C. If any portion of this Grant Agreement is assigned without prior written approval of CITY.

19. No Waiver of Breach. No waiver of any breach of this Grant Agreement by CITY shall be held to be a waiver of any other or subsequent breach.

20. Attorney's Fees; Venue; Governing Law. If either party commences any legal action against the other party arising out of this Grant Agreement or the performance hereof, the prevailing party in such action shall be entitled to recover its reasonable litigation expenses, including but not limited to, court costs, expert witness fees, discovery expenses, and attorney's fees. Any action arising out of this Grant Agreement shall be brought in Placer County, California, regardless of where else venue may lie. This Grant Agreement shall be governed by and construed in accordance with the laws of the State of California.

21. Severability. If any of the provisions contained in this Grant Agreement are for any reason held invalid or unenforceable, such holding shall not affect the remaining provisions or the validity and enforceability of the Grant Agreement as a whole.

22. Integrated Agreement. This is an integrated agreement and contains all of the terms, considerations, understanding and promises of the parties. It shall be read as a whole.

IN WITNESS WHEREOF, the City of Roseville, a municipal corporation, has authorized the execution of this Agreement in duplicate by its City Manager and attested to by its City Clerk under the authority of Resolution No. _____, adopted by the Council of the City of Roseville on the ____ day of _____, 2023, and CONSULTANT has caused this Agreement to be executed.

Pre-Application Questionnaire [top](#)

Primary Applicant

1. Which type of applicant entity are you?

Select one.

- ☒ Non-profit (501c3/c4)
☐ Public agency
☐ Multi-agency Collaborative – Non-profit
☐ Multi-agency Collaborative – Non-profit/Public Agency
☐ Other:

2. Have you received any grant funding from the City of Roseville before?

- ☒ Yes
☐ No

3. Which grant types has your agency received before?

Check all that apply. From any source or agency.

- ☒ CDBG
☒ REACH/Citizen's Benefit Fund
☒ Homeless Prevention and Rapid Re-Housing
☒ Other homeless funds (McKinney-Vento or other)
☐ Other:

☐ No prior funding

Application Summary Description

4. Briefly describe the proposed program or project.

AMIH is applying on behalf of the A.S.K. collaboration between AMI Housing, Kids First, and St. Vincent de Paul. The request is for Rapid Rehousing & Homeless Prevention for Roseville residents who are homeless or at risk. This program will provide hotel vouchers, utility payments, first months rent, deposits, supportive services, and short term rental assistance.

Co-Applicant/Collaborating Agency

5. If this is a collaborative application, how many agencies are involved?

*Tick "0" if this is *not* a collaborative application.*

- ☐ 0
- ☐ 1
- ☐ 2
- ☒ 3
- ☐ 4
- ☐ 5
- ☐ 6
- ☐ more than 6

6. List the collaborating agencies (Enter "none" if none.)

Enter agency name and DUNS# if assigned

Kids First - DUNS # 015549608

St. Vincent de Paul - Duns # 608690798

Kids First, AMIH, and St. Vincent de Paul will collaborate for the A.S.K. project.

7. Which funding source are you requesting?

Select one

- ☐ CDBG
- ☒ HPRR

8. Indicate the type of activity. You may select only one.

You may submit more than one application. You may submit applications for more than one activity type. If you are not sure which category to select, please consult City staff. You will need to know this for your main application.

- ☐ Public Services (not including services for homeless persons)
- ☐ Public Facilities
- ☐ Economic Development
- ☐ Housing (not including housing and shelter for homeless persons)
- ☒ Homeless Prevention and Rapid Re-housing
- ☐ Other Homeless Services (including shelter)

9. Has the organization expended more than 750k in federal funds in the most recent FY?

- ☒ Yes
- ☐ No

Funding Application [top](#)

Some answers will not be presented because they are not part of the selected group of questions based on the answer to #1.

1. Indicate the type of activity. You may select only one. (BRANCHING CRITERIA)

You may submit more than one application. You may submit applications for more than one activity type. If you are not sure which category to select, please consult City staff. Your selection will determine the questions you are required to complete.

- ☐ Public Services (not including services for homeless persons)
- ☐ Public Facilities
- ☐ Economic Development
- ☐ Housing (not including housing and shelter for homeless persons)
- ☒ Homeless Prevention and Rapid Re-housing
- ☐ Other Homeless Services (including shelter)

2. Describe the program or project.

What is the service you will provide or the project you will complete? How will it happen and when? What will be the result? Who will benefit and how? What are the goals and objectives?

AMIH, SDVP, and KF (ASK) are requesting funding support for the A.S.K program, a collaborative effort which will provide short term rapid rehousing vouchers, homeless prevention assistance, and homeless services to the City of Roseville for individuals and families who are homeless or at risk of homelessness. A.S.K will provide:

- case management
- housing search and placement
- short term/one time housing assistance
- utilities
- hotel vouchers
- application fees
- deposits
- household furnishings
- AOD services
- transportation
- Medi-Cal and CalFresh assistance
- mental health, domestic violence, and supportive services
- credit repair/legal services

The collaborative design will allow us to provide these services to a wide range of clients and effectively cover the demographic scope in Roseville & Rocklin.

Need for homeless services and homeless prevention was determined through participation with the local community and government local homeless studies, and previous point-in-time homeless counts. The 2022 Placer County Point in Time Count noted 323 homeless individuals in the City of Roseville with 195 unsheltered, 109 chronically homeless and 143 who were homeless for the first time. The PIT noted 55 homeless individuals in Rocklin with 48 unsheltered, 16 chronically homeless, and 27 homeless for the first time.

We have a very large chronically homeless and first time homeless population, very high rent prices, and a lack of inventory of affordable housing projects. A.S.K will address these issues by placing people in housing, housing retention, employment services, and case management. Our goal is to keep people housed and to provide housing and support for low-income City of Roseville or Rocklin residents.

3. Location(s) where services will be provided or project will be completed.

Include administrative offices if services will also be provided there or from there. Provide street address, city, and ZIP code.

AMIH: Services will take place at our administrative office located at 3123 Professional Drive Suite 210, Auburn CA 95603 and our Roseville office located at 110 N Sunrise Blvd. Services will also be provided at various apartment complexes and community partners offices. Our Housing Coordinators will meet with clients as needed in the most convenient locations for each participant.

KF: Roseville Office - 124 Main Street Roseville, CA 95678

SVDP: 503 Giuseppe Court, Suite 8 Roseville, California 95678

4. What is the program's/project's current status?

Is it still being planned? Is it underway? Is it ready to receive funding? Is the program or project seasonal? What will need to be done before the program or project can start?

The proposed A.S.K. project is a continuation of the project implemented in the 2017 round of HPRR funding from the City of Roseville. The partnership continued in 2018, 2019, 2020/2021, 2021/2022 and 2022/2023 with additional rounds of funding. The agencies have agreed to continue the collaboration in 2023/2024, have outlined a program plan for implementation, and

can begin immediately upon funding. The agencies will use existing staff who are already providing these services. This collaboration will allow A.S.K. to maintain their capacity to serve Roseville/Rocklin residents.

5. When will the program or project begin?

If underway as of application, enter "underway."

Underway

6. When will the program or project be completed?

Services must be completed no later than June 30 of the award fiscal year.

6/30/2024

7. What are the specific costs to be funded with this request?

Identify the types of costs and amounts. Salary, and for whom? Materials, what type and quantity? Equipment, specifications? How will funding these costs meet the goals and objectives described in this request?

One Time/Short Time Assistance: assistance of approximately \$2,000 per household (approximately 3 months) for 142 unduplicated households.

Hotel vouchers: vouchers for approximately 70 nights and 48 unduplicated households.

Application Fees: fees for approximately 60 duplicated households of \$175 give or take per household.

Deposits: approximately \$1500 per household for 25 unduplicated and 45 duplicated households.

Utilities: One time utility assistance of \$200 per household for 59 unduplicated and 45 duplicated households.

Case Manager/Housing Coordinator: 2.15 FTE case manager salary and benefits. Case managers are on staff with each organization (no new hires). Will support 2 FTE AMIH, .15 FTE SVDP.

Transportation: mileage reimbursement for case managers assisting individuals with housing search. Paid at federal mileage rate at approximately 113 miles per week.

Telecommunications: fax, cell phone, and telephone costs for case managers & housing coordinators.

Administration: Up to 10% for agency administration expenses.

Funding these expenditures will allow our agencies to help residents with housing search, placement, and homeless prevention.

8. If this is a collaborative application, describe the collaboration being utilized for the proposed program or project.

Explain how the collaboration improves the provision of services or the competition of the proposed program or project. Attach co-applicant commitment letters to your application to document the collaboration.

The A.S.K agencies have provided housing and/or supportive services for individuals and families in crisis and dealing with homelessness for several decades. Case managers, housing coordinators, peer counselors, and other program staff at our respective agencies have long understood that issues such as domestic violence, mental illness, physical illness, job loss, unavailability of services or ineligibility for services contribute to homelessness. In other situations, financial and housing instability bring underlying issues to a crisis point. A.S.K partners have worked closely with each other for many years to help ensure that individuals and families in the community have access to the human services safety net. However, homelessness, home retention, and housing affordability are still issues for our low-income residents. AMIH has a team of fifteen Housing Coordinators who will assist each agencies clients with housing search and location. SVDP and KF provide services that support housing retention for at-risk individuals and families. SVDP also provides services for individuals experiencing food insecurity. KF serves clients whose issues may lead to homelessness such as DV, Maternal depression, trauma, ESL, and mental health struggles. In addition, AMIH works in partnership with the Placer County Mobile Crisis Team. Each agency brings a distinctive role to the collaboration and our clients all benefit from the diverse array of services offered.

9. Describe your other collaboration with other agencies, including non-profit and public agencies.

Do you participate in the local Continuum of Care (CoC) and/or coordinated entry efforts? Do you provide/accept referrals? Do you participate in other coordinating bodies or work with service/business/government organizations?

AMIH is a board member of the local Continuum of Care (CoC) and serves on the Executive Board of HRCS, our CoC governing body. AMIH actively participates in coordinated entry (CE) for Placer County and utilizes the Placer "By Name List" to identify the most vulnerable residents in our county who need housing. AMIH provides and receives referrals through CE. In addition, the AMIH housing coordinator outreaches to the local homeless shelters and collaborates closely with the Roseville

police department. All agencies have played a vital role in the Roseville Homelessness Task Force and received the collaboration of the year by the Placer Collaborative Network.

