Budget

Budget for city was approved on June 20th. The library's budget for this fiscal year is four million eight hundred and eighty six thousand dollars for the three locations. The Libraries will keep their budget reductions from the prior year including the Friday closures. Ms. Wick asked if the Friday closures effected staff. Ms. Martin addressed the question, and stated that these cuts during the 2017/2018 year did effect part time staff as well as programming, and a reduced database budget. Due to budget cuts this fiscal year, the Maidu Museum and Historic Site will be closed to the public during the week except for tours starting with the new fiscal year in July 2018.

Comparisons for 2016/2017 and 2017/2018 were looked at, and the numbers were down, but Library Director Natasha Martin reminded the board members that we expected that due to the library's Friday closure. Even considering that the numbers were better than expected. Ms. Martin did say she was

looking into the Reference questions answered drop since it was lower than expected.
