to the CFD.

Without Council approval, the CFO may make minor, non-substantive administrative and technical changes to the provisions of this RMA that do not materially affect the rate, method of apportionment, or manner of collection of the Special Tax for purposes of administrative efficiency or convenience or to comply with new applicable federal, state, or local law.

The City, upon request of an owner of land in the CFD that is not a Developed Parcel, also may amend this RMA in any manner acceptable to the City, without Resolution or Ordinance of the Council, upon the affirmative vote of such owner and without the vote of owners of any other land in the CFD, provided such amendment is only applicable to such owner's land and does not reduce the total Maximum Annual CFD Special Tax Revenue.

10. Manner of Collection

The Special Tax will be collected in the same manner and at the same time as ad valorem property taxes, provided, however, the Administrator or its designee may directly bill the Special Tax and may collect the Special Tax at a different time, such as on a monthly or other periodic basis, or in a different manner, if necessary, to meet the City's financial obligations.

LIST OF AUTHORIZED FACILITIES AND SERVICES

CITY OF ROSEVILLE BASELINE AT SIERRA VISTA COMMUNITY FACILITIES DISTRICT NO. 1 (Public Facilities)

Authorized Facilities

Transportation Improvements

Public roadway improvements designed to meet the needs of the project, including those improvements identified in the project Development Agreement (DA) Sections 3.5.17 and 3.5.18, including but not limited to;

- Baseline Road.
- Fiddymment Road.
- Vista Grande Boulevard.
- Upland Drive.
- Sierra Village Drive.
- Market Street.

Eligible roadway improvements include the following items: acquisition of land and easements; roadway design; project management; geotechnical engineering, testing and observations; bridge crossings and culverts; clearing, grubbing, and demolition; grading, soil import/export, paving (including slurry seal), and decorative/enhanced pavement concrete or pavers; power pole relocations; joint trenches, underground utilities, and undergrounding of existing utilities; dry utilities and appurtenances; curbs, gutters, sidewalks, bike trails (including on- and off-site), park and ride facilities, bus rapid transit improvements, including transfer stations and regional public transit improvements; retaining walls, sound walls, enhanced fencing, and access ramps; street lights, signalization, and traffic signal control systems; bus turnouts; signs and striping; erosion control; median and parkway landscaping and irrigation; entry monumentation; bus shelters; masonry walls; traffic control and agency fees; and other improvements related thereto. Eligible improvements for the roads listed above also include any and all necessary underground potable and non-potable water, sanitary sewer, and storm drainage system improvements.

Potable and Non-Potable Water System Improvements

Authorized facilities include any and all on- and off-site backbone water facilities designed to meet the needs of development of the project. These facilities include potable and non-potable mains, valves, services, and appurtenances; wells; and water treatment and storage facilities, and related improvements, including but not limited to: site clearing, grading, and paving; curbs and gutters; recycled water storage tanks, booster pump stations, and all appurtenances

thereto; wells; water treatment; stand-by generator; site lighting, drainage, sanitary sewer, and water service; landscaping and irrigation; access gates and fencing; striping and signage; and the following:

- Water lines in/associated with authorized facility roads.
- Recycled water lines in/associated with authorized facility roads.
- Well construction or financial contributions thereto on, but not limited to, Specific Plan Parcels FD-63 or JM-60.
- Water Tank Site Improvements (DA Section 3.8.2).
- Recycled Water Storage Tank Facility
- Reimbursement obligation for the Baseline Road 24" water line (DA Section 3.8.3).
- CFD obligations for RW tank(s) required by DA Section 3.9.

Drainage System Improvements

Authorized facilities include any and all on- and off-site backbone drainage and storm drainage improvements designed to meet the needs of development of the project. These facilities include mains, pipelines and appurtenances, outfalls and water quality measures, temporary drainage facilities, detention/retention basins, and drainage pretreatment facilities; drainage ways/channels, pump stations, landscaping, and irrigation; access roads, gates, and fencing; striping and signage; and the following:

- All storm drain lines and facilities in/associated with authorized facility roadways.
- Retention, detention, hydro-modification, and other drainage facilities.

Wastewater System Improvements

Authorized facilities include any and all on- and off-site backbone wastewater facilities designed to meet the needs of development of the project. These facilities include pipelines and all appurtenances thereto; manholes; tie-in to existing main line; force mains; lift stations; odor-control facilities; sewer treatment plant improvements and permitting related thereto; and related sewer system improvements, including but not limited to:

- All wastewater facilities in/associated with authorized facility roadways.

Solid Waste Improvements

Authorized facilities include any and all backbone solid waste improvements designed to meet the needs of development of the project. Eligible improvements also include the project's pro-rata contribution, as described in the project DA, to the Sierra Vista Specific Plan (SVSP) Solid Waste Recycling Center (DA Section 3.14.7).

Park, Landscape Corridor and Paseo Improvements

Authorized facilities include any and all improvements to parks, landscape corridors and paseos located in the project, including but not limited to:

- Construction of Park Sites planned on Specific Plan Parcel DF-50.
- Construction of Paseos.

Open Space Improvements

Authorized facilities include any and all open space improvements designed to meet the needs of development of the project, including bike trails, bike/pedestrian bridges, storm drain crossings, storm drain detention/retention, wetland mitigation, tree mitigation, on-and off-site hawk/raptor mitigation, agricultural mitigation or wetland mitigation, property acquisition, endowment payments for open space management, landscaping and irrigation, access gates and fencing, and related open space improvements, including but not limited to:

- Improvements related to Specific Plan Parcels DF-70, DF-71, DF-72, DF-80, and DF-81.
- Wetland creation mitigation, fencing, etc.

Utilities

Authorized facilities include any and all on- and off-site utility improvements designed to meet the needs of development of the project. All utility improvements, easement payments, and land acquisition not located under or alongside transportation improvements are considered authorized facilities. Authorized facilities also shall include costs related to the acquisition of the off-site electric substation site; site clearing; grading; street frontage improvements, including curbs, gutters, and paving; and construction of an all-weather access road to the site from the nearest public street or extension of temporary 12kV overhead lines as described in the project DA, including but not limited to:

- SVSP Electric Substation site acquisition, and improvements required by DA Section 3.11.3.
- Temporary overhead 12kV lines to loop SVSP substation to line in WRSP Phase 3 and 4.

Other Public Facilities

Authorized facilities include any and all public facilities or infrastructure, including the project's pro-rata contribution to the land acquisition of the off-site fire station site, site clearing, grading, and street frontage improvements including curbs, gutters, and paving, including, but not limited to:

- Fire station reimbursement obligations in DA Section 3.23.

Development Impact Fees

Authorized facilities include development impact fees paid and not otherwise reimbursed, whether standard City or County fees levied at the time of the issuance of a building permit or required as part of the DA for the property. Fees include, but are not limited to, the South Placer Regional Transportation Authority Tier II Traffic Fee, City of Roseville City Wide Park Fee, City of Roseville Public Facilities Fee, and Public Benefit Fee (as defined in Section 3.14.3 of the DA for the property).

Formation, Administrative, and Incidental Expenses

In addition to the above facilities, other expenses incidental to the above and authorized by the Mello-Roos Community Facilities Act of 1982, including but not limited to: the cost of planning, permitting, and designing the facilities (including the cost of environmental evaluation, orthophotography, environmental remediation/mitigation, and preparation of an overarching Operation and Maintenance Plan for the City of Roseville Open Space Preserves); land

acquisition and easement payments for the facilities; project management; construction staking; engineering studies and reports; utility relocation and demolition costs incidental to construction of the facilities, wetland/Species mitigation purchase; reimbursements to other areas for infrastructure facilities or planning serving development in the CFD; Sierra Vista Specific Plan planning, legal, engineering, technical studies costs related to the facilities and any other expenses incidental to the construction, completion, and inspection of the facilities.

In addition, costs eligible to be financed by the CFD shall include all costs associated with the formation and ongoing administration of the CFD and issuance of bonds; determination of the amount of taxes and collection of taxes; inspection, plan check and other costs related to acceptance of the facilities by the City, payment of taxes; and any other costs incurred to carry out the authorized purposes of the CFD.

AUTHORIZED SERVICES

The authorized services to be funded from the levy and collection of annual maintenance special taxes are the provision of public services, maintenance and operation related to any facilities authorized to be funded by the CFD with a useful life of five or more years, including but not limited to performance by employees of functions and repair activities. Maintenance as used herein includes replacement and the creation and funding of a reserve fund to pay for a replacement of such facilities. The maintenance special taxes shall only fund authorized services to the extent that they are in addition to those provided to land within the CFD prior to the creation of the CFD.

EXHIBIT C

FORM OF

NOTICE OF PUBLIC HEARING ON PROPOSED CITY OF ROSEVILLE
BASELINE AT SIERRA VISTA
COMMUNITY FACILITIES DISTRICT NO. 1 (Public Facilities)
AND FUTURE ANNEXATION AREA
CITY OF ROSEVILLE, PLACER COUNTY, CALIFORNIA

The City of Roseville is considering the formation of a community facilities district (the "CFD") and a future annexation area for the CFD (the "Future Annexation Area") under the authority of the Mello-Roos Community Facilities Act of 1982, as amended, to fund certain public facilities related to new development within the City of Roseville, and to incur bonded indebtedness of the CFD.

This Notice contains a brief summary of the proposal, but you are referred to the City Council's Resolution of Intention of the City Council of the City of Roseville to Form a Community Facilities District and Future Annexation Area, and Levy a Special Tax in the City of Roseville Baseline at Sierra Vista Community Facilities District No. 1 (Public Facilities) to Finance the Acquisition and Construction of Certain Public Facilities in and for Such Community Facilities District (No. 20-____, adopted October 7, 2020) and its Resolution of The City Council of the City of Roseville of Intention to Incur Bonded Indebtedness to Finance the Acquisition and Construction of Certain Public Facilities in and for the City of Roseville Baseline at Sierra Vista Community Facilities District No. 1 (Public Facilities) (No. 20-____, adopted October 7, 2020) for details of the proposals.

The proposal is to subject the property within the CFD to a special tax which will be used to pay for authorized services and facilities within the CFD, including paying principal and interest on bonds used to build facilities. The proceeds of the bonds will be used to pay for the facilities and other expenses set forth in the resolutions referred to in the preceding paragraph. A map showing the land proposed to be included in the CFD is on file with the City Clerk.

Property within the Future Annexation Area will be annexed to the CFD, and a special tax will be levied on such property, only with the unanimous approval of the owner or owners of each parcel or parcels at the time that parcel or those parcels are annexed to the CFD, without additional hearings or proceedings.

As set forth below, the City Council will hold a public hearing on the establishment of the CFD and the Future Annexation Area, the services and the facilities to be financed by the CFD, and the levy of the special tax within the CFD.

The proposal also includes authority to issue up to \$95,000,000 in bonds (excluding refunding bonds) to be repaid by the facilities portion of the special tax. Neither the City of Roseville nor any person outside the CFD has any liability for the special tax or the bonds. The security for the bonds is limited to the property subject to the special tax within the CFD.

In order to confer the authority upon the City Council of the City of Roseville to levy the special tax and to issue the bonds, a public hearing must be held on the proposal, then the City Council will decide whether to form the CFD, and finally the qualified electors within the CFD must

approve the proposal by a two-thirds vote. Where the CFD is uninhabited (as is the case here) the qualified electors are, pursuant to law, the owners of property within the CFD.

This is the notice of the public hearing. The public hearing will be held during the City Council meeting on November 18, 2020 at 6:00 p.m., in the Roseville Civic Center Council Chambers located at 311 Vernon Street, Roseville, California 95678.

At the hearing, the testimony of all interested persons or potential special taxpayers for or against the formation of the CFD and the Future Annexation Area, the authorization to levy the special tax, and the authorization to issue the bonds will be heard.

If written protests against the proposed CFD are delivered to the City Clerk at or before the time set for the hearing by either registered voters residing within, or the owners of property within, the proposed CFD, they will be counted toward a possible majority protest. Such protests by a majority of the registered voters residing within the CFD or by the owners of a majority of the land area within CFD which is or will be subject to the special tax, if not withdrawn prior to the close of the hearing so as to reduce the value of the protests to less than a majority, will require the proposed CFD to be eliminated from immediate consideration, and prevent its being included in a subsequent proceedings for at least one year.

If written protests against the establishment of the proposed Future Annexation Area are delivered to the City Clerk at or before the time set for the hearing by either registered voters residing within, or the owners of property within, the proposed Future Annexation Area, they will be counted toward a possible majority protest. Such protests by a majority of the registered voters residing within the proposed Future Annexation Area or by the owners of a majority of the land area within the proposed Future Annexation Area which is or will be subject to the special tax when annexed to the CFD, if not withdrawn prior to the close of the hearing so as to reduce the value of the protests to less than a majority, the City Council shall take no further action to create the Future Annexation Area for a period of one year from the date of decision of the City Council.

If the City Council, after the public hearing, determines that a majority protest under Section 53324 of the California Government Code was not made at the hearing, the City Council may conduct an election by mailed ballot to levy a special tax within the CFD.

Questions should be directed to the undersigned, telephone (916) 774-5263.

Dated: _____, 2020

Sonia Orozco, City Clerk
City of Roseville

CITY COUNCIL OF THE CITY OF ROSEVILLE

RESOLUTION NO. 20-386

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF ROSEVILLE OF INTENTION TO INCUR BONDED INDEBTEDNESS TO FINANCE THE ACQUISITION AND CONSTRUCTION OF CERTAIN PUBLIC FACILITIES IN AND FOR THE CITY OF ROSEVILLE BASELINE AT SIERRA VISTA COMMUNITY FACILITIES DISTRICT NO. 1 (PUBLIC FACILITIES) AND IMPROVEMENT AREAS THEREIN

WHEREAS, the City Council of the City of Roseville (the "City Council") has this date adopted its Resolution of Intention of the City Council of the City of Roseville to Form a Community Facilities District, Designate an Improvement Area Therein, Establish a Future Annexation Area, Provide for Future Improvement Areas, and Authorize the Levy a Special Tax Therein to Finance Public Facilities and Public Services in and for Such Community Facilities District (the "Resolution of Intention"), stating its intention to form the City of Roseville Baseline at Sierra Vista Community Facilities District No. 1 (Public Facilities) (the "CFD"), "Improvement Area No. 1 of the City of Roseville Baseline at Sierra Vista Community Facilities District No. 1 (Public Facilities)" ("Improvement Area No. 1") therein, and a future annexation area for the CFD (the "Future Annexation Area") pursuant to the Mello-Roos Community Facilities Act of 1982, as amended, Chapter 2.5 of Part 1 of Division 2 of Title 5, commencing at Section 53311, of the California Government Code (the "Act"), for the purpose of financing certain public improvements (the "Facilities") and services, as further provided in that Resolution of Intention; and

WHEREAS, in order to finance the costs of the Facilities it is necessary to incur bonded indebtedness in one or more series for the CFD and to establish a bonded indebtedness limit for the CFD and a bonded indebtedness limit for Improvement Area No. 1; and

WHEREAS, under the Act, parcels within the Future Annexation Area may be annexed into the CFD as a separate improvement area (each an "Improvement Area") to be designated at the time of such annexation only with the unanimous approval (each, a "Unanimous Approval") of the owner or owners of each parcel or parcels at the time that parcel or those parcels are annexed, without any requirement for further public hearings or additional proceedings; and

WHEREAS, in order to finance the costs of the Facilities to be financed by an Improvement Area designated in the future, it is necessary to incur bonded indebtedness in one or more series for the CFD and Improvement Area No. 1, and provide a means to establish a bonded indebtedness limit for Improvement Areas designated in the future from the Future Annexation Area.

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF ROSEVILLE RESOLVES AS FOLLOWS:

1. The City Council declares and finds that in order to finance the acquisition and construction of public facilities described in the Resolution of Intention and to be financed by the CFD it is necessary to incur a bonded indebtedness for the CFD.
2. The purpose for which the proposed debt for the CFD is to be incurred is to provide the funds necessary to pay for the cost of Facilities authorized to be financed by the CFD.

3. In order to finance the costs of the Facilities, it is necessary for the City to incur bonded indebtedness for the CFD in an amount not to exceed \$95,000,000 (the "Authorization"), initially allocated as follows: (i) for Improvement Area No. 1, the bonded indebtedness limit is \$40,000,000 and (ii) for the portion of the CFD that is not in Improvement Area No. 1, the bonded indebtedness limit is not to exceed \$55,000,000 (the "Future Improvement Area Indebtedness Limit"). Indebtedness subject to the Authorization shall only include indebtedness evidenced by bonds or notes and shall not include bonds described in Section 53364.2(e) of the Act.

Upon designation of a parcel or parcels annexed into the CFD from the Future Annexation Area as an additional Improvement Area, the Unanimous Consent shall include an authorization to incur bonded indebtedness for such Improvement Area in a maximum amount which does not exceed the Future Improvement Area Indebtedness Limit net of the amount or amounts of the Future Improvement Area Indebtedness Limit previously established for an annexed Improvement Area, which limit shall be set forth in a Unanimous Consent. Such allocation may be made without any requirement for further public hearings, City Council action or other additional proceedings, and the City shall include the Unanimous Consent in the City records for the CFD.

4. It is the intention of the City Council that any such bonds issued shall be made callable in accordance with the terms of the Act and as more specifically to be set forth in any resolution authorizing issuance of the bonds, and shall be issued in such series and bear interest payable semi-annually or in such other manner as the City Council shall determine, at a rate not to exceed the maximum rate of interest as may be authorized by applicable law at the time of sale of such bonds, and shall mature not to exceed 40 years from the date of the issuance thereof. Bonds may be issued for any Improvement Area and secured independently of any other Improvement Area.

5. In the event any series of bonds issued under the Authorization is refunded to produce savings meeting the requirement of Section 53362.5 of the Act, all or a portion of the savings achieved through the issuance of refunding bonds may be used to finance Facilities insofar as the savings component provides capacity for bonded indebtedness in excess of that being refunded, and such additional bonded indebtedness shall not reduce and may exceed the amount of bonded indebtedness authorized herein. Similarly, in the event any series of bonds issued under an authorization of bonds for any Future Annexation Area is refunded to produce savings meeting the requirement of Section 53362.5 of the Act, all or a portion of the savings achieved through the issuance of such refunding bonds may be used to finance Facilities insofar as the savings component provides capacity for bonded indebtedness in excess of that being refunded, and such additional bonded indebtedness shall not reduce and may exceed the amount of bonded indebtedness authorized for such Improvement Area.

6. The City Council hereby sets November 18, 2020, at 6:00 p.m. either virtually if so noticed or at the City of Roseville Civic Center Council Chambers located at 311 Vernon Street, Roseville, California 95678, as the time and place for a hearing by the City Council on the proposed bond issue for Improvement Area No. 1. At that time and place any persons interested, including any persons owning property in the CFD, will be heard.

7. The City Clerk is hereby directed to cause notice of said public hearing to be given by one-time publication in a newspaper of general circulation circulated within the CFD and the future annexation area. The publication of said notice shall be completed at least 7 days before the date herein set for said public hearing. Such notice shall be substantially in the form specified

in Section 53346 of the Act, with the form summarizing the provisions hereof hereby specifically approved.

8. This Resolution shall take effect from and after its adoption.

* * * * *

I hereby certify that the foregoing resolution was duly and regularly adopted by the City Council of the City of Roseville, California, at a regularly scheduled meeting thereof, held on the _____ day of _____, 2020 by the following vote of the City Council:

COUNCIL COMMUNICATION

CC #: 1031

File #: 0400-04-13-1

Title: Creekview - Phase 1 Villages 10, 11 & 15 Final Map and Subdivision Agreement

Contact: Kerry Andrews 916-774-5346 kandrews@roseville.ca.us

Meeting Date: 10/7/2020

Item #: 7.14.

RECOMMENDATION TO COUNCIL

Staff recommends that the City Council take the following actions:

1. Approve the final map on file with the City Clerk and accept on behalf of the public the public utility easements, and accept, subject to improvement, Lots A, B, C and D and the rights of way and the paseo easements offered thereon.
2. Adopt the attached resolution approving the Subdivision Agreement and authorize the City Manager to execute the agreement on behalf of the City.

BACKGROUND

The Development Services Department, Engineering section, has reviewed the subject final map and found that it is in compliance with the Subdivision Map Act and the City's Subdivision Ordinance and all conditions of the tentative map have been met. This map will create 90 residential lots and 4 public landscape lots.

FISCAL IMPACT

There is no fiscal impact to the City's General Fund associated with this approval.

ENVIRONMENTAL REVIEW

Approval of the Creekview - Phase 1 Village 10, 11 & 15 final map is an action that is subject to California Environmental Quality Act (CEQA). Project level CEQA compliance for the Creekview - Phase 1 Village 10, 11 & 15 final map was accomplished with the preparation of the Creekview Specific Plan EIR (Adopted in April 2011) (SCH#2008032017) and the Addendum to the Creekview Specific Plan EIR approved by the City of Roseville on October 23, 2019. Because the Creekview - Phase 1 Village 10, 11, & 15 final map is consistent with the project evaluated in the Creekview Specific Plan EIR and the Addendum, no new effects would be expected to occur and all applicable mitigation measures from the Creekview Specific Plan EIR and the Addendum

will be implemented. As such, no additional CEQA action is required at this time.

Respectfully Submitted,

Kerry Andrews, Assistant Engineer

Mike Isom, Development Services Director

Dominick Casey, City Manager

SUBDIVISION AGREEMENT

Creekview - Phase 1 (Villages 10, 11 & 15) SUBDIVISION

THIS AGREEMENT, made and entered into this ____ day of ____ October
2020, by and between the CITY OF ROSEVILLE, a municipal corporation ("CITY"), and
Anthem United Creekview Developments Limited Partnership,
a Limited Partnership, ("SUBDIVIDER"),

W I T N E S S E T H:

WHEREAS, SUBDIVIDER is possessed of a tract of land lying in the City of Roseville,
County of Placer, known as "Creekview - Phase 1 (Villages 10, 11 & 15) Subdivision" (Subdivision
no. PL18-0190 ; "the Subdivision"); and

WHEREAS, a tentative map of the Subdivision was approved by the City Planning
Commission on the 10th day of October, 2019, and the final map of the Subdivision
has been approved subject to the execution of this Agreement; and

WHEREAS, the final map has been filed on the ____ day of _____, 20__ in
Book _____ of Parcel/Subdivision Maps at Page _____ in the Official Records, Placer
County Recorder, file no. _____; and

WHEREAS, Section 18.20.110 of the Roseville Municipal Code, regulating the subdivision of land in the City, requires that SUBDIVIDER shall execute and file an agreement between itself and CITY relating to the improvements to be made in a subdivision, prior to the approval by the City Council of the final map.

NOW, THEREFORE, the parties agree as follows:

1. Rights-of-Way. Except as otherwise provided by this Agreement, CITY rejects all lands, right-of-ways, and easements offered for dedication on the final map of the Subdivision. All such offers shall, however, remain open, and shall constitute irrevocable offers of dedication in accordance with Government Code Section 66477.2. All such offers may be accepted by CITY in its sole discretion at any later date without further notice to SUBDIVIDER as provided by law.

By way of explanation only, it is the current intention of CITY to accept all or part of such irrevocable offers to dedicate upon acceptance of the improvements called for in this Agreement.

2. Improvements - Time Limit. SUBDIVIDER agrees to cause all improvements to be made and constructed in the Subdivision to fully comply with the requirements of the Roseville Municipal Code and the Subdivision Map Act of the State of California according to the improvement plans for the Subdivision prepared by MacKay and Soms Civil Engineers, Inc., dated February 14, 2020 and approved by the City Engineer and including any changes or alterations to such improvements required by the City Engineer, and to install, on or before June 30, 2021, such survey monuments as may be required by the City Engineer ("the Work"). SUBDIVIDER agrees to pay for any materials, provisions or other supplies used in, upon, for or about the performance of the Work, or for any work or labor of any kind done in

connection with the Work, or for any amounts due under the Unemployment Insurance Act with respect to such work or labor.

SUBDIVIDER agrees to complete all of the Work on or before twenty-four (24) months from the date of this Agreement. If in the opinion of the City Engineer of CITY, an extension of this Agreement is not detrimental to the public welfare, he or she is, in his or her sole discretion, hereby authorized to extend the time within which the Work shall be completed for a period not to exceed twelve (12) months. Upon a written application made by SUBDIVIDER, further extensions, not to exceed an additional six (6) months, shall be reviewed and approved at the discretion of the City Engineer of CITY. Any such application extension request by SUBDIVIDER shall fully state the grounds and facts relied upon for the granting of additional extensions.

In the event that SUBDIVIDER shall fail to complete the Work within the time provided by this Agreement, CITY may, in its sole discretion and in addition to any other remedy provided in this Agreement or by law, enter upon the Subdivision and complete the Work and recover the full cost and expense of such construction from SUBDIVIDER, SUBDIVIDER's successors and assigns, or from the then owner of the Subdivision, and/or place a lien upon the Subdivision for such cost and expense.

If at anytime prior to the expiration of the time provided by this Agreement the City Engineer of CITY determines that a safety hazard exists within an existing public right-of-way, the City Engineer shall give written notice to SUBDIVIDER to eliminate the safety hazard. If SUBDIVIDER fails to eliminate the safety hazard within five (5) calendar days of the written notice, CITY may, in its sole discretion and in addition to any other remedy provided in this Agreement or by law, eliminate the safety hazard and recover the full cost and expense of such work from SUBDIVIDER, SUBDIVIDER's successors and assigns, or from the then owner of the Subdivision, and/or place a lien upon the Subdivision for such cost and expense.

3. Acquisition and Dedication of Easements or Rights-of-Ways. If any of the Work is to be constructed or installed on land not within the Subdivision or already existing public right-of-way, no construction or installation shall be commenced before:

a. The irrevocable offer of dedication or conveyance to CITY of appropriate right-of-ways, easements or other interest in real property, and appropriate authorization from the property owner to allow construction or installation of the improvements or work; or

b. The issuance of an order of possession by a court of competent jurisdiction pursuant to the State Eminent Domain Law. SUBDIVIDER shall comply in all respects with any such order of possession.

Nothing in this Section 3 shall be construed as authorizing or granting an extension of time to SUBDIVIDER for completion of the Work.

4. Inspection Fees and Costs. The City Engineer shall inspect all of the Work improvements made in the Subdivision to see that they comply with CITY's subdivision regulations and specifications. SUBDIVIDER shall deposit the estimated inspection fee and reimburse CITY for the cost of such inspections in accordance with Roseville Municipal Code section 18.20.070.

5. Securities.

a. SUBDIVIDER shall file with this Agreement two (2) improvement securities as set forth in Roseville Municipal Code Sections 18.20.150 and 18.20.160. Each security shall be in the amount of one hundred percent (100%) of the total estimated cost of the Work as determined by the City Engineer which amount is the sum of \$ 3,176,612.00. One improvement security shall secure faithful performance of this Agreement as required by Section 66499.3(a) of the Government Code of the State of California (the "faithful performance" security). The second improvement security shall, as required by Section 66499.3(b) of the Government Code of the State of California, secure the obligations set forth in Title 15

(commencing with Section 3082) of Part 4 of Division 3 of the Civil Code of the State of California for payment to the contractor, his subcontractors and to persons renting equipment or furnishing labor or materials to them for the Work (the "payment security"). The improvement securities required under this paragraph shall also secure placement of monumentation and guarantee payment therefor as provided by California Government Code section 66496.

b. SUBDIVIDER shall also file with this Agreement a "guarantee and warranty security" in the amount of ten percent (10%) of the City Engineer's estimated cost of the Work as set forth in Section 18.20.170 of the Roseville Municipal Code to guarantee and warrant the Work for a period of one year following its completion and acceptance against any defective work or labor done, or defective materials furnished, as required by Section 66499(a)(5) of the Government Code of the State of California. The guarantee and warranty security shall be released upon SUBDIVIDER's request following expiration of the warranty period and subject to the reasonable determination of the City Engineer that SUBDIVIDER's warranty obligations have been satisfied.

c. Any bonds submitted as security pursuant to this section shall be executed by a surety company authorized to transact a surety business in the State of California. All required securities shall be in a form approved by the City Attorney of CITY.

6. Successors and Assigns – Covenant Running with the Land. This Agreement shall inure to the benefit of, and be binding upon, the successors and assigns of the respective parties. It shall be recorded in the Office of the Recorder of Placer County concurrently with the final map of the Subdivision, and shall constitute a covenant running with the land and an equitable servitude upon the real property within the Subdivision.

7. Acceptance of Improvements Upon Completion. Upon satisfactory completion of the Work, in accordance with this Agreement, CITY agrees to accept the Work and its

improvements and the offers of dedication described in paragraph 1, subject to the provisions of paragraphs 1 and 10 of this Agreement.

8. Notice Regarding Construction. SUBDIVIDER shall notify the City Engineer of CITY in writing three (3) days prior to the commencement of construction of the Work.

9. Subdivider's Obligation to Warn Public During Construction. Until final acceptance of the Work, SUBDIVIDER shall give good and adequate warning to the public of each and every dangerous condition which may exist in the Work, and will take all reasonable actions to protect the public from any such dangerous condition.

10. Warranty.

a. SUBDIVIDER guarantees and warrants the public improvements which constitute the Work required by this Agreement, and agrees to remedy any defects in the improvements or the Work arising from faulty or defective materials or construction of said improvements or the Work occurring within twelve (12) months after their acceptance by CITY. SUBDIVIDER agrees to permit inspection of all improvements in the Subdivision by the City Engineer of CITY for such period, and to reimburse CITY for the cost of such inspections.

b. If, within the warranty period, the Work or improvement or any part of the Work done, furnished, installed, or constructed fails to fulfill any of the requirements of this Agreement or the improvement plans and specifications, SUBDIVIDER shall, without delay or cost to CITY, repair, replace or reconstruct any defective or otherwise unsatisfactory part or parts of the Work. CITY may, at its sole option, perform such repair or replacement itself if SUBDIVIDER has failed to commence such repair within twenty (20) days after CITY has mailed written notice of default to SUBDIVIDER and to SUBDIVIDER'S Surety. In such event, SUBDIVIDER agrees to pay the cost of such repair and replacement by CITY and CITY may, at its option, recover such cost as a lien against the Subdivision should the cost exceed the inspection fee deposited pursuant to paragraph 4 of this Agreement.

Should CITY determine that the public safety requires repairs or replacements to be made before SUBDIVIDER can be notified, CITY may, in its sole discretion, make the necessary repairs or replacement or perform the necessary work. SUBDIVIDER shall pay to CITY the cost of such repairs and CITY may at its option recover such cost as a lien against the Subdivision.

11. Indemnification. To the fullest extent allowed by law, SUBDIVIDER shall defend, indemnify, and save and hold harmless CITY, its officers, agents, employees and volunteers from any claims, suits or actions of every name, kind and description brought forth, or on account of, injuries to or death of any person (including but not limited to workers and the public), or damage to property, resulting from or arising out of SUBDIVIDER 's willful misconduct or negligent act or omission while engaged in the performance of obligations or exercise of rights created by this Agreement, except those matters arising from CITY's sole or active negligence or willful misconduct. The parties intend that this provision shall be broadly construed.

SUBDIVIDER's responsibility for such defense and indemnity obligations shall survive the termination or completion of this Agreement for the full period of time allowed by law. The defense and indemnity obligations of this Agreement are undertaken in addition to, and shall not in any way be limited by, the insurance obligations contained in this Agreement.

12. Insurance. SUBDIVIDER agrees to continuously maintain, in full force and effect, at a minimum the following policies of insurance during the term of this Agreement.

COVERAGE

LIMITS OF LIABILITY

General Liability

\$2,000,000 per occurrence
\$4,000,000 aggregate

Personal Injury:

\$2,000,000 per occurrence
\$4,000,000 aggregate

Automobile Liability

\$1,000,000 combined single limit

a. Form. SUBDIVIDER shall submit a certificate evidencing such coverage for the period covered by this Agreement in a form satisfactory to Risk Management and the City Attorney, prior to undertaking any work hereunder. Any insurance written on a claims made basis is subject to the approval of Risk Management and the City Attorney.

b. Additional Insureds. SUBDIVIDER shall also provide a separate endorsement form or section of the policy showing CITY, its officers, agents, employees and volunteers as additional insureds for each type of coverage, except for Workers' Compensation, for ongoing and completed operations. Such insurance shall specifically cover the contractual liability of SUBDIVIDER. The additional insured coverage under the SUBDIVIDER's policy shall be primary and noncontributory, as evidenced by a separate endorsement or section of the policy, and shall not seek contribution from CITY's insurance or self-insurance. In addition, the additional insured coverage shall be at least as broad as the Insurance Services Office ("ISO") CG 20 01 Endorsement. Any available insurance proceeds in excess of the specified minimum insurance coverage requirements and limits shall be available to the additional insureds. Furthermore, the requirements for coverage and limits shall be: (1) the minimum coverage and limits specified in this Agreement; or (2) the full coverage and maximum limits of any insurance proceeds available to the named insureds, whichever is greater.

c. Cancellation/Modification. SUBDIVIDER shall provide ten (10) days written notice to CITY prior to cancellation or modification of any insurance required by this Agreement.

d. Umbrella/Excess Insurance. The limits of insurance required in this Agreement may be satisfied by a combination of primary and excess insurance. Any excess insurance shall contain or be endorsed to contain a provision that such coverage shall also apply

brought in the appropriate court of competent jurisdiction within the County of Placer, State of California, notwithstanding any other provision of law which may provide that such action may be brought in some other location. In the event it becomes necessary for either party to bring an action with respect to enforcement of the provisions of this Agreement, or the security therefor, the prevailing party in such action shall be awarded a reasonable attorney's fee, as may be determined by the Court. This Agreement shall be governed by and construed in accordance with the laws of the State of California.

15. Release of Faithful Performance Security. Release of faithful performance security shall be in compliance with and pursuant to the procedures set forth in Government Code Section 66499.7. Upon the completion of all secured Work by SUBDIVIDER and written acceptance of that completed Work by CITY, and the furnishing of the warranty security as required by paragraph 5(b), the City Engineer shall authorize the release of the remaining faithful performance security.

16. Release of Payment Security. Thirty-five (35) days after a notice of completion is recorded with respect to the Work, the City Engineer of CITY may authorize the release of the payment security, in the event that no claims have been filed against said security. In the event that claims or actions are filed against the security, the City Engineer may release so much of such security as is in excess of the total of the claims made against it, plus a reasonable amount of costs and attorney's fees.

17. Automatic Termination Upon Completion and Sale of Residential Unit. This Agreement and any lien pursuant hereto shall automatically be terminated, without any further action by either party or need to record any additional document, with respect to any single-family residential lot within a parcel designated by the Specific Plan for residential use, upon completion of construction and issuance by the City of a final inspection for a dwelling unit upon such residential lot and conveyance of such improved residential lot to a bona-fide good faith

on a primary and noncontributory basis for the benefit of CITY (if agreed to in a written contract) before CITY's own insurance shall be called upon to protect it as a named insured.

e. Self-Insured Retentions. All self-insured retentions ("SIR") must be disclosed to Risk Management for approval and shall not reduce the limits of liability. Policies containing any SIR provision shall provide or be endorsed to provide that the SIR may be satisfied by either the named insured or CITY. CITY reserves the right to obtain a full certified copy of any insurance policy and endorsements. The failure to exercise this right shall not constitute a waiver of such right.

f. Waiver of Subrogation. SUBDIVIDER hereby agrees to waive subrogation which any insurer of SUBDIVIDER may acquire from SUBDIVIDER by virtue of the payment of any loss under a Workers Compensation, Commercial General Liability or Automobile Liability policy. All Workers Compensation, Commercial General Liability and Automobile Liability policies shall be endorsed with a waiver of subrogation in favor of CITY, its officers, agents, employees and volunteers for all work performed by SUBDIVIDER, its employees, agents and subcontractors.

g. Liability/Remedies. Insurance coverage in the minimum amounts set forth herein shall not be construed to relieve SUBDIVIDER of liability in excess of such coverage, nor shall it preclude CITY from taking such other actions as are available to it under any other provisions of this Agreement or law.

13. Irrevocability of Security. The improvement securities furnished pursuant to paragraph 5 shall be irrevocable, shall not be limited as to time (except as to the one-year guarantee and warranty period specified in paragraph 10) and shall provide that they may be released, in whole or part, only upon the written approval of the City Engineer of CITY.

14. Attorney's Fees; Venue; Governing Law. Any action by any party to this Agreement, or any action concerning a security furnished pursuant to paragraph 5, shall be

purchaser thereof. In connection with its issuance of a final inspection for such improved lot, City shall confirm that: (i) all improvements which are required to serve the lot, as determined by City, have been accepted by City; (ii) the lot is included within the Maintenance CFD required by Section 3.20 or other financing mechanism acceptable to the City, to the extent required hereby; and (iii) if and to the extent applicable to such lot, an affordable purchase or rental housing agreement has been recorded on the lot. Termination of this Agreement for any such residential lot as provided for in this section shall not in any way be construed to terminate or modify any assessment district or Mello-Roos Community Facilities District lien affecting such lot at the time of termination.

18. Failure of Performance. In addition to any other remedies provided in this Agreement or by law, in the event SUBDIVIDER fails to perform one or more of the covenants or conditions of this Agreement, CITY shall have recourse to the security given to guarantee the performance of such acts. CITY may do, or cause to be done, those acts required of SUBDIVIDER, and shall have recourse against so much of the security as is necessary to discharge the responsibility of SUBDIVIDER. In the event CITY seeks recourse against a security, CITY shall also have recourse against SUBDIVIDER for any and all amounts necessary to complete the obligations of SUBDIVIDER in the event the security is insufficient to pay such amounts. All administrative costs, including reasonable attorney's fees pursuant to Section 66499.4 of the Government Code, incurred by CITY, in addition to the costs of the improvements, shall be a proper charge against the security and SUBDIVIDER.

19. Integration. This Agreement is an integrated agreement. It supersedes all prior negotiations, representations, or agreements, either written or oral.

20. Modification. This Agreement and each provision contained herein may be waived, amended, supplemented or eliminated only by mutual written agreement of the parties.

21. Notices. Any notices sent to the parties relating to this Agreement shall be sent by first class mail, postage prepaid or delivered to the following addresses:

Marc Stout, City Engineer
City of Roseville
311 Vernon Street
Roseville, CA 95678

Steve Porter, Director of Development
Anthem United Creekview Developments LP
3001 Douglas Blvd, Suite 200
Roseville, CA 95661

Either party may amend its address by giving written notice to the other.

22. Severability. If any of the provisions contained in this Agreement are for any reason held invalid or unenforceable, such holding shall not affect the remaining provisions or the validity and enforceability of the Agreement as a whole.

IN WITNESS WHEREOF, the City of Roseville, a municipal corporation, has authorized the execution of this Agreement in duplicate by its City Manager and attestation by its City Clerk under authority of Resolution No. ____, adopted by the Council of the City of Roseville on the ____ day of _____, 20__, and SUBDIVIDER has caused this Agreement to be executed.

RE: Creekview Phase 1 Villages 10, 11, 15

AUTHORIZATION

Without Demand, the undersigned owner and holder of the beneficial interest in that certain Deed of Trust dated May 24, 2019 and recorded May 24, 2019 as Document No. 2019-0034783 Official Records of the County of Placer, does hereby authorize and instruct First American Title Insurance Company as the Trustee, under the terms, conditions and provisions of said Deed of Trust, to execute the Subdivision Map on behalf of the beneficiary.

By executing this authorization, the undersigned does hereby subordinate the beneficial interest of the lien of the above referenced Deed of Trust to the affect of the Subdivision Map, and further does hereby consent to the preparation and the recordation of said Map in the Office of the Recorder, County of Placer, State of California.

The undersigned also hereby relieves First American Title Insurance Company of any liability in connection with the execution of the above mentioned map.

Dated: 8-27, 2020

COUNCIL COMMUNICATION

CC #: 1028

File #: 0400-04-13-1

Title: Creekview - Phase 1 Village 13 and 14 Final Map and Subdivision Agreement

Contact: Kerry Andrews 916-774-5346 kandrews@roseville.ca.us

Meeting Date: 10/7/2020

Item #: 7.15.

RECOMMENDATION TO COUNCIL

Staff recommends that the City Council take the following actions:

1. Approve the final map on file with the City Clerk and accept on behalf of the public the public utility easements, and accept, subject to improvement, Lot A, the rights of way and the paseo easements offered thereon.
2. Adopt the attached resolution approving the Subdivision Agreement and authorize the City Manager to execute the agreement on behalf of the City.

BACKGROUND

The Development Services Department, Engineering section, has reviewed the subject final map and found that it is in compliance with the Subdivision Map Act and the City's Subdivision Ordinance and all conditions of the tentative map have been met. This map will create 70 residential lots and 1 public landscape lot.

FISCAL IMPACT

There is no fiscal impact to the City's General Fund associated with this approval.

ENVIRONMENTAL REVIEW

Approval of the Creekview - Phase 1 Village 13 and 14 final map is an action that is subject to California Environmental Quality Act (CEQA). Project level CEQA compliance for the Creekview - Phase 1 Village 13 and 14 final map was accomplished with the preparation of the Creekview Specific Plan EIR (Adopted in April 2011) (SCH#2008032017) and the Addendum to the Creekview Specific Plan EIR approved by the City of Roseville on October 23, 2019. Because the Creekview - Phase 1 Village 13 and 14 final map is consistent with the project evaluated in the Creekview Specific Plan EIR and the Addendum, no new effects would be expected to occur and all applicable mitigation measures from the Creekview Specific Plan EIR and the Addendum will

be implemented. As such, no additional CEQA action is required at this time.

Respectfully Submitted,

Kerry Andrews, Assistant Engineer

Mike Isom, Development Services Director

Dominick Casey, City Manager

SUBDIVISION AGREEMENT

Creekview - Phase 1 (Villages 13, 14) SUBDIVISION

THIS AGREEMENT, made and entered into this ____ day of October,
2020, by and between the CITY OF ROSEVILLE, a municipal corporation ("CITY"), and
Anthem United Creekview Developments Limited Partnership,
a Limited Partnership, ("SUBDIVIDER"),

W I T N E S S E T H:

WHEREAS, SUBDIVIDER is possessed of a tract of land lying in the City of Roseville,
County of Placer, known as "Creekview - Phase 1 (Villages 13, 14) Subdivision" (Subdivision
no. PL18-0190; "the Subdivision"); and

WHEREAS, a tentative map of the Subdivision was approved by the City Planning
Commission on the 10th day of October, 2019, and the final map of the Subdivision
has been approved subject to the execution of this Agreement; and

WHEREAS, the final map has been filed on the ____ day of _____, 20__ in
Book _____ of Parcel/Subdivision Maps at Page _____ in the Official Records, Placer
County Recorder, file no. _____; and

WHEREAS, Section 18.20.110 of the Roseville Municipal Code, regulating the subdivision of land in the City, requires that SUBDIVIDER shall execute and file an agreement between itself and CITY relating to the improvements to be made in a subdivision, prior to the approval by the City Council of the final map.

NOW, THEREFORE, the parties agree as follows:

1. Rights-of-Way. Except as otherwise provided by this Agreement, CITY rejects all lands, right-of-ways, and easements offered for dedication on the final map of the Subdivision. All such offers shall, however, remain open, and shall constitute irrevocable offers of dedication in accordance with Government Code Section 66477.2. All such offers may be accepted by CITY in its sole discretion at any later date without further notice to SUBDIVIDER as provided by law.

By way of explanation only, it is the current intention of CITY to accept all or part of such irrevocable offers to dedicate upon acceptance of the improvements called for in this Agreement.

2. Improvements - Time Limit. SUBDIVIDER agrees to cause all improvements to be made and constructed in the Subdivision to fully comply with the requirements of the Roseville Municipal Code and the Subdivision Map Act of the State of California according to the improvement plans for the Subdivision prepared by MacKay and Soms Civil Engineers, Inc., dated February 14, 2020 and approved by the City Engineer and including any changes or alterations to such improvements required by the City Engineer, and to install, on or before June 30, 2021, such survey monuments as may be required by the City Engineer ("the Work"). SUBDIVIDER agrees to pay for any materials, provisions or other supplies used in, upon, for or about the performance of the Work, or for any work or labor of any kind done in

connection with the Work, or for any amounts due under the Unemployment Insurance Act with respect to such work or labor.

SUBDIVIDER agrees to complete all of the Work on or before twenty-four (24) months from the date of this Agreement. If in the opinion of the City Engineer of CITY, an extension of this Agreement is not detrimental to the public welfare, he or she is, in his or her sole discretion, hereby authorized to extend the time within which the Work shall be completed for a period not to exceed twelve (12) months. Upon a written application made by SUBDIVIDER, further extensions, not to exceed an additional six (6) months, shall be reviewed and approved at the discretion of the City Engineer of CITY. Any such application extension request by SUBDIVIDER shall fully state the grounds and facts relied upon for the granting of additional extensions.

In the event that SUBDIVIDER shall fail to complete the Work within the time provided by this Agreement, CITY may, in its sole discretion and in addition to any other remedy provided in this Agreement or by law, enter upon the Subdivision and complete the Work and recover the full cost and expense of such construction from SUBDIVIDER, SUBDIVIDER's successors and assigns, or from the then owner of the Subdivision, and/or place a lien upon the Subdivision for such cost and expense.

If at anytime prior to the expiration of the time provided by this Agreement the City Engineer of CITY determines that a safety hazard exists within an existing public right-of-way, the City Engineer shall give written notice to SUBDIVIDER to eliminate the safety hazard. If SUBDIVIDER fails to eliminate the safety hazard within five (5) calendar days of the written notice, CITY may, in its sole discretion and in addition to any other remedy provided in this Agreement or by law, eliminate the safety hazard and recover the full cost and expense of such work from SUBDIVIDER, SUBDIVIDER's successors and assigns, or from the then owner of the Subdivision, and/or place a lien upon the Subdivision for such cost and expense.

3. Acquisition and Dedication of Easements or Rights-of-Ways. If any of the Work is to be constructed or installed on land not within the Subdivision or already existing public right-of-way, no construction or installation shall be commenced before:

a. The irrevocable offer of dedication or conveyance to CITY of appropriate right-of-ways, easements or other interest in real property, and appropriate authorization from the property owner to allow construction or installation of the improvements or work; or

b. The issuance of an order of possession by a court of competent jurisdiction pursuant to the State Eminent Domain Law. SUBDIVIDER shall comply in all respects with any such order of possession.

Nothing in this Section 3 shall be construed as authorizing or granting an extension of time to SUBDIVIDER for completion of the Work.

4. Inspection Fees and Costs. The City Engineer shall inspect all of the Work improvements made in the Subdivision to see that they comply with CITY's subdivision regulations and specifications. SUBDIVIDER shall deposit the estimated inspection fee and reimburse CITY for the cost of such inspections in accordance with Roseville Municipal Code section 18.20.070.

5. Securities.

a. SUBDIVIDER shall file with this Agreement two (2) improvement securities as set forth in Roseville Municipal Code Sections 18.20.150 and 18.20.160. Each security shall be in the amount of one hundred percent (100%) of the total estimated cost of the Work as determined by the City Engineer which amount is the sum of \$2,080,590.00. One improvement security shall secure faithful performance of this Agreement as required by Section 66499.3(a) of the Government Code of the State of California (the "faithful performance" security). The second improvement security shall, as required by Section 66499.3(b) of the Government Code of the State of California, secure the obligations set forth in Title 15

(commencing with Section 3082) of Part 4 of Division 3 of the Civil Code of the State of California for payment to the contractor, his subcontractors and to persons renting equipment or furnishing labor or materials to them for the Work (the "payment security"). The improvement securities required under this paragraph shall also secure placement of monumentation and guarantee payment therefor as provided by California Government Code section 66496.

b. SUBDIVIDER shall also file with this Agreement a "guarantee and warranty security" in the amount of ten percent (10%) of the City Engineer's estimated cost of the Work as set forth in Section 18.20.170 of the Roseville Municipal Code to guarantee and warrant the Work for a period of one year following its completion and acceptance against any defective work or labor done, or defective materials furnished, as required by Section 66499(a)(5) of the Government Code of the State of California. The guarantee and warranty security shall be released upon SUBDIVIDER's request following expiration of the warranty period and subject to the reasonable determination of the City Engineer that SUBDIVIDER's warranty obligations have been satisfied.

c. Any bonds submitted as security pursuant to this section shall be executed by a surety company authorized to transact a surety business in the State of California. All required securities shall be in a form approved by the City Attorney of CITY.

6. Successors and Assigns – Covenant Running with the Land. This Agreement shall inure to the benefit of, and be binding upon, the successors and assigns of the respective parties. It shall be recorded in the Office of the Recorder of Placer County concurrently with the final map of the Subdivision, and shall constitute a covenant running with the land and an equitable servitude upon the real property within the Subdivision.

7. Acceptance of Improvements Upon Completion. Upon satisfactory completion of the Work, in accordance with this Agreement, CITY agrees to accept the Work and its

improvements and the offers of dedication described in paragraph 1, subject to the provisions of paragraphs 1 and 10 of this Agreement.

8. Notice Regarding Construction. SUBDIVIDER shall notify the City Engineer of CITY in writing three (3) days prior to the commencement of construction of the Work.

9. Subdivider's Obligation to Warn Public During Construction. Until final acceptance of the Work, SUBDIVIDER shall give good and adequate warning to the public of each and every dangerous condition which may exist in the Work, and will take all reasonable actions to protect the public from any such dangerous condition.

10. Warranty.

a. SUBDIVIDER guarantees and warrants the public improvements which constitute the Work required by this Agreement, and agrees to remedy any defects in the improvements or the Work arising from faulty or defective materials or construction of said improvements or the Work occurring within twelve (12) months after their acceptance by CITY. SUBDIVIDER agrees to permit inspection of all improvements in the Subdivision by the City Engineer of CITY for such period, and to reimburse CITY for the cost of such inspections.

b. If, within the warranty period, the Work or improvement or any part of the Work done, furnished, installed, or constructed fails to fulfill any of the requirements of this Agreement or the improvement plans and specifications, SUBDIVIDER shall, without delay or cost to CITY, repair, replace or reconstruct any defective or otherwise unsatisfactory part or parts of the Work. CITY may, at its sole option, perform such repair or replacement itself if SUBDIVIDER has failed to commence such repair within twenty (20) days after CITY has mailed written notice of default to SUBDIVIDER and to SUBDIVIDER'S Surety. In such event, SUBDIVIDER agrees to pay the cost of such repair and replacement by CITY and CITY may, at its option, recover such cost as a lien against the Subdivision should the cost exceed the inspection fee deposited pursuant to paragraph 4 of this Agreement.

Should CITY determine that the public safety requires repairs or replacements to be made before SUBDIVIDER can be notified, CITY may, in its sole discretion, make the necessary repairs or replacement or perform the necessary work. SUBDIVIDER shall pay to CITY the cost of such repairs and CITY may at its option recover such cost as a lien against the Subdivision.

11. Indemnification. To the fullest extent allowed by law, SUBDIVIDER shall defend, indemnify, and save and hold harmless CITY, its officers, agents, employees and volunteers from any claims, suits or actions of every name, kind and description brought forth, or on account of, injuries to or death of any person (including but not limited to workers and the public), or damage to property, resulting from or arising out of SUBDIVIDER 's willful misconduct or negligent act or omission while engaged in the performance of obligations or exercise of rights created by this Agreement, except those matters arising from CITY's sole or active negligence or willful misconduct. The parties intend that this provision shall be broadly construed.

SUBDIVIDER's responsibility for such defense and indemnity obligations shall survive the termination or completion of this Agreement for the full period of time allowed by law. The defense and indemnity obligations of this Agreement are undertaken in addition to, and shall not in any way be limited by, the insurance obligations contained in this Agreement.

12. Insurance. SUBDIVIDER agrees to continuously maintain, in full force and effect, at a minimum the following policies of insurance during the term of this Agreement.

COVERAGE

LIMITS OF LIABILITY

General Liability

\$2,000,000 per occurrence

\$4,000,000 aggregate

Personal Injury:

\$2,000,000 per occurrence

\$4,000,000 aggregate

Automobile Liability

\$1,000,000 combined single limit

a. Form. SUBDIVIDER shall submit a certificate evidencing such coverage for the period covered by this Agreement in a form satisfactory to Risk Management and the City Attorney, prior to undertaking any work hereunder. Any insurance written on a claims made basis is subject to the approval of Risk Management and the City Attorney.

b. Additional Insureds. SUBDIVIDER shall also provide a separate endorsement form or section of the policy showing CITY, its officers, agents, employees and volunteers as additional insureds for each type of coverage, except for Workers' Compensation, for ongoing and completed operations. Such insurance shall specifically cover the contractual liability of SUBDIVIDER. The additional insured coverage under the SUBDIVIDER's policy shall be primary and noncontributory, as evidenced by a separate endorsement or section of the policy, and shall not seek contribution from CITY's insurance or self-insurance. In addition, the additional insured coverage shall be at least as broad as the Insurance Services Office ("ISO") CG 20 01 Endorsement. Any available insurance proceeds in excess of the specified minimum insurance coverage requirements and limits shall be available to the additional insureds. Furthermore, the requirements for coverage and limits shall be: (1) the minimum coverage and limits specified in this Agreement; or (2) the full coverage and maximum limits of any insurance proceeds available to the named insureds, whichever is greater.

c. Cancellation/Modification. SUBDIVIDER shall provide ten (10) days written notice to CITY prior to cancellation or modification of any insurance required by this Agreement.

d. Umbrella/Excess Insurance. The limits of insurance required in this Agreement may be satisfied by a combination of primary and excess insurance. Any excess insurance shall contain or be endorsed to contain a provision that such coverage shall also apply

on a primary and noncontributory basis for the benefit of CITY (if agreed to in a written contract) before CITY's own insurance shall be called upon to protect it as a named insured.

e. Self-Insured Retentions. All self-insured retentions ("SIR") must be disclosed to Risk Management for approval and shall not reduce the limits of liability. Policies containing any SIR provision shall provide or be endorsed to provide that the SIR may be satisfied by either the named insured or CITY. CITY reserves the right to obtain a full certified copy of any insurance policy and endorsements. The failure to exercise this right shall not constitute a waiver of such right.

f. Waiver of Subrogation. SUBDIVIDER hereby agrees to waive subrogation which any insurer of SUBDIVIDER may acquire from SUBDIVIDER by virtue of the payment of any loss under a Workers Compensation, Commercial General Liability or Automobile Liability policy. All Workers Compensation, Commercial General Liability and Automobile Liability policies shall be endorsed with a waiver of subrogation in favor of CITY, its officers, agents, employees and volunteers for all work performed by SUBDIVIDER, its employees, agents and subcontractors.

g. Liability/Remedies. Insurance coverage in the minimum amounts set forth herein shall not be construed to relieve SUBDIVIDER of liability in excess of such coverage, nor shall it preclude CITY from taking such other actions as are available to it under any other provisions of this Agreement or law.

13. Irrevocability of Security. The improvement securities furnished pursuant to paragraph 5 shall be irrevocable, shall not be limited as to time (except as to the one-year guarantee and warranty period specified in paragraph 10) and shall provide that they may be released, in whole or part, only upon the written approval of the City Engineer of CITY.

14. Attorney's Fees; Venue; Governing Law. Any action by any party to this Agreement, or any action concerning a security furnished pursuant to paragraph 5, shall be

brought in the appropriate court of competent jurisdiction within the County of Placer, State of California, notwithstanding any other provision of law which may provide that such action may be brought in some other location. In the event it becomes necessary for either party to bring an action with respect to enforcement of the provisions of this Agreement, or the security therefor, the prevailing party in such action shall be awarded a reasonable attorney's fee, as may be determined by the Court. This Agreement shall be governed by and construed in accordance with the laws of the State of California.

15. Release of Faithful Performance Security. Release of faithful performance security shall be in compliance with and pursuant to the procedures set forth in Government Code Section 66499.7. Upon the completion of all secured Work by SUBDIVIDER and written acceptance of that completed Work by CITY, and the furnishing of the warranty security as required by paragraph 5(b), the City Engineer shall authorize the release of the remaining faithful performance security.

16. Release of Payment Security. Thirty-five (35) days after a notice of completion is recorded with respect to the Work, the City Engineer of CITY may authorize the release of the payment security, in the event that no claims have been filed against said security. In the event that claims or actions are filed against the security, the City Engineer may release so much of such security as is in excess of the total of the claims made against it, plus a reasonable amount of costs and attorney's fees.

17. Automatic Termination Upon Completion and Sale of Residential Unit. This Agreement and any lien pursuant hereto shall automatically be terminated, without any further action by either party or need to record any additional document, with respect to any single-family residential lot within a parcel designated by the Specific Plan for residential use, upon completion of construction and issuance by the City of a final inspection for a dwelling unit upon such residential lot and conveyance of such improved residential lot to a bona-fide good faith

purchaser thereof. In connection with its issuance of a final inspection for such improved lot, City shall confirm that: (i) all improvements which are required to serve the lot, as determined by City, have been accepted by City; (ii) the lot is included within the Maintenance CFD required by Section 3.20 or other financing mechanism acceptable to the City, to the extent required hereby; and (iii) if and to the extent applicable to such lot, an affordable purchase or rental housing agreement has been recorded on the lot. Termination of this Agreement for any such residential lot as provided for in this section shall not in any way be construed to terminate or modify any assessment district or Mello-Roos Community Facilities District lien affecting such lot at the time of termination.

18. Failure of Performance. In addition to any other remedies provided in this Agreement or by law, in the event SUBDIVIDER fails to perform one or more of the covenants or conditions of this Agreement, CITY shall have recourse to the security given to guarantee the performance of such acts. CITY may do, or cause to be done, those acts required of SUBDIVIDER, and shall have recourse against so much of the security as is necessary to discharge the responsibility of SUBDIVIDER. In the event CITY seeks recourse against a security, CITY shall also have recourse against SUBDIVIDER for any and all amounts necessary to complete the obligations of SUBDIVIDER in the event the security is insufficient to pay such amounts. All administrative costs, including reasonable attorney's fees pursuant to Section 66499.4 of the Government Code, incurred by CITY, in addition to the costs of the improvements, shall be a proper charge against the security and SUBDIVIDER.

19. Integration. This Agreement is an integrated agreement. It supersedes all prior negotiations, representations, or agreements, either written or oral.

20. Modification. This Agreement and each provision contained herein may be waived, amended, supplemented or eliminated only by mutual written agreement of the parties.

21. Notices. Any notices sent to the parties relating to this Agreement shall be sent by first class mail, postage prepaid or delivered to the following addresses:

Marc Stout, City Engineer
City of Roseville
311 Vernon Street
Roseville, CA 95678

Steve Porter, Director of Development
Anthem United Creekview Developments LP
3001 Douglas Blvd, Suite 200
Roseville, CA 95661

Either party may amend its address by giving written notice to the other.

22. Severability. If any of the provisions contained in this Agreement are for any reason held invalid or unenforceable, such holding shall not affect the remaining provisions or the validity and enforceability of the Agreement as a whole.

IN WITNESS WHEREOF, the City of Roseville, a municipal corporation, has authorized the execution of this Agreement in duplicate by its City Manager and attestation by its City Clerk under authority of Resolution No. ____, adopted by the Council of the City of Roseville on the ____ day of _____, 20__, and SUBDIVIDER has caused this Agreement to be executed.

RE: Creekview Phase 1 Villages 13, 14

AUTHORIZATION

Without Demand, the undersigned owner and holder of the beneficial interest in that certain Deed of Trust dated May 24, 2019 and recorded May 24, 2019 as Document No. 2019-0034783 Official Records of the County of Placer, does hereby authorize and instruct First American Title Insurance Company as the Trustee, under the terms, conditions and provisions of said Deed of Trust, to execute the Subdivision Map on behalf of the beneficiary.

By executing this authorization, the undersigned does hereby subordinate the beneficial interest of the lien of the above referenced Deed of Trust to the affect of the Subdivision Map, and further does hereby consent to the preparation and the recordation of said Map in the Office of the Recorder, County of Placer, State of California.

The undersigned also hereby relieves First American Title Insurance Company of any liability in connection with the execution of the above mentioned map.

COUNCIL COMMUNICATION

CC #: 1029

File #: 0400-04-13-1

Title: Creekview - Phase 1 Village 23 Final Map and Subdivision Agreement

Contact: Kerry Andrews 916-774-5346 kandrews@roseville.ca.us

Meeting Date: 10/7/2020

Item #: 7.16.

RECOMMENDATION TO COUNCIL

Staff recommends that the City Council take the following actions:

1. Approve the final map on file with the City Clerk and accept on behalf of the public the public utility easements, and accept, subject to improvement, Lots A, B, and C and the rights of way and the paseo easements offered thereon.
2. Adopt the attached resolution approving the Subdivision Agreement and authorize the City Manager to execute the agreement on behalf of the City.

BACKGROUND

The Development Services, Engineering section, has reviewed the subject final map and found that it is in compliance with the Subdivision Map Act and the City's Subdivision Ordinance and all conditions of the tentative map have been met. This map will create 61 residential lots and 3 public landscape lots.

FISCAL IMPACT

There is no fiscal impact to the City's General Fund associated with this approval.

ENVIRONMENTAL REVIEW

Approval of the Creekview - Phase 1 Village 23 final map is an action that is subject to California Environmental Quality Act (CEQA). Project level CEQA compliance for the Creekview - Phase 1 Village 23 final map was accomplished with the preparation of the Creekview Specific Plan EIR (Adopted in April 2011) (SCH#2008032017) and the Addendum to the Creekview Specific Plan EIR approved by the City of Roseville on October 23, 2019. Because the Creekview - Phase 1 Village 23 final map is consistent with the project evaluated in the Creekview Specific Plan EIR and the Addendum, no new effects would be expected to occur and all applicable mitigation

measures from the Creekview Specific Plan EIR and the Addendum will be implemented. As such, no additional CEQA action is required at this time.

Respectfully Submitted,

Kerry Andrews, Assistant Engineer

Mike Isom, Development Services Director

Dominick Casey, City Manager

SUBDIVISION AGREEMENT

Creekview - Phase 1 (Village 23) SUBDIVISION

THIS AGREEMENT, made and entered into this ____ day of October,
2020, by and between the CITY OF ROSEVILLE, a municipal corporation ("CITY"), and
Anthem United Creekview Developments Limited Partnership,
a Limited Partnership, ("SUBDIVIDER"),

W I T N E S S E T H:

WHEREAS, SUBDIVIDER is possessed of a tract of land lying in the City of Roseville,
County of Placer, known as "Creekview - Phase 1 (Village 23) Subdivision" (Subdivision
no. PL18-0190 ; "the Subdivision"); and

WHEREAS, a tentative map of the Subdivision was approved by the City Planning
Commission on the 10th day of October, 2019, and the final map of the Subdivision
has been approved subject to the execution of this Agreement; and

WHEREAS, the final map has been filed on the ____ day of _____, 20__ in
Book _____ of Parcel/Subdivision Maps at Page _____ in the Official Records, Placer
County Recorder, file no. _____; and

WHEREAS, Section 18.20.110 of the Roseville Municipal Code, regulating the subdivision of land in the City, requires that SUBDIVIDER shall execute and file an agreement between itself and CITY relating to the improvements to be made in a subdivision, prior to the approval by the City Council of the final map.

NOW, THEREFORE, the parties agree as follows:

1. Rights-of-Way. Except as otherwise provided by this Agreement, CITY rejects all lands, right-of-ways, and easements offered for dedication on the final map of the Subdivision. All such offers shall, however, remain open, and shall constitute irrevocable offers of dedication in accordance with Government Code Section 66477.2. All such offers may be accepted by CITY in its sole discretion at any later date without further notice to SUBDIVIDER as provided by law.

By way of explanation only, it is the current intention of CITY to accept all or part of such irrevocable offers to dedicate upon acceptance of the improvements called for in this Agreement.

2. Improvements - Time Limit. SUBDIVIDER agrees to cause all improvements to be made and constructed in the Subdivision to fully comply with the requirements of the Roseville Municipal Code and the Subdivision Map Act of the State of California according to the improvement plans for the Subdivision prepared by MacKay and Soms Civil Engineers, Inc., dated November 14, 2019 and approved by the City Engineer and including any changes or alterations to such improvements required by the City Engineer, and to install, on or before June 30, 2021, such survey monuments as may be required by the City Engineer ("the Work"). SUBDIVIDER agrees to pay for any materials, provisions or other supplies used in, upon, for or about the performance of the Work, or for any work or labor of any kind done in

connection with the Work, or for any amounts due under the Unemployment Insurance Act with respect to such work or labor.

SUBDIVIDER agrees to complete all of the Work on or before twenty-four (24) months from the date of this Agreement. If in the opinion of the City Engineer of CITY, an extension of this Agreement is not detrimental to the public welfare, he or she is, in his or her sole discretion, hereby authorized to extend the time within which the Work shall be completed for a period not to exceed twelve (12) months. Upon a written application made by SUBDIVIDER, further extensions, not to exceed an additional six (6) months, shall be reviewed and approved at the discretion of the City Engineer of CITY. Any such application extension request by SUBDIVIDER shall fully state the grounds and facts relied upon for the granting of additional extensions.

In the event that SUBDIVIDER shall fail to complete the Work within the time provided by this Agreement, CITY may, in its sole discretion and in addition to any other remedy provided in this Agreement or by law, enter upon the Subdivision and complete the Work and recover the full cost and expense of such construction from SUBDIVIDER, SUBDIVIDER's successors and assigns, or from the then owner of the Subdivision, and/or place a lien upon the Subdivision for such cost and expense.

If at anytime prior to the expiration of the time provided by this Agreement the City Engineer of CITY determines that a safety hazard exists within an existing public right-of-way, the City Engineer shall give written notice to SUBDIVIDER to eliminate the safety hazard. If SUBDIVIDER fails to eliminate the safety hazard within five (5) calendar days of the written notice, CITY may, in its sole discretion and in addition to any other remedy provided in this Agreement or by law, eliminate the safety hazard and recover the full cost and expense of such work from SUBDIVIDER, SUBDIVIDER's successors and assigns, or from the then owner of the Subdivision, and/or place a lien upon the Subdivision for such cost and expense.

3. Acquisition and Dedication of Easements or Rights-of-Ways. If any of the Work is to be constructed or installed on land not within the Subdivision or already existing public right-of-way, no construction or installation shall be commenced before:

a. The irrevocable offer of dedication or conveyance to CITY of appropriate right-of-ways, easements or other interest in real property, and appropriate authorization from the property owner to allow construction or installation of the improvements or work; or

b. The issuance of an order of possession by a court of competent jurisdiction pursuant to the State Eminent Domain Law. SUBDIVIDER shall comply in all respects with any such order of possession.

Nothing in this Section 3 shall be construed as authorizing or granting an extension of time to SUBDIVIDER for completion of the Work.

4. Inspection Fees and Costs. The City Engineer shall inspect all of the Work improvements made in the Subdivision to see that they comply with CITY's subdivision regulations and specifications. SUBDIVIDER shall deposit the estimated inspection fee and reimburse CITY for the cost of such inspections in accordance with Roseville Municipal Code section 18.20.070.

5. Securities.

a. SUBDIVIDER shall file with this Agreement two (2) improvement securities as set forth in Roseville Municipal Code Sections 18.20.150 and 18.20.160. Each security shall be in the amount of one hundred percent (100%) of the total estimated cost of the Work as determined by the City Engineer which amount is the sum of \$876,885.00. One improvement security shall secure faithful performance of this Agreement as required by Section 66499.3(a) of the Government Code of the State of California (the "faithful performance" security). The second improvement security shall, as required by Section 66499.3(b) of the Government Code of the State of California, secure the obligations set forth in Title 15

(commencing with Section 3082) of Part 4 of Division 3 of the Civil Code of the State of California for payment to the contractor, his subcontractors and to persons renting equipment or furnishing labor or materials to them for the Work (the "payment security"). The improvement securities required under this paragraph shall also secure placement of monumentation and guarantee payment therefor as provided by California Government Code section 66496.

b. SUBDIVIDER shall also file with this Agreement a "guarantee and warranty security" in the amount of ten percent (10%) of the City Engineer's estimated cost of the Work as set forth in Section 18.20.170 of the Roseville Municipal Code to guarantee and warrant the Work for a period of one year following its completion and acceptance against any defective work or labor done, or defective materials furnished, as required by Section 66499(a)(5) of the Government Code of the State of California. The guarantee and warranty security shall be released upon SUBDIVIDER's request following expiration of the warranty period and subject to the reasonable determination of the City Engineer that SUBDIVIDER's warranty obligations have been satisfied.

c. Any bonds submitted as security pursuant to this section shall be executed by a surety company authorized to transact a surety business in the State of California. All required securities shall be in a form approved by the City Attorney of CITY.

6. Successors and Assigns – Covenant Running with the Land. This Agreement shall inure to the benefit of, and be binding upon, the successors and assigns of the respective parties. It shall be recorded in the Office of the Recorder of Placer County concurrently with the final map of the Subdivision, and shall constitute a covenant running with the land and an equitable servitude upon the real property within the Subdivision.

7. Acceptance of Improvements Upon Completion. Upon satisfactory completion of the Work, in accordance with this Agreement, CITY agrees to accept the Work and its

improvements and the offers of dedication described in paragraph 1, subject to the provisions of paragraphs 1 and 10 of this Agreement.

8. Notice Regarding Construction. SUBDIVIDER shall notify the City Engineer of CITY in writing three (3) days prior to the commencement of construction of the Work.

9. Subdivider's Obligation to Warn Public During Construction. Until final acceptance of the Work, SUBDIVIDER shall give good and adequate warning to the public of each and every dangerous condition which may exist in the Work, and will take all reasonable actions to protect the public from any such dangerous condition.

10. Warranty.

a. SUBDIVIDER guarantees and warrants the public improvements which constitute the Work required by this Agreement, and agrees to remedy any defects in the improvements or the Work arising from faulty or defective materials or construction of said improvements or the Work occurring within twelve (12) months after their acceptance by CITY. SUBDIVIDER agrees to permit inspection of all improvements in the Subdivision by the City Engineer of CITY for such period, and to reimburse CITY for the cost of such inspections.

b. If, within the warranty period, the Work or improvement or any part of the Work done, furnished, installed, or constructed fails to fulfill any of the requirements of this Agreement or the improvement plans and specifications, SUBDIVIDER shall, without delay or cost to CITY, repair, replace or reconstruct any defective or otherwise unsatisfactory part or parts of the Work. CITY may, at its sole option, perform such repair or replacement itself if SUBDIVIDER has failed to commence such repair within twenty (20) days after CITY has mailed written notice of default to SUBDIVIDER and to SUBDIVIDER'S Surety. In such event, SUBDIVIDER agrees to pay the cost of such repair and replacement by CITY and CITY may, at its option, recover such cost as a lien against the Subdivision should the cost exceed the inspection fee deposited pursuant to paragraph 4 of this Agreement.

Should CITY determine that the public safety requires repairs or replacements to be made before SUBDIVIDER can be notified, CITY may, in its sole discretion, make the necessary repairs or replacement or perform the necessary work. SUBDIVIDER shall pay to CITY the cost of such repairs and CITY may at its option recover such cost as a lien against the Subdivision.

11. Indemnification. To the fullest extent allowed by law, SUBDIVIDER shall defend, indemnify, and save and hold harmless CITY, its officers, agents, employees and volunteers from any claims, suits or actions of every name, kind and description brought forth, or on account of, injuries to or death of any person (including but not limited to workers and the public), or damage to property, resulting from or arising out of SUBDIVIDER 's willful misconduct or negligent act or omission while engaged in the performance of obligations or exercise of rights created by this Agreement, except those matters arising from CITY's sole or active negligence or willful misconduct. The parties intend that this provision shall be broadly construed.

SUBDIVIDER's responsibility for such defense and indemnity obligations shall survive the termination or completion of this Agreement for the full period of time allowed by law. The defense and indemnity obligations of this Agreement are undertaken in addition to, and shall not in any way be limited by, the insurance obligations contained in this Agreement.

12. Insurance. SUBDIVIDER agrees to continuously maintain, in full force and effect, at a minimum the following policies of insurance during the term of this Agreement.

COVERAGE

LIMITS OF LIABILITY

General Liability

\$2,000,000 per occurrence

\$4,000,000 aggregate

Personal Injury:

\$2,000,000 per occurrence

\$4,000,000 aggregate

Automobile Liability

\$1,000,000 combined single limit

a. Form. SUBDIVIDER shall submit a certificate evidencing such coverage for the period covered by this Agreement in a form satisfactory to Risk Management and the City Attorney, prior to undertaking any work hereunder. Any insurance written on a claims made basis is subject to the approval of Risk Management and the City Attorney.

b. Additional Insureds. SUBDIVIDER shall also provide a separate endorsement form or section of the policy showing CITY, its officers, agents, employees and volunteers as additional insureds for each type of coverage, except for Workers' Compensation, for ongoing and completed operations. Such insurance shall specifically cover the contractual liability of SUBDIVIDER. The additional insured coverage under the SUBDIVIDER's policy shall be primary and noncontributory, as evidenced by a separate endorsement or section of the policy, and shall not seek contribution from CITY's insurance or self-insurance. In addition, the additional insured coverage shall be at least as broad as the Insurance Services Office ("ISO") CG 20 01 Endorsement. Any available insurance proceeds in excess of the specified minimum insurance coverage requirements and limits shall be available to the additional insureds. Furthermore, the requirements for coverage and limits shall be: (1) the minimum coverage and limits specified in this Agreement; or (2) the full coverage and maximum limits of any insurance proceeds available to the named insureds, whichever is greater.

c. Cancellation/Modification. SUBDIVIDER shall provide ten (10) days written notice to CITY prior to cancellation or modification of any insurance required by this Agreement.

d. Umbrella/Excess Insurance. The limits of insurance required in this Agreement may be satisfied by a combination of primary and excess insurance. Any excess insurance shall contain or be endorsed to contain a provision that such coverage shall also apply

on a primary and noncontributory basis for the benefit of CITY (if agreed to in a written contract) before CITY's own insurance shall be called upon to protect it as a named insured.

e. Self-Insured Retentions. All self-insured retentions ("SIR") must be disclosed to Risk Management for approval and shall not reduce the limits of liability. Policies containing any SIR provision shall provide or be endorsed to provide that the SIR may be satisfied by either the named insured or CITY. CITY reserves the right to obtain a full certified copy of any insurance policy and endorsements. The failure to exercise this right shall not constitute a waiver of such right.

f. Waiver of Subrogation. SUBDIVIDER hereby agrees to waive subrogation which any insurer of SUBDIVIDER may acquire from SUBDIVIDER by virtue of the payment of any loss under a Workers Compensation, Commercial General Liability or Automobile Liability policy. All Workers Compensation, Commercial General Liability and Automobile Liability policies shall be endorsed with a waiver of subrogation in favor of CITY, its officers, agents, employees and volunteers for all work performed by SUBDIVIDER, its employees, agents and subcontractors.

g. Liability/Remedies. Insurance coverage in the minimum amounts set forth herein shall not be construed to relieve SUBDIVIDER of liability in excess of such coverage, nor shall it preclude CITY from taking such other actions as are available to it under any other provisions of this Agreement or law.

13. Irrevocability of Security. The improvement securities furnished pursuant to paragraph 5 shall be irrevocable, shall not be limited as to time (except as to the one-year guarantee and warranty period specified in paragraph 10) and shall provide that they may be released, in whole or part, only upon the written approval of the City Engineer of CITY.

14. Attorney's Fees; Venue; Governing Law. Any action by any party to this Agreement, or any action concerning a security furnished pursuant to paragraph 5, shall be

brought in the appropriate court of competent jurisdiction within the County of Placer, State of California, notwithstanding any other provision of law which may provide that such action may be brought in some other location. In the event it becomes necessary for either party to bring an action with respect to enforcement of the provisions of this Agreement, or the security therefor, the prevailing party in such action shall be awarded a reasonable attorney's fee, as may be determined by the Court. This Agreement shall be governed by and construed in accordance with the laws of the State of California.

15. Release of Faithful Performance Security. Release of faithful performance security shall be in compliance with and pursuant to the procedures set forth in Government Code Section 66499.7. Upon the completion of all secured Work by SUBDIVIDER and written acceptance of that completed Work by CITY, and the furnishing of the warranty security as required by paragraph 5(b), the City Engineer shall authorize the release of the remaining faithful performance security.

16. Release of Payment Security. Thirty-five (35) days after a notice of completion is recorded with respect to the Work, the City Engineer of CITY may authorize the release of the payment security, in the event that no claims have been filed against said security. In the event that claims or actions are filed against the security, the City Engineer may release so much of such security as is in excess of the total of the claims made against it, plus a reasonable amount of costs and attorney's fees.

17. Automatic Termination Upon Completion and Sale of Residential Unit. This Agreement and any lien pursuant hereto shall automatically be terminated, without any further action by either party or need to record any additional document, with respect to any single-family residential lot within a parcel designated by the Specific Plan for residential use, upon completion of construction and issuance by the City of a final inspection for a dwelling unit upon such residential lot and conveyance of such improved residential lot to a bona-fide good faith

purchaser thereof. In connection with its issuance of a final inspection for such improved lot, City shall confirm that: (i) all improvements which are required to serve the lot, as determined by City, have been accepted by City; (ii) the lot is included within the Maintenance CFD required by Section 3.20 or other financing mechanism acceptable to the City, to the extent required hereby; and (iii) if and to the extent applicable to such lot, an affordable purchase or rental housing agreement has been recorded on the lot. Termination of this Agreement for any such residential lot as provided for in this section shall not in any way be construed to terminate or modify any assessment district or Mello-Roos Community Facilities District lien affecting such lot at the time of termination.

