

AGENDA
June 15, 2016

**CITY COUNCIL MEETING
HOUSING AUTHORITY MEETING
7:00 p.m.
City Council Chambers
311 Vernon Street
Roseville, California**

1. CALL TO ORDER

2. ROLL CALL

Councilmember: Bonnie Gore

Vice Mayor: Susan Rohan

Councilmember: Tim Herman

Councilmember: Pauline Roccucci

Mayor: Carol Garcia

3. PLEDGE OF ALLEGIANCE

4. MEETING PROCEDURES

NOTICE TO THE PUBLIC

All Items on the agenda will be open for the public comment before final action is taken. Speakers are requested to restrict comments to the item as it appears on the agenda and stay within a five (5) - minute time limit. The Mayor has the discretion of limiting the total discussion time for an item.

5. PRESENTATIONS

5.1. Proclamation - Alzheimer's and Brain Awareness Month

Proclaim June 2016 as Alzheimer's and Brain Awareness Month and June 20, 2016 as "The Longest Day" in Roseville, California and encourage citizens to visit actionalz.org to learn more about Alzheimer's and become part of the effort to combat this disease.

CONTACT: Heather Blanco 916-774-5265 hblanco@roseville.ca.us

5.2. Resolution of Congratulations to Sutter Health

Sutter Health be congratulated on its selection as a Truven Top 15 Health System

Award recipient.

CONTACT: Heather Blanco 916-774-5265 hblanco@roseville.ca.us

5.3. Resolution of Commendation to the Moose Lodge 1293

The Moose Lodge 1293 be commended for their valued contributions to the many organizations supporting youths and seniors in need, and the Roseville Community.

CONTACT: Heather Blanco 916-774-5265 hblanco@roseville.ca.us

6. PUBLIC COMMENTS

NOTICE TO THE PUBLIC

Persons may address the City Council on items not on this agenda. Please complete a "Speaker Information Card" and present it to the City Clerk prior to the start of the meeting. Speakers shall restrict their comments to issues that are within the subject jurisdiction of the City Council and limit their comments to three (3) minutes per person. The total time allocated for Public Comment is 25 minutes. The Brown Act, with certain exceptions, does not permit the City Council to discuss or take action on issues that are not listed on the agenda.

7. CONSENT CALENDAR

NOTICE TO THE PUBLIC

All matters listed under Consent Calendar are considered to be routine and all will be passed by one motion. There will be no discussion of these items unless members of the City Council or the public request specific items be removed from the Consent Calendar for separate discussion. Any member of the public may address the City Council on items on the Consent Calendar. Public comments on any item or items on the Consent Calendar are limited to five (5) minutes per speaker

BEGINNING OF CONSENT CALENDAR

Minutes

7.1. Minutes of Prior Meetings

Memo from City Clerk Sonia Orozco recommending Council approve the minutes of April 6, 2016 City Council Special Closed Session, April 6, 2016 City Council/Successor Agency of the Former Redevelopment Agency meeting, April 20, 2016 City Council Special Closed Session/City Council/Special Finance Authority/Special Housing Successor Agency meeting, May 4, 2016 City Council meeting.

Bids / Purchases / Services

7.2. 2016 Sidewalk, Curb and Gutter Repair Project - Award of Contract

Memo from Assistant Engineer Nick Graves and Public Works Director Rhon Herndon recommending Council adopt RESOLUTION NO. 16-250 APPROVING AN AGREEMENT BY AND BETWEEN THE CITY OF ROSEVILLE AND ALL-AMERICAN CONSTRUCTION, INC., AND AUTHORIZING THE CITY MANAGER TO EXECUTE IT ON BEHALF OF THE CITY OF ROSEVILLE. Staff recommends Council award the 2016 Sidewalk, Curb & Gutter Repair Project to the lowest responsible bidder, All-American Construction, Inc., in the amount of \$229,349.00 and grant staff change order authorization to exceed the award amount by 10% (\$22,934.90) as a contingency. This project will repair curb, gutter, and sidewalks at various locations throughout the City, and install four intersection pedestrian access ramps. The project will be paid for by a combination of General Liability Insurance Funds, North Central Lighting & Landscaping District Sidewalk Maintenance Funds, Park Maintenance Funds, Street Maintenance Funds and Capital Improvement Project Rehabilitation Funds.

7.3. Traffic Monitoring Cameras (RFQ 01-3086) - Purchase Order

Memo from Buyer Joanna Oukrop and Central Services Director Paul Diefenbach recommending Council authorize purchase orders to Control Tech West, Inc. as the lowest responsive bidder to RFQ 01-3086 for traffic monitoring cameras. The total estimated cost of the cameras from date of award through June 30, 2017 is \$296,700.00 or not to exceed department budgeted amounts. The cameras are primarily used for monitoring traffic conditions throughout the City. Funding is included in the Public Works Department's FY2015-16 Budget and their proposed FY2016-17 Budget pending Council approval of budgets.

7.4. Sprinkler Parts (RFQ 01-3003) - Purchase Orders

Memo from Buyer Peter Brevik and Central Services Director Paul Diefenbach recommending Council authorize the renewal of open purchase orders to John Deere Landscapes and Ewing Irrigation for the purchase of sprinkler parts and related items. The estimated annual cost is \$55,000.00 or up to department budgeted amounts. Funding is included in the FY2016-17 Central Stores Inventory Replacement Account Budget with costs being charged to the end using departments as the stock items are issued.

CC #: 7739

CONTACT: Greg Damitz 916-774-5644 gdamitz@roseville.ca.us

7.7. 316 Vernon Street Office Building - Office, Workstation, and Ancillary Furniture - Service Agreement

Memo from Development Services Manager Mike Isom and Development Services Director Kevin Payne recommending Council adopt RESOLUTION NO. 16-228 APPROVING A SERVICE AGREEMENT BETWEEN CITY OF ROSEVILLE AND VANGUARD CONCEPT OFFICES, AND AUTHORIZING THE CITY MANAGER TO EXECUTE IT ON BEHALF OF THE CITY OF ROSEVILLE (S1604385). This item is requesting approval of a service agreement not-to-exceed \$630,000.00 with Vanguard Concept Offices for the design, purchase, project management, and installation of office, workstation and ancillary furniture for the 316 Vernon Street Office Building. The City is utilizing the National IPA #20155000063 and National Joint Powers Alliance #031715-TKN contracts. The purchase is funded through the 316 Vernon Capital Improvement Project account. No General Fund monies are required or proposed.

7.8. SIGMANet - Service Agreement

Memo from Information Technology Program Manager Matt Donaldson and Chief Information Officer Hong Sae recommending Council adopt RESOLUTION NO. 16-269 APPROVING A SERVICE AGREEMENT BETWEEN CITY OF ROSEVILLE AND SIGMANET, AND AUTHORIZING THE CITY MANAGER TO EXECUTE IT ON BEHALF OF THE CITY OF ROSEVILLE (S1605254). This agreement will allow the City to upgrade both the City's Internet routers and its data

center switches. In the new data center at 316 Vernon, the City will implement redundant internet connections through separate internet service providers. New routers are needed to support this advanced configuration. Additionally, the network switches currently deployed in the City's data centers are between 6-10 years old. They have or will soon reach their physical end-of-life. What's more, the bandwidth capacity of these devices is below that required by many of today's network applications. Upgrading these switches will extend these services for another 5-10 years and meet the bandwidth requirements of today's and future applications. Products and services will be purchased utilizing California Multiple Award Schedules contracts. The total cost for these services will not exceed \$527,000.00. Funding is included in the construction budget for 316 Vernon Street and Information Technology's budget for FY2015-16.

7.9. Internet Based Electric Usage Data - Service Agreement

Memo from Senior Energy Services Account Representative Mark Riffey and Electric Utility Director Michelle Bertolino recommending Council adopt RESOLUTION NO. 16-244 APPROVING A SERVICE AGREEMENT BETWEEN CITY OF ROSEVILLE AND TELVENT DTN LLC, AND AUTHORIZING THE CITY MANAGER TO EXECUTE IT ON BEHALF OF THE CITY OF ROSEVILLE (S1703202). This item is a request to approve a sole source service agreement with Telvent DTN, LLC, a firm that hosts an internet-based interactive system that provides energy usage data to the Electric Utility's largest customers. The total cost of the three year agreement is \$149,976.00 or \$49,992.00 per fiscal year. Funding will be included in future annual budgets, starting with the FY17 Electric Retail Services Budget for Public Benefits programs.

7.10. Hydrofluorosilicic Acid - Service Agreement

Memo from Buyer Babette Owens and Central Services Director Paul Diefenbach recommending Council adopt RESOLUTION NO. 16-233 APPROVING A SERVICE AGREEMENT BETWEEN CITY OF ROSEVILLE AND THATCHER COMPANY OF CALIFORNIA, INC., AND AUTHORIZING THE CITY MANAGER TO EXECUTE IT ON BEHALF OF THE CITY OF ROSEVILLE (S1703204). This is a request of Council to authorize a service agreement with Thatcher Company of California, Inc, as the lowest responsive bid received for BACC 08-2016 for the purchase and delivery of hydrofluorosilicic acid for the City's Water Treatment Plant. Hydrofluorosilicic acid is "fluoride" that is added to the water to prevent tooth decay. The total cost of service is \$120,000.00. Funding is included in the Environmental Utilities Department's FY2016-17 Budget.

CC #: 7753

File #: 0203-03

7.12. Systems Furniture - Service Agreement

Memo from Senior Electric Business Analyst Joanna Cucchi and Electric Utility Director Michelle Bertolino recommending Council adopt RESOLUTION NO. 16-225 APPROVING A SERVICE AGREEMENT BETWEEN CITY OF ROSEVILLE AND WESTERN CONTRACT FURNISHERS, AND AUTHORIZING THE CITY MANAGER TO EXECUTE IT ON BEHALF OF THE CITY OF ROSEVILLE (S1604370). This item requests approval of a service agreement with Western Contract to build six workstations in the Electric Administration building. Total cost of the service agreement is \$31,724.89. Funds are available in the Electric Department's General Facilities Capital Improvement Projects.

CC #: 7741

File #: 0800-03

CONTACT: Joanna Cucchi 916-746-1609 jcucchi@roseville.ca.us

7.13. Aqueous Ammonia - Service Agreement

Memo from Buyer Babette Owens and Central Services Director Paul Diefenbach recommending Council adopt RESOLUTION NO. 16-230 APPROVING A SERVICE AGREEMENT BETWEEN CITY OF ROSEVILLE AND ARGO CHEMICALS, AND AUTHORIZING THE CITY MANAGER TO EXECUTE IT ON BEHALF OF THE CITY OF ROSEVILLE (S1703207). This is a request of Council to authorize a service agreement with Argo Chemicals, Inc. for the purchase and delivery of aqueous ammonia. This chemical is used in the selective catalytic reduction air pollution control system to reduce emissions of nitrous oxide. The estimated annual cost of the agreement is \$90,000.00. Funding is included in the Electric Department's FY2016-17 Budget.

CC #: 7746

File #: 0203-03

CONTACT: Babette Owens 916-774-5704 bowens@roseville.ca.us

7.14. Securing Facilities Service - Service Agreement

Memo from Park Operations Supervisor Patrick Daly and Parks, Recreation & Libraries Director Dion Louthan recommending Council adopt RESOLUTION NO. 16-234 APPROVING A SERVICE AGREEMENT BETWEEN CITY OF ROSEVILLE AND LYONS SECURITY SERVICE, INC., AND AUTHORIZING THE CITY MANAGER TO EXECUTE IT ON BEHALF OF THE CITY OF ROSEVILLE (S1703225). This is a request of Council to approve the service agreement between the City and Lyons Security Service Inc., for the purpose of locking facility restrooms and performing basic inspections nightly of Parks, Recreation & Libraries facilities. The annual cost of the agreement is \$32,346.00 with a proposed contingency of \$7,654.00. Total contract is not to exceed \$40,000.00. Funding is included in the FY2016-17 budgets of the Parks, Recreation & Libraries Department, Central Services Department, and Community Facilities Districts that fund park maintenance with restrooms.

Resolutions

7.18. Blue Oaks Commerce Center Phase 1 - Certificate of Completion

Memo from Construction Inspector Orville Chatterton and Development Services Director Kevin Payne recommending Council adopt RESOLUTION NO. 16-232 RESOLUTION OF THE COUNCIL OF THE CITY OF ROSEVILLE ACCEPTING THE PUBLIC WORK KNOWN AS BLUE OAKS COMMERCE CENTER (PHASE 1) PROJECT, APPROVING THE "CERTIFICATE OF COMPLETION", AND AUTHORIZING AND DIRECTING THE CITY ENGINEER TO EXECUTE SAID NOTICE ON BEHALF OF THE CITY OF ROSEVILLE, THEREFORE, AND ACCEPTING ALL DEDICATIONS OFFERED ON THE RECORDED MAP OF THE SUBDIVISION. The Engineering Division has made final inspection of the project and has found the roadway infrastructure work complete in accordance with the improvement plans and City specifications. This action has no impact to the City's General Fund. Construction costs were paid by the developer.

CONTACT: Orville Chatterton 916-774-5347 ochatterton@roseville.ca.us

7.19. Blue Oaks Commerce Center - Relinquishment Agreement

Memo from City Engineer Marc Stout and Development Services Director Kevin Payne recommending Council adopt RESOLUTION NO. 16-231 APPROVING THE RELINQUISHMENT AGREEMENT BETWEEN THE CITY OF ROSEVILLE

AND THE STATE OF CALIFORNIA, DEPARTMENT OF TRANSPORTATION (CALTRANS), AND AUTHORIZING THE CITY MANAGER TO EXECUTE IT ON BEHALF OF THE CITY OF ROSEVILLE. This agreement calls for Caltrans to relinquish right of way along Blue Oaks Boulevard and allow the City to construct a new public roadway to connect to Blue Oaks Boulevard within this right of way. This new roadway is identified as Fidelity Way and was previously approved by the Planning Commission in 2010 as part of the Blue Oaks Commerce Center Project. Approval of the Relinquishment Agreement with Caltrans will not result in a fiscal impact to the City.

CONTACT: Marc Stout 916-774-5339 mstout@roseville.ca.us

7.20.316 Vernon Office Building - Professional Services Agreement Amendment

Memo from Development Services Manager Mike Isom and Development Services Director Kevin Payne recommending Council adopt RESOLUTION NO. 16-227 APPROVING A FIRST AMENDMENT TO PROFESSIONAL SERVICES AGREEMENT BETWEEN THE CITY OF ROSEVILLE AND QUALITY ASSURANCE ENGINEERING, INC., DBA CONSOLIDATED ENGINEERING LABORATORIES, AND AUTHORIZING THE CITY MANAGER TO EXECUTE IT ON BEHALF OF THE CITY OF ROSEVILLE. This is the first amendment to a professional services agreement with Quality Assurance Engineering, Inc., DBA Consolidated Engineering Laboratories to perform required special inspections and testing services for the 316 Vernon Office Building Project. The proposed amendment adds \$19,396.26 to the contract for additional labor hours associated with special inspections and materials testing required by the California Building Code, including but not limited to welding, grout testing, concrete compression, concrete stressing, etc. The amendment results in a revised not-to-exceed contract total of \$80,167.98. Sufficient funds are available in the 316 Vernon Office Building Project Fund. The increased cost associated with the additional hours will be offset in part by corresponding back-charges to subcontractors whose work required additional inspection or re-inspection time. No General Fund monies are required.

7.21. Telecommunications System - Master Sales & Maintenance Agreement Amendment

Memo from Information Technology Program Manager Matt Donaldson and Chief Information Officer Hong Sae recommending Council adopt RESOLUTION NO. 16-274 APPROVING A MASTER SALES AND MAINTENANCE AGREEMENT, BY AND BETWEEN THE CITY OF ROSEVILLE AND ALTURA COMMUNICATION SOLUTIONS, LLC, AND AUTHORIZING THE CITY MANAGER TO EXECUTE IT ON BEHALF OF THE CITY OF ROSEVILLE. Many of the software components in the City's existing telecommunications system have or will soon be passed end-of-life. The City will engage Altura to update the aged components. This agreement is a sole source with Altura due to proprietary and standardized products involved in

the upgrade. The total cost of this agreement will be no more than \$175,000.00, which is included in the Information Technology Rehabilitation Budget for FY2015-16.

7.24. Agricultural Land Lease Agreement

Memo from Open Space Superintendent Brian Castelluccio and Parks, Recreation & Libraries Director Dion Louthan recommending Council adopt RESOLUTION NO. 16-229 APPROVING AN AGRICULTURAL LAND LEASE AGREEMENT BY AND BETWEEN THE CITY OF ROSEVILLE AND AUBURN RAVINE RANCH,

INC., AND B AND B LIVESTOCK, AND AUTHORIZING THE CITY MANAGER TO EXECUTE IT ON BEHALF OF THE CITY OF ROSEVILLE. This item requests Council approval of the Agricultural Land Lease Agreement between the City and Auburn Ravine Ranch, Inc., and B and B Livestock for farming and grazing the Al Johnson Wildlife Refuge. Under the five year lease agreement with Auburn Ravine Ranch and B and B Livestock, the City will have no payments and will receive continuation of the farming/grazing field rotation as well as continued maintenance of the property. There is no impact on the General Fund.

7.25. Golf Course Operations - Service Agreement

Memo from Recreation Superintendent Rob Nakamura and Parks, Recreation & Libraries Director Dion Louthan recommending Council adopt RESOLUTION NO. 16-241 APPROVING AN AGREEMENT BETWEEN THE CITY OF ROSEVILLE AND SRI GOLF, INC., AND SPORTS RESTAURANT OF ROSEVILLE, INC., AND AUTHORIZING THE CITY MANAGER TO EXECUTE IT ON BEHALF OF THE CITY OF ROSEVILLE. This item requests execution of a five (5) year contract agreement with SRI Golf, Inc. to perform all functions of golf course and food/beverage operations at the Woodcreek Golf Club and Diamond Oaks Golf Course. The estimated annual value of the golf operations contract is \$5.7M in gross sales. The City receives a percentage share of various revenues types (green fees, cart rentals, range sales, etc.) which is estimated at \$2.3M annually. SRI Golf, Inc. is estimated to receive \$3.4M in revenue annually. The total financial impact for the City will be based on revenue generated through golf rounds sold, cart rentals, range sales, and the success of the food and beverage operations. Funding has been allocated in FY2015-16 Budget and will be included in all future operations budgets through FY2019-20.

7.28. City of Roseville Investment Policy

Memo from Financial Analyst Jacquie Clarizio and Finance Director Monty Hanks recommending Council adopt RESOLUTION NO. 16-238 ADOPTING THE REVISED INVESTMENT POLICY. The purpose of the Investment Policy is to establish cash management and investment guidelines for the CFO/Treasurer, who is responsible for the stewardship of the City investment program. Each transaction and the entire portfolio must comply with the California Government Code Sections 53600 and 53635 et seq. and the Investment Policy. The Investment Policy conforms to the customary standards of prudent investment management and any changes to the policy must be adopted by Council. Approval of this policy will not have a fiscal impact on the City's General Fund.

7.29. Fountains Community Facilities District No. 1 - Bond Refunding

Memo from Financial Analyst Vanessa Lieberman and Finance Director Monty Hanks recommending Council adopt RESOLUTION NO. 16-247 AUTHORIZING THE ISSUANCE OF SPECIAL TAX REFUNDING BONDS FOR AND ON BEHALF OF THE CITY OF ROSEVILLE THE FOUNTAINS COMMUNITY FACILITIES DISTRICT NO. 1 (PUBLIC FACILITIES), APPROVING AND DIRECTING THE EXECUTION OF A FISCAL AGENT AGREEMENT, APPROVING THE FORM OF PRELIMINARY OFFICIAL STATEMENT, APPROVING SALE OF SUCH BONDS, AND APPROVING OTHER RELATED DOCUMENTS AND ACTIONS. The Fountains Community Facilities District No. 1 was formed on December 5, 2007 with an original par amount of \$11,200,000.00. There is currently \$11,020,000.00 of outstanding bonds at an average interest rate of 5.618% and a final maturity date of September 1, 2038. The City has determined that in the current bond market, the outstanding bonds can be refunded for a present value savings of approximately 14.83% resulting in a net present value savings of approximately \$1.6 million over the life of the bonds and an average interest rate of 3.64%. There will be no fiscal impact to the General Fund as all bond issuance

costs will be paid from bond proceeds.

7.30. Roseville Police Officers Association and Management and Confidential Employees - Memorandums of Understanding

Memo from Human Resources Manager Lisa Achen and Human Resources Director Gayle Satchwell recommending Council adopt RESOLUTION NO. 16-267 REPEALING RESOLUTION 16-08 AND APPROVING TERMS, CONDITIONS AND UNDERSTANDINGS REGARDING MANAGEMENT AND CONFIDENTIAL EMPLOYEES; and adopt RESOLUTION NO. 16-268 APPROVING AMENDMENT #1 TO THE 2016-2018 MEMORANDUM OF UNDERSTANDING BETWEEN THE CITY OF ROSEVILLE AND THE ROSEVILLE POLICE OFFICERS ASSOCIATION, AND AUTHORIZING THE CITY MANAGER TO EXECUTE IT ON BEHALF OF THE CITY OF ROSEVILLE. Approval of these amendments will accurately reflect previously negotiated items that were inadvertently omitted when updating the Memorandum of Understandings during the last round of collective bargaining. There is no fiscal impact from this action.

7.31. Hosting Services - Agreement Amendment

Memo from Energy Services Account Representative David Bradford and Electric Utility Director Michelle Bertolino recommending Council adopt RESOLUTION NO. 16-245 APPROVING A THIRD AMENDMENT TO SUBSCRIPTION AGREEMENT BETWEEN THE CITY OF ROSEVILLE AND COMVERGE, INC., AND AUTHORIZING THE CITY MANAGER TO EXECUTE IT ON BEHALF OF THE CITY OF ROSEVILLE. This item requests approval of an amendment to the contract with Comverge, Inc. to provide hosting services for Roseville Electric Utility's Power Partners Residential Demand Response Program for air conditioner cycling. The amendment is for one year and has a not to exceed amount of \$44,100.00, bringing the total cost of the agreement to \$160,100.00. Funding is included in the FY17 Electric Retail Services Budget for public benefits programs.

Ordinances (for introduction and adoption - appropriation/urgency measures)

7.32. Electric New Services Annual Project - Budget Adjustment

Memo from Electric Engineering Technician Supervisor Richard Corral and Electric Utility Director Michelle Bertolino recommending Council adopt ORDINANCE NO. 5693 ORDINANCE OF THE COUNCIL OF THE CITY OF ROSEVILLE AUTHORIZING CERTAIN AMENDMENTS TO THE FY2015-16 BUDGET AND DECLARING THIS ORDINANCE TO BE IMMEDIATELY EFFECTIVE AS AN

APPROPRIATION MEASURE. This item requests a budget adjustment in the amount of \$900,000.00 allowing Electric Utility staff to continue providing infrastructure installation services for developers through the remainder of FY2015-16. New development has been much stronger than anticipated this fiscal year, and the budget adjustment will increase the budget for expenses and revenues. There is no net fiscal impact since the additional New Services Annual Project costs are offset by the developer reimbursed revenues.

File #: 0201-01 & 0800-03

CONTACT: Richard Corral 916-774-5616 rcorral@roseville.ca.us

7.33. Vehicle Purchases and Budget Adjustments

Memo from Buyer Peter Brevik and Central Services Director Paul Diefenbach recommending Council adopt ORDINANCE NO. 5697 OF THE COUNCIL OF THE CITY OF ROSEVILLE AUTHORIZING CERTAIN AMENDMENTS TO THE 2015-16 BUDGET AND DECLARING THIS ORDINANCE TO BE IMMEDIATELY EFFECTIVE AS AN APPROPRIATION MEASURE; and adopt ORDINANCE NO. 5698 OF THE COUNCIL OF THE CITY OF ROSEVILLE AUTHORIZING CERTAIN AMENDMENTS TO THE 2015-16 BUDGET AND DECLARING THIS ORDINANCE TO BE IMMEDIATELY EFFECTIVE AS AN APPROPRIATION MEASURE. This is a request of Council to authorize a purchase order to National Auto Fleet Group for one Ford F550 with a flatbed contractor body and air compressor vehicle utilizing NJPA contract 102811-NAF; and authorize a purchase order to National Auto Fleet Group for one Ford F550 with a flatbed dump body utilizing NJPA contract 102811-NAF. The total cost of one Ford F550 with flatbed contractor body and air compressor vehicle is \$97,556.00, a budget adjustment of \$18,500.00 from the Auto Replacement Budget will pay for the remaining purchase price of the vehicle. The total cost of one Ford F550 with flatbed dump body vehicle is \$68,436.40, a budget adjustment of \$3,000.00 from the Auto Replacement Budget will pay for the remaining purchase price of the vehicle. Funding for the two vehicles and budget adjustments are included in the FY2015-16 Auto Replacement Budget.

7.34. On Call General Site Services - Service Agreement and Budget Adjustment

Memo from Park Development Analyst Joel De Jong and Parks, Recreation & Libraries Director Dion Louthan recommending Council adopt RESOLUTION NO. 16-243 APPROVING AMENDMENT NO. 2 TO SERVICE AGREEMENT BETWEEN CITY OF ROSEVILLE AND CLEARWATER CONSTRUCTION, AND AUTHORIZING THE CITY MANAGER TO EXECUTE IT ON BEHALF OF THE CITY OF ROSEVILLE (S1503212); and adopt ORDINANCE NO. 5695 OF THE COUNCIL OF THE CITY OF ROSEVILLE AUTHORIZING CERTAIN AMENDMENTS TO THE 2015-16 BUDGET AND DECLARING THIS ORDINANCE TO BE IMMEDIATELY EFFECTIVE AS AN APPROPRIATION MEASURE. This item requests Council authorize the renewal option for year two of the contract with Clearwater and will increase the total value of the agreement

from \$800,000.00 to \$1,200,000.00 and will be funded through the budget of multiple City funds. The requested budget adjustment in the amount of \$18,025.00 will transfer funds from the North Roseville Neighborhood Park Fund in order to complete the Leonard "Duke" Davis turf conversion.

9. ORDINANCES

9.1. City of Roseville FY2016-17 Budget

Memo from Budget Manager Kathy Cullen and Finance Director Monty Hanks recommending Council adopt ORDINANCE NO. 5700 ORDINANCE OF THE COUNCIL OF THE CITY OF ROSEVILLE ADOPTING THE ANNUAL BUDGET FOR THE FISCAL YEAR 2016-2017, ADOPTING BUDGET CONTROL POLICIES, ADOPTING AN APPROPRIATIONS LIMIT, ADOPTING THE BUDGET FOR THE SUCCESSOR AGENCY OF THE ROSEVILLE REDEVELOPMENT AGENCY, AND ESTABLISHING THE SEALED BID REQUIREMENT, TO BE EFFECTIVE IMMEDIATELY AS AN URGENCY MEASURE. The proposed Citywide FY2016-17 Budget is \$493.8 million. The proposed FY2016-17 Budget for the General Fund is \$147.35 million, which includes operating expenditures (\$139.10 million) and capital projects, debt, and non-recurring expenditures (\$8.25 million). Operating and non-operating revenues total \$147.53 million led by increases in sales and property taxes. The net result is an increase to the General Fund balance of \$182 thousand.

Proclamation - Alzheimer's and Brain Awareness Month

City of Roseville Proclamation

Alzheimer's and Brain Awareness Month June 2016

WHEREAS, today there are more than 5 million Americans living with Alzheimer's, a figure that is expected to grow to as many as 16 million by mid-century if a cure or an effective treatment is not developed; and

WHEREAS, there are currently more than 588,000 people with Alzheimer's living in the state of California, of which 1,896 live in the City of Roseville, along with 5,687 caregivers who are caring for a loved one with Alzheimer's; and

WHEREAS, researchers are making great progress in developing ways to accurately diagnose and treat Alzheimer's disease, and an accelerated pace of that research will lead to a disease-altering treatment in the next 15 years; and

WHEREAS, the Alzheimer's Association is marking June as Alzheimer's and Brain Awareness Month and June 20th as "The Longest Day" to put passion to work to help raise money and awareness for the Alzheimer cause; and

NOW, THEREFORE, I, CAROL GARCIA, MAYOR OF THE CITY OF ROSEVILLE, CALIFORNIA, on behalf of the City Council, do hereby proclaim **June 2016 as Alzheimer's and Brain Awareness Month** and June 20, 2016 as "The Longest Day" in Roseville, California and encourage citizens to visit actionalz.org to learn more about Alzheimer's and become part of the effort to combat this disease.

Description

Resolution of Congratulations

City of Roseville RESOLUTION *of* CONGRATULATIONS

WHEREAS, Truven gathered data from 338 health systems and nearly 3,000 hospitals, singling out 15 large, medium, and small health systems that achieved superior performance based on care quality, patient satisfaction, cost per episode of illness, and operational efficiency; and

WHEREAS, Sutter Health Valley Area is larger than many health systems in the nation therefore, Truven evaluated the Valley Area's combined performance and size, as well as the performance of the entire Sutter Health system and both received top five recognition in the "large system" category; and

WHEREAS, data shows that Sutter Health hospitals and other top performing systems save more lives, have fewer patient complications, spend five percent less per patient episode of care, shorten patients' length of stay in the hospital, make fewer patient safety errors, and score 7 percent better on patient satisfaction; and

WHEREAS, Sutter Health's dedication to further improve the quality of care, by reducing deaths from sepsis – a serious and sometimes deadly bloodstream infection – by 33 percent, saving more than 500 lives since 2014; and

WHEREAS, Sutter health eliminated early elective delivery of babies before 39 weeks of pregnancy – reducing the system wide rate, on average, to under 1 percent and created a nationally recognized program to care for people at the end of life, reducing their hospital stays by 58 percent and total cost of care by 52 percent; and

WHEREAS, Sutter Health partners with and supports community health centers to ensure that people in need have access to the medical care and social services they need; and

WHEREAS, Truven's recognition proves that Sutter Health has properly focused on the things that make a difference for patients and communities by strengthening its foundation; and

WHEREAS, Sutter Health affiliates play a critical role in the health and well-being of city/county and the surrounding regions and actively promotes health and wellness throughout the community; and

NOW, THEREFORE, BE IT RESOLVED BY THE COUNCIL OF THE CITY OF ROSEVILLE, CALIFORNIA, that **SUTTER HEALTH** be congratulated on its selection as a Truven Top 15 Health System Award recipient.

Description

Resolution of Commendation to the Moose Lodge 1293

City of Roseville RESOLUTION OF COMMENDATION

WHEREAS, the Moose organization was founded in Louisville, Kentucky in 1888 by Dr. Henry Wilson whose mission was to offer men an opportunity to gather socially, to care for one another's needs, and celebrate life together; and

WHEREAS, since the early years, the fraternal organization expanded to include valuable service to communities, and care for the elderly and children in need; and

WHEREAS, the Moose organization contributes annually between \$75 to \$100 million worth of community services including monetary donations, volunteer hours, and miles driven; and

WHEREAS, the Roseville Moose Lodge 1293 was established May 18, 1925 and has a growing membership of 775 today; and

WHEREAS, Moose Lodge 1293 has generously given to Cub Scouts, youth softball, Roseville High School scholarships, Placer Breast Cancer Foundation, Sierra College Softball, and the victims of the Clear Lake Fire; and

WHEREAS, the Moose is about celebrating life together, serving those in need within our local community, supporting our youth members with organizations like Mooseheart and Safe Surfin, and standing by our senior members with the Moosehaven organization; and

NOW, THEREFORE, BE IT RESOLVED BY THE COUNCIL OF THE CITY OF ROSEVILLE, CALIFORNIA, that **MOOSE LODGE 1293** be commended for their valued contributions to the many organizations supporting youths and seniors in need, and the Roseville community.

The Mayor has the discretion of limiting the total discussion time for an item.

City Clerk Sonia Orozco announced the procedures for addressing Council.

5. PRESENTATIONS

5.1 Proclamation - "Start by Believing" Public Awareness Campaign

Proclaim April 2016, in concert with the Roseville Police Department and Stand-Up Placer, as the month to support the "Start by Believing" Public Awareness Campaign.

CONTACT: Dee Dee Gunther 774-5015 ddgunther@roseville.ca.us

Mayor Garcia introduced Detective Derrick Phelps of the Roseville Police Department, Stand-Up Placer Executive Director Jenny Davidson, and Sexual Assault Services Manager Amy Maggard.

6. PUBLIC COMMENTS

NOTICE TO THE PUBLIC

Persons may address the City Council on items not on this agenda. Please complete a "Speaker Information Card" and present it to the City Clerk prior to the start of the meeting. Speakers shall restrict their comments to issues that are within the subject jurisdiction of the City Council and limit their comments to three (3) minutes per person. The total time allocated for Public Comment is 25 minutes. The Brown Act, with certain exceptions, does not permit the City Council to discuss or take action on issues that are not listed on the agenda.

Susan Farrington, President of the Homeless Resource Council of the Sierra, spoke on change in emergency solution grant funding for emergency shelters.

Jenny Davidson, Executive Director of Stand-Up Placer, spoke on emergency solution as grants and federal cuts in the amount of 13% are negatively impacting service to survivors.

7. CONSENT CALENDAR

NOTICE TO THE PUBLIC

All matters listed under Consent Calendar are considered to be routine and all will be passed by one motion. There will be no discussion of these items unless members of the City Council or the public request specific items be removed from the Consent Calendar for separate discussion. Any member of the public may address the City Council on items on the Consent Calendar. Public comments on any item or items on the Consent Calendar are limited to five (5) minutes per speaker

BEGINNING OF CONSENT CALENDAR

Approval of the Consent Calendar:

Approved all items as recommended.

Bids / Purchases / Services

7.1. Mike Shellito Indoor Pool Splash Pad Phase 1 Project - Reject All Bids and Authorize Staff to Call for New Bids

Memo from Park Development Analyst Rjahja Canlas and Parks, Recreation & Libraries Director Dion Louthan recommending Council adopt RESOLUTION NO. 16-114 REJECTING ALL BIDS FOR THE MIKE SHELLITO INDOOR POOL SPLASH PAD PHASE 1 PROJECT. The scope of this project includes an outdoor recirculating water play area located within the existing fenced area of the Mike Shellito Indoor Pool. After the bids were opened, staff discovered that the technical specifications in the project manual were incorrect and the bidders did not have the necessary information to properly bid the project. Staff recommends that Council reject all bids and authorize staff to call for new bids. A \$267,604.00 allocation for the project was approved in FY2012/13 Budget from the Citywide Park Fund and have been held in a Capital Improvement Project account for this work.

7.2. 2016 Sidewalk, Curb & Gutter Repair Project - Approve Plans and Specifications and Authorize Staff to Call for Bids

Curb Memo from Associate Engineer Nick Graves and Public Works Director Rhon Herndon recommending Council approve the plans and specifications for the 2016 Sidewalk, & Gutter Repair Project and authorize staff to call for bids. The estimated cost for this project is \$201,500.00, which includes a 10% construction contingency. The project will be paid for by a combination of General Liability Insurance Funds, North Central Lighting & Landscaping District Sidewalk Maintenance Funds, Park Maintenance Funds, and Capital Improvement Project Rehabilitation Funds.

7.3. CalSense Irrigation Controllers (RFQ 01-3070) - Purchase Order

Operations Memo from Buyer Peter Brevik and Central Services Director Paul Diefenbach recommending Council authorize a purchase order to Horizon Distributors as the lowest responsive bidder to RFQ 01-3070 Calsense Irrigation Controllers. The Parks Division determined that the Calsense Central Control System was the best fit for the City's needs and adopted this system as the standard for new construction, as well as replacement of old operating systems that are currently in use. A formal bid was issued and vendors were asked to quote the unit prices for controllers and meters. Four bids were received with the lowest responsive bidder being Horizon Distributors. The cost of the controllers plus tax is \$92,158.68. Funding is included in the Parks Maintenance System and Repair Budget for the purchases made in FY2015/16.

7.4. Janitorial Products (RFQ 01-3033) - Purchase Order

City Memo from Buyer Joanna Oukrop and Central Services Director Paul Diefenbach recommending Council authorize annual renewal for janitorial products to Sac Val Janitorial as the lowest responsive bidder to RFQ 01-3033. The Building Maintenance, Custodial, and Parks, Recreation and Libraries Divisions have ongoing requirements for consumable paper and chemical cleaning products in support of custodial services for facilities. The total estimated annual cost is \$41,000.00 or not to exceed departmental budgeted amounts. Funding is included in the Central Stores FY2015/16 inventory replacement account and FY2016/17 Budget pending Council approval of budgets. End using departments are ultimately charged when the products are purchased through Central Stores.

7.5. Vegetation Management/Grazing - Services Agreement Amendment

Memo from Open Space Superintendent Brian Castelluccio and Parks, Recreation & Libraries Director Dion Louthan recommending Council adopt RESOLUTION NO. 16-

115 APPROVING A FIRST AMENDMENT TO SERVICES AGREEMENT BY AND BETWEEN THE CITY OF ROSEVILLE AND ECOSYSTEM CONCEPTS, INC., AND AUTHORIZING THE CITY MANAGER TO EXECUTE IT ON BEHALF OF THE CITY OF ROSEVILLE. Staff is requesting City Council authorize the City Manager to execute the First Amendment to Services Agreement between the City of Roseville and Ecosystem Concepts Inc., for goat grazing services for the purpose of fire prevention, thatch, and invasive species management and public safety. Total cost to the contract amendment is \$394,076.00 which is funded by the FY2015/16 approved General Fund and Preserve Fund Budgets. Total compensation for the entire contract shall not exceed \$1,394,076.00.

7.6. Tightrope Cablecast SX2HD (RFQ 01-3069) - Service Agreement

Memo from Buyer Peter Brevik and Central Services Director Paul Diefenbach recommending Council adopt RESOLUTION NO. 16-109 APPROVING A SERVICE AGREEMENT BETWEEN CITY OF ROSEVILLE AND MEDIA CONTROL SYSTEMS, LLC, AND AUTHORIZING THE CITY MANAGER TO EXECUTE IT ON BEHALF OF THE CITY OF ROSEVILLE (S1604361). Staff requests authorization to enter into a service agreement with Media Control Systems as the lowest responsive bidder to RFQ 01-3069 Tightrope Cablecast SX2HD. The Public Affairs and Communication Department uses the City's government access channel to broadcast, record and schedule the rebroadcast of City Council meetings and other city commission meetings. The government access channel's current system for these operations is no longer supported by the manufacturer. A formal bid was issued for materials, installation and training. Three bids were received with the lowest responsive bidder being Media Control Systems, LLC. The total cost of services is \$30,170.85. Funding is included in the Cable TV PEG Funds Budget for FY2015/16.

Ordinances (for introduction and adoption - appropriation/urgency measures)

7.16. Municipal Code Amendment – Personnel Rules and Regulations - Limited Term Appointments

Memo from Human Resources Director Gayle Satchwell recommending Council adopt ORDINANCE NO. 5661 OF THE COUNCIL OF THE CITY OF ROSEVILLE AMENDING 3.00.330 OF CHAPTER 3.00 OF TITLE 3 AND ADDING SECTION 3.06.095 OF CHAPTER 3.06 OF TITLE 3 OF THE ROSEVILLE MUNICIPAL CODE REGARDING PERSONNEL RULES AND DECLARING THIS ORDINANCE TO BE EFFECTIVE APRIL 6, 2016, AS AN URGENCY ORDINANCE. The City of Roseville is experiencing difficulties in recruiting highly qualified candidates in some of its technical positions which are critical to the safe and efficient operations of the City. The addition of limited term appointments will allow the City more flexibility in recruiting and retaining candidates for specific projects and shorter term critical assignments not requiring a regular position. There is no fiscal impact to this change.

11. PUBLIC HEARINGS

NOTICE TO THE PUBLIC

City Council, when considering the matter scheduled for hearing, will take the following actions:

1. Open the Public Hearing
2. Presentation by Staff
3. Presentation by applicant or Appellant
4. Accept Public Testimony
5. Appellant or Applicant Rebuttal Period
6. Close the Public Hearing
7. City Council Comments and Questions
8. City Council Action

In the future, if you wish to challenge in court any of the matters on this agenda for which a public hearing is to be conducted, you may be limited to raising only those issues, which you, or someone else raised orally at the Public Hearing or in written correspondence received by the City or before the hearing

Public Hearings listed for continuance will be continued as noted and posting of this agenda serves as notice of continuation.

11.1. 2016 Weed Abatement - Public Hearing

Memo from Fire Inspection Supervisor Rob Arnett and Fire Chief Rick Barteo recommending Council adopt RESOLUTION NO. 16-111 ORDERING THE DESTRUCTION OR REMOVAL OF ALL WEEDS, DIRT, RUBBISH AND RANK GROWTHS IN THE CITY OF ROSEVILLE, AND OVERRULING ANY AND ALL OBJECTIONS THERETO. On March 2, 2016, the City Council approved a resolution declaring all weeds, rubbish, dirt and/or rank growths a public nuisance. It also set the

date, time, and place for the required public hearing. This resolution is the second and final step necessary to initiate the 2016 Weed Abatement Program. Owners of private parcels that are abated by the City are responsible for the costs associated with providing abatement services. A bill is sent to each property owner detailing the abatement costs, as well as an administrative fee. If the property owner fails to pay the bill, the City places a lien on the subject property and the monies owed are reimbursed through the property tax collection process.

11.3. 4000 Lowdan Lane - Northwest Roseville Specific Plan PCL 32 Stockdale Easement Abandonment

Memo from Associate Planner Gina McColl and Development Services Director Kevin Payne recommending Council adopt RESOLUTION NO. 16-106 ORDERING SUMMARY VACATION OF TWO PUBLIC UTILITIES EASEMENTS ON PROPERTY LOCATED AT 4000 LOWDAN LANE. This item requests approval to abandon two public utilities easements, located on residential property, at 4000 Lowdan Lane. These easements were recorded on November 19, 1991 as part of the Silverado Village Subdivision and intended for use by Roseville Electric for overhead electric lines and guide wires. Subsequent to the recordation of the easements, the electric service design in this neighborhood was modified and electric facilities were not located within the easements. The property owner is now requesting abandonment of the easements.

4. MEETING PROCEDURES**NOTICE TO THE PUBLIC**

All Items on the agenda will be open for the public comment before final action is taken. Speakers are requested to restrict comments to the item as it appears on the agenda and stay within a five (5) - minute time limit. The Mayor has the discretion of limiting the total discussion time for an item.

City Clerk Sonia Orozco announced the procedures for addressing Council.

5. PRESENTATIONS**5.1. Proclamation - Big Day of Giving**

Proclaim May 3, 2016 as Big Day of Giving and encourage all citizens to support the work of local nonprofit organizations who help the Roseville community thrive.

CONTACT: Heather Blanco 916-774-5265 hblanco@roseville.ca.us

Mayor Garcia made the presentation to Placer Community Foundation representatives Ruth Burgess, Jan Shonkweiler, Eileen Speaker, and Jocelyn Maddux, who responded.

5.2. Kathryn McClary Operator of the Year Award Presentation

Presentation to award recipient Mike Gillman, MV Transportation bus operator.

CONTACT: Eileen Bruggeman 916-774-5449 ebruggeman@roseville.ca.us

Mayor Garcia introduced MV Regional Vice President Laura Hanson.

MV Regional Vice President Laura Hanson made the presentation to Mike Gillman, who responded.

5.3. Proclamation - West Nile Virus and Mosquito and Vector Control Awareness Week

Proclaim April 17 to April 23, 2016 as West Nile Virus and Mosquito and Vector Control Awareness Week, increasing public awareness of the threat of diseases, and encouraging action in prevention to help minimize health threats within Roseville.

CONTACT: Heather Blanco 916-774-5265 hblanco@roseville.ca.us

The presentation was not made.

5.4. Resolution of Commendation and Appreciation to the United States Army National Guard

The United States Army National Guard be commended and appreciated for their heroic and valiant service to the United States, allowing freedom to all.

CONTACT: Heather Blanco 774-5265 hblanco@roseville.ca.us

Mayor Garcia made the presentation to Colonel Balzano and Command Sergeant Major Walker, who responded.

6. PUBLIC COMMENTS

NOTICE TO THE PUBLIC

Persons may address the City Council on items not on this agenda. Please complete a "Speaker Information Card" and present it to the City Clerk prior to the start of the meeting. Speakers shall restrict their comments to issues that are within the subject jurisdiction of the City Council and limit their comments to three (3) minutes per person. The total time allocated for Public Comment is 25 minutes. The Brown Act, with certain exceptions, does not permit the City Council to discuss or take action on issues that are not listed on the agenda.

No public comment received.

7. CONSENT CALENDAR

NOTICE TO THE PUBLIC

All matters listed under Consent Calendar are considered to be routine and all will be passed by one motion. There will be no discussion of these items unless members of the City Council or the public request specific items be removed from the Consent Calendar for separate discussion. Any member of the public may address the City Council on items on the Consent Calendar. Public comments on any item or items on the Consent Calendar are limited to five (5) minutes per speaker

BEGINNING OF CONSENT CALENDAR

Approval of Consent Calendar

Removed items 7.6, 7.8, and item 7.17 from the Consent Calendar to be discussed separately and approved the remaining items as recommended.

Bids / Purchases / Services

7.1. Purchase of Portable Radios

Memo from Rangemaster Randy Thompson and Police Chief Daniel Hahn recommending Council approve the purchase of portable radios. The Police Department has a requirement for portable radios, and is requesting a sole-source purchase order be issued to Motorola for five radios. Motorola radios are required to match the department's existing stock of radios, and for technical compatibility with the City's Motorola radio system. The cost will be \$31,825.38, and funding has been approved for this purchase in the City's current fiscal year contingency fund.

CONTACT: Randy Thompson 916-774-5099 rtompson@roseville.ca.us

7.2. Ethernet Switches for Traffic Signals - Purchase Order Renewal

Memo from Electronics Technician Dave Crittenden and Public Works Director Rhon Herndon recommending Council authorize the renewal of a sole source open annual purchase order to CT West, Inc. for the purchase of intelligent transportation system Ethernet switches for the Public Works Engineering Division, and authorize the continued renewing of the same purchase order up to three additional years without further Council approval. The cost of each switch is approximately \$1,595.00 plus tax of

\$119.63 for a total of \$1,714.63. An open annual purchase order will be established with a not to exceed value of \$50,000.00. Funding is included in the Public Works Department's Traffic Signal Projects annual account for the FY2016 and 2017 budgets. This account is funded by developer paid Traffic Mitigation Fees. No General Funds will be used. Purchases in future years will be contingent upon Council approval of budgets for those years.

7.3. Painting Services (RFQ 01-3066) - Service Agreement

Memo from Buyer Joanna Oukrop and Central Services Director Paul Diefenbach recommending Council adopt RESOLUTION NO. 16-123 APPROVING A SERVICE AGREEMENT BETWEEN CITY OF ROSEVILLE AND QUALITY PAINTING & CONSTRUCTION, INC., AND AUTHORIZING THE CITY MANAGER TO EXECUTE IT ON BEHALF OF THE CITY OF ROSEVILLE (S1605237). This is a request for authorization of a service agreement to Quality Painting & Construction, Inc. as the lowest responsive bidder to RFQ 01-3066 for painting services. The Central Services Building Maintenance Division has a requirement to paint the exterior of buildings at the City's Corporation Yard and the exterior of the downtown Tower Theater. The total value of the contract award is \$124,900.00. Funding is included in the Central Services Building Maintenance Division's FY2015/16 Budget.

7.4. Purchase and Installation of Pool Heater (RFQ 01-3064) - Service Agreement

Memo from Buyer Joanna Oukrop and Central Services Director Paul Diefenbach recommending Council adopt RESOLUTION NO. 16-122 APPROVING A SERVICE AGREEMENT BETWEEN CITY OF ROSEVILLE AND MESA ENERGY SYSTEMS, INC., AND AUTHORIZING THE CITY MANAGER TO EXECUTE IT ON BEHALF OF THE CITY OF ROSEVILLE (S1605240). This item requests authorization of a service agreement to Mesa Energy Systems, Inc. as the lowest responsive bidder to RFQ 01-3064 for the purchase and installation of a swimming pool heater. The Parks, Recreation, & Libraries Department has a requirement to replace a swimming pool heater at the Roseville Aquatics Complex. The total value of the contract, including an add option to replace two butterfly isolation valves is \$66,598.00. Funding is included in the Parks, Recreation, & Libraries Department's FY2015/16 Budget.

7.5. Vegetation Management & Firebreak Installation - Service Agreement

Memo from Open Space Superintendent Brian Castelluccio and Parks, Recreation & Libraries Director Dion Louthan recommending Council adopt RESOLUTION NO. 16-131 APPROVING A SERVICE AGREEMENT BETWEEN CITY OF ROSEVILLE AND H&N ENTERPRISES, AND AUTHORIZING THE CITY MANAGER TO EXECUTE IT ON BEHALF OF THE CITY OF ROSEVILLE (S1603237). This item requests Council approve the service agreement between the City of Roseville and H&N Enterprises for installation of firebreaks and vegetation management services. Areas include City property, as well as on private property, which fails to meet the deadline for firebreak installation, based on California Fire Code 304.1.2 and the Title 19 of the California Code of Regulations. Base contract is \$98,500.00 with a proposed 20% contingency.

Total contract not to exceed \$118,200.00. Funding is in the FY2015/16 budgets of the Fire Department, Parks, Recreation & Libraries Department, Public Works Department and Environmental Utilities Department.

Resolutions

7.6. Authorization for Roseville Transit Service Changes

Memo from Alternative Transportation Analyst Eileen Bruggeman and Public Works Director Rhon Herndon recommending Council adopt RESOLUTION NO. 16-130 AUTHORIZING ROSEVILLE TRANSIT LOCAL SERVICE CHANGES. The Transportation Commission recommends the City Council approve implementation of the proposed Roseville Transit service changes to Local Service Routes D, I and M. The changes will improve service effectiveness and efficiency within the existing hours of operation. As a result there will not be a significant increase in operational costs due to the changes. Any additional, minimal operational costs would be funded through the Local Transportation Fund and would not affect the General Fund.

CC #: 7607

CONTACT: Eileen Bruggeman 916-774-5449 ebruggeman@roseville.ca.us – **Removed from the Consent Calendar to be discussed separately**

7.7. State of California Department of Transportation - Revised Master Agreement

Memo from Assistant Engineer Stefanie Kemen and Public Works Director Rhon Herndon recommending Council adopt RESOLUTION NO. 16-128 APPROVING A MASTER AGREEMENT BETWEEN THE CITY OF ROSEVILLE AND CALIFORNIA DEPARTMENT OF TRANSPORTATION AND AUTHORIZING THE CITY MANAGER TO EXECUTE IT ON BEHALF OF THE CITY OF ROSEVILLE. Staff recommends that the City Council adopt a resolution delegating authority to the City Manager to execute Master Agreement No. 03-5182F15 between the City and the California Department of Transportation (Caltrans), and authorize the City Manager to execute all subsequent program supplements claiming Federal funds for various transportation projects. There is no fiscal impact to the City's General Fund by approving the Master Agreement. However, executing the agreement will allow the City to continue to claim millions of dollars in federal funds for transportation related projects. The exact amount varies from year to year based upon staff's success in securing Federal grants.

CC #: 7604

File #: 0800-04

7.8. RiverArc Planning Project - Memorandum of Agreement

Memo from Senior Engineer Jose Lopez and Environmental Utilities Director Richard Plecker recommending Council adopt RESOLUTION NO. 16-129 APPROVING A MEMORANDUM OF AGREEMENT FOR PLANNING OF THE RIVERARC PROJECT BETWEEN THE CITY OF ROSEVILLE, THE CITY OF SACRAMENTO, THE SACRAMENTO COUNTY WATER AGENCY, CALIFORNIA AMERICAN WATER, THE RIO LINDA/ELVERTA COMMUNITY WATER DISTRICT, AND PLACER COUNTY WATER AGENCY, AND AUTHORIZING THE CITY MANAGER TO EXECUTE IT ON BEHALF OF THE CITY OF ROSEVILLE. This item requests approval of a Memorandum of Agreement (MOA) for the RiverArc Project's multi-jurisdictional planning effort to divert and treat water from the Sacramento River and deliver to Roseville and surrounding communities. Signatories to the MOA include, the City of

Roseville, Placer County Water Agency, the Cal American Water Company, the City of Sacramento, Sacramento County Water Agency and the Rio Linda/Elverta Community Water District. The City portion for the first year of the agreement is \$50,000.00. Funding for this effort is provided through the existing Regional Water Supply Reliability Project with funding from the Water Construction Fund.

7.9. State Highway within City of Roseville - Maintenance Agreement Amendment

Memo from Principal Engineer Jason Shykowski and Public Works Director Rhon Herndon recommending Council adopt RESOLUTION NO. 16-125 APPROVING AMENDMENT NO. 2 TO AGREEMENT BETWEEN THE CITY OF ROSEVILLE AND STATE OF CALIFORNIA, DEPARTMENT OF TRANSPORTATION AND AUTHORIZING THE CITY MANAGER TO EXECUTE IT ON BEHALF OF THE CITY OF ROSEVILLE. This amendment is to add the signal at Blue Oaks Boulevard and Fidelity Way to the list of State-owned signals that are maintained by City forces. While there is no direct cost associated with this agreement, it is estimated that maintenance of this signal will average about \$3,000.00 per year. The maintenance will be paid through the Electric Department funded Traffic Signal Maintenance Fund. No General Funds will be used.

CONTACT: Hossein Naghibzadeh 916-746-1300 hnaghibzadeh@roseville.ca.us

7.11. Child Care Programs - Budget Adjustment

Memo from Accounting Supervisor Jacquelyn Flickinger and Finance Director Monty Hanks recommending Council adopt ORDINANCE NO. 5666 OF THE COUNCIL OF THE CITY OF ROSEVILLE AUTHORIZING CERTAIN AMENDMENTS TO THE 2015-16 BUDGET AND DECLARING THIS ORDINANCE TO BE IMMEDIATELY EFFECTIVE AS AN APPROPRIATION MEASURE. This is a request to transfer the organization codes of 08545 After School Education-Safety and 08546 CDE-Child Develop Program and respective budgets from the General Fund to the Child Care Fund. In addition, this request is to transfer the budget for donations related to the Splash, Mayors Cup, and Turkey Trot to the proper organization key of 00610 Parks & Recreation Donation Fund. This funding is approved under the 2015/16 Budget and does not have a negative impact to the General Fund.

7.12. Douglas Substation Rehabilitation Project - Budget Adjustment

Memo from Power Engineer Ozro Corulli and Electric Utility Director Michelle Bertolino recommending Council adopt ORDINANCE NO. 5667 OF THE COUNCIL OF THE CITY OF ROSEVILLE AUTHORIZING CERTAIN AMENDMENTS TO THE 2015-16 BUDGET AND DECLARING THIS ORDINANCE TO BE IMMEDIATELY EFFECTIVE AS AN APPROPRIATION MEASURE. Staff recommends City Council approve a budget adjustment of \$1,250,000.00 in order to complete a portion of the Douglas Substation Rehabilitation Project in FY2015/16. The additional funds are needed for higher than originally estimated material and labor costs. The total project budget will increase from \$7,147,122.00 to \$8,397,122.00, upon approval of the budget adjustment.

7.13. Westpark Community Facilities District - Budget Adjustment

Memo from Financial Analyst Vanessa Lieberman and Finance Director Monty Hanks recommending Council adopt ORDINANCE NO. 5671 OF THE COUNCIL OF THE CITY OF ROSEVILLE AUTHORIZING CERTAIN AMENDMENTS TO THE 2015-16 BUDGET AND DECLARING THIS ORDINANCE TO BE IMMEDIATELY EFFECTIVE AS AN APPROPRIATION MEASURE. On July 30, 2015, Stifel, Nicolaus and Company was successful in pricing the refunding bonds for Westpark CFD #1. On August 12, 2015 the deal closed generating funds to retire the outstanding bonds, create a new reserve fund, and fund the cost of issuance fees. The budget adjustment for \$950,287.00 reflects expenses related to the cost of issuance. The budget adjustment reflects a portion of the proceeds from the bond issuance related to Westpark CFD #1. There is no impact on the General Fund.

7.17. Finance Authority - 2012 Electric System Revenue Refunding Certificates of Participation Second Supplement to Trust Agreement and Budget Adjustment

Memo from Administrative Analyst Jeannine Thrash and Finance Director Monty Hanks recommending Council adopt ROSEVILLE FINANCE AUTHORITY RESOLUTION NO. 16-124 OF THE BOARD OF DIRECTORS OF THE ROSEVILLE FINANCE AUTHORITY AUTHORIZING THE EXECUTION OF A SUPPLEMENT TO TRUST AGREEMENT IN CONNECTION WITH ELECTRIC SYSTEM CERTIFICATES OF PARTICIPATION AND APPROVING RELATED DOCUMENTS AND OFFICIAL ACTIONS; and adopt ORDINANCE NO. 5672 OF THE COUNCIL OF THE CITY OF ROSEVILLE AUTHORIZING CERTAIN AMENDMENTS TO THE 2015-16 BUDGET AND DECLARING THIS ORDINANCE TO BE IMMEDIATELY EFFECTIVE AS AN APPROPRIATION MEASURE. In October 2012, the City Council approved a 3.5 year Direct Purchase Agreement with US Bank regarding the \$90 million Electric Refunding Certificates of Participation Series 2012 bonds. The Direct Purchase Agreement is set to terminate on May 16, 2016 and requires action to be taken. Staff and the City's Financial Advisor reviewed various refunding options and concluded a renewal of the

agreement was the best option for Electric. The Direct Purchase Agreement acts similar to a loan and was analyzed as the most cost effective option regarding the refunding. The renewal of the Direct Purchase Agreement for the Series 2012 bonds will cost approximately \$495,000.00 per year. While the rate is 10 bps higher than the previous agreement, the increased interest cost can be absorbed in the FY16 Budget.

7.17. Finance Authority - 2012 Electric System Revenue Refunding Certificates of Participation Second Supplement to Trust Agreement and Budget Adjustment

Memo from Administrative Analyst Jeannine Thrash and Finance Director Monty Hanks recommending Council adopt ROSEVILLE FINANCE AUTHORITY RESOLUTION NO. 16-124 OF THE BOARD OF DIRECTORS OF THE ROSEVILLE FINANCE AUTHORITY AUTHORIZING THE EXECUTION OF A SUPPLEMENT TO TRUST AGREEMENT IN CONNECTION WITH ELECTRIC SYSTEM CERTIFICATES OF PARTICIPATION AND

APPROVING RELATED DOCUMENTS AND OFFICIAL ACTIONS; and adopt ORDINANCE NO. 5672 OF THE COUNCIL OF THE CITY OF ROSEVILLE AUTHORIZING CERTAIN AMENDMENTS TO THE 2015-16 BUDGET AND DECLARING THIS ORDINANCE TO BE IMMEDIATELY EFFECTIVE AS AN APPROPRIATION MEASURE. In October 2012, the City Council approved a 3.5 year Direct Purchase Agreement with US Bank regarding the \$90 million Electric Refunding Certificates of Participation Series 2012 bonds. The Direct Purchase Agreement is set to terminate on May 16, 2016 and requires action to be taken. Staff and the City's Financial Advisor reviewed various refunding options and concluded a renewal of the agreement was the best option for Electric. The Direct Purchase Agreement acts similar to a loan and was analyzed as the most cost effective option regarding the refunding. The renewal of the Direct Purchase Agreement for the Series 2012 bonds will cost approximately \$495,000.00 per year. While the rate is 10 bps higher than the previous agreement, the increased interest cost can be absorbed in the FY16 Budget.

8. RESOLUTIONS

8.1. Successor Agency/City Council - Reservation of Funds for Roseville Junction Station Affordable Housing Project

Memo from Housing Analyst Trisha Isom and Economic Development Director Chris Robles recommending City Council and Successor Agency adopt RESOLUTION NO. 16-126 APPROVING THE RESERVATION OF \$3,760,000 FROM THE AFFORDABLE HOUSING FUND FOR THE ROSEVILLE JUNCTION STATION AFFORDABLE HOUSING PROJECT; and adopt SUCCESSOR AGENCY OF THE REDEVELOPMENT AGENCY OF THE CITY OF ROSEVILLE RESOLUTION NO. 16-127 APPROVING THE RESERVATION OF FUNDS FOR THE ROSEVILLE JUNCTION STATION AFFORDABLE HOUSING PROJECT. This is a request to approve the reservation of \$4,360,000.00 for the Roseville Junction Station Project. On July 15, 2015, the City approved the reservation of \$3.2 million to assist Pacific & Church Partners in developing a 76 unit affordable housing community located at 120 Pacific Street. In order to ensure a successful application to the California Debt Limit Allocation Committee (CDLAC), the developers are requesting an additional loan of \$1.16 million which will increase the full loan amount to \$4,360,000.00. The application is due to

CDLAC by July 22, 2016 and will award the project with \$5.2 million in September 2016. Although the required agreements securing this funding are not in place at this time, the Housing Division anticipates the loan to be in the form of a 55-year fully amortized loan with an interest rate of 3% simple interest. No General Fund monies will be used for this project.

10.3. Westbrook Community Facilities District No. 1 & 2 - Change to the Rate and Method of Apportionment of Special Tax

Memo from Administrative Analyst Jeannine Thrash and Finance Director Monty Hanks recommending Council adopt RESOLUTION NO. 16-121 APPROVING CHANGE TO RATE AND METHOD OF APPORTIONMENT OF SPECIAL TAX FOR WESTBROOK COMMUNITY FACILITIES DISTRICT NO. 1 (PUBLIC FACILITIES) AND WESTBROOK COMMUNITY FACILITIES DISTRICT NO. 2 (PUBLIC SERVICES). On April 16, 2014 Council approved Resolution No. 14-131 forming Westbrook Community Facilities District No. 1 (Public Facilities). On December 17, 2014 Westbrook Community Facilities District No. 2 (Public Services) was then formed under Resolution No. 14-540. The property owner originally submitted a rezone application for Westbrook Phases 2 and 3 to the City on December 24, 2013 which was later revised. The final rezone plans are being taken to the City Council for approval on April 20, 2016. As a result of the rezone the owner wishes to reapportion the special tax amongst the new parcels, while not reducing the total maximum annual special tax revenue that would be generated in each CFD. This change has been approved in writing by both the owner and the Finance Director and is allowed per each of the original Community Facilities District's Rate, Method of Apportionment. The approval of the resolution will not impact the City's General Fund.

7.12. Trio Leasing Program - Cooperative Agreement

Memo from Housing Analyst Trisha Isom and Economic Development Director Chris Robles recommending Council adopt RESOLUTION NO. 16-151 APPROVING A COOPERATIVE AGREEMENT BY AND BETWEEN THE CITY OF ROSEVILLE AND THE CALIFORNIA AFFORDABLE HOUSING AGENCY, AND AUTHORIZING THE CITY MANAGER TO EXECUTE IT ON BEHALF OF THE CITY OF ROSEVILLE. This is a request for the City of Roseville to enter into a Cooperative Agreement with the California Affordable Housing Agency in order to purchase single family housing units for a lease to own program and help renters become homeowners in the City of Roseville. The Agency runs the leasing program including marketing, implementation, capital, asset management, and servicing. This lease to own program would open up home ownership and the opportunity to lock in today's low interest rates under an assumable mortgage for many renters who desire to own in the City of Roseville. This program will not require City staff resources nor require any General Fund expenditures.

CC #: 7644

File #: 0709-01

CONTACT: Trisha Isom 916-746-1239 tisom@roseville.ca.us

7.13. Stoneridge East Parcel 49 Phase 1 and Phase 2, Village 10 Bus Shelter #245 - Transit Bus Shelter Construction Fee Agreement

Memo from Administrative Technician Anita Giordano and Public Works Director Ron Herndon recommending Council adopt RESOLUTION NO. 16-147 APPROVING A TRANSIT BUS SHELTER CONSTRUCTION FEE AGREEMENT BETWEEN CITY OF ROSEVILLE AND ELLIOT HOMES, INC., AND AUTHORIZING THE CITY MANAGER TO EXECUTE IT ON BEHALF OF THE CITY OF ROSEVILLE. Bus shelter #245 will be build at 7200 Sierra College Boulevard. The developer, Elliot Homes, has remitted \$10,000.00 for the full and present cost of the bus shelter, which provides security for bus shelter #245 to be installed in the future. There is no fiscal impact to the City's General Fund or Transportation Development Act funds.

7.14. On-Call Material Testing - Professional Services Agreement

Memo from Senior Engineer Guy Howes and Development Services Director Kevin Payne recommending Council adopt RESOLUTION NO. 16-141 APPROVING A

PROFESSIONAL SERVICES AGREEMENT BY AND BETWEEN THE CITY OF ROSEVILLE AND ENGEO, AND AUTHORIZING THE CITY MANAGER TO EXECUTE IT ON BEHALF OF THE CITY OF ROSEVILLE. The City's current On-Call material testing contract will expire in June, 2016. This is a two year agreement with a one year extension option for a not-to-exceed fee of \$300,000.00. Actions requested as part of this item have a no impact to the City's General Fund. Development agreements between the City and developers require the owners/developers to reimburse the City for actual costs of providing plan check and inspection services. Similarly, Capital Improvement Projects budgets include funds for construction management services. The entire amount of this agreement is considered "pass-through" in which all construction services would be reimbursed by either owners/developers or allocated CIP budgets with no incurred expenses to the General Fund.

7.17. Harding to Royer Bike Trail Segment 3 Project - Professional Services Agreement Amendment

Memo from Assistant Engineer Cathy Gosalvez and Public Works Director Rhon Herndon recommending Council adopt RESOLUTION NO. 16-137 APPROVING A FIRST AMENDMENT TO PROFESSIONAL SERVICES AGREEMENT BETWEEN THE CITY OF ROSEVILLE AND ICF JONES & STOKES, INC., AND AUTHORIZING THE CITY MANAGER TO EXECUTE IT ON BEHALF OF THE CITY OF ROSEVILLE. This is a request to approve the First Amendment to the Professional Services Agreement with ICF Jones & Stokes, Inc. for Environmental Permitting Services for the Harding to Royer Bike Trail Segment 3 Project. The cost of the additional environmental services is \$28,915.00, bringing the total contract amount to \$45,657.00. Funding is from a combination of Transportation Development Act and Congestion Mitigation and Air Quality funds and is already included in the project's budget so no budget adjustment is necessary.

7.20. Roseville Aquatics Complex - Concession Agreement

Memo from Recreation Superintendent Alexa Pritchard and Parks, Recreation & Libraries Director Dion Louthan recommending Council adopt RESOLUTION NO. 16-143 APPROVING AN AGREEMENT BETWEEN THE CITY OF ROSEVILLE AND CLOVER CONCESSIONAIRES, INC DBA DAVE'S DAWGS, AND AUTHORIZING THE CITY MANAGER TO EXECUTE IT ON BEHALF OF THE CITY OF ROSEVILLE. This is an agreement with Clover Concessionaires, Inc. dba Dave's Dawgs to operate concession services at the Roseville Aquatics Complex for 2016 season. After the first \$2,500.00 in net sales earned by Dave's Dawgs, the City will receive 10% of all

subsequent net sales and the City will reimburse Dave's Dawgs \$2,000.00 to offset increased insurance costs. Funds for this agreement have been approved in the FY2015/16 Aquatics Division Operations Budget.

7.21. Central Park Phase 3 Project - Professional Design Services Agreement Amendment

Memo from Park Development Analyst Rjahja Canlas and Parks, Recreation & Libraries Director Dion Louthan recommending Council adopt RESOLUTION NO. 16-136 APPROVING A FIRST AMENDMENT TO AGREEMENT FOR PROFESSIONAL DESIGN SERVICES BETWEEN THE CITY OF ROSEVILLE AND FUHRMAN LEAMY LAND GROUP, INC. AND AUTHORIZING THE CITY MANAGER TO EXECUTE IT ON BEHALF OF THE CITY OF ROSEVILLE. In October 2014, an agreement was entered into with Fuhrman Leamy Land Group, Inc. to prepare construction documents for Phase 3 of Central Park. This amendment with Fuhrman Leamy Land Group, Inc. will focus on addressing the undeveloped areas of the park slated for a future phase of work. The fee for the additional work is \$39,250.00. Allocations for the preparation of the construction documents were approved in the FY2014/15 and have been carried forward to the FY 2015/16 Budget.

Ordinances (for introduction and adoption - appropriation/urgency measures)

7.24. Disaster Recovery System - Budget Adjustment

Memo from Department Public Information Officer Dee Dee Gunther and Police Chief Daniel Hahn recommending Council adopt ORDINANCE NO. 5679 OF THE COUNCIL OF THE CITY OF ROSEVILLE AUTHORIZING CERTAIN AMENDMENTS TO THE 2015-16 BUDGET AND DECLARING THIS ORDINANCE TO BE IMMEDIATELY EFFECTIVE AS AN APPROPRIATION MEASURE. Staff is requesting that a total of \$56,000.00 be transferred from three different accounts from the Police Department's FY2016 General Fund Budget into the Police Rehab Capital Improvement Fund. The additional funds are needed to purchase off-site disaster recovery data storage and related network improvements to the public safety computer system. Sufficient funds are available in the current year General Fund budget, and there will be no net fiscal impact.

7.26. Staffing and Salary Schedule Changes

Memo from Senior Human Resources Analyst Linda Hampton and Human Resources Director Gayle Satchwell recommending Council adopt ORDINANCE NO. 5676 OF THE COUNCIL OF THE CITY OF ROSEVILLE AMENDING ORDINANCE NO. 5643, THE SALARY ORDINANCE FOR MANAGEMENT EMPLOYEES, AS AMENDED BY APPENDIX "C" TO BE EFFECTIVE MAY 14, 2016, AS AN URGENCY MEASURE. Staff recommends the City Council approve Management A & B salary schedules to reflect the new classifications for Housing Manager, Assistant Human Resources Director, Refuse and Stormwater Manager, Environmental Utilities Rate Analyst I/II, Environmental Utilities Business Services Administrator, and Water Distribution Superintendent to support the City's current business needs. Staff is also recommending Council approve an allocation schedule reflecting the addition of one Assistant Human Resources Director, one Refuse and Stormwater Manager, three Environmental Utilities Rate Analyst I/II, one Environmental Utilities Business Services Administrator and one Administrative Technician allocations. These positions will be filled as promotional opportunities with the resulting vacancies being eliminated. Also recommended is the addition of one Water Distribution Superintendent and one Water

Distribution Supervisor to the Environmental Utilities allocation schedule. In addition, staff is recommending a salary increase for the Central Services Director due to expanded responsibilities. The proposed changes will result in an annual cost of \$335,779.00 to the Enterprise Fund and \$86,721.00 to the General Fund and a fiscal impact of \$25,829.00 to the enterprise fund and \$6,671.00 to the General Fund which can be absorbed in the FY16 Budget.

Title: 2016 Sidewalk, Curb and Gutter Repair Project - Award of Contract

Contact: Nick Graves 916-746-1300 ngraves@roseville.ca.us

Meeting Date: 6/15/2016

Item #: 7.2.

RECOMMENDATION TO COUNCIL

Staff recommends that Council award the 2016 Sidewalk, Curb & Gutter Repair Project to the lowest responsible bidder, All-American Construction, Inc., in the amount of \$229,349.00 and grant staff change order authorization to exceed the award amount by 10% (\$22,934.90), and to adopt the attached resolution authorizing the City Manager to execute a construction contract after bonds and insurances have been submitted to the satisfaction of the City Attorney.

BACKGROUND

This is a bi-ennial City maintenance project, which repairs damaged sidewalks, curbs and gutters. This year's project includes 150 repair locations throughout the City. A map showing these locations along with an associated address list is attached. A majority of the damage being repaired was caused by the roots of official city trees. However, this year's project also includes additional work for sidewalk repairs within the North Central Lighting and Landscaping District (LLD) and within Maidu Park. Four ADA curb ramps will also be installed. Incorporating the additional work into our curb, gutter, and sidewalk project will give us an improved economy of scale which should result in lower unit prices.

Construction is anticipated to begin in early July 2016 with completion by the end of August 2016.

On April 6, 2016 the City Council approved the plans and specifications for the project and authorized staff to call for bids. Five bids were received and opened May 10, 2016.

The engineer's estimate and bid are as follows:

Engineers Estimate	\$ 201,500.00
All-American Construction, Inc.	\$ 229,349.00
Dalian Construction, Inc.	\$ 248,812.22
TJR Resources, Inc.	\$ 283,541.46
FBD Vanguard Construction	\$ 399,414.40
Central Valley Engineering & Asphalt	\$ 414,879.00

PUBLIC OUTREACH

Residents will receive notice of the work 48 hours prior to working in front of their residence.

FISCAL IMPACT

The Project will cost \$252,283.90, which includes a 10% change order authorization for contingency. The project will be funded by several funding sources. These sources and amounts are: \$160,000 of General Liability Insurance Funds for damage caused by official City trees; \$9,152 of North Central LLD sidewalk maintenance funds for work within the North Central LLD; \$7,469 of Park Maintenance Funds for the Maidu Park repairs; \$51,663.90 of Street Maintenance Funds available for any work along City streets; and \$24,000 of CIP Rehab Funds (ADA Compliance in R/W account - 21507) for the ADA curb ramps.

ECONOMIC DEVELOPMENT / JOBS CREATED

Based on Federal guidelines, there is one job created for every \$92,000.00 in direct government spending. Based on that figure, this project will create 2.5 jobs.

ENVIRONMENTAL REVIEW

The proposed project involves the minor alteration of an existing facility. This activity is categorically exempt from CEQA as a Class 1 Exemption (State CEQA Guidelines Section 15301). The Exemption has been prepared and no further CEQA action is required.

Respectfully Submitted,

Nicholaus Graves, Assistant Engineer

Rhon Herndon, Public Works Director

Rob Jensen, City Manager

RESOLUTION NO. 16-250

APPROVING AN AGREEMENT BY AND BETWEEN THE CITY OF ROSEVILLE AND ALL-AMERICAN CONSTRUCTION, INC., AND AUTHORIZING THE CITY MANAGER TO EXECUTE IT ON BEHALF OF THE CITY OF ROSEVILLE

WHEREAS, an agreement regarding the 2016 Sidewalk, Curb & Gutter Repair Project, by and between the City of Roseville and All-American Construction, Inc., has been reviewed by the City Council; and

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Roseville that said agreement is hereby approved and that the City Manager is authorized to execute it on behalf of the City of Roseville, upon receipt of bonds and insurance which have been approved by the City Attorney's office; and

BE IT FURTHER RESOLVED that the Public Works Director shall be authorized to approve change orders for the Project, consistent with the contract terms, provided that the net cost of all change orders shall not exceed ten percent (10%) of the contract price.

PASSED AND ADOPTED by the Council of the City of Roseville this ____ day of _____, 20__, by the following vote on roll call:

AYES COUNCILMEMBERS:

NOES COUNCILMEMBERS:

ABSENT COUNCILMEMBERS:

MAYOR

ATTEST:

City Clerk

A G R E E M E N T

THIS AGREEMENT, is made and entered into this ____ day of _____, 20__, by and between the City of Roseville, a municipal corporation, ("CITY"), and All-American Construction, Inc., a California corporation, ("CONTRACTOR"),

W I T N E S S E T H:

WHEREAS, the City Council of the CITY, at a meeting held on the 4th day of April, 2016, approved plans and specifications for the 2016 Sidewalk, Curb and Gutter Repair Project

and directed the City Clerk to advertise for sealed proposals for doing said work and providing that bids be submitted on the 10th day of May, 2016, and

WHEREAS, the City Clerk, thereafter duly and regularly caused a notice to be published in the manner and for the time prescribed by law, and

WHEREAS, CONTRACTOR, pursuant to the provisions of said notice duly filed a bid with the City Clerk, a true copy of which bid is now on file in the office of the City Clerk, and is hereby referred to and by this reference made a part hereof as fully as if set forth at length herein, and

WHEREAS, all bids received pursuant to said notice were opened and examined and publicly declared at the time specified in said advertisement for bids and at a meeting of the City Council held on the ____ day of _____, 20__, the Council found and declared the bid of CONTRACTOR to be the lowest responsible bid and thereupon awarded a contract to CONTRACTOR to do the work referred to in the aforementioned specifications,

NOW, THEREFORE, the parties agree as follows:

1. THE WORK. CONTRACTOR agrees:

a. To do the work and furnish all the labor, materials, tools, equipment and insurance required for the 2016 Sidewalk, Curb and Gutter Repair Project

in accordance with the Contract Documents (the work).

b. To do and perform the Work contemplated hereby in a good and workmanlike manner under the direction of and to the satisfaction of the Director of Public Works of the City of Roseville.

2. PAYMENT. CITY shall pay CONTRACTOR two hundred twenty-nine thousand, three hundred forty-nine dollars (\$229,349.00) for the Work.

3. CONTRACT DOCUMENTS. The complete Agreement between the parties hereto consists of the following documents:

- a. The advertisement for bids (including the notice to bidders, instructions to bidders and proposals);
- b. The accepted bid;
- c. Plans and specifications (including standard construction specifications, special provisions and construction details);
- d. Bonds and insurance required by the specifications; and
- e. This contract.

All documents specified above are intended to operate so that any work called for in any one and not mentioned in the other, or vice versa, is to be executed the same as if mentioned in all said documents.

4. LIQUIDATED DAMAGES. In the event CONTRACTOR does not complete the work within the time specified, CONTRACTOR agrees that CITY will suffer damages. Inasmuch as the actual damages which would result from such breach by CONTRACTOR

under this Agreement are uncertain, and would be impractical or extremely difficult to fix, CONTRACTOR agrees that it shall pay, or CITY shall deduct from CONTRACTOR's fee, the amount of \$1,000.00 per day as liquidated damages, in the event of such delay.

5. TIME OF ESSENCE. Time is of the essence of this Agreement.

6. ATTORNEY'S FEES; VENUE; GOVERNING LAW. If either party commences any legal action against the other party arising out of this Agreement or the performance thereof, the prevailing party in such action shall be entitled to recover its reasonable litigation expenses, including but not limited to, court costs, expert witness fees, discovery expenses, and attorneys' fees. Any action arising out of this Agreement shall be brought in Placer County, California, regardless of where else venue may lie. This Agreement shall be governed by and construed in accordance with the laws of the State of California.

7. INDEPENDENT CONTRACTOR. CONTRACTOR shall act as an independent contractor, and covenants and agrees that it will conduct itself consistent with such status, that it will neither hold itself out as, nor claim to be, an officer or employee of CITY by reason of this Agreement.

8. SUCCESSORS IN INTEREST. This Agreement shall be binding upon the heirs, successors, executors, administrators and assigns of the respective parties hereto.

9. MODIFICATION. This Agreement and each provision contained herein may be waived, amended, supplemented or eliminated only by mutual written agreement of the parties.

10. SEVERABILITY. If any of the provisions contained in this Agreement are for any reason held invalid or unenforceable, such holding shall not affect the remaining provisions or the validity and enforceability of the Agreement as a whole.

11. INTEGRATED AGREEMENT. This is an integrated agreement and contains all of the terms, considerations, understanding and promises of the parties. It shall be read as a whole.

IN WITNESS WHEREOF, the City of Roseville, a municipal corporation, has authorized the execution of this Agreement in duplicate by its City Manager and attestation by its City Clerk under authority of Resolution No. _____, adopted by the Council of the City of Roseville on the ____ day of _____, 20____, and CONTRACTOR has caused this Agreement to be duly executed.

COUNCIL COMMUNICATION

CC #: 7740

File #: 0203-13-02

Title: Traffic Monitoring Cameras (RFQ 01-3086) - Purchase Order

Contact: Joanna Oukrop 916-774-5745 joukrop@roseville.ca.us

Meeting Date: 6/15/2016

Item #: 7.3.

RECOMMENDATION TO COUNCIL

Recommend Council authorize purchase orders to Control Tech West, Inc. as the lowest responsive bidder to RFQ 01-3086 for traffic monitoring cameras. The purchase orders will be issued on an as needed basis through the duration of the contract period. The total estimated cost of the cameras including tax from date of contract award through 6/30/17 is \$296,700.00 or not to exceed department budgeted amounts.

BACKGROUND

The City of Roseville currently uses internet protocol (IP) video cameras located at each signalized intersection. The camera's main use is monitoring traffic conditions throughout the City. The video feeds are sent to the Public Works Department Traffic Operations Center and displayed on multiple monitors. These same video feeds are sent to the public via our traveler information web page. We also share our video feeds with other internal City departments. The camera purchases are to replace failed cameras as needed and for camera installations in newly constructed signalized intersections.

A formal bid was issued with two vendors responding as follows:

<u>Vendor</u>	<u>Unit Price</u>
C.T. West, Inc.	\$3,450.00
Temecula, CA	

Western Pacific Signal	\$1,995.00
Roseville, CA	

The apparent low bidder, Western Pacific Signal, did not bid a camera that meets the bid specifications in the following areas: shutter speed, pan speed, tilt angle, tilt speed, digital zoom, and frame rate. Staff therefore recommends the award be made to the next lowest bidder, C.T. West, Inc.

FISCAL IMPACT

The total estimated cost of the traffic monitoring cameras through 6/30/17 is \$296,700.00. Funding is included in the Public Works Department's 2015/16 fiscal year budget and their proposed 2016/17 fiscal year budget pending Council approval of budgets.

ECONOMIC DEVELOPMENT / JOBS CREATED

Not Applicable.

ENVIRONMENTAL REVIEW

The California Environmental Quality Act (CEQA) does not apply to activities that will not result in a direct reasonably foreseeable indirect physical change in the environment (CEQA Guidelines §15061(b)(3)). The purchase of traffic monitoring cameras does not include the potential for a significant environmental effect, and therefore is not subject to CEQA.

Respectfully Submitted,

Joanna Oukrop, Buyer II

Paul Diefenbach, Central Services Director

Title: Sprinkler Parts (RFQ 01-3003) - Purchase Orders
Contact: Peter Brevik 916-774-5724 pbrevik@roseville.ca.us

Meeting Date: 6/15/2016
Item #: 7.4.

RECOMMENDATION TO COUNCIL

Authorize the renewal of open purchase orders to John Deere Landscapes and Ewing Irrigation for the purchase of sprinkler parts and related items. The estimated total combined value of the award is \$55,000.00 or up to department budgeted amounts.

BACKGROUND

The Parks Maintenance and Building Maintenance Divisions have ongoing requirements for sprinkler parts and related items. These materials are used for landscape maintenance of the City's parks and various other properties that require irrigation. These items are purchased and stocked in the City's Central Stores warehouse for use on an as needed basis by the end using departments.

A bid was issued September 2015 and allowed for optional renewal years, with this being the first of four optional years. The services provided have been satisfactory and in accordance with the terms and conditions of the bid.

FISCAL IMPACT

The estimated total combined value of the renewal to John Deere Landscape and Ewing Irrigation is \$55,000.00. Funding is included in the FY2016/17 Central Stores Inventory Replacement account budget with the cost being ultimately charged to the end using departments as the stock items are issued.

ECONOMIC DEVELOPMENT / JOBS CREATED

Not applicable.

ENVIRONMENTAL REVIEW

The California Environmental Quality Act (CEQA) does not apply to activities that will not result in a direct or reasonably foreseeable indirect physical change in the environment (CEQA Guidelines §15061(b)(3)). The purchase of sprinkler parts and related items does not include the potential for a significant environmental effect, and therefore is not subject to CEQA.

Title: Firewall Hardware and Maintenance Support Licenses - Purchase Order
Contact: Charles Aycock 916-746-1887 caycock@roseville.ca.us

Meeting Date: 6/15/2016
Item #: 7.5.

RECOMMENDATION TO COUNCIL

Recommend City Council authorize a purchase order to ePlus Technology, Inc. for Palo Alto firewall equipment and associated maintenance support licensing utilizing the California Multiple Award Schedules CMAS-3-07-70-1633Q. The total estimated cost for the purchase order is \$77,795.60. Funding is included in the Environmental Utilities Dry Creek Wastewater (08422) and Water Treatment (08421) Plants' FY2015-2016 budgets.

BACKGROUND

The Environmental Utilities Department (EUD) currently are utilizing Palo Alto firewall devices for network security that will soon be at end-of-life, and un-supported by the manufacturer. The firewalls provide the secure network connection between the EUD Supervisory Control and Data Acquisition (SCADA) systems and non-SCADA networks. The procurement of the new Palo Alto firewalls will allow the EUD to maintain a high level of network security between the outside networks and the EUD SCADA systems that are currently protected by the depreciating firewall devices.

FISCAL IMPACT

The total estimated cost is \$77,795.60. Funding is included in the Environmental Utilities Dry Creek Wastewater Treatment Plant (08422) and Water Treatment Plant (08421) FY2015-2016 budgets.

ECONOMIC DEVELOPMENT / JOBS CREATED

There is no applicable economic development or job creation from this purchase.

ENVIRONMENTAL REVIEW

The California Environmental Quality Act (CEQA) does not apply to activities that will not result in a direct or reasonably foreseeable indirect physical change in the environment (CEQA Guidelines

§15061(b)(3). The purchase of the hardware and maintenance support project does not include the potential for a significant environmental effect, and therefore is not subject to CEQA.

Respectfully Submitted,

Charles Aycock, EIM Systems Coordinator

Richard Plecker, Environmental Utilities Director

Title: High Voltage Testing Equipment - Purchase Order Increase
Contact: Greg Damitz 916-774-5644 gdamitz@roseville.ca.us

Meeting Date: 6/15/2016
Item #: 7.6.

RECOMMENDATION TO COUNCIL

Staff recommends City Council authorize a sole source agreement and purchase order (PO) funding increase with STB Electrical Test Equipment, Inc. for \$7,500.00, raising the value of the PO from \$20,000.00 to \$27,500.00 to cover purchases needed until the PO expiration date of 06/30/16.

BACKGROUND

Roseville Electric Utility uses an outside vendor to test high-voltage insulating tools to ensure proper operability and safety of the insulated device. Per OSHA 21 CFR 1910, the device must continue to meet the insulation level as stated on the tool at all times. STB Electrical Test Equipment, Inc. is the only company in the area that provides the required testing for the utility's high-voltage insulating tools and safety items. Items tested include electrical "hot-sticks", hoists, various insulating blankets (which must be tested annually) and rubber-gloves (which must be tested semi-annually). Due to necessary additional testing this year, Staff requests City Council authorization for a sole source agreement, and to increase the current purchase order limit from \$20,000.00 to \$27,500.00. The additional \$7,500.00 will cover purchases until the PO expiration date of 06/30/16.

FISCAL IMPACT

The total cost increase is \$7,500.00. Funds are available in the FY2015-16 Roseville Electric Utility Operations Fund to cover the cost of the increase.

ECONOMIC DEVELOPMENT / JOBS CREATED

Not applicable.

ENVIRONMENTAL REVIEW

The California Environmental Quality Act (CEQA) does not apply to activities that will not result in a

direct or reasonable foreseeable indirect physical change in the environment (CEQA Guidelines §15061 (b) (3). This purchase order for testing high-voltage insulating tools and safety items does not include the potential for a significant environmental effect; therefore, is not subject to CEQA.

Respectfully Submitted,

Greg Damitz, Senior Electric Materials Technician

Michelle Bertolino, Electric Utility Director

Rob Jensen, City Manager

COUNCIL COMMUNICATION

CC #: 7744

File #: 0400-02-02-1

Title: 316 Vernon Street Office Building - Office, Workstation, and Ancillary Furniture - Service Agreement

Contact: Mike Isom 916-774-5527 misom@roseville.ca.us

Meeting Date: 6/15/2016

Item #: 7.7.

RECOMMENDATION TO COUNCIL

Staff recommends award of a service agreement not to exceed \$630,000.00 to Vanguard Concept Offices for the design, purchase, project management, and installation of office, workstation and ancillary furniture for the 316 Vernon Office Building, utilizing the National IPA (contract #20155000063) and National Joint Powers Alliance (contract #031715-TKN) contracts. Staff also recommends the Council adopt a resolution authorizing the City Manager to sign the attached service agreement.

BACKGROUND

Construction of the 316 Vernon Street Office Building is well underway, which when completed will become the new home for the Fire, Parks, IT, AT and Housing Departments. As such, new workstation, office, and ancillary furniture is required to outfit the space.

The City conducted a competitive RFP selection process for furniture vendors last fall. Through this process, Vanguard Concept Offices (AKA Cre8 Workplace) was selected as the preferred furniture design and procurement vendor for this project. Contributing factors in the selection included Vanguard's proposed Teknion furniture product line from the standpoint of product quality, durability, and cost-effectiveness. Other considerations included the qualifications of the furniture design and installation team, as well as Vanguard's (Cre8) local presence in Roseville, contributing to efficiencies in job coordination and response times.

The City will relocate existing office equipment to the extent feasible. Miscellaneous office equipment that has yet to reach the end of its usable life and remains in good working order (file cabinets, white boards, tables, desk chairs, etc.) in the existing spaces of the relocating departments will be reused in the new building. Additional miscellaneous equipment purchases may be necessary once the departments move in. Such requests will be reviewed in the future on a need-demonstrated basis by Executive Management.

The proposed furniture purchase is on budget, and funds have been reserved in the overall 316 Vernon CIP budget for this purpose. No General Fund monies are required or proposed.

FISCAL IMPACT

The total purchase shall not exceed \$630,000.00, and will be funded from the 316 Vernon CIP project account. No general Fund Monies are required or proposed.

ECONOMIC DEVELOPMENT / JOBS CREATED

Not applicable.

ENVIRONMENTAL REVIEW

This service agreement is not considered a "project" as defined by the California Environmental Quality Act (CEQA) (CEQA Guidelines §15378). Consequently, no CEQA action is required.

Respectfully Submitted,

Mike Isom, Development Services Manager

Kevin Payne, Development Services Director

Rob Jensen, City Manager

Rob Jensen, City Manager
CITY OF ROSEVILLE, A MUNICIPAL CORPORATION

1. To the fullest extent allowed by law, Contractor shall defend, indemnify, and save and hold harmless City, its officers, agents, employees and volunteers from any claims, suits or actions of every name, kind and description brought forth, or on account of, injuries to or death of any person (including but not limited to workers and the public), or damage to property, resulting from or arising out of Contractor's willful misconduct or negligent act or omission while engaged in the performance of obligations or exercise of rights created by this Agreement, except those matters arising from City's sole negligence or willful misconduct. The parties intend that this provision shall be broadly construed. Contractor's responsibility for such defense and indemnity obligations shall survive the termination or completion of this Agreement for the full period of time allowed by law. The defense and indemnity obligations of this Agreement are undertaken in addition to, and shall not in any way be limited by, the insurance obligations contained in this Agreement.
2. Contractor is an independent contractor, and shall not be considered an officer, agent or employee of the City.
3. Without the written consent of the City, this Agreement is not assignable by Contractor either in whole or in part.
4. Time is of the essence of this Agreement.
5. At any time during the term of this Agreement, the City has the right to terminate this Agreement provided Contractor is given a thirty (30) day notice.
6. This Agreement may only be amended or modified in writing. It is integrated and contains the complete understanding of the parties.
7. All equipment, supplies and services sold to the City of Roseville shall conform to the general safety orders of the State of California.
8. Unless notified to the contrary, in writing, the City assumes that the Contractor has accepted the work in accordance with the plans and specifications (if any) and agrees to do the work in compliance with this Agreement.
9. All fair employment practices must be adhered to. In addition, if the project referenced on this service agreement is a Public Works project, all prevailing wage laws must be complied with. For prevailing wage contracts over \$25,000, copies of certified payroll must be submitted with invoices. Prevailing wage rates may be obtained from the State Department of Industrial Relations and/or the following website address: <http://www.dir.ca.gov/dlsr/DPreWageDetermination.htm>."
- 10a. Unless otherwise specified, the Contractor shall maintain the policies of insurance outlined in Attachment A, incorporated herein by this reference, in full force and effect during the term of this Agreement. The City of Roseville retains sole discretion in determining the types and proper levels of insurance coverage.
- 10b. Form. Contractor shall submit a certificate evidencing such coverage for the period covered by this Agreement in a form satisfactory to Risk Management and the City Attorney, prior to undertaking any work hereunder. Any insurance written on a claims made basis is subject to the approval of Risk Management and the City Attorney.
- 10c. Additional Insureds. Contractor shall also provide a separate endorsement or section of the policy showing City, its officers, agents, employees, and volunteers as additional insureds for each type of coverage, except for Workers' Compensation. Such insurance shall specifically cover the contractual liability of Contractor. The additional insured coverage under the Contractor's policy shall be primary and noncontributory, as evidenced by a separate endorsement or section of the policy, and shall not seek contribution from City's insurance or self-insurance. In addition, the additional insured coverage shall be at least as broad as the Insurance Services Office ("ISO") CG 20 01 Endorsement. Any available insurance proceeds in excess of the specified minimum insurance coverage requirements and limits shall be available to the additional insureds. Furthermore, the requirements for coverage and limits shall be: (1) the minimum coverage and limits specified in this Agreement; or (2) the full coverage and maximum limits of any insurance proceeds available to the named insureds, whichever is greater.
- 10d. Cancellation/Modification. Contractor shall provide ten (10) days written notice to City prior to cancellation or modification of any insurance required by this Agreement.
- 10e. Umbrella/Excess Insurance. The limits of insurance required in this Agreement may be satisfied by a combination of primary and excess insurance. Any excess insurance shall contain or be endorsed to contain a provision that such coverage shall also apply on a primary and noncontributory basis for the benefit of City (if agreed to in a written contract) before City's own insurance shall be called upon to protect it as a named insured.
- 10f. Subcontractors. Contractor agrees to include in its contracts with all subcontractors the same requirements and provisions of this Agreement, including the indemnity and insurance requirements, to the extent they apply to the scope of the subcontractor's work. Furthermore, Contractor shall require its subcontractors to agree to be bound to Contractor and City in the same manner and to the same extent as Contractor is bound to City under this Agreement. Additionally, Contractor shall obligate its subcontractors to comply with these same provisions with respect to any tertiary subcontractor, regardless of tier. A copy of City's indemnity and insurance provisions will be furnished to the subcontractor or tertiary subcontractor upon request.
- 10g. Self-Insured Retentions. All self-insured retentions ("SIR") must be disclosed to Risk Management for approval and shall not reduce the limits of liability. Policies containing any SIR provision shall provide or be endorsed to provide that the SIR may be satisfied by either the named insured or City. City reserves the right to obtain a full certified copy of any insurance policy and endorsements. The failure to exercise this right shall not constitute a waiver of such right.
- 10h. Waiver of Subrogation. Contractor hereby agrees to waive subrogation which any insurer of Contractor may acquire from Contractor by virtue of the payment of any loss under a Workers Compensation, Commercial General Liability or Automobile Liability policy. All Workers Compensation, Commercial General Liability and Automobile Liability policies shall be endorsed with a waiver of subrogation in favor of City, its officers, agents, employees and volunteers for all worked performed by Contractor, its employees, agents and subcontractors.
- 10i. Liability/Remedies. Insurance coverage in the minimum amounts set forth herein shall not be construed to relieve Contractor of liability in excess of such coverage, nor shall it preclude City from taking such other actions as are available to it under any other provisions of this Agreement or law.
11. Contractor shall comply with all federal, state and local laws and ordinances, including but not limited to the City's storm water regulations, as may be applicable to the performance of services under this Agreement. Failure to comply with local ordinances

may result in monetary fines and cancellation of this Agreement. Refer to www.roseville.ca.us/stormwater for links to more information on the City's storm water regulations.

12. In the event that the terms of any attachment or exhibit conflict with any terms of this Service Agreement, the terms of this Service Agreement shall control.
13. This Agreement may be executed in one or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument. In the event that any signature is delivered by facsimile transmission or by e-mail delivery of a ".pdf" format data file, such signature shall create a valid and binding obligation of the party executing (or on whose behalf such signature is executed) with the same force and effect as if such facsimile or ".pdf" signature page were an original thereof.
14. If either party commences any legal action against the other party arising out of this Agreement or the performance thereof, the prevailing party in such action shall be entitled to recover its reasonable litigation expenses, including but not limited to, court costs, expert witness fees, discovery expenses, and attorneys' fees. Any action arising out of this Agreement shall be brought in Placer County, California, regardless of where else venue may lie. This Agreement shall be governed by and construed in accordance with the laws of the State of California.
15. This Agreement shall be binding upon the heirs, successors, executors, administrators and assigns of the respective parties hereto.
16. If any of the provisions contained in this Agreement are for any reason held invalid or unenforceable, such holding shall not affect the remaining provisions or the validity and enforceability of the Agreement as a whole.
17. If the project referenced on this service agreement is a Public Works project, then the following shall apply. No contractor or subcontractor may work on a public works project unless registered with the Department of Industrial Relations pursuant to Labor Code section 1725.5. During the performance of this agreement, Contractor and its subcontractors shall have a continuing legal obligation to maintain current registration with the Department of Industrial Relations. Contractor is hereby notified that this project is subject to compliance monitoring and enforcement by the Department of Industrial Relations.

<i>City reserves the right to withhold any payments to Contractor in the event of noncompliance with insurance requirements or if required by law.</i>

COUNCIL COMMUNICATION

CC #: 7781
File #: 0203-05

Title: SIGMAnet - Service Agreement
Contact: Matt Donaldson 916-774-5405 mdonaldson@roseville.ca.us

Meeting Date: 6/15/2016
Item #: 7.8.

RECOMMENDATION TO COUNCIL

Staff recommends Council approve the service agreement with SIGMAnet to upgrade both the City's Internet routers and its data center switches and adopt the attached resolution authorizing the City Manager to sign said agreement. The total cost of this agreement will be no more than \$527,000.00. Products and services will be purchased utilizing California Multiple Award Schedules (CMAS) contracts and SIGMAnet has been determined to be a best value vendor per Roseville Municipal Code 4.12.105B.

BACKGROUND

In the new data center at 316 Vernon, the City will implement redundant Internet connections through separate Internet Service Providers (ISPs). This provides increased reliability for the City's increasingly important internet connection. New routers are needed to support this advanced configuration.

The data switches currently deployed in the City's data center are between 6-10 years old. They have or will soon reach their physical end-of-life. What's more, the bandwidth capacity of these devices is below that required by many of today's network applications. Upgrading these switches will extend these services for another 5-10 years and meet the bandwidth requirements of today's and future applications.

FISCAL IMPACT

The total cost for these services will not exceed \$527,000.00. Funding for the Internet routers is included in the construction budget for 316 Vernon. Funding for the data center switches is included in the annual technology rehabilitation CIP for FY2015/16.

ECONOMIC DEVELOPMENT / JOBS CREATED

Not applicable. There are no jobs created by this agreement.

ENVIRONMENTAL REVIEW

The California Environmental Quality Act (CEQA) does not apply to activities that will not result in a direct or reasonably foreseeable indirect physical change in the environment (CEQA Guidelines §15061(b)(3)). Consulting does not include the potential for a significant environmental effect, and therefore is not subject to CEQA.

Respectfully Submitted,

Matt Donaldson, Information Technology Program Manager (Network Infrastructure)

Hong Sae, Chief Information Officer

Rob Jensen, City Manager

RESOLUTION NO. 16-269

APPROVING A SERVICE AGREEMENT
BETWEEN CITY OF ROSEVILLE AND SIGMANET, AND AUTHORIZING THE CITY
MANAGER TO EXECUTE IT ON BEHALF OF THE CITY OF ROSEVILLE

WHEREAS, a service agreement (Service Agreement No. S1605254) for a data center network switch upgrade, between City of Roseville and SIGMANet, has been prepared and reviewed by the Council;

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Roseville that said service agreement is approved and that the City Manager is authorized to execute it on behalf of the City of Roseville.

PASSED AND ADOPTED by the Council of the City of Roseville this ____ day of _____, 20__, by the following vote on roll call:

AYES COUNCILMEMBERS:

NOES COUNCILMEMBERS:

ABSENT COUNCILMEMBERS:

MAYOR

ATTEST:

City Clerk

Attached is a copy of a service agreement for your review and acceptance. Please review the company name, address, and contact information and notify me via email if any corrections need to be made. I will update the agreement prior to you signing the document.

Sign the agreement using the below signature guidelines. Alterations or modifications to the agreement are not allowed. Mail **two signed original** copies of the agreement to the address noted below. Faxes, photocopies, and electronic transmittals will not be accepted. Upon receipt of all necessary documents, the City will sign the agreements and return a fully executed original copy to you. Receipt of the signed copy will be your notice to proceed with the work in accordance with the terms and conditions of the service agreement. Work must not begin until the contract has been fully executed.

The following guidelines must be followed for the signature block on the Service Agreement:

- | | | |
|--|---|----------------------------|
| Sole proprietorship | - | By owner |
| Partnership | - | Any general partner |
| Corporation | - | Two options: |
| (1) A signature from the President and the corporate seal; or | | |
| (2) One signature from the Chairman of the Board, President, or any Vice President AND one signature from the Secretary, any Assistant Secretary, Chief Financial Officer, Treasurer, or any Assistant Treasurer of the corporation | | |

*General Manager, Office Manager and/or Sales Manager are not Corporate officer titles. The service agreement will be rejected if not signed in accordance with these guidelines.

Insurance requirements:

The City's insurance requirements are referenced on Attachment A in this service agreement packet. The service agreement will not be considered active or valid until the necessary insurance documents have been received by Roseville's insurance compliance contractor, EBIX. Please contact EBIX customer service at (951) 652-4239 or roseville@ebix.com for any insurance related questions.

The contractor shall furnish all labor, equipment and materials necessary to accomplish the following:

The vendor will provide product and services for a data center network switch upgrade in accordance with the attached Sigmanet quote number 5226042 dated 4/14/16 and the attached "Statement of Work City of Roseville Datacenter Upgrade" dated 6/1/16 utilizing California Multiple Award Schedule (CMAS) contract numbers 3-15-70-2486E and 3-15-70-2486F. Additionally, the vendor will provide and install redundant internet routers for the building at 316 Vernon Street, Roseville, CA in accordance with the attached Sigmanet quote number 5228422 dated 5/11/16 and the attached "Statement of Work City of Roseville Internet Edge Deployment" dated 6/1/16 utilizing CMAS contract numbers 3-15-70-2486E and 3-15-70-2486F.

Please contact Matt Donaldson at (916)774-5405 for questions regarding this agreement.

Total Cost of Service: \$ **518,704.85**

ATTENTION: Total cost of service not to exceed the agreement amount without prior approval of the Purchasing Office.

The Contractor named hereon by the acceptance of this order agrees to the provisions of this document titled "Service Agreement" and Attachment "A".

Rob Jensen, City Manager
CITY OF ROSEVILLE, A MUNICIPAL CORPORATION

1. To the fullest extent allowed by law, Contractor shall defend, indemnify, and save and hold harmless City, its officers, agents, employees and volunteers from any claims, suits or actions of every name, kind and description brought forth, or on account of, injuries to or death of any person (including but not limited to workers and the public), or damage to property, resulting from or arising out of Contractor's willful misconduct or negligent act or omission while engaged in the performance of obligations or exercise of rights created by this Agreement, except those matters arising from City's sole negligence or willful misconduct. The parties intend that this provision shall be broadly construed. Contractor's responsibility for such defense and indemnity obligations shall survive the termination or completion of this Agreement for the full period of time allowed by law. The defense and indemnity obligations of this Agreement are undertaken in addition to, and shall not in any way be limited by, the insurance obligations contained in this Agreement.
2. Contractor is an independent contractor, and shall not be considered an officer, agent or employee of the City.
3. Without the written consent of the City, this Agreement is not assignable by Contractor either in whole or in part.
4. Time is of the essence of this Agreement.
5. At any time during the term of this Agreement, the City has the right to terminate this Agreement provided Contractor is given a thirty (30) day notice.
6. This Agreement may only be amended or modified in writing. It is integrated and contains the complete understanding of the parties.
7. All equipment, supplies and services sold to the City of Roseville shall conform to the general safety orders of the State of California.
8. Unless notified to the contrary, in writing, the City assumes that the Contractor has accepted the work in accordance with the plans and specifications (if any) and agrees to do the work in compliance with this Agreement.
9. All fair employment practices must be adhered to. In addition, if the project referenced on this service agreement is a Public Works project, all prevailing wage laws must be complied with. For prevailing wage contracts over \$25,000, copies of certified payroll must be submitted with invoices. Prevailing wage rates may be obtained from the State Department of Industrial Relations and/or the following website address: <http://www.dir.ca.gov/dlsr/DPreWageDetermination.htm>.
- 10a. Unless otherwise specified, the Contractor shall maintain the policies of insurance outlined in Attachment A, incorporated herein by this reference, in full force and effect during the term of this Agreement. The City of Roseville retains sole discretion in determining the types and proper levels of insurance coverage.
- 10b. Form. Contractor shall submit a certificate evidencing such coverage for the period covered by this Agreement in a form satisfactory to Risk Management and the City Attorney, prior to undertaking any work hereunder. Any insurance written on a claims made basis is subject to the approval of Risk Management and the City Attorney.
- 10c. Additional Insureds. Contractor shall also provide a separate endorsement or section of the policy showing City, its officers, agents, employees, and volunteers as additional insureds for each type of coverage, except for Workers' Compensation. Such insurance shall specifically cover the contractual liability of Contractor. The additional insured coverage under the Contractor's policy shall be primary and noncontributory, as evidenced by a separate endorsement or section of the policy, and shall not seek contribution from City's insurance or self-insurance. In addition, the additional insured coverage shall be at least as broad as the Insurance Services Office ("ISO") CG 20 01 Endorsement. Any available insurance proceeds in excess of the specified minimum insurance coverage requirements and limits shall be available to the additional insureds. Furthermore, the requirements for coverage and limits shall be: (1) the minimum coverage and limits specified in this Agreement; or (2) the full coverage and maximum limits of any insurance proceeds available to the named insureds, whichever is greater.
- 10d. Cancellation/Modification. Contractor shall provide ten (10) days written notice to City prior to cancellation or modification of any insurance required by this Agreement.
- 10e. Umbrella/Excess Insurance. The limits of insurance required in this Agreement may be satisfied by a combination of primary and excess insurance. Any excess insurance shall contain or be endorsed to contain a provision that such coverage shall also apply on a primary and noncontributory basis for the benefit of City (if agreed to in a written contract) before City's own insurance shall be called upon to protect it as a named insured.
- 10f. Subcontractors. Contractor agrees to include in its contracts with all subcontractors the same requirements and provisions of this Agreement, including the indemnity and insurance requirements, to the extent they apply to the scope of the subcontractor's work. Furthermore, Contractor shall require its subcontractors to agree to be bound to Contractor and City in the same manner and to the same extent as Contractor is bound to City under this Agreement. Additionally, Contractor shall obligate its subcontractors to comply with these same provisions with respect to any tertiary subcontractor, regardless of tier. A copy of City's indemnity and insurance provisions will be furnished to the subcontractor or tertiary subcontractor upon request.
- 10g. Self-Insured Retentions. All self-insured retentions ("SIR") must be disclosed to Risk Management for approval and shall not reduce the limits of liability. Policies containing any SIR provision shall provide or be endorsed to provide that the SIR may be satisfied by either the named insured or City. City reserves the right to obtain a full certified copy of any insurance policy and endorsements. The failure to exercise this right shall not constitute a waiver of such right.
- 10h. Waiver of Subrogation. Contractor hereby agrees to waive subrogation which any insurer of Contractor may acquire from Contractor by virtue of the payment of any loss under a Workers Compensation, Commercial General Liability or Automobile Liability policy. All Workers Compensation, Commercial General Liability and Automobile Liability policies shall be endorsed with a waiver of subrogation in favor of City, its officers, agents, employees and volunteers for all work performed by Contractor, its employees, agents and subcontractors.
- 10i. Liability/Remedies. Insurance coverage in the minimum amounts set forth herein shall not be construed to relieve Contractor of liability in excess of such coverage, nor shall it preclude City from taking such other actions as are available to it under any other provisions of this Agreement or law.
11. Contractor shall comply with all federal, state and local laws and ordinances, including but not limited to the City's storm water regulations, as may be applicable to the performance of services under this Agreement. Failure to comply with local ordinances

may result in monetary fines and cancellation of this Agreement. Refer to www.roseville.ca.us/stormwater for links to more information on the City's storm water regulations.

12. In the event that the terms of any attachment or exhibit conflict with any terms of this Service Agreement, the terms of this Service Agreement shall control.
13. This Agreement may be executed in one or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument. In the event that any signature is delivered by facsimile transmission or by e-mail delivery of a ".pdf" format data file, such signature shall create a valid and binding obligation of the party executing (or on whose behalf such signature is executed) with the same force and effect as if such facsimile or ".pdf" signature page were an original thereof.
14. If either party commences any legal action against the other party arising out of this Agreement or the performance thereof, the prevailing party in such action shall be entitled to recover its reasonable litigation expenses, including but not limited to, court costs, expert witness fees, discovery expenses, and attorneys' fees. Any action arising out of this Agreement shall be brought in Placer County, California, regardless of where else venue may lie. This Agreement shall be governed by and construed in accordance with the laws of the State of California.
15. This Agreement shall be binding upon the heirs, successors, executors, administrators and assigns of the respective parties hereto.
16. If any of the provisions contained in this Agreement are for any reason held invalid or unenforceable, such holding shall not affect the remaining provisions or the validity and enforceability of the Agreement as a whole.
17. If the project referenced on this service agreement is a Public Works project, then the following shall apply. No contractor or subcontractor may work on a public works project unless registered with the Department of Industrial Relations pursuant to Labor Code section 1725.5. During the performance of this agreement, Contractor and its subcontractors shall have a continuing legal obligation to maintain current registration with the Department of Industrial Relations. Contractor is hereby notified that this project is subject to compliance monitoring and enforcement by the Department of Industrial Relations.

<i>City reserves the right to withhold any payments to Contractor in the event of noncompliance with insurance requirements or if required by law.</i>
--

ATTACHMENT A
HUMAN RESOURCES/RISK MANAGEMENT DIVISION
INSURANCE REQUIREMENTS

☐ Special Events/Caterers/Vendors	☐ Professional Counseling/Psychological	☐ Pyrotechnics
No auto required No workers' comp required	Professional Liability: \$1 Million/occurrence No auto required	General Liability: \$5 Million/occurrence \$10 Million aggregate Auto - \$2 Million/Occurrence

Insurance Submission Process

The City of Roseville Human Resources/Risk Management Department uses a service called EBIX to manage our insurance certificate tracking.

How It Works

- The vendor's contact information is entered into EBIX. EBIX will contact the vendor to request proof of insurance.
- The Vendor can forward the request to their Insurance Agent(s) if necessary.
- Vendor/Insurance Agent submits insurance to EBIX by email to roseville@ebix.com or by fax to (770) 325-5727. After faxing or emailing the certificate, please **DO NOT** send the certificate by mail to EBIX. Please do not mail, email or fax any certificates to the City of Roseville.
- Once submitted, EBIX reviews the insurance documentation. If there are deficiencies, EBIX will send a follow up letter or email requesting additional information.

Questions Regarding Insurance Submission: Contact EBIX at (951) 652-4239
Questions Regarding Insurance Requirements Contact Risk Management at (916) 774-5202

V. PROJECT LOCATION..... 14

VI. PRICING BUDGET/TERMS 14

VII. CUSTOMER RESPONSIBILITIES..... 15

VIII. ASSUMPTION/CONSTRAINTS/DEPENDENCIES..... 16

IX. ACCEPTANCE 17

I. Terms

This SOW shall remain in effect for the aforementioned term outlined in the Contracting Parties section and set forth herein and agreed to between the parties. Customer or SIGMANet may terminate this agreement upon 5 business day's written notice.

II. Contracting Parties

This Statement of Work ("SOW"), with an Effective Date of **June 1, 2016** between SIGMANet, Inc., (hereafter called "SIGMANet") and **City of Roseville** (hereinafter called "Customer").

For the purposes of this SOW, Customer has an address 401 Oak St. Roseville, CA 95678 and SIGMANet has an address of 4290 East Brickell Street, Ontario, California 91761.

The pricing and scope of this SOW is valid for 30 days from the date of this document unless extended by SIGMANet in writing or executed by the contracting parties.

III. Scope of Work

Proposed Solution Includes

- 1) **Vernon Data Center**
 - a. ACI Spine & Leaf Fabric w/dedicated APIC Cluster
 - i. 2 x Nexus 9336PQ Spine (36 x 40G)
 - ii. 2 x Nexus 9372PX-E Leaf (48x10G + 6x40G)
 - iii. APIC Cluster Medium (1000 Edge Ports)

*Assumption: OOB Switch = MS350 Customer Provided
- 2) **Riley Data Center**
 - a. ACI Spine & Leaf Fabric w/dedicated APIC Cluster
 - i. 2 x Nexus 9336PQ Spine (36 x 40G)
 - ii. 2 x Nexus 9372PX-E Leaf (48x10G + 6x40G)
 - iii. APIC Cluster Medium (1000 Edge Ports)

*Assumption: OOB Switch = MS350 Customer Provided
- 3) **Roseville Electric Server Room**
 - a. Dual VPC Standalone Core
 - b. 2 x Nexus 9372PX-E Access (48x10G + 6x40G)
- 4) **Roseville PD Server Room**
 - a. Dual VPC Standalone Core
 - i. 2 x Nexus 9372PX-E Access (48x10G + 6x40G)

Under this scope, SIGMANet shall provide the following tasks.

Site Readiness

- 1) Meet with customer to discover the current environment conditions
- 2) Perform inventory of all hardware and software components for implementation
- 3) Review the site technical requirements with the Customer
- 4) Customer performs verification of site readiness for service delivery using SIGMANet's Site Readiness workbook
- 5) If the site is not ready, a change order may be needed to remediate any outstanding environment issues and the engineer(s) may be rescheduled

Deliverables

Site readiness signoff

Project Plan and Design Phase

- 1) Conduct interactive sessions to understand Customer's business and strategic information technology ("IT") objectives and potential challenges.
- 2) Work with Subject Matter Experts ("SMEs") and IT teams (Server, Storage, Network, Applications, etc.) to understand process, operational and technical details of the environment.
- 3) Review current compute, storage and network resource requirements.
- 4) Align SIGMANet best practice deployment methodologies and use cases to minimize Customer challenges.
- 5) Identify the expected business and technical outcome based on this DC upgrade project.
- 6) Review and obtain the site technical requirements with the Customer.
- 7) Create a valid design document based on the Customer's hardware and software configuration.

Deliverables

Design Guide – Sign off Sheet

Vernon Data Center– ACI Mentored Workshop Install

Included Equipment:

- 1) ACI Spine & Leaf Fabric w/dedicated APIC Cluster
 - 2) 2 x Nexus 9336PX Spine (36 x 40G)
 - 3) 2 x Nexus 9372PX-E Leaf (48x10G + 6x40G)
 - 4) APIC Cluster Medium (1000 Edge Ports)
- *Assumption: OOB Switch = MS350 Customer Provided

Pre-Workshop

- 1) Project Manager and Consultant will conduct pre-onsite engagement conference call for initial data gathering and pre deployment checklist review.
- 2) Conduct ACI design workshop with client to gather/confirm information required for ACI installation.

Design and installation for Vernon ACI Fabrics

Cisco ACI Fabric

Cisco Nexus Switches deployment

(4 switches total, 2 for SPINE and 2 for LEAFS)

- 1) Install and configure 4 x Nexus 9300 switches
- 2) Connect all cables
- 3) Configure management network
- 4) Confirm that the firmware is at the approved version, update as necessary
- 5) Configure connectivity to the compute environment
- 6) Configure networking as per the design
- 7) Configure uplink connectivity to uplink switches
- 8) Prepare for ACI deployment

ACI Mentored Installation Workshop, Design and installation for Vernon Data Center

Workshop outline

- 1) Project Manager and Consultant will conduct pre-onsite engagement conference call for initial data gathering and pre deployment checklist review.
- 2) Conduct ACI design workshop with client to gather/confirm information required for ACI installation.
- 3) Initial configuration for two ACI Fabrics, each consisting of up to 3 Application Policy Infrastructure Controllers (APIC)
 - a. Fabric Discovery for up to 2 x Spine and up to 8x Leaf switches
 - b. Perform management configuration (In band/Out of Band, assign IP, SSL cert, etc)
 - c. Create VLAN Pools
- 4) Attachable Entity Profile configuration
 - a. vPC and Access profiles for connectivity to servers and/or L2 extension
 - b. Create vPC and Access profiles for Host vPC
 - c. Configuring 1GE attached Hosts (as needed)
- 5) Configure Up to 4 Physical Server End Points or 2 Blade Server Chassis

- 6) Perform a single VMM integration (VMware ESXI 5.5 or 6.0)
 - a. ESXi DVS
 - b. vmkernel placement and configuration within APIC DVS
 - i. vMotion
 - ii. IP Storage
- 7) Configure up to 2x tenants with associated base line requirements
- 8) Configure up to 2x Layer 2 (EPG as a VLAN) connectivity to external Layer 2 Switch
- 9) Configure up to 2x Layer 3 outside connections (OSPF, EIGRP, BGP or Static)
- 10) Configure up to 2x prototypical 3 Tier Application Profiles with up to 10 End Point Groups (EPGs)
- 11) Execute and document mutually agreed upon test plan to confirm EPG to EPG communication within the fabric and external connectivity (L2 and/or L3) (Contracts)
- 12) Configure back up policy and schedule to export to external server
- 13) Review monitoring and troubleshooting procedures (throughout engagement)
- 14) Produce documentation package including
 - a. Diagrams
 - i. Topology
 - ii. Application Profile (EPG, Contract Provider/Consumer)
 - b. Naming conventions
 - c. Configuration backup (JSON)
- 15) Knowledge transfer of ACI Installation during the workshop to include RESTful API Managed Object Model / Managed Information Tree, and how to Add/Delete/Modify objects in the ACI Fabric via programmatic calls.

Deliverables

Nexus ACI Deployment Documentation Packages

Equipment Shipment and Initial build:

Tasks Completed at SIGMANet (OFFSITE):

- a. Drop ship to SIGMANet depot for initial power on testing and DOA checks
- b. Initial configuration and burn in at SIGMANet Depot
- c. All tasks related to prepping the ACI Fabric switches for ACI mentored install

Tasks Completed at Roseville Vernon DC (ONSITE):

- a. SIGMANet will ship equipment to Roseville prior to cut-over
- b. SIGMANet will perform all tasks under ACI mentored installation
- c. SIGMANet will complete the cut over tasks outlined below

Network Integration

- 1) Perform initial connectivity
- 2) Configure the ACI fabric connectivity to existing catalyst campus core switches
- 3) Configure the ACI Fabric with 2x10LR connections between Vernon and Riley Data Centers
- 4) Enable L2/L3 forwarding via the existing Campus Catalyst switches
- 5) Setup EPG for existing campus connections
- 6) End state should include the ACI Fabric enabled for Data Center Core and Catalyst as the campus core handling all IDF connections as well as remote site connections
- 7) Application migrations into ACI fabric will be responsibility of City Of Roseville IT Team

Riley Data Center– ACI Mentored Workshop Install

Included Equipment:

- 1) ACI Spine & Leaf Fabric w/dedicated APIC Cluster
 - 2) 2 x Nexus 9336PC Spine (36 x 40G)
 - 3) 2 x Nexus 9372PX-E Leaf (48x10G + 6x40G)
 - 4) APIC Cluster Medium (1000 Edge Ports)
- *Assumption: OOB Switch = MS350 Customer Provided

Pre-Workshop

- 1) Project Manager and Consultant will conduct pre-onsite engagement conference call for initial data gathering and pre deployment checklist review.
- 2) Conduct ACI design workshop with client to gather/confirm information required for ACI installation.

Design and installation for Riley ACI Fabrics

Cisco ACI Fabric

Cisco Nexus Switches deployment

(4 switches total, 2 for SPINE and 2 for LEAFS)

- 1) Install and configure 4 x Nexus 9300 switches

Roseville PD – Standalone Core Upgrade

Included Equipment:

- 1) Dual VPC Standalone Core
- 2) 2 x Nexus 9372PX-E Access (48x10G + 6x40G)

Nexus Implementation Services:

Cisco Nexus 9372PX-E Switches Deployment (2 switches total, Basic Deployment (L2/L3))

- 1) Rack and stack the Nexus 9372 chassis
- 2) Install all components
- 3) Connect all cables
- 4) Configure management network
- 5) Confirm that the firmware is at the approved version, update as necessary
- 6) Configure networking as per the design
- 7) Configure uplinks connectivity
- 8) Configure downlinks connectivity
- 9) Configure required VLANs
- 10) Configure Interfaces
- 11) Configure L2 Switching
- 12) Configure L3 Routing
- 13) Configure security settings (as needed)
- 14) Configure Analysis tools, alerts, and monitoring (as needed)

Equipment Shipment and Initial build:

Tasks Completed at SIGMANet (OFFSITE):

- a. Drop ship to SIGMANet depot for initial power on testing and DOA checks
- b. Initial configuration and burn in at SIGMANet Depot

Tasks Completed at Roseville PD (ONSITE):

- c. SIGMANet will ship equipment to Roseville prior to cut-over
- d. SIGMANet will complete the cut over tasks outlined below

Network Migration (Cut Over)

*maintenance windows will be required

- 1) Move existing server cables to appropriate ports on new data center core.
- 2) Perform initial connectivity.
- 3) Enable L2/L3 forwarding via the existing Campus Catalyst 3750 switches
- 4) Work with customer on application testing.
- 5) End state should include the Nexus 9372Px-e pair as Data Center Core and C3750 as the campus core handling all IDF connections as well as remote site connections.

Delivery

The following written reports will be provided:

- 1) Standalone Deployment Documentation Packages

Roseville Electric – Standalone Core Upgrade

Included Equipment:

- 1) Dual VPC Standalone Core
- 2) 2 x Nexus 9372PX-E Access (48x10G + 6x40G)

Nexus Implementation Services:

Cisco Nexus 9372PX-E Switches Deployment (2 switches total, Basic Deployment (L2/L3))

Rack and stack the Nexus 9372 chassis

- 3) Install all components
- 4) Connect all cables
- 5) Configure management network
- 6) Confirm that the firmware is at the approved version, update as necessary
- 7) Configure networking as per the design
- 8) Configure uplinks connectivity
- 9) Configure downlinks connectivity
- 10) Configure required VLANs
- 11) Configure Interfaces
- 12) Configure L2 Switching
- 13) Configure L3 Routing
- 14) Configure security settings (as needed)
- 15) Configure Analysis tools, alerts, and monitoring (as needed)

Equipment Shipment and Initial build:

Tasks Completed at SIGMANet (OFFSITE):

- a. Drop ship to SIGMANet depot for initial power on testing and DOA checks
- b. Initial configuration and burn in at SIGMANet Depot

Tasks Completed at Roseville Electric (ONSITE):

- c. SIGMANet will ship equipment to Roseville prior to cut-over
- d. SIGMANet will complete the cut over tasks outline below

Network Migration (Cut Over)

*maintenance windows will be required

- 1) Move existing server cables to appropriate ports on new data center core.
- 2) Perform initial connectivity.
- 3) Enable L2/L3 forwarding via the existing Campus Catalyst 3750 switches
- 4) Work with customer on application testing.
- 5) End state should include the Nexus 9372Px-e pair as Data Center Core and C3750 as the campus core handling all IDF connections as well as remote site connections.

Delivery

The following written reports will be provided:

- 1) Standalone Deployment Documentation Packages

Out of Scope

Tasks that are considered to be Out of Scope for this Statement of work include:

- 1) Infrastructure remediation unless otherwise specified with the project phases (EXAMPLE: Active Directory, Network Switches, Network Routers, Network Hubs, DNS, SAN Performance and capacity, etc.)
- 2) User Data migration
- 3) Applications migration to ACI, beyond the first test application/tenant per data center.
- 4) Maintenance of operating system images after project completion.
- 5) Modification of customer operational procedures influenced by the implemented solution.
- 6) Changes or remediation within the current environment outside of those specified within the current statement of work.
- 7) Analysis and remediation of network related issues.
- 8) Regulatory compliance requirements.
- 9) Knowledge transfer is provided as part of this statement of work, but should not be presented as or take the place of any formal training that may be beneficial to the ongoing management by the customer of the solution provided.
- 10) Application compatibility testing, unless otherwise specified, is not within the scope of this statement of work.
- 11) Remediation of application compatibility issues
- 12) Custom Reports and Queries are not included within the scope.
- 13) Any activity not mentioned explicitly "In Scope" section is considered Out of Scope and hence will not be considered. Any additional requirements will be treated as a change request and will follow the standard change request mechanism and will be estimated accordingly.

IV. Contact Information

City of Roseville	SIGMAnet
Norm Hinman Information Security Administrator City of Roseville, California 401 Oak St. Roseville, CA 95673 Desk: 916.774.5408 Cell: 916.677.9683	Adam Eisenberg aeisenberg@sigmanet.com P: 818-445-9142 4290 E. Brickell Street Ontario, CA 91761

V. Project Location

Work to be performed in part or in full at Customer location at the following location:

- 1) 401 Oak St. Roseville, CA 95678
- 2) Vernon Data Center, Roseville, CA 95678
- 3) Riley Data Center, Roseville, CA 95678
- 4) Roseville Electric, Roseville, CA 95678
- 5) Roseville PD, Roseville, CA 95678.

Any portion of the above listed work may be performed remotely where permitted.

VI. Pricing Budget/Terms

Professional Services & Project Budget

SIGMANet will provide Professional Services to fulfill this scope of work at a fixed rate as specified below. Any hardware or software quotes that are attached as part of this project are listed for budgeting purposes and will be invoiced separately when shipped.