A.S.K. has a long history of collaboration with other agencies including: ASOC, Gathering Inn, Welcome Center, Cirby Clubhouse, PIRS, HRCS, PCN, Voc Rehab, Campaign for Community Wellness (CCW), Project Go, VOA, Turning Point, PCOE, SUP, and the cities of Roseville, Rocklin & Auburn.

SVDP provides the BAGS Home Delivery program and partners with Seniors First, ensuring seniors receive either supplemental groceries or prepared meals according to their need.

SVDP has a relationship and accepts referrals from many local churches in Placer County. In 2021, SVDP became a partner with Unite Us, a referral source in the Greater Sacramento Region, allowing referrals coming into Roseville to connect for our 4 main programs - food drive thru distribution, home delivery, meals to go, and rental & utility assistance.

10. Describe your use of volunteers.

How do volunteers contribute to your efforts overall and to this program or project specifically?

AMIH/KF has a partnership with CSU, Sacramento & UMass Global to work with students in the social work & mental health BS & MS internship programs. Interns help create & implement individual service plans and visit with our residents at their homes to provide education on basic life skills. Last year additional volunteers helped by gathering and donating household items and by creating welcome bags for residents that include essential items.

KF uses volunteers for the annual Santa Party's to distribute donated gifts to clients and for their "adopt a family" events. Volunteers are also used for the annual golf tournament and other fundraising activities.

SVDP uses volunteers for their BAGS Home deliveries which is a component of their Food Locker. The Food Locker operates with support of over 400 hours of volunteer service monthly. Five days/wk volunteers prepare and serve meals in the SVDP dining room. SVDP volunteers are essential and the program cannot operate without them.

11. Describe your history and experience providing services to the community.

Be sure to include the number of years in operation and summary of major accomplishments.

AMIH: Utilizes funds from EHAPCD, CSBG, CDBG, MHSA, ESG, HEAP, HHAP, BFH, HSP, and Homesafe, AMIH has provided housing for homeless adults and families since 2003. Prior to 2003, AMIH operated under NAMI Placer County to provide transitional housing since 1992. In 2015, we housed over 120 individuals and families throughout our housing programs, over 350 in 2016, 550 in 2017, 675 in 2018, 850 in 2019, 887 in 2020, 1167 in 2021, and nearly 2000 participants in 2022. Currently we have 200 permanent housing beds, over 200 rapid re-housing vouchers, 5 emergency housing beds, 15 board and care beds, 10-12 former foster youth vouchers, and 37 beds for transitional housing.

KidsFirst was established 30 years ago as a PC Child Abuse Prevention Council with experience providing counseling and family resource services with offices in Roseville and Auburn. KF has a strong case management system with comprehensive programs focused on prevention, intervention and wellness to stabilize and support children and families. We have a robust referral program for basic needs, education, crisis intervention, and counseling.

SDVP: Founded 40 years ago in August, 1983, as a project from Saint Rose Catholic Church in Roseville, CA. SVDP originally started as a small Thrift Store and office, providing free furniture and financial help towards rent and utilities for Roseville residents.

In December 1983, the Dining Room was opened and in January 1984 the Food Locker began operation, serving 200 households monthly.

SVDP has 5 main programs serving South Placer county:

1. Food Locker Drive-thru serving over 225 households weekly
2. St Vincent TO GO Meals serving 300 meals weekly
3. BAGS Home Delivery 85 seniors in Roseville and 85 Rocklin residents
4. Rental & Utility Assistance - ASK collaboration, Rocklin CDBG
5. Smiles Program - School Backpack & Christmas Program

12. Describe your experience with this type of program or project.

If this is a new program or project, your experience with similar programs and projects. If this addresses homelessness, what is your knowledge of issues and needs specific to homeless persons, including families and those at risk of homelessness?

The A.S.K. agencies have provided housing and/or supportive services for individuals and families in crisis and dealing with homelessness for several decades. Case managers, peer counselors, and other program staff at our respective agencies have long understood that issues such as domestic violence, mental illness, physical illness, job loss, unavailability of services or ineligibility for services contribute to homelessness and risk of homelessness. In other situations, financial and housing instability bring underlying issues to a crisis point. A.S.K. partners have worked closely with each other for many years to

help ensure that individuals and families in the community have access to the human services safety net.

SVDP and KF provide services that support housing retention for at-risk individuals and families. KF serves clients whose issues may lead to homelessness such as DV, Maternal depression, trauma, ESL, and mental health struggles. AMIH is primarily a housing provider and will utilize their landlord liaison and housing coordination program with 15 housing coordinators to find and identify affordable units in Roseville/Rocklin. In addition, AMIH works in partnership with the Placer County Mobile Crisis Team to provide peer employment and emergency housing for individuals who are having a mental health crisis. The A.S.K. partnership will enhance a multi-prong approach that addresses homelessness directly as well as its underlying causes.

AMIH is certified in the evidence based "Ready to Rent" practice. Our Housing Coordinators provide these training's on a regular basis to help individuals with poor credit and rental history become better candidates for available housing. We also partner with Northern California Legal Services to provide eviction and credit repair. And lastly for clients with disabilities our SOAR liaison can assist with social security applications that are then fast tracked for approval.

13. Identify staff who will implement and manage the program or project.

Include their experience administering the activity or similar type of activities. If this is a collaborative effort, note the agency for each staff person. Attach resumes and job descriptions or duty statements.

AMIH A.S.K. staff: Housing Coordinators (Amber Haughn, Michaela Thompson), Housing Coordination Director (Vanessa Aguilar), Housing Supervisor (Miles Shelly) Data Analyst (Jason Winters), COO (Shane Libby), and Jennifer Price (CEO).

SVDP: Will use existing staff for the A.S.K. program including: Bookkeeper (Cheri Alejo), Office Manager (Desiree Orozco), and Executive Director (Rebecca Rush).

KF: Will use existing staff: CEO (Debbie Gabelich), Program Manager (Christina Hernandez), and a variety of Case Managers.

Benefits: By consolidating some program and administrative services, A.S.K. will use funding more efficiently, which will increase the program's overall capacity. The scope of services provided by the agencies will ensure that the collaboration maximizes engagement with Roseville/Rocklin residents in need of services to improve outcomes. A.S.K. will ensure a warm hand-off of clients being referred to each other.

14. Describe your service area. CDBG funding is intended to benefit City of Roseville residents. HP RR funding is intended to benefit Roseville and Rocklin residents.

If you serve an area less than the entire city, explain. If you serve an area larger than the city, how will you identify costs to serve Roseville residents? How will you assure Roseville residents are referred by outside agencies?

All agencies in the A.S.K. collaboration serve the Placer County region and provide services in the City of Roseville & Rocklin. Residency for each participant is verified at program entry and documented on their HMIS intake forms. A.S.K. receives client referrals through partnerships with public and community based human services agencies that serve Roseville residents. We also receive referrals through schools, courts, law enforcement agencies, and other health care providers. In addition, A.S.K. agencies will use the Placer County By Name List through coordinated entry for referrals. A.S.K. reaches out to the community to raise awareness and accessibility.

KF has their main office located in Roseville and increased referrals from local schools, Roseville Utility and local Community Based Organizations. This has been further strengthened with participation in the housing collaborative and further collaborations with other members of that group, serving to assist clients with budgets and Ready-to-Rent programs. KF leverages the countywide collaborations and other in-house services to build capacity for clients served.

SVDP has their main office located in Roseville, conveniently located to supportive services provided by ASOC and the City of Roseville. SVDP primarily serves the Roseville/Rocklin area.

AMIH has their administrative office in Auburn, but we also have an office at 110 N Sunrise Blvd in Roseville. The AMIH service area is the Placer/Nevada region.

15. List all City of Roseville funding received within the last three (3) years including funding amount and status.

List as follows: PROGRAM/PROJECT NAME, SOURCE/TYPE, AWARD AMOUNT, AWARD DATE, EXPENDED AMOUNT, STATUS (planned, underway, complete, or canceled)

2022/2023: Rapid Rehousing & Homeless Prevention - \$500,000 for the ASK program. Source: City of Roseville/Rocklin. Status: Underway.

2022/2023: Temporary rent & utility assistance with supportive services. Source: City of Roseville. \$15,000. Status: Underway.

2021/2022/2023: Rental Assistance - \$400,500 (CDBG CV). Source: City of Roseville. Status: Underway.

2021/2022: Rapid Rehousing & Homeless Prevention - \$250,000 for the ASK program. Source: City of Roseville. Status: Complete.

2021/2022: Temporary rent & utility assistance with supportive services. Source: City of Roseville. \$15,000. Status: Complete.

2020/2021: Temporary rent & utility assistance with supportive services. Source: City of Roseville. \$15,000. Status: Complete.

2020: Rapid Rehousing & Homeless Prevention - \$250,000 for the ASK program. Source: City of Roseville. Status: Complete.

2019/2020: Housing Support Services. Source: City of Roseville. \$15,000. Status: Complete.

16. Should the City award less than you have requested, how will this impact the program or project?

Will you accept a lesser amount? Will goals be reduced? Will the program or project not be feasible?

If A.S.K. receives less money than requested it will directly impact the number of participants that can be served. The number of individuals receiving short-term housing assistance will need to decrease as well as the amount of deliverable supportive services in proportion to any decrease in funding.

The funding from this application reaches the most vulnerable households in Roseville/Rocklin. This funding is a lifeline and can prevent extremely low income families from becoming homeless. This year we are requesting additional funds to assist KF & SVDP in particular. Each year, they fully expend the funds allocated to them in the first two quarters of the fiscal year. This just identifies how many families in particular are in need of the homeless prevention funding to address high stress situations such as job loss and medical issues.

17. Explain how this program or project offers something different from what other agencies may offer, or are currently offering.

Do you coordinate with other agencies to leverage and avoid duplication? What makes you different? Are services targeted to a unique population? Are you uniquely positioned to serve a community because of location, relationships, or staff skills?

There are currently other agencies providing some rapid rehousing and homeless prevention, but most of the housing money available is for permanent or emergency housing or has been directly tied to COVID relief. This program will differ in that it is a genuine collaborative effort to benefit all low income homeless or at risk in Roseville & Rocklin. The funding will allow participants to retain and preserve their current housing through one time rental or utility assistance. It will also offer short-term rental assistance to low-income residents who need a leg up to obtain stable housing. This differs from current programs that have strict requirements for people in need of assistance and have limits on the individuals they can serve.