18. Failure of Performance. In addition to any other remedies provided in this Agreement or by law, in the event SUBDIVIDER fails to perform one or more of the covenants or conditions of this Agreement, CITY shall have recourse to the security given to guarantee the performance of such acts. CITY may do, or cause to be done, those acts required of SUBDIVIDER, and shall have recourse against so much of the security as is necessary to discharge the responsibility of SUBDIVIDER. In the event CITY seeks recourse against a security, CITY shall also have recourse against SUBDIVIDER for any and all amounts necessary to complete the obligations of SUBDIVIDER in the event the security is insufficient to pay such amounts. All administrative costs, including reasonable attorney's fees pursuant to Section 66499.4 of the Government Code, incurred by CITY, in addition to the costs of the improvements, shall be a proper charge against the security and SUBDIVIDER.

19. Integration. This Agreement is an integrated agreement. It supersedes all prior negotiations, representations, or agreements, either written or oral.

20. Modification. This Agreement and each provision contained herein may be waived, amended, supplemented or eliminated only by mutual written agreement of the parties.

21. Notices. Any notices sent to the parties relating to this Agreement shall be sent by first class mail, postage prepaid or delivered to the following addresses:

Marc Stout, City Engineer
City of Roseville
311 Vernon Street
Roseville, CA 95678

Steve Porter, Director of Development
Anthem United Creekview Developments LP
3001 Douglas Blvd, Suite 200
Roseville, CA 95661

Either party may amend its address by giving written notice to the other.

22. Severability. If any of the provisions contained in this Agreement are for any reason held invalid or unenforceable, such holding shall not affect the remaining provisions or the validity and enforceability of the Agreement as a whole.

IN WITNESS WHEREOF, the City of Roseville, a municipal corporation, has authorized the execution of this Agreement in duplicate by its City Manager and attestation by its City Clerk under authority of Resolution No. ____, adopted by the Council of the City of Roseville on the ____ day of _____, 20__, and SUBDIVIDER has caused this Agreement to be executed.

RE: Creekview Phase 1 Village 23

AUTHORIZATION

Without Demand, the undersigned owner and holder of the beneficial interest in that certain Deed of Trust dated May 24, 2019 and recorded May 24, 2019 as Document No. 2019-0034783 Official Records of the County of Placer, does hereby authorize and instruct First American Title Insurance Company as the Trustee, under the terms, conditions and provisions of said Deed of Trust, to execute the Subdivision Map on behalf of the beneficiary.

By executing this authorization, the undersigned does hereby subordinate the beneficial interest of the lien of the above referenced Deed of Trust to the affect of the Subdivision Map, and further does hereby consent to the preparation and the recordation of said Map in the Office of the Recorder, County of Placer, State of California.

The undersigned also hereby relieves First American Title Insurance Company of any liability in connection with the execution of the above mentioned map.

COUNCIL COMMUNICATION

CC #: 1030

File #: 0400-04-13-1

Title: Creekview - Phase 1 Village 24 Final Map and Subdivision Agreement

Contact: Kerry Andrews 916-774-5346 kandrews@roseville.ca.us

Meeting Date: 10/7/2020

Item #: 7.17.

RECOMMENDATION TO COUNCIL

Staff recommends that the City Council take the following actions:

1. Approve the final map on file with the City Clerk and accept on behalf of the public the public utility easements, and accept, subject to improvement, Lots A, B, C, D and E and the rights of way and the paseo easements offered thereon.
2. Adopt the attached resolution approving the Subdivision Agreement and authorize the City Manager to execute the agreement on behalf of the City.

BACKGROUND

The Development Services Department, Engineering section, has reviewed the subject final map and found that it is in compliance with the Subdivision Map Act and the City's Subdivision Ordinance and all conditions of the tentative map have been met. This map will create 59 residential lots and 5 public landscape lots.

FISCAL IMPACT

There is no fiscal impact to the City's General Fund associated with this approval.

ENVIRONMENTAL REVIEW

Approval of the Creekview - Phase 1 Village 24 final map is an action that is subject to California Environmental Quality Act (CEQA). Project level CEQA compliance for the Creekview - Phase 1 Village 24 final map was accomplished with the preparation of the Creekview Specific Plan EIR (Adopted in April 2011) (SCH#2008032017) and the Addendum to the Creekview Specific Plan EIR approved by the City of Roseville on October 23, 2019. Because the Creekview - Phase 1 Village 24 final map is consistent with the project evaluated in the Creekview Specific Plan EIR and the Addendum, no new effects would be expected to occur and all applicable mitigation measures from the Creekview Specific Plan EIR and the Addendum will be implemented. As

such, no additional CEQA action is required at this time.

Respectfully Submitted,

Kerry Andrews, Assistant Engineer

Mike Isom, Development Services Director

SUBDIVISION AGREEMENT

Creekview - Phase 1 (Village 24) SUBDIVISION

THIS AGREEMENT, made and entered into this ____ day of October,
2020, by and between the CITY OF ROSEVILLE, a municipal corporation ("CITY"), and
Anthem United Creekview Developments Limited Partnership,
a Limited Partnership, ("SUBDIVIDER"),

W I T N E S S E T H:

WHEREAS, SUBDIVIDER is possessed of a tract of land lying in the City of Roseville,
County of Placer, known as "Creekview - Phase 1 (Village 24) Subdivision" (Subdivision
no. PL18-0190; "the Subdivision"); and

WHEREAS, a tentative map of the Subdivision was approved by the City Planning
Commission on the 10th day of October, 2019, and the final map of the Subdivision
has been approved subject to the execution of this Agreement; and

WHEREAS, the final map has been filed on the ____ day of _____, 20__ in
Book _____ of Parcel/Subdivision Maps at Page _____ in the Official Records, Placer
County Recorder, file no. _____; and

WHEREAS, Section 18.20.110 of the Roseville Municipal Code, regulating the subdivision of land in the City, requires that SUBDIVIDER shall execute and file an agreement between itself and CITY relating to the improvements to be made in a subdivision, prior to the approval by the City Council of the final map.

NOW, THEREFORE, the parties agree as follows:

1. Rights-of-Way. Except as otherwise provided by this Agreement, CITY rejects all lands, right-of-ways, and easements offered for dedication on the final map of the Subdivision. All such offers shall, however, remain open, and shall constitute irrevocable offers of dedication in accordance with Government Code Section 66477.2. All such offers may be accepted by CITY in its sole discretion at any later date without further notice to SUBDIVIDER as provided by law.

By way of explanation only, it is the current intention of CITY to accept all or part of such irrevocable offers to dedicate upon acceptance of the improvements called for in this Agreement.

2. Improvements - Time Limit. SUBDIVIDER agrees to cause all improvements to be made and constructed in the Subdivision to fully comply with the requirements of the Roseville Municipal Code and the Subdivision Map Act of the State of California according to the improvement plans for the Subdivision prepared by MacKay and Soms Civil Engineers, Inc., dated February 6, 2020 and approved by the City Engineer and including any changes or alterations to such improvements required by the City Engineer, and to install, on or before June 30, 2021, such survey monuments as may be required by the City Engineer ("the Work"). SUBDIVIDER agrees to pay for any materials, provisions or other supplies used in, upon, for or about the performance of the Work, or for any work or labor of any kind done in

connection with the Work, or for any amounts due under the Unemployment Insurance Act with respect to such work or labor.

SUBDIVIDER agrees to complete all of the Work on or before twenty-four (24) months from the date of this Agreement. If in the opinion of the City Engineer of CITY, an extension of this Agreement is not detrimental to the public welfare, he or she is, in his or her sole discretion, hereby authorized to extend the time within which the Work shall be completed for a period not to exceed twelve (12) months. Upon a written application made by SUBDIVIDER, further extensions, not to exceed an additional six (6) months, shall be reviewed and approved at the discretion of the City Engineer of CITY. Any such application extension request by SUBDIVIDER shall fully state the grounds and facts relied upon for the granting of additional extensions.

In the event that SUBDIVIDER shall fail to complete the Work within the time provided by this Agreement, CITY may, in its sole discretion and in addition to any other remedy provided in this Agreement or by law, enter upon the Subdivision and complete the Work and recover the full cost and expense of such construction from SUBDIVIDER, SUBDIVIDER's successors and assigns, or from the then owner of the Subdivision, and/or place a lien upon the Subdivision for such cost and expense.

If at anytime prior to the expiration of the time provided by this Agreement the City Engineer of CITY determines that a safety hazard exists within an existing public right-of-way, the City Engineer shall give written notice to SUBDIVIDER to eliminate the safety hazard. If SUBDIVIDER fails to eliminate the safety hazard within five (5) calendar days of the written notice, CITY may, in its sole discretion and in addition to any other remedy provided in this Agreement or by law, eliminate the safety hazard and recover the full cost and expense of such work from SUBDIVIDER, SUBDIVIDER's successors and assigns, or from the then owner of the Subdivision, and/or place a lien upon the Subdivision for such cost and expense.

3. Acquisition and Dedication of Easements or Rights-of-Ways. If any of the Work is to be constructed or installed on land not within the Subdivision or already existing public right-of-way, no construction or installation shall be commenced before:

a. The irrevocable offer of dedication or conveyance to CITY of appropriate right-of-ways, easements or other interest in real property, and appropriate authorization from the property owner to allow construction or installation of the improvements or work; or

b. The issuance of an order of possession by a court of competent jurisdiction pursuant to the State Eminent Domain Law. SUBDIVIDER shall comply in all respects with any such order of possession.

Nothing in this Section 3 shall be construed as authorizing or granting an extension of time to SUBDIVIDER for completion of the Work.

4. Inspection Fees and Costs. The City Engineer shall inspect all of the Work improvements made in the Subdivision to see that they comply with CITY's subdivision regulations and specifications. SUBDIVIDER shall deposit the estimated inspection fee and reimburse CITY for the cost of such inspections in accordance with Roseville Municipal Code section 18.20.070.

5. Securities.

a. SUBDIVIDER shall file with this Agreement two (2) improvement securities as set forth in Roseville Municipal Code Sections 18.20.150 and 18.20.160. Each security shall be in the amount of one hundred percent (100%) of the total estimated cost of the Work as determined by the City Engineer which amount is the sum of \$1,246,380.00. One improvement security shall secure faithful performance of this Agreement as required by Section 66499.3(a) of the Government Code of the State of California (the "faithful performance" security). The second improvement security shall, as required by Section 66499.3(b) of the Government Code of the State of California, secure the obligations set forth in Title 15

(commencing with Section 3082) of Part 4 of Division 3 of the Civil Code of the State of California for payment to the contractor, his subcontractors and to persons renting equipment or furnishing labor or materials to them for the Work (the "payment security"). The improvement securities required under this paragraph shall also secure placement of monumentation and guarantee payment therefor as provided by California Government Code section 66496.

b. SUBDIVIDER shall also file with this Agreement a "guarantee and warranty security" in the amount of ten percent (10%) of the City Engineer's estimated cost of the Work as set forth in Section 18.20.170 of the Roseville Municipal Code to guarantee and warrant the Work for a period of one year following its completion and acceptance against any defective work or labor done, or defective materials furnished, as required by Section 66499(a)(5) of the Government Code of the State of California. The guarantee and warranty security shall be released upon SUBDIVIDER's request following expiration of the warranty period and subject to the reasonable determination of the City Engineer that SUBDIVIDER's warranty obligations have been satisfied.

c. Any bonds submitted as security pursuant to this section shall be executed by a surety company authorized to transact a surety business in the State of California. All required securities shall be in a form approved by the City Attorney of CITY.

6. Successors and Assigns – Covenant Running with the Land. This Agreement shall inure to the benefit of, and be binding upon, the successors and assigns of the respective parties. It shall be recorded in the Office of the Recorder of Placer County concurrently with the final map of the Subdivision, and shall constitute a covenant running with the land and an equitable servitude upon the real property within the Subdivision.

7. Acceptance of Improvements Upon Completion. Upon satisfactory completion of the Work, in accordance with this Agreement, CITY agrees to accept the Work and its

improvements and the offers of dedication described in paragraph 1, subject to the provisions of paragraphs 1 and 10 of this Agreement.

8. Notice Regarding Construction. SUBDIVIDER shall notify the City Engineer of CITY in writing three (3) days prior to the commencement of construction of the Work.

9. Subdivider's Obligation to Warn Public During Construction. Until final acceptance of the Work, SUBDIVIDER shall give good and adequate warning to the public of each and every dangerous condition which may exist in the Work, and will take all reasonable actions to protect the public from any such dangerous condition.

10. Warranty.

a. SUBDIVIDER guarantees and warrants the public improvements which constitute the Work required by this Agreement, and agrees to remedy any defects in the improvements or the Work arising from faulty or defective materials or construction of said improvements or the Work occurring within twelve (12) months after their acceptance by CITY. SUBDIVIDER agrees to permit inspection of all improvements in the Subdivision by the City Engineer of CITY for such period, and to reimburse CITY for the cost of such inspections.

b. If, within the warranty period, the Work or improvement or any part of the Work done, furnished, installed, or constructed fails to fulfill any of the requirements of this Agreement or the improvement plans and specifications, SUBDIVIDER shall, without delay or cost to CITY, repair, replace or reconstruct any defective or otherwise unsatisfactory part or parts of the Work. CITY may, at its sole option, perform such repair or replacement itself if SUBDIVIDER has failed to commence such repair within twenty (20) days after CITY has mailed written notice of default to SUBDIVIDER and to SUBDIVIDER'S Surety. In such event, SUBDIVIDER agrees to pay the cost of such repair and replacement by CITY and CITY may, at its option, recover such cost as a lien against the Subdivision should the cost exceed the inspection fee deposited pursuant to paragraph 4 of this Agreement.

Should CITY determine that the public safety requires repairs or replacements to be made before SUBDIVIDER can be notified, CITY may, in its sole discretion, make the necessary repairs or replacement or perform the necessary work. SUBDIVIDER shall pay to CITY the cost of such repairs and CITY may at its option recover such cost as a lien against the Subdivision.

11. Indemnification. To the fullest extent allowed by law, SUBDIVIDER shall defend, indemnify, and save and hold harmless CITY, its officers, agents, employees and volunteers from any claims, suits or actions of every name, kind and description brought forth, or on account of, injuries to or death of any person (including but not limited to workers and the public), or damage to property, resulting from or arising out of SUBDIVIDER 's willful misconduct or negligent act or omission while engaged in the performance of obligations or exercise of rights created by this Agreement, except those matters arising from CITY's sole or active negligence or willful misconduct. The parties intend that this provision shall be broadly construed.

SUBDIVIDER's responsibility for such defense and indemnity obligations shall survive the termination or completion of this Agreement for the full period of time allowed by law. The defense and indemnity obligations of this Agreement are undertaken in addition to, and shall not in any way be limited by, the insurance obligations contained in this Agreement.

12. Insurance. SUBDIVIDER agrees to continuously maintain, in full force and effect, at a minimum the following policies of insurance during the term of this Agreement.

COVERAGE

LIMITS OF LIABILITY

General Liability

\$2,000,000 per occurrence

\$4,000,000 aggregate

Personal Injury:

\$2,000,000 per occurrence

\$4,000,000 aggregate

Automobile Liability

\$1,000,000 combined single limit

a. Form. SUBDIVIDER shall submit a certificate evidencing such coverage for the period covered by this Agreement in a form satisfactory to Risk Management and the City Attorney, prior to undertaking any work hereunder. Any insurance written on a claims made basis is subject to the approval of Risk Management and the City Attorney.

b. Additional Insureds. SUBDIVIDER shall also provide a separate endorsement form or section of the policy showing CITY, its officers, agents, employees and volunteers as additional insureds for each type of coverage, except for Workers' Compensation, for ongoing and completed operations. Such insurance shall specifically cover the contractual liability of SUBDIVIDER. The additional insured coverage under the SUBDIVIDER's policy shall be primary and noncontributory, as evidenced by a separate endorsement or section of the policy, and shall not seek contribution from CITY's insurance or self-insurance. In addition, the additional insured coverage shall be at least as broad as the Insurance Services Office ("ISO") CG 20 01 Endorsement. Any available insurance proceeds in excess of the specified minimum insurance coverage requirements and limits shall be available to the additional insureds. Furthermore, the requirements for coverage and limits shall be: (1) the minimum coverage and limits specified in this Agreement; or (2) the full coverage and maximum limits of any insurance proceeds available to the named insureds, whichever is greater.

c. Cancellation/Modification. SUBDIVIDER shall provide ten (10) days written notice to CITY prior to cancellation or modification of any insurance required by this Agreement.

d. Umbrella/Excess Insurance. The limits of insurance required in this Agreement may be satisfied by a combination of primary and excess insurance. Any excess insurance shall contain or be endorsed to contain a provision that such coverage shall also apply

on a primary and noncontributory basis for the benefit of CITY (if agreed to in a written contract) before CITY's own insurance shall be called upon to protect it as a named insured.

e. Self-Insured Retentions. All self-insured retentions ("SIR") must be disclosed to Risk Management for approval and shall not reduce the limits of liability. Policies containing any SIR provision shall provide or be endorsed to provide that the SIR may be satisfied by either the named insured or CITY. CITY reserves the right to obtain a full certified copy of any insurance policy and endorsements. The failure to exercise this right shall not constitute a waiver of such right.

f. Waiver of Subrogation. SUBDIVIDER hereby agrees to waive subrogation which any insurer of SUBDIVIDER may acquire from SUBDIVIDER by virtue of the payment of any loss under a Workers Compensation, Commercial General Liability or Automobile Liability policy. All Workers Compensation, Commercial General Liability and Automobile Liability policies shall be endorsed with a waiver of subrogation in favor of CITY, its officers, agents, employees and volunteers for all work performed by SUBDIVIDER, its employees, agents and subcontractors.

g. Liability/Remedies. Insurance coverage in the minimum amounts set forth herein shall not be construed to relieve SUBDIVIDER of liability in excess of such coverage, nor shall it preclude CITY from taking such other actions as are available to it under any other provisions of this Agreement or law.

13. Irrevocability of Security. The improvement securities furnished pursuant to paragraph 5 shall be irrevocable, shall not be limited as to time (except as to the one-year guarantee and warranty period specified in paragraph 10) and shall provide that they may be released, in whole or part, only upon the written approval of the City Engineer of CITY.

14. Attorney's Fees; Venue; Governing Law. Any action by any party to this Agreement, or any action concerning a security furnished pursuant to paragraph 5, shall be

brought in the appropriate court of competent jurisdiction within the County of Placer, State of California, notwithstanding any other provision of law which may provide that such action may be brought in some other location. In the event it becomes necessary for either party to bring an action with respect to enforcement of the provisions of this Agreement, or the security therefor, the prevailing party in such action shall be awarded a reasonable attorney's fee, as may be determined by the Court. This Agreement shall be governed by and construed in accordance with the laws of the State of California.

15. Release of Faithful Performance Security. Release of faithful performance security shall be in compliance with and pursuant to the procedures set forth in Government Code Section 66499.7. Upon the completion of all secured Work by SUBDIVIDER and written acceptance of that completed Work by CITY, and the furnishing of the warranty security as required by paragraph 5(b), the City Engineer shall authorize the release of the remaining faithful performance security.

16. Release of Payment Security. Thirty-five (35) days after a notice of completion is recorded with respect to the Work, the City Engineer of CITY may authorize the release of the payment security, in the event that no claims have been filed against said security. In the event that claims or actions are filed against the security, the City Engineer may release so much of such security as is in excess of the total of the claims made against it, plus a reasonable amount of costs and attorney's fees.

17. Automatic Termination Upon Completion and Sale of Residential Unit. This Agreement and any lien pursuant hereto shall automatically be terminated, without any further action by either party or need to record any additional document, with respect to any single-family residential lot within a parcel designated by the Specific Plan for residential use, upon completion of construction and issuance by the City of a final inspection for a dwelling unit upon such residential lot and conveyance of such improved residential lot to a bona-fide good faith

purchaser thereof. In connection with its issuance of a final inspection for such improved lot, City shall confirm that: (i) all improvements which are required to serve the lot, as determined by City, have been accepted by City; (ii) the lot is included within the Maintenance CFD required by Section 3.20 or other financing mechanism acceptable to the City, to the extent required hereby; and (iii) if and to the extent applicable to such lot, an affordable purchase or rental housing agreement has been recorded on the lot. Termination of this Agreement for any such residential lot as provided for in this section shall not in any way be construed to terminate or modify any assessment district or Mello-Roos Community Facilities District lien affecting such lot at the time of termination.

18. Failure of Performance. In addition to any other remedies provided in this Agreement or by law, in the event SUBDIVIDER fails to perform one or more of the covenants or conditions of this Agreement, CITY shall have recourse to the security given to guarantee the performance of such acts. CITY may do, or cause to be done, those acts required of SUBDIVIDER, and shall have recourse against so much of the security as is necessary to discharge the responsibility of SUBDIVIDER. In the event CITY seeks recourse against a security, CITY shall also have recourse against SUBDIVIDER for any and all amounts necessary to complete the obligations of SUBDIVIDER in the event the security is insufficient to pay such amounts. All administrative costs, including reasonable attorney's fees pursuant to Section 66499.4 of the Government Code, incurred by CITY, in addition to the costs of the improvements, shall be a proper charge against the security and SUBDIVIDER.

19. Integration. This Agreement is an integrated agreement. It supersedes all prior negotiations, representations, or agreements, either written or oral.

20. Modification. This Agreement and each provision contained herein may be waived, amended, supplemented or eliminated only by mutual written agreement of the parties.

21. Notices. Any notices sent to the parties relating to this Agreement shall be sent by first class mail, postage prepaid or delivered to the following addresses:

Marc Stout, City Engineer
City of Roseville
311 Vernon Street
Roseville, CA 95678

Steve Porter, Director of Development
Anthem United Creekview Developments LP
3001 Douglas Blvd, Suite 200
Roseville, CA 95661

Either party may amend its address by giving written notice to the other.

22. Severability. If any of the provisions contained in this Agreement are for any reason held invalid or unenforceable, such holding shall not affect the remaining provisions or the validity and enforceability of the Agreement as a whole.

IN WITNESS WHEREOF, the City of Roseville, a municipal corporation, has authorized the execution of this Agreement in duplicate by its City Manager and attestation by its City Clerk under authority of Resolution No. ____, adopted by the Council of the City of Roseville on the ____ day of _____, 20__, and SUBDIVIDER has caused this Agreement to be executed.

Title: 316 Vernon Street - Lease Agreement Amendment
Contact: Dennis Kauffman 916-774-5313 dkauffman@roseville.ca.us
Laura Matteoli 916-774-5284 lmatteoli@roseville.ca.us

Meeting Date: 10/7/2020
Item #: 7.18.

RECOMMENDATION TO COUNCIL

Staff recommends that the City Council adopt a resolution to approve a First Amendment to Lease Agreement with Goose Port, Inc. and authorizing the City Manager to execute it.

BACKGROUND

The 316 Vernon Street Office Building is a City-owned facility that houses several City departments (Information Technology; Fire; Parks, Recreation & Libraries; Housing; and Alternative Transportation) and a ±21,000 s.f. Sierra College satellite campus. The building was completed in December 2016. Consistent with the Downtown Specific Plan and Downtown Code, the ±82,000 s.f. building was designed with approximately 6,400 s.f. of retail space on the ground floor fronting Vernon Street.

On May 23, 2018, the City Council approved a lease agreement with the Goose Port Inc. (aka Goose Port Public House), a sports-themed restaurant and bar intended to appeal to families and sports fans. The lease is for one hundred twenty six (126) months, with two optional sixty (60) month extensions. The lease agreement with Goose Port Inc. provided six months of free rent.

On March 4, 2020, Governor Gavin Newsom (Governor) proclaimed a State of Emergency in California as a result of the COVID-19 pandemic. Furthermore, on March 19, 2020, the Governor issued Executive Order N-33-20 ordering all of California to stay at home, unless in the category of essential services. As a result of the COVID-19 pandemic, and the resulting business closures and restrictions affecting Roseville restaurants, the City and Goose Port Inc. have negotiated a lease amendment to provide an additional six months of free rent. The amendment will provide financial relief to Goose Port Inc., allowing the restaurant to remain open and reinvest in needed improvements. After the first six months of free rent, Goose Port Inc. paid rent for months 7-10. The recommended lease amendment will provide additional free rent for months 11-16, February through July of 2020, of their 126-month lease term/agreement.

FISCAL IMPACT

Execution of the lease agreement amendment will result in retroactive reductions in General Fund lease revenue of \$30,636 and \$6,167 in FY2019-20 and FY2020-21, respectively. The amendment will reduce the total projected revenue from the initial 126-month term by \$37,003 to \$733,112.

ENVIRONMENTAL REVIEW

The California Environmental Quality Act (CEQA) does not apply to activities that will not result in a direct or reasonably foreseeable indirect physical change in the environment, or is otherwise not considered a project as defined by CEQA Statute §21065 and CEQA State Guidelines §15060(c)(3) and §15378.

The proposed lease amendment meets the above criteria and is not subject to CEQA. No additional environmental review is required.

Respectfully Submitted,

Laura Matteoli, Economic Development Director

Dominick Casey, City Manager

FIRST AMENDMENT TO LEASE AGREEMENT
BETWEEN THE CITY OF ROSSEVILLE
AND GOOSE PORT, INC.

(Portion of 316 Vernon Street)

THIS FIRST AMENDMENT TO LEASE AGREEMENT (“First Amendment”) is made and entered into on this ____ day of _____, 20____, by and between the City of Roseville, a municipal corporation (“LANDLORD”), and Goose Port, Inc., a California corporation (“TENANT”); and

W I T N E S S E T H:

WHEREAS, on May 23, 2018, LANDLORD and TENANT entered into a Lease Agreement for approximately 2,641 square feet on the first floor of a mixed-use retail and office building owned by LANDLORD at 316 Vernon Street in Roseville (“Building”); and

WHEREAS, due to the movement of a demising wall, the footprint of the leasable area expanded by 100 square feet; and

WHEREAS, on March 4, 2020, Governor Gavin Newsom (“Governor”) proclaimed a State of Emergency in California as a result of the COVID-19 pandemic; and

WHEREAS, on March 19, 2020, the Governor issued Executive Order N-33-20 ordering all of California to stay at home, unless in the category of essential services; and

WHEREAS, this stay at home order required TENANT to close its restaurant for dine-in services; and

WHEREAS, on May 12, 2020, Placer County's COVID-19 Variance Attestation submission was officially posted on the California Department of Public Health's website, allowing Placer County (and the incorporated cities within) to begin reopening additional businesses in Stage 2 of the Governor's re-opening framework. These businesses included, but were not limited to, dine-in restaurants, subject to certain requirements; and

WHEREAS, however due to another rise in COVID-19 cases, on July 13, 2020, the Governor ordered a statewide reclosure of indoor dining; and

WHEREAS, as a result of the economic impact to TENANT caused by these closures, the parties desire to amend the Lease Agreement as described herein.

NOW, THEREFORE, the parties agree as follows:

1. Paragraph 2.1 of the Lease Agreement is hereby amended to read as follows:

"2.1. Rent. TENANT shall pay rent based on the following schedule ("Rent Schedule") based upon an estimated 2,741 square feet, which square footage represents a portion of the first floor of the Building:

<u>Months</u>	<u>Rent Amount Per Square Foot</u>
1-6	\$0.00
7-10	\$2.25
11-16	\$0.00
17-30	\$2.25
31-42	\$2.30
43-54	\$2.35
55-66	\$2.40

67-78	\$2.45
79-90	\$2.50
91-102	\$2.55
103-114	\$2.60
115-126	\$2.65

In addition to paying this base rent, TENANT, as part of the rental payment, shall pay to LANDLORD its pro-rata share of solid waste (garbage compactor) charges in the amount of \$155 per month, beginning immediately upon the Commencement Date.

TENANT's pro-rata share of this charge shall be adjusted annually with corresponding utility rate increases or an increase in TENANT's solid waste output that results in additional compactor tipping fees.

The annual rent shall be payable monthly, in advance and on the first day of each calendar month thereafter to LANDLORD, at the following address: 311 Vernon Street, Roseville, CA 95678 Attn: Finance. Corresponding base rent shall be adjusted, if necessary, based upon the BOMA measurement referenced in the third paragraph of the Recitals on page 1 of this Lease. If the Commencement Date is on a date other than the first of the month, rent shall be prorated for the number of days remaining in the month. If any rent payment is not received by CITY on or before the tenth (10th) day of the month, it shall be deemed delinquent. Delinquent amounts shall be subject to a monthly late charge at the rate of five percent (5%) of the total delinquent amount, and without limitation to LANDLORD's other rights and remedies under this Lease. Monthly rent shall be increased on the first day of the calendar month as specified in the Rent Schedule throughout the Term and Extension."

2. All other provisions of the Lease Agreement shall remain unchanged and in full force and effect.

IN WITNESS WHEREOF, the City of Roseville, a municipal corporation, has authorized the execution of this First Amendment to Lease Agreement in duplicate by its City Manager and attested to by its City Clerk under the authority of Resolution No. _____, adopted by the Council of the City of Roseville on the ____ day of _____, 20____, and TENANT has caused this First Amendment to Lease Agreement to be executed.

Title: Community Development Block Grant Labor Compliance Monitoring Services - On-Call Professional Services Agreement Amendment
Contact: Kristine Faelz 916-774-5451 kpfaelz@roseville.ca.us

Meeting Date: 10/7/2020
Item #: 7.19.

RECOMMENDATION TO COUNCIL

Staff recommends that the City Council adopt a resolution to approve a First Amendment to On-call Professional Services Agreement with Silveira Consulting, Inc., and authorize the City Manager to execute it.

BACKGROUND

The City became a Community Development Block Grant (CDBG) entitlement jurisdiction in 1986, and has traditionally funded housing activities, public facilities and improvements, removal of architectural barriers projects, planning, program administration, and public service activities with CDBG funds.

In FY2020-21, the City is using CDBG funding to complete five construction projects, four of which require labor compliance monitoring under federal Davis-Bacon Act prevailing wage requirements. Since September of 2019, the City has had a contract with Silveira Consulting to provide labor compliance monitoring for these CDBG public facilities projects. Since the implementation of the PSA with Silveira Consulting, several changes have occurred which warrant an increase in the not-to-exceed amount of the contract for labor compliance services:

- The Main Street Plaza Apartments - Significant increase in billable hours due to the developer dividing the project into two entities (separate entities for each building). The Main Street Project is currently underway and upon completion, it will be a 65-unit affordable housing project for low-income families, veterans and individuals with a disability. This project includes the construction of two separate buildings – the Main Street Plaza Apartments (DIR project # 286484) and Roseville Apartments (DIR Project #286919). At the time that the original fee was proposed, it was unclear that the project would be developed concurrently but with two separate entities. The two entities require double the work in reporting labor compliance required by the Davis-Bacon Act including: navigating large amounts of paperwork, data tracking, and contractor assistance required for both projects. The request fee amendment is to support the increase in effort and hours.

- The Gathering Inn - With the expanded scope of work, labor compliance monitoring is required for a longer period of time. The Gathering Inn shelter is undergoing a bathroom and shower facilities rehabilitation and remodel to improve accessibility and durability of facilities. Since the labor compliance monitoring contract with Silveira Consulting was executed, the scope of work for the project increased. Due to the increased scope of work, the timeline for project completion has been extended; therefore, labor compliance monitoring will be required for a longer period than originally anticipated and, as such, the budget must be increased accordingly.
- The Volunteers of America Home Start program will convert an existing classroom to a community kitchen for homeless families living at the shelter. This project was not included on the original fee proposal and, at the City's request, this project is now included as part of the amendment to the contract budget.
- The AMIH 319 Main Street affordable housing site is installing a solar system to reduce the costs of utilities. The AMIH 319 Main Street Solar installation project is currently underway and will not require an adjustment to the labor compliance monitoring budget.

The first amendment to the PSA with Silveira Consulting increases the contract amount by \$22,122.50, which brings the total not-to-exceed contract amount to \$59,050.

FISCAL IMPACT

The CDBG funding is provided as a federal grant to the City. These grants are used to offset potential costs to the General Fund and to serve the community. Funding for the CDBG consultant is recommended to come out of CDBG funding for the purposes of providing CDBG program administration services. There are adequate funds in this account to accommodate the additional \$22,122.50; as such, there is no impact the City's General Fund.

A budget adjustment, also recommended on the October 7, 2020 City Council agenda, will request an increase to the budget that includes this and other CDBG expenditures for this fiscal year.

ENVIRONMENTAL REVIEW

The California Environmental Quality Act (CEQA) does not apply to activities that will not result in a direct or reasonably foreseeable indirect physical change in the environment, or is otherwise not considered a project as defined by CEQA Statute §21065 and CEQA State Guidelines §15060(c)(3) and §15378.

Approval of the First Amendment to On-Call Professional Services Agreement for Community Development Block Grant labor compliance monitoring services meets the above criteria and is not subject to CEQA. No additional environmental review is required.

Respectfully Submitted,

Kristine Faelz, Housing Analyst

Laura Matteoli, Economic Development Director

Dominick Casey, City Manager

**FIRST AMENDMENT TO ON-CALL
PROFESSIONAL SERVICES AGREEMENT**

Community Development Block Grant (CDBG) Labor Compliance Monitoring Services

THIS FIRST AMENDMENT TO AGREEMENT is made and entered into this ____ day of _____, 20__, by and between the City of Roseville, a municipal corporation ("CITY"), and Silveira Consulting, Inc., a California corporation ("CONSULTANT"); and

W I T N E S S E T H:

WHEREAS, CITY and CONSULTANT previously entered into an On-Call Professional Services Agreement dated September 18, 2019 ("Agreement") regarding on-call CDBG Labor Compliance Monitoring Services ("Project"); and

WHEREAS, CITY desires to amend the Agreement to include additional services as described in CONSULTANT's letter/proposal which is attached hereto as Exhibit "A" and incorporated herein by reference; and

WHEREAS, CONSULTANT is willing and able to provide such additional services.

NOW, THEREFORE, the parties agree as follows:

1. CONSULTANT shall provide additional services as described in Exhibit "A" of this First Amendment to Agreement.
2. Section 2 of the Agreement is amended by adding an additional paragraph to read as follows:

“CITY shall pay twenty-two thousand, one hundred twenty-two dollars and fifty cents (\$22,122.50), in consideration of the additional services as set forth in Exhibit “A” to the First Amendment to Agreement. This brings the total not to exceed contract amount to fifty-nine thousand, fifty dollars (\$59,050).”

3. Section 4 of the Agreement is amended by adding an additional paragraph to read as follows:

“CONSULTANT agrees to defend and indemnify CITY if, despite the parties intent and practice, any venue, agency, or court with competent jurisdiction determines that CONSULTANT and/or any of its agents, officers, employees, volunteers, independent contractors, or subcontractors, are characterized as employee(s) of CITY.”

4. Paragraph 14 of the Agreement is amended by adding an additional paragraph to read as follows:

“CONSULTANT and CITY agree that: (a) CONSULTANT is free from the control and direction of CITY in connection with the performance of the work; (b) CONSULTANT is providing services directly to CITY; (c) CONSULTANT has and will maintain at all relevant times a business license; (d) CONSULTANT maintains a business location that is separate from CITY; (e) CONSULTANT is customarily engaged in an independently established business of the same nature as that involved in the work performed hereunder; (f) CONSULTANT actually contracts with other businesses to provide the same or similar services and maintains a clientele without restrictions from CITY; (g) CONSULTANT advertises and holds itself out to the public as available to provide the same or similar services; (h) CONSULTANT

provides its own tools, vehicles, and equipment to perform the services; (i) CONSULTANT has negotiated its own rates; (j) CONSULTANT set its own hours and location of work in accomplishing CITY's on-call needs; and (k) CONSULTANT has the right to control the manner and means of accomplishing the result desired and exercises its own expert independent judgement."

5. All other provisions of the Agreement shall remain unchanged and in full force and effect.

IN WITNESS WHEREOF, the City of Roseville, a municipal corporation, has executed this First Amendment to Agreement in duplicate by its City Manager and CONSULTANT has caused this Agreement to be duly executed.

COUNCIL COMMUNICATION

CC #: 1017

File #: 0113-02 & 0201-01

Title: Housing Authority - CARES Act Funding - Budget Adjustment

Contact: Melissa Hagan 916-774-5476 mhagan@roseville.ca.us

Meeting Date: 10/7/2020

Item #: 7.20.

RECOMMENDATION TO COUNCIL

Staff recommends the governing board of the Housing Authority of the City of Roseville adopt a resolution approving a budget adjustment to increase the Housing Authority's FY2020-21 operating revenue and expenditure budgets by \$59,250 to implement the U.S. Department of Housing and Urban Development (HUD) – Coronavirus Aid, Relief and Economic Security Act (CARES Act) Administrative Fees. In addition to technology upgrades and other costs requested in this staff report, the Housing Authority is working in conjunction with the Alternative Transportation Division and have begun the process of re-designing the shared front office space. This remodel will mitigate the effects of COVID-19 when serving the public as well as provide social distancing for staff who work at the front desk. The front desk remodel will be a joint effort between Alternative Transportation and the Housing Division and the cost will be shared equitably. Once the final costs have been established for this project, staff will submit a budget adjustment to City Council to augment the existing capital improvement project with the Housing Authority's share of the project costs.

BACKGROUND

The CARES Act was signed into law on March 27, 2020 and provides additional appropriations for administrative fee funding to Public Housing Authorities (PHA) to prevent, prepare for and respond to the Coronavirus (COVID-19) pandemic. In May of 2020, the Housing Authority received its first round of CARES Act Administrative Fees in the amount of \$115,424. In August of 2020, the Housing Authority received another round of funding in the amount of \$141,725. Since May of 2020, HUD has provided two notices that provide guidance to Public Housing Authorities regarding eligible expenses for the use of these funds. Among the many eligible expenses that can be covered by the Administrative Fees are costs related to physical improvements to office space, including expansion and remodel, and costs related to necessary upgrades to information technology or computer systems to enhance telework capacities.

The initial use of the funds will be to replace desktop computers with laptops and other peripherals to enhance telework capabilities for Housing Authority staff. Housing Division staff has been largely using older laptops and tablets borrowed from IT or personal computers since the shutdown in mid-March. This set-up has not been adequate for PHA staff and new laptops and

other peripherals will greatly increase efficiency as well as provide consistent equipment among staff. It is also anticipated that when the Housing Division reopens staff may not be able to return to the office full time. The flexibility of the new laptops will increase efficiency of working in both environments.

The estimated cost of the computer replacement including monitors, printers and peripherals is estimated to be \$35,000. Other items included in the budget adjustment are personal protective equipment, cleaning supplies, overtime for staff, front office remodel design services and cubicle barriers for PHA staff. The total cost of these other items is estimated to be \$24,250.

In addition to technology upgrades and other costs requested in this staff report, the Housing Authority is working in conjunction with the Alternative Transportation Division and have begun the process of re-designing the shared front office space. This remodel will mitigate the effects of COVID-19 when serving the public as well as provide social distancing for staff who work at the front desk. The front desk remodel will be a joint effort between Alternative Transportation and the Housing Division and the cost will be shared equitably. Once the final costs have been established for this project, staff will submit a budget adjustment to City Council to augment the existing capital improvement project with the Housing Authority's share of the project costs.

FISCAL IMPACT

The recommended budget adjustment will add \$59,250 to the Housing Authority's FY2020-21 operating revenue and expenditure budgets for the COVID-19 mitigation equipment enhancements for Housing Authority staff and will have no impact on the General Fund.

ENVIRONMENTAL REVIEW

The California Environmental Quality Act (CEQA) does not apply to activities that will not result in a direct or reasonably foreseeable indirect physical change in the environment, or is otherwise not considered a project as defined by CEQA Statute §21065 and CEQA State Guidelines §15060(c)(3) and §15378.

Approval of a budget adjustment meets the above criteria and is not subject to CEQA. No additional environmental review is required.

Respectfully Submitted,

Melissa Hagan, Administrative Analyst

Justification for Budget Adjustment:

Augment the budget with a portion of the CARES ACT funding from HUD for COVID-19 mitigation. Replace desktop computers with laptops and other peripherals to enhance telework capabilities for Housing Authority staff. The estimated cost of the computer replacement including monitors, printers and peripherals is estimated to be \$35,000. Other items included in the budget adjustment are personal protective equipment, cleaning supplies, overtime for staff, front office remodel design services and cubicle barriers for HCV staff. The total cost is estimated to be \$24,250.

Title: 1203 Gabrielli Drive - Purchase and Sale and Loan Agreement, Agreement for Access and Parking, Grant Deed & Budget Adjustment

Contact: Troy Holt 916-746-1173 tgholt@roseville.ca.us
Laura Matteoli 916-774-5284 lmatteoli@roseville.ca.us

Meeting Date: 10/7/2020

Item #: 7.21.

RECOMMENDATION TO COUNCIL

Staff recommends that the City Council:

1. Adopt a resolution authoring the City Manager or his designee to execute the Purchase and Sale and Loan Agreement, the Agreement for Access and Parking, the Grant Deed, and all escrow related documents; and
2. Adopt an ordinance approving a budget adjustment to deposit the sales proceeds into the Strategic Improvement Fund (SIF).

BACKGROUND

1203 Gabrielli Drive (APN: 470-250-002-000) is a .169 acre parcel located near the intersection of Cirby Way and Sunrise Boulevard, see Attachment 1. The City Council declared the property as surplus on October 23, 2019. As required by the Surplus Land Act, letters offering to sell or lease the property were sent to local public and affordable housing developers; park, recreation and open space agencies; and school districts. None of these agencies expressed an interest in leasing or purchasing the property. Therefore, since the City has complied with the Surplus Land Act, the City may dispose of the property pursuant to its own real property disposition procedures.

This parcel is currently occupied by a building, called the "Lyman Leak Memorial Community Center", that is owned by the Lions Club of Roseville. The Lions Club has leased the City-owned property where its building is located, via a lease with the City, since 1973; however, the lease with the Club has expired.

The purchase price is \$10,000, with \$2,000 due at the time of sale (minus the City's share of escrow costs) and the remaining amount due in four annual payments of \$2,000.

The proposed Purchase and Sale Agreement also includes an Agreement for Access and Parking on the adjacent City-owned property. The Agreement gives the Lion's Club of Roseville a

perpetual exclusive right to: (a) use six (6) assigned parking stalls on the adjacent City-owned property for the purpose of parking vehicles and trucks (excluding big-rig trucks and trailers); (b) use designated driveways and drive aisles within City's property to access said parking stalls, to service the trash bins located on the subject property, and to make deliveries to buildings located on the subject property; and (c) to use City's property to access the subject property through the shared driveway that borders the City's property and the subject property. The foregoing right is intended for the use of the customers, suppliers, agents, invitees, licensees, tenants, members, and employees of the current and all future businesses and occupants of the building that is constructed on the subject property.

Disposition Under the Municipal Code

According to Roseville Municipal Code §4.12.110(B), excess real property determined by the City Council to be unusable except by the owner of adjoining privately owned real property, or real property needed by another public entity, public utility, or a nonprofit public benefit corporation which has its principal place of business in the city, may be offered for sale to such adjoining landowner, or to such public entity, public utility, or nonprofit public benefit corporation which has its principal place of business in the City, at a price determined by the City Council to be equitable to the purchaser and the City.

The Lions Club is a nonprofit public benefit corporation which has its principal place of business in the City of Roseville. They also own the building currently located on the parcel and desire to purchase the underlying land from the City. Since this property is underutilized by the City and there are no identified future needs for this property, and because the City doesn't own or control the building, the City may sell the property to the Lions Club at a price determined by the City Council to be equitable to the Lions Club and the City. Staff has determined and recommends that the City Council find that the purchase price of \$10,000 is equitable to both parties.

FISCAL IMPACT

Approval of a Purchase and Sale Agreement and budget adjustment will increase the SIF fund balance by \$10,000, less the costs for half of the escrow fees, over a five-year period.

ENVIRONMENTAL REVIEW

The proposed project involves the sale of surplus property not located in an area of statewide, regional or area-wide concern. This activity is categorically exempt from CEQA as a Class 12 Exemption (State CEQA Guidelines Section 15312). The Exemption has been prepared and no further CEQA action is required.

PURCHASE AND SALE AND LOAN AGREEMENT

Subject Property: 1203 Gabrielli Drive

THIS AGREEMENT, made and entered into this _____ day of _____, 20____, by and between the City of Roseville, a municipal corporation, as grantor ("CITY") and Sunrise Lions Club of Roseville, Inc., a California nonprofit corporation ("GRANTEE").

W I T N E S S E T H:

WHEREAS, CITY is the owner of approximately .169 acres of certain real property located at 1203 Gabrielli Drive (APN 470-250-002-000) located in the City of Roseville, County of Placer, more particularly described in Exhibit "A" which is attached hereto and is incorporated herein by this reference; and

WHEREAS, said real property is referred to in this Agreement as "the Subject Property"; and

WHEREAS, in 1973 GRANTEE entered into a lease with CITY for the purpose of locating their building on the Subject Property in order to use as a public meeting place and recreation center for organized youth groups; and

WHEREAS, CITY determined at the time that the Subject Property was not needed for municipal services and that the location of a public meeting place and recreation center upon CITY-owned real property conformed to the General Plan; and

WHEREAS, the initial lease term was from July 1, 1973 to June 30, 1993; and

WHEREAS, on June 2, 1993, the parties extended the term of the lease for another twenty (20) years; and

WHEREAS, the lease expired in 2013 but GRANTEE has continued to occupy the Subject Property with CITY's consent; and

WHEREAS, after recently inventorying its real property interests, CITY declared the Subject Property as surplus property and has deemed it is not necessary for CITY's use; and

WHEREAS, GRANTEE, the current occupant and owner of the building located on the Subject Property, desires to acquire the Subject Property to continue to operate a public meeting place and CITY is willing to sell the Subject Property to GRANTEE upon the terms and conditions specified in this Agreement; and

WHEREAS, CITY and GRANTEE further agree as a condition of this sale to enter into an Access and Parking Agreement prior to and as a condition of closing escrow.

NOW, THEREFORE, the parties agree as follows:

1. Purchase Price. CITY agrees to sell, and GRANTEE agrees to buy, the Subject Property for the sum of ten thousand dollars (\$10,000) ("Purchase Price"). CITY shall provide GRANTEE with a loan in the amount of the Purchase Price less the Deposit required herein, for a total loan amount of eight thousand dollars (\$8,000) ("Loan").

2. Terms and Conditions of Loan.

A. The Loan by CITY to GRANTEE is in the principal amount of eight thousand dollars (\$8,000).

- B. No interest shall be charged on the Loan.
- C. The term of the Loan shall expire on October 7, 2024. Yearly Loan payments in the amount of two thousand dollars (\$2,000) shall be due and payable by GRANTEE on the following dates: October 7, 2021, October 7, 2022, October 7, 2023, and October 7, 2024.
- D. The Loan may be assumable by a third party upon sale of the Subject Property to said third party; provided, however, that such assumption shall be subject to the prior written consent by CITY.
- E. The principal amount owed shall be immediately due upon any of the following: (1) sale of the Subject Property, in whole or in part; (2) removal or addition of titleholders to the Subject Property; (3) change or modification in title to the Subject Property; (4) refinance of any existing loans affecting the Subject Property; (5) foreclosure or tax sale of the Subject Property; (6) GRANTEE's default of any conditions of this Agreement, the Promissory Note, or the Deed of Trust; (7) CITY discovers that GRANTEE, in any application to or negotiations with CITY in connection with the Loan, has failed to disclose or has misrepresented any fact deemed by CITY to be material or which would have prevented GRANTEE from being eligible for the Loan; (8) CITY discovers that GRANTEE has made any misrepresentations or has failed to disclose any fact deemed material by CITY in the Promissory Note or the Deed of Trust; (9) GRANTEE becomes insolvent or bankrupt or being unable or admitting, in

writing, GRANTEE's inability to pay its debts as they mature or making a general assignment or entering into any arrangements with creditors; (10) proceedings for the appointment of a receiver, trustee or liquidator of the assets of GRANTEE or a substantial part of such assets, being authorized or instituted by or against GRANTEE; (11) proceedings under any bankruptcy, reorganization, readjustment of debt, insolvency, dissolution, liquidation or other similar law of any jurisdiction being authorized or instituted against GRANTEE; (12) GRANTEE fails to perform any covenant, term or condition in any instrument creating a lien upon the Subject Property which is the security under the Deed of Trust, or any part thereof, which lien may have priority over the lien of the Deed of Trust; and (13) failure to repay the principal amount in four (4) years from the Effective Date. However, the refinancing of any existing Loan encumbering the Subject Property for the sole purpose of reducing payments, if approved by CITY, will not constitute a default of this Agreement.

F. If any Loan terms or conditions, as stated herein, conflict with any terms or conditions of the Promissory Note or Deed of Trust, the terms and conditions of the Promissory Note or Deed of Trust shall control over those stated herein.

3. Conveyance. CITY has executed or will execute a Grant Deed in a form satisfactory to GRANTEE, conveying the Subject Property to GRANTEE.

4. Access and Parking Agreement. Concurrently with the conveyance of the Subject Property, the parties shall enter into a recorded Agreement for Access and Parking ("Parking

Agreement”), substantially in the form attached hereto as Exhibit “B,” which shall grant GRANTEE the exclusive right to utilize six (6) parking spaces on the adjacent lot owned by CITY.

5. Escrow. CITY shall open an escrow for this transaction with Placer Title Company ("the Title Company"), 1508 Eureka Road, Suite 150, Roseville, CA 95661. CITY shall deliver the Grant Deed to the Title Company. GRANTEE shall deposit with the Title Company the sum of two thousand dollars (\$2,000) (“Deposit”) for the account of CITY, conditioned upon the Subject Property vesting in GRANTEE free and clear of all liens, leases, encumbrances, assessments, easements, bonds, judgments and debts secured by Deeds of Trust or mortgages except:

A. County taxes for the fiscal year in which this escrow closes, including possible personal property taxes, which have become a lien but are not yet due or payable, shall be prorated on the basis of the latest tax statement. The taxes for the fiscal year in which this escrow closes shall be cleared and paid for from the money payable to CITY, in the manner required by § 4986 of the Revenue and Taxation Code.

B. From the money payable to CITY, the Title Company shall pay any delinquent taxes, together with penalties and interest due thereon.

6. Conditions to GRANTEE’s Performance. All duties of GRANTEE to purchase the Subject Property shall be expressly conditioned upon the satisfaction of each of the conditions set forth below on or before the date set forth with regard to each condition.

GRANTEE SHALL NOTIFY CITY, IN WRITING, OF GRANTEE'S REMOVAL OR WAIVER OF EACH CONDITION SET FORTH BELOW WITHIN THE SPECIFIED TIME PERIOD OR THIS CONTRACT SHALL BE TERMINATED AND ALL DEPOSITS, WITH INTEREST, IF ANY, SHALL BE RETURNED TO GRANTEE WITHOUT PENALTY.

A. Feasibility Period:

Within thirty (30) calendar days from the Contract Date, GRANTEE's determination that the Subject Property, its income and development potential, its market position, its uses and other economic aspects are acceptable to GRANTEE, in GRANTEE's sole discretion.

B. Physical Inspections:

Within thirty (30) calendar days from the Contract Date, GRANTEE's approval of inspections by GRANTEE and professionals employed by GRANTEE to inspect the Subject Property and all improvements thereon. CITY, by execution of this Agreement, hereby grants GRANTEE and GRANTEE's authorized representatives and experts the right to enter upon and inspect and make reasonable tests upon the Subject Property at reasonable times and upon notice to CITY, and GRANTEE shall hold CITY harmless from any damage or injury to persons or property by reason of the entry upon the Subject Property by GRANTEE, its agents and its experts. GRANTEE shall order and pay all costs with respect to such inspections.

GRANTEE's approval of any inspection of the Subject Property, however, shall not alter or diminish any of CITY's representations or warranties to the extent made under this Agreement, and CITY acknowledges and agrees that GRANTEE is nonetheless relying on CITY's representations and warranties made herein, except to the extent reliance on such representation or warranty is specifically waived, in whole or in part, in writing, by GRANTEE.

C. Inspection of Documents, Books and Records:

Within thirty (30) calendar days from the Contract Date, GRANTEE's inspection and approval of the following documents or copies thereof: All surveys, soils tests, engineering studies, or any other test results or reports in CITY's possession or under CITY's control, maintenance contracts, and any amendments thereto covering the Subject Property, and books and income/expense records covering the Subject Property for past year(s) and for the current year to and including the Contract Date. CITY warrants and represents that the books and records are those kept and maintained by CITY in the ordinary and normal course of business.

D. Title Approval:

GRANTEE shall have twenty (20) calendar days from the receipt of the preliminary title report within which to notify CITY, in writing, of GRANTEE's disapproval of any exception shown in the title report or the legal description. If GRANTEE does not give written notice of such disapproval within such period, the title report shall be deemed approved. If GRANTEE disapproves of any

exception in writing as described above, CITY shall have ten (10) business days from the date of CITY's receipt of written notice of the disapproval to give written notice to GRANTEE that CITY shall remove the disapproved exception(s) prior to escrow closing. CITY's failure to deliver the notice shall mean CITY will not remove the exception. If CITY elects not to remove any disapproved exception, GRANTEE shall have five (5) business days either (i) to terminate this Agreement or (ii) to waive its disapproval of such exception and agree to purchase the Subject Property subject to the disapproved exception. If GRANTEE fails to so notify CITY, in writing, within five (5) business days of its election pursuant to this paragraph, GRANTEE shall be deemed to have elected to terminate this Agreement. In the event of a termination hereunder, the parties shall have no obligations hereunder and GRANTEE's Deposit shall be returned to GRANTEE and CITY and GRANTEE shall each pay one-half (1/2) of any fees incurred by title company in preparation of the preliminary title report. Any exception which GRANTEE has approved hereunder, either by GRANTEE's approval, GRANTEE's failure to disapprove such exception, or by GRANTEE's waiver of a disapproval, shall be deemed a "Permitted Exception."

7. Discharge of Obligations. The Title Company may expend any and all money payable to CITY under this Agreement to discharge any obligations (except those shown in Paragraph 5) which are liens upon the Subject Property, including but not limited to, those arising from judgments, assessments, delinquent taxes (other than for the fiscal year referred to in

Paragraph 5A), or debts secured by deeds of trust or mortgages, or to defray any other incidental costs other than those specified in this Paragraph 7 to be borne by GRANTEE. Any money made payable pursuant to a deed of trust shall be made payable to the beneficiary entitled to the money pursuant to the deed of trust; provided, however, that the beneficiary shall first furnish CITY and the Title Company with a good and sufficient receipt showing the money to be credited against the indebtedness secured by the deed of trust.

8. Escrow Costs. CITY and GRANTOR shall each pay one-half (1/2) of all escrow fees, recording fees and title insurance charges incurred in this transaction. Escrow agent acknowledges that CITY is not subject to real property taxes.

9. Title and Escrow Closing. Title to the Subject Property shall pass immediately upon close of escrow. Escrow shall close not later than sixty (60) calendar days after the date of this Agreement.

10. Escrow Instructions. A copy of this Agreement shall be delivered to the Title Company by CITY and shall serve as escrow instructions. The issuance of any additional escrow instructions shall be the sole responsibility of CITY, but must be signed by GRANTEE to be valid and enforceable.

11. Time. Time is of the essence of this Agreement.

12. No Existing Tenancy. CITY shall deliver possession of the Subject Property to GRANTEE on the Closing Date free of all tenants other than GRANTEE and shall defend, indemnify, and save and hold GRANTEE harmless from the claims of any tenants claiming a right to possession arising before the Closing Date. If a tenant remains in possession on the

Closing Date, GRANTEE may terminate this Agreement without liability on GRANTEE's part and receive back its Deposit.

13. Hazardous Substance. Neither CITY, nor to the best of CITY's knowledge, any third party, has engaged in the generation, use, manufacture, storage, treatment, transportation, or disposal of any "Hazardous Substance" on the Subject Property; and (2) neither CITY, nor to the best of CITY's knowledge, any third party, has received any form of notice of violation of any "applicable environmental law" with respect to the Subject Property, including any groundwater.

For purposes of this Agreement, the term "Hazardous Substance" means either any petroleum product or any substance, chemical, or waste that is listed as hazardous, toxic, or dangerous under any applicable environmental law.

For purposes of this Agreement, the term "applicable environmental law" means the Comprehensive Environmental Response Compensation and Liability Act ("CERCLA"), 42 USC §9601 et seq.; the Resource Conservation and Recovery Act ("RCRA"), 42 USC 6901 et seq.; the federal Water Pollution Control Act, 33 USC §1251 et seq.; the Clean Air Act, 42 USC §7401 et seq.; the Hazardous Materials Transportation Act, 49 USC §5101 et seq.; the Toxic Substances Control Act, 15 USC §§2601-2629; and the Safe Drinking Water Act, 42 USC §300f-300j; as each has been amended from time to time; or any similar state and local laws or ordinances or regulations implementing such statutes.

14. Flood Insurance Act. GRANTOR discloses that the Subject Property is not located in a "flood zone," as set forth on FEMA's "Special Flood Zone Area Maps." As a condition to obtaining financing on most properties located in "flood zones," some banks,

savings and loan associations and insurance lenders require that flood insurance be carried where such properties are security for the loan. This requirement is mandated by the FEMA National Flood Insurance Program and became effective August 1, 1968. GRANTEE acknowledges that GRANTEE has not received or relied upon any representations from either CITY or Broker(s) regarding the legal effect, interpretation or economic consequences of the National Flood Insurance Program and related legislation.

15. Earthquake Fault Zoning Act. CITY discloses that the Subject Property is not situated in a Special Study Zone as designated under the Alquist-Priolo Earthquake Fault Zoning Act, Sections 2621-2630, inclusive, of the California Public Resources Code, or otherwise in an area of the high geologic hazard ("Geologic Zone"). If the Subject Property is in a Geologic Zone, the construction or development on the Subject Property of any structure for human occupancy may be subject to the findings of a geologic report prepared by a geologist registered in the State of California.

16. Testing. GRANTEE may prior to close of escrow and at all reasonable times enter upon the Subject Property and conduct tests, take soil or water samples or soil borings to determine if Hazardous Substances exist. If, in GRANTEE's good faith estimate, the cost of remediating any such conditions which may be found is unacceptable to GRANTEE, GRANTEE may, at its sole option, rescind this Agreement and cancel the escrow. Provided, however, that GRANTEE shall exercise said option not later than thirty (30) calendar days after the date of this Agreement.

17. CITY's Warranties.

Except as otherwise expressly stated herein, GRANTEE agrees that it is purchasing the Purchase Property “as is” and “with all faults,” with no warranties by CITY of any kind, express or implied, with respect to the Subject Property or the condition thereof. By closing this transaction, GRANTEE hereby releases CITY and assumes all damages, claims, liabilities and obligations, whether known or unknown, arising from or related in any way to the Subject Property or the condition thereof, including without limitation the physical condition of the Subject Property, the presence and/or absence of Hazardous Substance in, on, under or affecting the Subject Property, and the compliance of the purchase. For purposes hereof, “Hazardous Substance” shall have the meaning ascribed to it in Paragraph 13 above.

CITY hereby represents and warrants to GRANTEE:

A. Contracts:

That there are no service contracts or other contractual obligations upon which CITY is obligated pertaining to the Subject Property, except those which can be terminated upon not more than thirty (30) calendar days’ notice.

B. Documents Delivered:

That all documents delivered to GRANTEE by CITY pursuant to the terms of this Agreement are complete and as of their respective dates true and correct.

C. Special Assessments or Condemnation:

That there are not presently pending any special assessments or condemnation actions against the Subject Property, or any part thereof, nor has CITY received

any notice of any special assessments or condemnation actions being contemplated.

D. Title:

1) Encumbrances:

That to CITY's best knowledge, the Subject Property is free and clear of all liens, encumbrances, claims, rights, demands, easements, leases, agreements, covenants, conditions, and restrictions of any kind, except for the Permitted Exceptions.

2) Encroachments:

That to CITY's best knowledge, there are no encroachments on the Subject Property from adjoining property, and the Subject Property does not encroach on any adjoining property, easements, or streets.

3) Streets:

That to CITY's best knowledge, there is no existing, proposed, or contemplated plan to widen, modify, or realign any street or highway.

E. Litigation:

That CITY is not involved in or aware of any pending or threatened litigation which does or will affect the Subject Property. There are no actions or proceedings pending or threatened against CITY before any court or administrative agency in any way connected with or relating to the Subject

Property, or affecting CITY's ability to fulfill all of its obligations under this Agreement.

F. Payment of All Obligations:

That as of close of escrow, there shall be no outstanding contracts made by CITY for any improvements to the Subject Property, which have not been fully paid for, and CITY shall cause to be discharged all mechanics' and materialmen's liens arising from any labor and material finished prior to close of escrow or shall cause a bond or be posted to secure payment of the mechanics' and materialmen's liens from a surety company and in an amount approved in advance, in writing, by GRANTEE. In the event that there are undischarged mechanics' and/or materialmen's liens affecting the Subject Property as of close of escrow, and CITY has not posted bonds securing payment of the liens pursuant to this subsection, GRANTEE shall have the option to assume or take the Subject Property subject to the undischarged liens and deduct the amount claimed under such liens (including interest and attorneys' fees) from the cash payable to CITY at close of escrow and to pay such liens in full.

G. Indemnification:

That CITY, to the fullest extent allowed by law, shall defend, indemnify and save and hold GRANTEE harmless from any liability, loss or claim for damages, including reasonable costs and attorneys' fees, arising out of the breach by CITY

of the covenants or any warranties or the falsity of any of the representations set forth in this paragraph.

H. Survival.

That CITY's representations, warranties and covenants contained in this paragraph shall survive close of escrow and the recordation of the Grant Deed.

18. Close of Escrow. The following are additional conditions to the close of escrow:

A. Title Policies:

Simultaneously with the close of escrow, escrow agent shall issue an ALTA Lender's Policy of Title Insurance in the amount of CITY's loan, showing the Deed of Trust as a valid lien against the Subject Property in favor of CITY and subject only to the following matters which are approved exceptions to title:

- 1) A lien for real property taxes, bonds, and assessments not then due; and
- 2) Other exceptions approved in writing by CITY prior to close of escrow.

Simultaneously with the close of escrow, escrow agent shall also issue an ALTA Owner's Policy of Title Insurance in the amount of GRANTEE's purchase price for the Subject Property, showing title to the Subject Property vested in GRANTEE subject only to the following matters which are approved exceptions to title:

- 1) A lien for real property taxes, bonds, and assessments not then due;
and
- 2) Other exceptions approved in writing by GRANTEE prior to close
of escrow.

B. Deposited by CITY:

On or prior to the close of escrow, CITY shall deposit with escrow agent the
following:

- 1) A copy of this Agreement, executed by both parties;
- 2) The Grant Deed, executed and acknowledged by CITY, in a form
approved by the City Attorney, evidencing the conveyance of fee title to
the Subject Property to GRANTEE;
- 3) The Parking Agreement executed by CITY;
- 4) CITY's share of closing costs, fees and prorations.

C. Deposited by GRANTEE:

On or prior to the close of escrow, GRANTEE shall deposit with escrow agent the
following:

- 1) A Promissory Note executed by GRANTEE, evidencing the
financial obligations of GRANTEE to CITY;
- 2) A Deed of Trust executed by GRANTEE, securing the financial
obligations of GRANTEE to CITY;
- 3) The Parking Agreement executed by GRANTEE; and

- 4) GRANTEE's share of closing costs, fees and prorations.

D. Closing Date:

The close of escrow shall take place on the closing date. On the closing date, escrow agent shall complete the close of escrow as follows and in the following order:

- 1) Obtain full execution of all unexecuted documents and date all undated documents (including without limitation any effective date or commencement date not otherwise dated) as of the closing date;
- 2) Record the Grant Deed (marked for return to GRANTEE), Deed of Trust (marked for return to CITY) and Parking Agreement (marked for return to CITY) with the Placer County Recorder (which shall be deemed delivery to the parties);
- 3) Issue the title policies described in this Agreement;
- 4) Prorate taxes, assessments, rents, and other charges as provided in this Agreement;
- 5) Charge the parties for those costs and expenses to be paid by the parties pursuant to this Agreement;
- 6) Prepare and deliver to both parties conformed copies of all recorded documents;

7) Prepare and deliver to both parties one signed copy of escrow agent's closing statement showing all receipts and disbursements of the escrow; and

8) Deliver the original, fully-executed Promissory Note to CITY.

19. Integrated Agreement. This is an integrated Agreement, and it contains all of the terms, considerations, understandings and promises of the parties. It shall be read as a whole. This Agreement may be modified, changed or rescinded only by an instrument in writing, executed by the parties.

20. Attorney's Fees; Venue; Governing Law. If either party commences any legal action against the other party arising out of this Agreement or the performance hereof, the prevailing party in such action shall be entitled to recover its reasonable litigation expenses, including but not limited to, court costs, expert witness fees, discovery expenses, and attorney's fees. Any action arising out of this Agreement shall be brought in Placer County, California, regardless of where else venue may lie. This Agreement shall be governed by and construed in accordance with the laws of the State of California.

21. Severability. If any of the provisions contained in this Agreement are for any reason held invalid or unenforceable, such holding shall not affect the remaining provisions or the validity and enforceability of the Agreement as a whole.

22. Binding Agreement. This Agreement shall be binding upon the heirs, successors, executors, administrators, and assigns of the parties.

23. Joint Effort. This Agreement is the result of the joint efforts and negotiations of parties hereto, and no single party is the author or drafter of it. The parties agree that this Agreement shall be interpreted as though each of the parties participated equally in the composition of this Agreement and each and every part of it.

24. Notice. Any notices to parties required by this Agreement shall be delivered or mailed, U.S. first class, postage prepaid, addressed as follows:

AGREEMENT FOR ACCESS AND PARKING

THIS AGREEMENT is made and entered into this ____ day of _____,
20____, by and between the City of Roseville, a municipal corporation ("CITY"), and Sunrise
Lions Club of Roseville, Inc., a California nonprofit corporation ("CLUB");

W I T N E S S E T H:

WHEREAS, CITY is the owner of approximately .169 acres of certain real property
located at 1203 Gabrielli Drive (APN 470-250-002-000) located in the City of Roseville, County
of Placer, more particularly described in Exhibit "A" which is attached hereto and is incorporated
herein by this reference ("Subject Property"); and

WHEREAS, on or about October 7, 2020, CITY and CLUB entered into a Purchase and Sale and Loan Agreement wherein CLUB agreed to purchase the Subject Property from CITY; and

WHEREAS, CLUB intends to operate a public meeting place on the Subject Property and accordingly needs parking; and

WHEREAS, CITY is also the owner of certain real property located adjacent to the Subject Property more particularly described in Exhibit "B" attached hereto and incorporated herein by reference ("CITY's Property"); and

WHEREAS, CITY operates a fire station on CITY's Property; and

WHEREAS, as a condition of the sale of the Subject Property to CLUB by CITY, CITY agreed to provide access and parking within CITY's Property to CLUB for the benefit of the Subject Property, pursuant to the terms set forth herein.

NOW, THEREFORE, pursuant to valuable consideration as set forth below and in the above recitals, incorporated by reference herein, CLUB and CITY agree as follows:

1. Grant of Rights. CITY hereby grants to CLUB, for the benefit of the Subject Property and its Users (as defined below), a perpetual exclusive right to: (a) use six (6) assigned parking stalls on CITY's Property for the purpose of parking vehicles and trucks (excluding big-rig trucks and trailers); (b) use designated driveways and drive aisles within CITY's Property to access said parking stalls, to service CLUB's trash bins located on the Subject Property, and to make deliveries to buildings located on the Subject Property; and (c) to use CITY's Property to

access the Subject Property through the shared driveway that borders the CITY's Property and the Subject Property. The foregoing right is intended for the use of the customers, suppliers, agents, invitees, licensees, tenants, members, and employees of the current and all future businesses and occupants (collectively "Users") of the buildings constructed or to be constructed on the Subject Property.

2. Limitations and Restrictions. CITY understands and agrees that the parking spaces on CITY's Property will be assigned and reserved for CLUB's exclusive use and CITY shall not use the parking stalls for parking vehicles or storing equipment.

CLUB understands and agrees that CLUB's and Users' use of CITY's Property shall be restricted as follows: (a) CLUB and Users shall not use CITY's Property to park big-rig trucks and trailers; (b) designated driveways and drive aisles shall not be used for parking; and (c) CLUB shall not install any equipment on CITY's Property or make any alterations or improvements without the prior written consent of CITY.

3. Maintenance. CITY shall have sole responsibility for the construction, operation and maintenance of CITY's Property.

4. Indemnification. To the fullest extent allowed by law, CLUB shall defend, indemnify, and save and hold harmless CITY, its officers, agents, employees, and volunteers from any claims, suits or actions of every name, kind and description brought forth, or on account of, injuries to or death of any person (including but not limited to workers and the public), or damage to property, resulting from or arising out of CLUB's or CLUB's agents' or employees' (in the course of their employment) willful misconduct or negligent act or omission

while engaged in the performance of obligations or exercise of rights created by this Agreement, excepting therefrom those matters arising from CITY's sole negligence or willful misconduct. CLUB's responsibility for such defense and indemnity obligations shall survive the termination or completion of this Agreement for the full period of time allowed by law. The parties intend that this provision shall be broadly construed.

5. Insurance. CLUB agrees to continuously maintain, in full force and effect, the following minimum policies of insurance during the term of this Agreement.

COVERAGE	LIMITS OF LIABILITY
Commercial General Liability	\$1,000,000 each occurrence \$2,000,000 aggregate Personal Injury: \$1,000,000 each occurrence \$2,000,000 aggregate
Automobile Liability	\$1,000,000 combined single limit

CLUB shall submit a certificate evidencing such coverage in a form satisfactory to Risk Management and the City Attorney. CLUB shall also provide a separate endorsement form or section of the policy showing CITY, its officers, agents, employees and volunteers as additional insureds for each type of coverage.

6. No Interest in Real Property. It is understood that this Agreement only provides CLUB and Users with an irrevocable right to use CITY's Property as prescribed in this Agreement, and does not convey an interest in real property.

7. Directive Signage. CITY shall be responsible, at CITY's cost and expense, for installing and maintaining signage in compliance with the California Vehicle Code and reasonably approved by CLUB which provides notice of authorized parking for CLUB's customers, suppliers, agents, members, and employees on the CITY's Property.

8. Non-Exclusive Agreement. CLUB agrees that this Agreement is non-exclusive and CITY may, in its sole direction, enter into agreements with other parties for the use of the CITY's Property for any purpose deemed to be in the best interest of the CITY provided such agreements do not materially interfere with the rights granted to CLUB under this Agreement.

9. Full Force. This Agreement shall remain in force commencing with the date hereof, until terminated, rescinded or amended as provided herein.

10. Amendment. The terms of this Agreement may be amended, terminated or rescinded in full only by a written agreement between CITY and CLUB.

11. Binding. This Agreement shall be binding on and shall inure to the benefit of the parties to this Agreement and their respective heirs, personal and legal representatives, successors and assigns. This Agreement shall be recorded and the rights and obligations of the parties hereto shall be construed as covenants running with the land comprising the CITY's Property for the benefit of the Subject Property pursuant to California Civil Code Section 1468 and shall be binding upon future owners, tenants, and holders of any interest in such land, or any portion thereof.

12. No Assignments. This Agreement shall not be assigned, sold, encumbered or transferred by CLUB in whole or in part without CITY's prior written consent.

13. Compliance with Laws. CLUB shall comply with all laws, rules, regulations, statutes and ordinances with respect to its use of CITY's Property, whether local, state or federal.

14. Notices. All notices which are required to be given hereunder, or which either party may wish to give, shall be in writing and shall be served either by personal delivery or by certified or registered mail, postage prepaid, addressed as follows:

To CITY:

Economic Development Director
City of Roseville
311 Vernon Street
Roseville, California 95678

To CLUB:

President
Sunrise Lions Club of Roseville, Inc.
P.O. Box 8
Roseville, California 95661

or to such other place as the parties may designate by written notice.

15. Entire Agreement. This Agreement constitutes the entire agreement by and between the parties relative to the use of CITY's Property, and any prior or contemporaneous oral or representatives relating to such use are hereby revoked and extinguished by this Agreement.

16. Attorney's Fees; Venue; Governing Law. If either party commences any legal action against the other party arising out of this Agreement or the performance hereof, the prevailing party in such action shall be entitled to recover its reasonable litigation expenses, including but not limited to, court costs, expert witness fees, discovery expenses, and attorney's fees. Any action arising out of this Agreement shall be brought in Placer County, California,

regardless of where else venue may lie. This Agreement shall be governed by and construed in accordance with the laws of the State of California.

17. Authority. Each party executing this Agreement on behalf of such entity represents that he or she is duly authorized to execute and deliver this Agreement on the entity's behalf.

18. Governing Agreement. In the event of any conflict between this Agreement and its Exhibits, the provisions of this Agreement shall govern.

19. Severability. If any of the provisions contained in this Agreement are for any reason held invalid or unenforceable, such holding shall not affect the remaining provisions or the validity and enforceability of the Agreement as a whole.

IN WITNESS WHEREOF, the City of Roseville, a municipal corporation, has authorized the execution of this Agreement in duplicate by its City Manager and attested to by its City Clerk under the authority of Resolution No. _____, adopted by the Council of the City of Roseville on the ____ day of _____, 20____, and Sunrise Lions Club of Roseville, Inc., has caused this Agreement to be executed.

AGREEMENT FOR ACCESS AND PARKING

THIS AGREEMENT is made and entered into this ____ day of _____,
20____, by and between the City of Roseville, a municipal corporation ("CITY"), and Sunrise
Lions Club of Roseville, Inc., a California nonprofit corporation ("CLUB");

W I T N E S S E T H:

WHEREAS, CITY is the owner of approximately .169 acres of certain real property
located at 1203 Gabrielli Drive (APN 470-250-002-000) located in the City of Roseville, County
of Placer, more particularly described in Exhibit "A" which is attached hereto and is incorporated
herein by this reference ("Subject Property"); and

WHEREAS, on or about October 7, 2020, CITY and CLUB entered into a Purchase and
Sale and Loan Agreement wherein CLUB agreed to purchase the Subject Property from CITY;
and

WHEREAS, CLUB intends to operate a public meeting place on the Subject Property and
accordingly needs parking; and

WHEREAS, CITY is also the owner of certain real property located adjacent to the Subject Property more particularly described in Exhibit "B" attached hereto and incorporated herein by reference ("CITY's Property"); and

WHEREAS, CITY operates a fire station on CITY's Property; and

WHEREAS, as a condition of the sale of the Subject Property to CLUB by CITY, CITY agreed to provide access and parking within CITY's Property to CLUB for the benefit of the Subject Property, pursuant to the terms set forth herein.

NOW, THEREFORE, pursuant to valuable consideration as set forth below and in the above recitals, incorporated by reference herein, CLUB and CITY agree as follows:

1. Grant of Rights. CITY hereby grants to CLUB, for the benefit of the Subject Property and its Users (as defined below), a perpetual exclusive right to: (a) use six (6) assigned parking stalls on CITY's Property for the purpose of parking vehicles and trucks (excluding big-rig trucks and trailers); (b) use designated driveways and drive aisles within CITY's Property to access said parking stalls, to service CLUB's trash bins located on the Subject Property, and to make deliveries to buildings located on the Subject Property; and (c) to use CITY's Property to access the Subject Property through the shared driveway that borders the CITY's Property and the Subject Property. The foregoing right is intended for the use of the customers, suppliers, agents, invitees, licensees, tenants, members, and employees of the current and all future businesses and occupants (collectively "Users") of the buildings constructed or to be constructed on the Subject Property.

2. Limitations and Restrictions. CITY understands and agrees that the parking spaces on CITY's Property will be assigned and reserved for CLUB's exclusive use and CITY shall not use the parking stalls for parking vehicles or storing equipment.

CLUB understands and agrees that CLUB's and Users' use of CITY's Property shall be restricted as follows: (a) CLUB and Users shall not use CITY's Property to park big-rig trucks and trailers; (b) designated driveways and drive aisles shall not be used for parking; and (c) CLUB shall not install any equipment on CITY's Property or make any alterations or improvements without the prior written consent of CITY.

3. Maintenance. CITY shall have sole responsibility for the construction, operation and maintenance of CITY's Property.

4. Indemnification. To the fullest extent allowed by law, CLUB shall defend, indemnify, and save and hold harmless CITY, its officers, agents, employees, and volunteers from any claims, suits or actions of every name, kind and description brought forth, or on account of, injuries to or death of any person (including but not limited to workers and the public), or damage to property, resulting from or arising out of CLUB's or CLUB's agents' or employees' (in the course of their employment) willful misconduct or negligent act or omission while engaged in the performance of obligations or exercise of rights created by this Agreement, excepting therefrom those matters arising from CITY's sole negligence or willful misconduct. CLUB's responsibility for such defense and indemnity obligations shall survive the termination or completion of this Agreement for the full period of time allowed by law. The parties intend that this provision shall be broadly construed.

5. Insurance. CLUB agrees to continuously maintain, in full force and effect, the following minimum policies of insurance during the term of this Agreement.

COVERAGE

LIMITS OF LIABILITY

Commercial General Liability

\$1,000,000 each occurrence
\$2,000,000 aggregate
Personal Injury:
\$1,000,000 each occurrence
\$2,000,000 aggregate

Automobile Liability

\$1,000,000 combined single limit

CLUB shall submit a certificate evidencing such coverage in a form satisfactory to Risk Management and the City Attorney. CLUB shall also provide a separate endorsement form or section of the policy showing CITY, its officers, agents, employees and volunteers as additional insureds for each type of coverage.