Description	Price
Professional Services	\$180,000.00
Project Management or Coordination	Included
Total	\$180,000.00

Professional Service Invoice Schedule

Invoicing for professional services will be submitted in fixed price increments based on the below schedule.

20% upon receiving executed SOW	\$36,000.00
20% upon completion of Electric\PD	\$36,000.00
20% upon completion of Riley	\$36,000.00
20% upon completion of Vernon	\$36,000.00
20% upon completion of all tasks in SOW and project signoff	\$36,000.00

Project Commencement Lead Time

Upon execution of this Scope of Work, SIGMANet will assign a project manager and begin scheduling services on a best efforts basis. Typical lead times to begin consulting services are 1-2 weeks not including any lead times for purchased hardware needed for the project.

Taxes

All fees quoted in this document are exclusive of applicable federal, state, or local taxes, other than income or other similar taxes attributed to SIGMANet. Customer shall pay, or reimburse SIGMANet for; any such taxes and SIGMANet may add such taxes to any invoices submitted to Customer

General Services

Pricing for general services, if requested, are based on standard hourly rates and will be quoted when requested to be approved by Customer prior to work being performed. All T&M rates have two (2) hour minimum for onsite support and one (1) hour minimum for remote support. Hours are billed in fifteen (15) minute increments after exceeding the minimum charges. After hours support is billed at 1.5x standard rates. SIGMANet will adhere to all local US labor laws regarding work hours and overtime, particularly where applicable overtime will be billable.

Travel Costs

Travel costs are included for this project.

Out-of-Scope Services

Any services requested of SIGMANet personnel that are not explicitly described in the Scope of Work section, and all work that was fairly and reasonably outside the contemplation of both parties at the time this contract was made, are considered to be Out-of-Scope services. If such services are requested, SIGMANet will estimate the price of such services and contact Customer Vendor Liaison (or other Customer-designated individual) to provide a description of the services and estimated price. Once authorized by Customer Vendor Liaison in writing, SIGMANet will perform the work, document the service provided (and associated price) and invoice Customer accordingly.

VII. Customer Responsibilities

SIGMANet's performance is subject to the execution and completion of the following tasks by Customer as required

- 1) Provide a single point of contact for SIGMANet's Project Manager.
- 2) Schedule necessary network downtime and maintenance windows in coordination with SIGMANet's project manager.
- 3) Ensure that all necessary entrances, offices, rooms, etc. will be unlocked and accessible during project hours as required.
- 4) Provide an on-site (or easily accessible) contact person during all project hours, after business hours, and weekend work as required.
- 5) Facilitate project-related communication to appropriate department/end-user personnel.
- 6) Provide site information, floor plans indicating from and to locations by user, user name list, schedule constraints, and access information to SIGMANet Project Manager. This information will be available one week, or 5 business days before the project begins.
- 7) Provide timely project problem resolution assistance in the event that SIGMANet's on-site engineers need to escalate deployment problems encountered while on site.
- 8) Ensure that all necessary electrical power, outlets, receptacles, and network connection cables are operational in project location.
- 9) Provide all relevant switch port and patch panel information.
- 10) Provide timely technical support to resolve general and network connectivity issues.
- 11) Ensure a designated representative is available for completion sign off at project end.
- 12) Provide air conditioning and/or heating in the location during project activities.

- 13) Notify SIGMANet of any work performance discrepancies requiring remediation by SIGMANet within 24 hours of the installation completion.
- 14) Provide requisite Admin rights and end-user account info if required.
- 15) Provide any materials they require that are necessary for the completion of the on-site activities.
- 16) Provide any relevant technical data germane to the successful completion of the project based on Customer's criterion.

VIII. Assumption/Constraints/Dependencies

- 1) SIGMANet's performance is subject to the execution and completion of the tasks described under Customer's Responsibilities. Failure to fulfill such responsibilities within the time allotted or within a reasonable time can constitute a delay or material breach of this SOW.
- 2) SIGMANet's pricing is valid for a period 30 days from the execution date of this SOW.
- 3) Business hours are Monday – Friday 8:00AM – 5:00PM, after hours will be considered anytime outside these hours and billed at 1.5x standard T&M rates.
- 4) Shipping charges (if necessary) for any hardware and software associated with the project are to be paid for by Customer.
- 5) Changes to the SOW may be requested at any time by either party in writing. Since a change could affect the price, schedule, or other terms of this SOW, both Customer and the SIGMANet Project Manager must approve each change before amending the SOW and implementing the change.
- 6) SIGMANet will not be held liable for lost or corrupted Customer data.
- 7) SIGMANet will not be responsible for disaster recovery (for example application software and reloading data after a natural disaster, fire, etc.).
- 8) On-site activities not explicitly defined within this SOW will be considered out-of-scope.
- 9) Should Customer cancel or reschedule the Engineers once dispatched, for reasons outside of SIGMANet's control, SIGMANet reserves the right to assess a fee equal to 4 hours of billable labor.
- 10) Defective, damaged, or missing materials are not the responsibility of SIGMANet and if found, will be reported immediately to Customer.
- 11) SIGMANet makes no guarantees on the availability of a particular resource. SIGMANet reserves the right to substitute resources at any time. All substitutes will be qualified to complete the said Scope-of-Work.
- 12) Ad hoc material purchases that SIGMANet is required to make to complete this project, as agreed upon by Customer in advance, will be invoiced to Customer at actual cost at the time of purchase.

IX. Acceptance

In accordance with Section 313 of the California Corporations Code, any document executed by a corporation requires the signature from at least one person from EACH of the following two groups:

GROUP ONE

*Chairman of the Board
President
Vice President*

GROUP TWO

*Secretary
Assistant Secretary
Chief Financial Officer
Assistant Treasurer*

If an officer holds a title in each of the above groups (dual title), that officer may sign for each of the two groups by two separate signatures with the appropriate title listed with his or her signature.

There are also two exceptions whereby we would accept only one signature:

- One corporate signature AND a corporate seal*
- OR-*
- They are able to provide a current resolution from their Board of Directors, stating that a particular person has the sole authority to bind the corporation.*

IN WITNESS WHEREOF, the parties hereto have caused this SOW to be executed by their respective authorized representatives.

Statement of Work

City of Roseville

Internet Edge Deployment

June 1, 2016

Providing IT Technology Solutions for over 29 Years!

SIGMAnet Client Confidential

Copyright © 2015 SIGMAnet, Inc. All Right Reserved

Table of Contents

I.	TERMS	3
II.	CONTRACTING PARTIES	3
III.	SCOPE OF WORK	3
IV.	CONTACT INFORMATION	8
V.	PROJECT LOCATION	8
VI.	PRICING BUDGET/TERMS	9
VII.	CUSTOMER RESPONSIBILITIES	10
VIII.	ASSUMPTION/CONSTRAINTS/DEPENDENCIES	11
IX.	ACCEPTANCE	12

I. Terms

This SOW shall remain in effect for the aforementioned term outlined in the Contracting Parties section and set forth herein and agreed to between the parties. Customer or SIGMAnet may terminate this agreement upon 5 business day's written notice.

II. Contracting Parties

This Statement of Work ("SOW"), with an Effective Date of **June 1, 2016** between SIGMAnet, Inc., (hereafter called "SIGMAnet") and **City of Roseville** (hereinafter called "Customer").

For the purposes of this SOW, Customer has an address 401 Oak St. Roseville, CA 95678 and SIGMAnet has an address of 4290 East Brickell Street, Ontario, California 91761.

The pricing and scope of this SOW is valid for 30 days from the date of this document unless extended by SIGMAnet in writing or executed by the contracting parties.

III. Scope of Work

Proposed Solution Includes

Vernon Data Center

- a. ASR 1001x – 5G
 - i. 6 x 1G SFP interfaces
 - ii. 2 x 10G SFP interfaces

Riley Data Center

- b. ASR 1001x – 5G
 - i. 6 x 1G SFP interfaces
 - ii. 2 x 10G SFP interfaces

**** Customer will be using existing Palo Alto Firewalls to provide firewall functionality**

Under this scope, SIGMAnet shall provide the following tasks.

Site Readiness

- 1) Meet with customer to discover the current environment conditions
- 2) Perform inventory of all hardware and software components for implementation
- 3) Review the site technical requirements with the Customer
- 4) Customer performs verification of site readiness for service delivery using SIGMAnet's Site Readiness workbook
- 5) If the site is not ready, a change order may be needed to remediate any outstanding environment issues and the engineer(s) may be rescheduled

Deliverables

Site readiness signoff

Project Plan and Design Phase

- 1) Conduct interactive sessions to understand Customer's business and strategic information technology ("IT") objectives and potential challenges.
- 2) Work with Subject Matter Experts ("SMEs") and IT teams (Server, Storage, Network, Applications, etc.) to understand process, operational and technical details of the environment.
- 3) Review current compute, storage and network resource requirements.
- 4) Align SIGMAnet best practice deployment methodologies and use cases to minimize Customer challenges.
- 5) Identify the expected business and technical outcome based on this DC upgrade project.
- 6) Review and obtain the site technical requirements with the Customer.
- 7) Create a valid design document based on the Customer's hardware and software configuration.

Deliverables

Design Guide – Sign off Sheet

Vernon Data Center– Internet Edge Install

Included Equipment:

- QTY 1 x ASR 1001x – 5G
 - 6 x 1G SFP interfaces

Pre-migration:

Internet Edge Router – ASR1001x

- 1) Unbox hardware
- 2) Power up hardware
- 3) Test for DOA
- 4) Hardware diagnostics (Show Version, Show Inventory etc.)
- 5) Install modules on Routers/Firewall/Switches if applicable
- 6) Upgrade IOS if required
- 7) Install licenses as needed
- 8) Burn-in

Equipment Shipment and Initial build:

Tasks Completed at SIGMANet (OFFSITE):

- 1) Drop ship to SIGMANet depot for initial power on testing and DOA checks
- 2) Initial configuration and burn in at SIGMANet Depot

Tasks Completed at Roseville (ONSITE):

- 1) SIGMANet will ship equipment to Roseville prior to cut-over
- 2) SIGMANet will complete the cut over tasks outlined below

Design and installation:

9) Internet Edge Router – ASR1001x

- 1) Install and configure Edge routers
- 2) Basic configuration like Hostname/IP Address, SSH, SNMP etc.
- 3) Configure L2/L3 interfaces
- 4) Enable Routing
- 5) Enable BGP
 - a. Configure EGP to upstream Carrier
 - b. Configure IBGP between Vernon and Riley
- 6) Apply best practices (Disable Proxy ARP, No IP redirects etc.)
- 7) Test Failover between ISP and Data Centers
- 8) Troubleshoot as needed

Internet Edge Firewall – Existing Palo Alto Firewalls (Customer provided)

- 1) Confirm basic configuration
- 2) Backup existing configuration
- 3) Ensure the latest Software Firmware and OS is installed
- 4) Update Firmware/OS if required

- 5) Disable HA between Failover Pair
- 6) Shutdown and move Standby FW to Vernon

Post Installation Phase

- 1) Validate the success of the project
- 2) Knowledge transfer includes review of As-Built documentation. This is not a classroom training session, but hands on review of up to 16 hours.
- 3) As Built to be provided will be a standardized SIGMAnet documentation of work completed and configuration
- 4) Next-business day support for troubleshooting, optimizing, validating configuration, etc.

Riley Data Center– Internet Edge Install

Included Equipment:

- QTY 1 x ASR 1001x – 5G
 - 6 x 1G SFP interfaces

Pre-migration:

Internet Edge Router – ASR1001x

- 1) Unbox hardware
- 2) Power up hardware
- 3) Test for DOA
- 4) Hardware diagnostics (Show Version, Show Inventory etc.)
- 5) Install modules on Routers/Firewall/Switches if applicable
- 6) Upgrade IOS if required
- 7) Install licenses as needed
- 8) Burn-in

Equipment Shipment and Initial build:

Tasks Completed at SIGMANet (OFFSITE):

- 1) Drop ship to SIGMANet depot for initial power on testing and DOA checks
- 2) Initial configuration and burn in at SIGMANet Depot

Tasks Completed at Roseville (ONSITE):

- 1) SIGMANet will ship equipment to Roseville prior to cut-over
- 2) SIGMANet will complete the cut over tasks outlined below

Design and installation:

Internet Edge Router – ASR1001x

- 1) Install and configure Edge routers
- 2) Basic configuration like Hostname/IP Address, SSH, SNMP etc.
- 3) Configure L2/L3 interfaces
- 4) Enable Routing
- 5) Enable BGP
 - a. Configure EBGP to upstream Carrier
 - b. Configure iBGP between Vernon and Riley
- 6) Apply best practices (Disable Proxy ARP, No IP redirects etc.)
- 7) Test Failover between ISP and Data Centers
- 8) Troubleshoot as needed

Internet Edge Firewall – Existing Palo Alto Firewalls (Customer provided)

- 1) Confirm basic configuration
- 2) Backup existing configuration
- 3) Ensure the latest Software Firmware and OS is installed
- 4) Update Firmware/OS if required

- 5) Disable HA between Failover Pair
- 6) Shutdown and move Standby FW to Vernon

Post Installation Phase

- 1) Validate the success of the project
- 2) Knowledge transfer includes review of As-Built documentation. This is not a classroom training session, but hands on review of up to 16 hours.
- 3) As Built to be provided will be a standardized SIGMAnet documentation of work completed and configuration
- 4) Next-business day support for troubleshooting, optimizing, validating configuration, etc.

Work to be performed in part or in full at Customer location at the following location:

- 1) 401 Oak St. Roseville, CA 95678
- 2) Vernon Data Center, Roseville, CA 95678
- 3) Riley Data Center, Roseville, CA 95678

Any portion of the above listed work may be performed remotely where permitted.

VI. Pricing Budget/Terms

Professional Services & Project Budget

SIGMAnet will provide Professional Services to fulfill this scope of work at a fixed rate as specified below. Any hardware or software quotes that are attached as part of this project are listed for budgeting purposes and will be invoiced separately when shipped.

Description	Price	
	Fixed Price	T&M
Professional Services	\$18,151.00	\$300/hr
Project Management	Included	\$150/hr
Travel Costs	Included	See "Travel Costs"
Total	\$18,151.00	TBD
Initial Selected Option 		

Professional Service Invoice Schedule

Invoicing for professional services will be submitted in fixed price increments based on the below schedule.

Option 1

50% upon receiving executed SOW	\$9,075.00
50% upon completion of all tasks in SOW and project signoff	\$9,075.00

Option 2

SIGMAnet will invoice weekly based on actual hours and total project costs could be higher than fixed fee price.

Project Commencement Lead Time

Upon execution of this Scope of Work, SIGMAnet will assign a project manager and begin scheduling services on a best efforts basis. Typical lead times to begin consulting services are 1-2 weeks not including any lead times for purchased hardware needed for the project.

Taxes

All fees quoted in this document are exclusive of applicable federal, state, or local taxes, other than income or other similar taxes attributed to SIGMAnet. Customer shall pay, or reimburse SIGMAnet for; any such taxes and SIGMAnet may add such taxes to any invoices submitted to Customer

General Services

Pricing for general services, if requested, are based on standard hourly rates and will be quoted when requested to be approved by Customer prior to work being performed. All T&M rates have two (2) hour minimum for onsite support and one (1) hour minimum for remote support. Hours are billed in fifteen (15) minute increments after exceeding the minimum charges. After hours support is billed at 1.5x standard rates. SIGMAnet will adhere to all local US labor laws regarding work hours and overtime, particularly where applicable overtime will be billable.

Travel Costs

Travel costs outside of Southern California will be passed through based on pre-approval by Customer. Resources will be based locally where feasible and will not require travel to the location, unless or otherwise requested by Customer.

Travel & Expense	Cost
Off-site location (Air, Hotel, Transportation)	Pass through
Per Diem (Cover Meals and Incidentals during travel)	\$50/day/engineer

Out-of-Scope Services

Any services requested of SIGMANet personnel that are not explicitly described in the Scope of Work section, and all work that was fairly and reasonably outside the contemplation of both parties at the time this contract was made, are considered to be Out-of-Scope services. If such services are requested, SIGMANet will estimate the price of such services and contact Customer Vendor Liaison (or other Customer-designated individual) to provide a description of the services and estimated price. Once authorized by Customer Vendor Liaison in writing, SIGMANet will perform the work, document the service provided (and associated price) and invoice Customer accordingly.

VII. Customer Responsibilities

SIGMANet's performance is subject to the execution and completion of the following tasks by Customer as required:

- 1) Provide a single point of contact for SIGMANet's Project Manager.
- 2) Schedule necessary network downtime and maintenance windows in coordination with SIGMANet's project manager.
- 3) Ensure that all necessary entrances, offices, rooms, etc. will be unlocked and accessible during project hours as required.
- 4) Provide an on-site (or easily accessible) contact person during all project hours, after business hours, and weekend work as required.
- 5) Facilitate project-related communication to appropriate department/end-user personnel.
- 6) Provide site information, floor plans indicating from and to locations by user, user name list, schedule constraints, and access information to SIGMANet Project Manager. This information will be available one week, or 5 business days before the project begins.
- 7) Provide timely project problem resolution assistance in the event that SIGMANet's on-site engineers need to escalate deployment problems encountered while on site.
- 8) Ensure that all necessary electrical power, outlets, receptacles, and network connection cables are operational in project location.
- 9) Provide all relevant switch port and patch panel information.
- 10) Provide timely technical support to resolve general and network connectivity issues.
- 11) Ensure a designated representative is available for completion sign off at project end.
- 12) Provide air conditioning and/or heating in the location during project activities.
- 13) Notify SIGMANet of any work performance discrepancies requiring remediation by SIGMANet within 24 hours of the installation completion.

- 14) Provide requisite Admin rights and end-user account info if required.
- 15) Provide any materials they require that are necessary for the completion of the on-site activities.
- 16) Provide any relevant technical data germane to the successful completion of the project based on Customer's criterion.

VIII. Assumption/Constraints/Dependencies

- 1) SIGMANet's performance is subject to the execution and completion of the tasks described under Customer's Responsibilities. Failure to fulfill such responsibilities within the time allotted or within a reasonable time can constitute a delay or material breach of this SOW.
- 2) SIGMANet's pricing is valid for a period 30 days from the execution date of this SOW.
- 3) Business hours are Monday – Friday 8:00AM – 5:00PM, after hours will be considered anytime outside these hours and billed at 1.5x standard T&M rates.
- 4) Shipping charges (if necessary) for any hardware and software associated with the project are to be paid for by Customer.
- 5) Changes to the SOW may be requested at any time by either party in writing. Since a change could affect the price, schedule, or other terms of this SOW, both Customer and the SIGMANet Project Manager must approve each change before amending the SOW and implementing the change.
- 6) SIGMANet will not be held liable for lost or corrupted Customer data.
- 7) SIGMANet will not be responsible for disaster recovery (for example application software and reloading data after a natural disaster, fire, etc.).
- 8) On-site activities not explicitly defined within this SOW will be considered out-of-scope.
- 9) Should Customer cancel or reschedule the Engineers once dispatched, for reasons outside of SIGMANet's control, SIGMANet reserves the right to assess a fee equal to 4 hours of billable labor.
- 10) Defective, damaged, or missing materials are not the responsibility of SIGMANet and if found, will be reported immediately to Customer.
- 11) SIGMANet makes no guarantees on the availability of a particular resource. SIGMANet reserves the right to substitute resources at any time. All substitutes will be qualified to complete the said Scope-of-Work.
- 12) Ad hoc material purchases that SIGMANet is required to make to complete this project, as agreed upon by Customer in advance, will be invoiced to Customer at actual cost at the time of purchase.

IX. Acceptance

In accordance with Section 313 of the California Corporations Code, any document executed by a corporation requires the signature from at least one person from EACH of the following two groups:

GROUP ONE

*Chairman of the Board
President
Vice President*

GROUP TWO

*Secretary
Assistant Secretary
Chief Financial Officer
Assistant Treasurer*

If an officer holds a title in each of the above groups (dual title), that officer may sign for each of the two groups by two separate signatures with the appropriate title listed with his or her signature.

There are also two exceptions whereby we would accept only one signature:

- One corporate signature AND a corporate seal*
- OR-*
- They are able to provide a current resolution from their Board of Directors, stating that a particular person has the sole authority to bind the corporation.*

IN WITNESS WHEREOF, the parties hereto have caused this SOW to be executed by their respective authorized representatives.

Table of Contents

I. TERMS 3

II. CONTRACTING PARTIES..... 3

III. SCOPE OF WORK 3

IV. CONTACT INFORMATION 13

V. PROJECT LOCATION 14

VI. PRICING BUDGET/TERMS 14

VII. CUSTOMER RESPONSIBILITIES..... 15

VIII. ASSUMPTION/CONSTRAINTS/DEPENDENCIES..... 16

IX. ACCEPTANCE 17

I. Terms

This SOW shall remain in effect for the aforementioned term outlined in the Contracting Parties section and set forth herein and agreed to between the parties. Customer or SIGMANet may terminate this agreement upon 5 business day's written notice.

II. Contracting Parties

This Statement of Work ("SOW"), with an Effective Date of **May 3, 2016** between SIGMANet, Inc., (hereafter called "SIGMANet") and **City of Roseville** (hereinafter called "Customer") is issued pursuant to SIGMANet Master Services Agreement 4.7 that was signed between the parties ("MSA") and contains the terms stated herein.

For the purposes of this SOW, Customer has an address 401 Oak St. Roseville, CA 95678 and SIGMANet has an address of 4290 East Brickell Street, Ontario, California 91761.

The pricing and scope of this SOW is valid for 30 days from the date of this document unless extended by SIGMANet in writing or executed by the contracting parties. It is intended for SIGMANet and Customer's use exclusively and cannot be reproduced by or for other parties without SIGMANet's prior written approval.

III. Scope of Work

Proposed Solution Includes

1) **Vernon Data Center**

- a. ACI Spine & Leaf Fabric w/dedicated APIC Cluster
 - i. 2 x Nexus 9336PQ Spine (36 x 40G)
 - ii. 2 x Nexus 9372PX-E Leaf (48x10G + 6x40G)
 - iii. APIC Cluster Medium (1000 Edge Ports)
- *Assumption: OOB Switch = MS350 Customer Provided

2) **Riley Data Center**

- a. ACI Spine & Leaf Fabric w/dedicated APIC Cluster
 - i. 2 x Nexus 9336PQ Spine (36 x 40G)
 - ii. 2 x Nexus 9372PX-E Leaf (48x10G + 6x40G)
 - iii. APIC Cluster Medium (1000 Edge Ports)
- *Assumption: OOB Switch = MS350 Customer Provided

3) **Roseville Electric Server Room**

- a. Dual VPC Standalone Core
- b. 2 x Nexus 9372PX-E Access (48x10G + 6x40G)

4) **Roseville PD Server Room**

- a. Dual VPC Standalone Core
 - i. 2 x Nexus 9372PX-E Access (48x10G + 6x40G)

Under this scope, SIGMAnet shall provide the following tasks.

Site Readiness

- 1) Meet with customer to discover the current environment conditions
- 2) Perform inventory of all hardware and software components for implementation
- 3) Review the site technical requirements with the Customer
- 4) Customer performs verification of site readiness for service delivery using SIGMAnet's Site Readiness workbook
- 5) If the site is not ready, a change order may be needed to remediate any outstanding environment issues and the engineer(s) may be rescheduled

Deliverables

Site readiness signoff

Project Plan and Design Phase

- 1) Conduct interactive sessions to understand Customer's business and strategic information technology ("IT") objectives and potential challenges.
- 2) Work with Subject Matter Experts ("SMEs") and IT teams (Server, Storage, Network, Applications, etc.) to understand process, operational and technical details of the environment.
- 3) Review current compute, storage and network resource requirements.
- 4) Align SIGMAnet best practice deployment methodologies and use cases to minimize Customer challenges.
- 5) Identify the expected business and technical outcome based on this DC upgrade project.
- 6) Review and obtain the site technical requirements with the Customer.
- 7) Create a valid design document based on the Customer's hardware and software configuration.

Deliverables

Design Guide – Sign off Sheet

Vernon Data Center– ACI Mentored Workshop Install

Included Equipment:

- 1) ACI Spine & Leaf Fabric w/dedicated APIC Cluster
 - 2) 2 x Nexus 9336PQ Spine (36 x 40G)
 - 3) 2 x Nexus 9372PX-E Leaf (48x10G + 6x40G)
 - 4) APIC Cluster Medium (1000 Edge Ports)
- *Assumption: OOB Switch = MS350 Customer Provided

Pre-Workshop

- 1) Project Manager and Consultant will conduct pre-onsite engagement conference call for initial data gathering and pre deployment checklist review.
- 2) Conduct ACI design workshop with client to gather/confirm information required for ACI installation.

Design and installation for Vernon ACI Fabrics

Cisco ACI Fabric

Cisco Nexus Switches deployment

(4 switches total, 2 for SPINE and 2 for LEAFS)

- 1) Install and configure 4 x Nexus 9300 switches
- 2) Connect all cables
- 3) Configure management network
- 4) Confirm that the firmware is at the approved version, update as necessary
- 5) Configure connectivity to the compute environment
- 6) Configure networking as per the design
- 7) Configure uplink connectivity to uplink switches
- 8) Prepare for ACI deployment

ACI Mentored Installation Workshop, Design and installation for Vernon Data Center

Workshop outline

- 1) Project Manager and Consultant will conduct pre-onsite engagement conference call for initial data gathering and pre deployment checklist review.
- 2) Conduct ACI design workshop with client to gather/confirm information required for ACI installation.
- 3) Initial configuration for two ACI Fabrics, each consisting of up to 3 Application Policy Infrastructure Controllers (APIC)
 - a. Fabric Discovery for up to 2 x Spine and up to 8x Leaf switches
 - b. Perform management configuration (In band/Out of Band, assign IP, SSL cert, etc)
 - c. Create VLAN Pools
- 4) Attachable Entity Profile configuration
 - a. vPC and Access profiles for connectivity to servers and/or L2 extension
 - b. Create vPC and Access profiles for Host vPC
 - c. Configuring 1GE attached Hosts (as needed)
- 5) Configure Up to 4 Physical Server End Points or 2 Blade Server Chassis

- 6) Perform a single VMM integration (VMware ESXI 5.5 or 6.0)
 - a. ESXi DVS
 - b. vmkernel placement and configuration within APIC DVS
 - i. vMotion
 - ii. IP Storage
- 7) Configure up to 2x tenants with associated base line requirements
- 8) Configure up to 2x Layer 2 (EPG as a VLAN) connectivity to external Layer 2 Switch
- 9) Configure up to 2x Layer 3 outside connections (OSPF, EIGRP, BGP or Static)
- 10) Configure up to 2x prototypical 3 Tier Application Profiles with up to 10 End Point Groups (EPGs)
- 11) Execute and document mutually agreed upon test plan to confirm EPG to EPG communication within the fabric and external connectivity (L2 and/or L3) (Contracts)
- 12) Configure back up policy and schedule to export to external server
- 13) Review monitoring and troubleshooting procedures (throughout engagement)
- 14) Produce documentation package including
 - a. Diagrams
 - i. Topology
 - ii. Application Profile (EPG, Contract Provider/Consumer)
 - b. Naming conventions
 - c. Configuration backup (JSON)
- 15) Knowledge transfer of ACI Installation during the workshop to include RESTful API Managed Object Model / Managed Information Tree, and how to Add/Delete/Modify objects in the ACI Fabric via programmatic calls.

Deliverables

Nexus ACI Deployment Documentation Packages

Equipment Shipment and Initial build:

Tasks Completed at SIGMANet (OFFSITE):

- a. Drop ship to SIGMANet depot for initial power on testing and DOA checks
- b. Initial configuration and burn in at SIGMANet Depot
- c. All tasks related to prepping the ACI Fabric switches for ACI mentored install

Tasks Completed at Roseville Vernon DC (ONSITE):

- a. SIGMANet will ship equipment to Roseville prior to cut-over
- b. SIGMANet will perform all tasks under ACI mentored installation
- c. SIGMANet will complete the cut over tasks outlined below

Network Integration

- 1) Perform initial connectivity
- 2) Configure the ACI fabric connectivity to existing catalyst campus core switches
- 3) Configure the ACI Fabric with 2x10LR connections between Vernon and Riley Data Centers
- 4) Enable L2/L3 forwarding via the existing Campus Catalyst switches
- 5) Setup EPG for existing campus connections
- 6) End state should include the ACI Fabric enabled for Data Center Core and Catalyst as the campus core handling all IDF connections as well as remote site connections
- 7) Application migrations into ACI fabric will be responsibility of City Of Roseville IT Team

Riley Data Center– ACI Mentored Workshop Install

Included Equipment:

- 1) ACI Spine & Leaf Fabric w/dedicated APIC Cluster
 - 2) 2 x Nexus 9336PQ Spine (36 x 40G)
 - 3) 2 x Nexus 9372PX-E Leaf (48x10G + 6x40G)
 - 4) APIC Cluster Medium (1000 Edge Ports)
- *Assumption: OOB Switch = MS350 Customer Provided

Pre-Workshop

- 1) Project Manager and Consultant will conduct pre-onsite engagement conference call for initial data gathering and pre deployment checklist review.
- 2) Conduct ACI design workshop with client to gather/confirm information required for ACI installation.

Design and installation for Riley ACI Fabrics

 - ii. IP Storage
- 7) Configure up to 2x tenants with associated base line requirements
- 8) Configure up to 2x Layer 2 (EPG as a VLAN) connectivity to external Layer 2 Switch
- 9) Configure up to 2x Layer 3 outside connections (OSPF, EIGRP, BGP or Static)
- 10) Configure up to 2x prototypical 3 Tier Application Profiles with up to 10 End Point Groups (EPGs)
- 11) Execute and document mutually agreed upon test plan to confirm EPG to EPG communication within the fabric and external connectivity (L2 and/or L3) (Contracts)
- 12) Configure back up policy and schedule to export to external server
- 13) Review monitoring and troubleshooting procedures (throughout engagement)
- 14) Produce documentation package including
 - a. Diagrams
 - i. Topology
 - ii. Application Profile (EPG, Contract Provider/Consumer)
 - b. Naming conventions
 - c. Configuration backup (JSON)
- 15) Knowledge transfer of ACI Installation during the workshop to include RESTful API Managed Object Model / Managed Information Tree, and how to Add/Delete/Modify objects in the ACI Fabric via programmatic calls.

Deliverables

Nexus ACI Deployment Documentation Packages

Equipment Shipment and Initial build:

Tasks Completed at SIGMANet (OFFSITE):

- a. Drop ship to SIGMANet depot for initial power on testing and DOA checks
- b. Initial configuration and burn in at SIGMANet Depot
- c. All tasks related to prepping the ACI Fabric switches for ACI mentored install

Tasks Completed at Roseville Riley DC (ONSITE):

- d. SIGMANet will ship equipment to Roseville prior to cut-over
- e. SIGMANet will perform all tasks under ACI mentored installation
- f. SIGMANet will complete the cut over tasks outlined below

Network Integration

- 1) Perform initial connectivity
- 2) Configure the ACI fabric connectivity to existing catalyst campus core switches
- 3) Configure the ACI Fabric with 2x10LR connections between Vernon and Riley Data Centers
- 4) Enable L2/L3 forwarding via the existing Campus Catalyst switches
- 5) Setup EPG for existing campus connections
- 6) End state should include the ACI Fabric enabled for Data Center Core and Catalyst as the campus core handling all IDF connections as well as remote site connections
- 7) Application migrations into ACI fabric will be responsibility of City Of Roseville IT Team

Roseville PD – Standalone Core Upgrade

Included Equipment:

- 1) Dual VPC Standalone Core
- 2) 2 x Nexus 9372PX-E Access (48x10G + 6x40G)

Nexus Implementation Services:

Cisco Nexus 9372PX-E Switches Deployment (2 switches total, Basic Deployment (L2/L3))

- 1) Rack and stack the Nexus 9372 chassis
- 2) Install all components
- 3) Connect all cables
- 4) Configure management network
- 5) Confirm that the firmware is at the approved version, update as necessary
- 6) Configure networking as per the design
- 7) Configure uplinks connectivity
- 8) Configure downlinks connectivity
- 9) Configure required VLANs
- 10) Configure Interfaces
- 11) Configure L2 Switching
- 12) Configure L3 Routing
- 13) Configure security settings (as needed)
- 14) Configure Analysis tools, alerts, and monitoring (as needed)

Equipment Shipment and Initial build:

Tasks Completed at SIGMAnet (OFFSITE):

- a. Drop ship to SIGMAnet depot for initial power on testing and DOA checks
- b. Initial configuration and burn in at SIGMAnet Depot

Tasks Completed at Roseville PD (ONSITE):

- c. SIGMAnet will ship equipment to Roseville prior to cut-over
- d. SIGMAnet will complete the cut over tasks outlined below

Network Migration (Cut Over)

*maintenance windows will be required

- 1) Move existing server cables to appropriate ports on new data center core.
- 2) Perform initial connectivity.
- 3) Enable L2/L3 forwarding via the existing Campus Catalyst 3750 switches
- 4) Work with customer on application testing.
- 5) End state should include the Nexus 9372Px-e pair as Data Center Core and C3750 as the campus core handling all IDF connections as well as remote site connections.

Delivery

The following written reports will be provided:

- 1) Standalone Deployment Documentation Packages

Roseville Electric – Standalone Core Upgrade

Included Equipment:

- 1) Dual VPC Standalone Core
- 2) 2 x Nexus 9372PX-E Access (48x10G + 6x40G)

Nexus Implementation Services:

Cisco Nexus 9372PX-E Switches Deployment (2 switches total, Basic Deployment (L2/L3))

Rack and stack the Nexus 9372 chassis

- 3) Install all components
- 4) Connect all cables
- 5) Configure management network
- 6) Confirm that the firmware is at the approved version, update as necessary
- 7) Configure networking as per the design
- 8) Configure uplinks connectivity
- 9) Configure downlinks connectivity
- 10) Configure required VLANs
- 11) Configure Interfaces
- 12) Configure L2 Switching
- 13) Configure L3 Routing
- 14) Configure security settings (as needed)
- 15) Configure Analysis tools, alerts, and monitoring (as needed)

Equipment Shipment and Initial build:

Tasks Completed at SIGMAnet (OFFSITE):

- a. Drop ship to SIGMAnet depot for initial power on testing and DOA checks
- b. Initial configuration and burn in at SIGMAnet Depot

Tasks Completed at Roseville Electric (ONSITE):

- c. SIGMAnet will ship equipment to Roseville prior to cut-over
- d. SIGMAnet will complete the cut over tasks outline below

Network Migration (Cut Over)

*maintenance windows will be required

- 1) Move existing server cables to appropriate ports on new data center core.
- 2) Perform initial connectivity.
- 3) Enable L2/L3 forwarding via the existing Campus Catalyst 3750 switches
- 4) Work with customer on application testing.
- 5) End state should include the Nexus 9372Px-e pair as Data Center Core and C3750 as the campus core handling all IDF connections as well as remote site connections.

Delivery

The following written reports will be provided:

- 1) Standalone Deployment Documentation Packages

Out of Scope

Tasks that are considered to be Out of Scope for this Statement of work include:

- 1) Infrastructure remediation unless otherwise specified with the project phases (EXAMPLE: Active Directory, Network Switches, Network Routers, Network Hubs, DNS, SAN Performance and capacity, etc.)
- 2) User Data migration
- 3) Applications migration to ACI, beyond the first test application/tenant per data center.
- 4) Maintenance of operating system images after project completion.
- 5) Modification of customer operational procedures influenced by the implemented solution.
- 6) Changes or remediation within the current environment outside of those specified within the current statement of work.
- 7) Analysis and remediation of network related issues.
- 8) Regulatory compliance requirements.
- 9) Knowledge transfer is provided as part of this statement of work, but should not be presented as or take the place of any formal training that may be beneficial to the ongoing management by the customer of the solution provided.
- 10) Application compatibility testing, unless otherwise specified, is not within the scope of this statement of work.
- 11) Remediation of application compatibility issues
- 12) Custom Reports and Queries are not included within the scope.
- 13) Any activity not mentioned explicitly "In Scope" section is considered Out of Scope and hence will not be considered. Any additional requirements will be treated as a change request and will follow the standard change request mechanism and will be estimated accordingly.

IV. Contact Information

City of Roseville	SIGMAnet
Norm Hinman Information Security Administrator City of Roseville, California 401 Oak St. Roseville, CA 95678 Desk: 916.774.5408 Cell: 916.677.9683	Adam Eisenberg aeisenberg@sigmanet.com P: 818-445-9142 4290 E. Brickell Street Ontario, CA 91761

V. Project Location

Work to be performed in part or in full at Customer location at the following location:

- 1) 401 Oak St. Roseville, CA 95678
- 2) Vernon Data Center, Roseville, CA 95678
- 3) Riley Data Center, Roseville, CA 95678
- 4) Roseville Electric, Roseville, CA 95678
- 5) Roseville PD, Roseville, CA 95678.

Any portion of the above listed work may be performed remotely where permitted.

VI. Pricing Budget/Terms

Professional Services & Project Budget

SIGMANet will provide Professional Services to fulfill this scope of work at a fixed rate as specified below. Any hardware or software quotes that are attached as part of this project are listed for budgeting purposes and will be invoiced separately when shipped.

Description	Price
Professional Services	\$180,000.00
Project Management or Coordination	Included
Total	\$180,000.00

Professional Service Invoice Schedule

Invoicing for professional services will be submitted in fixed price increments based on the below schedule.

20% upon receiving executed SOW	\$36,000.00
20% upon completion of Electric\PD	\$36,000.00
20% upon completion of Riley	\$36,000.00
20% upon completion of Vernon	\$36,000.00
20% upon completion of all tasks in SOW and project signoff	\$36,000.00

Project Commencement Lead Time

Upon execution of this Scope of Work, SIGMANet will assign a project manager and begin scheduling services on a best efforts basis. Typical lead times to begin consulting services are 1-2 weeks not including any lead times for purchased hardware needed for the project.

Taxes

All fees quoted in this document are exclusive of applicable federal, state, or local taxes, other than income or other similar taxes attributed to SIGMANet. Customer shall pay, or reimburse SIGMANet for; any such taxes and SIGMANet may add such taxes to any invoices submitted to Customer

General Services

Pricing for general services, if requested, are based on standard hourly rates and will be quoted when requested to be approved by Customer prior to work being performed. All T&M rates have two (2) hour minimum for onsite support and one (1) hour minimum for remote support. Hours are billed in fifteen (15) minute increments after exceeding the minimum charges. After hours support is billed at 1.5x standard rates. SIGMANet will adhere to all local US labor laws regarding work hours and overtime, particularly where applicable overtime will be billable.

Travel Costs

Travel costs are included for this project.

Out-of-Scope Services

Any services requested of SIGMANet personnel that are not explicitly described in the Scope of Work section, and all work that was fairly and reasonably outside the contemplation of both parties at the time this contract was made, are considered to be Out-of-Scope services. If such services are requested, SIGMANet will estimate the price of such services and contact Customer Vendor Liaison (or other Customer-designated individual) to provide a description of the services and estimated price. Once authorized by Customer Vendor Liaison in writing, SIGMANet will perform the work, document the service provided (and associated price) and invoice Customer accordingly.

VII. Customer Responsibilities

SIGMANet's performance is subject to the execution and completion of the following tasks by Customer as required:

- 1) Provide a single point of contact for SIGMANet's Project Manager.
- 2) Schedule necessary network downtime and maintenance windows in coordination with SIGMANet's project manager.
- 3) Ensure that all necessary entrances, offices, rooms, etc. will be unlocked and accessible during project hours as required.
- 4) Provide an on-site (or easily accessible) contact person during all project hours, after business hours, and weekend work as required.
- 5) Facilitate project-related communication to appropriate department/end-user personnel.
- 6) Provide site information, floor plans indicating from and to locations by user, user name list, schedule constraints, and access information to SIGMANet Project Manager. This information will be available one week, or 5 business days before the project begins.
- 7) Provide timely project problem resolution assistance in the event that SIGMANet's on-site engineers need to escalate deployment problems encountered while on site.
- 8) Ensure that all necessary electrical power, outlets, receptacles, and network connection cables are operational in project location.
- 9) Provide all relevant switch port and patch panel information.
- 10) Provide timely technical support to resolve general and network connectivity issues.
- 11) Ensure a designated representative is available for completion sign off at project end.
- 12) Provide air conditioning and/or heating in the location during project activities.

- 13) Notify SIGMANet of any work performance discrepancies requiring remediation by SIGMANet within 24 hours of the installation completion.
- 14) Provide requisite Admin rights and end-user account info if required.
- 15) Provide any materials they require that are necessary for the completion of the on-site activities.
- 16) Provide any relevant technical data germane to the successful completion of the project based on Customer's criterion.

VIII. Assumption/Constraints/Dependencies

- 1) SIGMANet's performance is subject to the execution and completion of the tasks described under Customer's Responsibilities. Failure to fulfill such responsibilities within the time allotted or within a reasonable time can constitute a delay or material breach of this SOW and the MSA.
- 2) SIGMANet's pricing is valid for a period 30 days from the execution date of this SOW.
- 3) Business hours are Monday – Friday 8:00AM – 5:00PM, after hours will be considered anytime outside these hours and billed at 1.5x standard T&M rates.
- 4) Shipping charges (if necessary) for any hardware and software associated with the project are to be paid for by Customer.
- 5) Changes to the SOW may be requested at any time by either party in writing. Since a change could affect the price, schedule, or other terms of this SOW, both Customer and the SIGMANet Project Manager must approve each change before amending the SOW and implementing the change.
- 6) SIGMANet will not be held liable for lost or corrupted Customer data.
- 7) SIGMANet will not be responsible for disaster recovery (for example application software and reloading data after a natural disaster, fire, etc.).
- 8) On-site activities not explicitly defined within this SOW will be considered out-of-scope.
- 9) Should Customer cancel or reschedule the Engineers once dispatched, for reasons outside of SIGMANet's control, SIGMANet reserves the right to assess a fee equal to 4 hours of billable labor.
- 10) Defective, damaged, or missing materials are not the responsibility of SIGMANet and if found, will be reported immediately to Customer.
- 11) SIGMANet makes no guarantees on the availability of a particular resource. SIGMANet reserves the right to substitute resources at any time. All substitutes will be qualified to complete the said Scope-of-Work.
- 12) Ad hoc material purchases that SIGMANet is required to make to complete this project, as agreed upon by Customer in advance, will be invoiced to Customer at actual cost at the time of purchase.

IX. Acceptance

IN WITNESS WHEREOF, the parties hereto have caused this SOW to be executed by their respective authorized representatives.

Table of Contents

- I. TERMS 3
- II. CONTRACTING PARTIES..... 3
- III. SCOPE OF WORK 3
- IV. CONTACT INFORMATION 8
- V. PROJECT LOCATION 8
- VI. PRICING BUDGET/TERMS 9
- VII. CUSTOMER RESPONSIBILITIES..... 10
- VIII. ASSUMPTION/CONSTRAINTS/DEPENDENCIES..... 11
- IX. ACCEPTANCE 12

I. Terms

This SOW shall remain in effect for the aforementioned term outlined in the Contracting Parties section and set forth herein and agreed to between the parties. Customer or SIGMANet may terminate this agreement upon 5 business day's written notice.

II. Contracting Parties

This Statement of Work ("SOW"), with an Effective Date of **May 17, 2016** between SIGMANet, Inc., (hereafter called "SIGMANet") and **City of Roseville** (hereinafter called "Customer") is issued pursuant to SIGMANet Master Services Agreement 4.7 that was signed between the parties ("MSA") and contains the terms stated herein.

For the purposes of this SOW, Customer has an address 401 Oak St. Roseville, CA 95678 and SIGMANet has an address of 4290 East Brickell Street, Ontario, California 91761.

The pricing and scope of this SOW is valid for 30 days from the date of this document unless extended by SIGMANet in writing or executed by the contracting parties. It is intended for SIGMANet and Customer's use exclusively and cannot be reproduced by or for other parties without SIGMANet's prior written approval.

III. Scope of Work

Proposed Solution Includes

Vernon Data Center

- a. ASR 1001x – 5G
 - i. 6 x 1G SFP interfaces
 - ii. 2 x 10G SFP interfaces

Riley Data Center

- b. ASR 1001x – 5G
 - i. 6 x 1G SFP interfaces
 - ii. 2 x 10G SFP interfaces

**** Customer will be using existing Palo Alto Firewalls to provide firewall functionality**

Under this scope, SIGMANet shall provide the following tasks.

Site Readiness

- 1) Meet with customer to discover the current environment conditions
- 2) Perform inventory of all hardware and software components for implementation
- 3) Review the site technical requirements with the Customer
- 4) Customer performs verification of site readiness for service delivery using SIGMANet's Site Readiness workbook
- 5) If the site is not ready, a change order may be needed to remediate any outstanding environment issues and the engineer(s) may be rescheduled

Deliverables

Site readiness signoff

Project Plan and Design Phase

- 1) Conduct interactive sessions to understand Customer's business and strategic information technology ("IT") objectives and potential challenges.
- 2) Work with Subject Matter Experts ("SMEs") and IT teams (Server, Storage, Network, Applications, etc.) to understand process, operational and technical details of the environment.
- 3) Review current compute, storage and network resource requirements.
- 4) Align SIGMAnet best practice deployment methodologies and use cases to minimize Customer challenges.
- 5) Identify the expected business and technical outcome based on this DC upgrade project.
- 6) Review and obtain the site technical requirements with the Customer.
- 7) Create a valid design document based on the Customer's hardware and software configuration.

Deliverables

Design Guide – Sign off Sheet

Vernon Data Center– Internet Edge Install

Included Equipment:

- QTY 1 x ASR 1001x – 5G
 - 6 x 1G SFP interfaces

Pre-migration:

Internet Edge Router – ASR1001x

- 1) Unbox hardware
- 2) Power up hardware
- 3) Test for DOA
- 4) Hardware diagnostics (Show Version, Show Inventory etc.)
- 5) Install modules on Routers/Firewall/Switches if applicable
- 6) Upgrade IOS if required
- 7) Install licenses as needed
- 8) Burn-in

Equipment Shipment and Initial build:

Tasks Completed at SIGMAnet (OFFSITE):

- 1) Drop ship to SIGMAnet depot for initial power on testing and DOA checks
- 2) Initial configuration and burn in at SIGMAnet Depot

Tasks Completed at Roseville (ONSITE):

- 1) SIGMAnet will ship equipment to Roseville prior to cut-over
- 2) SIGMAnet will complete the cut over tasks outlined below

Design and installation:

9) Internet Edge Router – ASR1001x

- 1) Install and configure Edge routers
- 2) Basic configuration like Hostname/IP Address, SSH, SNMP etc.
- 3) Configure L2/L3 interfaces
- 4) Enable Routing
- 5) Enable BGP
 - a. Configure EBGp to upstream Carrier
 - b. Configure iBGp between Vernon and Riley
- 6) Apply best practices (Disable Proxy ARP, No IP redirects etc.)
- 7) Test Failover between ISP and Data Centers
- 8) Troubleshoot as needed

Internet Edge Firewall – Existing Palo Alto Firewalls (Customer provided)

- 1) Confirm basic configuration
- 2) Backup existing configuration
- 3) Ensure the latest Software Firmware and OS is installed
- 4) Update Firmware/OS if required

- 5) Disable HA between Failover Pair
- 6) Shutdown and move Standby FW to Vernon

Post Installation Phase

- 1) Validate the success of the project
- 2) Knowledge transfer includes review of As-Built documentation. This is not a classroom training session, but hands on review of up to 16 hours.
- 3) As Built to be provided will be a standardized SIGMAnet documentation of work completed and configuration
- 4) Next-business day support for troubleshooting, optimizing, validating configuration, etc.

Riley Data Center– Internet Edge Install

Included Equipment:

- QTY 1 x ASR 1001x – 5G
 - 6 x 1G SFP interfaces

Pre-migration:

Internet Edge Router – ASR1001x

- 1) Unbox hardware
- 2) Power up hardware
- 3) Test for DOA
- 4) Hardware diagnostics (Show Version, Show Inventory etc.)
- 5) Install modules on Routers/Firewall/Switches if applicable
- 6) Upgrade IOS if required
- 7) Install licenses as needed
- 8) Burn-in

Equipment Shipment and Initial build:

Tasks Completed at SIGMAnet (OFFSITE):

- 1) Drop ship to SIGMAnet depot for initial power on testing and DOA checks
- 2) Initial configuration and burn in at SIGMAnet Depot

Tasks Completed at Roseville (ONSITE):

- 1) SIGMAnet will ship equipment to Roseville prior to cut-over
- 2) SIGMAnet will complete the cut over tasks outlined below

Design and installation:

Internet Edge Router – ASR1001x

- 1) Install and configure Edge routers
- 2) Basic configuration like Hostname/IP Address, SSH, SNMP etc.
- 3) Configure L2/L3 interfaces
- 4) Enable Routing
- 5) Enable BGP
 - a. Configure EBGp to upstream Carrier
 - b. Configure iBGP between Vernon and Riley
- 6) Apply best practices (Disable Proxy ARP, No IP redirects etc.)
- 7) Test Failover between ISP and Data Centers
- 8) Troubleshoot as needed

Internet Edge Firewall – Existing Palo Alto Firewalls (Customer provided)

- 1) Confirm basic configuration
- 2) Backup existing configuration
- 3) Ensure the latest Software Firmware and OS is installed
- 4) Update Firmware/OS if required

- 5) Disable HA between Failover Pair
- 6) Shutdown and move Standby FW to Vernon

V. Project Location

Work to be performed in part or in full at Customer location at the following location:

- 1) 401 Oak St. Roseville, CA 95678
- 2) Vernon Data Center, Roseville, CA 95678
- 3) Riley Data Center, Roseville, CA 95678

Any portion of the above listed work may be performed remotely where permitted.

VI. Pricing Budget/Terms

Professional Services & Project Budget

SIGMAnet will provide Professional Services to fulfill this scope of work at a fixed rate as specified below. Any hardware or software quotes that are attached as part of this project are listed for budgeting purposes and will be invoiced separately when shipped.

Description	Price
Professional Services	\$18,151.00
Project Management or Coordination	Included
Total	\$18,151.00

Professional Service Invoice Schedule

Invoicing for professional services will be submitted in fixed price increments based on the below schedule.

50% upon receiving executed SOW	\$9,075.00
50% upon completion of all tasks in SOW and project signoff	\$9,075.00

Project Commencement Lead Time

Upon execution of this Scope of Work, SIGMAnet will assign a project manager and begin scheduling services on a best efforts basis. Typical lead times to begin consulting services are 1-2 weeks not including any lead times for purchased hardware needed for the project.

Taxes

All fees quoted in this document are exclusive of applicable federal, state, or local taxes, other than income or other similar taxes attributed to SIGMAnet. Customer shall pay, or reimburse SIGMAnet for; any such taxes and SIGMAnet may add such taxes to any invoices submitted to Customer

General Services

Pricing for general services, if requested, are based on standard hourly rates and will be quoted when requested to be approved by Customer prior to work being performed. All T&M rates have two (2) hour minimum for onsite support and one (1) hour minimum for remote support. Hours are billed in fifteen (15) minute increments after exceeding the minimum charges. After hours support is billed at 1.5x standard rates. SIGMAnet will adhere to all local US labor laws regarding work hours and overtime, particularly where applicable overtime will be billable.

Travel Costs

Travel costs are included for this project.

Out-of-Scope Services

Any services requested of SIGMANet personnel that are not explicitly described in the Scope of Work section, and all work that was fairly and reasonably outside the contemplation of both parties at the time this contract was made, are considered to be Out-of-Scope services. If such services are requested, SIGMANet will estimate the price of such services and contact Customer Vendor Liaison (or other Customer-designated individual) to provide a description of the services and estimated price. Once authorized by Customer Vendor Liaison in writing, SIGMANet will perform the work, document the service provided (and associated price) and invoice Customer accordingly.

VII. Customer Responsibilities

SIGMANet's performance is subject to the execution and completion of the following tasks by Customer as required:

- 1) Provide a single point of contact for SIGMANet's Project Manager.
- 2) Schedule necessary network downtime and maintenance windows in coordination with SIGMANet's project manager.
- 3) Ensure that all necessary entrances, offices, rooms, etc. will be unlocked and accessible during project hours as required.
- 4) Provide an on-site (or easily accessible) contact person during all project hours, after business hours, and weekend work as required.
- 5) Facilitate project-related communication to appropriate department/end-user personnel.
- 6) Provide site information, floor plans indicating from and to locations by user, user name list, schedule constraints, and access information to SIGMANet Project Manager. This information will be available one week, or 5 business days before the project begins.
- 7) Provide timely project problem resolution assistance in the event that SIGMANet's on-site engineers need to escalate deployment problems encountered while on site.
- 8) Ensure that all necessary electrical power, outlets, receptacles, and network connection cables are operational in project location.
- 9) Provide all relevant switch port and patch panel information.
- 10) Provide timely technical support to resolve general and network connectivity issues.
- 11) Ensure a designated representative is available for completion sign off at project end.
- 12) Provide air conditioning and/or heating in the location during project activities.
- 13) Notify SIGMANet of any work performance discrepancies requiring remediation by SIGMANet within 24 hours of the installation completion.
- 14) Provide requisite Admin rights and end-user account info if required.
- 15) Provide any materials they require that are necessary for the completion of the on-site activities.
- 16) Provide any relevant technical data germane to the successful completion of the project based on Customer's criterion.

VIII. Assumption/Constraints/Dependencies

- 1) SIGMANet's performance is subject to the execution and completion of the tasks described under Customer's Responsibilities. Failure to fulfill such responsibilities within the time allotted or within a reasonable time can constitute a delay or material breach of this SOW and the MSA.
- 2) SIGMANet's pricing is valid for a period 30 days from the execution date of this SOW.
- 3) Business hours are Monday – Friday 8:00AM – 5:00PM, after hours will be considered anytime outside these hours and billed at 1.5x standard T&M rates.
- 4) Shipping charges (if necessary) for any hardware and software associated with the project are to be paid for by Customer.
- 5) Changes to the SOW may be requested at any time by either party in writing. Since a change could affect the price, schedule, or other terms of this SOW, both Customer and the SIGMANet Project Manager must approve each change before amending the SOW and implementing the change.
- 6) SIGMANet will not be held liable for lost or corrupted Customer data.
- 7) SIGMANet will not be responsible for disaster recovery (for example application software and reloading data after a natural disaster, fire, etc.).
- 8) On-site activities not explicitly defined within this SOW will be considered out-of-scope.
- 9) Should Customer cancel or reschedule the Engineers once dispatched, for reasons outside of SIGMANet's control, SIGMANet reserves the right to assess a fee equal to 4 hours of billable labor.
- 10) Defective, damaged, or missing materials are not the responsibility of SIGMANet and if found, will be reported immediately to Customer.
- 11) SIGMANet makes no guarantees on the availability of a particular resource. SIGMANet reserves the right to substitute resources at any time. All substitutes will be qualified to complete the said Scope-of-Work.
- 12) Ad hoc material purchases that SIGMANet is required to make to complete this project, as agreed upon by Customer in advance, will be invoiced to Customer at actual cost at the time of purchase.

IX. Acceptance

IN WITNESS WHEREOF, the parties hereto have caused this SOW to be executed by their respective authorized representatives.

COUNCIL COMMUNICATION

CC #: 7769
File #: 0800-03

Title: Internet Based Electric Usage Data - Service Agreement
Contact: Mark Riffey 916-746-1667 mriffey@roseville.ca.us

Meeting Date: 6/15/2016
Item #: 7.9.

RECOMMENDATION TO COUNCIL

Staff recommends that City Council adopt a resolution authorizing the City Manager to execute the attached three year sole source service agreement with Telvent DTN, LLC (Telvent). This service agreement provides a hosted internet-based portal for Roseville Electric Utility's largest customers so that they may have access to their energy usage data to support their energy management efforts. The total cost of the agreement is \$149,976.00 or \$49,992.00 per fiscal year. Funding will be included in future annual budgets, starting with the FY17 Electric Retail Services budget for Public Benefits programs.

BACKGROUND

In 2001, the California Energy Commission identified a statewide need to provide certain electric customers with internet-based access to their electric usage to assist them in understanding and reducing energy consumption through energy efficiency programs. For Roseville Electric Utility, all large business and commercial customers with a peak demand above 250 KW are required to have access to this system.

Roseville Electric Utility has provided this service through the Energy Profiler Online (EPO) system since 2001. This EPO system is a Telvent-hosted, internet-based interactive system that provides larger electric customers with a website to view their electric usage data online, which is updated daily. The program provides a valuable operations and maintenance tool to manage electrical load and the ability to quickly verify the results of energy efficiency programs and business operational changes. Telvant has the infrastructure and software to manage the internet-based data system and is uniquely qualified to support Roseville Electric Utility.

FISCAL IMPACT

The total cost for the three year service agreement is \$149,976.00 or \$49,992.00 per fiscal year. Funding for the first fiscal year is included in the FY17 Electric Retail Services budget for Public Benefits programs.

ECONOMIC DEVELOPMENT / JOBS CREATED

Not applicable.

ENVIRONMENTAL REVIEW

The items listed above are not considered a 'project' as defined by the California Environmental Quality Act (CEQA) per CEQA Guidelines, section #15378. Consequently, no CEQA action is required.

Respectfully Submitted,

Mark Riffey, Senior Energy Services Account Representative

Michelle Bertolino, Electric Utility Director

Rob Jensen, City Manager

Rob Jensen, City Manager
CITY OF ROSEVILLE, A MUNICIPAL CORPORATION

1. To the fullest extent allowed by law, Contractor shall defend, indemnify, and save and hold harmless City, its officers, agents, employees and volunteers from any claims, suits or actions of every name, kind and description brought forth, or on account of, injuries to or death of any person (including but not limited to workers and the public), or damage to property, resulting from or arising out of Contractor's willful misconduct or negligent act or omission while engaged in the performance of obligations or exercise of rights created by this Agreement, except those matters arising from City's sole negligence or willful misconduct. The parties intend that this provision shall be broadly construed. Contractor's responsibility for such defense and indemnity obligations shall survive the termination or completion of this Agreement for the full period of time allowed by law. The defense and indemnity obligations of this Agreement are undertaken in addition to, and shall not in any way be limited by, the insurance obligations contained in this Agreement.
2. Contractor is an independent contractor, and shall not be considered an officer, agent or employee of the City.
3. Without the written consent of the City, this Agreement is not assignable by Contractor either in whole or in part.
4. Time is of the essence of this Agreement.
5. At any time during the term of this Agreement, the City has the right to terminate this Agreement provided Contractor is given a thirty (30) day notice.
6. This Agreement may only be amended or modified in writing. It is integrated and contains the complete understanding of the parties.
7. All equipment, supplies and services sold to the City of Roseville shall conform to the general safety orders of the State of California.
8. Unless notified to the contrary, in writing, the City assumes that the Contractor has accepted the work in accordance with the plans and specifications (if any) and agrees to do the work in compliance with this Agreement.
9. All fair employment practices must be adhered to. In addition, if the project referenced on this service agreement is a Public Works project, all prevailing wage laws must be complied with. For prevailing wage contracts over \$25,000, copies of certified payroll must be submitted with invoices. Prevailing wage rates may be obtained from the State Department of Industrial Relations and/or the following website address: <http://www.dir.ca.gov/dlsr/DPreWageDetermination.htm>.
- 10a. Unless otherwise specified, the Contractor shall maintain the policies of insurance outlined in Attachment A, incorporated herein by this reference, in full force and effect during the term of this Agreement. The City of Roseville retains sole discretion in determining the types and proper levels of insurance coverage.
- 10b. Form. Contractor shall submit a certificate evidencing such coverage for the period covered by this Agreement in a form satisfactory to Risk Management and the City Attorney, prior to undertaking any work hereunder. Any insurance written on a claims made basis is subject to the approval of Risk Management and the City Attorney.
- 10c. Additional Insureds. Contractor shall also provide a separate endorsement or section of the policy showing City, its officers, agents, employees, and volunteers as additional insureds for each type of coverage, except for Workers' Compensation. Such insurance shall specifically cover the contractual liability of Contractor. The additional insured coverage under the Contractor's policy shall be primary and noncontributory, as evidenced by a separate endorsement or section of the policy, and shall not seek contribution from City's insurance or self-insurance. In addition, the additional insured coverage shall be at least as broad as the Insurance Services Office ("ISO") CG 20 01 Endorsement. Any available insurance proceeds in excess of the specified minimum insurance coverage requirements and limits shall be available to the additional insureds. Furthermore, the requirements for coverage and limits shall be: (1) the minimum coverage and limits specified in this Agreement; or (2) the full coverage and maximum limits of any insurance proceeds available to the named insureds, whichever is greater.
- 10d. Cancellation/Modification. Contractor shall provide ten (10) days written notice to City prior to cancellation or modification of any insurance required by this Agreement.
- 10e. Umbrella/Excess Insurance. The limits of insurance required in this Agreement may be satisfied by a combination of primary and excess insurance. Any excess insurance shall contain or be endorsed to contain a provision that such coverage shall also apply on a primary and noncontributory basis for the benefit of City (if agreed to in a written contract) before City's own insurance shall be called upon to protect it as a named insured.
- 10f. Subcontractors. Contractor agrees to include in its contracts with all subcontractors the same requirements and provisions of this Agreement, including the indemnity and insurance requirements, to the extent they apply to the scope of the subcontractor's work. Furthermore, Contractor shall require its subcontractors to agree to be bound to Contractor and City in the same manner and to the same extent as Contractor is bound to City under this Agreement. Additionally, Contractor shall obligate its subcontractors to comply with these same provisions with respect to any tertiary subcontractor, regardless of tier. A copy of City's indemnity and insurance provisions will be furnished to the subcontractor or tertiary subcontractor upon request.
- 10g. Self-Insured Retentions. All self-insured retentions ("SIR") must be disclosed to Risk Management for approval and shall not reduce the limits of liability. Policies containing any SIR provision shall provide or be endorsed to provide that the SIR may be satisfied by either the named insured or City. City reserves the right to obtain a full certified copy of any insurance policy and endorsements. The failure to exercise this right shall not constitute a waiver of such right.
- 10h. Waiver of Subrogation. Contractor hereby agrees to waive subrogation which any insurer of Contractor may acquire from Contractor by virtue of the payment of any loss under a Workers Compensation, Commercial General Liability or Automobile Liability policy. All Workers Compensation, Commercial General Liability and Automobile Liability policies shall be endorsed with a waiver of subrogation in favor of City, its officers, agents, employees and volunteers for all work performed by Contractor, its employees, agents and subcontractors.
- 10i. Liability/Remedies. Insurance coverage in the minimum amounts set forth herein shall not be construed to relieve Contractor of liability in excess of such coverage, nor shall it preclude City from taking such other actions as are available to it under any other provisions of this Agreement or law.
11. Contractor shall comply with all federal, state and local laws and ordinances, including but not limited to the City's storm water regulations, as may be applicable to the performance of services under this Agreement. Failure to comply with local ordinances

may result in monetary fines and cancellation of this Agreement. Refer to www.roseville.ca.us/stormwater for links to more information on the City's storm water regulations.

12. In the event that the terms of any attachment or exhibit conflict with any terms of this Service Agreement, the terms of this Service Agreement shall control.
13. This Agreement may be executed in one or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument. In the event that any signature is delivered by facsimile transmission or by e-mail delivery of a ".pdf" format data file, such signature shall create a valid and binding obligation of the party executing (or on whose behalf such signature is executed) with the same force and effect as if such facsimile or ".pdf" signature page were an original thereof.
14. If either party commences any legal action against the other party arising out of this Agreement or the performance thereof, the prevailing party in such action shall be entitled to recover its reasonable litigation expenses, including but not limited to, court costs, expert witness fees, discovery expenses, and attorneys' fees. Any action arising out of this Agreement shall be brought in Placer County, California, regardless of where else venue may lie. This Agreement shall be governed by and construed in accordance with the laws of the State of California.
15. This Agreement shall be binding upon the heirs, successors, executors, administrators and assigns of the respective parties hereto.
16. If any of the provisions contained in this Agreement are for any reason held invalid or unenforceable, such holding shall not affect the remaining provisions or the validity and enforceability of the Agreement as a whole.
17. If the project referenced on this service agreement is a Public Works project, then the following shall apply. No contractor or subcontractor may work on a public works project unless registered with the Department of Industrial Relations pursuant to Labor Code section 1725.5. During the performance of this agreement, Contractor and its subcontractors shall have a continuing legal obligation to maintain current registration with the Department of Industrial Relations. Contractor is hereby notified that this project is subject to compliance monitoring and enforcement by the Department of Industrial Relations.

City reserves the right to withhold any payments to Contractor in the event of noncompliance with insurance requirements or if required by law.

SCHNEIDER ELECTRIC
INTERNET BASED SOFTWARE LICENSE AND SERVICES

THIS AGREEMENT (this "Agreement") is entered into and effective as of July 1, 2016 (the "Effective Date"), by and between the City of Roseville, CA with offices at 2090 Hilltop Circle, Roseville, CA. 95747 ("Purchaser"), and Telvent DTN, LLC, a Delaware limited liability corporation with offices at 9110 W Dodge, Omaha, NE 68114 ("Schneider Electric").

1. Definitions. The following definitions govern the meaning of these capitalized terms used in this Agreement. Other capitalized terms may be defined in an Exhibit to this Agreement or where first used in this Agreement.

- (a) "Application Hosting Service" means the service by which the Software and Customer Data hosted or stored on servers or other equipment located within a datacenter facility controlled by Schneider Electric, or partner, is made available through the Internet for remote use by Purchaser and Customers.
- (b) "Customer" means a customer of Purchaser.
- (c) "Customer Data" means all Customer energy usage data or other Customer information provided to Schneider Electric hereunder for storage and access through the Application Hosting Service.
- (d) "Documentation" means the standard documentation containing specifications, instructions for the operation and use of the Software and Application Hosting Service any other documentation relating thereto that is generally provided by Schneider Electric to its customers.
- (e) "Expiration Date" means the actual calendar date upon which the license granted under this Agreement expires. The Expiration Date may be extended subject to Section 13, Term and Termination.
- (f) "Licensors" mean Schneider Electric together with third parties who have provided portions of the Software and Hardware, including, without limitation, Microsoft Corporation.
- (g) "Software" means all or any portion of the computer program(s) specified herein and as described more particularly in Exhibit 1. "Software" also includes all copies of any part of the Software, including upgrades, updates enhancements, new functionality, and modifications as well as the manual(s) and other printed materials accompanying the Software.
- (h) "Hardware" means servers or other equipment maintained by Schneider Electric, or partner, located within a datacenter facility controlled by Schneider Electric, or partner, and used for Application Hosting Service.
- (i) "Software Acceptance" means the date and time at which Purchaser has accepted and begins using the Application Hosting Service in its normal business processes, but, in any event, no sooner than after the Software has been loaded onto the Application Hosting Service's servers or other equipment and linked to the internet and, with respect to any enhancements or updates to the Software, Software Acceptance shall be deemed to occur on the tenth day after such enhancements or updates to the Software have been loaded onto the Application Hosting Service's servers or other equipment, linked to the internet, and made available to Purchaser for use (Schneider Electric must notify Purchaser in writing regarding availability) unless Purchaser notifies Schneider Electric in writing of its rejection of the Software prior to such date.
- (j) "Sublicense Agreement" means a written agreement between Purchaser and a Customer whereby Purchaser grants to such Customer a limited, non-exclusive license to use the Software and the Application Hosting Services solely in connection with such Customer's normal business purposes. Such Sublicense Agreement shall contain, at a minimum, the provisions of Sections 2(c), 4, 5, 6, 7, 8, 13, 14, 15 and 16. Such Sublicense Agreement shall prohibit Customers from further sublicensing the Software and the Application Hosting Service.
- (k) "Meter" means an energy recording device providing data to the Application Hosting Service for the purpose of delivering the software service defined in Exhibit 1.

2. License

- (a) Schneider Electric hereby grants Purchaser a personal, non-transferable (except as provided herein), non-exclusive, royalty free license during the term of this Agreement to:

(i) use the Software only through the Application Hosting Service, and reproduce, publicly display and publicly perform the Software only as necessary in the course of such permitted use in connection with Purchaser's normal business purposes.

Schneider Electric warrants and covenants that it holds all requisite rights to grant the foregoing license and has obtained any and all third party authorizations necessary to license the Software and provide the Application Hosting Service to Purchaser and Customers without infringing any intellectual property rights of any third party.

(b) In connection with its authorized use of the Software and the Application Hosting Services, Purchaser shall have the right to sublicense the Software and Application Hosting Services to its Customers pursuant to a valid Sublicense Agreement.

(c) Except as expressly permitted herein, Purchaser shall not have the right to (a) to give, sell, sub-license, lease, or distribute any portion of the Software, Application Hosting Service, or the license granted herein to any third party unless expressly authorized in advance and in writing by Schneider, or (b) to offer service bureau, outsourcing or other similar services or products using the Software or the Application Hosting Service, without first obtaining Schneider's prior written consent, which may be withheld at Schneider's sole discretion. Except for the license rights expressly granted by Schneider to Purchaser pursuant to this Section 3, Purchaser shall acquire no right, title or interest of any kind or nature whatsoever in or to the Software, Application Hosting Service or any patent, copyright, trade secret or trademark of Schneider Electric or Schneider Electric's Licensors. Nothing in this Agreement shall be deemed to convey to Purchaser any title or ownership whatsoever in or to the Software, the Application Hosting Service or any individual part thereof.

(d) Subject to the confidentiality provisions set forth herein, Purchaser hereby grants to Schneider Electric a limited, non-exclusive, non-transferable license to use, upload, display, copy and store Customer Data for the term of this Agreement solely for the purpose of delivering the Application Hosting Service pursuant to this Agreement. Purchaser agrees that it shall have sole responsibility and liability for: (i) acquiring any and all authorization(s) necessary for use of Customer Data as contemplated by this Agreement; (ii) the completeness and accuracy of all of Customer Data and other materials provided to Schneider Electric by Purchaser pursuant to this Agreement; and (iii) ensuring that Customer Data does not infringe or violate any patents, copyrights, trademarks or other intellectual property rights, or misappropriate the trade secret, of any third party. Purchaser retains all rights not expressly conveyed to Schneider Electric hereunder. Purchaser shall retain ownership of Customer Data.

(e) Each party hereby grants the other party a limited, non-exclusive, non-transferable license to use and display its insignia logos, trademarks, trade name or service marks (collectively, the "Marks") solely for the purpose of using, developing and delivering the Application Hosting Service pursuant to this Agreement. No use or display of a party's Marks shall be made by the other party without prior written approval from the party owning the Marks. All use of a party's Marks will inure to the benefit of the party owning the Marks. Upon termination of this Agreement, each party shall immediately cease all use of the other party's Marks.

(f) Use and True Ups. Purchaser may not exceed by twenty percent (20%) the total number of Meters for which Purchaser has paid the applicable fees at any time for a period greater than two (2) consecutive months. In the event that Schneider Electric learns of such an occurrence, Schneider Electric shall have the right to invoice Purchaser for the additional Meters and Purchaser will pay no later than thirty (30) days from the date of the invoice. Amount paid shall be prorated and coterminous with existing subscriptions. Purchaser may at any time may exceed the total number of Meters for which Purchaser has paid the applicable fees for on a temporary basis in order to address the Purchaser's needs to gather information resulting from unplanned or catastrophic circumstances. Purchaser may add these new Meters temporarily without incurring new costs.

Prior to the end of an annual subscription term, Schneider Electric will analyze the Purchaser's actual usage of Software or Application Hosted Service for the entire term. If Purchaser's average usage during the term exceeds by ten percent (10%) the total number of Meters for which Purchaser has paid the applicable fees, Schneider Electric shall have the right to automatically true up Purchaser's subscription count and invoice Purchaser for those additional Meters. Purchaser will pay no later than thirty (30) days from the date of the invoice.

3. Software and Data Delivery

(a) Schneider Electric will design, develop and operate the Software that will run the Application Hosting Service in accordance with the Software Documentation and, as applicable, the specifications and timeline set forth herein. Schneider Electric shall be responsible for developing, installing, hosting, supporting and maintaining the Software as described in this Agreement and the Software Documentation, as applicable. Purchaser and Customers will access and use the Software through the Application Hosting Service as described in this Agreement. Schneider Electric shall develop the Software with all the appropriate access capability in order for Purchaser and Customers to use the Application Hosting Service as described herein or the Documentation, as applicable. Exhibit 1 hereto more fully describes the Software and any associated material and services provided to Purchaser under this Agreement ("Scope of Work").

(b) Purchaser shall deliver Customer Data in accordance with the specifications set forth in Exhibit 3. Should Purchaser deliver the Customer Data in a format other than as so specified, Schneider Electric reserves the right to collect additional fees from Purchaser. Such fees must be pre-approved in writing by Purchaser and, if based on time and material rates, shall not exceed the hourly rate set forth in Exhibit 2 times the hours of work performed.

4. Copyright/Proprietary Protection.

Purchaser acknowledges and agrees that Schneider Electric or its Licensors own all right, title and interest in and to the Software, including all codes, techniques, software tools, formats, designs, structures, interactions, concepts, methods and ideas associated therewith and all patents, copyrights, trademarks and trade secrets relating thereto and that the Software is protected by United States and International copyright laws and international trade provisions. Purchaser shall not alter or remove any copyright notice or any proprietary legend contained in or located on any part of the Software and shall reproduce and maintain all such copyright notices or proprietary legends in and on any copies of the Software that Purchaser makes as permitted by this Agreement. Subject to the license granted to Purchaser in Section 3 and Purchaser's rights in the Customer Data and the Marks, there is no transfer to Purchaser of any right, title to or ownership of the Software, or any component thereof, or any patent, copyright, trade secret, trade name, trademark, and other proprietary rights related to the Software, regardless of the form in which the original or other copies may exist. Schneider Electric may replace, modify, alter, improve, enhance, or change the Software at any time provided that 1) such changes do not result in a decrease in the level of service or Software capability; 2) Schneider Electric provides Purchaser with thirty (30) days advance notification; 3) such changes are adequately documented in writing and provided to Purchaser; and 4) Schneider Electric provides Purchaser with adequate training.

5. Prohibited Uses

Except as expressly permitted herein, Purchaser may not:

(a) Modify the Software or merge it with another program or any part thereof for any purpose whatsoever. Notwithstanding the foregoing, any modified or merged portion of the Software shall become the sole and exclusive property of Schneider Electric, and shall be subject to the terms and conditions of this Agreement. Purchaser shall execute such documents as are reasonably necessary to transfer and validate Schneider Electric's ownership of the Software.

(b) Operate the Software beyond the Expiration Date, if any, or after any termination of the license granted in this Agreement.

(c) Translate or create derivative works based on the Software.

Because a violation of Purchaser's obligations under this provision could cause injury to Schneider Electric which could not be remedied adequately by an action at law for damages, in the event of such violation, Schneider Electric may seek and receive injunctive and other equitable relief in addition to damages and other available relief. In addition, should Purchaser or any third party use the Software in a manner other than as permitted hereunder, or under this Agreement, Schneider Electric may, without prejudice to any other rights it may have, terminate Purchaser's rights hereunder. In such a case, Purchaser must immediately void all use of the Software that Purchaser has access.

6. Warranties.

(a) Schneider Electric warrants that the Software and Application Hosted Services will perform its essential functions as specified herein and in the Documentation for ninety (90) days after Software Acceptance. If such Software or Application Hosted Services fail to conform to such warranty, Schneider Electric will, at Purchaser's

option, either immediately provide an update to correct the non-conformance, replace the Software or Application Hosted Service with the latest available version containing a correction, or refund all fees paid by Purchaser pursuant to this Agreement.

(b) Schneider Electric warrants that neither the Software nor the Application Hosting Service will (i) infringe any patents, copyrights, trademarks or other intellectual property rights, or misappropriate the trade secrets, of any third party; (ii) violate any rights of publicity or privacy of any third party, (iii) violate any law, statute, ordinance or regulation (including, without limitation, the laws and regulations governing export control, unfair competition, anti-discrimination and false advertising), (iv) be defamatory, trade libelous, threatening, harassing or illegal, (v) be obscene, child pornographic or indecent, or (vi) contain any malicious software intended to damage, detrimentally interfere with, surreptitiously intercept or expropriate any system, data or personal information. Schneider Electric further warrants that none of its Marks will infringe any patents, copyrights, trademarks or other intellectual property rights, or misappropriate the trade secrets of any third party.

(c) No written or oral information or advice given by Schneider Electric, its agents or employees will in any way increase the scope of the warranties set forth herein. Nor may Purchaser rely on any such written or oral communication, unless such written communication is in the form of an amendment to this Agreement.

(d) EXCEPT AS SPECIFICALLY SET FORTH HEREIN, THE SOFTWARE AND THE APPLICATION HOSTING SERVICE ARE PROVIDED "AS IS" AND SCHNEIDER ELECTRIC MAKES NO REPRESENTATIONS, WARRANTIES OR CONDITIONS (EXPRESS, IMPLIED, STATUTORY OR OTHERWISE), OTHER THAN AS EXPRESSLY SET FORTH IN THIS AGREEMENT. SCHNEIDER ELECTRIC DISCLAIMS ALL OTHER WARRANTIES, INCLUDING, WITHOUT LIMITATION, ANY IMPLIED WARRANTIES OF MERCHANTABILITY, ACCURACY, PERFORMANCE, EFFORT, FITNESS FOR A PARTICULAR PURPOSE. SCHNEIDER ELECTRIC MAKES NO WARRANTY AGAINST INTERFERENCE WITH PURCHASER'S ENJOYMENT OF THE SOFTWARE OR THE APPLICATION HOSTING SERVICE. SCHNEIDER ELECTRIC DOES NOT WARRANT THAT PURCHASER'S USE OF THE SOFTWARE OR THE APPLICATION HOSTING SERVICE WILL BE UNINTERRUPTED OR ERROR-FREE, AND SCHNEIDER ELECTRIC DOES NOT WARRANT AS TO ANY RESULTS THAT MAY BE OBTAINED BY PURCHASER'S USE OF THE SOFTWARE OR THE APPLICATION HOSTING SERVICE. SCHNEIDER ELECTRIC DOES NOT WARRANT THAT EVERY FEATURE OR ERROR IN THE SOFTWARE OR THE APPLICATION HOSTING SERVICE WILL BE CORRECTED, OR THAT THE SOFTWARE OR THE APPLICATION HOSTING SERVICE WILL MEET PURCHASER'S REQUIREMENTS.

(e) Schneider Electric specifically disclaims any warranty as to the accuracy of Customer Data.

(f) Purchaser warrants that none of the Customer Data will (i) infringe any patents, copyrights, trademarks or other intellectual property rights, or misappropriate the trade secrets, of any third party; (ii) violate any rights of publicity or privacy of any third party, (iii) violate any law, statute, ordinance or regulation (including, without limitation, the laws and regulations governing export control, unfair competition, anti discrimination and false advertising), (iv) be defamatory, trade libelous, threatening, harassing or illegal, (v) be obscene, child pornographic or indecent, or (vi) contain any malicious software intended to damage, detrimentally interfere with, surreptitiously intercept or expropriate the Software, Application Hosting Service or any system, data or personal information. Purchaser further warrants that none of its Marks will infringe any patents, copyrights, trademarks or other intellectual property rights, or misappropriate the trade secrets of any third party.

7. Indemnification.

(a) Purchaser shall defend, indemnify and hold Schneider Electric harmless from any and all damages, liabilities, costs or expense (including but not limited to reasonable attorneys' fees) ("Losses") incurred by Schneider Electric as a result of any threatened or actual claim, suit, judgment or adjudication ("Claim") against Schneider Electric or final settlement arising from (i) Purchaser's material breach of this Agreement and (ii) any claim that any part of the Customer Data delivered to Schneider Electric through the use of the Software or the Application Hosting Services is inaccurate, unless said claim is based on Schneider Electric's negligence or intentional misconduct; provided that (i) Purchaser receives prompt notice of such Claim (provided further, that failure to receive such prompt notice shall not diminish Purchaser's obligation hereunder unless, and only to the extent that, such failure prejudices Purchaser's ability to defend against such Claim), and (ii) Schneider Electric allows Purchaser to control the defense and settlement of such Claim (provided further, that (a) Schneider Electric

may monitor but not control the defense and settlement of such Claim with counsel of its own choosing and its own expense, and Purchaser shall cooperate in the same, and (b) Purchaser shall not propose a judgment or agree to a settlement that attributes fault or liability to, or requires an action or admission by Schneider Electric, without the prior written consent of Schneider Electric).

(b) Schneider Electric shall defend, indemnify, and hold harmless Purchaser and its officers, directors, employees, contractors and agents (each an "Indemnitee"), from and against any and all Losses arising from a Claim that any of the Software, Documentation or Application Hosting Service, or the use thereof pursuant to this Agreement, infringes, misappropriates, or violates any patent, copyright, trademark, trade secret or other proprietary right; provided that (i) Schneider Electric receives prompt notice of such Claim (provided further, that failure to receive such prompt notice shall not diminish Schneider Electric's obligation hereunder unless, and only to the extent that, such failure prejudices Schneider Electric's ability to defend against such Claim), and (ii) the Indemnitee allows Schneider Electric to control the defense and settlement of such Claim (provided further, that (a) Indemnitee may monitor but not control the defense and settlement of such Claim with counsel of its own choosing and its own expense, and Schneider Electric shall cooperate in the same, and (b) Schneider Electric shall not propose a judgment or agree to a settlement that attributes fault or liability to, or requires an action or admission by, an Indemnitee without the prior written consent of Purchaser).

In addition to the obligations set forth above, if any Software, Documentation, or Application Hosting Service becomes subject of a Claim or its use is enjoined, Schneider Electric will promptly (i) procure for Purchaser the right to continue to use such Software, Documentation, or Application Hosting Service, (ii) replace or modify such Software, Documentation, or Application Hosting Service in a manner that retains its functionality and quality so that it is no longer infringing, misappropriating or violating such right, or (iii) require Purchaser, upon advance written notice, to stop using such Software, Documentation, or Application Hosting Service and return to Purchaser all fees paid by Purchaser for such Software, Documentation, or Application Hosting Service.

Schneider Electric shall have no liability to the extent the alleged Claim is based on: (a) continued use of the Software or Application Hosting Service for more than ninety (90) days after Schneider Electric has provided Purchaser a non-infringing version having the same functionality, if use of such non-infringing version would have prevented the Claim, (b) any combination of the Software or Application Hosting Service with third party content, hardware or software not recommended, provided, or approved by Schneider Electric, if absent such combination, the Software or Application Hosting Service alone would not have given rise to the Claim, (c) use of the Software or Application Hosting Service by Purchaser other than as authorized under or contemplated by this Agreement or the Documentation, (d) modifications to the Software or Application Hosting Service made by a party other than Schneider Electric, unless such modification is approved by or recommended by Schneider Electric, or (e) modifications to the Software or Application Hosting Service made by Schneider Electric pursuant to Purchaser's specifications (except where Schneider Electric knew or should have known that such modification was likely to result in a Claim, or where the Claim is the result of Schneider Electric's choice of the method of implementation from among competing methods of implementation and the method selected by Schneider Electric was within Schneider Electric's discretion).

8. Limitation of Liability.

(a) Except as set forth in the following sentence, in no event shall any party be liable to the other party or to any other person or entity for consequential, special, indirect, punitive, expectancy, or exemplary damages, (including, without limitation, lost profits or loss of business), that arise in any way out of this Agreement or otherwise relate to the subject matter hereof, regardless of whether based in contract, tort (including, without limitation, negligence), strict liability or any other theory of law or equity. The preceding sentence shall not limit any obligation or liability under Section 8 (Indemnification), Section 15 (Confidentiality), and/or any liability for damages caused by gross negligence or willful misconduct

(b) Schneider Electric's liability, including the liability of any subcontractors or affiliates, to Purchaser in contract tort, strict liability or otherwise regarding the Software or the Application Hosting Services provided under this Agreement, is limited to 1) the amounts paid by Purchaser under the Statement of Work, or 2) \$1,000,000.00, whichever is greater.

(c) Some states and foreign countries do not allow limitations on how long an implied warranty lasts or exclusion or limitation of incidental or consequential damages; therefore, the limitations set forth in this Agreement may not apply to Purchaser. However, these limitations apply to the fullest extent that applicable law allows.

9. Customization Charges

(a) Beginning on the later of the date of Software Acceptance or the Effective Date, Schneider Electric shall invoice, and Purchaser shall pay, the Monthly Licensing, Maintenance and Operation Fees described in Exhibit 2. These Fees shall cover the cost of operating and maintaining the Application Hosting Service, Purchaser's right to use the Software, the loading of Customer Data, and maintenance (as described in Section 10 below).

(b) Purchaser may request and Schneider Electric agrees to negotiate in good faith any customization changes to the Application Hosting Service, and for assistance in Purchaser's related services (collectively "Added Services"). In the event Purchaser requests any Added Services, and Schneider Electric agrees to provide any such Added Services, Schneider Electric's agreement to undertake any Added Services may be conditioned on Purchaser's agreement in the form of an addendum to this Agreement to pay for all work related to any such Added Services. Unless otherwise agreed to by the parties, Schneider Electric's fees for any Added Services shall be based on Schneider Electric's Time and Materials rates set forth in Exhibit 2.

(c) Purchaser shall not acquire any ownership to any component or part of the Software, including the source code and documentation, or arising as a result of any and all Added Services performed by Schneider Electric, and Purchaser shall execute such documents as are reasonably necessary to transfer and confirm Schneider Electric's ownership therein. All customized software shall be subject to the terms and conditions of this Agreement unless otherwise agreed to by the parties.

(d) Unless otherwise agreed to by the parties, Schneider Electric may offer software developed as a result of Added Services previously requested and paid for by Purchaser as a Software enhancement to third parties.

10. Monthly Licensing, Maintenance and Operations

The following services are included in Monthly Licensing, Maintenance and Operations Fees set forth in Exhibit 2:

(a) Schneider Electric shall provide telephone and email support to Purchaser in the form of advice and counsel on Purchaser's use of the Software and the Application Hosting Service. Support by Schneider Electric shall be provided Monday through Friday from 8:00 a.m. to 5:00 p.m. (PT), exclusive of those holidays observed by Schneider Electric. Schneider Electric shall have no obligation to provide any support or maintenance with respect to the Software or the Application Hosting Services directly to Purchaser's Customers. Purchaser shall provide such support to its Customers with respect to the Software and the Application Hosting Service.

(b) Schneider Electric shall use commercially reasonable efforts to provide solutions, changes and corrections to the Software or the Application Hosting Service as are required to correct reported problems that are either identified and reported by Purchaser to Schneider Electric or are diagnosed by Schneider Electric.

(c) Schneider Electric shall provide upgrades enhancements, documentation and other items relating to the Software, which Schneider Electric makes available to its general client base for no additional charge.

(d) All other services specifically provided for herein, including without limitation the Scope of Work. Notwithstanding anything to the contrary in this Agreement, Schneider Electric shall have the right to terminate all maintenance and support for the Software and/or the Application Hosting Service upon one hundred eighty (180) days' prior written notice to Purchaser. In the event Schneider Electric terminates maintenance and support for which Purchaser has already paid, Schneider Electric will immediately refund such pro-rated funds to Purchaser.

11. Pricing and Invoicing.

As full consideration for the satisfactory performance of Schneider Electric's obligations under this Agreement, Purchaser will pay Schneider Electric in accordance with Exhibit 2 which describes the fees, charges, labor rates and schedule of payment with respect to the Software, Application Hosted Service, material and services agreed by the parties to be provided to Purchaser as of the execution date of this Agreement. Should Purchaser elect to expand the scope of the use of the Software, Application Hosted Service and/or hardware beyond the scope of the

licenses granted as of the time of the execution of this Agreement, the prices and payment terms therefore will be negotiated at that time.

Unless otherwise agreed to by the parties, Schneider Electric shall invoice Purchaser upon execution or renewal of this Agreement for the full amount of the term. Schneider Electric shall identify and clearly set forth on the invoice any discount for early payment. Purchaser will pay all undisputed invoice amounts within thirty (30) calendar days upon receipt of a proper invoice in strict accordance with Exhibit 2 and upon Purchaser's acceptance of the Software or Application Hosted Service.

Fee adjustments which occur as a result of a change in the number of Meters providing data to the Software may occur monthly. Invoices or refunds for such adjustments shall be submitted to Purchaser every ninety (90) days following the Effective Date. Upon termination of this Agreement, Schneider Electric shall immediately refund to Purchaser all fees paid for services, including Software and the Application Hosted Service, not rendered.

The consideration paid under the Agreement includes all taxes arising out of Schneider Electric's performance hereunder, including without limitation state and local sales and use taxes, value-added taxes, import duties, payroll taxes, income taxes and other taxes relating to the Software or Application Hosted Services. State and local sales and use taxes shall be stated separately and shown on all invoices as a separate line item. Upon request of Purchaser, Schneider Electric shall promptly provide to Purchaser evidence satisfactory to Purchaser of the payment of all applicable taxes.

12. Advertising.

Unless written authorization is provided to the contrary, neither party shall have the right to publicly announce the successful completion of this Agreement.

13. Term and Termination.

(a) The initial term of this Agreement shall commence on the Effective Date and continue in force for thirty six (36) months. Thereafter, this Agreement shall automatically renew upon written authorization from Purchaser for consecutive one (1) year terms or some other timeframe as may be identified by Purchaser, subject to the limitations and conditions set forth elsewhere in this Agreement.

(b) Purchaser may terminate this Agreement, or any portion of the Software or Application Hosted Service, at any time and for any reason upon thirty (30) days written notice to Schneider Electric. Termination of part of the Software or Application Hosted Service shall not automatically terminate all Software and Application Hosted Services. Purchaser will not receive any refund of prepaid fees for Software or Application Hosted Service.

(c) Except for a breach of Section 6 or 15 of this Agreement by Purchaser, which is agreed not to be curable, if either party shall commit a material breach of any of the terms and conditions of this Agreement and shall fail to cure such breach within thirty (30) days of written notice thereof, then the non-breaching party may terminate this Agreement. In the event of a material breach of Section 6 or 15 by Purchaser, Schneider Electric may terminate this Agreement with a ten (10) day written notice to Purchaser, and any undisputed amounts due to Schneider Electric from Purchaser shall become immediately due and payable. In the event of a material breach by Schneider Electric, Schneider Electric shall immediately refund fees paid by Purchaser for the Software and/or Application Hosted Services.

(d) Upon any expiration or termination of this Agreement, Purchaser's right to use the Software or Application Hosted Service shall terminate immediately, all Sublicense Agreements between Purchaser and its Customers shall terminate immediately, and Purchaser shall cease use of the Software and Application Hosted Service. Following termination of this Agreement, unless otherwise prohibited by applicable law or regulation, Purchaser shall destroy or return to Schneider Electric all materials related to this Agreement including, but not limited to, copies of Schneider Electric Confidential Information within fifteen (15) days after receipt of written notice.

(e) Service Interruption. Purchaser's access to and use of Software or Application Hosted Service may be temporarily unavailable, without prior notice, for any unanticipated or unscheduled downtime or unavailability of all or any portion of Software or Application Hosted Service, including system failure or other events beyond the reasonable control of Schneider Electric or its affiliates.

(f) **Service Suspension.** Schneider Electric and its affiliates shall be entitled, without any liability to Purchaser, to suspend access to any portion or all of Software or Application Hosted Service at any time on a service-wide basis (a) if Purchaser breaches the Agreement, exceeds Purchaser's usage limits, and fails to purchase additional license capacity sufficient to support Purchaser's continued use of Software or Application Hosted Service as described in Article 5 of this Addendum; (b) if there is reason to believe that Purchaser's use of Software or Application Hosted Service will adversely affect the integrity, functionality, or usability of the Software or Application Hosted Service or that Schneider Electric and its licensors may incur liability by not suspending Purchaser's account; (c) for scheduled downtime to conduct maintenance or make modifications to Software or Application Hosted Service; (d) in the event of a threat or attack on Software or Application Hosted Service (including a denial-of-service attack) or other event that may create a risk to the applicable part of Software or Application Hosted Service; or (e) in the event that Schneider Electric or its licensors determine that Software or Application Hosted Service (or portions thereof) are prohibited by law or otherwise that it is necessary or prudent to do so for legal or regulatory reasons. If warranted under these circumstances, Purchaser will be notified of any Service Suspension beforehand and allowed reasonable opportunity to take remedial action.

(g) Schneider Electric is not responsible for any unreasonable damage, liabilities, losses (including any loss of data or profits), or any other consequences that Purchaser or any Purchaser customer may incur as a result of any Service Interruption or Service Suspension.

(h) The provisions of Sections 4, 7, 8, 14, 15 and 16 will survive the expiration or termination of this Agreement.

14. Confidential Information.

(a) "Confidential Information" means any information concerning a party's business, plans, customers, technology, or products, manufacturing, marketing, financial or personnel matters relating to a party, and which is confidential, proprietary, and/or trade secret information. For the purposes of this Agreement, the Software and the Application Hosting Service shall constitute the Confidential Information of Schneider Electric and Customer Data shall constitute Confidential Information of Purchaser. Confidential Information may include the confidential, proprietary, and/or trade secret information owned by third parties that have granted sufficient rights to a party to permit that party to provide information to the other party hereunder.

(b) Each party will maintain in confidence and not disclose to any third party any Confidential Information of the other party disclosed to it by the other party, whether in oral, written, graphic or electronic form. The receiving party will not use such Confidential Information except as expressly permitted by this Agreement or otherwise required by applicable law or regulation.

(c) The obligations of confidentiality contained in Section 14(b) above will not apply to the extent that such Confidential Information: (a) was already known to the receiving party, other than under an obligation of confidentiality, at the time of disclosure; (b) is or became part of the public domain after its disclosure other than through any act or omission of the receiving party in breach of this Agreement; or (c) was disclosed to the receiving party, other than under an obligation of confidentiality, by a third party who had no obligation to the disclosing party not to disclose such information to others. Notwithstanding the foregoing, Purchaser may make any disclosure in the event it is legally compelled to do so in a judicial, administrative, or governmental proceeding.

(d) Purchaser acknowledges and agrees that disclosure of any of the confidential information of Schneider Electric would cause serious and irreparable harm to Schneider Electric which could not adequately be compensated for in damages and, in the event of a breach, or an anticipated breach, by Purchaser of any of the provisions of this Agreement, Purchaser hereby consents to an injunction being issued against it restraining it from such anticipated breach or any further breach of such provision (as applicable), but such action shall not be construed so as to be in derogation of any other remedy which may be available in the event of such breach or anticipated breach. Purchaser shall immediately notify Schneider Electric of any unauthorized possession, use or knowledge of Schneider Electric's confidential information which becomes known to a responsible officer of Purchaser.

15. Export Restrictions and Government Rights

Purchaser agrees that it does not intend to, nor will it knowingly, directly or indirectly, export or transmit the Software or related documentation and technical data (or any part thereof) to any country to which the export or transmission is restricted by any applicable U.S. regulation or statute, without the prior, express written consent, if required, of the Bureau of Export Administration of the U.S. Department of Commerce, or such other

government entity as may have or obtain jurisdiction over such export or transmission. The Software and Application Hosting Service are provided with RESTRICTED RIGHTS. Use, duplication, or disclosure of the Software by any department or agency of the federal government is subject to restriction as set forth in subparagraph (b)(3) of the Rights in Technical Data and Computer Software clause at DFARS 252.227-7013 or in the Commercial Computer Software License at 48 CFR 52.227-19, as applicable. For purposes thereof, "Contractor" is Schneider Electric.

16. Miscellaneous.

- (a) In the event legal action is required to enforce or interpret this Agreement, the prevailing party will be entitled to recover reasonable costs it incurred in such action, including reasonable attorneys' fees.
- (b) Any waiver of any provision of this Agreement, or a delay by either party in the enforcement of any right hereunder, will neither be construed as a continuing waiver nor create an expectation of non-enforcement of that or any other provision or right.
- (c) If any of the provisions, or portions thereof, of this Agreement are found to be invalid under any applicable statute or rule of law, then, that provision notwithstanding, this Agreement will remain in full force and effect and such provision or portion thereof will be deemed omitted.
- (d) Purchaser and its Customers may use the Software and Application Hosting Service only for lawful purposes. Transmission of any material in violation of any Federal, State or Local regulation is prohibited. This includes, but is not limited to copyrighted material, material legally judged to be threatening, obscene, pornographic, or profane, or material protected by trade secrets.
- (e) Neither the Agreement nor any interest therein nor any claim arising therefrom shall be assigned by either party to any person, firm or corporation without the written consent of the other party. Notwithstanding any other terms or provisions to the contrary, no provision of this Agreement shall be construed to limit Purchaser's authority or right to assign all of its authority, rights or obligations under this Agreement to any corporation or any other business entity which is the result of or the survivor of a merger, consolidation or other business combination to which Purchaser is a party. Nothing herein shall be construed to give any rights or benefits hereunder to anyone other than the Purchaser and Schneider Electric.

Subject to the licensing grant and restrictions provided herein, no provision of this contract shall be construed as limiting Purchaser's right to permit its divisions, affiliates, and subsidiary companies to use or benefit from the Software or Application Hosted Services provided for in this Agreement.

- (f) Schneider agrees to maintain insurance in accordance with the terms and conditions of Exhibit 4.
- (g) The validity, construction, and interpretation of the terms and conditions herein and all rights and duties of the parties shall be governed by the substantive laws of the State of California without regard to conflict of laws rules. Each party further agrees that any legal action filed against the other party will be venued only in State of California, unless otherwise mutually agreed upon between the parties. EACH PARTY HEREBY KNOWINGLY, VOLUNTARILY AND INTENTIONALLY WAIVES ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN RESPECT TO ANY LITIGATION BASED HEREON, OR ARISING OUT OF, UNDER OR IN CONNECTION WITH THIS AGREEMENT, OR ANY COURSE OF CONDUCT, COURSE OF DEALING, STATEMENTS (WHETHER VERBAL OR WRITTEN) OR ACTIONS OF EITHER PARTY. Any conflict between the terms of this Agreement and any Purchase Order or other terms shall be resolved in favor of the terms of this Agreement.
- (h) This Agreement shall constitute the sole and entire agreement of the parties as to the matter set forth herein and supersedes any previous agreements, understandings, and arrangements between the parties relating hereto.

17. Force Majeure

Either party shall be excused from delays in performing or from its failure to perform hereunder to the extent that such delays or failures result from causes beyond reasonable control of each such party; provided that, in order to be excused from delay or failure to perform, such party must act diligently to remedy the cause of delay or failure.

EXHIBIT 1

SCOPE OF WORK

Energy Profiler Online (EPO) is a cloud-hosted energy management information and demand response system for end use customers of utilities. EPO allows both utilities and their customers to view accurate, detailed energy usage data, which can help identify cost savings opportunities and support participation in automated demand response programs. It also helps utilities to meet government energy efficiency mandates and easily manage peak demands-no installation required. What's more, EPO's accuracy and scalability make it an easy way to improve utilities' power reliability and customer service.

The following EPO Application Hosting Services and modules are being licensed under this Agreement:

- **EPO Standard:** Provides Purchaser's customers with energy usage, demand, and energy-related information through intuitive interfaces that requires little training. EPO Standard is the core module by which data is imported and exported, as well as serves as the framework for other modules as enabled.
 - **Utility Administration portal:** A segregated web site dedicated to the administrative tasks of the utility as it manages its customers. Administrative level accounts have access to manage users, meter/account/customer relationships, troubleshoot issues, configure EPO modules, and support end users when issues arise.
- **Weather:** Imports observed and forecasted weather conditions and makes this data available to the various modules in EPO as supported. Option: 1 Weather data will be provided by Schneider Electric's award winning weather services. Option 2: Weather data will be provided by a weather service.
- **Bill Estimation and Scenario Modeling:** Used by Purchaser's customers to estimate their bills prior to receiving a hard copy from the Purchaser. Estimated bills can be normalized by normalization factors such as square foot and users can perform rate comparisons. Users can estimate energy costs by applying various options such as rate changes or adjustments in load/usage.

Additional modules which can be purchased

- **Load Curtailment:** Supports load curtailment agreements with Purchaser's customers. Various curtailment programs/contracts can be initiated and messages sent to customers or groups of customers. Responses, curtailment performance, and settlement data are tracked and saved. End users are provided an interface to participate in curtailment events and track their performance.
- **Real-time Pricing:** Imports market-prices of energy data, exposing these prices to end users, and allowing users to understand cost of energy based on these market values.

Web Hosting and Support Services are included in the price of this agreement. Utility-level customer support is included as specified in section 10 above.

EXHIBIT 2

Pricing and Payment Terms

SERVICES AND FEES

Monthly Licensing, Operations and Maintenance:

Licensing, 36 months, Maintenance and Operation Fee for EPO Standard (171 meters, \$2,363/month for 12 months per the pricing Table 1 below)	\$28,356, annually
Licensing, 36 months, Maintenance and Operation Fee for Weather (8 locations, \$805/month for 12 months per the pricing table below)	\$9,660, annually
Licensing, 36 months, Maintenance and Operation Fee for Bill Estimation (171 accounts, \$998/month for 12 months per the pricing table below)	\$11,976, annually
<u>Total:</u>	<u>\$ 49,992 annually</u>

Invoicing will be on an annual basis beginning at contract renewal

The foregoing monthly fee is based on the number of Meters which are providing data to the Software as well as the selected modules. This fee is subject to adjustment depending upon the number of Meters which provide data, as set forth in the table below. For the purposes of this Agreement, a Meter is defined to mean a mechanism, piece of equipment or other mechanical apparatus that transmits energy usage data to EPO. Each Meter may have up to four channels for use in the transmission of such data.

Table 1 - EPO Price Schedule

0-50	\$1,500	\$805	\$735
51-100	\$1,575	\$805	\$893
101-250	\$2,363	\$805	\$998
251-500	\$3,675	\$805	\$1,103
501-750	\$4,174	\$1,035	\$1,253
751-1000	\$4,725	\$1,035	\$1,418

The pricing listed above shall be reviewed every twelve (12) months for the initial term of the Agreement.

* Number of "Meters/Devices" will be determined by the number of unique Recorder IDs in the database.

Schneider Electric Time and Materials Rates:

Billing Category	Hourly Rate
Blended Rate (Senior & Support Staff)	\$180

EXHIBIT 3
Data Specifications

All data up-loaded to the EPO server under this Agreement shall be in the LoadStar data format (LDS) or California Metering Exchange Protocol (CMEP). Any exceptions to this will possibly incur additional charges.

EXHIBIT 4
Insurance Requirements

- a. Insurance Coverage. Schneider Electric shall maintain in force, throughout the term of the Contract or any extension thereof, insurance with the following coverage and limits:
 - (i) If applicable, Automobile Insurance in the amount of not less than one million dollars (\$1,000,000). Such policy shall provide that it shall not be cancelled except upon thirty (30) days prior written notice (by registered mail) to the Purchaser.
 - (ii) Professional Errors and Omissions Insurance in the amount of not less than one million dollars (\$1,000,000). Such policy shall provide that it shall not be cancelled or amended so as to reduce or restrict coverage except upon thirty (30) days prior written notice (by registered mail) to the Purchaser.
 - (iii) Commercial General Liability Insurance on an occurrence basis with limits of at least one million dollars (\$1,000,000) inclusive for both bodily injury (including death) and property damage for each occurrence including the following extension: Products and Completed Operations, Blanket Written Contractual, Personal Injury, Broad Form Property Damage, Employer's Liability, Owner's and Schneider Electric's Protective Liability and Non-Owned Automobile Liability. Such policy shall:
 - (i) Contain a severability of interest clause and cross liability clause between the Schneider Electric and the Purchaser;
 - (ii) Be primary, noncontributing with, and not in excess to any insurance available to the Purchaser;
 - (iii) Provide that it shall not be cancelled or amended so as to reduce or restrict coverage except upon thirty (30) days prior written notice (by registered mail) to the Purchaser.
- b. Copies of Insurance Policies. At the Purchaser's request, Schneider Electric will provide a memorandum of insurance to Purchaser upon execution of this Agreement reflecting Schneider Electric's liability insurance coverage, limits to liability to the extent required by this Agreement, insured entities, and blanket endorsements.
- c. Workers Compensation. Schneider Electric shall ensure that, with respect to all persons performing the Services, Schneider Electric and its subcontractors maintain in effect at all times during performance of the Services, coverage or insurance in accordance with the applicable laws relating to Workers' Compensation.

COUNCIL COMMUNICATION

CC #: 7753
File #: 0203-03

Title: Hydrofluorosilicic Acid - Service Agreement
Contact: Babette Owens 916-774-5704 bowens@roseville.ca.us

Meeting Date: 6/15/2016
Item #: 7.10.

RECOMMENDATION TO COUNCIL

Authorize a service agreement with Thatcher Company of California, Inc. for hydrofluorosilicic acid as the lowest responsive bid received for BACC 08-2016. In addition, adopt a resolution authorizing the City Manager to sign the attached service agreement. The estimated annual cost of the agreement is \$120,000.00, not to exceed the budgeted amount.

BACKGROUND

The Environmental Utilities Department has an ongoing requirement for hydrofluorosilicic acid for use at the Water Treatment Plant. This chemical is fluoride that is added to the water to prevent dental caries or tooth decay. The chemical will be purchased by the end using department as needed throughout the year. This contract allows for optional renewal years through 2021.

In March 2016, the City participated in a regional chemical bid lead by the Bay Area Chemical Consortium (BACC), with the Dublin San Ramon Services District serving as the coordinating agency. BACC is comprised of water and wastewater agencies in the Northern California area, working together to purchase chemicals by combining bid solicitations. BACC is an informal cooperative that advertises and opens sealed competitive bids and then prepares bid recommendations. Combined bid solicitations offer vendors an opportunity to sell greater quantities of their products. Because more than 50 public agencies are now participating, significant savings for chemical purchases are being passed along to the agencies' water and wastewater customers.

FISCAL IMPACT

The estimated annual cost of the agreement is \$120,000.00. Funding is included in the Environmental Utilities Department's FY2016/17 budget, not to exceed budgeted amount.

ECONOMIC DEVELOPMENT / JOBS CREATED

Not applicable.

ENVIRONMENTAL REVIEW

The California Environmental Quality Act (CEQA) does not apply to activities that will not result in a direct or reasonably foreseeable indirect physical change in the environment (CEQA Guidelines §15061(b)(3)). The hauling and delivery of hazardous substances is regulated by the state. Hazardous material transport consistent with applicable safety regulations should not result in a significant environmental effect. Therefore, the proposed Service Agreement does not include the potential for significant environmental effect and is not subject to CEQA.

Respectfully Submitted,

Babette Owens, Buyer I

Paul Diefenbach, Central Services Director

Rob Jensen, City Manager

Rob Jensen, City Manager
CITY OF ROSEVILLE, A MUNICIPAL CORPORATION

1. To the fullest extent allowed by law, Contractor shall defend, indemnify, and save and hold harmless City, its officers, agents, employees and volunteers from any claims, suits or actions of every name, kind and description brought forth, or on account of, injuries to or death of any person (including but not limited to workers and the public), or damage to property, resulting from or arising out of Contractor's willful misconduct or negligent act or omission while engaged in the performance of obligations or exercise of rights created by this Agreement, except those matters arising from City's sole negligence or willful misconduct. The parties intend that this provision shall be broadly construed. Contractor's responsibility for such defense and indemnity obligations shall survive the termination or completion of this Agreement for the full period of time allowed by law. The defense and indemnity obligations of this Agreement are undertaken in addition to, and shall not in any way be limited by, the insurance obligations contained in this Agreement.
2. Contractor is an independent contractor, and shall not be considered an officer, agent or employee of the City.
3. Without the written consent of the City, this Agreement is not assignable by Contractor either in whole or in part.
4. Time is of the essence of this Agreement.
5. At any time during the term of this Agreement, the City has the right to terminate this Agreement provided Contractor is given a thirty (30) day notice.
6. This Agreement may only be amended or modified in writing. It is integrated and contains the complete understanding of the parties.
7. All equipment, supplies and services sold to the City of Roseville shall conform to the general safety orders of the State of California.
8. Unless notified to the contrary, in writing, the City assumes that the Contractor has accepted the work in accordance with the plans and specifications (if any) and agrees to do the work in compliance with this Agreement.
9. All fair employment practices must be adhered to.
- 10a. Unless otherwise specified, the Contractor shall maintain the policies of insurance outlined in Attachment A, incorporated herein by this reference, in full force and effect during the term of this Agreement. The City of Roseville retains sole discretion in determining the types and proper levels of insurance coverage.
- 10b. Form. Contractor shall submit a certificate evidencing such coverage for the period covered by this Agreement in a form satisfactory to Risk Management and the City Attorney, prior to undertaking any work hereunder. Any insurance written on a claims made basis is subject to the approval of Risk Management and the City Attorney.
- 10c. Additional Insureds. Contractor shall also provide a separate endorsement or section of the policy showing City, its officers, agents, employees, and volunteers as additional insureds for each type of coverage, except for Workers' Compensation. Such insurance shall specifically cover the contractual liability of Contractor. The additional insured coverage under the Contractor's policy shall be primary and noncontributory, as evidenced by a separate endorsement or section of the policy, and shall not seek contribution from City's insurance or self-insurance. In addition, the additional insured coverage shall be at least as broad as the Insurance Services Office ("ISO") CG 20 01 Endorsement. Any available insurance proceeds in excess of the specified minimum insurance coverage requirements and limits shall be available to the additional insureds. Furthermore, the requirements for coverage and limits shall be: (1) the minimum coverage and limits specified in this Agreement; or (2) the full coverage and maximum limits of any insurance proceeds available to the named insureds, whichever is greater.
- 10d. Cancellation/Modification. Contractor shall provide ten (10) days written notice to City prior to cancellation or modification of any insurance required by this Agreement.
- 10e. Umbrella/Excess Insurance. The limits of insurance required in this Agreement may be satisfied by a combination of primary and excess insurance. Any excess insurance shall contain or be endorsed to contain a provision that such coverage shall also apply on a primary and noncontributory basis for the benefit of City (if agreed to in a written contract) before City's own insurance shall be called upon to protect it as a named insured.
- 10f. Subcontractors. Contractor agrees to include in its contracts with all subcontractors the same requirements and provisions of this Agreement, including the indemnity and insurance requirements, to the extent they apply to the scope of the subcontractor's work. Furthermore, Contractor shall require its subcontractors to agree to be bound to Contractor and City in the same manner and to the same extent as Contractor is bound to City under this Agreement. Additionally, Contractor shall obligate its subcontractors to comply with these same provisions with respect to any tertiary subcontractor, regardless of tier. A copy of City's indemnity and insurance provisions will be furnished to the subcontractor or tertiary subcontractor upon request.
- 10g. Self-Insured Retentions. All self-insured retentions ("SIR") must be disclosed to Risk Management for approval and shall not reduce the limits of liability. Policies containing any SIR provision shall provide or be endorsed to provide that the SIR may be satisfied by either the named insured or City. City reserves the right to obtain a full certified copy of any insurance policy and endorsements. The failure to exercise this right shall not constitute a waiver of such right.
- 10h. Waiver of Subrogation. Contractor hereby agrees to waive subrogation which any insurer of Contractor may acquire from Contractor by virtue of the payment of any loss under a Workers Compensation, Commercial General Liability or Automobile Liability policy. All Workers Compensation, Commercial General Liability and Automobile Liability policies shall be endorsed with a waiver of subrogation in favor of City, its officers, agents, employees and volunteers for all work performed by Contractor, its employees, agents and subcontractors.
- 10i. Liability/Remedies. Insurance coverage in the minimum amounts set forth herein shall not be construed to relieve Contractor of liability in excess of such coverage, nor shall it preclude City from taking such other actions as are available to it under any other provisions of this Agreement or law.
11. Contractor shall comply with all federal, state and local laws and ordinances, including but not limited to the City's storm water regulations, as may be applicable to the performance of services under this Agreement. Failure to comply with local ordinances may result in monetary fines and cancellation of this Agreement. Refer to www.roseville.ca.us/stormwater for links to more information on the City's storm water regulations.

12. In the event that the terms of any attachment or exhibit conflict with any terms of this Service Agreement, the terms of this Service Agreement shall control.
13. This Agreement may be executed in one or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument. In the event that any signature is delivered by facsimile transmission or by e-mail delivery of a ".pdf" format data file, such signature shall create a valid and binding obligation of the party executing (or on whose behalf such signature is executed) with the same force and effect as if such facsimile or ".pdf" signature page were an original thereof.
14. If either party commences any legal action against the other party arising out of this Agreement or the performance thereof, the prevailing party in such action shall be entitled to recover its reasonable litigation expenses, including but not limited to, court costs, expert witness fees, discovery expenses, and attorneys' fees. Any action arising out of this Agreement shall be brought in Placer County, California, regardless of where else venue may lie. This Agreement shall be governed by and construed in accordance with the laws of the State of California.
15. This Agreement shall be binding upon the heirs, successors, executors, administrators and assigns of the respective parties hereto.
16. If any of the provisions contained in this Agreement are for any reason held invalid or unenforceable, such holding shall not affect the remaining provisions or the validity and enforceability of the Agreement as a whole.
17. If the project referenced on this service agreement is a Public Works project, then the following paragraph 17 shall apply. No contractor or subcontractor may work on a public works project unless registered with the Department of Industrial Relations pursuant to Labor Code section 1725.5. During the performance of this agreement, Contractor and its subcontractors shall have a continuing legal obligation to maintain current registration with the Department of Industrial Relations. Contractor is hereby notified that this project is subject to compliance monitoring and enforcement by the Department of Industrial Relations.

City reserves the right to withhold any payments to Contractor in the event of noncompliance with insurance requirements or if required by law.

COUNCIL COMMUNICATION

CC #: 7757

File #: 0704

Title: Sports Officiating Services - Service Agreement Renewal
Contact: Christopher Pelzman 916-774-5977 cpelzman@roseville.ca.us

Meeting Date: 6/15/2016

Item #: 7.11.

RECOMMENDATION TO COUNCIL

Recommend Council adopts the resolution authorizing the City Manager to execute the Service Agreement with Sunrise Officials Association (SOA) in the amount of \$55,000.00 for Adult Sports Officiating Services.

BACKGROUND

In August 2014, the City Council approved a two year service agreement with Sunrise Officials to provide softball officiating services for the Parks, Recreation & Libraries Department - Adult Sports Division. At the end of FY 2015/16, the City has the option to enter into three (3) one year extensions, before being formally required to issue another multi-year RFP.

Sunrise Officials has proven to be a good fit for the City of Roseville for many years, as is evident from both internal and external evaluation of their services. SOA understands the City of Roseville's expectation of providing exceptional service to our customers and has proven this the past two years of the current agreement. The respective Service Agreement term goes through June 30, 2017.

FISCAL IMPACT

The funds for this Service Agreement have been allocated through the Parks, Recreation & Libraries Department Budget and are paid from fees collected from participating teams and players resulting in zero net impact to the General Fund.

ECONOMIC DEVELOPMENT / JOBS CREATED

The adult softball program creates independent contractor jobs for officials within the region.

ENVIRONMENTAL REVIEW

Softball is not considered a "project" as defined by the California Environmental Quality Act (CEQA). Consequently no CEQA action is required. The California Environmental Quality Act (CEQA) does not apply to activities that will not result in a direct or reasonably foreseeable indirect physical change in the environment (CEQA Guidelines 15061(b)(3).

Respectfully Submitted,

Christopher Pelzman, Recreation Coordinator II

Dion Louthan, Director of Parks, Recreation & Libraries

Rob Jensen, City Manager

CITY OF ROSEVILLE, A MUNICIPAL CORPORATION

1. To the fullest extent allowed by law, Contractor shall defend, indemnify, and save and hold harmless City, its officers, agents, employees and volunteers from any claims, suits or actions of every name, kind and description brought forth, or on account of, injuries to or death of any person (including but not limited to workers and the public), or damage to property, resulting from or arising out of Contractor's willful misconduct or negligent act or omission while engaged in the performance of obligations or exercise of rights created by this Agreement, except those matters arising from City's sole negligence or willful misconduct. The parties intend that this provision shall be broadly construed. Contractor's responsibility for such defense and indemnity obligations shall survive the termination or completion of this Agreement for the full period of time allowed by law. The defense and indemnity obligations of this Agreement are undertaken in addition to, and shall not in any way be limited by, the insurance obligations contained in this Agreement.
2. Contractor is an independent contractor, and shall not be considered an officer, agent or employee of the City.
3. Without the written consent of the City, this Agreement is not assignable by Contractor either in whole or in part.
4. Time is of the essence of this Agreement.
5. At any time during the term of this Agreement, the City has the right to terminate this Agreement provided Contractor is given a thirty (30) day notice.
6. This Agreement may only be amended or modified in writing. It is integrated and contains the complete understanding of the parties.
7. All equipment, supplies and services sold to the City of Roseville shall conform to the general safety orders of the State of California.
8. Unless notified to the contrary, in writing, the City assumes that the Contractor has accepted the work in accordance with the plans and specifications (if any) and agrees to do the work in compliance with this Agreement.
9. All fair employment practices must be adhered to. In addition, if the project referenced on this service agreement is a Public Works project, all prevailing wage laws must be complied with. For prevailing wage contracts over \$25,000, copies of certified payroll must be submitted with invoices. Prevailing wage rates may be obtained from the State Department of Industrial Relations and/or the following website address: <http://www.dir.ca.gov/dlsr/DPreWageDetermination.htm>.
- 10a. Unless otherwise specified, the Contractor shall maintain the policies of insurance outlined in Attachment A, incorporated herein by this reference, in full force and effect during the term of this Agreement. The City of Roseville retains sole discretion in determining the types and proper levels of insurance coverage.
- 10b. Form. Contractor shall submit a certificate evidencing such coverage for the period covered by this Agreement in a form satisfactory to Risk Management and the City Attorney, prior to undertaking any work hereunder. Any insurance written on a claims made basis is subject to the approval of Risk Management and the City Attorney.
- 10c. Additional Insureds. Contractor shall also provide a separate endorsement or section of the policy showing City, its officers, agents, employees, and volunteers as additional insureds for each type of coverage, except for Workers' Compensation. Such insurance shall specifically cover the contractual liability of Contractor. The additional insured coverage under the Contractor's policy shall be primary and noncontributory, as evidenced by a separate endorsement or section of the policy, and shall not seek contribution from City's insurance or self-insurance. In addition, the additional insured coverage shall be at least as broad as the Insurance Services Office ("ISO") CG 20 01 Endorsement. Any available insurance proceeds in excess of the specified minimum insurance coverage requirements and limits shall be available to the additional insureds. Furthermore, the requirements for coverage and limits shall be: (1) the minimum coverage and limits specified in this Agreement; or (2) the full coverage and maximum limits of any insurance proceeds available to the named insureds, whichever is greater.
- 10d. Cancellation/Modification. Contractor shall provide ten (10) days written notice to City prior to cancellation or modification of any insurance required by this Agreement.
- 10e. Umbrella/Excess Insurance. The limits of insurance required in this Agreement may be satisfied by a combination of primary and excess insurance. Any excess insurance shall contain or be endorsed to contain a provision that such coverage shall also apply on a primary and noncontributory basis for the benefit of City (if agreed to in a written contract) before City's own insurance shall be called upon to protect it as a named insured.
- 10f. Subcontractors. Contractor agrees to include in its contracts with all subcontractors the same requirements and provisions of this Agreement, including the indemnity and insurance requirements, to the extent they apply to the scope of the subcontractor's work. Furthermore, Contractor shall require its subcontractors to agree to be bound to Contractor and City in the same manner and to the same extent as Contractor is bound to City under this Agreement. Additionally, Contractor shall obligate its subcontractors to comply with these same provisions with respect to any tertiary subcontractor, regardless of tier. A copy of City's indemnity and insurance provisions will be furnished to the subcontractor or tertiary subcontractor upon request.
- 10g. Self-Insured Retentions. All self-insured retentions ("SIR") must be disclosed to Risk Management for approval and shall not reduce the limits of liability. Policies containing any SIR provision shall provide or be endorsed to provide that the SIR may be satisfied by either the named insured or City. City reserves the right to obtain a full certified copy of any insurance policy and endorsements. The failure to exercise this right shall not constitute a waiver of such right.
- 10h. Waiver of Subrogation. Contractor hereby agrees to waive subrogation which any insurer of Contractor may acquire from Contractor by virtue of the payment of any loss under a Workers Compensation, Commercial General Liability or Automobile Liability policy. All Workers Compensation, Commercial General Liability and Automobile Liability policies shall be endorsed with a waiver of subrogation in favor of City, its officers, agents, employees and volunteers for all work performed by Contractor, its employees, agents and subcontractors.
- 10i. Liability/Remedies. Insurance coverage in the minimum amounts set forth herein shall not be construed to relieve Contractor of liability in excess of such coverage, nor shall it preclude City from taking such other actions as are available to it under any other provisions of this Agreement or law.
11. Contractor shall comply with all federal, state and local laws and ordinances, including but not limited to the City's storm water regulations, as may be applicable to the performance of services under this Agreement. Failure to comply with local ordinances

may result in monetary fines and cancellation of this Agreement. Refer to www.roseville.ca.us/stormwater for links to more information on the City's storm water regulations.

12. In the event that the terms of any attachment or exhibit conflict with any terms of this Service Agreement, the terms of this Service Agreement shall control.
13. This Agreement may be executed in one or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument. In the event that any signature is delivered by facsimile transmission or by e-mail delivery of a ".pdf" format data file, such signature shall create a valid and binding obligation of the party executing (or on whose behalf such signature is executed) with the same force and effect as if such facsimile or ".pdf" signature page were an original thereof.
14. If either party commences any legal action against the other party arising out of this Agreement or the performance thereof, the prevailing party in such action shall be entitled to recover its reasonable litigation expenses, including but not limited to, court costs, expert witness fees, discovery expenses, and attorneys' fees. Any action arising out of this Agreement shall be brought in Placer County, California, regardless of where else venue may lie. This Agreement shall be governed by and construed in accordance with the laws of the State of California.
15. This Agreement shall be binding upon the heirs, successors, executors, administrators and assigns of the respective parties hereto.
16. If any of the provisions contained in this Agreement are for any reason held invalid or unenforceable, such holding shall not affect the remaining provisions or the validity and enforceability of the Agreement as a whole.
17. If the project referenced on this service agreement is a Public Works project, then the following shall apply. No contractor or subcontractor may work on a public works project unless registered with the Department of Industrial Relations pursuant to Labor Code section 1725.5. During the performance of this agreement, Contractor and its subcontractors shall have a continuing legal obligation to maintain current registration with the Department of Industrial Relations. Contractor is hereby notified that this project is subject to compliance monitoring and enforcement by the Department of Industrial Relations.

City reserves the right to withhold any payments to Contractor in the event of noncompliance with insurance requirements or if required by law.

Title: Systems Furniture - Service Agreement
Contact: Joanna Cucchi 916-746-1609 jcucchi@roseville.ca.us

Meeting Date: 6/15/2016
Item #: 7.12.

RECOMMENDATION TO COUNCIL

Staff recommends Council adopt a resolution authorizing the City Manager to execute a Service Agreement with Western Contract for \$31,724.89 utilizing the U.S. Communities Contract Agreement for Haworth furniture, contract # 440003402.

BACKGROUND

Roseville Electric Utility's administration building is at full capacity. Staff has identified a need for additional cubicles and work spaces. Additionally, staff who work closely on programs and projects are spread throughout the building, which hinders team productivity. This project will increase workstation capacity by replacing four large workstations with six smaller workstations. Delivery and installation costs are included in the service agreement.

FISCAL IMPACT

The service agreement is for \$31,724.89 and Funds are available in the Electric General Facilities CIP.

ECONOMIC DEVELOPMENT / JOBS CREATED

Not applicable.

ENVIRONMENTAL REVIEW

This staff report is statutorily exempt from the California Environmental Quality Act (CEQA) per Section 15273 of the CEQA Guidelines. No CEQA action is required.