This program also differs from other agencies, in that our clients receive support after they are housed. The agencies involved often have long term relationships with participants and can continue to offer services utilizing other available funding. In addition, AMIH in particular has more housing coordinators than any other program. The AMIH team spends a significant amount of time on landlord recruitment and we provide weekly email updates on available housing to the nearly 500 participants on our wait lists. Housing is in short supply and we are constantly updating our clients on housing that isn't even on the open market yet due to our diligent efforts with landlords.

18. These funds must be used to benefit extremely low, very low, and low and moderate income persons. You must also collect and report demographic information on persons served. Describe your methods for documenting eligibility for services and collecting demographics.

If you are targeting a low-income area, please describe the area and how you determined it is low-income. If you are serving a population that is presumed to be low-income, please describe. Describe the tools you use to report on persons served.

AMIH, KF & SVDP will utilize the Homeless Management Information System for all incoming clients. This database will compile all data to comply with reporting requirements.

The intake paperwork captures the following data: demographics, income, income source, homeless status, location, and current housing placement or lack thereof. All participants from these programs will utilize the HMIS intake, update, and exit forms to compile demographic & income information to determine eligibility and to record any updates while enrolled in the A.S.K. program.

19. Are you currently participating in and using HMIS? Are you part of coordinated entry? (HOMELESS)

If not, will you begin using HMIS if awarded funding? Will information on persons served under this award be entered into HMIS?

A.S.K. will use HMIS to count and monitor the participants in this program. AMIH, SVDP, and KF participate in HMIS and will enter their participants into HMIS. AMIH participates directly in Coordinated Entry. See #9 for more information about Coordinated Entry participation.

20. How many unduplicated persons are you projecting to serve THIS year (Jul-Jun)? How many of those will be

Roseville residents?

If not underway, enter 0. Ignore the automatic total under the table you will see in preview and print.

1000	Total unduplicated persons
1000	Roseville unduplicated persons
2,000.00	TOTAL

21. How many unduplicated persons are you projecting to serve NEXT year (Jul-Jun) should you receive this award? How many of those will be Roseville residents?

Ignore the automatic total under the table you will see in preview and print.

1000	Total unduplicated persons
1000	Roseville unduplicated persons
2,000.00	TOTAL

22. What is your total cost to serve each unduplicated person? Amount funded by this grant?

Ignore the automatic total under the table you will see in preview and print.

1000	Total cost/person (\$)
1000	Cost/person funded by this grant (\$)
2,000.00	TOTAL

23. Describe the primary unit of service you will provide.

You will propose numbers in the following question. Examples include: meals, homes repaired, hours of service provided, shelter nights.

Shelter Nights

24. How many units of service (above) do you propose to provide? How many can be attributed to the funding requested?

35000	Total units
27000	Units attributed to funding requested
62,000.00	TOTAL

25. This request will ... (SERVICES, FACILITIES, HOMELESS)

Select one

- ☐ Result in an increase in the current level of service provided, or increase the capacity of a facility.
- ☐ Improve access to an existing service, or improve access to an existing facility.
- ☒ Prevent a reduction in the current level of service provided, or reduction in the current capacity of a facility.
- ☐ Correct a currently sub-standard level of service, or correct a sub-standard condition in a facility.

26. Describe all planning/predevelopment steps that have been completed to date. (FACILITIES)

-answer not presented because of the answer to #1-

27. Is this project a multi-phased activity? (FACILITIES)

-answer not presented because of the answer to #1-

28. Is this a new program/service, or an expansion or continuation of an existing program/service? (SERVICES, HOMELESS, ECONOMIC DEVELOPMENT)

- ☐ New
- ☐ Expansion
- ☒ Continuation

29. Enter the number of full-time and part-time jobs that will be created or retained. (ECONOMIC DEVELOPMENT)

-answer not presented because of the answer to #1-

30. Enter the number of full-time and part-time jobs that will be created or retained FOR LOW-INCOME PERSONS. (ECONOMIC DEVELOPMENT)

-answer not presented because of the answer to #1-

31. Provide any additional information in the space below that you would like to be considered for this proposal.

If none, enter "none."

The goal of the A.S.K. collaboration was to create a true wraparound care system for residents who are homeless or facing homelessness by addressing issues that contribute to the problem and providing relevant support services that increase housing stability. A.S.K. recognizes the need for increased community collaboration to support the increasing demand for housing services. By bringing these three agencies together we continue reducing the number of homeless in the City of Roseville/Rocklin.

32. Have you completed the budget tab?

☒ Yes

33. Have you uploaded all required documents?

☒ Yes

Program/Project Budget [top](#)

Revenue/Sources	Prior (Actual)	Current (Budgeted)	Proposed
City of Roseville (this request)	USD\$ 250,000.00	USD\$ 500,000.00	USD\$ 600,000.00
ESG Placer COC	USD\$ 25,000.00	USD\$ 100,000.00	USD\$ 100,000.00
Placer County	USD\$ 25,000.00	USD\$ 25,000.00	USD\$ 25,000.00

Program/Project Budget Narrative

In addition to this request for HPRR funding, this project will be leveraged by A.S.K. agencies as follows:

AMIH: Placer County Housing Coordinator contract, MHSA, ESG, CalWorks RRH, Bringing Families Home, HHAP, and AMIH general operations funds. These contracts provide funding for services to prevent homelessness, rapidly rehouse or permanently house individuals through vouchers in the community. All funding sources leverage each other and the participant will be placed in the housing program that is most applicable to their need. In addition, AMIH will utilize the services of their 13 other housing coordinators as matching funds (\$910,000 value).

KF: Will leverage existing agency funds/funding to provide comprehensive support services that will not only help identify and refer for rapid rehousing, but help stabilize and provide resources to the families to avoid/prevent homelessness.

SVDP: Will leverage their food programs, staffing, employment programs, volunteers, and homeless assistance funds.

EXHIBIT “B”

Performance Measures of Program Outcomes

The City and its grantees will track data on the performance measures as described below. The City will require grantees to collect this information from project participants at program entry and at program exit, or as needed based on timing of submittal of monitoring reports, whichever occurs first. Grantees that do not measure progress or do not make notable progress through the services provided will rank lower or may not be considered for potential future funding rounds. Grantees must utilize the Homeless Management Information System (“HMIS”) intake, update, and exit forms.

Measurement 1: How many people were served?

- # of people served and demographics

Measurement 2: How many secured housing?

- % and # of people who successfully secure housing, separated into transitional or residential treatment facility and permanent housing
- Cost/benefit ratio (number of clients exited to permanent housing/program cost)
- Length of time from program entry to securing permanent housing

Measurement 3: What are the long-term benefits? Are there any impacts to other services?

Housing:

- % and # of people who retain permanent housing at 6 month intervals from placement in permanent housing or obtain permanent housing after time in transitional or residential treatment

Income and Benefits:

- % and # of participants receiving monthly income (employment or permanent benefit)
- % and # of participants receiving CalFresh
- % and # of participants receiving General Assistance
- % and # of people with health insurance

Physical and Behavioral Health:

- % and # of emergency care visits
- % and # of days in psychiatric hospitalization

Criminal Justice Involvement:

- % and # of days in jail
- % and # of arrests/tickets

Measurement 4: Please provide narrative information regarding your local partnerships and how you collaborate with other partners and referral agencies to increase service delivery efficiency and decrease service duplication in Roseville and Rocklin.

Measurement 5: Are participants of your program properly entered and updated in the HMIS database?

Use of Funding: A summary report regarding use of the program grant funding will be required with each monitoring report as well, including a final report on the use of funds.

Performance measurements that are unrelated to a given program can be waived at the discretion of City housing staff.

RESOLUTION NO. 23-276

APPROVING A GRANT AGREEMENT FOR HOMELESS PREVENTION AND RAPID
REHOUSING SERVICES, BY AND BETWEEN THE CITY OF ROSEVILLE AND THE
GATHERING INN, AND AUTHORIZING THE CITY MANAGER TO EXECUTE IT
ON BEHALF OF THE CITY OF ROSEVILLE

WHEREAS, a Grant Agreement for Homeless Prevention and Rapid Rehousing Services,
by and between the City of Roseville and The Gathering Inn, has been reviewed by the City
Council; and

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Roseville that
said Grant Agreement for Homeless Prevention and Rapid Rehousing Services is hereby
approved and that the City Manager is authorized to execute it on behalf of the City of Roseville.

PASSED AND ADOPTED by the Council of the City of Roseville this ____ day of
_____, 2023, by the following vote on roll call:

AYES COUNCILMEMBERS:

NOES COUNCILMEMBERS:

ABSENT COUNCILMEMBERS:

MAYOR

ATTEST:

City Clerk

**GRANT AGREEMENT FOR HOMELESS PREVENTION
AND RAPID REHOUSING SERVICES**

THIS GRANT AGREEMENT, is made and entered into this ____ day of _____, 20__, by and between the City of Roseville acting in its role as the Housing Successor, a municipal corporation ("CITY"), and The Gathering Inn, a California non-profit corporation ("GRANTEE").

W I T N E S S E T H:

WHEREAS, pursuant to Health and Safety Code Section 34175(b) and the California Supreme Court's decision in California Redevelopment Association, et al. v. Ana Matosantos, et al. (53 Cal. 4th 231 (2011)), on February 1, 2012, all assets, properties, contracts, leases, books and records, buildings, and equipment of the Redevelopment Agency of the City of Roseville ("RDA") transferred to the control of the Successor Agency of the RDA ("Successor Agency") by operation of law; and

WHEREAS, pursuant to Health and Safety Code Section 34179.7, the California Department of Finance ("DOF") issued a finding of completion to the Successor Agency on August 30, 2013; and

WHEREAS, funds in the Low and Moderate Income Housing Asset Fund were subsequently transferred from the Successor Agency to CITY to use in its role as Housing Successor; and

WHEREAS, Section 34176.1(a)(2) of the California Health and Safety Code authorizes Housing Successors, after meeting certain obligations, to expend up to two-hundred and fifty

thousand dollars (\$250,000) per fiscal year for homeless prevention and rapid rehousing services; and

WHEREAS, CITY has been granted additional funds for homeless prevention and rapid rehousing services through the Department of Housing and Community Development's Permanent Local Housing Allocation program; and

WHEREAS, GRANTEE has applied for a grant from these funds in response to CITY's Notice of Funding Availability; and

WHEREAS, the Grant Application is attached as Exhibit "A" to this Grant Agreement and is incorporated herein by this reference; and

WHEREAS, CITY, after meeting the required obligations and acting in its role as the Housing Successor, desires to grant GRANTEE two hundred fifty thousand dollars (\$250,000) for homeless prevention and rapid rehousing services pursuant to the terms and conditions of this Grant Agreement.