6. No Interest in Real Property. It is understood that this Agreement only provides CLUB and Users with an irrevocable right to use CITY's Property as prescribed in this Agreement, and does not convey an interest in real property.

7. Directive Signage. CITY shall be responsible, at CITY's cost and expense, for installing and maintaining signage in compliance with the California Vehicle Code and reasonably approved by CLUB which provides notice of authorized parking for CLUB's customers, suppliers, agents, members, and employees on the CITY's Property.

PROMISSORY NOTE
(Secured by Deed of Trust)

1203 Gabrielli Drive, Roseville

\$8,000

October 7, 2020

FOR VALUE RECEIVED, SUNRISE LIONS CLUB OF ROSEVILLE, INC., a California nonprofit corporation ("Borrower"), hereby promises to pay to the order of the CITY OF ROSEVILLE, a municipal corporation ("Lender"), the principal amount of eight thousand dollars (\$8,000.00) ("Loan").

1. **BORROWER'S OBLIGATION.** This Promissory Note ("Note") evidences the obligation of Borrower to Lender for the repayment of funds loaned to Borrower by Lender to finance the purchase of 1203 Gabrielli Drive in Roseville, California, described in Exhibit "A" attached hereto and incorporated herein by this reference ("the Property").

2. **INTEREST.** No interest shall be charged on the Loan; provided, however, if a Default occurs, interest on the Loan shall begin to accrue, as of the date of Default and continuing until such time as the Loan funds are repaid in full or the Default is cured, at the default rate of the lesser of three percent (3%) per annum, compounded annually (the "Default Rate") and the highest rate permitted by law.

3. **TERM.** The term of this Note shall commence on the date of this Note (the "Effective Date") and shall expire on October 7, 2024 (the "Term"). This Note shall be due and payable upon expiration of this Note, unless sooner due or paid as provided herein.

4. **MATURITY DATE.** The full amount of the outstanding principal advanced under this Note, together with all accrued but unpaid interest thereon, shall be due and payable in full, on the earliest of:

A. October 7, 2024; or

B. Sale, transfer, conveyance or alienation of all or any part of the Property by Borrower, by operation of law or otherwise. Such sale, transfer, conveyance or alienation shall include, without limitation, the following: gift; bequest, devise or other transfer on death or incapacity of Borrower; foreclosure or deed in lieu of foreclosure; or receipt of insurance proceeds for partial or total destruction of the Property, unless the Property is fully reconstructed; or

C. An Event of Default by Borrower as defined in Paragraph 11 of this Note which has not been cured in the manner and time provided in Paragraph 12 this Note.

5. **PLACE AND MANNER OF PAYMENT.** All amounts due and payable under this Note are payable at the following address, City of Roseville, Attn: Finance Department, 311 Vernon Street, Roseville, CA 95678, or at such other place as Lender may designate to Borrower in writing from time to time, in any currency of the United States which on the date of payment is legal tender for the payment of public and private debts.

6. **AMOUNT AND TIME OF PAYMENT.** Yearly Loan payments in the amount of two thousand dollars (\$2,000) shall be due and payable by Borrower on the following dates: October 7, 2021, October 7, 2022, October 7, 2023, and October 7, 2024.

7. **PREPAYMENT OF LOAN.** No prepayment penalty will be charged to Borrower for payment of any portion of this Note prior to the end of the loan term.

8. **WAIVERS BY BORROWER.** Borrower waives presentment, protest and demand, notice of protest, demand and dishonor and nonpayment of this Note and agrees to pay all costs of collection when incurred, including reasonable attorneys' fees, and to perform and comply with each of the covenants, conditions, provisions and agreements of any of the undersigned contained in every instrument now evidencing or securing said indebtedness. No extension of the time for the payment of this Note or any installment hereof made by agreement with any person now or hereafter liable for the payment of this Note shall operate to release, discharge, modify, change or affect the original liability under this Note, either in whole or in part, of any of the undersigned not a party to such agreement.

9. **DEED OF TRUST.** This Note is secured by a Deed of Trust with Assignment of Rents against the Property, recorded in the office of the County Recorder of Placer County. The Deed of Trust securing this Note provides that Lender may at its option, declare all funds secured by the Deed of Trust immediately due and payable, if any interest in the Property is sold, transferred or conveyed to any person, whether voluntarily or involuntarily.

10. **DEFAULT AND ACCELERATION.** Borrower agrees that the unpaid balance of the principal amount of this Note, together with all accrued interest thereon and charges owing, shall, at the option of Lender, become immediately due and payable upon any Event of Default as defined in Paragraph 11 of this Note which has not been cured pursuant to Paragraph 12 of this Note, including without limitation the failure of Borrower to make any payment when due.

11. **EVENT OF DEFAULT DEFINED.** For purposes of this Note, an "Event of Default" is defined as follows:

A. Borrower defaults in the payment of any principal or interest when due.

B. Lender discovers that Borrower, in any application to Lender in connection with the loan, has failed to disclose or has misrepresented any fact deemed by Lender to be material or which would have prevented Borrower from being eligible for the loan.

C. Lender discovers that Borrower has made any misrepresentations or has failed to disclose any fact deemed material by Lender in this Note or the Deed of Trust.

D. Borrower defaults or breaches any of the terms or conditions of this Note, the Deed of Trust, or the Purchase and Sale and Loan Agreement.

E. Borrower fails to perform any covenant, term or condition in any instrument creating a lien upon the Property which is the security under the Deed of Trust, or any part thereof, which lien may have priority over the lien of the Deed of Trust securing this Note.

F. The sale, transfer of title, conveyance or further encumbrance of the Property, in whole or in part, whether by sale, exchange, gift, inheritance, refinance, or other means, without prior written consent of Lender.

G. The occurrence of any of the following:

1. Borrower becomes insolvent or bankrupt or is unable or admits, in writing, Borrower's inability to pay its debts as they mature or makes a general assignment of or enters into any arrangement with creditors.

2. Proceedings for the appointment of a receiver, trustee or liquidator of the assets of Borrower or a substantial part of such assets, being authorized or instituted by or against the Borrower.

3. Proceedings under any bankruptcy, reorganization, readjustment of debt, insolvency, dissolution, liquidation, or other similar law of any jurisdiction being authorized or instituted against Borrower.

4. Foreclosure or tax sale of the Property.

H. The removal or addition of titleholders to the Property, or changes or modifications in title to the Property, without prior written consent of Lender.

I. The refinance of any existing loans affecting the Property, without prior written consent of Lender. However, the refinancing of any existing loan encumbering the Property for the sole purpose of realizing a more favorable interest rate or reducing payments, if approved by Lender in writing, will not constitute a default.

12. **CURE OF DEFAULT AND REMEDIES.** In the event of any breach or violation under this Note, Lender shall give written notice to Borrower specifying: (a) the nature of the breach or violation; (b) the action required to cure the breach or violation, if an action to cure is possible; and (c) a date, which shall not be less than fifteen (15) calendar days from the mailing of the notice, but which such action to cure must be taken, if an action to cure is possible. If Borrower fails to cure the breach or violation within the time frame specified in the notice, or

if a cure is not possible, Lender has the right, at its election, to: (a) proceed directly against Borrower to recover any and all loss, damage, liability, action, cause of action, cost or expense (including without limitation, reasonable attorneys' fees and expenses) incurred by Lender; or (b) pursue any other remedy allowed at law or in equity.

13. **CONSENTS AND APPROVALS.** Any consent or approval required under this Note shall not be unreasonably withheld or delayed.

14. **NOTICES.** Any notice, communications, or demands shall be in writing shall be delivered to Lender or Borrower at the addresses set forth below.

LENDER

Economic Development Director
City of Roseville
311 Vernon Street
Roseville, CA 95678

BORROWER

President
Sunrise Lions Club of Roseville, Inc.
P.O. Box 8
Roseville, CA 95661

Either party may amend its address for notice by giving notice to the other party in writing.

15. **BINDING UPON SUCCESSORS.** All provisions of this Note shall be binding upon and inure to the benefit of the heirs, administrators, executors, successors in interest, transferees, and assigns of Borrower and Lender.

16. **NO RELATIONSHIP.** Nothing in this Note shall create any relationship between Borrower and Lender, other than a debtor-creditor relationship. Borrower and Lender shall not be partners, joint venturers, equity venturers, or any other form of partnership or venture.

17. **ASSIGNMENT AND ASSUMPTION.** Borrower shall not assign any of its interests under this Note to any other party without the prior written consent of Lender. Any unauthorized assignment shall be void.

18. **GOVERNING LAW AND VENUE.** This Note shall be interpreted under and governed by the laws of the State of California, except for those provisions relating to choice of law and those provisions preempted by federal law. Any action arising out of this Note shall be brought in Placer County, California, regardless of where else venue may lie.

19. **SEVERABILITY.** Every provision of this Note is intended to be severable. If any provision of this Note is held invalid, illegal, or unenforceable by a court of competent jurisdiction, the validity, legality, and enforceability of the remaining provisions shall not be affected or impaired.

20. **TIME.** Time is of the essence in this Note.

21. **ATTORNEYS' FEES AND COSTS.** In the event of any Event of Default, or any legal action is commenced to interpret or to enforce the terms of this Note, the prevailing party in any such action shall be entitled to recover all reasonable attorneys' fees and costs incurred in such action. In addition, Borrower agrees to pay Lender all costs of enforcement of all or any portion of this Note and the Deed of Trust, including attorneys' fees, witness fees, investigator fees and court costs, incurred by Lender, whether or not litigation is commenced.

22. **WAIVER.** Any waiver by Lender of any obligation in this Note must be in writing. No waiver shall be implied from any delay or failure by Lender to take action on any breach or default by Borrower or to pursue any remedy allowed under this Note or applicable law. Any extension of time granted to Borrower to perform any obligation under this Note must be in writing signed by Lender and shall not operate as a waiver or release from any of Borrower's obligations under the Note. Borrower hereby waives all defenses and pleas on the grounds of any extensions of the time for repayment of any amounts due under this Note, unless Lender has granted such extensions in writing. Consent by Lender to any act or omission by Borrower shall not be construed to be a consent to any other act or omission or to waive the requirement for Lender's written consent to future waivers.

23. **AMENDMENTS AND MODIFICATIONS.** Any amendments or modifications to this Note must be in writing, and shall be effective only if executed by both Borrower and Lender.

24. **INTEGRATION.** This is an integrated Note and contains all of the terms, considerations, understandings and promises of the parties. It shall be read as a whole.

IN WITNESS WHEREOF, Borrower has executed this Note at Roseville, California, on _____, 2020.

When recorded, return to:

**CITY CLERK
CITY OF ROSEVILLE
311 Vernon Street
Roseville, CA 95678**

Deed of Trust and Assignment of Rents

THIS DEED OF TRUST is made as of October 7, 2020, by and between SUNRISE LIONS CLUB OF ROSEVILLE, INC. ("Borrower"), whose address is P.O. Box 8, Roseville, CA 95661 (and is the record owner thereof); the Trustee, PLACER TITLE COMPANY, whose address is 1508 Eureka Road, Suite 150, Roseville, CA 95661; and the Beneficiary, CITY OF ROSEVILLE, whose address is 311 Vernon Street, Roseville, CA 95678 ("Lender").

Borrower, in consideration of the indebtedness described below and the trust created by this Deed of Trust, irrevocably grants and conveys to Trustee, in trust with power of sale, the property ("Property") located in the City of Roseville, County of Placer, State of California and described in Exhibit "A", attached to and made a part of this Deed of Trust.

All easements, rights, appurtenances, rents (subject, however, to the rights and authorities given to Lender to collect and apply such rents), royalties, mineral, oil and gas rights and profits, water, water rights, and water stock, shall be deemed to be and remain a part of the property covered by this Deed of Trust; and all of the foregoing, together with said property (or the leasehold estate if this Deed of Trust is on a leasehold) are herein referred to as the "Property."

To secure to Lender (a) the repayment of the indebtedness evidenced by Borrower's promissory note of even date herewith ("Note"), in the principal sum of EIGHT THOUSAND DOLLARS (\$8,000), or such lesser amount as shall equal the aggregate amount disbursed to Borrower or for Borrower's account by Lender, with interest if any, due and payable in accordance with the Note; and (b) the performance of the covenants and agreements of Borrower contained in this Deed of Trust and the Note.

Borrower represents and covenants that Borrower is lawfully seised of the estate conveyed by this Deed of Trust and has the right to grant and convey the Property, and that Borrower will warrant and defend generally the title of the Property against all claims and demands, subject to any declarations, easements or restrictions listed in a schedule of exceptions to coverage in any title insurance policy insuring Lender's interest in the Property.

Borrower and Lender covenant and agree as follows:

1. Payment of Principal and Interest. Borrower shall promptly pay when due the principal and interest, if any, on the indebtedness evidenced by the Note. All payments received by Lender under the Note shall be applied by Lender first to interest payable on the Note, if any, and thereafter to the unpaid principal of the Note.
2. Charges; Liens. Borrower shall pay all taxes, assessments and other charges, fines and impositions attributable to the Property and leasehold payments or ground rents, if any, by Borrower making payment, when due, directly to the appropriate payee. Borrower shall promptly furnish to Lender all notices of amounts due under this paragraph, and in the event Borrower shall make payment directly, Borrower shall promptly furnish to Lender receipts evidencing such payments. Borrower shall pay when due any encumbrance, charge and lien, with interest in accordance with its terms, on the Property or any portion which are inferior or superior to this Deed of Trust.
3. Hazard Insurance. Borrower shall keep the improvements now existing or hereafter erected on the Property insured against loss by fire or hazards under a policy approved by Lender and which provides "special form" coverage in an

amount at least equal to the replacement value of the structure. In addition, Borrower shall insure against loss of all furniture, equipment and other personal property owned by Borrower related to Borrower's operation of the Property.

The insurance carrier providing the insurance shall be chosen by Borrower subject to approval by Lender; provided, that such approval shall not be unreasonably withheld. All premiums on insurance policies shall be paid by Borrower making payment, when due, directly to the insurance carrier, or in a manner agreed to by the Lender.

All insurance policies and policy renewals shall be written with loss payable to the Lender. Lender shall have the right to hold the policies and policy renewals, and Borrower shall promptly furnish to Lender all renewal notices and all receipts of paid premiums. In the event of loss, Borrower shall give prompt notice to the insurance carrier and Lender. Lender may make proof of loss if not made promptly by Borrower.

Unless Lender and Borrower otherwise agree in writing, insurance proceeds shall be applied to restoration or repair of the Property damaged, provided such restoration or repair is economically feasible and the security of this Deed of Trust is not hereby impaired. If such restoration or repair is not economically feasible or if the security of this Deed of Trust would be impaired, the insurance proceeds shall be applied to repay the sums secured by this Deed of Trust.

Unless Lender and Borrower otherwise agree in writing, any such application of insurance proceeds to principal shall not extend or postpone the due date of any payment or change the amount of such payment. If under Section 17, the Property is acquired by Lender, all right, title and interest of Borrower in and to any insurance policies and proceeds of such policies resulting from damage to the Property prior to the sale of acquisition shall pass to Lender to the extent of the sums secured by this Deed of Trust immediately prior to such sale or acquisition.

4. Liability Insurance. Borrower shall maintain premises liability insurance for the Property in a form and coverage approved by Lender. The insurance carrier shall be chosen by the Borrower subject to approval by the Lender; provided, that such approval shall not be unreasonably withheld. All premiums shall be paid by Borrower. Lender shall be named as an additional insured.

5. Preservation and Maintenance of Property. Borrower shall keep the Property in good repair and shall not commit waste or permit impairment, demolition, or deterioration of the Property.

6. Protection of Lender's Security. Borrower shall appear in and defend any action or proceeding purporting to affect the security under this Deed of Trust or the rights of the Lender. If Borrower fails to perform the covenants and agreements contained in this Deed of Trust, or if any action or proceeding is commenced which materially affects Lender's interest in the Property, including, but not limited to, foreclosure, involuntary sale, eminent domain, insolvency, code enforcement, or arrangements or proceedings involving a bankrupt or decedent, then Lender, at Lender's option, upon notice to Borrower, may make such appearances, disburse such sums and take such action as is necessary to protect Lender's interest, including, but not limited to, disbursement or reasonable attorney's fees and entry upon the Property to make repairs.

Any amounts disbursed by Lender pursuant to this Section, with interest, shall become additional indebtedness of Borrower secured by this Deed of Trust. Unless Borrower and Lender agree to other terms of payment, such amounts shall be payable upon notice from Lender to Borrower requesting payment, and shall bear interest from the date of disbursement at the highest rate permissible under applicable law. Nothing contained in this Section shall require Lender to incur any expense or take any action.

7. Inspection. Lender may make or cause to be made reasonable entries upon and inspections of the Property, provided that Lender shall give Borrower and occupants notice prior to any such inspection.

8. Condemnation. The proceeds of any award or claim for damages, direct or consequential, in connection with any condemnation or other taking of all or any part of the Property, or for conveyance in lieu of condemnation, are hereby assigned and shall be paid to Lender. In the event of a taking of all of the Property, the proceeds shall be applied to the sums secured by this Deed of Trust, subject to any claims of prior lienholders, with the excess, if any, paid to junior lienholders and Borrower, as they may determine. In the event of the partial taking of the Property, unless Borrower and Lender otherwise agree in writing, and subject to any claims of prior lienholders, there shall be applied to the sums

secured by this Deed of Trust such proportion of the proceeds as is equal to that proportion which the amount of the sums secured by this Deed of Trust immediately prior to the date of taking bears to the fair market value of the Property immediately prior to the date of taking, with the balance of the proceeds paid to junior lienholders and Borrower, as they may determine.

If the Property is abandoned by Borrower, or if, after notice by Lender to Borrower that the condemnor offers to make an award or settle a claim for damages, Borrower fails to respond to Lender within thirty (30) calendar days after the date such notice is mailed, Lender is authorized to collect and apply the proceeds, at Lender's option, either to restoration or repair of the Property or to the sums secured by this Deed of Trust.

Unless Lender and Borrower otherwise agree in writing, any such application of proceeds to principal shall not extend or postpone the due date of any payment or change the amount of such payment.

9. Borrower Not Released. Extension of the time for payment of the sums secured by this Deed of Trust granted by Lender to Borrower or any successor in interest of Borrower shall not operate to release, in any manner, the liability of the original Borrower and Borrower's successors in interest. Lender shall not be required to commence proceedings against such successor or refuse to extend time for payment by reason of any demand made by the original Borrower or Borrower's successors in interest.

10. Forbearance by Lender Not a Waiver. Any forbearance by Lender in exercising any right or remedy hereunder, or otherwise afforded by applicable law, shall not be a waiver or preclude the exercise of any such right or remedy. The procurement of insurance or the payment of taxes or other liens or charges by Lender shall not be a waiver of Lender's right to accelerate the maturity of the indebtedness secured by this Deed of Trust.

11. Remedies Cumulative. All remedies provided in this Deed of Trust are distinct from and cumulative to any other right or remedy under this Deed of Trust and the Note or afforded by law or equity, and may be exercised concurrently, independently or successively.

12. Successors and Assigns Bound; Joint and Several Liability; Captions. The covenants and agreements contained in this Deed of Trust shall bind, and the rights under this Deed of Trust shall inure to, the respective successors and assigns of Lender and Borrower. All covenants and agreements of Borrower shall be joint and several. The captions and headings of the paragraphs of this Deed of Trust are for convenience only and are not to be used to interpret or to define its provisions.

13. Notice. Except for any notice required under applicable law to be given in another manner, (a) any notice to Borrower provided for in this Deed of Trust shall be given by mailing such notice by certified mail addressed to Borrower at the address above, or at such other address as Borrower may designate by notice to Lender and (b) any notice to Lender shall be given by certified mail, return receipt requested, to Lender's address stated above or to such other address as Lender may designate by notice to Borrower. Any notice provided for in this Deed of Trust shall be deemed to have been given to Borrower or Lender when given in the manner designated.

14. Governing Law; Severability. This Deed of Trust shall be governed by the law of the State of California. In the event that any provision or clause of this Deed of Trust or the Note conflicts with applicable law, such conflict shall not affect other provisions of this Deed of Trust or the Note which can be given effect without the conflicting provision, unless expressly stated otherwise, and to this end the provisions of the Deed of Trust and the Note are declared to be severable.

15. Borrower's Copy. Borrower shall be furnished a conformed copy of the Note and of this Deed of Trust at the time of execution or after recordation hereof.

16. Transfer or Refinancing of the Property; Assumption. If all or any part of the Property or an interest in the Property is sold or transferred or refinanced by Borrower without Lender's prior written consent, Lender may, at Lender's option, declare all the sums secured by this Deed of Trust to be immediately due and payable. Lender shall have waived such option to accelerate if, prior to the refinancing, sale or transfer, Lender and the person to whom the Property is to be sold or transferred reach agreement in writing that the loan may be assumed. If Lender has waived the

option to accelerate provided in this Section and if Borrower's successor in interest has executed a written assumption agreement accepted in writing by Lender, Lender shall release Borrower from all obligations under this Deed of Trust and the Note.

If Lender exercises such option to accelerate, Lender shall mail Borrower notice of acceleration. Such notice shall provide a period of not less than thirty (30) calendar days from the date the notice is mailed, within which Borrower may pay the sums declared due. If Borrower fails to pay such sums prior to the expiration of such period, Lender may, without further notice or demand on Borrower, invoke any remedies permitted by Section 17.

17. Acceleration; Remedies. Except as provided in Section 16, upon Borrower's breach of any covenant or agreement of Borrower in this Deed of Trust or the Note (including the covenants to pay when due any sums secured by this Deed of Trust and restricting transfer of the Property), Lender shall mail notice to Borrower specifying: (1) the breach; (2) the action required to cure such breach; (3) a date, no less than thirty (30) calendar days from the date the notice is mailed to Borrower, by which the breach must be cured; and (4) that failure to cure such breach on or before the date specified in the notice may result in acceleration of the sums secured by this Deed of Trust and sale of the Property. If the breach is not cured on or before the date specified in the notice, Lender, at Lender's option, may declare all of the sums secured by this Deed of Trust to be immediately due and payable without further demand and may invoke the power of sale and any other remedies permitted by applicable law. Lender shall be entitled to collect from the Borrower, or sale proceeds, if any, all reasonable costs and expenses incurred in pursuing the remedies provided in this Section, including, but not limited to, reasonable attorney's fees.

If Lender invokes the power of sale, Lender shall execute or cause Trustee to execute a written notice of the occurrence of an event of default and of Lender's election to cause the Property to be sold and shall cause such notice to be recorded in each county in which any portion of the Property is located. Lender or Trustee shall mail copies of such notice in the manner prescribed by applicable law to Borrower and to the other persons prescribed by applicable law. Trustee shall give public notice of sale to the persons and in the manner prescribed by applicable law. After the lapse of such time as may be required by applicable law, Trustee, without demand on Borrower, shall sell the Property at public auction to the highest bidder at the time and place and under the terms designated in the notice of sale, in one or more parcels and in such order as Trustee may determine. Trustee may postpone sale of all or any parcel of the Property by public announcement at the time and place of any previously scheduled sale. Lender or Lender's designee may purchase the Property at any sale.

Trustee shall deliver to the purchaser a Trustee's deed conveying the Property so sold without any covenant or warranty, express or implied. The recitals in the Trustee's deed shall be conclusive evidence of the truth of the statements contained in the recitals. Trustee shall apply the proceeds of the sale in the following order: (a) to all reasonable costs and expenses of the sale, including, but not limited to, reasonable Trustee's and attorney's fees and costs of title evidence; (b) to all sums secured by this Deed of Trust; and (c) the excess, if any, to the person or persons legally entitled thereto as determined by Lender. In the event of a dispute regarding the excess funds, either Lender or Trustee may file an action in interpleader to determine who shall receive the funds and may then deposit the excess funds with the court.

18. Assignment of Rents; Appointment of Receiver; Lender in Possession. As additional security, Borrower assigns to Lender the rents of the Property, provided that Borrower shall, prior to acceleration under Section 16 or Section 17 or abandonment of the Property, have the right to collect such rents as they become due. Upon acceleration under Section 16 or Section 17 or abandonment of the Property, Lender, in person, by agent or by judicially appointed receiver, shall be entitled to enter upon, take possession of and manage the Property and to collect the rents of the Property, including those past due. All rents collected by Lender or the Receiver shall be applied first to payment of the costs of management of the Property and collection of rents, including, but not limited to receiver's fees, premiums on receiver's bonds and reasonable attorney's fees, and then to the sums secured by this Deed of Trust. Lender and the receiver shall be liable to account only for those rents actually received. The provisions of this Section, Section 16 and Section 17 shall operate subject to the claims of prior lienholders.

19. Reconveyance. Upon payment of all sums secured by this Deed of Trust, Lender shall request Trustee to reconvey the Property and shall surrender this Deed of Trust and all notes evidencing indebtedness secured by this Deed of Trust to Trustee. Trustee shall reconvey the Property without warranty and without charge to the person or persons legally

entitled to such reconveyance. Such person or persons shall pay all costs of recordation, if any. The recitals in the reconveyance of any matters or facts shall be conclusive evidence of the truth of the statements contained in the recitals.

20. Substitute Trustee. Lender, at Lender's option, may from time to time remove Trustee and appoint a successor trustee to any Trustee appointed under this Deed of Trust. Without conveyance of the Property, the successor trustee shall succeed to all the title, power and duties conferred upon the Trustee by this Deed of Trust and applicable law.

21. Request for Notice. Borrower requests that copies of the notice of default and notice of sale be sent to Borrower's address.

22. Statement of Obligation. Lender may collect a reasonable fee for furnishing the statement of obligation as provided by Section 2943 of the Civil Code of California, as it may be amended from time to time.

23. Use of Property. Borrower shall not permit or suffer the use of any of the Property for any purpose other than the use for which the same was intended at the time this Deed of Trust was executed.

24. Integration. This is an integrated Deed of Trust and contains all of the terms, considerations, understandings and promises of the parties. It shall be read as a whole.

IN WITNESS WHEREOF, Borrower has executed this Deed of Trust.

ORDINANCE NO. 6275

ORDINANCE OF THE COUNCIL OF THE CITY OF ROSEVILLE
AUTHORIZING CERTAIN AMENDMENTS TO THE FISCAL YEAR 2020-21
BUDGET AND DECLARING THIS ORDINANCE TO BE IMMEDIATELY
EFFECTIVE AS AN APPROPRIATION MEASURE

THE CITY OF ROSEVILLE ORDAINS:

SECTION 1. The City of Roseville Annual Budget, Fiscal Year 2020-21, is hereby amended by transferring appropriation to and from the activities indicated below:

Appropriate funds for the sale of approximately .169 acres of certain real property located at 1203 Gabrielli Drive (APN 470-250-002-000), per request of the Economic Development Department, as listed on the attached Request for Budget Adjustment in the amount of \$1,000.

SECTION 2. This ordinance is hereby declared to be an appropriation measure, immediately effective pursuant to the provisions of Section 5.03 of the Charter.

SECTION 3. The City Clerk is hereby authorized and directed to post a true copy of the foregoing ordinance in each of three (3) conspicuous locations in the City and she shall immediately after such posting enter in the ordinance book, under the record of the ordinance, a certificate under her hand stating the time and place of such publication by posting.

PASSED AND ADOPTED by the Council of the City of Roseville, this

Justification for Budget Adjustment:

The City is entering into a Purchase and Sale and Loan Agreement, an Agreement for Access and Parking, and a Grant Deed with the Lions Club of Roseville for the property at 1203 Gabrielli Drive (APN: 470-250-002-000). This property was declared surplus by the City Council on October 23, 2019. This parcel is underutilized, and there are no identified future needs for this property. The entire parcel is occupied by a building owned by the Lions Club of Roseville. The purchase price is \$10,000, with \$2,000 minus the City's share of escrow fees due at the time of sale and the remaining amount due in four annual payments of \$2,000 starting on FY2021-2022 through FY2024-2025. There are no costs or fiscal impacts associated with this request to the General Fund.

COUNCIL COMMUNICATION

CC #: 1014

File #: 0113-02 & 0201-01

Title: Community Development Block Grant Program - Budget Adjustment

Contact: Melissa Hagan 916-774-5476 mhagan@roseville.ca.us

Meeting Date: 10/7/2020

Item #: 7.22.

RECOMMENDATION TO COUNCIL

Staff requests that the City Council adopt an ordinance approving a budget adjustment for the Community Development Block Grant (CDBG) fund in the amount of \$1,289,379 to increase revenues and expenditures for:

- CARES ACT funding awarded to the City in FY2019-20;
- Unobligated availability from prior years;
- Obligated availability unspent from FY2019-20.

BACKGROUND

The City became a CDBG entitlement jurisdiction in 1986. These annual grants fund affordable housing, public facilities and improvements, planning, program administration, and public service activities. The annual grant funding is allocated from the federal Department of Housing and Urban Development (HUD) and the amount awarded to each is subject to the federal budgeting process.

In May 2020, HUD awarded the City of Roseville \$709,562 for its entitlement grant for FY2020-21 and the City Council approved that amount in the budget in June 2020. However, the costs associated with public improvements and public services are not able to be identified in detail at that time since HUD has final approval of CDBG annual spending. HUD typically approves the CDBG annual spending plan in August and that approval/plan outlines how the entitlement grant will be spent in detail. Following HUD's approval, Housing Division staff requests a budget adjustment in October of each year to finalize the budget based on HUD's approval.

Additionally, as in previous years, there is entitlement funding available to be drawn down from HUD that was not spent in the previous year. Staff completed an analysis at year-end and determined that \$493,218 of council-approved expenditures have not been completed and therefore needed to be re-budgeted for FY2020-21. This funding availability from prior program years will be used on public improvement projects that benefit low income neighborhoods and populations, including the AMIH Solar Project on Main Street, the Gathering Inn bathroom renovation and other project costs.

The program also has \$251,207 of unobligated funding available that staff has been able to identify a portion to be spent on the Micro-Enterprise loans, as well as other public improvements. Staff is also estimating that \$95,000 of program income will be received during FY2020-21 of which \$76,000 can be used for owner-occupied rehab loans with the balance for administrative costs. Staff has the ability to augment funding for public services, normally capped at 15% of the current entitlement, by calculating 15% of the prior year's program income received; which totals \$32,542.

In May of 2020, Council approved the CDBG Plan amendment that included a budget adjustment for the federal Coronavirus Aid, Relief and Economic Security Act (CARES ACT) funding in the amount of \$417,412. These funds provide money for COVID-19-related projects specifically for the Gathering Inn Shelter in Place program and for Micro-Enterprise loans intended for economic relief for small businesses. The programs using the CARES ACT funding were not able to be completed by the end of FY2019-20 and are therefore part of this budget adjustment. These programs will be completed by the end of FY2020-21.

The total expenditures in the attached budget adjustment are \$1,285,768 and will be added to the adopted budget of \$713,173 for a total of \$1,998,941. The total revenues in the attached budget adjustment total \$1,289,379 and will be added to the adopted budget of \$709,562 for a total of \$1,998,941.

The Budget Adjustment detail included as Attachment B outlines specific accounts and description of the items included in both the expenditure and revenue budget adjustment.

FISCAL IMPACT

The source of funds for the CDBG program expenditures is federal grants. This budget adjustment has no impact to the General Fund.

ENVIRONMENTAL REVIEW

The California Environmental Quality Act (CEQA) does not apply to activities that will not result in a direct or reasonably foreseeable indirect physical change in the environment, or is otherwise not considered a project as defined by CEQA Statute §21065 and CEQA State Guidelines §15060(c)(3) and §15378. A budget adjustment meets the above criteria and is not subject to CEQA. No additional environmental review is required.

Respectfully Submitted,

Melissa Hagan, Administrative Analyst

Laura Matteoli, Economic Development Director

Dominick Casey, City Manager

Justification for Budget Adjustment:

The City received its annual FY2020-21 CDBG entitlement award totaling \$709,562 and \$713,137 was budgeted in salaries, wages and benefits, as well as general administrative costs with the balance of the award budgeted to accounts as a placeholder for the expenditures. Since that time, an analysis has been performed of the adopted budget that was not spent in FY2019-20 and will now be spent in FY2020-21 in addition to unobligated funds available from CDBG that will be programmed for FY2020-21. Specific programs and accounts have also been identified. Additional revenues not previously spent will increase available resources in order to balance the budget for FY2020-21.

Title: Westbrook Boulevard and Payson Avenue/Octave Avenue Intersection Improvement and Pleasant Grove Changeable Message Sign Project - Award of Contract and Budget Adjustment

Contact: Jerome Pastor 916-746-1300 jpastor@roseville.ca.us

Meeting Date: 10/7/2020

Item #: 7.23.

RECOMMENDATION TO COUNCIL

Staff recommends the City Council do the following in support of the construction of the Westbrook Boulevard and Payson Avenue/Octave Avenue Intersection Improvement and Pleasant Grove Boulevard Changeable Message Sign Project:

1. Adopt a resolution approving an agreement with May-Han Electric dba M&M Electric in the amount of \$687,000, authorizing the City Manager to execute the agreement, and authorizing staff to approve change orders in an amount not to exceed 10% of the contract amount; and
2. Adopt the attached ordinance for a budget adjustment to allocate funds for a total construction cost of \$994,950, paid for by Traffic Mitigation Funds.

BACKGROUND

The Westbrook Boulevard and Payson Avenue/Octave Avenue intersection is currently controlled by a four-way stop. The intersection was recently re-evaluated for right-of-way controls and determined to meet warrants for a traffic signal. Findings supporting the installation of a traffic signal include:

- The intersection is experiencing increasing traffic volumes;
- The intersection is used heavily by pedestrians and bicyclists;
- A multi-use trail crosses the northern leg of the intersection that serves several nearby schools including the nearby West Park High School;
- The intersection is planned for signalization in the CIP

The intersection improvements will provide enhanced right-of-way controls for the orderly movement of vehicle traffic and improve pedestrian and bicyclist safety through the use of a high-visibility/green crosswalk similar to the one installed with the recently completed Junction Boulevard and Park Regency Drive Traffic Signal Project. The crosswalk will be wider than a typical crosswalk to allow for its simultaneous use by pedestrians and bicyclists while still

providing separate pedestrian and bicyclist crossing activations. The distinct activations will guarantee that each user type is allocated enough time to cross Westbrook Boulevard, while minimizing vehicle delays at the intersection. The intersection will also include a flashing yellow arrow which provides enhanced efficiency by reducing vehicle delays.

In addition, this project includes the installation of a new changeable message sign (CMS) on westbound Pleasant Grove Boulevard between Roseville Parkway and Highway 65 (see attached project map). The City Council adopted the ITS (Intelligent Transportation Systems) Master Plan in 2005 (revised in 2020). One of the many elements contained in that Plan is the deployment of strategically placed CMS's on critical arterial roadways within the City. Changeable message signs help reduce traffic congestion by communicating traffic-related information to the motoring public. Since the adoption of the Master Plan, ten CMS's have been installed in Roseville.

City Council approved the project plans and specifications and authorized the call for bids at the July 15, 2020 meeting. Staff received two bids which were opened on August 11, 2020. The engineer's estimate, bid results, and estimated project soft costs are as follows:

Construction Cost	
	Bid Results
Engineer's Estimate	\$753,676
M&M Electric (lowest responsive bidder)	\$687,000
Pacific Excavation	\$826,314
Associated Soft Costs	
Change order authority (10%)	\$68,700
City-supplied equipment	\$100,000
City staff time	\$29,250
Construction management and inspection	\$110,000

The total cost of the lowest responsive bid for construction, plus associated soft costs, is \$994,950.

Construction is anticipated to begin this fall and be completed in the summer of 2021.

FISCAL IMPACT

A budget adjustment is recommended to allocate construction funding for a total cost of \$994,950. The project is paid for by Traffic Mitigation Funds. No General Fund resources will be used.

ENVIRONMENTAL REVIEW

Westbrook Boulevard and Payson Avenue/Octave Avenue: Implementation of the proposed project, signalization at Westbrook Drive and Payson Avenue, was previously evaluated in the Amoruso Ranch Specific Plan Final EIR (SCH# 2008032115) certified by the City Council June 15, 2016. The proposed project is consistent with the project evaluated in the certified Final EIR and consequently no additional CEQA action is required.

Pleasant Grove Boulevard Changeable Message Sign: The proposed installation of the Changeable Message Sign on Pleasant Grove Boulevard qualifies for a Class 1 exemption as described in Section 15301 of the California Environmental Quality Act (CEQA) guidelines. It also qualifies for a Class 4 exemption as described in Section 15304 of the California Environmental Quality Act (CEQA) guidelines. The project includes the modification of existing street infrastructure, is confined to existing City right-of-way, and would not result in expansion of use. No environmentally sensitive resources are located within the project site, therefore the Class 1 and 4 exemptions apply to the proposed project. A Notice of Exemption has been prepared and is on file with the City Clerk's Office.

Respectfully Submitted,

Jerome Pastor, Assistant Engineer

Jason Shykowski, Public Works Director

Dominick Casey, City Manager

A G R E E M E N T

THIS AGREEMENT, is made and entered into this ____ day of _____, 20____, by and between the City of Roseville, a municipal corporation, (“CITY”), and May-Han Electric Inc. dba M & M Electric, a California Corporation, (“CONTRACTOR”); and

W I T N E S S E T H:

WHEREAS, the City Council of the CITY, at a meeting held on the 15th day of July, 20 20, approved plans and specifications for the Westbrook Blvd and Payson Ave/Octave Ave Intersection Improvements and Pleasant Grove Blvd Changeable Message Sign Project and directed the City Clerk to advertise for sealed proposals for doing said work and providing that bids be submitted on the 11th day of August, 20 20; and

WHEREAS, the City Clerk, thereafter duly and regularly caused a notice to be published in the manner and for the time prescribed by law; and

WHEREAS, CONTRACTOR, pursuant to the provisions of said notice duly filed a bid with the City Clerk, a true copy of which bid is now on file in the office of the City Clerk, and is hereby referred to and by this reference made a part hereof as fully as if set forth at length herein; and

WHEREAS, all bids received pursuant to said notice were opened and examined and publicly declared at the time specified in said advertisement for bids and at a meeting of the City Council held on the 7th day of October, 20 20, the Council found and

declared the bid of CONTRACTOR to be the lowest responsible bid and thereupon awarded a contract to CONTRACTOR to do the work referred to in the aforementioned specifications.

NOW, THEREFORE, the parties agree as follows:

1. THE WORK. CONTRACTOR agrees:

a. To do the work and furnish all the labor, materials, tools, supplies, equipment, superintendence, insurance, and bonds required for the Westbrook Blvd and Payson Ave/Octave Ave Intersection Improvements and Pleasant Grove Blvd Changeable Message Sign Project in accordance with the Contract Documents (the Work).

b. To do and perform the Work contemplated hereby in a good and workmanlike manner under the direction of and to the satisfaction of the Director of Public Works of the City of Roseville.

2. PAYMENT. CITY shall pay CONTRACTOR Six Hundred Eighty Seven Thousand dollars (\$ 687,000.00) for the Work to be done under this Agreement in accordance with the Contract Documents.

3. CONTRACT DOCUMENTS. The complete Agreement between the parties hereto consists of the following documents:

a. The advertisement for bids (including the notice to bidders, instructions to bidders and proposals);

b. The accepted bid;

c. Plans and specifications (including standard construction specifications, special provisions and construction details);

d. Bonds and insurance required by the specifications; and

e. This contract.

All documents specified above are intended to operate so that any work called for in any one and not mentioned in the other, or vice versa, is to be executed the same as if mentioned in all said documents.

4. LIQUIDATED DAMAGES. In the event CONTRACTOR does not complete the Work within the time specified, CONTRACTOR agrees that CITY will suffer damages. Inasmuch as the actual damages which would result from such breach by CONTRACTOR under this Agreement are uncertain, and would be impractical or extremely difficult to fix, CONTRACTOR agrees that it shall pay, or CITY shall deduct from CONTRACTOR's fee, the amount of \$1,900.00 per day as liquidated damages, in the event of such delay.

5. TIME OF COMPLETION. Time is of the essence of this Agreement. CONTRACTOR shall complete all Work under the Contract Documents within 55 Days of the date of this Contract. CONTRACTOR shall begin work by the date specified in the "Notice to Proceed" letter and shall diligently prosecute all of the Work under this Contract in all parts and requirements as defined in the Contract Documents.

6. SERVICE OF NOTICE. Any notice required or permitted to be given under this Agreement shall be deemed given when (a) personally delivered to the recipient identified below; (b) mailed by registered or certified mail, return receipt requested, postage pre-paid, to the address specified below; or (c) sent by facsimile, with confirmation of receipt, to the facsimile number identified below.

CITY may also act through either its architect or construction manager if CITY expressly gives notice to CONTRACTOR, in writing, that CITY's designee has authority to act for CITY in a specific capacity.

7. DISPUTES. Disputes arising from this Agreement will be determined in accordance with the Contract Documents and Public Contract Code Sections 10240-10240.13.

8. GOVERNING LAW. This Agreement shall be governed by and construed in accordance with the laws of the State of California.

9. INDEPENDENT CONTRACTOR. CONTRACTOR shall act as an independent contractor, and covenants and agrees that it will conduct itself consistent with such status, that it will neither hold itself out as, nor claim to be, an officer or employee of CITY by reason of this Agreement.

10. SUCCESSORS IN INTEREST. This Agreement shall be binding upon the heirs, successors, executors, administrators and assigns of the respective parties hereto.

11. MODIFICATION. This Agreement and each provision contained herein may be waived, amended, supplemented or eliminated only by mutual written agreement of the parties.

12. SEVERABILITY. If any of the provisions contained in this Agreement are for any reason held invalid or unenforceable, such holding shall not affect the remaining provisions or the validity and enforceability of the Agreement as a whole.

13. INTEGRATED AGREEMENT. This is an integrated agreement and contains all of the terms, considerations, understanding and promises of the parties. It shall be read as a whole.

14. CONTRACTORS LICENSE LAW. CONTRACTORS ARE REQUIRED BY LAW TO BE LICENSED AND REGULATED BY THE CONTRACTORS' STATE LICENSE

BOARD WHICH HAS JURISDICTION TO INVESTIGATE COMPLAINTS AGAINST CONTRACTORS IF A COMPLAINT REGARDING A PATENT ACT OR OMISSION IS FILED WITHIN FOUR (4) YEARS OF THE DATE OF THE ALLEGED VIOLATION. A COMPLAINT REGARDING A LATENT ACT OR OMISISON PERTAINING TO STRUCUTRAL DEFECTS MUST BE FILED WITHIN TEN (10) YEARS OF THE DATE OF THE ALLEGED VIOLATION. ANY QUESTIONS CONCERNING A CONTRACTOR MAY BE REFERRED TO THE REGISTRAR, CONTRACTORS' STATE LICENSE BOARD, P.O. BOX 26000, SACRAMENTO, CALIFORNIA 95826.

IN WITNESS WHEREOF, the City of Roseville, a municipal corporation, has authorized the execution of this Agreement in duplicate by its City Manager and attestation by its City Clerk under authority of Resolution No. _____, adopted by the Council of the City of Roseville on the _____ day of _____, 20_____, and CONTRACTOR has caused this Agreement to be duly executed.

Title: Meritage Bike Trail - Budget Adjustment

Contact: Jeannie Gandler 916-746-1289 jgandler@roseville.ca.us

Meeting Date: 10/7/2020

Item #: 7.24.

RECOMMENDATION TO COUNCIL

Staff recommends that the City Council adopt an ordinance to approve a budget adjustment allocating West Roseville Specific Plan (WRSP) bike trail fees in the amount of \$242,995 to the Meritage trail project located in WRSP Parcel W-81.

BACKGROUND

On May 15, 2019, the City Council approved a reimbursement agreement between the City and Meritage Homes in the amount of \$255,958 and a corresponding budget adjustment for construction of an approximately 0.5 mile long segment of multi-use trail within WRSP open space Parcel W-81. This trail segment extends from just north of Fairbanks Court to the east end of Westpark Village W-18B at Mt. Evans Circle, which is approximately 700 feet west of the recently-constructed extension of Westbrook Boulevard.

Meritage recently completed trail construction and submitted a request to the City for reimbursement. Staff has confirmed that Meritage is eligible for reimbursement in the amount of \$242,994.13. Meritage concurs with this assessment and has submitted an invoice in this amount. The reason this amount is lower than the original reimbursement agreement and previously-adopted budget is because the original estimate included a construction contingency that was not fully expended.

As staff processed the reimbursement request we discovered that the budget authority created by the prior budget adjustment approved in May 2019 was not carried forward from the City's old accounting system into the new accounting system. As a result, staff is requesting that the City Council re-adopt the budget for this project, this time in the amount of \$242,995 (reimbursement amount rounded up to nearest dollar). This will allow the City to move forward with payment to Meritage Homes per the existing reimbursement agreement.

FISCAL IMPACT

The recommended budget adjustment will provide budget authority to reimburse Meritage with available resources in the Neighborhood Park - West Roseville SP Fund. This fund receives its money through the payment of bike trail fees upon the issuance of each residential building permit in the WRSP. Adequate resources are available in the Neighborhood Park - West Roseville SP Fund; no General Fund resources will be used for the project.

ENVIRONMENTAL REVIEW

The City Council certified the WRSP EIR on February 2, 2004, with State Clearinghouse Number 2002082057. The EIR provides environmental analyses of community infrastructure and facilities, including parks, pedestrian bridges, and bike trails. Construction of the Westpark Phase 4 Village W-18D Bike Trail was found to be consistent with the WRSP EIR.

Because the project is consistent with the West Roseville Specific Plan Final EIR and Specific Plan, no new effects were expected to occur and all applicable mitigation measures from the WRSP EIR were implemented during design and construction of the project. Since the proposed project meets the requirements identified in Section 15183 of the State CEQA Guidelines, no additional CEQA review was required.

Respectfully Submitted,

Jeannie Gandler, Alternative Transportation Analyst II/Bikeways

Jason Shykowski, Public Works Director

Dominick Casey, City Manager

Justification for Budget Adjustment:

The City intends to enter into a developer reimbursement agreement to construct the Wespark Phase 4 Village W-18D class 1 bike trail within Open Space Parcel W-81 of the West Roseville Specific Plan (WRSP). Previously collected development impact fees are being utilized to fund this project. Council originally established the budget for this project in Fiscal Year (FY) 2018-19 in the amount of \$255,958 but it did not carry forward from IFAS into Oracle as it was budgeted as an operating expense. This request does not duplicate prior budget authorization.

COUNCIL COMMUNICATION

CC #: 1016

File #: 0721 & 0201-01

Title: Fiddymment Ranch Phase 3 Trail Project - Reimbursement Agreement and Budget Adjustment

Contact: Michael Dour 916-746-1304 mdour@roseville.ca.us

Meeting Date: 10/7/2020

Item #: 7.25.

RECOMMENDATION TO COUNCIL

Staff recommends that the City Council:

1. Adopt an Ordinance to approve a Budget Adjustment allocating of \$2,266,051 in West Roseville Specific Plan bike trail fees for the design and construction of the Fiddymment Ranch Phase 3 Trail project.
2. Adopt a Resolution authorizing the City Manager to execute a Reimbursement Agreement in the amount of \$2,381,051 for the Fiddymment Ranch Phase 3 Trail project between the City and JEN California 15, LLC.

BACKGROUND

JEN California 15, LLC, (aka Taylor Builders) is proposing to design and construct the Fiddymment Ranch Phase 3 Trail Project. This project is a 1.25-mile long multi-use trail within the West Roseville Specific Plan (WRSP) open space parcels F-84 and F-85.

The completed multi-use trail will be constructed adjacent to and south of Pleasant Grove Creek from the existing terminus of the trail at Fiddymment Road to the west boundary of the WRSP at Blue Oaks Boulevard, where it will connect with planned trails of the Creekview Specific Plan. The trail will include a bridge across Kaseberg Creek, several culvert crossings of smaller drainages, an undercrossing of Hayden Parkway, and connectors to Fiddymment Road, Blue Oaks Boulevard and Hayden Parkway.

The trail has been designed with four distinct segments as shown in Exhibit A of the Reimbursement Agreement. The requested actions would authorize design of Segments 1-4 and construction of segments 1-2, including the bridge over Kaseberg Creek. The estimated cost of this work is \$2,381,051 as shown in the preliminary Engineer's Estimate provided in Exhibit B of the Reimbursement Agreement. If approved, trail construction could begin as early as the fall of 2020, with the majority of construction activities conducted in the summer of 2021.

Construction of segments 3-4 is not included in the proposed actions due to insufficient resources within the Neighborhood Park - West Roseville SP Fund. WRSP bike trail fees are paid when residential permits are issued within the plan area. As sufficient funds become available, the City will work with Taylor Homes to adjust the budget and amend the reimbursement agreement for construction of segments 3-4. At the current rate of home construction, sufficient funds for Segments 3-4 could be available as early as 2021 or 2022.

FISCAL IMPACT

Funding for the project is from the Neighborhood Park - West Roseville SP Fund, which is derived from the payment of bike trail fees paid upon the issuance of residential building permits within the WRSP. The City Council previously budgeted \$115,000 for this project. Sufficient WRSP bike trail fees are available to authorize the recommended budget adjustment of \$2,266,051 to cover the balance of the estimated cost for design of the entire project and construction of Segments 1-2 as described above. No General Fund resources will be used for the project.

ENVIRONMENTAL REVIEW

The City Council certified an Environmental Impact Report (EIR) and adopted Findings of Fact, Statements of Overriding Considerations, and a Mitigation Monitoring Plan for the WRSP on February 2, 2004, State Clearinghouse Number 2002082057. The WRSP EIR provides environmental analysis of community infrastructure and facilities, including parks, pedestrian bridges, and bike trails.

Construction of the project is within the scope of the WRSP EIR, no new environmental effects are expected to occur, and the project will comply with all applicable mitigation of the WRSP EIR. Because the project meets the requirements identified in Section 15183 of the State CEQA Guidelines, no additional CEQA review is required.

CITY/DEVELOPER
REIMBURSEMENT AGREEMENT

Fiddymment Ranch Phase 3 Trail Project

THIS AGREEMENT is made and entered into this ____ day of _____, 20__, by and between the City of Roseville, a municipal corporation ("CITY") and JEN California 15, LLC, a limited liability company ("DEVELOPER"); and

W I T N E S S E T H:

A. DEVELOPER is the owner of a certain parcel of real property under development within the City of Roseville, known as Fiddymment Ranch Phase 3 and described as Assessor's Parcels Numbers 492-012-090-000 and 492-011-001-000 ("Property").

B. DEVELOPER has agreed to construct and install on the Property a Class I bike trail within Parcels F-84 and F-85 of the West Roseville Specific Plan ("WRSP") as shown within Exhibit "A" and attached hereto and made part of this agreement ("Public Improvements").

C. DEVELOPER and CITY will substantially benefit from the construction and installation of the Public Improvements as described in paragraph B above.

D. The total cost of designing and constructing the Public Improvements as estimated using current prevailing wages and in accordance with the conceptual plans and preliminary cost estimates is estimated as approximately two million, three hundred eighty-one thousand, fifty-one dollars (\$2,381,051.00) ("Improvement Costs"), as more particularly

set out in the breakdown of costs ("Breakdown of Costs"), Exhibit "B," attached and incorporated by this reference.

E. Pursuant to the Breakdown of Costs, the parties have determined that the obligation of Improvement Costs will be allocated between CITY, and DEVELOPER as follows:

DEVELOPER	\$ _____
CITY	\$2,381,051.00
TOTAL	\$2,381,051.00

F. DEVELOPER and CITY desire to enter into this Agreement providing for the direct installation by DEVELOPER of the Public Improvements in accordance with the approved concept plans, for subsequent reimbursement of the total Improvement Costs by CITY directly to DEVELOPER.

NOW, THEREFORE, in consideration of the covenants set forth herein, CITY and DEVELOPER hereby agree as follows:

1. Construction of the Public Improvements. DEVELOPER shall cause the Public Improvements to be designed, constructed, and installed in accordance with the CITY's Class I bike trail Design/Construction Standards and the WRSP Bikeway Plan.
2. Reimbursement of the Costs of the Public Improvements. In consideration of the satisfactory completion of the Public Improvements, CITY shall reimburse DEVELOPER for those portions of the Improvement Costs attributable to CITY as set forth in Recital E, hereof (the "Reimbursable Costs"). CITY and DEVELOPER acknowledge that the actual

Reimbursable Costs may vary from the estimated costs, depending upon the actual costs of constructing and installing the Public Improvements. Any variation in costs shall be agreed to by the parties.

The Reimbursable Costs shall include the estimated amount for the Public Improvements as reflected on the Breakdown of Costs and reasonable change orders, as approved by CITY.

3. Timing of Reimbursements. CITY shall reimburse DEVELOPER for the total Reimbursable Costs as follows:

a. Design, Engineering and Surveying Services. DEVELOPER shall submit monthly invoices for design, engineering, and surveying services provided in connection with the Public Improvements. Such invoices shall be delineated by task, the person performing the services, and the hourly rate, which shall be stated in time increments of not greater than one-fourth (1/4) hours. CITY shall pay invoices within thirty (30) days after receipt, if the services specified in the invoice have been satisfactorily completed.

b. Construction Costs. Once per month, DEVELOPER shall prepare a request for partial payments for approval by CITY evidencing the construction costs for which reimbursement is to be provided in accordance with this Agreement. The estimate shall include the total amount of construction work completed and inspected, and include the costs of any materials utilized in connection with the Public Improvements. CITY shall retain ten percent (10%) of such estimated value of the work completed and ten percent (10%) of the value of materials so estimated to have been furnished, delivered and unused or furnished and stored as partial security for the fulfillments of this Agreement by DEVELOPER. CITY shall pay monthly to DEVELOPER, while carrying on the construction work for the Public Improvements, the balance not retained, after deduction therefrom all previous payments and all sums to be kept

or retained under the provisions of this Agreement. No such estimate or payment shall be required to be made when, in the judgment of CITY, the construction work is not proceeding in accordance with the provisions of this Agreement, or when in the judgment of CITY the total value of the work done since the last estimate amounts to less than three hundred dollars (\$300). No such estimate or payment shall be construed to be an acceptance of any defective work or improper materials.

Final payment will be made within fifteen (15) working days following the expiration of the thirty-five (35) day lien period. The start of this period is the date the County Recorder files the notice of completion. Notwithstanding the foregoing, the retention monies described in this section, exclusive of stop notice retention, shall be released in accordance with law.

4. Permits. DEVELOPER shall be responsible for obtaining all necessary permits. CITY shall approve all plans prior to issuing any permit.

5. Changes in the Scope of Work. If during the course of construction field conditions require a change of scope different than contemplated in either Exhibit "A," or "B" as referenced above, and prior to making any changes that will effect the scope of this Agreement, the DEVELOPER shall contact CITY and get approval by CITY for those changes.

6. Prior To Commencement of Work. Prior to commencement of Work, DEVELOPER shall comply with the following: (1) obtain pre-approval from CITY of DEVELOPER's construction documents; (2) cause its contractor to obtain an encroachment permit from City prior to commencement of construction activities in CITY's right of way (and adjacent thereto); and, (3) cause its contractor to provide insurance and related documentation to CITY in accordance with Paragraph 10 of this Agreement.

7. Bid Documents. DEVELOPER shall prepare the bid documents for the Public Improvements. City shall review and approve the bid documents prior to the issuance of a notice of, and invitation to, bid by DEVELOPER. Bids shall be lump sum with an itemized unit summary to be used for additions and deletions only. CITY shall also review the bids received by DEVELOPER and shall approve DEVELOPER's selection of the most appropriate bid prior to the award of contract. All bids shall include prevailing wage rates. CITY shall have ten (10) working days to review the bids and, in the event the Department concludes the bids are unacceptable high and not to budget, to notify DEVELOPER of required modifications to the Public Improvements or the need to solicit additional bids. CITY shall provide DEVELOPER with an opportunity to review and comment on any proposal by CITY to modify the Public Improvements and shall give such comments fair consideration. Effective March 1, 2015, no contractor or subcontractor may be listed on a bid proposal for the Public Improvements unless registered with the Department of Industrial Relations pursuant to Labor Code section 1725.5. Effective April 1, 2015, no contractor or subcontractor may work on the Public Improvements unless registered with the Department of Industrial Relations pursuant to Labor Code section 1725.5. DEVELOPER shall be responsible for ensuring that these contractor registration requirements are adhered to since this project is subject to compliance monitoring and enforcement by the Department of Industrial Relations.

Furthermore, as required by SB 854, DEVELOPER shall notify the Department of Industrial Relations of the project within five (5) days of the award of a contract to a contractor for the Public Improvements.

8. Prevailing Wages. DEVELOPER shall comply with all applicable prevailing wage laws for services performed under this Agreement. Additionally, DEVELOPER shall

require its contractors and subcontractors, if any, to comply with all applicable prevailing wage laws for services performed under this Agreement.

9. Indemnification. To the fullest extent allowed by law, DEVELOPER shall defend, indemnify, and save and hold harmless CITY, its officers, agents, employees and volunteers from any claims, suits or actions of every name, kind and description brought forth, or on account of, injuries to or death of any person (including but not limited to workers and the public), or damage to property, resulting from or arising out of DEVELOPER's willful misconduct or negligent act or omission while engaged in the performance of obligations or exercise of rights created by this Agreement, except those matters arising from CITY's sole negligence or willful misconduct. The parties intend that this provision shall be broadly construed.

DEVELOPER's responsibility for such defense and indemnity obligations shall survive the termination or completion of this Agreement for the full period of time allowed by law. The defense and indemnity obligations of this Agreement are undertaken in addition to, and shall not in any way be limited by, the insurance obligations contained in this Agreement.

10. Insurance. Prior to the issuance of an encroachment permit and commencement of any field construction for those certain improvements as shown on Exhibit "A," the DEVELOPER shall, or shall cause its contractor to, have on file with CITY throughout the duration of construction and maintain in full force the following policies of insurance:

POLICY

Commercial General Liability,
Including endorsements for
comprehensive form, premises
operations, products/completed
operations, broad form property
damage, independent contractors,

LIMITS OF LIABILITY

Bodily Injury:
\$2,000,000 each occurrence
\$4,000,000 aggregate
Property Damage:
\$2,000,000 each occurrence
Personal Injury:

contractual, personal injury, explosion/collapse and underground hazard	\$2,000,000 each occurrence \$4,000,000 aggregate
---	--

Workers' Compensation	Statutory
-----------------------	-----------

Automobile Liability	\$1,000,000 combined single limit
----------------------	-----------------------------------

a. Form. DEVELOPER shall submit a certificate evidencing such coverage for the period covered by this Agreement in a form satisfactory to Risk Management and the City Attorney, prior to undertaking any work hereunder. Any insurance written on a claims made basis is subject to the approval of Risk Management and the City Attorney.

b. Additional Insureds. DEVELOPER shall also provide a separate endorsement form or section of the policy showing CITY, its officers, agents, employees and volunteers as additional insureds for each type of coverage, prior to undertaking any work hereunder. Such insurance shall specifically cover the contractual liability of DEVELOPER. The additional insured coverage under the DEVELOPER's policy shall be primary and noncontributory, as evidenced by a separate endorsement or section of the policy, and shall not seek contribution from CITY's insurance or self-insurance. In addition, the additional insured coverage shall be at least as broad as the Insurance Services Office ("ISO") CG 20 01 Endorsement. Any available insurance proceeds in excess of the specified minimum insurance coverage requirements and limits shall be available to the additional insureds. Furthermore, the requirements for coverage and limits shall be: (1) the minimum coverage and limits specified in this Agreement; or (2) the full coverage and maximum limits of any insurance proceeds available to the named insureds, whichever is greater.

c. Cancellation/Modification. DEVELOPER shall provide ten (10) days written notice to CITY prior to cancellation or modification of any insurance required by this Agreement.

d. Umbrella/Excess Insurance. The limits of insurance required in this Agreement may be satisfied by a combination of primary and excess insurance. Any excess insurance shall contain or be endorsed to contain a provision that such coverage shall also apply on a primary and noncontributory basis for the benefit of CITY (if agreed to in a written contract) before CITY's own insurance shall be called upon to protect it as a named insured.

e. Contractors. DEVELOPER agrees to include in its contracts with all contractors the same requirements and provisions of this Agreement, including the indemnity and insurance requirements, to the extent they apply to the scope of the contractor's work. Furthermore, DEVELOPER shall require its contractors to agree to be bound to DEVELOPER and CITY in the same manner and to the same extent as DEVELOPER is bound to CITY under this Agreement. Additionally, DEVELOPER shall obligate its contractors to comply with these same provisions with respect to any subcontractor, regardless of tier. A copy of CITY's indemnity and insurance provisions will be furnished to the contractor or any subcontractor upon request.

f. Self-Insured Retentions. All self-insured retentions ("SIR") must be disclosed to Risk Management for approval and shall not reduce the limits of liability. Policies containing any SIR provision shall provide or be endorsed to provide that the SIR may be satisfied by either the named insured or CITY. CITY reserves the right to obtain a full certified copy of any insurance policy and endorsements. The failure to exercise this right shall not constitute a waiver of such right.

g. Waiver of Subrogation. DEVELOPER hereby agrees to waive subrogation which any insurer of DEVELOPER may acquire from DEVELOPER by virtue of the payment of any loss under a Workers Compensation, Commercial General Liability or Automobile Liability policy. All Workers Compensation, Commercial General Liability and Automobile Liability policies shall be endorsed with a waiver of subrogation in favor of CITY, its officers, agents, employees and volunteers for all work performed by DEVELOPER, its employees, agents and subcontractors.

h. Liability/Remedies. Insurance coverage in the minimum amounts set forth herein shall not be construed to relieve DEVELOPER of liability in excess of such coverage, nor shall it preclude CITY from taking such other actions as are available to it under any other provisions of this Agreement or law.

11. Obligations Arising From Agreement. Neither the General Fund, nor any other fund or monies of CITY, except for Roseville Traffic Mitigation Fees or similar traffic mitigation funds or accounts, shall be utilized for payment of any obligations arising from this Agreement. Neither the credit nor the taxing power of CITY is pledged for the payment of any obligations arising from this Agreement. CITY's obligations arising from this Agreement are not a debt of CITY, or a legal or equitable pledge, charge, lien or encumbrance upon any of its property, or upon any of its income, receipts or revenues.

12. Successors and Assigns. Each and every provision of this Agreement shall be binding and inure to the benefit of the successors and assigns of the parties hereto.

13. Attorney's Fees; Venue; Governing Law. If either party commences any legal action against the other party arising out of this Agreement or the performance thereof, the prevailing party in such action shall be entitled to recover its reasonable litigation expenses,

including but not limited to, court costs, expert witness fees, discovery expenses, and attorneys' fees. Any action arising out of this Agreement shall be brought in Placer County, California, regardless of where else venue may lie. This Agreement shall be governed by and construed in accordance with the laws of the State of California.

14. Modification. This Agreement and each provision contained herein may be waived, amended, supplemented or eliminated only by mutual written agreement of the parties.

15. Severability. If any of the provisions contained in this Agreement are for any reason held invalid or unenforceable, such holding shall not affect the remaining provisions or the validity and enforceability of the Agreement as a whole.

16. Integrated Agreement. This is an integrated agreement and contains all of the terms, considerations, understanding and promises of the parties. It shall be read as a whole.

IN WITNESS WHEREOF, the City of Roseville, a municipal corporation has authorized the execution of this Agreement in duplicate by its City Manager and attested to by its City Clerk under the authority of Resolution No. _____, adopted by the Council of the City of Roseville on the ____ day of _____, 20____, and DEVELOPER has caused this Agreement to be executed.

3311				(2,266,051)	Reduce Neighborhood Park - West Roseville SP Fund Balance
TOTAL				(2,266,051)	

Justification for Budget Adjustment:

The City intends to enter into a developer reimbursement agreement to construct the Fiddymont Ranch Phase 3 Class 1 Bike Trail within Parcels F-84 and F-85 of the West Roseville Specific Plan (WRSP). Previously collected development impact fees are being utilized to fund the construction portion of this project. This project was originally established in Fiscal Year (FY) 2018-19 in the amount of \$115,000. Upon approval of this \$2,266,051 budget adjustment, the total project budget will be \$2,381,051.

Title: West Roseville Specific Plan Parcel W-81 Bike Trail Segment 1 Project –
City/Developer Reimbursement Agreement Amendment and Budget Adjustment

Contact: Jeannie Gandler 916-746-1289 jgandler@roseville.ca.us

Meeting Date: 10/7/2020

Item #: 7.26.

RECOMMENDATION TO COUNCIL

Staff recommends that the City Council take the following actions:

1. Adopt a resolution authorizing the City Manager to execute the First Amendment to City/Developer Reimbursement Agreement between the City of Roseville and Lennar Homes of California, Inc. for an additional \$104,356.49 to cover cost increases experienced during construction of the multi-use trail adjacent to Parcel W-81.
2. Adopt an ordinance approving a budget adjustment in the amount of \$104,357.

BACKGROUND

Pursuant to the West Roseville Specific Plan (WRSP) Development Agreement and the conditions of approval for the Westpark Parcel W17e/W-18e subdivision, the developer was required to construct and install a multi-use trail within the Open Space parcel W-81. On September 7, 2016, the City Council approved a project budget and reimbursement agreement with Lennar Homes, Inc. in the amount of \$531,546.14 for the construction of the trail.

During the grading phase of the project, vernal pools were discovered which required re-design of the trail. The re-design and inclement weather delayed construction, which resulted in additional costs to construct the bike trail in the amount of \$104,356.49, resulting in a total design and construction cost of \$635,902.63. The increased costs necessitate an amendment to the reimbursement agreement and a corresponding budget adjustment. The trail was completed in 2017 and is in use.

FISCAL IMPACT

Sufficient funds are available in the WRSP bike trail development fee program in the Neighborhood Park - WRSP Fund to cover the increased design and construction costs needed to complete the trail. There is no impact to the General Fund.

ECONOMIC DEVELOPMENT / JOBS CREATED

Federal guidelines suggest there is one job created for every \$92,000.00 in direct government spending. Based on that figure this project could generate one additional full time job.

ENVIRONMENTAL REVIEW

Development of the WRSP Parcel W-81 Bike Trail Segment 1 was evaluated in the WRSP EIR certified February 2, 2004, State Clearinghouse Number 2002082057. The WRSP EIR provides environmental analyses of community infrastructure and facilities, including parks, pedestrian bridges, and bike trails.

Construction of the WRSP Parcel W-81 Bike Trail Segment 1 was found to be within the scope of the WRSP EIR and no new effects were expected to occur. All applicable mitigation measures from the West Roseville Specific Plan EIR were implemented during the design and construction of the WRSP Parcel W-81 Bike Trail Segment. Because the project meets the requirements identified in Section 15183 of the State CEQA Guidelines, no additional CEQA review was required.

Respectfully Submitted,

Jeannie Gandler, Alternative Transportation Analyst II/Bikeways

Jason Shykowski, Public Works Director

Dominick Casey, City Manager

FIRST AMENDMENT TO CITY/DEVELOPER
REIMBURSEMENT AGREEMENT

Project: WRSP Parcel W-81 Bike Trail, Segment 1

THIS FIRST AMENDMENT TO AGREEMENT is made and entered into this ____ day of _____, 20__, by and between the City of Roseville, a municipal corporation (“CITY”), and Lennar Homes of California, Inc., a California corporation (“DEVELOPER”); and

W I T N E S S E T H:

WHEREAS, CITY and DEVELOPER previously entered into a City/Developer Reimbursement Agreement dated September 7, 2016 (“Agreement”) regarding the WRSP Parcel W-81 Bike Trail, Segment 1 (“Project”); and

WHEREAS, the parties desire to amend the Agreement to revise the amount of Reimbursable Costs to DEVELOPER.

NOW, THEREFORE, the parties agree as follows:

1. Exhibit “B” to the Agreement is amended as shown in Exhibit “B” to this First Amendment to Agreement.

2. Paragraph D of the Agreement is amended as follows:

“The total cost of constructing the Public Improvements as estimated using current prevailing wages and in accordance with the improvement plans is estimated as approximately six hundred forty-two thousand, two hundred eighteen dollars and ninety-four cents

(\$642,218.94) ("Improvement Costs"), as more particularly set out in the breakdown of costs ("Breakdown of Costs"), Exhibit "B," attached and incorporated by this reference.

3. Paragraph E of the Agreement is amended as follows:

"Pursuant to the Breakdown of Costs, the parties have determined that the obligation of Improvement Costs will be allocated between CITY, and DEVELOPER as follows:

DEVELOPER	\$ <u>0</u>
CITY	\$ <u>642,218.94</u>
TOTAL	\$ <u>642,218.94</u>

4. All other provisions of the Agreement shall remain unchanged and in full force and effect.

IN WITNESS WHEREOF, the City of Roseville, a municipal corporation, has authorized the execution of this First Amendment to Agreement in duplicate by its City Manager and attested to by its City Clerk under the authority of Resolution No. _____, adopted by the Council of the City of Roseville on the ____ day of _____, 20__, and DEVELOPER has caused this First Amendment to Agreement to be executed.

3311				(104,357)	Reduce available resources of the Neighborhood Park - WRSP Fund
TOTAL				(104,357)	

Justification for Budget Adjustment:

WRSP Parcel W 81 Open Space Class 1 Bike Trail Segment 1 - design, construction, and inspection costs were increased due to the discovery of vernal pools during construction. The original project cost was \$531,547, however, the discovery of vernal pools required trail redesign which resulted in additional construction costs of \$104,357 (total project cost \$635,904). Reimbursement will be made to Lennar Homes from previously collected permit fees held in fund 3311 - Neighborhood Park West Roseville SP. No general fund monies will be used to reimburse for this bike trail. This trail has been constructed and is in use.

Title: Housing Element Update Project - Memorandum of Understanding and Budget Adjustment

Contact: Lauren Hocker 916-774-5272 lhocker@roseville.ca.us

Meeting Date: 10/7/2020

Item #: 7.27.

RECOMMENDATION TO COUNCIL

Staff recommends City Council adopt a resolution authorizing the City Manager or his designee to execute a Memorandum of Understanding (MOU) with the Sacramento Area Council of Governments (SACOG) for the purpose of securing a partial grant from the Regional Early Action Planning (REAP) Grant Program and authorizing the City Manager or his designee to execute a subsequent MOU for the remaining grant funds provided the subsequent MOU is substantially in the same form as the attached MOU. The current award amount is \$79,000 for the City's Housing Element update, with a further future award anticipated in early 2021. The request also includes a budget adjustment ordinance for \$889,000 to reflect multiple grant awards for the 2020–21 fiscal year.

BACKGROUND

Assembly Bill 101 established the Local Government Planning Support Grants Program to provide regions and jurisdictions with one-time funding to local governments for housing planning and to accelerate housing production. Part of this bill was the Local Early Action Planning (LEAP) grants program providing non-competitive planning grant funding directly to local jurisdictions and the Regional Early Action Planning (REAP) grants program, providing funding to the regional council of governments for the benefit of local jurisdictions. In June 2020 the City Council approved a resolution authorizing an application to HCD for a non-competitive \$500,000 LEAP grant to support the development and implementation of the updated Housing Element. City staff is now bringing a request for authorization to secure REAP funding to City Council.

SACOG, as the regional council of governments, is eligible for \$6,762,880 in Regional Early Action Planning (REAP) funds to address the region's unique housing priorities and planning needs. State law allows 25 percent of the funds to be released in advance of the remaining 75 percent. SACOG applied to HCD and has received the early release grant for 25 percent of the funds, to be disbursed to member jurisdictions proportionately based on the jurisdiction's share of the Regional Housing Needs Assessment (RHNA), and to be used to develop the Housing Element. The City of Roseville's share of this grant is \$79,000. In early 2021 SACOG

anticipates being awarded the remaining 75 percent of the grant, which will again be offered to local jurisdictions through a mix of competitive and non-competitive pathways.

To receive these funds, the City does not need to apply for a grant; the grant has already been secured and is held by SACOG. Instead, the City will enter into an MOU with SACOG, acknowledging that the grant funding is to be used for the direct costs associated with updating the City's Housing Element and agreeing to provide monthly invoices and a simple report documenting how the money has been spent. Because further REAP funding is expected, and it is anticipated to use this same MOU template, the resolution would authorize the City Manager (or his designee) to sign the MOU with SACOG for both the 25 percent award and the future 75 percent award.

Combined, the LEAP grant and early REAP grant provide \$579,000 in funding for Housing Element development and implementation. The LEAP grant funding is tied to the completion of milestones and specific activities, and the grant term extends to December 31, 2023. Staff designed this grant application to be used primarily to fund technical studies and environmental review during Housing Element preparation, and because the grant term extends three years it has also been structured to fund the implementation of Housing Element programs which are ultimately adopted. The early REAP grant MOU term ends on June 30, 2021, and will be invoiced monthly rather than based on milestones. Therefore, staff recommends using this grant to fund direct City staff costs associated with preparing the updated Housing Element.

This grant award will be the third Planning Grant brought to City Council in the last year. To date, the City has received an SB 2 Planning Grant award for Commercial Corridor planning in the amount of \$310,000, has applied for the non-competitive LEAP grant in the amount of \$500,000 for Housing Element development and implementation, and is requesting permission to enter into an MOU to receive a \$79,000 grant award. Attached to this Council Communication is a budget adjustment to appropriate these grant awards.

FISCAL IMPACT

Approval of the recommended budget adjustment has no net impact on the City's General Fund because all funding is being secured through grant programs.

ENVIRONMENTAL REVIEW

The California Environmental Quality Act (CEQA) does not apply to activities that will not result in a direct or reasonably foreseeable indirect physical change in the environment, or is otherwise not considered a project as defined by CEQA Statute §21065 and CEQA State Guidelines §15060(c)(3) and §15378.

The REAP Grant preserves the ability of the City to be provided with a reimbursable grant. It does not commit the City to future action or to any activity with the potential to cause direct or reasonably foreseeable indirect physical changes in the environment, and is therefore not subject to CEQA. No additional environmental review is required.

Ordinance No. 6276

ORDINANCE NO.

ORDINANCE OF THE COUNCIL OF THE CITY OF ROSEVILLE
ADOPTING A THIRD DEVELOPMENT AGREEMENT AMENDMENT BY AND BETWEEN
THE CITY OF ROSEVILLE AND WESTPARK SIERRA VISTA, LLC, AS ASSIGNEE OF
WESTPARK FEDERICO, LLC, MOURIER INVESTMENTS, LLC, AND FEDERICO-TYLER
FAMILY LIMITED PARTNERSHIP RELATIVE TO THE SIERRA VISTA SPECIFIC PLAN

THE CITY OF ROSEVILLE ORDAINS:

SECTION 1. In accordance with Chapter 19.84 of Title 19 of the Roseville Municipal Code (the Zoning Ordinance) of the City of Roseville, the City Council has received the recommendation of the Planning Commission that the City of Roseville enter into a Third Amendment to the Development Agreement by and between the City of Roseville and Westpark Sierra Vista, LLC, as Assignee of Westpark Federico, LLC, Mourier Investments, LLC, and Federico-Tyler Family Limited Partnership relative to the Sierra Vista Specific Plan area.

SECTION 2. The Third Amendment to the Development Agreement amends text regarding fee sections within an existing Development Agreement, and does not have the potential to cause a significant effect on the environment; therefore, it is not subject to the California Environmental Quality Act (CEQA) per Section 15061 (b)(3) of the CEQA Guidelines.

SECTION 3. The Council of the City of Roseville has reviewed the findings of the Planning Commission recommending approval of the Third Amendment to the Development Agreement, and makes the following findings:

1. The Third Amendment to the Development Agreement is consistent with the objectives, policies, programs and land use designations of the City of Roseville General Plan and the Sierra Vista Specific Plan;

2. The Third Amendment to the Development Agreement is consistent with the City of Roseville Zoning Ordinance;

3. The Third Amendment to the Development Agreement is in conformance with the public health, safety and welfare;

4. The Third Amendment to the Development Agreement will not adversely affect the orderly development of the property or the preservation of property values; and

5. The provisions of the Third Amendment to the Development Agreement will provide sufficient benefit to the City to justify entering into said Amendment;

SECTION 4. The Third Amendment to the Development Agreement, by and between the City of Roseville and Westpark Sierra Vista LLC, as Assignee of Westpark Federico, LLC, Mourier Investments, LLC, and Federico-Tyler Family Limited Partnership relative to the Sierra Vista Specific Plan, a copy of which is on file in the City Clerk's Department and incorporated herein by reference, is hereby approved and the City Manager is authorized to execute it on behalf of the City of Roseville.

SECTION 5. The City Clerk is directed to record the executed Development Agreement Amendment within ten (10) days of the execution of the agreement by the City Manager with the County Recorder's Office of the County of Placer.

SECTION 6. This ordinance shall be effective at the expiration of thirty (30) days from the date of its adoption.

SECTION 7. The City Clerk is hereby directed to cause this ordinance to be published in full at least once within fourteen (14) days after it is adopted in a newspaper of general circulation in the City, or shall within fourteen (14) days after its adoption cause this ordinance to be posted in full in at least three (3) public places in the City and enter in the Ordinance Book a certificate stating the time and place of said publication by posting.

Title: 2019 Development Agreement Review
Contact: Brandy LeBeau 916-774-5278 blebeau@roseville.ca.us

Meeting Date: 10/7/2020
Item #: 7.29.

RECOMMENDATION TO COUNCIL

Staff recommends that the City Council find the parties to the City's seventeen active development agreements have made a good faith effort to comply with the terms and conditions of their respective development agreements during the 2019 review period.