Respectfully Submitted,

Joanna Cucchi, Senior Electric Business Analyst

Michelle Bertolino, Electric Utility Director

CITY OF ROSEVILLE, A MUNICIPAL CORPORATION

1. To the fullest extent allowed by law, Contractor shall defend, indemnify, and save and hold harmless City, its officers, agents, employees and volunteers from any claims, suits or actions of every name, kind and description brought forth, or on account of, injuries to or death of any person (including but not limited to workers and the public), or damage to property, resulting from or arising out of Contractor's willful misconduct or negligent act or omission while engaged in the performance of obligations or exercise of rights created by this Agreement, except those matters arising from City's sole negligence or willful misconduct. The parties intend that this provision shall be broadly construed. Contractor's responsibility for such defense and indemnity obligations shall survive the termination or completion of this Agreement for the full period of time allowed by law. The defense and indemnity obligations of this Agreement are undertaken in addition to, and shall not in any way be limited by, the insurance obligations contained in this Agreement.
2. Contractor is an independent contractor, and shall not be considered an officer, agent or employee of the City.
3. Without the written consent of the City, this Agreement is not assignable by Contractor either in whole or in part.
4. Time is of the essence of this Agreement.
5. At any time during the term of this Agreement, the City has the right to terminate this Agreement provided Contractor is given a thirty (30) day notice.
6. This Agreement may only be amended or modified in writing. It is integrated and contains the complete understanding of the parties.
7. All equipment, supplies and services sold to the City of Roseville shall conform to the general safety orders of the State of California.
8. Unless notified to the contrary, in writing, the City assumes that the Contractor has accepted the work in accordance with the plans and specifications (if any) and agrees to do the work in compliance with this Agreement.
9. All fair employment practices must be adhered to. In addition, if the project referenced on this service agreement is a Public Works project, all prevailing wage laws must be complied with. For prevailing wage contracts over \$25,000, copies of certified payroll must be submitted with invoices. Prevailing wage rates may be obtained from the State Department of Industrial Relations and/or the following website address: <http://www.dir.ca.gov/dlsr/DPreWageDetermination.htm>.
- 10a. Unless otherwise specified, the Contractor shall maintain the policies of insurance outlined in Attachment A, incorporated herein by this reference, in full force and effect during the term of this Agreement. The City of Roseville retains sole discretion in determining the types and proper levels of insurance coverage.
- 10b. Form. Contractor shall submit a certificate evidencing such coverage for the period covered by this Agreement in a form satisfactory to Risk Management and the City Attorney, prior to undertaking any work hereunder. Any insurance written on a claims made basis is subject to the approval of Risk Management and the City Attorney.
- 10c. Additional Insureds. Contractor shall also provide a separate endorsement or section of the policy showing City, its officers, agents, employees, and volunteers as additional insureds for each type of coverage, except for Workers' Compensation. Such insurance shall specifically cover the contractual liability of Contractor. The additional insured coverage under the Contractor's policy shall be primary and noncontributory, as evidenced by a separate endorsement or section of the policy, and shall not seek contribution from City's insurance or self-insurance. In addition, the additional insured coverage shall be at least as broad as the Insurance Services Office ("ISO") CG 20 01 Endorsement. Any available insurance proceeds in excess of the specified minimum insurance coverage requirements and limits shall be available to the additional insureds. Furthermore, the requirements for coverage and limits shall be: (1) the minimum coverage and limits specified in this Agreement; or (2) the full coverage and maximum limits of any insurance proceeds available to the named insureds, whichever is greater.
- 10d. Cancellation/Modification. Contractor shall provide ten (10) days written notice to City prior to cancellation or modification of any insurance required by this Agreement.
- 10e. Umbrella/Excess Insurance. The limits of insurance required in this Agreement may be satisfied by a combination of primary and excess insurance. Any excess insurance shall contain or be endorsed to contain a provision that such coverage shall also apply on a primary and noncontributory basis for the benefit of City (if agreed to in a written contract) before City's own insurance shall be called upon to protect it as a named insured.
- 10f. Subcontractors. Contractor agrees to include in its contracts with all subcontractors the same requirements and provisions of this Agreement, including the indemnity and insurance requirements, to the extent they apply to the scope of the subcontractor's work. Furthermore, Contractor shall require its subcontractors to agree to be bound to Contractor and City in the same manner and to the same extent as Contractor is bound to City under this Agreement. Additionally, Contractor shall obligate its subcontractors to comply with these same provisions with respect to any tertiary subcontractor, regardless of tier. A copy of City's indemnity and insurance provisions will be furnished to the subcontractor or tertiary subcontractor upon request.
- 10g. Self-Insured Retentions. All self-insured retentions ("SIR") must be disclosed to Risk Management for approval and shall not reduce the limits of liability. Policies containing any SIR provision shall provide or be endorsed to provide that the SIR may be satisfied by either the named insured or City. City reserves the right to obtain a full certified copy of any insurance policy and endorsements. The failure to exercise this right shall not constitute a waiver of such right.
- 10h. Waiver of Subrogation. Contractor hereby agrees to waive subrogation which any insurer of Contractor may acquire from Contractor by virtue of the payment of any loss under a Workers Compensation, Commercial General Liability or Automobile Liability policy. All Workers Compensation, Commercial General Liability and Automobile Liability policies shall be endorsed with a waiver of subrogation in favor of City, its officers, agents, employees and volunteers for all work performed by Contractor, its employees, agents and subcontractors.
- 10i. Liability/Remedies. Insurance coverage in the minimum amounts set forth herein shall not be construed to relieve Contractor of liability in excess of such coverage, nor shall it preclude City from taking such other actions as are available to it under any other provisions of this Agreement or law.
11. Contractor shall comply with all federal, state and local laws and ordinances, including but not limited to the City's storm water regulations, as may be applicable to the performance of services under this Agreement. Failure to comply with local ordinances

may result in monetary fines and cancellation of this Agreement. Refer to www.roseville.ca.us/stormwater for links to more information on the City's storm water regulations.

12. In the event that the terms of any attachment or exhibit conflict with any terms of this Service Agreement, the terms of this Service Agreement shall control.
13. This Agreement may be executed in one or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument. In the event that any signature is delivered by facsimile transmission or by e-mail delivery of a ".pdf" format data file, such signature shall create a valid and binding obligation of the party executing (or on whose behalf such signature is executed) with the same force and effect as if such facsimile or ".pdf" signature page were an original thereof.
14. If either party commences any legal action against the other party arising out of this Agreement or the performance thereof, the prevailing party in such action shall be entitled to recover its reasonable litigation expenses, including but not limited to, court costs, expert witness fees, discovery expenses, and attorneys' fees. Any action arising out of this Agreement shall be brought in Placer County, California, regardless of where else venue may lie. This Agreement shall be governed by and construed in accordance with the laws of the State of California.
15. This Agreement shall be binding upon the heirs, successors, executors, administrators and assigns of the respective parties hereto.
16. If any of the provisions contained in this Agreement are for any reason held invalid or unenforceable, such holding shall not affect the remaining provisions or the validity and enforceability of the Agreement as a whole.
17. If the project referenced on this service agreement is a Public Works project, then the following shall apply. No contractor or subcontractor may work on a public works project unless registered with the Department of Industrial Relations pursuant to Labor Code section 1725.5. During the performance of this agreement, Contractor and its subcontractors shall have a continuing legal obligation to maintain current registration with the Department of Industrial Relations. Contractor is hereby notified that this project is subject to compliance monitoring and enforcement by the Department of Industrial Relations.

City reserves the right to withhold any payments to Contractor in the event of noncompliance with insurance requirements or if required by law.

COUNCIL COMMUNICATION

CC #: 7746
File #: 0203-03

Title: Aqueous Ammonia - Service Agreement
Contact: Babette Owens 916-774-5704 bowens@roseville.ca.us

Meeting Date: 6/15/2016
Item #: 7.13.

RECOMMENDATION TO COUNCIL

Authorize a service agreement with Argo Chemicals, Inc. as the lowest responsive bid received for BACC 03-2016 for the purchase and delivery of aqueous ammonia (ammonium hydroxide). In addition, adopt a resolution authorizing the City Manager to sign the attached service agreement. The estimated annual cost of the agreement is \$90,000.00, not to exceed budgeted amounts.

BACKGROUND

The Roseville Energy Park has an ongoing requirement for aqueous ammonia (ammonium hydroxide). This chemical is used in the selective catalytic reduction (SCR) air pollution control system to reduce emissions of nitrous oxide. The chemical will be purchased by the Roseville Energy Park as needed throughout the year. This contract allows for optional renewal years through 2021.

In March 2016, the City participated in a regional chemical bid lead by the Bay Area Chemical Consortium (BACC), with the Dublin San Ramon Services District serving as the coordinating agency. BACC is comprised of water and wastewater agencies in the Northern California area, working together to purchase chemicals by combining bid solicitations. BACC is an informal cooperative that advertises and opens sealed competitive bids and then prepares bid recommendations. Combined bid solicitations offer vendors an opportunity to sell greater quantities of their products. Because more than 50 public agencies are now participating, significant savings for chemical purchases are being passed along to the agencies' water and wastewater customers.

FISCAL IMPACT

The estimated annual cost of the agreement is \$90,000.00. Funding is included in the Electric Department's 2016/17 fiscal year budget.

ECONOMIC DEVELOPMENT / JOBS CREATED

Not applicable.

ENVIRONMENTAL REVIEW

The California Environmental Quality Act (CEQA) does not apply to activities that will not result in a direct or reasonably foreseeable indirect physical change in the environment (CEQA Guidelines §15061(b)(3)). The hauling and delivery of hazardous substances is regulated by the state. Hazardous material transport consistent with applicable safety regulations should not result in a significant environmental effect. Therefore, the proposed Service Agreement does not include the potential for significant environmental effect and is not subject to CEQA.

Respectfully Submitted,

Babette Owens, Buyer I

Paul Diefenbach, Central Services Director

Rob Jensen, City Manager

Rob Jensen, City Manager
CITY OF ROSEVILLE, A MUNICIPAL CORPORATION

**CONSENT TO ACTION IN LIEU OF ANNUAL ORGANIZATIONAL MEETING OF
THE BOARD OF DIRECTORS OF ARGO CHEMICAL, INC.**

The action set forth below is taken by unanimous written consent of the Board of Directors of Argo Chemical, Inc. ("Corporation"), a California corporation, without a meeting and in lieu of its annual organizational meeting, in accordance with California Corporations Code Section 307 and the Bylaws of the Corporation.

In reaching his decision, the sole Director has reviewed and considered the various actions taken by the officers and agents of the Corporation, has considered the activities of the Corporation during the past year and its plans for the future, and has considered the Corporation's financial condition.

Based on these considerations and on the Board's evaluation of the Corporation's financial condition, the Director gives his written consent to the adoption of the following resolution:

RESOLVED, that the actions of this Corporation's officers that were taken in the conduct of the Corporation's business for, and on its behalf, since the last annual organizational meeting of this Board are adopted, ratified, and approved in all respects as of the dates taken.

The Board, desiring to elect officers of the Corporation to conduct its business for the next year, nominates, casts its vote for, and consents to the appointment of the persons whose names are set forth below to the offices set forth opposite their names to serve at the pleasure of the Board:

Mark T. Rodgers	President/CEO
Mark T. Rodgers	Secretary
Mark T. Rodgers	Treasurer/CFO

The Director has considered the compensation of the officers and consents to the adoption of the following resolution:

RESOLVED, that the compensation of the officers of the Corporation established for his services to the Corporation in those capacities, and as an employee, has been reviewed and determined to represent the fair value to the Corporation of those services.

This Consent Action in lieu of an Annual Organizational Meeting shall be effective for all purposes on December 21, 2013.

MARK T. RODGERS, Director

1. To the fullest extent allowed by law, Contractor shall defend, indemnify, and save and hold harmless City, its officers, agents, employees and volunteers from any claims, suits or actions of every name, kind and description brought forth, or on account of, injuries to or death of any person (including but not limited to workers and the public), or damage to property, resulting from or arising out of Contractor's willful misconduct or negligent act or omission while engaged in the performance of obligations or exercise of rights created by this Agreement, except those matters arising from City's sole negligence or willful misconduct. The parties intend that this provision shall be broadly construed. Contractor's responsibility for such defense and indemnity obligations shall survive the termination or completion of this Agreement for the full period of time allowed by law. The defense and indemnity obligations of this Agreement are undertaken in addition to, and shall not in any way be limited by, the insurance obligations contained in this Agreement.
2. Contractor is an independent contractor, and shall not be considered an officer, agent or employee of the City.
3. Without the written consent of the City, this Agreement is not assignable by Contractor either in whole or in part.
4. Time is of the essence of this Agreement.
5. At any time during the term of this Agreement, the City has the right to terminate this Agreement provided Contractor is given a thirty (30) day notice.
6. This Agreement may only be amended or modified in writing. It is integrated and contains the complete understanding of the parties.
7. All equipment, supplies and services sold to the City of Roseville shall conform to the general safety orders of the State of California.
8. Unless notified to the contrary, in writing, the City assumes that the Contractor has accepted the work in accordance with the plans and specifications (if any) and agrees to do the work in compliance with this Agreement.
9. All fair employment practices must be adhered to.
- 10a. Unless otherwise specified, the Contractor shall maintain the policies of insurance outlined in Attachment A, incorporated herein by this reference, in full force and effect during the term of this Agreement. The City of Roseville retains sole discretion in determining the types and proper levels of insurance coverage.
- 10b. Form. Contractor shall submit a certificate evidencing such coverage for the period covered by this Agreement in a form satisfactory to Risk Management and the City Attorney, prior to undertaking any work hereunder. Any insurance written on a claims made basis is subject to the approval of Risk Management and the City Attorney.
- 10c. Additional Insureds. Contractor shall also provide a separate endorsement or section of the policy showing City, its officers, agents, employees, and volunteers as additional insureds for each type of coverage, except for Workers' Compensation. Such insurance shall specifically cover the contractual liability of Contractor. The additional insured coverage under the Contractor's policy shall be primary and noncontributory, as evidenced by a separate endorsement or section of the policy, and shall not seek contribution from City's insurance or self-insurance. In addition, the additional insured coverage shall be at least as broad as the Insurance Services Office ("ISO") CG 20 01 Endorsement. Any available insurance proceeds in excess of the specified minimum insurance coverage requirements and limits shall be available to the additional insureds. Furthermore, the requirements for coverage and limits shall be: (1) the minimum coverage and limits specified in this Agreement; or (2) the full coverage and maximum limits of any insurance proceeds available to the named insureds, whichever is greater.
- 10d. Cancellation/Modification. Contractor shall provide ten (10) days written notice to City prior to cancellation or modification of any insurance required by this Agreement.
- 10e. Umbrella/Excess Insurance. The limits of insurance required in this Agreement may be satisfied by a combination of primary and excess insurance. Any excess insurance shall contain or be endorsed to contain a provision that such coverage shall also apply on a primary and noncontributory basis for the benefit of City (if agreed to in a written contract) before City's own insurance shall be called upon to protect it as a named insured.
- 10f. Subcontractors. Contractor agrees to include in its contracts with all subcontractors the same requirements and provisions of this Agreement, including the indemnity and insurance requirements, to the extent they apply to the scope of the subcontractor's work. Furthermore, Contractor shall require its subcontractors to agree to be bound to Contractor and City in the same manner and to the same extent as Contractor is bound to City under this Agreement. Additionally, Contractor shall obligate its subcontractors to comply with these same provisions with respect to any tertiary subcontractor, regardless of tier. A copy of City's indemnity and insurance provisions will be furnished to the subcontractor or tertiary subcontractor upon request.
- 10g. Self-Insured Retentions. All self-insured retentions ("SIR") must be disclosed to Risk Management for approval and shall not reduce the limits of liability. Policies containing any SIR provision shall provide or be endorsed to provide that the SIR may be satisfied by either the named insured or City. City reserves the right to obtain a full certified copy of any insurance policy and endorsements. The failure to exercise this right shall not constitute a waiver of such right.
- 10h. Waiver of Subrogation. Contractor hereby agrees to waive subrogation which any insurer of Contractor may acquire from Contractor by virtue of the payment of any loss under a Workers Compensation, Commercial General Liability or Automobile Liability policy. All Workers Compensation, Commercial General Liability and Automobile Liability policies shall be endorsed with a waiver of subrogation in favor of City, its officers, agents, employees and volunteers for all work performed by Contractor, its employees, agents and subcontractors.
- 10i. Liability/Remedies. Insurance coverage in the minimum amounts set forth herein shall not be construed to relieve Contractor of liability in excess of such coverage, nor shall it preclude City from taking such other actions as are available to it under any other provisions of this Agreement or law.
11. Contractor shall comply with all federal, state and local laws and ordinances, including but not limited to the City's storm water regulations, as may be applicable to the performance of services under this Agreement. Failure to comply with local ordinances may result in monetary fines and cancellation of this Agreement. Refer to www.roseville.ca.us/stormwater for links to more information on the City's storm water regulations.

12. In the event that the terms of any attachment or exhibit conflict with any terms of this Service Agreement, the terms of this Service Agreement shall control.
13. This Agreement may be executed in one or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument. In the event that any signature is delivered by facsimile transmission or by e-mail delivery of a ".pdf" format data file, such signature shall create a valid and binding obligation of the party executing (or on whose behalf such signature is executed) with the same force and effect as if such facsimile or ".pdf" signature page were an original thereof.
14. If either party commences any legal action against the other party arising out of this Agreement or the performance thereof, the prevailing party in such action shall be entitled to recover its reasonable litigation expenses, including but not limited to, court costs, expert witness fees, discovery expenses, and attorneys' fees. Any action arising out of this Agreement shall be brought in Placer County, California, regardless of where else venue may lie. This Agreement shall be governed by and construed in accordance with the laws of the State of California.
15. This Agreement shall be binding upon the heirs, successors, executors, administrators and assigns of the respective parties hereto.
16. If any of the provisions contained in this Agreement are for any reason held invalid or unenforceable, such holding shall not affect the remaining provisions or the validity and enforceability of the Agreement as a whole.
17. If the project referenced on this service agreement is a Public Works project, then the following paragraph 17 shall apply. No contractor or subcontractor may work on a public works project unless registered with the Department of Industrial Relations pursuant to Labor Code section 1725.5. During the performance of this agreement, Contractor and its subcontractors shall have a continuing legal obligation to maintain current registration with the Department of Industrial Relations. Contractor is hereby notified that this project is subject to compliance monitoring and enforcement by the Department of Industrial Relations.

<i>City reserves the right to withhold any payments to Contractor in the event of noncompliance with insurance requirements or if required by law.</i>

Insurance Submission Process

The City of Roseville Human Resources/Risk Management Department uses a service called EBIX to manage our insurance certificate tracking.

How It Works

- The vendor's contact information is entered into EBIX. EBIX will contact the vendor to request proof of insurance.
- The Vendor can forward the request to their Insurance Agent(s) if necessary.
- Vendor/Insurance Agent submits insurance to EBIX by email to roseville@ebix.com or by fax to (770) 325-5727. After faxing or emailing the certificate, please **DO NOT** send the certificate by mail to EBIX. Please do not mail, email or fax any certificates to the City of Roseville.
- Once submitted, EBIX reviews the insurance documentation. If there are deficiencies, EBIX will send a follow up letter or email requesting additional information.

**Re: Notice of Intent to Award Contract in Response to Bay Area Chemical Consortium (BACC)
Bid No. 03-2016 for Supply and Delivery of Aqueous Ammonia**

Dear Mr. Rodgers,

After completing our review of the bids that were received in response to the Bay Area Chemical Consortium (BACC) solicitation for aqueous ammonia, Bid No. 03-2016, we are pleased to advise you that the bid submitted by Argo Chemical Inc. has been found to be complete and in compliance with all of the specifications described in the bid documents. Enclosed is a copy of the final bid tabulation results. Furthermore, the bid submitted by Argo Chemical Inc. was determined to be the lowest overall responsive bid for the supply and delivery of aqueous ammonia during the period July 1, 2016 through June 30, 2017. Therefore, our review of the bids is complete, and the participating BACC Agencies should be contacting you shortly to discuss entering into contracts with Argo Chemical Inc. for their respective facilities.

Bay Area Chemical Consortium sincerely appreciates your efforts and participation in the competitive bid process.

If you have any questions, please feel free to contact me at (925) 875-2398.

Sincerely,

Louanne Ivy

COUNCIL COMMUNICATION

CC #: 7754

File #: 0704

Title: Securing Facilities Service - Service Agreement
Contact: Patrick Daly 916-774-5764 pdaly@roseville.ca.us

Meeting Date: 6/15/2016

Item #: 7.14.

RECOMMENDATION TO COUNCIL

Recommend Council adopt a resolution authorizing the City Manager to execute a Service Agreement between the City of Roseville and Lyons Security Service Inc., for the purpose of locking facility restrooms and performing basic inspections throughout the City's park system.

BACKGROUND

The Parks Division currently oversees over 70 facilities, 23 of which contain restrooms/gates that need to be secured on a nightly basis. Locking the facilities enhances safety and aesthetic value to residents by preventing graffiti and vandalism thereby reducing repair costs.

In March 2016, a Request for Proposal (RFP) was issued for securing facilities services. Two companies submitted proposals which were evaluated by staff from the Parks Division and the Central Services Department. Lyons Security Service Inc. was selected based on experience, understanding of the project and a demonstrated ability to handle a project of this scope.

A proposed contingency of \$7,654.00 is included for facilities that are expected to open during the contract period.

FISCAL IMPACT

The total cost of this annual contract is \$32,346.00, with a proposed contingency of \$7,654.00. Total contract is not to exceed \$40,000.00 This contract would allow for the option of up to four, one (1) year extensions. The funding is included in the FY2016/17 Parks, Recreation & Libraries Budget. The funding sources are a combination of General Fund - \$28,127.00 and Community Facility Districts - \$4,219.00.

ECONOMIC DEVELOPMENT / JOBS CREATED

This agreement has the potential to create additional contractor jobs in the region to perform the

duties stated.

ENVIRONMENTAL REVIEW

The Securing Facilities Service Agreement is not considered a "project" as defined by the California Environmental Quality Act (CEQA) (CEQA Guidelines § 15378). Consequently no CEQA action is required.

Respectfully Submitted,

Patrick Daly, Park Operations Supervisor

Dion Louthan, Director Parks, Recreation, and Libraries

Rob Jensen, City Manager

1. To the fullest extent allowed by law, Contractor shall defend, indemnify, and save and hold harmless City, its officers, agents, employees and volunteers from any claims, suits or actions of every name, kind and description brought forth, or on account of, injuries to or death of any person (including but not limited to workers and the public), or damage to property, resulting from or arising out of Contractor's willful misconduct or negligent act or omission while engaged in the performance of obligations or exercise of rights created by this Agreement, except those matters arising from City's sole negligence or willful misconduct. The parties intend that this provision shall be broadly construed. Contractor's responsibility for such defense and indemnity obligations shall survive the termination or completion of this Agreement for the full period of time allowed by law. The defense and indemnity obligations of this Agreement are undertaken in addition to, and shall not in any way be limited by, the insurance obligations contained in this Agreement.
2. Contractor is an independent contractor, and shall not be considered an officer, agent or employee of the City.
3. Without the written consent of the City, this Agreement is not assignable by Contractor either in whole or in part.
4. Time is of the essence of this Agreement.
5. At any time during the term of this Agreement, the City has the right to terminate this Agreement provided Contractor is given a thirty (30) day notice.
6. This Agreement may only be amended or modified in writing. It is integrated and contains the complete understanding of the parties.
7. All equipment, supplies and services sold to the City of Roseville shall conform to the general safety orders of the State of California.
8. Unless notified to the contrary, in writing, the City assumes that the Contractor has accepted the work in accordance with the plans and specifications (if any) and agrees to do the work in compliance with this Agreement.
9. All fair employment practices must be adhered to. In addition, if the project referenced on this service agreement is a Public Works project, all prevailing wage laws must be complied with. For prevailing wage contracts over \$25,000, copies of certified payroll must be submitted with invoices. Prevailing wage rates may be obtained from the State Department of Industrial Relations and/or the following website address: <http://www.dir.ca.gov/dlsr/DPreWageDetermination.htm>.
- 10a. Unless otherwise specified, the Contractor shall maintain the policies of insurance outlined in Attachment A, incorporated herein by this reference, in full force and effect during the term of this Agreement. The City of Roseville retains sole discretion in determining the types and proper levels of insurance coverage.
- 10b. Form. Contractor shall submit a certificate evidencing such coverage for the period covered by this Agreement in a form satisfactory to Risk Management and the City Attorney, prior to undertaking any work hereunder. Any insurance written on a claims made basis is subject to the approval of Risk Management and the City Attorney.
- 10c. Additional Insureds. Contractor shall also provide a separate endorsement or section of the policy showing City, its officers, agents, employees, and volunteers as additional insureds for each type of coverage, except for Workers' Compensation. Such insurance shall specifically cover the contractual liability of Contractor. The additional insured coverage under the Contractor's policy shall be primary and noncontributory, as evidenced by a separate endorsement or section of the policy, and shall not seek contribution from City's insurance or self-insurance. In addition, the additional insured coverage shall be at least as broad as the Insurance Services Office ("ISO") CG 20 01 Endorsement. Any available insurance proceeds in excess of the specified minimum insurance coverage requirements and limits shall be available to the additional insureds. Furthermore, the requirements for coverage and limits shall be: (1) the minimum coverage and limits specified in this Agreement; or (2) the full coverage and maximum limits of any insurance proceeds available to the named insureds, whichever is greater.
- 10d. Cancellation/Modification. Contractor shall provide ten (10) days written notice to City prior to cancellation or modification of any insurance required by this Agreement.
- 10e. Umbrella/Excess Insurance. The limits of insurance required in this Agreement may be satisfied by a combination of primary and excess insurance. Any excess insurance shall contain or be endorsed to contain a provision that such coverage shall also apply on a primary and noncontributory basis for the benefit of City (if agreed to in a written contract) before City's own insurance shall be called upon to protect it as a named insured.
- 10f. Subcontractors. Contractor agrees to include in its contracts with all subcontractors the same requirements and provisions of this Agreement, including the indemnity and insurance requirements, to the extent they apply to the scope of the subcontractor's work. Furthermore, Contractor shall require its subcontractors to agree to be bound to Contractor and City in the same manner and to the same extent as Contractor is bound to City under this Agreement. Additionally, Contractor shall obligate its subcontractors to comply with these same provisions with respect to any tertiary subcontractor, regardless of tier. A copy of City's indemnity and insurance provisions will be furnished to the subcontractor or tertiary subcontractor upon request.
- 10g. Self-Insured Retentions. All self-insured retentions ("SIR") must be disclosed to Risk Management for approval and shall not reduce the limits of liability. Policies containing any SIR provision shall provide or be endorsed to provide that the SIR may be satisfied by either the named insured or City. City reserves the right to obtain a full certified copy of any insurance policy and endorsements. The failure to exercise this right shall not constitute a waiver of such right.
- 10h. Waiver of Subrogation. Contractor hereby agrees to waive subrogation which any insurer of Contractor may acquire from Contractor by virtue of the payment of any loss under a Workers Compensation, Commercial General Liability or Automobile Liability policy. All Workers Compensation, Commercial General Liability and Automobile Liability policies shall be endorsed with a waiver of subrogation in favor of City, its officers, agents, employees and volunteers for all work performed by Contractor, its employees, agents and subcontractors.
- 10i. Liability/Remedies. Insurance coverage in the minimum amounts set forth herein shall not be construed to relieve Contractor of liability in excess of such coverage, nor shall it preclude City from taking such other actions as are available to it under any other provisions of this Agreement or law.
11. Contractor shall comply with all federal, state and local laws and ordinances, including but not limited to the City's storm water regulations, as may be applicable to the performance of services under this Agreement. Failure to comply with local ordinances

may result in monetary fines and cancellation of this Agreement. Refer to www.roseville.ca.us/stormwater for links to more information on the City's storm water regulations.

12. In the event that the terms of any attachment or exhibit conflict with any terms of this Service Agreement, the terms of this Service Agreement shall control.
13. This Agreement may be executed in one or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument. In the event that any signature is delivered by facsimile transmission or by e-mail delivery of a ".pdf" format data file, such signature shall create a valid and binding obligation of the party executing (or on whose behalf such signature is executed) with the same force and effect as if such facsimile or ".pdf" signature page were an original thereof.
14. If either party commences any legal action against the other party arising out of this Agreement or the performance thereof, the prevailing party in such action shall be entitled to recover its reasonable litigation expenses, including but not limited to, court costs, expert witness fees, discovery expenses, and attorneys' fees. Any action arising out of this Agreement shall be brought in Placer County, California, regardless of where else venue may lie. This Agreement shall be governed by and construed in accordance with the laws of the State of California.
15. This Agreement shall be binding upon the heirs, successors, executors, administrators and assigns of the respective parties hereto.
16. If any of the provisions contained in this Agreement are for any reason held invalid or unenforceable, such holding shall not affect the remaining provisions or the validity and enforceability of the Agreement as a whole.
17. If the project referenced on this service agreement is a Public Works project, then the following shall apply. No contractor or subcontractor may work on a public works project unless registered with the Department of Industrial Relations pursuant to Labor Code section 1725.5. During the performance of this agreement, Contractor and its subcontractors shall have a continuing legal obligation to maintain current registration with the Department of Industrial Relations. Contractor is hereby notified that this project is subject to compliance monitoring and enforcement by the Department of Industrial Relations.

City reserves the right to withhold any payments to Contractor in the event of noncompliance with insurance requirements or if required by law.

COUNCIL COMMUNICATION

CC #: 7756

File #: 0704

Title: Sports Officiating Services - Service Agreement Renewal
Contact: Christopher Pelzman 916-774-5977 cpelzman@roseville.ca.us

Meeting Date: 6/15/2016

Item #: 7.15.

RECOMMENDATION TO COUNCIL

Recommend Council adopts a resolution authorizing the City Manager to execute the Service Agreements for Hawkins Officiating Service (HOS) in the amount of \$45,000.00 (volleyball & flag football) and \$40,000.00 (basketball) for Adult Sports Officiating Services.

BACKGROUND

In August 2014, the City Council approved a two year service agreement with Hawkins Officiating Service (HOS) to provide basketball, volleyball and flag football officiating services for the Parks, Recreation & Libraries Department's - Adult Sports Division. At the end of FY2015/16, the City has the option to enter into three (3) one year extensions, before being formally required to issue another multi-year RFP.

Hawkins Officiating Service has proven to be a good partner for the City of Roseville for many years, as is evident from both internal and external evaluation of their services. HOS understands the City of Roseville's expectation of providing exceptional service to our customers and has proven this during the past two years of the current agreements. The respective Service Agreement terms run through until June 30, 2017.

FISCAL IMPACT

The funds for these Service Agreements have been allocated through the Parks, Recreation & Libraries operating budget and are paid from fees collected from participating teams and players resulting in net zero impact to the General Fund.

ECONOMIC DEVELOPMENT / JOBS CREATED

The adult basketball, volleyball and flag football programs create independent contractor opportunities for officials within the region.

ENVIRONMENTAL REVIEW

The California Environmental Quality Act (CEQA) does not apply to activities that will not result in a direct or reasonably foreseeable indirect physical change in the environment (CEQA Guidelines 15061(b)(3)). The Hawkins Officiating Services Service Agreements does not include the potential for a significant environmental effect, and therefore is not subject to CEQA.

Respectfully Submitted,

Christopher Pelzman, Recreation Coordinator II

Dion Louthan, Parks, Recreation & Libraries Director

Rob Jensen, City Manager
CITY OF ROSEVILLE, A MUNICIPAL CORPORATION

1. To the fullest extent allowed by law, Contractor shall defend, indemnify, and save and hold harmless City, its officers, agents, employees and volunteers from any claims, suits or actions of every name, kind and description brought forth, or on account of, injuries to or death of any person (including but not limited to workers and the public), or damage to property, resulting from or arising out of Contractor's willful misconduct or negligent act or omission while engaged in the performance of obligations or exercise of rights created by this Agreement, except those matters arising from City's sole negligence or willful misconduct. The parties intend that this provision shall be broadly construed. Contractor's responsibility for such defense and indemnity obligations shall survive the termination or completion of this Agreement for the full period of time allowed by law. The defense and indemnity obligations of this Agreement are undertaken in addition to, and shall not in any way be limited by, the insurance obligations contained in this Agreement.
2. Contractor is an independent contractor, and shall not be considered an officer, agent or employee of the City.
3. Without the written consent of the City, this Agreement is not assignable by Contractor either in whole or in part.
4. Time is of the essence of this Agreement.
5. At any time during the term of this Agreement, the City has the right to terminate this Agreement provided Contractor is given a thirty (30) day notice.
6. This Agreement may only be amended or modified in writing. It is integrated and contains the complete understanding of the parties.
7. All equipment, supplies and services sold to the City of Roseville shall conform to the general safety orders of the State of California.
8. Unless notified to the contrary, in writing, the City assumes that the Contractor has accepted the work in accordance with the plans and specifications (if any) and agrees to do the work in compliance with this Agreement.
9. All fair employment practices must be adhered to. In addition, if the project referenced on this service agreement is a Public Works project, all prevailing wage laws must be complied with. For prevailing wage contracts over \$25,000, copies of certified payroll must be submitted with invoices. Prevailing wage rates may be obtained from the State Department of Industrial Relations and/or the following website address: <http://www.dir.ca.gov/dlsr/DPreWageDetermination.htm>.
- 10a. Unless otherwise specified, the Contractor shall maintain the policies of insurance outlined in Attachment A, incorporated herein by this reference, in full force and effect during the term of this Agreement. The City of Roseville retains sole discretion in determining the types and proper levels of insurance coverage.
- 10b. Form. Contractor shall submit a certificate evidencing such coverage for the period covered by this Agreement in a form satisfactory to Risk Management and the City Attorney, prior to undertaking any work hereunder. Any insurance written on a claims made basis is subject to the approval of Risk Management and the City Attorney.
- 10c. Additional Insureds. Contractor shall also provide a separate endorsement or section of the policy showing City, its officers, agents, employees, and volunteers as additional insureds for each type of coverage, except for Workers' Compensation. Such insurance shall specifically cover the contractual liability of Contractor. The additional insured coverage under the Contractor's policy shall be primary and noncontributory, as evidenced by a separate endorsement or section of the policy, and shall not seek contribution from City's insurance or self-insurance. In addition, the additional insured coverage shall be at least as broad as the Insurance Services Office ("ISO") CG 20 01 Endorsement. Any available insurance proceeds in excess of the specified minimum insurance coverage requirements and limits shall be available to the additional insureds. Furthermore, the requirements for coverage and limits shall be: (1) the minimum coverage and limits specified in this Agreement; or (2) the full coverage and maximum limits of any insurance proceeds available to the named insureds, whichever is greater.
- 10d. Cancellation/Modification. Contractor shall provide ten (10) days written notice to City prior to cancellation or modification of any insurance required by this Agreement.
- 10e. Umbrella/Excess Insurance. The limits of insurance required in this Agreement may be satisfied by a combination of primary and excess insurance. Any excess insurance shall contain or be endorsed to contain a provision that such coverage shall also apply on a primary and noncontributory basis for the benefit of City (if agreed to in a written contract) before City's own insurance shall be called upon to protect it as a named insured.
- 10f. Subcontractors. Contractor agrees to include in its contracts with all subcontractors the same requirements and provisions of this Agreement, including the indemnity and insurance requirements, to the extent they apply to the scope of the subcontractor's work. Furthermore, Contractor shall require its subcontractors to agree to be bound to Contractor and City in the same manner and to the same extent as Contractor is bound to City under this Agreement. Additionally, Contractor shall obligate its subcontractors to comply with these same provisions with respect to any tertiary subcontractor, regardless of tier. A copy of City's indemnity and insurance provisions will be furnished to the subcontractor or tertiary subcontractor upon request.
- 10g. Self-Insured Retentions. All self-insured retentions ("SIR") must be disclosed to Risk Management for approval and shall not reduce the limits of liability. Policies containing any SIR provision shall provide or be endorsed to provide that the SIR may be satisfied by either the named insured or City. City reserves the right to obtain a full certified copy of any insurance policy and endorsements. The failure to exercise this right shall not constitute a waiver of such right.
- 10h. Waiver of Subrogation. Contractor hereby agrees to waive subrogation which any insurer of Contractor may acquire from Contractor by virtue of the payment of any loss under a Workers Compensation, Commercial General Liability or Automobile Liability policy. All Workers Compensation, Commercial General Liability and Automobile Liability policies shall be endorsed with a waiver of subrogation in favor of City, its officers, agents, employees and volunteers for all work performed by Contractor, its employees, agents and subcontractors.
- 10i. Liability/Remedies. Insurance coverage in the minimum amounts set forth herein shall not be construed to relieve Contractor of liability in excess of such coverage, nor shall it preclude City from taking such other actions as are available to it under any other provisions of this Agreement or law.
11. Contractor shall comply with all federal, state and local laws and ordinances, including but not limited to the City's storm water regulations, as may be applicable to the performance of services under this Agreement. Failure to comply with local ordinances

may result in monetary fines and cancellation of this Agreement. Refer to www.roseville.ca.us/stormwater for links to more information on the City's storm water regulations.

12. In the event that the terms of any attachment or exhibit conflict with any terms of this Service Agreement, the terms of this Service Agreement shall control.
13. This Agreement may be executed in one or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument. In the event that any signature is delivered by facsimile transmission or by e-mail delivery of a ".pdf" format data file, such signature shall create a valid and binding obligation of the party executing (or on whose behalf such signature is executed) with the same force and effect as if such facsimile or ".pdf" signature page were an original thereof.
14. If either party commences any legal action against the other party arising out of this Agreement or the performance thereof, the prevailing party in such action shall be entitled to recover its reasonable litigation expenses, including but not limited to, court costs, expert witness fees, discovery expenses, and attorneys' fees. Any action arising out of this Agreement shall be brought in Placer County, California, regardless of where else venue may lie. This Agreement shall be governed by and construed in accordance with the laws of the State of California.
15. This Agreement shall be binding upon the heirs, successors, executors, administrators and assigns of the respective parties hereto.
16. If any of the provisions contained in this Agreement are for any reason held invalid or unenforceable, such holding shall not affect the remaining provisions or the validity and enforceability of the Agreement as a whole.
17. If the project referenced on this service agreement is a Public Works project, then the following shall apply. No contractor or subcontractor may work on a public works project unless registered with the Department of Industrial Relations pursuant to Labor Code section 1725.5. During the performance of this agreement, Contractor and its subcontractors shall have a continuing legal obligation to maintain current registration with the Department of Industrial Relations. Contractor is hereby notified that this project is subject to compliance monitoring and enforcement by the Department of Industrial Relations.

City reserves the right to withhold any payments to Contractor in the event of noncompliance with insurance requirements or if required by law.

ATTACHMENT A

HUMAN RESOURCES/RISK MANAGEMENT DIVISION INSURANCE REQUIREMENTS – SERVICE AGREEMENT GENERAL

Required Coverage:

- General Liability: \$1,000,000 per occurrence
\$2,000,000 aggregate

Rob Jensen, City Manager
CITY OF ROSEVILLE, A MUNICIPAL CORPORATION

1. To the fullest extent allowed by law, Contractor shall defend, indemnify, and save and hold harmless City, its officers, agents, employees and volunteers from any claims, suits or actions of every name, kind and description brought forth, or on account of, injuries to or death of any person (including but not limited to workers and the public), or damage to property, resulting from or arising out of Contractor's willful misconduct or negligent act or omission while engaged in the performance of obligations or exercise of rights created by this Agreement, except those matters arising from City's sole negligence or willful misconduct. The parties intend that this provision shall be broadly construed. Contractor's responsibility for such defense and indemnity obligations shall survive the termination or completion of this Agreement for the full period of time allowed by law. The defense and indemnity obligations of this Agreement are undertaken in addition to, and shall not in any way be limited by, the insurance obligations contained in this Agreement.
2. Contractor is an independent contractor, and shall not be considered an officer, agent or employee of the City.
3. Without the written consent of the City, this Agreement is not assignable by Contractor either in whole or in part.
4. Time is of the essence of this Agreement.
5. At any time during the term of this Agreement, the City has the right to terminate this Agreement provided Contractor is given a thirty (30) day notice.
6. This Agreement may only be amended or modified in writing. It is integrated and contains the complete understanding of the parties.
7. All equipment, supplies and services sold to the City of Roseville shall conform to the general safety orders of the State of California.
8. Unless notified to the contrary, in writing, the City assumes that the Contractor has accepted the work in accordance with the plans and specifications (if any) and agrees to do the work in compliance with this Agreement.
9. All fair employment practices must be adhered to. In addition, if the project referenced on this service agreement is a Public Works project, all prevailing wage laws must be complied with. For prevailing wage contracts over \$25,000, copies of certified payroll must be submitted with invoices. Prevailing wage rates may be obtained from the State Department of Industrial Relations and/or the following website address: <http://www.dir.ca.gov/dlsr/DPreWageDetermination.htm>.
- 10a. Unless otherwise specified, the Contractor shall maintain the policies of insurance outlined in Attachment A, incorporated herein by this reference, in full force and effect during the term of this Agreement. The City of Roseville retains sole discretion in determining the types and proper levels of insurance coverage.
- 10b. Form. Contractor shall submit a certificate evidencing such coverage for the period covered by this Agreement in a form satisfactory to Risk Management and the City Attorney, prior to undertaking any work hereunder. Any insurance written on a claims made basis is subject to the approval of Risk Management and the City Attorney.
- 10c. Additional Insureds. Contractor shall also provide a separate endorsement or section of the policy showing City, its officers, agents, employees, and volunteers as additional insureds for each type of coverage, except for Workers' Compensation. Such insurance shall specifically cover the contractual liability of Contractor. The additional insured coverage under the Contractor's policy shall be primary and noncontributory, as evidenced by a separate endorsement or section of the policy, and shall not seek contribution from City's insurance or self-insurance. In addition, the additional insured coverage shall be at least as broad as the Insurance Services Office ("ISO") CG 20 01 Endorsement. Any available insurance proceeds in excess of the specified minimum insurance coverage requirements and limits shall be available to the additional insureds. Furthermore, the requirements for coverage and limits shall be: (1) the minimum coverage and limits specified in this Agreement; or (2) the full coverage and maximum limits of any insurance proceeds available to the named insureds, whichever is greater.
- 10d. Cancellation/Modification. Contractor shall provide ten (10) days written notice to City prior to cancellation or modification of any insurance required by this Agreement.
- 10e. Umbrella/Excess Insurance. The limits of insurance required in this Agreement may be satisfied by a combination of primary and excess insurance. Any excess insurance shall contain or be endorsed to contain a provision that such coverage shall also apply on a primary and noncontributory basis for the benefit of City (if agreed to in a written contract) before City's own insurance shall be called upon to protect it as a named insured.
- 10f. Subcontractors. Contractor agrees to include in its contracts with all subcontractors the same requirements and provisions of this Agreement, including the indemnity and insurance requirements, to the extent they apply to the scope of the subcontractor's work. Furthermore, Contractor shall require its subcontractors to agree to be bound to Contractor and City in the same manner and to the same extent as Contractor is bound to City under this Agreement. Additionally, Contractor shall obligate its subcontractors to comply with these same provisions with respect to any tertiary subcontractor, regardless of tier. A copy of City's indemnity and insurance provisions will be furnished to the subcontractor or tertiary subcontractor upon request.
- 10g. Self-Insured Retentions. All self-insured retentions ("SIR") must be disclosed to Risk Management for approval and shall not reduce the limits of liability. Policies containing any SIR provision shall provide or be endorsed to provide that the SIR may be satisfied by either the named insured or City. City reserves the right to obtain a full certified copy of any insurance policy and endorsements. The failure to exercise this right shall not constitute a waiver of such right.
- 10h. Waiver of Subrogation. Contractor hereby agrees to waive subrogation which any insurer of Contractor may acquire from Contractor by virtue of the payment of any loss under a Workers Compensation, Commercial General Liability or Automobile Liability policy. All Workers Compensation, Commercial General Liability and Automobile Liability policies shall be endorsed with a waiver of subrogation in favor of City, its officers, agents, employees and volunteers for all work performed by Contractor, its employees, agents and subcontractors.
- 10i. Liability/Remedies. Insurance coverage in the minimum amounts set forth herein shall not be construed to relieve Contractor of liability in excess of such coverage, nor shall it preclude City from taking such other actions as are available to it under any other provisions of this Agreement or law.
11. Contractor shall comply with all federal, state and local laws and ordinances, including but not limited to the City's storm water regulations, as may be applicable to the performance of services under this Agreement. Failure to comply with local ordinances

may result in monetary fines and cancellation of this Agreement. Refer to www.roseville.ca.us/stormwater for links to more information on the City's storm water regulations.

12. In the event that the terms of any attachment or exhibit conflict with any terms of this Service Agreement, the terms of this Service Agreement shall control.
13. This Agreement may be executed in one or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument. In the event that any signature is delivered by facsimile transmission or by e-mail delivery of a ".pdf" format data file, such signature shall create a valid and binding obligation of the party executing (or on whose behalf such signature is executed) with the same force and effect as if such facsimile or ".pdf" signature page were an original thereof.
14. If either party commences any legal action against the other party arising out of this Agreement or the performance thereof, the prevailing party in such action shall be entitled to recover its reasonable litigation expenses, including but not limited to, court costs, expert witness fees, discovery expenses, and attorneys' fees. Any action arising out of this Agreement shall be brought in Placer County, California, regardless of where else venue may lie. This Agreement shall be governed by and construed in accordance with the laws of the State of California.
15. This Agreement shall be binding upon the heirs, successors, executors, administrators and assigns of the respective parties hereto.
16. If any of the provisions contained in this Agreement are for any reason held invalid or unenforceable, such holding shall not affect the remaining provisions or the validity and enforceability of the Agreement as a whole.
17. If the project referenced on this service agreement is a Public Works project, then the following shall apply. No contractor or subcontractor may work on a public works project unless registered with the Department of Industrial Relations pursuant to Labor Code section 1725.5. During the performance of this agreement, Contractor and its subcontractors shall have a continuing legal obligation to maintain current registration with the Department of Industrial Relations. Contractor is hereby notified that this project is subject to compliance monitoring and enforcement by the Department of Industrial Relations.

City reserves the right to withhold any payments to Contractor in the event of noncompliance with insurance requirements or if required by law.

COUNCIL COMMUNICATION

CC #: 7764
File #: 0203-04

Title: General Construction and Repair – Service Agreement Amendment
Contact: Rjahja Canlas 916-774-5505 rcanlas@roseville.ca.us

Meeting Date: 6/15/2016
Item #: 7.16.

RECOMMENDATION TO COUNCIL

Recommend Council adopt a resolution authorizing the City Manager to execute a Service Agreement amendment of an additional \$200,000.00 for miscellaneous construction and repair services with Bullard Construction.

BACKGROUND

At the January 20, 2016 City Council meeting, a service agreement renewal for miscellaneous construction and repair services with Bullard Construction was approved as part of a Central Services Department contract. Slated in the Central Services contract is the Roseville Sports Center restroom remodel and the Fire Training Center deck replacement. Since the prior approval, the Park Development Division has identified two additional projects that require repair. Staff is requesting authorization to amend the existing contract from \$180,000.00 to \$380,000.00. The increase will cover construction and repair services required for the Children's Art Center stage renovation and the replacement of siding at the Buljan Teen Scene.

FISCAL IMPACT

Funding for the Children's Art Center stage renovation and Buljan Teen Scene siding replacement is earmarked in the FY2015/16 Parks, Recreation & Libraries budget using General CIP Rehabilitation Funds. Funding for the Roseville Sports Center restroom remodel and Fire Training Center deck replacement is housed in the FY 2015/16 Central Services budget using General CIP Rehabilitation Funds.

ECONOMIC DEVELOPMENT / JOBS CREATED

Based on Federal guidelines, there is one job created for every \$92,000.00 in direct government spending. Based on that guideline, the service agreement amendment could create two new jobs.

ENVIRONMENTAL REVIEW

The California Environmental Quality Act (CEQA) does not apply to activities that will not result in a direct or reasonably foreseeable indirect physical change in the environment (CEQA Guidelines §15061(b) (3)). The approval of the service agreement amendment does not include the potential for a significant environmental effect, and therefore is not subject to CEQA.

Respectfully Submitted,

Rjahja Canlas, Park Development Analyst

Dion Louthan, Parks, Recreation & Libraries Director

Rob Jensen, City Manager

- ☒ The Total Cost of Service payable under this Agreement is modified from **\$180,000.00** to **\$380,000.00**. The purpose of this modification is to incorporate the following: **The total cost of service is increased to allow for continued miscellaneous construction work and repair services for City facilities on an as needed basis for the remainder of the contract period through 11/6/16. All work is performed in accordance with the terms, conditions, specifications, and attachments of the City's RFP for general construction services. The attached updated "Rate Schedule Attachment E" shall also be incorporated by reference into this amendment.**

All other provisions of the Agreement shall remain unchanged and in full force and effect.

Title: Demolition Services (RFQ 01-3076) - Service Agreement
Contact: Peter Brevik 916-774-5724 pbrevik@roseville.ca.us

Meeting Date: 6/15/2016
Item #: 7.17.

RECOMMENDATION TO COUNCIL

Recommend Council authorize award of a service agreement to J Bender Company as the lowest responsive bidder to RFQ 01-3076 5650 Fiddymment Road Demolition. The total cost of demolition services is \$33,400.00. In addition, adopt a resolution authorizing the City Manager to sign the attached service agreement.

BACKGROUND

Parcel F-54, which includes the property located at 5650 Fiddymment Road, was deeded to the City in September of 2015 as part of a City-wide Park Dedication in the West Roseville Specific Plan. The property consists largely of open space, but also contains existing improvements including a residential home, swimming pool, livestock outbuilding, septic system, and a workshop outbuilding. The vacated property became an attractive nuisance as soon as the previous tenants had vacated the property. The property will eventually be used as part of the Open Space trail system, with other recreational features to be determined during the upcoming Master Planning phase, which will include public workshops. In the meantime, it has been determined that the residential structure and the other features, with the exception of the workshop building, provide little value to future use and are best demolished to remove the attractive nuisance. This is not the historic home identified in the specific plan to be later renovated and operated by the City. A formal bid was issued with the following three (3) responses:

<u>Bidders</u>	<u>Total Price</u>
CVE Demolition, Inc. Vernalis, CA	\$49,700.00
J Bender Company Roseville, CA	\$33,400.00
Sacramento Design Build, Inc. Rocklin, CA	\$45,992.00

FISCAL IMPACT

The cost of the demolition services is \$33,400.00. Funding is included in the Park Development Facility Construction budget for FY2015/16.

ECONOMIC DEVELOPMENT / JOBS CREATED

Not applicable.

ENVIRONMENTAL REVIEW

The house to be demolished is less than 50 years old and was considered in the West Roseville Specific Plan (WRSP) EIR (SCH# 2002082057) and determined not to be a significant historic resource because it did not meet the California Register or National Register of Historic Places criteria for significance. The California Environmental Quality Act (CEQA) does not apply to activities that will not result in a direct or reasonably foreseeable indirect physical change in the environment (CEQA Guidelines §15061(b)(3)). Approval of the Fiddymont Road Demolition does not include the potential for a significant environmental effect, and therefore is not subject to CEQA.

Respectfully Submitted,

Peter Brevik, Buyer II

Paul Diefenbach, Central Services Director

Rob Jensen, City Manager

Title: Blue Oaks Commerce Center Phase 1 - Certificate of Completion

Contact: Orville Chatterton 916-774-5347 ochatterton@roseville.ca.us

Meeting Date: 6/15/2016

Item #: 7.18.

RECOMMENDATION TO COUNCIL

Staff recommends that the City Council take the following action:

1. Adopt the attached resolution accepting Blue Oaks Commerce Center (Phase 1), CWJ#120117, as complete.
2. Authorize the City Engineer to execute the Certificate of Completion.

BACKGROUND

The Engineering Division has made a final inspection of the above project and has found the roadway infrastructure work complete in accordance with the improvement plans and City Specifications.

FISCAL IMPACT

The actions requested as part of this action have no impact to the City's General Fund. Construction costs were paid by the developer.

ECONOMIC DEVELOPMENT / JOBS CREATED

Accepting the project as complete will not directly create jobs but rather maintain current employee levels of the developer until such a time the project is fully built out.

ENVIRONMENTAL REVIEW

The Council action of accepting Blue Oaks Commerce Center (Phase 1) as complete will not result in a direct or reasonably foreseeable indirect physical change in the environment (CEQA Guideline 15060(c)(2)). Adoption of this project does not include the potential for a significant environmental effect and therefore is not subject to CEQA.

Respectfully Submitted,

Orville Chatterton, Construction Inspector II

COUNCIL COMMUNICATION

CC #: 7747
File #: 0800-06

Title: Blue Oaks Commerce Center - Relinquishment Agreement
Contact: Marc Stout 916-774-5339 mstout@roseville.ca.us

Meeting Date: 6/15/2016
Item #: 7.19.

RECOMMENDATION TO COUNCIL

Staff recommends City Council adopt a resolution authorizing the City Manager to execute the Relinquishment Agreement with Caltrans to allow for proposed roadway improvements to be constructed within Blue Oaks Blvd.

BACKGROUND

In 2010, the Planning Commission approved a Major Project Permit (MPP) for the Blue Oaks Commerce Center. Included in the approved site plan for the project is a new public roadway, identified as Road B (Fidelity Way), which connects to Blue Oaks Blvd. Fidelity Way requires access through Caltrans right of way to make the connection to Blue Oaks Blvd.

Prior to the MPP approval in 2010, staff met with Caltrans' engineers to discuss the best location for a new roadway connection along the project's Blue Oaks Blvd. frontage. As a result of these meetings it was determined by both City staff and Caltrans that the best location for Fidelity Way was the location approved in the MPP. Also determined at these meetings was that the project would have to go through a Caltrans formal approval process, which includes a combined Project Study Report/Project Report (PSR/PR) to approve either a break in Caltrans right of way or a relinquishment of Caltrans right of way back to the City of Roseville.

In February of 2015, the landowner, Harsch Investment Properties, submitted the formal PSR/PR request to Caltrans to approve the relinquishment of Caltrans right of way. Caltrans subsequently notified the City and Harsch Investment Properties that they can only partner with local jurisdictions on these type of applications. As such, the City was required to enter into a Cooperative Agreement with Caltrans and act as the "lead" for the proposed roadway improvements within Caltrans right of way and the relinquishment of right of way to the City. Harsch Investment Properties will continue to support the City and reimburse all costs associated with this effort.

At the meeting of September 2, 2015, the City Council adopted a resolution authorizing the City Manager to execute a Cooperative Agreement with Caltrans for State Independent Quality Assurance. In this Cooperative Agreement right of way was to be granted to the City at the location where access was required for the Fidelity Way roadway connection into Blue Oaks

Blvd. Caltrans is now requesting a Relinquishment Agreement be entered into to allow for the right of way dedication to be made to the City.

FISCAL IMPACT

Approval of the Relinquishment Agreement with Caltrans will not result in a fiscal impact to the City. The private developer, Harsch Investment Properties, is responsible for all costs incurred by the City from the original Cooperative Agreement entered into September 2015. Caltrans has estimated all work in conjunction with this cooperative agreement to be less than \$15,000.00. Harsch Investment Properties has deposited \$20,000.00 with the City to cover these costs. All costs associated with construction are also the responsibility of Harsch Investment Properties. Bonds and insurance will be collected from Harsch Investment Properties prior to construction beginning to protect the City from any financial liability. The portion of Blue Oaks Blvd being relinquished to the City is already maintained by the City through existing maintenance agreements with Caltrans.

ECONOMIC DEVELOPMENT / JOBS CREATED

This action does not correlate into a quantifiable economic benefit.

ENVIRONMENTAL REVIEW

Approval of the Relinquishment Agreement is not considered a "project" as defined by the California Environmental Quality Act (CEQA) (CEQA Guidelines 15378). No CEQA action is required.

Respectfully Submitted,

Marc Stout, City Engineer

Kevin Payne, Development Services Director

Rob Jensen, City Manager

RESOLUTION NO. 16-231

APPROVING A RELINQUISHMENT AGREEMENT BY AND BETWEEN THE CITY OF
ROSEVILLE AND CALIFORNIA DEPARTMENT OF TRANSPORTATION, AND
AUTHORIZING THE CITY MANAGER TO EXECUTE IT ON BEHALF OF THE CITY OF
ROSEVILLE

WHEREAS, a relinquishment agreement allowing for proposed roadway improvements to be constructed within Blue Oaks Blvd, by and between the City of Roseville and California Department of Transportation, has been reviewed by the City Council; and

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Roseville that said agreement is hereby approved and that the City Manager is authorized to execute it on behalf of the City of Roseville; and

PASSED AND ADOPTED by the Council of the City of Roseville this ____ day of _____, 20__, by the following vote on roll call:

AYES COUNCILMEMBERS:

NOES COUNCILMEMBERS:

ABSENT COUNCILMEMBERS:

MAYOR

ATTEST:

City Clerk

RELINQUISHMENT AGREEMENT

This agreement, enter into effective on _____, is between the STATE OF CALIFORNIA, acting through its Department of Transportation, referred to herein as "CALTRANS", and the

CITY OF ROSEVILLE, a body politic and municipal corporation or chartered city of the State of California, referred to herein as "CITY".

RECITALS

1. CALTRANS and CITY, pursuant to Streets and Highways Code section 73, are authorized to enter into a Cooperative Agreement in order to relinquish to CITY a portion of a State Highway within CITY's jurisdiction.
2. CALTRANS intends to relinquish to CITY that portion of Blue Oaks Blvd shown in Exhibit A and Exhibit B, attached to and made a part of this Agreement, referred to hereinafter as "RELINQUISHED FACILITIES". This relinquishment is based on collateral facilities. CITY is willing to accept said RELINQUISHED FACILITIES upon approval by the California Transportation Commission (CTC) of a Resolution of Relinquishment and CALTRANS' recording of said Resolution in the County Recorder's Office.
3. CALTRANS and CITY agree that RELINQUISHED FACILITIES are currently in a state of good repair.
4. The parties hereto intend to define herein the terms and conditions under which RELINQUISHED FACILITIES is to be accomplished.

SECTION I

CITY AGREES:

1. Execution of this Agreement constitutes CITY's waiver of CALTRANS's obligation to provide ninety (90) days prior notice of CALTRANS's "Intention to Relinquish" as set forth in Streets and Highways Code section 73.
2. To accept ownership, including all of CALTRANS's current obligations, rights, title and interest in RELINQUISHED FACILITIES upon recordation of the CTC's Resolution of Relinquishment in the County Recorder's Office and to thereafter operate, maintain, and be liable for RELINQUISHED FACILITIES at no additional cost to CALTRANS.
3. To accept RELINQUISHED FACILITIES in their current environmental condition and setting, including, but not limited to, the presence of hazardous materials as described in the Phase I Environmental Site Assessment (ESA), dated October 24, 2005 (Exhibit C). CITY has received and reviewed a copy of the above-referenced ESA and CALTRANS concurs with said ESA, as stated in the April 22nd, 2016 "Update of Environmental Site Assessment" (Exhibit D). Upon recordation of the CTC's Resolution of Relinquishment in the County Recorder's Office, CALTRANS will not be responsible for any present or future remediation of said hazardous materials.

SECTION II

CALTRANS AGREES:

1. To relinquish, upon the approval of the CTC's Resolution of Relinquishment, the RELINQUISHED FACILITIES.
2. To submit the CTC Resolution of Relinquishment to the County Recorder's Office for recording.
3. Thereafter, upon CITY's specific request, to transfer to CITY within sixty (60) days of such request, copies of available CALTRANS records and files for RELINQUISHED FACILITIES, such as plans, survey data and right of way information.

SECTION III

IT IS MUTUALLY AGREED:

1. All obligations of CALTRANS under the terms of this Agreement are subject to the appropriation of resources by the Legislature, State Budget Act authority, and the allocation of any funds by the CTC.
2. CALTRANS reserves the right to enter, at no cost to CALTRANS, RELINQUISHED FACILITIES, to modify or add signage, drainage, and other improvements necessary for State Highway operations. CITY agrees to allow CALTRANS access to operate, maintain, add, remove, or modify CALTRANS's facilities retained in those collateral facilities.
3. RELINQUISHED FACILITIES may be recaptured by CALTRANS for future transportation project at no cost to CALTRANS and CITY agrees to reconvey property when so requested.
4. CITY shall fully defend, indemnify and save harmless CALTRANS and all its officers and employees from all claims, suits or actions related to environmental theories or assertions of liability, including, but not limited to, claims or lawsuits related to the presence of hazardous materials as described in the ESA, CALTRANS concurs with said ESA, as stated in the April 22nd, 2016 "Update of Environmental Site Assessment" (Exhibit D), provided that the actions, events, injuries, damages, or losses giving rise to any claims, suits or actions occurred on or arise after the date of the recordation of the CTC's Resolution of Relinquishment.
5. CALTRANS shall fully defend, indemnify and save harmless CITY and all its officers and employees from all claims, suits or actions related to environmental theories or assertions of liability, including, but not limited to, claims or lawsuits related to the presence of hazardous materials as described in the ESA, CALTRANS concurs with said ESA, as stated in the April 22nd, 2016 "Update of Environmental Site Assessment" (Exhibit D), provided that the actions, events, injuries, damages, or losses giving rise to any claims, suits or actions occurred or arose before the date of recordation of the CTC's Resolution of Relinquishment.
6. Neither CALTRANS nor any officer or employee thereof is responsible for any injury, damage or liability occurring by reason of anything done or omitted to be done by CITY and/or its agents under or in connection with any work, authority or jurisdiction conferred upon CITY under this Agreement. It is understood and agreed that CITY, to the extent permitted by law, will defend, indemnify and save harmless CALTRANS and all its officers and employees from all claims, suits or actions of every name, kind and description brought forth under, but not limited to, tortious, contractual, inverse condemnation or other theories or assertions of liability occurring by reason of anything done or omitted to be done by CITY and/or its agents under this Agreement.

7. Neither CITY nor any officer or employee thereof is responsible for any injury, damage or liability occurring by reason of anything done or omitted to be done by CALTRANS and/or its agents under or in connection with any work, authority or jurisdiction conferred upon CALTRANS under this Agreement. It is understood and agreed that CALTRANS, to the extent permitted by law, will defend, indemnify and save harmless CITY and all its officers and employees from all claims, suits or actions of every name, kind and description brought forth under, but not limited to, tortious, contractual, inverse condemnation or other theories or assertions of liability occurring by reason of anything done or omitted to be done by CALTRANS and/or its agents under this Agreement.
8. No alteration of the terms of this Agreement shall be valid unless made in writing and signed by the parties hereto and no oral understanding or agreement not incorporated herein shall be binding on any of the parties hereto.
9. This Agreement shall terminate upon recordation of the CTC's Resolution of Relinquishment for RELINQUISHED FACILITIES in the County Recorder's Office, except for those provisions which relate to indemnification, ownership, operation, and maintenance, which shall remain in effect until terminated or modified in writing by mutual agreement.

SIGNATURES

PARTIES declare that:

1. Each PARTY is an authorized legal entity under California state law.
2. Each PARTY has the authority to enter into this agreement.
3. The people signing this agreement have the authority to do so on behalf of their public agencies.

Phase I Environmental Site Assessment
9000 Industrial Avenue
Roseville, California
URS Job No. 33758041

Dear Mr. Mitchell:

Presented in this report is URS' Phase I Environmental Site Assessment of the above referenced property. This report presents pertinent information obtained by document review and a site reconnaissance, as well as our findings and conclusions regarding environmental conditions of the subject property. This assessment was performed in general accordance with our proposal dated August 16, 2005.

We trust this report meets your current requirements. URS appreciates the opportunity to assist you on this project. Please do not hesitate to contact us if you have any questions regarding this report or require additional assistance.

Very truly yours,

URS Corporation

Appendix B – EDR Database Report

1.0 INTRODUCTION

URS was retained by Harsch Investment Properties, LLC (Harsch) to perform a Phase I Environmental Site Assessment (ESA) of the property located at 9000 Industrial Avenue, Roseville, California. (subject property) (Figure 1). The approximately 47-acre site is currently undeveloped bare land.

1.1 PURPOSE AND SCOPE OF WORK

The purpose of the Phase I ESA was to assess, on the basis of readily available information: (1) past and present land use practices and site operations, (2) the use, storage, generation, manufacture, and disposal of petroleum products and hazardous materials and wastes at the subject property, and (3) the potential presence of soil and groundwater contamination from onsite and offsite sources. This assessment was accomplished by, and limited to, a reconnaissance of the site, a drive-by survey of the site vicinity, a review of publicly available records, interviews of pertinent individuals and/or regulatory and public agency personnel, and a review of pertinent documentation presently and readily available from Harsch and/or through URS' standard information sources. The site vicinity is defined as the neighboring properties and facilities within an approximate distance of 1/4-mile of the subject property, the nature of which may adversely affect or have affected environmental conditions at the subject property due to the presence and/or release of hazardous substances or petroleum products to the environment.

The scope of work for this ESA was established in general accordance with the American Society for Testing and Materials (ASTM) Standard Practice for Environmental Site Assessments (E 1527-00). Adherence to a particular financial institution's protocols or guidelines was not requested. URS' scope of services included the following elements:

- Reviewed selected historical aerial photographs and topographic maps of the subject property and vicinity for selected years obtained by our subcontractor, Environmental Data Resources, Inc. (EDR).
- Reviewed available documents regarding past and/or current property development provided by Harsch or which resided in URS' Sacramento office library.
- Reviewed pertinent, readily available documents and maps regarding local geologic and hydrogeologic conditions.
- Performed a reconnaissance survey of the subject property and surrounding areas to make visual observations of existing conditions and activities at the subject property and in the property vicinity.
- Interviewed the owner, property manager, or other personnel identified as being knowledgeable of past tenants and environmental practices at the subject property involving petroleum products and hazardous materials/wastes.
- Reviewed county, state, and U.S. Environmental Protection Agency (EPA) lists of known or potential hazardous waste sites or landfills, and sites currently under investigation for environmental violations located in the vicinity of the property within the search distances

specified by ASTM E 1527-00. A list of the specific databases searched, together with their currency information, is included in the EDR report in Appendix B.

- Selected regulatory agencies were contacted with respect to listings, permits, or violations relative to the environmental status of the site.
- Prepared this report describing the research performed and presenting URS' findings, recommendations and professional opinions regarding the potential for environmental contamination at the site.

It was not in the requested or authorized scope of work; therefore, we did not perform the following: 1) sampling and analysis of environmental media, 2) assessment of wetlands, flood plains, seismic hazards, asbestos, radon, lead paint, lead in drinking water, environmental compliance, indoor air quality, or structural/mechanical building conditions or 3) other activities not expressly described in the written scope of services.

2.0 SITE LOCATION AND DESCRIPTION

2.1 SITE LOCATION

The Subject property is located at 9000 Industrial Avenue, which bounds the property on the west. It is in the southeast quadrant of the intersection of Industrial Avenue and Blue Oaks Boulevard, and bounded on the east by Washington Boulevard. The subject property is made up of Placer County Assessor's parcels 017-111-025 and 017-121-006. It is approximately ¼ mile west of State Route 65, approximately 3 miles north of Roseville, and 18 miles northeast of Sacramento.

2.2 SITE DESCRIPTION

At the time of this ESA the subject property was undeveloped bare land. Undulating topography drained to a drainage ditch along the eastern property boundary, and to a creek that passed through the western portion of the subject property, which flowed north toward the intersection of Blue Oaks Boulevard and Industrial Avenue. Fencing in various states of repair surrounded the subject property, with an opening on the north off of Blue Oaks Boulevard. The property was vegetated with dry field grasses and star thistle, with the exception of the creek area, which was vegetated with cattails and willows. With the exception of vacant land to the east, and a small vacant parcel to the southwest, the subject property is surrounded by light industrial development.

3.0 TOPOGRAPHY AND HYDROGEOLOGY

3.1 TOPOGRAPHIC SETTING

The property is located near the eastern margin of the Sacramento Valley. The topography is gently rolling, with an elevation that ranges from approximately 150 feet above mean sea level (MSL) in the south to approximately 120 feet above MSL in the north. The creek that flows through the western portion of the subject property discharges into Pleasant Grove Creek approximately 1 mile to the northwest, which in turn flows into drainage canals which reach the Sacramento River approximately 17 miles to the west.

1993 Source USGS, Scale 1 inch = 666 feet

Grading is in progress and construction has begun on a warehouse structure just to the north of the building to the south of the property present in the 1984 photograph. An additional warehouse is present approximately ¼ mile to the north of the property. Highway 65 freeway and the interchange accessing Washington Boulevard (formerly Highway 65) and Blue Oaks Boulevard is present. A warehouse is present on the property to the west across Industrial Avenue. The Site and adjacent properties to the south, east, and north remain vacant.

1998 Source: USGS, Scale 1 inch = 666 feet

The subject property is vacant and appears unused. Some grading has taken place on the property to the north. A large warehouse is present to the west and one of the three buildings currently located on the adjacent property to the south is present. Property adjacent to the southeast corner of the subject property and east of Washington Boulevard has been partially developed for residential use.

2002 Source: Terraserver/ United States Geological Survey, Scale 0.5 meters per pixel

The subject property is vacant and appears unused. The properties to the north and south have been fully developed with warehouse-sized structures with the exception of a small parcel immediately south of the western end of the southern boundary of the subject property. The property to the east across Washington Boulevard remains undeveloped.

4.2 HISTORICAL TOPOGRAPHIC MAPS

Historical United States Geological Survey (USGS) topographic maps provided by EDR were reviewed to characterize past usage of the subject property and surrounding vicinity. Maps from the following years were available for review: 1910, 1953, 1967, 1975, 1981, and 1992. A brief summary interpretation of these maps is presented below.

1910 Lincoln 15' Series Quadrangle Scale 1:62,500

Highway 99E between is shown to the west of the property along the present alignment of Industrial Avenue. Southern Pacific railroad is shown parallel to the west side of the highway. Two structures are shown on Fiddymment Ranch approximately ½ mile to the northwest of the subject property. No other development is shown in the vicinity. Pleasant Grove Creek flows to the west and is approximately ¾ mile to the north of the subject property.

1953 Roseville 7.5' Series Quadrangle Scale 1:24,000

This larger scale map shows the small creek passing through the western portion of the subject property, and an airstrip located on the Fiddymment Ranch. No other significant changes are shown in comparison to the 1910 topographic map.

1967 Roseville 7.5' Series Quadrangle Scale 1:24,000

No significant changes are shown on the subject property. Unpaved Scow Road is shown along the present day alignment of Blue Oaks Boulevard extending from State Rout 65 (formerly 99E) west to where it turns northward to terminate at Fiddymment Ranch. A pond is shown on Fiddymment Ranch to the south of the buildings. Man made features labeled "industrial waste ponds" are shown on the north side of Pleasant Grove Creek approximately one mile north-northwest of the subject property. An overhead utility line is showing passing through the property from southeast to northwest.

1975 Roseville 7.5' Series Quadrangle Scale 1:24,000

No significant changes are shown on the subject property. Highway 65 has been relocated to pass approximately ½ mile to the east of its former location to what is now Washington Boulevard. A warehouse-sized structure is shown between Industrial Avenue and Highway 65 approximately ¾ mile to the south of the subject property. Additional warehouse-sized buildings are shown west of Industrial Avenue approximately 1.5 miles to the north of the subject property.

1981 Roseville 7.5' Series Quadrangle Scale 1:24,000

No significant changes are shown on the subject property. The "industrial waste ponds" approximately 1 mile northwest of the subject property have been expanded, approximately doubling their size.

1992 Roseville 7.5' Series Quadrangle Scale 1:24,000

No significant changes are shown on the subject property. Highway 65 is now a freeway and has been relocated approximately ¼ mile east of the subject property. A freeway interchange links Washington Boulevard and Skow Road (now Blue Oaks Boulevard). Graded land is shown west of the property. A few additional large buildings are shown in the area between Washington Boulevard/State Route 65 and Industrial Avenue.

4.3 SANBORN FIRE INSURANCE MAPS

EDR reviewed their collection of Sanborn Fire Insurance maps and the available maps did not provide coverage for the subject property.

4.4 PREVIOUS REPORT

URS reviewed a previous Phase I Environmental Site Assessment prepared by Sugnet & Associates dated October 14, 1996 (Sugnet & Associates, 1996). At the time of the Sugnet ESA the property was vacant and vegetated with seasonal field grasses and star thistle. An intermittent stream was located in the western portion of the property, flowing north-northwest toward the intersection of Blue Oaks Boulevard and Industrial Avenue. An overhead electrical transmission corridor passed through the eastern portion of the property, and an underground water line was located along the southern boundary. Light industrial development was located adjacent to the property to the north, west, and south. The adjacent property to the east was undeveloped.

Interpretation of a 1984 aerial photograph indicated that the subject property and surrounding areas consisted of agricultural pasture land with minor development. By 1988 a lumber storage and truss manufacturing facility was located to the south of the property. Substantial light industrial development occurred to the north, west, and south of the property by 1996. Previous investigation mentioned in the Sugnet 1996 ESA included a wetland delineation study by Sugnet & Associates of Roseville, California, completed in 1991, and a wetland mitigation plan prepared by Westech Company of Newcastle, California.

No evidence of recognized environmental conditions were identified in connection with the property, either due to activities on the subject property or vicinity properties.

5.0 SITE RECONNAISSANCE OBSERVATIONS

Mr. Anthony Mindling of URS conducted a reconnaissance of the subject property on September 12, 2005. The weather was clear and warm at the time of the site visit. The site visit consisted of the observation and documentation of existing site conditions and the nature of developments on neighboring properties. Site photographs are included in Appendix A. Prior to the site visit URS contacted Mr. Brandon Williams with KMS development to coordinate the site visit and obtain information regarding activities at the property subsequent to the previous ESA. Observations made during the site visit and information provided by Mr. Williams are incorporated in the following sections.

5.1 GENERAL CONDITIONS

The subject property was observed to consist of undeveloped, rolling grassland vegetated with grasses and star thistle (Photos 1 through 6). An overhead electrical transmission line crosses the eastern portion of the property from southeast to northwest (Photo 1) and a drainage ditch runs along the eastern property boundary (Photo 3). A creek enters the southwestern portion of the property through a culvert on the southern boundary, and flows north to exit near the intersection of Blue Oaks Boulevard and Industrial Avenue (Photo 4). The creek is marked by a growth of cattails and willows. The property is bounded by fences in various states of repair, with an opening on the north side off of Blue Oaks Boulevard which gives access to the property (Photo 6). An area approximately 30 feet in diameter in the southeastern portion of the subject property, near the drainage ditch, was enclosed within orange plastic fencing. With the exception of this area, and the creek in the western portion of the subject property, the property appeared to have been recently disked.

No debris piles, staining, or other evidence of environmental concern were observed on the property. The light industrial facility adjacent to the property on the south was constructed on fill, and some drainage from landscaped areas could potentially enter the subject property. No evidence of potential environmental concern was observed based on a drive-by reconnaissance of the adjacent property to the south, or other vicinity properties.

5.2 UTILITIES

The property was vacant and undeveloped, and there was no indication of utility connections.

5.3 STORM WATER CONTROL

Surface water runoff from storm events is directed by the natural topography of the subject property to the drainage ditch on the eastern boundary, and to the creek that flows through the western portion of the property. Evidence of storm water runoff onto the subject property from surrounding properties was not observed at the time of the site visit. Stains or oily sheens that would indicate releases to the drainages were not observed.

5.4 ABOVEGROUND AND UNDERGROUND STORAGE TANKS

No above ground storage tanks (ASTs) or evidence of underground storage tanks (USTs), such as vent pies or fill pipes, were observed during the site visit and no tanks were reported to be currently or historically located onsite.

5.5 HAZARDOUS MATERIALS AND HAZARDOUS WASTE

The property is unused and there is no generation of hazardous materials or waste.

5.6 DRAINS AND SUMPS

No drains or sumps were observed on the subject property.

5.7 POLYCHLORINATED BIPHENYLS

A electrical utility company transformer was observed adjacent to the subject property on Industrial Avenue. No leaks or stains were observed in the concrete pad at the base of this unit. As the area has largely been developed since the mid-1990's, the transformer is considered unlikely to contain PCBs.

5.8 WATER AND WASTEWATER

Water wells or monitoring wells were not observed at the subject property during our site reconnaissance. The property is not currently connected to a municipal water supply.

No wastewater is generated at the subject property.

6.0 NEIGHBORING PROPERTIES

The subject property is located within an area that currently consists mainly of commercial and industrial properties. Prominent adjoining land uses are listed below:

- North: Blue Oaks Boulevard, followed by a currently vacant warehouse-sized facility. Nations Rent is located adjacent to the northwest corner of the property, across Blue Oaks Boulevard.
- East: Washington Boulevard, followed by vacant land.
- South: A warehouse facility occupied by TASQ Technologies at 8875 Washington Boulevard, and a vacant lot adjacent to the southwest corner of the subject property.

- West: Industrial Avenue followed by warehouse/office facility.

7.0 AGENCY DATABASE REVIEW

7.1 DATABASE SEARCH

URS retained EDR to provide a database search of federal and state environmental records. Specific databases searched and the search radius for each are identified in the EDR report. A copy of EDR's report and search radius map is included in Appendix B. The database report was reviewed to note reported releases in the vicinity of the subject property that are known to have or are expected to result in an environmental condition that could adversely impact the subject property. Reported release as listed in the regulatory agency database search report were evaluated with respect to the nature and extent of a given release, the distance of the reported release from the subject property, and the position of a reported release with respect to known or expected local and/or regional groundwater flow direction (west, see Section 3.2). Generally, reported release sites located within 0.5 mile up-gradient, 0.25 mile cross-gradient, or adjacent down-gradient were considered to have a potential to impact the subject property, and are discussed below. Properties that were listed in the database search report but not identified as a release site (for example, a site listed as a hazardous waste generator but not as having had a release) were not considered to have a potential to impact the subject property. Any non-release sites identified adjacent to the subject property are discussed.

7.2 SUBJECT PROPERTY LISTINGS

The subject property was not listed in any of the databases searched by EDR.

7.3 SURROUNDING PROPERTY LISTINGS

Two sites located within 1/8 mile to the east of the subject property (Noranda Recycling Inc at 8855 Washington Boulevard and Telepan 8875 Washington Boulevard) were on California Hazardous Material Information Report System (CHMIRS) list. Releases at that sites resulted in a hazardous materials response from the local fire department. The potential for the releases at these sites to impact the subject property is considered to be low either because the release was reported to be contained onsite or would have discharged into a stream that did not drain toward the subject property.

URS' review of the EDR database report identified no other sites which merit discussion based on the criteria stated above.

7.4 UNMAPPED SITES

The EDR report identified 35 unmapped facilities in the vicinity of the subject property, one of which is identified as a potential release facility. URS' review of additional facility address information presented in the EDR report for the unmapped sites did not identify information which would suggest the unmapped release facilities are in close proximity to the subject property, or would pose environmental liability to the subject property.

7.5 AGENCY CONTACTS

State and local regulatory agencies were contacted to obtain information on file concerning the subject property. A summary of agency responses is presented below.

- **California Environmental Protection Agency, Department of Toxic Substances Control (DTSC), Sacramento Office** – The DTSC has not responded to our written request at the time this report was prepared.
- **California Regional Water Quality Control Board (RWQCB)** – The RWQCB reported it does not maintain files for the requested address.
- **Sacramento Metropolitan Air Quality Management District (SMAQMD)** – The SMAQMD has not responded to our written and phone requests at the time this report was prepared.
- **Roseville Fire Department** – The Roseville Fire Department has no records on file concerning the subject property.

8.0 FINDINGS AND CONCLUSIONS

Based on the visual observations and information presented in this report, URS presents the following findings and conclusions of the Phase I ESA conducted at 9000 Industrial Avenue, Placer County, California.

8.1 SUBJECT PROPERTY

Direct evidence or information suggesting that the subject property environment has been adversely affected by current or past onsite use, storage, handling and/or disposal practices involving hazardous materials/petroleum products was not observed or obtained during this Phase I ESA. A summary of findings is as follows:

- The subject property consists of undeveloped, rolling grassland. An overhead electrical transmission line crosses the eastern portion of the property from southeast to northwest and a drainage ditch runs along the eastern property boundary. A creek enters the southwestern portion of the property through a culvert on the southern boundary, and flows to the north. The creek is marked by a growth of cattails and willows. Fences in various states of repair bound the property.
- The property appears to have been used as agricultural pasture land in the 1980s. No other historical development was identified.
- The subject property was not listed in any of the environmental databases reviewed.

8.2 PROPERTY VICINITY

Direct evidence or information suggesting that the subject property environment was adversely affected by current or past use, storage, handling and/or disposal practices involving hazardous materials/petroleum products at the neighboring properties was not observed or obtained during this Phase I ESA. Land use in the site vicinity consists of commercial office and light industrial use.

9.0 RECOMMENDATIONS

Based on the findings of this Phase I ESA, further investigation of the subject property is not recommended at this time.

10.0 LIMITATIONS

This Phase I Environmental Site Assessment Update has been prepared for the exclusive use of: Harsch Investment Properties, LLC and/or its affiliates. It is intended to provide an understanding of the potential for the property evaluated in this report to have been affected by the release or presence of hazardous materials/wastes since the previous site assessment. The conclusions in this report are based upon data and information obtained during a site visit by URS personnel to the property identified herein and the condition of the property on the date of such visit, supplemented by information and data obtained by URS and described herein. URS' assessment of the subject property during the site reconnaissance was limited to readily visible and accessible portions.

The interpretations and conclusions contained in this report are based on the expertise and experience of URS in conducting similar assessments and current regulations. In evaluating the subject property, URS has also relied upon representations and information furnished by individuals noted in the report with respect to existing operations and property conditions, and the historic uses of the property to the extent that the information obtained has not been contradicted by data obtained from other independent sources. Accordingly, URS accepts no responsibility for any deficiency, misstatements or inaccuracy contained in this report as a result of misstatements, omissions, misrepresentations or fraudulent information provided by the persons interviewed.

URS' objective is to perform our work with care, exercising the customary thoroughness and competence of earth science, environmental and engineering consulting professionals, in accordance with the standards for professional services by a national consulting firm at the time those services are rendered. It is important to recognize that even the most comprehensive scope of services may fail to detect environmental liability on a particular site. Therefore, URS cannot act as insurers and cannot "certify or underwrite" that a site is free of environmental contamination, and no expressed or implied representation or warranty is included or intended in our reports except that our work was performed, within the limits prescribed by our client, with the customary thoroughness and competence of our profession.

11.0 PROJECT PERSONNEL

The Phase I ESA reported herein was performed by Mr. Anthony Mindling, Senior Hydrogeologist. Mr. Jim Flynn, Senior Hydrogeologist provided technical direction and review. A brief description of their qualifications is presented below.

Mr. Mindling holds a Master's degree in Geology and has 17 years experience conducting Phase I and II soil and groundwater contamination characterizations.

Mr. Flynn has a Bachelor's degree in Geology and a Master's degree in Earth Science. He has over 19 years experience in conducting and managing Phase I ESAs and has extensive experience managing environmental site investigations and remediation projects under a variety of federal and state regulatory programs.

EXECUTIVE SUMMARY

A search of available environmental records was conducted by Environmental Data Resources, Inc. (EDR). The report meets the government records search requirements of ASTM Standard Practice for Environmental Site Assessments, E 1527-00. Search distances are per ASTM standard or custom distances requested by the user.

TARGET PROPERTY INFORMATION

ADDRESS

9000 INDUSTRIAL AVENUE
ROSEVILLE, CA 95678

COORDINATES

Latitude (North):	38.793600 - 38° 47' 37.0"
Longitude (West):	121.304500 - 121° 18' 16.2"
Universal Transverse Mercator:	Zone 10
UTM X (Meters):	647250.3
UTM Y (Meters):	4295030.5
Elevation:	132 ft. above sea level

USGS TOPOGRAPHIC MAP ASSOCIATED WITH TARGET PROPERTY

Target Property:	38121-G3 ROSEVILLE, CA
Source:	USGS 7.5 min quad index

TARGET PROPERTY SEARCH RESULTS

The target property was not listed in any of the databases searched by EDR.

DATABASES WITH NO MAPPED SITES

No mapped sites were found in EDR's search of available ("reasonably ascertainable ") government records either on the target property or within the ASTM E 1527-00 search radius around the target property for the following databases:

EXECUTIVE SUMMARY

US INST CONTROL..... Sites with Institutional Controls

SURROUNDING SITES: SEARCH RESULTS

Surrounding sites were identified.

Elevations have been determined from the USGS Digital Elevation Model and should be evaluated on a relative (not an absolute) basis. Relative elevation information between sites of close proximity should be field verified. Sites with an elevation equal to or higher than the target property have been differentiated below from sites with an elevation lower than the target property.

Page numbers and map identification numbers refer to the EDR Radius Map report where detailed data on individual sites can be reviewed.

Sites listed in ***bold italics*** are in multiple databases.

Unmappable (orphan) sites are not considered in the foregoing analysis.

FEDERAL ASTM STANDARD

RCRAInfo: RCRAInfo is EPA's comprehensive information system, providing access to data supporting the Resource Conservation and Recovery Act (RCRA) of 1976 and the Hazardous and Solid Waste Amendments (HSWA) of 1984. RCRAInfo replaces the data recording and reporting abilities of the Resource Conservation and Recovery Information System(RCRIS). The database includes selective information on sites which generate, transport, store, treat and/or dispose of hazardous waste as defined by the Resource Conservation and Recovery Act (RCRA). Conditionally exempt small quantity generators (CESQGs) generate less than 100 kg of hazardous waste, or less than 1 kg of acutely hazardous waste per month. Small quantity generators (SQGs) generate between 100 kg and 1,000 kg of hazardous waste per month. Large quantity generators generate over 1,000 kilograms (kg) of hazardous waste, or over 1 kg of acutely hazardous waste per month. Transporters are individuals or entities that move hazardous waste from the generator offsite to a facility that can recycle, treat, store, or dispose of the waste. TSDFs treat, store, or dispose of the waste.

A review of the RCRA-LQG list, as provided by EDR, and dated 05/20/2005 has revealed that there are 3 RCRA-LQG sites within approximately 0.75 miles of the target property.

CORTESE: This database identifies public drinking water wells with detectable levels of contamination, hazardous substance sites selected for remedial action, sites with known toxic material identified through the abandoned site assessment program, sites with USTs having a reportable release and all solid waste disposal facilities from which there is known migration. The source is the California Environmental Protection Agency/Office of Emergency Information.

A review of the Cortese list, as provided by EDR, has revealed that there is 1 Cortese site within approximately 1 mile of the target property.

<u>Equal/Higher Elevation</u>	<u>Address</u>	<u>Dist / Dir</u>	<u>Map ID</u>	<u>Page</u>
AMERICAN OLEAN TILE COMPA	8250 INDUSTRIAL	1/2 - 1 SSW	D19	37

EXECUTIVE SUMMARY

VCP: Contains low threat level properties with either confirmed or unconfirmed releases and the project proponents have request that DTSC oversee investigation and/or cleanup activities and have agreed to provide coverage for DTSC's costs.

A review of the VCP list, as provided by EDR, and dated 05/04/2005 has revealed that there is 1 VCP site within approximately 1 mile of the target property.

<u>Equal/Higher Elevation</u>	<u>Address</u>	<u>Dist / Dir</u>	<u>Map ID</u>	<u>Page</u>
AMERICAN OLEAN TILE COMPANY	8250 INDUSTRIAL AVENUE	1/2 - 1 SSW	D20	37

CA FID: The Facility Inventory Database contains active and inactive underground storage tank locations. The source is the State Water Resource Control Board.

A review of the CA FID UST list, as provided by EDR, has revealed that there are 2 CA FID UST sites within approximately 0.75 miles of the target property.

<u>Lower Elevation</u>	<u>Address</u>	<u>Dist / Dir</u>	<u>Map ID</u>	<u>Page</u>

ALBERTSONS INCORPORATED REFRIG	9999 NIBLICK DRIVE	1/4 - 1/2 WNW	9	18

DEED: The use of recorded land use restrictions is one of the methods the DTSC uses to protect the public from unsafe exposures to hazardous substances and wastes.

A review of the DEED list, as provided by EDR, and dated 08/02/2005 has revealed that there is 1 DEED site within approximately 1 mile of the target property.

<u>Equal/Higher Elevation</u>	<u>Address</u>	<u>Dist / Dir</u>	<u>Map ID</u>	<u>Page</u>
AMERICAN OLEAN TILE COMPANY	8250 INDUSTRIAL AVENUE	1/2 - 1 SSW	D20	37

HAZNET: The data is extracted from the copies of hazardous waste manifests received each year by the DTSC. The annual volume of manifests is typically 700,000-1,000,000 annually, representing approximately 350,000-500,000 shipments. Data from non-California manifests & continuation sheets are not included at the present time. Data are from the manifests submitted without correction, and therefore many contain some invalid values for data elements such as generator ID, TSD ID, waste category, & disposal method. The source is the Department of Toxic Substance Control is the agency

A review of the HAZNET list, as provided by EDR, and dated 12/31/2002 has revealed that there are 11 HAZNET sites within approximately 0.5 miles of the target property.

Background Info : The American Olean Tile Company began operations in 1974. They manufactured glazed ceramic tile using a number of hazardous materials. Water from the manufacturing processes was drained to any one of three evaporation ponds. Glazed ceramic tile manufacturing ceased in about 1976 and was replaced with quarry tile manufacturing. In 1992, the company's contractor identified issues of environmental concern. Four areas of concern were identified, including the evaporation ponds. In 1994, a report was completed identifying the work conducted which included excavation of lead contaminated soils from the pond areas. In November 1995, the company sold the property. The current property owner entered the Voluntary Cleanup Program in July 1997 to evaluate whether past work completed warranted further action. A deed restriction limiting certain land uses of 2,652 acres was recorded by the property owner as lead contaminated soils remain in the vicinity of the pond areas.

EPA Waste Codes Addendum

Code	Description
D001	IGNITABLE HAZARDOUS WASTES ARE THOSE WASTES WHICH HAVE A FLASHPOINT OF LESS THAN 140 DEGREES FAHRENHEIT AS DETERMINED BY A PENSKEY-MARTENS CLOSED CUP FLASH POINT TESTER. ANOTHER METHOD OF DETERMINING THE FLASH POINT OF A WASTE IS TO REVIEW THE MATERIAL SAFETY DATA SHEET, WHICH CAN BE OBTAINED FROM THE MANUFACTURER OR DISTRIBUTOR OF THE MATERIAL. LACQUER THINNER IS AN EXAMPLE OF A COMMONLY USED SOLVENT WHICH WOULD BE CONSIDERED AS IGNITABLE HAZARDOUS WASTE.
D002	A WASTE WHICH HAS A PH OF LESS THAN 2 OR GREATER THAN 12.5 IS CONSIDERED TO BE A CORROSIVE HAZARDOUS WASTE. SODIUM HYDROXIDE, A CAUSTIC SOLUTION WITH A HIGH PH, IS OFTEN USED BY INDUSTRIES TO CLEAN OR DEGREASE PARTS. HYDROCHLORIC ACID, A SOLUTION WITH A LOW PH, IS USED BY MANY INDUSTRIES TO CLEAN METAL PARTS PRIOR TO PAINTING. WHEN THESE CAUSTIC OR ACID SOLUTIONS BECOME CONTAMINATED AND MUST BE DISPOSED, THE WASTE WOULD BE A CORROSIVE HAZARDOUS WASTE.
D003	A MATERIAL IS CONSIDERED TO BE A REACTIVE HAZARDOUS WASTE IF IT IS NORMALLY UNSTABLE, REACTS VIOLENTLY WITH WATER, GENERATES TOXIC GASES WHEN EXPOSED TO WATER OR CORROSIVE MATERIALS, OR IF IT IS CAPABLE OF DETONATION OR EXPLOSION WHEN EXPOSED TO HEAT OR A FLAME. ONE EXAMPLE OF SUCH WASTE WOULD BY WASTE GUNPOWDER.
D008	LEAD
D009	MERCURY

GOVERNMENT RECORDS SEARCHED / DATA CURRENCY TRACKING

To maintain currency of the following federal and state databases, EDR contacts the appropriate governmental agency on a monthly or quarterly basis, as required.

Elapsed ASTM days: Provides confirmation that this EDR report meets or exceeds the 90-day updating requirement of the ASTM standard.

FEDERAL ASTM STANDARD RECORDS

NPL: National Priority List

Source: EPA

Telephone: N/A

National Priorities List (Superfund). The NPL is a subset of CERCLIS and identifies over 1,200 sites for priority cleanup under the Superfund Program. NPL sites may encompass relatively large areas. As such, EDR provides polygon coverage for over 1,000 NPL site boundaries produced by EPA's Environmental Photographic Interpretation Center (EPIC) and regional EPA offices.

Date of Government Version: 07/01/05

Date Made Active at EDR: 08/22/05

Database Release Frequency: Quarterly

Date of Data Arrival at EDR: 08/03/05

Elapsed ASTM days: 19

Date of Last EDR Contact: 08/03/05

CERCLIS: Comprehensive Environmental Response, Compensation, and Liability Information System

Source: EPA

Telephone: 703-413-0223

CERCLIS contains data on potentially hazardous waste sites that have been reported to the USEPA by states, municipalities, private companies and private persons, pursuant to Section 103 of the Comprehensive Environmental Response, Compensation, and Liability Act (CERCLA). CERCLIS contains sites which are either proposed to or on the National Priorities List (NPL) and sites which are in the screening and assessment phase for possible inclusion on the NPL.

CERCLIS-NFRAP: CERCLIS No Further Remedial Action Planned

Source: EPA

Telephone: 703-413-0223

As of February 1995, CERCLIS sites designated "No Further Remedial Action Planned" (NFRAP) have been removed from CERCLIS. NFRAP sites may be sites where, following an initial investigation, no contamination was found, contamination was removed quickly without the need for the site to be placed on the NPL, or the contamination was not serious enough to require Federal Superfund action or NPL consideration. EPA has removed approximately 25,000 NFRAP sites to lift the unintended barriers to the redevelopment of these properties and has archived them as historical records so EPA does not needlessly repeat the investigations in the future. This policy change is part of the EPA's Brownfields Redevelopment Program to help cities, states, private investors and affected citizens to promote economic redevelopment of unproductive urban sites.

RCRA: Resource Conservation and Recovery Act Information

Source: EPA

Telephone: 800-424-9346

RCRAInfo is EPA's comprehensive information system, providing access to data supporting the Resource Conservation and Recovery Act (RCRA) of 1976 and the Hazardous and Solid Waste Amendments (HSWA) of 1984. RCRAInfo replaces the data recording and reporting abilities of the Resource Conservation and Recovery Information System (RCRIS). The database includes selective information on sites which generate, transport, store, treat and/or dispose of hazardous waste as defined by the Resource Conservation and Recovery Act (RCRA). Conditionally exempt small quantity generators (CESQGs) generate less than 100 kg of hazardous waste, or less than 1 kg of acutely hazardous waste per month. Small quantity generators (SQGs) generate between 100 kg and 1,000 kg of hazardous waste per month. Large quantity generators (LQGs) generate over 1,000 kilograms (kg) of hazardous waste, or over 1 kg of acutely hazardous waste per month. Transporters are individuals or entities that move hazardous waste from the generator off-site to a facility that can recycle, treat, store, or dispose of the waste. TSDFs treat, store, or dispose of the waste.

Date of Government Version: 05/20/05

DOD: Department of Defense Sites

Source: USGS
Telephone: 703-692-8801

This data set consists of federally owned or administered lands, administered by the Department of Defense, that have any area equal to or greater than 640 acres of the United States, Puerto Rico, and the U.S. Virgin Islands.

Date of Government Version: 10/01/03
Database Release Frequency: Semi-Annually

Date of Last EDR Contact: 08/09/05
Date of Next Scheduled EDR Contact: 11/07/05

UMTRA: Uranium Mill Tailings Sites

Source: Department of Energy
Telephone: 505-845-0011

Uranium ore was mined by private companies for federal government use in national defense programs. When the mills shut down, large piles of the sand-like material (mill tailings) remain after uranium has been extracted from the ore. Levels of human exposure to radioactive materials from the piles are low; however, in some cases tailings were used as construction materials before the potential health hazards of the tailings were recognized. In 1978, 24 inactive uranium mill tailings sites in Oregon, Idaho, Wyoming, Utah, Colorado, New Mexico, Texas, North Dakota, South Dakota, Pennsylvania, and on Navajo and Hopi tribal lands, were targeted for cleanup by the Department of Energy.

Date of Government Version: 12/29/04
Database Release Frequency: Varies

Date of Last EDR Contact: 07/05/05
Date of Next Scheduled EDR Contact: 10/03/05

RAATS: RCRA Administrative Action Tracking System

Source: EPA

Telephone: 202-564-4104

RCRA Administration Action Tracking System. RAATS contains records based on enforcement actions issued under RCRA pertaining to major violators and includes administrative and civil actions brought by the EPA. For administration actions after September 30, 1995, data entry in the RAATS database was discontinued. EPA will retain a copy of the database for historical records. It was necessary to terminate RAATS because a decrease in agency resources made it impossible to continue to update the information contained in the database.

Date of Government Version: 04/17/95
Database Release Frequency: No Update Planned

Date of Last EDR Contact: 06/06/05
Date of Next Scheduled EDR Contact: 09/05/05

TRIS: Toxic Chemical Release Inventory System

Source: EPA

Telephone: 202-566-0250

Toxic Release Inventory System. TRIS identifies facilities which release toxic chemicals to the air, water and land in reportable quantities under SARA Title III Section 313.

DEED: Deed Restriction Listing

Source: Department of Toxic Substances Control
Telephone: 916-323-3400

Site Mitigation and Brownfields Reuse Program Facility Sites with Deed Restrictions & Hazardous Waste Management Program Facility Sites with Deed / Land Use Restriction. The DTSC Site Mitigation and Brownfields Reuse Program (SMBRP) list includes sites cleaned up under the program's oversight and generally does not include current or former hazardous waste facilities that required a hazardous waste facility permit. The list represents deed restrictions that are active. Some sites have multiple deed restrictions. The DTSC Hazardous Waste Management Program (HWMP) has developed a list of current or former hazardous waste facilities that have a recorded land use restriction at the local county recorder's office. The land use restrictions on this list were required by the DTSC HWMP as a result of the presence of hazardous substances that remain on site after the facility (or part of the facility) has been closed or cleaned up. The types of land use restriction include deed notice, deed restriction, or a land use restriction that binds current and future owners.

HAZNET: Facility and Manifest Data

Source: California Environmental Protection Agency

Telephone: 916-255-1136

Facility and Manifest Data. The data is extracted from the copies of hazardous waste manifests received each year by the DTSC. The annual volume of manifests is typically 700,000 - 1,000,000 annually, representing approximately 350,000 - 500,000 shipments. Data are from the manifests submitted without correction, and therefore many contain some invalid values for data elements such as generator ID, TSD ID, waste category, and disposal method.

BROWNFIELDS DATABASES

US BROWNFIELDS: A Listing of Brownfields Sites

Source: Environmental Protection Agency

Telephone: 202-566-2777

Included in the listing are brownfields properties addresses by Cooperative Agreement Recipients and brownfields properties addressed by Targeted Brownfields Assessments. Targeted Brownfields Assessments-EPA's Targeted Brownfields Assessments (TBA) program is designed to help states, tribes, and municipalities--especially those without EPA Brownfields Assessment Demonstration Pilots--minimize the uncertainties of contamination often associated with brownfields. Under the TBA program, EPA provides funding and/or technical assistance for environmental assessments at brownfields sites throughout the country. Targeted Brownfields Assessments supplement and work with other efforts under EPA's Brownfields Initiative to promote cleanup and redevelopment of brownfields. Cooperative Agreement Recipients-States, political subdivisions, territories, and Indian tribes become Brownfields Cleanup Revolving Loan Fund (BCRLF) cooperative agreement recipients when they enter into BCRLF cooperative agreements with the U.S. EPA. EPA selects BCRLF cooperative agreement recipients based on a proposal and application process. BCRLF cooperative agreement recipients must use EPA funds provided through BCRLF cooperative agreement for specified brownfields-related cleanup activities.

Date of Government Version: 01/10/05

Database Release Frequency: Semi-Annually

Date of Last EDR Contact: 06/13/05

Date of Last EDR Contact: 07/05/05

Date of Next Scheduled EDR Contact: 10/03/05

OTHER DATABASE(S)

Depending on the geographic area covered by this report, the data provided in these specialty databases may or may not be complete. For example, the existence of wetlands information data in a specific report does not mean that all wetlands in the area covered by the report are included. Moreover, the absence of any reported wetlands information does not necessarily mean that wetlands do not exist in the area covered by the report.

Oil/Gas Pipelines: This data was obtained by EDR from the USGS in 1994. It is referred to by USGS as GeoData Digital Line Graphs from 1:100,000-Scale Maps. It was extracted from the transportation category including some oil, but primarily gas pipelines.

Electric Power Transmission Line Data

Source: PennWell Corporation

Telephone: (800) 823-6277

This map includes information copyrighted by PennWell Corporation. This information is provided on a best effort basis and PennWell Corporation does not guarantee its accuracy nor warrant its fitness for any particular purpose. Such information has been reprinted with the permission of PennWell.

Sensitive Receptors: There are individuals deemed sensitive receptors due to their fragile immune systems and special sensitivity to environmental discharges. These sensitive receptors typically include the elderly, the sick, and children. While the location of all sensitive receptors cannot be determined, EDR indicates those buildings and facilities - schools, daycares, hospitals, medical centers, and nursing homes - where individuals who are sensitive receptors are likely to be located.

GOVERNMENT RECORDS SEARCHED / DATA CURRENCY TRACKING

AHA Hospitals:

Source: American Hospital Association, Inc.

Telephone: 312-280-5991

The database includes a listing of hospitals based on the American Hospital Association's annual survey of hospitals.

Medical Centers: Provider of Services Listing

Source: Centers for Medicare & Medicaid Services

Telephone: 410-786-3000

A listing of hospitals with Medicare provider number, produced by Centers of Medicare & Medicaid Services, a federal agency within the U.S. Department of Health and Human Services.

Nursing Homes

Source: National Institutes of Health

Telephone: 301-594-6248

Information on Medicare and Medicaid certified nursing homes in the United States.

Public Schools

Source: National Center for Education Statistics

Telephone: 202-502-7300

The National Center for Education Statistics' primary database on elementary and secondary public education in the United States. It is a comprehensive, annual, national statistical database of all public elementary and secondary schools and school districts, which contains data that are comparable across all states.

Private Schools

Source: National Center for Education Statistics

Telephone: 202-502-7300

The National Center for Education Statistics' primary database on private school locations in the United States.

Daycare Centers: Licensed Facilities

Source: Department of Social Services

Telephone: 916-657-4041

Flood Zone Data: This data, available in select counties across the country, was obtained by EDR in 1999 from the Federal Emergency Management Agency (FEMA). Data depicts 100-year and 500-year flood zones as defined by FEMA.

NWI: National Wetlands Inventory. This data, available in select counties across the country, was obtained by EDR in 2002 from the U.S. Fish and Wildlife Service.

GEOCHECK® - PHYSICAL SETTING SOURCE ADDENDUM

TARGET PROPERTY ADDRESS

9000 INDUSTRIAL ROSEVILLE
9000 INDUSTRIAL AVENUE
ROSEVILLE, CA 95678

TARGET PROPERTY COORDINATES

Latitude (North):	38.793598 - 38° 47' 37.0"
Longitude (West):	121.304497 - 121° 18' 16.2"
Universal Transverse Mercator:	Zone 10
UTM X (Meters):	647250.3
UTM Y (Meters):	4295030.5
Elevation:	132 ft. above sea level

EDR's GeoCheck Physical Setting Source Addendum has been developed to assist the environmental professional with the collection of physical setting source information in accordance with ASTM 1527-00, Section 7.2.3. Section 7.2.3 requires that a current USGS 7.5 Minute Topographic Map (or equivalent, such as the USGS Digital Elevation Model) be reviewed. It also requires that one or more additional physical setting sources be sought when (1) conditions have been identified in which hazardous substances or petroleum products are likely to migrate to or from the property, and (2) more information than is provided in the current USGS 7.5 Minute Topographic Map (or equivalent) is generally obtained, pursuant to local good commercial or customary practice, to assess the impact of migration of recognized environmental conditions in connection with the property. Such additional physical setting sources generally include information about the topographic, hydrologic, hydrogeologic, and geologic characteristics of a site, and wells in the area.

Assessment of the impact of contaminant migration generally has two principle investigative components:

1. Groundwater flow direction, and
2. Groundwater flow velocity.

Groundwater flow direction may be impacted by surface topography, hydrology, hydrogeology, characteristics of the soil, and nearby wells. Groundwater flow velocity is generally impacted by the nature of the geologic strata. EDR's GeoCheck Physical Setting Source Addendum is provided to assist the environmental professional in forming an opinion about the impact of potential contaminant migration.

GEOCHECK® - PHYSICAL SETTING SOURCE SUMMARY

GROUNDWATER FLOW DIRECTION INFORMATION

Groundwater flow direction for a particular site is best determined by a qualified environmental professional using site-specific well data. If such data is not reasonably ascertainable, it may be necessary to rely on other sources of information, such as surface topographic information, hydrologic information, hydrogeologic data collected on nearby properties, and regional groundwater flow information (from deep aquifers).

TOPOGRAPHIC INFORMATION

Surface topography may be indicative of the direction of surficial groundwater flow. This information can be used to assist the environmental professional in forming an opinion about the impact of nearby contaminated properties or, should contamination exist on the target property, what downgradient sites might be impacted.

TARGET PROPERTY TOPOGRAPHY

USGS Topographic Map: 38121-G3 ROSEVILLE, CA
General Topographic Gradient: General NE
Source: USGS 7.5 min quad index

SURROUNDING TOPOGRAPHY: ELEVATION PROFILES

Source: Topography has been determined from the USGS 7.5' Digital Elevation Model and should be evaluated on a relative (not an absolute) basis. Relative elevation information between sites of close proximity should be field verified.

GEOCHECK® - PHYSICAL SETTING SOURCE SUMMARY

HYDROLOGIC INFORMATION

Surface water can act as a hydrologic barrier to groundwater flow. Such hydrologic information can be used to assist the environmental professional in forming an opinion about the impact of nearby contaminated properties or, should contamination exist on the target property, what downgradient sites might be impacted.

Refer to the Physical Setting Source Map following this summary for hydrologic information (major waterways and bodies of water).

FEMA FLOOD ZONE

<u>Target Property County</u> PLACER, CA	FEMA Flood <u>Electronic Data</u> YES - refer to the Overview Map and Detail Map
Flood Plain Panel at Target Property:	0602430006D
Additional Panels in search area:	0602390413C 0602430002D 0602430004D 0602430008D

NATIONAL WETLAND INVENTORY

<u>NWI Quad at Target Property</u> ROSEVILLE	NWI Electronic <u>Data Coverage</u> YES - refer to the Overview Map and Detail Map
---	--

HYDROGEOLOGIC INFORMATION

Hydrogeologic information obtained by installation of wells on a specific site can often be an indicator of groundwater flow direction in the immediate area. Such hydrogeologic information can be used to assist the environmental professional in forming an opinion about the impact of nearby contaminated properties or, should contamination exist on the target property, what downgradient sites might be impacted.

Site-Specific Hydrogeological Data*:

Search Radius:	1.25 miles
Status:	Not found

AQUIFLOW*

Search Radius: 1.000 Mile.

EDR has developed the AQUIFLOW Information System to provide data on the general direction of groundwater flow at specific points. EDR has reviewed reports submitted by environmental professionals to regulatory authorities at select sites and has extracted the date of the report, groundwater flow direction as determined hydrogeologically, and the depth to water table.

<u>MAP ID</u>	<u>LOCATION FROM TP</u>	<u>GENERAL DIRECTION GROUNDWATER FLOW</u>
Not Reported		

GEOCHECK® - PHYSICAL SETTING SOURCE SUMMARY

GROUNDWATER FLOW VELOCITY INFORMATION

Groundwater flow velocity information for a particular site is best determined by a qualified environmental professional using site specific geologic and soil strata data. If such data are not reasonably ascertainable, it may be necessary to rely on other sources of information, including geologic age identification, rock stratigraphic unit and soil characteristics data collected on nearby properties and regional soil information. In general, contaminant plumes move more quickly through sandy-gravelly types of soils than silty-clayey types of soils.

GEOLOGIC INFORMATION IN GENERAL AREA OF TARGET PROPERTY

Geologic information can be used by the environmental professional in forming an opinion about the relative speed at which contaminant migration may be occurring.

ROCK STRATIGRAPHIC UNIT

Era:	Cenozoic
System:	Tertiary
Series:	Pliocene
Code:	Tpc (decoded above as Era, System & Series)

GEOLOGIC AGE IDENTIFICATION

Category: Continental Deposits

Geologic Age and Rock Stratigraphic Unit Source: P.G. Schruben, R.E. Arndt and W.J. Bawiec, Geology of the Conterminous U.S. at 1:2,500,000 Scale - a digital representation of the 1974 P.B. King and H.M. Beikman Map, USGS Digital Data Series DDS - 11 (1994).

DOMINANT SOIL COMPOSITION IN GENERAL AREA OF TARGET PROPERTY

The U.S. Department of Agriculture's (USDA) Soil Conservation Service (SCS) leads the National Cooperative Soil Survey (NCSS) and is responsible for collecting, storing, maintaining and distributing soil survey information for privately owned lands in the United States. A soil map in a soil survey is a representation of soil patterns in a landscape. Soil maps for STATSGO are compiled by generalizing more detailed (SSURGO) soil survey maps. The following information is based on Soil Conservation Service STATSGO data.

Soil Component Name: FIDDYMENT

Soil Surface Texture: loam

Hydrologic Group: Class D - Very slow infiltration rates. Soils are clayey, have a high water table, or are shallow to an impervious layer.

Soil Drainage Class: Well drained. Soils have intermediate water holding capacity. Depth to water table is more than 6 feet.

Hydric Status: Soil does not meet the requirements for a hydric soil.

Corrosion Potential - Uncoated Steel: HIGH

Depth to Bedrock Min: > 21 inches

Depth to Bedrock Max: > 40 inches

GEOCHECK® - PHYSICAL SETTING SOURCE SUMMARY

Soil Layer Information							
Layer	Boundary		Soil Texture Class	Classification		Permeability Rate (in/hr)	Soil Reaction (pH)
	Upper	Lower		AASHTO Group	Unified Soil		
1	0 inches	8 inches	loam	Silt-Clay Materials (more than 35 pct. passing No. 200), Silty Soils.	FINE-GRAINED SOILS, Silts and Clays (liquid limit less than 50%), silt.	Max: 2.00 Min: 0.60	Max: 7.30 Min: 5.60
2	8 inches	15 inches	loam	Silt-Clay Materials (more than 35 pct. passing No. 200), Silty Soils.	FINE-GRAINED SOILS, Silts and Clays (liquid limit less than 50%), silt.	Max: 2.00 Min: 0.60	Max: 7.30 Min: 5.60
3	15 inches	28 inches	sandy clay loam	Silt-Clay Materials (more than 35 pct. passing No. 200), Clayey Soils.	FINE-GRAINED SOILS, Silts and Clays (liquid limit less than 50%), Lean Clay	Max: 0.06 Min: 0.00	Max: 7.80 Min: 6.10
4	28 inches	40 inches	indurated	Not reported	Not reported	Max: 0.00 Min: 0.00	Max: 0.00 Min: 0.00
5	40 inches	44 inches	weathered bedrock	Not reported	Not reported	Max: 0.00 Min: 0.00	Max: 0.00 Min: 0.00

OTHER SOIL TYPES IN AREA

Based on Soil Conservation Service STATSGO data, the following additional subordinant soil types may appear within the general area of target property.

Soil Surface Textures: sandy loam
coarse sandy loam
clay
fine sandy loam

Surficial Soil Types: sandy loam
coarse sandy loam
clay
fine sandy loam

Shallow Soil Types: sandy clay loam
coarse sandy loam

Deeper Soil Types: stratified
coarse sandy loam
indurated

GEOCHECK® - PHYSICAL SETTING SOURCE SUMMARY

ADDITIONAL ENVIRONMENTAL RECORD SOURCES

According to ASTM E 1527-00, Section 7.2.2, "one or more additional state or local sources of environmental records may be checked, in the discretion of the environmental professional, to enhance and supplement federal and state sources... Factors to consider in determining which local or additional state records, if any, should be checked include (1) whether they are reasonably ascertainable, (2) whether they are sufficiently useful, accurate, and complete in light of the objective of the records review (see 7.1.1), and (3) whether they are obtained, pursuant to local, good commercial or customary practice." One of the record sources listed in Section 7.2.2 is water well information. Water well information can be used to assist the environmental professional in assessing sources that may impact groundwater flow direction, and in forming an opinion about the impact of contaminant migration on nearby drinking water wells.

From:  MARK MELANI
D3 Hazardous Waste

Subject: **Update of Environmental Site Assessment (ESA)**

Caltrans is preparing a right of way relinquishment agreement with the City of Roseville to relinquish a portion of right of way that captures the proposed Tee intersection of Fidelity Way and Blue Oaks Blvd. The October 24, 2005, ESA prepared by URS was reviewed for this relinquishment. Due to the date of the ESA, the Geotracker and Envirostor databases were reviewed to verify whether conditions had changed during the intervening years. Neither database identified any releases within or adjacent to the proposed relinquishment limits and environmental conditions have not changed since the 2005 ESA was prepared. Geotracker and Envirostor database search maps are attached to this memo.

Aerially deposited lead from the use of leaded fuels, may be present adjacent to state highways. District records do not identify that aerially deposited lead soils were placed within the relinquishment area. No other significant hazardous waste/material issues are identified for the proposed relinquishment area. The Caltrans portion of the right of way proposed for relinquishment does not appear to be affected by known hazardous waste or materials releases. The proposed relinquishment to the City of Roseville may proceed with no further review from our office.

If you have any further question or need more information, please call me at (530) 741-4556.

COUNCIL COMMUNICATION

CC #: 7743

File #: 0401-02-02-1

Title: 316 Vernon Office Building - Professional Services Agreement Amendment

Contact: Mike Isom 916-774-5527 misom@roseville.ca.us

Meeting Date: 6/15/2016

Item #: 7.20.

RECOMMENDATION TO COUNCIL

Staff recommends that the City Council adopt a resolution approving the 1st amendment to the professional services agreement with Quality Assurance Engineering, Inc., DBA Consolidated Engineering Laboratories ("CEL") to perform required special inspections and materials testing services for the 316 Vernon Office Building project and authorize the City Manager to execute the agreement on the City's behalf.

BACKGROUND

CEL was retained by the City earlier this year to act as the code-required third-party special inspection agency. The role of a third-party special inspection agency is to observe and document specific elements of work performed by the general contractor and sub trades to ensure structural safety of the building, not to actually direct or oversee work performed. The special inspection agency ultimately has no control over potential unforeseen site conditions, construction process and progress, scheduling, or workmanship. Therefore, the original price proposal was a best guess estimate based on experience with other projects of similar nature and scope.

In this particular case, the project experienced inefficiencies on the part of some sub-contractors that required additional CEL inspection time, overtime, and re-inspection of work. The additional cost attributable to sub-contractor inefficiencies will be back-charged to the subcontractors by DPR, which will be reflected in a credit to the construction contract budget. Therefore, the net cost to the City will be substantially less than the \$19,396 increase to the special inspections contract.

To complete the required special inspections and materials testing, an amendment to the professional services agreement with CEL is required, as summarized in the attached scope letter.

The proposed amendment would add \$19,396.26 to the agreement with CEL, resulting in a revised not-to-exceed total of \$80,167.98. The special inspections and testing line item in the 316

Vernon project account remains well under budget, and sufficient funds remain available in the project account.

FISCAL IMPACT

Approval and execution of the 1st amendment to the professional services agreement with CEL for \$19,396.26 will result in a total fiscal impact of \$80,167.98, of which a portion will be credited to the project through back-charges to subcontractors. Sufficient funds are available in the 316 Vernon project account. No General Fund monies are required.

ECONOMIC DEVELOPMENT / JOBS CREATED

Approval of the professional services agreement is not expected to result in significant economic development or job creation. However, the 316 Vernon project is estimated to result in the following economic impact:

244 total jobs associated with construction: 154 direct and 90 through indirect and induced activities.

\$33,294,034 in total annual economic output: \$21,000,000 in direct output and another \$11,894,034 through indirect and induced activities.

ENVIRONMENTAL REVIEW

Development of the 316 Vernon Street Office Building project is identified in the approved City of Roseville Downtown Specific Plan and was previously evaluated at a "project level" in accordance with CEQA in the Downtown Specific Plan (DTSP) final Environmental Impact Report (EIR) (certified April 1, 2009; SCH# 2007102090). Construction and operation of the proposed office building project is found to be within the scope of the project covered by the DTSP EIR. Because the proposed project is consistent with the DTSP and EIR, no new effects would be expected to occur and all applicable mitigation measures from the DTSP EIR will be implemented during the design, construction and operation of the project. Therefore no additional environmental documentation is required.

Respectfully Submitted,

Mike Isom, Development Services Manager

Kevin Payne, Development Services Director

Rob Jensen, City Manager

Resolution No. 16-227

1st Amendment to Professional Services Agreement with CEL

RESOLUTION NO. 16-227

APPROVING A FIRST AMENDMENT TO PROFESSIONAL SERVICES AGREEMENT
BETWEEN THE CITY OF ROSEVILLE AND QUALITY ASSURANCE ENGINEERING,
INC., DBA CONSOLIDATED ENGINEERING LABORATORIES, AND AUTHORIZING
THE CITY MANAGER TO EXECUTE IT ON BEHALF OF
THE CITY OF ROSEVILLE

WHEREAS, a first amendment to professional services agreement for the 316 Vernon Street Office Building Materials Testing and Construction Inspection Services Project, by and between the City of Roseville and Quality Assurance Engineering, Inc., DBA Consolidated Engineering Laboratories, has been reviewed by the City Council; and

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Roseville that said amendment is hereby approved and that the City Manager is authorized to execute it on behalf of the City of Roseville.

PASSED AND ADOPTED by the Council of the City of Roseville this ____ day of _____, 20__, by the following vote on roll call:

AYES COUNCILMEMBERS:

NOES COUNCILMEMBERS:

ABSENT COUNCILMEMBERS:

MAYOR

ATTEST:

City Clerk

**FIRST AMENDMENT TO
PROFESSIONAL SERVICES AGREEMENT**

Project: 316 Vernon Street Office Building
Materials Testing and Construction Inspection Services

THIS FIRST AMENDMENT TO AGREEMENT is made and entered into this ____ day of _____, 20__, by and between the City of Roseville, a municipal corporation ("CITY"), and Quality Assurance Engineering, Inc., d/b/a Consolidated Engineering Laboratories, a California corporation ("CONSULTANT"); and

W I T N E S S E T H:

WHEREAS, CITY and CONSULTANT previously entered into a Professional Services Agreement dated November 18, 2015 ("Agreement") regarding 316 Vernon Street Office Building Materials Testing and Construction Inspection Services ("Project"); and

WHEREAS, CITY desires to amend the Agreement to include additional services as described in CONSULTANT's letter/proposal dated May 18, 2016, which is attached hereto as Exhibit "A" and incorporated herein by reference; and

WHEREAS, CONSULTANT is willing and able to provide such additional services; and

NOW, THEREFORE, the parties agree as follows:

1. CONSULTANT shall provide additional services as described in Exhibit "A" of this First Amendment to Agreement.

2. Paragraph 2 of the Agreement is amended by adding an additional paragraph to read as follows:

“CITY shall pay nineteen thousand, three hundred ninety-six dollars and twenty-six cents (\$19,396.26), in consideration of the additional services as set forth in Exhibit “A” to the First Amendment to Agreement. This brings the total not to exceed contract amount to eighty thousand, one hundred sixty-seven dollars and ninety-eight cents (\$80,167.98).”

3. All other provisions of the Agreement shall remain unchanged and in full force and effect.

IN WITNESS WHEREOF, the City of Roseville, a municipal corporation, has authorized the execution of this First Amendment to Agreement in duplicate by its City Manager and attested to by its City Clerk under the authority of Resolution No. _____, adopted by the Council of the City of Roseville on the ____ day of _____, 20__, and CONSULTANT has caused this First Amendment to Agreement to be executed.

316 Vernon Street – New Office Building
Roseville, California
CEL #6003596PW
Materials Testing and Construction Inspection Services

Reference: *Original Proposal dated October 27, 2015*

Dear Mr. Griffin:

Consolidated Engineering Laboratories (CEL) has performed a budget update and determined that the original proposal dated October 27, 2015 will be exceeded for the subject project. There was some overtime that affected the budget. There was also an added scope for anchor/dowel inspection. Concrete and welding exceeded the original quantity due to schedule. The overages/added scope are summarized below:

Description	Quantity	Unit Rate	Subtotal	
Precast (Overtime)	17.5	\$108.00	\$ 1,890.00	
Shop, LB (Overtime)	6.5	\$108.00	\$ 702.00	
Stressing (Overtime)	6.5	\$108.00	\$ 702.00	
Non-Shrink Grout (Overtime)	18.0	\$108.00	\$ 1,944.00	
Field Welding (Overtime)	16.0	\$108.00	\$ 1,728.00	
Non-Shrink Grout (Double-time)	0.5	\$144.00	\$ 72.00	
Shop Welding (Shift)	30	\$ 10.00	\$ 300.00	
Reinforcing/Concrete	32	\$ 72.00	\$ 2,304.00	
Concrete Compression Test	50	\$ 12.00	\$ 600.00	
Anchor/Dowel Installation (Added Scope)	24	\$ 72.00	\$ 1,728.00	
Welding	64	\$ 72.00	\$ 4,608.00	
Subtotal:				\$16,578.00
Project Eng. & Mgmt. Fee (7%)			\$ 1,160.46	
Contingency Fee (OT, Unforeseen – 10%)			\$ 1,657.80	
RFAF – 001 Total:				\$19,396.26
Original Contract Amount:				\$60,771.72
GRAND TOTAL:				\$80,167.98

We respectfully request an additional **\$19,396.26** to complete The 316 Vernon Street project. Should you have any questions or require additional information, please do not hesitate to contact me.

COUNCIL COMMUNICATION

CC #: 7787
File #: 0203-05

Title: Telecommunications System - Master Sales & Maintenance Agreement Amendment
Contact: Matt Donaldson 916-774-5405 mdonaldson@roseville.ca.us

Meeting Date: 6/15/2016
Item #: 7.21.

RECOMMENDATION TO COUNCIL

Staff recommends Council approve the Master Sales and Maintenance Agreement with Altura Communication Solutions to update the telephone system and adopt the attached resolution authorizing the City Manager to sign said agreement which will be no more than \$175,000.00.

BACKGROUND

Many of the software components in the City's existing telecommunications system have or will soon be passed end-of-life. The software and hardware components are old and in most cases, no longer supported. The City will engage Altura Communication Solutions to update the aged components, virtualize the servers, and upgrade the gateway hardware. This agreement is a Sole Source with Altura due to proprietary and standardized products involved in the upgrade.

FISCAL IMPACT

The total cost for these services will not exceed \$175,000.00. Funding is included in the IT Rehab budget for FY 2015/16.

ECONOMIC DEVELOPMENT / JOBS CREATED

Not applicable. There are no jobs created by this agreement.

ENVIRONMENTAL REVIEW

The California Environmental Quality Act (CEQA) does not apply to activities that will not result in a direct or reasonably foreseeable indirect physical change in the environment (CEQA Guidelines §15061(b)(3)). Consulting does not include the potential for a significant environmental effect, and therefore is not subject to CEQA.

Respectfully Submitted,

Matt Donaldson - IT Program Manager (Network Infrastructure)

Hong Sae, Chief Information Officer

Master Sales and Maintenance Agreement (Amended 06/06/16)

THIS MASTER SALES AND MAINTENANCE AGREEMENT ("Agreement") is made this 1st of March, 2006, ("Effective Date") by and between Altura Communication Solutions, LLC, a Delaware limited liability company ("Altura"), and City of Roseville, a ("Customer"). The parties agree as follows:

- 1. SYSTEM AND MAINTENANCE SERVICES.** This Agreement governs Customer's orders for (i) purchase and installation of telecommunications equipment ("Equipment") and/or licensed software ("Software") (collectively, the "System"), (ii) maintenance services during the Warranty Period (as defined below) ("Warranty Maintenance Services"), (iii) maintenance services after the Warranty Period ("Post-Warranty Maintenance Services"), and/or (iv) other related services, at a single location or multiple locations (the "Premises"). Each order shall be set forth on an order form (the "Order Form") in the form attached to this Agreement as Exhibit A and attached hereto.
- 2. TERM.** The term of this Agreement shall commence on the Effective Date and will end, except as otherwise provided herein, upon expiration of the later of the Warranty Period and any Post-Warranty Maintenance Term (as defined below) hereunder (the "Term").
- 3. AGREEMENT.** This Agreement incorporates the General Terms and Conditions attached hereto and any Exhibit, Schedule and/or Scope of Work executed by the parties and attached hereto. Except as set forth on the front page of this Agreement, all capitalized terms shall have the meanings set forth in the General Terms and Conditions.
- 4. NOTICES.** Notices shall be in writing and will be deemed given when delivered in person, or when sent via facsimile, overnight courier, or when mailed by certified mail (return receipt requested) to the addresses set forth below. The parties shall notify each other of any changes of address.

GENERAL TERMS AND CONDITIONS

5. PRICE AND PAYMENT TERMS.

(a) **Sale; Payment.** The total purchase price of the System excluding taxes (the "Purchase Price") is set forth on the Order Form. Unless otherwise indicated, the Purchase Price includes costs of shipping and installation. If Customer is purchasing a System or part thereof, Customer shall pay (i) 30% of the Purchase Price upon execution of this Agreement, (ii) 60% of the Purchase Price on the date of Delivery or the date Customer notifies Altura of Customer's desire to delay Delivery, and (iii) 10% of the Purchase Price on the date of Acceptance (as defined below).

(b) **Lease; Payment.** If Customer elects to enter into a lease arrangement rather than a direct purchase from Altura, Customer shall enter into a binding agreement (the "Lease") satisfactory to Altura with a leasing company or other financial institution ("Lessor") satisfactory to Altura providing for a lease of the Equipment by Customer from Lessor. Altura shall reasonably cooperate with Customer in arranging for such Lease; however, Altura shall have no liability if such Lease is not obtained, nor shall Altura have any liability under the Lease. Upon execution by Customer of this Agreement, Customer shall deposit with Altura 30% of the Purchase Price as a deposit ("Deposit"). Upon the effective date of the Lease and upon receipt of a purchase order from Lessor for the Equipment, in form satisfactory to Altura, Altura will credit the Deposit to Customer's account with Lessor. Altura shall not be required to commence the shipment or installation of the Equipment until Altura has received the purchase order, a copy of the Lease executed by Customer and Lessor, and the Deposit. The date of Cutover will be extended accordingly in the event of a delay in receiving the purchase order, executed Lease or Deposit. In the event Customer is unable to secure a lease within sixty (60) days of signing this Agreement, or at least sixty (60) days prior to the scheduled installation date if earlier, the applicable order will be canceled and Customer will reimburse Altura for any out-of-pocket costs and expenses incurred by Altura with respect to this Agreement.

