

AGENDA

December 18, 2024

**CITY COUNCIL
HOUSING AUTHORITY
HOUSING SUCCESSOR**
6:00 p.m.
Council Chambers
311 Vernon Street
Roseville, CA
www.roseville.ca.us

THE CITY OF ROSEVILLE WELCOMES YOUR PARTICIPATION

If an agenda item is open to public comment, such public comment shall be addressed to the chair of the meeting.

Public Comment - Speakers have three minutes under Public Comment to speak on issues that are not listed on the agenda and are within the City's jurisdiction. The Brown Act does not permit any action or discussion on items not listed on the agenda.

Consent Calendar - If applicable, the Consent Calendar consists of routine items that may be approved by one motion. Any person can remove an item from the Consent Calendar to be discussed separately.

Agenda Items - Speakers have five minutes to address items that are listed on the agenda.

Levine Act Provisions - The Levine Act requires a Party (or its agent (s)) to a Proceeding before the City of Roseville that involves any action or consideration to their contract, license, permit, or other entitlement for use, to disclose any campaign contribution made to City elected or appointed officers (including Councilmembers, Planning Commissioners, and members of other City boards and commissions) totaling more than \$250 within the 12 months before the City decision.

Americans with Disabilities Act - Notify the City Clerk or Secretary at least 72 hours in advance if special assistance is required to participate in a meeting including the need of auxiliary aids or services.

Audio/Visual Presentations - If making a presentation regarding an agenda item, audio/visual materials must be submitted to the City Clerk or Secretary at least 72 hours in advance.

Security procedures are in place to attend Roseville City Council meetings. All attendees must successfully pass through a security metal detector. Any person with a prohibited item will not be allowed entry. Prohibited items include, but are not limited to: firearms (even with valid CCW),

knives, pepper spray/mace, explosives of any kind/ any weapons and/or dangerous devices of any kind, illegal drugs and alcohol.

Roseville City Clerk 311 Vernon Street, Roseville, CA 916-774-5200 TDD 916-774-5220

Bids / Purchases / Services

7.2. Agenda Management Software - New Capital Improvement Project Approval, Contract Purchase Agreement and Budget Adjustment

Memo from Business Systems Analyst Sydney Finch and Chief Information Officer Hong Sae recommending the City Council adopt RESOLUTION NO. 24-431 APPROVING A CONTRACT PURCHASE AGREEMENT, BY AND BETWEEN THE CITY OF ROSEVILLE AND CIVICPLUS, LLC AND AUTHORIZING THE CITY MANAGER TO EXECUTE IT ON BEHALF OF THE CITY OF ROSEVILLE (3004289); and adopt ORDINANCE NO. 6906 AUTHORIZING CERTAIN AMENDMENTS TO THE FISCAL YEAR 2024-25 BUDGET AND DECLARING THIS ORDINANCE TO BE IMMEDIATELY EFFECTIVE AS AN APPROPRIATION MEASURE(3004289). Staff requests Council approve a contract purchase agreement with CivicPlus LLC for the replacement of the City's existing Agenda Management Software program, Novus Agenda, in the amount of \$104,088.55. Additionally, staff requests the Council authorize the City Manager or his designee to approve change orders up to an additional 10% to cover unexpected changes to the project costs or changes to the City's information technology environment for the term of the agreement. The project costs include system implementation, training, data migration, and annual software subscription. The recommended budget adjustment will appropriate \$53,890 to the project for the first year of licensing and internal labor costs. Funding for the budget adjustment comes from the Information Technology Replacement Fund and funds from other City departments. Funding for licensing in subsequent years will be budgeted in the Information Technology Operations Fund.

7.3. Wanish Park Shade Structure Replacement Project - Contract Purchase Agreement

Memo from Park Development Project Manager Kelly Appier and Parks, Recreation & Libraries Director Jill Geller recommending the City Council adopt RESOLUTION NO. 24-410 APPROVING A CONTRACT PURCHASE AGREEMENT, BY AND BETWEEN THE CITY OF ROSEVILLE AND ROSS RECREATION EQUIPMENT COMPANY, INC. AND AUTHORIZING THE CITY MANAGER TO EXECUTE IT ON BEHALF OF THE CITY OF ROSEVILLE (3004212). Staff requests Council approve a contract purchase agreement with Ross Recreation Equipment, Inc. for \$109,423.01 to replace the shade structure at Wanish Park. Staff further requests authority to approve change orders, consistent with the contract terms, provided that the net cost of all change

orders shall not exceed ten percent (10%) of the contract amount. The funding for this shade structure replacement was approved by Council in the FY2024-25 Capital Improvement Program using the Parks, Recreation and Library Capital Projects Fund. Maintenance is funded by the General Fund and will not increase.

7.4. Ninja Fitness Course - Contract Purchase Agreement

Memo from Park Development Project Manager Joel De Jong and Parks, Recreation & Libraries Director Jill Geller recommending the City Council adopt RESOLUTION NO. 24-413 APPROVING A CONTRACT PURCHASE AGREEMENT, BY AND BETWEEN THE CITY OF ROSEVILLE AND GREENFIELDS OUTDOOR FITNESS, INC. AND AUTHORIZING THE CITY MANAGER TO EXECUTE IT ON BEHALF OF THE CITY OF ROSEVILLE (3004258). Staff requests Council approve a contract purchase agreement with Greenfields Outdoor Fitness, Inc. The Council-approved master plan included elements that were unable to be constructed during the initial phase of construction by the developer due to budget constraints. This included the ninja fitness course as well as a skate track and bike track. This project aims to complete the ninja fitness course portion of Campus Oaks Park. The contract amount for the ninja fitness course is \$362,805.67. Staff also requests authority to approve change orders, consistent with the contract terms, provided that the net cost of all change orders shall not exceed ten percent (10%) of the contract amount. Funding for this project is provided by American Rescue Plan Act Funds allocated to the Campus Oaks Park Phase 2 Project in FY2024-25. This is a Citywide park, currently utilizing the General Fund for maintenance. It is expected that the addition of the ninja course will create a slight increase in maintenance costs.

7.5. Industrial Valve Services and Materials - Sole Source Contract Purchase Agreement

Memo from Power Generation Superintendent Nathan Ribordy and Electric Utility Director Dan Beans recommending the City Council adopt RESOLUTION NO. 24-412 APPROVING A SOLE SOURCE CONTRACT PURCHASE AGREEMENT, BY AND BETWEEN THE CITY OF ROSEVILLE AND CALTROL, INC., AND AUTHORIZING THE CITY MANAGER TO EXECUTE IT ON BEHALF OF THE CITY OF ROSEVILLE (3004163). Staff requests Council approve a sole source contract purchase agreement with Caltrol, Inc. to provide equipment, parts, and services to Roseville Electric Utility. Caltrol, Inc. is the sole authorized sales channel for Emerson Process Management equipment, which is used at the three natural-gas fired power plants operated by the City. This purchase agreement is for a one-year term for spending authority up to \$300,000 per contract year and allows for up to four optional one-year renewals. Staff requests authorization to

continue utilizing optional renewal years without further City Council approval, provided that the applicable budget is approved by the City Council each year, or until City staff determines that continuing with the same vendor is not in the City's best interest. Funding is included in the Electric Department's FY2024-25 budget in the Electric Fund. Funding for future years is contingent on approval of the respective years' budgets.

7.6. Roseville Energy Park Centrifuge Dewatering Equipment - Sole Source Purchase Order

Memo from Power Plant Engineer Michael Zasso and Electric Utility Director Daniel Beans recommending the City Council adopt RESOLUTION NO. 24-419 APPROVING A SOLE SOURCE PURCHASE ORDER FOR CENTRIFUGE DEWATERING EQUIPMENT FOR THE ROSEVILLE ENERGY PARK. Staff requests Council approve a sole source purchase order with Siebtechnik Tema for centrifuge dewatering equipment at the Roseville Energy Park (REP) and to approve change order authority for unforeseen change orders up to 10% of the cost. After onsite engineering and operational testing conducted at the REP by several vendors, the centrifuge technology by Siebtechnik Tema was the only vendor successful in processing the slurry and meeting all of the design requirements. The total cost of the equipment with a 10% contingency is \$561,332.98. Funding is included in the Electric Department's FY2024-25 Budget in the Electric Fund.

7.7. Waste Hauling Services - Contract Purchase Agreement Amendment

Memo from Power Generation Superintendent Nathan Ribordy and Electric Utility Director Dan Beans recommending the City Council adopt RESOLUTION NO. 24-423 APPROVING CONTRACT PURCHASE AGREEMENT AMENDMENT NO. 2, BY AND BETWEEN THE CITY OF ROSEVILLE AND ADVANCED CHEMICAL TRANSPORT, LLC DBA ACTENVIRO, AND AUTHORIZING THE CITY MANAGER TO EXECUTE IT ON BEHALF OF THE CITY OF ROSEVILLE (3001218). Staff requests Council approve an increase in spending authority to the agreement with Advanced Chemical Transport, LLC dba ACTenviro, to provide hazardous and non-hazardous waste disposal. This increase in spending authority will increase the not-to-exceed amount under the contract from \$2 million to \$3.5 million. Current funding is included in the Electric Department's FY2024-25 budget in the Electric Fund. Future funding is subject to future year budget approvals.

7.8. Oracle Guided Learning - Subscription Amendment

Memo from Enterprise Resource Planning Program Manager Lindsay Collishaw and Assistant City Manager/Chief Financial Officer Dennis Kauffman recommending the City Council adopt RESOLUTION NO. 24-403 APPROVING AN INCREASE TO THE PUBLIC SECTOR AGREEMENT, BY AND BETWEEN THE CITY OF ROSEVILLE AND ORACLE AMERICA, INC., AND AUTHORIZING THE CITY MANAGER TO EXECUTE THE ORDERING DOCUMENT ON BEHALF OF THE CITY OF ROSEVILLE. Staff requests Council approve an increase to the existing agreement with Oracle America, Inc. by \$4,080 for the FY2024-25 renewal of the Oracle Guided Learning software subscription which supports managing and publishing of city-specific training guides within the City's Oracle enterprise resource planning application, used for finance and human resources/payroll functions. Staff also requests approval to enter into future renewals provided that adequate funds are included in the City Council approved budget each year. The original agreement with Oracle America, Inc. for OGL was at an annual cost of \$40,800. Oracle has informed the City of a 10% increase, bringing the cost to \$44,880. The Finance Department has sufficient General Fund resources available to cover the additional \$4,080 for the remainder of FY2024-25, and ongoing future costs will be integrated into the Finance Department's operating budget in the General Fund.

7.9. Basketball Court Renovations (RFQ 10-3402) - Contract Purchase Agreement

Memo from Buyer Sue Jessup and Assistant City Manager/Chief Financial Officer Dennis Kauffman recommending the City Council adopt RESOLUTION NO. 24-432 APPROVING A CONTRACT PURCHASE AGREEMENT, BY AND BETWEEN THE CITY OF ROSEVILLE AND ECLIPSE PRO DBA RESILIENT BUILDERS AND AUTHORIZING THE CITY MANAGER TO EXECUTE IT ON BEHALF OF THE CITY OF ROSEVILLE (3004277). Staff recommends Council approve a contract purchase agreement with Eclipse Pro dba Resilient Builders as the lowest responsive and responsible bidder for Request for Quotations No. 10-3402 for the basketball court renovations project. The Parks, Recreation, & Libraries Department has a requirement to replace the aging basketball court surfaces at Silverado Oaks Park and Santucci Park. The total cost of the renovation is \$210,664. Additionally, staff recommends Council approve change order authority for a 10% contingency, for a total contract not-to-exceed amount of \$231,730.40. Funding is included in the Basketball Court Replacement project in the Parks, Recreation and Library Capital Projects Fund.

7.10. Fuel and Lubricants (SACOG RFP 2023-24-10) - Contract Purchase Agreement

Memo from Purchasing Supervisor Becky Philipp and Assistant City

Manager/Chief Financial Officer Dennis Kauffman recommending the City Council adopt RESOLUTION NO. 24-401 APPROVING A CONTRACT PURCHASE AGREEMENT, BY AND BETWEEN THE CITY OF ROSEVILLE AND HUNT AND SONS LLC, AND AUTHORIZING THE CITY MANAGER TO EXECUTE IT ON BEHALF OF THE CITY OF ROSEVILLE (3004223). Staff recommends Council approval of a contract purchase agreement with Hunt & Sons LLC as the selected bidder of Sacramento Area Council of Governments Request for Proposals No. 2023-24-10 for the supply and delivery of fuel for various City departments. The initial contract through August 31, 2027 is for \$12,850,000 and funding is included in various City department budgets. The bid allowed for two optional renewal years at one-year intervals. Staff requests authorization to continue utilizing the remaining optional renewal years of the bid without further Council approvals until the contract expires or until City staff determines that continuing with the same vendor is not in the City's best interest.

7.11. Restoration and Remediation Management Services (RFP 01-079) - Contract Purchase Agreement

Memo from Administrative Technician Darci Carpenter and Public Works Director Jason Shykowski recommending the City Council adopt RESOLUTION NO. 24-409 APPROVING A CONTRACT PURCHASE AGREEMENT, BY AND BETWEEN THE CITY OF ROSEVILLE AND ATI RESTORATION LLC, AND AUTHORIZING THE CITY MANAGER TO EXECUTE IT ON BEHALF OF THE CITY OF ROSEVILLE (3004256). Staff requests approval of a contract purchase agreement with ATI Restoration LLC to provide on-call restoration and remediation management services in the amount of \$125,000. The agreement will provide the City with emergency remediation and management services on an as-needed basis. Staff requests authorization to utilize the four optional renewal years of the contract without further Council approvals until the contract expires, contingent upon budget approval each year, or until City staff determines that continuing with the same vendor is not in the City's best interest. Funding for this year is included in the Building Maintenance and Facility Rehabilitation Division FY2024-25 budget in the Facility Services Fund.

7.12. Dry Creek Wastewater Treatment Plant and Pleasant Grove Wastewater Treatment Plant Biosolids Handling – Contract Purchase Agreements

Memo from Wastewater Operations Superintendent Jason Fick and Environmental Utilities Director Richard Plecker recommending the City Council adopt RESOLUTION NO. 24-415 APPROVING A CONTRACT PURCHASE AGREEMENT, BY AND BETWEEN THE CITY OF ROSEVILLE AND SYNAGRO-WWT, INC., AND AUTHORIZING THE CITY MANAGER TO EXECUTE IT ON BEHALF OF THE CITY OF

ROSEVILLE (3004281); and adopt RESOLUTION NO. 24-416 APPROVING A CONTRACT PURCHASE AGREEMENT, BY AND BETWEEN THE CITY OF ROSEVILLE AND SYNAGRO-WWT, INC., AND AUTHORIZING THE CITY MANAGER TO EXECUTE IT ON BEHALF OF THE CITY OF ROSEVILLE (3004282). Staff requests Council approval and award of two (2) contract purchase agreements including four (4) additional one-year renewals with Synagro-WWT, Inc. to provide biosolids handling services to the Dry Creek Wastewater Treatment Plant and Pleasant Grove Wastewater Treatment Plants. The estimated total cost of the two contract purchase agreements is \$2,650,000, and the total not-to-exceed cost including the renewals for both agreements is \$14,850,000. Funding will be provided from the Environmental Utilities Department's annual operating budgets in the Wastewater Operations Fund.

CC #: 3680

File #: 0800-02

7.14. Roseville Transit Safety Plan Update

Memo from Alternative Transportation Manager Ed Scofield and Public Works Director Jason Shykowski recommending the City Council adopt RESOLUTION NO. 24-420 APPROVING THE 2025 ROSEVILLE TRANSIT AGENCY SAFETY PLAN, AND AUTHORIZING THE CITY MANAGER TO EXECUTE IT ON BEHALF OF THE CITY OF ROSEVILLE. Staff requests Council approve the 2025 Roseville Transit Safety Plan. This item will not result in a direct fiscal impact. However, having an updated Agency Safety Plan allows the City to maintain compliance with Federal Transit Administration requirements to receive funding under 49 U.S.C. Chapter 53.

7.16. Campus Oaks Park Skate Park - Design-Build Construction Agreement

Memo from Park Development Project Manager Joel De Jong and Parks, Recreation & Libraries Director Jill Geller recommending the City Council adopt RESOLUTION NO. 24-411 APPROVING AN AGREEMENT, BY AND BETWEEN THE CITY OF ROSEVILLE AND AMERICAN RAMP COMPANY, AUTHORIZING THE CITY MANAGER TO EXECUTE IT ON BEHALF OF THE CITY OF ROSEVILLE, AND AUTHORIZING STAFF TO APPROVE CHANGE ORDERS IN AN AMOUNT NOT TO EXCEED 10% OF THE CONTRACTED AMOUNT. Staff requests Council award a Design-Build Construction agreement to American Ramp Company with a total contract award amount of \$650,000 for the design and construction of the Campus Oaks Park Skate Park. The Council-approved master plan included elements that were unable to be constructed during the initial phase of construction by the developer due to budget constraints. This included the skate track and bike track as well as a ninja fitness course. This project aims to complete the skate and bike track portion of Campus Oaks Park. Funding for the skate track and bike track was originally approved and allocated using American Rescue Plan Act (ARPA) funds in FY2024-25. A separate budget adjustment re-allocating and augmenting the ARPA funds for this project is recommended in a separate American Rescue Plan Act Budget Adjustment agenda item. There are sufficient funds allocated for this project. Funding for maintenance is a General Fund obligation.

7.17. Basketball Courts Renovation Project - Notice of Completion

Memo from Park Development Project Manager Kelly Appier and Parks, Recreation & Libraries Director Jill Geller recommending the City Council adopt RESOLUTION 24-399 ACCEPTING THE PUBLIC WORK KNOWN AS BASKETBALL COURTS RENOVATION PROJECT, APPROVING THE "NOTICE OF COMPLETION", AND AUTHORIZING THE PARKS, RECREATION AND LIBRARIES DIRECTOR TO EXECUTE SAID NOTICE ON BEHALF OF THE CITY OF ROSEVILLE. The Parks, Recreation & Libraries Department has made a final inspection of the Basketball Courts Renovation Project and has found that all contract work has been completed in accordance with the improvement plans and specifications. The project is now ready for acceptance. In accordance with City specifications, the contractor shall guarantee the installation of these improvements for a period of twelve (12) months from the date of this Notice of Completion. The project was approved in FY2023-24 using funds from the Parks, Recreation & Libraries Capital Rehabilitation Fund. There will be no increase in maintenance or other General Fund costs.

7.18. Parks and Landscape Maintenance Services - Professional Services Agreements

Memo from Parks & Open Space Superintendent Eric Dexter and Parks, Recreation & Libraries Director Jill Geller recommending the City Council adopt RESOLUTION NO. 24-405 APPROVING A PARK AND LANDSCAPE MAINTENANCE SERVICES AGREEMENT, BY AND BETWEEN THE CITY OF ROSEVILLE AND EMTS, INC. DBA ELITE MAINTENANCE & TREE SERVICE, AND AUTHORIZING THE CITY MANAGER TO EXECUTE IT ON BEHALF OF THE CITY OF ROSEVILLE; and adopt RESOLUTION NO. 24-406 APPROVING A PARK AND LANDSCAPE MAINTENANCE SERVICES AGREEMENT, BY AND BETWEEN THE CITY OF ROSEVILLE AND NEW IMAGE LANDSCAPE COMPANY, AND AUTHORIZING THE CITY MANAGER TO EXECUTE IT ON BEHALF OF THE CITY OF ROSEVILLE; and adopt RESOLUTION NO. 24-407 APPROVING A PARK AND LANDSCAPE MAINTENANCE SERVICES AGREEMENT, BY AND BETWEEN THE CITY OF ROSEVILLE AND CAGWIN & DORWARD, AND AUTHORIZING THE CITY MANAGER TO EXECUTE IT ON BEHALF OF THE CITY OF ROSEVILLE. Staff requests Council approve an agreement with Elite Maintenance and Tree Service with a not-to-exceed amount of \$5,263,725, an agreement with New Image Landscape Company with a not-to-exceed amount of \$9,679,011, and an agreement with Cagwin & Dorward Landscape Contractors with a not-to-exceed amount of \$11,790,391. Each agreement has a base term of four years, with

three optional two-year extensions. The funds for the initial year of the contracts are included in FY2024-25 operating budgets for Parks, Recreation & Libraries; Public Works; Environmental Utilities; Roseville Electric; community facilities districts; and landscape and lighting districts. Funding for future years will be requested through the annual budget process.

7.25. Sole Source Operational Software Maintenance and Support Services - General Terms and Conditions

Memo from Assistant Electric Utility Director Tom Pontes and Electric Utility Director Dan Beans recommending the City Council adopt RESOLUTION NO. 24-421 APPROVING GENERAL TERMS AND CONDITIONS, BY AND BETWEEN AVEVA SOFTWARE, LLC AND THE CITY OF ROSEVILLE, AND AUTHORIZING THE CITY MANAGER TO EXECUTE IT ON BEHALF OF THE CITY OF ROSEVILLE. Staff requests Council approve the General Terms and Conditions with AVEVA Software, LLC. for sole source software maintenance and support services. Roseville Electric Utility utilizes a specialized software system to capture, process, and visualize operational data from its distribution and generation industrial control systems. AVEVA Software is the sole provider of this service. The total cost of the agreement is \$262,424.92. Funding is included in the Electric Department's FY2024-25 budget in the Electric Fund. Funding for future years will be contingent on approval of the respective budgets.

7.26. Western Area Power Administration Network Integrated Transmission Service – Agreement

Memo from Electric Resource Planner Brian Schinstock and Electric Utility Director Dan Beans recommending the City Council adopt RESOLUTION NO. 24-434 APPROVING A SERVICE AGREEMENT FOR NETWORK

INTEGRATION TRANSMISSION SERVICE, BY AND BETWEEN THE CITY OF ROSEVILLE AND THE UNITED STATES DEPARTMENT OF ENERGY, SIERRA NEVADA REGION OF WESTERN AREA POWER ADMINISTRATION, AND AUTHORIZING THE CITY MANAGER TO EXECUTE IT ON BEHALF OF THE CITY OF ROSEVILLE. Staff requests Council approve a contract renewal with the United States Department of Energy, Western Area Power Administration (WAPA) for Network Integrated Transmission Services that establishes the terms and conditions under which WAPA will provide transmission service. This contract renewal will extend the transmission services Roseville receives for ten years. There is no fiscal impact associated with the contract renewal.

7.27. Placer Valley Tourism - 2025 Strategic Plan and 2025 Budget

Memo from Management Analyst Jeannine Thrash and Assistant City Manager/Chief Financial Officer Dennis Kauffman recommending the City Council adopt RESOLUTION NO. 24-408 APPROVING THE 2025 PLACER VALLEY TOURISM STRATEGIC PLAN AND THE 2025 PLACER VALLEY TOURISM BUDGET. Staff requests Council approve the 2025 Placer Valley Tourism Strategic Plan and the 2025 Placer Valley Tourism Budget. The South Placer County Tourism Corporation, dba Placer Valley Tourism (PVT), promotes and supports tourism efforts that generate overnight stays within the region. Funding for these PVT activities is derived from room night assessments for all hotels in the cities of Lincoln, Rocklin and Roseville and has no impact to the City's General Fund. These assessments were voted on and approved by all of the affected hotel owners in 2014. There is no fiscal impact associated with this recommendation.

7.28. City Council/Boards, Commissions, & Committees Administrative Standards Updates

Memo from Assistant City Clerk Helen Dreyer and City Clerk Carmen Avalos recommending the City Council adopt RESOLUTION NO. 24-414 APPROVING THE CITY COUNCIL/BOARDS, COMMISSIONS, AND COMMITTEES ADMINISTRATIVE STANDARDS UPDATES. Staff requests Council approve updates to the City Council/Boards, Commissions, & Committees Administrative Standards. Section 4.06 of the Roseville City Charter authorizes the City Council to establish its own meeting procedures. Prior to 2019, the City Council and the then thirteen boards, commissions, and committees had their own separate meeting procedures. On February 20, 2019, the City Council adopted a resolution to consolidate the individual meeting procedures into one Administrative Standards document with a version to be used by Council/boards/commissions/committee members and a version to be used by staff. The requested updates consolidate the members' and staff versions of the Administrative Standards, address areas currently

not addressed in the standards, and improve the overall flow of the document. There is no fiscal impact associated with this request.

7.29. Purchase of Motor Vehicles Ordinance

Memo from Fleet Manager Brandy LeBeau and Public Works Director Jason Shykowski recommending the City Council introduce for first reading an ORDINANCE OF THE COUNCIL OF THE CITY OF ROSEVILLE GRANTING THE PURCHASING OFFICER AUTHORITY TO MAKE PURCHASES OF MOTOR VEHICLES EQUAL TO OR GREATER THAN THE BID AMOUNT ESTABLISHED IN THE CITY CHARTER FOR A PERIOD OF TWO YEARS. Staff requests Council approve an uncodified ordinance for Fleet Services purchases, granting the Purchasing Officer authority to purchase motor vehicles equal to or greater than the bid amount established in the City Charter for a period of two years. There is no fiscal impact to the General Fund. Funding for all purchases is included in the approved fiscal year budgets.

7.30. 2024 Speed Limit Update - Roseville Municipal Code Amendment

Memo from Senior Engineer Jana Cervantes and Public Works Director Jason Shykowski recommending the City Council introduce for first reading ORDINANCE OF THE COUNCIL OF THE CITY OF ROSEVILLE AMENDING SECTION 11.28.010 OF CHAPTER 11.28 OF TITLE 11 OF THE ROSEVILLE MUNICIPAL CODE REGARDING SPEED LIMITS. Staff requests Council approve the speed limits on certain roads in the City and approve the speed limit ordinance. Staff is required to justify a posted speed limit other than 65 mph that is radar enforceable. Local jurisdictions are required to conduct and approve an engineering and traffic survey every seven to fourteen years, or when there is a major change to a roadway. The cost of changing the speed limit signs is included in existing operating budgets.

Ordinances (for introduction and adoption - appropriation/urgency measures)

7.31. Homeland Security Grant Program - Approval of New Capital Improvement Project, Grant Award and Budget Adjustment

Memo from Battalion Chief Josh Marone and Fire Chief Rick Bartee recommending the City Council adopt RESOLUTION NO. 24-433

ACCEPTING A GRANT AWARD FROM THE UNITED STATES DEPARTMENT OF HOMELAND SECURITY, AND AUTHORIZING THE CITY MANAGER TO EXECUTE THE SUBAWARDEE GRANT AGREEMENT AND ANY REQUIRED DOCUMENTS ON BEHALF OF THE CITY OF ROSEVILLE; and adopt ORDINANCE NO. 6903 AUTHORIZING CERTAIN AMENDMENTS TO THE FISCAL YEAR 2024-25 BUDGET AND DECLARING THIS ORDINANCE TO BE IMMEDIATELY EFFECTIVE AS AN APPROPRIATION MEASURE. Staff requests Council approve the establishment of a new Capital Improvement Project, accept a 2022 grant from the Department of Homeland Security, and approve a budget adjustment increasing appropriations for the grant award in the Grants Fund for the project. The funds will be used to purchase a \$20,000 mercury detector and \$20,000 for two training classes for the Type I Hazardous Materials Team. The total combined cost is estimated to be \$40,000 and will be reimbursed through an equivalent grant award with no expected City share of the cost. There is no net effect on the General Fund. The department will continue to seek grants to purchase this type of equipment as technology improves and the equipment reaches its end of life as well as provide additional training to keep and maintain skills for the service of the community.

7.33. Homeless Resource Council of the Sierras - Non-Capital Project Approval, Grant Award, and Budget Adjustment

Memo from Management Analyst Mark Peinado and Police Chief Troy Bergstrom recommending the City Council approve a new non-capital project (Homeless Resource Council of the Sierras); and adopt RESOLUTION NO. 24-418 ACCEPTING A GRANT AWARD FROM THE HOMELESS RESOURCE COUNCIL OF THE SIERRAS AND AUTHORIZE THE CITY MANAGER TO EXECUTE THE GRANT AGREEMENT AND ANY REQUIRED DOCUMENTS ON BEHALF OF THE CITY OF ROSEVILLE; and adopt ORDINANCE NO. 6893 AUTHORIZING CERTAIN AMENDMENTS TO THE FISCAL YEAR 2024-25 BUDGET AND

DECLARING THIS ORDINANCE TO BE IMMEDIATELY EFFECTIVE AS AN APPROPRIATION MEASURE. Staff requests Council accept a grant award from the Homeless Resource Council of the Sierras and approve a budget adjustment appropriating \$19,000 in the Grants Fund. The grant will be used to support the Police Department's Social Service Unit with providing outreach and case management services to unsheltered individuals in Roseville.

7.34. Staffing Changes

Memo from Human Resources Manager Macy Dippert and Human Resources Director Stacey Peterson recommending the City Council adopt ORDINANCE NO. 6904 AMENDING ORDINANCE NO. 6873, THE SALARY ORDINANCE FOR MANAGEMENT EMPLOYEES, AS AMENDED BY APPENDIX "G" TO BE EFFECTIVE DECEMBER 28, 2024, AS AN URGENCY MEASURE. As part of an ongoing assessment of the appropriate staffing levels to provide a high level of service to the community, staff recommends that the City Council approve the Management A & B salary schedules reflecting the addition of a Finance Director and an Organizational Performance Program Administrator, retitling the Development Services Administrator to the Development Services Business Systems Administrator, and updates to the City's position allocation schedule that includes three (3) new full-time positions of Police Officer/Police Trainee, Organizational Performance Program Administrator, and Human Resources Analyst I/II; and two (2) reclassifications from Assistant City Manager to Finance Director, and Management Assistant I/II to Administrative Assistant. For the remainder of FY2024-25, the financial impact of the recommendations to the General Fund is \$197,614. All net budget increases can be covered by the General Fund contingency, so no budget adjustments are requested at this time.

7.35. Labor Market Adjustments, General Wage Increases, Temporary Salary Schedule Updates with Minimum Wage Increases, and Side Letter Agreements with Roseville Police Officers' Association and Roseville Firefighters, Local 1592

Memo from Human Resources Manager Macy Dippert and Human Resources Director Stacey Peterson recommending the City Council adopt ORDINANCE NO. 6894 AMENDING ORDINANCE NO. 6841, THE SALARY ORDINANCE FOR EMPLOYEES REPRESENTED BY THE INTERNATIONAL UNION OF OPERATING ENGINEERS, STATIONARY ENGINEERS, LOCAL 39, AS AMENDED BY APPENDIX "E" TO BE EFFECTIVE JANUARY 11, 2025, AS AN URGENCY MEASURE; and adopt ORDINANCE NO. 6895 AMENDING ORDINANCE NO. 6798, THE SALARY ORDINANCE FOR NON-SWORN EMPLOYEES

REPRESENTED BY THE ROSEVILLE POLICE ASSOCIATION, AS AMENDED BY APPENDIX "C" TO BE EFFECTIVE JANUARY 11, 2025 AS AN URGENCY MEASURE; and adopt ORDINANCE NO. 6896 AMENDING ORDINANCE NO. 6771, THE SALARY ORDINANCE FOR CONFIDENTIAL EMPLOYEES, AS AMENDED BY APPENDIX "B" TO BE EFFECTIVE JANUARY 11, 2025, AS AN URGENCY MEASURE; and adopt ORDINANCE NO. 6897 AMENDING ORDINANCE NO. 6873, THE SALARY ORDINANCE FOR MANAGEMENT EMPLOYEES, AS AMENDED BY APPENDIX "H" TO BE EFFECTIVE JANUARY 11, 2025, AS AN URGENCY MEASURE; and adopt ORDINANCE NO. 6900 AMENDING ORDINANCE NO. 6831 THE SALARY ORDINANCE FOR CITY COUNCIL APPOINTED POSITIONS, AS AMENDED BY APPENDIX "S" TO BE EFFECTIVE JANUARY 11, 2025 AS AN URGENCY MEASURE; and adopt ORDINANCE NO. 6898 AMENDING ORDINANCE NO. 6766, THE SALARY ORDINANCE FOR SWORN EMPLOYEES REPRESENTED BY THE ROSEVILLE POLICE OFFICERS' ASSOCIATION, AS AMENDED BY APPENDIX "D" TO BE EFFECTIVE JANUARY 11, 2025 AS AN URGENCY MEASURE; and adopt ORDINANCE NO. 6899 AMENDING ORDINANCE NO. 6767, THE SALARY ORDINANCE FOR EMPLOYEES REPRESENTED BY ROSEVILLE FIREFIGHTERS, LOCAL 1592, AS AMENDED BY APPENDIX "D", TO BE EFFECTIVE JANUARY 11, 2025 AS AN URGENCY MEASURE; and adopt RESOLUTION NO. 24-429 APPROVING A SIDE LETTER AGREEMENT TO THE MEMORANDUM OF UNDERSTANDING FOR EMPLOYEES REPRESENTED BY ROSEVILLE FIREFIGHTERS, LOCAL 1592, AND AUTHORIZING THE CITY MANAGER TO EXECUTE IT ON BEHALF OF THE CITY OF ROSEVILLE; and adopt RESOLUTION NO. 24-430 APPROVING A SIDE LETTER TO THE MEMORANDUM OF UNDERSTANDING FOR SWORN EMPLOYEES REPRESENTED BY THE ROSEVILLE POLICE OFFICERS' ASSOCIATION, AND AUTHORIZING THE CITY MANAGER TO EXECUTE IT ON BEHALF OF THE CITY OF ROSEVILLE; and adopt ORDINANCE NO. 6901 AMENDING ORDINANCE NO. 6854, THE SALARY ORDINANCE FOR SEASONAL/TEMPORARY EMPLOYEES, AS AMENDED BY APPENDIX "W" TO BE EFFECTIVE DECEMBER 28, 2024, AS AN URGENCY MEASURE. The current labor agreements and terms, conditions, and understandings with International Union of Operating Engineers, Stationary Engineers, Local 39 (Local 39), Roseville Police Association (RPA), and Management and Confidential Employees, and City Council Appointed Positions, include an approved two and a half percent (2.5%) general wage increase for all classifications in these groups effective January 11, 2025. Staff is recommending Council approve the new Local 39, RPA, Confidential and Management, and City Council Appointed Positions, A and B salary schedules. In accordance with current labor agreements, staff recommends Council approve the updated Roseville Police Officer's Association (RPOA) and Roseville Firefighters, Local 1592 (RFF) A and B salary schedules reflecting labor market adjustments to bring classifications to the 55% percentile effective January 11, 2025. Staff also requests Council approve the City Council Appointed Positions salary schedule. Staff also requests Council approve the Temporary salary schedule and additional changes to temporary classifications to meet the City's business needs, and an

increase from \$16.00 to \$16.50 per hour for forty-three (43) temporary classifications to meet the statewide minimum wage increase certified and effective January 1, 2025. Staff also recommends authorizing the City Manager to execute two side letter agreements concerning and clarifying certain terms and conditions of employment. The Local 39, RPA, Management and Confidential, and City Council Appointed Position general wage increases will cost \$1,321,000 for the remaining 12 pay periods of the fiscal year, which was included in the FY2024-25 budget, with the General Fund portion totaling \$677,000. The total cost to the General Fund for the labor market increase for RPOA and RFF for the remainder of FY2024-25 is \$1,133,200. There are adequate resources available in the General Fund contingency to cover this increase for the remainder of FY2024-25. Temporary pay rate increases due to the minimum wage change will be absorbed by available resources in the FY2024-25 budget. The fiscal impact is approximately \$5,600 to the Youth Development Fund and approximately \$38,000 to the General Fund. The cost of the RPOA side letter adding shift differential pay is estimated to be \$27,000 annually to the General Fund, with \$13,500 estimated for the current fiscal year. The costs of the other provisions included in the side letters are captured in the costing above or are current pay practices already included in the budget. Overall, the annual estimated ongoing cost of the general wage increases, labor market adjustments, temporary salary schedule updates, and RPOA shift pay update is approximately \$5.4 million citywide, with approximately \$4 million attributed to the General Fund.

8. SPECIAL REQUESTS/REPORTS/PRESENTATION

8.1. Renewables Procurement Standard Procurement Plan and Renewables Portfolio Standard Enforcement Program Update

Memo from Power Supply and Portfolio Administrator Petra Wallace and Electric Utility Director Dan Beans recommending the City Council adopt RESOLUTION NO. 24-422 APPROVING THE UPDATED ROSEVILLE RENEWABLES PORTOLIO STANDARD PROCUREMENT PLAN AND ROSEVILLE RENEWABLES PORTFOLIO STANDARD ENFORCEMENT PROGRAM. Staff requests Council approve updates to the Renewable Portfolio Standard (RPS) Procurement Plan and the RPS Enforcement Program, collectively the RPS Program, to address market price volatility and ensure compliance with California's RPS mandates. This update to the RPS Program would set expenditure limits for renewable energy credit (REC) procurements for the three-year period of 2025 through 2027 to those costs that are in the current electric rates in the City Municipal Code approved in June 2024, and it would cap annual budgeted REC cost increases at no more than 3% annually thereafter. There is no immediate fiscal impact associated with adopting these updates. The proposed cost limitation provision will help mitigate future financial risks by capping rate increases due to renewable mandates.

Title: Resolution - Soroptimist 70th Anniversary
Contact: Blair Hutchison 916-774-5266 bmhutchison@roseville.ca.us

Meeting Date: 12/18/2024
Item #: 5.2.

RECOMMENDATION TO COUNCIL

Congratulate Soroptimist International of Roseville on their 70th anniversary and commend them for their success as an organization and their contributions to the Roseville community.

BACKGROUND

Not applicable.

FISCAL IMPACT

Not applicable.

ENVIRONMENTAL REVIEW

The California Environmental Quality Act (CEQA) does not apply to activities that will not result in a direct or reasonably foreseeable indirect physical change in the environment, or is otherwise not considered a project as defined by CEQA Statute §21065 and CEQA State Guidelines §15060(c)(3) and §15378. Ceremonial documents meet the above criteria and are not subject to CEQA. No additional environmental review is required.

Description

Resolution - Soroptimist 70th Anniversary

Resolution

WHEREAS, Soroptimist International of Roseville is part of an international organization whose members volunteer to improve the lives of women and girls through programs leading to social and economic empowerment, with a focus on education, putting an end to domestic violence and human trafficking; and

WHEREAS, for 70 years the women of Soroptimist International of Roseville have been working on City, regional, and global projects to serve women and children in the community and the world, and the membership of Soroptimist International of Roseville has many leaders from Roseville businesses and the community including some women mayors and city councilmembers; and

WHEREAS, Soroptimist International of Roseville offers several awards annually recognizing individuals whose contributions make a difference including the Signature Awards “Live Your Dream” and a scholarship awarded to one senior from each high school within the Roseville Unified High School District, and the “Dream It Be It” program; and

WHEREAS, a few of the Roseville community programs supported by Soroptimist of Roseville are the Annual Christmas Basket, RP Activities Center, Lost But Not Forgotten, Royal Stage, and funding for the police and fire departments; and

WHEREAS, regionally, Soroptimist International of Roseville has worked with Stand Up Placer and Acres of Hope, chartered Soroptimist of Citrus Heights, and globally they have provided assistance to other countries with “Dress a Girl International” and Clearing Land Mines; and

WHEREAS, Soroptimist International of Roseville is uniquely qualified to tackle the challenges facing today’s women and girls, and does this by organizing events to raise funds, one in the fall and one in spring, for programs suited to the benefit of women and girls.

NOW, THEREFORE, BE IT RESOLVED BY THE COUNCIL OF THE CITY OF ROSEVILLE, CALIFORNIA, that the Soroptimist International of Roseville be congratulated on their 70th anniversary and be commended for their success as an organization and their contributions to the Roseville community.

SIGNED and APPROVED this 18th day of December 2024.

Description

Resolution - Rick Bartee

Resolution

WHEREAS, Rick Bartee joined the Roseville Fire Department in November 2015 as Fire Chief; and

WHEREAS, Chief Bartee firmly believed in the principle that unity fosters strength, and diligently worked to establish a labor-management alliance; and

WHEREAS, Chief Bartee has actively encouraged and promoted succession planning for internal staff development; and

WHEREAS, Chief Bartee acknowledged the necessity of a comprehensive Peer Support Program and has been a staunch advocate for its advancement, ensuring members have access to essential resources; and

WHEREAS, Chief Bartee recognized the demand for additional battalion coverage in Roseville's rapidly expanding community and creatively utilized existing resources to activate Battalion 2, enhancing coverage on the west side; and

WHEREAS, Chief Bartee recognized the need and actively advocated for Fire Station 8, the Campus Oaks Fire Station, slated to open later this year; and

WHEREAS, Chief Bartee was a passionate supporter of the Roseville community, regularly participating in local events and making a positive impact on those he met; and

WHEREAS, Chief Bartee collaborated with Union Pacific and Cal OES to improve the hazardous materials training capabilities at the Fire Training Center, yielding benefits on a statewide level; and

WHEREAS, Chief Bartee has partnered with city leadership to ensure that the Roseville Fire Department is equipped with state-of-the-art frontline apparatus while anticipating and advocating for future needs; and

WHEREAS, during his tenure with Roseville, Chief Bartee has served as President of the Western Placer Chiefs Association and as an Area Director with the Cal Fire Chiefs Association; and

WHEREAS, during his tenure as Fire Chief, Chief Bartee also held the position of National Task Force Representative for all 28 FEMA/USAR Task Forces, a role elected by the Task Force Representatives until May 2021; and

WHEREAS, during his tenure as Fire Chief, Chief Bartee was appointed the Leader of the FEMA/USAR Blue Incident Support Team in the Fall of 2021. He has led FEMA Task Force responses to natural disaster events, including the 2021 Mayfield Kentucky tornado, Eastern Kentucky Floods 2022, the fire in Lahaina, Maui 2023, and several Florida hurricanes including Hurricane Helene 2024; and

WHEREAS, the impact of Chief Bartee's vision and leadership will surely resonate for generations, guaranteeing that the department is well-prepared to advance into the future; and

WHEREAS, on December 27, 2024, we wish Chief Bartee a fond farewell and best wishes for a healthy and long retirement after a career spanning 43 years in the fire service and 9 years in Roseville.

NOW, THEREFORE, BE IT RESOLVED BY THE COUNCIL OF THE CITY OF ROSEVILLE, CALIFORNIA, that **RICK BARTEE** be commended for his 9 years of outstanding service and dedication to the City of Roseville and the Roseville Fire Department, congratulated for his many accomplishments and wished a long, healthy, and enjoyable retirement.

SIGNED and APPROVED this 18th day of December 2024.

Description

Resolution - Richard Plecker

Resolution

WHEREAS, Richard Plecker has dedicated 10 years of exemplary service to the City of Roseville as the Environmental Utilities Director; and

WHEREAS, during his tenure, Rich has demonstrated unwavering commitment to the sustainable management of our natural resources, ensuring a resilient and environmentally responsible future for our community; and

WHEREAS, Rich successfully secured a long-term water contract with the Bureau of Reclamation, effectively guaranteeing Roseville's water supply indefinitely into the future, thereby safeguarding this vital resource for residents and businesses alike; and

WHEREAS, Rich has been instrumental in establishing long-term planning strategies and brokering partnerships with regional water suppliers, fostering a collaborative approach that enhances the reliability and sustainability of the City's water resources; and

WHEREAS, Rich has played a pivotal role in formulating a comprehensive strategy for the diversification of material processing and waste disposal, significantly improving the efficiency and effectiveness of the City's environmental utilities; and

WHEREAS, Rich's leadership and innovative vision have not only advanced the City's environmental goals, but have also inspired his colleagues and the community to prioritize sustainability and resource conservation; and

WHEREAS, Rich's dedication to public service, collaborative spirit, and professionalism have earned him respect and admiration of his peers, the City Council, and residents of Roseville; and

WHEREAS, the City expresses its sincere gratitude for his leadership, innovation, and commitment to enhancing the quality of life for all residents of Roseville through his work in Environmental Utilities; and

WHEREAS, this resolution is presented to Rich Plecker as a token of appreciation and recognition for his invaluable service to the City of Roseville.

NOW, THEREFORE, BE IT RESOLVED BY THE COUNCIL OF THE CITY OF ROSEVILLE, CALIFORNIA, that **RICHARD PLECKER** be commended for his 10 years of outstanding service and dedication to the City of Roseville and the Environmental Utilities department, congratulated for his many accomplishments and wished a long, healthy, and enjoyable retirement.

Bids / Purchases / Services

7.2. Maidu Community Center Roof Replacement Project (RFQ 10-3396) - Reject All Bids

Memo from Buyer Tiffany Valdez and Assistant City Manager/Chief Financial Officer Dennis Kauffman recommending the City Council adopt RESOLUTION NO. 24-366 REJECTING ALL BIDS FOR THE MAIDU COMMUNITY CENTER ROOF REPLACEMENT PROJECT. Staff requests Council approve a

request to reject all bids received for Request for Quotes (RFQ) 10-3396 for the materials and labor to repair and/or replace the designated roof areas at the Maidu Community Center located at 1550 Maidu Dr., Roseville, CA 95661. The bid amounts are over the Facility Rehabilitation Project's available budget. Staff plans to revise the specifications and issue a new RFQ at a future date. There is no fiscal impact at this time since there will be no award.

7.3. 405 Vernon Elevator Upgrade (RFQ 10-3394) – Contract Purchase Agreement

Memo from Buyer Tiffany Valdez and Assistant City Manager/Chief Financial Officer Dennis Kauffman recommending the City Council adopt RESOLUTION NO. 24-369 APPROVING A CONTRACT PURCHASE AGREEMENT, BY AND BETWEEN THE CITY OF ROSEVILLE AND SPECIALIZED ELEVATOR SERVICES, LLC DBA ELEVATOR INDUSTRIES AND AUTHORIZING THE CITY MANAGER TO EXECUTE IT ON BEHALF OF THE CITY OF ROSEVILLE (3004220). Staff requests Council approve a contract purchase agreement with Specialized Elevator Services LLC dba Elevator Industries as the lowest responsive and responsible bidder for Request for Quotations No. 10-3394 for the 405 Vernon Elevator Upgrade. The cost of the agreement is \$100,885. Additionally, staff recommends authorizing the Public Works Director or designee to approve change order requests for this project up to ten percent 10% or \$10,088.50 as a construction contingency, for a total of \$110,973.50. Funding is included in the FY2024-25 Parking Garage Elevator Rehabilitation Project budget in the General Fund.

7.4. Refuse Bins and Parts (RFQ 10-3384) - Purchase Order Increase

Memo from Buyer Sue Jessup and Assistant City Manager/Chief Financial Officer Dennis Kauffman recommending the City Council authorize an amendment for purchase orders with Wastequip, LLC dba Confab Manufacturing Company, LLC increasing the FY2024-25 spending authority from \$200,000 to \$300,000. The Environmental Utilities Department has identified a need in response to the growth of multi-family housing and commercial businesses throughout the City. The estimated total annual cost is \$300,000 for FY2024-25. The original estimates for the optional renewal years will remain unchanged. Funding is included in the FY2024-25 budgets for the Waste Services Capital Purchase Fund and Waste Services Rehabilitation Fund.

Resolutions

7.6. Sacramento Suburban Water District - Mutual Aid and Assistance Agreement and Cost Sharing, Ownership, Operation and Maintenance of Interties Agreement

Memo from Water Utility Manager George Hanson and Environmental Utilities Director Richard Plecker recommending the City Council adopt RESOLUTION NO. 24-375 APPROVING A MUTUAL AID AND ASSISTANCE AGREEMENT, BY AND BETWEEN THE CITY OF ROSEVILLE AND SACRAMENTO SUBURBAN WATER DISTRICT, AND AUTHORIZING THE CITY MANAGER TO EXECUTE IT ON BEHALF OF THE CITY OF ROSEVILLE; and adopt RESOLUTION NO. 24-376 APPROVING AN AGREEMENT, BY AND BETWEEN THE CITY OF ROSEVILLE AND SACRAMENTO SUBURBAN WATER DISTRICT, AND AUTHORIZING THE CITY MANAGER TO EXECUTE IT ON BEHALF OF THE CITY OF ROSEVILLE. Staff requests Council approve a Mutual Aid and Assistance Agreement and a Cost Sharing, Ownership, Operation and Maintenance of Interties Agreement with Sacramento Suburban Water District (SSWD). This does not result in any fiscal impact. In the event of an emergency, costs of materials, staff, and water that SSWD provides would be paid from the Water Operations Fund, which would require a separate Council action.

7.14. 2024-25 State and Local Cybersecurity Grant Program - Grant Application

Memo from Information Security Administrator Cesar Gamez and Chief Information Officer Hong Sae recommending the City Council adopt RESOLUTION NO. 24-377 APPROVING A GRANT APPLICATION TO THE CALIFORNIA OFFICE OF EMERGENCY SERVICES STATE AND LOCAL PROJECTS UNIT FOR THE 2024-25 STATE AND LOCAL CYBERSECURITY GRANT - LOCAL AND TRIBAL, AND AUTHORIZING THE CHIEF INFORMATION OFFICER OR HIS DESIGNEE TO EXECUTE ALL RELATED FORMS AND AGREEMENTS ON BEHALF OF THE CITY OF ROSEVILLE. Staff requests that the Council approve an application for the 2024-25 State and Local Cybersecurity Grant for \$250,000 and, if awarded the grant, to execute any required grant agreements and other relevant documents to comply with all grant terms and conditions. Staff also requests authorization to apply for this grant two additional times when additional funds become available. The grant funds would be used to improve the City's capabilities to detect and mitigate cybersecurity weaknesses and threats, reducing risks and strengthening the City's cybersecurity posture. If awarded the grant, the Information Technology Department will utilize approximately \$48,000 of existing staff resources to implement the award.

City Clerk Carmen Avalos made the presentation to the City Council.

Roseville School District Scholarship Program Marketing & Communications Coordinator Janelle Lott spoke in support of the item.

Motion by Pauline Roccucci, seconded by Tracy Mendonsa, to approve a request for \$3,000 from Council Discretionary Funds for Roseville Joint Union High School District for the Local Scholarship Program. The Motion Passed.

Roll call vote: Ayes: Alvord, Houdesheldt, Mendonsa, Roccucci

Absent: Bernasconi

Vice Mayor Krista Bernasconi returned to the dais.

9. RESOLUTIONS

9.1. 2024 Prohousing Incentive Pilot Program - Application for Funding

Memo from Housing Analyst Sara Thornton-Garcia and Economic Development Director Melissa Anguiano recommending the City Council adopt RESOLUTION NO. 24-361 AUTHORIZING APPLICATION FOR, AND RECEIPT OF, PROHOUSING INCENTIVE PILOT PROGRAM FUNDS. Staff requests Council approve an application to the State of California Housing and Community Development Department for the Prohousing Incentive Program (PIP) in the amount of \$1,210,000 to assist with affordable housing development and to execute the necessary application, standard agreement and relevant documents for the PIP grant program from the California Housing and Community Development Department. The recommended action does not impact the City's General Fund.

10. ORDINANCES

10.1. Homeless Prevention and Rapid Rehousing Services - Grant Agreement and Budget Adjustment

Memo from Housing Manager Trisha Isom and Economic Development Director Melissa Anguiano recommending the City Council adopt RESOLUTION NO. 24-364 APPROVING A GRANT AGREEMENT FOR HOMELESS PREVENTION AND RAPID REHOUSING SERVICES, BY AND BETWEEN THE CITY OF ROSEVILLE AND VOLUNTEERS OF AMERICA NORTHERN CALIFORNIA AND NORTHERN NEVADA, INC., AND AUTHORIZING THE CITY MANAGER TO EXECUTE IT ON BEHALF OF THE CITY OF ROSEVILLE; and adopt ORDINANCE NO. 6883 OF THE COUNCIL OF THE CITY OF ROSEVILLE AUTHORIZING CERTAIN AMENDMENTS TO THE FISCAL YEAR 2024-25 BUDGET AND DECLARING THIS ORDINANCE TO BE IMMEDIATELY EFFECTIVE AS AN APPROPRIATION MEASURE. Staff requests Council approve a grant agreement with Volunteers of America in the amount of \$150,000 for continued Homeless Prevention and Rapid Rehousing services. The grant will be funded by the City's allocation of American Rescue Plan Act (ARPA) funding in the Federal Stimulus Reserve - ARPA Fund that must be spent by December 2026. Staff also requests Council adopt an ordinance approving a budget adjustment to increase the grants expenditure budget in the Federal Stimulus Reserve – ARPA fund by \$150,000. The recommended action will not result in costs to the City's General Fund.

11. PUBLIC HEARING

11.1. West Roseville Specific Plan Parcel F-22 at 1130 Harvey Way - Fee Deferral

Memo from Economic Development Analyst Gina McColl and Economic Development Director Melissa Anguiano recommending the City Council adopt RESOLUTION NO. 24-379 APPROVING FEE DEFERRALS FOR THE WEST ROSEVILLE SPECIFIC PLAN PARCEL F-22 AT 1130 HARVEY WAY PROJECT. Staff requests a fee deferral for West Roseville Specific Plan Parcel F-22 at 1130 Harvey Way, a 265-unit multi-family affordable apartment complex, in an amount of approximately \$5,906,585, until final of building permit/building occupancy. An annual interest rate equivalent to the City's ten-year pooled interest rate will be charged on the monies deferred to cover the City's cost of loss of interest income on the fee deferrals and an administrative processing fee is to be charged to each building permit.

Motion by Tracy Mendonsa, seconded by Pauline Roccucci, to adopt RESOLUTION NO. 24-379 APPROVING FEE DEFERRALS FOR THE WEST ROSEVILLE SPECIFIC PLAN PARCEL F-22 AT 1130 HARVEY WAY PROJECT. The Motion Passed.

Roll call vote: Ayes: Alvord, Bernasconi, Houdesheldt, Mendonsa, Roccucci

11.2. Sierra Vista Specific Plan Parcel WB-42 - General Plan Amendment. Specific Plan Amendment, Rezone, and Development Agreement Amendment

Memo from Associate Planner Sean Morales and Development Services Director Mike Isom recommending the City Council consider the Thirteenth Addendum to the Sierra Vista Specific Plan EIR; adopt RESOLUTION NO. 24-372 AMENDING THE GENERAL PLAN TO CHANGE THE LAND USE DESIGNATIONS ON CERTAIN REAL PROPERTY IN THE CITY OF ROSEVILLE; adopt RESOLUTION NO. 24-373 AMENDING THE SIERRA

VISTA SPECIFIC PLAN; adopt the two (2) findings of fact and introduce for first reading an ORDINANCE OF THE COUNCIL OF THE CITY OF ROSEVILLE CHANGING THE ZONING OF CERTAIN REAL PROPERTY LOCATED WITHIN THE CITY OF ROSEVILLE; and adopt the five (5) findings of fact and introduce for first reading an ORDINANCE OF THE COUNCIL OF THE CITY OF ROSEVILLE ADOPTING A FIFTH AMENDMENT OF THE DEVELOPMENT AGREEMENT BY AND BETWEEN THE CITY OF ROSEVILLE AND WESTPARK S.V. 400, LLC RELATIVE TO A CERTAIN PORTION OF THE PROPERTY COMMONLY KNOWN AS SVSP PARCEL WB-42 AND AUTHORIZING THE CITY MANAGER TO EXECUTE IT ON BEHALF OF THE CITY OF ROSEVILLE. The proposed project will reconfigure SVSP Parcel WB-42 from two parcels (6 acres and 8.5 acres, respectively) into two parcels WB-42A to the north (7 acres) and WB-42B to the south (7.5 acres). A Rezone, General Plan Amendment (GPA), and Specific Plan Amendment are requested to change the zoning of Parcel WB-42B from Community Commercial (CC) to Residential Small Lot/Development Standards (RS/DS) and the land use designation from CC to Medium Density Residential at 7 units/acre (MDR-7). A Fifth Amendment to the SVSP Westbrook Development Agreement, is requested to reflect the proposed land use change. A Tentative Subdivision Map is requested to create fifty-three (53) single-family residential lots on parcel WB-42B. According to the Fiscal Analysis completed by Economic & Planning Systems, Inc., the proposed project, which includes rezoning approximately half of the site to residential, would create approximately half of the revenue of a project under the existing zoning. The proposed project is not expected to have a negative fiscal impact on the General Fund.

Bids / Purchases / Services

6.1. Landscape Bark and Playground Engineered Wood Fiber - Contract Purchase Agreement Amendment

Memo from Parks, Recreation & Libraries Manager Brian Castelluccio and Parks, Recreation & Libraries Director Jill Geller recommending the City Council adopt RESOLUTION NO. 24-390 APPROVING AN AMENDMENT #1 TO CONTRACT PURCHASE AGREEMENT, BY AND BETWEEN THE CITY OF ROSEVILLE AND APPLIED LANDSCAPE MATERIALS, INC. DBA NORCAL WHOLESALE BARK AND AUTHORIZING THE CITY MANAGER TO EXECUTE IT ON BEHALF OF THE CITY OF ROSEVILLE (3003856). Staff requests Council approval to amend the contract purchase agreement with Applied Landscapes Materials, Inc. dba Norcal Wholesale Bark for the purchase and installation of bark mulch and engineered playground wood fiber. The total cost of the service is not to exceed \$850,000. Funding is included in the FY2024-25 Parks, Recreation & Libraries; Community Facilities Districts; and Lighting and Landscaping Districts budgets.

Resolutions

6.3. California Integrated Transit Project - User Agreement

Memo from Assistant Transportation Planner Zachary Presley and Public Works Director Jason Shykowski recommending the City Council adopt RESOLUTION NO. 24-395 APPROVING A USER AGREEMENT, BY AND BETWEEN THE CITY OF ROSEVILLE AND KUBA, INC., AND AUTHORIZING THE CITY MANAGER TO EXECUTE IT ON BEHALF OF THE CITY OF ROSEVILLE. Staff requests Council approve the Kuba user agreement for Roseville Transit's

hardware procurement for the California Integrated Transit Project. This project will provide a consistent and contactless fare payment option across all transit agencies in the Sacramento/Placer area. Capital costs for this project have been assessed at \$123,649.89 and will be funded using Transit and Intercity Rail Capital Program funding that was secured in a grant submitted by the Sacramento Area Council of Governments. The initial three years of operating costs for this project have been assessed at \$59,535 and are being funded with Local Transportation Funds. There is no impact to the General Fund.

6.4. California-Oregon Transmission Project - Entitlement Transfer

Memo from Assistant Electric Utility Director William Forsythe and Electric Utility Director Dan Beans recommending the City Council adopt RESOLUTION NO. 24-396 APPROVING ACQUISITION AGREEMENTS FOR AN ENTITLEMENT TO CAPACITY ON THE CALIFORNIA-OREGON TRANSMISSION PROJECT AND ASSIGNMENT TO THE TRANSMISSION AGENCY OF NORTHERN CALIFORNIA, AND AUTHORIZING THE CITY MANAGER TO EXECUTE THEM ON BEHALF OF THE CITY OF ROSEVILLE. Staff requests approval of three agreements between the City and certain owners of entitlements on the California-Oregon Transmission Project (COTP). The result of executing these three agreements will be the City of Roseville will acquire an additional 1MW of transmission rights on the COTP and will assign this right to be managed with Roseville's existing 29MW right to the Transmission Agency of Northern California. The cost of acquiring an additional 1MW of transmission rights on the COTP is a one-time cost of \$150,000, which is included in the current FY2024-25 Electric Fund budget.

6.9. Northwest Roseville Specific Plan Parcel 27 - Workout and Settlement Agreement Amendment

Memo from Assistant City Attorney Joe Speaker and Development Services Director Mike Isom recommending the City Council adopt RESOLUTION NO. 24-397 AUTHORIZING THE EIGHTH AMENDMENT TO THE WORKOUT AND SETTLEMENT AGREEMENT REGARDING DELINQUENT SPECIAL TAXES AND SPECIAL ASSESSMENTS LEVIED UPON NWRSP PARCEL 27. Staff requests Council approval of the Eighth Amendment to the Workout and Settlement Agreement with CC Drive, LLC, regarding delinquent special taxes and special assessments levied upon Northwest Roseville Specific Plan Parcel 27. The original agreement was designed to cure the tax defaulted status of this parcel, which is located in the Northwest Roseville Community Facilities District No. 1. The purpose of the proposed eighth amendment is to provide the landowner with additional time to make a lump sum payment of back taxes owed on the property by extending the payment due date from December 10, 2024 to December 10, 2026. The agreement will delay payment of back taxes for Parcel 27A but will not negatively impact bond payments nor increase special taxes for other properties located within the same district. This agenda item has no General Fund impact.

7. RESOLUTIONS

7.1. Creekview Community Facilities District No. 1 - Improvement Area No. 2 - Series 2024 Bond Issuance

Memo from Management Analyst Jeannine Thrash and Assistant City Manager/Chief Financial Officer Dennis Kauffman recommending the City Council adopt RESOLUTION NO. 24-391 A RESOLUTION AUTHORIZING THE ISSUANCE OF SPECIAL TAX BONDS FOR AND ON BEHALF OF IMPROVEMENT AREA NO. 2 OF THE CITY OF ROSEVILLE CREEKVIEW COMMUNITY FACILITIES DISTRICT NO. 1 (PUBLIC FACILITIES), APPROVING AND DIRECTING THE EXECUTION OF A SUPPLEMENTAL AGREEMENT TO FISCAL AGENT AGREEMENT AND A BOND PURCHASE AGREEMENT, APPROVING THE FORM OF PRELIMINARY OFFICIAL STATEMENT, APPROVING SALE OF SUCH BONDS, AND APPROVING OTHER RELATED DOCUMENTS AND ACTIONS. Staff requests Council approval of certain items based on the developer's request to issue Series 2024 Bonds in order to (i) construct and/or acquire certain authorized public facilities,

(ii) provide for a deposit to a debt service reserve account for the 2024 Bonds, and
(iii) pay capitalized interest on the 2024 Bonds. This is the second series of bonds to be issued for Improvement Area No. 2. The Series 2024 Bond proceeds are not to exceed \$17,000,000. The Community Facilities District (CFD) will generate special taxes that will be paid by the property owners sufficient to pay the costs of the debt service, CFD administration, and any authorized pay-as-you-go facilities, as well as provide funding in the future for maintenance/replacement of constructed facilities. The issuance of these bonds will not impact the City's General Fund.

9. PUBLIC HEARING

9.1. Tax and Equity Fiscal Responsibility Act Hearing - Crawford Project

Memo from Management Analyst Jeannine Thrash and Assistant City Manager/Chief Financial Officer Dennis Kauffman recommending the City Council adopt RESOLUTION NO. 24-392 APPROVING A PLAN OF FINANCE INCLUDING THE ISSUANCE OF REVENUE BONDS BY THE CALIFORNIA MUNICIPAL FINANCE AUTHORITY IN AN AGGREGATE OUTSTANDING PRINCIPAL AMOUNT NOT TO EXCEED \$75,000,000 TO FINANCE AND REFINANCE A QUALIFIED RESIDENTIAL RENTAL PROJECT FOR THE BENEFIT OF ROSEVILLE HARVEY 715, L.P., A CALIFORNIA LIMITED PARTNERSHIP (OR AN AFFILIATE), AND CERTAIN OTHER MATTERS RELATING THERETO. Staff requests that Council conducts a public hearing and adopts a resolution approving the issuance of the Bonds by the California Municipal Finance Authority ("CMFA") for the benefit of Roseville Harvey 715, L.P., a California limited partnership (the "Borrower"), or an affiliate, who has requested that the CMFA adopt a plan of financing providing for the issuance of multifamily housing revenue notes or bonds (the "Bonds") in one or more series at no time to exceed \$75,000,000 in outstanding aggregate principal amount, to finance the acquisition, construction, improvement and equipping of a 265-unit qualified residential rental project, The Crawford, located at 1130 Harvey Way, Roseville. The Board of Directors of the California Foundation for Stronger Communities, a California non-profit public benefit corporation (the "Foundation"), acts as the Board of Directors for the CMFA. Through its conduit debt issuance activities, the CMFA shares a portion of the issuance fees it receives with its member communities and donates a portion of these issuance fees to the Foundation for the support of local charities. With respect to Roseville, it is expected that 25% of the issuance fee, or approximately \$20,700, will be granted by the CMFA to the General Fund of the City. Such grant may be used for any lawful purpose of the City.

Assistant City Manager/Chief Financial Officer Dennis Kauffman made the presentation to the City Council.

No public comment received.

Mayor Bruce Houdesheldt closed the public hearing at 6:37 p.m.

Motion by Krista Bernasconi, seconded by Scott Alvord, to adopt RESOLUTION NO. 24-392 APPROVING A PLAN OF FINANCE INCLUDING THE ISSUANCE OF REVENUE BONDS BY THE CALIFORNIA MUNICIPAL FINANCE AUTHORITY IN AN AGGREGATE OUTSTANDING PRINCIPAL AMOUNT NOT TO EXCEED \$75,000.00 TO FINANCE AND REFINANCE A QUALIFIED RESIDENTIAL RENTAL PROJECT FOR THE BENEFIT OF ROSEVILLE HARVEY 715, L.P., A CALIFORNIA LIMITED PARTNERSHIP (OR AN AFFILIATE), AND CERTAIN OTHER MATTERS RELATING THERETO.. The Motion Passed.

Roll call vote: Ayes: Alvord, Bernasconi, Houdesheldt, Mendonsa, Roccucci

9.2. Electric Backbone Mitigation Fee - Roseville Municipal Code Amendment

Memo from Electric Utility Financial Administrator Joanna Cucchi and Electric Utility Director Dan Beans recommending the City Council introduce for first reading an ORDINANCE AMENDING SECTIONS 4.54.010, 4.54.020, 4.54.040 AND 4.54.050 OF THE ROSEVILLE MUNICIPAL CODE REGARDING ELECTRIC BACKBONE MITIGATION FEE. Staff requests Council approve amendments to the Roseville Municipal Code to adjust the Electric Backbone Mitigation Fee, as outlined in the nexus study. The proposed fee adjustments will result in approximately \$600,000 in additional revenue (\$82 increase for single-family unit and \$58 increase per multi-family unit) in connection and impact fees over the next 5 years. The proposed change aligns the revenues collected from developers with the costs of operating the utility to maintain financial strength and stability, consistent with City Council priorities.

Mayor Bruce Houdesheldt opened the public hearing at 6:38 p.m.

Electric Utility Chief Operating Officer Shawn Matchim introduced Electric Utility Financial Administrator Joanna Cucchi, who made the presentation to the City Council.

No public comment received.

Mayor Bruce Houdesheldt closed the public hearing at 6:45 p.m.

Motion by Krista Bernasconi, seconded by Pauline Roccucci, to introduce for first reading an ORDINANCE AMENDING SECTIONS 4.5.010, 4.54.020, 4.54.040, AND 4.54.050 OF THE ROSEVILLE MUNICIPAL CODE REGARDING ELECTRIC BACKBONE MITIGATION FEE. The Motion Passed.

Roll call vote: Ayes: Alvord, Bernasconi, Houdesheldt, Mendonsa, Roccucci

9.3. Downtown Specific Plan, Old Town Pizza - Economic Development Incentive Agreement

Memo from Economic Development Manager Wayne Wiley and Economic Development Director Melissa Anguiano recommending the City Council adopt RESOLUTION NO. 24-393 APPROVING A CITY OF ROSEVILLE ECONOMIC DEVELOPMENT INCENTIVE AGREEMENT, BY AND BETWEEN THE CITY OF ROSEVILLE AND OLD TOWN ROSEVILLE PIZZA, LLC WHOLESALE CORPORATION, AND AUTHORIZING THE CITY MANAGER TO EXECUTE IT ON BEHALF OF THE CITY OF ROSEVILLE. Staff requests Council approve an Economic Development Incentive Agreement with Old Town Roseville Properties, LLC to offset remediation costs associated with the development of an Old Town Pizza restaurant at a previously City-owned site at 324 Vernon Street. A budget adjustment was approved in October of 2019 allocating \$275,000 from the Strategic Improvement Fund to the Vernon Street Sale Preparation capital improvement project to cover due diligence items and remediation costs associated with the sale of the property to Lennox Hill Interiors, LLC. To date, there is a remaining balance of \$240,000 and the proposed \$100,000 incentive will come from the existing CIP. There will be no impact to the City's General Fund.

COUNCIL COMMUNICATION

CC #: 3698

File #: 0203-06 & 0201-01

Title: Agenda Management Software - New Capital Improvement Project Approval, Contract Purchase Agreement and Budget Adjustment

Contact: Sydney Finch 916-774-1175 smfinch@roseville.ca.us

Meeting Date: 12/18/2024

Item #: 7.2.

RECOMMENDATION TO COUNCIL

Staff recommends that the City Council:

- 1) Approve the establishment of a new Capital Improvement Project - Agenda Management Software (the "Project");
- 2) Adopt a resolution to approve a Contract Purchase Agreement with CivicPlus, LLC for the replacement of the City's existing Agenda Management Software for a total cost of \$104,088.55 and authorize the City Manager to execute it, as well as authority for the City Manager or his designee to approve change orders up to an additional 10% to cover unexpected changes to the project costs or changes to the City's information technology environment for the term of the agreement; and
- 3) Adopt an ordinance to approve a budget adjustment appropriating \$53,890 to the project for the first year of licensing and internal labor costs.

BACKGROUND

The current Agenda Management System, Novus Agenda, has been in use by the City since 2015. Novus Agenda is nearing end-of-life and requires immediate replacement. City staff released Request for Proposals (RFP) No. 12-034 and, from that solicitation, CivicPlus, LLC was selected. The Agenda Management System provides workflow functions which organizes and streamlines creation of the City's public meeting agendas and supporting documents. It also provides historical search functions as well as providing video archives of public meetings which fosters greater citizen engagement and transparency for public meetings.

FISCAL IMPACT

The recommended budget adjustment will appropriate \$53,890 to the project for the first year of licensing and internal labor costs. Funding for the budget adjustment comes from the Information Technology Replacement Fund and funds from other City departments. As a citywide project, this

will be funded by: \$30,502 from the IT Replacement Fund, \$970 from the Fleet Replacement Fund, \$808 from the Facility Rehab Fund, \$8,191 from the Electric Fund, \$3,611 from the Water Rehab Fund, \$5,173 from the Wastewater Rehab Fund, \$4,095 from the Waste Services Rehab Fund, \$270 from the Transit Fund, and \$270 from the Transportation Fund, along with corresponding revenue in the Transit and Transportation Funds. Funding for licensing in subsequent years will be budgeted in the Information Technology Operations Fund.

ENVIRONMENTAL REVIEW

The California Environmental Quality Act (CEQA) does not apply to activities that will not result in a direct or reasonably foreseeable indirect physical change in the environment or is otherwise not considered a project as defined by CEQA Statute §21065 and CEQA State Guidelines §15060(c)(3) and §15378. This software purchase meets the above criteria and is not subject to CEQA. No additional environmental review is required.

CITY COUNCIL STRATEGIC PLAN/OVERARCHING GOALS

Goal A - Remain fiscally responsible in a changing world

Goal E - Deliver exceptional city services

Respectfully Submitted,

Sydney Finch, Business Systems Analyst

Hong Sae, Chief Information Officer

Dominick Casey, City Manager

Resolution 24-431

Contract Purchase Agreement

RESOLUTION NO. 24-431

APPROVING A CONTRACT PURCHASE AGREEMENT, BY AND BETWEEN THE CITY OF ROSEVILLE AND CIVICPLUS, LLC AND AUTHORIZING THE CITY MANAGER TO EXECUTE IT ON BEHALF OF THE CITY OF ROSEVILLE

WHEREAS, a contract purchase agreement (3004289) to provide agenda management software, by and between the City of Roseville and CivicPlus, LLC, has been reviewed by the City Council.

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Roseville that said contract purchase agreement is approved and that the City Manager is authorized to execute it on behalf of the City of Roseville.

BE IT FURTHER RESOLVED that the City Manager or his designee is authorized to approve change orders, consistent with the contract terms, provided that the net cost of all change orders shall not exceed ten percent (10%) of the contract amount.

PASSED AND ADOPTED by the Council of the City of Roseville this ____ day of _____, 2024, by the following vote on roll call:

Contract Purchase Agreement 3004289

Contract Terms and Conditions

1. To the fullest extent allowed by law, Consultant agrees to indemnify, including the cost to defend City, and its officers, agents, employees and volunteers from any and all third party claims, demands, costs or liability to the extent caused by the negligence, recklessness, or willful misconduct of Consultant and its agents in the performance of services under this contract, but this indemnity does not apply to liability for damages for death or bodily injury to persons, injury to property, or other loss, arising from the sole negligence, willful misconduct or defects in design by City or the agents, servants, or independent contractors who are directly responsible to City, or arising from the active negligence of City. Consultant's responsibility for such defense and indemnity obligations shall survive the termination or completion of this Agreement for the full period of time allowed by law. The defense and indemnity obligations of this Agreement are undertaken in addition to, and shall not in any way be limited by, the insurance obligations contained in this Agreement.
2. Consultant is an independent contractor, and shall not be considered an officer, agent, or employee of the City.
3. Without the written consent of the City, this Agreement is not assignable by Consultant either in whole or in part. Notwithstanding the foregoing, Consultant may assign and transfer all of its rights and obligations under this Agreement by a sale of a majority of its assets or merger.
4. Time is of the essence of this Agreement. Notwithstanding the foregoing, Consultant will not be liable or responsible for any delay in the time or completion of the Services due to the action or inaction of the City.
5. At any time during the term of this Agreement, either Party has the right to terminate this Agreement, provided the other Party is given sixty (60) days written notice. Consultant acknowledges that City may terminate this Agreement should funds not be appropriated by its governing body to continue services under this Agreement. Notwithstanding the foregoing, in the event of termination due to non-appropriation, any unpaid invoices for work already completed shall become due immediately.
6. This Agreement may only be amended or modified in writing. It is integrated and contains the complete understanding of the parties.
7. All equipment, supplies and services sold to the City of Roseville shall conform to the general safety orders of the State of California.
8. Unless notified to the contrary, in writing, the City assumes that the Consultant has accepted the work in accordance with the plans and specifications (if any) and agrees to do the work in compliance with this Agreement. Any work product created for City pursuant to this Agreement is deemed owned by City.
9. All prevailing wages and fair employment practices must be adhered to. For prevailing wage contracts over \$25,000, copies of certified payroll must be submitted with invoices. Prevailing wage rates may be obtained from the State Department of Industrial Relations and/or the following website address:
<http://www.dir.ca.gov/dlsr/DPreWageDetermination.htm>. In compliance with Labor Code Section 1773.2, as may be amended from time to time, Contractor shall cause a copy of this website to be posted at each jobsite, as applicable.
10. Consultant agrees to the below insurance requirements:
 - a. Unless otherwise specified, the Consultant shall maintain the policies of insurance outlined in Attachment A, incorporated herein by this reference, in full force and effect

Contract Purchase Agreement 3004289

during the term of this Agreement. The City of Roseville retains sole discretion in determining the types and proper levels of insurance coverage.

- b. Form. Consultant shall submit a certificate evidencing such coverage for the period covered by this Agreement in a form satisfactory to Risk Management and the City Attorney, prior to undertaking any work hereunder. Any insurance written on a claims made basis is subject to the approval of Risk Management and the City Attorney.
- c. Additional Insureds. Consultant shall also provide a separate endorsement or section of the policy showing City, its officers, agents, employees, and volunteers as additional insureds for each type of coverage, except for Workers' Compensation. Such insurance shall specifically cover the contractual liability of Consultant. The additional insured coverage under the Consultant's policy shall be primary and noncontributory, as evidenced by a separate endorsement or section of the policy and shall not seek contribution from City's insurance or self-insurance. In addition, the additional insured coverage shall be at least as broad as the Insurance Services Office (ISO) CG 20 01 Endorsement. Any available insurance proceeds in excess of the specified minimum insurance coverage requirements and limits shall be available to the additional insureds. Furthermore, the requirements for coverage and limits shall be:
 - (1) the minimum coverage and limits specified in this Agreement; or
 - (2) the full coverage and maximum limits of any insurance proceeds available to the named insureds, whichever is greater.
- d. Cancellation/Modification. Consultant shall provide thirty (30) days written notice to City prior to cancellation or modification of any insurance required by this Agreement.
- e. Umbrella/Excess Insurance. The limits of insurance required in this Agreement may be satisfied by a combination of primary and excess insurance. Any excess insurance shall contain or be endorsed to contain a provision that such coverage shall also apply on a primary and noncontributory basis for the benefit of City (if agreed to in a written contract) before City's own insurance shall be called upon to protect it as a named insured.
- f. Subconsultants. Consultant agrees to include in its contracts with all subconsultants the same requirements and provisions of this Agreement, including the indemnity and insurance requirements, to the extent they apply to the scope of the subconsultants work. Furthermore, Consultant shall require its subconsultants to agree to be bound to Consultant and City in the same manner and to the same extent as Consultant is bound to City under this Agreement. Additionally, Consultant shall obligate its subconsultants to comply with these same provisions with respect to any tertiary subconsultant, regardless of tier. A copy of City's indemnity and insurance provisions will be furnished to the subconsultant or tertiary subconsultant upon request.
- g. Self-Insured Retentions. All self-insured retentions (SIR) must be disclosed to Risk Management for approval and shall not reduce the limits of liability. Policies containing any SIR provision shall provide or be endorsed to provide that the SIR may be satisfied by either the named insured or City. City reserves the right to obtain a full certified copy of any insurance policy and endorsements. The failure to exercise this right shall not constitute a waiver of such right.
- h. Waiver of Subrogation. Consultant hereby agrees to waive subrogation which any insurer of Consultant may acquire from Consultant by virtue of the payment of any loss under a Workers Compensation, Commercial General Liability or Automobile Liability policy. All Workers Compensation, Commercial General Liability and Automobile Liability policies shall be endorsed with a waiver of subrogation in favor of City, its officers, agents, employees, and volunteers for all work performed by Consultant, its

Contract Purchase Agreement 3004289

employees, agents, and sub consultants.

- i. Liability/Remedies. Insurance coverage in the minimum amounts set forth herein shall not be construed to relieve Consultant of liability in excess of such coverage, nor shall it preclude City from taking such other actions as are available to it under any other provisions of this Agreement or law.
11. Consultant shall comply with all federal, state, local laws, ordinances, and policies as may be applicable to the performance of services under this Agreement. Failure to comply with local ordinances may result in monetary fines and cancellation of this Agreement.
12. In the event that the terms of any attachment or exhibit conflict with any terms of this Agreement, the terms of this Agreement shall control.
13. This Agreement may be executed in one or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument. In the event that any signature is delivered by facsimile transmission or by e-mail delivery of a ".pdf" format data file, such signature shall create a valid and binding obligation of the party executing (or on whose behalf such signature is executed) with the same force and effect as if such facsimile or ".pdf" signature page were an original thereof.
14. If either party commences any legal action against the other party arising out of this Agreement or the performance thereof, the prevailing party in such action shall be entitled to recover its reasonable litigation expenses, including but not limited to, court costs, expert witness fees, discovery expenses, and attorneys' fees. Any action arising out of this Agreement shall be brought in Placer County, California, regardless of where else venue may lie. This Agreement shall be governed by and construed in accordance with the laws of the State of California.
15. This Agreement shall be binding upon the heirs, successors, executors, administrators and assigns of the respective parties hereto.
16. If any of the provisions contained in this Agreement are for any reason held invalid or unenforceable, such holding shall not affect the remaining provisions or the validity and enforceability of the Agreement as a whole.
17. For purposes of this Agreement, the terms "Contractor," "Consultant," and "Supplier" are used interchangeably.
18. Consultant agrees that any and all information furnished by City shall be deemed proprietary and confidential. All such information, to the extent previously, presently, or subsequently disclosed to Consultant and/or processed and derived by Consultant services is the property of City and such property shall be deemed and treated as "Confidential Information" of City. Consultant acknowledges that such Confidential Information may contain information provided and/or generated by third-parties. Consultant agrees that such Confidential Information shall not be disclosed to any third party without written permission from City, except as required by law. Consultant shall not use the Confidential Information except to perform Consultant's services as directed by City.
19. Consultant shall report to City any data compromise or unauthorized access to Confidential Information within seventy-two (72) hours after Consultant discovers such data compromise or unauthorized access. Consultant will take commercially reasonable measures to address any such data compromise or unauthorized access in a timely manner. Except as otherwise required by law, Consultant will not provide notice to end users or other entities of any such data compromise or unauthorized access without written permission from City. If Consultant reasonably determines that it caused any data compromise or unauthorized access to Confidential Information, Consultant will promptly reimburse City in full for all fees and costs incurred by City in any investigation, remediation or litigation resulting from any such

Contract Purchase Agreement 3004289

data compromise or unauthorized access, including identity protection and restoration services for each person, who in the City's sole discretion, could be impacted by identity theft.

20. Consultant may not advertise that City is a client, list City as a reference or otherwise use City's name, logos, trademarks, or service marks without prior written permission from City.
21. Consultant acknowledges that services rendered under this agreement (including but not limited to service levels and operational levels) shall be performed in accordance with industry standards.
22. Contractor/consultant's duties and services under this agreement shall not include preparing or assisting the public entity with any portion of the public entity's preparation of a request for proposals, request for qualifications, or any other solicitation regarding a subsequent or additional contract with the public entity. The public entity entering this agreement shall at all times retain responsibility for public contracting, including with respect to any subsequent phase of this project. Contractor/consultant's participation in the planning, discussions, or drawing of project plans or specifications, if any, shall be limited to conceptual, preliminary, or initial plans or specifications. Contractor/consultant shall cooperate with the public entity to ensure that all bidders for a subsequent contract on any subsequent phase of this project have access to the same information, including all conceptual, preliminary, or initial plans or specifications prepared by contractor pursuant to this agreement.
23. Consultant certifies that Consultant, its employees, directors, officers, agents, subcontractors, vendors, and volunteers are not presently debarred, excluded, suspended, declared ineligible, voluntarily excluded, or proposed for debarment, exclusion, suspension, or ineligibility by any federal, state, or local department or agency.
24. The Levine Act (Govt. Code, Section 84308) requires a Party (and its agent(s), if any) to a Proceeding before the City of Roseville that involves any action or consideration related to their contract, license, permit, or other entitlement for use, to disclose any campaign contributions made to City elected or appointed officers totaling more than \$250 within the twelve (12) months prior to the City decision and while a proceeding is pending, and includes certain prohibitions on contribution activity thereafter. If applicable campaign contributions have been made by Contractor and/or its agent(s), Contractor is responsible for compliance, including for its disclosure obligations, if any, as further described at: https://www.roseville.ca.us/government/departments/city_clerk/transparency/levine_act.
25. This Agreement may be amended via change order, but only if such change order is made in writing, approved by the City, and signed by both parties.
26. CONSULTANT and CITY agree that: (a) CONSULTANT is free from the control and direction of CITY in connection with the performance of the work; (b) CONSULTANT is providing services directly to CITY; (c) CONSULTANT has and will maintain at all relevant times a business license; (d) CONSULTANT maintains a business location that is separate from CITY; (e) CONSULTANT is customarily engaged in an independently established business of the same nature as that involved in the work performed hereunder; (f) CONSULTANT actually contracts with other businesses to provide the same or similar services and maintains a clientele without restrictions from CITY; (g) CONSULTANT advertises and holds itself out to the public as available to provide the same or similar services; (h) CONSULTANT provides its own tools, vehicles, and equipment to perform the services; (i) CONSULTANT has negotiated its own rates; (j) CONSULTANT set its own hours and location of work in accomplishing CITY's on-call needs; and (k) CONSULTANT has the right to control the manner and means of accomplishing the result desired and exercises its own expert independent judgement.

The supplier named hereon by the acceptance of this order agrees to the provisions of this document titled "Contract Purchase Agreement" and all accompanying terms, conditions, and attachments.

Insurance Submission Process

The City of Roseville Human Resources/Risk Management Department uses a service called EBIX to manage our insurance certificate tracking.

How It Works

- The vendor's contact information is entered into EBIX. EBIX will contact the vendor to request proof of insurance.
- The Vendor can forward the request to their Insurance Agent(s) if necessary.
- Vendor/Insurance Agent submits insurance to EBIX by email to roseville@ebix.com or by fax to (770) 325-5727. After faxing or emailing the certificate, please DO NOT send the certificate by mail to EBIX. Please do not mail, email or fax any certificates to the City of Roseville.
- Once submitted, EBIX reviews the insurance documentation. If there are deficiencies, EBIX will send a follow up letter or email requesting additional information.

Questions Regarding Insurance Submission: Contact EBIX at (951) 652-4239

Questions Regarding Insurance Requirements Contact Risk Management at (916) 774-5202

RE: Contractor and Grantee Compliance with Economic Sanctions Imposed in Response to Russia's Actions in Ukraine

Dear Vendor:

On March 4, 2022, Governor Gavin Newsom issued Executive Order N-6-22 (EO) regarding sanctions in response to Russian aggression in Ukraine. The EO is located at <https://www.gov.ca.gov/wp-content/uploads/2022/03/3.4.22-Russia-Ukraine-Executive-Order.pdf>.

The EO directs all agencies and departments that are subject to the Governor's authority to take certain immediate steps, including notifying all contractors and grantees of their obligations to comply with existing economic sanctions imposed by the U.S. government in response to Russia's actions in Ukraine, as well as any sanctions imposed under state law.

This correspondence serves as a notice under the EO that as a contractor or grantee, compliance with the economic sanctions imposed in response to Russia's actions in Ukraine is required, including with respect to, but not limited to, the federal executive orders identified in the EO and the sanctions identified on the U.S. Department of the Treasury website (<https://home.treasury.gov/policy-issues/financial-sanctions/sanctions-programs-and-country-information/ukraine-russia-related-sanctions>). Failure to comply may result in the termination of contracts or grants, as applicable.

Please note that for any agreements or grants valued at \$5 million or more you must report to the City of Roseville your compliance with economic sanctions including steps you have taken in response to Russia's actions in Ukraine, including, but not limited to, desisting from making new investments in, or engaging in financial transactions with, Russian entities, not transferring technology to Russia or Russian entities, and directly providing support to the government and people of Ukraine.

Sincerely,

RE: RFP (#12-034) Agenda Management Software

Dear Selection Committee:

Saving time, effort, and delivering access to public meeting information is essential to run an efficient and transparent government. Every interaction between a member of your community and your local government is an opportunity to create a positive civic experience. At CivicPlus, LLC (CivicPlus), our mission is to help make local governments work better. To do that, we build technology solutions to empower you and your staff to create digital interactions that are personalized, frictionless, and expedited.

CivicPlus Agenda and Meeting Management Select (Select), is a robust, flexible, and easy-to-use suite of cloud-based tools built specifically for local governments, like Roseville, to help you completely transform your agenda and meeting management process. By partnering with CivicPlus, you'll be able to:

- Work from anywhere with Select's secure, cloud-based hosting and browser-based access
- Reduce manual effort with time-saving features and fully integrated modules
- Invest in a solution that is designed to grow with you as your processes and needs change
- Leverage tools such as cross-departmental teams and flexible workflows to collaborate on agenda items
- Tailor user access with custom permission settings
- Ensure internal transparency and accountability using built-in audit trails, task tracking, and versioning
- Build custom, ad hoc reports with your Select data
- Effortlessly create and distribute meeting materials to residents, internal users, and elected officials

Our Select solution innovators have the experience and expertise to help any administration, whether in a community of one thousand or one million, save time and money. It's why we've hired former municipal clerks to help us build an agenda and meeting management solution that is designed exclusively for local governments and the needs of their clerks and departmental stakeholders.

CivicPlus Headquarters: 302 S 4th Street, Suite 500, Manhattan, KS 66502

CivicPlus Statement: By submitting this proposal, CivicPlus acknowledges all requirements described in the RFP. As of August 20, 2024, there was no addendum posted.

We are excited to assist you in expanding your existing partnership with CivicPlus and leveraging solutions we have already implemented.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Gabriel Bond'.

Tab A: Firm's Qualifications

Statement of Qualifications

Having a company that is dedicated to web solutions for government is key for your project's success, both initially and through the upcoming years. CivicPlus, headquartered in Manhattan, Kansas, has more than 850 staff members and continues to implement new technologies and services to maintain the highest standards of excellence and efficiency for our more than 10,000 customers with over 100,000 users and over 340 million visitors (and counting!).

In addition to a great solution, great people are key for a successful project. CivicPlus is a company that's about amazing people doing amazing things. During your project, a dedicated project team lead by your implementation consultant will assist you throughout the development process to ensure your project's success and your complete satisfaction.

After the Go Live of your CMS, your Customer Success Manager, will continue to work with you to help you optimize your system. They will provide you with further information on how to engage your residents, utilizing the tools that CivicPlus has put into place.

When your staff has technical questions, our technical support engineers are ready to provide answers and ensure their confidence in using our system. When you choose CivicPlus, our knowledgeable staff is available from 7 a.m. to 7 p.m. (CST) to field your calls and emails, and emergency services are available after regular hours with our on-call staff 24-hours a day.

Subcontractors

Because all services required for a successful project are performed in-house, no aspect of the development or implementation of your project will be outsourced or subcontracted.

Staffing Levels

CivicPlus has more than 850 staff members who continue to implement new technologies and services to maintain the highest standards of excellence and efficiency for our more than 10,000 customers with over 100,000 users and over 340 million visitors and counting! While we are based in Kansas, we have staff working remotely across the U.S. and have developed websites for local government customers in all 50 states and Canada.

CivicPlus always has multiple customers in progress in different phases of development at any given time. CivicPlus' proven development process of not assigning your team until contract signing ensures our customers have an available and dedicated team throughout their project.

Company Organizational Chart

Tab B: Experience and References

CivicPlus History

CivicPlus began in 1998 when our founder, Ward Morgan, decided to focus on helping local governments work better and engage their residents through their web environment. Over the years, CivicPlus has continued to implement new technologies and merge with industry forerunners to maintain the highest standards of excellence and efficiency for our customers.

Our portfolio includes solutions for website design and hosting, parks and recreation management, emergency and mass communications, agenda and meeting management, 311 and CRM, process automation and digital services, codification, licensing and permits, web governance and ADA remediation, social media archiving, and FOIA management.

Our commitment to deliver the right solutions in design and development, end-user satisfaction, and secure hosting has been instrumental in making us a leader in government web technology. We are proud to have earned the trust of our over 10,000 customers and their 100,000+ administrative users. In addition, over 340 million residents engage with our solutions daily.

Experience Implementing Similar Services

CivicPlus' Select Agenda and Meeting Management solution delivers years of experience in agenda and meeting management software as a service technology that has been designed specifically to meet the needs of municipalities and their staff and officials. Our commitment to deliver the right solutions in design and development, end-user satisfaction, and secure hosting has been instrumental in making us a world leader in government web technology. We consider it a privilege to partner with our customers and provide them with a solution that will serve their needs today and well into the future.

Included are some experiences our customers have had working with Select (formerly CivicClerk).

"The training was seamless. Personally, I was not nervous about starting to use CivicClerk, but I know people can be uncomfortable with change, so we held three different live training sessions for the different departments that would be heavily using the system. Everyone could choose the training session that fit their schedule. Every employee who left the training session felt like, 'I can do that. It's easy.'"

— **Ronda Cole, Clerk of the Mayor,
Council, Gulfport, MS**

"It's been a great process; very smooth.

It's been easy to communicate what we're asking for with our implementation team. We explain what we're trying to accomplish, and they help show us how to use the software to accomplish our goals. It's been wonderful how flexible the product is and how we can tailor it to fit our current processes. With CivicClerk, we don't have to change everything we do. We can keep the core of our workflows the same for the most part."

— **Angie Johnson, PHR, Deputy
Assistant City Recorder, Franklin, TN**

Tab C: Qualifications of Team

Project Team

From project management to technical support, a team of accountable and knowledgeable Select experts will assist you at every step to ensure your project's success and your complete satisfaction. We will assign your individual, dedicated implementation consultant before kickoff to work directly with you throughout the implementation process.

Once your system configuration is complete, your implementation consultant will ensure that you and your staff are thoroughly trained on your Select solution. After go-live, your dedicated customer success manager and our award-winning Technical Support team will support your strategic goals long term.

Tab D: Project Understanding

Our Understanding

Our project understanding is centered around delivering a robust Agenda Management Software solution that meets the City's needs for improved efficiency and streamlined administrative processes. Currently, the City uses a tool that is not fully meeting its requirements, and the goal is to transition to a more intuitive system that enhances workflow across all departments. The new software will aim to reduce procedural complexities by minimizing the steps required to create an agenda and will support increased engagement and participation in council meetings. This solution will drive smoother operations, quicker decision-making, and ultimately boost the overall productivity and effectiveness of the City's administrative framework.

CHALLENGES

Our Professional Services team is committed to driving on-time implementations in line with customer expectations and satisfaction. We understand that our customers' key staff members are often required to balance daily duties and council meetings for approvals, which can affect decision making and project timelines. Further, ensuring that all of stakeholders feel valued and heard can be a challenge when working on a complex project.

To ensure project success, our dedicated team of professionals work hand in hand with our customers' staff and leadership. This consultative approach of our time-tested and refined implementation process ensures stakeholders are aligned in objectives and target outcome of project. We learn from every implementation, both the great aspects and the challenges, to consistently innovate our process and resources to ease the path for our customers.

CivicPlus Strengths

Civic Experience

We have the first and only Civic Experience Platform. It enables local governments to drive more revenue, operate more efficiently, and generate positive recognition for the many services they provide every day.

Experience

We bring over 25 years of experience helping our customers work better and smarter through their web environment.

Design Process

Our process combines the creativity of our in-house designers with proven functionality to reach the perfect end result.

Navigation

We've helped hundreds of customers effectively organize their website taxonomy and content structure. Your redesigned site will provide your residents with an intuitive, user-friendly architecture.

Live Edit

Web Central's Live Edit feature allows you to view your webpages and see how the information looks before publishing to your public.

Community

Web Central users have their own network, ENGAGEXCHANGE, to connect with other government entities on the same platform to share ideas, ask questions, and much more.

Training

After your initial instruction in the system, we offer continued training and resources through the CivicPlus Help Center that help you and your staff remain fresh and up-to-date with our system.

Future

Our development staff will stay by your side, rolling out new features, new applications, and new suggestions so you can better serve your community.

Tab E: Project Plan

Implementation of the Project

Please note: Timelines may vary in duration dependent on customer, CivicPlus Team, and resource availability, the pace at which deliverables and approvals are submitted, add-ons, and the CivicPlus Team. For additional information regarding customer time commitment, please review the [Customer Work Expectations](#) Help Center article.

Task	When	Task Owner

CivicPlus Media	~1 Week

IMPLEMENTATION METHODOLOGY

CivicPlus and Roseville will jointly develop a detailed schedule and implementation plan as your project kicks off, complete with milestones and deadlines. This serves as your implementation process flow and any changes can be addressed throughout the process. Once your system is launched you will continue to receive both technical and consultative support from our Support and Customer Success teams. We meet with all our customers virtually through email, phone, video conferencing, or if the customer prefers, we will be on-site. Because of the nature of our technology industry, working remotely is the “norm” and of no project concern for the development of your solution.

EQUIPMENT

There are no required third party products, hardware, or applications needed to support Select.

MIGRATION

Select can import past PDF files (agendas, packets and minutes). File imports will be indexed with optical character recognition (OCR) upon import for searchability. Videos and audio can be imported in MP4 format. The client will be responsible for renaming the files in the necessary format for our import tool (MeetingType_FileType_MM_DD_YY - file type would be Agenda, Packet, Minutes, Audio, or Video).

Premium Implementation Plan

Implementation & Support Experience Designed for You

Agenda and Meeting Management Select has the experience and expertise to help administrations of any size transform the entire meeting management process. We know implementation can't be a one size fits all solution and offer flexible packages designed to meet your desired outcomes.

Our Premium Implementation Package is the perfect fit for automating manual or inefficient agenda and meeting processes. It is designed for organizations with less than 50 internal users and a desire for a guided implementation experience. A dedicated and knowledgeable Implementation consultant will manage your project from end-to-end—consulting and collaborating with your team, configuring the system to automate your process, and delivering live virtual training to your user groups. Key project staff will have online access to the timeline and all expected checkpoints and deliverables for a fully transparent implementation.

Beyond implementation, your users will feel empowered by our in-application support tools, a full online help center, as well as phone, email, and live chat support with members of the dedicated, award-winning Technical Support team.

CONSULTING

Up to Two Hours of Virtual Consultation

During this consulting session, your implementation consultant will be reviewing your submitted project questionnaire with your key project staff. The implementation consultant will review your custom template designs and discuss the configurations that will be made to ensure your workflows match your current agenda and meeting processes.

DESIGN

We will design up to seven custom templates to ensure consistency in system-generated meeting documents: Agendas, Item/Staff Report, Minutes, Agenda Script.

CONFIGURATION

Our team will configure your solution with Premium customization options to map existing processes to our Agenda and Meeting Management Select solution. Additional custom configurations can be made by administrative users at any time using Help Center resources.

TRAINING

Up to Four Hours of Virtual Training

Your implementation consultant will guide user groups through live, virtual training sessions using your custom configured Agenda and Meeting Management Select solution. We recommend no more than 20 users per session. Individual sessions are either 30 or 60 minutes in duration.

Tab F: System Features and Functionality

Features & Functionality

Agenda and Meeting Management Select Solution

CivicPlus' Agenda and Meeting Management Select software is the fastest, most intuitive way to streamline the entire agenda management process — from creating agenda items to managing live meetings. It provides time-saving automation while allowing clerks to balance these conveniences with manual controls and overrides. Internal collaboration with Select is easy with customized workflows, version tracking, and built-in communication tools.

Our innovators designed it to offer configuration flexibility so that the solution can be scaled from the simplest agenda process to the most complex. Built-in integrations and a suite of APIs make working with other internal applications easy. Agenda and Meeting Management Select's user-defined roadmap ensures that the product will continue to grow and adapt as transparency requirements and compliance expectations change.

Fully Integrated, Cloud-Based Software Suite

- User-friendly, modern interface
- Unlimited users
- Unlimited storage
- Highly configurable to your agenda and meeting management processes
- Adaptable permission settings
- Confidential attachments
- Field-level versioning
- Integrated code of ordinances
- Built-in integrations with Dropbox, Microsoft's One Drive, Google Drive, Laserfiche, Zoom, and API availability (additional fees may apply)
- Single sign-on through the CivicPlus Platform
- Secure Cloud-Based Hosting
- Automatic Updates
- Customer-Defined Roadmap
- Enhanced Analytics for Data Visibility

Part of the Integrated CivicPlus Platform

Our powerful CivicPlus Platform is the foundation on which all our CivicPlus solutions are built, allowing them to work seamlessly and securely, leveraging existing data, and reducing information silos so your administrative staff can collaborate efficiently. Administrators can take advantage of authentication using our identity provider integrations to provide a single sign-on experience for internal users. The entire solution is cloud-based, eliminating the need for internal application management. Agenda and Meeting Management Select is hosted in Microsoft's Azure cloud service, providing a stable multi-user environment while ensuring high availability and uptime. CivicPlus is also the only technology provider that offers an integration between our agenda & meetings software and an online code of ordinances—with Municode Codification.

Agenda Management

FLEXIBLE, CUSTOMIZED TEMPLATES

Standardized templates throughout the system provide consistency and clarity to agendas, packets, staff reports, and minutes.

EFFICIENTLY MANAGE AGENDA PACKETS OF ANY SIZE

The software compiles your items and all the legislation, memorandums, or supporting documentation into a bookmarked PDF packet quickly and easily, no matter the size of the packet. Create multiple packet versions instantly to include or exclude specific attachments for your different internal and external users. Last-minute changes to the agenda or packet can be made and published with minimal effort.

Administrators choose what they publish to the public, internal users, and elected or appointed officials and when the information goes out. Automated email notifications can be enabled so all users, both internal and external, know when the meeting documents are published.

CONVENIENT, ANYTIME AGENDA MODIFICATIONS

Changes to the agenda can be made at any time by administrators without affecting global configurations or settings. Drag-and-drop reordering allows you to move items and automatically renumber everything on the agenda. One-touch copy and move functions enable you to duplicate or move agenda items from meeting to meeting, eliminating the need for duplicate data entry.

CREATE AGENDA ITEMS IN SECONDS

An easy-to-use item entry allows staff members to enter agenda items, upload attachments, and send through the workflow with a few clicks. Configurable field types and our embedded text editor ensure that you are capturing all the information needed for Select to generate staff reports. Automated PDF file conversion and built-in integrations with Microsoft's OneDrive and Google Drive simplify the inclusion of supporting documentation and attachments.

AUTOMATE YOUR APPROVALS PROCESS

The workflow engine streamlines the routing of your agenda items, automates notifications, and gives full transparency to collaborators as it passes through the approval process. As contributors change items, the system tracks revisions, keeping them visible within the item fields and on the item timeline. In-app messaging and task assignments keep everyone in the loop and agenda prep moving forward.

CUSTOM TAGS TO GROUP LIKE AGENDA ITEMS

Administrators can set up tags that can be used by staff when creating their agenda items for improved searching and reporting. Associate like content with pre-defined tags relevant to your community.

Meeting Management

AUTOMATED MINUTES SETUP

A fully integrated minutes module will automatically migrate all your agenda content. No manual pre-meeting minutes setup or agenda import is required. Move from the meeting agenda to the minutes module with a single click.

KEEP UP WITH THE MEETING ACTION

Meetings move fast. Agenda and Meeting Management Select's cloud-based platform allows you to move quickly through your agenda items, recording official actions and discussion, without having to wait for the system to catch up. The clean, intuitive interface gives single-screen access to all your meeting controls.

SPEAKER MANAGER

Speakers can be added to the discussion at any time during the live meeting, while the built-in speaker timer helps keep meetings running efficiently.

EASY, INTUITIVE MINUTES-TAKING

While in your live meeting, use the Minutes module to capture critical meeting actions from a single screen with a clean and intuitive user interface. Take roll and manage attendance, record motions and votes, enter speaker information, and record comments or discussion to be brought into your minutes document.

If using CivicPlus Media's integrated video streaming and video-on-demand service, you can also create bookmarks for the accompanying video during the live meeting.

Board Portal

FLEXIBLE ACCESS

Your officials can choose how to access meeting content—helping them work better, faster. Efficiently deliver packets of any size by paper, email, Dropbox, OneDrive, Google Drive, or post to the Board Portal. It is optimized for all devices, including desktops, laptops, and tablets. No separate application required.

A PERSONAL MEETING REPOSITORY

Give officials a personal, secure location to review and take notes on all meeting content, including agendas, supporting documents, minutes, and media.

FIND WHAT YOU NEED- FASTER

Agenda and Meeting Management Select automatically indexes published meeting content with Board Portal search functionality, so it is easy for officials to find information quickly. Our full-text search tool empowers officials to locate past items, attachments, minutes, and agendas by searching a keyword, date range, and more. An item summary view allows officials to see the motions, votes, and any comment or discussion on the item that was recorded in the meeting minutes in an intuitive display, preventing a manual search through full minutes documents.

Public Resident Portal

CONTENT ACCESSIBILITY

It's not enough to be transparent by publishing your agendas and other meeting documents online. Your meeting content must be accessible to all members of the public.

Closed captioning is also available with our CivicPlus Media service for live streaming and on-demand video.

CONTENT TRANSPARENCY

Build public trust with access to fully searchable meeting content, including legislative decisions and public meeting videos. Meet municipal transparency requirements while keeping residents engaged and informed.

Public Resident Portal

- Resident portal to embed on any webpage gives access to all meeting content on a single page
- PDF downloads of Agenda, Packet, Minutes, Notices, and Other pertinent meeting documents
- HTML agenda view hyperlinks attachments within the meeting agenda for direct access to specific documents
- Full-text search and filtering options
- Email notifications
- Social sharing
- Side-by-side agenda and video display with CivicPlus Media live streaming and on-demand video service
- Optional Motions and Vote minutes display updates the HTML agenda view to allow residents to quickly see the final disposition of agenda items without having to read full minutes documents
- Mobile-responsive
- Custom branding
- Integrated live or on-demand video with bookmarks to easily jump to desired content
- Optional public commenting forum
- Easily jump to past, current, upcoming events with an embedded calendar and continuous scrolls

The Civic Experience Platform

Developed specifically to enable municipalities to deliver consistently positive interactions across every department and every service, the Civic Experience Platform includes technology innovations that deliver frictionless, one-stop, and personalized resident interactions. Local governments that leverage our Civic Experience Platform also benefit from:

- Single Sign-On (SSO) to all of your CivicPlus products supporting two-factor authentication and PCI Level password compatibility
- A single dashboard and toolbar for administrative access to your CivicPlus software stack
- Access to a continually growing and fully documented set of APIs to better connect your administration's processes and applications
- A centralized data store with robust data automation and integration capabilities

CIVICPLUS PORTAL

CivicPlus Portal empowers residents to be more engaged and informed about progress in your community. Portal streamlines the resident user experience as they interact with the CivicPlus products leveraged by you – driving revenue, trust, and satisfaction.

With a single username and password, they can watch a public meeting recording, submit a public works request, pay a utility bill, or register for an upcoming event. The result is more engaged and informed voters and fewer phone calls, walk-ins, or emails to your department asking how to find documents or submit records requests.

INTEGRATION HUB

Integration Hub is a tool that can help you unify your disparate cloud-based solutions and your CivicPlus solutions, assemble powerful workflows, and set up complex automations—without the need for a developer. With Integration Hub's easy-to-use drag-and-drop interface, non-technical users can build integrations for syncing content and data between CivicPlus solutions or with third parties (for an additional fee) saving your staff's valuable time. The possibilities are endless with Integration Hub, but here are a few examples of integrations you can create with Select today:

- Automatically add agenda or minute files to the Document Center to be displayed on a CivicPlus Municipal Websites Central (Web Central) after they are published in Select
- Set-up a workflow to post in the Web Central News Flash once you've published your Select meeting documents

Shorten your pre-meeting to-do list and send your meeting information instantly with a custom integration using the Integration Hub.

Integrated Code of Ordinances & Web

As the only local government software provider with an integrated codification, agenda and meeting management, and municipal website solution offering, our suite allows for digital transformation of the entire legislative process - from the start of the agenda process to the final online publishing of the newly adopted legislation.

If you are a customer of CivicPlus' codification services, the cutting-edge integration between your meetings & agenda management and code of ordinances reduces the manual steps associated between your agenda management and codification processes. As an example, you can send ordinances directly to CivicPlus for codification by our team of legal editors. When pushed from Agenda and Meeting Management Select, this uncoded legislation will be visible on the landing page of our Online Code Hosting platform nearly instantaneously. You can also take this to the next level by integrating our Municipal Website solutions with our Online Code Hosting solution, allowing for one-stop search capabilities. With this integration, the public can instantly access your code, meetings, packets, and agendas in one simple search straight from your municipal website.

EXAMPLES OF MEANINGFUL CIVIC EXPERIENCE INTEGRATIONS

The following are examples of integrations between the CivicPlus Agenda and Meeting Management Select with other CivicPlus solutions and tools. If you have yet to experience all that CivicPlus can provide, please reach out for additional information and a quote.

Municipal Websites Central (Web Central)	• Set-up a workflow to post in Web Central's News Flash once you've published your meeting documents. • Automatically add agenda or minute files to Web Central's Document Center to be displayed on your website after they are published in Select. • Meeting information and dates are automatically integrated to the Web Central's Calendar. • Meeting files are automatically included in the website's search results.
Codification	• Send adopted ordinances to the Codification Legal Team in one click. • Send ordinances straight to your online code portal as "Adopted and Not Yet Codified". • Instantly link your online code to the meeting content produced within Select.
CivicPlus Media	• Share high-definition, on-demand video or live video feeds of your meetings directly from Select and CivicPlus Media, seamlessly integrated with your meeting agendas and equipped with clear bookmarking and navigation.
Integration Hub	• Third-party integrations examples include integrations with Zoom, Webex, and GoToMeetings, and with Laserfiche, Google Drive, Dropbox, and other APIs.

Attachment E: Requirements Matrix

Attachment E
Attachment E REQUIREMENTS MATRIX
(Please download electronic file on PublicPurchase.com)

The Requirements Matrix ("Matrix") is categorized by various desired features. This Matrix will be used to determine the compatibility of proposer's software to the requirements of the Agenda Management System. In the Fourth column from the left, please enter the response to the requirement based on the possible responses below. An omitted response or deviation from the alpha responses provided below will be construed to be a "NO" – not supported and/or is not provided as part of the proposal. If you need to add any comments to further clarify your response, please do so in the column specified.

Response Code	Definition
Y (YES)	The proposed system can meet this requirement with no modifications or additional products necessary
C (CUSTOM)	This requirement can be met with customization to the proposed system (the cost of such customization must be included in the proposal)
N (NO)	The proposed system cannot meet this requirement

C-1 Agenda Management

No.	Description	Status	Response Code	Comments
FUNCTIONAL REQUIREMENTS				
FUN-001	Ability to customize meeting types internally without reaching out to support.	Required	Y	
FUN-002	Ability to customize agenda templates internally without reaching out to support.	Required	Y	
FUN-003	Ability to track and auto-populate resolution, ordinance, and item numbers in the system and have them start over each year (e.g. 24-001 or CC-24-001)	Optional	N	Select allows for the manual assignment of resolution and ordinance numbers, and they can restart each year.
FUN-004	Ability to create recurring meetings.	Optional	Y	Select will manage your entire calendar of meetings inside our events module. When new agendas are created, they are either linked to existing events, or a one-time event can be created.
FUN-005	Ability to limit access to what items users can view within their department queue.	Optional	Y	Select's user permissions can limit item access and access to documents based off a variety of criteria, so Select can meet this requirement. Item access can be restricted by current approver, departments, board, or committee, etc.
FUN-006	Ability to search and filter by meeting date, type, approved or pending items.	Required	Y	
FUN-007	Customizable search columns on agenda view.	Required	N	Though Select doesn't offer this exact functionality in agenda view, the Analytics Module offers robust search and reporting capabilities.
FUN-008	Ability to push an item to agenda and bypass the workflow.	Required	Y	
FUN-009	The system should have ability to manage job aids.	Optional	N	Job aid management is not available in Select. However, All Select customers have access to self-serve training resources via a comprehensive, online Help Center with articles and walk-through tutorials and imbedded in-application guides. The Help Center is updated as new features or enhancements are released.
FUN-010	Ability to delete agenda mid-creation.	Required	Y	
FUN-011	The system should include a cover sheet (preview page) to be able to preview the council communication/staff reports with hyperlinks to the attachments included in the item.	Required	N	Select's cover pages don't include hyperlinks to attachments. However, Select can offer a full build of the cover sheet that includes a list of attachments.
FUN-012	The system should include drop downs to pre-populate text in staff report sections.	Optional	Y	
FUN-013	Customizable staff report fields.	Required	Y	
FUN-014	Insertable signature snippets (images).	Required	Y	
FUN-015	The system should have agenda item number tracking.	Required	Y	
FUN-016	All attachments should have date and time stamp.	Required	Y	This information is available in Select's Item Timeline.

FUN-017	There should be a complete version history of attachments with titles, detailed description of the changes with the username of who made them, date, and time.	Required	N	Documents uploaded in Select must be downloaded to make changes. Documents attached via OneDrive and Google Drive integrations allow the user to insert in Select a link to the document in the shared file service folder. If a user wants to edit that file, they can simply click the link to the document in Select and edit via the shared file service. Both shared file services indicate on a file what users are active in the document. Revisions would have to be tracked outside of the system. However, within Select as changes are made to an item via the item fields (that feed into the staff report), revisions are tracked within the system. At any time, revisions can be reviewed by other approvers or the creator. Users with appropriate permissions can also revert a field to a prior version and lock the field to prevent further changes. Within the item timeline, users can see the full history of activity on the item and add comments using the in-application messaging feature.
FUN-018	Ability to create different users and user types in the system who can see administrative or city- wide views.	Required	Y	
FUN-019	The system should enable controlled access for designated users, such as Project Managers and Resource Managers, to assign and unassign workflows as necessary.	Required	Y	
FUN-020	Ability to make attachment documents public or private within an item.	Required	Y	
FUN-021	Ability to upload both PDF and word documents.	Required	Y	
FUN-022	Ability to download/convert the final minutes template to a word document.	Required	Y	
FUN-023	Ability to move the order of attachments with ease.	Required	Y	
FUN-024	Ability to see whose workflow an item is in on one column on the screen.	Required	Y	There are several ways within Select to see the status of agenda items. Item status can easily be seen via the progress tracker, which tracks the completion percentage of the approval process. This is viewable in the agenda outline and MyClerk dashboard views. Authorized users can click on the progress tracker to view more information on who has approved it, when and who remains to approve it. Additionally, a report can be viewed in Analytics showing this information.
FUN-025	Archive old items and meetings so that they don't live on your home screen.	Required	Y	
FUN-026	Ability to copy an item from one agenda to the other and "move" an item to another meeting.	Required	Y	
FUN-027	Ability to publish the agenda to the website and send to the public with one click.	Required	Y	
FUN-028	Ability to reject an item and select who you need it to go back to.	Required	N	In Select, when an item is denied, it is returned to the original creator.
FUN-029	Unlimited size for attachments.	Required	N	The file size limit for PDFs is 300 MB. For non-PDF attachments like Word, Excel, etc., the limit is 25 MB. However, Select allows for an unlimited number of attachments.
FUN-030	When you select a meeting date, that item you created automatically gets added to the agenda.	Required	Y	
FUN-031	Ability to access the webpage from anywhere (web based).	Required	Y	
FUN-032	When staff enters an agenda item on a specific meeting date, all information entered goes directly to that agenda without any extra steps to "push it".	Required	Y	
FUN-033	Ability to upload and save a redline strikethrough document in Word without it accepting changes.	Required	Y	
FUN-034	Ability to open a toggle screen for a large view when entering data into each of the fields.	Optional	Y	
FUN-035	Ability to sort items by "Needs action", "Show Submitted/Approved Items", etc.	Required	Y	This functionality is available in Select's Analytics Module.
FUN-036	Ability to have agenda headings only populate if there is something added to the agenda for that category.	Required	N	In Select, the heading would have to be manually removed.

FUN-037	Ability to integrate with Word for templates.	Optional	N	At this time, Select has no integration with Outlook or Word. However, Select is compatible with Microsoft Office as users can copy/paste from Office products and upload all Office file types as attachments. Additionally, no specific integration or version of Microsoft Office is required to use Select.
FUN-038	System automatically closes agenda in the program once the agenda submission date has passed.	Optional	Y	
VIDEO STREAMING REQUIREMENTS				
VID-001	Ability to stream and record full HD (1920 X 1080) video	Required	Y	CivicPlus Media supports HD video streaming (up to 1080p). The recording of the video would be a function of the City's chosen encoder.
VID-002	Ability to interface with Epiphan's Pearl 2 encoder for streaming using RTMP stream	Optional	Y	Any hardware or software encoder that is capable of generating an authenticated RTMP stream can be used with our CivicPlus Media video service.
VID-003	Provide an encoder if RTMP streaming is unavailable	Required	N	For our video streaming services, CivicPlus Media, we do not provide an encoder.
VID-004	Ability to connect to streaming interface remotely.	Required	Y	
VID-005	Ability to connect video to agenda once the meeting is completed	Required	Y	
VID-006	Ability to upload or replace completed video without contacting support	Required	Y	
VID-007	Ability to create captions for video: English and Spanish.	Optional	Y	
VID-008	Ability to calculate the number of views for videos	Optional	Y	
VID-009	Searchable meeting videos achieve.	Required	Y	
VID-010	Visual video stream verification when livestream is active	Optional	Y	
VID-011	Ability to create video chapter makers for agenda items	Required	Y	These are called, "Timestamps" in CivicPlus Media.
VID-012	Ability to view completed meeting videos to check for quality	Required	Y	
INTEGRATION & COMPATABILITY REQUIREMENTS				
INT-001	The system should have the ability to integrate with other systems. (Please provide integration matrix)	Optional	Y	Automated PDF file conversion and built-in integrations with Microsoft's OneDrive and Google Drive simplify the inclusion of supporting documentation and attachments. Efficiently deliver packets of any size by Dropbox, OneDrive or Google Drive. Select has a direct integration with Laserfiche that allows customers to automatically send documents (agenda, packet, and/or minutes) into Laserfiche when they are published to Select's public portal. These documents would be sent over in PDF format and would stay OCR'd after delivery. This integration requires customers to use Laserfiche's cloud hosting. The integration does not work with the on-prem hosting version of Laserfiche. The Municode-NEXT integration allows users to push legislation from their Select solution items directly into their Municode code library. Once activated and configured, the Send to Code functionality becomes available on the Item Files page for items on configured Meeting Types. While the integration does prepopulate some fields in the Send to Code pop-up with item data, to increase efficiency, the user has the ability to modify the data before sending the request. Quote can be provided upon request. CivicPlus Media has a direct integration with Zoom and YouTube.
INT-002	Outlook integration	Optional	N	Select currently does not offer a direct integration to Microsoft Outlook. For calendar events, the Select API can be used to pass information like calendar events from Select to Outlook.
INT-003	Microsoft 365 integrations	Required	N	Users may upload attachments via OneDrive for easy collaboration. At this time, Select does not have an integration with Office 365.

REPORTING REQUIREMENTS				
RPT-001	Ability to generate a report for a specified date range or meeting.	Required	Y	
RPT-002	Ability to generate a report of all users filtered by department.	Required	Y	
RPT-003	Ability to generate a report that calculates the number of items a department has produced.	Required	Y	
RPT-004	Ability to generate a report that calculates the number of meetings a meeting type has held.	Required	Y	
RPT-005	Ability to generate a report that shows all items on a meeting date.	Required	Y	
SECURITY & COMPLIANCE REQUIREMENTS				
SEC-001	For City staff logons solution integrates with City SSO solution, PingID, for user accounts using SAML 2.0 standard	Required	N	Select does not support PingID. However, the City may utilize an external custom Identity Provider (IdP). CivicPlus offers custom integrations with the following identity providers (IdP) for authentication: • Microsoft's Entra ID • Microsoft's Active Directory Federated Services (ADFS) version 4.0 and 5.0 • Okta
SEC-001.1	For local accounts the City is able to control and adjust password policies not limited to expiration, password complexity and account lockouts	Optional	N	The CivicPlus Platform will lock out a user if they reach five (5) failed login attempts. Once the account locks, it will remain locked for 30 minutes. The user may wait 30 minutes to try again, or reset the password for faster access. The user can use the Forgot a Password feature to reset the password.
SEC-001.2	For logons non-integrated with SSO, system will allow staff to reset passwords and password is not viewable - self-service is preferred. MFA required with local accounts.	Optional	N	The CivicPlus Platform supports two factor authentication with a secondary email address. Staff will not be able to reset passwords on behalf of users. The password reset process is self-service.
SEC-002	All system data will be stored on servers located solely within the continental United States	Required	Y	
SEC-003	All system data will be segregated from other customers.	Required	Y	Every Select customer's data is stored securely independently from each other in Microsoft Azure. Each customer's data is encrypted with a unique key, and it is encrypted in transit and at rest. Role Based Access Control (RBAC) policies prevent unauthorized users from modifying or deleting data. Soft delete is enabled to prevent the malicious removal of data, systems are regularly patched, and at least annual penetration testing of the application is done to help identify and remediate vulnerabilities.
SEC-004	The vendor shall provide a third-party audit report(s) (ie. SOC type II/III) as evidence that all facilities used to store and process city and end user data will implement and maintain administrative, physical, technical and procedural safeguards and best practices at a level sufficient to secure such data from unauthorized access, destruction, use, modification or disclosure	Required	N	We do not have SOC2 Type II on the Select; however, it is hosted in Azure. Microsoft Azure has achieved SOC 1 Type 2, SOC 2 Type 2, and SOC 3 reports. The availability of SOC 1 and SOC 2 reports is restricted to customers who have signed nondisclosure agreements with Microsoft. Where the customer would need to sign an NDA with Microsoft, the process can be found here { https://learn.microsoft.com/en-us/azure/compliance/offerings/offering-soc-2 }
SEC-005	All data will be encrypted in transmission (including via web interface) at a level equivalent to or stronger than 128-bit level encryption	Required	Y	Select uses SSL 256-bit encryption. Data is encrypted both at rest and in transmission.
SEC-006	All data that meets Federal criteria for Personally Identifiable Information (PII), PCI, or HIPAA will be encrypted in storage (database/data files) at a level equivalent to or stronger than 128-bit level encryption	Required	N	Select does not protect PII and is not HIPAA-compliant. Please do not collect or enter this type of information in Select.
SEC-007	Vendor has network firewalls and security in place to protect hosted customers from internet threats	Required	Y	Our Azure SQL Server has security and firewall rules in place to prevent unauthorized access to customer data.
SEC-008	Vendor will notify the City of Cyber breach that affects the Vendor's product or City's data	Required	Y	CivicPlus has not been part of a known breach.

SEC-009	Vendor provides redundancy for all systems and data.	Optional	Y	Azure, Microsoft's cloud computing platform, prioritizes redundancy and resiliency in its Internet service provider (ISP) and carrier relationships as well as its connections to and from the Azure network. Azure employs a multi-pronged approach, featuring diverse ISP partnerships and multiple carrier connections to ensure uninterrupted service. By strategically distributing its data centers across regions and availability zones, Azure mitigates potential single points of failure. Moreover, Azure's global network is designed to automatically reroute traffic in the event of a network disruption, offering a highly redundant infrastructure that enhances service reliability and minimizes downtime for its customers. This redundancy is a critical element in Azure's commitment to providing a dependable and robust cloud computing environment. https://azure.microsoft.com/en-us/explore/global-infrastructure .
TECHNICAL REQUIREMENTS				
TEC-001	Vendor will retain data in an end user's account, including attachments, until the end user deletes them or for the time period mutually agreed upon by the parties to the agreement	Required	Y	
TEC-002	Vendor will regularly and reliably back up cloud hosted data at least daily and retain immutable copies of such backups for a mutually agreed- upon time period.	Required	Y	Customer files are replicated to a secondary Azure region. The Select server is backed up daily and backups are saved for 30 days. The Recovery Point Objective, the maximum amount of data loss after an incident has occurred, can be up to 24 hours because back ups are only taken once a day. Therefore, if the failure occurs 1 hour before the next backup is taken, there would be 23 hours of loss.
TEC-003	Vendor has geographically diverse hosting facilities that provide redundancy for the system	Required	Y	
TEC-004	Vendor has a disaster recovery plan and tests it on a regular basis.	Required	Y	Select uses Azure Site Recovery (ASR) as our DRaaS (Disaster Recovery as a Service). In the event of an outage, we failover to a secondary Azure Region.
USER EXPERIENCE REQUIREMENTS				
UEX-001	The system should offer unlimited users.	Required	Y	
UEX-002	Create and modify workflows using a graphical user interface, preferably without requiring third- party software	Required	Y	
UEX-003	The system should offer ability to search and locate documents.	Required	Y	
WORKFLOW REQUIREMENTS				
WKF-001	The system should be able to identify who's currently responsible for the next action with notification for users and/or team(s).	Required	Y	
WKF-002	The system should offer the ability to design custom workflows (e.g. design workflow for approvals).	Required	Y	
WKF-004	The system should have the ability to prepare task workflows.	Optional	N	At this time, staff may assign tasks in Select but there no workflows associated with them.
WKF-005	The system should have the ability to streamline and automate the manual project agenda initiation and approval workflow process	Required	Y	
WKF-006	Ability to assign change management items to multiple resources for review and approval. For example, when an item is moved to another department for review.	Required	Y	
WKF-007	Ability to delegate task to another user for review.	Required	Y	
WKF-008	Ability to have unlimited workflows setup during implementation by vendor.	Required	N	During implementation, 10 workflows will be set up in the City's instance of Select. Staff will be trained on how to create additional workflows. The implementation team may set up additional workflows will an additional fee.
WKF-009	Hierarchy of users with various workflow types. Example: Creator, Reviewer, and Approver	Required	Y	
WKF-010	Ability for users to edit item up until a certain step in the approval process.	Required	Y	
WKF-011	Customizable dashboards for workflow and categories based on users.	Optional	Y	
WKF-012	Notification emails to staff when they need to review and approve an item.	Required	Y	

Tab G: Vendor and Technology Requirements

City's Role & Responsibilities

Standard users will need basic knowledge of using an internet browser to navigate a website. Administrators can function with basic knowledge of using an internet browser, but will need moderate to advanced knowledge of Roseville's agenda process. We estimate the total project to take 20-30 hours of effort from the City's team over the duration of your implementation.

CITY'S RESPONSIBILITIES PER PHASE

PHASE 1: INITIATE	• Complete Implementation Questionnaire • Provide Word Versions of Agendas, Item Reports, & Minutes • Attend Kickoff & Consulting Session • Review & Approve Project Timeline & Key Dates
PHASE 2: ANALYZE	• Provide List of Your Users & Board/Council Members • Provide Feedback on Any Needed Changes
PHASE 3: OPTIMIZE	• Attend Template Review Meeting • Provide Any Additional Feedback & Changes • Provide Completed Import Template • Approve Templates & Site Configuration
PHASE 4: EDUCATE	• Attend Admin Training (complete practice items) • Attend User Training (complete practice items)
PHASE 5: LAUNCH	• Publish Your New Solution! • Confirm Confidence of Live Product • Complete Post-Launch Satisfaction Survey

Software Updates

Select works in three-week development sprints to roll out updates and enhancements every two weeks. As Select is cloud-based there is no need to manually install the updates and there is no downtime. In the case where an enhancement will have a major business impact, you will be notified in advance and invited to attend a webinar or will receive specific training information. For features and enhancements that have a minor business impact, an in-app notification will highlight the new feature and provide links to help center documentation.

Browser Requirements

There are no hardware or software requirements for Select. Supported browsers on a PC are the latest versions of Edge, Firefox and Chrome. Supported browsers on a Mac are the latest versions of Safari, Firefox, and Chrome.

Tab H: Training and Support

Training

Our training team provides multiple training sessions along with testing access to ensure your team is positioned for a seamless transition to an electronic agenda management process.

Basic Administrative Training: The initial training available to system administrators provides a high-level walkthrough of the agenda process and available tools. This session provides system administrators with the baseline knowledge needed to manage agendas.

Advanced Administrative Training: The follow-up administrative training builds on the basic training session. We provide in-depth explanations on system capabilities and discussion of other available functions.

Standard User/Approver Training: The user training session will prepare your staff for using the electronic management tools, which includes item management and approval workflows.

Video Tutorials: The video repository includes tutorials covering several commonly asked questions and basic functions within the system. All users can access video content directly through the module.

We find that hands-on experience with the system, prior to your go-live date, is the best way to ensure that administrators and users are comfortable with the electronic management process. Your staff will be given the opportunity to access the system and manage a mock-agenda.

Support is available throughout all implementation phases and after your go-live date.

CivicPlus Help Center

CivicPlus maintains an online Help Center that customers can search, browse, or print from as they wish. Our Help Center is continually monitored and updated by our dedicated team of support specialists to ensure we are providing the information and resources you need to optimize your solution.

With CivicPlus Help Center, you can:

- Access online training manuals and videos to learn the tips, tricks, and processes to become the expert at using your solution
- Attend webinar series for refresher trainings or for sneak peeks at the newest features and functionality in development
- Share ideas and contribute to bettering our community through opinion polls, surveys, and group discussions
- Stay up to date on the latest trends in web technology, design, and government processes through blogs, webinars, and informational updates tailored to local government professionals
- Access our always-available online support center for our customers that is easy to navigate with predictive search
- Sign up to be a part of the CivicPlus beta testers to get your hands on the newest features and functionality first

Continuing Services

Technical Support & Services

With technology, unlimited support is crucial. Our live technical support engineers based in North America are ready to answer your staff members' questions and ensure their confidence.

AWARD-WINNING

Over the past six years, CivicPlus Technical Support has been recognized by the globally respected Stevie® Awards for Sales and Customer Service. CivicPlus has been honored with three Gold Stevie® Awards, six Silver Stevie®

Awards, and eight Bronze Stevie® Awards in the categories of Front-Line Customer Service Team of the Year – Technology Industries, Customer Service Training or Coaching Program of the Year – Technology Industries, Customer Service Department of the Year – Computer Software – Up to 1,000 Employees and 100 or More Employees, Most Valuable Response by a Customer Service Team (COVID-19), Best Customer Satisfaction Strategy, Remote Customer Service Innovation of the Year, and Achievement in Customer Experience. The Stevie Awards are the world's top honors for customer service, contact center, business development, and sales professionals.

CIVICPLUS HELP CENTER

CivicPlus customers have 24/7 access to our online Help Center where users can review articles, user guides, FAQs, and can get tips on best practices. Our Help Center is continually monitored and updated by our dedicated Knowledge Management Team to ensure we are providing the information and resources you need to optimize your solution. In addition, the Help Center provides our release notes to keep your staff informed of upcoming enhancements and maintenance.

CONTINUING PARTNERSHIP

We won't disappear after your solution is launched. You'll be assigned a dedicated customer success manager who will partner with you by providing information on best practices and how to utilize the tools of your new system to most effectively engage your residents.

Support at a Glance

- Technical support engineers available 8 a.m. – 6 p.m. (CST) Monday – Friday (excluding holidays)
- Accessible via phone and email
- 4-hour response during normal hours
- 24/7 emergency technical support for named points of contact
- Dedicated customer success manager
- Online self-service help with the CivicPlus Help Center (civicplus.help)

Maintenance

- Regular review of site logs, error messages, servers, router activity, and the internet in general
- Full backups performed daily
- Regularly scheduled upgrades including fixes and other enhancements
- Operating system patches
- Testing and development

Hosting & Security

Redundant power sources and internet access ensure consistent and stable connections. We invest over \$1M annually to ensure we adapt to the ever-changing security landscape while providing maximum availability. CivicPlus' extensive, industry-leading process and procedures for protecting and hosting your site are unparalleled.

CLOUD-HOSTING WITH AZURE

The infrastructure is fully hosted within the Azure Cloud environment using their Infrastructure as a Service (IaaS) model. Using a mix of Azure Virtual Machines and Storage Accounts, all processing and data storage is done within this environment. All users need is a web browser to access and utilize the application. Your system is monitored 24/7/365 with a 99.9% guaranteed up-time (excluding maintenance). Additional details regarding our hosting and security services can be provided upon request.

DISASTER RECOVERY

Agenda and Meeting Management Select utilizes Azure's Site Recovery Services and Geographically Redundant Storage Accounts (GRS) to provide disaster recovery between Azure regions. All data is written to a GRS account, which creates copies of that data in data centers across multiple Azure regions, so access to the data is always available. Site Recovery Services allows us to quickly spin up and failover to clones of our Azure Virtual Machines.

System Uptime/Availability

Select will use commercially reasonable efforts to make the Select product available with a monthly uptime percentage of at least 99.9%.

Required Maintenance Windows

Our maintenance window is overnight on Sunday evenings. Any additional scheduled maintenance downtime is posted to the CivicPlus Status website and will also be communicated to you with as much advance warning as possible.

Geographical Location of Support Team

Support Engineers are all located in the Domestic United States and support hours are from 8:00 am to 6:00 pm Central with 24/7/365 emergency support. Any reported concerns are addressed in a priority order established by CivicPlus' technical teams based on severity and impact.

Support Organizational Structure

Select Implementation Consultants work directly with a product dedicated development and hosting/security team.

Escalation Process

Select has two methods of self-serve technical support available to all users - a comprehensive, online Help Center with articles and walk-through tutorials and imbedded in-application guides. Additionally, users can contact Select technical support via phone, email, and live chat. The Select support team is available from 8 a.m. to 6 p.m. CST with emergency support available 24/7/365. Expected email ticket first response times for business hours are within 4-hours. Reported concerns are addressed in a priority order established by CivicPlus' technical teams based on severity and impact. Any ongoing tickets are available online to track the status.

Select Technical Support operates on a two-tiered support system. In the event an inquiry or support ticket needs to be escalated to another CivicPlus team, the Technical Support Team will update your Support Ticket and communicate our findings directly to you.

Regular Support Hours

Support hours are from 8 a.m. to 6 p.m. Central with 24/7/365 emergency support.

Service Level Agreement

Details on CivicPlus' service level commitments are found in our Master Services Agreement. The pertinent paragraphs outlining these commitments are as follows:

27. CivicPlus will use commercially reasonable efforts to perform the Services in a manner consistent with applicable industry standards, including maintaining Services availability 24 hours a day, 7 days a week with 99.9% uptime. Customer will have 24/7 access to the online CivicPlus Help Center to review use articles and software best practices, receive maintenance release notes, as well as submit and monitor omni-channel support tickets, and access solution-specific support contact methods.

28. CivicPlus provides live support engineers based in the domestic United States to respond to basic questions concerning use and configuration, to diagnose software code-related errors, and proactively identify potential systems issues. CivicPlus support engineers serve a preliminary function in the agile development process and escalate defects to software developers or architects for remediation. For security purposes, CivicPlus support engineers are not permitted to modify user accounts, and permissions nor distribute access outside of accounts established by means of a support interaction for testing. Customer delegated Users may receive tutorials and guidance on account modifications but will perform the action themselves.

29. CivicPlus support hours span between the hours of 7 am to 7 pm CST but may vary by product. Customer may access the CivicPlus Help Center (civicplus.help) to obtain each product's support hours. After hours support is available by toll-free phone call only. Non-emergency support requested outside of support hours will be subject to additional fees, such fees will be quoted to Customer at the time of the request and will be subject to Customer

acceptance and invoiced the next business day following the non-emergency support. CivicPlus shall have the sole discretion to determine in good faith whether support requests qualify as an emergency, exceed reasonable use or are outside the scope of services outlined in any SOW.

30. If a reported problem cannot be solved during the first support interaction, Customer will be provided a ticket number that will be used as communication method throughout ticket escalation until a solution is provided. Support service does not include support for errors caused by third-party products or applications for which CivicPlus is not responsible.

Tab I: Cost Proposal

Cost of Services

CivicPlus can appreciate the monetary constraints facing our governments each day. To help ease these concerns and assist with budgeting and planning, our proposed project and pricing are valid for 90 days from August 21, 2024.

Features & Functionality

- Unlimited Users
- Unlimited Storage
- Agenda Management
 - Unlimited Boards
 - Unlimited Templates
 - System-Generated Staff Reports
- Minutes Management
 - Record Minutes Including Motions, Votes, Speakers, and Discussion
- Analytics Module Access
 - Create and Save Custom Individual Views and Organizational Views
 - Export Views as .XLS and .CSV Files
- Google Drive, OneDrive, and Dropbox Integrations
- Board Portal
- Public Resident Portal
- CivicPlus Media with Unlimited Storage
 - Up to 3 Concurrent Streams
- Custom IdP Integration

Premium Implementation

- Typical Project Timeline – 20 to 24 Weeks
- Creation of up to 7 Boards
- Creation of Custom - Developed Templates (2 Agenda Templates, 1 Item Report Template, 1 Minutes Template, 1 Agenda Script Template)
- Up to 2 Hours Virtual Consulting
- Up to 4 Hours Virtual Training

Annual Recurring Services

- Hosting & Security
- Software Maintenance Including Service Patches & System Enhancements
- 24/7 Technical Support
- Dedicated Customer Success Manager

Roseville’s Investment	
Total Investment - Initial Term (includes one-time fees and Initial Term annual services)	\$25,698.00
Annual Recurring Services (subject to uplift)	\$19,233.00

CivicPlus Project Pricing & Invoicing

CivicPlus has endeavored to meet Roseville's needs and expectations for your new CivicPlus Agenda and Meeting Management Select solution based on the information provided. The investment proposal included is subject to change should additional functionality, custom development, or project enhancements, outside of the included scope, be added before contract signing.

CivicPlus prices on a per-project, all-inclusive basis. This type of pricing structure eliminates surprise costs, the uncertainty of paying by the hour, and is overall more cost-effective for our customers. It provides you with a price based on the products and features listed in this proposal that only varies if additional functionality of work, outside of the original project scope, is requested. We understand local governments must look beyond just functionality and that multiple factors come into play when determining which vendor can meet not only your functional needs but also your budgetary requirements.

CIVICPLUS OFFERS:

Standard Invoicing

- 100% of Initial Term invoiced upon signature date
- First-year Annual Services is included with your total Initial Term cost
- Subsequent annual invoicing occurs on the anniversary of the contract signing date, and is subject to a 5% technology fee uplift each year starting in year 2 of your contract

Customized Billing/Invoicing

- Other billing options can be discussed before contract signing and, if feasible, a plan developed that works for all parties
- Not available with all CivicPlus products—please contact your customer success manager for more details

We will work with you before contract signing to determine which of our billing processes will meet both your needs for budget planning and our accounting processes.

Tab J: Required Statements/ Documents

Designated Members of the Team

CivicPlus' proven development process of not assigning your team until contract signing ensures our customers have an available and dedicated team throughout their project.

Conflict of Interest

CivicPlus has no conflicts or perceived conflicts of interest with Roseville.

CivicPlus performs fully comprehensive engagement with each customer. There are several points of contact in many different departments during the contracting and implementation phases. If one point of contact determines a conflict of interest exists, they would escalate to the proper individuals in the company to shed light on the conflict of interest.

Indemnification and Insurance Requirements

CivicPlus has included their exceptions to both documents on pages 62-65.

Proprietary Information

CivicPlus takes all reasonable measures to protect its customer contact information, references, partners, and employee resume information ("Confidential Information"). CivicPlus is in a highly competitive market and the Confidential Information, which is not generally known, can be used by third party competitors to disadvantage CivicPlus through poaching, misappropriating, or disparaging. CivicPlus has marked pages in this Proposal containing Confidential Information as "Confidential", in the event Roseville receives an open records request for this Proposal, CivicPlus reserves the right to redact its Confidential Information.

Proof of Registration with California Secretary of State

Home

Search

Forms

Help

Business

UCC

Business Search

The California Business Search provides access to available information for **corporations, limited liability companies and limited partnerships** of record with the California Secretary of State, with **free PDF copies** of over 17 million imaged business entity documents, including the most recent imaged Statements of Information filed for Corporations and Limited Liability Companies.

Currently, information for Limited Liability Partnerships (e.g. law firms, architecture firms, engineering firms, public accountancy firms, and land survey firms), General Partnerships, and other entity types are **not contained** in the California Business Search. If you wish to obtain information about LLPs and GPs, submit a Business Entities Order paper form to request copies of filings for these entity types. *Note: This search is not intended to serve as a name reservation search. To reserve an entity name, select Forms on the left panel and select Entity Name Reservation / Corporation, LLC, LP.*

Basic Search

- A Basic search can be performed using an entity name or entity number. When conducting a search by an entity number, where applicable, **remove "C"** from the entity number. **Note, a basic search will search only ACTIVE entities** (Corporations, Limited Liability Companies, Limited Partnerships, Cooperatives, Name Reservations, Foreign Name Reservations, Unincorporated Common Interest Developments, and Out of State Associations). The basic search performs a contains?keyword? search. The Advanced search allows for a ?starts with? filter. To search entities that have a status other than active or to refine search criteria, use the **Advanced** search feature.

Advanced Search

- An Advanced search is required when searching for publicly traded disclosure information or a status other than active.
- An Advanced search allows for searching by specific entity types (e.g., Nonprofit Mutual Benefit Corporation) or by entity groups (e.g., All Corporations) as well as searching by ?begins with? specific search criteria.

Disclaimer: Search results are limited to the 500 entities closest matching the entered search criteria. If your desired search result is not found within the 500 entities provided, please refine the search criteria using the Advanced search function for additional results/entities. The California Business Search is updated as documents are approved. The data provided is not a complete or certified record.

Although every attempt has been made to ensure that the information contained in the database is accurate, the Secretary of State's office is not responsible for any loss, consequence, or damage resulting directly or indirectly from reliance on the accuracy, reliability, or timeliness of the information that is provided. All such information is provided "as is." To order certified copies or certificates of status, (1) locate an entity using the search; (2) select Request Certificate in the right-hand detail drawer; and (3) complete your request online.

Proposer's Certification

Attachment A

PROPOSER'S CERTIFICATION

I hereby propose to furnish the goods or services specified in the Request for Proposals ("RFP"). I agree that my proposal will remain firm for a period of up to ninety (90) days in order to allow the City of Roseville ("City") adequate time to evaluate the qualifications submitted.

I have carefully examined the Request for Proposals and any other documents accompanying or made a part of this RFP. The information contained in this proposal is true and correct to the best of my knowledge and is signed under penalty of perjury under the laws of the State of California. I further certify that I am duly authorized to submit this proposal on behalf of the firm as its authorized agent and that the firm is ready, willing and able to perform if awarded the contract.

I further certify that this proposal is made without prior understanding, agreement, connection, discussion, or conspiracy with any other person, firm or corporation submitting a proposal for the same product or service; that this proposal is fair and made without outside control, collusion, fraud or illegal action; that no officer, employee or agent of the City or any other proposer is financially interested in said proposal; that no undue influence or pressure was used against or in concert with any officer, employee or agent of the City in connection with the award or terms of the contract that will be executed as a result of this RFP; and that the undersigned executed this Proposer's Certification with full knowledge and understanding of the matters therein contained and was duly authorized to do so.

Levine Act Disclosure Statement

Attachment B

LEVINE ACT DISCLOSURE STATEMENT

(The completed form submitted to the City of Roseville is a public record.)

California Government Code Section 84308, commonly referred to as the "Levine Act," prohibits any "Officer" (elected or appointed officer, any alternate thereto, and any candidate for elective office) from participating in any consideration or action related to a proceeding if they receive political contribution(s) from a party, or its agent(s), totaling more than \$250 within the previous twelve (12) months, while a proceeding is pending, and for twelve (12) months following the date of a final decision in a proceeding concerning a license, permit, other entitlement for use, franchise, or contract (collectively "license, permit, or contract"). For additional information: https://www.roseville.ca.us/government/departments/city_clerk/transparency/levine_act.

City Officers are listed at the following sites:

- The Members of City Council - https://www.roseville.ca.us/government/city_council/meet_council
- Boards & Commission Members - https://www.roseville.ca.us/government/boards_commissions

Parties and their Agents are responsible for reviewing and disclosing their applicable contributions to City Officers on the record of a proceeding.

1. Have you or your entity, or any agent on behalf of you or your entity, made any political contribution(s) totaling more than \$250 to any City Officer in the twelve (12) months preceding the date of the submission of your license, permit, or contract, or the anticipated date of any City Council, Board, or Commission consideration or action related to this license, permit, or contract?

YES _____ NO X _____

If yes, please identify the City Officer(s): _____

2. Do you or your entity, or any agent on behalf of you or your entity, anticipate or plan to make any political contribution(s) totaling more than \$250 to any City Officer in the twelve (12) months following any City Council, Board, or Commission consideration or action related to this license, permit, or contract?

YES _____ NO X _____

If yes, please identify the City Officer(s): _____

Answering yes to either of the two questions above does not preclude the City of Roseville from considering and/or taking action on a license, permit, or contract. It does, however, potentially preclude the identified City Officers from participating in consideration of and in taking any actions related to the license, permit, or contract. Please accurately complete and sign this form, under the penalty of perjury:

<u>7/30/2024</u>	<u>Amy Vikander, Senior VP of Customer Success</u>	<u>CivicPlus, LLC</u>
(Date)	(Printed Name/Title of Authorized Representative)	(Name of business/legal entity)

(Signature)

You must submit a supplemental form if you make any new reportable contribution(s) while the contract, license, permit, or other entitlement is being considered. If this form has not previously been submitted in connection with a contracting, licensing, entitlement or permitting process, please provide the completed form to the Office of the City Clerk for appropriate departmental routing, at: City Clerk, 311 Vernon St., Roseville, CA 95678, CityClerkRoseville@roseville.ca.us

Non-Collusion Declaration

Attachment C

NONCOLLUSION DECLARATION TO BE EXECUTED BY BIDDER AND SUBMITTED WITH BID

The undersigned declares:

I am the Senior VP of Customer Success of CivicPlus, LLC, the party making the foregoing bid.