BACKGROUND

California Government Code § 65865.1 and Roseville Zoning Ordinance § 19.84.080 require an annual review of all development agreements. The purpose of the annual review is to identify terms, conditions, and obligations of the development agreements and to ensure responsible parties are in compliance with applicable obligations.

The development agreement review document includes a summary matrix for each development agreement, which identifies both completed and outstanding obligations, trigger mechanism/timing details, the department assigned to respective obligations, the task assigned to each department, and the status of respective obligations. For consistency, the City reviews all specific plan and master plan development agreements concurrently rather than the anniversary adoption date of individual agreements.

Evaluation

This consolidated review covers currently active development agreements between the City of Roseville and remaining landowners within seventeen sub-areas that have been entitled for urban development, including Specific Plan areas, and specific projects in the Infill area and North Industrial Plan Area. The seventeen development agreements and landowners include the following:

- Amoruso Specific Plan (148.7 acre)
 - Brookfield Sunset, LLC and Amoruso Family Living Trust
- Amoruso Specific Plan (525.7 acre)
 - Brookfield Sunset, LLC and Amoruso Family Living Trust

- Creekview Specific Plan
 - Anthem United
- Northeast Roseville Specific Plan
 - Kaiser Hospital
- North Industrial Plan Area - Hewlett-Packard Roseville Campus Master Plan
 - BBC Roseville Oaks, LLC, Quality Investment Properties, 8000 Foothills LLC, Campus Oaks Apartments 2 LP, Armstrong Co., and TEI EATS 123 LLC
- Sierra Vista Specific Plan
 - Barbaccia
 - Baseline P&R, LLC
 - Baybrook Limited Partnership
 - DF Properties, Inc.
 - Mourier Investments, LLC
 - Mourier Investments, LLC & Bagley & Associates, L.P.
 - Mourier Investments, LLC & Computer Reductions, Inc.
 - Mourier Investments, LLC
 - Westbrook (Westpark SV 400, LLC, K. Hovnanian, Lennar Homes, Taylor Morrison, WP Development Co and Woodside 05N LP)
 - Westpark (Westpark Federico, LLC and Mourier Investments, LLC and Federico-Tyler Family Limited Partnership)
- West Roseville Specific Plan
 - Fiddymont (Roseville Fiddymont Land Venture, LLC)
 - Westpark (1600 Placer Investors – Creekview Investments, St. John's Parish, KB Homes, Meritage Homes, Oakmont of WestPark, PL Roseville, Pulte Homes, West Roseville LLC and Westpark Storage)

The attached matrix identifies all obligations required by each development agreement, and provides a summary of the completed and yet-to-be completed obligations by respective landowners through December 2019.

The City Council is charged with finding each landowner in or out of compliance with the terms and conditions of the executed development agreements during the reporting cycle. If a landowner is found to be in compliance, the current review is concluded. If a landowner is found not in compliance, the Council may order the landowner to cure the deficiency within sixty (60) days. Failure to do so may result in the Council modifying or terminating the agreement with the landowner. For the 2019 reporting period, staff has determined that all landowners have satisfied all applicable terms and conditions, and no deficiencies are required to be cured.

The next annual reporting cycle began on January 1, 2020 and ends on December 31, 2020.

FISCAL IMPACT

Preparation of the development agreement review ensures financial and other obligations associated with development are satisfactorily fulfilled to avoid detrimental impacts to the General Fund. Approval of the 2019 Development Agreement review will have no impact on the General Fund.

ENVIRONMENTAL REVIEW

The California Environmental Quality Act (CEQA) does not apply to activities that will not result in a direct or reasonably foreseeable indirect physical change in the environment, or is otherwise not considered a project as defined by CEQA Statute §21065 and CEQA State Guidelines §15060(c)(3) and §15378. The 2019 Development Agreement Review meets the above criteria and is not subject to CEQA. No additional environmental review is required.

Respectfully Submitted,

Brandy LeBeau, Administrative Analyst

Mike Isom, Development Services Director

Dominick Casey, City Manager

Development Agreement Obligations <u>Complete</u> as of December 2019	
Section	3.5.2
Title	Arterial Roadways
Obligation	Landowner shall grant easements and dedicate all IODs for all arterial roadways as set forth in Sections 3.2 and 3.1 above. Arterial roadways wholly within and adjacent to the Project are Westbrook Boulevard and Roads B and D east of Westbrook Boulevard.
Department	Engineering Division
Status	Complete
Section	3.14.9
Title	Orthophotography of Plan Area and GIS Support
Obligation	Landowner agrees to pay its fair share of the cost of orthophotography of the Plan Area. The total cost for the Plan Area is \$351.54. The above payment shall be due within ten (10) days after the first Large Lot Final Map approval for the Property.
Department	Engineering Division
Status	Completed

Development Agreement Obligations <u>Not Complete</u> as of December 2019	
Section	2.2
Title	Vested Entitlements
Obligation	Low Density Residential - 1,302 units on 248.8 acres Medium Density Residential - 542 units on 50.3 acres High Density Residential - 873 units on 38.1 acres Community Commercial - 23.9 acres Community Commercial/Village District - 109 units on 27.3 acres Park – 22.1 acres Open Space – 134.8 acres Open Space (Paseos) – 10.7 acres School – 9.6 acres Public/ Quasi Public – 7.6 acres Urban Reserve – 20.0 acres Right of Way – 52.0 acres NAPOTS (Placer Parkway) 49.2 acres

Obligation	2.6.1.1 – 283 affordable rental units will be reserved within the property. 113 units for rental to very low income households and 170 units for rental to low income:				
	Parcel	Total units in Parcel	Total Affordable Unit Allocation	Very Low Income Rental Units	Low Income Rental Units
	AR-19	230	170	68	102
	AR-44	150	113	45	68
	Total	380	283	113	170
Department	Housing Department				
Status	Currently not in development				
Section	2.7.1				
Title	404 Permit				
Obligation	Landowner to obtain from the Army of Corps 404 permit				
Department	Engineering Division				
Status	Permit in Process				
Section	2.7.2				
Title	Westbrook Boulevard				
Obligation	Landowner obligated to construct Westbrook BL, including utilities located within or adjacent to Westbrook bl from the point that Westbrook bl reaches the southern boundary of PCL C-51 and C-52.				
Department	Engineering Division				
Status	Ongoing obligation				
Section	2.7.2.2				
Title	Preserve Area Establishment and Perpetual Monitoring Phase				
Obligation	Landowner requires preservation/creation/restoration of wetland resources within Preserve areas in accordance to the 404 permit. Monitoring phase in accordance with criteria in the 404 permit and City's open space preserve Overarching management plan.				
Department	City Manager				
Status	404 Permit still processing by the Army Corps.				
Section	2.7.5				
Title	Facilities Included in 404 Permit				
Obligation	1. Mtc access ramps from Westbrook BL to Preserve area north and south of University Creek 2. Mtc access crossing of University Creek capable of accommodating a 30,000 pd vehicle as part of offsite drainage improvements located West of PCL AR-92 on the AL Johnson Wildlife area to access the SW open space south of the University Creek within the property. 3. Opportunities for passive recreation in the offsite preserve properties for wildlife viewing and a bike trail linking W sunset BL and the Al Johnson Wildlife Area				
Department	DS Engineering / Environmental Coordinator				
Status	404 Permit still processing by the Army Corps.				
Section	2.7.6				
Title	Preserve Area Operation and Management Plan Fee				
Obligation	Landowner shall pay to City a onetime fee of \$20,000.00. Payment due upon effectuation of the 404 permit and initiation of the establishment monitoring phase management as outlined in City's Open Space Preserve Overarching Management Plan.				
Department	City Manager				
Status	404 Permit still processing by the Army Corps. If wetland mitigation includes onsite creation, payment trigger is at initiation of establishment monitoring phase. If no onsite

	creation, payment trigger is upon effectuation of the 404 Permit.
Section	3.1
Title	Development, Connection and Mitigation Fees
Obligation	Except otherwise provided in Section 2.5 of this Agreement, any and all required payments of development, connection or mitigation fees by Landowner shall be made at the time and in the amount specified by applicable City Ordinances.
Department	All Departments
Status	All fees will be collected at time of processing permits and/or development.
Section	3.2
Title	Public Improvements to be Dedicated, Constructed or Financed by Landowner
Obligation	In conjunction with each phased Final Map, or as otherwise required by this Agreement, Landowner agree to dedicate, construct or acquire the improvements or facilities and to perform the obligations set forth in this Section 3, at its expense.
Department	Engineering Division
Status	Ongoing obligation
Section	3.3
Title	Project Phasing
Obligation	Landowner shall develop and construct the infrastructure necessary to serve the Project in Phases 1 through 3 substantially consistent with the Phasing Plan set forth in Exhibit "G" attached hereto. Infrastructure may be constructed in sub-phases as approved at the discretion of the City, in consultation with all affected City Departments. (See DA for specified sub-phased requirements.)
Department	Engineering Division
Status	Ongoing obligation
Section	3.4
Title	Public Utilities Within Rights-of-Way
Obligation	All public utilities shall be located within the rights-of-way to be granted by Landowner to City for the arterials, collectors and other local streets within the Property or within the easements granted by Landowner to City for such purposes.
Department	Environmental Utilities
Status	Currently not in development
Section	3.5
Title	Road Improvements
Obligation	Landowner, at its expense, shall provide the road improvements set forth in this agreement, the Specific Plan, the Phasing Plan, as may be modified as provided in Section 3.3, the Infrastructure Phasing and Reimbursement Schedule set forth in Exhibit "BB", and as shown in Exhibit "H".
Department	Engineering Division
Status	Ongoing obligation
Section	3.5.1
Title	Landowner's Obligations
Obligation	Landowner obligation for residential and collector roadway improvements shall consist of the construction of curb, gutter, sidewalk, utilities, streetlights, appropriate striping, all necessary drainage improvements including storm water management requirements, fiber optic cable, conduit as set forth in Exhibit "T" and pavement section. Except as provided below in : Section 3.5.2, Landowner's frontage obligation for arterial roadways shall consist of curb, gutter, sidewalk, one-half of the median landscaping and median curbing, grading of 112 of the full road section, drainage facilities including storm water management requirements, utilities, street lights, signal interconnect conduits, fiber optic cable conduit as set forth in Exhibit "T", and eighteen feet (18') of

	asphalt pavement adjacent to the property, including aggregate base and sub-base, striping, and any additional pavement widening at intersections and driveways to accommodate turn lanes and bus turnouts as may be required by the City Engineer (collectively "Frontage Improvements").
Department	Engineering Division
Status	Ongoing obligation
Section	3.5.3
Title	West Sunset Boulevard
Obligation	Landowner shall have the obligation to construct improvements to West Sunset Boulevard in unincorporated Placer County immediately-north of the Annexation Area (the "West Sunset Improvements" to a Rural Secondary Roadway standard pursuant to Placer County standards in effect as of the Effective date of the Agreement. The West Sunset Improvements shall be constructed as initial improvements and ultimate improvements, as set forth in Exhibits H-3-A, -B, and -C" hereto: Initially, the West Sunset Improvements shall consist of an all-weather fire access road (emergency vehicle access only) along the future alignment of Westbrook Boulevard from West Sunset Boulevard south to where initial Westbrook Boulevard improvements in the Project have been constructed, including a gate and fencing to restrict public access to the satisfaction of the City Engineer.
Department	Engineering Division
Status	Ongoing obligation
Section	3.5.4.1
Title	Timing of Dedication and Security for Road Improvements
Obligation	Rights-of-way for the arterial roadways and the NAPOTS Area shall be dedicated as an IOD to the City as set forth in Section; 3.2 and 3.3.1, and 'with the recordation of the first Large Lot Map. All other dedications of roadways to the City, shall be made with subsequent final small lot subdivision maps and City acceptance of completed improvements.
Department	Engineering Division
Status	Ongoing obligation
Section	3.5.4.2
Title	Timing of Dedication and Security for Road Improvements
Obligation	Prior to the recordation of a small lot residential subdivision map for the Property, Landowner shall provide adequate assurances to City, either in the form of subdivision improvement bonds, issuance and sale of bonds by the CFD or other manner acceptable to the City, that adequate funds are available to finance the completion of all improvements to arterial roadways and the single collector street in the Project to serve the portion of the Property which is the subject of the small lot residential subdivision map; provided, however, Landowner shall not be required to post security for the portion of the work associated with Road CIP improvements.
Department	Engineering Division
Status	Ongoing obligation
Section	3.5.5
Title	Road Improvement Standards
Obligation	All improvements to be installed by Landowner shall comply with the City's development standards for public streets in effect as of the date of improvement plan approval unless modifications are otherwise mutually agreed to by Landowner and the City Engineer.
Department	Engineering Division
Status	Ongoing obligation
Section	3.5.6
Title	Landscape Setbacks

**Brookfield Sunset, LLC and Jennifer M. Amoruso, Successor Trustee of the Amoruso
Family Living Trust Dated March 14, 2005
Amoruso Specific Plan (148.7 Acres) Development Agreement Implementation Matrix**

Obligation	For the roadways within and/or adjacent to the Property, Landowner shall establish the applicable landscape setbacks provided therefore by the Specific Plan and/or Design Guidelines.
Department	Planning Division
Status	Currently not in development.
Section	3.5.6.1
Title	Separated Sidewalks
Obligation	Landowner shall ensure that if a residential property is improved with separated sidewalks, the residential property shall be subject to recorded CC&R's containing a requirement that the owner of a residential unit immediately adjacent to a separated sidewalk is responsible for the maintenance of all landscaping (consistent with the City's Water Efficient Landscape Ordinance) within the landscape planter, including, street tress (to be trimmed per City standards) located between the separated sidewalk and curb, except where a Homeowners Association maintains the landscaping within the landscape planter.
Department	Engineering Division
Status	Ongoing obligation
Section	3.5.7
Title	Traffic Signals
Obligation	Landowner shall be responsible for the costs of construction of traffic signals as shown on Exhibit "I" and described in the Phasing Plan in Exhibit "I", for which City shall make progress payments to landowner for the cost of construction of such traffic signals from the City's TMF Set-Aside Fund, as defined in Section 3.5.2 above.
Department	Public Works Division
Status	Ongoing obligation
Section	3.5.8
Title	Update of City Fee
Obligation	Landowner acknowledges that as a result of approval of the Project, the City will need to update the Capital Improvement Program and Traffic Mitigation Fee to include the Project. Landowner and City shall use their best efforts to cause such update to be completed within twelve (12) months of the Effective date hereof.
Department	Engineering Division
Status	Ongoing obligation
Section	3.5.9
Title	Highway 65 Joint Powers Authority
Obligation	Landowner agrees that the Property shall be subject to and shall pay the Highway 65 Joint Powers Authority Fee (Highway 65 JPA Fee). City shall initiate and complete the actions necessary to amend the Highway 65 JPA Fee to include the Property and Landowner hereby consents to and waives any objection to such inclusion.
Department	Engineering Division
Status	Ongoing obligation
Section	3.5.10
Title	South Placer Regional Traffic Fee
Obligation	Landowner agrees that the Property shall be subject to and pay the South Placer Regional Traffic ("SPRTA") Fee as established by the Placer County Transportation and Planning Agency ("PCTPA") and adopted by the City. City shall initiate and complete the actions necessary to amend the SPRTA Fee to include the Property and Landowner hereby consents to such inclusion.
Department	Engineering Division
Status	Ongoing obligation
Section	3.5.11
Title	Tier II Traffic Fee

**Brookfield Sunset, LLC and Jennifer M. Amoruso, Successor Trustee of the Amoruso
Family Living Trust Dated March 14, 2005
Amoruso Specific Plan (148.7 Acres) Development Agreement Implementation Matrix**

Obligation	The SPRTA Tier II Fees are administered by the Placer County Transportation Planning Agency ("PCTPA"). Landowner acknowledges and agrees to pay the tier II Traffic Fee, collected to pay for construction of the Placer Parkway and improvements to the I-80/SR65 interchange.
Department	Engineering Division
Status	Ongoing obligation
Section	3.5.12
Title	Transit Master Plan Funding
Obligation	Landowner shall pay, as its fair share on a City-Wide basis for the update of the City's Long ranch Transit Master Plan, Short Range Transit Plan Update and Bicycle Master Plan Update, the amounts of \$4166, \$4998 and \$4166, respectively, prior to the recordation of any Large Lot Final Map on the Property.
Department	Engineering Division and Alternative Transportation Division
Status	Not complete; pending application for large lot map.
Section	3.5.13
Title	City-County Fee
Obligation	Landowner acknowledges that City and Placer County have adopted a funding mechanism (the "City-County Traffic Mitigation Fee") for improving certain roads in the City and County, including Baseline road and Walegra Road.
Department	Engineering Division
Status	Ongoing obligation
Section	3.5.14
Title	Santucci Boulevard and Vista Grande Boulevard Extension and Traffic Mitigation Fee
Obligation	If and when the city and County of Placer develop fee programs to mitigate regional traffic concerns, Landowner consents to and agrees that any then-undeveloped portion of the Property, for which no building permit has been issued, shall participate to the extent of its fair share in a City-Wide funding mechanism.
Department	Engineering Division
Status	Ongoing obligation
Section	3.5.15
Title	Placer County Traffic Mitigation Fee
Obligation	Landowner agrees to pay to City a fee of \$215 per DUE (the "Placer County Road Impact Fee") to provide fair share circulation system for roadways in the adopted County Capital Improvement Program at the date of approval of this Agreement that are north of Interstate 80, west of Highway 65, and outside of County approved specific plan areas (but excluding Santucci Boulevard, the extension of Vista Grande Boulevard, the extension of vista Grande boulevard as provided in Section 3.5.14 above, and the West Sunset Boulevard / Fiddymment Road intersection. The Placer County Road Impact Fee shall be adjusted annually after the completion of annexation proceedings for the Specific Plan by the percentage of change in the CCI.
Department	Engineering Division
Status	Ongoing obligation
Section	3.5.16
Title	Fee Credits/Reimbursement for Construction of CIP Improvements
Obligation	Landowner shall be entitled to credits against the City traffic mitigation fees for the cost of constructing roadway- improvements that are included in City's roadway capital improvement program ("Roadway CIP") and identified in this Agreement, as more fully set forth in Sections 3.5.1 and 3.5.2 above and Section 4.2 below.
Department	Engineering Division
Status	Ongoing obligation
Section	3.5.17
Title	Transportation Systems Management

**Brookfield Sunset, LLC and Jennifer M. Amoruso, Successor Trustee of the Amoruso
Family Living Trust Dated March 14, 2005
Amoruso Specific Plan (148.7 Acres) Development Agreement Implementation Matrix**

Obligation	Landowner shall comply with the City's Transportation Systems Management Ordinance
Department	Alternative Transportation
Status	Currently not in development
Section	3.5.18
Title	Alternative Transportation Marketing
Obligation	Landowner shall provide educational and marketing materials for alternative modes of transportation (e.g. Roseville Transit, Services Guide, Bikeways Map and carpool/ vanpool information) to each, new homeowner and the first resident of each attached housing unit.
Department	Alternative Transportation Division
Status	Developer's responsibility to provide materials.
Section	3.5.19
Title	Park and Ride Lot
Obligation	Twenty-five (25) park and ride spaces shall be provided on Parcel AR-53, as shown in Exhibit "H".
Department	Alternative Transportation Division
Status	Currently not in development
Section	3.6
Title	Sewer Facilities
Obligation	Landowner shall construct on-site sewer facilities as described in this Section, the Phasing Plan, and as shown in Exhibits "J-1" and "J-2", attached hereto. In the event that the WRSP and/ or CSP has: not constructed sewer facilities necessary to serve the Property, Landowner shall construct the necessary off-site sewer facilities and obtain reimbursement from the WRSP and/ or CSP in accordance with Section 4.2.f herein.
Department	Environmental Utilities
Status	Currently not in development
Section	3.6.1
Title	Lift Station Sites
Obligation	Landowner shall, at its expense design and construct two sewer lift stations (Parcels AR-56 and AR-57). Landowner shall be responsible for installation of all frontage improvements to Parcels AR-56 and AR-57, including storm drainage, water, wastewater, electric and communication fiber conduit per City standards.
Department	Environmental Utilities
Status	Currently not in development
Section	3.6.2
Title	Master Wastewater Plan
Obligation	Landowner shall construct wastewater conveyance facilities to connect the Project to the Pleasant Grove Wastewater Treatment Plant ("Treatment Plant"). Construction of such facilities shall be consistent with Exhibits "J-1" and "J-2".
Department	Environmental Utilities
Status	Currently not in development
Section	3.6.3
Title	Improvement Standards
Obligation	All 'Sanitary sewer facilities shall be designed and constructed pursuant to City's then current Improvement Standards and shall be subject to City plan review, construction inspection and final approval. Landowner shall pay then current plan check, mapping and inspection costs as incurred by City for review, mapping and inspection of such improvements.
Department	Environmental Utilities
Status	Currently not in development
Section	3.6.4
Title	Access to Manholes

**Brookfield Sunset, LLC and Jennifer M. Amoruso, Successor Trustee of the Amoruso
Family Living Trust Dated March 14, 2005
Amoruso Specific Plan (148.7 Acres) Development Agreement Implementation Matrix**

Obligation	Manholes shall be located so that they are accessible by City sewer maintenance vehicles unless otherwise approved by the Environmental Utilities Director. All manholes shall be made watertight during construction. Landowner shall maintain access for City sewer maintenance vehicles to access all selected manholes in the Project, as determined by the Environmental Utilities Director. Where feasible, maintenance roads shall be combined with bikeways.
Department	Environmental Utilities
Status	Currently not in development
Section	3.6.5
Title	Public Utility Easements
Obligation	Where wastewater improvements to be constructed by Landowner are not located. Within road rights-of-way, as and when Landowner installs such wastewater improvements, Landowner shall grant and City shall accept a non-exclusive public utility easement for the ownership and maintenance of such lines, together with access for maintenance purposes.
Department	Environmental Utilities
Status	Currently not in development
Section	3.6.6
Title	Wastewater Facilities for Reimbursement
Obligation	Subject to the-provisions of Section 4.2 of this Agreement, Landowner shall be entitled to reimbursement from third parties whose property is benefited by Landowner's construction of .wastewater facilities required by City in which there-exists capacity in excess of that required to serve the development of the Property (excluding any operational adjustments by City).
Department	Environmental Utilities
Status	Currently not in development
Section	3.6.7
Title	Wastewater Service Area Boundary
Obligation	Landowner shall be responsible for pro rata share, based on acreage (148.7 acres out of 674.4 acres in the ARSP), of all costs associated with obtaining approval from the South Placer Wastewater Authority (SPWA) for expansion of the existing wastewater service area boundary to include the Plan Area.
Department	Environmental Utilities
Status	Currently not in development
Section	3.7.1
Title	Placer County Water Agency Supply
Obligation	City is negotiating\with the Placer County Water Agency (PCWA) to acquire an additional treated surface water supply from PCWA via a wholesale water agreement, inclusive of 1,067-acre feet per year ("AFY") to serve the Project. Water obtained from PCWA by City through the wholesale agreement would be delivered to the City through PCWA's Tinker Road Pump Station and Reservoir located in the Sunset Industrial Area of unincorporated Placer County:(the ".Tinker Road Facility'), and then transported through the City's water infrastructure to the Project site. In the interim period before the PCWA infrastructure is in place to provide water to the Project, the Project will be supplied using existing City supplies and water treatment capacity.
Department	Environmental Utilities
Status	Currently not in development
Section	3.7.2
Title	Financing of Water Supply
Obligation	To provide the needed surface water supply to serve the Project, and subject to the direction of and at the time City so directs, Landowner is required to participate in the funding of certain PCWA off-site water facilities. Such facilities consist of the future

**Brookfield Sunset, LLC and Jennifer M. Amoruso, Successor Trustee of the Amoruso
Family Living Trust Dated March 14, 2005

	PCW A Ophir Water Treatment Plant ("Ophir WTP"), associated PCWA transmission facilities necessary to wheel treated water to the Tinker Road Facility, and improvements to the PCW A Tinker Road Facility.
Department	Environmental Utilities
Status	Currently not in development
Section	3.7.3
Title	Groundwater Well
Obligation	Landowner shall dedicate to City Parcel AR-55 for one (1) groundwater well at the approximate location shown on Exhibit "L" Landowner shall construct frontage improvements for Parcel AR-55, including water, recycled water, wastewater, storm drainage, electric and communication conduit. As shown in Exhibit "L", the well site shall be constructed adjacent to the 24" waterline to be constructed in Road B, and be connected to that 24" water line with a 16" water line. Landowner shall install a test well in a location mutually agreed upon by Landowner and City to determine if the well location utilized meets desired capacity and water quality. If the desired capacity and water quality are confirmed in the test well, Landowner shall be responsible for drilling and completing the production well (but not above ground well improvements such as pumping and treatment facilities) as further described below. City shall be responsible for the construction and costs of above ground production well (topside) improvements such as pumping and treatment facilities.
Department	Environmental Utilities
Status	Currently not in development
Section	3.7.4
Title	Water Conservation Measure
Obligation	Landowner and its successors shall implement a Water Conservation Plan included as Exhibit "M" to this Agreement. The Water Conservation Plan shall include compliance with the City's then current Water Efficient Landscape Ordinance and outline all water conservation measures being implemented within the Project and measures to ensure water conservation objectives are achieved in perpetuity and shall be approved, at the discretion of the Environmental Utilities Director prior to issuance of the first building permit.
Department	Environmental Utilities
Status	Currently not in development
Section	3.7.5
Title	Periodic Confirmation of Water Conservation Goal
Obligation	The City has determined, and the Landowner agrees, that the available water supply; as documented in the Water Supply Assessment for the Project, is sufficient to serve all phases of the Project. This determination was the conclusion of a review of the various technical studies completed in connection with the environmental review of the Project.
Department	Environmental Utilities
Status	Currently not in development
Section	3.8.1
Title	Water Study
Obligation	Landowner has prepared a Water Study for its on-site water facilities and prepared a general design of the water system as shown on Exhibit "N" that identifies the size and location of waterlines, storage facilities, and pump stations. The timing of construction of such facilities is set forth in the infrastructure Phasing "Exhibit "BB".
Department	Environmental Utilities
Status	Currently not in development
Section	3.8.2
Title	Water Facilities
Obligation	Landowner shall construct on-site water system facilities as shown on Exhibit "N". In the

	event that the CSP has not constructed water lines necessary to serve the Project, and it can be demonstrated through the City hydraulic model that the water lines within the CSP are needed to supply water to the Project consistent with City standards, Landowner shall construct the necessary water lines and obtain reimbursement from the CSP in accordance with Section 4.2.2 herein.
Department	Environmental Utilities
Status	Currently not in development
Section	3.8.3
Title	Water Facilities for Reimbursement
Obligation	There are water facilities to be constructed in the CSP for which Landowner has a construction obligation only if City determines the facilities are required to serve the Project and if Landowner is not obligated to construct, or CSP landowners or other third parties have constructed the facilities, Landowner is obligated to pay its pro-rata share of the costs of such water facilities, as provided in this Section 3.8.3.
Department	Environmental Utilities
Status	Currently not in development
Section	3.8.4
Title	Water System Sequencing
Obligation	Water system facilities shall be constructed as provided in the Phasing Plan concurrently with, the construction of the road improvements described in Section 35 of this Agreement, and as generally shown on Exhibit "N". Extensions into the neighborhoods will be completed with development of each neighborhood. Waterline extensions shall be sequenced to assure looped systems in all developing areas, except as otherwise approved by the Environmental Utilities Director.
Department	Environmental Utilities
Status	Currently not in development
Section	3.8.5
Title	Public Utility Easements
Obligation	Where the water improvements to be constructed by Landowner are not located within road rights-of-way, as and when Landowner installs such water facilities, Landowner shall grant and City shall accept a non-exclusive public utility easement the width of which shall be in accordance with City's the current Improvement Standards, for the ownership and maintenance of such lines, together with access thereto for maintenance purposes only.
Department	Environmental Utilities
Status	Currently not in development
Section	3.8.6
Title	Water Softeners
Obligation	As part of its development of the Project, Landowner and its successor shall not provide water stub outs for the installation of water softeners.
Department	Environmental Utilities
Status	Currently not in development
Section	3.8.7
Title	Disclosure to Buyers
Obligation	Landowner shall disclose to all residential and nonresidential buyer that the Property will be served by both surface water and groundwater supplies and that variations in the appearance, taste and color of water may be noticed from time to time and include such disclosure in the C&Rs for the Property. The disclosure shall describe the location of groundwater, wells and water storage facilities.
Department	Landowner

Title	Water Service Area Boundary Modification
Obligation	Landowner shall reimburse City for all costs associated with modifying City's service area boundary to include the Project with the U.S. Bureau of Reclamation.
Department	Environmental Utilities
Status	Currently not in development
Section	3.9
Title	Recycled Water Facilities
Obligation	Landowner shall construct recycled water system facilities as provided in this Section, the Phasing Plan, and as shown in Exhibit "P", attached hereto and made a part hereof...Recycled water shall be used for irrigation of parks and landscape setbacks/medians, paseos adjacent to-collector streets and other landscape areas including all multi-family and non-residential landscaping uses. Landowner shall construct and dedicate upon completion thereof, a recycled water line system as generally shown in Exhibit "P". In the event that the CSP has not constructed recycled water facilities necessary to serve the Project, Landowner shall construct the necessary offsite recycled facilities and obtain reimbursement from the CSP in accordance with Section 4.2.2 herein.
Department	Environmental Utilities
Status	Currently not in development
Section	3.9.1
Title	Non Exclusive Public Utility Easement
Obligation	Where the-recycled water facilities are not located within road. Rights of-way, as and when such facilities are installed, Landowner shall grant and City shall accept a non-exclusive public utility easement for the ownership and maintenance of such facilities; together with access thereto for maintenance purposes only. Easement widths shall be-granted in accordance with the City's then current Improvement Standards.
Department	Environmental Utilities
Status	Currently not in development
Section	3.9.2.
Title	Recycled Water Facilities for Reimbursement
Obligation	Subject to the provisions of Section 4.2 of this Agreement, Landowner shall be entitled to reimbursement from third parties outside the Project whose property is benefited by Landowner's construction of recycled water facilities required by City in which there exists capacity in excess of that required to serve the development of the Property (Excluding any operational adjustments by the. City). Such reimbursement shall be pro rata, based on the respective capacity requirements of the Property and other property benefited by the construction. Specific recycled water facilities subject to reimbursement pursuant to this Section 3.9.2 and Section 4.2 of this Agreement are shown in Exhibits "Q-1" and "Q-2" and listed in Exhibit "BB". For properties outside of the Specific Plan, Landowner shall submit documentation to the City to justify the requested reimbursement.
Department	Environmental Utilities
Status	Currently not in development
Section	3.9.3
Title	Recycled Water Engineering Report
Obligation	Landowner shall prepare a Title 22 Recycled Water Engineering Report for submittal to and review by the State Regional Water Quality. Control Board and State Department of Public Health I documenting the use of recycled water in the Project. Prior to submittal to the State Water Quality Control -Board, Landowner shall obtain approval of the City's Environmental Utilities Director. Recycled water shall not be provided for use within the Project until the Title 22 Recycled Water Engineering Report has received all required State approvals.

	accordance with the City's Storm Water Management Program and the then current MS4 permit requirements. Should grading alter the natural drainage patterns and it becomes necessary to redirect drainages across lands dedicated to the City, the Landowner shall be responsible for: the installation of above-ground constructed swales. Where constructed swales cross open space, the constructed swales shall be designed and installed in accordance with City's Open Space Preserve Overarching Management Plan to control and direct runoff to receiving waters as appropriate. Landowner shall be responsible for annual (or more frequent if needed) maintenance of said constructed swales until such time that the City develops the property, or City accepts the open space dedication.
Department	Environmental Utilities
Status	Currently not in development
Section	3.10.3
Title	Grant of Floodplain
Obligation	Prior to or concurrent with approval of any final map containing areas-within the 100-year floodplain as shown in Exhibit "S", Landowner shall grant an IOD to the City, or to a conservancy or other non-profit entity acceptable to the City, such areas within the Open Space Preserve Areas as shown in Exhibit "Y" and the land use plan for Property, set forth in Exhibit "E".
Department	Engineering Division
Status	Ongoing obligation
Section	3.10.4
Title	Drainage Easements
Obligation	Where permanent drainage facilities to be owned and maintained by City are to be constructed by Landowner and are not located within road rights-of-way, as and when Landowner installs such drainage improvements, Landowner shall grant and City shall accept a non-exclusive public utility easement or temporary easement for, the ownership and maintenance of such lines, together with access thereto for maintenance purposes only. The City shall not be required to accept or maintain any temporary drainage improvements.
Department	Engineering Division
Status	Ongoing obligation
Section	3.10.5
Title	Drainage Improvements and Work Upon City Owned Property
Obligation	The drainage channels shall be generally designed as earthen structures with side slope stabilization and longitudinal slopes that will provide positive storm water flow and minimize standing water. Maintenance vehicle access across the channel in the adjacent open space will generally be located as shown in the Open Space Transition Plan. Access roads, access ramps, fencing and landscaping shall be constructed per City standards. Where access roads cross the channel, such access roads shall be constructed to allow small tractor loader (such as a Bobcat) to pass under the access road: .The channel bottom shall support the wheel loading of maintenance equipment without compromising the integrity and/ or flow line of the channel. The channels and storm water pumps for Road "G" shall be maintained by City with funds from the CFD for Public Services. City may program the use of maintenance access roads for pedestrian use.
Department	Engineering Division
Status	Ongoing obligation
Section	3.10.6
Title	Off-Site Monitoring
Obligation	City acknowledges that the existing drainage channel on City's Al Johnson Wildlife Area property is currently subject to overtopping and erosion during storm events. Landowner

	acknowledges and takes responsibility for erosion impacts to such City owned property that are attributable to an increase in flow onto the Al Johnson Wildlife Area property. With the design of the channel, Landowner shall produce a report and initial investigation to determine the stability of University Creek across City property.
Department	Engineering
Status	Ongoing obligation
Section	3.10.7
Title	Annexation Into Regional Flood Control Program
Obligation	City administers a Regional Flood Control Program within the Pleasant Grove/Curry Creek watershed and collects drainage fees for the future mitigation of volumetric impacts to downstream properties. Landowner acknowledges that as a result of approval of the Project; City shall need to update the Regional Flood Control Program and the Drainage Mitigation Fee in order to annex the Plan Area into the Regional Flood Control Program benefit area. Landowner and City shall use their best efforts to cause such update to be completed within twelve (12) months of the Effective Date of the Agreement. Until such update has been completed and approved by City, Landowner agrees to pay the then current Drainage Mitigation Fee. When a new Drainage Mitigation Fee is adopted, Landowner shall pay the new Drainage Mitigation Fee for all DUEs for which building permits have not yet been issued.
Department	Engineering Division
Status	Ongoing obligation
Section	3.11
Title	Electric
Obligation	Landowner shall provide electric utility improvements as provided in this Section, the Phasing Plan and as shown in Appendix "B" of the Dry Utility Plan for the Project.
Department	Electric
Status	Currently not in development
Section	3.11.1
Title	On-Site Electric Facilities
Obligation	For purposes of this section, "on-site" means within the Property. Concurrently with the construction of the adjacent roadways and as specified in Section 3.3, Landowner agrees to construct, or finance the construction of, on- site 12kV electric distribution facilities as directed by the Electric Utility Director. Landowner shall construct or finance construction of on-site 12kV electric distribution facilities in accordance with final on-site electric distribution designs for the Project as directed by the Electric Utility Director in accordance with applicable City Electric Utility Department Specifications.
Department	Electric
Status	Currently not in development
Section	3.11.2
Title	Off-Site Electric Facilities
Obligation	For purposes of this section, "off-site" means outside of the Project. Concurrently with the construction of any phase of the Project, Landowner agrees to construct or finance the construction of off- site 12kV electric distribution facilities as directed by the Electric Utility Director: Landowner shall construct or finance construction of off-site 12kV electric distribution facilities in accordance with final off-site electric distribution designs for the Project as directed by the Electric Utility Director in accordance with applicable City Electric Utility Department Specifications.
Department	Electric
Status	Currently not in development

Title	CSP Electric Substation

**Brookfield Sunset, LLC and Jennifer M. Amoruso, Successor Trustee of the Amoruso
Family Living Trust Dated March 14, 2005
Amoruso Specific Plan (148.7 Acres) Development Agreement Implementation Matrix**

Obligation	Pursuant to the development agreement in the CSP, CSP landowners are required to dedicate to City, grade and provide access to a parcel in the CSP (designated Parcel C-81 in the Specific Plan) for an electric substation to serve the CSP (the "Substation Site"). Under the development agreement between CSP landowners and City, such Substation Site must be provided to City prior to issuance of the 500 th residential building permit, or combination of building permits, in the CSP.
Department	Electric
Status	Currently not in development
Section	3.11.4
Title	60kV Disclosure.
Obligation	Landowner shall include a notice in the project CC&R's and its sales documentation advising property owners adjacent to the existing 60 kV easement areas shown on Exhibit "U" and the future 60kV easement line on the east side of Westbrook. Boulevard and the southern Project boundary along Road A that the City may utilize the public utility easements-to construct, 60kV overhead electric.
Department	Electric
Status	Currently not in development
Section	3.11.5
Title	Streetlights
Obligation	Concurrent with the construction of the adjacent roadways, Landowner agrees to construct, or finance construction of, streetlights within the Property, as directed by the Electric Utility Director. Except as may otherwise be permitted by the Electric Utility Director, no street shall be accepted by the City unless and until streetlights have been installed in accordance with the Specific Plan and applicable requirements of the Electric Department Streetlights shall meet Roseville Electric's specifications for residential and/ or, commercial construction in effect at the time the construction improvement plans are approved-and issued by the City.
Department	Electric
Status	Currently not in development
Section	3.11.6
Title	Electric Efficiency and Demand Reduction
Obligation	In order to mitigate demand for energy supplies and comply with state mandated energy efficiency goals, the following: energy efficiency and load management requirements are hereby established: 1. All-residential dwelling units will install residential air conditioning units with the following sets of parameters, as a minimum standard: a. A Seasonal Energy Efficiency Rating ("SEER") of 2 points above the minimum, as defined by the State of California in the current Title 24 of the Code of California Regulations, up to a total maximum of 18 points including the 2 point premium, an Energy Efficiency Ratio ("EER") of 12.5 or greater. The SEER rating of 2 points above the minimum, as defined by the current Title 24, up to a maximum of 18 points, and an EER rating of 12.5 or greater will be specified on building plans and Title 24 compliance certificates-at the time building-permits are requested. If Title 24 of the Code of California Regulations in effect at-the time of request for building permits requires higher SEER or EER ratings, residential units in the ,Plan Area shall comply with such State requirements. The SEER and EER ratings will be verified with appropriate documentation. These requirements shall be utilized in the overall energy compliance: calculations required for issuance of a building permit for any residential unit. Any variances must be approved by the Electric Department's Retail Energy Services Department. 2. All commercial air conditioning units 5 tons or less (<65,000 btu/h) shall meet the current Consortium for Energy Efficiency (CCEE"). Tied specifications. The SEER/EER

	completed with the construction of the roadway fronting Parcel AR-55.
Department	Environmental Utilities
Status	Currently not in development
Section	3.15
Title	EIR Mitigation Measures
Obligation	Notwithstanding any other provision in this Agreement to the contrary, as and when Landowner elects to develop the Property, Landowner shall be bound by, and shall perform, all mitigation measures contained in the EIR related to such development which are adopted by City and are identified in the mitigation monitoring plan or the EIR as being responsibility of Landowner, and shall be subject to any fees which may be enacted by City to implement any mitigation measures contained in the EIR.
Department	Planning Division
Status	In process
Section	3.16
Title	Waiver
Obligation	In consideration of the benefits received pursuant to this Agreement, Landowner, on behalf of itself and its respective heirs, successors in interests and assigns, waives any and all causes of action which it might have under the ordinances of the City of Roseville or the laws of the State of California or the United States with regard to any otherwise uncompensated or under-compensated conveyance or dedication of land or easements over the Property or improvements that are specifically provided for in this Agreement that are required in conjunction with changes to this Agreement or the Specific Plan that are requested by Landowner, or that are logically implied by this agreement. This waiver shall not apply to any conveyances or dedications of land or easements that are not specifically contained in this Agreement and are subsequently desired by the City.
Department	Landowner
Status	Acknowledges waiver for development
Section	3.17.1
Title	Formation
Obligation	Landowner and City may form a Community Facilities District or Districts for the purpose of financing the construction and/or acquisition of public infrastructure and facilities within the Property ("Project CFD(s)"). If requested by Landowner, City and Landowner, shall use their best efforts to cause to be formed the Project CFD(s) for the purpose of financing the acquisition or construction of some or all of the improvements and facilities eligible for CFD financing (the "CFD Eligible. Improvements") within and associated with the Project, including those improvements which will mitigate impacts of the Project upon areas inside and outside of the Project, and will be owned, operated and maintained by the City or another public agency. 3.17.1.1 Nothing in this section shall be construed to require Landowner to form a CFD nor, if formed, to preclude the payment by an owner of any of the Parcels to be included within the CFD a cash amount equivalent to its proportionate share of costs for the CFD Improvements, or any portion thereof, prior to the issuance of bonds. 3.17.1.2 If Landowner desires to pursue a Community Facilities District, City and Landowner agree that, with the consent of Landowner and to the extent permitted by law, City and Landowner shall use their best efforts to cause bonds to be issued and in amounts sufficient to affect the purposes of this section. City and Landowner further agree that, with the consent of Landowner or their successor(s) in interest, and to the extent

	permitted by law, the City agrees to the following: • Maximum annual taxes for residential units shall not exceed 2.00% of the assessed valuation. • Special tax to be levied for as long as needed to service the principal and interest on bond debt, and pay any additional authorized facilities not reimbursed with bond proceeds in the funding. • City shall not unreasonably deny the max annual tax escalating 2% per year. • Include development impact fees for public improvements. • City shall consider a reasonable interest component for any authorized facilities reimbursed with pay as you go provided for in the funding, construction and acquisition agreement. • Landowner may utilize the statewide community infrastructure program for eligible impact fees. • Landowner may utilize a phased bond sale(s). • Landowner may utilize private placement of bonds. • If CFD's are formed, allowance for the transfer of the assigned special tax from one large lot parcel to another (with certain criteria listed in 3.17.1.2.j). 3.17.1.3 Concurrent with any formation of a CFD, Landowner and City shall enter into a shortfall agreement as defined in the Funding, Construction, and Acquisition Agreement, in form and substance acceptable to City, whereby Landowner shall covenant to finance its fair share of the costs of the CFD Eligible Improvements, to the extent that the bonds issued by the CFD do not provide sufficient funding for the completion of such Improvements, subject to reimbursement/ acquisition by pay-as-you-go proceeds, to the extent available.
Department	Finance Department
Status	Nothing formed yet, currently not in development.
Section	3.17.2
Title	Effect of CFD Financing on Credits and Reimbursements
Obligation	Wherever the terms of this Agreement provide for (a) credits or (b) reimbursements to Landowner for construction of certain improvements, and such improvements are financed by the CFD, development fees otherwise applicable to such improvements shall be adjusted as necessary to reflect construction with CFD funds. Credits or reimbursements owed to Landowner shall not be affected or reduced because improvements for which credits or reimbursements are due were financed with CFD special taxes or bond proceeds.
Department	Finance Department
Status	Currently not in development.
Section	3.18
Title	Completion of Improvements
Obligation	City generally requires that all improvements necessary to service new development be completed prior to issuance of building permits (except model home permits as may be provided by the City's Subdivision Ordinance). However, the parties hereto acknowledge that some of the CFD Eligible Improvements associated with the development of the Property may not need to be completed to adequately service portions of the Property as such development occurs. Therefore, as and when portions of the Property are developed, all CFD Eligible Improvements required to service such portion of the Property in accordance with the Entitlements (e.g., pursuant to specific tentative map conditions or other land use approvals) shall be completed prior to issuance of any building permits within such portion of the Property (except permits for model homes, which may be issued sooner in accordance with the City's Subdivision

	Ordinance). Provided however, the Public Works Director may approve the issuance of building permits prior to completion of all such CFO Eligible Improvements if the improvements necessary to provide adequate service to the portion of the Property being developed are substantially complete to the satisfaction of the Public Works Director.
Department	Engineering Division
Status	Currently not in development.
Section	3.19.1.1
Title	Consent, Waiver and Special Benefit
Obligation	No residential building permit, excluding permits for model homes, or certificate of occupancy for non-residential uses, shall be issued until a Community Services District Public Services has been formed to include the Property ("Public Services CFD"). Landowner consents to and shall cooperate in such formation or other such financing mechanism for maintenance purposes and consent herewith to the levy of such special taxes as are necessary to fund the maintenance obligations described in Section 3.19.2. Formation of the Public Services CFD shall be pursuant to and consistent with the requirements of this Agreement and Government Code Section 53111, et seq. The Public Services CFD will fund maintenance of street frontage 'and median landscaping, open space and neighborhood parks.
Department	Building Division and Finance Department
Status	Nothing formed yet, currently not in development
Section	3.19.2
Title	Public Services
Obligation	The Public Services CFD shall provide the funds required for the performance of maintenance, monitoring and reporting obligations and may include, but not limited to, the following: 3.19.2.1 Autumn leaf cleanup for collector and local streets; 3.19.2.2 Maintain neighborhood parks; 3.19.2.3 Maintain Paseos and Sidewalks along collector streets and primary residential streets, medians, and landscape corridors and all masonry walls; 3.19.2.4 Maintain bikeways, signs and benches 3.19.2.5 Maintain City and neighborhood entry features within the property, public right of way and ancillary landscaping; 3.19.2.6 Conduct the environmental mitigation monitoring; 3.19.2.7 Conduct all monitoring, reporting and adaptive management for open space preserve areas; 3.19.2.8 Maintain all water quality structural controls, storm management facilities within RoW's and open spaces; 3.19.2.9 Maintain flood control and drainage facilities including storm water channels, storm water pump stations, detention basins and created wetlands; 3.19.2.10 Maintain open space including general mtc, signage and city owned fenced mtc, and trash and debris collection; 3.19.2.11 Maintain fire breaks within open space areas; 3.19.2.12 Maintain replacement reserve fund for repair and replacement of entry features, signage, lighting, and other special features including park features and structures; 3.19.2.13 Maintain bus shelters, bus stops, the park and ride lot and bus signs; 3.19.2.14 Maintain the NAPOTS area referenced in section 3.3.1
Department	Alternative Transportation; Parks
Status	Not formed yet, currently not in development.
Section	3.19.3
Title	Public Parcel Exclusion

**Brookfield Sunset, LLC and Jennifer M. Amoruso, Successor Trustee of the Amoruso
Family Living Trust Dated March 14, 2005
Amoruso Specific Plan (148.7 Acres) Development Agreement Implementation Matrix**

Obligation	Landowner expressly agrees that Parcels conveyed or to be conveyed to the City, Roseville City School District or Roseville Joint Union High School District shall be excluded from any assessment imposed by the Public Services CFD.
Department	Finance Department
Status	Currently not in development.
Section	3.20.1.1
Title	Consent, Waiver and Special Benefit
Obligation	No residential building permit, excluding permits for model homes, shall be issued until a Community Facilities District - Municipal Services (Municipal Services CFD) has been formed or annexed to the City's existing Municipal Services CFD. Landowner consents to and shall cooperate in such formation or other such financing mechanism for services purposes and consent herewith to the levy of such special taxes as are necessary to fund the maintenance obligations described in Section 3.20.2. Formation of the Municipal Services CFD shall be pursuant to and consistent with the requirements of this Agreement and Government Code Section 53311, et seq.
Department	Finance Department and Building Division
Status	Not formed yet, currently not in development
Section	3.20.2
Title	Municipal Services
Obligation	The Municipal Services CFD shall provide the funds required to offset the Project's impact on City general fund resources available to pay for municipal services citywide, including the Project. The funds shall be utilized for general fund purposes.
Department	Finance Department
Status	Not annexed in yet, Currently not in development.
Section	3.20.3
Title	Public Parcel Exclusion
Obligation	Landowner expressly agrees that Parcels conveyed or to be conveyed to the City, Roseville City School District or Roseville Joint Union High School District shall be excluded from any assessment, imposed by the Services CFD.
Department	Finance Department
Status	Currently not in development.
Section	3.21
Title	Encroachment Permits, Landscape Maintenance Easements
Obligation	Landowner and City agree to grant encroachment permit(s) or maintenance easements for all Services CFD' s to Landowner or City oi their agents, employees, successors, assigns, agents and employees, for the purpose of entry into the landscape easement and setback areas or City property (including streets and rights-of-way) to perform the maintenance obligations described herein.
Department	Finance Department
Status	Currently not in development.
Section	3.22
Title	Grading Permit
Obligation	Prior to the onset of any construction activities, the Landowner shall apply for and obtain a grading permit from the City. All plans shall meet or exceed the intent of the then approved City Standards, the State Water Quality Control Board SWP3 requirements, and the State General Construction Permit. It is the Landowners responsibility to meet all criteria of any outside agency for grading adjacent to or within the Open Spaces.
Department	Engineering Division
Status	Currently not in development.
Section	3.22.1
Title	Contour Grading Plan

**Brookfield Sunset, LLC and Jennifer M. Amoruso, Successor Trustee of the Amoruso
Family Living Trust Dated March 14, 2005
Amoruso Specific Plan (148.7 Acres) Development Agreement Implementation Matrix**

Obligation	Landowner shall submit a contour grading plan (the "Preliminary Contour Grading Plan") for City review and acceptance for the overall Project concurrently with the application for the first residential small lot tentative subdivision map in the Project. The Preliminary Contour Grading Plan shall serve as an information tool to demonstrate how the overall earth work for the Project will balance and coincide with future improvements.
Department	Engineering Division
Status	Ongoing obligation
Section	3.23
Title	Fire Station Site
Obligation	City and Landowner acknowledge that City is responsible for funding, construction, and operation of fire facilities necessary to serve the ARSP. Landowner shall dedicate to City a 3.02 acre site (AR54) for use as a, fire station (the "Fire Station Site") at the location shown in the ARSP and as shown in Exhibit "E" attached hereto. The net buildable area (i.e., an area of land which may be fully and completely utilized for structures and other improvements) shall be no less than 3.0 acres.
Department	Finance and Fire Department
Status	Currently not in development.
Section	3.24
Title	Disclosures to Subsequent Purchasers
Obligation	This Agreement shall constitute notice to all successors to Landowner hereunder, and to all subsequent purchasers of any lots and/ or residential units within the Property, of the following matters: Refer to DA for requirements (page 69).
Department	Landowners
Status	Developer's responsibility.
Section	3.25
Title	General Signage
Obligation	A) Utility Sites (see Section 3.14.5): Landowner shall install signage at all future utility sites (including, but not limited to; the well, sewer lift stations, pumping stations, aquifer storage and recovery facilities, and public facility sites describing the facilities to be constructed on the subject site. Signs shall be provided per City specifications. The Environmental Utilities Director, City Engineer, and Electric Director, as appropriate, must review and approve sign layouts prior to installation/ construction of any utility sites. The City Manager or his/her designee must review and approve sign layouts prior to installation/ construction of any public facilities. B) Affordable Housing: Landowner shall install signage at future affordable rental housing sites (excluding carriage units) describing the facilities to be constructed on the subject site. Signs shall be provided per City specifications. The City Manager or his/her designee must review and approve sign layouts prior to installation by Landowner.
Department	Landowner and appropriate departments
Status	Currently not in development. No electric sites in ARSP.
Section	3.26
Title	Masonry Walls
Obligation	Landowner agrees to construct masonry walls, a minimum of 6-feet high, between the future Placer Parkway right-of-way (the NAPOTS Area) where Low Density Residential land uses about the future Placer Parkway right-of-way, and prior to the occupancy of such residential land uses.
Department	Engineering Division and Landowner
Status	Currently not in development.
Section	3.27
Title	Reimbursement to West Roseville Specific Plan

**Brookfield Sunset, LLC and Jennifer M. Amoruso, Successor Trustee of the Amoruso
Family Living Trust Dated March 14, 2005
Amoruso Specific Plan (148.7 Acres) Development Agreement Implementation Matrix**

Obligation	Refer to DA for reimbursement details (Page 72)
Department	Finance/Development Services
Status	Currently not in development.
Section	3.28
Title	Reimbursement to Creekview Specific Plan
Obligation	Refer to DA for reimbursement details (Page 75)
Department	Finance/Development Services
Status	Currently not in development.
Section	3.29
Title	Reimbursements to Third Parties
Obligation	In the event that third parties construct sewer; water and/ or recycled facilities in Westbrook Boulevard through the Property, and/or the ARSP fire station site, that are either required of or by Landowner or for which Landowner has responsibility for a pro-rata share, Landowner shall provide reimbursement to third parties for Landowner's share of the costs of such improvements as set forth in this Section 3.29.
Department	Finance/Development Services
Status	Currently not in development.
Section	5.2
Title	Annual Review
Obligation	Annual review every 12 months per Roseville Municipal Code Chapter 19.84
Department	Development Services
Status	Completed annually

Amoruso Specific Plan (525.7 Acres) Development Agreement Implementation Matrix**

Section	2.7.6
Title	Preserve Area Operation and Management Plan Fee
Obligation	Landowner shall pay to City a onetime fee of \$20,000.00. Payment due upon effectuation of the 404 permit and initiation of the establishment monitoring phase management as outlined in City's Open Space Preserve Overarching Management Plan.
Department	Engineering Department/ Environmental Coordinator
Status	404 Permit still processing by the Army Corps. If wetland mitigation includes onsite creation, payment trigger is at initiation of establishment monitoring phase. If no onsite creation, payment trigger is upon effectuation of the 404 Permit.
Section	3.1
Title	Development, Connection and Mitigation Fees
Obligation	Except otherwise provided in Section 2.5 of this Agreement, any and all required payments of development, connection or mitigation fees by Landowner shall be made at the time and in the amount specified by applicable City Ordinances.
Department	All Departments
Status	All fees will be collected at time of processing permits and/or development.
Section	3.2
Title	Public Improvements to be Dedicated, Constructed or Financed by Landowner
Obligation	In conjunction with each phased Final Map, or as otherwise required by this Agreement, Landowner agree to dedicate, construct or acquire the improvements or facilities and to perform the obligations set forth in this Section 3, at its expense.
Department	Engineering Division
Status	Ongoing obligation
Section	3.3
Title	Project Phasing
Obligation	Landowner shall develop and construct the infrastructure necessary to serve the Project in Phases 1 through 3 substantially consistent with the Phasing Plan set forth in Exhibit "G" attached hereto. Infrastructure may be constructed in sub-phases as approved at the discretion of the City, in consultation with all affected City Departments. (See DA for specified sub-phased requirements.)
Department	Engineering Division
Status	Ongoing obligation
Section	3.4
Title	Public Utilities Within Rights-of-Way
Obligation	All public utilities shall be located within the rights-of-way to be granted by Landowner to City for the arterials, collectors and other local streets within the Property or within the easements granted by Landowner to City for such purposes.
Department	Environmental Utilities
Status	Currently not in development
Section	3.5
Title	Road Improvements
Obligation	Landowner, at its expense, shall provide the road improvements set forth in this agreement, the Specific Plan, the Phasing Plan, as may be modified as provided in Section 3.3, the Infrastructure Phasing and Reimbursement Schedule set forth in Exhibit "BB", and as shown in Exhibit "H".
Department	Engineering Division
Status	Ongoing obligation
Section	3.5.1
Title	Landowner's Obligations
Obligation	Landowner obligation for residential and collector roadway improvements shall consist

**Brookfield Sunset, LLC and Jennifer M. Amoruso, Successor Trustee of the Amoruso
Family Living Trust Dated March 14, 2005
Amoruso Specific Plan (525.7 Acres) Development Agreement Implementation Matrix**

	of the construction of curb, gutter, sidewalk, utilities, streetlights, appropriate striping, all necessary drainage improvements including storm water management requirements, fiber optic cable, conduit as set forth in Exhibit "T" and pavement section. Except as provided below in : Section 3.5.2, Landowner's frontage obligation for arterial roadways shall consist of curb, gutter, sidewalk, one-half of the median landscaping and median curbing, grading of 112 of the full road section, drainage facilities including storm water management requirements, utilities, street lights, signal interconnect conduits, fiber optic cable conduit as set forth in Exhibit "T", and eighteen feet (18') of asphalt pavement adjacent to the property, including aggregate base and sub-base, striping, and any additional pavement widening at intersections and_ driveways to accommodate turn lanes and bus turnouts as may be required by the City Engineer (collectively "Frontage Improvements").
Department	Engineering Division
Status	Ongoing obligation
Section	3.5.3
Title	West Sunset Boulevard
Obligation	Landowner shall have the obligation to construct improvements to West Sunset Boulevard in unincorporated Placer County immediately-north of the Annexation Area'(the "West Sunset Improvements" to a Rural Secondary Roadway standard pursuant to Placer County standards in effect as of the Effective date of the Agreement. The West Sunset Improvements shall be constructed as initial improvements and ultimate improvements, as set forth in Exhibits H-3-A, -B, and -C" hereto: Initially, the West Sunset Improvements shall consist of an all-weather fire access road (emergency vehicle access only) along the future alignment of Westbrook Boulevard from West Sunset Boulevard south to where initial Westbrook Boulevard improvements in the Project have been constructed, including a gate and fencing to restrict public access to the satisfaction of the City Engineer.
Department	Engineering Division
Status	Ongoing obligation
Section	3.5.4.1
Title	Timing of Dedication and Security for Road Improvements
Obligation	Rights-of-way for the arterial roadways and the NAPOTS Area shall be dedicated as an IOD to the-City as set forth in Section; 3.2 and 3.3.1, and 'with the recordation of the first Large Lot Map. All other dedications of roadways to the City, shall be made with subsequent final small lot subdivision maps and City acceptance of completed improvements.
Department	Engineering Division
Status	Ongoing obligation
Section	3.5.4.2
Title	Timing of Dedication and Security for Road Improvements
Obligation	Prior to the recordation of a small lot residential subdivision map for the Property, Landowner shall provide adequate assurances to City, either in the form of subdivision improvement bonds, issuance and sale of bonds by the CFD or other manner acceptable to the City, that adequate funds are available to finance the completion of all improvements to arterial roadways and the single collector street in the Project to serve the portion of the Property which is the subject of the small lot residential subdivision map; provided, however, Landowner shall not be required to post security for the portion of the work associated with Road CIP improvements.
Department	Engineering Division
Status	Ongoing obligation
Section	3.5.5

**Brookfield Sunset, LLC and Jennifer M. Amoruso, Successor Trustee of the Amoruso
Family Living Trust Dated March 14, 2005
Amoruso Specific Plan (525.7 Acres) Development Agreement Implementation Matrix**

Title	Road Improvement Standards
Obligation	All improvements to be installed by Landowner shall comply with the City's development standards for public streets in effect as of the date of improvement plan approval unless modifications are otherwise mutually agreed to by Landowner and the City Engineer.
Department	Engineering Division
Status	Ongoing obligation
Section	3.5.6
Title	Landscape Setbacks
Obligation	For the roadways within and/or adjacent to the Property, Landowner shall establish the applicable landscape setbacks provided therefore by the Specific Plan and/or Design Guidelines.
Department	Planning Division
Status	Currently not in development
Section	3.5.6.1
Title	Separated Sidewalks
Obligation	Landowner shall ensure that if a residential property is improved with separated sidewalks, the residential property shall be subject to recorded CC&R's containing a requirement that the owner of a residential unit immediately adjacent to a separated sidewalk is responsible for the maintenance of all landscaping (consistent with the City's Water Efficient Landscape Ordinance) within the landscape planter, including, street tress (to be trimmed per City standards) located between the separated sidewalk and curb, except where a Homeowners Association maintains the landscaping within the landscape planter.
Department	Engineering Division
Status	Ongoing obligation
Section	3.5.7
Title	Traffic Signals
Obligation	Landowner shall be responsible for the costs of construction of traffic signals as shown on Exhibit "I" and described in the Phasing Plan in Exhibit "I", for which City shall make progress payments to landowner for the cost of construction of such traffic signals from the City's TMF Set-Aside Fund, as defined in Section 3.5.2 above.
Department	Public Works Division
Status	Currently not in development
Section	3.5.8
Title	Update of City Fee
Obligation	Landowner acknowledges that as a result of approval of the Project, the City will need to update the Capital Improvement Program and Traffic Mitigation Fee to include the Project. Landowner and City shall use their best efforts to cause such update to be completed within twelve (12) months of the Effective date hereof.
Department	Engineering Division
Status	Ongoing obligation
Section	3.5.9
Title	Highway 65 Joint Powers Authority
Obligation	Landowner agrees that the Property shall be subject to and shall pay the Highway 65 Joint Powers Authority Fee (Highway 65 JPA Fee). City shall initiate and complete the actions necessary to amend the Highway 65 JPA Fee to include the Property and Landowner hereby consents to and waives any objection to such inclusion.
Department	Engineering Division
Status	Ongoing obligation
Section	3.5.10
Title	South Placer Regional Traffic Fee

**Brookfield Sunset, LLC and Jennifer M. Amoruso, Successor Trustee of the Amoruso
Family Living Trust Dated March 14, 2005
Amoruso Specific Plan (525.7 Acres) Development Agreement Implementation Matrix**

Obligation	Landowner agrees that the Property shall be subject to and pay the South Placer Regional Traffic ("SPRTA") Fee as established by the Placer County Transportation and Planning Agency ("PCTPA") and adopted by the City. City shall initiate and complete the actions necessary to amend the SPRTA Fee to include the Property and Landowner hereby consents to such inclusion.
Department	Engineering Division
Status	Ongoing obligation
Section	3.5.11
Title	Tier II Traffic Fee
Obligation	The SPRTA Tier II Fees are administered by the Placer County Transportation Planning Agency ("PCTPA"). Landowner acknowledges and agrees to pay the tier II Traffic Fee, collected to pay for construction of the Placer Parkway and improvements to the I-80/SR65 interchange.
Department	Engineering Division
Status	Ongoing obligation
Section	3.5.12
Title	Transit Master Plan Funding
Obligation	Landowner shall pay, as its fair share on a City-Wide basis for the update of the City's Long ranch Transit Master Plan, Short Range Transit Plan Update and Bicycle Master Plan Update, the amounts of \$4166, \$4998 and \$4166, respectively, prior to the recordation of any Large Lot Final Map on the Property.
Department	Engineering Division and Alternative Transportation Division
Status	Not complete; pending application for large lot map.
Section	3.5.13
Title	City-County Fee
Obligation	Landowner acknowledges that City and Placer County have adopted a funding mechanism (the "City-County Traffic Mitigation Fee") for improving certain roads in the City and County, including Baseline road and Walegra Road.
Department	Engineering Division
Status	Ongoing obligation
Section	3.5.14
Title	Santucci Boulevard and Vista Grande Boulevard Extension and Traffic Mitigation Fee
Obligation	If and when the city and County of Placer develop fee programs to mitigate regional traffic concerns, Landowner consents to and agrees that any then-undeveloped portion of the Property, for which no building permit has been issued, shall participate to the extent of its fair share in a City-Wide funding mechanism.
Department	Engineering Division
Status	Ongoing obligation
Section	3.5.15
Title	Placer County Traffic Mitigation Fee
Obligation	Landowner agrees to pay to City a fee of \$215 per DUE (the "Placer County Road Impact Fee") to provide fair share circulation system for roadways in the adopted County Capital Improvement Program at the date of approval of this Agreement that are north of Interstate 80, west of Highway 65, and outside of County approved specific plan areas (but excluding Santucci Boulevard, the extension of Vista Grande Boulevard, the extension of vista Grande boulevard as provided in Section 3.5.14 above, and the West Sunset Boulevard / Fiddymont Road intersection. The Placer County Road Impact Fee shall be adjusted annually after the completion of annexation proceedings for the Specific Plan by the percentage of change in the CCI.
Department	Engineering Division
Status	Ongoing obligation

Amoruso Specific Plan (525.7 Acres) Development Agreement Implementation Matrix**

Section	3.5.16
Title	Fee Credits/Reimbursement for Construction of CIP Improvements
Obligation	Landowner shall be entitled to credits against the City traffic mitigation fees for the cost of constructing roadway- improvements that are included in City's roadway capital improvement program ("Roadway CIP") and identified in this Agreement, as more fully set forth in Sections 3.5.1 and 3.5.2 above and Section 4.2 below.
Department	Engineering Division
Status	Ongoing obligation
Section	3.5.17
Title	Transportation Systems Management
Obligation	Landowner shall comply with the City's Transportation Systems Management Ordinance.
Department	Alternative Transportation
Status	Currently not in development
Section	3.5.18
Title	Alternative Transportation Marketing
Obligation	Landowner shall provide educational and marketing materials for alternative modes of transportation (e.g. Roseville Transit, Services Guide, Bikeways Map and carpool/ vanpool information) to each, new homeowner and the first resident of each attached housing unit.
Department	Alternative Transportation Division
Status	Currently not in development
Section	3.5.19
Title	Park and Ride Lot
Obligation	Twenty-five (25) park and ride spaces shall be provided on ParcelAR-53, as shown in Exhibit "H".
Department	Alternative Transportation Division
Status	Currently not in development
Section	3.6
Title	Sewer Facilities
Obligation	Landowner shall construct on-site sewer facilities as described in this Section, the Phasing Plan, and as shown in Exhibits "J-1" and "J-2", attached hereto. In the event that the WRSP and/ or CSP has: not constructed sewer facilities necessary to serve the Property, Landowner shall construct the necessary off-site sewer facilities and obtain reimbursement from the WRSP and/ or CSP in accordance with Section 4.2.f herein.
Department	Environmental Utilities
Status	Currently not in development
Section	3.6.1
Title	Lift Station Sites
Obligation	Landowner shall, at its expense design and construct two sewer lift stations (Parcels AR-56 and AR-57). Landowner shall be responsible for installation of all frontage improvements to Parcels AR-56 and AR-57, including storm drainage, water, wastewater, electric and communication fiber conduit per City standards.
Department	Environmental Utilities
Status	Currently not in development
Section	3.6.2
Title	Master Wastewater Plan
Obligation	Landowner shall construct wastewater conveyance facilities to connect the Project to the Pleasant Grove Wastewater Treatment Plant ("Treatment Plant"). Construction of such facilities shall be consistent with Exhibits "J-1" and "J-2".
Department	Environmental Utilities

Section	3.6.3
Title	Improvement Standards
Obligation	All Sanitary sewer facilities shall be designed and constructed pursuant to City's then current Improvement Standards and shall be subject to City plan review, construction inspection and final approval. Landowner shall pay then current plan check, mapping and inspection costs as incurred by City for review, mapping and inspection of such improvements.
Department	Environmental Utilities
Status	Currently not in development
Section	3.6.4
Title	Access to Manholes
Obligation	Manholes shall be located so that they are accessible by City sewer maintenance vehicles unless otherwise approved by the Environmental Utilities Director. All manholes shall be made watertight during construction. Landowner shall maintain access for City sewer maintenance vehicles to access all selected manholes in the Project, as determined by the Environmental Utilities Director. Where feasible, maintenance roads shall be combined with bikeways.
Department	Environmental Utilities
Status	Currently not in development
Section	3.6.5
Title	Public Utility Easements
Obligation	Where wastewater improvements to be constructed by Landowner are not located. Within road rights-of-way, as and when Landowner installs such wastewater improvements, Landowner shall grant and City shall accept a non-exclusive public utility easement for the ownership and maintenance of such lines, together with access for maintenance purposes.
Department	Environmental Utilities
Status	Currently not in development
Section	3.6.6
Title	Wastewater Facilities for Reimbursement
Obligation	Subject to the-provisions of Section 4.2 of this Agreement, Landowner shall be entitled to reimbursement from third parties whose property is benefited by Landowner's construction of .wastewater facilities required by City in which there-exists capacity in excess of that required to serve the development of the Property (excluding any operational adjustments by City).
Department	Environmental Utilities
Status	Currently not in development
Section	3.6.7
Title	Wastewater Service Area Boundary
Obligation	Landowner shall be responsible for pro rata share, based on acreage (148.7 acres out of 674.4 acres in the ARSP), of all costs associated with obtaining approval from the South Placer Wastewater Authority (SPWA) for expansion of the existing wastewater service area boundary to include the Plan Area.
Department	Environmental Utilities

	PCWA by City through the wholesale agreement would be delivered to the City through PCWA's Tinker Road Pump Station and Reservoir located in the Sunset Industrial Area of unincorporated Placer County:(the "Tinker Road Facility"), and then transported through the City's water infrastructure to the Project site. In the interim period before the PCWA infrastructure is in place to provide water to the Project, the Project will be supplied using existing City supplies and water treatment capacity.
Department	Environmental Utilities
Status	Currently not in development
Section	3.7.2
Title	Financing of Water Supply
Obligation	To provide the needed surface water supply to serve the Project, and subject to the direction of and at the time City so directs, Landowner is required to participate in the funding of certain PCWA off-site water facilities. Such facilities consist of the future PCW A Ophir Water Treatment Plant ("Ophir WTP"), associated PCWA transmission facilities necessary to wheel treated water to the Tinker Road Facility, and improvements to the PCW A Tinker Road Facility.
Department	Environmental Utilities
Status	Currently not in development
Section	3.7.3
Title	Groundwater Well
Obligation	Landowner shall dedicate to City Parcel AR-55 for one (1) groundwater well at the approximate location shown on Exhibit "L" Landowner shall construct frontage improvements for Parcel AR-55, including water, recycled water, wastewater, storm drainage, electric and communication conduit. As shown in Exhibit "L", the well site shall be constructed adjacent to the 24" waterline to be constructed in Road B, and be connected to that 24" water line with a 16" water line. Landowner shall install a test well in a location mutually agreed upon by Landowner and City to determine if the well location utilized meets desired capacity and water quality. If the desired capacity and water quality are confirmed in the test well, Landowner shall be responsible for drilling and completing the production well (but not above ground well improvements such as pumping and treatment facilities) as further described below. City shall be responsible for the construction and costs of above ground production well (topside) improvements such as pumping and treatment facilities.
Department	Environmental Utilities
Status	Currently not in development
Section	3.7.4
Title	Water Conservation Measure
Obligation	Landowner and its successors shall implement a Water Conservation Plan included as Exhibit "M" to this Agreement. The Water Conservation Plan shall include compliance with the City's then current Water Efficient Landscape Ordinance and outline all water conservation measures being implemented within the Project and measures to ensure water conservation objectives are achieved in perpetuity and shall be approved, at the discretion of the Environmental Utilities Director prior to issuance of the first building permit.
Department	Environmental Utilities
Status	Currently not in development
Section	3.7.5
Title	Periodic Confirmation of Water Conservation Goal
Obligation	The City has determined, and the Landowner agrees, that the available water supply; as documented in the Water Supply Assessment for the Project, is sufficient to serve .all phases of the Project. This determination was the conclusion of a review of the various

	technical studies completed in connection with the environmental review of the Project.
Department	Environmental Utilities
Status	Currently not in development
Section	3.8.2
Title	Water Facilities
Obligation	Landowner shall construct on-site water system facilities as shown on Exhibit "N". In the event that the CSP has not constructed water lines necessary to serve the Project, and it can be demonstrated through the City hydraulic model that the water lines within the CSP are needed to supply water to the Project consistent with City standards, Landowner shall construct the necessary water lines and obtain reimbursement from the CSP in accordance with Section 4.2.2 herein.
Department	Environmental Utilities
Status	Currently not in development
Section	3.8.3
Title	Water Facilities for Reimbursement
Obligation	There are water facilities to be constructed in the CSP for which Landowner has a construction obligation only if City determines the facilities are required to serve the Project and if Landowner is not obligated to construct, or CSP landowners or other third parties have constructed the facilities, Landowner is obligated to pay its pro-rata share of the costs of such water facilities, as provided in this Section 3.8.3.
Department	Environmental Utilities
Status	Currently not in development
Section	3.8.4
Title	Water System Sequencing
Obligation	Water system facilities shall be constructed as provided in the Phasing Plan concurrently with, the construction of the road improvements described in Section 35 of this Agreement, and as generally shown on Exhibit "N". Extensions into the neighborhoods will be completed with development of each neighborhood. Waterline extensions shall be sequenced to assure looped systems in all developing area, except as otherwise approved by the Environmental Utilities Director.
Department	Environmental Utilities
Status	Currently not in development
Section	3.8.5
Title	Public Utility Easements
Obligation	Where the water improvements to be constructed by Landowner are not located -within road rights-of-way, as and when Landowner installs such water facilities, Landowner shall grant and City shall accept a non-exclusive public utility easement the width of which shall be in accordance with City's the current Improvement Standards, for the ownership and maintenance of such lines, together with access thereto for maintenance purposes only.
Department	Environmental Utilities
Status	Currently not in development
Section	3.8.6
Title	Water Softeners
Obligation	As part of its development of the Project, Landowner and its successor shall not provide water stub outs for the installation of water softeners.
Department	Environmental Utilities
Status	Currently not in development
Section	3.8.7
Title	Disclosure to Buyers
Obligation	Landowner shall disclose to all residential and nonresidential buyer that the Property will

	be served by both surface water and groundwater supplies and that variations in the appearance, taste and color of water may be noticed from time to time and include such disclosure in the C&Rs for the Property. The disclosure shall describe the location of groundwater, wells and water storage facilities.
Department	Landowner
Status	Developer's responsibility
Section	3.8.8
Title	Water Service Area Boundary Modification
Obligation	Landowner shall reimburse City for all costs associated with modifying City's service area boundary to include the Project with the U.S. Bureau of Reclamation.
Department	Environmental Utilities
Status	Currently not in development
Section	3.9
Title	Recycled Water Facilities
Obligation	Landowner shall construct recycled water system facilities as provided in this Section, the Phasing Plan, and as shown in Exhibit "P", attached hereto and made a part hereof. Recycled water shall be used for irrigation of parks and landscape setbacks/medians, paseos adjacent to collector streets and other landscape areas including all multi-family and non-residential landscaping uses. Landowner shall construct and dedicate upon completion thereof, a recycled water line system as generally shown in Exhibit "P". In the event that the CSP has not constructed recycled water facilities necessary to serve the Project, Landowner shall construct the necessary offsite recycled facilities and obtain reimbursement from the CSP in accordance with Section 4.2.2 herein.
Department	Environmental Utilities
Status	Currently not in development
Section	3.9.1
Title	Non Exclusive Public Utility Easement
Obligation	Where the-recycled water facilities are not located within road. Rights of-way, as and when such facilities are installed, Landowner shall grant and City shall accept a non-exclusive public utility easement for the ownership and maintenance of such facilities; together with access thereto for maintenance purposes only. Easement widths shall be granted in accordance with the City's then current Improvement Standards.
Department	Environmental Utilities
Status	Currently not in development
Section	3.9.2.
Title	Recycled Water Facilities for Reimbursement
Obligation	Subject to the provisions of Section 4.2 of this Agreement, Landowner shall be entitled to reimbursement from third parties outside the Project whose property is benefited by Landowner's construction of recycled water facilities required by City in which there exists capacity in excess of that required to serve the development of the Property (Excluding any operational adjustments by the. City). Such reimbursement shall be pro rata, based on the respective capacity requirements of the Property and other property benefited by the construction. Specific recycled water facilities subject to reimbursement pursuant to this Section 3.9.2 and Section 4.2 of this Agreement are shown in Exhibits "Q-1" and "Q-2" and listed in Exhibit "BB". For properties outside of the Specific Plan, Landowner shall submit documentation to the City to justify the requested reimbursement.
Department	Environmental Utilities
Status	Currently not in development
Section	3.9.3
Title	Recycled Water Engineering Report

**Brookfield Sunset, LLC and Jennifer M. Amoruso, Successor Trustee of the Amoruso
Family Living Trust Dated March 14, 2005
Amoruso Specific Plan (525.7 Acres) Development Agreement Implementation Matrix**

Obligation	Landowner shall prepare a Title 22 Recycled Water Engineering Report for submittal to and review by the State Regional Water Quality Control Board and State Department of Public Health I documenting the use of recycled water in the Project. Prior to submittal to the State Water Quality Control -Board, Landowner shall obtain approval of the City's Environmental Utilities Director. Recycled water shall not be provided for use within the Project until the Title 22 Recycled Water Engineering Report has received all required State approvals.
Department	Environmental Utilities
Status	Currently not in development
Section	3.9.4
Title	Recycled Water Use Disclosure to Buyers
Obligation	Landowner shall disclose to all buyers that recycled water shall be used for irrigation of parks and landscape corridors, medians, paseos adjacent to collector streets and other landscape areas, including all multifamily and non-residential landscaping uses. Such disclosure shall be included in the CC&Rs for all residential buyers and other recorded notice instrument for a non-residential buyers.
Department	Landowner
Status	Developer's responsibility
Section	3.9.5
Title	Terms and Conditions for Recycled Water Operations, Use, and Service
Obligation	All private commercial recycled water customers within the Project shall sign a Terms and Conditions for Recycled Water Operations, Use and Service prior to service meter installation and recycled water being introduced to the site per requirements of the City's Municipal Code at the time of connection.
Department	Environmental Utilities
Status	Currently not in development
Section	3.10
Title	Drainage Facilities
Obligation	Landowner shall be responsible for the design and construction of all storm drain facilities required to serve the Property in conformance with the Project drainage Master Plan (including open space transition areas), the then approved City Improvement Standards, City Storm Water Management program, the MS4 Permit as issued and modified by the State and Regional Water Quality Control Board, the approved Placer County Storm Water Management Manual, the 404 Permit issued by the Army Corps, and any agency required Establishment Phase Operation and Management Plan and/or City's Preserve Area Overarching Management Plan (whichever Management-Plan is in force at the time). Appropriate aspects of the Low. Impact Development design, hydro modification, and the Flood Control Plan as specified in the Drainage Master Plan and in the Specific Plan.
Department	Environmental Utilities
Status	Currently not in development
Section	3.10.1
Title	Other Agency Approval
Obligation	Prior-to issuance of any building permit or grading permit, Landowner shall obtain, at its expense; all permits and agreements as required by other agencies having jurisdiction over drainage, water quality or wetlands issues including, but not limited to, the Regional Water Quality Control Board ("RWQCB"), the Army Corps and the California Department of Fish and Game.
Department	Landowner
Status	Landowner to obtain all permits and agreements prior to development.
Section	3.10.2