(c) **Sales and Use Taxes.** (i) Altura will collect sales and/or use tax from Customer on the total amount of Purchase Price, Service Fee (as defined below) and shipping charges based on the tax laws and tax rates in effect in the state to which the System is shipped or in which the Warranty Maintenance Services and Post-Warranty Maintenance Services (collectively, the "Maintenance Services") are performed, unless: (A) Customer provides a tax exemption or resale certificate for the state(s) to which the System is shipped or in which the Maintenance Services are performed; or (B) Customer demonstrates that no sales or use tax is due on the Service Fee in the locale in which services are performed. (ii) If sales or use taxes are not invoiced or collected, and it is later determined that sales or use taxes apply, Customer agrees to pay such taxes, with any interest or penalties.

(d) **Other Payment Terms.** All charges are due and payable as indicated in this Agreement. Past due amounts bear interest at a rate of 1.5% per month or the maximum permitted by law. "Delivery" is defined as on-site delivery of the main processor at the Premises. "Cutover" occurs when a System is connected to the network, activated and functioning to provide basic service, excepting minor variances in performance of the System that do not materially impair basic service. All stated dates for Delivery, installation and Cutover are approximate and Altura shall not be liable for any loss, damage or expenses arising from delays in Delivery, installation or Cutover. No payment by Customer or receipt by Altura of a lesser amount of the Purchase Price or any other sum hereunder, shall be deemed to be anything other than payment and/or receipt on account of the Purchase Price schedule above, nor shall any endorsement or statement on any check or any letter accompanying such check or payment be deemed an accord and satisfaction. Altura may accept such check or payment without prejudice to Altura's right to recover the balance of the Purchase Price or pursue any other remedy available under this Agreement at law or in equity. Customer shall not be relieved of its payment obligations due to the failure of Lessor or any third party to make timely payments.

6. **ACCEPTANCE.** After Altura installs a System, Altura shall test the System in accordance with the manufacturer's diagnostic and readiness test specifications. The System will be deemed accepted by Customer after it has been Cutover and has operated in accordance with the manufacturer's specifications and the scope of work ("Acceptance"). Customer will, upon Acceptance, promptly execute an In-Service Certificate. If a System is installed in phases, Altura may request a separate written In-Service Certificate for each phase. If Customer has entered into a Lease and Acceptance has occurred, upon request by Altura and/or Lessor, Customer shall execute a Delivery and Acceptance Notice ("D&A Notice"). If Customer fails and/or refuses to execute a D&A Notice, notwithstanding anything to the contrary set forth herein or in the Lease, Customer shall be liable to Altura for the full Purchase Price of the System which shall be due and payable immediately.

7. **ORDERING PROCEDURES.** The purchase of any Equipment, Software and/or Maintenance Services (excluding Modifications as set forth in Section 8 below) is subject to the following procedures:

(a) Upon Customer's request, by purchase order or otherwise, Altura will prepare and remit to Customer an Order Form for each new System or Maintenance Service.
(b) Customer shall notify Altura of its acceptance or rejection of Altura's quote within thirty (30) days of Customer's receipt of the Order Form by signing the Order Form and returning it to Altura. Altura's quote will expire if Customer fails to return the Order Form within the thirty (30) day period. Any additional terms on the executed Order Form shall be construed as proposals for addition to the contract and will not become part of the Agreement unless Altura expressly indicates its assent thereto.

(c) Altura shall acknowledge acceptance of Customer's order by signing and returning the Order Form to Customer with, if applicable, indication that Altura has agreed to be bound by any additional terms proposed by Customer. Altura's failure to return the executed Order Form to Customer shall indicate rejection of the order. All Order Forms executed by both parties are deemed incorporated into this Agreement.

(d) Unless expressly accepted by both parties in writing, no terms on any Customer-issued purchase order or other Customer-issued ordering documentation shall be binding upon Altura or become a part of this Agreement. This Agreement shall govern any Lease, security agreement, Customer-issued purchase order, or other agreement. No additional terms shall be binding unless agreed upon by both parties in writing.

(e) A schedule ("Schedule") and/or scope of work ("Scope of Work") may be attached to the Order Form. Any Schedule and/or Scope of Work attached to an Order Form shall be deemed incorporated into this Agreement provided that both parties mutually agree upon and execute the Schedule and/or Scope of Work.

8. CHANGES, CLAIMS, RETURNS AND CANCELLATIONS.

(a) **Changes.** Upon Customer's request, by purchase order or otherwise, Altura shall perform moves, adds, changes, or deletions to a System ("Modifications") pursuant to an executed Sales Change Notice ("SCN") before Cutover, or a Moves, Adds or Changes Order ("MAC") after Cutover. All executed SCN's and/or MAC's shall be deemed incorporated into this Agreement. Changes to the Equipment will result in added charges to be paid by Customer promptly upon receipt of an invoice for such additional charges. Cumulative delays requested by Customer of more than twenty (20) days may result in increased associated labor and material costs, plus increases instituted by Altura and any applicable equipment shortage and carrying charges.

(b) **Claims.** Altura will not accept Customer claims of shortages, discrepancies or damage to Equipment Altura does not install unless Customer notifies Altura of such claims in writing within fourteen (14) calendar days of Delivery.

(c) **Returns.** Altura will only accept return of Equipment which reflects a Return Merchandise Authorization ("RMA") number, is in its original packaging, and is in

the same condition as delivered, ordinary wear and tear excepted. Altura shall charge a restocking fee for Equipment returns unless the Equipment is defective, delivered in error, or delivered pursuant to a SCN issued by Altura. The parties agree that Altura may reject any return or exchange request that does not strictly comply with Altura's return procedures.

(d) **Cancellations.** If Customer cancels an order for Equipment and/or Software in whole or in part, Customer shall pay Altura (i) all reasonable costs and expenses for Equipment, material and labor incurred in connection with Altura's preparation for or actual performance pursuant to an order, and (ii) as liquidated damages and as a reasonable estimate of Altura's lost profits, and not as a penalty, 20% of the Purchase Price.

9. RISK OF LOSS, TITLE AND SECURITY INTEREST.

(a) **Risk of Loss.** Customer assumes the risk of loss with respect to each piece of Equipment from the date such piece of Equipment is delivered to the Premises. Customer shall maintain insurance for the full insurable value of the System in an amount equal to the unpaid balance of the Purchase Price and shall name Altura as an additional insured under its policy.

(b) **Transfer of Title.** Title shall pass to Customer upon payment in full of the Purchase Price plus taxes. Title to all parts used to repair the Equipment shall remain in Altura until installed and all parts removed and/or replaced in providing the Maintenance Services shall become the property of Altura.

(c) **Security Interest.** Customer grants Altura a purchase money security interest in the Equipment to the extent of any unpaid balance of the Purchase Price and taxes. Customer agrees to execute such documents as Altura may reasonably require to perfect its security interest in the Equipment. Until title passes to Customer, Customer will not create, assume or suffer to exist any security interest, lien or encumbrance upon the Equipment ranking equal to or above Altura's security interest in the Equipment nor will Customer sell, lease dispose of or remove the Equipment from the Premises.

10. CUSTOMER'S RESPONSIBILITIES.

(a) Customer shall (i) permit full access to the Premises for Altura to perform services pursuant to this Agreement including periodic maintenance inspections; (ii) permit Altura to access the System remotely by installing and maintaining a dedicated outside central office telephone line connected to the System; (iii) maintain the Equipment in a clean, ventilated room free of non-communications equipment and material and the temperature and humidity shall be maintained within the manufacturer's specified operating ranges; (iv) provide a lockable door to the equipment room; (v) limit access to equipment room to authorized personnel only; (vi) provide first level fault isolation and, if possible, resolution; and (vii) operate the System strictly in the manner prescribed by Altura and will not move, alter or permit the alteration of any of the Equipment or Software without the prior written consent of Altura. Altura will invoice Customer at its then current time and materials rate for any expenses related to delays resulting from conditions at the Premises which preclude Altura's performance.

(b) Customer represents and warrants that the Premises shall: (i) be in compliance with all applicable federal, state and local laws, rules and regulations; (ii) be safe and non-hazardous; and (iii) not contain, present, or expose Altura technicians to hazardous materials or substances. If Customer breaches this Section 10, Altura may immediately suspend performance until Customer has corrected such condition(s). If Customer does not correct such condition(s), Altura may elect, at its sole discretion, to recommence performance or terminate the Order with respect to such Premises without liability.

(c) If Customer requests an upgrade to an existing system not maintained by Altura under a current agreement, Altura may require, at Customer's expense, that the existing system be brought into compliance with the manufacturer's specifications before installing the upgrade. Altura will invoice Customer at its then current time and materials rate, and Customer agrees to pay Altura, to inspect the existing system and, upon Customer's request, bring the system into compliance with the manufacturer's specifications.

11. LIMITATION OF LIABILITY.

(a) IN NO EVENT SHALL ALTURA, ITS SUPPLIERS OR SUBCONTRACTORS BE LIABLE FOR: (i) ANY INDIRECT, INCIDENTAL, SPECIAL, OR EXEMPLARY DAMAGES; (ii) CONSEQUENTIAL DAMAGES, INCLUDING, WITHOUT LIMITATION, COMMERCIAL LOSS OF ANY KIND INCLUDING, WITHOUT LIMITATION, LOSS OF BUSINESS, GOODWILL, PROFITS, REVENUE OR SAVINGS, LOSS OF DATA OR MESSAGES, OR (iii) ANY DAMAGES OF ANY KIND RESULTING FROM UNAUTHORIZED USE OF OR INTRUSION INTO THE SYSTEM, INCLUDING TOLL FRAUD. THIS PROVISION APPLIES TO ALL CLAIMS WHETHER BASED UPON BREACH OF WARRANTY, BREACH OF CONTRACT, NEGLIGENCE, STRICT LIABILITY IN TORT OR ANY OTHER LEGAL THEORY, AND REGARDLESS OF WHETHER ALTURA, ITS SUPPLIERS OR ITS SUBCONTRACTORS HAVE BEEN ADVISED OF THE POSSIBILITY OF SUCH LOSS OR DAMAGES.

TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, ALTURA'S LIABILITY FOR LOSS OR DAMAGES RELATED TO THE SALES AND INSTALLATION OF THE EQUIPMENT SHALL NOT EXCEED THE PRICE PAID FOR THE PARTICULAR ITEM OF EQUIPMENT REGARDLESS OF THE FORM OF ANY CLAIM, WHETHER IN CONTRACT, TORT, NEGLIGENCE OR UNDER THE U.C.C., OR UNDER ANY OTHER THEORY IN LAW OR EQUITY. ALTURA'S SOLE LIABILITY RELATED TO THE PROVISION OF MAINTENANCE SERVICES BY ALTURA HEREUNDER SHALL BE LIMITED TO THE COSTS ASSOCIATED WITH THE REPERFORMANCE OF WORK, REPAIRS, ADJUSTMENTS, OR ANY COMBINATION THEREOF, AND/OR THE COST OF MATERIAL PROVIDED SUCH AS REPLACEMENT PARTS.

ALTURA SHALL HAVE NO LIABILITY RESULTING FROM USE OF THE EQUIPMENT IN CONJUNCTION WITH LIFE SUPPORT DEVICES, MEDICAL DEVICES, NATIONAL DEFENSE, PUBLIC TRANSPORTATION, AVIATION, OR OTHER CRITICAL USES WHICH MAY SUBJECT THE PUBLIC TO HARM.

ALTURA SHALL NOT BE RESPONSIBLE FOR FAILURE TO PROVIDE SERVICE HEREUNDER (i) AT LOCATIONS DEEMED HAZARDOUS TO THE HEALTH OR SAFETY OF ALTURA'S EMPLOYEES OR AGENTS, OR (ii) WHERE SUCH FAILURE RESULTS FROM CAUSES BEYOND THE REASONABLE CONTROL OF ALTURA, INCLUDING, BUT NOT LIMITED TO EVENTS OF FORCE MAJEURE AS SET FORTH HEREIN AND ACTS OR OMISSIONS OF CUSTOMER, SUBCONTRACTORS OR SUPPLIERS. TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, ALTURA AND ITS AGENTS SHALL HAVE NO LIABILITY FOR DAMAGES ARISING FROM MANUFACTURING, DESIGN OR INSTALLATION DEFECT OF EQUIPMENT OR UNAUTHORIZED USE OF CUSTOMER'S SYSTEM BY PERSONS OTHER THAN EMPLOYEES OF ALTURA OR ITS AGENTS. TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, IN NO EVENT SHALL ALTURA BE LIABLE TO CUSTOMER FOR ANY DAMAGES ARISING FROM OR RELATED TO FAILURE OR INTERRUPTION OF SOFTWARE PRODUCT(S).

(b) Altura shall be liable for any physical damage it causes to the System or its components; such liability is limited to Altura's repair of the System or component, or if the System or component cannot be repaired, replacement with a comparable System or component.

12. SOFTWARE LICENSE.

(a) **General.** All Software licensed hereunder is proprietary and confidential, having been developed by or for Altura or a third party provider. All such software and all copies or modifications thereof are or shall become the property of Altura or its third party provider. Only one right of use of the Software is being licensed herein. Each piece of Software is licensed to Customer solely for Customer's use only with the specific piece of Equipment to which it relates. Customer shall ensure that anyone who uses the Software does so only in compliance with the terms of this Agreement. Customer shall not reverse engineer or decompile any of the Software. Customer shall use such Software only as stated herein, shall not use the Software with any other equipment item and shall not disclose or transfer the Software, or any part of it, to any other party except with the express written permission of Altura, which permission to transfer may be granted by the specific software license furnished with or for the Equipment herein if applicable provided the transferee agrees in writing to be bound by these provisions. This Software protection will be supplemented by the provisions of any software license furnished with or for the Equipment.

(b) **Grant of License.** Customer is granted a Software license directly from Avaya, Inc. ("Avaya") and/or the manufacturer pursuant to the terms of this Agreement and/or the software license agreement attached to this Agreement, the Order Form or delivered with the Equipment. Any such license agreement shall be deemed

incorporated into this Agreement and shall exclusively and independently govern the licensing of such Software; provided, however, Customer acknowledges and agrees: (i) to be bound by the terms of any software license agreement of Avaya and/or any third party provider in connection with Equipment manufactured and/or provided by or through Avaya; (ii) that Avaya shall be a third party beneficiary of the license(s) granted to Customer by or through Avaya; (iii) that Avaya may enforce its rights directly against Customer for any breach thereof; (iv) that Altura or Avaya may cancel any license to Customer for failure to comply with any provision of any software license agreement provided in connection with Equipment manufactured and/or provided by or through Avaya; (v) not to modify any Software provided in connection with Equipment manufactured and/or provided by or through Avaya; and (vi) to cooperate with and to permit Avaya to audit (including via remote access) the system configuration containing the Equipment manufactured and/or provided by or through Avaya in order to verify compliance with the license(s) granted to Customer, provided that such audit shall be conducted at the time of enablement of any separately licensed feature or incremental unit of capacity and at other times selected by Avaya which, except in the event of emergencies or suspected violations, shall not be more than once per calendar year upon at least two (2) business days' notice. In addition to the Software license granted by Avaya, Altura grants Customer a non-exclusive, non-transferable, limited license to use the Software only in the System for its useful life, provided Customer: (i) does not disclose information about the Software to a third party without Altura's prior written consent; (ii) uses the System solely for Customer's internal business purposes; (iii) does not copy any part of the Software without Altura's consent, (iv) does not attempt to develop any source code from the Software; and (v) returns, erases or destroys any Software on any media being recycled or discarded and so certifies to Altura. Subject to Section 22(b) hereof and the payment of a right-to-use fee, Customer may transfer the right to use the Software to an end user who acquires the right to use the System and agrees to be bound by the terms of this license.

(c) **Copies.** If the Software contains documentation that is provided only in electronic form, then Customer is authorized to print only one copy of the documentation per licensed copy of the Software program. If the Software is provided as a program upgrade, then authorization to use the Software from which Customer is being upgraded shall be limited to use in connection with the upgrade, and shall be limited to the total number of Customer's authorized or licensed copies of the Software.

(d) **Restricted Rights.** The Software and related documentation is provided to the United States Government ("Government") with RESTRICTED RIGHTS. Use, duplication, or disclosure by the Government is subject to restrictions as set forth in subparagraph c)(1) (ii) of the Rights in Technical Data and Computer Software clause at DFARS 252.227-7013 or subparagraphs c)(1) and (2) of the Commercial Computer Software- Restricted Rights at 48 CFR 52.227-19, as applicable. Distributor is Altura Communication Solutions, LLC, 2890 E. White Star Ave, Anaheim, CA 92806, or its licensor.

(e) **Export.** Customer agrees not to export or re-export directly or indirectly any Software (including source code), technology, or direct products of Software or technology to any countries or nationals of any countries except in compliance with the U.S. Export Administration Regulations. In conjunction therewith, and in conformity with the United States Export Administration Act and regulations promulgated thereunder, Customer represents and warrants that Customer shall not disclose, export or re-export, directly or indirectly, any Equipment or technical data (or direct products thereof) provided under this Agreement to destinations in Country Groups Q, S, W, Y and Z as modified from time to time by the U.S. Department of Commerce, or that are otherwise controlled under said Act and regulations. Without limiting the foregoing, Customer shall comply with all applicable export control, import control and trade embargo laws, rules and regulations, whether foreign or domestic. Customer shall not resell, export, import, re-export, distribute, transfer or dispose of Equipment or technical data, directly or indirectly, without first obtaining all necessary written consents, permits and authorizations and completing such formalities as may be required by any such laws, rules and regulations. Failure by Customer to comply with such laws, rules and regulations shall constitute a material breach of this Agreement which is incapable of being cured. Customer shall ensure that its employees, agents, partners, customers, and the like also comply with such laws, rules and regulations. Customer shall not do anything which would cause Altura, or its suppliers or licensors to be in breach of such laws, rules and regulations, and shall protect, indemnify and hold harmless Altura and its suppliers and licensors from any fines, damages, costs, losses, liabilities, penalties and expenses incurred by Altura or its affiliates, suppliers or licensors as a result of the errors, mistakes, failures or omissions of Customer, or any third party under agreement with Customer, including without limitation any failure by Customer to comply with these terms and conditions.

(f) **Breach of License.** Customer acknowledges that the Software is proprietary and confidential, and is the property of Altura or a third party licensor. Notwithstanding any other provision of this Agreement, Customer's failure to comply with the terms of this Section 12 shall be deemed a material breach of this Agreement. Accordingly, Altura shall be entitled to immediately terminate this Agreement and all of Customer's rights and privileges to the Software, and to obtain injunctive and other relief as necessary to protect Altura from any potential damage resulting from such breach.

13. LIMITED WARRANTY.

(a) Altura warrants that (i) the Equipment it installs will be free from defects in materials and workmanship and will operate in accordance with manufacturer's specifications for one (1) year after Cutover (the "Equipment Warranty Period"); and (ii) the Software provided with the Equipment will conform in all material respects to the applicable software specifications for ninety (90) days from Cutover (the "Software Warranty Period," together with the Equipment Warranty Period, the "Warranty Period"); provided, however, that if Cutover is delayed by more than thirty (30) days due to Customer's acts or omissions, the Warranty Period shall be reduced by such number of days in excess of thirty (30) calendar days. Notwithstanding the foregoing, with respect to Equipment and/or Software used in an upgrade to an existing System or Equipment and/or Software installed after Cutover arising out of the performance of Maintenance Services or authorized Modifications, the Warranty Period for such Equipment and/or Software shall terminate upon the later of the expiration of the applicable Warranty Period for the existing Equipment and/or Software and ninety (90) days after installation.

(b) Exclusions.

(i) The warranty provided herein applies only to Equipment and Software sold or leased pursuant to the terms of this Agreement and does not apply to other Equipment or Software, including, without limitation, rented Equipment or Equipment that is the subject of a shared maintenance arrangement.

(ii) Customer's SOLE AND EXCLUSIVE REMEDY for breach of any warranty is limited to the remedies in Section 14 below. Altura's liability terminates at the end of the applicable Warranty Period or the Post-Warranty Maintenance Term, if applicable, including liability for any manufacturing defects that Customer did not discover within the Warranty Period. If, however, it is determined that such remedy fails of its essential purpose, then Altura's entire liability is limited to Altura's payment of Customer's actual damages in an amount not to exceed the portion of the Purchase Price allocable to the Equipment related to the claim, less a reasonable amount for its use. Except as set forth above, Maintenance Services provided during the Warranty Period will not extend or restart the Warranty Period.

(iii) Altura does not warrant that the Equipment will run uninterrupted or error-free.

(iv) The foregoing warranty shall be void if the System has been subject to: (A) damage caused by Force Majeure conditions; (B) Customer's failure to follow operational, maintenance, or environmental requirements described in the manufacturer's manuals or product bulletins, or Altura manuals and other documentation; (C) Customer's or third party's additions, alterations, modifications, enhancements, repairs or disassembly without Altura's written consent; (D) Customer's or third party's mishandling, abuse, misuse, negligence or damage; (E) relocation without Altura's written consent (other than telephone instruments relocated in accordance with the manufacturer's specifications); (F) Customer's failure to promptly advise Altura of a malfunction which delay exacerbates the malfunction; (G) operation beyond the System's design range or improper testing; (H) failures or changes required by the local exchange company interexchange carrier, the power company or the transmission providers; and/or (I) malfunctions of third party equipment including batteries and auxiliary equipment and equipment owned by the public telephone network.

(v) The above limited warranty does not extend to, and Altura does not warrant, products or Equipment normally consumed in operation or which have a normal life shorter than twelve (12) months. With respect to such products or Equipment, Altura conveys to Customer the warranty, if any, of Altura's supplier, to the extent that such warranty can be conveyed.

(vi) Although the Equipment is designed to be reasonably secure, Altura makes no express or implied warranty that Equipment is immune from or, will prevent fraudulent intrusion, unauthorized use or disclosure or loss of proprietary information. When enabled, certain Software features, including silent monitoring features, could be used improperly in violation of privacy laws. Altura prohibits the use of Software in any improper manner or for any illegal use. Notwithstanding anything

contained in this Agreement to the contrary, Altura shall not be liable for any improper or unlawful use of such features and Customer shall indemnify, defend and hold Altura harmless from any losses, claims, liabilities or damages to the extent due to any improper or illegal use of the System or any of its components by or for Customer.

(vii) **THE WARRANTIES PROVIDED BY THIS SECTION 13 ARE IN LIEU OF ALL OTHER EXPRESS WARRANTIES AND IMPLIED WARRANTIES, INCLUDING, BUT NOT LIMITED TO, THE WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE AND NON- INFRINGEMENT. ALTURA DISCLAIMS ANY WARRANTY TO PREVENT UNAUTHORIZED USE OF OR INTRUSION INTO THE SYSTEM INCLUDING TOLL FRAUD.**

14. WARRANTY MAINTENANCE SERVICES AND POST-WARRANTY MAINTENANCE SERVICES.

(a) **Level of Service.** Subject to the terms of this Agreement, during the Term, Altura shall maintain the System in good operating condition in accordance with generally accepted telephone industry standards. Altura shall provide Customer with Standard Services, as set forth in subsection (b) of this Section 14 ("Standard Services"). In addition, Customer may elect enhanced optional coverage ("Optional Coverage"), as set forth in subsection (c) of this Section 14 by so indicating on the Order Form. During the Warranty Period, Altura shall provide Standard Services at no extra charge to Customer. If Customer elects to receive Post-Warranty Maintenance Services, Altura shall provide and Customer agrees to pay for Standard Services at the rate set forth on the Order Form during the period of time selected (the "Post-Warranty Maintenance Term"). If Customer elects to receive Optional Coverage, Altura shall provide and Customer agrees to pay for such Optional Coverage at the rate set forth on the Order Form.

(b) **Standard Services.** For a major System malfunction resulting in total System failure, failure of a console or application processor, or failure of 10% or more of a System's trunks or stations ("Major System Malfunction"), Altura will endeavor to respond to service requests remotely or on-site within four (4) business hours of receipt of notice from Customer, between 8 a.m. and 5 p.m. local time, Monday through Friday including Altura Observed Holidays (as defined below). All other malfunctions are classified as non-emergency. Altura will endeavor to respond to non-emergency service requests within one business day of receipt of notice from Customer, except when the request is made on or the day before a weekend day or an Altura Observed Holiday, in which case Altura will respond by the next business day. At Customer's request, Altura will use commercially reasonable efforts to perform emergency and non-emergency services outside normal working hours subject to manpower availability at Altura's then current rates. In performing the Maintenance Services, provided that the malfunction can be reproduced or verified, Altura will, at its option and expense, repair a System at the Premises, or accept return of System components for repair or replacement provided that maintenance of Software shall be limited to the database of the System and shall not include maintaining generic or operating software included in the Software other than normal reloading. Repair and replacement parts may be new or reconditioned to be the functional equivalent of new. Altura Observed Holidays shall mean New Year's Day, Good Friday, Memorial Day, Fourth of July, Labor Day, Thanksgiving Day, the day after Thanksgiving Day, Christmas Eve Day, Christmas and New Year's Eve Day, and shall not be considered business days. Customer agrees to execute Altura's form of Field Service Report for all Maintenance Services provided hereunder.

(c) **Optional Coverage.** Customer may elect to receive one or more of the following Optional Coverages by so indicating on the Order Form: (i) Standard Services but provided twenty-four (24) hours per day, seven days per week including Altura Observed Holidays ("24x7 Coverage"); and/or (ii) Standard Services but provided with a two (2) hour response time for Major System Malfunctions ("2 Hour Coverage"); or (iii) Standard Services but provided twenty-four (24) hours per day, seven days per week including Altura Observed Holidays for the Warranty Period with a two (2) hour response time for Major System Malfunctions for the Warranty Period and Post-Warranty Maintenance Term ("Value Plus Maintenance"). Payment for any Optional Coverage shall be due together with the Purchase Price and any Service Fee, as applicable.

(d) **Additional Services.** Notwithstanding the foregoing, the following services ("Additional Services") shall not constitute Standard Services and, subject to availability will be provided at Altura's then current rates: (i) furnishing expendables and supplies (platens, ribbons, thermal print elements, tape cartridges, batteries, etc.); (ii) repairs not attributable to normal wear and tear; (iii) non-emergency services (including maintenance inspections) outside of normal working hours; (iv) services provided outside a fifty (50) mile radius of the local service center; (v) Modifications and upgrades; (vi) electrical work external to the System; (vii) service which is impractical for Altura to render because of Equipment alterations or its connection to other devices, or because of alterations to operating systems; (viii) systems engineering services, programming, and operations procedures of any sort; and (ix) upon thirty (30) days prior written notice, relocation, removal, rearrangement and/or similar services within a fifty (50) mile radius of the local service center. Payment for Additional Services shall be due and payable upon receipt of invoice from Altura. Customer waives its right to claim that Maintenance Services requested hereunder were requested and/or approved by an unauthorized employee or agent.

(e) If Customer orders an upgrade to an existing system, then "System" shall mean "the existing system as upgraded by the System" for purposes of this Agreement.

15. POST-WARRANTY MAINTENANCE TERM; SERVICE FEE.

(a) Altura shall provide Post-Warranty Maintenance Services on Equipment for one (1) year from the day after the Warranty Period expires or no Post-Warranty Maintenance Services or another term, as indicated on the Order Form (such one (1) year term or other term to be referred to as the "Initial Term"). Maintenance parts are furnished on an exchange basis. The replaced parts become the property of Altura.

(b) At the end of the Initial Term, unless otherwise agreed, the Post-Warranty Maintenance Term shall automatically renew in successive annual periods at Altura's then current rate unless Customer or Altura declines such renewal in writing at least forty-five (45) days before the end of the Initial Term.

(c) The fee for Post-Warranty Maintenance Services is set forth on the Order Form ("Service Fee"). Customer may elect to be billed for such Post-Warranty Maintenance Services on a quarterly, semiannual or annual basis, in advance, as Customer indicates on the Order Form. After the Initial Term, Altura may adjust charges for Maintenance Services upon ten (10) days prior written notice, provided such adjustment does not exceed Altura's then standard rates for servicing like Equipment. Payment for Post-Warranty Maintenance Services shall be due and payable in advance, no later than the commencement of the first billing cycle and prior to commencement of each billing cycle thereafter. For customers electing a multi-year Post-Warranty Maintenance Term as set forth on the Order Form, charges for these services during the Initial Term will not increase more than the cumulative increase in the Consumer Price Index or 5% per annum, whichever is greater.

(d) If Customer has elected a Post-Warranty Maintenance Term of one (1) year or less, such Post-Warranty Maintenance Term may be terminated by Customer upon ninety (90) days prior written notice to Altura without charge. If Customer has elected a Post-Warranty Maintenance Term greater than one (1) year, such Post-Warranty Maintenance Term may be terminated by Customer upon ninety (90) days prior written notice to Altura; provided, however that all Service Fees payable or to become payable during the Post-Warranty Maintenance Term shall be accelerated and Customer shall pay Altura such accelerated amount within thirty (30) days of termination.

(e) After termination of the Post-Warranty Maintenance Term, Altura shall provide Maintenance Services to Customer pursuant to the terms and conditions of a separate agreement providing for maintenance on a time and materials basis.

16. MAINTENANCE SERVICES EXCLUSIONS.

(a) **Maintenance Services exclude repairs for:** (i) damage caused by Force Majeure conditions; (ii) Customer's failure to follow operational, maintenance, or environmental requirements described in the manufacturer's manuals or product bulletins, or Altura manuals and other documentation; (iii) Customer's or third party's additions, alterations, modifications, enhancements or repairs to, or disassembly of, the System without Altura's written consent; (iv) Customer's or third party's mishandling, abuse, misuse, negligence or damage to the System; (v) relocation of the System without Altura's written consent (other than telephone instruments relocated in accordance with the manufacturer's specifications); (vi) Customer's failure to promptly advise Altura of a malfunction which delay exacerbates the malfunction; (vii) operation beyond the System's design range or improper testing; (viii) failures or changes required by the local exchange company, interexchange carrier, the power company or other transmission providers; and/or (ix) malfunctions of third party equipment including batteries and auxiliary equipment and equipment owned by the public telephone network.

(b) **Post Warranty Maintenance Services excludes repairs and replacement of third party personal computers, application processor hardware and**

operating software that have been manufactured discontinued by the manufacturer. In the event of a failure, Altura will provide maintenance repairs on a best effort basis, with any new hardware or operating software billed at the Customers contracted rates.

(c) **Altura reserves the right to void the Warranty, cancel its service obligations for a System after the Warranty Period and accelerate payment of all Service Fees due or to become due under the Post-Warranty Maintenance Term if Customer installs or has installed gray market products, performs or permits a third party to perform Modifications without the prior written approval of Altura.**

17. **INDEMNIFICATION.** During the Warranty Period and any Post-Warranty Maintenance Term, each party shall indemnify the other for any third party claim alleging bodily injury, including death, or damage to tangible property to the extent such injury or damage is caused by the negligence of the indemnifying party, provided that such claim is promptly reported in writing and reasonable assistance is provided. The indemnifying party may, at its election, defend and control any such suit or proceeding.

18. **CONFIDENTIAL INFORMATION.** The parties agree: (i) not to disclose the Confidential Information (as defined below) of the other party, its agents and licensors, to third parties (excluding a party's agents or representatives); (ii) not to use the Confidential Information except in furtherance of the purposes of this Agreement; (iii) that the Confidential Information of a party is and shall remain the property of the disclosing party; and (iv) to return or destroy, at the request of the disclosing party, the other party's Confidential Information upon termination of this Agreement. Confidential Information includes information in any form regarding the business or operations of a party including, without limitation, the terms of this Agreement; provided, however that Confidential Information shall not include information that: (A) is or subsequently becomes publicly available without the receiving party's breach of any obligation owed to the disclosing party; (B) became known to the receiving party prior to the disclosing party's disclosure of such information to the receiving party; (C) became known to the receiving party from a source other than the disclosing party and other than by the breach of an obligation of confidentiality owed to the disclosing party; or (D) is independently developed by the receiving party. Nothing herein shall prevent disclosures that are required by law.

19. **DEFAULT.** Either party shall be entitled to seek adequate assurance of performance and thereafter terminate this Agreement and/or any outstanding Order Form and pursue its remedies in law or equity, except as otherwise limited by this Agreement, in the event that: (i) the other party fails to make any payment when due and fails to cure the nonpayment within ten (10) days of written notice; (ii) the other party commits a material breach of this Agreement (other than a payment breach) and fails to cure that breach within thirty (30) days of written notice describing the breach; (iii) if Customer refuses to permit Altura to perform its obligations under this Agreement, or purports to terminate or cancel this Agreement or any Order Form; (iv) a party files bankruptcy or fails to discharge an involuntary petition within sixty (60) days; or (v) a party ceases doing business or commences dissolution or liquidation. The aggrieved party may suspend performance of its obligations during the cure period for any breach described above. Upon termination of this Agreement resulting from Customer's failure to pay and/or material breach, Altura shall have the right to accelerate all Service Fees payable or to become payable hereunder and Customer shall pay Altura such accelerated amount within ten (10) days of termination.

20. **FORCE MAJEURE.** Altura's non-performance or delay shall be excused to the extent the failure or delay in performance is the result of events beyond Altura's reasonable control, including but not limited to, acts of God (e.g., lightning, earthquake, etc.), power failures, surges, or fluctuations, air conditioning failures, malfunction of external trunk or cable lines, labor disputes, shortages of supplies, riots, war, fire, epidemics, government regulation, court action, Customer's acts or omissions, or transportation difficulties.

21. **DISPUTE RESOLUTION.** In the event of a dispute arising out of this Agreement, the parties agree to negotiate in good faith to discuss and attempt to resolve the issues which are the subject of the dispute. ~~If such discussions fail to resolve the dispute, (i) disputes that are likely to affect or involve intellectual property rights shall be handled by a court of competent jurisdiction located in Orange County, California; (ii) disputes that involve payment hereunder may be handled, at Altura's sole discretion, either by a court of competent jurisdiction or by arbitration pursuant to this Section 21; and (iii) all other disputes shall be submitted to binding arbitration for final resolution. The arbitration shall be conducted in accordance with the Commercial Arbitration Rules of the American Arbitration Association ("AAA") and shall be held in Orange County, California. There shall be one arbitrator, and such arbitrator shall be chosen by mutual agreement of the parties in accordance with AAA rules. The findings of the arbitrator shall be final and binding on the parties and may be entered by either party in a court of competent jurisdiction located in Orange County, California for purposes of enforcement.~~ In the event that legal resolution is required, venue shall be in Orange County, California.

22. **MISCELLANEOUS.** (a) **Subcontractors.** Altura may subcontract services under this Agreement. (b) **Assignment.** Customer shall not assign this Agreement or any Order Form, or transfer the System or any part thereof, without Altura's prior written consent. Any assignment of any rights, duties or obligations under this Agreement without Altura's consent will be deemed null and void. (c) **Binding Effect.** This Agreement shall be binding upon and shall inure to the benefit of the parties and their respective successors and permitted assigns. (d) **Waiver.** Waiver by either party of any default will not operate as a waiver of any subsequent default. (e) **Enforcement.** The non-prevailing party in any dispute will be liable for the prevailing party's costs or expenses of enforcing this Agreement, including reasonable attorneys' and collection fees. (f) **Severability.** If any court finds any provision of this Agreement to be void, unlawful or unenforceable under any applicable statute or other controlling law, the remainder of this Agreement shall continue in full force and effect. (g) **Credit Approval.** Customer will provide Altura with credit information as requested, and Altura's obligations under this Agreement are subject to credit approval. (h) ~~Statute of Limitations. Except for tax issues in Sections (e), neither party may bring a cause of action arising from this Agreement more than two (2) years after the cause of action has accrued.~~ (i) **Governing Law.** This Agreement shall be governed by the laws of the State of California without regard to the conflicts of laws principles thereof. (j) **Statute of Frauds.** The parties may rely on a facsimile transmission of the other party's authorized signature to bind the other party and satisfy any applicable Statute of Frauds. (k) **Execution.** This Agreement may be executed contemporaneously in one or more counterparts, each of which shall be deemed an original, but which together shall constitute one instrument. (l) **Non-Solicitation.** Neither Customer nor its affiliates shall hire, employ or solicit with an offer to hire or employ any employees or agents of Altura, during the term of this Agreement and for one (1) year after termination. (m) **Independent Contractor.** Altura and Customer are independent contractors with respect to all rights and obligations under this Agreement. (n) **Entire Agreement.** This Agreement represents the entire agreement between the parties regarding the subject matter hereof and supersedes all prior written and oral representations. (o) **Amendments.** No amendment to this Agreement shall be effective unless it is in writing and signed by the parties. No usage of trade or course of dealing by or between the parties shall be deemed to constitute any modification or amendment of the terms of this Agreement. (p) **Document Precedence.** In the event of any conflict between this Agreement, any Order Form, Schedule or Scope of Work, unless otherwise indicated therein, with respect to each Order, the order of precedence shall be (i) the Order Form, (ii) the Schedules, (iii) the Scope of Work, and (iv) the Agreement.

Proposal for: Voice Systems Refresh & Virtualization – Labor Only

City of Roseville

Site: City of Roseville
401 OAK STREET
Roseville, California 95678
February 1, 2016

Dear Mr. Donaldson,

Altura Communication Solutions (Altura) is pleased to present City of Roseville the enclosed telecommunications system proposal. After reviewing the information that follows, we trust you will come to know Altura as the unified communications provider best suited to meet all of your telecommunications needs.

Altura, with offices nationwide, is one of Avaya's largest authorized Platinum Business Partners and a leading provider of communications applications, equipment and services for voice and data networking solutions. For nearly two decades, enterprises throughout North America have trusted Altura to design, deploy and manage their communications networks. Altura's vast experience in the industry, top rated service, strategic partnerships and full suite of network services is a significant advantage to customers. We provide solutions to over 6,000 customer sites in government, education, healthcare and financial markets.

Your designated Point of Contact for answering any questions regarding this proposal is:

Bill Anderson

Account Manager

(925) 264-5306

banderson@alturacs.com

This proposal to City of Roseville is subject to mutually agreeable Terms and Conditions. Altura proposals contained herein are non-binding. All pricing is for discussion purposes only and subject to change. Final price quote is subject to verification of requirements and configuration.

Scope of Work

for
CITY OF ROSEVILLE

Altura will upgrade and virtualize the existing Avaya Communication Manager (CM), add Avaya System Manager (SMGR) and (2) Session Manager (SM) on customer provided virtual servers and upgrade the AVST CallXpress server to a virtual environment for the City of Roseville, California, hereafter referred to as the Customer. Also the AVST will be converted from QSIG to SIP. Altura will install 2 remote S8300E Media Servers in existing Gateways and upgrade the LSP software first at the staging at a Roseville location. Altura will perform the actual remote S8300E LSP server install and deployment.

In this scope of work Altura will be converting the ACD reporting tool from Intellicenter to CMS. The CMS will be loaded onto a customer provided VMware server. Altura will do the implementation and subcontract to Avaya for provisioning. Altura will subcontract to Open Text to upgrade the RightFax.

Prerequisites:

- The Customer is responsible for VMware support and assistance with loading Avaya software into the VMware environment.
- The Customer will need to provide vSphere Client access for all Avaya components in the VMware environment.
- The virtual server requirements for each component are as follows:
 - AVST CallXpress in VMware (Each Server requires Microsoft Windows Server 2008r2 or Microsoft Windows Server 2012r2)
 - Release: 8.6
 - Capacity (Users): 40K (Voicemail)
 - Virtual CPU: 4 (Intel Xeon E5504 Dedicated per Server)
 - Virtual Memory: 4 GB Minimum (8 GB Recommended for Speech)
 - Virtual Storage: 80 GB for C partition, 300 GB for D Partition per server
 - Minimum CPU Speed (GHz): 2.0 GHz
 - Avaya Communication Manager (CM) with Software Duplication (2 Instances)
 - Release: 7
 - Capacity (Users): 35K
 - Virtual CPU: 3
 - Virtual Memory: 5 GB

- Virtual Storage: 30 GB
 - Minimum CPU Speed (GHz): 2.9 GHz (36K Users), 2.4 GHz (30K Users)
- Avaya System Manager (SMGR) Server (1 Instance)
 - Release: 7
 - Capacity (Users): 250K and 50 Administrators Simultaneously
 - Virtual CPU: 4
 - Virtual Memory: 9 GB (6.3)
 - Virtual Storage: 70 GB
 - Minimum CPU Speed (GHz): 2.4 GHz
- Avaya Session Manager (SM) Server (2 Instances)
 - Release: 7
 - Capacity (Users): 3.5K 7K 10K
 - Virtual CPU: 4 8 12
 - Virtual Memory: 7GB 10GB 12GB
 - Virtual Storage: 150GB
 - Minimum CPU Speed (GHz): 2.4 GHz
- All new server(s) will be pre-installed into racks with power prior to arrival.
- Customer provided servers should have the latest Windows Server updates applied prior to start of the upgrade.
- All data network configurations and access will be completed per documentation to insure applications can communicate to all necessary devices and services over the customer Data / Voice network prior to arrival.
- All network configurations and connections will be completed to insure all AVST CallXpress Servers, customer Exchange Servers and PBX can communicate over the customer data and voice network.
- All required permissions for the AVST CallXpress Servers to access the customer Exchange servers will be in place prior to arrival.
- All required software and licensing will be onsite prior to engagement.
- If needed numbering plans will be updated to support final configuration prior to onsite arrival.
- Customer and Branch will be responsible for making any required database changes in the Customers PBXs.
- Customer will work with Altura to establish a VPN connection for the management of the new system prior to system cutover.
- All work to PBX systems will be completed and all number plans updated to support final configuration prior to onsite arrival.
- Customer will provide access to the Internet while Altura is on site.

Altura Communication Solutions Professional Services Will:

For the Communication Manager (CM) in VMware

- Conduct up to 4 hours of remote fact finding meetings with customer and local Altura Branch and assist in completion of the required workbook(s).
- Assist customer in loading CM software (.OVA file) into VMware Environment and bring servers into service.
- Install Avaya current patches
- Obtain and load licenses from Avaya PLDS process.
- Verify connectivity between all CM servers.
- Provide 4 hours post-upgrade support following cutover

For System/Session Manager (SMGR/SM) Servers

- Conduct up to 4 hours of remote fact finding meetings with customer and local Altura Branch and assist in completion of the required workbook(s).
- Assist customer in loading SMGR/SM software (.OVA file) into VMware Environment and bring servers into service.
- Install Avaya current patches.
- Obtain and load licenses from Avaya PLDS process.
- Administer system and turn up System Manager functions.
- Administer system and turn up Session Manager functions.
- Test functionality with customer to gain acceptance of basic features.
- Confirm connectivity between Avaya Communication Manager Media Server, and Avaya System/Session Manager.
- Administer system and work with the customer and local branch to cutover the system into a production environment.
- Verify remote access to Altura Communication Solutions.
- Conduct up to 4 hours of System Administrative Overview of the installed system for up to 3 customer designated employees. This administrative overview will include how to access the system, administer moves, adds and changes, and perform high-level system maintenance.
- Provide input to the Altura Project Manager who will create documentation of the installed system.
- SIP trunking is not required at this time. Roseville would like to leverage SIP stations.
- There will be two instances of Session Manager and one instance of System Manager.

For AVST Messaging System (AVST)

- Remotely conduct up to four hours of fact finding call(s) to determine specifics regarding the solutions to be installed. This will be a remote phone call(s) with the customer. This will provide the necessary information to complete the workbook.
- Assist customer in loading AVST software into VMware Environment and bring servers into service.
- Backup up the existing CallXpress system to network drive or external storage.
- Verify proper system operation prior to upgrade.
- Install CallXpress application on new operating system.

- Install all applicable updates and or patches for CallXpress.
- Migrate customer database for CallXpress from backup.
- Verify customer database.
- Add second call server to system (if necessary)
- Configure SIP integration
- Verify Call Answering.
- Verify Message Notification.
- Verify Message Retrieval.
- Verify Transfers
- Setup backup to customer defined network location.
- Back up CallXpress system.
- Provide customer documentation of any changes made during upgrade process.

RightFax upgrade

Altura will work with AVST and RightFax to deploy an upgrade to the RightFax software and move it over to a customer provided virtual server and leverage SIP for integration to the Session Manager. The MFPs are optional and not included in this quote.

For All Systems

- Work with the customer to cutover the installed system into their production environment.
- Provide completion of installation and submission to The Customer of signed Functionality Testing (including Outstanding Items). Any Outstanding Items will be worked to completion.
- Provide Day 1 support.

In order to achieve a successful installation, Altura Communication Solutions has the following expectations.

The Customer will:

- Provide a Single Point of Contact (SPOC) who has a thorough understanding of the business requirements and technical environment and can make decisions on the customer's behalf.
- Complete all planning forms by the date requested.
- Coordinate with customer's telephony and network vendors to resolve any problems and to reach agreement on testing dates and times.
- Complete all necessary hardware, software, and technical requirements and, if provided, return the signed checklist at least 3 days prior to an engineer's arrival.
- Insure all racking is in place, power is in place and all environmental conditions are met in installation area.

- Insure that any customer required network requirements are completed prior to installation start date.
- Have a resource available during System Cut / Functionality Testing.
- Ensure that any network problems are referred to Customer's network service provider or IT group and resolved. Work with Altura to reach agreement on verification of problem resolution testing.

Altura Communication Solutions local branch will:

- Provide a Project Manager to serve as implementation point of contact, establish project timeline, milestones and manage project status.
- Install all new servers into racks, load software and make servers ready for integration programming.
- Insure existing systems are at the appropriate software, hardware and firmware release levels to support applications.
- Pre-register all system servers with Avaya and provide branch technician with SEIDs to configure SAL Gateway for Avaya alarming and remote access.
- Final registration of system servers with Avaya.
- Insure licensing is available as purchased.
- Have a resource available during Functionality Testing.

CMS Scope of Work

Altura Communication Solutions Professional Services will implement an Avaya Call Management System (CMS) and integrate to the customer provided VMware Avaya Communication Manager system for City of Roseville, hereafter referred to as the Customer.

Prerequisites:

- All VMware server(s) will be pre-installed into racks with power prior to arrival.
- All network configurations and connections will be completed to insure all Servers and PBX's can communicate over the customer data and voice network.
- All required software will be onsite prior to arrival.
- Customer will work with Altura to establish a VPN connection for the management of the new system prior to system cutover.
- Altura will be provided with the delivery location and mode of acceptance for all equipment deliveries for this engagement. This includes scheduling, access and storage of all equipment and manner of delivery (flatbed, lift gate, loading dock). Customer is encouraged to participate in the inventory of all equipment deliveries. All equipment must be stored in a secured and environmentally controlled environment, until required for use. All equipment delivered and inventoried by Altura and Customer, become the property and are under the control of Customer.

Altura Communication Professional Services will:

For CMS

- Load Operating System, CMS Software and bring servers into service.
- Remotely conduct up to 4 hour fact finding calls to determine specifics regarding the solutions to be installed. This will be remote phone calls with the customer and required Altura resources. This will provide the necessary information to complete the workbook.
- Install Avaya current patches.
- Obtain and load licenses from Avaya PLDS.
- Assist Avaya in the provisioning process.
- Based on the planning forms returned - Altura will Develop System Configuration including number of Supervisors and agents—Integrate Communication Manager to CMS server.
- Provide current CMS supervisor software and load onto Supervisor corporate PC (Up to 5) If more than 5 is needed than Altura can either provide stated software to customer contact who can then have CMS supervisor software installed on any and/or all customer PC (s) or Altura can install on all customer PCs for the additional price quoted.
- Provide current CMS Agent and Client Desktop software and load onto Agent corporate PC (Up to 5) If more than 5 is needed than Altura can either provide stated software to customer contact who can then have CMS Agent and Client Desktop software installed on any and/or all customer PC (s) or Altura can install on all customer PCs for the additional price quoted.
- Verify remote access to Altura Communication Solutions.
- Schedule (5) hours of CMS Supervisor training (Up to 5 Supervisors)
- **Training of supervisors will need to be done in shifts. Customer will be responsible for determining when those shifts will occur within a (1) day period for supervisors. Customer will be responsible for providing this information to Altura. This training will need to be accomplished before the actual cut over date.**
- Assist in connecting CMS to customer provided Wall Boards. ****Note**** CMS does not support serial connections.
- Provide up to 8 hours of day one post cut support.

For All Systems

- Work with the customer to cutover the installed system into their production environment.
- Provide input to the Altura Project Manager who will create documentation of the installed CMS system.
- Provide completion of installation and submission to The Customer of signed Functionality Testing (including Outstanding Items). Any Outstanding Items will be worked to completion.

In order to achieve a successful installation, Altura Communication Solutions Professional Services has the following expectations.

The Customer will:

- Provide a Single Point of Contact (SPOC) who has a thorough understanding of the business requirements and technical environment and can make decisions on the customer's behalf.
- Complete all planning forms by the date requested.
- Coordinate with customer's telephony and network vendors to resolve any problems and to reach agreement on testing dates and times.
- Complete all necessary hardware, software, and technical requirements and, if provided, return the signed checklist at least 3 days prior to an engineer's arrival.
- Insure all racking is in place, power is in place and all environmental conditions are met in installation area.
- Insure that any customer required network requirements are completed prior to installation start date.
- Provide appropriate facilities for training (Room, Projector, handouts, etc.).
- Have a resource available during System Cut / Functionality Testing.
- Ensure that any network problems are referred to Customer's network service provider or IT group and resolved. Work with Altura to reach agreement on verification of problem resolution testing.

Altura Communication Solutions local branch will:

- Provide a Project Manager to serve as implementation point of contact, establish project timeline, milestones and manage project status.
- Insure existing systems are at the appropriate software, hardware and firmware release levels to support applications.
- Coordinate CMS provisioning by Avaya **(2) weeks** prior to the delivery of CMS services and training.
- Insure licensing is available as purchased.

Have a resource available during Functionality Testing

Project proposed start & completion dates:

- TBD

Delays caused by the customer not meeting deadlines or providing facilities, racks, power and other requirements on time will be subject to additional charges at a rate of \$ 2,000 per day.

Pricing assumes that all work will be done in consecutive days during normal working hours. If the project will be split, or work is to be performed on non-consecutive days, or after normal working hours, additional charges will apply.

NOTE: For all additional work that falls out of the scope noted herein, the following hourly rates will apply for Altura Professional Services.

Normal Daily Rate (8:00 AM – 5:00 PM):	\$175.00 per hr.
Evenings and Saturdays:	\$262.50 per hr.
Sundays and Holidays:	\$350.00 per hr.

1. This proposal and pricing are valid for 90 days from the date of delivery to the business partner/customer (hereinafter referred to as you or your) unless extended in writing by Altura Communication Solutions.
2. Altura Communication Solutions has relied on information provided by you to prepare this proposal and pricing. Any changes to the understanding of the work, scope or other substantive nature of the proposal and pricing may result in a change order or a new, additional Scope of Work (SOW). Work Altura Communication Solutions performs associated with the remediation of software or hardware problems that are caused by manufacturer, not related to the services provided by Altura Communication Solutions may be subject to additional billing and submitted on a change order.
3. Unless otherwise stated in the proposal and pricing, it is assumed that all products and services will be delivered during normal daily business day hours (e.g. 8 a.m. to 5 p.m.), excluding holidays and non-business days, based on customer work site local time. Additional charges will apply for services delivered outside of normal daily business hours or on weekends, holidays, or non-business days.
4. Scheduling. When this proposal is formally accepted, a project start date and targeted project completion date are finalized, and the project will be assigned to a resource and delivery scheduled. Once the project is assigned and scheduled, a Altura Communication Solutions consultant will provide a detailed Statement of Work for you to approve. Please also provide us with an initial project point person(s) that our project team can contact for information and planning once resources have been assigned.
5. Any and all ideas, concepts, solutions, derivative solutions, work product, creative contribution and the like generated by Altura Communication Solutions, its employees, and its agents are the sole property of Altura Communication Solutions and its affiliates and may not be used, borrowed, disclosed, or reverse engineered without the express prior written signed consent of a Altura Communication Solutions officer. Violation by you of this section will result in financial and equitable damages, which will be no less than five years of forecasted gross revenue as determined by Altura Communication Solutions.
6. Any written indication of job completion acceptance, including an e-mail or a signed project completion approval letter or failure by you to write any concerns within five calendar days after we declare the job finished indicates the customer's acceptance of the ongoing maintenance and support of the application and/or service. Additional Altura Communication Solutions support will be provided on a then applicable Time and Materials basis for those services which may include a new Scope of Work.
7. Altura Communication Solutions is not liable for any damages, financial or otherwise, including lost business that may occur as a result of programming performed, applications installed or services provided, attempted, contemplated or discussed.
8. Each party agrees that they shall not directly, indirectly or otherwise solicit to employ, discuss potential employment, employ, or contract the services of any person who is employed by the other party, its affiliates, agents or contractors. This non-solicitation is in force for the term of two (2) years following the expiration, cancellation or termination of this Agreement. Violation by you of this section will result in financial and

equitable damages to be no less than two years of forecasted gross revenue impact as determined by Altura Communication Solutions.

9. This Agreement contains the entire understanding between and among the parties and supersedes any prior understandings and agreements among them respecting the subject matter of this Agreement. There are no other requirements on Altura Communication Solutions, express or implied, than what is specifically stated within this document.

Proposal for: Voice Systems Refresh & Virtualization – Parts Only

City of Roseville

Site: City of Roseville
401 OAK STREET
Roseville, California 95678
December 15, 2015

Dear Mr. Donaldson,

Altura Communication Solutions (Altura) is pleased to present City of Roseville the enclosed telecommunications system proposal. After reviewing the information that follows, we trust you will come to know Altura as the unified communications provider best suited to meet all of your telecommunications needs.

Altura, with offices nationwide, is one of Avaya's largest authorized Platinum Business Partners and a leading provider of communications applications, equipment and services for voice and data networking solutions. For nearly two decades, enterprises throughout North America have trusted Altura to design, deploy and manage their communications networks. Altura's vast experience in the industry, top rated service, strategic partnerships and full suite of network services is a significant advantage to customers. We provide solutions to over 6,000 customer sites in government, education, healthcare and financial markets.

Your designated Point of Contact for answering any questions regarding this proposal is:

Bill Anderson

Account Manager

(925) 264-5306

banderson@alturacs.com

This proposal to City of Roseville is subject to mutually agreeable Terms and Conditions. Altura proposals contained herein are non-binding. All pricing is for discussion purposes only and subject to change. Final price quote is subject to verification of requirements and configuration.

Proposal for: Voice Systems Refresh Year One Support City of Roseville

Site: City of Roseville
401 OAK STREET
Roseville, California 95678
August 31, 2015

Dear Mr. Donaldson,

Altura Communication Solutions (Altura) is pleased to present City of Roseville the enclosed telecommunications system proposal. After reviewing the information that follows, we trust you will come to know Altura as the unified communications provider best suited to meet all of your telecommunications needs.

Altura, with offices nationwide, is one of Avaya's largest authorized Platinum Business Partners and a leading provider of communications applications, equipment and services for voice and data networking solutions. For nearly two decades, enterprises throughout North America have trusted Altura to design, deploy and manage their communications networks. Altura's vast experience in the industry, top rated service, strategic partnerships and full suite of network services is a significant advantage to customers. We provide solutions to over 6,000 customer sites in government, education, healthcare and financial markets.

Your designated Point of Contact for answering any questions regarding this proposal is:

Bill Anderson
Account Manager
(925) 264-5306
banderson@alturacs.com

This proposal to City of Roseville is subject to mutually agreeable Terms and Conditions. Altura proposals contained herein are non-binding. All pricing is for discussion purposes only and subject to change. Final price quote is subject to verification of requirements and configuration.

Support Agreement Overview

The support agreement for the refresh and virtualization project includes Avaya Software Support and Upgrades for the Avaya Communication Manager, Avaya Session Manager, Avaya System Manager, Avaya Session Border Controllers, Avaya CMS, Avaya Elite Agents and Avaya CMS Supervisors. This coverage gives the city the assurance that Altura will have access to Avaya Tier 4 support on software issues. It also gives the city upgrade coverage on all Avaya applications.

The other element of support is the Altura Support Advantage which gives the City of Roseville the ability to call into Altura for all solutions proposed. Altura will triage, trouble shoot and take the issue through resolution. Coverage includes remote monitoring and support for Web LM, Utility Server, SAL, SIP licenses, Session Manager, System Manager and the CM OVA file.

There is an existing maintenance agreement in place for the current applications that runs through the end of 2015. This agreement is for the new applications being added. We will make the existing agreement coterminous with this agreement for 1/1/16.

COUNCIL COMMUNICATION

CC #: 7766

File #: 1002

Title: Harding to Royer Bike Trail Segment 3 Project - Agreement for Sale of Real Property
Contact: Cathy Gosalvez 916-746-1300 cgosalvez@roseville.ca.us

Meeting Date: 6/15/2016

Item #: 7.22.

RECOMMENDATION TO COUNCIL

Staff recommends that City Council:

1. Approve the Purchase and Sales Agreement for the purchase of real property from Kevin McCurry and Cheryl McCurry in the amount of \$74,320.00 for 9,196 s.f. of fee acquisition and 590 s.f. of temporary construction easement;
2. Adopt the attached resolution authorizing the City Manager to sign the agreement on behalf of the City.

BACKGROUND

The Harding Boulevard to Royer Park Bikeway is identified in the Bicycle Master Plan as a priority project. This Class I bikeway is located along the north side of Dry Creek and will connect the Miner's Ravine Bike Trail to Royer Park. Project construction has been phased into three segments due to funding and right-of-way acquisitions.

Segment 1 provided a Class 1 Bikeway connection from Miner's Ravine Trail at Harding Boulevard to East Street. This segment also included the construction of the Dry Creek Bridge, located immediately to the west of the Harding Boulevard Bridge. Construction of this segment was completed in November 2008.

Segment 2 continued the Class 1 Bikeway from East Street to Folsom Road, providing an important connection between the Miners Ravine Bike Trail and the downtown area. Construction of Segment 2 was completed in November 2010.

Segment 3 will provide a Class 1 Bikeway connection from Folsom Road to the bike trail that was constructed last summer at the rear of relocated Fire Station No. 1 on Lincoln Street. Construction of this segment requires the purchase of additional right-of-way from three property owners. The right-of-way acquisition from two property owners was approved by Council at their June 1, 2016 meeting. This final property acquisition is from Dr. and Mrs. McCurry.

The City of Roseville obtained the services of Sierra West Valuation to prepare the appraisal reports that determined the "Fair Market Value" for the acquisitions. The City also obtained the services of Interwest Consulting Group to negotiate the acquisition agreements on the City's behalf with the McCurrys. The required acquisition from the McCurrys consists of 9,196 square feet in fee and 590 square feet of temporary construction easement. The acquisition amount for the in fee property and temporary construction easement from the McCurrys is \$74,320.00.

Project construction is planned to occur in summer 2017.

FISCAL IMPACT

The project is being funded with Transportation Development Act (TDA) funds and Congestion Mitigation and Air Quality (CMAQ) funds. Sufficient funds exist in the approved budget to acquire the needed right-of-way and easements. No General Fund will be used.

ECONOMIC DEVELOPMENT / JOBS CREATED

Based on the Federal guideline of one job created for every \$92,000.00 in government spending, the execution of the Agreement will create approximately four fifths of a job.

ENVIRONMENTAL REVIEW

CEQA compliance for this trail project was achieved in 2004 with certification of the Harding Boulevard to Royer Park Bikeway Project Final EIR (State Clearinghouse No. 2000122078). No further CEQA action is required to implement the project.

Respectfully Submitted,

Cathy Gosalvez, Assistant Engineer

Rhon Herndon, Public Works Director

Rob Jensen, City Manager

AGREEMENT FOR SALE OF REAL PROPERTY

THIS AGREEMENT, made and entered into this _____ day of _____, 20____, by and between the **CITY OF ROSEVILLE, a municipal corporation**, as grantee ("CITY") and **KEVIN S. MCCURRY AND CHERYL S. MCCURRY, Trustees U/D/T dated December 22, 2006 f/b/o the McCurry Family**, as grantor ("GRANTOR"),

W I T N E S S E T H:

WHEREAS, GRANTOR is the owner of certain real property identified as Assessor Parcel Number 013-101-021 located in the City of Roseville, County of Placer (the "Property"); and

WHEREAS, CITY desires to acquire a portion of such property in fee simple interest as described in the attached legal description marked Exhibit "A-1", and depicted on the attached plat map marked Exhibit "B-1", which is attached hereto and incorporated herein by reference for the purpose of constructing the Harding Boulevard to Royer Park Bikeway Project ("the Project"); and

WHEREAS, to facilitate construction of the Project, CITY desires to acquire a temporary construction easement as described in the attached legal description marked Exhibit "A-2" and depicted on the attached plat map marked Exhibit "B-2", which is attached hereto and incorporated herein by reference; and

WHEREAS, GRANTOR agrees to sell and CITY agrees to buy the fee simple interest and the temporary construction easement (collectively "the Subject Property"), pursuant to the terms and conditions set forth in this Agreement.

NOW, THEREFORE, the parties agree as follows:

1. Purchase Price. GRANTOR agrees to sell, and CITY agrees to buy, the Subject Property for the sum of Seventy-Four Thousand Three Hundred Twenty Dollars (\$74,320.00) ("Purchase Price"), which the parties agree includes compensation for any and all improvements located within the Subject Property and any severance damages, loss of goodwill damages, relocation assistance payments, costs, or attorney fees, except as provided herein.

2. Conveyance. GRANTOR has executed, or will execute prior to the Close of Escrow, as defined herein, the Grant Deed and the Temporary Construction Easement in the format satisfactory to the City Attorney of CITY (collectively "Deeds"), conveying the Subject Property to CITY.

3. Escrow. CITY has opened an escrow account for this transaction with Fidelity National Title Company, 1375 Exposition Blvd, Suite 240, Sacramento, CA 95815, and Attention: Paul Avila ("the Title Company") under Escrow #11-5010867-PA as described in the Escrow Instructions attached hereto as Exhibit "C-1". Prior to the Close of Escrow, GRANTOR shall deliver the Deeds to the Title Company. Prior to the Close of Escrow, CITY shall deposit with the Title Company the Purchase Price for the account of GRANTOR, conditioned upon the Subject Property vesting in CITY free and clear of all liens, leases, encumbrances, assessments, easements, bonds,

judgments and debts secured by Deeds of Trust or mortgages except as indicated in the Escrow Instructions. If for any reason escrow fails to close as set forth herein, including termination of this Agreement, the Title Company shall return all funds and documents to the party that submitted such funds or documents.

4. Title Approval. CITY's disapproval of any exception shown in the title reports are set forth in Exhibit "C-1", the Escrow Instructions. GRANTOR shall notify City within fifteen (15) working days of the Effective Date of this Agreement if it elects not to remove or is unable to remove any disapproved exception. CITY shall have five (5) working days after notification of such action either (i) to terminate this Agreement or (ii) to waive its disapproval of such exception and agree to purchase the Subject Property subject to the disapproved exception. If CITY fails to notify GRANTOR, in writing, within five (5) working days of its election pursuant to this paragraph, CITY shall be deemed to have elected to terminate this Agreement. In the event of termination of this Agreement, the parties shall have no obligations hereunder. Any exception which CITY has approved hereunder, either by CITY's approval, CITY's failure to disapprove such exception, or by CITY's waiver of disapproval, shall be deemed a "Permitted Exception".

5. Discharge of Obligations. The Title Company may expend any and all money payable to GRANTOR under this Agreement to discharge any obligations (except those identified in the Escrow Instructions as being taken subject to) which are liens upon the Subject Property, including but not limited to, those arising from judgments, assessments, delinquent taxes (other than for the fiscal year referred to in the Escrow Instructions), or debts secured by deeds of trust or mortgages or to defray any other incidental costs other than those specified in the escrow instructions to be borne by CITY. Any money made payable pursuant to a deed of trust shall be made payable to the beneficiary entitled to the money pursuant to the deed of trust; provided, however, that the beneficiary shall first furnish GRANTOR and the Title Company with a good and sufficient receipt showing the money to be credited against the indebtedness secured by the deed of trust.

6. Allocation of Taxes and Assessments. Taxes for the fiscal year in which the escrow closes shall be cleared and paid for in the manner required by Section 5086 of the Revenue and Taxation Code. As a deduction from the amount shown in Section 1, above, the City shall be authorized to pay any delinquent taxes due in any fiscal year, except the fiscal year in which this escrow closes, together with penalties and interest thereon. If Grantor has prepaid any taxes which are cancelled pursuant to Section 5086 as to the Subject Property, Grantor may seek any refunds to which it is entitled from such taxing agencies. If the Subject Property is subject to any assessments which are not subject to cancellation under Revenue and Taxation Code section 5086, such assessments shall be prorated as of the date of apportionment. Grantor shall pay all taxes and assessments outstanding up to the date of apportionment, if any, as to the Subject Property.

7. Escrow Costs. CITY shall pay all escrow fees, recording fees and title insurance charges incurred in this transaction.

8. Date of Possession. The right of possession and use of the Subject Property by the CITY, including the right to remove and dispose of improvements, shall commence upon close of escrow, and the amount shown in Paragraph 1 of this Agreement includes, but is not limited to, full payment for such possession and use, including damages, if any, from said date.

9. Title and Escrow Closing. Title to the Subject Property shall pass immediately upon Close of Escrow. Escrow shall close no later than sixty (60) days after the Effective Date of this Agreement (the "Close of Escrow").

10. Escrow Instructions. A copy of this Agreement shall be delivered to the Title Company by CITY and shall have Escrow Instructions attached. The issuance of any additional escrow instructions shall be the sole responsibility of CITY, but must be signed by Grantor to be valid and enforceable and approved by the City Attorney.

11. Time. Time is of the essence of this Agreement.

12. No Existing Tenancy. GRANTOR shall deliver possession of the Subject Property to CITY on the Closing Date free of all tenants and shall indemnify and hold CITY harmless from the claims of any tenants claiming a right to possession arising before the Closing Date. If a tenant remains in possession on the Closing Date, CITY may terminate this Agreement without liability on CITY's part.

13. Project. GRANTOR understands that the acquisition of the Subject Property is in connection with the construction, operation and maintenance by CITY of the Project, and that the payment of the money provided by this Agreement constitutes the entire consideration for the sale. GRANTOR hereby waives and releases CITY from any obligation, claim or damage on account of the grant of the Subject Property to CITY or on account of the location or construction of the Project.

14. Hazardous Substances. Neither GRANTOR, nor to the best of GRANTOR's knowledge, any third party, has engaged in the generation, use, manufacture, storage, treatment, transportation, or disposal of any "hazardous substance" on the Subject Property. In addition, neither GRANTOR, nor to the best of GRANTOR's knowledge, any third party has received any form of notice of violation of any "applicable environmental law" with respect to the Subject Property, including any groundwater.

For purposes of this Agreement, the term "hazardous substance" means either any petroleum product or any substance, chemical, or waste that is listed as hazardous, toxic or dangerous under any applicable environmental law.

For purposes of this Agreement, the term "applicable environmental law" means the Comprehensive Environmental Response Compensation and Liability Act ("CERCLA"), 42 USC §9601 et seq.; the Resource Conservation and Recovery Act ("RCRA"), 42 USC 6901 et seq.; the federal Water Pollution Control Act, 33 USC §1251 et seq.; the Clean Air Act, 42 USC §7401 et seq.; the Hazardous Materials Transportation Act, 49 USC §1471 et seq.; the Toxic Substances Control Act, 15 USC §§2601-2629; and the Safe Drinking Water Act, 42 USC §300f-300j; as each has been amended from time to time; or any similar state and local laws or ordinances or regulations implementing such statutes.

15. Flood Control Act. GRANTOR discloses that the Subject Property is located in a "flood zone," as set forth on F.E.M.A. or H.U.D. "Special Flood Zone Area Maps."

16. Special Studies Zone Act. GRANTOR discloses that the Subject Property is not situated in a Special Study Zone as designated under the Alquist-Priolo Special Studies Zone Act,

Sections 2621-2630, inclusive, of the California Public Resources Code, or otherwise in an area of the high geologic hazard ("Geologic Zone").

17. Testing. If applicable, CITY may at all reasonable times enter upon the Subject Property and conduct tests, take soil or water samples or soil borings to determine if hazardous substances exist. If, such testing detects the existence of a hazardous substance, CITY may, at its sole option, rescind and terminate this Agreement and cancel the escrow. Provided, however, that CITY shall exercise said option not later than sixty (60) days after the Effective Date of this Agreement or the Close of Escrow whichever occurs first.

18. Construction Work by CITY. CITY shall perform, at no expense to GRANTOR, the construction work identified on the plans titled "Harding Boulevard to Royer Park Bikeway Project". A copy of the plans can be viewed at the CITY'S Permit Center located at 311 Vernon Street, Roseville, CA 95678. CITY and its authorized agents or contractors are hereby granted permission to enter onto GRANTOR'S remainder property to perform such construction work.

19. GRANTOR's Warranties.

GRANTOR hereby represents and warrants to CITY:

A. Contracts:

That there are no service contracts or other contractual obligations (except which GRANTOR has disclosed to CITY) upon which GRANTOR is obligated pertaining to the Subject Property, except those which can be terminated upon not more than thirty (30) days' notice.

B. Documents Delivered:

That all documents delivered to GRANTOR by CITY pursuant to the terms of this Agreement are complete.

C. Special Assessments or Condemnation:

That there are not presently pending any special assessments or condemnation actions against the Subject Property, or any part thereof, nor has GRANTOR received any notice of any special assessments or condemnation actions being contemplated except as otherwise listed on the Escrow Instructions.

D. Leasing Commissions:

That there is no outstanding leasing commission's payable for any lease as to the Subject Property and there are no obligations to pay any leasing commission for any renewal of the tenancy of any of the tenants or for any new lease negotiated prior to Close of Escrow.

E. Title:

1) Encumbrances:

Except for those specifically listed in the Preliminary Title Report dated July 22, 2015 and stated as Permitted Exceptions in the Escrow Instructions, to GRANTOR's best knowledge, the Subject Property is free

and clear of all liens, encumbrances, claims, rights, demands, easements, leases, agreements, covenants, conditions, and restrictions of any kind.

2) Encroachments:

Except for those specifically detailed on the attached Exhibits "B-1" and "B-2", plat maps, to GRANTOR's best knowledge, there are no encroachments on the Subject Property from adjoining property, and the Subject Property does not encroach on any adjoining property, easements, or streets.

F. Litigation:

That GRANTOR is not involved in or aware of any pending or threatened litigation which does or will affect the Subject Property. There are no actions or proceedings pending or threatened against GRANTOR before any court or administrative agency in any way connected with or relating to the Subject Property, or affecting GRANTOR's ability to fulfill all of its obligations under this Agreement.

G. Indemnification:

That GRANTOR shall indemnify and hold CITY harmless from any liability, loss or claim for damages, including reasonable costs and attorneys' fees, arising from any lease as to the Subject Property accruing prior to the Close of Escrow; arising out of any theft, damage, or injury to any tenants on the Subject Property or their personal property, and occurring prior to Close of Escrow; or arising out of the breach by GRANTOR of the covenants or any warranties or the falsity of any of the representations set forth in this Agreement.

H. Survival:

That GRANTOR's representations, warranties and covenants contained in this paragraph shall survive Close of Escrow and the recordation of the Deeds.

I. Authority:

That GRANTOR has full power and authority to execute and deliver this Agreement and to consummate the transactions contemplated by this Agreement.

J. Lease Back Rights:

That GRANTOR waives any notice or right of first refusal pursuant to Code of Civil Procedure section 1245.245 and any lease-back rights under Code of Civil Procedure section 1263.615.

K. Brokers:

That no person or entity can properly claim a right to a commission, finder's fee, or other compensation with respect to the transaction contemplated by this Agreement. If any broker or finder makes any claim for a commission or finder's fee, GRANTOR shall indemnify, defend and hold CITY harmless from all liabilities, expenses, losses, damages or claims (including reasonable attorneys' fees) arising out of such broker's or finder's claims.

L. Advice of Professionals:

GRANTOR has had the opportunity to be advised by their own legal counsel and professionals in connection with this Agreement, and has obtained, and relies upon, such advice as GRANTOR deems appropriate.

20. Integrated Agreement. This is an integrated Agreement, and it contains all of the terms, considerations, understandings and promises of the parties. It shall be read as a whole. This Agreement may be amended, modified, changed or rescinded only by an instrument in writing, executed by the parties, except as provided herein.

21. Severability. If any provision in this Agreement is held by a court of competent jurisdiction to be invalid, void or unenforceable, the remaining provisions shall continue in full force without being impaired so long as the economic or legal substance of the transactions contemplated hereby is not affected in any manner adverse to either party. Upon such determination that any term or provision is illegal or incapable of being enforced, the parties hereto shall negotiate in good faith to modify this Agreement so as to effect the original intent of the parties as closely as possible in an acceptable manner to the end that transactions contemplated hereby are fulfilled to the greatest extent possible.

22. Attorney's Fees. In any action brought by either party to enforce the terms of this Agreement, the prevailing party shall be entitled to recover its reasonable attorney's fees.

23. Venue/Governing Law. Any action arising out of this Agreement shall be brought in Placer County, California regardless of where else venue may lie. This Agreement shall be governed by and construed in accordance with the laws of the State of California.

24. Binding Agreement. This Agreement shall be binding upon the heirs, successors, executors, administrators and assigns of the parties.

25. Joint Effort. This Agreement is the result of the joint efforts and negotiations of parties hereto, and no single party is the author or drafter of it. The parties agree that this Agreement shall be interpreted as though each of the parties participated equally in the composition of this Agreement and each and every part of it.

26. Notice. Any notices to parties required by this Agreement shall be delivered or mailed, U.S. first class, postage prepaid, addressed as follows:

CITY OF ROSEVILLE

Rhon Herndon, P.E.
Public Works Director
311 Vernon Street
Roseville, CA 95678

GRANTOR

Dr. Kevin S. McCurry and Cheryl S. McCurry
145 North Conner Street, Suite 2
Sheridan, WY 82801

Either party may amend its address for notice by notifying the other party in writing.

27. Special Provisions. The Special Provisions attached hereto as Exhibit "D" are hereby incorporated, and made a part of this Agreement by this reference. In the event of any conflict or inconsistency between the Agreement and the Special Provisions, the terms of the Special Provisions shall prevail.

28. Further Assurances. Each party to this Agreement agrees to execute, acknowledge and deliver such further instruments as may be necessary or desirable to accomplish the intent and purpose of this Agreement.

29. Effective Date. This Agreement shall be effective upon full execution by all parties (the “Effective Date”).

IN WITNESS WHEREOF, the City of Roseville, a municipal corporation, has caused this Agreement to be executed in duplicate by its City Manager and attested to by its City Clerk under the authority of Resolution No. _____, adopted by the Council of the City of Roseville on the _____ day of _____, 20____, and GRANTOR has caused this Agreement to be duly executed.

Special Provisions

Grantor Construction Work

It is mutually agreed and understood the Purchase Price recited in Section 1 of this Agreement includes \$6,440.00 in compensation to GRANTOR for an ornamental fence.

Based on the results of a hydraulic analysis commissioned by the CITY, GRANTOR is permitted to erect an ornamental fence in an area designated as a 100 year floodplain. The fence shall be placed within the boundary of GRANTOR'S remainder property, no closer than three feet from the edge of the trail pavement. The fence must be an open picket fence that does not obstruct water flow. A building permit will not be required by CITY if fence is six feet in height or under. GRANTOR is responsible for constructing and maintaining fence.

COUNCIL COMMUNICATION

CC #: 7772
File #: 0800-02

Title: Antelope Creek Flood Control Project - Reimbursement Agreement
Contact: Devin Whittington 916-774-5783 dwhittington@roseville.ca.us

Meeting Date: 6/15/2016
Item #: 7.23.

RECOMMENDATION TO COUNCIL

Adopt a resolution to approve the attached reimbursement agreement for the amount of \$ 47,765.00 with the Placer County Flood and Water Conservation District, for work performed by a City Contactor to protect the integrity of the Closed Roseville Sanitary Landfill, located adjacent to Antelope Creek, and authorize the City Manager to execute it.

BACKGROUND

At their February 11, 2013 meeting, the Placer County Flood Control and Water Conservation District (Flood Control District) Board of Directors adopted the November 2011 Dry Creek Watershed Flood Control Plan Update. The Plan Update identifies capital improvement projects for flood control and to mitigate increases in the one-percent annual chance storm, or "100-year storm event" peak flow, attributed to new development, within the Dry Creek Watershed.

The Plan Update included the Antelope Creek Flood Control Project, which is located entirely within the City of Roseville, adjacent to westbound Interstate 80, and north of Atlantic Street. The Project consists of the construction of two weirs, spanning the main channel, to allow passage of low flows while detaining higher flows. Due to funding constraints within the Dry Creek Watershed development fee program, the project has been divided into two phases:

- Phase 1 includes the downstream weir, located approximately 200 feet upstream from the UP Railroad Bridge adjacent to Atlantic Street. Estimated cost: \$1,682,000.00.
- Phase 2 includes the upstream weir, which would replace the City's existing bicycle path and culvert crossing. Estimated cost: \$3,562,000.00

Once constructed, the entire Project has the potential to reduce 100-year storm peak flows, as measured at the Vernon Street Bridge, of approximately 825 cubic feet per second. The estimated cost for both phases of the Project is \$5,244,000.00

During the Project's design, the operation of the two proposed weirs during flood flows within Antelope Creek was analyzed, including an analysis of impacts to property owners within the Project area. Most of the increases in water surface elevation, caused by the proposed weirs, affect park and open space parcels owned by the City.

The construction of the Phase 2 weir will impact the closed Roseville Sanitary Landfill, adjacent to Antelope Creek. The City has a third party engineering firm, CH2MHILL, monitoring any ground disturbance activities that could impact the integrity of the landfill cap that could cause water infiltration into the closed landfill.

FISCAL IMPACT

The work will be performed for the amount of \$47,765.00 and funded through the Solid Waste Fund and reimbursed by the Placer County Flood Control and Water Conservation District.

ECONOMIC DEVELOPMENT / JOBS CREATED

Not Applicable.

ENVIRONMENTAL REVIEW

On November 22, 2013, the Placer County Flood Control and Water Conservation District (District), acting as Lead Agency, published a Draft Initial Study/Mitigated Negative Declaration (IS/MND) for the Antelope Creek Flood Control Project (SCH# 2013112064). The Flood Control District considered and incorporated comments on the Draft IS/MND and published a Final IS/MND in January 2014. Subsequently, the scope of the project was altered to include additional areas of impact, and so an Addendum to the IS/MND was prepared (dated September 2015).

Respectfully Submitted,

Devin Whittington, Refuse Utility Manager

Richard Plecker, Environmental Utilities Director

Rob Jensen, City Manager

RESOLUTION NO. 16-246

APPROVING A REIMBURSEMENT AGREEMENT BY AND BETWEEN THE PLACER COUNTY FLOOD CONTROL AND WATER CONSERVATION DISTRICT AND THE CITY OF ROSEVILLE, AND AUTHORIZING THE CITY MANAGER TO EXECUTE IT ON BEHALF OF THE CITY OF ROSEVILLE

WHEREAS, a reimbursement agreement regarding the Antelope Creek Flood Control Project, by and between the Placer County Flood Control and Water Conservation District and the City of Roseville, has been reviewed by the City Council; and

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Roseville that said agreement is hereby approved and that the City Manager is authorized to execute it on behalf of the City of Roseville; and

REIMBURSEMENT AGREEMENT

This REIMBURSEMENT AGREEMENT ("Agreement") is made this ___ day of _____, 2016 by and between the Placer County Flood Control and Water Conservation District ("DISTRICT") and the City of Roseville, a municipal corporation ("CITY").

RECITALS

WHEREAS, DISTRICT is a statutorily created public entity authorized to oversee and address flood control, drainage, and stormwater management issues arising with developmental growth occurring in Placer County.

WHEREAS, DISTRICT's primary mission is to protect lives and property from the effects of flooding through comprehensive, integrated planning, consistent standards, management programs, and capital improvements.

WHEREAS, DISTRICT has begun the Antelope Creek Flood Control Protection-Phase B project (the PROJECT) to effectuate its primary mission in Placer County.

WHEREAS, the PROJECT includes demolishing an existing culvert and replacing it with new flood control structures which include a primary weir and a secondary weir located within Sections 25 and 36, Township 11 North, Range 6 East, Mount Diablo Meridian, Latitude 38.76284°, Longitude – 121.26109°, in the City of Roseville, Placer County, California. [See Exhibit A for location of weirs.]

WHEREAS, CITY requests as a condition of CITY's approval for DISTRICT to proceed with the PROJECT to be reimbursed for costs incurred by the CITY to monitor the PROJECT, which would include costs for providing the CITY's Environmental Utilities Department with professional engineering services required by the CITY's landfill closure permit with the State Water Resources Control Board and other associated tasks undertaken by the CITY related to the Project. The estimated cost for reimbursement to the CITY is Forty Seven Thousand and Seven Hundred and Sixty Five Dollars (\$47,765).

NOW, THEREFORE, THE PARTIES HERETO AGREE AS FOLLOWS:

1. Reimbursement Amount. It is the intent of the parties, that the DISTRICT shall reimburse the CITY the actual cost to CITY for monitoring the PROJECT. It is further the intent of the parties that the CITY will monitor the Project in the most efficient and economical manner possible. The parties estimate the actual cost to the City will not exceed Forty Seven Thousand and Seven Hundred and Sixty Five Dollars (\$47,765). However, the parties recognize

that if the actual cost to the CITY exceeds (or will exceed) \$47,765, the CITY will provide notice within 15 days to the DISTRICT of the new estimated reimbursement amount. Upon receipt of the new estimated reimbursement, the DISTRICT shall provide notice to the CITY as to whether the DISTRICT will proceed with or terminate the Project. If the DISTRICT intends to terminate the Project due to the new estimated reimbursement amount, the CITY's Public Works Director and the DISTRICT Director will meet in person to discuss alternatives to termination of the Project. If no alternative to termination of the Project is mutually acceptable to both parties, then the DISTRICT may terminate this Agreement. If the DISTRICT terminates the Agreement, the DISTRICT shall pay, and CITY shall accept, CITY's actual costs up to the date of termination as the full and final reimbursement amount. The actual amount of such reimbursement shall be subject to DISTRICT's review and written approval. Upon request by DISTRICT, CITY shall provide copies of all records and documentation supporting CITY's claim for reimbursement.

2. Sources for Reimbursement. Nothing in this Agreement shall be construed to create an obligation of, or be attributable to, DISTRICT's general or special funds, or any other funds in the hands of DISTRICT or its accounts now and in the future, except as otherwise expressly provided herein. DISTRICT's obligation hereunder to provide reimbursement is limited to the following sources of funds, to the extent funds are available therefrom and not otherwise committed for reimbursement by the DISTRICT to others:

- a. The Antelope Creek Flood Control Project fund.

3. Timing of Reimbursement and Interest. The DISTRICT will pay the CITY the amount then available in the Antelope Creek Flood Control Project fund Impact for reimbursement up to, but not in excess of, the approved reimbursement amount for the PROJECT. The CITY will bill the DISTRICT on a monthly basis and the DISTRICT will pay the CITY's bill within 30 days of receipt of the bill. If the amount is not paid in full, the DISTRICT will pay the CITY on a monthly basis the amount then available for reimbursement in the Antelope Creek Flood Control Project fund. The DISTRICT shall pay interest on unpaid reimbursement amounts in the amount of one percent (1.00%) commencing as of the full completion of the Project and acceptance thereof by the CITY.

a. **Emergency Use of Funds.** CITY agrees that funds within the Antelope Creek Flood Control Project fund will not be "available" for reimbursement under this Agreement if the DISTRICT determines, in its sole and exclusive discretion, that such funds must be expended for other infrastructure improvements for any one of the following limited purposes:

- (i) The improvements are essential in order to preserve or protect an immediate risk to public health and safety;

(ii) The improvements are required as a result of a Federal or State mandate;

(iii) The improvements are required in order to meet State or Federal regulatory requirements; or

(iv) The improvements are required as a result of, or is needed to alleviate the effects of, an act of God or other disaster.

4. **No Assignment of Reimbursements and Credits.** CITY may not assign its rights and obligations under this Agreement without the written consent of the DISTRICT, as evidenced by a commercially reasonable assignment and assumption agreement acceptable in form and content to the DISTRICT.

5. **Entire Agreement.** This Agreement represents the entire agreement of the parties relating to the subjects covered by this Agreement. No oral or written statement, representation, or agreement not included within this Agreement shall be of any force or effect whatsoever, and shall be deemed to have been superseded by the terms hereof.

6. **Notices.** Any notice required or elected to be given hereunder shall be given by placing the notice in the United States mail, postage prepaid, and addressed in accordance with the provisions of this Subsection. Notice shall, unless the text of this Agreement otherwise provides, be deemed to have been given on the date that the notice was placed in the mail in accordance herewith. Notice to the parties shall be given to the single address set forth below.

Roseville, CA 95747

DISTRICT
Ken Grehm
Executive Director
Placer County Flood Control & Water
Conservation District
3091 County Center Drive, Suite 220
Auburn, CA 95603

7. **Effective Date.** This Agreement shall become effective upon its execution by all parties.

8. **Enforced Delay, Extension of Times of Performance.** In addition to specific provisions of this Agreement, performance by either party hereunder shall not be deemed to be in default where delays or default are due to war, insurrection, strikes, walkouts, riots, floods, drought, rain, earthquakes, fires, casualties, acts of God, governmental restrictions imposed or mandated by other governmental entities, enactment of conflicting state or federal laws or

regulations, new or supplementary environmental regulation, litigation, or similar bases for excused performance. If written notice of such delay is given to CITY within thirty (30) days of the commencement of such delay, an extension of time for such cause shall be granted for the period of the enforced delay, or longer as may be mutually agreed upon.

9. Jurisdiction and Venue. This Agreement shall be governed by the laws of the State of California. Initial venue for any action shall be Placer County, California. Each party waives any federal court removal and/or original jurisdiction rights it may have.

10. Modification. This Agreement and each provision contained herein may be waived, amended, supplemented or eliminated only by mutual written agreement of the parties.

11. Severability. If any of the provisions contained in this Agreement are for any reason held invalid or unenforceable, such holding shall not affect the remaining provisions or the validity and enforceability of the Agreement as a whole.

12. Integrated Agreement. This is an integrated agreement and contains all of the terms, considerations, understanding and promises of the parties. It shall be read as a whole.

IN WITNESS WHEREOF, the City of Roseville, a municipal corporation has authorized the execution of this Agreement in duplicate by its City Manager and attested to by its City Clerk under authority of Resolution No. _____, adopted by the Council of the City of Roseville on the _____ day of _____, 20____, and DISTRICT has caused this Agreement to be executed.

Title: Agricultural Land Lease Agreement
Contact: Brian Castelluccio 916-746-1755 bcastelluccio@roseville.ca.us

Meeting Date: 6/15/2016
Item #: 7.24.

RECOMMENDATION TO COUNCIL

Recommend Council adopt a resolution authorizing the City Manager to execute the attached Agricultural Land Lease Agreement between the City of Roseville and Auburn Ravine Ranch, Inc., and B and B Livestock for farming and grazing the Al Johnson Wildlife Refuge.

BACKGROUND

Reason Farms is located east of Brewer Road, south of Sunset Boulevard West, and north of Phillip Road in southwestern Placer County (see Exhibit A2 - *Location Map*). The property was purchased for the purpose of constructing a retention basin capable of mitigating the City's cumulative increase in storm water runoff within the Pleasant Grove Creek watershed. Over the last 11 years, the 1700 acre site had been leased and utilized for grazing and dry farming. The portion of the overall property that is the subject of this agreement is depicted in (Exhibit A3). The lease area is comprised of approximately 1,120 acres north and south of Pleasant Grove Creek.

On October 13, 2015, the Open Space Division released an RFP requesting proposals to continue agricultural and grazing at the Reason Farms portion of the Al Johnson Wildlife Refuge. The City's primary objective is to execute an agricultural and grazing lease for the period of five years with an entity interested in farming the property consistent with as many of the City's property management goals as possible.

At a minimum the following management goals must be addressed in a detailed farming proposal:

- All existing fields within the identified lease areas shall be disked, at a minimum, once a year;
- Farming practices shall include appropriate measures to prevent soil erosion, air quality impacts, and water quality impacts. Preferably all leased areas shall be planted with a crop each year;
- The City expects that the lease area will be "dry farmed" during the winter months.
- The City expects grazing activities to be integrated with dry farming rotations. If grazing is proposed, the farming proposal shall document any plans for fencing construction or repair as may be necessary to ensure cattle do not have uncontrolled access to riparian areas along Pleasant Grove Creek. Again, it should be mentioned that all costs associated with improvements will be the responsibility of the lessee.

The City is also interested in achieving the following Management Goal:

- Continued maintenance of the property – the City is interested in entertaining proposals that include provisions for maintaining creek crossings, access roads, fire breaks, and invasive weed management.

The City will regularly inspect the property to ensure the area is being maintained with the objectives set forth above.

Auburn Ravine Ranch, Inc. and B and B Livestock were the only party to respond to the RFP.

Additionally they continue to meet the City's management goals as mentioned above and continue to be a good partner with the City of Roseville.

FISCAL IMPACT

Under the five year lease agreement with Auburn Ravine Ranch and B and B Livestock, the City will have no payments and will receive continuation of the farming/grazing field rotation as well as continued maintenance of the property. No impact on the General Fund.

ECONOMIC DEVELOPMENT / JOBS CREATED

This is a local contractor that hires local workers.

ENVIRONMENTAL REVIEW

The proposed project involves minor alteration in the condition of the land, water, and or vegetation which will not remove healthy, mature scenic trees. This activity is categorically exempt from CEQA as a Class 4 Exemption (State CEQA Guidelines Section 15304). No further CEQA action is required.

Respectfully Submitted,

Brian Castelluccio, Open Space Superintendent

Dion Louthan, Parks, Recreation & Libraries Director

Rob Jensen, City Manager

AGRICULTURAL LAND LEASE AGREEMENT

THIS AGRICULTURAL LAND LEASE (this "Lease") is made and entered into as of _____, 2016, by and between the City of Roseville, a municipal corporation ("Lessor"), and Auburn Ravine Ranch, Inc., a California corporation and B and B Livestock, a California general partnership (collectively "Lessee").

RECITALS

WHEREAS, Lessor is the owner of Reason Farms consisting of approximately one thousand one hundred and twenty (1,120) acres of fallow land located within the County of Placer;

WHEREAS, Lessor desires to actively farm Reason Farms in the production of dry land crops and the grazing of cattle;

WHEREAS, the farming of dry land crops and the grazing of cattle at the Reason Farms property will likely contribute to agricultural productivity for the region;

WHEREAS, increasing agricultural productivity for the term of this Lease will assist in minimizing unavoidable impacts identified in the 2004 West Roseville Specific Plan Final EIR as a consequence of the continuing conversion of said agricultural land to developed uses.

NOW THEREFORE, Lessor and Lessee hereby agree as follows:

ARTICLE I—BASIC LEASE INFORMATION

1.1 Defined Terms. In addition to those terms which are defined elsewhere in this Lease, the following terms shall have the following meanings:

- (a) LESSOR: City of Roseville, a municipal corporation
- (b) LESSOR'S ADDRESS: 311 Vernon Street, Roseville, CA 95678
- (c) LESSEE: Auburn Ravine Ranch, Inc., a California Corporation and B and B Livestock, a California general partnership
- (d) LESSEE'S ADDRESS: Attn: Bert Lefty
1364 South Dowd Road
Lincoln, CA 95648
- (e) LESSOR'S PROPERTY: Approximately one thousand one hundred and twenty (1,120) acres of land, commonly referred to as Reason Farms, identified and described in Exhibit A attached hereto and incorporated herein by this reference (excepting Pleasant Grove Creek and the adjacent riparian zones/habitats identified in Exhibit A3), all of which is owned by Lessor and located at 6660 Phillip Road in the County of Placer, State of California ("the Land"). The Land includes the partially vegetated agricultural fields presently thereon, and all Improvements thereon as of the Commencement Date.
- (f) PERMITTED USE: The Land, excepting Pleasant Grove Creek and the adjacent riparian zones/habitats identified in Exhibit A3, may only be used by Lessee for the exclusive purpose of active farming in the production of dry land crops on a three (3) year rotational basis including, but not limited to, the planting of pasturage, forage mix, oats, wheat and safflower in winter months with annual discing. Cattle grazing is also permitted on the Land, excepting Pleasant Grove Creek and the adjacent riparian zones/habitats identified in Exhibit A3, as a management tool in the harvesting of forage crops to be planted on the Land in accordance with this Lease, all of which is more particularly described in Lessee's October 27, 2015 proposal attached hereto as Exhibit B, and incorporated herein by reference, and in this Lease. Residential occupancy is expressly prohibited.
- (g) TERM: Sixty (60) months, beginning on the Commencement Date and expiring on the Expiration Date, with the right of cancellation and termination in both Lessor and Lessee as hereinafter set forth.

Provided Lessee is not in default of the Lease, Lessee shall be granted an additional five (5) year term from the Expiration Date of the initial term (the "Option") provided the circumstances set forth in Section 2.1 occur.

- (h) COMMENCEMENT DATE: January 1, 2016.
- (i) EXPIRATION DATE: December 31, 2020.
- (j) CONSIDERATION:
 - (1) Compensation: In lieu of paying rent, Lessee shall perform all maintenance and farming activities specified in this Lease at no cost to Lessor.
- (k) IMPROVEMENTS: Those improvements currently located on the Land and listed in Exhibit C attached hereto.
- (l) SECURITY DEPOSIT: Deposit waived.

1.2 Exhibits. The following exhibits are attached to this Lease and are made part of this Lease:

- Exhibit A: Legal Description of Land Subject to Lease, including Exhibits A1 through A3
- Exhibit B: Lessee's Proposal dated October 27, 2015
- Exhibit C: List of Improvements

ARTICLE II—AGREEMENT AND USE

2.1 Lease. Lessor hereby demises and leases to Lessee the Land, and Lessee shall lease the Land from Lessor, according to the terms and conditions of this Lease. The duration of this Lease will be the Term. The Term will commence on the Commencement Date, and will expire on the Expiration Date. Provided Lessee is not in default of the Lease, the Option will commence on the Expiration Date, if exercised by Lessee in writing no later than June 30, 2020, and Lessor and Lessee agree upon Consideration within one (1) month following Lessee's exercise of the Option.

2.2 Use. Lessee shall use the Land, excepting Pleasant Grove Creek and the adjacent riparian zones/habitats identified in Exhibit A3, only for the Permitted Use. At all times herein, Lessee shall keep all cattle and all farming equipment away from Pleasant Grove Creek and the adjacent riparian zones/habitats located on the Land and identified in Exhibit A3. Notwithstanding the foregoing, Lessee may use the existing creek crossing provided such use is exercised in a manner that will not result in changes to or impact on the adjacent riparian zones/habitats or bridge structure.

Lessee shall not allow the Land to be used for residential occupancy under any circumstance. Lessee shall not allow the Land to be used for any unlawful purposes. Lessee shall advise the Lessor of any material changes to the Land. Lessee shall not commit waste and will not create any nuisance or interfere with, annoy or disturb any other Lessee of Lessor's adjoining property, which includes, but is not limited to, that property commonly referred to as the Warnick property. Lessee shall not erect signs or other improvements on the Land without the approval of Lessor, which approval may be withheld in the sole discretion of Lessor, unless such signs are

required by state or federal law, in which case such approval shall not be unreasonably withheld or delayed.

Lessee shall keep and maintain the improvements and any fences, irrigation or other farming facilities on the Land in good repair, and shall keep the Land free from all trash, debris, and waste. Lessee shall comply with pest control and land uses that may be required by the proper authorities. Lessee is permitted to farm the Land organically, however, compliance with any organic farming mandates, including but not limited to setbacks, shall not relieve Lessee from discing and planting all leased areas on the Land. Lessee shall cultivate, harvest, fertilize, graze and otherwise farm the property in accordance with the requirements of this Lease and in accordance with the best course of accepted husbandry practiced in the geographical vicinity of the Land.

Lessee shall complete discing referenced in Exhibit B by December 31st of each calendar year of the Term of this Lease, and Lessee further agrees to plant dry crops within the winter months as specified in Exhibit B.

Lessor will provide Lessee with access to the Land twenty-four (24) hours per day, seven (7) days a week, three hundred and sixty-five (365) days a year, subject to the limitations forth in this Lease, including but not limited to Section 2.5 and Article VI, below. Notwithstanding anything to the contrary contained in this Lease, if, in the exercise of any rights hereunder, Lessee shall cause damage to the Lessor's Land, or any improvements located on Lessor's Land, Lessee shall, within ten (10) days after receipt of a statement from Lessor evidencing the amount of such damage, pay Lessor the costs to repair such damage.

2.3 Delivery of Possession. Lessor will deliver possession of the Land to Lessee on the Commencement Date, "AS-IS" in its present condition. Lessee acknowledges that neither Lessor nor its agents or employees have made any representations or warranties as to the suitability or fitness of the Land for the conduct of Lessee's business or as to the physical condition of the Land, nor has Lessor or its agents or employees agreed to undertake any alterations or construct any improvements to the Land.

Lessor makes no warranty of the soil and water, or suitability for growing the dry crops Lessee is authorized to grow under this Lease. Lessor makes no warranty as the supply of water for growing crops and/or grazing. Notwithstanding the foregoing, Lessee is permitted to pump a total of seven hundred (700) acre feet of groundwater per year from existing wells on the Land during the Term of this Lease for the exclusive purpose of the provision of drinking water for the cattle that will graze the Land. Lessee shall meter any groundwater use at its sole cost and expense, and shall provide a record and accounting of such metered groundwater usage to Lessor on a quarterly basis.

2.4 Governmental Approvals. Lessee shall, at its sole cost and expense before the Commencement Date, apply for and obtain all licenses, permits, approvals, required by any local, state or federal governmental authorities relating to Lessee's Permitted Use of the Land pursuant to this Lease and the operation of Lessee's business consistent with such Permitted Use (collectively, the "Governmental Approvals"). Lessor shall cooperate with Lessee to obtain all necessary Governmental Approvals, if any, provided, Lessor shall not be required to expend any money in

such cooperation. Lessee understands and agrees that Lessee's right to use the Land is contingent upon Lessee obtaining and continually maintaining in full force and effect all required Governmental Approvals. In the event any Governmental Approvals issued to Lessee are canceled, expire, lapse, or are otherwise withdrawn or terminated by governmental authority so that Lessee will be unable to use the Land for its intended purposes, this Lease shall automatically terminate.

2.5 Access, Inspection and Records. Lessee shall be provided access to the Land, through the Main Gate located at 6660 Phillip Road in the County of Placer, State of California, as more particularly shown in Exhibit A2 (the "Access Drive"). In accessing the Land, Lessee shall not interfere with Lessor's operations, if any, and Lessee shall not in any manner block access to the Main Gate or to any other facilities on Lessor's Land or Lessor's other property. Lessor shall have the right upon ten (10) days' prior written notice to Lessee, to relocate the Access Drive to another location on the Land, as long as Lessee's access to and use of the Land is not materially affected. Lessor may from time to time, on twenty-four (24) hours' prior notice to Lessee, impose such reasonable restrictions on the time and means of access to the Land as Lessor deems necessary for security and/or environmental precautions. Lessor shall provide Lessee with two (2) keys to the Main Gate. Lessee agrees that it will not change locks on any gates to Lessor's Property or the Land, or install additional locks on such gates. Lessee further agrees that it will not duplicate any keys of Lessor.

Lessor reserves the right to enter the Land, at any time, to inspect the same for any purpose. At all reasonable times, Lessee shall permit Lessor and Lessor's officials, employees, agents, consultants and assigns to enter the Land for any purpose, including, but not limited to, environmental testing, assessment and/or consultation regarding Lessor's existing and/or future uses of the Land; to use the roads established on the Land now or in the future, for the purposes of inspection and/or compliance with the terms of this Lease, the exercise of all rights under this Lease, the posting of any notices, and for all other lawful purposes.

Lessee shall make and keep all pertinent records of all operations and conduct under this Lease and shall make all records available to Lessor and Lessor's agents and assigns at all reasonable times for inspection, and as further set forth in Section 3.1, below.

2.6 Lease Subject to Existing Rights of Owner/Lessor. This Lease is subject to:

(a) All existing easements, servitudes, licenses and existing rights of way for canals, ditches, levees, roads, highways and telegraph, telephone and electric power lines, railroads, pipelines, and other purposes, whether recorded or not.

(b) The rights of other lessees, if any, under any existing or future oil, gas and mineral lease or leases from Lessor affecting the entire or any portion of the Land, whether recorded or not. All rights in all minerals, oil, gas and other hydrocarbons located on or under the leased premises are reserved to Lessor and are excepted from the Land covered by the terms of this Lease. Lessee expressly grants to Lessor and to any and all lessees of these oil, gas and mineral rights, and to Lessor's agents and licensees, a right of entry and a right of way for ingress and egress in and to, over and on the leased Land during the Term of this Lease for the exploration, drilling and mining of minerals, oil, gas and other hydrocarbons.

ARTICLE III—CONSIDERATION AND TAXES

3.1 Consideration. In lieu of paying rent, Lessee shall perform all maintenance and farming activities specified in this Lease at no cost to Lessor.

3.2 Utilities. Lessee shall, at its sole cost and expense, arrange for electricity, water, gas, and other utilities necessary for Lessee's operations to be provided to the land directly from such providers. Lessee shall be billed directly for the use of such services, and shall promptly pay all utility and other charges accruing or payable in connection with Lessee's use of the Land during the Term when due.

3.3 Taxes.

(a) Lessor shall pay all real property taxes.

(b) Lessee shall pay all taxes or assessments which may be levied or charged to Lessor as a result of Lessee's Permitted Use or occupancy of the Land, including but not limited to, income tax; and upon this transaction or any document to which Lessee is a party creating or transferring an interest or an estate in the Land, as well as employment tax and social security tax, if applicable. Lessee shall additionally promptly pay when due all personal property taxes on Lessee's Improvements, if any, and personal property and any other taxes payable by Lessee.

(c) Lessee understands that its interest created by this Lease may be subject to a possessory interest tax pursuant to California Revenue and Taxation Code Sections 107 and 107.6 that impose an ad valorem property tax on possessory interests created in tax exempt property. The parties estimate that such tax, if assessed, would be approximately one thousand dollars (\$1,000.00) per year. If such an ad valorem property tax is assessed at any time during this Lease, the parties agree that Lessee shall pay up to one thousand dollars (\$1,000.00) per year of the tax, and that such tax payment shall not reduce any sum due to Lessor hereunder. The parties reserve the right to renegotiate the provisions of this section should such a tax be assessed at an amount significantly different than the estimated amount of one thousand dollars (\$1,000.00) per year.

3.4 Limitation on Liability. Lessor will not be in default under this Lease or be liable to Lessee or any other person, for direct or consequential damages, or otherwise, for any failure to supply any electricity, water, gas, security or other utilities, or for surges or interruptions of electricity, or other such services or utilities.

ARTICLE IV—INSURANCE

4.1 Insurance.

LESSEE agrees to continuously maintain, in full force and effect, the following minimum policies of insurance during the term of this Agreement.

COVERAGE

LIMITS OF LIABILITY

Commercial General Liability

\$2,000,000 each occurrence

\$4,000,000 aggregate

(a) Form: LESSEE shall submit a certificate evidencing such coverage for the period covered by this Agreement in a form satisfactory to Risk Management and the City Attorney, prior to undertaking any work hereunder. Any insurance written on a claims made basis is subject to the approval of Risk Management and the City Attorney.

(b) Additional Insureds: LESSEE shall also provide a separate endorsement form or section of the policy showing CITY, its officers, agents, employees and volunteers as additional insureds for each type of coverage. Such insurance shall specifically cover the contractual liability of LESSEE. The additional insured coverage under the LESSEE's policy shall be primary and noncontributory, as evidenced by a separate endorsement or section of the policy, and shall not seek contribution from CITY's insurance or self-insurance. In addition, the additional insured coverage shall be at least as broad as the Insurance Services Office ("ISO") CG 20 01 Endorsement. Any available insurance proceeds in excess of the specified minimum insurance coverage requirements and limits shall be available to the additional insureds. Furthermore, the requirements for coverage and limits shall be: (1) the minimum coverage and limits specified in this Agreement; or (2) the full coverage and maximum limits of any insurance proceeds available to the named insureds, whichever is greater.

(c) Cancellation/Modification: LESSEE shall provide ten (10) days written notice to CITY prior to cancellation or modification of any insurance required by this Agreement.

(d) Umbrella/Excess Insurance: The limits of insurance required in this Agreement may be satisfied by a combination of primary and excess insurance. Any excess insurance shall contain or be endorsed to contain a provision that such coverage shall also apply on a primary and noncontributory basis for the benefit of CITY (if agreed to in a written contract) before CITY's own insurance shall be called upon to protect it as a named insured.

(e) Subcontractors: LESSEE agrees to include in its contracts with all subcontractors the same requirements and provisions of this Agreement, including the indemnity and insurance requirements, to the extent they apply to the scope of the subcontractor's work.

Furthermore, LESSEE shall require its subcontractors to agree to be bound to LESSEE and CITY in the same manner and to the same extent as LESSEE is bound to CITY under this Agreement. Additionally, LESSEE shall obligate its subcontractors to comply with these same provisions with respect to any tertiary subcontractor, regardless of tier. A copy of CITY's indemnity and insurance provisions will be furnished to the subcontractor or tertiary subcontractor upon request.

(f) Self-Insured Retentions: All self-insured retentions ("SIR") must be disclosed to Risk Management for approval and shall not reduce the limits of liability. Policies containing any SIR provision shall provide or be endorsed to provide that the SIR may be satisfied by either the named insured or CITY. CITY reserves the right to obtain a full certified copy of any insurance policy and endorsements. The failure to exercise this right shall not constitute a waiver of such right.

(g) Liability/Remedies: Insurance coverage in the minimum amounts set forth herein shall not be construed to relieve LESSEE of liability in excess of such coverage, nor shall it preclude CITY from taking such other actions as are available to it under any other provisions of this Agreement or law.

ARTICLE V—INDEMNIFICATION, WAIVER, AND RELEASE

5.1 Lessee's Indemnification. From and after execution of this Lease, Lessee assumes all risks of its own operations, and Lessee and its agents and independent contractors shall indemnify and hold Lessor, its officials, employees, agents and contractors harmless from and against, any and all demands, claims, causes of action, fines, penalties, damages (including consequential damages), liabilities, judgments, and expenses (including, without limitation, reasonable attorneys' fees) which arise out of or relate to: (1) the use or occupancy or manner of use or occupancy of the Land by Lessee or any person claiming under Lessee; (2) violations relating to use restrictions; (3) any activity, work, or thing done or permitted by Lessee in or about the Land; (4) any breach by Lessee or its employees, agents, contractors or invitees of this Lease; and (5) any injury, loss or damage to the person, property or business of Lessee, its employees, agents, or contractors or any invitees entering upon the Land under the express or implied invitation of Lessee. If any action or proceeding is brought against Lessor or its employees or agents by reason of any such claim for which Lessee has indemnified Lessor, Lessee, upon written notice from Lessor, will defend the same at Lessee's expense with counsel reasonably satisfactory to Lessor. Lessee's obligations under this Section shall survive the expiration or other termination of this Lease.

If the Land or the Improvements are destroyed or damaged by any cause to such an extent or degree that Lessee suffers shut down of service or loss of revenue or property, Lessor shall not be responsible in any way for loss of such revenue or property. If Lessee cannot or chooses not to restore service within thirty (30) days, either party may, at its option and without liability, terminate this Lease upon notice to the other party.

5.2 Waiver and Release. Lessee, as a material part of the consideration to Lessor for this Lease, by this section waives and releases all claims against Lessor, its officials, employees, agents and contractors with respect to all matters for which Lessor has disclaimed liability pursuant to the provisions of this Lease. With respect to third-party claims against the Lessee, Lessee waives any and all rights to any type of express or implied indemnity against Lessor, its officials, employees, agents and contractors.

ARTICLE VI—TERMINATION

6.1 Termination. This Lease shall be subject to cancellation or termination by Lessor, for any reason whatsoever, upon ninety (90) days' written notice to Lessee prior to the date that termination shall become effective.

This Lease shall be subject to cancellation or termination by Lessee, for any reason whatsoever, upon ninety (90) days' written notice to Lessor prior to the date when termination shall become effective. If the existing crop(s) on the Land cannot and is (are) not harvested before said cancellation or termination is effective, then said existing crop shall thereupon become the property of Lessor to dispose of as it deems appropriate.

6.2 Surrender. Upon expiration or earlier termination of this Lease, Lessee shall surrender the Land to Lessor. Within fifteen (15) days following the expiration or termination of this Lease, Lessee shall remove all of its equipment or trade fixtures constructed or installed

pursuant to this Lease. Lessee shall also restore the Land to its original condition as of the Commencement Date, reasonable wear and tear excepted. If within fifteen (15) days after the expiration or termination of this Lease, Lessee has not removed its Improvements or property and not restored the Land as required herein, Lessor may do so and Lessee shall reimburse Lessor for all expenses or costs for such removal and restoration. Lessee's obligations under this Section shall survive the expiration or other termination of this Lease.

6.3 Holdover. Lessee shall have no right to remain in possession of all or any part of the Land after the expiration of the Term. If Lessee remains in possession of all or any part of the Land after the expiration of the Term: (a) such tenancy will be deemed to be a tenancy at will; (b) such tenancy will not constitute a renewal or extension of this Lease for any further term; (c) such tenancy shall be terminated by Lessor upon prior written notice to Lessee on the earliest date permitted by law; and (d) Lessee shall be liable to Lessor for any and all losses and damages suffered or incurred by Lessor as a result of Lessee's failure to vacate the Land upon expiration of the term of this Lease.

ARTICLE VII—MAINTENANCE; REQUIREMENTS OF LAW

7.1 Maintenance. Lessee shall at all times throughout the Term, at its sole cost and expense, maintain and repair the Land, the Improvements, and all trade fixtures and personal property of Lessee located thereon. Lessee shall not call upon Lessor to make any improvements or repairs on the Land of any nature whatsoever and agrees to keep the same in good order and condition at Lessee's own cost and expense.

7.2 Compliance with Laws. For the purposes of this Section 7.2, "Applicable Laws" means all laws, statutes, ordinances and governmental rules, regulations, or requirements now in force or in force after the Commencement Date, the requirements of any board of fire underwriters or other similar body constituted now or after the Commencement Date, and any direction or permanent occupancy certificate issued pursuant to any law by any public officer or officers, as well as the provisions of all recorded documents affecting the Land. At its sole cost and expense, Lessee will promptly comply with Applicable Laws insofar as they relate to (a) Lessee's use, occupancy, or alteration of the Land; (b) the condition of the Land resulting from Lessee's use, occupancy, or alteration of the Land; or (c) alterations to the Land required as a result of Lessee's status under Applicable Laws.

7.3 Hazardous Materials

(a) Lessee will not permit, use or conduct operations on or at the Land or manufacture, store, sell, use, dispose of, release, or discharge or permit the manufacture, storage, sale, use, disposal, release, or discharge of Hazardous Materials in any manner which violates Environmental Law or which causes there to be any liability under Environmental Law. Lessee will be solely responsible for and will defend, indemnify and hold Lessor its officials, employees, agents and contractors harmless from and against any and all liability, claims, suits, actions, proceedings, damages, costs, and expenses, including, without limitation, attorneys' fees and costs, imposed upon or incurred by Lessor arising out of or in connection with a breach of the provisions of this Section or Lessee's introduction of Hazardous Materials to the Land. Lessee's obligations under this Section will survive the expiration or prior termination of this Lease.

(b) Lessee will promptly notify Lessor of (i) any and all enforcement, cleanup, remedial, removal, or other governmental or enforcement cleanup or other governmental or regulatory actions instituted, completed or threatened pursuant to any Environmental Laws relating to any Hazardous Materials affecting any part of the Land; and (ii) all claims made or threatened by any third party against Lessee, or any part of the Improvements relating to damage, contribution, cost recovery, compensation, loss or injury resulting from any Hazardous Materials on or about the Land or any part of the Land.

(c) Lessor may, from time to time during the Term, conduct such environmental assessments or tasks as Lessor deems necessary, provided that Lessor will give Lessee reasonable prior notice of its entry on the Land for such purposes and will cooperate in minimizing any disruption of Lessee's use of the Land as a result of such activity.

(d) For purposes of this Lease, "Hazardous Materials" means any explosives, radioactive materials, hazardous wastes, or hazardous substances, including, without limitation, substances defined as "hazardous substances" in the Comprehensive Environmental Response, Compensation and Liability Act of 1980, as amended, 42 U.S.C. §§ 9601-9657; the Hazardous Materials Transportation Act of 1975, 49 U.S.C. §§ 1801-1812; the Resource Conservation and Recovery Act of 1976, 42 U.S.C. §§ 6901-6987; any materials or substances listed in California Code of Regulations, Title 22, Section 66261.126, Appendix X, or those which meet the toxicity, reactivity, corrosivity or flammability criteria of Article 11 of the above Code, as well as any other substances which pose a hazard to health or environment; any herbicides, pesticides or fertilizers which are not shipped, stored, handled, mixed, applied, cleaned up or disposed of in strict compliance with the manufacturer's instructions, and in strict compliance with the applicable regulations established by and federal, state, county or local agency; and material now contained or that may be added to the list of chemicals known to the state to cause cancer or reproductive toxicity, which is further contained in the State of California Health and Welfare Agency Safe Drinking Water and Toxic Enforcement Act of 1986; any material identified as a hazardous substance, hazardous material and/or infectious waste as defined in sections 25110, *et seq.* and 25117.5 or 25500 *et seq.* of the Health and Safety Code or any other federal, state, or local statute, law, ordinance, code, rule, regulation, order, or decree regulating, relating to, or imposing liability or standards of conduct concerning hazardous materials, waste, or substances now or at any time hereafter in effect (collectively, "Environmental Law").

ARTICLE 8—DEFAULT

8.1 Events of Default. The following events are referred to, collectively, as "Events of Default" or, individually, as an "Event of Default":

(a) Lessee defaults in the schedule of performance set forth in Exhibit B and such default continues for ten (10) days after written notice from Lessor; and if after such written notice, Lessee has not cured such breach, an Event of Default will be considered to have occurred without further notice;

(b) Lessee vacates or abandons the Premises;

(c) Lessee violates the use provisions and use restrictions identified in Section

2.2 of this Lease, including but not limited to, provisions of this Lease governing Lessee's permitted use of groundwater on the Land, Lessee's obligations to keep all cattle and all farming equipment away from Pleasant Grove Creek and the adjacent riparian zones/habitats, and use restrictions prohibiting Lessee from using or permitting the Land to be used for residential occupancy under any circumstance;

(d) This Lease or the Land or any part of the Land are taken upon execution or by other process of law directed against Lessee, or are taken upon or subject to any attachment by any creditor of Lessee or claimant against Lessee, and said attachment is not discharged or disposed of within fifteen (15) days after its levy;

(e) Voluntary or involuntary proceedings under any bankruptcy or insolvency or for reorganization or arrangement under the bankruptcy laws of the United States or insolvency act of any state or for the dissolution of Lessee are instituted against Lessee, or a receiver or trustee is appointed for all or substantially all of the property of Lessee, and such proceeding is not dismissed or such receivership or trusteeship vacated within sixty (60) days after such institution or appointment;

(f) Lessee purports to assign this Lease, or sublet all or a portion of the Land, in violation of the terms hereof;

(g) Lessee fails to carry or maintain the policies of insurance and limits of coverage required by Article IV of this Lease and/or fails to provide Lessor with all required certificates of insurance, endorsements and/or renewals when due under the terms of this Lease;

(h) Any recordation in violation of Section 9.19 below;

(i) Lessee breaches any of the other agreements, terms, covenants or conditions which this Lease requires Lessee to perform, or breaches any of the other agreements, terms, covenants or conditions restriction Lessee's use, and such breach continues for a period of ten (10) days after written notice from Lessor to Lessee or, if such breach cannot be cured reasonably within such ten (10) day period, if Lessee fails to diligently commence to cure such breach within ten (10) days after written notice from Lessor and to complete such cure within a reasonable time thereafter.

8.2 Replacement of Statutory Notice Requirements. When this Lease requires service of a notice, that notice shall replace rather than supplement any equivalent or similar statutory notice, including any notices required by California Code of Civil Procedure Section 11 61 or any similar or successor statute. When a statute requires service of notice in a particular manner, service of that notice (or a similar notice required by this Lease) in the manner required by Section 9.7, below, shall replace and satisfy the statutory service of notice procedures, including those required by California Code of Civil Procedure Section 11 62 or any similar or successor statute.

8.3 Lessor's Remedies. If any one or more Events of Default set forth in this Section 8 occurs, Lessor has the right, at its election:

(a) To terminate this Lease, in which case Lessee's right to possession of the Land will cease and this Lease will be terminated as if the expiration of the Term fixed in such

notice were the end of the Term. If this Lease is terminated, Lessor will be entitled to recover from Lessee any amount necessary to compensate Lessor for all the detriment proximately caused by Lessee's failure to perform its obligations under this Lease or that in the ordinary course of things would be likely to result from that failure.

(b) To reenter and take possession of the Land, expel Lessee and remove the effects of Lessee, using such force for such purposes as may be necessary, without being liable for prosecution.

(c) To cure any event of default and to charge Lessee for the cost of effecting such cure, including without limitation reasonable attorneys' fees, costs and interest provided that Lessor will have no obligation to cure any such event of default of Lessee.

8.4 Remedies Cumulative. Lessor's rights hereunder shall be in addition to, and not in lieu of, every other right or remedy provided for herein or now or hereafter existing at law or in equity by statute or otherwise, including, but not limited to injunctive relief, specific performance and damages. The exercise or beginning of exercise by Lessor of any one or more rights or remedies, provided herein or now or hereafter existing at law or in equity by statute or otherwise, shall not preclude the simultaneous or later exercise by Lessor of any or all other rights or remedies provided for in this Lease or now or hereafter existing at law or in equity or by statute or otherwise. All such rights and remedies shall be considered cumulative and nonexclusive.

ARTICLE 9—GENERAL

9.1 Quiet Eniovmnt. As long as Lessee performs all covenants and obligations contained in this Lease, Lessor warrants quiet enjoyment of the Land by Lessee; provided that Lessor, its agents or representatives, and any other person authorized by Lessor, may enter upon the Land for the purpose of inspecting the Land in accordance with the provisions of this Lease including, but not limited to, Section 2.5, above. Any entry onto or inspection of the Land shall not constitute eviction of Lessee in whole or in part.

9.2 Relocation Payment. Lessee acknowledges the following: Lessee commenced occupancy of the Land after Lessor acquired title to it, Lessor acquired the premises for a public project, Lessee may be required to vacate the Land to allow for construction of the public project and Lessee is not entitled to receive any payments under either the state or the federal Uniform Relocation Assistance Act (Government Code section 7260, *et seq.*; 42 U.S.C. section 4601, *et seq.*) which payments do not include payments contemplated in Section 6.1, above, if any. Consistent with the foregoing, under no circumstance is Lessee permitted to use the Land, or permit use of the Land, for residential occupancy purposes. Violation of the residential occupancy use restriction shall result in Lessee's reimbursement of any relocation benefit payments payable by Lessor and indemnification of Lessor arising out of such breach, consistent with the provisions of this Lease.

9.3 Condemnation. In the event of a condemnation or other taking by any governmental agency of all or a portion of the Land necessary for Lessee's operation of its business thereon, this Lease will terminate on the date the condemning authority takes possession of the Land. Any such condemnation award shall be paid to Lessor, except that Lessee will have the right to assert a separate claim for moving expenses, business interruption, and leasehold

improvements paid for by Lessee.

9.4 Liens. Lessee will keep the Land free and clear of all mechanics' liens and other liens on account of work done for Lessee or persons claiming under Lessee.

9.5 Assignment and Subletting. Lessee shall not assign or sublet its interest in this Lease or the Land without the prior written approval of Lessor, which approval may be withheld in Lessor's sole and absolute discretion but in no event shall the Land be subleased or assigned for residential occupancy purposes. This Lease shall otherwise inure to the benefit of and be binding upon the successors and assigns of the parties.

9.6 Limitation on Liability. Lessee specifically agrees to look solely to Lessor's interest in the Land for the recovery of any judgments from Lessor. It is agreed that Lessor (and its officials, employees and agents) will not be personally liable for any such judgments.

9.7 Notices. All notices and other communications required or permitted under this Lease shall be in writing and shall be given (a) by United States first class mail, postage prepaid, registered or certified, return receipt requested; (b) by hand delivery (including by means of a professional messenger service); or (c) by delivery from a nationally recognized overnight delivery service that routinely issues receipts, which notice shall be addressed to the party to whom such notice is being given, at their address set forth in Section 1.1, above. Any such notice or other communication shall be deemed to be effective when actually received or rejected. Either party may by similar notice given change the address to which future notices or other communications shall be sent.

9.8 Lessor's Name. Lessee is prohibited from using Lessor's name, logo, mark or any other identifying symbol as a business reference, in advertising or sales promotion, or in any publicity matter without Lessor's prior written consent.

9.9 Effect of Sale. A sale, conveyance or assignment of Lessor's interest in the Land will operate to release Lessor from liability from and after the effective date of such sale, conveyance or assignment upon all of the covenants, terms and conditions of this Lease, express or implied, except those liabilities which arose prior to such effective date, and, after the effective date of such sale, conveyance or assignment, Lessee will look solely to Lessor's successor-in-interest in and to this Lease. This Lease will not be affected by any such sale, conveyance or assignment, and Lessee will attorn to Lessor's successor-in-interest to this Lease, so long as such successor-in-interest assumes Lessor's obligations under this Lease from and after such effective date. Any such transfer or transfers of title or conveyances shall not disturb Lessee's rights under this Lease so long as Lessee is not in default under this Lease.

9.10 Subordination. This Lease and Lessee's rights under this Lease are subject and subordinate to any ground or underlying lease, mortgage, indenture, deed of trust or other lien encumbrance (each a "Superior Lien"), together with any renewals, extensions, modifications, consolidations and replacements of any such Superior Lien, now or after the Commencement Date affecting or placed, charged or enforced against the Land, or any portion thereof or any interest of Lessor in them or Lessor's interest in this Lease and the leasehold estate created by this Lease

(except to the extent any such instrument will expressly provide that this Lease is superior to such instrument). This provision will be self-operative and no further instrument of subordination will be required in order to effect it. Notwithstanding the foregoing, Lessee will execute, acknowledge and deliver to Lessor, within twenty (20) days after written demand by Lessor, such documents as may be reasonably requested by Lessor or the holder of any Superior Lien to confirm or effect any such subordination.

9.11 Estoppel Certificates. From time to time, within ten (10) days after receipt of written request by Lessor, Lessee will execute, acknowledge and deliver to Lessor a certificate certifying (a) that this Lease is unmodified and in full force and effect or, if there have been modifications, that this Lease is in full force and effect, as modified, and stating the date and nature of each modification; (b) that no written notice of any default has been delivered to Lessor which default has not been cured, except as to defaults specified in said certificate; (c) there is no Event of Default under this Lease, except for defaults specified in said certificate; and (d) such other matters as may be reasonably requested by Lessor. Any such certificate may be relied upon by any prospective purchaser or existing or prospective mortgagee or beneficiary under any deed of trust of the Land. Lessee's failure to deliver such a certificate within such time will be conclusive evidence of the matters set forth in it.

9.12 Time of the Essence. Time is of the essence for each and every provision of this Lease.

9.13 No Waiver. The waiver by either Lessor or Lessee of any agreement, condition, or provision contained in this Lease will not be deemed to be a waiver of any subsequent breach of the same or any other agreement, condition, or provision contained in this Lease.

9.14 Attorneys' Fees Upon Default. In the event any action or proceeding brought by either party to enforce this lease or any provision thereof, or to recover the possession thereof, the prevailing party shall be entitled to reasonable attorneys' fees in addition to costs and necessary disbursements.

9.15 Brokers. Lessor and Lessee respectively represent and warrant to each other that neither of them has consulted or negotiated with any broker or finder with regard to the Land, with the exception of Lessor's consultation with Tom Neely. Lessor and Lessee shall each indemnify the other against and hold the other harmless from any claims for fees or commissions from anyone, including Tom Neely, with whom either of them has consulted or negotiated with regard to the Land.

9.16 Authority. Lessee and the party executing this Lease on behalf of Lessee represent to Lessor that such party is authorized to do so by requisite action of the Council, officers, board of directors, or partners, as the case may be, and agree, upon request, to deliver to Lessor a resolution or similar document to that effect.

9.17 Governing Law. This Lease will be governed by and construed pursuant to the laws of the State of California in which the Land is located.

9.18 Captions. The captions of the various Articles and Sections of this Lease are for convenience only and do not necessarily define, limit, describe or construe the contents of such

Articles or Sections.

9.19 Recordation. Lessor will record this Lease with the Placer County Clerk-Recorder.

9.20 Severability. If any provision of this Lease proves to be illegal, invalid or unenforceable, the remainder of this Lease will not be affected by such finding, and in lieu of each provision of this Lease that is illegal, invalid or unenforceable, a provision will be added as a part of this Lease as similar in terms to such illegal, invalid or unenforceable provision as may be possible and be legal, valid and enforceable.