The bid is not made in the interest of, or on behalf of, any undisclosed person, partnership, company, association, organization, or corporation. The bid is genuine and not collusive or sham. The bidder has not directly or indirectly induced or solicited any other bidder to put in a false or sham bid. The bidder has not directly or indirectly colluded, conspired, connived, or agreed with any bidder or anyone else to put in a sham bid, or to refrain from bidding. The bidder has not in any manner, directly or indirectly, sought by agreement, communication, or conference with anyone to fix the bid price of the bidder or any other bidder, or to fix any overhead, profit, or cost element of the bid price, or of that of any other bidder. All statements contained in the bid are true. The bidder has not, directly or indirectly, submitted his or her bid price or any breakdown thereof, or the contents thereof, or divulged information or data relative thereto, to any corporation, partnership, company, association, organization, bid depository, or to any member or agent thereof, to effectuate a collusive or sham bid, and has not paid, and will not pay, any person or entity for such purpose.

Any person executing this declaration on behalf of a bidder that is a corporation, partnership, joint venture, limited liability company, limited liability partnership, or any other entity, hereby represents that he or she has full power to execute, and does execute, this declaration on behalf of the bidder.

I declare under penalty of perjury under the laws of the State of California that the foregoing is true and correct and that this declaration is executed on 8/19/2024 [date], at Manhattan [city], Kansas [state].

(Signature of Declarant)

Tab K: Exceptions

Proposal as Non-Binding Document

A successful project begins with a contract that meets the needs of both parties. This proposal (including all supporting, technical, or specification documents required for submittal with the current RFP) is intended as a non-binding document, and the contents hereof may be superseded by an agreement for services. Its purpose is to provide information on a proposed project we believe will meet your needs based on the information available. If awarded the project, CivicPlus reserves the right to negotiate the contractual terms, obligations, covenants, and insurance requirements as provided in the RFP before a final agreement is reached. Subject to the terms of the final controlling agreement, CivicPlus requires its standard Master Services and Solutions and Service Terms to be incorporated and linked in the final agreement. For reference, the CivicPlus standard Master Services and Solutions and Service Terms can be found online at civicplus.help/hc/en-us/sections/10985404533271. We look forward to developing a mutually beneficial contract with Roseville.

Included below are our exceptions to the General terms and Sample Contract included with the RFP. Consider these as our reservations thereto and a starting point for negotiations of a final agreement with Roseville.

GENERAL TERMS & CONDITIONS

10.2 Non-Appropriation. ~~The City may terminate any resulting contract at the end of any fiscal year, June 30th, without further liability other than payment of debt incurred during such fiscal year, should funds not be appropriated by its governing body to continue services for which the contract was intended.~~ Notwithstanding the foregoing, in the event of termination due to non-funding, Customer is still responsible for any invoices covering the initial Project Development fees and all such amounts owed shall become due immediately.

~~10.6 Indemnification & Insurance Requirements~~

Strike entire paragraph.

10.27 No Assignment or Modifications. This awarded contract is to be binding on the successors and assigns of the parties hereto. The services called for herein are deemed unique and except as provided herein Consultant shall not assign, transfer, subcontract, or otherwise substitute its interest in the agreement or any of its obligations herein without the written consent of the City. The Agreement may be modified only by a written amendment signed by the parties. Notwithstanding the foregoing, CivicPlus may assign and transfer all of its rights and obligations under this Agreement by a sale of a majority of its assets or merger.

Contract Purchase Agreement: Terms and Conditions

1. Strike entire paragraph.

3. Insert at the end: Notwithstanding the foregoing, CivicPlus may assign and transfer all of its rights and obligations under this Agreement by a sale of a majority of its assets or merger.

4. Insert at the end: Notwithstanding the foregoing, CivicPlus will not be liable or responsible for any delay in the time or completion of the Services due to the action or inaction of Customer.

5. At any time during the term of this Agreement, ~~the City~~ either Party has the right to terminate this Agreement,

provided ~~Consultant either Party~~ is given ~~thirty (30)~~ **sixty (60)** days written notice. ~~City's termination shall be without further liability to City; however, Consultant shall be entitled to all costs reasonably incurred prior to the date of termination.~~ Consultant acknowledges that City may terminate this Agreement should funds not be appropriated by its governing body to continue services under this Agreement. **Notwithstanding the foregoing, in the event of termination due to non-funding, Customer is still responsible for any invoices covering the initial Project Development fees and all such amounts owed shall become due immediately.**

7. Strike entire sentence.

10. c. Additional Insureds. Consultant shall also provide a separate endorsement or section of the policy showing City, its officers, agents, employees, and volunteers as additional insureds for each type of coverage, except for Workers' Compensation ~~and Professional Liability.~~

...

12. Strike entire sentence.

19. Strike entire paragraph.

20. Strike entire sentence.

21. Strike entire paragraph.

22. Consultant shall report to City any data compromised or unauthorized access to Confidential Information within ~~twenty-four (24)~~ **seventy-two (72) business** hours after the Consultant discovers such data compromise or unauthorized access. Consultant will take commercially reasonable measure to address any such data compromise or unauthorized access in a timely manner. Except as otherwise required by law, Consultant will not provide notice to end users or other entities of any such data compromise or unauthorized access without written permission from City. ~~Consultant will promptly reimburse City in full for all fees and costs incurred by City in any investigation, remediation or litigation resulting from any such data compromise or unauthorized access, including identity protection and restoration services for each person, who in the City's sole discretion, could be impacted by identity theft.~~

25. Strike entire paragraph.

26. Strike entire paragraph.

28. Consultant certifies that Consultant, its employees, directors, officers, agents, ~~subcontractors, vendors, and volunteers~~ are not presently debarred, excluded, suspended, declared ineligible, voluntarily excluded, or proposed for debarment, exclusion, suspension, or ineligibility by any federal, state, or local department or agency.

31. Strike entire paragraph.

☐ Limited Liability Company

☐ Partnership

☐ Sole Proprietor

~~City reserves the right to withhold any payments to Consultant in the event of noncompliance with Insurance requirements or if required by law.~~

Tab L: Competency of Proposers

Litigation with Wrongful Termination

The only litigation that CivicPlus has been involved in within the past seven years was litigation over a wrongful termination claim. The EEOC ruled in CivicPlus' favor, then the Plaintiff filed in district court, which was then settled outside of court. We have not had any litigation with a customer, current or previous, since then.

Terminating Contract

CivicPlus currently has more than 10,000 customers with active contracts. We have not had a contract terminated for non-performance nor legal action with any customer in the last five years.

Because we mainly work with the public sector, there have been multiple occasions where contracts have required termination for convenience by our customers in the last five years. Reasons have included changes in budget, department organization, and priorities.

ABOUT > Security

CivicPlus® Statement on IT Security

CivicPlus is committed to the highest level of ongoing digital security and cybercrime protections. We continually monitor our customers' digital properties and annually invest in our cybersecurity infrastructure, staff training, and software protection capabilities.

Hi. I'm the CivicPlus ChatBot.
How can I help you today?

Your Trusted Partner for Compliance and Security

CivicPlus is a leader in compliance tools for government with world-class protection designed to safeguard systems and infrastructure, including the personal privacy of individuals. We are the number one compliance leader in social media archiving and invest \$12 million annually in cybersecurity.

Communities never sleep, which means your systems need continual monitoring and access. To ensure your residents can always access your digital tools, we maintain 99.9% up-time of our solutions and offer 24/7/365 emergency support.

How to Submit Security Questions or Report a Concern and Guidance for Responsible Reporting

We appreciate and value our customers, partners, and the security research community—those who proactively and responsibly communicate with us to help maintain stringent security standards across our shared industry.

To protect our customers and systems, CivicPlus does not disclose or discuss security questions or concerns until we have conducted our internal research and evaluation.

By submitting a question or reporting a concern, you agree to abide by the following guidelines:

- Allow CivicPlus a reasonable timeframe to investigate and respond.
- To not publicly share reported information before CivicPlus provides a response and mitigation activities, if necessary.
- Make a good faith effort to avoid creating privacy infringement, destruction, or service disruption to CivicPlus applications or data.

We are committed to working with our customers, partners, and third parties to ensure the highest digital security level. We will act quickly to address all submissions within these guidelines.

We request that our customers, partners, and members of the media use the following secure channels to privately submit inquiries to our Information Security Team for their response.

Ongoing Risk Mitigation Efforts

Cybercrime is an ongoing threat to local government operations. We are confident our systems and infrastructure stringently safeguard our customers' digital content. To mitigate the risk of the ongoing threats to our customers, our software and hosting solutions team have the following security controls and safeguards in place:

- All customer websites are monitored 24/7/365

- An outside entity regularly performs system vulnerability assessments
- We follow strict development practices, which include writing secure code that protects our software and websites from cross-site scripting (XSS), SQL Injection, and other means of unauthorized access
- We leverage only PCI-compliant payment solutions
- We consistently run third-party scans to mitigate security vulnerabilities
- We do not permit questionable accounts to be validated and systematically delete them

CivicPlus Master Services Agreement

This Master Services Agreement (this “Agreement”) governs all Statements of Work (“SOW”) entered into by and between CivicPlus, LLC (“CivicPlus”) and the customer entity identified on the SOW (“Customer”). This Agreement governs the use and provision of any Services purchased by Customer, as described in any signed SOW, and the effective date of this Agreement shall commence on the date of signature of the SOW (“Effective Date”). If a SOW has not been executed, then the Effective Date shall be determined as the start date of implementation of any software solution by CivicPlus for Customer. CivicPlus and Customer referred to herein individually as “Party” and jointly as “Parties”.

Recitals

I. WHEREAS, CivicPlus is engaged in the business of developing and providing access to proprietary community engagement and government content, workflow, and general management software solutions, platforms and associated services (the “Services”); and

II. WHEREAS, Customer wishes to engage CivicPlus for the procurement of the Services and/or receive a license subscription for the ongoing use of the Services, as set forth in the SOW;

NOW, THEREFORE, Customer and CivicPlus agree as follows:

Agreement

Term & Termination

1. This Agreement shall commence on the Effective Date and shall remain in full force and effect for as long as any SOW is in effect between CivicPlus and Customer, or Services are being provided by CivicPlus to Customer, unless terminated in accordance with this §1 or as otherwise provided in this Agreement (the “Term”). Either Party may terminate this Agreement or any SOW as set forth in such SOW, or at its discretion, effective immediately upon written notice to the other Party, if the other Party materially breaches any provision of this Agreement and does not substantially cure the breach within thirty (30) days after receiving notice of such breach. A delinquent Customer account remaining past due for longer than 90 days is a material breach by Customer and is grounds for CivicPlus termination. CivicPlus reserves the right to withhold, remove and/or discard Customer Data without notice for any breach, including, without limitation, Customer’s non-payment. Upon termination for Customer’s breach, Customer’s right to access or use Customer Data immediately ceases, and CivicPlus shall have no obligation to maintain or forward any Customer Data.

2. Upon termination of this Agreement or any SOW for any reason, (a) the licenses granted for such relevant SOW by §11 below will terminate and Customer shall cease all use of the CivicPlus Property and Services associated with the terminated SOW and (b) any amounts owed to CivicPlus for work performed prior to termination shall immediately become due in full and payable. If Customer has paid in advance for the Services, and this Agreement terminates due to material breach of this Agreement by CivicPlus, CivicPlus shall refund Customer a prorated amount of any amount already paid. Upon termination by Customer for convenience or due to material breach by Customer, in addition to any remedy

provided in this Agreement or provided in law or equity, CivicPlus shall be entitled to retain any amounts already paid. Sections 7, 8, 10, 14, 15, 18, 32 -34, 40, and 42 will survive any expiration or termination of this Agreement.

3. At any time during the Term, CivicPlus may, immediately upon notice to Customer, suspend Customer and any of its Users access to any Service due to a threat to the technical security or technical integrity of the Services.

Invoicing & Payment Terms

4. Customer will pay the amounts owed to CivicPlus for the development and implementation of the Customer's Services, as defined in the SOW ("Project Development"), subscription and licensing, and annual hosting, support and maintenance services ("Annual Recurring Services") in accordance with the payment schedule set forth on the applicable SOW. Invoices shall be sent electronically to the individual/entity designated in the SOW's contact sheet that is required to be filled out and submitted by Customer (the "Contact Sheet"). Customer shall provide accurate, current and complete information of Customer's legal business name, address, email address, and phone number in the Contact Sheet upon submission of a signed SOW. Customer will maintain and promptly update the Contact Sheet information if it should change. Upon Customer's request, CivicPlus will mail hard-copy invoices for a \$5.00 convenience fee to be added to the mailed invoice.

5. Each SOW will state the amount of days from date of invoice payment is due. Unless otherwise limited by law, a finance charge of 1.5 percent (%) per month or the maximum rate permitted by applicable law, whichever is less, will be added to past due accounts from due date until paid. Payments received will be applied first to finance charges, then to the oldest outstanding invoice(s). If the Customer's account exceeds 60 days past due, support will be discontinued until the Customer's account is made current. If the Customer's account exceeds 90 days past due, CivicPlus may suspend in progress Project Development and Annual Recurring Services will be discontinued, and the Customer will no longer have access to the Services until the Customer's account is made current. Customer will be given 15 days' notice prior to discontinuation of Services for non-payment.

6. During the performance of Project Development, if Customer requests a change that requires repeated efforts to previously approved work product and such change causes CivicPlus to incur additional expenses (i.e. airline change fees, resource hours, consultant fees, Customer does not show up for scheduled meetings or trainings), Customer agrees to reimburse CivicPlus for such additional expenses. CivicPlus shall notify Customer prior to incurring such expenses and shall only incur those expenses which are approved by Customer.

Ownership & Content Responsibility

7. Upon full and complete payment of amounts owed for Project Development under the applicable SOW, Customer will own any website graphic designs, Services content, module content, importable/exportable data, and archived information ("Customer Content") created by CivicPlus on behalf of Customer pursuant to this Agreement. "Customer Content" also includes, without limitation, any elements of text, graphics, images, photos, audio, video, designs, artworks, logos, trademarks, services marks, and other materials or content which Customer provides to CivicPlus for processing, transmission, storage, or inputs into any website, software or module in connection with any Services. Customer Content excludes any content in the public domain and any content owned or licensed by CivicPlus, whether in connection with providing Services or otherwise.

8. Upon completion of the Project Development, Customer will take over the management and control of the Services and Customer will assume full responsibility for Customer Content maintenance and administration. Customer, not CivicPlus, shall have sole responsibility for the accuracy, quality, integrity, legality, reliability, appropriateness, and

intellectual property ownership or right to use of all Customer Content. Customer hereby grants CivicPlus a worldwide, non-exclusive right and license to reproduce, distribute and display the Customer Content as necessary to provide the Services. Customer represents and warrants that Customer owns all Customer Content or that Customer has permission from the rightful owner to use each of the elements of Customer Content and that Customer has all rights necessary for CivicPlus to use the Customer Content in connection with providing the Services. Customer agrees that CivicPlus shall not be responsible or liable for the content of messages created by Customer or by Customer's Users or end-users who access Service. Notwithstanding the foregoing, CivicPlus retains the right, but not the obligation, to remove any Customer Content that is libelous, harassing, abusive, fraudulent, defamatory, excessively profane, obscene, abusive, hate related, violent, harmful to minors, that advocates racial or ethnic intolerance, intended to advocate or advance computer hacking or cracking, or other material, products or services that violate or encourage conduct that would violate any laws or third-party rights.

9. At any time during the term of the applicable SOW, Customer will have the ability to download the Customer Content and export the data that is processed through the Services ("Customer Data"). Customer may request CivicPlus to perform the export of Customer Data and provide the Customer Data to Customer in a commonly used format, at any time, for a fee to be quoted at time of request and approved by Customer. Upon termination of the applicable SOW for any reason, whether or not Customer has retrieved or requested the Customer Data, CivicPlus reserves the right to permanently and definitively delete the Customer Content and Customer Data held in the Services thirty (30) days following termination of the applicable SOW. During the thirty (30) day period following termination of the SOW, regardless of the reason for its termination, Customer will not have access to the Services.

10. Intellectual Property in the software or other original works created by or licensed to CivicPlus, including all software source code, documents, and materials used in performing the Services ("CivicPlus Property") will remain the property of CivicPlus. CivicPlus Property specifically excludes Customer Content. Customer shall not (i) license, sublicense, sell, resell, reproduce, transfer, assign, distribute or otherwise commercially exploit or make available to any third party any CivicPlus Property in any way, except as specifically provided in the applicable SOW; (ii) adapt, alter, modify or make derivative works based upon any CivicPlus Property; (iii) create internet "links" to the CivicPlus Property software or "frame" or "mirror" any CivicPlus Property administrative access on any other server or wireless or internet-based device that may allow third party entities, other than Customer, to use the Services; (iv) reverse engineer, decompile, disassemble or otherwise attempt to obtain the software source code to all or any portion of the Services; (v) make any attempt to gain unauthorized access to the Services and/or any of CivicPlus' systems or networks; or (vi) access any CivicPlus Property in order to: (a) build a competitive product or service, (b) build a product using similar ideas, features, functions or graphics of any CivicPlus Property, or (c) copy any ideas, features, functions or graphics of any CivicPlus Property. The CivicPlus name, the CivicPlus logo, and the product and module names associated with any CivicPlus Property are trademarks of CivicPlus, and no right or license is granted to use them outside of the licenses set forth in this Agreement.

11. Provided Customer complies with the terms and conditions herein, the relevant SOW, and license restrictions set forth in §10, CivicPlus hereby grants Customer a limited, nontransferable, nonexclusive, non-assignable license to access and use the CivicPlus Property associated with any valid and effective SOW, for the term of the respective SOW. The license set forth herein, shall only apply to the extent that Customer is using the Services for legitimate business use as intended by the purpose of the Services and not for the purpose of comparing the Services to a competitor or similar product of CivicPlus. Customer hereby warrants and affirms its purpose in accessing or otherwise using the Services is for their intended purpose only and understands and agrees that any other use shall be considered fraud.

12. All CivicPlus helpful information and user's guides for the Services ("Documentation") are maintained and updated electronically by CivicPlus and can be accessed through the CivicPlus "Help Center". CivicPlus does not provide paper copies of its Documentation. Customer and its Users are granted a limited license to access Documentation as needed. Customer shall not copy, download, distribute, or make derivatives of the Documentation.

13. Customer acknowledges that CivicPlus may continually develop, alter, deliver, and provide to the Customer ongoing

innovation to the Services, in the form of new features and functionalities. CivicPlus reserves the right to modify the Services from time to time. Any modifications or improvements to the Services listed on the SOW will be provided to the Customer at no additional charge. In the event that CivicPlus creates new products or significant enhancements to the Services ("New Services"), and Customer desires these New Services, then Customer will have to pay CivicPlus the appropriate fee for the access to and use of the New Services. CivicPlus shall use its reasonable best efforts to provide workarounds in the event any modification to the Services causes Customer to lose substantial functionality of the Services.

14. CivicPlus in its sole discretion, may utilize all comments and suggestions, whether written or oral, furnished by Customer to CivicPlus in connection with its access to and use of the Services (all reports, comments and suggestions provided by Customer hereunder constitute, collectively, the "Feedback"). Customer hereby grants to CivicPlus a worldwide, non-exclusive, irrevocable, perpetual, royalty-free right and license to incorporate the Feedback in the CivicPlus products and services.

Indemnification

15. CivicPlus will defend at its expense or settle any third-party claim against Customer alleging that the Services provided under this Agreement infringe intellectual property rights. CivicPlus will pay infringement claim defense costs, CivicPlus-negotiated settlement amounts, and damages finally awarded by a court. CivicPlus has no obligation for any claim of infringement arising from Customer's use of the Services for purposes not contemplated by this Agreement. CivicPlus's indemnification obligations under this Section 15 are conditioned upon the Customer (i) promptly notifying the CivicPlus of any claim in writing; (ii) cooperating with CivicPlus in the defense of the claim; and (iii) granting CivicPlus sole control of the defense or settlement of the claim. The indemnification obligations of CivicPlus herein shall not apply to any claims of intellectual property infringement related to Customer Content.

Responsibilities of the Parties

16. CivicPlus will not be liable for any act, omission of act, negligence or defect in the quality of service of any underlying carrier, licensor or other third-party service provider whose facilities or services are used in furnishing any portion of the Service received by the Customer.

17. CivicPlus will not be liable for any failure of performance that is caused by or the result of any act or omission by Customer or any entity employed/contracted on the Customer's behalf. During Project Development, Customer will be responsive and cooperative with CivicPlus to ensure the Project Development is completed in a timely manner.

18. Customer agrees that it is solely responsible for the end-user's personal data that Customer decides to solicit, collect, store, or otherwise use in connection with any Service provided by CivicPlus. Customer understands and agrees that CivicPlus provides certain solutions with increased security measures for the solicitation and storage of any sensitive data, and it is Customer's responsibility to determine whether the data it solicits and collects should be stored in such solutions. Customer understands and agrees that CivicPlus does not have knowledge or control over what type of data Customer solicits therefore CivicPlus has no responsibility for the use or storage of end-users' personal data in connection with the Services or the consequences of the solicitation, collection, storage, or other use by Customer or by any third party of any personal data. Customer has the sole control and responsibility over the determination of which data and information shall be included in the content that is to be transmitted and stored by CivicPlus. Customer shall not provide to CivicPlus or allow to be provided to CivicPlus any content that (a) infringes or violates any 3rd party's intellectual property rights, rights of publicity or rights of privacy, (b) contains any defamatory material, or (c) violates any federal, state, local, or foreign laws, regulations, or statutes.

19. Customer is responsible for all activity that occurs under Customer's accounts by or on behalf of Customer. Customer agrees to (a) be solely responsible for all designated and authorized individuals chosen by Customer ("User") activity, which must be in accordance with this Agreement and the CivicPlus Terms of Use; (b) be solely responsible for Customer Data; (c) obtain and maintain during the term all necessary consents, agreements and approvals from end-users, individuals or any other third parties for all actual or intended uses of information, data or other content Customer will use in connection with the Services; (d) use commercially reasonable efforts to prevent unauthorized access to, or use of, any User's log-in information and the Services, and notify CivicPlus promptly of any known unauthorized access or use of the foregoing; (e) use commercially reasonable efforts to prevent unauthorized access to or use of the Services and CivicPlus Property and shall promptly notify CivicPlus of any unauthorized access or use of the Services and/or CivicPlus Property and any loss or theft or unauthorized use of any n User's password or username and/or personal information; and (f) use the Services only in accordance with applicable laws and regulations.

20. The Parties shall comply with all applicable local, state, and federal laws, treaties, regulations, and conventions in connection with its use and provision of any of the Services or CivicPlus Property.

21. CivicPlus shall not be responsible for any act or omission of any third-party vendor or service provider that Customer has selected to integrate any of its Services with.

22. Customer understands that CivicPlus must fastidiously allocate resources across all of its customers and specifically reserves necessary resources for Customer's Project Development. If any professional services, such as consulting or training, purchased by Customer are not used during the Project Development phase solely due to the inaction or unresponsiveness of Customer, then these services shall expire 30 days after completion of Project Development. The Customer may re-schedule any unused professional services during this 30-day period as mutually agreed upon by the Parties. Any professional services that have not been used or rescheduled shall be marked as complete and closed upon the expiration of the 30-day period.

Data Security

23. CivicPlus shall, at all times, comply with the terms and conditions of its [Privacy Policy](#). CivicPlus will maintain commercially reasonable administrative, physical, and technical safeguards designed to protect the security and confidentiality of Customer Data. CivicPlus will not modify Customer Data or disclose Customer Data, except (a) in order to provide the Services; (b) to prevent or address service or technical problems in connection with support matters; (c) as specifically directed or expressly permitted in writing by Customer, (d) in compliance with our [Privacy Policy](#); or (f) if compelled by law. Notwithstanding the foregoing, CivicPlus reserves the right to delete, suspend, or block known malicious accounts without Customer authorization. Customer understands that CivicPlus has no obligation to provide the Services or maintain the Customer Data, information or other material if Customer's accounts are past due and unpaid as set forth in this Agreement.

24. Customer acknowledges and agrees that CivicPlus utilizes third-party service providers to host and provide the Services and store Customer Data and the protection of such data will be in accordance with such third party's safeguards for the protection and the security and confidentiality of Customer's Data. Notwithstanding anything to the contrary, CivicPlus shall have the right to collect and analyze data and other information relating to the provision, use and performance of various aspects of the Services and related systems and technologies (including, without limitation, information concerning Customer Data and data derived therefrom), and CivicPlus will be free (during and after the term hereof) to use such information and data to improve and enhance the Services and for other development, diagnostic and corrective purposes in connection with the Services and other CivicPlus offerings.

25. CivicPlus may offer Customer the ability to use third-party applications in combination with the Services. Any such third-party application will be subject to acceptance by Customer. In connection with any such third-party application

agreed to by Customer, Customer acknowledges and agrees that CivicPlus may allow the third-party providers access to Customer Data as required for the interoperation of such third-party application with the Services. The use of a third-party application with the Services may also require Customer to agree to a separate agreement or terms and conditions with the provider of the third-party application, which will govern Customer's use of such third-party application.

26. In the event of a security breach due to the sole negligence, malicious actions, omissions, or misconduct of CivicPlus, CivicPlus, as the data custodian, will comply with all remediation efforts as required by applicable federal and state law.

CivicPlus Support

27. CivicPlus will use commercially reasonable efforts to perform the Services in a manner consistent with applicable industry standards, including maintaining Services availability 24 hours a day, 7 days a week with 99.9% uptime. Customer will have 24/7 access to the online CivicPlus Help Center ([civicplus.help](https://www.civicplus.help/hc/en-us/requests/new)) to review use articles, software best practices, receive maintenance release notes, as well as submit and monitor omni-channel support tickets and access solution specific support contact methods (<https://www.civicplus.help/hc/en-us/requests/new>).

28. CivicPlus provides live support engineers based in the domestic United States to respond to basic questions concerning use and configuration, to diagnose software code-related errors, and proactively identify potential systems issues. CivicPlus support engineers serve a preliminary function in the agile development process and escalate defects to software developers or architects for remediation. For security purposes, CivicPlus support engineers are not permitted to modify user accounts, and permissions nor distribute access outside of accounts established by means of a support interaction for testing. Customer delegated Users may receive tutorials and guidance on account modifications but will perform the action themselves.

29. CivicPlus support hours span between the hours of 7 am to 7 pm CST, but may vary by product. Customer may access the CivicPlus Help Center ([civicplus.help](https://www.civicplus.help)) to obtain each product's support hours. After hours support is available by toll-free phone call only. Non-emergency support requested outside of support hours will be subject to additional fees, such fees will be quoted to Customer at the time of the request and will be subject to Customer acceptance and invoiced the next business day following the non-emergency support. CivicPlus shall have the sole discretion to determine in good faith whether support requests qualify as an emergency, exceed reasonable use or are outside the scope of services outlined in any SOW.

30. If a reported problem cannot be solved during the first support interaction, Customer will be provided a ticket number that will be used as communication method throughout ticket escalation until a solution is provided. Support service does not include support for errors caused by third party products or applications for which CivicPlus is not responsible.

Marketing

31. Customer hereby authorizes CivicPlus to include CivicPlus's name and logo inconspicuously within the Customer's instance of the Services. Customer may publicly refer to itself as a customer of the CivicPlus Services, including on Customer's website and in sales presentations. Notwithstanding the foregoing, each Party hereby grants the other a limited, worldwide, license to use the other's logo in conformance with such Party's trademark usage guidelines and solely for the purposes of providing the Services. In no event will either Party issue a press release publicly announcing this relationship without the approval of the other Party, such approval not to be unreasonably withheld.

Limitation of Liability

32. CivicPlus' liability arising out of or related to this Agreement, or any associated SOW, will not exceed the amounts paid by Customer for the Annual Recurring Services in the year prior to such claim of liability.

33. In no event will CivicPlus be liable to Customer for any consequential, indirect, special, incidental, or punitive damages arising out of or related to this Agreement.

34. The liabilities limited by Section 32 and 33 apply: (a) to liability for negligence; (b) regardless of the form of action, whether in contract, tort, strict product liability, or otherwise; (c) even if Customer is advised in advance of the possibility of the damages in question and even if such damages were foreseeable; and (d) even if Customer's remedies fail of their essential purposes. If applicable law limits the application of the provisions of this Limitation of Liability section, CivicPlus' liability will be limited to the maximum extent permissible.

Warranties and Disclaimer

35. Each person signing the SOW, or otherwise agreeing to the terms of this Agreement, represents and warrants that he or she is duly authorized and has legal capacity to execute and bind the respective Party to the terms and conditions of the SOW and this Agreement. Each Party represents and warrants to the other that the execution and delivery of the SOW and the performance of such Party's obligations thereunder have been duly authorized and that this Agreement is a valid and legal agreement binding on such Party and enforceable in accordance with its terms. Customer represents and warrants that Customer has not provided any false information to gain access to the Service and that Customer's billing information provided on the Contact Sheet is correct; and it has all necessary rights in the Customer Content to permit Customer's use of the Service and to grant the licenses contained in this Agreement without infringing the intellectual property or other rights of any third parties, violating any applicable laws, or violating the terms of any license or agreement to which it is bound.

36. CivicPlus warrants that the Services will perform substantially in accordance with documentation and marketing proposals, and free of any material defect. CivicPlus warrants to the Customer that, upon notice given to CivicPlus of any defect in design or fault or improper workmanship, CivicPlus will remedy any such defect. CivicPlus makes no warranty regarding, and will have no responsibility for, any claim arising out of: (i) a modification of the Services made by anyone other than CivicPlus, even in a situation where CivicPlus approves of such modification in writing; or (ii) use of the Services in combination with a third-party service, web hosting service, or server not authorized by CivicPlus.

37. The Services may be temporarily unavailable for scheduled maintenance or for unscheduled emergency maintenance, either by CivicPlus or by third-party providers, or because of other causes beyond CivicPlus's reasonable control, but CivicPlus shall use reasonable efforts to provide advance notice in writing or by e-mail of any scheduled service disruption. HOWEVER, SERVICE PROVIDER DOES NOT WARRANT THAT THE SERVICES WILL BE UNINTERRUPTED OR ERROR FREE; NOR DOES IT MAKE ANY WARRANTY AS TO THE RESULTS THAT MAY BE OBTAINED FROM USE OF THE SERVICES. EXCEPT FOR THE EXPRESS WARRANTIES IN THIS AGREEMENT, THE SERVICES ARE PROVIDED "AS IS AND CIVICPLUS HEREBY DISCLAIMS ALL WARRANTIES, WHETHER EXPRESS, IMPLIED, STATUTORY OR OTHERWISE, INCLUDING ANY IMPLIED WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, OR ARISING FROM A PRIOR COURSE OF DEALING.

38. EACH PROVISION OF THIS AGREEMENT THAT PROVIDES FOR A LIMITATION OF LIABILITY, DISCLAIMER OF WARRANTIES, OR EXCLUSION OF DAMAGES IS TO ALLOCATE THE RISKS OF THIS AGREEMENT BETWEEN THE PARTIES. THIS ALLOCATION IS REFLECTED IN THE PRICING OFFERED BY CIVICPLUS TO CUSTOMER AND IS AN ESSENTIAL ELEMENT OF THE BASIS OF THE BARGAIN BETWEEN

THE PARTIES. EACH OF THESE PROVISIONS IS SEVERABLE AND INDEPENDENT OF ALL OTHER PROVISIONS OF THIS AGREEMENT.

Force Majeure

39. No party shall have any liability to the other hereunder by reason of any delay or failure to perform any obligation or covenant if the delay or failure to perform is occasioned by force majeure, meaning any act of God, storm, pandemic, fire, casualty, unanticipated work stoppage, strike, lockout, labor dispute, civil disturbance, riot, war, national emergency, act of public enemy, internet service provider failure or delay, third party application failure, denial of service attack, or other cause of similar or dissimilar nature beyond its control.

Taxes

40. The amounts owed for the Services exclude, and Customer will be responsible for, all sales, use, excise, withholding and any other similar taxes, duties and charges of any kind imposed by any federal, state or local governmental entity in connection with the Services (excluding taxes based solely on CivicPlus's income). If the Customer is tax-exempt, the Customer must provide CivicPlus proof of their tax-exempt status, within fifteen (15) days of contract signing, and the fees owed by Customer under this Agreement will not be taxed. If such exemption certificate is challenged or held invalid by a taxing authority then Customer agrees to pay for all resulting fines, penalties and expenses.

Other Documents

41. This Agreement, including all exhibits, amendments, and addenda hereto and all SOWs, constitutes the entire agreement between the Parties and supersedes all prior and contemporaneous agreements, proposals or representations, written or oral, concerning its subject matter. No modification, amendment, or waiver of any provision of this Agreement or any SOW will be effective unless in writing and signed by each Party. However, to the extent of any conflict or inconsistency between the provision in the body of this Agreement and any exhibit, amendment, or addenda hereto or any SOW, the terms of such exhibit, amendment, addenda or SOW will prevail. Notwithstanding any language to the contrary therein, no terms or conditions stated in a Customer purchase order or other order documentation (excluding SOWs) will be incorporated into or form any part of this Agreement, all such terms or conditions will be null and void, unless such term is to refer and agree to this Agreement.

Interlocal Purchasing Consent/ Cooperative Purchasing

42. With the prior approval of CivicPlus, which may be withheld for any or no reason within CivicPlus's sole discretion, this Agreement and any SOW may be extended to any public entity in Customer's home-state to purchase at the SOW prices and specifications in accordance with the terms stated herein.

43. To the extent permitted by law, the terms of this Agreement and set forth in one or more SOW(s) may be extended for use by other local government entities upon execution of a separate agreement, SOW, or other duly signed writing by and between CivicPlus and such entity, setting forth all of the terms and conditions for such use, including applicable fees and billing terms.

Miscellaneous Provisions

44. The invalidity or unenforceability, in whole or in part, of any provision of this Agreement shall not void, affect the validity or enforceability of any other provision of this Agreement.

45. The Parties negotiated this Agreement with the opportunity to receive the aid of counsel and, accordingly, intend this Agreement to be construed fairly, according to its terms, in plain English, without constructive presumptions against the drafting Party. The headings of Sections of this Agreement are for convenience and are not to be used in interpreting this Agreement. As used in this Agreement, the word “including” means “including but not limited to.”

46. The Parties will use reasonable, good faith efforts to resolve any dispute between them in good faith prior to initiating legal action.

47. This Agreement and any SOW, to the extent signed and delivered by means of a facsimile machine or electronic mail, shall be treated in all manner and respects as an original agreement or instrument and shall be considered to have the same binding legal effect as if it were the original signed version thereof delivered in person. The Parties agree that an electronic signature is the legal equivalent of its manual signature on this Agreement and any SOW. The Parties agree that no certification authority or other third party verification is necessary to validate its electronic signature and that the lack of such certification of third party verification will not in any way affect the enforceability of the Parties’ electronic signature or any resulting agreement between CivicPlus and Customer.

48. Due to the rapidly changing nature of software as a service and digital communications, CivicPlus may unilaterally update this Agreement from time to time. In the event CivicPlus believes such change is a material alteration of the terms herein, CivicPlus will provide Customer with written notice describing such change via email or through its website. Customer’s continued use of the Services following such updates constitutes Customer’s acceptance of the same. In the event Customer rejects the update to the terms herein, Customer must notify CivicPlus of its objection within ten (10) days receipt of notice of such update.

Agenda Meetings and Management (CivicClerk and Municode Meetings) Terms

10 months ago · Updated

Follow

The Customer shall have sole control and responsibility over the determination of which data and information shall be included in the content that is to be transmitted and stored by CivicPlus. The Customer shall not provide to CivicPlus or allow to be provided to CivicPlus any content that:

1. infringes or violates any third party's Intellectual Property rights, rights of publicity, or rights of privacy,
2. contains any defamatory material, or
3. violates any federal, state, local, or foreign laws, regulations, or statutes.

The scope of the initial implementation services to be delivered by CivicPlus at the time of signing a Statement of Work ("SOW") are as listed in the applicable SOW. The Customer is responsible for providing all information required for the configuration of the services in accordance with the scope and project timeline. Upon the making of the Customer's instance of the Services live and accessible on the internet to the intended audience ("Go-live"), any unused implementation services (ie: board configuration) will expire. Any configuration of additional boards by CivicPlus after Go-Live may incur additional one-time charges based on the scope of the desired configuration, design, and training services.

Completion of implementation services will be determined by Go Live status. The parties agree to cooperate in a timely manner to complete all implementation tasks and deliverables in order to obtain Go-Live status of the Services in a timely manner. CivicPlus will make reasonable efforts to confirm Go Live status with the Customer, but reserves the right to deem the Customer's use of the Services in the intended course of business as Go Live.

CivicPlus Media

Close Captioning, Transcription, and Translation services may be selected in the Services at the applicable and published rates displayed in the Services.

The Customer is responsible for requesting and initiating the Close Captioning Services, including the specific Category of Services desired, as set forth above, on the Customer's production site. CivicPlus will use commercially reasonable efforts to provide the completed Work Product (as defined below) to the Customer within 4 business days of Customer initiation, with regard to Transcriptionist-Based Closed Captioning, and within 24 hours of Customer initiation, with regard to Machine-Based Closed Captioning. CivicPlus will use commercially reasonable efforts to provide the Services in a manner consistent with applicable industry standards.

The Customer is responsible for requesting and initiating the Translation Services, including the specific Category of Services desired, as set forth above, on the Customer's production site. CivicPlus will use commercially reasonable efforts to provide the completed Work Product (as defined below) to the Customer within 5 business days of Customer initiation, with regard to Human Translation service, and within 24 hours of Customer initiation, with regard to Machine Translation service. CivicPlus will use commercially reasonable efforts to provide the Services in a manner consistent with applicable industry standards.

By initiating the Services on the production site, the Customer is agreeing to all associated costs for its use of the Services. The Fees for the Services used by the Customer shall be invoiced by CivicPlus on a monthly basis, in arrears. Such invoice to include: the Category of the Services used; the duration, in minutes (rounded to the nearest minute), each category of Services was used in the prior month; and the total amount owed to CivicPlus by the Customer for the Services used in the month prior. If, at any time, the Customer's account is past due, CivicPlus may refuse to provide the Services until the Customer's account is brought up to date and all unpaid amounts owed are paid.

All human-based translation services shall have a 3.5 minute minimum requirement for review.

Upon full and total payment, the Customer shall own the certain transcription and captioning work product produced by the Services (the “Work Product”). The Customer understands and agrees that the audio characteristics may increase transcription pricing, the Rates for the Services provided above assumes the audio is reasonably clear and good, good audio is any media that is clearly recorded in a controlled environment with one person talking at a time with minimal background noise and no media defects. The format must be recorded in the specific formats required and communicated to the Customer by CivicPlus. CivicPlus does endeavor to provide an accurate Work Product; however, The Customer should be aware that any audio that does not meet the criteria above may impact the quality of the Work Product and cause it to drop in accuracy. Accuracy is defined as:

1. words are spelled correctly;
2. phrases and sentences make sense in a standalone document; and
3. text is near exact replication of spoken words. The Work Product will not include unintended speech such as “ums” and “uhs”, stuttered speech, or difficult proper nouns.

The Services and Work Product are provided on an “as is” basis, and the Customer’s use of the Services is at its own risk. CivicPlus does not warrant that the Services or the Work Product will be uninterrupted or error-free or unaffected by force majeure events.

Boards and Committees Applications

The Boards and Committees Application is solely intended for the display of board positions, applications thereto, and approval workflow for applicants to such boards (the "Intended Use"). Customer shall not create additional forms, workflows, workflow events, or boards, nor allow users to utilize the Board and Committees Application for any purposes not related to the Intended Use.

Customer will not solicit for sensitive PII to be stored in the Boards and Committees Application. Customer shall remain responsible for the type and treatment of data stored in the Boards and Committees Application in compliance with applicable law.

COUNCIL COMMUNICATION

CC #: 3671
File #: 0704-01

Title: Wanish Park Shade Structure Replacement Project - Contract Purchase Agreement
Contact: Kelly Appier 916-774-5927 ksappier@roseville.ca.us

Meeting Date: 12/18/2024
Item #: 7.3.

RECOMMENDATION TO COUNCIL

Staff recommends that the City Council adopt a resolution to approve contract purchase agreement (#3004212) with Ross Recreation Equipment, Inc. for \$109,423.01 and authorize the City Manager to execute it on behalf of the City of Roseville. Staff further requests authority to approve change orders, consistent with the contract terms, provided that the net cost of all change orders shall not exceed ten percent (10%) of the contract amount.

BACKGROUND

The existing wooden shade structure was installed in 1994. The wood has become rotted and is past its useful life, creating an unstable structure and safety concern.

This Contract Purchase Agreement with Ross Recreation is to remove the existing wooden shade structure, purchase and install a new metal shade structure through a piggy-back agreement, using National Purchasing Partners Government contract #PS21070, in order to utilize a competitively procured contract for the lowest cost for the improvement. Delivery of this shade structure is expected in summer 2025.

FISCAL IMPACT

The funding for this shade structure replacement was approved by Council in the FY 2024-25 Capital Improvement Program using the Parks, Recreation and Library Capital Projects Fund. Maintenance is funded by the General Fund and will not increase.

ENVIRONMENTAL REVIEW

The proposed project involves the replacement of minor structures accessory to existing commercial, industrial, or institutional facilities. This activity is categorically exempt from CEQA as a Class 11 Exemption (State CEQA Guidelines Section 15311). The Exemption has been

prepared and no further CEQA action is required.

CITY COUNCIL STRATEGIC PLAN/OVERARCHING GOALS

Goal A - Remain fiscally responsible in a changing world

Goal C - Maintain a safe and healthy community

Goal E - Deliver exceptional city services

Goal F - Invest in well-planned infrastructure and growth

Respectfully Submitted,

Kelly Appier, Park Development Project Manager

Jill Geller, Director of Parks, Recreation & Libraries

Dominick Casey, City Manager

This Contract Purchase Agreement is sent for your review and acceptance. Notify the Buyer via email of any needed changes to the company name, address, and contact information. The Buyer will update the agreement prior to you signing the document.

Return signed copies of the agreement to the Buyer noted on the agreement. Alterations or modifications to the agreement are not allowed. Upon receipt of all necessary documents, the City will sign the agreement and return a fully executed copy to you. Receipt of the signed copy will be your notice to proceed with the work in accordance with the terms and conditions of the agreement. Work must not begin until the contract has been fully executed.

The following guidelines must be followed for the signature block on the agreement:

Sole proprietorship - **By owner**
Partnership - **Any general partner**
Corporation - **Two options:**

- (1) A signature from the President and the corporate seal; **OR**
(2) One signature from the Chairman of the Board, President, or any Vice President **AND** one signature from the Secretary, any Assistant Secretary, Chief Financial Officer, or any Treasurer or Assistant Treasurer of the corporation

*General Manager, Office Manager and/or Sales Manager are not corporate officer titles. The agreement will be rejected if not signed in accordance with these guidelines.

Insurance requirements:

The City's insurance requirements are referenced on Attachment A of the agreement. By signing the agreement, you are confirming that your company has the minimum insurance limits required.

Contract Terms and Conditions

1. To the fullest extent allowed by law, Contractor shall defend, indemnify, and save and hold harmless the City, its officers, agents, employees and volunteers from any claims, suits or actions of every name, kind and description brought forth, or on account of, injuries to or death of any person (including but not limited to workers and the public), or damage to property, resulting from or arising out of Contractor's willful misconduct or negligent act or omission while engaged in the performance of obligations or exercise of rights created by this Agreement, except those matters arising from City's sole or active negligence or willful misconduct. *The parties intend that this provision shall be broadly construed.* Contractor's responsibility for such defense and indemnity obligations shall survive the termination or completion of this Agreement for the full period of time allowed by law. The defense and indemnity obligations of this Agreement are undertaken in addition to, and shall not in any way be limited by, the insurance obligations contained in this Agreement.
2. Contractor is an independent contractor, and shall not be considered an officer, agent or employee of the City.
3. Without the written consent of the City, this Agreement is not assignable by Contractor either in whole or in part.
4. Time is of the essence of this Agreement.
5. At any time during the term of this Agreement, the City has the right to terminate this Agreement, provided Contractor is given thirty (30) days written notice. City's termination shall be without further liability to City; however, Contractor shall be entitled to all costs reasonably incurred prior to the date of termination. Contractor acknowledges that City may terminate this Agreement should funds not be appropriated by its governing body to continue services under this Agreement.
6. This Agreement may only be amended or modified in writing. It is integrated and contains the complete understanding of the parties.
7. All equipment, supplies and services sold to the City of Roseville shall conform to the general safety orders of the State of California.
8. Unless notified to the contrary, in writing, the City assumes that the Contractor has accepted the work in accordance with the plans and specifications (if any) and agrees to do the work in compliance with this Agreement.
9. All prevailing wages and fair employment practices must be adhered to. For prevailing wage contracts over \$25,000, copies of certified payroll must be submitted with invoices. Prevailing wage rates may be obtained from the State Department of Industrial Relations and/or the following website address: <http://www.dir.ca.gov/dlsr/DPreWageDetermination.htm>. In compliance with Labor Code Section 1773.2, as may be amended from time to time, Contractor shall cause a copy of this website to be posted at each jobsite, as applicable.
10. Contractor agrees to the below insurance requirements:
 - a. Unless otherwise specified, the Contractor shall maintain the policies of insurance outlined in Attachment A, incorporated herein by this reference, in full force and effect during the term of this Agreement. The City of Roseville retains sole discretion in determining the types and proper levels of insurance coverage.
 - b. Form. Contractor shall submit a certificate evidencing such coverage for the period covered by this Agreement in a form satisfactory to Risk Management and the City Attorney, prior to undertaking any work hereunder. Any insurance

written on a claims made basis is subject to the approval of Risk Management and the City Attorney.

- c. **Additional Insureds.** Contractor shall also provide a separate endorsement or section of the policy showing City, its officers, agents, employees, and volunteers as additional insureds for each type of coverage (except Workers' Compensation) and for ongoing and completed operations. Such insurance shall specifically cover the contractual liability of Contractor. The additional insured coverage under the Contractor's policy shall be primary and noncontributory, as evidenced by a separate endorsement or section of the policy, and shall not seek contribution from City's insurance or self-insurance. In addition, the additional insured coverage shall be at least as broad as the Insurance Services Office (ISO) CG 20 01 Endorsement. Any available insurance proceeds in excess of the specified minimum insurance coverage requirements and limits shall be available to the additional insureds. Furthermore, the requirements for coverage and limits shall be:
 - (1) the minimum coverage and limits specified in this Agreement; or
 - (2) the full coverage and maximum limits of any insurance proceeds available to the named insureds, whichever is greater.
- d. **Cancellation/Modification.** Contractor shall provide thirty (30) days written notice to City prior to cancellation or modification of any insurance required by this Agreement.
- e. **Umbrella/Excess Insurance.** The limits of insurance required in this Agreement may be satisfied by a combination of primary and excess insurance. Any excess insurance shall contain or be endorsed to contain a provision that such coverage shall also apply on a primary and noncontributory basis for the benefit of City (if agreed to in a written contract) before City's own insurance shall be called upon to protect it as a named insured.
- f. **Subcontractors.** Contractor agrees to include in its contracts with all subcontractors *the same requirements and provisions of this Agreement*, including the indemnity and insurance requirements, to the extent they apply to the scope of the subcontractor's work. Furthermore, Contractor shall require its subcontractors to agree to be bound to Contractor and City in the same manner and to the same extent as Contractor is bound to City under this Agreement. Additionally, Contractor shall obligate its subcontractors to comply with these same provisions with respect to any tertiary subcontractor, regardless of tier. *A copy of City's indemnity and insurance provisions will be furnished to the subcontractor or tertiary subcontractor upon request.*
- g. **Self-Insured Retentions.** All self-insured retentions (SIR) must be disclosed to Risk Management for approval and shall not reduce the limits of liability. Policies containing any SIR provision shall provide or be endorsed to provide that the SIR may be satisfied by either the named insured or City. City reserves the right to obtain a full certified copy of any insurance policy and endorsements. The failure to exercise this right shall not constitute a waiver of such right.
- h. **Waiver of Subrogation.** Contractor hereby agrees to waive subrogation which any insurer of Contractor may acquire from Contractor by virtue of the payment of any loss under a Workers Compensation, Commercial General Liability or Automobile Liability policy. All Workers Compensation, Commercial General Liability and Automobile Liability policies shall be endorsed with a waiver of subrogation in favor of City, its officers, agents, employees and volunteers for all work performed by Contractor, its employees, agents and subcontractors.
- i. **Liability/Remedies.** Insurance coverage in the minimum amounts set forth herein shall not be construed to relieve Contractor of liability in excess of such coverage, nor shall it preclude City from taking such other actions as are available to it under any other provisions of this Agreement or law.

11. Contractor shall comply with all federal, state and local laws and ordinances, including but not limited to the City's storm water regulations, as may be applicable to the performance of services under this Agreement. Failure to comply with local ordinances *may result in monetary fines and cancellation of this Agreement. Refer to www.roseville.ca.us/stormwater for links to more information on the City's storm water regulations.*
12. In the event that the terms of any attachment or exhibit conflict with any terms of this Agreement, the terms of this Agreement shall control.
13. This Agreement may be executed in one or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument. *In the event that any signature is delivered by facsimile transmission or by e-mail delivery of a ".pdf" format data file, such signature shall create a valid and binding obligation of the party executing (or on whose behalf such signature is executed) with the same force and effect as if such facsimile or ".pdf" signature page were an original thereof.*
14. If either party commences any legal action against the other party arising out of this Agreement or the performance thereof, the prevailing party in such action shall be entitled to recover its reasonable litigation expenses, including but not limited to, court costs, expert witness fees, discovery expenses, and attorneys' fees. Any action arising out of this Agreement shall be brought in Placer County, California, regardless of where else venue may lie. This Agreement shall be governed by and construed in accordance with the laws of the State of California.
15. This Agreement shall be binding upon the heirs, successors, executors, administrators and assigns of the respective parties hereto.
16. If any of the provisions contained in this Agreement are for any reason held invalid or unenforceable, such holding shall not affect the remaining provisions or the validity and enforceability of the Agreement as a whole.
17. For purposes of this Agreement, the terms "Contractor," "Consultant," and "Supplier" are used interchangeably.
18. No contractor or subcontractor may work on a public works project unless registered with the Department of Industrial Relations pursuant to Labor Code section 1725.5. During the performance of this agreement, Contractor and its subcontractors shall have a continuing legal obligation to maintain current registration with the Department of Industrial Relations. Contractor is hereby notified that this project is subject to compliance monitoring and enforcement by the Department of Industrial Relations.
19. *Vehicles with a gross vehicle weight rating (GVWR) greater than 8,500 lbs. and light-duty package delivery vehicles operated in California may be subject to the California Air Resources Board (CARB) Advanced Clean Fleets regulations. Such vehicles may therefore be subject to requirements to reduce emissions and air pollutants. For more information, visit the CARB Advanced Clean Fleet webpage at <https://ww2.arb.ca.gov/our-work/programs/advanced-clean-fleets>.*
20. Contractor/consultant's duties and services under this agreement shall not include preparing or assisting the public entity with any portion of the public entity's preparation of a request for proposals, request for qualifications, or any other solicitation regarding a subsequent or additional contract with the public entity. The public entity entering this agreement shall at all times retain responsibility for public contracting, including with respect to any subsequent phase of this project. Contractor/consultant's participation in the planning, discussions, or drawing of project plans or specifications, if any, shall be limited to conceptual, preliminary, or initial plans or specifications. Contractor/consultant shall cooperate with the public entity to ensure that all bidders for a subsequent contract on any subsequent phase of this project have access to the same information, including all conceptual, preliminary, or initial plans or specifications prepared by contractor pursuant to this agreement.
21. Contractor must submit all claims as defined in and in accordance with the claim resolution process set forth in Section 9204 of the Public Contract Code. Each such

claim must be sent to the City by registered mail or certified mail with return receipt requested and must contain reasonable documentation to support the claim. All claims must be received prior to acceptance of the work.

22. Contractor certifies that Contractor, its employees, directors, officers, agents, subcontractors, vendors, and volunteers are not presently debarred, excluded, suspended, declared ineligible, voluntarily excluded, or proposed for debarment, exclusion, suspension or ineligibility by any federal, state, or local department or agency.
23. The Levine Act (Govt. Code, Section 84308) requires a Party (and its agent(s), if any) to a Proceeding before the City of Roseville that involves any action or consideration related to their contract, license, permit, or other entitlement for use, to disclose any campaign contributions made to City elected or appointed officers totaling more than \$250 within the twelve (12) months prior to the City decision and while a proceeding is pending, and includes certain prohibitions on contribution activity thereafter. If applicable campaign contributions have been made by Contractor and/or its agent(s), Contractor is responsible for compliance, including for its disclosure obligations, if any, as further described at: https://www.roseville.ca.us/government/departments/city_clerk/transparency/levine_act.
24. This Agreement may be amended via change order, but only if such change order is made in writing, approved by the City, and signed by both parties.
25. CONTRACTOR agrees to defend and indemnify CITY if, despite the parties intent and practice, any venue, agency, or court with competent jurisdiction determines that CONTRACTOR and/or any of its agents, officers, employees, volunteers, independent contractors, or subcontractors, are characterized as employee(s) of CITY.

CONTRACTOR and CITY agree that: (a) CONTRACTOR is free from the control and direction of CITY in connection with the performance of the work; (b) CONTRACTOR is providing services directly to CITY; (c) CONTRACTOR has and will maintain at all relevant times a business license; (d) CONTRACTOR maintains a business location that is separate from CITY; (e) CONTRACTOR is customarily engaged in an independently established business of the same nature as that involved in the work performed hereunder; (f) CONTRACTOR actually contracts with other businesses to provide the same or similar services and maintains a clientele without restrictions from CITY; (g) CONTRACTOR advertises and holds itself out to the public as available to provide the same or similar services; (h) CONTRACTOR provides its own tools, vehicles, and equipment to perform the services; (i) CONTRACTOR has negotiated its own rates; (j) CONTRACTOR set its own hours and location of work in accomplishing CITY's on-call needs; and (k) CONTRACTOR has the right to control the manner and means of accomplishing the result desired and exercises its own expert independent judgement.

The supplier named hereon by the acceptance of this order agrees to the provisions of this document titled "Contract Purchase Agreement" and all accompanying terms, conditions, and attachments.

Insurance Submission Process

The City of Roseville Human Resources/Risk Management Department uses a service called EBIX to manage our insurance certificate tracking.

How It Works

- The vendor's contact information is entered into EBIX. EBIX will contact the vendor to request proof of insurance.
- The Vendor can forward the request to their Insurance Agent(s) if necessary.
- Vendor/Insurance Agent submits insurance to EBIX by email to roseville@ebix.com or by fax to (770) 325-5727. After faxing or emailing the certificate, please DO NOT send the certificate by mail to EBIX. Please do not mail, email or fax any certificates to the City of Roseville.
- Once submitted, EBIX reviews the insurance documentation. If there are deficiencies, EBIX will send a follow up letter or email requesting additional information.

Questions Regarding Insurance Submission: Contact EBIX at (951) 652-4239

Questions Regarding Insurance Requirements Contact Risk Management at (916) 774-5202

CALIFORNIA AIR RESOURCES BOARD REGULATION COMPLIANCE

Please indicate whether the Contractor is subject to, and/or in compliance with, the following regulations of the California Air Resources Board.

In-Use Off-Road Diesel-Fueled Fleets Regulation

- 1) Will vehicles subject to Cal. Code Regs., tit. 13, §§ 2449 et seq. be used for the project? This includes, but is not limited to:
 - a) Vehicles with a diesel-fueled or alternative diesel fueled off-road compression-ignition engine with maximum power (max hp) of 25 horsepower (hp) or greater provided that the vehicle cannot be registered and driven safely on-road or was not designed to be driven on-road, even if it has been modified so that it can be driven safely on-road
 - b) Workover rigs
 - c) Certain two-engine vehiclesYes ☐ No ☒
- 2) If you answered "Yes" to 1), you **must** submit a valid Certificate of Reported Compliance to the City as provided in Cal. Code Regs., tit. 13, § 2449(n).

Advanced Clean Fleets Regulation

Pursuant to Cal. Code Regs., tit. 13, § 2013(i)(1), the Contractor shall submit to the City a document evidencing that it is listed on the CARB Advanced Clean Fleets webpage as a compliant fleet **OR** a signed statement stating that it is not subject to the High Priority and Federal Fleets regulation of title 13, CCR section 2015 through 2015.6.

The High Priority Fleets regulation applies to, without limitation, entities with more than \$50 million in gross annual revenues and/or which own, operate, or direct the operation of 50 or more vehicles in the total fleet.

- 1) Is the Contractor subject to the High Priority and Federal Fleets regulation of title 13, CCR section 2015 through 2015.6? Yes ☒ No ☐
- 2) If you answered "Yes" to 1), you **must** submit a document evidencing that you are listed on the CARB Advanced Clean Fleets webpage as a compliant fleet.

April, 2022

RE: Contractor and Grantee Compliance with Economic Sanctions Imposed in Response to Russia's Actions in Ukraine

Dear Vendor:

On March 4, 2022, Governor Gavin Newsom issued Executive Order N-6-22 (EO) regarding sanctions in response to Russian aggression in Ukraine. The EO is located at <https://www.gov.ca.gov/wp-content/uploads/2022/03/3.4.22-Russia-Ukraine-Executive-Order.pdf>.

The EO directs all agencies and departments that are subject to the Governor's authority to take certain immediate steps, including notifying all contractors and grantees of their obligations to comply with existing economic sanctions imposed by the U.S. government in response to Russia's actions in Ukraine, as well as any sanctions imposed under state law.

This correspondence serves as a notice under the EO that as a contractor or grantee, compliance with the economic sanctions imposed in response to Russia's actions in Ukraine is required, including with respect to, but not limited to, the federal executive orders identified in the EO and the sanctions identified on the U.S. Department of the Treasury website (<https://home.treasury.gov/policy-issues/financial-sanctions/sanctions-programs-and-country-information/ukraine-russia-related-sanctions>). Failure to comply may result in the termination of contracts or grants, as applicable.

Please note that for any agreements or grants valued at \$5 million or more you must report to the City of Roseville your compliance with economic sanctions including steps you have taken in response to Russia's actions in Ukraine, including, but not limited to, desisting from making new investments in, or engaging in financial transactions with, Russian entities, not transferring technology to Russia or Russian entities, and directly providing support to the government and people of Ukraine.

Sincerely,

DocuSigned by:

Note to Customer
(Install)

Thank you for the opportunity to quote your upcoming project. PLEASE NOTE: Quote does not include installation, offload, payment and performance bonds, engineering calculations, security, storage, permits, inspections or safety surfacing, or any other materials or labor unless otherwise noted. Unless noted, freight costs are based on semi-truck access and do not include a lift-gate.

Deposits may be required before an order can be placed depending on customer credit terms. Your purchase is subject to the terms and conditions of this quote. Approval of this quote agrees to those terms.

If ordering materials after the quoted Expiration Date, please contact your sales representative for current pricing. Ross Recreation cannot hold pricing past the stated Expiration Date on this quote. To secure current pricing, Ross Recreation will require the following:

- PO, signed quote or contract with approval for the order.
- Deposit if required by credit terms.
- Color selections and/or approved submittals.
- Acceptance of delivery when materials or equipment is ready to ship. Products cannot be held nor stored by Ross Recreation nor the manufacturer.

If this is a bid, it is the responsibility of the General Contractor to adjust their bid and pricing to accommodate for anticipated, future pricing based on the project's timeline.

Sales tax will be based on the current rate at the time of shipping, not the order date. Customer will be required to pay for any changes to sales taxes.

Ross Recreation will provide labor using a subcontractor for all installation and labor quoted. Neither Ross Recreation, nor our subcontractors, are signatory to any unions; however, compliance with prevailing wage rate requirements will occur.

Installation of equipment only, and as outlined and quoted. Installation includes layout of the equipment, footing excavation, assembly of equipment and concrete for footings, unless stated otherwise. Installation quoted includes standard manufacturer provided footing details; if different and/or engineered footing details are provided by the contractor/owner/specifier, a change order will be required.

Labor costs quoted and contracted are valid for six months. If the duration and/or timeline of the project and Ross Recreation's start date is extended beyond six months from the time of an executed contract, additional costs may be incurred to reflect current labor costs and pricing. It is the responsibility of the General Contractor to adjust their bid and project pricing to accommodate for the anticipated project's timeline.

Notice of Exemption

To: Placer County Clerk
Recorder's Office
2954 Richardson Drive
Auburn, CA 95603

From: City of Roseville
Development Services Dept.
311 Vernon Street
Roseville, CA 95678

Project Title: Wanish Park Shade Structure Replacement

Project Location(s): 1351 Junction Boulevard (APN 476-140-002-000), Roseville, CA 95747

Project Description: The Parks, Recreation and Libraries (PRL) Department is proposing to remove an existing wooden shade structure located at Wanish Park and replace it with a new metal structure. There are no sensitive resources in the surrounding area, and the replacement structure would serve the same purpose as the existing shade structure.

Public Agency Approving Project: Roseville City Council

Agency/Individual Carrying Out Project: City of Roseville Parks, Recreation and Libraries Department

Reason why this Project is Exempt: This project qualifies for a Class 11 Exemption as described in Section 15311 of the California Environmental Quality Act (CEQA) guidelines which states:

"Class 11 involves the construction of....minor structures accessory to existing public facilities ..."

The project would replace an existing wooden shade structure with a new metal structure at a city park, would serve the same purpose, and would not expand use beyond existing levels. Furthermore, no environmentally sensitive resources are located within or near the project site; and therefore the Class 11 Exemption is applicable to the proposed project.

COUNCIL COMMUNICATION

CC #: 3675
File #: 0704-01

Title: Ninja Fitness Course - Contract Purchase Agreement
Contact: Joel De Jong 916-774-5924 jdejong@roseville.ca.us

Meeting Date: 12/18/2024
Item #: 7.4.

RECOMMENDATION TO COUNCIL

Staff recommends that the City Council adopt a resolution to approve contract purchase agreement (#3004258) with Greenfields Outdoor Fitness, Inc. for \$362,805.67 and authorize the City Manager to execute it.

Staff also requests authority to approve change orders, consistent with the contract terms, provided that the net cost of all change orders shall not exceed ten percent (10%) of the contract amount.

BACKGROUND

Campus Oaks Park is an 8.7-acre park located off of Roseville Parkway and Blue Dog Drive in the Campus Oaks area of Roseville. The park is west of Foothills Boulevards and adjacent to the former Hewlett Packard campus. Construction of Campus Oaks Park was completed in 2024 by the developer on behalf of the City. The Council-approved master plan included elements that were unable to be constructed during the initial phase of construction by the Developer due to budget constraints. This included the ninja fitness course as well as a skate track and bike track. Additional funding has been secured to allow the City to complete construction of these elements. This project aims to complete the ninja fitness course portion of Campus Oaks Park.

This Contract Purchase Agreement with Greenfields Outdoor Fitness is to furnish and install the Campus Oaks Park Ninja Fitness Course through a piggy-back agreement, using Sourcewell contract #010721-GRN, in order to utilize a competitively procured contract at the lowest cost for the improvement. Installation of the Ninja Course is expected in spring/summer 2025.

FISCAL IMPACT

Funding for this project is provided by American Rescue Plan Act (ARPA) Funds allocated to the Campus Oaks Park Phase 2 Project in FY2024-25. This is a citywide park, currently utilizing the General Fund for maintenance. It is expected that the addition of the ninja course will create a

slight increase in maintenance.

ENVIRONMENTAL REVIEW

Development of the Campus Oaks Park (formerly Parcel 64/HP park site) was previously evaluated in the 4th Addendum to the Hewlett Packard Master Plan EIR (SCH No.95112022 and amended by City Council on May 20,2020, Resolution No. 20-168), and identified in the associated Third Amended Hewlett-Packard Campus Oaks Master Plan. Construction of the Campus Oaks Park Ninja Fitness Course Project is found to be within the scope of the project covered by the 4th Addendum to the Hewlett Packard Master Plan EIR. As discussed in the Master Plan EIR, the EIR provides environmental analyses of community infrastructure and facilities, including parks, pedestrian bridges, and bike trails, to the extent applicable. Because the project is consistent with the Third Amended Hewlett-Packard Campus Oaks Master Plan, no new effects would be expected to occur and all applicable mitigation measures from the Hewlett Packard Master Plan EIR will be implemented during the design and construction of the Campus Oaks Park Ninja Fitness Course Project. Because the proposed project meets the requirements identified in Section 15183 of the State CEQA Guidelines, no additional CEQA review is required.

CITY COUNCIL STRATEGIC PLAN/OVERARCHING GOALS

Goal A - Remain fiscally responsible in a changing world

Goal C - Maintain a safe and healthy community

Goal E - Deliver exceptional city services

Goal F - Invest in well-planned infrastructure and growth

Respectfully Submitted,

Joel De Jong, Park Development Project Manager

Jill Geller, Parks, Recreation & Libraries Director

Dominick Casey, City Manager

Contract Terms and Conditions

1. To the fullest extent allowed by law, Contractor shall defend, indemnify, and save and hold harmless the City, its officers, agents, employees and volunteers from any claims, suits or actions of every name, kind and description brought forth, or on account of, injuries to or death of any person (including but not limited to workers and the public), or damage to property, resulting from or arising out of Contractor's willful misconduct or negligent act or omission while engaged in the performance of obligations or exercise of rights created by this Agreement, except those matters arising from City's sole or active negligence or willful misconduct. The parties intend that this provision shall be broadly construed. Contractor's responsibility for such defense and indemnity obligations shall survive the termination or completion of this Agreement for the full period of time allowed by law. The defense and indemnity obligations of this Agreement are undertaken in addition to, and shall not in any way be limited by, the insurance obligations contained in this Agreement.
2. Contractor is an independent contractor, and shall not be considered an officer, agent, or employee of the City.
3. Without the written consent of the City, this Agreement is not assignable by Contractor either in whole or in part.
4. Time is of the essence of this Agreement.
5. At any time during the term of this Agreement, the City has the right to terminate this Agreement, provided Contractor is given thirty (30) days written notice. City's termination shall be without further liability to City; however, Contractor shall be entitled to all costs reasonably incurred prior to the date of termination. Contractor acknowledges that City may terminate this Agreement should funds not be appropriated by its governing body to continue services under this Agreement.
6. This Agreement may only be amended or modified in writing. It is integrated and contains the complete understanding of the parties.
7. All equipment, supplies and services sold to the City of Roseville shall conform to the general safety orders of the State of California.
8. Unless notified to the contrary, in writing, the City assumes that the Contractor has accepted the work in accordance with the plans and specifications (if any) and agrees to do the work in compliance with this Agreement.
9. All prevailing wages and fair employment practices must be adhered to. For prevailing wage contracts over \$25,000, copies of certified payroll must be submitted with invoices. Prevailing wage rates may be obtained from the State Department of Industrial Relations and/or the following website address: <http://www.dir.ca.gov/dlsr/DPreWageDetermination.htm>. In compliance with Labor Code Section 1773.2, as may be amended from time to time, Contractor shall cause a copy of this website to be posted at each jobsite, as applicable.
10. Contractor agrees to the below insurance requirements:
 - a. Unless otherwise specified, the Contractor shall maintain the policies of insurance outlined in Attachment A, incorporated herein by this reference, in full force and effect during the term of this Agreement. The City of Roseville retains sole discretion in determining the types and proper levels of insurance coverage.
 - b. Form. Contractor shall submit a certificate evidencing such coverage for the period covered by this Agreement in a form satisfactory to Risk Management and the City Attorney, prior to undertaking any work hereunder. Any insurance written on a claims made basis is subject to the approval of Risk Management

and the City Attorney.

- c. Additional Insureds. Contractor shall also provide a separate endorsement or section of the policy showing City, its officers, agents, employees, and volunteers as additional insureds for each type of coverage (except Workers' Compensation) and for ongoing and completed operations. Such insurance shall specifically cover the contractual liability of Contractor. The additional insured coverage under the Contractor's policy shall be primary and noncontributory, as evidenced by a separate endorsement or section of the policy, and shall not seek contribution from City's insurance or self-insurance. In addition, the additional insured coverage shall be at least as broad as the Insurance Services Office (ISO) CG 20 01 Endorsement. Any available insurance proceeds in excess of the specified minimum insurance coverage requirements and limits shall be available to the additional insureds. Furthermore, the requirements for coverage and limits shall be:
 - (1) the minimum coverage and limits specified in this Agreement; or
 - (2) the full coverage and maximum limits of any insurance proceeds available to the named insureds, whichever is greater.
- d. Cancellation/Modification. Contractor shall provide thirty (30) days written notice to City prior to cancellation or modification of any insurance required by this Agreement.
- e. Umbrella/Excess Insurance. The limits of insurance required in this Agreement may be satisfied by a combination of primary and excess insurance. Any excess insurance shall contain or be endorsed to contain a provision that such coverage shall also apply on a primary and noncontributory basis for the benefit of City (if agreed to in a written contract) before City's own insurance shall be called upon to protect it as a named insured.
- f. Subcontractors. Contractor agrees to include in its contracts with all subcontractors the same requirements and provisions of this Agreement, including the indemnity and insurance requirements, to the extent they apply to the scope of the subcontractor's work. Furthermore, Contractor shall require its subcontractors to agree to be bound to Contractor and City in the same manner and to the same extent as Contractor is bound to City under this Agreement. Additionally, Contractor shall obligate its subcontractors to comply with these same provisions with respect to any tertiary subcontractor, regardless of tier. A copy of City's indemnity and insurance provisions will be furnished to the subcontractor or tertiary subcontractor upon request.
- g. Self-Insured Retentions. All self-insured retentions (SIR) must be disclosed to Risk Management for approval and shall not reduce the limits of liability. Policies containing any SIR provision shall provide or be endorsed to provide that the SIR may be satisfied by either the named insured or City. City reserves the right to obtain a full certified copy of any insurance policy and endorsements. The failure to exercise this right shall not constitute a waiver of such right.
- h. Waiver of Subrogation. Contractor hereby agrees to waive subrogation which any insurer of Contractor may acquire from Contractor by virtue of the payment of any loss under a Workers Compensation, Commercial General Liability or Automobile Liability policy. All Workers Compensation, Commercial General Liability and Automobile Liability policies shall be endorsed with a waiver of subrogation in favor of City, its officers, agents, employees and volunteers for all work performed by Contractor, its employees, agents and subcontractors.
- i. Liability/Remedies. Insurance coverage in the minimum amounts set forth herein shall not be construed to relieve Contractor of liability in excess of such coverage, nor shall it preclude City from taking such other actions as are available to it under any other provisions of this Agreement or law.

11. Contractor shall comply with all federal, state and local laws and ordinances, including but not limited to the City's storm water regulations, as may be applicable to the performance of services under this Agreement. Failure to comply with local ordinances may result in monetary fines and cancellation of this Agreement. Refer to www.roseville.ca.us/stormwater for links to more information on the City's storm water regulations.
12. In the event that the terms of any attachment or exhibit conflict with any terms of this Agreement, the terms of this Agreement shall control.
13. This Agreement may be executed in one or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument. In the event that any signature is delivered by facsimile transmission or by e-mail delivery of a ".pdf" format data file, such signature shall create a valid and binding obligation of the party executing (or on whose behalf such signature is executed) with the same force and effect as if such facsimile or ".pdf" signature page were an original thereof.
14. If either party commences any legal action against the other party arising out of this Agreement or the performance thereof, the prevailing party in such action shall be entitled to recover its reasonable litigation expenses, including but not limited to, court costs, expert witness fees, discovery expenses, and attorneys' fees. Any action arising out of this Agreement shall be brought in Placer County, California, regardless of where else venue may lie. This Agreement shall be governed by and construed in accordance with the laws of the State of California.
15. This Agreement shall be binding upon the heirs, successors, executors, administrators and assigns of the respective parties hereto.
16. If any of the provisions contained in this Agreement are for any reason held invalid or unenforceable, such holding shall not affect the remaining provisions or the validity and enforceability of the Agreement as a whole.
17. For purposes of this Agreement, the terms "Contractor," "Consultant," and "Supplier" are used interchangeably.
18. No contractor or subcontractor may work on a public works project unless registered with the Department of Industrial Relations pursuant to Labor Code section 1725.5. During the performance of this agreement, Contractor and its subcontractors shall have a continuing legal obligation to maintain current registration with the Department of Industrial Relations. Contractor is hereby notified that this project is subject to compliance monitoring and enforcement by the Department of Industrial Relations.
19. Vehicles with a gross vehicle weight rating (GVWR) greater than 8,500 lbs. and light-duty package delivery vehicles operated in California may be subject to the California Air Resources Board (CARB) Advanced Clean Fleets regulations. Such vehicles may therefore be subject to requirements to reduce emissions and air pollutants. For more information, visit the CARB Advanced Clean Fleet webpage at <https://ww2.arb.ca.gov/our-work/programs/advanced-clean-fleets>.
20. Contractor/consultant's duties and services under this agreement shall not include preparing or assisting the public entity with any portion of the public entity's preparation of a request for proposals, request for qualifications, or any other solicitation regarding a subsequent or additional contract with the public entity. The public entity entering this agreement shall at all times retain responsibility for public contracting, including with respect to any subsequent phase of this project. Contractor/consultant's participation in the planning, discussions, or drawing of project plans or specifications, if any, shall be limited to conceptual, preliminary, or initial plans or specifications. Contractor/consultant shall cooperate with the public entity to ensure that all bidders for a subsequent contract on any subsequent phase of this project have access to the same information, including all conceptual, preliminary, or initial plans or specifications prepared by contractor pursuant to this agreement.
21. Contractor must submit all claims as defined in and in accordance with the claim

resolution process set forth in Section 9204 of the Public Contract Code. Each such claim must be sent to the City by registered mail or certified mail with return receipt requested and must contain reasonable documentation to support the claim. All claims must be received prior to acceptance of the work.

22. Contractor certifies that Contractor, its employees, directors, officers, agents, subcontractors, vendors, and volunteers are not presently debarred, excluded, suspended, declared ineligible, voluntarily excluded, or proposed for debarment, exclusion, suspension, or ineligibility by any federal, state, or local department or agency.
23. The Levine Act (Govt. Code, Section 84308) requires a Party (and its agent(s), if any) to a Proceeding before the City of Roseville that involves any action or consideration related to their contract, license, permit, or other entitlement for use, to disclose any campaign contributions made to City elected or appointed officers totaling more than \$250 within the twelve (12) months prior to the City decision and while a proceeding is pending, and includes certain prohibitions on contribution activity thereafter. If applicable campaign contributions have been made by Contractor and/or its agent(s), Contractor is responsible for compliance, including for its disclosure obligations, if any, as further described at: https://www.roseville.ca.us/government/departments/city_clerk/transparency/levine_act.
24. This Agreement may be amended via change order, but only if such change order is made in writing, approved by the City, and signed by both parties.
25. CONTRACTOR agrees to defend and indemnify CITY if, despite the parties intent and practice, any venue, agency, or court with competent jurisdiction determines that CONTRACTOR and/or any of its agents, officers, employees, volunteers, independent contractors, or subcontractors, are characterized as employee(s) of CITY.

CONTRACTOR and CITY agree that: (a) CONTRACTOR is free from the control and direction of CITY in connection with the performance of the work; (b) CONTRACTOR is providing services directly to CITY; (c) CONTRACTOR has and will maintain at all relevant times a business license; (d) CONTRACTOR maintains a business location that is separate from CITY; (e) CONTRACTOR is customarily engaged in an independently established business of the same nature as that involved in the work performed hereunder; (f) CONTRACTOR actually contracts with other businesses to provide the same or similar services and maintains a clientele without restrictions from CITY; (g) CONTRACTOR advertises and holds itself out to the public as available to provide the same or similar services; (h) CONTRACTOR provides its own tools, vehicles, and equipment to perform the services; (i) CONTRACTOR has negotiated its own rates; (j) CONTRACTOR set its own hours and location of work in accomplishing CITY's on-call needs; and (k) CONTRACTOR has the right to control the manner and means of accomplishing the result desired and exercises its own expert independent judgement.

The supplier named hereon by the acceptance of this order agrees to the provisions of this document titled "Contract Purchase Agreement" and all accompanying terms, conditions, and attachments.

Insurance Submission Process

The City of Roseville Human Resources/Risk Management Department uses a service called EBIX to manage our insurance certificate tracking.

How It Works

- The vendor's contact information is entered into EBIX. EBIX will contact the vendor to request proof of insurance.
- The Vendor can forward the request to their Insurance Agent(s) if necessary.
- Vendor/Insurance Agent submits insurance to EBIX by email to roseville@ebix.com or by fax to (770) 325-5727. After faxing or emailing the certificate, please DO NOT send the certificate by mail to EBIX. Please do not mail, email or fax any certificates to the City of Roseville.
- Once submitted, EBIX reviews the insurance documentation. If there are deficiencies, EBIX will send a follow up letter or email requesting additional information.

Questions Regarding Insurance Submission: Contact EBIX at (951) 652-4239

Questions Regarding Insurance Requirements Contact Risk Management at (916) 774-5202

CALIFORNIA AIR RESOURCES BOARD REGULATION COMPLIANCE

Please indicate whether the Contractor is subject to, and/or in compliance with, the following regulations of the California Air Resources Board.

In-Use Off-Road Diesel-Fueled Fleets Regulation

- 1) Will vehicles subject to Cal. Code Regs., tit. 13, §§ 2449 et seq. be used for the project?
This includes, but is not limited to:
 - a) Vehicles with a diesel-fueled or alternative diesel fueled off-road compression-ignition engine with maximum power (max hp) of 25 horsepower (hp) or greater provided that the vehicle cannot be registered and driven safely on-road or was not designed to be driven on-road, even if it has been modified so that it can be driven safely on-road
 - b) Workover rigs
 - c) Certain two-engine vehicles

Yes ☐ No ☒
- 2) If you answered "Yes" to 1), you **must** submit a valid Certificate of Reported Compliance to the City as provided in Cal. Code Regs., tit. 13, § 2449(n).

Advanced Clean Fleets Regulation

Pursuant to Cal. Code Regs., tit. 13, § 2013(i)(1), the Contractor shall submit to the City a document evidencing that it is listed on the CARB Advanced Clean Fleets webpage as a compliant fleet **OR** a signed statement stating that it is not subject to the High Priority and Federal Fleets regulation of title 13, CCR section 2015 through 2015.6.

The High Priority Fleets regulation applies to, without limitation, entities with more than \$50 million in gross annual revenues and/or which own, operate, or direct the operation of 50 or more vehicles in the total fleet.

- 1) Is the Contractor subject to the High Priority and Federal Fleets regulation of title 13, CCR section 2015 through 2015.6?
Yes ☐ No ☒
- 2) If you answered "Yes" to 1), you **must** submit a document evidencing that you are listed on the CARB Advanced Clean Fleets webpage as a compliant fleet.

Bond No. _____
Premium \$ _____

**PUBLIC WORKS
FAITHFUL PERFORMANCE BOND**

(Project: _____)

WHEREAS, the City of Roseville ("CITY") has awarded a bid and contract to _____ as contractor ("PRINCIPAL") for the public work described as _____ (the "WORK"). The contract ("AGREEMENT"), for the public work described above, and all of its terms and conditions are incorporated by reference and made a part hereof; and

WHEREAS, the PRINCIPAL is required to furnish a bond in connection with the AGREEMENT guaranteeing its faithful performance; and

NOW, THEREFORE, we the undersigned PRINCIPAL and _____, a _____, admitted and duly authorized to transact business under the laws of the State of California, as SURETY ("SURETY"), are held and firmly bound unto the CITY or its successors and assigns in the sum of _____ dollars (\$ _____) (which amount is not less than 100% of the AGREEMENT price) to be paid to the CITY or its successors and assigns; and for which payment, well and truly to be made, we bind ourselves, our heirs, executors and administrators, successors or assigns jointly and severally, firmly by these presents.

The condition of this obligation is such that if the PRINCIPAL, or its heirs, executors, administrators, successors or assigns, shall abide by, and in all respects promptly and faithfully perform the covenants, conditions and provisions in said AGREEMENT and any alteration thereof made as therein provided, notice of which alterations to Surety being hereby waived, on its part to be kept and performed at the time and in the manner therein specified, and in all respects according to their true intent and meaning, and shall indemnify and save harmless CITY, its officers, agents, employees, volunteers as therein stipulated, then this obligation shall be null and void; otherwise, this obligation shall be and remain in full force and effect.

As condition precedent to the satisfactory completion of the contract, the obligation of the PRINCIPAL and SURETY under this Bond shall remain in effect for a period of one (1) year after the completion and acceptance of the WORK. During that time, if the PRINCIPAL, its heirs, executors, administrators, successors or assigns fails to make full, complete and satisfactory repair and replacement or totally protect the CITY from any loss or damage made evident during that year which results from or is caused by either defective materials or faulty workmanship in the prosecution of the WORK, then the obligation shall remain in full force and effect. However, anything in

this paragraph to the contrary notwithstanding, the obligation of the SURETY shall continue so long as any obligation of the PRINCIPAL remains.

No prepayment or delay in payments, and no change, extension, addition or alteration of any provision of the AGREEMENT or in the specifications agreed to between the PRINCIPAL and the CITY, or any forbearance on the part of the CITY shall operate to relieve the SURETY. The SURETY hereby waives the provisions of Section 2819 of the California Civil Code. The SURETY waives all rights of subrogation against the CITY or any person employed by the CITY. If the contract price increases by the issuance of change orders, the amount specified in this bond shall increase by the same amount.

Whenever PRINCIPAL shall be and declared by CITY to be in default under the AGREEMENT, SURETY shall promptly remedy the default, or shall promptly do one of the follow at CITY's election:

1. Undertake through its agents or independent contractors, reasonably acceptable to CITY, to complete the AGREEMENT in accordance with its terms and conditions and to pay and perform all obligations of PRINCIPAL under the AGREEMENT, including without limitation, all obligations with respect to warranties, guarantees, and the payment of liquidated damages.
2. Reimburse CITY for all costs CITY incurs in completing the AGREEMENT, and in correcting, repairing or replacing defects in materials or workmanship and/or materials and workmanship which do not conform to the specifications in the AGREEMENT.

SURETY's obligations hereunder are independent of the obligations of any other surety for the performance of the AGREEMENT, and suit may be brought against SURETY and such other sureties, jointly and severally, or against any one or more of them, or against less than all of them without impairing CITY's rights against the others.

No right of action shall accrue on this bond to or for the use of any person or corporation other than CITY or its successors or assigns.

As part of the obligation secured hereby and in addition to the face amount specified therefore, there shall be included costs and reasonable expenses and fees, including reasonable attorneys' fees, incurred by CITY in successfully enforcing such obligation, all to be taxed as costs and included in any judgment rendered.

**PUBLIC WORKS
LABOR AND MATERIALS PAYMENT BOND**

(Project: _____)

WHEREAS, the City of Roseville ("CITY"), has awarded a bid and contract to _____ as contractor ("PRINCIPAL"), for the public work described as _____ (the "WORK"). The contract ("AGREEMENT"), for the public work described above, and all of its terms and conditions are incorporated by reference and made a part hereof; and

WHEREAS, the PRINCIPAL is required to furnish a bond in connection with the AGREEMENT guaranteeing payment of persons who provide labor and material; and

NOW, THEREFORE, we the undersigned PRINCIPAL and _____, a _____, admitted and duly authorized to transact business under the laws of the State of California, as SURETY ("SURETY"), are held and firmly bound unto the CITY or its successors and assigns in the sum of _____ dollars (\$ _____) (which amount is not less than 100% of the AGREEMENT price) to be paid to the CITY or its successors and assigns; and for which payment, well and truly to be made, we bind ourselves, our heirs, executors and administrators, successors or assigns jointly and severally, firmly by these presents.

The condition of the obligation is such that if the PRINCIPAL, its subcontractors, heirs, executors, administrators, successors or assigns fails to pay any of the persons named in Section 8004 or 9100 of the Civil Code of the State of California, or the amounts due under the Unemployment Insurance Code of the State of California, or any amounts required to be deducted, withheld and paid over to the Employment Development Department from the wages of employees of the PRINCIPAL and its subcontractors pursuant to Section 13020 of the Unemployment Insurance Code, with respect to work or labor performed by any such claimant, that the SURETY will pay for the same, in an amount not exceeding the sum specified in this bond, and also, in case suit is brought upon the bond, shall pay reasonable attorneys' fees, to be fixed by the Court.

This bond shall inure to the benefit of any and all persons, companies, and corporations entitled to file a Stop Payment Notice pursuant to the provisions of Section 9350 et seq. of the Civil Code of the State of California, so as to give a right of action to them or their assigns in any suit brought upon this bond.

No prepayment or delay in payments, and no change, extension, addition or alteration of any provision of the AGREEMENT or in the specifications agreed to between the PRINCIPAL and the CITY, or any forbearance on the part of the CITY shall operate to relieve the SURETY. The SURETY hereby waives the provisions of Section 2819 of the California Civil Code. The SURETY waives all rights of subrogation against the CITY or any person employed by the CITY. If the contract price increases by the issuance of change orders, the amount specified in this bond shall increase by the same amount.

As part of the obligation secured hereby and in addition to the face amount specified therefore, there shall be included costs and reasonable expenses and fees, including reasonable attorneys' fees, incurred by CITY in successfully enforcing such obligation, all to be taxed as costs and included in any judgment rendered.

IN WITNESS WHEREOF, this instrument has been duly executed by the PRINCIPAL and SURETY above-named, on the _____ day of _____, 20__.

April, 2022

RE: Contractor and Grantee Compliance with Economic Sanctions Imposed in Response to Russia's Actions in Ukraine

Dear Vendor:

On March 4, 2022, Governor Gavin Newsom issued Executive Order N-6-22 (EO) regarding sanctions in response to Russian aggression in Ukraine. The EO is located at <https://www.gov.ca.gov/wp-content/uploads/2022/03/3.4.22-Russia-Ukraine-Executive-Order.pdf>.

The EO directs all agencies and departments that are subject to the Governor's authority to take certain immediate steps, including notifying all contractors and grantees of their obligations to comply with existing economic sanctions imposed by the U.S. government in response to Russia's actions in Ukraine, as well as any sanctions imposed under state law.

This correspondence serves as a notice under the EO that as a contractor or grantee, compliance with the economic sanctions imposed in response to Russia's actions in Ukraine is required, including with respect to, but not limited to, the federal executive orders identified in the EO and the sanctions identified on the U.S. Department of the Treasury website (<https://home.treasury.gov/policy-issues/financial-sanctions/sanctions-programs-and-country-information/ukraine-russia-related-sanctions>). Failure to comply may result in the termination of contracts or grants, as applicable.

Please note that for any agreements or grants valued at \$5 million or more you must report to the City of Roseville your compliance with economic sanctions including steps you have taken in response to Russia's actions in Ukraine, including, but not limited to, desisting from making new investments in, or engaging in financial transactions with, Russian entities, not transferring technology to Russia or Russian entities, and directly providing support to the government and people of Ukraine.

Sincerely,

DocuSigned by:

COUNCIL COMMUNICATION

CC #: 3674
File #: 0203-07

Title: Industrial Valve Services and Materials - Sole Source Contract Purchase Agreement
Contact: Nathan Ribordy 916-746-1673 nribordy@roseville.ca.us

Meeting Date: 12/18/2024
Item #: 7.5.

RECOMMENDATION TO COUNCIL

Staff recommends that the City Council adopt a resolution authorizing the City Manager to execute a sole source contract purchase agreement with Caltrol, Inc. to provide equipment, parts, and services to Roseville Electric Utility. This purchase agreement is for a one-year term and allows for up to four optional one-year renewals. Staff also requests authorization to continue utilizing optional renewal years without further City Council approval, provided that the applicable budget is approved by the City Council each year, or until City staff determines that continuing with the same vendor is not in the City's best interest.

BACKGROUND

The City operates three natural-gas fired power plants that utilize equipment supplied by Emerson Process Management. The equipment includes control valves and actuators, regulator technologies, and certain pressure relief valves. Caltrol, Inc. is the sole authorized sales channel for Emerson Process Management equipment. This sole source agreement will enable staff to have access to equipment, spare parts, and services as needed to support continued safe and efficient operation of the generation facilities. The purchase agreement is for a one-year term and allows for up to four optional one-year renewals.

FISCAL IMPACT

The total annual costs under the contract are not to exceed \$300,000. Funding is included in the Electric Department's FY2024-25 Budget in the Electric Fund. Funding for future years is contingent on approval of the respective years' budgets.

ENVIRONMENTAL REVIEW

The California Environmental Quality Act (CEQA) does not apply to activities that will not result in a direct or reasonably foreseeable indirect physical change in the environment, or is otherwise not considered a project as defined by CEQA Statute §21065 and CEQA State Guidelines §15060(c)(3) and §15378. The purchase of specialty chemicals and support services meets the

above criteria and is not subject to CEQA. No additional environmental review is required.

CITY COUNCIL STRATEGIC PLAN/OVERARCHING GOALS

Goal E - Deliver exceptional city services

Goal F - Invest in well-planned infrastructure and growth

Respectfully Submitted,

Nathan Ribordy, Power Generation Superintendent

Dan Beans, Electric Utility Director

Resolution 24-412

Contract Purchase Agreement 3004163

RESOLUTION NO. 24-412

APPROVING A SOLE SOURCE CONTRACT PURCHASE AGREEMENT, BY AND BETWEEN THE CITY OF ROSEVILLE AND CALTROL, INC., AND AUTHORIZING THE CITY MANAGER TO EXECUTE IT ON BEHALF OF THE CITY OF ROSEVILLE

WHEREAS, a sole source contract purchase agreement (3004163) for industrial valve services and materials, by and between the City of Roseville and Caltrol, Inc., has been reviewed by the City Council; and

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Roseville that said agreement is approved and the City Manager is authorized to execute it on behalf of the City of Roseville.

BE IT FURTHER RESOLVED that the City Manager or his designee is authorized to execute four (4) additional one (1) year renewals without further City Council approval, provided that the applicable budget is approved by the City Council each year, or until City staff determines that continuing with the same vendor is not in the City's best interest.

PASSED AND ADOPTED by the Council of the City of Roseville this ____ day of _____, 2024, by the following vote on roll call:

Contract Terms and Conditions

1. To the fullest extent allowed by law, Contractor shall defend, indemnify, and save and hold harmless the City, its officers, agents, employees and volunteers from any claims, suits or actions of every name, kind and description brought forth, or on account of, injuries to or death of any person (including but not limited to workers and the public), or damage to property, resulting from or arising out of Contractor's willful misconduct or negligent act or omission while engaged in the performance of obligations or exercise of rights created by this Agreement, except those matters arising from City's sole or active negligence or willful misconduct. The parties intend that this provision shall be broadly construed. Contractor's responsibility for such defense and indemnity obligations shall survive the termination or completion of this Agreement for the full period of time allowed by law. The defense and indemnity obligations of this Agreement are undertaken in addition to, and shall not in any way be limited by, the insurance obligations contained in this Agreement.
2. Contractor is an independent contractor, and shall not be considered an officer, agent, or employee of the City.
3. Without the written consent of the City, this Agreement is not assignable by Contractor either in whole or in part.
4. Time is of the essence of this Agreement.
5. At any time during the term of this Agreement, the City has the right to terminate this Agreement, provided Contractor is given thirty (30) days written notice. City's termination shall be without further liability to City; however, Contractor shall be entitled to all costs reasonably incurred prior to the date of termination. Contractor acknowledges that City may terminate this Agreement should funds not be appropriated by its governing body to continue services under this Agreement.
6. This Agreement may only be amended or modified in writing. It is integrated and contains the complete understanding of the parties.
7. All equipment, supplies and services sold to the City of Roseville shall conform to the general safety orders of the State of California.
8. Unless notified to the contrary, in writing, the City assumes that the Contractor has accepted the work in accordance with the plans and specifications (if any) and agrees to do the work in compliance with this Agreement.
9. All prevailing wages and fair employment practices must be adhered to. For prevailing wage contracts over \$25,000, copies of certified payroll must be submitted with invoices. Prevailing wage rates may be obtained from the State Department of Industrial Relations and/or the following website address: <http://www.dir.ca.gov/dlsr/DPreWageDetermination.htm>. In compliance with Labor Code Section 1773.2, as may be amended from time to time, Contractor shall cause a copy of this website to be posted at each jobsite, as applicable.
10. Contractor agrees to the below insurance requirements:
 - a. Unless otherwise specified, the Contractor shall maintain the policies of insurance outlined in Attachment A, incorporated herein by this reference, in full force and effect during the term of this Agreement. The City of Roseville retains sole discretion in determining the types and proper levels of insurance coverage.
 - b. Form. Contractor shall submit a certificate evidencing such coverage for the period covered by this Agreement in a form satisfactory to Risk Management and the City Attorney, prior to undertaking any work hereunder. Any insurance written on a claims made basis is subject to the approval of Risk Management

and the City Attorney.

- c. **Additional Insureds.** Contractor shall also provide a separate endorsement or section of the policy showing City, its officers, agents, employees, and volunteers as additional insureds for each type of coverage (except Workers' Compensation) and for ongoing and completed operations. Such insurance shall specifically cover the contractual liability of Contractor. The additional insured coverage under the Contractor's policy shall be primary and noncontributory, as evidenced by a separate endorsement or section of the policy, and shall not seek contribution from City's insurance or self-insurance. In addition, the additional insured coverage shall be at least as broad as the Insurance Services Office (ISO) CG 20 01 Endorsement. Any available insurance proceeds in excess of the specified minimum insurance coverage requirements and limits shall be available to the additional insureds. Furthermore, the requirements for coverage and limits shall be:
 - (1) the minimum coverage and limits specified in this Agreement; or
 - (2) the full coverage and maximum limits of any insurance proceeds available to the named insureds, whichever is greater.
- d. **Cancellation/Modification.** Contractor shall provide thirty (30) days written notice to City prior to cancellation or modification of any insurance required by this Agreement.
- e. **Umbrella/Excess Insurance.** The limits of insurance required in this Agreement may be satisfied by a combination of primary and excess insurance. Any excess insurance shall contain or be endorsed to contain a provision that such coverage shall also apply on a primary and noncontributory basis for the benefit of City (if agreed to in a written contract) before City's own insurance shall be called upon to protect it as a named insured.
- f. **Subcontractors.** Contractor agrees to include in its contracts with all subcontractors the same requirements and provisions of this Agreement, including the indemnity and insurance requirements, to the extent they apply to the scope of the subcontractor's work. Furthermore, Contractor shall require its subcontractors to agree to be bound to Contractor and City in the same manner and to the same extent as Contractor is bound to City under this Agreement. Additionally, Contractor shall obligate its subcontractors to comply with these same provisions with respect to any tertiary subcontractor, regardless of tier. A copy of City's indemnity and insurance provisions will be furnished to the subcontractor or tertiary subcontractor upon request.
- g. **Self-Insured Retentions.** All self-insured retentions (SIR) must be disclosed to Risk Management for approval and shall not reduce the limits of liability. Policies containing any SIR provision shall provide or be endorsed to provide that the SIR may be satisfied by either the named insured or City. City reserves the right to obtain a full certified copy of any insurance policy and endorsements. The failure to exercise this right shall not constitute a waiver of such right.
- h. **Waiver of Subrogation.** Contractor hereby agrees to waive subrogation which any insurer of Contractor may acquire from Contractor by virtue of the payment of any loss under a Workers Compensation, Commercial General Liability or Automobile Liability policy. All Workers Compensation, Commercial General Liability and Automobile Liability policies shall be endorsed with a waiver of subrogation in favor of City, its officers, agents, employees and volunteers for all work performed by Contractor, its employees, agents and subcontractors.
- i. **Liability/Remedies.** Insurance coverage in the minimum amounts set forth herein shall not be construed to relieve Contractor of liability in excess of such coverage, nor shall it preclude City from taking such other actions as are available to it under any other provisions of this Agreement or law.

11. Contractor shall comply with all federal, state and local laws and ordinances, including but not limited to the City's storm water regulations, as may be applicable to the performance of services under this Agreement. Failure to comply with local ordinances may result in monetary fines and cancellation of this Agreement. Refer to www.roseville.ca.us/stormwater for links to more information on the City's storm water regulations.
12. In the event that the terms of any attachment or exhibit conflict with any terms of this Agreement, the terms of this Agreement shall control.
13. This Agreement may be executed in one or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument. In the event that any signature is delivered by facsimile transmission or by e-mail delivery of a ".pdf" format data file, such signature shall create a valid and binding obligation of the party executing (or on whose behalf such signature is executed) with the same force and effect as if such facsimile or ".pdf" signature page were an original thereof.
14. If either party commences any legal action against the other party arising out of this Agreement or the performance thereof, the prevailing party in such action shall be entitled to recover its reasonable litigation expenses, including but not limited to, court costs, expert witness fees, discovery expenses, and attorneys' fees. Any action arising out of this Agreement shall be brought in Placer County, California, regardless of where else venue may lie. This Agreement shall be governed by and construed in accordance with the laws of the State of California.
15. This Agreement shall be binding upon the heirs, successors, executors, administrators and assigns of the respective parties hereto.
16. If any of the provisions contained in this Agreement are for any reason held invalid or unenforceable, such holding shall not affect the remaining provisions or the validity and enforceability of the Agreement as a whole.
17. For purposes of this Agreement, the terms "Contractor," "Consultant," and "Supplier" are used interchangeably.
18. No contractor or subcontractor may work on a public works project unless registered with the Department of Industrial Relations pursuant to Labor Code section 1725.5. During the performance of this agreement, Contractor and its subcontractors shall have a continuing legal obligation to maintain current registration with the Department of Industrial Relations. Contractor is hereby notified that this project is subject to compliance monitoring and enforcement by the Department of Industrial Relations.
19. Vehicles with a gross vehicle weight rating (GVWR) greater than 8,500 lbs. and light-duty package delivery vehicles operated in California may be subject to the California Air Resources Board (CARB) Advanced Clean Fleets regulations. Such vehicles may therefore be subject to requirements to reduce emissions and air pollutants. For more information, visit the CARB Advanced Clean Fleet webpage at <https://ww2.arb.ca.gov/our-work/programs/advanced-clean-fleets>.
20. Contractor/consultant's duties and services under this agreement shall not include preparing or assisting the public entity with any portion of the public entity's preparation of a request for proposals, request for qualifications, or any other solicitation regarding a subsequent or additional contract with the public entity. The public entity entering this agreement shall at all times retain responsibility for public contracting, including with respect to any subsequent phase of this project. Contractor/consultant's participation in the planning, discussions, or drawing of project plans or specifications, if any, shall be limited to conceptual, preliminary, or initial plans or specifications. Contractor/consultant shall cooperate with the public entity to ensure that all bidders for a subsequent contract on any subsequent phase of this project have access to the same information, including all conceptual, preliminary, or initial plans or specifications prepared by contractor pursuant to this agreement.
21. Contractor must submit all claims as defined in and in accordance with the claim

resolution process set forth in Section 9204 of the Public Contract Code. Each such claim must be sent to the City by registered mail or certified mail with return receipt requested and must contain reasonable documentation to support the claim. All claims must be received prior to acceptance of the work.

22. Contractor certifies that Contractor, its employees, directors, officers, agents, subcontractors, vendors, and volunteers are not presently debarred, excluded, suspended, declared ineligible, voluntarily excluded, or proposed for debarment, exclusion, suspension, or ineligibility by any federal, state, or local department or agency.
23. The Levine Act (Govt. Code, Section 84308) requires a Party (and its agent(s), if any) to a Proceeding before the City of Roseville that involves any action or consideration related to their contract, license, permit, or other entitlement for use, to disclose any campaign contributions made to City elected or appointed officers totaling more than \$250 within the twelve (12) months prior to the City decision and while a proceeding is pending, and includes certain prohibitions on contribution activity thereafter. If applicable campaign contributions have been made by Contractor and/or its agent(s), Contractor is responsible for compliance, including for its disclosure obligations, if any, as further described at: https://www.roseville.ca.us/government/departments/city_clerk/transparency/levine_act.
24. This Agreement may be amended via change order, but only if such change order is made in writing, approved by the City, and signed by both parties.
25. CONTRACTOR agrees to defend and indemnify CITY if, despite the parties intent and practice, any venue, agency, or court with competent jurisdiction determines that CONTRACTOR and/or any of its agents, officers, employees, volunteers, independent contractors, or subcontractors, are characterized as employee(s) of CITY.

CONTRACTOR and CITY agree that: (a) CONTRACTOR is free from the control and direction of CITY in connection with the performance of the work; (b) CONTRACTOR is providing services directly to CITY; (c) CONTRACTOR has and will maintain at all relevant times a business license; (d) CONTRACTOR maintains a business location that is separate from CITY; (e) CONTRACTOR is customarily engaged in an independently established business of the same nature as that involved in the work performed hereunder; (f) CONTRACTOR actually contracts with other businesses to provide the same or similar services and maintains a clientele without restrictions from CITY; (g) CONTRACTOR advertises and holds itself out to the public as available to provide the same or similar services; (h) CONTRACTOR provides its own tools, vehicles, and equipment to perform the services; (i) CONTRACTOR has negotiated its own rates; (j) CONTRACTOR set its own hours and location of work in accomplishing CITY's on-call needs; and (k) CONTRACTOR has the right to control the manner and means of accomplishing the result desired and exercises its own expert independent judgement.

The supplier named hereon by the acceptance of this order agrees to the provisions of this document titled "Contract Purchase Agreement" and all accompanying terms, conditions, and attachments.

Insurance Submission Process

The City of Roseville Human Resources/Risk Management Department uses a service called EBIX to manage our insurance certificate tracking.

How It Works

- The vendor's contact information is entered into EBIX. EBIX will contact the vendor to request proof of insurance.
- The Vendor can forward the request to their Insurance Agent(s) if necessary.
- Vendor/Insurance Agent submits insurance to EBIX by email to roseville@ebix.com or by fax to (770) 325-5727. After faxing or emailing the certificate, please DO NOT send the certificate by mail to EBIX. Please do not mail, email or fax any certificates to the City of Roseville.
- Once submitted, EBIX reviews the insurance documentation. If there are deficiencies, EBIX will send a follow up letter or email requesting additional information.

Questions Regarding Insurance Submission: Contact EBIX at (951) 652-4239

Questions Regarding Insurance Requirements Contact Risk Management at (916) 774-5202

Asbestos-Containing Materials in City-Owned Buildings

California Health and Safety Code Section 25915 requires that all City of Roseville employees, contractors and lessees be notified annually of the presence of asbestos in City-owned buildings constructed prior to 1979. Please post this notice in an area(s) accessible to all employees, contractors and lessees. Contact Facility Maintenance & Operations at (916) 774-5740 for more information about Asbestos Containing Materials (ACMs) in specific City-owned buildings. For more information about asbestos refer to the OSHA website.

The City of Roseville is committed to maintaining a safe and healthy work environment. The City's Facility Maintenance & Operations staff conducts ongoing inspections to identify and safely manage previously installed asbestos-containing products. Renovation of City-owned buildings **MUST** be reviewed in advance by Facility Maintenance & Operations to ensure the City is in compliance with building codes, Americans with Disabilities Act and that no ACMs are disturbed without proper safeguards. Work that requires removal or repair of ACMs is restricted to trained and qualified persons only. **Facility Maintenance & Operations will need to approve the qualified contractors.**

Use the following measures to protect you and others from exposure to airborne asbestos:

- Presume all building materials contain asbestos until determined otherwise by Facility Maintenance & Operations.
- Do not install walls, closets, cabinets, ceilings.
- Do not remove, cut, drill, sand, grind or otherwise disturb any material in the buildings, including carpet and tile.
- Do not paint (this includes any walls, ceilings, floors and electrostatic painting of office furniture).
- Do not remove any items nailed or screwed to the walls (this includes pictures, cabinets, electrical, etc.).
- Do not go above ceilings, behind walls or into building spaces such as attics and crawlspaces unless these areas have been inspected and cleared by Facility Maintenance & Operations.
- Do not pull cable or wiring through above-ceiling spaces with asbestos.
- Do not install screws, pins, nails or hangers into asbestos ceiling or wall plaster.
- Be careful not to damage walls, ceilings or floors when moving furniture or equipment. It is recommended that Facility Maintenance & Operations be contacted prior to moving furniture or equipment.
- Do not brush, sweep or vacuum textured asbestos ceiling plaster or plaster debris.
- Immediately report any damage or deterioration of suspect building materials to Facility Maintenance & Operations or Risk Management.

It is important to note that the presence of asbestos does not mean you have been exposed. Exposure results when friable asbestos particles are inhaled or ingested. Asbestos becomes friable when material containing asbestos is drilled, sanded or disturbed by remodeling or demolition work or when the ACM has deteriorated. Intact, bonded, sealed or undisturbed asbestos does not pose a hazard.

Employees may review the asbestos survey reports, results of bulk sampling or air monitoring conducted in City-owned buildings. All asbestos data will be available by appointment with Facility Maintenance & Operations.

CALIFORNIA AIR RESOURCES BOARD REGULATION COMPLIANCE

Please indicate whether the Contractor is subject to, and/or in compliance with, the following regulations of the California Air Resources Board.

In-Use Off-Road Diesel-Fueled Fleets Regulation

- 1) Will vehicles subject to Cal. Code Regs., tit. 13, §§ 2449 et seq. be used for the project?
This includes, but is not limited to:
 - a) Vehicles with a diesel-fueled or alternative diesel fueled off-road compression-ignition engine with maximum power (max hp) of 25 horsepower (hp) or greater provided that the vehicle cannot be registered and driven safely on-road or was not designed to be driven on-road, even if it has been modified so that it can be driven safely on-road
 - b) Workover rigs
 - c) Certain two-engine vehicles

Yes ☐ No ☒
- 2) If you answered "Yes" to 1), you **must** submit a valid Certificate of Reported Compliance to the City as provided in Cal. Code Regs., tit. 13, § 2449(n).

Advanced Clean Fleets Regulation

Pursuant to Cal. Code Regs., tit. 13, § 2013(i)(1), the Contractor shall submit to the City a document evidencing that it is listed on the CARB Advanced Clean Fleets webpage as a compliant fleet **OR** a signed statement stating that it is not subject to the High Priority and Federal Fleets regulation of title 13, CCR section 2015 through 2015.6.

The High Priority Fleets regulation applies to, without limitation, entities with more than \$50 million in gross annual revenues and/or which own, operate, or direct the operation of 50 or more vehicles in the total fleet.

- 1) Is the Contractor subject to the High Priority and Federal Fleets regulation of title 13, CCR section 2015 through 2015.6?
Yes ☐ No ☒
- 2) If you answered "Yes" to 1), you **must** submit a document evidencing that you are listed on the CARB Advanced Clean Fleets webpage as a compliant fleet.

Dear Valued Customer,

This letter is to confirm that Caltrol, Inc. is the authorized sales channel for Emerson Automation Solutions in California, Arizona and Western Nevada. As our Impact Partner, Caltrol is the sole authorized representative for certain Emerson Automation Solutions products and services in these regions. A complete list of Emerson brands represented by Caltrol in California, Arizona and Western Nevada is included in the attachment.

Emerson Automation Solutions does not authorize any other company claiming that they are the Emerson's representative for the listed products and services in these regions.

Thank you for your business.

Sincerely,

A handwritten signature in cursive script that reads "Bethanne Slaughter".

Important note:

For the following products and solutions, Emerson Automation Solutions has a direct sales channel that services California, Arizona and Western Nevada. These products are sold and serviced through our direct sales team. To support our local customers, Emerson works in close collaboration with Caltrol for solutions or services that span multiple product lines/business units, including those listed below.

Measurement, Flow and Analytical Devices and parts & service:

(Supported by direct sales channel, not through Caltrol)

- Magtech level
- Micro Motion flow
- Daniel
- Rosemount Analytical
- Rosemount Tank Gauging
- Rosemount Measurement
- Rosemount Flow
- Rosemount Wireless field instruments

Plant and Field Automation and associated parts & service:

(Supported by direct sales channel, not through Caltrol)

- Ovation control systems for power and water

Emerson Automation Solutions through its local business partner, Caltrol, appreciates your business and commitment to Emerson.

COUNCIL COMMUNICATION

CC #: 3683
File #: 0203-14

Title: Roseville Energy Park Centrifuge Dewatering Equipment - Sole Source Purchase Order
Contact: Michael Zasso 916-746-1665 mzasso@roseville.ca.us

Meeting Date: 12/18/2024
Item #: 7.6.

RECOMMENDATION TO COUNCIL

Staff recommends that the City Council adopt a resolution to approve a sole source purchase order to Siebtechnik Tema for centrifuge dewatering equipment and to approve change order authority for staff to approve unforeseen change orders up to 10% of the cost.

BACKGROUND

The Roseville Energy Park (REP) utilizes a Zero Liquid Discharge (ZLD) system to make demineralized water and treat process waste streams. The final treatment step in the ZLD is dewatering slurry from two crystallizers to produce a dry salt cake that is hauled to the local landfill. The dewatering treatment step is currently performed by a single belt press originally installed during the ZLD construction in 2006.

The existing belt press is a single point of failure and offers no redundancy when failure often occurs. It is severely undersized, restricting ZLD processing capacity; it inefficiently dewateres slurry in batch feeds rather than a continuous feed; and, after many repairs and improvements, the belt press is at end of life.

Staff identified the belt press's shortcomings and sought new dewatering technology. The requirements of the new technology are increasing processing capacity to eliminate the need for hauling off liquid waste, allowing for efficient continuous feed and eliminating the single point of failure by providing redundancy, while keeping cost, consumables, and new auxiliary equipment to a minimum.

In order to determine a more suitable technology for a replacement for the belt press, staff sent samples of the slurry to six different vendors that specialize in various dewatering technologies. Only three of the six vendors were capable of processing the slurry and all three brought their equipment to REP for onsite testing. Through the rigorous engineering and operational testing conducted onsite at the REP, the centrifuge technology by Siebtechnik Tema was the only vendor successful in processing the slurry and meeting all of the design requirements. A quote from

Siebtechnik Tema was obtained for their specialized proprietary equipment to process the crystallizer slurry with the required exotic stainless-steel alloys that can resist the REP slurry corrosion and erosion.

FISCAL IMPACT

The total cost of one centrifuge, estimated import fees/duties, estimated freight, and sales tax is \$510,302.71. An additional 10% contingency is requested for unforeseen change orders of \$51,030.27, for a total requested budget authority of \$561,332.98. Funding is included in the Electric Department's FY2024-25 budget in the Electric Fund.

ENVIRONMENTAL REVIEW

The proposed project involves operational minor alterations of an existing facility. This activity is categorically exempt from CEQA as a Class 1 Exemption (State CEQA Guidelines Section 15301). The Exemption has been prepared and no further CEQA action is required.

CITY COUNCIL STRATEGIC PLAN/OVERARCHING GOALS

Goal E - Deliver exceptional city services

Goal F - Invest in well-planned infrastructure and growth

Respectfully Submitted,

Michael Zasso, Power Plant Engineer

Daniel Beans, Electric Utility Director

RESOLUTION NO. 24-419

APPROVING A SOLE SOURCE PURCHASE ORDER FOR CENTRIFUGE DEWATERING
EQUIPMENT FOR THE ROSEVILLE ENERGY PARK

WHEREAS, a sole source purchase order with Siebtechnik Tema for centrifuge dewatering equipment for the Roseville Energy Park, has been reviewed by the City Council; and

WHEREAS, staff is requesting a contingency of ten percent (10%) of the contract price, or fifty-one thousand, thirty dollars and twenty-seven cents (\$51,030.27) to account for unforeseen change orders; and

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Roseville that said sole source purchase order is hereby approved; and

BE IT FURTHER RESOLVED that a contingency of ten percent (10%) of the contract price, or fifty-one thousand, thirty dollars and twenty-seven cents (\$51,030.27), to account for unforeseen change orders is hereby approved.

PASSED AND ADOPTED by the Council of the City of Roseville this ____ day of _____, 2024, by the following vote on roll call:

4. Site installation check, mechanical test run and final site acceptance test

Factory Acceptance Test (FAT)

The FAT in the SIEBTECHNIK workshop is carried out according to the SIEBTECHNIK Quality Plan. The corresponding test report Q3034-D-E must contain all measured data. This document shall be signed by authorized SIEBTECHNIK personnel and shall be part of Quality Manual, delivered with the centrifuge.

Detailed test reports of all unwitnessed tests will be provided by us for review.

The certification documents of the unwitnessed tests and inspections shall be reviewed by the customer.

For all electrical equipment we will provide IEC certificates.

Both our company and all our sub-suppliers work according to their quality plans. SIEBTECHNIK is DIN EN ISO 9001 certified.

We grant the buyer the opportunity to visit our production site in Germany and participate the inspections and the FAT procedure.

The on-site presence time is limited due to the inspection time/ FAT of the machine.

Site Acceptance Test (SAT)

Storage before installation

Before installation purchaser shall ensure a storage and handling of the equipment as per manual by qualified personnel. The location shall be free from dust and dirt, humidity, free of ferrites. Special attention shall be given to the regular moving of the rotor assembly according to maintenance manual.

This includes (1) Siebtechnik Tema employee on site for start-up for up to two days at no charge. They are there to answer questions, make suggestion, and observe. If installation or programming is required that will be done on our standard shop rates.

Site Installation

Purchaser shall install the equipment according to instructions and data of SIEBTECHNIK by qualified personnel. The ground shall be designed for given dynamic and static loads. Sufficient and orderly hoist or cranes shall be available. All connections shall be realized as per SIEBTECHNIK instructions. Media shall be connected flexible. Electrical connections shall be realized according to documents and connection lists. The control – if not supplied by SIEBTECHNIK – shall be executed as per SIEBTECHNIK logic diagram. Purchaser shall have finished successfully the loop check. Intermediate maintenance is supposed to be made according to manual by purchaser. An installation protocol is mandatory and will be provided by the purchaser.

Site Installation check

SIEBTECHNIK shall finalize the installation phase together with the customer by inspecting the installed equipment in detail. The inspection check shall be completed by both parties. Details and deficiencies shall be indicated clearly. These deficiencies shall be rectified by customer upon short notice.

An installation check protocol is mandatory.

Start-up

For the start-up of the equipment customer shall ensure sufficient availability of qualified personnel. Continuous operation of up-stream and down-stream equipment must be ensured together with supply of raw material and media in agreed quality and quantity.

The start-up is successfully finished when processing minimum 80% of the agreed solid feed in a continuous operation by reaching separation results with a tolerance of +/- 20%.

Customer shall allow SIEBTECHNIK specialists access to all necessary measuring results and allow the support for optimizing plant's parameters.

After a successful start-up the delivery is understood as complete and with the orderly functioning of the equipment the guarantee period starts.

A start-up protocol is mandatory.

Process optimization

Before starting the final acceptance test the operation of the centrifuge shall be optimized by SIEBTECHNIK centrifuge specialists. Customer's comprehensive support is mandatory. Centrifuge Specialists access to the site and to the equipment is ensured.

A process optimization protocol is mandatory.

Site Acceptance Test

Customer shall inform SIEBTECHNIK about his readiness for the final Site Acceptance Test. Then he shall supply sufficient raw material and media in the contractually defined quality and quantity. SIEBTECHNIK defines the adjustments of the centrifuges for this SAT. When a constant and stable production has been reached, the Acceptance Test starts. The duration of the test is 72 hours.

Customer shall operate the plant continuously with qualified and trained personnel. Machine settings are defined by SIEBTECHNIK specialists and shall not be changed by purchaser.

Before starting the SAT SIEBTECHNIK has the right to request the maintenance of the centrifuge and also the exchange of wear parts, related costs are borne by purchaser. A SAT protocol is mandatory.

Sample Taking and Analysis

Once a shift samples shall be taken by customer, he shall ensure an orderly and qualified sample taking. SIEBTECHNIK has the right to observe this sample taking.

To be sampled and measured are:

- all defined and agreed feed parameters together with
- all defined and guaranteed operation and separation parameters.

The sample analysis shall be performed by customer in suitable laboratories with qualified personnel in reasonable short time. SIEBTECHNIK specialists have the right to accompany the analysis with full access to the laboratory and related documentation.

A sample taking and sample analysis protocol is mandatory.

Evaluation

For each defined, agreed, or guaranteed value (both feed and operation / separation performance) the arithmetical average of all samples taken is calculated. For these values a tolerance of +/- 5% applies.

Acceptance

When all values comply with the contractual guarantees, the equipment is accepted, and a Site Acceptance Test protocol is issued.

If the Acceptance Test cannot be performed at all due to reasons beyond SIEBTECHNIK responsibility the equipment is deemed accepted the latest 24 months after delivery date.

In case guarantee values cannot be reached due to reasons beyond SIEBTECHNIK control, such as feed not complying to defined and agreed parameters, up/down stream failures, etc, customer shall adjust his frame conditions and invite SIEBTECHNIK again, to repeat the test. If the frame conditions cannot be corrected and reached by customer for more than two times the equipment is deemed accepted.

In case guarantee values cannot be reached although defined feed parameters are achieved, SIEBTECHNIK has the right to modify and adjust the centrifuge. After modification SIEBTECHNIK shall inform customer to repeat the Acceptance Test as described above. Customer shall allow a reasonable time for modification, taking in consideration that some major parts of centrifuges have long manufacturing times. SIEBTECHNIK shall have the right to repeat this Acceptance Test.

In case guarantee values are not reached after maximum three repeated tests, the contractually agreed penalties apply. Any further claims are excluded.
An acceptance protocol is mandatory.

SIEBTECHNIK is confirming explicitly to support purchaser in optimizing production results.

5. General Conditions

Mechanical Warranty:

The Goods shall be free of defects in workmanship and materials for a period of twelve (12) months from the date of Commissioning or eighteen (18) months after Seller's notification that the Goods are ready for delivery, whichever occurs first. Normal wear and tear is excluded.

Limited Liability:

No Consequential Damages

Whether due to delay, breach of contract or warranty, (including negligence and strict liability) or otherwise, neither Seller nor its subcontractors or agents of any tier shall be liable for any special, indirect, incidental, or consequential damages of any nature, including, without limitation, Customer's loss of actual or anticipated profits or revenues, loss by reason of shutdown, non-operation, or increased expense of manufacturing or operation, loss of use, cost of capital, damage to or loss of property or equipment of Customer or claims of customers of Customer.

Maximum liability

Except for personal injuries caused by the wilful misconduct or gross negligence of Seller, the aggregate liability of Seller or its subcontractors or agents of any tier to Customer whether in contract, warranty, tort (including negligence and strict liability) or otherwise for the performance or breach of the Contract or anything done in connection therewith shall not exceed one hundred percent (100%) of the amount paid Seller hereunder.

Scope of supply:

Included within the scope of supply is only the equipment mentioned in this offer. All further material as piping, tubes, cables, electrical components and distribution, are not included and have to be supplied and installed by the Buyer. Necessary technical specifications will be supplied by SIEBTECHNIK. The offered equipment is built according to the laws, norms and regulations of the EU. Exceptions hereof only apply if they are mentioned explicitly in our offer.

Terms of Delivery / Price Basis

FCA Mülheim/Ruhr, according to Incoterms 2020 of the International Chamber of Commerce.

Excluding packing, without duty, without clearance charges, without any taxes in the country of consignee, without any other dues, without installation and without commissioning. All taxes in the country of consignee are to be paid by the Buyer, all taxes in the Federal Republic of Germany are to be paid by the Seller.

The total price does not include the cost for any official applications, examinations, inspections and approvals which may be necessary for the plant or parts thereof. These will be paid by the Buyer.

The price level of this quotation is according the date of the quotation. Should raw material prices be subject to increase prior to delivery, the Seller reserves the right to charge for the proportional extra costs.

Terms of Payment:

30% with purchase order

30% 60 days after receipt of order

30% at shipment

10% net 90 days after shipment

Centrifuges

Sanctions

- (1) The Importer/Buyer shall not sell, export or re—export, directly or indirectly, to the Russian Federation or for use in the Russian Federation any goods supplied under or in connection with this Agreement that fall under the scope of Article 129 of Council Regulation (EU) No 833/2014.
- (2) The Importer/Buyer shall undertake its best efforts to ensure that the purpose of paragraph (1) is not frustrated by any third parties further down the commercial chain, including by possible resellers.
- (3) The Importer/Buyer shall set up and maintain an adequate monitoring mechanism to detect conduct by any third parties further down the commercial chain, including by possible resellers, that would frustrate the purpose of paragraph (1).
- (4) Any violation of paragraphs (1), (2) or (3) shall constitute a material breach of an essential element of this Agreement, and Siebtechnik GmbH shall be entitled to seek appropriate remedies, including, but not limited to:
 - i. termination of this Agreement; and
 - ii. a penalty of 20% of the total value of this Agreement or price of the goods exported, whichever is higher.
- (5) The Importer/Buyer shall immediately inform Siebtechnik GmbH about any problems in applying paragraphs (1), (2) or (3), including any relevant activities by third parties that could frustrate the purpose of paragraph (1). The Importer/Buyer shall make available to Siebtechnik GmbH information concerning compliance with the obligations under paragraph (1), (2) and (3) within two weeks of the simple request of such information.

Export Control

The supplies and services (fulfilment of contract) shall be subject to the provision that contract fulfilment will not be impaired by obstacles on the grounds of national or international rules and regulations, in particular export control regulations as well as embargos or any other restrictions.

The contracting partners shall undertake to provide all the information and documents being required for export/transfer/import.

Delays caused by export controls or by licensing procedures being required by export law shall annul deadlines and delivery times. In case required licenses are not granted, the contract shall be considered as non-concluded with regard to the affected parts. Thus, damage claims, in particular due to non-fulfilment and due to the aforementioned exceeding of deadlines, shall be excluded.

Vibration monitoring and drum speed monitoring on our centrifuges must be carried out in accordance with the Machinery Directive (2006/42/EC), the centrifuge standard (DIN EN 12547:2014 - Centrifuges - General safety requirements) and the risk assessment carried out in the following safety levels:

Vibration monitoring PLr = d (S2, F2, P1)

Drum speed at FU operation PLr = d (S2, F2, P1)

The sensors are PLr = d / SIL 2 compliant.

The operator must take this safety classification into account when integrating the machine/sensors into the overall system.

DIN EN 12547:2014	Zentrifugen - Allgemeine Sicherheitsanforderungen / Centrifuges - Common safety requirements / Centrifugeuses - Prescriptions communes de sécurité
Internal company standards	SIEBTECHNIK TEMA standards for the production process of the centrifuge valid from design to manufacturing / testing until the final delivery.
All our machines are manufactured according to the codes, standards, and regulations of European Union. SIEBTECHNIK TEMA centrifuges are built under strict CE-Conformity and EN / DIN standards. This refers also but not only to welding procedures, which are followed according to related European norms (EN/DIN). The design and manufacturing of the centrifuge itself is based on related European Norms and Standards or other explicitly named in our offer such as IEC/ISO. Integral part of this quotation is our Quality Plan.	
CERTIFICATIONS	
Siebtechnik GmbH is certified according to the following standards:	
• ISO 9001 (Quality) • ISO 14001 (Environment) • ISO 45001 (Occupational Health & Safety) • ISO 50001 (Energy)	

12. Exclusions:

EXCLUSIONS IN SCOPE OF SUPPLY, UNLESS OTHERWISE STATED IN THE OFFER

The scope of supply and services by Siebtechnik is determined and limited by the description in this quotation.

All other required equipment and services not included in this quotation are excluded.

Examples are:

- Lubricating oil and grease for operation
- Compensators for feed, solid and liquid discharges
- Insulation against noise / thermal insulation
- Material for the installation on site / supervision of the installation (Option)
- DCS connection, local control panel and switch gear for the motor control center incl. frequency converters.
- Beam above the centrifuge with chain pulley for maintenance.
- Risk assessments, method statements and HAZOP studies
- PID's deviating from SBTE standard / Customer tags will be added on request.
- Civil works and civil engineering, platforms, scaffolding.
- Any NON European Standard, except for interfaces such as flanges.

Deviations to your inquiry acc. to attached deviation lists commercial & technical:

- SIEBTECHNIK Quality Plan based on European Standards applies.

The pictures shown in this offer are examples and for visualization of the principal functions only. The delivered machine might vary from the pictures shown in this offer.

Notice of Exemption

To: Placer County Clerk
Recorder's Office
2954 Richardson Drive
Auburn, CA 95603

From: City of Roseville
Development Services Dept.
311 Vernon Street
Roseville, CA 95678

Project Title: Roseville Energy Park Centrifuge Dewatering Equipment

Project Location(s): 5120 Phillip Road, Roseville, CA 95747. Assessor's Parcel Numbers 017-101-020-000 and 017-101-021-000.

Project Description: Roseville Electric staff seeks a sole source purchase order with Siebtechnik Tema for centrifuge dewatering equipment at the Roseville Energy Park (REP). The existing equipment used is a Zero Liquid Discharge (ZLD) system using a Single Belt Filter Press. The Belt Press has been determined to be inefficient, undersized, and at its end of life. Staff determined that based on the Belt Press's shortcomings, a new dewatering technology should replace the existing equipment to improve efficiency, provide redundancy, eliminate the single point of failure, and keep cost, consumables, and new auxiliary equipment to a minimum. The new technology selected is a proprietary centrifuge technology by Siebtechnik Tema. Installation and use of the new equipment and technology would not result in an expansion of use or capacity.

Public Agency Approving Project: Roseville City Council

Agency/Individual Carrying Out Project: Roseville Electric Utility

Reason why this Project is Exempt: The project qualifies for a Class 1 Categorical Exemption as described in Section 15301 of the California Environmental Quality Act (CEQA) guidelines which states:

"Class 1 consists of the operation, repair, maintenance,...or minor alteration of existing public or private structures, facilities, mechanical equipment, or topographical features, involving negligible or no expansion of existing or former use... Examples include, but are not limited to: (b) Existing facilities of both investor and publicly owned utilities used to provide electrical power, natural gas, sewerage, or other public utility services..."

The project consists of replacing the existing dewatering equipment with a new centrifuge technology at the REP because the existing equipment is inefficient and has reached end of life. The project would not result in expansion of use. Consequently, the Class 1 Categorical Exemption applies.

Title: Waste Hauling Services - Contract Purchase Agreement Amendment
Contact: Nathan Ribordy 916-746-1673 nribordy@roseville.ca.us

Meeting Date: 12/18/2024
Item #: 7.7.

RECOMMENDATION TO COUNCIL

Staff recommends that the City Council adopt a resolution authorizing the City Manager to execute contract purchase agreement amendment #2 to increase the spending authority with Advanced Chemical Transport, LLC dba ACTenviro to provide hazardous and non-hazardous waste disposal services.

BACKGROUND

Roseville Electric Utility solicited proposals through Request for Proposals (RFP) 07-781 for hazardous and non-hazardous waste disposal related to the operation of the utility's generating facilities. Multiple vendors responded to the RFP. Fremouw Environmental Services, Inc., now Advanced Chemical Transport, LLC dba ACTenviro, was found to be the most suitable vendor to provide the requested scope of services based on their safety, quality, demonstrated experience, completeness of proposal, and price.

The initial multi-year professional services agreement was for a period of four years, with an optional one-year extension if mutually agreed upon at the conclusion of the initial 4-year term. Total costs were not to exceed \$2 million based on an assumed average cost of \$400,000 per year over the initial four year period term and optional one-year extension. However, increasing costs of services, increased waste disposal facility fees, and higher than expected operational waste output from Roseville's generation facilities will require additional spending authority of \$1.5 million for the remaining 18 months of the five-year term, bringing the total spending authority under this professional services agreement to \$3.5 million.

FISCAL IMPACT

This contract amendment will increase the not-to-exceed contract amount from \$2,000,000 to \$3,500,000. Current funding is included in the Electric Department's FY2024-25 budget in the Electric Fund. Future funding is subject to future year budget approvals.

ENVIRONMENTAL REVIEW

The California Environmental Quality Act (CEQA) does not apply to activities that will not result in a direct or reasonably foreseeable indirect physical change in the environment, or is otherwise not considered a project as defined by CEQA Statute §21065 and CEQA State Guidelines §15060(c)(3) and §15378. An agreement for waste hauling services meets the above criteria and is not subject to CEQA. No additional environmental review is required.

CITY COUNCIL STRATEGIC PLAN/OVERARCHING GOALS

COUNCIL COMMUNICATION

CC #: 3666
File #: 0203-06

Title: Oracle Guided Learning - Subscription Amendment
Contact: Lindsay Collishaw 916-774-5199 lcollishaw@roseville.ca.us

Meeting Date: 12/18/2024
Item #: 7.8.

RECOMMENDATION TO COUNCIL

Staff recommends that the City Council adopt a resolution authorizing the City Manager to increase the existing agreement with Oracle America, Inc. for the Oracle Guided Learning (OGL) software subscription by \$4,080 raising the amount from \$40,800 to \$44,880, or from \$605,818 to \$609,898 for the overall Oracle enterprise resource planning (ERP) Agreement.

Additionally, staff recommends that the City Council authorize the City Manager to approve OGL renewals without further Council approval, provided that adequate funds are included in the City Council approved budget each year, until the contract expires or until City staff determines that continuing with the product is not in the City's best interest.

BACKGROUND

In January 2024, the City Council authorized the City Manager to increase the City's agreement with Oracle for Enterprise Resource Planning (ERP) subscription services to include an additional service, Oracle Guided Learning (OGL), at an annual cost of \$40,800. OGL supports the creation and management of city-specific training guides within the ERP system, enhancing communication for finance and human resources/payroll functions. This has led to improved data quality, adherence to process flows, and reduced staff time on correcting procedural errors and handling repetitive support requests. Recognizing the benefits of OGL, staff recommends renewing the OGL service for an additional year. Oracle America, Inc. has advised that the annual renewal rate includes a 10% increase of \$4,080, raising the OGL cost from \$40,800 to \$44,880. If approved, this adjustment will bring the total estimated cost of the City's Oracle subscription agreement to \$609,898.

FISCAL IMPACT

The original agreement with Oracle America, Inc. for Oracle Guided Learning (OGL) was at an annual cost of \$40,800. Oracle has informed the City of a 10% increase, bringing the cost to \$44,880. The Finance Department has sufficient General Fund resources available to cover the

additional \$4,080 for the remainder of FY2024-25, and ongoing future costs will be integrated into the Finance Department's operating budget. Staff projects that future costs for OGL will continue to rise by 10% annually for the remainder of the agreement term. The estimated total costs of the Oracle subscription agreement, including OGL, are as follows: FY2024-25 at \$609,898; FY2025-26 at \$636,985; FY2026-27 at \$671,302; and FY2027-28 at \$707,583.

ENVIRONMENTAL REVIEW

The California Environmental Quality Act (CEQA) does not apply to activities that will not result in a direct or reasonably foreseeable indirect physical change in the environment, or is otherwise not considered a project as defined by CEQA Statute §21065 and CEQA State Guidelines §15060(c)(3) and §15378. Approval of an amended ordering agreement for Oracle cloud subscription meets the above criteria and is not subject to CEQA. No additional environmental review is required.

COUNCIL COMMUNICATION

CC #: 3699

File #: 0203-10 & 0201-01

Title: Basketball Court Renovations (RFQ 10-3402) - Contract Purchase Agreement

Contact: Sue Jessup 916-746-1107 sjessup@roseville.ca.us

Meeting Date: 12/18/2024

Item #: 7.9.

RECOMMENDATION TO COUNCIL

Staff recommends that the City Council adopt a resolution to approve contract purchase agreement (3004277) with Eclipse Pro dba Resilient Builders and authorize the City Manager to execute the agreement on behalf of the City of Roseville. Additionally, staff recommends Council approve change order authority for a 10% contingency.

BACKGROUND

As part of the City's commitment to provide a safe and useable park experience, the Parks, Recreation & Libraries Department (PRL) must repair and/or replace older park features. Staff recommends renovating and repairing the basketball court surfaces at Silverado Oaks Park and Santucci Park to ensure a safe and enjoyable experience for our residents.

The basketball courts needing repair have developed large cracks, creating an uneven playing surface causing safety hazards. The cracks also allow water to penetrate below the concrete resulting in greater surface separation. Not repairing the identified sites will ultimately lead to non-usability and accelerate the destruction of play surfaces.

A formal bid was issued with the following responses:

<u>Bidder</u>	<u>Grand Total</u>
Eclipse Pro dba Resilient Builders Elk Grove, CA	\$305,496.00
TJR Resources, Inc. Rancho Cordova, CA	\$320,410.00
TW Concrete Loomis, CA	\$333,500.00
Swierstok Enterprise Inc, dba Pro Builders	\$426,000.00

Orangevale, CA

Frontline General Engineering Construction, Inc. San Lorenzo, CA	\$522,803.78
---	--------------

BRCO Constructors, Inc. Rocklin, CA	\$635,000.00
--	--------------

RBH Construction, Inc. Folsom, CA	\$742,506.00
--------------------------------------	--------------

Vendors were asked to quote a total of 3 basketball court renovations; however, the City has elected to only replace 2 basketball courts at this time.

FISCAL IMPACT

The total amount for the renovations is \$210,664. A 10% contingency will bring the total contract authority to a not-to-exceed amount of \$231,730.40. Funding is included in the Basketball Court Replacement project in the Parks, Recreation and Library Capital Projects Fund.

ENVIRONMENTAL REVIEW

The proposed project involves the repair of an existing facility. This activity is categorically exempt from CEQA as a Class 1 Exemption (State CEQA Guidelines Section 15301). The Exemption has been prepared and no further CEQA action is required.

CITY COUNCIL STRATEGIC PLAN/OVERARCHING GOALS

Goal F - Invest in well-planned infrastructure and growth

Respectfully Submitted,

Sue Jessup, Buyer

Dennis Kauffman, Assistant City Manager/Chief Financial Officer

Dominick Casey, City Manager

This Contract Purchase Agreement is sent for your review and acceptance. Notify the Buyer via email of any needed changes to the company name, address, and contact information. The Buyer will update the agreement prior to you signing the document.

Return signed copies of the agreement to the Buyer noted on the agreement. Alterations or modifications to the agreement are not allowed. Upon receipt of all necessary documents, the City will sign the agreement and return a fully executed copy to you. Receipt of the signed copy will be your notice to proceed with the work in accordance with the terms and conditions of the agreement. Work must not begin until the contract has been fully executed.

The following guidelines must be followed for the signature block on the agreement:

Sole proprietorship - By owner

Partnership - Any general partner

Corporation - Two options:

(1) A signature from the President and the corporate seal; OR

(2) One signature from the Chairman of the Board, President, or any Vice President AND one signature from the Secretary, any Assistant Secretary, Chief Financial Officer, or any Treasurer or Assistant Treasurer of the corporation

***General Manager, Office Manager and/or Sales Manager are not corporate officer titles.** The agreement will be rejected if not signed in accordance with these guidelines.

Insurance requirements:

The City's insurance requirements are referenced on Attachment A of the agreement. By signing the agreement, you are confirming that your company has the minimum insurance limits required.

Contract Terms and Conditions

1. To the fullest extent allowed by law, Contractor shall defend, indemnify, and save and hold harmless the City, its officers, agents, employees and volunteers from any claims, suits or actions of every name, kind and description brought forth, or on account of, injuries to or death of any person (including but not limited to workers and the public), or damage to property, resulting from or arising out of Contractor's willful misconduct or negligent act or omission while engaged in the performance of obligations or exercise of rights created by this Agreement, except those matters arising from City's sole or active negligence or willful misconduct. The parties intend that this provision shall be broadly construed. Contractor's responsibility for such defense and indemnity obligations shall survive the termination or completion of this Agreement for the full period of time allowed by law. The defense and indemnity obligations of this Agreement are undertaken in addition to, and shall not in any way be limited by, the insurance obligations contained in this Agreement.
2. Contractor is an independent contractor, and shall not be considered an officer, agent, or employee of the City.
3. Without the written consent of the City, this Agreement is not assignable by Contractor either in whole or in part.
4. Time is of the essence of this Agreement.
5. At any time during the term of this Agreement, the City has the right to terminate this Agreement, provided Contractor is given thirty (30) days written notice. City's termination shall be without further liability to City; however, Contractor shall be entitled to all costs reasonably incurred prior to the date of termination. Contractor acknowledges that City may terminate this Agreement should funds not be appropriated by its governing body to continue services under this Agreement.
6. This Agreement may only be amended or modified in writing. It is integrated and contains the complete understanding of the parties.
7. All equipment, supplies and services sold to the City of Roseville shall conform to the general safety orders of the State of California.
8. Unless notified to the contrary, in writing, the City assumes that the Contractor has accepted the work in accordance with the plans and specifications (if any) and agrees to do the work in compliance with this Agreement.
9. All prevailing wages and fair employment practices must be adhered to. For prevailing wage contracts over \$25,000, copies of certified payroll must be submitted with invoices. Prevailing wage rates may be obtained from the State Department of Industrial Relations and/or the following website address: <http://www.dir.ca.gov/dlsr/DPreWageDetermination.htm>. In compliance with Labor Code Section 1773.2, as may be amended from time to time, Contractor shall cause a copy of this website to be posted at each jobsite, as applicable.
10. Contractor agrees to the below insurance requirements:
 - a. Unless otherwise specified, the Contractor shall maintain the policies of insurance outlined in Attachment A, incorporated herein by this reference, in full force and effect during the term of this Agreement. The City of Roseville retains sole discretion in determining the types and proper levels of insurance coverage.
 - b. Form. Contractor shall submit a certificate evidencing such coverage for the period covered by this Agreement in a form satisfactory to Risk Management and the City Attorney, prior to undertaking any work hereunder. Any insurance written on a claims made basis is subject to the approval of Risk Management

and the City Attorney.

- c. **Additional Insureds.** Contractor shall also provide a separate endorsement or section of the policy showing City, its officers, agents, employees, and volunteers as additional insureds for each type of coverage (except Workers' Compensation) and for ongoing and completed operations. Such insurance shall specifically cover the contractual liability of Contractor. The additional insured coverage under the Contractor's policy shall be primary and noncontributory, as evidenced by a separate endorsement or section of the policy, and shall not seek contribution from City's insurance or self-insurance. In addition, the additional insured coverage shall be at least as broad as the Insurance Services Office (ISO) CG 20 01 Endorsement. Any available insurance proceeds in excess of the specified minimum insurance coverage requirements and limits shall be available to the additional insureds. Furthermore, the requirements for coverage and limits shall be:
 - (1) the minimum coverage and limits specified in this Agreement; or
 - (2) the full coverage and maximum limits of any insurance proceeds available to the named insureds, whichever is greater.
- d. **Cancellation/Modification.** Contractor shall provide thirty (30) days written notice to City prior to cancellation or modification of any insurance required by this Agreement.
- e. **Umbrella/Excess Insurance.** The limits of insurance required in this Agreement may be satisfied by a combination of primary and excess insurance. Any excess insurance shall contain or be endorsed to contain a provision that such coverage shall also apply on a primary and noncontributory basis for the benefit of City (if agreed to in a written contract) before City's own insurance shall be called upon to protect it as a named insured.
- f. **Subcontractors.** Contractor agrees to include in its contracts with all subcontractors the same requirements and provisions of this Agreement, including the indemnity and insurance requirements, to the extent they apply to the scope of the subcontractor's work. Furthermore, Contractor shall require its subcontractors to agree to be bound to Contractor and City in the same manner and to the same extent as Contractor is bound to City under this Agreement. Additionally, Contractor shall obligate its subcontractors to comply with these same provisions with respect to any tertiary subcontractor, regardless of tier. A copy of City's indemnity and insurance provisions will be furnished to the subcontractor or tertiary subcontractor upon request.
- g. **Self-Insured Retentions.** All self-insured retentions (SIR) must be disclosed to Risk Management for approval and shall not reduce the limits of liability. Policies containing any SIR provision shall provide or be endorsed to provide that the SIR may be satisfied by either the named insured or City. City reserves the right to obtain a full certified copy of any insurance policy and endorsements. The failure to exercise this right shall not constitute a waiver of such right.
- h. **Waiver of Subrogation.** Contractor hereby agrees to waive subrogation which any insurer of Contractor may acquire from Contractor by virtue of the payment of any loss under a Workers Compensation, Commercial General Liability or Automobile Liability policy. All Workers Compensation, Commercial General Liability and Automobile Liability policies shall be endorsed with a waiver of subrogation in favor of City, its officers, agents, employees and volunteers for all work performed by Contractor, its employees, agents and subcontractors.
- i. **Liability/Remedies.** Insurance coverage in the minimum amounts set forth herein shall not be construed to relieve Contractor of liability in excess of such coverage, nor shall it preclude City from taking such other actions as are available to it under any other provisions of this Agreement or law.

11. Contractor shall comply with all federal, state and local laws and ordinances, including but not limited to the City's storm water regulations, as may be applicable to the performance of services under this Agreement. Failure to comply with local ordinances may result in monetary fines and cancellation of this Agreement. Refer to www.roseville.ca.us/stormwater for links to more information on the City's storm water regulations.
12. In the event that the terms of any attachment or exhibit conflict with any terms of this Agreement, the terms of this Agreement shall control.
13. This Agreement may be executed in one or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument. In the event that any signature is delivered by facsimile transmission or by e-mail delivery of a ".pdf" format data file, such signature shall create a valid and binding obligation of the party executing (or on whose behalf such signature is executed) with the same force and effect as if such facsimile or ".pdf" signature page were an original thereof.
14. If either party commences any legal action against the other party arising out of this Agreement or the performance thereof, the prevailing party in such action shall be entitled to recover its reasonable litigation expenses, including but not limited to, court costs, expert witness fees, discovery expenses, and attorneys' fees. Any action arising out of this Agreement shall be brought in Placer County, California, regardless of where else venue may lie. This Agreement shall be governed by and construed in accordance with the laws of the State of California.
15. This Agreement shall be binding upon the heirs, successors, executors, administrators and assigns of the respective parties hereto.
16. If any of the provisions contained in this Agreement are for any reason held invalid or unenforceable, such holding shall not affect the remaining provisions or the validity and enforceability of the Agreement as a whole.
17. For purposes of this Agreement, the terms "Contractor," "Consultant," and "Supplier" are used interchangeably.
18. No contractor or subcontractor may work on a public works project unless registered with the Department of Industrial Relations pursuant to Labor Code section 1725.5. During the performance of this agreement, Contractor and its subcontractors shall have a continuing legal obligation to maintain current registration with the Department of Industrial Relations. Contractor is hereby notified that this project is subject to compliance monitoring and enforcement by the Department of Industrial Relations.
19. Vehicles with a gross vehicle weight rating (GVWR) greater than 8,500 lbs. and light-duty package delivery vehicles operated in California may be subject to the California Air Resources Board (CARB) Advanced Clean Fleets regulations. Such vehicles may therefore be subject to requirements to reduce emissions and air pollutants. For more information, visit the CARB Advanced Clean Fleet webpage at <https://ww2.arb.ca.gov/our-work/programs/advanced-clean-fleets>.
20. Contractor/consultant's duties and services under this agreement shall not include preparing or assisting the public entity with any portion of the public entity's preparation of a request for proposals, request for qualifications, or any other solicitation regarding a subsequent or additional contract with the public entity. The public entity entering this agreement shall at all times retain responsibility for public contracting, including with respect to any subsequent phase of this project. Contractor/consultant's participation in the planning, discussions, or drawing of project plans or specifications, if any, shall be limited to conceptual, preliminary, or initial plans or specifications. Contractor/consultant shall cooperate with the public entity to ensure that all bidders for a subsequent contract on any subsequent phase of this project have access to the same information, including all conceptual, preliminary, or initial plans or specifications prepared by contractor pursuant to this agreement.
21. Contractor must submit all claims as defined in and in accordance with the claim

resolution process set forth in Section 9204 of the Public Contract Code. Each such claim must be sent to the City by registered mail or certified mail with return receipt requested and must contain reasonable documentation to support the claim. All claims must be received prior to acceptance of the work.

22. Contractor certifies that Contractor, its employees, directors, officers, agents, subcontractors, vendors, and volunteers are not presently debarred, excluded, suspended, declared ineligible, voluntarily excluded, or proposed for debarment, exclusion, suspension, or ineligibility by any federal, state, or local department or agency.
23. The Levine Act (Govt. Code, Section 84308) requires a Party (and its agent(s), if any) to a Proceeding before the City of Roseville that involves any action or consideration related to their contract, license, permit, or other entitlement for use, to disclose any campaign contributions made to City elected or appointed officers totaling more than \$250 within the twelve (12) months prior to the City decision and while a proceeding is pending, and includes certain prohibitions on contribution activity thereafter. If applicable campaign contributions have been made by Contractor and/or its agent(s), Contractor is responsible for compliance, including for its disclosure obligations, if any, as further described at: https://www.roseville.ca.us/government/departments/city_clerk/transparency/levine_act.
24. This Agreement may be amended via change order, but only if such change order is made in writing, approved by the City, and signed by both parties.
25. CONTRACTOR agrees to defend and indemnify CITY if, despite the parties intent and practice, any venue, agency, or court with competent jurisdiction determines that CONTRACTOR and/or any of its agents, officers, employees, volunteers, independent contractors, or subcontractors, are characterized as employee(s) of CITY.