NOW, THEREFORE, the parties agree as follows:

1. Grant. CITY hereby authorizes a grant to GRANTEE in the amount of two hundred fifty thousand dollars (\$250,000) for homeless prevention and rapid rehousing services.
2. Terms of Agreement Prevail. GRANTEE shall comply with all the terms and conditions of the Grant Application and this Grant Agreement. In the event of any discrepancy between the terms of this Grant Agreement and those of the Grant Application, the terms of this Grant Agreement shall prevail.
3. Eligible Services. GRANTEE may only expend the grant on the homeless prevention and rapid rehousing services identified in the Grant Application. Grant funds may

only be used to serve households with incomes not exceeding thirty percent (30%) of area median income, as determined by Department of Housing and Community Development guidelines. Grant funds may not be used for health or mental health services, food, clothing, emergency shelter, or other services that do not directly assist an individual with avoiding or exiting homelessness. All services shall be performed in a manner satisfactory to CITY's Economic Development Director.

4. Funds to be Expended During Before June 30, 2024. The grant shall be payable only from the Low and Moderate Income Housing Asset Fund. The grant is made only for the time of period July 1, 2023 through June 30, 2024. All funds received by GRANTEE under this Grant Agreement shall be spent prior to June 30, 2024. All funds not spent within the current period shall be returned to CITY by July 31, 2024.

No other fund of CITY, including without limitation its general fund, shall be liable for any payment under this Grant Agreement, nor is the taxing power of CITY pledged in any manner.

5. Grantee as Independent Entity. GRANTEE and the agents or employees of GRANTEE in performance of this Grant Agreement shall act in an independent capacity and not as officers, employees or agents of CITY.

6. City's Right to Terminate. CITY may terminate this Grant Agreement at any time and be relieved of the payment of any consideration to the GRANTEE should GRANTEE fail to perform the covenants herein contained in the manner herein provided.

7. No Assignment. This Grant Agreement is not assignable by GRANTEE either in whole or part.

8. Time is of the Essence. Time is of the essence of this Grant Agreement.

9. All Terms to be in Writing. No alteration or variation of the terms of this Grant Agreement shall be valid unless made in writing and signed by the parties hereto, and no oral understanding or agreement not incorporated herein shall be binding on either of the parties hereto.

10. Generally Accepted Accounting Principles. GRANTEE agrees to establish and maintain fiscal controls and accounting procedures in accordance with generally accepted accounting principles as required by the Finance Director of CITY.

GRANTEE agrees to keep records and fully disclose the amount, date, purpose, payee and disposition of the proceeds of the grant; the total cost of the program for which the grant is awarded; and the amount and disposition of that portion of the total cost provided by other sources. The procedure developed by GRANTEE must provide for accurate and timely recordation of the receipt of funds, expenditures, and unexpended balances.

11. Allowability of Expenditures. GRANTEE shall accurately document each transaction to permit the determination, through an audit if requested by CITY, of the accuracy of the records and the allowability of expenditures charged to grant funds. If the allowability of an expenditure cannot be determined because records or documentation are inadequate, the questionable expenditure shall be disallowed. In such case, GRANTEE shall reimburse CITY the amount of any disallowed expenditure. Determination by CITY of the allowability of any expenditure shall be final except in instances of fraud, mistake, or arbitrariness.

12. Maintenance of Records. GRANTEE agrees to maintain fiscal records, including invoices and receipts for a period of three (3) years after termination or expiration of this Grant Agreement and to permit CITY to inspect those records.

13. Audit. CITY may at any time require an audit of GRANTEE's financial and program records.

14. Reports. GRANTEE shall, at such time and in such forms as CITY may require, furnish CITY statements, records, reports, data and information pertaining to matters covered by this Grant Agreement. GRANTEE shall file a Semi-Annual Report no later than February 1, 2024 and an Annual Report no later than August 1, 2024 containing information related to how the grant funds were expended, the types of services provided, an overview of collaboration efforts with local partners, and a summary of program outcomes required in Exhibit "B," which is incorporated herein by this reference, including, but not limited to, how many persons retained or obtained housing.

15. Unlawful Discrimination Prohibited. During the performance of this Grant Agreement, GRANTEE shall not deny this Grant Agreement's benefits to any person on the basis of religion, race, color, ethnic group, ancestry, national origin, sex, age, physical or mental disability, medical condition, genetic information, marital status, sexual orientation, or any other legally protected basis nor discriminate unlawfully against any employee or applicant for employment because of race, religion, color, national origin, ancestry, physical handicap, mental disability, medical condition, genetic information, marital status, sex, gender, gender identity, gender expression, age, sexual orientation, military status, veteran status, or any other legally protected basis. GRANTEE shall ensure that the evaluation and treatment of all employees and applicants for employment are free of such discrimination.

16. Fair Employment. GRANTEE shall comply with the provision of the Fair Employment and Housing Act (Government Code § 12900, et seq.), the regulations promulgated thereunder (2 CCR § 10000, et seq.), the provisions of Article 9.5, Chapter 1, Part 1, Division 3,

Title 2 of the Government Code (§ 11135-11139.5) and the regulations or standards adopted by the State to implement such article.

17. Indemnification. To the fullest extent allowed by law, GRANTEE shall defend, indemnify, save and hold harmless CITY and all its officers, agents, employees and volunteers from all claims, suits or actions of any means, kind or description brought forth on account of fiscal or other injuries to or death of any person including but not limited to workers or the public or damage to property or natural resources resulting from the performance of this Grant Agreement except as otherwise expressly provided by statute. The duty of GRANTEE to defend, indemnify, save and hold harmless includes the duties to defend as set forth in Civil Code § 2778.

GRANTEE waives any and all rights to any types of expressed or implied indemnity against CITY, its officers and employees. GRANTEE warrants that it is fully aware of an expressly waives the protection of Civil Code § 1542. GRANTEE's responsibility for such defense and indemnity obligations shall survive the termination or completion of this Grant Agreement for the full period of time allowed by law. The parties intend that this provision shall be broadly construed.

18. Termination by CITY. CITY may terminate this Grant Agreement in whole or part upon ten (10) days prior written notice to GRANTEE for any of the following reasons:

A. GRANTEE fails to proceed for whatever reason with the services in the manner set forth in this Grant Agreement.

B. CITY deems this Grant Agreement is not satisfactorily being performed.

C. If any portion of this Grant Agreement is assigned without prior written approval of CITY.

19. No Waiver of Breach. No waiver of any breach of this Grant Agreement by CITY shall be held to be a waiver of any other or subsequent breach.

20. Attorney's Fees; Venue; Governing Law. If either party commences any legal action against the other party arising out of this Grant Agreement or the performance hereof, the prevailing party in such action shall be entitled to recover its reasonable litigation expenses, including but not limited to, court costs, expert witness fees, discovery expenses, and attorney's fees. Any action arising out of this Grant Agreement shall be brought in Placer County, California, regardless of where else venue may lie. This Grant Agreement shall be governed by and construed in accordance with the laws of the State of California.

21. Severability. If any of the provisions contained in this Grant Agreement are for any reason held invalid or unenforceable, such holding shall not affect the remaining provisions or the validity and enforceability of the Grant Agreement as a whole.

22. Integrated Agreement. This is an integrated agreement and contains all of the terms, considerations, understanding and promises of the parties. It shall be read as a whole.

IN WITNESS WHEREOF, the City of Roseville, a municipal corporation, has authorized the execution of this Agreement in duplicate by its City Manager and attested to by its City Clerk under the authority of Resolution No. _____, adopted by the Council of the City of Roseville on the ____ day of _____, 2023, and CONSULTANT has caused this Agreement to be executed.

Pre-Application Questionnaire [top](#)

Primary Applicant

1. Which type of applicant entity are you?

Select one.

- ☒ Non-profit (501c3/c4)
☐ Public agency
☐ Multi-agency Collaborative – Non-profit
☐ Multi-agency Collaborative – Non-profit/Public Agency
☐ Other:

2. Have you received any grant funding from the City of Roseville before?

- ☒ Yes
☐ No

3. Which grant types has your agency received before?

Check all that apply. From any source or agency.

- ☒ CDBG
☒ REACH/Citizen's Benefit Fund
☒ Homeless Prevention and Rapid Re-Housing
☐ Other homeless funds (McKinney-Vento or other)
☐ Other:

☐ No prior funding

Application Summary Description

4. Briefly describe the proposed program or project.

Requested funds will support housing services provided by TGI's housing coordinator and case managers.

Co-Applicant/Collaborating Agency

5. If this is a collaborative application, how many agencies are involved?

Tick "0" if this is **not** a collaborative application.

- ☒ 0
☐ 1
☐ 2
☐ 3
☐ 4
☐ 5
☐ 6
☐ more than 6

6. List the collaborating agencies (Enter "none" if none.)

Enter agency name and DUNS# if assigned

None

7. Which funding source are you requesting?

Select one

- ☐ CDBG
☒ HPRR

8. Indicate the type of activity. You may select only one.

You may submit more than one application. You may submit applications for more than one activity type. If you are not sure which category to select, please consult City staff. You will need to know this for your main application.

- ☐ Public Services (not including services for homeless persons)
☐ Public Facilities
☐ Economic Development
☐ Housing (not including housing and shelter for homeless persons)
☒ Homeless Prevention and Rapid Re-housing
☐ Other Homeless Services (including shelter)

9. Has the organization expended more than 750k in federal funds in the most recent FY?

- ☐ Yes
☒ No

Funding Application [top](#)

Some answers will not be presented because they are not part of the selected group of questions based on the answer to #1.

1. Indicate the type of activity. You may select only one. (BRANCHING CRITERIA)

You may submit more than one application. You may submit applications for more than one activity type. If you are not sure which category to select, please consult City staff. Your selection will determine the questions you are required to complete.

- ☐ Public Services (not including services for homeless persons)
☐ Public Facilities
☐ Economic Development
☐ Housing (not including housing and shelter for homeless persons)

- ☒ Homeless Prevention and Rapid Re-housing
☐ Other Homeless Services (including shelter)

2. Describe the program or project.

What is the service you will provide or the project you will complete? How will it happen and when? What will be the result? Who will benefit and how? What are the goals and objectives?