9.21 Obligations; Joint and Several. The obligations and liabilities of Lessee hereunder shall be the joint and several obligations and liabilities of each of such entities, and such entities shall keep Lessor informed in writing which one (and only one) of such entities shall have the ongoing power and authority to act as (and bind) Lessee with respect to each right of Lessee hereunder and each decision, authorization, approval and order to be made by Lessee hereunder. Lessee warrants and represents that the undersigned has the authority to bind Lessee to the terms set forth herein.

9.22 Entire Agreement; Amendment. This Lease contains the entire agreement between Lessor and Lessee. No amendment, alteration, modification of, or addition to the Lease will be valid or binding unless expressed in writing and signed by Lessor and Lessee.

IN WITNESS WHEREOF, the City of Roseville, a municipal corporation (Lessor) has authorized the execution of this Agricultural Land Lease Agreement in duplicate by its City Manager and attested to by its City Clerk under the authority of Resolution No. _____, adopted by the Council of the City of Roseville on the ____ day of _____, 2016, and Lessee has caused this Agricultural Land Lease Agreement to be executed.

Exhibit A-2

EXHIBIT B
PROPOSAL DATED OCTOBER 27, 2015

TAB E – Project Plan

We will outline our plans and ideas on how to farm Reason Farms. In an effort to meet the Project Objectives and Management Goals for the City and the logistical and economical practicality of the Lease we propose the following:

Option #1

Implementation of Dry Land Farming

In order to efficiently and effectively implement a dry land (organic or conventional) farming program the following land preparation must be preformed:

2015/16

- Mow and maintain roads throughout the property
- Disc fire breaks around perimeter of property (spring time)
- One-third of the Property will be planted (at a minimum, discretion of planning all three Fields shall be left to Lessee) – to establish a three year rotation (see chart below)
 - Smooth out fields in seed bed preparation and for drainage
 - Fertilized the fields to be planted
 - Drill seed into prepared fields in the fall of each year
 - Install drains in each field which will connect to primary drainage out of fields
 - Harvest crop in spring of each year (for grain, hay or by grazing livestock)
- One-third of Property will be disced

Dry Land Crop Rotation

Farming - Rotation - With Livestock

	<u>Field 1 (344 ac.)</u>	<u>Field 2 (344 ac.)</u>	<u>Field 3 (344 ac.)</u>
	344	344	344
2015	Graze - Disc	Harvest	Disc - Plant
2016	Disc - Plant	Graze - Disc	Harvest
2017	Harvest	Disc - Plant	Graze - Disc
2018	Graze - Disc	Harvest	Disc - Plant
2019	Disc - Plant	Graze - Disc	Harvest
2020	Harvest	Disc - Plant	Graze - Disc

Implementation of Livestock Grazing

In order to efficiently and effectively use livestock for grazing management the following land preparation must be preformed:

- Develop controlled access to Pleasant Grove Creek for drinking water using electric or barbed wire fencing
- Electric fencing will be used to separate fields within the property

- Cattle will be allowed on the Lease once the property is dry enough to support best grazing management practices, this will be a challenge due to the property being farmed
- The existing capped wells will be used at this point due to the inability to economically grow pasture or other irrigatable crops, however once the farming practices start this may change. They may be used as stock water for the cattle in the future.

Farm Service Agency

All farming activities will be conducted in compliance with the Farm Service Agency.

City of Roseville Involvement

We have outlined our plans and ideas for both farming and grazing on the Reason Farms, in an effort to meet the Project Objectives and Management Goals for the City and the logistical and economical practicality for the Lessee.

Capital Expenditures

If a well is utilized the lessee shall pay for all expenses associated with the pumping of water and at termination of lease any capital fixtures shall remain the possession of the lessee.

Term of License Agreement

- A five (5) year License, with the current year to begin at signing as outlined in the RFP, with the option of a 5 year extension.

COUNCIL COMMUNICATION

CC #: 7765

File #: 0702

Title: Golf Course Operations - Service Agreement

Contact: Rob Nakamura 916-774-5135 rnakamura@roseville.ca.us

Meeting Date: 6/15/2016

Item #: 7.25.

RECOMMENDATION TO COUNCIL

Recommend Council adopt the resolution authorizing the City Manager to execute a five (5) year contract agreement with up to three (3), five (5) year renewals with SRI Golf, Inc. to perform all functions of golf course and food/beverage operations as the result of the 2015 Golf Course Services Request for Proposal, for the Woodcreek Golf Club and Diamond Oaks Golf Course.

BACKGROUND

On June 5, 2015, the Request for Proposal (RFP) was published for golf services for the Woodcreek Golf Club and Diamond Oaks Golf Course. This RFP was published to include all functions performed in the daily operations (Pro-Shop) and all food/beverage operations and maintenance of both City owned golf courses.

Six companies attended the mandatory pre-bid meeting and tours, and as of the July 9, 2015 deadline the City received one full course Golf Management proposal, one Food/Beverage Operations proposal, two proposals that included both daily operations and food/beverage operations and one for maintenance only. In August 2015 interviews were conducted with four companies. SRI Golf, Inc. was selected to enter into final negotiations with the City to provide the daily operations (Pro-Shop) and food/beverage services.

The submitted proposals were evaluated using four essential criteria that were outlined in the RFP. The selection criteria used are listed below:

- A. Experience and qualifications of firm and proposed staff/sub-consultants/sub-contractors.
- B. Ability of the Contractor to provide innovative approaches and techniques to managing operations.
- C. Ability of the Contractor to team and partner with the City and other Contractors to meet City goals.
- D. Ability of the Contractor to provide high quality customer service and good value to customers.

SRI Golf, Inc. is currently the City of Roseville's operator of daily operations (Pro-Shop) and food/beverage operations at Diamond Oaks Golf Course and Woodcreek Golf Club. SRI Golf,

Inc. has an extensive background and experience in the Roseville golf market and operates other restaurant and banquet facilities at multiple courses in the Central Valley and Bay Area. SRI Golf, Inc. has been a partner of the City for over twenty years and has a good understanding of what is expected by the City of Roseville.

FISCAL IMPACT

The estimated annual value of the golf operations contract is \$5.7M in gross sales. The City of Roseville receives an percentage share of various revenues types (green fees, cart rentals, range sales, etc.) which is estimated at \$2.3M annually. SRI Golf, Inc is estimated to receive \$3.4M in revenues annually. Additionally, SRI Golf is responsible for all expenses related to golf operations and food/beverage at both Woodcreek and Diamond Oaks Golf Courses.

The funds for this contract have been allocated through the FY2015/16 golf operating budgets and will be included in all future operations budgets through FY2019/20. Both golf courses are managed in the Golf Course Operations Fund. The enterprise fund is structured so that golf revenues are designed to offset expenses including maintenance, utilities, indirect expense, debt service, loan payments, and capital improvements. The total financial impact for the City of Roseville will be based on revenues generated through golf rounds sold, cart rentals, range sales, and the success of the food and beverage operations. City to receive a fixed annual fee of \$124,000.00 and percentage of revenues outlined in the contract agreement.

The current balance in the Golf Course Operation Fund is \$50,628.00 However, revenue and expense trends are projecting that the fund will potentially be in a deficit position for the next seven years. The golf course bond debt payments are scheduled to be completed in FY2024 which will provide significant relief in annual expense obligations.

As part of this agreement, SRI Golf, Inc. has agreed to invest \$150,000.00 in capital improvements to the facilities within the first five year term. SRI Golf, Inc. understands that the City will have limited ability to invest in facility improvements until the golf operations business recovers from current economic conditions.

ECONOMIC DEVELOPMENT / JOBS CREATED

To provide golf operations and food and beverage operations at both golf course facilities, SRI Golf, Inc. employs 13 full-time and 40 part time-seasonal employees.

ENVIRONMENTAL REVIEW

The California Environmental Quality Act (CEQA) does not apply to activities that will not result in a direct or reasonably foreseeable indirect physical change in the environment (CEQA Guidelines §15061(b)(3). Council approval of the SRI Golf Contract does not include the potential for a significant environmental effect, and therefore is not subject to CEQA.

Respectfully Submitted,

Rob Nakamura, Recreation Superintendent

Dion Louthan, Director, Parks, Recreation & Libraries

Rob Jensen, City Manager

Description

Resolution No. 16-241

Golf Agreement

RESOLUTION NO. 16-241

APPROVING AN AGREEMENT BETWEEN THE CITY OF ROSEVILLE AND SRI GOLF, INC., AND SPORTS RESTAURANT OF ROSEVILLE, INC., AND AUTHORIZING THE CITY MANAGER TO EXECUTE IT ON BEHALF OF THE CITY OF ROSEVILLE

WHEREAS, an agreement for professional golf course services and food/beverage services at Woodcreek Golf Club and Diamond Oaks Golf Course, by and between the City of Roseville and SRI Golf, Inc. and Sports Restaurant of Roseville, Inc., has been reviewed by the City Council; and

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Roseville that said agreement is hereby approved and that the City Manager is authorized to execute it on behalf of the City of Roseville.

PASSED AND ADOPTED by the Council of the City of Roseville this ____ day of _____, 20__, by the following vote on roll call:

AYES COUNCILMEMBERS:

NOES COUNCILMEMBERS:

ABSENT COUNCILMEMBERS:

MAYOR

ATTEST:

City Clerk

**AGREEMENT BETWEEN THE CITY OF ROSEVILLE
AND SRI GOLF, INC. AND
SPORTS RESTAURANT OF ROSEVILLE, INC.
REGARDING PROFESSIONAL GOLF SERVICES**

**Woodcreek Golf Club and
Diamond Oaks Golf Course**

THIS PROFESSIONAL GOLF SERVICES AGREEMENT is made and entered into this ____ day of _____, 20 __, by and between the City of Roseville, a municipal corporation ("CITY"), and SRI Golf, Inc. and Sports Restaurant of Roseville, Inc., California corporations (collectively "CONCESSIONAIRE").

W I T N E S S E T H:

WHEREAS, CITY owns and operates the Woodcreek Golf Club and the Diamond Oaks Golf Course ("Golf Courses") for the use and benefit of the public; and

WHEREAS, CITY desires to provide professional golf services for the convenience and enjoyment of the public; and

WHEREAS, CONCESSIONAIRE is engaged in the professional golf services concession and food and beverage businesses and is prepared, equipped and qualified to undertake such operations, and provide all services required hereunder at the Golf Courses; and

WHEREAS, CITY issued a Request for Proposals (RFP) for Golf Course Services (operations and food/beverage) which describes the scope of work to be performed by CONCESSIONAIRE; and

WHEREAS, CONCESSIONAIRE has prepared a proposal dated July 9, 2015 which describes the budget for the work and the schedule for performance of the work; and

WHEREAS, CONCESSIONAIRE is qualified and experienced to provide professional services related to Golf Course Operations and Food/Beverage operations at the Woodcreek Golf Club and Diamond Oaks Golf Course; and

WHEREAS, the parties desire this Agreement to have an effective start date of January 1, 2016 (the "Effective Date"); and

NOW, THEREFORE, the parties agree as follows:

1. Definitions.

- a. "Director" means the Director of the CITY Parks, Recreation, Libraries Department, and any of his or her authorized representatives.
- b. "Approval of the Director," "Consent of the Director," "Permission of the Director," "Approval of CITY," and terms of like import relating to the approval or consent by CITY or an authorized officer of CITY mean either the affirmative act of the Director (q.v.) in approving or consenting to a proposed action of CONCESSIONAIRE, or the lack of response by the Director to a proposed action by CONCESSIONAIRE ten (10) working days after notice to the Director of such action (or such shorter time as may be appropriate in case of emergency). In all such cases, approvals or consents shall not be unreasonably withheld, delayed or conditioned.
- c. "Green Fees" shall include all types of fees paid related to golf rounds including annual pass memberships via Electronic Funds Transfer (EFT) or lump sum.
- d. "Power Cart Revenue" or "Golf Cart Revenue" shall include all types of fees paid related to use of powered golf carts including tournament use. Hand carts are excluded.

e. "Driving Range Revenue" shall include all types of fees paid related to use of driving ranges including tournament use.

f. "Food and Beverage Revenue" shall include all types of fees and charges related to CONCESSIONAIRE's sales of food and beverages.

g. "Concession Area(s)," "Concession Facilities" and "Concession" all mean the area where concession activities are carried out pursuant to this Agreement, and are used interchangeably in this Agreement. The Concession Area shall include the pro shop building, cart storage building, driving range, restaurant/snack bar and any other areas designated Concession Areas by the Director.

h. "Concession Fee" means the compensation payable by CONCESSIONAIRE to CITY as provided in Section 4 of this Agreement.

i. "Trade Rounds" shall include all rounds traded for services provided, including, without limitation, marketing, software, call center, tee time reservations, and website.

j. "Complimentary Rounds" shall include all rounds where no service has been received in return. Complimentary rounds includes rounds issued to CONCESSIONAIRE employees, maintenance contractor employees, PGA golfers, non-profits, etc.

2. Term. The initial term of this Agreement shall be five (5) years, commencing on January 1, 2016 and expiring on December 31, 2020. CITY may elect to extend the term in its sole discretion for up to three (3) additional five (5) year terms by giving written notice to CONCESSIONAIRE no later than twelve (12) months before the initial or renewed term ends. If CITY elects to extend the term, the compensation outlined in Section 4 may be adjusted, but in no event shall such compensation be increased by more than ten percent (10%) in any five (5) year term.

3. Services. CONCESSIONAIRE shall perform at the direction of CITY the scope of services ("Work") as described in the General Conditions for Golf Operations (EXHIBIT "A1") and the General Conditions for Food/Beverage Operations (EXHIBIT "A2") both of which are attached hereto and incorporated herein by this reference.

a. CONCESSIONAIRE shall maintain facilities as outlined in the Golf Operations Maintenance Standards (EXHIBIT "B1"), the Food/Beverage Operations Maintenance Standards (EXHIBIT "B2") the Golf Operations Resource Inventory and Facility Maintenance Responsibility List (EXHIBIT "C1") and the Food/Beverage Operations Resource Inventory and Facility Maintenance Responsibility List (EXHIBIT "C2") all of which are attached hereto and incorporated herein by this reference.

4. Compensation. The Concession Fee payable by CONCESSIONAIRE to CITY shall be comprised of both a fixed fee amount and a percentage of revenue as follows:

a. Fixed Fee. The fixed fee portion of the Concession Fee shall be one hundred twenty four thousand dollars (\$124,000) per year payable by CONCESSIONAIRE to CITY in eight (8) equal monthly installments of \$15,499.99 March through October.

b. Percentage of Revenue. The percentage of revenue portion of the Concession Fee shall be calculated and paid monthly by CONCESSIONAIRE to CITY based on actual sales/collection of fees as defined below:

1. One hundred percent (100%) of Green Fees at both Golf Courses less the proportional share of credit card fees.

2. Nineteen percent (19%) of Power Cart Revenue at both Golf Courses.

3. Twenty percent (20%) of Driving Range Revenue at both Golf Courses.

4. Six percent (6%) of annual Food and Beverage Revenue in excess of one million nine hundred thousand dollars (\$1,900,000).

c. Trade and Complimentary Rounds. Complimentary Rounds must comply with Section G.8 of Exhibit A1 to this Agreement. CITY may conduct periodic review of such Complimentary Play policy to ensure use is consistent with historic trends. CITY and CONCESSIONAIRE agree that Trade Rounds are valued at seventeen dollars (\$17) per round. CONCESSIONAIRE shall pay CITY the established Trade Round value for each trade round except for programs specifically approved by the Director. Such approved programs, as well as discounted play in trade for services, shall be coded separately in the point of sale system and reported on the monthly reconciliation.

CONCESSIONAIRE shall pay the sums provided in Sections 4(a)-4(c) each month of the term of this Agreement, commencing January 1, 2016 and thereafter not later than the fifth (5th) day of the following month throughout the term of this Agreement. The percentages enumerated in Section 4(b) shall be calculated on the basis of CONCESSIONAIRE's gross receipts during the calendar month. Sums paid are hereunder are subject to reconciliation as provided in Section 7.

CONCESSIONAIRE shall pay CITY the required Concession Fee for the final month of this Agreement not later than the fifth day of the calendar month following such final month.

CONCESSIONAIRE shall submit all such payments to the City of Roseville Finance Department. Any payment made by check shall be payable to the order of the City of Roseville.

In the event CONCESSIONAIRE is in arrears for fifteen (15) or more calendar days following the date that any payment herein required of CONCESSIONAIRE is due, CITY may assess CONCESSIONAIRE interest on the amount of such payment, at the rate of ten percent (10%) per annum, calculated from the date such amount was due until the date such amount is paid by the CONCESSIONAIRE.

5. Capital Investments/Improvements. CONCESSIONAIRE shall invest one hundred fifty thousand dollars (\$150,000) in facility improvements and upgrades in the first five (5) years of this Agreement. All facility improvements and upgrades are subject to approval by CITY and must meet standards as outlined in General Conditions for both Golf Operations (EXHIBIT "A1") and Food/Beverage Operations (EXHIBIT "A2"). CONCESSIONAIRE shall also contribute five hundred dollars (\$500) per month during the initial term and optional second five year term of this Agreement into a sinking fund for facility improvements to be mutually determined and approved by CITY at a future date. Such facility improvements shall be in addition to CONCESSIONAIRE's obligations as provided in EXHIBITS "C1" AND "C2."

6. Reimbursements. CITY and CONCESSIONAIRE agree that CONCESSIONAIRE may incur minor expenses associated with operating the Golf Courses that may not be identified in this Agreement. CONCESSIONAIRE shall not seek reimbursement for any expenses except as provided below:

a. CITY AND CONCESSIONAIRE agree that accepting credit card payments is mutually beneficial to both parties. CITY recognizes CONCESSIONAIRE incurs

merchant fee expenses associated with accepting credit card payments. CONCESSIONAIRE shall calculate merchant fee expenses associated with Green Fees by prorating total merchant fees between Green Fees receipts and all other operating sales. CONCESSIONAIRE may seek reimbursement of the merchant fee expenses associated with Green Fees by deducting such merchant fee expenses from the monthly Concession Fee. CONCESSIONAIRE shall first determine the monthly Concession Fee as provided in Section 4 and then deduct the prorated merchant fee expenses due to Green Fees to determine net payment due CITY.

b. Expenses not identified as the responsibility of CONCESSIONAIRE in EXHIBIT "A1", with prior written approval of CITY.

7. Reconciliation. At the end of each calendar year, the Concession Fee paid by CONCESSIONAIRE for such year shall be reconciled with the amount of the Concession Fee due and payable hereunder for that year. If such reconciliation shows a balance due to CITY, or an excess paid by CONCESSIONAIRE to CITY, CONCESSIONAIRE shall pay CITY such balance due, or CITY shall credit or repay such excess to CONCESSIONAIRE, whichever is applicable, within thirty (30) days following the due date for CONCESSIONAIRE's financial statement submitted. As part of the reconciliation, CONCESSIONAIRE agrees that there will be a review of the distribution of revenue between Green Fees and Power Cart Revenue. The review will exclude the total revenue collected for Annual Passes through electronic funds transfer or lump sum payments and will only include revenue collected for Green Fees and Power Carts. If Power Cart Revenue exceeds thirty-four percent (34%) of the total sum of Green Fees and Power Cart Revenue for the year, CONCESSIONAIRE agrees to pay CITY fifty percent (50%) of the difference above thirty-four percent (34%).

8. Insurance. CONCESSIONAIRE agrees to continuously maintain, in full force and effect, the following minimum policies of insurance during the term of this Agreement.

<u>COVERAGE</u>	<u>LIMITS OF LIABILITY</u>
Workers' Compensation	Statutory
Commercial General Liability	\$3,000,000 each occurrence \$6,000,000 aggregate Personal Injury: \$3,000,000 each occurrence \$6,000,000 aggregate
Automobile Liability	\$1,000,000 combined single limit

a. Form. CONCESSIONAIRE shall submit a certificate evidencing such coverage for the period covered by this Agreement in a form satisfactory to Risk Management and the City Attorney, prior to undertaking any work hereunder. Any insurance written on a claims made basis is subject to the approval of Risk Management and the City Attorney.

b. Additional Insureds. CONCESSIONAIRE shall also provide a separate endorsement form or section of the policy showing CITY, its officers, agents, employees and volunteers as additional insureds for each type of coverage, except for Workers' Compensation and Professional Liability. Such insurance shall specifically cover the contractual liability of CONCESSIONAIRE. The additional insured coverage under the CONCESSIONAIRE's policy shall be primary and noncontributory, as evidenced by a separate endorsement or section of the policy, and shall not seek contribution from CITY's insurance or self-insurance. In addition, the additional insured coverage shall be at least as broad as the Insurance Services Office ("ISO") CG 20 01 Endorsement. Any available insurance proceeds in excess of the specified minimum insurance coverage requirements and limits shall be available to the additional insureds.

Furthermore, the requirements for coverage and limits shall be: (1) the minimum coverage and limits specified in this Agreement; or (2) the full coverage and maximum limits of any insurance proceeds available to the named insureds, whichever is greater.

c. Cancellation/Modification. CONCESSIONAIRE shall provide ten (10) days written notice to CITY prior to cancellation or modification of any insurance required by this Agreement.

d. Umbrella/Excess Insurance. The limits of insurance required in this Agreement may be satisfied by a combination of primary and excess insurance. Any excess insurance shall contain or be endorsed to contain a provision that such coverage shall also apply on a primary and noncontributory basis for the benefit of CITY (if agreed to in a written contract) before CITY's own insurance shall be called upon to protect it as a named insured.

e. Subcontractors. CONCESSIONAIRE agrees to include in its contracts with all subcontractors the same requirements and provisions of this Agreement, including the indemnity and insurance requirements, to the extent they apply to the scope of the subcontractor's work.

Furthermore, CONCESSIONAIRE shall require its subcontractors to agree to be bound to CONCESSIONAIRE and CITY in the same manner and to the same extent as CONCESSIONAIRE is bound to CITY under this Agreement. Additionally, CONCESSIONAIRE shall obligate its subcontractors to comply with these same provisions with respect to any tertiary subcontractor, regardless of tier. A copy of CITY's indemnity and insurance provisions will be furnished to the subcontractor or tertiary subcontractor upon request.

f. Self-Insured Retentions. All self-insured retentions ("SIR") must be disclosed to Risk Management for approval and shall not reduce the limits of liability. Policies containing any SIR provision shall provide or be endorsed to provide that the SIR may be satisfied by either the named insured or CITY. CITY reserves the right to obtain a full certified copy of any insurance policy and endorsements. The failure to exercise this right shall not constitute a waiver of such right.

g. Waiver of Subrogation. CONCESSIONAIRE hereby agrees to waive subrogation which any insurer of CONCESSIONAIRE may acquire from CONCESSIONAIRE by virtue of the payment of any loss under a Workers Compensation, Commercial General Liability or Automobile Liability policy. All Workers Compensation, Commercial General Liability and Automobile Liability policies shall be endorsed with a waiver of subrogation in favor of CITY, its officers, agents, employees and volunteers for all work performed by CONCESSIONAIRE, its employees, agents and subcontractors.

h. Liability/Remedies. Insurance coverage in the minimum amounts set forth herein shall not be construed to relieve CONCESSIONAIRE of liability in excess of such coverage, nor shall it preclude CITY from taking such other actions as are available to it under any other provisions of this Agreement or law.

9. Default; Remedies.

a. Defaults. The occurrence of any one or more of the following events shall constitute a default and breach of this Agreement by CONCESSIONAIRE.

1. The unexcused vacating or abandonment of the Concession Areas by CONCESSIONAIRE.

2. The unexcused failure by CONCESSIONAIRE to make any payment required to be made by CONCESSIONAIRE, when due, where such failure shall continue for period of ten (10) days after written notice from CITY of the overdue amount.

3. The failure by CONCESSIONAIRE to observe or perform any of the covenants, conditions or provisions of this Agreement to be observed or performed by CONCESSIONAIRE, other than described in subparagraph (2) above, where such failure continues for a period of thirty (30) days after written notice from CITY; provided, however, that, if the nature of the default is such that more than thirty (30) days are reasonably required for its cure, then CONCESSIONAIRE shall not be deemed to be in default if CONCESSIONAIRE commences such cure within the thirty (30) day period and thereafter diligently prosecutes such cure to completion.

4. The making by CONCESSIONAIRE of any general assignments for the benefit of creditors.

5. The institution of any bankruptcy proceedings by or against CONCESSIONAIRE, which is not dismissed within sixty (60) days of filing thereof.

6. The appointment of a trustee or receiver under an applicable insolvency law to take possession of substantially all of CONCESSIONAIRE's assets located at the Golf Courses or of CONCESSIONAIRE's interest in this Agreement, where possession is not restored to CONCESSIONAIRE within sixty (60) days.

7. The attachment, execution or other judicial seizure of substantially all of CONCESSIONAIRE's assets located at the Golf Courses or of CONCESSIONAIRE's interest in this Agreement, where such seizure is not discharged within sixty (60) days.

8. The failure of CONCESSIONAIRE to maintain in full force and effect all forms of insurance required hereunder.

9. The failure of CONCESSIONAIRE to maintain in full force and effect any permit, business license, or, for more than ninety (90) days, a PGA Golf Pro rating required hereunder.

10. Any sale, transfer, or assignment by CONCESSIONAIRE of a majority interest in any right, license, privilege, or duty hereunder, if such sale, transfer or assignment does not comply with Section 13 of this Agreement.

11. A major breach of service including, but not limited to, significant health or safety violations which cause or may cause facility closure, where any such violation continues for a period of thirty (30) days after written notice from CITY or the applicable government agency; provided, however, that, if the nature of the default is such that more than thirty (30) days are reasonably required for its cure, then CONCESSIONAIRE shall not be deemed to be in default if CONCESSIONAIRE commences such cure within the thirty (30) day period and thereafter diligently prosecutes such cure to completion.

b. Remedies in Default. In the event of any default or breach of this Agreement by CONCESSIONAIRE under Subsection A, CITY may at any time thereafter, with or without notice or demand, and without limiting CITY in the exercise of any right or remedy which CITY may have by reason of such default or breach:

1. Terminate CONCESSIONAIRE's right to possession of the Concession Areas by any lawful means, in which case this Agreement shall terminate and CONCESSIONAIRE shall immediately surrender possession of the property to CITY. In such

event, CITY shall be entitled to recover from CONCESSIONAIRE all damages incurred by CITY by reason of CONCESSIONAIRE's default including, but not limited to, the following:

- a. The reasonable cost of recovering possession of the Concession Areas;
- b. Reasonable expenses of reletting, including necessary renovation and alteration of the Concession Areas, reasonable attorneys' fees and any real estate commission actually paid;
- c. The worth at the time of the award by the Court having jurisdiction thereof of the amount by which the unpaid Concession Fee for the balance of the term of the Agreement after the time of such award exceeds the fair market rental value of the Concession Areas for the same period, such amount payable by CONCESSIONAIRE in equal monthly installments over the balance of the term of the Agreement as if the Agreement had not been terminated.

2. Maintain CONCESSIONAIRE's right to possession, in which case this Agreement shall continue in effect whether or not CONCESSIONAIRE has abandoned the Concession Areas. In such event, CITY is entitled to enforce all of its rights and remedies under this Agreement, including the right to recover the Base Concession Fee as it becomes due.

3. Pursue any other remedy now or hereafter available to CITY under the laws or judicial decisions of California.

c. Breach by CITY. CONCESSIONAIRE may not terminate this Agreement except for a material breach of the Agreement by CITY or as provided in Section 10.

10. Termination of Agreement. During the initial five (5) year term of this

Agreement, neither party may terminate this Agreement except for incidents of material breach. CONCESSIONAIRE may terminate this Agreement during the second, third, and fourth five (5) year terms without cause by giving CITY eighteen (18) months written notice. CITY may terminate this Agreement during the second, third, and fourth five (5) year terms in the event that it elects, in its sole discretion, to sell or repurpose either or both of the Golf Courses by giving CONCESSIONAIRE eighteen (18) months advance written notice from the City Manager.

In the event that CITY terminates this Agreement after the initial five (5) year term, CITY will reimburse CONCESSIONAIRE for the one hundred fifty thousand dollars (\$150,000) in facility improvements and upgrades made by CONCESSIONAIRE during the initial term, as provided in section 5 of this Agreement, based on the following depreciation schedule:

Year	6	80%
Year	7	75%
Year	8	65%
Year	9	55%
Year	10	45%
Year	11	35%
Year	12	30%
Year	13	25%
Year	14	20%
Year	15	15%
Year	16	0%
Year	17	0%
Year	18	0%

Year 19 0%

Year 20 0%

The foregoing depreciation schedule applies only to fixed asset improvements which are permanent, customized specifically for the Golf Courses, and cannot be transferred to another location. Non-permanent improvements, including, without limitation, furniture and freestanding appliances, will not be subject to reimbursement. Nothing in this section shall be construed as requiring CITY to exercise its option to extend the Agreement for any period of time past the initial five (5) year term.

11. Surrender. At the end of the term or upon sooner termination of this Agreement, CONCESSIONAIRE shall surrender the Concession Areas and the tenant improvements to CITY in good order, condition and repair, ordinary wear and tear, unavoidable depreciation and obsolescence excepted. CONCESSIONAIRE shall also surrender control of intangible assets, including but not limited to golfroseville.com domain, 771-GOLF telephone number, and all social media and web 2.0 sites related to the Golf Courses.

12. Director's Inspection. CONCESSIONAIRE shall, at its sole cost and expense, provide golf cart(s) for inspection of the Golf Courses by the Director as needed for course inspection. CITY may inspect CONCESSIONAIRE's golf course operations as needed, but not less than annually. The inspection shall cover all Concession Areas. CITY reserves the right to enter the properties to inspect for compliance with this Agreement, to make necessary repairs and improvements which CONCESSIONAIRE has failed to make or which are CITY responsibility to make, to supply necessary services, and for other legitimate purposes, at any reasonable time. This right of entry shall, except in an emergency, be exercised only during CONCESSIONAIRE's business hours.

13. Assignment. CITY has relied on the past performance of Dan Bieber and George Marshall, principal shareholders of CONCESSIONAIRE, in negotiating and entering into this Agreement. Accordingly, CONCESSIONAIRE shall not assign this Agreement without the prior written consent of CITY, which consent shall not be unreasonably withheld. The requirements pertaining to consent set forth in Section 1(b) shall not apply to the consent required in this section. Nothing in this Agreement will prohibit a transfer of the assets of CONCESSIONAIRE (including its rights under this Agreement) to, or a merger or consolidation with, any person, firm, company or corporation under the control of CONCESSIONAIRE or under the control of Dan Bieber and George Marshall.

14. Dispute Resolution. If CITY and CONCESSIONAIRE are unable to agree upon an operational aspect under this Agreement, or another dispute arises between them, notwithstanding any other provision hereof, CITY and CONCESSIONAIRE agree to attempt to resolve such matter in good faith negotiations or by nonbinding mediation (with a mutually agreeable mediator) before declaring a default hereunder or resorting to legal remedies for breach or default hereunder. Each party shall pay one-half (1/2) the cost of any mediator.

15. Subordination. CONCESSIONAIRE's interest in the Concession Areas and this Agreement shall at all times be subordinated to the lien of any mortgage, deed of trust or other encumbrances placed upon the real property by CITY from time to time or by its successors except as provided below.

a. All such mortgages, deeds of trust and/or encumbrances shall provide that as long as CONCESSIONAIRE is not in default hereunder, neither CONCESSIONAIRE's interest nor CONCESSIONAIRE's quiet possession and enjoyment of the Concession Areas shall be disturbed or interfered with by any such mortgage, trustee, beneficiary or encumbrance holder ("Mortgagee"),

and Mortgagee shall execute a Non-Disturbance Agreement in favor of CONCESSIONAIRE, in form and substance reasonably acceptable to CONCESSIONAIRE.

b. This provision for subordination is self-operative and no further instrument of subordination is necessary. Nevertheless, in confirmation of such subordination, CONCESSIONAIRE shall execute promptly any instruments that CITY may reasonably request.

16. Nuisances Prohibited. CONCESSIONAIRE shall not commit or permit to be committed any waste on or of the Concession Areas, and CONCESSIONAIRE shall not do or permit to be done any act in or about the Concession Areas which shall be a nuisance or which may endanger the Concession Areas, another tenant or adjoining property.

17. Third Party Contracts. CONCESSIONAIRE is prohibited from entering into contracts relating to this Agreement or operations of the Golf Courses with third party vendors or contractors for a term longer than the term of this Agreement.

18. Authority of the Director. The Director shall administer this Agreement on behalf of CITY. Unless otherwise provided herein, or required by applicable law, the Director shall be vested with all rights, powers, and duties of CITY hereunder.

With respect to matters hereunder subject to the approval, satisfaction, or discretion of CITY or the Director, the decision of the Director in such matters shall be final, shall not be unreasonably withheld, and shall be exercised reasonably and consistently with the implied covenant of good faith and fair dealing.

19. Consent. Whenever the consent or approval of either CITY or CONCESSIONAIRE is required or authorized hereunder, such consent or approval shall not be unreasonably withheld, unreasonably conditioned, or unreasonably delayed.

20. Time of the Essence. Time is of the essence in the performance of this Agreement.

21. Independent Contractor. It is understood and agreed that CONCESSIONAIRE (including CONCESSIONAIRE's employees) is an independent contractor and that no relationship of employer-employee exists between the parties hereto. CONCESSIONAIRE's assigned personnel shall not be entitled to any benefits payable to employees of CITY. As an independent contractor, CONCESSIONAIRE hereby indemnifies and holds CITY harmless from any and all claims that may be made against CITY based upon any contention by any third party that an employer-employee relationship exists by reason of this Agreement.

a. It is further understood and agreed by the parties hereto that CONCESSIONAIRE in the performance of its obligation hereunder is subject to the control or direction of CITY as to the designation of tasks to be performed, the results to be accomplished by the services hereunder agreed to be rendered and performed, and not the means, methods, or sequence used by CONCESSIONAIRE for accomplishing the results.

b. If, in the performance of this Agreement, any third persons are employed by CONCESSIONAIRE, such person shall be entirely and exclusively under the direction, supervision, and control of CONCESSIONAIRE. All terms of employment, including hours, wages, working conditions, discipline, hiring, and discharging, or any other terms of employment or requirements of law, shall be determined by CONCESSIONAIRE.

c. It is further understood and agreed that as an independent contractor and not an employee of CITY, neither CONCESSIONAIRE nor CONCESSIONAIRE's assigned personnel shall have any entitlement as a CITY employee, right to act on behalf of CITY in any capacity whatsoever as agent, nor to bind CITY to any obligation whatsoever.

d. It is further understood and agreed that CONCESSIONAIRE must issue all forms for income and employment tax purposes including, but not limited to, W-2 and 941 forms,

for all of CONCESSIONAIRE's assigned personnel under the terms and conditions of this Agreement.

22. Indemnification of CITY. CONCESSIONAIRE shall defend, indemnify and save and hold harmless CITY, its officers, agents, employees, volunteers, and representatives from any and all claims, suits, losses, liabilities, or damages, demands and actions including payment of reasonable attorneys' fees, arising out of or resulting from CONCESSIONAIRE's performance of this Agreement, caused in whole or in part by any negligent or willful act or omission of CONCESSIONAIRE, its officers, agents, employees, representatives, or anyone directly or indirectly acting on behalf of the CONCESSIONAIRE, except those matters arising from CITY's intentional acts and/or sole active negligence. The parties intend that this provision shall be broadly construed.

23. Release of Liability. CITY shall not be liable for, and CONCESSIONAIRE hereby releases CITY from, any and all liability to CONCESSIONAIRE, CONCESSIONAIRE's insurance carrier, or to any person claiming under or through CONCESSIONAIRE for any loss or damage whatsoever to the buildings, structures, areas and contents thereof constituting the Concession Area resulting from fire, the discharge of water, or other substance, from pipes, sprinklers, conduits, containers, appurtenances thereof or fixtures thereto, or from any damage resulting from the discharge or failure of electric current, regardless of cause or origin, save and except for that which is caused by the intentional wrongful act and/or active negligence of CITY, its officers, agents or employees.

Further, CONCESSIONAIRE shall be solely responsible for the safety and security of its property, equipment, supplies, merchandise, and commodities used or offered for sale by CONCESSIONAIRE at the Golf Courses. CITY shall have no liability or responsibility whatsoever

to CONCESSIONAIRE, CONCESSIONAIRE's insurance carrier, or to any person claiming under or through CONCESSIONAIRE, and CONCESSIONAIRE shall make no claim against CITY, with respect to such matters, except for those arising out of the intentional wrongful act and/or active negligence of CITY, its officers, agents or employees.

24. Taxes. CONCESSIONAIRE shall, at its sole cost and expense, pay any and all taxes for which it is responsible, or which may be assessed against it. CONCESSIONAIRE shall pay, when due, all taxes and assessments levied upon the Concession Area and CONCESSIONAIRE's personal property situated on the Golf Courses. CONCESSIONAIRE is not required to pay personal property taxes for the property owned by CITY.

a. Possessory Interest. Under this Agreement, a possessory interest subject to property taxation may be created. Notice is hereby given pursuant to Revenue and Taxation Code Section 107.6 that such possessory interest may be subject to property taxation if created, and that the party in whom the possessory interest is vested shall be subject to the payment of property taxes levied on such interest. Also, the interest created by this Agreement may be subject to special taxation pursuant to the Mello-Roos Community Facilities Act of 1982 (Chapter 2.5, commencing at Section 53311, of Part 1, Division 2, Title 5 of the Government Code) and a party in whom a possessory interest is vested may be subject to the payment of special taxes levied on such interest pursuant to such Act.

b. Right to Contest Taxes. CONCESSIONAIRE shall have the right in its own name, or to the extent necessary, in CITY's name, to contest, in good faith and by all appropriate proceedings the amount, applicability or validity of any tax assessment pertaining to the Golf Course properties and its operations thereon.

In the event CONCESSIONAIRE initiates such contest, CITY shall reasonably cooperate with CONCESSIONAIRE, provided that such contest will not subject any part of CITY property to forfeiture or loss; and provided, further, that if CONCESSIONAIRE contests any assessment made by the Assessor of CITY, such contest shall not be initiated in the name of CITY, and CITY shall not be obligated to cooperate therewith.

If at any time, payment of any tax or assessment becomes necessary to prevent any such forfeiture or loss, CONCESSIONAIRE shall timely pay such tax or assessment to prevent such forfeiture or loss.

25. Notices. Any notice, demand, request, consent, or approval, which either party may or is required to give the other, shall be in writing and shall be either personally delivered or addressed as follows:

CITY OF ROSEVILLE

Dominick Casey, Assistant City Manager
311 Vernon Street
Roseville, CA 95678
dcasey@roseville.ca.us

CONCESSIONAIRE

Dan Bieber/George Marshall,
SRI Golf, Inc.
190 S. Orchard Avenue, Suite C-101
Vacaville, CA 95688
GMarsh4111@aol.com
BEEEB@aol.com

Either party may, by notice given at any time or from time to time, require subsequent notices to be given to another individual person, whether a party or an officer or representative, or to a different address, or both. Notices given before actual receipt of change shall not be invalidated by the change.

26. Notice of Claims and Suit. CITY and CONCESSIONAIRE shall each give the other prompt and timely written notice of any personal injury or accident claim in excess of one thousand dollars (\$1,000.00), and of any lawsuit coming to its knowledge, when either such claim or lawsuit

arises out of, or is in any way connected with, the construction or operations of CONCESSIONAIRE hereunder, the construction or operation of the Golf Courses by CITY which in any way, directly or indirectly, contingently or otherwise, might reasonably affect the parties' relationship under this Agreement. Such notice shall be deemed prompt and timely if given within thirty (30) calendar days following the date of receipt of such claim by an officer, agent, or employee of either party, and, if given within ten (10) calendar days following the date of service of process upon either party with respect to any such lawsuit.

27. Nondiscrimination Clause/Equal Employment Opportunity. CONCESSIONAIRE shall not discriminate in the provision of services because of color, race, creed, national origin, religion, sex, sexual orientation, age, or physical or mental handicap in accordance with Title VI of the Civil Rights Act of 1964 (42 U.S.C. Section 2000d et seq.), the American with Disabilities Act (42 U.S.C. Section 12131 et seq.), and all other applicable laws and regulations requiring no discrimination.

CITY is an Equal Opportunity Employer. CONCESSIONAIRE shall comply with Federal, State, and City Equal Employment Opportunity requirements.

CONCESSIONAIRE shall not discriminate against any employee or applicant for employment because of race, color, religion, sex, or national origin, in violation of the law. CONCESSIONAIRE shall take affirmative action, as necessary, to ensure that applicants are employed, and that employees are treated during employment without regard to their race, color, religion, sex, or national origin, in violation of the law. Such action shall include but not be limited to the following: employment, layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship.

28. Compliance with Laws. CONCESSIONAIRE shall comply with all applicable federal, state, and local statutes, ordinances, regulations, directives, and laws.

29. ADA Compliance. CONCESSIONAIRE shall comply with the Americans with Disabilities Act ("ADA") as it relates to all golf course operations under its jurisdiction including but not limited to rounds of play, instructional lessons, tournament play, and retail sales. It is the responsibility of CONCESSIONAIRE to make reasonable accommodations for qualified individuals with disabilities. Reasonable accommodations may include, but not be limited to, modifications to rules and equipment, pairing or grouping of individuals for reservations, co-participation between golfers and/or staff and a golfer, instructional techniques, and consideration of any other means of allowing for full participation of an individual. "Reasonable accommodation" does not include the making of any substantial structural work or major improvements to the Concession Areas which are the responsibility of CITY.

30. Warranty Regarding Golf Courses. CITY warrants that the Golf Courses will continue to be used as Golf Courses during the term of this Agreement. CITY shall have the right to sell the Golf Courses and assign its interest in this Agreement without limitation. CITY shall give CONCESSIONAIRE eighteen (18) months notice prior to the close of escrow on any such sale. Any such sale shall be made subject to this Agreement and any purchaser shall agree to perform all of the obligations of CITY under this Agreement, including any obligation under this Agreement undertaken by CITY prior to the sale. Upon any such conveyance, CITY shall be automatically relieved of any further obligation under this Agreement.

31. Entire Agreement. This Agreement, together with all exhibits attached hereto, constitutes the entire Agreement between the parties hereto, and all other representations or statements heretofore made, oral or written, are merged herein, and this Agreement may be

amended only in writing, and executed by duly authorized representatives of the parties hereto.

This Agreement supersedes all prior agreements. Each party has relied on its own examination of this Agreement, the counsel of its own advisors and the warranties, representations and covenants of the Agreement itself. The failure or refusal of either party to inspect the Golf Courses, to read this Agreement or other documents, or to obtain legal or other advice relevant to this transaction constitutes a waiver of any objection, contention or claim that might have been based on such reading, inspection or advice.

32. Nonwaiver of Rights. No waiver of default by either party of any of the terms, covenants, and conditions hereof to be performed, kept, and observed by the other party shall be construed as, or shall operate as, a waiver of any subsequent default of any of the terms, covenants, or conditions, herein contained, to be performed, kept, and observed by the other party.

33. Force Majeure. Neither CITY nor CONCESSIONAIRE shall be deemed in violation of this Agreement if they are prevented from performing any of their obligations hereunder by reason of strike, boycott, labor dispute, embargo, or shortage of energy or materials. Neither CITY nor CONCESSIONAIRE shall be deemed in violation of this Agreement if either is prevented from performing any of its obligations hereunder by reason of acts of God, acts of a public enemy, acts of superior governmental authority, weather conditions, riot, rebellion, sabotage, or any other circumstances for which it is not responsible or which are not reasonably within its control.

34. Waiver. A term or condition of this Agreement may be waived at any time by the party entitled to the benefit thereof, but no such waiver shall affect the right of the waiving party to require observance, performance or satisfaction either of that term or condition as it applies on a subsequent occasion or of any other term or condition.

35. Governing Agreement. In the event of any conflict between this Agreement and its exhibits, the provisions of this Agreement shall govern.

36. Severability. In case any one or more of the provisions contained in this Agreement is for any reason held invalid or unenforceable, such holding shall not affect the remaining provisions or the validity and enforceability of the Agreement as a whole.

37. Headings. The headings of the articles and sections of this Agreement are inserted only as a matter of convenience and for reference and do not define or limit the scope of intent of any provisions of this Agreement, and shall not be construed to affect in any manner the terms and provisions hereof or the interpretation or construction thereof.

38. Access to Records. Duly authorized representatives of CITY shall have right of access during normal business hours to CONCESSIONAIRE's files and records relating to the services performed hereunder, and may review the files and records at appropriate stages during performance of the services.

39. Successors in Interest. This Agreement shall be binding upon the heirs, successors, executors, administrators and assigns of the respective parties hereto.

40. Joint and Several Liability. The parties understand and agree that SRI Golf, Inc. and Sports Restaurant of Roseville, Inc. shall be jointly and severally liable for all of CONCESSIONAIRE's obligations arising from this Agreement.

41. Attorney's Fees; Venue; Governing Law. If either party commences any legal action against the other party arising out of this Agreement or the performance hereof, the prevailing party in such action shall be entitled to recover its reasonable litigation expenses, including but not limited to, court costs, expert witness fees, discovery expenses, and attorney's fees. Any action arising out of this Agreement shall be brought in Placer County, California,

regardless of where else venue may lie. This Agreement shall be governed by and construed in accordance with the laws of the State of California.

42. Modification. This Agreement and each provision contained herein may be waived, amended, supplemented or eliminated only by mutual written agreement of the parties.

IN WITNESS WHEREOF, the City of Roseville, a municipal corporation, has authorized the execution of this Agreement in duplicate by its City Manager and attested to by its City Clerk under the authority of Resolution No. _____, adopted by the Council of the City of Roseville on the ____ day of _____, 20 __, and CONCESSIONAIRE has caused this Agreement to be executed.

EXHIBIT A1

Golf Operations

General Conditions

The City is seeking an experienced and capable firm interested in: a) operating both the Woodcreek and Diamond Oaks Golf Courses' Golf Course operations and Pro Shop, including starter services, golf cart rentals and driving range services; b) providing instructional services in the play of golf; and c) providing golf-related merchandise for purchase, rent or lease, including repairing golf equipment. The Contractor shall manage and account for all costs of operating the Golf Course operations and pro shop. These include staffing, marketing, maintenance, insurance, all taxes, janitorial services and supplies, all permits licenses required by law, and utilities used for the pro shop facility (the City is responsible for electricity costs at the driving ranges).

Golf Operations at Diamond Oaks Golf Course includes the pro shop, covered breezeway and restrooms within the main courtyard. The cart barn and cart wash area are immediately adjacent to the restrooms.

Golf Operations at Woodcreek Golf Club includes the pro shop and restrooms within the covered breezeway. The cart barn and cart wash area are immediately adjacent to the pro shop.

A. General Services

The Contractor shall

1. Obtain and maintain in full force and effect through the term of this Agreement any and all applicable permits and business licenses which may be required by any law, including administrative regulations and local ordinances. The Contractor must obtain a City of Roseville Business License.
2. Comply with all applicable rules and regulations adopted by the City, and all laws, ordinances and/or rules and regulations of other governmental units and agencies having lawful jurisdiction, which may be applicable to Contractor's operations of the Golf Operations. Any penalties, fines or fees imposed on the City by any state or federal agency arising out of Contractor's negligence or intentional misconduct shall be responsibility of the Contractor.
3. Contractor shall register facility with CERS (California Environmental Reporting System) and comply with storage, labeling and disposal requirements of any hazardous materials as required.
4. Conduct its operations in a first-class businesslike, efficient, courteous, and accommodating manner.
5. Be solely responsible for providing all services, equipment, supplies and personnel for the administration, staffing, operation and maintenance of the Pro Shop area, including restrooms in the breezeway.

6. Set prices for golf course services and retail merchandise that shall be comparable within the range of prices for the same or similar items/services at facilities in the Sacramento region.
7. Receive requests from property owners for property access via golf course and communicate with City.
8. Be in full operation to provide golf services no later than a certain time period negotiated between the City and Contractor following the commencement date of the contract award. The City reserves the right to extend this time frame if necessary.
9. Work cooperatively and collaboratively with Grounds Maintenance Contractor, Food and Beverage Contractor and City staff to provide a positive golf experience for all users.
10. The Contractor shall agree to participate in a "service audit" program. The service audit shall evaluate all operations and make recommendations about all services provided under this contract. Examples of the tools and methods to be used in the service audit include, without limitation, comment cards, shopper programs, surveys and evaluation forms.
11. Provide a business plan prior to operations.

B. Hours of Operation

The selected Proposer shall submit a schedule of intended hours of operation and level of service to the City for approval, prior to beginning operations.

1. Operations may begin as early as 5:30 A.M. during summer and close as late as 10:30 P.M. (Driving Range lights must be off by 10:00 P.M.). Golf Operations will coordinate with Grounds Maintenance Contractor regarding starting tee times and early morning maintenance.
2. The Pro Shop shall operate seven days a week during specified hours of operation, including holidays, with the exception of Christmas. The City may require changes in the hours of operation if, at the discretion of the City, such a change is desirable in providing the best service to the golf patrons and the public.
3. In the event play and/or use must be temporarily suspended on the golf course due to inclement weather conditions, the decision on when to allow use and/or play to resume, and when to allow golf carts to go on the course, will be made using the "Inclement Weather Policy" in Exhibit D5, and the City will be notified.

C. Personnel Requirements

The Contract is intended to be a "partnership" between the City, the City's Golf Operations and Food and Beverage Operations Contractors and the Contractor. The Contractor and its employees represent the City in the performance of their work. Only Contractor's employees or subcontractors are allowed on City premises where work is being performed.

1. City will rely upon information provided by proposer when awarding contract for these services. City acknowledges Contractors may change ownership from time to time. However, when owners are principals to services provided, written approval of the City must be obtained.
2. Golf Operations shall be supervised by a professional manager or combination of management staff to conduct day-to-day operations. A manager shall be present at all times the Golf Courses are open for business. Salaries for these positions shall be competitive to attract and recruit the best employees.
3. Contractor shall provide sufficient employees in order to provide exceptional service and meet public demand for prompt, courteous, and efficient service.
4. Contractor's personnel shall at all times while on duty at the Golf Course be clean and neatly groomed, courteous, efficient and attired in a suitable uniform. All personnel shall wear name tags.
5. Contractor's personnel shall perform its operations in a businesslike manner, without rudeness or discourtesy to any person, or use of profanity. Contractor shall maintain a high standard of services to the public, to the satisfaction of the City.
6. Contractor shall provide training for all employees. Training must include, but is not limited to, the following:
 - a. Interfacing with customers in a friendly and positive way
 - b. Resolving complaints to a customer's satisfaction
 - c. Working with internal customers and partners
 - d. Phone service skills
 - e. Safety in the workplace
7. The Contractor shall interview all existing Golf Operations employees for possible retention.
8. The City shall approve any changes to the staffing structure.
9. The City shall have the right to have Contractor remove from assignment to City facilities such employees of Contractor or subcontractors as shall be deemed incompetent, careless, insubordinate, or in any way objectionable, or any personnel whose actions may be contrary to the public interest, create a risk of liability to the City, or whose actions are inconsistent with the best interest of the City.

D. Technology Requirements

The Contractor shall provide their own computers and all hardware, including but not limited to phones, computers, printers, and peripherals as needed to perform operations.

1. The Contractor shall provide their own phone system.
2. The Contractor shall provide their own internet connection and service.
3. All computers and software must be PCI compliant and have the latest antivirus software and security patches. City staff may do periodic verifications for security of computers.

4. Use of existing raceways is encouraged. Any modifications to the building for new raceways or adding new raceways must be approved or coordinated by City of Roseville and are at the Contractor's expense.
5. Any modifications to the building or wiring must be approved or coordinated by City of Roseville and are at the Contractor's expense.
6. The City recommends a cloud solution for Contractor provided software. At minimum, software must be able to allow for online reservations of tee times and maintain a customer database for each course that specifies customer type and includes email addresses. The City reserves the right to access customer data as needed.
7. The Contractor shall provide read only access for City staff to the point of sale system and customer database.
8. The Contractor shall be able to take over and manage the existing monthly EFT payments for annual passes, averaging about 60 customers per month (see Section G.7.e).
9. The Contractor must use 771-GOLF phone number to facilitate ease of access to golf courses and golf information. City will coordinate new transfers to Contractor phone numbers via the phone tree.
10. The Contractor shall provide public Wi-Fi coverage at public building areas. Minimum requirements for Wi-Fi router: capable of supporting 64 concurrent connections and 5Mb connection.
11. City will maintain fire alarm system.
12. The City recommends the Contractor obtain a security system which shall be at the Contractor's expense. The Contractor must also obtain an alarm permit.

E. Marketing

1. The Contractor shall provide a marketing plan prior to operations. The marketing plan should discuss, at minimum, pricing, advertising, promotions, calendar of events, and partnership/outreach opportunities or agreements within the community.
2. All marketing materials must follow golf branding guidelines outlined in Exhibit D7.
3. Any social media site must be actively maintained. Contractor must provide city staff with administrative access.
4. City owns domain golfroseville.com. Contractor is required to use this domain. Contractor is required to create and maintain a website. Food/Beverage information will be included on website.
5. Parks, Recreation and Libraries Department publishes activity guide 3 times per year. Contractor may be required to provide specific program information to be included in the activity guide.
6. Contractor may be required to include city messaging about appropriate topics on material made available to the public including but not limited to use of recycled water and drought information.
7. The City will provide City branded logos for both golf courses. Any changes to the logos must be approved by the City.

F. Clubhouse and Pro Shop

1. Merchandise Quality/Quantity

- a) The Contractor shall operate complete and first-class golf shops. Contractor shall provide an adequate inventory of golf equipment, apparel and supplies to adequately meet the expectations of the public. It is expected that the Contractor shall keep inventory of men's and women's golf clothing, shoes and golf equipment (including, but not limited to clubs, bags, golf balls, gloves, and supplies).
- b) Contractor may propose to negotiate the purchase of existing pro shop inventories from the current Contractor on the basis of actual cost and consistent with a physical inventory of such items.
- c) Contractor shall provide a point-of-sale system, and all fixtures necessary for the display and sale of merchandise.
- d) Contractor shall be responsible for and have exclusive rights to golf ball retrieval from golf course water areas. The golf balls retrieved may be sold at Pro Shop and included in gross.
- e) The Contractor may procure and offer for sale promotional merchandise for scheduled golf events and/or tournaments. Such merchandise may include, without limitation, golf shirts, hats or visors bearing an insignia, slogan, or other imprint memorializing the event or occasion to which the merchandise pertains. The Contractor is solely responsible for obtaining such imprinting and offering such merchandise.
- f) Contractor shall not offer for sale or rental any item of merchandise which the City deems objectionable or beyond the scope of the agreement.

2. Pricing

- a) The Contractor shall have the right to charge competitive prices for the same or similar goods sold at equivalent quality, daily fee golf courses in the area.

G. Golf and Other Services

1. Required Operating Responsibilities

The Contractor will be responsible for providing all Golf Services at the Course including, at a minimum, the following services and activities:

- a) Provide and manage golf cart and equipment rentals.
- b) Supervise and control the starting time and reservation system.
- c) Collect and deposit daily all revenues, including, but not limited to, monies from green fees, merchandise sales, cart and equipment rentals, lessons, tournaments, gift certificate sales, and membership programs.

- d) Provide quality golf lessons and instruction for all levels of play.
- e) Promote golf and golf related activities in cooperation with existing golf clubs or organizations.
- f) Schedule and facilitate golf tournaments, clinics and junior golf.
- g) Provide, schedule and supervise course ranger and starter services.
- h) Contractor will make a representative available for meetings with any men's and women's golf association or clubs upon request.
- i) Provide space for signage and advertisement for the men's and women's golf associations.
- j) Maintain golf course membership status with the NCGA (Northern California Golf Association) and to facilitate individual membership opportunity into the NCGA.
- k) If water is provided for customer on course, the Contractor shall be responsible for all necessary supplies.

2. Starter Services

- a) The Contractor shall provide, maintain and upgrade reservation systems as needed.
- b) The Contractor shall provide a Starter and a plan for the Starter to monitor play and provide a quality experience as players begin each round of golf.
- c) The Contractor shall provide golf course marshal services to improve or protect pace of play during high peak times.
- d) Any special requirements for group/tournament play will be established by the Contractor, conveyed when reservations are booked and communicated by golf operations staff as groups are checked in.
- e) The Contractor shall provide, at its sole cost and expense, all complimentary, necessary and consumable golf supplies, including but not limited to scoring pencils and scorecards.
- f) The Contractor shall provide cart assignment sheets, scoreboards and other special materials to support group/tournament events.

3. Equipment Rental and Repair

- a) The Contractor shall provide and maintain for rental an inventory of quality, recognized brand sets of golf clubs, with bags, in sufficient quantity to meet the player's demands.
- b) The Contractor shall furnish and maintain proper facilities, equipment and devices for the repair of all types of golf equipment and make such repair services available to the public.
- c) The Contractor shall provide and maintain for rental a supply of pull carts in sufficient quantity to meet player's demands.
- d) The Contractor shall ensure an adequate number of electrically-powered golf carts are available. Carts must be new or, if used, kept in good mechanical and aesthetic condition. Cart must be equipped with a quality distance measuring device utilizing global position system ("GPS") or similar

technology and shade tops. Contractor shall ensure carts are clean, fully-charged, and in excellent working condition. Carts are currently covered under a lease agreement which may be assumed by the new Contractor. Please refer to Exhibit A5 for information about lease agreement.

4. Lessons

- a) The Contractor shall provide a full range of golf instruction including, but not limited to, beginner to advanced, individual and group, and for all age groups.
- b) The Contractor shall promote junior golf among Roseville area youth by offering lessons, special event days, camps, clinics, tournaments and discounts for Roseville school leagues. In addition, the Contractor shall provide quarterly junior golf etiquette training programs to instruct youth golfers in the rules of golf and appropriate behavior on the golf course. Completion cards and/or certificates shall be provided for juniors completing the program and shall be used to verify eligibility for junior discount rates on green fees at both Golf Courses.
- c) The Contractor shall design and publish information brochures to advertise and promote golf lessons at both Golf Courses. Said brochures should include information outlining the programs available, fees, schedules, registration dates and procedures, and the qualifications of the golf professional staff teaching the lessons.
- d) The Contractor shall employ qualified instructors accredited by the PGA, LPGA, and the PGA, LPGA apprentice program. Salaries for these positions shall be competitive to attract and recruit the best employees.

5. Driving Ranges

The Contractor shall be solely responsible for the operation of the driving ranges at both Golf Courses and shall:

- a) Furnish at its own expense all equipment necessary for suitable operation of said driving range, including an automatic ball dispenser equipped with a proper registering mechanism.
- b) Provide and maintain a sufficient number of driving range mats. Driving range mats shall be replaced no less than once a year or sooner, if necessary.
- c) Provide adequate yardage signage on the range.
- d) Provide an adequate supply of practice golf balls for use by range customers. Practice golf balls at the driving range shall be replaced no less than once a year.
- e) Shall maintain and operate premises in the same condition as exists, excepting only reasonable wear and tear arising from the use to provide the services herein. Contractor shall maintain the range netting and lighting system, as specified and outlined in Exhibit A3. Other general Driving Range maintenance shall be performed to meet the standards described in Exhibit A2.

6. Group Tournament Services

The Contractor, with approval by the City, shall establish policies and procedures relative to golf tournaments, events and other special golf activities on the Golf Courses.

- a) Group and tournament events shall be handled by qualified, experienced personnel.
- b) The Contractor will honor all tournaments booked and scheduled for up to twelve (12) months following the commencement of this agreement.
- c) The City reserves the right to utilize the Woodcreek Golf Club for the annual Mayor's Cup Tournament held on the first Friday in May, date is subject to change. The City will pay a negotiated tournament fee for the over hundred (100) players attending the event. The Contractor will provide requested merchandise at cost.

7. Golf Green Fees

- a) The Contractor shall keep current a comprehensive schedule of fees for golf play and cart rentals. Standard fees shall be displayed and posted on website.
- b) The Contractor shall conduct an annual, comprehensive survey of green fee and rental rates at comparable golf courses within the market area and provide recommended green fee and rental rate changes to the City for approval.
- c) Currently there are two discount programs available to customers which Contractor shall honor: RoseCard and Loyalty Points. The RoseCard offers two (2) rounds of golf (one to be used anytime, and one to be used October through February), 10% off all other green fees, and 10% off food & beverage (excluding alcohol) for \$89.00 per year. Loyalty Points are accrued when paying for green fees and merchandise in the Pro Shop and then redeemed for future services. The Contractor shall honor existing RoseCard holders for up to twelve (12) months following commencement of services. Customers with Loyalty Points accumulated in the 2015 calendar year may redeem their points through the end of the 2016 calendar year. In 2014, approximately \$10,000 in Loyalty Points were redeemed and approximately \$8,000 in 2013.
- d) The Contractor may continue to offer the current discount or loyalty program or develop their own in accordance with their marketing plan.
- e) Currently, customers may purchase annual passes for both golf courses either with a one-time lump sum payment or monthly using EFT payments. The Contractor shall honor all annual passes purchased in 2015 for up to twelve (12) months after the commencement of services. City will credit the Contractor for annual passes purchased as a lump sum (approximately 110 passes that expire throughout 2016). The Contractor shall be able to take over and manage the existing monthly EFT payments at least through 2016, averaging about 60 customers per month.
- f) The Contractor may implement an annual pass program in accordance with their marketing plan.

8. Complimentary Play

- a) The Contractor shall be permitted to waive green fees for visiting Class "A" members of the Golf Course Superintendent's Association with the approval of the Golf Course Superintendent, visiting Class "A" Golf Professionals who are members of the Professional Golf Association (PGA or LPGA), and Assistant Golf Professional staff resident at the Golf Courses who are employed by the Contractor and who are members of the Professional Golf Association or Ladies Professional Golf Association.
- b) Contractor may allow individuals under its direct employ, or currently employed by the Food Beverage Operations and Maintenance Contractors, if different, to utilize complimentary play at the golf courses with the following restrictions:
 - (1) weekday only after 1:00pm during Daylight Savings Time periods and 12:00 noon during Pacific Standard Time periods, provided that space is available and that no golfers are on a waiting list.
 - (2) Employees may not reserve tee times for employee play
 - (3) Contractor shall document employee play in green fee system.
- c) The Contractor will honor City issued certificates for complimentary play (including cars) to non-profit agencies. The certificates are typically restricted for use Monday through Friday anytime and weekends after 12 noon. Approximately 25 were issued in 2014.
- d) The Contractor may provide complimentary play in trade for services as approved by City. If play in trade for services substantially impacts City's share of revenue percentage, City reserves the right to limit play in trade.

H. Utilities

- 1. The Contractor shall contract directly and be responsible for all utility services and charges. Refer to Exhibit D4 "Utility Snapshot" for information. Contractor shall timely pay for all electrical power, gas, water, sewer, cable TV, refuse and telephone services (exclusive of the telephone utility costs for the main line 771-GOLF, which costs shall be paid by the City) provided to the Pro Shop area and any and all connection fees and other associated charges regardless of whether such utility services are furnished by the City or by other utility service providers. The City is not liable in damages or otherwise for any failure or interruption of any utility service being furnished to the Golf Courses and no such failure or interruption alone shall entitle Contractor to terminate the Agreement.
- 2. The Contractor shall provide a complete and proper arrangement for the adequate sanitary handling and disposal away from the Golf Courses of all trash, dry and wet garbage, and other refuse resulting from, or in any way associated with, the Contractor's use of the Pro Shop area, including the cart barn, breezeway and breezeway restrooms.

3. Parking lot lights at Woodcreek Golf Club cannot be separated from the main meter. The Contractor will be required to pay for this expense which averages about \$3600 annually. Parking lot lights at Diamond Oaks Golf Course are a City expense.

I. Facilities

1. Improvements, Maintenance and Repairs

The City will provide the Pro Shop in as-is condition. The Contractor:

- a) May perform initial and ongoing interior improvements or repairs to the Pro Shop, if any, with all necessary permits and approvals. The Contractor shall obtain permit and Department approval, prior to starting said improvements or repairs. Contractor shall bear all costs associated with improvements or repairs. All fixed improvements shall become the property of the City at the end of the contract period.
- b) Shall maintain interior areas, wall to wall and ceiling to floor, including indoor lighting, as specified and outlined in Exhibit A3. Contractor shall maintain and operate premises in the same condition as exists, excepting only reasonable wear and tear arising from the use to provide the services herein.
- c) Shall provide all furnishings, fixtures, equipment, soft goods, at its own expense to fulfill the requirements herein. All furnishings, equipment, etc., furnished by the Contractor, shall be of commercial grade, good quality and suitable for its purpose.
- d) Shall provide equipment maintenance and repair of all existing appliances and equipment related to the operation of Golf operations. The Contractor accepts the "AS IS" condition of the property and any equipment and appliances provided. The Contractor shall comply with the "Resource Inventory and Facility Maintenance Responsibility List" as outlined in Exhibit A3.
- e) No equipment provided by City shall be removed or replaced by Contractor without the prior written consent of the City.
- f) Shall provide maintenance and repair to furniture, furnishings and equipment (FF&E) purchased by Contractor related to the operation of golf services. In addition, if a piece of FF&E fails, needs to be replaced due to age, or is added to provide service, the Contractor is responsible for the purchase and/or repair costs. Any new piece of FF&E remains the property of the Contractor upon termination of the contract.
- g) Shall only use licensed sub-contractors.
- h) Shall provide an annual maintenance plan for all FF&E and interior facility needs.
- i) May propose a plan to renovate the Pro Shop, including: painting indoor walls; replacing flooring (carpet or tile); installing new, high quality display units, lighting, decor, and/or other improvements as specified herein. The Contractor will submit all improvement plans, including a complete description, estimate of their cost and how it will be funded, and a timeline for completion to the City for approval. Contractor is responsible for obtaining all necessary permits.

2. Cleanliness

- a) Contractor shall, at its own expense, keep the Pro Shop premises clean and sanitary at all times. No offensive or refuse matter, nor any substance constituting an unnecessary, unreasonable, or unlawful fire hazard, nor any material detrimental to the public health, shall be permitted to remain thereon, and Contractor shall prevent any such matter or material from being or accumulating upon said premises.
- b) Contractor shall be required to clean carpets, at a minimum, once per year.
- c) Contractor shall supply its own janitorial service, including window washing, restroom cleaning and emptying of refuse containers and shall keep the area used and occupied by it in a neat, clean, and sanitary condition at all times. Pro Shop area maintenance, including breezeway restrooms, shall take place at least once per day or more often as needed. Contractor shall comply with maintenance standards as noted in Exhibit A2.
- d) Contractor, at its own expense, shall see that all garbage or refuse is removed and placed in appropriate dumpster as often as necessary and in no case less than once a day and disposed of in the main dumpster. Contractor shall furnish all equipment and materials necessary therefore, including trash receptacles of a size, type, and number approved by the City. Main dumpster will be shared with restaurant. Expenses related to refuse removal shall be negotiated with Food and Beverage Operations Contractor.
- e) Water shall be utilized by Contractor in the most efficient manner possible, and Contractor expressly agrees to comply with all City water conservation programs. Contractor shall keep updated on and comply with current drought stage and related restrictions.

3. Locks and Keys

- a) The Contractor shall be responsible for the series of keys assigned to it and shall assign these keys to its personnel for use in the facilities. The Contractor shall properly use and keep safe all keys or locks issued by the City to the Contractor.
- b) The Contractor shall report all lost or stolen keys or locks to the City as soon as possible after discovery. The Contractor shall reimburse the City for the total cost of replacement keys and/or locks that have been lost.
- c) Keys/remotes will be returned upon termination or cancellation of the contract.
- d) No building lock shall be rekeyed without prior approval from the City.

J. Financial Reporting/Recordkeeping

- 1. The Contractor shall maintain a system of accounting that accounts for all monies received at the time of sale and at any time be prepared to submit accurate records of all transactions.
- 2. All sales shall be entered into a point-of-sale system provided by the Contractor.

3. The Contractor shall offer to provide receipts to every customer for all goods and services sold in the Pro Shop.
4. Contractor shall propose a system of internal controls, including their cash handling policy.
5. The Contractor shall provide a monthly summary report of gross sales by receipt category.
6. Within sixty (60) days following the last day of each business year, the Contractor shall submit a financial statement covering all business transacted at the golf courses during the business year.
7. All financial statements shall be prepared in accordance with generally accepted accounting principles (GAAP).
8. The City has the right to reasonably request any other internally prepared financial or statistical reports from time to time, without cost to the City.

EXHIBIT A2

Food and Beverage/Banquet Operations

General Conditions

The City is seeking an experienced and capable firm interested in: a) operating both the Diamond Oaks and Woodcreek Golf Club Golf Courses' food and beverage services, including banquets; b) marketing the Restaurant and the food and beverage services, including banquet options; and c) providing mobile concession carts, which will be used to provide basic food and beverage service on the golf course as play warrants. The Contractor shall manage and account for all costs of operating the food and beverage catering services. These include staffing, marketing, maintenance, insurance, all taxes, janitorial services and supplies, all permits licenses required by law, and utilities used for the Restaurant/Banquet facilities.

The Food and Beverage area of operations at Diamond Oaks Golf Course features an estimated 1200 square foot restaurant/café with a small outdoor seating area. The kitchen/grill is about 300 square feet.

The Food and Beverage area of operations at Woodcreek Golf Club features an estimated 675 square feet lounge area with bar, an estimated 1600 square foot dining area and 1800 square foot banquet/meeting space with outdoor seating off the dining area. The dining area and banquet room are separated by a folding partition that can be opened for full use of the space. The banquet room can be further separated by an additional partition to create two smaller spaces. The banquet space is accessible through the restaurant or an outside feature entrance. The kitchen is about 900 square feet.

A. General Services

The Contractor shall:

1. Obtain and maintain in full force and effect through the term of this Agreement any and all applicable permits and business licenses which may be required by any law, including administrative regulations and local ordinances. The Contractor must obtain a City of Roseville Business License. Contractor shall maintain its liquor licenses allowing sale of liquor, beer and wine (as applicable), and keep them in effect during the term of this agreement.
2. Comply with all applicable rules and regulations adopted by the City, and all laws, ordinances and/or rules and regulations of other governmental units and agencies having lawful jurisdiction, which may be applicable to Contractor's operations of the Restaurant. Any penalties, fines or fees imposed on the City by any state or federal agency arising out of Contractor's negligence or intentional misconduct shall be responsibility of the Contractor.
3. Contractor shall register facility with CERS (California Environmental Reporting System) and comply with storage, labeling and disposal requirements of any hazardous materials as required.

4. Provide good, prompt and efficient service, adequate to meet all reasonable demands.
5. Be solely responsible for providing all services, equipment, supplies and personnel for the administration, staffing, operation and maintenance of the Restaurant/Mobile Carts.
6. Set prices for food and beverages that shall be comparable within the range of prices for the same or similar items/services at facilities in the Sacramento region.
7. Be in full operation to provide food and beverage service no later than a certain time period negotiated between the City and Contractor following the commencement date of the contract award. The City reserves the right to extend this time frame if necessary.
8. Work cooperatively and collaboratively with Grounds Maintenance Contractor, Golf Operations Contractor and City management staff to provide a positive golf experience for all users.
9. The Contractor shall agree to participate in a "service audit" program. The service audit shall evaluate all operations and make recommendations about all services provided under this contract. Examples of the tools and methods to be used in the service audit include, without limitation, comment cards, shopper programs, surveys and evaluation forms.
10. Provide a business plan prior to operations.

B. Hours of Operation

The Contractor shall submit a schedule of intended hours of operation, including the intended hours and level of service to the City for approval, prior to beginning operations. Level of service may vary throughout the day.

1. Operations may begin as early as 5:30 A.M. during summer and close as late as 2:00 A.M., depending on special events.
2. The Contractor must also include hours of operation and plans for operation of the mobile concession units.
3. The Restaurant shall operate seven days a week during specified hours of operation, including holidays, with the exception of Christmas. The City may require changes in the hours of operation if, at the discretion of the City, such a change is desirable in providing the best service to the golf patrons and the public. The Contractor may propose alternative hours of operation to meet business needs to remain fiscally prudent.

C. Personnel Requirements

The Contract is intended to be a "partnership" between the City, the City's Golf Operations and Food and Beverage Operations Contractors and the Contractor. The Contractor and its employees represent the City in the performance of their work. Only Contractor's employees or subcontractors are allowed on City premises where work is being performed.

1. City will rely upon information provided by proposer when awarding contract for these services. City acknowledges Contractors may change ownership from time to time. However, when owners are principals to services provided, written approval of the City must be obtained.
2. Food and Beverage Operations shall be supervised by a professional manager or combination of management staff to conduct day-to-day operations. A manager shall be present at all times the food and beverage operation is open for business.
3. Contractor shall provide sufficient employees in order to provide exceptional service and meet public demand for prompt, courteous, and efficient service.
4. Contractor's personnel shall at all times while on duty at the Golf Course be clean and neatly groomed, courteous, efficient and attired in a suitable uniform. All personnel shall wear name tags.
5. Contractor's personnel shall perform its operations in a businesslike manner, without rudeness or discourtesy to any person, or use of profanity. Contractor shall maintain a high standard of services to the public, to the satisfaction of the City.
6. Contractor shall provide training for all employees. Training must include, but is not limited to, the following:
 - a) Interfacing with customers in a friendly and positive way
 - b) Resolving complaints to a customer's satisfaction
 - c) Working with internal customers and partners
 - d) Phone service skills
 - e) Safety in the workplace
7. The Contractor shall interview all existing Restaurant employees for possible retention.
8. The City shall approve any changes to the staffing structure.
9. The City shall have the right to have Contractor remove from assignment to City facilities such employees of Contractor or subcontractors as shall be deemed incompetent, careless, insubordinate, or in any way objectionable, or any personnel whose actions may be contrary to the public interest, create a risk of liability to the City, or whose actions are inconsistent with the best interest of the City.

D. Technology Requirements

The Contractor shall provide their own computers and all hardware, including but not limited to phones, computers, printers, and peripherals as needed to perform operations.

1. The Contractor shall provide their own phone system.
2. The Contractor shall provide their own internet connection and service.
3. The Contractor shall provide their own point of sale system.
4. All computers and software must be PCI compliant and have the latest antivirus software and security patches. City staff may do periodic verifications for security of computers.

5. Use of existing raceways is encouraged. Any modifications to the building for new raceways or adding new raceways must be approved or coordinated by City of Roseville and are at the Contractor's expense.
6. Any modifications to the building or wiring must be approved or coordinated by City of Roseville and are at the Contractor's expense.
7. The Contractor must use 771-GOLF phone number to facilitate ease of access to golf courses and golf information. City will coordinate new transfers to Contractor phone numbers via the phone tree.
8. The Contractor shall provide public Wi-Fi coverage at public building areas. Minimum requirements for Wi-Fi router: capable of supporting 64 concurrent connections and 5Mb connection.
9. City will maintain fire alarm system.
10. The City recommends the Contractor obtain a security system which shall be at the Contractor's expense. The Contractor must also obtain an alarm permit.

E. Marketing

1. The Contractor shall provide a marketing plan prior to operations. The marketing plan should discuss, at minimum, pricing, advertising, promotions, calendar of events, and partnership/outreach opportunities or agreements within the community.
2. All marketing materials must follow golf branding guidelines outlined in Exhibit D7.
3. Any social media site must be actively maintained. Contractor must provide city staff with administrative access.
4. City owns domain golfroseville.com. Golf Operations Contractor is required to use this domain and include information about food and beverage services. Contractor is required to create and maintain a website which may or may not be separate from golf operations website.
5. Parks, Recreation and Libraries Department publishes activity guide 3 times per year. Contractor may be required to provide specific program information to be included in the activity guide.
6. Contractor may be required to include city messaging about appropriate topics on material made available to the public including but not limited to use of recycled water and drought information.
7. The City will provide City branded logos for both golf courses. Contractor may provide restaurant specific logo subject to City approval. Any changes to the logos must be approved by the City.

F. Food and Beverage Services

The Contractor shall:

1. Provide a variety of food and beverage services in a manner that ensures a high level of service and quality to all customers. Food and beverage services shall be provided, based on demand, on a set schedule as described in the approved hours of operation as negotiated by City and Contractor. Style

of menu and general range of prices are subject to review and approval by the City. Prices shall be comparable to those prevailing for similar services and facilities in the Sacramento region.

2. Provide a mobile food cart for food and beverage. The food cart shall be operated as described in the approved hours of operation as negotiated by City and Contractor. The Contractor shall be responsible for the maintenance of the mobile food cart, including the cost for all operations and approvals, permitting, and licensing.
3. Allow the City to reserve a portion of the restaurant/banquet/snack bar areas at no charge, for staff, committee and other business meetings, provided that such use shall be coordinated with Contractor so as to avoid displacing private customers. The room shall be provided at no cost but food and beverage services may be procured at menu pricing.
4. Work with golf groups and Golf Operations Contractor to provide various types of food and beverage service for Golf Tournaments.
5. Honor all banquets/special events booked and with a signed contract for a period extending up to 12 months from the commencement of the agreement with the City.
6. The City reserves the right to utilize the Woodcreek Golf Club for the annual Mayor's Cup Tournament held on the first Friday in May, date is subject to change. The City will pay a negotiated rate for food and beverage for the over hundred (100) players attending the event.

G. Utilities

1. The Contractor shall contract directly and be responsible for all utility services and charges. Refer to Exhibit D4 "Utility Snapshot" for information. Contractor shall timely pay for all electrical power, gas, water, sewer, cable TV, refuse and telephone services (exclusive of the telephone utility costs for the main line 771-GOLF, which costs shall be paid by the City) provided to the Restaurant area and any and all connection fees and other associated charges regardless of whether such utility services are furnished by the City or by other utility service providers. The City is not liable in damages or otherwise for any failure or interruption of any utility service being furnished to the Golf Courses and no such failure or interruption alone shall entitle Contractor to terminate the Agreement.
2. The Contractor shall provide a complete and proper arrangement for the adequate sanitary handling and disposal away from the Golf Courses of all trash, dry and wet garbage, and other refuse resulting from, or in any way associated with, the Contractor's use of the restaurant areas.

H. Facilities

1. Improvements, Maintenance and Repairs

The City will provide the Restaurant in as-is condition. The Contractor:

- a) May perform initial and ongoing interior improvements or repairs to the Restaurant, if any, with all necessary permits and approvals. The Contractor shall obtain permit and Department approval,

prior to starting said improvements or repairs. Contractor shall bear all costs associated with improvements or repairs. All fixed improvements shall become the property of the City at the end of the contract period.

- b) Shall maintain interior areas, wall to wall and ceiling to floor, including indoor lighting, as specified and outlined in Exhibit B3 "Resource Inventory and Facility Maintenance Responsibility List." Contractor shall maintain and operate premises in the same condition as exists, excepting only reasonable wear and tear arising from the use to provide the services herein.
- c) Shall provide all furnishings, fixtures, equipment, soft goods, at its own expense to fulfill the requirements herein. All furnishings, equipment, etc., furnished by the Contractor, shall be of good quality and suitable for its purpose.
- d) Shall provide equipment maintenance and repair of all existing appliances and equipment. The Contractor accepts the "AS IS" condition of the property and any equipment and appliances provided. The Contractor shall comply with the "Resource Inventory and Facility Maintenance List" as outlined in Exhibit B3.
- e) No equipment provided by City shall be removed or replaced by Contractor without the prior written consent of the City.
- f) Shall provide maintenance and repair to furniture, furnishings and equipment (FF&E) purchased by Contractor related to the operation of food and beverage services. In addition, if a piece of FF&E fails, needs to be replaced due to age, or is added to provide service, the Contractor is responsible for the purchase and/or repair costs. Any new piece of FF&E remains the property of the Contractor upon termination of the contract.
- g) Shall only use licensed sub-contractors.
- h) Shall provide an annual maintenance plan for all FF&E and interior facility needs.
- i) May propose a plan to renovate the Restaurant, including: painting indoor walls; replacing flooring (carpet or tile); installing new, high quality display units, lighting, decor, appliances, and/or other improvements as specified herein. The Contractor will submit all improvement plans, including a complete description, estimate of their cost and how it will be funded, and a timeline for completion to the City for approval. Contractor is responsible for obtaining all necessary permits.

2. Cleanliness

- a) Contractor shall, at its own expense, keep the Restaurant premises clean and sanitary at all times. No offensive or refuse matter, nor any substance constituting an unnecessary, unreasonable, or unlawful fire hazard, nor any material detrimental to the public health, shall be permitted to remain thereon, and Contractor shall prevent any such matter or material from being or accumulating upon said premises.
- b) Contractor shall be required to clean carpets, at a minimum, once per year.

- c) Contractor shall ensure that proper techniques for handling and disposal of grease are followed at all times. The grease bin located in the dumpster area shall be emptied, cleaned and serviced on a regular basis.
- d) Contractor shall supply its own janitorial service, including window washing, restroom cleaning and emptying of refuse containers and shall keep the area used and occupied by it in a neat, clean, and sanitary condition at all times. Restaurant area maintenance, including restrooms, shall take place at least once per day or more often as needed. Contractor shall comply with maintenance standards as noted in Exhibit B2 "Maintenance Standards."
- e) Contractor, at its own expense, shall see that all garbage or refuse is removed and placed in appropriate dumpster as often as necessary and in no case less than once a day and disposed of in the main dumpster. Contractor shall furnish all equipment and materials necessary therefore, including trash receptacles of a size, type, and number approved by the City. Main dumpster will be shared with restaurant. Expenses related to refuse removal shall be negotiated with Food and Beverage Operations Contractor.
- f) Water shall be utilized by Contractor in the most efficient manner possible, and Contractor expressly agrees to comply with all City water conservation programs. Contractor shall keep updated on and comply with current drought stage and related restrictions.

3. Locks and Keys

- a) The Contractor shall be responsible for the series of keys assigned to it and shall assign these keys to its personnel for use in the facilities. The Contractor shall properly use and keep safe all keys or locks issued by the City to the Contractor.
- b) The Contractor shall report all lost or stolen keys or locks to the City as soon as possible after discovery. The Contractor shall reimburse the City for the total cost of replacement keys and/or locks that have been lost.
- c) Keys/remotes will be returned upon termination or cancellation of the contract.
- d) No building lock shall be rekeyed without prior approval from the City.

I. Financial Reporting/Recordkeeping

- 1. The Contractor shall maintain a system of accounting that accounts for all monies received at the time of sale and at any time be prepared to submit accurate records of all transactions.
- 2. All sales shall be entered into a point-of-sale system provided by the Contractor.
- 3. The Contractor shall offer to provide receipts to every customer for each sale.
- 4. Contractor shall propose a system of internal controls, including their cash handling policy.
- 5. The Contractor shall provide a monthly summary report of gross sales by receipt category.

6. Within sixty (60) days following the last day of each business year, the Contractor shall submit a financial statement covering all business transacted at the golf courses during the business year.
7. All financial statements shall be prepared in accordance with generally accepted accounting principles (GAAP).
8. The City has the right to reasonably request any other internally prepared financial or statistical reports from time to time, without cost to the City.

EXHIBIT B1

Maintenance Standards Woodcreek & Diamond Oaks Golf Courses Golf Operations

This document provides details and specifications for maintenance requirements in the pro shop, restrooms located in the breezeway, parking lot, cart barn and on the driving range. All site amenities shall be kept in "like new" condition at all times. Proper maintenance practices shall be implemented to reach this desired outcome.

Pro Shop Maintenance

- Floors will be swept, vacuumed and/or moped daily
- Doors and windows will be cleaned daily
- Trash will be emptied daily
- Bulletin Boards shall be updated daily
- Graffiti is to be removed immediately upon discovery and documented
- Staff workroom shall be cleaned as needed to ensure a safe working environment

Restroom Maintenance – Breezeway

- Restrooms shall be cleaned and stocked daily
- Floors will be swept, vacuumed and moped daily
- Walls will be spot cleaned daily
- Mirrors shall be cleaned daily
- Ceilings will be dusted weekly
- Toilets will be scrubbed and disinfected daily
- Sinks will be scrubbed and disinfected daily
- Trash will be emptied daily
- Doors and stalls will be cleaned daily
- Deodorizers shall be refilled as needed
- Bulletin Boards shall be updated daily
- Human waste shall be removed, and the area disinfected, immediately upon discovery
- There is to be at least one full roll of toilet paper in each dispenser at the conclusion of the cleaning service
- Paper towel machines shall have at least ½ roll remaining at the conclusion of the service
- Graffiti is to be removed immediately upon discovery and documented
- Cleaning logs shall be completed daily with the time of service and completed by whom

Parking Lot Maintenance

- Trash and debris to be removed daily
- Routine parking lot cleaning and sweeping performed at least monthly

Cart Barn Maintenance

- Cart barn shall be free of debris
- Cart barn shall be kept in a safe and tidy manner

FootGolf Course Maintenance

- Daily set up of flags and signage

Driving Range Maintenance

- Driving range mats shall be utilized to ensure turf quality and minimum standards

- Driving range mats shall be clean, in good repair, and presentable
- Driving range mats in disrepair shall be repaired/removed/replaced within 48 hours of discovery
- Driving range mats shall be replaced annually
- Driving range light foot-candle levels will be maintained to preserve original design
- Repairs to lights, bulbs, ballasts, screens, netting, and other infrastructure shall be performed in a timely fashion to ensure facility is kept in a "like new" condition
- Golf balls shall be removed from driving range tees and target greens daily
- The driving range shall be "picked" weekly. All golf balls shall be removed in order to prevent damage to mowing equipment, operators, and the general public.

ITEMS BELOW ARE MAINTAINED BY ANOTHER CONTRACTOR AND NOT THE RESPONSIBILITY OF THE PRO SHOP OPERATIONS CONTRACTOR.

Restroom Maintenance – On Course and Restaurant

- Restrooms shall be cleaned and stocked daily
- Floors will be swept and moped daily
- Walls will be spot cleaned daily
- Mirrors shall be cleaned daily
- Ceilings will be dusted weekly
- Toilets will be scrubbed and disinfected daily
- Sinks will be scrubbed and disinfected daily
- Trash will be emptied daily
- Doors and stalls will be cleaned daily
- Deodorizers shall be refilled as needed
- Bulletin Boards shall be updated daily
- Human waste shall be removed, and the area disinfected, immediately upon discovery
- There is to be at least one full roll of toilet paper in each dispenser at the conclusion of the cleaning service
- Paper towel machines shall have at least ½ roll remaining at the conclusion of the service
- Graffiti is to be removed immediately upon discovery and documented
- Cleaning logs shall be completed daily with the time of service and completed by whom

FootGolf Course Maintenance

- Mow and maintain Footgolf Greens and Tees at height agreed upon.
- Install replacement cups as needed to keep in good repair.
- Maintain turf around tee markers and FootGolf signage as needed.
- Report FootGolf amenities in need of repair to Pro Shop.

Driving Range Maintenance

- Driving range tee shall be maintained at a maximum height of .675"
- Driving range tee and target green mowing shall occur a minimum of 2 times per week during the growing season and as need to maintain a uniform surface in the off season (November – March)
- Driving range turf mowing shall occur weekly.
- Turf Coverage – Driving Range Tee
 - 75% turf coverage shall be acceptable
 - Up to 20% weed infestation shall be acceptable (excludes Poa Annua)
 - Up to 20% bare area shall be considered acceptable
- Turf Coverage – Driving Range Turf

- 80% turf coverage shall be acceptable
 - Up to 20% weed infestation shall be acceptable (excludes Poa Annua)
 - Up to 5% bare area shall be acceptable
- All range tee bare areas shall be covered in a sand and seed mixture
- All divots shall be filled with sand and seed daily
- Location indicators shall be moved daily
- Teeing surface shall be over seeded annually
- Teeing surfaces shall be free of debris
- Remove grass clippings and debris if it may impact plant health or usability
- Edging of yardage markers and/or plaques shall occur monthly or as needed to ensure crisp edges
- Amenities shall always be clean, in good repair, and presentable
- Aerate the teeing surface a minimum of twice annually to relieve compaction and increase the exchange of air and water within the soil profile.
- Aerate all other range turf annually to relieve compaction and increase the exchange of air and water within the soil profile.
- Inspect thatch layer regularly and remove as needed for plant health
- Inspect tee area and target greens daily for insects, disease, and stress, and respond to outbreaks within 24 hours
- Specific day selection for the "pick" shall be determined by the Golf Course Superintendent and the Golf Professional on a semi-annual basis.

COUNCIL COMMUNICATION

CC #: 7755
File #: 0109-02

Title: Street and Parking Lot Closure Request - Fourth of July
Contact: Jamie Hazen 916-774-5978 jhazen@roseville.ca.us

Meeting Date: 6/15/2016
Item #: 7.26.

RECOMMENDATION TO COUNCIL

Recommend Council adopt a resolution authorizing the City Manager or his designee to approve street closures in the downtown area on July 4, 2016 between 6:30 a.m. - 12:00 p.m. for a city-sponsored special event.

- Vernon Street, from Sixth Street to Folsom Road
- S. Grant Street, from Vernon Street to Oak Street
- Taylor Street, from Atlantic street to Vernon Street
- Lincoln Street, from Atlantic Street to S. Lincoln Street
- Oak Street, from Lincoln Street to Washington Boulevard
- Oak Street Parking Lot at the end facing Lincoln Street
- Park Drive, from Lincoln Street to Douglas Boulevard
- Claiborne Avenue from S. Lincoln Street to Park Drive
- Saugstad Park parking lot
- Royer Park parking lot

BACKGROUND

Crime Stoppers Fun Run

The Roseville Crime Stoppers organization will again be organizing and hosting the annual "Run Crime Out of Roseville" 5k/10k Fun Run/Walk. Both races will begin and end at Royer Park. The 5k Run will use the same route as the parade, with the 10k Run route expanding to run on Linda Drive and entering the Miners Ravine trail at Folsom Road. Public Works staff will provide intermittent traffic closures on Folsom Road as the runners will need to cross Folsom Road to access the trail. Signage will also be posted for notification of the intermittent traffic control. The 10k Run will begin at 7:20 a.m. with the 5k Run beginning at 7:45 a.m. The traffic volume is expected to be low at that time of the morning on the 4th of July holiday. Any participants on the trail after 8:45 a.m. will be required to obey traffic laws and use designated cross walks in order to return to Royer Park.

4th of July Parade Route

The parade will use the same route as in previous years, beginning at 9:00 a.m. Parade participants will line up on Vernon Street between 6th Street and the starting point, Riverside/Vernon/Douglas intersection.

The route will proceed east along Vernon Street past the Civic Center; turn right on Lincoln Street and then right onto Park Drive, finishing near Royer Park. Parade participants will exit the Royer Park area from the Douglas Boulevard/Park Drive intersection, crossing over to the parking lot at Saugstad Park to disassemble.

In addition to notifying residents and businesses directly impacted, the street closures will also be noted in the "Downtown Roseville Area Street Closures" e-newsletter.

4th of July Celebration at Royer Park

Immediately following the parade, the City of Roseville will continue to host the annual 4th of July Celebration at Royer Park from 10:00 a.m. – 1:00 p.m. This family event will include food vendors and activities for children. The Capitol Pops Concert Band will perform a free concert of patriotic music, through the financial support of Performing Arts of Roseville as part of their annual Music in the Park concert series.

Fireworks

The "Fireworks Spectacular" show will light up the night sky above Roseville with a free fireworks show at the Placer County Fairgrounds produced in conjunction with Pyro Spectacular Fireworks, Inc. The gates will open at 5:00 p.m. and admission is free. The fairgrounds will charge a nominal parking fee for those who wish to park in their lot. Residents are encouraged to bring a picnic basket and blanket to stake-out their favorite spot on the lawn to enjoy the fireworks show.

FISCAL IMPACT

The budget for this event is \$17,430.00 which is included in the Parks, Recreation & Libraries Department budget.

ECONOMIC DEVELOPMENT / JOBS CREATED

Although there are no jobs created as a result of this event, the exposure to downtown businesses and vendors has a positive impact.

ENVIRONMENTAL REVIEW

To safely accommodate the 4th of July Parade and Crime Stoppers Fun Run events, temporary street closures are required. The California Environmental Quality Act (CEQA) does not apply to activities that will not result in a direct or reasonably foreseeable indirect physical change in the environment (CEQA Guidelines §15061(b)(3)). Because the request for temporary street closures does not include the potential for a significant environmental effect, it is not subject to CEQA. The celebration in Royer Park and the Fireworks show at the Placer County Fairgrounds have a past history of being held at these locations which were designed for concerts, fairs and festivals and, per the City's CEQA Implementing Procedures, are consistent with the type of activities that qualify for a CEQA Class 23 Exemption. As such, a CEQA Class 23 exemption has been prepared for these activities and no further CEQA action is required.

Resolution No. 16-235

CEQA 4th of July Events

RESOLUTION NO. 16-235

RESOLUTION OF THE COUNCIL OF THE CITY OF ROSEVILLE
APPROVING THE CLOSING OF CERTAIN STREETS, PARKING LOTS AND OTHER
TRAFFIC RESTRICTIONS FOR THE 4TH OF JULY ACTIVITIES

WHEREAS, City staff is requesting the closure of certain streets, parking lots and other traffic restrictions for the 2016 4th of July Activities, and

WHEREAS, the Council desires to formally approve said request, with certain conditions,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Roseville that the request to hold the 2016 4th of July Activities ("the event") on Monday, July 4, 2016, is hereby approved subject to the following terms and conditions:

1. The following streets may be closed to traffic between 6:30 a.m. and 12:00 p.m. on Monday, July 4, 2016:

- a. Vernon Street, from Sixth Street to Folsom Road; and
- b. S. Grant Street, from Vernon Street to Oak Street; and
- c. Taylor Street, from Atlantic Street to Vernon Street; and
- d. Lincoln Street, from Atlantic Street to South Lincoln Street; and
- e. Oak Street, from Lincoln Street to Washington Boulevard; and
- f. Park Drive, from Lincoln Street to Douglas Boulevard; and
- g. Claiborne Avenue, from S. Lincoln Street to Park Drive.

2. The following City parking lots may be closed to traffic between 6:30 a.m. and 12:00 p.m. on Monday, July 4, 2016:

- a. Oak Street Parking Lot at the end facing Lincoln Street; and
- b. Saugstad Park parking lot; and
- c. Royer Park parking lot.

4. All debris, booths, exhibits, or other materials resulting from the event shall be completely removed and all streets and alleyways shall be reopened to traffic by 12:00 p.m. on the date of the event.

PASSED AND ADOPTED by the Council of the City of Roseville this ____ day of _____, 20__, by the following vote on roll call:

Roseville, CA 95678

Project Title: 2016 4th of July Celebration at Royer Park and Fireworks show at Placer County Fairgrounds.

Project Location(s): At Royer Park located at 130 Park Drive and at the Placer County Fairgrounds, 800 All American City Boulevard, Roseville, CA.

Project Description:

4th of July Celebration at Royer Park: Immediately following the parade, the City of Roseville will host the annual 4th of July Celebration at Royer Park from 10 a.m. to 1 p.m. This family event will include food vendors, activities for children, and live music.

Fireworks: The "Fireworks Spectacular" show will be held at the Placer County Fairgrounds. The gates will open at 5 p.m. and admission is free.

Public Agency Approving Project: Roseville City Council

Agency/Individual Carrying Out Project: City of Roseville in association with the Placer County Fair Association

Reason why this Project is Exempt: This project is exempt as defined in Section 15323 of the CEQA Guidelines, which states that a project may be exempt from CEQA as a Class 23 exemption if it "consists of normal operations of existing facilities for public gatherings for which the facilities were designed, where there is past history of the facility being used for the same or similar kind of purpose."

The 4th of July Celebration at Royer Park and fireworks show at the fairgrounds have been held annually at these locations for the past several years. Due to the temporary nature of the event(s), these activities would not result in permanent effects on the environment. A Class 23 exemption is therefore applicable.

Title: Bus Services - Service Agreement Amendment
Contact: Rob Nakamura 916-774-5135 rnakamura@roseville.ca.us

Meeting Date: 6/15/2016

Item #: 7.27.

RECOMMENDATION TO COUNCIL

Recommend Council adopt a resolution authorizing the City Manager to execute the first amendment to the agreement between the City of Roseville and Roseville Joint Union High School District regarding bus transportation services.

BACKGROUND

The current agreement dated June 4, 2014 allows for amendments by mutual written agreement of both parties. The pricing adjustments proposed by the Roseville Joint Union High School District are outlined in Exhibit A. Bus Services allows the Parks, Recreation & Libraries programs to include off site field trips that add value to our activities. Programs that charter these bus services include Adventure Camps, Mahany Day Camps, Tween Camps and the Summer SPARKS programs.

FISCAL IMPACT

Funds used for bus services are allocated within the FY2016/17 Parks, Recreation & Libraries Department Budget. Based on program participation and revenue projections the fiscal impact will be approximately \$25,000.00.

ECONOMIC DEVELOPMENT / JOBS CREATED

Chartering the Roseville Joint Union High School District's fleet of buses during non-school day and summer time periods enables the school district to generate revenues and offers additional employment opportunities to school district drivers.

ENVIRONMENTAL REVIEW

The Bus Service project is not considered a "project" as defined by the California Environmental Quality Act (CEQA) (CEQA Guidelines §15378). Consequently no CEQA action is required.

Respectfully Submitted,

Rob Nakamura, Recreation Superintendent

Dion Louthan, Director, Parks, Recreation & Libraries

**FIRST AMENDMENT TO
AGREEMENT BETWEEN CITY OF ROSEVILLE AND ROSEVILLE JOINT UNION
HIGH SCHOOL DISTRICT REGARDING DISTRICT BUS TRANSPORT SERVICES**

THIS FIRST AMENDMENT TO AGREEMENT is made and entered into this ____ day of _____, 20 __, by and between the City of Roseville, a municipal corporation, (hereafter referred to as "Transportation Services Purchaser" or "TSP), and Roseville Joint Union High School District, a California public high school district (hereafter "RJUHSD"); and

W I T N E S S E T H:

WHEREAS, TSP and RJUHSD previously entered into an Agreement dated June 4, 2014 ("Agreement") regarding school bus transportation services; and

WHEREAS, RJUHSD desires to amend the Agreement to update the school district contact as well as updating the rates for service.

NOW, THEREFORE, the parties agree as follows:

1. Exhibit A attached to the Agreement is hereby replaced with an amended Exhibit A ("Payment Schedule"), which is attached hereto to this First Amendment and incorporated herein by this reference.

2. Paragraph 11 of the Agreement is amended to read as follows:

Notices. Any notices to parties required by this Agreement shall be delivered personally or mailed, U.S. first class, postage prepaid, addressed as follows:

Payment Schedule. The TSP shall compensate RJUHSD for bus services according to the following schedule:

- a. \$38.62 per hour regular time, \$51.93 per hour for overtime at time and a half, and \$65.23 per hour for double time on Sundays. (Rates for overtime, time and a half, and Sunday double time are not eligible for the district-paid PERS contribution.)
- b. \$3.50 per mile each bus travels. All trip miles are computed starting and ending at the RJUHSD Transportation Department yard.
- c. Field trips or segments of field trips which cancel or change with less than 72 hours' notice, cancelled on trip day, or cancelled on site will be charged two hours of driver's pay.
- d. Administrative/Process – 10% will be added to all invoices to cover internal costs for administrating and processing the program.

These rates may be increased periodically by RJUHSD, via written notice to the TSP, at least 30 days prior to the effective date of such new rate(s).

Title: City of Roseville Investment Policy

Contact: Jacquie Clarizio 916-774-5323 jclarizio@roseville.ca.us

Meeting Date: 6/15/2016

Item #: 7.28.

RECOMMENDATION TO COUNCIL

Staff recommends the City Council adopt the attached resolution approving the Investment Policy for the City of Roseville effective July 1, 2016.

BACKGROUND

The purpose of the Investment Policy is to establish cash management and investment guidelines for the CFO/Treasurer, who is responsible for the stewardship of the City of Roseville's investment program. Each transaction and the entire portfolio must comply with the California Government Code Sections 53600 and 53635 et seq. and the Investment Policy. The Investment Policy conforms to the customary standards of prudent investment management and any changes to the policy must be adopted by the Council.

The Investment Policy being submitted for approval includes some recommended changes – both substantive and non-substantive – to the Investment Policy with the goal of meeting our current needs, as well as having the Investment Policy certified by the California Municipal Treasurers Association (CMTA) through their Investment Policy Certification Program.

Starting in September 2015, the City transitioned the management of the investment portfolios to City staff instead of contracting these services to an outside investment advisory firm. During this transition period, policies and procedures were reviewed and several changes were recommended. The first of these changes was presented, and approved, by Council at the December 16, 2015 council meeting regarding the Citizens Benefit Fund. The changes involved the expansion of investment opportunities to increase returns, and included such things as extending the duration of the portfolio and investing in a broader range of investments. These changes are among those added to the city-wide Investment Policy.

A brief summary of the changes are as follows:

Substantive change:

Staff is proposing a change to the Maximum Maturity section of the portfolio by allocating a portion of the Pooled Fund for a longer duration to help increase the yield without impacting liquidity

requirements. The change includes language that allows for the authority of the CFO/Treasurer to invest no more than 25% of the Pooled portfolio in Treasuries and Federal Agencies with maturities up to ten years. This request is allowed by the Government Code as long as the Council has granted express authority as a part of the investment program (approval of the Investment Policy). Staff is estimating this change will result in a one percentage point increase in investment returns which translates into additional interest income of more than \$1 million per year.

-
Non-substantive changes:

- A cover page and table of contents were added to make the policy easier to follow.
- Minor language changes were made in an effort to clarify the objectives and delegation of authority.
- A section on authorized financial dealers and institutions was added.
- The section on reporting requirements was changed to better reflect what is included on the monthly investment report.
- The performance benchmark section now details the different investment objectives of the various portfolios.
- New definitions were added to the glossary.

FISCAL IMPACT

Staff believes there will be several positive fiscal impacts related to this Investment Policy and its implementation, two of which are readily quantifiable:

Under the direction of the CFO/Treasurer, the City will now be managing the investment portfolios in house saving the City \$215,000.00 annually in investment advisory fees.

Modifying the allowable duration of portfolio investments is expected a one percentage point to the investment return, generating an additional \$1.0 million per year. (\$500 mill X 25% of portfolio X 1%=\$1.25 mill).

No negative impact to the City General Fund has been identified at this time. As with any investment, returns cannot be guaranteed, however, staff believes the proposed policy provides the best options to meet the three major goals of any good policy: Security, Liquidity and Returns.

ECONOMIC DEVELOPMENT / JOBS CREATED

Adoption of the Investment Policy will not have an impact on economic development or job creation.

ENVIRONMENTAL REVIEW

The Investment Policy is not considered a "project" as defined by the California Environmental Quality Act (CEQA) based on Section 15273 of the CEQA Guidelines. No other CEQA action is required.

Respectfully Submitted,

Jacquie Clarizio, Financial Analyst

Monty Hanks, Finance Director

City of Roseville

Investment Policy

Effective July 1, 2016

I. Introduction

The purpose of this document is to identify various policies and procedures that enhance opportunities for a prudent and systematic investment policy and to organize and formalize investment-related activities.

The investment policies and practices of the City of Roseville are based on state law and prudent money management. All funds will be invested in accordance with this investment policy and Article 2 of Chapter 4 of the California Government Code. This policy is in compliance with the provisions of the California Government Code, Sections 53600 through 53659, the authority governing investments for municipal governments.

II. Scope

The investment policy applies to all financial assets of the City of Roseville as accounted for in the Comprehensive Annual Financial Report (CAFR). Policy statements outlined in this document focus on the City of Roseville's pooled funds, but will also apply to all other funds under the City's CFO/Treasurers' span of control unless specifically exempted by statute or ordinance.

Proceeds of debt issuance shall be invested in accordance with the investment objectives of this policy. However, such proceeds are generally invested in accordance with permitted investment provisions of their specific bond indentures. If in the opinion of the City CFO/Treasurer matching the segregated investment portfolio of the bond reserve fund with the maturity schedule of an individual bond issue is prudent given current economic analysis, the investment policy authorizes beyond the five year maturity limitation as outlined in this document. The intent to invest in securities with longer maturities shall be disclosed in the permitted investment language authorized by the City Council in an indenture of trust.

The policy does not cover funds held by the Public Employees Retirement System nor funds of the Deferred Compensation program or the OPEB Trust.

III. Prudence

The standard of prudence to be used by investment officials shall be the "prudent investor" standard and shall be applied in the context of managing an overall portfolio. The "prudent investor" standard states that:

When investing, reinvesting, purchasing, acquiring, exchanging, selling, or managing public funds, a trustee shall act with care, skill, prudence, and diligence under the circumstances then prevailing, including, but not limited to, the general economic conditions and the anticipated needs of the agency, that a prudent person acting in a like capacity and familiarity with those matters would use in the conduct of funds of a like character and with like aims, to safeguard the principal and maintain the liquidity needs of the agency.

Investment officers acting in accordance with written procedures and the investment policy and exercising due diligence shall be relieved of personal responsibility for an individual security's credit risk or market price changes, provided deviations from expectations are reported in a timely fashion and appropriate action is taken to control adverse developments.

IV. Objectives

The primary objectives, in priority order, of the investment activities of the City shall be:

- 1) Safety. Safety of principal is the foremost objective of the investment program. Investments of the City shall be undertaken in a manner that seeks to ensure preservation of capital in the portfolio. To further achieve the objective of safety the amount invested in all investment categories is limited to a percentage of the portfolio as defined in section VIII "Permitted Investment Instruments".
- 2) Liquidity. The investment portfolio of the City will remain sufficiently liquid to enable the City to meet its cash flow requirements.
- 3) Return on Investment. The investment portfolio of the City shall be designed with the objective of attaining a market rate of return on its investments consistent with the constraints imposed by its safety objective and cash flow considerations.

V. Delegation of Authority

The CFO/Treasurer is responsible for the management of the investment program. The CFO/Treasurer shall be responsible for all transactions undertaken and shall establish a system of controls to regulate the activities of subordinate officials. The CFO/Treasurer may delegate investment decision making and execution to the Finance Director. No person may engage in an investment transaction except as provided under the limits of this policy unless specifically exempted by statute or ordinance.

VI. Ethics and Conflict of Interest

Officers and employees involved in the investment process shall refrain from personal business activities that could conflict with proper execution of the investment program, or which could impair their ability to make impartial decisions.

VII. Authorized Financial Dealers and Institutions

The CFO/Treasurer and/or his/her designee will maintain a list of approved financial institutions authorized to provide investment services to the City of Roseville in the State of California. These may include “primary” dealers or regional dealers that qualify under Securities & Exchange Commission Rule 15C3-1. A determination should be made to insure that all approved Broker/dealer firms, and individuals covering the public agency, are reputable and trustworthy. In addition, the broker/dealer firms should have the ability to meet all of their financial obligations in dealing with the Public Agency. The firms, and individuals covering the agency, should be knowledgeable and experienced in Public Agency investing and the investment products involved. No public deposit shall be made except in a qualified public depository as established by the established state laws. All financial institutions and broker/dealers who desire to conduct investment transactions with the public agency must supply the CFO/Treasurer with the following: completed broker/dealer questionnaire, and certification of having read the City’s investment policy.

VIII. Permitted Investment Instruments

The City shall limit investments in any one non-government issuer, except investment pools, to no more than 5% regardless of security type.

- 1. U.S. Treasury obligations** for which the full faith and credit of the United States are pledged for the payment of principal and interest. Up to 100 percent of the City’s investment portfolio may be invested in government obligations.
- 2. Federal agency or United States government-sponsored enterprise obligations,** participations, or other instruments, including those issued by or fully guaranteed as to principal and interest by federal agencies or United States government-sponsored enterprises. This shall include any mortgage pass through security issued and guaranteed by a Federal Agency with a maximum final maturity of five years. Purchase of Federal Agency issued mortgage-backed securities authorized by this subdivision may not exceed 20 percent of the City’s surplus money; all other investments in Federal Agency securities are unrestricted.
- 3. Obligations of the State of California or any local agency within the state,** including bonds payable solely out of revenues from a revenue producing property owned, controlled or operated by the state or any local agency or by a department, board, agency or authority of the state or any local agency, provided that the obligations are rated in one of the two highest categories by a NRSRO. Up to 100 percent of the City’s investment portfolio may be invested in California municipal obligations.

4. **Registered treasury notes or bonds of any of the other 49 states** in addition to California, including bonds payable solely out of the revenues from a revenue-producing property owned, controlled, or operated by a state or by a department, board, agency, or authority of any of these states.
5. **Repurchase Agreements** used solely as short-term investments not to exceed 30 days. Up to 100 percent of the City's investment portfolio may be invested in repurchase agreements.

The following collateral restrictions will be observed:

- Only U.S. Treasury securities or Federal Agency securities, as described in VII. 1. and 2 will be acceptable collateral. All securities underlying Repurchase Agreements must be delivered to the City's custodian bank by book entry, physical delivery, or by a third party custodial agreement. The total of all collateral for each Repurchase Agreement must equal or exceed, on the basis of market value, 102 percent of the funds borrowed against those securities. For any Repurchase Agreement with a term of more than one day, the value of the underlying securities must be reviewed on a weekly basis and the value of the underlying securities brought back up to 102 percent no later than the next business day.
 - Market value must be calculated each time there is a substitution of collateral.
 - The City or its trustee shall have a perfected first security interest under the Uniform Commercial Code in all securities subject to Repurchase Agreement.
 - The City may enter into Repurchase Agreements only with primary dealers of the Federal Reserve Bank of New York.
 - The City will have specific written agreements with each firm with which it enters into Repurchase Agreements.
 - Reverse repurchase agreements will not be allowed.
6. **Bankers' Acceptances**, otherwise known as bills of exchange or time drafts that are drawn on and accepted by a commercial bank.
- Purchases of Banker's Acceptances may not exceed 180 days maturity or 40 percent of the City's investment portfolio.
7. **Commercial paper** of "prime" quality of the highest ranking or of the highest letter and number rating as provided for by a nationally recognized statistical-rating

organization (NRSRO). The entity that issues the commercial paper shall meet all of the following conditions in either paragraph (1) or paragraph (2):

- (1) The entity meets the following criteria: (A) Is organized and operating in the United States as a general corporation. (B) Has total assets in excess of five hundred million dollars (\$500,000,000). (C) Has debt other than commercial paper, if any, that is rated "A" or higher by a nationally recognized statistical-rating organization (NRSRO).
- (2) The entity meets the following criteria: (A) Is organized within the United States as a special purpose corporation, trust, or limited liability company. (B) Has program wide credit enhancements including, but not limited to, over collateralizations, letters of credit, or surety bond. (C) Has commercial paper that is rated "A-1" or higher, or the equivalent, by a nationally recognized statistical-rating organization (NRSRO).

Purchases of eligible commercial paper may not exceed 270 days maturity nor represent more than 10 percent of the outstanding paper of an issuing corporation.

Purchases of commercial paper may not exceed 25 percent of the City's investment portfolio.

8. **Medium-term corporate notes** issued by corporations organized and operating within the United States or by depository institutions licensed by the U.S. or any state and operating within the U.S. Medium-term corporate notes shall be rated in a rating category "A" or its equivalent or better by a nationally recognized rating service.

Purchase of medium-term corporate notes may not exceed 30 percent of the City's investment portfolio.

9. **FDIC insured or fully collateralized time certificates of deposit.** Purchases of time certificates of deposit in combination with negotiable certificates of deposit may not exceed 30 percent of the City's investment portfolio.
10. **Negotiable certificates of deposit or deposit notes** issued by a nationally or state-chartered bank, a state or federal savings and loan association, a state or federal credit union, or a federally-licensed or state-licensed branch of a foreign bank provided that the senior debt obligations of the issuing institution are rated "A" or better by an NRSRO.

The legislative body of a local agency and the treasurer or other official of the local agency having legal custody of the money are prohibited from investing local agency funds, or funds in the custody of the local agency, in negotiable certificates of deposit issued by a state or federal credit union if a member of the legislative body of the local agency or any person with investment decision making authority in the administrative office manager's office, budget office, auditor-controller's office, or treasurer's office

of the local agency also serves on the board of directors, or any committee appointed by the board of directors, or the credit committee or the supervisory committee of the state or federal credit union issuing the negotiable certificates of deposits.

Purchase of time certificates of deposit in combination with negotiable certificates of deposit may not exceed 30 percent of the City's investment portfolio.

11. State of California's Local Agency Investment Fund.

The LAIF portfolio should be reviewed periodically. Investment in LAIF may not exceed the legally authorized limits.

12. Shares of beneficial interest issued by diversified management companies that are money market funds registered with the Securities and Exchange Commission under the Investment Company Act of 1940 (15 U.S.C. Sec. 80a-1, et seq.). To be eligible for investment pursuant to this subdivision these companies shall either: (1) have attained the highest ranking or the highest letter and numerical rating provided by not less than two nationally recognized statistical rating organizations or (2) have an investment advisor registered or exempt from registration with the Securities and Exchange Commission with not less than five years experience managing money market mutual funds and with assets under management in excess of \$500,000,000.

The purchase price of shares of beneficial interest purchased shall not include any commission that the companies may charge and shall not exceed 20 percent of the City's investment portfolio. Further, no more than 10 percent of the City's investment portfolio may be invested in shares of beneficial interest of any one money market fund.

13. Shares in a California common law trust established pursuant to Title 1, Division 7, Chapter 5 of the Government Code of the State of California that invests exclusively in investments permitted by Section 53635 of Title 5, Division 2, Chapter 4 of the Government Code of the State of California, as it may be amended. Up to 100 percent of the City's investment portfolio may be invested in this investment type.

14. Supranationals which are United States dollar denominated senior unsecured unsubordinated obligations issued or unconditionally guaranteed by the International Bank for Reconstruction and Development (IBRD), International Finance Corporation (IFC), or Inter-American Development Bank (IADB), with a maximum remaining maturity of five years or less, and eligible for purchase and sale within the United States. Investments under this subdivision shall be rated "AA-", its equivalent, or better by an NRSRO.

Purchases of supranationals shall not exceed 30 percent of the investment portfolio of the City. Supranationals are permitted by California Government Code § 53601 (q) effective January 1, 2015.

15. Any mortgage pass-through security, collateralized mortgage obligation, mortgage-backed or other pay-through bond, equipment lease-back certificate,

consumer receivable pass-through certificate, or consumer receivable-backed bond of a maximum of five years maturity. Eligible securities must be rated, by a nationally recognized rating service, as "AA" or higher, and the issuer of the security must have an "A" or higher rating for its debt as provided by a nationally recognized rating service. No more than 20 percent of the City's surplus funds may be invested in this type of security.

Where this section specifies a percentage limitation for a particular category of investment, that percentage is applicable only at the date of purchase. Credit criteria listed in this section refers to the credit of the issuing organization at the time the security is purchased. If an investment falls below the minimum purchase rating, the Investment Review Committee will perform a timely review to sell or hold the investment.

IX. Maximum Maturity

Investment maturities shall be based on a review of cash flow forecasts. Maturities will be scheduled so as to permit the City to meet all projected obligations while minimizing interest rate risk and maximizing earnings. Unless matched to a specific cash flow, the maximum maturity will be no more than five years from purchase date to maturity date.

City Council has granted permission to invest the following fund accounts where liquidity is not the primary investment objective, in Federal Treasury or Agency securities with maturities up to ten years. The specified fund accounts include:

- The City's Pooled Fund, limited to 25% of the total pool
- Citizen's Benefit Trust
- North Central Wetlands Endowment
- Aquatics Complex Maintenance
- Woodcreek West Endowment

X. Prohibited Investments

For purposes of this policy, a derivative is defined as any security where the value is linked to or derived from an underlying asset or benchmark. Any security type or structure not specifically approved by this policy is hereby specifically prohibited. The City will not use such derivatives as range notes, dual index notes, inverse floating rate notes, deleveraged notes, or notes linked to lagging indices or to long term indices, nor will the City invest in reverse repurchase agreements, interest-only strips that are derived from a pool of mortgages, or any security that could result in zero interest accrual if held to maturity. This policy does not preclude the use of repurchase agreements and callable securities, as they do not fall within the definition of a derivative as described herein.

XI. Reporting Requirements

The CFO/Treasurer shall submit monthly investment reports to the City Manager and make these reports available to the City Council in the Finance Department offices. The reports shall include, at a minimum, the following information for each individual investment:

- Description of investment instrument
- Issuer name
- Yield on cost
- Purchase date
- Maturity date
- Book Value
- Par Value
- Current market value
- Transaction Activity
- Interest Earnings Summary

XII. Performance Benchmark

The investment portfolio will be designed to obtain a market rate of return during budgetary and economic cycles, taking into account the City's investment risk constraints and cash flow needs. The Investment Review Committee has elected to use for its performance standard the Constant Maturity Treasury (CMT) Index. For the Pooled Portfolio the 12 month moving average yield on 3Yr CMT will be used and for CBT portfolio the 12 month moving average yield on 5Yr CMT will be used. All other City portfolios will follow the 2Yr CMT.

XIII. Safekeeping and Custody

The legislative body of a City may deposit for safekeeping with a federal or state association (as defined by Section 5102 of the Financial Code), a trust company or a state or national bank located within this state or with the Federal Reserve Bank of San Francisco or any branch thereof within this state, or with any Federal Reserve bank or with any state or national bank located in any city designated as a reserve city by the Board of Governors of the Federal Reserve System, the bonds, notes, bills, debentures, obligations, certificates of indebtedness, warrants, or other evidences of indebtedness in which the money of the City is invested pursuant to this article or pursuant to other legislative authority. The City shall take from such financial institution a receipt for securities so deposited. The authority of the legislative body to deposit for safekeeping may be delegated by the legislative body to the CFO/Treasurer of the City; the treasurer shall not be responsible for securities delivered to and receipted for by a financial institution until they are withdrawn from the financial institution by the treasurer.

XIV. Investment Policy Adoption

The City's investment policy shall be adopted by resolution by the City Council. The policy shall be reviewed annually by the CFO/Treasurer and/or his/her designee and any modifications made thereto must be approved by the City Council.

XV. Glossary

Agencies - Federal agency and instrumentality securities.

Asked - The price at which securities are offered.

Bid - The price offered by a buyer of securities (when one sells securities, one asks for a bid).
See “Offer”.

Benchmark - A comparative base for measuring the performance or risk tolerance of the investment portfolio. A benchmark should represent a close correlation to the level of risk and the average duration of the portfolio’s investments.

Broker-Dealer – a person or a firm who can act as a broker or a dealer depending on the transaction. A broker brings buyers and sellers together for a commission. They do not take a position. A dealer acts as a principal in all transactions, buying and selling for his own account.

Certificate of Deposit (CD) – A time deposit with a specific maturity evidenced by a Certificate. Large-denomination CDs are typically negotiable.

Collateral – Securities, evidence of deposit or other property, which a borrower pledges to secure repayment of a loan. Also refers to securities pledged by a bank to secure deposits of public monies.

Custody – Safekeeping services offered by a bank, financial institution or trust company, referred to as the “custodian.” Service normally includes the holding and reporting of the customer’s securities, the collection and disbursement of income, securities settlement and market values.

Delivery Versus Payment –A type of securities transaction in which the purchaser pays for the securities when they are delivered either to the purchaser or custodian. It ensures that securities are deposited in an eligible financial institution prior to the release of funds. Securities should be held by a third-party custodian as evidenced by safekeeping receipts.

Diversification – Dividing investment funds among a variety of securities offering independent returns.

Federal Agency Obligation – A debt instrument issued by one of the federal agencies. Federal agencies are considered second in credit quality and liquidity only to U.S. Treasuries.

Investment Review Committee – The committee meets quarterly to discuss the investments in the City’s portfolios. The investment review committee consists of the City Manager, CFO/Treasurer and members of the Finance Department.

Liquidity – An investment that can be converted easily and rapidly into cash without a substantial loss of value.

Local Agency Investment Fund (LAIF) – The aggregate of all funds from political subdivisions that are placed in the custody of the State Treasurer for investment and reinvestment.

Market Value – The price at which a security is trading and could presumably be purchased or sold on a specific date.

Maturity – The date upon which the principal or stated value of an investment becomes due and payable.

Money Market Fund – a type of safe investment comprising a variety of short-term securities with high quality and high liquidity. The fund provides interest to shareholders and must maintain a stable net asset value (NAV) of \$1 per share.

Offer - The price asked by a seller of securities (when one buys securities, one asks for an offer). See “*Asked*” and “*Bid*”.

Portfolio – Collection of securities held by an investor,

Principal – the original cost of a security. It represents the amount of capital or money that the investor pays for the investment.

Prudent Investor Standard – An investment standard that all investments should be made with care, skill, prudence and diligence under the circumstances then prevailing, including, but not limited to, the general economic conditions and the anticipated needs of the agency, that a prudent person acting in a like capacity and familiarity with those matters would use in the conduct of funds of a like character and with like aims, to safeguard the principal and maintain the liquidity needs of the agency.

Rate of Return - The yield obtainable on a security based on its purchase price or its current market price. This may be the amortized yield to maturity on a bond the current income return.

U.S. Treasury – Government debt issued by the United States Department of the Treasury through the Bureau of the Public Debt. Treasury securities are the debt financing instruments of the United States federal government, and they are often referred to simply as Treasuries. There are four types of marketable treasury securities: Treasury bills, Treasury notes, Treasury bonds, and Treasury Inflation Protected Securities (TIPS). All of the marketable Treasury securities are very liquid and are heavily traded on the secondary market.

Yield - The rate of annual income return on an investment, expressed as a percentage.

Yield-To-Call (YTC) - The rate of return an investor earns from a bond assuming the bond is redeemed (called) prior to its nominal maturity date.

Yield-To-Maturity - The current income yield minus any premium above par or plus any discount from par in purchase price, with the adjustment spread over the period from the date of purchase to the date of maturity.

Title: Fountains Community Facilities District No. 1 - Bond Refunding
Contact: Vanessa Lieberman 916-774-5189 vlieberman@roseville.ca.us

Meeting Date: 6/15/2016

Item #: 7.29.

RECOMMENDATION TO COUNCIL

Staff recommends that the City Council adopt the Resolution authorizing the issuance and sale of special tax refunding bonds for and on behalf of the City of Roseville Fountains Community Facilities District (CFD) No. 1, approving and directing the execution of a Fiscal Agent Agreement, and approving other related documents and actions.

The attached resolution authorize the execution and delivery of the following documents required for the refunding for Fountains CFD No. 1:

- Fiscal Agent Agreement – The purpose of this agreement is to contract with a firm who makes CFD payments, keeps records, and provides notification to bondholders.
- Bond Purchase Contract – Agreement between the City of Roseville on behalf of the districts and the underwriting firm for the sale of bonds to the underwriter. The underwriter then resells the bonds to interested investors.
- Preliminary Official Statement of Bond Issuance – This is an informational document issued to prospective bond buyers describing the Districts and the refunding bonds.

BACKGROUND

The Fountains CFD No. 1 was formed on December 5, 2007 by Resolution 07-635 with an original par amount of \$11,200,000.00. There is currently \$11,020,000.00 of outstanding Bonds at an average interest rate of 5.618% and a final maturity date of September 1, 2038.

The City has determined that in the current bond market, the outstanding bonds can be refunded for a present value savings of approximately 14.83% resulting in a net present value savings of approximately \$1.6 million over the life of the bonds and an average interest rate of 3.64%.

FISCAL IMPACT

There will be no fiscal impact to the General Fund as all bond issuance costs will be paid from bond proceeds.

ECONOMIC DEVELOPMENT / JOBS CREATED

No new jobs will be created as a result of this bond refunding.

ENVIRONMENTAL REVIEW

This is not considered a "project" as defined by the California Environmental Quality Act (CEQA), Section 15273 of the CEQA guidelines and therefore no CEQA action is required.

Respectfully Submitted,

Vanessa Lieberman, Financial Analyst

Monty Hanks, Finance Director

Rob Jensen, City Manager

Description

Resolution No. 16-247

Bond Purchase Agreement

Preliminary Official Statement

Fiscal Agent Agreement

CITY COUNCIL OF THE CITY OF ROSEVILLE

RESOLUTION NO. 16-247

RESOLUTION AUTHORIZING THE ISSUANCE OF SPECIAL TAX REFUNDING BONDS FOR AND ON BEHALF OF THE CITY OF ROSEVILLE THE FOUNTAINS COMMUNITY FACILITIES DISTRICT NO. 1 (PUBLIC FACILITIES), APPROVING AND DIRECTING THE EXECUTION OF A FISCAL AGENT AGREEMENT, APPROVING THE FORM OF PRELIMINARY OFFICIAL STATEMENT, APPROVING SALE OF SUCH BONDS, AND APPROVING OTHER RELATED DOCUMENTS AND ACTIONS

RESOLVED, by the City Council (the "City Council") of the City of Roseville, California (the "City"), as follows:

WHEREAS, the City Council has conducted proceedings under and pursuant to the Mello-Roos Community Facilities Act of 1982, as amended (the "Act"), to form The Fountains Community Facilities District No. 1 (Public Facilities) (the "District"), to authorize the levy of special taxes upon the land within the District, and to issue bonds secured by said special taxes for the purpose of providing moneys for the construction and acquisition of improvements of benefit to land in the District; and

WHEREAS, following a vote of landowners in the District authorizing the levy of a special tax, the City Council, as legislative body of the District, authorized the issuance of special tax bonds of the City for the District in the maximum principal amount of not to exceed \$11,500,000 (the "Authorization") and caused bonds to be issued for the District on February 21, 2008 in the original principal amount of \$11,200,000 designated City of Roseville The Fountains Community Facilities District No. 1 (Public Facilities) Special Tax Bonds Series 2008 (the "Prior Bonds"); and

WHEREAS, the City desires to refund the Prior Bonds by issuing refunding bonds for the District, and, after due investigation and deliberation the City has determined that it is in the interests of the City and the District at this time for the City Council, as legislative body of the District, to authorize a series of special tax bonds as refunding bonds for the District designated City of Roseville The Fountains Community Facilities District No. 1 (Public Facilities) Special Tax Refunding Bonds Series 2016 (the "2016 Bonds"); and

WHEREAS, there has been submitted to the City Council a form of Fiscal Agent Agreement (the "Fiscal Agent Agreement") between the City and The Bank of New York Mellon Trust Company, N.A., as fiscal agent (the "Fiscal Agent"), and to provide for the issuance of the 2016 Bonds, and the City Council, with the aid of City staff, has reviewed the Fiscal Agent Agreement and found it to be in proper order, and now desires to approve the Fiscal Agent Agreement and the issuance of the 2016 Bonds; and

WHEREAS, the City proposes to sell the 2016 Bonds to Piper Jaffray & Co. (the "Underwriter") pursuant to the terms of a Bond Purchase Agreement (the "Bond Purchase Agreement") by and between the City and the Underwriter, and the Underwriter proposes to offer the 2016 Bonds to the investing public by means of a Preliminary Official Statement (the "Preliminary Official Statement"); and

WHEREAS, it appears that each of said documents and instruments which are now before this meeting is in appropriate form and is an appropriate document or instrument to be executed and delivered for the purpose intended; and

WHEREAS, all conditions, things and acts required to exist, to have happened and to have been performed precedent to and in the issuance of the 2016 Bonds as contemplated by this Resolution and the documents referred to herein exist, have happened and have been performed in due time, form and manner as required by the laws of the State of California, including the Act.