CONTRACTOR and CITY agree that: (a) CONTRACTOR is free from the control and direction of CITY in connection with the performance of the work; (b) CONTRACTOR is providing services directly to CITY; (c) CONTRACTOR has and will maintain at all relevant times a business license; (d) CONTRACTOR maintains a business location that is separate from CITY; (e) CONTRACTOR is customarily engaged in an independently established business of the same nature as that involved in the work performed hereunder; (f) CONTRACTOR actually contracts with other businesses to provide the same or similar services and maintains a clientele without restrictions from CITY; (g) CONTRACTOR advertises and holds itself out to the public as available to provide the same or similar services; (h) CONTRACTOR provides its own tools, vehicles, and equipment to perform the services; (i) CONTRACTOR has negotiated its own rates; (j) CONTRACTOR set its own hours and location of work in accomplishing CITY's on-call needs; and (k) CONTRACTOR has the right to control the manner and means of accomplishing the result desired and exercises its own expert independent judgement.

The supplier named hereon by the acceptance of this order agrees to the provisions of this document titled "Contract Purchase Agreement" and all accompanying terms, conditions, and attachments.

Insurance Submission Process

The City of Roseville Human Resources/Risk Management Department uses a service called EBIX to manage our insurance certificate tracking.

How It Works

- The vendor's contact information is entered into EBIX. EBIX will contact the vendor to request proof of insurance.
- The Vendor can forward the request to their Insurance Agent(s) if necessary.
- Vendor/Insurance Agent submits insurance to EBIX by email to roseville@ebix.com or by fax to (770) 325-5727. After faxing or emailing the certificate, please DO NOT send the certificate by mail to EBIX. Please do not mail, email or fax any certificates to the City of Roseville.
- Once submitted, EBIX reviews the insurance documentation. If there are deficiencies, EBIX will send a follow up letter or email requesting additional information.

Questions Regarding Insurance Submission: Contact EBIX at (951) 652-4239

Questions Regarding Insurance Requirements Contact Risk Management at (916) 774-5202

April, 2022

RE: Contractor and Grantee Compliance with Economic Sanctions Imposed in Response to Russia's Actions in Ukraine

Dear Vendor:

On March 4, 2022, Governor Gavin Newsom issued Executive Order N-6-22 (EO) regarding sanctions in response to Russian aggression in Ukraine. The EO is located at <https://www.gov.ca.gov/wp-content/uploads/2022/03/3.4.22-Russia-Ukraine-Executive-Order.pdf>.

The EO directs all agencies and departments that are subject to the Governor's authority to take certain immediate steps, including notifying all contractors and grantees of their obligations to comply with existing economic sanctions imposed by the U.S. government in response to Russia's actions in Ukraine, as well as any sanctions imposed under state law.

This correspondence serves as a notice under the EO that as a contractor or grantee, compliance with the economic sanctions imposed in response to Russia's actions in Ukraine is required, including with respect to, but not limited to, the federal executive orders identified in the EO and the sanctions identified on the U.S. Department of the Treasury website (<https://home.treasury.gov/policy-issues/financial-sanctions/sanctions-programs-and-country-information/ukraine-russia-related-sanctions>). Failure to comply may result in the termination of contracts or grants, as applicable.

Please note that for any agreements or grants valued at \$5 million or more you must report to the City of Roseville your compliance with economic sanctions including steps you have taken in response to Russia's actions in Ukraine, including, but not limited to, desisting from making new investments in, or engaging in financial transactions with, Russian entities, not transferring technology to Russia or Russian entities, and directly providing support to the government and people of Ukraine.

Sincerely,

DocuSigned by:

Roseville, CA 95678

Project Title: Basketball Courts Renovation Project 2025

Project Location(s): Silverado Oaks Park, 1430 Badovinac Drive, Roseville CA 95747 (APN 476-080-056-000), and Santucci Park, 1831 Morningstar Drive, Roseville, CA 95747 (APN 017-162-070-000).

Project Description: The project would approve a contract for the repair of aging basketball courts at Silverado Oaks Park and Santucci Park. The basketball courts developed large cracks, which create an uneven playing surface causing safety hazards. The concrete surfaces must be removed and replaced to ensure continued usability of the courts. The renovation will replace the existing outdoor basketball court surfaces so that they provide safe playing surfaces. All work will occur within the existing footprint of the basketball courts, and there are no environmentally sensitive resources located onsite.

Public Agency Approving Project: Roseville City Council

Agency/Individual Carrying Out Project: City of Roseville Parks, Recreation and Libraries Department

Reason why this Project is Exempt: This project qualifies for a Class 1 Exemption as described in Section 15301 of the California Environmental Quality Act (CEQA) guidelines which states:

"Class 1 consists of the....repair...of existing public or private structures, facilities... involving negligible or no expansion of existing or former use..."

The project is a repair of the existing basketball courts at Silverado Oaks Park and Santucci Park and would not expand use beyond existing levels. Furthermore, no environmentally sensitive resources are located within the project sites; therefore, the Class 1 Exemption is applicable to the proposed project.

Lead Agency Contact Person: Kelly Appier, Parks, Recreation and Libraries Department, 316 Vernon Street, Roseville, CA 95678. (916) 774-5927

Title: Fuel and Lubricants (SACOG RFP 2023-24-10) - Contract Purchase Agreement
Contact: Becky Philipp 916-746-1110 bphilipp@roseville.ca.us

Meeting Date: 12/18/2024
Item #: 7.10.

RECOMMENDATION TO COUNCIL

Staff recommends that the City Council adopt a resolution to approve contract purchase agreement (3004223) with Hunt & Sons LLC as the selected bidder for Sacramento Area Council of Governments (SACOG) Request for Proposals No. 2023-24-10 (RFP) for the supply and delivery of fuel to various City departments and authorize the City Manager to execute it on behalf of the City of Roseville.

The bid allowed for two optional renewal years at one-year intervals. Staff further requests authorization to continue utilizing the remaining optional renewal years of the bid contract without further Council approvals, provided that the applicable budget is approved by the City Council each year, or until the contract expires, or until City staff determines that continuing with the same vendor is not in the City's best interest.

BACKGROUND

Various City departments have recurring demands for bulk automotive fuels used in ongoing operations to operate City vehicles and equipment.

In May 2024, the City participated in a regional RFP led by the SACOG. The RFP was for the purchase of bulk automotive fuels, renewable diesel fuel, commercial cardlock automotive fuels, automotive oil and lubrication products and other related products on an as-needed basis. SACOG is an association of local governments representing six counties, twenty-two cities, as well as special districts and school districts in the Sacramento Region. The regional consolidation of fuel and lubricant purchases into a single bid resulted in significant cost savings to the City.

FISCAL IMPACT

The initial contract through August 31, 2027 is \$12,850,000. Funding is included in departmental budgets in various City funds. Future spending is contingent upon Council approval of the City budget. The estimated spending for the optional renewal years, by fiscal year, is as follows:

FY2027-28, \$4,476,996; FY2028-29, \$4,496,000: FY2029-30 \$749,833.

ENVIRONMENTAL REVIEW

The California Environmental Quality Act (CEQA) does not apply to activities that will not result in a direct or reasonably foreseeable indirect physical change in the environment (CEQA Guidelines §15061(b)(3)). The hauling and delivery of hazardous substances is regulated by the state. Hazardous material transport consistent with applicable safety regulations should not result in a significant environmental effect. Therefore, the proposed contract purchase agreement does not include the potential for significant environmental effect and is not subject to CEQA.

Description

Resolution 24-401

Contract Purchase Agreement

RESOLUTION NO. 24-401

APPROVING A CONTRACT PURCHASE AGREEMENT, BY AND BETWEEN THE CITY OF ROSEVILLE AND HUNT AND SONS LLC, AND AUTHORIZING THE CITY MANAGER TO EXECUTE IT ON BEHALF OF THE CITY OF ROSEVILLE

WHEREAS, a contract purchase agreement (3004223) for fuel and lubricants, by and between the City of Roseville and Hunt and Sons LLC, has been reviewed by the City Council; and

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Roseville that said agreement is approved and the City Manager is authorized to execute it on behalf of the City of Roseville.

BE IT FURTHER RESOLVED that the City Manager or his designee is authorized to execute two (2) additional one (1) year renewal without further City Council approval, provided that the applicable budget is approved by the City Council each year, or until City staff determines that continuing with the same vendor is not in the City's best interest.

PASSED AND ADOPTED by the Council of the City of Roseville this ____ day of _____, 2024, by the following vote on roll call:

AYES COUNCILMEMBERS:

NOES COUNCILMEMBERS:

ABSENT COUNCILMEMBERS:

MAYOR

ATTEST:

This Contract Purchase Agreement is sent for your review and acceptance. Notify the Buyer via email of any needed changes to the company name, address, and contact information. The Buyer will update the agreement prior to you signing the document.

Return signed copies of the agreement to the Buyer noted on the agreement. Alterations or modifications to the agreement are not allowed. Upon receipt of all necessary documents, the City will sign the agreement and return a fully executed copy to you. Receipt of the signed copy will be your notice to proceed with the work in accordance with the terms and conditions of the agreement. Work must not begin until the contract has been fully executed.

The following guidelines must be followed for the signature block on the agreement:

Sole proprietorship - **By owner**

Partnership - **Any general partner**

Corporation - **Two options:**

(1) A signature from the President and the corporate seal; **OR**

(2) One signature from the Chairman of the Board, President, or any Vice President **AND** one signature from the Secretary, any Assistant Secretary, Chief Financial Officer, or any Treasurer or Assistant Treasurer of the corporation

*General Manager, Office Manager and/or Sales Manager are **not** corporate officer titles. The agreement will be rejected if not signed in accordance with these guidelines.

Insurance requirements:

The City's insurance requirements are referenced on Attachment A of the agreement. By signing the agreement, you are confirming that your company has the minimum insurance limits required.

Contract Purchase Agreement 3004223

Contract Terms and Conditions

1. To the fullest extent allowed by law, Contractor shall defend, indemnify, and save and hold harmless City, its officers, agents, employees and volunteers from any claims, suits or actions of every name, kind and description brought forth, or on account of, injuries to or death of any person (including but not limited to workers and the public), or damage to property, resulting from or arising out of Contractor's willful misconduct or negligent act or omission while engaged in the performance of obligations or exercise of rights created by this Agreement, except those matters arising from City's sole negligence or willful misconduct. The parties intend that this provision shall be broadly construed. Contractor's responsibility for such defense and indemnity obligations shall survive the termination or completion of this Agreement for the full period of time allowed by law. The defense and indemnity obligations of this Agreement are undertaken in addition to, and shall not in any way be limited by, the insurance obligations contained in this Agreement.
2. Contractor is an independent contractor, and shall not be considered an officer, agent or employee of the City.
3. Without the written consent of the City, this Agreement is not assignable by Contractor either in whole or in part.
4. Time is of the essence of this Agreement.
5. At any time during the term of this Agreement, the City has the right to terminate this Agreement, provided Contractor is given thirty (30) days written notice. City's termination shall be without further liability to City; however, Contractor shall be entitled to all costs reasonably incurred prior to the date of termination. Contractor acknowledges that City may terminate this Agreement should funds not be appropriated by its governing body to continue services under this Agreement.
6. This Agreement may only be amended or modified in writing. It is integrated and contains the complete understanding of the parties.
7. All equipment, supplies and services sold to the City of Roseville shall conform to the general safety orders of the State of California.
8. Unless notified to the contrary, in writing, the City assumes that the Contractor has accepted the work in accordance with the plans and specifications (if any) and agrees to do the work in compliance with this Agreement.
9. All fair employment practices must be adhered to. In addition, if the project referenced on this service agreement is a Public Works project, all prevailing wage laws must be complied with. For prevailing wage contracts over \$25,000, copies of certified payroll must be submitted with invoices. Prevailing wage rates may be obtained from the State Department of Industrial Relations and/or the following website address: <http://www.dir.ca.gov/dlsr/DPreWageDetermination.htm>. In compliance with Labor Code Section 1773.2, as may be amended from time to time, Contractor shall cause a copy of this website to be posted at each jobsite, as applicable.
10. Contractor agrees to the below insurance requirements:
 - a. Unless otherwise specified, the Contractor shall maintain the policies of insurance outlined in Attachment A, incorporated herein by this reference, in full force and effect during the term of this Agreement. The City of Roseville retains sole discretion in determining the types and proper levels of insurance coverage.
 - b. Form. Contractor shall submit a certificate evidencing such coverage for the period covered by this Agreement in a form satisfactory to Risk Management and the City Attorney, prior to undertaking any work hereunder. Any insurance written on a claims made basis is subject to the approval of Risk Management

Contract Purchase Agreement 3004223

and the City Attorney.

- c. Additional Insureds. Contractor shall also provide a separate endorsement or section of the policy showing City, its officers, agents, employees, and volunteers as additional insureds for each type of coverage, except for Workers' Compensation. Such insurance shall specifically cover the contractual liability of Contractor. The additional insured coverage under the Contractor's policy shall be primary and noncontributory, as evidenced by a separate endorsement or section of the policy, and shall not seek contribution from City's insurance or self-insurance. In addition, the additional insured coverage shall be at least as broad as the Insurance Services Office (ISO) CG 20 01 Endorsement. Any available insurance proceeds in excess of the specified minimum insurance coverage requirements and limits shall be available to the additional insureds. Furthermore, the requirements for coverage and limits shall be:
 - (1) the minimum coverage and limits specified in this Agreement; or
 - (2) the full coverage and maximum limits of any insurance proceeds available to the named insureds, whichever is greater.
 - d. Cancellation/Modification. Contractor shall provide thirty (30) days written notice to City prior to cancellation or modification of any insurance required by this Agreement.
 - e. Umbrella/Excess Insurance. The limits of insurance required in this Agreement may be satisfied by a combination of primary and excess insurance. Any excess insurance shall contain or be endorsed to contain a provision that such coverage shall also apply on a primary and noncontributory basis for the benefit of City (if agreed to in a written contract) before City's own insurance shall be called upon to protect it as a named insured.
 - f. Subcontractors. Contractor agrees to include in its contracts with all subcontractors the same requirements and provisions of this Agreement, including the indemnity and insurance requirements, to the extent they apply to the scope of the subcontractor's work. Furthermore, Contractor shall require its subcontractors to agree to be bound to Contractor and City in the same manner and to the same extent as Contractor is bound to City under this Agreement. Additionally, Contractor shall obligate its subcontractors to comply with these same provisions with respect to any tertiary subcontractor, regardless of tier. A copy of City's indemnity and insurance provisions will be furnished to the subcontractor or tertiary subcontractor upon request.
 - g. Self-Insured Retentions. All self-insured retentions (SIR) must be disclosed to Risk Management for approval and shall not reduce the limits of liability. Policies containing any SIR provision shall provide or be endorsed to provide that the SIR may be satisfied by either the named insured or City. City reserves the right to obtain a full certified copy of any insurance policy and endorsements. The failure to exercise this right shall not constitute a waiver of such right.
 - h. Waiver of Subrogation. Contractor hereby agrees to waive subrogation which any insurer of Contractor may acquire from Contractor by virtue of the payment of any loss under a Workers Compensation, Commercial General Liability or Automobile Liability policy. All Workers Compensation, Commercial General Liability and Automobile Liability policies shall be endorsed with a waiver of subrogation in favor of City, its officers, agents, employees and volunteers for all work performed by Contractor, its employees, agents and subcontractors.
 - i. Liability/Remedies. Insurance coverage in the minimum amounts set forth herein shall not be construed to relieve Contractor of liability in excess of such coverage, nor shall it preclude City from taking such other actions as are available to it under any other provisions of this Agreement or law.
11. Contractor shall comply with all federal, state, and local laws and ordinances, including

Contract Purchase Agreement 3004223

but not limited to the City's storm water regulations, as may be applicable to the performance of services under this Agreement. Failure to comply with local ordinances may result in monetary fines and cancellation of this Agreement. Refer to www.roseville.ca.us/stormwater for links to more information on the City's storm water regulations.

12. In the event that the terms of any attachment or exhibit conflict with any terms of this Agreement, the terms of this Agreement shall control.
13. This Agreement may be executed in one or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument. In the event that any signature is delivered by facsimile transmission or by e-mail delivery of a ".pdf" format data file, such signature shall create a valid and binding obligation of the party executing (or on whose behalf such signature is executed) with the same force and effect as if such facsimile or ".pdf" signature page were an original hereof.
14. If either party commences any legal action against the other party arising out of this Agreement or the performance thereof, the prevailing party in such action shall be entitled to recover its reasonable litigation expenses, including but not limited to, court costs, expert witness fees, discovery expenses, and attorneys' fees. Any action arising out of this Agreement shall be brought in Placer County, California, regardless of where else venue may lie. This Agreement shall be governed by and construed in accordance with the laws of the State of California.
15. This Agreement shall be binding upon the heirs, successors, executors, administrators and assigns of the respective parties hereto.
16. If any of the provisions contained in this Agreement are for any reason held invalid or unenforceable, such holding shall not affect the remaining provisions or the validity and enforceability of the Agreement as a whole.
17. For purposes of this Agreement, the terms "Contractor," "Consultant," and "Supplier" are used interchangeably.
18. If the project referenced on this agreement is a Public Works project, then the following shall apply: No contractor or subcontractor may work on a public works project unless registered with the Department of Industrial Relations pursuant to Labor Code section 1725.5. During the performance of this agreement, Contractor and its subcontractors shall have a continuing legal obligation to maintain current registration with the Department of Industrial Relations. Contractor is hereby notified that this project is subject to compliance monitoring and enforcement by the Department of Industrial Relations.
19. Vehicles with a gross vehicle weight rating (GVWR) greater than 8,500 lbs. and light-duty package delivery vehicles operated in California may be subject to the California Air Resources Board (CARB) Advanced Clean Fleets regulations. Such vehicles may therefore be subject to requirements to reduce emissions and air pollutants. For more information, visit the CARB Advanced Clean Fleet webpage at <https://ww2.arb.ca.gov/our-work/programs/advanced-clean-fleets>.
20. Contractor/consultant's duties and services under this agreement shall not include preparing or assisting the public entity with any portion of the public entity's preparation of a request for proposals, request for qualifications, or any other solicitation regarding a subsequent or additional contract with the public entity. The public entity entering this agreement shall at all times retain responsibility for public contracting, including with respect to any subsequent phase of this project. Contractor/consultant's participation in the planning, discussions, or drawing of project plans or specifications, if any, shall be limited to conceptual, preliminary, or initial plans or specifications. Contractor/consultant shall cooperate with the public entity to ensure that all bidders for a subsequent contract on any subsequent phase of this project have access to the same information, including all conceptual, preliminary, or initial plans or specifications prepared by contractor pursuant to this agreement.
21. If the project referenced on this agreement is a Public Works project, then the following

Contract Purchase Agreement 3004223

shall apply: Contractor must submit all claims as defined in and in accordance with the claim resolution process set forth in Section 9204 of the Public Contract Code. Each such claim must be sent to the City by registered mail or certified mail with return receipt requested and must contain reasonable documentation to support the claim. All claims must be received prior to acceptance of the work.

22. Contractor certifies that Contractor, its employees, directors, officers, agents, subcontractors, vendors, and volunteers are not presently debarred, excluded, suspended, declared ineligible, voluntarily excluded, or proposed for debarment, exclusion, suspension, or ineligibility by any federal, state, or local department or agency.
23. The Levine Act (Govt. Code, Section 84308) requires a Party (and its agent(s), if any) to a Proceeding before the City of Roseville that involves any action or consideration related to their contract, license, permit, or other entitlement for use, to disclose any campaign contributions made to City elected or appointed officers totaling more than \$250 within the twelve (12) months prior to the City decision and while a proceeding is pending, and includes certain prohibitions on contribution activity thereafter. If applicable campaign contributions have been made by Contractor and/or its agent(s), Contractor is responsible for compliance, including for its disclosure obligations, if any, as further described at: https://www.roseville.ca.us/government/departments/city_clerk/transparency/levine_act.
24. This Agreement may be amended via change order, but only if such change order is made in writing, approved by the City, and signed by both parties.
25. CONTRACTOR agrees to defend and indemnify CITY if, despite the parties intent and practice, any venue, agency, or court with competent jurisdiction determines that CONTRACTOR and/or any of its agents, officers, employees, volunteers, independent contractors, or subcontractors, are characterized as employee(s) of CITY.

CONTRACTOR and CITY agree that: (a) CONTRACTOR is free from the control and direction of CITY in connection with the performance of the work; (b) CONTRACTOR is providing services directly to CITY; (c) CONTRACTOR has and will maintain at all relevant times a business license; (d) CONTRACTOR maintains a business location that is separate from CITY; (e) CONTRACTOR is customarily engaged in an independently established business of the same nature as that involved in the work performed hereunder; (f) CONTRACTOR actually contracts with other businesses to provide the same or similar services and maintains a clientele without restrictions from CITY; (g) CONTRACTOR advertises and holds itself out to the public as available to provide the same or similar services; (h) CONTRACTOR provides its own tools, vehicles, and equipment to perform the services; (i) CONTRACTOR has negotiated its own rates; (j) CONTRACTOR set its own hours and location of work in accomplishing CITY's on-call needs; and (k) CONTRACTOR has the right to control the manner and means of accomplishing the result desired and exercises its own expert independent judgement.

The supplier named hereon by the acceptance of this order agrees to the provisions of this document titled "Contract Purchase Agreement" and all accompanying terms, conditions, and attachments.

Insurance Submission Process

The City of Roseville Human Resources/Risk Management Department uses a service called EBIX to manage our insurance certificate tracking.

How It Works

- The vendor's contact information is entered into EBIX. EBIX will contact the vendor to request proof of insurance.
- The Vendor can forward the request to their Insurance Agent(s) if necessary.
- Vendor/Insurance Agent submits insurance to EBIX by email to roseville@ebix.com or by fax to (770) 325-5727. After faxing or emailing the certificate, please DO NOT send the certificate by mail to EBIX. Please do not mail, email or fax any certificates to the City of Roseville.
- Once submitted, EBIX reviews the insurance documentation. If there are deficiencies, EBIX will send a follow up letter or email requesting additional information.

Questions Regarding Insurance Submission: Contact EBIX at (951) 652-4239

Questions Regarding Insurance Requirements Contact Risk Management at (916) 774-5202

CALIFORNIA AIR RESOURCES BOARD REGULATION COMPLIANCE

Please indicate whether the Contractor is subject to, and/or in compliance with, the following regulations of the California Air Resources Board.

In-Use Off-Road Diesel-Fueled Fleets Regulation

- 1) Will vehicles subject to Cal. Code Regs., tit. 13, §§ 2449 et seq. be used for the project?
This includes, but is not limited to:
 - a) Vehicles with a diesel-fueled or alternative diesel fueled off-road compression-ignition engine with maximum power (max hp) of 25 horsepower (hp) or greater provided that the vehicle cannot be registered and driven safely on-road or was not designed to be driven on-road, even if it has been modified so that it can be driven safely on-road
 - b) Workover rigs
 - c) Certain two-engine vehicles

Yes ☐ No ☒
- 2) If you answered "Yes" to 1), you **must** submit a valid Certificate of Reported Compliance to the City as provided in Cal. Code Regs., tit. 13, § 2449(n).

Advanced Clean Fleets Regulation

Pursuant to Cal. Code Regs., tit. 13, § 2013(i)(1), the Contractor shall submit to the City a document evidencing that it is listed on the CARB Advanced Clean Fleets webpage as a compliant fleet **OR** a signed statement stating that it is not subject to the High Priority and Federal Fleets regulation of title 13, CCR section 2015 through 2015.6.

The High Priority Fleets regulation applies to, without limitation, entities with more than \$50 million in gross annual revenues and/or which own, operate, or direct the operation of 50 or more vehicles in the total fleet.

- 1) Is the Contractor subject to the High Priority and Federal Fleets regulation of title 13, CCR section 2015 through 2015.6?
Yes ☐ No ☒
- 2) If you answered "Yes" to 1), you **must** submit a document evidencing that you are listed on the CARB Advanced Clean Fleets webpage as a compliant fleet.

RE: Contractor and Grantee Compliance with Economic Sanctions Imposed in Response to Russia's Actions in Ukraine

Dear Vendor:

On March 4, 2022, Governor Gavin Newsom issued Executive Order N-6-22 (EO) regarding sanctions in response to Russian aggression in Ukraine. The EO is located at <https://www.gov.ca.gov/wp-content/uploads/2022/03/3.4.22-Russia-Ukraine-Executive-Order.pdf>.

The EO directs all agencies and departments that are subject to the Governor's authority to take certain immediate steps, including notifying all contractors and grantees of their obligations to comply with existing economic sanctions imposed by the U.S. government in response to Russia's actions in Ukraine, as well as any sanctions imposed under state law.

This correspondence serves as a notice under the EO that as a contractor or grantee, compliance with the economic sanctions imposed in response to Russia's actions in Ukraine is required, including with respect to, but not limited to, the federal executive orders identified in the EO and the sanctions identified on the U.S. Department of the Treasury website (<https://home.treasury.gov/policy-issues/financial-sanctions/sanctions-programs-and-country-information/ukraine-russia-related-sanctions>). Failure to comply may result in the termination of contracts or grants, as applicable.

Please note that for any agreements or grants valued at \$5 million or more you must report to the City of Roseville your compliance with economic sanctions including steps you have taken in response to Russia's actions in Ukraine, including, but not limited to, desisting from making new investments in, or engaging in financial transactions with, Russian entities, not transferring technology to Russia or Russian entities, and directly providing support to the government and people of Ukraine.

Sincerely,

DocuSigned by:

Officer Execution Authority

RESOLVED, that the president and vice presidents of this Company be, and each of them hereby is, authorized to execute and deliver on behalf of this Company any and all agreements, deeds, mortgages, assignments, leases, releases, bids, offers, applications, powers of attorney and other legal documents and instruments which may be necessary or expedient in, or incident to, the conduct of the ordinary business of this Company, with the exception of letters of credit, guarantees, bonds, and other matters addressed in the global banking resolutions adopted by this Company effective December 15, 2022.

FURTHER RESOLVED, that the secretary and the assistant secretaries of this Company be, and each of them hereby is, authorized to affix the corporate seal of this Company, if required, to any such document or instrument and to attest said seal when the same is so affixed.

COUNCIL COMMUNICATION

CC #: 3670
File #: 0203-04

Title: Restoration and Remediation Management Services (RFP 01-079) - Contract Purchase Agreement
Contact: Darci Carpenter 916-774-5702 drcarpenter@roseville.ca.us

Meeting Date: 12/18/2024
Item #: 7.11.

RECOMMENDATION TO COUNCIL

Staff recommends that the City Council adopt a resolution authorizing the City Manager to execute a contract purchase agreement with ATI Restoration LLC to provide on-call restoration and remediation management services.

Staff also requests authority for the City Manager or his designee to execute four (4) additional one (1) year renewals without further City Council approval, provided that the applicable budget is approved by the City Council each year, or until City staff determines that continuing with the same vendor is not in the City's best interest.

BACKGROUND

In August of 2024, the Public Works Department issued Request for Proposals No. 01-079 for Restoration and Remediation Management Services, seeking proposals to provide on-demand emergency remediation, restoration, and reconstruction services in response to various emergency situations. These services include water extraction, mitigation, and restoration; fire, smoke, and water damage mitigation and restoration; vandalism cleanup; biohazard cleanup; sewage decontamination; deodorization; mold remediation; and debris removal. Additionally, the contract covers emergency construction for damage mitigation (limited to the repair of preexisting facilities, with no new construction) and the abatement of asbestos-containing materials.

Eight companies submitted proposals. The proposals were evaluated on qualifications, experience, cost and the overall proposal. ATI Restoration LLC was rated the highest, and staff is recommending ATI Restoration be awarded a contract.

FISCAL IMPACT

The value of the initial agreement is \$125,000 for the remainder of FY2024-25, not to exceed annual budgeted amounts. Funding for this year is included in the Building Maintenance and Facility Rehabilitation Division FY2024-25 budget in the Facility Services Fund. The funds will be

encumbered one year at a time pending Council approval of the budget for each year. Projected spending for the optional renewal years is as follows: FY2025-26, \$150,000, FY2026-27, \$175,000, FY2027-28, \$200,000 and FY2028-29, \$225,000.

ENVIRONMENTAL REVIEW

The proposed project involves maintenance, repair or minor tenant improvements to existing City facilities. These activities are categorically exempt from the California Environmental Quality Act (CEQA) as a Class 1 Exemption (State CEQA Guidelines Section 15301). The Exemption has been prepared, is on file with the City Clerk's Office, and no further CEQA action is required.

CITY COUNCIL STRATEGIC PLAN/OVERARCHING GOALS

Goal A - Remain fiscally responsible in a changing world

Goal C - Maintain a safe and healthy community

Goal E - Deliver exceptional city services

Respectfully Submitted,

Darci Carpenter, Administrative Technician

Jason Shykowski, Public Works Director

Dominick Casey, City Manager

RESOLUTION NO. 24-409

APPROVING A CONTRACT PURCHASE AGREEMENT, BY AND BETWEEN THE CITY OF ROSEVILLE AND ATI RESTORATION LLC, AND AUTHORIZING THE CITY MANAGER TO EXECUTE IT ON BEHALF OF THE CITY OF ROSEVILLE

WHEREAS, a contract purchase agreement (3004256) for restoration and remediation management services, by and between the City of Roseville and ATI Restoration LLC, has been reviewed by the City Council; and

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Roseville that said agreement is approved and the City Manager is authorized to execute it on behalf of the City of Roseville.

BE IT FURTHER RESOLVED that the City Manager or his designee is authorized to execute four (4) additional one (1) year renewals without further City Council approval, provided that the applicable budget is approved by the City Council each year, or until City staff determines that continuing with the same vendor is not in the City's best interest.

PASSED AND ADOPTED by the Council of the City of Roseville this ____ day of _____, 2024, by the following vote on roll call:

This Contract Purchase Agreement is sent for your review and acceptance. Notify the Buyer via email of any needed changes to the company name, address, and contact information. The Buyer will update the agreement prior to you signing the document.

Return signed copies of the agreement to the Buyer noted on the agreement. Alterations or modifications to the agreement are not allowed. Upon receipt of all necessary documents, the City will sign the agreement and return a fully executed copy to you. Receipt of the signed copy will be your notice to proceed with the work in accordance with the terms and conditions of the agreement. Work must not begin until the contract has been fully executed.

The following guidelines must be followed for the signature block on the agreement:

Sole proprietorship - **By owner**
Partnership - **Any general partner**
Corporation - **Two options:**

(1) A signature from the President and the corporate seal; **OR**

(2) One signature from the Chairman of the Board, President, or any Vice President **AND** one signature from the Secretary, any Assistant Secretary, Chief Financial Officer, or any Treasurer or Assistant Treasurer of the corporation

*General Manager, Office Manager and/or Sales Manager are not corporate officer titles. The agreement will be rejected if not signed in accordance with these guidelines.

Insurance requirements:

The City's insurance requirements are referenced on Attachment A of the agreement. By signing the agreement, you are confirming that your company has the minimum insurance limits required.

Contract Terms and Conditions

1. To the fullest extent allowed by law, Contractor shall defend, indemnify, and save and hold harmless the City, its officers, agents, employees and volunteers from any claims, suits or actions of every name, kind and description brought forth, or on account of, injuries to or death of any person (including but not limited to workers and the public), or damage to property, resulting from or arising out of Contractor's willful misconduct or negligent act or omission while engaged in the performance of obligations or exercise of rights created by this Agreement, except those matters arising from City's sole or active negligence or willful misconduct. The parties intend that this provision shall be broadly construed. Contractor's responsibility for such defense and indemnity obligations shall survive the termination or completion of this Agreement for the full period of time allowed by law. The defense and indemnity obligations of this Agreement are undertaken in addition to, and shall not in any way be limited by, the insurance obligations contained in this Agreement.
2. Contractor is an independent contractor, and shall not be considered an officer, agent, or employee of the City.
3. Without the written consent of the City, this Agreement is not assignable by Contractor either in whole or in part.
4. Time is of the essence of this Agreement.
5. At any time during the term of this Agreement, the City has the right to terminate this Agreement, provided Contractor is given thirty (30) days written notice. City's termination shall be without further liability to City; however, Contractor shall be entitled to all costs reasonably incurred prior to the date of termination. Contractor acknowledges that City may terminate this Agreement should funds not be appropriated by its governing body to continue services under this Agreement.
6. This Agreement may only be amended or modified in writing. It is integrated and contains the complete understanding of the parties.
7. All equipment, supplies and services sold to the City of Roseville shall conform to the general safety orders of the State of California.
8. Unless notified to the contrary, in writing, the City assumes that the Contractor has accepted the work in accordance with the plans and specifications (if any) and agrees to do the work in compliance with this Agreement.
9. All prevailing wages and fair employment practices must be adhered to. For prevailing wage contracts over \$25,000, copies of certified payroll must be submitted with invoices. Prevailing wage rates may be obtained from the State Department of Industrial Relations and/or the following website address: <http://www.dir.ca.gov/dlsr/DPreWageDetermination.htm>. In compliance with Labor Code Section 1773.2, as may be amended from time to time, Contractor shall cause a copy of this website to be posted at each jobsite, as applicable.
10. Contractor agrees to the below insurance requirements:
 - a. Unless otherwise specified, the Contractor shall maintain the policies of insurance outlined in Attachment A, incorporated herein by this reference, in full force and effect during the term of this Agreement. The City of Roseville retains sole discretion in determining the types and proper levels of insurance coverage.
 - b. Form. Contractor shall submit a certificate evidencing such coverage for the period covered by this Agreement in a form satisfactory to Risk Management and the City Attorney, prior to undertaking any work hereunder. Any insurance written on a claims made basis is subject to the approval of Risk Management

and the City Attorney.

- c. Additional Insureds. Contractor shall also provide a separate endorsement or section of the policy showing City, its officers, agents, employees, and volunteers as additional insureds for each type of coverage (except Workers' Compensation) and for ongoing and completed operations. Such insurance shall specifically cover the contractual liability of Contractor. The additional insured coverage under the Contractor's policy shall be primary and noncontributory, as evidenced by a separate endorsement or section of the policy, and shall not seek contribution from City's insurance or self-insurance. In addition, the additional insured coverage shall be at least as broad as the Insurance Services Office (ISO) CG 20 01 Endorsement. Any available insurance proceeds in excess of the specified minimum insurance coverage requirements and limits shall be available to the additional insureds. Furthermore, the requirements for coverage and limits shall be:
 - (1) the minimum coverage and limits specified in this Agreement; or
 - (2) the full coverage and maximum limits of any insurance proceeds available to the named insureds, whichever is greater.
- d. Cancellation/Modification. Contractor shall provide thirty (30) days written notice to City prior to cancellation or modification of any insurance required by this Agreement.
- e. Umbrella/Excess Insurance. The limits of insurance required in this Agreement may be satisfied by a combination of primary and excess insurance. Any excess insurance shall contain or be endorsed to contain a provision that such coverage shall also apply on a primary and noncontributory basis for the benefit of City (if agreed to in a written contract) before City's own insurance shall be called upon to protect it as a named insured.
- f. Subcontractors. Contractor agrees to include in its contracts with all subcontractors the same requirements and provisions of this Agreement, including the indemnity and insurance requirements, to the extent they apply to the scope of the subcontractor's work. Furthermore, Contractor shall require its subcontractors to agree to be bound to Contractor and City in the same manner and to the same extent as Contractor is bound to City under this Agreement. Additionally, Contractor shall obligate its subcontractors to comply with these same provisions with respect to any tertiary subcontractor, regardless of tier. A copy of City's indemnity and insurance provisions will be furnished to the subcontractor or tertiary subcontractor upon request.
- g. Self-Insured Retentions. All self-insured retentions (SIR) must be disclosed to Risk Management for approval and shall not reduce the limits of liability. Policies containing any SIR provision shall provide or be endorsed to provide that the SIR may be satisfied by either the named insured or City. City reserves the right to obtain a full certified copy of any insurance policy and endorsements. The failure to exercise this right shall not constitute a waiver of such right.
- h. Waiver of Subrogation. Contractor hereby agrees to waive subrogation which any insurer of Contractor may acquire from Contractor by virtue of the payment of any loss under a Workers Compensation, Commercial General Liability or Automobile Liability policy. All Workers Compensation, Commercial General Liability and Automobile Liability policies shall be endorsed with a waiver of subrogation in favor of City, its officers, agents, employees and volunteers for all work performed by Contractor, its employees, agents and subcontractors.
- i. Liability/Remedies. Insurance coverage in the minimum amounts set forth herein shall not be construed to relieve Contractor of liability in excess of such coverage, nor shall it preclude City from taking such other actions as are available to it under any other provisions of this Agreement or law.

11. Contractor shall comply with all federal, state and local laws and ordinances, including but not limited to the City's storm water regulations, as may be applicable to the performance of services under this Agreement. Failure to comply with local ordinances may result in monetary fines and cancellation of this Agreement. Refer to www.roseville.ca.us/stormwater for links to more information on the City's storm water regulations.
12. In the event that the terms of any attachment or exhibit conflict with any terms of this Agreement, the terms of this Agreement shall control.
13. This Agreement may be executed in one or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument. In the event that any signature is delivered by facsimile transmission or by e-mail delivery of a ".pdf" format data file, such signature shall create a valid and binding obligation of the party executing (or on whose behalf such signature is executed) with the same force and effect as if such facsimile or ".pdf" signature page were an original thereof.
14. If either party commences any legal action against the other party arising out of this Agreement or the performance thereof, the prevailing party in such action shall be entitled to recover its reasonable litigation expenses, including but not limited to, court costs, expert witness fees, discovery expenses, and attorneys' fees. Any action arising out of this Agreement shall be brought in Placer County, California, regardless of where else venue may lie. This Agreement shall be governed by and construed in accordance with the laws of the State of California.
15. This Agreement shall be binding upon the heirs, successors, executors, administrators and assigns of the respective parties hereto.
16. If any of the provisions contained in this Agreement are for any reason held invalid or unenforceable, such holding shall not affect the remaining provisions or the validity and enforceability of the Agreement as a whole.
17. For purposes of this Agreement, the terms "Contractor," "Consultant," and "Supplier" are used interchangeably.
18. No contractor or subcontractor may work on a public works project unless registered with the Department of Industrial Relations pursuant to Labor Code section 1725.5. During the performance of this agreement, Contractor and its subcontractors shall have a continuing legal obligation to maintain current registration with the Department of Industrial Relations. Contractor is hereby notified that this project is subject to compliance monitoring and enforcement by the Department of Industrial Relations.
19. Vehicles with a gross vehicle weight rating (GVWR) greater than 8,500 lbs. and light-duty package delivery vehicles operated in California may be subject to the California Air Resources Board (CARB) Advanced Clean Fleets regulations. Such vehicles may therefore be subject to requirements to reduce emissions and air pollutants. For more information, visit the CARB Advanced Clean Fleet webpage at <https://ww2.arb.ca.gov/our-work/programs/advanced-clean-fleets>.
20. Contractor/consultant's duties and services under this agreement shall not include preparing or assisting the public entity with any portion of the public entity's preparation of a request for proposals, request for qualifications, or any other solicitation regarding a subsequent or additional contract with the public entity. The public entity entering this agreement shall at all times retain responsibility for public contracting, including with respect to any subsequent phase of this project. Contractor/consultant's participation in the planning, discussions, or drawing of project plans or specifications, if any, shall be limited to conceptual, preliminary, or initial plans or specifications. Contractor/consultant shall cooperate with the public entity to ensure that all bidders for a subsequent contract on any subsequent phase of this project have access to the same information, including all conceptual, preliminary, or initial plans or specifications prepared by contractor pursuant to this agreement.
21. Contractor must submit all claims as defined in and in accordance with the claim

resolution process set forth in Section 9204 of the Public Contract Code. Each such claim must be sent to the City by registered mail or certified mail with return receipt requested and must contain reasonable documentation to support the claim. All claims must be received prior to acceptance of the work.

22. Contractor certifies that Contractor, its employees, directors, officers, agents, subcontractors, vendors, and volunteers are not presently debarred, excluded, suspended, declared ineligible, voluntarily excluded, or proposed for debarment, exclusion, suspension, or ineligibility by any federal, state, or local department or agency.
23. The Levine Act (Govt. Code, Section 84308) requires a Party (and its agent(s), if any) to a Proceeding before the City of Roseville that involves any action or consideration related to their contract, license, permit, or other entitlement for use, to disclose any campaign contributions made to City elected or appointed officers totaling more than \$250 within the twelve (12) months prior to the City decision and while a proceeding is pending, and includes certain prohibitions on contribution activity thereafter. If applicable campaign contributions have been made by Contractor and/or its agent(s), Contractor is responsible for compliance, including for its disclosure obligations, if any, as further described at: https://www.roseville.ca.us/government/departments/city_clerk/transparency/levine_act.
24. This Agreement may be amended via change order, but only if such change order is made in writing, approved by the City, and signed by both parties.
25. CONTRACTOR agrees to defend and indemnify CITY if, despite the parties intent and practice, any venue, agency, or court with competent jurisdiction determines that CONTRACTOR and/or any of its agents, officers, employees, volunteers, independent contractors, or subcontractors, are characterized as employee(s) of CITY.

CONTRACTOR and CITY agree that: (a) CONTRACTOR is free from the control and direction of CITY in connection with the performance of the work; (b) CONTRACTOR is providing services directly to CITY; (c) CONTRACTOR has and will maintain at all relevant times a business license; (d) CONTRACTOR maintains a business location that is separate from CITY; (e) CONTRACTOR is customarily engaged in an independently established business of the same nature as that involved in the work performed hereunder; (f) CONTRACTOR actually contracts with other businesses to provide the same or similar services and maintains a clientele without restrictions from CITY; (g) CONTRACTOR advertises and holds itself out to the public as available to provide the same or similar services; (h) CONTRACTOR provides its own tools, vehicles, and equipment to perform the services; (i) CONTRACTOR has negotiated its own rates; (j) CONTRACTOR set its own hours and location of work in accomplishing CITY's on-call needs; and (k) CONTRACTOR has the right to control the manner and means of accomplishing the result desired and exercises its own expert independent judgement.

The supplier named hereon by the acceptance of this order agrees to the provisions of this document titled "Contract Purchase Agreement" and all accompanying terms, conditions, and attachments.

Insurance Submission Process

The City of Roseville Human Resources/Risk Management Department uses a service called EBIX to manage our insurance certificate tracking.

How It Works

- The vendor's contact information is entered into EBIX. EBIX will contact the vendor to request proof of insurance.
- The Vendor can forward the request to their Insurance Agent(s) if necessary.
- Vendor/Insurance Agent submits insurance to EBIX by email to roseville@ebix.com or by fax to (770) 325-5727. After faxing or emailing the certificate, please DO NOT send the certificate by mail to EBIX. Please do not mail, email or fax any certificates to the City of Roseville.
- Once submitted, EBIX reviews the insurance documentation. If there are deficiencies, EBIX will send a follow up letter or email requesting additional information.

Questions Regarding Insurance Submission: Contact EBIX at (951) 652-4239

Questions Regarding Insurance Requirements Contact Risk Management at (916) 774-5202

Asbestos-Containing Materials in City-Owned Buildings

California Health and Safety Code Section 25915 requires that all City of Roseville employees, contractors and lessees be notified annually of the presence of asbestos in City-owned buildings constructed prior to 1979. Please post this notice in an area(s) accessible to all employees, contractors and lessees. Contact Facility Maintenance & Operations at (916) 774-5740 for more information about Asbestos Containing Materials (ACMs) in specific City-owned buildings. For more information about asbestos refer to the OSHA website.

The City of Roseville is committed to maintaining a safe and healthy work environment. The City's Facility Maintenance & Operations staff conducts ongoing inspections to identify and safely manage previously installed asbestos-containing products. Renovation of City-owned buildings **MUST** be reviewed in advance by Facility Maintenance & Operations to ensure the City is in compliance with building codes, Americans with Disabilities Act and that no ACMs are disturbed without proper safeguards. Work that requires removal or repair of ACMs is restricted to trained and qualified persons only. **Facility Maintenance & Operations will need to approve the qualified contractors.**

Use the following measures to protect you and others from exposure to airborne asbestos:

- Presume all building materials contain asbestos until determined otherwise by Facility Maintenance & Operations.
- Do not install walls, closets, cabinets, ceilings.
- Do not remove, cut, drill, sand, grind or otherwise disturb any material in the buildings, including carpet and tile.
- Do not paint (this includes any walls, ceilings, floors and electrostatic painting of office furniture).
- Do not remove any items nailed or screwed to the walls (this includes pictures, cabinets, electrical, etc.).
- Do not go above ceilings, behind walls or into building spaces such as attics and crawlspaces unless these areas have been inspected and cleared by Facility Maintenance & Operations.
- Do not pull cable or wiring through above-ceiling spaces with asbestos.
- Do not install screws, pins, nails or hangers into asbestos ceiling or wall plaster.
- Be careful not to damage walls, ceilings or floors when moving furniture or equipment. It is recommended that Facility Maintenance & Operations be contacted prior to moving furniture or equipment.
- Do not brush, sweep or vacuum textured asbestos ceiling plaster or plaster debris.
- Immediately report any damage or deterioration of suspect building materials to Facility Maintenance & Operations or Risk Management.

It is important to note that the presence of asbestos does not mean you have been exposed. Exposure results when friable asbestos particles are inhaled or ingested. Asbestos becomes friable when material containing asbestos is drilled, sanded or disturbed by remodeling or demolition work or when the ACM has deteriorated. Intact, bonded, sealed or undisturbed asbestos does not pose a hazard.

Employees may review the asbestos survey reports, results of bulk sampling or air monitoring conducted in City-owned buildings. All asbestos data will be available by appointment with Facility Maintenance & Operations.

Project Title: Restoration & Remediation Management Services – Contract Purchase Agreements

Project Location(s): City-owned and operated facilities

Project Description: Public Works staff recommends Council approves a contract purchase agreement to provide on-demand emergency remediation, restoration, and reconstruction services in response to various emergency situations at City-owned and operated facilities. These services include, but are not limited to, water extraction, mitigation, and restoration; fire, smoke, and water damage mitigation and restoration; vandalism cleanup; biohazard cleanup; sewage decontamination; deodorization; mold remediation; and debris removal. Additionally, the contract covers emergency construction for damage mitigation (limited to the repair of pre-existing facilities, with no new construction) and the abatement of asbestos-containing materials to provide on-call restoration and remediation management services. The agreement would also authorize up to four optional renewal years of the contract without further Council action. This project would provide for ongoing building and facility maintenance and would not result in an expansion of use or capacity.

Public Agency Approving Project: Roseville City Council

Agency/Individual Carrying Out Project: City of Roseville Public Works Department

Reason why this Project is Exempt: This project qualifies for a Class 1 Exemption as described in Section 15301 of the California Environmental Quality Act (CEQA) guidelines which states:

"Class 1 consists of the Repair, maintenance, ... or minor alteration of existing public facilities,involving negligible or no expansion of existing or former use.... Examples include but are not limited to: (a) Interior or exterior alterations involving such things as interior partitions, plumbing, and electrical conveyances..."

The project is generally confined to within existing City facilities and on City property and would not result in expansion of use. No environmentally sensitive resources are located within any of the properties; therefore the Class 1 exemption is applicable to the proposed project.

COUNCIL COMMUNICATION

CC #: 3680
File #: 0800-02

Title: Dry Creek Wastewater Treatment Plant and Pleasant Grove Wastewater Treatment Plant Biosolids Handling – Contract Purchase Agreements
Contact: Jason Fick 916-746-1940 jfick@roseville.ca.us

Meeting Date: 12/18/2024
Item #: 7.12.

RECOMMENDATION TO COUNCIL

Staff recommends that the City Council adopt two resolutions to approve Contract Purchase Agreements #3004281 and #3004282 with Synagro-WWT, Inc. to provide biosolids handling services to the Dry Creek Wastewater Treatment Plant and Pleasant Grove Wastewater Treatment Plant, respectively, and authorize the City Manager to execute them on behalf of the City of Roseville

Additionally, staff requests authority for the City Manager or his designee to execute four (4) additional one (1) year renewals for both contract purchase agreements without further City Council approval, provided that the applicable budget is approved by the City Council each year, or until City staff determines that continuing with the same vendors is not in the City's best interest.

BACKGROUND

The City of Roseville, Environmental Utilities Department (City) owns and operates two regional wastewater treatment plants that treat wastewater flow from customers within the City's limits, and from two other regional partners including South Placer Municipal Utility District (SPMUD), and unincorporated areas of Placer County. The two regional plants are the Dry Creek Wastewater Treatment Plant (DCWWTP) and the Pleasant Grove Wastewater Treatment Plant (PGWWTP). Both plants produce biosolids that need to be disposed of within the established regulatory requirements, pollutant limits, management practices, and operational standards outlined in Title 40 of Code of Federal Regulations Part 503 (40 CFR 503) for the use or disposal of sewage sludge.

DCWWTP produces approximately 11,500 wet tons of Class B, 40 CFR 503 compliant, biosolids annually. PGWWTP produces approximately 11,000 wet tons of Class B, 40 CFR 503 compliant, biosolids annually.

On September 16, 2024, the Environmental Utilities Department (EUD) released a Request for Proposals (RFP) #08-148, looking for qualified firms to provide a comprehensive biosolids

handling services for both DCWWTP and PGWWTP.

One (1) proposal from Synagro-WWT, Inc. was received by the City Clerk's office for review and consideration. Based upon review of the proposal by EUD's Proposal Evaluation Committee, it was determined to be acceptable based on the evaluation criteria outlined in the RFP including cost, qualifications, and experience.

FISCAL IMPACT

The estimated total cost for the services for the two contract purchase agreements is \$2,650,000 for year one; \$2,850,000 for year two; \$3,050,000 for year three; \$3,150,000 for year four; and \$3,150,000 for year five. The total not-to-exceed cost for the two agreements including the four additional one (1) year renewals is \$14,850,000. Funding will be provided from the Environmental Utilities Department's annual operating budgets in the Wastewater Operations Fund.

ENVIRONMENTAL REVIEW

The proposed project involves the operation of two existing facilities. This activity is categorically exempt from CEQA as a Class 1 Exemption (State CEQA Guidelines Section 15301). The Exemption has been prepared and no further CEQA action is required.

CITY COUNCIL STRATEGIC PLAN/OVERARCHING GOALS

Goal C - Maintain a safe and healthy community

Goal E - Deliver exceptional city services

This Contract Purchase Agreement is sent for your review and acceptance. Notify the Buyer via email of any needed changes to the company name, address, and contact information. The Buyer will update the agreement prior to you signing the document.

Return signed copies of the agreement to the Buyer noted on the agreement. Alterations or modifications to the agreement are not allowed. Upon receipt of all necessary documents, the City will sign the agreement and return a fully executed copy to you. Receipt of the signed copy will be your notice to proceed with the work in accordance with the terms and conditions of the agreement. Work must not begin until the contract has been fully executed.

The following guidelines must be followed for the signature block on the agreement:

Sole proprietorship - **By owner**

Partnership - **Any general partner**

Corporation - **Two options:**

(1) A signature from the President and the corporate seal; **OR**

(2) One signature from the Chairman of the Board, President, or any Vice President **AND** one signature from the Secretary, any Assistant Secretary, Chief Financial Officer, or any Treasurer or Assistant Treasurer of the corporation

*General Manager, Office Manager and/or Sales Manager are **not** corporate officer titles. The agreement will be rejected if not signed in accordance with these guidelines.

Insurance requirements:

The City's insurance requirements are referenced on Attachment A of the agreement. By signing the agreement, you are confirming that your company has the minimum insurance limits required.

Contract Purchase Agreement 3004281

Contract Terms and Conditions

1. To the fullest extent allowed by law, Contractor shall defend, indemnify, and save and hold harmless City, its officers, agents, employees and volunteers from any claims, suits or actions of every name, kind and description brought forth, or on account of, injuries to or death of any person (including but not limited to workers and the public), or damage to property, resulting from or arising out of Contractor's willful misconduct or negligent act or omission while engaged in the performance of obligations or exercise of rights created by this Agreement, except those matters arising from City's sole negligence or willful misconduct. The parties intend that this provision shall be broadly construed. Contractor's responsibility for such defense and indemnity obligations shall survive the termination or completion of this Agreement for the full period of time allowed by law. The defense and indemnity obligations of this Agreement are undertaken in addition to, and shall not in any way be limited by, the insurance obligations contained in this Agreement.
2. Contractor is an independent contractor, and shall not be considered an officer, agent or employee of the City.
3. Without the written consent of the City, this Agreement is not assignable by Contractor either in whole or in part.
4. Time is of the essence of this Agreement.
5. At any time during the term of this Agreement, the City has the right to terminate this Agreement, provided Contractor is given thirty (30) days written notice. City's termination shall be without further liability to City; however, Contractor shall be entitled to all costs reasonably incurred prior to the date of termination. Contractor acknowledges that City may terminate this Agreement should funds not be appropriated by its governing body to continue services under this Agreement.
6. This Agreement may only be amended or modified in writing. It is integrated and contains the complete understanding of the parties.
7. All equipment, supplies and services sold to the City of Roseville shall conform to the general safety orders of the State of California.
8. Unless notified to the contrary, in writing, the City assumes that the Contractor has accepted the work in accordance with the plans and specifications (if any) and agrees to do the work in compliance with this Agreement.
9. All fair employment practices must be adhered to. In addition, if the project referenced on this service agreement is a Public Works project, all prevailing wage laws must be complied with. For prevailing wage contracts over \$25,000, copies of certified payroll must be submitted with invoices. Prevailing wage rates may be obtained from the State Department of Industrial Relations and/or the following website address: <http://www.dir.ca.gov/dlsr/DPreWageDetermination.htm>. In compliance with Labor Code Section 1773.2, as may be amended from time to time, Contractor shall cause a copy of this website to be posted at each jobsite, as applicable.
10. Contractor agrees to the below insurance requirements:
 - a. Unless otherwise specified, the Contractor shall maintain the policies of insurance outlined in Attachment A, incorporated herein by this reference, in full force and effect during the term of this Agreement. The City of Roseville retains sole discretion in determining the types and proper levels of insurance

Contract Purchase Agreement 3004281

coverage.

- b. Form. Contractor shall submit a certificate evidencing such coverage for the period covered by this Agreement in a form satisfactory to Risk Management and the City Attorney, prior to undertaking any work hereunder. Any insurance written on a claims made basis is subject to the approval of Risk Management and the City Attorney.
- c. Additional Insureds. Contractor shall also provide a separate endorsement or section of the policy showing City, its officers, agents, employees, and volunteers as additional insureds for each type of coverage, except for Workers' Compensation. Such insurance shall specifically cover the contractual liability of Contractor. The additional insured coverage under the Contractor's policy shall be primary and noncontributory, as evidenced by a separate endorsement or section of the policy, and shall not seek contribution from City's insurance or self-insurance. In addition, the additional insured coverage shall be at least as broad as the Insurance Services Office (ISO) CG 20 01 Endorsement. Any available insurance proceeds in excess of the specified minimum insurance coverage requirements and limits shall be available to the additional insureds. Furthermore, the requirements for coverage and limits shall be:
 - (1) the minimum coverage and limits specified in this Agreement; or
 - (2) the full coverage and maximum limits of any insurance proceeds available to the named insureds, whichever is greater.
- d. Cancellation/Modification. Contractor shall provide thirty (30) days written notice to City prior to cancellation or modification of any insurance required by this Agreement.
- e. Umbrella/Excess Insurance. The limits of insurance required in this Agreement may be satisfied by a combination of primary and excess insurance. Any excess insurance shall contain or be endorsed to contain a provision that such coverage shall also apply on a primary and noncontributory basis for the benefit of City (if agreed to in a written contract) before City's own insurance shall be called upon to protect it as a named insured.
- f. Subcontractors. Contractor agrees to include in its contracts with all subcontractors the same requirements and provisions of this Agreement, including the indemnity and insurance requirements, to the extent they apply to the scope of the subcontractor's work. Furthermore, Contractor shall require its subcontractors to agree to be bound to Contractor and City in the same manner and to the same extent as Contractor is bound to City under this Agreement. Additionally, Contractor shall obligate its subcontractors to comply with these same provisions with respect to any tertiary subcontractor, regardless of tier. A copy of City's indemnity and insurance provisions will be furnished to the subcontractor or tertiary subcontractor upon request.
- g. Self-Insured Retentions. All self-insured retentions (SIR) must be disclosed to Risk Management for approval and shall not reduce the limits of liability. Policies containing any SIR provision shall provide or be endorsed to provide that the SIR may be satisfied by either the named insured or City. City reserves the right to obtain a full certified copy of any insurance policy and endorsements. The failure to exercise this right shall not constitute a waiver of such right.
- h. Waiver of Subrogation. Contractor hereby agrees to waive subrogation which any insurer of Contractor may acquire from Contractor by virtue of the payment of any loss under a Workers Compensation, Commercial General Liability or

Contract Purchase Agreement 3004281

Automobile Liability policy. All Workers Compensation, Commercial General Liability and Automobile Liability policies shall be endorsed with a waiver of subrogation in favor of City, its officers, agents, employees and volunteers for all work performed by Contractor, its employees, agents and subcontractors.

- i. Liability/Remedies. Insurance coverage in the minimum amounts set forth herein shall not be construed to relieve Contractor of liability in excess of such coverage, nor shall it preclude City from taking such other actions as are available to it under any other provisions of this Agreement or law.
11. Contractor shall comply with all federal, state, and local laws and ordinances, including but not limited to the City's storm water regulations, as may be applicable to the performance of services under this Agreement. Failure to comply with local ordinances may result in monetary fines and cancellation of this Agreement. Refer to www.roseville.ca.us/stormwater for links to more information on the City's storm water regulations.
12. In the event that the terms of any attachment or exhibit conflict with any terms of this Agreement, the terms of this Agreement shall control.
13. This Agreement may be executed in one or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument. In the event that any signature is delivered by facsimile transmission or by e-mail delivery of a ".pdf" format data file, such signature shall create a valid and binding obligation of the party executing (or on whose behalf such signature is executed) with the same force and effect as if such facsimile or ".pdf" signature page were an original hereof.
14. If either party commences any legal action against the other party arising out of this Agreement or the performance thereof, the prevailing party in such action shall be entitled to recover its reasonable litigation expenses, including but not limited to, court costs, expert witness fees, discovery expenses, and attorneys' fees. Any action arising out of this Agreement shall be brought in Placer County, California, regardless of where else venue may lie. This Agreement shall be governed by and construed in accordance with the laws of the State of California.
15. This Agreement shall be binding upon the heirs, successors, executors, administrators and assigns of the respective parties hereto.
16. If any of the provisions contained in this Agreement are for any reason held invalid or unenforceable, such holding shall not affect the remaining provisions or the validity and enforceability of the Agreement as a whole.
17. For purposes of this Agreement, the terms "Contractor," "Consultant," and "Supplier" are used interchangeably.
18. If the project referenced on this agreement is a Public Works project, then the following shall apply: No contractor or subcontractor may work on a public works project unless registered with the Department of Industrial Relations pursuant to Labor Code section 1725.5. During the performance of this agreement, Contractor and its subcontractors shall have a continuing legal obligation to maintain current registration with the Department of Industrial Relations. Contractor is hereby notified that this project is subject to compliance monitoring and enforcement by the Department of Industrial Relations.
19. Vehicles with a gross vehicle weight rating (GVWR) greater than 8,500 lbs. and light-duty package delivery vehicles operated in California may be subject to the California Air Resources Board (CARB) Advanced Clean Fleets regulations. Such vehicles may therefore be subject to requirements to reduce emissions and air pollutants. For more information, visit the CARB Advanced Clean Fleet webpage at <https://ww2.arb.ca>.

Contract Purchase Agreement 3004281

gov/our-work/programs/advanced-clean-fleets.

20. Contractor/consultant's duties and services under this agreement shall not include preparing or assisting the public entity with any portion of the public entity's preparation of a request for proposals, request for qualifications, or any other solicitation regarding a subsequent or additional contract with the public entity. The public entity entering this agreement shall at all times retain responsibility for public contracting, including with respect to any subsequent phase of this project. Contractor/consultant's participation in the planning, discussions, or drawing of project plans or specifications, if any, shall be limited to conceptual, preliminary, or initial plans or specifications. Contractor/consultant shall cooperate with the public entity to ensure that all bidders for a subsequent contract on any subsequent phase of this project have access to the same information, including all conceptual, preliminary, or initial plans or specifications prepared by contractor pursuant to this agreement.
21. If the project referenced on this agreement is a Public Works project, then the following shall apply: Contractor must submit all claims as defined in and in accordance with the claim resolution process set forth in Section 9204 of the Public Contract Code. Each such claim must be sent to the City by registered mail or certified mail with return receipt requested and must contain reasonable documentation to support the claim. All claims must be received prior to acceptance of the work.
22. Contractor certifies that Contractor, its employees, directors, officers, agents, subcontractors, vendors, and volunteers are not presently debarred, excluded, suspended, declared ineligible, voluntarily excluded, or proposed for debarment, exclusion, suspension, or ineligibility by any federal, state, or local department or agency.
23. The Levine Act (Govt. Code, Section 84308) requires a Party (and its agent(s), if any) to a Proceeding before the City of Roseville that involves any action or consideration related to their contract, license, permit, or other entitlement for use, to disclose any campaign contributions made to City elected or appointed officers totaling more than \$250 within the twelve (12) months prior to the City decision and while a proceeding is pending, and includes certain prohibitions on contribution activity thereafter. If applicable campaign contributions have been made by Contractor and/or its agent(s), Contractor is responsible for compliance, including for its disclosure obligations, if any, as further described at: https://www.roseville.ca.us/government/departments/city_clerk/transparency/levine_act.
24. This Agreement may be amended via change order, but only if such change order is made in writing, approved by the City, and signed by both parties.
25. CONTRACTOR agrees to defend and indemnify CITY if, despite the parties intent and practice, any venue, agency, or court with competent jurisdiction determines that CONTRACTOR and/or any of its agents, officers, employees, volunteers, independent contractors, or subcontractors, are characterized as employee(s) of CITY.

CONTRACTOR and CITY agree that: (a) CONTRACTOR is free from the control and direction of CITY in connection with the performance of the work; (b) CONTRACTOR is providing services directly to CITY; (c) CONTRACTOR has and will maintain at all relevant times a business license; (d) CONTRACTOR maintains a business location that is separate from CITY; (e) CONTRACTOR is customarily engaged in an independently established business of the same nature as that involved in the work performed hereunder; (f) CONTRACTOR actually contracts with other businesses to provide the same or similar services and maintains a clientele without restrictions from CITY; (g) CONTRACTOR advertises and holds itself out to the public as available to provide the same or similar services; (h) CONTRACTOR provides its own tools, vehicles, and equipment to perform the services; (i) CONTRACTOR has negotiated its own rates; (j) CONTRACTOR set its own hours and location of work in accomplishing CITY's on-call needs; and (k) CONTRACTOR has the right to control the manner and means of

Contract Purchase Agreement 3004281

- accomplishing the result desired and exercises its own expert independent judgement.
26. Force Majeure. Neither Party shall be liable to the other Party for breach or for failure or delay in the performance of its obligations hereunder caused by any act or occurrence beyond its reasonable control, including, but not limited to: fires; floods; strikes (except any strikes involving a Party's personnel); a change in Federal, State, or local law or ordinance; orders or judgments of any Federal, State or local court, administrative agency or governmental body; change in permit conditions or requirements; accidents; extreme weather conditions including, for example, hurricanes, tornadoes, unusually high amounts of precipitation, unusual extremes of temperature or wind, or unusually extended periods of adverse weather conditions; acts of war, aggression or terrorism (foreign or domestic); equipment failure (other than due to the inadequate maintenance thereof); and acts of God. It is specifically understood that, without limitation, none of the following acts, events or circumstances shall constitute an act or occurrence beyond a Party's reasonable control: (i) reasonably anticipated weather conditions normal for the region in which the work is performed or (ii) any failure to pay any sums in accordance with the terms of this Agreement. Whenever the provisions of this Section are believed to apply, the Party relying thereon shall give prompt notice to the other Party of the circumstances, the basis for applicability of this Section and the time required to cure such breach or delay and Contractor and Customer shall use reasonable best efforts to agree on appropriate mitigating actions under the circumstances. This provision provides performance (including schedule) and financial relief if a Force Majeure event interferes with the Contractor's performance.

The supplier named hereon by the acceptance of this order agrees to the provisions of this document titled "Contract Purchase Agreement" and all accompanying terms, conditions, and attachments.

Insurance Submission Process

The City of Roseville Human Resources/Risk Management Department uses a service called EBIX to manage our insurance certificate tracking.

How It Works

- The vendor's contact information is entered into EBIX. EBIX will contact the vendor to request proof of insurance.
- The Vendor can forward the request to their Insurance Agent(s) if necessary.
- Vendor/Insurance Agent submits insurance to EBIX by email to roseville@ebix.com or by fax to (770) 325-5727. After faxing or emailing the certificate, please DO NOT send the certificate by mail to EBIX. Please do not mail, email or fax any certificates to the City of Roseville.
- Once submitted, EBIX reviews the insurance documentation. If there are deficiencies, EBIX will send a follow up letter or email requesting additional information.

Questions Regarding Insurance Submission: Contact EBIX at (951) 652-4239

Questions Regarding Insurance Requirements Contact Risk Management at (916) 774-5202

Contract Purchase Agreement 3004281

CALIFORNIA AIR RESOURCES BOARD REGULATION COMPLIANCE

Please indicate whether the Contractor is subject to, and/or in compliance with, the following regulations of the California Air Resources Board.

In-Use Off-Road Diesel-Fueled Fleets Regulation

- 1) Will vehicles subject to Cal. Code Regs., tit. 13, §§ 2449 et seq. be used for the project?
This includes, but is not limited to:
 - a) Vehicles with a diesel-fueled or alternative diesel fueled off-road compression-ignition engine with maximum power (max hp) of 25 horsepower (hp) or greater provided that the vehicle cannot be registered and driven safely on-road or was not designed to be driven on-road, even if it has been modified so that it can be driven safely on-road
 - b) Workover rigs
 - c) Certain two-engine vehicles

Yes ☒ No ☐
- 2) If you answered "Yes" to 1), you **must** submit a valid Certificate of Reported Compliance to the City as provided in Cal. Code Regs., tit. 13, § 2449(n).

Advanced Clean Fleets Regulation

Pursuant to Cal. Code Regs., tit. 13, § 2013(i)(1), the Contractor shall submit to the City a document evidencing that it is listed on the CARB Advanced Clean Fleets webpage as a compliant fleet **OR** a signed statement stating that it is not subject to the High Priority and Federal Fleets regulation of title 13, CCR section 2015 through 2015.6.

The High Priority Fleets regulation applies to, without limitation, entities with more than \$50 million in gross annual revenues and/or which own, operate, or direct the operation of 50 or more vehicles in the total fleet.

- 1) Is the Contractor subject to the High Priority and Federal Fleets regulation of title 13, CCR section 2015 through 2015.6?
Yes ☒ No ☐
- 2) If you answered "Yes" to 1), you **must** submit a document evidencing that you are listed on the CARB Advanced Clean Fleets webpage as a compliant fleet.

RE: Contractor and Grantee Compliance with Economic Sanctions Imposed in Response to Russia's Actions in Ukraine

Dear Vendor:

On March 4, 2022, Governor Gavin Newsom issued Executive Order N-6-22 (EO) regarding sanctions in response to Russian aggression in Ukraine. The EO is located at <https://www.gov.ca.gov/wp-content/uploads/2022/03/3.4.22-Russia-Ukraine-Executive-Order.pdf>.

The EO directs all agencies and departments that are subject to the Governor's authority to take certain immediate steps, including notifying all contractors and grantees of their obligations to comply with existing economic sanctions imposed by the U.S. government in response to Russia's actions in Ukraine, as well as any sanctions imposed under state law.

This correspondence serves as a notice under the EO that as a contractor or grantee, compliance with the economic sanctions imposed in response to Russia's actions in Ukraine is required, including with respect to, but not limited to, the federal executive orders identified in the EO and the sanctions identified on the U.S. Department of the Treasury website (<https://home.treasury.gov/policy-issues/financial-sanctions/sanctions-programs-and-country-information/ukraine-russia-related-sanctions>). Failure to comply may result in the termination of contracts or grants, as applicable.

Please note that for any agreements or grants valued at \$5 million or more you must report to the City of Roseville your compliance with economic sanctions including steps you have taken in response to Russia's actions in Ukraine, including, but not limited to, desisting from making new investments in, or engaging in financial transactions with, Russian entities, not transferring technology to Russia or Russian entities, and directly providing support to the government and people of Ukraine.

Sincerely,

RESOLUTION NO. 24-416

APPROVING A CONTRACT PURCHASE AGREEMENT, BY AND BETWEEN
THE CITY OF ROSEVILLE AND SYNAGRO-WWT, INC., AND
AUTHORIZING THE CITY MANAGER TO EXECUTE IT
ON BEHALF OF THE CITY OF ROSEVILLE

WHEREAS, a contract purchase agreement (3004282) to provide biosolids handling services to the Pleasant Grove Wastewater Treatment Plant, by and between the City of Roseville and Synagro-WWT, Inc., has been reviewed by the City Council; and

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Roseville that said agreement is approved and the City Manager is authorized to execute it on behalf of the City of Roseville.

BE IT FURTHER RESOLVED that the City Manager or his designee is authorized to execute four (4) additional one (1) year renewals without further City Council approval, provided that the applicable budget is approved by the City Council each year, or until City staff determines that continuing with the same vendor is not in the City's best interest.

PASSED AND ADOPTED by the Council of the City of Roseville this ____ day of _____, 2024, by the following vote on roll call:

Contract Purchase Agreement 3004282

Contract Terms and Conditions

1. To the fullest extent allowed by law, Contractor shall defend, indemnify, and save and hold harmless City, its officers, agents, employees and volunteers from any claims, suits or actions of every name, kind and description brought forth, or on account of, injuries to or death of any person (including but not limited to workers and the public), or damage to property, resulting from or arising out of Contractor's willful misconduct or negligent act or omission while engaged in the performance of obligations or exercise of rights created by this Agreement, except those matters arising from City's sole negligence or willful misconduct. The parties intend that this provision shall be broadly construed. Contractor's responsibility for such defense and indemnity obligations shall survive the termination or completion of this Agreement for the full period of time allowed by law. The defense and indemnity obligations of this Agreement are undertaken in addition to, and shall not in any way be limited by, the insurance obligations contained in this Agreement.
2. Contractor is an independent contractor, and shall not be considered an officer, agent or employee of the City.
3. Without the written consent of the City, this Agreement is not assignable by Contractor either in whole or in part.
4. Time is of the essence of this Agreement.
5. At any time during the term of this Agreement, the City has the right to terminate this Agreement, provided Contractor is given thirty (30) days written notice. City's termination shall be without further liability to City; however, Contractor shall be entitled to all costs reasonably incurred prior to the date of termination. Contractor acknowledges that City may terminate this Agreement should funds not be appropriated by its governing body to continue services under this Agreement.
6. This Agreement may only be amended or modified in writing. It is integrated and contains the complete understanding of the parties.
7. All equipment, supplies and services sold to the City of Roseville shall conform to the general safety orders of the State of California.
8. Unless notified to the contrary, in writing, the City assumes that the Contractor has accepted the work in accordance with the plans and specifications (if any) and agrees to do the work in compliance with this Agreement.
9. All fair employment practices must be adhered to. In addition, if the project referenced on this service agreement is a Public Works project, all prevailing wage laws must be complied with. For prevailing wage contracts over \$25,000, copies of certified payroll must be submitted with invoices. Prevailing wage rates may be obtained from the State Department of Industrial Relations and/or the following website address: <http://www.dir.ca.gov/dlsr/DPreWageDetermination.htm>. In compliance with Labor Code Section 1773.2, as may be amended from time to time, Contractor shall cause a copy of this website to be posted at each jobsite, as applicable.
10. Contractor agrees to the below insurance requirements:
 - a. Unless otherwise specified, the Contractor shall maintain the policies of insurance outlined in Attachment A, incorporated herein by this reference, in full force and effect during the term of this Agreement. The City of Roseville retains sole discretion in determining the types and proper levels of insurance

Contract Purchase Agreement 3004282

coverage.

- b. Form. Contractor shall submit a certificate evidencing such coverage for the period covered by this Agreement in a form satisfactory to Risk Management and the City Attorney, prior to undertaking any work hereunder. Any insurance written on a claims made basis is subject to the approval of Risk Management and the City Attorney.
- c. Additional Insureds. Contractor shall also provide a separate endorsement or section of the policy showing City, its officers, agents, employees, and volunteers as additional insureds for each type of coverage, except for Workers' Compensation. Such insurance shall specifically cover the contractual liability of Contractor. The additional insured coverage under the Contractor's policy shall be primary and noncontributory, as evidenced by a separate endorsement or section of the policy, and shall not seek contribution from City's insurance or self-insurance. In addition, the additional insured coverage shall be at least as broad as the Insurance Services Office (ISO) CG 20 01 Endorsement. Any available insurance proceeds in excess of the specified minimum insurance coverage requirements and limits shall be available to the additional insureds. Furthermore, the requirements for coverage and limits shall be:
 - (1) the minimum coverage and limits specified in this Agreement; or
 - (2) the full coverage and maximum limits of any insurance proceeds available to the named insureds, whichever is greater.
- d. Cancellation/Modification. Contractor shall provide thirty (30) days written notice to City prior to cancellation or modification of any insurance required by this Agreement.
- e. Umbrella/Excess Insurance. The limits of insurance required in this Agreement may be satisfied by a combination of primary and excess insurance. Any excess insurance shall contain or be endorsed to contain a provision that such coverage shall also apply on a primary and noncontributory basis for the benefit of City (if agreed to in a written contract) before City's own insurance shall be called upon to protect it as a named insured.
- f. Subcontractors. Contractor agrees to include in its contracts with all subcontractors the same requirements and provisions of this Agreement, including the indemnity and insurance requirements, to the extent they apply to the scope of the subcontractor's work. Furthermore, Contractor shall require its subcontractors to agree to be bound to Contractor and City in the same manner and to the same extent as Contractor is bound to City under this Agreement. Additionally, Contractor shall obligate its subcontractors to comply with these same provisions with respect to any tertiary subcontractor, regardless of tier. A copy of City's indemnity and insurance provisions will be furnished to the subcontractor or tertiary subcontractor upon request.
- g. Self-Insured Retentions. All self-insured retentions (SIR) must be disclosed to Risk Management for approval and shall not reduce the limits of liability. Policies containing any SIR provision shall provide or be endorsed to provide that the SIR may be satisfied by either the named insured or City. City reserves the right to obtain a full certified copy of any insurance policy and endorsements. The failure to exercise this right shall not constitute a waiver of such right.
- h. Waiver of Subrogation. Contractor hereby agrees to waive subrogation which any insurer of Contractor may acquire from Contractor by virtue of the payment of any loss under a Workers Compensation, Commercial General Liability or

Contract Purchase Agreement 3004282

Automobile Liability policy. All Workers Compensation, Commercial General Liability and Automobile Liability policies shall be endorsed with a waiver of subrogation in favor of City, its officers, agents, employees and volunteers for all work performed by Contractor, its employees, agents and subcontractors.

- i. Liability/Remedies. Insurance coverage in the minimum amounts set forth herein shall not be construed to relieve Contractor of liability in excess of such coverage, nor shall it preclude City from taking such other actions as are available to it under any other provisions of this Agreement or law.
11. Contractor shall comply with all federal, state, and local laws and ordinances, including but not limited to the City's storm water regulations, as may be applicable to the performance of services under this Agreement. Failure to comply with local ordinances may result in monetary fines and cancellation of this Agreement. Refer to www.roseville.ca.us/stormwater for links to more information on the City's storm water regulations.
12. In the event that the terms of any attachment or exhibit conflict with any terms of this Agreement, the terms of this Agreement shall control.
13. This Agreement may be executed in one or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument. In the event that any signature is delivered by facsimile transmission or by e-mail delivery of a ".pdf" format data file, such signature shall create a valid and binding obligation of the party executing (or on whose behalf such signature is executed) with the same force and effect as if such facsimile or ".pdf" signature page were an original hereof.
14. If either party commences any legal action against the other party arising out of this Agreement or the performance thereof, the prevailing party in such action shall be entitled to recover its reasonable litigation expenses, including but not limited to, court costs, expert witness fees, discovery expenses, and attorneys' fees. Any action arising out of this Agreement shall be brought in Placer County, California, regardless of where else venue may lie. This Agreement shall be governed by and construed in accordance with the laws of the State of California.
15. This Agreement shall be binding upon the heirs, successors, executors, administrators and assigns of the respective parties hereto.
16. If any of the provisions contained in this Agreement are for any reason held invalid or unenforceable, such holding shall not affect the remaining provisions or the validity and enforceability of the Agreement as a whole.
17. For purposes of this Agreement, the terms "Contractor," "Consultant," and "Supplier" are used interchangeably.
18. If the project referenced on this agreement is a Public Works project, then the following shall apply: No contractor or subcontractor may work on a public works project unless registered with the Department of Industrial Relations pursuant to Labor Code section 1725.5. During the performance of this agreement, Contractor and its subcontractors shall have a continuing legal obligation to maintain current registration with the Department of Industrial Relations. Contractor is hereby notified that this project is subject to compliance monitoring and enforcement by the Department of Industrial Relations.
19. Vehicles with a gross vehicle weight rating (GVWR) greater than 8,500 lbs. and light-duty package delivery vehicles operated in California may be subject to the California Air Resources Board (CARB) Advanced Clean Fleets regulations. Such vehicles may therefore be subject to requirements to reduce emissions and air pollutants. For more information, visit the CARB Advanced Clean Fleet webpage at <https://ww2.arb.ca>.

Contract Purchase Agreement 3004282

gov/our-work/programs/advanced-clean-fleets.

20. Contractor/consultant's duties and services under this agreement shall not include preparing or assisting the public entity with any portion of the public entity's preparation of a request for proposals, request for qualifications, or any other solicitation regarding a subsequent or additional contract with the public entity. The public entity entering this agreement shall at all times retain responsibility for public contracting, including with respect to any subsequent phase of this project. Contractor/consultant's participation in the planning, discussions, or drawing of project plans or specifications, if any, shall be limited to conceptual, preliminary, or initial plans or specifications. Contractor/consultant shall cooperate with the public entity to ensure that all bidders for a subsequent contract on any subsequent phase of this project have access to the same information, including all conceptual, preliminary, or initial plans or specifications prepared by contractor pursuant to this agreement.
21. If the project referenced on this agreement is a Public Works project, then the following shall apply: Contractor must submit all claims as defined in and in accordance with the claim resolution process set forth in Section 9204 of the Public Contract Code. Each such claim must be sent to the City by registered mail or certified mail with return receipt requested and must contain reasonable documentation to support the claim. All claims must be received prior to acceptance of the work.
22. Contractor certifies that Contractor, its employees, directors, officers, agents, subcontractors, vendors, and volunteers are not presently debarred, excluded, suspended, declared ineligible, voluntarily excluded, or proposed for debarment, exclusion, suspension, or ineligibility by any federal, state, or local department or agency.
23. The Levine Act (Govt. Code, Section 84308) requires a Party (and its agent(s), if any) to a Proceeding before the City of Roseville that involves any action or consideration related to their contract, license, permit, or other entitlement for use, to disclose any campaign contributions made to City elected or appointed officers totaling more than \$250 within the twelve (12) months prior to the City decision and while a proceeding is pending, and includes certain prohibitions on contribution activity thereafter. If applicable campaign contributions have been made by Contractor and/or its agent(s), Contractor is responsible for compliance, including for its disclosure obligations, if any, as further described at: https://www.roseville.ca.us/government/departments/city_clerk/transparency/levine_act.
24. This Agreement may be amended via change order, but only if such change order is made in writing, approved by the City, and signed by both parties.
25. CONTRACTOR agrees to defend and indemnify CITY if, despite the parties intent and practice, any venue, agency, or court with competent jurisdiction determines that CONTRACTOR and/or any of its agents, officers, employees, volunteers, independent contractors, or subcontractors, are characterized as employee(s) of CITY.

CONTRACTOR and CITY agree that: (a) CONTRACTOR is free from the control and direction of CITY in connection with the performance of the work; (b) CONTRACTOR is providing services directly to CITY; (c) CONTRACTOR has and will maintain at all relevant times a business license; (d) CONTRACTOR maintains a business location that is separate from CITY; (e) CONTRACTOR is customarily engaged in an independently established business of the same nature as that involved in the work performed hereunder; (f) CONTRACTOR actually contracts with other businesses to provide the same or similar services and maintains a clientele without restrictions from CITY; (g) CONTRACTOR advertises and holds itself out to the public as available to provide the same or similar services; (h) CONTRACTOR provides its own tools, vehicles, and equipment to perform the services; (i) CONTRACTOR has negotiated its own rates; (j) CONTRACTOR set its own hours and location of work in accomplishing CITY's on-call needs; and (k) CONTRACTOR has the right to control the manner and means of

Contract Purchase Agreement 3004282

- accomplishing the result desired and exercises its own expert independent judgement.
26. Force Majeure. Neither Party shall be liable to the other Party for breach or for failure or delay in the performance of its obligations hereunder caused by any act or occurrence beyond its reasonable control, including, but not limited to: fires; floods; strikes (except any strikes involving a Party's personnel); a change in Federal, State, or local law or ordinance; orders or judgments of any Federal, State or local court, administrative agency or governmental body; change in permit conditions or requirements; accidents; extreme weather conditions including, for example, hurricanes, tornadoes, unusually high amounts of precipitation, unusual extremes of temperature or wind, or unusually extended periods of adverse weather conditions; acts of war, aggression or terrorism (foreign or domestic); equipment failure (other than due to the inadequate maintenance thereof); and acts of God. It is specifically understood that, without limitation, none of the following acts, events or circumstances shall constitute an act or occurrence beyond a Party's reasonable control: (i) reasonably anticipated weather conditions normal for the region in which the work is performed or (ii) any failure to pay any sums in accordance with the terms of this Agreement. Whenever the provisions of this Section are believed to apply, the Party relying thereon shall give prompt notice to the other Party of the circumstances, the basis for applicability of this Section and the time required to cure such breach or delay and Contractor and Customer shall use reasonable best efforts to agree on appropriate mitigating actions under the circumstances. This provision provides performance (including schedule) and financial relief if a Force Majeure event interferes with the Contractor's performance.

The supplier named hereon by the acceptance of this order agrees to the provisions of this document titled "Contract Purchase Agreement" and all accompanying terms, conditions, and attachments.

Insurance Submission Process

The City of Roseville Human Resources/Risk Management Department uses a service called EBIX to manage our insurance certificate tracking.

How It Works

- The vendor's contact information is entered into EBIX. EBIX will contact the vendor to request proof of insurance.
- The Vendor can forward the request to their Insurance Agent(s) if necessary.
- Vendor/Insurance Agent submits insurance to EBIX by email to roseville@ebix.com or by fax to (770) 325-5727. After faxing or emailing the certificate, please DO NOT send the certificate by mail to EBIX. Please do not mail, email or fax any certificates to the City of Roseville.
- Once submitted, EBIX reviews the insurance documentation. If there are deficiencies, EBIX will send a follow up letter or email requesting additional information.

Questions Regarding Insurance Submission: Contact EBIX at (951) 652-4239

Questions Regarding Insurance Requirements Contact Risk Management at (916) 774-5202

CALIFORNIA AIR RESOURCES BOARD REGULATION COMPLIANCE

Please indicate whether the Contractor is subject to, and/or in compliance with, the following regulations of the California Air Resources Board.

In-Use Off-Road Diesel-Fueled Fleets Regulation

- 1) Will vehicles subject to Cal. Code Regs., tit. 13, §§ 2449 et seq. be used for the project?
This includes, but is not limited to:
 - a) Vehicles with a diesel-fueled or alternative diesel fueled off-road compression-ignition engine with maximum power (max hp) of 25 horsepower (hp) or greater provided that the vehicle cannot be registered and driven safely on-road or was not designed to be driven on-road, even if it has been modified so that it can be driven safely on-road
 - b) Workover rigs
 - c) Certain two-engine vehicles

Yes X No
- 2) If you answered "Yes" to 1), you **must** submit a valid Certificate of Reported Compliance to the City as provided in Cal. Code Regs., tit. 13, § 2449(n).

Advanced Clean Fleets Regulation

Pursuant to Cal. Code Regs., tit. 13, § 2013(i)(1), the Contractor shall submit to the City a document evidencing that it is listed on the CARB Advanced Clean Fleets webpage as a compliant fleet **OR** a signed statement stating that it is not subject to the High Priority and Federal Fleets regulation of title 13, CCR section 2015 through 2015.6.

The High Priority Fleets regulation applies to, without limitation, entities with more than \$50 million in gross annual revenues and/or which own, operate, or direct the operation of 50 or more vehicles in the total fleet.

- 1) Is the Contractor subject to the High Priority and Federal Fleets regulation of title 13, CCR section 2015 through 2015.6?

Yes X No
- 2) If you answered "Yes" to 1), you **must** submit a document evidencing that you are listed on the CARB Advanced Clean Fleets webpage as a compliant fleet.

RE: Contractor and Grantee Compliance with Economic Sanctions Imposed in Response to Russia's Actions in Ukraine

Dear Vendor:

On March 4, 2022, Governor Gavin Newsom issued Executive Order N-6-22 (EO) regarding sanctions in response to Russian aggression in Ukraine. The EO is located at <https://www.gov.ca.gov/wp-content/uploads/2022/03/3.4.22-Russia-Ukraine-Executive-Order.pdf>.

The EO directs all agencies and departments that are subject to the Governor's authority to take certain immediate steps, including notifying all contractors and grantees of their obligations to comply with existing economic sanctions imposed by the U.S. government in response to Russia's actions in Ukraine, as well as any sanctions imposed under state law.

This correspondence serves as a notice under the EO that as a contractor or grantee, compliance with the economic sanctions imposed in response to Russia's actions in Ukraine is required, including with respect to, but not limited to, the federal executive orders identified in the EO and the sanctions identified on the U.S. Department of the Treasury website (<https://home.treasury.gov/policy-issues/financial-sanctions/sanctions-programs-and-country-information/ukraine-russia-related-sanctions>). Failure to comply may result in the termination of contracts or grants, as applicable.

Please note that for any agreements or grants valued at \$5 million or more you must report to the City of Roseville your compliance with economic sanctions including steps you have taken in response to Russia's actions in Ukraine, including, but not limited to, desisting from making new investments in, or engaging in financial transactions with, Russian entities, not transferring technology to Russia or Russian entities, and directly providing support to the government and people of Ukraine.

Sincerely,

Re: RFP 08-148; Dry Creek and Pleasant Grove Wastewater Treatment Plants Biosolids Handling

Ladies and Gentlemen:

Synagro-WWT, Inc. (Synagro) is pleased to respond to the City of Roseville's Request for Proposals for Anaerobic Digester Cleaning and have enclosed our proposal for your review.

Our key contact for the City is:

Mr. John Pugliaresi, Sr. Area Sales Manager
Synagro-WWT, Inc.
3110 Gold Canal Drive, Suite E, Rancho Cordova, CA 95670
jpugliaresi@synagro.com
(916) 862-9306 office; (650) 333-0729 mobile; (916) 853-2065 fax

Synagro will perform the services and adhere to the requirements described in the RFP, including Addendum 1, posted September 25, 2024; Addendum 2, posted September 30, 2024; and all answers to questions posted to the City's procurement portal.

Having provided biosolids management services for the City in the past, we are intimately familiar with the WWTP operations, personnel and biosolids management needs and look forward to working with your staff on this project.

Synagro appreciates this opportunity. Should you have any questions regarding our submittal, please contact me at by phone or e-mail. We look forward to hearing from you soon.

Warm regards,

John Pugliaresi

A: Firm's Qualifications

Founded in 1986, Synagro's core business is the environmentally sound and economically viable management of municipal biosolids, including project development, operations and biosolids product distribution. Through this focus, Synagro has grown to be North America's leading provider of high-quality, cost-effective biosolids management and beneficial use solutions. We have been successfully meeting the biosolids management needs of hundreds of generators for more than 45 years. Synagro's experience in all areas of biosolids management is unparalleled.

Synagro annually manages more than 14 million tons of wastewater biosolids and other organic by-products. Synagro employs a team of 1000+ professional engineers, soil scientists, agronomists, construction managers, financial managers and the largest, most diverse operational staff in the industry. Our team is dedicated to working with our clients to find the right solution to their organic residuals management challenges. Synagro, and its subsidiaries, are at the forefront of the environmental movement to safely process and market organic residual materials for beneficial uses.

Synagro owns no proprietary technology which enables us to offer nearly all commercially viable processing options and product marketing channels for biosolids and organic residuals and allows us to develop projects that fit a municipality's unique needs. Our breadth of experience developing, building, financing as necessary, and operating and maintaining the complete range of biosolids options listed below is unique to Synagro.

- Heat-drying and pelletization
- Composting
- Incineration
- Digestion
- Product marketing
- Dewatering (installation and operation)
- Mobile dewatering
- Land application and reclamation
- Lagoon and digester cleaning
- Alkaline stabilization
- Rail transportation

Synagro currently operates 19 heat-drying facilities, three thermal processing facilities serving multiple regional generators, 9 composting facilities (8 of which provide an outlet for numerous generators), more than a dozen alkaline stabilization facilities, and in excess of 75 permanent and mobile dewatering facilities.

In addition, we provide final product distribution as a key component of many of these projects. Our Product Sales and Marketing team is responsible for successfully managing approximately 300,000 tons per year of AllGro[®] compost and 170,000 tons of Granulite[®] fertilizer pellets (heat-dried biosolids). We have unrivalled understanding of the markets for these products and continuously work to broaden the suite of outlets for these materials. As an example, Synagro pioneered the use of heat-dried biosolids as an alternative fuel resource in cement manufacturing. When Synagro operates a facility, we include product distribution services in our operation; however, we also work with municipally operated facilities to assist in managing their products.

In December 2020, Synagro was acquired by West Street Infrastructure Partners III, an infrastructure investment fund managed by Goldman Sachs Merchant Banking Division. Founded in 1869, The Goldman Sachs Group, Inc. is a leading global investment banking, securities, and investment management firm. Goldman Sachs Merchant Banking Division (MBD) is the primary center for the firm's long-term principal investing activity. MBD is one of the leading private capital investors in the world with investments across private equity, infrastructure, private debt, growth equity and real estate.

B: Experience and References

Synagro is one of the largest providers of in plant solids handling and removal services for the municipal water and wastewater sector as well as numerous industrial sectors, such as food and beverage and pulp and paper. Synagro maintains a fleet of more than 50 mobile dewatering units (belt presses and centrifuges) and more than a dozen mobile dredges to service clients in approximately 35 states. These services include the cleaning of digesters, primary and secondary clarifiers, oxidation channels and sludge lagoons of all sizes. Synagro's Northern California services operation, with its regional office in Rancho Cordova, California, supports all of the in-plant services that are performed in the company's West Region.

The proximity of the in-plant services hub is critical to the support of a project such as Roseville's in that the project can be resupplied or equipment replaced within hours without impacting limited storage area on the City's plant site.

Additional Biosolids Management Qualifications and Experience

Synagro offers virtually all commercially viable processing options and product marketing channels for biosolids and organic residuals including: heat drying and pelletization, incineration, composting, alkaline stabilization, digestion, dewatering, land application, and more. This ability to offer the complete range of biosolids options is unique to Synagro and allows us to develop projects that fit a municipality's unique needs. In addition, this breadth of experience provides us with an in-depth understanding of biosolids that other companies simply do not possess.

As the industry leader in providing various forms of project delivery options, we have extensive experience developing and managing biosolids facility design-build-own-operate (DBOO) projects. We currently operate nine heat-drying facilities, three thermal processing facilities, four composting facilities, over a dozen alkaline stabilization facilities, and approximately 70 permanent and mobile dewatering facilities.

Synagro has industry-leading biosolids processing facility development and operating experience, as evidenced with over 100 collective years of successfully operating drying/pelletizing and composting facilities. Synagro has more experience in operating dryer facilities than any other company. Synagro's extensive operational experience helps us to continually improve on the planning, design, construction and operation of successful biosolids drying and pelletization systems. Currently, Synagro operates municipal biosolids dryers at ten municipalities including Philadelphia, Pennsylvania; Baltimore, Maryland (2); Sacramento, California; Honolulu, Hawaii; Pinellas County, Florida; Stamford, Connecticut; Hagerstown, Maryland, Camden County, New Jersey and North Andover, Massachusetts. Each of these drying facilities was delivered on time and within budget.

In short, Synagro has more specialized expertise developing and managing large biosolids treatment facilities than any other company in North America. We have \$1 billion in committed long-term contract revenues at our 16 operating biosolids processing facilities. These projects totaled approximately \$500 million in capital infrastructure value.

C: Qualifications of Team

Synagro directs and manages its projects using experienced people in key positions. Managers have full responsibility and authority to assign, direct and monitor Synagro resources for successful completion of a project. Synagro's key personnel for the City of Roseville's biosolids are:

Craig Geyer, Regional Vice President – see attached resume

Simaranpreet Kaur, Area Direction – see attached resume

John Pugliaresi, Sr. Area Sales Manager

John Pugliaresi has a combined 30+ years' experience in the environmental management field with Norcal Solid Waste Systems, USA Waste Services, Waste Management and Synagro Technologies. His areas of expertise include finance/accounting, operations management and sales. As part of his duties with Synagro, John has prepared applications for changes in refuse collection and disposal rates for the City and County of San Francisco and implemented operations performance-monitoring programs. He is responsible for the development of all Synagro service projects throughout the West Region of the United States. John has a Bachelor of Science Degree in Accounting and received his Certified Public Accountant certification in 1982. His extensive experience in finance has enhanced his ability in operational planning and management.

Jose Valencia, Technical Services Manager

Jose Valencia has been an integral member of Synagro's Technical Services group for more than five years. He is responsible for all aspects of management and permitting related to biosolids beneficial use and disposal throughout California. This includes site permitting, establishing, and maintaining grower and regulatory relationships, managing land application operations, QA/QC of biosolids data, and ensuring compliance with local, state, and federal biosolids rules. Prior to his Technical Services role, Jose worked in project setup and development where he procured necessary equipment and established costs and budgetary schedules for biosolids management projects.

Craig Geyer

REGIONAL VICE PRESIDENT

Synagro Technologies, Inc.

Regional Vice President, August 2021 to Present

Responsible for management of all operational aspects of the Southwest Region for its scope of services which includes land application of liquid and cake biosolids, fixed facility and mobile dewatering, heat drying and pelletization, composting, lagoon and digester cleaning and the marketing of Class A biosolids products.

Area Plant Director, January 2010 to 2021

Responsible for management of Synagro's biosolids management service contract and compost facility operations in the southwestern United States to include daily haul, composting, event operations.

Senior Operations Manager, January 2005 – December 2009

Responsible for management of Synagro's Arizona operations to include operations at the Arizona Soils Compost Facility and California and Arizona daily haul operations.

Operations Manager, October 2002 to December 2004

Responsible for management of the day-to-day operations of Synagro's projects with the City of Phoenix, the City of Mesa, City of Avondale, Arizona City and City of Casa Grande in Southern Arizona.

Gilbert Pump

Construction Superintendent, 2001 to 2002

Supervised construction for water facilities.

Camp, Dresser and McKee

Construction Superintendent, 1999 to 2001

Supervised construction for water and wastewater treatment plants.

Latigo, Inc.

Manager, 1989 to 1999

Assisted with the management and operation of a family-owned business specializing in truck transportation and construction.

Simranpreet Kaur

Area Operations Director

Synagro Technologies, Inc.

Technical Services Manager- 2016-2022

Area Director 2022 to Present

Responsibilities include operations management of current projects and to provide strategic growth for the business by developing most cost-efficient planning and solutions; maintain strong relationships with current and future customers; prepare permit applications, nutrient management plan and maps for land-application sites; and understand the needs of customers, farmers, regulators and sub-contractors on daily basis for successful operations of the projects, land application of biosolids and create best possible solutions.

University of Nebraska - Lincoln

Graduate Research Assistant, 2013 to 2015

Provided assistance with: planning and conducting research experiments in field and in greenhouse across various location in Nebraska including preparing protocols for field layout, mixing and spraying pesticides, data collection, analysis and interpretation; developing Integrated Pest Management techniques to control glyphosate-resistant Giant Ragweed (*Ambrosia Trifida*) throughout the growing season; technical information to farmers about latest developments in pesticide-industry; participation in Field Days organized by universities and private companies; research presentation in professional meetings and conferences organized by North Central Weed Science Society of America; and supervising lab assistants and giving them directions on conducting experiments.

EDUCATION

UNIVERSITY OF
NEBRASKA - LINCOLN
M.S. in Agronomy, 2015

PANJAB
AGRICULTURAL
UNIVERSITY (India)
B.S. in Crop Science, 2012

ACCOMPLISHMENTS

- Published 5 research papers on MS research in renowned journals
- Permitted ~600 acres in Solano County for land application of biosolids
- Increased capacity by improving PAN rates for crops at Silva Ranch by ~50% and at Solano by 25%
- Increased profit by 10% and dollar amount by \$236,000 by diverting East Bay MUD to Silva Ranch from landfills
- Supported in preparing Conditional Use Permit (CUP) and Report of Waste Discharge (RWD) for Silva Ranch

D: Project Understanding

Synagro's project understanding is as follows:

The City of Roseville operates two wastewater treatment facilities each producing approximately 11,000 tons per year of class b biosolids. The safe, reliable, cost-effective, and environmentally sustainable transport and beneficial use of this material is an integral part of the plants' operations.

It is further understood that maintaining the agreed upon schedule for pick-up and transport of biosolids is an essential to the plants. In order to meet these expectations, Synagro has a fleet of subcontractors and multiple end use locations to ensure the class b biosolids are used in agronomic beneficial manner (class b land application). Additionally, Synagro is providing pricing for composting of biosolids that may not meet class b pathogen requirements but are otherwise non-hazardous as well as backup landfill pricing for material that may otherwise meet land application or composting requirements but are suitable for disposal in a sanitary landfill.

Synagro has demonstrated its understanding by providing the City with quality service and adapting with the changes in Federal, State and local regulations since 2005. Synagro has adapted its service offerings as the needs of the City has changed over the last 20 years, including the addition of the compost component and taking on the Pleasant Grove plant as it transitioned from subclass b to class b biosolids.

E: Service Plan

Synagro's service plan will be identical to the one that is currently in use.

Currently, the Pleasant Grove plant is serviced on a preset schedule. The personnel will notify Jess Ranch Trucking if there are any one time, temporary or permanent schedule changes required. The preset schedule allows both the plant and our transporter to take advantage of the hopper storage to keep the program running smoothly.

The Dry Creek plant does not possess storage hoppers. As a result, Synagro provides staged trailers and a California Air Resources Board compliant yard goat for use by plant personnel to move loaded and empty trailers as needed. Each afternoon, Jess Ranch Trucking will contact plant personnel to determine the load count for the following day.

The primary destinations for the class b biosolids are the land application sites that are permitted and operated by Synagro. Synagro operates a large land application site in southern Sacramento County and several other sites in Merced County that receive Roseville material. It is essential for us to maintain multiple end use options to ensure continuity of service if one of the sites is temporarily unavailable.

The key personnel and their roles are as follows:

Dispatch and Transportation – Jerrod Jess, Jess Ranch Trucking

Technical Services/Environmental Compliance – Jose Valencia, Area Technical Services Manager, Supported by Bruce MacLeod, Region Technical Services Director

Billing and administrative – Briana Crofoot

Operational Issues – Simi Kaur, Area Director of Operations

Contract management – John Pugliaresi, Senior Area Sales Manager

Equipment and training requirements

Synagro provides the following staged equipment:

Pleasant Grove – no staged equipment, this site is loaded by hopper.

Dry Creek

One 2 axle yard tractor (yard goat) with hydraulic 5th wheel

Three staged trailers

Synagro has briefed plant personnel on the safe operation of the yard goat while moving empty or full trailers

F: Cost Proposal

	Unit of Measure	Units	Unit Price	Extended
Load, transport and beneficial use through land application-Pleasant Grove Plant	Per ton	11,000	\$94.00	\$1,034,000.00
Load, transport and beneficial use through land application-Dry Creek Plant	Per ton	11,500	\$90.00	\$1,035,000.00
Yard goat rental	Per month	12	\$3,000.00	\$ 36,000.00
Total				\$2,105,000.00

G: Required Statements/Documents

Include statements of assurance regarding the following requirements in the proposal:

- Non-substitution for the designated members of the team without approval by City staff (Section 5.0)

Synagro assures that the designated project team, including subcontractors, will be used for this project. Should it become necessary to reassign or substitute any member of the project team, or subcontractor, Synagro will obtain written approval of the City.

- The absence of a conflict of interest (Section 10.4)

Synagro warrants that no official or employee of the City has an interest, has been employed or retained to solicit or aid in the procuring of the resulting contract, nor that any such person will be employed in the performance of such contract without immediate divulgence of such fact to the City.

- Indicate your ability and agreement to fulfill the indemnification and insurance requirements contained in the sample contract (Section 10.7). (Please note that actual certificates of insurance are not required as part of your submittal.)

Synagro is able and agrees to fulfill indemnification and insurance requirements contained in the sample contract.

- A statement that nothing contained in the submitted proposal will be proprietary. (Section 10.23)

Nothing contained in Synagro's proposal is proprietary.

The following documents are attached to this section:

- Executed copy of Proposer's Certification (**Attachment B**)
- Levine Act Disclosure Statement Form (**Attachment C**)
- Executed copy of Non-collusion Declaration (**Attachment G**)
- Contractor's Licenses (**Attachment D**)
- Subcontractor List (**Attachment E**)
- Valid Certificate of Report Compliance with CA Air Resources Board (**Attachment H**)

Attachment B

PROPOSER'S CERTIFICATION

I hereby propose to furnish the goods or services specified in the Request for Proposals ("RFP"). I agree that my proposal will remain firm for a period of up to ninety (90) days in order to allow the City of Roseville ("City") adequate time to evaluate the qualifications submitted.

I have carefully examined the Request for Proposals and any other documents accompanying or made a part of this RFP. The information contained in this proposal is true and correct to the best of my knowledge and is signed under penalty of perjury under the laws of the State of California. I further certify that I am duly authorized to submit this proposal on behalf of the firm as its authorized agent and that the firm is ready, willing and able to perform if awarded the contract.

I further certify that this proposal is made without prior understanding, agreement, connection, discussion, or conspiracy with any other person, firm or corporation submitting a proposal for the same product or service; that this proposal is fair and made without outside control, collusion, fraud or illegal action; that no officer, employee or agent of the City or any other proposer is financially interested in said proposal; that no undue influence or pressure was used against or in concert with any officer, employee or agent of the City in connection with the award or terms of the contract that will be executed as a result of this RFP; and that the undersigned executed this Proposer's Certification with full knowledge and understanding of the matters therein contained and was duly authorized to do so.

LEVINE ACT DISCLOSURE STATEMENT

(The completed form submitted to the City of Roseville is a public record.)

California Government Code Section 84308, commonly referred to as the "Levine Act," prohibits any "Officer" (elected or appointed officer, any alternate thereto, and any candidate for elective office) from participating in any consideration or action related to a proceeding if they receive political contribution(s) from a party, or its agent(s), totaling more than \$250 within the previous twelve (12) months, while a proceeding is pending, and for twelve (12) months following the date of a final decision in a proceeding concerning a license, permit, other entitlement for use, franchise, or contract (collectively "license, permit, or contract"). For additional information: https://www.roseville.ca.us/government/departments/city_clerk/transparency/levine_act.

City Officers are listed at the following sites:

- The Members of City Council - https://www.roseville.ca.us/government/city_council/meet_council
- Boards & Commission Members - https://www.roseville.ca.us/government/boards_commissions

Parties and their Agents are responsible for reviewing and disclosing their applicable contributions to City Officers on the record of a proceeding.

1. Have you or your entity, or any agent on behalf of you or your entity, made any political contribution(s) totaling more than \$250 to any City Officer in the twelve (12) months preceding the date of the submission of your license, permit, or contract, or the anticipated date of any City Council, Board, or Commission consideration or action related to this license, permit, or contract?

YES _____ NO ☒

If yes, please identify the City Officer(s): _____

2. Do you or your entity, or any agent on behalf of you or your entity, anticipate or plan to make any political contribution(s) totaling more than \$250 to any City Officer in the twelve (12) months following any City Council, Board, or Commission consideration or action related to this license, permit, or contract?

YES _____ NO ☒

If yes, please identify the City Officer(s): _____

Answering yes to either of the two questions above does not preclude the City of Roseville from considering and/or taking action on a license, permit, or contract. It does, however, potentially preclude the identified City Officers from participating in consideration of and in taking any actions related to the license, permit, or contract. Please accurately complete and sign this form, under the penalty of perjury:

October 7, 2024 Emil Kneis, Sales Support Manager

Synagro-WWT, Inc.

You must submit a supplemental form if you make any new reportable contribution(s) while the contract, license, permit, or other entitlement is being considered. If this form has not previously been submitted in connection with a contracting, licensing, entitlement or permitting process, please provide the completed form to the Office of the City Clerk for appropriate departmental routing, at: City Clerk, 311 Vernon St., Roseville, CA 95678, CityClerkRoseville@roseville.ca.us

LEVINE ACT DISCLOSURE STATEMENT

(The completed form submitted to the City of Roseville is a public record.)

Term	Definition	Law
Covered "proceedings"	A proceeding to grant, deny, revoke, restrict, or modify a license, permit or other entitlement for use, that does not solely involve purely ministerial decisions and is: (1) Applied for by the party; (2) Formally or informally requested by the party; or (3) A contract between the agency and the party or a franchisee granted by the agency to the party, other than a contract that is competitively bid , a labor contract , or a personal employment contract .	FPPC Reg 18438.2(a)
Party	Any person who files an application for, or is the subject of, a proceeding involving a license, permit, or other entitlement for use.	Gov. Code 84308(a)(1)
Participant	Any person who is not a party but who actively supports or opposes a particular decision in a proceeding involving a license, permit, or other entitlement for use and who has a financial interest in the decision. A person actively supports or opposes a particular decision in a proceeding if that person lobbies in person the officers or employees of the agency, testifies in person before the agency, or otherwise acts to influence officers of the agency.	Gov. Code 84308(a)(2) FPPC Reg 18438.4
Agent	A person who represents a party or participant for compensation and appears before or otherwise communicates with the governmental agency for the purpose of influencing the pending proceeding. See FPPC Reg 18438.3 for exceptions for certain consultants.	FPPC Reg 18438.3
Competitively Bid	A contract required by law to be awarded to the lowest responsible bidder with a responsive bid, or, if the successful bidder refuses or fails to execute the contract, to the next lowest bidder with a responsive bid.	FPPC Reg 18438.2(a)(3)(A)
Labor Contract	A contract or agreement reached through collective bargaining or with a representative group regarding the salary, benefits, or terms and conditions under an employment or retirement policy for employees or retirees, including a project labor agreement entered under Public Contract Code Section 2500.	FPPC Reg 18438.2(a)(3)(B)
Personal Employment Contract	A contract for employment, including the terms and conditions of employment, between the agency and an agency employee.	FPPC Reg 18438.2(a)(3)(C)-(D)

	A contract with an independent contractor is NOT a personal employment contract.	
--	--	--

A **party** to a proceeding before an agency involving a license, permit, or other entitlement for use **shall disclose on the record of the proceeding** any contribution in an amount of more than two hundred fifty dollars (\$250) made within the preceding 12 months by the party or the party's agent.

A **party, or agent to a party**, to a proceeding involving a license, permit, or other entitlement for use pending before any agency or a participant, or agent to a participant, in the proceeding **shall not make a contribution** of more than two hundred fifty dollars (\$250) to any officer of that agency during the proceeding and for 12 months following the date a final decision is rendered by the agency in the proceeding.

(Gov. Code, § 84308, emphasis added.)

Attachment G

NONCOLLUSION DECLARATION TO BE EXECUTED BY BIDDER AND SUBMITTED WITH BID

The undersigned declares:

I am the Sales Support Manager of Synagro-WWT, Inc., the party making the foregoing bid.

The bid is not made in the interest of, or on behalf of, any undisclosed person, partnership, company, association, organization, or corporation. The bid is genuine and not collusive or sham. The bidder has not directly or indirectly induced or solicited any other bidder to put in a false or sham bid. The bidder has not directly or indirectly colluded, conspired, connived, or agreed with any bidder or anyone else to put in a sham bid, or to refrain from bidding. The bidder has not in any manner, directly or indirectly, sought by agreement, communication, or conference with anyone to fix the bid price of the bidder or any other bidder, or to fix any overhead, profit, or cost element of the bid price, or of that of any other bidder. All statements contained in the bid are true. The bidder has not, directly or indirectly, submitted his or her bid price or any breakdown thereof, or the contents thereof, or divulged information or data relative thereto, to any corporation, partnership, company, association, organization, bid depository, or to any member or agent thereof, to effectuate a collusive or sham bid, and has not paid, and will not pay, any person or entity for such purpose.

Any person executing this declaration on behalf of a bidder that is a corporation, partnership, joint venture, limited liability company, limited liability partnership, or any other entity, hereby represents that he or she has full power to execute, and does execute, this declaration on behalf of the bidder.

I declare under penalty of perjury under the laws of the State of California that the foregoing is true and correct and that this declaration is executed on October 7, 2024 [date], at Baltimore [city], Maryland [state].

CALIFORNIA AIR RESOURCES BOARD REGULATION COMPLIANCE

Please indicate whether the Contractor is subject to, and/or in compliance with, the following regulations of the California Air Resources Board.

In-Use Off-Road Diesel-Fueled Fleets Regulation

1) Will vehicles subject to Cal. Code Regs., tit. 13, §§ 2449 et seq. be used for the project? This includes, but is not limited to:

- a) Vehicles with a diesel-fueled or alternative diesel fueled off-road compression-ignition engine with maximum power (max hp) of 25 horsepower (hp) or greater provided that the vehicle cannot be registered and driven safely on-road or was not designed to be driven on-road, even if it has been modified so that it can be driven safely on-road
- b) Workover rigs
- c) Certain two-engine vehicles

Yes ☒ No ☐

2) If you answered "Yes" to 1), you **must** submit with your proposal a valid Certificate of Reported Compliance to the City as provided in Cal. Code Regs., tit. 13, § 2449(n).

Advanced Clean Fleets Regulation

Pursuant to Cal. Code Regs., tit. 13, § 2013(i)(1), the Contractor shall submit to the City a document evidencing that it is listed on the CARB Advanced Clean Fleets webpage as a compliant fleet **OR** a signed statement stating that it is not subject to the High Priority and Federal Fleets regulation of title 13, CCR section 2015 through 2015.6.

The High Priority Fleets regulation applies to, without limitation, entities with more than \$50 million in gross annual revenues and/or which own, operate, or direct the operation of 50 or more vehicles in the total fleet.

1) Is the Contractor subject to the High Priority and Federal Fleets regulation of title 13, CCR section 2015 through 2015.6? Answering "No" constitutes a statement of exemption as required in Tab G.

Yes ☐ No ☒

If you answered "Yes" to 1), you **must** submit with your proposal a document evidencing that you are listed on the CARB Advanced Clean Fleets webpage as a compliant fleet.

All equipment utilized by Synagro-WWT, Inc. is under the ownership of Synagro West, LLC, which is an affiliate of Synagro-WWT, Inc. Both entities are owned by the same parent company, Synagro Technologies, Inc.

H: Exceptions

Synagro-WWT, Inc. has no exceptions to the scope of services or other requirements of the RFP. Synagro would like to incorporate the following items into the contract if selected as the respondent of choice by the City of Roseville. Synagro understands that these are subject to negotiation.

Force Majeure. Neither Party shall be liable to the other Party for breach or for failure or delay in the performance of its obligations hereunder caused by any act or occurrence beyond its reasonable control, including, but not limited to: fires; floods; strikes (except any strikes involving a Party's personnel); a change in Federal, State, or local law or ordinance; orders or judgments of any Federal, State or local court, administrative agency or governmental body; change in permit conditions or requirements; accidents; extreme weather conditions including, for example, hurricanes, tornadoes, unusually high amounts of precipitation, unusual extremes of temperature or wind, or unusually extended periods of adverse weather conditions; acts of war, aggression or terrorism (foreign or domestic); equipment failure (other than due to the inadequate maintenance thereof); and acts of God. It is specifically understood that, without limitation, none of the following acts, events or circumstances shall constitute an act or occurrence beyond a Party's reasonable control: (i) reasonably anticipated weather conditions normal for the region in which the work is performed or (ii) any failure to pay any sums in accordance with the terms of this Agreement. Whenever the provisions of this Section are believed to apply, the Party relying thereon shall give prompt notice to the other Party of the circumstances, the basis for applicability of this Section and the time required to cure such breach or delay and Contractor and Customer shall use reasonable best efforts to agree on appropriate mitigating actions under the circumstances. This provision provides performance (including schedule) and financial relief if a Force Majeure event interferes with the Contractor's performance.

Price adjustments. 4. Section 4.12 - Would the City consider modifying the conditions of Section 4.13 to make Annual cost increases, commensurate with the CPI for the geographic area where the work is being performed, automatically included with each successive renewal term as approved by the City? This will eliminate the need for annual renegotiation and administrative work, making performance and compliance more efficient and cost projections / revenues more calculable.

Additionally, will the City consider a fuel surcharge adjustment, up or down, that reflects the actual cost of the fuel component. Fuel currently ranges between \$5.00 per ton and \$10.00 per ton depending on the destination as opposed to the \$1.00 per ton example in the Request For Proposal.

Several agencies have adopted a matrix that allows for 80% of the price adjustment to be based on the CPI and 20% on the change in the diesel fuel price index.

I: Competency of Proposers

In the ordinary course of business, Synagro-WWT, Inc. has received claims related to property damage (including automobile accidents), personal injury (including workers compensation) and employment-related matters. All such claims were covered by insurance and no claims, historical or pending, would adversely affect Synagro-WWT, Inc.'s ability to perform the Project. No contracts have been terminated for breach and there are no pending bankruptcies.

Project Title: Dry Creek and Pleasant Grove Wastewater Treatment Plants Biosolids Handling – Contract Purchase Agreements

Project Location(s): 1800 Booth Road (APNs 474-080-009-000, 474-110-001-000, 474-110-002-000, 473-080-000-000, and 473-080-002-000) and 5051 Westpark Drive (APN 017-101-025-000, Roseville, CA 95747.

Project Description: Environmental Utilities (EU) staff requests approval and award of two (2) contract purchase agreements including four (4) additional one-year renewals with Synagro WWT, Inc. to provide biosolids handling services to the Dry Creek and Pleasant Grove Wastewater Treatment Plants (DCWWTP and PGWWTP). The hauling of biosolids is part of ongoing operation of the facilities and would not result in an expansion of use.

Public Agency Approving Project: Roseville City Council

Agency/Individual Carrying Out Project: City of Roseville Environmental Utilities Department

Reason why this Project is Exempt: The project qualifies for a Class 1 Categorical Exemption as described in Section 15301 of the California Environmental Quality Act (CEQA) guidelines which states:

"Class 1 (Existing Facilities) consists of the operation... of existing public or private structures, facilities, mechanical equipment, or topographical features, involving negligible or no expansion of use.

The project consists of two contracts with Synagro to haul biosolids from the DCWWTP and PGWWTP. This is consistent with standard ongoing operation practices for wastewater treatment facilities and would not result in expansion of use. Consequently, the Class 1 Categorical Exemption applies.

COUNCIL COMMUNICATION

CC #: 3658
File #: 0800-02

Title: Biosolids Handling Services – Contract Purchase Agreement Amendment
Contact: Jason Fick 916-746-1940 jfick@roseville.ca.us

Meeting Date: 12/18/2024
Item #: 7.13.

RECOMMENDATION TO COUNCIL

Staff recommends that the City Council adopt a resolution authorizing the City Manager to execute Amendment No. 1 to the Contract Purchase Agreement (CPA 3003486) with Synagro WWT, Inc. to increase the agreement total not-to-exceed amount from \$785,000 to \$1,145,000 to cover the cost of biosolids handling services at the Dry Creek Wastewater Treatment Plant (DCWWTP) through December 31, 2024.

BACKGROUND

The Environmental Utilities Department, Wastewater Division released Request for Proposal (RFP) No. 08-056 on June 11, 2019 for the Dry Creek Wastewater Treatment Plant Biosolids Handling to solicit proposals to provide comprehensive biosolids management services to the DCWWTP. A contract purchase agreement (CPA 3000009) resulted from this RFP and was approved by the City Council under Resolution No. 19-505. The same resolution also authorized the City Manager or his designee to execute four (4) additional one (1) year renewals without further City Council approval, provided that the applicable budget is approved by the City Council each year, or until City staff determines that continuing with the same vendor is not in the City's best interest. Contract Purchase Agreement (CPA 3003486) is the fourth and final renewal that was approved under Resolution No. 19-505.

Environmental Utilities staff proposes to amend the CPA 3003486 to increase the agreement not-to-exceed amount from \$785,000 to \$1,145,000 to cover the cost of biosolids handling services at the Dry Creek Wastewater Treatment Plant (DCWWTP) through December 31, 2024. Over the past year, several factors contributed to the increase in both the quantity and cost of biosolids requiring disposal.

This year, Dry Creek WWTP underwent routine maintenance, scheduled every 5 to 7 years, which involved emptying a digester for inspection. The resulting solids from this routine maintenance needed to be processed and disposed. A portion of these solids did not meet the quality standards for Class B biosolids but was considered otherwise non-hazardous and was either suitable for composting or disposal in a sanitary landfill. These alternative methods of disposal are

subject to a higher cost under the current contract terms and conditions.

Additionally, over the past year, operations staff implemented a new control strategy for the aeration basins. This strategy involves maintaining a lower microbial population within the process. Reducing the number of organisms promotes competition and activity, leading to a more controllable process, improved effluent quality, and decreased energy consumption. However, this approach results in the production of more biosolids at the end of the treatment process. Operations staff are currently evaluating the long-term viability of this change.

FISCAL IMPACT

The total cost of this amendment is \$360,000 and the amended total not-to-exceed amount of the agreement is \$1,145,000. Funding for this purchase will be provided from the Environmental Utilities Department's FY2024-25 budget in the Wastewater Operations Fund.

ENVIRONMENTAL REVIEW

Goal C - Maintain a safe and healthy community

Goal E - Deliver exceptional city services

CITY COUNCIL STRATEGIC PLAN/OVERARCHING GOALS

The proposed project involves the operation of an existing facility. This activity is categorically exempt from CEQA as a Class 1 Exemption (State CEQA Guidelines Section 15301). The Exemption has been prepared and no further CEQA action is required.

Respectfully Submitted,

Jason Fick, Wastewater Operations Superintendent

Richard D. Plecker, Environmental Utilities Director

Dominick Casey, City Manager

Delegation of Authority
Emil Kneis

I, Kaivan Desai, President and Chief Financial Officer of Synagro Technologies, Inc., and all its affiliates and subsidiaries, hereby delegate to Emil Kneis, Sales Support Manager, authority to sign as an officer or as an authorized signatory/person binding proposals, awarded contracts, contract renewals, contract extensions, bid bonds and performance/payment bonds. Also, I delegate to Emil Kneis the authority to sign as an officer or as any authorized signatory/person any business-related applications and other agreements as necessary to provide uninterrupted service to current and new customers.

Such authority does not alter Synagro's internal approval processes. This delegation of authority is valid from the date of this letter until revoked by me.

Kaivan Desai
President and Chief Financial Officer

Notice of Exemption

To: Placer County Clerk
Recorder's Office
2954 Richardson Drive
Auburn, CA 95603

From: City of Roseville
Development Services Dept.
311 Vernon Street
Roseville, CA 95678

Project Title: Biosolids Hauling Services – Sole Source Contract Purchase Agreement

Project Location(s): Dry Creek Wastewater Treatment Plant, 1800 Booth Road, Roseville, CA 95747. (APNs 474-080-009-000, 474-110-001-000, 474-110-002-000, 473-080-000-000, and 473-080-002-000).

Project Description: Environmental Utilities (EU) staff proposes the approval of Amendment No. 1 of the Contract Purchase Agreement (3003486) with Synagro WWT to cover the cost of biosolids handling at the Dry Creek Wastewater Treatment Plant (DCWWTP). The original contract for biosolids handling was approved by the City Council under Resolution No. 19-505. The increase in cost was due to two major factors: routine but relatively infrequent maintenance which involved emptying a digester for inspection and required additional biosolids processing and disposal, and a minor change to the fundamental treatment process to improve overall water quality but resulted in a slight increase in biosolids production. The proposed action only increases the contract amount: it does not result in any changes to the project itself. The hauling of biosolids is part of ongoing operation of the DCWWTP and would not result in an expansion of use.

Public Agency Approving Project: Roseville City Council

Agency/Individual Carrying Out Project: City of Roseville Environmental Utilities Department

Reason why this Project is Exempt: The project qualifies for a Class 1 Categorical Exemption as described in Section 15301 of the California Environmental Quality Act (CEQA) guidelines which states:

"Class 1 (Existing Facilities) consists of the operation...of existing public or private structures, facilities, mechanical equipment, or topographical features, involving negligible or no expansion of use.

The project consists of an amendment to an existing contract for the hauling of biosolids from the DCWWTP, which is considered standard operation of a WWTP and would not result in expansion of use. Consequently, the Class 1 Categorical Exemption applies.

Title: Roseville Transit Safety Plan Update
Contact: Ed Scofield 916-774-5449 ecscofield@roseville.ca.us

Meeting Date: 12/18/2024

Item #: 7.14.

RECOMMENDATION TO COUNCIL

Staff recommends that the City Council adopt a resolution to approve the 2025 Roseville Transit Safety Plan and authorize the City Manager to execute it on behalf of the City of Roseville.

BACKGROUND

On August 19, 2020, the City Council approved Roseville Transit's Agency Safety Plan. This plan was developed in response to the passage of the Moving Ahead for Progress in the 21st Century (MAP-21) Act, which required recipients of 49 U.S.C. Chapter 53 funding to develop and implement a Public Transportation Agency Safety Plan (PTASP). The City continues to receive transit funding under the following Chapter 53 programs:

- Urbanized Area Formula Program (5307 Funds)
- Buses and Bus Facilities Program (5339 Funds)

The purpose of the PTASP is to improve public transportation safety by guiding transit agencies to manage safety risks more effectively and proactively in their systems.

Since approval of Roseville Transit's Agency Safety Plan in 2020, staff provides regular reviews of the document to ensure accuracy and inclusion of the most updated information. On December 20, 2023, the City Council approved the latest version of the PTASP to satisfy additional requirements that were established for the PTASP, as part of the Bipartisan Infrastructure Law signed into law on November 15, 2021. Through the PTASP regulation (49 C.F.R. § 673), the Federal Transit Administration (FTA) requires transit agencies to form a safety committee to implement a safety management system to manage safety risk, and to help agencies maintain or improve their safety performance. As part of this process, the Bipartisan Infrastructure Law requires transit agencies to review and seek annual approval of the latest PTASP from its governing body, which in this case is the Roseville City Council.

The Safety Committee, which is comprised of Roseville staff and employees from MV Transit, Roseville's transit operations contractor, reviewed the current version of the PTASP and did not have any changes from the version that the Council approved last January. However, because the

PTASP is considered a living document, staff plans to update the document next year to include the latest information from the Federal Transit Administration's Safety Management System process. Updates will include information on the following:

- The creation of Performance Targets for the 14 general safety performance measures identified by the Federal Transit Administration.
- A plan describing how front-line workers will receive De-escalation Training.
- A plan describing how to minimize infectious disease exposure to front-line workers.

Staff is seeking Council approval of the attached PTASP to satisfy the annual update requirement for 2025. If approved, the City Manager will sign the document as the Accountable Executive.

FISCAL IMPACT

This item will not result in a direct fiscal impact. However, having an updated Agency Safety Plan allows the City to maintain compliance with FTA requirements to receive funding under 49 U.S.C. Chapter 53.

ENVIRONMENTAL REVIEW

The California Environmental Quality Act (CEQA) only applies to projects which have the potential to cause a significant effect on the environment. Where it can be seen with certainty that there is no possibility that the activity in question may have a significant effect on the environment, the activity is not subject to CEQA. (CEQA Guidelines §15061(b)(3)).

Executive Summary

Moving Ahead for Progress in the 21st Century (MAP-21) grants the Federal Transit Administration (FTA) the authority to establish and enforce a comprehensive framework to oversee the safety of public transportation throughout the United States. As a component of this safety oversight framework, MAP-21 requires recipients of FTA Chapter 53 funding to develop and implement a Public Transportation Agency Safety Plan (PTASP) based on the Safety Management Systems (SMS) approach. As a recipient of FTA Chapter 53 funding, the City of Roseville is required to develop and implement a PTASP.

This document serves as the City of Roseville's PTASP required by 49 U.S.C. § 5329. The purpose of this PTASP is to be a comprehensive agency safety plan that is consistent with FTA's PTASP final rule under 49 C.F.R. § 673. The plan includes the following requirements:

- ✓ An approval by the agency's Accountable Executive and the City Council;
- ✓ The designation of a Chief Safety Officer;
- ✓ The documented processes of the City's SMS, including the City's Safety Management Policy (SMP) and processes for Safety Risk Management (SRA), Safety Assurance (SA), and Safety Promotion (SP);
- ✓ An Employee Safety Reporting Program (ESRP);
- ✓ Performance targets based on the safety performance measures established in FTA's National Public Transportation Safety Plan (NSP);
- ✓ Criteria to address all applicable requirements and standards set forth in FTA's Public Transportation Safety Program and the NSP; and
- ✓ A process and timeline for conducting an annual review and update of the safety plan.

Annual Review and Update of the Roseville Transit Agency Safety Plan

This plan addresses all applicable requirements and standards as set forth in FTA's Public Transportation Safety Program and the National Public Transportation Safety Plan.

This Plan will be jointly reviewed and updated by key staff with the assistance of subject matter experts, each year. Beginning in 2023, the Safety Committee will approve the plan and any changes annually, then forward to the Accountable Executive and the City Council for approval.

In addition to the annual review and update process, the Roseville Transit Agency Safety Plan is also reviewed or updated on an ad-hoc basis when there is a determination made that the approaches in this plan are ineffective in mitigating safety deficiencies, there are significant changes to service delivery, there are new processes or procedures implemented that impact safety, there is a substantial change in financial resources available to the City of Roseville, and/or there is a significant change in the City's organizational structure.

The Roseville Transit Agency Safety Plan is a living document that is updated annually and incorporates by reference the following City policies and procedures:

- City of Roseville Injury and Illness Prevention Program (Attachment #3)
- [Chapter 3.16](#) of the Roseville Municipal Code

The City of Roseville's contracted transit operator, MV Transportation, Inc. (MV), has established safety policies and procedures, identified in its Safety Policy Manual (Attachment #4).

3. Safety Performance Targets

The City of Roseville has developed Safety Performance Targets consistent with performance measures established by FTA in the National Public Transportation Safety Plan. In the most recent version, the 2017 NSP3, FTA adopted four initial Safety Performance Measures: (1) Fatalities, (2) Injuries, (3) Safety Events, and (4) System Reliability. These targets were developed based data specific to Roseville, the region, and the state of California.

The Roseville Short Range Transit Plan 2018-2025 (SRTP) identifies safety performance goals, objectives and standards related to Safety Performance Targets. The SRTP identifies the following standards under the goal to provide safe, reliable, and high quality transportation:

- passenger injuries = <1 per 100K boardings (~ 250,000 Vehicle Revenue Miles (VRM))
- all accidents = < 1 per 25K miles
- reliable transit service = >10,000 miles per road call

Per the California State Highway Safety Report (2018) the State target is 0.995 traffic fatalities per 100M vehicle miles traveled.

This information was used to develop the Safety Performance Targets below.

Safety Performance Targets for all Roseville Transit modes						
Fatalities		Injuries		Safety Events		System Reliability
Total	Rate	Total	Rate	Total	Rate	
0	<1 per 100,000,000 VRM	0	< 1 per 250,000 VRM	0	< 1 per 25,000 VRM	>10,000 miles between major mechanical failures
Fatalities & Injuries: transit customers, transit employees, and any public involved in related safety events. Safety Events: Collisions (vehicle-to-vehicle, vehicle-to-person, vehicle-to-object), Fires, and Evacuations for life safety reasons. Major Mechanical System Failures: Major mechanical system failures prevent a vehicle from completing or starting a scheduled revenue trip because actual movement is limited or because of safety concerns. Examples of major bus failures include breakdowns of brakes, doors, engine cooling systems, steering, axles, and suspension.						

The contracted transit operator provides monthly Incident Report Logs and Daily Breakdown Logs to the City of Roseville Alternative Transportation Division. This information is available on an internal shared drive and the Alternative Transportation Division reviews this data and reports safety performance measures to the National Transit Database (NTD) as required. The current

safety measures reported to NTD include number of fatalities, injuries and safety events for all Roseville modes.

Safety Performance Target Coordination		
<u>MPO Coordination:</u> The Sacramento Area Council of Governments (SACOG), the City's MPO, receives and reviews the City of Roseville's Transit Asset Management (TAM) Plan annually, which includes performance targets related to safety. The TAM Plan must also be approved and adopted by the City of Roseville. The City's Alternative Transportation Manager attends bimonthly SACOG meetings where SACOG staff are updated regarding safety performance targets on an as-needed basis. <u>State DOT Coordination:</u> The California DOT conducts regular audits of the City of Roseville related to public transportation safety. These include: Motor Carrier Unit of the California Highway Patrol (CHP) annual Safety Compliance Report (CHP-343), and State of California Department of Motor Vehicles "Driver Pull Notice Program".		
Targets Transmitted to the State	State Entity Name	Date Targets Transmitted
	CA DOT	_____ <i>Targets will be shared with the State Annually/Upon Request.</i>
Targets Transmitted to the Metropolitan Planning Organization	Metropolitan Planning Organization Name	Date Targets Transmitted
	SACOG	_____ <i>Targets will be shared with the MPO Annually/Upon Request.</i>

4. Safety Management Policy

Safety Management Policy Statement

The City of Roseville is committed to public transportation safety. We will continue to implement, develop, and improve strategies, management systems, and processes to ensure that all our public transportation activities uphold the highest level of safety performance and meet required safety standards.

We will develop and embed a safety culture in all our activities that recognizes the importance and value of effective safety management and acknowledges at all times that safety is paramount.

We will clearly explain for all staff their accountabilities and responsibilities for the development and operation of the Safety Management System (SMS).

For passengers and employees, we will minimize the safety risk associated with transit service to as low as reasonably practicable and we will work to comply with all legislative and regulatory requirements and standards. We also will work to ensure that all employees are provided with adequate and appropriate safety information and training, are competent in safety matters, and are only allocated tasks commensurate with their skills.

We have established safety performance targets to help us measure the overall effectiveness of our processes and ensure we meet our safety objectives. We will keep employees informed about safety performance goals and objectives to ensure continuous safety improvement.

Safety Management Policy Communication

During the initial implementation of the Roseville Transit Agency Safety Plan, the Safety Management Policy will be communicated to all transit-involved employees, including contract staff, to explain the agency's safety culture and describe how the SMS works under the plan.

The City's Injury and Illness Prevention Program and safety culture is communicated upon hire, and is assigned and tracked through RoseU, the City's online training platform.

The Chief Safety Officer, or designee, is the resource person for providing a transit agency-wide perspective on the City's approach to safety management policy communication. The extent of the safety training needs will depend on the safety responsibilities of the individual staff members and the nature of tasks performed.

Authorities, Accountabilities, and Responsibilities	
Accountable Executive	<u>City Manager</u> - As established under RMC Sec. 2.10, the City manager shall supervise the administrative affairs of the City. The City manager shall be charged with the preservation of the public peace and health, the safety of persons and properties, the enforcement of law, and the development and utilization of the City's resources. The City manager shall keep the council informed of the condition and needs of the City and shall make such reports and recommendations as the City manager may deem desirable and perform such other duties as may be prescribed by the City charter or required by ordinance or resolution of the council not inconsistent with the charter. The City Manager serves as the Accountable Executive, meeting the requirements of 49 C.F.R. §673.5 and §673.23(d)(1). This individual: • has the responsibility for carrying out the Roseville Transit Agency Safety Plan (ASP) and Transit Asset Management (TAM) Plan; • has control or direction over the human and capital resources needed to develop and maintain both the Roseville Transit ASP, in accordance with 49 U.S.C. 5329(d), and the Roseville's TAM Plan in accordance with 49 U.S.C. 5326; and • is accountable for ensuring that the Roseville Transit Safety Management System (SMS) is effectively implemented, and action is taken, as necessary, to address substandard performance in Roseville Transit's SMS. The City Manager may delegate specific responsibilities, but the ultimate accountability for the City of Roseville's transit safety performance cannot be delegated and always rests with the City Manager.
Chief Safety Officer	The City Manager serves as the Chief Safety Officer, meeting the requirements of 49 C.F.R. §673.5 and §673.23(d)(2). This individual has the authority and responsibility for day-to-day implementation and operation of Roseville Transit's SMS. The City Manager has designated responsibilities of this role to the Alternative Transportation Manager, which holds a direct line of reporting to the Accountable Executive.
Agency Leadership and Executive Management	<u>City Council</u> - The City of Roseville is a Council-Manager form of government in which responsibilities are vested in the City Council and the City Manager. In this form of government, the City Council's role is that of a legislative policy-making body which determines not only the local laws

	that regulate community life, but also determines public policy and gives direction to the City Manager. <u>Transportation Commission</u> – This eight-member commission is established by the City Council to study various issues that affect Roseville residents. The Transportation Commission reviews and makes recommendations to the City Council related to the community’s transportation needs. The Transportation Commission also reviews Roseville Transit’s performance measures.
Key Staff	<u>City Attorney</u> - plans, organizes, directs and reviews the activities and operations of the City Attorney’s Office including civil and criminal matters; to coordinate assigned activities with other departments and outside agencies; and to provide highly responsible and complex legal support to the City Council, boards and commissions, the City Manager and City department heads. <u>Human Resources Director</u> - plans, organizes, and directs the City’s Human Resources Department services in the areas of recruitment and selection, classification and compensation, employee and labor relations including collective bargaining, organizational and employee development, policy development and administration, benefits, legal compliance, and risk management; provides expert professional assistance to City Executives and departmental management in areas of responsibility; and coordinates assigned activities with other departments, outside agencies, and the community. The Human Resources Director is designated as the Program Administrator of the City’s Injury and Illness Prevention Program (IIPP). <u>Public Works Director</u> - plans, organizes, directs and reviews the activities and operations of the Public Works Department including the City’s Engineering Division, Street Maintenance Division, Fleet Services Division Facilities Services Division, and Alternative Transportation Division; coordinates assigned activities with other departments and outside agencies; and provides highly responsible and complex administrative support to the Assistant City Manager. <u>Alternative Transportation Manager</u> - plans, organizes, directs and coordinates the public transportation activities of the Alternative Transportation Division with the Public Works Department. <u>Transit Operations Supervisor (previously known as the Alternative Transportation Analyst)</u> - provides highly responsible administrative and technical duties for development, administration, and implementation of transit-related programs. <u>Fleet Manager</u> - plans, organizes, directs and coordinates the activities of the Fleet Services Division within the Public Works Department and coordinates fleet maintenance activities with other divisions and departments.

	<u>Risk Manager</u> - plans, organizes, directs and coordinates the activities of the Risk Management Division within the Human Resources Department including safety, liability, property, workers' compensation and unemployment programs. <u>Public Information Officer</u> - plans, organizes, coordinates and implements City-wide communications program operations within the Public Affairs & Communications Department; serves in Emergency Operations Center public information section in the event of emergency in Roseville; directs communication content with print, electronic, video, and news media. <u>Transit Operator - General Manager (Contractor)</u> - provides overall management and supervision of transit operations under the terms of the transit operator contract. <u>Transit Operator - Safety & Training Manager (Contractor)</u> - ensures agency safety compliance and regulations are met on behalf of the contracted transit operator. <u>Occupational Health and Safety (OHS) Committee</u> - a working group of management employees that recommend policy direction, provide oversight on the implementation of established procedures and identify safety related resources within individual departments to be used throughout the organization.
--	---

Employee Safety Reporting Program

Per City's Injury and Illness Prevention Program (IIPP), employees are encouraged to promptly report any and all hazards and/or safety issues to management in order to assure that hazards and safety issues are addressed and corrected in a timely manner. It is the intent of the City to encourage and solicit employee input and participation in the Safety Program by identifying hazards and safety issues without fear of reprisal. However, should employees wish to remain anonymous, the City has provided mechanisms by which employees can report hazards or safety issues without identifying themselves.

Confidential hazard reporting can be accomplished through written reports. Anonymous reporting can be mailed to the Chief Safety Officer, or designee, via internal mail or regular mail.

The City's Anti-Reprisal Policy, per the Injury and Illness Prevention Program, states that employees shall not be discharged or discriminated against in any manner for reporting of health and safety hazards to the City of Roseville or to appropriate governmental agencies. Managers and supervisors shall inform employees of this policy and encourage reporting of workplace hazards to management.

Roseville Municipal Code [Chapter 3.16](#) outlines the City's personnel discipline policy and describes employee behaviors that may result in disciplinary action.

The City's contracted transit operator provides policies and procedures for employee safety reporting in its employee handbook. Employees are encouraged to promptly report safety concerns to

appropriate management, who then are responsible to communicate the concerns to the Chief Safety Officer, or designee.

Key city management and transit operator management communicate safety concerns on a continued basis, which include bi-monthly transit coordination meetings and vehicle coordination meetings.

5. Safety Risk Management

Safety Risk Management Process

Safety Hazard Identification

FTA defines a hazard in 49 C.F.R. § 673.5 as “any real or potential condition that can cause injury, illness, or death; damage to or loss of the facilities, equipment, rolling stock, or infrastructure of a public transportation system; or damage to the environment.” Employing this terminology for this PTASP, the City of Roseville uses both external and internal sources to identify safety hazards.

External Sources

State: External sources from the State of California include CHP reports and DMV driver pull reports. These reports are reviewed by the Chief Safety Officer, or designee, and oversight agencies.

FTA: Key Staff review safety guidance published by the FTA such as general directives, safety advisories, and safety bulletins and make recommendations to the Chief Safety Officer or designee, Accountable Executive and Agency Leadership as necessary.

Other: Other external hazard identification sources include reports from the public, regional alerts, and information from the industry and oversight authorities.

Internal Sources

The City of Roseville uses the following internal safety hazard identification methods:

- Employee Safety Reporting
- Safety Coordination Meetings
- The City of Roseville Website & City Alerts (Traffic, Transit, Roadway, Weather, Flood, Special Events, etc.)
- Individual Vehicle Records & Inspection Reports
- Road Operation Reports – Spot Checks and Ride Checks
- Facility Inspection Records
- On-board Radio Communication System
- On-board Video System
- Real-time and Historical Operational Performance Monitoring
- Dispatch/Breakdown Logs
- Equipment Inspection Records

- Drug and Alcohol Testing Procedures
- Training Records
- Intelligent Transportation System Monitoring (Street cameras)
- Investigation Reports

Hazards shall be prioritized and corrected when observed or discovered. Hazards that cannot be corrected with the resources available to managers or supervisors shall be reported to the Chief Safety Officer, or designee, and may be recorded in a Hazard Log.

Any identified hazard that poses an immediate risk to transit operations, the health and safety of employees or the public, or equipment must immediately be brought to the attention of the Chief Safety Officer, or designee, and placed through the Safety Risk Management process for safety risk assessment and mitigation. Otherwise, hazards that do not pose an immediate safety risk will be evaluated through the Safety Risk Management process.

The Chief Safety Officer, or designee, will investigate hazards per the procedures outlined in the City's Injury and Illness Prevention Program (IIPP).

Safety Risk Assessment

Once hazards have been identified, the Chief Safety Officer, or designee, will conduct an assessment to determine potential consequences and risk level. Factors to be considered are the likelihood of occurrence, the severity of the consequences should there be an occurrence, and the level of exposure to the hazard. The Chief Safety Officer, or designee, will assess risks subjectively by experienced personnel using a Safety Risk Assessment Matrix.

The following hazard severity levels apply:

- Catastrophic (1) - Could Result in one or more of the following: death, permanent total disability, irreversible significant environmental impact, or monetary loss equal to or exceeding \$10M.
- Critical (2) - Could result in one or more of the following: permanent partial disability, injuries or occupational illness that may result in hospitalization of at least three personnel, reversible significant environmental impact, or monetary loss equal to or exceeding \$1M but less than \$10M.
- Marginal (3) - Could result in one or more of the following: injuries or occupational illness resulting in one or more lost work day(s), reversible moderate environmental impact, or monetary loss equal to or exceeding \$100k but less than \$1M.
- Negligible (4) - Could result in one or more of the following: injuries or occupational illness not resulting in lost work day, minimum environmental impact. Or monetary loss less than \$100k.

Safety Risk probability and Safety Risk severity are combined into the Safety Risk Assessment Matrix to help prioritize safety risks according to the following Safety Risk Assessment Matric table.

Safety Risk Assessment Matrix				
Likelihood/ Severity	Catastrophic (1)	Critical (2)	Marginal (3)	Negligible (4)

Frequent (A)	HIGH	HIGH	HIGH	MEDIUM
Probable (B)	HIGH	HIGH	MEDIUM	MEDIUM
Occasional (C)	HIGH	MEDIUM	MEDIUM	LOW
Remote (D)	MEDIUM	MEDIUM	LOW	LOW
Improbable (E)	LOW	LOW	LOW	LOW

Safety Risk Index	Criteria by Index
HIGH	<u>Unacceptable – Action Required:</u> Safety risk must be mitigated or eliminated.
MEDIUM	<u>Undesirable – Management Decision:</u> Executive management must decide whether to accept safety risk with monitoring or require additional action.
LOW	<u>Acceptable with Review:</u> Safety risk is acceptable pending management review.

Safety Risk Mitigation

The City of Roseville will use the results of safety risk assessments to help prioritize safety risks. Results of the risk assessment process will help determine whether the risk is being appropriately managed or controlled. If the risks are acceptable, the hazard will simply need monitoring. If the risks are unacceptable, steps will be taken to lower the risk to an acceptable or tolerable level, or to remove or avoid the hazard. The level of risk can be lowered by reducing the severity of the potential consequences, by reducing the likelihood of occurrence and/or by reducing the exposure to that risk.

Key strategies to minimize the types of risks that potentially exist include:

- Development and deployment of policies and procedures that address known hazards and risks,
- Discussion of other actions, strategies and procedures that might help safeguard against unknown/unforeseen risks,
- Training of drivers and other agency staff on all safety policies and procedures,
- Training of drivers and other agency staff on methodologies for handling emergencies, and
- Training of drivers and staff on proper and effective use of emergency equipment and communication technologies and protocol.