TGI employs 3 FTE Case Managers to work directly with our homeless guests at our South Placer location. Case Manager's specific duties include the following:

- Interview incoming guests and perform a needs assessment to identify each guest's barriers to obtaining housing and determine needs. This information is used to collaborate with the guest to develop a specific plan to connect them to the services and support necessary to ready them for housing.
- After initial intake, case managers meet and follow up with each guest regularly on at least a weekly basis.
- Provide transportation for guests to and from appointments related to their medical, housing or employment needs.

The Housing Coordinator works directly with guests in all of TGI's programs, including the shelters, medical respite and permanent supportive housing. The Housing Coordinator's role includes but is not limited to assisting case managers and guests with maintaining an inventory of current available housing vouchers, participating in collaborative meetings with other agencies on Built for Zero, case conferencing, and monitoring the long-stayers and veteran's by names lists; assisting guests with completing housing applications, building a database of landlords TGI works with, identifying and reaching out to new landlords interested in partnering with TGI, and providing housing readiness courses (Ready to Rent). Once a housing opportunity is identified the housing coordinator accompanies the guest to housing inspections, and provides assistance with deposit and first month's rent. The housing coordinator works with TGI's donations coordinator to secure needed furniture and household items the guest may need for move-in.

3. Location(s) where services will be provided or project will be completed.

Include administrative offices if services will also be provided there or from there. Provide street address, city, and ZIP code.

The Housing Coordinator is based at TGI's South Placer campus at 201 Berkeley Ave., Roseville, CA 95678, but works collaboratively with all case managers in all of TGI's service locations.

4. What is the program's/project's current status?

Is it still being planned? Is it underway? Is it ready to receive funding? Is the program or project seasonal? What will need to be done before the program or project can start?

Project is underway

5. When will the program or project begin?

If underway as of application, enter "underway."

Underway

6. When will the program or project be completed?

Services must be completed no later than June 30 of the award fiscal year.

June 30, 2024

7. What are the specific costs to be funded with this request?

Identify the types of costs and amounts. Salary, and for whom? Materials, what type and quantity? Equipment, specifications? How will funding these costs meet the goals and objectives described in this request?

Requested funding will support the following positions (inclusive of taxes and benefits):

(3) Case Managers @ \$59,350/year = \$178,050

(1) Housing Coordinator @ \$62,400/year

In addition, funding will provide for rapid rehousing activities including application fees, deposits, attaining documentation, hotel vouchers, landlord incentives, Ready to Rent certification and participant materials, and other activities to assist guests in crisis or in danger of losing current housing:

\$100,000

8. If this is a collaborative application, describe the collaboration being utilized for the proposed program or project.

Explain how the collaboration improves the provision of services or the competition of the proposed program or project. Attach co-applicant commitment letters to your application to document the collaboration.

N/A

9. Describe your other collaboration with other agencies, including non-profit and public agencies.

Do you participate in the local Continuum of Care (CoC) and/or coordinated entry efforts? Do you provide/accept referrals? Do you participate in other coordinating bodies or work with service/business/government organizations?

TGI participates in the CoC for Placer County, and holds a position on the board of directors.

Beginning in January, 2022 TGI was contracted with both Anthem Blue Cross and CA Health and Wellness to provide Community Supports under the CalAIM initiative. TGI is approved to accept referrals for and provide the following services:

- Housing Transition and Navigation Services
- Housing Deposit Services
- Housing Tenancy and Sustaining Services
- Recuperative Care / Medical Respite
- Day Habilitation

TGI has had a long-standing relationship with Placer County HHS, Placer and Roseville Housing Authorities, Placer County Probation, Sutter Health and Kaiser and numerous church partners

10. Describe your use of volunteers.

How do volunteers contribute to your efforts overall and to this program or project specifically?

Our volunteers demonstrate the heart of The Gathering Inn. They invest their time and talent to impact the lives of our guests, assure them of their value, and encourage their growth. Our South Placer program wouldn't exist without our network of over 20 hosting churches who provide food, shelter & fellowship 365 nights each year. Similarly, our Mid Placer program is upheld by numerous devoted volunteer groups from the community who daily provide and cook dinner for our guests in our 53-foot professional, mobile kitchen. Our dedicated volunteers also assist in our bi-weekly clothing closet, maintenance of our Roseville location and permanent supportive housing, fundraising & daytime resource center. Doctors and nurses donate their time to provide free on-site medical care to guests & low-income community members. All in all, our volunteers nurture friendship, encourage well-being and offer tangible proof that the guests we serve aren't invisible to the community, but are indeed valued

11. Describe your history and experience providing services to the community.

Be sure to include the number of years in operation and summary of major accomplishments.

TGI has been in operation since 2004, starting as a winter-only shelter with a small but dedicated group of local churches. We have experienced significant growth over the years, particularly since 2015. Some of TGI's major accomplishments during that

time include establishing a Resource Center for day services providing food, showers and access to computers; acquiring and managing permanent supportive housing in various communities in the county; establishing an Interim Care (medical respite) Program in 2009 through a partnership with Sutter Health which provides medical respite for people experiencing homelessness after discharge from a hospital stay; and starting in 2019, operation of the county's only emergency shelter, located in Auburn.

12. Describe your experience with this type of program or project.

If this is a new program or project, your experience with similar programs and projects. If this addresses homelessness, what is your knowledge of issues and needs specific to homeless persons, including families and those at risk of homelessness?

The Gathering Inn has been successfully operating our nomadic shelter for nearly 18 years. We participate in and facilitate the local Built For Zero effort. Some of our employees have lived experience and can easily relate and assist our homeless guests as they have first-hand knowledge of what our guests are experiencing. Many of our employees have been with the organization for several years and have gained knowledge of homeless issues through their employment, training, working with our guests & other collaborating agencies.

13. Identify staff who will implement and manage the program or project.

Include their experience administering the activity or similar type of activities. If this is a collaborative effort, note the agency for each staff person. Attach resumes and job descriptions or duty statements.

Rolande Tellier, Senior Director of Programs - provides overall direction to all TGI programs

Nicole Fernandez, Program Director, South Placer - provides day to day management of all services provided at the Roseville shelter location.

Lindsey DeLaMare and Stephen Dixon - Case Managers - provide one on one case plan development and management to guests at the South Placer (Roseville) location.

Sherice Martin - Housing Coordinator - manages all housing coordination and rapid rehousing activities; manages church partner schedule; develops and fosters landlord relations

14. Describe your service area. CDBG funding is intended to benefit City of Roseville residents. HPRR funding is intended to benefit Roseville and Rocklin residents.

If you serve an area less than the entire city, explain. If you serve an area larger than the city, how will you identify costs to serve Roseville residents? How will you assure Roseville residents are referred by outside agencies?

The Gathering Inn serves any man, woman, child or family experiencing homelessness in Placer County. As part of the intake

process for all of our guests, we identify their city of residence prior to becoming homeless. In this way, we are able to identify which guests came from Roseville and then track the cost associated with serving those guests. All data pertaining to guests is captured in the Homeless Management Information System (HMIS).

15. List all City of Roseville funding received within the last three (3) years including funding amount and status.

List as follows: PROGRAM/PROJECT NAME, SOURCE/TYPE, AWARD AMOUNT, AWARD DATE, EXPENDED AMOUNT, STATUS (planned, underway, complete, or canceled)

2022/2023-TGI Emergency Shelter Program - City of Roseville CDBG \$15,000 Awarded - Underway

2022/2023- TGI Dental Care - City of Roseville CDBG \$15,000 Awarded - Underway

2022/2023- TGI Emergency Shelter Program, Office Sound Proofing - City of Roseville CDBG \$25,100 Awarded - Underway

2022/2023- TGI Emergency Shelter Program - City of Roseville HPRR \$221,000

2021/2022 - TGI Emergency Shelter Program - City of Roseville CBT-REACH \$27,612 awarded - Complete

2021/2022 - TGI Emergency Shelter Program - City of Roseville CDBG \$15,000 awarded - Complete

2021/2022 - TGI Mental Health Clinician - City of Roseville CDBG \$15,000 awarded - Complete

2020/2021 - TGI Emergency Shelter Program - City of Roseville CBF \$39,375 awarded - Expended - Complete

2020/2021 - TGI Emergency Shelter Program - City of Roseville CDBG \$15,000 awarded - Expended - Complete

2020/2021 - TGI Mental Health Clinician - City of Roseville CDBG \$15,000 awarded - Expended - Complete

2020/2022 - City of Roseville HPRR \$150,000 awarded - Underway

16. Should the City award less than you have requested, how will this impact the program or project?

Will you accept a lesser amount? Will goals be reduced? Will the program or project not be feasible?

We hope The City of Roseville would fully fund our request but TGI would continue providing comprehensive homeless services by identifying alternative sources of income. TGI has always been vigilant about maintaining diversified sources of funding as we are acutely aware that no funding source is guaranteed to continue from one year to the next.

17. Explain how this program or project offers something different from what other agencies may offer, or are currently offering.

Do you coordinate with other agencies to leverage and avoid duplication? What makes you different? Are services targeted to a unique population? Are you uniquely positioned to serve a community because of location, relationships, or staff skills?

The Gathering Inn is the largest homeless emergency housing & supportive services provider in Placer County and is the only program that serves all demographics of those experiencing homelessness including men, women & families. No other agency in Placer County provides the breadth of supportive services The Gathering Inn does which include: medical services, clothing closet, laundry & shower services, daytime Resource Center and Service Center, case management, life skills & sobriety programs, on-site Mental Health Clinician support, medical respite and a Permanent Supportive Housing program.

18. These funds must be used to benefit extremely low, very low, and low and moderate income persons. You must also collect and report demographic information on persons served. Describe your methods for documenting eligibility for services and collecting demographics.

If you are targeting a low-income area, please describe the area and how you determined it is low-income. If you are serving a population that is presumed to be low-income, please describe. Describe the tools you use to report on persons served.

The Gathering Inn performs a detailed intake process with all our homeless guests, and collects a number of data points including: sources of income, amount of income, ethnicity, gender and length of homelessness. This intake process verifies our program participants' low income status. The intake process also provides data regarding our guests' background including; self-reported mental health conditions, whether they have been incarcerated, have been in treatment previously, have an existing medical condition, have a substance abuse problem or have received or are receiving government financial assistance. We would continue to use this system to count & monitor the beneficiaries of our programs. We have been utilizing the HMIS data management system for the past several years and have recently expanded its use to include tracking case management plans, notes & outcomes for our guests. TGI's Director of Data Management is specifically responsible for all guest demographic and statistical reporting and has vastly improved the timeliness, accuracy and efficiency of data collection over the past year.