**Brookfield Sunset, LLC and Jennifer M. Amoruso, Successor Trustee of the Amoruso
Family Living Trust Dated March 14, 2005
Amoruso Specific Plan (525.7 Acres) Development Agreement Implementation Matrix**

Title	Storm Drains
Obligation	Landowner shall construct storm drain mains and laterals in accordance with the Drainage Master Plan and Phasing Plan and with the City's then current Improvement Standards and shall provide laterals to serve 'all parcels on the Property, including, but not limited to, park sites. Storm drain laterals shall be constructed to the property line concurrently with the construction of connecting open channels or storm drain mains. Storm drainage system designs shall include applicable Best Management Practices with the goal of preventing or reducing pollutants from entering receiving waters in accordance with the City's Storm Water Management Program and the then current MS4 permit requirements. Should grading alter the natural drainage patterns and it becomes necessary to redirect drainages across lands dedicated to the City, the Landowner shall be responsible for: the installation of above-ground constructed swales. Where constructed swales cross open space, the constructed swales shall be designed and installed in accordance with City's Open Space Preserve Overarching Management Plan to control and direct runoff to receiving waters as appropriate. Landowner shall be responsible for annual (or more frequent if needed) maintenance of said constructed swales until such time that the City develops the property, or City accepts the open space dedication.
Department	Environmental Utilities
Status	Currently not in development
Section	3.10.3
Title	Grant of Floodplain
Obligation	Prior to or concurrent with approval of any final map containing areas-within the 100-year floodplain as shown in Exhibit "S", Landowner shall grant an IOD to the City, or to a conservancy or other non-profit entity acceptable to the City, such areas within the Open Space Preserve Areas as shown in Exhibit "Y" and the land use plan for Property, set forth in Exhibit "E".
Department	Engineering Division
Status	Ongoing obligation
Section	3.10.4
Title	Drainage Easements
Obligation	Where permanent drainage facilities to be owned and maintained by City are to be constructed by Landowner and are not located within road rights-of-way, as and when Landowner installs such drainage improvements, Landowner shall grant and City shall accept a non-exclusive public utility easement or temporary easement for, the ownership and maintenance of such lines, together with access thereto for maintenance purposes only. The City shall not be required to accept or maintain any temporary drainage improvements.
Department	Engineering Division
Status	Ongoing obligation
Section	3.10.5
Title	Drainage Improvements and Work Upon City Owned Property
Obligation	The drainage channels shall be generally designed as earthen structures with side slope stabilization and longitudinal slopes that will provide positive storm water flow and minimize standing water. Maintenance vehicle access across the channel in the adjacent open space will generally be located as shown in the Open Space Transition Plan. Access roads, access ramps, fencing and landscaping shall be constructed per City standards. Where access roads cross the channel, such access roads shall be constructed to allow small tractor loader (such as a Bobcat) to pass under the access road. The channel bottom shall support the wheel loading of maintenance equipment without compromising the integrity and/ or flow line of the channel. The channels and

	storm water pumps for Road "G" shall be maintained by City with funds from the CFD for Public Services. City may program the use of maintenance access roads for pedestrian use.
Department	Engineering Division
Status	Ongoing obligation
Section	3.10.6
Title	Off-Site Monitoring
Obligation	City acknowledges that the existing drainage channel on City's Al Johnson Wildlife Area property is currently subject to overtopping and erosion during storm events. Landowner acknowledges and takes responsibility for erosion impacts to such City owned property that are attributable to an increase in flow onto the Al Johnson Wildlife Area property. With the design of the channel, Landowner shall produce a report and initial investigation to determine the stability of University Creek across City property.
Department	Environmental Utilities
Status	Currently not in development
Section	3.10.7
Title	Annexation Into Regional Flood Control Program
Obligation	City administers a Regional Flood Control Program within the Pleasant Grove/Curry Creek watershed and collects drainage fees for the future mitigation of volumetric impacts to downstream properties. Landowner acknowledges that as a result of approval of the Project; City shall need to update the Regional Flood Control Program and the Drainage Mitigation Fee in order to annex the Plan Area into the Regional Flood Control Program benefit area. Landowner and City shall use their best efforts to cause such update to be completed within twelve (12) months of the Effective Date of the Agreement. Until such update has been completed and approved by City, Landowner agrees to pay the then current Drainage Mitigation Fee. When a new Drainage Mitigation Fee is adopted, Landowner shall pay the new Drainage Mitigation Fee for all DUEs for which building permits have not yet been issued.
Department	Engineering Division
Status	Ongoing obligation
Section	3.11
Title	Electric
Obligation	Landowner shall provide electric utility improvements as provided in this Section, the Phasing Plan and as shown in Appendix "B" of the Dry Utility Plan for the Project.
Department	Electric
Status	Currently not in development
Section	3.11.1
Title	On-Site Electric Facilities
Obligation	For purposes of this section, "on-site" means within the Property. Concurrently with the construction of the adjacent roadways and as specified in Section 3.3, Landowner agrees to construct, or finance the construction of, on-site 12kV electric distribution facilities as directed by the Electric Utility Director. Landowner shall construct or finance construction of on-site 12kV electric distribution facilities in accordance with final on-site electric distribution designs for the Project as directed by the Electric Utility Director in accordance with applicable City Electric Utility Department Specifications.
Department	Electric
Status	Currently not in development
Section	3.11.2
Title	Off-Site Electric Facilities
Obligation	For purposes of this section, "off-site" means outside of the Project. Concurrently with the construction of any phase of the Project, Landowner agrees to construct or finance

**Brookfield Sunset, LLC and Jennifer M. Amoruso, Successor Trustee of the Amoruso
Family Living Trust Dated March 14, 2005

	the construction of off- site 12kV electric distribution facilities as directed by the Electric Utility Director: Landowner shall construct or finance construction of off-site 12kV electric distribution facilities in accordance with final off-site electric distribution designs for the Project as directed by the Electric Utility Director in accordance with applicable City Electric Utility Department Specifications.
Department	Electric
Status	Currently not in development
Section	3.11.3
Title	CSP Electric Substation
Obligation	Pursuant to the development agreement in the CSP, CSP landowners are required to dedicate to City, grade and provide access to a parcel in the CSP (designated Parcel C-81 in-the Specific Plan) for an electric substation to serve the CSP (the "Substation Site"), Under the development agreement between CSP landowners and City, such Substation Site must be provided to City prior to issuance of the 500 th residential building permit, or combination of building permits, in the CSP.
Department	Electric
Status	Currently not in development
Section	3.11.4
Title	60kV Disclosure.
Obligation	Landowner shall include a notice in the project CC&R's and its sales documentation advising property owners adjacent to the existing 60 kV easement areas shown on Exhibit "U" and the future 60kV easement line on the east side of Westbrook. Boulevard and the southern Project boundary along Road A that the City may utilize the public utility easements-to construct, 60kV overhead electric.
Department	Electric
Status	Currently not in development
Section	3.11.5
Title	Streetlights
Obligation	Concurrent with the construction of the adjacent roadways, Landowner agrees to construct, or finance construction of, streetlights within the Property, as directed by the Electric Utility Director. Except as may otherwise be permitted by the Electric Utility. Director, no street shall be accepted by the City unless and until streetlights have been installed in accordance with the Specific Plan and applicable requirements of the Electric Department Streetlights shall meet Roseville Electric's specifications for residential and/ or, commercial construction in effect at the time the construction improvement plans are approved-and issued by the City.
Department	Electric
Status	Currently not in development
Section	3.11.6
Title	Electric Efficiency and Demand Reduction
Obligation	In order to mitigate demand for energy supplies and comply with state mandated energy efficiency goals, the following: energy efficiency and load management requirements are hereby established: 1. All-residential dwelling units will install residential air conditioning units with the following sets of parameters, as a minimum standard: a. A Seasonal Energy Efficiency Rating ("SEER") of 2 points above the minimum, as defined by the State of California in the current Title 24 of the Code of California Regulations, up to a total maximum of 18 points including the 2 point premium, an Energy Efficiency Ratio ("EER") of 12.5 or greater. The SEER rating of 2 points above the minimum, as defined by the current Title 24, up to a maximum of 18 points, and an EER rating of 12.5 or greater will be specified on building plans and Title 24 compliance

**Brookfield Sunset, LLC and Jennifer M. Amoruso, Successor Trustee of the Amoruso
Family Living Trust Dated March 14, 2005
Amoruso Specific Plan (525.7 Acres) Development Agreement Implementation Matrix**

	certificates-at the time building-permits are requested. If Title 24 of the Code of California Regulations in effect at-the time of request for building permits requires higher SEER or EER ratings, residential units in the ,Plan Area shall comply with such State requirements. The SEER and EER ratings will be verified with appropriate documentation. These requirements shall be utilized in the overall energy compliance: calculations required for issuance of a building permit for any residential unit. Any variances must be approved by the Electric Department's Retail Energy Services Department. 2. All commercial air conditioning units 5 tons or less (<65,000 btu/h) shall meet the current Consortium for Energy Efficiency (CCEE"). Tied specifications. The SEER/EER ratings will-be specified on building plans and Title 24 compliance certificates at the time building permits are requested. The SEER and EER ratings will be verified with appropriate documentation. 3. Every garage of each Low Density Residential and Medium Density, Residential unit must be considered "electric vehicle ready" which includes, but is not limited to, a 3/4" conduit raceway to a spare electric box in the-garage that is sized for a future 40-amp, 220-volt outlet. A 40-amp, 220-volt breaker space shall be made available at the residential unit's electrical panel.
Department	Building Division

	Residential unit, and \$861 per High Density Residential unit (but excluding carriage units, which shall not pay City-Wide Park In-Lieu fees), subject to annual adjustment, on July 1, based on the percentage change in the CCI.
Department	Parks Department
Status	Currently not in development
Section	3.12.6
Title	Paseo Facilities
Obligation	Paseo facilities within the Project are located on modified primary residential streets with street side paseos in the ARSP, consistent with the Specified Plan and Design Guidelines, and include a 10-foot wide Class 1A bikeway.
Department	Parks and Alternative Transportation Department
Status	Currently not in development
Section	3.12.7
Title	Bike Trail Construction
Obligation	The ARSP's Class 1 bike trails are only located either adjacent to drainage ways,-an open space-fronting roadway, or along a P/QP parcel in the Specific Plan Landowner shall design, secure necessary permits, and construct certain Class-1 bike trail improvements within the property as shown on Exhibit "X" (the "Bikeway Master Plan") and as further described below: As more fully set forth in Exhibit "BB" hereto, the ARSP's Class I bike trails shall be constructed in the following segments unless otherwise faintly agreed to by City and Landowner.
Department	Alternative Transportation
Status	Currently not in development
Section	3.12.8
Title	Entire Park Land Obligation
Obligation	The City agrees that the provisions of the Specific Plan and the commitments contained herein satisfy Landowner's General Plan park obligations for the dedication and improvement of neighborhood and Citywide parks and 'open space related to development of the Property.
Department	Parks Department
Status	Currently not in development
Section	3.12.9
Title	Open Space Preserve Areas
Obligation	Landowner shall obtain from the Army Corps, a 404 Permit to fill wetland resources in conjunction with development of the Property. It is anticipated that the 404 Permit will include a condition that requires the preservation of certain environmental habitat.
Department	Parks Department
Status	Currently not in development
Section	3.12.9.1
Title	Conveyance of Open Space Preserve Area
Obligation	Upon the satisfaction by Landowner of all conditions of the 404 Permit, and completion of any corresponding monitoring and reporting that may be required by the 404 Permit during the Establishment Monitoring phase and subject to the formation of the Perpetual Monitoring Phase Public Services CFD as described in Sections 2.7.3, 2.7.4 and 3.19 of this Agreement, and following completion of all Preserve improvements, including, but not limited to, utility crossings, outfalls, bike trail grading, flood control facilities, open space perimeter fencing as may be required by the 404 Permit, maintenance access ramps, and water quality features, Landowner shall convey to the City, in accordance with the City's Open Space Preserve Overarching Management Plan, and City shall accept, in fee, the property comprising the Open Space Preserve Area shown in Exhibit

Department	Parks Department
Status	Currently not in development
Section	3.12.9.2
Title	Open Space Frontage Improvements
Obligation	When installing road improvements adjacent to the open space, Landowner shall construct the frontage improvements. Frontage improvements shall include sidewalks, split rail fencing and landscaping/ irrigation.
Department	Parks Department
Status	Currently not in development
Section	3.13
Title	School Fee Agreements
Obligation	Landowner has entered or will enter into separate written agreements with the Roseville City School District and the Roseville Joint Union High School District (collectively "the Districts"), to mitigate the impacts of development of the Property on said Districts. Such agreements outline the timing and delivery of school sites and the timing and obligation for school construction. With the execution thereof, City agrees that City shall process and approve any subdivision maps or other such entitlements for the Property and issue any building permits for development thereof consistent with the Entitlements.
Department	School Districts
Status	Landowner responsible to enter into a written agreement with school districts.
Section	3.14.1
Title	Fire Tax Equivalent Fee
Obligation	The Fire Service Construction Tax set forth in Chapter 4.46 of the Roseville Municipal Code is no longer in effect. Landowner or its respective successors shall pay a fee equal in amount to the discontinued Fire Service Construction Tax at issuance of building permit. Landowner hereby consents to and waives any objection to the imposition of such substitute fee.
Department	Fire Department
Status	Currently not in development
Section	3.14.2
Title	Placer County Capital Facilities Fee
Obligation	In consideration of the annexation of the Property to City, Landowner shall pay the Placer County Capital Facilities Fee adopted by the City, in the amount then being assessed by the City; provided, however, if such impact fee is not effective or is for any reason suspended by the City, then Landowner shall pay such fee in the amount previously and most recently assessed by the City. Such fee shall be paid upon the issuance of each building permit within the Property.
Department	Building Division
Status	Currently not in development
Section	3.14.2.1
Title	City Public Facilities Fee
Obligation	Upon the issuance of each residential building permit within the Project, Landowner shall pay the City Public Facilities Fee (Roseville Municipal Code Chapter 4.52).
Department	Building Division
Status	Currently not in development
Section	3.14.3
Title	Public Benefit Fee
Obligation	As partial consideration for this Agreement, to offset a portion of the impact of the Project and the associated tax sharing agreement with Placer County, and to ensure

	that the Project will benefit current and future residents of Roseville, Landowner, upon the issuance of each residential building permit within the Project, shall pay a Public Benefit Fee for each residential unit in the Project. The Public Benefit Fee for each low density and medium density residential unit shall be \$1,280. The Public Benefit Fee for each high density residential unit shall be \$845.
Department	Building Division
Status	Currently not in development
Section	3.14.4
Title	Liens, Encumbrances, Covenants, Conditions and Restrictions
Obligation	Except as approved by City or provided for by this Agreement, all property to be conveyed in fee to City pursuant to this Agreement shall be free of any liens, financial encumbrances; special taxes, hazardous materials or assessments. Landowner shall, for each such conveyance, provide to City, at Landowner's expense, a current preliminary title report and preliminary site assessment for hazardous waste in a form approved by the City Attorney. Any policy of title insurance required by City shall be at City's expense.
Department	City Attorney
Status	Evaluation done at time of conveyance. Ongoing obligation.
Section	3.14.5
Title	Signage for Future Public Facilities
Obligation	Landowner shall provide and install signage at the following public facility sites to alert residents of future facilities: fire station site (AR-54), well site (AR-55), two sewer lift station sites (AR-56 and AR-57), park sites (AR-60, AR-61, AR-62, AR-63, AR-64, AR-66, AR-67), solid waste recycling site (AR-55), bike trails where they will abut residential property, the NAPOTS Area (where it abuts residential land uses), and the school site (AR-50), per City specifications and applicable sign permits.
Department	Fire Department, Environmental Utilities, Parks Department and Alternative Transportation
Status	Currently not in development
Section	3.14.6
Title	Library Facilities
Obligation	Landowner agrees to participate and pay its fair share of the capital cost of library services in the event that the City should amend its current City-Wide Public Facilities fee to include library facilities or adopts any other equitable financing mechanism for the provision of library facilities.
Department	Parks and Libraries Department
Status	Currently not in development
Section	3.14.7
Title	Construction Waste
Obligation	Landowner shall require construction contractors and subcontractors to reduce construction waste by recycling a minimum of 50% of construction materials or that all construction debris be delivered to the Placer County Western Regional Materials Recovery Facility where recyclable material will be removed: Landowner shall require that contractors and subcontractors submit to the City Environmental Utilities Department annual records of waste diversion and disposal in order to verify compliance with this requirement.
Department	Environmental Utilities
Status	Currently not in development
Section	3.14.8
Title	Weed Abatement on P /OP Parcels
Obligation	Prior to dedication of any P / QP parcel to City, Landowner shall maintain such P / QP

**Brookfield Sunset, LLC and Jennifer M. Amoruso, Successor Trustee of the Amoruso

Amoruso Specific Plan (525.7 Acres) Development Agreement Implementation Matrix**

	parcel to meet City's weed abatement standards and to keep such parcel free from property transformation, either whole or in part, into a wetland or other legally protected area.
Department	Parks Department
Status	Currently not in development
Section	3.14.10
Title	Solid Waste Recycling Site (AR-55)
Obligation	Landowner shall be responsible to grade Parcel AR-55, and provide Parcel AR-55 to City without environmental or other constraints as provided in this Agreement. At Landowner's expense, all site grading shall be completed prior to the dedication of the solid waste recycling site to City consistent with City's Grading Ordinance. Where retaining walls are required, the retaining wall shall be a split-faced keystone style wall or comparable quality and design, to be installed by Landowner. This work shall be completed with the construction of the roadway fronting Parcel AR-55.
Department	Environmental Utilities
Status	Currently not in development
Section	3.15
Title	EIR Mitigation Measures
Obligation	Notwithstanding any other provision in this Agreement to the contrary, as and when Landowner elects to develop the Property, Landowner shall be bound by, and shall perform, all mitigation measures contained in the EIR related to such development which are adopted by City and are identified in the mitigation monitoring plan or the EIR as being responsibility of Landowner, and shall be subject to any fees which may be enacted by City to implement any mitigation measures contained in the EIR.
Department	Planning Division
Status	In process
Section	3.16
Title	Waiver
Obligation	In consideration of the benefits received pursuant to this Agreement, Landowner, on behalf of itself and its respective heirs, successors in interests and assigns, waives any and all causes of action which it might have under the ordinances of the City of Roseville or the laws of the State of California or the United States with regard to any otherwise uncompensated or under-compensated conveyance or dedication of land or easements over the Property or improvements that are specifically provided for in this Agreement that are required in conjunction with changes to this Agreement or the Specific Plan that are requested by Landowner, or that are logically implied by this. Agreement. This waiver shall not apply to any conveyances or dedications of land or easements that are not specifically contained in this Agreement and are subsequently desired by the City.
Department	Landowner
Status	Acknowledges waiver for development
Section	3.17.1
Title	Formation
Obligation	Landowner and City may form a Community Facilities District or Districts for the purpose of financing the construction and/or acquisition of public infrastructure and facilities within the Property ("Project CFD(s)"). If requested by Landowner, City and Landowner, shall use their best efforts to cause to be formed the Project CFD(s) for the purpose of financing the acquisition or construction of some or all of the improvements and facilities eligible for CFD financing (the "CFD Eligible. Improvements") within and associated with the Project, including those improvements which will mitigate impacts of the Project upon areas inside and outside of the Project, and will be owned, operated

**Brookfield Sunset, LLC and Jennifer M. Amoruso, Successor Trustee of the Amoruso

	and maintained by the City or another public agency. 3.17.1.1 Nothing in this section shall be construed to require Landowner to form a CFD nor, if formed, to preclude the payment by an owner of any of the Parcels to be included within the CFD a cash amount equivalent to its proportionate share of costs for the CFD Improvements, or any portion thereof, prior to the issuance of bonds. 3.17.1.2 If Landowner desires to pursue a Community Facilities District, City and Landowner agree that, with the consent of Landowner and to the extent permitted by law, City and Landowner shall use their best efforts to cause bonds to be issued and in amounts sufficient to affect the purposes of this section. City and Landowner further agree that, with the consent of Landowner or their successor(s) in interest, and to the extent permitted by law, the City agrees to the following: • Maximum annual taxes for residential units shall not exceed 2.00% of the assessed valuation. • Special tax to be levied for as long as needed to service the principal and interest on bond debt, and pay any additional authorized facilities not reimbursed with bond proceeds in the funding. • City shall not unreasonably deny the max annual tax escalating 2% per year. • Include development impact fees for public improvements. • City shall consider a reasonable interest component for any authorized facilities reimbursed with pay as you go provided for in the funding, construction and acquisition agreement. • Landowner may utilize the statewide community infrastructure program for eligible impact fees. • Landowner may utilize a phased bond sale(s). • Landowner may utilize private placement of bonds. • If CFD's are formed, allowance for the transfer of the assigned special tax from one large lot parcel to another (with certain criteria listed in 3.17.1.2.j). 3.17.1.3 Concurrent with any formation of a CFD, Landowner and City shall enter into a shortfall agreement as defined in the Funding, Construction, and Acquisition Agreement, in form and substance acceptable to City, whereby Landowner shall covenant to finance its fair share of the costs of the CFD Eligible Improvements, to the extent that the bonds issued by the CFD do not provide sufficient funding for the completion of such Improvements, subject to reimbursement/ acquisition by pay-as-you-go proceeds, to the extent available.
Department	Finance Department
Status	Nothing formed yet, currently not in development.
Section	3.17.2
Title	Effect of CFD Financing on Credits and Reimbursements
Obligation	Wherever the terms of this Agreement provide for (a) credits or (b) reimbursements to Landowner for construction of certain improvements, and such improvements are financed by the CFD, development fees otherwise applicable to such improvements shall be adjusted as necessary to reflect construction with CFD funds. Credits or reimbursements owed to Landowner shall not be affected or reduced because improvements for which credits or reimbursements are due were financed with CFD special taxes or bond proceeds.

Section	3.18
Title	Completion of Improvements
Obligation	City generally requires that all improvements necessary to service new development be completed prior to issuance of building permits (except model home permits as may be provided by the City's Subdivision Ordinance). However, the parties hereto acknowledge that some of the CFD Eligible Improvements associated with the development of the Property may not need to be completed to adequately service portions of the Property as such development occurs. Therefore, as and when portions of the Property are developed, all CFD Eligible Improvements required to service such portion of the Property in accordance with the Entitlements (e.g., pursuant to specific tentative map conditions or other land use approvals) shall be completed prior to issuance of any building permits within such portion of the Property (except permits for model homes, which may be issued sooner in accordance with the City's Subdivision Ordinance). Provided however, the Public Works Director may approve the issuance of building permits prior to completion of all such CFO Eligible Improvements if the improvements necessary to provide adequate service to the portion of the Property being developed are substantially complete to the satisfaction of the Public Works Director.
Department	Engineering Division
Status	Currently not in development.
Section	3.19.1.1
Title	Consent, Waiver and Special Benefit
Obligation	No residential building permit, excluding permits for model homes, or certificate of occupancy for non-residential uses, shall be issued until a Community Services District Public Services has been formed to include the Property ("Public Services CFD"). Landowner consents to and shall cooperate in such formation or other such financing mechanism for maintenance purposes and consent herewith to the levy of such special taxes as are necessary to fund the maintenance obligations described in Section 3.19.2. Formation of the Public Services CFD shall be pursuant to and consistent with the requirements of this Agreement and Government Code Section 53111, et seq. The Public Services CFD will fund maintenance of street frontage and median landscaping, open space and neighborhood parks.
Department	Building Division and Finance Department
Status	Nothing formed yet, currently not in development
Section	3.19.2
Title	Public Services
Obligation	The Public Services CPD shall provide the funds required for the performance of maintenance, monitoring and reporting obligations and may include, but not limited to, the following: 3.19.2.1 Autumn leaf cleanup for collector and local streets; 3.19.2.2 Maintain neighborhood parks; 3.19.2.3 Maintain Paseos and Sidewalks along collector streets and primary residential streets, medians, and landscape corridors and all masonry walls; 3.19.2.4 Maintain bikeways, signs and benches 3.19.2.5 Maintain City and neighborhood entry features within the property, public right of way and ancillary landscaping; 3.19.2.6 Conduct the environmental mitigation monitoring; 3.19.2.7 Conduct all monitoring, reporting and adaptive management for open space preserve areas;

	for all Services CFD' s to Landowner or City or their agents, employees, successors, assigns, agents and employees, for the purpose of entry into the landscape easement and setback areas or City property (including streets and rights-of-way) to perform the maintenance obligations described herein.
Department	Finance Department
Status	Currently not in development.
Section	3.22
Title	Grading Permit
Obligation	Prior to the onset of any construction activities, the Landowner shall apply for and obtain a grading permit from the City. All plans shall meet or exceed the intent of the then approved City Standards, the State Water Quality Control Board SWP3 requirements, and the State General Construction Permit. It is the Landowners responsibility to meet all criteria of any outside agency for grading adjacent to or within the Open Spaces.
Department	Engineering Division
Status	Currently not in development.
Section	3.22.1
Title	Contour Grading Plan
Obligation	Landowner shall submit a contour grading plan (the "Preliminary Contour Grading Plan") for City review and acceptance for the overall Project concurrently with the application for the first residential small lot tentative subdivision map in the Project. The Preliminary Contour Grading Plan shall serve as an information tool to demonstrate how the overall earth work for the Project will balance and coincide with future improvements.
Department	Engineering Division
Status	Ongoing obligation
Section	3.23
Title	Fire Station Site
Obligation	City and Landowner acknowledge that City is responsible for funding, construction, and operation of fire facilities necessary to serve the ARSP. Landowner shall dedicate to City a 3.02 acre site (AR-54) for use as a fire station (the "Fire Station Site") at the location shown in the ARSP and as shown in Exhibit "E" attached hereto. The net buildable area (i.e., an area of land which may be fully and completely utilized for structures and other improvements) shall be no less than 3.0 acres.
Department	Finance and Fire Department
Status	Currently not in development.
Section	3.24
Title	Disclosures to Subsequent Purchasers
Obligation	This Agreement shall constitute notice to all successors to Landowner hereunder, and to all subsequent purchasers of any lots and/ or residential units within the Property, of the following matters: Refer to DA for requirements (page 69)
Department	Landowners
Status	Developer's responsibility
Section	3.25
Title	General Signage
Obligation	A) Utility Sites (see Section 3.14.5): Landowner shall install signage at all future utility sites (including, but not limited to; the well, sewer lift stations, pumping stations, aquifer storage and recovery facilities, and public facility sites describing the facilities to be constructed on the subject site. Signs shall be provided per City specifications. The Environmental Utilities Director, City Engineer, and Electric Director, as appropriate, must review and approve sign layouts prior to installation/ construction of any utility sites. The City Manager or his/her designee must review and approve sign layouts prior to installation/ construction of any public facilities.

**Brookfield Sunset, LLC and Jennifer M. Amoruso, Successor Trustee of the Amoruso
Family Living Trust Dated March 14, 2005
Amoruso Specific Plan (525.7 Acres) Development Agreement Implementation Matrix**

	B) Affordable Housing: Landowner shall install signage at future affordable rental housing sites (excluding carriage units) describing the facilities to be constructed on the subject site. Signs shall be provided per City specifications. The City Manager or his/her designee must review and approve sign layouts prior to installation by Landowner.
Department	Landowner and appropriate departments
Status	Currently not in development, there are no electric sites within ARSP
Section	3.26
Title	Masonry Walls
Obligation	Landowner agrees to construct masonry walls, a minimum of 6-feet high, between the future Placer Parkway right-of-way (the NAPOTS Area) where Low Density Residential land uses abut the future Placer Parkway right-of-way, and prior to the occupancy of such residential land uses.
Department	Engineering Division and Landowner
Status	Currently not in development.
Section	3.27
Title	Reimbursement to West Roseville Specific Plan
Obligation	Refer to Da for reimbursement details (Page 72)
Department	Finance/Development Services
Status	Currently not in development.
Section	3.28
Title	Reimbursement to Creekview Specific Plan
Obligation	Refer to Da for reimbursement details (Page 75)
Department	Finance/Development Services
Status	Currently not in development.
Section	3.29
Title	Reimbursements to Third Parties
Obligation	In the event that third parties construct sewer; water and/ or recycled facilities in Westbrook Boulevard through the Property, and/or the ARSP fire station site, that are either required of or by Landowner or for which Landowner has responsibility for a pro-rata share, Landowner shall provide reimbursement to third parties for Landowner's share of the costs of such improvements as set forth in this Section 3.29.
Department	Finance/Development Services
Status	Currently not in development.
Section	5.2
Title	Annual Review
Obligation	Annual review every 12 months per Roseville Municipal Code Chapter 19.84
Department	Development Services
Status	Completed annually

Creekview Specific Plan Development Agreement Implementation Matrix

Development Agreement Obligations <u>Complete</u> as of December 2019	
Section	2.7.1
Title	404 Permit
Obligation	Developer to obtain from the US Army Corps of Engineers a Clean Water Act section 404 permit. Developer to pursue and obtain issuance of the 404 permit and any amendment, modification or supplement in order to implement the project. This includes mitigation for the segment of Westbrook Blvd between PCL C-51 and C-52 and any required offsite improvements for proposed Pleasant Grove Creek bypass channel improvement located within AJWA and the Blue Oaks Blvd bridge over Coyote Creek. Developer intends to phase mitigation required by the approved 404 permit to coincide with phase of development, no later than the recordation of the first small lot map north of Holt Pkwy/Benchmark Drive, secure mitigation for segment of Westbrook Blvd. between PCL C-51 and C52.
Department	Engineering / Environmental Coordinator
Status	Obligation Complete - 404 permit - January 25, 2016.
Section	3.5.13
Title	Transit Master Plan Funding
Obligation	Developer shall pay a portion for the update of the City's Long Range Transit Master Plan, Short Range Transit Plan Update, and Bicycle Master Plan Update, the amounts of \$7,000, \$6,000, and \$7,000 respectively, prior to the recordation of the first Large Lot Final Map. Total amount \$20,000.00 prior to the recordation of the first large lot final map
Department	Alternative Transportation and Engineering Division
Status	Obligation Complete - (Alt Trans)
Section	3.6.6
Title	Wastewater Service Area Boundary
Obligation	Developer shall be responsible for all costs associated with obtaining approval from the South Placer Wastewater Authority ("SPWA") for expansion of the existing wastewater service area boundary to include the Plan Area. No building permits will be issued in the Project until Developer has received notice that the SPWA service area boundary has been expanded to include the Project.
Department	Environmental Utilities
Status	Obligation Complete –Service boundary was expanded to include CSP on Jan. 7, 2019.
Section	3.13
Title	School Fee Agreements
Obligation	Landowner and Developer have entered or will enter into separate written agreements with the Roseville City School District, and the Roseville Joint Union High School District prior to any subdivision map approval or issuance of any building permit, to mitigate the impacts of development of the Property on said Districts. Such agreements outline the timing and delivery of school sites and the timing and obligation for school construction. With the execution thereof, City agrees that so long as Landowner and Developer are not in default of said agreements, City shall process and approve any subdivision maps or other such entitlements for the Property and issue any building permits for development thereof consistent with the Entitlements. Landowner and Developer agree that a default under any of these school agreements shall also constitute a default under this Agreement.
Department	Building Division

Section	2.6.2.3																																						
Title	Compensation by City Amendment #1 – Ord. #6151																																						
Obligation	City compensates developer for ½ of the net present value of the loss of rental revenue that would be expected to accrue over the period that units are reserved. Compensation to developer for providing rental housing affordable to low income and																																						

Creekview Specific Plan Development Agreement Implementation Matrix

	very low income households, such compensation issued through a combination of cash investment, density bonus, fee deferrals or financing, federal, state or local programs. 60 days after developer applied for DRP, city shall specify the range of incomes to be served at time of occupancy and identify/provide funding for subsidies. If subsidies are not identified or not made available within 9 months following DRP application, then the requirement to provide low and very low income units shall terminate or shall be reduced or deferred to a level or for a period for which City can provide funding within the time periods. Developer agrees to provide all of the affordable rental units without any subsidy from the City.
Department	Housing Department
Status	Currently not in development
Section	2.6.2.4
Title	Transfer/Satisfaction of Obligation Amendment #1 – Ord. #6151
Obligation	At the request of Landowner and Developer, the affordable rental housing obligation (or any portion thereof), including any excess affordable rental units committed to by Developer above its allocated affordable rental housing obligation hereunder, may be transferred, with the consent of the City Manager or his/her designee, from one parcel to another parcel within the Specific Plan, subject to the approval of the owner(s) of both the transferring and receiving parcels. No such transfer shall require an amendment to this Agreement, but City and Developer and the owner(s) of the affected parcels shall execute an instrument memorializing such transfer of obligation that shall be recorded against the affected parcels, with reference to this Agreement.
Department	Planning and Housing
Status	Currently not in development
Section	2.6.2.5
Title	Community Facilities Districts
Obligation	City will maintain a list of low and very low income affordable rental units pursuant to the affordable housing agreement, on or about May 1 of each calendar year, if and when a Community Facilities District is formed encompassing the property, set the applicable tax for the middle income affordable purchase units within each parcel.
Department	Housing and Finance
Status	Currently not in development
Section	2.7.1.1
Title	Violations
Obligation	Developer responsible for any violations occurring from the 404 permitting process until acceptance by City. City shall be responsible for the normal operation and maintenance of dedicated areas.
Department	Engineering Division
Status	Ongoing obligation
Section	2.7.3
Title	Maintenance by Developer during the establishment monitoring phase
Obligation	Developer solely responsible for satisfying all mitigation, monitoring, reporting and maintenance required for the on-site preserve area; including, development of any 404 permits required establishment monitoring phase. Funds collected by the public services CFD or other financing mechanism for the purpose of maintenance of preserve areas will be made available to developer for ongoing maintenance, monitoring and reporting until such times as City assumes the obligation for perpetual monitoring for the preserve areas.

Creekview Specific Plan Development Agreement Implementation Matrix

Department	Engineering Division/ Environmental Coordinator
Status	Ongoing obligation
Section	2.7.4
Title	Maintenance by City during the perpetual monitoring phase
Obligation	A PAR analysis shall be prepared and approved by the City to determine the amount of funding required to manage preserve areas during the perpetual monitoring phase. Public services CFD will provide annual funding.
Department	Finance and Engineering / Environmental Coordinator
Status	Currently not in development.
Section	2.7.5
Title	Facilities included in 404 permit(s)
Obligation	Developer to ensure that the approval of the 404 permit includes development of the access ways, bike paths, fuel modification areas, water quality structures and drainage and flood control facilities, bridges (foot, bike, road), culverts, and ancillary improvements described in the specific plan and DA.
Department	Planning, Alternative Transportation, Engineering / Environmental Coordinator
Status	Ongoing Obligation (Alt Trans, Engineering)
Section	2.7.6
Title	Preserve Area operation and management plans
Obligation	Establish monitoring period as determined by the Army Corps, City will assume preserve management responsibilities for the perpetual monitoring phase consistent with the approved open space preserve overarching plan. Upon first large lot final map, developer pays \$20,000 onetime fee, in exchange for monitoring and reporting. Payment due upon preserve area dedication/initiation of the perpetual monitoring phase.
Department	Engineering / Environmental Coordinator
Status	Currently not in development.
Section	2.8
Title	Obligation to develop Amendment #1 – Ord #6151
Obligation	Developer shall not be obligated to develop all or any portion of the property. Until developer seeks to develop the property, no obligation to install or pay for the costs to install any improvements or facility or to perform any obligation within this agreement. By entering into this Agreement, Developer shall not be obligated to develop all or any portion of the property, except for: 1. Support and to pay costs incurred by the City in conjunction with the annexation of the property. 2. Dedicate temporary and permanent rights of way and public utility easements. 3. Indemnification obligations under article 6. 4. Obligation to pay costs incurred by the City in conjunction with processing sub-phases under section 3.3. 5. Any other obligation imposed on developer prior to development set forth in this agreement. Deemed actions of development of the property include any discretionary or non-discretionary permit, entitlement with the exception of the large lot tentative map.
Department	Planning and Engineering Division
Status	Currently not in development.
Section	2.9
Title	Real property interest acquisition – eminent domain
Obligation	As easement in favor of the Wagner parcel provides a route which the Wagner parcel is entitle to construct and gain access to Phillip Road. Development of the CSP will result in an alternative point of access for the Wagner Parcel to the public road system and

Creekview Specific Plan Development Agreement Implementation Matrix

	the extension of Blue Oaks Bl. Construction of this alternative point of access is necessary for the construction of certain public improvements as required pursuant to this agreement. If developer is unable to acquire easement, City shall negotiate for the acquisition and extinguishment of the easement, using City's approved appraisal of fair market value, and if necessary use its power of eminent domain. Developer to pay all costs associated with acquisition and condemnation proceedings. Developer shall be required for any proposed settlement by City greater than 5% over the approved appraisal of fair market value.
Department	Engineering and Planning Divisions
Status	Currently not in development.
Section	3.1
Title	Development, Connection and Mitigation Fees
Obligation	Required payments of development, connection or mitigation fees by developer shall be made at the time and amount specified by City ordinances.
Department	All development departments
Status	Pay at time of applied applications or issuance.
Section	3.2
Title	Public improvements to be dedicated, constructed or financed by developer Amendment #1 – Ord. #6151
Obligation	In conjunction with each phased Final Map, or as otherwise required by this Agreement, Developer agrees to dedicate, construct or acquire the improvements or facilities and to perform the obligations set forth in this Section 3, at its expense, subject only to reimbursements or credits specified in this Agreement. Prior to dedication of sites to City, Developer shall obtain and fulfill the terms of any state and federal permits needed for anticipated development (e.g., CoE 404 Permit(s), CDFG 1600 Streambed Alteration Agreements, RWQCB General Construction Permit as needed) and complete said development if said development is a Developer responsibility under this Agreement. At the time of City acceptance of any land dedications, the land shall be free and clear of environmental or other constraints or encumbrances (the "Encumbrances") inconsistent with the intended use of the Property (e.g., all wetlands shall be filled in accordance with applicable 404 Permits), unless expressly waived by the City. In the event, however, that the land dedication by Developer is triggered by the proposed construction by a third party of a public improvement identified in this Agreement, such third party shall assume the obligation to assure that, at the time of City acceptance, the land dedicated is free and clear of all Encumbrances, unless expressly waived by the City. In the event, however, that the land dedication by Developer is triggered by the proposed construction by a third party of a public improvement (including the electric substation site (parcel C-81 identified in Section 3.11.3) identified in this Agreement, such third party shall assume the obligation to assure that, at the time of City acceptance, the land dedicated is free and clear of all Encumbrances, unless expressly waived by the City. Developer agrees to cooperate with such third parties to use its best commercially reasonable efforts under the circumstances to remove all Encumbrances, subject to lender or mortgagee consent, as may be required. Such cooperation by Developer shall be at the sole cost to the third party requesting removal of the Encumbrances prior to dedication. Title shall be conveyed to City in fee simple and without restriction or limitation on use(s), unless approved otherwise by the City Attorney. Signage shall be installed in accordance with Section 3.24. With respect to the wetland obligation

Creekview Specific Plan Development Agreement Implementation Matrix

	referenced in Section 2.7.1 above, the third party shall assume the obligation to remove such wetland environmental constraint on the Property to be dedicated to the City triggered by the third party's construction of the public improvement(s).
Department	Planning and Engineering Division
Status	Ongoing
Section	3.3
Title	Project phasing Amendment #1 – Ord. #6151
Obligation	It is anticipated that there will be a single master developer of the CSP. Developer, or its successor(s) in interest, as master developer of the CSP, shall develop and construct the infrastructure necessary to serve the Project in Phases A through C substantially consistent with the Phasing Plan set forth in Exhibit "G" attached hereto. Grading and infrastructure may be constructed in sub-phases as approved at the discretion of the City, in consultation with all affected City departments. Except with Phase B as the initial phase, City and Developer intend for the CSP to be mass graded in the initial phase, with substantial volumes of earthen material moved from north of to south of Pleasant Grove Creek. Such mass grading is necessary to balance the material within the CSP and to avoid import or export of fill material (see Section 3.22). In the event that the conceptual phases as shown in Exhibit "G" are proposed, or are modified or altered, or that smaller "sub-phases" are proposed within the identified Phases A thru C, the following criteria will be used to establish the conditions and requirements for that portion of work: It is anticipated that there will be a single master developer of the CSP. Developer, or its successor(s) in interest, as master developer of the CSP, shall develop and construct the infrastructure necessary to serve the Project in Phases A through F substantially consistent with the Phasing Plan set forth in Exhibit "G" attached hereto. Grading and infrastructure may be constructed in sub-phases as approved at the discretion of the City, in consultation with all affected City departments. City and Developer intend for the CSP to be mass graded in the multiple phases, with substantial volumes of earthen material moved from north of to south of Pleasant Grove Creek. Such mass grading is necessary to balance the material within the CSP and to avoid import or export of fill material (see Section 3.22). In the event that the conceptual phases as shown in Exhibit "G" are proposed, or are modified or altered, or that smaller "sub-phases" are proposed within the identified Phases A thru F, the following criteria will be used to establish the conditions and requirements for that portion of work: • The progression of sub-phase development shall provide the necessary facilities to support the land uses within the proposed sub-phase of development. • The phase size shall be as mutually agreed upon by Developer and City,

Creekview Specific Plan Development Agreement Implementation Matrix

	subject to the criteria set forth in this Section 3.3. - Developer will provide detailed information (maps, analysis, written detail of improvements, etc.), to the satisfaction of City, to support the proposed sub-phase improvements for each utility/public service within the phase. - Prior to the approval of development of any parcel, the cumulative effect of that increment of development shall be evaluated to determine its impact on existing systems. This may require, as determined by City, that special studies be conducted to demonstrate how the sub-phase is in substantial conformance with infrastructure master plans prepared for the Specific Plan. The sub-phase shall demonstrate to the City's satisfaction that the following performance criteria are met: - Sanitary Sewer - One point of connection to sewer outfall is required, which may include a sanitary sewer lift station or interim lift station. Recycled Water - One point of connection required. A looped system is not required. Potable water may be utilized on an interim basis until and including the issuance of the 985th building permit within the CSP or such later time as the Environmental Utilities Director makes a determination that potable water service can no longer be allowed. At that point in time, the system shall be switched over to recycled water by eliminating each potable water charging station and connecting to the West Roseville Specific Plan recycled water system, as described in Section 3.9 herein (Recycled Water Facilities). At the time that a water charging station is abandoned, a fire hydrant shall be installed to separate the potable water and recycled water systems. Three temporary potable water charging station connections to the recycled water system shall be allowed among the three (3) phases A-C, with two temporary potable water charging station connections anticipated for Phase A. The connection of the recycled water pipe to the potable water pipe shall consist of one gate valve and one backflow prevention device between the connections. The charging stations may be relocated within a phase or to another phase and multiple sub-phases can share a single station. Recycled water pipe lines shall be constructed concurrent with roadway construction and paving within a phase or sub-phase. Additional temporary potable water charging station connections to the recycled water system may be utilized subject to the approval of the Environmental Utilities Director. - Recycled Water- One point of connection required. A looped system is not required. Potable water may be utilized on an interim basis until and including the issuance of the 923rd building permit within the CSP or such later time as the Environmental Utilities Director makes a determination that potable water service can no longer be allowed. At that point in time, the system shall be switched over to recycled water by eliminating each potable water charging station and connecting to the West Roseville Specific Plan recycled water system, as described in Section 3.9 herein (Recycled Water Facilities). At the time that a water charging station is abandoned, a fire hydrant shall be installed to separate the potable water and recycled water systems. Three
--	--

Creekview Specific Plan Development Agreement Implementation Matrix

	temporary potable water charging station connections to the recycled water system shall be allowed among phases A-F. The connection of the recycled water pipe to the potable water pipe shall consist of one gate valve and one backflow prevention device between the connections. The charging stations may be relocated within a phase or to another phase and multiple sub-phases can share a single station. Recycled water pipe lines shall be constructed concurrent with roadway construction and paving within a phase or sub-phase. Additional temporary potable water charging station connections to the recycled water system may be utilized subject to the approval of the Environmental Utilities Director. • Potable Water -Two independent points of connection required. • Roadway- Two points of access required (one may be a temporary EVA) and reasonable traffic circulation. • Grading - A substantial earthwork effort is required for the CSP and to provide adequate freeboard protection from the 100-year flood elevations of both Pleasant Grove and University Creeks. Bulk earth movement and mass grading of the site is required to establish final grades. Sub-phasing plans will be required to demonstrate, through a detailed mass grading plan, that all sites (whether cut or fill) will be able to be constructed over time with an effort to minimize use of retaining walls. Haul roads, stock pile sites and adequate drainage facilities shall be identified on the grading plans. • Storm Water Detention-Any sub-phase shall demonstrate that adequate storm water detention is provided. Additional studies will determine when the in-stream detention facility identified in the master drainage plan will be required. • Pleasant Grove Creek Bypass Channel - Prior to development of any sub-phase within either Phases A or C, as shown on Exhibit "G", the bypass channel shall be constructed. • Stormwater Management - Any sub-phase shall demonstrate that adequate storm water management is provided. • Electric - Any sub-phase shall be consistent with Section 3.11.3 of this Agreement. Developer acknowledges that modifications to the Phasing Plan as shown in Exhibit "G" shall require additional City review. Special studies including but not limited to, water/recycled water/sewer/storm water systems, grading, traffic, fire response, electric supply, and other environmental review may be required. Developer will be responsible for all costs associated with the preparation of special studies, and for the associated costs of time and materials of City Staff for the review and processing of the requested deviation as deemed necessary by City.
Department	All development departments
Status	Phasing has been reviewed for Tentative Subdivision Maps and is ongoing
Section	3.3.1
Title	Recordation of Large Lot Maps

Creekview Specific Plan Development Agreement Implementation Matrix

	Amendment #1 – Ord. #6151
Obligation	One large lot tentative map shall be prepared for the entire plan area, which identifies the three phases. One large lot tentative map (LLM) shall be prepared for the entire Plan area, which will identify the phases as shown on Exhibit G. All future right of ways for arterial and collector roadways including landscaped corridors adjacent to low and medium density residential properties, open spaces, and future public lands for the electrical sub-station, well site, sewer lift station, solid waste recycling site and parks shall be identified. These lands shall be dedicated to the city of each large lot final map as an IOD. 1st recordation of the large lot final map, developer shall dedicate to City separate IOD's for future right of ways to include all landscape corridors adjacent to low density residential and medium density residential parcels, an access and construction easement the width of the ultimate road right of way plus 25' or to the back of the landscape corridor along the full length of Westbrook bl. and Blue Oaks bl. IOD's shall remain in force until such time as all Developer obligation or public improvements and preserve area establishment phase monitoring is complete.
Department	Engineering Division
Status	Ongoing Obligation
Section	3.4
Title	Public Utilities within right of way
Obligation	All public utilities shall be located within the right of ways to be granted by developer to City for the arterials, collectors and other local streets within the property.
Department	Engineering Division
Status	Ongoing Obligation
Section	3.5
Title	Road Improvements
Obligation	Developer responsible for road improvements set forth in this agreement, the phasing plan provided in 3.3
Department	Engineering Division
Status	Ongoing Obligation
Section	3.5.1
Title	Developer's Obligations
Obligation	Developers obligation for residential and collector roadway improvements shall consist of the construction of curb, gutter, sidewalk, utilities, streetlights, striping, all necessary drainage improvement and pavement section.
Department	Engineering and Public Works Division
Status	Ongoing Obligation
Section	3.5.2
Title	Arterial Roadways Amendment #1 – Ord. #6151
Obligation	Developer shall grant easements and dedicate all IOD's for all arterial roadways. The improvements required for each arterial are described in the phasing plans. City shall establish a traffic mitigation fee set-aside fund dedicated to CIP improvements within the plan area that are in excess of required frontage improvements by withholding 60% of TMF or City TMF fund revenues paid by Developer. Payments to Developer for CIP improvements shall be on a first completed, first paid basis and shall be distributed from the TMF set aside fund as improvements are constructed and invoiced pursuant to the funding, construction and acquisition

Creekview Specific Plan Development Agreement Implementation Matrix

	agreement and shall be in no particular order of priority with the exception of Blue Oaks bl CIP improvements. Within 30 days of city acceptance of improvement plans, City and Developer shall enter into a funding, construction and acquisition agreement to provide for periodic progress payments to Developer, based upon invoices for actual work constructed, for stages of the arterial roadways improvements that have been signed off by City inspectors. <u>Developer Specific Construction obligations:</u> <u>Blue Oaks BI</u> - planned 6 lane arterial. Developer shall construct the northerly half of Blue Oaks bl from the western boundary of the urban reserve parcel to the western boundary. City shall pay Developer out of the TMF set aside fund for the cost of the additional 2 inside lanes, if funds are insufficient, City will make payment to the extent funds are available, then provide up to 60% credit against the TMF applied to building permits for all dwelling unit equivalents up to the amount of the payments due to Developer. <i>Developer may exchange their responsibility to construct their portion of the median curbing and landscaping improvements for the construction of an equivalent portion of the CIP reimbursable pavement.</i> <u>Westbrook BI</u> – Developer obligated to construct both outside frontage improvements and additional necessary transition lanes to Pleasant Grove Creek crossing, as well as the CIP reimbursable adjacent inside lane on each side of Westbrook bl from Blue Oaks bl to the southern boundary of PCL C-51 and C-52. The improvements shall include the construction of three lanes of the Pleasant Grove Creek crossing and the necessary transitions from the 6 lane arterial to the three lane crossing. Landscaping shall be installed in those areas of the remaining median outside of the transition lanes which are not eligible for reimbursement. The funding, construction and acquisition shall identify the cost difference between Developer's obligation to landscaping and median curbing and the internal CIP travel lanes as the reimbursable credits. City shall pay Developer out of the TMF set aside fund for the cost of the additional 2 inside lanes, if funds are insufficient, City will make payment to the extent funds are available, then provide up to 60% credit against the TMF applied to building permits for all dwelling unit equivalents up to the amount of the payments due to Developer. <i>The CIP reimbursable adjacent inside lanes and median landscaping for Westbrook Boulevard from Blue Oaks Boulevard to the Pleasant Grove Creek crossing may be deferred, at the discretion of the City Engineer, until the first building permit is issued in Phase C, as shown in Exhibit G.</i> <u>Westbrook BL between PCL C-51 and C-52</u> – Developer shall be responsible for the cost of frontage improvements, including landscaping and post and cable fencing. Westbrook though open space shall be constructed by City or third party at such time that extension of Westbrook BI north of plan area is required to provide adequate circulation. Improvements by third party, city shall reimburse third parties with funds from the City's CIP. Developer agrees to reduce reimbursement owed by benefitted third party by the actual costs of the frontage improvements. In addition, Developer shall allocate the cost of its frontage improvements as a credit against the reimbursement obligation of third parties to Developer for Developer's construction and oversizing of improvements. If Developer's cost obligation exceeds the reimbursement obligation of third parties to
--	--

Creekview Specific Plan Development Agreement Implementation Matrix

	Developer, Developer shall be obligated to pay the difference to the City. That amount owed to the City by Developer shall be made part of the TMF to be collected for all remaining units.
Department	Engineering Division and Public Works
Status	Ongoing Obligation
Section	3.5.3
Title	Collector Streets
Obligation	Provide access to the property, Developer shall construct curb, gutter, pavement, streetlights, utilities, and ancillary improvements related. Collector roadways are Holt Parkway, Benchmark Drive and Creekview Plaza.
Department	Engineering Division
Status	Ongoing Obligation
Section	3.5.3.1
Title	Bus Transfer Station Amendment #1 – Ord. #6151
Obligation	Design and location of the bus transfer station on the north side of PCL C-70 shall be determined with the DRP of MPP for that parcel. The design and location of the bus transfer station on the west side of parcel C-70 and east side of parcel C-24 shall be determined with the Design Review Permit or the Major Projects Permits for those parcels (or another Major Project Permit for the parcels). The bus transfer station shall include bus turnouts, shelters and bike lockers to accommodate the bus transfer requirements as determined by the City at time of approve of any project permit for PCL C-70. Developer shall maintain the bus transfer station with reimbursement from the Public Services CFD.
Department	Alternative Transportation
Status	Ongoing Obligation - no permits submitted yet for parcel C-70 and C-24
Section	3.5.4.1
Title	Timing of Dedication and Construction of Road Improvements
Obligation	Right of ways for the arterial and collector roadways shall be dedicated as IOD's to the City with the recordation of the large lot map for each phase. All other dedications of roadways to the City shall be made with subsequent final small lot subdivision maps and City acceptance of completed improvements.
Department	Public Works and Engineering
Status	Ongoing Obligation
Section	3.5.4.2
Title	Timing of Dedication and Construction of Road Improvements
Obligation	Prior to the recordation of a small lot residential subdivision map, Developer shall provide adequate assurances to City either in the form of subdivision improvement bonds, issuance and sale of bonds by the CFD or other manner acceptable to the City that adequate funds are available to finance the completion of all improvements to arterial roadways, and collector streets to serve the portion of the property which is the subject of the small lot residential subdivision map. Developer shall not be required to post security for the portion of the work associated with road CIP improvements.
Department	Public Works and Engineering
Status	Ongoing Obligation
Section	3.5.5
Title	Road Improvement Standards
Obligation	All improvements to be installed by Developer shall comply with the City's development standards for public streets in effect as of the date of improvement plan approval unless modifications are otherwise mutually agreed to by Developer and the

Creekview Specific Plan Development Agreement Implementation Matrix

	Public Works Director. The rights-of-way required for such road improvements shall be as set forth in the Specific Plan, or, if not shown in the Specific Plan, then as set forth in the City's Improvement Standards.
Department	Public Works and Engineering
Status	Ongoing Obligation
Section	3.5.6
Title	Landscape Setbacks
Obligation	For the roadways within and/or adjacent to the Property, Developer shall establish the applicable landscape setbacks provided therefor by the Specific Plan and/or Design Guidelines. Such setbacks shall be measured generally from back of curb, except bus turnouts, auxiliary lanes, turn flares, decal lanes, and tapers may encroach into the landscape setback to the extent permitted by the Specific Plan Design Guidelines. Such landscape setbacks shall be limited to landscaping, streetlights, utilities, sidewalks, walls and related uses, and shall be included in the road rights-of-way, adjacent to single family residential parcels. Such setbacks shall not be included within rights-of-way adjacent to multi-family residential and nonresidential uses as set forth in the Specific Plan.
Department	Engineering Division
Status	Ongoing Obligation
Section	3.5.6.1
Title	Separated Sidewalks
Obligation	Developer shall ensure that if a residential property is improved with separated sidewalks, the residential property shall be subject to recorded CC&Rs containing a requirement that the owner of a residential unit immediately adjacent to a separated sidewalk is responsible for the maintenance of all landscaping within the landscape planter, including, street trees located between the separated sidewalk and curb, except where a Homeowners Association maintains the landscaping within the landscape planter.
Department	Planning and Engineering Division
Status	Ongoing obligation
Section	3.5.7
Title	Traffic Signals
Obligation	Developer responsible for the costs of construction traffic signals and described in the phasing plan through the payment of the traffic mitigation fees. Construction of the traffic signals, as may be required by the City at time of roadway construction, City shall make progress payments to Developer for the cost of construction of traffic signals from the City's TMF set-aside fund as defined in section 3.5.2. At minimum, at time of the roadways intersection construction, developer shall install underground conduit, loops, and poles for the signals. City shall install mast arms, signals and signal controllers. If TMF set aside fund revenues are not available to fully pay developer for any improvements, city shall provide 60% credits to Developer against the TMF applied to building permits, however, once sufficient City revenues are available to fully pay developer, City shall pay Developer less the amount of any credits previously extended against the TMF applied to DUE's. Temporary signals installed with phase improvements on Blue Oaks Bl or Westbrook Bl in locations other than ultimate locations shall be the responsibility of developer and will not be eligible for credits toward City's TMF. In the case of temporary traffic signals, operational for a minimum of 10 years, the associated costs for the relocation and the costs for the construction of the ultimate signal shall be reimbursed to developer from

Creekview Specific Plan Development Agreement Implementation Matrix

	the TMF set aside fund.
Department	Public Works department, Engineering and Building Division
Status	Ongoing Obligation
Section	3.5.8
Title	Paseo Facilities
Obligation	Typical Developer obligations for collector road frontage improvements include a 25-foot wide landscape setback and a 5-foot wide pedestrian path on each side of the collector roadway. Within the Project; Developer shall construct paseos consistent with the Specific Plan and Design Guidelines. At the time of adjacent development, Developer shall construct the adjacent landscape/paseo corridor and 10-foot wide Class IA sidewalk. Depending on the phased development requirements, and to maintain the integrity' of the pedestrian connectivity within the Plan Area, temporary non-reimbursable and non-creditable 5-foot wide AC pedestrian path may be required by the City. The costs of paseos shall be financed by Developer.
Department	Parks Department
Status	Currently not in development
Section	3.5.9
Title	Update of City Fee Amendment #1 – Ord. #6151
Obligation	Developer acknowledges that as a result of approval of the Specific Plan, the City will need to update the Capital Improvement Program and Traffic Mitigation Fee ("TMF") to include the Specific Plan. Developer and City shall use their best efforts to cause such update to be completed within twelve (12) months of the date hereof. Until such update has been completed and approved by the City, Developer agrees to pay the fee rate then currently charged to the North Industrial Area. To the extent that the Traffic Mitigation Fee adopted for the CSP is higher than that charged in the West Roseville Specific Plan Area, Developer shall pay the difference as a surcharge to future TMF obligations on a per DUE basis for the remaining DUEs within the CSP. To the extent that the TMF adopted for the CSP is lower than that charged in the West Roseville Specific Plan Area, Developer shall receive a credit against future TMF payments until such time as the amount of the overpayment is exhausted. Developer agrees that the Property shall be subject to and shall pay the City Traffic Mitigation Fee ("TMF"). To the extent that the Traffic Mitigation Fee adopted for the CSP is higher than that charged in the West Roseville Specific Plan Area, Developer shall pay the difference as a surcharge to future TMF obligations on a per-DUE basis for the remaining DUEs within the CSP. To the extent that the TMF adopted for the CSP is lower than that charged in the West Roseville Specific Plan Area, Developer shall receive a credit against future TMF payments until such time as the amount of the overpayment is exhausted.
Department	Engineering Division
Status	Ongoing Obligation
Section	3.5.10
Title	Highway 65 Joint Powers Authority
Obligation	Property shall be subject to and shall pay the Highway 65 Joint Powers Authority Fee. Developer shall pay the fee applicable to the West Roseville Specific Plan area (Interim HWY 65 JPA Fee) in the amounts and at the times specified by the Hwy 65 JPA fee program. If the Developer pays the interim Hwy 65 JPA fee and the interim HWY 65 JPA fee exceeds the Hwy 65 JPA fee as amended, then the excess amount collected shall be applied as a credit towards HWY 65 JPA fees on a per DUE basis for the remaining

Creekview Specific Plan Development Agreement Implementation Matrix

	DUE's within the specific plan. If the interim HWY 65 JPA is less than the amended HWY 65 JPA fee, the total amount of the shortfall shall be added as a surcharge to such future HWY 65 JPA fee on a per DUE basis.
Department	Engineering and Building Division
Status	Ongoing Obligation
Section	3.5.11
Title	South Placer Regional Traffic Fee
Obligation	Property shall be subject to and pay the South Placer Regional Traffic (SPRTA) fee as established by the Placer County Transportation and Planning Agency (PCTPA) and adopted by the City. Developer agrees that until such time the SPRTA fee is amended to include the property, the fee applicable to the WRSP shall apply to the property and developer shall pay such fees (interim SPRTA fee) in the amounts and at the times specified by the SPRTA fee program. If developer pays the interim SPRTA fee and the interim SPRTA fee exceeds as amended, then the excess amount collected shall be applied as a credit towards SPRTA fees on a per DUE basis for the remaining DUE's. If the interim SPRTA fee is less than the amended SPRTA fee, the total amount of the shortfall shall be added as a surcharges to SPRTA fees on a per DUE basis.
Department	Engineering and Building Division
Status	Ongoing Obligation
Section	3.5.12
Title	Tier II Traffic Fee
Obligation	The SPRTA Tier II Fees are administered by the Placer County Transportation Planning Agency ("PCTPA"). Developer acknowledges and agrees to pay the Tier II Traffic Fee, collected to pay for construction of the Placer Parkway and improvements to the I-80/SR65 interchange. The Tier II Traffic Fee program participants include the jurisdictions of Placer County, and the Cities of Roseville, Rocklin, and Lincoln. The current Tier II Traffic Fee is \$5,600 per DUE and will be allocated to the various land uses using a methodology approved by the SPRTA Board. The Tier II Fees shall be adjusted for inflation annually based on the Construction Cost Index ("CCI") shown in the Engineering and News Record in May of each year and based on the average of the 20 cities average and SF average.
Department	Engineering Division
Status	Ongoing Obligation
Section	3.5.14
Title	City-County Fee
Obligation	Developer acknowledges that City and Placer County have adopted a funding mechanism (the "City-County Traffic Mitigation Fee") for improving certain roads in the vicinity of the CSP, including Baseline Road and Walerga Road. Developer agrees that the Property shall be subject to and pay the City-County Traffic Mitigation Fee.
Department	Engineering Division
Status	Ongoing Obligation
Section	3.5.15
Title	Watt Avenue and Vista Grande Boulevard Extension Traffic Mitigation Fee
Obligation	If and when the City and Placer County develop fee programs to mitigate regional traffic concerns, Developer consents to and agrees that any then-undeveloped portion of the Property, for which no building perm.it has been issued, shall participate, to the extent of its fair share, in a city-wide funding mechanism. Such regional roadway extensions and improvements shall consist only of Watt Avenue between the Regional University

Creekview Specific Plan Development Agreement Implementation Matrix

	Specific Plan and future Placer Parkway and Road B west of the Sierra Vista Specific Plan boundary to Baseline Road. Developer waives the right to protest the adoption of the fee. Nothing stated in this Subsection 3.5.15, however, shall prohibit Developer from commenting on or proposing alternatives to the methodology or appropriate spread of such a regional roadway fee.
Department	Engineering Division
Status	Ongoing Obligation
Section	3.5.16
Title	Placer County Traffic Mitigation Fee
Obligation	Developer agrees to pay to City a fee of \$130 per DUE (the "Placer County Traffic Mitigation Fee") to provide fair share funding to Placer County as full mitigation of impacts on the Placer County roadway circulation system for roadways in the adopted County Capital Improvement Program at the date of approval of this Agreement that are north of Interstate 80, west of Highway 65, and outside of County approved specific plan areas (excluding Watt Avenue (Santucci Boulevard) and the extension of Vista Grande Boulevard as provided in Section 3.5.15 above). Once established, the Placer County Road Impact Fee shall be adjusted annually after the completion of annexation proceedings for the Specific Plan by the percentage of change in the CCI.
Department	Building and Engineering Division
Status	Ongoing Obligation
Section	3.5.17
Title	Fee Credits/Reimbursed for Construction CIP Improvements
Obligation	Developer shall be entitled to credits against the City traffic mitigation fees for the cost of constructing roadway improvements that are included in City's roadway capital improvement program ("Roadway CIP") and identified in this Agreement, as more fully set forth in Sections 3.5.1 and 3.5.2 above and Section 4.2 below.
Department	Public Works and Engineering
Status	Ongoing Obligation
Section	3.5.18
Title	Transportation Systems Management
Obligation	Developer to comply with the City's Transportation Systems Management Ordinance.
Department	Alternative Transportation
Status	Ongoing Obligation
Section	3.5.19
Title	Alternative Transportation Marketing
Obligation	Developer to provide education and marketing materials for alternative modes of transportation to each new homeowner and the first resident of each attached housing unit.
Department	Alternative Transportation
Status	Ongoing Obligation
Section	3.5.20
Title	Access to Adjacent Properties
Obligation	Developer to maintain accesses to adjacent Wagner property and Harris Property or another acceptable configuration that provides similar access. This includes routing over and across newly constructed roadways as part of the CSP. Physical all weather accesses shall be maintained during continuously during construction.
Department	Engineering
Status	Ongoing Obligation
Section	3.6
Title	Sewer Facilities
Obligation	Developer shall construct on-site sewer facilities as described in this Section, the Phasing Plan, and as shown in Exhibit "N" or alternate design shown in Exhibit "O".

Creekview Specific Plan Development Agreement Implementation Matrix

	In the event that the WRSP has not constructed sewer facilities necessary to serve the CSP, Developer shall construct the necessary off-site sewer facilities (namely off-site sewer outfall lines in Westbrook Boulevard and in the unnamed access road north of parcel W-60 in the WRSP and the Pleasant Grove Wastewater Treatment Plant) and obtain reimbursement from the WRSP in accordance with Section 3.25. Developer shall be solely responsible for obtaining easements and rights-of-way located within the Specific Plan that are required for construction of such improvements. City shall provide Developer with any rights-of-entry needed to connect these improvements to the City's existing sewer system. Except for the improvements expressly described herein and as shown on Exhibit "N" or alternate design shown in Exhibit "O", Developer shall have no obligations to install or pay for the installation of any off site treatment facilities, except through the payment of sewer connection fees (local, regional and special benefit) levied and collected by the City at the time of development pursuant to City ordinances.
Department	Environmental Utilities and Engineering Division
Status	Ongoing Obligation
Section	3.6.1
Title	Master Wastewater Plan
Obligation	Developer shall construct wastewater conveyance facilities to connect the project to Pleasant Grove Wastewater Treatment Plant. Facilities shall be installed concurrent with the construction of corresponding road improvements.
Department	Environmental Utilities
Status	Ongoing Obligation
Section	3.6.2
Title	Improvement Standards
Obligation	All sanitary sewer improvements shall be designed and constructed to City's then current improvement standards. Subject to City's plan review, construction inspection and final approval. Developer shall pay current plan check, mapping and inspection costs.
Department	Environmental Utilities
Status	Ongoing Obligation
Section	3.6.3
Title	Access to Manholes
Obligation	All manholes shall be located and accessible by City sewer maintenance vehicles. All manholes made watertight during construction. Where feasible, maintenance roads shall be combined with bikeways.
Department	Environmental Utilities
Status	Ongoing Obligation
Section	3.6.4
Title	Public Utility Easements
Obligation	Wastewater improvements to be constructed by Developer are not located within road rights-of-way, as and when Developer installs such wastewater improvements, Developer shall grant and City shall accept a non-exclusive public utility easement for the ownership and maintenance of such lines, together with access thereto for maintenance purposes. Easement widths shall be granted in accordance with the City's Improvement Standards.
Department	Environmental Utilities
Status	Ongoing Obligation
Section	3.6.5
Title	Wastewater Facilities for Reimbursement

Creekview Specific Plan Development Agreement Implementation Matrix

Obligation	Subject to the provisions of Section 3.25 and 4.2 of this Agreement, Developer shall be entitled to reimbursement from third parties within and outside the Urban Reserve whose property is benefited by Developer's construction of wastewater facilities required by City in which there exists capacity in excess of that required to serve the development of the Property (excluding any operational adjustments by City). Such reimbursement shall be pro rata, based on proportionate share of total flow as determined by the City (hereinafter "Flow in Pipe(s)") attributed to the Property and other property benefited by such construction. Specific wastewater facilities subject to reimbursement pursuant to this Section 3.6.5, Section 3.25 and Section 4.2 of this Agreement are shown in Exhibits "P" and "Q" and listed in Exhibit "KK". For properties outside of the Urban Reserve, Developer shall submit documentation to the City to justify the requested reimbursement.
Department	Environmental Utilities
Status	Ongoing Obligation
Section	3.7.1
Title	Financing of Water Supply
Obligation	Developer has no obligation to install or pay for the installation of any off-site water storage, treatment or transmission facilities (other than transmission lines in Blue Oaks Blvd and West Park Dr.) Except through the payment of water connection fees. Fees Collected at time of development
Department	Environmental Utilities and Building
Status	Ongoing Obligation
Section	3.7.2
Title	Groundwater Well Amendment #1 – Ord. #6151
Obligation	Developer shall dedicate to City parcel C-84 for one (1) groundwater well at the approximate location shown on Exhibit "R". The City shall be responsible for the construction of a monitoring well for determining water production and quality and the topside improvements. Developer shall be responsible for drilling and completing the production well (but not above ground well improvements such as pumping and treatment facilities) as further described below. To facilitate the drilling of the monitoring well, Developer will provide City and its contractor's access to and within the well site to enable City to install the monitoring well to confirm desired capacity and water quality. It is the intent of this Section 3.7.2 (and the Parties) that the groundwater well location identified within the CSP be capable of achieving a yield of approximately 1,800 gallons per minute and the groundwater is of such quality that only disinfection will be required to meet California Drinking Water Quality Standards. Should the City determine the available capacity or water quality does not achieve these objectives, Developer shall, at its own cost, work with the City to relocate the well site within CSP until objectives are satisfied. Developer to contact City Environmental Utilities Dept. prior to construction of the production well to obtain approval of the well design and drilling method. The well shall be drilled prior to occupancy of any residential units within 500 feet of the well site. Developer shall include noise curtain for the well at the time of well construction and homes are occupied within 1000 feet of well. If applicable, Developer shall dedicate to City parcel C-84 for one (1) groundwater well at the approximate location shown on Exhibit "R". The City shall be responsible for the construction of a monitoring well for determining water production and quality and the topside improvements. Developer shall be responsible for drilling and completing the

Creekview Specific Plan Development Agreement Implementation Matrix

	production well (but not above ground well improvements such as pumping and treatment facilities) as further described below ("Well Construction Requirements"). To facilitate the drilling of the monitoring well, Developer will provide City and its contractor's access to and within the well site to enable City to install the monitoring well to confirm desired capacity and water quality. It is the intent of this Section 3.7.2 (and the Parties) that the groundwater well location identified within the CSP be capable of achieving a yield of approximately 1,800 gallons per minute and the groundwater is of such quality that only disinfection will be required to meet California Drinking Water Quality Standards. Should the City determine the available capacity or water quality does not achieve these objectives, Developer shall, at its own cost, work with the City to relocate the well site within the CSP until these objectives are satisfied. The Developer shall contact the City Environmental Utilities Department prior to construction of the production well to obtain approval of the well design and drilling method prior to commencement of this work. The well shall be drilled prior to occupancy of any residential units within 500 feet of the well site. Developer shall include noise curtains for the well if, at the time of well construction, homes are occupied within 1000 feet of the well. Notwithstanding the foregoing, if the City adopts a revised water connection fee which encompasses the costs of the Well Construction Requirements, the Developer shall be relieved of the Well Construction Requirements set forth in this Section 3.7.2.
Department	Environmental Utilities
Status	Currently not in development
Section	3.7.3
Title	Water Conservation Measures
Obligation	Developer and its successors shall implement a Water Conservation Plan. The Water Conservation Plan shall include compliance with the City's Water Efficient Landscape Ordinance and outline all water conservation measures being implemented within the CSP and measures to ensure water conservation objectives are achieved in perpetuity subject to approval of the Environmental Utilities Director prior to issuance of the first building permit. Such water conservation measures shall include, but are not limited to, Smart Timers, re-circulating hot water systems, and turf limitations, and shall be disclosed to each purchaser of real property within the Property. Modifications to the Water Conservation Plan as approved by the Environmental Utilities Director shall not require an amendment to this Agreement.
Department	Environmental Utilities
Status	Currently not in development
Section	3.7.4
Title	Periodic Confirmation of Water Conservation Goal Amendment #1 – Ord. #6151 Water Conservation Goal
Obligation	City and Developer are satisfied, based upon detailed technical analysis, that the demand and source assumptions relied upon to assure water for the Project are valid. However, the Parties have agreed to the following procedure to assure the continued validity of the underlying assumptions and the continued availability of sufficient water to

Creekview Specific Plan Development Agreement Implementation Matrix

	service all phases of the CSP: Upon construction of dwelling units in the Plan Area that cumulatively utilize 25% of the projected total potable water usage of the CSP, and then every three years thereafter during the term of this agreement, at the time of annual review provided for in Section 5.2 of this Agreement, the Parties shall review the underlying assumptions regarding water demands, the achievement of project water conservation goals and sources of water for the Project, all as set forth in the EIR. If the City determines that the actual demand and sources differ materially from the assumptions in the EIR and that the difference(s) will negatively affect the City's ability to provide water for the project, then the Parties shall meet and, in good faith, attempt to implement reasonable measures needed to assure the water supply will meet the Project's demands. In the event that the City adopts a city-wide requirement for reduced water use by more than 18.4% of current potable water usage and the built portion of the CSP has met its 18.4% objective, the residential units for which building permits have not yet been issued shall be required to implement such measures necessary to achieve such city-wide requirement. Development and implementation of such measures shall be at Developer's cost. The foregoing notwithstanding, should City achieve its adopted city-wide water conservation goals through other measures, the CSP shall not be deemed out of compliance with its Water Conservation Plan water conservation objective as set forth herein. The City has determined that the available water supply is sufficient to serve all phases of the Project. This determination was the conclusion of a review of the demand and source issues created by the projected build-out of the Project based upon the various technical studies completed in connection with the environmental review of the Project. The demand for water at build-out of the Project was determined by reference to the City's current information on water usage by the various land uses included and permitted within the City and the proposed land uses within the Project and by reference to the Creekview Specific Plan Water Conservation Plan as shown in Exhibit "S", which includes a reduction in water use by 18.3% over business-as-usual factors. The sources for water evaluated for the Project are the same types of sources currently used throughout the City; namely, surface water contracts with federal and local agencies and the use of groundwater. City and Developer are satisfied, based upon detailed technical analysis, that the demand and source assumptions relied upon to assure water for the Project are valid.
Department	Environmental Utilities
Status	Currently not in development
Section	3.8.1
Title	Water Study
Obligation	Developer prepared a water study for its on-site water facilities and prepared a general design of the water system that identifies the size and location of water lines. Timing of facility construction is set in the infrastructure schedule.
Department	Environmental Utilities
Status	Currently not in development
Section	3.8.2
Title	Water Facilities
Obligation	Developer shall construct on-site water system facilities. In the event that the WRSP has not constructed water lines (namely water lines within Blue Oaks Boulevard and West Park Drive) necessary to serve the CSP, and it can be demonstrated through the

Creekview Specific Plan Development Agreement Implementation Matrix

	City hydraulic model that the water lines within the WRSP are needed to supply water to the CSP consistent with City standards, Developer shall construct the necessary water lines and obtain reimbursement from the WRSP. All such facilities to be constructed by Developer, including mains, shall be designed and constructed pursuant to City's then current Improvement Standards, unless modifications are otherwise mutually agreed to by Developer and the Environmental Utilities Director, subject to City plan review, construction inspection and final approval. Developer shall pay then current plan check, mapping and inspection costs incurred by City for review, mapping and inspection of such improvements. Developer will not be responsible for the construction of potable water reservoirs, water storage tanks, topside well improvements, water treatment facilities and pump stations except through the payment of city water connection fees and special benefit fees.
Department	Environmental Utilities
Status	Currently not in development
Section	3.8.3
Title	Water Facilities for Reimbursement
Obligation	Developer shall be entitled to reimbursement from third parties within and outside the Urban Reserve whose property is benefited by Developer's construction of water facilities required by City in which there exists capacity in excess of that required to serve the development of the Property. Such reimbursement shall be pro rata, based on Flow in Pipe(s) attributed to the Property and other property benefited by the construction. Specific water facilities subject to reimbursement pursuant to this Section 3.8.3, Section 3.25, Section 3.26 and Section 4.2 of this Agreement. For properties outside of the Urban Reserve, Developer shall submit documentation to the City to justify the requested reimbursement.
Department	Environmental Utilities
Status	Currently not in development
Section	3.8.4
Title	Water System Sequencing
Obligation	Water system facilities shall be constructed as provided in the phasing plan, concurrently with the construction of the road improvements. Extensions into the neighborhoods will be completed with their respective development. Water line extensions shall be sequenced to assure looped systems in all developing areas.
Department	Environmental Utilities
Status	Currently not in development
Section	3.8.5
Title	Public Utility Easements
Obligation	Where the water improvements to be constructed by Developer are not located within road rights-of-way, as and when Developer installs such water facilities, Developer shall grant and City shall accept a non-exclusive public utility easement the width of which shall be in accordance with City's then current Improvement Standards, for the ownership and maintenance of such lines, together with access thereto for maintenance purposes.
Department	Environmental Utilities and Engineering Division
Status	Ongoing Obligation
Section	3.8.6
Title	Water Softeners
Obligation	Developer and its successors shall not provide water stub outs for the installation of water softeners.
Department	Environmental Utilities

Creekview Specific Plan Development Agreement Implementation Matrix

Status	Currently not in development
Section	3.8.7
Title	Disclosure to Buyers
Obligation	Developer shall disclose to all residential and nonresidential buyers that the Property will be served by-both surface water and groundwater supplies and that variations in the appearance, taste and color of water may be noticed from time to time and include such disclosure in the CC&Rs for the Property. The disclosure shall describe the location of the groundwater well. As further disclosure Developer shall install signage at future water facility sites describing the facilities to be constructed on the subject site. Signs shall be provided per City specifications. The Environmental Utilities Director must review and approve sign layouts prior to installation.
Department	Environmental Utilities and Attorney's Office
Status	Attorney: Evaluation of disclosures done at time of submittal of CC&Rs. Ongoing obligation.
Section	3.9
Title	Recycled Water Facilities Amendment #1 – Ord. #6151
Obligation	Developer shall construct recycled water system facilities. Recycled water shall be used for irrigation of parks and landscape setbacks, medians, paseos adjacent to collector streets and other landscape areas including all multi-family and non-residential landscaping uses. Developer shall construct and dedicate upon completion thereof, a recycled water distribution system. In the event that the WRSP has not constructed recycled water facilities (namely recycled water lines in Blue Oaks Boulevard and West Park Drive) necessary to serve the CSP, Developer shall construct the necessary off-site recycled facilities and obtain reimbursement from the WRSP. City shall construct a recycled water tank(s), pump station expansion and appurtenant - recycled water facilities on City property in the West Roseville Specific Plan as required for the Project. City shall be responsible to dismantle and eliminate each potable water charging station (three total) as set forth in Section 3.3, and make the appropriate connections to the West Roseville Specific Plan recycled water system as part of the construction of the recycled water tank(s) and pump station expansion on City property in the West Roseville Specific Plan. Upon completion of construction of said recycled water tanks and pump station expansion, should Developer desire to continue utilizing interim potable water supply as set forth in Section 3.3, the responsibility to dismantle and eliminate each potable water charging station shall be transferred from City to Developer. The dismantling and elimination of each potable water charging station shall occur at the time interim use of potable water supply is terminated and the use of recycled water begins pursuant to Section 3.3. City costs, estimated at \$1.64 million, associated with the recycled water tank(s), pump station expansion, elimination of the potable water charging stations and connections to the West Roseville Specific Plan recycled water system, and appurtenant recycled water facilities (hereinafter, the "Recycled Water Facilities"), which include, but are not limited to, permitting, design, construction, design support during construction phase, construction management, inspection, and City's administrative and labor costs, shall be paid through the CFD as outlined in the Financing Plan for the Project. Payment from the CFD will not be required until after the 985th building permit as outlined in Section 3.3 herein.