6. Safety Assurance

Safety Performance Monitoring and Measurement

As part of the Safety Assurance Process, the City of Roseville:

- **Monitors Safety Management System Compliance through:**
 - Safety audits,
 - Informal inspections,
 - Regular review of on-board camera footage to assess drivers and specific incidents,
 - Employee safety reporting program,
 - Employee accountability processes,
 - Investigation of safety occurrences,
 - Safety review prior to the launch or modification of any facet of service,
 - Daily data gathering and monitoring of data relating to the delivery of service,
 - Regular vehicle inspections and preventative maintenance, and
 - Continuous feedback between leadership at all levels of the agency.
- **Develops Effective Safety Risk Mitigations by:**
 - Monitoring safety risk mitigations to determine if they have been implemented and are effective, appropriate, and working as intended;
 - Establishing mechanisms for monitoring safety risk mitigations as part of the mitigation implementation process and assigns monitoring activities to the appropriate director, manager, or supervisor;
 - Reviews the performance of safety risk mitigations during bimonthly safety coordination meetings and determines if specific safety risk mitigation is not implemented or performing as intended;
 - Implementing actions to modify mitigations not performing as intended;
 - Monitoring transit operations on a large scale to identify mitigations that may be ineffective or not implemented as intended by:
 - Reviewing results from accident, incident, and occurrence investigations,
 - Monitoring employee safety reporting,
 - Reviewing results of internal safety audits and inspections, and
 - Analyzing operational and safety data to identify emerging safety concerns.
- **Conducts investigations of safety events to identify causal factors by:**
 - Maintaining documented policies and procedures for conducting safety investigations for events (accidents, incidents, and occurrences, as identified by FTA) ;
 - Reviewing existing mitigation measures in place at the time of an event per investigation policies;
 - Maintaining documentation of results of investigations, including determination of whether:
 - The accident was preventable or non-preventable,
 - Personnel requiring discipline or retraining;

- Casual factors indicate that a safety hazard contributed or was present; and
- The safety event was appeared to involve an underlying organization casual factor beyond individual employee behavior.

- **Monitors Information Reported through Internal Safety Reporting Programs.**

- Key Staff routinely review safety data captured in employee safety reports, safety meeting minutes, customer complaints, and other safety communication channels. When necessary, the Chief Safety Officer, or designee, ensure that the issues and concerns are investigated or analyzed through the safety risk assessment process.
- Key staff also review the results of internal and external reviews, including audits and assessments, with findings affecting safety performance, compliance with operations and maintenance procedures, or the effectiveness of safety risk mitigations. Key staff and the Chief Safety Officer, or designee, discuss relevant safety issues and concerns with the Accountable Executive and executive management and documents the results of these reviews in the Hazard Log.

Safety Committee

The Safety Committee approves the agency's PTASP and any updates to this document. This approval must occur before Roseville's City Council approves any PTASP updates.

The Safety Committee will be responsible for the following:

1. Identifying and recommending risk-based mitigations and strategies necessary to reduce the likelihood and severity of consequences identified through Roseville's risk assessment process.
2. Identifying mitigations or strategies that may be ineffective, inappropriate, or were not implemented as intended.
3. Identifying safety deficiencies for purposes of continuous improvement.

Appointments to the Safety Committee have been coordinated with our local labor organizations. The Committee will consist of an equal number of management/supervisory positions with frontline workers. The following positions have been assigned to Roseville's Safety Committee: Alternative Transportation Manager, Transit Operations Supervisor, Transportation Technician, Vehicle Maintenance Servicewriter. Staff may also reach out to MV Transit for participation in this committee.

Fatalities

In the event of a fatality, the City of Roseville complies with all FTA drug and alcohol requirements.

In California, every driver involved in an accident that results in death, injury, or property damage over \$1000, effective January 1, 2017, must report the accident on a Report of Traffic Accident Occurring in California (SR 1) form to DMV. The report forms are available at www.dmv.ca.gov, by calling 1-800-777-0133, and at CHP and DMV offices. Also, under California Vehicle Code §16002(b) the driver of a vehicle that is owned or operated by a publicly owned or operated transit system, or that is operated under contract with a publicly owned or operated transit system, and that is used to provide regularly scheduled transportation to the general public or for other official business of the system shall, within 10 days of the occurrence of the accident, report to the transit system any accident of a type otherwise required to be reported pursuant to subdivision (a) of Section 16000. MV requires driver notification to MV Dispatch immediately in the event of an accident and maintains records of any report filed

pursuant to this paragraph. The MV General Manager notifies the City of Roseville immediately, or within 24 hours, based on the severity of the event.

Management of Change

The City of Roseville is a Small Public Transportation Provider and, therefore, is not required to have a management of change process.

Continuous Improvement

The City of Roseville is a Small Public Transportation Provider and, therefore, is not required to have a continuous improvement process.

7. Safety Promotion

Competencies and Training

The Chief Safety Officer, or designee, ensures that all employees receive the training provided to understand their specific roles and responsibilities for the implementation of the Safety Management System (SMS).

All employees are required to acquire the competencies and knowledge for the consistent application of their skills as they relate to safety performance objectives. The City of Roseville dedicates resources to conduct effective safety-related skill training. The scope of the safety training is appropriate to each employee's individual safety-related job responsibilities and their role in SMS. The City's Injury and Illness Prevention Program (IIPP) describes the City's Safety Training Program for City Employees. The City may have additional training requirements for contractors, which are described in any agreements between the City and the contractor. This includes training as described in the contract between the City of Roseville and the transit operator and identified in the transit operator's Safety Policy Manual. The contracted transit operator provides ongoing training, retraining, and safety education for all safety sensitive positions, including but not limited to vehicle operators, dispatchers, and supervisory personnel, which conform to regulation agency requirements, e.g., Federal and State Departments of Transportation, California Highway Patrol and other applicable agencies.

Vehicle maintenance safety-related skill training includes the following:

- Ongoing skill training
- Hazardous material spill prevention & control
- Training provided by vendors
- Heat illness prevention
- Back injury prevention
- Equipment safety training, including but not limited to:
 - Forklift
 - Aerial
 - Crane
- Traffic control & flagging
- Welding safety
- Fire extinguisher
- Injury & Illness prevention
- Bloodborne pathogen exposure control
- Outdoor smoke protection plan
- Drug & alcohol recognition
- Fall protection
- CPR/AED & first aid
- Hearing conservation

The operations skill training for safety-sensitive positions, provided by the contracted transit operator, includes the following:

- New-hire bus vehicle operator classroom and hands-on skill training, including but not limited to:
 - Hazard communication,
 - Drug and alcohol policies and procedures,
 - Pre-trip and post trip inspections,
 - Lift operations and securement systems,
 - Onboard video systems,
 - Defensive driving and road safety,
 - Vehicle operations,
 - Accident and emergency procedures,
 - Fatigue management,
 - Bloodborne pathogens,
 - Road safety, and
 - Americans with Disabilities Act
- Driver refresher training, under the following conditions:
 - Return To Work (from inactive status) – Required when a driver/operator returns from “inactive” status (from a period of 30 days or more). In these cases, the driver must receive a one-day/8 hours “general purpose” refresher training designed to remind the driver of the general standards and defensive driving guidelines and to ensure his/her proficiency.
 - Post Accident / For cause – Required after every “preventable” accident, or whenever mandated by management for retraining / corrective purposes.
 - Seasonal – Required annually at all divisions operating in seasonal adverse weather environments (i.e.: Winter driving, onset of adverse weather, etc.).
 - Biannually – At a minimum of every two years, each driver/operator shall receive a “general purpose” refresher training.
- Ongoing training for drug & policy procedures for safety sensitive positions.
- Ongoing training for dispatchers, operations supervisors and managers.
- Other safety-related training, including:
 - System, security & emergency preparedness plan,
 - Heat illness prevention plan,
 - Injury prevention program, and
 - Hazardous materials safety data sheets.

Safety Communication

The primary goal of safety promotion at the City of Roseville is to develop a positive safety culture that allows the SMS to succeed. A positive safety culture of the City of Roseville is one which is clearly communicated throughout the organization. This approach will foster informed employees that understand safety risks and are provided with the necessary knowledge, training, and resources that allow them to work continuously to identify risks and enhance safety.

The City of Roseville uses communication tools tailored to meet the needs of the public, employees, and contractors. Some of the tools the City of Roseville uses to communicate safety messages include:

- Email
- Bulletin board postings

- Posters
- Public service announcements
- Staff meetings
- Public meetings
- Social media posts
- City of Roseville website
- Internal employee website (HUB)
- Newsletters

Roseville Transit's Public Participation Plan of the City of Roseville Title VI Program provides further guidance for public involvement associated with specified FTA funded activities. Additional information on employee safety communication is included in the IIPP.

The contracted transit operator may use the tools listed above or use other tools tailored specifically to meet the needs of the contracted transit employees to communicate safety messages.

8. Additional Information

The City of Roseville maintains documentation related to the implementation of its SMS; the programs, policies, and procedures used to carry out this ASP; and the results from its SMS processes and activities for three years after creation. They will be available to the FTA or other Federal or oversight entity upon request.

9. Definitions

Accident means an Event that involves any of the following: a loss of life; a report of a serious injury to a person; a collision of public transportation vehicles; and an evacuation for life safety reasons.

Accountable Executive means a single, identifiable person who has ultimate responsibility for carrying out the PTASP; responsibility for carrying out the agency's Transit Asset Management (TAM) Plan; and control or direction over the human and capital resources needed to develop and maintain both the agency's PTASP, in accordance with **49 U.S.C. 5329(d)**, and the City's TAM Plan in accordance with **49 U.S.C. 5326**.

Chief Safety Officer means an individual who has responsibility for safety and meets the requirements specified at 49 C.F.R. §673.5 and §673.23(d)(2).

Event means any Accident, Incident, or Occurrence.

FTA means the Federal Transit Administration, an operating administration within the United States Department of Transportation.

Hazard means any real or potential condition that can cause injury, illness, or death; damage to or loss of the facilities, equipment, rolling stock, or infrastructure of a public transportation system; or damage to the environment.

Incident means an event that involves any of the following: a personal injury that is not a serious injury; one or more injuries requiring medical transport; or damage to facilities, equipment, rolling stock, or infrastructure that disrupts the operations of Roseville Transit.

Investigation means the process of determining the causal and contributing factors of an accident, incident, or hazard, for the purpose of preventing recurrence and mitigating risk.

National Public Transportation Safety Plan means the plan to improve the safety of all public transportation systems that receive Federal financial assistance under **49 U.S.C. Chapter 53**.

National Transit Database: means Nation's source for information and statistics on the transit systems of the United States.

Occurrence means an Event without any personal injury in which any damage to facilities, equipment, rolling stock, or infrastructure does not disrupt the operations of Roseville Transit.

Performance Measure means an expression based on a quantifiable indicator of performance or condition that is used to establish targets and to assess progress toward meeting the established targets.

Performance Target means a quantifiable level of performance or condition, expressed as a value for the measure, to be achieved within a time period required by the Federal Transit Administration (FTA).

Public Transportation Agency Safety Plan means the documented comprehensive agency safety plan for a transit agency that is required by **49 U.S.C. 5329**.

Risk means the composite of predicted severity and likelihood of the potential effect of a hazard.

Risk Mitigation means a method or methods to eliminate or reduce the effects of hazards.

Roseville Transit Agency Safety Plan means the City of Roseville's Public Transportation Agency Safety Plan.

Safety Assurance means processes within the City's Safety Management System that functions to ensure the implementation and effectiveness of safety risk mitigation, and to ensure that the City meets or exceeds its safety objectives through the collection, analysis, and assessment of information.

Safety Management Policy means the City's documented commitment to safety, which defines the City's safety objectives and the accountabilities and responsibilities of its employees in regard to public transportation safety.

Safety Management System (SMS) means the formal, top-down, organization-wide approach to managing safety risk and assuring the effectiveness of the City's public transportation safety risk mitigation. SMS includes systematic procedures, practices, and policies for managing risks and hazards.

Safety Performance Target means a Performance Target related to safety management activities.

Safety Promotion means a combination of training and communication of safety information to support SMS as applied to the transit agency's public transportation system.

Safety Risk Assessment means the formal activity whereby the City determines Safety Risk Management priorities by establishing the significance or value of its public transportation safety risks.

Safety Risk Management means a process within the City's Public Transportation Agency Safety Plan for identifying hazards and analyzing, assessing, and mitigating safety risk.

Serious Injury means any injury which:

- Requires hospitalization for more than 48 hours, commencing within 7 days from the date of the injury was received;
- Results in a fracture of any bone (except simple fractures of fingers, toes, or noses);
- Causes severe hemorrhages, nerve, muscle, or tendon damage;
- Involves any internal organ; or
- Involves second- or third-degree burns, or any burns affecting more than 5 percent of the body surface.

Small Public Transportation Provider means a recipient or subrecipient of Federal financial assistance under **49 U.S.C. 5307** that has one hundred (100) or fewer vehicles in peak revenue service and does not operate a rail fixed guideway public transportation system.

State Safety Oversight Agency means an agency established by a State that meets the requirements and performs the functions specified by **49 U.S.C. 5329(e)** and the regulations set forth in **49 CFR part 674**.

Transit Asset Management Plan means the strategic and systematic practice of procuring, operating, inspecting, maintaining, rehabilitating, and replacing transit capital assets to manage their performance, risks, and costs over their life cycles, for the purpose of providing safe, cost-effective, and reliable public transportation, as required by **49 U.S.C. 5326** and **49 CFR part 625**.

Vehicle Revenue Miles means the hours that vehicles are scheduled to or actually travel while in revenue service. Vehicle revenue hours include: Layover / recovery time. Vehicle revenue hours exclude: Deadhead; Operator training; Vehicle maintenance testing; and School bus and charter services.

COUNCIL COMMUNICATION

CC #: 3694
File #: 0900-04

Title: Historic Old Town Parking Lot Improvements Project - Agreement Amendment, Quitclaim Deed and Assignment & Assumptions Agreement
Contact: Brian Gulewich 916-746-1376 bcgulewich@roseville.ca.us

Meeting Date: 12/18/2024
Item #: 7.15.

RECOMMENDATION TO COUNCIL

Staff recommends that the City Council:

1. Adopt a resolution authorizing the City Manager to execute a First Amendment to Letter of Understanding (LOU) Agreement with Union Pacific Railroad (UPRR) extending the closing date from December 31, 2024 to March 31, 2025;
2. Adopt a resolution authorizing the City Manager to execute a Quitclaim Deed to accept 1.68 acres of real property, located east of Historic Old Town Roseville, from UPRR, authorizing the City Manager to execute an Assignment and Assumption Agreement as well as all other related escrow and purchase documents, and authorizing the City Attorney to make minor, non-substantive edits to any escrow and purchase documents.

BACKGROUND

In 2017, a parking analysis was completed to evaluate the parking impact in response to the Capitol Corridor Third Track Project. In the analysis, a parking shortfall of approximately 90 to 160 spaces was identified at peak times. A vacant Union Pacific Railroad (UPRR) parcel in Historic Old Town Roseville was identified as an ideal property to construct a parking lot to address the shortage. This property was also identified for a potential parking lot by the Downtown Specific Plan, adopted in 2009.

At their September 4, 2024 meeting, Council approved entering into a Letter of Understanding (LOU) agreement with UPRR to acquire the UPRR property, pending due diligence. City staff are currently completing the appropriate due diligence in advance of property acquisition, which includes environmental testing, surveys, and title report review. Should any of the due diligence deem the acquisition of the property for the agreed-upon purchase price undesirable to the goals of the City, the City Manager can terminate the LOU. The original closing date identified in the LOU is December 31, 2024. Due to the timing of the December Council meeting, and the ongoing due diligence, UPRR and the City would like to extend the closing date to March 31, 2025.

Approval and execution of an Assignment and Assumption Agreement and a Quitclaim Deed are also necessary to acquire the property for the agreed-upon purchase price (\$800,000). The Assignment and Assumption Agreement transfers certain pipeline obligations on the subject property from UPRR to the City. The obligations will not affect the planned parking projects, nor are they expected to have a fiscal impact to the City. The quitclaim deed defines the property UPRR is transferring to the City, and will be executed by UPRR prior to the closing date.

FISCAL IMPACT

There are sufficient funds included in the project budget from the Strategic Improvement Fund (SIF) to fully fund the property acquisition. No General Fund resources are proposed for this project.

ENVIRONMENTAL REVIEW

Development of the Historic Old Town Parking Lot Improvements Project was previously evaluated in the Downtown Roseville Specific Plan EIR (March 16, 2009) (SCH: 2007102090) and identified in the associated City of Roseville Downtown Specific Plan. As discussed in the Specific Plan EIR, the EIR provides environmental analyses of community infrastructure and facilities, including parking facilities, like the proposed project. Because the project is consistent with the Downtown Roseville Specific Plan Final EIR and Specific Plan, no new effects would be expected to occur and all applicable mitigation measures from the Downtown Roseville Specific Plan EIR will be implemented during the design and construction of the Historic Old Town Parking Lot Improvements Project. Because the proposed project meets the requirements identified in Section 15183 of the State CEQA Guidelines, no additional CEQA review is required.

CITY COUNCIL STRATEGIC PLAN/OVERARCHING GOALS

Goal F - Invest in well-planned infrastructure and growth

Respectfully Submitted,

Brian Gulewich, Assistant Engineer

Jason Shykowski, Public Works Director

RESOLUTION NO. 24-428

APPROVING A FIRST AMENDMENT TO LETTER OF UNDERSTANDING, BY AND
BETWEEN UNION PACIFIC RAILROAD COMPANY AND THE CITY OF ROSEVILLE,
AND AUTHORIZING THE CITY MANAGER TO EXECUTE IT
ON BEHALF OF THE CITY OF ROSEVILLE

WHEREAS, in 2017, a parking analysis was completed to evaluate the parking impact in response to the Capitol Corridor Third Track Project and a parking shortfall of approximately 90 to 160 spaces was identified at peak times; and

WHEREAS, a parcel of land owned by the Union Pacific Railroad Company (UPRR) was identified as an ideal property to construct a parking lot to address the shortage; and

WHEREAS, at their September 4, 2024 meeting, Council approved entering into a Letter of Understanding (LOU) agreement with UPRR to acquire the UPRR property, pending due diligence; and

WHEREAS, due to the timing of tonight's meeting, and the ongoing due diligence, UPRR and the City would like to extend the closing date to March 31, 2025; and

WHEREAS, a First Amendment to Letter of Understanding for the purchase of real property, has been reviewed by the City Council.

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Roseville that said First Amendment to Letter of Understanding is hereby approved and that the City Manager is authorized to execute it on behalf of the City of Roseville.

PASSED AND ADOPTED by the Council of the City of Roseville this ____ day of _____, 2024, by the following vote on roll call:

AYES COUNCILMEMBERS:

NOES COUNCILMEMBERS:

ABSENT COUNCILMEMBERS:

MAYOR

ATTEST:

City Clerk

FIRST AMENDMENT TO LETTER OF UNDERSTANDING

THIS AMENDMENT TO LETTER OF UNDERSTANDING (the "First Amendment") is made and entered into as of the ____ day of _____, 2024, by and between **UNION PACIFIC RAILROAD COMPANY**, a Delaware corporation ("Seller"), and **CITY OF ROSEVILLE** ("Buyer"), and amends that certain Letter of Understanding dated September 4, 2024 (the "Agreement"), for the sale and purchase of certain real property, located in Roseville, California, more particularly described therein (the "Property").

IT IS MUTUALLY AGREED by and between Seller and Buyer as follows:

Section 1. Defined Terms. The defined terms in the Agreement shall apply and have the same meaning in this First Amendment as if fully set forth herein.

Section 2. Closing - Default. Article 8A of the Agreement shall be amended as follows:

Closing will occur on or before March 31, 2025.

Section 3. Facsimile or E-mail Execution. This First Amendment may be executed in counterparts which shall be effective as an original and each counterpart may be delivered by one party to the other by either facsimile transmission or scanned image sent by e-mail.

Section 4. Amendment Supplemental. All of the terms of the Agreement remain in full force and effect except as specifically amended by this First Amendment. If there is any conflict between the terms of this First Amendment and the terms of the Agreement, the terms of this First Amendment will control.

IN WITNESS WHEREOF, the parties hereto have executed this First Amendment as of the date first above written.

RESOLUTION NO. 24-435

APPROVING A QUITCLAIM DEED AND ASSIGNMENT AND ASSUMPTION AGREEMENT, BY AND BETWEEN UNION PACIFIC RAILROAD COMPANY AND THE CITY OF ROSEVILLE, AND AUTHORIZING THE CITY MANAGER TO EXECUTE THEM ON BEHALF OF THE CITY OF ROSEVILLE

WHEREAS, at the September 4, 2024, the Roseville City Council approved entering into a Letter of Understanding Agreement with Union Pacific Railroad Company (UPRR) to acquire a parcel in Historic Old Town Roseville to be used for parking; and

WHEREAS, approval and execution of an Assignment and Assumption Agreement and a Quitclaim Deed are also necessary to acquire the property for the agreed-upon purchase price of eight hundred thousand dollars (\$800,000); and

WHEREAS, the Assignment and Assumption Agreement transfers certain pipeline obligations on the subject property from UPRR to the City, which will not affect the planned parking projects, nor are they expected to have a fiscal impact to the City; and

WHEREAS, the Quitclaim Deed and the Assignment and Assumption Agreement, have been reviewed by the City Council.

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Roseville that the City Manager is hereby authorized to execute a Quitclaim Deed as well as the Assignment and Assumption Agreement necessary to acquire property from UPRR, as well as any other related escrow and purchase documents on behalf of the City.

BE IT FURTHER RESOLVED that the City Attorney is hereby authorized to make minor, non-substantive edits to any escrow and purchase documents.

BE IT FURTHER RESOLVED that the City Clerk is hereby directed to record the Quitclaim Deed at the Placer County Recorder's Office on behalf of the City of Roseville once UPRR executes it.

QUITCLAIM DEED

UNION PACIFIC RAILROAD COMPANY, a Delaware corporation (formerly known as Southern Pacific Transportation Company, a Delaware corporation, successor in interest to Southern Pacific Company, a Delaware corporation, successor in interest to Central Pacific Railway Company, a Utah corporation) ("Grantor"), in consideration of the sum of Eight Hundred Thousand Dollars (\$800,000.00), and other valuable consideration to it duly paid, the receipt whereof is hereby acknowledged, does hereby REMISE, RELEASE and forever QUITCLAIM unto **CITY OF ROSEVILLE**, a municipal corporation of the State of California ("Grantee"), and unto its successors and assigns forever, all of Grantor's right, title, interest, estate, claim and demand, both at law and in equity, of, in, and to the real estate ("Property") situated in Placer County, State of California, described in **Exhibit A**, attached hereto and made a part hereof.

EXCEPTING FROM THIS QUITCLAIM AND RESERVING UNTO GRANTOR, its successors and assigns, forever, the following:

(a) All minerals and all mineral rights of every kind and character now known to exist or hereafter discovered underlying the Property, including, without

limiting the generality of the foregoing, oil and gas and rights thereto, together with the sole, exclusive and perpetual right to explore for, remove and dispose of said minerals by any means or methods suitable to Grantor, its successors and assigns, but without entering upon or using the surface of the Property, and in such manner as not to damage the surface of the Property, or to interfere with the use thereof by Grantee, its successors or assigns; and

(b) Exclusive PERPETUAL EASEMENTS ten feet (10') in width measured from the centerline of the Fiber Optic Improvements (as defined below), in, on, over, under and across the Property ("Fiber Optics Easement Property"), in which areas Grantor (and its easement holders, lessees, sublessees, licensees, successors or assigns) shall have the right to own, construct, reconstruct, maintain, operate, use and/or remove existing and/or future communication systems, lines and facilities of every kind and nature, including, but not limited to, all existing facilities, telephone, telegraph, television and fiber optic lines and related equipment ("Fiber Optics Improvements"). Grantor does further reserve unto itself, its successors and assigns, a limited right-of-way and right of access to the Fiber Optics Easement Property over and across the Property, for the purposes of the use, enjoyment, maintenance, operation and access to the Fiber Optics Easement Property. All Fiber Optics Improvements presently existing on or hereafter constructed on the Fiber Optics Easement Property shall remain the personal property of Grantor (or the grantee under any applicable agreement). Grantor shall be entitled to all revenues derived from all current and future agreements to which Grantor is a party affecting the Fiber Optics Easement Property. No permanent building, structure or fence, and no material or obstruction of any kind or character shall be stored or maintained on the Fiber Optics Easement Property which would obstruct or interfere with the use and enjoyment of rights herein reserved without the prior written consent of the grantee under the applicable agreement.

The Property is quitclaimed by Grantor subject to the following covenants, conditions, and restrictions which Grantee, by the acceptance of this instrument, covenants for itself, its successors and assigns, faithfully, to keep, observe and perform:

(a) Restriction on Use. The Property must not be used for (i) residential, (ii) lodgings or accommodations (including, without limitation, hotels, motels, boarding houses, dormitories, hospitals, nursing homes, or retirement centers), or (iii) educational or child-care facilities (including, without limitation, schools, kindergartens or day-care centers).

(b) Fence. Grantee, at its sole cost and expense, shall install, and thereafter maintain fencing or other barriers to prevent access to or encroachment on the railroad right-of-way of Grantor adjacent to the trackside boundary of the Property as a first order of work prior to occupying the Property for purposes of construction and use. The fencing or barrier must be of a design and type satisfactory to Grantor, and in compliance with applicable building codes. Grantor

agrees that a standard six foot (6') tall chain link fence will be acceptable. Grantee shall submit the plans for the fencing or barrier construction to:

Union Pacific Railroad Company
Attn: Real Estate Sales (Project No. 0785727)
1400 Douglas Street, Mail Stop 1690
Omaha, Nebraska 68179

for review and approval. Grantor shall complete such review and make appropriate response to Grantee within twenty (20) days after receipt of such plans by Grantor. Grantor shall not unreasonably withhold its approval of such plans. Such approval does not constitute a guarantee or warranty that such plans comply with applicable governmental laws, rules, regulations or ordinances, or that the fence as constructed will be structurally sound.

(c) Railroad Proximity.

(i) Grantee acknowledges that the property abutting the Easterly boundary line of the Property is dedicated and used for railroad purposes, that railroad operations may create noise, vibrations, emissions, fumes and odors twenty-four (24) hours a day, and that the amount, nature and intensity of railroad operations may increase or change (collectively, the "Permitted Effects"). Grantee accepts the Property subject to the existence of the Permitted Effects. By acceptance of the Property, Grantee agrees that, at Grantee's sole cost and expense, as part of the development of the Property, Grantee shall design and install and/or construct and thereafter maintain improvements to reduce or limit the Permitted Effects and to comply with all governmental requirements, if any, which may be imposed as a condition to the development and use of the Property because of the Permitted Effects.

(ii) Grantee shall not, and hereby waives all rights to, (A) institute legal proceedings against Grantor to reduce or lessen the Permitted Effects, and (B) directly or indirectly participate in petition drives, lobbying efforts or other activities seeking the enactment of federal, state or local laws or ordinances to reduce or lessen the Permitted Effects. Any party breaching such covenant shall reimburse Grantor for all costs incurred by Grantor to comply with any such orders, laws or ordinances, including, without limitation, attorney fees and court costs.

(iii) If Grantee sells or leases all or any portion of the Property, Grantee shall require all purchasers and tenants to acknowledge the location of the railroad operations abutting the Property and the existence of the Permitted Effects, and to agree in writing, for the benefit of Grantor, to comply with the above covenants.

The foregoing and following covenants, conditions, and restrictions shall run with the Property, the burdens of which will be binding on the successors and assigns of Grantee and the benefits of which will inure to the successors and assigns of Grantor. A breach of the foregoing and following covenants, conditions and restrictions, or the continuance thereof, may, at the option of Grantor, its successors or assigns, be enjoined, abated, or remedied by appropriate proceedings.

Environmental Covenants:

(a) “As Is” Sale. Grantee, for itself, its successors and assigns, including any successor owner of any interest in the Property, acknowledges and agrees that the Property is quitclaimed by Grantor and accepted by Grantee in an “as is” condition with all faults, and that the Property was used for railroad, commercial and industrial purposes. Grantor does not make any representations or warranties of any kind whatsoever, either express or implied, with respect to the Property or any of such related matters; in particular, but without limitation, Grantor makes no representations or warranties with respect to the use, condition, title, occupation or management of the Property, compliance with applicable statutes, laws, codes, ordinances, regulations or requirements relating to leasing, zoning, subdivision, planning, building, fire, safety, health or environmental matters (including but not limited to the existence of hazardous materials in, on, under, or emanating to or from the Property), compliance with covenants, conditions and restrictions (whether or not of record), other local, municipal, regional, state or federal requirements, or other statutes, laws, codes, ordinances, regulations or requirements (collectively, “Condition of the Property”). Grantee acknowledges that it is entering into this Agreement on the basis of Grantee’s own investigation of the physical and environmental conditions of the Property, including the subsurface conditions and Grantee assumes the risk that adverse physical and environmental conditions may not have been revealed by its investigation.

(b) Release. GRANTEE, FOR ITSELF, ITS SUCCESSORS AND ASSIGNS, INCLUDING ANY SUCCESSOR OWNER OF ANY INTEREST IN THE PROPERTY, HEREBY WAIVES, RELEASES, REMISES, ACQUITS AND FOREVER DISCHARGES GRANTOR, GRANTOR’S EMPLOYEES, AGENTS, OR ANY OTHER PERSON ACTING ON BEHALF OF GRANTOR, OF AND FROM ANY CLAIMS, LIABILITIES, ACTIONS, CAUSES OF ACTION, DEMANDS, RIGHTS, DAMAGES, COSTS, EXPENSES, PENALTIES, FINES OR COMPENSATION WHATSOEVER, DIRECT OR INDIRECT, WHICH GRANTEE NOW HAS OR WHICH GRANTEE MAY HAVE IN THE FUTURE ON ACCOUNT OF OR IN ANY WAY ARISING OUT OF OR IN CONNECTION WITH THE CONDITION OF THE PROPERTY, INCLUDING, WITHOUT LIMITATION, THE KNOWN OR UNKNOWN PHYSICAL OR ENVIRONMENTAL CONDITION OF THE PROPERTY (INCLUDING, WITHOUT LIMITATION, ANY CONTAMINATION IN, ON, UNDER, ADJACENT OR EMANATING FROM OR TO THE PROPERTY BY ANY HAZARDOUS MATERIALS), OR ANY FEDERAL, STATE OR LOCAL LAW,

ORDINANCE, RULE, REQUIREMENT, DIRECTIVE, ORDER OR REGULATION APPLICABLE THERETO, INCLUDING, WITHOUT LIMITATION, THE TOXIC SUBSTANCES CONTROL ACT, THE COMPREHENSIVE ENVIRONMENTAL RESPONSE, COMPENSATION AND LIABILITY ACT, AND THE RESOURCE CONSERVATION AND RECOVERY ACT. THE FOREGOING APPLIES REGARDLESS OF ANY NEGLIGENCE OR STRICT LIABILITY OF GRANTOR, ITS AFFILIATES, THEIR EMPLOYEES, AGENTS, OFFICERS, SUCCESSORS OR ASSIGNS. WITH RESPECT TO THE FOREGOING RELEASE, GRANTEE EXPRESSLY WAIVES THE BENEFITS AND PROTECTIONS OF SECTION 1542 OF THE CIVIL CODE OF THE STATE OF CALIFORNIA, WHICH READS AS FOLLOWS:

1542. Certain Claims Not Affected by General Release. A general release does not extend to claims which the creditor does not know or suspect to exist in his or her favor at the time of executing the release, which if known by him or her must have materially affected his or her settlement with the debtor.

(c) Indemnity. FROM AND AFTER THE DATE OF THIS INSTRUMENT, GRANTEE SHALL, TO THE MAXIMUM EXTENT PERMITTED BY LAW, INDEMNIFY, DEFEND AND SAVE HARMLESS GRANTOR, ITS AFFILIATES, THEIR EMPLOYEES, AGENTS, OFFICERS, SUCCESSORS AND ASSIGNS, FROM AND AGAINST ANY AND ALL SUITS, ACTIONS, CAUSES OF ACTION, LEGAL OR ADMINISTRATIVE PROCEEDINGS, CLAIMS, DEMANDS, FINES, PUNITIVE DAMAGES, LOSSES, COSTS, LIABILITIES AND EXPENSES, INCLUDING ATTORNEY'S FEES, IN ANY WAY ARISING OUT OF OR CONNECTED WITH THE CONDITION OF THE PROPERTY, INCLUDING, WITHOUT LIMITATION, THE KNOWN OR UNKNOWN PHYSICAL OR ENVIRONMENTAL CONDITION OF THE PROPERTY (INCLUDING, WITHOUT LIMITATION, ANY CONTAMINATION IN, ON, UNDER, ADJACENT OR EMANATING FROM OR TO THE PROPERTY BY ANY HAZARDOUS MATERIALS), OR ANY FEDERAL, STATE OR LOCAL LAW, ORDINANCE, RULE OR REGULATION APPLICABLE THERETO, INCLUDING, WITHOUT LIMITATION, THE TOXIC SUBSTANCES CONTROL ACT, THE COMPREHENSIVE ENVIRONMENTAL RESPONSE, COMPENSATION AND LIABILITY ACT, AND THE RESOURCE CONSERVATION AND RECOVERY ACT. THE FOREGOING APPLIES REGARDLESS OF ANY NEGLIGENCE OR STRICT LIABILITY OF GRANTOR, ITS AFFILIATES, THEIR EMPLOYEES, AGENTS, OFFICERS, SUCCESSORS OR ASSIGNS.

(d) General Allocation of Environmental Responsibility. With respect to any existing or future presence of any hazardous materials in, under or emanating to or from the Property, from and after the date of this instrument, Grantee, for itself, its successors and assigns, including any successor owner of any interest in the Property, at no cost to Grantor, agrees to be solely responsible

for conducting any investigation, monitoring, remediation, removal, response or other action required by any governmental agency, court order, law or regulation or which may otherwise be necessary to make the Property suitable for Grantee's use of the Property.

(Remainder of page intentionally left blank.)

Grantee hereby accepts this instrument and agrees for itself, its successors and assigns, to be bound by the covenants set forth herein.

EXHIBIT A

LEGAL DESCRIPTION OF THE PROPERTY

All that property situate in the City of Roseville, County of Placer, State of California, being a portion of Section 35, Township 11 North, Range 6 East, M.D.M. and a portion of the lands in Section 2, Township 10 North, Range 6 East as shown on the "Plan of the Town of Roseville", filed in Book A of Maps at Page 30 and "Map of a ReSurvey of a Part of the Original Plat of Roseville" filed in Book C, Page 33, Official Records of Placer County, more particularly described as follows:

COMMENCING at the intersection of the centerline of Lincoln Street (recorded as Sheridan St) and the south line of said Section 34, as shown on the "Map of McRAE'S Addition, Town of Roseville, filed in Book A, Page 38;

thence South $89^{\circ}51'11''$ East 230.00 feet to the southwest corner of said Section 35, being the **POINT OF BEGINNING**;

thence North $00^{\circ}01'08''$ East 478.59 feet along the easterly line of said McRAE'S Addition, also being the accepted Section line between said Sections 34 and 35, to its intersection with a line being 75 feet Southwesterly of the existing Union Pacific Railroad track centerline;

thence along said 75 foot offset line the following three (3) courses:

- 1) South $37^{\circ}39'48''$ East 61.96 feet to the beginning of a tangent curve to the right having a radius of 778.00 feet;
- 2) thence along said curve through a central angle of $7^{\circ}24'00''$ an arc distance of 100.48 feet to the beginning of a compound curve to the right having a radius of 574.96 feet;
- 3) thence along said curve through a central angle of $23^{\circ}01'53''$ an arc distance of 231.12 feet;

thence South $07^{\circ}13'56''$ East 51.53 feet to the beginning of a tangent curve to the right having a radius of 412.00 feet;

thence along said curve through a central angle of $30^{\circ}00'54''$ an arc distance of 215.83 feet;

thence South $22^{\circ}46'58''$ West 175.43 feet;

thence South $30^{\circ}04'45''$ West 23.86 feet to the northerly right of way line of Lincoln Street (70 foot wide);

thence North $44^{\circ}07'27''$ West 34.52 feet along said line of Lincoln Street to the southeast corner of the lands of 302 Lincoln, described in Document number 2021-0138634-00, recorded Nov. 9,

2021, Placer County Recorder, and the beginning of a non-tangent curve to the left having a radius of 879.37 feet and a radial bearing of North 65°25'20" West;

thence along the easterly line of said lands of 302 Lincoln on said curve through a central angle of 18°00'20" an arc distance of 276.35 feet to the southeasterly line of a 20 foot wide alley;

thence along said southeasterly line North 46°25'12" East 37.43 feet to the south line of said Section 35;

thence North 89°51'11" West 142.58 feet along said south line of Section 35 to the **POINT OF BEGINNING**.

Bearings used in the above description are based on the bearings for Lincoln Street and Main Street, shown on Record of Survey #1405, filed in Book 11 of Surveys, Page 103, and established by found monuments shown hereon.

Distances are ground distances. To obtain GRID distances, divide by a scale factor of 0.999928.

CERTIFICATION OF NON-FOREIGN STATUS

Under Section 1445(e) of the Internal Revenue Code, a corporation, partnership, trust, or estate must withhold tax with respect to certain transfers of property if a holder of an interest in the entity is a foreign person. To inform the transferee, CITY OF ROSEVILLE, that no withholding is required with respect to the transfer of a U.S. real property interest by UNION PACIFIC RAILROAD COMPANY, the undersigned hereby certifies the following on behalf of UNION PACIFIC RAILROAD COMPANY:

1. UNION PACIFIC RAILROAD COMPANY is not a foreign corporation, foreign partnership, foreign trust, or foreign estate (as those terms are defined in the Internal Revenue Code and Income Tax Regulations);
2. UNION PACIFIC RAILROAD COMPANY is not a disregarded entity as defined in Section 1.445.2(b)(2)(iii) of the Internal Revenue Code;
3. UNION PACIFIC RAILROAD COMPANY'S U.S. employer identification number is 94-6001323; and
4. UNION PACIFIC RAILROAD COMPANY'S office address is 1400 Douglas Street, Omaha, Nebraska 68179, and place of incorporation is Delaware.

UNION PACIFIC RAILROAD COMPANY agrees to inform the transferee if it becomes a foreign person at any time during the three year period immediately following the date of this notice.

UNION PACIFIC RAILROAD COMPANY understands that this certification may be disclosed to the Internal Revenue Service by the transferee and that any false statement contained herein could be punished by fine, imprisonment, or both.

Under penalties of perjury I declare that I have examined this Certification and to the best of my knowledge and belief it is true, correct and complete, and I further declare that I have authority to sign this document on behalf of UNION PACIFIC RAILROAD COMPANY.

RE: Property Leased by Southern Pacific Pipe Lines, Inc.

Pursuant to California legislation, lessees of property are required to notify the owner of the property if and when the lessee knows, or reasonably believes, "hazardous substances" are present in or on the property.

As you are aware, Southern Pacific Pipe Lines is in the business of transporting certain products which fall within the definition of "hazardous substances". Incidental to this transportation service, these products are stored on a temporary basis, therefore, "hazardous substances" are located on the property leased from you by our company.

We at Southern Pacific Pipe Lines will continue to perform our operations in a safe manner and in accordance with applicable federal, state and local laws. We have no reason to believe that any hazardous substances are likely to be released or that they present any significant threat to health or to the environment.

We will continue to comply with our obligations under the lease and will comply with our duty regarding clean-up of the property at termination of the lease.

Very truly yours,

JM Engelhardt / JAB

198317

THIS AGREEMENT, made this 1st day of November, 1982,
by and between SOUTHERN PACIFIC TRANSPORTATION COMPANY,
a corporation (Licensor), and SOUTHERN PACIFIC PIPE LINES, INC., a corporation,
(Licensee) address: 610 South Main Street, Los Angeles, California 90014,

WITNESSETH:

1. **Grant of Rights:** Licensor hereby grants to Licensee the right to construct, reconstruct, maintain and operate, subject to the terms of this agreement, one (1) four-inch (4") diameter diesel fuel pipeline,

(herein called "structure"),

at or near Roseville Station, County of Placer, State of California, in the location shown on the attached print of Licensor's Drawing C. E. 32503, Sheet No. 40, as revised June 10, 1970, attached and made a part hereof,

This grant is subject and subordinate to the prior and continuing right of Licensor, its successors and assigns, to use all of its property in the conduct of its business, Licensor reserving full rights, consistent with the rights herein granted, to construct, reconstruct, maintain and operate existing and additional transportation, communication, pipeline and power facilities upon, over and beneath its premises.

2. **Identifying Markers:** Markers in form and size satisfactory to Licensor shall be installed and constantly maintained by Licensee at Licensor's property lines or such locations as Licensor shall designate and shall be relocated or removed by Licensee upon request of Licensor. The absence of markers does not constitute a warranty by Licensor that there are no subsurface installations.

Two Hundred Dollars (\$200)

3. **Costs:** Licensee shall pay Licensor ~~One hundred Twenty five dollars (\$125.00)~~ partially to defray the cost of handling.

Licensee shall bear the entire cost of constructing, reconstructing, maintaining and operating said structure on Licensor's premises, and will not allow any mechanics' or materialmen's liens to be enforced against Licensor's premises by reason of any such work. Licensee shall reimburse Licensor for all cost and expense to Licensor in furnishing any materials or performing any labor in connection with such work, including, but not limited to, installation of falsework and other protection beneath or along Licensor's tracks, and furnishing such watchmen, flagmen and inspectors as Licensor deems necessary.

4. **Construction and Maintenance:** Said structure shall be constructed, reconstructed and maintained in accordance with plans approved by Licensor. Approval by Licensor shall not constitute a warranty by Licensor that such plans conform with federal, state and/or local codes and regulations applicable thereto. All work upon or in connection with said structure shall be done to Licensor's satisfaction at such times and in such manner as not to interfere with Licensor's operations. In the construction, reconstruction and maintenance of said structure, Licensee shall keep Licensor's premises in a neat and safe condition, failing which Licensor may do so at Licensee's expense. If required by Licensor in its use of Licensor's premises, Licensee shall reconstruct, relocate or alter said structure. Except in emergencies, Licensee shall give Licensor five (5) days' written notice of the day and hour it proposes to do any work on said structure. Licensee shall be responsible to Licensor for all work on or in connection with said structure, unless performed by an independent contractor who shall have Licensor's written permission before entering upon Licensor's premises.

Licensee shall cooperate with Licensor in making any tests it requires of any installation or condition which in its judgment may have adverse effect on any of the facilities of Licensor. All costs incurred by the tests, or any corrections thereafter, shall be borne by Licensee.

In the event of leakage or spillage from said structure, Licensee shall, at its own expense, promptly clean Licensor's premises to the satisfaction of Licensor, the Environmental Protection Agency and/or any public body having jurisdiction in the matter. Any expense of required compliance with federal, state or local environmental regulations incurred by Licensor or Licensee shall be borne by Licensee, including any fines and judgments levied against Licensor or its property.

No change shall be made by Licensee in the commodity being conveyed through said structure without Licensor's prior written approval.

5. **Indemnification:** Licensee agrees to release and indemnify Licensor from and against all liability, cost and expense for loss of or damage to property, and for injury to or death of persons (including, but not limited to, the property and employees of each of the parties hereto) when arising or resulting from:

- (a) use of said premises by Licensee, its agents, employees or invitees; or
- (b) the construction, reconstruction, maintenance, presence, use or removal of said structure; or
- (c) breach of the contract by Licensee,

whether or not caused or contributed to by any act or omission, negligent or otherwise, of any employee of Licensor.

~~If required by Licensor, Licensee shall provide evidence of insurance coverage in form and amount satisfactory to Licensor insuring Licensee's liability hereunder.~~

The term "Licensor", as used in this section, shall include the lessors, successors, assigns and affiliated companies of Licensor/and any railroad company lawfully operating upon Licensor's tracks.
except, Licensee,

6. **Condemnation:** In the event all or any portion of Licensor's premises shall be condemned or taken for public use, Licensee shall receive compensation only for the taking and damaging of said structure. Any compensation or damages for taking said premises or Licensee's interest therein, shall be assigned to Licensor.

7. **Termination:** This agreement shall terminate:

- (a) upon abandonment of said structure or discontinuance of the use thereof; or
- (b) upon failure of Licensee to correct any default hereunder promptly after receipt of notice from Licensor; or
- (c) upon thirty (30) days' written notice by Licensor to Licensee; or
- (d) upon thirty (30) days' written notice by Licensee to Licensor.

Upon termination of this agreement, Licensee shall remove said structure and restore the premises to Licensor's satisfaction, failing which Licensor may arrange to do so at Licensee's expense.

8. **Non-assignability:** This agreement is not assignable, in whole or in part, by Licensee without Licensor's prior written consent., which consent will not be unreasonably withheld.

9. The structure shall conform to the specifications set forth on Licensor's Form C. S. 1742, also attached hereto and made a part hereof.

IN WITNESS WHEREOF, the parties hereto have caused these presents to be executed in duplicate the day and year first herein written.

Note: For C.P. lines carrying non-flammable substances see C.S. 1741.

RULES GOVERNING THE INSTALLATION OF PIPE LINES TRANSMITTING FLAMMABLE SUBSTANCES WHEN CROSSING UNDER TRACKS:

GENERAL

1. Distance from bottom of the top of pipe or casing, or from bottom of ditch or existing ground line to top of pipe or casing, shall be not less than 3'-0" (See exception in General Note #3).
2. If carrier pipe does not have sufficient strength to support the track, it shall be encased in a larger pipe or conduit coated the casing pipe, in accordance with these specifications and as indicated in sketch above.
3. When practicable, casings and carrier pipes may be installed by the jacking or boring methods. If these methods are used, the minimum depth from bottom of the top of pipe or bore must be 3'-0" or one pipe diameter, whichever is greater, however, where there is good cohesive soil the depth may be less than one pipe diameter, but not less than 3'-0", with special permission of the Chief Engineer. If installed by turning or boring, the space around casing or carrier pipe must be backfilled with grout or sand.
4. Pipe lines shall be located, where practicable, to cross tracks at approximately right angles thereto. Pipe lines placed under railway bridges or viaducts shall be set to any portion of a railroad bridge must be buried deeply in the support and casing and approved casing must be buried.
5. Crossings where possible shall be located where the ground surface slopes downward away from the railway.
6. Any replacement of a carrier pipe or a casing pipe shall be considered a new installation, subject to the requirements of these specifications.

CASINGS

1. The casing pipe and joints shall be of metal and shall be of rigid, leak-proof construction. Thickness of pipe shall conform to the requirements of Table I and shall have joints of either screw, welded or riveted type. Casing shall be galvanized or shall be dipped in preservative material and thoroughly coated inside and outside. If preservative material cannot be used on inside of casing, then the casing shall be at least one gauge or the thicker than otherwise required.
2. The inside diameter of the casing pipe shall be at least 2 inches greater than the largest outside diameter of the carrier pipe, joints or couplings. It shall, in all cases, be great enough to allow the carrier pipe to be removed subsequently without disturbing the casing pipe or roadbed.

3. Casing will extend a minimum distance of 25 feet on each side of center line of track, measured at right angles, or to 100 feet of fill where fill extends beyond 25 feet, unless otherwise authorized by the Chief Engineer. If additional tracks are constructed in the future, the casing shall be extended correspondingly.
4. Casing shall be so installed as to prevent formation of waterway under the railway. It shall have even bearing throughout its length and shall slope toward one end.
5. Casing pipe shall be so constructed as to prevent leakage of any matter from the casing throughout its length under track and right of way, except at ends of casing where ends are left open, or through vent pipes when ends are sealed to outside of carrier pipe.
6. Where ends of casing are at or above ground surface and above high water level they may be left open, provided drainage is afforded in such a manner that leakage will be conducted away from railway tracks or structure. Where proper drainage is not provided, the ends of casing shall be sealed.
7. Where ends of casing are below ground they shall be suitably sealed to outside of carrier pipe.
8. Casing pipe, when sealed, shall be properly vented at both ends with vent pipes of sufficient diameter to permit free evaporation of water or moisture and to prevent internal pressures, but in no case shall they be less than 2 inches in diameter. Vent pipes shall be welded to top of casing and shall extend not less than 4 feet above ground surface as shown in sketch. The outlets at the top shall be properly screened.

TABLE I
THICKNESS OF PIPE CASINGS
FOR SUPPORTING TRACK

1983/7

THIS AGREEMENT, made this 1st day of MAY, 1963,
by and between SOUTHERN PACIFIC PIPE LINES, INC., a corporation, hereinafter called "SPPL", and SOUTHERN PACIFIC COMPANY, a corporation, hereinafter called "SP":

RECITALS:

SP desires delivery and storage of diesel fuel at its train yard at Roseville, California. SPPL is agreeable to constructing a pipeline connecting SPPL's Roseville Station with SP's train yard and to transporting diesel fuel to said train yard for storage in SP's diesel fuel tankage. The parties have entered into this agreement to set forth their understanding with respect to transportation and storage of said diesel fuel.

AGREEMENT:

NOW, THEREFORE, it is mutually agreed by and between the parties as follows:

1. SPPL shall construct at its own expense a four (4) inch pipe line from SPPL's Roseville Station to SP's diesel fuel tankage located in SP's Roseville train yard within the said city of Roseville, California, a distance of approximately twenty-one thousand five hundred (21,500) feet. Said pipe line shall be constructed on SP right of way. Specific location and construction and maintenance details shall be subjects of separate agreements between the parties.
2. As and when requested by SP, SPPL shall transport diesel fuel through pipe line to storage tank and shall be compensated for such transportation at rate of nine (9) cents per barrel. Records of fuel handled under this agreement shall be determined in a manner mutually agreeable to the parties.
3. SPPL shall render monthly bill for services performed hereunder, and SP shall make payments in accordance with its usual method of vouchering accounts.

SPPL-866

4. This agreement shall take effect as of the 5th day of April, 1962, and shall remain in effect thereafter until terminated upon thirty (30) days' written notice by either party.

IN WITNESS WHEREOF, the parties hereto have caused this agreement to be executed as of the day and year first hereinabove written.

THIS SUPPLEMENTAL AGREEMENT, dated this 10th day of JULY, 1974,
by and between SOUTHERN PACIFIC PIPE LINES, INC., a corporation, hereinafter called
"SPP", and SOUTHERN PACIFIC TRANSPORTATION COMPANY (formerly SOUTHERN PACIFIC COMPANY),
a corporation, hereinafter called "SP";

WITNESSETH:

WHEREAS, the parties hereto entered into an agreement dated May 1, 1963, covering
the storage and handling of diesel fuel at SP's train yard at Roseville, California,
and

WHEREAS, the parties hereto desire to amend said agreement dated May 1, 1963
to provide for an increase in transportation rate;

NOW, THEREFORE, for and in consideration of the mutual and dependent promises
and agreements herein contained, the parties hereto do hereby agree as follows:

1. Effective May 1, 1974, Item 2 of said agreement dated May 1, 1963, shall
be removed in its entirety and there shall be inserted in its place and stead the
following:

"2. As and when requested by SP, SPP shall transport diesel fuel through
pipelines to storage tank and shall be compensated for such transportation at rate of
seventeen and four-tenths (17.4¢) cents per barrel. Records of fuel handled under
this agreement shall be determined in a manner mutually agreeable to the parties."

2. Except as provided hereinabove, all of the terms, covenants and conditions
of said agreement dated May 1, 1963 shall be and remain in full force and effect,
subject to termination as provided therein.

IN WITNESS WHEREOF, the parties hereto have caused these presents to be executed
in duplicate by their respective officers thereunto duly authorized, and their re-
spective corporate seals to be hereunto affixed, as of the day and year first herein
written.

COUNCIL COMMUNICATION

CC #: 3678
File #: 0704-01

Title: Campus Oaks Park Skate Park - Design-Build Construction Agreement
Contact: Joel De Jong 916-774-5924 jdejong@roseville.ca.us

Meeting Date: 12/18/2024
Item #: 7.16.

RECOMMENDATION TO COUNCIL

Staff recommends that the City Council:

- 1) Award the project to the highest-ranking proposer, American Ramp Company for the Campus Oaks Park Skate Park; and
- 2) Adopt a resolution to authorize the City Manager to execute the agreement with American Ramp Company in the amount of \$650,000; and
- 3) Authorize staff to approve change order requests in an amount not to exceed 10% of the contracted amount.

BACKGROUND

Campus Oaks Park is an 8.7-acre park located off of Roseville Parkway and Blue Dog Drive in the Campus Oaks area of Roseville. The park is west of Foothills Boulevard and adjacent to the former Hewlett Packard campus. Construction of Campus Oaks Park was completed in 2024 by the developer on behalf of the City. The Council-approved master plan included a skate park, a BMX track, and a ninja fitness course that were unable to be constructed during the initial phase of construction by the Developer due to budget constraints. This project aims to complete the skate and bike track portion of Campus Oaks Park. Additional funding has been identified to allow the City to complete construction of these elements. Development of the skate and bike track elements is being performed as a Design-Build contract. This method of delivery was chosen in order to achieve a high level of cost controls, be more efficient in ensuring timelines for completion and to ensure a highly qualified designer and builder of the very specialized skate and bike park elements is hired.

A Request for Proposals (RFP) for a design-build contractor was issued August 22, 2024 for the skate track, and an addendum was issued requesting the additional design and construction of the bike track element. Proposals for the RFP were received September 18, 2024. Four (4) firms submitted proposals, which were then ranked based on contractor qualifications and experience; project understanding and project plan; and cost. American Ramp Company was the top ranked firm. After negotiations, a Guaranteed Maximum Price of \$650,000 was identified for the design and construction of both the skate and bike track elements.

FISCAL IMPACT

Funding for the skate track and bike track was originally approved and allocated using American Rescue Plan Act (ARPA) funds in FY2024-25. A separate budget adjustment re-allocating and augmenting the ARPA funds for this project is recommended in a separate American Rescue Plan Act Budget Adjustment agenda item. There are sufficient funds allocated for this project. Funding for maintenance is a General Fund obligation.

ENVIRONMENTAL REVIEW

Development of the Campus Oaks Park (formerly Parcel 64/HP park site) was previously evaluated in the 4th Addendum to the Hewlett Packard Master Plan EIR (SCH No.95112022 and amended by City Council on May 20,2020, Resolution No. 20-168), and identified in the associated Third Amended Hewlett-Packard Campus Oaks Master Plan. Construction of the Campus Oaks Park Skate and Bike Tracks Project is found to be within the scope of the project covered by the 4th Addendum to the Hewlett Packard Master Plan EIR. As discussed in the Master Plan EIR, the EIR provides environmental analyses of community infrastructure and facilities, including parks, pedestrian bridges, and bike trails, to the extent applicable. Because the project is consistent with the Third Amended Hewlett-Packard Campus Oaks Master Plan, no new effects would be expected to occur and all applicable mitigation measures from the Hewlett Packard Master Plan EIR will be implemented during the design and construction of the Campus Oaks Park Skate and Bike Tracks Project. Because the proposed project meets the requirements identified in Section 15183 of the State CEQA Guidelines, no additional CEQA review is required.

CITY COUNCIL STRATEGIC PLAN/OVERARCHING GOALS

Goal A - Remain fiscally responsible in a changing world
Goal C - Maintain a safe and healthy community
Goal E - Deliver exceptional city services
Goal F - Invest in well-planned infrastructure and growth

Respectfully Submitted,

Joel De Jong, Park Development Project Manager

Jill Geller, Parks, Recreation & Libraries Director

Dominick Casey, City Manager

RESOLUTION NO. 24-411

APPROVING A DESIGN-BUILD CONSTRUCTION AGREEMENT, BY AND BETWEEN AMERICAN RAMP COMPANY AND THE CITY OF ROSEVILLE, AND AUTHORIZING THE CITY MANAGER TO EXECUTE IT ON BEHALF OF THE CITY OF ROSEVILLE

WHEREAS, a Design-Build Construction Agreement for the Campus Oaks Park Skate Park project, by and between American Ramp Company and the City of Roseville, has been reviewed by the City Council; and

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Roseville that said agreement is hereby approved and that the City Manager is authorized to execute it on behalf of the City of Roseville.

BE IT FURTHER RESOLVED that the City Manager or his designee is authorized to approve change orders, consistent with the contract terms, provided that the net cost of all change orders shall not exceed ten percent (10%) of the contract amount.

PASSED AND ADOPTED by the Council of the City of Roseville this ____ day of _____, 2024, by the following vote on roll call:

City Clerk

**DESIGN-BUILD CONSTRUCTION AGREEMENT
(PROJECT: CAMPUS OAKS PARK SKATE PARK)**

This Design-Build Construction Agreement ("Agreement") is made and entered into this ____ day of _____, 20 __, by and between the City of Roseville, a municipal corporation ("CITY") and American Ramp Company, a Missouri corporation ("CONTRACTOR").

RECITALS

WHEREAS, CITY has issued a Request for Proposals pursuant to which CITY solicited proposals from design-build contractors to construct the Campus Oaks Park Skate Park project ("Project"); and

WHEREAS, CONTRACTOR has submitted a Proposal, dated September 18, 2024, attached hereto and made a part hereof as Exhibit F, and CITY has selected CONTRACTOR to provide design and construction services as set forth in this Agreement; and

WHEREAS, CONTRACTOR is ready, willing and able to perform the aforementioned services required in accordance with the terms and conditions of this Agreement; and

NOW, THEREFORE, CITY and CONTRACTOR agree as follows:

ARTICLE 1

DEFINITIONS

1.1 "Applicable Laws" means all laws, codes, ordinances, rules and regulations of governmental authorities having jurisdiction over the Site and/or the Work.

1.2 "Application for Payment" means the document prepared by CONTRACTOR and submitted to CITY showing CONTRACTOR's entitlement to progress payments, the requirements of which are more fully described in Section 5.3 hereof.

1.3 "Architect/Engineer" means a licensed professional(s) (and/or entity(ies)) retained by CONTRACTOR, with the approval of CITY, who provides architectural, design and/or engineering services as may be required by the Work. The Architect/Engineer shall be registered in the State of California and the architect and/or engineer of record for the Work pursuant to their design responsibilities. The Architect/Engineer shall be the Architect/Engineer(s) stated in the Proposal, unless substituted by CONTRACTOR based upon CITY's written pre-approval.

1.4 "Authorized Representatives" means the Design-Build Team and those individuals appointed by CITY and CONTRACTOR from time to time in accordance with the provisions of Section 3.1.1.

1.5 "Business Day" means any day when the office of the City Clerk of the City of Roseville is open for business.

1.6 "Certificate of Substantial Completion" means a certificate prepared by CONTRACTOR in accordance with Section 5.12 and forwarded to CITY.

1.7 "Certificate of Final Completion" means a certificate prepared by CONTRACTOR and forwarded to CITY stating that the Project is finally complete and that CONTRACTOR is entitled to Final Payment in accordance with Article 5 hereof.

1.8 "Change Directive" means a written order signed by CITY directing a change in the Work. A Change Directive shall state a proposed basis for adjustment, if any, in the GMP or Schedule. CITY may order changes in the Work within the general scope of the Contract, and a Change Directive shall be used in the absence of total agreement on the terms of a Change Order.

1.9 "Change Order" means a written order signed by CONTRACTOR and CITY authorizing a change in the Work, which also may adjust the GMP and/or the Schedule, and which shall constitute a Modification. The GMP and/or Schedule may be changed only by Change Order.

1.10 "Change Proposal" means a proposal for a Change Order submitted by CONTRACTOR to CITY, either at the request of CITY, or at CONTRACTOR's own initiative.

1.11 "Construction Allowance Items" [reserved]

1.12 "Construction Documents" means the plans and specifications prepared by the Design-Build Team for the Project, approved by CITY, and incorporated into this Agreement by reference after such approval, to be used to construct the Project. The Construction Documents shall set forth in detail all items necessary to complete the construction of the Project in accordance with the Contract Documents (subject to their completion following commencement of the Construction Phase). All amendments and modifications to the Plans and Specifications must be approved by CITY prior to incorporation into this Agreement. CONTRACTOR's attention is hereby directed to the confidentiality requirements of Section 2.2.

1.13 "Construction Notice to Proceed" means the notice given by CITY to CONTRACTOR stating that the Site is available to CONTRACTOR and directing CONTRACTOR to commence construction of the Project in accordance with Section 4.2.1.

1.14 "Construction Phase" means the period beginning with the issuance of the Construction Notice to Proceed and ending on the date of Final Completion of the Project.

1.15 "Construction Work" means that portion of the Work consisting of the provision of labor, materials, equipment and services in connection with the construction of the Project as set forth in the Contract Documents.

1.16 "Contingency Costs" means those items of Cost of the Work attributable to a contingency for which CITY is responsible and which are payable by CITY to CONTRACTOR pursuant to a Change Order as provided in Article 6.

1.17 "Contract Documents" means this 1) Agreement, 2) its Exhibits, and 3) the Construction Documents, all of which, together with this Agreement, form the entire integrated agreement between CITY and CONTRACTOR. In the event of a conflict between any of these documents, this Agreement controls, followed by its Exhibits.

1.18 "Contract" or "Agreement" means this Design-Build Construction Agreement, its exhibits, and all amendments and/or modifications hereto executed by the parties.

1.19 "Contract Time" means the period of time, including authorized adjustments, allotted in the Schedule for the Final Completion of the Work.

1.20 "CONTRACTOR" means the individual or entity identified in the preamble to this Agreement.

1.21 "CONTRACTOR Event of Default" shall have the meaning set forth in Section 12.1 hereof.

1.22 "Cost of the Work" consists of those items of Work, which are paid for by CITY to CONTRACTOR, and consist of those categories of costs set forth as allowable on Exhibit A.

1.23 "CPM" means a critical path method schedule in the form of precedents, networks and time sequences.

1.24 "Day" or "Days" means calendar days.

1.25 "Delay Costs" means those items of Cost of the Work attributable to an Excusable Delay for which CITY is responsible and which are payable by CITY to CONTRACTOR pursuant to a Change Order as provided in Article 6.

1.26 "Design-Build Team" includes the following: Architect/Engineer; CONTRACTOR; and/or others as coordinated by CONTRACTOR and CITY.

1.27 "Design Development Documents" means the drawings, specifications and other documents prepared by the Design-Build Team for CITY's review and approval prior to the preparation of the Construction Documents. The Design Development Documents shall illustrate the scale and relationship of Project components, outline the nature and structural exterior and three dimensional scale of the Project and shall fix and describe in detail the configuration and character of the Project concerning all items of the Project necessary for the complete and final preparation of the Construction Documents in accordance with the requirements of the Contract Documents, including architectural and electrical systems, materials and such other elements as may be appropriate. CONTRACTOR's attention is hereby directed to the confidentiality requirements of Section 2.2.

1.28 "Design Materials" means any and all documents, shop drawings, electronic information, data, plans, drawings, sketches, illustrations, specifications, descriptions, models and other information developed, prepared, furnished, delivered or required to be delivered by CONTRACTOR to CITY under the Contract Documents or developed or prepared by CONTRACTOR specifically to discharge its duties under the Contract Documents. CONTRACTOR's attention is hereby directed to the confidentiality requirements of Section 2.2.

1.29 "Design Work" means that portion of the Work consisting of the design services required to be provided in connection with the design of the Project as set forth in the Contract Documents, which shall be performed consistent with the standards of professional care set forth herein.

1.30 "Excusable Delay" shall have the meaning set forth in Section 4.4.2 hereof.

1.31 "Fee", if applicable, means the fee payable to CONTRACTOR pursuant to this Contract and as part of the GMP, if shown on Exhibit A attached hereto.

1.32 "Final Completion" means the point at which the Work has been completed in accordance with the terms and conditions of the Contract Documents, including completion of all Punch list items.

1.33 "Force Majeure" means labor dispute (excluding labor shortage), fire, unusual delay in transportation or delivery, unavoidable casualty, flood (assuming CONTRACTOR has taken reasonable precautions), earthquake, epidemic, civil disturbance, war, freight embargo, riot, sabotage (by persons other than CONTRACTOR or Subcontractors), material shortage or any other similar act or condition, in each case only to the extent the event in question is beyond the reasonable control of and without the fault or negligence of CONTRACTOR.

1.34 "Governmental Approvals" means those CITY approvals necessary for the completion of the Project, including, but not limited to, modification of existing zoning, vacation of certain streets and/or alleys, and modifications to or variances from applicable building or zoning regulations.

1.35 "Guaranteed Maximum Price" or "GMP" means the amount set forth on Exhibit A hereto, which may be increased or decreased in accordance with the provisions of the Contract Documents.

1.36 "Hazardous Materials" means those items identified on Exhibit C hereto.

1.37 "Indemnified Parties" includes, but is not limited to, CITY, its agents, officers, employees, and volunteers.

1.38 "Liquidated Damages" means the damages payable by CONTRACTOR to CITY in the event CONTRACTOR does not achieve Final Completion of the Project by the date required on the Schedule, as adjusted, as more fully described in Section 4.6 hereof.

1.39 "Modification" means an amendment to this Agreement executed by the parties after the date hereof.

1.40 "Party" shall mean CITY or CONTRACTOR individually, and **"Parties"** shall mean CITY and CONTRACTOR collectively.

1.41 "Payment and Performance Bonds" means the payment bond and performance bond issued by an admitted Surety covering the faithful performance and completion of the Construction Work, including payment for all materials and labor furnished or supplied in connection with the Construction Work, by CONTRACTOR. Such bonds shall be in the form described in Exhibit E.

1.42 "Project" means the design and construction of the project described in the Recitals, together with all on-site infrastructure, site improvements and appurtenances to be designed, if any, constructed and installed in connection therewith, as more fully set forth and described in the Contract Documents and as required thereby or reasonably inferred therefrom.

1.43 "Project Manager" means the person assigned by the director of the CITY administering department to monitor the Project and Work.

1.44 "Punch List" means those minor items of Work to be completed after Substantial Completion and prior to Final Completion, which do not prevent the Project from being used for the purpose for which it is intended and which will not prevent beneficial occupancy or use.

1.45 "Retention" means the amount withheld from progress payments from CITY to CONTRACTOR from time to time, as more fully described in Article 5 hereof.

1.46 "Schedule" means the schedule pursuant to the Proposal and/or other Contract Documents to which CONTRACTOR has agreed to complete the Work. The Schedule shall be adjusted pursuant to the provisions of the Contract Documents. In the event the Schedule is not contained within the Proposal, then CONTRACTOR shall provide to CITY, within fifteen (15) days of issuance of a notice to proceed by CITY, with a complete milestone schedule identifying, among other things, critical paths (if any) and total calendar days until Substantial and Final Completion. In the event the Schedule is contained in the Proposal, the start of the Schedule shall be adjusted by the CONTRACTOR to reflect the date of the Notice To Proceed.

1.47 "Scheduled Date of Substantial Completion" means the date CONTRACTOR has agreed to achieve Substantial Completion of the Project in accordance with the Schedule, as adjusted.

1.48 "Scope Change Costs" means those items of Cost of the Work attributable to changes in scope of the Work and payable by CITY to CONTRACTOR pursuant to a Change Order, as provided in Article 6.

1.49 "Separate Contractors" means those individuals or entities (including, but not limited to, concessionaires) who have entered into arrangements with CITY for the provision of labor, materials or other services in connection with the Project.

1.50 "Site" is the real property on which the Project will be located.

1.51 "Subcontract" means an agreement between CONTRACTOR and another person or entity engaged to perform a portion of the Work.

1.52 "Subcontractor" means an individual or entity who has entered into an agreement with CONTRACTOR or another Subcontractor for the provision of labor, materials or other services required to be performed by CONTRACTOR under the Contract Documents.

1.53 "Substantial Completion" means the stage in the progress of the Work when the Work or a designated portion thereof is sufficiently complete in accordance with the Contract Documents so that CITY may use the Project for its intended purpose.

1.54 "Surety" means one or more issuers of the Payment and Performance Bonds, each of which shall be admitted and licensed to do business in the State of California.

1.55 "Unexcusable Delay" shall have the meaning set forth in Section 4.4.

1.56 "Work" or "Scope of Work" means the Project, inclusive of all labor, materials and services required to be performed or provided by CONTRACTOR officers, employees, agents, Subcontractors or Suppliers pursuant to the provisions of this Agreement and its Exhibits (including, the entirety of Exhibit F).

ARTICLE 2 SCOPE OF WORK / PROJECT REQUIREMENTS

2.1 Performance of Work. CONTRACTOR shall perform the Work in accordance with this Agreement. CONTRACTOR covenants and agrees that it shall be responsible for performing and completing, and for causing all Subcontractors (including Architect/Engineer) to perform and complete, the Work in accordance with the Contract Documents, standard professional and trade practices, and Applicable Laws. CONTRACTOR will retain an Architect/Engineer for design services required by the Work and the Architect/Engineer shall be the engineer of record. CONTRACTOR covenants that the Work and the materials provided thereunder shall be appropriate for the purposes stated in the Request for Proposal and Proposal. Although it is the responsibility of CONTRACTOR to conform the Work to Applicable Laws at all times, to the extent there is a change in one or more Applicable Laws after the date of execution of this Contract, and such change has the effect of increasing the cost or time of performance of the Work, such change may be the subject of a Change Order under the provisions of Article 6 hereof.

2.1.1. Noise and Night Work. CONTRACTOR shall comply with CITY's noise ordinance.

2.2 Professional Standard; Ownership of Documents.

2.2.1 Standards of Performance. The Work shall be performed by CONTRACTOR in accordance with the professional standards applicable to projects, buildings or work of complexity, quality and scope comparable to the Work and the Project. CONTRACTOR may make such additions or substitutions to personnel and responsibilities as it deems necessary or appropriate in order to carry out its responsibilities hereunder, provided such personnel shall be suitably qualified. Nothing in this Agreement shall be construed to create any contractual liability with CITY toward any Subcontractor.

2.2.2 Design Documents and Materials, and Confidentiality.

2.2.2.1 CITY shall have unlimited rights to copy and use in connection with the Project all Design Materials, including the right to use same on the Project at no additional cost to CITY, regardless of degree of completion, provided that said services performed have been fully paid for as required by the terms of this Agreement. CONTRACTOR and its Subcontractors shall keep all design documents confidential, and shall not disclose such documents except as may be required in performance of the Work or pursuant to legal process.

2.3 Local Conditions; Environmental Site Conditions.

2.3.1 Local Conditions. CONTRACTOR represents that it has taken steps reasonably necessary to ascertain the nature and location of the Work, and that it has investigated and satisfied itself as to the general and local conditions which are applicable to the Work such as (a) conditions bearing on transportation, disposal, handling and storage of materials; (b) the availability of labor, water, power and roads; (c) normal weather conditions; (d) observable physical conditions at the Site; (e) the surface conditions of the ground; and (f) the character of equipment and facilities needed prior to and during the performance of the Work. To the extent CONTRACTOR encounters subsurface or concealed conditions which differ materially from that actually known by CONTRACTOR on the date of this Agreement or from those ordinarily found to exist and generally recognized as inherent in the activities of the character provided in the Contract Documents; then CONTRACTOR shall give notice to CITY promptly before conditions are disturbed and in no event later than two (2) Days after the first observance of the conditions if a Change Order is contemplated by CONTRACTOR due to such condition. Such materially different conditions may entitle CONTRACTOR to an equitable adjustment in the GMP and/or Schedule pursuant to the Change Order provisions of this Agreement.

2.3.2 Hazardous Materials. The Parties' agreement as to the handling of Hazardous Materials discovered at the Site (and not brought there by CONTRACTOR or any Subcontractor) is set forth in Exhibit C hereto, and the only duties and responsibilities of CONTRACTOR in connection therewith are as therein specified, notwithstanding any other provision of this Agreement.

2.4 Design Development Documents and Construction Documents.

2.4.1 General. The Design-Build Team understands that all construction documents, working drawings and specifications ("Submittals") must be coordinated with, and approved by, CITY prior to construction. CONTRACTOR shall allow CITY a minimum of fourteen (14) days for review of Submittals and corrections made thereto. CONTRACTOR shall work with the Design-Build Team to prepare, for the approval of CITY, working drawings and specifications setting forth in detail the requirements for the construction of the Project in its entirety including the necessary bidding information. CITY's review of the Design Development Documents and the Construction Documents shall not relieve CONTRACTOR from its responsibilities under this Agreement, or be deemed to be an approval or waiver by CITY of any deviation from, or of CONTRACTOR's failure to comply with, any provision or requirement of the Contract Documents, unless such deviation or failure has been identified as such in writing in the document submitted for approval by CONTRACTOR and approved by CITY. CONTRACTOR shall comply with all CITY construction standards as deemed applicable by the CITY. CONTRACTOR shall provide CITY with a complete, accurate, full size, and current set of as-built drawings in a hard copy acceptable to City prior to Final Completion.

2.4.2 Reliance on Approvals. CONTRACTOR shall be entitled to rely on the approvals of CITY with respect to the Design Materials. If CITY revokes, modifies or otherwise changes in a material way its approval of a given system after such system has been designed and approved, or modifies the original Scope of Work in a material manner requiring modification to one or more systems which have been designed and approved, CONTRACTOR shall be entitled to a Change Order in accordance with the provisions of Article 6 hereof, provided that prior to such approval CONTRACTOR has made CITY aware of future design decisions which may be affected by such approval. No Change Order shall be issued to the extent such modification is due to the fault or neglect of CONTRACTOR.

2.4.3 Review of Contract Documents and Field Conditions. CONTRACTOR shall take field measurements and verify field conditions and shall carefully compare such field conditions and other information known to CONTRACTOR with the Contract Documents before commencing activities. CONTRACTOR shall perform the Work in accordance with the Contract Documents and submittals approved in accordance with the procedures set forth in this Agreement.

2.5 Legal Requirements. CONTRACTOR shall comply with Applicable Laws, and shall give applicable notices pertaining thereto. Except with respect to Governmental Approvals, CONTRACTOR shall prepare and file all documents required to obtain the necessary approvals of governmental authorities having jurisdiction over the Work and/or the Project and shall secure and pay for permits and governmental fees, licenses and inspections necessary for the proper execution of the Work and completion of the Project. Notwithstanding the foregoing, CITY has informed CONTRACTOR that fees in connection with building permits, street use permits, and similar permits relating to construction will be waived and are not to be included in the GMP. If and to the extent charges in the future for such permits are imposed in the future, such charges shall be paid by CITY, or shall be the subject of a Change Order to the Contract in accordance with the Change Order provisions of this Agreement.

2.6 Services and Facilities.

2.6.1 General. CONTRACTOR shall provide everything required for the orderly progress and proper execution and completion of the Work and the Project in accordance with the requirements of the Contract Documents, whether temporary or permanent and whether or not incorporated or to be incorporated into the Work, including, but not limited to, services, labor, materials, equipment, furnishings, tools, construction equipment and machinery, utilities, transportation and other facilities and services.

2.6.2 Supervision. CONTRACTOR shall supervise and direct the Work in accordance with its best skill and attention. CONTRACTOR shall be solely responsible for and have control over construction means, methods, techniques, sequences and procedures. CONTRACTOR shall be responsible to CITY for the acts and omissions of, and whenever this Contract refers to the negligence, fault or omission of CONTRACTOR, such term shall include the negligence, fault or omission of, CONTRACTOR's employees, Subcontractors and their agents and employees, and other persons performing portions of the Work under an agreement with CONTRACTOR. CONTRACTOR shall not be relieved of obligations to perform the Work in accordance with the Contract Documents by tests, inspections or approvals required or performed by persons other than CONTRACTOR.

2.6.3 Coordination. CONTRACTOR shall coordinate construction requirements with governmental agencies, utilities, and all other parties either involved in infrastructure improvements or otherwise affected by the design and construction requirements.

2.6.3.1 Design-Build Development Coordination. CONTRACTOR understands and agrees that all Design Development Documents and time schedules prepared by Architect/Engineer must be coordinated with CONTRACTOR and CITY. CONTRACTOR shall participate and provide recommendations in the development of the drawings and other documents to fix and describe the size and character of the Project in its entirety as to structural, and electrical systems, materials and other essentials as may be necessary according to good engineering and architectural practice.

2.6.3.2 Construction Documents Coordination. [reserved]

2.6.4. Cooperation. CONTRACTOR shall cooperate with the Architect/Engineer, and CITY's financial, design and construction consultants and all other designated representatives during the design and construction of the Project.

2.6.5 Management. CONTRACTOR shall implement suitable management systems and work plans for the Project relative to Project safety, quality assurance and managing and controlling the Work.

2.6.6 Reports. CONTRACTOR shall prepare and submit to CITY monthly progress reports on the Work accomplished during the previous monthly period, which reports shall be prepared in a manner and in a format reasonably acceptable to CITY. Such reports shall be

furnished at the time of submission of each monthly Application for Payment. As part of such report, CONTRACTOR shall provide an updated Schedule, including CPM, if any, illustrating the progress that has been made, by reference to the initial CPM, and specifying whether the Work is on schedule or behind schedule and actions being taken to correct Schedule slippage. The monthly report shall also set forth CONTRACTOR's projected progress for the forthcoming month.

2.7 Warranty. CONTRACTOR warrants to CITY that any and all materials, equipment and furnishings incorporated in the Work will be of good quality and new unless otherwise required or permitted by the Contract Documents, that the Work will be free from defects not inherent in the quality required or permitted, and that the Work will conform with the requirements of the Contract Documents. Work not conforming to these requirements, including substitutions not properly approved and authorized, may be considered defective by CITY at its sole discretion.

CONTRACTOR shall warranty the Work for a period of one-year commencing upon recording of the notice of completion. If within this one-year warranty period any of the Work is found to be defective or not in accordance with the requirements of the Contract Documents, CONTRACTOR shall correct it promptly after receipt of written notice from CITY to do so. CITY shall give such notice promptly after discovery of the condition. CONTRACTOR shall bear the cost of correction.

CONTRACTOR's attention is directed to Section 9.3 below regarding Warranty Bond requirements.

2.8 Taxes. CONTRACTOR shall pay, as Cost of the Work, all existing and future applicable federal, state and local sales, consumer, use and similar taxes, whether direct or indirect, relating to, or incurred in connection with, the performance of the Work (excluding taxes based on CONTRACTOR's income). In the event CONTRACTOR is obligated to pay any new or increased taxes or duties adopted after the date hereof, the amount of such new or increased taxes shall increase the GMP pursuant to the Change Order provisions of this Contract. In the event CONTRACTOR receives the benefit of a tax exemption or tax reduction taking effect after the date hereof, the amount of such exemption or reduction shall decrease the GMP pursuant to the Change Order provisions of this Contract

2.9 Access by CITY. CONTRACTOR shall afford CITY and its authorized designees access to the Project Site at all times, subject to reasonable prior notice for access outside of normal business hours.

2.10 Use of Site. CITY shall be permitted beneficial use of the Work.

2.11 Patents, Trademarks, Copyrights. CONTRACTOR shall pay, as a Cost of the Work, all-applicable royalties and license fees on any matters arising in connection with the Work. CONTRACTOR shall defend all suits or claims for infringement of patent, trademark, and copyrights against the Indemnified Parties, and shall save the Indemnified Parties harmless from loss on account thereof for any and all matters arising in connection with the Work or the Project (such costs to be paid as Cost of the Work), except with respect to any particular design process

or the product of a particular manufacturer or manufacturers specified and required by CITY, other than pursuant to the recommendation or suggestion of CONTRACTOR or a subcontractor; provided however, if CONTRACTOR has reason to believe that the design, process or product so specified is an infringement of a patent, CONTRACTOR shall be responsible for any loss resulting unless CONTRACTOR has provided CITY with prompt written notice of CONTRACTOR's belief, and CITY has nevertheless elected to go forward with such design, process or product so specified.

2.12 Rubbish; Debris; Cleanup. During the performance of all on-site Work, CONTRACTOR shall at all times, as a Cost of the Work, keep the Site and adjacent streets, properties and sidewalks reasonably free from waste materials, debris and/or rubbish, and shall employ adequate dust control measures. If accumulation of such materials, debris, rubbish or dust constitutes a nuisance or safety hazard or is otherwise objectionable in the reasonable opinion of CITY, CONTRACTOR shall promptly remove them. Upon Substantial Completion of the Work, or any portion or component thereof, CONTRACTOR shall remove from the Site, or applicable portion thereof, all tools, construction equipment, machinery, surplus materials, waste materials and rubbish and shall leave the Site in a "broom clean" condition. If CONTRACTOR fails to clean up as provided in the Contract Documents, CITY may do so and the cost thereof shall be charged to CONTRACTOR as a Cost of the Work.

2.13 Permits, Fees and Notices. Unless otherwise provided in the Contract Documents, and subject to the provisions of Section 2.5 hereof, CONTRACTOR shall secure all permits, governmental fees, licenses and inspections necessary for the proper execution and completion of the Work. To the extent there is a change in the type or cost of any of such permits, fees, licenses or inspection occurring after execution of this Agreement, there shall be an equitable adjustment in the GMP and Schedule on account of such change in accordance with the Change Order provisions. CONTRACTOR shall comply with and give notices required by Applicable Laws.

2.14 Shop Drawings, Product Data, Samples and Other Submittals.

2.14.1 Documents and Samples at the Site. From and after commencement of the Construction Work, CONTRACTOR shall maintain at the site one record copy of the Construction Documents, and any and all amendments thereto, in good order and marked to record changes and selections made during the Construction Phase. In addition, CONTRACTOR shall maintain at the site approved shop drawings, product data, samples and similar required submittals. These shall be provided to CITY upon completion of the Work.

2.14.2 Shop Drawings, Product Data, Samples and Other Submittals.

2.14.2.1 Shop Drawings are drawings, diagrams, schedules and other data specially prepared for the Work by CONTRACTOR, a Subcontractor, manufacturer, supplier or distributor to illustrate some portion of the Work.

2.14.2.2 Product Data are illustrations, standard schedules, performance charts, instructions, brochures, diagrams and other information furnished by CONTRACTOR to illustrate materials or equipment for some portion of the Work.

2.14.2.3 Samples are physical examples, which illustrate materials, equipment or workmanship and establish standards by which the Work will be judged.

2.14.2.4 Shop Drawings, Product Data, Samples and similar submittals are not Contract Documents. The purpose of their submittal is to demonstrate for those portions of the Work for which submittals are required the way CONTRACTOR proposes to conform the construction to the Construction Documents.

2.14.2.5 Submission of items listed in section 2.14.2.4. [reserved]

2.14.3 Responsibility. CONTRACTOR shall not be relieved of responsibility for the deviations from requirements of the Contract Documents by CITY's approval of Shop Drawings, Product Data, Samples or similar submittals unless CONTRACTOR has specifically informed CITY of such deviation at the time of the submittal and CITY has given written approval to the specific deviation. CONTRACTOR shall not be relieved of responsibility for errors or omissions in Shop Drawings, Product Data, Samples or similar submittals by CITY's approval thereof.

2.15 Tests and Inspections

2.15.1 Initial Tests and Inspections. Tests, inspections and approvals of portions of the Construction Work shall be made as required by the Contract Documents, Applicable Laws or normal construction practices and/or as directed by CITY. Unless otherwise provided, CONTRACTOR shall make arrangements for such tests, inspections and approvals with an independent testing laboratory or entity acceptable to CITY, or with the appropriate public authority. The costs of such tests, inspections and approvals shall be a cost paid by CONTRACTOR. CONTRACTOR shall give CITY timely notice of when and where tests and inspections are to be made so that CITY may observe such procedures. All costs of tests, inspections or approvals imposed upon CONTRACTOR by changes in Applicable Laws occurring after execution of this Agreement shall be an increase to the GMP in accordance with the Change Order provisions herein.

2.15.2 Additional Tests and Inspections. If CITY, or any other public authority having jurisdiction, determines that portions of the Construction Work require additional testing, inspection or approval beyond that required by subsection 2.15.1, CITY will instruct CONTRACTOR to make arrangements for such additional testing, inspection or approval by an entity acceptable to CITY, and CONTRACTOR shall give timely notice to CITY of when and where tests and inspections are to be made so CITY may observe such procedures. If such additional tests and/or inspections reveal failure of the portions of the Work to comply with the requirements of the Contract Documents, the costs of such tests and required correction shall be paid as a Cost of the Work, subject to the limitations set forth in Section 2.22 hereof. If the additional tests and/or inspections show that the portions of the Work comply with the

requirements of the Contract Documents, the costs thereof shall be an increase to the GMP in accordance with the Change Order provisions of this Agreement.

2.15.3 Required Certificates. Required certificates of testing, inspection or approval shall, unless otherwise required by the Contract Documents, be secured by CONTRACTOR and promptly delivered to CITY.

2.15.4 Timing of Testing. Tests or inspections conducted pursuant to the Contract Documents shall be made promptly to avoid unreasonable delay in the Work.

2.16 Execution, Correlation and Intent.

2.16.1 Execution of Agreement. Execution of this Agreement by CONTRACTOR is a representation that CONTRACTOR has visited the Site, become familiar with the local conditions under which the Work is to be performed and correlated personal observations with requirements of the Contract Documents.

2.16.2 Intent of Contract Documents. The intent of the Contract Documents is to include all items necessary for the proper execution and completion of the Work by CONTRACTOR. The Contract Documents are complementary and what is required by one shall be as binding as if required by all; performance by CONTRACTOR shall be required only to the extent consistent with the Contract Documents and reasonably inferable from them as being necessary to produce the intended results.

2.16.3 Organization of Materials. Organization of the Design Materials into divisions, sections and articles, and arrangement of drawings does not necessarily control CONTRACTOR in dividing the Construction Work among Subcontractors or in establishing the extent of Construction Work performed by any trade.

2.16.4 Meaning of Words. Unless otherwise stated in this Agreement, words which have well-known technical or construction industry meanings are used in accordance with such recognized meanings.

2.17 Labor and Materials; Liens (Stop Payment Notice Claims); Indemnity. Unless otherwise provided in the Contract Documents, CONTRACTOR shall provide and pay for labor, materials, equipment, tools, construction equipment and machinery, water, heat, utilities, transportation, and other facilities and services necessary for the proper execution and completion of the Work, whether temporary or permanent and whether or not incorporated or to be incorporated in the Work. CONTRACTOR shall enforce strict discipline and good order among CONTRACTOR's employees, subcontractors, and other persons carrying out the Work. CONTRACTOR shall not permit employment of unfit persons or persons not skilled in tasks assigned to them.

CONTRACTOR shall not permit any Subcontractor, materialman, or laborer to place liens on the Project covering any portion of the Work for which CITY has made payment to CONTRACTOR. If any liens (e.g., stop payment notice claims) are imposed, CITY may

withhold payment in the amount of 125% of the claim until such time an unconditional release is provided in a form satisfactory to CITY. CONTRACTOR shall indemnify, defend, and hold harmless CITY regarding any claim or lien that proceeds to, or is the subject of litigation. CITY may withhold payment(s) pending compliance with this provision.

2.18 Cutting and Patching.

2.18.1 Cutting and Patching of the Work. CONTRACTOR shall be responsible for cutting, fitting, or patching required to complete the Work or to make its parts fit together properly.

2.18.2 Damage to Work of CITY or Separate Contractors. CONTRACTOR shall not damage or endanger a portion of the completed Work, fully or partially completed construction of CITY, or work or construction by Separate Contractor(s) by cutting, patching or otherwise altering such construction or work, or by excavation. CONTRACTOR shall not cut or otherwise alter such construction by CITY or a Separate Contractor except with written consent of CITY and of such Separate Contractor, such consent not to be unreasonably withheld.

2.19 Uncovering of Construction Work.

2.19.1 Uncovering. If a portion of the Construction Work is covered contrary to CITY's written request to observe such work prior to it being covered or contrary to requirements of the Contract Documents, it must, if directed in writing by CITY, be uncovered for CITY's observation and be replaced without change in the Schedule or GMP. The costs of such uncovering and replacement shall be Cost of the Work, subject to the limitation set forth in Section 2.22 hereof.

2.19.2 Covering of Work Requested to be Observed. If a portion of the Construction Work has been covered which CITY has not specifically requested to observe prior to it's being covered, CITY may request to see such Construction Work and it shall be uncovered by CONTRACTOR. If such Construction Work is in accordance with the Contract Documents, costs of uncovering and replacement shall, by appropriate Change Order, be charged to CITY and shall increase the GMP. An appropriate time extension shall also be given. If such Construction Work is not in accordance with the Contract Documents, CONTRACTOR shall pay such costs as Cost of the Work, unless such condition was caused by CITY or a Separate Contractor in which event CITY shall be responsible for payment of such costs by appropriate Change Order, and an appropriate time extension shall also be given.

2.20 Correction of Work.

2.20.1 Work Rejected by CITY. CONTRACTOR shall promptly correct Construction Work rejected by CITY or failing to conform to the requirements of the Contract Documents, whether observed before or after Substantial Completion and whether or not fabricated, installed or completed. CONTRACTOR shall bear the costs of correcting such rejected Construction Work, as a Cost of the Work, including additional testing and inspection and compensation for services and expenses of CITY made necessary thereby.

2.20.2 [Intentionally deleted].

2.20.3 Removal of Work. CONTRACTOR shall remove from the Site portions of the Construction Work, which are not in accordance with the requirements of the Contract Documents and are neither corrected by CONTRACTOR nor accepted by CITY. The costs incurred in removing such Work shall be a Cost of the Work, subject to the limitation set forth in Section 2.22 hereof.

2.20.4 Failure to Correct Nonconforming Work. If CONTRACTOR fails to correct nonconforming Construction Work within a reasonable time, CITY may correct it in accordance with the terms of this Agreement. If CONTRACTOR does not proceed with correction of such nonconforming Construction Work within a reasonable time fixed by written notice from CITY, CITY may remove it and store the salvageable materials or equipment at CONTRACTOR's expense. If CONTRACTOR does not pay costs of such removal and storage within ten (10) Days after written notice, CITY may, upon ten (10) additional Days written notice, sell such materials and equipment at auction or at private sale and shall account for the proceeds thereof, after deducting costs and damages that should have been borne by CONTRACTOR, including compensation for services and expenses made necessary thereby. If such proceeds of sale do not cover costs which CONTRACTOR should have borne, CONTRACTOR shall pay such excess to CITY. If such proceeds are in excess of the costs which CONTRACTOR should have borne, such excess shall be paid by CITY to CONTRACTOR. If such costs arise during the performance of the Work, such costs shall be charged against the Cost of the Work. If such costs arise after Substantial Completion, such costs shall be payable as provided in Section 5.1.

2.20.5 Damaged or Destroyed Work. CONTRACTOR shall bear the cost of correcting destroyed or damaged construction, whether completed or partially completed, of CITY or Separate Contractors caused by CONTRACTOR's correction or removal of Construction Work which is not in accordance with the requirements of the Contract Documents. If such costs arise during the performance of the Work, such costs shall be charged against the Cost of the Work. If such costs arise after Substantial Completion, such costs shall be payable as provided in Section 5.1.

2.20.6 No Limitation. Nothing contained in this section 2.20 shall be construed to establish a period of limitation with respect to other obligations which CONTRACTOR might have under the Contract Documents.

2.21 Value Engineering. CONTRACTOR shall suggest to CITY value engineering to reduce the cost of the Project, which CITY may accept at its sole discretion.

2.21.1 Subcontractors Bids. CONTRACTOR shall use its best effort to choose the highest quality of materials, equipment, component systems and types of construction for the most reasonable prices for inclusion in the Construction Documents, and make reasonable adjustments in the scope of the Project so that the total cost bid by the bidding Subcontractors will not exceed the estimate.

2.22 Acceptance of Nonconforming Work. If CITY prefers to accept Work, which is not in accordance with the requirements of the Contract Documents, CITY may do so instead of requiring its removal and correction, in which case the GMP will be reduced as appropriate and equitable. Such adjustment shall be effected whether or not final payment has been made.

2.23 Contractor Registration. No contractor or subcontractor may work on a public works project unless registered with the Department of Industrial Relations pursuant to Labor Code section 1725.5. During the performance of this Contract, CONTRACTOR and its subcontractors shall have a continuing legal obligation to maintain current registration with the Department of Industrial Relations. CONTRACTOR is hereby notified that this Project is subject to compliance monitoring and enforcement by the Department of Industrial Relations.

ARTICLE 3 CITY'S RIGHTS AND RESPONSIBILITIES

3.1. Information and Services Required of CITY.

3.1.1 CITY Designation of Authorized Representative. Both Parties shall designate, from time to time, one or more representatives authorized to act on their behalf with respect to the Project, together with the scope of his/her respective authority. CONTRACTOR shall not be entitled to rely on directions from anyone outside the scope of that person's authority as set forth in written delegations pursuant to this Agreement. Directions and decisions made by Authorized Representative(s) of CITY shall be subject to any further approval(s) required by any provisions of CITY's Charter or the Roseville Municipal Code.

3.1.2 Communication. During the term of this Contract, CITY shall communicate with Subcontractors, suppliers and others performing any part of the Work only through CONTRACTOR's Authorized Representative.

3.1.3 Governmental Approvals. CITY shall be responsible for obtaining the Governmental Approvals. Any delay in obtaining the Governmental Approvals may entitle CONTRACTOR to an equitable adjustment in the Schedule and GMP in accordance with the Change Order provisions of this Agreement, except to the extent such delay is due to the fault or neglect of CONTRACTOR.

3.2 [Intentionally deleted.]

3.3 [Intentionally deleted.]

3.4 Activities on the Site by CITY or Separate Contractors.

3.4.1 CITY's Right to Award Separate Contracts. CITY reserves the right to perform work or operations related to the Project, with CITY's own forces, and to award separate contracts to Separate Contractors in connection with other portions of the Project.

3.4.2 Integration of the Work with Separate Contractors. Following the request of CITY, CONTRACTOR shall prepare a plan in order to integrate the work performed by Separate Contractors with the performance of the Work, and shall submit such plan to CITY for approval. The plan shall be fair and reasonable for CONTRACTOR and the Separate Contractors, and CONTRACTOR shall work with the Separate Contractors to reach agreement on such plan. CONTRACTOR shall arrange the performance of the Work so that the Work and the work of the Separate Contractors are, to the extent applicable, properly integrated, jointed in an acceptable manner, and performed in the proper sequence so that any disruption or damage to the Work or to any work of Separate Contractors is avoided.

3.4.3 Coordination. CONTRACTOR shall provide for the coordination of the activities of CONTRACTOR and its Subcontractors with the activities of the Separate Contractors. CONTRACTOR shall participate with all Separate Contractors and CITY in reviewing and coordinating the schedules of the Separate Contractors with the Schedule. CONTRACTOR shall make any revisions to the Schedule deemed necessary to properly incorporate the work of the Separate Contractors with the Work. To the extent (a) the date of Substantial Completion is extended by such Schedule revision; (b) CONTRACTOR is required to perform its Work materially out of sequence, and in a manner which is not as efficient or cost effective as originally planned; or (c) the Scope of Work is increased, an equitable adjustment in the GMP and the Schedule shall be made in accordance with the Change Order provisions of this Agreement.

3.4.4 Use of Site. CONTRACTOR shall afford CITY and all Separate Contractors reasonable opportunity for storage of materials and equipment and performance of their work. CONTRACTOR shall also connect and coordinate its Work and operations with CITY and all Separate Contractors' operations as required by the Contract Documents. CITY shall direct the Separate Contractors to cooperate with CONTRACTOR and to avoid actions or omissions, which could interfere with or delay the activities of CONTRACTOR.

3.4.5 Deficiency in Work of Contractors. If part of CONTRACTOR's Work depends upon proper execution or results upon construction or operations by CITY or a Separate Contractor, CONTRACTOR shall, prior to proceeding with that portion of the Work, promptly report to the Separate Contractor and CITY apparent discrepancies or defects in such other construction that would render it unsuitable for proper execution and results by CONTRACTOR. CONTRACTOR and the Separate Contractor shall use good faith efforts to resolve any such discrepancies or defects or any disagreements relating thereto. Failure of CONTRACTOR to report such discrepancies or defects shall constitute acceptance by CONTRACTOR of the work of Separate Contractors as fit and proper to receive CONTRACTOR's Work (except as to those defects or discrepancies that are not apparent).

3.4.6 Claims Involving Separate Contractors. In the event that CONTRACTOR unnecessarily and unreasonably delays the work of Separate Contractors by not cooperating with them as required hereby, or by not affording them reasonable opportunity to perform their work as stated herein, CONTRACTOR shall, in such event, pay, as Cost of the Work, all reasonable direct incremental costs and expenses incurred by such Separate Contractors due to any such delays. If any Separate Contractor shall assert a claim or bring an action against CITY alleging

damage due to the fault or neglect of CONTRACTOR, CITY shall immediately notify CONTRACTOR, who shall defend such claim. If it is determined that CONTRACTOR was at fault, CONTRACTOR shall pay all costs of defense, including attorney's fees, as well as any resulting judgment or settlement, as a Cost of the Work.

3.5 Assignment of Separate Contracts. If CITY determines that it wishes to assign to CONTRACTOR one or more contracts between CITY and a Separate Contractor, it shall give CONTRACTOR written notice of such desire, including in such notice a copy of such contract for CONTRACTOR's review and approval. The Separate Contractor shall be fully qualified to perform the work under the to-be-assigned contract, shall possess the financial capability to perform its obligations under such to-be-assigned contract, and shall provide one hundred percent (100%) payment and performance bonds covering such work from sureties meeting the standards set forth in Section 1.53 hereof. Such contract shall contain provisions similar to those contained in CONTRACTOR's agreements with its Subcontractors with respect to liability, indemnification, retention, payment, labor, warranty, and other material items. Upon CONTRACTOR's approval of the assignment of such contract, which approval shall not be unreasonably withheld, delayed or conditioned, such Separate Contractor shall cease to be a Separate Contractor and shall thereafter be deemed to be a Subcontractor of CONTRACTOR, and the GMP shall be increased by Change Order in the amount of (a) such assigned contract, and (b) the additional Fee pursuant to the provisions of Section 6.5.1.

3.6 CITY's Right to Stop the Work. If CONTRACTOR persistently fails to correct Work which is not in accordance with the requirements of the Contract Documents and this Agreement or persistently fails to carry out the Work in accordance with the Contract Documents, CITY, by written order signed by CITY, may deliver a notice to CONTRACTOR setting forth that such a persistent and material failure is occurring and has occurred, and demanding that CONTRACTOR commence a cure of such persistent and material failure within twenty (20) Days and diligently pursue such cure thereafter. In the event that the cure is not commenced and pursued diligently, CITY may, by written notice to CONTRACTOR, order CONTRACTOR to stop the Work, or any portion thereof, until the use for such order has been eliminated; provided, however, that the right of CITY to stop the Work shall not give rise to a duty on the part of CITY to exercise this right for the benefit of CONTRACTOR or any other person or entity and shall not give rise to any liability of CITY to CONTRACTOR resulting from any delay (except to the extent that such order is found to be improper).

3.7 CITY's Right to Carry out the Work. If CONTRACTOR defaults or neglects to carry out the Work in accordance with the Contract Documents and fails within a seven (7) Day period after receipt of written notice from CITY to commence and diligently continue correction of such default or neglect with diligence and promptness, CITY may after such seven (7) Day period give CONTRACTOR a second written notice to correct such deficiencies within such second seven (7) Day period. If CONTRACTOR within such second seven (7) Day period after receipt of such second notice fails to commence and diligently continue to correct any deficiencies, CITY, without prejudice to other remedies CITY may have, may correct such deficiencies. In such case an appropriate Change Order shall be issued deducting from payments then or thereafter due to CONTRACTOR the cost of correcting such deficiencies, including Compensation for additional services and expenses made necessary by such default, neglect or

failure. If payments then or thereafter due to CONTRACTOR are insufficient to cover such amounts, CONTRACTOR shall pay the difference to CITY.

ARTICLE 4 TIME

4.1. Progress and Completion. Time limits stated in the Contract Documents are of the essence of this Agreement. By executing this Agreement, CONTRACTOR confirms that the Contract Time is a reasonable period of time for achieving Final Completion of the Work.

4.2 Schedule Obligations.

4.2.1 Contract Schedule and Notice To Proceed. CONTRACTOR shall provide a schedule as stated in Section 1.46. CONTRACTOR shall begin work pursuant to this Agreement and in accordance with the Schedule (as described in Exhibit F) within fifteen (15) calendar Days of the date of issuance of a Notice To Proceed by CITY, unless extended at the request made to and at the sole discretion of City. CONTRACTOR shall update said schedule to commence from the date of this Agreement, and the overall timeline shall remain consistent with the original schedule. CITY may issue the Notice To Proceed within fifteen (15) Days of full execution of this Agreement.

4.2.2 Prosecution of the Work. CONTRACTOR shall prosecute the Work so that the portion of the Work completed at any point in time shall be not less than as required by the Schedule. If the rate of progress is such that the total amount of Work and/or the degree of completion of the Project accomplished by CONTRACTOR within any time period required by the Schedule is less than the amount therein specified, CONTRACTOR shall so notify CITY. If the delay is an Unexcused Delay, CONTRACTOR shall prepare a recovery schedule for CITY's review and approval, showing how CONTRACTOR will compensate for the delays and achieve Final Completion by the date shown on the Schedule. If CONTRACTOR is unable to demonstrate how it will overcome Unexcused Delays, CONTRACTOR shall employ such extraordinary measures as are necessary to bring the Work into conformity with the Final Completion Date set forth therein, the costs of which shall be a Cost of the Work and not exceed the GMP. If the delay is an Excusable Delay, CITY shall either (a) authorize an equitable extension in the Schedule to account for such delay, and equitably adjust the GMP on account of such delay, to the extent permitted by Article 6; or (b) request that CONTRACTOR prepare a recovery schedule showing how (if possible) CONTRACTOR can achieve Substantial Completion by the date shown on the Schedule (as modified), and equitably adjust the GMP in accordance with the Change Order provisions of this Agreement on account of any extraordinary activities required of CONTRACTOR on account of such recovery schedule. Schedule float (total float) shall be owned by CITY. As float is an expiring resource, if the Work is delayed on the critical path due to a delay caused by the CONTRACTOR and/or Architect/Engineer, the CONTRACTOR may not use any float created by such a delay on any other path without the express written approval of CITY.

4.3 Pre-construction Activities. Within thirty (30) Days after execution of this Agreement, CONTRACTOR shall submit to CITY for review a detailed schedule of pre-construction

activities, by expanding the pre-construction activities set forth on the Schedule. This pre-construction schedule shall be prepared using the CPM, and shall show in sufficient detail the starting and completion times sequences of Subcontract award activities of CONTRACTOR, and identify all interface activities of CITY.

4.4 Extensions of Time.

4.4.1 General. An extension in the scheduled date of Final Completion will only be granted in the event of Excusable Delays affecting Work activities on the critical path.

4.4.2 Excusable Delays. Subject to 4.4.1 and 4.5.2, to the extent any of the following events results in an actual delay in the Work affecting Work activities on the critical path, such shall constitute an "**Excusable Delay**" (to the extent not set forth below, a delay will be considered an "**Inexcusable Delay**").

4.4.2.1 Failure or inability of CITY to make available any or all of the Site in accordance with the requirements of the Schedule.

4.4.2.2 Failure or inability of CITY or CONTRACTOR to obtain necessary zoning changes, variances, code changes, permits or approvals from any governmental authority, or failure to obtain any street or alley vacations required for the performance of the Work, except to the extent due to the fault or neglect of CONTRACTOR.

4.4.2.3 Delays resulting solely from the acts or omissions of Separate Contractors; provided however, only to the extent Separate Contractors perform their work improperly and not in accordance with any applicable critical path schedule.

4.4.2.4 Delays resulting from Force Majeure.

4.4.2.5 Differing, unusual or concealed site conditions that could not reasonably have been anticipated by CONTRACTOR in preparing the Schedule.

4.4.2.6 Delays resulting from the existence or discovery of Hazardous Materials on the Site not brought to the site by CONTRACTOR or any Subcontractor.

4.4.2.7 Delays resulting from changes in Applicable Laws occurring after the date of execution of this Agreement.

4.4.2.8 Delays occurring solely due to the acts or omissions of CITY and those within the control of CITY, including, but not limited to, Separate Contractors.

4.4.2.9 Delays resulting from weather conditions, which shall be determined as follows: Should CONTRACTOR prepare to begin work at the regular starting time of any working day on which inclement weather, or the conditions resulting from the weather, prevents the Work from beginning at the usual starting time and the crew is dismissed as a result thereof and CONTRACTOR does not proceed with at least 75% of the normal labor and equipment force engaged in the current operations for at least 60% of the total daily time being spent,

CONTRACTOR will not be charged for a working day, even if the conditions change during the course of the day. At the start of such days, CONTRACTOR shall notify CITY if CONTRACTOR believes that inclement weather or conditions resulting from the weather exist. A non-working day determination of such conditions shall be made by CITY, who will immediately notify CONTRACTOR.

4.4.2.10 Delays resulting from unproductive work days, which shall be determined as follows: When CONTRACTOR is prevented from working on current operations due to site conditions, CITY action, or force majeure for at least 60% of the total daily time on the controlling operations. Controlling operations are determined by the critical path method schedule described in the applicable CITY construction standards. The critical path schedule used in this determination shall be no more than thirty (30) days old. CONTRACTOR shall notify CITY if CONTRACTOR believes an unproductive work day exists upon discovery of such condition. A non-working day determination of such conditions shall be made by CITY, who will immediately notify CONTRACTOR.

4.4.3 Requirements for Schedule Amendment due to Excusable Delays. In order to obtain an extension of time due to an Excusable Delay, CONTRACTOR shall comply with the following requirements:

4.4.3.1 CONTRACTOR shall notify CITY of the Excusable Delay as soon as practicable, but in no event more than four (4) Business Days after CONTRACTOR becomes aware of the occurrence of the Excusable Delay. Such notice shall describe the Excusable Delay and shall state the approximate number of Days CONTRACTOR expects to be delayed. After the cessation of the Excusable Delay, CONTRACTOR shall notify CITY of the number of Days CONTRACTOR believes that its activities were in fact delayed by the Excusable Delay. In the event that the delay arises as a result of a Change Order request by CITY, the request for an extension of time contained in the resulting Change Order proposal shall be deemed sufficient for purposes of this subsection.

4.4.3.2 CONTRACTOR shall demonstrate to the satisfaction of CITY that the Excusable Delay in fact delayed the critical path for performance of the Work (by use of CPM analysis). Any delay that impacts the CPM will be presented to the Project Manager at the monthly meeting, and prior to completion of each activity.

4.4.4 Decision by CITY. Within thirty (30) Days after cessation of an event giving rise to either an Excusable Delay or Inexcusable Delay, the parties will use good faith efforts to agree on the extent to which the Work has been delayed and whether the delay is an Excusable Delay or an Inexcusable Delay. In the absence of agreement between the parties as to the then current status of Excusable Delays and Inexcusable Delays, CITY will provide CONTRACTOR with written notice of CITY's determination of the respective number of Days of Excusable Delay and/or Unexcusable Delay within ten (10) Days after receipt by CITY of CONTRACTOR's written request for such determination. The issuance by CITY of such a determination shall not, however, be deemed a concurrence by CONTRACTOR of the matters set forth therein, and CONTRACTOR may invoke the dispute resolution procedures with respect to such determination. Pending completion of dispute resolution procedures, CONTRACTOR may take such acceleration or other measures required on account of CITY's determination of

Inexcusable Delay, and if completion of the dispute resolution procedures results in CITY's determination being changed to Excusable Delay, the costs associated with such measures shall be paid by CITY as an increase to the GMP in accordance with the Change Order provisions of this Agreement.

4.5 Adjustment in GMP on Account of Extensions of Time.

4.5.1 Certain Excusable Delays. Section 4.5 governs the extent to which CONTRACTOR is entitled to an extension of time due to Excusable Delays. Provisions governing the payment of additional compensation on account of such Excusable Delays, (if any) are set forth in Article 6.

4.5.2 Concurrent Delays. To the extent CONTRACTOR is entitled to an extension of time due to an Excusable Delay, but the performance of the Work would have been suspended, delayed or interrupted by the fault or neglect of CONTRACTOR, any subcontractor and/or by an Inexcusable Delay, CONTRACTOR shall not be entitled to any additional costs for the period of such concurrency.

4.6 Liquidated Damages.

4.6.1 General. CONTRACTOR and CITY acknowledge that in the event that CONTRACTOR fails to achieve Final Completion of the Project by the date established, CITY will incur substantial damages that shall be incapable of accurate measurement. Nonetheless, the parties acknowledge that on the date of this Agreement, the amount of liquidated damages set forth below represents a good faith estimate as to the actual potential damages that CITY would incur as a result of late Completion of the Project. Such liquidated damages shall be in-lieu of actual damages resulting from late completion. The amount of the liquidated damages calculated hereunder does not include any penalty.

4.6.2 Amount of Liquidated Damages. If CONTRACTOR fails to achieve Final Completion of the Work on or before the Notice of Completion date, as adjusted for Excusable Delays, CONTRACTOR shall pay to CITY liquidated damages in the amount of \$500.00 (five hundred dollars) per Day for each calendar day the date of Final Completion is unexcusably delayed. Payment of liquidated damages shall be made contemporaneously with CITY's required payment to CONTRACTOR, and such payments may be offset against each other.

ARTICLE 5 PAYMENT AND COMPLETION

5.1 Guaranteed Maximum Price ("GMP") and GMP Shared Savings. CITY shall pay for CONTRACTOR's performance under this Agreement the Cost of the Work and Fee (as described in Exhibit A hereto); provided, however, that the sum of the Cost of the Work and the Fee shall not exceed the GMP, as adjusted by Change Order/Directive in accordance with the Contract Documents. CONTRACTOR bears the risk of its increased costs due to market price increases (including escalating costs for materials).

5.1.1 Shared Savings. CONTRACTOR shall be compensated for actual work completed based on the Cost of Work and Fee up to the amount of the GMP. If CONTRACTOR's actual total Cost of the Work and Fee is less than the GMP, upon Final Completion, the CONTRACTOR shall be entitled to receive forty percent (40%) of the GMP Savings. "GMP" Savings shall mean the positive difference, if any, when the actual Total Cost of the Work and Fee is subtracted from the GMP; provided, however, that unused contingency monies, if any, shall not be subject to shared savings.

5.2 Schedule of Values. Before the first Application for Payment, CONTRACTOR shall submit to CITY, and CITY shall approve, a schedule of values, setting forth the various portions of the Work, and the portions of the GMP allocated to each portion. This schedule of values shall be used as a basis for payment.

5.3 Applications for Payment. CONTRACTOR shall deliver to CITY not more than once each month an Application for Payment covering the Cost of Work and Fee applicable to the Work performed during the immediately preceding month. With each Application for Payment CONTRACTOR shall submit such evidence as may be necessary to demonstrate costs incurred on account of Cost of the Work during such month and the percentage of completion of each category of Work. CITY may reject requests for payment, or portions thereof, for Work, or portions thereof, not performed or completed.

5.4 Amount of Progress Payments. CITY shall pay CONTRACTOR the actual Cost of the Work and Fee, if any, through the period covered by the Application for Payment, less Retention as set forth in Section 5.5 below, provided that the aggregate payment amount before retention will not exceed the percentage of completion of the Work multiplied by the GMP (excluding items of the GMP not subject to retention). CITY may additionally withhold from progress payments such amounts pursuant to stop payment notice claims as required by law and CITY administrative regulation 4.01.

5.5 Retention; Escrow Agreement; Final Payment. Five percent (5%) Retention shall be withheld from each progress payment until the expiration of thirty-five (35) days following the recordation of the notice of completion; provided however, City shall continue to retain such amount as required by law and/or CITY administrative regulation 4.01. CONTRACTOR may elect to establish an escrow account for securities in-lieu of the five percent (5%) Retention in a form of escrow agreement compliant with law and subject to approval by the City Attorney (form of escrow agreement is attached as Exhibit D). Release of Retention monies shall constitute the Final Payment.

5.6 Early Release of Subcontractor Retention. [reserved]

5.7 Payment for On-Site and Off-Site Stored Materials. [reserved]

5.8 Title to Construction Work. CONTRACTOR warrants that title to all Construction Work covered by an Application for Payment shall pass to CITY no later than the time of payment. CONTRACTOR further warrants that upon submittal of an Application for Payment,

all Construction Work for which Applications for Payment have been previously issued and payments received from CITY shall, to the best of CONTRACTOR's knowledge, information and belief, be free and clear of liens, claims, security interests or encumbrances in favor of CONTRACTOR, Subcontractors, material suppliers, or other persons or entities making a claim by reason of having provided labor, materials or equipment relating to the Construction Work.

5.9 Withholding of Payment. CITY may withhold payment on account of an Application for Payment if required or authorized by any Applicable Law, or to the extent necessary to protect CITY from loss because of:

5.9.1 defective Work not remedied;

5.9.2 third party claims filed or reasonable evidence indicating probable filing of such claims;

5.9.3 failure of CONTRACTOR to make payments of undisputed amounts to Subcontractors for labor, materials or equipment;

5.9.4 damage to CITY or a Separate Contractor caused by the fault or neglect of CONTRACTOR to the extent not reimbursed by insurance; or

5.9.5 reasonable evidence that the Work will not be Substantially Completed within the Contract Time due to Inexcusable Delay, and that the unpaid balance of the GMP would not be adequate to cover liquidated damages for the anticipated Inexcusable Delay.

5.10 Failure of Payment; Interest. In accordance with Public Contract Code §20104.50, CITY shall pay CONTRACTOR interest on any progress payment, which is made by CITY more than thirty (30) days after CITY receives an undisputed and properly submitted written payment request. Said interest shall be equal to the rate set forth in Code of Civil Procedure §685.010(a), and shall begin to accrue upon the expiration of said thirty (30) day period. Any written request for a progress payment which CITY determines to be disputed, improper or not suitable for payment for any reason shall be returned to CONTRACTOR within seven (7) days after receipt by CITY, along with a written statement of the reason or reasons why such request is disputed, improper or not suitable for payment.

5.11 Occupancy by CITY Prior to Acceptance. CITY reserves the right to Beneficial Occupancy and without charge by CONTRACTOR. In those areas of the Work which are completed, CITY may store materials, equipment, and supplies, and may perform partial operation.

5.12 Substantial Completion. When CONTRACTOR considers the entire Work complete and ready for its intended use, CONTRACTOR shall certify in writing to CITY that the entire Work is substantially complete by providing CITY with a Certificate of Substantial Completion. Within a reasonable time thereafter, CITY and CONTRACTOR shall make an inspection of the Work to determine the status of completion. If CITY does not consider the Work substantially complete, CITY will notify CONTRACTOR in writing giving reasons therefor. If CITY

considers the Work substantially complete, CITY will accept a corresponding partial Certificate of Substantial Completion. There shall be attached to the Certificate a Punch List of items to be completed or corrected before Final Acceptance and Final Payment.

5.13 Final Completion. When the Work is fully completed, CONTRACTOR shall provide CITY with a Certificate of Final Completion and shall request final inspection in writing. Additionally, CONTRACTOR shall provide legally effective releases or waivers satisfactory to CITY of all lien rights arising out of or liens filed in connection with the Work. Within ten (10) calendar days of receipt of such completed request form, CITY shall make final inspection. If following final inspection CITY determines that the Work (including all Punch List items) has been fully completed, CITY will process a Notice of Completion. If CITY determines that the Work is not complete after receipt of certification from CONTRACTOR, CONTRACTOR shall be notified in writing of deficiencies. After the deficiencies have been corrected, the procedure for final inspection as set forth above shall again be initiated by CONTRACTOR. In the event CITY determines the Work is fully completed, CITY shall initiate process of attaining a notice of completion.

5.13.1 Waiver of Claims at Final Payment. Acceptance of final payment by CONTRACTOR shall constitute a waiver of all claims by CONTRACTOR, except those previously made in writing and identified as unsettled at the time of final payment.

5.14 Construction Allowance Items. [reserved]

5.15 Superintendent. CONTRACTOR shall employ a competent superintendent and necessary assistants who shall be in attendance at the Project site during performance of the Construction Work. The superintendent shall represent CONTRACTOR, and communications given to the superintendent shall be as binding as if given to CONTRACTOR.

5.16 Documents and Samples at the Site. CONTRACTOR shall maintain at the site for CITY one record copy of the drawings, specifications, addenda, Change Order and other Modifications, in good order and marked currently to record changes and selections made during construction, and in addition approved Shop Drawings, Product Data, Samples and similar required submittals. CONTRACTOR shall also prepare one reproducible set of as-built drawings. These shall be provided to CITY upon completion of the Work.

5.17 Contingency. [reserved]

ARTICLE 6 CHANGES IN THE WORK; CLAIMS

6.1 Changes. Changes in the Work shall be performed under applicable provisions of the Contract Documents. If unit prices are stated in the Contract Documents or subsequently agreed upon, and if quantities originally contemplated are so changed in a proposed Change Order or Change Directive that application of such unit prices to quantities of Work proposed will cause substantial inequity to CITY or CONTRACTOR, the applicable unit prices for such change

order/directive shall be equitably adjusted. No GMP adjustment on account of a Change Order shall include CONTRACTOR's or Subcontractor's profit, Fee, home office overhead or a formula allocation of indirect costs unless otherwise specifically allowed hereunder.

6.2 Change Directives. The following procedures shall apply with respect to Change Directives:

6.2.1 Upon receipt of a Change Directive signed by CITY, CONTRACTOR shall promptly proceed with the change in the Work involved and advise CITY of CONTRACTOR's agreement or disagreement with the method, if any, provided in the Change Directive for determining the proposed adjustment in the GMP or the Schedule. If CONTRACTOR receives a written communication signed by CITY which CONTRACTOR believes is a Change Directive but is not so identified, it shall not proceed with the change in the Work until it receives from CITY a written confirmation that such communication is in fact a Change Directive.

6.2.2 A Change Directive signed by CONTRACTOR indicates the agreement of CONTRACTOR with the contents thereof, and shall convert the Change Directive to a Change Order.

6.2.3 If CONTRACTOR does not respond promptly or disagrees with the method for adjustment in the GMP or Schedule, the method and adjustment shall be determined as provided in Sections 6.5 or 6.10 below, as applicable. In such case, CONTRACTOR shall keep and present, in such form as CITY may request, an itemized accounting, together with appropriate supporting data.

6.2.4 Pending final determination of cost to CITY, amounts not in dispute shall be included in Applications for Payment. The amount of credit to be allowed by CONTRACTOR to CITY for a deletion or change which results in a net decrease in the GMP shall be actual net cost. When both additions and credits covering related Work or substitutions are involved in a change, the allowance for Fee shall be figured on the basis of net increase, if any, with respect to that change.

6.2.5 If CITY and CONTRACTOR do not agree with the adjustment in the Schedule or the GMP, such disagreement shall be submitted for dispute resolution in accordance with the provisions of this Contract.

6.3 Change Proposals. If CITY requests CONTRACTOR to submit a Change Proposal which would entitle CONTRACTOR to an increase in the GMP for costs of preparation of such Change Proposal pursuant to the provisions of this Section 6.3, CONTRACTOR shall first estimate the costs of preparing such Change Proposal and inform CITY in writing of such costs. CITY shall then direct CONTRACTOR either to proceed with the Change Proposal or cancel the Change Proposal. If CITY directs CONTRACTOR to proceed with the Change Proposal and then elects not to proceed with the Change Order contemplated therein, a Change Order shall be issued to reimburse CONTRACTOR for costs reasonably incurred by CONTRACTOR on account of such Change Proposal, but only to the extent the Change Order contemplated by such Change Proposal involves a material change to the scope of the Work requiring modification to

one or more systems which have been designed and approved in accordance with the standards set forth in the technical specifications. To the extent the preparation of such Change Proposal impacts the Schedule (e.g., other Work is suspended pending a decision on such Change Proposal or the Design Work is delayed due to the preparation of the Change Proposal), an equitable adjustment in the Schedule shall be made.

6.4 Claims. CONTRACTOR shall submit any claims for additional compensation to CITY in writing. The claim shall set forth the reason(s) that CONTRACTOR believes additional compensation will or may be due, the nature of the costs involved, and insofar as possible, the amount of the potential claim. The notice must be given to the Project Manager prior to the time that CONTRACTOR shall have performed the work giving rise to the potential work for additional compensation, if based on an act or failure to act by CITY, or in all other cases within fifteen (15) calendar days after happening of the event, thing or occurrence giving rise to the potential claim. Any and all Claims not presented as required herein shall be waived.

6.5 Change Orders Increasing or Decreasing Scope.

6.5.1 Increased Scope. With respect to Change Orders which increase the Scope of Work described on Exhibit F, are not due to the errors or omissions of CONTRACTOR and are not attributable to Excusable Delays or the contingencies set forth in Section 6.6 below, the GMP shall be increased by the following "Scope Change Costs":

6.5.1.1 Construction Work and Mark Ups.

6.5.1.1.1 The estimated increase in the Cost of the Work attributable to the Change Order and which would not have been incurred but for the Change Order and/or Work Directive. In addition, CONTRACTOR may add a markup of up to ten percent (10%), subject to the discretion of the Project Manager, to the increase in the Cost of the Work due to the Change Order. This markup shall constitute full compensation for all delay costs, overhead costs and profit. The GMP shall be revised accordingly.

6.5.1.1.2 When Change Order work is performed by a Subcontractor(s), each Subcontractor may add a markup of up to ten percent (10%), subject to the discretion of the Project Manager, to their direct costs for labor, materials and equipment used in performing the Change Order work. The GMP shall be revised accordingly.

6.5.2 Decreased Scope. With respect to Change Orders, which decrease the Scope of Work described on Exhibit F, the GMP shall be decreased by the Cost of Work attributable to such Change Order and/or Work Directive. Furthermore, if the Change Order deletes a part of the Scope of Work, CONTRACTOR shall be entitled to retain a value of five percent (5%) of the full value of the reduction in Cost of Work attributable only to the portion of the Scope of Work deleted from the Scope of Work. The GMP shall be revised accordingly.

6.6 Change Orders on Account of Contingencies. With respect to Change Orders which are attributable to the following contingencies, the GMP shall be adjusted (increased or decreased) by the following "Contingency Costs," consisting of the following:

6.6.1 With respect to new or increased taxes arising after the date of this Agreement (other than taxes assessed based on the income of CONTRACTOR), the Change Order shall consist of the incremental amount of such new or increased taxes only. With respect to reductions in taxes arising after the date of this Agreement (other than taxes assessed based on the income of CONTRACTOR), the Change Order shall consist of the incremental amount of such reduced taxes only.

6.6.2 With respect to increases or decreases in fees for permits or other governmental certificates or instruments arising after the date of this Agreement, the Change Order shall consist of the incremental amount of such increases or decreases. To the extent this Agreement states that a permit or certificate is not required and CONTRACTOR is later required to procure such permit or certificate, all out-of-pocket costs reasonably associated therewith shall be included in the Change Order.

6.7 Change Orders on Account of Excusable Delay. With respect to Change Orders, which are attributable to Excusable Delays, and subject to the exceptions set forth in Section 6.7.3 below, the GMP shall be increased by the following "Delay Costs":

6.7.1 Construction Work.

6.7.1.1 Increased allowable labor costs resulting from wage increases paid due to the delay;

6.7.1.2 Premiums for overtime and extra shifts incurred in accelerating the Work, but only if acceleration is required in advance by CITY:

6.7.1.3 Proven increased material costs;

6.7.1.4 Additional general conditions costs which would not have been incurred but for the delay (itemized, and not based on a formula allocation);

6.7.1.5 Demobilization and remobilization costs; and

6.7.1.6 Additional items of Cost of the Work attributable to the Excusable Delay and which would not have been incurred but for the Excusable Delay.

6.7.2 Intentionally left blank.

6.7.3 Exceptions. The following exceptions to the provisions of Section 6.7.1 above shall apply:

6.7.3.1 With respect to the Excusable Delay described in Section 4.4.2.1, the cost described in Section 6.7.1 shall not be compensable delay costs if such Excusable Delay occurs prior to the commencement of the Construction Work.

6.7.3.2 With respect to the Excusable Delay described in Section 4.4.2.2, the cost described in Section 6.7.1 shall not be compensable delay costs if such Excusable Delay occurs prior to the commencement of the Construction Work.

6.7.3.3 With respect to the Excusable Delay described in Section 4.4.2.4, costs incurred in connection with such delay are chargeable against the Cost of the Work but shall not increase the GMP.

6.7.3.4 With respect to the Excusable Delay described in Section 4.4.2.5, in addition to the compensation provided in Section 6.7.1, CONTRACTOR shall be entitled to the additional costs set forth in Section 6.10.

6.7.3.5 With respect to the Excusable Delay described in Section 4.4.2.7, additional compensation shall only be paid if the change in Applicable Law is not a change in law of general application (e.g., CAL/OSHA), but is a change in law specifically affecting the Project.

6.8 Force Majeure. There shall be no additional compensation to CONTRACTOR on account of Force Majeure.

6.9 Intentionally left blank.

6.10 Change Orders on Account of Differing Site Conditions. If CONTRACTOR encounters conditions described in Section 4.4 which constitute Excusable Delay, in addition to the increase in the GMP on account of delay costs incurred by CONTRACTOR (as described in Section 6.7.1), the GMP shall also be increased by the additional Cost of the Work attributable to such conditions which would not have been incurred but for such conditions.

6.11 Time Extensions on Account of Change Orders. CONTRACTOR shall be entitled to a time extension in connection with any Change Order to the extent its time of performance is extended due to such Change Order. CONTRACTOR shall present to CITY a CPM analysis showing how the Change Order affects the critical path of the Work.

ARTICLE 7 CORRECTION OF WORK

7.1 Correction of Work Prior to Completion. Prior to the date of Final Completion, CONTRACTOR shall correct Work which (a) CITY reasonably rejects as being defective or nonconforming to the requirements of the Contract Documents in a written notice delivered to CONTRACTOR or (b) CONTRACTOR recognizes is defective or nonconforming to the Contract Documents. If other portions of the Work are adversely affected by or are damaged by such defective Work, CONTRACTOR shall also correct, repair or replace such affected or damaged Work, as well as any other property of CITY or others damaged by such defective or nonconforming Work. Prior to the date of Final Completion, the cost of correcting any damaged or defective work shall be paid as a Cost of the Work.

7.2 Correction of Work After Completion. For defects identified by CITY and for which CITY has notified CONTRACTOR within a period of twelve (12) months after the date of Final Completion, or within such longer period as may be provided by special warranties contained in the Contract Documents, CONTRACTOR shall re-execute, correct, repair or replace all Work found to be defective or nonconforming to the Contract Documents (whether arising from a design or construction defect, error, omission or deficiency). If other portions of the Work are adversely affected by or damaged by such defective Work, CONTRACTOR shall also correct, repair or replace such affected or damaged Work, as well as any other property of CITY or others damaged by such defective or nonconforming Work.

7.3 Acceptance of Nonconforming Work. If CITY prefers to accept Work, which is not in accordance with the requirements of the Contract Documents, CITY may do so instead of requiring its removal and correction, in which case the GMP will be reduced as appropriate and equitable. Such adjustment shall be effected whether or not final payment has been made.

7.4 No Effect on Limitations. Nothing contained in this Article shall be construed to establish a period of limitation with respect to other obligations, which CONTRACTOR may have under the Contract Documents.

ARTICLE 8 SUBCONTRACTORS

8.1 Subcontracts

8.1.1 Incorporation of Contract Documents. CONTRACTOR may enter into Subcontracts with various Subcontractors for portions of the Work. The Subcontracts shall require each Subcontractor, to the extent of the Work to be performed by such Subcontractor, to assume towards CONTRACTOR all the obligations and responsibilities which CONTRACTOR assumes towards CITY. All Subcontracts shall incorporate the terms of this Agreement and the Contract Documents to the extent applicable to the Work to be performed by the Subcontractor.

8.1.2 Approval of Subcontractors. Those portions of the Construction Work that the CONTRACTOR does not intend to perform with CONTRACTOR's own personnel shall be performed under Subcontracts. A proposed list of Subcontractors shall be submitted to CITY for approval. Proposed Subcontractors will be deemed accepted unless CITY objects in writing within five (5) days after submission by CONTRACTOR.

ARTICLE 9 INSURANCE AND BONDS; INDEMNIFICATION

9.1 Insurance to be provided by CONTRACTOR:

A. Evidence of Coverage. CONTRACTOR shall, at all times, maintain in full force and effect at a minimum the insurance required by this section; and CONTRACTOR shall not allow any subcontractor to commence Work until similar insurance required of the subcontractor has been obtained and filed. An original Certificate of Insurance, and copies of all required endorsements, all in a form approved by the Risk Manager, evidencing all required coverage or policies shall be filed after the award of the bid and prior to approval of the Contract by the City Council. CONTRACTOR shall provide ten (10) Days prior written notice to CITY of any reduction of coverage limits or cancellation of the coverage or policies shall be given to the City of Roseville as Certificate holder.

B. Qualifying Insurers. With the exception of the State Compensation Insurance Fund, all required insurance policies shall be issued by companies licensed to do business in the State of California and who hold a current policy holders alphabetic and financial size category rating of not less than AVII according to the most recent issue of Best's Insurance Reports.

C. Insurance Required. Commercial General Liability, automobile liability, and worker's compensation insurance shall be maintained as follows:

- | | | |
|----|------------------------------------|-----------------------------|
| 1. | Commercial General Liability | \$2,000,000 each occurrence |
| | Minor Construction Project | \$4,000,000 aggregate |
| | (Projects under \$1,000,000) | |
| | | Personal Injury: |
| | | \$2,000,000 each occurrence |
| | | \$4,000,000 aggregate |
| | Commercial General Liability for | \$5,000,000 each occurrence |
| | Major Construction Projects | \$10,000,000 aggregate |
| | (Projects over \$1,000,000) | Personal Injury: |
| | | \$5,000,000 each occurrence |
| | | \$10,000,000 aggregate |
| 2. | Professional Liability (errors and | \$2,000,000 per claim |
| | omissions) | \$4,000,000 aggregate |

The Commercial General Liability policy shall include coverage or endorsements for:

- a. Completed operations.
- b. Losses related to independent contractors, products and equipment.
- c. Explosion, collapse and underground hazards.

The Commercial General Liability Insurance shall include the following, copies of which shall be provided:

- a. Inclusion of the City of Roseville, and its officers, agents, employees and volunteer, as additional insured (except for workers' compensation as respects services or operations under the Contract. The additional insured endorsement for

the general liability policy shall be at least as broad as the Insurance Services Office ("ISO") CG 20 38 04 13 or an equivalent, blanket endorsement or section of the policy. Endorsements must include coverage for on-going and completed operations. Endorsements shall cover the City of Roseville, its officers, agents, employees, and volunteers.

- b. Cross liability and severability of interest clauses providing that the insurance applies separately to each insured except with respect to the limits of liability.
- c. Stipulation that the insurance is primary and noncontributory, as evidenced by a separate endorsement (CG 20 01 04 13 or an equivalent) or section of the policy, and that neither CITY nor its insurers will be called upon to contribute to a loss.
- d. Such insurance shall specifically cover the contractual liability of the CONTRACTOR.
- e. Any available insurance proceeds in excess of the specified minimum insurance coverage requirements and limits shall be available to the additional insureds. Furthermore, the requirements for coverage and limits shall be: (1) the minimum coverage and limits specified in this Agreement; or (2) the full coverage and maximum limits of any insurance proceeds available to the named insureds, whichever is greater.
- f. Waiver of subrogation endorsement.
- g. CONTRACTOR shall furnish a certificate for the period covered.

SPECIAL NOTICE - CLAIMS MADE COVERAGE:

Liability insurance coverage may not be written on a "claims made" basis. The Certificate of Insurance must clearly provide that the coverage is on an "occurrence" basis.

2. Comprehensive Automobile Liability for bodily injury (including death) and property damage which provides total limits of not less than One Million Dollars (\$1,000,000) combined single limits per accident, applicable to all owned, non-owned, and hired vehicles.

3. Statutory Workers' Compensation and Employer's Liability Insurance, including a waiver of subrogation endorsement and a Broad Form "All-States" Endorsement for all employees engaged in services or operations under the Contract. The employer's liability insurance shall provide limits of not less than One Million Dollars (\$1,000,000) per occurrence. Both the worker's compensation and employer's liability policies shall contain the Insurer's waiver of subrogation in favor of CITY, its officers, agents, employees, and volunteers.

4. Intentionally deleted.

D. Other Insurance Provisions.

1. The requirements of the Contract Conditions as to types and limits of insurance coverage to be maintained by CONTRACTOR, and any approval of insurance by CITY, are not intended to, and shall not in any manner limit or qualify the liabilities and obligations otherwise assumed by CONTRACTOR pursuant to the Contract, including, but not limited to, the provisions concerning indemnification, nor preclude CITY from taking any other action available to it under any other provision of the Contract or law.

2. CITY acknowledges that some insurance requirements contained in the Contract Conditions may be fulfilled by self-insurance on the part of CONTRACTOR. However, this shall not in any way limit liabilities assumed by CONTRACTOR under the Contract. Any self-insurance must be approved in writing by CITY, in its sole discretion and shall not reduce the limits of liability. Any deductibles or self-insured retentions ("SIR") must be declared on the certificate of insurance and approved by CITY in writing. Policies containing any SIR provision shall provide or be endorsed to provide that the SIR may be satisfied by either the named insured or CITY. CITY reserves the right to obtain a full certified copy of any insurance policy and endorsements. The failure to exercise this right shall not constitute a waiver of such right.

3. CONTRACTOR agrees to include in its contracts with all subcontractors the same requirements and provisions of this Contract, including the indemnity and insurance requirements, to the extent they apply to the scope of the subcontractor's work. Furthermore, CONTRACTOR shall require its subcontractors to agree to be bound to CONTRACTOR and CITY in the same manner and to the same extent as CONTRACTOR is bound to CITY under this Contract. Additionally, CONTRACTOR shall obligate its subcontractors to comply with these same provisions with respect to any tertiary subcontractor, regardless of tier. A copy of CITY's indemnity and insurance provisions will be furnished to the subcontractor or tertiary subcontractor upon request. Alternatively, CONTRACTOR may insure subcontractor(s) under its own policy.

4. CITY, its officers, agents, employees and volunteers are to be covered as insureds with respect to liability arising out of automobiles owned, leased, hired or borrowed by or on behalf of CONTRACTOR; and with respect to liability arising out of work or operations performed by or on behalf of CONTRACTOR including materials, parts or equipment furnished in connection with such work or operations. Coverage shall not extend to any indemnity coverage for the active negligence of the additional insured in any case where an agreement to indemnify the additional insured would be invalid under California Insurance Code Section 11580.04. In addition, the insurance policy may not contain language which prohibits additional insureds or other insurers from satisfying the self-insured retention or deductible.

5. The limits of insurance required in this Contract may be satisfied by a combination of primary and excess insurance. Any excess insurance shall contain or be endorsed to contain a provision that such coverage shall also apply on a primary and noncontributory basis for the benefit of CITY (if agreed to in a written contract) before the CITY's own insurance shall be called upon to protect it as a named insured.

6. Unless provided by CONTRACTOR, CONTRACTOR shall require its Architect/Engineer to provide professional liability (errors and omissions) insurance (certificate and additional insured endorsement).

7. CITY RESERVES THE RIGHT TO WITHHOLD ANY PROGRESS PAYMENTS TO CONTRACTOR IN THE EVENT OF NONCOMPLIANCE WITH ANY INSURANCE REQUIREMENTS.

9.2 Insurance to be provided by CITY. [not applicable]

9.3 Payment, Performance and Warranty Bonds. CONTRACTOR shall furnish and deliver to CITY Performance, Labor & Materials, and Warranty Bonds issued by a surety prior to, and as a condition precedent to, commencement of the Construction Work on the Site; provided, however, the Warranty Bond shall be waived if such bond is not required pursuant to CITY's request for proposals for the Project. The Payment and Performance Bonds shall be in a penal sum equal to one hundred percent (100%) of the GMP, and the Warranty Bond shall be in the penal sum equal to ten percent (10%) of the GMP. All bonds shall be in the form as set forth in Exhibit E hereto. All premiums for the Performance, Labor & Materials, and Warranty Bonds shall be a Cost of the Work. CITY shall have the right to withhold any payment(s) under this Agreement until CONTRACTOR has fully complied with this sub-section.

9.4 Indemnification. To the fullest extent allowed by law, CONTRACTOR shall defend, indemnify, and hold harmless, CITY, its officers, employees, agents, and volunteers, and each and every one of them, from and against all actions, damages, claims, losses, expenses or other liabilities of every type and description, including reasonable attorney fees, to which they may be subjected or put, by reason of, or resulting from, the performance of the Work, whether upon or off the Work, including the loss of use thereof, that is caused in whole or in part by willful or reckless misconduct and/or any negligent or wrongful act or omission of CONTRACTOR, any Subcontractor, and anyone directly or indirectly employed by any of them or anyone for whose acts any of them may be liable, whether or not it is caused in part by a party indemnified hereunder, except for such claims arising from the sole or active negligence of CITY. The parties intend that this provision shall be broadly construed.

CONTRACTOR's responsibility for such defense and indemnity obligations shall survive the termination or completion of this Agreement for the full period of time allowed by law. The defense and indemnity obligations of this Agreement are undertaken in addition to, and shall not in any way be limited by, the insurance obligations contained in this Agreement.

ARTICLE 10 PROTECTION OF PERSONS AND PROPERTY

10.1 Safety Precautions and Programs.

10.1.1 Site Safety. CONTRACTOR shall be responsible for initiating, maintaining and providing supervision of safety precautions and programs in connection with the Work, and shall also comply with any and all insurance carrier-mandated safety requirements and programs.

10.1.2 Safety Notices. In connection with the performance of the Work, CONTRACTOR shall provide notices and comply with all Applicable Laws bearing on the safety of persons and property and their protection from damage, injury or loss.

10.2 Safety of Persons and Property.

It is the intent of the parties that CITY is not an exposing, creating, controlling, or correcting employer under California Labor Code Section 6400. In accordance with generally accepted fabrication and construction practices and all applicable Laws and Standards and Codes, CONTRACTOR shall have the authority and be solely and completely responsible for the safety of all property utilized and all persons performing under this Agreement. Moreover, the CONTRACTOR shall be the controlling employer and has the authority and responsibility to enforce safety for all fabrication, construction work, and Work performed under this Agreement. The services of CITY's contract administrator, if any, in conducting a review of CONTRACTOR's performance under this Agreement is not intended to include a review of the adequacy of CONTRACTOR's work methods, equipment or safety measures. If CITY and/or its contract administrator observes a safety violation related to the CONTRACTOR's performance under this Agreement, then CITY and/or its contract administrator will report the violation to the CONTRACTOR who is then responsible for assuring the violation is abated.

CONTRACTOR is hereby informed that work on this Project could be hazardous. CONTRACTOR shall carefully instruct all personnel performing under this Agreement in potentially hazardous work areas as to potential dangers and shall provide such necessary safety equipment and instructions as are necessary to prevent injury to personnel and damage to property.

All Equipment, Work and materials provided under this Agreement shall be in strict accordance with all applicable Laws and Standards and Codes, and attention is drawn to the requirements of CAL/OSHA.

CONTRACTOR shall perform under this Agreement so as not to expose personnel to, or to discharge into the atmosphere from any materials brought to the Site by CONTRACTOR, smoke, dust, asbestos, toxic chemicals or other air contaminants in violation of applicable Laws and Standards and Codes.

10.2.1 Reasonable Precautions. CONTRACTOR shall take all precautions and implement all safety measures and requirements imposed by any Applicable Law. Without limiting the generality of the foregoing, CONTRACTOR shall take necessary precautions for the safety of, and shall provide necessary protection to prevent damage, injury or loss to:

10.2.1.1 Employees on the Work and other persons who may be affected thereby;

10.2.1.2 The Work and materials and equipment to be incorporated therein, whether in storage on or off the Site under care, custody or control of CONTRACTOR; and

10.2.1.3 Other property at the Site or adjacent thereto, such as trees, shrubs, lawns, walks, pavements, roadways, structures and utilities not designated for removal, relocation or replacement in the course of the Construction Work.

10.2.2 Safeguards. CONTRACTOR shall erect and maintain, as required by existing conditions and performance of the Work, reasonable safeguards for safety and protection, including posting danger signs and other warnings against hazards, promulgating safety

regulations and notifying CITY and users of adjacent sites and utilities, and shall comply fully with the requirements of CAL/OSHA.

10.2.3 Use of Explosives. Use of explosives is prohibited, unless approved in advance in writing by CITY. CITY may impose reasonable conditions on the use of explosives.

10.2.4 Remedy of Damage. CONTRACTOR shall promptly remedy damage and loss to property referred to in Sections 10.2.1.2 and 10.2.1.3 caused in whole or in part by CONTRACTOR, or anyone employed by or in control of CONTRACTOR, or any Subcontractor. All costs incurred by CONTRACTOR in connection with its obligations under this Section shall be cost of the Work, but shall not increase the GMP.

10.2.5 Designation of Safety Coordinator. [reserved]

10.2.6 Loads. CONTRACTOR shall not load or permit any part of the Construction Work or the Site to be loaded so as to endanger its safety.

10.3 Security. CONTRACTOR shall take any and all precautions that may be reasonably necessary to render all portions of the Work, the Site and any adjacent areas affected by the Work secure in all material respects, to decrease the likelihood of accidents, and to avoid vandalism and other contingencies which are liable to delay the Work or give rise to claims or liabilities. CONTRACTOR shall furnish and install all necessary facilities to provide safe means of access to all points where Work is being performed. CONTRACTOR shall take all precautions and measures as may be reasonably necessary to secure the Project at all hours, including evenings, holidays and non-work hours. Such precautions may include provision of security guards.

10.4 Damage to Property at the Site. CONTRACTOR shall be responsible for any and all damage or loss to property at the Site, except to the extent caused by the acts or omissions of CITY or its representatives, agents or employees. If such damage or loss is caused by CONTRACTOR, payment of such costs as Cost of the Work shall be limited by the provisions of Section 2.20.5 hereof.

10.5 Damage to Property of Others. CONTRACTOR shall avoid damage, as a result of CONTRACTOR's operations, to existing sidewalks, curbs, streets, alleys, pavements, utilities, adjacent property, the work of Separate Contractors and the property of CITY. CONTRACTOR shall repair any such damage caused by the operations of CONTRACTOR.

10.6 Failure of CONTRACTOR to Repair Damage. If CONTRACTOR fails to commence the repair of damage to property as set forth in this Article, and/or diligently pursue such repair, then CITY, after ten (10) Days prior written notice to CONTRACTOR (provided CONTRACTOR has not commenced such repair during such ten (10) Day period), may elect to repair such damages with its own forces and to deduct from payments due or to become due to CONTRACTOR amounts paid or incurred by CITY in correcting such damage.

10.7 Emergencies. In an emergency affecting the safety of persons or property, CONTRACTOR shall act, at CONTRACTOR's discretion, to prevent threatened damage, injury or loss. Additional costs or extensions of time caused by CONTRACTOR on account of an emergency not caused by the fault or neglect of CONTRACTOR shall be determined as provided in Section 6.2 hereof.

ARTICLE 11 DISPUTES

11.1 Disputes between CITY and CONTRACTOR. In the event of any dispute arising between CITY and CONTRACTOR regarding any part of the Contract or the Contract Documents, or the Parties' obligations or performance thereunder, and subject to any claims presentation requirements set forth in the Contract Documents, either Party may institute the dispute resolution procedures set forth herein. The Parties shall continue performance of their respective obligation hereunder notwithstanding the existence of a dispute.

11.2 Dispute Resolution Procedures. CONTRACTOR must submit all claims as defined in and in accordance with the claim resolution process set forth in Section 9204 of the Public Contract Code. Each such claim must be sent to CITY by registered mail or certified mail with return receipt requested and must contain reasonable documentation to support the claim. All claims must be received prior to acceptance of the Work and will be handled in accordance with the procedures set forth in Section 9204 of the Public Contract Code.

ARTICLE 12 EVENTS OF DEFAULT AND REMEDIES; TERMINATION

12.1 CONTRACTOR Events of Default. The following shall be considered "CONTRACTOR Events of Default":

12.1.1 If CONTRACTOR fails or neglects to carry out the Work in accordance with the provisions of the Contract Documents, and fails, after seven (7) Days notice from CITY, to commence a cure to correct such failure or neglect and thereafter diligently pursue such cure to completion;

12.1.2 If CONTRACTOR materially breaches this Agreement and fails, after seven (7) Days notice from CITY, to commence a cure to correct such breach and thereafter diligently pursue such cure to completion (such breach to include, but not be limited to, failure to make payment to Subcontractors for materials or labor in accordance with the respective agreements between CONTRACTOR and the Subcontractors or violation of Applicable Laws);

12.1.3 If a custodian, trustee or receiver is appointed for CONTRACTOR, or if CONTRACTOR becomes insolvent or bankrupt, is generally not paying its debts as they become due or makes an assignment for the benefit of creditors, or CONTRACTOR causes or suffers an order for relief to be entered with respect to it under applicable bankruptcy law or applies for or

consents to the appointment of a custodian, trustee or receiver for CONTRACTOR, or bankruptcy, reorganization, arrangement or insolvency proceedings, or other proceedings for relief under any bankruptcy or similar law or laws for the relief of debtors, are instituted by or against CONTRACTOR, and in any of the foregoing cases such action is not discharged or terminated within sixty (60) Days of its institution.