19. Are you currently participating in and using HMIS? Are you part of coordinated entry? (HOMELESS)

If not, will you begin using HMIS if awarded funding? Will information on persons served under this award be entered into HMIS?

We have been utilizing the HMIS data management system for the past several years and have recently expanded its use to include tracking case management plans, notes & outcomes for our guests. Our Director of Data Systems is specifically responsible for all guest demographic and statistical reporting and has vastly improved the timeliness, accuracy and efficiency of data collection over the past year. All referrals for incoming guests and housing referrals are processed through HMIS.

20. How many unduplicated persons are you projecting to serve THIS year (Jul-Jun)? How many of those will be

Roseville residents?

If not underway, enter 0. Ignore the automatic total under the table you will see in preview and print.

283	Total unduplicated persons
225	Roseville unduplicated persons
508.00	TOTAL

21. How many unduplicated persons are you projecting to serve NEXT year (Jul-Jun) should you receive this award? How many of those will be Roseville residents?

Ignore the automatic total under the table you will see in preview and print.

325	Total unduplicated persons
250	Roseville unduplicated persons
575.00	TOTAL

22. What is your total cost to serve each unduplicated person? Amount funded by this grant?

Ignore the automatic total under the table you will see in preview and print.

3550	Total cost/person (\$)
1050	Cost/person funded by this grant (\$)
4,600.00	TOTAL

23. Describe the primary unit of service you will provide.

You will propose numbers in the following question. Examples include: meals, homes repaired, hours of service provided, shelter nights.

Unduplicated homeless individuals served

24. How many units of service (above) do you propose to provide? How many can be attributed to the funding requested?

325	Total units
97	Units attributed to funding requested
422.00	TOTAL

25. This request will ... (SERVICES, FACILITIES, HOMELESS)

Select one

- ☐ Result in an increase in the current level of service provided, or increase the capacity of a facility.
- ☐ Improve access to an existing service, or improve access to an existing facility.
- ☒ Prevent a reduction in the current level of service provided, or reduction in the current capacity of a facility.
- ☐ Correct a currently sub-standard level of service, or correct a sub-standard condition in a facility.

26. Describe all planning/predevelopment steps that have been completed to date. (FACILITIES)

-answer not presented because of the answer to #1-

27. Is this project a multi-phased activity? (FACILITIES)

-answer not presented because of the answer to #1-

28. Is this a new program/service, or an expansion or continuation of an existing program/service? (SERVICES, HOMELESS, ECONOMIC DEVELOPMENT)

- ☐ New
- ☐ Expansion
- ☒ Continuation

29. Enter the number of full-time and part-time jobs that will be created or retained. (ECONOMIC DEVELOPMENT)

-answer not presented because of the answer to #1-

30. Enter the number of full-time and part-time jobs that will be created or retained FOR LOW-INCOME PERSONS. (ECONOMIC DEVELOPMENT)

-answer not presented because of the answer to #1-

31. Provide any additional information in the space below that you would like to be considered for this proposal.

If none, enter "none."

None

32. Have you completed the budget tab?

☒ Yes

33. Have you uploaded all required documents?

☒ Yes

EXHIBIT “B”

Performance Measures of Program Outcomes

The City and its grantees will track data on the performance measures as described below. The City will require grantees to collect this information from project participants at program entry and at program exit, or as needed based on timing of submittal of monitoring reports, whichever occurs first. Grantees that do not measure progress or do not make notable progress through the services provided will rank lower or may not be considered for potential future funding rounds. Grantees must utilize the Homeless Management Information System (“HMIS”) intake, update, and exit forms.

Measurement 1: How many people were served?

- # of people served and demographics

Measurement 2: How many secured housing?

- % and # of people who successfully secure housing, separated into transitional or residential treatment facility and permanent housing
- Cost/benefit ratio (number of clients exited to permanent housing/program cost)
- Length of time from program entry to securing permanent housing

Measurement 3: What are the long-term benefits? Are there any impacts to other services?

Housing:

- % and # of people who retain permanent housing at 6 month intervals from placement in permanent housing or obtain permanent housing after time in transitional or residential treatment

Income and Benefits:

- % and # of participants receiving monthly income (employment or permanent benefit)
- % and # of participants receiving CalFresh
- % and # of participants receiving General Assistance
- % and # of people with health insurance

Physical and Behavioral Health:

- % and # of emergency care visits
- % and # of days in psychiatric hospitalization

Criminal Justice Involvement:

- % and # of days in jail
- % and # of arrests/tickets

Measurement 4: Please provide narrative information regarding your local partnerships and how you collaborate with other partners and referral agencies to increase service delivery efficiency and decrease service duplication in Roseville and Rocklin.

Measurement 5: Are participants of your program properly entered and updated in the HMIS database?

Use of Funding: A summary report regarding use of the program grant funding will be required with each monitoring report as well, including a final report on the use of funds.

Performance measurements that are unrelated to a given program can be waived at the discretion of City housing staff.

RESOLUTION NO. 23-277

APPROVING A GRANT AGREEMENT FOR HOMELESS PREVENTION AND RAPID REHOUSING SERVICES, BY AND BETWEEN THE CITY OF ROSEVILLE AND THE UNITY CARE GROUP, AND AUTHORIZING THE CITY MANAGER TO EXECUTE IT ON BEHALF OF THE CITY OF ROSEVILLE

WHEREAS, a Grant Agreement for Homeless Prevention and Rapid Rehousing Services, by and between the City of Roseville and The Unity Care Group, has been reviewed by the City Council; and

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Roseville that said Grant Agreement for Homeless Prevention and Rapid Rehousing Services is hereby approved and that the City Manager is authorized to execute it on behalf of the City of Roseville.

PASSED AND ADOPTED by the Council of the City of Roseville this ____ day of _____, 2023, by the following vote on roll call:

AYES COUNCILMEMBERS:

NOES COUNCILMEMBERS:

ABSENT COUNCILMEMBERS:

MAYOR

ATTEST:

City Clerk

**GRANT AGREEMENT FOR HOMELESS PREVENTION
AND RAPID REHOUSING SERVICES**

THIS GRANT AGREEMENT, is made and entered into this ____ day of _____, 20__, by and between the City of Roseville acting in its role as the Housing Successor, a municipal corporation ("CITY"), and The Unity Care Group, a California non-profit corporation ("GRANTEE").

W I T N E S S E T H:

WHEREAS, pursuant to Health and Safety Code Section 34175(b) and the California Supreme Court's decision in California Redevelopment Association, et al. v. Ana Matosantos, et al. (53 Cal. 4th 231 (2011)), on February 1, 2012, all assets, properties, contracts, leases, books and records, buildings, and equipment of the Redevelopment Agency of the City of Roseville ("RDA") transferred to the control of the Successor Agency of the RDA ("Successor Agency") by operation of law; and

WHEREAS, pursuant to Health and Safety Code Section 34179.7, the California Department of Finance ("DOF") issued a finding of completion to the Successor Agency on August 30, 2013; and

WHEREAS, funds in the Low and Moderate Income Housing Asset Fund were subsequently transferred from the Successor Agency to CITY to use in its role as Housing Successor; and

WHEREAS, Section 34176.1(a)(2) of the California Health and Safety Code authorizes Housing Successors, after meeting certain obligations, to expend up to two-hundred and fifty

thousand dollars (\$250,000) per fiscal year for homeless prevention and rapid rehousing services; and

WHEREAS, CITY has been granted additional funds for homeless prevention and rapid rehousing services through the Department of Housing and Community Development's Permanent Local Housing Allocation program; and

WHEREAS, GRANTEE has applied for a grant from these funds in response to CITY's Notice of Funding Availability; and

WHEREAS, the Grant Application is attached as Exhibit "A" to this Grant Agreement and is incorporated herein by this reference; and

WHEREAS, CITY, after meeting the required obligations and acting in its role as the Housing Successor, desires to grant GRANTEE one hundred twenty-three thousand, seven hundred ninety-four dollars (\$123,794) for homeless prevention and rapid rehousing services pursuant to the terms and conditions of this Grant Agreement.

NOW, THEREFORE, the parties agree as follows:

1. Grant. CITY hereby authorizes a grant to GRANTEE in the amount of one hundred twenty-three thousand, seven hundred ninety-four dollars (\$123,794) for homeless prevention and rapid rehousing services.

2. Terms of Agreement Prevail. GRANTEE shall comply with all the terms and conditions of the Grant Application and this Grant Agreement. In the event of any discrepancy between the terms of this Grant Agreement and those of the Grant Application, the terms of this Grant Agreement shall prevail.

3. Eligible Services. GRANTEE may only expend the grant on the homeless prevention and rapid rehousing services identified in the Grant Application. Grant funds may only be used to serve households with incomes not exceeding thirty percent (30%) of area median income, as determined by Department of Housing and Community Development guidelines. Grant funds may not be used for health or mental health services, food, clothing, emergency shelter, or other services that do not directly assist an individual with avoiding or exiting homelessness. All services shall be performed in a manner satisfactory to CITY's Economic Development Director.

4. Funds to be Expended During Before June 30, 2024. The grant shall be payable only from the Low and Moderate Income Housing Asset Fund. The grant is made only for the time of period July 1, 2023 through June 30, 2024. All funds received by GRANTEE under this Grant Agreement shall be spent prior to June 30, 2024. All funds not spent within the current period shall be returned to CITY by July 31, 2024.

No other fund of CITY, including without limitation its general fund, shall be liable for any payment under this Grant Agreement, nor is the taxing power of CITY pledged in any manner.

5. Grantee as Independent Entity. GRANTEE and the agents or employees of GRANTEE in performance of this Grant Agreement shall act in an independent capacity and not as officers, employees or agents of CITY.

6. City's Right to Terminate. CITY may terminate this Grant Agreement at any time and be relieved of the payment of any consideration to the GRANTEE should GRANTEE fail to perform the covenants herein contained in the manner herein provided.

7. No Assignment. This Grant Agreement is not assignable by GRANTEE either in whole or part.

8. Time is of the Essence. Time is of the essence of this Grant Agreement.

9. All Terms to be in Writing. No alteration or variation of the terms of this Grant Agreement shall be valid unless made in writing and signed by the parties hereto, and no oral understanding or agreement not incorporated herein shall be binding on either of the parties hereto.

10. Generally Accepted Accounting Principles. GRANTEE agrees to establish and maintain fiscal controls and accounting procedures in accordance with generally accepted accounting principles as required by the Finance Director of CITY.