NOW, THEREFORE, IT IS HEREBY ORDERED as follows:

Section 1. Pursuant to the Act, this Resolution, and the Fiscal Agent Agreement, special tax bonds of the City for the District designated as "City of Roseville The Fountains Community Facilities District No. 1 (Public Facilities) Special Tax Refunding Bonds Series 2016" in an aggregate principal amount not to exceed \$12,650,000 are hereby authorized to be issued for the purpose of refunding the Prior Bonds. The 2016 Bonds shall be executed in the form set forth in and otherwise as provided in the Fiscal Agent Agreement.

In furtherance of the issuance of the 2016 Bonds, the City Council hereby makes the following findings and determinations: (i) it is prudent in the management of its fiscal affairs and in the best interests of the City and the District to issue the 2016 Bonds for the purpose of providing moneys for the refunding of the Prior Bonds to achieve interest cost savings, (ii) the 2016 Bonds and the District facilitate the intent and purpose of the City's guidelines for issuance of Mello-Roos bonds and to the extent any provisions of the 2016 Bonds do not comply with the guidelines as applicable to the specific nature of the financing, such non-compliance is acceptable, and (iii) the value of the real property within the District subject to the special tax to pay debt service on the proposed 2016 Bonds, based upon the current assessed valuation of property in the District and an appraisal, is at least three times the principal amount of the proposed 2016 Bonds to be secured by a special tax levied pursuant to the Act on property within the District.

The City hereby finds that the 2016 Bonds constitute "refunding bonds" within the meaning of the Act because the proceeds thereof will be used to refund the Prior Bonds. For the purposes of these proceedings for the issuance of the 2016 Bonds, the City hereby determines, based on preliminary calculations, that the total net interest cost to maturity on the 2016 Bonds, plus the principal amount of the 2016 Bonds is less than the total net interest cost to maturity of the Prior Bonds plus the principal amount of the Prior Bonds to be refunded. The City further finds and determines that it would be prudent in the management of its fiscal affairs to issue the Bonds to refund the Prior Bonds and that pursuant to the Act the 2016 Bonds are not a part of the Authorization.

Section 2. The City Council hereby approves the Fiscal Agent Agreement in the form presented to the City Council at this meeting. The Mayor, City Manager, Chief Financial Officer, Finance Director or such other person or persons as either of them may designate (collectively, the "Authorized Officers"), each acting alone or together with any other Authorized Officer, are each hereby authorized and directed to execute the Fiscal Agent Agreement, for and in the name and on behalf of the City and the District, in such form, together with any additions thereto or changes therein deemed necessary or advisable by the Authorized Officer executing such document upon consultation with Jones Hall, A Professional Law Corporation, as bond counsel ("Bond Counsel"). The terms of the 2016 Bonds shall be substantially as described in the Fiscal

Agent Agreement with such changes as authorized herein and the proceeds of the 2016 Bonds shall be applied by the City for the purposes and in the amounts as set forth in the Fiscal Agent Agreement. The City Council hereby authorizes the execution, delivery and performance by the City of the Fiscal Agent Agreement as an Authorized Officer deems appropriate.

Section 3. The City Council hereby approves the Bond Purchase Agreement between the City and the Underwriter in the form presented to the City Council at this meeting. The Authorized Officers, each acting alone or together with any other Authorized Officer, are each hereby authorized and directed to accept the offer of the Underwriter to purchase the 2016 Bonds contained in the Bond Purchase Agreement and to execute the Bond Purchase Agreement, for and in the name and on behalf of the City and the District, in such form, together with any additions thereto or changes therein deemed necessary or advisable by the Authorized Officer executing such document upon consultation with Bond Counsel, provided that no additions or changes shall result in an underwriter's discount in excess of 0.85% and the latest maturity date of 2016 Bonds shall not exceed the latest maturity date of the Prior Bonds. The 2016 Bonds shall not be issued if the total interest cost to maturity on the 2016 Bonds plus the principal amount of the 2016 Bonds exceeds the total interest cost to maturity on the Prior Bonds plus the principal amount of the Prior Bonds. Subject to these limitations, the principal amount of the 2016 Bonds may be more than, less than, or the same as the principal amount of the Prior Bonds and savings achieved through the issuance of the 2016 Bonds shall be used for facilities authorized for the District. The City Council hereby authorizes the delivery and performance by the City of the Bond Purchase Agreement.

The City Council hereby finds and determines that the sale of the 2016 Bonds at negotiated sale as contemplated by the Bond Purchase Agreement will result in a lower overall cost.

Section 4. The City Council hereby approves the Preliminary Official Statement in the form presented to the City Council at this meeting. The Authorized Officers, each acting alone or together with any other Authorized Officer, are each hereby authorized and directed to execute a final Official Statement (the "Official Statement"), for and in the name and on behalf of the City and the District, in such form, together with any additions thereto or changes therein deemed necessary or advisable by the Authorized Officer executing such document upon consultation with Bond Counsel. The City Council hereby authorizes and directs the Underwriter to distribute copies of said Preliminary Official Statement to persons who may be interested in the purchase of the 2016 Bonds and to deliver copies of the Official Statement to all actual purchasers of the 2016 Bonds. The City Council hereby authorizes the delivery by the City of the Official Statement.

The Authorized Officers are each hereby authorized and directed to execute a certificate or certificates to the effect that the Official Statement and the Preliminary Official Statement were deemed "final" as of their respective dates for purposes of Rule 15c2-12 of the Securities Exchange Act of 1934, and the Authorized Officers are each hereby authorized to so deem such statements final.

Section 5. The City hereby covenants, for the benefit of the Bondowners, to commence and diligently pursue to completion any foreclosure action regarding delinquent installments of any amount levied as a special tax for the payment of interest or principal of the 2016 Bonds, said foreclosure action to be commenced and pursued as more completely set forth in the Fiscal Agent Agreement.

Section 6. The 2016 Bonds, when executed, shall be delivered to the Fiscal Agent for authentication. The Fiscal Agent is hereby requested and directed to authenticate the 2016 Bonds by executing the Fiscal Agent's certificate of authentication and registration appearing thereon, and to deliver the 2016 Bonds, when duly executed and authenticated, to the Underwriter in accordance with written instructions executed on behalf of the City by the Mayor and/or one or more of the Authorized Officers, which instructions such officers are each hereby authorized, for and in the name and on behalf of the City, to execute and deliver to the Fiscal Agent. Such instructions shall provide for the delivery of the 2016 Bonds to the Underwriter or its designee in accordance with the Bond Purchase Agreement, upon payment of the purchase price therefor.

Section 7. All actions heretofore taken by the officers and agents of the City with respect to the establishment of the District and the sale and issuance of the 2016 Bonds are hereby approved, confirmed and ratified, and the proper officers of the City are each hereby authorized and directed to do any and all things and take any and all actions and execute any and all certificates, agreements and other documents, including an escrow agreement and continuing disclosure agreement, which they, or any of them, may deem necessary or advisable in order to consummate the lawful issuance and delivery of the 2016 Bonds in accordance with this Resolution, and any certificate, agreement, and other document described in the documents herein approved. Any document herein approved and executed and delivered by any one of the Authorized Officers shall be a valid and binding agreement of the City.

Section 8. This Resolution shall take effect from and after its adoption.

* * * * *

I hereby certify that the foregoing Resolution was duly adopted by the City Council of the City of Roseville, California, at a regularly scheduled meeting thereof, held on the _____ day of _____, 2016, by the following vote of the City Council:

\$ _____
CITY OF ROSEVILLE
THE FOUNTAINS COMMUNITY FACILITIES DISTRICT NO. 1
(PUBLIC FACILITIES)
SPECIAL TAX REFUNDING BONDS
SERIES 2016

BOND PURCHASE AGREEMENT

_____, 2016

City of Roseville
311 Vernon Street,
Roseville, California 95678

Ladies and Gentlemen:

Piper Jaffray & Co. (the "Underwriter"), acting not as a fiduciary or agent for you, but on behalf of the Underwriters, offers to enter into this Bond Purchase Agreement (the "Purchase Agreement") with the City of Roseville, California (the "City") acting on behalf of the City of Roseville The Fountains Community Facilities District No. 1 (Public Facilities) (the "District") which, upon acceptance, will be binding upon the City and upon the Underwriter. This offer is made subject to acceptance of it by the City on the date hereof, and if not accepted will be subject to withdrawal by the Underwriter upon notice delivered to the City at any time prior to the acceptance hereof by the City.

The City acknowledges and agrees that: (i) the purchase and sale of the Bonds (defined below) pursuant to this Purchase Agreement is an arm's-length commercial transaction between the City and the Underwriter; (ii) in connection therewith and with the discussions, undertakings and procedures leading up to the consummation of such transaction, the Underwriter is and has been acting solely as a principal and is not acting as Municipal Advisor (as defined in Section 15B of The Securities Exchange Act of 1934, as amended); (iii) the Underwriter has not assumed an advisory or fiduciary responsibility in favor of the City with respect to the offering contemplated hereby or the discussions, undertakings and procedures leading thereto (irrespective of whether the Underwriter has provided other services or are currently providing other services to the City on other matters); and (iv) the City has consulted its own legal, financial and other advisors to the extent it has deemed appropriate for this transaction.

1. Purchase, Sale and Delivery of the Bonds.

(a) Subject to the terms and conditions and in reliance upon the representations, warranties and agreements set forth herein, the Underwriter agrees to purchase from the City, and the City agrees to sell to the Underwriter, all (but not less than all) of the City of Roseville The Fountains Community Facilities District No. 1 (Public Facilities) Special Tax Refunding

Bonds, Series 2016 (the "Bonds") in the aggregate principal amount specified in Exhibit A hereto. The Bonds shall be dated the Closing Date (hereinafter defined), and bear interest from said date (payable semiannually on March 1 and September 1 in each year, commencing March 1, 2017) at the rates per annum and maturing on the dates and in the amounts set forth in Exhibit A hereto. The purchase price for the Bonds shall be \$_____ (being 100% of the aggregate principal amount thereof, plus net original issue premium of \$_____, less an Underwriter's discount of \$_____).

(b) The Bonds shall be substantially in the form described in, shall be issued and secured under the provisions of, and shall be payable and subject to redemption as provided in, the Fiscal Agent Agreement by and between the City and The Bank of New York Mellon Trust Company, N.A., as Fiscal Agent (the "Fiscal Agent"), dated as of July 1, 2016 (the "Fiscal Agent Agreement"), approved by Resolution No. _____ adopted by the City Council of the City (the "City Council"), acting as the legislative body of the District, on _____, 2016 (the "Resolution of Issuance"). The Bonds and interest thereon will be payable from a special tax (the "Special Tax") levied and collected on the taxable land within the District in accordance with Resolution of Intention adopted by the City Council on October 17, 2007, and Resolution No. 07-635 adopted by the City Council on December 5, 2007 (together with the Resolution of Intention, the "Resolution of Formation"). Proceeds of the sale of the Bonds will be used in accordance with the Fiscal Agent Agreement and the Mello-Roos Community Facilities Act of 1982, as amended (Sections 53311 et seq. of the Government Code of the State of California) (the "Law"), to (i) refund the City's outstanding City of Roseville The Fountains Community Facilities District No. 1 (Public Facilities) Special Tax Refunding Bonds, Series 2008 (the "Prior Bonds") issued for the District; (iii) establish a debt service reserve fund for the Bonds; and (iv) pay the costs of issuing the Bonds. The Resolution of Issuance, the Resolution of Formation, and ordinance of the City authorizing the levy of the special taxes, are collectively referred to herein as the "District Resolutions."

(c) At or prior to the acceptance hereof by the City, the City shall cause to be delivered to the Underwriter a 15c2-12 Certificate of the City, dated as of the date of this Purchase Agreement (the "City Certificate"), in substantially the form attached hereto as Exhibit B, with only such changes therein as shall have been accepted by the Underwriter.

(d) Subsequent to its receipt of the City Certificate deeming the Preliminary Official Statement for the Bonds, dated _____, 2016 (which Preliminary Official Statement, together with the cover page and all appendices thereto, is herein collectively referred to as the "Preliminary Official Statement"), final for purposes of Rule 15c2-12 of the Securities and Exchange Commission ("Rule 15c2-12"), the Underwriter has distributed copies of the Preliminary Official Statement. The City hereby ratifies the use by the Underwriter of the Preliminary Official Statement and authorizes the Underwriter to use and distribute the final Official Statement dated the date hereof (including all information previously permitted to have been omitted by Rule 15c2-12, and any supplements and amendments thereto as have been approved by the City as evidenced by the execution and delivery of such document by an officer of the City (the "Official Statement")), the Fiscal Agent Agreement, the Continuing Disclosure Agreement of the City (the "City Disclosure Agreement"), this Purchase Agreement, the Escrow Agreement, dated as of July 1, 2016, by and between the City for and on behalf of the District and the Fiscal Agent acting as fiscal agent for the Prior Bonds (the "Irrevocable Escrow Instructions"), and any other documents or contracts to which the City or the District is a party related to the Bonds, and all information contained therein, and all other documents, certificates and statements furnished by the City to the Underwriter in connection with the transactions contemplated by this Purchase Agreement, in connection with the offer and sale of the Bonds

by the Underwriter. The Underwriter hereby agrees to deliver a copy of the Official Statement to the Municipal Securities Rulemaking City Council (the "MSRB") through the Electronic Municipal Marketplace Access website of the MSRB on or before the Closing Date and otherwise to comply with all applicable statutes and regulations in connection with the offering and sale of the Bonds, including, without limitation, MSRB Rule G-32 and Rule 15c2-12.

(e) At 8:00 A.M., Pacific Daylight Time, on _____, 2016, or at such earlier time or date as shall be agreed upon by the Underwriter and the City (such time and date being herein referred to as the "Closing Date"), the City will deliver (i) to the Depository Trust Company in New York, New York, the Bonds in definitive form (all Bonds being in book-entry form registered in the name of Cede & Co. and having the CUSIP numbers assigned to them printed thereon), duly executed by the officers of the City, as provided in the Fiscal Agent Agreement, and (ii) to the Underwriter, at the offices of Bond Counsel, or at such other place as shall be mutually agreed upon by the City and the Underwriter, the other documents herein mentioned; and the Underwriter shall accept such delivery and pay the purchase price of the Bonds in immediately available funds (such delivery and payment being herein referred to as the "Closing"). Notwithstanding the foregoing, the Underwriter may, in its discretion, accept delivery of the Bonds in temporary form upon making arrangements with the City which are satisfactory to the Underwriter relating to the delivery of the Bonds in definitive form.

(f) Except as otherwise disclosed in writing and agreed to by the City, the Underwriter agrees to make a bona fide public offering of the Bonds at the initial public offering price or prices set forth on the inside cover page of the Official Statement and in Exhibit A hereto; provided, however, the Underwriter reserves the right to change such initial public offering prices as the Underwriter deems necessary or desirable, in their sole discretion, in connection with the marketing of the Bonds, and to sell the Bonds to certain dealers (including dealers depositing the Bonds into investment trusts) and others at prices lower than the initial offering prices set forth in the Official Statement. A "bona fide public offering" shall include an offering to institutional investors or registered investment companies, regardless of the number of such investors to which the Bonds are sold. The Underwriter shall provide to the City on the Closing Date a certificate stating, among other things, that the Underwriter made a bona fide public offering of the Bonds at the initial public offering price or prices set forth on the inside cover page of the Official Statement and in Exhibit A.

2. Representations, Warranties and Agreements of the City. The City represents, warrants and covenants to and agrees with the Underwriter that:

(a) The City is a municipal corporation and charter city duly organized and existing under the laws of the State of California (the "State") and has duly authorized the formation of the District pursuant to the Resolution of Formation and the Law. The City Council, as the legislative body of the District, has duly adopted the District Resolutions, and has caused to be recorded in the real property records of Placer County a Notice of Special Tax Lien (the "Notice of Special Tax Lien") (such District Resolutions and Notice of Special Tax Lien being collectively referred to herein as the "Formation Documents"). Each of the Formation Documents remains in full force and effect as of the date hereof and has not been amended. The District is duly organized and validly existing as a community facilities district under the laws of the State of California. The City has, and at the Closing Date will have, as the case may be, full legal right, power and authority (i) to execute, deliver and perform its obligations under this Purchase Agreement and the City Disclosure Agreement, and to carry out all transactions on its part contemplated by each of such agreements, (ii) to issue, sell and deliver the Bonds to the Underwriter pursuant to the Resolution of Issuance and the Fiscal Agent Agreement as provided

herein, and (iii) to carry out, give effect to and consummate the transactions on its part contemplated by the Formation Documents and by the Fiscal Agent Agreement, the Irrevocable Escrow Instructions, this Purchase Agreement, and the City Disclosure Agreement (collectively, the "District Documents") and the Official Statement.

(b) The City has complied, and will at the Closing Date be in compliance, in all material respects, with the Formation Documents and the District Documents, and any immaterial compliance by the City, if any, will not impair the ability of the City to carry out, give effect to or consummate the transactions on its part contemplated by the foregoing. From and after the date of issuance of the Bonds, the City will continue to comply with the covenants of the City contained in the District Documents that are applicable to such time period.

(c) The City Council has duly and validly: (i) adopted the District Resolutions, (ii) called, held and conducted in accordance with all requirements of the Law elections within the District to approve the levy of the Special Tax within the District and the issuance of the Bonds and recorded the Notice of Special Tax Lien which established a continuing lien on the land within the District securing the payment of the Special Tax, (iii) authorized and approved the execution, delivery and due performance by the City for the District of the Bonds and the District Documents, (iv) authorized the preparation, delivery and distribution of the Preliminary Official Statement and the Official Statement, and (v) authorized and approved the performance by the City of its obligations contained in, and the taking of any and all action as may be necessary to carry out, give effect to and consummate the transactions on its part contemplated by, each of the District Documents (including, without limitation, the collection of the Special Tax), the Bonds and the Official Statement and at the Closing Date, the Formation Documents will be in full force and effect and the District Documents and the Bonds will constitute the valid, legal and binding obligations of the City for the District and (assuming due authorization, execution and delivery by other parties thereto, where necessary) will be enforceable upon the City in accordance with their respective terms, subject to bankruptcy, insolvency, reorganization, moratorium and other laws affecting the enforcement of creditors' rights in general and to the application of equitable principles if equitable remedies are sought.

(d) To the best of the City's knowledge, neither the District nor the City is in breach of or default under any applicable law or administrative rule or regulation of the State or the United States, or of any department, division, agency or instrumentality thereof, or under any applicable court or administrative decree or order, or under any loan agreement, note, resolution, trust agreement, contract, agreement or other instrument to which the District or the City is a party or is otherwise subject or bound, a consequence of which would be to materially and adversely affect the performance by the District or the City of their obligations under the Bonds, the Formation Documents or the District Documents, and compliance with the provisions of each thereof will not conflict with or constitute a breach of or default under any applicable law or administrative rule or regulation of the State or the United States, or of any department, division, agency or instrumentality thereof, or under any applicable court or administrative decree or order, or a material breach of or default under any loan agreement, note, resolution, trust agreement, contract, agreement or other instrument to which the District or the City, as the case may be, is a party or is otherwise subject or bound.

(e) Except for compliance with the blue sky or other states securities law filings, as to which the City makes no representations, all approvals, consents, authorizations, elections and orders of or filings or registrations with any State governmental authority, board, agency or commission having jurisdiction which would constitute a condition precedent to, or the absence of which would materially adversely affect, the performance by the City of its obligations

hereunder, or under the Formation Documents or the District Documents, have been obtained and are in full force and effect.

(f) The Special Tax constituting the security for the Bonds has been duly and lawfully authorized and may be levied under the Law, the State Constitution and the applicable laws of the State, and the Special Tax, when levied, will constitute a valid and legally binding continuing lien on the properties on which it has been levied.

(g) The City shall not supplement or amend the Official Statement or cause the Official Statement to be supplemented or amended without the prior written consent of the Underwriter. Until the date which is twenty-five (25) days after the "end of the underwriting period" (as hereinafter defined), if any event shall occur of which the City is aware, as a result of which it may be necessary to supplement the Official Statement in order to make the statements in the Official Statement, in light of the circumstances existing at such time, not misleading, the City shall forthwith notify the Underwriter of any such event of which it has knowledge and shall cooperate fully in furnishing any information available to it for any supplement to the Official Statement necessary, in the Underwriter's opinion, so that the statements therein as so supplemented will not be misleading in light of the circumstances existing at such time and the City shall promptly furnish to the Underwriter a reasonable number of copies of such supplement. As used herein, the term "end of the underwriting period" means the later of such time as (i) the City delivers the Bonds to the Underwriter, or (ii) the Underwriter does not retain, directly or as a member of an underwriting syndicate, an unsold balance of the Bonds for sale to the public. Unless the Underwriter gives notice to the contrary, the "end of the underwriting period" shall be deemed to be the Closing Date. Any notice delivered pursuant to this provision shall be written notice delivered to the City at or prior to the Closing Date, and shall specify a date (other than the Closing Date) to be deemed the "end of the underwriting period."

(h) The Fiscal Agent Agreement creates a valid pledge of the Special Tax Revenues and the moneys deposited in the Bond Fund and the Reserve Fund established pursuant to the Fiscal Agent Agreement, including the investments thereof, subject in all cases to the provisions of the Fiscal Agent Agreement permitting the application thereof for the purposes and on the terms and conditions set forth therein. Until such time as moneys have been set aside in an amount sufficient to pay all then outstanding Bonds at maturity or to the date of redemption if redeemed prior to maturity, plus unpaid interest thereon to maturity or to the date of redemption if redeemed prior to maturity, and premium, if any, the City will faithfully perform and abide by all of its covenants and undertakings, and the provisions contained in the Fiscal Agent Agreement.

(i) Except as disclosed in the Preliminary Official Statement, no action, suit, proceeding, inquiry or investigation, at law or in equity, before or by any court, regulatory agency, public board or body is pending with respect to which the City has been served with process or, to the best knowledge of the City, threatened (i) which would materially adversely affect the ability of either the City or the District to perform their obligations under the Bonds, the Formation Documents or the District Documents, or (ii) seeking to restrain or to enjoin the issuance, sale or delivery of the Bonds, the application of the proceeds thereof in accordance with the Fiscal Agent Agreement, or the collection or application of the Special Tax pledged or to be pledged to pay the principal of and interest on the Bonds, or the pledge thereof, or in any way contesting or affecting the validity or enforceability of the Bonds, the Formation Documents, the District Documents, or any action contemplated by any of said documents, or (iii) in any way contesting the completeness or accuracy of the Official Statement or the powers or authority of the City or the District with respect to the Bonds, the Formation Documents, the District Documents, or any action of the City or the District contemplated by any of said documents; nor

is there any action pending with respect to which the City has been served with process or, to the best knowledge of the City, threatened against the City or the District which alleges that interest on the Bonds is not excludable from gross income for federal income tax purposes or is not exempt from California personal income taxation.

(j) The City will furnish such information, execute such instruments and take such other action in cooperation with the Underwriter as the Underwriter may reasonably request in order for the Underwriter to qualify the Bonds for offer and sale under the "Blue Sky" or other securities laws and regulations of such states and other jurisdictions of the United States as the Underwriter may designate; provided, however, the City shall not be required to register as a dealer or a broker of securities or to consent to service of process in connection with any blue sky filing.

(k) Any certificate signed by any official of the City authorized to do so and delivered to the Underwriter in connection with the Bonds or this Purchase Agreement shall be deemed a representation and warranty to the Underwriter as to the statements made therein.

(l) The City will apply the proceeds of the Bonds in accordance with the Fiscal Agent Agreement and the Irrevocable Escrow Instructions as described in the Official Statement.

(m) The information contained in the Preliminary Official Statement (other than under the captions "THE BONDS — Description of the Bonds" as they relate to DTC and the Book-Entry Only System, and "OWNERSHIP OF PROPERTY WITHIN THE DISTRICT" and in Appendix C and Appendix F thereto, as to which no view is expressed) was as of the date thereof, and the information contained in the Official Statement (other than under the captions "THE BONDS — Description of the Bonds" as they relate to DTC and the Book-Entry Only System, and "OWNERSHIP OF PROPERTY WITHIN THE DISTRICT" and in Appendix C and Appendix F thereto, as to which no view is expressed) as of its date and on the Closing Date shall be, true and correct in all material respects and such information does not and shall not contain any untrue or misleading statement of a material fact or omit to state any material fact necessary to make the statements therein, in light of the circumstances under which they were made, not misleading.

(n) The Preliminary Official Statement heretofore delivered to the Underwriter has been deemed final by the City as of its date, except for the omission of such information as is permitted to be omitted in accordance with paragraph (b)(1) of Rule 15c2-12. The City hereby covenants and agrees that, within seven (7) business days from the date hereof, the City shall cause a final printed form of the Official Statement to be delivered to the Underwriter in a quantity mutually agreed upon by the Underwriter and the City so that the Underwriter may comply with paragraph (b)(4) of Rule 15c2-12 and Rules G-12, G-15, G-32 and G-36 of the Municipal Securities Rulemaking Board.

(o) Except as otherwise disclosed in the Preliminary Official Statement, the City is, and has always been, in material compliance with respect to all reporting obligations in the last five years that it has undertaken under Rule 15c2-12 for all indebtedness issued by the City.

(p) Except as otherwise disclosed in the Preliminary Official Statement, the Formation Documents have not been amended, terminated, rescinded or modified.

(q) The City shall not voluntarily undertake any course of action inconsistent with satisfaction of the requirements applicable to the City as set forth in this Purchase Agreement.

(r) The City shall cooperate with the Underwriter in the qualification of the Bonds for offering and sale and the determination of their eligibility for investment under the laws of such jurisdictions as the Underwriter may designate.

(s) The City shall not knowingly take or omit to take any action that, under existing law, may adversely affect the exemption from state income taxation or the exclusion from gross income for federal income tax purposes of the interest on the Bonds.

3. Conditions to the Obligations of the Underwriter. The obligations of the Underwriter to accept delivery of and pay for the Bonds on the Closing Date shall be subject, at the option of the Underwriter, to the accuracy in all material respects of the representations and warranties of the City contained herein, as of the date hereof and as of the Closing Date, to the accuracy in all material respects of the statements of the officers and other officials of the City made in any certificates or other documents furnished pursuant to the provisions hereof, to the performance by the City of its obligations to be performed hereunder at or prior to the Closing Date and to the following additional conditions:

(a) At the Closing Date, the Formation Documents and the District Documents shall be in full force and effect, and shall not have been amended, modified or supplemented, except as may have been agreed to in writing by the Underwriter, and there shall have been taken in connection therewith, with the issuance of the Bonds and with the transactions contemplated thereby and by this Purchase Agreement, all such actions as, in the opinion of Jones Hall, A Professional Corporation ("Jones Hall"), Bond Counsel for the City, and counsel to the Underwriter, shall be necessary and appropriate;

(b) The information contained in the Official Statement will, as of the Closing Date and as of the date of any supplement or amendment thereto pursuant to Section 2(g) hereof, be true and correct in all material respects and will not, as of the Closing Date or as of the date of any supplement or amendment thereto pursuant to Section 2(g) hereof, contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading;

(c) Between the date hereof and the Closing Date, the market price or marketability of the Bonds at the initial offering prices set forth in the Official Statement shall not have been materially adversely affected, in the judgment of the Underwriter (evidenced by a written notice to the City terminating the obligation of the Underwriter to accept delivery of and pay for the Bonds), by reason of any of the following:

(1) legislation introduced in or enacted (or resolution passed) by the Congress of the United States of America or recommended to the Congress by the President of the United States, the Department of the Treasury, the Internal Revenue Service, or any member of Congress, or favorably reported for passage to either House of Congress by any committee of such House to which such legislation had been referred for consideration or a decision rendered by a court established under Article III of the Constitution of the United States of America or by the Tax Court of the United States of America, or an order, ruling, regulation (final, temporary or proposed), press release or other form of notice issued or made by or on behalf of the Treasury Department or the Internal Revenue Service of the United States of

America, with the purpose or effect, directly or indirectly, of imposing federal income taxation upon the interest that would be received by the owners of the Bonds beyond the extent to which such interest is subject to taxation as of the date hereof;

(2) legislation introduced in or enacted (or resolution passed) by the Congress of the United States of America, or an order, decree or injunction issued by any court of competent jurisdiction, or an order, ruling, regulation (final, temporary or proposed), press release or other form of notice issued or made by or on behalf of the Securities and Exchange Commission (the "SEC"), or any other governmental agency having jurisdiction of the subject matter, to the effect that obligations of the general character of the Bonds, or the Bonds are not exempt from registration under or other requirements of the Securities Act of 1933, as amended, or that the Fiscal Agent Agreement is not exempt from qualification under or other requirements of the Trust Indenture Act of 1939, as amended, or that the issuance, offering or sale of obligations of the general character of the Bonds, or of the Bonds, as contemplated hereby or by the Official Statement or otherwise is or would be in violation of the federal securities laws, rules or regulations as amended and then in effect;

(3) any amendment to the federal or California Constitution or action by any federal or California court, legislative body, regulatory body or other authority materially adversely affecting the tax status of the City or the District, their property, income or securities (or interest thereon), the validity or enforceability of the Special Tax as contemplated by the Formation Documents, the District Documents or the Official Statement;

(4) any event occurring, or information becoming known, which, in the judgment of the Underwriter, makes untrue in any material respect any statement or information contained in the Preliminary Official Statement or the Official Statement, or results in the Preliminary Official Statement or the Official Statement containing any untrue statement of a material fact or omitting to state a material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading;

(5) the declaration of war or the escalation of, or engagement in, military hostilities by the United States or the occurrence of any other national or international emergency or calamity relating to the effective operation of the government of, or the financial community in, the United States which, in the judgment of the Underwriter, makes it impracticable or inadvisable to proceed with the offering or the delivery of the Bonds on the terms and in the manner contemplated in the Preliminary Official Statement or the Official Statement;

(6) the declaration of a general banking moratorium by federal, State of New York or State of California authorities, or the general suspension of trading on any national securities exchange or minimum or maximum prices for trading shall have been fixed and be in force, or maximum ranges for prices for securities shall have been required and be in force on the New York Stock Exchange or other national securities exchange, whether by virtue of determination by that exchange or by order of the SEC or any other governmental authority having jurisdiction that, in the Underwriter's reasonable judgment, makes it impracticable for the Underwriter to market the Bonds or enforce contracts for the sale of the Bonds;

(7) the imposition by the New York Stock Exchange or other national securities exchange, or any governmental authority, of any material restrictions not now in force with respect to the Bonds or obligations of the general character of the Bonds or securities

generally, or the material increase of any such restrictions now in force, including those relating to the extension of credit by, or the charge to the net capital requirements of, the Underwriter;

(8) the entry of an order by a court of competent jurisdiction which enjoins or restrains the City from issuing permits, licenses or entitlements within the District or which order, in the reasonable opinion of the Underwriter, otherwise materially and adversely affects proposed development of property within the District;

(9) a material disruption in securities settlement, payment or clearance services affecting the Bonds shall have occurred;

(10) there shall have been any material adverse change in the affairs of the City that in the Underwriter's reasonable judgment will materially adversely affect the market for the Bonds or the ability of the Underwriter to enforce contracts for the sale of the Bonds;

(11) there shall be established any new restriction on transactions in securities materially affecting the free market for securities (including the imposition of any limitation on interest rates) or the extension of credit by, or a change to the net capital requirements of, underwriters established by the New York Stock Exchange, the SEC, any other federal or State agency or the Congress of the United States, or by Executive Order;

(12) a stop order, release, regulation, or no-action letter by or on behalf of the SEC or any other governmental agency having jurisdiction of the subject matter shall have been issued or made to the effect that the issuance, offering, or sale of the Bonds, including all the underlying obligations as contemplated hereby or by the Official Statement, or any document relating to the issuance, offering or sale of the Bonds is or would be in violation of any provision of the federal securities laws at the Closing Date, including the Securities Act, the Exchange Act, and the Trust Indenture Act of 1939, as amended; or

(13) filing of or threat of litigation of the type described in Section 2(i) hereof.

(d) On the Closing Date, the Underwriter shall have received counterpart originals or certified copies of the following documents, in each case satisfactory in form and substance to the Underwriter:

(1) The Formation Documents and the District Documents, together with a certificate dated as of the Closing Date of the City Clerk of the City to the effect that each Formation Document is a true, correct and complete copy of the one duly adopted by the City Council;

(2) The Official Statement;

(3) An approving opinion for the Bonds, dated the Closing Date and addressed to the City, of Jones Hall, Bond Counsel for the City, in the form attached to the Preliminary Official Statement as Appendix D, and an unqualified letter of such counsel, dated the Closing Date and addressed to the Underwriter, to the effect that such approving opinion addressed to the City may be relied upon by the Underwriter to the same extent as if such opinion was addressed to it;

(4) A supplemental opinion, dated the Closing Date and addressed to the Underwriter, of Jones Hall, Bond Counsel for the City, to the effect that (i) this Purchase

Agreement, the Irrevocable Escrow Instructions, and the Continuing Disclosure Agreement have been duly authorized, executed and delivered by the City, and, assuming such agreements constitute a valid and binding obligation of the other respective parties thereto, constitute the legally valid and binding agreements of the City for the District enforceable in accordance with their respective terms, except as enforcement may be limited by bankruptcy, moratorium, insolvency or other laws affecting creditor's rights or remedies and may be subject to general principles of equity (regardless of whether such enforceability is considered in equity or at law); (ii) the Bonds are not subject to the registration requirements of the Securities Act of 1933, as amended, and the Fiscal Agent Agreement is exempt from qualification under the Trust Indenture Act of 1939, as amended; and (iii) the information contained in the Official Statement on the cover and under the captions "INTRODUCTION," "THE BONDS" (other than information relating to DTC and its Book-Entry Only System), "SECURITY FOR THE BONDS," "LEGAL MATTERS – Tax Exemption" and Appendices C and E thereof is accurate, insofar as such information purports to summarize or replicate certain provisions of the Law, the Bonds and the Fiscal Agent Agreement and the exclusion from gross income for federal income tax purposes and exemption from State of California personal income taxes of interest on the Bonds;

(5) An opinion, dated the Closing Date and addressed to the Underwriter, of counsel for the Underwriter, to the effect that (i) the Bonds are exempt from the registration requirements of the Securities Act of 1933, as amended, and the Fiscal Agent Agreement is exempt from qualification under the Trust Indenture Act of 1939, as amended; and (ii) without having undertaken to determine independently the accuracy or completeness of the statements contained in the Official Statement, but on the basis of their participation in conferences with representatives of the City, Bond Counsel, representatives of the Underwriter, and others, and their examination of certain documents, nothing has come to their attention which has led them to believe that the Official Statement as of its date and as of the Closing Date contained any untrue statement of a material fact or omitted to state a material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading (except that no opinion or belief need to be expressed as to any information relating to The Depository Trust Company, or any information relating to CUSIP numbers, or with respect to any financial or statistical data or forecasts or estimates or assumptions or any expressions of opinion or assessed valuations);

(6) A certificate or certificates, dated the Closing Date and signed by an authorized officer of the City, ratifying the use and distribution by the Underwriter of the Preliminary Official Statement and the Official Statement in connection with the offering and sale of the Bonds; and certifying that (i) the representations and warranties of the City contained in Section 2 hereof are true and correct in all material respects on and as of the Closing Date with the same effect as if made on the Closing Date; (ii) to the best of his or her knowledge, no event has occurred since the date of the Official Statement affecting the matters contained therein which should be disclosed in the Official Statement for the purposes for which it is to be used in order to make the statements and information contained in the Official Statement not misleading in any material respect, and the Bonds, the Formation Documents and the District Documents conform as to form and tenor to the descriptions thereof contained in the Official Statement; and (iii) the City has complied with all the agreements and satisfied all the conditions on its part to be performed or satisfied under the Formation Documents, the District Documents and the Official Statement at or prior to the Closing Date;

(7) An opinion, dated the Closing Date and addressed to the Underwriter, of the City Attorney, to the effect that (i) to its current actual knowledge and except as disclosed in the Official Statement, no action, suit, proceeding, inquiry or investigation, at law or in equity,

before or by any court, regulatory agency, public board or body is pending with respect to which the City has been served with process or is known to such counsel to be threatened, as to which the City is or would be a party, which would materially adversely affect the ability of the City or the District to perform their obligations under the Bonds, the Formation Documents or the District Documents, or which seeks to restrain or enjoin the issuance, sale and delivery of the Bonds or exclusion from gross income for federal income tax purposes or State of California personal income taxes of interest on the Bonds, or the application of the proceeds thereof in accordance with the Fiscal Agent Agreement, or the collection or application of the Special Tax to pay the principal of and interest on the Bonds, or which in any way contests or affects the validity or enforceability of the Bonds, the Formation Documents or the District Documents or the accuracy of the Official Statement, or any action of the City contemplated by any of said documents or the development of property within the District; (ii) the City is duly organized and validly existing as a public entity under the laws of the State of California and the District is duly organized and validly existing as a community facilities district under the laws of the State of California, and the City has full legal right, power and authority to issue the Bonds and to perform all of its obligations under the Formation Documents and the District Documents; (iii) the City has obtained all approvals, consents, authorizations, elections and orders of or filings or registrations with any State governmental authority, board, agency or commission having jurisdiction which constitute a condition precedent to the levy of the Special Tax, the issuance of the Bonds or the performance by the City of its obligations thereunder or under the Fiscal Agent Agreement, except that no opinion need be expressed regarding compliance with blue sky or other securities laws or regulations, whatsoever; (iv) the City Council has duly and validly adopted the Formation Documents at meetings of the City Council which were called and held pursuant to law and with all public notice required by law and at which a quorum was present and acting throughout, and the Formation Documents are now in full force and effect and have not been amended; and (v) the City has duly authorized, executed and delivered the District Documents and the Bonds and has duly authorized the preparation and delivery of the Official Statement;

(8) One or more certificates dated the Closing Date from Willdan Financial Services addressed to the City and the Underwriter to the effect that all information supplied by them for use in the Official Statement is true and correct as of the date of the Official Statement and as of the Closing Date;

(9) A certificate of the City dated the Closing Date, in a form acceptable to Bond Counsel, to the effect that the Bonds are not arbitrage bonds within the meaning of Section 148 of the Internal Revenue Code of 1986, as amended;

(10) A certificate of the Fiscal Agent and an opinion of counsel to the Fiscal Agent dated the Closing Date and addressed to the City and the Underwriter to the effect that the Fiscal Agent has authorized the execution and delivery of the Fiscal Agent Agreement and that the Fiscal Agent Agreement is a valid and binding obligation of the Fiscal Agent enforceable in accordance with its terms;

(11) Such additional legal opinions, certificates, instruments and other documents as the Underwriter may reasonably request to evidence the truth and accuracy, as of the date hereof and as of the Closing Date, of the statements and information contained in the Preliminary Official Statement and the Official Statement, of the City's representations and warranties contained herein and the due performance or satisfaction by the City at or prior to the Closing of all agreements then to be performed and all conditions then to be satisfied by the City

and the District in connection with the transactions contemplated hereby and by the Official Statement;

(12) G-17 letter from the Underwriter acknowledged by the City;

(13) A letter of Jones Hall, as disclosure counsel to the City ("Disclosure Counsel"), addressed to the Underwriter and the City, to the effect that nothing has come to such counsel's attention that would lead them to believe that the Official Statement, as of its date and as of the Closing Date (but excluding therefrom the appendices thereto, financial statements and statistical data, and information regarding The Depository Trust Company and its book-entry system, as to which no opinion need be expressed), contains an untrue statement of a material fact or omits to state a material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading;

(14) A certificate from Seevers Jordan Ziegenmeyer (the "Appraiser") consenting to the inclusion of their appraisal report (the "Appraisal") in the Preliminary Official Statement and the Final Official Statement and certifying that (i) the information in the Official Statement relating to the Appraisal does not contain an untrue statement of a material fact or omit to state a material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading and (ii) since the date of the Appraisal they are not aware of any facts that would materially affect the conclusions of value set forth therein.

If the City shall be unable to satisfy the conditions to the obligations of the Underwriter to purchase, accept delivery of and pay for the Bonds contained in this Purchase Agreement, or if the obligations of the Underwriter to purchase, accept delivery of and pay for the Bonds shall be terminated for any reason permitted by this Purchase Agreement, this Purchase Agreement shall terminate and neither the Underwriter nor the City shall be under any further obligation hereunder, except that the respective obligations of the City and the Underwriter set forth in Section 5, Section 6 and Section 8 hereof shall continue in full force and effect.

4. Conditions of the City's Obligations. The City's obligations hereunder are subject to the Underwriter's performance of its obligations hereunder, and are also subject to the following conditions:

(a) As of the Closing Date, no litigation shall be pending or, to the knowledge of the duly authorized officer of the City executing the certificate referred to in Section 3(d)(6) hereof, threatened, to restrain or enjoin the issuance or sale of the Bonds or in any way affecting any authority for or the validity of the Bonds, the Formation Documents, the District Documents or the existence or powers of the City or the District; and

(b) As of the Closing Date, the City shall receive the approving opinion of Bond Counsel referred to in Section 3(d)(3) hereof, dated as of the Closing Date.

5. Expenses. Whether or not the Bonds are delivered to the Underwriter as set forth herein:

(a) The Underwriter shall be under no obligation to pay, and the City shall pay or cause to be paid (out of any legally available funds of the District) all expenses incident to the performance of the City's obligations hereunder, including, but not limited to, the cost of printing,

engraving and delivering the Bonds to the Underwriter, the cost of preparation, printing, distribution and delivery of the Fiscal Agent Agreement, the Preliminary Official Statement, the Official Statement and all other agreements and documents contemplated hereby (and drafts of any thereof) in such reasonable quantities as requested by the Underwriter; and the fees and disbursements of the Financial Advisor, the Special Tax Consultant, the Fiscal Agent, Bond Counsel, Disclosure Counsel and Digital Assurance Certification LLC and any accountants, engineers or any other experts or consultants the City has retained in connection with the Bonds; and

(b) The City shall be under no obligation to pay, and the Underwriter shall pay, any fees of the California Debt and Investment Advisory Commission, the cost of preparation of any "blue sky" or legal investment memoranda and this Purchase Agreement; expenses to qualify the Bonds for sale under any "blue sky" or other state securities laws; and all other expenses incurred by the Underwriter in connection with its public offering and distribution of the Bonds (except those specifically enumerated in paragraph (a) of this section), including the fees and disbursements of its counsel and any advertising expenses.

Notices. Any notice or other communication to be given to the City under this Purchase Agreement may be given by delivering the same in writing to the City at 311 Vernon Street, Roseville, California 95678, Attention: City Manager; and any notice or other communication to be given to the Underwriter under this Purchase Agreement may be given by delivering the same in writing to Piper Jaffray & Co., Incorporated, 8880 Cal Center Drive, Suite 400 Sacramento, CA 95826, Attention: Dennis McGuire.

6. Parties in Interest. This Purchase Agreement is made solely for the benefit of the City, the District and the Underwriters (including their successors or assigns), and no other person shall acquire or have any right hereunder or by virtue hereof.

7. Survival of Representations and Warranties. The representations and warranties of the City set forth in or made pursuant to this Purchase Agreement shall not be deemed to have been discharged, satisfied or otherwise rendered void by reason of the Closing or termination of this Purchase Agreement and regardless of any investigations made by or on behalf of the Underwriters (or statements as to the results of such investigations) concerning such representations and statements of the City and regardless of delivery of and payment for the Bonds.

8. Effective. This Purchase Agreement shall become effective and binding upon the respective parties hereto upon the execution of the acceptance hereof by the City and shall be valid and enforceable as of the time of such acceptance.

9. No Prior Agreements. This Purchase Agreement supersedes and replaces all prior negotiations, agreements and understandings between the parties hereto in relation to the sale of Bonds for the City.

10. Governing Law. This Purchase Agreement shall be governed by the laws of the State applicable to contracts made and performed in the State.

11. Counterparts. This Purchase Agreement may be executed simultaneously in several counterparts, each of which shall be an original and all of which shall constitute one and the same instrument.

Very truly yours,

PIPER JAFFRAY & CO., as Underwriter

RULE 15c2-12 CERTIFICATE

The undersigned hereby certifies and represents that he is the Finance Director of the City of Roseville, California (the "City"), and, as such, is duly authorized to execute and deliver this certificate and further hereby certifies that:

(1) this certificate is being delivered in connection with the sale and issuance of the City of Roseville The Fountains Community Facilities District No. 1 (Public Facilities) Special Tax Refunding Bonds, Series 2016 (the "Bonds") in order to enable the underwriter of the Bonds to comply with Rule 15c2-12 promulgated under the Securities and Exchange Act of 1934, as amended (the "Rule");

(2) in connection with the sale and issuance of the Bonds, there has been prepared a Preliminary Official Statement dated _____, 2016 setting forth information concerning the Bonds and the City of Roseville The Fountains Community Facilities District No. 1 (Public Facilities) (the "Preliminary Official Statement"); and

(3) except for the Permitted Omissions, the Preliminary Official Statement is deemed final within the meaning of the Rule. As used herein, the term "Permitted Omissions" refers to the offering price(s), interest rates(s), selling compensation, aggregate principal amount, principal amount per maturity, delivery dates, ratings and other terms of the Bonds depending on such matters, all as set forth in the Rule.

IN WITNESS WHEREOF, I have hereunto set my hand as of _____, 2016.

CITY OF ROSEVILLE, CALIFORNIA

Its: Finance Director

PRELIMINARY OFFICIAL STATEMENT DATED _____, 2016**NEW ISSUE-FULL BOOK ENTRY****NOT RATED**

In the opinion of Jones Hall, A Professional Law Corporation, San Francisco, California, Bond Counsel, subject, however to certain qualifications described herein, under existing law, the interest on the Bonds is excluded from gross income for federal income tax purposes and such interest is not an item of tax preference for purposes of the federal alternative minimum tax imposed on individuals and corporations, although for the purpose of computing the alternative minimum tax imposed on certain corporations, such interest is taken into account in determining certain income and earnings. In the further opinion of Bond Counsel, such interest is exempt from California personal income taxes. See "TAX MATTERS."

\$ _____ *

CITY OF ROSEVILLE
THE FOUNTAINS COMMUNITY FACILITIES DISTRICT NO. 1 (PUBLIC FACILITIES)
SPECIAL TAX REFUNDING BONDS
SERIES 2016

Dated: Date of Delivery

Due: September 1, as shown below

The City of Roseville (the "City") is issuing the above-captioned bonds (the "Bonds") for its The Fountains Community Facilities District No. 1 (Public Facilities) (the "District") under the Mello-Roos Community Facilities Act of 1982 (the "Act"), the Resolution of Issuance (as defined herein), and a Fiscal Agent Agreement, dated as of _____ 1, 2016 (the "Fiscal Agent Agreement"), by and between the City and The Bank of New York Mellon Trust Company, N.A., as fiscal agent (the "Fiscal Agent"). See "THE BONDS – Authority for Issuance."

The Bonds are issued to (i) refund the District's outstanding City of Roseville The Fountains Community Facilities District No. 1 (Public Facilities) Special Tax Refunding Bonds, Series 2008; (ii) establish a debt service reserve fund for the Bonds; and (iii) pay the costs of issuing the Bonds. See "FINANCING PLAN."

The Bonds are payable the proceeds of Special Tax Revenues (as defined herein) levied on property within the District according to the rate and method of apportionment of special tax for the District. The Bonds are secured by a first pledge of the Special Tax Revenues and the moneys on deposit in certain funds held by the Fiscal Agent under the Fiscal Agent Agreement. No additional bonds, other than possible refunding bonds, will be issued for the District. **Unpaid Special Taxes do not constitute a personal indebtedness of the owners of the parcels within the District. In the event of delinquency, proceedings may be conducted only against the parcel of real property securing the delinquent Special Tax. There is no assurance the owners will be able to pay the Special Tax or that they will pay a Special Tax even though financially able to do so.** See "SECURITY AND SOURCES OF PAYMENT FOR THE BONDS."

The District consists of two contiguous assessor's parcels (APNs 363-011-087 and -088) that comprise "The Fountains at Roseville" shopping center, which is located at 1175 Roseville Parkway, at the southwest corner of the Galleria Boulevard/Roseville Parkway Intersection in the City. The land area totals approximately 30 acres. "The Fountains at Roseville" is a multi-building open air lifestyle shopping center containing approximately 319,823 square feet of rentable area in 15 buildings. The center is anchored by Whole Foods Market, with the remaining space consisting of free standing restaurants such as Dave & Buster's, Yard House, McCormick & Schmick's and California Pizza Kitchen; junior anchors, such as DSW Shoe Warehouse, West Elm and Pet Food Express; in-line restaurant space; in-line retail space; and office space.

Currently, all of the land in the District is currently owned by The Roseville Fountains, L.P., a California limited partnership, (the "Owner") of which Peter P. Bollinger Investment Company, a California limited partnership ("Bollinger Investment") is a limited partner and Folsom Central, LLC, a California limited liability company ("Folsom Central"), is a general and limited partner. The Owner is a single purpose entity that was formed for the purpose of developing and owning the property within the District. The Owner is assisted in its management of the property by Inter-Cal Real Estate, a California corporation ("Inter-Cal"), a management and leasing company which is solely owned by Peter P. Bollinger. The Owner, Folsom Central and Inter-Cal are all related entities and affiliates of Bollinger Investment, which is controlled by Peter P. Bollinger and specializing in the development and management of shopping center developments.

Interest on the Bonds is payable on September 1, 2016, and semiannually thereafter on each March 1 and September 1. The Bonds will be issued in denominations of \$5,000 or integral multiples of \$5,000. The Bonds, when delivered, will be initially registered in the name of Cede & Co., as nominee of The Depository Trust Company ("DTC"), New York, New York. DTC will act as securities depository for the Bonds. See "THE BONDS – Description of the Bonds" and "APPENDIX F – DTC and the Book-Entry Only System."

The Bonds are subject to optional redemption, mandatory sinking fund redemption and special mandatory redemption from prepaid Special Taxes. See "THE BONDS – Redemption."

NEITHER THE FAITH AND CREDIT NOR THE TAXING POWER OF THE CITY, THE COUNTY OF PLACER, THE STATE OF CALIFORNIA OR ANY POLITICAL SUBDIVISION THEREOF IS PLEDGED TO THE PAYMENT OF THE BONDS. THE BONDS DO NOT CONSTITUTE A DEBT OF THE CITY IN CONTRAVENTION OF ANY STATUTORY OR CONSTITUTIONAL DEBT LIMITATION. THE INFORMATION SET FORTH IN THIS OFFICIAL STATEMENT, INCLUDING INFORMATION UNDER THE HEADING "SPECIAL RISK FACTORS," SHOULD BE READ IN ITS ENTIRETY.

This cover page contains certain information for quick reference only. It is not a summary of essential information about the Bonds. Potential investors should read this entire Official Statement to obtain information essential for making an informed investment decision. Investment in the Bonds involves risks that may not be appropriate for some investors. See "SPECIAL RISK FACTORS" for a discussion of special risk factors that should be considered in evaluating the investment quality of the Bonds.

The Bonds are offered when, as and if issued by the City and accepted by the Underwriter, subject to approval as to their legality by Jones Hall, A Professional Law Corporation, San Francisco, California, Bond Counsel, and subject to certain other conditions. Jones Hall, A

Professional Law Corporation, has also served as disclosure counsel to the City. Certain matters will be passed upon for the City by the City Attorney, and for the Underwriter by Nossaman LLP, Irvine, CA. It is anticipated that the Bonds, in book-entry form, will be available for delivery through the facilities of DTC on or about _____, 2016.

GENERAL INFORMATION ABOUT THIS OFFICIAL STATEMENT

Use of Official Statement. This Official Statement is submitted in connection with the sale of the Bonds referred to herein and may not be reproduced or used, in whole or in part, for any other purpose. This Official Statement is not to be construed as a contract with the purchasers of the Bonds. Statements contained in this Official Statement which involve estimates, forecasts or matters of opinion, whether or not expressly so described herein, are intended solely as such and are not to be construed as a representation of facts.

Estimates and Forecasts. When used in this Official Statement and in any continuing disclosure by the District or the City, in any press release and in any oral statement made with the approval of an authorized officer of the District or the City, the words or phrases “will likely result,” “are expected to,” “will continue,” “is anticipated,” “estimate,” “project,” “forecast,” “expect,” “intend” and similar expressions may identify “forward looking statements.” Such statements are subject to risks and uncertainties that could cause actual results to differ materially from those contemplated in such forward-looking statements. Any forecast is subject to such uncertainties. Inevitably, some assumptions used to develop the forecasts will not be realized and unanticipated events and circumstances may occur. Therefore, there are likely to be differences between forecasts and actual results, and those differences may be material. The information and expressions of opinion herein are subject to change without notice, and neither the delivery of this Official Statement nor any sale made hereunder shall, under any circumstances, give rise to any implication that there has been no change in the affairs of the District or the City since the date hereof.

Limit of Offering. No dealer, broker, salesperson or other person has been authorized by the City or the Underwriter to give any information or to make any representations other than those contained herein and, if given or made, such other information or representation must not be relied upon as having been authorized by any of the foregoing. This Official Statement does not constitute an offer to sell or the solicitation of an offer to buy nor shall there be any sale of the Bonds by a person in any jurisdiction in which it is unlawful for such person to make such an offer, solicitation or sale.

Involvement of Underwriter. The Underwriter has reviewed the information in this Official Statement in accordance with, and as a part of, its responsibilities to investors under the federal securities laws as applied to the facts and circumstances of this transaction, but the Underwriter does not guarantee the accuracy or completeness of such information. The information and expressions of opinions herein are subject to change without notice and neither delivery of this Official Statement nor any sale made hereunder shall, under any circumstances, create any implication that there has been no change in the affairs of the City or the District since the date hereof. All summaries of the Fiscal Agent Agreement or other documents referred to in this Official Statement, are made subject to the provisions of such documents, respectively, and do not purport to be complete statements of any or all of such provisions.

IN CONNECTION WITH THIS OFFERING, THE UNDERWRITER MAY OVERALLOT OR EFFECT TRANSACTIONS WHICH STABILIZE OR MAINTAIN THE MARKET PRICE OF THE BONDS OFFERED HEREBY AT A LEVEL ABOVE THAT WHICH MIGHT OTHERWISE PREVAIL IN THE OPEN MARKET. SUCH STABILIZING, IF COMMENCED, MAY BE DISCONTINUED AT ANY TIME. THE UNDERWRITER MAY OFFER AND SELL THE BONDS TO CERTAIN DEALERS, INSTITUTIONAL INVESTORS AND OTHERS AT PRICES LOWER THAN THE PUBLIC OFFERING PRICE STATED ON THE COVER PAGE HEREOF AND SAID PUBLIC OFFERING PRICE MAY BE CHANGED FROM TIME TO TIME BY THE UNDERWRITER.

THE BONDS HAVE NOT BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933, AS AMENDED, IN RELIANCE UPON AN EXCEPTION FROM THE REGISTRATION REQUIREMENTS CONTAINED IN SUCH ACT. THE BONDS HAVE NOT BEEN REGISTERED OR QUALIFIED UNDER THE SECURITIES LAWS OF ANY STATE.

The City maintains an Internet website, but the information on that website is not incorporated in this Official Statement.

OFFICIAL STATEMENT

\$ _____ *

CITY OF ROSEVILLE
THE FOUNTAINS COMMUNITY FACILITIES DISTRICT NO. 1 (PUBLIC FACILITIES)
SPECIAL TAX REFUNDING BONDS, SERIES 2016

This Official Statement, including the cover page, inside cover and attached appendices, is provided to furnish information regarding the bonds captioned above (the “**Bonds**”) to be issued by the City of Roseville (the “**City**”) on behalf of its The Fountains Community Facilities District No. 1 (Public Facilities) (the “**District**”).

Any statements made in this Official Statement involving matters of opinion or of estimates, whether or not so expressly stated, are set forth as such and not as representations of fact, and no representation is made that any of the estimates will be realized. Definitions of certain terms used herein and not defined herein have the meaning set forth in the Fiscal Agent Agreement. Certain definitions and provisions of the Fiscal Agent Agreement not otherwise defined or summarized herein are set forth in “APPENDIX G – Summary of Certain Provisions of Fiscal Agent Agreement.”

INTRODUCTION

This introduction is not a summary of the entire Official Statement. It is only a brief description of and guide to, and is qualified by, more complete and detailed information contained throughout the Official Statement, including the cover page, inside cover and attached appendices, and documents summarized or described in this Official Statement. A full review should be made of the entire Official Statement. The offering of the Bonds to potential investors is made only by means of the entire Official Statement.

Authority for Issuance of the Bonds. The Bonds are issued pursuant to the provisions of the Mello-Roos Community Facilities Act of 1982, as amended (Sections 53311, *et seq.*, of the Government Code of the State of California) (the “**Act**”) and pursuant to a Fiscal Agent Agreement dated as of _____ 1, 2016 (the “**Fiscal Agent Agreement**”) between the City, for and on behalf of the District, and The Bank of New York Mellon Trust Company, N.A., as fiscal agent (the “**Fiscal Agent**”), and Resolution No. _____ (the “**Resolution of Issuance**”) adopted on _____, 2016 by the City Council of the City (the “**City Council**”). The authorized amount of bonds for the District was set by the qualified electors of the District at a maximum of \$11,500,000. Pursuant to the Fiscal Agent Agreement, the City will covenant not to issue any additional bonds on a parity basis with the Bonds, except for possible refunding bonds. See “THE BONDS – Authority for Issuance.”

Description of the Bonds. The Bonds will be issued in denominations of \$5,000 or any integral multiple of \$5,000. Interest is payable semiannually on each March 1 and September 1,

* Preliminary; subject to change.

commencing September 1, 2016. See “THE BONDS.” The Bonds will be initially issued only in book-entry form and registered to Cede & Co. as nominee of The Depository Trust Company, New York, New York (“DTC”), which will act as securities depository of the Bonds. Principal and interest (and premium, if any) on the Bonds is payable by the Fiscal Agent to DTC, which remits such payments to its Participants for subsequent distribution to the registered owners as shown on the Fiscal Agent’s books.

Purpose of the Bonds. Proceeds of the Bonds will be used primarily to refund, on an advance basis, all of the City’s outstanding “City of Roseville The Fountains Community Facilities District No. 1 (Public Facilities) Special Tax Refunding Bonds, Series 2008” (the “**2008 Bonds**”). Proceeds of the 2008 Bonds were used to finance infrastructure improvements in the District, all of which have been completed. Proceeds of the Bonds will also be used to establish a debt service reserve fund for the Bonds, and pay costs of issuance. See “FINANCING PLAN.”

Security and Sources of Payment for the Bonds. The City Council annually levies special taxes on the property in the District (the “**Special Taxes**”) in accordance with the First Amended Rate and Method of Apportionment for City of Roseville The Fountains Community Facilities District No. 1 (Public Facilities) (the “**Special Tax Formula**”), which is attached as APPENDIX A to this Official Statement. The Bonds are secured by and payable from a first pledge of the net proceeds of the Special Taxes, including interest and penalties levied and received thereon (as more particularly defined in the Fiscal Agent Agreement, the “**Special Tax Revenues**”), subject to the conditions contained in the Fiscal Agent Agreement. The Bonds will also be secured by certain funds and accounts established and held under the Fiscal Agent Agreement. In particular, a debt service reserve fund (the “**Reserve Fund**”) will be established in connection with the issuance of the Bonds in an amount equal to the Reserve Requirement (as defined herein). See “FINANCING PLAN – Estimated Sources and Uses of Funds” and “SECURITY AND SOURCES OF PAYMENT FOR THE BONDS.”

Pursuant to the Act, the Resolution of Formation (as defined herein), and the Fiscal Agent Agreement, so long as any Bonds are outstanding, the City will annually levy the Special Tax against all land within the District taxable under the Act in accordance with the proceedings for the authorization and issuance of the Bonds and to make provision for the collection of the Special Tax in amounts which will be sufficient to pay interest on, principal of and redemption premium (if any) on the Bonds as such becomes due and payable and to replenish the Reserve Fund (as defined herein) as necessary. See “SECURITY AND SOURCES OF PAYMENT FOR THE BONDS – Special Taxes” herein.

Unpaid Special Taxes do not constitute a personal indebtedness of the owner(s) of the parcels within the District. In the event of delinquency, proceedings may be conducted only against the real property on which the Special Tax is delinquent. The unpaid Special Taxes are not required to be paid upon sale of property within the District.

No Additional Bonds. The City has covenanted in the Fiscal Agent Agreement not to issue any additional special tax bonds for the District, except for refunding purposes. See “SECURITY AND SOURCES OF PAYMENT FOR THE BONDS – No Additional Bonds.”

Covenant to Foreclose. The City has covenanted in the Fiscal Agent Agreement to cause foreclosure proceedings to be commenced and prosecuted against certain parcels with delinquent installments of the Special Taxes. For a more detailed description of the foreclosure

covenant see “SECURITY AND SOURCES OF PAYMENT FOR THE BONDS – Delinquent Payments of Special Tax; Covenant for Superior Court Foreclosure.”

The City and the County. The City is located in central Placer County (the “**County**”) within the greater Sacramento region. It lies on the Highway 80 corridor between the City of Sacramento and the City of Auburn. For economic and demographic information regarding the area in and around the City, see APPENDIX B.

The District. The District consists of two contiguous assessor’s parcels (APNs 363-011-087 and -088) that comprise “The Fountains at Roseville” shopping center, which is located at 1175 Roseville Parkway, at the southwest corner of the Galleria Boulevard/Roseville Parkway Intersection in the City. The land area totals approximately 30 acres. “The Fountains at Roseville” is a multi-building open air lifestyle shopping center containing approximately 319,823 square feet of rentable area in 15 buildings. The center is anchored by Whole Foods Market, with the remaining space consisting of free standing restaurants such as Dave & Buster’s, Yard House, McCormick & Schmick’s and California Pizza Kitchen; junior anchors, such as DSW Shoe Warehouse, West Elm and Pet Food Express; in-line restaurant space; in-line retail space; and office space.

All of the land in the District is currently owned by The Roseville Fountains, L.P., a California limited partnership, (the “**Owner**”) of which Peter P. Bollinger Investment Company, a California limited partnership (“**Bollinger Investment**”) is a limited partner and Folsom Central, LLC, a California limited liability company (“**Folsom Central**”), is a general and limited partner. The Owner is a single purpose entity that was formed for the purpose of developing and owning the property within the District. The Owner is assisted in its management of the property by Inter-Cal Real Estate, a California corporation (“**Inter-Cal**”), a management and leasing company which is solely owned by Peter P. Bollinger. The Owner, Folsom Central and Inter-Cal are all related entities and affiliates of Bollinger Investment, which is controlled by Peter P. Bollinger and specializing in the development and management of shopping center developments.

Value Estimate of Property in the District and Debt Burden Ratios. In connection with valuing the property in the District, the City obtained the 2015-16 County assessed valuation of both parcels, which, in aggregate, totaled \$65,652,027. However, given recent development in the District and in order to provide a more accurate estimate of the value of land in the District, the City obtained an appraisal of both parcels. The aggregate appraised value of both parcels in the District, in aggregate, totaled \$125,850,000. See “SPECIAL TAX REVENUES AND VALUE OF PROPERTY WITHIN THE DISTRICT” and “APPENDIX C – The Appraisal.”

Based upon the \$125,850,000 appraised value of the land in the District and an estimated principal amount of Bonds of \$_____,* plus overlapping indebtedness of \$_____ for an total debt burden of \$_____, the value of property in the District is expected to be approximately _____ times the total debt burden on land in the District. See “SPECIAL TAX REVENUES AND VALUE OF PROPERTY WITHIN THE DISTRICT – Value to Special Tax Burden Ratios” herein.

Redemption of Bonds Before Maturity. The Bonds are subject to optional redemption, mandatory sinking fund redemption and special mandatory redemption from prepaid Special Taxes. See “THE BONDS – Redemption.”

* Preliminary; subject to change.

Risk Factors Associated with Purchasing the Bonds. Investment in the Bonds involves risks that may not be appropriate for some investors. See “SPECIAL RISK FACTORS” for a discussion of certain risk factors which should be considered, in addition to the other matters set forth in this Official Statement, in considering the investment quality of the Bonds.

Limited Obligation of the City. The general fund of the City is not liable and the full faith and credit of the City is not pledged for the payment of the interest on, or principal of or redemption premiums, if any, on the Bonds. The Bonds are not secured by a legal or equitable pledge of, or charge, lien or encumbrance upon, any property of the City or any of its income or receipts, except the money in the Special Tax Fund (described herein) established under the Fiscal Agent Agreement, and neither the payment of the interest on nor principal of or redemption premiums, if any, on the Bonds is a general debt, liability or obligation of the City. The Bonds do not constitute an indebtedness of the City within the meaning of any constitutional or statutory debt limitation or restrictions and neither the City Council, the City nor any officer or employee thereof is liable for the payment of the interest on or principal of or redemption premiums, if any, on the Bonds other than from the proceeds of the Special Taxes (described herein) and the money in the Special Tax Fund, as provided in the Fiscal Agent Agreement.

Summary of Information. Brief descriptions of certain provisions of the Fiscal Agent Agreement and certain other documents are included herein. The descriptions and summaries of documents herein do not purport to be comprehensive or definitive, and reference is made to each such document for the complete details of all its respective terms and conditions, copies of which are available for inspection at the office of the City. All statements herein with respect to certain rights and remedies are qualified by reference to laws and principles of equity relating to or affecting creditors’ rights generally. Capitalized terms used in this Official Statement and not otherwise defined herein have the meanings ascribed to such terms in the Fiscal Agent Agreement. The information and expressions of opinion herein speak only as of the date of this Official Statement and are subject to change without notice. Neither delivery of this Official Statement, any sale made hereunder, nor any future use of this Official Statement shall, under any circumstances, create any implication that there has been no change in the affairs of the City or the District since the date hereof.

Any statements made in this Official Statement involving matters of opinion or of estimates, whether or not so expressly stated, are set forth as such and not as representations of fact, and no representation is made that any of the estimates will be realized.

FINANCING PLAN

Refunding Plan

The City issued the 2008 Bonds in the original principal amount of \$11,200,000 for the purpose of financing a portion of the costs of acquiring and constructing certain public infrastructure improvements of benefit to property in the District (the “**Improvements**”). The Improvements consisted primarily of roadway, sewer, water, drainage and parks improvements. See “THE DISTRICT – The Improvements.”

The 2008 Bonds are currently outstanding in the aggregate principal amount of \$_____, all of which will be redeemed in full, on an advance basis, on September 1, 2018 (the “**Redemption Date**”), at a redemption price equal to 100% of the principal amount thereof, together with interest coming due and payable on the Redemption Date.

In order to accomplish the refunding plan, proceeds of the Bonds, together with certain other funds on hand with respect to the 2008 Bonds and the interest and earnings on certain federal securities to be purchased with such funds, in a total amount sufficient to pay interest and principal on the 2008 Bonds through the Redemption Date and to redeem the 2008 Bonds on the Redemption Date, will be transferred to The Bank of New York Mellon Trust Company, N.A., as escrow agent (the “**Escrow Bank**”), for deposit to an Escrow Fund (the “**Escrow Fund**”) to be established pursuant to an Escrow Agreement by and between the City and Escrow Bank.

The Escrow Bank will hold the amounts on deposit in the Escrow Fund in federal securities. These funds will be sufficient to pay and redeem the Prior Bonds in full on the Redemption Date. See “VERIFICATION OF MATHEMATICAL ACCURACY.”

Funds deposited with the Escrow Bank for purposes of paying and redeeming the 2008 Bonds are not pledged for, and will not be available for, the payment of debt service on the Bonds.

Estimated Sources and Uses of Funds

The estimated sources and uses of the proceeds of the Bonds is as follows:

Sources

Principal Amount of Bonds	\$
[Plus] [Less]: Original Issue [Premium][Discount]	
Plus: Funds Related to 2008 Bonds	
Total Sources	\$

Uses

Deposit to Escrow Fund ⁽¹⁾	\$
Deposit to Reserve Fund ⁽²⁾	
Costs of Issuance ⁽³⁾	
Total Uses	\$

(1) Will be used to defease and refund the 2008 Bonds. See “–Refunding Plan” above.

(2) Equal to the Reserve Requirement with respect to the Bonds as of their date of delivery.

(3) Includes, among other things, the fees and expenses of Bond Counsel and Disclosure Counsel, the Fiscal Agent, the Municipal Advisor, the Special Tax Consultant and the Verification Agent; Underwriter's discount; and the cost of printing the preliminary and final Official Statements.

THE BONDS

Authority for Issuance

The Bonds are issued pursuant to the Fiscal Agent Agreement, the Resolution of Issuance, and the Act.

On December 5, 2007, the City Council adopted Resolution No. 07-635 (the “**Resolution of Formation**”), which formed the District. The District was established and authorized to incur bonded indebtedness in an aggregate principal amount not to exceed \$11,500,000 at a special election in the District held on the same day. Under the provisions of the Act, since there were fewer than 12 registered voters residing within the District at a point during the 90-day period preceding the adoption of the Resolution of Formation, the qualified electors entitled to vote in the special election consisted solely of the Owner. The sole landowner in the District voted to incur the indebtedness and to approve the annual levy of Special Taxes to be collected within the District, for the purpose of paying for the Improvements, including repaying any indebtedness of the District, replenishing the Reserve Fund and paying the administrative expenses of the District. See “THE DISTRICT” herein.

The 2008 Bonds, issued in the amount of original principal amount of \$11,200,000, were the first and only series to be issued under the authorization. Pursuant to the Fiscal Agent Agreement, the City will covenant not to issue any additional bonds on a parity basis with the Bonds, except for possible refunding bonds.

Description of the Bonds

The Bonds are being issued as fully registered bonds, registered in the name of Cede & Co. as nominee of The Depository Trust Company, New York, New York (“**DTC**”), and will be available to ultimate purchasers in the denomination of \$5,000 or any integral multiple thereof, under the book-entry system maintained by DTC. Ultimate purchasers of Bonds will not receive physical certificates representing their interest in the Bonds. So long as the Bonds are registered in the name of Cede & Co., as nominee of DTC, references herein to the Owners will mean Cede & Co., and will not mean the ultimate purchasers of the Bonds.

Payments of the principal, premium, if any, and interest on the Bonds will be made directly to DTC, or its nominee, Cede & Co., so long as DTC or Cede & Co. is the registered owner of the Bonds. Disbursements of such payments to DTC’s participants is the responsibility of DTC, and disbursements of such payments to the Beneficial Owners is the responsibility of DTC’s participants and indirect participants, as more fully described in “APPENDIX F – DTC and the Book-Entry Only System.”

The Bonds will be dated as of, and bear interest from, the date of their delivery at the rates contained, and mature in the amounts and years shown on the inside cover page of this Official Statement.

The principal of, and any redemption premium due with respect to, the Bonds will be payable in lawful money of the United States of America at the principal corporate trust office of the Fiscal Agent in Los Angeles, California, or such other place as designated by the Fiscal Agent, upon presentation and surrender of the Bonds. Interest on the Bonds, computed on the basis of a 360-day year consisting of twelve 30-day months, will be paid in lawful money of the

United States of America semiannually on March 1 and September 1 of each year (each an “**Interest Payment Date**”), commencing September 1, 2016.

Interest on the Bonds (including the final interest payment upon maturity or earlier redemption) is payable by check of the Fiscal Agent mailed on each Interest Payment Date by first class mail to the registered Owner thereof at such registered Owner’s address as it appears on the registration books maintained by the Fiscal Agent at the close of business on the 15th day of the calendar month preceding the Interest Payment Date (the “**Record Date**”), or by wire transfer made on such Interest Payment Date upon written instructions received by the Fiscal Agent on or before the Record Date preceding the Interest Payment Date, of any Owner of \$1,000,000 or more in aggregate principal amount of Bonds; provided that so long as any Bonds are in book-entry form, payments with respect to such Bonds will be made by wire transfer, or such other method acceptable to the Fiscal Agent, to DTC. See “APPENDIX F – DTC and the Book-Entry Only System.”

Each Bond will bear interest from the Interest Payment Date next preceding the date of authentication thereof unless (i) it is authenticated on an Interest Payment Date, in which event it will bear interest from such date of authentication, or (ii) it is authenticated prior to an Interest Payment Date and after the close of business on the Record Date preceding such Interest Payment Date, in which event it will bear interest from such Interest Payment Date, or (iii) it is authenticated prior to the Record Date preceding the first Interest Payment Date, in which event it will bear interest from the dated date; provided, however, that if at the time of authentication of a Bond, interest is in default thereon, such Bond will bear interest from the Interest Payment Date to which interest has previously been paid or made available for payment thereon.

So long as the Bonds are registered in the name of Cede & Co., as nominee of DTC, payments of the principal, premium, if any, and interest on the Bonds will be made directly to DTC, or its nominee, Cede & Co. Disbursements of such payments to DTC’s participants is the responsibility of DTC and disbursements of such payments to the Beneficial Owners is the responsibility of DTC’s direct participants and indirect participants, as more fully described herein. See “APPENDIX F – DTC and the Book-Entry Only System.”

Redemption

Optional Redemption. The Bonds are subject to optional redemption from any source of available funds (other than prepayments of Special Taxes) prior to maturity, in whole, or in part among series and maturities as will be specified by the City and by lot within a maturity, on any Interest Payment Date on or after September 1, _____, at the following respective redemption prices (expressed as percentages of the principal amount of the Bonds to be redeemed), plus accrued interest thereon to the date of redemption:

Redemption Dates	Redemption Price
September 1, _____ and March 1, _____	103%
September 1, _____ and March 1, _____	102%
September 1, _____ and March 1, _____	101%
September 1, _____ and Interest Payment Dates thereafter	100%

Special Mandatory Redemption From Prepayments. The Bonds are subject to mandatory redemption from prepayments of the Special Tax by property owners, in whole or in part among series and maturities as will be specified by the City and by lot within a maturity, on September 1, 2016 and on any Interest Payment Date thereafter, at a redemption price equal to

the following respective redemption prices (expressed as percentages of the principal amount of the Bonds to be redeemed), plus accrued interest thereon to the date of redemption:

Redemption Dates	Redemption Price
September 1, _____ and March 1, _____	103%
September 1, _____ and March 1, _____	102%
September 1, _____ and March 1, _____	101%
September 1, _____ and Interest Payment Dates thereafter	100%

Mandatory Sinking Fund Redemption. The Bonds maturing September 1, _____ and September 1, _____ (the “Term Bonds”) are subject to mandatory sinking payment redemption in part on September 1, _____ and September 1, _____, respectively, and on each September 1 thereafter to maturity, by lot, at a redemption price equal to 100% of their principal amount to be redeemed, without premium, in the aggregate respective principal amounts as set forth in the following tables:

Term Bonds of _____ Mandatory	
Redemption Date (September 1)	Sinking Fund Payment

Term Bonds of _____ Mandatory	
Redemption Date (September 1)	Sinking Fund Payment

The amounts in the foregoing tables will be reduced pro rata, in order to maintain substantially level debt service, as a result of any prior partial optional redemption or special mandatory redemption from prepayments of the Term Bonds.

Purchase In Lieu of Redemption. In lieu of redemption, moneys in the Bond Fund may be used and withdrawn by the Fiscal Agent for purchase of Outstanding Bonds, upon the filing with the Fiscal Agent of an Officer’s Certificate requesting such purchase, at public or private sale as and when, and at such prices (including brokerage and other charges) as such Officer’s Certificate may provide, but in no event may Bonds be purchased at a price in excess of their principal amount, plus interest accrued to the date of purchase.

Redemption Procedure by Fiscal Agent. The Fiscal Agent will cause notice of any redemption to be mailed by first class mail, postage prepaid, or by customary electronic means, at least 30 days but not more than 60 days prior to the date fixed for redemption, to the respective registered Owners of any Bonds designated for redemption, at their addresses

appearing on the Bond registration books in the Principal Office of the Fiscal Agent; but such mailing will not be a condition precedent to such redemption and failure to mail or to receive any such notice, or any defect therein, will not affect the validity of the proceedings for the redemption of such Bonds.

The notice will state the redemption date and the redemption price and, if less than all of the then Outstanding Bonds are to be called for redemption, will designate the CUSIP numbers and Bond numbers of the Bonds to be redeemed by giving the individual CUSIP number and Bond number of each Bond to be redeemed or will state that all Bonds between two stated Bond numbers, both inclusive, are to be redeemed or that all of the Bonds of one or more maturities have been called for redemption, will state as to any Bond called in part the principal amount thereof to be redeemed, and will require that such Bonds be then surrendered at the Principal Office of the Fiscal Agent for redemption at the said redemption price, and will state that further interest on such Bonds will not accrue from and after the redemption date. Any notice of redemption may indicate that such redemption will be conditional upon the Fiscal Agent having sufficient moneys available on the date specified to cause the redemption to occur as provided in the notice.

Upon the payment of the redemption price of Bonds being redeemed, each check or other transfer of funds issued for such purpose will, to the extent practicable, bear the CUSIP number identifying, by issue and maturity, the Bonds being redeemed with the proceeds of such check or other transfer.

Whenever provision is made in the Fiscal Agent Agreement for the redemption of less than all of the Bonds of any maturity, the Fiscal Agent will select the Bonds to be redeemed, from all Bonds or such given portion thereof of such maturity by lot in any manner which the Fiscal Agent in its sole discretion will deem appropriate. Upon surrender of Bonds redeemed in part only, the City will execute and the Fiscal Agent will authenticate and deliver to the registered Owner a new Bond or Bonds, of the same series and maturity, of authorized denominations in aggregate principal amount equal to the unredeemed portion of the Bond or Bonds.

Right to Rescind. The City shall have the right to rescind any notice of prepayment delivered by the Fiscal Agent prior to the date fixed for prepayment.

Effect of Redemption. From and after the date fixed for redemption, if funds available for the payment of the principal of, and interest and any premium on, the Bonds so called for redemption will have been deposited in the Bond Fund, the Bonds so called will cease to be entitled to any benefit under the Fiscal Agent Agreement other than the right to receive payment of the redemption price, and no interest will accrue on the called Bonds on or after the redemption date specified in the notice.

Transfer or Exchange of Bonds

So long as the Bonds are registered in the name of Cede & Co., as nominee of DTC, transfers and exchanges of Bonds will be made in accordance with DTC procedures. See APPENDIX F. Any Bond may, in accordance with its terms, be transferred or exchanged by the person in whose name it is registered, in person or by his duly authorized attorney, upon surrender of such Bond for cancellation, accompanied by delivery of a duly written instrument of transfer in a form approved by the Fiscal Agent. Whenever any Bond(s) will be surrendered for transfer or exchange, the City will execute and the Fiscal Agent will authenticate and deliver a

new Bond(s), for a like aggregate principal amount of Bond(s) of authorized denominations and of the same maturity. The City will pay the cost for any services rendered or any expenses incurred by the Fiscal Agent in connection with any such transfer or exchange. The Fiscal Agent will collect from the Owner requesting such transfer any tax or other governmental charge required to be paid with respect to such transfer or exchange.

No transfers or exchanges of Bonds will be required to be made (i) within 15 days prior to the date established by the Fiscal Agent for selection of Bonds for redemption or (ii) with respect to a Bond after that Bond has been selected for redemption.

SECURITY AND SOURCES OF PAYMENT FOR THE BONDS

Special Taxes

A Special Tax applicable to each taxable parcel in the District will be levied and collected according to the tax liability determined by the City Council through the application of the Special Tax Formula for all taxable properties in the District, which is attached hereto as APPENDIX A. Interest and principal on the Bonds is payable from the annual Special Taxes to be levied and collected on taxable property within the District, from amounts held in the funds and accounts established under the Fiscal Agent Agreement and from the proceeds, if any, from the sale of such property for delinquency of such Special Taxes.

The Special Taxes are exempt from the property tax limitation of Article XIII A of the California Constitution, pursuant to Section 4 thereof as a “special tax” authorized by a two-thirds vote of the qualified electors. The levy of the Special Taxes was authorized by the City pursuant to the Act in an amount determined according to the Special Tax Formula approved by the City. See “Special Tax Methodology” below and “APPENDIX A – Rate and Method of Apportionment of Special Tax.”

The amount of Special Taxes that the District may levy in any year, and from which principal and interest on the Bonds is to be paid, is strictly limited by the maximum rates approved by the qualified electors within the District which are set forth as the annual “**Maximum Special Tax**” in the Special Tax Formula. Under the Special Tax Formula, Special Taxes for the purpose of making payments on the Bonds will be levied annually in an amount, not in excess of the annual Maximum Special Tax. The Special Taxes and any interest earned on the Special Taxes constitute a trust fund for the principal of and interest on the Bonds pursuant to the Fiscal Agent Agreement and, so long as the principal of and interest on these obligations remains unpaid, the Special Taxes and investment earnings thereon will not be used for any other purpose, except as permitted by the Fiscal Agent Agreement, and will be held in trust for the benefit of the owners thereof and will be applied pursuant to the Fiscal Agent Agreement. The Special Tax Formula apportions the Special Tax Requirement (as defined in the Special Tax Formula and described below) among the taxable parcels of real property within the District according to the rate and methodology set forth in the Special Tax Formula. See “Special Tax Methodology” below. See also “APPENDIX A – Rate and Method of Apportionment of Special Tax.”

The City may annually levy the Special Tax in an amount up to the annual Maximum Special Tax rate, which has been authorized by the qualified electors within the District, as set forth in the Special Tax Formula, if conditions so require. The City has covenanted to annually levy the Special Taxes in an amount at least sufficient to pay the Special Tax Requirement (as defined below). Because each Special Tax levy is limited to the annual Maximum Special Tax rates authorized as set forth in the Special Tax Formula, no assurance can be given that, in the event of Special Tax delinquencies, the amount of the Special Tax Requirement will in fact be collected in any given year. See “SPECIAL RISK FACTORS – Tax Delinquencies” herein. The Special Taxes are collected for the City by the County of Placer in the same manner and at the same time as *ad valorem* property taxes.

Special Tax Methodology

The Special Tax authorized under the Act applicable to land within the District will be levied and collected according to the tax liability determined by the City through the application

of the appropriate amount or rate as described in the Special Tax Formula set forth in APPENDIX A. Capitalized terms set forth in this section and not otherwise defined have the meanings set forth in the Special Tax Formula.

Determination of the Special Tax Requirement. Each year, the City will determine the annual Special Tax Requirement of the District for the upcoming fiscal year. The “**Special Tax Requirement**” is defined in the Special Tax Formula as the amount necessary in any Fiscal Year (i) to pay principal and interest on Bonds, (ii) to create or replenish reserve funds, (iii) to pay Administrative Expenses, (iv) to cure any delinquencies in the payment of principal or interest on indebtedness of the District that have occurred in the prior Fiscal Year or (based on delinquencies in the payment of Special Taxes that have already taken place) are expected to occur in the Fiscal Year in which the tax will be collected, and (v) to pay construction expenses to be funded directly from Special Tax proceeds. The amounts referred to in clauses (i) and (ii) of the preceding sentence may be reduced in any Fiscal Year by: (i) interest earnings on or surplus balances in funds and accounts for the Bonds to the extent that such earnings or balances are available to apply against debt service pursuant to an indenture, resolution, or other legal document that sets forth these terms; (ii) proceeds received by the District from the collection of penalties associated with delinquent Special Taxes; and (iii) any other revenues available to pay debt service on the Bonds as determined by the Administrator.

The Special Tax Requirement is the basis for the amount of Special Tax to be levied within the District to pay the Bonds. In no event may the City levy a Special Tax in any year above the Maximum Special Tax identified for each parcel in the Special Tax Formula.

Original Parcel and Initial Maximum Special Tax. At the time of the formation of the District, Assessor’s Parcel number 363-010-006 (the “**Original Parcel**”) was the sole property located within the District subject to the Special Tax. The Original Parcel is subject to The Initial Maximum Special Tax for Fiscal Year 2007-08 established by the Special Tax Formula to be \$827,678. Beginning in Fiscal Year 2008-09, and each Fiscal Year thereafter (but subject to the following paragraph), the Maximum Special Tax for each Parcel in the District is adjusted by the Annual Special Tax Escalation Factor which is an amount equal to 2% of the Maximum Special Tax in effect in the prior Fiscal Year.

Reduction of Maximum Special Tax Due to “Final Bond Sale”. The Special Tax Formula provides that after the Final Bond Sale (described as the last series of bonds issued for the District, which issuance shall generally use up the remaining capacity available from the Maximum Special Tax revenues that can be generated within the District), the Maximum Special Tax for each Assessor’s Parcel of Taxable Property shall be reduced proportionately until the total Maximum Special Tax that can be levied within the District is equal to the amount required to maintain the debt service coverage requirements set forth in the applicable Bond documents, including an amount to pay Administrative Expenses, as determined by the City. In connection with the issuance of the Bonds, the City is covenanting not to issue any additional bonds on a parity basis except for refunding purposes. Accordingly, the City has determined that the sale of the Bonds will be the Final Bond Sale for purposes of the Special Tax Formula, and the Maximum Special Tax for each Parcel for 2015-16 will be reduced to an amount equal to 110% of the initial debt service on the Bonds. The 2% escalation of the Maximum Special Tax continues to be applicable.

Annual Special Tax Levy. Each Fiscal Year, the Administrator will determine the Special Tax Requirement for that Fiscal Year and the Special Tax will be levied proportionately on each Parcel of Taxable Property that is not Taxable Public Property within the District up to

100% of the Maximum Special Tax for each Parcel for such Fiscal Year until the amount levied is equal to the Special Tax Requirement. If additional revenue is needed, the Special Tax will be levied proportionately on each Assessor's Parcel of Taxable Public Property, up to 100% of the Maximum Special Tax assigned to each Parcel.

Termination of the Special Tax. The Special Tax will be levied and collected until the principal and interest on the Bonds have been repaid, costs of constructing or acquiring the authorized District-funded facilities from Special Tax proceeds have been paid and all Administrative Expenses have been reimbursed.

Prepayment of the Special Tax. The Special Tax Formula provides that landowners may partially or fully satisfy future Special Tax payments by reaching a cash settlement with the City, subject to the conditions set forth in the Special Tax Formula. See "APPENDIX A – Rate and Method of Apportionment of Special Tax."

Levy of Annual Special Tax; Maximum Special Tax

The annual Special Tax will be calculated by the City and levied to provide money for debt service on the Bonds, replenishment of the Reserve Fund, anticipated Special Tax delinquencies, and administration of the District. In no event may the City levy a Special Tax in any year above the Maximum Special Tax identified for each parcel in the Special Tax Formula. See "APPENDIX A – Rate and Method of Apportionment of Special Tax."

The Special Tax will be levied in an amount at least equal to the annual Special Tax Requirement as described in the Special Tax Formula and may be levied in an amount up to the maximum rates. The Maximum Special Tax rates for both parcels in District, in the aggregate, for Fiscal Year 2015-16 was \$969,757. See "SECURITY AND SOURCES OF PAYMENT FOR THE BONDS – Special Tax Methodology" above. See "APPENDIX A – Rate and Method of Apportionment of Special Tax" for a copy of the Special Tax Formula.

Special Tax Fund

When received, the Special Taxes are required under the Fiscal Agent Agreement to be deposited into a Special Tax Fund to be held by the City in trust for the benefit of the City and the Owners of the Bonds. Within the Special Tax Fund, the City will establish and maintain two accounts, (i) the Debt Service Account, to the credit of which the City will deposit, immediately upon receipt, all Special Tax revenue, and (ii) the Surplus Account, to the credit of which the City will deposit surplus Special Tax Revenue, if any, as described below. Moneys in the Special Tax Fund will be disbursed as provided below and, pending any disbursement, will be subject to a lien in favor of the Owners of the Bonds.

All Special Tax Revenue will be deposited in the Debt Service Account upon receipt. No later than 10 Business Days prior to each Interest Payment Date, the City will withdraw from the Debt Service Account of the Special Tax Fund and transfer (i) to the Fiscal Agent for deposit in the Reserve Fund, an amount which when added to the amount then on deposit therein is equal to the Reserve Requirement, and (ii) to the Fiscal Agent for deposit in the Bond Fund an amount, taking into account any amounts then on deposit in the Bond Fund, such that the amount in the Bond Fund equals the principal, premium, if any, and interest due on the Bonds on the next Interest Payment Date. At such time as deposits to the Debt Service Account equal the principal, premium if any, and interest becoming due on the Bonds for the current Bond Year and the amount needed to restore the Reserve Fund balance to the Reserve Requirement, the

amount in the Debt Service Account in excess of such amount may, at the discretion of the City, be transferred to the Surplus Account, which will occur on or after September 15th of each year. From time to time, the City may withdraw from the Surplus Account of the Special Tax Fund amounts needed to pay the City's administrative expenses and County fees; provided that such transfers will not be in excess of the portion of the Special Tax Revenues collected by the City that represent levies for administrative expenses. Moneys in the Surplus Account may also, at the City's discretion be used to pay the principal of, premium, if any, and interest on the Bonds or to replenish the Reserve Fund to the amount of the Reserve Requirement.

Deposit and Use of Proceeds of Bonds

The Bonds are additionally secured by amounts generated from proceeds of the Bonds, together with interest earnings thereon pledged under the Fiscal Agent Agreement. *Proceeds of the Bonds sufficient to redeem the 2008 Bonds in full on the Redemption Date will be paid to the Escrow Bank, and not available to pay debt service on the Bonds.* See "FINANCING PLAN." The remaining proceeds of the Bonds will be paid to the Fiscal Agent, who will deposit such proceeds in the Reserve Fund and Costs of Issuance Fund established under the Fiscal Agent Agreement. The Fiscal Agent Agreement includes direction on the use of the moneys, including investment earnings thereon, in the various funds established under the Fiscal Agent Agreement. See "–Reserve Fund" below.

Delinquent Payments of Special Tax; Covenant for Superior Court Foreclosure

The Special Tax will be collected in the same manner and the same time as *ad valorem* property taxes, except at the City's option, the Special Taxes may be billed directly to property owners. In the event of a delinquency in the payment of any installment of Special Taxes, the City is authorized by the Act to order institution of an action in superior court to foreclose the lien therefor.

The City has covenanted in the Fiscal Agent Agreement with and for the benefit of the Owners of the Bonds that it will annually on or before September 1 of each year review the public records of the County of Placer relating to the collection of the Special Tax in order to determine the amount of the Special Tax collected in the prior fiscal year, and if the City determines on the basis of such review that the amount so collected is less than the amount levied, it will within 30 days thereafter institute foreclosure proceedings as authorized by the Act in order to enforce the lien of the delinquent installment of the Special Tax against each separate lot or parcel of land in the District for which such installment of the Special Tax is delinquent, and will diligently prosecute and pursue such foreclosure proceedings to judgment and sale.

Under the Act, foreclosure proceedings are instituted by the bringing of an action in the superior court of the county in which the parcel lies, naming the owner and other interested persons as defendants. The action is prosecuted in the same manner as other civil actions. In such action, the real property subject to the special taxes may be sold at a judicial foreclosure sale for a minimum price which will be sufficient to pay or reimburse the delinquent special taxes.

The owners of the Bonds benefit from the Reserve Fund established pursuant to the Fiscal Agent Agreement; however, if delinquencies in the payment of the Special Taxes with respect to the Bonds are significant enough to completely deplete the Reserve Fund, there could be a default or a delay in payments of principal and interest to the owners of the Bonds

pending prosecution of foreclosure proceedings and receipt by the City of the proceeds of foreclosure sales. Provided that it is not levying the Special Tax at the annual Maximum Special Tax rates set forth in the Special Tax Formula, the City may adjust (but not to exceed the annual Maximum Special Tax) the Special Taxes levied on all property within the District subject to the Special Tax to provide an amount required to pay debt service on the Bonds and to replenish the Reserve Fund.

Under current law, a judgment debtor (property owner) has at least 140 days from the date of service of the notice of levy in which to redeem the property to be sold. If a judgment debtor fails to redeem and the property is sold, his or her only remedy is an action to set aside the sale, which must be brought within 90 days of the date of sale. If, as a result of such an action a foreclosure sale is set aside, the judgment is revived and the judgment creditor is entitled to interest on the revived judgment as if the sale had not been made (California Code of Civil Procedure Section 701.680).

Foreclosure by court action is subject to normal litigation delays, the nature and extent of which are largely dependent upon the nature of the defense, if any, put forth by the debtor and the condition of the calendar of the superior court of the county. Such foreclosure actions can be stayed by the superior court on generally accepted equitable grounds or as the result of the debtor's filing for relief under the Federal bankruptcy laws. The Act provides that, upon foreclosure, the Special Tax lien will have the same lien priority as is provided for *ad valorem* taxes and special assessments.

No assurances can be given that the real property subject to a judicial foreclosure sale will be sold or, if sold, that the proceeds of sale will be sufficient to pay any delinquent Special Tax installment. The Act does not require the District to purchase or otherwise acquire any lot or parcel of property foreclosed upon if there is no other purchaser at such sale.

Section 53356.6 of the Act requires that property sold pursuant to foreclosure under the Act be sold for not less than the amount of judgment in the foreclosure action, plus post-judgment interest and authorized costs, unless the consent of the owners of 75% of the outstanding Bonds is obtained. However, under Section 53356.6 of the Act, the District, as judgment creditor, is entitled to purchase any property sold at foreclosure using a "credit bid," where the District could submit a bid crediting all or part of the amount required to satisfy the judgment for the delinquent amount of the Special Tax. If the District becomes the purchaser under a credit bid, the District must pay the amount of its credit bid into the redemption fund established for the Bonds, but this payment may be made up to 24 months after the date of the foreclosure sale.

Reserve Fund

A Reserve Fund (the “**Reserve Fund**”) for the Bonds will be established under the Fiscal Agent Agreement, to be held by the Fiscal Agent. Upon delivery of the Bonds, the amount on deposit in the Reserve Fund will be established by depositing certain proceeds of the Bonds in the amount of the “**Reserve Requirement**” for the Bonds, which is the lesser of 10% of the original principal amount of the Bonds, 100% of maximum annual debt service on the Bonds, or 125% of average annual debt service on the Bonds. The City is required to maintain an amount of money or other security equal to the Reserve Requirement in the Reserve Fund at all times that the Bonds are outstanding. All amounts deposited in the Reserve Fund will be used and withdrawn by the Fiscal Agent solely for the purpose of making transfers to the Bond Fund in the event of any deficiency at any time in the Bond Fund of the amount then required for payment of the principal of, and interest on, the Bonds. Whenever transfer is made from the Reserve Fund to the Bond Fund due to a deficiency in the Bond Fund, the Fiscal Agent will provide written notice thereof to the City.

Whenever, on the Business Day prior to any Interest Payment Date, the amount in the Reserve Fund exceeds the then applicable Reserve Requirement, the Fiscal Agent will transfer an amount equal to the excess from the Reserve Fund to the Bond Fund as provided below, except that investment earnings on amounts in the Reserve Fund may be withdrawn from the Reserve Fund for purposes of making payment to the Federal government to comply with rebate requirements.

The City has the right at any time to cause the Fiscal Agent to release funds from the Reserve Fund, in whole or in part, by tendering to the Fiscal Agent an irrevocable standby or direct-pay letter of credit or surety bond issued by a commercial bank or insurance company (a “**Qualified Reserve Fund Credit Instrument**”), provided certain conditions are met, including that the long-term credit rating of such bank or insurance company is rated in a “AA” rating category or higher by S&P or Moody’s at the time of issuance.

Moneys in the Reserve Fund will be invested and deposited in accordance with the Fiscal Agent Agreement. Interest earnings and profits resulting from the investment of moneys in the Reserve Fund and other moneys in the Reserve Fund will remain therein until the balance exceeds the Reserve Requirement; any amounts in excess of the Reserve Requirement will be transferred to the Bond Fund to be used for the payment of the principal of and interest on the Bonds in accordance with the Fiscal Agent Agreement.

Whenever the balance in the Reserve Fund exceeds the amount required to redeem or pay the Outstanding Bonds, including interest accrued to the date of payment or redemption and premium, if any, due upon redemption, and make any other transfer required under the Fiscal Agent Agreement, the Fiscal Agent will transfer the amount in the Reserve Fund to the Bond Fund to be applied, on the next succeeding Interest Payment Date, to the payment and redemption of all of the Outstanding Bonds. If the amount so transferred from the Reserve Fund to the Bond Fund exceeds the amount required to pay and redeem the Outstanding Bonds, the balance in the Reserve Fund will be transferred to the City, after payment of any amounts due the Fiscal Agent, to be used for any lawful purpose of the City.

No Additional Bonds

In the Fiscal Agent Agreement, the City covenants that it will not authorize the issuance of additional bonds payable from Special Taxes and secured by the Special Tax Revenues

equally and ratably with Bonds previously issued, except that the City may issue bonds secured by the Special Taxes to refund all or a portion of the Bonds.

DEBT SERVICE SCHEDULE

The annual debt service on the Bonds, based on the interest rates and maturity schedule set forth on the cover of this Official Statement, is set forth below.

THE DISTRICT

Formation of the District

On October 17, 2007, the City Council adopted a Resolution of Intention to form a community facilities district under the Act, to levy a special tax and to incur bonded indebtedness for the purpose of financing the Improvements and making contributions to certain public facilities. After conducting a noticed public hearing, on December 5, 2007, the City Council adopted the Resolution of Formation, which established The Fountains Community Facilities District No. 1 (Public Facilities), set forth the Special Tax Formula within the District and set forth the necessity to incur bonded indebtedness in a total amount not to exceed \$11,500,000. On the same day, an election was held within the District in which the Owner (who was then the only eligible landowner voter in the District) unanimously approved the proposed bonded indebtedness and the levy of the Special Tax. See "OWNERSHIP OF PROPERTY WITHIN THE DISTRICT" below.

Location and Description of the District and the Immediate Area

The District consists of two contiguous assessor's parcels (APNs 363-011-087 and -088) that comprise "The Fountains at Roseville" shopping center, which is located at 1175 Roseville Parkway, at the southwest corner of the Galleria Boulevard/Roseville Parkway Intersection in the City. The land area totals approximately 30 acres. "The Fountains at Roseville" is a multi-building open air lifestyle shopping center containing approximately 319,823 square feet of rentable area in 15 buildings. The center is anchored by Whole Foods Market, with the remaining space consisting of free standing restaurants such as Dave & Buster's, Yard House, McCormick & Schmick's and California Pizza Kitchen; junior anchors, such as DSW Shoe Warehouse, West Elm and Pet Food Express; in-line restaurant space; in-line retail space; and office space.

Surrounding land uses include residential homes to the southwest (the Diamond Oaks neighborhood), a wetland preserve, the Westfield Galleria at Roseville to the north, Ridge at Creekside and the Creekside Town Center to the northeast, and the Vintage Oaks single-family residential subdivision and office complex to the south. Much of the area in the vicinity of the District, particularly to the north and west, has been transitioning from largely undeveloped, agriculturally oriented uses toward a mixture of suburban land uses. The predominant suburban land use in the immediate area is commercial and in the greater vicinity of the District is single family residential. Sales of new homes a few miles away in the western area of the City are ongoing and expected to continue for several years into the future.

Maps showing the location and boundaries of the District, and a site plan are set forth on the following pages.

[Reserved for CFD boundary map]

[Reserved for Site Plan]

The Improvements

The 2008 Bonds provided a funding source to the Owner for moneys expended for a portion of the cost of the Improvements and for certain developer fees paid by the Owner. The Improvements authorized to be financed by the District are set forth in the Resolution of Formation. The Improvements consist generally of roadway improvements, including roadway design, project management, grading, and construction of transportation, water system, drainage and wastewater system improvements, and other miscellaneous improvements, as well as incidental expenses as authorized by the Act. Authorized Improvements also included public capital improvements financed with all or part of the following fees: drainage fees, public facilities fees, regional and local sewer fees, water connection fees, traffic mitigation related fees and certain County capital facilities fees. Infrastructure work to the site financed by the proceeds of the 2008 Bonds has been completed.

Environmental Matters

Flood Hazard Map Information. According to the Federal Emergency Management Agency's flood insurance rate maps (Map Panel Number 06061C-0479G, dated November 21, 2011), the developable portions of the property in the District are located within Flood Zone X, described as areas of minimal flooding (outside of the 100 and 500-year floodplains).

Seismic Conditions. According to the Seismic Safety Commission, the District is located within Zone 3, which is considered to be the lowest risk zone in California. There are only two zones in California: Zone 4, which is assigned to areas near major faults; and Zone 3, which is assigned to all other areas of more moderate seismic activity. In addition, the District is not located within a Fault-Rupture Hazard Zone (formerly referred to as an Alquist-Priolo Special Study Zone), as defined by Special Publication 42 of the California Department of Conservation, Division of Mines and Geology.

Development of the District

As noted above, land in the District consists of "The Fountains at Roseville" shopping center, which is located at 1175 Roseville Parkway, at the southwest corner of the Galleria Boulevard/Roseville Parkway Intersection in the City. The land area totals approximately 30 acres. "The Fountains at Roseville" is a multi-building open air lifestyle shopping center containing approximately 319,823 square feet of rentable area in 15 buildings. The shopping center has been constructed in phases beginning in 2008 with the most recent building (Building F) completed in 2015.

Zoning. Land in the District is zoned CC/SA-NC – Community Commercial, Special Area - North Central Roseville Specific Plan. According to the City of Roseville Municipal Code, the Community Commercial (CC) District is intended to serve the principal retail shopping needs of the entire community by providing areas for shopping centers, and other retail and service use. The Special Area (SA) District is an overlay district which allows modification of the underlying general district regulations (including both permitted Use Types and Development Standards) by reference to regulations adopted either in a Specific Plan, which applies to the property so classified, or in the ordinance rezoning the property so classified.

Environmental. A Mitigated Negative Declaration for the project was adopted by the City Council on October 26, 2000. Pursuant to City of Roseville CEQA Implementing Procedures and California Environmental Quality Act (CEQA) Guidelines Section 15164 the

Planning Commission adopted an Addendum to the Mitigated Negative Declaration for the MPP Modification on March 24, 2005, to address the minor modifications to the project request. The California Environmental Quality Act (CEQA) specifies that supplemental review is not required for subsequent discretionary approvals unless there are changes in the project or changed circumstances that would produce new impacts or significantly greater impacts than those described in the previous environmental document. The project as built is in substantial conformance with the project described and evaluated in the adopted Negative Declaration and Addendum, and there has been no change in surrounding circumstances. No further environmental review is required.

Utilities. All typical urban utility services are available to the property in the District. These utilities include electric power, natural gas, telephone, cable television, water, and sanitary sewer and storm water facilities. The City provides electric, water, police and fire services, Pacific Gas & Electric provides natural gas. Sewer and storm water facilities are also provided by the City.

Parking. The Appraisal notes that based on the Appraised Parcels' current uses, certain parking requirements apply, and based on the Appraiser's inspection, there appears to be an adequate amount of striped and paved spaces. See APPENDIX C.

Development Status and Occupancy Rates. As of the date of inspection by the Appraiser, the occupancy rate of the buildings comprising the Appraised Parcels was 97%. The Appraiser was not provided with specific lease details, however the Appraiser notes that a number of the Appraised Parcels' retail tenants have leases expiring in 2018 (21.61%) and after 2026 (19.08%); and a number of office tenants have leases expiring in 2017 (17.19%) and 2018 (17.99%). (All the foregoing percentages are based on square feet expiring, not number of tenants with leases expiring.) The Appraised Parcels' retail portion has maintained occupancy levels of at least 92%, with an average of 95.5%, since 2011, and the office portion has maintained an average occupancy level of 87% over the past five years. A table summarizing the subject buildings is presented below.

OWNERSHIP OF PROPERTY WITHIN THE DISTRICT

Unpaid Special Taxes do not constitute a personal indebtedness of the owners of the parcels within the District. There is no assurance that the present property owners or any subsequent owners will have the ability to pay the Special Taxes or that, even if they have the ability, they will choose to pay the Special Taxes. An owner may elect to not pay the Special Taxes when due and cannot be legally compelled to do so. Neither the City nor any Bondowner will have the ability at any time to seek payment directly from the owners of property within the District of the Special Tax or the principal or interest on the Bonds, or the ability to control who becomes a subsequent owner of any property within the District.

The Owner has provided the information set forth in this section entitled "OWNERSHIP OF PROPERTY WITHIN THE DISTRICT." The information herein regarding ownership of the property in the District has been included because it is considered relevant to an informed evaluation of the Bonds. In addition, any Internet addresses included below are for reference only, and the information on those Internet sites is not a part of this Official Statement or incorporated by reference into this Official Statement.

The Special Taxes are not personal obligations of the Owner or of any subsequent landowners and the following information should not be construed to suggest that the Special Taxes or Bonds are personal obligations or indebtedness of the Owner or any subsequent landowners; the Bonds are secured only by the Special Taxes and certain funds pledged under the Fiscal Agent Agreement. In the event that the Owner or any subsequent landowner defaults in the payment of the Special Taxes, the District may proceed with judicial foreclosure but has no direct recourse to any other assets of any landowner. As a result, other than as provided herein, no financial statements or financial information is, or will be provided about the Owner or any other landowner. See "SECURITY AND SOURCES OF PAYMENT FOR THE BONDS" and "SPECIAL RISK FACTORS" herein.

The Owner

Ownership. All of the land in the District is currently owned by The Roseville Fountains, L.P., a California limited partnership, (the "**Owner**") of which Peter P. Bollinger Investment Company, a California limited partnership ("**Bollinger Investment**") is a limited partner and Folsom Central, LLC, a California limited liability company ("**Folsom Central**"), is a general and limited partner. The Owner is a single purpose entity that was formed for the purpose of developing and owning the property within the District. The Owner is assisted in its management of the property by Inter-Cal Real Estate, a California corporation ("**Inter-Cal**"), a management and leasing company which is solely owned by Peter P. Bollinger. The Owner, Folsom Central and Inter-Cal are all related entities and affiliates of Bollinger Investment, which is controlled by Peter P. Bollinger and specializing in the development and management of shopping center developments.

Prior Experience. Peter P. Bollinger has been involved in the real estate field since 1959. After two years of general brokerage, Peter P. Bollinger formed a partnership with Barry Spivak known as Spivak-Bollinger Company. Spivak-Bollinger Company was primarily involved in the development of freeway oriented commercial properties, including restaurants, motels, service stations and the development of retail commercial buildings.

Tenants involved in Spivak-Bollinger developments included: Denny's Restaurants, Colony Kitchen Restaurants, Sambo's Restaurants and VIP'S Restaurants. Motel tenants

included: Motel 6, Vagabond Motel and various independent motels. Oil Company tenants included: Standard Oil, Shell Oil, Mobil, Texaco and Atlantic-Richfield. General commercial tenants included: Alpha Beta Markets and Farmers Market among other independent commercial tenants.

In January of 1969, the Spivak-Bollinger partnership was dissolved and Bollinger Investment was formed. The company was initially involved mainly in freeway oriented commercial developments.

In 1974, Bollinger Investment entered into the shopping center development field and since that date has developed shopping centers at various locations in Northern California. In addition to shopping center developments, Peter P. Bollinger also owns Inter-Cal which is a management and leasing company. Peter P. Bollinger companies develop, own, lease and manage their shopping center developments.

Shopping Centers developed and currently owned and managed by Bollinger Investment or its related entities include the following:

- Sunrise Festival - Marshalls, Old Navy, Beverages & More, Eddie Bauer, and Filco Appliance Video & Audio Center, at Sunrise Boulevard and Greenback Lane, Citrus Heights, Sacramento County;
- Sunrise Festival II - Staples, PetsMart, Rite Aid center at Sunrise Boulevard in Citrus Heights, Sacramento County;
- Ming Around the Corner - Food Maxx, Walgreen's Center at Ming Avenue and Old Steine Road, Bakersfield, Ventura County;
- County Fair - Rite Aid, Big Lots center at Highway 50 and Placerville Drive, Placerville, Kern County;
- Greenback Square - Elliott's Foods, center at Greenback Lane between Sunrise Boulevard and Fair Oaks Boulevard, Citrus Heights, Sacramento County;
- Folsom Faire - Grocery Outlet, Dollar Tree, Filco Appliance Video & Audio center at Bidwell Street and Glenn Drive, Folsom, Sacramento County;
- Lake Crest Village - Nugget Market, Rite Aid, Marshalls center at I-5 and Florin Road, Sacramento County;
- Loehmann's Plaza - Loehmann's, Albertson's Save-Mart center at Fair Oaks Boulevard and Munroe Street, Sacramento County;
- Greenfaire Village - Sacramento Blood Center, Greenfaire Salon Center at Greenback Lane and Fair Oaks Boulevard, Citrus Heights, Sacramento County;
- Woodland Plaza - Center located at West and West Main Street, Woodland, Yolo County; and
- Folsom Central - Kinko's, Round Table center located in Folsom, Sacramento County.

In addition to the Project in the District, Bollinger Investment expects to develop a shopping center to be known as Breton Village in Roseville on the corner of Foothill and

Pleasant Grove Blvd. This shopping center is expected to consist of approximately 30,000 square feet of upscale usage.

Bollinger Investment also owns 2 apartment properties that were purchased as investments. The two properties are Ashford Park Apartments and River Terrace Apartments. The properties are both off of Highway 5 in Sacramento. The total number of units from both properties combined is 626.

Peter P. Bollinger Investment Company reports that it has developed and/or currently owns approximately 75 properties principally located throughout Northern California. These developments include, in addition to freeway oriented properties and shopping centers referenced above, land, office buildings and industrial properties.

SPECIAL TAX REVENUES AND VALUE OF PROPERTY WITHIN THE DISTRICT

Valuation of Property

The value of the land within the District is a critical factor in determining the investment quality of the Bonds. If a property owner defaults in the payment of a Special Tax, the City's only remedy is to foreclose on the delinquent property in an attempt to obtain funds with which to pay the delinquent Special Taxes. There is currently only a single owner in the District. See "SECURITY AND SOURCES OF PAYMENT FOR THE BONDS – Delinquent Payments of Special Tax; Covenant for Superior Court Foreclosure" and "SPECIAL RISK FACTORS – Bankruptcy and Foreclosure Delays." Reductions in District property values due to a downturn in the economy, natural disasters such as earthquakes or floods, stricter land use regulations or other events could have an adverse impact on the security for payment of the Special Taxes.

The Special Tax is levied on each parcel within the District and only the respective individual parcel is responsible for such Special Tax. In comparing the aggregate value of the real property within the District and the principal amount of the Bonds, it should be noted that only the Assessor's parcel of real property upon which there is a delinquent Special Tax can be foreclosed upon. All of the real property within the District cannot be foreclosed upon as a whole to pay delinquent Special Taxes unless all of the property is subject to delinquent Special Taxes. Individual parcels may be foreclosed upon to pay delinquent Special Taxes levied against such parcels only.

The principal amount of the Bonds will not be allocated pro-rata between the parcels within the District; rather, the annual Special Taxes for the District will be billed annually for each parcel within the District. Upon sale of developed parcels, the buyer typically acquires the property subject to the unpaid portion of any special taxes and special taxes levied against the parcel purchased. Special Taxes and special taxes levied against the parcel are not required to be removed from the property and are not required to be, but may be, paid off in full upon transfer of property or upon development of the property.

Assessed Valuation

Assessed Valuations. In connection with valuing property in the District, the City has obtained the 2015-16 County assessed valuation (the "**Assessed Valuation**") of the two parcels in the District. The Assessed Valuation equaled, in aggregate, \$65,652,027.

Due to the recent and ongoing nature of development in the District (particularly, APN 363-011-087), the Assessed Valuation is not necessarily reflective of current market value. As provided by Article XIII A of the California Constitution, county assessors' assessed values are to reflect market value as of the date the property was last assessed (or 1975, whichever is more recent), increased by a maximum of 2% per year. Properties may be reassessed by the County only upon a change of at least 51% ownership of existing property or upon new construction. The Assessed Valuation thus reflects the estimate of the County Assessor (the "**Assessor**") of market value of the two parcels when acquired, possibly increased by 2% per year, and for parcels on which construction has occurred since their date of acquisition, the Assessor's estimate of market value as of the time of construction, possibly increased by 2% per year. The actual market value of parcels in the District, if sold at foreclosure, may be higher or lower than the Assessor's assessed values. The actual fair market value of any parcel can often be more accurately established through an arms-length sale or an appraisal by an independent

appraiser, which the City has done in connection with valuing the land in the District in connection with the sale of the Bonds.

Historical Assessed Values. The following table shows a history of assessed valuations of the property that was levied a Special Tax in each of the past six fiscal years in the District.

Table 3
City of Roseville
The Fountains Community Facilities District No. 1 (Public Facilities)
Special Tax Refunding Bonds, Series 2016
Historical Assessed Valuations

Fiscal Year	Assessed Land Value	Assessed Structure Value	Total Assessed Value	Percent Change
2010-2011	\$1,575,124	\$51,200,000	\$52,775,124	--
2011-2012	1,586,984	60,000,000	61,586,984	16.7%
2012-2013	1,618,723	61,200,000	62,818,723	2.0
2013-2014	1,651,097	62,424,000	64,075,097	2.0
2014-2015	1,658,592	62,707,404	64,365,996	0.5
2015-2016	1,691,730	63,960,297	65,652,027	2.0%

Source: Placer County Secured Roll, as compiled by Willdan Financial Services

Because of the general limitation to 2% per year in increases in full cash value of properties that remain in the same ownership, the County tax roll does not reflect values uniformly proportional to actual market values. No assurance can be given that should a parcel with delinquent Special Taxes be foreclosed and sold for the amount of the delinquency, that any bid will be received for such property, or if a bid is received that such bid will be sufficient to pay such delinquent installments.

Appraised Values

General. In order to obtain a more accurate estimate of the value of the parcels in the District without structure value, the City commissioned an appraisal of such land. SeEVER Jordan Ziegenmeyer, Rocklin, California (the “**Appraiser**”) prepared an appraisal report dated _____, 2016, with a date of value of May 4, 2016. The Appraisal report (the “**Appraisal**”) was prepared at the request of the City. The Appraisal estimates the market value of the two parcels (APNs 363-011-087 and 363-011-088) in the District (the “**Appraised Parcels**”).

The Appraisal is set forth in its entirety in “APPENDIX C – The Appraisal.” The description herein of the Appraisal is intended for limited purposes only; the Appraisal should be read in its entirety. The conclusions reached in the Appraisal are subject to certain assumptions, hypothetical conditions and qualifications which are set forth in the Appraisal.

Value Estimates. Because the Appraiser was not provided with specific contract rents being achieved for the buildings on the Appraised Parcels, the Appraisal provides an estimate of market value (by parcel) of the fee simple estate of each of the Appraised Parcels, based on the assumptions and limiting conditions set forth therein. The valuation accounts for the impact of the lien of the Special Tax. In total, the aggregate amount of the appraised values of the Appraised Parcels was \$125,850,000, as of the May 4, 2016 date of value.

Appraisal Methodology. The appraisal methodology used in the Appraisal is based on the sales comparison approach and the income capitalization approach.

In its analysis, the Appraiser analyzed several comparable sales of similar properties (power retail centers) throughout the region. The Appraiser noted that the sales comparison approach is typically most relevant when valuing small, owner-user properties; however, it can be useful in appraising any type of property for which recent market sales data can be obtained. This approach is relevant to the valuation of the Appraised Parcels because there have been a number of sales of similar retail centers in the subject's market area and surrounding areas within the last 24 months. The data obtained for this analysis was reasonably similar to the Appraised Parcels, and the adjustments accounted for any differences between the comparables and the subject.

The Appraiser further noted that projects like the Appraised Parcels are primarily purchased by investors for their income producing potential; thus, the income capitalization approach typically provides a more relevant estimate of market value. In summary, the sales comparison approach is considered a relevant and supporting indicator of value for the subject property. Buyers of income-producing real estate rely primarily upon the income capitalization approach when assessing the feasibility of an investment. According to the Appraisal, this approach is highly relevant to the valuation of the Appraised Parcels, since it is an income-producing property. The reliability of this approach is good in light of the fact that we identified several recent leases of comparable properties. The data obtained in estimating vacancy, operating expenses and a capitalization rate for the subject property are reliable. However, a weakness of this approach is that the Appraiser was not provided with specific contract rents for the tenants occupying the buildings in the Appraised Parcels or historical operating expenses; thus, the Appraiser's conclusions are based on market data alone.

In light of the quantity and quality of data present in each approach and given the fact that the Appraiser has formulated a fee simple market value based on market data alone, equal emphasis was placed on each approach in formulating the conclusion of market value for the Appraised Parcels. See APPENDIX C for additional details.

Assumptions and Limiting Conditions. There were no extraordinary assumptions or hypothetical conditions upon which the estimates of value were based. However, the Appraisal is based upon a number of standard and special assumptions, which affect the estimates as to value of the Appraised Parcels, some of which include the following. See "APPENDIX C – The Appraisal" for a complete list of the assumptions used by the Appraiser.

- The Appraiser assumed that there are no adverse soil conditions, toxic substances or other environmental hazards that may interfere or inhibit development of the Appraised Parcels. If, at some future date, items are discovered that are determined to have a detrimental impact on value, the Appraiser reserves the right to amend the opinion(s) of value stated in the Appraisal.

- The Appraiser has also assumed that there is no hazardous material on or in the property that would cause a loss in value. The value estimated is predicated on the assumption there is no such material on or in the property that would cause a loss in value. No responsibility is assumed by the Appraiser for such conditions or for any expertise or engineering knowledge required to discover them. Investors are urged to retain an expert in this field, if desired.

- An inspection of the Appraised Parcels by the Appraiser revealed no apparent adverse easements, encroachments or other conditions, which currently impact the Appraised Parcels. However, the exact locations of typical roadway and utility easements, or any additional easements, which would be referenced in a preliminary title report, were not provided to the Appraiser. The Appraiser is not a surveyor nor qualified to determine the exact location of easements. It is assumed by the Appraiser that typical easements do not have an impact on the opinion (s) of value as provided in the Appraisal. If, at some future date, these easements are determined to have a detrimental impact on value, the Appraiser reserves the right to amend the opinion(s) of value.

Limitations of Appraisal Valuation. Economic and other factors beyond the property owners' control, such as economic recession, deflation of land values, acts of terrorism, or the complete or partial destruction of taxable property caused by, among other possibilities, earthquake, flood, fire or other natural disaster, could cause a reduction in the assessed value within the District. See "SPECIAL RISK FACTORS – Property Values." Property values may not be evenly distributed throughout the District; thus, certain parcels may have a greater value than others. This disparity is significant because in the event of nonpayment of the Special Tax, the only remedy is to foreclose against the delinquent parcel.

Special taxes are levied on each parcel within the District and only the respective individual parcel is responsible for such Special Taxes. No assurance can be given that the foregoing valuation estimate can or will be maintained during the period of time that the Bonds are outstanding in that the City has no control over the market value of the property within the District or the amount of additional indebtedness that may be issued in the future by other public agencies, the payment of which, through the levy of a tax or an assessment, may be on a parity with the Special Taxes. See "SECURITY AND SOURCES OF PAYMENT FOR THE BONDS" above and "– Overlapping Liens and Priority of Lien" below.

For a description of certain risks that might affect the assumptions made in the Appraisal, see "SPECIAL RISK FACTORS" herein.

Value to Special Tax Burden Ratios

The value of the land within the District is a critical factor in determining the investment quality of the Bonds. If a property owner defaults in the payment of a special tax, the City's only remedy is to foreclose on the delinquent property in an attempt to obtain funds with which to pay the delinquent special tax. See "SECURITY AND SOURCES OF PAYMENT FOR THE BONDS – Delinquent Payments of Special Tax; Covenant to Commence Superior Court Foreclosure" and "SPECIAL RISK FACTORS – Bankruptcy and Foreclosure Delays." Reductions in District property values due to a downturn in the economy, natural disasters such as earthquakes or floods, stricter land use regulations or other events could have an adverse impact on the security for payment of the Special Taxes.

Based upon the \$125,850,000 appraised value of the land in the District and an estimated principal amount of Bonds of \$_____, plus overlapping indebtedness of \$_____ for an total debt burden of \$_____, the value of property in the District is expected to be approximately _____ times the total debt burden on land in the District. However, the principal amount of the Bonds will not be allocated pro-rata among the parcels

* Preliminary; subject to change.

within the District; rather, the annual special taxes for the District will be billed annually for each parcel within the District. Upon sale of parcels, the buyer typically acquires the property subject to the unpaid portion of any special taxes and assessments levied against the parcel purchased. Special taxes and assessments are not required to be removed from the property and are not required to be, but may be, paid off in full upon transfer of property or upon development of the property.

The following tables set forth, for taxable parcels within the District, 2015-16 assessed values, 2015-16 maximum special taxes, 2015-16 actual special taxes, debt burdens, overlapping CFD debt burdens, total debt burdens and value-to-debt burdens.

Overlapping Liens and Priority of Lien

The principal of and interest on the Bonds are payable from the Special Tax authorized to be collected within the District, and payment of the Special Tax is secured by a lien on certain real property within the District. Such lien is co-equal to and independent of the lien for general taxes and any other liens imposed under the Act, regardless of when they are imposed on the property in the District. The imposition of additional special taxes, assessments and general property taxes will increase the amount of independent and co-equal liens which must be satisfied in foreclosure. The City, the County and certain other public agencies are authorized by the Act to form other community facilities districts and improvement areas and, under other provisions of State law, to form special assessment districts, either or both of which could include all or a portion of the land within the District.

For example, parcels in the District are subject to an additional lien of special taxes of North Central Roseville CFD No. 1, which special taxes provide payment for special tax bonds issued for that district. North Central Roseville CFD No. 1 was formed in 1990, and consists of approximately 1.33 acres, of which land in the District forms a part. The lien of special taxes for North Central Roseville CFD No. 1 is a parity lien with respect to the lien of the Special Taxes for the District.

There can be no assurance that the Owner, its affiliates or any subsequent owner will not petition for the formation of other community facilities districts and improvement areas or for a special assessment district or districts and that parity special taxes or special assessments will not be levied by the County or some other public agency to finance additional public facilities, however no other special districts are currently contemplated by the City or the Owner.

Private liens, such as deeds of trust securing loans obtained by the Owner, may be placed upon property in the District at any time, and the Owner currently has a loan secured by such a deed of trust. Under California law, the Special Taxes have priority over all existing and future private liens imposed on property subject to the lien of the Special Taxes.

Set forth below is an overlapping debt table showing the existing authorized indebtedness payable with respect to property within the District. This table has been prepared by California Municipal Statistics, Inc. as of the date indicated, and is included for general information purposes only. The City has not reviewed the data for completeness or accuracy and makes no representations in connection therewith.

SPECIAL RISK FACTORS

The purchase of the Bonds described in this Official Statement involves a degree of risk that may not be appropriate for some investors. The following includes a discussion of some of the risks which should be considered before making an investment decision.

Limited Obligation of the City to Pay Debt Service

The City has no obligation to pay principal of and interest on the Bonds in the event Special Tax collections are delinquent, other than from amounts, if any, on deposit in the Reserve Fund or funds derived from the tax sale or foreclosure and sale of parcels on which levies of the Special Tax are delinquent, nor is the City obligated to advance funds to pay such debt service on the Bonds. The Bonds are not general obligations of the City but are limited obligations of the City and the District payable solely from the proceeds of the Special Tax and certain funds held under the Fiscal Agent Agreement, including amounts deposited in the Reserve Fund and investment income thereon, and the proceeds, if any, from the sale of property in the event of a foreclosure. See "SECURITY AND SOURCES OF PAYMENT FOR THE BONDS." Any tax for the payment of the Bonds will be limited to the Special Tax to be collected within the jurisdiction of the District.

Concentration of Ownership

Land within the District is entirely owned by the Owner and the Owner does not currently have plans to sell the land. An owner of property in the District is not personally obligated to pay the Special Tax attributable to the owner's property. Rather, the Special Tax is an obligation only against the parcel of property, secured by the amount which could be realized in a foreclosure proceeding against the property, and not by any promise of the owner to pay. If the value of the property is not sufficient, taking into account other obligations also constituting a lien against the property, the City, Fiscal Agent and owners of the Bonds have no recourse against the owner, such as filing a lawsuit to collect money.