12.2 Remedies of CITY upon a CONTRACTOR Event of Default.

12.2.1 Termination of Contract. Upon the occurrence of a CONTRACTOR Event of Default, CITY shall have the right to terminate this Contract upon an additional seven (7) Days written notice to CONTRACTOR, provided that CONTRACTOR has not commenced a cure within such seven (7) Day period. Without prejudice to any other rights or remedies of CITY, CITY may:

12.2.1.1 Take possession of the Site and of all materials, equipment, tools and construction equipment thereon owned by CONTRACTOR;

12.2.1.2 Accept assignment of Subcontracts; and

12.2.1.3 Finish the Work by whatever reasonable method CITY may deem expedient.

12.2.1.4 When CITY terminates the Contract as aforesaid, CONTRACTOR shall not be entitled to receive further payment until the Work is finished. If the unpaid balance of the GMP exceeds costs incurred in finishing the Work, such excess shall be paid to CONTRACTOR, up to the amount due CONTRACTOR for work performed prior to termination. If such costs exceed the unpaid balance of the GMP, CONTRACTOR shall pay the difference to CITY.

12.2.2 Recourse to Payment and Performance Bonds. Upon the occurrence of a CONTRACTOR Event of Default and termination of this Contract by CITY, CITY may call upon the Surety to perform its/their obligations under the Payment and Performance Bonds, if applicable.

12.3 Remedies not Exclusive. Except as otherwise provided in this Agreement, no remedy hereunder is intended to be exclusive of any other remedy, but each and every such remedy shall be cumulative and shall be in addition to any other available legal or equitable remedy, existing now or hereafter. No delay or omission to exercise any right or power accruing shall impair any such right or power nor shall it be construed to be a waiver of any Event of Default or acquiescence therein, and every such right and power may be exercised from time to time as often as may be deemed expedient.

12.4 Termination or Suspension for Convenience.

12.4.1 Termination for Convenience. CITY may, without cause, terminate this Contract, or any portion of Work to be performed hereunder at any time by a notice in writing

from CITY to CONTRACTOR for CITY's convenience. In such case, CITY shall pay to CONTRACTOR all funds due CONTRACTOR for work performed up to the date of termination, plus all demobilization and close-out costs, including, but not limited to, any amounts payable to Subcontractors for early termination, plus reasonable overhead and profit on Work performed. All funds due hereunder, including unpaid Retention, shall be released within thirty (30) Days of termination of the Contract for convenience, subject to any withholding required or authorized by any Applicable Law. In no event shall such amounts owed to CONTRACTOR exceed the GMP.

12.4.2 Suspension for Convenience. CITY may, without cause, order CONTRACTOR in writing to suspend, delay or interrupt the Work in whole or in part for such period of time as CITY may determine. An adjustment shall be made for increases in the cost of performance of the Work, including Fee on the increased cost of performance, caused by the suspension, delay or interruption, in accordance with the Change Order provisions of this Contract. No adjustment shall be made to the extent (1) the performance is, was or would have been so suspended, delayed or interrupted by another cause for which CONTRACTOR is responsible or (2) that an equitable adjustment to the GMP and/or Schedule is made or denied under another provision of this Contract. Adjustments made in the cost of performance may have a mutually agreed fixed or percentage Fee.

ARTICLE 13 MISCELLANEOUS PROVISIONS

13.1 Governing Law. This Contract shall be construed with and governed by the laws of the State of California.

13.2 Successors and Assigns. CITY and CONTRACTOR respectively bind themselves, their partners, shareholders, successors, assigns and legal representatives to the other Party hereto and to shareholders, successors, assigns and legal representatives of such other Party in respect to covenants, agreements and obligations contained in the Contract Documents. Neither Party shall assign the Contract without the prior written consent of the other.

13.3 Notice. Any notices to Parties required by this Agreement shall be delivered or mailed, U.S. first class, postage prepaid, addressed as follows:

If to CITY:

Joel De Jong
Park Development Project Manager
316 Vernon Street
Roseville, CA 95678

If to CONTRACTOR:

John Hunter
Owner/CEO
601 McKinley Ave
Joplin, Missouri 64801

Address for Notice may be changed by Notice to the other Party.

13.4 Prevailing Wages. For purposes of this Agreement, CONTRACTOR and its Subcontractors shall comply with all applicable prevailing wage laws, e.g., but not limited to, California Labor Code Sections 1770 et seq. In accordance with said Section 1775, CONTRACTOR shall forfeit as a penalty to CITY Two Hundred Dollars (\$200) for each calendar Day or portion thereof for each worker paid less than the prevailing rates for such work or craft in which such worker is employed for any work done on-Site under the Agreement by CONTRACTOR or by any Subcontractor in violation of the provisions of the Labor Code and in particular, Labor Code Sections 1770 to 1780, inclusive. In addition to said penalty and pursuant to said Section 1775, the difference between such stipulated prevailing wage rates and the amount paid to each worker for each calendar Day or portion thereof for which each worker was paid less than the stipulated prevailing wage shall be paid to each worker by CONTRACTOR or the applicable Subcontractor.

Pursuant to the provisions of California Labor Code Section 1773, the Department of Industrial Relations has identified the source, stated below, of the General Prevailing Rate of Wages applicable to the work to be done, for straight time, overtime, and holiday work. The holiday wage rate listed shall be applicable to all holidays recognized in the collective bargaining agreement of the particular craft, classification or type of worker concerned. These wage rates may be obtained from the State Department of Industrial Relations and/or the following website address: <http://www.dir.ca.gov/dlsr/DPreWageDetermination.htm>, which is a part of this Agreement.

Pursuant to Labor Code Section 1773.2, the General Prevailing Wage Rates set forth above by the Department of Industrial Relations, which form a part of this Agreement, shall be posted by CONTRACTOR at a prominent place at the Site.

13.5 Modifications. No Modifications or Change Orders shall be valid unless in writing and signed by CITY and CONTRACTOR.

13.6 Interpretation. Any and all headings of this Agreement are for convenience of reference only and do not modify, define or limit the provisions thereof. Words of any gender shall be deemed and construed to include correlative words of the other gender. Words importing the singular number shall include the plural number and vice versa, unless the context shall otherwise be deemed to include all supplements and/or amendments to any such exhibits or documents entered into in accordance with the terms hereof and thereof. All references to any person or entity shall be deemed to include any person or entity succeeding to the rights, duties and obligations of such person or entity in accordance with the terms of this Agreement. Where reference is made in this Agreement to another Contract Document, the reference refers to that provision as amended or supplemented by the other provisions of the Contract Documents. In the event of any conflict between or among the Contract Documents, the provisions of this Agreement shall govern.

13.7 Severability. If any provision of this Agreement is held to be inoperative or unenforceable as applied in any particular case because it conflicts with any other provision hereof or any constitution, statute, ordinance, rule of law or public policy, or for any other reason, such holding shall not have the effect of rendering the provision in question inoperative or unenforceable in any other case, or of rendering any other provision herein contained

inoperative or unenforceable to any extent whatever. The invalidity of any one or more phrases, sentences, clauses or sections contained in this Agreement shall not affect the remaining portions of this Agreement or any part hereof, and they shall otherwise remain in full force and effect.

13.8 Whole Agreement. This Agreement, the Exhibits hereto and the Contract Documents, specifications and Drawings shall constitute the entire agreement between the Parties, and no inducements, considerations, promises or other references shall be implied in this Agreement that are not expressly addressed herein

13.9 Accounting Records. CONTRACTOR shall keep full and detailed accounts and exercise such controls as may be necessary for proper financial management under this Agreement; the accounting and control systems shall be reasonably satisfactory to CITY. CITY and CITY's accountants shall be afforded access to CONTRACTOR's records, books, correspondence, instructions, drawings, receipts, Subcontracts, vouchers, memoranda and other data relating to this Agreement, and CONTRACTOR shall preserve these for a period of three (3) years after final payment, or for such longer period as may be required by law.

13.10 Intentionally left blank.

13.11 No Waiver. Neither the inspection by CITY or its agents, nor any order or certificate for payment of money, nor payment for, nor acceptance of the whole or any part of the work by CITY, nor any extensions of time, nor any position taken by CITY or its agents shall operate as a waiver of any provision of this Agreement or of any power herein reserved to CITY or any right to damages herein provided, nor shall any waiver of any breach of this Agreement be held to be a waiver of any other or subsequent breach.

13.12 CONTRACTOR Shall Assume Risks. Until the Final Completion or acceptance by CITY of all Work under this Contract, the Work shall be under CONTRACTOR's responsible care and charge. CONTRACTOR shall rebuild, repair, restore and make good all injuries, damages, corrections, and repairs occasioned or rendered necessary by accidental causes of any nature, to all or any portions of the Work, except as otherwise stipulated.

13.13 General Liability of CONTRACTOR. Except as otherwise herein expressly stipulated, CONTRACTOR shall perform all the work and furnish all the labor, materials, tools power and light, and appliances, necessary or proper for performing and completing the Work herein required in the manner within the time herein specified. The mention of any specific duty or liability of CONTRACTOR shall not be construed as a limitation or restriction of any general liability or duty of CONTRACTOR and, any reference to any specific duty or liability shall be construed to be the purpose of explanation.

13.14 Attorney's Fees and Venue. If either Party commences any legal action against the other Party arising out of this Agreement or the performance thereof, the prevailing Party shall be entitled to recover its reasonable litigation expenses, including but not limited to, court costs, expert witness fees, discovery expenses, and attorney's fees. Any action arising out of this Agreement shall be brought in Placer County, California, regardless of where else venue may lie.

To the extent permitted by applicable law, each Party waives any defense that it may have based on lack of *in personam* jurisdiction or *forum nonconveniens*.

13.15 Third Party Beneficiaries. There are no third party beneficiaries to this Agreement.

IN WITNESS WHEREOF, the City of Roseville, a municipal corporation, has authorized the execution of this Agreement in duplicate by its City Manager and attested to by its City Clerk under the authority of Resolution No. _____, adopted by the Council of the City of Roseville on the ____ day of _____, 20____, and CONTRACTOR has caused this Agreement to be executed.

EXHIBIT A

GUARANTEED MAXIMUM PRICE, FEE, AND COST OF WORK

A. GUARANTEED MAXIMUM PRICE: The **Guaranteed Maximum Price** as of the date of execution of this Agreement is six hundred fifty thousand dollars (\$650,000), U.S. Currency.

B. FEE AND CONTINGENCY: The Fee and Contingency amounts, if any, are as stated in the Proposal.

C. COST OF THE WORK:

1. "Cost of the Work." The term "Cost of the Work" shall mean costs incurred by CONTRACTOR in the performance of the Work, that do not exceed the GMP. The following are categories of cost and expense to be paid by CITY to CONTRACTOR as Cost of the Work:

2. Construction Costs.

2.1 Labor Costs.

2.1.1 Wages of construction workers directly employed by CONTRACTOR to perform the construction of the Work at the Site or, with CITY's agreement, at off-site workshops.

2.1.2 Wages or salaries of CONTRACTOR's supervisory and administrative personnel when stationed at the Site and wages, salaries and other costs of project management, pre-construction services, form design, foundation engineering, manpower planning, purchasing, estimating and data processing, whether performed at the Site or in CONTRACTOR's offices, including, but not limited to services rendered during the Design Phase of the Project.

2.1.3 Wages and salaries of CONTRACTOR's supervisory or administrative personnel engaged at factories, workshops or on the road, in expediting the production or transportation of materials or equipment required for the Work, but only for that portion of their time required for the Work.

2.1.4 Costs paid or incurred by CONTRACTOR for taxes, insurance, contributions, assessments and benefits required by law or collective bargaining agreements and, for personnel not covered by such agreements, customary benefits such as sick leave, medical and health benefits, holidays, vacations and pensions, provided such costs are based on wages and salaries included in subsections 2.1.1 through 2.1.3 above.

2.2 Subcontract Costs. Amounts due Subcontractors for work, excluding Change Order work, in accordance with the requirements of the Subcontracts.

2.3 Costs of Materials and Equipment Incorporated in the Completed Construction. Costs, including transportation, of materials and equipment incorporated or to be incorporated in the completed construction.

2.4 Costs of other Materials and Equipment, Temporary Facilities, and Related Items.

2.4.1 Costs, including transportation, installation, maintenance, dismantling and removal of materials, supplies, temporary facilities, machinery, equipment and hand tools not customarily owned by the construction workers, which are provided by CONTRACTOR at the Site and fully consumed in the performance of the Work; and cost, less salvage value, on such items if not fully consumed, whether sold to others or retained by CONTRACTOR. Costs for items previously used by CONTRACTOR shall mean fair market value.

2.4.2 Rental charges for temporary facilities, machinery, equipment and hand tools not customarily owned by the construction workers, which are provided by CONTRACTOR at the Site, whether rented from CONTRACTOR or others, and costs of transportation, installation, minor repairs and replacements, dismantling and removal thereof. Rental charges for equipment owned by CONTRACTOR shall be at then prevailing rates.

2.4.3 Costs of removal of debris from the Site.

2.4.4 Costs of facsimiles, telegrams and long distance telephone calls, postage and delivery charges (whether originating at the Site or at the offices of CONTRACTOR or CONTRACTOR), telephone service at the Site and reasonable petty cash expenses of the Site office.

2.5 Premiums; Taxes; Fees; Royalties.

2.5.1 That portion directly attributable to this Agreement of premiums for insurance and the Payment and Performance Bonds.

2.5.2 Sales, use, gross receipts or similar taxes imposed by a governmental authority, which are related to the Work and for which CONTRACTOR is liable.

2.5.3 Fees and assessments for any permits, licenses and inspections required by the Contract Documents.

2.5.4 Fees of testing laboratories for tests required by the Contract Documents or government authorities.

2.5.5 Royalties and license fees paid for the use of a particular design, process or product required by the Contract Documents. The costs of defending suits or claims for infringement of patent rights arising from such requirement by the Contract Documents; payments made in accordance with legal judgments against CONTRACTOR or CONTRACTOR resulting from such suits or claims and payments of settlements in connection therewith.

2.5.6 Deposits lost for cause other than CONTRACTOR's negligence.

2.6 Emergencies. Costs incurred in taking action to prevent threatened damage, injury or loss in case of emergency affecting the safety of persons and property, as provided in Section 10.7 of this Agreement.

2.7 Other Costs. Other costs incurred in the performance of the Work, if and to the extent approved in writing by CITY, which approval shall not be unreasonably withheld.

3. Items not Included in Cost of the Work.

3.1 Salaries and other compensation of CONTRACTOR's personnel stationed at CONTRACTOR's principal office or offices other than the Site, except as specifically provided in subsections 2.1.2 and 2.1.3 above.

3.2 Expenses of CONTRACTOR's principal office and offices, other than the Site office.

3.3 Overhead and general expenses, except as may be included in Sections 1 and 2 above.

3.4 The capital expenses of CONTRACTOR, including interest on capital employed for the Work.

3.5 Costs that would cause the GMP to be exceeded.

EXHIBIT B
CONSTRUCTION ALLOWANCE ITEMS

(reserved)

EXHIBIT C
HAZARDOUS MATERIALS

1. Certain Definitions.

1.1 "Hazardous Materials" means any substance:

1.1.1 the presence of which requires investigation or remediation under federal, state or local law, statute, regulation, ordinance, order, action, policy or common law;

1.1.2 which is or becomes defined as a "hazardous waste," "hazardous substance," pollutant or contaminant under any federal, state or local law, statute, regulation, rule or ordinance or amendments thereto, including, without limitation, the Comprehensive Environmental Response, Compensation and Liability Act, 42 USC §§9601 et seq. ("CERCLA"), as amended, or the Resource, Conservation and Recovery Act, as amended, 42 USC §§6901 et seq. ("RCRA");

1.1.3 which is petroleum, including crude oil or any fraction thereof not otherwise designated as a "hazardous substance" under CERCLA, including without limitation gasoline, diesel fuel or other petroleum hydrocarbons;

1.1.4 which is toxic, explosive, corrosive, flammable, infectious, radioactive, carcinogenic, mutagenic, or otherwise hazardous and is or becomes regulated by any governmental authority or instrumentality;

1.1.5 the presence of which on the Site causes or threatens to cause a nuisance upon the Site or to the adjacent properties or poses or threatens to pose a hazard to the health or safety of persons on or about the Site; or

1.1.6 the presence of which on adjacent properties could constitute a trespass by CONTRACTOR or CITY.

1.2 "Underground Storage Tank" shall have the definition assigned to that term by RCRA §9001, 42 USC §6991, and also shall include:

1.2.1 any tank of 1,100 gallons or less capacity used for storing motor fuel;

1.2.2 any tank used for storing heating oil for consumption on the premises where stored;

1.2.3 any septic tank; and

1.2.4 any pipes connected to items 1.2.1-1.2.3.

1.3 "Environmental Requirements" means all Applicable Laws, statutes, regulations, rules, ordinances, codes, licenses, permits, orders and similar items of all federal, state or local governmental agencies or other instrumentalities and all applicable judicial, administrative and regulatory decrees, judgments and orders relating to the protection of human health or the environment, including, without limitation:

1.3.1 all requirements, including but not limited to, those pertaining to reporting, licensing, permitting, investigation and remediation of emissions, discharges, releases or threatened releases of Hazardous Materials into the air, surface water, ground water or land, or relating to the manufacture, processing, distribution, use, treatment, storage, disposal, transport or handling of Hazardous Materials; and

1.3.2 all requirements pertaining to the protection of the health and safety of employees or the public.

1.4 "Environmental Damages" means all claims, judgments, damages, losses, penalties, fines, liabilities, encumbrances, liens, costs and expenses of investigation and defense of any claim, including, without limitation, attorney's fees, which are incurred at any time as a result of the existence of Hazardous Materials upon, about or beneath the Site or migrating or threatening to migrate to or from the Site, and including, without limitation:

1.4.1 damages for personal injury, or injury to property or to natural resources occurring upon or off the Site;

1.4.2 fees incurred for the services of attorneys, consultants, CONTRACTOR, experts, laboratories and all other costs incurred in connection with the investigation or remediation of such Hazardous Materials or violation of Environmental Requirements; and

1.4.3 liability to any third party or governmental agency or political subdivision to indemnify such party, agency or political subdivision for costs expended in connection with the items listed in subparagraph 1.4.2.

1.5 "Environmental Conditions" means collectively, Hazardous Materials and Underground Storage Tanks existing on the Site and not brought there by CONTRACTOR or any Subcontractor.

2. Investigation of Site.

2.1 Upon written notice from CITY, CONTRACTOR shall prepare for approval and execution by CITY, one or more contracts ("Environmental Contracts") with suitably qualified consultants and/or engineers ("Environmental Engineers"), for purposes of performing an investigation and analysis of the Site prior to demolition and excavation activities, to determine the presence of any Environmental Conditions on, in or under the Site. The Environmental Contracts shall provide for a commercially reasonable scope of investigation approved by CITY, and may provide for conducting the investigation and testing in phases acceptable to CITY. The Environmental Contracts shall also provide that the Environmental Engineers shall begin their

tests and inspections at the Site as soon as CITY is able to arrange access to the Site, or any portions thereof, for such purposes. The Environmental Contracts shall provide that CONTRACTOR, acting as agent of CITY, shall coordinate the activities of the Environmental Engineers.

2.2 The Environmental Contracts shall provide that the Environmental Engineers shall prepare such reports, feasibility studies and remedial plans ("Environmental Assessments") as may be reasonably necessary in order to identify and explain the quantity, scope and nature of the Environmental Conditions found to exist at the Site. The Environmental Assessments shall contain a detailed analysis of the Environmental Conditions discovered, and the actions ("Remedial Actions") required for the response, removal, cleanup or remediation of such Environmental Conditions (i) which are required by Environmental Requirements, or (ii) which are reasonably necessary to mitigate Environmental Damages.

2.3 The Environmental Contracts shall provide that the Environmental Engineers shall promptly provide CITY and CONTRACTOR with a copy of each Environmental Assessment, together with any other reports and test results generated pursuant to the Environmental Contracts. CONTRACTOR shall, promptly after receipt of the foregoing matters from the Environmental Engineers, prepare and submit to CITY a written report setting forth CONTRACTOR's understanding of whether and to what extent any recommended Remedial Actions may result in an amendment to the Schedule and the progress of the Work.

2.4 The Environmental Contracts shall provide that it shall be the responsibility of the Environmental Engineers to give any necessary notice to the appropriate regulatory agency or agencies of the presence of any Environmental Conditions; to pursue all necessary negotiations with such agencies concerning preparation and approval of a plan for clean-up to the extent required; and to obtain all necessary permits to perform any Remedial Actions.

3. Remedial Actions.

3.1 If so instructed by CITY, based upon the results of the Environmental Assessments, CONTRACTOR shall, as agent for CITY, obtain bids from remediation contractors ("Remediation Contractors") suitably qualified and approved by CITY, to perform the Remedial Actions selected by CITY and shall submit such bids to CITY, together with CONTRACTOR's recommendation of the Remediation Contractor(s) to be retained. If CITY elects to go forward with all or any portion of the Remedial Actions covered by the bids submitted, CITY will so advise CONTRACTOR in a written notice on or before the date which is sixty (60) Days after receipt of the foregoing matters from CONTRACTOR. Promptly after receipt of such notice, CONTRACTOR shall prepare for CITY's execution remediation contracts ("Remediation Contracts") with the Remediation Contractors identified in such notice.

3.2 CONTRACTOR, as agent for CITY, shall be responsible for coordinating the work and services performed by the Remediation Contractors, and coordinating such remediation work with the Work.

3.3 If in the course of performance of the Work, CONTRACTOR encounters on the Site any Hazardous Materials not previously disclosed and remediated by the Environmental Engineers or the Remediation Contractors, CONTRACTOR shall immediately suspend the Work in the area affected and promptly thereafter report the condition to CITY.

4. Payments: Liability of CONTRACTOR.

4.1 All payments due under the Environmental Contracts and the Remediation Contracts shall be made by CITY directly to the Environmental Engineers and the Remediation Contractors. Such payments will be based on requisitions, which requisitions shall be approved by CONTRACTOR prior to submission to CITY.

4.2 All payments due under the Environmental Contracts, the Remediation Contracts and for Environmental Damages, shall not be a part of the GMP, and shall be the sole responsibility of CITY, except as expressly provided otherwise in Section 5 hereof.

4.3 It is understood and agreed that with respect to any Environmental Conditions existing on the Site, CONTRACTOR is not, and shall not be deemed to be, a generator, arranger, operator, treater, storer, transporter or disposer of, or otherwise responsible for, any such Environmental Conditions. It is understood and agreed that CONTRACTOR shall have no right to direct the means or methods of performance of any Environmental Engineer or Remediation Contractor.

4.4 CITY shall indemnify, defend and hold harmless CONTRACTOR, from and against any Environmental Damages asserted against or sustained by CONTRACTOR as a result of CONTRACTOR being deemed or determined to be a generator, arranger, operator, treater, storer, transporter or disposer of, or otherwise responsible for, any such Environmental Conditions.

5. Environmental Responsibilities of CONTRACTOR.

5.1 CITY acknowledges and agrees that CONTRACTOR shall not commence or continue any demolition or construction activities on any portion of the Site on or in which Remedial Actions are to be performed until such Remedial Actions are to the point where construction activities will not interfere with such Remedial Actions, as evidenced by appropriate certification by the applicable Environmental Engineer and/or Remediation CONTRACTOR and any required approval of any applicable government agency. CONTRACTOR agrees to use good faith diligent efforts to adjust and reschedule its activities at the Site so as to minimize, to the extent reasonably practical, the adverse effect on the progress of the Work resulting from any Remedial Actions.

5.2 CONTRACTOR shall not bring Hazardous Materials to the Site, and shall not include Hazardous Materials in any construction materials, unless permitted by Environmental Requirements. CONTRACTOR shall comply, and shall cause all Subcontractors to comply, with all Environmental Requirements regarding the generation, handling, storage, treatment and disposal of Hazardous Materials.

5.3 CONTRACTOR shall indemnify, defend and hold harmless the Indemnified Parties from and against any Environmental Damages asserted against or sustained by such parties as a result of any Environmental Conditions caused or created by CONTRACTOR or any Subcontractor, or of any violation by CONTRACTOR or the Subcontractors, of any Environmental Requirement arising out of the performance of the Work.

EXHIBIT D

IN LIEU OF SECURITIES ESCROW AGREEMENT

**(form of agreement follows this page)
(use is optional by Contractor)**

ESCROW AGREEMENT FOR SECURITY DEPOSITS IN LIEU OF RETENTION

(Project: _____)

THIS ESCROW AGREEMENT is made and entered into on this ____ day of _____, 20__ by and between the:

City of Roseville, whose address is:

311 Vernon Street
Roseville, CA 95678

(hereinafter called "CITY"); and

_____, whose address is:

(hereinafter called "CONTRACTOR"); and

_____, whose address is:

(hereinafter called "ESCROW AGENT").

For the consideration hereinafter set forth, CITY, CONTRACTOR, and ESCROW AGENT agree as follows:

1. Pursuant to Section 22300 of the Public Contract Code of the State of California, CONTRACTOR has the option to deposit securities, subject to prior approval of CITY, with ESCROW AGENT, as a substitute for retention earnings required to be withheld by CITY pursuant to the contract for public works entered into between the CITY and CONTRACTOR for the Project in the amount of _____

_____ dollars (\$ _____) dated _____, (hereinafter referred to as the "Contract"). Alternatively, on written request of CONTRACTOR, CITY shall make payments of the retention earnings directly to the ESCROW AGENT.

When CONTRACTOR deposits the securities as a substitute for Contract earnings, the ESCROW AGENT shall notify CITY within ten (10) days of the deposit. The market value of the securities at the time of the substitution shall be at least equal to the cash amount then required to be withheld as retention under the terms of the Contract between CITY and CONTRACTOR. Securities shall be held in the name of ESCROW AGENT, and shall designate CONTRACTOR as the beneficial owner, and shall be limited to those types of acceptable securities as described in Public Contract Code Section 22300.

2. CITY shall make progress payments to CONTRACTOR for those funds which otherwise would be withheld from progress payments pursuant to the Contract provisions, provided that ESCROW AGENT holds securities in the form and amount specified above.

3. When CITY makes payment of retentions earned directly to ESCROW AGENT, ESCROW AGENT shall hold them for the benefit of CONTRACTOR until the time that the escrow created under this Agreement is terminated. CONTRACTOR may direct the investment of the payments into securities. All terms and conditions of this Agreement and the rights and responsibilities of the parties shall be equally applicable and binding when CITY pays ESCROW AGENT directly.

4. CONTRACTOR shall be responsible for paying all fees for the expenses incurred by ESCROW AGENT in administering the Escrow Account and all expenses of CITY. These expenses and payment terms shall be determined by CITY, CONTRACTOR, and ESCROW AGENT.

5. The interest earned on the securities or the money market accounts held in escrow and all interest earning on that interest shall be for the sole account of CONTRACTOR and shall be subject to withdrawal by CONTRACTOR at any time and from time to time without notice to CITY.

6. CONTRACTOR shall have the right to withdraw all or any part of the principal in the Escrow Account only by written notice to ESCROW AGENT accompanied by written authorization from CITY to ESCROW AGENT that CITY consents to the withdrawal of the amount sought to be withdrawn by CONTRACTOR.

7. CITY shall have a right to draw upon the securities in the event of default by CONTRACTOR. Upon seven (7) days' written notice to ESCROW AGENT from CITY of the default, ESCROW AGENT shall immediately convert the securities to cash and shall distribute the cash as instructed by CITY.

8. Only upon receipt of written notification from CITY certifying that the Contract is final and complete, and that CONTRACTOR has complied with all requirements and procedures applicable to the Contract, ESCROW AGENT shall release to CONTRACTOR all securities and interest on deposit less escrow fees and charges of the Escrow Account. The escrow shall be closed immediately upon disbursement of all moneys and securities on deposit and payments of fees and charges.

9. ESCROW AGENT shall rely on the written notifications from CITY and CONTRACTOR pursuant to Sections (5) to (8), inclusive, of this Agreement and CONTRACTOR shall hold ESCROW AGENT harmless from ESCROW AGENT's release and disbursement of the securities and interest as set forth above.

10. The parties hereto mutually agree that this Agreement is substantially similar to the form under Public Contracts Code Section 22300.

11. The names of the persons who are authorized to give written notice or to receive written notice on behalf of CITY and on behalf of CONTRACTOR in connection with the foregoing, and exemplars of their respective signatures are as follows:

On behalf of CITY:

Title

Name

Signature

Address

On behalf of CONTRACTOR:

Title

Name

Signature

Address

On behalf of ESCROW AGENT:

12. At the time the Escrow Account is opened, CITY and CONTRACTOR shall deliver to ESCROW AGENT a fully executed counterpart of this Agreement.

IN WITNESS WHEREOF, the City of Roseville, a municipal corporation, has authorized the execution of this Agreement by its City Manager and attestation by its City Clerk under the authority of Resolution No. 87-141, adopted by the Council of the City of Roseville on the 5th day of August, 1987, and CONTRACTOR and ESCROW AGENT have authorized the execution of this Agreement.

COUNCIL COMMUNICATION

CC #: 3657
File #: 0704-01

Title: Basketball Courts Renovation Project - Notice of Completion
Contact: Kelly Appier 916-774-5927 ksappier@roseville.ca.us

Meeting Date: 12/18/2024
Item #: 7.17.

RECOMMENDATION TO COUNCIL

Staff recommends that the City Council accept the Basketball Courts Renovation Project as complete and adopt a resolution authorizing the Parks, Recreation & Libraries Director to execute the attached Notice of Completion.

BACKGROUND

The Parks, Recreation & Libraries Department has made a final inspection of the Basketball Courts Renovation Project and has found that all contract work has been completed in accordance with the approved plans and specifications. The project is now ready for acceptance.

The project consisted of three basketball courts with one court at each of three parks: Maidu Regional Park, Elliott Park, and Woodbridge Park. These basketball court surfaces were identified as aging, cracked, and not suitable for play. The project scope of work included removing the existing courts, preparing the base by leveling and compacting to standards, pouring new concrete, and court striping.

FISCAL IMPACT

The project was approved in FY2023-24 using funds from the Parks, Recreation & Libraries Capital Rehabilitation Fund. There will be no increase in maintenance or other General Fund costs.

ENVIRONMENTAL REVIEW

The proposed project involves the repair of an existing facility. This activity is categorically exempt from CEQA as a Class 1 Exemption (State CEQA Guidelines Section 15301). The Exemption has been prepared and no further CEQA action is required.

CITY COUNCIL STRATEGIC PLAN/OVERARCHING GOALS

Goal B – Support community engagement and advocacy

Goal C – Maintain a safe and healthy community

Goal E – Deliver exceptional city services

Goal F – Invest in well-planned infrastructure and growth

Respectfully Submitted,

Kelly Appier, Project Manager, Park Development

Jill Geller, Director, Parks, Recreation & Libraries

Dominick Casey, City Manager

Title: Parks and Landscape Maintenance Services - Professional Services Agreements

Contact: Eric Dexter 916-746-1769 edexter@roseville.ca.us

Meeting Date: 12/18/2024

Item #: 7.18.

RECOMMENDATION TO COUNCIL

Staff recommends that the City Council adopt resolutions authorizing the City Manager to execute Park and Landscape Maintenance Services Agreements with Elite Maintenance and Tree Service, New Image Landscape Company, and Cagwin & Dorward Landscape Contractors.

BACKGROUND

The Parks, Recreation & Libraries (PRL) department has an ongoing requirement to maintain parks and landscapes throughout the City. This work is completed with a combination of internal staff and external contractors. PRL also collaborates with the Environmental Utilities, Roseville Electric and Public Works Departments as partners on the parks and landscape maintenance services contracts to meet their specific landscaping needs. The maintenance of parks, streetscapes and facility landscaping enhances the Roseville community as well as provides a safe environment for the public.

On May 29, 2024, a Request for Proposal (RFP) was released for parks and landscape maintenance services for City parks, streetscapes and facility landscaping. The RFP consisted of service level standards, various exhibits and bid maps. Every area of the city was broken down by district and funding source. Costs for parks were detailed to include base costs for turf care, pruning, and irrigation. The goal of this RFP was to identify the most efficient and effective way to provide services to the residents.

The City received six (6) proposals and all six (6) met the minimum requirements set forth in the RFP. A selection committee of staff in the PRL department evaluated, analyzed and scored each proposal based on the criteria published in the RFP. The committee invited four (4) proposers to move forward in the interview process. At the completion of the interviews, the committee is recommending three (3) companies based on their project understanding, demonstrated performance and ability, customer service, quality and proposed cost. Staff recommends awarding three (3) contracts as a result of this RFP process to: Elite Maintenance and Tree Service, New Image Landscape Company, and Cagwin & Dorward Landscape Contractors.

FISCAL IMPACT

The recommended contracts reflect a decrease of scope compared to FY2023-24 for similar service levels. This decrease is due to the maintenance responsibilities for 22 parks, previously included in the park and landscape maintenance services contracts, being performed by City staff beginning on January 1, 2025.

The total cost of the agreements over the initial four-year contract term shall not exceed as follows:

- Elite Maintenance and Tree Service: \$5,263,725
- New Image Landscape Company: \$9,679,011
- Cagwin & Dorward Landscape Contractors: \$11,790,391

The not-to-exceed amounts account for routine maintenance work, extra work, and projects including future parks, streetscapes, and facilities.

The funding for each year's annual maintenance contract will be included in the Parks, Recreation and Libraries; Public Works; Roseville Electric; Environmental Utilities; and community facilities district (CFD) and landscape and lighting district (LLD) operating budgets. Contract authority will be limited to amounts as approved in each fiscal year's budget.

ENVIRONMENTAL REVIEW

The proposed project involves the minor alteration of existing facilities. This activity is categorically exempt from CEQA as a Class 1 Exemption (State CEQA Guidelines Section 15301). The Exemption was prepared as part of the RFP and no further CEQA action is required.

CITY COUNCIL STRATEGIC PLAN/OVERARCHING GOALS

Goal A - Remain fiscally responsible in a changing world
Goal C - Maintain a safe and healthy community
Goal E - Deliver exceptional city services
Goal F - Invest in well-planned infrastructure and growth

Respectfully Submitted,

Eric Dexter, Parks & Open Space Superintendent

Jill Geller, Parks, Recreation & Libraries Director

Dominick Casey, City Manager

RESOLUTION NO. 24-405

APPROVING A PARK AND LANDSCAPE MAINTENANCE SERVICES AGREEMENT,
BY AND BETWEEN THE CITY OF ROSEVILLE AND EMTS, INC. DBA ELITE
MAINTENANCE & TREE SERVICE, AND AUTHORIZING THE CITY MANAGER TO
EXECUTE IT ON BEHALF OF THE CITY OF ROSEVILLE

WHEREAS, a Park and Landscape Maintenance Services Agreement for Parks,
Recreation & Libraries, by and between the City of Roseville and EMTS, Inc. dba Elite
Maintenance & Tree Service, has been reviewed by the Council; and

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Roseville that
said Agreement is hereby approved and that the City Manager is authorized to execute it on
behalf of the City of Roseville.

PASSED AND ADOPTED by the Council of the City of Roseville this ____ day of
_____, 20_, by the following vote on roll call:

ABSENT COUNCILMEMBERS:

MAYOR

ATTEST:

City Clerk

**PARK AND LANDSCAPE MAINTENANCE
SERVICES AGREEMENT**

Parks, Recreation & Libraries

THIS AGREEMENT is made and entered into this ____ day of _____, 20__,
by and between the City of Roseville, a municipal corporation ("CITY"), and EMTS, Inc. dba
Elite Maintenance & Tree Service, a California corporation ("CONTRACTOR"); and

W I T N E S S E T H:

WHEREAS, CITY issued a Request for Proposals (RFP) for Park and Landscape
Maintenance Services; and

WHEREAS, CONTRACTOR has prepared a proposal dated July 07, 2024, which
describes the scope of work to be performed by CONTRACTOR, the budget for the work, and
the schedule for performance of the work; and

WHEREAS, CONTRACTOR is qualified and experienced to provide park and landscape
maintenance services.

NOW, THEREFORE, the parties agree as follows:

1. Term. The initial term of this Agreement shall be four (4) years, commencing on
January 1, 2025 and expiring on December 31, 2028. CITY may elect to extend the term, at its
sole discretion, for up to three (3) additional two (2) year terms by giving written notice to
CONTRACTOR no later than sixty (60) days before the initial or renewed term ends. If CITY

elects to extend the term, the compensation payable to CONTRACTOR under Sections 3 and 4 may be adjusted as set forth in this Agreement.

2. Services. CONTRACTOR shall perform, at the direction of City, the scope of services ("Work") as described in EXHIBIT "A," (CONTRACTOR's Proposal) in accordance with the specifications set forth in EXHIBIT "B" (CITY's Request for Proposals), both of which are attached hereto and incorporated herein by this reference, for the areas of responsibility highlighted in EXHIBIT "C" (CONTRACTOR's Cost Proposal), also attached hereto and incorporated herein by this reference. CITY reserves the right to modify CONTRACTOR's areas of responsibility in its sole discretion without amendment to this Agreement. In the event CITY exercises its option to modify CONTRACTOR's areas of responsibility, CITY will provide notice to CONTRACTOR of the change(s) within five (5) business days.

3. Compensation. For its services provided hereunder, CONTRACTOR shall be compensated on a time and expense basis in accordance with the budget estimate as described in EXHIBIT "C." Compensation for the Work for the term of this Agreement shall not exceed four million, five hundred seventy-seven thousand, one hundred fifty-two dollars (\$4,577,152) subject to adjustments for changes in the Work as may be directed in writing by CITY pursuant to Section 6. Compensation for changes in the Work for the term of this Agreement shall not exceed six hundred eighty-six thousand, five hundred seventy-three dollars (\$686,573). Total compensation for the entire Agreement shall not exceed five million, two hundred sixty-three thousand, seven hundred twenty-five dollars (\$5,263,725).

CONTRACTOR shall submit monthly invoices for its services. Invoices for monthly base bid services shall indicate the area, the contract line item, and the exact monthly amount. Invoices for "Extra Work" shall be delineated by task, the person performing the services, and

the hourly rate, which shall be stated in time increments of not greater than one-tenth (1/10) hours. CITY shall pay invoices within thirty (30) days after receipt, if the services specified in the invoice have been satisfactorily completed as outlined in Section 5 of this Agreement.

4. Annual Pricing Adjustments. CONTRACTOR agrees to perform the described Work and any additional work requested by CITY for the prices indicated in its proposal (EXHIBIT "C") and any markup stipulated in this Agreement, or as negotiated by CITY, for a period of eighteen (18) months. At the request of CONTRACTOR, CITY and CONTRACTOR will meet in January of each year to revise prices which will be effective for the next fiscal year (July 1 – June 30). This increase shall not exceed five percent (5%) in any one year, including any extensions in the term of this Agreement, unless the CITY agrees in writing to increase this amount due to unforeseen and uncontrollable circumstances including, but not limited to, fuel price increases, changes in workers' compensation rates, and prevailing wage changes. CITY also agrees to adjust payments to reflect changes in work quantities and to pay for new work assigned to CONTRACTOR at the contract rates then in effect. Adjustments to quantities may be requested by either party and is subject to field verification by CITY.

In the event CONTRACTOR and CITY cannot come to a mutually agreed upon annual price adjustment, this Agreement will continue at the current pricing for the remainder of the then current calendar year and will be considered mutually terminated on December 31 of such year.

5. Performance Based Payments.

5.1. CONTRACTOR shall make work sites accessible at all reasonable times for inspection by CITY. CITY will regularly inspect CONTRACTOR's work and rate it according to the maintenance standards and inspection criteria, attached as Exhibits A – H to

CITY's Request for Proposals (EXHIBIT "B"). CONTRACTOR will be paid for work rated as "meets standards." CONTRACTOR will not be paid for work rated as "below standard" until conditions improve and rate as "meet standards" if the below standard work is attributed to neglect on the part of CONTRACTOR. If an area does not meet CITY standards, it will be considered "below standard." CONTRACTOR will not be paid additional amounts for remedial work required to improve "below standard" areas if the below standard work is attributed to neglect on the part of CONTRACTOR. CITY staff will work closely with CONTRACTOR to achieve the results described in the standards and inspection criteria. However, responsibility for meeting standards rests with CONTRACTOR.

5.2. During the first three (3) months of this Agreement, CONTRACTOR will receive one hundred percent (100%) of the monthly contract payment as set forth in EXHIBIT "C." During this period, CONTRACTOR will inspect the sites at least monthly and will discuss inspections with CITY. Following this period, CONTRACTOR shall perform quality assurance inspections a minimum of every month, or more frequently if deemed necessary by the CONTRACTOR.

5.3. CONTRACTOR will provide electronic versions of the monthly inspections to CITY by the 10th of the following month as to each site's compliance with CITY standards. An action plan with deadlines must be provided to CITY to indicate when corrections will be made if an area is deemed "below standard." Failure to turn in inspections by the deadline will result in monthly payments being withheld until inspections are turned in.

5.4. CONTRACTOR agrees that CITY will suffer damages if any scheduled use, (including, but not limited to, special events or recreation programs) of CITY facilities are impacted by neglect on CONTRACTOR's part. Any costs associated with re-scheduling the

event/activity/program will be the responsibility of CONTRACTOR. Such costs include, but are not limited to, staffing costs (e.g., officials' salaries, part-time staff salaries, stand by salaries), light costs, costs associated with preparation of fields (e.g., dragging, watering and lining of fields), and mowing costs.

5.5. For any site that fails to meet CITY standards as a result of some action that is CONTRACTOR's responsibility, CONTRACTOR is to notify CITY immediately and develop a plan to bring the site into compliance as outlined in Section 5.3. Should CITY discover a site(s) that does not meet CITY standards, and CITY has not been notified by CONTRACTOR, CONTRACTOR will be put on notice in writing to bring the site back into compliance. The following penalty will result:

(a) The monthly payment for the specific site(s) will be withheld by CITY until the site is back in conformance with CITY standards.

(b) If conformance is reached within thirty (30) days of notice, CITY will release one hundred percent (100%) of the payment.

If CITY is required to send a notice to CONTRACTOR a second time at the same site within twelve (12) months of the initial notice, the following penalty will occur:

(a) CITY will withhold the monthly payment for the site. If conformance is reached within thirty (30) days of CITY's notice, CITY will release eighty percent (80%) of the payment, keeping twenty percent (20%) as a penalty.

If CONTRACTOR does not bring the site into conformance within thirty (30) days of CITY's notice, the following penalty will occur:

(a) CITY will keep the monthly payment as a penalty and withhold the next month's payment following the above-mentioned conditions until conformance is reached or this Agreement is terminated.

5.6. The parties will observe the following problem resolution process:

- (a) Written notice of the problem.
- (b) Field conference with inspector/CONTRACTOR's field representative to identify problem and agree on solution as presented by CONTRACTOR.
- (c) Conference between CITY's representative and CONTRACTOR's principal.
- (d) Imposition of penalties and/or correcting defect at CONTRACTOR's cost.
- (e) Termination of the Agreement.

6. Changes in Work.

6.1. CITY may, from time to time, request changes to this Agreement or the Work as provided in Section 4.2.32 of EXHIBIT "B". All such work shall be performed pursuant to the terms of this Agreement, unless specifically provided otherwise at the time the change is ordered. Requests for changes in work shall be made in writing by the applicable Parks Manager or their designee and shall describe in detail the proposed additions, deletions, or modifications to the Work. CONTRACTOR shall respond to such request in writing, with a statement of the costs, expenses, and time required to perform the requested work. Neither the CITY's request nor the CONTRACTOR's response shall constitute a modification of this Agreement. Any modification shall be contained in a written amendment to this Agreement signed by an authorized representative on behalf of CITY. CITY's execution of the amendment

shall constitute authorization to proceed with the changed work and will specify: (1) the work to be done in connection with the change to be made; (2) the amount of the adjustment of the contract price, if any, and the basis for compensation for the work ordered; and (3) the extent of the adjustment in the contract time, if any.

6.2. Except in the case of an emergency, CONTRACTOR shall make no changes in the Work or perform additional work without a written amendment to this Agreement. CONTRACTOR shall not be compensated for any work performed without any such written amendment. In no event shall CITY pay for additional work made necessary by CONTRACTOR's errors or oversights. In the case of an emergency and upon receipt of a written directive by the CITY's Parks Manager or their designee, CONTRACTOR shall proceed with the ordered work and CITY will prepare a written contract amendment as soon thereafter as practicable.

6.3. If CITY directs CONTRACTOR in writing to make changes in the Work that materially affect the cost of performing the Work, the contract price will be adjusted based on one or more of the following methods in the order of precedence listed below:

- (a) Unit price previously agreed upon in this Agreement.
- (b) An agreed lump sum.
- (c) CONTRACTOR's actual cost for labor, direct overhead, materials, supplies, equipment, and other services necessary to complete the extra work.
- (d) Reduction or addition of tasks and/or parcels.

6.4. Disagreement by CONTRACTOR with CITY's determination of the need for, or amount of, an adjustment in contract price or contract time associated with an approved

contract amendment, or disagreement by CONTRACTOR with CITY's determination that a change has not occurred and no contract amendment is needed, shall not, under any circumstances, relieve CONTRACTOR from its obligation to promptly begin and diligently complete the work, including the change, as described in the approved contract amendment.

6.5. In the event CONTRACTOR encounters any unanticipated conditions or contingencies that may affect the Work and would result in an adjustment in the amount of the contract, CONTRACTOR shall so advise CITY in writing immediately upon notice of such condition or contingency. The written notice shall explain the circumstances giving rise to the unforeseen condition or contingency and shall set forth the proposed adjustment in compensation resulting thereof. No adjustment in contract price will be made except by a written amendment to this Agreement.

7. Claims. If any dispute shall arise between CITY and CONTRACTOR regarding performance of the Work, or any alleged change in the Work, CONTRACTOR shall timely perform the disputed work and shall give written notice of a claim for additional compensation to CITY within ten (10) days after commencement of the disputed work. CONTRACTOR's failure to give written notice within the ten (10) day period constitutes an agreement by CONTRACTOR that it will receive no extra compensation for the disputed work.

8. Stop Notices. CITY may withhold payment under this Agreement pursuant to stop notices, if any, as required by law and CITY's Administrative Regulation 4.01.

9. Prevailing Wages. For purposes of this Agreement, CONTRACTOR and its Subcontractors shall comply with all applicable prevailing wage laws, e.g., but not limited to, California Labor Code Sections 1770 et seq. In accordance with said Section 1775, CONTRACTOR shall forfeit as a penalty to the City Two Hundred Dollars (\$200) for each

calendar day or portion thereof for each worker paid less than the prevailing rates for such work or craft in which such worker is employed for any work done on-Site under the Agreement by CONTRACTOR or by any Subcontractor in violation of the provisions of the Labor Code and in particular, Labor Code Sections 1770 to 1780, inclusive. In addition to said penalty and pursuant to said Section 1775, the difference between such stipulated prevailing wage rates and the amount paid to each worker for each calendar day or portion thereof for which each worker was paid less than the stipulated prevailing wage shall be paid to each worker by CONTRACTOR or the applicable Subcontractor.

Pursuant to the provisions of California Labor Code Sections 1773, the Public Works Department has identified the source, stated below, of the General Prevailing Rate of Wages applicable to the work to be done, for straight time, overtime, and holiday work. The holiday wage rate listed shall be applicable to all holidays recognized in the collective bargaining agreement of the particular craft, classification or type of worker concerned. These wage rates may be obtained from the State Department of Industrial Relations and/or the following website address: <http://www.dir.ca.gov/dlsr/DPreWageDetermination.htm>.

Pursuant to Labor Code Section 1773.2, General Prevailing Wage Rates set forth above, which forms a part of this Agreement, shall be posted by CONTRACTOR at a prominent place at the site. Prevailing wage rates to be posted at the site will be furnished by the Department. The possibility of wage increases is one of the elements to be considered by CONTRACTOR in determining its Proposal, and will not under any circumstances be considered as the basis of a claim against CITY or the Agreement.

10. Contractor Registration. No contractor or subcontractor may work on a public works project unless registered with the Department of Industrial Relations pursuant to Labor

Code section 1725.5. During the performance of this Contract, CONTRACTOR and its subcontractors shall have a continuing legal obligation to maintain current registration with the Department of Industrial Relations. CONTRACTOR is hereby notified that this Project is subject to compliance monitoring and enforcement by the Department of Industrial Relations.

11. Bonds. For all work under this Agreement, CONTRACTOR shall furnish and deliver to CITY a Faithful Performance Bond and a Labor and Materials Bond on CITY supplied forms issued by an admitted surety prior to, and as a condition precedent to, commencement of services. Such bond shall remain in effect during the entire term of this Agreement or may be renewed on an annual basis.

12. Licensing Laws. CONTRACTOR shall comply with all licensing laws as set forth in Exhibit B. CONTRACTOR shall be deemed in automatic and immediate breach of this Agreement for failure to comply with licensing laws.

13. Indemnification. To the fullest extent allowed by law, CONTRACTOR shall defend, indemnify, and save and hold harmless CITY, its officers, agents, employees and volunteers from any claims, suits or actions of every name, kind and description brought forth, or on account of, injuries to or death of any person (including but not limited to workers and the public), or damage to property, resulting from or arising out of CONTRACTOR 's willful misconduct or negligent act or omission while engaged in the performance of obligations or exercise of rights created by this Agreement, except those matters arising from CITY's sole negligence or willful misconduct. The parties intend that this provision shall be broadly construed.

CONTRACTOR's responsibility for such defense and indemnity obligations shall survive the termination or completion of this Agreement for the full period of time allowed by

law. The defense and indemnity obligations of this Agreement are undertaken in addition to, and shall not in any way be limited by, the insurance obligations contained in this Agreement.

14. Hazardous Chemicals and Wastes.

14.1. CONTRACTOR shall bear full and exclusive responsibility for any release of hazardous or non-hazardous chemicals or substances during the course of performance of this Agreement. CONTRACTOR shall immediately report any such release to CITY. CONTRACTOR shall be solely responsible for all claims and expenses associated with the response to, removal and remediation of the release, including, without limit, payment of any fines or penalties levied against CITY by any agency as a result of such release and shall hold harmless, indemnify and defend CITY from any claims arising from such release. For purposes of this section only, the term "claims" shall include: (i) all notices, orders, directives, administrative or judicial proceedings, fines, penalties, fees or charges imposed by any governmental agency with jurisdiction, and (ii) any claim, cause of action, or administrative or judicial proceeding brought against CITY, its officials, or employees, or for any loss, cost (including reasonable attorney's fees), damage or liability, sustained or suffered by any person or entity, including CITY.

14.2. If the performance of the services outlined by this Agreement creates any hazardous wastes, those wastes shall be properly disposed of according to federal, state and local laws, at the expense of CONTRACTOR. CONTRACTOR shall dispose of the wastes under its own Environmental Protection Agency Generator Number. In no event shall CITY be identified as the generator. CONTRACTOR shall notify CITY of any such hazardous wastes and CITY reserves the right to a copy of the results of any tests conducted on the wastes and, at its cost, to perform additional tests or examine those wastes, prior to its disposition. CONTRACTOR shall

hold harmless, indemnify and defend CITY from any claims arising from the disposal of the hazardous wastes, regardless of the absence of negligence or other malfeasance by CONTRACTOR.

15. Insurance. CONTRACTOR agrees to continuously maintain, in full force and effect, the following minimum policies of insurance during the term of this Agreement.

<u>COVERAGE</u>	<u>LIMITS OF LIABILITY</u>
Workers' Compensation	Statutory
Commercial General Liability	\$1,000,000 each occurrence \$2,000,000 aggregate Personal Injury: \$1,000,000 each occurrence \$2,000,000 aggregate
Automobile Liability	\$1,000,000 combined single limit
Professional Liability (errors and omissions)	\$1,000,000 per claim \$2,000,000 aggregate

a. Form. CONTRACTOR shall submit a certificate evidencing such coverage for the period covered by this Agreement in a form satisfactory to Risk Management and the City Attorney, prior to undertaking any work hereunder. Any insurance written on a claims made basis is subject to the approval of Risk Management and the City Attorney.

b. Additional Insureds. CONTRACTOR shall also provide a separate endorsement form or section of the policy showing CITY, its officers, agents, employees and volunteers as additional insureds for each type of coverage, except for Workers' Compensation and Professional Liability. Such insurance shall specifically cover the contractual liability of CONTRACTOR. The additional insured coverage under CONTRACTOR's policy shall be primary and noncontributory, as evidenced by a separate endorsement or section of the policy,

and shall not seek contribution from CITY's insurance or self-insurance. In addition, the additional insured coverage shall be at least as broad as the Insurance Services Office ("ISO") CG 20 01 Endorsement. Any available insurance proceeds in excess of the specified minimum insurance coverage requirements and limits shall be available to the additional insureds. Furthermore, the requirements for coverage and limits shall be: (1) the minimum coverage and limits specified in this Agreement; or (2) the full coverage and maximum limits of any insurance proceeds available to the named insureds, whichever is greater.

c. Cancellation/Modification. CONTRACTOR shall provide ten (10) days written notice to CITY prior to cancellation or modification of any insurance required by this Agreement.

d. Umbrella/Excess Insurance. The limits of insurance required in this Agreement may be satisfied by a combination of primary and excess insurance. Any excess insurance shall contain or be endorsed to contain a provision that such coverage shall also apply on a primary and noncontributory basis for the benefit of CITY (if agreed to in a written contract) before CITY's own insurance shall be called upon to protect it as a named insured.

e. Subcontractors. CONTRACTOR agrees to include in its contracts with all subcontractors the same requirements and provisions of this Agreement, including the indemnity and insurance requirements, to the extent they apply to the scope of the subcontractor's work. Furthermore, CONTRACTOR shall require its subcontractors to agree to be bound to CONTRACTOR and CITY in the same manner and to the same extent as CONTRACTOR is bound to CITY under this Agreement. Additionally, CONTRACTOR shall obligate its subcontractors to comply with these same provisions with respect to any tertiary subcontractor,

regardless of tier. A copy of CITY's indemnity and insurance provisions will be furnished to the subcontractor or tertiary subcontractor upon request.

f. Self-Insured Retentions. All self-insured retentions ("SIR") must be disclosed to Risk Management for approval and shall not reduce the limits of liability. Policies containing any SIR provision shall provide or be endorsed to provide that the SIR may be satisfied by either the named insured or CITY. CITY reserves the right to obtain a full certified copy of any insurance policy and endorsements. The failure to exercise this right shall not constitute a waiver of such right.

g. Waiver of Subrogation. CONTRACTOR hereby agrees to waive subrogation which any insurer of CONTRACTOR may acquire from CONTRACTOR by virtue of the payment of any loss under a Workers Compensation, Commercial General Liability or Automobile Liability policy. All Workers Compensation, Commercial General Liability and Automobile Liability policies shall be endorsed with a waiver of subrogation in favor of CITY, its officers, agents, employees, and volunteers for all work performed by CONTRACTOR, its employees, agents and subcontractors.

h. Liability/Remedies. Insurance coverage in the minimum amounts set forth herein shall not be construed to relieve CONTRACTOR of liability in excess of such coverage, nor shall it preclude CITY from taking such other actions as are available to it under any other provisions of this Agreement or law.

CITY may withhold any payment under this Agreement at any time CONTRACTOR fails to comply with this section.

16. Risk of Loss. All loss or damage arising from any unforeseen obstruction or difficulties, either natural or artificial, which may be encountered in the execution of the Work,

or the furnishing of the supplies, materials, or equipment, or from any action of the elements prior to final written acceptance of the Work, or of the supplies, materials or equipment, or from any act or omission not authorized by this Agreement on the part of the CONTRACTOR or any agent or person employed by it, shall be sustained and borne solely by the CONTRACTOR.

17. Records/Audits.

17.1. CONTRACTOR and its subcontractors shall establish and maintain records pertaining to this Agreement. CONTRACTOR's and subcontractors' accounting systems shall conform to generally accepted accounting principles and all records shall provide a breakdown of total costs charged under this Agreement, including properly executed payrolls, time records, invoices and vouchers.

17.2. CONTRACTOR shall permit CITY and its authorized representatives to inspect and examine CONTRACTOR's books, records, accounts, and any and all data relevant to this Agreement at any reasonable time for the purpose of auditing and verifying statements, invoices, or bills submitted by CONTRACTOR pursuant to this Agreement and shall provide such assistance as may be reasonably required in the course of such inspection. CITY further reserves the right to examine and re-examine said books, records, accounts, and data during the three (3) year period following the termination of this Agreement. CONTRACTOR shall in no event dispose of, destroy, alter, or mutilate said books, records, accounts, and data in any manner whatever for this three-year period.

18. Time is of the Essence. Time is of the essence of this Agreement.

19. Compliance with Laws.

19.1. CONTRACTOR shall comply with all federal, state and local laws and ordinances as may be applicable to the performance of services under this Agreement.

CONTRACTOR shall, if requested by CITY, provide certification and evidence of such compliance.

19.2. CONTRACTOR must insure that employees and applicants for employment are not discriminated against on the basis of age, color, race, national origin, ancestry, religion, sex, sexual preference or marital status, and shall comply with the Americans with Disabilities Act.

20. Ability to Perform. CONTRACTOR agrees and represents that it has the time, ability and professional expertise to perform the services required under this Agreement.

21. Governing Agreement. In the event of any conflict between this Agreement and its EXHIBITS, the provisions of this Agreement shall govern. In the event of a conflict between EXHIBIT "A" and EXHIBIT "B," EXHIBIT "B" shall prevail. In the event of a conflict between EXHIBIT "A" and EXHIBIT "C," EXHIBIT "C" shall prevail.

22. Assignment. CONTRACTOR is employed to perform unique personal services. CONTRACTOR shall not assign this Agreement without the prior written consent of City. CONTRACTOR shall not employ or otherwise incur any obligation to pay other specialists or experts for services in connection with this Agreement, without prior written consent of CITY.

23. Independent Contractor. CONTRACTOR shall act as an independent contractor, and covenants and agrees that it will conduct itself consistent with such status, that it will neither hold itself out as, nor claim to be, an officer or employee of CITY by reason of this Agreement.

24. Representation and Warranties.

24.1. CONTRACTOR warrants that it has not employed or retained any company or person, other than a bona fide employee working for CONTRACTOR, to solicit or secure this Agreement, and that it has not paid or agreed to pay any company or person, other

than a bona fide employee, any fee, commission, percentage, brokerage fee, gift or any other consideration, contingent upon or resulting from the award or making of this Agreement. For breach or violation of this warranty, CITY shall have the right to terminate as void this Agreement, without liability, or, in its discretion, to deduct from the Agreement price or consideration, or otherwise recover, the full amount of such fee, commission, percentage, brokerage fee, gift or contingent fee.

24.2. CONTRACTOR covenants that neither it, nor any officer or principal of its firm, has, or shall acquire any interest, directly or indirectly, which would conflict in any manner with the interests of CITY or which would in any way affect CONTRACTOR's performance of Work under this Agreement. CONTRACTOR further covenants that in the performance of this Agreement, no person having any such interest shall be employed by it as an officer, employee, agent or subcontractor without the express written consent of CITY. CONTRACTOR agrees to at all times avoid conflicts of interest, or the appearance of any conflicts of interest, with the interests of CITY in the performance of this Agreement.

24.3. Contractor also warrants to CITY, its successors, and assigns that the title to the materials, supplies or equipment covered by this Agreement, when delivered to CITY or to its successors or assigns, is free from all liens and encumbrances. Furthermore, CONTRACTOR warrants that all materials, supplies and products furnished meet the requirements and conditions of this Agreement and are fit for the purposes intended.

25. Successors in Interest. This Agreement shall be binding upon the heirs, successors, executors, administrators and assigns of the respective parties hereto.

26. Termination of Agreement. CITY may terminate this Agreement without cause by giving CONTRACTOR thirty (30) days advance written notice. In the event of termination

through no fault of CONTRACTOR, CITY shall compensate CONTRACTOR for services performed as of the date of termination, upon the release to CITY of all documents, papers, maps, photos, drawings, and reports prepared hereunder, in any and all media or formats in which such materials have been created or are maintained. CONTRACTOR acknowledges that CITY may terminate this Agreement in its sole discretion should funds not be appropriated by its governing body to continue services under this Agreement. CONTRACTOR may terminate this Agreement without cause by giving CITY ninety (90) days advance written notice.

27. Attorney's Fees; Venue; Governing Law. If either party commences any legal action against the other party arising out of this Agreement or the performance thereof, the prevailing party in such action shall be entitled to recover its reasonable litigation expenses, including but not limited to, court costs, expert witness fees, discovery expenses, and attorneys' fees. Any action arising out of this Agreement shall be brought in Placer County, California, regardless of where else venue may lie. This Agreement shall be governed by and construed in accordance with the laws of the State of California.

28. Notices. Any notices to parties required by this Agreement shall be delivered personally or mailed, U.S. first class postage prepaid, addressed as follows:

CITY OF ROSEVILLE

Brian Castelluccio
Parks Manager
316 Vernon Street, Ste. 400
Roseville, CA 95678

CONTRACTOR

Darin Sherlock
Regional Operations Manager
2972 Larkin Avenue
Clovis, CA 93612

Either party may amend its address for notice by giving notice to the other party in writing.

29. Severability. In the event that any covenant, condition or other provision of this Agreement is held to be invalid, void or illegal by any court of competent jurisdiction, the same

shall be deemed severable from the remainder of this Agreement and shall in no way affect, impair or invalidate any other covenant, condition or other provision of this Agreement.

30. Integrated Agreement. This is an integrated agreement and contains all of the terms, considerations, understanding and promises of the parties. It shall be read as a whole.

31. The Levine Act Disclosure. The Levine Act (Govt. Code, Section 84308) requires a Party (and its agent(s), if any) to a Proceeding before the City of Roseville that involves any action or consideration related to their contract, license, permit, or other entitlement for use, to disclose any campaign contributions made to CITY elected or appointed officers totaling more than \$250 within the twelve (12) months prior to the CITY decision and while a proceeding is pending, and includes certain prohibitions on contribution activity thereafter. If applicable campaign contributions have been made by CONSULTANT and/or its agent(s), CONSULTANT is responsible for compliance, including for its disclosure obligations, if any, as further described at

https://www.roseville.ca.us/government/departments/city_clerk/transparency/levine_act.”

IN WITNESS WHEREOF, the City of Roseville, a municipal corporation, has authorized the execution of this Agreement in duplicate by its City Manager and attested to by its City Clerk under the authority of Resolution No. _____, adopted by the Council of the City of Roseville on the ____ day of _____, 20__, and CONTRACTOR has caused this Agreement to be executed.

Contractor’s Proposal

July 7, 2024

City of Roseville
311 Vernon Street
Roseville, CA 95678

RE: RFQ 13-146 PARKS AND LANDSCAPE MAINTENANCE SERVICES

Attn: City Clerk Department

Enclosed is EMTS, Inc. (Elite's) Business Proposal for the above referenced project. Elite has been servicing municipal public works since the mid-90's in the Central Valley and with our now 225+ team members, we are in the right position to provide the professional landscape management you need. We provide professional landscape management for multiple types of businesses including but not limited to HOA's, health care, industrial, multi-family, retail facilities and municipalities.

We are headquartered at 2972 Larkin Avenue, Clovis, CA 93612, with five branches serving Central and Northern California territories and additional satellite Yards. Your assigned dispatch Facility is located at 8100 Sunrise Blvd., Citrus Heights, CA 95610. All crews and Management will be based here.

For all communications during the bidding process, please contact myself and Luis:

Darin Sherlock | Manager | 209.316.2915 | darins@eliteteamoffices.com

Luis Villarruel | Operations | 559.765.8560 | luisv@eliteteamoffices.com

We understand how important it is to maintain a safe, sanitary and healthy living environment for the City of Roseville, your visitors and residents. Thank you for your consideration, I am looking forward to working with you and your team.

Sincerely,

A handwritten signature in dark ink, appearing to read "Darin", with a stylized flourish extending to the right.

Darin Sherlock
Regional Operations Manager

TAB A: Firm's Qualifications

Enclosed is EMTS, Inc. (Elite's) Business Proposal for the above referenced project.

We are EMTS, Inc. ("Elite") under the parent company ETO, Inc. Today we celebrate over 35 years of business since the establishment of what began as a small home-based landscape maintenance company in 1987. The Elite Team of Companies includes Elite Landscape Construction, EMTS, Elite Private Landscape, Stockbridge General Contracting, Live Action General Engineering, SRVC, Lokes Rental Equipment, and Stock Five Development. Elite has been servicing municipal public works since the mid-90's in the Central Valley and with our now 225+ team members, we are in the right position to provide the professional landscape management you need. We provide professional landscape management for multiple types of businesses including but not limited to HOA's, health care, industrial, multi-family, retail facilities, and municipalities for cities such as but not limited to City Visalia, County of Fresno Clovis, Paso Robles, Kern County, Bakersfield, Modesto, Madera, Merced, Ceres, and Reedley.

We are a California Corporation and are headquartered at 2972 Larkin Avenue, Clovis, CA 93612, with five branches serving Central and Northern California territories and additional satellite Yards. Your assigned dispatch Facility is located at 8100 Sunrise Blvd., Citrus Heights, CA 95610. All crews and Management will be based here. Supervisory staff is headed by Benjamin Canterbury-Branch Manager. Please see *attached "key staff"* for additional team members and roles. Elite will perform the necessary work in-house and does not anticipate the onboarding of Subcontractors.

For all communications during the bidding process, please maintain communications with:

Darin Sherlock

Regional Operations Manager

Professional Experience

Darin got his start in the beverage industry. He worked in customer service, merchandising, and sales. His understanding of the product and sales funnel made him a perfect fit as Operations Supervisor. In 1998, he became a sales manager in the auto industry to balance his passion for both sales and operations.

After eight years, Darin ventured into consultant work. Which proved so lucrative he was convinced to join the landscape industry in 2007. This introduction led to the rest of his career. Darin's resume encompasses fertigation, business development, and operations and branch management.

Darin built crews and relationships over his fifteen years in the industry. This allowed his growth plan to deliver \$20+ million in services. In 2022, Darin transitioned to EMTS. As Regional Operations Manager, Darin can combine his passion for developing relationships and maximizing efficiencies.

Experience

15+ Years - Landscape

30+ Years - Operations Mngmt.

Luis Villarruel

Divisional Operations Manager

Professional Experience

Luis' family owned a residential landscape maintenance company that introduced him to the landscape industry. Over the weekends, Luis shadowed his dad to learn about the business before transitioning into providing maintenance. Luis worked alongside his family for eight years before deciding to join a national landscape provider as an Enhancement Foreman.

Luis was dedicated to the trade, in lieu of college, and in 2018 was promoted to Irrigation Tech, where he earned his QWEL certification, then to Account Manager. In 2022, Luis switched companies to become a Branch Manager which led to his recent move to EMTS Divisional Operations Manager.

Joining EMTS required relocation to the Central Valley and adapting to a new culture, both of which were what captured Luis' attention in the first place. His belief in the growth opportunities provided by the landscape industry is what makes him such a great fit to serve EMTS' team and clients.

Experience

10+ Years

Certifications

QWEL - Qualified Water
Efficient Landscaper

Benjamin Canterbury

General Manager - North Valley

Professional Experience

Upon graduating high school, Ben got a landscape maintenance job at a Country Club. After three years, Ben changed careers to expand his knowledge. He welded/paved for two years before establishing it was time to return to landscape.

Ben joined a construction and maintenance company where he started as a laborer and was quickly promoted to Foreman, building schools and operating equipment. This cemented Ben's passion for the industry. After seven years, he was promoted to Service Tech then Maintenance Supervisor, and spent 10 years troubleshooting and managing large contracts.

In 2019, Ben became an Account Manager and covered the Fresno to Sacramento area. After two years of consistent travel, Ben joined EMTS to be a part of a team while being close to home. Ben's work with his crews to maintain the Northern Valley's landscape lead to his promotion to General Manager

Experience

25+ Years

Certifications

First Aid/CPR Certified

Alejandro Castaneda

EMTS Account Supervisor

Professional Experience

Alejandro got an early start on the landscape industry in 2008 when he was given the opportunity to work on a small private landscape company. This early first-hand exposure in landscape helped him expand his knowledge on which would later become the career he would focus on.

After three years of working for the same business, Alejandro decided to move into a larger landscape company to collect further experience on wider projects and teams. Alejandro focused on learning new skills and moving up the ranks; from a Laborer to a Crew Leader, an Irrigator and finally a Supervisor within the ten years that he remained there.

Alejandro Joined EMTS in 2021 as a Maintenance Supervisor. His extensive knowledge of both labor and planning adds great value to the team. He is highly motivated to do a great work which is the cornerstone of his success.

Experience

15+ Years

Certification

Irrigation Specialist

TAB C: Staffing, Resources and Service Description

Resources

Our crew will possess the most current and up-to-date tools available, as to best service this project. Our crew will have a fully stocked Ford F-250 truck, complete with shovels, brooms, pitch forks, rakes, pruners, wheelbarrow, hoes, chainsaws, leaf blowers, burlaps, etc. to manicure each site thoroughly. As demonstrated in our Equipment Table *see attached* we will equip some of these trucks with trailers that will hold our mowers and other specialized equipment for renovations and athletic fields if needed. Our shears, trimmers, mowers, and blades are constantly sharpened for the best cutting edge possible, so as to not damage the plants. To ensure timely management, should a piece of equipment fail our crews have access to both our mobile and in-house mechanic to make the necessary repairs as well as access to our in-house equipment rental service, Lokes, to prevent any services from stalling or fulfill extra work if any additional heavy equipment is needed.

Staffing

Crews identified in the custom work flow chart *attached under "Tab A"* will provide turf care service to all the parks, including mowing, leaf abatement, hazard checks, hardscape blowing, and all detailing. Two of our top Irrigation teams will be out on specific routes. We have experienced spray technicians who will work independently at the direction of the field supervisor to perform chemical and non chemical weed control efforts. In addition from our dispatch yard we manage an enhancement team for installation and renovations or any large projects like weed abatement and turf renovation. We have these enhancement crews separate from our maintenance crews to perform extra billable work.

We offer training for entry-level employees and a career path for growth to all levels of employees. New hires are given LEVEL 1 training which covers: onboarding, safety, quality, technical skills, and equipment training/certification. With ongoing training and coaching they will acquire new skills and develop professionally and grow in their careers at Elite

We maintain a commitment to cross-training team members and keeping up- to-date records. Record maintenance allows EMTS to compare various skill sets of team members with required abilities so we can perform all work and fill operating personnel roles should anyone become unavailable. This program not only increases team member satisfaction and retention, it also ensures the delivery of ready, trained, safe and enabled crews who provide consistent, quality service to our customers.

Approach

We will work with the City of Roseville in advance to discover any new events and immediate needs of the sites to be taken over. Through a constructive dialog that will carry over as the project is transitioned from the departing contractor our expert Supervisors will mobilize various crews as demonstrated by the custom designed work flow chart *attached under "Tab A"*. We will prepare a landscape horticultural analysis of the existing landscape using the objective of the landscape master plan. The first step would be photo documentation to illustrate existing conditions and assist with the determination of specification for

improvement. Improvement areas will be designated as those areas impacting site safety, the status of the irrigation system, shrubs, hedges, and groundcover. Also, safety inspections of the entire job sites regarding possible hazards and safety concerns. Such inspections will result in our thorough knowledge and understanding of all the sites conditions, requirements and areas that need improvement.

Yearly Maintenance Schedules are prepared at the onset of the contract for a yearly basis per the scope of work, for seasonal tasks. Weekly Schedules of each type of work activity will be submitted to the Contract Manager at the specified due date. They will include the maintenance date for each location and time slot. Any changes will be submitted to the Contract Manager five working days prior. In our 90 day start up we will submit a watering and irrigation system checks schedule, routed for all the parks. Mow crew and Detail crew schedule will include a path of travel, so that the county personnel knows at all times where the crews will be. Proper routing will reduce wasted time, inefficient service, lower use of fuel for the vehicles and minimize accident rates. *See proposed mow crew route attached*

Our methodology for keeping up with the Parks maintenance operations will be executed by various teams distributed by carefully designed routes. One full-time Field Supervisor with well over five (5) years experience in municipality work will be head of our team and complete the Monthly self-Inspection forms and compile the other necessary reporting forms. One certified spray tech will work throughout the entire designated properties to manage pesticide and herbicide applications and complete Monthly chemical reports.

At 65 facilities under the category "Parks" two (2) Mow Crews comprised of (2) two-laborers and one(1) crew-leader **each**, will work together to accomplish all Mow Work, Edging and Inspections. Two (2) Detail Crews comprised of (2) two-laborers and one(1) crew-leader **each**, will work together to manage all hardscape, trails, shrubs and plant beds, litter and inspections. The Irrigation and water management will be managed by two (2) top Irrigation technicians, who are proficient in ICC pro and Calsense central control systems, they will expertly complete the Daily Irrigation Punch List and reports. Weed control and Inspections is everybody's responsibility; it will be our supervisor's role to be directly involved in the planning and implementation of a Weed Program an IPM uniquely designed for the city.

Crew Leadmen are capable, well experienced in municipal contracts of this size, are proficient in best horticultural practice and California natives. They will work throughout the entire designated properties to manage pesticide and herbicide applications and complete Monthly chemical reports. At this level they will all have the technical skills and training to operate equipment and organize and manage safe traffic control and will be responsible for completing the daily/weekly communications with the city. We can also provide our in-house Certified Arborist should the need arise, he too has the responsibility of providing annual training to our crews.

Service rotation will be managed by two crews organized into East and West areas respectively. Through a constructive dialog that will carry over as the project is transitioned from the departing contractor our expert team will mobilize various crews as demonstrated by the custom designed matrix [attached](#)

TAB D: Project Understanding

Our goal is to maintain properties in pristine condition and provide our clients the best value through Operating Standards and our Core Values:

Our standards by which we make decisions:	Key behaviors that define what is important to Elite and our team members:
• Safety • Quality • Image • Efficiency	• Adaptable • Integrity • Perseverance • Teamwork

Safety

Safety will be our utmost priority and we emphasize that our crews ensure jobsites are protected/safeguarded before leaving the property. Elite has safety equipment, signs, extinguishers and a PPE incentive program in place (see attached "Incentive" handout). Taking part in Weekly Occupational health and safety tailgate meetings is required for all field level staff. We cover refreshers in topics of safety to the public, team and person as well as quality control measures and infectious disease safety. When accidents have occurred, we re-enact the incident to educate other employees by demonstrating how the accident occurred and what we could do to prevent it from occurring again. When no incidents have taken place every 90 days we reward the team with lunches or prizes.

In regard to supplies and chemicals, the QAL trains his personnel how to effectively and safely apply and dispose of chemicals used in the field as well as emergency procedures established by our IIPP guide, such as prevention as to avoid getting hurt or being exposed to toxic materials. [see attached "Safety Program Support Documents"](#) All Elite teams follow safety measures according to California State Law and likewise we will observe the local authority code. We employ OSHA certified Safety Manager, Zack Jakusz, that oversees all branches receive continuous updates and teams are following the appropriate steps; additionally, he is responsible for our reporting status.

Turf Management

We train our field team the importance of water efficiency, weed control and fertilizer requirements. They understand the difference between a quality mowing by maintaining proper height and sharp blades on our mowers. We also distribute quality job aids to our Crew in conjunction with their training, ensuring the highest quality standards.

Elite especially recognizes that the City's sports fields are a highly valued and highly trafficked landscape attribute for which we have well trained staff that do the work professionally, effectively, and beyond the expectations of those using these areas. Our teams will be trained by our field supervisor to assist us in getting even coverage and proper application of fertilizer

Leaf season can be a challenge and we can offer the city equipment to handle it in a timely manner. We have multiple leaf vacuums, grinders and large dump trucks for quick and efficient loading of the leaves. When the leaf fall is not significant the mow crew mulches the leaves into the grass.

The mowing is scheduled and geographically routed. For the 65 park price schedule we calculate approximately 8-10 acres will be covered on a Daily. For the Alternate Parks we aim to cover 12 acres daily with the help of larger equipment. [See equipment list under Tab C](#). Crews will provide turf care service to all the parks and open space areas, including mowing, leaf abatement, hazard checks, hardscape blowing, and all detailing.

Weed and Pest Control

To ensure a healthy and well-kept plant community, we will implement preventative measures and when the need arises will take active measures to ensure quality flora. Foremen are trained on a regular basis and will notify the Supervisor of any pest or disease that is present. We are always on the lookout for *Target Pests*, and seasons will always be a consideration.

All field staff are trained annually on safe and proper handling of pesticides. Not every person is expected to spray, but we want to ensure that the staff knows how to handle it in case of an emergency.

When action is necessary QAL certified personnel will inspect, assess, and select proper chemicals and if possible, recommend environmentally sound organic products for this purpose. On approval of the City our crew will proceed with proper application and certified personnel supervision.

COMPLIANCE WITH SAFETY POLICY

The Safety Representative and Managers are responsible for ensuring that the policies in the IIPP are clearly communicated and understood by all applicable team members. Managers and supervisors are expected to enforce the IIPP policy and procedures to meet EMTS' safety objectives. All team members are expected to comply with the IIPP as well as applicable safety regulations. Compliance efforts will include but are not limited to:

The Safety Representative and Managers shall:

- Provide guidance, advice, and information to all team members regarding our IIPP
- Develop clear safety responsibilities for job descriptions that team members are evaluated by
- Develop policy and procedure that ensure effective compliance with the IIPP
- Coordinate training for workers whose safety performance is deficient
- Ensure scheduled periodic safety inspections are performed in compliance with regulatory requirements and assist management staff in identifying unsafe or unhealthful conditions
- Ensure safety and health training programs comply with regulatory requirements and company policy
- Maintain safety and health records consistent with the requirements of this IIPP and regulatory mandates
- Ensure program audits are performed as required by scheduled processes, equipment or personnel change, or Safety Policy and Procedures mandate
- Interpret existing or pending safety and health legislation and recommend appropriate compliance strategies to Management and team members
- Conduct at least an annual review of this document, implement revisions as needed, and make the current revision available on the company Intranet
- Ensure continuous improvement of the Safety Policy and Procedures, training methods, and communication to meet changing work environments and eliminate hazardous exposure

Managers and Supervisors shall:

- Develop and maintain Area/Job specific safety procedures
- Establish and enforce clearly outlined safety responsibilities for their team members
- Conduct and document preliminary investigations of all reported industrial injuries and illnesses
- Provide and document on the job specific safety training
- Maintain current Safety Data Sheets (SDS) for all hazardous materials used in their specific Areas
- Ensure that all hazardous materials are properly labeled, stored and, as appropriate, identified for disposal
- Conduct and document periodic safety inspections of facilities, jobsites, equipment and projects to identify unsafe conditions and practices
- Ensure that all team members are provided with appropriate personal protective equipment (PPE) and are trained on the proper use and maintenance of such equipment
- Follow training and safety and health recordkeeping requirements as specified by this IIPP and supporting documents
- Evaluate safety performance of all workers
- Recognize team members who perform safe and healthful work practices
- Discipline workers for failure to comply with safe and healthful work practices

Team members shall:

- Never perform any work for which they have not been properly trained and equipped or which they feel is unsafe
- Implement established safe work practices at all times while performing their duties. This also includes accountability for using required PPE for protection against identified hazards
- Report all injuries and near misses, no matter how minor, to their Supervisor
- Report all unsafe conditions to their immediate supervisor
- Comply with all applicable company safety and health policies and procedures

SAFETY COMMUNICATION

Open, two-way safety communication is essential to the success of this program. Our system of communication is designed to facilitate a continuous flow of information covering workplace hazards, safe working conditions, safe work practices, and use of personal protective equipment.

The following communications are provided in support of this IIPP to communicate matters of occupational safety and health, and help ensure our team members are capable of identifying, evaluating and controlling work place hazards.

All Safety Representatives, Managers and Supervisors are responsible for communicating with all workers about occupational safety and health, including safety training, in a language that is understood by the team member. Our communication system encourages all workers to inform their managers and supervisors about workplace hazards without fear of reprisal.

Safety communication will be provided by the following:

- New worker orientation, including a discussion of this IIPP and company safety policies and procedures.
- Team member safety training for regular and specialized duties or tasks.
- Periodic reviews of safety policies and procedures.
- Workplace safety and health training programs.
- Regularly scheduled safety meetings.
- Posted and/or distributed safety information.
- A system for workers to anonymously inform management about workplace hazards.

Safety is Always First at Elite

SAFETY INCENTIVE PROGRAM

PURPOSE

The purpose of this program is to promote workplace safety through positive reinforcement of observed safe behaviors and voluntary participation in various safety/risk programs.

OBJECTIVE AND SCOPE

Elite Team Offices is committed to providing a safe workplace and has implemented this program to motivate and reward team members for proactive safety actions.

Our goal is to promote open discussion about safety at all levels of management, leading to safer workplace behaviors, a reduction in workplace injuries, and laying the foundation to build a better safety culture at Elite Team Offices; overall resulting in fewer workplace accidents and injuries.

ELIGIBILITY

All permanent, full-time, Elite team members are eligible to participate in the Safety Incentive Program.

DURATION

The incentive program period will be on a month-to-month basis (first through the end of each month).

Team members can only become disqualified from the Individual Safety Incentive Award under the following circumstances: (disqualification is only valid for the month in which the circumstance occurs)

- Lack of reporting an accident or willfully attempting to hide an accident
- Not wearing the proper PPE to perform work tasks as required
- Missing any required safety training/s

COIN SYSTEM

Always wearing P.P.E. is what we are looking to accomplish.

- Reporting qualified job site hazards (e.g. loose electrical wires, dangerous or life-threatening hazards)
- Submitting safety recommendations (e.g. new lifting techniques, new program/policy suggestions)
- Proof of completion of the daily safety inspection form of vehicle/trailer during safety checks

Supervisors can also provide coins for quality work and a positive, safe work environment.

COIN EXCHANGE

Once team members have received enough coins for their desired item, they can exchange their safety coins with the safety department to receive their prize.

ONLY COINS GIVEN TO YOU 10/9/23 AND ON WILL BE ACCEPTED!

Safety is Always First at Elite

WHAT TO DO IF YOU ARE INVOLVED IN AN ACCIDENT

1. Call the police (911), regardless of whether there are injuries
2. Call your Supervisor to report the accident, if there is no answer:
 - A. Leave a message
 - B. Then try calling the Safety Department
 - When reporting the accident, include:
 - A. Your name
 - B. Company you work for (e.g. EMTS)
 - C. Location of the accident
3. Gather and document the following information:
 - A. Number and type of vehicles involved, including license plate numbers
 - B. Name, address, and phone number of the other driver(s)
 - C. Take photographs of the other driver's registration card, proof of insurance, and driver's license
 - D. Take photographs of the other driver, any passengers, damage to all vehicles, and any property damage

**BE
SAFE**

How to Report an Accident

PURPOSE: The purpose of this instruction is to standardize the process for reporting an accident for all the Elite companies. For Elite Team Offices to ensure the Elite companies are successful, we need to ensure that reporting an accident is implemented efficiently.

POLICY: The proper way to report an accident will result in contacting the police, contacting the current supervisor, and gathering all documentation needed to complete the incident form.

RESPONSIBLE TEAM MEMBERS:

- Safety – Owner of this instruction
- Human Resources Manager

****ALL ACCIDENTS MUST BE REPORTED WITHIN 4 HOURS OF INCIDENT****

Procedure:

1. Call the Police (911)
2. Team Member will call their supervisor to report the accident.
 - a. If the Supervisor does not answer they will leave a message and call the Safety Coordinator @ 559.558.4742.
 - b. Alcohol screens will be given on all accidents.
 - c. Drug Test
3. When reporting the accident please include:
 - a. Team Members' name
 - b. The Company they work for (e.g., EMTS)
 - c. Location of the accident
 - d. Date and Time of accident
4. Gather and document the following information.
 - a. Fill out accident/incident investigation form.
 - i. Please give copies to the HR Manager and Safety
 - b. Vehicle Info
 - i. Number and type of vehicles involved, including license plate numbers.
 - ii. Name, address, and phone number of the other driver(s)
 - iii. Take photographs of the other driver's registration card, proof of insurance, and driver's license
 - iv. Take photographs of the damage to all vehicles and any property damage

How to Report an Injury

PURPOSE: The purpose of this instruction is to standardize how to report any injury to our Safety Department. For Elite Team Offices to ensure the Elite companies are successful, we need to ensure the injury instruction is implemented efficiently.

POLICY: An Elite injury must be reported to the safety manager as well as human resources with every incident.

RESPONSIBLE TEAM MEMBERS:

- Human Resources Manager
- Safety – Owner of this instruction
- Current supervisor

****ALL INJURIES MUST BE REPORTED WITHIN 4 HOURS OF INCIDENT****

Preparation: We are NOT sending any team members to the hospital unless it is a life-threatening emergency. Please make sure all team members understand the importance of reaching out to a supervisor right away when an injury occurs. At that point the supervisor determines the severity of the injury and will reach out to onsite right away.

Procedure:

1. Notify Safety or your Current Supervisor of the injury and/or accident that has occurred.
 - a. Safety or Supervisor MUST make the first contact NOT the employee.
 - i. Onsite 24/7 at 866-998-2750
 - b. Make sure to give On-Site our customer ID, protocol ID, and specify which company you work for (i.e., EMTS, ETO, etc.)
2. Supervisor must email the HR Manager the following information:
 - a. Employee name
 - b. Type of injury
 - c. A specific timeline of events on how the injury happened, for example:
 - i. Incident happened on 7/14/23 at 7:30am
 - ii. Witnesses were Jesus & Ernie
 - iii. Jesus fell off a ladder, cutting a tree and twisted his ankle.
3. Onsite will be dispatched directly to the site location.
 - a. Onsite will provide a report to Elite Team Offices
 - i. First aid response
 - ii. Drug & Alcohol test is a must!
4. Any employee sent to Concentra must have APPROVAL from the HR Manager.
5. If employees refuse medical treatment, please have the employee fill out medical refusal form.
6. The supervisor needs to take photos of the injury and what caused the injury.
7. The supervisor will fill out all Accident/Investigation forms.
8. Send Human Resources Manager an email with the copy of the DWC-1 form and investigation form.
9. In case of injury → ****For all life-threatening injuries call 911****
 - a. Please Refer to Onsite Safety form for injury descriptions.

TAB E: Customer Service and Quality Assurance

Elite uses an organized, proactive and productive approach to maintain our client's landscape. We have in place Multilayers of quality assurance which include our Internal assurance checks that are performed by the Crew Leaders and secondly the Account Supervisors. The additional quality control layer is handled by a second group Supervisory personnel (several eyes from the outside) who oversee multiple property types to keep a fresh eye and perspective on each project.

Elite offers training for entry level individuals, also a career path for growth to all levels of employees. With ongoing training our employees acquire new skills and develop professionally and grow in their careers at Elite. We maintain a commitment to cross-training team members and keeping up-to-date records. Record maintenance allows the project manager to compare various skill sets of team members with the required abilities in their craft so we can perform all the work and fill the operating personnel roles should anyone become unavailable. Taking part in Weekly tailgate meetings is required for all field level staff where we cover refreshers in topics of safety and quality control measures.

We employ OSHA certified Safety Manager, Zack Jakusz, that oversees all branches receive continuous updates and teams are following the appropriate steps; additionally, he is responsible for our reporting status and our IIPP employee handout.

We have the resources and assets at our disposal to better serve our customers. Our crew will possess the most current and up-to-date tools available, as to best service this project. We operate with minimal corporate overhead; this means more cost savings for our clients and faster reaction to concerns and requests. Our bonding capability is \$20M per contract and \$40M Aggregate and we can provide bank letters and other creditor letters of good standing. We are California Incorporated and as such EMTS also has established vendor-client relationships with several local landscape suppliers to accommodate all landscape maintenance supply needs.

Crew Leaders and Supervisors are equipped with I-phones and I-pads with web-based programs that allow for site inspections at each of our sites. All crews are to provide a minimum of one detailed report per month per job.

"BOSS ensures that all our customers are always in the know. "

This system allows our staff to map/ track a site's attributes and track personnel data, payroll, workorder assignments, and email communications. EMTS prides itself on being on the edge of cutting technology. All office and field personnel carry I-phones and I-

pads and all hours are captured and reconciled electronically which ensures proper labor and material coding to each job or project being completed. Elite's CRM system is a full encompassing CRM that allows for faster turnaround and ensures accurate information being relayed to our clients.

SCREENSHOT BOSS:

Click into Drive time

To ensure timely management, should a piece of equipment fail our crews have access to Mobile Mechanic Services in addition to our in-house mechanic to make the necessary repairs as well as access to rental equipment to prevent any services from stalling. We have several tractors and flail attachments for large weed abatement projects, tree trimming truck should the need arise and in-house equipment rental service, Lakes, if any additional heavy equipment is needed.

EMTS is part of Elite family of companies and we have additional resources all over California and through the United States in various fields of Landscape Maintenance, Landscape Construction, solar, and equipment rental.

TAB F: Chemicals

Desired results have historically been the driving force behind product choice and usage. Elite understands that results are what sets us apart from the competition. Our clients are very important to us but not all clients are the same. We use products that fit the needs and desired results of our client. Our first attempt at control of any pest is always changing cultural practices. Cultural practices usually are the least expensive option, they cause the least harm to the immediate environment and tend to have the best results; however, cultural changes also tend to take more time to achieve results. As the needs change from client to client and so do their expectation of the result or how to achieve it, cultural changes are always our first attempt. Changes can be made to watering times, amounts or even mowing heights and trimming practices to control pests of many kinds. Some cultural or environmental conditions cannot be changed like weather. Introduction of beneficial predators are considered when applicable. When an application of a product is needed the desired results are considered when choosing a method.

Prevention is our first consideration. When we are dealing with a post emerged situation and time is not available in the control method then an application of a product is appropriate. Our first attempt is to use or even test a "Green" product. If the desired results are not found, then a chemical option is considered. Cost, usage amount, and consumption in addition to desired results are considered when choosing a pest control product.

We will be using Cheetah pro for control of all weeds in hardscapes and tree wells. Speedzone Southern herbicide will be use for weed control in all turf and Semera Sc. Pre-emergent to help us with a longer hold on weed control. [See attached chemical sheet and sample reports.](#)

SAFETY DATA SHEET

EMERGENCY CALL: 1-800-424-9300 (CHEMTREC)

1. IDENTIFICATION

PRODUCT NAME: Semera SC
DESCRIPTION: Liquid herbicide
EPA Reg. No.: 91234-204
COMPANY IDENTIFICATION: Atticus, LLC
 5000 CentreGreen Way, Suite 100
 Cary, NC 27513

2. HAZARD IDENTIFICATION

WARNING

Suspected of damaging fertility or the unborn child (P361)
 May cause damage to bone marrow through prolonged or repeated exposure (P373)
 Very toxic to aquatic life with long lasting effects (P400+P410)

HAZARD CLASSIFICATION

Health Hazards	Category	Physical Hazards	Category
Reproductive toxicity	2	None	-
Specific target organ toxicity (repeated exposure)	2	Environmental Hazards	Category
		Hazardous to the aquatic environment short-term	1
		Hazardous to the aquatic environment long-term	1

HAZARDS NOT REQUIRING CLASSIFICATION

Do not mix or allow coming in contact with oxidizing agents. Hazardous chemical reaction may occur.

PRECAUTIONARY STATEMENTS

Do not handle until all safety precautions have been read and understood. Wear protective clothing as described in Section 8 of this document. (P202+P280)

IF exposed or concerned: Get medical advice / attention. Get medical advice/attention if you feel unwell. (P308+P313+P314)

Do not breathe fume/mists/vapors/spray. (P260)

Avoid release to the environment not in accordance with the product label. (P273)

Collect spillage. (P501)

Store locked up. (P403)

Dispose of contents / container in accordance with local regulations. Refer to the product label for specific disposal instructions. (P501)

3. COMPOSITION / INFORMATION ON INGREDIENTS

Common Name	Chemical Name	CAS #	Composition
Fumoxazin	1H-indole-1,3(2H)-dione, 4,5,6,7-tetrahydro-2-(7-fluoro-3,4-dihydro-3-oxo-4-(2-propenyl)-2H-1,4-benzoxazin-6-yl)-	103361-09-7	41.4%
Propylene glycol	1,2-Propanediol	57-55-6	5-8%

NOTE: Ingredients not precisely identified are proprietary or non-hazardous. Values are not product specifications.

4. FIRST AID MEASURES

Have the product container or label with you when calling a poison control center or doctor or going for treatment. For emergency medical assistance, call SafetyCall: 1-844-685-9173. For chemical emergency: spill, leak, fire, exposure or accident, call CHEMTREC: 1-800-424-9300.

5. FIREFIGHTING MEASURES

Flash Point: >110°C (>230°F)

Fire and Explosion Hazards: None known.

Extinguishing Medium: Water fog, carbon dioxide, foam, and dry chemical.

Fire Fighting Equipment: Firefighters should wear full protective clothing and self-contained breathing apparatus.

Fire Fighting Instructions: As in any fire, wear self-contained breathing apparatus pressure-demand, MSHA/NIOSH approved (or equivalent) and full protective gear. Evacuate area and fight fire upwind from a safe distance to avoid hazardous vapors and decomposition products. Dike and collect water used to fight fire to prevent environmental damage due to run off.

Hazardous Combustion Products: Thermal decomposition or combustion may produce harmful/irritant gas or fumes such as nitrogen oxides, carbon oxides, hydrogen fluoride or organic compounds.

NFPA Ratings: Health - 1 / Flammability - 1 / Reactivity - 0

TAB G: Irrigation

We will be providing our expert irrigation technicians to ensure the plants are getting an adequate amount of water, and that watering clocks are set to the proper specifications. Our irrigation technicians recognize that water conservation is crucial to everyone and having an efficient water practice is the key to optimizing water usage. To ensure that this is achieved we will diligently submit report and cost proposal to the city staff if items do not fall under base services per section 4.2.24.4, at that time we will rely on the client's approval for repairs to the irrigation system within an appropriate time frame so we may take the necessary steps and responsibilities. Per scope of work All repairs shall be guaranteed for 90 days after repair is complete, unless vandalism occurs or force Majeure

One of the first processes Elite implements on new contract is a water audit. Our water audit ensures that the irrigation system is running properly which will cut down on water costs, while making sure proper absorption is occurring in the plant soil. This works to our advantage with the city job start requirements; the city's needs and our job start procedures work hand in hand so that we can *"complete irrigation check of all heads, valves, quick couplers, etc. for every irrigation system before system start up; no later than April 1st."* Project Manager, along with crew Lead Men, will be visiting the job site to ensure all the standards are being met. If needed, they will create punch-lists for the city for anything that needs attention. Using this proactive method of control enables the team to keep your facilities in excellent condition. As specified in the scope of work Elite will provide Monthly Irrigation schedule as outlined in section 4.2.24.1. Qualified Irrigation Technicians will run maintenance checks at the specified service levels per Attachment A, and manage the day-to-day visual inspections supported by our other service crews who are also visiting the properties. They will have fully stocked Ford Ranger trucks with all the brand name parts and fittings so they can apply urgent solutions and maintain an uninterrupted watering system. *See sample report forms attached*

TAB H: Liability Issues

After discovery of damages or theft the employee knows to report this to the crew leader who will assess the urgency of the problem and either add it to the daily punch list that will be brought to the city's attention or if urgent an immediate phone call followed with photograph documentation will be forwarded to the city representative. Our Operations Supervisor keeps all of these records and is the link of all communications with field staff, office staff and city officers to ensure the situation is addressed in the best fit manner.

TAB I: Billing and Invoicing

Typical payment term is Net 30. We also have the capacity to do ACH transfer. After the client is set up in our system we have the ability to customize invoices for the City of Roseville. Our AP relies on the Supervisor to submit to the department all reports that must accompany the invoice in addition to the seasonal services and "Extra Work" that must be itemized for the month. The billing department contact is **Liliana Plaza**|Accounts Receivable Supervisor| 2972 Larkin Ave., Clovis, CA 93612| D: (559) 558-4733 | LilianaP@eliteteamoffices.com

Cost Proposal Bid Sheet--Routine Work Add Alternate

Parks Add Alternate

Provide cost for all parks listed based on assigned Service Level. Please refer to the Parks & Landscape Standards (Exhibit A) and Service Levels in the RFP for details. Additionally, provide add alternative costs for each column per the description below and refer to the Parks & Landscape Service Levels as needed.
 Add Alternative #1: Pruning shall include shearing shrub hedges along walls, tree limb pruning to ensure 8' height clearance over sidewalks and 14.6' height over roads, and trimming of groundcover at landscape edges.
 Add Alternative #2: Irrigation shall include routine irrigation checks and schedule adjustments.

TAB K: Required Statements/Documents

EMTS, Inc. Acknowledges and will comply with the following criteria:

- Per **Section 5.0** Non-substitution for the designated members of the team without approval by City staff.
- Per Section 10.4 We warrant no Conflict of Interest.
- Per **Section 10.7** We have the ability and agree to fulfill the indemnification and insurance requirements contained in the sample contract.
- Per **Section 10.23** nothing contained in the submitted proposal will be proprietary.

SUPPORT DOCUMENTS

Question: There are no termination rights for the contractor. Is the City willing to negotiate and consider including a mutual termination clause in the contract?

The contract included in the RFP was a sample. The actual contract would be negotiated between the contractor and the City if awarded.

Question: Can you clarify the scope of work in the weed-free boundary around the bio-filters?

The areas around the bio-filters must be kept weed free in the gravel areas.

Question: Will fingerprinting and background checks be upheld and if so, how often?

Yes, information must be available upon request.

Question: RFP section 6.2 Question: Please confirm that an "authorized officer, for signing authority, can be the Director of Contracts as per the PRIDE Board of Directors Resolution, delegation of signature authority.

That would need to be discussed when awarding contract.

PROPOSER'S CERTIFICATION

I hereby propose to furnish the goods or services specified in the Request for Proposals ("RFP"). I agree that my proposal will remain firm for a period of up to ninety (90) days in order to allow the City of Roseville ("City") adequate time to evaluate the qualifications submitted.

I have carefully examined the Request for Proposals and any other documents accompanying or made a part of this RFP. The information contained in this proposal is true and correct to the best of my knowledge and is signed under penalty of perjury under the laws of the State of California. I further certify that I am duly authorized to submit this proposal on behalf of the firm as its authorized agent and that the firm is ready, willing and able to perform if awarded the contract.

I further certify that this proposal is made without prior understanding, agreement, connection, discussion, or conspiracy with any other person, firm or corporation submitting a proposal for the same product or service; that this proposal is fair and made without outside control, collusion, fraud or illegal action; that no officer, employee or agent of the City or any other proposer is financially interested in said proposal; that no undue influence or pressure was used against or in concert with any officer, employee or agent of the City in connection with the award or terms of the contract that will be executed as a result of this RFP; and that the undersigned executed this Proposer's Certification with full knowledge and understanding of the matters therein contained and was duly authorized to do so.

LEVINE ACT DISCLOSURE STATEMENT

(The completed form submitted to the City of Roseville is a public record.)

California Government Code Section 84308, commonly referred to as the "Levine Act," prohibits any "Officer" (elected or appointed officer, any alternate thereto, and any candidate for elective office) from participating in any consideration or action related to a proceeding if they receive political contribution(s) from a party, or its agent(s), totaling more than \$250 within the previous twelve (12) months, while a proceeding is pending, and for twelve (12) months following the date of a final decision in a proceeding concerning a license, permit, other entitlement for use, franchise, or contract (collectively "license, permit, or contract"). For additional information: https://www.roseville.ca.us/government/departments/city_clerk/transparency/levine_act.

City Officers are listed at the following sites:

- The Members of City Council - https://www.roseville.ca.us/government/city_council/meet_council
- Boards & Commission Members - https://www.roseville.ca.us/government/boards_commissions

Parties and their Agents are responsible for reviewing and disclosing their applicable contributions to City Officers on the record of a proceeding.

1. Have you or your entity, or any agent on behalf of you or your entity, made any political contribution(s) totaling more than \$250 to any City Officer in the twelve (12) months preceding the date of the submission of your license, permit, or contract, or the anticipated date of any City Council, Board, or Commission consideration or action related to this license, permit, or contract?

YES ☐ NO ☒

If yes, please identify the City Officer(s): _____

2. Do you or your entity, or any agent on behalf of you or your entity, anticipate or plan to make any political contribution(s) totaling more than \$250 to any City Officer in the twelve (12) months following any City Council, Board, or Commission consideration or action related to this license, permit, or contract?

YES ☐ NO ☒

If yes, please identify the City Officer(s): _____

Answering yes to either of the two questions above does not preclude the City of Roseville from considering and/or taking action on a license, permit, or contract. It does, however, potentially preclude the identified City Officers from participating in consideration of and in taking any actions related to the license, permit, or contract. Please accurately complete and sign this form, under the penalty of perjury:

NOT APPLICABLE

You must submit a supplemental form if you make any new reportable contribution(s) while the contract, license, permit, or other entitlement is being considered. If this form has not previously been submitted in connection with a contracting, licensing, entitlement or permitting process, please provide the completed form to the Office of the City Clerk for appropriate departmental routing, at: City Clerk, 311 Vernon St., Roseville, CA 95678, CityClerkRoseville@roseville.ca.us

LEVINE ACT DISCLOSURE STATEMENT

(The completed form submitted to the City of Roseville is a public record.)

Term	Definition	Law
Covered "proceedings"	A proceeding to grant, deny, revoke, restrict, or modify a license, permit or other entitlement for use, that does not solely involve purely ministerial decisions and is: (1) Applied for by the party; (2) Formally or informally requested by the party; or (3) A contract between the agency and the party or a franchisee granted by the agency to the party, other than a contract that is competitively bid , a labor contract , or a personal employment contract .	FPPC Reg 18438.2(a)
Party	Any person who files an application for, or is the subject of, a proceeding involving a license, permit, or other entitlement for use.	Gov. Code 84308(a)(1)
Participant	Any person who is not a party but who actively supports or opposes a particular decision in a proceeding involving a license, permit, or other entitlement for use and who has a financial interest in the decision. A person actively supports or opposes a particular decision in a proceeding if that person lobbies in person the officers or employees of the agency, testifies in person before the agency, or otherwise acts to influence officers of the agency.	Gov. Code 84308(a)(2) FPPC Reg 18438.4
Agent	A person who represents a party or participant for compensation and appears before or otherwise communicates with the governmental agency for the purpose of influencing the pending proceeding. See FPPC Reg 18438.3 for exceptions for certain consultants.	FPPC Reg 18438.3
Competitively Bid	A contract required by law to be awarded to the lowest responsible bidder with a responsive bid, or, if the successful bidder refuses or fails to execute the contract, to the next lowest bidder with a responsive bid.	FPPC Reg 18438.2(a)(3)(A)
Labor Contract	A contract or agreement reached through collective bargaining or with a representative group regarding the salary, benefits, or terms and conditions under an employment or retirement policy for employees or retirees, including a project labor agreement entered under Public Contract Code Section 2500.	FPPC Reg 18438.2(a)(3)(B)

Personal Employment Contract	A contract for employment, including the terms and conditions of employment, between the agency and an agency employee. A contract with an independent contractor is NOT a personal employment contract.	FPPC Reg 18438.2(a)(3)(C)-(D)
---	--	---

A **party** to a proceeding before an agency involving a license, permit, or other entitlement for use **shall disclose on the record of the proceeding** any contribution in an amount of more than two hundred fifty dollars (\$250) made within the preceding 12 months by the party or the party's agent.

A **party, or agent to a party**, to a proceeding involving a license, permit, or other entitlement for use pending before any agency or a participant, or agent to a participant, in the proceeding **shall not make a contribution** of more than two hundred fifty dollars (\$250) to any officer of that agency during the proceeding and for 12 months following the date a final decision is rendered by the agency in the proceeding.

(Gov. Code, § 84308, emphasis added.)

**NONCOLLUSION DECLARATION TO BE EXECUTED BY
BIDDER AND SUBMITTED WITH BID**

The undersigned declares:

I am the ^{Regional Operations} Manager of EMTS, Inc., the party making the foregoing bid.

The bid is not made in the interest of, or on behalf of, any undisclosed person, partnership, company, association, organization, or corporation. The bid is genuine and not collusive or sham. The bidder has not directly or indirectly induced or solicited any other bidder to put in a false or sham bid. The bidder has not directly or indirectly colluded, conspired, connived, or agreed with any bidder or anyone else to put in a sham bid, or to refrain from bidding. The bidder has not in any manner, directly or indirectly, sought by agreement, communication, or conference with anyone to fix the bid price of the bidder or any other bidder, or to fix any overhead, profit, or cost element of the bid price, or of that of any other bidder. All statements contained in the bid are true. The bidder has not, directly or indirectly, submitted his or her bid price or any breakdown thereof, or the contents thereof, or divulged information or data relative thereto, to any corporation, partnership, company, association, organization, bid depository, or to any member or agent thereof, to effectuate a collusive or sham bid, and has not paid, and will not pay, any person or entity for such purpose.

Any person executing this declaration on behalf of a bidder that is a corporation, partnership, joint venture, limited liability company, limited liability partnership, or any other entity, hereby represents that he or she has full power to execute, and does execute, this declaration on behalf of the bidder.

I declare under penalty of perjury under the laws of the State of California that the foregoing is true and correct and that this declaration is executed on 7/7/2024 [date], at Clovis [city], CA [state].

TAB L: Exceptions

EMTS, Inc. has reviewed the information in the bid package for **RFP13-146 Parks and Landscape Maintenance Services** and takes no exceptions to Attachment F – Sample Contract.

TAB M: Competency of Proposers

We are EMTS, Inc. ("Elite") under the parent company ETO, Inc. Today we celebrate over 35 years of business since the establishment of what began as a small home-based landscape maintenance company in 1987. The Elite Team of Companies includes Elite Landscape Construction, EMTS, Elite Private Landscape, Stockbridge General Contracting, Live Action General Engineering, SRVC, Lokes Rental Equipment, and Stock Five Development.

Pertaining to the firm's operations in California, EMTS, Inc. currently has no pending bankruptcies, liens, stop payment notices, judgments, lawsuits, arbitrations, mediations, foreclosures, and any similar actions filed or resolved in the past seven (7) years.

NAME	CASE	COURT JURISDICTION	JUDGEMENT DATE

Furthermore no EMTS, Inc. client has terminated a contract with our firm for breach.

Currently our EMTS, Inc. Maintenance Division's workload is \$26Million; over 40% is a result of Public Works contracts and 60% is private, commercial and HOA contracts respectively. Our current bonding capability is \$20M per contract and \$40M Aggregate and we can provide bank letters and other creditor letters of good standing. We poses all the necessary licensing requirements, including C27 contractor license, DIR registration, Gardener Pest Control License, and the capability to fulfill the Insurance criteria and coverage amounts. *See reference letter attached*

Re: EMTS, Inc. - Bonding Capacity

To Whom it May Concern,

Fidelity and Deposit Company of Maryland is privileged to act as surety for EMTS, Inc. Fidelity and Deposit Company of Maryland enjoys the A.M. Best's Guide rating of A+XV and is licensed to transact surety business in the State of California.

Fidelity and Deposit Company of Maryland has established a surety program for EMTS, Inc. of \$20,000,000 million single contract, subject to a \$40,000,000 million aggregate. No claims have been made upon any bond written for EMTS, Inc.

As always, Fidelity and Deposit Company of Maryland reserves the right to perform normal underwriting at the time of any bond request, including, without limitation, prior review and approval of relevant contract documents, bond forms, and project financing. We assume no liability to you or any other third parties if for any reason we do not execute such bonds. No claims have ever been made against the surety.

Very truly yours,

Fidelity and Deposit Company of Maryland

Kim Wilson
Attorney-in-Fact

Request for Taxpayer Identification Number and Certification

Go to www.irs.gov/FormW9 for instructions and the latest information.

Give Form to the requester. Do not send to the IRS.

1 Name (as shown on your income tax return). Name is required on this line; do not leave this line blank.
EMTS, Inc.

2 Business name/disregarded entity name, if different from above
dba Elite Maintenance & Tree Service

3 Check appropriate box for federal tax classification of the person whose name is entered on line 1. Check only one of the following seven boxes.

☐ Individual/sole proprietor or single-member LLC

☐ C Corporation

☒ S Corporation

☐ Partnership

☐ Trust/estate

☐ Limited liability company. Enter the tax classification (C=C corporation, S=S corporation, P=Partnership) ▶ _____

Notes: Check the appropriate box in the line above for the tax classification of the single-member owner. Do not check LLC if the LLC is classified as a single-member LLC that is disregarded from the owner unless the owner of the LLC is another LLC that is not disregarded from the owner for U.S. federal tax purposes. Otherwise, a single-member LLC that is disregarded from the owner should check the appropriate box for the tax classification of its owner.

☐ Other (see instructions) ▶ _____

4 Exemptions (codes apply only to certain entities, not individuals; see instructions on page 3):
Exempt payee code (if any) _____
Exemption from FATCA reporting code (if any) _____
(Applies to accounts established outside the U.S.)

5 Address (number, street, and apt. or suite no.) See instructions.
2972 Larkin Avenue

6 City, state, and ZIP code
Clovis, CA 93612

7 List account number(s) here (optional)

Requester's name and address (optional)

Part I Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. The TIN provided must match the name given on line 1 to avoid backup withholding. For individuals, this is generally your social security number (SSN). However, for a resident alien, sole proprietor, or disregarded entity, see the instructions for Part I, later. For other entities, it is your employer identification number (EIN). If you do not have a number, see *How to get a TIN*, later.

Note: If the account is in more than one name, see the instructions for line 1. Also see *What Name and Number To Give the Requester* for guidelines on whose number to enter.

Social security number

			-						
--	--	--	---	--	--	--	--	--	--

OR

Employer identification number

2	6	-	0	8	6	0	4	1	5
---	---	---	---	---	---	---	---	---	---

Part II Certification

Under penalties of perjury, I certify that:

- The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me); and
- I am not subject to backup withholding because: (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding; and
- I am a U.S. citizen or other U.S. person (defined below); and
- The FATCA code(s) entered on this form (if any) indicating that I am exempt from FATCA reporting is correct.

Certification instructions. You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and generally, payments other than interest and dividends, you are not required to sign the certification, but you must provide your correct TIN. See the instructions for Part II, later.

Sign Here Signature of U.S. person ▶  Date ▶ 1-5-23

General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

Future developments. For the latest information about developments related to Form W-9 and its instructions, such as legislation enacted after they were published, go to www.irs.gov/FormW9.

Purpose of Form

An individual or entity (Form W-9 requester) who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) which may be your social security number (SSN), individual taxpayer identification number (ITIN), adoption taxpayer identification number (ATIN), or employer identification number (EIN), to report on an information return the amount paid to you, or other amount reportable on an information return. Examples of information returns include, but are not limited to, the following.

- Form 1099-INT (interest earned or paid)

- Form 1099-DIV (dividends, including those from stocks or mutual funds)
 - Form 1099-MISC (various types of income, prizes, awards, or gross proceeds)
 - Form 1099-B (stock or mutual fund sales and certain other transactions by brokers)
 - Form 1099-S (proceeds from real estate transactions)
 - Form 1099-K (merchant card and third party network transactions)
 - Form 1098 (home mortgage interest), 1098-E (student loan interest), 1098-T (tuition)
 - Form 1099-C (canceled debt)
 - Form 1099-A (acquisition or abandonment of secured property)
- Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN.

If you do not return Form W-9 to the requester with a TIN, you might be subject to backup withholding. See *What is backup withholding*, later.

CITY OF ROSEVILLE
NOTICE FOR PROPOSALS
RFP (13-146)

NOTICE IS HEREBY GIVEN that proposals for Parks and **Landscape Maintenance Services** will be received by the City of Roseville. Proposals will be accepted **ONLY** at the office of the **City Clerk, Civic Center, 311 Vernon Street, Roseville, CA 95678** or submitted via electronic mail to CityClerkroseville@roseville.ca.us, until 3:00 p.m., **July 11th, 2024**. Said proposals will be evaluated and results will be made public after completion of the negotiation process with the selected contractor. The City reserves the right to reject any or all proposals and to waive any informalities or irregularities in any proposal or in the proposal process.

May 29, 2024

Date

Eric Dexter
Parks and Open Space Superintendent

IMPORTANT!!!

The City is not responsible for misdelivered proposals, and the proposer is strictly liable for its chosen method of delivery. It is the proposer's sole responsibility to make sure that proposals arrive at the proper location. Any proposal which does not actually arrive in the City Clerk's Office by the RFP due date and time will be rejected as non-responsive, even if properly addressed or delivered to another City Department.

Your proposal **MUST** be addressed and delivered as follows:

**City of Roseville
Attn: City Clerk Department
311 Vernon Street
Roseville, CA 95678**

The proposer is also directed to include the attached "Sealed Proposal" label on the outside of the package or envelope, so that it is visible when delivered to the City.

Or emailed to:
cityclerkroseville@roseville.ca.us

Note: Email submissions are limited to 25 megabytes.

1.0 INTRODUCTION

The City of Roseville (hereinafter “City”), is soliciting proposals for a Park and Landscape Maintenance Services. This will be a competitive negotiation process. Qualified individuals, firms, contractors, consultants or entities (hereinafter “Contractor(s)”), that meet the requirements set forth in this Request for Proposals (hereinafter “RFP”) and are capable of providing the services requested are encouraged to participate.

1.1 BACKGROUND

The City of Roseville encompasses approximately 84 developed parks and facilities, 355 acres of landscape area adjacent to roadways and neighborhoods, 4200 acres of open space, two golf courses, two community centers, three swimming pool facilities, the Maidu Museum and Historic Site, 21 childcare facilities, and three libraries. The City continues to grow in parks, facilities, programs, and attendance and is focused on sustaining standards, services levels, and prioritizing core services.

The areas within this proposal will be divided into three (3) district zones in geographical areas and streetscapes, faculties school mowing and extra work will be included. The Parks will be grouped separately, even though they are in these geographical zones. It has been Roseville’s past practice and intent to award contract s, by zones and Park groups to a least two (2) qualified bidders.

The City of Roseville considers this to be an outcome-based Request for Proposals. Generally, determinations for specific frequencies of service will be at the discretion of the contractor. There are exceptions that are noted throughout this document and the associated exhibits.

1.2 CITY OVERVIEW

The City of Roseville is an incorporated city with a population of more than 145,000 residents, located in Placer County off Interstate 80, approximately 16 miles northeast of Sacramento, California. The City of Roseville is a Charter city operating under the City Council/City Manager form of government.

1.3 PROPOSAL SUBMITTAL

RFP proposal submittals may be delivered to the Office of the City Clerk, Civic Center, 311 Vernon St., Roseville, CA 95678 via common carrier, hand delivered, **or** submitted via electronic mail to cityclerkroseville@roseville.ca.us by the specified proposal due date and time. Complete and attach the “Sealed Proposal” label to the outside of the proposal packaging if delivering or hand carrying a hard copy of the proposal, so it is visible to the City Clerk. If submitting a proposal via electronic mail, then include the RFP title and RFP number in the subject line of the email.

1.4 CALIFORNIA SECRETARY OF STATE REGISTRATION

The City requires all corporations, limited liability companies and limited partnerships to be registered to do business in the State of California. On a separate sheet of paper, please include a screenshot of your “ACTIVE” status with your proposal submittal, which can be obtained by accessing this link: <https://bizfileonline.sos.ca.gov/search/business>. All proposers must be registered with the Secretary of State or have a valid exemption by the time of award.

1.5 INSTRUCTIONS

This RFP includes a description of the scope of services, proposal requirements, and instructions for submitting your proposal. Failure to follow these instructions may result in rejection of your proposal.

No oral representations or interpretations will be made to any proposer as to the meaning of this RFP.

Direct all inquiries regarding this RFP in writing to Parks, Recreation & Libraries Department, Eric Dexter by accessing the RFP from the City's website at:

https://www.roseville.ca.us/business/procurement_services/bids_rfps by no later than June 27, 2024.

Do not contact other individuals or City departments in this regard. Information provided by anyone other than the above contact may be invalid, and proposals which are submitted in accordance with such information may be declared non-responsive.

In the event that it becomes necessary to revise any part of this RFP, written addenda will be issued. Any amendment to this RFP is valid only if it is in writing and issued by the City department issuing the RFP. No oral interpretations or answers shall bind the City unless confirmed by the City in writing.

All addenda for this RFP will be distributed through [PublicPurchase.com](https://www.PublicPurchase.com) to proposers who have registered with PublicPurchase.com and who have downloaded the RFP. Additionally, the Notice of Intent to Award will be posted on [PublicPurchase.com](https://www.PublicPurchase.com). **It is the proposer's sole responsibility to monitor PublicPurchase.com for possible addenda to this RFP and for the Notice of Intent to Award.** Failure of proposer to retrieve addenda or the Notice of Intent to Award from [PublicPurchase.com](https://www.PublicPurchase.com) shall not relieve him/her of the requirements contained therein or the timelines associated therewith. Additionally, failure of proposer to return a signed addendum, when required, may be cause for rejection of his/her proposal.

2.0 TENTATIVE SCHEDULE

The following represents the tentative schedule for this RFP. Any change in the scheduled dates for the Pre-Proposal Conference, Deadline for Final Questions, or Proposal Submission Deadline will be advertised in the form of an addendum to this RFP. The schedule for the evaluation process and other future dates may be adjusted without notice.

RFP Released by the City.....	May 29, 2024
Mandatory Pre-Proposal Conference.....	June 11, 2024
Deadline for Final Questions.....	June 20, 2024
City Responses to Written Questions.....	June 27, 2024
Proposal Submission Deadline.....	July 11, 2024
Contractor Interviews as needed.....	July 24, 2024
Contract Negotiations.....	August-September 2024
Contract Approval by City Council.....	November 2024
Commencement of Services.....	January 01, 2025

3.0 MANDATORY PRE-PROPOSAL CONFERENCE

A **mandatory** pre-proposal conference/job walk has been scheduled for **Tuesday, June 11th, 2024, 9:00am**. Attendance will be taken prior to the job walk.

Location: City of Roseville Offices
311 Vernon St. 1st floor
Roseville, CA 95678

Prospective proposers must pre-register by June 10th, 2024, with Shelby Craig at scraig@roseville.ca.us. The conference will last approximately 30-60 minutes. Registrants will be asked to provide the name of the attendee(s), company name, phone number, and email address(es).

Proposals from Contractors who do not attend the **mandatory** pre-proposal conference will be rejected. The pre-proposal conference will begin at the designated start time. **Attendance for the entire pre-proposal conference is required, and tardiness may be grounds for disqualification.**

Interested firms will have an opportunity to submit questions regarding the requirements outlined in this RFP. In order to make the meeting more effective for all participants, attendees should read this document thoroughly prior to the meeting.

Substantial clarifications or changes required as a result of the meeting will be issued in the form of a written addendum to the RFP. A list of attendees will be distributed upon request.

4.0 SCOPE OF SERVICES AND GENERAL CONDITIONS

4.0 SCOPE OF SERVICES

The Parks and Landscape Maintenance Contract ("Contract") is an outcome-based contract where the City has established specific park and landscape standards as outcomes. The Contractor is responsible for developing a base bid necessary to maintain the expected outcome standards. The City will inspect the work of the Contractor against the stated standards to determine compliance and payment.

The work to be performed under the Contract consists of the furnishing of all labor, insurance, materials, and equipment needed to perform park and landscape maintenance services.

The Contractor is being asked to provide bids for the following types of work:

- A. Park Turf and Landscape Maintenance
- B. Streetscape Landscape Maintenance
- C. Facility Landscape Maintenance
- D. School Mowing
- E. Extra Work

Prospective contractors shall provide the highest quality of landscape maintenance services to parks, streetscapes, schools, and various other facilities. In addition to turf care (mowing, blowing, and edging), the landscaping activities encompass tree, shrub, and ground cover pruning and trimming, debris and leaf removal, fertilization, soil deficiency remediation, weed control, weed abatement, and pest control. Irrigation systems operations include the maintenance, adjustment, installation, and repair of a variety of components, such as irrigation controllers, valves, moisture sensing devices, and sprinkler heads of a variety of manufactured brands and models.

The scope of services includes all work to perform landscape maintenance at numerous landscape sites described in the General Conditions (Section 4.2) and the Parks & Landscape Maintenance Standards (Exhibit A). This document will become part of the executed agreement.

4.1 GENERAL CONDITIONS

4.2.1 Normal Hours and Days of Maintenance Services

Contractor shall perform the required maintenance services between the hours of 7:00 am and 7:00 pm, Monday through Friday. Weekend work requires City approval with service hours between 8:00 am- 7:00 pm No maintenance function that generates excessive noise which would cause annoyance to residents of the area shall be commenced before 8:00 am

On weekdays, school sites must be mowed before or after school hours. If started in the morning all mowing shall start no earlier than 7:00 am and finish no later than 8:00 am. It is an option for school sites to be mowed on Saturday in coordination with the City. The Contractor shall also work with staff at individual sites to make any adjustments to site mowing and timing.

The Contractor shall always conduct work in a manner that will not interfere with normal recreation programs, school programs, pedestrian traffic on adjacent sidewalks, or vehicular traffic on adjacent streets.

Contractor will supply weekly work plans for each type of work activity (i.e., mowing, pruning, weed control, etc.) to designated City staff. Any modification in the hours and days of maintenance services as stated in the Contractor's weekly schedule is subject to approval by the City.

Park and Facility scheduled service days must meet frequencies by service level identified by the City from the Parks & Landscape Maintenance Standards (Exhibit A).

4.2.2 Outcome Based Contract and Inspections

The Contractor shall be responsible for maintaining parks and landscapes as outlined in the General Conditions (Section 4.2) in the Parks & Landscape Maintenance Standards (Exhibit A) and the cost of maintaining those areas, to the designated standard, shall be included in the base bid unless otherwise called out specifically as "extra work" in this Request for Proposals.

The City will regularly inspect the Contractor's work and meet compliance, in its sole discretion, according to the Parks & Landscape Maintenance Standards (Exhibit A).

Contractor will only be paid for work rated as "meets standards." If Contractor's work does not meet City standards, it shall be considered "below standard." Contractor will not be paid for work rated as "below standard" until such work is improved to "meets standards."

Contractor shall not be paid additional amounts for remedial work required to improve "below standard." City staff will work closely with Contractor 's representatives to achieve the results described in the standards and inspection criteria. However, responsibility for meeting standards rests with the Contractor.

During the first three (3) months of the Contract, the Contractor shall identify any pre-existing conditions or issues that may inhibit it from meeting the standards required by the Contract. This timeframe will allow the Contractor and City to work together on a solution. Contractor shall inspect all areas at least monthly and will discuss inspections with City during regular scheduled meetings. Following the initial three (3) month period, the Contractor shall continue to inspect all assigned areas at least monthly and discuss inspections with the City during ongoing meetings.

The Contractor shall provide electronic versions of monthly inspection quality assurance reports to the City by the 10th of the following month as to each site's compliance with City standards. An action plan with deadlines must be provided to the City to indicate when corrections will be made if an area is deemed "below standard." Failure to turn in inspection reports by the deadline will result in monthly payment being withheld until inspections are turned in. Contractor shall provide an example of the report to be utilized for City review and approval.

At the beginning of every year a mowing schedule shall be provided to the City for review. Schedule adjustments shall be made throughout the year based on environmental factors, sporting events or City's direction. Adjustments to the schedule shall be provided to the City for review and approval ten (10) business days prior to making the adjustments.

Turf shall be mechanically edged at the following areas: all grass along infrastructure such as walls, fences, foundations, curbs, sidewalks, shrubs, poles, guy wires, irrigation boxes, utility boxes, drain grates and any other object within or immediately adjacent to the turf areas.

Edging should not create gaps no wider than 1/4" around infrastructure.

Every effort shall be made to reduce the amount of string trimming required while still protecting City assets. String trimming around valve boxes or drain inlets must be done using a vertical cut and not a flat cut. String trimming shall not be used around the base of trees as chemical control is the preferred method. Trees found to be scarred by maintenance activities may require replacement at the direction of City staff at the cost of the contractor.

Turf around irrigation heads shall be mowed to the appropriate height to provide maximum water coverage. Clippings shall be removed from all adjacent walkways and other paved surfaces immediately after each mowing/edging.

Seed heads on no-mow turf shall be removed on an annual basis. No-mow turf shall be edged as needed to keep from encroaching on walls, fences, sidewalks, etc.

Contractor shall remove litter or debris from the area to be mowed prior to mowing.

The contractor shall inform the City of any issues with the turf within one (1) business day of discovery.

The contractor shall inform the City immediately when irrigation is damaged through the course of mowing. Issues related to overwatering, that prevent mowing, shall be brought to the City's attention immediately.

Issues caused by mowing are the responsibility of the Contractor to repair. Trees found to be scarred by mowers shall be replaced by the Contractor at the request of the City.

The contractor shall perform seeding/sod replacement as needed to meet standards with the approval of the City.

There will be a financial impact on the Contract if any scheduled use (including, but not limited to, special events or recreation programs) of City facilities are impacted by neglect on the Contractor's part. Any costs associated with re-scheduling the event/activity/program will be the responsibility of the Contractor for time, staffing and costs, including, but not limited to, officials' salaries, part-time staff salaries, maintenance call out person salaries (stand by), light costs, and preparation of fields (which can include a drag, watering, and lining of the field), mowing, etc.

For any area that fails to meet City standards because of action that is the Contractor's responsibility, the Contractor shall notify the City immediately and develop a plan to bring the area back to compliance. Should the City discover an area that does not meet the City standards, and the City has not been notified by the Contractor, the Contractor will be put on notice in writing to bring the area back into compliance. The following penalty will result:

- A.** The monthly payment for the specific area identified on each map page (Attachment J) will be withheld by the City until the area within the map page is back in conformance with City standards.
- B.** If conformance is reached within thirty (30) days of notice, the City will release one hundred percent (100%) of the payment.
- C.** If at any time during a notice by the City, the Contractor does not bring the area into conformance within thirty (30) days, the City will keep the monthly payment as a penalty and withhold the next month's payment following the above-mentioned conditions until conformance is reached or the Contract is terminated.

If the City must give notice to the Contractor a second time for the same specific map page within twelve (12) months of the initial notice, the contract may be terminated.

The parties will observe the following problem resolution process:

- 1. Written notice of the problem.
- 2. Field conference with inspector/Contractor's field representative to identify problem and agree on solution as presented by Contractor.

3. Conference between City's representative and Contractor's principal.
4. Imposition of penalties and/or correcting defect at Contractor's cost.
5. Termination of Contract.

In addition, the Contractor shall inspect areas weekly, at a minimum, for insects and disease. General inspections of turf and plant materials shall be completed at a minimum of weekly for signs of stress or damage. Upon request, the Contractor will walk with the City's representative for the purpose of determining compliance with the specifications or to discuss required work. The Contractor's representative must be authorized to sign documents and make changes to the work.

All corrective work required because of a regular inspection, or any additional inspection shall be accomplished to the satisfaction of the City within thirty (30) days of the authorization to repair the deficiencies, except in the case of a broken/leaking irrigation with must be repaired within twenty-four (24) hours and prior to the next watering event.

Contractor shall provide the City with written confirmation of all corrective work and may be asked to provide additional photo documentation. Should there be a temporary suspension of work in a specific area of more than one month, the monthly invoices shall be adjusted accordingly to reflect actual work performed.

4.2.3 School Sites

If weekday mowing occurs on school property a strict schedule must be followed to accommodate school schedules and student safety. School sites must be mowed before or after school hours. If started in the morning all mowing shall start no earlier than 7:00 am and finish no later than 8:00 am The Contractor shall be responsible for all mowing.

The Contractor shall not be responsible for edging or for work requiring a string trimmer at School sites.

4.2.4 Turf Aeration

The Contractor shall perform core aerations of turf as part of the base bid. For a specific number of applications per year refer to specific service levels in the Parks & Landscape Maintenance Standards (Exhibit A). All aerations shall conform to the City's agronomic calendar. Additional turf aerations may be proposed as "Extra Work" by the Contractor, to meet the designated service level.

All proposals, and costs, must be approved by the City prior to additional turf aerations occurring. The Contractor can do more aeration, with City approval, at their own cost to relieve summer stress on turf.

Aeration plugs shall be properly destroyed to not pose a safety issue or interfere with the use of parks and facilities.

Any damage incurred is the responsibility of the Contractor, including valve boxes and irrigation components.

4.2.5 Shrubs and Landscape

All plants shall be maintained in a healthy and attractive condition. Landscaping shall also be maintained to provide secondary functions such as natural barriers, pollution/dust control and/or erosion control. All plant beds shall be maintained free of trash and debris.

4.2.6 Trimming

All plants that require pruning shall be pruned as needed to meet the intent of the landscape design per the assigned service level in the Parks & Landscape Maintenance Standards (Exhibit A). In general, to grow in a natural shape without excessive amounts of pruning. Shrubs growing along fences and walls shall be maintained at the height of the fence or wall. Clearances against walls and fences may be required to allow access for wall/fence maintenance and/or irrigation maintenance.

Shrubs and vines shall be pruned to always prevent encroachment over sidewalks or onto private property, and to maintain line of site visibility at select intersections. Vegetation in front of all signs shall be pruned regularly so signage is always visible. Vegetation should not obscure or block any drainage inlets.

A. Pruning Frequencies

Pruning shall be completed as described in the Parks & Landscape Maintenance Standards (Exhibit A). Most areas require pruning to be completed at least three (3) times per year. Some plant materials may need to be pruned more frequently depending on the species to prevent clearance issues. Additionally, some areas may require less pruning due to plant species or budget restrictions. The Contractor shall provide a schedule showing planned dates of completion for all areas. In general, the pruning cycles are designated as January- April, May- August, and September- December. Pruning for each area shall be completed by the end of each pruning cycle. If pruning is not complete, payment for the specific area or map page (Exhibit G may be withheld as outlined in Section 4.2.2.)

B. Growth Regulators

Using plant growth regulators is an approved substitute for one pruning cycle when approved by the city.

4.2.7 Facility Grounds Maintenance

All facility grounds shall be maintained as described in Section 4.2 and to service level 2 as described in the Parks Landscape Maintenance Standards (Exhibit A).

The Pleasant Grove Wastewater Treatment Plant (PGWWTP), the Solid Waste Recycle Plant and the Barton Water Plant require additional maintenance indicated here:

- Bio-filters shall be maintained always weed free.
- Pre and post emergent herbicides shall be applied to pond slopes and chip sealed/gravel roadways a minimum of two (2) times per year.
- Native/wild grasses shall be mowed and trimmed annually.

- Pre and post emergent herbicides shall be applied to gravel areas a minimum of two (2) times per year. Remove emerged weeds within thirty (30) days of discovery.
- Pre and post emergent herbicides shall be applied to barked areas a minimum of two (2) times per year. Remove emerged weeds within thirty (30) days of discovery.
- Westpark Drive and Phillips Road locations: Pre and post emergent herbicides shall be applied to all bark areas, tree rings, and shrub rings annually.

4.2.8 Service Levels

SERVICE LEVELS

The chart below outlines differences in allowable tolerances based on the three service levels. Each park or streetscape is assigned a service level, and the Contractor is expected to provide maintenance at that level unless otherwise noted. Tasks not listed in the chart below shall be maintained at the basic maintenance level described in the Parks & Landscape Maintenance Standards (Exhibit A).

	1	2	3
Turf Care			
Maintained between:			
Warm season (Bermuda)	1"-2"	1"-2"	1"-2.5"
Cool season (Fescue & Bluegrass)	2"-3.5"	2"-3.5"	2"-4"
Bare Areas	Up to 5%	up to 10%	Up to 35%
Edging	Weekly	Every other week	Once per month
Weeds	None (Street frontages, play/picnic areas, etc.)	No more than 20%	No more than 60%
Aeration	2x/year (minimum)	1x/year & as needed	As requested,
Landscaping & Trees			
Hedge pruning	Within 1' under top of wall/fence	Within 1' under top of all/fence	No more than 1' over top of fence/wall
Missing plant material (includes trees)	None within high visibility areas	In limited areas (up to 10%)	Acceptable
Weeds	None within high visibility areas	In limited areas (up to 10%)	Acceptable, 1-4 applications per year as budget allows
Pruning Shrubs	More than 3/x year (Minimum)	3/x year (Minimum)	2/x per year

4.2.9 Refuse Disposal

Disposal of refuse (litter and green waste) shall be delivered by the Contractor, or its service provider, to the Materials Recovery Facility (MRF)/Western Placer Waste Management Authority facility. If necessary waste may be placed in a dumpster serviced by the City of Roseville, with advanced notice.

4.2.10 Traffic Control

Traffic control shall conform to the latest Caltrans Standards to ensure the safe flow of traffic and the safety of workers in traffic zones. All traffic control costs shall be included in the prices paid for the various contract items of work and no additional compensation will be allowed. A master traffic control plan shall be submitted and approved by the City's Traffic Engineering Department prior to work starting.

Access to driveways shall be always maintained. When entering or leaving roadways which bear public traffic, the Contractor's equipment, whether empty or loaded, shall in all cases yield to public traffic.

4.2.11 Fingerprinting and Background Checks

Contractor, at its expense, must conduct a background check for each of its employees, as well as for the employees of its subcontractors, who will provide services to the City of Roseville.

Background checks are to be conducted via a request with the Department of Justice and the Federal Bureau of Investigations. Contractor shall maintain records for background checks and provide documentation if requested.

4.2.12 Fines and Fees

Fines or penalties levied against the city because of maintenance practices by the Contractor will be borne solely by the Contractor.

4.2.13 Meetings and Reporting

The City and the Contractor shall have an annual meeting once per year held in January to discuss any changes, contract cost and an overall evaluation of work performance over the previous year.

The City and the Contractor shall meet monthly to discuss and review ongoing work, work schedules and timelines for projects.

The Contractor shall be required to complete and provide reports to the City, including a maintenance schedule, as approved by the City, which shall include mowing, fertilization, aeration, pesticide applications, tree minimum clearance and pruning schedules. This schedule shall be finalized and approved by the City and shall reflect the ongoing maintenance schedules for work to be performed.

4.2.14 Performance During Inclement Weather

During periods of excessive rainfall that hinder normal operations, the Contractor shall adjust its workforce to accomplish those activities that are not affected by weather. The

prime factors in assigning work shall be the safety of the workforce and damage to turf and landscaping.

4.2.15 Acceptance

Acceptance by the City of any services furnished under the Contract shall occur only after the final review of authorized employees of the City.

The City shall reject and refuse to pay for, all non-conforming services. Nothing in this section shall limit or restrict the warranty and remedy obligations of the Contractor specified in the Park and Landscape Maintenance Services Contract.

4.2.16 Safety

Safety provisions shall conform to Cal-OSHA Safety Orders, and all other applicable federal, state, county, and local laws, ordinances, codes, and regulations in performing the work under this Contract. Where any of these are in conflict, the more stringent requirement shall be followed. The Contractor's failure to thoroughly familiarize itself with the safety provisions shall not relieve it from compliance with the obligations and penalties set forth therein. The Contractor shall develop and maintain for the duration of the Contract, a safety program that will effectively incorporate and implement all required safety provisions. The Contractor shall appoint an employee who is qualified and authorized to supervise and enforce compliance with the safety program. The Contractor shall take all precautions required by applicable regulations of the State Department of Industrial Relations.

4.2.17 Response Time

Contractor supervision shall be immediately available at all times Contractor employees are working on sites and must be available between 7:00 am and 10:00 pm each working day via phone or mobile device and must respond to an emergency/major discrepancy in the Contract within two (2) hours of initial contact.

4.2.18 Qualified Contractor Supervision

Contractor must dedicate one point of contact for each geographic zone who shall oversee the contract in its entirety for the assigned geographic zone, including any Extra Work assigned. The point of contact shall facilitate all work and activities occurring with assigned City staff.

All Contractor's supervisors must be qualified, proficient in English, trained and capable of providing adequate supervision and direction of all Contractor's employees and must demonstrate verbal and written communication skills sufficient for the work required herein.

4.2.19 Contractor's Employees

This Contract is intended to be a "partnership" between the City and the Contractor. The quality of the Contractor's work reflects directly upon the City. Only

Contractor's employees and subcontractors are allowed on City property where work is being performed.

The City reserves the right to direct Contractor to remove from assignment to City facilities such employees of Contractor or subcontractors deemed incompetent, careless, insubordinate, or in any way objectionable by City, including any personnel whose actions are deemed by the City to be contrary to the public interest or inconsistent with the best interests of the City.

Contractor's employees and subcontractors shall not use any tobacco product in any city park or within twenty (20) feet of any entrance to a public building.

4.2.20 Employee Uniforms

The Contractor shall provide each of its employees with uniforms. At all times, personnel shall wear uniforms. Uniform apparel shall be kept neat, clean, and in good repair. All uniforms shall include the Contractor's name and logo.

4.2.21 Contractor's Equipment

The on-site supervisor shall ensure that all contractor-supplied equipment is in good working order. Any damaged equipment or equipment in need of repair shall be removed from the site. Contractor shall be responsible for any damage to the work sites, City or private property, or any injuries caused by Contractor's equipment or personnel.

All Contractor vehicles must be neat, clean, well maintained and labeled with the company name.

4.2.22 Locks and Keys

The Contractor shall be responsible for the series of keys assigned to it and shall assign these keys to its personnel for use in maintaining the facilities. The Contractor shall properly use and keep safe all keys or locks issued by the City to the Contractor.

The Contractor shall report all lost or stolen keys or locks to the City within twenty-four (24) hours of discovery. The Contractor shall reimburse the City for the total cost of replacement keys and/or locks that have been lost.

Upon termination or cancellation of the Contract, the Contractor shall immediately return all keys, access cards, remotes, etc. to the City.

4.2.23 Vandalism and Damage

Contractor shall notify the City of all vandalism, defects, and/or safety items within one (1) business day of discovery to Park Maintenance at (916) 774-5748.

All damage to landscaping, irrigation equipment, real property or any related structures caused by Contractor during its performance of the Contract shall be the responsibility of the Contractor. Repairs to turf shall be made with sod.

The city may request quotes from Contractor for vandalism repairs, which would be awarded as “Extra Work.” Commencement of work will proceed only after City approval.

4.2.24 Irrigation

4.2.24.1 Irrigation Program Management

All required scheduling and operation of the irrigation controllers reflecting weather changes and water needs will be covered under this Contract. The contractor shall make all adjustments and setting of controllers to establish the frequency and length of watering periods. Any malfunction of controllers including communication failures must be reported immediately to the City along with a proposal for correction with costs. The City’s Irrigation Technician can assist with troubleshooting controller issues after power has been verified and physical connections have been inspected.

Controller programs shall incorporate the following conditions:

- Meet all City and State ordinances including where applicable the [Water Efficient Landscape Ordinance \(WELO\)](#).
- Program around parks, sports fields and facility use and events.
- Reflect actual requirements of soil and plants.
- Avoid runoff onto streets, sidewalks, fences, walls, and other non- target areas.
- Maximize public use of City property.

Monthly from March through November at the City’s request, the Contractor shall provide the irrigation schedule to the City’s Irrigation Technician by the 10th of the month. This report shall include the following information:

- All irrigation programs set on controllers.
- Irrigation schedules start times for each irrigation program.
- Irrigation run days for each irrigation program.
- Irrigation cycle length, in minutes for each station in an irrigation program.
- Number of repeat cycles for each station in an irrigation program.

For any controller schedule not supplied by the 10th day of the current month by Contractor in any month during season per the City’s request, a \$50.00 penalty per controller may be assessed. Contractor shall have the penalty deducted from the monthly payment for the District, Park, and/or Facility financially responsible for that irrigation controller. Each station shall be adjusted to meet the needs of the

specific area unless authorized by the City, as well as, adjusted due to weather conditions and run off.

Maintain a minimum of two qualified user/programmers for both ICC pro and Calsense central control systems.

4.2.24.2 Irrigation Schedule

An irrigation schedule is developed based on current controller settings, visual observation, and the results of moisture probing. Adjustments shall be made to the controller when the soil moisture profile is found to be too dry or too wet. Adjustments shall also be made as needed to ensure plant health.

Adjustments to the schedule shall occur as needed to accommodate changes in area use and/or environmental changes to individual areas.

4.2.24.3 Soil Moisture Testing

Soil probing shall be conducted regularly in all areas to ensure proper soil moisture levels to meet plant water requirements.

4.2.24.4 Irrigation Repair & System Checks

The Contractor shall perform a complete irrigation check of all heads, valves, quick couplers, etc. for every irrigation system before system start up and no later than April 1st. The Contractor shall supply the City with a written report of every irrigation check as it is completed. Needed repairs shall occur throughout that same period, with the approval of the City, to ensure a fully operational system at the beginning of each spring. System evaluations, and repairs shall be made as outlined in Parks & Landscape Maintenance Standards (Exhibit A).

Contractor is responsible to replace batteries annually on battery operated valves or controllers.

Irrigation system repairs shall occur and be compensated as stated below:

All repairs will be completed prior to the next scheduled watering event. If this is not possible, the City should be contacted. Loss of plant material due to delay of repairs is the responsibility of the Contractor.

Irrigation system repair will be the responsibility of the Contractor. All replacement materials are to be with new original types and models and consistent with Park construction standards unless a substitute is approved by the City. The Contractor shall implement repairs in accordance with all effective warranties, and no separate payment shall be made for repairs on equipment covered by warranties. All repairs shall be guaranteed for 90 days after repair is complete.

Maintenance, repair, and replacement of malfunctioning irrigation heads and quick couplers, including risers and/or swing joints, shall be covered in the Contractor's base bid. The Contractor shall provide labor for the above items at no extra charge and shall bill the City for the required parts with a maximum mark up of 10% over the actual cost.

Replacement of valves, filters, valve boxes, and wiring shall be considered “Extra Work” in their entirety. Decisions regarding repair versus replacement will be made by the Contractor and the City jointly. If there is a disagreement with regards to how to proceed the City’s choice will prevail.

Maintenance and regular cleaning of reclaimed mainline filters shall be covered in the Contractor’s base bid. These filters are located at the point of connection of reclaimed water systems in the following Districts: Sierra Vista, Creekview, West Park Westbrook and parts of Fiddymont. They should be cleaned regularly as needed to supply adequate water for irrigation.

Repair and replacement of lateral lines, main lines, check valves, and controllers shall be considered “Extra Work” in their entirety.

Repairs and replacements of any irrigation component or property damaged by the Contractor or because of negligence, error, or omission by the Contractor shall not be submitted to the City for payment and are the responsibility of the Contractor.

Repair and replacement of any irrigation components or property that is a result of vandalism, or unintentional damage, caused by the public shall be considered “Extra Work” in its entirety. All vandalized components must be reported to the City within one (1) working day with photos of the area. Photos of the repair or replacement must be reported for the Contractor to be compensated. If the vandalized components are not reported within one (1) working day the Contractor will be paid based on the above stated criteria for repair and replacement.

When the Contractor observes or is notified of water waste due to excessive overspray, overwatering for irrigation system malfunction, Contractor shall respond within twenty- four (24) hours. Repairs/adjustments shall be made prior to the next watering event. Any fines or fees incurred due to non-compliance with WELO shall be the responsibility of the Contractor.

In all streetscapes, system checks shall be done in accordance with the service levels outlined in the Parks & Landscape Maintenance Standards (Exhibit A).

4.2.24.5 Recycled Water

Recycled water is used in areas of the City parks and landscapes. Contractor's staff shall be trained in the proper techniques for working with recycled water and it is the responsibility of the Contractor to ensure compliance with all safety and health precautions.

The Environmental Utilities Department may request to observe system checks on recycled water systems. This shall be coordinated through the Parks Division.

4.2.24.6 Other Irrigation Conditions

City will provide all the water and electricity necessary for the Contractor to perform the services except instances where excessive costs are incurred by the City due to water/electricity waste or negligence by the Contractor.

- A. If the City determines that excessive utility costs due to waste or negligence have occurred and are a result of Contractor's actions, the City may withhold from payment to the Contractor those funds necessary to reimburse the City for these additional costs.
- B. If there is a difference of opinion between the City and the Contractor as to whether there has been waste due to the negligence of the Contractor, the opinion of the City will prevail.
- C. At the City's request the Contractor may be required to attend a monthly water conservation meeting with the city and the City's other partners. This meeting is designed to discuss best management practices, water usage to date, mandated restrictions, and City goals. This group is required to work as a team to accomplish City-wide irrigation goals.