GRANTEE agrees to keep records and fully disclose the amount, date, purpose, payee and disposition of the proceeds of the grant; the total cost of the program for which the grant is awarded; and the amount and disposition of that portion of the total cost provided by other sources. The procedure developed by GRANTEE must provide for accurate and timely recordation of the receipt of funds, expenditures, and unexpended balances.

11. Allowability of Expenditures. GRANTEE shall accurately document each transaction to permit the determination, through an audit if requested by CITY, of the accuracy of the records and the allowability of expenditures charged to grant funds. If the allowability of an expenditure cannot be determined because records or documentation are inadequate, the questionable expenditure shall be disallowed. In such case, GRANTEE shall reimburse CITY the amount of any disallowed expenditure. Determination by CITY of the allowability of any expenditure shall be final except in instances of fraud, mistake, or arbitrariness.

12. Maintenance of Records. GRANTEE agrees to maintain fiscal records, including invoices and receipts for a period of three (3) years after termination or expiration of this Grant Agreement and to permit CITY to inspect those records.

13. Audit. CITY may at any time require an audit of GRANTEE's financial and program records.

14. Reports. GRANTEE shall, at such time and in such forms as CITY may require, furnish CITY statements, records, reports, data and information pertaining to matters covered by this Grant Agreement. GRANTEE shall file a Semi-Annual Report no later than February 1, 2024 and an Annual Report no later than August 1, 2024 containing information related to how the grant funds were expended, the types of services provided, an overview of collaboration efforts with local partners, and a summary of program outcomes required in Exhibit "B," which is incorporated herein by this reference, including, but not limited to, how many persons retained or obtained housing.

15. Unlawful Discrimination Prohibited. During the performance of this Grant Agreement, GRANTEE shall not deny this Grant Agreement's benefits to any person on the basis of religion, race, color, ethnic group, ancestry, national origin, sex, age, physical or mental disability, medical condition, genetic information, marital status, sexual orientation, or any other legally protected basis nor discriminate unlawfully against any employee or applicant for employment because of race, religion, color, national origin, ancestry, physical handicap, mental disability, medical condition, genetic information, marital status, sex, gender, gender identity, gender expression, age, sexual orientation, military status, veteran status, or any other legally protected basis. GRANTEE shall ensure that the evaluation and treatment of all employees and applicants for employment are free of such discrimination.

16. Fair Employment. GRANTEE shall comply with the provision of the Fair Employment and Housing Act (Government Code § 12900, et seq.), the regulations promulgated thereunder (2 CCR § 10000, et seq.), the provisions of Article 9.5, Chapter 1, Part 1, Division 3, Title 2 of the Government Code (§ 11135-11139.5) and the regulations or standards adopted by the State to implement such article.

17. Indemnification. To the fullest extent allowed by law, GRANTEE shall defend, indemnify, save and hold harmless CITY and all its officers, agents, employees and volunteers from all claims, suits or actions of any means, kind or description brought forth on account of fiscal or other injuries to or death of any person including but not limited to workers or the public or damage to property or natural resources resulting from the performance of this Grant Agreement except as otherwise expressly provided by statute. The duty of GRANTEE to defend, indemnify, save and hold harmless includes the duties to defend as set forth in Civil Code § 2778.

GRANTEE waives any and all rights to any types of expressed or implied indemnity against CITY, its officers and employees. GRANTEE warrants that it is fully aware of an expressly waives the protection of Civil Code § 1542. GRANTEE's responsibility for such defense and indemnity obligations shall survive the termination or completion of this Grant Agreement for the full period of time allowed by law. The parties intend that this provision shall be broadly construed.

18. Termination by CITY. CITY may terminate this Grant Agreement in whole or part upon ten (10) days prior written notice to GRANTEE for any of the following reasons:

A. GRANTEE fails to proceed for whatever reason with the services in the manner set forth in this Grant Agreement.

B. CITY deems this Grant Agreement is not satisfactorily being performed.

C. If any portion of this Grant Agreement is assigned without prior written approval of CITY.

19. No Waiver of Breach. No waiver of any breach of this Grant Agreement by CITY shall be held to be a waiver of any other or subsequent breach.

20. Attorney's Fees; Venue; Governing Law. If either party commences any legal action against the other party arising out of this Grant Agreement or the performance hereof, the prevailing party in such action shall be entitled to recover its reasonable litigation expenses, including but not limited to, court costs, expert witness fees, discovery expenses, and attorney's fees. Any action arising out of this Grant Agreement shall be brought in Placer County, California, regardless of where else venue may lie. This Grant Agreement shall be governed by and construed in accordance with the laws of the State of California.

21. Severability. If any of the provisions contained in this Grant Agreement are for any reason held invalid or unenforceable, such holding shall not affect the remaining provisions or the validity and enforceability of the Grant Agreement as a whole.

22. Integrated Agreement. This is an integrated agreement and contains all of the terms, considerations, understanding and promises of the parties. It shall be read as a whole.

IN WITNESS WHEREOF, the City of Roseville, a municipal corporation, has authorized the execution of this Agreement in duplicate by its City Manager and attested to by its City Clerk under the authority of Resolution No. _____, adopted by the Council of the City of Roseville on the ____ day of _____, 2023, and CONSULTANT has caused this Agreement to be executed.

Pre-Application Questionnaire [top](#)

Primary Applicant

1. Which type of applicant entity are you?

Select one.

- ☒ Non-profit (501c3/c4)
☐ Public agency
☐ Multi-agency Collaborative – Non-profit
☐ Multi-agency Collaborative – Non-profit/Public Agency
☐ Other:

2. Have you received any grant funding from the City of Roseville before?

- ☐ Yes
☒ No

3. Which grant types has your agency received before?

Check all that apply. From any source or agency.

- ☐ CDBG
☐ REACH/Citizen's Benefit Fund
☐ Homeless Prevention and Rapid Re-Housing
☐ Other homeless funds (McKinney-Vento or other)
☐ Other:

☒ No prior funding

Application Summary Description

4. Briefly describe the proposed program or project.

Unity Care Group's housing navigation program will support transition age youth residing in the cities of Roseville and Rocklin in identifying and securing permanent housing before they exit foster care, reducing the risk of homelessness in this population. We will serve residents of our existing Roseville and Rocklin housing and youth outside of Unity Care as relevant. Our Director of Housing will supervise program implementation and direct services will be delivered by a Housing Specialist.

Co-Applicant/Collaborating Agency

5. If this is a collaborative application, how many agencies are involved?

*Tick "0" if this is *not* a collaborative application.*

- ☒ 0
☐ 1
☐ 2
☐ 3
☐ 4
☐ 5
☐ 6
☐ more than 6

6. List the collaborating agencies (Enter "none" if none.)

Enter agency name and DUNS# if assigned

None

7. Which funding source are you requesting?

Select one

- ☐ CDBG
☒ HPRR

8. Indicate the type of activity. You may select only one.

You may submit more than one application. You may submit applications for more than one activity type. If you are not sure which category to select, please consult City staff. You will need to know this for your main application.

- ☐ Public Services (not including services for homeless persons)
☐ Public Facilities
☐ Economic Development
☐ Housing (not including housing and shelter for homeless persons)
☒ Homeless Prevention and Rapid Re-housing
☐ Other Homeless Services (including shelter)

9. Has the organization expended more than 750k in federal funds in the most recent FY?

- ☐ Yes
☒ No

Funding Application [top](#)

Some answers will not be presented because they are not part of the selected group of questions based on the answer to #1.

1. Indicate the type of activity. You may select only one. (BRANCHING CRITERIA)

You may submit more than one application. You may submit applications for more than one activity type. If you are not sure which category to select, please consult City staff. Your selection will determine the questions you are required to complete.

- ☐ Public Services (not including services for homeless persons)

- ☐ Public Facilities
- ☐ Economic Development
- ☐ Housing (not including housing and shelter for homeless persons)
- ☒ Homeless Prevention and Rapid Re-housing
- ☐ Other Homeless Services (including shelter)

2. Describe the program or project.

What is the service you will provide or the project you will complete? How will it happen and when? What will be the result? Who will benefit and how? What are the goals and objectives?

The proposed program is designed to support transition age youth (TAY) within the cities of Roseville and Rocklin to identify and obtain permanent housing they can afford before they exit foster care so that they are not at-risk for becoming homeless. Our staff will help youth on their paths to becoming independent and securing their own leases. We will serve the youth living in our current Roseville and Rocklin housing and will be able to provide services to those outside of Unity Care as well. We will provide culturally appropriate, individualized, age-appropriate, trauma-informed services. All of Unity Care's services operate from a person-centered philosophy, considering each young person's culture, background, history of trauma, learning style, needs, and behavior challenges.

Youth exiting foster care have an astronomically higher rate of homelessness than their non-foster peers and it is essential that foster youth-serving agencies such as Unity Care offer relevant services to reduce this risk. The proposed housing navigation program will be supervised by Unity Care's Director of Housing and we will hire a Housing Specialist to provide the majority of the direct services for youth. All services will be culturally sensitive, trauma-informed, and provided by staff with expertise in delivering services to vulnerable youth populations. Staff must pass a background check and participate in extensive Unity Care initial and ongoing training, which includes our research-based Transcultural Engagement Model (TEM) framework. This model is designed to enhance proficiency by ensuring staff are educated about the importance of having an historical understanding and appreciation for what shapes the values, traditions, culture and mindset of youth, families, and communities, educating staff members to effectively engage and build trust.

Upon identifying a program candidate or receiving a referral, the Housing Specialist will engage the youth as quickly as possible. Navigation services will be implemented using youth and family-centered, strengths-based strategies to ensure engagement. The Housing Specialist will conduct a housing assessment, develop a housing plan tailored to each individual youth's needs, help the youth identify housing for which they qualify, assist in filling out housing applications. Services will also include help with move-in and other costs that could impact housing stability if not addressed, assessing and supporting youth periodically to ensure readiness for independent housing, and connecting them with services that can support housing security.

Goals and objectives include providing housing navigation services to 30 Roseville and Rocklin youth annually that reduce their risk for becoming homeless. The impact will include reducing or eliminating barriers to accessing permanent housing, improving client capacity to become independent, and enhancing the capacity of youth served to identify and obtain needed resources.

3. Location(s) where services will be provided or project will be completed.

Include administrative offices if services will also be provided there or from there. Provide street address, city, and ZIP code. Services will be provided at Unity Care's Administrative Office for Placer County located at 1224 Coloma Way, Suite 190, Roseville, CA 95661. This location is Medi-Cal certified.