Creekview Specific Plan Development Agreement Implementation Matrix

	City costs, estimated at \$1.64 million, associated with the recycled water tank(s), pump station expansion, elimination of the potable water charging stations and connections to the West Roseville Specific Plan recycled water system, and appurtenant recycled water facilities (hereinafter, the "Recycled Water Facilities"), which include, but are not limited to, permitting, design, construction, design support during construction phase, construction management, inspection, and City's administrative and labor costs, shall be paid through the CFD as outlined in the Financing Plan for the Project. Payment from the CFD will not be required until after the 923rd building permit as outlined in Section 3.3 herein. As an alternative to payment from the CFD, the City may adopt a revised water connection fee which encompasses the estimated \$1.64 million in costs for the Recycled Water Facilities described in this paragraph. All recycled water system facilities including storage tank(s), pump station, transmission, distribution and public and private irrigation systems shall be designed and constructed pursuant to City's then current Improvement Standards, unless modifications are otherwise mutually agreed to by Developer and the Environmental Utilities Director, and shall be subject to City plan review, construction, inspection and final approval and payment of all applicable fees for plan review, mapping and inspection of such improvements.
Department	Environmental Utilities
Status	Currently not in development
Section	3.9.1
Title	Non-Exclusive Public Utility Easement
Obligation	Where the recycled water facilities are not located within road rights-of-way, as and when such facilities are installed, Developer shall grant and City shall accept a non-exclusive public utility easement for the ownership and maintenance of such facilities, together with access thereto for maintenance purposes only. Easement widths shall be granted in accordance with the City's then current Improvement Standards.
Department	Environmental Utilities
Status	Currently not in development
Section	3.9.2
Title	Recycled Water Facilities for Reimbursement
Obligation	Developer shall be entitled to reimbursement from third parties within the Urban Reserve and outside the CSP whose property is benefited by Developer's construction of recycled water facilities required by City in which there exists capacity in excess of that required to serve the development of the Property (excluding any operational adjustments by the City). Such reimbursement shall be pro rata, based on Flow in Pipe(s) attributed to the Property and other property benefited by the construction. Specific recycled water facilities subject to reimbursement pursuant to this Section 3.9.2, Section 3.25 and Section 4.2 of this Agreement are shown in Exhibit "X" and listed in Exhibits "Y" and "KK". For properties outside of the Urban Reserve, Developer shall submit documentation to the City to justify the requested reimbursement.
Department	Environmental Utilities
Status	Currently not in development
Section	3.9.3
Title	Recycled Water Engineering Report
Obligation	Developer shall prepare a Title 22 Recycled Water Engineering Report for submittal to and review by the State Regional Water Quality Control Board and State Department of Public Health documenting the use of recycled water in the CSP. Prior to submittal to

Creekview Specific Plan Development Agreement Implementation Matrix

	the State Water Quality Control Board, Developer shall obtain approval of the City's Environmental Utilities Director. Recycled water shall not be provided for use within the project until the Title 22 Recycled Water Engineering Report has received all required State approvals.
Department	Environmental Utilities
Status	Currently not in development
Section	3.9.4
Title	Recycled Water Use Disclosure to Buyers
Obligation	Developer shall disclose to all buyers that recycled water shall be used for irrigation of parks and landscape corridors, medians, paseos adjacent to collector streets and other landscape areas, including all multi-family and non-residential landscaping uses. Such disclosure shall be included in the CC&Rs for all residential buyers and other recorded notice instrument for all non-residential buyers.
Department	Environmental Utilities and City Attorney
Status	Attorney: Evaluation of disclosures done at time of submittal of CC&Rs. Currently not a development obligation.
Section	3.9.5
Title	Terms and Conditions for Recycled Water Operations, Use and Service
Obligation	All private commercial recycled water customers within the CSP Plan Area shall sign a Terms and Conditions for Recycled Water Operations, Use and Service prior to service meter installation and recycled water being introduced to the site per requirements of the City's Municipal Code at the time of connection.
Department	Environmental Utilities
Status	Currently not in development
Section	3.10
Title	Drainage Facilities
Obligation	Developer shall be responsible for the design and construction of all storm drain facilities required to serve the Property in conformance with the CSP Drainage and Storm Water Master Plan, the then approved City Improvement Standards, City Storm Water Management Program, the MS4 Permit as issued and modified by the State and Regional Water Quality Control Board, the approved Placer County Storm Water Management Manual, the 404 Permit(s) issued by the Army Corps, and any agency required Establishment Phase Operation and Management Plan and/or City's Preserve Area Overarching Management Plan (whichever Management Plan is in force at the time). All appropriate aspects of the Low Impact Development Plan ("LID") and the Flood Control Plan as specified in the Master Drainage Plan and in the Specific Plan will be the responsibility of each increment of development at the time of development. In general, drainage facilities shall be constructed concurrent with roadway and grading improvements, and shall include permanent outfall structures and open space storm water treatment devices within the Specific Plan boundaries. All drain outfalls shall be extended beyond the future bike trails and provide access for future maintenance. Temporary drainage facilities may be required for grading operations and shall conform to all applicable requirements. Prior to approval of any improvement plans for the construction of storm drain facilities within a drainage shed, a master drainage plan shall be prepared and approved by the City Engineer for the entire shed area tributary to any sub-area approved by the City Engineer and shall include a rough grading plan of that shed. The Master Drainage Plan for individual sheds shall include pipe sizes, grades, flows, depths of pipe, and cover over and on top of the pipe. Developer shall have no obligation to install or pay for the installation of offsite drainage facilities, except through the payment of drainage fees levied and collected by the City

Creekview Specific Plan Development Agreement Implementation Matrix

	at the time of development pursuant to city ordinances and/or as referenced in Section 3.10.5 of this Agreement.
Department	Environmental Utilities and Engineering Division
Status	Ongoing Obligation
Section	3.10.1
Title	Other Agency Approval
Obligation	Prior to issuance of any building permit or grading permit, Developer shall obtain, at its expense, all permits and agreements as required by other agencies having jurisdiction over drainage, water quality or wetlands issues including, but not limited to, the Regional Water Quality Control Board ("RWQCB"), the U.S. Army Corps of Engineers and the California Department of Fish and Game. Developer shall prepare and implement a Storm Water Pollution and Prevention Plan ("SWP3"), and shall construct and maintain Best Management Practices ("BMPs") as required by law, the SWP3 and as approved by the City, concurrently with construction of any improvements. Developer shall obtain a permit from the RWQCB for the General Construction Storm Water Permit Compliance Program, as required by law, prior to the start of any construction, including grading on the Property.
Department	Engineering and Building Division
Status	Ongoing Obligation
Section	3.10.2
Title	Storm Drains
Obligation	Developer shall construct storm drain mains and laterals in accordance with the Master Drainage Plan for each tributary shed and Phasing Plan and in accordance with the City's then current Improvement Standards and shall provide laterals to serve all parcels on the Property, including, but not limited to, park sites. Storm drain laterals shall be constructed to the property line concurrently with the construction of connecting open channels or storm drain mains. Storm drainage system designs shall include applicable Best Management Practices with the goal of preventing or reducing pollutants from entering receiving waters in accordance with the City's Storm Water Management Program. Should grading alter the natural drainage patterns and it becomes necessary to redirect drainages across lands dedicated to the City, the Developer shall be responsible for the installation of above-ground drainage ditches to control and direct runoff to receiving waters as appropriate. Developer shall be responsible for annual (or more frequent if needed) maintenance of said drainage ditches until such time as the City develops the property.
Department	Environmental Utilities and Engineering Division
Status	Ongoing Obligation
Section	3.10.3
Title	Grant of Floodplains
Obligation	Prior to or concurrent with approval of any final map containing areas within the 100-year floodplain, Developer shall grant an IOD to the City, or to a conservancy or other non-profit entity acceptable to the City, such areas within the Open Space Preserve Areas.
Department	Engineering Division
Status	Ongoing Obligation
Section	3.10.4
Title	Drainage Easements
Obligation	Where permanent drainage facilities to be owned and maintained by City are to be

Creekview Specific Plan Development Agreement Implementation Matrix

	constructed by Developer and are not located within road rights-of-way, as and when Developer installs such drainage improvements, Developer shall grant and City shall accept a non-exclusive public utility easement or temporary easement for the ownership and maintenance of such lines, together with access thereto for maintenance purposes only. The City shall not be required to accept or maintain any temporary drainage improvements. Easement widths for completed permanent drainage facilities shall be granted in accordance with the City's then current Improvement Standards. When those permanent drainage facilities not located within road rights-of-way and are to be placed on property owned by someone other than the Developer, the Developer shall secure all necessary rights of entry and third party easements. Developer shall not withhold the grant for right-of-entry to construct any off site drainage improvements and/or the dedication of easement to the City for permanent and temporary structures. All drainage outfall structures for storm drain flows leaving the Plan Area shall be built as either temporary or permanent structures wholly on properties in the Plan Area. The City will offer no power of eminent domain for such drainage outfall structures.
Department	Engineering Division
Status	Ongoing Obligation
Section	3.10.5
Title	Pleasant Grove Creek Bypass Channel Improvements Amendment #1 – Ord. #6151
Obligation	Developer shall construct Pleasant Grove Creek bypass channel improvements. Prior to development of Phases A or C as shown on the Phasing Plan the bypass channel shall be constructed. Bypass channel improvements constructed on the City's Al Johnson Wildlife Area ("AJWA") property shall be consistent with the City's plans for a regional storm water detention facility. Developer shall construct the bypass channel improvements located within the CSP at its expense. City shall, at the time of its construction, to the extent funds are available in the Pleasant Grove Creek Drainage Fee Fund, fund the cost to construct bypass channel improvements. If sufficient funds are not available, Developer shall be entitled to credits against the City's Pleasant Grove Creek Drainage fees for the cost of constructing bypass channel improvements located within the AJWA property. Bypass channel improvements include grading and placement of soil, construction of berms, channel, low flow channel, weirs, inlet structure and outlet structure. Material excavated within the CSP shall remain within the CSP and material excavated within the AJWA property for construction of the improvements shall be used within the AJWA. Earthen material in excess of that required for the construction of berms on the south side of the bypass channel shall be placed as engineered fill on the AJWA property. Material excavated within the CSP shall remain within the CSP and material excavated within the AJWA property for construction of the improvements shall be placed as engineered fill on the Property as shown in Exhibit "BB". Prior to the construction of the bypass channel improvements, detailed engineering

Creekview Specific Plan Development Agreement Implementation Matrix

	drawings shall be submitted for review and approval by City. All aspects of the bypass channel as referred to in the Creekview Drainage and Stormwater Master Plan (December 13,2010) pertaining to velocities, erosion control, sediment transport, sediment deposition, contouring, storm water detention, restoration, and storm water management shall be addressed. Plans shall additionally include grading and placement of soil, construction of berms, low flow channel, weirs, inlet and outlet structures, maintenance protocols, and operational protocols associated with the future operations of the regional detention facility located on the AJWA property. The bypass channel design shall include a grading plan for the placement of excess earthen material on the southwest portion of the AJWA property and shall provide positive drainage to Pleasant Grove Creek. Regulatory permitting and/or review shall be the responsibility of the Developer and coordinated with City efforts. Until such time as the obligations of the 404 Permit(s) and monitoring periods are complete, the Developer shall be responsible for operations and funding for maintenance of bypass channel improvements and to provide and conduct any remedial improvements that may be required.
Department	Engineering Division
Status	Ongoing Obligation
Section	3.11.1
Title	On-site Electric Facilities
Obligation	"On-site" means within the Plan Area. Concurrently with the construction of the adjacent roadways and as specified in Section 3.3, Developer agrees to construct, or finance the construction of, on-site 12kv electric distribution facilities as directed by the Electric Utility Director. Developer shall construct or finance construction of on-site 12kV electric distribution facilities in accordance with final on-site electric distribution designs for the Specific Plan as directed by the Electric Utility Director in accordance with applicable City Electric Utility Department Specifications. Design of any final electric utility improvements (off-site, on-site, in-tract), including streetlights, shall commence prior to receipt of approval of improvement plans for the applicable Specific Plan roadways. Any costs of re-design of electric improvements due to adopted improvement plans shall be borne by Developer.
Department	Electric Department
Status	Ongoing
Section	3.11.2
Title	Off-Site Electric Facilities
Obligation	If the electric infrastructure is not installed to the boundary of the Plan Area prior to the start of construction of the first phase of the Specific Plan, Developer agrees to construct, or finance the construction of, off-site 12kV electric distribution facilities as directed by the Electric Utility Director. Developer shall construct or finance construction of off-site 12kV electric distribution facilities in accordance with final off-site electric distribution designs for the Specific Plan as directed by the Electric Utility Director in accordance with applicable City Electric Utility Department Specifications. Design of any final electric utility improvements (off-site, on-site, in- tract) including streetlights, shall commence prior to receipt of approval of improvement plans for the applicable Specific Plan roadways. Any costs of re-design of electric improvements due to adopted improvement plans shall be borne by Developer.
Department	Electric Department
Status	Ongoing
Section	3.11.3
Title	Electric Substation

Creekview Specific Plan Development Agreement Implementation Matrix

	Amendment #1 – Ord. #6151
Obligation	Prior to the issuance of the 500th residential building permit or any combination of building permits within the CSP, dedicate to City a 0.90 buildable acre site (parcel C-81) net of easements, wetlands, riparian corridors and required setbacks for use as an electrical substation. The substation site shall not be encumbered by any easements or any other use constraints, except as approved by the Electric Utility Director. At Developer's expense, the substation shall be dedicated in fee, free and clear of all wetlands. Developer shall, as set forth below, and at Developer's expense, provide the substation site graded and compacted to within six inches (6") of final grade as approved by the Electric Utility Director and consistent with the City's grading ordinance, and where retaining walls are required, provide the retaining wall with split face key stone style or comparable quality I design to be installed by Developer. The Developer shall provide an access road capable of transporting a 200,000 pound distribution transformer and associated transportation trailer. The road shall be designed to meet the truck and trailer minimum turning radius, shall be the width of twelve feet (12') plus two foot (2') aggregate base should be on each side of the road and shall have a structural section consisting of lime treated sub-grade with 2" asphalt concrete over 4" aggregate base. The final design of the access road shall be reviewed and approved by the Public Works Director after consultation with the Electric Department's engineering group before it is constructed. Developer shall complete the finished grading of the bike trail and power line corridor from the property boundary on the east to the future location of Westbrook Bridge crossing over Pleasant Grove Creek. This grading will facilitate the installation of the final alignment of the 60KV overhead line that will serve the future substation in the CSP. The trail and power line corridor will be graded to within 6" of final grade and will include a minimum of 6" aggregate base to serve as a temporary access road to the pole line installation. Any easements, access and dedications required to facilitate the installation of this pole line will also be provided by Developer. Developer shall grant a temporary easement for the temporary electric access road and dedicate the substation within the CSP as set forth below. Provided that Developer provides an access road, power line corridor, temporary easements and substation site as defined above prior to the issuance of the 500th residential building permit, the City shall not restrict the issuance of any additional building permits on the basis of insufficient electrical service capacity for the balance of the Project. Should the Developer fail to provide the required sites and access by the 500th permit, Developer will only be allowed up to 995 permits, or DUE equivalents or any combination of building permits within the CSP that the City determines, in its sole discretion, is the equivalent to building permits for 995 single family residential detached units. Delays by Developer in dedicating the substation site and power line corridor will result in delays in the availability of power until such time as the substation is fully operational with the ability to serve the remainder of the CSP. City shall construct the electric substation and all other tenant improvements on parcel C-81 at the time when needed to serve the development of the Plan Area provided the site is dedicated to City in sufficient time to allow for a reasonable time for City to

Creekview Specific Plan Development Agreement Implementation Matrix

	construct the electric substation and that City has sufficient funds to construct the electric substation. The Developer shall, prior to the issuance of the 923rd residential building permit or any combination of building permits within the CSP as set forth below, dedicate to City a 0.90 buildable acre site (parcel C-81) net of easements, wetlands, riparian corridors and required setbacks for use as an electrical substation, as shown on Exhibit "CC". The substation site shall not be encumbered by any easements or any other use constraints, except as approved by the Electric Utility Director. At Developer's expense, the substation shall be dedicated in fee, free and clear of all wetlands. Developer shall, as set forth below, and at Developer's expense, provide the substation site graded and compacted to within six inches (6") of final grade as approved by the Electric Utility Director and consistent with the City's grading ordinance, and where retaining walls are required, provide the retaining wall with split face key stone style or comparable quality/ design to be installed by Developer. The Developer shall provide an access road capable of transporting a 200,000 pound distribution transformer and associated transportation trailer. The road shall be designed to meet the truck and trailer minimum turning radii, shall be the width of twelve feet (12') plus two foot (2') aggregate base shoulders on each side of the road and shall have a structural section consisting of lime treated sub grade with 2" asphalt concrete over 4" aggregate base. The final design of the access road shall be reviewed and approved by the Public Works Director after consultation with the Electric Department's engineering group before it is constructed. In addition to the temporary access road, Developer shall complete the finished grading of the power line corridor as shown on Exhibit "CC". This grading will facilitate the installation of the final alignment of the 60KV overhead line that will serve the future substation in the CSP. The power line corridor will be graded to within 6" of final grade and will include a minimum of 6" aggregate base to serve as a temporary access road to the pole line installation. Any easements, access and dedications required to facilitate the installation of this pole line will also be provided by Developer. Developer shall grant a temporary easement for the temporary electric access road and dedicate the substation within the CSP as set forth below. Provided that Developer provides an access road, power line corridor, temporary easements and substation site as defined above prior to the issuance of the 924th residential building permit, the City shall not restrict the issuance of any additional building permits on the basis of insufficient electrical service capacity for the balance of the Project. Should the Developer fail to provide the required sites and access by the 924th permit, Developer will only be allowed up to 923 permits, or DUE equivalents or any combination of building permits within the CSP that the City determines, in its sole discretion, is the equivalent to building permits for 923 single family residential detached units. Delays by Developer in dedicating the substation site and power line corridor will result in delays in the availability of power until such time as the substation is fully operational with the ability to serve the remainder of the CSP. City shall construct the electric substation and all other tenant improvements on

Creekview Specific Plan Development Agreement Implementation Matrix

	parcel C-81 at the time when needed to serve the development of the Plan Area provided the site is dedicated to City in sufficient time to allow for a reasonable time for City to construct the electric substation and that City has sufficient funds to construct the electric substation.
Department	Electric Department
Status	Ongoing
Section	3.11.4
Title	60kV Disclosure
Obligation	Developer shall include a notice in the project CC&Rs and its sales documentation advising property owners adjacent to the 60 kV easement areas or adjacent to the final location of the 60kV easement that the City may utilize the public utility easements to construct 60kV overhead electric lines.
Department	Electric Department and City Attorney
Status	Attorney: Evaluation of disclosures done at time of submittal of CC&Rs. Ongoing obligation.
Section	3.11.5
Title	Streetlights
Obligation	Concurrent with the construction of the adjacent roadways, Developer agrees to construct, or finance construction of, streetlights within the Property. No street shall be accepted by the City, unless and until streetlights have been installed in accordance with the Specific Plan and applicable requirements of the Electric Department. Streetlights shall meet Roseville Electric's specifications for residential and/or commercial construction in effect at the time the construction improvement plans are approved and issued by the City.
Department	Electric Department
Status	Ongoing
Section	3.11.6
Title	Electric Efficiency and Demand Reduction
Obligation	In order to mitigate demand for energy supplies and comply with state mandated energy efficiency goals, the following energy efficiency and load management requirements: 1. All residential dwelling units will install residential air conditioning units with the following sets of parameters as a minimum standard: a. A Seasonal Energy Efficiency Rating ("SEER") of 2 points above the minimum, as defined by the State of California in the current Title 24 of the Code of California Regulations, up to a total maximum of 16 points including the 2 point premium, an Energy Efficiency Ratio ("EER") of 12 or greater, and a thermal expansion valve ("TXV"). The SEER rating of 2 points above the minimum, as defined by the current Title 24, up to a maximum of 16 points, and an EER rating of 12 or greater along with a TXV will be specified on building plans and Title 24 compliance certificates at the time building permits are requested. If Title 24 of the Code of California Regulations in effect at the time of request for building permits requires higher SEER or EER ratings, residential units in the Plan Area shall comply with such State requirements. The SEER and EER ratings will be verified with appropriate documentation. These requirements shall be utilized in the overall energy compliance calculations

Creekview Specific Plan Development Agreement Implementation Matrix

	2. A direct load control device will be installed on all new residential dwelling units to the extent and subject to availability of program funds at the time of final map approval. The device will cycle the air conditioner compressor on/off during summer high peak load hours and operate under the control of Roseville Electric. Roseville Electric will install and maintain the devices at no cost to the builder/homeowner and/or Developer. Roseville Electric shall install the device in a manner that does not delay Developer's construction or sale of the residence. Customers will be automatically enrolled in the load control program and will remain in the program or must actively opt out. Developer shall disclose to all residential buyers the following: (1) their property has been installed with a Roseville Electric owned air conditioner cycling demand switch; (2) the home buyer is automatically enrolled in the program; (3) Developer will provide the home buyer with an opportunity to opt out of the program at the time of close of escrow and that this information will be provided to the Roseville Electric Utility Director designee. Disclosures to subsequent purchasers regarding direct load control devices are required consistent with Section 3.23(15) of this Agreement. 3. All commercial air conditioning units 5 tons or less (<65,000 btu/h) shall meet the current Consortium for Energy Efficiency ("CEE") Tier I specifications. The SEER/EER ratings will be specified on building plans and Title 24 compliance certificates at the time building permits are requested. The SEER and EER ratings will be verified with appropriate documentation. These requirements shall be utilized in the overall energy compliance calculations required for issuance of any building permit for any commercial building in the Plan Area. Any variances, with the exception of Tier 2 compliance, must be approved by the Electric Utility Director or designee.
Department	Electric Department
Status	Ongoing
Section	3.12
Title	Parks, Open Space, and Bike Trails Amendment #1 – Ord. #6151
Obligation	Developer shall dedicate to City a total of 15.7 acres of active park land and 136.2 acres of open space lands, pay fees for construction of city-wide park, park improvements, paseo improvements, road improvements, open space frontage improvements, and trail improvements and construct park frontage improvements. Developer shall dedicate to City a total of 16.3 acres of active park land and 136.9 acres of open space lands, pay fees for construction of city-wide park, park improvements, paseo improvements, road improvements, open space frontage improvements, and trail improvements and construct park frontage improvements as set forth in this Section and the Phasing Plan and as shown in Exhibit "DD". Developer shall not construct any private single access gates or private access from any single parcel of residential property onto public spaces, such as parks, preserves, and paseos. Additionally, Developer shall place the foregoing restriction as applicable to property owners in the CC&Rs for any single family residential subdivision.
Department	Parks Department
Status	Currently not in development
Section	3.12.1

Creekview Specific Plan Development Agreement Implementation Matrix

Title	Park and Open Space Dedications Amendment #1 – Ord #6151
Obligation	Developer shall dedicate to City a total of 15.7 acres of active neighborhood parkland and 136.2 acres of open space. The following four park parcels, and five open space parcels shall be dedicated to City as described below: 1. A 7.3 acre, more or less, portion of the Property for the purposes of a public park, shown as parcel C-60; 2. A 4.7 acre, more or less, portion of the Property for the purpose of a public park, shown as parcel C-61 3. A 1.5 acre, more or less, portion of the Property for the purpose of a public park, shown as parcel C-62; 4. A 2.2 acre, more or less, portion of the Property for the purpose of a public park, shown as parcel C-63; 5. A 36.4 acre, more or less, portion of the Property for the purposes of drainage, flood control, bike trails, fuel modifications (i.e., fire breaks), preservation of wetland habitat and open space, and open space linkages, shown as parcel C-50; 6. A 35.8 acre, more or less, portion of the Property for the purposes of drainage, flood control, bike trails, fuel modification (i.e., fire breaks), preservation of wetland habitat and open space, and open space linkages, shown as parcel C-51; 7. A 15.0 acre, more or less, portion of the Property for the purposes of drainage, flood control, bike trails, fuel modification (i.e., fire breaks), preservation of wetland habitat and open space, and open space linkages, shown as parcel C-52; 8. A 24.8 acre, more or less, portion of the Property for the purposes of drainage, flood control, bike trails, fuel modification (i.e., fire breaks), preservation of wetland habitat and open space; and open space linkages, shown as parcel C-53; and 9. A 24.2 acre, more or less, portion of the Property for the purposes of drainage, flood control, bike trails, fuel modification (i.e., fire breaks), preservation of wetland habitat and open space, and open space linkages shown as parcel C-54. Developer shall dedicate to the City on the face of each Large Lot Final Map as an Irrevocable Offer to Dedicate (IOD) any park lands and open space parcels within the Property provided that the applicable final Large Lot Subdivision Map creating a separate parcel for the subject site has been recorded. City shall accept such dedication of any park lands and open space parcels at the time when all infrastructure improvements (e.g., curb and gutter, roadway, utilities, utility stubs, etc.) adjacent to the parcels, i.e., frontage along the parcel and parcel grading, are substantially complete and the City is prepared to improve and maintain the site per Section 3.3.1 above. In the event Developer uses any of the above mentioned parcels for temporary construction activity or staging (e.g., detention basins, rock crushing operations, dirt/debris stockpiling, etc.), Developer shall, prior to acceptance by City, restore the site to an acceptable rough graded condition. In the case where fill material is required to reclaim the site, fill shall be placed in engineered lifts. Developer shall submit a soils analysis report of the fill material to be used to the Parks & Recreation Department for review and approval prior to placement of material. Prior to dedicating any open space parcels to City, Developer shall work

Creekview Specific Plan Development Agreement Implementation Matrix

	with City to ensure City has complete and permanent access to such open space parcels for maintenance and emergency response purposes. Developer shall dedicate to City a total of 16.3 acres of active neighborhood parkland and 136.9 acres of open space. The following four park parcels, and five open space parcels shall be dedicated to City as described below and shown in Exhibit "DD": 1 A 7.4-acre, more or less, portion of the Property for the purposes of a public park, shown as parcel C-60; 2 A 4.8-acre, more or less, portion of the Property for the purpose of a public park, shown as parcel C-61; 3 A 1.5-acre, more or less, portion of the Property for the purpose of a public park, shown as parcel C-62; 4 A 2.5-acre, more or less, portion of the Property for the purpose of a public park, shown as parcel C-63; 5 A 36.5-acre, more or less, portion of the Property for the purposes of drainage, flood control, bike trails, fuel modifications (i.e., fire breaks) preservation of wetland habitat and open space, and open space linkages, shown as parcel C-50; 6 A 35.6-acre, more or less, portion of the Property for the purposes of drainage, flood control, bike trails, fuel modification (i.e., fire breaks), preservation of wetland habitat and open space, and open space linkages, shown as parcel C-51; 7 A 15.1-acre, more or less, portion of the Property for the purposes of drainage, flood control, bike trails, fuel modification (i.e., fire breaks), preservation of wetland habitat and open space, and open space linkages, shown as parcel C-52; 8 A 25.1-acre, more or less, portion of the Property for the purposes of drainage, flood control, bike trails, fuel modification (i.e., fire breaks), wetland habitat and open space, and open space linkages, shown as parcel C-53; and 9 A 24.6-acre, more or less, portion of the Property for the purposes of drainage, flood control, bike trails, fuel modification (i.e., fire breaks), wetland habitat and open space, and open space linkages shown as parcel C-54. Developer shall dedicate to the City on the face of each Large Lot Final Map as an Irrevocable Offer to Dedicate (IOD) any park lands and open space parcels within the Property provided that the applicable final Large Lot Subdivision Map creating a separate parcel for the subject site has been recorded. City shall accept such dedication of any park lands and open space parcels at the time when all infrastructure improvements (e.g., curb and gutter, roadway, utilities, utility stubs, etc.) adjacent to the parcels, i.e., frontage along the parcel and parcel grading, are substantially complete and the City is prepared to improve and maintain the site per Section 3.3.1 above. In the event Developer uses any of the above mentioned parcels for temporary construction activity or staging (e.g., detention basins, rock crushing operations, dirt/debris stockpiling, etc.), Developer shall, prior to acceptance by City, restore the site to an
--	--

Creekview Specific Plan Development Agreement Implementation Matrix

	acceptable rough graded condition and as approved as a part of the Project's rough grading plan. The final pad elevations shall be certified by a licensed civil engineer with deviations no greater than 0.10 feet. In the case where fill material is required to reclaim the site, fill shall be placed in engineered lifts. Developer shall submit a soils analysis report of the fill material to be used to the Parks, Recreation & Libraries Department for review and approval prior to placement of material. Prior to dedicating any open space parcels to City, Developer shall work with City to ensure City has complete and permanent access to such open space parcels for maintenance and emergency response purposes.
Department	Parks Department
Status	Currently not in development
Section	3.12.2
Title	Financing for Parks
Obligation	The construction of improvements to parks within the property shall be financed from the payment by developer of the city-wide and neighborhood park fees established for the specific plan in the parks and bike trails financing plan.
Department	Parks Department
Status	Currently not in development
Section	3.12.2.1
Title	Financing for Neighborhood Parks
Obligation	The construction of the neighborhood park sites within the property shall be financed from payment by developer of park fees. City agrees that the total amount to be financed by Developer pursuant to this Section 3.12.2.1 for the design, construction and inspection of such neighborhood park improvements shall not exceed the amounts as set forth in the Parks Financing Plan, with amounts distributed among the park sites on the Property, and which amount is adjusted by the percentage change, annually on July 1, utilizing the Engineering News Record, Construction Cost Index for the United States 20-city average.
Department	Parks Department
Status	Currently not in development
Section	3.12.2.2
Title	Maintenance District Financing
Obligation	Pursuant to Section 3.19 below, Developer shall support the formation of the Community Facilities District -Public Services District ("Services CFD") defined therein. Among other things, the Services CFD shall be authorized to levy special taxes or assessments on the Property and to provide maintenance of the parks, streetscapes and paseos.
Department	Parks Department
Status	Not formed yet
Section	3.12.3
Title	Neighborhood Park Fee
Obligation	In accordance with the Parks Financing Plan for the Property, Developer shall pay a neighborhood park fee, upon the issuance of each residential building permit, to fund neighborhood park construction. Such neighborhood park fee shall be \$2,623 per Low Density Residential unit, \$2,241 per Medium Density Residential Unit, and \$1,859 per High Density Residential unit, subject to annual adjustment, on July 1, based on the percentage change in the CCI. All such Neighborhood Park Fees shall be deposited into the applicable neighborhood park fee fund. The Neighborhood Park Fee, as calculated herein, is figured on 100% of the total

Creekview Specific Plan Development Agreement Implementation Matrix

	dwelling units proposed to be entitled in the Plan Area for construction of Neighborhood Parks within the CSP. City may conduct an annual re-assessment of Park fees for the Property subject to this Agreement and adjust the fee upward if underutilization of entitled dwelling units for the Property subject to this Agreement exceeds five percent (5%). In the event of a rezoning of any parcel(s) in the Property that creates a park funding shortfall, City shall require supplemental Neighborhood and City-Wide Park and Bike Trail Fees to fund such shortfall from the rezoned parcel(s). At the end of each development phase, City shall review development progress of Neighborhood Parks to determine if development is on target as it relates to collection of park fees by phase or sub-phase. City shall review the development phase with overall neighborhood park development and any impacts, particularly if subsequent phases will need to utilize funding previously collected for development. Developer may request a refund of the pro-rata share of any remainder funds once the last neighborhood park in the CSP is complete. If there are any remainder fees, City shall, within ninety (90) days of filing a notice of completion of the last neighborhood park for the CSP, refund to Developer a pro-rata share of any remainder fees.
Department	Parks Department and Building Division
Status	Currently not in development
Section	3.12.4
Title	City-Wide Park and Bike Trail Fee Amendment #1 - Ord. #6151
Obligation	Unless otherwise deferred pursuant to Section 3.17.1.2 (i) below, Developer shall pay the City-Wide Park and Bike Trail Fee at time of building permit. Developer shall pay the City-Wide park and Bike Trail Fee at time of building permit. The City-Wide Park and Bike Trail Fee shall fund the construction of city-wide park facilities within the WRSP of the City and Class I bike trail construction within the Property, The City-Wide Park and Bike Trail Fee, inclusive of a City-Wide Park In-Lieu fee amount described in Section 3.12.5 below, shall be \$3,200 per Low Density Residential Unit, Medium Density Residential unit, and High Density Residential unit subject to annual adjustment on July 1, based on the percentage change in the CCI. Of the \$3,200 City-Wide Park and Bike Trail Fee, \$900 per residential unit is assigned to bike trail construction. At the request of the City and provided that sufficient funds will be available, upon completion of construction, Developer shall construct, consistent with City standards, segments of bike trails and/or pedestrian bridge abutments as provided by Section 3.12.6. The City can designate the use of the funds collected to construct any segment of the bike trail (including bridges) within the Plan Area that it deems appropriate. Developer shall be entitled to reimbursement by City from the City-Wide Park and Bike Trail Fee, for the actual cost of constructing the bike trail segments, but not to exceed the costs specified in the Parks and Bike Trails Financing Plan, as more fully set forth in Section 4.2 below. In the event that all bike trail segments have been constructed and funds are available from the collection of City-Wide Park and Bike Trail Fees, remaining monies shall be applied to construction of bike trail Segment 4 and/or the easterly pedestrian/bicycle crossing as shown on Exhibit "FF" and "GO".
Department	Parks Department, Alternative Transportation and Building Division
Status	Ongoing Obligation (Alt Trans)
Section	3.12.3.1
Title	Neighborhood Park Frontage Improvements

Creekview Specific Plan Development Agreement Implementation Matrix

Obligation	When installing road improvements adjacent to neighborhood park sites, Developer shall construct the frontage improvements (excluding landscaping), which include curb, gutter, and stub utilities for the park site, subject to direction from City on the location of such utility stubs. The cost of this work has been accounted for in the Neighborhood Park Fee as determined in the Parks Financing Plan. Developer shall be entitled to reimbursement from the Neighborhood Park Fee as set forth below. At the time Developer installs infrastructure frontage improvements for the neighborhood parks, Developer may construct the sidewalks, as specified in the Specific Plan and upon mutual consent of the City and Developer. The construction cost of such sidewalks shall be entitled to reimbursements from City's Neighborhood Park Fee revenues. Developer shall be entitled to a reimbursement for the sidewalk cost provided City has sufficient funds to reimburse Developer for such sidewalk improvements at the time that Developer would construct such improvements. If City does not have sufficient funds to reimburse Developer within sixty-(60) days of completion of such sidewalk improvements, City shall construct the sidewalk improvements as part of the adjacent park improvements and release Developer from any obligation to construct such sidewalk improvements. Reimbursement shall be based on actual costs of constructing the sidewalk and as approved by the City prior to construction. For all other park frontage improvements excluding sidewalks and landscaping, Developer shall be entitled to credit against the Neighborhood Park Fee as accounted for and reflected in the Neighborhood Park Fee as indicated in the Parks Financing Plan park estimates. All frontage improvements, including sidewalks, shall be constructed consistent with City standards.
Department	Parks Department
Status	Currently not in development
Section	3.12.4
Title	Citywide Park and Bike Trail Fee
Obligation	Developer shall pay the City-Wide Park and Bike Trail Fee at time of building permit. The City-Wide Park and Bike Trail Fee shall fund the construction of city-wide park facilities within the WRSP of the City and Class I bike trail construction within the Property. The City-Wide Park and Bike Trail Fee, inclusive of a City-Wide Park In-Lieu fee amount described in Section 3.12.5below, shall be \$3,200 per Low Density Residential Unit, Medium Density Residential unit, and High Density Residential unit subject to annual adjustment on July 1, based on the percentage change in the CCI. Of the \$3,200 City-Wide Park and Bike Trail Fee, \$900 per residential unit is assigned to bike trail construction. At the request of the City and provided that sufficient funds will be available, upon completion of construction, Developer shall construct, consistent with City standards, segments of bike trails and/or pedestrian bridge abutments as provided by Section 3.12.6. The City can designate the use of the funds collected to construct any segment of the bike trail (including bridges) within the Plan Area that it deems appropriate. Developer shall be entitled to reimbursement by City from the City-Wide Park and Bike Trail Fee, for the actual cost of constructing the bike trail segments, but not to exceed the costs specified in the Parks and Bike Trails Financing Plan.

Creekview Specific Plan Development Agreement Implementation Matrix

	In the event that all bike trail segments have been constructed and funds are available from the collection of City-Wide Park and Bike Trail Fees, remaining monies shall be applied to construction of bike trail Segment 4 and/or easterly pedestrian/bicycle crossing.
Department	Parks Department, Alternative Transportation and Building Division
Status	Currently not in development
Section	3.12.5
Title	Citywide Park In-Lieu Fee
Obligation	The City-Wide Park and Bike Trail Fee set forth in Section 3.12.4 above includes a City-Wide Park In-Lieu Fee component to satisfy Developers' pro- rate share of the Plan Area's City-Wide parkland dedication requirement of 15.3 acres.
Department	Parks Department
Status	Currently not in development
Section	3.12.6
Title	Class 1 Bike Trail Construction
Obligation	Construct bike trails only if City has sufficient funds to reimburse Developer upon completion of construction, Developer shall design, secure necessary permits and construct certain Class 1bike trail improvements, including the two pedestrian/bicycle crossings within the Property. Should sufficient funds not be available to reimburse Developer, City shall be responsible for designing, permitting and constructing bike trails and pedestrian/bicycle crossings. Bike trails shall be constructed to City standards as and when Developer develops certain parcels within the Property. The sections of bike trail to be installed upon development of such parcels. Developer shall be responsible for constructing abutments for the westerly pedestrian/bicycle crossing including permitting and resource mitigation. The construction of the abutment will be reimbursable from the City Wide Park and Bike Trail Fee and shall be reimbursed to the constructing party over time, as funds are made available. City shall fund and construct segment 4 of the bike trail improvements and the easterly pedestrian/bicycle crossing abutments and associated bike trail. City shall seek funding for segment 4 of bike trail improvements separate from the City-Wide Park and Bike Trail Fee. Developer is obligated for preliminary design, necessary permits, resource mitigation, and rough grading of bike trails within the open space at the time that mass grading adjacent to the open space occurs, including Segment 4. No reimbursement for this effort will be provided. The rough grading of the bike trails in the open space shall ensure that sufficient width and adequate grades are constructed to accommodate the future construction of the bike trails at a later date. Upon completion of the bike trail improvements, Developer shall receive reimbursement from City as provided in Section 3.12.4 and this Section 3.12.6. If a bike trail is completed prior to City's acceptance of open space within which the bike trail is located, City shall be responsible for bike trail maintenance. City shall enter into an agreement with Developer memorializing such obligations and indemnifying Developer for the public's use of the bike trail prior to the City's acceptance of the open space, which will include the recordation of a temporary maintenance and pedestrian access easement that includes the bike trail on and across Developer's Property. Upon

Creekview Specific Plan Development Agreement Implementation Matrix

	completion of the bike trail and City's acceptance of open space within which the bike trail is located, City shall continue to be responsible for bike trail maintenance.
Department	Parks Department and Alternative Transportation
Status	Ongoing Obligation (Alt Trans); Currently not in development (Parks)
Section	3.12.7
Title	Entire Park Land Obligation
Obligation	The City agrees that the provisions of the Specific Plan and the commitments contained herein satisfy Developer's General Plan park obligations for the dedication and improvement of neighborhood and city-wide parks and open space related to development of the Property.
Department	Parks Department
Status	Currently not in development
Section	3.12.8
Title	Open Space Preserve Areas Amendment #1 – Ord. #6151
Obligation	Developer shall obtain from the Army Corps 404 Permit(s) to fill wetland resources in conjunction with development of the Property and the Plan condition that requires the preservation of certain environmental habitat. The areas in which such habitat will be preserved are known as Open Space Preserve Areas and consist of the following five parcels: 1. A 36.4-acre, more or less, portion of the Property for the purposes of drainage, flood control, bike trails, fuel modification (i.e., fire breaks), preservation of wetland habitat and open space, and open space linkages, shown as parcel C-50; 2. A 35.8-acre, more or less, portion of the Property for the purposes of drainage, flood control, bike trails, fuel modification (i.e., fire breaks), preservation of wetland habitat and open space, and open space linkages, shown as parcel C-51; 3. A 15.0-acre, more or less, portion of the Property for the purposes of drainage, flood control, bike trails, fuel modification (i.e., firebreaks), preservation of wetland habitat and open space, and open space linkages, shown as parcel C-52; 4. A 24.8-acre, more or less, portion of the Property for the purposes of drainage, flood control, bike trails, fuel modification (i.e., fire breaks), preservation of wetland habitat and open space, and open space linkages, shown as parcel C-53; and 5. A 24.2-acre, more or less, portion of the Property for the purposes of drainage, flood control, bike trails, fuel modification (i.e., fire breaks), preservation of wetland habitat and open space, and open space linkages, shown as parcel C-54. 1. "1. A 36.5-acre, more or less, portion of the Property for the purposes of drainage, flood control, bike trails, fuel modification (i.e., fire breaks), preservation of wetland habitat and open space, and open space linkages, shown as parcel C-50; 2. A 35.6-acre, more or less, portion of the Property for the purposes of drainage, flood control, bike trails, fuel modification (i.e., fire breaks), preservation of wetland habitat and open space, and open space linkages, shown as parcel C-51; 3. A 15.1-acre, more or less, portion of the Property for the purposes of drainage,

Section	3.14.2.1
Title	City Public Facilities Fee Amendment #1 – Ord #6151
Obligation	Pursuant to Section 3.17.1.2 (i) below, Developer shall pay the City Public Facilities Fee (Roseville Municipal Code Chapter 4.52). Unless otherwise deferred pursuant to Section 3.17.1.2 (i) below, Developer shall pay the City Public Facilities Fee at time of building permit. The City Public Facilities Fee shall be subject to annual adjustment, on July 1, based on the percentage change in the CCI, but only if the City Public Facilities Fee is paid out of bond proceeds pursuant to Section 3.17.1.2 (i) below. Developer shall pay the City Public Facilities Fee (Roseville Municipal Code Chapter 4.52) at time of building permit.
Department	Building Division
Status	Currently not in development
Section	3.14.3
Title	Public Benefit Fee Amendment #1 – Ord. #6151
Obligation	AS partial consideration for this agreement, to offset a portion of the impact of the Project and the associated tax sharing agreement with Placer County, and to ensure that the Project will benefit current and future residents of Roseville, Developer shall pay a Public Benefit Fee for each residential unit in the Project. The Public Benefit Fee for each low density and medium density residential unit shall be \$ 1,280. The Public Benefit Fee for each high density residential unit shall be \$ 845. Unless otherwise deferred pursuant to Section 3.17.1.2 (i) below, Developer shall pay the Public Benefit Fee at time of building permit. The Public Benefit Fee shall be subject to annual adjustment, on July 1, based on the percentage change in the CCI, but only if the Public Benefit Fee is paid out of bond proceeds pursuant to Section 3.17.1.2 (i) below. As partial consideration for this Agreement, to offset a portion of the impact of the Project and the associated tax sharing agreement with Placer County, and to ensure that the Project will benefit current and future residents of Roseville, Developer shall pay a Public Benefit Fee for each residential unit in the Project. The Public Benefit Fee for each low density and medium density residential unit shall be\$ 1,280. The Public Benefit Fee for each high density residential unit shall be \$845. Developer shall pay the Public Benefit Fee at time of building permit.

Status	Currently not in development
Section	3.14.4
Title	Lines, Encumbrances, Covenants, Conditions and Restrictions
Obligation	Except as approved by City or provided for by this Agreement, all property to be conveyed in fee to City pursuant to this Agreement shall be free of any liens, financial encumbrances, special taxes, CC&Rs, hazardous materials or assessments. Developer shall, for each such conveyance, provide to City, at Developer's expense, a current preliminary title report and preliminary site assessment for hazardous materials in a form approved by the City Attorney. Any policy of title insurance required by City shall be at City's expense.
Department	City Attorney
Status	Evaluation done at time of conveyance. Ongoing obligation.
Section	3.14.5
Title	Signage for Future Public Facilities

Creekview Specific Plan Development Agreement Implementation Matrix

Obligation	Developer shall provide and install signage at the following public facility sites to alert residents of future facilities: electric substation (C-81), sewer lift station site (C-82), solid waste recycling site (C-83), well site (C-84), park sites (C- 60, C-61, C-62, C-63), bike trails where they will abut residential property, and school site (C-80), per City specifications and applicable sign permits.
Department	Planning Division
Status	Currently not in development
Section	3.14.6
Title	Library Facilities
Obligation	Developer agrees to participate and pay its fair share of the capital cost of library services in the event that the City should amend its current City-wide Public Facilities fee to include library facilities or adopts any other equitable financing mechanism for the provision of library facilities.
Department	Library Department
Status	Currently not in development
Section	3.14.7
Title	Solid Waste Recycling Site (C-83)
Obligation	Developer is responsible to grade parcel C-83, and provide said site without environmental or other constraints. At Developer's expense, all site grading shall be completed prior to the dedication of the site consistent with City's Grading Ordinance, and where retaining walls are required, the retaining wall shall be a split-faced key stone style wall or comparable quality/design to be installed by the Developer. This work shall be completed with the construction of the roadway fronting this parcel.
Department	Environmental Utilities
Status	Currently not in development
Section	3.14.8
Title	Construction Waste
Obligation	Developer shall require construction contractors and subcontractors to reduce construction waste by recycling a minimum of 50% of construction waste materials or require all construction debris be delivered to the Placer County Western Regional Materials Recovery Facility where recyclable material will be removed. Developer shall require that contractors and subcontractors submit to the City Environmental Utilities Department annual records of waste diversion and disposal in order to verify compliance with this requirement.
Department	Environmental Utilities Department
Status	Currently not in development
Section	3.14.9
Title	Weed Abatement on P/QP Parcels
Obligation	Prior to dedication of any P/QP parcel to City, Developer shall maintain such P/QP parcel to meet City's weed abatement standards.
Department	Parks Department
Status	Currently not in development
Section	3.14.11
Title	Fence Removal Amendment #1 – Ord. #6151
Obligation	Prior to the first building permit issued in the Project north of Pleasant Grove Creek, Developer shall remove existing cattle grazing fences on the Property, with the possible exception of the cattle and goat grazing fencing in the open space parcels (Parcels C- 50 to C-54), should a cattle grazing plan be approved by the City. Cattle and goat grazing fencing shall not interfere with bike trail amenities.

Status	Currently not in development
Section	3.15

Creekview Specific Plan Development Agreement Implementation Matrix

Title	EIR Mitigation Measures
Obligation	Notwithstanding any other provision in this Agreement to the contrary, as and when Developer elects to develop the Property, Developer shall be bound by, and shall perform, all mitigation measures contained in the EIR related to such development which are adopted by City and identified in the mitigation monitoring plan or the EIR as a responsibility of Developer, and shall be subject to any fees which may be enacted by City to implement any mitigation measures contained in the EIR.
Department	Planning Division
Status	Ongoing
Section	3.17.1
Title	Community Facilities District Formation – Project Infrastructure
Obligation	Developer and City may form a Community Facilities District (CFD) or Districts for the purpose of financing the construction and/or acquisition of public infrastructure and facilities within the CSP. If requested by Developer, City and Developer shall use their best efforts to cause to be formed the Project CFD(s) for the purpose of financing the acquisition or construction of some or all of the improvements and facilities eligible for CFD financing within and associated with the Creekview Specific Plan, including those improvements which will mitigate impacts of the Creekview Specific Plan upon areas inside and outside of the Creekview Specific Plan, and will be owned, operated and maintained by the City or another public agency. The CFD Eligible Improvements are those improvements including, but not limited to arterials, collectors, roadways serving bus transfer facilities, and unloaded primary residential roads; traffic signals; right-of-way acquisitions; bridges/culverts, water, sewer, recycled water, and drainage improvements and appurtenances; landscape and landscape irrigation and drainage facilities; environmental mitigation and remediation; bicycle and pedestrian facilities; parks, paseos, schools, electrical substations, park and ride facilities, bus facilities, recycle center, police protection, fire protection, modification to and or undergrounding of existing improvements; wetlands; electrical and dry utility improvements; transit improvements; masonry walls; development impact fees; design, engineering, surveying, construction management, and security for CFD Eligible Improvements; and other improvements as which are defined as authorized improvements under the Project CFD(s) selected by the City or any ordinance under the City. Formation of the Project CFD(s) shall be pursuant to and consistent with the requirements of this Agreement and Government Code Section 53311, et seq. Developer shall be allocated a share of infrastructure costs and assessed special taxes as specified in a tax formula agreed to by City and Developer in accordance with the financing plan for the CSP. The rights and obligations under this Section 3.17 shall survive the termination or expiration of this Agreement.
Department	Finance Department
Status	Currently not in development
Section	3.17.1.1
Title	Community Facilities District Formation – Project Infrastructure
Obligation	Nothing in this section shall be construed to require Developer to form a CFD nor, if formed, to preclude the payment by an owner of any of the parcels to be included within the CFD a cash amount equivalent to its proportionate share of costs for the CFD improvements, or any portion thereof, prior to the issuance of bonds.
Department	Finance Department
Status	Not formed yet.
Section	3.17.1.2
Title	Community Facilities District Formation – Project Infrastructure

Creekview Specific Plan Development Agreement Implementation Matrix

	Amendment #1 – Ord #6151
Obligation	If Developer desires to form a CFD, City and Developer agree that, with the consent of Landowner and Developer, and to the extent permitted by law, City and Developer shall use their best efforts to cause bonds to be issued in amounts sufficient to effectuate the purposes of this section. City and Developer further agree that, with the consent of Landowner and Developer, or their successor(s) in interest, and to the extent permitted by law, the City agrees to the following: (a) Maximum Annual Taxes for residential units, when aggregated with all other existing or expected taxes and assessments (excluding HOA's), shall not exceed 2.00% of the assessed valuation, net of the homeowner's exemption (2% Test). (b) The Special Tax shall be levied for as long as needed to service the principal and interest on bond debt, and to pay for any additional authorized facilities not reimbursed with bond proceeds as defined in the Funding, Construction, and Acquisition agreement. However, the Special Tax shall be levied for a period that allows for at least two non-overlapping bond sales to cover deferred fees as set forth in (i) below. The Special Tax levied may exceed 50 years. (c) City shall not unreasonably deny the Maximum Annual Tax escalating at 2% per year. (d) Authorized facilities shall include, among other items, development impact fees for public improvements. (e) Annual Costs shall provide that special taxes not used for debt service and City administration be paid to Developer, for any authorized facilities not reimbursed with bond proceeds (pay-as-you-go funds). City shall consider a reasonable interest component for any authorized facilities reimbursed with pay-as-you-go provided for in the Funding, Construction and Acquisition Agreement defined below. (f) Developer may utilize the Statewide Community Infrastructure Program ("SCIP") program for any eligible impact fees. (f) Developer may utilize the Statewide Community Infrastructure Program ("SCIP") or the Bond Opportunities for Land Development ("BOLD") program for any eligible impact fees. (g) Developer may utilize a phased bond sale or sales. (h) Developer may utilize private placement of bonds. (i) Bond proceeds from bond sales commencing in the year 31 timeframe (i.e., from and after the expiration of 30 years from the date of the initial issuance and sale of bonds) shall include an amount no greater than \$5,600 per residential unit, adjusted as the SPRTA Tier II Traffic Fee may be subsequently adjusted, consisting of a portion or all of the following fees set forth in this Agreement or otherwise provided in the Roseville Municipal Code that would normally be paid at the time of issuance of building permits for low, medium or high density residential dwelling units: (1) City Wide Park and Bike Trail Fee (Section 3.12.4) (2) City Public Facilities Fee (Roseville Municipal Code Chapter 4.52);

Creekview Specific Plan Development Agreement Implementation Matrix

	(3) City Public Benefit Fee (Section 3.14.3). City reserves the discretion to determine which portions (amount) of each of the fees described in above subsections (1), (2), and (3) may be deferred to the bond sale. Notwithstanding any provision in this Agreement to the contrary, any amount exceeding \$5,600, adjusted as the SPRTA Tier II Traffic Fee may be subsequently adjusted (or exceeding such actual lesser amount for MDR or HOR units determined by City), per residential unit shall be due and payable to City upon issuance of a building permit commencing with the first applicable building permit for the CSP. Notwithstanding any other provision in this Agreement to the contrary, if any of the fees described in above subsections (1), (2), and (3) are required by City for non-residential development then such fees shall be collected upon issuance of building permit commencing with the first applicable building permit. Should SPRTA approve any portion or all of the Tier II Traffic Fee being likewise deferred to payment from bond sale proceeds commencing in the year 31 timeframe, then such amount per residential unit deferred for the Tier II Traffic Fee shall reduce dollar for dollar the above referenced per residential unit fees otherwise deferred to future bond sale proceeds as provided for in this Section 3.17.1.2 (i). If SPRTA Tier II traffic fees cannot be so deferred to payment from bond sale proceeds commencing in the year 31 timeframe, City shall within the rate and method for Project CFD(s) provided for in Section 3.17 accommodate total additional pay-as-you-go revenue up to \$500 per residential unit for city-wide park improvements from the pay-as-you-go financing over a period starting in year 10 of the Project CFD(s), up to \$100 per residential unit per year for 5 years, provided, however, that City constructs city-wide park improvements in the WRSP within twenty-four (24) months of commencement of collection of such additional pay-as-you-go revenues. In the event that City does collect such additional pay-as-you-go revenues, and proceeds to construct such improvements, the City Public Facilities Fee referenced herein to be deferred to payment from bond sale proceeds commencing in the year 31 timeframe shall be reduced by \$500 per unit to account for the additional pay-as-you-go revenues required by City. (i) Bond proceeds from bond sales commencing in the year 31 timeframe shall, subject to SPRTA agreeing to the deferral of the SPRTA Tier II Traffic Fee, include an amount no greater than fifty percent (50%) of the SPRTA Tier II Traffic Fee, adjusted as the SPRTA Tier II Traffic Fee may be subsequently adjusted, that would normally be paid at time of building permits for low, medium and high density residential dwelling units. The SPRTA Tier II Traffic Fee deferral is subject to SPRTA review and approval and may be revised or discontinued by SPRTA if deemed appropriate as specified in the Tier II Development Fee Program and amendments. Notwithstanding any provision in this Agreement to the contrary, any amount exceeding fifty percent (50%) of the SPRTA Tier II Traffic Fee, adjusted as the SPRTA Tier II Traffic Fee may be subsequently adjusted (or exceeding such actual lesser amount for MDR or HDR units determined by City), per residential unit shall be due and payable to City upon issuance of a building permit commencing with the first applicable building permit for the Project. Notwithstanding any other provision in this Agreement to the contrary, the SPRTA Tier II Traffic Fee required by City for non-residential development shall be collected upon issuance of building permit commencing with the first applicable building permit.
--	---

Creekview Specific Plan Development Agreement Implementation Matrix

	(j) If a Project CFD(s) is formed, then, where adjustments (increases or reductions) in the number of allocated residential units or non-residential acreage involve transfer of residential units or non-residential acreage from one Large Lot parcel to another Large Lot parcel in the Project, City may, in its sole discretion, allow for the transfer of assigned special tax from one Large Lot parcel to another, but only if (i) all such proposed special tax adjustments are agreed to in writing by the affected Large Lot parcel owners and City's Chief Financial Officer, and (ii) there is no reduction in the CFD maximum special tax revenue as a result of the transfer between Large Lot parcels. Should such a transfer of special taxes from Large Lot parcel to another Large Lot parcel result in an amendment to attachments 1 or 2 of the notice of special tax lien for the CFD(s), the Large Lot parcel owner requesting the transfer of special taxes shall bear the cost to affect the transfer in the CFD documents, and that property owner shall prepare the required amendments to the notice of special tax lien, including amendments to attachments 1 and 2 thereto. Should the Project CFD(s) including the Property not be formed at the time that any particular building permit is issued within a large lot map parcel on the Property, or any property owner in the CSP desires to pay such fees as provided in this Section 3.17.1.2 (i) rather than defer payment to such future CFD bond proceeds, the fees set forth in this Section 3.17.1.2 (i) for such building permit(s) shall not be eligible to be paid by such CFD bond proceeds but, notwithstanding any provision in this Agreement to the contrary, shall be paid at the time of issuance of such building permit(s). Upon formation of the Project CFD(s) including the Property, the fees set forth in this Section 3.17.1.2 (i) for unbuilt residential units shall be paid from proceeds of such bond sales commencing in the year 31timeframe, unless a CSP property owner desires to pay such fees at the time of issuance of building permit(s).
Department	Finance Department
Status	Not formed yet.
Section	3.17.1.3
Title	Community Facilities District Formation – Project Infrastructure
Obligation	Concurrent with any formation of a CFD, Developer and City shall enter into a shortfall agreement as defined in the Funding, Construction, and Acquisition Agreement, in form and substance acceptable to City, whereby Developer shall covenant to finance its fair share of the costs of the CFD Eligible Improvements, to the extent that the bonds issued by the CFD do not provide sufficient funding for the completion of such Improvements, subject to reimbursement/acquisition by pay-as-you-go proceeds, to the extent available.
Department	Finance Department
Status	Not formed yet.
Section	3.17.2
Title	Effect of CFD Financing on Credits and Reimbursements
Obligation	Wherever the terms of this Agreement provide for (a) credits or (b) reimbursements to Developer for construction of certain improvements, and such improvements are financed by the CFD, development fees otherwise applicable to such improvements shall be adjusted as necessary to reflect construction with CFD funds. Credits or reimbursements owed to Developer shall not be affected or reduced solely because improvements for which credits or reimbursements are due were financed with CFD special taxes or bond proceeds.
Department	Finance Department
Status	Currently not in development

Creekview Specific Plan Development Agreement Implementation Matrix

Section	3.18
Title	Completion of Improvements
Obligation	City generally requires that all improvements necessary to serve new development be completed prior to issuance of building permits (except model home permits as may be provided by the City's Subdivision Ordinance). However, the parties hereto acknowledge that some of the CFD Eligible Improvements associated with the development of the Property may not need to be completed to adequately serve portions of the Property as such development occurs. Therefore, as and when portions of the Property are developed, all CFD Eligible Improvements required to serve such portion of the Property in accordance with the Entitlements (e.g., pursuant to specific tentative map conditions or other land use approvals) shall be completed prior to issuance of any building permits within such portion of the Property (except permits for model homes, which may be issued sooner in accordance with the City's Subdivision Ordinance). Provided, however, the Public Works Director may approve the issuance of building permits prior to completion of all such CFD Eligible Improvements if the improvements necessary to provide adequate service to the portion of the Property being developed are substantially complete to the satisfaction of the Public Works Director. All wet utilities to be installed by Developer will be subject to the review and approval of the City Environmental Utilities Department. In connection therewith, Developer shall be responsible for coordinating the alignment of all such planned and future utilities within the applicable rights-of-way to the satisfaction of the City Environmental Utilities Director.
Department	Public Works, Finance and Environmental Utilities
Status	Currently not in development
Section	3.19
Title	Community Facilities District – Public Services
Obligation	3.19.1-CFD Formation. 3.19.1.1-Consent, Waiver, and Special Benefit No residential building permit, excluding permits for model homes, or certificate of occupancy for non-residential uses, shall be issued until a Community Facilities District - Public Services has been formed to include the Property ("Public Services CFD"). Developer consents to and shall cooperate in such formation or other such financing mechanism for maintenance purposes and consent herewith to the levy of such special taxes as are necessary to fund the maintenance obligations described in Section 3.19.2. Formation of the Public Services CFD shall be pursuant to and consistent with the requirements of this Agreement and Government Code Section 53311, et seq. The Public Services CFD will fund maintenance of landscaping, open space and neighborhood parks in accordance with the requirements established by the financing plan. The rate and method for the Public Services CFD shall reflect differential tax rates between low density residential, medium density residential, high density residential, and non-residential land uses.
Department	Finance and Building Division
Status	Currently not in development

Title	Community Facilities District – Municipal Services
Obligation	3.20.1 - CFD Formation – Municipal Services 3.20.1.1 – Consent, Waiver and Special Benefit No residential building permit, excluding permits for model homes, shall be issued until a Community Facilities District –Municipal Services ("Municipal Services CFD") has been formed or annexed to the City's existing Municipal Services CFD. Developer consents to and shall cooperate in such formation or other such financing mechanism for services purposes and consent herewith to the levy of such special taxes as are necessary to fund the maintenance obligations described in Section 3.20.2. Formation of the Municipal Services CFD shall be pursuant to and consistent with the requirements of this Agreement and Government Code Section 53311, et seq. The initial amount of the maximum special tax shall be in accordance with the Municipal Services District Rate, Method, and Apportionment ("RMA"), and adjusted annually for inflation. The initial amount of the maximum special tax (for the 2010/11City fiscal year, and as subsequently adjusted annually) shall be \$356 for LDR units,\$208 for MDR units, \$104 for HDR units, \$833 per acre for commercial/business professional land uses, and \$969 per acre for commercial land uses. City shall initiate the necessary steps to revise the RMA in the City's existing Municipal Services CFD to conform to the above-referenced initial amounts of maximum special taxes.
Department	Building Division and Finance Department
Status	Currently not in development
Section	3.20.2
Title	CFD Municipal Services
Obligation	The Municipal Services CFD shall provide the funds required to offset the CSP's impact on City general fund resources available to pay for municipal services citywide, including the CSP. The funds shall be utilized for general fund purposes.
Department	Finance Department
Status	Currently not in development
Section	3.20.3
Title	Public Parcel Exclusion
Obligation	Developer expressly agrees that parcels conveyed or to be conveyed to the City, Roseville City School District, or Roseville Joint Union High School District shall be excluded from any assessment, imposed by the Municipal Services CFD.

Section	3.21
Title	Encroachment Permits, Landscape Maintenance Easements
Obligation	Developer and City agree to grant encroachment permit(s) or maintenance easements for all Services CFDs to Developer or City or their agents, employees, successors, assigns, agents and employees, for the purpose of entry into the landscape easement and setback, open space and preserve areas or city property (including streets and rights-of-way) to perform the maintenance obligations described herein. Access Improvements shall be provided as necessary and as a part of the street infrastructure provided by Developer to ensure vehicular access to open space parcels.
Department	Engineering and Parks Department
Status	Currently not in development
Section	3.22
Title	Grading Permit

Creekview Specific Plan Development Agreement Implementation Matrix

Obligation	Prior to the initiation of any construction activities, the Developer shall apply for and obtain a grading permit from the City. All plans shall meet or exceed the intent of the then approved City Standards, the State Water Quality Control Board SWP3 requirements, and the State General Construction Permit. It is the Developers' responsibility to meet all requirements of all agencies having jurisdiction regarding grading adjacent of or within Open Space. Developer intends to mass grade the Property to accommodate land uses. Grading operations will require movement of earthen material from the northern to southern portion of the Property to accommodate the phasing of the CSP and construction of the Pleasant Grove Creek bypass channel Improvements. Where practical, and at the Direction of the City Engineer, a balanced mass grading plan shall be prepared for all that land within a disturbed water shed. Bulk material shall be moved upon commencement of construction to ensure that future development sites balance, and, except as provided below, reduce the amount of future on-street transportation of bulk material on newly paved and existing City roads. The fee referenced below shall not apply to hauling of earthen material crossing in a perpendicular manner; or parallel, to newly paved or existing City roads. In the event that bulk material is transported on or over newly paved and/or existing City roads (but not across in a perpendicular manner or parallel to such City roads), a premium of \$0.10 fee per yard of material shall be assessed at the issuance of the grading permit to compensate the City for deterioration of the road caused by the excessive loads, provided, however, that the Public Works Director shall have the discretion to waive such fee in recognition of particular circumstances, including environmental constraints, faced when transporting earthen materials. With regard to any and all P/QP parcel dedications to City and at Developer's expense, all site grading shall be completed prior to the dedication of the site consistent with City's Grading Ordinance, and where retaining walls are required, the retaining wall shall be a split faced key stone style wall or comparable quality/design to be installed by the Developer.
Department	Public Works Department and Engineering Division
Status	Ongoing Obligation
Section	3.23
Title	Disclosures to Subsequent Purchasers
Obligation	This Agreement shall constitute notice to all successors to Developer hereunder, and to all subsequent purchasers of any lots and/or residential units within the Property, of the following matters: 1. Designation of Blue Oaks Boulevard and Westbrook Boulevard as truck routes. 2. The existence of a Development Agreement on the Property. However, this notice shall not extend to the purchaser of a completed individual single family residential unit. 3. The Project will be served by surface water supplies and by groundwater supplies. 4. Recycled water will be used to irrigate parks and landscape setbacks, medians, paseos and other landscape areas including all multi-family and non-residential landscaping uses. 5. Requirement to implement water conservation measures per the project Water Conservation Plan (Exhibit "S"), which may include such measures as Smart Timers. 6. Public utility easements may be used to construct 60kV overhead power lines on the

Creekview Specific Plan Development Agreement Implementation Matrix

	east side of Westbrook Boulevard, on the north side of Blue Oaks Boulevard and through the open space corridor (C-52, C-54, C-40, C-60, C-6, and C-81). 7. Requirement for fifty percent (50%) reduction in construction waste stream. 8. Location of elementary schools and parks within one mile. 9. Parcels adjacent to Open Space may have a public bike trail and appurtenances adjacent to said parcels. 10. Location of P/QP sites: electric substation (C-81), sewer lift station (C-82), solid waste recycling center (C-83), groundwater well site (C-84). 11. Owners of residential units adjacent to separated sidewalks shall be responsible to maintain the area between curb and sidewalks. 12. Masonry walls, including walls adjacent to landscape corridors and other public facilities, are owned by the City, which is responsible for their maintenance, repair and replacement. 13. Aircraft overflights and associated noise. 14. Proximity to and operations of Roseville Energy Park, Pleasant Grove Wastewater Treatment Plant and the Western Regional Sanitary Landfill and the potential for occasional odors associated with operations of these facilities. 15. Demand cycle control units operated by Roseville Electric on residential air conditioner units. 16. Solar envelope impact: Developer shall disclose to all residential and nonresidential buyers that certain properties, especially those adjacent to major arterials and collector streets where City-maintained landscaping is installed, may produce a negative impact on the buyer's ability to install solar panels or structures or the efficiency or effectiveness of such solar panels or structures; and further that this is primarily due to the trees within the street landscapes including medium to large shade trees, which may cast shade, or produce leaf litter or other natural effects on the adjacent or nearby property. 17. Proximity to agricultural land uses. 18. Livestock grazing may occur within the open space preserve areas. 19. Every residential unit is equipped with a recirculating hot water system, or similar technology to provide instantaneous hot water at each hot water faucet. If Developer records any Property CC&Rs, such CC&Rs shall include the foregoing disclosures and the foregoing disclosures shall not be omitted or deleted from the CC&Rs without the City Attorney's prior written approval.
Department	City Attorney and Landowner
Status	Attorney: Evaluation of disclosures done at time of submittal of CC&Rs. Ongoing obligation.
Section	3.24
Title	General Signage
Obligation	A. Utility Sites (see Section 3.14.5): Developer shall install signage at all future

Creekview Specific Plan Development Agreement Implementation Matrix

	utility sites (including, but not limited to, the well site, sewer lift station, solid waste recycling site, and electrical sub-stations) describing the facilities to be constructed on the subject site. Signs shall be provided per City specifications. The Environmental Utilities Director, Public Works Director, and Electric Director, as appropriate, must review and approve sign layouts prior to installation/ construction of any utility sites. The City Manager or his/her designee must review and approve sign layouts prior to installation/construction of any public facilities. B. Affordable Housing: Developer shall install signage at future affordable rental housing sites describing the facilities to be constructed on the subject site. Signs shall be provided per City specifications. The City Manager or his/her designee must review and approve sign layouts prior to installation by developer.

Status	Currently not in development
Section	3.25
Title	Reimbursements to/from WRSP for Oversized Improvements
Obligation	A. Developer acknowledges that the West Roseville Specific Plan ("WRSP") developer(s) have incurred costs and have constructed or will construct improvements oversized to benefit certain third parties, including Developer. Such oversized improvements may include sewer, water and recycled water and are those set forth in Exhibits "II" and "00" to the WRSP development agreements ("WRSP Reimbursable Costs"). Developer further acknowledges that City is obligated to use its best efforts in requiring reimbursements, pursuant to the WRSP development agreements, from benefiting third parties. Reimbursements due from CSP to the WRSP developer(s) are set forth in Exhibit "If" to this Agreement. CSP's share of costs based on Flow in Pipe(s), shall be reimbursable to WRSP developer(s) pursuant to this Section 3.25. That share of costs shall be fixed as a percentage based on the number of DUEs ("EDUs," in Exhibit "JJ") allocated to Developer's large lot parcel at the time of CSP approval and set forth in Exhibit "JJ" to this Agreement. The percentage shall be calculated using the allocated DUEs for each large lot parcel as provided in Exhibit "JJ" as the numerator, and the total number of DUEs in the CSP, including the Urban Reserve parcel, as the denominator. Any reimbursement payment required pursuant to this Section 3.25 shall be due and payable to the WRSP developers, unless otherwise stated herein, upon the earlier of the formation of and issuance of bonds for a CFD serving that large lot parcel, or recordation of the first final small lot residential subdivision map, or issuance of the first building permit for a high density residential ("HOR") or non-residential project, on that large lot parcel. Once Developer has made its reimbursement payment(s) in full pursuant to this Section 3.25, Developer shall have no further reimbursement obligation to the WRSP developer(s) for that large lot parcel. Reimbursements shall be paid directly to WRSP developers and not the City unless: (1) the reimbursement is owed to a CFD, in which case, the reimbursement would pass through the City to the applicable CFD; or (2) the improvements have not yet been constructed, or constructed but the City has not accepted, as outlined in subsection (3) below. Developer shall provide documentation to City that the reimbursements as specified in this Section 3.25 have been paid. Developer's obligation to reimburse the WRSP developer(s) pursuant to this Section 3.25 is conditioned upon the City obtaining sufficient documentation from WRSP developers supporting the costs subject to

Creekview Specific Plan Development Agreement Implementation Matrix

	reimbursement by Developer. In the case of improvements constructed, the WRSP developer(s) shall provide City with copies of invoices for the actual cost of constructing such improvements. If such invoices are not available, documentation of payment from the WRSP CFD for WRSP improvements shall then be used. Actual cost of construction includes those items as set forth in Section 4.2.3. B. In the case of costs incurred by WRSP developer(s) for planning and Environmental analysis, the WRSP developer(s) shall provide City with copies of invoices for such costs incurred and a breakdown of Developer's pro rata share and the basis upon which such share has been calculated. Developer's total reimbursement obligation shall be based on gross acreage. Reimbursements shall be paid on a pro rata fair share basis for each large lot parcel as outlined in Section 3.25A above. C. Should Developer construct the improvements noted below in lieu of the WRSP developer(s), Developer shall receive reimbursement from benefitting third party(ies), inclusive of the WRSP developer(s), in the same manner that reimbursement is provided to the WRSP developer(s). 1. on Exhibit "P"); 18-inch sewer trunk line in Westbrook Boulevard (Segment B3, UR9) (shown); 2. 24-inch recycled water pipeline in Blue Oaks Boulevard (Segment B3,UR4) (shown on Exhibit "X"); and 3. 24-inch recycled water pipeline in Westpark Drive (Segment B4, UR5) (shown on Exhibit "X). A minimum of one year prior to constructing any of the three improvements listed above, Developer shall give notice to City that it intends to construct the improvements. City shall notify property owners outside the Property (who, in City's reasonable determination, may be interested in developing their property with connections to the improvements) that they may be able to achieve efficiencies in the future development of their property as follows. Developer agrees to increase the capacity of ("upsized") the improvements to accommodate such additional property development, provided that not later than six (6) months prior to the intended date designated by Developer for construction of the improvements, both of the following have occurred: 1. Such other property owners (or City, at City's option) have paid to Developer, in full, the difference between Developer's actual (or estimated, to the extent that actual costs are not then available) costs for the upsized improvement and Developer's estimated costs for the above described improvement required pursuant to this Agreement. 2. Such other property owners (or City, at City's option) have entered into a written agreement with Developer for direct payment to Developer of an amount equal to percentage of capacity within the pipe attributable to the other party, less the amount advanced in payment of incremental hard and soft costs for upsizing. Any such agreement shall provide for payment in full as a condition of the other party's connection to the utility system that includes the above improvements, and shall be provided on a large lot basis as described in Section 3.25A. For purposes of the foregoing, hard and soft costs shall be as defined in Section 4.2.3. D. No final small lot residential subdivision map, any building permit for high density
--	---

Creekview Specific Plan Development Agreement Implementation Matrix

	residential or non-residential uses, nor any certificates of occupancy regardless of use type, shall be withheld or delayed by City in the CSP due to any delay in submission of requests for reimbursement,. And documentation justifying such reimbursement, by the WRSP developers to City. E. All P/QP parcels to be dedicated to City or to another public agency, e.g., school districts, shall not be subject to reimbursement obligations to the WRSP developers. F. All reimbursements for improvements to the WRSP shall be subject to annual adjustment for CCI from the date that the WRSP Developer incurred the reimbursable cost to the date of reimbursement.
Department	Environmental Utilities and Finance Department
Status	Ongoing Obligation
Section	3.26
Title	Reimbursements to/from Third Parties for Advanced Construction
Obligation	In the event that Developer or third parties advance construction of roadways or other infrastructure (excluding oversized wet utilities) otherwise required of or by the other, Developer shall provide reimbursement to third parties or shall receive reimbursement from third parties for their share of the actual costs of that construction as set forth in Section 4.2.3. Reimbursement to/from third parties shall be paid in full at the time when construction of the improvement would have otherwise been required had the improvement not been advanced. Reimbursement shall be adjusted annually by the CCI from the date the reimbursable costs were incurred to the date of reimbursement.
Department	Finance Department
Status	Currently not in development
Section	5.2
Title	Annual Review
Obligation	City shall, at least every twelve (12) months, per Roseville Municipal Code Chapter 19.84, as such period may be amended, during the term of this Agreement, review the extent of good faith substantial compliance by Developer with the terms of this Agreement. Such periodic review shall be limited in scope to compliance with the terms of this Agreement pursuant to Section 65865.1 of the Government Code and the monitoring of mitigation in accordance with Section 21081.6 of the Public Resources Code of the State of California. Notice of such review shall include the statement that any review of obligations of Developer as set forth in this Agreement may result in termination of this Agreement. A finding by City of good faith compliance by Developer with the terms of the Agreement shall be conclusive with respect to the performance of Developer during the period preceding the review. Developer shall be responsible for the cost reasonably and directly incurred by the City to conduct such review, the payment of which shall be due within thirty (30) days after conclusion of the review and receipt from the City of the bill for such costs. Upon not less than thirty (30) days written notice by the City, Developer shall provide such information as may be reasonably requested and deemed to be required by the City in order to ascertain compliance with this Agreement. In the same manner prescribed in Section 10, the City shall deposit in the mail to Landowner and Developer a copy of all staff reports and related exhibits concerning contract performance and, to the extent practical, at least ten (10) calendar days prior to any such periodic review. Developer shall be permitted an opportunity to be heard orally or in writing regarding its performance under this Agreement before the City

DEVELOPMENT AGREEMENT IMPLEMENTATION MATRIX**

Development Agreement Obligations <u>Complete</u> as of December 2019	
Section	1.3
Title	Term Amendment #2 – Ord. #5548
Obligation	Hewlett Packard Company and BBC Roseville Oaks, LLC: The City and the amending landowners hereby agree to extend the term of the Development Agreement to and through December 31, 2045, unless the Development Agreement is terminated, modified or extended by circumstances set forth in the Development Agreement, as amended, or by mutual consent of the parties hereto.
Department	City Attorney
Status	This is not an obligation, but a contractual term. This can be removed from the list of obligations.
Section	1.4
Title	Subsequent Amendments, New Development Agreements and/or Master Plan Amendments Amendment #2 – Ord. #5548 Amendment #6 – Ord. #5829
Obligation	Hewlett Packard Company and BBC Roseville Oaks, LLC: This Agreement and/or the Master Plan may be replaced and/or amended from time to time as to Parcels 1 or 4, or any such Parcel or as to any portion thereof, by mutual consent of City and a Landowner, including any successor owner of any portion of Parcel 1 and/or 4 subject of such amendment, in accordance with the provisions of the Development Agreement Statute and City Ordinance and as provided for herein. If the proposed amendment or new agreement affects less than all of Parcels 1 and 4, then such amendment or new agreement need only be approved by the owner(s) in fee of the portion of such Parcels that is subject to or affected by such amendment or new agreement subject to the provisions of this Agreement. Landowner may seek to amend this Agreement or adopt a new development agreement for the Parcel owned thereby, including changes to the allowable land uses and other terms and provisions of the Master Plan vested hereby applicable to the development and use of such Parcel, or any portion thereof, independent of and without the consent of the other Landowners. Landowner, at its discretion, may seek as part of any such amendment or new agreement to amend the Master Plan as applied to the Parcel owned thereby or to create its own separate plan for development of its Parcel, or any portion thereof, independent of and in place of the Master Plan. However, City hereby agrees that any such amendment or new agreement and/or amendment to the Master Plan by an amending Landowner with respect to the Parcel owned thereby shall: 1. Not negatively affect or reduce the development rights allocated to and vested for the other Parcel or the Remaining -Property, or any portion thereof, granted pursuant to the Development Agreement, as amended by this Second Amendment, unless otherwise agreed to in writing by the Landowner of the other Parcel or property whose allocated development rights are proposed to be affected or reduced thereby pursuant to a corresponding, concurrently approved amendment or new agreement and/or amendment to the Master Plan for such other affected Parcel or property; 2. Not impose any new obligations or conditions upon development of the other Parcel or the Remaining Property, or any portion thereof, to mitigate any impacts associated with the amendment, new agreement and/or amendment to the Master Plan for the

**North Industrial Specific Plan – Hewlett Packard Master Plan
DEVELOPMENT AGREEMENT IMPLEMENTATION MATRIX**

	Parcel that is the subject of such amendment; or portion thereof, which impacts shall be fully addressed and mitigated through the terms of the amendment, new agreement and/or amendment of the Master Plan applicable to the amending Parcel, or the amending portion thereof; 3. Not affect or reduce the rights of the other Amending Landowner hereunder to obtain from the amending Landowner the right of way dedications and construction licenses to be provided hereunder or to obtain reimbursement from the amending Landowner for certain improvements installed by the other Amending Landowner that benefit and/or are used by the amending Parcel, as more particularly provided herein; and 4. Not affect or reduce the provisions of this Section 1.4 or any other terms or provisions of the Development Agreement amended by this Second Amendment that protect and preserve the vested rights allocated hereunder to the other Amending Landowner, without the written agreement of the other Amending Landowner affected thereby." Quality Investment Properties Amendment #6 This Agreement and /or the Master Plan may be replaced and/or amended from time to time as to Parcel 3, or any such parcel or as to any portion thereof, by mutual consent of CITY and a Landowner, including any successor owner of any portion of Parcel 3 subject of such amendment, in accordance with the provisions of the Development Agreement Statute and City Ordinance and as provided for herein. If the proposed amendment or new agreement affects less than all of Parcel 3, then such amendment or new agreement need only be approved by the owner(s) in fee of the portion of such Parcel that is subject to or affected by such amendment or new agreement subject to provisions of this Agreement. LANDOWNER may seek to amend this Agreement or adopt a new development agreement for the parcel owned thereby, including changes to the allowable land uses and other terms and provisions of the Master Plan vested hereby applicable to the development and use of such parcel, or any portion thereof, independent of and without the consent of the other Landowners subject to the Development Agreement. LANDOWNER, at its discretion may seek as part of any such amendment or new agreement to amend the Master Plan as applied to the parcel owned thereby or to create its own separate plan for development of its parcel, or any portion thereof, independent of and in place of the Master Plan. However, CITY hereby agrees that any such amendment or new agreement and/or amendment to the Master Plan by a Landowner with respect to the parcel owned thereby shall: 1. Not negatively affect or reduce the development rights allocated to and vested in the Development Agreement for any other Parcel, or any portion thereof, granted pursuant to the Development Agreement, as amended by the Second through Fifth Amendments and this Sixth Amendment, unless otherwise agreed to in writing by the Landowner of the other parcel or property whose allocated development rights are proposed to be affected or reduced thereby pursuant to a corresponding, concurrently approved amendment or new agreement and/or amendment to the Master Plan for such other affected parcel or property; and 2. Not impose any new obligations or conditions upon development of any other Parcel subject to the Development Agreement, or any portion thereof, to mitigate any impacts associated with the amendment, new agreement and/or amendment to the Master Plan for the parcel that is the subject of such amendment, or portion thereof, which impacts shall be fully addressed and/or mitigated through the terms of the amendment, new agreement and/or amendment of the Master Plan applicable to the amending parcel, or the amending portion thereof.