Failure of the Owner or any future owner of significant property subject to the Special Taxes in the District to pay installments of Special Taxes when due could cause the depletion of the Reserve Fund prior to reimbursement from the resale of foreclosed property or payment of the delinquent Special Tax and, consequently, result in the delinquency rate reaching a level that would cause an insufficiency in collection of the Special Tax to meet the District's obligations on the Bonds. For a description of the Owner, see "OWNERSHIP OF PROPERTY WITHIN THE DISTRICT." In that event, there could be a delay or failure in payments on the Bonds. See "SPECIAL RISK FACTORS – Bankruptcy and Foreclosure Delays" below and "SECURITY AND SOURCES OF PAYMENT FOR THE BONDS – Delinquent Payments of Special Tax; Covenant for Superior Court Foreclosure."

Property Values and Property Development

The value of the taxable land within the District is a critical factor in determining the investment quality of the Bonds. If a property owner defaults in the payment of the Special Tax, the District's only remedy is to foreclose on the delinquent property in an attempt to obtain funds with which to pay the delinquent Special Tax.

Both parcels in the District were appraised by the Appraiser. See "APPENDIX C – The Appraisal." A land value determined by an appraiser is an opinion with respect to the market

value, and is generally based upon a sales comparison approach, which determines the value of the subject property by comparing it to sales of comparable property, adjusted for differences between the subject and the comparable property. No assurance can be given that if a parcel with delinquent special taxes is foreclosed, any bid will be received for such property or, if a bid is received, that such bid will be equal to the value determined by the Appraiser or, for those parcels not appraised, the current assessed value of the parcel set forth on the County assessor's tax roll, or that it will be sufficient to pay delinquent special taxes.

Land development and land values could be adversely affected by economic and other factors beyond the District's control, such as: a general economic downturn; adverse judgments in future litigation that could affect the scope, timing or viability of development; relocation of employers out of the area; stricter land use regulations; shortages of water, electricity, natural gas or other utilities; destruction of property caused by earthquake, flood or other natural disasters; environmental pollution or contamination.

Neither the District nor the City has evaluated development risks related to the parcels in the District. Since these are largely business risks of the type that property owners customarily evaluate individually, and inasmuch as changes in land ownership may well mean changes in the evaluation with respect to any particular parcel, the District is issuing the Bonds without regard to any such evaluation. Thus, the creation of the District and the issuance of the Bonds in no way implies that the District or the City has evaluated these risks or the reasonableness of these risks.

The following is a discussion of specific risk factors that could affect the timing or scope of property development in the District or the value of property in the District.

Risks of Real Estate Investment Generally. The value of land within the District may be adversely affected by changes in general or local economic conditions, fluctuations in the real estate market, increased construction costs, development, financing and marketing capabilities of individual property owners, water or electricity shortages, and other similar factors. The value of land in the District may also be affected by development in surrounding areas, which may compete with the District. In addition, land development operations are subject to comprehensive federal, state and local regulations, including environmental, land use, zoning and building requirements.

Natural Disasters. The value of the parcels in the District in the future can be adversely affected by a variety of natural occurrences, particularly those that may affect infrastructure and other public improvements and private improvements on the parcels in the District and the continued habitability and enjoyment of such private improvements. For example, the areas in and surrounding the District, like those in much of the State, may be subject to earthquakes or other unpredictable seismic activity, however, the District is not located in a seismic special studies zone.

Other natural disasters could include, without limitation, landslides, floods, droughts or tornadoes. One or more natural disasters could occur and could result in damage to improvements of varying seriousness. The damage may entail significant repair or replacement costs and that repair or replacement may never occur either because of the cost, or because repair or replacement will not facilitate habitability or other use, or because other considerations preclude such repair or replacement. Under any of these circumstances there could be significant delinquencies in the payment of Special Taxes, and the value of the parcels may well depreciate.

Legal Requirements. Other events that may affect the value of land in the District include changes in the law or application of the law. Such changes may include, without limitation, local growth control initiatives, local utility connection moratoriums and local application of statewide tax and governmental spending limitation measures.

Hazardous Substances. Any discovery of a hazardous substance detected on property within the District would affect the marketability and the value of some or all of the property in the District. In that event, the owners and operators of a parcel within the District may be required by law to remedy conditions of the parcel relating to releases or threatened releases of hazardous substances. The federal Comprehensive Environmental Response, Compensation and Liability Act of 1980, sometimes referred to as "CERCLA" or the "Superfund Act," is the most well-known and widely applicable of these laws. State laws with regard to hazardous substances are also applicable to property within the District and are as stringent as the federal laws. Under many of these laws, the owner (or operator) is obligated to remedy a hazardous substance condition of property whether or not the owner (or operator) has anything to do with creating or handling the hazardous substance. The effect, therefore, should any of the parcels be contaminated by a hazardous substance is to reduce the marketability and value of the parcel by the costs of remedying the condition, because the purchaser, upon becoming owner, will become obligated to remedy the condition just as is the seller.

Although the City is not aware that the owner (or operator) of any of the property within the District has a current liability for a hazardous substance with respect to any of the parcels, it is possible that such liabilities do currently exist and that the City is not aware of them.

Further, it is possible that liabilities may arise in the future with respect to any of the parcels within the District resulting from the existence, currently, on the parcel of a substance presently classified as hazardous but which has not been released or the release of which is not presently threatened, or may arise in the future resulting from the existence, currently, on the parcel of a substance not presently classified as hazardous but which may in the future be so classified. Further, such liabilities may arise not simply from the existence of a hazardous substance but from the method of handling it. All of these possibilities could significantly affect the value of a parcel within the District that is realizable upon a foreclosure sale.

Bankruptcy and Foreclosure Delays

The payment of the Special Tax and the ability of the District to foreclose the lien of a delinquent unpaid tax, as discussed in "SECURITY AND SOURCES OF PAYMENT FOR THE BONDS — Delinquent Payments of Special Tax; Covenant for Superior Court Foreclosure," may be limited by bankruptcy, insolvency or other laws generally affecting creditors' rights or by the laws of the State relating to judicial foreclosure. The various legal opinions to be delivered concurrently with the delivery of the Bonds (including Bond Counsel's approving legal opinion) will be qualified as to the enforceability of the various legal instruments by bankruptcy, insolvency, reorganization, moratorium and other similar laws affecting creditors' rights, by the application of equitable principles and by the exercise of judicial discretion in appropriate cases.

Although bankruptcy proceedings would not cause the Special Taxes to become extinguished, bankruptcy of a property owner could result in a delay in prosecuting superior court foreclosure proceedings and could result in the possibility of delinquent Special Tax installments not being paid in full. Such a delay would increase the likelihood of a delay or default in payment of the principal of and interest on the Bonds. To the extent that property in

the District continues to be owned by a limited number of property owners, the chances are increased that the Reserve Fund established for the Bonds could be fully depleted during any such delay in obtaining payment of delinquent Special Taxes. As a result, sufficient moneys would not be available in the Reserve Fund for transfer to the Bond Fund to make up shortfalls resulting from delinquent payments of the Special Tax and thereby to pay principal of and interest on the Bonds on a timely basis.

To the extent that bankruptcy or similar proceedings were to involve a large property owner, the chances would increase the likelihood that the Reserve Fund could be fully depleted during any resulting delay in receiving payment of delinquent Special Taxes. As a result, sufficient monies would not be available in the Reserve Fund for transfer to the Bond Fund to make up any shortfalls resulting from delinquent payments of the Special Tax and thereby to pay principal of and interest on the Bonds on a timely basis.

Parity Taxes and Special Assessments; Private Debt

The City, the County and certain other public agencies are authorized by the Act to form other community facilities districts and improvement areas and, under other provisions of State law, to form special assessment districts, either or both of which could include all or a portion of the land within the District.

In general, as long as the Special Tax is collected on the County tax roll, the Special Tax and all other taxes, assessments and charges also collected on the tax roll are on a parity, that is, are of equal priority. Questions of priority become significant when collection of one or more of the taxes, assessments or charges is sought by some other procedure, such as foreclosure and sale. In the event of proceedings to foreclose for delinquency of Special Taxes securing the Bonds, the Special Tax will be subordinate only to existing prior governmental liens, if any. Otherwise, in the event of such foreclosure proceedings, the Special Taxes will generally be on a parity with the other taxes, assessments and charges, and will share the proceeds of such foreclosure proceedings on a pro-rata basis. Although the Special Taxes will generally have priority over non-governmental liens on a parcel of Taxable Property, regardless of whether the non-governmental liens were in existence at the time of the levy of the Special Tax or not, this result may not apply in the case of bankruptcy. See “– Bankruptcy and Foreclosure Delays” above.

In addition to liens for special taxes or assessments to finance public improvements of benefit to land within the District, owners of property may obtain loans from banks or other private sources which loans may be secured by a lien on the parcels in the District. Such loans would increase amounts owed by the owner of such parcel with respect to development of its property in the District. However, the lien of such loans would be subordinate to the lien of the Special Taxes.

Tax Delinquencies

Under provisions of the Act, the Special Taxes will be billed to the properties within the District on the regular property tax bills sent to owners of such properties. Such Special Tax installments are due and payable, and bear the same penalties and interest for nonpayment, as do regular property tax installments. Special Tax installment payments cannot be made separately from property tax payments. Therefore, the unwillingness or inability of a property owner to pay regular property tax bills as evidenced by property tax delinquencies may also

indicate an unwillingness or inability to make regular property tax payments and Special Tax payments in the future.

The annual Special Tax will be billed and collected in two installments payable without penalty by December 10 and April 10. In the event such Special Taxes are not timely paid, moneys available to pay debt service on the Bonds becoming due on the subsequent respective March 1 and September 1 may be insufficient, except to the extent moneys are available in the Reserve Fund.

In the event of non-payment of Special Taxes, funds in the Reserve Fund, if available, may be used to pay principal of and interest on the Bonds. If funds in the Reserve Fund for the Bonds are depleted, the funds can be replenished from the proceeds of the levy and collection of the Special Tax that are in excess of the amount required to pay all amounts to be paid to the Bond holders pursuant to the Fiscal Agent Agreement. However, no replenishment from the proceeds of a Special Tax levy can occur as long as the proceeds that are collected from the levy of the Special Tax against property within the District at the maximum Special Tax rates, together with other available funds, remains insufficient to pay all such amounts. Thus it is possible that the Reserve Fund will be depleted and not be replenished by the levy of the Special Tax.

See “SECURITY AND SOURCES OF PAYMENT FOR THE BONDS — Delinquent Payments of Special Tax; Covenant for Superior Court Foreclosure,” for a discussion of the provisions which apply, and procedures which the City is obligated to follow, in the event of delinquency in the payment of Special Taxes.

No Acceleration Provisions

The Bonds do not contain a provision allowing for the acceleration of the Bonds in the event of a payment default or other default under the terms of the Bonds or the Fiscal Agent Agreement. Under the Fiscal Agent Agreement, a Bondholder is given the right for the equal benefit and protection of all Bond holders similarly situated to pursue certain remedies. So long as the Bonds are in book-entry form, DTC will be the sole Bondholder and will be entitled to exercise all rights and remedies of Bondholders.

Ballot Initiatives

From time to time, initiative measures qualify for the State ballot pursuant to the State’s constitutional initiative process and those measures could be adopted by California voters. The adoption of any such initiative might place limitations on the ability of the State, the City, the County or other local districts to increase revenues or to increase appropriations or on the ability of the landowners to complete the development of the District. See “–Property Values and Property Development – Land Development” above. See also “–Proposition 218” below.

Proposition 218

On November 5, 1996, the voters of the State approved Proposition 218, the so-called “Right to Vote on Taxes Act.” Proposition 218 added Articles XIIIC and XIID to the State Constitution, which contain a number of provisions affecting the ability of the City to levy and collect both existing and future taxes, assessments and property related fees and charges.

Article XIIC removes limitations on the initiative power in matters of local taxes, assessments, fees and charges. Article XIIC does not define the term "local taxes" and it is unclear whether this term is intended to include special taxes levied under the Act. This provision with respect to the initiative power is not limited to taxes imposed on or after November 6, 1996, the effective date of Proposition 218. In the case of the Special Taxes which are pledged as security for payment of the Bonds, the laws of the State provide a mandatory, statutory duty of the City and the County Auditor to post the Special Taxes on the property tax roll of the County each year while any of the Bonds are outstanding. Additionally, on July 1, 1997, a bill was signed into law by the Governor of the State enacting Government Code 5854, which states:

Section 3 of Article XIIC of the California Constitution, as adopted at the November 5, 1996 general election, shall not be construed to mean that any owner or beneficial owner of a municipal security, purchased before or after that date, assumes the risk of, or in any way consents to, any action by initiative measure that constitutes an impairment of contractual rights protection by Section 10 of Article I of the United States Constitution.

The Special Taxes and the Bonds were each authorized by not less than a two-thirds vote of the Owner, as the sole landowner within the District, who constituted the qualified electors of the District at the time of such voted authorization. The City believes, therefore, that issuance of the Bonds does not require the conduct of further proceedings under the Act or Proposition 218.

The interpretation and application of Proposition 218 will ultimately be determined by the courts with respect to a number of the matters discussed above, and it is not possible at this time to predict with certainty the outcome of such determination.

CONSTITUTIONAL LIMITATIONS ON TAXATION AND APPROPRIATIONS

Article XIII A of the California Constitution, commonly known as “**Proposition 13**,” provides that each county will levy the maximum *ad valorem* property tax permitted by Proposition 13 and will distribute the proceeds to local agencies in accordance with an allocation formula based in part on pre-Proposition 13 *ad valorem* property tax rates levied by local agencies.

Article XIII A limits the maximum *ad valorem* tax on real property to 1% of “full cash value,” which is defined as the County Assessor’s valuation of real property as shown on the 1975-76 tax bill under full cash value, or, thereafter, the appraised value of real property when purchased, newly constructed, or a change in ownership has occurred after the 1975 assessment. The full cash value may be adjusted annually to reflect increases of no more than 2% per year or decreases in the consumer price index or comparable local data, or declining property value caused by damage, destruction or other factors.

Article XIII A exempts from the 1% tax limitation any taxes to repay indebtedness approved by the voters prior to July 1, 1978, and requires a vote of two-thirds of the qualified electorate to impose Special Taxes or any additional *ad valorem*, sales, or transaction taxes on real property. In addition, Article XIII A requires the approval of two-thirds of all members of the State Legislature to change any State laws resulting in increased tax revenues. On June 3, 1986, California voters approved an amendment to Article XIII A of the California Constitution to allow local governments and school districts to raise their property tax rates above the constitutionally mandated 1% ceiling for the purpose of paying off certain new general obligation debt issued for the acquisition or improvement of real property and approved by two-thirds of the votes cast by the qualified electorate. If any such voter-approved debt is issued, it may be on a parity with the lien of the Special Tax on the parcels within the District.

State and local government agencies in the State, and the State itself are subject to annual appropriation limits, imposed by Article XIII B of the State Constitution. Article XIII B prohibits government agencies and the State from spending “appropriations subject to limitation” in excess of the appropriations limits imposed. “Appropriations subject to limitation” are authorizations to spend “proceeds of taxes,” which consist of tax revenues, certain state subventions and certain other funds, including proceeds from regulatory licenses, user charges or other fees to the extent that such proceeds exceed the cost reasonably borne by such entity in providing the regulation, product or service. No limit is imposed on appropriations of funds which are not “proceeds of taxes” such as debt service on indebtedness existing or authorized before January 1, 1979, or subsequently authorized by the voters, appropriations required to comply with mandates of courts or the federal government, reasonable user charges or fees and certain other non-tax funds.

CONTINUING DISCLOSURE

The City has covenanted for the benefit of owners of the Bonds to provide certain financial information and operating data relating to the District by not later than nine months after the end of the City’s fiscal year (presently June 30) in each year (the “**City Annual Report**”) commencing with its report for the 2015-16 fiscal year (due April 1, 2017) and to provide notices of the occurrence of certain enumerated events.

The Owner has also covenanted for the benefit of owners of the Bonds to provide certain financial information and operating data relating to the property it owns, or its affiliates or subsidiaries, or entities it has an interest in or controls owns, in the District by not later than April 1 of each year (reflecting reported information as of December 31 of the prior year) beginning with the report due April 1, 2017 (the “**Owner Annual Report**”) and to provide notices of the occurrence of certain enumerated events. The obligation of the Owner to provide such information is in effect only so long as the Owner and its affiliates, or their successors, are collectively responsible for a certain percentage of the Special Taxes, as described in the Owner Annual Report.

The City Annual Report, Owner Annual Report and notices of listed events will be filed with the Municipal Securities Rulemaking Board. The covenants of the City have been made in order to assist the Underwriter in complying with Securities Exchange Commission Rule 15c2-12(b)(5) (the “**Rule**”). The specific nature of the information to be contained in the annual reports or the notices of listed events by the City and the Owner is summarized in “APPENDIX E – Form of Continuing Disclosure Undertakings.”

The City believes it currently is in material compliance with all of its continuing disclosure undertakings. Notwithstanding the foregoing, in the last five years:

(1) The Annual Reports for Fiscal Years 2011, 2012 and 2013 for certain of the City’s then-outstanding obligations were filed between 1 and 950 days after the dates required for such filings.

(2) The Audited Financial Statements of the City for Fiscal Years 2011, 2012 and 2013 for certain of the City’s then-outstanding obligations were filed between 1 and 1,663 days after the dates required for such filings.

(3) The City may not have in a timely manner filed all significant event notices, including notices of changes in the ratings of certain then-outstanding obligations resulting from changes in ratings to the bond insurers who insured such obligations or the underlying rates for such obligations. However, the City has subsequently filed all previous event notices of changes in ratings on all currently outstanding obligations of which it is aware.

[NOTE: Insert information re: Owner Continuing Disclosure compliance.]

The City and the Owner have engaged contract support for the preparation and filing of their respective continuing disclosure reports, in order to ensure compliance with future continuing disclosure obligations.

UNDERWRITING

The Bonds were purchased through negotiation by Piper Jaffray & Co. (the “**Underwriter**”). The Underwriter agreed to purchase the Bonds at a price of \$_____ (which is equal to the par amount of the Bonds, less an original issue discount of \$_____ and less the Underwriter’s discount of \$_____). The initial public offering prices set forth on the cover page hereof may be changed by the Underwriter. The Underwriter may offer and sell the Bonds to certain dealers and others at a price lower than the public offering prices set forth on the cover page hereof.

LEGAL OPINION

The validity of the Bonds and certain other legal matters are subject to the approving opinion of Jones Hall, a Professional Law Corporation, Bond Counsel. A complete copy of the proposed form of Bond Counsel opinion is contained in APPENDIX D to this Official Statement, and the final opinion will be made available to registered owners of the Bonds at the time of delivery. The fees of Bond Counsel are contingent upon the sale and delivery of the Bonds.

TAX MATTERS

In the opinion of Jones Hall, A Professional Law Corporation, San Francisco, California, Bond Counsel, subject, however to the qualifications set forth below, under existing law, the interest on the Bonds is excluded from gross income for federal income tax purposes and such interest is not an item of tax preference for purposes of the federal alternative minimum tax imposed on individuals and corporations; provided, however, that, for the purpose of computing the alternative minimum tax imposed on corporations (as defined for federal income tax purposes), such interest is taken into account in determining certain income and earnings.

The opinions set forth in the preceding paragraph are subject to the condition that the City comply with all requirements of the Internal Revenue Code of 1986, as amended (the "**Tax Code**") that must be satisfied subsequent to the issuance of the Bonds. The City has covenanted to comply with each such requirement. Failure to comply with certain of such requirements may cause the inclusion of such interest in gross income for federal income tax purposes to be retroactive to the date of issuance of the Bonds.

If the initial offering price to the public (excluding bond houses and brokers) at which a Bond is sold is less than the amount payable at maturity thereof, then such difference constitutes "original issue discount" for purposes of federal income taxes and State of California personal income taxes. If the initial offering price to the public (excluding bond houses and brokers) at which a Bond is sold is greater than the amount payable at maturity thereof, then such difference constitutes "original issue premium" for purposes of federal income taxes and State of California personal income taxes. *De minimis* original issue discount and original issue premium is disregarded.

Under the Tax Code, original issue discount is treated as interest excluded from federal gross income and exempt from State of California personal income taxes to the extent properly allocable to each owner thereof subject to the limitations described in the first paragraph of this section. The original issue discount accrues over the term to maturity of the Bond on the basis of a constant interest rate compounded on each interest or principal payment date (with straight-line interpolations between compounding dates). The amount of original issue discount accruing during each period is added to the adjusted basis of such Bonds to determine taxable gain upon disposition (including sale, redemption, or payment on maturity) of such Bond. The Tax Code contains certain provisions relating to the accrual of original issue discount in the case of purchasers of the Bonds who purchase the Bonds after the initial offering of a substantial amount of such maturity. Owners of such Bonds should consult their own tax advisors with respect to the tax consequences of ownership of Bonds with original issue discount, including the treatment of purchasers who do not purchase in the original offering, the allowance of a deduction for any loss on a sale or other disposition, and the treatment of

accrued original issue discount on such Bonds under federal individual and corporate alternative minimum taxes.

Under the Tax Code, original issue premium is amortized on an annual basis over the term of the Bond (said term being the shorter of the Bond's maturity date or its call date). The amount of original issue premium amortized each year reduces the adjusted basis of the owner of the Bond for purposes of determining taxable gain or loss upon disposition. The amount of original issue premium on a Bond is amortized each year over the term to maturity of the Bond on the basis of a constant interest rate compounded on each interest or principal payment date (with straight-line interpolations between compounding dates). Amortized Bond premium is not deductible for federal income tax purposes. Owners of premium Bonds, including purchasers who do not purchase in the original offering, should consult their own tax advisors with respect to State of California personal income tax and federal income tax consequences of owning such Bonds.

Current and future legislative proposals, if enacted into law, clarification of the Tax Code or court decisions may cause interest on the Bonds to be subject, directly or indirectly, to federal income taxation or to be subject to or exempted from state income taxation, or otherwise prevent beneficial owners from realizing the full current benefit of the tax status of such interest. The introduction or enactment of any such legislative proposals, clarification of the Tax Code or court decisions may also affect the market price for, or marketability of, the Bonds. Prospective purchasers of the Bonds should consult their own tax advisors regarding any pending or proposed federal or state tax legislation, regulations or litigation, as to which Bond Counsel expresses no opinion.

In the further opinion of Bond Counsel, interest on the Bonds is exempt from California personal income taxes.

Current and future legislative proposals, if enacted into law, clarification of the Tax Code or court decisions may cause interest on the Bonds to be subject, directly or indirectly, to federal income taxation or to be subject to or exempted from state income taxation, or otherwise prevent beneficial owners from realizing the full current benefit of the tax status of such interest. The introduction or enactment of any such legislative proposals, clarification of the Tax Code or court decisions may also affect the market price for, or marketability of, the Bonds. Prospective purchasers of the Bonds should consult their own tax advisors regarding any pending or proposed federal or state tax legislation, regulations or litigation, as to which Bond Counsel expresses no opinion.

Owners of the Bonds should also be aware that the ownership or disposition of, or the accrual or receipt of interest on, the Bonds may have federal or state tax consequences other than as described above. Bond Counsel expresses no opinion regarding any federal or state tax consequences arising with respect to the Bonds other than as expressly described above.

MISCELLANEOUS

No Ratings

The City has not applied to a rating agency for the assignment of a rating to the Bonds and does not contemplate applying for a rating.

No Litigation

At the time of delivery of and payment for the Bonds, the City Attorney will deliver its opinion that to the best of its knowledge there is no action, suit, proceeding, inquiry or investigation at law or in equity before or by any court or regulatory agency pending against the City affecting its existence or the titles of its officers to office or seeking to restrain or to enjoin the issuance, sale or delivery of the Bonds, the application of the proceeds thereof in accordance with the Fiscal Agent Agreement, or the collection or application of the Special Tax to pay the principal of and interest on the Bonds, or in any way contesting or affecting the validity or enforceability of the Bonds, the Fiscal Agent Agreement or any action of the City contemplated by any of said documents, or in any way contesting the completeness or accuracy of this Official Statement or any amendment or supplement thereto, or contesting the powers of the City or its authority with respect to the Bonds or any action of the City contemplated by any of said documents.

Verification of Mathematical Accuracy

[_____, _____, _____] (the “**Verification Agent**”), independent accountants, upon delivery of the Bonds, will deliver a report on the mathematical accuracy of certain computations, contained in schedules provided to them which were prepared by the City and the Underwriter, relating to the sufficiency of moneys and securities deposited into the Escrow Fund to pay, when due, the principal, whether at maturity or upon prior prepayment, interest and prepayment premium requirements of the 2008 Bonds.

The report of the Verification Agent will include the statement that the scope of its engagement is limited to verifying the mathematical accuracy of the computations contained in such schedules provided to it, and that it has no obligation to update its report because of events occurring, or data or information coming to its attention, subsequent to the date of its report.

Municipal Advisor

The City has retained FirstSouthwest, a Division of Hilltop Securities Inc., Santa Monica, California, as municipal advisor (the “**Municipal Advisor**”) in connection with the planning, structuring and issuance of the Bonds. The Municipal Advisor is not obligated to undertake, and has not undertaken to make, an independent verification or assume responsibility for the accuracy, completeness, or fairness of the information contained in this Official Statement. The fees of the Municipal Advisor are contingent upon the sale and delivery of the Bonds.

Execution

The execution and delivery of this Official Statement by the City has been duly authorized by the City Council on behalf of the District.

CITY OF ROSEVILLE

By: _____
Finance Director

APPENDIX A

RATE AND METHOD OF APPORTIONMENT OF SPECIAL TAX

APPENDIX B

THE CITY OF ROSEVILLE AND PLACER COUNTY

The City of Roseville (the “City”) is located in Placer County (the “County”), in California’s Sacramento Valley near the foothills of the Sierra Nevada mountain range, about 16 miles northeast of Sacramento and 110 miles east of San Francisco. The City, with a population estimated to be approximately 128,382 at January 1, 2015, is the largest city in the County, as well as the residential and industrial center of the County.

The City has warm summers typical of central California, with an average July temperature of 77 degrees. Winter temperatures are moderate; the average January temperature is 46 degrees. The temperature drops below freezing an average of eight days per year. Rainfall averages 20 inches annually and falls mostly during the winter.

There is a wide variety of land uses within the City. Most of the City’s residential neighborhoods are located west of Interstate Highway 80; industrial facilities, including Hewlett-Packard, NEC Electronics, Inc. and Consolidated Communications, Inc. (CCI) are concentrated in the north Roseville area.

Municipal Government

The City was incorporated on April 10, 1909 and is a charter city. The City operates under the council-manager form of government, with a five-member City Council elected at large for staggered four-year terms. At each election, the council member receiving the most votes is appointed mayor pro-tempore for two years and becomes mayor for the final two years.

City services include, among others, police and fire protection, library services, street maintenance, and parks and recreation. The City also owns two golf courses and provides its own electricity, water, sewer and refuse services to its citizens.

Population

The City’s population has increased substantially over the past five years.

City of Roseville Population - 2011 through 2015

<u>Year</u>	<u>City of Roseville</u>	<u>Placer County</u>	<u>State of California</u>
2011	120,307	351,463	37,427,946
2012	122,102	355,450	37,668,804
2013	124,673	360,802	37,984,138
2014	126,956	366,115	38,340,074
2015	128,382	369,454	38,714,725

Effective Buying Income

Effective buying income (“EBI”) is designated as personal income less personal tax and non-tax payments. Personal income is the aggregate of wages and salaries, other labor income (such as employer contributions to private pension funds), proprietor’s income, rental income (which includes imputed rental income of Owner-occupants of non-farm dwellings), dividends paid by corporations, personal interest income from all sources, and transfer payments (such as pensions and welfare assistance). Deducted from this total are personal taxes (federal, state and local), non-tax payments (such as fines, fees, penalties), and personal contributions for social insurance. Effective buying income is a bulk measure of market potential. It indicates the general ability to buy and is essential in comparing, selecting and grouping markets on that basis. The following table demonstrates the growth in annual estimated EBI for the County, the State of California and the United States.

The following table summarizes the total effective buying income for the County, the State and the United States for the period 2010 through 2014. Effective buying income data is not yet available for calendar year 2015.

Effective Buying Income As of January 1, 2010 through 2014

Year	Area	Total Effective Buying Income (000's Omitted)	Median Household Effective Buying Income
2010	City of Roseville	\$ 3,073,595	\$55,878
	Placer County	9,455,123	56,109
	California	801,393,028	47,177
	United States	6,365,020,076	41,368
2011	City of Roseville	\$ 3,030,070	\$56,309
	Placer County	9,797,178	55,993
	California	814,578,458	47,062
	United States	6,438,704,664	41,253
2012	City of Roseville	\$ 3,308,060	\$55,367
	Placer County	9,955,120	55,173
	California	864,088,828	47,307
	United States	6,737,867,730	41,358
2013	City of Roseville	\$ 3,327,535	\$56,270
	Placer County	9,811,843	56,393
	California	858,676,636	48,340
	United States	6,982,757,379	43,715
2014	City of Roseville	\$ 3,507,655	\$59,074
	Placer County	10,287,888	58,583
	California	901,189,699	50,072
	United States	7,357,153,421	45,448

Employment and Industry

The unemployment rate in the Sacramento-Arden Arcade-Roseville MSA (which is comprised of El Dorado, Placer, Sacramento and Yolo Counties) was 5.4% in February 2016, down from a revised 5.5% in January 2016, and below the year-ago estimate of 6.4%. This compares with an unadjusted unemployment rate of 5.7 percent for California and 5.2% for the nation during the same period. The unemployment rate was 5.4% in El Dorado County, 4.6% in Placer County, 5.5% in Sacramento County, and 6.6% in Yolo County.

The following table summarizes the civilian labor force, employment and unemployment, as well as employment by industry, in the Sacramento Arden Arcade Rocklin Metropolitan Statistical Area (which is comprised of Sacramento, Placer and El Dorado Counties) for the years 2011 through 2015.

Sacramento Arden Arcade Roseville Metropolitan Statistical Area (El Dorado, Placer, Sacramento, and Yolo Counties) Civilian Labor Force, Employment and Unemployment Annual Averages

Construction Permits

The County's 2015-2016 assessment roll totaled \$63.4 billion as compared to the prior year's assessment roll of \$58.2 billion, which reflected an 8.89% increase this year. These numbers over the last two years contrast with the real estate decline years of 2008 and after, where the County assessment roll experienced declines.

In January of 2016, the City issued 27 single-family building permits and 3 commercial building permits. The City maintains building permit data, which can be viewed on its website.

The following table shows valuations of residential and non-residential building permits issued for calendar years 2010 through 2014. Annual figures are not yet available for 2015.

Transportation

The County's transportation network is an integral part of its development. Centrally located in the State, the area is the hub of several major highways. Interstate 80 runs through the County, connecting San Francisco to New York. Highway 65 runs north from I-80 to Lincoln and Marysville. Interstate 5, which is west of the County, runs north to Seattle and south to Los Angeles. In the City, the major highways in the area are Interstate 80 and Interstate 5, and State Highways 65, 50, and 99.

Union Pacific Railroad bought Southern Pacific in 1996 and the J.R. Davis Yard, located in the City, is the largest rail facility on the West Coast. Union Pacific owns and operates track in 23 states, primarily west of the Mississippi River. Amtrak provides passenger service daily to San Francisco and San Jose, and the California Zephyr connects the County to the Midwest and Chicago.

Greyhound operates a station in the City, providing interstate destination services. Greyhound also operates throughout the County, with bus depots or regularly scheduled stops in most of the communities along major highways and roads.

Sacramento International Airport serves the area in and around the City. Served by ten major carriers and several commuter airlines, as well as airfreight carriers, the airport handles passenger flights to over 140 cities with more than 130 scheduled departures per day and 4.3 million passengers annually. Nearby Auburn Municipal Airport serves charter and private aircraft for coastal, state and transcontinental flights. Executive air service is available as well. Auburn Municipal has an elevation of 1,520 feet and an east/west runway 3,100 feet in length.

Several trucking companies serve the County, ranging from interstate lines to local haulers, and transporting a wide variety of goods. United Parcel Service, with a distribution center in Rocklin, offers freight transportation services as well.

APPENDIX C
THE APPRAISAL

APPENDIX D
FORM OF OPINION OF BOND COUNSEL

[Closing Date]

City Council
City of Roseville
311 Vernon Street
Roseville, California 95678

OPINION: \$_____ City of Roseville, The Fountains Community Facilities
District No. 1 (Public Facilities) Special Tax Refunding Bonds, Series 2016

Members of the City Council:

We have acted as bond counsel to the City of Roseville (the "City") in connection with the delivery by the City of the above-referenced bonds (the "Bonds"), issued pursuant to the provisions of the Mello-Roos Community Facilities Act of 1982, as amended, being California Government Code Section 53311, *et seq.* (the "Act"), and pursuant to a Fiscal Agent Agreement dated as of _____ 1, 2016 (the "Fiscal Agent Agreement"), by and between the City, for and on behalf of its The Fountains Community Facilities District No.1 (Public Facilities), and The Bank of New York Mellon Trust Company, N.A., as fiscal agent. We have examined the Act, an executed copy of the Fiscal Agent Agreement and such certified proceedings and other papers as we deem necessary to render this opinion.

As to questions of fact material to our opinion, we have relied upon representations of the City contained in the Fiscal Agent Agreement and in the certified proceedings and other certifications of public officials furnished to us, without undertaking to verify the same by independent investigation.

Based upon our examination we are of the opinion, under existing law, that:

1. The City is a charter city duly organized and existing under the laws of the State of California, with power to enter into the Fiscal Agent Agreement, to perform the agreements on its part contained therein and to issue the Bonds.
2. The Bonds have been duly authorized, executed and delivered by the City and are legal, valid and binding limited obligations of the City, payable solely from the sources provided therefor in the Fiscal Agent Agreement.
3. The Fiscal Agent Agreement has been duly approved by the City and constitutes a legal, valid and binding obligation of the City enforceable against the City in accordance with its terms.
4. Pursuant to the Act, the Fiscal Agent Agreement establishes a valid lien on and pledge of the Special Tax Revenues (as such term is defined in the Fiscal Agent Agreement) for the security of the Bonds.

5. Interest on the Bonds is excluded from gross income for federal income tax purposes and is not an item of tax preference for purposes of the federal alternative minimum tax imposed on individuals and corporations; it should be noted, however, that for the purpose of computing the alternative minimum tax imposed on corporations (as defined for federal income tax purposes), such interest is taken into account in determining certain income and earnings. The opinion set forth in the preceding sentence is subject to the condition that the City complies with all requirements of the Internal Revenue Code of 1986 that must be satisfied subsequent to the issuance of the Bonds in order that interest thereon be, or continue to be, excluded from gross income for federal income tax purposes. The City has covenanted to comply with each such requirement. Failure to comply with certain of such requirements may cause the inclusion of interest on the Bonds in gross income for federal income tax purposes to be retroactive to the date of issuance of the Bonds. We express no opinion regarding other federal tax consequences arising with respect to the ownership, sale or disposition of the Bonds, or the amount, accrual or receipt of interest on the Bonds.

6. Interest on the Bonds is exempt from personal income taxation imposed by the State of California.

The rights of the owners of the Bonds and the enforceability of the Bonds and the Fiscal Agent Agreement may be subject to bankruptcy, insolvency, reorganization, moratorium and other similar laws affecting creditors' rights heretofore or hereafter enacted and may also be subject to the exercise of judicial discretion in accordance with principles of equity or otherwise in appropriate cases.

This opinion is given as of the date hereof, and we assume no obligation to revise or supplement this opinion to reflect any facts or circumstances that may hereafter come to our attention, or any changes in law that may hereafter occur. Our engagement with respect to this matter has terminated as of the date hereof.

Respectfully submitted,

APPENDIX E

FORM OF CONTINUING DISCLOSURE UNDERTAKINGS

(CITY)

\$ _____

CITY OF ROSEVILLE

THE FOUNTAINS COMMUNITY FACILITIES DISTRICT NO. 1 (PUBLIC FACILITIES) SPECIAL TAX REFUNDING BONDS, SERIES 2016

This Continuing Disclosure Agreement (this "Disclosure Agreement"), dated as of _____, 2016, is executed and delivered by the City of Roseville (the "City") in connection with the issuance of the bonds captioned above (the "Bonds"). The Bonds are being issued pursuant to a Fiscal Agent Agreement, dated as of _____ 1, 2016 (the "Fiscal Agent Agreement"), by and between the City, for and on behalf of its The Fountains Community Facilities District No. 1 (Public Facilities) (the "District"), and The Bank of New York Mellon Trust Company, N.A., as fiscal agent (the "Fiscal Agent"). The City hereby covenants and agrees as follows:

Section 1. Purpose of the Disclosure Agreement. This Disclosure Agreement is being executed and delivered by the City for the benefit of the holders and beneficial owners of the Bonds and in order to assist the Participating Underwriter in complying with the Rule (as defined herein).

Section 2. Definitions. In addition to the definitions set forth above and in the Fiscal Agent Agreement, which apply to any capitalized term used in this Disclosure Agreement unless otherwise defined in this Section, the following capitalized terms shall have the following meanings:

"Annual Report" means any Annual Report provided by the City pursuant to, and as described in, Sections 3 and 4 of this Disclosure Agreement.

"Annual Report Date" means the date that is nine months after the end of the City's fiscal year (currently April 1 based on the City's fiscal year end of June 30).

"Dissemination Agent" means Willdan Financial Services, or any successor Dissemination Agent designated in writing by the City and which has filed with the City a written acceptance of such designation.

"Listed Events" means any of the events listed in Section 5(a) of this Disclosure Agreement.

"MSRB" means the Municipal Securities Rulemaking Board, which has been designated by the Securities and Exchange Commission as the sole repository of disclosure information for purposes of the Rule.

"Official Statement" means the final official statement dated _____, 2016, executed by the City in connection with the issuance of the Bonds.

"Participating Underwriter" means Piper Jaffray & Company, the original underwriter of the Bonds required to comply with the Rule in connection with offering of the Bonds.

“Rule” means Rule 15c2-12(b)(5) adopted by the Securities and Exchange Commission under the Securities Exchange Act of 1934, as it may be amended from time to time.

Section 3. Provision of Annual Reports.

(a) The City shall, or shall cause the Dissemination Agent to, not later than the Annual Report Date, commencing April 1, 2017, with the report for the 2016-17 fiscal year, provide to the MSRB, in an electronic format as prescribed by the MSRB, an Annual Report that is consistent with the requirements of Section 4 of this Disclosure Agreement. Not later than 15 Business Days prior to the Annual Report Date, the City shall provide the Annual Report to the Dissemination Agent (if other than the City). If by 15 Business Days prior to the Annual Report Date the Dissemination Agent (if other than the City) has not received a copy of the Annual Report, the Dissemination Agent shall contact the City to determine if the City is in compliance with the previous sentence. The Annual Report may be submitted as a single document or as separate documents comprising a package, and may include by reference other information as provided in Section 4 of this Disclosure Agreement; provided that the audited financial statements of the City may be submitted separately from the balance of the Annual Report, and later than the Annual Report Date, if not available by that date. If the City’s fiscal year changes, it shall give notice of such change in the same manner as for a Listed Event under Section 5(c). The City shall provide a written certification with each Annual Report furnished to the Dissemination Agent to the effect that such Annual Report constitutes the Annual Report required to be furnished by the City hereunder.

(b) If the City does not provide, or cause the Dissemination Agent to provide, an Annual Report by the Annual Report Date as required in subsection (a) above, the Dissemination Agent shall provide in a timely manner to the MSRB, in an electronic format as prescribed by the MSRB, a notice in substantially the form attached as Exhibit A.

(c) The Dissemination Agent shall:

(1) determine each year prior to the Annual Report Date the then-applicable rules and electronic format prescribed by the MSRB for the filing of annual continuing disclosure reports; and

(2) if the Dissemination Agent is other than the City, file a report with the City and the Participating Underwriter certifying that the Annual Report has been provided pursuant to this Disclosure Agreement, and stating the date it was provided.

Section 4. Content of Annual Reports. The City’s Annual Report shall contain or incorporate by reference the following documents and information:

(a) Audited Financial Statements prepared in accordance with generally accepted accounting principles as promulgated to apply to governmental entities from time to time by the Governmental Accounting Standards Board. If the City’s audited financial statements are not available by the time the Annual Report is required to be filed pursuant to Section 3(a), the Annual Report shall contain unaudited financial statements in a format similar to the financial statements contained in the final Official Statement, and the audited financial statements shall be filed in the same manner as the Annual Report when they become available. This submission should be made with the following caveat:

THE CITY'S ANNUAL FINANCIAL STATEMENT IS PROVIDED SOLELY TO COMPLY WITH THE SECURITIES EXCHANGE COMMISSION STAFF'S INTERPRETATION OF RULE 15C2-12. NO FUNDS OR ASSETS OF THE CITY (OTHER THAN THE PROCEEDS OF THE SPECIAL TAXES LEVIED FOR THE DISTRICT AND SECURING THE BONDS) ARE REQUIRED TO BE USED TO PAY DEBT SERVICE ON THE BONDS AND THE CITY IS NOT OBLIGATED TO ADVANCE AVAILABLE FUNDS FROM THE CITY TREASURY TO COVER ANY DELINQUENCIES. INVESTORS SHOULD NOT RELY ON THE FINANCIAL CONDITION OF THE CITY IN EVALUATING WHETHER TO BUY, HOLD OR SELL THE BONDS.

(b) The following additional items, indicating information as of the previous September 30th, with respect to the Bonds:

(1) Principal amount of Bonds outstanding under the Fiscal Agent Agreement.

(2) Balance in Reserve Fund.

(3) Table indicating Special Tax levy, amount collected, delinquent amount and percent delinquent for the most recent year.

(4) Status of foreclosure proceedings and summary of results of foreclosure sales, if available.

(5) Identity of any delinquent taxpayer, and value-to-lien ratios of applicable properties (using assessed values unless more accurate information is available).

(6) Most recently available total assessed value for all parcels in the District.

(c) For so long as there is any owner of property in the District whose properties in the District collectively represent 10% or more of the Special Taxes, the following information regarding the status of development in the District:

(1) Significant amendments to land use entitlements.

(2) Status of any legislative, administrative and judicial challenges to the construction of the development known to the City.

(3) List of landowners (as shown County Assessor's tax roll) and assessor's parcel number(s) of parcels held by owners whose properties collectively represent 10% or more of the Special Taxes for the current (as of the date of the report) fiscal year.

(d) For so long as any owner of property in the District whose properties in the District collectively represent 10% or more of the total Special Tax for the District, the information contained in Section 4 of the Continuing Disclosure Agreement executed by such property owner at the time of issuance of the Bonds.

(e) In addition to any of the information expressly required to be provided under paragraphs (a), (b) and (c) of this Section, the Issuer shall provide such further information, if any, as may be necessary to make the specifically required statements, in the light of the circumstances under which they are made, not misleading.

Any or all of the items listed above may be included by specific reference to other documents, including official statements of debt issues of the City or related public entities, which are available to the public on the MSRB's Internet web site or filed with the Securities and Exchange Commission. The City shall clearly identify each such other document so included by reference.

Section 5. Reporting of Listed Events.

(a) The City shall give, or cause to be given, notice of the occurrence of any of the following Listed Events with respect to the Bonds:

- (1) Principal and interest payment delinquencies.
- (2) Non-payment related defaults, if material.
- (3) Unscheduled draws on debt service reserves reflecting financial difficulties.
- (4) Unscheduled draws on credit enhancements reflecting financial difficulties.
- (5) Substitution of credit or liquidity providers, or their failure to perform.
- (6) Adverse tax opinions, the issuance by the Internal Revenue Service of proposed or final determinations of taxability, Notices of Proposed Issue (IRS Form 5701-TEB) or other material notices or determinations with respect to the tax status of the Bonds, or other material events affecting the tax status of the Bonds.
- (7) Modifications to rights of security holders, if material.
- (8) Bond calls, if material, and tender offers.
- (9) Defeasances.
- (10) Release, substitution, or sale of property securing repayment of the securities, if material.
- (11) Rating changes.
- (12) Bankruptcy, insolvency, receivership or similar event of the City.
- (13) The consummation of a merger, consolidation, or acquisition involving the City, or the sale of all or substantially all of the assets of the City (other than in the ordinary course of business), the entry into a definitive agreement to undertake such an action, or the termination of a definitive agreement relating to any such actions, other than pursuant to its terms, if material.
- (14) Appointment of a successor or additional Fiscal Agent or the change of name of the Fiscal Agent, if material.

(b) Whenever the City obtains knowledge of the occurrence of a Listed Event, the City shall, or shall cause the Dissemination Agent (if not the City) to, file a notice of such occurrence with the MSRB, in an electronic format as prescribed by the MSRB, in a timely manner not in excess of 10 business days after the occurrence of the Listed Event. Notwithstanding the foregoing, notice of Listed Events described in subsections (a)(8) and (9) above need not be given under this subsection any earlier than the notice (if any) of the underlying event is given to holders of affected Bonds under the Fiscal Agent Agreement.

(c) The City acknowledges that the events described in subparagraphs (a)(2), (a)(7), (a)(8) (if the event is a bond call), (a)(10), (a)(13), and (a)(14) of this Section 5 contain the qualifier “if material” and that subparagraph (a)(6) also contains the qualifier “material” with respect to certain notices, determinations or other events affecting the tax status of the Bonds. The City shall cause a notice to be filed as set forth in paragraph (b) above with respect to any such event only to the extent that it determines the event’s occurrence is material for purposes of U.S. federal securities law. Whenever the City obtains knowledge of the occurrence of any of these Listed Events, the City will as soon as possible determine if such event would be material under applicable federal securities law. If such event is determined to be material, the City will cause a notice to be filed as set forth in paragraph (b) above.

(d) For purposes of this Disclosure Agreement, any event described in paragraph (a)(12) above is considered to occur when any of the following occur: the appointment of a receiver, fiscal agent, or similar officer for the City in a proceeding under the United States Bankruptcy Code or in any other proceeding under state or federal law in which a court or governmental authority has assumed jurisdiction over substantially all of the assets or business of the City, or if such jurisdiction has been assumed by leaving the existing governing body and officials or officers in possession but subject to the supervision and orders of a court or governmental authority, or the entry of an order confirming a plan of reorganization, arrangement, or liquidation by a court or governmental authority having supervision or jurisdiction over substantially all of the assets or business of the City.

Section 6. Identifying Information for Filings with the MSRB. All documents provided to the MSRB under the Disclosure Agreement shall be accompanied by identifying information as prescribed by the MSRB.

Section 7. Termination of Reporting Obligation. The City’s obligations under this Disclosure Agreement shall terminate upon the legal defeasance, prior redemption or payment in full of all of the Bonds. If such termination occurs prior to the final maturity of the Bonds, the City shall give notice of such termination in the same manner as for a Listed Event under Section 5(c).

Section 8. Dissemination Agent. The City may, from time to time, appoint or engage a Dissemination Agent to assist it in carrying out its obligations under this Disclosure Agreement, and may discharge any such Agent, with or without appointing a successor Dissemination Agent. The initial Dissemination Agent will be Willdan Financial Services.

Section 9. Amendment; Waiver. Notwithstanding any other provision of this Disclosure Agreement, the City may amend this Disclosure Agreement, and any provision of this Disclosure Agreement may be waived, provided that the following conditions are satisfied:

(a) if the amendment or waiver relates to the provisions of Sections 3(a), 4 or 5(a), it may only be made in connection with a change in circumstances that arises from a change in legal requirements, change in law, or change in the identity, nature, or status of an obligated person with respect to the Bonds, or type of business conducted;

(b) the undertakings herein, as proposed to be amended or waived, would, in the opinion of nationally recognized bond counsel, have complied with the requirements of the Rule at the time of the primary offering of the Bonds, after taking into account any amendments or interpretations of the Rule, as well as any change in circumstances; and

(c) the proposed amendment or waiver either (1) is approved by holders of the Bonds in the manner provided in the Fiscal Agent Agreement for amendments to the Fiscal Agent Agreement with the consent of holders, or (2) does not, in the opinion of the Fiscal Agent or nationally recognized bond counsel, materially impair the interests of the holders or beneficial owners of the Bonds.

If the annual financial information or operating data to be provided in the Annual Report is amended pursuant to the provisions hereof, the first annual financial information filed pursuant hereto containing the amended operating data or financial information shall explain, in narrative form, the reasons for the amendment and the impact of the change in the type of operating data or financial information being provided.

If an amendment is made to the undertaking specifying the accounting principles to be followed in preparing financial statements, the annual financial information for the year in which the change is made shall present a comparison between the financial statements or information prepared on the basis of the new accounting principles and those prepared on the basis of the former accounting principles. The comparison shall include a qualitative discussion of the differences in the accounting principles and the impact of the change in the accounting principles on the presentation of the financial information, in order to provide information to investors to enable them to evaluate the ability of the City to meet its obligations. To the extent reasonably feasible, the comparison shall be quantitative.

A notice of any amendment made pursuant to this Section 9 shall be filed in the same manner as for a Listed Event under Section 5(c).

Section 10. Additional Information. Nothing in this Disclosure Agreement shall be deemed to prevent the City from disseminating any other information, using the means of dissemination set forth in this Disclosure Agreement or any other means of communication, or including any other information in any Annual Report or notice of occurrence of a Listed Event, in addition to that which is required by this Disclosure Agreement. If the City chooses to include any information in any Annual Report or notice of occurrence of a Listed Event in addition to that which is specifically required by this Disclosure Agreement, the City shall have no obligation under this Disclosure Agreement to update such information or include it in any future Annual Report or notice of occurrence of a Listed Event.

Section 11. Default. In the event of a failure of the City to comply with any provision of this Disclosure Agreement, the Participating Underwriter or any holder or beneficial owner of the Bonds may take such actions as may be necessary and appropriate, including seeking mandate or specific performance by court order, to cause the City to comply with its obligations under this Disclosure Agreement. A default under this Disclosure Agreement shall not be deemed an Event of Default under the Fiscal Agent Agreement, and the sole remedy under this Disclosure

Agreement in the event of any failure of the City to comply with this Disclosure Agreement shall be an action to compel performance.

Section 12. Duties, Immunities and Liabilities of Dissemination Agent. The Dissemination Agent shall have only such duties as are specifically set forth in this Disclosure Agreement, and the City agrees to indemnify and save the Dissemination Agent, its officers, directors, employees and agents, harmless against any loss, expense and liabilities which it may incur arising out of or in the exercise or performance of its powers and duties hereunder, including the costs and expenses (including attorneys fees) of defending against any claim of liability, but excluding liabilities due to the Dissemination Agent's negligence or willful misconduct. The Dissemination Agent shall have no duty or obligation to review any information provided to it hereunder and shall not be deemed to be acting in any fiduciary capacity for the City, the Fiscal Agent, the Bond owners or any other party. The obligations of the City under this Section shall survive resignation or removal of the Dissemination Agent and payment of the Bonds.

The Dissemination Agent shall be paid compensation by the City for its services provided hereunder in accordance with its schedule of fees as amended from time to time, and shall be reimbursed for all reasonable and documented expenses, legal fees and advances made or incurred by the Dissemination Agent in the performance of its duties hereunder.

Section 13. Beneficiaries. This Disclosure Agreement shall inure solely to the benefit of the City, the Fiscal Agent, the Dissemination Agent, the Participating Underwriter and holders and beneficial owners from time to time of the Bonds, and shall create no rights in any other person or entity.

Section 14. Counterparts. This Disclosure Agreement may be executed in several counterparts, each of which shall be regarded as an original, and all of which shall constitute one and the same instrument.

IN WITNESS WHEREOF, the parties hereto have executed this Continuing Disclosure Agreement as of the date first above written.

DISSEMINATION AGENT:

FORM OF CONTINUING DISCLOSURE UNDERTAKINGS

(THE OWNER)

\$ _____

CITY OF ROSEVILLE

THE FOUNTAINS COMMUNITY FACILITIES DISTRICT NO. 1 (PUBLIC FACILITIES) SPECIAL TAX REFUNDING BONDS, SERIES 2016

This Continuing Disclosure Agreement (this "Disclosure Agreement"), dated as of _____, 2016, is executed and delivered by The Roseville Fountains, L.P. (the "Owner") in connection with the issuance by the City of Roseville (the "City") of the bonds captioned above (the "Bonds"). The Bonds are being issued pursuant to a Fiscal Agent Agreement, dated as of _____ 1, 2016 (the "Fiscal Agent Agreement"), by and between the City, for and on behalf of its The Fountains Community Facilities District No. 1 (Public Facilities) (the "District"), and The Bank of New York Mellon Trust Company, N.A., as fiscal agent (the "Fiscal Agent").

The Owner hereby covenants and agrees as follows:

Section 1. Purpose of the Disclosure Agreement. This Disclosure Agreement is being executed and delivered by the Owner for the benefit of the holders and beneficial owners of the Bonds.

Section 2. Definitions. In addition to the definitions set forth above and in the Fiscal Agent Agreement, which apply to any capitalized term used in this Disclosure Agreement unless otherwise defined in this Section, the following capitalized terms shall have the following meanings:

"*Annual Report*" means any Annual Report provided by the Owner pursuant to, and as described in, Sections 3 and 4 of this Disclosure Agreement.

"*Dissemination Agent*" means Willdan Financial Services, or any successor Dissemination Agent designated in writing by the City and which has filed with the City a written acceptance of such designation.

"*Listed Events*" means any of the events listed in Section 5(a) of this Disclosure Agreement.

"*MSRB*" means the Municipal Securities Rulemaking Board, which has been designated by the Securities and Exchange Commission as the sole repository of disclosure information for purposes of the Rule.

"*Official Statement*" means the final official statement dated _____, 2016, executed by the City in connection with the issuance of the Bonds.

"*Participating Underwriter*" shall Piper Jaffray & Co., as the original underwriters of the Bonds.

Section 3. Provision of Annual Reports.

(a) The Owner shall, not later than January 15 of each year (reflecting reported information as of December 31st of the prior year) (the "Annual Report Date") beginning with the report due January 15, 2017 and continuing while this agreement is in effect, provide to the Dissemination Agent an Annual Report which is consistent with the requirements of Section 4 of this Disclosure Agreement with a copy to the City. The Owner shall provide a written certification with each Annual Report furnished to the Dissemination Agent and the Issuer to the effect that the Annual Report is being provided pursuant to this Disclosure Agreement. The Annual Report may be submitted as a single document or as separate documents comprising a package, and may cross-reference other information as provided in Section 4 of this Disclosure Agreement. If the Owner's fiscal year changes, it shall give notice of such change in the manner set forth under Section 5(c).

(b) If by fifteen (15) Business Days prior to the Annual Report Date, the Dissemination Agent has not received a copy of the Annual Report, the Dissemination Agent shall contact the Owner to determine if the Owner is in compliance with subsection (a).

(c) If the Owner is unable to provide to the Dissemination Agent an Annual Report by the date required in subsection (a), the Owner shall send a notice to the Dissemination Agent substantially the form attached as Exhibit A.

(d) The Dissemination Agent shall:

(1) determine each year prior to the Annual Report Date the then-applicable rules and electronic format prescribed by the MSRB for the filing of annual continuing disclosure reports; and

(2) if the Dissemination Agent is other than the City, file a report with the City and the Participating Underwriter certifying that the Annual Report has been provided pursuant to this Disclosure Agreement, and stating the date it was provided.

Section 4. Content of Annual Reports. The Owner's Annual Report shall contain or incorporate by reference the following:

(a) A summary of property within the District sold by the Owner since the date of the Official Statement or the prior Annual Report, as applicable.

(b) A description of any change in the legal structure of the Owner which is material to Bond investors.

(c) Any default in any construction loans or any permanent financing received by the Owner with respect to its property in the District.

(d) Any failure by the Owner to pay prior to delinquency general property taxes, assessments or special taxes with respect to its property in the District.

(e) In addition to any of the information expressly required to be provided under paragraphs (a) – (d) of this Section, the Owner shall provide such further information, if any, as

may be necessary to make the specifically required statements, in the light of the circumstances under which they are made, not misleading.

Any or all of the items listed above may be included by specific reference to other documents, including official statements of debt issues of the Owner, which are available to the public on the MSRB's Internet web site or filed with the Securities and Exchange Commission. The Owner shall clearly identify each such other document so included by reference.

Section 5. Reporting of Significant Events.

(a) Pursuant to the provisions of this Section 5, the Owner shall give, to the Dissemination Agent, notice of the occurrence of any of the following events with respect to the Bonds, if material:

- (i) The discovery of toxic material or hazardous waste which will require remediation on any property owned by the Owner subject to the Special Tax.
- (ii) Initiation of bankruptcy proceedings (whether voluntary or involuntary) by the Owner or any related entity.

(b) Whenever the Owner obtains knowledge of the occurrence of an event described in section (a), the Owner shall as soon as possible determine if such event would be material to Bond investors under applicable federal securities laws.

(c) If the Owner determines that knowledge of the occurrence of such event would be material under applicable federal securities laws, the Owner shall promptly provide a notice of such occurrence to the Dissemination Agent, with a copy to the City.

Section 6. Identifying Information for Filings with the MSRB. All documents provided to the MSRB under the Disclosure Agreement shall be accompanied by identifying information as prescribed by the MSRB.

Section 7. Termination of Reporting Obligation. The obligations of the Owner and the Dissemination Agent under this Disclosure Agreement shall terminate upon the legal defeasance, prior redemption or payment in full of all of the Bonds. In addition the Owner shall have no obligations hereunder if the Special Tax of the District on all property within the District owned by the Owner and affiliates or partners thereof is less than twenty percent (20%) of the total Special Tax for the entire District. If such termination occurs prior to the final maturity of the Bonds, the Owner shall give notice of such termination in the manner set forth under Section 5. [Note: Consider requiring assumption agreement be entered into by new owner.]

Section 8. Dissemination Agent. The City may, from time to time, appoint or engage a Dissemination Agent to assist it in carrying out its obligations under this Disclosure Agreement, and may discharge any such Agent, with or without appointing a successor Dissemination Agent. The initial Dissemination Agent will be Willdan Financial Services.

Section 9. Amendment; Waiver. Notwithstanding any other provision of this Disclosure Agreement, the Owner may amend this Disclosure Agreement, and any provision of this Disclosure Agreement may be waived, provided that the following conditions are satisfied:

(a) if the amendment or waiver relates to the provisions of Sections 3(a), 4 or 5(a), it may only be made in connection with a change in circumstances that arises from a change in legal requirements, change in law, or change in the identity, nature, or status of an obligated person with respect to the Bonds, or type of business conducted; and

(b) the proposed amendment or waiver either (1) is approved by holders of the Bonds in the manner provided in the Fiscal Agent Agreement for amendments to the Fiscal Agent Agreement with the consent of holders, or (2) does not, in the opinion of the Fiscal Agent or nationally recognized bond counsel, materially impair the interests of the holders or beneficial owners of the Bonds.

In the event of any amendment or waiver of a provision of this Disclosure Agreement, the Owner shall describe such amendment in the next Annual Report, and shall include, as applicable, a narrative explanation of the reason for the amendment or waiver and its impact on the type of information being presented by the Owner. A notice of the change in the accounting principles shall be filed in the same manner as for a Listed Event under Section 5.

Section 10. Additional Information. Nothing in this Disclosure Agreement shall be deemed to prevent the Owner from disseminating any other information, using the means of dissemination set forth in this Disclosure Agreement or any other means of communication, or including any other information in any Annual Report or notice of occurrence of an event under Section 5, in addition to that which is required by this Disclosure Agreement. If the Owner chooses to include any information in any Annual Report or notice of occurrence of an event under Section 5 in addition to that which is specifically required by this Disclosure Agreement, the Owner shall have no obligation under this Disclosure Agreement to update such information or include it in any future Annual Report or notice of occurrence of an event under Section 5.

Section 11. Default. In the event of a failure of the Owner to comply with any provision of this Disclosure Agreement, any holder or beneficial owner of the Bonds may take such actions as may be necessary and appropriate, including seeking mandate or specific performance by court order, to cause the Owner to comply with its obligations under this Disclosure Agreement. A default under this Disclosure Agreement shall not be deemed an Event of Default under the Fiscal Agent Agreement, and the sole remedy under this Disclosure Agreement in the event of any failure of the Owner to comply with this Disclosure Agreement shall be an action to compel performance.

Section 12. Duties, Immunities and Liabilities of Dissemination Agent. The Dissemination Agent shall have only such duties as are specifically set forth in this Disclosure Agreement, and the Owner agrees to indemnify and save the Dissemination Agent, its officers, directors, employees and agents, harmless against any loss, expense and liabilities which it may incur arising out of or in the exercise or performance of its powers and duties hereunder, including the costs and expenses (including attorneys fees) of defending against any claim of liability, but excluding liabilities due to the Dissemination Agent's negligence or willful misconduct. The Dissemination Agent shall have no duty or obligation to review any information provided to it hereunder and shall not be deemed to be acting in any fiduciary capacity for the Owner, the Fiscal Agent, the Bond owners or any other party. The obligations of Owner City under this Section shall survive resignation or removal of the Dissemination Agent and payment of the Bonds.

Section 13. Beneficiaries. This Disclosure Agreement shall inure solely to the benefit of the Owner, the Fiscal Agent, the Dissemination Agent, the Participating Underwriter and holders

and beneficial owners from time to time of the Bonds, and shall create no rights in any other person or entity.

Section 14. Counterparts. This Disclosure Agreement may be executed in several counterparts, each of which shall be regarded as an original, and all of which shall constitute one and the same instrument.

Section 15. Subsequent Owners. The Owner will require, as a condition of sale of any property which the Owner sells within the Project resulting in a new owner who, together with affiliates or partners thereof, owns at least twenty percent (20%) of the total assessments for the entire District, that such purchaser execute an agreement substantially in the form of this Disclosure Agreement, unless this Disclosure Agreement, as it may be amended from time to time, by its own terms would not require the purchaser to provide any disclosure.

Section 16. Notices. Any notices or communications to or among any of the parties to this Disclosure Agreement may be given as follows:

To the Owner:	The Roseville Fountains, L.P. 540 Fulton Avenue Sacramento, CA 95825 Attn: Chief Financial Officer
---------------	---

To the Dissemination Agent:	Willdan Financial Services
-----------------------------	----------------------------

To the Issuer/City:	City of Roseville 311 Vernon Street Roseville, CA 95678 Attn: CFD Administrator
---------------------	--

Any person may, by written notice to the other persons listed above, designate a different address or telephone number(s) to which subsequent notices or communications should be sent.

IN WITNESS WHEREOF, the parties hereto have executed this Continuing Disclosure Agreement as of the date first above written.

APPENDIX F

DTC AND THE BOOK-ENTRY ONLY SYSTEM

The following description of the Depository Trust Company (“DTC”), the procedures and record keeping with respect to beneficial ownership interests in the Bonds, payment of principal, interest and other payments on the Bonds (herein, the “Securities”) to DTC Participants or Beneficial Owners, confirmation and transfer of beneficial ownership interest in the Securities and other related transactions by and between DTC, the DTC Participants and the Beneficial Owners is based solely on information provided by DTC. Accordingly, no representations can be made concerning these matters and neither the DTC Participants nor the Beneficial Owners should rely on the foregoing information with respect to such matters, but should instead confirm the same with DTC or the DTC Participants, as the case may be.

Neither the issuer of the Securities (the “Issuer”) nor the fiscal agent appointed with respect to the Securities (the “Agent”) takes any responsibility for the information contained in this Appendix.

No assurances can be given that DTC, DTC Participants or Indirect Participants will distribute to the Beneficial Owners (a) payments of interest, principal or premium, if any, with respect to the Securities, (b) certificates representing ownership interest in or other confirmation or ownership interest in the Securities, or (c) redemption or other notices sent to DTC or Cede & Co., its nominee, as the registered owner of the Securities, or that they will so do on a timely basis, or that DTC, DTC Participants or DTC Indirect Participants will act in the manner described in this Appendix. The current “Rules” applicable to DTC are on file with the Securities and Exchange Commission and the current “Procedures” of DTC to be followed in dealing with DTC Participants are on file with DTC.

1. The Depository Trust Company (“DTC”), New York, NY, will act as securities depository for the securities (the “Securities”). The Securities will be issued as fully-registered securities registered in the name of Cede & Co. (DTC’s partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully-registered Security certificate will be issued for each issue of the Securities, each in the aggregate principal amount of such issue, and will be deposited with DTC. If, however, the aggregate principal amount of any issue exceeds \$500 million, one certificate will be issued with respect to each \$500 million of principal amount, and an additional certificate will be issued with respect to any remaining principal amount of such issue.

2. DTC, the world’s largest securities depository, is a limited-purpose trust company organized under the New York Banking Law, a “banking organization” within the meaning of the New York Banking Law, a member of the Federal Reserve System, a “clearing corporation” within the meaning of the New York Uniform Commercial Code, and a “clearing agency” registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments (from over 100 countries) that DTC’s participants (“Direct Participants”) deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants’ accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is

a wholly-owned subsidiary of The Depository Trust & Clearing Corporation ("DTCC"). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("Indirect Participants"). DTC has a Standard & Poor's rating of AA+. The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at www.dtcc.com. *The information contained on this Internet site is not incorporated herein by reference.*

3. Purchases of Securities under the DTC system must be made by or through Direct Participants, which will receive a credit for the Securities on DTC's records. The ownership interest of each actual purchaser of each Security ("Beneficial Owner") is in turn to be recorded on the Direct and Indirect Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Securities are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in Securities, except in the event that use of the book-entry system for the Securities is discontinued.

4. To facilitate subsequent transfers, all Securities deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of Securities with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Securities; DTC's records reflect only the identity of the Direct Participants to whose accounts such Securities are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

5. Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. Beneficial Owners of Securities may wish to take certain steps to augment the transmission to them of notices of significant events with respect to the Securities, such as redemptions, tenders, defaults, and proposed amendments to the Security documents. For example, Beneficial Owners of Securities may wish to ascertain that the nominee holding the Securities for their benefit has agreed to obtain and transmit notices to Beneficial Owners. In the alternative, Beneficial Owners may wish to provide their names and addresses to the registrar and request that copies of notices be provided directly to them.

6. Redemption notices shall be sent to DTC. If less than all of the Securities within an issue are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such issue to be redeemed.

7. Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to Securities unless authorized by a Direct Participant in accordance with DTC's MMI Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to Issuer as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts Securities are credited on the record date (identified in a listing attached to the Omnibus Proxy).

8. Redemption proceeds, distributions, and dividend payments on the Securities will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detail information from Issuer or Agent, on payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC, Agent, or Issuer, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of redemption proceeds, distributions, and dividend payments to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of Issuer or Agent, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.

9. DTC may discontinue providing its services as depository with respect to the Securities at any time by giving reasonable notice to Issuer or Agent. Under such circumstances, in the event that a successor depository is not obtained, Security certificates are required to be printed and delivered.

10. Issuer may decide to discontinue use of the system of book-entry-only transfers through DTC (or a successor securities depository). In that event, Security certificates will be printed and delivered to DTC.

11. The information in this section concerning DTC and DTC's book-entry system has been obtained from sources that Issuer believes to be reliable, but Issuer takes no responsibility for the accuracy thereof.

EXHIBIT A	FORM OF BOND	
-----------	--------------	--

FISCAL AGENT AGREEMENT

THIS FISCAL AGENT AGREEMENT (this "Agreement") is made and entered into as of _____ 1, 2016, by and between the City of Roseville, a municipal corporation and charter city organized and existing under and by virtue of the Constitution and laws of the State of California (the "City"), for and on behalf of the City's The Fountains Community Facilities District No. 1 (Public Facilities) (the "CFD"), and The Bank of New York Mellon Trust Company, N.A., a national banking association organized and existing under the laws of the United States of America, as fiscal agent (the "Fiscal Agent").

R E C I T A L S :

WHEREAS, the City Council of the City formed the CFD under the provisions of the Mello-Roos Community Facilities Act of 1982, as amended, being Chapter 2.5, Part 1, Division 2, Title 5, of the Government Code of the State of California (the "Act"); and

WHEREAS, under the provisions of the Act, on behalf of the CFD, the City issued its City of Roseville The Fountains Community Facilities District No. 1 (Public Facilities) Special Tax Bonds, Series 2008, dated February 21, 2008 (the "Prior Bonds") to finance the costs of facilities constructed and acquired for the CFD (the "Project"); and

WHEREAS, the City wishes to refinance the Prior Bonds to take advantage of current interest rates; and

WHEREAS, the Prior Bonds maturing on or before September 1, 2018 are not subject to optional redemption prior to their maturity and the Prior Bonds maturing on or after September 1, 2019 are subject to optional redemption on September 1, 2018, in whole or in part, at a redemption price equal to 100% of the principal amount of the Prior Bonds to be redeemed on such date, plus accrued interest to the date fixed for redemption; and

WHEREAS, on _____, 2016, for the primary purpose of refinancing the Prior Bonds, the City Council adopted Resolution No. ____-____ (the "Resolution") authorizing the issuance and sale of the City of Roseville The Fountains Community Facilities District No. 1 (Public Facilities) Special Tax Refunding Bonds, Series 2016 (the "Bonds"), by the City for and on behalf of the CFD pursuant to the Act and this Agreement, which special tax refunding bonds shall be issued in a single series; and

WHEREAS, the City has determined that it is in the public interest and for the benefit of the City, the persons responsible for the payment of special taxes and the owners of the Bonds that the City enter into this Agreement to provide for the issuance of the Bonds, the disbursement of proceeds of the Bonds, the disposition of the special taxes securing the bonds, and the administration and payment of the Bonds; and

WHEREAS, the City has determined that all things necessary to cause the Bonds, when authenticated by the Fiscal Agent and issued as provided in the Act, the Resolution and this Agreement, to be legal, valid and binding and limited obligations in accordance with their terms, and all things necessary to cause the creation, authorization, execution and delivery of this Agreement and the creation, authorization, execution and issuance of the Bonds, subject to the terms hereof, have in all respects been duly authorized;

NOW, THEREFORE, in order to establish the terms and conditions upon and subject to which the Bonds are to be issued, and in consideration of the premises and of the mutual covenants contained herein and of the purchase and acceptance of the Bonds by the Owners thereof, and for other valuable consideration, the receipt of which is hereby acknowledged, the City does hereby covenant and agree, for the benefit of the Owners of the Bonds as follows:

ARTICLE I

AUTHORITY AND DEFINITIONS STATUTORY AUTHORITY AND DEFINITIONS

Section 1.01. Authority for this Agreement. This Agreement is entered into pursuant to the provisions of the Act and the Resolution.

Section 1.02. Agreement for Benefit of Bondowners. The provisions, covenants and agreements herein set forth to be performed by or on behalf of the City shall be for the equal benefit, protection and security of the Owners. All of the Bonds, without regard to the time or times of their issuance or maturity, shall be of equal rank without preference, priority or distinction of any of the Bonds over any other thereof, except as expressly provided in or permitted by this Agreement. The Fiscal Agent may become the Owner of any of the Bonds in its own or any other capacity with the same rights it would have if it were not Fiscal Agent.

Section 1.03. Definitions. Unless the context otherwise requires, the terms defined in this Section 1.03 shall, for all purposes of this Agreement, of any Supplemental Agreement, and of any certificate, opinion or other document herein mentioned, have the meanings herein specified. All references herein to "Articles," "Sections" and other subdivisions are to the corresponding Articles, Sections or subdivisions of this Agreement, and the words "herein," "hereof," "hereunder" and other words of similar import refer to this Agreement as a whole and not to any particular Article, Section or subdivision hereof.

"Act" means the Mello-Roos Community Facilities Act of 1982, as amended, being Sections 53311 *et seq.* of the California Government Code.

"*Administrative Expenses*" means any or all of the following: the fees and expenses of the Fiscal Agent (including any fees or expenses of its counsel), the expenses of the City in carrying out its duties hereunder (including, but not limited to, the levying and collection of the Special Taxes, and the foreclosure of the liens of delinquent Special Taxes) including the fees and expenses of its counsel, an allocable share of the salaries of City staff directly related thereto and a proportionate amount of City general administrative overhead related thereto, any amounts paid by the City from its general funds pursuant to Section 6.02, and all other costs and expenses of the City or the Fiscal Agent incurred in connection with the issuance and administration of the Bonds and/or the discharge of their respective duties hereunder (including, but not limited to, the calculation of the levy of the Special Taxes, foreclosures with respect to delinquent taxes, and the calculation of amounts subject to rebate to the United States) and, in the case of the City, in any way related to the administration of the CFD. Administrative Expenses shall include any such expenses incurred in prior years but not yet paid.

"*Agreement*" means this Fiscal Agent Agreement, as it may be amended or supplemented from time to time by any Supplemental Agreement.

"Annual Debt Service" means, for each Bond Year, the sum of (i) the interest due on the Outstanding Bonds in such Bond Year, assuming that the Outstanding Bonds are retired as scheduled, and (ii) the principal amount of the Outstanding Bonds due in such Bond Year.

"Authorized Officer" means, with respect to the City, its City Manager, Treasurer/Chief Financial Officer, Finance Director or City Clerk, or any other Person authorized by the City to perform an act or sign a document on behalf of the City for purposes of this Fiscal Agent Agreement.

"Bonds" means the City of Roseville The Fountains Community Facilities District No. 1 (Public Facilities) Special Tax Refunding Bonds, Series 2016.

"Bond Counsel" means any attorney or firm of attorneys acceptable to the City and nationally recognized for expertise in rendering opinions as to the legality and tax-exempt status of securities issued by public entities.

"Bond Fund" means the fund by that name established pursuant to Section 4.02(A) hereof.

"Bond Year" means each twelve-month period beginning on September 2 in any year and extending to the next succeeding September 1, both dates inclusive; except that the first Bond Year shall begin on the Closing Date and end on September 1, 2016.

"Business Day" means any day other than (i) a Saturday or a Sunday or (ii) a day on which banking institutions in the state in which the Principal Office of the Fiscal Agent is located are authorized or obligated by law or executive order to be closed.

"CDIAC" means the California Debt and Investment Advisory Commission of the office of the State Treasurer of the State of California or any successor agency or bureau thereto.

"CFD" means the City of Roseville The Fountains Community Facilities District No. 1 (Public Facilities) formed pursuant to the Resolution of Formation.

"City" means the City of Roseville, California, and any successor thereto.

"Closing Date" means _____, 2016, the date upon which there is a physical delivery of the Bonds in exchange for the amount representing the purchase price of the Bonds by the Original Purchaser.

"Code" means the Internal Revenue Code of 1986 as in effect on the date of issuance of the Bonds or (except as otherwise referenced herein) as it may be amended to apply to obligations issued on the date of issuance of the Bonds, together with applicable temporary and final regulations promulgated, and applicable official public guidance published, under the Code.

"Continuing Disclosure Agreement" means the Continuing Disclosure Agreement, dated the Closing Date, by and among the City and _____, in its capacity as initial Dissemination Agent, as originally executed and as it may be amended from time to time in accordance with the terms thereof.

"Costs of Issuance Fund" means the fund by that name established pursuant to Section 3.04(A) hereof.

"Cost of Issuance" means items of expense payable or reimbursable directly or indirectly by the City and related to the authorization, sale and issuance of the Bonds, which items of expense shall include, but not be limited to, printing costs, costs of reproducing and binding documents, closing costs, filing and recording fees, initial fees, expenses and charges of the Fiscal Agent, including its first annual administration fee, expenses and fees of counsel to the Fiscal Agent, expenses incurred by the City in connection with the issuance of the Bonds, financial advisor fees, Bond (underwriter's) discount or underwriting fee, legal fees and charges, including bond counsel fees, appraisal fees, charges for execution, transportation and safekeeping of the Bonds and other costs, charges and fees in connection with the foregoing.

"Debt Service" means the scheduled amount of interest and amortization of principal payable on the Bonds during the period of computation, excluding amounts scheduled during such period which relate to principal which has been retired before the beginning of such period.

"Depository" means (a) initially, DTC, and (b) any other securities depository acting as Depository pursuant to Section 2.12.

"DTC" means the Depository Trust Company, New York, New York, and its successors and assigns.

"Escrow Agent" means The Bank of New York Mellon Trust Company, N.A., as escrow agent.

"Escrow Agreement" means the Escrow Agreement, dated the Closing Date, by and between the City and Escrow Agent.

"Facilities" means the facilities authorized to be financed for the CFD pursuant to the Resolution of Formation.

"Fair Market Value" means, with respect to any investment, the price at which a willing buyer would purchase such investment from a willing seller in a bona fide, arm's length transaction (determined as of the date the contract to purchase or sell the investment becomes binding) if the investment is traded on an established securities market (within the meaning of Section 1273 of the Code) and, otherwise, the term "Fair Market Value" means the acquisition price in a bona fide arm's length transaction (as described above) if (i) the investment is a certificate of deposit that is acquired in accordance with applicable regulations under the Code, (ii) the investment is an agreement with specifically negotiated withdrawal or reinvestment provisions and a specifically negotiated interest rate (for example, a guaranteed investment contract, a forward supply contract or other investment agreement) that is acquired in accordance with applicable regulations under the Code, (iii) the investment is a United States Treasury Security - State and Local Government Series that is acquired in accordance with applicable regulations of the United States Bureau of Public Debt, or (iv) any commingled investment fund in which the City and related parties do not own more than a ten percent (10%) beneficial interest therein if the return paid by the fund is without regard to the source of the investment.

"Federal Securities" means any of the following which are non-callable and which at the time of investment are legal investments under the laws of the State of California for funds held

by the Fiscal Agent (the Fiscal Agent entitled to rely upon investment direction from the City as a certification that such investment constitutes a legal investment):

(i) Direct general obligations of the United States of America (including obligations issued or held in book-entry form on the books of the United States Department of the Treasury) and obligations, the payment of principal of and interest on which are directly or indirectly guaranteed by the United States of America, including, without limitation, such of the foregoing which are commonly referred to as "stripped" obligations and coupons; or

(ii) Any of the following obligations of the following agencies of the United States of America: (a) direct obligations of the Export-Import Bank, (b) certificates of beneficial ownership issued by the Farmers Home Administration, (c) participation certificates issued by the General Services Administration, (d) mortgage-backed bonds or pass-through obligations issued and guaranteed by the Government National Mortgage Association, (e) project notes issued by the United States Department of Housing and Urban Development, and (f) public housing notes and bonds guaranteed by the United States of America.

"Fiscal Agent" means the Fiscal Agent appointed by the City and acting as an independent fiscal agent with the duties and powers herein provided, its successors and assigns, and any other corporation or association which may at any time be substituted in its place, as provided in Section 7.01.

"Fiscal Year" means the twelve-month period extending from July 1 in a calendar year to June 30 of the succeeding year, both dates inclusive.

"Interest Payment Dates" means March 1 and September 1 of each year, commencing March 1, 2017.

"Maximum Annual Debt Service" means the largest Annual Debt Service for any Bond Year after the calculation is made through the final maturity date of any Outstanding Bonds.

"Officer's Certificate" means a written certificate of the City signed by an Authorized Officer of the City.

"Ordinance" means any ordinance of the City levying the Special Taxes.

"Original Purchaser" means Piper Jaffray & Co., the first purchaser of the Bonds from the City.

"Outstanding," when used as of any particular time with reference to Bonds, means (subject to the provisions of Section 8.04) all Bonds except (i) Bonds theretofore canceled by the Fiscal Agent or surrendered to the Fiscal Agent for cancellation; (ii) Bonds paid or deemed to have been paid within the meaning of Section 9.03; and (iii) Bonds in lieu of or in substitution for which other Bonds shall have been authorized, executed, issued and delivered by the City pursuant to the Agreement or any Supplemental Agreement.

"Owner" or "Bondowner" means any person who shall be the registered owner of any Outstanding Bond.

"Participating Underwriter" shall have the meaning ascribed thereto in the Continuing Disclosure Agreement.

"Permitted Investments" means any of the following, to the extent that they are lawful investments for City funds at the time of investment, and are acquired at Fair Market Value (the Fiscal Agent entitled to rely upon investment direction from the City as a certification that such investment constitutes a Permitted Investment):

- (i) Federal Securities;
- (ii) any of following obligations of federal agencies not guaranteed by the United States of America: (a) debentures issued by the Federal Housing Administration; (b) participation certificates or senior debt obligations of the Federal Home Loan Mortgage Corporation or Farm Credit Banks (consisting of Federal Land Banks, Federal Intermediate Credit Banks or Banks for Cooperatives); (c) bonds or debentures of the Federal Home Loan Bank Board established under the Federal Home Loan Bank Act, bonds of any federal home loan bank established under said act and stocks, bonds, debentures, participations and other obligations of or issued by the Federal National Mortgage Association, the Student Loan Marketing Association, the Government National Mortgage Association and the Federal Home Loan Mortgage Corporation; and (d) bonds, notes or other obligations issued or assumed by the International Bank for Reconstruction and Development;
- (iii) interest-bearing demand or time deposits (including certificates of deposit) in federal or State of California chartered banks (including the Fiscal Agent and its affiliates), provided that (a) in the case of a savings and loan association, such demand or time deposits shall be fully insured by the Federal Deposit Insurance Corporation, or the unsecured obligations of such savings and loan association shall be rated in one of the top two rating categories by a nationally recognized rating service, and (b) in the case of a bank, such demand or time deposits shall be fully insured by the Federal Deposit Insurance Corporation, or the unsecured obligations of such bank (or the unsecured obligations of the parent bank holding company of which such bank is the lead bank) shall be rated in one of the top two rating categories by a nationally recognized rating service;
- (iv) repurchase agreements with a registered broker/dealer subject to the Securities Investors Protection Corporation Liquidation in the event of insolvency, or any commercial bank provided that: (a) the unsecured obligations of such bank shall be rated in one of the top two rating categories by a nationally recognized rating service, or such bank shall be the lead bank of a banking holding company whose unsecured obligations are rated in one of the top two rating categories by a nationally recognized rating service; (b) the most recent reported combined capital, surplus and undivided profits of such bank shall be not less than \$100 million; (c) the repurchase obligation under any such repurchase obligation shall be required to be performed in not more than thirty (30) days; (d) the entity holding such securities as described in clause (c) shall have a pledged first security interest therein for the benefit of the Fiscal Agent under the California Commercial Code or pursuant to the book-entry procedures described by 31 C.F.R. 306.1 *et seq.* or 31 C.F.R. 350.0 *et seq.* and are rated in one of the top two rating categories by a nationally recognized rating service;

(v) bankers acceptances endorsed and guaranteed by banks described in clause (iv) above;

(vi) obligations, the interest on which is exempt from federal income taxation under Section 103 of the Code and which are rated in the one of the top two rating categories by a nationally recognized rating service;

(vii) money market funds which invest solely in Federal Securities or in obligations described in the preceding clause (ii) of this definition, or money market funds which are rated in the highest rating category by Standard & Poor's Ratings Services or Moody's Investor Service, including such funds for which the Fiscal Agent, its affiliates or subsidiaries provide investment advisory or other management services or for which the Fiscal Agent or an affiliate of the Fiscal Agent serves as investment administrator, shareholder servicing agent, and/or custodian or subcustodian, notwithstanding that (a) the Fiscal Agent or an affiliate of the Fiscal Agent receives fees from funds for services rendered, (b) the Fiscal Agent collects fees for services rendered pursuant to this Agreement, which fees are separate from the fees received from such funds, and (c) services performed for such funds and pursuant to this Agreement may at times duplicate those provided to such funds by the Fiscal Agent or an affiliate of the Fiscal Agent;

(viii) units of a taxable government money market portfolio comprised solely of obligations listed in (i) and (iv) above, including such funds for which the Fiscal Agent, its affiliates or subsidiaries provide investment advisory or other management services or for which the Fiscal Agent or an affiliate of the Fiscal Agent serves as investment administrator, shareholder servicing agent, and/or custodian or subcustodian, notwithstanding that (a) the Fiscal Agent or an affiliate of the Fiscal Agent receives fees from funds for services rendered, (b) the Fiscal Agent collects fees for services rendered pursuant to this Agreement, which fees are separate from the fees received from such funds, and (c) services performed for such funds and pursuant to this Agreement may at times duplicate those provided to such funds by the Fiscal Agent or an affiliate of the Fiscal Agent;

(ix) any investment which is a legal investment for proceeds of the Bonds at the time of the execution of such agreement, and which investment is made pursuant to an agreement between the City or the Fiscal Agent or any successor Fiscal Agent and a financial institution or governmental body whose long term debt obligations are rated in one of the top two rating categories by a nationally recognized rating service;

(x) commercial paper which at the time of purchase is of "prime" quality of the highest ranking or of the highest letter and numerical rating as provided for by Moody's Investors Service, or Standard and Poor's Corporation, of issuing corporations that are organized and operating within the United States and having total assets in excess of five hundred million dollars (\$500,000,000) and having an "AA" or higher rating for the issuer's debentures, other than commercial paper, as provided for by Moody's Investors Service or Standard and Poor's Corporation, and provided that purchases of eligible commercial paper may not exceed 180 days maturity nor represent more than 10 percent of the outstanding paper of an issuing corporation;

(xi) any general obligation of a bank or insurance company whose long term debt obligations are rated in one of the two highest rating categories of a national rating service;

(xii) shares in a common law trust established pursuant to Title 1, Division 7, Charter 5 of the Government Code of the State which invests exclusively in investments permitted by Section 53635 of Title 5, Division 2, Chapter 4 of the Government Code of the State, as it may be amended;

(xiii) shares in the California Asset Management Program;

(xiv) the Local Agency Investment Fund established pursuant to Section 16429.1 of the Government Code of the State of California, *provided, however*, that the Fiscal Agent shall be permitted to make investments and withdrawals in its own name and the Fiscal Agent may restrict investments in the such fund if necessary to keep moneys available for the purposes of this Fiscal Agent Agreement; or

(xv) any other lawful investment for City funds.

"Prepayment Account" means the account within the Bond Fund by that name established pursuant to Section 4.02(A) hereof.

"Principal Office" means the corporate trust office of the Fiscal Agent set forth in Section 9.06, or such other or additional offices as may be designated by the Fiscal Agent.

"Prior Bonds" means the \$11,200,000 original principal amount of bond designated, City of Roseville The Fountains Community Facilities District No. 1 (Public Facilities) Special Tax Bonds, Series 2008.

"Prior Bonds Fiscal Agent" means The Bank of New York Mellon Trust Company, N.A., as fiscal agent with respect to the Prior Bonds under the Prior Bonds Fiscal Agent Agreement.

"Prior Bonds Fiscal Agent Agreement" means the Fiscal Agent Agreement, dated as of February 1, 2008, between the City, for and on behalf of the CFD, and the Prior Bonds Fiscal Agent.

"Qualified Reserve Fund Credit Instrument" means an irrevocable standby or direct-pay letter of credit or surety bond issued by a commercial bank or insurance company and deposited with the Fiscal Agent pursuant to Section 4.03, provided that all of the following requirements are met: (i) the long-term credit rating of such bank or insurance company is rated at the time of issuance in a "AA" Rating Category or higher by either Rating Agency; (ii) such letter of credit or surety bond has a term of at least twelve (12) months; (iii) such letter of credit or surety bond has a stated amount at least equal to the portion of the Reserve Requirement with respect to which funds are proposed to be released pursuant to Section 4.03; and (iv) the Fiscal Agent is authorized pursuant to the terms of such letter of credit or surety bond to draw thereunder an amount equal to any deficiencies which may exist from time to time in the Bond Fund for the purpose of making payments required pursuant to Section 4.03 or the amount to be restored to the Reserve Fund if not timely renewed or extended.

"Rating Agencies" means, as of any date, (i) Moody's, if Moody's then maintains a rating on the Bonds, and (ii) S&P, if S&P then maintains a rating on the Bonds; *"Rating Agency"* means either of the Rating Agencies.

"Rating Category" means any generic rating category of a Rating Agency, without regard to any refinement of such category by plus or minus sign or by numerical or other qualifying designation.

"Record Date" means the fifteenth (15th) day of the month next preceding the month of the applicable Interest Payment Date whether or not such day is a Business Day.

"Regulations" means temporary and permanent regulations promulgated under the Code.

"Reserve Fund" means the fund by that name established pursuant to Section 4.03(A) hereof.

"Reserve Requirement" means an amount equal to the lesser of (i) Maximum Annual Debt Service on the Outstanding Bonds, (ii) 125% of average Annual Debt Service, or (iii) ten percent (10%) of the original principal amount of the Bonds.

"Resolution" means Resolution No. __-2016 adopted by the City Council of the City on _____, 2016 which resolution, among other matters, authorized the issuance of the Bonds.

"Resolution of Formation" means Resolution No. 07-550, adopted by the City Council of the City on October 17, 2007, establishing the CFD for the purpose of providing for the financing of certain public facilities in and for such CFD.

"Series" means a series of bonds issued under this Fiscal Agent Agreement.

"Special Tax Fund" means the fund by that name established by Section 3.03(A) hereof.

"Special Tax Revenues" means the proceeds of the Special Taxes received by the City, including all scheduled payments and delinquent payments thereof, interest and penalties thereon and proceeds of the redemption or sale of property sold as a result of foreclosure of the lien of the Special Taxes, net of the administration charge of the County (currently 1% of the annual tax levy).

"Special Taxes" means the special taxes levied within the CFD pursuant to the Act, the Ordinance and this Agreement.

"Supplemental Agreement" means an agreement the execution of which is authorized by a resolution which has been duly adopted by the City under the Act and which agreement is amendatory of or supplemental to this Agreement, but only if and to the extent that such agreement is specifically authorized hereunder.

"Treasurer" means the duly acting Treasurer of the City or if the City has no Treasurer, the Chief Financial Officer, the Finance Director or other officer of the City serving a similar role.

ARTICLE II

THE BONDS

Section 2.01. Principal Amount; Designation. Under and pursuant to the Act, the Bonds in the aggregate principal amount of _____ Dollars (\$_____) shall be issued for the purpose of (a) refunding and defeasing the Prior Bonds, (b) funding the initial Reserve Requirement, and (c) funding the Costs of Issuance.

Section 2.02. Terms of Bonds.

(A) Form; Denominations. The Bonds shall be issued as fully registered Bonds without coupons in the denomination of \$5,000 or any integral multiple of \$5,000 in excess thereof. Bonds shall be lettered and numbered in a customary manner as determined by the Fiscal Agent.

(B) Date of Bonds. The Bonds shall be dated the Closing Date.

(C) CUSIP Identification Numbers. "CUSIP" identification numbers may be imprinted on the Bonds, but such numbers shall not constitute a part of the contract evidenced by the Bonds and any error or omission with respect thereto shall not constitute cause for refusal of any purchaser to accept delivery of and pay for the Bonds. In addition, failure on the part of the City or the Fiscal Agent to use such CUSIP numbers in any notice to Owners shall not constitute an event of default or any violation of the City's contract with such Owners and shall not impair the effectiveness of any such notice.

(D) Maturities. The Bonds shall be issued as serial bonds and term bonds and shall mature and become payable as follows:

<u>Maturity Date</u> <u>(September 1)</u>	<u>Principal Amount</u>	<u>Interest Rate</u>	<u>Maturity Date</u> <u>(September 1)</u>	<u>Principal Amount</u>	<u>Interest Rate</u>
2017			2028		
2018			2029		
2019			2030		
2020			2031		
2021			2032		
2022			2033		
2023			2034		
2024			2035		
2025			2036		
2026			2037		
2027			2038		

The amounts in the foregoing tables shall be reduced pro rata, in order to maintain substantially level debt service, as a result of any prior partial optional redemption or mandatory redemption of the Bonds.

(E) Interest. The Bonds shall bear interest at the rates set forth above payable on the Interest Payment Dates in each year. Interest shall be calculated on the basis of a

360-day year composed of twelve 30-day months. Each Bond shall bear interest from the Interest Payment Date next preceding the date of authentication thereof unless (i) it is authenticated on an Interest Payment Date, in which event it shall bear interest from such date of authentication, or (ii) it is authenticated prior to an Interest Payment Date and after the close of business on the Record Date preceding such Interest Payment Date, in which event it shall bear interest from such Interest Payment Date, or (iii) it is authenticated prior to the Record Date preceding the first Interest Payment Date, in which event it shall bear interest from the Closing Date; provided, however, that if at the time of authentication of a Bond, interest is in default thereon, such Bond shall bear interest from the Interest Payment Date to which interest has previously been paid or made available for payment thereon.

(F) Method of Payment. Interest on the Bonds (including the final interest payment upon maturity or earlier redemption) is payable by check of the Fiscal Agent mailed on the Interest Payment Dates by first class mail to the registered Owner thereof at such registered Owner's address as it appears on the registration books maintained by the Fiscal Agent at the close of business on the Record Date preceding the Interest Payment Date, or by wire transfer made on such Interest Payment Date upon written instructions received by the Fiscal Agent on or before the Record Date preceding the Interest Payment Date of any Owner of \$1,000,000 or more in aggregate principal amount of Bonds; provided that so long as any Bonds are in book-entry form, payments with respect to such Bonds shall be made by wire transfer or such other method acceptable to the Fiscal Agent. The principal of the Bonds and any premium on the Bonds are payable in lawful money of the United States of America upon surrender of the Bonds at the Principal Office of the Fiscal Agent. All Bonds paid by the Fiscal Agent pursuant to this Section shall be cancelled by the Fiscal Agent. The Fiscal Agent shall destroy the cancelled Bonds and issue a certificate of destruction thereof to the City.

Section 2.03. Redemption.

(A) Redemption Dates.

(i) Optional Redemption. The Bonds maturing on or before September 1, ____ are not subject to redemption prior to maturity. The Bonds maturing on and after September 1, ____ are subject to optional redemption from any source of available funds prior to maturity, in whole, or in part among series and maturities as will be specified by the City and by lot within a maturity, on September 1, ____ and on any date thereafter, at a redemption price equal to [[100% of the principal amount of the Bonds to be redeemed, without premium, plus accrued interest thereon to the date of redemption]].

(ii) Mandatory Redemption From Prepayments. The Bonds are subject to mandatory redemption from prepayments of the Special Tax by property owners, in whole or in part among series and maturities as will be specified by the City and by lot within a maturity, on March 1, 2017 and on any Interest Payment Date thereafter, at the following respective redemption prices (expressed as percentages of the principal amount of the Bonds to be redeemed), plus accrued interest thereon to the date of redemption:

<u>Redemption Date</u>	<u>Redemption Price</u>
September 1, 20__ through March 1, 20__	103%
September 1, 20__ and March 1, 20__	102%
September 1, 20__ and March 1, 20__	101%
September 1, 20__ and thereafter	100%

(iii) Mandatory Sinking-Fund Redemption. The Bonds maturing on September 1, (collectively, the “Term Bonds”) are subject to mandatory sinking payment redemption in part on September 1, _____, and on each September 1 thereafter to maturity, by lot, at a redemption price equal to 100% of their principal amount to be redeemed, without premium, in the aggregate respective principal amounts as set forth in the following tables:

\$ _____ % Term Bonds
Due September 1, 20____

Mandatory Redemption Date (September 1)	Sinking Fund Payment

(maturity)

\$ _____ % Term Bonds
Due September 1, 20____

Mandatory Redemption Date (September 1)	Sinking Fund Payment

(maturity)

The amounts in the foregoing tables will be reduced pro rata, in order to maintain substantially level debt service, as a result of any prior partial optional redemption or special mandatory redemption from Prepayments of the Term Bonds.

The proceeds of any such Prepayment shall be deposited in the Prepayment Account of the Bond Fund and applied by the Fiscal Agent to pay the redemption price of the Bonds.

The City shall give the Fiscal Agent an Officer's Certificate containing notice of its intention to redeem Bonds pursuant to subsections (A)(i) and (A)(ii) not less than sixty (60) days prior to the applicable redemption date and shall provide the Fiscal Agent with a revised sinking fund schedule.

In lieu of redemption, moneys in the Bond Fund may be used and withdrawn by the Fiscal Agent for purchase of Outstanding Bonds, upon the filing with the Fiscal Agent of an Officer's Certificate requesting such purchase, at public or private sale as and when, and at such prices (including brokerage and other charges) as such Officer's Certificate may provide, but in no event may Bonds be purchased at a price in excess of their principal amount, plus interest accrued to the date of purchase.

(B) Redemption Procedure by Fiscal Agent. The Fiscal Agent shall cause notice of any redemption to be mailed by first class mail, postage prepaid, or by customary electronic means, at least thirty (30) days but not more than sixty (60) days prior to the date fixed for

redemption to the respective registered Owners of any Bonds designated for redemption, at their addresses appearing on the Bond registration books in the Principal Office of the Fiscal Agent; but such mailing shall not be a condition precedent to such redemption and failure to mail or to receive any such notice, or any defect therein, shall not affect the validity of the proceedings for the redemption of such Bonds.

Such notice shall state the redemption date and the redemption price and, if less than all of the then Outstanding Bonds are to be called for redemption, shall designate the CUSIP numbers and Bond numbers of the Bonds to be redeemed by giving the individual CUSIP number and Bond number of each Bond to be redeemed or shall state that all Bonds between two stated Bond numbers, both inclusive, are to be redeemed or that all of the Bonds of one or more maturities have been called for redemption, shall state as to any Bond called in part the principal amount thereof to be redeemed, and shall require that such Bonds be then surrendered at the Principal Office of the Fiscal Agent for redemption at the said redemption price, and shall state that further interest on such Bonds will not accrue from and after the redemption date. Any notice of redemption may indicate that such redemption will be conditional upon the Fiscal Agent having sufficient moneys available on the date specified to cause the redemption to occur as provided in the notice.

Upon the payment of the redemption price of Bonds being redeemed, each check or other transfer of funds issued for such purpose shall, to the extent practicable, bear the CUSIP number identifying, by issue and maturity, of the Bonds being redeemed with the proceeds of such check or other transfer.

Whenever provision is made in this Agreement for the redemption of less than all of the Bonds of any maturity, the Fiscal Agent shall select the Bonds to be redeemed, from all Bonds or such given portion thereof of such maturity by lot in any manner which the Fiscal Agent in its sole discretion shall deem appropriate.

Upon surrender of Bonds redeemed in part only, the City shall execute and the Fiscal Agent shall authenticate and deliver to the registered Owner, at the expense of the City, a new Bond or Bonds, of the same series and maturity, of authorized denominations in aggregate principal amount equal to the unredeemed portion of the Bond or Bonds.

The City shall have the right to rescind any notice of prepayment delivered by the Fiscal Agent prior to the date fixed for prepayment.

(C) Effect of Redemption. From and after the date fixed for redemption, if funds available for the payment of the principal of, and interest and any premium on, the Bonds so called for redemption shall have been deposited in the Bond Fund, such Bonds so called shall cease to be entitled to any benefit under this Agreement other than the right to receive payment of the redemption price, and no interest shall accrue thereon on or after the redemption date specified in such notice.

All Bonds redeemed and purchased by the Fiscal Agent pursuant to this Section shall be canceled by the Fiscal Agent. The Fiscal Agent shall destroy the cancelled Bonds and issue a certificate of destruction thereof to the City.

Section 2.04. Form of Bonds. The Bonds, the form of Fiscal Agent's certificate of authentication and the form of assignment, to appear thereon, shall be substantially in the forms, respectively, set forth in Exhibit A attached hereto and by this reference incorporated

herein, with necessary or appropriate variations, omissions and insertions, as permitted or required by this Agreement, the Resolution and the Act.

Section 2.05. Execution of Bonds. The Bonds shall be executed on behalf of the City by the Mayor and the City Clerk of the City who are in office on the date of adoption of this Agreement or at any time thereafter, and the seal of the City may be impressed, imprinted or reproduced by facsimile signature thereon. If any officer whose signature appears on any Bond ceases to be such officer before delivery of the Bonds to the Owner, such signature shall nevertheless be as effective as if the officer had remained in office until the delivery of the Bonds to the Owner. Any Bond may be signed and attested on behalf of the City by such persons as at the actual date of the execution of such Bond shall be the proper officers of the City although at the nominal date of such Bond any such person shall not have been such officer of the City.

Only such Bonds as shall bear thereon a certificate of authentication in substantially the form set forth in Exhibit A, executed and dated by the Fiscal Agent, shall be valid or obligatory for any purpose or entitled to the benefits of this Agreement, and such certificate of authentication of the Fiscal Agent shall be conclusive evidence that the Bonds registered hereunder have been duly authenticated, registered and delivered hereunder and are entitled to the benefits of this Agreement.

Section 2.06. Transfer of Bonds. Any Bond may, in accordance with its terms, be transferred, upon the books required to be kept pursuant to the provisions of Section 2.08 by the person in whose name it is registered, in person or by his duly authorized attorney, upon surrender of such Bond for cancellation, accompanied by delivery of a duly written instrument of transfer in a form acceptable to the Fiscal Agent. The cost for any services rendered or any expenses incurred by the Fiscal Agent in connection with any such transfer shall be paid by the City. The Fiscal Agent shall collect from the Owner requesting such transfer any tax or other governmental charge required to be paid with respect to such transfer.

Whenever any Bond or Bonds shall be surrendered for transfer, the City shall execute and the Fiscal Agent shall authenticate and deliver a new Bond or Bonds, for a like aggregate principal amount of Bonds of authorized denominations and of the same maturity.

No transfers of Bonds shall be required to be made (i) within fifteen (15) days prior to the date established by the Fiscal Agent for selection of Bonds for redemption or (ii) with respect to a Bond after such Bond has been selected for redemption.

Section 2.07. Exchange of Bonds. Bonds may be exchanged at the Principal Office of the Fiscal Agent for a like aggregate principal amount of Bonds of authorized denominations and of the same maturity. The cost for any services rendered or any expenses incurred by the Fiscal Agent in connection with any such exchange shall be paid by the City. The Fiscal Agent shall collect from the Owner requesting such exchange any tax or other governmental charge required to be paid with respect to such exchange.

No exchanges of Bonds shall be required to be made (i) within fifteen (15) days prior to the date established by the Fiscal Agent for selection of Bonds for redemption or (ii) with respect to a Bond after such Bond has been selected for redemption.

Section 2.08. Bond Register. The Fiscal Agent will keep or cause to be kept, at its Principal Office, sufficient books for the registration and transfer of the Bonds (the "Bond

Register"), which books shall show the series number, date, amount, rate of interest and Owner of each Bond and shall at all times be open to inspection by the City during regular business hours upon reasonable notice; and, upon presentation for such purpose, the Fiscal Agent shall, under such reasonable regulations as it may prescribe, register or transfer or cause to be registered or transferred, on said books, the ownership of the Bonds as hereinbefore provided.

Section 2.09. Temporary Bonds. The Bonds may be initially issued in temporary form exchangeable for definitive Bonds when ready for delivery. The temporary Bonds may be printed, lithographed or typewritten, shall be of such denominations as may be determined by the City, and may contain such reference to any of the provisions of this Agreement as may be appropriate. Every temporary Bond shall be executed by the City upon the same conditions and in substantially the same manner as the definitive Bonds. If the City issues temporary Bonds it will execute and furnish definitive Bonds without delay and thereupon the temporary Bonds shall be surrendered, for cancellation, in exchange for the definitive Bonds at the Principal Office of the Fiscal Agent or at such other location as the Fiscal Agent shall designate, and the Fiscal Agent shall authenticate and deliver in exchange for such temporary Bonds an equal aggregate principal amount of definitive Bonds of authorized denominations. Until so exchanged, the temporary bonds shall be entitled to the same benefits under this Agreement as definitive Bonds authenticated and delivered hereunder.

Section 2.10. Bonds Mutilated, Lost, Destroyed or Stolen. If any Bond shall become mutilated, the City shall execute, and the Fiscal Agent shall authenticate and deliver, a new Bond of like tenor and principal amount in exchange and substitution for the Bond so mutilated, but only upon surrender to the Fiscal Agent of the Bond so mutilated. Every mutilated Bond so surrendered to the Fiscal Agent shall be canceled by it and destroyed by the Fiscal Agent who shall deliver a certificate of destruction thereof to the City. If any Bond shall be lost, destroyed or stolen, evidence of such loss, destruction or theft may be submitted to the Fiscal Agent and, if such evidence be satisfactory to it and indemnity for the Fiscal Agent and the City satisfactory to the Fiscal Agent shall be given, the City shall execute, and the Fiscal Agent shall authenticate and deliver, a new Bond of like tenor and principal amount in lieu of and in substitution for the Bond so lost, destroyed or stolen. The City may require payment of a sum not exceeding the actual cost of preparing each new Bond delivered under this Section and of the expenses which may be incurred by the City and the Fiscal Agent for the preparation, execution, authentication and delivery. Any Bond delivered under the provisions of this Section in lieu of any Bond alleged to be lost, destroyed or stolen shall constitute an original additional contractual obligation on the part of the City whether or not the Bond so alleged to be lost, destroyed or stolen is at any time enforceable by anyone, and shall be equally and proportionately entitled to the benefits of this Agreement with all other Bonds issued pursuant to this Agreement.

Section 2.11. Limited Obligation. All obligations of the City under this Agreement and the Bonds shall be special obligations of the City, payable solely from the Special Tax Revenues and the funds pledged therefore hereunder. Neither the full faith and credit nor the taxing power of the City (except to the limited extent set forth herein) or the State of California or any political subdivision thereof is pledged to the payment of the Bonds.

Section 2.12. Book-Entry Only System. DTC shall act as the initial Depository for the Bonds. One Bond for each maturity of the Bonds shall be initially executed, authenticated, and delivered as set forth herein as a separate fully registered certificate (in printed or typewritten form). Upon initial execution, authentication, and delivery, the ownership of the Bonds shall be registered in the Bond Register kept by the Fiscal Agent for the Bonds in the name of Cede & Co, as nominee of DTC or such nominee as DTC shall appoint in writing.

The Authorized Officers and the Fiscal Agent are hereby authorized to take any and all actions as may be necessary and not inconsistent with this Agreement to qualify the Bonds for the Depository's book-entry system, including the execution of the Depository's required representation letter.

With respect to Bonds registered in the Bond Register in the name of Cede & Co, as nominee of DTC, the Fiscal Agent shall not have any responsibility or obligation to any broker-dealer, bank, or other financial institution for which DTC holds Bonds as Depository from time to time (the "DTC Participants") or to any person for which a DTC Participant acquires an interest in the Bonds (the "Beneficial Owners"). Without limiting the immediately preceding sentence, the Fiscal Agent shall not have any responsibility or obligation with respect to (i) the accuracy of the records of DTC, Cede & Co, or any DTC Participant with respect to any ownership interest in the Bonds, (ii) the delivery to any DTC Participant, any Beneficial Owner, or any other person, other than DTC, of any notice with respect to the Bonds, including any notice of redemption or mandatory tender, (iii) the selection by the Depository of the beneficial interests in the Bonds to be redeemed in the event the City elects to redeem the Bonds in part, (iv) the payment to any DTC Participant, any Beneficial Owner, or any other person, other than DTC, of any amount with respect to the principal of or interest on the Bonds, or (v) any consent given or other action taken by the Depository as Owner of the Bonds.

The Fiscal Agent may treat as and deem DTC to be the absolute Owner of each Bond for which DTC is acting as Depository for the purpose of payment of the principal of and interest on such Bonds, for the purpose of giving notices of prepayment and other matters with respect to such Bonds, for the purpose of registering transfers with respect to such Bonds, and for all purposes whatsoever. The Fiscal Agent shall pay all principal of and interest on the Bonds only to the Owners as shown on the Registration Books, and all such payments shall be valid and effective to fully satisfy and discharge all obligations with respect to the principal of and interest on the Bonds to the extent of the sums or sums so paid.

No person other than an Owner, as shown on the Bond Register, shall receive a physical Bond. Upon delivery by DTC to the Fiscal Agent of written notice to the effect that DTC has determined to substitute a new nominee in place of Cede & Co., and subject to the transfer provisions in Section 2.06 hereof, references to "Cede & Co." in this Section 2.12 shall refer to such new nominee of DTC.

DTC may determine to discontinue providing its services with respect to the Bonds at any time by giving written notice to the Fiscal Agent and the City during any time that the Bonds are Outstanding, and discharging its responsibilities with respect thereto under applicable law. The City may terminate the services of DTC with respect to the Bonds if it determines that DTC is unable to discharge its responsibilities with respect to the Bonds or that continuation of the system of book-entry transfers through DTC is not in the best interest of the Beneficial Owners, and the City shall mail notice of such termination to the Fiscal Agent.

Upon the termination of the services of DTC as provided in the previous paragraph, and if no substitute Depository willing to undertake the functions hereunder can be found which is willing and able to undertake such functions upon reasonable or customary terms, or if the City determines that it is in the best interest the Beneficial Owners of the Bonds that they be able to obtain certificated Bonds, the Bonds shall no longer be restricted to being registered in the Bond Register of the Fiscal Agent in the name of Cede & Co., as nominee of DTC, but may

be registered in whatever name or name the Owners shall designate at that time, in accordance with Section 2.06.

To the extent that the Beneficial Owners are designated as the transferee by the Owners, in accordance with Section 2.06, the Bonds will be delivered to such Beneficial Owners as soon as practicable.

Section 2.13. No Acceleration. The principal of the Bonds shall not be subject to acceleration hereunder. Nothing in this Section 2.13 shall in any way prohibit the prepayment or redemption of Bonds under Section 2.03 hereof, or the defeasance of the Bonds and discharge of this Agreement under Section 9.03 hereof.

ARTICLE III

ISSUANCE OF BONDS

Section 3.01. Issuance and Delivery of Bonds. At any time after the execution of this Agreement, the City may issue the Bonds for the CFD in the aggregate principal amount set forth in Section 2.01 or as authorized in any supplemental agreement and deliver such Bonds to the Original Purchaser. The Authorized Officers of the City are hereby authorized and directed to deliver any and all documents and instruments necessary to cause the issuance of Bonds in accordance with the provisions of the Act, the Resolution and this Agreement, to authorize the payment of Costs of Issuance of the Bonds from the proceeds of the Bonds and to do and cause to be done any and all acts and things necessary or convenient for delivery of the Bonds to the Original Purchaser.

Section 3.02. Application of Proceeds of Sale of Bonds.

(a) The proceeds of the purchase of the Bonds by the Original Purchaser in the amount of \$_____ (representing the principal of amount of the Bonds, plus a net original issue premium of \$_____ and less Underwriters' discount of \$_____) shall be paid to the Fiscal Agent, who shall forthwith set aside, pay over and deposit such proceeds on the Closing Date as follows:

- (i) \$_____ of the proceeds of the purchase of the Bonds shall be transferred to the Escrow Agent for deposit into the Escrow Fund established and held by the Escrow Agent under and pursuant to the Escrow Agreement;
- (ii) Deposit in the Reserve Fund \$_____, equaling the initial Reserve Requirement; and
- (iii) Deposit in the Costs of Issuance Fund \$_____.

Section 3.03. Special Tax Fund.

(A) Establishment of Special Tax Fund. There is hereby established as a separate fund to be held by the Treasurer, The Fountains Community Facilities District No. 1 (Public Facilities) Special Tax Refunding Bonds, Special Tax Fund, to the credit of which the City shall deposit, immediately upon receipt, all Special Tax Revenues received by the City and any

amounts required hereunder to be deposited in the Special Tax Fund, and within such fund, a Prepayment Account, to the credit of which the City shall deposit prepayments of Special Taxes described in Section 2.03(A)(ii) above, and a Surplus Account, to the credit of which the City shall deposit surplus Special Tax Revenues described in Section 3.03(B) below. Moneys in the Special Tax Fund shall be held in trust by the City for the benefit of the City and the Owners of the Bonds, shall be disbursed as provided below and, pending any disbursement, shall be subject to a lien in favor of the Owners of the Bonds.

(B) Disbursements. As soon as practicable after the receipt by the City of any Special Tax Revenues, other than from prepayment of Special Taxes, or the transfer of amounts to the Special Tax Fund pursuant to the terms hereof, but no later than ten (10) Business Days after such receipt or transfer, the City shall withdraw from the Special Tax Fund and transfer: (i) to the Fiscal Agent for deposit in the Bond Fund an amount, taking into account any amounts then on deposit in the Bond Fund, such that the amount in the Bond Fund equals the principal, premium, if any, and interest due on the Bonds during the then-current Bond Year, and (ii) to the Fiscal Agent for deposit in the Reserve Fund, an amount which when added to the amount then on deposit therein is equal to the Reserve Requirement.

At such time as deposits to the Special Tax Fund other than from prepayment of Special Taxes equal the principal, premium if any, and interest becoming due on the Bonds for the current Bond Year and the amount needed to restore the Reserve Fund balance to the Reserve Requirement, the amount in the Special Tax Fund in excess of such amount shall be transferred by the City, on or after September 2nd of each year, to the Surplus Account, whereupon such moneys transferred shall be free of the pledge for payment of the Bonds.

Prepayment Account. As soon as practicable after the receipt by the City of any Special Tax Revenues derived from prepayments of the Special Tax, the City shall, from the money in the Special Tax Fund constituting such prepayments, deposit in the Prepayment Account the amount of money constituting such prepayments, and all money in the Prepayment Account shall be used and withdrawn by the City for deposit in the Bond Fund to implement a mandatory redemption of Bonds in accordance with Section 2.03(A)(ii) hereof. To implement such mandatory redemption, the City shall deliver to the Fiscal Agent an Officer's Certificate which includes directions to the Fiscal Agent regarding the Bonds to be redeemed.

Surplus Account. From time to time, the City may withdraw from the Surplus Account of the Special Tax Fund amounts needed to pay Administrative Expenses or other expenses of the CFD authorized under the Act. Moneys in the Surplus Account may, at the City's discretion, also be used to pay the principal of, premium, if any, and interest on the Bonds or to replenish the Reserve Fund to the amount of the Reserve Requirement.

(C) Investment. Moneys in the Special Tax Fund shall be invested and deposited in accordance with Section 6.01. Interest earnings and profits resulting from such investment and deposit shall be retained in the Special Tax Fund to be used for the purposes thereof.

Section 3.04. Costs of Issuance Fund.

(A) Establishment of Costs of Issuance Fund. There is hereby established as a separate fund to be held by the Fiscal Agent, The Fountains Community Facilities District No. 1 (Public Facilities) Special Tax Refunding Bonds, Costs of Issuance Fund, to the credit of which a deposit shall be made as required by Section 3.02(a)(iii). Moneys in the Costs of Issuance

Fund shall be held in trust by the Fiscal Agent and shall be disbursed as provided in subsection (B) of this Section for the payment or reimbursement of Costs of Issuance of the Bonds.

(B) Disbursement. Amounts in the Costs of Issuance Fund shall be disbursed from time to time to pay Costs of Issuance, as set forth in an Officer's Certificate of the City containing respective amounts to be paid to the designated payees and delivered to the Fiscal Agent. The Fiscal Agent shall pay all Costs of Issuance of the Bonds upon receipt of an invoice from any such payee which requests payment in an amount which is less than or equal to the amount set forth with respect to such payee in such Officer's Certificate, or upon receipt of an Officer's Certificate of the City requesting payment of a Cost of Issuance not listed on the initial Officer's Certificate delivered to the Fiscal Agent on the Closing Date of the Bonds. The Fiscal Agent shall maintain the Costs of Issuance Fund for a period of 2 months, from the Closing Date of the Bonds and then shall transfer any moneys remaining therein, including any investment earnings thereon, to the Treasurer for deposit by the Treasurer in the Special Tax Fund. Thereafter, every invoice received by the Fiscal Agent shall be submitted to the Treasurer or Finance Director for payment from amounts on deposit in the Special Tax Fund.

(C) Investment. Moneys in the Costs of Issuance Fund shall be invested and deposited in accordance with Section 6.01. Interest earnings and profits resulting from said investment shall be retained by the Fiscal Agent in the Costs of Issuance Fund to be used for the purposes of such fund.

ARTICLE IV

SPECIAL TAX REVENUES; BOND FUND AND RESERVE FUND

Section 4.01. Pledge of Special Tax Revenues and Other Amounts. All of the Special Tax Revenues and all moneys deposited in the Bond Fund, the Reserve Fund and the Special Tax Fund are hereby pledged to secure the repayment of the Bonds. Such pledge shall constitute a first lien on the Special Tax Revenues and said amounts. The Special Tax Revenues and all moneys deposited into such funds (except as otherwise provided herein) are hereby dedicated in their entirety to the payment of the principal of, including any mandatory sinking fund payments, and interest and any premium on, the Bonds as provided herein and in the Act until all of the Bonds have been paid and retired or until moneys or Federal Securities have been set aside irrevocably for that purpose in accordance with Section 9.03.

Amounts in the Costs of Issuance Fund are not pledged to the repayment of the Bonds. The facilities acquired with the proceeds of the Prior Bonds and the amounts deposited into the Escrow Fund pursuant to Section 3.02 are not in any way pledged to pay the Debt Service on the Bonds. Any proceeds of condemnation, destruction or other disposition of any facilities financed with the proceeds of the Prior Bonds are not pledged to pay the Debt Service on the Bonds and are free and clear of any lien or obligation imposed hereunder.

Section 4.02. Bond Fund.

(A) Establishment of Bond Fund. There is hereby established as a separate fund to be held by the Fiscal Agent, The Fountains Community Facilities District No. 1 (Public Facilities) Special Tax Refunding Bonds, Bond Fund, to the credit of which deposits shall be made as required by Section 3.02, clause (ii) of Section 3.03(B), Section 4.03 and any other amounts required to be deposited therein by this Agreement or the Act. Moneys in the Bond

Fund shall be held in trust by the Fiscal Agent for the benefit of the Owners of the Bonds, shall be disbursed for the payment of the principal of, and interest and any premium on, the Bonds as provided below, and, pending such disbursement, shall be subject to a lien in favor of the Owners of the Bonds.

Within the Bond Fund there is hereby established the Prepayment Account, which shall be used exclusively for the administration of any prepayments of Special Taxes to assure the timely redemption of Bonds. Monies in the Prepayment Account shall be used to redeem Bonds on the redemption date specified in the notice to the Fiscal Agent given pursuant to Section 2.03. In the event all of the Special Taxes are prepaid in full, the Prepayment Account shall be closed.

(B) Disbursements. On each Interest Payment Date, the Fiscal Agent shall withdraw from the Bond Fund and pay to the Owners of the Bonds the principal of, and interest and any premium, then due and payable on the Bonds, including any amounts due on the Bonds by reason of the sinking payments set forth in Section 2.03(A)(iii) or any redemption of the Bonds under Section 2.03(A)(i); provided, however, that if the amounts so transferred under this Section 4.02(B) equal the amount due on the Bonds for the then-current Bond Year and if there is excess moneys in the Bond Fund, such excess shall be paid to the City upon receiving a request from an Authorized Officer to do so.

In the event that amounts in the Bond Fund are insufficient to pay regularly scheduled payments of principal of and interest on the Bonds, the Fiscal Agent shall withdraw from the Reserve Fund to the extent of any funds therein, the amount of such insufficiency, and the Fiscal Agent shall provide written notice to the Treasurer or Finance Director of the amounts so withdrawn from the Reserve Fund. Amounts so withdrawn from the Reserve Fund shall be deposited in the Bond Fund.

If, after the foregoing transfer, there are insufficient funds in the Bond Fund to make the payments provided for to pay regularly scheduled payments of principal of and interest on the Bonds, the Fiscal Agent shall apply the available funds first to the payment of interest on the Bonds, then to the payment of principal due on the Bonds other than by reason of sinking payments, and then to payment of principal due on the Bonds by reason of sinking payments. Any sinking payment not made as scheduled shall be added to the sinking payment to be made on the next sinking payment date.

(C) Investment. Moneys in the Bond Fund shall be invested and deposited in accordance with Section 6.01. Interest earnings and profits resulting from such investment and deposit shall be retained in the Bond Fund to be used for the purposes of such fund.

(D) Deficiency. If ten days before any Interest Payment Date it appears to the Fiscal Agent that there is a danger of deficiency in the Bond Fund and that the Fiscal Agent may be unable to pay regularly scheduled debt service on the Bonds in a timely manner, the Fiscal Agent shall report to the Treasurer or Finance Director such fact. The City covenants to increase the levy of the Special Taxes in the next Fiscal Year (subject to the maximum amount authorized by the Resolution of Formation) in accordance with the procedures set forth in the Act for the purpose of curing Bond Fund deficiencies.

If on any Interest Payment Date the Fiscal Agent is unable to pay principal, interest and premium, if any, due on any Interest Payment Date for the Bonds due to insufficient funds in the Bond Fund, or if funds are withdrawn from the Reserve Fund to pay principal and/or

interest on the Bonds the Fiscal Agent shall notify the Treasurer or Finance Director in writing of such fact, and the Treasurer or Finance Director shall notify CDIAC of such fact within 10 days of such Interest Payment Date. The Fiscal Agent has no obligation under this Agreement to provide notice or disclosure to the Bondowners of insufficient funds or anticipation of deficiency in the Bond Fund.

Section 4.03. Reserve Fund.

(A) Establishment of Fund. There is hereby established as a separate fund to be held by the Fiscal Agent, The Fountains Community Facilities District No. 1 (Public Facilities) Special Tax Refunding Bonds, Reserve Fund, to the credit of which a deposit shall be made as required by Section 3.02 and deposits shall be made as provided in Section 3.03(B). Moneys in the Reserve Fund shall be held in trust by the Fiscal Agent for the benefit of the Owners of the Bonds as a reserve for the payment of principal of, and interest on, the Bonds and shall be subject to a lien in favor of the Owners of the Bonds.

The City has the right at any time to cause the Fiscal Agent to release funds from the Reserve Fund, in whole or in part, by tendering to the Fiscal Agent: (1) a Qualified Reserve Fund Credit Instrument, and (2) an opinion of Bond Counsel stating that such release will not, of itself, cause the portion of the interest on the Bonds to become includable in gross income for purposes of federal income taxation. Upon tender of such items to the Fiscal Agent, the Fiscal Agent will transfer such funds from the Reserve Fund to the City. Prior to the expiration of any Qualified Reserve Fund Credit Instrument, the City is obligated either to replace such Qualified Reserve Fund Credit Instrument with a new Qualified Reserve Fund Credit Instrument, or to deposit or cause to be deposited with the Fiscal Agent an amount of funds such that the funds on deposit in the Reserve Fund together with all Qualified Reserve Fund Credit Instruments held by the Fiscal Agent is at least equal to the Reserve Requirement (which funds may come from a draw by the Fiscal Agent on the Qualified Reserve Fund Credit Instrument prior to its expiration). Any Qualified Reserve Fund Credit Instrument deposited with the Fiscal Agent shall contain instructions to the Fiscal Agent with respect to the purpose and use thereof.

(B) Use of Fund. Except as otherwise provided in this Section, all amounts deposited in the Reserve Fund shall be used and withdrawn by the Fiscal Agent solely for the purpose of making transfers to the Bond Fund in the event of any deficiency within five days prior to any Interest Payment Date in the Bond Fund of the amount required for payment of the principal of, and interest on, the Bonds on such Interest Payment Date. Whenever transfer is made from the Reserve Fund to the Bond Fund due to a deficiency in the Bond Fund, the Fiscal Agent shall provide written notice thereof to the Treasurer or Finance Director.

(C) Transfer of Excess of Reserve Requirement. Whenever, on the Business Day prior to any Interest Payment Date, the amount in the Reserve Fund exceeds the then applicable Reserve Requirement, the Fiscal Agent shall provide written notice to the Treasurer or Finance Director of the amount of the excess and, following any transfer required pursuant to Section 4.03(D) below, shall transfer an amount equal to the excess from the Reserve Fund to the Bond Fund to be used for the payment of the principal of and interest on the Bonds in accordance with Section 4.02; provided, however, that to the extent that such excess results from the prepayment of Special Taxes, such amount shall be transferred to the Prepayment Account and applied to the corresponding redemption of Bonds.

(D) Transfer for Rebate Purposes. Investment earnings on amounts in the Reserve Fund may be withdrawn from the Reserve Fund for purposes of making payment to the federal government to comply with Section 6.02.

(E) Transfer When Balance Exceeds Outstanding Bonds. Whenever the balance in the Reserve Fund exceeds the amount required to redeem or pay the Outstanding Bonds, including interest accrued to the date of payment or redemption and premium, if any, due upon redemption, and after making any transfer required under Section 4.03(D) above and upon receipt of an Officer's Certificate directing it to do so, the Fiscal Agent shall transfer the amount in the Reserve Fund to the Bond Fund to be applied, on the next succeeding Interest Payment Date to the payment and redemption, in accordance with Section 4.02 or 2.03 as applicable, of all of the Outstanding Bonds. In the event that the amount so transferred from the Reserve Fund to the Bond Fund exceeds the amount required to pay and redeem the Outstanding Bonds, the balance in the Reserve Fund shall be transferred to the City, after payment of any amounts due the Fiscal Agent hereunder, to be used for any lawful purpose of the City.

Notwithstanding the foregoing, no amounts shall be transferred from the Reserve Fund pursuant to this Section 4.03(E) until after the calculation, pursuant to Section 6.02, of any amounts due to the federal government following payment of the Bonds and withdrawal of any such amount under Section 4.03(D) for purposes of making such payment to the federal government, and payment of any fees and expenses due to the Fiscal Agent.

(F) Investment. Moneys in the Reserve Fund shall be invested and deposited in accordance with Section 6.01. Interest earnings and profits resulting from such investment and deposit shall be retained in the Reserve Fund to be used and disbursed as provided in this Section 4.03.