4.2.25 Plant Loss

It is one of the Contractor's prime responsibilities to prevent loss of plants caused by pests, diseases, insects, soil conditions, nutrient, micro-climatic conditions, improper planting, or improper irrigation practices.

Contractor shall be continuously alert in locating and defining problems and will exercise prompt and proper corrective action. Contractor must report to the City any findings of damage to plants in writing with photo documentation and will be held responsible for replacement if failure to identify a problem and notify the City in writing prior to plant failure. Within thirty (30) days of the execution of the Contract a preliminary written report shall be submitted for major corrective problems not covered in the Contract along with the costs.

Contractor shall replace, at the Contractor's cost, any dead, stunted, or damaged plantings that are the result of the Contractor's negligence that are not addressed. Plants lost from Contractor's negligence shall be replaced, at the Contractor's expense, within thirty (30) days of discovery by City staff. Replacement plants shall be comparable in size to the lost plant up to a maximum size of a thirty-six (36) inch box, or if smaller, the size shall be approved by the City. Planting time frame will be at the discretion of the City and must be approved prior to work being performed.

The Contractor shall not be held responsible for plant losses due to maladies beyond the Contractor's control; this includes, but is not limited to, disease or insect attack for which there is no legal recommended control, acts of vandalism, earthquakes, fires, storms, freezing/frost, and related events. Contractor shall report all such conditions to the City in writing within seventy-two (72) hours of occurrence and submit a proposal for the work or repairs along with the costs. The Contractor shall obtain City's authorization prior to proceeding with the work. Failure to notify the City within seventy-two (72) hours of occurrence will result in replacement at the Contractor's cost as if the cause was Contractor negligence.

Plants in a state of decline shall be documented and brought to the City's attention for inspection immediately and before removal. The City shall pay labor and material for plant replacement not caused by Contractor negligence, as deemed by the City, on an actual time and material basis. Plants removed without notification to the City will be the Contractor's responsibility to replace.

The City shall approve all replacement plants that differ in species. However, replacing plants shall not be used by the Contractor as a substitute for proper care. The City will

consider Contractor negligence a breach of contract with full responsibility for costs and losses.

It shall be understood that new plantings may have different irrigation requirements than established plantings, and it shall be the Contractor's responsibility to ensure that new plantings have appropriate irrigation scheduling, and at no additional cost to the City. This includes plantings performed by Contractor as "Extra Work", as replacement plants, or those plants that may be installed by City staff or other third party, provided that the Contractor has received proper notification that such plantings have occurred.

Upon termination of the Contract, the City reserves the sole right to withhold final payment(s) in the amount necessary to replace any damaged or dying plant material that is a result of Contractor negligence, or to restore any site which is in a condition that is worse than when the Contract was executed.

4.2.26 Pesticide Use

Many federal and state agencies have jurisdiction over pest control activities related to use of pesticides, vegetation management, worker safety, hazardous material disposal, impacts of pesticide use on air and water quality and on wildlife. Primary pesticide regulation is by the US Environmental Protection Agency (EPA) with additional regulation and enforcement by the California Environmental Protection Agency. The California Department of Pesticide Regulation (DPR) is the regulatory arm of California EPA. Local enforcement of pesticide regulations performed by the Placer County Department of Agriculture.

Any pesticides used must be on the City's approved list for use. Contractor is responsible for acquiring a recommendation from a State of California licensed Pest Control Advisor and safety training of contract employees. Any damage to plants or other property due to pesticide use is the responsibility of the contractor.

Pesticides applications shall be excluded at School sites/property unless requested by the City.

4.2.26.1 Notification

Contractor shall notify the City at least one week prior to date of application of any pesticide, so irrigation schedule can be adjusted. The City will follow the same procedure when notifying the Contractor at sites where the contractor manages the irrigation schedule.

4.2.26.2 Reports

Contractor shall submit all pesticide applications through a pesticide use report to the County of Placer Agricultural Commissioner monthly. A copy of the monthly pesticide use reports shall be submitted to the City indicating

each site that has been treated the previous month and listing all chemicals used.

4.2.26.3 Storm Water

The City has a General Storm water Permit called the [State Water Resources Control Board, Water Quality Order No. 2013-001-DWQ, National Pollutant Discharge Elimination System \(NPDES\), General Permit No. CAS 000004](#). The intent of the permit is to reduce the discharge of pollutants in storm water to the maximum extent practicable, and in a manner designed to achieve compliance with water quality standards and objectives, and effectively prohibit non- storm water discharges into the municipal storm drain system and watercourses within the City and State. The Contractor is responsible for ensuring all landscape maintenance activities adhere to guidelines identified in the permit.

All fertilizers shall be kept out of the gutter and off the sidewalks. Fertilizer deposited onto the gutters, sidewalks or streets during application is to be blown back onto the landscape area immediately. Blowing of lawn clippings, leaves or other landscape debris into the gutter or storm drain inlets is strictly prohibited. No drains shall be obstructed by plant material or bark/mulch. During irrigation repairs, all mud and water is to remain in the landscape area. No turbid discharge is allowed into the gutter or drains.

4.2.27 Fertilization

The Contractor will be responsible for performing fertilizations of turf and landscape in parks, streetscapes, and designated facilities at the City's direction within specific time frames.

All fertilizations shall be considered "Extra Work" and shall not be included in the base bid. The City reserves the right to purchase all fertilizer products and have those products delivered to the Contractor. Timing of such deliveries and quantities will be determined jointly by the city and the Contractor.

The City also reserves the right to have the Contractor purchase the product directly and to include the product price in a quote for service. All major fertilizations shall conform to the City's agronomic calendar plan and City approved products.

4.2.28 Agronomic Calendar

On an annual basis the City establishes an agronomic calendar for the upcoming year. This calendar includes timing for pre and post emergent herbicide applications, fertilizer applications, aerification schedules, etc.

If requested by the City, the Contractor shall provide input on the yearly agronomic calendar. The calendar is a guiding tool for maintenance practices each year. The Contractor is expected to be able to perform requested

applications within specified timelines, except for uncontrollable circumstances such as weather. The Contractor shall notify the City in writing of such circumstances. The city will provide or approve products to be used throughout the city. The city understands that specific areas may require specific needs. Those needs may fall outside of the agronomic calendar and will be addressed on a case-by-case basis.

4.2.29 Bark Mulch

The Contractor shall notify the City when areas need new bark mulch. The City reserves the right to have the bark installed in any manner that it sees fit and by whomever it sees fit. If the city requests that new bark mulch, be added by the Contractor, it will be considered "Extra Work" in its entirety.

4.2.30 Clearance Tree Pruning

The Contractor shall prune trees for clearance as part of the base bid per current Parks & Landscape Maintenance Service Levels (Exhibit B).

4.2.31 Turf Management

Turf mowing and edging shall be performed as needed to meet the City parks and landscape service levels. Edging should not create gaps no wider than 1/4" around infrastructure.

When turf cannot be cut on the scheduled day due to rain, turf shall be cut as soon as weather and ground conditions permit. Sports field mowing should be done later in the week to provide the best possible playing surface on weekends. Any schedule change should be reported immediately.

4.2.32 Additional Work

Contractor shall agree to accept Additional Work assigned by City during each contract period, at the costs quoted in the proposal or at adjusted costs for succeeding annual periods. "Additional Work" is defined as future work or landscape maintenance in areas yet to be established, such as new park sites or new streetscapes.

4.2.33 Extra Work and Improvement Work

Extra Work and Improvement Work are not included as part of the base bid. Contractors shall provide a cost proposal for Extra Work. Improvement Work is described for reference only and does not require a cost proposal currently.

4.2.33.1 Extra Work

"Extra Work" is defined as those services and tasks specifically pertaining to Landscape Maintenance, as defined by the Department of Industrial Relations (DIR), either Routine or Complex, but beyond the service levels described herein. Any Extra Work will be considered additional requests above and beyond the base service levels identified in the Parks & Landscape Maintenance Standards (Exhibit A).

Below is a non-exhaustive list of items the City will deem Extra Work, provided they are not required because of Contractor's negligence or failure to perform its contracted duties:

- Repair of damaged or faulty irrigation (as described in Section 4.2.24.4)
- All fertilizations
- Seasonal turf renovation including de-thatching, over-seeding, and sod patching.
- Additional turf aerations beyond the assigned service level
- Replacement of plant material
- Replacement of seasonal color flowers
- Herbicide / pesticide application beyond the assigned service level
- Installation of bark / mulch / playground fiber
- Weed abatement, weed mowing, installation of firebreaks.
- Cleaning / repair of vandalism
- Any additional landscape maintenance work, at the City's sole discretion, that is not already described above and is not already a part of the contract scope.

Bid requests for hourly rates, unit costs, markups, etc. can be found in the Cost Proposal Bid Sheet for Extra Work (Exhibit C).

If tree pruning beyond basic clearance pruning is assigned as "Extra Work," the Contractor shall follow the tree pruning standards as described in the Parks & Landscape Maintenance Standards (Exhibit A). Additionally, the City maintains a current electronic inventory of every City owned tree. If any tree work is performed ranging from beyond basic clearance pruning to removal, the City's Urban Forester must be notified prior to work, and at the conclusion of work, so that proper records can be maintained.

The Contractor shall identify the tree on an aerial map with notes of the species and measured diameter at breast height (DBH) and provide the map to the Urban Forester. The Contractor shall be required to work with City staff to notify residents living near the tree work location will be completed prior to commencement of the work.

Emergency items, such as storm damage, do not require advanced notification.

Prior to the Contractor performing any Extra Work, the Contractor shall prepare and submit a written description of why the Extra Work is required, what type of work is proposed, and a cost estimate for the Extra Work as stated in the Cost Proposal Bid Sheet for Extra Work (Exhibit C). The cost estimate shall not exceed unit prices provided on the Cost Proposal Bid Sheet for Extra Work form, if applicable, unless otherwise agreed upon by the City that extenuating circumstances or field conditions warrant such adjustment.

No work shall commence without written authorization from the Parks Superintendent, or his designee.

Notwithstanding the above authorization, when a condition exists where there is imminent danger of injury to the public or damage to property, the Parks

Superintendent or his designee may verbally authorize the Extra Work to be performed upon receiving a verbal estimate from the Contractor. However, within twenty-four (24) hours after receiving a verbal authorization, the Contractor shall submit a written estimate to the Parks Superintendent for approval.

The cost estimate for Extra Work shall consist of the following elements:

- Unit costs, if applicable, or anticipated labor hours at appropriate rates provided in the Cost Proposal Bid Sheet for Extra Work (Exhibit C), unless certain higher wage rates are required for specific tasks.
- Actual cost of materials with negotiated percentage increase for overhead and profit, with a maximum markup of 10% over actual cost.

Materials may be provided by the City of Roseville.

All Extra Work shall commence on the specified date established and shall diligently proceed until completion.

Upon completion of the Extra Work the Parks Superintendent, or his designee shall be notified so that the work may be verified.

Contractor shall submit an invoice for compensation with the approved Cost Proposal Bid Sheet for Extra Work (Exhibit C). Photocopies of original invoices for materials shall be made available upon request of the City. If Contractor is using parts from its stock, an itemized list of parts used with unit prices shall accompany the invoice. Compensation shall not exceed the written estimate.

The Contractor's invoice shall be subject to audit and review by the City prior to payment.

The City reserves the right to repair and/or contract with a third party to perform Extra Work.

4.2.33.2 Improvement Work

Included for reference only, Improvement Work is defined as landscape-related services, tasks, or projects that require prevailing wage trade categories not covered by DIR under Landscape Maintenance and will be performed under a separate contract. This includes new landscape construction and renovation work.

Below is a non-exhaustive list of items the City will deem Improvement Work:

- New landscape construction projects.
- Large scale landscape conversions and renovations.
- Irrigation system conversions.
- New drainage installation.
- Concrete / hardscape / fence repair and installation.

2.1 Multiyear Agreements The initial contract will be from date of award through December 2028 with up to 3 renewals, two years each. .

The City reserves the right to renew the contract for additional years, two (2) years at a time at its sole discretion. The vendor receiving the contract award for the initial contract will retain that contract award throughout the life of the contract, including the optional renewal years.

The initial contract will be awarded based on the prices determined through the initial contract negotiation process. Sixty days prior to the expiration date of the current contract, the City is willing to re-negotiate out-year pricing (increases and/or decreases) based on market fluctuations. The pricing for each renewal year will be evaluated based on what the City deems to be fair and reasonable pricing. Any requests made by the vendor for a price increase must be fully documented utilizing an appropriate Consumer or Producer Price Index or other relevant market data to justify a price change. In its request for price increases Seller shall cite sources, specific conditions, and document how those conditions affect the cost. The City of Roseville is also willing to re-negotiate pricing if it is affected by catastrophic circumstances (example: unforeseen national/world crisis or acts of God).

Price adjustments will not be automatic. They must be mutually agreed upon by both the City and the vendor. The City will review the proposed pricing and determine if it is allowable, fair, reasonable, and in the best interest of the City to extend the agreement.

5.0 **ASSURANCE OF DESIGNATED PROJECT TEAM**

Proposer shall assure that the designated project team, including sub-consultants or sub-contractors (if any), is used for this project. Departure or reassignment of, or substitution for, any member of the designated project team, sub-consultant(s) or sub-contractor(s) shall not be made without the prior written approval of the City.

6.0 **PROPOSAL FORMAT REQUIREMENTS**

Each response to this RFP shall include the information described in this section. Provide the information in the specified order. Failure to include all of the information specified may be cause for rejection. Additional information may be provided but should be succinct and relevant to the goals of this RFP. Any additional information that a proposing Contractor wishes to include that is not specifically requested should be included in an appendix to the proposal.

Contractors are encouraged to keep the proposals brief and to the point, but sufficiently detailed to allow evaluation of the project approach. Unauthorized conditions, omissions, limitations or provisions attached to a proposal may render the proposal non-responsive and may cause its rejection.

Proposers are warned against making erasures or alterations of any kind, without initialing each and every such change. Proposals that contain erasures or irregularities of any kind, without such initialing, or omissions, may be rejected.

If provided via regular mail, the proposal should be bound or contained in a loose-leaf binder. Document pages shall be 8-1/2 inches by 11 inches in size or folded to such a size. Use section dividers, tabbed in accordance with this section as specified below.

6.1 **Cover Letter** with the following information:

- Title of this RFP

- Name and Mailing Address of Firm (include physical location if mailing address is a PO Box)
- Contact Person, Telephone Number, Fax Number, and Email Address
- A statement that the submitting Contractor will perform the services and adhere to the requirements described in this RFP, including any addenda (reference the addenda by date and/or number).

6.2 **Signature Requirements** - The attached Proposer's Certification (**Attachment A**) shall be executed by an official(s) legally authorized to bind the Contractor which states that the proposal is valid for ninety (90) days. Include the executed copy of the Proposer's Certification under Tab G. Note: This is ninety (90) days following the closing date for the receipt of all proposals.

- Proposals submitted on behalf of a Partnership shall be signed in the firm name by a partner or the Attorney-in-Fact. If signed by the Attorney-in-Fact, there shall be attached to the proposal a Power-of-Attorney evidencing authority to sign proposals, dated the same date as the proposal and executed by all partners of the firm.
- Proposals which are submitted on behalf of a Corporation shall have the correct corporate name thereon and the actual signature of the authorized officer of the corporation written (not typed) below the corporate name. The title of the office held by the person signing for the corporation shall appear below the signature of the officer.
- Proposals which are submitted on behalf of a Limited Liability Company ("LLC") shall be signed by the person or persons authorized to bind the LLC under the LLC's articles of organization.
- Proposals which are submitted by an Individual Doing Business under a firm name ("dba") shall be signed in the name of the individual doing business under the proper firm name and style.

6.3 **TAB A: Firm's Qualifications** – Describe your firm and provide a statement of your firm's qualifications for performing the requested services. Identify the services which would be completed by your firm's staff and those that would be provided by sub-consultants or sub-contractors, if any. Identify any sub-consultants or sub-contractors you propose to utilize to supplement your firm's staff. Include the firm's organizational chart, including its constituent parts, and size variation of staffing levels in the past five (5) years.

6.4 **TAB B: Experience and References** – Provide a summary of your firm's experience in providing these or similar services. Provide a minimum of three (3) references for projects or services similar in nature and scope that your firm's team members have completed in the last five (5) years. Include brief descriptions of the projects, dates, client names and contact persons' names, addresses and telephone numbers. Public sector references are preferred.

6.5 **TAB C: Staffing, Resources and Service Description**– Provide details of your company's approach to the successful management of this contract based on the General Conditions in Section 4 and the Parks & Landscape Maintenance Standards (Exhibit A). Include detailed descriptions regarding your company's approach to the following operational items:

- Resources and methodology that will be used to complete each element of the requested services.
- Describe how your company will make available the equipment and

supplies (i.e., machinery, signs, cones, tools, chemicals, etc.) needed to perform all work and where equipment will be stored.

- Communication methods between supervisors, office staff and field staff.
- Systems your company uses to assign, track, and evaluate work performed by employees.
- Staffing and work plans that include work strategies needed to maintain each park, district, or area throughout all seasons of the year.
- Describe your company's employee retention program and philosophy. Include an overview of employee benefits packages for all employee categories to be assigned to this contract, including supervisors, full-time line staff and part-time line staff for each area in the bid.

- 6.6 **TAB D: Project Understanding** – Based on the available information, supplemental research, field observations, and experience with similar projects, provide a narrative describing your understanding of the services requested in this RFP, your general approach and any major challenges to achieving the City's stated goals. Include any issues that you believe will require special consideration for this project. Also identify any unique approaches or strengths that your firm may have related to this project. City staff will assess your understanding of all aspects of the project based on the overview.
- 6.7 **TAB E: Customer Service and Quality Assurance** – Discuss your company's vision of customer service and quality assurance. Describe steps your company takes to ensure all staff will provide an exceptional experience to the public and the City of Roseville. Provide details and methodology on how your company performs quality control and measures taken to correct items not meeting the City of Roseville standards identified in General Conditions (Section 4.2) and in the Parks & Landscape Maintenance Standards (Exhibit A). Exhibit F provides a sample quality assurance document used by the City of Roseville. Please provide samples of documents your company uses to facilitate thorough quality assurance checks.
- 6.8 **TAB F: Chemicals** -- List the chemicals proposed for use in this Contract. Describe how each will be used and methods used to comply with the Department of Pesticide Regulation.
- 6.9 **TAB G: Irrigation**- Describe your company's plan and strategy for maintaining irrigation systems and preventative measures taken to ensure maximum efficiency and water conservation. Discuss experience with any centralized irrigation systems, specifically Motorola and Calsense. Include any strategies used in designating the responsibilities of the Contractor and the City and how it differs from a non-centrally controlled system.
- 6.10 **TAB H: Liability Issues**- Discuss how your company handles damage or theft claims from the public. What is the process you follow to ensure claims are handled in a timely manner?
- 6.11 **TAB I: Billing and Invoicing**- The City requires billing and invoices to meet the needs of our accounting and budgeting structure. Bills and invoices must be presented to the City in a timely manner. Invoices shall include district or general fund area name, if it is a Park, Landscape or Facility, Purchase Order Service Agreement number, Purchase Order Service Agreement line number and monthly cost or individual amount for specific work. In addition, "Extra Work"

invoices shall include a description of work performed, billable hours, cost for any parts, and grouping of work performed within a district or general fund area.

- Exhibits D and E provides sample invoices that shows the variety of districts, contracts and account information required on all billing invoices and a sample extra work invoice. Describe your company's ability to provide similar invoices or other options that will meet the needs as shown.

6.12 TAB J: Cost Proposal- The Parks and Landscape Maintenance Services RFP is formulated for the Contractor to provide a proposal for specific District zones in two geographical areas, Facilities, Schools sites, Non-Parks, Recreation & Libraries locations and Parks (Exhibit B) within the City of Roseville. This proposal can be for one area or all locations. The City reserves the right to award individual geographic zones to different contractors and/or negotiate cost proposals. Additionally, the City reserves the right to adjust the geographic zones and bid locations as needed.

Base bid prices shall include everything necessary for the completion of and fulfillment of the Contract, including but not limited to, furnishing all transportation, materials, equipment, and all management, supervision, permits, labor, and services, to comply with the designated service level, for each area, unless otherwise identified as "Extra Work" within this document.

Proposal prices shall include all applicable federal, state, and local taxes. The prices should be listed by yearly lump sums. The basis of payment shall be on a monthly fixed price basis or as otherwise agreed to in writing by the City.

All proposers must complete the Cost Proposal Bid Sheet for Routine Work (Exhibit B). Please provide a total cost to complete all services at each park, streetscape, school, and facility listed to meet the standard service level, unless otherwise noted, described in the Parks & Landscape Maintenance Standards (Exhibit A). Additionally, the Contractor shall provide pricing for the add alternatives as listed to allow the contracted services to be selected as needed to meet budgets in certain districts.

All proposers must complete the Cost Proposal Bid Sheet for Extra Work (Exhibit C). "Extra Work" is described in Section 4.2.27.1 and will not be considered part of the routine maintenance or base bid prices. Additionally, indicate what your material markup is over wholesale price.

The Parks and Landscape Maintenance Services RFP reflects consistent maintenance service levels across the City. Depending on proposal prices submitted and the current funding status, the City may be required to lower or increase services to individual zones or areas based on funding availability.

Examples of possible reductions include mowing less frequently, or no fertilization or aeration. Possible increases could include adding an additional pruning cycle, additional weed management or more mowing. The City will only award a contract if the cost of the agreement is at or below the approved funding allotment for specific areas, parks, and districts.

The initial proposed pricing must be in effect for eighteen (18) months based on the time period of the initial contract. At the request of the Contractor, City and Contractor will meet and revise prices to be effective for the next fiscal year (July 1– June 30) in January of each year. This increase shall not exceed 3% in any one year, including any extensions in the term

of the Agreement. City also agrees to adjust payments to reflect changes in work quantities and to pay for new work assigned to Contractor at the contract rates then in effect. Adjustments to quantities may be requested by either party and is subject to field verification by City.

- 6.13 **TAB K: Required Statements/Documents** – Include statements of assurance regarding the following requirements in the proposal:
- Non-substitution for the designated members of the team without approval by City staff **(Section 5.0)**
 - The absence of a conflict of interest **(Section 10.4)**
 - Indicate your ability and agreement to fulfill the indemnification and insurance requirements contained in the sample contract **(Section 10.7)**. (Please note that actual certificates of insurance are not required as part of your submittal.)
 - A statement that nothing contained in the submitted proposal will be proprietary. **(Section 10.23)**

Submit the following documents with proposal:

- Proof of registration with California Secretary of State. **Note:** All proposers must be registered with the Secretary of State or have a valid exemption by the time of award.
 - Executed copy of Proposer's Certification **(Attachment A)**
 - Levine Act Disclosure Statement Form **(Attachment B)**
 - Contractor Licenses **(Attachment C)**
 - Subcontractor List **(Attachment D)**
 - Executed copy of Non-collusion Declaration **(Attachment E)**
- 6.14 **TAB H: Exceptions** – Describe any and all proposed exceptions, alterations or amendments to the Scope of Services or other requirements of this RFP, including the Sample Contract **(Attachment F)**. The nature and scope of your proposed exceptions may negatively affect the evaluation of your submittal and the City's determination of whether it is possible to successfully negotiate a contract with your firm.
- 6.15 **TAB I: Competency of Proposers** – The City wants to ensure that the successful Contractor has the necessary facilities, ability, experience, and financial resources to provide the services specified herein in a satisfactory and timely manner. Please list and explain any pending bankruptcies, liens, stop payment notices, judgments, lawsuits, arbitrations, mediations, foreclosures, and any similar actions filed or resolved in the past seven (7) years. Please indicate whether a client has ever terminated a contract with your firm for breach, and if so, please explain. Also, furnish a statement of financial resources demonstrating that the Contractor has the ability to maintain a staff of regular employees, sub-consultants or sub-contractors adequate to ensure continuous performance of work, and demonstrating that the equipment for the work contemplated is sufficient, adequate and suitable.

7.0 SUBMITTAL INSTRUCTION

- 7.1 Your submittal package shall include the following:
If mailing, the below guidelines apply.

- **One (1) original and four (4) printed copies** of your proposal; and
- **One (1) electronic copy** of your proposal in PDF format on a flash drive or other electronic media

OR

If submitting your proposal via electronic mail, then send one (1) copy of the proposal to cityclerkroseville@roseville.ca.us. The file size limit is 25 megabytes.

- 7.2 Proposals shall be submitted not later than the time and date indicated on the cover page of this RFP. If mailing the proposal, then it shall be submitted in a sealed envelope or container and clearly marked with the RFP title on the outside of the parcel. **Complete and attach the “Sealed Proposal” label to the outside of the envelope or package containing your proposal.**

- 7.3 Proposals shall be delivered to:

City of Roseville
Attn: City Clerk Department
311 Vernon Street
Roseville, CA 95678

Or electronically mailed to: cityclerkroseville@roseville.ca.us

- 7.4 The City shall not be responsible for proposals delivered to a person or location other than that specified herein.
- 7.5 Postmarks will not be accepted, and proposals received after the deadline date and time will not be accepted or considered. **No exceptions.**
- 7.6 The City reserves the right to waive minor defects and/or irregularities in proposals and shall be the sole judge of the materiality of any such defect or irregularity.
- 7.7 All costs associated with proposal preparation shall be borne by the proposer.

8.0 EVALUATION CRITERIA

The following evaluation criteria and rating schedule will be used to determine the most highly qualified firm(s).

<u>Evaluation Criteria</u>	<u>Maximum Points Possible</u>
A. Experience and qualifications of firm and proposed staff/sub-consultants/sub-contractors	15

(per Sections 6.3 - 6.5)	
B. Understanding of the Project – Proposed Project Plan (per Section 6.6 – 6.7)	35
C. Proposed Cost (per Section 6.8)	25
D. Performance and Ability	15
E. Customer Service and Quality	10
Total Possible Points:	100

9.0 SELECTION PROCESS

- 9.1 Award of the RFP shall be made to the responsible proposer whose proposal is determined, through a formal evaluation panel process, to be the most advantageous to the City after the evaluation panel has taken into consideration the evaluation factors set forth in the RFP. A master score sheet shall be created based on the evaluation panel's initial evaluation. Proposals shall be scored according to the criteria stated in the RFP.
- 9.2 Proposals submitted will be reviewed by a selection committee. Contractors that have submitted the best and most complete proposals may be invited to an interview. The number of Contractors invited to an interview may vary depending upon the number of proposals submitted.
- 9.3 Should the City elect to conduct interviews with any proposers, the following criteria shall be considered and each proposer ranked by the evaluation panel during the interview process: a) Quality of presentation, b) Ability to meet the City's business goals, c) Communication style.
- 9.4 The City reserves the right to make a selection after review of the proposals without oral interviews; therefore, the proposal should be submitted initially on the most favorable terms that the Contractor might propose.
- 9.5 A contract will be negotiated with the Contractor considered best meeting the City's need for this project. In the event a mutually satisfactory contract cannot be negotiated with the City's first choice, negotiations may be terminated and commenced with the Contractor considered next best in meeting the City's needs for this particular project.
- 9.6 The selected Contractor will be required to execute a City prepared contract. The contract may further refine the scope of services and will provide for the terms and conditions of employment.
- 9.7 The award of any contract is expressly contingent upon City Council approval and the availability of funds. City staff may not legally bind the City to a contract.

- 9.8 The City reserves the right to reject any or all proposals, or to waive minor irregularities in said proposals, or to negotiate minor deviations with the successful Contractor(s). In the case of differences between written words and figures in a proposal, the amount stated in written words shall govern. In the case of a difference in unit price versus the extended figure, the unit price shall govern.
- 9.9 The City reserves the right to seek clarification on any or all proposal submittals to ensure the RFP specifications are met. Proposals may be rejected from any proposer who does not comply with the City's request for clarification.
- 9.10 Once a decision has been made to award the contract, then a formal notice of the intent to award to the recommended proposer(s) shall be made by the Department.
- 9.11 A City of Roseville business license as well as all applicable permits, licenses and certifications required by local, state or federal law are required before the award of contract.

10.0 GENERAL TERMS & CONDITIONS

- 10.1 **Standard Contract.** Upon completion of the evaluation and recommendation for award, the selected Contractor will be required to execute an agreement prepared by the City, a sample of which is included as **Attachment F**.
- 10.2 **Independent Contractor.** At all times the Contractor shall represent himself/herself to be an independent contractor offering such services to the general public and shall not represent himself/herself, or his/her employees, to be an employee of the City. Therefore, the Contractor shall assume all legal and financial responsibility for taxes, FICA, employee fringe benefits, workers' compensation, employee insurance, minimum wage requirements, overtime, etc., and agrees to indemnify, save, and hold the City, its officers, agents, and employees, harmless from and against, any and all loss, cost (including attorneys' fees), and damage of any kind related to such matters.
- 10.3 **Non-Appropriation.** The City may terminate any resulting contract at the end of any fiscal year, June 30th, without further liability other than payment of debt incurred during such fiscal year, should funds not be appropriated by its governing body to continue services for which the contract was intended.
- 10.4 **Conflict of Interest.** The Contractor shall warrant that no official or employee of the City has an interest, has been employed or retained to solicit or aid in the procuring of the resulting contract, nor that any such person will be employed in the performance of such contract without immediate divulgence of such fact to the City. Contractors submitting a proposal in response to this RFP must disclose any actual, apparent, direct, indirect, or potential conflicts of interest that may exist with respect to the Contractor or the Contractor's management or employees relative to the services to be provided to the City. Conflict of interest issues may require consultation with legal counsel. If a Contractor has no conflicts of interest, a statement to that effect must be included in the proposal.

Violation of this section shall be a material breach of the contract entitling the City to any and all remedies by law or in equity.

- 10.5 **Undue Influence.** The Contractor shall warrant via an executed Proposer's Certification (**Attachment A**) that no undue influence or pressure is used against or in concert with any officer or employee of the City in connection with the award or terms of the contract that will be executed as a result of this RFP, including any method of coercion, confidential financial arrangement or financial inducement. No officer or employee of the City shall receive compensation, directly or indirectly, from the Contractor, or from any officer, employee or agent of the Contractor, in connection with the award of the contract or any work to be conducted as a result of this RFP. Violation of this section shall be a material breach of the contract entitling the City to any and all remedies by law or in equity. Additionally, the Contractor shall provide a completed Levine Act Disclosure Statement form (**Attachment B**). A party to a proceeding before an agency involving a license, permit, or other entitlement for use, including contracts not competitively bid and awarded to the lowest responsible bidder with a responsive bid shall disclose on the record of the proceeding any contribution in an amount of more than two hundred fifty dollars (\$250) made within the preceding 12 months by the party or the party's agent to a City official/campaign. (Gov. Code, § 84308.) For additional information: https://www.roseville.ca.us/government/departments/city_clerk/transparency/levine_act.
- 10.6 **Non-Collusion.** Contractors submitting proposals shall warrant via an executed Proposer's Certification (**Attachment A**) that their offer is made without any previous understanding, agreement or connection with any person, firm or corporation submitting a separate proposal for the same project and is in all respects fair, without outside control, collusion, fraud or otherwise illegal action. This condition shall not apply to proposals which are submitted by firms who have partnered with others to submit a cooperative proposal that clearly identifies a primary contractor and the associated sub-consultants or sub-contractors. Proposers shall also submit a properly completed and executed "Non-collusion Declaration" which is attached as **Attachment E**.
- 10.7 **Indemnification & Insurance Requirements.** The City's standard indemnification and insurance requirements are provided in the sample contract, included in **Attachment F**. All costs of complying with the insurance requirements shall be as included in your pricing. The selected Contractor shall provide complete and valid insurance certificates within ten (10) days of the City's written request. Failure to provide the documents within the time stated may result in rejection of the Contractor's proposal. If a proposer takes exception to the indemnification and insurance requirements, then the nature and scope of the proposed exceptions may negatively affect the evaluation of that proposer's submittal and the City's determination of whether it is possible to successfully negotiate a contract with that firm. Submitting exceptions are at the proposer's own risk.
- 10.8 **Cost of Preparing Proposal.** The City will not pay any costs incurred by any Contractor in preparing or submitting a proposal in response to this RFP.
- 10.9 **Proposals Property of the City.** All documents or materials submitted with or in conjunction with any proposal, including but not limited to electronic files, shall become

the property of the City after the proposal submission deadline. No submission documents will be returned. During negotiations, the scope of services may be amended by the City and negotiated based upon ideas provided by other proposers or any other source.

10.10 Proposals are Public Records. All proposals submitted are subject to the public disclosure requirements under the laws of the State of California, unless the City identifies and exercises a right or obligation to exempt any record from public disclosure. However, proposals will not be disclosed until negotiations are complete and a recommendation for selection and award is made.

10.11 Protests.

(a) Protest Requirements

(1) Any proposer who is aggrieved in connection with the solicitation or award of a contract may file a protest with the City Clerk's office. The protest must be received in writing by the City Clerk's office within seven (7) calendar days after such aggrieved proposer 1) knows or should have known of the facts giving rise thereto or 2) the date of the notice of intent to award, whichever is sooner. In no event shall a protest be allowed after an award has been made by City Council. If the seventh calendar day falls on a weekend or City holiday, the protesting party may submit the protest prior to close of business on the first business day following such weekend or holiday. Failure to submit a timely protest shall bar consideration of a protest.

(b) Grounds for Protest

(1) The alleged grounds for protest shall be limited to the following: (a) computation errors, (b) violations of local, state, or federal law, or (c) the City failed to follow the procedures specified in this Policy.

(2) The protest shall state all grounds claimed for the protest and include supporting documentation. Failure to clearly state the grounds for the protest and provide supporting documentation shall be deemed a waiver of all protest rights.

(c) Administrative Review

Upon receipt of the protest and after determining the protest was properly filed, the Department Director shall provide a copy of the protest to other proposers who might become aggrieved as a result of the protest and issue a written decision within fourteen (14) calendar days after receipt of the protest. The protest will be evaluated by the Department Director, the City Attorney's Office, and the Purchasing Manager. The protesting proposer shall promptly provide any information requested by City staff as part of such investigation. The decision shall either deny or uphold the protest and include reasons for the decision. The written decision shall be final.

(d) Stay of Action During a Protest

In the event a protest is filed under Section 10.11, the City shall not proceed further with the award of the contract until the protest is resolved, unless:

(1) The City Manager or designee makes a determination that the award of the contract without delay is necessary to protect a substantial interest of the City, or

(2) The City decides to reject all proposals and issue a new RFP.

- 10.12 **Rejection of RFP.** The City reserves the right to reject any or all proposals, to waive defects or irregularities in any proposal or in the RFP process, and to offer to negotiate or contract with any Contractor in response to any RFP. This RFP does not constitute any form of offer to contract.
- 10.13 **Multiple Award.** The City reserves the right to award the contract to multiple contractors when applicable.
- 10.14 **Increasing/Decreasing Portions of RFP.** The City reserves the right to increase or decrease the amount of any portions of the work represented in the RFP and/or to omit portions of said work, as may be deemed necessary by the City.
- 10.15 **Rejection as Non-Responsive.** Proposals may be rejected as non-responsive at the City's sole discretion if there are alterations of form, the proposal is conditional or the proposal is incomplete.
- 10.16 **Modifying RFP.** The City reserves the right to modify any portion of, or to postpone or cancel this RFP at any time, and/or reject any and all submissions without indicating any reason.
- 10.17 **If no proposal is accepted,** the City may elect to have the services performed in some other manner.
- 10.18 **Rejecting Team Members, Firms or Sub-contractors.** The City reserves the right to reject individual team members, firms, sub-consultants or sub-contractors and request substitution prior to contract award.
- 10.19 **Local Business, Small Business, Minority and Women Owned Business.** Although no preferences will be given, the City highly encourages submission of proposals by local businesses, by small business owners, and by minority and women-owned businesses.
- 10.20 **Withdrawal of Proposals.** Proposals may be withdrawn prior to the date and time specified for proposal submission with a formal written notice by an authorized representative of the proposer delivered to the City Clerk's Office. Proposals submitted will become property of the City after the proposal submission deadline.

Proposals may not be withdrawn for ninety (90) days after the due date unless the City enters into a contract with another Contractor prior to the expiration of that ninety (90) day period.

- 10.21 **Prohibited Transmittals.** No telephone or facsimile proposals will be accepted. If a photocopy is submitted, the proposal must be signed in ink.
- 10.22 **Proposal Postponement and Amendment.** The City reserves the right to revise or amend the RFP or specifications up to the time set for opening of the proposals. Such revisions and amendments, if any, shall be announced by amendments to this RFP through the City's web site. Copies of such amendments shall be furnished to all prospective proposers. Prospective proposers are defined as those proposers who have registered and are on the City's RFP list for this material/service. If revisions and amendments require changes in quantities, prices or scope of services, the date set for opening of the proposals may be postponed by such number of days as in the opinion of the City shall enable proposers to revise their proposals. Proposals which fail to acknowledge a substantive addendum to the RFP, as determined by the City Attorney's Office, on the City supplied addendum form will be rejected as non-responsive. Any revisions or amendments to the RFP will become incorporated into any contract awarded pursuant to the RFP.
- 10.23 **Proprietary Information.** Proposers submitting a proposal in response to this RFP must provide a statement that nothing contained in the submitted proposal will be proprietary. However, if a proposer desires to claim a privilege against public disclosure for a trade secret or other proprietary information, such information must be submitted with the proposal in a separate envelope marked "confidential." The City Attorney's Office will determine if the information is in fact proprietary, based on state and federal law. Note that under California law, a price proposal to a public agency is not a trade secret. The Contractor shall defend, indemnify and hold harmless the City regarding any claim by any third party for the public disclosure of the "confidential" portion of the proposal.
- 10.24 **Right to Request Additional Information.** During the evaluation process, the City reserves the right, where it may serve the best interests of the City, to request additional information and clarifications from proposers. Such information will be requested in writing to the specific proposer. This information will become a part of the original proposal submitted by the specific proposer and will be used by the City in evaluating the proposal and will not be shared with other proposers during the evaluation and negotiation process.
- 10.25 **Modification of Proposals.** Modification of a proposal already received will be considered only if the modification is received prior to the deadline date for receiving proposals. All modifications shall be made in writing, executed, and submitted in the same form and manner as the original proposal.
- 10.26 **Examination of Contract Documents.** Each proposer shall thoroughly examine and be familiar with the terms of this RFP, the sample contract attached as **Attachment F**, legal and procedural documents, general conditions, specifications, and addenda (if any), which will constitute the contract documents. Submission of a proposal shall constitute

acknowledgement, upon which the City may rely, that the proposer has thoroughly examined and is familiar with the contract documents. Failure or neglect of a proposer to receive or examine any of the contract documents shall in no way relieve the proposer of any obligation with respect to their proposal or to the contract. No claim for additional compensation will be allowed which is based upon lack of knowledge of any contract document.

- 10.27 **Non-Discrimination.** The City maintains various policies related to contractual service providers. Among these is an anti-discrimination policy, which requires that the City's contractors not discriminate in hiring on the basis of gender, race, religion, sexual orientation, medical condition, and all other categories protected by law. Upon acceptance of a proposal, the City may request that the selected Contractor sign a statement affirming its compliance with this policy.
- 10.28 **No Assignment or Modifications.** This awarded contract is to be binding on the successors and assigns of the parties hereto. The services called for herein are deemed unique and except as provided herein Contractor shall not assign, transfer, subcontract, or otherwise substitute its interest in the agreement or any of its obligations herein without the written consent of the City. The Agreement may be modified only by a written amendment signed by the parties.
- 10.29 **Bankruptcy.** Upon filing for any bankruptcy or insolvency proceeding whether voluntary or involuntary, or upon the appointment of a receiver, trustee, or assignee for the benefit of creditors, the Contractor must notify the City immediately. Upon learning the actions herein identified, the City reserves the right, at its sole discretion, to cancel the contract.
- 10.30 **Debarment.** Contractor certifies that Contractor, its employees, directors, officers, agents, subcontractors, vendors, consultants, and volunteers are not presently debarred, excluded, suspended, declared ineligible, voluntarily excluded, or proposed for debarment, exclusion, suspension or ineligibility by any federal, state, or local department or agency.

Attachment A

PROPOSER'S CERTIFICATION

I hereby propose to furnish the goods or services specified in the Request for Proposals ("RFP"). I agree that my proposal will remain firm for a period of up to ninety (90) days in order to allow the City of Roseville ("City") adequate time to evaluate the qualifications submitted.

I have carefully examined the Request for Proposals and any other documents accompanying or made a part of this RFP. The information contained in this proposal is true and correct to the best of my knowledge and is signed under penalty of perjury under the laws of the State of California. I further certify that I am duly authorized to submit this proposal on behalf of the firm as its authorized agent and that the firm is ready, willing and able to perform if awarded the contract.

I further certify that this proposal is made without prior understanding, agreement, connection, discussion, or conspiracy with any other person, firm or corporation submitting a proposal for the same product or service; that this proposal is fair and made without outside control, collusion, fraud or illegal action; that no officer, employee or agent of the City or any other proposer is financially interested in said proposal; that no undue influence or pressure was used against or in concert with any officer, employee or agent of the City in connection with the award or terms of the contract that will be executed as a result of this RFP; and that the undersigned executed this Proposer's Certification with full knowledge and understanding of the matters therein contained and was duly authorized to do so.

LEVINE ACT DISCLOSURE STATEMENT

(The completed form submitted to the City of Roseville is a public record.)

California Government Code Section 84308, commonly referred to as the "Levine Act," prohibits any "Officer" (elected or appointed officer, any alternate thereto, and any candidate for elective office) from participating in any consideration or action related to a proceeding if they receive political contribution(s) from a party, or its agent(s), totaling more than \$250 within the previous twelve (12) months, while a proceeding is pending, and for twelve (12) months following the date of a final decision in a proceeding concerning a license, permit, other entitlement for use, franchise, or contract (collectively "license, permit, or contract"). For additional information: https://www.roseville.ca.us/government/departments/city_clerk/transparency/levine_act.

City Officers are listed at the following sites:

- The Members of City Council - https://www.roseville.ca.us/government/city_council/meet_council
- Boards & Commission Members - https://www.roseville.ca.us/government/boards_commissions

Parties and their Agents are responsible for reviewing and disclosing their applicable contributions to City Officers on the record of a proceeding.

1. Have you or your entity, or any agent on behalf of you or your entity, made any political contribution(s) totaling more than \$250 to any City Officer in the twelve (12) months preceding the date of the submission of your license, permit, or contract, or the anticipated date of any City Council, Board, or Commission consideration or action related to this license, permit, or contract?

YES ____ NO ____

If yes, please identify the City Officer(s): _____

2. Do you or your entity, or any agent on behalf of you or your entity, anticipate or plan to make any political contribution(s) totaling more than \$250 to any City Officer in the twelve (12) months following any City Council, Board, or Commission consideration or action related to this license, permit, or contract?

YES ____ NO ____

If yes, please identify the City Officer(s): _____

Answering yes to either of the two questions above does not preclude the City of Roseville from considering and/or taking action on a license, permit, or contract. It does, however, potentially preclude the identified City Officers from participating in consideration of and in taking any actions related to the license, permit, or contract. Please accurately complete and sign this form, under the penalty of perjury:

(Date)

(Printed Name/Title of Authorized Representative)

(Name of business/legal entity)

(Signature)

You must submit a supplemental form if you make any new reportable contribution(s) while the contract, license, permit, or other entitlement is being considered. If this form has not previously been submitted in connection with a contracting, licensing, entitlement or permitting process, please provide the completed form to the Office of the City Clerk for appropriate departmental routing, at: City Clerk, 311 Vernon St., Roseville, CA 95678, CityClerkRoseville@roseville.ca.us

LEVINE ACT DISCLOSURE STATEMENT

(The completed form submitted to the City of Roseville is a public record.)

Term	Definition	Law
Covered "proceedings"	A proceeding to grant, deny, revoke, restrict, or modify a license, permit or other entitlement for use, that does not solely involve purely ministerial decisions and is: (1) Applied for by the party; (2) Formally or informally requested by the party; or (3) A contract between the agency and the party or a franchisee granted by the agency to the party, other than a contract that is competitively bid , a labor contract , or a personal employment contract .	FPPC Reg 18438.2(a)
Party	Any person who files an application for, or is the subject of, a proceeding involving a license, permit, or other entitlement for use.	Gov. Code 84308(a)(1)
Participant	Any person who is not a party but who actively supports or opposes a particular decision in a proceeding involving a license, permit, or other entitlement for use and who has a financial interest in the decision. A person actively supports or opposes a particular decision in a proceeding if that person lobbies in person the officers or employees of the agency, testifies in person before the agency, or otherwise acts to influence officers of the agency.	Gov. Code 84308(a)(2) FPPC Reg 18438.4
Agent	A person who represents a party or participant for compensation and appears before or otherwise communicates with the governmental agency for the purpose of influencing the pending proceeding. See FPPC Reg 18438.3 for exceptions for certain consultants.	FPPC Reg 18438.3
Competitively Bid	A contract required by law to be awarded to the lowest responsible bidder with a responsive bid, or, if the successful bidder refuses or fails to execute the contract, to the next lowest bidder with a responsive bid.	FPPC Reg 18438.2(a)(3)(A)
Labor Contract	A contract or agreement reached through collective bargaining or with a representative group regarding the salary, benefits, or terms and conditions under an employment or retirement policy for employees or retirees, including a project labor agreement entered under Public Contract Code Section 2500.	FPPC Reg 18438.2(a)(3)(B)

Personal Employment Contract	A contract for employment, including the terms and conditions of employment, between the agency and an agency employee. A contract with an independent contractor is NOT a personal employment contract.	FPPC Reg 18438.2(a)(3)(C)-(D)
-------------------------------------	--	---

A **party** to a proceeding before an agency involving a license, permit, or other entitlement for use **shall disclose on the record of the proceeding** any contribution in an amount of more than two hundred fifty dollars (\$250) made within the preceding 12 months by the party or the party's agent.

A **party, or agent to a party**, to a proceeding involving a license, permit, or other entitlement for use pending before any agency or a participant, or agent to a participant, in the proceeding **shall not make a contribution** of more than two hundred fifty dollars (\$250) to any officer of that agency during the proceeding and for 12 months following the date a final decision is rendered by the agency in the proceeding.

(Gov. Code, § 84308, emphasis added.)

**NONCOLLUSION DECLARATION TO BE EXECUTED BY
BIDDER AND SUBMITTED WITH BID**

The undersigned declares:

I am the _____ of _____, the party making the foregoing bid.

The bid is not made in the interest of, or on behalf of, any undisclosed person, partnership, company, association, organization, or corporation. The bid is genuine and not collusive or sham. The bidder has not directly or indirectly induced or solicited any other bidder to put in a false or sham bid. The bidder has not directly or indirectly colluded, conspired, connived, or agreed with any bidder or anyone else to put in a sham bid, or to refrain from bidding. The bidder has not in any manner, directly or indirectly, sought by agreement, communication, or conference with anyone to fix the bid price of the bidder or any other bidder, or to fix any overhead, profit, or cost element of the bid price, or of that of any other bidder. All statements contained in the bid are true. The bidder has not, directly or indirectly, submitted his or her bid price or any breakdown thereof, or the contents thereof, or divulged information or data relative thereto, to any corporation, partnership, company, association, organization, bid depository, or to any member or agent thereof, to effectuate a collusive or sham bid, and has not paid, and will not pay, any person or entity for such purpose.

Any person executing this declaration on behalf of a bidder that is a corporation, partnership, joint venture, limited liability company, limited liability partnership, or any other entity, hereby represents that he or she has full power to execute, and does execute, this declaration on behalf of the bidder.

I declare under penalty of perjury under the laws of the State of California that the foregoing is true and correct and that this declaration is executed on _____ [date], at _____ [city], _____ [state].

This Contract Purchase Agreement is sent for your review and acceptance. Notify the Buyer via email of any needed changes to the company name, address, and contact information. The Buyer will update the agreement prior to you signing the document.

Return signed copies of the agreement to the Buyer noted on the agreement. Alterations or modifications to the agreement are not allowed. Upon receipt of all necessary documents, the City will sign the agreement and return a fully executed copy to you. Receipt of the signed copy will be your notice to proceed with the work in accordance with the terms and conditions of the agreement. Work must not begin until the contract has been fully executed.

The following guidelines must be followed for the signature block on the agreement:

Sole proprietorship - **By owner**

Partnership - **Any general partner**

Corporation - **Two options:**

(1) A signature from the President and the corporate seal; **OR**

(2) One signature from the Chairman of the Board, President, or any Vice President **AND** one signature from the Secretary, any Assistant Secretary, Chief Financial Officer, or any Treasurer or Assistant Treasurer of the corporation

*General Manager, Office Manager and/or Sales Manager are **not** corporate officer titles. The agreement will be rejected if not signed in accordance with these guidelines.

Insurance requirements:

The City's insurance requirements are referenced on Attachment A of the agreement. By signing the agreement, you are confirming that your company has the minimum insurance limits required.

Contract Terms and Conditions

1. To the fullest extent allowed by law, Contractor shall defend, indemnify, and save and hold harmless the City, its officers, agents, employees and volunteers from any claims, suits or actions of every name, kind and description brought forth, or on account of, injuries to or death of any person (including but not limited to workers and the public), or damage to property, resulting from or arising out of Contractor's willful misconduct or negligent act or omission while engaged in the performance of obligations or exercise of rights created by this Agreement, except those matters arising from City's sole or active negligence or willful misconduct. The parties intend that this provision shall be broadly construed. Contractor's responsibility for such defense and indemnity obligations shall survive the termination or completion of this Agreement for the full period of time allowed by law. The defense and indemnity obligations of this Agreement are undertaken in addition to, and shall not in any way be limited by, the insurance obligations contained in this Agreement.
2. Contractor is an independent contractor, and shall not be considered an officer, agent or employee of the City.
3. Without the written consent of the City, this Agreement is not assignable by Contractor either in whole or in part.
4. Time is of the essence of this Agreement.
5. At any time during the term of this Agreement, the City has the right to terminate this Agreement, provided Contractor is given thirty (30) days written notice. City's termination shall be without further liability to City; however, Contractor shall be entitled to all costs reasonably incurred prior to the date of termination. Contractor acknowledges that City may terminate this Agreement should funds not be appropriated by its governing body to continue services under this Agreement.
6. This Agreement may only be amended or modified in writing. It is integrated and contains the complete understanding of the parties.
7. All equipment, supplies and services sold to the City of Roseville shall conform to the general safety orders of the State of California.
8. Unless notified to the contrary, in writing, the City assumes that the Contractor has accepted the work in accordance with the plans and specifications (if any) and agrees to do the work in compliance with this Agreement.
9. All prevailing wages and fair employment practices must be adhered to. For prevailing wage contracts over \$25,000, copies of certified payroll must be submitted with invoices. Prevailing wage rates may be obtained from the State Department of Industrial Relations and/or the following website address: <http://www.dir.ca.gov/dlsr/DPreWageDetermination.htm>. In compliance with Labor Code Section 1773.2, as may be amended from time to time, Contractor shall cause a copy of this website to be posted at each jobsite, as applicable.
10. Contractor agrees to the below insurance requirements:
 - a. Unless otherwise specified, the Contractor shall maintain the policies of insurance outlined in Attachment A, incorporated herein by this reference, in full force and effect during the term of this Agreement. The City of Roseville retains sole discretion in determining the types and proper levels of insurance coverage.
 - b. Form. Contractor shall submit a certificate evidencing such coverage for the period covered by this Agreement in a form satisfactory to Risk Management and the City Attorney, prior to undertaking any work hereunder. Any insurance written on a claims made basis is subject to the approval of Risk Management

and the City Attorney.

- c. Additional Insureds. Contractor shall also provide a separate endorsement or section of the policy showing City, its officers, agents, employees, and volunteers as additional insureds for each type of coverage (except Workers' Compensation) and for ongoing and completed operations. Such insurance shall specifically cover the contractual liability of Contractor. The additional insured coverage under the Contractor's policy shall be primary and noncontributory, as evidenced by a separate endorsement or section of the policy, and shall not seek contribution from City's insurance or self-insurance. In addition, the additional insured coverage shall be at least as broad as the Insurance Services Office (ISO) CG 20 01 Endorsement. Any available insurance proceeds in excess of the specified minimum insurance coverage requirements and limits shall be available to the additional insureds. Furthermore, the requirements for coverage and limits shall be:
 - (1) the minimum coverage and limits specified in this Agreement; or
 - (2) the full coverage and maximum limits of any insurance proceeds available to the named insureds, whichever is greater.
- d. Cancellation/Modification. Contractor shall provide thirty (30) days written notice to City prior to cancellation or modification of any insurance required by this Agreement.
- e. Umbrella/Excess Insurance. The limits of insurance required in this Agreement may be satisfied by a combination of primary and excess insurance. Any excess insurance shall contain or be endorsed to contain a provision that such coverage shall also apply on a primary and noncontributory basis for the benefit of City (if agreed to in a written contract) before City's own insurance shall be called upon to protect it as a named insured.
- f. Subcontractors. Contractor agrees to include in its contracts with all subcontractors the same requirements and provisions of this Agreement, including the indemnity and insurance requirements, to the extent they apply to the scope of the subcontractor's work. Furthermore, Contractor shall require its subcontractors to agree to be bound to Contractor and City in the same manner and to the same extent as Contractor is bound to City under this Agreement. Additionally, Contractor shall obligate its subcontractors to comply with these same provisions with respect to any tertiary subcontractor, regardless of tier. A copy of City's indemnity and insurance provisions will be furnished to the subcontractor or tertiary subcontractor upon request.
- g. Self-Insured Retentions. All self-insured retentions (SIR) must be disclosed to Risk Management for approval and shall not reduce the limits of liability. Policies containing any SIR provision shall provide or be endorsed to provide that the SIR may be satisfied by either the named insured or City. City reserves the right to obtain a full certified copy of any insurance policy and endorsements. The failure to exercise this right shall not constitute a waiver of such right.
- h. Waiver of Subrogation. Contractor hereby agrees to waive subrogation which any insurer of Contractor may acquire from Contractor by virtue of the payment of any loss under a Workers Compensation, Commercial General Liability or Automobile Liability policy. All Workers Compensation, Commercial General Liability and Automobile Liability policies shall be endorsed with a waiver of subrogation in favor of City, its officers, agents, employees and volunteers for all work performed by Contractor, its employees, agents and subcontractors.
- i. Liability/Remedies. Insurance coverage in the minimum amounts set forth herein shall not be construed to relieve Contractor of liability in excess of such coverage, nor shall it preclude City from taking such other actions as are available to it under any other provisions of this Agreement or law.

11. Contractor shall comply with all federal, state and local laws and ordinances, including but not limited to the City's storm water regulations, as may be applicable to the performance of services under this Agreement. Failure to comply with local ordinances may result in monetary fines and cancellation of this Agreement. Refer to www.roseville.ca.us/stormwater for links to more information on the City's storm water regulations.
12. In the event that the terms of any attachment or exhibit conflict with any terms of this Agreement, the terms of this Agreement shall control.
13. This Agreement may be executed in one or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument. In the event that any signature is delivered by facsimile transmission or by e-mail delivery of a ".pdf" format data file, such signature shall create a valid and binding obligation of the party executing (or on whose behalf such signature is executed) with the same force and effect as if such facsimile or ".pdf" signature page were an original thereof.
14. If either party commences any legal action against the other party arising out of this Agreement or the performance thereof, the prevailing party in such action shall be entitled to recover its reasonable litigation expenses, including but not limited to, court costs, expert witness fees, discovery expenses, and attorneys' fees. Any action arising out of this Agreement shall be brought in Placer County, California, regardless of where else venue may lie. This Agreement shall be governed by and construed in accordance with the laws of the State of California.
15. This Agreement shall be binding upon the heirs, successors, executors, administrators and assigns of the respective parties hereto.
16. If any of the provisions contained in this Agreement are for any reason held invalid or unenforceable, such holding shall not affect the remaining provisions or the validity and enforceability of the Agreement as a whole.
17. For purposes of this Agreement, the terms "Contractor," "Consultant," and "Supplier" are used interchangeably.
18. No contractor or subcontractor may work on a public works project unless registered with the Department of Industrial Relations pursuant to Labor Code section 1725.5. During the performance of this agreement, Contractor and its subcontractors shall have a continuing legal obligation to maintain current registration with the Department of Industrial Relations. Contractor is hereby notified that this project is subject to compliance monitoring and enforcement by the Department of Industrial Relations.
19. Vehicles with a gross vehicle weight rating (GVWR) greater than 8,500 lbs. and light-duty package delivery vehicles operated in California may be subject to the California Air Resources Board (CARB) Advanced Clean Fleets regulations. Such vehicles may therefore be subject to requirements to reduce emissions and air pollutants. For more information, visit the CARB Advanced Clean Fleet webpage at <https://ww2.arb.ca.gov/our-work/programs/advanced-clean-fleets>.
20. Contractor/consultant's duties and services under this agreement shall not include preparing or assisting the public entity with any portion of the public entity's preparation of a request for proposals, request for qualifications, or any other solicitation regarding a subsequent or additional contract with the public entity. The public entity entering this agreement shall at all times retain responsibility for public contracting, including with respect to any subsequent phase of this project. Contractor/consultant's participation in the planning, discussions, or drawing of project plans or specifications, if any, shall be limited to conceptual, preliminary, or initial plans or specifications. Contractor/consultant shall cooperate with the public entity to ensure that all bidders for a subsequent contract on any subsequent phase of this project have access to the same information, including all conceptual, preliminary, or initial plans or specifications prepared by contractor pursuant to this agreement.
21. Contractor must submit all claims as defined in and in accordance with the claim

resolution process set forth in Section 9204 of the Public Contract Code. Each such claim must be sent to the City by registered mail or certified mail with return receipt requested and must contain reasonable documentation to support the claim. All claims must be received prior to acceptance of the work.

22. Contractor certifies that Contractor, its employees, directors, officers, agents, subcontractors, vendors, and volunteers are not presently debarred, excluded, suspended, declared ineligible, voluntarily excluded, or proposed for debarment, exclusion, suspension or ineligibility by any federal, state, or local department or agency.
23. This Agreement may be amended via change order, but only if such change order is made in writing, approved by the City, and signed by both parties.
24. CONTRACTOR agrees to defend and indemnify CITY if, despite the parties intent and practice, any venue, agency, or court with competent jurisdiction determines that CONTRACTOR and/or any of its agents, officers, employees, volunteers, independent contractors, or subcontractors, are characterized as employee(s) of CITY.

CONTRACTOR and CITY agree that: (a) CONTRACTOR is free from the control and direction of CITY in connection with the performance of the work; (b) CONTRACTOR is providing services directly to CITY; (c) CONTRACTOR has and will maintain at all relevant times a business license; (d) CONTRACTOR maintains a business location that is separate from CITY; (e) CONTRACTOR is customarily engaged in an independently established business of the same nature as that involved in the work performed hereunder; (f) CONTRACTOR actually contracts with other businesses to provide the same or similar services and maintains a clientele without restrictions from CITY; (g) CONTRACTOR advertises and holds itself out to the public as available to provide the same or similar services; (h) CONTRACTOR provides its own tools, vehicles, and equipment to perform the services; (i) CONTRACTOR has negotiated its own rates; (j) CONTRACTOR set its own hours and location of work in accomplishing CITY's on-call needs; and (k) CONTRACTOR has the right to control the manner and means of accomplishing the result desired and exercises its own expert independent judgement.

The supplier named hereon by the acceptance of this order agrees to the provisions of this document titled "Contract Purchase Agreement" and all accompanying terms, conditions, and attachments.

Insurance Submission Process

The City of Roseville Human Resources/Risk Management Department uses a service called EBIX to manage our insurance certificate tracking.

How It Works

- The vendor's contact information is entered into EBIX. EBIX will contact the vendor to request proof of insurance.
- The Vendor can forward the request to their Insurance Agent(s) if necessary.
- Vendor/Insurance Agent submits insurance to EBIX by email to roseville@ebix.com or by fax to (770) 325-5727. After faxing or emailing the certificate, please DO NOT send the certificate by mail to EBIX. Please do not mail, email or fax any certificates to the City of Roseville.
- Once submitted, EBIX reviews the insurance documentation. If there are deficiencies, EBIX will send a follow up letter or email requesting additional information.

Questions Regarding Insurance Submission: Contact EBIX at (951) 652-4239

Questions Regarding Insurance Requirements Contact Risk Management at (916) 774-5202

Asbestos-Containing Materials in City-Owned Buildings

California Health and Safety Code Section 25915 requires that all City of Roseville employees, contractors and lessees be notified annually of the presence of asbestos in City-owned buildings constructed prior to 1979. Please post this notice in an area(s) accessible to all employees, contractors and lessees. Contact Facility Maintenance & Operations at (916) 774-5740 for more information about Asbestos Containing Materials (ACMs) in specific City-owned buildings. For more information about asbestos refer to the OSHA website.

The City of Roseville is committed to maintaining a safe and healthy work environment. The City's Facility Maintenance & Operations staff conducts ongoing inspections to identify and safely manage previously installed asbestos-containing products. Renovation of City-owned buildings **MUST** be reviewed in advance by Facility Maintenance & Operations to ensure the City is in compliance with building codes, Americans with Disabilities Act and that no ACMs are disturbed without proper safeguards. Work that requires removal or repair of ACMs is restricted to trained and qualified persons only. **Facility Maintenance & Operations will need to approve the qualified contractors.**

Use the following measures to protect you and others from exposure to airborne asbestos:

- Presume all building materials contain asbestos until determined otherwise by Facility Maintenance & Operations.
- Do not install walls, closets, cabinets, ceilings.
- Do not remove, cut, drill, sand, grind or otherwise disturb any material in the buildings, including carpet and tile.
- Do not paint (this includes any walls, ceilings, floors and electrostatic painting of office furniture).
- Do not remove any items nailed or screwed to the walls (this includes pictures, cabinets, electrical, etc.).
- Do not go above ceilings, behind walls or into building spaces such as attics and crawlspaces unless these areas have been inspected and cleared by Facility Maintenance & Operations.
- Do not pull cable or wiring through above-ceiling spaces with asbestos.
- Do not install screws, pins, nails or hangers into asbestos ceiling or wall plaster.
- Be careful not to damage walls, ceilings or floors when moving furniture or equipment. It is recommended that Facility Maintenance & Operations be contacted prior to moving furniture or equipment.
- Do not brush, sweep or vacuum textured asbestos ceiling plaster or plaster debris.
- Immediately report any damage or deterioration of suspect building materials to Facility Maintenance & Operations or Risk Management.

It is important to note that the presence of asbestos does not mean you have been exposed. Exposure results when friable asbestos particles are inhaled or ingested. Asbestos becomes friable when material containing asbestos is drilled, sanded or disturbed by remodeling or demolition work or when the ACM has deteriorated. Intact, bonded, sealed or undisturbed asbestos does not pose a hazard.

Employees may review the asbestos survey reports, results of bulk sampling or air monitoring conducted in City-owned buildings. All asbestos data will be available by appointment with Facility Maintenance & Operations.

EXHIBIT B

Cost Proposals Monthly Maintenance and Service Levels

Cost Proposal Bid Sheet--Routine Work Exhibit B

Parks

Provide cost for all parks listed based on assigned Service Level. Please refer to the Parks & Landscape Standards (Exhibit A) and Service Levels in the RFP for details. Additionally, provide add alternative costs for each column per the description below and refer to the Parks & Landscape Service Levels as needed. Add Alternative #1: Pruning shall include shearing shrub hedges along walls, tree limb pruning to ensure 8' height clearance over sidewalks and 14.6' height over roads, and trimming of groundcover at hardscape edges. Add Alternative #2: Irrigation shall include routine irrigation checks and schedule adjustments.

Parks	Address	Square Footage of Turf	Bermuda	Square Footage of Landscaping	Service Level	Mow, Edge, Blow	AA- 1: Pruning	AA-2: Irrigation	Annual Cost

RESOLUTION NO. 24-406

APPROVING A PARK AND LANDSCAPE MAINTENANCE SERVICES AGREEMENT,
BY AND BETWEEN THE CITY OF ROSEVILLE AND NEW IMAGE LANDSCAPE
COMPANY, AND AUTHORIZING THE CITY MANAGER TO EXECUTE IT
ON BEHALF OF THE CITY OF ROSEVILLE

WHEREAS, a Park and Landscape Maintenance Services Agreement for Parks,
Recreation & Libraries, by and between the City of Roseville and New Image Landscape
Company, has been reviewed by the Council; and

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Roseville that
said Agreement is hereby approved and that the City Manager is authorized to execute it on
behalf of the City of Roseville.

PASSED AND ADOPTED by the Council of the City of Roseville this ____ day of
_____, 20_, by the following vote on roll call:

AYES COUNCILMEMBERS:

NOES COUNCILMEMBERS:

ABSENT COUNCILMEMBERS:

MAYOR

ATTEST:

City Clerk

**PARK AND LANDSCAPE MAINTENANCE
SERVICES AGREEMENT**

Parks, Recreation & Libraries

THIS AGREEMENT is made and entered into this ____ day of _____, 20__,
by and between the City of Roseville, a municipal corporation ("CITY"), and New Image
Landscape Company, a California corporation ("CONTRACTOR"); and

W I T N E S S E T H:

WHEREAS, CITY issued a Request for Proposals (RFP) for Park and Landscape
Maintenance Services; and

WHEREAS, CONTRACTOR has prepared a proposal dated July 11, 2024, which
describes the scope of work to be performed by CONTRACTOR, the budget for the work, and
the schedule for performance of the work; and

WHEREAS, CONTRACTOR is qualified and experienced to provide park and landscape
maintenance services.

NOW, THEREFORE, the parties agree as follows:

1. Term. The initial term of this Agreement shall be four (4) years, commencing on
January 1, 2025 and expiring on December 31, 2028. CITY may elect to extend the term, at its
sole discretion, for up to three (3) additional two (2) year terms by giving written notice to
CONTRACTOR no later than sixty (60) days before the initial or renewed term ends. If CITY

elects to extend the term, the compensation payable to CONTRACTOR under Sections 3 and 4 may be adjusted as set forth in this Agreement.

2. Services. CONTRACTOR shall perform, at the direction of City, the scope of services (“Work”) as described in EXHIBIT “A,” (CONTRACTOR’s Proposal) in accordance with the specifications set forth in EXHIBIT “B” (CITY’s Request for Proposals), both of which are attached hereto and incorporated herein by this reference, for the areas of responsibility highlighted in EXHIBIT “C” (CONTRACTOR’s Cost Proposal), also attached hereto and incorporated herein by this reference. CITY reserves the right to modify CONTRACTOR’s areas of responsibility in its sole discretion without amendment to this Agreement. In the event CITY exercises its option to modify CONTRACTOR’s areas of responsibility, CITY will provide notice to CONTRACTOR of the change(s) within five (5) business days.

3. Compensation. For its services provided hereunder, CONTRACTOR shall be compensated on a time and expense basis in accordance with the budget estimate as described in EXHIBIT “C.” Compensation for the Work for the term of this Agreement shall not exceed eight million, seven hundred ninety-six thousand, three hundred seventy-four dollars (\$8,796,374) subject to adjustments for changes in the Work as may be directed in writing by CITY pursuant to Section 6. Compensation for changes in the Work for the term of this Agreement shall not exceed eight hundred seventy-nine thousand, six hundred thirty-eight dollars (\$879,638). Total compensation for the entire Agreement shall not exceed nine million, six hundred seventy-six thousand, eleven dollars (\$9,676,011).

CONTRACTOR shall submit monthly invoices for its services. Invoices for monthly base bid services shall indicate the area, the contract line item, and the exact monthly amount. Invoices for “Extra Work” shall be delineated by task, the person performing the services, and

the hourly rate, which shall be stated in time increments of not greater than one-tenth (1/10) hours. CITY shall pay invoices within thirty (30) days after receipt, if the services specified in the invoice have been satisfactorily completed as outlined in Section 5 of this Agreement.

4. Annual Pricing Adjustments. CONTRACTOR agrees to perform the described Work and any additional work requested by CITY for the prices indicated in its proposal (EXHIBIT "C") and any markup stipulated in this Agreement, or as negotiated by CITY, for a period of eighteen (18) months. At the request of CONTRACTOR, CITY and CONTRACTOR will meet in January of each year to revise prices which will be effective for the next fiscal year (July 1 – June 30). This increase shall not exceed five percent (5%) in any one year, including any extensions in the term of this Agreement, unless the CITY agrees in writing to increase this amount due to unforeseen and uncontrollable circumstances including, but not limited to, fuel price increases, changes in workers' compensation rates, and prevailing wage changes. CITY also agrees to adjust payments to reflect changes in work quantities and to pay for new work assigned to CONTRACTOR at the contract rates then in effect. Adjustments to quantities may be requested by either party and is subject to field verification by CITY.

In the event CONTRACTOR and CITY cannot come to a mutually agreed upon annual price adjustment, this Agreement will continue at the current pricing for the remainder of the then current calendar year and will be considered mutually terminated on December 31 of such year.

5. Performance Based Payments.

5.1. CONTRACTOR shall make work sites accessible at all reasonable times for inspection by CITY. CITY will regularly inspect CONTRACTOR's work and rate it according to the maintenance standards and inspection criteria, attached as Exhibits A – H to

CITY's Request for Proposals (EXHIBIT "B"). CONTRACTOR will be paid for work rated as "meets standards." CONTRACTOR will not be paid for work rated as "below standard" until conditions improve and rate as "meet standards" if the below standard work is attributed to neglect on the part of CONTRACTOR. If an area does not meet CITY standards, it will be considered "below standard." CONTRACTOR will not be paid additional amounts for remedial work required to improve "below standard" areas if the below standard work is attributed to neglect on the part of CONTRACTOR. CITY staff will work closely with CONTRACTOR to achieve the results described in the standards and inspection criteria. However, responsibility for meeting standards rests with CONTRACTOR.

5.2. During the first three (3) months of this Agreement, CONTRACTOR will receive one hundred percent (100%) of the monthly contract payment as set forth in EXHIBIT "C." During this period, CONTRACTOR will inspect the sites at least monthly and will discuss inspections with CITY. Following this period, CONTRACTOR shall perform quality assurance inspections a minimum of every month, or more frequently if deemed necessary by the CONTRACTOR.

5.3. CONTRACTOR will provide electronic versions of the monthly inspections to CITY by the 10th of the following month as to each site's compliance with CITY standards. An action plan with deadlines must be provided to CITY to indicate when corrections will be made if an area is deemed "below standard." Failure to turn in inspections by the deadline will result in monthly payments being withheld until inspections are turned in.

5.4. CONTRACTOR agrees that CITY will suffer damages if any scheduled use, (including, but not limited to, special events or recreation programs) of CITY facilities are impacted by neglect on CONTRACTOR's part. Any costs associated with re-scheduling the

event/activity/program will be the responsibility of CONTRACTOR. Such costs include, but are not limited to, staffing costs (e.g., officials' salaries, part-time staff salaries, stand by salaries), light costs, costs associated with preparation of fields (e.g., dragging, watering and lining of fields), and mowing costs.

5.5. For any site that fails to meet CITY standards as a result of some action that is CONTRACTOR's responsibility, CONTRACTOR is to notify CITY immediately and develop a plan to bring the site into compliance as outlined in Section 5.3. Should CITY discover a site(s) that does not meet CITY standards, and CITY has not been notified by CONTRACTOR, CONTRACTOR will be put on notice in writing to bring the site back into compliance. The following penalty will result:

(a) The monthly payment for the specific site(s) will be withheld by CITY until the site is back in conformance with CITY standards.

(b) If conformance is reached within thirty (30) days of notice, CITY will release one hundred percent (100%) of the payment.

If CITY is required to send a notice to CONTRACTOR a second time at the same site within twelve (12) months of the initial notice, the following penalty will occur:

(a) CITY will withhold the monthly payment for the site. If conformance is reached within thirty (30) days of CITY's notice, CITY will release eighty percent (80%) of the payment, keeping twenty percent (20%) as a penalty.

If CONTRACTOR does not bring the site into conformance within thirty (30) days of CITY's notice, the following penalty will occur:

(a) CITY will keep the monthly payment as a penalty and withhold the next month's payment following the above-mentioned conditions until conformance is reached or this Agreement is terminated.

5.6. The parties will observe the following problem resolution process:

- (a) Written notice of the problem.
- (b) Field conference with inspector/CONTRACTOR's field representative to identify problem and agree on solution as presented by CONTRACTOR.
- (c) Conference between CITY's representative and CONTRACTOR's principal.
- (d) Imposition of penalties and/or correcting defect at CONTRACTOR's cost.

(e) Termination of the Agreement.

6. Changes in Work.

6.1. CITY may, from time to time, request changes to this Agreement or the Work as provided in Section 4.2.32 of EXHIBIT "B". All such work shall be performed pursuant to the terms of this Agreement, unless specifically provided otherwise at the time the change is ordered. Requests for changes in work shall be made in writing by the applicable Parks Manager or their designee and shall describe in detail the proposed additions, deletions, or modifications to the Work. CONTRACTOR shall respond to such request in writing, with a statement of the costs, expenses, and time required to perform the requested work. Neither the CITY's request nor the CONTRACTOR's response shall constitute a modification of this Agreement. Any modification shall be contained in a written amendment to this Agreement signed by an authorized representative on behalf of CITY. CITY's execution of the amendment

shall constitute authorization to proceed with the changed work and will specify: (1) the work to be done in connection with the change to be made; (2) the amount of the adjustment of the contract price, if any, and the basis for compensation for the work ordered; and (3) the extent of the adjustment in the contract time, if any.

6.2. Except in the case of an emergency, CONTRACTOR shall make no changes in the Work or perform additional work without a written amendment to this Agreement. CONTRACTOR shall not be compensated for any work performed without any such written amendment. In no event shall CITY pay for additional work made necessary by CONTRACTOR's errors or oversights. In the case of an emergency and upon receipt of a written directive by the CITY's Parks Manager or their designee, CONTRACTOR shall proceed with the ordered work and CITY will prepare a written contract amendment as soon thereafter as practicable.

6.3. If CITY directs CONTRACTOR in writing to make changes in the Work that materially affect the cost of performing the Work, the contract price will be adjusted based on one or more of the following methods in the order of precedence listed below:

- (a) Unit price previously agreed upon in this Agreement.
- (b) An agreed lump sum.
- (c) CONTRACTOR's actual cost for labor, direct overhead, materials, supplies, equipment, and other services necessary to complete the extra work.
- (d) Reduction or addition of tasks and/or parcels.

6.4. Disagreement by CONTRACTOR with CITY's determination of the need for, or amount of, an adjustment in contract price or contract time associated with an approved

contract amendment, or disagreement by CONTRACTOR with CITY's determination that a change has not occurred and no contract amendment is needed, shall not, under any circumstances, relieve CONTRACTOR from its obligation to promptly begin and diligently complete the work, including the change, as described in the approved contract amendment.

6.5. In the event CONTRACTOR encounters any unanticipated conditions or contingencies that may affect the Work and would result in an adjustment in the amount of the contract, CONTRACTOR shall so advise CITY in writing immediately upon notice of such condition or contingency. The written notice shall explain the circumstances giving rise to the unforeseen condition or contingency and shall set forth the proposed adjustment in compensation resulting thereof. No adjustment in contract price will be made except by a written amendment to this Agreement.

7. Claims. If any dispute shall arise between CITY and CONTRACTOR regarding performance of the Work, or any alleged change in the Work, CONTRACTOR shall timely perform the disputed work and shall give written notice of a claim for additional compensation to CITY within ten (10) days after commencement of the disputed work. CONTRACTOR's failure to give written notice within the ten (10) day period constitutes an agreement by CONTRACTOR that it will receive no extra compensation for the disputed work.

8. Stop Notices. CITY may withhold payment under this Agreement pursuant to stop notices, if any, as required by law and CITY's Administrative Regulation 4.01.

9. Prevailing Wages. For purposes of this Agreement, CONTRACTOR and its Subcontractors shall comply with all applicable prevailing wage laws, e.g., but not limited to, California Labor Code Sections 1770 et seq. In accordance with said Section 1775, CONTRACTOR shall forfeit as a penalty to the City Two Hundred Dollars (\$200) for each

calendar day or portion thereof for each worker paid less than the prevailing rates for such work or craft in which such worker is employed for any work done on-Site under the Agreement by CONTRACTOR or by any Subcontractor in violation of the provisions of the Labor Code and in particular, Labor Code Sections 1770 to 1780, inclusive. In addition to said penalty and pursuant to said Section 1775, the difference between such stipulated prevailing wage rates and the amount paid to each worker for each calendar day or portion thereof for which each worker was paid less than the stipulated prevailing wage shall be paid to each worker by CONTRACTOR or the applicable Subcontractor.

Pursuant to the provisions of California Labor Code Sections 1773, the Public Works Department has identified the source, stated below, of the General Prevailing Rate of Wages applicable to the work to be done, for straight time, overtime, and holiday work. The holiday wage rate listed shall be applicable to all holidays recognized in the collective bargaining agreement of the particular craft, classification or type of worker concerned. These wage rates may be obtained from the State Department of Industrial Relations and/or the following website address: <http://www.dir.ca.gov/dlsr/DPreWageDetermination.htm>.

Pursuant to Labor Code Section 1773.2, General Prevailing Wage Rates set forth above, which forms a part of this Agreement, shall be posted by CONTRACTOR at a prominent place at the site. Prevailing wage rates to be posted at the site will be furnished by the Department. The possibility of wage increases is one of the elements to be considered by CONTRACTOR in determining its Proposal, and will not under any circumstances be considered as the basis of a claim against CITY or the Agreement.

10. Contractor Registration. No contractor or subcontractor may work on a public works project unless registered with the Department of Industrial Relations pursuant to Labor

Code section 1725.5. During the performance of this Contract, CONTRACTOR and its subcontractors shall have a continuing legal obligation to maintain current registration with the Department of Industrial Relations. CONTRACTOR is hereby notified that this Project is subject to compliance monitoring and enforcement by the Department of Industrial Relations.

11. Bonds. For all work under this Agreement, CONTRACTOR shall furnish and deliver to CITY a Faithful Performance Bond and a Labor and Materials Bond on CITY supplied forms issued by an admitted surety prior to, and as a condition precedent to, commencement of services. Such bond shall remain in effect during the entire term of this Agreement or may be renewed on an annual basis.

12. Licensing Laws. CONTRACTOR shall comply with all licensing laws as set forth in Exhibit B. CONTRACTOR shall be deemed in automatic and immediate breach of this Agreement for failure to comply with licensing laws.

13. Indemnification. To the fullest extent allowed by law, CONTRACTOR shall defend, indemnify, and save and hold harmless CITY, its officers, agents, employees and volunteers from any claims, suits or actions of every name, kind and description brought forth, or on account of, injuries to or death of any person (including but not limited to workers and the public), or damage to property, resulting from or arising out of CONTRACTOR 's willful misconduct or negligent act or omission while engaged in the performance of obligations or exercise of rights created by this Agreement, except those matters arising from CITY's sole negligence or willful misconduct. The parties intend that this provision shall be broadly construed.

CONTRACTOR's responsibility for such defense and indemnity obligations shall survive the termination or completion of this Agreement for the full period of time allowed by

law. The defense and indemnity obligations of this Agreement are undertaken in addition to, and shall not in any way be limited by, the insurance obligations contained in this Agreement.

14. Hazardous Chemicals and Wastes.

14.1. CONTRACTOR shall bear full and exclusive responsibility for any release of hazardous or non-hazardous chemicals or substances during the course of performance of this Agreement. CONTRACTOR shall immediately report any such release to CITY. CONTRACTOR shall be solely responsible for all claims and expenses associated with the response to, removal and remediation of the release, including, without limit, payment of any fines or penalties levied against CITY by any agency as a result of such release and shall hold harmless, indemnify and defend CITY from any claims arising from such release. For purposes of this section only, the term "claims" shall include: (i) all notices, orders, directives, administrative or judicial proceedings, fines, penalties, fees or charges imposed by any governmental agency with jurisdiction, and (ii) any claim, cause of action, or administrative or judicial proceeding brought against CITY, its officials, or employees, or for any loss, cost (including reasonable attorney's fees), damage or liability, sustained or suffered by any person or entity, including CITY.

14.2. If the performance of the services outlined by this Agreement creates any hazardous wastes, those wastes shall be properly disposed of according to federal, state and local laws, at the expense of CONTRACTOR. CONTRACTOR shall dispose of the wastes under its own Environmental Protection Agency Generator Number. In no event shall CITY be identified as the generator. CONTRACTOR shall notify CITY of any such hazardous wastes and CITY reserves the right to a copy of the results of any tests conducted on the wastes and, at its cost, to perform additional tests or examine those wastes, prior to its disposition. CONTRACTOR shall

hold harmless, indemnify and defend CITY from any claims arising from the disposal of the hazardous wastes, regardless of the absence of negligence or other malfeasance by CONTRACTOR.

15. Insurance. CONTRACTOR agrees to continuously maintain, in full force and effect, the following minimum policies of insurance during the term of this Agreement.

<u>COVERAGE</u>	<u>LIMITS OF LIABILITY</u>
Workers' Compensation	Statutory
Commercial General Liability	\$1,000,000 each occurrence \$2,000,000 aggregate Personal Injury: \$1,000,000 each occurrence \$2,000,000 aggregate
Automobile Liability	\$1,000,000 combined single limit
Professional Liability (errors and omissions)	\$1,000,000 per claim \$2,000,000 aggregate

a. Form. CONTRACTOR shall submit a certificate evidencing such coverage for the period covered by this Agreement in a form satisfactory to Risk Management and the City Attorney, prior to undertaking any work hereunder. Any insurance written on a claims made basis is subject to the approval of Risk Management and the City Attorney.

b. Additional Insureds. CONTRACTOR shall also provide a separate endorsement form or section of the policy showing CITY, its officers, agents, employees and volunteers as additional insureds for each type of coverage, except for Workers' Compensation and Professional Liability. Such insurance shall specifically cover the contractual liability of CONTRACTOR. The additional insured coverage under CONTRACTOR's policy shall be primary and noncontributory, as evidenced by a separate endorsement or section of the policy,

and shall not seek contribution from CITY's insurance or self-insurance. In addition, the additional insured coverage shall be at least as broad as the Insurance Services Office ("ISO") CG 20 01 Endorsement. Any available insurance proceeds in excess of the specified minimum insurance coverage requirements and limits shall be available to the additional insureds. Furthermore, the requirements for coverage and limits shall be: (1) the minimum coverage and limits specified in this Agreement; or (2) the full coverage and maximum limits of any insurance proceeds available to the named insureds, whichever is greater.

c. Cancellation/Modification. CONTRACTOR shall provide ten (10) days written notice to CITY prior to cancellation or modification of any insurance required by this Agreement.

d. Umbrella/Excess Insurance. The limits of insurance required in this Agreement may be satisfied by a combination of primary and excess insurance. Any excess insurance shall contain or be endorsed to contain a provision that such coverage shall also apply on a primary and noncontributory basis for the benefit of CITY (if agreed to in a written contract) before CITY's own insurance shall be called upon to protect it as a named insured.

e. Subcontractors. CONTRACTOR agrees to include in its contracts with all subcontractors the same requirements and provisions of this Agreement, including the indemnity and insurance requirements, to the extent they apply to the scope of the subcontractor's work. Furthermore, CONTRACTOR shall require its subcontractors to agree to be bound to CONTRACTOR and CITY in the same manner and to the same extent as CONTRACTOR is bound to CITY under this Agreement. Additionally, CONTRACTOR shall obligate its subcontractors to comply with these same provisions with respect to any tertiary subcontractor,

regardless of tier. A copy of CITY's indemnity and insurance provisions will be furnished to the subcontractor or tertiary subcontractor upon request.

f. Self-Insured Retentions. All self-insured retentions ("SIR") must be disclosed to Risk Management for approval and shall not reduce the limits of liability. Policies containing any SIR provision shall provide or be endorsed to provide that the SIR may be satisfied by either the named insured or CITY. CITY reserves the right to obtain a full certified copy of any insurance policy and endorsements. The failure to exercise this right shall not constitute a waiver of such right.

g. Waiver of Subrogation. CONTRACTOR hereby agrees to waive subrogation which any insurer of CONTRACTOR may acquire from CONTRACTOR by virtue of the payment of any loss under a Workers Compensation, Commercial General Liability or Automobile Liability policy. All Workers Compensation, Commercial General Liability and Automobile Liability policies shall be endorsed with a waiver of subrogation in favor of CITY, its officers, agents, employees, and volunteers for all work performed by CONTRACTOR, its employees, agents and subcontractors.

h. Liability/Remedies. Insurance coverage in the minimum amounts set forth herein shall not be construed to relieve CONTRACTOR of liability in excess of such coverage, nor shall it preclude CITY from taking such other actions as are available to it under any other provisions of this Agreement or law.

CITY may withhold any payment under this Agreement at any time CONTRACTOR fails to comply with this section.

16. Risk of Loss. All loss or damage arising from any unforeseen obstruction or difficulties, either natural or artificial, which may be encountered in the execution of the Work,

or the furnishing of the supplies, materials, or equipment, or from any action of the elements prior to final written acceptance of the Work, or of the supplies, materials or equipment, or from any act or omission not authorized by this Agreement on the part of the CONTRACTOR or any agent or person employed by it, shall be sustained and borne solely by the CONTRACTOR.

17. Records/Audits.

17.1. CONTRACTOR and its subcontractors shall establish and maintain records pertaining to this Agreement. CONTRACTOR's and subcontractors' accounting systems shall conform to generally accepted accounting principles and all records shall provide a breakdown of total costs charged under this Agreement, including properly executed payrolls, time records, invoices and vouchers.

17.2. CONTRACTOR shall permit CITY and its authorized representatives to inspect and examine CONTRACTOR's books, records, accounts, and any and all data relevant to this Agreement at any reasonable time for the purpose of auditing and verifying statements, invoices, or bills submitted by CONTRACTOR pursuant to this Agreement and shall provide such assistance as may be reasonably required in the course of such inspection. CITY further reserves the right to examine and re-examine said books, records, accounts, and data during the three (3) year period following the termination of this Agreement. CONTRACTOR shall in no event dispose of, destroy, alter, or mutilate said books, records, accounts, and data in any manner whatever for this three-year period.

18. Time is of the Essence. Time is of the essence of this Agreement.

19. Compliance with Laws.

19.1. CONTRACTOR shall comply with all federal, state and local laws and ordinances as may be applicable to the performance of services under this Agreement.

CONTRACTOR shall, if requested by CITY, provide certification and evidence of such compliance.

19.2. CONTRACTOR must insure that employees and applicants for employment are not discriminated against on the basis of age, color, race, national origin, ancestry, religion, sex, sexual preference or marital status, and shall comply with the Americans with Disabilities Act.

20. Ability to Perform. CONTRACTOR agrees and represents that it has the time, ability and professional expertise to perform the services required under this Agreement.

21. Governing Agreement. In the event of any conflict between this Agreement and its EXHIBITS, the provisions of this Agreement shall govern. In the event of a conflict between EXHIBIT "A" and EXHIBIT "B," EXHIBIT "B" shall prevail. In the event of a conflict between EXHIBIT "A" and EXHIBIT "C," EXHIBIT "C" shall prevail.

22. Assignment. CONTRACTOR is employed to perform unique personal services. CONTRACTOR shall not assign this Agreement without the prior written consent of City. CONTRACTOR shall not employ or otherwise incur any obligation to pay other specialists or experts for services in connection with this Agreement, without prior written consent of CITY.

23. Independent Contractor. CONTRACTOR shall act as an independent contractor, and covenants and agrees that it will conduct itself consistent with such status, that it will neither hold itself out as, nor claim to be, an officer or employee of CITY by reason of this Agreement.

24. Representation and Warranties.

24.1. CONTRACTOR warrants that it has not employed or retained any company or person, other than a bona fide employee working for CONTRACTOR, to solicit or secure this Agreement, and that it has not paid or agreed to pay any company or person, other

than a bona fide employee, any fee, commission, percentage, brokerage fee, gift or any other consideration, contingent upon or resulting from the award or making of this Agreement. For breach or violation of this warranty, CITY shall have the right to terminate as void this Agreement, without liability, or, in its discretion, to deduct from the Agreement price or consideration, or otherwise recover, the full amount of such fee, commission, percentage, brokerage fee, gift or contingent fee.

24.2. CONTRACTOR covenants that neither it, nor any officer or principal of its firm, has, or shall acquire any interest, directly or indirectly, which would conflict in any manner with the interests of CITY or which would in any way affect CONTRACTOR's performance of Work under this Agreement. CONTRACTOR further covenants that in the performance of this Agreement, no person having any such interest shall be employed by it as an officer, employee, agent or subcontractor without the express written consent of CITY. CONTRACTOR agrees to at all times avoid conflicts of interest, or the appearance of any conflicts of interest, with the interests of CITY in the performance of this Agreement.

24.3. Contractor also warrants to CITY, its successors, and assigns that the title to the materials, supplies or equipment covered by this Agreement, when delivered to CITY or to its successors or assigns, is free from all liens and encumbrances. Furthermore, CONTRACTOR warrants that all materials, supplies and products furnished meet the requirements and conditions of this Agreement and are fit for the purposes intended.

25. Successors in Interest. This Agreement shall be binding upon the heirs, successors, executors, administrators and assigns of the respective parties hereto.

26. Termination of Agreement. CITY may terminate this Agreement without cause by giving CONTRACTOR thirty (30) days advance written notice. In the event of termination

through no fault of CONTRACTOR, CITY shall compensate CONTRACTOR for services performed as of the date of termination, upon the release to CITY of all documents, papers, maps, photos, drawings, and reports prepared hereunder, in any and all media or formats in which such materials have been created or are maintained. CONTRACTOR acknowledges that CITY may terminate this Agreement in its sole discretion should funds not be appropriated by its governing body to continue services under this Agreement. CONTRACTOR may terminate this Agreement without cause by giving CITY ninety (90) days advance written notice.

27. Attorney's Fees; Venue; Governing Law. If either party commences any legal action against the other party arising out of this Agreement or the performance thereof, the prevailing party in such action shall be entitled to recover its reasonable litigation expenses, including but not limited to, court costs, expert witness fees, discovery expenses, and attorneys' fees. Any action arising out of this Agreement shall be brought in Placer County, California, regardless of where else venue may lie. This Agreement shall be governed by and construed in accordance with the laws of the State of California.

28. Notices. Any notices to parties required by this Agreement shall be delivered personally or mailed, U.S. first class postage prepaid, addressed as follows:

CITY OF ROSEVILLE

Brian Castelluccio
Parks Manager
316 Vernon Street, Ste. 400
Roseville, CA 95678

CONTRACTOR

Jeffrey Suzuki
General Manager
3250 Darby Common
Fremont, CA 94539

Either party may amend its address for notice by giving notice to the other party in writing.

29. Severability. In the event that any covenant, condition or other provision of this Agreement is held to be invalid, void or illegal by any court of competent jurisdiction, the same

shall be deemed severable from the remainder of this Agreement and shall in no way affect, impair or invalidate any other covenant, condition or other provision of this Agreement.

30. Integrated Agreement. This is an integrated agreement and contains all of the terms, considerations, understanding and promises of the parties. It shall be read as a whole.

31. The Levine Act Disclosure. The Levine Act (Govt. Code, Section 84308) requires a Party (and its agent(s), if any) to a Proceeding before the City of Roseville that involves any action or consideration related to their contract, license, permit, or other entitlement for use, to disclose any campaign contributions made to CITY elected or appointed officers totaling more than \$250 within the twelve (12) months prior to the CITY decision and while a proceeding is pending, and includes certain prohibitions on contribution activity thereafter. If applicable campaign contributions have been made by CONSULTANT and/or its agent(s), CONSULTANT is responsible for compliance, including for its disclosure obligations, if any, as further described at

https://www.roseville.ca.us/government/departments/city_clerk/transparency/levine_act.”

IN WITNESS WHEREOF, the City of Roseville, a municipal corporation, has authorized the execution of this Agreement in duplicate by its City Manager and attested to by its City Clerk under the authority of Resolution No. _____, adopted by the Council of the City of Roseville on the ____ day of _____, 20____, and CONTRACTOR has caused this Agreement to be executed.

RE: Parks and Landscape Maintenance Services (13-146)

On behalf of New Image Landscape Company, please accept the attached documents as our proposal for the City of Roseville Parks and Landscape Maintenance Services project. We have reviewed the scope of work and as providers of high-quality landscape maintenance services, we are sure to be able to execute all, including Addendum One, Two, and Three. We are particularly proud of the commitment and dedication of our professional staff and our ability to partner with municipalities to better, not only their landscape, but the community and environment as well.

New Image Landscape Company was first incorporated by California Corporation in 1996 and the President/CEO is Brian Takehara. As of this date, we currently have about 250 employees, across our 9 Northern California branches, ranging from Sacramento all the way to Salinas/Monterey County.

Person of Contact:

- Jeffrey Suzuki
- Address: 3250 Darby Common, Fremont, CA 94539
- Phone Number: (510) 980-1177
- Fax: (510) 226-1298
- Email: jsuzuki@newimagelandscape.com

Thank you for the opportunity to provide you with a comprehensive landscape maintenance service proposal. We look forward to the opportunity to work with you on this project. Please do not hesitate to call with any questions.

Sincerely,
New Image Landscape Company

Jeffrey Suzuki

General Manager

Firm's Qualifications

Statement of Qualifications

New Image Landscape Company prides itself as a landscape management firm that dedicates itself to an elevated level of customer and landscape management service. NILC was incorporated in Fremont, California on January 1, 1996 and continue to remain headquartered there with our sister company Sansei Gardens, Inc., a landscape construction firm. Since our beginning 23 years ago, we have established nine branches throughout the Northern California region to better support our geographically diverse clientele. We currently employ over 250 employees, including garden and office staff.

New Image Landscape Company can provide a wide variety of landscape maintenance services for our diversified clientele. Our staff is trained for the proper care of trees, shrubbery, ground cover, and turf. New Image's irrigation technicians are well-versed in the installation and repairing of irrigation systems. To maintain the highest level of plant health and appearance, our staff is proficient in the application of various pesticides, herbicides, and other chemicals, as well as compliance with regulatory requirements.

New Image has over 5 years of experience in municipal landscape maintenance and currently manages over 3 different municipal jurisdictions. Proposer has no prior or ongoing contract failures, civil or criminal litigation or pending investigation. Currently maintain a C-27 Contractor's License. New Image Landscape Company has a 24-hour Emergency Hotline in case of an after-hours emergency, that contacts the PoC to dispatch a crew and address the issue in a timely manner.

We are hopeful that your consideration of New Image Landscape Company will allow us to display our professionalism, consistently dependable maintenance, timely response to inquiries and requests, as well as expertise in our field. We are confident the quality of our work surpasses that of our competitors. We show this through our attention to detail, prompt responses to work orders, highly trained employees, commitment to safety, and by staying up to date on current and upcoming trends within the landscape industry.

Firm's Qualifications

Branch Organizational Chart

Support Staff	Title/Position	Role within [Municipality] Contract
Jeffrey Suzuki	General Manager	Oversees all landscape operations
Phuong Nguyen	Executive Assistant	Assists General Manager with all landscape operations
Jesus Zaragoza	Field Supervisor	On-Site Inspections/Supervision/Quality Reports
James Umali	Field Admin	Assists managers with day-to-day maintenance reporting and issues
Rogelio Olivares	Irrigation Technician	Irrigation System Checks/Repairs/Maintenance
Gerardo Roque	Tree Care Operation Manager	Overall Tree Care/Pesticide Application/Pruning/Demolition

Staffing, Resources and Service Description

City of Roseville Parks and Landscape Maintenance Services

(1) Scope of Services: Description

The City of Roseville has taken great pride in the landscapes that make up its parks, schools, and streetscapes. New Image Landscape Company will take equally great pride in the opportunity to service these locations and the city organization as part of this service agreement. We feel that our team has the knowledge of the requirements it takes to get the job done with the highest standard of quality, but likewise would be very open to feedback if there was any on how we can provide the best level of service to the City of Roseville.

(2) The NILC Landscape Management Program includes various service components with the intent on delivering an inclusive, comprehensive maintenance plan that meets and exceeds the scope of work requirements provided in this RFP, and also to provide the communication and management personnel to have a successful relationship with the City and its staff. The Landscape Management Program services include, but are not limited to:

- Turf Mowing/Edging and Power Blowing
- Weed Control (Pesticide Application/Integrated Pest Management – IPM)
- Irrigation Repair Services and Irrigation System Diagnostic Checks
- Irrigation/Water Management
- Basic Tree Care
- Plant/Shrub Trimming and Care
- Storm Water Treatment Measures

We have provided a summary of each service category below, but we believe the strongest element of our Landscape Management Program is our people. We make it a high priority to meet with each individual and best understand their goals and expectations of the contract.

New Image Landscape Company believes in the retention of our employees. We offer benefits of Health, Dental, Vacation Pay, Sick Pay, 401(k), and more to accommodate the needs of our employees.

We will set up an initial meeting with the City of Roseville team, making a dedicated effort to review our implementation schedule and any expectations the City may have on this contract. Ideally, we would like to continue with monthly production meetings to follow up on progress and ensure that quality control levels are continuously met.

We feel very grateful to have this opportunity and are very equipped to handle all City of Roseville projects.

Implementation Schedule (First 30 Days)

- Initial Meeting with NILC Landscape Account Manager and City of Roseville Team.
- Initial Meeting will cover:
 - Review of Implementation Schedule
 - Reviewing any modifications to current Service Schedule as well as additions of new areas to schedule
 - Schedule Irrigation System Checks with City Personnel
 - Outline Extra Work/Enhancement Goals for Year
- First 2 Weeks: Intensive Review and Inspection of NILC Service Team and Service Schedule
 - Field Supervisors and Landscape Managers will work closely with the City POC and NILC Service Team to ensure optimal scheduling/routing and to review current conditions of the working areas.
- Irrigation System Checks
 - NILC Irrigation Team will conduct initial checks of all irrigation systems per schedule developed by NILC Account Manager and City of Roseville Team
 - Please see Irrigation section for complete detail on Irrigation Scope of Work
- 30 Day Follow Up Meeting
 - NILC Landscape Account Manager to review first 30 days progress with City of Roseville team requesting feedback on services performed.
 - Schedule recurring monthly meetings for continuous feedback and goal setting.

New Image Landscape Company: Operational Policies.

NILC shall furnish all supervision, labor, tools, equipment, and material to properly maintain the landscaped areas in an attractive condition throughout the term of the contract as described in the specifications herein.

- All landscape workers shall be under the on-site supervision of an experienced maintenance Foreman/Crew Leader and Field Supervisor.
- It is against the policy of New Image Landscape Company for the company or employees of the company to enter into agreements with individual homeowners to maintain their properties.
- Upon request, the supervisor will notify the City Landscape Manager/POC when work or specific tasks are performed.
- All work will be performed in accordance with standard horticultural practices using procedures accepted by the industry.
- All work shall be scheduled to assure that horticultural tasks are undertaken at the proper time.
- Schedules may vary throughout the year as weather conditions dictate.
- Optional services are available and considered extra work with related charges.
- New Image Landscape Company recognizes the following holidays: New Year's Day, Presidents Day, Memorial Day, 4th of July, Labor Day, Thanksgiving Day, and Christmas Day. If the service day for your account falls on one of these holidays, service will be postponed until the following scheduled service day.
- Landscape maintenance will be done based on the appearance of the landscape and not on a per hour basis.
- **24-Hour Emergency Hotline Service available at 1 (888) 399 – 8594.**

Inspections

New Image Landscape Company will, in the presence of the City Landscape Manager/POC, conduct a pre-startup inspection to list any observed problems or inadequacies on the site such as tree, shrub, ground cover conditions, irrigation deficiencies, and the general overall appearance. The list will help to determine what will be the routine responsibility of New Image and show where improvement, repair, and/or upgrades may be required.

Should a clean-up of the property be needed prior to the contract start-up, additional manpower separate from the regular maintenance field personnel will be brought in to bring the property up to the level at which it will be maintained at an additional cost.

The maintenance supervisor and City Landscape Manager/POC may walk the project site together once each month to review maintenance practices and plant condition.

Irrigation

During the first month of service, New Image will conduct an irrigation evaluation to determine the current condition of the system. This inspection will include controllers, remote control valves and valve boxes, sprinkler heads and risers, piping, and wiring (if necessary). This evaluation will identify any adjustments, alterations, and/or repairs that may be necessary. The irrigation system will be checked per contract term or more often if the need arises.

The scope of the irrigation check will include:

- Adjust the programming of controllers to apply water in accordance with plant requirements based on weather and soil conditions while minimizing water runoff.
- Clean and adjust the sprinkler heads and nozzles as needed. Adjust spray patterns to ensure proper coverage and prevent any over-spray onto paved areas or buildings.
- Remote control valves will be checked for proper operation. Valve boxes to be cleared of debris.
- Water and electricity for controllers are to be supplied by the customer.
- Emergency repairs that are critical or necessary to the continued operation of the irrigation system are deemed authorized without the necessity of extra work authorization.
- All damage done to the irrigation system due to contractor's negligence shall be the responsibility of the contractor and must be repaired within 48 hours at the contractor's expense.
- If the existing irrigation system consists of a drip-system component, there may be an additional charge for any irrigation run-through's.

Optional services as an extra work charge include:

- Certified water audits.
- Water budget record keeping.
- Hand watering.
- Repairs, modifications, alterations, or additions to the irrigation system.

Weed Control

The objective is to maintain all landscaped areas including turf, ground cover, and shrub areas essentially in a weed-free condition. Weeds shall not be allowed to be present for more than 30 days or to reach a size of more than six inches at any time. Weeds may be controlled by chemical or mechanical means where necessary, as well as hand weeding. Open weed abatement areas may be maintained by mowing.

Optional services as an extra work charge include:

- Weed abatement of open areas.
- Eradication of established invasive plants e.g. Bermuda grass, bent grass, Kikuyu grass, etc.

Turf Management

Turf Management shall consist of mowing, trimming, fertilization, pest control, and any other procedure consistent with good horticultural practices to ensure normal, vigorous, and healthy growth of turf areas. During the first month of service, New Image will conduct a survey of all lawn areas to determine the current condition of the turf. The survey will determine if there are any problem areas that may need more than normal maintenance such as renovation, re-seeding / re-sodding, dethatching, aeration, selective weed, insect, fungus, or disease control and header replacement / removal. Once any problem areas are identified and a resolution is determined, we can make recommendations and schedule the work at an additional cost during the appropriate season.

The scope of turf management plan:

- All turf areas will be mowed on a weekly scheduled basis during the growing season from March 1st through October 31st, bi-weekly in November and February, and once per month in December and January, or as needed during the winter months.
- Lawns will be mowed to a height of 2" to 2 1/2".
- Edging along sidewalks and curbs shall be performed at every mowing.
- Lawns bordering ground cover areas shall be edged monthly to prevent grasses from spreading into ground cover areas.
- After mowing and edging, all clippings will be removed from the sidewalks, driveways, and curbs and removed from the site.
- Mulching of lawn clipping to re-incorporate organic material back into the turf may occur.
- Fertilization Program in line with Contract Requirements – type of fertilization will be determined by the season and any specific nutritional needs of the lawn, as agreed upon with municipality.
- Minor pesticide application is defined as spot spraying, or individual application of herbicide, fungicide or insecticide chemicals. Usually applied from a hand sprayer or manually applied. Pesticides are lawfully applied when necessary, to control plant material damage by pests.

Chemicals

For this contract, New Image Landscape Company intends to use Ranger Pro and Pendulum.

Shrubs and Groundcover

Shrubs and ground cover will be checked on a continual basis throughout the term of the contract duration. Shrubs should be checked for appropriate pruning and thinning, shearing or hedging, and compatibility within the areas in which they are planted. Hard pruning or cutting back will be done in the winter to allow new growth or flushing out during the oncoming spring season. Ground cover will be checked for appropriate selection and suitability for the areas required, proper coverage within the planting areas, and for general health and condition.

The scope of shrub and ground cover care:

- Shrub pruning, thinning, and trimming shall be accomplished on a regular basis to maintain a neat appearance.
- Shrubs shall be pruned to promote strength and accentuate the shrubs' natural forms and features, minimize balling, shearing, etc.
- Plant material shall be fertilized on a regular basis before showing any sign of nutritional deficiencies.
- Minor pesticide application.

Liability Issues

New Image Landscape Company takes incidents that occur in the field with high urgency. For any incidents or claims, you should notify the company immediately and report any claims. Once reported, New Image Landscape Company will begin their investigation process with the Safety department and HR department. A detailed investigation will be followed through the same day. The safety manager will investigate with all parties involved to get a clear understanding of the incident. For any damage or theft claims, New Image Landscape Company will reimburse the appropriate party appropriately if deemed responsible under the fault of New Image Landscape Company.

Customer Service/Quality Control

At New Image Landscape Company, we understand the importance of efficient and organized work order processing to deliver exceptional landscaping services. Our process for approaching work orders is made simple to ensure that client requests are received, assessed, and executed with precision and timeliness.

1. All work order requests can be emailed to workorders@newimagelandscap.com. Upon receiving a work order, our work order team will process and review the request to assess its scope, requirements, and any specific details provided by the client.
2. After the work order is received, the work order will be promptly entered into our CRM system, Aspire. Through Aspire, the client will begin to receive live status notifications via email on behalf of New Image Landscape Company. These notifications will help provide real-time status updates to the client, i.e. time/date the work order was initially received/processed, notes from the field team in regard to the work order, photos, and time/date of completion status.

Transparent communication is important in our work order processing. We encourage constant communication with clients, providing updates on the status of their requests, any additional needs identified during inspections, and estimated completion timelines. Work orders are prioritized based on factors such as urgency, client preferences, and project dependencies.

New Image Landscape Company maintains internal documentation of each work order, including project details, notes from client and field team, and completion status. We aim to have a systemic approach to professionally and efficiently processing work orders to enhance the customer experience.

Billing and Invoicing

New Image Landscape Company bills monthly via mail or email, depending on customer preference. If requested, New Image Landscape company can provide detailed pricing breakdowns on your invoice. Please contact our Accounts Receivable team by phone or email for assistance.

Phone: (510) 226-9191

Email: ar@newimagelandscap.com

Additional Services:

Water Management:

1. New Image Landscape seeks to prevent waste and ensure reasonable use of water supplied by the City's water distribution system.
2. Water use limitations will be designed to promote the use of drip irrigation and other low volume irrigation methods that reduce outdoor water use by applying water more efficiently than traditional irrigation methods.
3. Reduction of water demands through water conservation will reduce the per capita amount of water used by city customers and will also reduce the city's costs for electrical energy, equipment and chemicals utilized to pump and treat water supplied to the City's water distribution system.
4. Reduction of water use through water conservation protects and promotes the public health, safety, and welfare by conserving a vital resource that is subject to ever-increasing demands.

Tree Management Services

1. New Image Landscape Company also utilizes a Tree Care Division which is assigned to each large tree project that has been assigned.
2. NILC's Tree Division is well-tasked to remove, replace and/or transplant large trees in addition to applying any pesticides or herbicides deemed necessary by Tree Division Manager.

Cost Proposal Bid Sheet--Routine Work Add Alternate

Parks Add Alternate

Provide cost for all parks listed based on assigned Service Level. Please refer to the Parks & Landscape Standards (Exhibit A) and Service Levels in the RFP for details.

Additionally, provide add alternative costs for each column per the description below and refer to the Parks & Landscape Service Levels as needed.

Add Alternative #1: Pruning shall include shearing shrub hedges along walls, tree limb pruning to ensure 8' height clearance over sidewalks and

14.6' height over roads, and trimming of groundcover at hardscape edges.

Add Alternative #2: Irrigation shall include routine irrigation checks and schedule adjustments.

Cost Proposal Bid Sheet--Routine Work Exhibit B

Parks

Provide cost for all parks listed based on assigned Service Level. Please refer to the Parks & Landscape Standards (Exhibit A) and Service Levels in the RFP for details.

Additionally, provide add alternative costs for each column per the description below and refer to the Parks & Landscape Service Levels as needed.

Add Alternative #1: Pruning shall include shearing shrub hedges along walls, tree limb pruning to ensure 8' height clearance over sidewalks and

14.6' height over roads, and trimming of groundcover at hardscape edges.

Add Alternative #2: Irrigation shall include routine irrigation checks and schedule adjustments.

PROPOSER'S CERTIFICATION

I hereby propose to furnish the goods or services specified in the Request for Proposals ("RFP"). I agree that my proposal will remain firm for a period of up to ninety (90) days in order to allow the City of Roseville ("City") adequate time to evaluate the qualifications submitted.

I have carefully examined the Request for Proposals and any other documents accompanying or made a part of this RFP. The information contained in this proposal is true and correct to the best of my knowledge and is signed under penalty of perjury under the laws of the State of California. I further certify that I am duly authorized to submit this proposal on behalf of the firm as its authorized agent and that the firm is ready, willing and able to perform if awarded the contract.

I further certify that this proposal is made without prior understanding, agreement, connection, discussion, or conspiracy with any other person, firm or corporation submitting a proposal for the same product or service; that this proposal is fair and made without outside control, collusion, fraud or illegal action; that no officer, employee or agent of the City or any other proposer is financially interested in said proposal; that no undue influence or pressure was used against or in concert with any officer, employee or agent of the City in connection with the award or terms of the contract that will be executed as a result of this RFP; and that the undersigned executed this Proposer's Certification with full knowledge and understanding of the matters therein contained and was duly authorized to do so.

Attachment B

LEVINE ACT DISCLOSURE STATEMENT

(The completed form submitted to the City of Roseville is a public record.)

California Government Code Section 84308, commonly referred to as the "Levine Act," prohibits any "Officer" (elected or appointed officer, any alternate thereto, and any candidate for elective office) from participating in any consideration or action related to a proceeding if they receive political contribution(s) from a party, or its agent(s), totaling more than \$250 within the previous twelve (12) months, while a proceeding is pending, and for twelve (12) months following the date of a final decision in a proceeding concerning a license, permit, other entitlement for use, franchise, or contract (collectively "license, permit, or contract"). For additional information: https://www.roseville.ca.us/government/departments/city_clerk/transparency/levine_act.

City Officers are listed at the following sites:

- The Members of City Council - https://www.roseville.ca.us/government/city_council/meet_council
- Boards & Commission Members - https://www.roseville.ca.us/government/boards_commissions

Parties and their Agents are responsible for reviewing and disclosing their applicable contributions to City Officers on the record of a proceeding.

1. Have you or your entity, or any agent on behalf of you or your entity, made any political contribution(s) totaling more than \$250 to any City Officer in the twelve (12) months preceding the date of the submission of your license, permit, or contract, or the anticipated date of any City Council, Board, or Commission consideration or action related to this license, permit, or contract?

YES ____ NO ☒

If yes, please identify the City Officer(s): _____

2. Do you or your entity, or any agent on behalf of you or your entity, anticipate or plan to make any political contribution(s) totaling more than \$250 to any City Officer in the twelve (12) months following any City Council, Board, or Commission consideration or action related to this license, permit, or contract?

YES ____ NO ☒

If yes, please identify the City Officer(s): _____

Answering yes to either of the two questions above does not preclude the City of Roseville from considering and/or taking action on a license, permit, or contract. It does, however, potentially preclude the identified City Officers from participating in consideration of and in taking any actions related to the license, permit, or contract. Please accurately complete and sign this form, under the penalty of perjury:

You must submit a supplemental form if you make any new reportable contribution(s) while the contract, license, permit, or other entitlement is being considered. If this form has not previously been submitted in connection with a contracting, licensing, entitlement or permitting process, please provide the completed form to the Office of the City Clerk for appropriate departmental routing, at: City Clerk, 311 Vernon St., Roseville, CA 95678, CityClerkRoseville@roseville.ca.us

LEVINE ACT DISCLOSURE STATEMENT
(The completed form submitted to the City of Roseville is a public record.)

Term	Definition	Law
Covered "proceedings"	A proceeding to grant, deny, revoke, restrict, or modify a license, permit or other entitlement for use, that does not solely involve purely ministerial decisions and is: (1) Applied for by the party; (2) Formally or informally requested by the party; or (3) A contract between the agency and the party or a franchisee granted by the agency to the party, other than a contract that is competitively bid , a labor contract , or a personal employment contract .	FPPC Reg 18438.2(a)
Party	Any person who files an application for, or is the subject of, a proceeding involving a license, permit, or other entitlement for use.	Gov. Code 84308(a)(1)
Participant	Any person who is not a party but who actively supports or opposes a particular decision in a proceeding involving a license, permit, or other entitlement for use and who has a financial interest in the decision. A person actively supports or opposes a particular decision in a proceeding if that person lobbies in person the officers or employees of the agency, testifies in person before the agency, or otherwise acts to influence officers of the agency.	Gov. Code 84308(a)(2) FPPC Reg 18438.4
Agent	A person who represents a party or participant for compensation and appears before or otherwise communicates with the governmental agency for the purpose of influencing the pending proceeding. See FPPC Reg 18438.3 for exceptions for certain consultants.	FPPC Reg 18438.3
Competitively Bid	A contract required by law to be awarded to the lowest responsible bidder with a responsive bid, or, if the successful bidder refuses or fails to execute the contract, to the next lowest bidder with a responsive bid.	FPPC Reg 18438.2(a)(3)(A)
Labor Contract	A contract or agreement reached through collective bargaining or with a representative group regarding the salary, benefits, or terms and conditions under an employment or retirement policy for employees or retirees, including a project labor agreement entered under Public Contract Code Section 2500.	FPPC Reg 18438.2(a)(3)(B)

Personal Employment Contract	A contract for employment, including the terms and conditions of employment, between the agency and an agency employee. A contract with an independent contractor is NOT a personal employment contract.	FPPC Reg 18438.2(a)(3)(C)-(D)
---	--	---

A **party** to a proceeding before an agency involving a license, permit, or other entitlement for use **shall disclose on the record of the proceeding** any contribution in an amount of more than two hundred fifty dollars (\$250) made within the preceding 12 months by the party or the party's agent.

A **party, or agent to a party**, to a proceeding involving a license, permit, or other entitlement for use pending before any agency or a participant, or agent to a participant, in the proceeding **shall not make a contribution** of more than two hundred fifty dollars (\$250) to any officer of that agency during the proceeding and for 12 months following the date a final decision is rendered by the agency in the proceeding.

(Gov. Code, § 84308, emphasis added.)

**NONCOLLUSION DECLARATION TO BE EXECUTED BY
BIDDER AND SUBMITTED WITH BID**

The undersigned declares:

I am the General Manager of New Image Landscape Company, the party making the foregoing bid.

The bid is not made in the interest of, or on behalf of, any undisclosed person, partnership, company, association, organization, or corporation. The bid is genuine and not collusive or sham. The bidder has not directly or indirectly induced or solicited any other bidder to put in a false or sham bid. The bidder has not directly or indirectly colluded, conspired, connived, or agreed with any bidder or anyone else to put in a sham bid, or to refrain from bidding. The bidder has not in any manner, directly or indirectly, sought by agreement, communication, or conference with anyone to fix the bid price of the bidder or any other bidder, or to fix any overhead, profit, or cost element of the bid price, or of that of any other bidder. All statements contained in the bid are true. The bidder has not, directly or indirectly, submitted his or her bid price or any breakdown thereof, or the contents thereof, or divulged information or data relative thereto, to any corporation, partnership, company, association, organization, bid depository, or to any member or agent thereof, to effectuate a collusive or sham bid, and has not paid, and will not pay, any person or entity for such purpose.

Any person executing this declaration on behalf of a bidder that is a corporation, partnership, joint venture, limited liability company, limited liability partnership, or any other entity, hereby represents that he or she has full power to execute, and does execute, this declaration on behalf of the bidder.

I declare under penalty of perjury under the laws of the State of California that the foregoing is true and correct and that this declaration is executed on July 22nd 2024 [date], at Fremont [city], California [state].

Cost Proposal Bid Sheet--Routine Work

Park Natural Areas

Weeds cut back or spray application shall be 2' away from all developed right-of-way, post & cable, and sidewalks. Tree wells must be maintained around trees in natural areas within the park. Sites with irrigation shall be managed to the irrigation standards. The vegetation management (mowing/stringing trimming) of the entire area must be done up to twice annually in coordination with the Parks team. Parks marked in house will have weed abatement completed by internal staff, goats or contractor.

TO: Proposers

FROM: Eric Dexter, Parks, Recreation & Libraries

RE: RFP Parks and Landscape Maintenance Services

**** ADDENDUM TWO ****

Please note the following revisions, which represent one attachment:

Question: Does the city retain an arborist/ urban forester for large established trees that need structural pruning if the awarded contractor cannot take on such work or would the contractor need to supply a sub-contractor for this type of extra work?

[In this contract you will not be asked to perform structural pruning on established trees. We are asking for clearance pruning of 8' over sidewalks and 14' over right of ways.](#)

Question: The requirement states: "Include the executed copy of the Proposer's Certification (Attachment A) under Tab G." Currently, Tab G requires responses in the area of irrigation. The completed Attachment A is also listed under Tab K: Required Statements/Documents. Will the city please clarify where our executed Attachment A should be included?

[Please include Proposer's Certification in Tab K. And Include appropriate information in Tab G related to irrigation.](#)

Question: The requirement states: "Contractor must dedicate one point of contact for each geographic zone who shall oversee the contract in its entirety for the assigned geographic zone, including any Extra Work assigned." Will the city please clarify if the point of contact for each geographic zone must be a different person for each zone or is it acceptable for the point of contact to be shared between multiple zones?

[It is acceptable to have a shared point of contact. However, please include your action plan on how the contract would be managed with one point of contact over multiple areas.](#)

Question: There are duplicate Tabs for H and I within the RFP. Would you like proposer's to just continue to use these duplicate Tab's or will there be a corrected RFP issued with re-organized/re-labeled sections?

[Inadvertently duplicated Tab H and Tab I. Tab H will now be known as Tab L and Tab I will now be known as Tab M.](#)

Question: Can you confirm this is a fixed price agreement through it's expiration December 2028

[The first 18 months of the contract will be at the fixed price agreement. Renewal will be negotiated each year after that.](#)

Question: Does the contractor have to bid all line items to be considered for award?
At minimum we are looking for bids to be per area. Example: you would need to bid all of Landscape A or all Parks, etc.

Question: At the Prebid meeting the City stated it is very possible that more than one contractor may be awarded work. How does the City anticipate splitting up the work areas? Would it be geographical? or by the categories on the bid sheets such as "Parks" or "Landscape A" ...etc.?
By categories on the bid sheets

Question: On the Bid Sheets you reference Linear Footage of turf and landscape. Can you clarify what that measurement represents? Length of the area? Perimeter?
The bids should come in using the square footage on the bid sheets.

Question: Please clarify the Tree Work Specifications. It is understood that the City has a tree contractor (West Coast Arborist) that performs the major tree pruning, thinning, and balancing of the trees, and that this is not included in this contract. Correct?
In this contract you will not be asked to perform structural pruning on established trees. We are asking for clearance pruning of 8' over sidewalks and 14' over right of ways.

Question: The City provided Bid Sheets in 2 files ... "Parks Landscape Maintenance RFP" and "RFP Bid Sheets". There are some minor differences in the sheets. Which file should be used for the final bid?
There have been some minor changes with the bid sheets. We added maps to; Sierra Vista 2122-Map-28 36,807 sq ft; Campus Oaks 2120-Map-10 41,352 sq ft.

Question: Seasonal Color (or Annual Color). Is this included in any locations throughout the contract? If so, where? And how many rotations? or is it considered Extra Work?
Currently there are no locations that require seasonal color. If added later, it would be considered extra work.

Question: Contractor: The RFP states "litter and green waste are to be delivered by Contractor to Western Placer Waste Management Authority facility and if necessary, waste may be placed in a dumpster serviced by the City of Roseville, with advanced notice."

Can you clarify if the City is paying for any portion of disposal? or providing any containers free of charge as part of this contract?
No, that would be part of the contract cost.

Question: What is the current contract(s) pricing?
Contract is not to exceed \$13,295,000.00.

Question: RFP section 4.0 A-D: Question: How many Irrigation Techs are required to maintain A through D in the scope of work?

That would be up to the contractor who is awarded the bid.

Question: How many contractor mow crews are there currently for parks? Also, how many people are within each crew?

That would be up to the contractor who is awarded the bid. It could be dependent upon equipment used.

Question: RFP section Tab J: Question: Please confirm that proposers can submit a bid/proposal on only 3 of the 5 areas rather than propose on the full scope of services?

Yes, that is correct.

Question: Scope specifies using WPWMA for green waste disposal. Can we use other facilities?

Currently the requirement is for debris must be taken to this location. This can be discussed during negotiations if awarded the contract.

Question: The RFP does not include square footages or maps for the non-PRL locations. Can these be provided?

This has been answered in a previous question.

Question: Should parking lots and hardscape in parks or other areas within facilities or streets be included in the base bid price? If so what is the scope?

Yes, sidewalks, parking lots and hardscapes should be controlled for weeds and clear of debris as needed. For landscape areas sidewalks should be weed free from landscape to gutter.

Question: Are Water Features included? If so what is the scope?

No, they are taken care of in-house.

Question: Are sports fields/courts included? If so, what is the scope?

Sports fields and courts should be controlled for weeds and clear of debris as needed.

Question: Please clarify the scope of work (if any) to be included in natural and community areas. If scope varies from one area to another, please clarify.

Please see addendum # 2 for natural areas.

Question: Are Playgrounds included? If so, what is the scope?

No, they are taken care of in-house.

Question: Please confirm quick coupler repairs are included in the base bid price as stated in the RFP section 4.2.24.4.

Correction: Quick coupler repairs should be considered extra work.

Question: There are no termination rights for the contractor. Is the City willing to negotiate and consider including a mutual termination clause in the contract?
The contract included in the RFP was a sample. The actual contract would be negotiated between the contractor and the City if awarded.

Question: Can you clarify the scope of work in the weed-free boundary around the bio-filters?
The areas around the bio-filters must be kept weed free in the gravel areas.

Question: Will fingerprinting and background checks be upheld and if so, how often?
Yes, information must be available upon request.

Question: RFP section 6.2 Question: Please confirm that an "authorized officer, for signing authority, can be the Director of Contracts as per the PRIDE Board of Directors Resolution, delegation of signature authority.
That would need to be discussed when awarding contract.

You must acknowledge receipt of this addendum by including a signed copy with your proposal submittal.

Bond No. _____
Premium \$ _____

**PUBLIC WORKS
FAITHFUL PERFORMANCE BOND**

(Project: _____)

WHEREAS, the City of Roseville ("CITY") has awarded a bid and contract to _____ as contractor ("PRINCIPAL") for the public work described as _____ (the "WORK"). The contract ("AGREEMENT"), for the public work described above, and all of its terms and conditions are incorporated by reference and made a part hereof; and

WHEREAS, the PRINCIPAL is required to furnish a bond in connection with the AGREEMENT guaranteeing its faithful performance; and

NOW, THEREFORE, we the undersigned PRINCIPAL and _____, a _____, admitted and duly authorized to transact business under the laws of the State of California, as SURETY ("SURETY"), are held and firmly bound unto the CITY or its successors and assigns in the sum of _____ dollars (\$_____) (which amount is not less than 100% of the AGREEMENT price) to be paid to the CITY or its successors and assigns; and for which payment, well and truly to be made, we bind ourselves, our heirs, executors and administrators, successors or assigns jointly and severally, firmly by these presents.

The condition of this obligation is such that if the PRINCIPAL, or its heirs, executors, administrators, successors or assigns, shall abide by, and in all respects promptly and faithfully perform the covenants, conditions and provisions in said AGREEMENT and any alteration thereof made as therein provided, notice of which alterations to Surety being hereby waived, on its part to be kept and performed at the time and in the manner therein specified, and in all respects according to their true intent and meaning, and shall indemnify and save harmless CITY, its officers, agents, employees, volunteers as therein stipulated, then this obligation shall be null and void; otherwise, this obligation shall be and remain in full force and effect.

As condition precedent to the satisfactory completion of the contract, the obligation of the PRINCIPAL and SURETY under this Bond shall remain in effect for a period of one (1) year after the completion and acceptance of the WORK. During that time, if the PRINCIPAL, its heirs, executors, administrators, successors or assigns fails to make full, complete and satisfactory repair and replacement or totally protect the CITY from any loss or damage made evident during that year which results from or is caused by either defective materials or faulty workmanship in the prosecution of the WORK, then the obligation shall remain in full force and effect. However, anything in

this paragraph to the contrary notwithstanding, the obligation of the SURETY shall continue so long as any obligation of the PRINCIPAL remains.

No prepayment or delay in payments, and no change, extension, addition or alteration of any provision of the AGREEMENT or in the specifications agreed to between the PRINCIPAL and the CITY, or any forbearance on the part of the CITY shall operate to relieve the SURETY. The SURETY hereby waives the provisions of Section 2819 of the California Civil Code. The SURETY waives all rights of subrogation against the CITY or any person employed by the CITY. If the contract price increases by the issuance of change orders, the amount specified in this bond shall increase by the same amount.

Whenever PRINCIPAL shall be and declared by CITY to be in default under the AGREEMENT, SURETY shall promptly remedy the default, or shall promptly do one of the follow at CITY's election:

1. Undertake through its agents or independent contractors, reasonably acceptable to CITY, to complete the AGREEMENT in accordance with its terms and conditions and to pay and perform all obligations of PRINCIPAL under the AGREEMENT, including without limitation, all obligations with respect to warranties, guarantees, and the payment of liquidated damages.
2. Reimburse CITY for all costs CITY incurs in completing the AGREEMENT, and in correcting, repairing or replacing defects in materials or workmanship and/or materials and workmanship which do not conform to the specifications in the AGREEMENT.

SURETY's obligations hereunder are independent of the obligations of any other surety for the performance of the AGREEMENT, and suit may be brought against SURETY and such other sureties, jointly and severally, or against any one or more of them, or against less than all of them without impairing CITY's rights against the others.

No right of action shall accrue on this bond to or for the use of any person or corporation other than CITY or its successors or assigns.

As part of the obligation secured hereby and in addition to the face amount specified therefore, there shall be included costs and reasonable expenses and fees, including reasonable attorneys' fees, incurred by CITY in successfully enforcing such obligation, all to be taxed as costs and included in any judgment rendered.

**PUBLIC WORKS
LABOR AND MATERIALS PAYMENT BOND**

(Project: _____)

WHEREAS, the City of Roseville ("CITY"), has awarded a bid and contract to _____ as contractor ("PRINCIPAL"), for the public work described as _____ (the "WORK"). The contract ("AGREEMENT"), for the public work described above, and all of its terms and conditions are incorporated by reference and made a part hereof; and

WHEREAS, the PRINCIPAL is required to furnish a bond in connection with the AGREEMENT guaranteeing payment of persons who provide labor and material; and

NOW, THEREFORE, we the undersigned PRINCIPAL and _____, a _____, admitted and duly authorized to transact business under the laws of the State of California, as SURETY ("SURETY"), are held and firmly bound unto the CITY or its successors and assigns in the sum of _____ dollars (\$_____) (which amount is not less than 100% of the AGREEMENT price) to be paid to the CITY or its successors and assigns; and for which payment, well and truly to be made, we bind ourselves, our heirs, executors and administrators, successors or assigns jointly and severally, firmly by these presents.

The condition of the obligation is such that if the PRINCIPAL, its subcontractors, heirs, executors, administrators, successors or assigns fails to pay any of the persons named in Section 8004 or 9100 of the Civil Code of the State of California, or the amounts due under the Unemployment Insurance Code of the State of California, or any amounts required to be deducted, withheld and paid over to the Employment Development Department from the wages of employees of the PRINCIPAL and its subcontractors pursuant to Section 13020 of the Unemployment Insurance Code, with respect to work or labor performed by any such claimant, that the SURETY will pay for the same, in an amount not exceeding the sum specified in this bond, and also, in case suit is brought upon the bond, shall pay reasonable attorneys' fees, to be fixed by the Court.

This bond shall inure to the benefit of any and all persons, companies, and corporations entitled to file a Stop Payment Notice pursuant to the provisions of Section 9350 et seq. of the Civil Code of the State of California, so as to give a right of action to them or their assigns in any suit brought upon this bond.

No prepayment or delay in payments, and no change, extension, addition or alteration of any provision of the AGREEMENT or in the specifications agreed to between the PRINCIPAL and the CITY, or any forbearance on the part of the CITY shall operate to relieve the SURETY. The SURETY hereby waives the provisions of Section 2819 of the California Civil Code. The SURETY waives all rights of subrogation against the CITY or any person employed by the CITY. If the contract price increases by the issuance of change orders, the amount specified in this bond shall increase by the same amount.

As part of the obligation secured hereby and in addition to the face amount specified therefore, there shall be included costs and reasonable expenses and fees, including reasonable attorneys' fees, incurred by CITY in successfully enforcing such obligation, all to be taxed as costs and included in any judgment rendered.

EXHIBIT “B”
City’s Request for Proposals

REQUEST FOR PROPOSALS

(13-146)

Parks and Landscape Maintenance Services

DUE: July 11, 2024

3:00 PM

Deliver to:

City of Roseville
Attn: City Clerk Department
311 Vernon Street
Roseville, CA 95678

OR

Email: cityclerkroseville@roseville.ca.us

CITY OF ROSEVILLE
NOTICE FOR PROPOSALS
RFP (13-146)

NOTICE IS HEREBY GIVEN that proposals for Parks and **Landscape Maintenance Services** will be received by the City of Roseville. Proposals will be accepted **ONLY** at the office of the **City Clerk, Civic Center, 311 Vernon Street, Roseville, CA 95678** or submitted via electronic mail to CityClerkroseville@roseville.ca.us, until 3:00 p.m., **July 11th, 2024**. Said proposals will be evaluated and results will be made public after completion of the negotiation process with the selected contractor. The City reserves the right to reject any or all proposals and to waive any informalities or irregularities in any proposal or in the proposal process.

May 29, 2024

Date

Eric Dexter
Parks and Open Space Superintendent

IMPORTANT!!!

The City is not responsible for misdelivered proposals, and the proposer is strictly liable for its chosen method of delivery. It is the proposer's sole responsibility to make sure that proposals arrive at the proper location. Any proposal which does not actually arrive in the City Clerk's Office by the RFP due date and time will be rejected as non-responsive, even if properly addressed or delivered to another City Department.

Your proposal **MUST** be addressed and delivered as follows:

**City of Roseville
Attn: City Clerk Department
311 Vernon Street
Roseville, CA 95678**

The proposer is also directed to include the attached "Sealed Proposal" label on the outside of the package or envelope, so that it is visible when delivered to the City.

Or emailed to:
cityclerkroseville@roseville.ca.us

Note: Email submissions are limited to 25 megabytes.

1.0 INTRODUCTION

The City of Roseville (hereinafter “City”), is soliciting proposals for a Park and Landscape Maintenance Services. This will be a competitive negotiation process. Qualified individuals, firms, contractors, consultants or entities (hereinafter “Contractor(s)”), that meet the requirements set forth in this Request for Proposals (hereinafter “RFP”) and are capable of providing the services requested are encouraged to participate.

1.1 BACKGROUND

The City of Roseville encompasses approximately 84 developed parks and facilities, 355 acres of landscape area adjacent to roadways and neighborhoods, 4200 acres of open space, two golf courses, two community centers, three swimming pool facilities, the Maidu Museum and Historic Site, 21 childcare facilities, and three libraries. The City continues to grow in parks, facilities, programs, and attendance and is focused on sustaining standards, services levels, and prioritizing core services.

The areas within this proposal will be divided into three (3) district zones in geographical areas and streetscapes, faculties school mowing and extra work will be included. The Parks will be grouped separately, even though they are in these geographical zones. It has been Roseville’s past practice and intent to award contract s, by zones and Park groups to a least two (2) qualified bidders.

The City of Roseville considers this to be an outcome-based Request for Proposals. Generally, determinations for specific frequencies of service will be at the discretion of the contractor. There are exceptions that are noted throughout this document and the associated exhibits.

1.2 CITY OVERVIEW

The City of Roseville is an incorporated city with a population of more than 145,000 residents, located in Placer County off Interstate 80, approximately 16 miles northeast of Sacramento, California. The City of Roseville is a Charter city operating under the City Council/City Manager form of government.

1.3 PROPOSAL SUBMITTAL

RFP proposal submittals may be delivered to the Office of the City Clerk, Civic Center, 311 Vernon St., Roseville, CA 95678 via common carrier, hand delivered, **or** submitted via electronic mail to cityclerkroseville@roseville.ca.us by the specified proposal due date and time. Complete and attach the “Sealed Proposal” label to the outside of the proposal packaging if delivering or hand carrying a hard copy of the proposal, so it is visible to the City Clerk. If submitting a proposal via electronic mail, then include the RFP title and RFP number in the subject line of the email.

1.4 CALIFORNIA SECRETARY OF STATE REGISTRATION

The City requires all corporations, limited liability companies and limited partnerships to be registered to do business in the State of California. On a separate sheet of paper, please include a screenshot of your “ACTIVE” status with your proposal submittal, which can be obtained by accessing this link: <https://bizfileonline.sos.ca.gov/search/business>. All proposers must be registered with the Secretary of State or have a valid exemption by the time of award.

1.5 INSTRUCTIONS

This RFP includes a description of the scope of services, proposal requirements, and instructions for submitting your proposal. Failure to follow these instructions may result in rejection of your proposal.

No oral representations or interpretations will be made to any proposer as to the meaning of this RFP.

Direct all inquiries regarding this RFP in writing to Parks, Recreation & Libraries Department, Eric Dexter by accessing the RFP from the City's website at:

https://www.roseville.ca.us/business/procurement_services/bids_rfps by no later than June 27, 2024.

Do not contact other individuals or City departments in this regard. Information provided by anyone other than the above contact may be invalid, and proposals which are submitted in accordance with such information may be declared non-responsive.

In the event that it becomes necessary to revise any part of this RFP, written addenda will be issued. Any amendment to this RFP is valid only if it is in writing and issued by the City department issuing the RFP. No oral interpretations or answers shall bind the City unless confirmed by the City in writing.

All addenda for this RFP will be distributed through [PublicPurchase.com](https://www.PublicPurchase.com) to proposers who have registered with PublicPurchase.com and who have downloaded the RFP. Additionally, the Notice of Intent to Award will be posted on [PublicPurchase.com](https://www.PublicPurchase.com). **It is the proposer's sole responsibility to monitor PublicPurchase.com for possible addenda to this RFP and for the Notice of Intent to Award.** Failure of proposer to retrieve addenda or the Notice of Intent to Award from [PublicPurchase.com](https://www.PublicPurchase.com) shall not relieve him/her of the requirements contained therein or the timelines associated therewith. Additionally, failure of proposer to return a signed addendum, when required, may be cause for rejection of his/her proposal.

2.0 TENTATIVE SCHEDULE

The following represents the tentative schedule for this RFP. Any change in the scheduled dates for the Pre-Proposal Conference, Deadline for Final Questions, or Proposal Submission Deadline will be advertised in the form of an addendum to this RFP. The schedule for the evaluation process and other future dates may be adjusted without notice.

RFP Released by the City.....	May 29, 2024
Mandatory Pre-Proposal Conference.....	June 11, 2024
Deadline for Final Questions.....	June 20, 2024
City Responses to Written Questions.....	June 27, 2024
Proposal Submission Deadline.....	July 11, 2024
Contractor Interviews as needed.....	July 24, 2024
Contract Negotiations.....	August-September 2024
Contract Approval by City Council.....	November 2024
Commencement of Services.....	January 01, 2025

3.0 MANDATORY PRE-PROPOSAL CONFERENCE

A **mandatory** pre-proposal conference/job walk has been scheduled for **Tuesday, June 11th, 2024, 9:00am**. Attendance will be taken prior to the job walk.

Location: City of Roseville Offices
311 Vernon St. 1st floor
Roseville, CA 95678

Prospective proposers must pre-register by June 10th, 2024, with Shelby Craig at scraig@roseville.ca.us. The conference will last approximately 30-60 minutes. Registrants will be asked to provide the name of the attendee(s), company name, phone number, and email address(es).

Proposals from Contractors who do not attend the **mandatory** pre-proposal conference will be rejected. The pre-proposal conference will begin at the designated start time. **Attendance for the entire pre-proposal conference is required, and tardiness may be grounds for disqualification.**

Interested firms will have an opportunity to submit questions regarding the requirements outlined in this RFP. In order to make the meeting more effective for all participants, attendees should read this document thoroughly prior to the meeting.

Substantial clarifications or changes required as a result of the meeting will be issued in the form of a written addendum to the RFP. A list of attendees will be distributed upon request.

4.0 SCOPE OF SERVICES AND GENERAL CONDITIONS

4.0 SCOPE OF SERVICES

The Parks and Landscape Maintenance Contract ("Contract") is an outcome-based contract where the City has established specific park and landscape standards as outcomes. The Contractor is responsible for developing a base bid necessary to maintain the expected outcome standards. The City will inspect the work of the Contractor against the stated standards to determine compliance and payment.

The work to be performed under the Contract consists of the furnishing of all labor, insurance, materials, and equipment needed to perform park and landscape maintenance services.

The Contractor is being asked to provide bids for the following types of work:

- A. Park Turf and Landscape Maintenance
- B. Streetscape Landscape Maintenance
- C. Facility Landscape Maintenance
- D. School Mowing
- E. Extra Work

Prospective contractors shall provide the highest quality of landscape maintenance services to parks, streetscapes, schools, and various other facilities. In addition to turf care (mowing, blowing, and edging), the landscaping activities encompass tree, shrub, and ground cover pruning and trimming, debris and leaf removal, fertilization, soil deficiency remediation, weed control, weed abatement, and pest control. Irrigation systems operations include the maintenance, adjustment, installation, and repair of a variety of components, such as irrigation controllers, valves, moisture sensing devices, and sprinkler heads of a variety of manufactured brands and models.

The scope of services includes all work to perform landscape maintenance at numerous landscape sites described in the General Conditions (Section 4.2) and the Parks & Landscape Maintenance Standards (Exhibit A). This document will become part of the executed agreement.

4.1 GENERAL CONDITIONS

4.2.1 Normal Hours and Days of Maintenance Services

Contractor shall perform the required maintenance services between the hours of 7:00 am and 7:00 pm, Monday through Friday. Weekend work requires City approval with service hours between 8:00 am- 7:00 pm No maintenance function that generates excessive noise which would cause annoyance to residents of the area shall be commenced before 8:00 am

On weekdays, school sites must be mowed before or after school hours. If started in the morning all mowing shall start no earlier than 7:00 am and finish no later than 8:00 am. It is an option for school sites to be mowed on Saturday in coordination with the City. The Contractor shall also work with staff at individual sites to make any adjustments to site mowing and timing.

The Contractor shall always conduct work in a manner that will not interfere with normal recreation programs, school programs, pedestrian traffic on adjacent sidewalks, or vehicular traffic on adjacent streets.

Contractor will supply weekly work plans for each type of work activity (i.e., mowing, pruning, weed control, etc.) to designated City staff. Any modification in the hours and days of maintenance services as stated in the Contractor's weekly schedule is subject to approval by the City.

Park and Facility scheduled service days must meet frequencies by service level identified by the City from the Parks & Landscape Maintenance Standards (Exhibit A).

4.2.2 Outcome Based Contract and Inspections

The Contractor shall be responsible for maintaining parks and landscapes as outlined in the General Conditions (Section 4.2) in the Parks & Landscape Maintenance Standards (Exhibit A) and the cost of maintaining those areas, to the designated standard, shall be included in the base bid unless otherwise called out specifically as "extra work" in this Request for Proposals.

The City will regularly inspect the Contractor's work and meet compliance, in its sole discretion, according to the Parks & Landscape Maintenance Standards (Exhibit A).

Contractor will only be paid for work rated as "meets standards." If Contractor's work does not meet City standards, it shall be considered "below standard." Contractor will not be paid for work rated as "below standard" until such work is improved to "meets standards."

Contractor shall not be paid additional amounts for remedial work required to improve "below standard." City staff will work closely with Contractor 's representatives to achieve the results described in the standards and inspection criteria. However, responsibility for meeting standards rests with the Contractor.

During the first three (3) months of the Contract, the Contractor shall identify any pre-existing conditions or issues that may inhibit it from meeting the standards required by the Contract. This timeframe will allow the Contractor and City to work together on a solution. Contractor shall inspect all areas at least monthly and will discuss inspections with City during regular scheduled meetings. Following the initial three (3) month period, the Contractor shall continue to inspect all assigned areas at least monthly and discuss inspections with the City during ongoing meetings.

The Contractor shall provide electronic versions of monthly inspection quality assurance reports to the City by the 10th of the following month as to each site's compliance with City standards. An action plan with deadlines must be provided to the City to indicate when corrections will be made if an area is deemed "below standard." Failure to turn in inspection reports by the deadline will result in monthly payment being withheld until inspections are turned in. Contractor shall provide an example of the report to be utilized for City review and approval.

At the beginning of every year a mowing schedule shall be provided to the City for review. Schedule adjustments shall be made throughout the year based on environmental factors, sporting events or City's direction. Adjustments to the schedule shall be provided to the City for review and approval ten (10) business days prior to making the adjustments.

Turf shall be mechanically edged at the following areas: all grass along infrastructure such as walls, fences, foundations, curbs, sidewalks, shrubs, poles, guy wires, irrigation boxes, utility boxes, drain grates and any other object within or immediately adjacent to the turf areas.

Edging should not create gaps no wider than 1/4" around infrastructure.

Every effort shall be made to reduce the amount of string trimming required while still protecting City assets. String trimming around valve boxes or drain inlets must be done using a vertical cut and not a flat cut. String trimming shall not be used around the base of trees as chemical control is the preferred method. Trees found to be scarred by maintenance activities may require replacement at the direction of City staff at the cost of the contractor.

Turf around irrigation heads shall be mowed to the appropriate height to provide maximum water coverage. Clippings shall be removed from all adjacent walkways and other paved surfaces immediately after each mowing/edging.

Seed heads on no-mow turf shall be removed on an annual basis. No-mow turf shall be edged as needed to keep from encroaching on walls, fences, sidewalks, etc.

Contractor shall remove litter or debris from the area to be mowed prior to mowing.

The contractor shall inform the City of any issues with the turf within one (1) business day of discovery.

The contractor shall inform the City immediately when irrigation is damaged through the course of mowing. Issues related to overwatering, that prevent mowing, shall be brought to the City's attention immediately.

Issues caused by mowing are the responsibility of the Contractor to repair. Trees found to be scarred by mowers shall be replaced by the Contractor at the request of the City.

The contractor shall perform seeding/sod replacement as needed to meet standards with the approval of the City.

There will be a financial impact on the Contract if any scheduled use (including, but not limited to, special events or recreation programs) of City facilities are impacted by neglect on the Contractor's part. Any costs associated with re-scheduling the event/activity/program will be the responsibility of the Contractor for time, staffing and costs, including, but not limited to, officials' salaries, part-time staff salaries, maintenance call out person salaries (stand by), light costs, and preparation of fields (which can include a drag, watering, and lining of the field), mowing, etc.

For any area that fails to meet City standards because of action that is the Contractor's responsibility, the Contractor shall notify the City immediately and develop a plan to bring the area back to compliance. Should the City discover an area that does not meet the City standards, and the City has not been notified by the Contractor, the Contractor will be put on notice in writing to bring the area back into compliance. The following penalty will result:

- A.** The monthly payment for the specific area identified on each map page (Attachment J) will be withheld by the City until the area within the map page is back in conformance with City standards.
- B.** If conformance is reached within thirty (30) days of notice, the City will release one hundred percent (100%) of the payment.
- C.** If at any time during a notice by the City, the Contractor does not bring the area into conformance within thirty (30) days, the City will keep the monthly payment as a penalty and withhold the next month's payment following the above-mentioned conditions until conformance is reached or the Contract is terminated.

If the City must give notice to the Contractor a second time for the same specific map page within twelve (12) months of the initial notice, the contract may be terminated.

The parties will observe the following problem resolution process:

- 1. Written notice of the problem.
- 2. Field conference with inspector/Contractor's field representative to identify problem and agree on solution as presented by Contractor.