North Industrial Specific Plan – Hewlett Packard Master Plan DEVELOPMENT AGREEMENT IMPLEMENTATION MATRIX

	i. <u>Rental Agreement Required.</u> Prior to issuance of a building permit for the applicable Affordable Parcel, the parties shall enter into City's then current form Affordable Rental Housing Agreement (or other applicable City-approved form) for such residential rental units affordable to low income and very low income households, which shall identify the obligation to produce and deliver the applicable number of rental units affordable to very low or low income households to be provided by such Affordable Parcel. The term of the Agreement shall require the affordable units to be rented only to qualified affordable households for a period of thirty (30) years, commencing on the date of issuance of a certificate of occupancy for each affordable unit. Specific requirements of the agreement will be determined by the Economic Development Director or his/her designee. Prior to entering into any Affordable Rental Housing Agreement, Landowner shall provide to City an accounting of the status of the middle income purchase units required by section 2.5.1. ii. <u>Content.</u> The Affordable Housing Rental Agreements shall, for each such Affordable Parcel, set forth, among other things, the distribution of the affordable rental units within the Parcel, and include specific requirements for marketing of affordable units, inclusion or modifications of amenities, exterior materials and finishes, alternate means of satisfying the affordable housing obligation, and good faith efforts requirements. iii. <u>Potential Compensation by City.</u> If and to the extent funding to subsidize the provision of affordable housing with the City of Roseville as described herein is or becomes available to the City and is not otherwise committed by the City to other affordable housing projects, City at its sole discretion may compensate Landowner or its successors for one-half (1/2) of the net present value (discounted at the City's then current investment rate) of the loss of rental revenue that would be expected to accrue over the period that such units are reserved from such available funds. Landowner acknowledges that, as of the Effective Date hereof, City does not have and does not anticipate obtaining any such subsidies that would be available to compensate Landowner hereunder and if City cannot provide or identify any subsidies, Landowner will nevertheless be obligated hereunder to provide the affordable housing as required by this Agreement. In connection herewith, Landowner hereby waives any claims, suits, or actions against City on account of or arising from the Costa Hawkins Rental Housing Act, California Civil Code Sections 1954.50 et seq. If and to the extent available, to compensate Landowner for providing rental housing affordable to low income households and very low income households, such compensation (hereafter "subsidy" or "subsidies") may be issued through a combination of cash investment, density bonus, fee deferrals or financing, federal, and state, local programs or any other form agreeable to the Landowner and City. Landowner shall join City in any application prepared for Federal, State, local or private funding for any potential subsidies and Landowner shall use its best efforts to cooperate with City to obtain approval thereof, provided any additional costs or liabilities associated with Landowner's participation therein shall be subject to Landowner's reasonable approval. To the extent that public funds or subsidies are provided to the development of affordable dwelling units, Landowner shall provide written notice to the builder(s) of such affordable units that such construction may be subject to a requirement to pay prevailing wage. BBC Roseville Oaks, LLC: Amendment #5 <u>2.5.2 Multi Family Affordable Rental Units.</u> Landowner agrees that eighty-seven (87) affordable rental units will be reserved within Parcels 22 and 23 of the Campus Oaks Property for rental to very low income households as follows:
--	--

North Industrial Specific Plan – Hewlett Packard Master Plan DEVELOPMENT AGREEMENT IMPLEMENTATION MATRIX

Affordable Parcel	Total Units In Parcel	Total Affordable Unit Allocation	Very Low Income Rental Units
CO-22	205	45	45
CO-23	190	42	42

i. Rental Agreement Required. Prior to issuance of a building permit for either Affordable Parcel, the parties shall enter into City's then current form Affordable Rental Housing Agreement (or other applicable City-approved form) for such residential rental units affordable to very low income households, which shall identify the obligation to produce and deliver the applicable number of rental units affordable to very low-income households to be provided by such Affordable Parcel. The term of the Agreement shall require the affordable units to be rented only to qualified affordable households for a period of fifty-five (55) years, commencing on the date of issuance of a certificate of occupancy for each affordable unit. To accommodate potential changes in income during tenancy that may cause an initially qualified affordable household to no longer satisfy its qualification requirements, Landowner will include in its affordable rental agreements the option for a previously qualified tenant to remain in the unit notwithstanding such changes to its qualified income; provided, however, if such income increases above the limit that would enable Landowner to continue to include such unit within its planned tax-credit program (which is currently anticipated to occur at a limit of 70% of median income), then Landowner will have the right to increase the rent for such affordable tenant to then market rates. Where rents for an affordable unit are increased to market rate due to such changes in a qualified tenant's income, Landowner shall be obligated to make the next available comparable rental unit available for rent to another qualified very-low income household, all in accordance with the terms of the Affordable Rental Housing Agreement. Specific requirements of the agreement will be determined by the Economic Development Director or his/her designee. Prior to entering into any Affordable Rental Housing Agreement, Landowner shall provide to City an accounting of the status of the middle income purchase units required by section 2.5.1.

ii. Content. The Affordable Housing Rental Agreements shall, for each such Affordable Parcel, set forth, among other things, the distribution of the affordable rental units within the Parcel, and include specific requirements for marketing of affordable units, inclusion or modifications of amenities, exterior materials and finishes, alternate means of satisfying the affordable housing obligation, and good faith efforts requirements.

iii. No City Subsidy. Notwithstanding anything to the contrary in the Development Agreement regarding the City providing affordable housing funds for affordable developments if and to the extent such funds become available, in consideration of Landowner's intent to finance this affordable housing through participation in a federal tax-credit program, Landowner acknowledges that City shall not have any obligation to provide any City funds to subsidize the provision of this very-low income affordable housing, even if such affordable housing funding subsequently becomes available to the City. In connection herewith, Landowner hereby waives any claims, suits, or actions against City on account of or arising from the Costa-Hawkins Rental Housing Act, California Civil Code Sections 1954.50 et seq.

iv. Credit for Excess Affordable Units. City acknowledges that if the total number of units developed within the Campus Oaks Property does not exceed its planned number of 948 units, development of these eighty-seven (87) affordable rental units

**North Industrial Specific Plan – Hewlett Packard Master Plan
DEVELOPMENT AGREEMENT IMPLEMENTATION MATRIX**

	within Parcels 22 and 23 will generate eleven (11) more very-low affordable units (the "Extra Very-Low Affordable Units") than required for the Campus Oaks development to satisfy its minimum low and very-low affordable housing requirement. Subject to compliance with the terms of the Affordable Housing Rental Agreement for the provision of these affordable units within Parcels 22 and 23, the developer of such units (the "Affordable Housing Developer") shall have the right to request, subject to the reasonable approval of the City, to apply such Extra Very-Low Affordable Units as a credit against any affordable housing obligation that may arise from or otherwise be required in connection with any other residential development that the Affordable Housing Developer may seek to develop within the City of Roseville. Provided, however, that if the Affordable Housing Developer has not transferred the Extra Very-Low Affordable Units by obtaining building permits for these units by August 17, 2021, the Affordable Housing Developer shall forfeit all rights to these credits and the credits shall be transferred to the Roseville Housing Authority to be used in its sole discretion.
Department	Housing Department
Status	ARHA recorded for CO-23 in June 2017 – partial obligation complete. Ongoing obligation for ARHA for CO-22 prior to building permits. Obligation complete – both affordable agreements have been recorded for CO-22 and 23
Section	3.3
Title	Electric Amendment #3 – Ord. #5533 Amendment #4 – Ord. #5534
Obligation	Hewlett Packard Company: 3.3 Electric. LANDOWNER shall provide electric utility improvements as provided in this section. 3.3.1 Installation of Underground Electrical Service. Development of buildings adjacent to Blue Oaks Boulevard shall be served by underground 12kv electrical service from Blue Oaks Boulevard which shall be constructed to then current CITY standards. For purposes of this Section 3.3.1, a building will be deemed to be "adjacent" to Blue Oaks Boulevard if such building is located within three hundred feet (300') from the back of curb for Blue Oaks Boulevard. With respect to buildings located more than three hundred feet (300') from the back of curb for Blue Oaks Boulevard, LANDOWNER shall have the complete discretion as it develops any such other buildings to either serve such buildings with electrical service from Blue Oaks Boulevard (in which case, LANDOWNER shall be required to install the underground service to then current CITY standards) or with service from its existing internal power distribution system, subject to available capacity in such internal system. Nothing herein shall prevent LANDOWNER from installing the underground electrical service earlier than otherwise required hereunder. In the event LANDOWNER subdivides any portion of the Property, all lots or parcels created by any such subdivision shall be required to be served with electrical service independent from LANDOWNER's internal power distribution system. As electrical service becomes necessary to be extended along Blue Oaks Boulevard to service buildings adjacent to said street pursuant to the provisions of the previous paragraph, LANDOWNER shall, at its sole cost, install any such electrical service underground within the public utility easement to be granted to CITY along Blue Oaks Boulevard pursuant to Section 3.3.2. LANDOWNER shall only be obligated to install the portion of underground electrical service from Foothills Boulevard (or the westernmost point along Blue Oaks Boulevard previously installed by LANDOWNER) to the building adjacent to Blue Oaks Boulevard then being developed. If the building will be served by such service, then the underground construction shall extend to the point from which the electrical service is provided thereto; if such service is not being provided from Blue

North Industrial Specific Plan – Hewlett Packard Master Plan DEVELOPMENT AGREEMENT IMPLEMENTATION MATRIX

	Oaks Boulevard but the underground construction is required due to the building's proximity to Blue Oaks Boulevard, then such construction shall extend to the point along Blue Oaks Boulevard even with the westernmost point of the improvements related to such building (e.g., parking). As such underground service is installed by LANDOWNER, at the request of CITY and to the extent such improvements have not then been made, LANDOWNER will also install additional duct bank in the trench for electrical service for other properties and CITY shall reimburse LANDOWNER for the incremental additional hard costs thereof, consisting of the identifiable costs of construction as actually incurred by LANDOWNER for the additional work. Hewlett Packard Company: Amendment #3 Landowner shall provide electric utility improvements as provided in this section. 3.3.1 Onsite Public Electrical Circuits. Concurrently with the construction or reconstruction of any portion of HP Way within the HP Property shown on Exhibit C, Landowner agrees to construct on-site electrical circuits and facilities to then current City standards to serve the street lights and landscaping improvements to be installed within the rights of way therefore, such that the electrical service needs for such improvements can be provided by a public circuit if and when such roadways are accepted by the City. The design of such circuits shall be included as part of the improvement plans for such roadways. BBC Roseville Oaks, LLC: Amendment #4 <u>3.3.1 Installation of Underground Electrical Service.</u> As electrical service becomes necessary to be extended along Blue Oaks Boulevard to service the Campus Oaks Property, Landowner shall, at its sole cost, install any such electrical service underground within the public utility easement to be granted to City along Blue Oaks Boulevard pursuant to Section 3.3.2. Landowner acknowledges that, pursuant to Section 3.8.1.A below, Landowner will be obligated to underground the existing 12kv electric line from Foothills Boulevard to Woodcreek Oaks Boulevard in connection with its installation of required Blue Oaks frontage improvements. For any required electrical services other than the 12kv line, Landowner shall only be obligated to install the portion of such underground electrical services along the frontage of the Campus Oaks Property adjacent to Blue Oaks Boulevard from its intersection with New Meadow Drive to its intersection with Woodcreek Oaks Boulevard, as shown in the cross-section in Exhibit C-1.

Title	Streetlights Amendment #3 – Ord. #5533
Obligation	Hewlett Packard Company: Concurrently with the construction of any portion of Blue Oaks Boulevard or Woodcreek Oaks Boulevard. LANDOWNER agrees to construct streetlights there in accordance with the Master Plan and the then current requirements of the Electric Department for public streetlights. In the event LANDOWNER does not install streetlights to CITY standard at the time it constructs the on-site public electrical circuits pursuant to Section 3.3.3, LANDOWNER shall do so prior to offering any such roadway to CITY for a public road.

**North Industrial Specific Plan – Hewlett Packard Master Plan
DEVELOPMENT AGREEMENT IMPLEMENTATION MATRIX**

	Hewlett Packard Company: Amendment #3 Concurrently with the construction or reconstruction of any portion of HP Way, Landowner agrees to construct streetlights therein in accordance with the Master Plan and the then current requirements of the Electric Department for public streetlights.
Department	Electric Department
Status	Complete along HP Way. Obligation Complete
Section	3.3.5
Title	Temporary Transmission Line
Obligation	Hewlett Packard Company: LANDOWNER will not oppose the installation by CITY, at CITY's sole cost, expense and discretion, a temporary 12kv electrical transmission line, on wooden poles, within CITY's existing public utility easement along Blue Oaks Boulevard from Foothills Boulevard, to the extent such line is needed to serve development of properties within CITY located to the west of the Property. Portions of such line shall be undergrounded by LANDOWNER pursuant to Section 3.3.1 above.
Department	Electric Department
Status	Obligation Complete
Section	3.3.6
Title	Reservation of Substation Site
Obligation	Hewlett Packard Company: LANDOWNER hereby offers to dedicate to CITY an electrical substation site the area within the Property described therefor on Exhibit "D" attached hereto (the "Substation Site") together with a twenty-five foot (25') easement for public utility and access purposes extending north to the nearest then existent public utility easement. LANDOWNER offers to dedicate to CITY, without compensation, the Substation Site, in fee, free and clear of any monetary encumbrances, except for taxes and assessments not then delinquent. The use of such Substation Site shall be limited for the purpose substation, and appurtenant uses. The term of this dedication shall commence upon the effective date of this Agreement and shall terminate on the expiration of this Agreement or upon written notice from CITY that it will not need the Substation Site for electrical substation purposes, whichever occurs first.
Department	Electric Department
Status	Dedicated at another site – Obligation complete.
Section	3.4.2
Title	Other Agency Approval
Obligation	Hewlett Packard Company: Prior to approval of the Master Drainage Impact Study or issuance of any building or grading permit, LANDOWNER shall obtain, at LANDOWNER's expense, all permits and agreements as required by other agencies having jurisdiction over drainage, water quality or wetlands issues including, but not limited to, the Regional Water Quality Control Board, and the U.S. Army Corps of Engineers. Prior to the issuance of any building permit or grading permit, LANDOWNER shall also obtain, at LANDOWNER's expense, any necessary permits and agreements from the California Department of Fish & Game. LANDOWNER shall prepare and implement a Storm Water Pollution Prevention and Monitoring Plan (SWP3), and shall construct and maintain Best Management Practices (BMPs) in accordance with the SWP3 as approved by the Regional Water Quality Control Board (RWQCB) concurrently with the construction of any improvements. LANDOWNER shall obtain a permit from the RWQCB for the General Construction Storm Water Permit Compliance Program prior to the start of any construction, including grading.

**North Industrial Specific Plan – Hewlett Packard Master Plan

Status	The Engineering Dept. reviewed the R21 building - all necessary permits from the RWQCB, ACOE, and DF&G were received and a SQP3 was reviewed and approved. Other areas - ongoing
Section	3.4.5
Title	Conservation Easements
Obligation	Hewlett Packard Company: LANDOWNER shall, prior to approval of a building permit for any portion of the Property whose surface water drainage will rely on drainage into either the Southern Detention Basin, the Northern Detention Basin or the Temporary Basin, grant to CITY a conservation, habitat preservation, and flow easement over the applicable Basin and, when requested by CITY, over the area of the one hundred (100) year floodplain for the South Branch of Pleasant Grove Creek. With respect to the easement for the Temporary Basin, such easement shall be temporary and shall automatically terminate upon the grant by LANDOWNER to CITY of the conservation, habitat preservation and flow easement for the Northern Detention Basin. Upon the grant by LANDOWNER of such easement for the Northern Detention Basin, CITY shall quitclaim its rights under the temporary easement over and for the Temporary Basin. Each easement shall include those adjacent areas required to provide emergency CITY access to the applicable Basin and floodplain area. Each easement shall restrict the use of the burdened property to those open space uses which (with the exception of permitted on-site flood water detention) will not restrict the flow of flood waters.
Department	Engineering Division
Status	HP has initiated the process of the dedication of conservation, habitat preservation and flow easements over the temporary basin and will grant them as soon as the documents are complete. Conservation Easement approved. A total of 44.6 acres of OS/Preserve was granted to the City on July 25, 2008 (Doc. # 2008-0060395). Obligation Complete.
Section	3.5.2.D
Title	Reservation of Well Sites
Obligation	Hewlett Packard Company: Landowner hereby offers to dedicate to CITY a groundwater well site the area within the Property described therefor on Exhibit "D" attached hereto (the "Well Site") together with a twenty-five foot (25') easement for public utility and access purposes extending north to the nearest then existent public utility easement. LANDOWNER offers to dedicate to CITY, without compensation, the Well Site, in fee, free and clear of any monetary encumbrances, except for truces and assessments not then delinquent. The use of such Well Site shall be limited for the purpose of constructing and maintaining a groundwater well for potable water and appurtenant uses. The term of this dedication shall commence upon the effective date of this Agreement and shall terminate on the expiration of this Agreement or upon written notice from CITY that it will not need the Well Site for potable water purposes, whichever occurs first.
Department	Environmental Utilities Department
Status	On May 25, 2003 the city of Roseville requested the dedication of the groundwater well site on the Woodcreek Oaks side of the property. In addition to the well site dedication the Environmental Utilities Department would like a 25' PUE easement on the adjacent parcel for access. Well site dedication expected to occur Fall 2003. Dedicated with the Campus Oaks large lot map. Obligation Complete.
Section	3.5.4

**North Industrial Specific Plan – Hewlett Packard Master Plan
DEVELOPMENT AGREEMENT IMPLEMENTATION MATRIX**

Title	Confirmation of Water Supply Amendment #4 – Ord. #5534
Obligation	BBC Roseville Oaks, LLC: The City has determined, even without Landowner's planned utilization of Recycled Water and implementation of the Water Conservation Plan, that the water demand for the Project is less than the demand originally associated with the previously approved land uses for the Campus Oaks Property and, therefore, the available water supply, as originally set-aside to serve development of the Campus Oaks Property, is sufficient to serve all of the Project. This determination was the conclusion of a review of the demand and source issues originally planned for the Property, and as modified by the projected build-out of the Project, based upon the various technical studies completed in connection with the environmental review of the Project. The demand for water at build-out of the Project was determined by reference to the City's current information on water usage by the various land uses included and permitted within the City and the proposed land uses within the Project and by reference to the Campus Oaks Master Water Conservation Plan (June 18, 2015) as shown in Exhibit M. The sources for water evaluated for the Project are the same types of sources currently used throughout the City; namely, surface water contracts with federal and local agencies, and, in drought or emergency situations, the use of groundwater. City and Landowner are satisfied, based upon detailed technical analysis, that the demand and source assumptions relied upon to assure water for the Project are valid and are adequately served by the water demands and sources originally planned for development of the Property.
Department	Environmental Utilities Department
Status	Obligation complete.
Section	3.8.3
Title	Subdivision Amendment #3 – Ord. #5533 Deleted Section 3.8.1 through 3.8.4
Obligation	Hewlett Packard Company: As a condition of approval of a subdivision or parcel map for a portion of the Property which abuts either Blue Oaks Boulevard or Woodcreek Oaks Boulevard, CITY may require construction of improvements to the abutting portion(s) of said roadway(s) prior to the time set forth in Sections 3.8.1 or 3.8.2 as allowed by the Subdivision Map Act and the City of Roseville Subdivision Ordinance, as amended from time to time.
Department	Engineering Division
Status	Deleted obligation
Section	3.8.4
Title	Foothills Boulevard Landscaping Amendment #3 – Ord. #5533 Deleted Section 3.8.1 through 3.8.4 Amendment #4 – Ord. #5534 Deleted Section 3.8.4 and 3.8.5
Obligation	Hewlett Packard Company: Within three (3) months of the effective date of this Agreement, LANDOWNER shall prepare and submit to CITY a landscaping plan for the installation of landscaping along the balance of the Property adjacent to Foothills Boulevard that is not now landscaped. Such plan shall include a phasing plan for the timing of such installation from the existing landscaping to the intersection of Foothills and Blue Oaks Boulevards. LANDOWNER shall commence the installation of such landscaping and diligently proceed therewith, all in accordance with the terms and provisions of the landscaping plan, including the phasing plan provided therefor, once said plan is approved by CITY.
Department	Engineering Division
Status	Deleted obligation

North Industrial Specific Plan – Hewlett Packard Master Plan DEVELOPMENT AGREEMENT IMPLEMENTATION MATRIX

Section	3.8.5
Title	Security Gates Amendment #3 – Ord. #5533 Amendment #4 – Ord. #5534 Deleted Section 3.8.4 and 3.8.5
Obligation	Hewlett Packard Company: LANDOWNER shall have the discretion to install security gates at the entrances to the Property from Foothills, Blue Oaks and/or Woodcreek Oaks Boulevards. With respect thereto, LANDOWNER shall design the security gates to allow adequate stacking from the edge of the right of way from the applicable Boulevard as approved by CITY and to provide at a minimum for a turn-around for a semi-trailer truck, which turn-around may be located inside the security gate. Upon request of CITY, LANDOWNER shall prepare and submit a stacking analysis for approval by CITY for each proposed new security gated entrance. 3.8.5 No Security Gates Within HP Way Right of Way. In consideration of this Agreement and the intent that the City accept HP Way and utility improvements to be installed therein as a public road and utilities, Landowner shall not have the right to install or maintain any security gates along the portion of HP Way dedicated or to be dedicated to the City. Notwithstanding the foregoing, Landowner shall have the right to install security gates at any entrance to the HP Property adjoining HP Way or along Local Road E (as long as such road is privately owned and maintained by Landowner), subject to compliance with City standards for access and stacking. Landowner shall also have the right, at its discretion, to install signage along HP Way (including within the HP Way right of way along the HP Property outside of the improved roadway portion thereof), provided that the signage complies with the City's then existing signage requirements and sign ordinance.
Department	Engineering Division
Status	Deleted obligation
Section	3.8.6
Title	Traffic Signals
Obligation	Hewlett Packard Company: LANDOWNER shall not be obligated to construct or reimburse the cost of the traffic signals to be constructed at the intersections of Woodcreek Oaks and Blue Oaks Boulevards and of Blue Oaks Boulevard and Foothills Boulevards, except through its payment of traffic fees or to the extent LANDOWNER is required to bear the expenses of widening Blue Oaks Boulevard, Woodcreek Oaks Boulevard or Foothills Boulevard and said widening includes the obligation to move or redesign the traffic signals. Also, in consideration of the traffic signal improvements at the intersection of Foothills Boulevard and Roseville Parkway previously installed by LANDOWNER pursuant to the Agreement to Install Improvements between CITY and LANDOWNER dated January 8, 1992, LANDOWNER shall not be obligated to share in the cost of any additional traffic signal improvements to be constructed at such intersection by CITY or the adjoining landowner. As and when LANDOWNER connects a Collector with Foothills, Blue Oaks or Woodcreek Oaks Boulevards, or connects Arterial A with Woodcreek Oaks Boulevard, LANDOWNER shall be responsible for either installing the traffic signal required by CITY for such intersection or to reimburse half the actual hard cost thereof consisting of the identifiable and commercially reasonable costs of design, engineering and construction, if previously installed by others. LANDOWNER shall be entitled to reimbursement for one-half of the similar actual hard costs of each such traffic signal installed by LANDOWNER from the opposite landowner at such time that any roadway

**North Industrial Specific Plan – Hewlett Packard Master Plan
DEVELOPMENT AGREEMENT IMPLEMENTATION MATRIX**

	improvements opposite the applicable improved intersection are completed and open to public or private use. LANDOWNER shall reimburse the opposite landowner for one-half of the actual hard cost, consisting of the identifiable and commercially reasonable costs of design, engineering and construction for the traffic signal to be installed at LANDOWNER's southerly access to Foothills Boulevard within thirty (30) days after completion of said traffic signal and acceptance by CITY.
Department	Public Works Department
Status	Traffic signals have been constructed and are operational at Woodcreek Oaks/Blue Oaks Blvds. and Blue Oaks/Foothills Blvds. HP's financial obligation for signal is satisfied through the payment of TMF collected upon issuance of BP. The Signal at Blue Oaks/Foothills Boulevards has been satisfied through TMF fees collected for development of the R21 building. Obligation complete.
Section	3.8.8.A
Title	Dedications and Construction Licenses for HP Way Amendment #2 – Ord. #5548
Obligation	Hewlett Packard Company and BBC Roseville Oaks, LLC: Within ninety (90) days of the approval of this Second Amendment, Hewlett-Packard hereby agrees to provide the following: i. To the City, an irrevocable offer to dedicate (IOD) the right-of- way, in fee, and public utility easements for the portions of HP Way located within Parcel 1, consistent with the alignment therefor as provided in the Master Plan. Also, as directed by the City, to the extent required for the City to maintain any existing private roadway drainage improvements serving HP Way that are not replaced by public drainage improvements therein, Hewlett-Packard will grant to the City a right to enter Parcel 1 in a form reasonably acceptable to the City to perform any maintenance thereof, at Hewlett-Packard's cost, if and to the extent not otherwise performed by Hewlett-Packard; and ii. To Campus Oaks, a temporary construction license to allow Campus Oaks to construct, if and when required by development of Parcel 4, the portion of HP Way located within the dedicated right-of-way therefor within Parcel 1, in the form attached hereto as Exhibit H. The foregoing temporary construction license shall each automatically terminate upon completion of construction of all improvements that may be constructed pursuant thereto or upon City acceptance of all the improvements that may be constructed pursuant thereto.
Department	Engineering Division
Status	Obligation Complete.
Section	3.9
Title	Option to Purchase Property in Southwest Corner
Obligation	Hewlett Packard Company: LANDOWNER hereby grants to CITY an option to purchase five and three-tenths (5.3) acres of property contained within the southwestern corner of the Property and located southwest of Pleasant Grove Creek, as such five and three-tenths (5.3) acres are more particularly described in Exhibit "H" hereto. The term of the option shall be five years from the effective date of the Agreement, with a five year option to extend the option, and may be exercised at any time by CITY upon written notice to LANDOWNER. The purchase price shall be the fair market value of the property as of the time of exercise

**North Industrial Specific Plan – Hewlett Packard Master Plan
DEVELOPMENT AGREEMENT IMPLEMENTATION MATRIX**

	by CITY. Any such notice shall include a statement of the proposed purchase price for such property, based on an appraisal obtained by CITY. LANDOWNER may elect to sell the property at such price or may elect to obtain its own appraisal thereof, to be obtained within 60 days of such notice from CITY. If two appraisals are obtained and are within 10% of each other, the purchase price shall be equal to the average thereof; if not, a third appraisal shall be obtained (with the appraiser either selected by the parties or, if the parties are unable to agree, then by the appraisers), which shall be completed within 45 days of such selection. If three appraisals are obtained, the appraisal that deviates the most from the middle appraisal shall be discarded and the average of the other two shall be used as the purchase price. CITY shall close escrow for the purchase of such property within sixty (60) days of the agreement or determination of the purchase price. The parties shall open an escrow with a title company mutually acceptable thereto and CITY shall bear all costs in closing such escrow, including all transfer taxes, escrow fees and title insurance, if any. If CITY fails to timely exercise the option or close escrow after exercise, then this option shall automatically terminate and CITY shall execute a quitclaim or other such document evidencing the termination of this option. This option shall not be assignable by CITY without the prior written consent of LANDOWNER, which may be withheld in its sole discretion.
Department	City Attorney and Economic Development Department
Status	On January 14, 2001 the City extended their option to purchase the 5.3-acre site for five years (August 1, 2006). On April 18, 2001 the city requested the option to purchase the 5.3 acre site. The close date for the City to purchase this Parcel was September 26, 2001. Obligation complete.
Section	3.10
Title	Liens, Encumbrances, Covenants, Conditions and Restrictions
Obligation	Hewlett Packard Company: Except as approved by CITY or provided for by this Agreement, all property to be conveyed to CITY pursuant to this Agreement (whether in fee or as an easement) shall be free of any liens, encumbrances, toxic materials, wetlands, special taxes or assessments, except other easements then of record. LANDOWNER shall, for each such conveyance, provide to CITY at LANDOWNER's expense a current preliminary title report and preliminary site assessment for hazardous waste in a form approved by the City Attorney. Any policy of title insurance required by CITY shall be at CITY's expense.
Department	City Attorney
Status	City will require PSA's prior to conveyance of any properties. Evaluation regarding encumbrances done at time of conveyance. Landowner completed this obligation for the Option property.
Section	3.11
Title	No Security During Construction
Obligation	Hewlett Packard Company: LANDOWNER shall not be required to provide any security for any improvements to be constructed on the Property during any phases of construction, except for payment, performance and maintenance bonds that may be required in connection with the construction of improvements within the public rights-of-way for Woodcreek Oaks, Blue Oaks and Foothills Boulevards or in conjunction with a Subdivision Improvement Agreement for subdivision of any portion of the property. All construction material storage areas shall be fenced and secured as approved by the police chief.
Department	Police Department
Status	Obligation Complete.
Section	3.14
Title	Landscape and Lighting District

**North Industrial Specific Plan – Hewlett Packard Master Plan
DEVELOPMENT AGREEMENT IMPLEMENTATION MATRIX**

Obligation	Hewlett Packard Company: <u>3.14.1 Formation.</u> <u>3.14.1.A Consent and Waiver.</u> LANDOWNER consents to and shall cooperate in forming a Landscape and Lighting District, or including the Property within a special zone of an existing landscape and lighting district, pursuant to the provisions of Section 22500, et. seq., of the Streets and Highways Code of the State of California (herein the "LLD") and consents herewith to the levy of such assessments as are necessary to pay the Property's fair share of the cost to maintain the median landscaping. LANDOWNER shall be solely responsible for maintaining its landscaping from the back of the curb from said rights-of-way and, therefore, no assessment shall be levied by the LLD for such costs, unless and until LANDOWNER elects to relinquish such responsibility and conveys an easement to CITY for any such landscape areas, and CITY accepts said easement and assumes the responsibility to maintain the landscaping. Nothing in this section shall be construed as an agreement to any specific allocation of assessment, burden or benefit to a particular parcel or parcels or to constitute a waiver of the right of LANDOWNER to protest an allocation of a particular assessment burden or benefit. <u>3.14.2 Obligation of District.</u> The Landscape and Lighting District, or zone therein, formed pursuant to Section 3.16.1 in which LANDOWNER agrees to participate shall maintain the landscape medians within the portions of Foothills Boulevard and Blue Oaks Boulevard adjacent to the Property, and the landscape median within the portion of Woodcreek Oaks Boulevard located between Arterial A and Blue Oaks Boulevard.
Department	Finance Department
Status	Will not be forming a Landscape and Lighting District – obligation complete.
Section	3.22
Title	Community Facilities District – Public Facilities (Project Infrastructure) Amendment #4 – Ord. #5534
Obligation	BBC Roseville Oaks, LLC: Amendment #4 <u>3.22.1 Formation.</u> Landowner and City shall form a Community Facilities District for the purpose of financing the construction and/or acquisition of public infrastructure and facilities within the Campus Oaks Property (an "Infrastructure CFD"). City and Landowner shall use their best efforts to cause to be formed the Infrastructure CFD for the purpose of financing the acquisition or construction of some or all of the improvements and facilities and payment of capital facility fees eligible for CFD financing (the "CFD Eligible Improvements") within and associated with the Project, including those improvements and impact fees which will mitigate impacts of the Project upon areas inside and outside of the Project, and will be owned, operated and maintained by the City or another public agency. A list of CFD Eligible Improvements is attached hereto as Exhibit N. More specifically, the CFD Eligible Improvements are those improvements including, but not limited to roadway and frontage improvements for HP Way, Blue Oaks Boulevard, Woodcreek Oaks Boulevard, New Meadow Drive, Painted Desert Drive and Crimson Ridge Way; traffic signals; right of way acquisitions; water, sewer, recycled water, and drainage improvements and appurtenances; landscape and landscape irrigation and drainage facilities; environmental mitigation and remediation; bicycle and pedestrian facilities; parks and paseos within the Campus Oaks Property and the HP2/CO64 Park; electrical and dry utility improvements; transit improvements; masonry walls; development impact fees; design, engineering, surveying, construction management, and security for CFD Eligible Improvements; and other improvements and/or impact

North Industrial Specific Plan – Hewlett Packard Master Plan DEVELOPMENT AGREEMENT IMPLEMENTATION MATRIX

	fees as which are defined as authorized improvements under the Infrastructure CFD selected by the City or any ordinance under the City. Formation of the Infrastructure CFD shall be pursuant to and consistent with the requirements of this Agreement and Government Code Section 53311, et seq. Landowner shall be allocated and assessed special taxes as specified in a tax formula agreed to by City and Landowner, in accordance with the financing plan for the Project. The rights and obligations under this Section 3.22 shall survive the termination or expiration of this Agreement. <u>i. Terms of CFD.</u> City and Landowner agree that, to the extent permitted by law, City and Landowner shall use their best efforts to cause bonds to be issued and in amounts sufficient to affect the purposes of this section. City and Landowner further agree that, to the extent permitted by law, the City agrees to the following: (a) Maximum Annual Taxes for residential units, when aggregated with all other existing or expected taxes and assessments (excluding homeowners association assessments), shall not exceed 2.00% of the assessed valuation, net of the homeowner's exemption (2% Test). (b) The Special Tax shall be levied for as long as needed to service the principal and interest on bond debt to fund the acquisition or authorized facilities, and to pay for any additional authorized facilities not reimbursed with bond proceeds as defined in the Funding, Construction, and Acquisition Agreement during the first ten (10) years of the Special Tax levy. (c) City shall not unreasonably deny the Maximum Annual Tax escalating at 2% per year. (d) Authorized facilities shall include, among other items, development impact fees for public improvements. (e) Annual Costs shall provide that special taxes not used for debt service and City administration be paid to Landowner during the first ten (10) years of the Infrastructure CFD for the costs and/or acquisition of any authorized facilities not reimbursed with bond proceeds (pay-as-you-go). City shall reasonably consider a reasonable interest component for any authorized facilities reimbursed with pay-as-you-go provided for in the Funding, Construction and Acquisition Agreement defined below. (f) Landowner may utilize the Statewide Community Infrastructure Program ("SCIP") for any eligible impact fees. (g) Landowner may utilize a phased bond sale or sales. "(h) Landowner may utilize private placement of bonds. <u>ii. Acquisition Agreement.</u> Concurrent with formation of the Infrastructure CFD, Landowner and City shall enter into a shortfall agreement as defined in the Funding, Construction, and Acquisition Agreement, in form and substance acceptable to City, whereby Landowner shall covenant to finance the costs of the CFD Eligible Improvements, to the extent that the bonds issued by the Infrastructure CFD do not provide sufficient funding for the completion of such Improvements, subject to reimbursement/acquisition by pay-as-you-go proceeds to the extent available. <u>iii. Alternative Financing.</u> Nothing herein shall be construed to limit Landowner's option to install the public improvements through the use of traditional assessment districts or private financing.

Section	3.23
Title	Community Facilities District – Public Services (Services CFD) Amendment #4 – Ord. #5534
Obligation	BBC Roseville Oaks, LLC: Amendment #4 <u>3.23.1 Formation of Campus Oaks Public Services CFD.</u> No residential building permit, excluding permits for model homes, or certificate of occupancy for non-residential uses, shall be issued until a Community Services District - Public Services has been formed to include the Campus Oaks Property ("Public Services CFD"). Landowner consents to and shall cooperate in such formation or other such financing mechanism for maintenance purposes and consent herewith to the levy of such special taxes as are necessary to fund the maintenance obligations described in Section 3.23.1(i) below. Formation of the Public Services CFD shall be pursuant to and consistent with the requirements of this Agreement and Government Code Section 53311, et seq. The Public Services CFD will fund maintenance of landscaping, paseos and open space (parcels CO81 and CO82), neighborhood parks within the Campus Oaks Property, and the neighborhood park components of the HP2/CO64 Park. The rate and method for the Public Services CFD shall reflect differential tax rates between low density residential, medium density residential, high density residential, and non-residential land uses. <u>i. Public Services.</u> The Public Services CFD shall provide the funds required for the performance of maintenance obligations consisting of the following: (a) Autumn leaf cleanup for collector and local streets; (b) Maintain neighborhood parks within the Campus Oaks Property and the neighborhood park improvement components to be installed within the HP2/CO64 Park and accepted by the City; (c) Maintain paseos, and medians, and landscape corridors, including masonry walls installed therein along arterial roadways where they are adjacent to low and medium density residential land uses within the Campus Oaks Property, and medians within HP Way, and median landscaping within Woodcreek Oaks Boulevard and Blue Oaks Boulevard adjacent to and fronting the Campus Oaks Property; (d) Maintain bikeways and trails and their appurtenances (drainage [limited to culverts or outfall pipes from adjacent subdivisions or roads], signs, benches, striping and ancillary landscaping) within and adjacent to the Campus Oaks Property; (e) Maintain City and neighborhood entry features within the Campus Oaks Property, public rights-of-way and ancillary landscaping; (f) Conduct any necessary environmental mitigation monitoring, and the annual review thereof, as and to the extent required by the Mitigation Monitoring Plan related to the EIR and Addendum, and annual Development Agreement review and implementation; (g) Inspect, monitor, and maintain all water quality structural controls, storm management facilities (and programs) within rights-of-way and open space; (h) Maintain open space parcels CO81 and CO82, including general maintenance, signage and City-owned fence maintenance, and trash and debris collection;

**North Industrial Specific Plan – Hewlett Packard Master Plan
DEVELOPMENT AGREEMENT IMPLEMENTATION MATRIX**

	(i) Conduct all monitoring, reporting and adaptive management for and maintenance of the open space preserve area previously dedicated to and accepted by the City consistent with the 404 Permit and O&M Plan (the “Preserve Maintenance Costs”), as more particularly described in that certain Agreement to Fund Maintenance Costs between the City and Hewlett-Packard Company, dated June 18, 2008, and recorded against the Campus Oaks Property as Document No. 2008-0053391 (the “Maintenance Funding Agreement”). Such Preserve Maintenance Costs shall be financed by this Public Services CFD if and only if Community Facilities District 4 (Annexation 4) previously formed by the City to finance such costs is terminated, discontinued or otherwise unable to fund such Preserve Maintenance Costs. By authorizing these Preserve Maintenance Costs for financing under this Public Services CFD and thereby providing additional assurance to the City that these Preserve Maintenance Costs will be funded in perpetuity, the City acknowledges that, upon formation of this Public Services CFD, the requirement to provide such additional assurances under the Maintenance Funding Agreement shall be deemed fully satisfied and City shall cooperate in any additional documentation required to remove the Maintenance Funding Agreement from the Campus Oaks Property as a document of public record; (i) Maintain fire breaks within open space areas; and (j) Maintain a Replacement Reserve Fund for repair and replacement of entry features, signage, lighting, landscaping and irrigation retrofits in paseos, medians and landscape corridors, and other special features including structures, park features/amenities, etc. included in the areas to be maintained through the Public Services CFD, as indicated in the Design Guidelines. 3.23.2 Public Parcel Exclusion. Landowner expressly agrees that Parcels conveyed or to be conveyed to the City shall be excluded from any assessment imposed by the Public Services CFD.

Section	3.24
Title	Community Facilities District – Municipal Services (Annexation to CFD 3) Amendment #4 – Ord. #5534
Obligation	BBC Roseville Oaks, LLC: Amendment #4 3.24.1 Formation/Annexation; Consent, Waiver and Special Benefit. No residential building permit, excluding permits for model homes, shall be issued until a Community Facilities District – Municipal Services (“Municipal Services CFD”) has been formed or the Campus Oaks Property has been annexed to the City’s existing Municipal Services CFD. Landowner consents to and shall cooperate in such formation or other such financing mechanism for services purposes and consent herewith to the levy of such special taxes as are necessary to fund the maintenance obligations described in Section 3.24.2. Formation of or annexation to the Municipal Services CFD shall be pursuant to and consistent with the requirements of this Agreement and Government Code Section 53311, et seq. The initial amount of the maximum special tax shall be in accordance with the Municipal Services District Rate, Method, and Apportionment (“RMA”), and adjusted annually for inflation. The initial amount of the maximum special tax (for the 2015/16 City fiscal year, and as subsequently adjusted annually) shall be \$156 for LDR units, \$91 for MDR units, \$46 for HDR units, \$366 per acre for business professional/tech/business park land uses, and \$425 per acre for commercial land uses. City shall initiate the necessary steps to revise the RMA in the City’s existing Municipal Services CFD to conform to the above-referenced initial amounts of maximum special taxes.

**North Industrial Specific Plan – Hewlett Packard Master Plan
DEVELOPMENT AGREEMENT IMPLEMENTATION MATRIX**

	<u>3.24.2 Municipal Services.</u> The Municipal Services CFD shall provide the funds required to offset the Project's impact on City general fund resources available to pay for municipal services citywide, including the Project. The funds shall be utilized for general fund purposes.
Department	Finance Department
Status	Annexed into CFD 3 – Obligation Complete.
Section	5.4
Title	Legal Action Amendment #2 – Ord. #5548
Obligation	Hewlett Packard Company and BBC Roseville Oaks, LLC: In addition to any other rights or remedies, any party may institute legal action to cure, correct or remedy any default, to enforce any covenant or agreement herein, or to enjoin any threatened or attempted violation. Provided, however, that each Amending Landowner, its successors and assigns hereby waive any and all claims for monetary damages against City arising out of this Agreement at any time. All legal actions shall be initiated in the Superior Court of the County of Placer, State of California, or in the Federal District Court in the Eastern District of California.
Department	Landowner and City Attorney
Status	This is not an obligation, but a contractual term. This can be removed from the list of obligations.
Section	6
Title	Hold Harmless Amendment #2 – Ord. #5548
Obligation	Hewlett Packard Company and BBC Roseville Oaks, LLC: Each Amending Landowner and its heirs, successors-in-interest and assigns, hereby agrees to, and shall defend and hold City, and its elective and appointive boards, commissions, officers, agents, employees, and volunteers harmless from any liability for damage or claims of damage for personal injury, or bodily injury including death, as well as from claims for property damage which may arise from operation of Landowner's, or Landowner's contractors, or contractors' subcontractors, agents, or employees under this Agreement, whether such operations be by Landowner, or by any of Landowner's contractors, subcontractors, or by any one or more persons directly or indirectly employed by, or acting as agent for Landowner of any of Landowner's contractors or subcontractors unless such damage or claim arises from the negligence or willful misconduct of City. The foregoing indemnity obligation shall not apply to any liability for damage or claims for damage with respect to any damage to or use of any public improvements after the completion and acceptance thereof by City. In addition to the foregoing indemnity and to the fullest extent allowed by law, Campus Oaks shall be solely responsible for 100% of the cost and expense to defend, indemnify and hold City, its elective and appointive boards, commissions, officers, agents, employees, and volunteers (the "City Indemnified Parties"), and the other Amending Landowner, and its members, shareholders, directors, officers, agents and employees, harmless from any suits or actions at law or in equity arising out of the execution or adoption of this Second Amendment."
Department	City Attorney
Status	Attorney: This is not an obligation, but a contractual term.

Development Agreement Obligations <u>Not Complete</u> as of December 2019	
Section	2.1
Title	Permitted Uses
Obligation	Hewlett Packard Company: The permitted uses of the Property, the density and intensity of use, the maximum height and size of proposed buildings, provisions for reservation or dedication of land for public purposes, and location of public improvements, and other terms and conditions of development applicable to the Property shall be those set forth in the Entitlements and this Agreement.
Department	Planning Division
Status	On-going
Section	2.2
Title	Vested Entitlements Amendment #1 – Ord. #3665 Amendment #2 – Ord. #5548 Amendment #3 – Ord. #5533 Amendment #4 – Ord. #5534 Amendment #5 – Ord. #5734 Amendment #6 – Ord. #5829 Amendment #7 – Ord. #6038
Obligation	Hewlett Packard Company: Subject to the provisions and conditions of this Agreement, CITY agrees that CITY is granting, and grants herewith, a fully vested entitlement and right to develop the Property in accordance with the terms and conditions of this Agreement and the Entitlements. CITY acknowledges that the Entitlements include the following land uses for the Property: General Commercial: 28.5 acres Light Industrial: 425.8 acres Light Industrial: 451.8 acres Open Space: 45.9 acres Total: 952 acres Such uses shall be developed in accordance with the Entitlements, as such Entitlements provide on the effective date of this Agreement, or as they may provide from time-to-time by amendment of the Master Plan. LANDOWNER's vested right to proceed with the development of the Property shall be subject to subsequent approvals and the Intensity Thresholds as defined and as provided for in the Master Plan, provided that any conditions, terms, restrictions, and requirements for such subsequent approvals shall not prevent development of the Property for the uses and to the density or intensity of development or rate of timing of development set forth in this Agreement so long as the limitations set forth in the Intensity Thresholds have not been reached and further provided LANDOWNER is not in default under this Agreement. Hewlett Packard Company and BBC Roseville Oaks, LLC: Amendment #2 Subject to the provisions and conditions of this Agreement, City agrees that City is granting and grants herewith, a fully vested entitlement and right to develop Parcels 1 and 4 in accordance with the terms and conditions of this Agreement and the

North Industrial Specific Plan – Hewlett Packard Master Plan DEVELOPMENT AGREEMENT IMPLEMENTATION MATRIX

Entitlements. City acknowledges that the Entitlements include the following land uses for Parcels 1 and 4:

Light Industrial: 331.08 acres

As depicted in revised Exhibit B that is attached hereto and replaces the prior "Revised Exhibit B" for the Development Agreement as to Parcels 1 and 4. Such uses shall be developed in accordance with the Entitlements, as such Entitlements provide on the effective date of this Agreement, or as they may provide from time-to-time by amendment of the Master Plan as provided for herein. Each Landowner's vested right to proceed with development of its respective Parcel shall be subject to subsequent approvals and the Intensity Thresholds as defined and as provided for in the Master Plan for such Parcel, provided that any conditions, terms, restrictions, and requirements for such subsequent approvals shall not prevent development of such Parcel for the uses and density and intensity of development or rate of timing of development set forth in this Agreement so long as the limitations set forth in the Intensity Thresholds have not been reached for such Parcel and further provided that such Landowner is not in default under this Agreement.

For purposes of this Second Amendment and development of Parcels 1 and 4 pursuant to the Master Plan and all other entitlements that exist at the time this Agreement is executed, the City and Amending Landowners hereby agree that the Intensity Thresholds for uses described for Parcels 1 and 4 in the Master Plan are allocated to such Parcels as follows:

Property	Acreage	Gross Sq. Ft. (Light Industrial)	Average FAR	Water (Max Daily Demand)	Sewer (Max Daily Flow)	Electric (Peak Annual Demand) ¹	Traffic (PM Peak Hour Trips)
HP/PCL 1	140.70	1,670,000	0.27	.65 mgd	.45 mgd	11.24 MW	1,904.5
Campus Oaks/PCL 4	189.88	1,047,000	0.13	.41 mgd	.28 mgd	7.05 MW	1,193.5
Remaining Property	116.44	1,500,000	0.30	.58 mgd	.40 mgd	10.10 MW	1,709
Totals	447.02	4,217,000	.22	1.64 mgd	1.13 mgd	28.39 MW	4,807

1. Electric Demand is based on gross square foot allocations. Actual demand may increase with infrastructure improvements.

As a result of these allocations of Intensity Thresholds to Parcels 1 and 4, the City acknowledges and agrees that the development rights allocated to and vested for such Parcels pursuant to this Section 2.2, as well as the remaining Intensity Thresholds allocated and preserved hereby to the Remaining Property as set forth above, shall not be affected or reduced by any action taken by the City. The City reserves the right to review each subsequent entitlement application for development of each Parcel to ensure that the thresholds are not exceeded in the future without appropriate mitigation by the owner of such Parcel and to ensure that the proposed development meets all other applicable design guidelines. So long as the development of a Parcel is consistent with the vested development rights allocated thereto under this Development Agreement, the obligations associated with that development shall be limited to the payment of all fees associated with such development, the installation of roadway and utility improvements described in the terms of this Development Agreement and the Master Plan, and the payment of any reimbursements for improvements installed by other Amending Landowners as provided herein.

Hewlett Packard Company:

North Industrial Specific Plan – Hewlett Packard Master Plan DEVELOPMENT AGREEMENT IMPLEMENTATION MATRIX

	is hereby revised in its entirety to read as follows. As noted in Recital 4 above and the Third Amendment, in support of the coordinated development of the Campus Oaks Property with the HP Property, Landowner acknowledges the changes below are supported, in part, by Hewlett Packard's agreement in the Third Amendment to reduce the developable square footage and corresponding traffic and utility capacities previously allocated and reserved for development within the HP Property from 1,670,000 sq. ft. to 1,200,000 sq. ft., which reduction in development capacities is being reallocated to and included within the development of the Campus Oaks Property: Subject to the provisions and conditions of this Agreement, City agrees that City is granting, and grants herewith, a fully vested entitlement and right to develop the Campus Oaks Property in accordance with the terms and conditions of this Agreement and the Entitlements. City acknowledges that the Entitlements include the following land uses (with approximate acreages) for the Campus Oaks Property: Low/Med Density Residential—82.4 acres High Density Residential—22.0 acres Commercial/Retail—19.3 acres Light Industrial (Tech Park/Business Park)—32.8 acres Business Professional—5.5 acres Parks—10.7 acres Paseos—2.3 acres Open Space—1.6 acres Fire Station and Well Sties (P/QP)—2.5 acres Roads—10.7 acres Total: 189.8 acres All as set forth in Exhibit 8. Such uses shall be developed in accordance with the Entitlements, as such Entitlements provide on the effective date of the Development Agreement, or as they may provide from time to time by amendment of the Master Plan, Landowner's vested right to proceed with the development of the Campus Oaks Property shall be subject to subsequent approvals as defined and as provided for in the Master Plan, provided that any conditions, terms, restrictions, and requirements for such subsequent approvals shall not prevent development of the Campus Oaks property for the uses and to the density or intensity of development or rate of timing of development set forth in this Agreement so long as any limitations set forth in the Master Plan applicable to the Campus Oaks Property have not been reached and further provided Landowner is not in default under this Agreement. For purposes of development of Parcels CO-51 and CO-52 of the Campus Oaks Property pursuant to the Master Plan, the Intensity Thresholds for the planned Light Industrial (Tech Park/Business Park) uses described for Parcels CO-51 and CO-52 of the Campus Oaks Property in the Master Plan are as follows: <table border="1"> <tr> <th>Property</th> <th>Gross Sq. Ft.</th> <th>Water (Max Daily Demand)</th> <th>Sewer (Max Daily Flow)</th> <th>Electric (Peak Annual Demand)</th> <th>Traffic (PM Peak Hour Trips)</th> </tr> <tr> <td>CO-PCL 51 and 52</td> <td>300,000</td> <td>0.17 mgd</td> <td>0.06 mgd</td> <td>2.02 MW</td> <td>291</td> </tr> </table> Landowner and City acknowledge that, as more particularly described in the Master Plan and as analyzed in the Addendum, nothing in this Agreement or the Entitlements, vested hereby for the Campus Oaks Property affects or reduces the vested development rights of the other properties within the Master Plan Area. Landowner	Property	Gross Sq. Ft.	Water (Max Daily Demand)	Sewer (Max Daily Flow)	Electric (Peak Annual Demand)	Traffic (PM Peak Hour Trips)	CO-PCL 51 and 52	300,000	0.17 mgd	0.06 mgd	2.02 MW	291
Property	Gross Sq. Ft.	Water (Max Daily Demand)	Sewer (Max Daily Flow)	Electric (Peak Annual Demand)	Traffic (PM Peak Hour Trips)								
CO-PCL 51 and 52	300,000	0.17 mgd	0.06 mgd	2.02 MW	291								

North Industrial Specific Plan – Hewlett Packard Master Plan DEVELOPMENT AGREEMENT IMPLEMENTATION MATRIX

acknowledges and agrees that the uses described in the Master Plan for the other properties within the Master Plan Area are compatible with the vested uses planned for development of the Campus Oaks Property.

~~Landowner acknowledges that it shall have no right to seek to amend the zoning of the portion of the Campus Oaks Property identified on Exhibit B as Parcels CO-51 and CO-52 from Light Industrial (Tech/Business Park) use for a period of twenty (20) years from the Effective Date of this Fourth Amendment.~~

**BBC Roseville Oaks, LLC:
Amendment #5**

Low/Med Density Residential – 77.1 acres/491 units
High Density Residential – 21.9 acres/457 units
Commercial/Retail – 19.3 acres/170,000 sq ft
Light Industrial (Tech Park/Business Park) – 32.8 acres/300,000 sq ft
Business Professional – 10.5 acres/60,000 sq ft
Parks – 10.7 acres
Paseos – 3.2 acres
Open Space – 1.6 acres
Fire Station and Well Sties (P/QP) – 2.5 acres
Roads – 10.7 acres

Total: 189.8 acres

Such uses shall be developed in accordance with the Entitlements, as such Entitlements provide on the effective date of the Development Agreement, or as they may provide from time-to-time by amendment of the Master Plan, Landowner's vested right to proceed with the development of the Campus Oaks Property shall be subject to subsequent approvals as defined and as provided for in the Master Plan, provided that any conditions, terms, restrictions, and requirements for such subsequent approvals shall not prevent development of the Campus Oaks Property for: the uses and to the density or intensity of development or rate of timing of development set forth in this Agreement so long as any limitations set forth in the Master Plan applicable to the Campus Oaks Property have not been reached and further provided Landowner is not in default under this Agreement.

"For purposes of development of Parcels CO-51 and CO-52 of the Campus Oaks Property pursuant to the Master Plan, the Intensity Thresholds for the planned Light industrial (Tech Park/Business Park) uses described for Parcels CO-51 and CO-52 of the Campus Oaks Property are the Master Plan are as follows:

Property	Gross Sq. Ft.	Water (Max Daily Demand)	Sewer (Max Daily Flow)	Electric (Peak Annual Demand)	Traffic (PM Peak Hour Trips)
CO PCL 51 and 52	300,000	0.17 mgd	0.06 mgd	2.02 MW	291

Landowner and City acknowledge that, as more particularly described in the Master Plan and as analyzed in the First and Second Addenda, nothing in this Agreement or the Entitlements vested hereby for the Campus Oaks Property affects or reduces the vested development rights of the other properties within the Master Plan Area. Landowner acknowledges and agrees that the uses described in the Master Plan for the other properties within the Master Plan Area are compatible with the vested uses planned for development of the Campus Oaks Property.

North Industrial Specific Plan – Hewlett Packard Master Plan DEVELOPMENT AGREEMENT IMPLEMENTATION MATRIX

Landowner acknowledges that it shall have no right to seek to amend the zoning of the portion of the Campus Oaks Property identified on Exhibit B as Parcels CO-51 and CO52 from Light Industrial (Tech/Business Park) use for a period of twenty (20) years from the Effective Date of the Fourth Amendment.

**Quality Investment Properties:
Amendment #6**

Subject to the provisions and conditions of this Agreement, CITY agrees that CITY is granting and grants herewith, a fully vested entitlement and right to develop Parcel 3 in accordance with the terms and conditions of this Agreement and the Entitlements. CITY acknowledges that the Entitlements include the following land uses for Parcel 3:

Light Industrial: 59.2 acres

Such uses shall be developed in accordance with the Entitlements, as such Entitlements provide on the effective date of this Agreement, or as they may provide from time-to-time by amendment of the Master Plan by LANDOWNER as provided for herein. LANDOWNER's vested right to proceed with development of Parcel 3 shall be subject to the Intensity Thresholds defined in this section below. Such vested rights are also subject to subsequent approvals as defined and as provided for in the Master Plan, provided that any conditions, terms, restrictions, and requirements for such subsequent approvals shall not prevent development of Parcel 3 for the uses and density and intensity of development or rate of timing of development set forth in this Agreement so long as the limitations set forth in the Intensity Thresholds have not been reached for Parcel 3 as described below and further provided that LANDOWNER is not in default under this Agreement.

For purposes of this Sixth Amendment and development of Parcel 3 pursuant to the Master Plan and all other entitlements that exist at the time this Agreement is executed, the CITY and LANDOWNER hereby agree that the Intensity Thresholds for uses described for Parcel 3 in the Master Plan are allocated to Parcel 3 as follows:

Property	Acreage	Gross Sq. Ft.	Average AFR	Water (Max Daily Demand)	Sewer (Max Daily Flow)	Electric (Peak Annual Demand) ¹	Traffic (PM Peak Hour Trips)
QIP/PCL3	59.2	900,000	0.35	0.35 mgd	0.24 mgd	6.06 MW	1,025

1. Electric Demand is based on gross square foot allocations. Actual demand may increase with infrastructure improvements.

As a result of these allocations of Intensity Thresholds to Parcel 3, the CITY acknowledges and agrees that the development rights allocated to and vested for such Parcel pursuant to this Section 2.2, shall not be affected or reduced by any action taken by the CITY. The CITY reserves the right to review each subsequent entitlement application for development of Parcel 3 to ensure that the thresholds are not exceeded in the future without appropriate mitigation by the owner of such Parcel and to ensure that the proposed development meets all other applicable design guidelines. So long as the development of the Parcel is consistent with the vested development rights allocated thereto under this Development Agreement, the obligations associated with that development shall be limited to the payment of all fees associated with such development and the installation of roadway and utility improvements described in the terms of this Development Agreement and the Master Plan.

**BBC Roseville Oaks, LLC:
Amendment #7**

North Industrial Specific Plan – Hewlett Packard Master Plan DEVELOPMENT AGREEMENT IMPLEMENTATION MATRIX

	Subject to the provisions and conditions of this Agreement, City agrees that City is granting, and grants herewith, a fully vested entitlement and right to develop the Campus Oaks Property in accordance with the terms and conditions of this Agreement and the Entitlements. City acknowledges that the Entitlements include the following land uses (with approximate acreages) for the Campus Oaks Property highlighted in bold and underline below: <table> <tr> <td>Low/Med Density</td><td>77.1 acres/491 units</td></tr> <tr> <td>Residential High Density Residential</td><td>21.9 acres/457 units</td></tr> <tr> <td><u>Commercial/Retail</u></td><td><u>29.8 acres/240,000 sf</u></td></tr> <tr> <td>Light Industrial (Tech Park/Business Park)</td><td>32.8 acres/300,000 sf</td></tr> <tr> <td>Parks</td><td>10.7 acres</td></tr> <tr> <td>Paseos</td><td>3.2 acres</td></tr> <tr> <td>Open Space</td><td>1.6 acres</td></tr> <tr> <td>Fire Station and Well Site (P/QP)</td><td>2.5 acres</td></tr> <tr> <td>Roads</td><td>10.7 acres</td></tr> <tr> <td>TOTAL</td><td>190.3 acres</td></tr> </table> All as set forth in Exhibit B. Such uses shall be developed in accordance with the Entitlements, as such Entitlements provide on the effective date of the Development Agreement, or as they may provide from time-to-time by amendment of the Master Plan. Landowner's vested right to proceed with the development of the Campus Oaks Property shall be subject to subsequent approvals as defined and as provided for in the Master Plan, provided that any conditions, terms, restrictions, and requirements for such subsequent approvals shall not prevent development of the Campus Oaks Property for the uses and to the density or intensity of development or rate of timing of development set forth in this Agreement so long as any limitations set forth in the Master Plan applicable to the Campus Oaks Property have not been reached and further provided Landowner is not in default under this Agreement." <u>"2.2.1 Consistency with General and Master Plans: Parcel HP-3 Landscape Buffer.</u> Landowner acknowledges that, as required and shown by the Master Plan, to maintain adequate buffering of light industrial uses from adjacent residential development consistent with the General Plan, although Parcel HP-3 is currently improved with private recreational use, should light industrial development be approved for Parcel HP-3, such development will maintain a 50-foot landscape buffer within Parcel HP-3 adjacent to residential uses within the Campus Oaks Property. The landscaping and other such buffering elements to be installed within such 50' landscape setback buffer will be established in accordance with the design guidelines to be approved for the Master Plan and as part of the design review process for any future light industrial use to be developed within Parcel HP-3. Title	Affordable Housing Amendment #4 – Ord. #5534 Amendment #5 – Ord. #5734																				
Obligation	BBC Roseville Oaks, LLC: Consistent with the goals and policies contained in City's General Plan and the Master Plan, and subject to the terms of this Agreement, Landowner shall develop or cause ten percent (10%) of the total residential units which are actually constructed within the																				

North Industrial Specific Plan – Hewlett Packard Master Plan DEVELOPMENT AGREEMENT IMPLEMENTATION MATRIX

	Campus Oaks Property to be developed as affordable housing. In accordance with the terms of this Section and subject to adjustment based on actual development, Landowner shall provide 95 units affordable to very low, low and middle income households. The breakdown of percentage of the total number of affordable units to the different income levels shall be 40% for very low, 40% for low and 20% for middle income households. Any adjustment based on actual development shall be subject to the written approval of the City Manager or his/her designee. The term "very low income" means households earning 50% or less of median income, "low income" means households earning 50% to 80% of median income, and "middle income" means households earning 80% to 100% of median income, as published annually by the U.S. Department of Housing & Urban Development ("HUD"). Income eligibility and asset verification and calculation guidelines shall be determined in accordance with the HUD Handbook 4350.3 Chapter 5 (or comparable guidelines, if discontinued). For each of the household income ranges specified herein, household income at the upper limit of the specified ranges shall be used in determining qualifying sales prices for affordable purchase residential units. Qualifying rents for affordable rental residential units shall be calculated at the upper range of the specified income levels if no other restrictions are placed on the properties due to the type of financing secured by the ultimate developer of the Parcel. The parcels of the Campus Oaks Property within which the affordable housing will be provided are shown in the Master Plan and Exhibit B-1 attached hereto (the "Affordable Parcels"). The Affordable Parcels will also be identified on the final recorded Large Lot Subdivision Map for the Campus Oaks Property. Such locations may be modified pursuant to Section 2.5.3 of this Agreement. BBC Roseville Oaks, LLC: Amendment #5 Consistent with the goals and policies contained in City's Amended General Plan and the Master Plan, and subject to the terms of this Agreement, Landowner shall develop or cause at least ten percent (10%) of the total residential units which are actually constructed within the Campus Oaks Property to be developed as affordable housing. In accordance with the terms of this Section and subject to adjustment based on actual development, Landowner shall provide 95 units affordable to very low and middle-income households. However, Landowner intends to provide 106 affordable units and the City recognizes that this commitment is anticipated to provide eleven (11) more affordable units than required by the 10% affordable requirement. The breakdown of percentage of the total number of affordable units to the different income levels shall be 80% of the required 10% for very low income rental and 20% of the required 10% for middle income purchase. Any adjustment based on actual development shall be subject to the written approval of the City Manager or his/her designee. The term "very low income" means households earning 50% or less of median income, and "middle income" means households earning 80% to 100% of median income, as published annually by the U.S. Department of Housing & Urban Development ("HUD"). Income eligibility and asset verification and calculation guidelines shall be determined in accordance with the HUD Handbook 4350.3 Chapter 5 (or comparable guidelines, if discontinued). For each of the household income ranges specified herein, household income at the upper limit of the specified ranges shall be used in determining qualifying sales prices for affordable purchase residential units. Qualifying rents for affordable rental residential units shall be calculated at the upper range of the specified income levels if no other restrictions are placed on the properties due to the type of financing secured by the ultimate developer of the Affordable Parcels (defined below).

	affordable parcels by large lot and Master Plan lot number and shall state the affordable obligation by type (i.e., middle, low or very low) and number of lots or units. The notice shall be designed to provide that, upon recordation of an Affordable Purchase Housing Agreement or Affordable Rental Housing Agreement, as applicable, upon such parcel or the affordable lots thereof, the notice on the large lot map shall be deemed replaced by such' recorded Agreement and no longer separately effective or binding as an encumbrance on the parcel, or lots thereof not encumbered by such recorded Agreement, and shall no longer be listed as an exception to title. The City shall cooperate with any such removal of the effect of such notice from unaffected lots upon recordation of such Affordable Agreements.
Department	Housing Department and Engineering Division
Status	Obligation current/ongoing
Section	2.5.4
Title	Transfer of Obligation within Campus Oaks Property Amendment #4 – Ord. #5534 Amendment #5 – Ord. #5734
Obligation	BBC Roseville Oaks, LLC: Any proposed transfer of an affordable purchase or rental housing obligation (or any portion thereof) to another parcel within the Campus Oaks Property shall require an amendment to this Development Agreement and the Master Plan. Any such transfer shall also require the owner of the parcel receiving such affordable obligation to comply with the requirements of Section 2.5.3 above to include a notice on its map or parcel that is designed, to the extent practicable, to disclose such affordable obligation as an exception to title on Schedule B of any preliminary title reports thereafter prepared for the receiving parcel. BBC Roseville Oaks, LLC: Amendment #5 Any proposed transfer of an affordable rental housing obligation (or any portion thereof) to another parcel within the Campus Oaks Property shall require an amendment to this Development Agreement and the Master Plan. Any such transfer shall also require the owner of the parcel receiving such affordable obligation to include a notice on its map or parcel that is designed, to the extent practicable, to disclose such affordable obligation as an exception to title on Schedule B of any preliminary title reports thereafter prepared for the receiving parcel.

Status	Ongoing obligation.
Section	3.1
Title	Development, Connection and Mitigation Fees
Obligation	Hewlett Packard Company: Except as otherwise provided in this Agreement, any and all required payments of development, connection or mitigation fees by LANDOWNER shall be made at the time and in the amount specified by applicable CITY ordinances in effect as of the date of this Agreement, as such fees may be adjusted or adopted in accordance with the provisions of Section 2.4.2 above.
Department	All Development Projects
Status	Ongoing obligation
Section	3.2
Title	Parks Amendment #3 – Ord. #5533 Amendment #4 – Ord. #5534
Obligation	Hewlett Packard Company: No park sites shall be required to be dedicated nor shall any fees be paid in lieu of any such dedication or for purposes of funding construction of parks in connection with the development of the Property that is consistent with Entitlements, except to the extent any such park fees are currently authorized by ordinance to be levied against and collected from any applicable uses encompassed within the Entitlements, as of the effective date of the Agreement. Hewlett Packard Company:

North Industrial Specific Plan – Hewlett Packard Master Plan DEVELOPMENT AGREEMENT IMPLEMENTATION MATRIX

	Amendment #3 In consideration of this Agreement and the benefits to Landowner to be derived from the coordinated development of the HP Property with the Campus Oaks Property, upon recordation of the Large Lot Map for the HP Property or within sixty (60) days of written request from the City, Landowner shall dedicate Parcel HP-2 to the City for development of the Hewlett-Packard Greenway (Parcel HP-2) as described in and consistent with the Master Plan. Landowner acknowledges that the City shall not be obligated to accept the dedication of Parcel HP-2 until the park improvements to be constructed thereon are completed by Campus Oaks and accepted by the City. Maintenance of Parcel HP-2 remains a Landowner obligation until accepted by the City. Landowner shall not be obligated, due to this dedication or grant of license, to fund any costs to improve or maintain the Hewlett-Packard Greenway park and landscaping improvements to be installed within Parcel HP-2. No park fees, taxes or assessments shall be required to be paid or levied or assessed against the HP Property for purposes of funding construction or maintenance of the park improvements within the Hewlett-Packard Greenway in connection with or as a condition of any development of the HP Property consistent with Entitlements. The costs of any such park installation and/or maintenance with Parcel HP-2 shall be funded solely from development within the Campus Oaks Property and/or the City's funding sources for the construction and maintenance of city-wide park improvements. BBC Roseville Oaks, LLC: Parks, Open Space, and Bike Trails. A total of 18.2 acres of active park land (9.5 acres of which will be dedicated by Landowner and 8.7 of which will be dedicated by Hewlett-Packard pursuant to the Third Amendment), 2.19 net acres of paseo and 1.7 additional acres of open space (to be combined and consolidated with the 44.65 acre existing open space Preserve previously granted to the City by Landowner's predecessor-in-interest, Hewlett-Packard, pursuant to the terms of the Development Agreement) will be dedicated to the City in connection with the development of this Project. Landowner will also pay fees for construction of park and trail improvements, and construct park frontage, paseo and park improvements as set forth in this Section. To facilitate the coordinated development of the Campus Oaks Property with the HP Property, Landowner acknowledges that, pursuant to the Third Amendment, Hewlett-Packard will be offering to dedicate Parcel HP-2 to the City to be credited against the Campus Oaks' park land dedication requirement and to facilitate Landowner's installation of the neighborhood and city-wide park improvements planned for Parcels HP-2 and CO-64 (the "HP2/CO64 Park") as described in and consistent with the Master Plan. As provided in the Third Amendment, the City will not accept Parcel HP-2 until the HP2/CO64 Park improvements are completed by Campus Oaks as provided herein and accepted by the City, and Hewlett-Packard will continue to own Parcel HP-2 and be responsible for all maintenance obligations related thereto until the Park improvements are completed. In consideration of the benefits to be derived by the Campus Oaks Property from this coordinated development with the HP Property, including without limitation, the park dedication and improvement credits that will be allocable to the Campus Oaks Property associated with the dedication and development of the HP2/CO64 Park, Landowner agrees that the Campus Oaks Property shall be solely responsible for all the costs to design and construct the park improvements to be installed within the HP2/CO64 Park in accordance with the terms hereof. The park plans contained in the Master Plan are conceptual only. Further refinements

North Industrial Specific Plan – Hewlett Packard Master Plan DEVELOPMENT AGREEMENT IMPLEMENTATION MATRIX

	and a final design for the HP2/CO64 Park shall be reviewed and approved by the Parks & Recreation Commission and City Council separate from the City's approval of the HP Campus Oaks Master Plan Amendment. Landowner shall not construct any private single access gates or private access from single homeowner's property onto public spaces, such as parks, preserves, open space and paseos. Additionally, Landowner shall place the foregoing restriction as applicable to homeowners in the CC&R's for any single family residential subdivision.
Department	Parks Department
Status	Ongoing obligation
Section	3.2.1
Title	Park and Open Space Dedications Amendment #4 – Ord. #5534
Obligation	BBC Roseville Oaks, LLC: Landowner shall dedicate to the City the following three (3) park parcels, two (2) paseo parcels and two (2) additional open space parcels as described below and shown in Exhibit B and Exhibit K: A. A 5.04 net acre, more or less, portion of the Campus Oaks Property for the purposes of a public park, shown as Parcel CO-61; B. A 2.62 acre, more or less, portion of the Campus Oaks Property for the purpose of a public park, shown as Parcel CO-62; C. A 1.84 net acre, more or less, portion of the Campus Oaks Property for the purpose of a public park, shown as Parcel CO-64; D. A 0.84 net acre, more or less, portion of the Campus Oaks Property for the purposes of paseo, shown as Parcel CO-63; E. A 1.35 acre, more or less, portion of the Campus Oaks Property for the purposes of paseo, shown as Parcel CO-65; F. A 0.84 acre, more or less, portion of the Campus Oaks Property for the purpose of public open space, shown as Parcel CO-81; and G. A 0.86 acre, more or less, portion of the Campus Oaks Property for the purpose of public open space, shown as Parcel CO-82. City acknowledges that, in addition to the foregoing dedications, the prior dedication by Hewlett-Packard of the 44.65 acres of open space shall be credited against the open space dedication requirements for the Campus Oaks Property. Furthermore, Hewlett-Packard's agreement to dedicate approximately 8.7 acres of the HP Property for the HP2/CO64 Park adjacent to the Campus Oaks Property (as more particularly described in the Third Amendment and Master Plan and designated as Parcel HP-2 of the HP Property), in combination with Landowner's dedication of Parcel CO-64, shall be credited as collectively providing 2.16 acres of neighborhood park and 8.38 acres of City-wide park against the park land dedication requirements for the Campus Oaks Property, based on the mix of amenities to be provided thereby. Landowner shall dedicate the foregoing park lands, paseos and open space parcels within the Campus Oaks Property on the face of the Large Lot Final Map as an Irrevocable Offer to Dedicate (IOD) of such park lands, paseos and open space parcels within the Property provided that the Large Lot Final Map creating a separate parcel for the subject sites has been recorded. Landowners acknowledges that the City shall not

**North Industrial Specific Plan – Hewlett Packard Master Plan
DEVELOPMENT AGREEMENT IMPLEMENTATION MATRIX**

	be obligated to accept the IOD for Parcels HP-2 and CO-64 prior to Landowner's completion of the turn-key park improvements required hereunder. City shall accept the dedication of each of the other park lands and paseo parcels at the time when all infrastructure improvements (e.g., curb and gutter, roadway, utilities, utility stubs, etc.) required to serve the dedicated lands are completed by Landowner and either (i) City is prepared to improve and maintain the site or (ii) the improvement thereof has been completed by Landowner pursuant to a park development agreement between the City and Landowner. City shall accept the dedication of the open space parcels after formation of the Public Services CFD described herein that includes funding for the maintenance by the City of such open space parcels. Maintenance of these properties remains a Landowner obligation until accepted by City. In the event the Landowner uses any of the above mentioned Parcels for temporary construction activity or staging (e.g., construction equipment parking, dirt/debris stockpiling, etc.), Landowner shall, prior to acceptance by City, restore the site to a like condition to what existed prior to such temporary construction or staging activity.
Department	Parks Department
Status	Ongoing obligation
Section	3.2.2
Title	Construction of Park Improvements Amendment #4 – Ord. #5534 Amendment #5 – Ord. #5734
Obligation	BBC Roseville Oaks, LLC: Landowner shall construct all park improvements for the HP2/CO64 Park to be located on Parcel CO-64 and Parcel HP-2 in accordance with the terms of this Agreement and in accordance with public project regulations and requirements. Paseo improvements to be located on Parcels CO-63 and CO-65 shall be constructed as and when required by the conditions of the subsequently approved tentative small lot residential map that includes such Parcels. Prior to Landowner's construction of the park improvements for the HP2/CO64 Park, the parties shall enter into a separate park development agreement for the construction thereof and appropriate credits against and reimbursement from the applicable neighborhood and City-wide park fees to be generated or provided by such construction. The construction of paseos will not be eligible to receive park fee credits or reimbursement. 3.2.2.A The HP2/CO64 Park shall be improved in conjunction with Landowner's development of the portion of the Campus Oaks Property outlined as Phase B and Phase C on Exhibit B ("Phases B and C"). In particular, the HP2/CO64 Park shall be improved in conjunction with development of Parcels CO-1, CO-2, CO-3, CO-6, CO-7, CO-11, CO-12, CO-13, CO-14 CO-16, CO-23, CO-24a, CO-24b (the "Phase B and C Parcels"). BBC Roseville Oaks, LLC: Amendment #5 3.2.2.A The HP2/C064 Park shall be improved in conjunction with Landowner's development of the portion of the Campus Oaks Property outlined as Phase B and Phase C on Exhibit B ("Phases B and C"). In particular; the HP2/C064 Park shall be improved in conjunction with development of Parcels CO-1, CO-2, CO-3, CO-6; CO-7, CO-11, CO-12, CO-13, CO-14, CO-16, CO-24a, and CO-24b (the "Phase B and C Parcels"). 3.2.2.B The park facilities for the HP2/CO64 Park shall be constructed and improved pursuant to a separate park development agreement and according to a park master plan for the HP2/CO64 Park to be prepared by Landowner and approved by the City.