ARTICLE V

OTHER COVENANTS OF THE CITY

Section 5.01. Punctual Payment. The City will punctually pay or cause to be paid the principal of, and interest and any premium on, the Bonds when and as due in strict conformity with the terms of this Agreement, and it will faithfully observe and perform all of the conditions covenants and requirements of this Agreement and all Supplemental Agreements and of the Bonds.

Section 5.02. Limited Obligation. The Bonds are limited obligations of the City on behalf of the CFD and are payable solely from and secured solely by the Special Tax Revenues and the amounts in the Bond Fund, the Reserve Fund and the Special Tax Fund created hereunder.

Section 5.03. Extension of Time for Payment. In order to prevent any accumulation of claims for interest after maturity, the City shall not, directly or indirectly, extend or consent to the extension of the time for the payment of any claim for interest on any of the Bonds and shall not, directly or indirectly, be a party to the approval of any such arrangement by purchasing or funding said claims for interest or in any other manner. In case any such claim for interest shall be extended or funded, whether or not with the consent of the City, such claim for interest so extended or funded shall not be entitled, in case of default hereunder, to the benefits of this Agreement, except subject to the prior payment in full of the principal of all of the Bonds then Outstanding and of all claims for interest which shall not have been so extended or funded.

Section 5.04. Against Encumbrances. The City will not encumber, pledge or place any charge or lien upon any of the Special Tax Revenues or other amounts pledged to the Bonds superior to or on a parity with the pledge and lien herein created for the benefit of the Bonds, except as permitted by this Agreement.

Section 5.05. Books and Accounts. The City will keep, or cause to be kept, proper books of record and accounts, separate from all other records and accounts of the City, in which complete and correct entries shall be made of all transactions relating to the expenditure of amounts disbursed from the Special Tax Fund and to the Special Tax Revenues. Such books of record and accounts shall at all times during business hours be subject to the inspection of the Fiscal Agent and the Owners of not less than ten percent (10%) of the principal amount of the Bonds then Outstanding, or their representatives duly authorized in writing. The Fiscal Agent may establish and maintain for so long as is necessary one or more temporary funds and accounts under this Agreement.

The Fiscal Agent will keep, or cause to be kept, proper books of record and accounts, separate from all other records and accounts of the Fiscal Agent, in which complete and correct entries shall be made of all transactions relating to the expenditure of amounts disbursed from the Bond Fund, the Reserve Fund and the Costs of Issuance Fund. Such books of record and accounts shall at all times during business hours and upon reasonable prior notice, be subject to the inspection of the City and the Owners of not less than ten percent (10%) of the principal amount of the Bonds then Outstanding, or their representatives duly authorized in writing.

Section 5.06. Protection of Security and Rights of Owners. The City will preserve and protect the security of the Bonds and the rights of the Owners, and will warrant and defend their rights against all claims and demands of all persons. From and after the delivery of any of the Bonds by the City, the Bonds shall be incontestable by the City.

Section 5.07. Private Activity Bond Limitation. The City shall assure that the proceeds of the Bonds are not so used as to cause the Bonds to satisfy the private business tests of Section 141(b) of the Code or the private loan financing test of Section 141(c) of the Code.

Section 5.08. Federal Guarantee Prohibition. The City shall not take any action or permit or suffer any action to be taken if the result of the same would be to cause any of the Bonds to be "federally guaranteed" within the meaning of Section 149(b) of the Code.

Section 5.09. Collection of Special Tax Revenues. The City shall comply with all requirements of the Act so as to assure the timely collection of Special Tax Revenues, including without limitation, the enforcement of delinquent Special Taxes.

On or within five (5) Business Days of each June 1, the Fiscal Agent shall provide the Treasurer or Finance Director with a notice stating the amount then on deposit in the Bond Fund and the Reserve Fund. The receipt of such notice by the Treasurer or Finance Director shall in no way affect the obligations of the Treasurer or Finance Director under the following two paragraphs. Upon receipt of such notice, the City shall ascertain the relevant parcels on which the Special Taxes are to be levied, taking into account any parcel splits during the preceding and then current year.

The City shall effect the levy of the Special Taxes each Fiscal Year in accordance with the Ordinance such that the computation of the levy is complete before the final date on which

County Auditor will accept the transmission of the Special Tax amounts for the parcels within the CFD for inclusion on the next secured real property tax roll. Upon the completion of the computation of the amounts of the levy, the City shall prepare or cause to be prepared, and shall transmit to the Treasurer or Finance Director, such data as the County Auditor requires to include the levy of the Special Taxes on the next secured real property tax roll.

The City shall fix and levy the amount of Special Taxes within the CFD required for the payment of principal of and interest on any outstanding Bonds of the CFD becoming due and payable during the ensuing year, including any necessary replenishment or expenditure of the Reserve Fund for the Bonds and an amount estimated to be sufficient to pay the Administrative Expenses during such year, all in accordance with the rate and method of apportionment of the Special Taxes for the CFD and the Ordinance. In any event, the Special Taxes so levied shall not exceed the authorized amounts as provided in the proceedings pursuant to the Resolution of Formation.

The Special Taxes shall be payable and be collected in the same manner and at the same time and in the same installment as the general taxes on real property are payable, and have the same priority, become delinquent at the same times and in the same proportionate amounts and bear the same proportionate penalties and interest after delinquency as do the general taxes on real property. Notwithstanding the foregoing, the Special Taxes may be collected in such other manner as the City shall prescribe if necessary to pay the debt service on the Bonds.

Section 5.10. Further Assurances. The City will adopt, make, execute and deliver any and all such further resolutions, instruments and assurances as may be reasonably necessary or proper to carry out the intention or to facilitate the performance of this Agreement, and for the better assuring and confirming unto the Owners of the rights and benefits provided in this Agreement.

Section 5.11. No Arbitrage. The City shall not take, or permit or suffer to be taken by the Fiscal Agent or otherwise, any action with respect to the gross proceeds of the Bonds which if such action had been reasonably expected to have been taken, or had been deliberately and intentionally taken, on the Closing Date would have caused the Bonds to be "arbitrage bonds" within the meaning of Section 148 of the Code and Regulations.

Section 5.12. Maintenance of Tax-Exemption. The City shall take all actions necessary to assure the exclusion of interest on the Bonds from the gross income of the Owners of the Bonds to the same extent as such interest is permitted to be excluded from gross income under the Code as in effect on the date of issuance of the Bonds.

Section 5.13. Annual State Reports. The following requirements shall apply to the Bonds:

(A) Annual Reporting. Not later than October 30 of each calendar year, beginning with the October 30 first succeeding the date of the Bonds, and in each calendar year thereafter until the October 30 following the final maturity of the Bonds, the Treasurer shall prepare and supply CDIAC, by mail, postage prepaid, with the information required under Section 53359.5(c) of the Act. The annual reporting shall be made using such form or forms as may be prescribed by CDIAC.

(B) Other Reporting. If within 10 days prior to any Interest Payment Date it appears to the Fiscal Agent that there is a danger of deficiency in the Bond Fund and that the Fiscal Agent may be unable to pay regularly scheduled debt service on the Bonds in a timely manner or if the Fiscal Agent is unable to pay principal, interest and premium, if any, due on any Interest Payment Date for the Bonds due to insufficient funds in the Bond Fund, or if funds are withdrawn from the Reserve Fund to pay principal and/or interest on the Bonds the Fiscal Agent shall make the reports required under Section 4.02(D) hereof.

(C) Amendment. The reporting requirements of this Section shall be amended from time to time, without action by the City or the Fiscal Agent, to reflect any amendments to Section 53359.5(b) or Section 53359.5(c) of the Act.

(D) No Liability. None of the City and its officers, agents and employees, the Treasurer or the Fiscal Agent shall be liable for any inadvertent error in reporting the information required by this Section .

Section 5.14. Covenant to Foreclose. The City hereby covenants with and for the benefit of the Owners of the Bonds that it will annually on or before September 1 of each year review the public records of the County of Placer relating to the collection of the Special Tax in order to determine the amount of the Special Tax collected in the prior Fiscal Year, and if the City determines on the basis of such review that the amount so collected is less than the amount levied, it will within thirty (30) days thereafter institute foreclosure proceedings as authorized by the Act in order to enforce the lien of the delinquent installment of the Special Tax against each separate lot or parcel of land in the CFD for which such installment of the Special Tax is delinquent, and will diligently prosecute and pursue such foreclosure proceedings to judgment and sale. The Treasurer or Finance Director shall notify the City Attorney of any such delinquency of which it is aware, and the City Attorney shall commence, or cause to be commenced, such proceedings.

Section 5.15. Continuing Disclosure to Owners. The City hereby covenants and agrees that it will comply with and carry out all of the provisions of the Continuing Disclosure Agreement. Notwithstanding any other provision of this Agreement, failure of the City to comply with the Continuing Disclosure Agreement shall not be considered a default hereunder; however, any Participating Underwriter or any holder or beneficial owner of the Bonds may take such actions as may be necessary and appropriate to compel performance by the City of its obligations thereunder, including seeking mandate or specific performance by court order.

Section 5.16. No Additional Bonds. The City covenants not to issue additional Bonds payable from Special Taxes and by the Special Tax Revenues equally and ratably with Bonds previously issued, except that the City may issue bonds to refund all or part of the Bonds.

Section 5.17. Yield of the Bonds. In determining the yield of the Bonds to comply with Section 5.11 and 6.02 hereof, the City will take into account redemption (including premium, if any) in advance of maturity based on the reasonable expectations of the City, as of the Closing, without regard to whether or not redemption moneys are received or Bonds are redeemed.

ARTICLE VI

INVESTMENTS; DISPOSITION OF INVESTMENT PROCEEDS; LIABILITY OF THE CITY

Section 6.01. Deposit and Investment of Moneys in Funds. Subject in all respects to the provisions of Section 6.02, moneys in any fund or account created or established by this Agreement and held by the Fiscal Agent, shall be invested by the Fiscal Agent in Permitted Investments, as directed pursuant to an Officer's Certificate filed with the Fiscal Agent at least two (2) Business Days in advance of the making of such investments. In the absence of any such Officer's Certificate, the Fiscal Agent shall invest any such moneys in Permitted Investments described in clause (vii) of the definition thereof which by their terms mature prior to the date on which such moneys are required to be paid out hereunder provided, however, that any such investment shall be made by the Fiscal Agent only if, prior to the date on which such investment is to be made, the Fiscal Agent shall have received an Officer's Certificate specifying a specific money market fund and, if no such Officer's Certificate is so received, the Fiscal Agent shall hold such moneys uninvested. Subject in all respects to the provisions of Section 6.02, moneys in any fund or account created or established by this Agreement and held by the Treasurer or Finance Director shall be invested by the Treasurer or Finance Director in any lawful investments that the City may make, which by their terms mature prior to the date on which such moneys are required to be paid out hereunder. Obligations purchased as an investment of moneys in any fund shall be deemed to be part of such fund or account, subject, however, to the requirements of this Agreement for transfer of interest earnings and profits resulting from investment of amounts in funds and accounts.

The Fiscal Agent, Treasurer or Finance Director may act as principal or agent in the acquisition or disposition of any investment. Neither the Fiscal Agent, the Treasurer or Finance Director shall incur any liability for losses arising from any investments made pursuant to this Section. Any losses arising from any investments made pursuant to this Section shall be offset against interest earnings and profits retained in the same fund.

Except as otherwise provided in the next sentence, all investments of amounts deposited in any fund or account created by or pursuant to this Agreement, or otherwise containing gross proceeds of the Bonds (within the meaning of Section 148 of the Code), shall be acquired, disposed of, and valued (as of the date that valuation is required by this Agreement or the Code) at Fair Market Value. For purposes of any Fair Market Value determination hereunder, the Fiscal Agent shall be entitled to conclusively rely on an Officer's Certificate of the City and shall be fully protected in relying thereon. Investments in funds or accounts (or portions thereof) that are subject to a yield restriction under applicable provisions of the Code and (unless valuation is undertaken at least annually) investments in the Reserve Fund shall be valued by the City at their present value (within the meaning of Section 148 of the Code).

Investments in any and all funds and accounts may be commingled in a separate fund or funds for purposes of making, holding and disposing of investments, notwithstanding provisions herein for transfer to or holding in or to the credit of particular funds or accounts of amounts received or held by the Fiscal Agent or the Treasurer hereunder, provided that the Fiscal Agent or the Treasurer, as applicable, shall at all times account for such investments strictly in accordance with the funds and accounts to which they are credited and otherwise as provided in this Agreement.

The Fiscal Agent or the Treasurer, as applicable, shall sell or present for redemption, any investment security whenever it shall be necessary to provide moneys to meet any required payment, transfer, withdrawal or disbursement from the fund or account to which such investment security is credited and neither the Fiscal Agent nor the Treasurer shall be liable or responsible for any loss resulting from the acquisition or disposition of such investment security in accordance herewith.

The City acknowledges that to the extent regulations of the Comptroller of the Currency or other applicable regulatory entity grant the City the right to receive brokerage confirmations of security transactions as they occur, the City specifically waives receipt of such confirmations to the extent permitted by law. The Fiscal Agent will furnish the City periodic cash transaction statements which include detail for all investment transactions made by the Fiscal Agent hereunder.

Section 6.02. Rebate of Excess Investment Earnings to the United States. The City covenants to calculate and rebate to the federal government, in accordance with the Regulations, excess investment earnings to the extent required by Section 148(f) of the Code.

The City shall notify the Fiscal Agent of any amounts determined to be due to the federal government, and the Fiscal Agent shall, upon receipt of an Officer's Certificate of the City, withdraw such amounts from the Reserve Fund pursuant to Section 4.03(D), and pay such amounts to the federal government as required by the Code and the Regulations. In the event of any shortfall in amounts available to make such payments under Section 4.03(D), the Fiscal Agent shall notify the Treasurer or Finance Director in writing of the amount of the shortfall and the Treasurer or Finance Director shall make such payment from any amounts available in the Special Tax Fund. Any fees or expenses incurred by the Fiscal Agent or the City under or pursuant to this Section 6.02 shall be Administrative Expenses. The Fiscal Agent may rely conclusively upon the City's determinations, calculations and certifications required by this Section. The Fiscal Agent shall have no responsibility to independently make any calculation or determination or to review the City's calculations hereunder.

In order to provide for the administration of this Section 6.02, the City may provide for the employment of independent attorneys, accountants and consultants compensated on such reasonable basis as the City may deem appropriate.

Section 6.03. Limited Obligation. The City's obligations hereunder are limited obligations of the City on behalf of the CFD and are payable solely from and secured solely by the Special Tax Revenues and the amounts in the Special Tax Fund, the Bond Fund and the Reserve Fund created hereunder.

ARTICLE VII

THE FISCAL AGENT

Section 7.01. Appointment of Fiscal Agent. The Bank of New York Mellon Trust Company, N.A., at its Principal Office, is hereby appointed Fiscal Agent for the Bonds. The Fiscal Agent undertakes to perform such duties, and only such duties, as are specifically set forth in this Agreement, and no implied covenants or obligations shall be read into this Agreement against the Fiscal Agent.

Any company into which the Fiscal Agent may be merged or converted or with which it may be consolidated or any company resulting from any merger, conversion or consolidation to which it shall be a party or any company to which the Fiscal Agent may sell or transfer all or substantially all of its corporate trust business, provided such company shall be eligible under the following paragraph of this Section, shall be the successor to such Fiscal Agent without the execution or filing of any paper or any further act, anything herein to the contrary notwithstanding.

The City may remove the Fiscal Agent initially appointed, and any successor thereto, and may appoint a successor or successors thereto, but any such successor shall be a bank, national banking association or trust company having a combined capital (exclusive of borrowed capital) and surplus of at least Fifty Million Dollars (\$50,000,000) including, for such purpose, the combined capital and surplus of any parent holding company, and subject to supervision or examination by federal or state authority. If such bank, national banking association or trust company publishes a report of condition at least annually, pursuant to law or to the requirements of any supervising or examining authority above referred to, then for the purposes of this Section 7.01, combined capital and surplus of such bank, national banking association or trust company shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published.

The Fiscal Agent may at any time resign by giving written notice to the City and by giving to the Owners notice by mail of such resignation. Upon receiving notice of such resignation, the City shall promptly appoint a successor Fiscal Agent by an instrument in writing. Any resignation or removal of the Fiscal Agent shall become effective upon acceptance of appointment by the successor Fiscal Agent.

If no appointment of a successor Fiscal Agent shall be made pursuant to the foregoing provisions of this Section within thirty (30) days after the Fiscal Agent shall have given to the City written notice or after a vacancy in the office of the Fiscal Agent shall have occurred by reason of its inability to act, the Fiscal Agent or any Bondowner may apply to any court of competent jurisdiction to appoint a successor Fiscal Agent. Said court may thereupon, after such notice, if any, as such court may deem proper, appoint a successor Fiscal Agent.

Section 7.02. Liability of Fiscal Agent. The recitals of facts, covenants and agreements herein and in the Bonds contained shall be taken as statements, covenants and agreements of the City, and the Fiscal Agent assumes no responsibility for the correctness of the same, or makes any representations as to the validity or sufficiency of this Agreement or of the Bonds, or shall incur any responsibility in respect thereof, other than in connection with the duties or obligations herein or in the Bonds assigned to or imposed upon it. The Fiscal Agent shall not be liable in connection with the performance of its duties hereunder, except for its own negligence or willful default. The Fiscal Agent assumes no responsibility or liability for any information, statement or recital in any offering memorandum or other disclosure material prepared or distributed with respect to the issuance of the Bonds. The Fiscal Agent has no liability regarding the use of the proceeds from the purchase of the Bonds deposited in funds held by the City.

In the absence of bad faith, the Fiscal Agent may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Fiscal Agent and conforming to the requirements of this Agreement, including all Officer's Certificates of the City meeting such requirements; but in the case of any such certificates or opinions by which any provision hereof are specifically required to be furnished to the Fiscal Agent, the Fiscal Agent shall be under a duty to examine the same to determine

whether or not they conform to the requirements of this Agreement. Except as provided above in this paragraph, the Fiscal Agent shall be protected and shall incur no liability in acting or proceeding, or in not acting or not proceeding, in good faith, reasonably and in accordance with the terms of this Agreement, upon any resolution, order, notice, request, consent or waiver, certificate, statement, affidavit, or other paper or document which it shall in good faith reasonably believe to be genuine and to have been adopted or signed by the proper person or to have been prepared and furnished pursuant to any provision of this Agreement, and the Fiscal Agent shall not be under any duty to make any investigation or inquiry as to any statements contained or matters referred to in any such instrument.

The Fiscal Agent shall not be liable for any error of judgment made in good faith by a responsible officer unless it shall be proved that the Fiscal Agent was negligent in ascertaining the pertinent facts.

No provision of this Agreement shall require the Fiscal Agent to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers, if it shall have reasonable grounds for believing that repayment of such funds or adequate indemnity against such risk or liability is not reasonably assured to it.

The Fiscal Agent shall be under no obligation to exercise any of the rights or powers vested in it by this Agreement at the request or direction of any of the Owners pursuant to this Agreement unless such Owners shall have offered to the Fiscal Agent reasonable security or indemnity against the costs, expenses and liabilities which might be incurred by it in compliance with such request or direction.

The Fiscal Agent shall not be considered in breach of or in default in its obligations hereunder or progress in respect thereto in the event of enforced delay ("unavoidable delay") in the performance of such obligations due to unforeseeable causes beyond its control and without its fault or negligence, including, but not limited to, Acts of God or of the public enemy or terrorists, acts of a government, acts of the other party, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, earthquakes, explosion, mob violence, riot, inability to procure or general sabotage or rationing of labor, equipment, facilities, sources of energy, material or supplies in the open market, litigation or arbitration involving a party or others relating to zoning or other governmental action or inaction pertaining to the project, malicious mischief, condemnation, and unusually severe weather or delays of suppliers or subcontractors due to such causes or any similar event and/or occurrences beyond the control of the Fiscal Agent

The Fiscal Agent may become the owner of the Bonds with the same rights it would have if it were not the Fiscal Agent.

The Fiscal Agent shall not be concerned with or accountable to anyone for the subsequent use or application of any moneys which shall be released or withdrawn in accordance with the provisions hereof.

The permissive right of the Fiscal Agent to do things enumerated in this Agreement shall not be construed as a duty and it shall not be answerable for other than its negligence or willful misconduct.

The Fiscal Agent shall have the right to accept and act upon instructions, including funds transfer instructions ("Instructions") given pursuant to this Fiscal Agent Agreement and delivered using Electronic Means ("Electronic Means" shall mean the following communications methods: e-mail, facsimile transmission, secure electronic transmission containing applicable authorization codes, passwords and/or authentication keys issued by the Fiscal Agent, or another method or system specified by the Fiscal Agent as available for use in connection with its services hereunder); provided, however, that the City shall provide to the Fiscal Agent an incumbency certificate listing officers with the authority to provide such Instructions and containing specimen signatures of such authorized officers, which incumbency certificate shall be amended by the City whenever a person is to be added or deleted from the listing. If the City elects to give the Fiscal Agent Instructions using Electronic Means and the Fiscal Agent in its discretion elects to act upon such Instructions, the Fiscal Agent's understanding of such Instructions shall be deemed controlling. The City understands and agrees that the Fiscal Agent cannot determine the identity of the actual sender of such Instructions and that the Fiscal Agent shall conclusively presume that directions that purport to have been sent by an Authorized Officer listed on the incumbency certificate provided to the Fiscal Agent have been sent by such Authorized Officer. The City shall be responsible for ensuring that only authorized officers transmit such Instructions to the Fiscal Agent and that the City and all authorized officers are solely responsible to safeguard the use and confidentiality of applicable user and authorization codes, passwords and/or authentication keys upon receipt by the City. The Fiscal Agent shall not be liable for any losses, costs or expenses arising directly or indirectly from the Fiscal Agent's reliance upon and compliance with such Instructions notwithstanding such directions conflict or are inconsistent with a subsequent written instruction. The City agrees: (i) to assume all risks arising out of the use of Electronic Means to submit Instructions to the Fiscal Agent, including without limitation the risk of the Fiscal Agent acting on unauthorized Instructions, and the risk of interception and misuse by third parties; (ii) that it is fully informed of the protections and risks associated with the various methods of transmitting Instructions to the Fiscal Agent and that there may be more secure methods of transmitting Instructions than the method(s) selected by the City; (iii) that the security procedures (if any) to be followed in connection with its transmission of Instructions provide to it a commercially reasonable degree of protection in light of its particular needs and circumstances; and (iv) to notify the Fiscal Agent immediately upon learning of any compromise or unauthorized use of the security procedures.

Section 7.03. Information. The Fiscal Agent shall provide to the City such information relating to the Bonds and the funds and accounts maintained by the Fiscal Agent hereunder as the City shall reasonably request, including but not limited to quarterly statements reporting funds held and transactions by the Fiscal Agent.

Section 7.04. Notice to Fiscal Agent. The Fiscal Agent may rely and shall be protected in acting or refraining from acting upon any Officer's Certificate, notice, resolution, request, consent, order, certificate, report, facsimile transmission, electronic mail, warrant, Bond or other paper or document believed by it to be genuine and to have been signed or presented by the proper party or proper parties and given in accordance with the requirements hereof. The Fiscal Agent may execute any of the powers hereunder or perform any duties hereunder either directly or by or through agents or attorneys and the Fiscal Agent shall not be responsible for any misconduct or negligence on the part of any agent or attorney appointed with due care by it hereunder. The Fiscal Agent may consult with counsel, who may be counsel to the City, with regard to legal questions, and the opinion of such counsel shall be full and complete authorization and protection in respect of any action taken or suffered by it hereunder in good faith and in accordance therewith.

The Fiscal Agent shall not be bound to recognize any person as the Owner of a Bond unless and until such Bond is submitted for inspection, if required, and his title thereto satisfactorily established, if disputed.

Whenever in the administration of its duties under this Agreement the Fiscal Agent shall deem it necessary or desirable that a matter be proved or established prior to taking or suffering any action hereunder, such matter (unless other evidence in respect thereof be herein specifically prescribed) may, in the absence of willful misconduct on the part of the Fiscal Agent, be deemed to be conclusively proved and established by a certificate of the City, and such certificate shall be full warrant to the Fiscal Agent for any action taken or suffered under the provisions of this Agreement or any Supplemental Agreement upon the faith thereof, but in its discretion the Fiscal Agent may, in lieu thereof, accept other evidence of such matter or may require such additional evidence as to it may seem reasonable.

Section 7.05. Compensation, Indemnification. The City shall pay to the Fiscal Agent from time to time reasonable compensation for all services rendered as Fiscal Agent under this Agreement, and also all reasonable expenses, charges, counsel fees and other disbursements, including those of their attorneys, agents and employees, incurred in and about the performance of their powers and duties under this Agreement, but the Fiscal Agent shall not have a lien therefor on any funds at any time held by it under this Agreement. The City further agrees, to the extent permitted by applicable law, to indemnify and save the Fiscal Agent, its officers, employees, directors and agents harmless against any costs, claims, expenses or liabilities, including, without limitation, fees and expenses of its attorneys which it may incur in the exercise and performance of its powers and duties hereunder which are not due to its negligence or willful misconduct. The obligation of the City under this Section shall survive resignation or removal of the Fiscal Agent under this Agreement and payment of the Bonds and discharge of this Agreement.

ARTICLE VIII

MODIFICATION OR AMENDMENT OF THIS AGREEMENT

Section 8.01. Amendments Permitted. This Agreement and the rights and obligations of the City and of the Owners of the Bonds may be modified or amended at any time by a Supplemental Agreement pursuant to the affirmative vote at a meeting of Owners, or with the written consent without a meeting, of the Owners of at least sixty percent (60%) in aggregate principal amount of the Bonds then Outstanding, exclusive of Bonds disqualified as provided in Section 8.04. No such modification or amendment shall (i) extend the maturity of any Bond or reduce the interest rate thereon, or otherwise alter or impair the obligation of the City to pay the principal of, and the interest and any premium on, any Bond, without the express consent of the Owner of such Bond, or (ii) permit the creation by the City of any pledge or lien upon the Special Taxes superior to or on a parity with the pledge and lien created for the benefit of the Bonds (except as otherwise permitted by the Act, the laws of the State of California or this Agreement), or reduce the percentage of Bonds required for the amendment hereof. No such amendment may modify any of the rights or obligations of the Fiscal Agent without its written consent.

This Agreement and the rights and obligations of the City and of the Owners may also be modified or amended at any time by a Supplemental Agreement, without the consent of any

Owners, only to the extent permitted by law and only for any one or more of the following purposes:

(A) to add to the covenants and agreements of the City in this Agreement contained, other covenants and agreements thereafter to be observed, or to limit or surrender any right or power herein reserved to or conferred upon the City;

(B) to make modifications not adversely affecting any outstanding series of Bonds of the City in any material respect;

(C) to make such provisions for the purpose of curing any ambiguity, or of curing, correcting or supplementing any defective provision contained in this Agreement, or in regard to questions arising under this Agreement, as the City and the Fiscal Agent may deem necessary or desirable, and which shall not adversely affect the rights of the Owners of the Bonds; and

(D) to make such additions, deletions or modifications as may be necessary or desirable to assure compliance with Section 148 of the Code relating to required rebate of excess investment earnings to the United States or otherwise as may be necessary to assure exclusion from gross income for federal income tax purposes of interest on the Bonds or to conform with the Regulations.

No such amendment may modify any of the rights or obligations of the Fiscal Agent without its written consent.

Section 8.02. Owners' Meetings. The City may at any time call a meeting of the Owners. In such event the City is authorized to fix the time and place of said meeting and to provide for the giving of notice thereof and to fix and adopt rules and regulations for the conduct of said meeting.

Section 8.03. Procedure for Amendment with Written Consent of Owners. The City and the Fiscal Agent may at any time enter into a Supplemental Agreement amending the provisions of the Bonds or of this Agreement or any Supplemental Agreement, to the extent that such amendment is permitted by Section 8.01, to take effect when and as provided in this Section. A copy of such Supplemental Agreement, together with a request to Owners for their consent thereto, if such consent is required under Section 8.01, shall be mailed by first class mail, by the Fiscal Agent to each Owner of Bonds Outstanding, but failure to mail copies of such Supplemental Agreement and request shall not affect the validity of the Supplemental Agreement when assented to as in this Section provided.

If consent of the Owners is required under Section 8.01, such Supplemental Agreement shall not become effective unless there shall be filed with the Fiscal Agent the written consents of the Owners of at least sixty percent (60%) in aggregate principal amount of the Bonds then Outstanding (exclusive of Bonds disqualified as provided in Section 8.04) and a notice shall have been mailed as hereinafter in this Section provided. Each such consent shall be effective only if accompanied by proof of ownership of the Bonds for which such consent is given, which proof shall be such as is permitted by Section 9.04. Any such consent shall be binding upon the Owner of the Bonds giving such consent and on any subsequent Owner (whether or not such subsequent Owner has notice thereof) unless such consent is revoked in writing by the Owner giving such consent or a subsequent Owner by filing such revocation with the Fiscal

Agent prior to the date when the notice hereinafter in this Section provided for has been mailed.

After the Owners of the required percentage of Bonds shall have filed their consents to the Supplemental Agreement, the City shall mail a notice to the Owners in the manner hereinbefore provided in this Section for the mailing of the Supplemental Agreement, stating in substance that the Supplemental Agreement has been consented to by the Owners of the required percentage of Bonds and will be effective as provided in this Section (but failure to mail copies of said notice shall not affect the validity of the Supplemental Agreement or consents thereto). Proof of the mailing of such notice shall be filed with the Fiscal Agent. A record, consisting of the papers required by this Section 8.03 to be filed with the Fiscal Agent, shall be proof of the matters therein stated until the contrary is proved. The Supplemental Agreement shall become effective upon the filing with the Fiscal Agent of the proof of mailing of such notice, and the Supplemental Agreement shall be deemed conclusively binding (except as otherwise herein above specifically provided in this Article) upon the City and the Owners of all Bonds at the expiration of sixty (60) days after such filing, except in the event of a final decree of a court of competent jurisdiction setting aside such consent in a legal action or equitable proceeding for such purpose commenced within such sixty-day period.

Section 8.04. Disqualified Bonds. Bonds owned or held for the account of the City, excepting any pension or retirement fund, shall not be deemed Outstanding for the purpose of any vote, consent or other action or any calculation of Outstanding Bonds provided for in this Article VIII, and shall not be entitled to vote upon, consent to, or take any other action provided for in this Article VIII. Upon request, the City shall provide an Officer's Certificate to the Fiscal Agent listing those Bonds which are disqualified pursuant to this Section 8.04.

Section 8.05. Effect of Supplemental Agreement. From and after the time any Supplemental Agreement becomes effective pursuant to this Article VIII, this Agreement shall be deemed to be modified and amended in accordance therewith, the respective rights, duties and obligations under this Agreement of the City and all Owners of Bonds Outstanding shall thereafter be determined, exercised and enforced hereunder subject in all respects to such modifications and amendments, and all the terms and conditions of any such Supplemental Agreement shall be deemed to be part of the terms and conditions of this Agreement for any and all purposes.

Section 8.06. Endorsement or Replacement of Bonds Issued After Amendments. The City may determine that Bonds issued and delivered after the effective date of any action taken as provided in this Article VIII shall bear a notation, by endorsement or otherwise, in form approved by the City, as to such action. In that case, upon demand of the Owner of any Bond Outstanding at such effective date and presentation of his Bond for that purpose at the Principal Office of the Fiscal Agent or at such other office as the City may select and designate for that purpose, a suitable notation shall be made on such Bond. The City may determine that new Bonds, so modified as in the opinion of the City is necessary to conform to such Owners' action, shall be prepared, executed and delivered. In that case, upon demand of the Owner of any Bonds then Outstanding, such new Bonds shall be exchanged at the Principal Office of the Fiscal Agent without cost to any Owner, for Bonds then Outstanding, upon surrender of such Bonds.

Section 8.07. Amendatory Endorsement of Bonds. The provisions of this Article VIII shall not prevent any Owner from accepting any amendment as to the particular Bonds held by him, provided that due notation thereof is made on such Bonds.

Section 8.08. Opinion of Counsel Regarding Supplemental Agreement. The Fiscal Agent shall be furnished, upon request, an opinion of counsel that any Supplemental Agreement entered into by the City and the Fiscal Agent complies with the provisions of this Article VIII, and the Fiscal Agent may conclusively rely upon such opinion.

ARTICLE IX

MISCELLANEOUS

Section 9.01. Benefits of Agreement Limited to Parties. Nothing in this Agreement expressed or implied, is intended to give to any person other than the City, the Fiscal Agent and the Owners, any right, remedy, claim under or by reason of this Agreement. Any covenants, stipulations, promises or agreements in this Agreement contained by and on behalf of the City shall be for the sole and exclusive benefit of the Owners and the Fiscal Agent.

Section 9.02. Successor is Deemed Included in All References to Predecessor. Whenever in this Agreement or any Supplemental Agreement either the City or the Fiscal Agent is named or referred to, such reference shall be deemed to include the successors or assigns thereof, and all the covenants and agreements in this Agreement contained by or on behalf of the City or the Fiscal Agent shall bind and inure to the benefit of the respective successors and assigns thereof whether so expressed or not.

Section 9.03. Discharge of Agreement. If the City shall pay and discharge the entire indebtedness on all or any portion of the Bonds Outstanding in any one or more of the following ways:

(A) by well and truly paying or causing to be paid the principal of, and interest and any premium on, such Bonds Outstanding, as and when the same become due and payable;

(B) by depositing with the Fiscal Agent, in trust, at or before maturity, money which, together with (in the event that all of the Bonds are to be defeased) the amounts then on deposit in the funds and accounts provided for in Sections 4.02 and 4.03, is fully sufficient to pay such Bonds Outstanding, including all principal, interest and redemption premiums, or;

(C) by irrevocably depositing with the Fiscal Agent, in trust, cash and Federal Securities in such amount as the City shall determine as confirmed by an independent certified public accountant will, together with the interest to accrue thereon and (in the event that all of the Bonds are to be defeased) moneys then on deposit in the fund and accounts provided for in Sections 4.02 and 4.03, be fully sufficient to pay and discharge the indebtedness on such Bonds (including all principal, interest and redemption premiums) at or before their respective maturity dates;

and if such Bonds are to be redeemed prior to the maturity thereof notice of such redemption shall have been given as in this Agreement provided or provision satisfactory to the Fiscal Agent shall have been made for the giving of such notice, then, at the election of the City, and notwithstanding that any Bonds shall not have been surrendered for payment, the pledge of the Special Taxes and other funds provided for in this Agreement and all other obligations of the

City under this Agreement with respect to such Bonds Outstanding shall cease and terminate, except only the obligations of the City under Section 5.12 (Maintenance of Tax-Exemption) and to pay or cause to be paid to the Owners of the Bonds not so surrendered and paid all sums due thereon and all amounts owing to the Fiscal Agent pursuant to Section 7.05; and thereafter Special Taxes shall not be payable to the Fiscal Agent. Notice of such election shall be filed with the Fiscal Agent.

Any funds thereafter held by the Fiscal Agent upon payments of all fees and expenses of the Fiscal Agent, which are not required for said purpose, shall be paid over to the City.

Section 9.04. Execution of Documents and Proof of Ownership by Owners. Any request, declaration or other instrument which this Agreement may require or permit to be executed by Owners may be in one or more instruments of similar tenor, and shall be executed by Owners in person or by their attorneys appointed in writing.

Except as otherwise herein expressly provided, the fact and date of the execution by any Owner or his attorney of such request, consent, declaration or other instrument, or of such writing appointing such attorney, may be proved by the certificate of any notary public or other officer authorized to take acknowledgments of deeds to be recorded in the state in which he purports to act, that the person signing such request, declaration or other instrument or writing acknowledged to him the execution thereof, or by an affidavit of a witness of such execution, duly sworn to before such notary public or other officer.

Except as otherwise herein expressly provided, the ownership of registered Bonds and the amount, maturity, number and date of holding the same shall be proved by the registry books.

Any request, consent, declaration or other instrument or writing of the Owner of any Bond shall bind all future Owners of such Bond in respect of anything done or suffered to be done by the City or the Fiscal Agent in good faith and in accordance therewith.

Section 9.05. Waiver of Personal Liability. No member, officer, agent or employee of the City shall be individually or personally liable for the payment of the principal of, or interest or any premium on, the Bonds; but nothing herein contained shall relieve any such member, officer, agent or employee from the performance of any official duty provided by law.

Section 9.06. Notices to and Demands on City and Fiscal Agent. Any notice or demand which by any provision of this Agreement is required or permitted to be given or served by the Fiscal Agent to or on the City may be given or served by being deposited postage prepaid in a post office letter box, by overnight courier or electronic means (with receipt confirmed by telephone) addressed (until another address is filed by the City with the Fiscal Agent) as follows:

City of Roseville
311 Vernon Street
Roseville, California 95678
Attention: Treasurer or Finance Director

Any notice or demand which by any provision of this Agreement is required or permitted to be given or served by the City to or on the Fiscal Agent may be given or served by being deposited postage prepaid in a post office letter box, by overnight courier or electronic means

(with receipt confirmed by telephone) addressed (until another address is filed by the Fiscal Agent with the City) as follows:

The Bank of New York Mellon Trust Company, N.A.
400 South Hope Street, Suite 500
Los Angeles, CA 90071
Attention: Corporate Trust Administration
Fax: (213) 630-6480

Section 9.07. Partial Invalidity. If any Section, paragraph, sentence, clause or phrase of this Agreement shall for any reason be held illegal or unenforceable, such holding shall not affect the validity of the remaining portions of this Agreement. The City hereby declares that it would have adopted this Agreement and each and every other Section, paragraph, sentence, clause or phrase hereof and authorized the issue of the Bonds pursuant thereto irrespective of the fact that any one or more Sections, paragraphs, sentences, clauses, or phrases of this Agreement may be held illegal, invalid or unenforceable.

Section 9.08. Unclaimed Moneys. Anything contained herein to the contrary notwithstanding, any moneys held by the Fiscal Agent in trust for the payment and discharge of the principal of, and the interest and any premium on, the Bonds which remains unclaimed for two (2) years after the date when the payments of such principal, interest and premium have become payable, if such moneys was held by the Fiscal Agent at such date, shall be repaid by the Fiscal Agent to the City as its absolute property free from any trust, and the Fiscal Agent shall thereupon be released and discharged with respect thereto and the Bond Owners shall look only to the City for the payment of the principal of, and interest and any premium on, such Bonds.

Section 9.09. Applicable Law. This Agreement shall be governed by and enforced in accordance with the laws of the State of California applicable to contracts made and performed in the State of California.

Section 9.10. Conflict with Act. In the event of a conflict between any provision of this Agreement with any provision of the Act as in effect on the Closing Date, the provision of the Act shall prevail over the conflicting provision of this Agreement.

Section 9.11. Conclusive Evidence of Regularity. Bonds issued pursuant to this Agreement shall constitute conclusive evidence of the regularity of all proceedings under the Act relative to their issuance and the levy of the Special Taxes.

Section 9.12. Payment on Business Day. In any case where the date of the maturity of interest or of principal (and premium, if any) of the Bonds or the date fixed for redemption of any Bonds or the date any action is to be taken pursuant to this Agreement is other than a Business Day, the payment of interest or principal (and premium, if any) or the action need not be made on such date but may be made on the next succeeding day which is a Business Day with the same force and effect as if made on the date required and no interest shall accrue for the period from and after such date.

Section 9.13. State Reporting Requirements. In addition to Section 5.13, the following requirements shall apply to the Bonds:

(A) *CDIAC Reporting.*

(i) Not later than October 30 of each calendar year, beginning with the October 30 first succeeding the date of the Bonds, and in each calendar year thereafter until the October 30 following the final maturity of the Bonds, the Treasurer or Finance Director shall cause to be supplied to CDIAC all the information required to be supplied to CDIAC pursuant to Government Code Section 53359.5(b), including: (i) the principal amount of the Bonds Outstanding; (ii) the balance in the Reserve Fund (iii) the balance in any capitalized interest account; (iv) the number of parcels in the CFD which are delinquent in the payment of Special Taxes, the amount of each delinquency, the length of time delinquent and when foreclosure was commenced for each delinquent parcel; and (v) the assessed value of all parcels in the CFD subject to the levy of the Special Taxes as shown in most recent equalized roll. The annual reporting shall be made using such form or forms as may be prescribed by CDIAC.

(ii) If at any time the Fiscal Agent fails to pay principal and interest due on any scheduled payment date for the Bonds, or if funds are withdrawn from the Reserve Fund to pay principal and interest on the Bonds, the Fiscal Agent shall notify the Treasurer or Finance Director of such failure or withdrawal in writing. An official of the City shall notify CDIAC pursuant to Government Code Section 53359.5(c) within 10 days of the occurrence of any of the following events: (A) the scheduled principal or interest on the Bonds is not paid; or (B) a draw on the Reserve Fund to pay to pay principal and interest on the Bonds which draw causes the Reserve Fund to be reduced to an amount less than the Reserve Requirement.

(B) *Other Reporting.* Not later than January 1, 2017, and at least once a year thereafter, the Treasurer or Finance Director shall file a report with the City Council in accordance with the requirements of Government Code Section 53411, which report shall contain: (i) the amount of Special Taxes collected and expended; and (ii) the status of the Project financed by the CFD.

(C) *Amendment.* The reporting requirements of this Section 9.13 shall be amended from time to time, without action by the City or the Fiscal Agent, to reflect any amendments to Section 53359.5(b), Section 53359.5(c) or Section 53411 of the Government Code.

(D) *No Liability.* None of the City and its officers, agents and employees, the Treasurer or Finance Director or the Fiscal Agent shall be liable for any inadvertent error in reporting the information required by this Section 9.13.

The Treasurer or Finance Director shall provide copies of any such reports to any Bondowner upon the written request of a Bondowner and payment by the person requesting the information of the cost of the City to photocopy and pay any postage or other delivery cost to provide the same, as determined by the Treasurer or Finance Director. The term "Bondowner" for purposes of this Section 9.13 shall include any beneficial owner of the Bonds as described in Section 2.12.

Section 9.14. Counterparts. This Agreement may be executed in counterparts, each of which shall be deemed an original.

IN WITNESS WHEREOF, the City has caused this Agreement to be executed in its name and the Fiscal Agent has caused this Agreement to be executed in its name, all as of the first date set forth above.

REGISTERED OWNER: CEDE & CO.

PRINCIPAL AMOUNT: *** _____ DOLLARS ***

The City of Roseville (the "City") for and on behalf of the City of Roseville The Fountains Community Facilities District No. 1 (Public Facilities) (the "District"), for value received, hereby promises to pay solely from the Special Tax Revenues (as hereinafter defined) to be collected in the District or amounts in certain funds and accounts held under the Agreement (as hereinafter defined), to the Registered Owner named above or registered assigns (the "Owner"), on the Maturity Date set forth above, unless redeemed prior thereto as hereinafter provided, the Principal Amount set forth above, and to pay interest on such principal amount from the Bond Date shown above, or from the most recent Interest Payment Date (as hereinafter defined) to which interest has been paid or duly provided for, semiannually on March 1 and September 1, commencing March 1, 2017 (the "Interest Payment Dates"), at the Interest Rate set forth above, until the principal amount hereof is paid or made available for payment. The principal of this Bond is payable to the Owner in lawful money of the United States of America upon presentation and surrender of this Bond at the principal corporate trust office of The Bank of New York Mellon Trust Company, N.A. in Los Angeles, California (the "Fiscal Agent"). Interest on this Bond shall be paid by check of the Fiscal Agent mailed by first class mail on each Interest Payment Date to the Owner hereof as of the close of business on the 15th day of the month preceding the month in which the Interest Payment Date occurs (the "Record Date") at such Owner's address as it appears on the registration books maintained by the Fiscal Agent, or by wire transfer made on such Interest Payment Date upon written instructions delivered to the Fiscal Agent by the applicable Record Date of any Owner of \$1,000,000 or more in aggregate principal amount of Bonds.

This Bond is one of a duly authorized issue of bonds approved by resolution of the City Council of the City on _____, 2016 (the "Resolution"), pursuant to the Mello-Roos Community Facilities Act of 1982, as amended, Sections 53311, *et seq.*, of the California Government Code (the "Mello-Roos Act") for the purpose of providing moneys for the construction and acquisition of improvements within the District, and is one of the bonds

designated "City of Roseville The Fountains Community Facilities District No. 1 (Public Facilities) Special Tax Refunding Bonds, Series 2016" (the "Bonds"). The issuance of the Bonds and the terms and conditions thereof are provided for by a Fiscal Agent Agreement, dated as of _____ 1, 2016, by and between the City and the Fiscal Agent (the "Agreement") and this reference incorporates the Agreement herein, and by acceptance hereof the Owner of this Bond assents to said terms and conditions. The Agreement is authorized under, this Bond is issued under, and both are to be construed in accordance with, the laws of the State of California.

Pursuant to the Mello-Roos Act, the Agreement and the Resolution, the principal of and interest on this Bond are payable solely from the Special Tax Revenues and certain funds held under the Agreement. "Special Tax Revenues" means the proceeds of the special taxes levied under the Mello-Roos Act in the District (the "Special Taxes") that are received by the City, including all scheduled payments and delinquent payments thereof, interest and penalties thereon and proceeds of the redemption or sale of property sold as a result of foreclosure of the lien of the Special Taxes.

Interest on this Bond shall be payable from the Interest Payment Date next preceding the date of authentication hereof, unless (i) it is authenticated on an Interest Payment Date, in which event it shall bear interest from such Interest Payment Date, or (ii) such date of authentication is after a Record Date but on or prior to an Interest Payment Date, in which event interest will be payable from such Interest Payment Date, or (iii) such date of authentication is prior to the first Record Date, in which event interest will be payable from the Bond Date shown above; provided however, that if at the time of authentication of this Bond, interest is in default hereon, this Bond shall bear interest from the Interest Payment Date to which interest has previously been paid or made available for payment hereon.

Any tax for the payment hereof shall be limited to the Special Tax, except to the extent that provision for payment has been made by the City as may be permitted by law. The Bonds do not constitute obligations of the City for which the City is obligated to levy or pledge, or has levied or pledged, general or special taxation other than described herein above.

Optional Redemption. The Bonds maturing on or before September 1, _____ are not subject to redemption prior to maturity. The Bonds maturing on and after September 1, _____ are subject to optional redemption from any source of available funds prior to maturity, in whole, or in part among series and maturities as will be specified by the City and by lot within a maturity, on September 1, _____ and on any date thereafter, at a redemption price equal to the principal amount of the Bonds to be redeemed, without premium, plus accrued interest thereon to the date of redemption.

Mandatory Redemption From Prepayments. The Bonds are subject to mandatory redemption from prepayments of the Special Tax by property owners, in whole or in part among series and maturities as will be specified by the City and by lot within a maturity, on September 1, _____ and on any Interest Payment Date thereafter, at the following respective redemption prices (expressed as percentages of the principal amount of the Bonds to be redeemed), plus accrued interest thereon to the date of redemption:

<u>Redemption Date</u>	<u>Redemption Price</u>
September 1, 20__ through March 1, 20__	103%
September 1, 20__ and March 1, 20__	102
September 1, 20__ and March 1, 20__	101
September 1, 20)) and thereafter	100

Mandatory Sinking-Fund Redemption. The Bonds maturing on September 1, 20__ (collectively, the "Term Bonds") are subject to mandatory sinking payment redemption in part on September 1, 20__, and on each September 1 thereafter to maturity, by lot, at a redemption price equal to 100% of their principal amount to be redeemed, without premium, in the aggregate respective principal amounts as set forth in the following tables:

\$ _____ % Term Bonds
Due September 1, 20__

<u>Mandatory Redemption Date (September 1)</u>	<u>Sinking Fund Payment</u>
--	---------------------------------

(maturity)

\$ _____ % Term Bonds
Due September 1, 20__

<u>Mandatory Redemption Date (September 1)</u>	<u>Sinking Fund Payment</u>
--	---------------------------------

(maturity)

The amounts in the foregoing tables shall be reduced pro rata, in order to maintain substantially level debt service, as a result of any prior partial optional redemption or mandatory redemption of the Bonds.

Notice of redemption with respect to the Bonds to be redeemed shall be given to the Owners thereof, in the manner, to the extent and subject to the provisions of the Agreement.

This Bond shall be registered in the name of the Owner hereof, as to both principal and interest. Each registration and transfer of registration of this Bond shall be entered by the Fiscal Agent in books kept by it for this purpose and authenticated by its manual signature upon the certificate of authentication endorsed hereon.

No transfer or exchange hereof shall be valid for any purpose unless made by the registered owner, by execution of the form of assignment endorsed hereon, and authenticated as herein provided, and the principal hereof, interest hereon and any redemption premium shall

be payable only to the registered owner or to such Owner's order. The Fiscal Agent shall require the Owner requesting transfer or exchange to pay any tax or other governmental charge required to be paid with respect to such transfer or exchange. No transfer or exchange hereof shall be required to be made (i) within 15 days prior to the date established by the Fiscal Agent for selection of Bonds for redemption or (ii) with respect to a Bond after such Bond has been selected for redemption.

The Agreement and the rights and obligations of the City thereunder may be modified or amended as set forth therein. The principal of the Bonds is not subject to acceleration upon a default under the Agreement or any other document.

This Bond shall not become valid or obligatory for any purpose until the certificate of authentication hereon endorsed shall have been dated and manually signed by the Fiscal Agent.

It is hereby certified, recited and declared that all acts, conditions and things required by law to exist, happen and be performed precedent to and in the issuance of this Bond have existed, happened and been performed in due time, form and manner as required by law, and that the amount of this Bond, together with all other indebtedness of the City, does not exceed any debt limit prescribed by the laws or Constitution of the State of California.

Unless this Bond is presented by an authorized representative of The Depository Trust Company to the Fiscal Agent for registration of transfer, exchange or payment, and any Bond issued is registered in the name of Cede & Co. or such other name as requested by an authorized representative of The Depository Trust Company and any payment is made to Cede & Co., ANY TRANSFER, PLEDGE OR OTHER USE HEREOF FOR VALUE OR OTHERWISE BY OR TO ANY PERSON IS WRONGFUL since the registered owner hereof, Cede & Co., has an interest herein.

IN WITNESS WHEREOF, the City of Roseville has caused this Bond to be executed by the facsimile signatures of the Mayor and the City Clerk of the City, all as of the Bond Date stated above.

enlargement or any change whatsoever.

COUNCIL COMMUNICATION

CC #: 7779
File #: 0600-01

Title: Roseville Police Officers Association and Management and Confidential Employees - Memorandums of Understanding
Contact: Gayle Satchwell 916-774-5374 gsatchwell@roseville.ca.us

Meeting Date: 6/15/2016
Item #: 7.30.

RECOMMENDATION TO COUNCIL

Staff recommends the City Council take the following actions:

1. Adopt a resolution to approve the attached RPOA MOU Amendment #1, reflecting clean up language in Chapter 2, to Article III. Educational Incentive; Article VI. Overtime; Article XIII. Canine Officer and Chapter 3, Article X Leave of Absence.
2. Adopt a resolution to approve the attached Mgmt/Conf Terms, Conditions and Understanding, reflecting clean up language in Article I Salaries and Article XVI Sick Leave Incentive Program.

BACKGROUND

On January 6, 2016, City Council approved Resolution 16-08 allowing the Management Confidential Terms, Conditions and Understanding to reflect the salary, benefits and other provisions related to the employment for those covered during the period of January 1, 2016 through December 31, 2018. Subsequent to this approval, staff realized that one position, Street Maintenance Supervisor, had only received a Labor Market Adjustment of 0.17% in year one. The survey data supported a 0.17% increase to occur in each year of the three year term. Additionally, a change to the sick leave incentive program section inadvertently omitted the confidential unit members who are covered by the provision.

On January 20, 2016, City Council approved Resolution 16-11 allowing the RPOA MOU to reflect the rates of pay, hours of work, and other terms and conditions of employment for the period of January 20, 2016 through December 31, 2016. Subsequent to this approval, staff realized that some negotiated language had been inadvertently omitted and the Canine pay rate was incorrectly listed in the document presented to Council for approval.

FISCAL IMPACT

There is no fiscal impact from this action. All dollars related to any salary changes have already

been included in the proposed operating budget. This action simply corrects the wording in the MOU.

ECONOMIC DEVELOPMENT / JOBS CREATED

Non-applicable.

ENVIRONMENTAL REVIEW

Clean up language is not considered a “project” as defined by the California Environmental Quality Act (CEQA) (CEQA Guidelines 15378). Consequently no CEQA action is required.

Respectfully Submitted,

Lisa Achen, Human Resources Manager

Gayle Satchwell, Human Resources Director

Rob Jensen, City Manager

TERMS, CONDITIONS AND UNDERSTANDINGS OF COMPENSATION AND EMPLOYMENT FOR MANAGEMENT/CONFIDENTIAL EMPLOYEES

The City Council of the City of Roseville hereby establishes the following salary, benefits and other provisions related to the employment of the City's Management/Confidential employees during the period of January 1, 2016 through December 31, 2018

SUMMARY OF CONFIDENTIAL DESIGNATION

The confidential designation of selected positions protects the confidentiality of the City's bargaining process and strategy, both in general contract negotiations and in day-to-day interaction with employee unions and associations. The employees who occupy positions designated as confidential serve as essential support members to the management team and their confidentiality is assured by their exclusion from any organized bargaining unit.

DEFINITION

The term "confidential employee" identifies those employees who are regularly required to assist City managers responsible for developing and implementing City policies within the area of labor relations. A confidential employee is an employee who normally participates or assists in writing and/or preparing policies affecting employees' wages, hours, and working conditions; or an employee who regularly has advance knowledge of decisions which affect labor relations; or who processes information relating to the city's confidential labor relations matters.

CRITERIA

The following factors are used (in their totality) to determine those positions to be designated as confidential:

- A. The duties assigned to these positions include responsibility for providing clerical and/or technical support to managers who regularly participate in labor negotiations as a chief negotiator or team member; processing paperwork relating to labor negotiations, notes, research, management proposals, contract costing, strategies and plans, strike contingency plans, salary surveys, and problems within departments which are addressed during negotiations.
- B. Responsibility for processing paperwork relating to the disposition of union/association grievances, Skelly hearings, letters of reprimand, counseling memos, employee background checks, and other documents including those relating to all other forms of employee discipline.
- C. All non-management employees in the following departments are deemed to be confidential employees:
 - 1. City Attorney
 - 2. City Manager
 - 3. Human Resources
 - 4. Finance – Payroll only
 - 5. Administrative Assistants to all Department Heads

ARTICLE I. SALARIES

- A. Effective the first full pay period after January 1, 2016 the City shall provide a two percent (2%) general salary increase for all employees designated as Management/Confidential.
- B. Effective the first full pay period after January 1, 2018, the City shall provide a two percent (2%) general salary increase for all employees designated as Management/Confidential.
- C. Labor Market Adjustments – Effective the first full pay period in January 2016, the following salary increases shall be implemented for employees in the classifications listed below:

		January 2016	January 2017	January 2018

D. Salary Schedule B – All Employees Hired On/After the first full pay period in January of 2016

Effective the first full pay period in January 2016, for any current classification in the bargaining unit where the total compensation was 5% or more above the median total compensation for benchmarked classifications in the surveyed jurisdictions, the new top step for all such classifications in the new salary schedule B will be reduced as listed below. All other classification's top step in the new salary schedule B will remain unchanged.

Confidential B Schedule Reductions

Job Code	Class Title	Reduction
B101	Executive Assistant to the City Manager	-8.95%
B111	Payroll Clerk I	-7.48%
B112	Payroll Clerk II	-7.49%
B113	Payroll Technician I	-7.04%
B114	Payroll Technician II	-7.04%
B116	Senior Payroll Technician	-7.03%

Management B Schedule Reductions

Job Code	Class Title	Reduction
B725	City Clerk	-10.86%
B726	City Librarian	-13.13%
B737	Economic Development Manager	-11.70%
B754	Electronic Maintenance Coordinator	-10.13%
B779	Information Technology Division Manager	-7.42%
B781	Information Technology Program Manager	-7.41%
B778	Interpretive Services Supervisor	-10.37%
B786	Meter Services Supervisor	-24.63%
B787	Open Space Superintendent	-8.20%
B790	Park Planning and Development Superintendent	-8.20%
B791	Parks Superintendent	-8.20%
B792	Parks Supervisor	-14.00%
B793	Parks, Recreation & Libraries Business Administrator	-7.95%
B813	Recreation Manager	-10.38%
B814	Recreation Superintendent	-11.14%
B815	Recreation Supervisor	-10.37%
B822	Senior Database Analyst	-7.41%

Annual Merit Step Increases

1. Effective the first full pay period in January 2016, all employees hired before January 1, 2016 will remain on the current salary schedule (A) for all listed classifications in the bargaining unit. All such employees will continue on this salary schedule when promoted or transferred to other classifications.

2. Effective the first full pay period in January 2016, the City will create a second salary schedule (B) which will apply to new hires for all listed classifications in the bargaining unit. The salary steps for the new salary schedule will be approximately 2.5% apart for each classification in the unit. For purposes of this provision, any employee who was initially hired before January 1, 2016 that had a break in City service and was rehired after January 1, 2016 will be deemed a newly hired employee under this provision.

E. Bilingual Pay - employees certified by the Human Resources Department as Spanish speaking will be paid \$100.00 per month (\$46.15 bi-weekly). At the discretion of the Department Head and

upon certification by the Human Resources Department, employees may be compensated \$100.00 per month for other languages used during the course of employment. However, \$100 per month bilingual pay is the maximum amount an employee may receive no matter how many languages he/she is certified to speak.

- F. A five percent (5%) differential will continue to be paid to management employees in engineering classifications (except Wastewater Utility Manager and Water Utility Manager who had their PE pay converted to salary in 2000) who possess a California Professional Engineer Certificate (PE) but whose position does not require such possession.
- G. Fire Battalion Chiefs will earn time and one-half overtime when covering a shift assignment.
- H. The Assistant Fire Chief , Fire Division Chiefs and Fire Battalion Chiefs (8 hour shift only) when acting in the capacity of the Battalion Chief (24 hour), will be paid at the Battalion Chief (24 hour) time and one-half rate.
- I. The Assistant Fire Chief, Fire Division Chiefs and Battalion Chiefs will receive the following certification pay:
 - a. Five percent (5%) of base pay bi-weekly for HazMat Technician or Specialist certification. HazMat certification must be maintained by attending the necessary trainings and proving competency through annual testing.
 - b. Two percent (2%) of base pay bi-weekly for possessing the requisite certificates for departmental rescue certification (possessing RS1, RS2, Confined Space Rescue, and Trench rescue certification). Rescue certification must be maintained by attending the necessary trainings and proving competency through annual testing.
- J. Police Lieutenants required to spend time as a peace officer or watch commander will be compensated at time-and-one-half rate for time spent in excess of their normal shift. The overtime rate is for SWAT, mandatory shift scheduling and additional watch commander shifts based on operational need where the employee is not serving in his/her regular management role.
- K. Reopener Provision:

The City may reopen the terms and conditions if any of the following occurs:

1. General Fund revenue declines, or is projected to decline, by two percent (2%) or more in one year or one percent (1%) per year over two (2) years. The contract can be reopened only after: (a) closing out the previous fiscal year, (b) receiving County property tax projections for the current fiscal year, and (c) the Finance Department revising revenue projections for the current fiscal year based on (a) and (b).
2. General Fund expenses increase by two percent (2%) or more, with no offsetting increase in revenue, based on unfunded mandates of the State of California or an agency of the State.
3. The Roseville electorate, by local ballot initiative, approves a limitation to the salaries of Roseville management employees.

The City shall identify Management/Confidential's proportionate share of any revenue shortfall.

In the event other revenues increase and exceed the amount of any lost revenue, the City will not exercise the reopener clause; however, any future increase in revenues must clearly offset general fund expenditures.

ARTICLE II. SALARY UPON PROMOTION

Any regular employee who is promoted to a position in a class with a higher salary range shall be placed in the step in the new salary range which represents at least a ten percent (10%) increase over the employee's current step. In the event that the new range does not have a step that is at least ten percent (10%) higher than the employee's current range, the employee shall be assigned to the highest step in the range. A promoted employee is assigned a new salary anniversary date effective on the date of the promotion.

ARTICLE III. DEFERRED COMPENSATION

The City shall maintain a program of deferred compensation for eligible employees. It is understood that the City is solely responsible for selection of the Deferred Compensation plan and plan administrator(s).

Effective the first full pay period in January of 2016, the City agrees to contribute one percent (1%) of the base salary into the city sponsored 457 deferred compensation plan for employees who have completed five (5) continuous years of regular employment with the City of Roseville.

Effective the first full pay period in January of 2017, the City agrees to contribute an additional one percent (1%) for a total of two percent (2%) of the base wages into the city sponsored deferred compensation plan for employees who have completed five (5) continuous years of regular employment with the City of Roseville.

Effective the first full pay period in January 2018, the City agrees to contribute an additional one percent (1%) for a total of three percent (3%) of the base wages into the city sponsored deferred compensation plan for employees who have completed five (5) continuous years of regular employment with the City of Roseville.

ARTICLE IV. WORKING OUT OF CLASS

Pursuant to Roseville Municipal Code Section 3.07.080, no employee shall be required to perform duties which are not closely related both in kind of work and in level of responsibility to duties formerly assigned to positions in the class, except on a short-term, temporary or emergency basis. However, if a supervisor assigns an employee to work out of class for four (4) hours or more, or one-half (1/2) shift or more, the employee shall be paid out of class pay equal to ten percent (10%) or top step of the higher class where there is not ten percent (10%) differential between the two classes.

Temporary Acting Pay

An employee temporarily assigned in writing to an acting position in a classification with a higher salary range shall be compensated for the duration of the acting assignment by the payment of ten percent (10%) of the regular salary the employee received prior to the acting assignment, or the salary provided for in Step A of the higher classification, whichever is greater, but not to exceed top step of the higher classification for all time worked and any leave time paid. The higher classified position must be temporarily vacant due to a long-term absence of the incumbent or pending the filling of a vacant position. The temporary acting pay assignment shall be for a minimum of two full-time pay periods and limited to one year. Authorization for a temporary acting assignment must be given by the employee's supervisor and requires advance approval of the Department Head, Human Resources Director and City Manager.

This section does not apply to regular employees whose positions are designated to act in the absence of the department, division or section head.

ARTICLE V. PUBLIC EMPLOYEES RETIREMENT SYSTEM

- A. The City provides and maintain membership in the California Public Employees' Retirement System (CalPERS) for the benefit of eligible employees based on the following CalPERS definitions and contract provisions:
1. New Member means:
 - i. A unit member who becomes a member of a public retirement system for the first time on or after January 1, 2013 and who was not a member of any other public retirement system prior to that date;
 - ii. A unit member who becomes a member of a public retirement system for the first time on or after January 1, 2013 and who was a member of another public retirement system prior to that date, but who was not subject to reciprocity under Gov. Code §7522.02(c) and related CalPERS reciprocity requirements; or
 - iii. A unit member who was an active member in a public retirement system with another employer and who, after a break in service of more than six (6) months, returns to active membership in CalPERS with the City.
 2. Classic Member means: a unit member who entered into membership with a qualifying public retirement system on or before December 31, 2012 who does not meet the definition of "New Member" under Government Code §7522.04(f) and related CalPERS membership requirements. Status as a classic member shall be determined by CalPERS.
- B. Retirement Benefits:

Safety Members

1. Retirement Plan for Employees Hired On or Before December 31, 2012, and Classic Members as Defined by CalPERS:

Employees hired on or before December 31, 2012 shall receive the 3% at 50 retirement benefit. For purposes of determining a retirement benefit, final compensation for employees covered by Section B.1. shall mean the single highest year of compensation earnable.

Each employee covered by Section B.1. shall pay through payroll deduction, 100% of the required bargaining unit member contribution, which is nine percent (9%). As permitted by CalPERS, the City agrees to report the amount paid by the employee as part of the employer's contribution and to report the same amount as EPMC and compensation earnable.

2. Retirement Plan for Employees Hired On or After January 1, 2013, Who Are Not Classic Members.

Employees hired on or after January 1, 2013 who are new members, as defined by CalPERS, shall receive the 2.7% at 57 benefit.

For purposes of determining a retirement benefit, final compensation for unit members covered by Section B.2. shall mean the highest annual average pensionable compensation earned during thirty-six (36) consecutive months of service.

As required by Government Code §7522.30, unit members covered by Section B.2. shall pay, through payroll deduction, fifty percent (50%) of the total normal cost of their retirement plan as determined annually by CalPERS.

3. In addition to the benefits listed above, the City contracts for the following optional benefits for employees covered by Section B(1) and B(2):

- Post Retirement Survivor Allowance
 - Optional Settlement 2W
 - 1959 Survivor Benefit Level 4
 - Special Death Benefit
 - Credit for Unused Sickleave
 - Two-percent (2%) Retirement COLA
4. Employee contributions shall be made in accordance with Section 414(h)(2) of the Internal Revenue Code wherein payment to CalPERS is made pretax, to the extent permitted by Internal Revenue Code, 26 USC Section 414(h)(2).

Miscellaneous Members

5. This Section B, including subsections, shall apply to bargaining unit members hired on or before December 31, 2012. In addition, this Section B shall apply to bargaining unit members hired on or after January 1, 2013, who are qualified for pension reciprocity as stated in Government Code Section 7522.02(c) and related CalPERS reciprocity requirements (Classic Member):

The "2.7% @ 55" retirement program will be available to bargaining unit members covered by Section B(5).

For the purposes of determining a retirement benefit, final compensation for bargaining unit members covered by Section B(5) shall mean the highest twelve (12) consecutive month period as specified in Government Code Section 20042.

Bargaining unit members covered by Section B(5) shall continue to pay, through payroll deduction, 8.0% of compensation earnable contribution to CalPERS. 6.197% shall be contributed toward the City's pension costs, and 1.803% shall be contributed toward the employees' pension contribution. The City shall pay 6.197% of compensation earnable as EPMC (Employer Paid Member Contribution) and shall report the same percent (value) of compensation earnable as special compensation pursuant to Government Code Section 20636(c) (4).

6. This Section B, including subsections, shall apply to bargaining unit members who were hired on or after January 1, 2013, and who do not qualify for pension reciprocity as stated in Government Code Section 7522.02(c) (PEPRA Members).

The "2% @ 62" retirement program will be available to bargaining unit members covered by Section B(6).

Effective January 1, 2013, for the purposes of determining a retirement benefit, final compensation for bargaining unit members covered by Section B(6) shall mean the highest annual average pensionable compensation earned during thirty-six (36) consecutive months of service.

As required by Government Code Section 7522.04(g), effective January 1, 2013, bargaining unit members covered by Section B(6) shall pay, through payroll deduction, fifty percent (50%) of normal costs as determined by CalPERS.

7. Unit members covered by Section B(5) and B(6) continue to be eligible for the following options included in the City's contract with CalPERS:
- Government Code Section 20965 (Conversion of unused sick leave balance to service credit)

- Government Code Section 21573 (Third Level of 1959 Survivor Benefits)
 - Government Code Section 21548 (Pre-Retirement Option 2W Death Benefit)
 - Two percent (2%) Retirement COLA
8. Employee contributions shall be made in accordance with Section 414(h)(2) of the Internal Revenue Code wherein payment to CalPERS is made pretax, to the extent permitted by Internal Revenue Code, 26 USC Section 414(h)(2).

ARTICLE VI. HEALTH AND WELFARE PROGRAM

- A. **Eligibility**
Any regular employee working fifty percent (50%) or more of a full-time schedule shall be eligible to enroll in any health and welfare benefit provided by this Article. Regular part-time employees who are hired into a position funded as regular part-time after January 1, 2004, or current employees who laterally transfer or promote into a regular part-time allocated position will receive a pro-rated amount toward their health and welfare contribution based on actual hours worked. The contribution amount will be based on the percentage of full-time the employee works. For example, employees working twenty (20) hours per week will receive fifty percent (50%) of the full-time contribution; employees working thirty (30) hours per week will receive seventy-five percent (75%) of the full-time contribution, etc.
- B. **Medical Insurance Benefits**
The City agrees to contract with the California Public Employees' Retirement System (CalPERS) for the purpose of providing employees and their eligible dependents with medical insurance benefits. Effective the first of the month following City Council approval of this resolution or as soon as administratively possible, the City's maximum monthly contribution for each eligible active employee shall be equal to the minimum employer contribution required under the Public Employees' Medical and Hospital Care Act (PEMHCA).
- C. **Cafeteria Plan**
1. The City agrees to maintain a Cafeteria Plan, pursuant to Section 125 of the Internal Revenue Code and any related regulations, for the purpose of providing employees with access to various health and welfare benefits. Benefits available through the Cafeteria Plan include medical insurance, dental insurance, vision insurance and long term disability (LTD).
 2. Effective December 1, 2016, the City agrees to provide a Cafeteria Plan Allowance to all employees eligible to participate in City sponsored health and welfare benefits under Section A of this Article of up to \$1,296 monthly (less the direct PEMHCA payment provided in paragraph B) for the term of the agreement.
 3. Effective December 1, 2017, , the City agrees to provide a Cafeteria Plan Allowance to all employees eligible to participate in City sponsored health and welfare benefits under Section A of this Article of up to \$1,321 monthly (less the direct PEMHCA payment provided in paragraph B) for the term of the agreement.
 4. Effective December 1, 2018,, the City agrees to provide a Cafeteria Plan Allowance to all employees eligible to participate in City sponsored health and welfare benefits under Section A of this Article of up to \$ 1,347 monthly (less the direct PEMHCA payment provided in paragraph B) for the term of the agreement.
 6. The City agrees to provide a flex plan credit of up to \$168.00 per month to be used by active employees for any benefit covered under the Cafeteria Plan.
 7. Employees who elect not to participate in any of the medical, dental, vision and LTD insurance benefits sponsored by the City and who provide proof of other medical coverage will not receive any Cafeteria Plan Allowance under Section C(2) or Flex Plan Credit under Section

C(3) of this Article. Instead, employees who opt out of these City sponsored benefits will receive \$150 per month.

8. Any Cafeteria Plan Allowance provided for under Section C(2) of this Article can only be used by an employee to offset the cost of participation in City sponsored medical, dental, vision and LTD, insurance benefits for the employee and any eligible dependents.

- D. The City agrees to continue its existing Section 125 plan. The City reserves the right to select the provider or self-administer this program and to set limits for medical reimbursement accounts.
- E. The City agrees to provide a dental benefit. The City agrees to provide a dental benefit to include two (2) preventative cleanings per year. Other details of the City's dental benefit are described in the evidence of coverage document. The City reserves the right to select any dental carrier. Open enrollment will be as described in the evidence of coverage document.
- F. From time to time, the City will change benefit providers due to administrative, service, economic or other reasons. Due to carrier policies and procedures and Department of Insurance requirements, there can be no guarantee that one policy will exactly mirror the preceding one. The City desires to provide a consistent benefit, and insofar as is possible, benefits and language will be matched.
- G. Management and Confidential employees may utilize the Employee Assistance Program. Each employee and each dependent is eligible for a maximum of six (6) City paid counseling sessions.
- H. The City agrees to continue its existing vision program and reserves the right to select an insurance provider or choose to self-insure this benefit.

ARTICLE VII. RETIREE HEALTH BENEFITS

- A. Medical Insurance Benefits
The City agrees to contract with the California Public Employees' Retirement System (CalPERS) for the purpose of providing employees and their eligible dependents with medical insurance benefits. Effective the first of the month following City Council approval of this resolution or as soon as administratively possible, the City's maximum monthly medical contribution for each eligible retiree shall be equal to the minimum employer contribution required for active employees under the Public Employees' Medical and Hospital Care Act (PEMHCA).

The parties' agreement to move from the CalPERS equal contribution method to the PEMHCA minimum employer contribution method does not modify retiree health benefits for employees in Tiers I and II pursuant to Article VI B and C below. Employees who are currently in Tier 1 who promote into a management position covered, herein, shall maintain Tier 1 benefits until retirement or a break in service. Employees who leave City employment and return to City employment shall not be covered by Tier 1 or Tier 2 retiree health benefits.

- B. For Employees Hired Prior to January 1, 2004 (Tier 1)
Employees hired prior to January 1, 2004 that qualify for post-retirement health benefits shall qualify for such benefits based on rules in effect prior to January 1, 2004, i.e. an employee that retires from the City of Roseville and is eligible for CalPERS service retirement shall receive a City contribution towards their post-retirement medical insurance benefit at the same level as full-time regular employees covered by this agreement.
- C. For Employees Hired on or after January 1, 2004 and Prior to January 1, 2014 (Tier 2)
For employees hired on or after January 1, 2004 and prior to January 1, 2014, to be eligible to receive post-retirement health benefits, an employee must complete at least five (5) years of CalPERS-credited service with the City of Roseville. Employees who retire from the City of

Roseville after meeting the service requirement stated above and who have at least ten (10) years of CalPERS-credited service will receive a City contribution towards their post-retirement health benefits as follows:

Total Credited Years of Service	% of City Contribution
10	50 %
11	55
12	60
13	65
14	70
15	75
16	80
17	85
18	90
19	95
20 +	100

Employees who have PERS-credited service through other public agencies must complete at least five (5) years of service with the City of Roseville and retire from the City of Roseville to be eligible for post-retirement health benefits. However, once an employee has completed five (5) years of service with the City of Roseville, their eligibility for post-retirement health benefits will include all years of PERS-credited service.

The vesting requirements for post-retirement health benefits will become effective January 1, 2004. Employees hired on or after January 1, 2004 shall be subject to the above post-retirement vesting schedule for health benefits.

D. For Employees Hired on or After January 1, 2014 (Tier 3)

1. Employees hired on or after January 1, 2014 shall have no vested right in any post-employment medical benefits provided by the City of Roseville. Instead, upon hire, those employees shall contribute one percent (1%) of their base salary each pay period to a City sponsored Retirement Health Savings (RHS) account and shall contribute an additional one percent (1%) per pay period per year annually, up to a maximum of five percent (5%) per pay period annually thereafter, to be used to fund the employee's medical costs upon retirement from the City.
2. After five (5) years of continuous service with the City of Roseville, and beginning on the first pay period of the sixth year of service, the City shall contribute a flat dollar amount equal to \$100 per month to be deposited to the employee's RHS account up until the employee's retirement date or separation from the City. After accruing ten (10) cumulative years of service with the City and pursuant to the vesting schedule in Section C of this Article, employees may draw from the City contribution to this account upon retirement.
3. Employees who terminate City service for reasons other than retirement prior to twenty (20) years of cumulative service with the City will forfeit any City contributions.
4. Employees must retire from the City of Roseville and be enrolled in the City of Roseville's health plan in order to utilize City contributions to the employee's RHS accounts. After ten (10) years of cumulative service with the City of Roseville, City contributions to the employee's RHS account may be used for all covered medical expenses pursuant to Section 213 of the IRS Code.

ARTICLE VIII. LONG TERM DISABILITY PLAN

- A. The City agrees to maintain a long term disability (LTD) program consisting of a sixty (60) calendar day qualifying period; whereupon an eligible employee shall be entitled to receive sixty percent (60%) of his/her gross monthly salary in accordance with the LTD Plan. Other details of the City's LTD plan are described in the plan booklet.
- B. After five (5) years as a regular employee, the City agrees to pay one hundred percent (100%) of the premium for the LTD plan.
- C. A program of voluntary group Supplemental LTD is available to those employees assigned to the classifications in Management Appendix "A", CCAP Appendix "A", and Confidential Appendix "A". The City reserves the right to select the insurance provider. The employee accepts sole responsibility for payment of any and all costs under this program. All premiums will be collected via payroll deduction.

ARTICLE IX. LIFE INSURANCE

The City agrees to continue to provide a City paid life insurance program for eligible employees as covered in the plan document. The City reserves the right to select the life insurance benefit provider. The program will provide a policy equivalent to twice the annual salary in effect as of July 1 of each year.

ARTICLE XI. SERVICE TERM/PERFORMANCE BONUS

A. SERVICE TERM BONUS

In recognition of the substantial contribution to the community made by Confidential employees as a result of the length of their City service, the City shall annually award, not compounded, each applicable employee a service term bonus as indicated below.

- 1. The City agrees to provide Confidential employees the following service term bonus:

SERVICE TERM	BONUS AMOUNT
Beginning of the 10th year	2.5% of base salary

- 2. The City agrees to continue to provide Assistant Fire Chief, Fire Division Chief and Fire Battalion Chief the following service term bonus:

SERVICE TERM	BONUS AMOUNT
Beginning of 10th year to completion of 14th year	2.5% of base salary
Beginning of 15th year to completion of 19th year	5.0% of base salary
Beginning of 20th year and every year thereafter	7.5% of base salary

- 3. The City agrees to provide Police Lieutenants and Captains the following service term bonus:

SERVICE TERM	BONUS AMOUNT
Beginning of 10th year to completion of 14th year	2.5% of base salary
Beginning of 15th year to completion of 19th yearand	5.0% of base salary

every year thereafter

Such service term bonus shall be included in each eligible employee's bi-weekly payroll.

- B. Employees hired on or after January 1, 2016, who receive a satisfactory or above annual performance review shall be eligible for an annual lump sum performance bonus as follows:

1. The City agrees to provide Confidential employees the following service term bonus:

SERVICE TERM	BONUS AMOUNT
Beginning of the 10th year	2.5% of base salary

2. The City agrees to continue to provide Assistant Fire Chief, Fire Division Chief and Fire Battalion Chief the following service term bonus:

SERVICE TERM	BONUS AMOUNT
Beginning of 10th year to completion of 14th year	2.5% of base salary
Beginning of 15th year to completion of 19th year	5.0% of base salary
Beginning of 20th year and every year thereafter	7.5% of base salary

3. The City agrees to provide Police Lieutenants and Police Captains the following service term bonus:

SERVICE TERM	BONUS AMOUNT
Beginning of 10th year to completion of 14th year	2.5% of base salary
Beginning of 15th year to completion of 19th year and every year thereafter	5.0% of base salary

The annual lump sum performance bonus shall be paid with the first full pay check in January each year based upon the base salary paid during the first full pay period in the previous November of each year.

ARTICLE XII. VACATION LEAVE

- A. Vacation provisions shall be governed pursuant to Roseville Municipal Code Section 3.12.060 with the exceptions noted in Subsection B.
- B. Except as noted below, each full-time classified public safety Fire Department employee shall accrue vacation leave with pay as follows:

Service Category	Bi-weekly Accrual	Days/Year Equivalent	Maximum Hours
New employee to completion of 4th year	3.693 hr	12 days (96 hours)	192

Start of 5th yr to completion of 9th year	4.62 hr	15 days (120 hours)	240
Start of 10th yr to completion of 14th yr	5.23 hr	17 days (135 hours)	272
Start of 15th yr to completion of 19th yr	5.8 hr	19 days (152 hours)	304
Start of 20th yr and succeeding years	6.46 hr	21 days (168 hours)	336

Each full-time management employee in the Fire Department working a twenty-four (24) hour shift shall accrue vacation leave with pay as follows:

Service Category	Bi-weekly Accrual	Days/Year Equivalent	Maximum Hours
New employee to completion of 4 th year	5.538 hr	6 shifts (144 hours)	288
Start of 5 th yr to completion of 9 th year	7.385 hr	8 shifts (192 hours)	384
Start of 10 th yr to completion of 14 th yr	8.308 hr	9 shifts (216 hours)	432
Start of 15 th yr to completion of 19 th yr	9.231 hr	10 shifts (240 hours)	480
Start of 20 th yr and succeeding years	10.15 hr	11 shifts (264 hours)	528

- C. All employees in the unit who are on probation may use vacation leave with prior approval from their supervisor.

ARTICLE XIII. MANAGEMENT LEAVE PLAN

Each calendar year management employees will be eligible to receive up to one hundred (100) hours of management leave. The actual number of hours allocated to each employee will be determined based on:

- A. The employee's accomplishments, efforts and performance as determined by the department head and the City Manager. The City Manager has the discretion to determine the number of management leave hours for new hires.
- B. By December 1st (for the subsequent year) each department will submit to the Human Resources Director their recommendation (and any supporting justification) for the amount of management leave to be allocated to each employee. The City Manager will have final approval of all management leave allocations.

Employees will be issued hours on January 1st each year and will not be allowed to carry unused hours beyond the end of the current calendar year. Employees may receive a lump sum payoff of up to fifty (50) hours. Department Heads may receive a lump sum payoff off of up to 100 hours. Employees may make an early payoff request any time after July 1 of each year. Employee may not be compensated for more hours than earned (based on an annual pro-rata) at the time of the payoff request. If an employee does not make an early request then the payoff of up to fifty (50) hours will be made on the pay period that includes December 31st.

A department head may recommend a revised allocation if an employee's work schedule or job duties change during the year. Any payoff of management leave will be based on the revised

allocation. Upon separation from City service, an employee's allocation shall be deemed revised, prorated to correspond to the portion of the calendar year prior to separation, and net payoff of management leave shall be adjusted accordingly.

ARTICLE XIV. PERSONAL LEAVE TIME

Each full-time employee in the confidential unit shall be provided a bank of forty (40) hours of Personal Leave Time (PLT) on the first pay period of each calendar year. Part-time employees shall receive a prorated bank.

Use of PLT time shall be subject to the following:

- A. PLT may be used by employees for time off on an hour for hour basis until the employee has exhausted the bank.
 - 1. Use of PLT shall be subject to the operating needs of the City. The City may deny an employee time off on PLT if such release time will adversely impact the operating or staffing needs of a City department.
- B. PLT shall have cash value and may be cashed out by the employee on an hour-for-hour basis at the employee's regular straight-time hourly rate of pay. Employees may cash out unused PLT in any regular pay period pursuant to procedures established by the City Human Resources Department.
- C. Any PLT time remaining in an employee's PLT bank on the last pay period of the calendar year shall not roll over into the next calendar year. Such PLT time shall be cashed out by the City on an hour-for-hour basis at the employee's regular straight-time hourly rate of pay.
- D. Employees who terminate employment with the City or leave the bargaining unit shall be cashed out at the rate of 0.76923 hours per week up to the balance of the employee's PLT bank. If an employee terminates and has taken more PLT in advance than 0.76923 hours per week, the City shall deduct an equivalent amount of pay for the excess PLT. Any time cashed out will be paid on an hour-for-hour basis at the employee's regular straight-time hourly rate of pay. Part-time employees will receive a pro-rated cash out of their PLT bank.
- E. Any employee hired after the first of the year shall be granted a prorated amount at 0.76923 hours per week for the remainder of the calendar year. For example, if an employee is hired on July 1, the employee shall be granted twenty (20) hours of PLT.

ARTICLE XV. HOLIDAY PAYOFF FOR PUBLIC SAFETY MANAGERS

- A. Police Lieutenants assigned to patrol will be issued one hundred and ten (110) holiday hours annually.
- B. At any time after July 1st, police managers may submit a request for a one-time lump sum of up to forty (40) hours of holiday pay prior to taking time off at straight salary.
- C. Battalion Chiefs (24 hour) will be issued one hundred and forty-four (144) hours of holiday time annually. In lieu of holiday time off, Battalion Chiefs may elect to receive straight salary for up to six (6) shifts of earned and unused holiday credit prior to the end of each January. All holiday time to be converted to pay shall be in one-half (1/2) shift increments.

ARTICLE XVI. SICK LEAVE INCENTIVE PROGRAM (refer to Section 3.12.070 of the Personnel Rules)

The payment of unused sick leave is authorized by the City as a means of rewarding employees who have made conscientious efforts to maximize their attendance on the job.

Upon retirement, permanent employees shall be entitled to the payment for accrued sick leave as follows:

A.

Non-24 Hour Shift Number of Sick			24 Hour Shift Number of Sick			Percent of Compensation Given
Leave Hours Accumulated			Leave Hours Accumulated			
Max			Max			
1200	To	1600	1800	to	2400	70%
956	To	1199.99	1434	to	1799.99	60%
764	To	955.99	1146	to	1433.99	50%
572	To	763.99	858	to	1145.99	40%
380	To	571.99	570	to	857.99	30%
188	To	379.99	282	to	569.99	20%
0	To	187.99	0	to	281.99	0%

OR

- B. Upon retirement, for employees hired or promoted to a management/[confidential](#) position prior to January 1, 2016 with a minimum of one hundred and fifty (150) days (1200 hours) of sick leave may "run out" their balance up to a maximum of six (6) months. During this "run out" period, the employee will remain on City payroll and will receive all health and welfare contributions as if they were actually working. Employee will not earn any additional vacation, sick, holiday, administrative or any other form of leave, nor will they receive salary or step increases. Employee will not receive auto allowance, performance pay or City paid deferred compensation contributions while on "run down." Finally, employee will not receive any long term disability or life insurance benefits while running down their sick leave.
- C. Any remaining sick leave balances after choice of either "A" or "B" can be converted to CalPERS service credit.

ARTICLE XVII. CATASTROPHIC LEAVE

Employees may voluntarily donate accrued vacation, PLT, management leave, floating holiday, and/or compensatory time off (CTO) for credit to another regular employee covered by this agreement who suffers a non-industrial related catastrophic illness or injury. Such donations shall be made in accordance with the following:

- A. The recipient employee must be off work for a minimum of thirty (30) consecutive days and must have exhausted all accrued leave (vacation, holiday, sick leave, compensatory time, etc.) prior to receiving donated leave.
- B. A donor employee may voluntarily donate up to a maximum of forty (40) hours of vacation, PLT, management leave, floating holiday, and/or compensatory time in any calendar year. All donations are irrevocable. Donations shall be made in four (4) hour increments. All unused hours shall remain with the recipient employee.
- C. A maximum of sixty (60) days can be donated to any one regular employee in any one calendar year.

- D. A recipient employee shall be eligible for health benefits while on catastrophic leave with donated time for a maximum of sixty (60) days; however a recipient employee shall not accrue vacation or sick leave during this period.
- E. An employee donating accrued leave or an employee receiving donated leave shall waive all tax liability of the City through the establishment of the catastrophic sick leave program.

ARTICLE XVIII. ADDITIONAL APPLICATION

In addition to the specific application of the above terms, conditions and understanding of compensation of employment, the provisions of Articles I, IV, V, VI, VII, VIII, X, XI, XIV, XV, XVIII, XIX and XXII shall apply to the City Manager and the City Attorney.

ARTICLE XIX. UNIFORM ALLOWANCE

- A. Police management will be provided uniforms in accordance with department procedures. Police Lieutenants who are assigned to investigations for a period of one year or more who have not served in that assignment for at least two (2) years are eligible to receive a one-time clothing reimbursement of \$400 to offset increased clothing costs associated with the assignment. Such clothing will be cleaned at the City's expense.
- B. The City will continue to provide uniforms, clean and replace uniforms for fire management personnel.

ARTICLE XX. EDUCATIONAL REIMBURSEMENT

Employees may be reimbursed for the tuition and fees connected with approved job related educational courses recognized by the U.S. Secretary of Education not to exceed the California State University full-time tuition rate per year. The cost of books is not covered in this agreement. The employee will submit the request for reimbursement to the Human Resources Department.

The request must be made before the class has been completed. The Human Resources Department will make the final decision to accept or reject the request. No payment will be made until the final proof of passing grade is submitted to Human Resources. The City has established an annual educational reimbursement fund of \$6,000 to be administered by the Human Resources Department. Once the fund balance is depleted, no further reimbursements will be approved.

ARTICLE XXI. ALCOHOL AND DRUG ABUSE POLICY

The Alcohol and Drug Abuse Policy will continue to be enforced. All employees will be required to immediately notify the City in writing of any criminal drug or alcohol related conviction.

ARTICLE XXII. DEPARTMENT HEAD CONTRACTS AND SEPARATION INCENTIVE PLAN AND ADMINISTRATIVE SETTLEMENTS

- A. The City agrees to grant the City Manager the authority to enter into employment contracts with department head staff. One of the provisions of the contract will be to provide up to six (6) months' severance pay for department heads whose contracts are not renewed.
- B. The City agrees to grant the City Manager the authorization to create a separation incentive plan using a 401 tax qualified plan and for the City Manager to serve as the Plan Administrator.
- C. The City Manager is authorized to approve administrative settlements through separation of service agreements with up to 2 weeks compensation for each year of service credit, up to a maximum of 26 weeks.

ARTICLE XXIII. RELOCATION ASSISTANCE

The City agrees to grant the City Manager the authority to provide up to \$15,000 in relocation assistance for positions the manager deems appropriate.

ARTICLE XXVI. NO SMOKING POLICY

Sworn employees hired after January 1, 2004 must be tobacco free and cannot use tobacco products on or off duty.

RESOLUTION NO. 16-268

APPROVING AMENDMENT #1 TO THE 2016-2018 MEMORANDUM OF
UNDERSTANDING BETWEEN THE CITY OF ROSEVILLE AND THE ROSEVILLE
POLICE OFFICERS ASSOCIATION, AND AUTHORIZING THE CITY MANAGER TO
EXECUTE IT ON BEHALF OF THE CITY OF ROSEVILLE

WHEREAS, amendment #1 to the 2016-2018 Memorandum of Understanding between the City of Roseville and the Roseville Police Officers Association, has been reviewed by the City Council;

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Roseville that said amendment #1 to memorandum is hereby approved and the City Manager is authorized to execute it on behalf of the City of Roseville.

PASSED AND ADOPTED by the Council of the City of Roseville this ____ day of _____, 20__, by the following vote on roll call:

**AMENDMENT #1
TO THE
2016 -2018 MEMORANDUM OF UNDERSTANDING
BETWEEN THE
CITY OF ROSEVILLE
AND THE
ROSEVILLE POLICE OFFICERS' ASSOCIATION (RPOA)**

Clean-up

April 4, 2016

The parties mutually agree to amend the 2016-2018 Memorandum of Understanding as follows:

1. Revise Chapter 2, Article III to read:

ARTICLE III. EDUCATIONAL INCENTIVE

- A. The following employees shall receive the following noncumulative monthly educational incentive payments in consideration of the prescribed standards of educational achievement as indicated below:

Police Officer or Police Sergeant - AA Degree from an accredited college or university or POST Intermediate Certificate: five percent (5%) of base pay.

Police Officer or Police Sergeant - BA degree from an accredited college or university or POST Advanced Certificate: twelve and one-half percent (12.5%) of base pay.

For the purposes of defining achievement of a certificate, submission of the signed certificate application to California POST shall constitute proof.

- B. Educational incentive pay shall not be computed for payroll purposes such that the payment results in a supplement to base salary compensation, particularly where it would have a compounding wage effect upon overtime and acting assignment compensation. Rather, educational incentive payments shall be included in bi-weekly payrolls and shall constitute a form of compensation separate and apart from any other form of compensation.
- C. Employees may not receive educational pay for both an AA degree/POST Intermediate Certificate and a BA/BS degree/POST Advanced Certificate; they are not cumulative payments and only one or the other qualifies for payment.

2. Revise Chapter 2, Article VI(f). Overtime to read:

ARTICLE VI. OVERTIME

F. Shift Change.

To qualify for the below provisions, a shift change must result in less than twenty-four (24) consecutive hours off. Shift changes which exceed twenty-four (24) hours off and shift changes for purposes of training, or the transfer of probationary employees enrolled in the field training program shall not be eligible under this provision.

5/8 Schedule: Employees required to work more than five (5) consecutive shifts as a result of a shift change shall receive overtime on the sixth and succeeding consecutive shifts worked.

4/10 Schedule: Employees required to work more than four (4) consecutive shifts as a result of a shift change shall receive overtime on the fifth and succeeding consecutive shifts worked.

11 and 12 Hour Schedule:

Employees required to work more than four (4) consecutive shifts during their eleven (11) hour shift week as a result of shift change shall receive overtime on the fifth and succeeding consecutive shifts worked.

Employees required to work more than three (3) consecutive shifts during their twelve (12) hour shift week as a result of shift change shall receive overtime on the fourth and succeeding consecutive shifts worked.

3. Revise Chapter 2, Article XIII. Canine Pay to read:

ARTICLE XIII. CANINE OFFICER

- A. For a City or personally owned canine certified for duty use, the City shall provide food, special food supplements and equipment as outlined in the Canine Operations Manual.
- B. The City shall obtain a health plan policy for the dog and shall be responsible for the premium. The health plan selected shall be at the sole selection of the City.
- C. The canine handler will receive seven (7) hours of overtime pay per pay period for the care and training of the dog. Time in excess of seven (7) hours per pay period will not be compensated. Compensation for time worked pursuant to this care may be taken in pay or CTO.
- D. For personally owned dogs killed or completely disabled while on duty, the City shall pay the owner the sum indicated below based on the age of the dog at the time of death or disability:

15 months to 5 years	\$2,000
over 5 years to 6 years	\$1,000
over 6 years to 8 years	\$ 500
- E. For personally owned dogs injured or disabled while on duty, the City shall pay any veterinary bills or costs incurred by the owner, provided however, in no event shall the City's liability exceed the sum of \$1,000.

- F. For personally owned dogs, City shall be responsible for injury or death or property damage caused by the dog while it is on duty with owner. City shall have no responsibility for or liability for any injury or death, or any property damage caused by the dog while it is not on duty.
- G. For personally owned dogs, dog owner shall defend, indemnify, and hold harmless the City of Roseville Police Department, their officers, agents, and employees, from any or all liability or damages resulting from or arising out of the ownership or use of the dog, except such injury, death or property damage as arises while the dog is on duty. Owner shall maintain a policy of comprehensive general liability, with combined single limits of not less than \$1,000,000 per person. Owner shall provide a certificate of insurance, indicating such coverage. The certificate shall provide not less than thirty (30) calendar days' prior notice of cancellation or modification. Upon request by City, owner shall provide a copy of the policy.

4. Add Chapter 3, Article X. Leave of Absence to read:

ARTICLE X. LEAVE OF ABSENCE

Pursuant to City Personnel Rules Section 3.12.130, employees are entitled to unpaid leaves of absence. Examples of unpaid leaves of absence are: adoption of a child, pregnancy, childbirth and recovery therefrom, care for a newborn child, education, and as needed for other personal matters. The City shall make every effort to accommodate requested leaves of absence.

File #: 0800-03

Title: Hosting Services - Agreement Amendment
Contact: David Bradford 916-746-1672 dbradford@roseville.ca.us

Meeting Date: 6/15/2016
Item #: 7.31.

RECOMMENDATION TO COUNCIL

Staff recommends City Council adopt a resolution authorizing the City Manager to execute an amendment with Comverge, Inc. (Comverge) to provide hosting services for Roseville Electric Utility's Power Partners Residential Demand Response program. The amendment is for one year and has a not to exceed amount of is \$44,100.00, bringing the total cost of the agreement to \$160,100.00. Funding is included in the FY17 Electric Retail Services Budget for Public Benefits programs.

BACKGROUND

In 2007, Roseville Electric Utility implemented a Residential Demand Response program called Power Partners. This is a voluntary program for residential customers that provides Roseville Electric Utility with the ability to reduce electric load by cycling air conditioners on and off for short intervals during grid emergency or other critical peak energy use periods.

Comverge hosts the software necessary to initiate and terminate cycling activities, and Roseville Electric Utility staff directs these activities through a web-based portal provided by the vendor. Hosting services also include the paging service that interfaces with the devices, customer support for Roseville Electric Utility staff, database updates for new device installations and removals, security monitoring, as well as web-based training.

During implementation of the Power Partners program, Roseville Electric Utility issued a Request for Proposals (RFP) seeking a vendor to provide hosting services, and Comverge was selected as the vendor. As part of this support, Comverge established the paging connections necessary to interface with the devices, and manage the information needed during cycling events. Comverge has the infrastructure to successfully manage cycling activities; they are uniquely qualified to provide support for the Power Partners program. Comverge is one of two vendors that support the program. GoodCents, the other vendor, manages the hardware and customer service for installation and removal of the equipment and is under contract until June 2017. This Comverge amendment would extend Comverge hosting services through June 2017, allowing Roseville Electric Utility to align the contract expiration dates for both vendors and to evaluate options for this program over the next year.

FISCAL IMPACT

This one year amendment total has a not to exceed amount of \$44,100.00, bringing the total cost of the agreement to \$160,100.00. Funding is included in the Electric Retail Services budget for Public Benefit programs.

ECONOMIC DEVELOPMENT / JOBS CREATED

Not applicable.

ENVIRONMENTAL REVIEW

The California Environmental Quality Act (CEQA) does not apply to activities that will not result in a direct or reasonably foreseeable indirect physical change in the environment (CEQA Guidelines §15061(b)(3)). The Converge services do not include the potential for a significant environmental effect, and therefore is not subject to CEQA.

Respectfully Submitted,

David Bradford, Energy Services Account Representative

Michelle Bertolino, Electric Utility Director

Rob Jensen, City Manager

**THIRD AMENDMENT TO
SUBSCRIPTION AGREEMENT**

THIS THIRD AMENDMENT TO THE OCTOBER 14, 2011 SUBSCRIPTION AGREEMENT BETWEEN COMVERGE, INC. ("COMVERGE") AND THE CITY OF ROSEVILLE ("CITY") (the "Third Amendment"), is made and entered into this ____ day of _____, 2016.

WITNESSETH:

WHEREAS, CITY and COMVERGE previously entered into a Subscription Agreement effective October 14, 2011, a First Amendment to the Subscription Agreement on April 3, 2013 and a Second Amendment to the Subscription Agreement on March 18, 2015 (collectively referred to herein as the "Subscription Agreement"); and

WHEREAS, CITY and COMVERGE desire to amend the Subscription Agreement as set forth in this Third Amendment pursuant to the proposal dated April 22, 2016, attached hereto as Exhibit "A".

NOW, THEREFORE, the parties amend the Subscription Agreement as follows:

1. Section 7.1 of the Subscription Agreement shall be amended to read as follows:

"7.1 This Agreement shall terminate on June 30, 2017, unless earlier terminated pursuant to the terms and conditions of this Agreement."

2. The Subscription Agreement is amended by adding the following:

"CITY shall pay an additional forty-four thousand, one hundred dollars (\$44,100), in consideration of the additional services provided through June 30, 2017. This brings the total not to exceed contract amount to one hundred sixty thousand, one hundred dollars (\$160,100)."

3. All other provisions of the Subscription Agreement shall remain unchanged and in full force and effect.

IN WITNESS WHEREOF, the City of Roseville, a municipal corporation has authorized the execution of this Third Amendment to the Subscription Agreement in duplicate by its City Manager and attested to by its City Clerk under the authority of Resolution No. _____, adopted by the Council of the City of Roseville on the ____ day of _____, 2016, and COMVERGE has caused this Third Amendment to the Subscription Agreement to be executed.

1. Demand Response Subscription Agreement

1.1. Introduction

The City of Roseville (City) and Comverge have an existing Subscription Agreement effective October 14, 2011 in which Comverge provides the City with demand response management system (DRMS) software and hosting services, as well as supporting paging subscription communications services, to enable direct load control with ~3,765 devices in the field.

With the term of the first amendment to that Subscription Agreement (signed April 3, 2013) coming to conclusion on June 30, 2016, the City and Comverge want to extend the services for one year.

1.2. Services and Pricing

The paging company, American Messaging, has recently raised its monthly rates exponentially (10x previous pricing). However, Comverge has negotiated with American Messaging for more favorable pricing for the City.

Item	Price
1. DRMS Software and Hosting Fees	\$3,000/month
2. Paging Services	\$675/month ¹
Monthly Total	\$3,675/month
Annualized Total for 12-month Amendment	\$44,100

With this full price, this would bring the total not to exceed contract amount to \$160,100.

1.3. Looking Ahead

We understand that the City is planning for the next evolution of its demand response capabilities, considering how to interweave customer engagement, energy efficiency, additional device choice, and value from coming AMI investments for customers.

In the coming months, Comverge looks forward to demonstrating how we can help the City get more value from its demand response program by including:

- Two-way communicating thermostats that enable the City to provide customers with remote control of their thermostats through a City-branded Customer Engagement Portal
- Bring-Your-Own-Thermostat (BYOT) functionality that gives customers great choice in connecting the thermostats they install themselves with the City's direct load control program
- Efficiency features that:
 - Give customers targeted efficiency tips based on their home's characteristics and usage patterns
 - Help customers automate and optimize their thermostat programs' schedules to be more efficient
 - Time of Use (TOU) automation, that enables customers thermostats to respond automatically to price signals sent by the City

¹ Assumes maximum of 50 messages/month, with any additional messages billed per message.

COUNCIL COMMUNICATION

CC #: 7759

File #: 0201-01 & 0800-03

Title: Electric New Services Annual Project - Budget Adjustment

Contact: Richard Corral 916-774-5616 rcorral@roseville.ca.us

Meeting Date: 6/15/2016

Item #: 7.32.

RECOMMENDATION TO COUNCIL

Staff recommends City Council adopt an ordinance to approve the attached budget adjustment to authorize a \$900,000.00 increase in both the Electric New Services Annual Project expense budget and the Contribution In Aid of Construction (CIAC) revenue budget for FY2015/16.

BACKGROUND

Roseville Electric Utility installs distribution infrastructure for new development and is fully reimbursed by developers. Labor and materials expenses associated with the new development is charged to the New Services Annual Project expense account. Roseville Electric Utility's labor and materials expenses are then reimbursed through the CIAC revenue account.

The FY2015/16 New Services Annual Project and the CIAC revenue are both currently budgeted at \$3,500,000.00. New development has been stronger than expected and the FY2015/16 budget for the New Services Annual Project has been exceeded. This \$900,000.00 budget adjustment will allow Roseville Electric Utility staff to continue providing infrastructure installation services for developers through the remainder of FY2015/16.

FISCAL IMPACT

There is no net fiscal impact. The additional New Services Annual Project expenses will be offset by the CIAC revenues. Funds are available in the Electric Operations Fund to be transferred to the New Services Annual Project as detailed in the attached Budget Adjustment form.

ECONOMIC DEVELOPMENT / JOBS CREATED

Not applicable.

ENVIRONMENTAL REVIEW

The budget adjustment is not considered a "project" as defined by the California Environmental

Quality Act (CEQA) (CEQA Guidelines §15378). Consequently, no CEQA action is required.

Respectfully Submitted,

Richard Corral, Electric Engineering Technician Supervisor

	<i>Kathy Cullen</i> 5/25/16	
	BUDGET MANAGER/SIGNEE	DATE

Justification for Budget Adjustment*:

The Electric New Services Annual Project is where all costs to install electric services for new customers and development are budgeted. These costs are reimbursed through Contribution In Aid of Construction (CIAC) revenues, where the developer is charged for the electric services provided. New development has been stronger than expected and the FY2015/16 budget for the New Services Annual Project has been exceeded. This budget adjustment will increase the total FY2015/16 budget for the New Services Annual Project to \$4,400,000. Increased Contribution In Aid of Construction revenues will offset these increased expenses.

RECOMMENDATION TO COUNCIL

NJPA Contract

Recommend Council authorize a purchase order to National Auto Fleet Group for one Ford F550 with a flatbed contractor body and air compressor utilizing National Joint Powers Alliance NJPA contract# 102811-NAF to replace the Public Works Street Maintenance vehicle number 06-324 and air compressor 99-601. The vehicle and air compressor were approved on FY2015/16 Auto Replacement budget. The total cost of this vehicle including options and sales tax is \$97,556.00. Additionally, adopt an ordinance amending the budget by \$18,500.00 to pay for the remaining purchase price of the vehicle.

Recommend Council authorize a purchase order to National Auto Fleet Group for one Ford F550 with a flatbed dump body utilizing National Joint Powers Alliance NJPA contract# 102811-NAF to replace the Electric Department Construction Maintenance vehicle number 06-393. This vehicle was approved on FY2015/16 Auto Replacement budget. The total cost of this vehicle including options and sales tax is \$68,436.40. Additionally, adopt an ordinance amending the budget by \$3,000.00 to pay for the remaining purchase price of the vehicle.

BACKGROUND

NJPA Contract

The Public Works Street Maintenance Division is replacing vehicle number 06-324 and air compressor 99-601. The replacement vehicle will be used to haul material and tools to various locations throughout the City. The truck is essential to assist crews with maintaining our storm drain facilities. The replacement utility truck will be equipped with an onboard air compressor to take the place of the trailer pulled compressor.

The Electric Department Construction Maintenance Division is replacing their vehicle number 06-393. The replacement vehicle will be used to transport tools, materials and a two person crew consisting of linemen to the jobsite. The vehicle will transport small transformers, haul gravel to work sites and other materials.

The City is piggybacking a competitively bid contract from NJPA for this purchase. NJPA creates national cooperative contract purchasing opportunities and solutions on behalf of its members which include all government, education, and non-profit agencies nationwide. The City of Roseville is a member of NJPA.

Vehicle replacements are based on the Fleet Scoring System which considers factors such as age, miles, reliability, prior maintenance and repair costs, and current condition. Below are the vehicle replacement scores.

Vehicle ID	Replacement Score	Vehicle Condition
06-324	32	Meets City replacement criteria
99-601	30	Meets City replacement criteria
06-393	27	Meets City replacement criteria

FISCAL IMPACT

NJPA Contract

The total cost of one Ford F550 with a flatbed contractor body and air compressor vehicle including options and sales tax is \$97,556.00. Funding is included in the FY2015/16 Auto Replacement Budget and a budget adjustment in the amount of \$18,500.00 is included to pay for the remaining purchase price of the vehicle.

The total cost of one Ford F550 with a flatbed dump body vehicle including options and sales tax is \$68,436.40. Funding is included in the FY2015/16 Auto Replacement Budget and a budget adjustment in the amount of \$3,000.00 is included to pay for the remaining purchase price of the vehicle.

ECONOMIC DEVELOPMENT / JOBS CREATED

Not applicable.

ENVIRONMENTAL REVIEW

The California Environmental Quality Act (CEQA) does not apply to activities that will not result in a direct or reasonably foreseeable indirect physical change in the environment (CEQA Guidelines §15061(b)(3)). The purchase of a vehicle does not include the potential for a significant environmental effect, and therefore is not subject to CEQA.

Justification for Budget Adjustment*:

The Public Works Department, Street Maintenance division #08342 has 2 vehicles approved for replacement in the FY2015-16 Budget (unit #99-601 air compressor and #06-324 truck). These units (appearing as line item 39 and 40) were budgeted at \$79,060 as a set. The purchasing process determined the actual amount needed for replacement is \$97,556, which is \$18,496 higher than originally anticipated.

Sufficient funds have accumulated on vehicle #06-324 to cover this adjustment.

COUNCIL COMMUNICATION

CC #: 7767

File #: 0201-01 & 0704

Title: On Call General Site Services - Service Agreement and Budget Adjustment

Contact: Joel De Jong 916-774-5924 jdejong@roseville.ca.us

Meeting Date: 6/15/2016

Item #: 7.34.

RECOMMENDATION TO COUNCIL

Staff recommends that Council approve the budget adjustment in the amount of \$18,025.00 from the North Roseville Neighborhood Park Fund to complete the Leonard 'Duke' Davis turf conversion. Additionally staff recommends that Council adopt a resolution authorizing the City Manager to execute the renewal option for year two of the contract with Clearwater Landscape Services and execute the attached service agreement amendment increasing the total value of the agreement from \$800,000.00 to \$1,200,000.00.

BACKGROUND

A contract for turf conversions and on-call general site contract services to perform minor improvements within the park system was previously awarded to Clearwater Landscape Services as a result of an RFQ process. The goal of the contract is to provide on-call general site services to complete park rehabilitation projects on a cost effective and timely basis. The current value of the contract is \$800,000.00.

Projects completed under this contract include turf conversions at the Corporation Yard, Electric Administration building, Crestmont, Pineschi and Diamond Oaks parks; drainage repair at Diamond Oaks Park; concrete stair replacement at Besana Park; retaining wall repairs at Weber Park; concrete repairs at Hillsborough Park; and an irrigation modification at the Woodcreek HOA. Funded in FY2015/16 and slated for start of construction in June and July are paving repairs at Cresthaven Park and a turf conversion at Duke Davis Park. In order to begin these projects in June and to ensure funding remains available, the contract authority for FY2015/16 needs to increase by \$100,000.00.

Staff is also recommending to execute the renewal option for year two of the contract with Clearwater Landscape Services. Future renewals are based on project needs and performance. Clearwater Landscape Services has been a good partner and performed quality work in a fiscally responsible manner. Due to projected needs, staff is requesting additional contract authority for FY2016/17 and FY2017/18 of \$150,000 each year over the previously approved \$125,000.00 allocation for the next two years, making the total value of this contract \$1,200,000.00.

FISCAL IMPACT

Funding for the on-call services is allocated by specific projects. The rehabilitation projects are funded through the Parks Rehab Annual Projects, Community Facilities District for Services and Neighborhood Park Funds approved during the fiscal year budget process. The increase in contract authority for FY2015/16 is provided through the FY2015/16 budget with the exception of \$18,025.00 for the Duke Davis Park turf conversion project. Approval of a budget adjustment for \$18,025.00 from the North Roseville Neighborhood Park Fund is included in this request. The funding for FY2016/17 will be provided through either the General CIP Rehab fund, Community Facilities District for Service or approved Capital Improvement Program (CIP) via park funds as approved through the budget process.

ECONOMIC DEVELOPMENT / JOBS CREATED

Based on Federal Guidelines, for every \$92,000.00 spent, one new job is created. This increase could create four new jobs.

ENVIRONMENTAL REVIEW

The proposed project involves the minor alteration of existing facilities. This activity is categorically exempt from CEQA as a Class 1 Exemption (State CEQA Guidelines Section 15301). The exemption has been prepared and no further action is required.

Respectfully Submitted,

Joel De Jong, Park Development Analyst

Dion Louthan, Parks, Recreation & Libraries Director

Rob Jensen, City Manager

Roseville, CA 95678

Project Title: 2016 Turf Conversion and On-Call Site Services Service Agreement with Clearwater Landscape Services.

Project Location(s): Citywide at City owned park properties including the Leonard 'Duke' Davis Park turf conversion project and paving repairs at Cresthaven Park, City of Roseville, CA.

Project Description: The project involves amendment to an existing service agreement for on-call general site services to complete park rehabilitation projects on a cost effective and timely basis.

Public Agency Approving Project: Roseville City Council

Agency/Individual Carrying Out Project: City of Roseville Parks, Recreation and Libraries Department

Reason why this Project is Exempt: This project qualifies for a Class 1 Exemption as described in Section 15301 of the California Environmental Quality Act (CEQA) guidelines which states:

"Class 1 consists ofminor alteration of existing public facilities,involving negligible or no expansion of use beyond that previously existing.... examples include but are not limited to: (c) highways, streets, sidewalks, gutters, bicycle and pedestrian trails and similar facilities...; (h) maintenance of existing landscaping..."

The project is confined to existing City park landscaped and paved areas. No environmentally sensitive resources are located within the project site; therefore the Class 1 exemption is applicable to the proposed project.

7.3. 2015 Regional Surface Transportation Program Funds Arterial Resurfacing Project – Professional Services Agreement

Memo from Associate Engineer Luz "Nina" Buelna and Public Works Director Rhon Herndon recommending Council adopt RESOLUTION NO. 16-154 APPROVING A PROFESSIONAL SERVICES AGREEMENT BY AND BETWEEN THE CITY OF ROSEVILLE AND UNICO ENGINEERING, INC., AND AUTHORIZING THE CITY MANAGER TO EXECUTE IT ON BEHALF OF THE CITY OF ROSEVILLE. This is a recommendation to approve the Professional Services Agreement with Unico Engineering for construction management services in the amount of \$601,310.93, and authorize the City Manager to execute the agreement. These services include resident engineer duties, inspection services, and material testing to ensure construction activities are per the plans and specifications and to verify project compliance with federal funding requirements. This agreement is fully funded with Federal Regional Surface Transportation Program funds. No General Fund monies will be used for this project.

7.4. Website Redesign & Content Management System Replacement - Professional Services Agreement

Memo from Senior eGov Business Systems Analyst Angela Bal and Chief Information Officer Hong Sae recommending Council adopt RESOLUTION NO. 16-171 APPROVING A PROFESSIONAL SERVICES AGREEMENT BY AND BETWEEN THE CITY OF ROSEVILLE AND RELIANCE COMMUNICATIONS, LLC, AND AUTHORIZING THE CITY MANAGER TO EXECUTE IT ON BEHALF OF THE CITY OF ROSEVILLE. The Website Redesign & Content Management System (CMS)

Replacement Project will upgrade the City's current CMS and will include a redesign of both the internet and intranet websites. This upgrade will allow the City to stay up to date with technology, as well as deliver services and information to citizens through a more visually appealing interface. A funding allocation of \$86,000.00 for the project was approved and included in the FY2015-16 operational and Cable TV PEG funds.

Resolutions**7.9. 316 Vernon Street Office Building - Lease Agreement Amendment**

Memo from Development Services Manager Mike Isom and Development Services Director Kevin Payne recommending Council adopt RESOLUTION NO. 16-156 APPROVING A FIRST AMENDMENT TO LEASE AGREEMENT BETWEEN THE CITY OF ROSEVILLE AND SIERRA JOINT COMMUNITY COLLEGE DISTRICT, AND AUTHORIZING THE CITY MANAGER TO EXECUTE IT ON BEHALF OF THE CITY OF ROSEVILLE. This is the first amendment to the lease agreement between the City of Roseville and Sierra Joint Community College District concerning Sierra College occupancy of 316 Vernon Street. The proposed amendment would modify terms of the lease to allow excess tenant improvement costs for Sierra College's tenant space to be amortized over a ten year period at an 8% annual interest rate. The proposed amendment would result in an additional \$58,423.47 in interest earnings to the City over the ten-year term of the lease. The additional interest earnings would be applied toward the project's debt service.

7.10. On-Call Construction Inspection Services - Professional Service Agreement

Memo from Senior Engineer Guy Howes and Public Works Director Rhon Herndon recommending Council adopt RESOLUTION NO. 16-163 APPROVING A PROFESSIONAL SERVICES AGREEMENT BY AND BETWEEN THE CITY OF ROSEVILLE AND HDR CONSTRUCTION CONTROL CORPORATION, AND AUTHORIZING THE CITY MANAGER TO EXECUTE IT ON BEHALF OF THE CITY OF ROSEVILLE. The City's current on-call instruction inspection contract will expire in June, 2016. In anticipation of this occurrence, staff has prepared two new professional service agreements for construction inspection services with HDR and Psomas. Utilizing two different construction management firms have permitted City staff to match key staff to project types. Seven (7) proposals were received and evaluated following the City's formal Request for Proposals solicitation. This is a two year agreement with a one year extension option. The agreement for a not to exceed fee of \$500,000.00 will have no impact to the General Fund.

10.2. City of Roseville 2015 Urban Water Management Plan - Public Hearing

Memo from Assistant Engineer Colleen Boak and Environmental Utilities Director Richard Plecker recommending Council adopt RESOLUTION NO. 16-157 ADOPTING THE URBAN WATER MANAGEMENT PLAN AND AUTHORIZING STAFF TO SUBMIT TO THE DEPARTMENT OF WATER RESOURCES. This item requests Council approval of the City of Roseville 2015 Urban Water Management Plan (UWMP), inclusive of Method 1, chosen for setting the City's target for compliance with SBX7-7 requirements, better known as 20% by 2020 water use reduction. The UWMP addresses the methods by which the City responsibly manages its water supply, specifically through conservation and forward planning. Funding for development of this plan totals \$75,250.00 and is sourced from both the Water Operations Fund and the Water Construction Fund.

Title: City of Roseville FY2016-17 Budget
Contact: Kathy Cullen 916-746-1306 kcullen@roseville.ca.us

Meeting Date: 6/15/2016

Item #: 9.1.

RECOMMENDATION TO COUNCIL

Adopt the Proposed FY2016-17 Budget ordinance and approve the changes to the position allocations, Out of State travel requests and new vehicle requests.

BACKGROUND

The first read of the FY2016-17 Proposed Budget was June 1, 2016 and public hearings were held on June 8, 2016. The following is a summary of the outcome:

City Council has established a policy of maintaining ten percent (10%) of operating expenditures for economic uncertainties in the General and Utility Funds. The FY2016-17 budget meets this policy and establishes a General Fund Emergency Reserve fund, which contains 10% of the FY2016-17 Operating expenses.

The City Charter (Section 7.21) provides for an annual adjustment to the bid amount. The change in the Consumer Price Index adjusts the bid amount from \$21,560.00 to \$21,745.00.

The proposed citywide FY2016-17 budget is \$493.8 million. Last year's adopted budget was \$461.7 million. The proposed FY2016-17 budget for the General Fund is \$147.35 million, which includes operating expenditures (\$139.10 million) and capital projects, debt, and non-recurring expenditures (\$8.25 million). Operating and non-operating revenues total \$147.53 million led by increases in Sales and Property Taxes. The net result is an increase to the General Fund balance of \$182 thousand.

FISCAL IMPACT

The budget document provides a financial summary of each City fund. Departmental goals and objectives are outlined in the Operating Budgets section with the expected funding required to meet the performance goals. Capital Improvement Projects totaling \$57.52 million are provided and include project descriptions and funding sources.

ECONOMIC DEVELOPMENT / JOBS CREATED

Eleven new jobs will be created by this action.

ENVIRONMENTAL REVIEW

The budget is not considered a “project” as defined by the California Environmental Quality Act (CEQA) (CEQA Guidelines 15378). Consequently no CEQA action is required.

Respectfully Submitted,

Kathy Cullen, Budget Manager

Monty Hanks, Finance Director

Rob Jensen, City Manager

Description

Ordinance No. 5700

ORDINANCE NO. 5700

ORDINANCE OF THE COUNCIL OF THE CITY OF ROSEVILLE
ADOPTING THE ANNUAL BUDGET FOR THE FISCAL YEAR 2016-2017,
ADOPTING BUDGET CONTROL POLICIES, ADOPTING AN APPROPRIATIONS LIMIT,
ADOPTING THE BUDGET FOR THE SUCCESSOR AGENCY OF THE ROSEVILLE
REDEVELOPMENT AGENCY, AND ESTABLISHING THE
SEALED BID REQUIREMENT, TO BE EFFECTIVE IMMEDIATELY
AS AN URGENCY MEASURE

THE CITY OF ROSEVILLE ORDAINS:

SECTION 1. The proposed budget for the City of Roseville entitled "Proposed Budget Fiscal Year 2016-2017, City of Roseville, California," a copy of which is on file in the office of the City Clerk, is hereby adopted as the "Annual Budget 2016-2017, City of Roseville, California."

SECTION 2. The proposed expenditures shown in the Department, Division, and Fund Summaries of the budget document, which are incorporated herein, are hereby appropriated to the organization keys ("Org Keys"), offices and operations in the amounts and for the objects and purposes therein stated. Requisitions for encumbrances and expenditures of the various appropriations described in the budget document shall be made by those offices and employees designated therein as the requisitioning authorities.

SECTION 3. The following Budget Control Policies shall become effective upon the adoption of this ordinance:

1. The operating Budget of the City of Roseville and the Successor Agency of the Roseville Redevelopment Agency shall be approved within the major summary categories of
 - a. Salaries and Benefits
 - b. Operating Services and Supplies
 - c. Capital Outlay
2. Capital Improvement Projects. The Capital Budget of the City of Roseville and the Successor Agency of the Roseville Redevelopment Agency shall be approved by Capital Improvement Project.
3. The City Manager or designee shall apply prudent monitoring procedures to assure that actual expenditures/expenses of the City and the Successor Agency of the Roseville Redevelopment Agency do not exceed the appropriations, by Org Keys, of the above summary categories.
4. Appropriation increases and transfers to or from funds, Org Keys, or the major summary categories shall require approval by the City Council.

5. The City Manager and City Treasurer are directed to implement and maintain reserves or rate stabilization funds of approximately ten percent (10%) of General Fund Net Operating Expenditures and total operating expense for applicable utility funds as an Appropriated Reserve for economic uncertainties.
6. The City Council delegates authority to the City Manager to approve the movement of City Council approved appropriations within the same fund, excluding Capital Improvement Projects and annual projects.

SECTION 4. Pursuant to Article XIII B of the California Constitution, the appropriations limit for the City of Roseville is hereby established as \$147,979,523 for Fiscal Year 2016-2017. The State Department of Finance provides the City the annual adjustment factors used in the appropriation limit calculation. The factors are the changes in the California Per Capita Personal Income and population levels for the City or the County.

SECTION 5. Sealed bids are required, pursuant to Section 7.21 of the Roseville Charter, for all purchases and public works exceeding \$21,745. This amount has been inflated by the consumer price index per provision of Section 7.21.

SECTION 6. It is hereby ordered that a copy of this ordinance and the budget document be certified by the City Clerk and filed in the office of the City Clerk. The City Clerk is directed to post a copy of this ordinance in three (3) conspicuous locations in the City and enter the posting thereof in the Ordinance Book.

SECTION 7. This ordinance is required for the orderly operation and maintenance of municipal activities and the appropriations for usual and current expenses of the City and the Successor Agency of the Roseville Redevelopment Agency during the 2016-2017 fiscal year. Therefore, this ordinance shall take effect immediately upon passage hereof as an urgency ordinance, pursuant to Section 5.03 of the Charter of the City of Roseville.

Title: Fiscal Year 2016-17 Budgeted Positions
Contact: Linda Hampton 916-774-5215 lhampton@roseville.ca.us

Meeting Date: 6/15/2016
Item #: 9.2.

RECOMMENDATION TO COUNCIL

As part of the FY2016-2017 budget process, departments requested additional personnel to meet business needs. Staff recommends adding the classification of Senior Buyer and approving the addition of 8.25 allocations to the citywide allocation schedule. It is recommended that City Council take the following actions:

1. Adopt an ordinance to approve the attached Local 39 A & B salary schedules (Appendix C) reflecting the addition of Senior Buyer (7139/B547) effective June 25, 2016; and
2. Motion to approve the attached city-wide allocation schedule effective June 25, 2016.

BACKGROUND

As part of the Municipal Code, the Human Resources Department is charged with maintaining the City's classification plan. The Human Resources staff is continually evaluating staffing levels necessary to provide high service levels to the community. As part of the FY2016-2017 budget process, departments requested additional staffing. Staff looked at department workload and the allocation's impact on meeting the city's goals. Additionally, the level at which each of these positions would have to be staffed was analyzed. As part of the budget process, staff is requesting 12.25 new allocations and the defunding of 2 allocations for a total FTE increase of 10.25. Funding is also included for 17 reclassifications of existing positions. Staff is currently conducting job analysis work on two of the new allocations and all the reclassifications and will be bringing those to council once the analysis and meet and confer obligations with the bargaining groups have been met.

New Classification:

Staff is recommending the addition of the new classification listed below.

Job Title	Job Code	Bargaining Group
Senior Buyer	7139/B547	Local 39

Budgeted Allocation Changes

New Allocations:

Department	Job Title	FTE
Central Services	Senior Buyer	1.00
Development Services	Building Plans Examiner	1.00
Development Services	Code Enforcement Inspector	1.00
Electric	Power Plant Mechanic	1.00
Environmental Utilities	Marketing and Communications Analyst II	1.00
Environmental Utilities	Administrative Analyst II	0.25
Environmental Utilities	Data Management Specialist II	1.00
Finance	Payroll Clerk	1.00
Parks, Recreation and Library	Senior Parks Maintenance Worker	1.00
Police	Police Officer	1.00
Economic Development Department	Housing Manager	1.00

Total: 10.25 *

*Note does not include two allocations pending completion of job analysis work and bargaining group meet and confers.

Defunded Positions

Department	Job Title	FTE
Economic Development Department	Office Assistant II	-1.00
Economic Development Department	Housing Analyst II	-1.00

Total: -2.00

FISCAL IMPACT

The net impact of the additional allocations are included in the FY2016-2017 budget.

ECONOMIC DEVELOPMENT / JOBS CREATED

Eight new jobs are created by this action.

ENVIRONMENTAL REVIEW

Staffing changes are not considered a “project” as defined by the California Environmental Quality Act (CEQA) (CEQA Guidelines 15378). Consequently no CEQA action is required.

Description

Ordinance No. 5694

Local 39 A Salary Schedule 06/25/2016

Local 39 B Salary Schedule 06/25/2016

Citywide Allocation Schedule 06/25/2016

ORDINANCE NO. 5694

ORDINANCE OF THE COUNCIL OF THE CITY OF ROSEVILLE AMENDING
ORDINANCE NO. 5642, THE SALARY ORDINANCE FOR EMPLOYEES REPRESENTED
BY THE INTERNATIONAL UNION OF OPERATING ENGINEERS, STATIONARY
ENGINEERS, LOCAL 39, AS AMENDED BY APPENDIX "C" TO BE EFFECTIVE
JUNE 25, 2016, AS AN URGENCY MEASURE

THE CITY OF ROSEVILLE ORDAINS:

SECTION 1. Title and Purpose.

Ordinance No. 5642, the Salary Ordinance for employees represented by Local 39, is hereby amended as shown on Appendix "C" attached hereto, to reflect the following changes:

ADDITION OF CLASSIFICATION:

<u>Classification No.</u>	<u>Position Title</u>	<u>Salary Range</u>
7139/B547	Senior Buyer	3595

SECTION 2. Salary Plan Effective Date.

This Ordinance shall be effective June 25, 2016 as an urgency measure.

SECTION 3. Urgency Ordinance.

This ordinance is hereby declared to be an urgency measure, immediately necessary for the public peace, health and safety and shall take effect June 25, 2016. A statement of urgency is as follows:

It is necessary to amend the Salary Ordinance to comply with recently approved changes for the orderly and necessary continuance of operations of the City.

SECTION 4. Posting.

The City Clerk is hereby authorized and directed to post a true copy of the foregoing ordinance in each of three conspicuous locations in the City and she shall immediately after such posting enter in the Ordinance Book under the record of the ordinance a certificate under her hand stating the time and place of said publication by posting.