3. Conference between City's representative and Contractor's principal.
4. Imposition of penalties and/or correcting defect at Contractor's cost.
5. Termination of Contract.

In addition, the Contractor shall inspect areas weekly, at a minimum, for insects and disease. General inspections of turf and plant materials shall be completed at a minimum of weekly for signs of stress or damage. Upon request, the Contractor will walk with the City's representative for the purpose of determining compliance with the specifications or to discuss required work. The Contractor's representative must be authorized to sign documents and make changes to the work.

All corrective work required because of a regular inspection, or any additional inspection shall be accomplished to the satisfaction of the City within thirty (30) days of the authorization to repair the deficiencies, except in the case of a broken/leaking irrigation with must be repaired within twenty-four (24) hours and prior to the next watering event.

Contractor shall provide the City with written confirmation of all corrective work and may be asked to provide additional photo documentation. Should there be a temporary suspension of work in a specific area of more than one month, the monthly invoices shall be adjusted accordingly to reflect actual work performed.

4.2.3 School Sites

If weekday mowing occurs on school property a strict schedule must be followed to accommodate school schedules and student safety. School sites must be mowed before or after school hours. If started in the morning all mowing shall start no earlier than 7:00 am and finish no later than 8:00 am The Contractor shall be responsible for all mowing.

The Contractor shall not be responsible for edging or for work requiring a string trimmer at School sites.

4.2.4 Turf Aeration

The Contractor shall perform core aerations of turf as part of the base bid. For a specific number of applications per year refer to specific service levels in the Parks & Landscape Maintenance Standards (Exhibit A). All aerations shall conform to the City's agronomic calendar. Additional turf aerations may be proposed as "Extra Work" by the Contractor, to meet the designated service level.

All proposals, and costs, must be approved by the City prior to additional turf aerations occurring. The Contractor can do more aeration, with City approval, at their own cost to relieve summer stress on turf.

Aeration plugs shall be properly destroyed to not pose a safety issue or interfere with the use of parks and facilities.

Any damage incurred is the responsibility of the Contractor, including valve boxes and irrigation components.

4.2.5 Shrubs and Landscape

All plants shall be maintained in a healthy and attractive condition. Landscaping shall also be maintained to provide secondary functions such as natural barriers, pollution/dust control and/or erosion control. All plant beds shall be maintained free of trash and debris.

4.2.6 Trimming

All plants that require pruning shall be pruned as needed to meet the intent of the landscape design per the assigned service level in the Parks & Landscape Maintenance Standards (Exhibit A). In general, to grow in a natural shape without excessive amounts of pruning. Shrubs growing along fences and walls shall be maintained at the height of the fence or wall. Clearances against walls and fences may be required to allow access for wall/fence maintenance and/or irrigation maintenance.

Shrubs and vines shall be pruned to always prevent encroachment over sidewalks or onto private property, and to maintain line of site visibility at select intersections. Vegetation in front of all signs shall be pruned regularly so signage is always visible. Vegetation should not obscure or block any drainage inlets.

A. Pruning Frequencies

Pruning shall be completed as described in the Parks & Landscape Maintenance Standards (Exhibit A). Most areas require pruning to be completed at least three (3) times per year. Some plant materials may need to be pruned more frequently depending on the species to prevent clearance issues. Additionally, some areas may require less pruning due to plant species or budget restrictions. The Contractor shall provide a schedule showing planned dates of completion for all areas. In general, the pruning cycles are designated as January- April, May- August, and September- December. Pruning for each area shall be completed by the end of each pruning cycle. If pruning is not complete, payment for the specific area or map page (Exhibit G may be withheld as outlined in Section 4.2.2.)

B. Growth Regulators

Using plant growth regulators is an approved substitute for one pruning cycle when approved by the city.

4.2.7 Facility Grounds Maintenance

All facility grounds shall be maintained as described in Section 4.2 and to service level 2 as described in the Parks Landscape Maintenance Standards (Exhibit A).

The Pleasant Grove Wastewater Treatment Plant (PGWWTP), the Solid Waste Recycle Plant and the Barton Water Plant require additional maintenance indicated here:

- Bio-filters shall be maintained always weed free.
- Pre and post emergent herbicides shall be applied to pond slopes and chip sealed/gravel roadways a minimum of two (2) times per year.
- Native/wild grasses shall be mowed and trimmed annually.

- Pre and post emergent herbicides shall be applied to gravel areas a minimum of two (2) times per year. Remove emerged weeds within thirty (30) days of discovery.
- Pre and post emergent herbicides shall be applied to barked areas a minimum of two (2) times per year. Remove emerged weeds within thirty (30) days of discovery.
- Westpark Drive and Phillips Road locations: Pre and post emergent herbicides shall be applied to all bark areas, tree rings, and shrub rings annually.

4.2.8 Service Levels

SERVICE LEVELS

The chart below outlines differences in allowable tolerances based on the three service levels. Each park or streetscape is assigned a service level, and the Contractor is expected to provide maintenance at that level unless otherwise noted. Tasks not listed in the chart below shall be maintained at the basic maintenance level described in the Parks & Landscape Maintenance Standards (Exhibit A).

	1	2	3
Turf Care			
Maintained between:			
Warm season (Bermuda)	1"-2"	1"-2"	1"-2.5"
Cool season (Fescue & Bluegrass)	2"-3.5"	2"-3.5"	2"-4"
Bare Areas	Up to 5%	up to 10%	Up to 35%
Edging	Weekly	Every other week	Once per month
Weeds	None (Street frontages, play/picnic areas, etc.)	No more than 20%	No more than 60%
Aeration	2x/year (minimum)	1x/year & as needed	As requested,
Landscaping & Trees			
Hedge pruning	Within 1' under top of wall/fence	Within 1' under top of all/fence	No more than 1' over top of fence/wall
Missing plant material (includes trees)	None within high visibility areas	In limited areas (up to 10%)	Acceptable
Weeds	None within high visibility areas	In limited areas (up to 10%)	Acceptable, 1-4 applications per year as budget allows
Pruning Shrubs	More than 3/x year (Minimum)	3/x year (Minimum)	2/x per year

4.2.9 Refuse Disposal

Disposal of refuse (litter and green waste) shall be delivered by the Contractor, or its service provider, to the Materials Recovery Facility (MRF)/Western Placer Waste Management Authority facility. If necessary waste may be placed in a dumpster serviced by the City of Roseville, with advanced notice.

4.2.10 Traffic Control

Traffic control shall conform to the latest Caltrans Standards to ensure the safe flow of traffic and the safety of workers in traffic zones. All traffic control costs shall be included in the prices paid for the various contract items of work and no additional compensation will be allowed. A master traffic control plan shall be submitted and approved by the City's Traffic Engineering Department prior to work starting.

Access to driveways shall be always maintained. When entering or leaving roadways which bear public traffic, the Contractor's equipment, whether empty or loaded, shall in all cases yield to public traffic.

4.2.11 Fingerprinting and Background Checks

Contractor, at its expense, must conduct a background check for each of its employees, as well as for the employees of its subcontractors, who will provide services to the City of Roseville.

Background checks are to be conducted via a request with the Department of Justice and the Federal Bureau of Investigations. Contractor shall maintain records for background checks and provide documentation if requested.

4.2.12 Fines and Fees

Fines or penalties levied against the city because of maintenance practices by the Contractor will be borne solely by the Contractor.

4.2.13 Meetings and Reporting

The City and the Contractor shall have an annual meeting once per year held in January to discuss any changes, contract cost and an overall evaluation of work performance over the previous year.

The City and the Contractor shall meet monthly to discuss and review ongoing work, work schedules and timelines for projects.

The Contractor shall be required to complete and provide reports to the City, including a maintenance schedule, as approved by the City, which shall include mowing, fertilization, aeration, pesticide applications, tree minimum clearance and pruning schedules. This schedule shall be finalized and approved by the City and shall reflect the ongoing maintenance schedules for work to be performed.

4.2.14 Performance During Inclement Weather

During periods of excessive rainfall that hinder normal operations, the Contractor shall adjust its workforce to accomplish those activities that are not affected by weather. The

prime factors in assigning work shall be the safety of the workforce and damage to turf and landscaping.

4.2.15 Acceptance

Acceptance by the City of any services furnished under the Contract shall occur only after the final review of authorized employees of the City.

The City shall reject and refuse to pay for, all non-conforming services. Nothing in this section shall limit or restrict the warranty and remedy obligations of the Contractor specified in the Park and Landscape Maintenance Services Contract.

4.2.16 Safety

Safety provisions shall conform to Cal-OSHA Safety Orders, and all other applicable federal, state, county, and local laws, ordinances, codes, and regulations in performing the work under this Contract. Where any of these are in conflict, the more stringent requirement shall be followed. The Contractor's failure to thoroughly familiarize itself with the safety provisions shall not relieve it from compliance with the obligations and penalties set forth therein. The Contractor shall develop and maintain for the duration of the Contract, a safety program that will effectively incorporate and implement all required safety provisions. The Contractor shall appoint an employee who is qualified and authorized to supervise and enforce compliance with the safety program. The Contractor shall take all precautions required by applicable regulations of the State Department of Industrial Relations.

4.2.17 Response Time

Contractor supervision shall be immediately available at all times Contractor employees are working on sites and must be available between 7:00 am and 10:00 pm each working day via phone or mobile device and must respond to an emergency/ major discrepancy in the Contract within two (2) hours of initial contact.

4.2.18 Qualified Contractor Supervision

Contractor must dedicate one point of contact for each geographic zone who shall oversee the contract in its entirety for the assigned geographic zone, including any Extra Work assigned. The point of contact shall facilitate all work and activities occurring with assigned City staff.

All Contractor's supervisors must be qualified, proficient in English, trained and capable of providing adequate supervision and direction of all Contractor's employees and must demonstrate verbal and written communication skills sufficient for the work required herein.

4.2.19 Contractor's Employees

This Contract is intended to be a "partnership" between the City and the Contractor. The quality of the Contractor's work reflects directly upon the City. Only

Contractor's employees and subcontractors are allowed on City property where work is being performed.

The City reserves the right to direct Contractor to remove from assignment to City facilities such employees of Contractor or subcontractors deemed incompetent, careless, insubordinate, or in any way objectionable by City, including any personnel whose actions are deemed by the City to be contrary to the public interest or inconsistent with the best interests of the City.

Contractor's employees and subcontractors shall not use any tobacco product in any city park or within twenty (20) feet of any entrance to a public building.

4.2.20 Employee Uniforms

The Contractor shall provide each of its employees with uniforms. At all times, personnel shall wear uniforms. Uniform apparel shall be kept neat, clean, and in good repair. All uniforms shall include the Contractor's name and logo.

4.2.21 Contractor's Equipment

The on-site supervisor shall ensure that all contractor-supplied equipment is in good working order. Any damaged equipment or equipment in need of repair shall be removed from the site. Contractor shall be responsible for any damage to the work sites, City or private property, or any injuries caused by Contractor's equipment or personnel.

All Contractor vehicles must be neat, clean, well maintained and labeled with the company name.

4.2.22 Locks and Keys

The Contractor shall be responsible for the series of keys assigned to it and shall assign these keys to its personnel for use in maintaining the facilities. The Contractor shall properly use and keep safe all keys or locks issued by the City to the Contractor.

The Contractor shall report all lost or stolen keys or locks to the City within twenty-four (24) hours of discovery. The Contractor shall reimburse the City for the total cost of replacement keys and/or locks that have been lost.

Upon termination or cancellation of the Contract, the Contractor shall immediately return all keys, access cards, remotes, etc. to the City.

4.2.23 Vandalism and Damage

Contractor shall notify the City of all vandalism, defects, and/or safety items within one (1) business day of discovery to Park Maintenance at (916) 774-5748.

All damage to landscaping, irrigation equipment, real property or any related structures caused by Contractor during its performance of the Contract shall be the responsibility of the Contractor. Repairs to turf shall be made with sod.

The city may request quotes from Contractor for vandalism repairs, which would be awarded as “Extra Work.” Commencement of work will proceed only after City approval.

4.2.24 Irrigation

4.2.24.1 Irrigation Program Management

All required scheduling and operation of the irrigation controllers reflecting weather changes and water needs will be covered under this Contract. The contractor shall make all adjustments and setting of controllers to establish the frequency and length of watering periods. Any malfunction of controllers including communication failures must be reported immediately to the City along with a proposal for correction with costs. The City’s Irrigation Technician can assist with troubleshooting controller issues after power has been verified and physical connections have been inspected.

Controller programs shall incorporate the following conditions:

- Meet all City and State ordinances including where applicable the [Water Efficient Landscape Ordinance \(WELO\)](#).
- Program around parks, sports fields and facility use and events.
- Reflect actual requirements of soil and plants.
- Avoid runoff onto streets, sidewalks, fences, walls, and other non- target areas.
- Maximize public use of City property.

Monthly from March through November at the City’s request, the Contractor shall provide the irrigation schedule to the City’s Irrigation Technician by the 10th of the month. This report shall include the following information:

- All irrigation programs set on controllers.
- Irrigation schedules start times for each irrigation program.
- Irrigation run days for each irrigation program.
- Irrigation cycle length, in minutes for each station in an irrigation program.
- Number of repeat cycles for each station in an irrigation program.

For any controller schedule not supplied by the 10th day of the current month by Contractor in any month during season per the City’s request, a \$50.00 penalty per controller may be assessed. Contractor shall have the penalty deducted from the monthly payment for the District, Park, and/or Facility financially responsible for that irrigation controller. Each station shall be adjusted to meet the needs of the

specific area unless authorized by the City, as well as, adjusted due to weather conditions and run off.

Maintain a minimum of two qualified user/programmers for both ICC pro and Calsense central control systems.

4.2.24.2 Irrigation Schedule

An irrigation schedule is developed based on current controller settings, visual observation, and the results of moisture probing. Adjustments shall be made to the controller when the soil moisture profile is found to be too dry or too wet. Adjustments shall also be made as needed to ensure plant health.

Adjustments to the schedule shall occur as needed to accommodate changes in area use and/or environmental changes to individual areas.

4.2.24.3 Soil Moisture Testing

Soil probing shall be conducted regularly in all areas to ensure proper soil moisture levels to meet plant water requirements.

4.2.24.4 Irrigation Repair & System Checks

The Contractor shall perform a complete irrigation check of all heads, valves, quick couplers, etc. for every irrigation system before system start up and no later than April 1st. The Contractor shall supply the City with a written report of every irrigation check as it is completed. Needed repairs shall occur throughout that same period, with the approval of the City, to ensure a fully operational system at the beginning of each spring. System evaluations, and repairs shall be made as outlined in Parks & Landscape Maintenance Standards (Exhibit A).

Contractor is responsible to replace batteries annually on battery operated valves or controllers.

Irrigation system repairs shall occur and be compensated as stated below:

All repairs will be completed prior to the next scheduled watering event. If this is not possible, the City should be contacted. Loss of plant material due to delay of repairs is the responsibility of the Contractor.

Irrigation system repair will be the responsibility of the Contractor. All replacement materials are to be with new original types and models and consistent with Park construction standards unless a substitute is approved by the City. The Contractor shall implement repairs in accordance with all effective warranties, and no separate payment shall be made for repairs on equipment covered by warranties. All repairs shall be guaranteed for 90 days after repair is complete.

Maintenance, repair, and replacement of malfunctioning irrigation heads and quick couplers, including risers and/or swing joints, shall be covered in the Contractor's base bid. The Contractor shall provide labor for the above items at no extra charge and shall bill the City for the required parts with a maximum mark up of 10% over the actual cost.

Replacement of valves, filters, valve boxes, and wiring shall be considered “Extra Work” in their entirety. Decisions regarding repair versus replacement will be made by the Contractor and the City jointly. If there is a disagreement with regards to how to proceed the City’s choice will prevail.

Maintenance and regular cleaning of reclaimed mainline filters shall be covered in the Contractor’s base bid. These filters are located at the point of connection of reclaimed water systems in the following Districts: Sierra Vista, Creekview, West Park Westbrook and parts of Fiddymont. They should be cleaned regularly as needed to supply adequate water for irrigation.

Repair and replacement of lateral lines, main lines, check valves, and controllers shall be considered “Extra Work” in their entirety.

Repairs and replacements of any irrigation component or property damaged by the Contractor or because of negligence, error, or omission by the Contractor shall not be submitted to the City for payment and are the responsibility of the Contractor.

Repair and replacement of any irrigation components or property that is a result of vandalism, or unintentional damage, caused by the public shall be considered “Extra Work” in its entirety. All vandalized components must be reported to the City within one (1) working day with photos of the area. Photos of the repair or replacement must be reported for the Contractor to be compensated. If the vandalized components are not reported within one (1) working day the Contractor will be paid based on the above stated criteria for repair and replacement.

When the Contractor observes or is notified of water waste due to excessive overspray, overwatering for irrigation system malfunction, Contractor shall respond within twenty- four (24) hours. Repairs/adjustments shall be made prior to the next watering event. Any fines or fees incurred due to non-compliance with WELO shall be the responsibility of the Contractor.

In all streetscapes, system checks shall be done in accordance with the service levels outlined in the Parks & Landscape Maintenance Standards (Exhibit A).

4.2.24.5 Recycled Water

Recycled water is used in areas of the City parks and landscapes. Contractor's staff shall be trained in the proper techniques for working with recycled water and it is the responsibility of the Contractor to ensure compliance with all safety and health precautions.

The Environmental Utilities Department may request to observe system checks on recycled water systems. This shall be coordinated through the Parks Division.

4.2.24.6 Other Irrigation Conditions

City will provide all the water and electricity necessary for the Contractor to perform the services except instances where excessive costs are incurred by the City due to water/electricity waste or negligence by the Contractor.

- A. If the City determines that excessive utility costs due to waste or negligence have occurred and are a result of Contractor's actions, the City may withhold from payment to the Contractor those funds necessary to reimburse the City for these additional costs.
- B. If there is a difference of opinion between the City and the Contractor as to whether there has been waste due to the negligence of the Contractor, the opinion of the City will prevail.
- C. At the City's request the Contractor may be required to attend a monthly water conservation meeting with the city and the City's other partners. This meeting is designed to discuss best management practices, water usage to date, mandated restrictions, and City goals. This group is required to work as a team to accomplish City-wide irrigation goals.

4.2.25 Plant Loss

It is one of the Contractor's prime responsibilities to prevent loss of plants caused by pests, diseases, insects, soil conditions, nutrient, micro-climatic conditions, improper planting, or improper irrigation practices.

Contractor shall be continuously alert in locating and defining problems and will exercise prompt and proper corrective action. Contractor must report to the City any findings of damage to plants in writing with photo documentation and will be held responsible for replacement if failure to identify a problem and notify the City in writing prior to plant failure. Within thirty (30) days of the execution of the Contract a preliminary written report shall be submitted for major corrective problems not covered in the Contract along with the costs.

Contractor shall replace, at the Contractor's cost, any dead, stunted, or damaged plantings that are the result of the Contractor's negligence that are not addressed. Plants lost from Contractor's negligence shall be replaced, at the Contractor's expense, within thirty (30) days of discovery by City staff. Replacement plants shall be comparable in size to the lost plant up to a maximum size of a thirty-six (36) inch box, or if smaller, the size shall be approved by the City. Planting time frame will be at the discretion of the City and must be approved prior to work being performed.

The Contractor shall not be held responsible for plant losses due to maladies beyond the Contractor's control; this includes, but is not limited to, disease or insect attack for which there is no legal recommended control, acts of vandalism, earthquakes, fires, storms, freezing/frost, and related events. Contractor shall report all such conditions to the City in writing within seventy-two (72) hours of occurrence and submit a proposal for the work or repairs along with the costs. The Contractor shall obtain City's authorization prior to proceeding with the work. Failure to notify the City within seventy-two (72) hours of occurrence will result in replacement at the Contractor's cost as if the cause was Contractor negligence.

Plants in a state of decline shall be documented and brought to the City's attention for inspection immediately and before removal. The City shall pay labor and material for plant replacement not caused by Contractor negligence, as deemed by the City, on an actual time and material basis. Plants removed without notification to the City will be the Contractor's responsibility to replace.

The City shall approve all replacement plants that differ in species. However, replacing plants shall not be used by the Contractor as a substitute for proper care. The City will

consider Contractor negligence a breach of contract with full responsibility for costs and losses.

It shall be understood that new plantings may have different irrigation requirements than established plantings, and it shall be the Contractor's responsibility to ensure that new plantings have appropriate irrigation scheduling, and at no additional cost to the City. This includes plantings performed by Contractor as "Extra Work", as replacement plants, or those plants that may be installed by City staff or other third party, provided that the Contractor has received proper notification that such plantings have occurred.

Upon termination of the Contract, the City reserves the sole right to withhold final payment(s) in the amount necessary to replace any damaged or dying plant material that is a result of Contractor negligence, or to restore any site which is in a condition that is worse than when the Contract was executed.

4.2.26 Pesticide Use

Many federal and state agencies have jurisdiction over pest control activities related to use of pesticides, vegetation management, worker safety, hazardous material disposal, impacts of pesticide use on air and water quality and on wildlife. Primary pesticide regulation is by the US Environmental Protection Agency (EPA) with additional regulation and enforcement by the California Environmental Protection Agency. The California Department of Pesticide Regulation (DPR) is the regulatory arm of California EPA. Local enforcement of pesticide regulations performed by the Placer County Department of Agriculture.

Any pesticides used must be on the City's approved list for use. Contractor is responsible for acquiring a recommendation from a State of California licensed Pest Control Advisor and safety training of contract employees. Any damage to plants or other property due to pesticide use is the responsibility of the contractor.

Pesticides applications shall be excluded at School sites/property unless requested by the City.

4.2.26.1 Notification

Contractor shall notify the City at least one week prior to date of application of any pesticide, so irrigation schedule can be adjusted. The City will follow the same procedure when notifying the Contractor at sites where the contractor manages the irrigation schedule.

4.2.26.2 Reports

Contractor shall submit all pesticide applications through a pesticide use report to the County of Placer Agricultural Commissioner monthly. A copy of the monthly pesticide use reports shall be submitted to the City indicating

each site that has been treated the previous month and listing all chemicals used.

4.2.26.3 Storm Water

The City has a General Storm water Permit called the [State Water Resources Control Board, Water Quality Order No. 2013-001-DWQ, National Pollutant Discharge Elimination System \(NPDES\), General Permit No. CAS 000004](#). The intent of the permit is to reduce the discharge of pollutants in storm water to the maximum extent practicable, and in a manner designed to achieve compliance with water quality standards and objectives, and effectively prohibit non- storm water discharges into the municipal storm drain system and watercourses within the City and State. The Contractor is responsible for ensuring all landscape maintenance activities adhere to guidelines identified in the permit.

All fertilizers shall be kept out of the gutter and off the sidewalks. Fertilizer deposited onto the gutters, sidewalks or streets during application is to be blown back onto the landscape area immediately. Blowing of lawn clippings, leaves or other landscape debris into the gutter or storm drain inlets is strictly prohibited. No drains shall be obstructed by plant material or bark/mulch. During irrigation repairs, all mud and water is to remain in the landscape area. No turbid discharge is allowed into the gutter or drains.

4.2.27 Fertilization

The Contractor will be responsible for performing fertilizations of turf and landscape in parks, streetscapes, and designated facilities at the City's direction within specific time frames.

All fertilizations shall be considered "Extra Work" and shall not be included in the base bid. The City reserves the right to purchase all fertilizer products and have those products delivered to the Contractor. Timing of such deliveries and quantities will be determined jointly by the city and the Contractor.

The City also reserves the right to have the Contractor purchase the product directly and to include the product price in a quote for service. All major fertilizations shall conform to the City's agronomic calendar plan and City approved products.

4.2.28 Agronomic Calendar

On an annual basis the City establishes an agronomic calendar for the upcoming year. This calendar includes timing for pre and post emergent herbicide applications, fertilizer applications, aerification schedules, etc.

If requested by the City, the Contractor shall provide input on the yearly agronomic calendar. The calendar is a guiding tool for maintenance practices each year. The Contractor is expected to be able to perform requested

applications within specified timelines, except for uncontrollable circumstances such as weather. The Contractor shall notify the City in writing of such circumstances. The city will provide or approve products to be used throughout the city. The city understands that specific areas may require specific needs. Those needs may fall outside of the agronomic calendar and will be addressed on a case-by-case basis.

4.2.29 Bark Mulch

The Contractor shall notify the City when areas need new bark mulch. The City reserves the right to have the bark installed in any manner that it sees fit and by whomever it sees fit. If the city requests that new bark mulch, be added by the Contractor, it will be considered "Extra Work" in its entirety.

4.2.30 Clearance Tree Pruning

The Contractor shall prune trees for clearance as part of the base bid per current Parks & Landscape Maintenance Service Levels (Exhibit B).

4.2.31 Turf Management

Turf mowing and edging shall be performed as needed to meet the City parks and landscape service levels. Edging should not create gaps no wider than 1/4" around infrastructure.

When turf cannot be cut on the scheduled day due to rain, turf shall be cut as soon as weather and ground conditions permit. Sports field mowing should be done later in the week to provide the best possible playing surface on weekends. Any schedule change should be reported immediately.

4.2.32 Additional Work

Contractor shall agree to accept Additional Work assigned by City during each contract period, at the costs quoted in the proposal or at adjusted costs for succeeding annual periods. "Additional Work" is defined as future work or landscape maintenance in areas yet to be established, such as new park sites or new streetscapes.

4.2.33 Extra Work and Improvement Work

Extra Work and Improvement Work are not included as part of the base bid. Contractors shall provide a cost proposal for Extra Work. Improvement Work is described for reference only and does not require a cost proposal currently.

4.2.33.1 Extra Work

"Extra Work" is defined as those services and tasks specifically pertaining to Landscape Maintenance, as defined by the Department of Industrial Relations (DIR), either Routine or Complex, but beyond the service levels described herein. Any Extra Work will be considered additional requests above and beyond the base service levels identified in the Parks & Landscape Maintenance Standards (Exhibit A).

Below is a non-exhaustive list of items the City will deem Extra Work, provided they are not required because of Contractor's negligence or failure to perform its contracted duties:

- Repair of damaged or faulty irrigation (as described in Section 4.2.24.4)
- All fertilizations
- Seasonal turf renovation including de-thatching, over-seeding, and sod patching.
- Additional turf aerations beyond the assigned service level
- Replacement of plant material
- Replacement of seasonal color flowers
- Herbicide / pesticide application beyond the assigned service level
- Installation of bark / mulch / playground fiber
- Weed abatement, weed mowing, installation of firebreaks.
- Cleaning / repair of vandalism
- Any additional landscape maintenance work, at the City's sole discretion, that is not already described above and is not already a part of the contract scope.

Bid requests for hourly rates, unit costs, markups, etc. can be found in the Cost Proposal Bid Sheet for Extra Work (Exhibit C).

If tree pruning beyond basic clearance pruning is assigned as "Extra Work," the Contractor shall follow the tree pruning standards as described in the Parks & Landscape Maintenance Standards (Exhibit A). Additionally, the City maintains a current electronic inventory of every City owned tree. If any tree work is performed ranging from beyond basic clearance pruning to removal, the City's Urban Forester must be notified prior to work, and at the conclusion of work, so that proper records can be maintained.

The Contractor shall identify the tree on an aerial map with notes of the species and measured diameter at breast height (DBH) and provide the map to the Urban Forester. The Contractor shall be required to work with City staff to notify residents living near the tree work location will be completed prior to commencement of the work.

Emergency items, such as storm damage, do not require advanced notification.

Prior to the Contractor performing any Extra Work, the Contractor shall prepare and submit a written description of why the Extra Work is required, what type of work is proposed, and a cost estimate for the Extra Work as stated in the Cost Proposal Bid Sheet for Extra Work (Exhibit C). The cost estimate shall not exceed unit prices provided on the Cost Proposal Bid Sheet for Extra Work form, if applicable, unless otherwise agreed upon by the City that extenuating circumstances or field conditions warrant such adjustment.

No work shall commence without written authorization from the Parks Superintendent, or his designee.

Notwithstanding the above authorization, when a condition exists where there is imminent danger of injury to the public or damage to property, the Parks

Superintendent or his designee may verbally authorize the Extra Work to be performed upon receiving a verbal estimate from the Contractor. However, within twenty-four (24) hours after receiving a verbal authorization, the Contractor shall submit a written estimate to the Parks Superintendent for approval.

The cost estimate for Extra Work shall consist of the following elements:

- Unit costs, if applicable, or anticipated labor hours at appropriate rates provided in the Cost Proposal Bid Sheet for Extra Work (Exhibit C), unless certain higher wage rates are required for specific tasks.
- Actual cost of materials with negotiated percentage increase for overhead and profit, with a maximum markup of 10% over actual cost.

Materials may be provided by the City of Roseville.

All Extra Work shall commence on the specified date established and shall diligently proceed until completion.

Upon completion of the Extra Work the Parks Superintendent, or his designee shall be notified so that the work may be verified.

Contractor shall submit an invoice for compensation with the approved Cost Proposal Bid Sheet for Extra Work (Exhibit C). Photocopies of original invoices for materials shall be made available upon request of the City. If Contractor is using parts from its stock, an itemized list of parts used with unit prices shall accompany the invoice. Compensation shall not exceed the written estimate.

The Contractor's invoice shall be subject to audit and review by the City prior to payment.

The City reserves the right to repair and/or contract with a third party to perform Extra Work.

4.2.33.2 Improvement Work

Included for reference only, Improvement Work is defined as landscape-related services, tasks, or projects that require prevailing wage trade categories not covered by DIR under Landscape Maintenance and will be performed under a separate contract. This includes new landscape construction and renovation work.

Below is a non-exhaustive list of items the City will deem Improvement Work:

- New landscape construction projects.
- Large scale landscape conversions and renovations.
- Irrigation system conversions.
- New drainage installation.
- Concrete / hardscape / fence repair and installation.

2.1 Multiyear Agreements The initial contract will be from date of award through December 2028 with up to 3 renewals, two years each. .

The City reserves the right to renew the contract for additional years, two (2) years at a time at its sole discretion. The vendor receiving the contract award for the initial contract will retain that contract award throughout the life of the contract, including the optional renewal years.

The initial contract will be awarded based on the prices determined through the initial contract negotiation process. Sixty days prior to the expiration date of the current contract, the City is willing to re-negotiate out-year pricing (increases and/or decreases) based on market fluctuations. The pricing for each renewal year will be evaluated based on what the City deems to be fair and reasonable pricing. Any requests made by the vendor for a price increase must be fully documented utilizing an appropriate Consumer or Producer Price Index or other relevant market data to justify a price change. In its request for price increases Seller shall cite sources, specific conditions, and document how those conditions affect the cost. The City of Roseville is also willing to re-negotiate pricing if it is affected by catastrophic circumstances (example: unforeseen national/world crisis or acts of God).

Price adjustments will not be automatic. They must be mutually agreed upon by both the City and the vendor. The City will review the proposed pricing and determine if it is allowable, fair, reasonable, and in the best interest of the City to extend the agreement.

5.0 **ASSURANCE OF DESIGNATED PROJECT TEAM**

Proposer shall assure that the designated project team, including sub-consultants or sub-contractors (if any), is used for this project. Departure or reassignment of, or substitution for, any member of the designated project team, sub-consultant(s) or sub-contractor(s) shall not be made without the prior written approval of the City.

6.0 **PROPOSAL FORMAT REQUIREMENTS**

Each response to this RFP shall include the information described in this section. Provide the information in the specified order. Failure to include all of the information specified may be cause for rejection. Additional information may be provided but should be succinct and relevant to the goals of this RFP. Any additional information that a proposing Contractor wishes to include that is not specifically requested should be included in an appendix to the proposal.

Contractors are encouraged to keep the proposals brief and to the point, but sufficiently detailed to allow evaluation of the project approach. Unauthorized conditions, omissions, limitations or provisions attached to a proposal may render the proposal non-responsive and may cause its rejection.

Proposers are warned against making erasures or alterations of any kind, without initialing each and every such change. Proposals that contain erasures or irregularities of any kind, without such initialing, or omissions, may be rejected.

If provided via regular mail, the proposal should be bound or contained in a loose-leaf binder. Document pages shall be 8-1/2 inches by 11 inches in size or folded to such a size. Use section dividers, tabbed in accordance with this section as specified below.

6.1 **Cover Letter** with the following information:

- Title of this RFP

- Name and Mailing Address of Firm (include physical location if mailing address is a PO Box)
- Contact Person, Telephone Number, Fax Number, and Email Address
- A statement that the submitting Contractor will perform the services and adhere to the requirements described in this RFP, including any addenda (reference the addenda by date and/or number).

6.2 **Signature Requirements** - The attached Proposer's Certification (**Attachment A**) shall be executed by an official(s) legally authorized to bind the Contractor which states that the proposal is valid for ninety (90) days. Include the executed copy of the Proposer's Certification under Tab G. Note: This is ninety (90) days following the closing date for the receipt of all proposals.

- Proposals submitted on behalf of a Partnership shall be signed in the firm name by a partner or the Attorney-in-Fact. If signed by the Attorney-in-Fact, there shall be attached to the proposal a Power-of-Attorney evidencing authority to sign proposals, dated the same date as the proposal and executed by all partners of the firm.
- Proposals which are submitted on behalf of a Corporation shall have the correct corporate name thereon and the actual signature of the authorized officer of the corporation written (not typed) below the corporate name. The title of the office held by the person signing for the corporation shall appear below the signature of the officer.
- Proposals which are submitted on behalf of a Limited Liability Company ("LLC") shall be signed by the person or persons authorized to bind the LLC under the LLC's articles of organization.
- Proposals which are submitted by an Individual Doing Business under a firm name ("dba") shall be signed in the name of the individual doing business under the proper firm name and style.

6.3 **TAB A: Firm's Qualifications** – Describe your firm and provide a statement of your firm's qualifications for performing the requested services. Identify the services which would be completed by your firm's staff and those that would be provided by sub-consultants or sub-contractors, if any. Identify any sub-consultants or sub-contractors you propose to utilize to supplement your firm's staff. Include the firm's organizational chart, including its constituent parts, and size variation of staffing levels in the past five (5) years.

6.4 **TAB B: Experience and References** – Provide a summary of your firm's experience in providing these or similar services. Provide a minimum of three (3) references for projects or services similar in nature and scope that your firm's team members have completed in the last five (5) years. Include brief descriptions of the projects, dates, client names and contact persons' names, addresses and telephone numbers. Public sector references are preferred.

6.5 **TAB C: Staffing, Resources and Service Description**– Provide details of your company's approach to the successful management of this contract based on the General Conditions in Section 4 and the Parks & Landscape Maintenance Standards (Exhibit A). Include detailed descriptions regarding your company's approach to the following operational items:

- Resources and methodology that will be used to complete each element of the requested services.
- Describe how your company will make available the equipment and

supplies (i.e., machinery, signs, cones, tools, chemicals, etc.) needed to perform all work and where equipment will be stored.

- Communication methods between supervisors, office staff and field staff.
- Systems your company uses to assign, track, and evaluate work performed by employees.
- Staffing and work plans that include work strategies needed to maintain each park, district, or area throughout all seasons of the year.
- Describe your company's employee retention program and philosophy. Include an overview of employee benefits packages for all employee categories to be assigned to this contract, including supervisors, full-time line staff and part-time line staff for each area in the bid.

- 6.6 **TAB D: Project Understanding** – Based on the available information, supplemental research, field observations, and experience with similar projects, provide a narrative describing your understanding of the services requested in this RFP, your general approach and any major challenges to achieving the City's stated goals. Include any issues that you believe will require special consideration for this project. Also identify any unique approaches or strengths that your firm may have related to this project. City staff will assess your understanding of all aspects of the project based on the overview.
- 6.7 **TAB E: Customer Service and Quality Assurance** – Discuss your company's vision of customer service and quality assurance. Describe steps your company takes to ensure all staff will provide an exceptional experience to the public and the City of Roseville. Provide details and methodology on how your company performs quality control and measures taken to correct items not meeting the City of Roseville standards identified in General Conditions (Section 4.2) and in the Parks & Landscape Maintenance Standards (Exhibit A). Exhibit F provides a sample quality assurance document used by the City of Roseville. Please provide samples of documents your company uses to facilitate thorough quality assurance checks.
- 6.8 **TAB F: Chemicals** -- List the chemicals proposed for use in this Contract. Describe how each will be used and methods used to comply with the Department of Pesticide Regulation.
- 6.9 **TAB G: Irrigation**- Describe your company's plan and strategy for maintaining irrigation systems and preventative measures taken to ensure maximum efficiency and water conservation. Discuss experience with any centralized irrigation systems, specifically Motorola and Calsense. Include any strategies used in designating the responsibilities of the Contractor and the City and how it differs from a non-centrally controlled system.
- 6.10 **TAB H: Liability Issues**- Discuss how your company handles damage or theft claims from the public. What is the process you follow to ensure claims are handled in a timely manner?
- 6.11 **TAB I: Billing and Invoicing**- The City requires billing and invoices to meet the needs of our accounting and budgeting structure. Bills and invoices must be presented to the City in a timely manner. Invoices shall include district or general fund area name, if it is a Park, Landscape or Facility, Purchase Order Service Agreement number, Purchase Order Service Agreement line number and monthly cost or individual amount for specific work. In addition, "Extra Work"

invoices shall include a description of work performed, billable hours, cost for any parts, and grouping of work performed within a district or general fund area.

- Exhibits D and E provides sample invoices that shows the variety of districts, contracts and account information required on all billing invoices and a sample extra work invoice. Describe your company's ability to provide similar invoices or other options that will meet the needs as shown.

6.12 TAB J: Cost Proposal- The Parks and Landscape Maintenance Services RFP is formulated for the Contractor to provide a proposal for specific District zones in two geographical areas, Facilities, Schools sites, Non-Parks, Recreation & Libraries locations and Parks (Exhibit B) within the City of Roseville. This proposal can be for one area or all locations. The City reserves the right to award individual geographic zones to different contractors and/or negotiate cost proposals. Additionally, the City reserves the right to adjust the geographic zones and bid locations as needed.

Base bid prices shall include everything necessary for the completion of and fulfillment of the Contract, including but not limited to, furnishing all transportation, materials, equipment, and all management, supervision, permits, labor, and services, to comply with the designated service level, for each area, unless otherwise identified as "Extra Work" within this document.

Proposal prices shall include all applicable federal, state, and local taxes. The prices should be listed by yearly lump sums. The basis of payment shall be on a monthly fixed price basis or as otherwise agreed to in writing by the City.

All proposers must complete the Cost Proposal Bid Sheet for Routine Work (Exhibit B). Please provide a total cost to complete all services at each park, streetscape, school, and facility listed to meet the standard service level, unless otherwise noted, described in the Parks & Landscape Maintenance Standards (Exhibit A). Additionally, the Contractor shall provide pricing for the add alternatives as listed to allow the contracted services to be selected as needed to meet budgets in certain districts.

All proposers must complete the Cost Proposal Bid Sheet for Extra Work (Exhibit C). "Extra Work" is described in Section 4.2.27.1 and will not be considered part of the routine maintenance or base bid prices. Additionally, indicate what your material markup is over wholesale price.

The Parks and Landscape Maintenance Services RFP reflects consistent maintenance service levels across the City. Depending on proposal prices submitted and the current funding status, the City may be required to lower or increase services to individual zones or areas based on funding availability.

Examples of possible reductions include mowing less frequently, or no fertilization or aeration. Possible increases could include adding an additional pruning cycle, additional weed management or more mowing. The City will only award a contract if the cost of the agreement is at or below the approved funding allotment for specific areas, parks, and districts.

The initial proposed pricing must be in effect for eighteen (18) months based on the time period of the initial contract. At the request of the Contractor, City and Contractor will meet and revise prices to be effective for the next fiscal year (July 1– June 30) in January of each year. This increase shall not exceed 3% in any one year, including any extensions in the term

of the Agreement. City also agrees to adjust payments to reflect changes in work quantities and to pay for new work assigned to Contractor at the contract rates then in effect. Adjustments to quantities may be requested by either party and is subject to field verification by City.

- 6.13 **TAB K: Required Statements/Documents** – Include statements of assurance regarding the following requirements in the proposal:
- Non-substitution for the designated members of the team without approval by City staff **(Section 5.0)**
 - The absence of a conflict of interest **(Section 10.4)**
 - Indicate your ability and agreement to fulfill the indemnification and insurance requirements contained in the sample contract **(Section 10.7)**. (Please note that actual certificates of insurance are not required as part of your submittal.)
 - A statement that nothing contained in the submitted proposal will be proprietary. **(Section 10.23)**

Submit the following documents with proposal:

- Proof of registration with California Secretary of State. **Note:** All proposers must be registered with the Secretary of State or have a valid exemption by the time of award.
 - Executed copy of Proposer's Certification **(Attachment A)**
 - Levine Act Disclosure Statement Form **(Attachment B)**
 - Contractor Licenses **(Attachment C)**
 - Subcontractor List **(Attachment D)**
 - Executed copy of Non-collusion Declaration **(Attachment E)**
- 6.14 **TAB H: Exceptions** – Describe any and all proposed exceptions, alterations or amendments to the Scope of Services or other requirements of this RFP, including the Sample Contract **(Attachment F)**. The nature and scope of your proposed exceptions may negatively affect the evaluation of your submittal and the City's determination of whether it is possible to successfully negotiate a contract with your firm.
- 6.15 **TAB I: Competency of Proposers** – The City wants to ensure that the successful Contractor has the necessary facilities, ability, experience, and financial resources to provide the services specified herein in a satisfactory and timely manner. Please list and explain any pending bankruptcies, liens, stop payment notices, judgments, lawsuits, arbitrations, mediations, foreclosures, and any similar actions filed or resolved in the past seven (7) years. Please indicate whether a client has ever terminated a contract with your firm for breach, and if so, please explain. Also, furnish a statement of financial resources demonstrating that the Contractor has the ability to maintain a staff of regular employees, sub-consultants or sub-contractors adequate to ensure continuous performance of work, and demonstrating that the equipment for the work contemplated is sufficient, adequate and suitable.

7.0 SUBMITTAL INSTRUCTION

- 7.1 Your submittal package shall include the following:
If mailing, the below guidelines apply.

- **One (1) original and four (4) printed copies** of your proposal; and
- **One (1) electronic copy** of your proposal in PDF format on a flash drive or other electronic media

OR

If submitting your proposal via electronic mail, then send one (1) copy of the proposal to cityclerkroseville@roseville.ca.us. The file size limit is 25 megabytes.

- 7.2 Proposals shall be submitted not later than the time and date indicated on the cover page of this RFP. If mailing the proposal, then it shall be submitted in a sealed envelope or container and clearly marked with the RFP title on the outside of the parcel. **Complete and attach the “Sealed Proposal” label to the outside of the envelope or package containing your proposal.**

- 7.3 Proposals shall be delivered to:

City of Roseville
Attn: City Clerk Department
311 Vernon Street
Roseville, CA 95678

Or electronically mailed to: cityclerkroseville@roseville.ca.us

- 7.4 The City shall not be responsible for proposals delivered to a person or location other than that specified herein.
- 7.5 Postmarks will not be accepted, and proposals received after the deadline date and time will not be accepted or considered. **No exceptions.**
- 7.6 The City reserves the right to waive minor defects and/or irregularities in proposals and shall be the sole judge of the materiality of any such defect or irregularity.
- 7.7 All costs associated with proposal preparation shall be borne by the proposer.

8.0 EVALUATION CRITERIA

The following evaluation criteria and rating schedule will be used to determine the most highly qualified firm(s).

<u>Evaluation Criteria</u>	<u>Maximum Points Possible</u>
A. Experience and qualifications of firm and proposed staff/sub-consultants/sub-contractors	15

(per Sections 6.3 - 6.5)	
B. Understanding of the Project – Proposed Project Plan (per Section 6.6 – 6.7)	35
C. Proposed Cost (per Section 6.8)	25
D. Performance and Ability	15
E. Customer Service and Quality	10
Total Possible Points:	100

9.0 SELECTION PROCESS

- 9.1 Award of the RFP shall be made to the responsible proposer whose proposal is determined, through a formal evaluation panel process, to be the most advantageous to the City after the evaluation panel has taken into consideration the evaluation factors set forth in the RFP. A master score sheet shall be created based on the evaluation panel's initial evaluation. Proposals shall be scored according to the criteria stated in the RFP.
- 9.2 Proposals submitted will be reviewed by a selection committee. Contractors that have submitted the best and most complete proposals may be invited to an interview. The number of Contractors invited to an interview may vary depending upon the number of proposals submitted.
- 9.3 Should the City elect to conduct interviews with any proposers, the following criteria shall be considered and each proposer ranked by the evaluation panel during the interview process: a) Quality of presentation, b) Ability to meet the City's business goals, c) Communication style.
- 9.4 The City reserves the right to make a selection after review of the proposals without oral interviews; therefore, the proposal should be submitted initially on the most favorable terms that the Contractor might propose.
- 9.5 A contract will be negotiated with the Contractor considered best meeting the City's need for this project. In the event a mutually satisfactory contract cannot be negotiated with the City's first choice, negotiations may be terminated and commenced with the Contractor considered next best in meeting the City's needs for this particular project.
- 9.6 The selected Contractor will be required to execute a City prepared contract. The contract may further refine the scope of services and will provide for the terms and conditions of employment.
- 9.7 The award of any contract is expressly contingent upon City Council approval and the availability of funds. City staff may not legally bind the City to a contract.

- 9.8 The City reserves the right to reject any or all proposals, or to waive minor irregularities in said proposals, or to negotiate minor deviations with the successful Contractor(s). In the case of differences between written words and figures in a proposal, the amount stated in written words shall govern. In the case of a difference in unit price versus the extended figure, the unit price shall govern.
- 9.9 The City reserves the right to seek clarification on any or all proposal submittals to ensure the RFP specifications are met. Proposals may be rejected from any proposer who does not comply with the City's request for clarification.
- 9.10 Once a decision has been made to award the contract, then a formal notice of the intent to award to the recommended proposer(s) shall be made by the Department.
- 9.11 A City of Roseville business license as well as all applicable permits, licenses and certifications required by local, state or federal law are required before the award of contract.

10.0 GENERAL TERMS & CONDITIONS

- 10.1 **Standard Contract.** Upon completion of the evaluation and recommendation for award, the selected Contractor will be required to execute an agreement prepared by the City, a sample of which is included as **Attachment F**.
- 10.2 **Independent Contractor.** At all times the Contractor shall represent himself/herself to be an independent contractor offering such services to the general public and shall not represent himself/herself, or his/her employees, to be an employee of the City. Therefore, the Contractor shall assume all legal and financial responsibility for taxes, FICA, employee fringe benefits, workers' compensation, employee insurance, minimum wage requirements, overtime, etc., and agrees to indemnify, save, and hold the City, its officers, agents, and employees, harmless from and against, any and all loss, cost (including attorneys' fees), and damage of any kind related to such matters.
- 10.3 **Non-Appropriation.** The City may terminate any resulting contract at the end of any fiscal year, June 30th, without further liability other than payment of debt incurred during such fiscal year, should funds not be appropriated by its governing body to continue services for which the contract was intended.
- 10.4 **Conflict of Interest.** The Contractor shall warrant that no official or employee of the City has an interest, has been employed or retained to solicit or aid in the procuring of the resulting contract, nor that any such person will be employed in the performance of such contract without immediate divulgence of such fact to the City. Contractors submitting a proposal in response to this RFP must disclose any actual, apparent, direct, indirect, or potential conflicts of interest that may exist with respect to the Contractor or the Contractor's management or employees relative to the services to be provided to the City. Conflict of interest issues may require consultation with legal counsel. If a Contractor has no conflicts of interest, a statement to that effect must be included in the proposal.

Violation of this section shall be a material breach of the contract entitling the City to any and all remedies by law or in equity.

- 10.5 **Undue Influence.** The Contractor shall warrant via an executed Proposer's Certification (**Attachment A**) that no undue influence or pressure is used against or in concert with any officer or employee of the City in connection with the award or terms of the contract that will be executed as a result of this RFP, including any method of coercion, confidential financial arrangement or financial inducement. No officer or employee of the City shall receive compensation, directly or indirectly, from the Contractor, or from any officer, employee or agent of the Contractor, in connection with the award of the contract or any work to be conducted as a result of this RFP. Violation of this section shall be a material breach of the contract entitling the City to any and all remedies by law or in equity. Additionally, the Contractor shall provide a completed Levine Act Disclosure Statement form (**Attachment B**). A party to a proceeding before an agency involving a license, permit, or other entitlement for use, including contracts not competitively bid and awarded to the lowest responsible bidder with a responsive bid shall disclose on the record of the proceeding any contribution in an amount of more than two hundred fifty dollars (\$250) made within the preceding 12 months by the party or the party's agent to a City official/campaign. (Gov. Code, § 84308.) For additional information: https://www.roseville.ca.us/government/departments/city_clerk/transparency/levine_act.
- 10.6 **Non-Collusion.** Contractors submitting proposals shall warrant via an executed Proposer's Certification (**Attachment A**) that their offer is made without any previous understanding, agreement or connection with any person, firm or corporation submitting a separate proposal for the same project and is in all respects fair, without outside control, collusion, fraud or otherwise illegal action. This condition shall not apply to proposals which are submitted by firms who have partnered with others to submit a cooperative proposal that clearly identifies a primary contractor and the associated sub-consultants or sub-contractors. Proposers shall also submit a properly completed and executed "Non-collusion Declaration" which is attached as **Attachment E**.
- 10.7 **Indemnification & Insurance Requirements.** The City's standard indemnification and insurance requirements are provided in the sample contract, included in **Attachment F**. All costs of complying with the insurance requirements shall be as included in your pricing. The selected Contractor shall provide complete and valid insurance certificates within ten (10) days of the City's written request. Failure to provide the documents within the time stated may result in rejection of the Contractor's proposal. If a proposer takes exception to the indemnification and insurance requirements, then the nature and scope of the proposed exceptions may negatively affect the evaluation of that proposer's submittal and the City's determination of whether it is possible to successfully negotiate a contract with that firm. Submitting exceptions are at the proposer's own risk.
- 10.8 **Cost of Preparing Proposal.** The City will not pay any costs incurred by any Contractor in preparing or submitting a proposal in response to this RFP.
- 10.9 **Proposals Property of the City.** All documents or materials submitted with or in conjunction with any proposal, including but not limited to electronic files, shall become

the property of the City after the proposal submission deadline. No submission documents will be returned. During negotiations, the scope of services may be amended by the City and negotiated based upon ideas provided by other proposers or any other source.

10.10 Proposals are Public Records. All proposals submitted are subject to the public disclosure requirements under the laws of the State of California, unless the City identifies and exercises a right or obligation to exempt any record from public disclosure. However, proposals will not be disclosed until negotiations are complete and a recommendation for selection and award is made.

10.11 Protests.

(a) Protest Requirements

(1) Any proposer who is aggrieved in connection with the solicitation or award of a contract may file a protest with the City Clerk's office. The protest must be received in writing by the City Clerk's office within seven (7) calendar days after such aggrieved proposer 1) knows or should have known of the facts giving rise thereto or 2) the date of the notice of intent to award, whichever is sooner. In no event shall a protest be allowed after an award has been made by City Council. If the seventh calendar day falls on a weekend or City holiday, the protesting party may submit the protest prior to close of business on the first business day following such weekend or holiday. Failure to submit a timely protest shall bar consideration of a protest.

(b) Grounds for Protest

(1) The alleged grounds for protest shall be limited to the following: (a) computation errors, (b) violations of local, state, or federal law, or (c) the City failed to follow the procedures specified in this Policy.

(2) The protest shall state all grounds claimed for the protest and include supporting documentation. Failure to clearly state the grounds for the protest and provide supporting documentation shall be deemed a waiver of all protest rights.

(c) Administrative Review

Upon receipt of the protest and after determining the protest was properly filed, the Department Director shall provide a copy of the protest to other proposers who might become aggrieved as a result of the protest and issue a written decision within fourteen (14) calendar days after receipt of the protest. The protest will be evaluated by the Department Director, the City Attorney's Office, and the Purchasing Manager. The protesting proposer shall promptly provide any information requested by City staff as part of such investigation. The decision shall either deny or uphold the protest and include reasons for the decision. The written decision shall be final.

(d) Stay of Action During a Protest

In the event a protest is filed under Section 10.11, the City shall not proceed further with the award of the contract until the protest is resolved, unless:

(1) The City Manager or designee makes a determination that the award of the contract without delay is necessary to protect a substantial interest of the City, or

(2) The City decides to reject all proposals and issue a new RFP.

- 10.12 **Rejection of RFP.** The City reserves the right to reject any or all proposals, to waive defects or irregularities in any proposal or in the RFP process, and to offer to negotiate or contract with any Contractor in response to any RFP. This RFP does not constitute any form of offer to contract.
- 10.13 **Multiple Award.** The City reserves the right to award the contract to multiple contractors when applicable.
- 10.14 **Increasing/Decreasing Portions of RFP.** The City reserves the right to increase or decrease the amount of any portions of the work represented in the RFP and/or to omit portions of said work, as may be deemed necessary by the City.
- 10.15 **Rejection as Non-Responsive.** Proposals may be rejected as non-responsive at the City's sole discretion if there are alterations of form, the proposal is conditional or the proposal is incomplete.
- 10.16 **Modifying RFP.** The City reserves the right to modify any portion of, or to postpone or cancel this RFP at any time, and/or reject any and all submissions without indicating any reason.
- 10.17 **If no proposal is accepted,** the City may elect to have the services performed in some other manner.
- 10.18 **Rejecting Team Members, Firms or Sub-contractors.** The City reserves the right to reject individual team members, firms, sub-consultants or sub-contractors and request substitution prior to contract award.
- 10.19 **Local Business, Small Business, Minority and Women Owned Business.** Although no preferences will be given, the City highly encourages submission of proposals by local businesses, by small business owners, and by minority and women-owned businesses.
- 10.20 **Withdrawal of Proposals.** Proposals may be withdrawn prior to the date and time specified for proposal submission with a formal written notice by an authorized representative of the proposer delivered to the City Clerk's Office. Proposals submitted will become property of the City after the proposal submission deadline.

Proposals may not be withdrawn for ninety (90) days after the due date unless the City enters into a contract with another Contractor prior to the expiration of that ninety (90) day period.

- 10.21 **Prohibited Transmittals.** No telephone or facsimile proposals will be accepted. If a photocopy is submitted, the proposal must be signed in ink.
- 10.22 **Proposal Postponement and Amendment.** The City reserves the right to revise or amend the RFP or specifications up to the time set for opening of the proposals. Such revisions and amendments, if any, shall be announced by amendments to this RFP through the City's web site. Copies of such amendments shall be furnished to all prospective proposers. Prospective proposers are defined as those proposers who have registered and are on the City's RFP list for this material/service. If revisions and amendments require changes in quantities, prices or scope of services, the date set for opening of the proposals may be postponed by such number of days as in the opinion of the City shall enable proposers to revise their proposals. Proposals which fail to acknowledge a substantive addendum to the RFP, as determined by the City Attorney's Office, on the City supplied addendum form will be rejected as non-responsive. Any revisions or amendments to the RFP will become incorporated into any contract awarded pursuant to the RFP.
- 10.23 **Proprietary Information.** Proposers submitting a proposal in response to this RFP must provide a statement that nothing contained in the submitted proposal will be proprietary. However, if a proposer desires to claim a privilege against public disclosure for a trade secret or other proprietary information, such information must be submitted with the proposal in a separate envelope marked "confidential." The City Attorney's Office will determine if the information is in fact proprietary, based on state and federal law. Note that under California law, a price proposal to a public agency is not a trade secret. The Contractor shall defend, indemnify and hold harmless the City regarding any claim by any third party for the public disclosure of the "confidential" portion of the proposal.
- 10.24 **Right to Request Additional Information.** During the evaluation process, the City reserves the right, where it may serve the best interests of the City, to request additional information and clarifications from proposers. Such information will be requested in writing to the specific proposer. This information will become a part of the original proposal submitted by the specific proposer and will be used by the City in evaluating the proposal and will not be shared with other proposers during the evaluation and negotiation process.
- 10.25 **Modification of Proposals.** Modification of a proposal already received will be considered only if the modification is received prior to the deadline date for receiving proposals. All modifications shall be made in writing, executed, and submitted in the same form and manner as the original proposal.
- 10.26 **Examination of Contract Documents.** Each proposer shall thoroughly examine and be familiar with the terms of this RFP, the sample contract attached as **Attachment F**, legal and procedural documents, general conditions, specifications, and addenda (if any), which will constitute the contract documents. Submission of a proposal shall constitute

acknowledgement, upon which the City may rely, that the proposer has thoroughly examined and is familiar with the contract documents. Failure or neglect of a proposer to receive or examine any of the contract documents shall in no way relieve the proposer of any obligation with respect to their proposal or to the contract. No claim for additional compensation will be allowed which is based upon lack of knowledge of any contract document.

- 10.27 **Non-Discrimination.** The City maintains various policies related to contractual service providers. Among these is an anti-discrimination policy, which requires that the City's contractors not discriminate in hiring on the basis of gender, race, religion, sexual orientation, medical condition, and all other categories protected by law. Upon acceptance of a proposal, the City may request that the selected Contractor sign a statement affirming its compliance with this policy.
- 10.28 **No Assignment or Modifications.** This awarded contract is to be binding on the successors and assigns of the parties hereto. The services called for herein are deemed unique and except as provided herein Contractor shall not assign, transfer, subcontract, or otherwise substitute its interest in the agreement or any of its obligations herein without the written consent of the City. The Agreement may be modified only by a written amendment signed by the parties.
- 10.29 **Bankruptcy.** Upon filing for any bankruptcy or insolvency proceeding whether voluntary or involuntary, or upon the appointment of a receiver, trustee, or assignee for the benefit of creditors, the Contractor must notify the City immediately. Upon learning the actions herein identified, the City reserves the right, at its sole discretion, to cancel the contract.
- 10.30 **Debarment.** Contractor certifies that Contractor, its employees, directors, officers, agents, subcontractors, vendors, consultants, and volunteers are not presently debarred, excluded, suspended, declared ineligible, voluntarily excluded, or proposed for debarment, exclusion, suspension or ineligibility by any federal, state, or local department or agency.

Attachment A

PROPOSER'S CERTIFICATION

I hereby propose to furnish the goods or services specified in the Request for Proposals ("RFP"). I agree that my proposal will remain firm for a period of up to ninety (90) days in order to allow the City of Roseville ("City") adequate time to evaluate the qualifications submitted.

I have carefully examined the Request for Proposals and any other documents accompanying or made a part of this RFP. The information contained in this proposal is true and correct to the best of my knowledge and is signed under penalty of perjury under the laws of the State of California. I further certify that I am duly authorized to submit this proposal on behalf of the firm as its authorized agent and that the firm is ready, willing and able to perform if awarded the contract.

I further certify that this proposal is made without prior understanding, agreement, connection, discussion, or conspiracy with any other person, firm or corporation submitting a proposal for the same product or service; that this proposal is fair and made without outside control, collusion, fraud or illegal action; that no officer, employee or agent of the City or any other proposer is financially interested in said proposal; that no undue influence or pressure was used against or in concert with any officer, employee or agent of the City in connection with the award or terms of the contract that will be executed as a result of this RFP; and that the undersigned executed this Proposer's Certification with full knowledge and understanding of the matters therein contained and was duly authorized to do so.

Attachment B

LEVINE ACT DISCLOSURE STATEMENT

(The completed form submitted to the City of Roseville is a public record.)

California Government Code Section 84308, commonly referred to as the "Levine Act," prohibits any "Officer" (elected or appointed officer, any alternate thereto, and any candidate for elective office) from participating in any consideration or action related to a proceeding if they receive political contribution(s) from a party, or its agent(s), totaling more than \$250 within the previous twelve (12) months, while a proceeding is pending, and for twelve (12) months following the date of a final decision in a proceeding concerning a license, permit, other entitlement for use, franchise, or contract (collectively "license, permit, or contract"). For additional information: https://www.roseville.ca.us/government/departments/city_clerk/transparency/levine_act.

City Officers are listed at the following sites:

- The Members of City Council - https://www.roseville.ca.us/government/city_council/meet_council
- Boards & Commission Members - https://www.roseville.ca.us/government/boards_commissions

Parties and their Agents are responsible for reviewing and disclosing their applicable contributions to City Officers on the record of a proceeding.

1. Have you or your entity, or any agent on behalf of you or your entity, made any political contribution(s) totaling more than \$250 to any City Officer in the twelve (12) months preceding the date of the submission of your license, permit, or contract, or the anticipated date of any City Council, Board, or Commission consideration or action related to this license, permit, or contract?

YES ____ NO ____

If yes, please identify the City Officer(s): _____

2. Do you or your entity, or any agent on behalf of you or your entity, anticipate or plan to make any political contribution(s) totaling more than \$250 to any City Officer in the twelve (12) months following any City Council, Board, or Commission consideration or action related to this license, permit, or contract?

YES ____ NO ____

If yes, please identify the City Officer(s): _____

Answering yes to either of the two questions above does not preclude the City of Roseville from considering and/or taking action on a license, permit, or contract. It does, however, potentially preclude the identified City Officers from participating in consideration of and in taking any actions related to the license, permit, or contract. Please accurately complete and sign this form, under the penalty of perjury:

(Date)

(Printed Name/Title of Authorized Representative)

(Name of business/legal entity)

(Signature)

You must submit a supplemental form if you make any new reportable contribution(s) while the contract, license, permit, or other entitlement is being considered. If this form has not previously been submitted in connection with a contracting, licensing, entitlement or permitting process, please provide the completed form to the Office of the City Clerk for appropriate departmental routing, at: City Clerk, 311 Vernon St., Roseville, CA 95678, CityClerkRoseville@roseville.ca.us

LEVINE ACT DISCLOSURE STATEMENT

(The completed form submitted to the City of Roseville is a public record.)

Term	Definition	Law
Covered "proceedings"	A proceeding to grant, deny, revoke, restrict, or modify a license, permit or other entitlement for use, that does not solely involve purely ministerial decisions and is: (1) Applied for by the party; (2) Formally or informally requested by the party; or (3) A contract between the agency and the party or a franchisee granted by the agency to the party, other than a contract that is competitively bid , a labor contract , or a personal employment contract .	FPPC Reg 18438.2(a)
Party	Any person who files an application for, or is the subject of, a proceeding involving a license, permit, or other entitlement for use.	Gov. Code 84308(a)(1)
Participant	Any person who is not a party but who actively supports or opposes a particular decision in a proceeding involving a license, permit, or other entitlement for use and who has a financial interest in the decision. A person actively supports or opposes a particular decision in a proceeding if that person lobbies in person the officers or employees of the agency, testifies in person before the agency, or otherwise acts to influence officers of the agency.	Gov. Code 84308(a)(2) FPPC Reg 18438.4
Agent	A person who represents a party or participant for compensation and appears before or otherwise communicates with the governmental agency for the purpose of influencing the pending proceeding. See FPPC Reg 18438.3 for exceptions for certain consultants.	FPPC Reg 18438.3
Competitively Bid	A contract required by law to be awarded to the lowest responsible bidder with a responsive bid, or, if the successful bidder refuses or fails to execute the contract, to the next lowest bidder with a responsive bid.	FPPC Reg 18438.2(a)(3)(A)
Labor Contract	A contract or agreement reached through collective bargaining or with a representative group regarding the salary, benefits, or terms and conditions under an employment or retirement policy for employees or retirees, including a project labor agreement entered under Public Contract Code Section 2500.	FPPC Reg 18438.2(a)(3)(B)

Personal Employment Contract	A contract for employment, including the terms and conditions of employment, between the agency and an agency employee. A contract with an independent contractor is NOT a personal employment contract.	FPPC Reg 18438.2(a)(3)(C)-(D)
-------------------------------------	--	---

A **party** to a proceeding before an agency involving a license, permit, or other entitlement for use **shall disclose on the record of the proceeding** any contribution in an amount of more than two hundred fifty dollars (\$250) made within the preceding 12 months by the party or the party's agent.

A **party, or agent to a party**, to a proceeding involving a license, permit, or other entitlement for use pending before any agency or a participant, or agent to a participant, in the proceeding **shall not make a contribution** of more than two hundred fifty dollars (\$250) to any officer of that agency during the proceeding and for 12 months following the date a final decision is rendered by the agency in the proceeding.

(Gov. Code, § 84308, emphasis added.)

**NONCOLLUSION DECLARATION TO BE EXECUTED BY
BIDDER AND SUBMITTED WITH BID**

The undersigned declares:

I am the _____ of _____, the party making the foregoing bid.

The bid is not made in the interest of, or on behalf of, any undisclosed person, partnership, company, association, organization, or corporation. The bid is genuine and not collusive or sham. The bidder has not directly or indirectly induced or solicited any other bidder to put in a false or sham bid. The bidder has not directly or indirectly colluded, conspired, connived, or agreed with any bidder or anyone else to put in a sham bid, or to refrain from bidding. The bidder has not in any manner, directly or indirectly, sought by agreement, communication, or conference with anyone to fix the bid price of the bidder or any other bidder, or to fix any overhead, profit, or cost element of the bid price, or of that of any other bidder. All statements contained in the bid are true. The bidder has not, directly or indirectly, submitted his or her bid price or any breakdown thereof, or the contents thereof, or divulged information or data relative thereto, to any corporation, partnership, company, association, organization, bid depository, or to any member or agent thereof, to effectuate a collusive or sham bid, and has not paid, and will not pay, any person or entity for such purpose.

Any person executing this declaration on behalf of a bidder that is a corporation, partnership, joint venture, limited liability company, limited liability partnership, or any other entity, hereby represents that he or she has full power to execute, and does execute, this declaration on behalf of the bidder.

I declare under penalty of perjury under the laws of the State of California that the foregoing is true and correct and that this declaration is executed on _____ [date], at _____ [city], _____ [state].

This Contract Purchase Agreement is sent for your review and acceptance. Notify the Buyer via email of any needed changes to the company name, address, and contact information. The Buyer will update the agreement prior to you signing the document.

Return signed copies of the agreement to the Buyer noted on the agreement. Alterations or modifications to the agreement are not allowed. Upon receipt of all necessary documents, the City will sign the agreement and return a fully executed copy to you. Receipt of the signed copy will be your notice to proceed with the work in accordance with the terms and conditions of the agreement. Work must not begin until the contract has been fully executed.

The following guidelines must be followed for the signature block on the agreement:

Sole proprietorship - **By owner**

Partnership - **Any general partner**

Corporation - **Two options:**

(1) A signature from the President and the corporate seal; **OR**

(2) One signature from the Chairman of the Board, President, or any Vice President **AND** one signature from the Secretary, any Assistant Secretary, Chief Financial Officer, or any Treasurer or Assistant Treasurer of the corporation

*General Manager, Office Manager and/or Sales Manager are **not** corporate officer titles. The agreement will be rejected if not signed in accordance with these guidelines.

Insurance requirements:

The City's insurance requirements are referenced on Attachment A of the agreement. By signing the agreement, you are confirming that your company has the minimum insurance limits required.

Contract Terms and Conditions

1. To the fullest extent allowed by law, Contractor shall defend, indemnify, and save and hold harmless the City, its officers, agents, employees and volunteers from any claims, suits or actions of every name, kind and description brought forth, or on account of, injuries to or death of any person (including but not limited to workers and the public), or damage to property, resulting from or arising out of Contractor's willful misconduct or negligent act or omission while engaged in the performance of obligations or exercise of rights created by this Agreement, except those matters arising from City's sole or active negligence or willful misconduct. The parties intend that this provision shall be broadly construed. Contractor's responsibility for such defense and indemnity obligations shall survive the termination or completion of this Agreement for the full period of time allowed by law. The defense and indemnity obligations of this Agreement are undertaken in addition to, and shall not in any way be limited by, the insurance obligations contained in this Agreement.
2. Contractor is an independent contractor, and shall not be considered an officer, agent or employee of the City.
3. Without the written consent of the City, this Agreement is not assignable by Contractor either in whole or in part.
4. Time is of the essence of this Agreement.
5. At any time during the term of this Agreement, the City has the right to terminate this Agreement, provided Contractor is given thirty (30) days written notice. City's termination shall be without further liability to City; however, Contractor shall be entitled to all costs reasonably incurred prior to the date of termination. Contractor acknowledges that City may terminate this Agreement should funds not be appropriated by its governing body to continue services under this Agreement.
6. This Agreement may only be amended or modified in writing. It is integrated and contains the complete understanding of the parties.
7. All equipment, supplies and services sold to the City of Roseville shall conform to the general safety orders of the State of California.
8. Unless notified to the contrary, in writing, the City assumes that the Contractor has accepted the work in accordance with the plans and specifications (if any) and agrees to do the work in compliance with this Agreement.
9. All prevailing wages and fair employment practices must be adhered to. For prevailing wage contracts over \$25,000, copies of certified payroll must be submitted with invoices. Prevailing wage rates may be obtained from the State Department of Industrial Relations and/or the following website address: <http://www.dir.ca.gov/dlsr/DPreWageDetermination.htm>. In compliance with Labor Code Section 1773.2, as may be amended from time to time, Contractor shall cause a copy of this website to be posted at each jobsite, as applicable.
10. Contractor agrees to the below insurance requirements:
 - a. Unless otherwise specified, the Contractor shall maintain the policies of insurance outlined in Attachment A, incorporated herein by this reference, in full force and effect during the term of this Agreement. The City of Roseville retains sole discretion in determining the types and proper levels of insurance coverage.
 - b. Form. Contractor shall submit a certificate evidencing such coverage for the period covered by this Agreement in a form satisfactory to Risk Management and the City Attorney, prior to undertaking any work hereunder. Any insurance written on a claims made basis is subject to the approval of Risk Management

and the City Attorney.

- c. Additional Insureds. Contractor shall also provide a separate endorsement or section of the policy showing City, its officers, agents, employees, and volunteers as additional insureds for each type of coverage (except Workers' Compensation) and for ongoing and completed operations. Such insurance shall specifically cover the contractual liability of Contractor. The additional insured coverage under the Contractor's policy shall be primary and noncontributory, as evidenced by a separate endorsement or section of the policy, and shall not seek contribution from City's insurance or self-insurance. In addition, the additional insured coverage shall be at least as broad as the Insurance Services Office (ISO) CG 20 01 Endorsement. Any available insurance proceeds in excess of the specified minimum insurance coverage requirements and limits shall be available to the additional insureds. Furthermore, the requirements for coverage and limits shall be:
 - (1) the minimum coverage and limits specified in this Agreement; or
 - (2) the full coverage and maximum limits of any insurance proceeds available to the named insureds, whichever is greater.
- d. Cancellation/Modification. Contractor shall provide thirty (30) days written notice to City prior to cancellation or modification of any insurance required by this Agreement.
- e. Umbrella/Excess Insurance. The limits of insurance required in this Agreement may be satisfied by a combination of primary and excess insurance. Any excess insurance shall contain or be endorsed to contain a provision that such coverage shall also apply on a primary and noncontributory basis for the benefit of City (if agreed to in a written contract) before City's own insurance shall be called upon to protect it as a named insured.
- f. Subcontractors. Contractor agrees to include in its contracts with all subcontractors the same requirements and provisions of this Agreement, including the indemnity and insurance requirements, to the extent they apply to the scope of the subcontractor's work. Furthermore, Contractor shall require its subcontractors to agree to be bound to Contractor and City in the same manner and to the same extent as Contractor is bound to City under this Agreement. Additionally, Contractor shall obligate its subcontractors to comply with these same provisions with respect to any tertiary subcontractor, regardless of tier. A copy of City's indemnity and insurance provisions will be furnished to the subcontractor or tertiary subcontractor upon request.
- g. Self-Insured Retentions. All self-insured retentions (SIR) must be disclosed to Risk Management for approval and shall not reduce the limits of liability. Policies containing any SIR provision shall provide or be endorsed to provide that the SIR may be satisfied by either the named insured or City. City reserves the right to obtain a full certified copy of any insurance policy and endorsements. The failure to exercise this right shall not constitute a waiver of such right.
- h. Waiver of Subrogation. Contractor hereby agrees to waive subrogation which any insurer of Contractor may acquire from Contractor by virtue of the payment of any loss under a Workers Compensation, Commercial General Liability or Automobile Liability policy. All Workers Compensation, Commercial General Liability and Automobile Liability policies shall be endorsed with a waiver of subrogation in favor of City, its officers, agents, employees and volunteers for all work performed by Contractor, its employees, agents and subcontractors.
- i. Liability/Remedies. Insurance coverage in the minimum amounts set forth herein shall not be construed to relieve Contractor of liability in excess of such coverage, nor shall it preclude City from taking such other actions as are available to it under any other provisions of this Agreement or law.

11. Contractor shall comply with all federal, state and local laws and ordinances, including but not limited to the City's storm water regulations, as may be applicable to the performance of services under this Agreement. Failure to comply with local ordinances may result in monetary fines and cancellation of this Agreement. Refer to www.roseville.ca.us/stormwater for links to more information on the City's storm water regulations.
12. In the event that the terms of any attachment or exhibit conflict with any terms of this Agreement, the terms of this Agreement shall control.
13. This Agreement may be executed in one or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument. In the event that any signature is delivered by facsimile transmission or by e-mail delivery of a ".pdf" format data file, such signature shall create a valid and binding obligation of the party executing (or on whose behalf such signature is executed) with the same force and effect as if such facsimile or ".pdf" signature page were an original thereof.
14. If either party commences any legal action against the other party arising out of this Agreement or the performance thereof, the prevailing party in such action shall be entitled to recover its reasonable litigation expenses, including but not limited to, court costs, expert witness fees, discovery expenses, and attorneys' fees. Any action arising out of this Agreement shall be brought in Placer County, California, regardless of where else venue may lie. This Agreement shall be governed by and construed in accordance with the laws of the State of California.
15. This Agreement shall be binding upon the heirs, successors, executors, administrators and assigns of the respective parties hereto.
16. If any of the provisions contained in this Agreement are for any reason held invalid or unenforceable, such holding shall not affect the remaining provisions or the validity and enforceability of the Agreement as a whole.
17. For purposes of this Agreement, the terms "Contractor," "Consultant," and "Supplier" are used interchangeably.
18. No contractor or subcontractor may work on a public works project unless registered with the Department of Industrial Relations pursuant to Labor Code section 1725.5. During the performance of this agreement, Contractor and its subcontractors shall have a continuing legal obligation to maintain current registration with the Department of Industrial Relations. Contractor is hereby notified that this project is subject to compliance monitoring and enforcement by the Department of Industrial Relations.
19. Vehicles with a gross vehicle weight rating (GVWR) greater than 8,500 lbs. and light-duty package delivery vehicles operated in California may be subject to the California Air Resources Board (CARB) Advanced Clean Fleets regulations. Such vehicles may therefore be subject to requirements to reduce emissions and air pollutants. For more information, visit the CARB Advanced Clean Fleet webpage at <https://ww2.arb.ca.gov/our-work/programs/advanced-clean-fleets>.
20. Contractor/consultant's duties and services under this agreement shall not include preparing or assisting the public entity with any portion of the public entity's preparation of a request for proposals, request for qualifications, or any other solicitation regarding a subsequent or additional contract with the public entity. The public entity entering this agreement shall at all times retain responsibility for public contracting, including with respect to any subsequent phase of this project. Contractor/consultant's participation in the planning, discussions, or drawing of project plans or specifications, if any, shall be limited to conceptual, preliminary, or initial plans or specifications. Contractor/consultant shall cooperate with the public entity to ensure that all bidders for a subsequent contract on any subsequent phase of this project have access to the same information, including all conceptual, preliminary, or initial plans or specifications prepared by contractor pursuant to this agreement.
21. Contractor must submit all claims as defined in and in accordance with the claim

resolution process set forth in Section 9204 of the Public Contract Code. Each such claim must be sent to the City by registered mail or certified mail with return receipt requested and must contain reasonable documentation to support the claim. All claims must be received prior to acceptance of the work.

22. Contractor certifies that Contractor, its employees, directors, officers, agents, subcontractors, vendors, and volunteers are not presently debarred, excluded, suspended, declared ineligible, voluntarily excluded, or proposed for debarment, exclusion, suspension or ineligibility by any federal, state, or local department or agency.
23. This Agreement may be amended via change order, but only if such change order is made in writing, approved by the City, and signed by both parties.
24. CONTRACTOR agrees to defend and indemnify CITY if, despite the parties intent and practice, any venue, agency, or court with competent jurisdiction determines that CONTRACTOR and/or any of its agents, officers, employees, volunteers, independent contractors, or subcontractors, are characterized as employee(s) of CITY.

CONTRACTOR and CITY agree that: (a) CONTRACTOR is free from the control and direction of CITY in connection with the performance of the work; (b) CONTRACTOR is providing services directly to CITY; (c) CONTRACTOR has and will maintain at all relevant times a business license; (d) CONTRACTOR maintains a business location that is separate from CITY; (e) CONTRACTOR is customarily engaged in an independently established business of the same nature as that involved in the work performed hereunder; (f) CONTRACTOR actually contracts with other businesses to provide the same or similar services and maintains a clientele without restrictions from CITY; (g) CONTRACTOR advertises and holds itself out to the public as available to provide the same or similar services; (h) CONTRACTOR provides its own tools, vehicles, and equipment to perform the services; (i) CONTRACTOR has negotiated its own rates; (j) CONTRACTOR set its own hours and location of work in accomplishing CITY's on-call needs; and (k) CONTRACTOR has the right to control the manner and means of accomplishing the result desired and exercises its own expert independent judgement.

The supplier named hereon by the acceptance of this order agrees to the provisions of this document titled "Contract Purchase Agreement" and all accompanying terms, conditions, and attachments.

Insurance Submission Process

The City of Roseville Human Resources/Risk Management Department uses a service called EBIX to manage our insurance certificate tracking.

How It Works

- The vendor's contact information is entered into EBIX. EBIX will contact the vendor to request proof of insurance.
- The Vendor can forward the request to their Insurance Agent(s) if necessary.
- Vendor/Insurance Agent submits insurance to EBIX by email to roseville@ebix.com or by fax to (770) 325-5727. After faxing or emailing the certificate, please DO NOT send the certificate by mail to EBIX. Please do not mail, email or fax any certificates to the City of Roseville.
- Once submitted, EBIX reviews the insurance documentation. If there are deficiencies, EBIX will send a follow up letter or email requesting additional information.

Questions Regarding Insurance Submission: Contact EBIX at (951) 652-4239

Questions Regarding Insurance Requirements Contact Risk Management at (916) 774-5202

Asbestos-Containing Materials in City-Owned Buildings

California Health and Safety Code Section 25915 requires that all City of Roseville employees, contractors and lessees be notified annually of the presence of asbestos in City-owned buildings constructed prior to 1979. Please post this notice in an area(s) accessible to all employees, contractors and lessees. Contact Facility Maintenance & Operations at (916) 774-5740 for more information about Asbestos Containing Materials (ACMs) in specific City-owned buildings. For more information about asbestos refer to the OSHA website.

The City of Roseville is committed to maintaining a safe and healthy work environment. The City's Facility Maintenance & Operations staff conducts ongoing inspections to identify and safely manage previously installed asbestos-containing products. Renovation of City-owned buildings **MUST** be reviewed in advance by Facility Maintenance & Operations to ensure the City is in compliance with building codes, Americans with Disabilities Act and that no ACMs are disturbed without proper safeguards. Work that requires removal or repair of ACMs is restricted to trained and qualified persons only. **Facility Maintenance & Operations will need to approve the qualified contractors.**

Use the following measures to protect you and others from exposure to airborne asbestos:

- Presume all building materials contain asbestos until determined otherwise by Facility Maintenance & Operations.
- Do not install walls, closets, cabinets, ceilings.
- Do not remove, cut, drill, sand, grind or otherwise disturb any material in the buildings, including carpet and tile.
- Do not paint (this includes any walls, ceilings, floors and electrostatic painting of office furniture).
- Do not remove any items nailed or screwed to the walls (this includes pictures, cabinets, electrical, etc.).
- Do not go above ceilings, behind walls or into building spaces such as attics and crawlspaces unless these areas have been inspected and cleared by Facility Maintenance & Operations.
- Do not pull cable or wiring through above-ceiling spaces with asbestos.
- Do not install screws, pins, nails or hangers into asbestos ceiling or wall plaster.
- Be careful not to damage walls, ceilings or floors when moving furniture or equipment. It is recommended that Facility Maintenance & Operations be contacted prior to moving furniture or equipment.
- Do not brush, sweep or vacuum textured asbestos ceiling plaster or plaster debris.
- Immediately report any damage or deterioration of suspect building materials to Facility Maintenance & Operations or Risk Management.

It is important to note that the presence of asbestos does not mean you have been exposed. Exposure results when friable asbestos particles are inhaled or ingested. Asbestos becomes friable when material containing asbestos is drilled, sanded or disturbed by remodeling or demolition work or when the ACM has deteriorated. Intact, bonded, sealed or undisturbed asbestos does not pose a hazard.

Employees may review the asbestos survey reports, results of bulk sampling or air monitoring conducted in City-owned buildings. All asbestos data will be available by appointment with Facility Maintenance & Operations.

Cost Proposal Bid Sheet--Routine Work Add Alternate

Parks Add Alternate

Provide cost for all parks listed based on assigned Service Level. Please refer to the Parks & Landscape Standards (Exhibit A) and Service Levels in the REP for details. Additionally, provide add alternate costs for each column per the description below and refer to the Parks & Landscape Service Levels as needed.
 Add Alternative #1: Pruning shall include shearing shrub hedges alongs walls, tree limb pruning to ensure 8' height clearance over sidewalks and 14.6' height over roads, and trimming of groundcover at hardscape edges.
 Add Alternative #2: Irrigation shall include routine irrigation checks and schedule adjustments.

Parks	Address	Square Footage of Turf	Bermuda	Square Footage of Landscaping	Service Level	Mow, Edge, Blow	AA- 1: Pruning	AA-2: Irrigation	Annual Cost
Bear Dog Park	1565 Pleasant Grove Blvd	30,133.00		38,525.00	3

RESOLUTION NO. 24-407

APPROVING A PARK AND LANDSCAPE MAINTENANCE SERVICES AGREEMENT,
BY AND BETWEEN THE CITY OF ROSEVILLE AND CAGWIN & DORWARD, AND
AUTHORIZING THE CITY MANAGER TO EXECUTE IT
ON BEHALF OF THE CITY OF ROSEVILLE

WHEREAS, a Park and Landscape Maintenance Services Agreement for Parks,
Recreation & Libraries, by and between the City of Roseville and Cagwin & Dorward, has been
reviewed by the Council; and

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Roseville that
said Agreement is hereby approved and that the City Manager is authorized to execute it on
behalf of the City of Roseville.

PASSED AND ADOPTED by the Council of the City of Roseville this ____ day of
_____, 20_, by the following vote on roll call:

AYES COUNCILMEMBERS:

NOES COUNCILMEMBERS:

ABSENT COUNCILMEMBERS:

MAYOR

ATTEST:

City Clerk

**PARK AND LANDSCAPE MAINTENANCE
SERVICES AGREEMENT**

Parks, Recreation & Libraries

THIS AGREEMENT is made and entered into this 8th day of November, 2024, by and between the City of Roseville, a municipal corporation ("CITY"), and Cagwin & Dorward, a California limited liability company ("CONTRACTOR"); and

W I T N E S S E T H:

WHEREAS, CITY issued a Request for Proposals (RFP) for Park and Landscape Maintenance Services; and

WHEREAS, CONTRACTOR has prepared a proposal dated July 11, 2024, which describes the scope of work to be performed by CONTRACTOR, the budget for the work, and the schedule for performance of the work; and

WHEREAS, CONTRACTOR is qualified and experienced to provide park and landscape maintenance services.

NOW, THEREFORE, the parties agree as follows:

1. Term. The initial term of this Agreement shall be four (4) years, commencing on January 1, 2025 and expiring on December 31, 2028. CITY may elect to extend the term, at its sole discretion, for up to three (3) additional two (2) year terms by giving written notice to CONTRACTOR no later than sixty (60) days before the initial or renewed term ends. If CITY

elects to extend the term, the compensation payable to CONTRACTOR under Sections 3 and 4 may be adjusted as set forth in this Agreement.

2. Services. CONTRACTOR shall perform, at the direction of City, the scope of services (“Work”) as described in EXHIBIT “A,” (CONTRACTOR’s Proposal) in accordance with the specifications set forth in EXHIBIT “B” (CITY’s Request for Proposals), both of which are attached hereto and incorporated herein by this reference, for the areas of responsibility highlighted in EXHIBIT “C” (CONTRACTOR’s Cost Proposal), also attached hereto and incorporated herein by this reference. CITY reserves the right to modify CONTRACTOR’s areas of responsibility in its sole discretion without amendment to this Agreement. In the event CITY exercises its option to modify CONTRACTOR’s areas of responsibility, CITY will provide notice to CONTRACTOR of the change(s) within five (5) business days.

3. Compensation. For its services provided hereunder, CONTRACTOR shall be compensated on a time and expense basis in accordance with the budget estimate as described in EXHIBIT “C.”. Compensation for the Work for the term of this Agreement shall not exceed ten million, seven hundred eighteen thousand, five hundred thirty-seven dollars (\$10,718,537) subject to adjustments for changes in the Work as may be directed in writing by CITY pursuant to Section 6. Compensation for changes in the Work for the term of this Agreement shall not exceed one million, seventy-one thousand, eight hundred fifty-four dollars (\$1,071,854). Total compensation for the entire Agreement shall not exceed eleven million, seven hundred ninety thousand, three hundred ninety-one dollars (\$11,790,391).

CONTRACTOR shall submit monthly invoices for its services. Invoices for monthly base bid services shall indicate the area, the contract line item, and the exact monthly amount. Invoices for “Extra Work” shall be delineated by task, the person performing the services, and

the hourly rate, which shall be stated in time increments of not greater than one-tenth (1/10) hours. CITY shall pay invoices within thirty (30) days after receipt, if the services specified in the invoice have been satisfactorily completed as outlined in Section 5 of this Agreement.

4. Annual Pricing Adjustments. CONTRACTOR agrees to perform the described Work and any additional work requested by CITY for the prices indicated in its proposal (EXHIBIT "C") and any markup stipulated in this Agreement, or as negotiated by CITY, for a period of eighteen (18) months. At the request of CONTRACTOR, CITY and CONTRACTOR will meet in January of each year to revise prices which will be effective for the next fiscal year (July 1 – June 30). This increase shall not exceed five percent (5%) in any one year, including any extensions in the term of this Agreement, unless the CITY agrees in writing to increase this amount due to unforeseen and uncontrollable circumstances including, but not limited to, fuel price increases, changes in workers' compensation rates, and prevailing wage changes. CITY also agrees to adjust payments to reflect changes in work quantities and to pay for new work assigned to CONTRACTOR at the contract rates then in effect. Adjustments to quantities may be requested by either party and is subject to field verification by CITY.

In the event CONTRACTOR and CITY cannot come to a mutually agreed upon annual price adjustment, this Agreement will continue at the current pricing for the remainder of the then current calendar year and will be considered mutually terminated on December 31 of such year.

5. Performance Based Payments.

5.1. CONTRACTOR shall make work sites accessible at all reasonable times for inspection by CITY. CITY will regularly inspect CONTRACTOR's work and rate it according to the maintenance standards and inspection criteria, attached as Exhibits A – H to

CITY's Request for Proposals (EXHIBIT "B"). CONTRACTOR will be paid for work rated as "meets standards." CONTRACTOR will not be paid for work rated as "below standard" until conditions improve and rate as "meet standards" if the below standard work is attributed to neglect on the part of CONTRACTOR. If an area does not meet CITY standards, it will be considered "below standard." CONTRACTOR will not be paid additional amounts for remedial work required to improve "below standard" areas if the below standard work is attributed to neglect on the part of CONTRACTOR. CITY staff will work closely with CONTRACTOR to achieve the results described in the standards and inspection criteria. However, responsibility for meeting standards rests with CONTRACTOR.

5.2. During the first three (3) months of this Agreement, CONTRACTOR will receive one hundred percent (100%) of the monthly contract payment as set forth in EXHIBIT "C." During this period, CONTRACTOR will inspect the sites at least monthly and will discuss inspections with CITY. Following this period, CONTRACTOR shall perform quality assurance inspections a minimum of every month, or more frequently if deemed necessary by the CONTRACTOR.

5.3. CONTRACTOR will provide electronic versions of the monthly inspections to CITY by the 10th of the following month as to each site's compliance with CITY standards. An action plan with deadlines must be provided to CITY to indicate when corrections will be made if an area is deemed "below standard." Failure to turn in inspections by the deadline will result in monthly payments being withheld until inspections are turned in.

5.4. CONTRACTOR agrees that CITY will suffer damages if any scheduled use, (including, but not limited to, special events or recreation programs) of CITY facilities are impacted by neglect on CONTRACTOR's part. Any costs associated with re-scheduling the

event/activity/program will be the responsibility of CONTRACTOR. Such costs include, but are not limited to, staffing costs (e.g., officials' salaries, part-time staff salaries, stand by salaries), light costs, costs associated with preparation of fields (e.g., dragging, watering and lining of fields), and mowing costs.

5.5. For any site that fails to meet CITY standards as a result of some action that is CONTRACTOR's responsibility, CONTRACTOR is to notify CITY immediately and develop a plan to bring the site into compliance as outlined in Section 5.3. Should CITY discover a site(s) that does not meet CITY standards, and CITY has not been notified by CONTRACTOR, CONTRACTOR will be put on notice in writing to bring the site back into compliance. The following penalty will result:

(a) The monthly payment for the specific site(s) will be withheld by CITY until the site is back in conformance with CITY standards.

(b) If conformance is reached within thirty (30) days of notice, CITY will release one hundred percent (100%) of the payment.

If CITY is required to send a notice to CONTRACTOR a second time at the same site within twelve (12) months of the initial notice, the following penalty will occur:

(a) CITY will withhold the monthly payment for the site. If conformance is reached within thirty (30) days of CITY's notice, CITY will release eighty percent (80%) of the payment, keeping twenty percent (20%) as a penalty.

If CONTRACTOR does not bring the site into conformance within thirty (30) days of CITY's notice, the following penalty will occur:

(a) CITY will keep the monthly payment as a penalty and withhold the next month's payment following the above-mentioned conditions until conformance is reached or this Agreement is terminated.

5.6. The parties will observe the following problem resolution process:

- (a) Written notice of the problem.
- (b) Field conference with inspector/CONTRACTOR's field representative to identify problem and agree on solution as presented by CONTRACTOR.
- (c) Conference between CITY's representative and CONTRACTOR's principal.
- (d) Imposition of penalties and/or correcting defect at CONTRACTOR's cost.
- (e) Termination of the Agreement.

6. Changes in Work.

6.1. CITY may, from time to time, request changes to this Agreement or the Work as provided in Section 4.2.32 of EXHIBIT "B". All such work shall be performed pursuant to the terms of this Agreement, unless specifically provided otherwise at the time the change is ordered. Requests for changes in work shall be made in writing by the applicable Parks Manager or their designee and shall describe in detail the proposed additions, deletions, or modifications to the Work. CONTRACTOR shall respond to such request in writing, with a statement of the costs, expenses, and time required to perform the requested work. Neither the CITY's request nor the CONTRACTOR's response shall constitute a modification of this Agreement. Any modification shall be contained in a written amendment to this Agreement signed by an authorized representative on behalf of CITY. CITY's execution of the amendment

shall constitute authorization to proceed with the changed work and will specify: (1) the work to be done in connection with the change to be made; (2) the amount of the adjustment of the contract price, if any, and the basis for compensation for the work ordered; and (3) the extent of the adjustment in the contract time, if any.

6.2. Except in the case of an emergency, CONTRACTOR shall make no changes in the Work or perform additional work without a written amendment to this Agreement. CONTRACTOR shall not be compensated for any work performed without any such written amendment. In no event shall CITY pay for additional work made necessary by CONTRACTOR's errors or oversights. In the case of an emergency and upon receipt of a written directive by the CITY's Parks Manager or their designee, CONTRACTOR shall proceed with the ordered work and CITY will prepare a written contract amendment as soon thereafter as practicable.

6.3. If CITY directs CONTRACTOR in writing to make changes in the Work that materially affect the cost of performing the Work, the contract price will be adjusted based on one or more of the following methods in the order of precedence listed below:

- (a) Unit price previously agreed upon in this Agreement.
- (b) An agreed lump sum.
- (c) CONTRACTOR's actual cost for labor, direct overhead, materials, supplies, equipment, and other services necessary to complete the extra work.
- (d) Reduction or addition of tasks and/or parcels.

6.4. Disagreement by CONTRACTOR with CITY's determination of the need for, or amount of, an adjustment in contract price or contract time associated with an approved

contract amendment, or disagreement by CONTRACTOR with CITY's determination that a change has not occurred and no contract amendment is needed, shall not, under any circumstances, relieve CONTRACTOR from its obligation to promptly begin and diligently complete the work, including the change, as described in the approved contract amendment.

6.5. In the event CONTRACTOR encounters any unanticipated conditions or contingencies that may affect the Work and would result in an adjustment in the amount of the contract, CONTRACTOR shall so advise CITY in writing immediately upon notice of such condition or contingency. The written notice shall explain the circumstances giving rise to the unforeseen condition or contingency and shall set forth the proposed adjustment in compensation resulting thereof. No adjustment in contract price will be made except by a written amendment to this Agreement.

7. Claims. If any dispute shall arise between CITY and CONTRACTOR regarding performance of the Work, or any alleged change in the Work, CONTRACTOR shall timely perform the disputed work and shall give written notice of a claim for additional compensation to CITY within ten (10) days after commencement of the disputed work. CONTRACTOR's failure to give written notice within the ten (10) day period constitutes an agreement by CONTRACTOR that it will receive no extra compensation for the disputed work.

8. Stop Notices. CITY may withhold payment under this Agreement pursuant to stop notices, if any, as required by law and CITY's Administrative Regulation 4.01.

9. Prevailing Wages. For purposes of this Agreement, CONTRACTOR and its Subcontractors shall comply with all applicable prevailing wage laws, e.g., but not limited to, California Labor Code Sections 1770 et seq. In accordance with said Section 1775, CONTRACTOR shall forfeit as a penalty to the City Two Hundred Dollars (\$200) for each

calendar day or portion thereof for each worker paid less than the prevailing rates for such work or craft in which such worker is employed for any work done on-Site under the Agreement by CONTRACTOR or by any Subcontractor in violation of the provisions of the Labor Code and in particular, Labor Code Sections 1770 to 1780, inclusive. In addition to said penalty and pursuant to said Section 1775, the difference between such stipulated prevailing wage rates and the amount paid to each worker for each calendar day or portion thereof for which each worker was paid less than the stipulated prevailing wage shall be paid to each worker by CONTRACTOR or the applicable Subcontractor.

Pursuant to the provisions of California Labor Code Sections 1773, the Public Works Department has identified the source, stated below, of the General Prevailing Rate of Wages applicable to the work to be done, for straight time, overtime, and holiday work. The holiday wage rate listed shall be applicable to all holidays recognized in the collective bargaining agreement of the particular craft, classification or type of worker concerned. These wage rates may be obtained from the State Department of Industrial Relations and/or the following website address: <http://www.dir.ca.gov/dlsr/DPreWageDetermination.htm>.

Pursuant to Labor Code Section 1773.2, General Prevailing Wage Rates set forth above, which forms a part of this Agreement, shall be posted by CONTRACTOR at a prominent place at the site. Prevailing wage rates to be posted at the site will be furnished by the Department. The possibility of wage increases is one of the elements to be considered by CONTRACTOR in determining its Proposal, and will not under any circumstances be considered as the basis of a claim against CITY or the Agreement.

10. Contractor Registration. No contractor or subcontractor may work on a public works project unless registered with the Department of Industrial Relations pursuant to Labor

Code section 1725.5. During the performance of this Contract, CONTRACTOR and its subcontractors shall have a continuing legal obligation to maintain current registration with the Department of Industrial Relations. CONTRACTOR is hereby notified that this Project is subject to compliance monitoring and enforcement by the Department of Industrial Relations.

11. Bonds. For all work under this Agreement, CONTRACTOR shall furnish and deliver to CITY a Faithful Performance Bond and a Labor and Materials Bond on CITY supplied forms issued by an admitted surety prior to, and as a condition precedent to, commencement of services. Such bond shall remain in effect during the entire term of this Agreement or may be renewed on an annual basis.

12. Licensing Laws. CONTRACTOR shall comply with all licensing laws as set forth in Exhibit B. CONTRACTOR shall be deemed in automatic and immediate breach of this Agreement for failure to comply with licensing laws.

13. Indemnification. To the fullest extent allowed by law, CONTRACTOR shall defend, indemnify, and save and hold harmless CITY, its officers, agents, employees and volunteers from any claims, suits or actions of every name, kind and description brought forth, or on account of, injuries to or death of any person (including but not limited to workers and the public), or damage to property, resulting from or arising out of CONTRACTOR 's willful misconduct or negligent act or omission while engaged in the performance of obligations or exercise of rights created by this Agreement, except those matters arising from CITY's sole negligence or willful misconduct. The parties intend that this provision shall be broadly construed.

CONTRACTOR's responsibility for such defense and indemnity obligations shall survive the termination or completion of this Agreement for the full period of time allowed by

law. The defense and indemnity obligations of this Agreement are undertaken in addition to, and shall not in any way be limited by, the insurance obligations contained in this Agreement.

14. Hazardous Chemicals and Wastes.

14.1. CONTRACTOR shall bear full and exclusive responsibility for any release of hazardous or non-hazardous chemicals or substances during the course of performance of this Agreement. CONTRACTOR shall immediately report any such release to CITY. CONTRACTOR shall be solely responsible for all claims and expenses associated with the response to, removal and remediation of the release, including, without limit, payment of any fines or penalties levied against CITY by any agency as a result of such release and shall hold harmless, indemnify and defend CITY from any claims arising from such release. For purposes of this section only, the term “claims” shall include: (i) all notices, orders, directives, administrative or judicial proceedings, fines, penalties, fees or charges imposed by any governmental agency with jurisdiction, and (ii) any claim, cause of action, or administrative or judicial proceeding brought against CITY, its officials, or employees, or for any loss, cost (including reasonable attorney’s fees), damage or liability, sustained or suffered by any person or entity, including CITY.

14.2. If the performance of the services outlined by this Agreement creates any hazardous wastes, those wastes shall be properly disposed of according to federal, state and local laws, at the expense of CONTRACTOR. CONTRACTOR shall dispose of the wastes under its own Environmental Protection Agency Generator Number. In no event shall CITY be identified as the generator. CONTRACTOR shall notify CITY of any such hazardous wastes and CITY reserves the right to a copy of the results of any tests conducted on the wastes and, at its cost, to perform additional tests or examine those wastes, prior to its disposition. CONTRACTOR shall

hold harmless, indemnify and defend CITY from any claims arising from the disposal of the hazardous wastes, regardless of the absence of negligence or other malfeasance by CONTRACTOR.

15. Insurance. CONTRACTOR agrees to continuously maintain, in full force and effect, the following minimum policies of insurance during the term of this Agreement.

<u>COVERAGE</u>	<u>LIMITS OF LIABILITY</u>
Workers' Compensation	Statutory
Commercial General Liability	\$1,000,000 each occurrence \$2,000,000 aggregate Personal Injury: \$1,000,000 each occurrence \$2,000,000 aggregate
Automobile Liability	\$1,000,000 combined single limit
Professional Liability (errors and omissions)	\$1,000,000 per claim \$2,000,000 aggregate

a. Form. CONTRACTOR shall submit a certificate evidencing such coverage for the period covered by this Agreement in a form satisfactory to Risk Management and the City Attorney, prior to undertaking any work hereunder. Any insurance written on a claims made basis is subject to the approval of Risk Management and the City Attorney.

b. Additional Insureds. CONTRACTOR shall also provide a separate endorsement form or section of the policy showing CITY, its officers, agents, employees and volunteers as additional insureds for each type of coverage, except for Workers' Compensation and Professional Liability. Such insurance shall specifically cover the contractual liability of CONTRACTOR. The additional insured coverage under CONTRACTOR's policy shall be primary and noncontributory, as evidenced by a separate endorsement or section of the policy,

and shall not seek contribution from CITY's insurance or self-insurance. In addition, the additional insured coverage shall be at least as broad as the Insurance Services Office ("ISO") CG 20 01 Endorsement. Any available insurance proceeds in excess of the specified minimum insurance coverage requirements and limits shall be available to the additional insureds. Furthermore, the requirements for coverage and limits shall be: (1) the minimum coverage and limits specified in this Agreement; or (2) the full coverage and maximum limits of any insurance proceeds available to the named insureds, whichever is greater.

c. Cancellation/Modification. CONTRACTOR shall provide ten (10) days written notice to CITY prior to cancellation or modification of any insurance required by this Agreement.

d. Umbrella/Excess Insurance. The limits of insurance required in this Agreement may be satisfied by a combination of primary and excess insurance. Any excess insurance shall contain or be endorsed to contain a provision that such coverage shall also apply on a primary and noncontributory basis for the benefit of CITY (if agreed to in a written contract) before CITY's own insurance shall be called upon to protect it as a named insured.

e. Subcontractors. CONTRACTOR agrees to include in its contracts with all subcontractors the same requirements and provisions of this Agreement, including the indemnity and insurance requirements, to the extent they apply to the scope of the subcontractor's work. Furthermore, CONTRACTOR shall require its subcontractors to agree to be bound to CONTRACTOR and CITY in the same manner and to the same extent as CONTRACTOR is bound to CITY under this Agreement. Additionally, CONTRACTOR shall obligate its subcontractors to comply with these same provisions with respect to any tertiary subcontractor,

regardless of tier. A copy of CITY's indemnity and insurance provisions will be furnished to the subcontractor or tertiary subcontractor upon request.

f. Self-Insured Retentions. All self-insured retentions ("SIR") must be disclosed to Risk Management for approval and shall not reduce the limits of liability. Policies containing any SIR provision shall provide or be endorsed to provide that the SIR may be satisfied by either the named insured or CITY. CITY reserves the right to obtain a full certified copy of any insurance policy and endorsements. The failure to exercise this right shall not constitute a waiver of such right.

g. Waiver of Subrogation. CONTRACTOR hereby agrees to waive subrogation which any insurer of CONTRACTOR may acquire from CONTRACTOR by virtue of the payment of any loss under a Workers Compensation, Commercial General Liability or Automobile Liability policy. All Workers Compensation, Commercial General Liability and Automobile Liability policies shall be endorsed with a waiver of subrogation in favor of CITY, its officers, agents, employees, and volunteers for all work performed by CONTRACTOR, its employees, agents and subcontractors.

h. Liability/Remedies. Insurance coverage in the minimum amounts set forth herein shall not be construed to relieve CONTRACTOR of liability in excess of such coverage, nor shall it preclude CITY from taking such other actions as are available to it under any other provisions of this Agreement or law.

CITY may withhold any payment under this Agreement at any time CONTRACTOR fails to comply with this section.

16. Risk of Loss. All loss or damage arising from any unforeseen obstruction or difficulties, either natural or artificial, which may be encountered in the execution of the Work,

or the furnishing of the supplies, materials, or equipment, or from any action of the elements prior to final written acceptance of the Work, or of the supplies, materials or equipment, or from any act or omission not authorized by this Agreement on the part of the CONTRACTOR or any agent or person employed by it, shall be sustained and borne solely by the CONTRACTOR.

17. Records/Audits.

17.1. CONTRACTOR and its subcontractors shall establish and maintain records pertaining to this Agreement. CONTRACTOR's and subcontractors' accounting systems shall conform to generally accepted accounting principles and all records shall provide a breakdown of total costs charged under this Agreement, including properly executed payrolls, time records, invoices and vouchers.

17.2. CONTRACTOR shall permit CITY and its authorized representatives to inspect and examine CONTRACTOR's books, records, accounts, and any and all data relevant to this Agreement at any reasonable time for the purpose of auditing and verifying statements, invoices, or bills submitted by CONTRACTOR pursuant to this Agreement and shall provide such assistance as may be reasonably required in the course of such inspection. CITY further reserves the right to examine and re-examine said books, records, accounts, and data during the three (3) year period following the termination of this Agreement. CONTRACTOR shall in no event dispose of, destroy, alter, or mutilate said books, records, accounts, and data in any manner whatever for this three-year period.

18. Time is of the Essence. Time is of the essence of this Agreement.

19. Compliance with Laws.

19.1. CONTRACTOR shall comply with all federal, state and local laws and ordinances as may be applicable to the performance of services under this Agreement.

CONTRACTOR shall, if requested by CITY, provide certification and evidence of such compliance.

19.2. CONTRACTOR must insure that employees and applicants for employment are not discriminated against on the basis of age, color, race, national origin, ancestry, religion, sex, sexual preference or marital status, and shall comply with the Americans with Disabilities Act.

20. Ability to Perform. CONTRACTOR agrees and represents that it has the time, ability and professional expertise to perform the services required under this Agreement.

21. Governing Agreement. In the event of any conflict between this Agreement and its EXHIBITS, the provisions of this Agreement shall govern. In the event of a conflict between EXHIBIT "A" and EXHIBIT "B," EXHIBIT "B" shall prevail. In the event of a conflict between EXHIBIT "A" and EXHIBIT "C," EXHIBIT "C" shall prevail.

22. Assignment. CONTRACTOR is employed to perform unique personal services. CONTRACTOR shall not assign this Agreement without the prior written consent of City. CONTRACTOR shall not employ or otherwise incur any obligation to pay other specialists or experts for services in connection with this Agreement, without prior written consent of CITY.

23. Independent Contractor. CONTRACTOR shall act as an independent contractor, and covenants and agrees that it will conduct itself consistent with such status, that it will neither hold itself out as, nor claim to be, an officer or employee of CITY by reason of this Agreement.

24. Representation and Warranties.

24.1. CONTRACTOR warrants that it has not employed or retained any company or person, other than a bona fide employee working for CONTRACTOR, to solicit or secure this Agreement, and that it has not paid or agreed to pay any company or person, other

than a bona fide employee, any fee, commission, percentage, brokerage fee, gift or any other consideration, contingent upon or resulting from the award or making of this Agreement. For breach or violation of this warranty, CITY shall have the right to terminate as void this Agreement, without liability, or, in its discretion, to deduct from the Agreement price or consideration, or otherwise recover, the full amount of such fee, commission, percentage, brokerage fee, gift or contingent fee.

24.2. CONTRACTOR covenants that neither it, nor any officer or principal of its firm, has, or shall acquire any interest, directly or indirectly, which would conflict in any manner with the interests of CITY or which would in any way affect CONTRACTOR's performance of Work under this Agreement. CONTRACTOR further covenants that in the performance of this Agreement, no person having any such interest shall be employed by it as an officer, employee, agent or subcontractor without the express written consent of CITY. CONTRACTOR agrees to at all times avoid conflicts of interest, or the appearance of any conflicts of interest, with the interests of CITY in the performance of this Agreement.

24.3. Contractor also warrants to CITY, its successors, and assigns that the title to the materials, supplies or equipment covered by this Agreement, when delivered to CITY or to its successors or assigns, is free from all liens and encumbrances. Furthermore, CONTRACTOR warrants that all materials, supplies and products furnished meet the requirements and conditions of this Agreement and are fit for the purposes intended.

25. Successors in Interest. This Agreement shall be binding upon the heirs, successors, executors, administrators and assigns of the respective parties hereto.

26. Termination of Agreement. CITY may terminate this Agreement without cause by giving CONTRACTOR thirty (30) days advance written notice. In the event of termination

through no fault of CONTRACTOR, CITY shall compensate CONTRACTOR for services performed as of the date of termination, upon the release to CITY of all documents, papers, maps, photos, drawings, and reports prepared hereunder, in any and all media or formats in which such materials have been created or are maintained. CONTRACTOR acknowledges that CITY may terminate this Agreement in its sole discretion should funds not be appropriated by its governing body to continue services under this Agreement. CONTRACTOR may terminate this Agreement without cause by giving CITY ninety (90) days advance written notice.

27. Attorney's Fees; Venue; Governing Law. If either party commences any legal action against the other party arising out of this Agreement or the performance thereof, the prevailing party in such action shall be entitled to recover its reasonable litigation expenses, including but not limited to, court costs, expert witness fees, discovery expenses, and attorneys' fees. Any action arising out of this Agreement shall be brought in Placer County, California, regardless of where else venue may lie. This Agreement shall be governed by and construed in accordance with the laws of the State of California.

28. Notices. Any notices to parties required by this Agreement shall be delivered personally or mailed, U.S. first class postage prepaid, addressed as follows:

CITY OF ROSEVILLE

Brian Castelluccio
Parks Manager
316 Vernon Street, Ste. 400
Roseville, CA 95678

CONTRACTOR

Zeke Sevier
Regional Vice President
P.O. Box 1600
Novato, CA 94948

Either party may amend its address for notice by giving notice to the other party in writing.

29. Severability. In the event that any covenant, condition or other provision of this Agreement is held to be invalid, void or illegal by any court of competent jurisdiction, the same

shall be deemed severable from the remainder of this Agreement and shall in no way affect, impair or invalidate any other covenant, condition or other provision of this Agreement.

30. Integrated Agreement. This is an integrated agreement and contains all of the terms, considerations, understanding and promises of the parties. It shall be read as a whole.

31. The Levine Act Disclosure. The Levine Act (Govt. Code, Section 84308) requires a Party (and its agent(s), if any) to a Proceeding before the City of Roseville that involves any action or consideration related to their contract, license, permit, or other entitlement for use, to disclose any campaign contributions made to CITY elected or appointed officers totaling more than \$250 within the twelve (12) months prior to the CITY decision and while a proceeding is pending, and includes certain prohibitions on contribution activity thereafter. If applicable campaign contributions have been made by CONSULTANT and/or its agent(s), CONSULTANT is responsible for compliance, including for its disclosure obligations, if any, as further described at

https://www.roseville.ca.us/government/departments/city_clerk/transparency/levine_act.”

IN WITNESS WHEREOF, the City of Roseville, a municipal corporation, has authorized the execution of this Agreement in duplicate by its City Manager and attested to by its City Clerk under the authority of Resolution No. _____, adopted by the Council of the City of Roseville on the ____ day of _____, 20__, and CONTRACTOR has caused this Agreement to be executed.

RE: RFP# 13-146 -Parks and Landscape Maintenance

Thank you for the opportunity to provide our landscape maintenance services proposal for the City of Roseville. Cagwin & Dorward has truly enjoyed working for the City of Roseville for the past 18 years and looks forward to continuing our relationship. We have worked hard to ensure your expectations are consistently being met and that our partnership is mutually beneficial and reflects an environment of teamwork and clarity.

Cagwin & Dorward will perform the services and adhere to the requirements described in this Parks and Landscape Maintenance RFP, including Addendum #1 issued on June 27, 2024, Addendum #2 issued on June 27, 2024 & Addendum #3 issued on June 28, 2024.

We appreciate your consideration and look forward to the possibility of continuing to serve the City of Roseville.

Respectfully submitted,

Zeke Sevier
Regional Vice President

PROPOSER'S CERTIFICATION

I hereby propose to furnish the goods or services specified in the Request for Proposals ("RFP"). I agree that my proposal will remain firm for a period of up to ninety (90) days in order to allow the City of Roseville ("City") adequate time to evaluate the qualifications submitted.

I have carefully examined the Request for Proposals and any other documents accompanying or made a part of this RFP. The information contained in this proposal is true and correct to the best of my knowledge and is signed under penalty of perjury under the laws of the State of California. I further certify that I am duly authorized to submit this proposal on behalf of the firm as its authorized agent and that the firm is ready, willing and able to perform if awarded the contract.

I further certify that this proposal is made without prior understanding, agreement, connection, discussion, or conspiracy with any other person, firm or corporation submitting a proposal for the same product or service; that this proposal is fair and made without outside control, collusion, fraud or illegal action; that no officer, employee or agent of the City or any other proposer is financially interested in said proposal; that no undue influence or pressure was used against or in concert with any officer, employee or agent of the City in connection with the award or terms of the contract that will be executed as a result of this RFP; and that the undersigned executed this Proposer's Certification with full knowledge and understanding of the matters therein contained and was duly authorized to do so.

“

“Good work - good price - available for emergencies - quality arborists - responsive and dedicated staff. I wish I had heard of them 10 years ago”

”

6.3 Firms Qualifications

Cagwin & Dorward is a full-service landscape contractor with over 550 employees dispatching out of twelve local service centers located throughout Northern California. From our Roseville branch we offer landscape maintenance, landscape construction, tree care and water management services, all managed and performed by in-house employees. All services described in this proposal will be performed by Cagwin & Dorward employees without the assistance of subcontractors.

Cagwin & Dorward was founded in 1955 by Tom Cagwin and Dave Dorward. Over the last 69 years, we have grown from a small, owner-operated construction company to a leader in the California landscaping industry with over 1,500 landscape maintenance accounts and \$70 Million in annual revenue. Our service region stretches from Sonoma County in the north, east through the Sacramento metropolitan area, and south through Merced and the Monterey Bay region. In 2021, Cagwin & Dorward was acquired by Sperber Landscape Companies. While maintaining local leadership and control, Cagwin & Dorward now has additional resources available through our partnership with Sperber Landscape Companies.

Certifications and Licenses Include:

- C-27 Landscape Contractors License
- A-General Engineering License
- C-61/D-49 Tree Service License
- QAL - Qualified Applicators License
- CLCA - Certified Water Managers
- ISA Certified Arborists

Cagwin & Dorward has the resources and experience to provide the necessary staffing, management, tools, equipment and expertise to perform all of the services outlined in the RFP scope and specifications. None of the work would be subcontracted. We are currently providing landscape maintenance service to the City of Roseville and therefore have a firm understanding of the staff and equipment required to provide landscape services to the entire City of Roseville. We have recently added key staff members to better accommodate the current contract. This includes bolstering our management team with additional leadership from Kurt Oberbruner, our Vice President of Operations, and significantly increasing our skilled labor positions and crews. Since March of this year, we have increased our field manpower by 30% and we intend to keep the current ratio of manpower throughout the year.

Cagwin & Dorward strives to be the employer of choice in the industry and has proven to earn that reputation. Over the past 5 years, the organization has grown from approximately 400 employees to over 550 employees. In the temperate climate of Northern California, our staffing levels remain steady throughout the year, providing our customers with continuity of service and the benefits that come from seasoned employees.

The Roseville Branch has experienced strong employee growth over this time period, constantly adding new, talented employees as the business grows. The branch has also retained the majority of its most valuable contributors and promoted several individuals to higher levels of leadership, even during the challenging post-COVID years.

Licenses & Certifications

Maintenance - Irrigation - Construction

6.3 Organization Chart

Experience & References

Placer County Parks

Matt Williams | Manager | 530-889-6808

C/O County of Placer

2815 2nd Street Auburn, CA 94583

Years on Property: 10+ years

In our 10+ years working with Placer County, our extensive experience includes providing high-quality landscape maintenance services, such as mowing, pruning, fertilizing, and weed control, to ensure the parks remain safe, clean, and aesthetically pleasing. We also manage and repair various irrigation systems to promote efficient water usage and healthy plant growth. Additionally, we estimate and execute extra work projects to enhance park features and amenities, adhering to Placer County's standards and requirements.

City of Lincoln

Scott Boynton | Manager | 916-434-3245

C/O The City of Lincoln

600 6th Street, Lincoln, CA 95648

Years on Property: 2 Years

Our company has successfully partnered with the City of Lincoln to provide comprehensive maintenance services across various city properties. Our work includes regular landscape maintenance, such as mowing, pruning, and weed control, ensuring that public spaces remain inviting and well-kept. We manage and repair irrigation systems to optimize water usage and maintain healthy plant life. Additionally, we handle and execute enhancement projects that align with the city's standards, contributing to the overall safety and aesthetic appeal of Lincoln's parks and public areas.

Stanly Ranch

Laura McIver | General Manager | 970-708-9979

C/O Auberge Resorts

200 Stanly Cross Road, Napa, CA, 94559

Years on Property: 3 Years

Our company has played a pivotal role in the maintenance and construction of the prestigious Stanly Ranch Resort. We provided comprehensive landscape maintenance services to ensure the resort grounds remained pristine and welcoming. This included regular mowing, pruning, fertilizing, and weed control. In addition to maintenance, we were integral in the construction phase, contributing to the development of lush gardens, walking paths, and other landscape features that enhance the resort's luxurious ambiance. Our work ensures that Stanly Ranch Resort offers a visually stunning and impeccably maintained environment for its guests.

Staffing Resources and Service Description

At Cagwin and Dorward, we are firm believers in the necessity for effective systems, exceptional employees, continuous improvement and constant learning. We regularly utilize tried and true performance and leadership practices with our teams, such as:

- PDCA (Plan Do Check Adjust)
- 4M (Measure, Monitor, Manage, Mentor)
- SMART Goal Setting (Specific, Measurable, Achievable, Realistic, Timed)
- DCOM (Direction, Competency, Opportunity, Motivation)
- SSIP Feedback (Specific, Sincere, Immediate, Personal).

Focused team and one-one-one collaboration, coupled with effective systems, policies and processes, are essential for managing our work and providing the highest degree of customer service.

In addition, and perhaps most importantly, we are firm believers in the importance of taking ownership of our work, holding ourselves and each other accountable for excellence, admitting and learning from our mistakes and making it right when errors occur. We consider every opportunity an honor and we are dedicated to upholding our company mission at all times: bring innovation to our work, honor our customers and fellow employees, enhance our communities and the environment safely. This is our mission every day.

Being an established organization for nearly 70 years, Cagwin and Dorward has developed and obtained the resources and methodologies required to provide each customer with an exceptional landscape experience. Our strategic planning models, strong industry partnerships and sound business practices enable us to source the facilities, equipment, supplies and personnel required to perform the work.

Our in-house recruiting department works closely with our office and field teams to actively recruit, hire and onboard new, skilled employees. Account Managers and Branch Managers work closely with Regional Vice Presidents to assess needs for employees and equipment, budget for resources accordingly, and obtain necessary resources in a timely manner.

Our office team uses innovative software, specifically designed for landscape maintenance, to effectively schedule and manage our crews. Morning dispatch meetings are held daily to ensure crews are clear on the tasks and plans for the day. Managers and Field Supervisors ensure that crews are working safely and productively by spending the day in the field observing and supporting their teams, documenting activities and communicating with City staff as needed. When crews and equipment are safely back in the yard at the end of the day, managers ensure all equipment is in proper functioning condition, assess the activities completed in the day, and tend to any remaining customer items.

Staffing Resources and Service Description

In our Roseville office location, we are able to safely store and maintain all of the equipment and supplies necessary to manage the City of Roseville contract. Through our partnerships with top industry suppliers and vendors throughout the country, we are able to procure any necessary piece of equipment, tool or safety item within a matter of days.

Clear communication between Supervisors, office staff and field team members is critical. Every Crew Leader has a company smart phone for communication with office staff as needed. Issues and incidents are reported immediately by field staff to their supervisor. Photographs are often utilized to clearly indicate the specific location, description and severity of the issue. Action plans are determined based on severity and plans are implemented within the appropriate timeframe. Managers verify that tasks have been completed according to plan by walking the area or video conferencing with the field through smart phones.

Effective collaboration between the Account Managers assigned to the contract, as well as Construction Managers, Tree Care Managers, Field Supervisors and Branch Managers is essential. These managers meet formally once per week to report out any currently open action items and schedules for the upcoming week. Any concerns and/or needs related to our people, customers and safety are also reviewed in detail. Staffing and work plans are developed by the managers and reviewed regularly to ensure we are following a consistent and systematic process to obtain the desired results for the contract.

Work schedules and project tracking sheets are prepared by the managers and delivered to the City weekly or monthly to ensure we are on track in all areas. Quality Assurance Inspections are also performed by managers to document and log our performance internally. Daily safe starts, weekly vehicle and equipment inspections and weekly tailgate meetings are performed to ensure our people, equipment and tools are all working in a safe manner. Crew Leader meetings are held monthly to discuss important topics around safety, productivity, communication and customer service.

Performance Evaluations are held with each employee at least annually and more frequently as needed or requested. We continuously ask our employees for feedback about how we can improve as a team. Open communication and collaboration is encouraged at all times. Through our Employee Engagement and Appreciation Program, we are able to recognize positive behavior and encourage our employees to feel safe, cared for and appreciated for their efforts. This program involves specific recognition for going above and beyond, working safely, communicating clearly and showing innovation in their work.

Our Human Resources department tracks employee retention, including performance feedback and suggestions for improving our workplace environment. We offer a comprehensive benefits package to all employees, including health, dental, vision, paid time off, paid vacation, 401(k), and a variety of free support services. We offer competitive wages and conduct annual wage reviews for every employee. We always strive to train, develop and promote from within whenever possible. Many of our senior field employees, managers and upper management staff have been with the company for 10+ years and have been promoted numerous times throughout their career at Cagwin & Dorward. We take great pride in developing our employees and seeing them grow in both technical and leadership roles.

Project Understanding

General Understanding:

Cagwin & Dorward has reviewed the information provided in the RFP and has extensive knowledge of the sites and requirements from many years of partnership with the City of Roseville. Our general understanding of the services are outlined below.

- Provide a consistent and systematic approach to effectively manage and enhance City parks, streets, facilities and schools
- Have a clear plan to provide sufficient resources for managing the contract (equipment, manpower, leadership) at all times
- Proactively identify and address issues within the landscape before they arise, including irrigation issues, signs of pests or disease, declining plant and tree health and weed control issues
- Consistently communicate work plans and schedules with City staff to ensure we are aligned on priorities and scope of work, and plan accordingly for every season. Implement those plans and communicate any deviations promptly.
- Provide consistent reporting of current activities, prune cycles, mowing schedules, irrigation system programming, irrigation system repairs, chemical applications, fertilizing and turf aeration, based on an agronomic calendar
- Maintain proper functionality of irrigation control systems throughout the City
- Manage and adjust irrigation schedules throughout the year to maintain optimal plant health and water conservation
- Demonstrate keen understanding and knowledge of central irrigation systems including Calsense and Motorola.
- Act as a resource to the City, being your eyes and ears on-site, proactively solving landscape issues before they become problems.

General Approach and Challenges

Cagwin & Dorward will consistently seek to improve our approach to managing the City contract. One challenge that we have faced recently is maintaining a consistent level of service throughout all districts due to turnover and lack of oversight from management and upper management. This has enabled some areas to fall short of the expectations laid out in the contract.

By evaluating the situation and revisiting our approach, we have identified several opportunities to improve our processes:

- Ensure all management staff has an extremely clear understanding of the scope and specifications for their areas
- Ensure field crews are consistently and properly trained on the tasks they have been assigned to perform
- Ensure management staff are providing all applicable reporting documents (quality assurance inspections, mow schedules, prune cycle schedules, seasonal service schedules, irrigation programming and system check schedules and an agronomic calendar of seasonal supplemental services such as fertilizing, aeration, pre-post emergent applications)
- Ensure internal scheduling aligns with the City's approved schedules
- Organize field staff to effectively fulfill contract service expectations by assigning additional specialists (spray, irrigation, etc.) to certain districts in accordance with the priority requirements and service levels of that area.
- Hold regular meetings with Cagwin & Dorward management staff to ensure our Landscape Construction and Tree Care teams are outfitted with the necessary resources to support our landscape maintenance teams
- Leadership walk sites regularly and check in with City representatives at least monthly to ensure quality and service meets or exceed expectations
- Establish regular meetings with City inspectors and staff to ensure:
 - Known issues are addressed quickly
 - New issues are brought to the attention of the City proactively
 - Projects and changing priorities can be reviewed to ensure alignment between City of Roseville staff and Cagwin & Dorward managers

Special Considerations for this Project:

As an active partner with the City, Cagwin & Dorward is committed to finding a solution to every issue that arises. We have outlined some specific items below.

Priorities

- Site Quality - Implement a new quality assurance program and require managers to conduct and document site quality checks at regular intervals
- Irrigation Management - Designate two teams of Irrigation Specialists: one team to focus on system checks, programming and communications, and a second team to focus on proactively identifying and repairing issues included in the contract.
- Irrigation Training - Collaborate with internal and City resources as well as outside consultants to obtain consistent training for our personnel
- Weed Prevention and Control - Assign one full-time Pest Control Operator (PCO) to each Account Manager. Designate one centrally-managed PCO responsible for pre & post emergent applications in the medians, streets and parks. Refine our annual pre-emergent program based on learnings from the last 2 years regarding liquid and granular products, application ratios and methodology
- Oversight and Leadership Support - Provide additional operational support from our VP of Operations and Senior Leadership team. Focus on continuous improvement methods, operational strategic planning, communication, manager and crew training and development, work plans, routing and labor management, irrigation management and weed control methodology

Firm's strengths and unique approaches:

- Historical Knowledge and Learning - Cagwin & Dorward has the advantage of historical information and experience with the COR contract. We have worked on the contract for nearly 2 decades and have employees who have been working with us since the beginning. More importantly, we have learned from our mistakes, and discovered from experience what is needed to be successful
- Maintenance Manpower - Our depth of manpower allows us to provide a complete landscape service without the use of sub-contractors. Our size also allows for flexibility. When employees are off, sick or on vacation, we have the staff available to cover missing shifts. This flexibility also allows us to crosstrain employees, providing more employees a deeper skillset and ultimately providing better service.
- Irrigation and Water Management Resources - Utilize our resources in water management, water usage budgeting and irrigation systems analysis
- Ancillary Support - Our Roseville yard employs a robust landscape construction and tree care operation that supports our maintenance team. Cagwin & Dorward (Roseville) currently employs 12-15 full time landscape construction employees, 3-4 fulltime tree care employees and almost 100 laborers & skilled tradesmen. Our ancillary crews support our maintenance operation with extra work and support to the landscape maintenance crews in routine maintenance. Our account managers can call on these departments for support or assistance at any time

Customer Service & Quality Assurance

Vision of Customer Service and Quality Assurance:

Our company is committed to delivering exceptional customer service and maintaining the highest quality standards in all our projects. We believe that superior customer service and rigorous quality assurance are fundamental to achieving long-term success and fostering positive relationships with our clients. Our vision is to exceed the expectations of the City of Roseville and its residents by providing reliable, responsive, and high-quality landscape maintenance services.

Steps to Ensure Exceptional Experience:

1. Comprehensive Training Program:

- All staff undergo extensive training that covers customer service best practices, technical skills, safety protocols, and company standards. This ensures that every team member is well-prepared to provide exceptional service.
- Regular refresher courses and continuous education programs keep staff updated on the latest industry trends and customer service techniques.

2. Clear Communication Channels:

- We establish clear communication channels between our team, the City of Roseville, and the public to ensure timely and effective communication.
- Dedicated account managers act as the primary point of contact, ensuring all inquiries and concerns are addressed promptly and professionally.

3. Proactive Issue Resolution:

- We empower our staff to take immediate action to resolve any issues that arise, ensuring minimal disruption to services.
- A robust feedback system allows for continuous improvement based on client and public input.
- Quality Control Methodology:
 - Regular Inspections and Audits: Our quality assurance team conducts regular inspections and audits of all sites to ensure compliance with the City of Roseville standards and our internal benchmarks.
 - Inspections are documented using detailed checklists and reports to track performance and identify areas for improvement.

4. Performance Metrics and KPIs:

- We use key performance indicators (KPIs) to measure the effectiveness of our services. These include response times, completion rates, customer satisfaction scores, and adherence to maintenance schedules.
- Monthly and quarterly reviews of these metrics help us identify trends and take corrective actions as needed.
- Corrective Action Plans: For any items not meeting the City of Roseville standards, we implement corrective action plans to address the issue promptly.
- These plans are documented and include specific steps, timelines, and responsible parties to ensure accountability and resolution.

By carefully selecting and responsibly applying chemicals based on weather, season and site conditions, our company ensures effective landscape management while adhering to the Department of Pesticide Regulation guidelines. Our approach emphasizes safety, environmental stewardship, and regulatory compliance, ensuring a sustainable and effective maintenance program for the City of Roseville.

Chemical List:

- Atrimmec- Plant Growth Regulator
- Cheetah Pro- Herbicide
- Lesco Dimension Turf and Ornamental Herbicide
- Dimension Ultra 40WP- Specialty Herbicide
- Florel -Growth Regulator
- Fusilade- Turf and Ornamental Herbicide
- Gallery 75 Dry Flowable – Specialty Herbicide
- Gallery SC- Specialty Herbicide
- Garlon 4 Ultra- Herbicide
- Lifeline- Herbicide
- Lontrel- Turf and Ornamental Herbicide
- Pendulum- Granular Turf and Ornamental Herbicide
- Pendulum Aqua Cap- Herbicide
- Prosecutor Pro max- Herbicide
- Roundup Pro Concentrate- Herbicide
- Roundup Promax- Herbicide
- Roundup Quick Pro- Herbicide
- Roundup Pro- Herbicide
- Sedge Hammer- Selective Herbicide
- Snapshot 2.5 TG- Specialty Herbicide
- Speed Zone Southern- Broadleaf Herbicide
- Site Pro- Dimension Plus Fertilizer- Specialty Herbicide
- Turflon Easter Ultra- Specialty Herbicide
- Merit F2- Insecticide

Compliance with Department of Pesticide Regulation:

- Certified Applicators: Ensure all chemical applications are performed by certified pesticide applicators who have completed required training and hold valid licenses.
- Proper Documentation: Maintain detailed records of all chemical applications, including the type of chemical used, application rates, areas treated, and weather conditions.
- Environmental Safety: Follow guidelines for safe handling, storage, and disposal of chemicals to prevent contamination of soil, water, and non-target organisms.
- Integrated Pest Management (IPM): Implement IPM practices to reduce reliance on chemical treatments, using them only as a last resort after considering mechanical, cultural, and biological control methods.
- Regular Audits and Training: Conduct regular audits to ensure compliance with regulatory standards and provide ongoing training to staff on safe application practices and regulatory updates.

Irrigation

Irrigation is undoubtedly one of the most, if not the most critical component of a successfully-maintained landscape. This is especially true in Roseville where the summers are hot and dry, with temperatures often exceeding 100 degrees for multiple days between June and September. The abundant shade trees, diverse planting and large amounts of recreational turf throughout the city are great assets that must be preserved and protected properly.

Being the current landscape contractor for the City of Roseville, we are very familiar with the irrigation systems throughout the city, including the central control systems. We are also keenly aware of the challenges that can occur when a system is not managed properly or when issues are not identified and mitigated quickly. We recognize that having the proper team, systems and processes in place is critical to the overall success of any landscape maintenance program.

Our qualified team of irrigators and water managers are trained and equipped to ensure that all irrigation systems, including the Motorola and Calsense systems, are operating efficiently. Our goal is always to ensure that the systems are functioning properly, while proactively making improvements or repairs as needed to prevent potential issues before they arise and optimize water efficiency for the plant material being irrigated.

We will utilize a team of certified water managers to oversee and manage the irrigation systems in collaboration with the city's water management specialists. We will also utilize a team of Irrigation Specialists devoted full-time to observing, testing and maintaining the systems in the field. System maintenance includes a variety of tasks, such as cleaning filters, checking the system for worn parts or coverage issues, and replacing, relocating or adding parts as necessary to ensure a safe and efficiently functioning system.

Irrigation

Our proactive approach to water management and water conservation involves routine system checks and controller adjustments at specific intervals throughout the year. Our system checks include a thorough inspection of the system and its operating functionality. Our findings are captured clearly in the field, then transferred to a computer software program that will ensure the necessary repairs are accurately identified, implemented and logged. Irrigation controller schedules are reviewed and adjusted throughout the year based on the season. These seasonal watering frequency and duration adjustments take into consideration seasonal climate, soil, slope, plant and irrigation system conditions in order to most accurately and efficiently irrigate the associated planting area.

Timely responsiveness to issues is also a key component of our strategic approach to irrigation. When issues do arise, we will bring them to the City's attention and see that the necessary repairs are addressed within the required 30-day or 24-hour period, depending on the situation. Malfunctioning controllers, including communication errors, will be communicated to the City immediately.

Documentation and communication between our managers and the city is also a critical component to the successful management of irrigation systems. Documentation and maps of system components such as controllers, control valves and irrigation zones will be kept on file and updated as necessary. Response to issues raised by the City will be timely and efficient. Regular communication by managers shall include written updates and reports as outlined in the scope of work in addition to continuous collaboration with the City Technician. We appreciate the support of the City Technicians with regard to troubleshooting, identifying and solving complex challenges.

Lastly, we will ensure that our technicians and managers receive the ongoing training necessary to continuously improve their skills and knowledge. We recognize that technical and practical knowledge of irrigation systems and specific plant needs is extremely vast, and we are constantly learning. In past discussions with the City, we have identified the opportunity for more training and we are currently making this a priority company-wide. All of our Irrigation Technicians are currently being evaluated based on their knowledge of irrigation systems and their ability to perform various tasks. We have developed specific training modules that will be implemented throughout the year in small groups based on their greatest need. Training topics include Irrigation Repairs, Scheduling and Programming, 2-Wire Systems, ET Controllers, Central Control Systems, and many others. We also have partnerships and training programs associated with several irrigation Organizations such as Irrigation Association, QWEL and CLCA. We look forward to collaborating and developing specific training programs with the City as well!

Our company takes damage and theft claims from the public very seriously and has a structured process to ensure all claims are handled efficiently, fairly, and in a timely manner. As soon as a claim is reported, our customer service team acknowledges receipt within 24 hours, providing a reference number and outlining the next steps in the process. A dedicated claims manager is assigned to each case, acting as the main point of contact for the claimant throughout the resolution process. The claims manager collects all relevant information from the claimant, including detailed descriptions, photographs, and any supporting documentation related to the damage or theft. If necessary, a site inspection is conducted to assess the extent of the damage or verify the theft claim. This inspection is performed by a qualified staff member who documents their findings thoroughly.

The claims manager coordinates with our operations and legal teams to determine the extent of our responsibility and evaluate the claim's validity. Interviews with staff members who were present at the time of the incident may be conducted to gather additional insights and perspectives. Depending on the nature of the claim, we offer appropriate compensation or arrange for repairs. If the claim involves theft, we work closely with law enforcement and insurance companies to address the issue. The claimant is provided with a written explanation of our findings and the proposed resolution, including a detailed breakdown of the steps we will take to address their claim.

We prioritize swift action to resolve claims, aiming to complete the entire process within 30 days. For more complex cases, regular updates are provided to the claimant to keep them informed of the progress. The claims manager monitors the implementation of the resolution plan to ensure that repairs are completed or compensation is processed promptly. After resolving the claim, we follow up with the claimant to ensure their satisfaction with the outcome and address any remaining concerns. We actively seek feedback on the claims process to identify areas for improvement and to enhance our customer service practices.

To minimize the risk of damage or theft occurring in the first place, we conduct regular training sessions for our staff on best practices for handling equipment, securing sites, and interacting with the public. We continually review and update our policies and procedures based on feedback and lessons learned from past claims to prevent recurrence. Our company is committed to handling damage and theft claims from the public with the utmost care and professionalism. Through prompt acknowledgement, thorough investigation, timely resolution, and continuous improvement, we ensure that claims are managed effectively and to the satisfaction of the affected parties. Our structured process reflects our dedication to accountability, transparency, and excellence in customer service.

Billing and Invoicing

Cagwin & Dorward has a proven track record of successfully managing billing and invoicing for the City of Roseville, adhering to their specific policies and billing instructions. We understand the importance of submitting bills and invoices in a timely manner, and ensuring they meet the City's accounting requirements.

Our invoices consistently include all necessary details, such as the district or general fund area name, designation as a Park, Landscape, or Facility, the Purchase Order Service Agreement number, Purchase Order Service Agreement line number, and the monthly cost or individual amount for specific work. Additionally, our "Extra Work" invoices provide a comprehensive description of the work performed within a district or general fund area, as outlined in the City's requirements. Our Accounting Staff has an excellent working relationship with the City Finance team. They work collaboratively to resolve any billing questions that may arise.

We are familiar with the sample invoices provided in Exhibits D and E, which illustrate the variety of districts, contracts, and account information required. We are committed to maintaining this high standard of accuracy and detail in our billing practices. Should there be any updates or changes in the City's invoicing requirements, we are fully prepared to adapt our processes accordingly to continue meeting the City's needs efficiently and effectively.

Required Statements & Documents

- 1. Non-Substitution for Designated Team Members:** We assure that no substitution of designated team members will occur without prior approval by City staff, in strict adherence to Section 5.0 of the proposal requirements. Our team composition is carefully selected to meet the specified qualifications and expertise outlined in our proposal, ensuring continuity and quality in service delivery.
- 2. Absence of Conflict of Interest:** We affirm that there is no conflict of interest that would compromise our ability to fulfill the terms of the contract, as stipulated in Section 10.4. Our company maintains rigorous internal policies and procedures to identify and mitigate potential conflicts of interest, ensuring transparency and ethical conduct in all business dealings with the City of Roseville.
- 3. Indemnification and Insurance Requirements:** We confirm our ability and commitment to fulfill the indemnification and insurance requirements outlined in the sample contract, as detailed in Section 10.7. Our company maintains comprehensive insurance coverage that meets or exceeds the City's requirements, providing adequate protection against liabilities and risks associated with our services. While actual certificates of insurance are not required with this submittal, we are prepared to provide them upon request and prior to contract execution.
- 4. Non-Proprietary Submission:** We certify that nothing contained in our submitted proposal will be proprietary under Section 10.23. We understand and respect the City of Roseville's need for transparency and openness in evaluating proposals, and we commit to providing information that can be freely evaluated and considered in the review process.

Documents Submitted with Proposal:

- 1. Proof of Registration with California Secretary of State:** We have attached proof of our registration with the California Secretary of State, demonstrating our compliance with state regulations. This registration ensures our legal standing to operate and enter into contracts within the state.
- 2. Executed Copy of Proposer's Certification (Attachment A):** Our proposal includes an executed copy of Proposer's Certification (Attachment A), affirming our understanding of and compliance with the terms and conditions set forth in the RFP.
- 3. Levine Act Disclosure Statement Form (Attachment B):** We have completed and included the Levine Act Disclosure Statement Form (Attachment B), providing required disclosures regarding campaign contributions.
- 4. Contractor Licenses (Attachment C):** Attached are copies of our current contractor licenses (Attachment C), demonstrating our authorization to perform the required services in the state of California.
- 5. Subcontractor List (Attachment D):** We have included a comprehensive Subcontractor List (Attachment D), detailing the subcontractors who will be involved in fulfilling the contract obligations, if applicable.
- 6. Executed Copy of Non-Collusion Declaration (Attachment E):** Our proposal includes an executed copy of the Non-Collusion Declaration (Attachment E), confirming that our proposal has been prepared independently and without collusion with other proposers.

These statements and documents collectively attest to our commitment to compliance, transparency, and readiness to meet the requirements set forth by the City of Roseville. We appreciate the opportunity to submit our proposal and look forward to the possibility of working together.

PROPOSER'S CERTIFICATION

I hereby propose to furnish the goods or services specified in the Request for Proposals ("RFP"). I agree that my proposal will remain firm for a period of up to ninety (90) days in order to allow the City of Roseville ("City") adequate time to evaluate the qualifications submitted.

I have carefully examined the Request for Proposals and any other documents accompanying or made a part of this RFP. The information contained in this proposal is true and correct to the best of my knowledge and is signed under penalty of perjury under the laws of the State of California. I further certify that I am duly authorized to submit this proposal on behalf of the firm as its authorized agent and that the firm is ready, willing and able to perform if awarded the contract.

I further certify that this proposal is made without prior understanding, agreement, connection, discussion, or conspiracy with any other person, firm or corporation submitting a proposal for the same product or service; that this proposal is fair and made without outside control, collusion, fraud or illegal action; that no officer, employee or agent of the City or any other proposer is financially interested in said proposal; that no undue influence or pressure was used against or in concert with any officer, employee or agent of the City in connection with the award or terms of the contract that will be executed as a result of this RFP; and that the undersigned executed this Proposer's Certification with full knowledge and understanding of the matters therein contained and was duly authorized to do so.

LEVINE ACT DISCLOSURE STATEMENT

(The completed form submitted to the City of Roseville is a public record.)

California Government Code Section 84308, commonly referred to as the "Levine Act," prohibits any "Officer" (elected or appointed officer, any alternate thereto, and any candidate for elective office) from participating in any consideration or action related to a proceeding if they receive political contribution(s) from a party, or its agent(s), totaling more than \$250 within the previous twelve (12) months, while a proceeding is pending, and for twelve (12) months following the date of a final decision in a proceeding concerning a license, permit, other entitlement for use, franchise, or contract (collectively "license, permit, or contract"). For additional information: https://www.roseville.ca.us/government/departments/city_clerk/transparency/levine_act.

City Officers are listed at the following sites:

- The Members of City Council - https://www.roseville.ca.us/government/city_council/meet_council
- Boards & Commission Members - https://www.roseville.ca.us/government/boards_commissions

Parties and their Agents are responsible for reviewing and disclosing their applicable contributions to City Officers on the record of a proceeding.

1. Have you or your entity, or any agent on behalf of you or your entity, made any political contribution(s) totaling more than \$250 to any City Officer in the twelve (12) months preceding the date of the submission of your license, permit, or contract, or the anticipated date of any City Council, Board, or Commission consideration or action related to this license, permit, or contract?

YES ____ NO X

If yes, please identify the City Officer(s): _____

2. Do you or your entity, or any agent on behalf of you or your entity, anticipate or plan to make any political contribution(s) totaling more than \$250 to any City Officer in the twelve (12) months following any City Council, Board, or Commission consideration or action related to this license, permit, or contract?

YES ____ NO X

If yes, please identify the City Officer(s): _____

Answering yes to either of the two questions above does not preclude the City of Roseville from considering and/or taking action on a license, permit, or contract. It does, however, potentially preclude the identified City Officers from participating in consideration of and in taking any actions related to the license, permit, or contract. Please accurately complete and sign this form, under the penalty of perjury:

You must submit a supplemental form if you make any new reportable contribution(s) while the contract, license, permit, or other entitlement is being considered. If this form has not previously been submitted in connection with a contracting, licensing, entitlement or permitting process, please provide the completed form to the Office of the City Clerk for appropriate departmental routing, at: City Clerk, 311 Vernon St., Roseville, CA 95678, CityClerkRoseville@roseville.ca.us

LEVINE ACT DISCLOSURE STATEMENT

(The completed form submitted to the City of Roseville is a public record.)

Term	Definition	Law
Covered "proceedings"	A proceeding to grant, deny, revoke, restrict, or modify a license, permit or other entitlement for use, that does not solely involve purely ministerial decisions and is: (1) Applied for by the party; (2) Formally or informally requested by the party; or (3) A contract between the agency and the party or a franchisee granted by the agency to the party, other than a contract that is competitively bid , a labor contract , or a personal employment contract .	FPPC Reg 18438.2(a)
Party	Any person who files an application for, or is the subject of, a proceeding involving a license, permit, or other entitlement for use.	Gov. Code 84308(a)(1)
Participant	Any person who is not a party but who actively supports or opposes a particular decision in a proceeding involving a license, permit, or other entitlement for use and who has a financial interest in the decision. A person actively supports or opposes a particular decision in a proceeding if that person lobbies in person the officers or employees of the agency, testifies in person before the agency, or otherwise acts to influence officers of the agency.	Gov. Code 84308(a)(2) FPPC Reg 18438.4
Agent	A person who represents a party or participant for compensation and appears before or otherwise communicates with the governmental agency for the purpose of influencing the pending proceeding. See FPPC Reg 18438.3 for exceptions for certain consultants.	FPPC Reg 18438.3
Competitively Bid	A contract required by law to be awarded to the lowest responsible bidder with a responsive bid, or, if the successful bidder refuses or fails to execute the contract, to the next lowest bidder with a responsive bid.	FPPC Reg 18438.2(a)(3)(A)
Labor Contract	A contract or agreement reached through collective bargaining or with a representative group regarding the salary, benefits, or terms and conditions under an employment or retirement policy for employees or retirees, including a project labor agreement entered under Public Contract Code Section 2500.	FPPC Reg 18438.2(a)(3)(B)

Personal Employment Contract	A contract for employment, including the terms and conditions of employment, between the agency and an agency employee. A contract with an independent contractor is NOT a personal employment contract.	FPPC Reg 18438.2(a)(3)(C)-(D)
-------------------------------------	--	---

A **party** to a proceeding before an agency involving a license, permit, or other entitlement for use **shall disclose on the record of the proceeding** any contribution in an amount of more than two hundred fifty dollars (\$250) made within the preceding 12 months by the party or the party's agent.