North Industrial Specific Plan – Hewlett Packard Master Plan DEVELOPMENT AGREEMENT IMPLEMENTATION MATRIX

	These park facilities shall be designed in accordance with the design standards for such facilities and improvements described in the City's Park construction standards. Landowner and the City shall use good faith efforts to provide copies of the draft master plan to Hewlett-Packard for review and input by Hewlett-Packard's Site Council, provided final approval thereof shall be made by the City. The improvement plan for this park site shall include detailed construction plans, specifications and drawings for the site to be approved by the City. Landowner shall be responsible for all costs associated with the approval of the plan, including the costs of preparing the required final master plan, construction plans and drawings. <u>3.2.2.C</u> The estimated cost for the design and installation of the park improvements for the HP2/CO64 Park are set forth in the Park Financing Plan and have been used to establish the neighborhood and city-wide park fees for the Property. The improvements to be required by the City for this park site shall consider and accommodate such cost estimates. The cost estimate shall be adjusted by the City, from the Effective Date of this Agreement to the date of commencement of the construction of the improvements, based on the percentage change in the Engineering News Record, Construction Cost Index for the United States, 20-city average (or comparable replacement index; hereafter, the "ENR Construction Cost Index"). Landowner shall bid the work using a City list of pre-qualified park contractors for the park. If the bid amount for the work, together with all design and other park improvement costs then incurred by Landowner, exceeds the then adjusted cost estimate by more than eight percent (8%), then the City shall either (i) agree to defer the installation of certain improvements within the park site to reduce the cost of the work to be installed by Landowner to 108% of such adjusted cost estimate or (ii) agree to pay its share of the cost of the improvements in excess of 108% of such adjusted cost estimate, as such costs are incurred by Landowner. <u>3.2.2.D</u> Since the Master Plan graphic is merely conceptual, Landowner shall submit a final and approved master plan to the City for improvement of the HP2/CO64 Park prior to the issuance of the building permit for the 75th residential unit within the Phase B and C Parcels and shall commence construction of the park improvements for the HP2/CO64 Park in accordance with the approved park improvement plans prior to the issuance of the building permit for the 150th residential unit within the Phase B and C Parcels. Thereafter, Landowner shall diligently proceed with such construction and use its best efforts, subject to the provisions of Section 5.3 below, to complete the construction of its improvements to the HP2/CO64 Park within one hundred fifty (150) business days of the date of commencement of such improvement, not including the establishment period as defined in the City's park construction standards. Landowner acknowledges that development of each Phase B and C Parcels will be dependent on compliance with the foregoing schedule. Accordingly, if the design and construction schedule for the HP2/CO64 Park is not satisfied, the City MAY DENY BUILDING PERMITS WITHIN ANY PHASE B OR PHASE C PARCEL, whether or not the ownership thereof is under a single owner or multiple owners. City acknowledges and agrees that any failure to comply with such schedule shall not affect the rights of Landowner to proceed with the construction of units for which building permits have been issued by City within Phases B and C and shall not limit the rights of Landowner to develop within any other Phase of the Campus Oaks Property. BBC Roseville Oaks, LLC, as Landowner, further acknowledges and agrees that, notwithstanding anything else to the contrary in this Agreement or in any assignment of this Agreement, with respect to the obligations under this Section 3.2.2, BBC Roseville Oaks, LLC shall be responsible for the design and construction of the park improvements for the HP2/CO64 Park as and when required hereunder and shall
--	---

**North Industrial Specific Plan – Hewlett Packard Master Plan
DEVELOPMENT AGREEMENT IMPLEMENTATION MATRIX**

	remain responsible therefor notwithstanding any subsequent sale or transfer of any Phase B or Phase C Parcel and notwithstanding any assumption of such obligations by any successor in interest to BBC Roseville Oaks, LLC, unless the City expressly agrees, in writing, to release BBC Roseville Oaks, LLC, from any of such design or construction obligations under this Section 3.2.2. To assist City in monitoring compliance with the applicable park design and construction schedule, as and when Landowner applies for building permits within a Phase B or Phase C Parcel, Landowner shall give written notice to the Parks Department, indicating the number of units involved in the permit request and the total number of building permits which have then been issued for the Phase B and C Parcels, as well as the status of the design and/or construction of the HP2/CO64 Park. <u>3.2.2.E</u> Park improvements constructed by Landowner for the HP2/CO64 Park shall include all utilities and all landscaping and irrigation necessary to serve the park improvements to be located therein. <u>3.2.2.F</u> Upon satisfactory completion of such park improvements for the HP2/CO64 Park by Landowner, City shall accept the dedication of the HP2/CO64 Park and assume the ownership and maintenance thereof.
Department	Parks Department
Status	Ongoing obligation
Section	3.2.3
Title	Financing and Improvement Agreements for Parks Amendment #4 – Ord. #5534
Obligation	BBC Roseville Oaks, LLC: The construction of improvements to parks within the Campus Oaks Property, and also the construction of the HP2/CO64 Park improvements adjacent to the Campus Oaks Property within Parcel HP-2 of the HP Property, shall be financed through neighborhood and City-Wide park fees established for the Campus Oaks Property by this Agreement. The plan to finance the construction and operation of such park improvements is generally set forth in Exhibit L attached hereto (the “Parks Financing Plan”). i. <u>Financing for Neighborhood Parks.</u> The construction budget for each parcel shall be as allocated in the Park Finance Plan, and which amount is adjusted by the percentage change, annually on July 1, utilizing the Engineering News Record, Construction Cost Index for the United States 20-city average, averaged with the San Francisco Construction Cost Index (the “CCI”). ii. <u>Financing of Paseos.</u> No funding is included in the Park Financing Plan for the development of the paseos. Financing for the maintenance of the paseos shall be provided through the Public Services CFD described in Section 3.23 below. iii. <u>Maintenance District Financing.</u> Pursuant to Section 3.23 below, Landowner shall support the formation of the Public Services CFD defined therein. Among other things, the Public Services CFD shall be authorized to levy special taxes on the Campus Oaks Property to provide maintenance of the neighborhood parks, streetscapes, paseos and open space parcels within the Campus Oaks Property and the neighborhood park components within the HP2/CO64 Park. Maintenance of the city-wide park components to be installed within the HP2/CO64 Park shall be the responsibility of the City from and after City acceptance of the fully developed park.

Status	Ongoing obligation
Section	3.2.4

North Industrial Specific Plan – Hewlett Packard Master Plan DEVELOPMENT AGREEMENT IMPLEMENTATION MATRIX

Title	Neighborhood Park Fee Amendment #4 – Ord. #5534 Amendment #5 – Ord. #5734
Obligation	BBC Roseville Oaks, LLC: In accordance with the Park Financing Plan for the Campus Oaks Property, subject to any applicable fee credits, Landowner shall pay a neighborhood park fee (the "Neighborhood Park Fee"), upon the issuance of each residential building permit within the Project, to fund construction of the neighborhood park improvements described above. As more particular shown on Table A-3 of the Park Financing Plan, such neighborhood park fee shall be \$3,177 per Low Density, Medium Density and High Density Residential Units, and \$2,097 per High Density Apartment Residential unit (but excluding carriage units, which shall not pay neighborhood park fees), subject to annual adjustment, on July 1, based on the percentage change in the CCI. All such Neighborhood Park Fees shall be deposited into the neighborhood park fee fund to finance the development of the parks within the Campus Oaks Property and the HP2/CO64 Park. The Neighborhood Park Fee, as calculated herein, is figured on 100% of the total dwelling units entitled for the Campus Oaks Property being developed and paying the Neighborhood Parks Fee. City may conduct an annual re-assessment of the Neighborhood Park Fee for the Campus Oaks Property subject to this Agreement and adjust the fee upward if underutilization of entitled dwelling units for the Campus Oaks Property subject to this Agreement exceeds ten percent (10%). In the event of a rezoning of any parcel(s) in the Campus Oaks Property that creates a park funding shortfall, City shall require supplemental neighborhood in lieu fees to fund such shortfall from the rezoned parcel(s). BBC Roseville Oaks, LLC: Amendment #5 In accordance with the Park Financing Plan for the Campus Oaks Property, subject to any applicable fee credits, Landowner shall pay a neighborhood park fee (the "Neighborhood Park Fee"), upon the issuance of each residential building permit within the Project, to fund construction of the neighborhood park improvements described above. As more particularly shown on Table A-3 of the Park Financing Plan, such neighborhood park fee shall be \$3,804 per Low Density; Medium Density and High Density Residential Units, and \$2,511 per High Density Apartment Residential unit (but excluding the 87 Affordable High Density Apartment Residential Units set forth in Section 2.5.2 and carriage units, which shall not pay neighborhood park fees), subject to annual adjustment on July 1, based on the percentage change in the CCI. All such Neighborhood Park Fees shall be deposited into the neighborhood park fee fund to finance the development of the parks within the Campus Oaks Property and the HP2/C064 Park. The Neighborhood Park Fee, as calculated herein, was initially figured on 100% of the total dwelling units entitled for the Campus Oaks Property being developed and paying the Neighborhood Park Fee based upon 242 LDR, 310 MDR and 396 HDR dwelling units. Upon Landowner's application for an amendment to the Development Agreement, and if the distribution of dwelling unit types changes, Landowner shall, in consultation with the City, conduct a review and reassessment of the Park Master Plan and corresponding Neighborhood Park Fee for the Campus Oaks Property subject to this Agreement. As a result of such review and reassessment, and if deemed appropriate by the City, City may adjust the fee upward or downward based on the change in mix of units planned for the Campus Oaks Property and any change in the planned level of neighborhood park facilities deemed necessary to serve the residents within the Campus Oaks Property.

**North Industrial Specific Plan – Hewlett Packard Master Plan
DEVELOPMENT AGREEMENT IMPLEMENTATION MATRIX**

	Thereafter, City may conduct an annual re-assessment of the Neighborhood Park Fee for the Campus Oaks Property subject to this Agreement and adjust the fee upward if underutilization of entitled dwelling units for the Campus Oaks Property subject to this Agreement exceeds ten percent (10%). In the event of a rezoning of any parcel(s) in the Campus Oaks Property that creates a park funding shortfall, if not otherwise mitigated by the development to the City's satisfaction, City shall require supplemental neighborhood in-lieu fees to fund such shortfall from the rezoned parcel(s). At the completion of all residential and neighborhood park development, if there are any remainder fees, City shall, within thirty (30) days of filing a notice of completion of the last neighborhood park for the Campus Oaks Property, refund to Landowner such remainder fees. i. <u>Neighborhood Park Frontage Improvements.</u> When installing road improvements adjacent to neighborhood park sites, Landowner shall construct the frontage improvements, which shall include curb, gutter, and stub utilities for the park site, subject to direction from City on the location of such utility stubs, but shall not be required to include sidewalk or landscaping. The cost of this work is not included in the Neighborhood Park Fee and accordingly Landowner shall not be entitled to any reimbursement from the Neighborhood Park Fee for such frontage improvements. City acknowledges that the cost of sidewalks within the park sites is included in the Neighborhood Park Fee. At the time Landowner installs infrastructure frontage improvements for the neighborhood parks, Landowner may construct the sidewalks, as specified in the Master Plan and upon mutual consent of the City and Landowner. Landowner shall be entitled to a reimbursement for the sidewalk costs installed by Landowner, provided City has sufficient funds to reimburse Landowner for such sidewalk improvements at the time that Landowner would construct such improvements. If City does not have or expect to have sufficient funds to reimburse Landowner within sixty (60) days prior to commencement of completion of the applicable frontage improvements, the sidewalk improvements shall be deferred to be included as part of the adjacent park improvements and Landowner shall be released from any obligation to construct such sidewalk improvements in connection with the adjacent frontage improvements. Reimbursement shall be based on actual costs of constructing the sidewalk and as approved by the City prior to construction. All frontage improvements, including any sidewalks, shall be constructed consistent with City standards.

Title	Bike Trail Construction

**North Industrial Specific Plan – Hewlett Packard Master Plan
DEVELOPMENT AGREEMENT IMPLEMENTATION MATRIX**

	Amendment #4 – Ord. #5534
Obligation	BBC Roseville Oaks, LLC: Landowner shall design, secure necessary permits and construct certain Class 1 bike trail improvements within the Campus Oaks Property as shown on Exhibit I (the "Bikeway Master Plan") and described in the Master Plan. Bike trails shall be constructed to City standards as and when Landowner develops the Parcels within the Campus Oaks Property adjacent to such bike trails. The sections of bike trail to be installed upon development of such parcels are generally shown on Exhibit I. The entire length of bike trail along Parcel CO-3 shall be graded at the time that the parcel develops, with the installation of the bike trail improvements per Exhibit I. If a bike trail is completed prior to City's acceptance of open space within which the bike trail is located, City shall be responsible for bike trail maintenance. City shall enter into an agreement with the Landowner memorializing such obligations and indemnifying Landowner for the public's use of the bike trail prior to the City's acceptance of the open space, which will include the recordation of a temporary maintenance and pedestrian access easement on and across the bike trail. Upon completion of the bike trail and City's acceptance of the open space within which the bike trail is located, City shall continue to be responsible for bike trail maintenance. The project shall fund an amount of \$318,000 for the design and construction of the off-site bike trail construction as shown on Exhibit I and generally shown as "Future by Others." This money will be included as part of the "Community Facilities District – Public Facilities (Project Infrastructure)" bond sale proceeds and will be paid directly to and retained by the City for such bike trail improvements.

Section	3.3.3
Title	On-Site Public Electrical Circuits
Obligation	Hewlett Packard Company: Concurrently with the construction of any portion of Collector A or Collector B, shown on Exhibit "C" hereto, which may serve in part as public roadways in the future to serve the Northwest portion of the Property, LANDOWNER agrees to construct on-site electrical circuits and facilities to then current CITY standards to serve the street lights and landscaping improvements to be installed within the potential future rights-of-way therefor, such that the electrical service needs for such improvements can be provided by a public circuit, independent of the private circuits located and to be located within the Property, if and when such roadways are dedicated to CITY. The design of such circuits shall be included as part of the improvement plans for such roadways. In the event LANDOWNER offers to dedicate any portion of Arterial A or of Collector A, B or C to CITY for right-of-way purposes, and LANDOWNER has not installed on-site public electric circuits to CITY standards,

DEVELOPMENT AGREEMENT IMPLEMENTATION MATRIX**

	CITY may require LANDOWNER to do so prior to accepting any such offer.
Department	Electric Department
Status	Ongoing obligation
Section	3.3.7
Title	Retail Power Purchase Amendment #4 – Ord. #5534
Obligation	Hewlett Packard Company: As a material condition to the validity of this Agreement, LANDOWNER shall have entered into a power purchase agreement with the CITY wherein LANDOWNER agrees to purchase, for a specified term, all of the electric power required by its operation in Roseville exclusively from CITY's electric utility, at the retail rate and upon the terms as set forth in the agreement. The power purchase agreement shall be a separate agreement here from, and shall provide for such commercially reasonable terms as the parties may determine to govern the conditions of service, and for a process of amendment which does not involve a requirement that this Agreement be amended. In the event the parties fail to enter into a Power Purchase Agreement by August 31, 1996, the City Council may take action to suspend the rights and benefits granted hereunder to LANDOWNER until such future date as a Power Purchase Agreement is executed; provided, however, that the parties may extend any date or waive the requirements of this section upon mutual written consent, without further amendment of this Agreement being required. BBC Roseville Oaks, LLC: Amendment #4 Electric Efficiency and Demand Reduction. In order to mitigate demand for energy supplies and comply with state mandated energy efficiency goals, the following energy efficiency and load management requirements are hereby established: i. All residential dwelling units will install residential air conditioning units with, as a minimum standard, a Seasonal Energy Efficiency Rating ("SEER") of 2 points above the minimum, as defined by the State of California in the current Title 24 of the Code of California Regulations, up to a total maximum of 16 points including the 2 point premium, an Energy Efficiency Ratio ("EER") of 12 or greater, and a thermal expansion valve ("TXV"). The SEER rating of 2 points above the minimum, as defined by the current Title 24, up to a maximum of 16 points, and an EER rating of 12.5 or greater along with a TXV will be specified on building plans and Title 24 compliance certificates at the time building permits are requested. If Title 24 of the Code of California Regulations in effect at the time of request for building permits requires higher SEER or EER ratings, residential units in the Plan Area shall comply with such State requirements. The SEER and EER ratings will be verified with appropriate documentation. These requirements shall be utilized in the overall energy compliance calculations required for issuance of a building permit for any residential unit. Any variances must be approved by the Electric Utility Director or designee. ii. All commercial air conditioning units 5 tons or less (<65,000 btu/h) shall meet the current Consortium for Energy Efficiency ("CEE") Tier I specifications. The SEER/EER ratings will be specified on building plans and Title 24 compliance certificates at the time building permits are requested. The SEER and EER ratings will be verified with appropriate documentation. These requirements shall be utilized in the overall energy compliance calculations required for issuance of any building permit for any commercial building in the Plan Area. Any variances, with the exception of Tier 2 compliance, must be approved by the Electric Utility Director or designee.

Status	Ongoing obligation
Section	3.4
Title	Drainage Improvements Amendment #1 – Ord. #3665 Amendment #4 – Ord. #5534
Obligation	Hewlett Packard Company: <u>3.4 Drainage Improvements.</u> LANDOWNER shall provide on-site drainage improvements as provided in this section. <u>3.4.1 Master Drainage Impact Study.</u> Prior to approval of improvement plans for the first new building in the undeveloped northern or southern watershed on the Property to be constructed after execution of this Agreement, LANDOWNER shall prepare a Master Drainage Impact Study for its on-site drainage facilities to the satisfaction of the City Engineer. The Master Drainage Impact Study shall identify the size and location of all major drainage facilities proposed for the Property relative to drainage impacts and shall be accompanied by all supporting technical information and calculations. <u>3.4.1 Drainage Impact Studies.</u> Prior to the approval of improvements for each new building to be constructed within the Northern Watershed (as such Watershed is described in Section 3.4.4 below), Landowner shall prepare a separate Drainage Impact Study. The Drainage Impact Study shall evaluate the size and location of all necessary on-site drainage facilities required for the conveyance of on-site storm water. Each Drainage Impact Study shall quantify the cumulative effect of all the development within the Northern Watershed and shall demonstrate that the existing temporary drainage basin has available capacity to adequately detain the additional storm water run-off associated with the "new" development to pre-project discharge rates. At such time as when the existing temporary drainage basin reaches capacity and is inadequate to provide proper storm water detention, the permanent drainage basin shall be built concurrently with any new construction activities within the Northern Watershed. The drainage impact studies shall be accompanied with all supporting technical information and calculations and shall be completed to the satisfaction of the City Engineer. Prior to approval of improvements for the first new building to be constructed after execution of this Amendment within the Undeveloped Southern Watershed (as such watershed is described in Section 3.4.4 below), Landowner shall prepare a Master Drainage Impact Study for the on-site drainage facilities for the Watershed to the satisfaction of the Public Works Director/City Engineer. The Drainage Impact Study shall identify the size and location of the major drainage facilities proposed for the Undeveloped Southern Watershed within the Property relative to drainage impacts, and shall be accompanied by all supporting technical information and calculations.

North Industrial Specific Plan – Hewlett Packard Master Plan DEVELOPMENT AGREEMENT IMPLEMENTATION MATRIX

	BBC Roseville Oaks, LLC: Amendment #4 Landowner has prepared an updated drainage impact study for the Campus Oaks Property that evaluates the size and location of all necessary on- site drainage facilities required to treat and convey all storm water from the Campus Oaks Property to current City Standards. The updated drainage impact study includes a full description of Low Impact Development (LID) and Hydro-modification per the requirements of the City's State-issued NPDES permit. Full capture of trash will be required as and to the extent required by applicable City and state standards and the City's State-issued NPDES permit, for all storm water leaving priority land uses as defined within the permit. Subsequent drainage analysis will accompany the approval of future entitlement requests and shall be used as the basis of construction drawings.

Status	Ongoing obligation
Section	3.4.3
Title	Storm Drains
Obligation	Hewlett Packard Company: LANDOWNER shall construct storm drain mains and laterals in accordance with CITY's then current improvement standards and shall provide laterals to serve all buildings on the Property. Storm drain laterals shall be constructed to the property line concurrently with the construction of connecting open channels or storm drain mains.
Department	Engineering Division
Status	Ongoing obligation
Section	3.4.4
Title	Detention Basins Amendment #1 – Ord. #3665 Amendment #2 – Ord. #5548 Amendment #6 – Ord. #5829
Obligation	Hewlett Packard Company: LANDOWNER intends to serve the surface water drainage requirements for the development of the Property with the two drainage detention basins proposed for the Property, as generally shown on Exhibit "E" hereto and marked thereon as the "Northern Detention Basin" and the "Southern Detention Basin" (collectively, The "Drainage Basins"). The Northern Detention Basin is designed to serve the drainage needs for development within the area identified on Exhibit "E" as the "Undeveloped Northern Watershed" and the Southern Detention Basin is designed to serve the drainage needs for development within the area shown on Exhibit "E" as the "Undeveloped Southern Watershed." LANDOWNER also intends to serve the drainage needs for the initial development of the Undeveloped Northern Watershed with a temporary detention basin, located in the northwest corner of the Property as shown on Exhibit "E" (the "Temporary Basin"), which will be designed to store a minimum of five (5) acre feet of water. The design and location of the Drainage Basins and the Temporary Basin shall be subject to CITY review and approval as part of the Master Drainage Impact Study. Upon the issuance of a building permit for the construction of any structure or buildings within the Undeveloped Southern Watershed, LANDOWNER shall commence construction of the Southern Detention Basin and complete construction in a timely manner. Provided, however, LANDOWNER shall not be obligated to construct the Southern Detention Basin in order to construct road improvements or utilities within the Undeveloped Southern Watershed or in connection with the construction by CITY of either the well site or the electrical substation that may be located therein. Upon the issuance of a building permit for the

North Industrial Specific Plan – Hewlett Packard Master Plan DEVELOPMENT AGREEMENT IMPLEMENTATION MATRIX

	construction of any structure or building within the Undeveloped Northern Watershed, LANDOWNER shall commence construction of either the Temporary Basin or the Northern Detention Basin, as required hereby and complete construction in a timely manner. If LANDOWNER elects to construct the Temporary Basin, then up to fifty percent (50%) of the land within the Undeveloped Northern Watershed may be developed by LANDOWNER in reliance upon LANDOWNER's construction of the Temporary Basin. Thereafter, if and when LANDOWNER applies for a building permit which, in the aggregate, will develop more than fifty percent (50%) of the land within the Undeveloped Northern Watershed, LANDOWNER shall construct the Northern Detention Basin. Alternatively, if and when any other development (either within the Property, by CITY or by others) requires the construction of Woodcreek Oaks Boulevard such that the remaining portion of the Temporary Basin is not then adequate to serve the drainage needs of the Undeveloped Northern Watershed then developed or proposed to be developed by LANDOWNER, LANDOWNER shall construct the Northern Detention Basin. When the Northern Detention Basin is constructed, any requirement to maintain the Temporary Basin for detention purposes shall terminate and the Temporary Basin shall be filled/graded to a condition acceptable to the City Engineer. If any development of the commercial site located at the northwest corner of the Property is proposed by LANDOWNER prior to construction of the Northern Detention Basin, such development shall be designed both to accommodate continued surface water drainage to the Temporary Basin located at such site and preserve LANDOWNER's ability to ultimately construct the Northern Detention Basin. At the time of issuance of a building permit for any such northwest commercial development, LANDOWNER shall provide reasonable assurances to CITY that LANDOWNER has retained adequate access across such site for purposes of its future construction of the Northern Detention Basin. LANDOWNER shall be solely responsible for all maintenance to the Northern and Southern Detention Basins and the Temporary Basin, as and when such Basins are developed for detention purposes as well as the area of the one hundred (100) year floodplain for the South Branch of Pleasant Grove Creek. Prior to construction of any of the Basins, LANDOWNER shall execute an agreement with CITY which specifies LANDOWNER's maintenance responsibilities for the Basins. CITY shall have the right of access to the Basins without prior notice for emergency purposes as determined by the City Engineer. Upon request of CITY, LANDOWNER shall cooperate with reasonable inspections of the Basins and of the maintenance thereof by LANDOWNER, provided LANDOWNER may require a representative thereof to attend and monitor any such inspection by CITY. 3.4.4 Detention Basins. LANDOWNER intends to serve the surface water drainage requirements for the development of the Property with the two drainage detention basins proposed for the Property, as generally shown on Exhibit "E" hereto and marked thereon as the "Northern Detention Basin" and the "Southern Detention Basin" (collectively, the "Drainage Basins"). The Northern Detention Basin is designed to serve the drainage needs for development within the area identified on Exhibit "E" as the "Undeveloped Northern Watershed" and the Southern Detention Basin is designed to serve the drainage needs for development within the area shown on Exhibit "E" as the "Undeveloped Southern Watershed." LANDOWNER also intends to serve the drainage needs for the initial development of the Undeveloped Northern Watershed with a temporary detention basin, located in the north portion of the property between Collector B and Collector C as shown on Exhibit "E" (the "Temporary Basin"), which will be designed to store a minimum of five (5) acre feet of water. The design and location of the Drainage Basins and the Temporary Basin shall be subject to CITY review and approval as part of the drainage impact studies.
--	--

North Industrial Specific Plan – Hewlett Packard Master Plan DEVELOPMENT AGREEMENT IMPLEMENTATION MATRIX

	Upon the issuance of a building permit for the construction of any structure or buildings within the Undeveloped Southern Watershed, LANDOWNER shall commence construction of the Southern Detention Basin and complete construction in a timely manner. Provided, however, LANDOWNER shall not be obligated to construct the Southern Detention Basin in order to construct road improvements or utilities within the Undeveloped Southern Watershed or in connection with the construction by CITY of either the well site or the electrical substation that may be located therein. Upon the issuance of a building permit for the construction of any structure or building within the Undeveloped Northern Watershed, LANDOWNER shall commence construction of either the Temporary Basin or the Northern Detention Basin, as required hereby and complete construction in a timely manner. LANDOWNER may develop the Undeveloped Northern Watershed relying on the Temporary Basin until such time as the Temporary Basin is no longer adequate to serve the drainage needs of the Undeveloped Northern Watershed, based upon the studies provided as required by section 3.4.1. At which time, LANDOWNER shall construct the Northern Detention Basin. When the Northern Detention Basin is constructed, any requirement to maintain the Temporary Basin for detention purposes shall terminate and the Temporary Basin shall be filled/graded to a condition acceptable to the City Engineer. LANDOWNER shall be solely responsible for all maintenance to the Northern and Southern Detention Basins and the Temporary Basin, as and when such Basins are developed for detention purposes as well as the area of the one hundred (100) year floodplain for the South Branch of Pleasant Creek. Prior to construction of any of the Basins, LANDOWNER shall execute an agreement with CITY which specifies LANDOWNER's maintenance responsibilities for the Basins. CITY shall have the right of access to the Basins without prior notice for emergency purposes as determined by the City Engineer. Upon request of CITY, LANDOWNER shall cooperate with reasonable inspections of the Basins and of the maintenance thereof by LANDOWNER, provided LANDOWNER may require a representative thereof to attend and monitor any such inspection by CITY. Hewlett Packard Company and BBC Roseville Oaks, LLC: <i>Amendment #2 – delete all reference to Northern Detention Basin and Undeveloped Northern Watershed</i> Quality Investment Properties: Amendment #6 – delete all reference to Northern Detention Basin and the Undeveloped Northern Watershed. 3.4.4 Detention Basins. LANDOWNER intends to serve the surface water drainage requirements for the development of the Property with the two drainage detention basins proposed for the Property, as generally shown on Exhibit "E" hereto and marked thereon as the "Northern Detention Basin" and the "Southern Detention Basin" (collectively, the "Drainage Basins"). The Northern Detention Basin is designed to serve the drainage needs for development within the area identified on Exhibit "E" as the "Undeveloped Northern Watershed" and the Southern Detention Basin is designed to serve the drainage needs for development within the area shown on Exhibit "E" as the "Undeveloped Southern Watershed." LANDOWNER also intends to serve the drainage needs for the initial development of the Undeveloped Northern Watershed with a temporary detention basin, located in the north portion of the property between Collector B and Collector C as shown on Exhibit "E" (the "Temporary Basin"), which will be designed to store a minimum of five (5) acre feet of water. The design and location of the Drainage Basins and the Temporary Basin shall be subject to CITY review and approval as part of the drainage impact studies.

Status	Ongoing obligation
Section	3.5.2
Title	On-Site Water Lines Amendment #3 – Ord. #5533 – deleted section Amendment #4 – Ord. #5334
Obligation	Hewlett Packard Company: LANDOWNER shall construct all on-site water lines, including those major on-site transmission mains shown on Exhibit "F", as and when required for development within the Property. All such improvements, including mains and flow monitoring stations, shall be constructed pursuant to CITY's Improvement Standards and shall be subject to CITY plan review, construction inspection and final approval. LANDOWNER shall pay then current plan check and inspection costs as incurred by CITY for review and inspection of any such improvements. Sizing of pipes shall be as set forth on said Exhibit "F." Notwithstanding any other provision of this Agreement, unless fire flows are maintained and a non-loop system is approved by the Environmental Utilities Director, all areas of the Property shall at all times be supplied by a loop system. LANDOWNER shall install backflow devices to CITY's then current specification at each point where a non-City on-site water line joins CITY-owned water supply system. BBC Roseville Oaks, LLC: Amendment #4 Landowner shall construct all on-site water lines, including those major on-site transmission mains shown on Exhibit E, as and when required for development within the Campus Oaks Property, as determined by the City based on the timing and scope of development of the Campus Oaks Property from time to time proposed by Landowner. All such improvements shall be constructed pursuant to City's Improvement Standards and shall be subject to City plan review, construction inspection and final approval. Landowner shall pay then current plan check and inspection costs as incurred by City

**North Industrial Specific Plan – Hewlett Packard Master Plan

	for review and inspection of any such improvements. Sizing of pipes shall be as set forth on said Exhibit E, subject to any revisions thereto as deemed necessary by the City to serve development of the Campus Oaks Property based on any water master plan updates required by the City in connection with Landowner's development. Notwithstanding any other provision of this Agreement, unless fire flows are maintained and a non-loop system is approved by the Environmental Utilities Director, all areas of the Campus Oaks Property shall at all times be supplied by a loop system. Landowner shall install backflow devices to City's then current specifications at each point where a private on-site water line joins the City-owned water supply system.
Department	Environmental Utilities
Status	Ongoing obligation
Section	3.5.2.A
Title	Phasing of On-Site Lines Amendment #4 – Ord. #5534
Obligation	Hewlett Packard Company: The water phasing plan shall consist of the development and extension of an on-site looped water system as shown on Exhibit "F". All development, including the existing campus adjacent to Foothills Boulevard, will be served by the City of Roseville's existing 24" water line. Development of the property north of Collector A will extend a 12" water main along Collector A, as such Collector is extended into the Property. This line will serve all property located north of Collector A and east of Collector B and will eventually be connected to a 16" water line that will be extended southerly along Collector B from a connection to the 24" water line proposed to be constructed in Blue Oaks Boulevard by others. The 16" line will extend southerly along Collector B, which will serve the development of all property located to the west of Collector B. At the time the 16" line has been extended along Collector B to Arterial A, then a 12" water line will be extended southerly along the existing south campus loop, connecting to the existing 12" line at Foothills Boulevard, thereby completing an internal water loop from Foothills Boulevard to Blue Oaks Boulevard. Additional 12" water lines will be extended westerly from Collector B, along Collector A and Arterial A, and provide connection to a future 24" water line to be constructed in Woodcreek Oaks Boulevard by others. CITY shall have no right to require any changes, modifications or increases in the on-site water line system described above, provided LANDOWNER may request changes thereto, subject to the reasonable review and approval of the Environmental Utilities Director. BBC Roseville Oaks, LLC: Amendment #4 The water phasing plan shall consist of the development and extension of an on-site looped water system as shown on Exhibit E, as and when required by the City to be installed by Landowner based on the portion(s) of the Campus Oaks Property then proposed for development by Landowner. All development will be served by the City of Roseville's existing 24" water line. At a minimum, as and when Landowner proposes to install any roadways within the Campus Oaks Property within which the water lines shown on Exhibit E will be located, Landowner shall be obligated to install the water lines located within such road rights of way. In particular, and without limitation thereof, in consideration of Landowner's commitment to construct all of HP Way within the Campus Oaks Property prior to recordation of the first small-lot subdivision map or issuance of the first building permit within the Campus Oaks Property, Landowner shall be obligated to install the water lines proposed to be located within HP Way concurrently with its construction thereof. Except as provided above based on any water master plan updates required by the City, City shall have no right to require any changes, modifications or increases in the on-site water line system set forth in Exhibit E, provided Landowner may request changes thereto, subject to the reasonable review

North Industrial Specific Plan – Hewlett Packard Master Plan DEVELOPMENT AGREEMENT IMPLEMENTATION MATRIX

	and approval of the Environmental Utilities Director.
Department	Environmental Utilities Department
Status	Ongoing obligation
Section	3.5.2.B
Title	Review of Plans for Adjacent 24" Water Lines Amendment #4 – Ord. #5534
Obligation	Hewlett Packard Company: CITY shall provide LANDOWNER with the right to review the plans to be prepared by others for the construction of the 24" line within Blue Oaks Boulevard and within Woodcreek Oaks Boulevard. LANDOWNER shall have the right, upon such review, to request that certain "T" joints be sized and installed at the following points along such lines to serve development within the Property the intersection of Blue Oaks Boulevard with Collector B or Collector C and the intersection of Woodcreek Oaks Boulevard with Arterial A or Collector A. LANDOWNER shall be responsible for the payment of the actual hard cost of including such "T" joints as part of the construction of such lines, consisting of the identifiable and commercially reasonable costs of design, engineering and construction actually incurred for such work. In the event any such water line is being constructed by a third party, CITY shall coordinate and assist LANDOWNER with arranging for inclusion of the "T" joints in the work by the third party; provided, however, the terms of payment of the hard costs as defined above shall be a matter to be determined by the parties on a commercially reasonable basis. BBC Roseville Oaks, LLC: Amendment #4 Landowner shall offer to dedicate to City a public utility easement for the ownership and maintenance of all water lines to be installed within the Campus Oaks Property, and City shall accept such lines, subject to improvement of the water lines to the then current City standard. In the event Landowner subdivides any portion of the Campus Oaks Property, all lots or parcels created by such subdivision shall be required to be served with water service from a City-owned water line located within an accepted public utility easement and shall install backflow devices and meters as required by City. Until City accepts any such public utility easement(s), Landowner shall be responsible for maintenance of all on-site water lines and facilities and backflow devices.
Department	Environmental Utilities Department
Status	Ongoing obligation
Section	3.5.2.C
Title	Public Utility Easements Amendment #4 – Ord. #5534
Obligation	Hewlett Packard Company: At LANDOWNER'S discretion, LANDOWNER may offer to dedicate to CITY a public utility easement for the ownership and maintenance of any such water lines, and CITY may accept, accept subject to improvement of the water lines to the then current CITY standard, or reject said easements. In the event LANDOWNER subdivides any portion of the Property, all lots or parcels created by such subdivision shall be required to be served with water service from a CITY owned water line located within an accepted public utility easement and shall install backflow devices and meters as required by CITY. LANDOWNER shall also grant, upon request of CITY, a public utility easement for the 24" water line to be installed within Woodcreek Oaks Boulevard. Until CITY accepts any such public utility easement(s), LANDOWNER shall be responsible for maintenance of all on-site water lines and facilities and backflow devices. BBC Roseville Oaks, LLC:

**North Industrial Specific Plan – Hewlett Packard Master Plan
DEVELOPMENT AGREEMENT IMPLEMENTATION MATRIX**

	Amendment #4 Landowner hereby offers to dedicate to City a groundwater well site in the area within the Campus Oaks Property referred to as Parcel CO- 76 and generally shown on Exhibit F attached hereto (the "Well Site"). As shown thereon, the Well Site is adjacent to and shall have access to the 16" water line to be installed within Painted Desert Drive. The Landowner shall be responsible for the construction of a monitoring well for determining water production and quality. The Landowner shall contact the City prior to construction of the monitoring well to receive approval from the City Environmental Utilities Director on the associated construction and sampling plans. The monitoring well shall be commenced prior to the issuance of the first building permit. The production well casing will be designed for Aquifer Storage and Recover (ASR) purposes. Financing for the costs of the production well are included in the City Water Department's CIP program and as such the City shall be responsible for constructing the production well and the above ground improvements such as pumping, treatment and well building facilities. It is the intent of this Section 3.5.2.C (and the Parties) that the groundwater well location identified within the Campus Oak Master Plan be capable of achieving a yield of approximately 1,800 gallons per minute and the groundwater is of such quality that only disinfection will be required to meet California Drinking Water Quality Standards. Should the City determine the available capacity or water quality does not achieve these objectives, Landowner shall, at its own cost, work with the City to relocate the site within the Campus Oaks Master Plan until these objectives are satisfied. If no satisfactory site can be identified within the Campus Oaks Master Plan, and upon approval from the City Environmental Utilities Director, an off-site location may be identified and the monitoring well drilled at the alternative site at Landowners expense. All conditions set forth in this Section 3.5.2.C shall remain in force. Landowner shall offer to dedicate to City, without compensation and upon recordation of the Large Lot Map, the Well Site identified as Parcel CO-76. Landowner shall be responsible for installing all frontage improvements to Parcel CO-76, including storm drainage, water, wastewater, electric and fiber. The storm drain shall be sized with sufficient capacity to enable flows up to 1,800 gallons per minute to facilitate flushing the water well. The use of such Well Site shall be limited for the purpose of constructing and maintaining an ASR groundwater well for potable water storage recovery and appurtenant uses. The term of this dedication shall commence upon the Effective Date of this Agreement and shall terminate on the expiration of this Agreement or upon written notice from City that it will not need the Well Site for potable water purposes, whichever occurs first.

Status	Ongoing obligation
Section	3.5.5
Title	Water System Sequencing Amendment #4 – Ord. #5534
Obligation	BBC Roseville Oaks, LLC: Water system facilities shall be constructed as required by the City and concurrently with the construction of the road improvements described in Section 3.8 of this Agreement. Extensions into the neighborhoods will be completed with their respective development. Water line extensions shall be sequenced to assure looped systems in all developing areas, except as otherwise approved by the Environmental Utilities Director.
Department	Environmental Utilities Department
Status	Ongoing obligation
Section	3.5.6
Title	Public Utility Easements Amendment #4 – Ord. #5534
Obligation	BBC Roseville Oaks, LLC: Where the water improvements to be constructed by Landowner are not located within road rights-of-way, as and when Landowner installs such water facilities, Landowner shall grant and City shall accept a non-exclusive public utility easement the width of which shall be in accordance with City's then current Improvement Standards, for the ownership and maintenance of such lines, together with access thereto for maintenance purposes.
Department	Environmental Utilities Department
Status	Ongoing obligation
Section	3.5.7
Title	Disclose to Buyers Amendment #4 – Ord. #5534
Obligation	BBC Roseville Oaks, LLC: Landowner shall disclose to all residential and nonresidential buyers that the Campus Oaks Property will be served by both surface water and groundwater supplies and that variations in the appearance, taste and color of water may be noticed from time to time and include such disclosure in the CC&Rs for the Campus Oaks Property. The disclosure shall describe the location of the groundwater well. As further disclosure Landowner shall install signage at the Well Site on Parcel CO- 76 describing the facilities to be constructed on the subject site. Signs shall be provided per City specifications. The Environmental Utilities Director must review and approve sign layouts prior to installation.

Status	Ongoing obligation
Section	3.6
Title	Sewer Improvements Amendment #3 – Ord. #5533
Obligation	Hewlett Packard Company: LANDOWNER shall provide on-site improvements to the sewer system as provided in this section, and as shown on Exhibit "G". LANDOWNER shall have no obligation to install or pay for the installation of any off-site treatment or transmission facilities, except for the payment of sewer connection fees levied and collected by CITY at the time of development pursuant to the existing CITY ordinances. <u>3.6.1 Improvement Standards.</u> All sanitary sewer improvements shall be constructed pursuant to CITY's then current Improvement Standards and shall be subject to CITY plan review, construction inspection and final approval. LANDOWNER shall pay then current plan check and inspection costs as incurred by CITY for review and inspection of any such improvements. All sewer system improvements shall include protection from hydrogen sulfide generated corrosion.
Department	Environmental Utilities Department
Status	Ongoing obligation
Section	3.6.2
Title	Phasing of On-Site Lines/Interim Connections Amendment #1 – Ord. #3665 Amendment #2 – Ord. #5533 – Section Deleted Amendment #6 – Ord. #5829 – Sewer Improvements
Obligation	Hewlett Packard Company: As shown on Exhibit "G", the areas of the Property for purposes of sewer service are divided into the Northeast Area Interim Sewer (the "Northeast Area") and the balance of the Property to be developed. Development of the Northeast Area, which contains a light industrial site and a 6.5-acre commercial site, will be sewerod on an interim basis by the existing 10" sanitary sewer located in Foothills Boulevard. Development of any portion of the remaining Property will require construction of the additional 12" and 15" sewer lines located west of the Northeast Area, as shown on Exhibit "G" (the "West Sewer Lines"), which will extend to the existing 21" gravity main along the southern boundary of the Property. CITY shall allow LANDOWNER to develop within the Northeast Area so long as capacity is available within the 10" main. CITY shall constantly monitor the available capacity within said 10" main. For the purposes of determining whether capacity remains available in the 10" main, capacity will be presumed to be available as long as the flow in the main does not exceed fifty percent (50%) of its capacity and more than twenty-five percent (25%) of the land within the service area of the line remains to be developed. If twenty-five percent (25%) or less of the land within the service area of the line remains to be developed, and if the flow in the main still does not exceed fifty percent (50%) of its capacity, LANDOWNER may continue to utilize the 10" line unless CITY determines while processing development entitlements for any of the land within the remaining twenty-five percent (25%) of the service area that fifty percent (50%) of the capacity of the line will be needed to service the new development. In such case, CITY may demand that LANDOWNER install or complete its installation of the West Sewer Lines and install the additional 12" sewer line shown for the Northeast Area, so that all development within the Northeast Area can be served by such lines and the use of the 10" main can thereby be terminated. Upon any such demand of CITY, LANDOWNER shall use its best efforts to complete the design and construction of such lines within twelve (12) months of its receipt of such demand, provided the commencement and completion thereof shall be extended due to any

North Industrial Specific Plan – Hewlett Packard Master Plan DEVELOPMENT AGREEMENT IMPLEMENTATION MATRIX

	delays beyond LANDOWNER's reasonable control. For development within the Northeast Area, LANDOWNER shall pay the then-current sewer connection fee for Zone 8 of Sewer Special Benefit Area No. 2, in addition to such other sewer connection fees as may be applicable pursuant to section 2.4.2; provided, however, in the event the use by LANDOWNER of the 10" main becomes permanent under the conditions of the previous paragraph, then LANDOWNER shall, upon demand by CITY, pay the then-current incremental difference in the fee between that for Zone 8 and that for Zone 7 of Sewer Benefit Area No. 2. In the event CITY constructs sewer treatment facilities to the north or west of the Property, and such facilities may be reached by a gravity flow sanitary sewer main which connects or will connect with the West Sewer Line at the northwestern corner of the Property, LANDOWNER may connect to any such main and, if it has not already been constructed, need not construct the West Sewer Line along the western boundary of the Property. In the event, however, LANDOWNER constructs the West Sewer Line along the western boundary of the Property and thereafter utilizes it on a permanent basis, then LANDOWNER shall pay the then-current incremental difference in the fee between that for Zone 8 and that for Zone 9 of Sewer Benefit Area No. 2. As shown on Exhibit "G," the areas of the Property for purposes of sewer service are divided into the Northeast Area Interim Sewer (the "Northeast Area") and the balance of the Property to be developed. Development of the Northeast Area, as depicted, will be sewer by the existing 10" sanitary sewer located in Foothills Boulevard. Development of any portion of the remaining Property which cannot connect sewer directly into existing 36"/42" sewer lines along Woodcreek Oaks Boulevard will require construction of the additional 12" sewer line along Blue Oaks Boulevard to connect to the existing sewer lines located along the western boundary of the Property, as shown on Exhibit "G". CITY shall allow LANDOWNER to develop within the Northeast Area so long as capacity is available within the 10" main. CITY shall constantly monitor the available capacity within said 10" main. For the purposes of determining whether capacity remains available in the 10" main, capacity will be presumed to be available as long as the flow in the main does not exceed fifty percent (50%) of its capacity and more than twenty-five percent (25%) of the land within the service area of the line remains to be developed. If twenty-five percent (25%) or less of the land within the service area of the line remains to be developed, and if the flow in the main still does not exceed fifty percent (50%) of its capacity, LANDOWNER may continue to utilize the 10" line unless CITY determines while processing development entitlements for any of the land within the remaining twenty-five percent (25%) of the service area that fifty percent (50%) of the capacity of the line will be needed to service the new development. In such case, CITY may demand that LANDOWNER install the 12" sewer line to connect to the existing 36"/42" sewer line along the west boundary of the Property as shown on Exhibit G so that all development within the Northeast Area can be served by such lines and the use of the 10" main can thereby be terminated. CITY's demand that LANDOWNER install the 12" sewer line shall be delivered to LANDOWNER in writing on or before August 1 of the calendar year in which such demand is made. Upon receipt of such demand, LANDOWNER shall use its best efforts to complete the design and construction of such lines by December 31 of the following calendar year, and completion thereof shall be extended due to any delays beyond LANDOWNER's reasonable control. For development within the Northeast Area, LANDOWNER shall pay the then-current sewer connection fee for Zone 8 of Sewer Special Benefit Area No. 2, in addition to such other sewer connection fees as may be applicable pursuant to section 2.4.2; provided, however, in the event the use by LANDOWNER of the 10" main becomes permanent under the conditions of the previous paragraph, then LANDOWNER shall, upon demand by CITY, pay the then-current incremental difference in the fee between

	that for Zone 8 and that for Zone 7 of Sewer Benefit area No. 2. Quality Investment Properties Amendment #6 For purposes of Section 3.6.2 of the Development Agreement, CITY hereby agrees that the planned construction of the sewer line within Painted Desert Drive by BBC Roseville Oaks, for which LANDOWNER has paid its fair share based upon the vested rights in Section 2.2 pursuant to a Settlement Agreement between CITY, BBC Roseville Oaks and LANDOWNER, is designed to sewer the existing and future development of Parcel 2 and Parcel 3 consistent with the vested Entitlements to connect to the existing sewer lines in Woodcreek Oaks Boulevard in place of the 12" sewer line along Blue Oaks Boulevard. LANDOWNER shall have no obligation or right to construct the additional 12" sewer line along Blue Oaks Boulevard to sewer development of the Property. LANDOWNER and CITY hereby agree that except to the extent clarified herein, all other terms and provisions of Section 3.6.2 shall remain in full force and effect.
Department	Environmental Utilities
Status	The former 15" sewer line is now a 36" /42" sewer line along HP's western boundary and is complete. To date, the City has not requested HP to construct the 12" sewer line for the Northeast area. Ongoing obligation
Section	3.6.2.A
Title	Onsite Sewer Lines within Campus Oaks Property Amendment #4 – Ord. #5534
Obligation	BBC Roseville Oaks, LLC: Landowner shall construct all on-site sewer lines within the Campus Oaks Property, including those major on- site transmission mains shown on Exhibit G, as and when required for development within the Campus Oaks Property, as determined by the City based on the timing and scope of development of the Campus Oaks Property from time to time proposed by Landowner. Sizing of pipes shall be as set forth on said Exhibit G, subject to any revisions thereto prior to construction thereof as deemed necessary by the City to serve development of the Campus Oaks Property and as may also be needed to serve planned development of other Property within the Master Plan Area based on any sewer master plan updates required by the City in connection with Landowner's development. If City requires such upsizing, City will be responsible for the costs of such upsizing in recognition that Landowner will be sizing the Infrastructure CFD financing to install the system described in Exhibit G. The sewer phasing plan for the Campus Oaks Property shall consist of the development and extension of the sewer transmission mains as shown on Exhibit G, as and when required by the City to be installed by Landowner based on the portion(s) of the Campus Oaks Property then proposed for development by Landowner. At a minimum, as and when Landowner proposes to install any roadways within the Campus Oaks Property within which the sewer lines shown on Exhibit G will be located, Landowner shall be obligated to install the sewer lines located within such road rights of way. In particular, and without limitation thereof, in consideration of Landowner's commitment to commence construction of all of HP Way within the Campus Oaks Property prior to issuance of the first building permit within the Campus Oaks Property, Landowner shall be obligated to install the sewer lines proposed to be located within HP Way concurrently with its construction thereof. Except as provided above based on any sewer master plan updates required by the City, City shall have no right to require any changes, modifications or increases in the on-site sewer line system set forth in Exhibit G, provided Landowner may request changes thereto, subject to the reasonable review and approval of the Environmental Utilities Director.

**North Industrial Specific Plan – Hewlett Packard Master Plan
DEVELOPMENT AGREEMENT IMPLEMENTATION MATRIX**

	Landowner acknowledges that, if any sewer line, or portion thereof, is installed within the Campus Oaks Property by other owners within the Master Plan Area prior to Landowner's development of the Campus Oaks Property that requires such sewer line, Landowner will be obligated to reimburse such other constructing owner for its share of the cost thereof, or portion thereof then serving development of the Campus Oaks Property, in accordance with the reimbursement provisions related thereto in the Second Amendment. Similarly, if Landowner installs any sewer line improvements within Campus Oaks that are sized or used to serve development of other Parcels within the Master Plan Area, City shall use good faith efforts to cause the owner(s) of such benefitted Parcel(s) to reimburse Landowner for its share of the cost thereof consistent with the reimbursement provisions of the Second Amendment."

Title	Road Improvements Amendment #2 - Ord. #5548 Amendment #3 – Ord. #5533 Deleted Section 3.8.1 through 3.8.4 Amendment #4 – Ord. #5534 Revised section 3.8.1.A & 3.8.1.B Amendment #6 – Ord. #5829
Obligation	Hewlett Packard Company: <u>3.8.1 Blue Oaks Boulevard</u> 3.8.1.A LANDOWNER shall construct at its ultimate location the southerly thirty two feet (32') of pavement, the curb and gutter, the streetlights, and an eight foot (8') separate sidewalk, for Blue Oaks Boulevard, from its intersection with Foothills Boulevard to its intersection with Woodcreek Oaks Boulevard as shown in cross-section in Exhibit C-1. LANDOWNER may, in its discretion, construct such improvements in successive portions as provided herein. When LANDOWNER constructs an intersection with Blue Oaks Boulevard at Woodcreek Oaks Boulevard, Collector B or Collector C, or receives a building permit for a building located within three hundred feet (300') or less of the southerly boundary of the right of way for Blue Oaks Boulevard, LANDOWNER shall construct the foregoing improvements from Foothills Boulevard (or the most westerly point at which the improvements have then been completed) to the new intersection or the most westerly edge of the proposed new building improvements. All improvements to be installed by LANDOWNER shall comply with CITY's then current standards for public streets. Quality Investment Properties: Amendment #6 "3.8.1. <u>Blue Oaks Boulevard</u>. Blue Oaks Boulevard frontage improvements for Parcel 3 will be completed pursuant to the Settlement Agreement between CITY, BBC Roseville Oaks and LANDOWNER. Accordingly, Landowner shall only be responsible for the finished grading of the landscaped corridor adjacent to Blue Oaks Boulevard, the construction of an eight foot wide (8') separated sidewalk for Blue Oaks Boulevard frontage from its intersection with Foothills Boulevard to its intersection with New Meadow Drive, as shown in cross-section in Exhibit C-1, construction of a bus turnout, shelter pad and bus shelter on Blue Oaks Boulevard east of New Meadow Drive, and the completed landscaping and landscape irrigation within the fifty-foot wide (50') landscape set back adjacent to Blue Oaks Boulevard. With the approval of future development plans for Parcel 3, LANDOWNER will be responsible for the installation of all standard improvements associated with access to and from public roads, as determined by CITY. When LANDOWNER constructs an intersection with Blue Oaks Boulevard or receives a building permit for a building located within three hundred feet (300') or less of the southerly boundary of the right of way for Blue Oaks Boulevard, LANDOWNER shall construct the sidewalk improvements from Foothills Boulevard to the western property boundary and the bus turnout, shelter pad and bus shelter. CITY may, at its sole discretion, allow for the construction of the sidewalk and landscaping to be phased. All improvements to be installed by LANDOWNER shall comply with CITY's

North Industrial Specific Plan – Hewlett Packard Master Plan DEVELOPMENT AGREEMENT IMPLEMENTATION MATRIX

	then current standards. The bus turnout, shelter and related improvements shall conform to CITY's then current standards. LANDOWNER and CITY may enter into a deferred improvement or other agreement based on a construction cost of ten thousand dollars (\$10,000) per shelter for future construction of the bus shelter (#282) on Blue Oaks Boulevard east of New Meadow Drive. A separate easement shall be dedicated to CITY for the bus shelter pad. The easement shall be drafted for approval and acceptance by CITY and recorded at the Office of the Placer County Recorder." BBC Roseville Oaks, LLC: Amendment #4 3.8.1. A (Completed) <i>Landowner shall construct the frontage improvements along Blue Oaks Boulevard consisting of curb, gutter and remaining asphalt to connect to the existing Blue Oaks Boulevard roadway improvements, streetlights, and electric trench to underground the existing 12kv electric line from its intersection with Foothills Boulevard to its intersection with Woodcreek Oaks Boulevard, as shown in cross-section in Exhibit C-1. Unless otherwise constructed in part by the owner of Parcel 3 in connection with its development of Parcel 3 prior to development of the Campus Oaks Property, Landowner shall commence construction of the foregoing improvements along Blue Oaks Boulevard between Foothills Boulevard and Woodcreek Oaks Boulevard within twelve (12) months of the first sale of bonds by the Infrastructure CFD (which will include the amount then estimated by the City to construct such improvements), subject to the City's good faith processing of the improvement plans for Blue Oaks Boulevard pursuant to this Agreement. Improvements to Blue Oaks Boulevard shall be completed within three (3) years from the earlier of the following: (1) sale of bonds by the first Infrastructure CFD acquisition; (2) if Landowner receives a building permit for a building located within three hundred feet (300') or less of the southerly right of way for Blue Oaks Boulevard; or (3) any roadway connection is made to Blue Oaks Boulevard, whichever occurs first. Provided, however, Landowner shall not be obligated to install any portion of the frontage improvements along Parcel 3 if and to the extent the installation thereof requires the cooperation of the owner thereof to provide construction access and right of way dedication to facilitate such construction and such necessary access and right of way dedication is not provided by such owner.</i> Sidewalk improvements shall not be required to be installed along Blue Oaks Boulevard within the Campus Oaks Property except in connection with the issuance of a building permit for a building within Campus Oaks Property within 300' or less of the Blue Oaks Boulevard right of way, in which case such sidewalk improvements shall be installed by the applicant for such building permit. All improvements to be installed by Landowner shall comply with City's then current standards for public streets. Auxiliary lanes, deceleration lanes and bus turnouts can encroach into the public utility easement (PUE)/landscape setback easement (LSE). 3.8.1. B In the event LANDOWNER constructs the improvements to Blue Oaks Boulevard as set forth in subsection (A) above, LANDOWNER shall be entitled to be reimbursed by CITY for the hard costs of constructing the northerly fourteen feet (14') of pavement, consisting of the identifiable and commercially reasonable costs of the design, engineering and construction as actually incurred by LANDOWNER for the work. LANDOWNER shall be reimbursed pursuant to Section 4.2.1. BBC Roseville Oaks, LLC:

Section	3.8.7
Title	Intersections
Obligation	Hewlett Packard Company: As, if and when LANDOWNER constructs an intersection of Collector A, B or C, or Arterial A with Foothills Boulevard, Blue Oaks Boulevard or Woodcreek Oaks Boulevard, or a driveway thereto, LANDOWNER shall install such improvements for such intersection or driveway, from the adjacent lane of pavement of the Boulevard into the Property to the connection with such internal roadway or in the median, as CITY may require in accordance with CITY's then current improvement standards.
Department	Engineering Division
Status	Ongoing obligation
Section	3.8.8
Title	Timing of and Standards for Internal Roadways Amendment #4 - Ord. #5534
Obligation	Hewlett Packard Company: Subject to compliance with all other provisions of this Agreement, LANDOWNER shall have complete discretion to construct its on-site, internal roadway improvements to the extent desired thereby to provide access to the parcel(s) within the Property then being developed by LANDOWNER, subject only to the review and approval of the Director of Public Works/City Engineer as to the need for any secondary emergency access to such development; provided however, in the event CITY reasonably anticipates in conjunction with the issuance of a new building permit that any intersection of a roadway from the property with a CITY roadway might operate at a level-of- service which would be lower than the minimum level required by the General Plan, or that safety/operational problems may be likely to occur at any such intersection, CITY may require LANDOWNER to complete a study to analyze traffic impacts from the new development upon CITY's then existing roadway system. If CITY then determines that any intersection of a roadway from the Property with a CITY roadway would operate at a level-of-service which would be lower than the minimum level required by the General Plan, or that safety/operational problems would be likely to occur at any such intersection, LANDOWNER agrees to institute, within twelve (12) months of such determination, any mitigation measures acceptable to the Director of Public Works/City Engineer which would restore the intersection to a level-of-service which complies with the General Plan or alleviate the public safety/operational problem. Such mitigation measures may include, but are not necessarily limited to, construction of additional capacity improvements at the affected intersections or the construction of new access to the Property. Except to the extent expressly required by this Agreement, LANDOWNER shall not be obligated to comply with CITY standards for the construction of public streets with regard to road improvements to be constructed within the Property. LANDOWNER acknowledges and agrees that, in the event LANDOWNER desires at a future date to dedicate to CITY for use as a public road any such internal roadway not constructed to the then current CITY standard, CITY may require that LANDOWNER shall improve any such road to the then current CITY improvement standards prior to acceptance by CITY.

**North Industrial Specific Plan – Hewlett Packard Master Plan

Section	3.8.9
Title	Satisfaction of Prior Deferred Improvement Agreements
Obligation	Hewlett Packard Company: CITY acknowledges and agrees hereby that this Agreement shall fully and completely supersede and satisfy all obligations of LANDOWNER under: (1) that certain Deferred Improvement Agreement by and between LANDOWNER and CITY dated September 13, 1989, for improvements to Blue Oaks Boulevard and recorded on September 20, 1989 in Book 3716 at Pages 616 through 624, Official Records, Placer County Recorder and (2) that certain Deferred Improvement Agreements by and between LANDOWNER and CITY dated September 13, 1989, for improvements to Blue Oaks Boulevard and recorded on September 20, 1989 in Book 3716 at Pages 625 through 632, Official Records, Placer County Recorder. Upon recordation of this Agreement, said Deferred Improvement Agreements shall become null and void and any Letters of Credit posted therewith shall be released and returned to LANDOWNER.
Department	Engineering Division
Status	Ongoing obligation
Section	3.8.10
Title	Landscape Setback
Obligation	Hewlett Packard Company: LANDOWNER shall establish a thirty-five foot (35') landscape setback to the east of the right of way of Woodcreek Oaks Boulevard, a fifty foot (50') landscape setback to the south of the right of way of Blue Oaks Boulevard and a fifty foot (50') landscape setback to the west of the right of way of Foothills Boulevard, for landscaping, street lighting, sidewalk, and related uses.
Department	Engineering Division
Status	The landscape setbacks along Woodcreek Oaks Boulevard and Blue Oaks Boulevard were established in the Hewlett-Packard Roseville Campus Master Plan and again in the Campus Oaks Plan. The detailed landscaping improvement plans will be submitted as development occurs on the west and north sides of Campus Oaks as adjacent parcel develop. Frontage landscaping along Foothills Boulevard is complete. Ongoing obligation.
Section	3.8.11
Title	HP Way Amendment #3 – Ord. #5533 Amendment #4 – Ord. #5534
Obligation	Hewlett Packard Company:

North Industrial Specific Plan – Hewlett Packard Master Plan DEVELOPMENT AGREEMENT IMPLEMENTATION MATRIX

	Pursuant to the Second Amendment, Landowner has or will grant to the City an irrevocable offer to dedicate (100), in fee, the right-of-way for HP Way within the HP Property as shown on Exhibit C with the recordation of the Large Lot Final Map or by separate document in form acceptable to the City. Notwithstanding Landowner's dedication of HP right-of-way to the City, the provisions of Section 3.8.8 regarding internal roadway standards remain in effect and Landowner shall not be obligated to comply with City standards with respect to any on-site construction thereof by Landowner in connection with the development of the HP Property. Landowner acknowledges that BBC Roseville Oaks will be obligated under the Fourth Amendment to construct all of HP Way to then current City standards and Landowner will cooperate therewith, at no cost or expense to Landowner. Upon completion of construction of HP Way by BBC Roseville Oaks, and City acceptance of the improvements, the City shall accept the roadway right-of-way dedication for HP Way. BBC Roseville Oaks, LLC: Amendment #4 <i>(Completed) Immediate Construction of HP Way. Within ninety (90) days of approval of this Fourth Amendment, Landowner shall offer to the City an irrevocable offer of dedication (IOD) for the public rights of way for road and utility improvements within the Campus Oaks Property for HP Way, as shown on Exhibit C.</i> <i>Prior to issuance of the first (1st) permit for any grading, development or construction of any improvements or buildings within the Campus Oaks Property, other than a grading permit for roadway construction within the HP Way right of way, Landowner shall have obtained or caused to be dedicated an IOD to the City for all required rights of way and utility easements for the full road improvements of HP Way from Foothills Boulevard to Parcel 4. All improvements to be installed within HP Way shall comply with City's then current standards for public streets.</i> Prior to the issuance of the 700th residential building permit, Landowner shall be responsible to design and commence construction of the necessary improvements to the HP Way/Foothills Boulevard intersection to include a third south bound through lane on Foothills Boulevard. The modifications shall include all utility relocations, landscape modifications, the installation of a westbound turn lane on Foothills Boulevard, RoW acquisitions, and all signal modifications as may be required. These intersection improvement costs shall be the full responsibility of the Landowner.
Department	Engineering Division
Status	Ongoing obligation – Amendment #4 Partial Completion
Section	3.8.11.A
Title	Maintenance of HP Way Private Drainage Amendment #3 – Ord. #5533
Obligation	Hewlett Packard Company: Landowner acknowledges that it is not practicable to modify the existing storm water drainage facilities presently draining HP Way and that the future drainage of the publicly dedicated HP Way right of way will continue to be accommodated through an existing private storm drain traversing across Landowner property, currently maintained by Landowner and the owner of Parcel 2. As provided by the Second Amendment, Landowner shall remain obligated to maintain the private storm drain improvements, including any reconstruction or replacement thereof, as and to the extent required to continue to accommodate the storm drainage requirements for such portion of HP Way. Prior to acceptance of HP Way as a public roadway, and as part of the Large Lot Map conditions , City will require that Landowner either into a drainage maintenance agreement with the City to confirm Landowner's continued obligation to maintain such

DEVELOPMENT AGREEMENT IMPLEMENTATION MATRIX**

	private drainage system and to assign to the City a right of access necessary for the City to perform any and all required maintenance thereof, at Landowner's cost, in the event Landowner fails to adequately maintain such private drainage improvements. Nothing herein shall affect the rights and obligations between Landowner and the owner of Parcel 2 to cooperate with and share in the maintenance of such roadway storm drainage improvements.
Department	Engineering Division
Status	Ongoing obligation
Section	3.8.12
Title	Local Road W Amendment #3 – Ord. #5533 Amendment #4 – Ord. #5534
Obligation	Hewlett Packard Company: Landowner may elect to maintain its existing perimeter roadway identified as Local Road E on Exhibit C from Foothills Boulevard located along the western and southern boundaries of the HP Property as a private roadway or may elect, at any time, to offer to dedicate to the City the right of way therefor for acceptance and operation as a public street. If Landowner elects or has elected to dedicate Local Road E or any portion thereof to the City, Landowner shall reconstruct the portion of such roadway to conform to the City's then current standards for public roadways prior to City's acceptance. BBC Roseville Oaks, LLC: Amendment #4 3.8.12 Other Roadways. As and when Landowner seeks to obtain grading or building permits for development of the Campus Oaks Property, Landowner shall construct the applicable portions of Painted Desert Drive, New Meadow Drive and/or Crimson Ridge Way located therein required to serve such development of the Campus Oaks Property, as reflected by the phasing map attached hereto as Exhibit B. All improvements to be installed within said roadways shall comply with City's then current standards for public streets.
Department	Engineering Division
Status	Ongoing obligation
Section	3.12
Title	Project EIR Mitigation Measures
Obligation	Hewlett Packard Company: LANDOWNER shall be bound by, and shall perform, all mitigation measures contained in the Project EIR which are adopted by CITY and which are identified in the mitigation monitoring plan as being a responsibility of LANDOWNER.
Department	Planning Division and Development and Operations Department
Status	Projects are being conditioned to comply with the EIR mitigation measures. HP created a 46-acre preserve area in the southwest portion of the site which is currently being monitored. Future mitigation plans should be submitted electronic format so that they can be entered into the City's Mitigation database. Ongoing obligation
Section	3.15
Title	Light Rail Funding Amendment #3 – Ord. #5533 – Deleted Section (HP) Amendment #4 – Ord. #5534 – Deleted Section (Campus Oaks)
Obligation	Hewlett Packard Company:

**North Industrial Specific Plan – Hewlett Packard Master Plan
DEVELOPMENT AGREEMENT IMPLEMENTATION MATRIX**

	LANDOWNER consents to and agrees that the Project shall participate in its fair share of a city-wide funding mechanism for the extension and operation costs of light rail into the City of Roseville.
Department	Alternative Transportation
Status	Ongoing obligation for R-10 Foothill & Quality Investment Properties. Obligation no longer applies to HP or Campus Oaks parcels - no fee ordinance has been adopted to fund light rail improvements.
Section	3.16
Title	Bike Trails
Obligation	Hewlett Packard Company: Upon written demand of CITY but no sooner than five (5) years from the date of this Agreement, Landowner shall grant and convey to CITY a fee simple interest in an area along the southern boundary of the Property for a Class 1 Bike Trail generally described in Exhibit "I" hereto (the "Bike Trail") with an exact legal description to be determined by mutual agreement, reserving therefrom such easement and other property interests which allow LANDOWNER to retain exclusive access to the Bike Trail from the Property as the LANDOWNER may require, as mutually agreed from time-to-time, for security purposes; provided, however, the Bike Trail shall be made generally available to the public on a regular basis during the daylight hours. CITY shall bear all costs for design, engineering and construction of the Bike Trail, which shall also include relocation of LANDOWNER's existing fence, and the existing footpath and bridge across Pleasant Grove Creek. Prior to making the grant and conveyance required hereby, LANDOWNER shall be provided with and shall approve the improvement plans for the bike Trail and aforementioned relocation, which approval shall not be unreasonably withheld. The improvement plans shall include, at a minimum, security gates located at the westernmost and easternmost points of the Bike Trail. Nothing herein shall be deemed to preclude LANDOWNER from constructing other fencing as it desires between the southernmost boundary of the Property and the northernmost boundary of the Bike Trail at its own cost.
Department	Parks Department and Alternative Transportation
Status	Ongoing obligation
Section	3.17
Title	Use of Recycled Water Amendment #1 – Ord. #3665 Amendment #3 – Ord. #5533 Amendment #4 – Ord. #5534
Obligation	Hewlett Packard Company: Landowner shall actively pursue the use of recycled water for the purpose of landscape irrigation for all new projects proposed within the property. The requirement to actively pursue the use of recycled water shall not itself obligate Landowner to use recycled water for such purposes. Landowner in its sole discretion shall determine whether the use of recycled water constitutes a sound business decision given all economic factors Landowner must consider in making said decision. In the event Landowner decides to use recycled water, City and Landowner agree that Landowner shall use recycled water for irrigation, and Landowner agrees to pay for the costs of connecting to and extending City recycled water lines as required to irrigate landscaping for new projects. All other recycled water uses as may be desired by Landowner shall be reviewed and approved by the Environmental Utilities Director. <u>3.17.1</u> Should Landowner decide to use recycled water: <u>3.17.1.A</u> City of Roseville shall be responsible for preparation and approval of a recycled

North Industrial Specific Plan – Hewlett Packard Master Plan DEVELOPMENT AGREEMENT IMPLEMENTATION MATRIX

	water engineering report on behalf of Landowner for submission to appropriate state agencies. Landowner shall cooperate with City to provide information necessary to prepare said report. Information shall consist of plans for use of recycled water, or other pertinent data developed by Landowner that will provide the information for said report. Landowner shall provide timely and complete information to allow the City to efficiently prepare said report. <u>3.17.1.B</u> In connection with the use of recycled water, Landowner shall also be responsible for obtaining any and all ancillary necessary permits prior to actual use of recycled water and for the payment of all City fees and charges related thereto. Ancillary permits may include, but not be limited to tree permits, environmental permits (e.g. 401, 404) and encroachment permits. A connection fee for recycled water is not required. <u>3.17.1.C</u> Provided the foregoing requirements are satisfied, City shall make recycled water available to Landowner at user charges specified in the Roseville Municipal Code (RMC) in amounts reasonably required (based on mutual discussion and agreement) for the use(s) proposed therefore and shall charge Landowner the same rate or rates as charged to any other private user(s) of recycled water within the City. Currently, recycled waters charged at a price equal to fifty (50) percent of the charge for potable water. (See RMC 14.17.080.C.) <u>3.17.1.C</u> Provided a foregoing requirements are satisfied, City shall make recycled water available to Landowner at current charges specified in the Roseville Municipal Code. <u>3.17.2 Improvement Standards.</u> All recycled water improvements shall be designed and constructed pursuant to the City's then current Improvement Standards and shall be subject to City plan review, construction inspection and final approval. Landowner shall pay then current plan check and inspection costs as incurred by City for review and inspection of such improvements. BBC Roseville Oaks, LLC: Amendment #4 <u>3.17 Recycled Water System Improvements.</u> Landowner shall use recycled water for the purpose of landscape irrigation for all parks and landscape setbacks, medians, paseos and other landscape areas including all multi-family and non-residential landscaping uses within the Campus Oaks Property. City and Landowner agree that Landowner shall use recycled water for irrigation, and Landowner agrees to pay for the costs of connecting to and extending City recycled water lines as required to irrigate landscaping for new projects. <u>3.17.1</u> To facilitate Landowner's use of recycled water: <u>3.17.1.A</u> Landowner shall prepare a Title 22 Recycled Water Engineering Report for submittal to and review by the State Regional Water Quality Control Board and State Department of Public Health documenting the use of recycled water in the Campus Oaks Property. Prior to submittal to the State Water Quality Control Board, Landowner shall obtain approval of the City's Environmental Utilities Director. Recycled water shall not be provided for use within the project until the Title 22 Recycled Water Engineering Report has received all required State approvals. <u>3.17.1.B</u> In connection with the use of recycled water, Landowner shall be responsible for obtaining any and all ancillary necessary permits prior to actual use of recycled water and for the payment of any and all City fees and charges related thereto.
--	---

**North Industrial Specific Plan – Hewlett Packard Master Plan
DEVELOPMENT AGREEMENT IMPLEMENTATION MATRIX**

	3.17.1.C Landowner shall, at its sole cost and expense, install the recycled water lines within the planned road rights of way as generally shown in Exhibit H attached hereto. Such installation shall include recycled water stubs to serve the median landscaping to be installed by Landowner within Blue Oaks and Woodcreek Oaks Boulevards. Any and all recycled water lines shall be constructed pursuant to City's then current Improvement Standards to permit acceptance thereof by the City upon completion thereof and shall be subject to City plan review, construction inspection and final approval. 3.17.1.D Landowner shall be required to add additional pumping capacity and ancillary equipment necessary to meet the increase peak demands of the project as identified in the Landowners Recycled Water System Master Plan. Landowner shall reimburse the City for the required upgrades to the pumping capacity at the North Zone and Dry Creek Wastewater Treatment Plant for actual costs of upgrades up to, but not exceeding \$300,000. 3.17.1.E Provided the foregoing requirements are satisfied, City shall make recycled water available to Landowner at user charges specified in the Roseville Municipal Code (RMC). 3.17.2 Improvement Standards. All recycled water improvements shall be designed and constructed pursuant to the City's then current Improvement Standards and shall be subject to City plan review, construction inspection and final approval. Landowner shall pay then current plan check and inspection costs as incurred by City for review and inspection of such improvements.
Department	Environmental Utilities
Status	Ongoing obligation
Section	3.17.3
Title	HP Greenway Recycled Water Use and Oversizing Reimbursement Amendment #3 – Ord. #5533 Amendment #4 – Ord. #5534
Obligation	Hewlett Packard Company: Landowner acknowledges that recycled water will be used for irrigation of the park and landscape improvements to be located and maintained within the HP Greenway (HP-2). Landowner further acknowledges that, in connection with the development of the HP Greenway improvements, BBC Roseville Oaks will be obligated to install a recycled water stub to the HP Property, as generally shown on the map attached hereto as Exhibit D (the "Recycled Water Stub"). If Landowner elects to connect to the Recycled Water Stub to extend the use of recycled water to the HP Property, Landowner shall reimburse BBC Roseville Oaks for the Recycled Water Stub and any oversizing of recycled water lines related thereto consistent with the improvement cost reimbursement provisions of the Development Agreement; this reimbursement obligation will terminate from and after ten (10) years after the Effective Date of this Amendment. BBC Roseville Oaks, LLC: Amendment #4 3.17.3 Non-Exclusive Public Utility Easement. Where the recycled water facilities are not located within road rights-of-way, as and when such facilities are installed, Landowner shall grant and City shall accept a non-exclusive public utility easement for the ownership and maintenance of such facilities, together with access thereto for maintenance purposes only. Easement widths shall be granted in accordance with the City's then current Improvement Standards.
