SUBJECT: FORTHCOMING ASSESSMENT OF ADMINISTRATIVE CIVIL LIABILITY

Dear Ms. Mueller:

Please read this document carefully. This letter is to inform the City of Roseville (City) that the Central Valley Regional Water Quality Control Board (Central Valley Water Board) has requested that the State Water Resources Control Board's Office of Enforcement assist it in bringing formal enforcement against the City related to a sanitary sewer overflow (SSO) that occurred November 19 to December 4, 2023, to the Strap Ravine near the Slate Creek Apartments.

I represent the Central Valley Water Board Prosecution Team (Prosecution Team) in this matter. The Prosecution Team intends to proceed with formal enforcement for the alleged violation. However, prior to issuing an Administrative Civil Liability Complaint, we would like to offer the City an opportunity to schedule a settlement meeting to discuss the facts regarding the alleged violation, including the option of settlement. This meeting affords the City an opportunity to potentially reduce the proposed penalty amount if the City presents new information or other information it believes is relevant to determining an appropriate monetary penalty. All settlement communications would be kept confidential subject to California Evidence Code sections 1152 and 1154. If a settlement is reached, the settlement will be presented to the Central Valley Water Board, or its delegee, for consideration of adoption and the Assistant Executive Officer will forego issuing an Administrative Civil Liability Complaint.

If you wish to schedule a settlement meeting, please contact me on or before **March 26, 2025**, via email at kailyn.ellison@waterboards.ca.gov. Please provide a list of participants and your group's availability.

Sincerely,

Kailyn Ellison