A **party, or agent to a party**, to a proceeding involving a license, permit, or other entitlement for use pending before any agency or a participant, or agent to a participant, in the proceeding **shall not make a contribution** of more than two hundred fifty dollars (\$250) to any officer of that agency during the proceeding and for 12 months following the date a final decision is rendered by the agency in the proceeding.

(Gov. Code, § 84308, emphasis added.)

Attachment E

**NONCOLLUSION DECLARATION TO BE EXECUTED BY
BIDDER AND SUBMITTED WITH BID**

The undersigned declares:

I am the Controller of Cagwin & Dorward, LLC, the party making the foregoing bid.

The bid is not made in the interest of, or on behalf of, any undisclosed person, partnership, company, association, organization, or corporation. The bid is genuine and not collusive or sham. The bidder has not directly or indirectly induced or solicited any other bidder to put in a false or sham bid. The bidder has not directly or indirectly colluded, conspired, connived, or agreed with any bidder or anyone else to put in a sham bid, or to refrain from bidding. The bidder has not in any manner, directly or indirectly, sought by agreement, communication, or conference with anyone to fix the bid price of the bidder or any other bidder, or to fix any overhead, profit, or cost element of the bid price, or of that of any other bidder. All statements contained in the bid are true. The bidder has not, directly or indirectly, submitted his or her bid price or any breakdown thereof, or the contents thereof, or divulged information or data relative thereto, to any corporation, partnership, company, association, organization, bid depository, or to any member or agent thereof, to effectuate a collusive or sham bid, and has not paid, and will not pay, any person or entity for such purpose.

Any person executing this declaration on behalf of a bidder that is a corporation, partnership, joint venture, limited liability company, limited liability partnership, or any other entity, hereby represents that he or she has full power to execute, and does execute, this declaration on behalf of the bidder.

I declare under penalty of perjury under the laws of the State of California that the foregoing is true and correct and that this declaration is executed on July 11, 2024 [date], at Petaluma [city], California [state].

(Signature of Declarant)

Exception & Competency of Proposers

Exceptions:

Our proposal is based on the Scope of Services and all requirements outlined in the RFP and Sample Contract (Attachment F). Our approach ensures compliance with the City of Roseville's expectations, operational standards, and performance metrics, without proposing alterations or amendments to the stated scope or requirements.

Our proposal reflects our dedication to meeting the criteria set forth in the RFP and Sample Contract, ensuring alignment with the City's goals, and demonstrating our capability to deliver exceptional service in accordance with established standards. We look forward to the opportunity to contribute to the City of Roseville's objectives and serve the community with excellence.

Competency of Proposers:

Cagwin & Dorward maintains a strong track record of financial stability, operational competence, and client satisfaction, demonstrating our ability to fulfill the requirements outlined in the RFP. Over the past seven (7) years, we have had no pending bankruptcies, liens, stop payment notices, judgments, lawsuits, arbitrations, mediations, foreclosures, or similar actions filed or resolved against us. We affirm that there have been no client terminations of contracts with our firm due to breach of contract.

We are capable of maintaining a staff of regular employees sufficient to ensure continuous performance of the scope of work outlined in this RFP. Additionally, we maintain a fleet of equipment that is sufficient for the scope of work contemplated under this contract.

Cagwin & Dorward, LLC

Safety

We are committed to the well being and safety of every team member at Cagwin & Dorward and the residents of properties we maintain. Working safely is at the core of everything we do, from daily task planning to active work activities, safety is always #1 on our list.

Whether planning for the day's activities in the daily huddle or keeping required safety documentation up to date, no detail is considered too small. Everyone at Cagwin has safety as a required metric. We watch out for each other every day to make sure that everyone returns home safely to their families.

KEY SAFETY PROGRAM COMPONENTS

- Company Code of Safe Practices
- Safety Metrics Across All Team Members
- Designated Safety Supervisors for Every Project
- Safety Committee
- Safety Orientation & Training
- Morning Huddle / Stretch & Flex Every Day
- Weekly Tailgate Safety Topic at Jobsite
- Equipment Shut Down Procedures Near Residents
- Drug-Free Workplace
- Period Safety Reviews
- Driver Safety
- Accident Alerts
- Personal Protective Equipment (PPE)

SAMPLE SAFETY TAILGATES

Tree Care

Our Tree Care Managers are Certified Arborists with an average of 20 years' experience in the tree-care industry. They have the training and experience to ensure effective and safe tree care. We are Tree Care Industry Association Members (TCIA) and our Managers are certified by the International Society of Arboriculture (ISA).

Our conscientious and respectful staff strives to avoid disruptions on your property. We realize the importance of responding quickly and being flexible. We can adjust our schedule as your needs change. Our staff will work with you to ensure tree care services are carefully coordinated and efficient. We will leave your property in better condition than when we arrived.

We provide all the Tree services you need to help your Trees thrive:

- Tree Pruning
- Stump Grinding
- Tree Cabling
- Tree Removal
- Disease & Pest Control
- Deep Root Fertilization
- Plant Health Care (PHC)
- Free Estimates
- Arborist Reports & Consultation
- 24-Hour Emergency Service

Landscape Construction

Our Vision

Our collaborative approach ensures that your landscape vision is realized within your budget and timeline. We provide accurate bidding and scheduling from the start to prevent unexpected costs and delays.

Construction Services

We build landscapes for estate, commercial, and public projects. Managing both plans/specifications and design build. Our services include:

- Master-Planning & Design-Build
- Budgeting & Planning
- Hardscape, Water Features & Carpentry
- Planting, Irrigation and Drainage
- Sustainable Strategies
- Bay-Friendly Landscaping
- Environmental Restoration
- Bioswales & Rainwater Catchment
- Professional Project Management
- Value Engineering

Design-Build Services

Design-build services offer advantages for your landscape renovation. Collaboration between the design team and the contractor ensures that your design will more closely match specific site conditions and your budget requirements. Benefits include:

- Budgeting to align with owners goals.
- Conceptual designs to minimize expense and reduce total project cost.
- Schedule - flexible and responsive to deadlines.
- Plant palettes to comply with the water efficient landscape ordinance.
- Value engineering for cost-effective landscape renovations.
- Diverse experience including edible gardens, fertigation, and dog parks.
- Return on investment calculations - water and maintenance savings help pay for renovations.

Drought Landscaping

Cagwin & Dorward is a leader in water conservation, and we have already reduced landscape water use for many of our customers. We always focus on efficient landscape water-use and understand the responsibility of carefully managing your landscape investment.

Step 1 - Understand your priorities and unique needs of your landscape. We will work with you to identify:

- Valuable assets, such as heritage or mature trees
- Focal areas, such as entry ways and monument signs.
- Low visibility or low priority areas where water reductions can be made

Step 2 - Implement site-specific water conservation and drought strategy which can include:

- Mulch in Planting Beds
- Smart Controllers
- Meter Reading & Monitoring
- Flow Sensors
- Water Budgets
- Drip Irrigation
- Irrigation Audits
- Turf Conversion

Step 3 - Maintain We provide the following services for our customers:

- Bi-Annual System Checks and Recommended Repairs
- Seasonal Controller Programming Adjustments
- Ongoing Visual Inspections CLCA Certified Water
- Managers Long-Term Landscape Planning

Irrigation Maintenance & Repair

Irrigation Maintenance - Regular irrigation system maintenance saves time and water!

An irrigation system check at least once a year will help ensure your irrigation system is operating at peak efficiency. A poorly maintained system usually means that much of the water is being wasted. Water is often lost to runoff, evaporation, and overspray.

An irrigation system check often identifies minor repairs that need to be addressed before becoming major repairs.

Irrigation Repair - Time is Money when it comes to making repairs to your irrigation system!

Approving minor repairs quickly can reduce water waste and save you money in the long run. Additionally, addressing minor issues before they become major issues can help keep repair costs lower.

The following table illustrates how much water and money can be wasted by deferring repairs to your irrigation system:

Irrigation Problem	Estimated Gallons per Minute	Minutes per Week	Gallons per Week	3 Month Cost @ \$3.96 per 748 gallons.
Broken Sprinkler Head	10	30	3,900	\$20
Broken 1st Lateral Line Mainline Break	40	30	15,600	\$83
(Continuous Leak)	1	10,080	131,040	\$694

Water Management Case Study

Cagwin & Dorward and the CLCA Certified Water Manager Program Lead in Water Management

The California Landscape Contractors Association (CLCA) Certified Water Manager program trains landscape professionals to reduce water use by watering to a site specific budget.

Cagwin & Dorward employs over **25 CLCA Certified Water Managers**. They have proven they can save water and money. Our customers often see up to a **20% reduction in water** use through **intelligent irrigation programming** alone, and up to **50% reduction after system upgrades**.

Cagwin & Dorward Annual Results:

- Over 30,700,000 gallons of water saved for our customers by watering under budget. That is enough water to meet the needs of 90 families of 4 for a year!
- Watered 49% below budget company-wide in different microclimates, irrigating different plant varieties and property types Greenhouse gas emissions reduced by over 55,900 pounds*

To Achieve Certification, Participants Must:

- Pass a written test and submit an irrigation audit
- Manage at least one property to a water budget for one year
- Maintain certification by watering at least one property to a budget and tracking water use

*Approximately one-fifth of the electricity and one-third of the non-power plant natural gas consumed in the state are associated with water delivery, treatment and use, so efficient use also can reduce water related energy demands and associated greenhouse gas emissions. - California's 20x2020 Water Conservation Plan

MANAGEMENT
CERTIFICATION
PROGRAM**

A WaterSense Labeled Program

Water Management & Irrigation Control

Persistent droughts, changes in weather patterns, growing populations and aging water infrastructure have lead to the price of water is rising all over California. Consumers are facing tiered pricing and mandatory water budgets.

As much as 50% of annual landscape maintenance costs are spent on water. Cagwin & Dorward has helped many customers manage their landscape water usage and control their costs. Many of our clients have seen up to a **20% reduction in water** use through **intelligent irrigation programming** alone, and up to **69% reduction** after **system upgrades**.

Cagwin & Dorward Solutions:

Certified professionals help cut water costs with the latest innovations and high-efficiency techniques. We have over 25 California Landscape Contractors Association (CLCA) Certified Water Managers on staff to help with all your water management and irrigation needs we can help with:

- Existing Irrigation Systems
- Irrigation System & Landscape Upgrades
- Budget Planning
- Backflow Testing & Repair
- Consulting Services
- Turf Conversions
- Drought Tolerant Landscaping

Water - Total Cost & Fact Sheet

The total cost of your landscape is the combination of costs for landscape service and the water used on your landscape. Water costs can be up to 50% of your total landscape service costs, and water rates are rising significantly faster than maintenance costs. Cagwin & Dorward's CLCA Certified Water Managers are ready to help you save water and money.

CIMIS ZONES & ETO

Evapo Transpiration (ETo) is a calculation that uses CIMIS data to approximate how much irrigation water is required to replace moisture lost via plant growth and evaporation in a given area. CIMIS, the California Irrigation Management Information System, is a network of almost 125 weather stations placed at key locations throughout California. CIMIS data, average ETo and water rates are used to estimate annual water costs for shrubs and turf in northern California's diverse microclimates.

CIMIS Zone & Location	Average Annual ETo	Average Cost of Water Per Unit	Approx. Annual Cost of Irrigating 1 Acre if Turf	Approx. Annual Cost of Irrigating 1 Acre of Shrubs
Zone 1: West coast line and inland areas adjacent to the bay - Oakland, Berkeley, Pacifica, San Francisco and Sausalito.	33 Inches	\$4.50	\$6K - \$7K	\$4K - \$5K
Zone 3: Inland bay areas - Hercules, Pinole, Brisbane and Vallejo.	39 Inches	\$3.50	\$6K - \$7K	\$4K - \$5K
Zone 3: Bay side of the Peninsula - Burlingame, San Mateo.	46.3 Inches	\$8.00	\$14K - \$15K	\$7K - \$8K
Zone 5: Marin and Sonoma Counties and parts of Napa County	43.9 Inches	\$5.00	\$10K - \$11K	\$5K - \$6K
Zone 6: Southern part of the Bay Area -Hayward, Fremont, Redwood City and Milpitas.	49.5 Inches	\$3.50	\$7.5K - \$8.5K	\$5K - \$6K
Zone 8: Eastern part of the East Bay extending up into Solano County and down into the San Jose area - Fairfield, San Ramon, San Jose and Martinez.	49.5 Inches	\$3.50	\$7.5K - \$8.5K	\$5K - \$6K
Zone 14: Inland Valley areas and parts of the Central Valley - Sacramento, Roseville, Livermore, and Tracy.	57 Inches	\$1.50	\$3K - \$4K	\$2K - \$3K

Turf Management

At Cagwin & Dorward, our team of seasoned professionals is committed to delivering top-notch turf management services to ensure your property looks its best. We can handle all your turf needs, whether it's turf renovation, conversion, fertilization, or aeration and overseeding—we've got it covered. Our comprehensive turf management services are designed to maintain and enhance the health, appearance, and functionality of various turf areas, including parks, sports fields, golf courses, residential community areas and commercial landscapes. These services are expertly provided by experienced turf management specialists and landscaping companies.

Our Turf Management Services Include:

- Mowing, Edging and Trimming
- Weed Control
- Turf Renovation
- Turf Conversions
- Drought Tolerant Landscaping
- Sod & Plant Installation
- Fertilization
- Disease Control
- Seasonal Color
- Irrigation Control

"Cagwin & Dorward (Ollie) and his crew have been great! They are always very nice and get the job done. Whenever something needs to be done, Ollie is right there to go over it with me. I highly recommend them."

Master Planning

Creating a Master Plan

A Master Plan creates a vision for your landscape, and is used as a guide that reflects your preferences, goals and budget. Master Plans are useful for long-range planning and maintaining consistency through leadership and management changes.

The Master Plan can be comprehensive, or simple and inexpensive. We use digital imaging, conceptual planting plans, and plant palettes, which help visualize the potential of your landscape.

We will collaborate with the project stakeholders to create a plan that will guide the renovation and maintenance of your landscape. The suggested improvements can be implemented right away, or as phased-projects over many years.

Master Plan Goals

The Master Plan will include the following elements to help ensure a uniform and attractive plan for your landscape:

PLANT PALETTE

We will provide a variety of recommended plants and other materials, presented with photos, to create a common theme throughout the property.

SUSTAINABLE APPROACH

Bay-Friendly guidelines, or other sustainable approaches, can be recommended for the design, installation, and maintenance of the property. Our horticulturist and sustainability manager is a great resource.

RETURN ON INVESTMENT (ROI)

Often, upgrades to the landscape and irrigation systems deliver a return on the investment. Savings in water, landscape maintenance and rebates can pay an ROI in as little as 2 years.

TURF AREAS

We will evaluate the turf to determine if it can be reduced in areas not used for recreation. Replacing turf with low water-use plants and drip irrigation can provide visual interest and reduce water use by up to 70%.

WATER-WISE

Water-efficient solutions will be recommended at all steps in the process from the plant palette, to renovating the irrigation system.

BUDGETING

We will present budget pricing prior to, and in conjunction with, plans and design concepts. Our pricing will align with your budget goals.

FERTIGATION

Automatic fertilizer application through an irrigation system reduces labor, provides a means to apply organic pest control, reduces water-use, and creates healthier soil biology through the use of bio-stimulants.

Enhancements

Our mission is to go beyond vendor status and become your trusted partner. We first work to understand your commercial landscape needs and then deliver excellence through our full lifecycle service offerings. At Cagwin & Dorward, we aim to transform your ideas into a professional design and deliver the final result within the specified budget and timeline. Additionally, we provide various seasonal enhancement services to maintain the landscape's appearance, functionality, and efficiency.

Landscape Improvement Plan (LIP)

Our landscape improvement plan (LIP) is a proactive program we can create for our customers. Our landscape installation team works with you to develop a LIP that reflects your preferences, goals and budget. The LIP can then be used as a guide to make systematic upgrades to your landscape, and is a useful tool for long-range planning and maintaining consistency through board and management changes.

Digital Enhancements

Digitally enhanced pictures can be an excellent tool to visualize the potential of your landscape. Our Landscape Installation team can provide our customers with proposals that include “after” pictures to reflect the suggested enhancements to your landscape.

Thank You

Local. Passionate. Experts.

1.0 INTRODUCTION

The City of Roseville (hereinafter “City”), is soliciting proposals for a Park and Landscape Maintenance Services. This will be a competitive negotiation process. Qualified individuals, firms, contractors, consultants or entities (hereinafter “Contractor(s)”), that meet the requirements set forth in this Request for Proposals (hereinafter “RFP”) and are capable of providing the services requested are encouraged to participate.

1.1 BACKGROUND

The City of Roseville encompasses approximately 84 developed parks and facilities, 355 acres of landscape area adjacent to roadways and neighborhoods, 4200 acres of open space, two golf courses, two community centers, three swimming pool facilities, the Maidu Museum and Historic Site, 21 childcare facilities, and three libraries. The City continues to grow in parks, facilities, programs, and attendance and is focused on sustaining standards, services levels, and prioritizing core services.

The areas within this proposal will be divided into three (3) district zones in geographical areas and streetscapes, faculties school mowing and extra work will be included. The Parks will be grouped separately, even though they are in these geographical zones. It has been Roseville’s past practice and intent to award contract s, by zones and Park groups to a least two (2) qualified bidders.

The City of Roseville considers this to be an outcome-based Request for Proposals. Generally, determinations for specific frequencies of service will be at the discretion of the contractor. There are exceptions that are noted throughout this document and the associated exhibits.

1.2 CITY OVERVIEW

The City of Roseville is an incorporated city with a population of more than 145,000 residents, located in Placer County off Interstate 80, approximately 16 miles northeast of Sacramento, California. The City of Roseville is a Charter city operating under the City Council/City Manager form of government.

1.3 PROPOSAL SUBMITTAL

RFP proposal submittals may be delivered to the Office of the City Clerk, Civic Center, 311 Vernon St., Roseville, CA 95678 via common carrier, hand delivered, **or** submitted via electronic mail to cityclerkroseville@roseville.ca.us by the specified proposal due date and time. Complete and attach the “Sealed Proposal” label to the outside of the proposal packaging if delivering or hand carrying a hard copy of the proposal, so it is visible to the City Clerk. If submitting a proposal via electronic mail, then include the RFP title and RFP number in the subject line of the email.

1.4 CALIFORNIA SECRETARY OF STATE REGISTRATION

The City requires all corporations, limited liability companies and limited partnerships to be registered to do business in the State of California. On a separate sheet of paper, please include a screenshot of your “ACTIVE” status with your proposal submittal, which can be obtained by accessing this link: <https://bizfileonline.sos.ca.gov/search/business>. All proposers must be registered with the Secretary of State or have a valid exemption by the time of award.

1.5 INSTRUCTIONS

This RFP includes a description of the scope of services, proposal requirements, and instructions for submitting your proposal. Failure to follow these instructions may result in rejection of your proposal.

No oral representations or interpretations will be made to any proposer as to the meaning of this RFP.

Direct all inquiries regarding this RFP in writing to Parks, Recreation & Libraries Department, Eric Dexter by accessing the RFP from the City's website at:

https://www.roseville.ca.us/business/procurement_services/bids_rfps by no later than June 27, 2024.

Do not contact other individuals or City departments in this regard. Information provided by anyone other than the above contact may be invalid, and proposals which are submitted in accordance with such information may be declared non-responsive.

In the event that it becomes necessary to revise any part of this RFP, written addenda will be issued. Any amendment to this RFP is valid only if it is in writing and issued by the City department issuing the RFP. No oral interpretations or answers shall bind the City unless confirmed by the City in writing.

All addenda for this RFP will be distributed through [PublicPurchase.com](https://www.PublicPurchase.com) to proposers who have registered with PublicPurchase.com and who have downloaded the RFP. Additionally, the Notice of Intent to Award will be posted on [PublicPurchase.com](https://www.PublicPurchase.com). **It is the proposer's sole responsibility to monitor PublicPurchase.com for possible addenda to this RFP and for the Notice of Intent to Award.** Failure of proposer to retrieve addenda or the Notice of Intent to Award from [PublicPurchase.com](https://www.PublicPurchase.com) shall not relieve him/her of the requirements contained therein or the timelines associated therewith. Additionally, failure of proposer to return a signed addendum, when required, may be cause for rejection of his/her proposal.

2.0 TENTATIVE SCHEDULE

The following represents the tentative schedule for this RFP. Any change in the scheduled dates for the Pre-Proposal Conference, Deadline for Final Questions, or Proposal Submission Deadline will be advertised in the form of an addendum to this RFP. The schedule for the evaluation process and other future dates may be adjusted without notice.

RFP Released by the City.....	May 29, 2024
Mandatory Pre-Proposal Conference.....	June 11, 2024
Deadline for Final Questions.....	June 20, 2024
City Responses to Written Questions.....	June 27, 2024
Proposal Submission Deadline.....	July 11, 2024
Contractor Interviews as needed.....	July 24, 2024
Contract Negotiations.....	August-September 2024
Contract Approval by City Council.....	November 2024
Commencement of Services.....	January 01, 2025

3.0 MANDATORY PRE-PROPOSAL CONFERENCE

A **mandatory** pre-proposal conference/job walk has been scheduled for **Tuesday, June 11th, 2024, 9:00am**. Attendance will be taken prior to the job walk.

Location: City of Roseville Offices
311 Vernon St. 1st floor
Roseville, CA 95678

Prospective proposers must pre-register by June 10th, 2024, with Shelby Craig at scraig@roseville.ca.us. The conference will last approximately 30-60 minutes. Registrants will be asked to provide the name of the attendee(s), company name, phone number, and email address(es).

Proposals from Contractors who do not attend the **mandatory** pre-proposal conference will be rejected. The pre-proposal conference will begin at the designated start time. **Attendance for the entire pre-proposal conference is required, and tardiness may be grounds for disqualification.**

Interested firms will have an opportunity to submit questions regarding the requirements outlined in this RFP. In order to make the meeting more effective for all participants, attendees should read this document thoroughly prior to the meeting.

Substantial clarifications or changes required as a result of the meeting will be issued in the form of a written addendum to the RFP. A list of attendees will be distributed upon request.

4.0 SCOPE OF SERVICES AND GENERAL CONDITIONS

4.0 SCOPE OF SERVICES

The Parks and Landscape Maintenance Contract ("Contract") is an outcome-based contract where the City has established specific park and landscape standards as outcomes. The Contractor is responsible for developing a base bid necessary to maintain the expected outcome standards. The City will inspect the work of the Contractor against the stated standards to determine compliance and payment.

The work to be performed under the Contract consists of the furnishing of all labor, insurance, materials, and equipment needed to perform park and landscape maintenance services.

The Contractor is being asked to provide bids for the following types of work:

- A. Park Turf and Landscape Maintenance
- B. Streetscape Landscape Maintenance
- C. Facility Landscape Maintenance
- D. School Mowing
- E. Extra Work

Prospective contractors shall provide the highest quality of landscape maintenance services to parks, streetscapes, schools, and various other facilities. In addition to turf care (mowing, blowing, and edging), the landscaping activities encompass tree, shrub, and ground cover pruning and trimming, debris and leaf removal, fertilization, soil deficiency remediation, weed control, weed abatement, and pest control. Irrigation systems operations include the maintenance, adjustment, installation, and repair of a variety of components, such as irrigation controllers, valves, moisture sensing devices, and sprinkler heads of a variety of manufactured brands and models.

The scope of services includes all work to perform landscape maintenance at numerous landscape sites described in the General Conditions (Section 4.2) and the Parks & Landscape Maintenance Standards (Exhibit A). This document will become part of the executed agreement.

4.1 GENERAL CONDITIONS

4.2.1 Normal Hours and Days of Maintenance Services

Contractor shall perform the required maintenance services between the hours of 7:00 am and 7:00 pm, Monday through Friday. Weekend work requires City approval with service hours between 8:00 am- 7:00 pm No maintenance function that generates excessive noise which would cause annoyance to residents of the area shall be commenced before 8:00 am

On weekdays, school sites must be mowed before or after school hours. If started in the morning all mowing shall start no earlier than 7:00 am and finish no later than 8:00 am. It is an option for school sites to be mowed on Saturday in coordination with the City. The Contractor shall also work with staff at individual sites to make any adjustments to site mowing and timing.

The Contractor shall always conduct work in a manner that will not interfere with normal recreation programs, school programs, pedestrian traffic on adjacent sidewalks, or vehicular traffic on adjacent streets.

Contractor will supply weekly work plans for each type of work activity (i.e., mowing, pruning, weed control, etc.) to designated City staff. Any modification in the hours and days of maintenance services as stated in the Contractor's weekly schedule is subject to approval by the City.

Park and Facility scheduled service days must meet frequencies by service level identified by the City from the Parks & Landscape Maintenance Standards (Exhibit A).

4.2.2 Outcome Based Contract and Inspections

The Contractor shall be responsible for maintaining parks and landscapes as outlined in the General Conditions (Section 4.2) in the Parks & Landscape Maintenance Standards (Exhibit A) and the cost of maintaining those areas, to the designated standard, shall be included in the base bid unless otherwise called out specifically as "extra work" in this Request for Proposals.

The City will regularly inspect the Contractor's work and meet compliance, in its sole discretion, according to the Parks & Landscape Maintenance Standards (Exhibit A).

Contractor will only be paid for work rated as "meets standards." If Contractor's work does not meet City standards, it shall be considered "below standard." Contractor will not be paid for work rated as "below standard" until such work is improved to "meets standards."

Contractor shall not be paid additional amounts for remedial work required to improve "below standard." City staff will work closely with Contractor 's representatives to achieve the results described in the standards and inspection criteria. However, responsibility for meeting standards rests with the Contractor.

During the first three (3) months of the Contract, the Contractor shall identify any pre-existing conditions or issues that may inhibit it from meeting the standards required by the Contract. This timeframe will allow the Contractor and City to work together on a solution. Contractor shall inspect all areas at least monthly and will discuss inspections with City during regular scheduled meetings. Following the initial three (3) month period, the Contractor shall continue to inspect all assigned areas at least monthly and discuss inspections with the City during ongoing meetings.

The Contractor shall provide electronic versions of monthly inspection quality assurance reports to the City by the 10th of the following month as to each site's compliance with City standards. An action plan with deadlines must be provided to the City to indicate when corrections will be made if an area is deemed "below standard." Failure to turn in inspection reports by the deadline will result in monthly payment being withheld until inspections are turned in. Contractor shall provide an example of the report to be utilized for City review and approval.

At the beginning of every year a mowing schedule shall be provided to the City for review. Schedule adjustments shall be made throughout the year based on environmental factors, sporting events or City's direction. Adjustments to the schedule shall be provided to the City for review and approval ten (10) business days prior to making the adjustments.

Turf shall be mechanically edged at the following areas: all grass along infrastructure such as walls, fences, foundations, curbs, sidewalks, shrubs, poles, guy wires, irrigation boxes, utility boxes, drain grates and any other object within or immediately adjacent to the turf areas.

Edging should not create gaps no wider than 1/4" around infrastructure.

Every effort shall be made to reduce the amount of string trimming required while still protecting City assets. String trimming around valve boxes or drain inlets must be done using a vertical cut and not a flat cut. String trimming shall not be used around the base of trees as chemical control is the preferred method. Trees found to be scarred by maintenance activities may require replacement at the direction of City staff at the cost of the contractor.

Turf around irrigation heads shall be mowed to the appropriate height to provide maximum water coverage. Clippings shall be removed from all adjacent walkways and other paved surfaces immediately after each mowing/edging.

Seed heads on no-mow turf shall be removed on an annual basis. No-mow turf shall be edged as needed to keep from encroaching on walls, fences, sidewalks, etc.

Contractor shall remove litter or debris from the area to be mowed prior to mowing.

The contractor shall inform the City of any issues with the turf within one (1) business day of discovery.

The contractor shall inform the City immediately when irrigation is damaged through the course of mowing. Issues related to overwatering, that prevent mowing, shall be brought to the City's attention immediately.

Issues caused by mowing are the responsibility of the Contractor to repair. Trees found to be scarred by mowers shall be replaced by the Contractor at the request of the City.

The contractor shall perform seeding/sod replacement as needed to meet standards with the approval of the City.

There will be a financial impact on the Contract if any scheduled use (including, but not limited to, special events or recreation programs) of City facilities are impacted by neglect on the Contractor's part. Any costs associated with re-scheduling the event/activity/program will be the responsibility of the Contractor for time, staffing and costs, including, but not limited to, officials' salaries, part-time staff salaries, maintenance call out person salaries (stand by), light costs, and preparation of fields (which can include a drag, watering, and lining of the field), mowing, etc.

For any area that fails to meet City standards because of action that is the Contractor's responsibility, the Contractor shall notify the City immediately and develop a plan to bring the area back to compliance. Should the City discover an area that does not meet the City standards, and the City has not been notified by the Contractor, the Contractor will be put on notice in writing to bring the area back into compliance. The following penalty will result:

- A.** The monthly payment for the specific area identified on each map page (Attachment J) will be withheld by the City until the area within the map page is back in conformance with City standards.
- B.** If conformance is reached within thirty (30) days of notice, the City will release one hundred percent (100%) of the payment.
- C.** If at any time during a notice by the City, the Contractor does not bring the area into conformance within thirty (30) days, the City will keep the monthly payment as a penalty and withhold the next month's payment following the above-mentioned conditions until conformance is reached or the Contract is terminated.

If the City must give notice to the Contractor a second time for the same specific map page within twelve (12) months of the initial notice, the contract may be terminated.

The parties will observe the following problem resolution process:

- 1. Written notice of the problem.
- 2. Field conference with inspector/Contractor's field representative to identify problem and agree on solution as presented by Contractor.

3. Conference between City's representative and Contractor's principal.
4. Imposition of penalties and/or correcting defect at Contractor's cost.
5. Termination of Contract.

In addition, the Contractor shall inspect areas weekly, at a minimum, for insects and disease. General inspections of turf and plant materials shall be completed at a minimum of weekly for signs of stress or damage. Upon request, the Contractor will walk with the City's representative for the purpose of determining compliance with the specifications or to discuss required work. The Contractor's representative must be authorized to sign documents and make changes to the work.

All corrective work required because of a regular inspection, or any additional inspection shall be accomplished to the satisfaction of the City within thirty (30) days of the authorization to repair the deficiencies, except in the case of a broken/leaking irrigation with must be repaired within twenty-four (24) hours and prior to the next watering event.

Contractor shall provide the City with written confirmation of all corrective work and may be asked to provide additional photo documentation. Should there be a temporary suspension of work in a specific area of more than one month, the monthly invoices shall be adjusted accordingly to reflect actual work performed.

4.2.3 School Sites

If weekday mowing occurs on school property a strict schedule must be followed to accommodate school schedules and student safety. School sites must be mowed before or after school hours. If started in the morning all mowing shall start no earlier than 7:00 am and finish no later than 8:00 am The Contractor shall be responsible for all mowing.

The Contractor shall not be responsible for edging or for work requiring a string trimmer at School sites.

4.2.4 Turf Aeration

The Contractor shall perform core aerations of turf as part of the base bid. For a specific number of applications per year refer to specific service levels in the Parks & Landscape Maintenance Standards (Exhibit A). All aerations shall conform to the City's agronomic calendar. Additional turf aerations may be proposed as "Extra Work" by the Contractor, to meet the designated service level.

All proposals, and costs, must be approved by the City prior to additional turf aerations occurring. The Contractor can do more aeration, with City approval, at their own cost to relieve summer stress on turf.

Aeration plugs shall be properly destroyed to not pose a safety issue or interfere with the use of parks and facilities.

Any damage incurred is the responsibility of the Contractor, including valve boxes and irrigation components.

4.2.5 Shrubs and Landscape

All plants shall be maintained in a healthy and attractive condition. Landscaping shall also be maintained to provide secondary functions such as natural barriers, pollution/dust control and/or erosion control. All plant beds shall be maintained free of trash and debris.

4.2.6 Trimming

All plants that require pruning shall be pruned as needed to meet the intent of the landscape design per the assigned service level in the Parks & Landscape Maintenance Standards (Exhibit A). In general, to grow in a natural shape without excessive amounts of pruning. Shrubs growing along fences and walls shall be maintained at the height of the fence or wall. Clearances against walls and fences may be required to allow access for wall/fence maintenance and/or irrigation maintenance.

Shrubs and vines shall be pruned to always prevent encroachment over sidewalks or onto private property, and to maintain line of site visibility at select intersections. Vegetation in front of all signs shall be pruned regularly so signage is always visible. Vegetation should not obscure or block any drainage inlets.

A. Pruning Frequencies

Pruning shall be completed as described in the Parks & Landscape Maintenance Standards (Exhibit A). Most areas require pruning to be completed at least three (3) times per year. Some plant materials may need to be pruned more frequently depending on the species to prevent clearance issues. Additionally, some areas may require less pruning due to plant species or budget restrictions. The Contractor shall provide a schedule showing planned dates of completion for all areas. In general, the pruning cycles are designated as January- April, May- August, and September- December. Pruning for each area shall be completed by the end of each pruning cycle. If pruning is not complete, payment for the specific area or map page (Exhibit G may be withheld as outlined in Section 4.2.2.)

B. Growth Regulators

Using plant growth regulators is an approved substitute for one pruning cycle when approved by the city.

4.2.7 Facility Grounds Maintenance

All facility grounds shall be maintained as described in Section 4.2 and to service level 2 as described in the Parks Landscape Maintenance Standards (Exhibit A).

The Pleasant Grove Wastewater Treatment Plant (PGWWTP), the Solid Waste Recycle Plant and the Barton Water Plant require additional maintenance indicated here:

- Bio-filters shall be maintained always weed free.
- Pre and post emergent herbicides shall be applied to pond slopes and chip sealed/gravel roadways a minimum of two (2) times per year.
- Native/wild grasses shall be mowed and trimmed annually.

- Pre and post emergent herbicides shall be applied to gravel areas a minimum of two (2) times per year. Remove emerged weeds within thirty (30) days of discovery.
- Pre and post emergent herbicides shall be applied to barked areas a minimum of two (2) times per year. Remove emerged weeds within thirty (30) days of discovery.
- Westpark Drive and Phillips Road locations: Pre and post emergent herbicides shall be applied to all bark areas, tree rings, and shrub rings annually.

4.2.8 Service Levels

SERVICE LEVELS

The chart below outlines differences in allowable tolerances based on the three service levels. Each park or streetscape is assigned a service level, and the Contractor is expected to provide maintenance at that level unless otherwise noted. Tasks not listed in the chart below shall be maintained at the basic maintenance level described in the Parks & Landscape Maintenance Standards (Exhibit A).

	1	2	3
Turf Care			
Maintained between:			
Warm season (Bermuda)	1"-2"	1"-2"	1"-2.5"
Cool season (Fescue & Bluegrass)	2"-3.5"	2"-3.5"	2"-4"
Bare Areas	Up to 5%	up to 10%	Up to 35%
Edging	Weekly	Every other week	Once per month
Weeds	None (Street frontages, play/picnic areas, etc.)	No more than 20%	No more than 60%
Aeration	2x/year (minimum)	1x/year & as needed	As requested,
Landscaping & Trees			
Hedge pruning	Within 1' under top of wall/fence	Within 1' under top of all/fence	No more than 1' over top of fence/wall
Missing plant material (includes trees)	None within high visibility areas	In limited areas (up to 10%)	Acceptable
Weeds	None within high visibility areas	In limited areas (up to 10%)	Acceptable, 1-4 applications per year as budget allows
Pruning Shrubs	More than 3/x year (Minimum)	3/x year (Minimum)	2/x per year

4.2.9 Refuse Disposal

Disposal of refuse (litter and green waste) shall be delivered by the Contractor, or its service provider, to the Materials Recovery Facility (MRF)/Western Placer Waste Management Authority facility. If necessary waste may be placed in a dumpster serviced by the City of Roseville, with advanced notice.

4.2.10 Traffic Control

Traffic control shall conform to the latest Caltrans Standards to ensure the safe flow of traffic and the safety of workers in traffic zones. All traffic control costs shall be included in the prices paid for the various contract items of work and no additional compensation will be allowed. A master traffic control plan shall be submitted and approved by the City's Traffic Engineering Department prior to work starting.

Access to driveways shall be always maintained. When entering or leaving roadways which bear public traffic, the Contractor's equipment, whether empty or loaded, shall in all cases yield to public traffic.

4.2.11 Fingerprinting and Background Checks

Contractor, at its expense, must conduct a background check for each of its employees, as well as for the employees of its subcontractors, who will provide services to the City of Roseville.

Background checks are to be conducted via a request with the Department of Justice and the Federal Bureau of Investigations. Contractor shall maintain records for background checks and provide documentation if requested.

4.2.12 Fines and Fees

Fines or penalties levied against the city because of maintenance practices by the Contractor will be borne solely by the Contractor.

4.2.13 Meetings and Reporting

The City and the Contractor shall have an annual meeting once per year held in January to discuss any changes, contract cost and an overall evaluation of work performance over the previous year.

The City and the Contractor shall meet monthly to discuss and review ongoing work, work schedules and timelines for projects.

The Contractor shall be required to complete and provide reports to the City, including a maintenance schedule, as approved by the City, which shall include mowing, fertilization, aeration, pesticide applications, tree minimum clearance and pruning schedules. This schedule shall be finalized and approved by the City and shall reflect the ongoing maintenance schedules for work to be performed.

4.2.14 Performance During Inclement Weather

During periods of excessive rainfall that hinder normal operations, the Contractor shall adjust its workforce to accomplish those activities that are not affected by weather. The

prime factors in assigning work shall be the safety of the workforce and damage to turf and landscaping.

4.2.15 Acceptance

Acceptance by the City of any services furnished under the Contract shall occur only after the final review of authorized employees of the City.

The City shall reject and refuse to pay for, all non-conforming services. Nothing in this section shall limit or restrict the warranty and remedy obligations of the Contractor specified in the Park and Landscape Maintenance Services Contract.

4.2.16 Safety

Safety provisions shall conform to Cal-OSHA Safety Orders, and all other applicable federal, state, county, and local laws, ordinances, codes, and regulations in performing the work under this Contract. Where any of these are in conflict, the more stringent requirement shall be followed. The Contractor's failure to thoroughly familiarize itself with the safety provisions shall not relieve it from compliance with the obligations and penalties set forth therein. The Contractor shall develop and maintain for the duration of the Contract, a safety program that will effectively incorporate and implement all required safety provisions. The Contractor shall appoint an employee who is qualified and authorized to supervise and enforce compliance with the safety program. The Contractor shall take all precautions required by applicable regulations of the State Department of Industrial Relations.

4.2.17 Response Time

Contractor supervision shall be immediately available at all times Contractor employees are working on sites and must be available between 7:00 am and 10:00 pm each working day via phone or mobile device and must respond to an emergency/ major discrepancy in the Contract within two (2) hours of initial contact.

4.2.18 Qualified Contractor Supervision

Contractor must dedicate one point of contact for each geographic zone who shall oversee the contract in its entirety for the assigned geographic zone, including any Extra Work assigned. The point of contact shall facilitate all work and activities occurring with assigned City staff.

All Contractor's supervisors must be qualified, proficient in English, trained and capable of providing adequate supervision and direction of all Contractor's employees and must demonstrate verbal and written communication skills sufficient for the work required herein.

4.2.19 Contractor's Employees

This Contract is intended to be a "partnership" between the City and the Contractor. The quality of the Contractor's work reflects directly upon the City. Only

Contractor's employees and subcontractors are allowed on City property where work is being performed.

The City reserves the right to direct Contractor to remove from assignment to City facilities such employees of Contractor or subcontractors deemed incompetent, careless, insubordinate, or in any way objectionable by City, including any personnel whose actions are deemed by the City to be contrary to the public interest or inconsistent with the best interests of the City.

Contractor's employees and subcontractors shall not use any tobacco product in any city park or within twenty (20) feet of any entrance to a public building.

4.2.20 Employee Uniforms

The Contractor shall provide each of its employees with uniforms. At all times, personnel shall wear uniforms. Uniform apparel shall be kept neat, clean, and in good repair. All uniforms shall include the Contractor's name and logo.

4.2.21 Contractor's Equipment

The on-site supervisor shall ensure that all contractor-supplied equipment is in good working order. Any damaged equipment or equipment in need of repair shall be removed from the site. Contractor shall be responsible for any damage to the work sites, City or private property, or any injuries caused by Contractor's equipment or personnel.

All Contractor vehicles must be neat, clean, well maintained and labeled with the company name.

4.2.22 Locks and Keys

The Contractor shall be responsible for the series of keys assigned to it and shall assign these keys to its personnel for use in maintaining the facilities. The Contractor shall properly use and keep safe all keys or locks issued by the City to the Contractor.

The Contractor shall report all lost or stolen keys or locks to the City within twenty-four (24) hours of discovery. The Contractor shall reimburse the City for the total cost of replacement keys and/or locks that have been lost.

Upon termination or cancellation of the Contract, the Contractor shall immediately return all keys, access cards, remotes, etc. to the City.

4.2.23 Vandalism and Damage

Contractor shall notify the City of all vandalism, defects, and/or safety items within one (1) business day of discovery to Park Maintenance at (916) 774-5748.

All damage to landscaping, irrigation equipment, real property or any related structures caused by Contractor during its performance of the Contract shall be the responsibility of the Contractor. Repairs to turf shall be made with sod.

The city may request quotes from Contractor for vandalism repairs, which would be awarded as “Extra Work.” Commencement of work will proceed only after City approval.

4.2.24 Irrigation

4.2.24.1 Irrigation Program Management

All required scheduling and operation of the irrigation controllers reflecting weather changes and water needs will be covered under this Contract. The contractor shall make all adjustments and setting of controllers to establish the frequency and length of watering periods. Any malfunction of controllers including communication failures must be reported immediately to the City along with a proposal for correction with costs. The City’s Irrigation Technician can assist with troubleshooting controller issues after power has been verified and physical connections have been inspected.

Controller programs shall incorporate the following conditions:

- Meet all City and State ordinances including where applicable the [Water Efficient Landscape Ordinance \(WELO\)](#).
- Program around parks, sports fields and facility use and events.
- Reflect actual requirements of soil and plants.
- Avoid runoff onto streets, sidewalks, fences, walls, and other non- target areas.
- Maximize public use of City property.

Monthly from March through November at the City’s request, the Contractor shall provide the irrigation schedule to the City’s Irrigation Technician by the 10th of the month. This report shall include the following information:

- All irrigation programs set on controllers.
- Irrigation schedules start times for each irrigation program.
- Irrigation run days for each irrigation program.
- Irrigation cycle length, in minutes for each station in an irrigation program.
- Number of repeat cycles for each station in an irrigation program.

For any controller schedule not supplied by the 10th day of the current month by Contractor in any month during season per the City’s request, a \$50.00 penalty per controller may be assessed. Contractor shall have the penalty deducted from the monthly payment for the District, Park, and/or Facility financially responsible for that irrigation controller. Each station shall be adjusted to meet the needs of the

specific area unless authorized by the City, as well as, adjusted due to weather conditions and run off.

Maintain a minimum of two qualified user/programmers for both ICC pro and Calsense central control systems.

4.2.24.2 Irrigation Schedule

An irrigation schedule is developed based on current controller settings, visual observation, and the results of moisture probing. Adjustments shall be made to the controller when the soil moisture profile is found to be too dry or too wet. Adjustments shall also be made as needed to ensure plant health.

Adjustments to the schedule shall occur as needed to accommodate changes in area use and/or environmental changes to individual areas.

4.2.24.3 Soil Moisture Testing

Soil probing shall be conducted regularly in all areas to ensure proper soil moisture levels to meet plant water requirements.

4.2.24.4 Irrigation Repair & System Checks

The Contractor shall perform a complete irrigation check of all heads, valves, quick couplers, etc. for every irrigation system before system start up and no later than April 1st. The Contractor shall supply the City with a written report of every irrigation check as it is completed. Needed repairs shall occur throughout that same period, with the approval of the City, to ensure a fully operational system at the beginning of each spring. System evaluations, and repairs shall be made as outlined in Parks & Landscape Maintenance Standards (Exhibit A).

Contractor is responsible to replace batteries annually on battery operated valves or controllers.

Irrigation system repairs shall occur and be compensated as stated below:

All repairs will be completed prior to the next scheduled watering event. If this is not possible, the City should be contacted. Loss of plant material due to delay of repairs is the responsibility of the Contractor.

Irrigation system repair will be the responsibility of the Contractor. All replacement materials are to be with new original types and models and consistent with Park construction standards unless a substitute is approved by the City. The Contractor shall implement repairs in accordance with all effective warranties, and no separate payment shall be made for repairs on equipment covered by warranties. All repairs shall be guaranteed for 90 days after repair is complete.

Maintenance, repair, and replacement of malfunctioning irrigation heads and quick couplers, including risers and/or swing joints, shall be covered in the Contractor's base bid. The Contractor shall provide labor for the above items at no extra charge and shall bill the City for the required parts with a maximum mark up of 10% over the actual cost.

Replacement of valves, filters, valve boxes, and wiring shall be considered “Extra Work” in their entirety. Decisions regarding repair versus replacement will be made by the Contractor and the City jointly. If there is a disagreement with regards to how to proceed the City’s choice will prevail.

Maintenance and regular cleaning of reclaimed mainline filters shall be covered in the Contractor’s base bid. These filters are located at the point of connection of reclaimed water systems in the following Districts: Sierra Vista, Creekview, West Park Westbrook and parts of Fiddymont. They should be cleaned regularly as needed to supply adequate water for irrigation.

Repair and replacement of lateral lines, main lines, check valves, and controllers shall be considered “Extra Work” in their entirety.

Repairs and replacements of any irrigation component or property damaged by the Contractor or because of negligence, error, or omission by the Contractor shall not be submitted to the City for payment and are the responsibility of the Contractor.

Repair and replacement of any irrigation components or property that is a result of vandalism, or unintentional damage, caused by the public shall be considered “Extra Work” in its entirety. All vandalized components must be reported to the City within one (1) working day with photos of the area. Photos of the repair or replacement must be reported for the Contractor to be compensated. If the vandalized components are not reported within one (1) working day the Contractor will be paid based on the above stated criteria for repair and replacement.

When the Contractor observes or is notified of water waste due to excessive overspray, overwatering for irrigation system malfunction, Contractor shall respond within twenty- four (24) hours. Repairs/adjustments shall be made prior to the next watering event. Any fines or fees incurred due to non-compliance with WELO shall be the responsibility of the Contractor.

In all streetscapes, system checks shall be done in accordance with the service levels outlined in the Parks & Landscape Maintenance Standards (Exhibit A).

4.2.24.5 Recycled Water

Recycled water is used in areas of the City parks and landscapes. Contractor's staff shall be trained in the proper techniques for working with recycled water and it is the responsibility of the Contractor to ensure compliance with all safety and health precautions.

The Environmental Utilities Department may request to observe system checks on recycled water systems. This shall be coordinated through the Parks Division.

4.2.24.6 Other Irrigation Conditions

City will provide all the water and electricity necessary for the Contractor to perform the services except instances where excessive costs are incurred by the City due to water/electricity waste or negligence by the Contractor.

- A. If the City determines that excessive utility costs due to waste or negligence have occurred and are a result of Contractor's actions, the City may withhold from payment to the Contractor those funds necessary to reimburse the City for these additional costs.
- B. If there is a difference of opinion between the City and the Contractor as to whether there has been waste due to the negligence of the Contractor, the opinion of the City will prevail.
- C. At the City's request the Contractor may be required to attend a monthly water conservation meeting with the city and the City's other partners. This meeting is designed to discuss best management practices, water usage to date, mandated restrictions, and City goals. This group is required to work as a team to accomplish City-wide irrigation goals.

4.2.25 Plant Loss

It is one of the Contractor's prime responsibilities to prevent loss of plants caused by pests, diseases, insects, soil conditions, nutrient, micro-climatic conditions, improper planting, or improper irrigation practices.

Contractor shall be continuously alert in locating and defining problems and will exercise prompt and proper corrective action. Contractor must report to the City any findings of damage to plants in writing with photo documentation and will be held responsible for replacement if failure to identify a problem and notify the City in writing prior to plant failure. Within thirty (30) days of the execution of the Contract a preliminary written report shall be submitted for major corrective problems not covered in the Contract along with the costs.

Contractor shall replace, at the Contractor's cost, any dead, stunted, or damaged plantings that are the result of the Contractor's negligence that are not addressed. Plants lost from Contractor's negligence shall be replaced, at the Contractor's expense, within thirty (30) days of discovery by City staff. Replacement plants shall be comparable in size to the lost plant up to a maximum size of a thirty-six (36) inch box, or if smaller, the size shall be approved by the City. Planting time frame will be at the discretion of the City and must be approved prior to work being performed.

The Contractor shall not be held responsible for plant losses due to maladies beyond the Contractor's control; this includes, but is not limited to, disease or insect attack for which there is no legal recommended control, acts of vandalism, earthquakes, fires, storms, freezing/frost, and related events. Contractor shall report all such conditions to the City in writing within seventy-two (72) hours of occurrence and submit a proposal for the work or repairs along with the costs. The Contractor shall obtain City's authorization prior to proceeding with the work. Failure to notify the City within seventy-two (72) hours of occurrence will result in replacement at the Contractor's cost as if the cause was Contractor negligence.

Plants in a state of decline shall be documented and brought to the City's attention for inspection immediately and before removal. The City shall pay labor and material for plant replacement not caused by Contractor negligence, as deemed by the City, on an actual time and material basis. Plants removed without notification to the City will be the Contractor's responsibility to replace.

The City shall approve all replacement plants that differ in species. However, replacing plants shall not be used by the Contractor as a substitute for proper care. The City will

consider Contractor negligence a breach of contract with full responsibility for costs and losses.

It shall be understood that new plantings may have different irrigation requirements than established plantings, and it shall be the Contractor's responsibility to ensure that new plantings have appropriate irrigation scheduling, and at no additional cost to the City. This includes plantings performed by Contractor as "Extra Work", as replacement plants, or those plants that may be installed by City staff or other third party, provided that the Contractor has received proper notification that such plantings have occurred.

Upon termination of the Contract, the City reserves the sole right to withhold final payment(s) in the amount necessary to replace any damaged or dying plant material that is a result of Contractor negligence, or to restore any site which is in a condition that is worse than when the Contract was executed.

4.2.26 Pesticide Use

Many federal and state agencies have jurisdiction over pest control activities related to use of pesticides, vegetation management, worker safety, hazardous material disposal, impacts of pesticide use on air and water quality and on wildlife. Primary pesticide regulation is by the US Environmental Protection Agency (EPA) with additional regulation and enforcement by the California Environmental Protection Agency. The California Department of Pesticide Regulation (DPR) is the regulatory arm of California EPA. Local enforcement of pesticide regulations performed by the Placer County Department of Agriculture.

Any pesticides used must be on the City's approved list for use. Contractor is responsible for acquiring a recommendation from a State of California licensed Pest Control Advisor and safety training of contract employees. Any damage to plants or other property due to pesticide use is the responsibility of the contractor.

Pesticides applications shall be excluded at School sites/property unless requested by the City.

4.2.26.1 Notification

Contractor shall notify the City at least one week prior to date of application of any pesticide, so irrigation schedule can be adjusted. The City will follow the same procedure when notifying the Contractor at sites where the contractor manages the irrigation schedule.

4.2.26.2 Reports

Contractor shall submit all pesticide applications through a pesticide use report to the County of Placer Agricultural Commissioner monthly. A copy of the monthly pesticide use reports shall be submitted to the City indicating

each site that has been treated the previous month and listing all chemicals used.

4.2.26.3 Storm Water

The City has a General Storm water Permit called the [State Water Resources Control Board, Water Quality Order No. 2013-001-DWQ, National Pollutant Discharge Elimination System \(NPDES\), General Permit No. CAS 000004](#). The intent of the permit is to reduce the discharge of pollutants in storm water to the maximum extent practicable, and in a manner designed to achieve compliance with water quality standards and objectives, and effectively prohibit non- storm water discharges into the municipal storm drain system and watercourses within the City and State. The Contractor is responsible for ensuring all landscape maintenance activities adhere to guidelines identified in the permit.

All fertilizers shall be kept out of the gutter and off the sidewalks. Fertilizer deposited onto the gutters, sidewalks or streets during application is to be blown back onto the landscape area immediately. Blowing of lawn clippings, leaves or other landscape debris into the gutter or storm drain inlets is strictly prohibited. No drains shall be obstructed by plant material or bark/mulch. During irrigation repairs, all mud and water is to remain in the landscape area. No turbid discharge is allowed into the gutter or drains.

4.2.27 Fertilization

The Contractor will be responsible for performing fertilizations of turf and landscape in parks, streetscapes, and designated facilities at the City's direction within specific time frames.

All fertilizations shall be considered "Extra Work" and shall not be included in the base bid. The City reserves the right to purchase all fertilizer products and have those products delivered to the Contractor. Timing of such deliveries and quantities will be determined jointly by the city and the Contractor.

The City also reserves the right to have the Contractor purchase the product directly and to include the product price in a quote for service. All major fertilizations shall conform to the City's agronomic calendar plan and City approved products.

4.2.28 Agronomic Calendar

On an annual basis the City establishes an agronomic calendar for the upcoming year. This calendar includes timing for pre and post emergent herbicide applications, fertilizer applications, aerification schedules, etc.

If requested by the City, the Contractor shall provide input on the yearly agronomic calendar. The calendar is a guiding tool for maintenance practices each year. The Contractor is expected to be able to perform requested

applications within specified timelines, except for uncontrollable circumstances such as weather. The Contractor shall notify the City in writing of such circumstances. The city will provide or approve products to be used throughout the city. The city understands that specific areas may require specific needs. Those needs may fall outside of the agronomic calendar and will be addressed on a case-by-case basis.

4.2.29 Bark Mulch

The Contractor shall notify the City when areas need new bark mulch. The City reserves the right to have the bark installed in any manner that it sees fit and by whomever it sees fit. If the city requests that new bark mulch, be added by the Contractor, it will be considered "Extra Work" in its entirety.

4.2.30 Clearance Tree Pruning

The Contractor shall prune trees for clearance as part of the base bid per current Parks & Landscape Maintenance Service Levels (Exhibit B).

4.2.31 Turf Management

Turf mowing and edging shall be performed as needed to meet the City parks and landscape service levels. Edging should not create gaps no wider than 1/4" around infrastructure.

When turf cannot be cut on the scheduled day due to rain, turf shall be cut as soon as weather and ground conditions permit. Sports field mowing should be done later in the week to provide the best possible playing surface on weekends. Any schedule change should be reported immediately.

4.2.32 Additional Work

Contractor shall agree to accept Additional Work assigned by City during each contract period, at the costs quoted in the proposal or at adjusted costs for succeeding annual periods. "Additional Work" is defined as future work or landscape maintenance in areas yet to be established, such as new park sites or new streetscapes.

4.2.33 Extra Work and Improvement Work

Extra Work and Improvement Work are not included as part of the base bid. Contractors shall provide a cost proposal for Extra Work. Improvement Work is described for reference only and does not require a cost proposal currently.

4.2.33.1 Extra Work

"Extra Work" is defined as those services and tasks specifically pertaining to Landscape Maintenance, as defined by the Department of Industrial Relations (DIR), either Routine or Complex, but beyond the service levels described herein. Any Extra Work will be considered additional requests above and beyond the base service levels identified in the Parks & Landscape Maintenance Standards (Exhibit A).

Below is a non-exhaustive list of items the City will deem Extra Work, provided they are not required because of Contractor's negligence or failure to perform its contracted duties:

- Repair of damaged or faulty irrigation (as described in Section 4.2.24.4)
- All fertilizations
- Seasonal turf renovation including de-thatching, over-seeding, and sod patching.
- Additional turf aerations beyond the assigned service level
- Replacement of plant material
- Replacement of seasonal color flowers
- Herbicide / pesticide application beyond the assigned service level
- Installation of bark / mulch / playground fiber
- Weed abatement, weed mowing, installation of firebreaks.
- Cleaning / repair of vandalism
- Any additional landscape maintenance work, at the City's sole discretion, that is not already described above and is not already a part of the contract scope.

Bid requests for hourly rates, unit costs, markups, etc. can be found in the Cost Proposal Bid Sheet for Extra Work (Exhibit C).

If tree pruning beyond basic clearance pruning is assigned as "Extra Work," the Contractor shall follow the tree pruning standards as described in the Parks & Landscape Maintenance Standards (Exhibit A). Additionally, the City maintains a current electronic inventory of every City owned tree. If any tree work is performed ranging from beyond basic clearance pruning to removal, the City's Urban Forester must be notified prior to work, and at the conclusion of work, so that proper records can be maintained.

The Contractor shall identify the tree on an aerial map with notes of the species and measured diameter at breast height (DBH) and provide the map to the Urban Forester. The Contractor shall be required to work with City staff to notify residents living near the tree work location will be completed prior to commencement of the work.

Emergency items, such as storm damage, do not require advanced notification.

Prior to the Contractor performing any Extra Work, the Contractor shall prepare and submit a written description of why the Extra Work is required, what type of work is proposed, and a cost estimate for the Extra Work as stated in the Cost Proposal Bid Sheet for Extra Work (Exhibit C). The cost estimate shall not exceed unit prices provided on the Cost Proposal Bid Sheet for Extra Work form, if applicable, unless otherwise agreed upon by the City that extenuating circumstances or field conditions warrant such adjustment.

No work shall commence without written authorization from the Parks Superintendent, or his designee.

Notwithstanding the above authorization, when a condition exists where there is imminent danger of injury to the public or damage to property, the Parks

Superintendent or his designee may verbally authorize the Extra Work to be performed upon receiving a verbal estimate from the Contractor. However, within twenty-four (24) hours after receiving a verbal authorization, the Contractor shall submit a written estimate to the Parks Superintendent for approval.

The cost estimate for Extra Work shall consist of the following elements:

- Unit costs, if applicable, or anticipated labor hours at appropriate rates provided in the Cost Proposal Bid Sheet for Extra Work (Exhibit C), unless certain higher wage rates are required for specific tasks.
- Actual cost of materials with negotiated percentage increase for overhead and profit, with a maximum markup of 10% over actual cost.

Materials may be provided by the City of Roseville.

All Extra Work shall commence on the specified date established and shall diligently proceed until completion.

Upon completion of the Extra Work the Parks Superintendent, or his designee shall be notified so that the work may be verified.

Contractor shall submit an invoice for compensation with the approved Cost Proposal Bid Sheet for Extra Work (Exhibit C). Photocopies of original invoices for materials shall be made available upon request of the City. If Contractor is using parts from its stock, an itemized list of parts used with unit prices shall accompany the invoice. Compensation shall not exceed the written estimate.

The Contractor's invoice shall be subject to audit and review by the City prior to payment.

The City reserves the right to repair and/or contract with a third party to perform Extra Work.

4.2.33.2 Improvement Work

Included for reference only, Improvement Work is defined as landscape-related services, tasks, or projects that require prevailing wage trade categories not covered by DIR under Landscape Maintenance and will be performed under a separate contract. This includes new landscape construction and renovation work.

Below is a non-exhaustive list of items the City will deem Improvement Work:

- New landscape construction projects.
- Large scale landscape conversions and renovations.
- Irrigation system conversions.
- New drainage installation.
- Concrete / hardscape / fence repair and installation.

2.1 Multiyear Agreements The initial contract will be from date of award through December 2028 with up to 3 renewals, two years each. .

The City reserves the right to renew the contract for additional years, two (2) years at a time at its sole discretion. The vendor receiving the contract award for the initial contract will retain that contract award throughout the life of the contract, including the optional renewal years.

The initial contract will be awarded based on the prices determined through the initial contract negotiation process. Sixty days prior to the expiration date of the current contract, the City is willing to re-negotiate out-year pricing (increases and/or decreases) based on market fluctuations. The pricing for each renewal year will be evaluated based on what the City deems to be fair and reasonable pricing. Any requests made by the vendor for a price increase must be fully documented utilizing an appropriate Consumer or Producer Price Index or other relevant market data to justify a price change. In its request for price increases Seller shall cite sources, specific conditions, and document how those conditions affect the cost. The City of Roseville is also willing to re-negotiate pricing if it is affected by catastrophic circumstances (example: unforeseen national/world crisis or acts of God).

Price adjustments will not be automatic. They must be mutually agreed upon by both the City and the vendor. The City will review the proposed pricing and determine if it is allowable, fair, reasonable, and in the best interest of the City to extend the agreement.

5.0 ASSURANCE OF DESIGNATED PROJECT TEAM

Proposer shall assure that the designated project team, including sub-consultants or sub-contractors (if any), is used for this project. Departure or reassignment of, or substitution for, any member of the designated project team, sub-consultant(s) or sub-contractor(s) shall not be made without the prior written approval of the City.

6.0 PROPOSAL FORMAT REQUIREMENTS

Each response to this RFP shall include the information described in this section. Provide the information in the specified order. Failure to include all of the information specified may be cause for rejection. Additional information may be provided but should be succinct and relevant to the goals of this RFP. Any additional information that a proposing Contractor wishes to include that is not specifically requested should be included in an appendix to the proposal.

Contractors are encouraged to keep the proposals brief and to the point, but sufficiently detailed to allow evaluation of the project approach. Unauthorized conditions, omissions, limitations or provisions attached to a proposal may render the proposal non-responsive and may cause its rejection.

Proposers are warned against making erasures or alterations of any kind, without initialing each and every such change. Proposals that contain erasures or irregularities of any kind, without such initialing, or omissions, may be rejected.

If provided via regular mail, the proposal should be bound or contained in a loose-leaf binder. Document pages shall be 8-1/2 inches by 11 inches in size or folded to such a size. Use section dividers, tabbed in accordance with this section as specified below.

6.1 Cover Letter with the following information:

- Title of this RFP

- Name and Mailing Address of Firm (include physical location if mailing address is a PO Box)
- Contact Person, Telephone Number, Fax Number, and Email Address
- A statement that the submitting Contractor will perform the services and adhere to the requirements described in this RFP, including any addenda (reference the addenda by date and/or number).

- 6.2 **Signature Requirements** - The attached Proposer's Certification (**Attachment A**) shall be executed by an official(s) legally authorized to bind the Contractor which states that the proposal is valid for ninety (90) days. Include the executed copy of the Proposer's Certification under Tab G. Note: This is ninety (90) days following the closing date for the receipt of all proposals.
- Proposals submitted on behalf of a Partnership shall be signed in the firm name by a partner or the Attorney-in-Fact. If signed by the Attorney-in-Fact, there shall be attached to the proposal a Power-of-Attorney evidencing authority to sign proposals, dated the same date as the proposal and executed by all partners of the firm.
 - Proposals which are submitted on behalf of a Corporation shall have the correct corporate name thereon and the actual signature of the authorized officer of the corporation written (not typed) below the corporate name. The title of the office held by the person signing for the corporation shall appear below the signature of the officer.
 - Proposals which are submitted on behalf of a Limited Liability Company ("LLC") shall be signed by the person or persons authorized to bind the LLC under the LLC's articles of organization.
 - Proposals which are submitted by an Individual Doing Business under a firm name ("dba") shall be signed in the name of the individual doing business under the proper firm name and style.
- 6.3 **TAB A: Firm's Qualifications** – Describe your firm and provide a statement of your firm's qualifications for performing the requested services. Identify the services which would be completed by your firm's staff and those that would be provided by sub-consultants or sub-contractors, if any. Identify any sub-consultants or sub-contractors you propose to utilize to supplement your firm's staff. Include the firm's organizational chart, including its constituent parts, and size variation of staffing levels in the past five (5) years.
- 6.4 **TAB B: Experience and References** – Provide a summary of your firm's experience in providing these or similar services. Provide a minimum of three (3) references for projects or services similar in nature and scope that your firm's team members have completed in the last five (5) years. Include brief descriptions of the projects, dates, client names and contact persons' names, addresses and telephone numbers. Public sector references are preferred.
- 6.5 **TAB C: Staffing, Resources and Service Description**– Provide details of your company's approach to the successful management of this contract based on the General Conditions in Section 4 and the Parks & Landscape Maintenance Standards (Exhibit A). Include detailed descriptions regarding your company's approach to the following operational items:
- Resources and methodology that will be used to complete each element of the requested services.
 - Describe how your company will make available the equipment and

supplies (i.e., machinery, signs, cones, tools, chemicals, etc.) needed to perform all work and where equipment will be stored.

- Communication methods between supervisors, office staff and field staff.
- Systems your company uses to assign, track, and evaluate work performed by employees.
- Staffing and work plans that include work strategies needed to maintain each park, district, or area throughout all seasons of the year.
- Describe your company's employee retention program and philosophy. Include an overview of employee benefits packages for all employee categories to be assigned to this contract, including supervisors, full-time line staff and part-time line staff for each area in the bid.

- 6.6 **TAB D: Project Understanding** – Based on the available information, supplemental research, field observations, and experience with similar projects, provide a narrative describing your understanding of the services requested in this RFP, your general approach and any major challenges to achieving the City's stated goals. Include any issues that you believe will require special consideration for this project. Also identify any unique approaches or strengths that your firm may have related to this project. City staff will assess your understanding of all aspects of the project based on the overview.
- 6.7 **TAB E: Customer Service and Quality Assurance** – Discuss your company's vision of customer service and quality assurance. Describe steps your company takes to ensure all staff will provide an exceptional experience to the public and the City of Roseville. Provide details and methodology on how your company performs quality control and measures taken to correct items not meeting the City of Roseville standards identified in General Conditions (Section 4.2) and in the Parks & Landscape Maintenance Standards (Exhibit A). Exhibit F provides a sample quality assurance document used by the City of Roseville. Please provide samples of documents your company uses to facilitate thorough quality assurance checks.
- 6.8 **TAB F: Chemicals** -- List the chemicals proposed for use in this Contract. Describe how each will be used and methods used to comply with the Department of Pesticide Regulation.
- 6.9 **TAB G: Irrigation**- Describe your company's plan and strategy for maintaining irrigation systems and preventative measures taken to ensure maximum efficiency and water conservation. Discuss experience with any centralized irrigation systems, specifically Motorola and Calsense. Include any strategies used in designating the responsibilities of the Contractor and the City and how it differs from a non-centrally controlled system.
- 6.10 **TAB H: Liability Issues**- Discuss how your company handles damage or theft claims from the public. What is the process you follow to ensure claims are handled in a timely manner?
- 6.11 **TAB I: Billing and Invoicing**- The City requires billing and invoices to meet the needs of our accounting and budgeting structure. Bills and invoices must be presented to the City in a timely manner. Invoices shall include district or general fund area name, if it is a Park, Landscape or Facility, Purchase Order Service Agreement number, Purchase Order Service Agreement line number and monthly cost or individual amount for specific work. In addition, "Extra Work"

invoices shall include a description of work performed, billable hours, cost for any parts, and grouping of work performed within a district or general fund area.

- Exhibits D and E provides sample invoices that shows the variety of districts, contracts and account information required on all billing invoices and a sample extra work invoice. Describe your company's ability to provide similar invoices or other options that will meet the needs as shown.

6.12 TAB J: Cost Proposal- The Parks and Landscape Maintenance Services RFP is formulated for the Contractor to provide a proposal for specific District zones in two geographical areas, Facilities, Schools sites, Non-Parks, Recreation & Libraries locations and Parks (Exhibit B) within the City of Roseville. This proposal can be for one area or all locations. The City reserves the right to award individual geographic zones to different contractors and/or negotiate cost proposals. Additionally, the City reserves the right to adjust the geographic zones and bid locations as needed.

Base bid prices shall include everything necessary for the completion of and fulfillment of the Contract, including but not limited to, furnishing all transportation, materials, equipment, and all management, supervision, permits, labor, and services, to comply with the designated service level, for each area, unless otherwise identified as "Extra Work" within this document.

Proposal prices shall include all applicable federal, state, and local taxes. The prices should be listed by yearly lump sums. The basis of payment shall be on a monthly fixed price basis or as otherwise agreed to in writing by the City.

All proposers must complete the Cost Proposal Bid Sheet for Routine Work (Exhibit B). Please provide a total cost to complete all services at each park, streetscape, school, and facility listed to meet the standard service level, unless otherwise noted, described in the Parks & Landscape Maintenance Standards (Exhibit A). Additionally, the Contractor shall provide pricing for the add alternatives as listed to allow the contracted services to be selected as needed to meet budgets in certain districts.

All proposers must complete the Cost Proposal Bid Sheet for Extra Work (Exhibit C). "Extra Work" is described in Section 4.2.27.1 and will not be considered part of the routine maintenance or base bid prices. Additionally, indicate what your material markup is over wholesale price.

The Parks and Landscape Maintenance Services RFP reflects consistent maintenance service levels across the City. Depending on proposal prices submitted and the current funding status, the City may be required to lower or increase services to individual zones or areas based on funding availability.

Examples of possible reductions include mowing less frequently, or no fertilization or aeration. Possible increases could include adding an additional pruning cycle, additional weed management or more mowing. The City will only award a contract if the cost of the agreement is at or below the approved funding allotment for specific areas, parks, and districts.

The initial proposed pricing must be in effect for eighteen (18) months based on the time period of the initial contract. At the request of the Contractor, City and Contractor will meet and revise prices to be effective for the next fiscal year (July 1– June 30) in January of each year. This increase shall not exceed 3% in any one year, including any extensions in the term

of the Agreement. City also agrees to adjust payments to reflect changes in work quantities and to pay for new work assigned to Contractor at the contract rates then in effect. Adjustments to quantities may be requested by either party and is subject to field verification by City.

- 6.13 **TAB K: Required Statements/Documents** – Include statements of assurance regarding the following requirements in the proposal:
- Non-substitution for the designated members of the team without approval by City staff **(Section 5.0)**
 - The absence of a conflict of interest **(Section 10.4)**
 - Indicate your ability and agreement to fulfill the indemnification and insurance requirements contained in the sample contract **(Section 10.7)**. (Please note that actual certificates of insurance are not required as part of your submittal.)
 - A statement that nothing contained in the submitted proposal will be proprietary. **(Section 10.23)**

Submit the following documents with proposal:

- Proof of registration with California Secretary of State. **Note:** All proposers must be registered with the Secretary of State or have a valid exemption by the time of award.
 - Executed copy of Proposer's Certification **(Attachment A)**
 - Levine Act Disclosure Statement Form **(Attachment B)**
 - Contractor Licenses **(Attachment C)**
 - Subcontractor List **(Attachment D)**
 - Executed copy of Non-collusion Declaration **(Attachment E)**
- 6.14 **TAB H: Exceptions** – Describe any and all proposed exceptions, alterations or amendments to the Scope of Services or other requirements of this RFP, including the Sample Contract **(Attachment F)**. The nature and scope of your proposed exceptions may negatively affect the evaluation of your submittal and the City's determination of whether it is possible to successfully negotiate a contract with your firm.
- 6.15 **TAB I: Competency of Proposers** – The City wants to ensure that the successful Contractor has the necessary facilities, ability, experience, and financial resources to provide the services specified herein in a satisfactory and timely manner. Please list and explain any pending bankruptcies, liens, stop payment notices, judgments, lawsuits, arbitrations, mediations, foreclosures, and any similar actions filed or resolved in the past seven (7) years. Please indicate whether a client has ever terminated a contract with your firm for breach, and if so, please explain. Also, furnish a statement of financial resources demonstrating that the Contractor has the ability to maintain a staff of regular employees, sub-consultants or sub-contractors adequate to ensure continuous performance of work, and demonstrating that the equipment for the work contemplated is sufficient, adequate and suitable.

7.0 SUBMITTAL INSTRUCTION

- 7.1 Your submittal package shall include the following:
If mailing, the below guidelines apply.

- **One (1) original and four (4) printed copies** of your proposal; and
- **One (1) electronic copy** of your proposal in PDF format on a flash drive or other electronic media

OR

If submitting your proposal via electronic mail, then send one (1) copy of the proposal to cityclerkroseville@roseville.ca.us. The file size limit is 25 megabytes.

- 7.2 Proposals shall be submitted not later than the time and date indicated on the cover page of this RFP. If mailing the proposal, then it shall be submitted in a sealed envelope or container and clearly marked with the RFP title on the outside of the parcel. **Complete and attach the “Sealed Proposal” label to the outside of the envelope or package containing your proposal.**

- 7.3 Proposals shall be delivered to:

City of Roseville
Attn: City Clerk Department
311 Vernon Street
Roseville, CA 95678

Or electronically mailed to: cityclerkroseville@roseville.ca.us

- 7.4 The City shall not be responsible for proposals delivered to a person or location other than that specified herein.
- 7.5 Postmarks will not be accepted, and proposals received after the deadline date and time will not be accepted or considered. **No exceptions.**
- 7.6 The City reserves the right to waive minor defects and/or irregularities in proposals and shall be the sole judge of the materiality of any such defect or irregularity.
- 7.7 All costs associated with proposal preparation shall be borne by the proposer.

8.0 EVALUATION CRITERIA

The following evaluation criteria and rating schedule will be used to determine the most highly qualified firm(s).

<u>Evaluation Criteria</u>	<u>Maximum Points Possible</u>
A. Experience and qualifications of firm and proposed staff/sub-consultants/sub-contractors	15

(per Sections 6.3 - 6.5)	
B. Understanding of the Project – Proposed Project Plan (per Section 6.6 – 6.7)	35
C. Proposed Cost (per Section 6.8)	25
D. Performance and Ability	15
E. Customer Service and Quality	10
Total Possible Points:	100

9.0 SELECTION PROCESS

- 9.1 Award of the RFP shall be made to the responsible proposer whose proposal is determined, through a formal evaluation panel process, to be the most advantageous to the City after the evaluation panel has taken into consideration the evaluation factors set forth in the RFP. A master score sheet shall be created based on the evaluation panel's initial evaluation. Proposals shall be scored according to the criteria stated in the RFP.
- 9.2 Proposals submitted will be reviewed by a selection committee. Contractors that have submitted the best and most complete proposals may be invited to an interview. The number of Contractors invited to an interview may vary depending upon the number of proposals submitted.
- 9.3 Should the City elect to conduct interviews with any proposers, the following criteria shall be considered and each proposer ranked by the evaluation panel during the interview process: a) Quality of presentation, b) Ability to meet the City's business goals, c) Communication style.
- 9.4 The City reserves the right to make a selection after review of the proposals without oral interviews; therefore, the proposal should be submitted initially on the most favorable terms that the Contractor might propose.
- 9.5 A contract will be negotiated with the Contractor considered best meeting the City's need for this project. In the event a mutually satisfactory contract cannot be negotiated with the City's first choice, negotiations may be terminated and commenced with the Contractor considered next best in meeting the City's needs for this particular project.
- 9.6 The selected Contractor will be required to execute a City prepared contract. The contract may further refine the scope of services and will provide for the terms and conditions of employment.
- 9.7 The award of any contract is expressly contingent upon City Council approval and the availability of funds. City staff may not legally bind the City to a contract.

- 9.8 The City reserves the right to reject any or all proposals, or to waive minor irregularities in said proposals, or to negotiate minor deviations with the successful Contractor(s). In the case of differences between written words and figures in a proposal, the amount stated in written words shall govern. In the case of a difference in unit price versus the extended figure, the unit price shall govern.
- 9.9 The City reserves the right to seek clarification on any or all proposal submittals to ensure the RFP specifications are met. Proposals may be rejected from any proposer who does not comply with the City's request for clarification.
- 9.10 Once a decision has been made to award the contract, then a formal notice of the intent to award to the recommended proposer(s) shall be made by the Department.
- 9.11 A City of Roseville business license as well as all applicable permits, licenses and certifications required by local, state or federal law are required before the award of contract.

10.0 GENERAL TERMS & CONDITIONS

- 10.1 **Standard Contract.** Upon completion of the evaluation and recommendation for award, the selected Contractor will be required to execute an agreement prepared by the City, a sample of which is included as **Attachment F**.
- 10.2 **Independent Contractor.** At all times the Contractor shall represent himself/herself to be an independent contractor offering such services to the general public and shall not represent himself/herself, or his/her employees, to be an employee of the City. Therefore, the Contractor shall assume all legal and financial responsibility for taxes, FICA, employee fringe benefits, workers' compensation, employee insurance, minimum wage requirements, overtime, etc., and agrees to indemnify, save, and hold the City, its officers, agents, and employees, harmless from and against, any and all loss, cost (including attorneys' fees), and damage of any kind related to such matters.
- 10.3 **Non-Appropriation.** The City may terminate any resulting contract at the end of any fiscal year, June 30th, without further liability other than payment of debt incurred during such fiscal year, should funds not be appropriated by its governing body to continue services for which the contract was intended.
- 10.4 **Conflict of Interest.** The Contractor shall warrant that no official or employee of the City has an interest, has been employed or retained to solicit or aid in the procuring of the resulting contract, nor that any such person will be employed in the performance of such contract without immediate divulgence of such fact to the City. Contractors submitting a proposal in response to this RFP must disclose any actual, apparent, direct, indirect, or potential conflicts of interest that may exist with respect to the Contractor or the Contractor's management or employees relative to the services to be provided to the City. Conflict of interest issues may require consultation with legal counsel. If a Contractor has no conflicts of interest, a statement to that effect must be included in the proposal.

Violation of this section shall be a material breach of the contract entitling the City to any and all remedies by law or in equity.

- 10.5 **Undue Influence.** The Contractor shall warrant via an executed Proposer's Certification (**Attachment A**) that no undue influence or pressure is used against or in concert with any officer or employee of the City in connection with the award or terms of the contract that will be executed as a result of this RFP, including any method of coercion, confidential financial arrangement or financial inducement. No officer or employee of the City shall receive compensation, directly or indirectly, from the Contractor, or from any officer, employee or agent of the Contractor, in connection with the award of the contract or any work to be conducted as a result of this RFP. Violation of this section shall be a material breach of the contract entitling the City to any and all remedies by law or in equity. Additionally, the Contractor shall provide a completed Levine Act Disclosure Statement form (**Attachment B**). A party to a proceeding before an agency involving a license, permit, or other entitlement for use, including contracts not competitively bid and awarded to the lowest responsible bidder with a responsive bid shall disclose on the record of the proceeding any contribution in an amount of more than two hundred fifty dollars (\$250) made within the preceding 12 months by the party or the party's agent to a City official/campaign. (Gov. Code, § 84308.) For additional information: https://www.roseville.ca.us/government/departments/city_clerk/transparency/levine_act.
- 10.6 **Non-Collusion.** Contractors submitting proposals shall warrant via an executed Proposer's Certification (**Attachment A**) that their offer is made without any previous understanding, agreement or connection with any person, firm or corporation submitting a separate proposal for the same project and is in all respects fair, without outside control, collusion, fraud or otherwise illegal action. This condition shall not apply to proposals which are submitted by firms who have partnered with others to submit a cooperative proposal that clearly identifies a primary contractor and the associated sub-consultants or sub-contractors. Proposers shall also submit a properly completed and executed "Non-collusion Declaration" which is attached as **Attachment E**.
- 10.7 **Indemnification & Insurance Requirements.** The City's standard indemnification and insurance requirements are provided in the sample contract, included in **Attachment F**. All costs of complying with the insurance requirements shall be as included in your pricing. The selected Contractor shall provide complete and valid insurance certificates within ten (10) days of the City's written request. Failure to provide the documents within the time stated may result in rejection of the Contractor's proposal. If a proposer takes exception to the indemnification and insurance requirements, then the nature and scope of the proposed exceptions may negatively affect the evaluation of that proposer's submittal and the City's determination of whether it is possible to successfully negotiate a contract with that firm. Submitting exceptions are at the proposer's own risk.
- 10.8 **Cost of Preparing Proposal.** The City will not pay any costs incurred by any Contractor in preparing or submitting a proposal in response to this RFP.
- 10.9 **Proposals Property of the City.** All documents or materials submitted with or in conjunction with any proposal, including but not limited to electronic files, shall become

the property of the City after the proposal submission deadline. No submission documents will be returned. During negotiations, the scope of services may be amended by the City and negotiated based upon ideas provided by other proposers or any other source.

10.10 Proposals are Public Records. All proposals submitted are subject to the public disclosure requirements under the laws of the State of California, unless the City identifies and exercises a right or obligation to exempt any record from public disclosure. However, proposals will not be disclosed until negotiations are complete and a recommendation for selection and award is made.

10.11 Protests.

(a) Protest Requirements

(1) Any proposer who is aggrieved in connection with the solicitation or award of a contract may file a protest with the City Clerk's office. The protest must be received in writing by the City Clerk's office within seven (7) calendar days after such aggrieved proposer 1) knows or should have known of the facts giving rise thereto or 2) the date of the notice of intent to award, whichever is sooner. In no event shall a protest be allowed after an award has been made by City Council. If the seventh calendar day falls on a weekend or City holiday, the protesting party may submit the protest prior to close of business on the first business day following such weekend or holiday. Failure to submit a timely protest shall bar consideration of a protest.

(b) Grounds for Protest

(1) The alleged grounds for protest shall be limited to the following: (a) computation errors, (b) violations of local, state, or federal law, or (c) the City failed to follow the procedures specified in this Policy.

(2) The protest shall state all grounds claimed for the protest and include supporting documentation. Failure to clearly state the grounds for the protest and provide supporting documentation shall be deemed a waiver of all protest rights.

(c) Administrative Review

Upon receipt of the protest and after determining the protest was properly filed, the Department Director shall provide a copy of the protest to other proposers who might become aggrieved as a result of the protest and issue a written decision within fourteen (14) calendar days after receipt of the protest. The protest will be evaluated by the Department Director, the City Attorney's Office, and the Purchasing Manager. The protesting proposer shall promptly provide any information requested by City staff as part of such investigation. The decision shall either deny or uphold the protest and include reasons for the decision. The written decision shall be final.

(d) Stay of Action During a Protest

In the event a protest is filed under Section 10.11, the City shall not proceed further with the award of the contract until the protest is resolved, unless:

(1) The City Manager or designee makes a determination that the award of the contract without delay is necessary to protect a substantial interest of the City, or

(2) The City decides to reject all proposals and issue a new RFP.

- 10.12 **Rejection of RFP.** The City reserves the right to reject any or all proposals, to waive defects or irregularities in any proposal or in the RFP process, and to offer to negotiate or contract with any Contractor in response to any RFP. This RFP does not constitute any form of offer to contract.
- 10.13 **Multiple Award.** The City reserves the right to award the contract to multiple contractors when applicable.
- 10.14 **Increasing/Decreasing Portions of RFP.** The City reserves the right to increase or decrease the amount of any portions of the work represented in the RFP and/or to omit portions of said work, as may be deemed necessary by the City.
- 10.15 **Rejection as Non-Responsive.** Proposals may be rejected as non-responsive at the City's sole discretion if there are alterations of form, the proposal is conditional or the proposal is incomplete.
- 10.16 **Modifying RFP.** The City reserves the right to modify any portion of, or to postpone or cancel this RFP at any time, and/or reject any and all submissions without indicating any reason.
- 10.17 **If no proposal is accepted,** the City may elect to have the services performed in some other manner.
- 10.18 **Rejecting Team Members, Firms or Sub-contractors.** The City reserves the right to reject individual team members, firms, sub-consultants or sub-contractors and request substitution prior to contract award.
- 10.19 **Local Business, Small Business, Minority and Women Owned Business.** Although no preferences will be given, the City highly encourages submission of proposals by local businesses, by small business owners, and by minority and women-owned businesses.
- 10.20 **Withdrawal of Proposals.** Proposals may be withdrawn prior to the date and time specified for proposal submission with a formal written notice by an authorized representative of the proposer delivered to the City Clerk's Office. Proposals submitted will become property of the City after the proposal submission deadline.

Proposals may not be withdrawn for ninety (90) days after the due date unless the City enters into a contract with another Contractor prior to the expiration of that ninety (90) day period.

- 10.21 **Prohibited Transmittals.** No telephone or facsimile proposals will be accepted. If a photocopy is submitted, the proposal must be signed in ink.
- 10.22 **Proposal Postponement and Amendment.** The City reserves the right to revise or amend the RFP or specifications up to the time set for opening of the proposals. Such revisions and amendments, if any, shall be announced by amendments to this RFP through the City's web site. Copies of such amendments shall be furnished to all prospective proposers. Prospective proposers are defined as those proposers who have registered and are on the City's RFP list for this material/service. If revisions and amendments require changes in quantities, prices or scope of services, the date set for opening of the proposals may be postponed by such number of days as in the opinion of the City shall enable proposers to revise their proposals. Proposals which fail to acknowledge a substantive addendum to the RFP, as determined by the City Attorney's Office, on the City supplied addendum form will be rejected as non-responsive. Any revisions or amendments to the RFP will become incorporated into any contract awarded pursuant to the RFP.
- 10.23 **Proprietary Information.** Proposers submitting a proposal in response to this RFP must provide a statement that nothing contained in the submitted proposal will be proprietary. However, if a proposer desires to claim a privilege against public disclosure for a trade secret or other proprietary information, such information must be submitted with the proposal in a separate envelope marked "confidential." The City Attorney's Office will determine if the information is in fact proprietary, based on state and federal law. Note that under California law, a price proposal to a public agency is not a trade secret. The Contractor shall defend, indemnify and hold harmless the City regarding any claim by any third party for the public disclosure of the "confidential" portion of the proposal.
- 10.24 **Right to Request Additional Information.** During the evaluation process, the City reserves the right, where it may serve the best interests of the City, to request additional information and clarifications from proposers. Such information will be requested in writing to the specific proposer. This information will become a part of the original proposal submitted by the specific proposer and will be used by the City in evaluating the proposal and will not be shared with other proposers during the evaluation and negotiation process.
- 10.25 **Modification of Proposals.** Modification of a proposal already received will be considered only if the modification is received prior to the deadline date for receiving proposals. All modifications shall be made in writing, executed, and submitted in the same form and manner as the original proposal.
- 10.26 **Examination of Contract Documents.** Each proposer shall thoroughly examine and be familiar with the terms of this RFP, the sample contract attached as **Attachment F**, legal and procedural documents, general conditions, specifications, and addenda (if any), which will constitute the contract documents. Submission of a proposal shall constitute

acknowledgement, upon which the City may rely, that the proposer has thoroughly examined and is familiar with the contract documents. Failure or neglect of a proposer to receive or examine any of the contract documents shall in no way relieve the proposer of any obligation with respect to their proposal or to the contract. No claim for additional compensation will be allowed which is based upon lack of knowledge of any contract document.

- 10.27 **Non-Discrimination.** The City maintains various policies related to contractual service providers. Among these is an anti-discrimination policy, which requires that the City's contractors not discriminate in hiring on the basis of gender, race, religion, sexual orientation, medical condition, and all other categories protected by law. Upon acceptance of a proposal, the City may request that the selected Contractor sign a statement affirming its compliance with this policy.
- 10.28 **No Assignment or Modifications.** This awarded contract is to be binding on the successors and assigns of the parties hereto. The services called for herein are deemed unique and except as provided herein Contractor shall not assign, transfer, subcontract, or otherwise substitute its interest in the agreement or any of its obligations herein without the written consent of the City. The Agreement may be modified only by a written amendment signed by the parties.
- 10.29 **Bankruptcy.** Upon filing for any bankruptcy or insolvency proceeding whether voluntary or involuntary, or upon the appointment of a receiver, trustee, or assignee for the benefit of creditors, the Contractor must notify the City immediately. Upon learning the actions herein identified, the City reserves the right, at its sole discretion, to cancel the contract.
- 10.30 **Debarment.** Contractor certifies that Contractor, its employees, directors, officers, agents, subcontractors, vendors, consultants, and volunteers are not presently debarred, excluded, suspended, declared ineligible, voluntarily excluded, or proposed for debarment, exclusion, suspension or ineligibility by any federal, state, or local department or agency.

Attachment A

PROPOSER'S CERTIFICATION

I hereby propose to furnish the goods or services specified in the Request for Proposals ("RFP"). I agree that my proposal will remain firm for a period of up to ninety (90) days in order to allow the City of Roseville ("City") adequate time to evaluate the qualifications submitted.

I have carefully examined the Request for Proposals and any other documents accompanying or made a part of this RFP. The information contained in this proposal is true and correct to the best of my knowledge and is signed under penalty of perjury under the laws of the State of California. I further certify that I am duly authorized to submit this proposal on behalf of the firm as its authorized agent and that the firm is ready, willing and able to perform if awarded the contract.

I further certify that this proposal is made without prior understanding, agreement, connection, discussion, or conspiracy with any other person, firm or corporation submitting a proposal for the same product or service; that this proposal is fair and made without outside control, collusion, fraud or illegal action; that no officer, employee or agent of the City or any other proposer is financially interested in said proposal; that no undue influence or pressure was used against or in concert with any officer, employee or agent of the City in connection with the award or terms of the contract that will be executed as a result of this RFP; and that the undersigned executed this Proposer's Certification with full knowledge and understanding of the matters therein contained and was duly authorized to do so.

LEVINE ACT DISCLOSURE STATEMENT

(The completed form submitted to the City of Roseville is a public record.)

California Government Code Section 84308, commonly referred to as the "Levine Act," prohibits any "Officer" (elected or appointed officer, any alternate thereto, and any candidate for elective office) from participating in any consideration or action related to a proceeding if they receive political contribution(s) from a party, or its agent(s), totaling more than \$250 within the previous twelve (12) months, while a proceeding is pending, and for twelve (12) months following the date of a final decision in a proceeding concerning a license, permit, other entitlement for use, franchise, or contract (collectively "license, permit, or contract"). For additional information: https://www.roseville.ca.us/government/departments/city_clerk/transparency/levine_act.

City Officers are listed at the following sites:

- The Members of City Council - https://www.roseville.ca.us/government/city_council/meet_council
- Boards & Commission Members - https://www.roseville.ca.us/government/boards_commissions

Parties and their Agents are responsible for reviewing and disclosing their applicable contributions to City Officers on the record of a proceeding.

1. Have you or your entity, or any agent on behalf of you or your entity, made any political contribution(s) totaling more than \$250 to any City Officer in the twelve (12) months preceding the date of the submission of your license, permit, or contract, or the anticipated date of any City Council, Board, or Commission consideration or action related to this license, permit, or contract?

YES ____ NO ____

If yes, please identify the City Officer(s): _____

2. Do you or your entity, or any agent on behalf of you or your entity, anticipate or plan to make any political contribution(s) totaling more than \$250 to any City Officer in the twelve (12) months following any City Council, Board, or Commission consideration or action related to this license, permit, or contract?

YES ____ NO ____

If yes, please identify the City Officer(s): _____

Answering yes to either of the two questions above does not preclude the City of Roseville from considering and/or taking action on a license, permit, or contract. It does, however, potentially preclude the identified City Officers from participating in consideration of and in taking any actions related to the license, permit, or contract. Please accurately complete and sign this form, under the penalty of perjury:

(Date)

(Printed Name/Title of Authorized Representative)

(Name of business/legal entity)

(Signature)

You must submit a supplemental form if you make any new reportable contribution(s) while the contract, license, permit, or other entitlement is being considered. If this form has not previously been submitted in connection with a contracting, licensing, entitlement or permitting process, please provide the completed form to the Office of the City Clerk for appropriate departmental routing, at: City Clerk, 311 Vernon St., Roseville, CA 95678, CityClerkRoseville@roseville.ca.us

LEVINE ACT DISCLOSURE STATEMENT

(The completed form submitted to the City of Roseville is a public record.)

Term	Definition	Law
Covered "proceedings"	A proceeding to grant, deny, revoke, restrict, or modify a license, permit or other entitlement for use, that does not solely involve purely ministerial decisions and is: (1) Applied for by the party; (2) Formally or informally requested by the party; or (3) A contract between the agency and the party or a franchisee granted by the agency to the party, other than a contract that is competitively bid , a labor contract , or a personal employment contract .	FPPC Reg 18438.2(a)
Party	Any person who files an application for, or is the subject of, a proceeding involving a license, permit, or other entitlement for use.	Gov. Code 84308(a)(1)
Participant	Any person who is not a party but who actively supports or opposes a particular decision in a proceeding involving a license, permit, or other entitlement for use and who has a financial interest in the decision. A person actively supports or opposes a particular decision in a proceeding if that person lobbies in person the officers or employees of the agency, testifies in person before the agency, or otherwise acts to influence officers of the agency.	Gov. Code 84308(a)(2) FPPC Reg 18438.4
Agent	A person who represents a party or participant for compensation and appears before or otherwise communicates with the governmental agency for the purpose of influencing the pending proceeding. See FPPC Reg 18438.3 for exceptions for certain consultants.	FPPC Reg 18438.3
Competitively Bid	A contract required by law to be awarded to the lowest responsible bidder with a responsive bid, or, if the successful bidder refuses or fails to execute the contract, to the next lowest bidder with a responsive bid.	FPPC Reg 18438.2(a)(3)(A)
Labor Contract	A contract or agreement reached through collective bargaining or with a representative group regarding the salary, benefits, or terms and conditions under an employment or retirement policy for employees or retirees, including a project labor agreement entered under Public Contract Code Section 2500.	FPPC Reg 18438.2(a)(3)(B)

Personal Employment Contract	A contract for employment, including the terms and conditions of employment, between the agency and an agency employee. A contract with an independent contractor is NOT a personal employment contract.	FPPC Reg 18438.2(a)(3)(C)-(D)
-------------------------------------	--	---

A **party** to a proceeding before an agency involving a license, permit, or other entitlement for use **shall disclose on the record of the proceeding** any contribution in an amount of more than two hundred fifty dollars (\$250) made within the preceding 12 months by the party or the party's agent.

A **party, or agent to a party**, to a proceeding involving a license, permit, or other entitlement for use pending before any agency or a participant, or agent to a participant, in the proceeding **shall not make a contribution** of more than two hundred fifty dollars (\$250) to any officer of that agency during the proceeding and for 12 months following the date a final decision is rendered by the agency in the proceeding.

(Gov. Code, § 84308, emphasis added.)

**NONCOLLUSION DECLARATION TO BE EXECUTED BY
BIDDER AND SUBMITTED WITH BID**

The undersigned declares:

I am the _____ of _____, the party making the foregoing bid.

The bid is not made in the interest of, or on behalf of, any undisclosed person, partnership, company, association, organization, or corporation. The bid is genuine and not collusive or sham. The bidder has not directly or indirectly induced or solicited any other bidder to put in a false or sham bid. The bidder has not directly or indirectly colluded, conspired, connived, or agreed with any bidder or anyone else to put in a sham bid, or to refrain from bidding. The bidder has not in any manner, directly or indirectly, sought by agreement, communication, or conference with anyone to fix the bid price of the bidder or any other bidder, or to fix any overhead, profit, or cost element of the bid price, or of that of any other bidder. All statements contained in the bid are true. The bidder has not, directly or indirectly, submitted his or her bid price or any breakdown thereof, or the contents thereof, or divulged information or data relative thereto, to any corporation, partnership, company, association, organization, bid depository, or to any member or agent thereof, to effectuate a collusive or sham bid, and has not paid, and will not pay, any person or entity for such purpose.

Any person executing this declaration on behalf of a bidder that is a corporation, partnership, joint venture, limited liability company, limited liability partnership, or any other entity, hereby represents that he or she has full power to execute, and does execute, this declaration on behalf of the bidder.

I declare under penalty of perjury under the laws of the State of California that the foregoing is true and correct and that this declaration is executed on _____ [date], at _____ [city], _____ [state].

This Contract Purchase Agreement is sent for your review and acceptance. Notify the Buyer via email of any needed changes to the company name, address, and contact information. The Buyer will update the agreement prior to you signing the document.

Return signed copies of the agreement to the Buyer noted on the agreement. Alterations or modifications to the agreement are not allowed. Upon receipt of all necessary documents, the City will sign the agreement and return a fully executed copy to you. Receipt of the signed copy will be your notice to proceed with the work in accordance with the terms and conditions of the agreement. Work must not begin until the contract has been fully executed.

The following guidelines must be followed for the signature block on the agreement:

Sole proprietorship - **By owner**

Partnership - **Any general partner**

Corporation - **Two options:**

(1) A signature from the President and the corporate seal; **OR**

(2) One signature from the Chairman of the Board, President, or any Vice President **AND** one signature from the Secretary, any Assistant Secretary, Chief Financial Officer, or any Treasurer or Assistant Treasurer of the corporation

*General Manager, Office Manager and/or Sales Manager are **not** corporate officer titles. The agreement will be rejected if not signed in accordance with these guidelines.

Insurance requirements:

The City's insurance requirements are referenced on Attachment A of the agreement. By signing the agreement, you are confirming that your company has the minimum insurance limits required.

Contract Terms and Conditions

1. To the fullest extent allowed by law, Contractor shall defend, indemnify, and save and hold harmless the City, its officers, agents, employees and volunteers from any claims, suits or actions of every name, kind and description brought forth, or on account of, injuries to or death of any person (including but not limited to workers and the public), or damage to property, resulting from or arising out of Contractor's willful misconduct or negligent act or omission while engaged in the performance of obligations or exercise of rights created by this Agreement, except those matters arising from City's sole or active negligence or willful misconduct. The parties intend that this provision shall be broadly construed. Contractor's responsibility for such defense and indemnity obligations shall survive the termination or completion of this Agreement for the full period of time allowed by law. The defense and indemnity obligations of this Agreement are undertaken in addition to, and shall not in any way be limited by, the insurance obligations contained in this Agreement.
2. Contractor is an independent contractor, and shall not be considered an officer, agent or employee of the City.
3. Without the written consent of the City, this Agreement is not assignable by Contractor either in whole or in part.
4. Time is of the essence of this Agreement.
5. At any time during the term of this Agreement, the City has the right to terminate this Agreement, provided Contractor is given thirty (30) days written notice. City's termination shall be without further liability to City; however, Contractor shall be entitled to all costs reasonably incurred prior to the date of termination. Contractor acknowledges that City may terminate this Agreement should funds not be appropriated by its governing body to continue services under this Agreement.
6. This Agreement may only be amended or modified in writing. It is integrated and contains the complete understanding of the parties.
7. All equipment, supplies and services sold to the City of Roseville shall conform to the general safety orders of the State of California.
8. Unless notified to the contrary, in writing, the City assumes that the Contractor has accepted the work in accordance with the plans and specifications (if any) and agrees to do the work in compliance with this Agreement.
9. All prevailing wages and fair employment practices must be adhered to. For prevailing wage contracts over \$25,000, copies of certified payroll must be submitted with invoices. Prevailing wage rates may be obtained from the State Department of Industrial Relations and/or the following website address: <http://www.dir.ca.gov/dlsr/DPreWageDetermination.htm>. In compliance with Labor Code Section 1773.2, as may be amended from time to time, Contractor shall cause a copy of this website to be posted at each jobsite, as applicable.
10. Contractor agrees to the below insurance requirements:
 - a. Unless otherwise specified, the Contractor shall maintain the policies of insurance outlined in Attachment A, incorporated herein by this reference, in full force and effect during the term of this Agreement. The City of Roseville retains sole discretion in determining the types and proper levels of insurance coverage.
 - b. Form. Contractor shall submit a certificate evidencing such coverage for the period covered by this Agreement in a form satisfactory to Risk Management and the City Attorney, prior to undertaking any work hereunder. Any insurance written on a claims made basis is subject to the approval of Risk Management

and the City Attorney.

- c. Additional Insureds. Contractor shall also provide a separate endorsement or section of the policy showing City, its officers, agents, employees, and volunteers as additional insureds for each type of coverage (except Workers' Compensation) and for ongoing and completed operations. Such insurance shall specifically cover the contractual liability of Contractor. The additional insured coverage under the Contractor's policy shall be primary and noncontributory, as evidenced by a separate endorsement or section of the policy, and shall not seek contribution from City's insurance or self-insurance. In addition, the additional insured coverage shall be at least as broad as the Insurance Services Office (ISO) CG 20 01 Endorsement. Any available insurance proceeds in excess of the specified minimum insurance coverage requirements and limits shall be available to the additional insureds. Furthermore, the requirements for coverage and limits shall be:
 - (1) the minimum coverage and limits specified in this Agreement; or
 - (2) the full coverage and maximum limits of any insurance proceeds available to the named insureds, whichever is greater.
- d. Cancellation/Modification. Contractor shall provide thirty (30) days written notice to City prior to cancellation or modification of any insurance required by this Agreement.
- e. Umbrella/Excess Insurance. The limits of insurance required in this Agreement may be satisfied by a combination of primary and excess insurance. Any excess insurance shall contain or be endorsed to contain a provision that such coverage shall also apply on a primary and noncontributory basis for the benefit of City (if agreed to in a written contract) before City's own insurance shall be called upon to protect it as a named insured.
- f. Subcontractors. Contractor agrees to include in its contracts with all subcontractors the same requirements and provisions of this Agreement, including the indemnity and insurance requirements, to the extent they apply to the scope of the subcontractor's work. Furthermore, Contractor shall require its subcontractors to agree to be bound to Contractor and City in the same manner and to the same extent as Contractor is bound to City under this Agreement. Additionally, Contractor shall obligate its subcontractors to comply with these same provisions with respect to any tertiary subcontractor, regardless of tier. A copy of City's indemnity and insurance provisions will be furnished to the subcontractor or tertiary subcontractor upon request.
- g. Self-Insured Retentions. All self-insured retentions (SIR) must be disclosed to Risk Management for approval and shall not reduce the limits of liability. Policies containing any SIR provision shall provide or be endorsed to provide that the SIR may be satisfied by either the named insured or City. City reserves the right to obtain a full certified copy of any insurance policy and endorsements. The failure to exercise this right shall not constitute a waiver of such right.
- h. Waiver of Subrogation. Contractor hereby agrees to waive subrogation which any insurer of Contractor may acquire from Contractor by virtue of the payment of any loss under a Workers Compensation, Commercial General Liability or Automobile Liability policy. All Workers Compensation, Commercial General Liability and Automobile Liability policies shall be endorsed with a waiver of subrogation in favor of City, its officers, agents, employees and volunteers for all work performed by Contractor, its employees, agents and subcontractors.
- i. Liability/Remedies. Insurance coverage in the minimum amounts set forth herein shall not be construed to relieve Contractor of liability in excess of such coverage, nor shall it preclude City from taking such other actions as are available to it under any other provisions of this Agreement or law.

11. Contractor shall comply with all federal, state and local laws and ordinances, including but not limited to the City's storm water regulations, as may be applicable to the performance of services under this Agreement. Failure to comply with local ordinances may result in monetary fines and cancellation of this Agreement. Refer to www.roseville.ca.us/stormwater for links to more information on the City's storm water regulations.
12. In the event that the terms of any attachment or exhibit conflict with any terms of this Agreement, the terms of this Agreement shall control.
13. This Agreement may be executed in one or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument. In the event that any signature is delivered by facsimile transmission or by e-mail delivery of a ".pdf" format data file, such signature shall create a valid and binding obligation of the party executing (or on whose behalf such signature is executed) with the same force and effect as if such facsimile or ".pdf" signature page were an original thereof.
14. If either party commences any legal action against the other party arising out of this Agreement or the performance thereof, the prevailing party in such action shall be entitled to recover its reasonable litigation expenses, including but not limited to, court costs, expert witness fees, discovery expenses, and attorneys' fees. Any action arising out of this Agreement shall be brought in Placer County, California, regardless of where else venue may lie. This Agreement shall be governed by and construed in accordance with the laws of the State of California.
15. This Agreement shall be binding upon the heirs, successors, executors, administrators and assigns of the respective parties hereto.
16. If any of the provisions contained in this Agreement are for any reason held invalid or unenforceable, such holding shall not affect the remaining provisions or the validity and enforceability of the Agreement as a whole.
17. For purposes of this Agreement, the terms "Contractor," "Consultant," and "Supplier" are used interchangeably.
18. No contractor or subcontractor may work on a public works project unless registered with the Department of Industrial Relations pursuant to Labor Code section 1725.5. During the performance of this agreement, Contractor and its subcontractors shall have a continuing legal obligation to maintain current registration with the Department of Industrial Relations. Contractor is hereby notified that this project is subject to compliance monitoring and enforcement by the Department of Industrial Relations.
19. Vehicles with a gross vehicle weight rating (GVWR) greater than 8,500 lbs. and light-duty package delivery vehicles operated in California may be subject to the California Air Resources Board (CARB) Advanced Clean Fleets regulations. Such vehicles may therefore be subject to requirements to reduce emissions and air pollutants. For more information, visit the CARB Advanced Clean Fleet webpage at <https://ww2.arb.ca.gov/our-work/programs/advanced-clean-fleets>.
20. Contractor/consultant's duties and services under this agreement shall not include preparing or assisting the public entity with any portion of the public entity's preparation of a request for proposals, request for qualifications, or any other solicitation regarding a subsequent or additional contract with the public entity. The public entity entering this agreement shall at all times retain responsibility for public contracting, including with respect to any subsequent phase of this project. Contractor/consultant's participation in the planning, discussions, or drawing of project plans or specifications, if any, shall be limited to conceptual, preliminary, or initial plans or specifications. Contractor/consultant shall cooperate with the public entity to ensure that all bidders for a subsequent contract on any subsequent phase of this project have access to the same information, including all conceptual, preliminary, or initial plans or specifications prepared by contractor pursuant to this agreement.
21. Contractor must submit all claims as defined in and in accordance with the claim

resolution process set forth in Section 9204 of the Public Contract Code. Each such claim must be sent to the City by registered mail or certified mail with return receipt requested and must contain reasonable documentation to support the claim. All claims must be received prior to acceptance of the work.

22. Contractor certifies that Contractor, its employees, directors, officers, agents, subcontractors, vendors, and volunteers are not presently debarred, excluded, suspended, declared ineligible, voluntarily excluded, or proposed for debarment, exclusion, suspension or ineligibility by any federal, state, or local department or agency.
23. This Agreement may be amended via change order, but only if such change order is made in writing, approved by the City, and signed by both parties.
24. CONTRACTOR agrees to defend and indemnify CITY if, despite the parties intent and practice, any venue, agency, or court with competent jurisdiction determines that CONTRACTOR and/or any of its agents, officers, employees, volunteers, independent contractors, or subcontractors, are characterized as employee(s) of CITY.

CONTRACTOR and CITY agree that: (a) CONTRACTOR is free from the control and direction of CITY in connection with the performance of the work; (b) CONTRACTOR is providing services directly to CITY; (c) CONTRACTOR has and will maintain at all relevant times a business license; (d) CONTRACTOR maintains a business location that is separate from CITY; (e) CONTRACTOR is customarily engaged in an independently established business of the same nature as that involved in the work performed hereunder; (f) CONTRACTOR actually contracts with other businesses to provide the same or similar services and maintains a clientele without restrictions from CITY; (g) CONTRACTOR advertises and holds itself out to the public as available to provide the same or similar services; (h) CONTRACTOR provides its own tools, vehicles, and equipment to perform the services; (i) CONTRACTOR has negotiated its own rates; (j) CONTRACTOR set its own hours and location of work in accomplishing CITY's on-call needs; and (k) CONTRACTOR has the right to control the manner and means of accomplishing the result desired and exercises its own expert independent judgement.

The supplier named hereon by the acceptance of this order agrees to the provisions of this document titled "Contract Purchase Agreement" and all accompanying terms, conditions, and attachments.

Insurance Submission Process

The City of Roseville Human Resources/Risk Management Department uses a service called EBIX to manage our insurance certificate tracking.

How It Works

- The vendor's contact information is entered into EBIX. EBIX will contact the vendor to request proof of insurance.
- The Vendor can forward the request to their Insurance Agent(s) if necessary.
- Vendor/Insurance Agent submits insurance to EBIX by email to roseville@ebix.com or by fax to (770) 325-5727. After faxing or emailing the certificate, please DO NOT send the certificate by mail to EBIX. Please do not mail, email or fax any certificates to the City of Roseville.
- Once submitted, EBIX reviews the insurance documentation. If there are deficiencies, EBIX will send a follow up letter or email requesting additional information.

Questions Regarding Insurance Submission: Contact EBIX at (951) 652-4239

Questions Regarding Insurance Requirements Contact Risk Management at (916) 774-5202

Asbestos-Containing Materials in City-Owned Buildings

California Health and Safety Code Section 25915 requires that all City of Roseville employees, contractors and lessees be notified annually of the presence of asbestos in City-owned buildings constructed prior to 1979. Please post this notice in an area(s) accessible to all employees, contractors and lessees. Contact Facility Maintenance & Operations at (916) 774-5740 for more information about Asbestos Containing Materials (ACMs) in specific City-owned buildings. For more information about asbestos refer to the OSHA website.

The City of Roseville is committed to maintaining a safe and healthy work environment. The City's Facility Maintenance & Operations staff conducts ongoing inspections to identify and safely manage previously installed asbestos-containing products. Renovation of City-owned buildings **MUST** be reviewed in advance by Facility Maintenance & Operations to ensure the City is in compliance with building codes, Americans with Disabilities Act and that no ACMs are disturbed without proper safeguards. Work that requires removal or repair of ACMs is restricted to trained and qualified persons only. **Facility Maintenance & Operations will need to approve the qualified contractors.**

Use the following measures to protect you and others from exposure to airborne asbestos:

- Presume all building materials contain asbestos until determined otherwise by Facility Maintenance & Operations.
- Do not install walls, closets, cabinets, ceilings.
- Do not remove, cut, drill, sand, grind or otherwise disturb any material in the buildings, including carpet and tile.
- Do not paint (this includes any walls, ceilings, floors and electrostatic painting of office furniture).
- Do not remove any items nailed or screwed to the walls (this includes pictures, cabinets, electrical, etc.).
- Do not go above ceilings, behind walls or into building spaces such as attics and crawlspaces unless these areas have been inspected and cleared by Facility Maintenance & Operations.
- Do not pull cable or wiring through above-ceiling spaces with asbestos.
- Do not install screws, pins, nails or hangers into asbestos ceiling or wall plaster.
- Be careful not to damage walls, ceilings or floors when moving furniture or equipment. It is recommended that Facility Maintenance & Operations be contacted prior to moving furniture or equipment.
- Do not brush, sweep or vacuum textured asbestos ceiling plaster or plaster debris.
- Immediately report any damage or deterioration of suspect building materials to Facility Maintenance & Operations or Risk Management.

It is important to note that the presence of asbestos does not mean you have been exposed. Exposure results when friable asbestos particles are inhaled or ingested. Asbestos becomes friable when material containing asbestos is drilled, sanded or disturbed by remodeling or demolition work or when the ACM has deteriorated. Intact, bonded, sealed or undisturbed asbestos does not pose a hazard.

Employees may review the asbestos survey reports, results of bulk sampling or air monitoring conducted in City-owned buildings. All asbestos data will be available by appointment with Facility Maintenance & Operations.

Facilities Built Pre 1979 That May Contain Asbestos	Year Built
Downtown Library - 225 Taylor Street 95678	1974
Carnegie Museum - 557 Lincoln Street 95678	1912
Tower Theatre - 415 Vernon Street 95678	1940

Notice of Exemption

To: Placer County Clerk
Recorder's Office
2954 Richardson Drive
Auburn, CA 95603

From: City of Roseville
Development Services Dept.
311 Vernon Street
Roseville, CA 95678

Project Title: 2024 Parks and Landscape Maintenance Services RFP

Project Location(s): Within City-owned and managed park sites, Roseville, CA.

Project Description: The project is a Request for Proposals (RFP) by the Parks, Recreation and Libraries Department to contract for park and landscape maintenance and repair services. The contract would authorize up to four optional renewal years of the contract without further Council action. This would provide for ongoing park maintenance and equipment repairs and would not result in an expansion of use or capacity.

Public Agency Approving Project: Roseville City Council

Agency/Individual Carrying Out Project: City of Roseville Parks, Recreation & Libraries Department

Reason why this Project is Exempt: This project qualifies for a Class 1 Exemption as described in Section 15301 of the California Environmental Quality Act (CEQA) guidelines which states:

"Class 1 consists of themaintenance,...of existing public facilities,...involving negligible or no expansion of existing or former use.... Examples include but are not limited to: (d) Restoration or rehabilitation of deteriorated or damaged structures, facilities, or mechanical equipment to meet current standards of public health and safety... and (h) Maintenance of existing landscaping..."

The project involves landscape maintenance and repairs to existing equipment. No environmentally sensitive resources are located within any of the properties; therefore the Class 1 exemption is applicable to the proposed project.

Lead Agency Contact Person: Eric Dexter, Parks & Open Space Superintendent, Parks, Recreation & Libraries Department Services, 316 Vernon Street, Roseville, CA 95678. (916) 746-1769.

Title: Western Placer Groundwater Sustainability Agency - Agreement Amendments
Contact: Janice Gainey 916-774-5535 jrgainey@roseville.ca.us

Meeting Date: 12/18/2024
Item #: 7.19.

RECOMMENDATION TO COUNCIL

Staff recommends that the City Council:

1. Adopt a resolution approving the First Amendment to the Western Placer Groundwater Sustainability Agency (WPGSA) Memorandum of Agreement and authorizing the City Manager to execute it; and
2. Adopt a resolution approving the First Amendment to the Participation Agreement with California-American Water Company and authorizing the City Manager to execute it.

BACKGROUND

In 2014, the California Legislature passed the Sustainable Groundwater Management Act (SGMA), which became effective on January 1, 2015. The primary requirements of SGMA include that:

- Groundwater Sustainability Agencies (GSAs) be formed by June 30, 2017, and
- Groundwater Sustainability Plans (GSPs) for high and medium priority basins be submitted by January 31, 2022.

The North American Subbasin (NASb or Subbasin) underlies portions of Placer, Sacramento, and Sutter counties and is classified as a high priority basin. In May 2017, City Council approved a Memorandum of Agreement (MOA) with the cities of Roseville and Lincoln, the Placer County Water Agency, and the Nevada Irrigation District to form the West Placer Groundwater Sustainability Agency (WPGSA) to manage groundwater in the Placer County portion of the Subbasin. In July 2017, City Council approved a Participation Agreement with California-American Water Company to participate in the WPGSA. In January 2019, the WPGSA agencies executed a Memorandum of Agreement (MOA) with the four other GSAs in the Subbasin (Reclamation District 1001 GSA, Sacramento Groundwater Authority GSA, South Sutter Water District GSA, and Sutter County GSA) to jointly fund, develop, and submit a single basin-wide Groundwater Sustainability Plan (GSP). The final GSP was adopted by the NASb GSAs and submitted to the California Department of Water Resources (DWR) in January 2022. DWR approved that GSP in July 2023.

In 2022, the NASb GSAs executed a MOA to jointly fund ongoing implementation of the GSP. Since then, the WPGSA and NASb GSAs have been implementing the GSP by monitoring the Subbasin, completing projects and management actions to further the sustainability of the Subbasin, and reporting annually to the State. Through implementation, it has become apparent that updates to the WPGSA MOA and Participation Agreement are needed to ensure that certain GSP-required actions are properly performed, and to clarify the responsibilities related to shared assets. The items that have been incorporated into the First Amendments to the WPGSA MOA and Participation Agreement are as follows:

- The Nevada Irrigation District (NID), which was an initial member agency of the WPGSA, formally withdrew from the WPGSA in June of 2022 (NID Resolution 2021-37). The Amendment removes NID as a member agency of the WPGSA.
- The GSP (and SGMA) requires that if certain conditions exist (e.g., lowering groundwater levels that exceed minimum thresholds or cause undesirable results) an investigation must be performed to determine the cause and identify potential mitigation measures, if warranted. However, neither the GSP nor SGMA provide much detail as to the process. The Amendments enforce the requirement to conduct an investigation and provide a process for completing the investigation.
- The WPGSA agencies independently or jointly own and operate groundwater monitoring wells, and related equipment, utilized for SGMA compliance. There is a need to ensure joint responsibility for the maintenance of those assets (e.g., well maintenance, well destruction, parts replacement, etc.) and any other assets acquired as part of SGMA implementation. The Amendments specify that the WPGSA members shall share the operating and maintenance costs of the shared assets, via the WPGSA annual budget process, and maintain a list of those shared assets covered by the MOA, which will be amended from time to time as assets are acquired.
- Other minor language and formatting modifications have been made to incorporate the sections added by the Amendment.

Following the approval of the First Amendment to these agreements, similar language will be utilized for an amendment to the NASb GSP Implementation MOA between the NASb GSAs. Staff expects that amendment to be brought back for Council's approval in 2025.

FISCAL IMPACT

There is no cost associated with this action. The WPGSA MOA and Participation Agreement obligate the member and participating agencies to fund their fair share portion of general operating and administrative costs of the WPGSA, as required by the original MOAs and established by the annual budget process, subject to approval by those agencies. The City's share of WPGSA costs on an annual basis has been between \$30,000 to \$50,000 per year. Staff expects that to remain similar in future years. Funds for the City's contribution under the MOA are included in the current FY2024-25 budget and will be included in the FY2025-26 budget and each annual budget during these SGMA responsibilities.

ENVIRONMENTAL REVIEW

The California Environmental Quality Act (CEQA) does not apply to activities that will not result in a direct or reasonably foreseeable indirect physical change in the environment, or is otherwise not

considered a project as defined by CEQA Statute §21065 and CEQA State Guidelines §15060(c)(3) and §15378. Agreement amendments do not result in direct or indirect changes in the environment. No additional environmental review is required.

CITY COUNCIL STRATEGIC PLAN/OVERARCHING GOALS

Goal B - Support community engagement and advocacy

Goal E - Deliver exceptional city services

Respectfully Submitted,

Janice Gainey, Principal Engineer

Richard Plecker, Environmental Utilities Director

Dominick Casey, City Manager

Resolution 24-424

First Amendment to the WPGSA Memorandum of Agreement

Resolution 24-425

First Amendment to the Participation Agreement with California American Water Company

RESOLUTION NO. 24-424

APPROVING AMENDMENT NO. 1 TO THE MEMORANDUM OF AGREEMENT
ESTABLISHING THE WEST PLACER GROUNDWATER SUSTAINABILITY AGENCY

WHEREAS, on June 30, 2017, City Council approved the Memorandum of Agreement establishing the West Placer Groundwater Sustainability Agency (WPGSA); and

WHEREAS, the members of the WPGSA wish to amend said agreement to ensure that certain Groundwater Sustainability Plan required actions are properly performed, and to clarify the responsibilities related to shared assets; and

WHEREAS, Amendment No. 1 to the Memorandum of Agreement establishing the West Placer Groundwater Sustainability Agency has been reviewed by the City Council.

NOW, THEREFORE, BE IT RESOLVED, by the Council of the City, that said amendment is hereby approved and that the City Manager is authorized to execute behalf of the City of Roseville.

PASSED AND ADOPTED by the Council of the City of Roseville this ____ day of _____, 20_, by the following vote on roll call:

AYES COUNCILMEMBERS:

ABSENT COUNCILMEMBERS:

MAYOR

ATTEST:

City Clerk

**Amendment No. 1 to the Memorandum of Agreement Establishing the West Placer
Groundwater Sustainability Agency (WPGSA)**

WHEREAS, on June 30, 2017 the City of Lincoln, a municipal corporation, City of Roseville, a municipal corporation, the Nevada Irrigation District, a California irrigation district (NID), the Placer County Water Agency, a special district (PCWA), and the County of Placer, a political subdivision of the state of California (all hereafter known individually as a “Member” and collectively “Members”) entered into that agreement titled Memorandum of Agreement Establishing the West Placer Groundwater Sustainability Agency (“Agreement”); and

WHEREAS, on November 10, 2021, Nevada Irrigation District submitted notice to the other Members withdrawing from the Agreement; and

WHEREAS, such withdrawal of NID became effective as of June 6, 2022 (Note: it is 180 days after written notice is provided) pursuant to subsection C of section VI of the Agreement; and

WHEREAS, the Members have begun to implement the Groundwater Sustainability Plan (GSP) to comply with the Sustainable Groundwater Management Act; and

WHEREAS, the remaining Members now desire to amend the Agreement pursuant to this Amendment No. 1.

THEREFORE, in consideration of the mutual obligations set forth herein, the Members hereby agree as follows:

1. Adding new sections under III. FORMATION, PURPOSE AND POWERS to include the following.

E. Enforcement of Sustainability Obligation. Each member shall strive to avoid any groundwater related action(s) that could cause a condition that interferes or conflicts with the Sustainable Management Criteria (SMC), as defined in Section 8 of the North American Subbasin (NASb) GSP, such as the exceedance of any Minimum Thresholds (MTs) that may lead to undesirable results as defined by the Sustainable Groundwater Management Act (SGMA). The process for this is defined in Exhibit C.

F. Shared Assets. The WPGSA’s assets, known as Shared Assets, have been created or acquired by joint funding by the Member Agencies or grants. These Shared Assets are deemed required for the SGMA related monitoring or reporting activities within the WPGSA as defined in the NASb GSP (Section 7, Monitoring Networks) or they can be infrastructure projects that the Member Agencies of the WPGSA decide to develop and build to support the sustainability of the WPGSA portion of the subbasin. These existing and future assets shall be maintained by the WPGSA members and are defined in Exhibit

D and periodically updated as they come on-line. Members shall share in the operating and maintenance costs of the Shared Assets, via the WPGSA annual budget process, including well maintenance, well destruction, replacement of transducers, and one barometric probe per well. Shared Assets will not include wells or other equipment that are not primary to the NASb GSP and are used consistently (over 75%) for other individual Member activities (such as an Agency production well that is also used for monitoring data).

2. Modifying sections under III. FORMATION, PURPOSE AND POWERS to include updating the numbering system and minor wording changes for the following.

G. Appointment and Actions of the Administrator. The Members hereby initially appoint Placer County to be the Administrator of this Agreement. The Members and California American Water Company (CAWC) may change the Administrator with a request by any agency that leads to a majority vote of the Members and CAWC. The Administrator will be responsible for confirming and communicating to all other Members and CAWC, in writing, the actions approved by the Members and CAWC from time to time. In carrying out its duties under this Agreement, the Administrator shall comply with the legal and regulatory requirements applicable to the Administrator (e.g., procurement procedures). The Administrator shall have the authority to take the following actions to the extent they are consistent with the approved Budget, the terms of this Agreement and the agreed upon scope of activities developed by the Member and CAWC Representatives:

1. To undertake or arrange for approved activities in accordance with the provisions of this Agreement;
2. To apply for, receive and disburse Funds for use in carrying out the purposes of this Agreement;
3. To accumulate Funds for the purposes herein mentioned,
4. To make and enter into contracts reasonably necessary to carry out the purpose of this Agreement, consistent with the approved Budget and agreed upon scope of activities. All Member agencies shall be given the option to be part of any procurement item associated with the WPGSA.

H. Duties of Individual Members. Each Member agrees to undertake activities and reasonable actions as feasible and within their jurisdictional authority to carry out the purposes of SGMA within the WPGSA portion of the Subbasin.

1. The City of Roseville will be the Member implementing SGMA and the GSP within the limits of the City of Roseville.

2. The City of Lincoln will be the Member implementing SGMA and the GSP within the limits of the City of Lincoln.
3. The County of Placer will be the Member, implementing SGMA and the GSP within the limits of the WPGSA Boundary including that portion of the Nevada Irrigation District within Placer County, excluding the limits of the Cities of Lincoln and Roseville.
4. The Placer County Water Agency will be the Member implementing SGMA and the GSP within the limits of the WPGSA Boundary, excluding the limits of the Cities of Lincoln and Roseville and the boundary of the Nevada Irrigation District.
5. Each Member agrees to undertake such additional proceedings or actions within each Member's jurisdictional limits as may be necessary in order to carry out the terms and intent of this Agreement and SGMA. The support of each Member is required for the success of the Agency. This support will involve the following types of actions:
 - i. Each Member will provide support to its fellow Member Representative and any third party facilitating the development of the GSP by making available staff time, information, and facilities within available resources.
 - ii. Policy support shall be provided by the Members to either approve, or respond quickly to, any recommendations made as to funding shares, operational decisions, and other policy areas.
 - iii. Each Member shall contribute its share of operational fund allocations, as established by the Member Representatives in the annual Budget, subject to the approval of the individual Members.
6. Contributions of public funds and of personnel, services, equipment, or property may be made to the Agency by any Member for any of the purposes of this Agreement provided that no repayment will be made for such contributions unless otherwise agreed by the Members.

I. Amendments. This Agreement may be amended from time to time by a unanimous vote of the Members. Any amendment shall be approved by each governing body.

J. Duties of California American Water. Through a separate Participation Agreement, the Members expect that California American Water will agree to undertake activities and actions to carry out the purposes of SGMA within the GSA portion of the Sub basin, including actions similar to those of Members as set forth in Section H.4., above.

K. Term. This Agreement shall be effective as of the Effective Date and shall remain in effect until terminated in accordance with Article VI of this Agreement.

L. Boundaries of the Agency. The geographic boundaries of the Agency and that portion of the North American Sub basin that will be managed by the Agency pursuant to SGMA are depicted in Exhibit A.

3. Adding clarifying language to sections within IV. GOVERNANCE to include support of the new sections of Enforcement of Sustainability Obligation and Shared Assets.

A. Member and CAWC Representatives. Agency activities shall be carried out by the Member and CAWC Representatives, subject to the terms of the Participation Agreement with CAWC.

1. Actions of the Member Representatives. Upon approval of this Agreement by the governing body of each Member, each Member shall appoint a staff member and an alternate to act as its Member Representative. A Member Representative shall have authority to take action under this Agreement on behalf of the Member that he or she represents, in accordance with that Member's permissions afforded by action of the governing body, executive leadership, existing policy, or municipal code, consistent with agreed upon scope of activities and the Budget.
2. CAWC Representative. Subject to the terms of a separate Participation Agreement, CAWC shall appoint a staff member and an alternate to act as its CAWC Representative. The CAWC Representative shall have authority to take action under this Agreement on behalf of CAWC, consistent with agreed upon scope of activities and the Budget.
3. Member and CAWC Representatives may take action contemplated by this Agreement at a regular monthly meeting or other means unanimously approved by the Member and CAWC Representatives from time to time, in writing.
4. All activities undertaken pursuant to this Agreement as part of the Joint Effort shall be agreed upon as provided in Section IV.C.
5. Within 30 days of the effective date of this Agreement, the Member and CAWC Representatives will develop a scope of proposed activities consistent with the Budget.

B. Quorum. A majority of the total membership of the Members and CAWC Representatives will constitute a quorum of the Agency.

C. Voting. Except as to actions identified in Sections D, E, and F, below, as applicable, the Members and CAWC, through their Member and CAWC Representatives, will conduct all business by majority vote of the total membership. Prior to voting, the Member and CAWC Representatives shall endeavor in good faith to reach consensus on the matters to be determined such that any subsequent vote shall be to confirm the consensus of the Member and CAWC Representatives. If any Member or CAWC Representative strongly objects to a consensus-based decision prior to a vote being cast, the Representative shall work in good faith to reasonably resolve such strong objection, and, if the same is not resolved collaboratively, then the matter will proceed to a vote for final resolution.

D. Unanimous Vote Requirement for Certain Actions. The following actions will require a unanimous vote by the Member and CAWC Representatives:

1. Approval of the Agency's annual budget.
2. Decisions related to any recommendation to the individual Members with respect to levying assessments or imposing property-related fees and charges for the purposes set forth in this Agreement.

E. Vote and Approval Reserved to Members. The following actions will require the approval of the governing body of individual Members:

1. Decisions to provide the funds developed in the Agency's annual budget, as approved by the Member and CAWC Representatives.
2. Decisions related to the expenditure of funds by the Agency beyond expenditures approved in the Agency's annual budget.
3. Decisions related to the establishment of the Members' percentage obligations for payment of the Agency's operating and administrative costs.
4. Approval of a GSP.
5. Decisions related to levying assessments or imposing property-related fees and charges.
6. Decisions related to regulatory matters provided for in the GSP.
7. Decisions related to the sustainability obligation of the NASb Parties, the WPGSA, or a combination of both, to identify and correct action(s) causing MT exceedance/undesirable result(s) within the Subbasin, as identified by the investigation process.

8. Decisions related to participation in State, federal, local, or private company grants.
9. Any other actions as may be determined appropriate by the Member and CAWC Representatives.

F. Vote and Approval Reserved to California American Water. Subject to a separate Participation Agreement with California American Water, the following actions will require the approval of California American Water:

1. Decisions to provide the funds developed in the Agency's annual budget, as approved by the Member and CAWC Representatives.
 2. Decisions related to the expenditure of funds by the Agency beyond expenditures approved in the Agency's annual budget.
 3. Decisions related to the establishment of the California American Water's percentage obligation for payment of the Agency's operating and administrative costs.
 4. Any other actions as may be determined appropriate by the Member and CAWC Representatives.
 5. Decisions related to the sustainability obligation of the NASb Parties, the WPGSA, or a combination of both, to identify and correct action(s) causing MT exceedance/undesirable result(s) within the Subbasin, as identified by the investigation process.
4. Adding clarifying language to sections within V. FINANCIAL PROVISIONS to include support of the new sections of Enforcement of Sustainability Obligation and Shared Assets.

A. Contributions and Expenses: Members and, subject to a separate Participation Agreement, California American Water, shall share in the general operating and administrative costs of operating the Agency in accordance with the percentages set forth in Exhibit B attached hereto and incorporated herein. Members and, subject to a separate Participation Agreement, California American Water, shall share in the operating and maintenance costs, via the WPGSA annual budget process, including well maintenance, well destruction, replacement of transducers, and one barometric probe for those Shared Assets that were originally funded by grants or other joint funding means to support the related reporting activities within the WPGSA as defined in the NASb GSP. Those shared assets are defined in Exhibit D and shall be updated as shared assets are increased or destroyed. Shared assets will not include wells or other

equipment that are not primary to the GSP and are used consistently (over 75%) for other individual Member activities (such as an Agency production well that is also used for monitoring data).

B. Initial Contributions. Upon execution of this Agreement, each of the Members, and, subject to a separate Participation Agreement, California American Water shall each contribute the amounts specified in Exhibit B to the Agency for initial costs. Such funds may be used in the discretion of the Member and CAWC Representatives to fund the activities of the Agency including, without limitation, engineering services.

C. Budget. The Agency's fiscal year shall run from July 1 through June 30. Each fiscal year, the Member and CAWC Representatives shall prepare and agree upon a Budget for the Agency for the ensuing fiscal year. The annual budget shall include funding a reserve account which will be proposed and voted on each year, to be maintained by the Administering Agency Member, for the purpose of funding potential Shared Asset costs.

Within ninety (90) days of the effective date of this Agreement, the Member and CAWC Representatives shall prepare and agree upon a Budget. Thereafter, a Budget shall be agreed upon no later than May 31 of the preceding fiscal year. The Budget must be agreed upon by unanimous vote of the Member and CAWC Representatives and approved by the governing body of the individual Members and by California American Water.

D. Alternate Funding Sources. The Agency may obtain State of California, federal, local, or private company grants but shall not create any indebtedness without approval of all of the individual Members and California American Water.

E. Accounting of Funds. At the request of any Member or CAWC, the Administrator shall provide for an accounting of funds collected and disbursed for the current or prior fiscal year.

5. Adding clarifying language to sections within VI. CHANGES TO MEMBERSHIP, WITHDRAWAL AND TERMINATION to include support of the new sections of Enforcement of Sustainability Obligation and Shared Assets.

A. Termination. The Members may agree in writing to terminate this Agreement prior to the expiration date. Prior to termination of this Agreement, the Members and CAWC will work in good faith to ensure that a GSA will continue to implement SGMA and the GSP within the GSA Boundary. The Members recognize and acknowledge that the failure to ensure a GSA will continue to implement SGMA and the GSP may result in regulation of the Subbasin by the California State Water Resources Control Board. Any shared assets shall be offered to Member Agencies for ownership, if no Member Agency desires to accept any of the Shared Assets then they shall be

assigned to the California State Water Resources Control Board or other DWR approved SGMA entity for the area under the WPGSA boundary.

- B. Disposition of Property Upon Expiration or Termination. Upon expiration or termination of this Agreement, any surplus Funds will be returned to the Members and/or California American Water in proportion to the contributions made by them except for any Funds obligated to pay for expenses incurred prior to the date of termination. Any Shared Assets that were being operated and maintained shall be offered to Member Agencies for ownership, if no Member Agency desires to accept any of the Shared Assets, then they shall be assigned to California State Water Resources Control Board or other DWR approved SGMA entity for the area under the WPGSA boundary.
- C. Withdrawal of a Member. Any Member may withdraw from this Agreement effective upon one hundred eighty (180) day's written notice to all other Members and California American Water. The withdrawing Member and the Administrator, on behalf of the remaining Members, shall execute an amendment to this Agreement memorializing the withdrawal. A withdrawing Member shall be responsible for its share of financial obligations incurred under this Agreement prior to the effective date of the withdrawal. Upon notice of the withdrawal of a Member, the withdrawing Member and the remaining Members will negotiate in good faith to ensure a GSA retains regulatory authority over the GSA Boundary. If the withdrawing Member Agency is maintaining a shared asset, then that asset maintenance shall be transferred to another Member Agency of the WPGSA with no compensation other than what is budgeted for that asset maintenance.
- D. Use of Data. Upon withdrawal, any Member shall be entitled to use any data or other information developed by the Agency during its time as a Member. Further, should a Member withdraw from the Agency after completion of the GSP, and in the event that Member becomes the GSA for that area of the Subbasin within its legal boundary, it shall be entitled to utilize the GSP for future implementation of SGMA within its legal boundary.

- 6. Adding a new Exhibit for (Exhibit C) the Enforcement of Sustainability Obligation Process
- 7. Adding a new Exhibit for (Exhibit D) the Descriptions and Map of Shared Assets of the WPGSA

All other terms and conditions of the original Agreement shall remain in full force and effect.

IN WITNESS THEREOF, the Members have executed this Amendment No. 1 to the Agreement, and it is effective as of the date of the last signatory written below.

Exhibit C Enforcement of Sustainability Obligation Process

The following defines the general process the WPGSA will undertake after the initial detection of an MT exceedance as documented in section 8 the Sustainable Management Criteria of the 2021 adopted NASb GSP.

“After the initial detection of an MT exceedance, the WPGSA will:

- *Take confirmation measurements.*
- *If the exceedance is confirmed, initiate an investigation to assess the cause of the exceedance.*
- *Identify if there are impacts as a result of the MT exceedance and possible mitigation measures, if impacts are noted.”*

The below outlined process provides the framework and actions that may be necessary to address conditions interfering or conflicting with the NASb GSP. The additional process shall be followed by the WPGSA to encourage continued sustainable groundwater management of the NASb in accordance with the SGMA.

A minimum threshold (MT) exceedance means that a measurement taken officially by the WPGSA or their designated consultant /agent under the course of GSP exceeds (i.e., worse) then the MT level established in the most current adopted version of the NASb GSP. If an MT exceedance occurs the following actions shall be taken:

1. For any **single or initial MT exceedance within the WPGSA**, meaning the measurement exceeds the established MT level which did not follow a prior MT exceedance in accordance with the timeframe established in the GSP, the WPGSA or WPGSA’s designated consultant or other responsible agent shall:
 - a. Within 4 weeks of the initial measurement, measure and record a confirmation measurement collected consistent with the monitoring standards and requirements documented in the GSP.
 - i. If the confirmation measurement is also in exceedance of the MT level, the WPGSA and then the NASb GSAs shall discuss the significance of the difference of the measurement in comparison to the MT level, general trend of water levels at this location and local area, and other factors such as significance of this trend in context of beneficial uses and users at the location and area to determine if any immediate action is recommended.
 - ii. If the confirmation measurement does not exceed the MT level, the WPGSA shall inform the other NASb GSAs of the time and value of the

reading. The measurement shall be provided to the GSAs so it can be properly documented in the NASb GSP Annual Report.

2. For any **two consecutive fall (autumn) MT exceedances** (not occurring in drought years), the following actions shall occur.
 - a. Within 4 weeks of the second sample collection, a confirmation measurement shall be measured and recorded consistent with the monitoring standards and requirements documented in the GSP.
 - i. If the confirmation measurement is also in exceedance of the MT level, the WPGSA and then the NASb GSAs shall discuss the significance of the difference of the measurement in comparison to the MT level, general trend of water levels at this location and local area, and other factors such as significance of this trend in context of beneficial uses and users at the location and area will be discussed by to determine if any immediate action is recommended. Additionally, the NASb Coordination Committee shall discuss and potentially create actions in accordance with item 3.
 - ii. If the confirmation measurement does not exceed the MT level, the WPGSA shall collect an additional measurement at a different time of day approximately 1 week later. If that measurement results in an MT exceedance the WPGSA and then the NASb Coordination Committee shall discuss and potentially create actions in accordance with item 3 below. If that measurement does not exceed the MT level, it will be determined that a validation of two consecutive fall MT exceedances did not occur.
3. If the confirmation measurement for two consecutive fall MT exceedances is also in exceedance, the WPGSA and then the NASb Coordination Committee shall discuss and potentially develop actions.
 - a. The NASb GSA shall vote at the next NASb GSA coordination meeting to decide if an investigation of the MT exceedance is warranted. The vote shall occur according to the requirements defined in the NASb MOA. A majority of NASb GSA votes of a quorum shall be required.
 - b. If the NASb GSAs vote affirmatively that an investigation is necessary, at a minimum, the investigate shall include:
 - i. A limited study of the potential impacts to beneficial uses and users (as defined in SGMA) as a result of the MT exceedance(s).
 1. If negative effects to beneficial uses and users, as defined under SGMA, were observed, and confirmed based on the results of the investigation, the identifying cause(s) (e.g. – including, but not limited to, changes in land use, pumping, water transfers), and the resulting negative effects will be brought back to the NASb Coordination Committee to review investigation results. Through

a majority vote, identify a plan of action to address MT exceedance and/or undesirable results within the Subbasin.

- ii. The investigation process shall be funded by the WPGSA if the exceedance(s) occurred within the WPGSA.
- iii. If MT exceedance investigations are required at multiple representative monitoring points, they can be combined in the same study.

If the results from the investigation determine that a Member or Member's groundwater related action(s) are causing negative effects to the sustainability of the Subbasin, as defined in Section 8 of the GSP, and findings from the investigation have been reviewed and voted on by the NASb Coordination Committee, then that Member (or Members) is/are responsible for funding and implementing a solution. The Member (or Members) shall have two years to implement activities to mitigate the effects of ongoing MT exceedances or eliminate the MT exceedance within five years.

RESOLUTION NO. 24-425

APPROVING AMENDMENT NO. 1 TO THE PARTICIPATION AGREEMENT BETWEEN
THE WEST PLACER GROUNDWATER SUSTAINABILITY AGENCY AND
CALIFORNIA-AMERICAN WATER COMPANY

WHEREAS, on August 14, 2017, City Council approved a Participation Agreement between the West Placer Groundwater Sustainability Agency (WPGSA) and the California-American Water Company; and

WHEREAS, the WPGSA and the California-American Water Company wish to amend said agreement to ensure that certain Groundwater Sustainability Plan required actions are properly performed, and to clarify the responsibilities related to shared assets; and

WHEREAS, Amendment No. 1 to the Participation Agreement between the California-American Water Company and the West Placer Groundwater Sustainability Agency has been reviewed by the City Council.

NOW, THEREFORE, BE IT RESOLVED, by the Council of the City, that said amendment is hereby approved and that the City Manager is authorized to execute behalf of the City of Roseville.

PASSED AND ADOPTED by the Council of the City of Roseville this ____ day of _____, 20__, by the following vote on roll call:

City Clerk

Amendment No. 1 to the Participation Agreement between the West Placer Groundwater Sustainability Agency (WPGSA) and California-American Water Company

WHEREAS, on June 30, 2017 the City of Lincoln, a municipal corporation, City of Roseville, a municipal corporation, the Nevada Irrigation District, a California irrigation district (NID), the Placer County Water Agency, a special district (PCWA), and the County of Placer, a political subdivision of the state of California (all hereafter known individually as a “Member” and collectively “Members”) entered into that agreement titled Memorandum of Agreement Establishing the West Placer Groundwater Sustainability Agency (“WPGSA MOA”); and

WHEREAS, on August 14, 2017 the Members entered into that agreement titled Participation Agreement between the West Placer Groundwater Sustainability Agency (WPGSA) and California-American Water Company (CAWC) (“Participation Agreement”); and

WHEREAS, on November 10, 2021, Nevada Irrigation District submitted notice to the other Members withdrawing from the MOA; and

WHEREAS, such withdrawal of NID became effective as of June 6, 2022 (Note: it is 180 days after written notice is provided) pursuant to subsection C of section VI of the MOA; and

WHEREAS, the Members have begun to implement the Groundwater Sustainability Plan (GSP) to comply with the Sustainable Groundwater Management Act; and

WHEREAS, the Members have amended the WPGSA MOA pursuant to Amendment No. 1; and

WHEREAS, the Members and CAWC (collectively “Parties”) wish to amend the Participation Agreement to incorporate Amendment No. 1 to the WPGSA MOA and to remove the Nevada Irrigation District from the Participation Agreement.

THEREFORE, in consideration of the mutual obligations herein set forth, the Parties agree as follows:

1. Amendment No. 1 to the WPGSA MOA, a copy of which is attached to this Amendment, is hereby attached to the Participation Agreement and incorporated therein.
2. All references to the WPGSA MOA in the Participation Agreement shall mean the amended WPGSA MOA as described in paragraph 1.
3. Section IV. MISCELLANEOUS PROVISIONS, Subsection A. Notice, is amended to remove the Nevada Irrigation District.

Except as specifically modified above, all remaining terms and conditions of the Participation Agreement shall remain and continue in full force and effect.

IN WITNESS THEREOF, the Parties have executed this Amendment, and it is effective as of the date of the last signatory written below.

Title: Pleasant Grove Wastewater Treatment Plant Electrical Power System Capacity Expansion Project – Professional Design Services Agreement

Contact: Jeremy Snyder 916-746-1829 jsnyder@roseville.ca.us

Meeting Date: 12/18/2024

Item #: 7.20.

RECOMMENDATION TO COUNCIL

Staff recommends that the City Council adopt a resolution approving a professional design services agreement with Carollo Engineers, Inc. for the Pleasant Grove Wastewater Treatment Plant Electrical Power System Capacity Expansion Project for a not-to-exceed amount of \$5,532,400 and authorizing the City Manager to execute it on behalf of the City of Roseville.

BACKGROUND

The Pleasant Grove Wastewater Treatment Plant (PGWWTP) has undergone many large construction projects in the recent years including the PGWWTP Expansion Project and Energy Recovery Project (ERP) between 2020 and 2023, and an expansion of the plant's Ultra-violet Disinfection System between 2023 and 2024. Based on all these changes, staff decided to update the electrical assessment and findings in Technical Memorandum (TM9) and the Facilities Plan (TM14), originally drafted in 2010. The "Electrical Power System Capacity Evaluation" was finalized in October of 2022. Due to the results of this evaluation, the City has determined that the initiation of a project to improve the electrical power system is necessary. This determination was based on the following three separate triggering events:

- 1.) Projected exceedance of the existing 4 mega-watt (MW) power feed capacity from Roseville Electric, thus requiring a new 12 kilovolt (kV) service feed in the 8-10 MW range.
- 2.) Projected exceedance of the existing standby generation capacity. An upgraded standby power system connected to the new 12kV switchgear will eliminate the current manual load control requirement to keep the standby load demand below the rating of the two existing generators.
- 3.) Eliminate an existing condition of excessive fault current at the 480-volt switchgear during closed transition operation of the generators with the electric utility.

This Project includes design of a new Electric Building #3, that will accommodate a new 12kV switchgear line-up that will receive and distribute the new 10MW feed from Roseville Electric. The switchgear allows flexibility for maintenance with redundancy and safety protection options from failures. The building will also house the new 12kV emergency back-up generators that will give immediate capacity of 5MW, and also provide space for two equipment pads for future generators

at build out. Sound abatement due to the close proximity of neighbors, exhaust abatement of the generators pending discussions with the Air Resources Board and an environmental study due to this new structure being built on undeveloped land will all be part of Carollo Engineers' scope. The design engineer is to provide a comprehensive design submittal to 100% including drawings and specifications, contractor procurement assistance, and engineering services during construction, including assisting with start-up, testing, and commissioning of the new equipment.

FISCAL IMPACT

The Professional Design Services Agreement with Carollo Engineers is for a not-to-exceed cost of \$5,532,400. This contract will be paid for with the available resources in the Pleasant Grove Wastewater Treatment Plant Electrical Power System Capacity Expansion Project, which is funded by the South Placer Wastewater Authority.

ENVIRONMENTAL REVIEW