Services can also be provided in the community in Roseville or Rocklin and, if needed at our transitional housing locations in Roseville and Rocklin at the following addresses:

5327 Brookfield Circle Rocklin, CA 95677 (transitional housing for males ages 18-20)
 6462 Cormorant Circle Rocklin, CA 95765 (transitional housing for females ages 16-20)
 5415 S Grove St Rocklin, CA 95677 (scattered site - apartments for young adults)
 1396 Skibbreen Way Rocklin, CA 95765 transitional housing for youth ages 16-20)
 8288 Sienna Loop Roseville, Ca 95678 (transitional housing for males ages 16-20)

4. What is the program's/project's current status?

Is it still being planned? Is it underway? Is it ready to receive funding? Is the program or project seasonal? What will need to be done before the program or project can start?

This is an expansion of an existing Unity Care program into Placer County that will benefit Roseville and Rocklin. While it is being implemented other areas, the program is in the planning stage in Placer County. Funds would allow us to offer housing navigation for youth in Roseville and Rocklin, ensuring that our continuum of housing services is provided equitably across all regions. The program will support young people while living in transitional housing to identify and plan for permanent housing solutions and avoid the homelessness that 50% of youth are exposed to upon exiting foster care. Currently, all funding for such services is regional; without regional or local investment, Unity Care is unable to replicate this service component in every area. The existing program has a Director and Housing Specialists that work in the Bay Area Region. The proposed

program would add a Housing Specialist for the Roseville/Rocklin area, home to the majority of our NorCal region clients.

5. When will the program or project begin?

If underway as of application, enter "underway."

July 1, 2023

6. When will the program or project be completed?

Services must be completed no later than June 30 of the award fiscal year.

June 30, 2024

7. What are the specific costs to be funded with this request?

Identify the types of costs and amounts. Salary, and for whom? Materials, what type and quantity? Equipment, specifications? How will funding these costs meet the goals and objectives described in this request?

The types of costs to be funded with the request include:

Staffing costs for the Housing Director to spend 5% of his time supporting the program (\$5,000); 1 FTE Housing Specialist Roseville/Rocklin(\$60,000), and employee taxes and benefits (\$16,250). These are key staff in providing the services described herein.

Small allocations for equipment, such as 1 laptop computer for the Housing Specialist and a cell phone are included, as is mileage for driving to our various sites in Roseville and Rocklin, and staff training.

The request would also support a \$25,000 flexible housing fund (an average of \$833 per client), which includes monies designed to reduce the likelihood of homelessness for a youth, such as funds for security deposits and rent.

Indirect costs, calculated at 10% - a lowered rate than our standard, include a proportion of costs for Administration, Finance, HR, Compliance, IT, and agency-related overhead. All of these costs support providing the various housing navigation supports described in this application.

8. If this is a collaborative application, describe the collaboration being utilized for the proposed program or project.

Explain how the collaboration improves the provision of services or the competition of the proposed program or project. Attach co-applicant commitment letters to your application to document the collaboration.

Not applicable.

9. Describe your other collaboration with other agencies, including non-profit and public agencies.

Do you participate in the local Continuum of Care (CoC) and/or coordinated entry efforts? Do you provide/accept referrals? Do you participate in other coordinating bodies or work with service/business/government organizations?

Unity Care has developed effective protocols for working with community stakeholders, and our staff are members of a wide variety of collaborative groups and councils. For example, Unity Care currently has relationships with Child Welfare Services and Probation in Placer County and is invited to collaborative meetings. We will leverage the relationships built over the past 13 years of service provision in Placer County to provide a continuum of support for the youth to be served. We will collaborate with local housing providers and explore the most effective ways to continue working with the Homeless Resource Council of the Sierras and the Coordinated Entry System they manage. Unity Care is a member of the Placer County Housing Collaborative. As part of this effort, we have worked with Sierra College, Turning Point, Golden Sierra Job Training, and others. We are also a member of the TAY Collaboration in Placer County working with Coordinated Entry and agencies to address housing for youth, including emergency housing and financial assistance, emergency shelter, transitional housing, permanent housing, and housing for those over age 24.

Unity Care does accept referrals, including through our existing Placer County Prevention and Early Intervention Program, Placer County Child Welfare Services, and Probation. To help engage clients, staff will develop an outreach plan that includes utilization of the Coordinated Entry System to identify and contact eligible youth.

10. Describe your use of volunteers.

How do volunteers contribute to your efforts overall and to this program or project specifically?

Unity Care volunteers contribute to our wellness and wellbeing efforts for youth. They help provide outings for youth, donation drives that support youth's needs as they move into their own apartments for the first time, and mentorship. All volunteers and interns follow the same screening procedures and training as staff if they will have regular contact with clients and must pass a background check.

11. Describe your history and experience providing services to the community.

Be sure to include the number of years in operation and summary of major accomplishments.

Unity Care Group is a Black, LGBTQ-led 501(c)(3) non-profit organization founded in 1993 with the mission to "Transform the lives of young people in and emerging from foster care by providing stable housing, caring connections, and life skills that build a foundation to achieve their potential." We serve El Dorado, Placer, Sacramento, Alameda, Monterey, Santa Clara, San Mateo, and San Francisco counties. Our clients are foster or former foster youth ages 16-24 that have a history of involvement

in the child welfare system and, often, the juvenile justice and/or mental health systems. Foster youth are comprised disproportionately of non-white children and Unity Care has specific expertise working with these youth, including Black and Latino/Hispanic populations in Placer County. These youth face challenges in several life domains at a higher rate than their non-foster peers at the same time they are struggling with the emotional (and, often physical) scars inflicted during their upbringing. Numerous studies have shown that foster and former foster youth face an unprecedented set of challenges, including high rates of pregnancy, high rates of homelessness upon transition from foster care, high unemployment rates, and low educational attainment. These youth come to Unity Care from chaotic and traumatic upbringings with little to no income and often homeless or at risk for homelessness. Most struggle socially and academically and lack information and support regarding healthy relationships, careers and job preparation. We have demonstrated success in using an interdisciplinary, collaborative approach to delivering comprehensive care. Our programs and services for youth include a continuum of transitional housing coupled with supportive case management and wraparound services; mental health support; housing navigation and housing case management; homelessness prevention; independent living skills programs; financial literacy; and parenting support.

12. Describe your experience with this type of program or project.

If this is a new program or project, your experience with similar programs and projects. If this addresses homelessness, what is your knowledge of issues and needs specific to homeless persons, including families and those at risk of homelessness?

The proposed program is a new component that will enhance the services we provide for Roseville and Rocklin youth and an expansion of a service we have started implementing in other counties. Unity Care has provided homelessness and housing services for foster and former foster youth since its inception in 1993, including offering a variety of housing options, housing navigation, and supportive services in multiple counties throughout Northern and Central California. Housing navigation and housing case management are integrated into the continuum of services we provide youth. Due to limited life experience, youth are especially vulnerable and in need of guidance and support that ends in housing solutions. We also currently operate standalone youth-centered housing navigation and related programs, as follows:

>Housing Navigation and Supportive Services Program, 2021- current: We run this program for non-minor dependents in partnership with the City and County of San Francisco to meet the goal of reducing and preventing homelessness in the emancipating and former foster youth demographic. The program offers housing navigation and living skills programming designed to promote independence and housing retention.

>Placer County PEI: Homelessness Prevention Project, 2020 - current: Unity Care partners with Placer County to provide case management, connection to services, emergency funds to support housing placement, housing search coordination, emergency placement, and case management for young adults ages 18-25 at risk of homelessness.

>Monterey County Housing Navigation Program 2022-current: This program component focuses on assisting homeless Monterey County young adults ages 18-21 who are trying to locate, secure, or maintain housing. Our Housing Specialist works with participants to help them locate housing and overcome barriers to tenancy.

>Flexible Housing Subsidy Program: We are currently launching this program for TAY in San Francisco.

13. Identify staff who will implement and manage the program or project.

Include their experience administering the activity or similar type of activities. If this is a collaborative effort, note the agency for each staff person. Attach resumes and job descriptions or duty statements.

Unity Care's Director of Housing, Kevin Sharps will help implement and oversee the program, supervising a to-be-hired Housing Specialist, who will provide the direct services. Kevin has worked in human services fields since 1992, starting with 7 years as a Program Director in Los Angeles supporting substance abuse recovery for homeless individuals by making sure that their immediate shelter, food, and clothing needs were met. Since that time, Kevin has gained extensive experience working with homeless and formerly homeless families and youth. Kevin's accomplishments include developing and managing social service programming for 14,000 low-income families, seniors, and youth; and serving as co-chair of a city and county Continuum of Care that procures in excess of \$32M in federal funding for housing and services for the homeless. Kevin holds a Master of Public Administration and a B.A. in Journalism with a minor in /Social Psychology.

The Housing Specialist will assist youth who are exiting from foster care and/or are at risk of homelessness in developing a housing plan and preparing for permanent housing solutions. This position will work closely with case managers, clients, and landlords to achieve efficiency in housing clients long-term. Qualifications for the position include 4-year degree and/or experience working in social services, knowledge of the service area and experience working with supportive housing, real estate or property management preferred.

14. Describe your service area. CDBG funding is intended to benefit City of Roseville residents. HP RR funding is intended to benefit Roseville and Rocklin residents.

If you serve an area less than the entire city, explain. If you serve an area larger than the city, how will you identify costs to serve Roseville residents? How will you assure Roseville residents are referred by outside agencies?

While we do serve an area larger than Roseville and Rocklin, the program will focus only on youth who are residents of the two cities. Residency in one of these cities will be part of the eligibility criteria for the program and candidates will undergo a

screening process once referred to ensure they meet all eligibility criteria.

15. List all City of Roseville funding received within the last three (3) years including funding amount and status.

List as follows: PROGRAM/PROJECT NAME, SOURCE/TYPE, AWARD AMOUNT, AWARD DATE, EXPENDED AMOUNT, STATUS (planned, underway, complete, or canceled)

Not applicable

16. Should the City award less than you have requested, how will this impact the program or project?

Will you accept a lesser amount? Will goals be reduced? Will the program or project not be feasible?

The proposed project relies on the requested funds to be fully implemented. If not awarded the full amount, Unity Care would need to reduce the deliverables accordingly.

17. Explain how this program or project offers something different from what other agencies may offer, or are currently offering.

Do you coordinate with other agencies to leverage and avoid duplication? What makes you different? Are services targeted to a unique population? Are you uniquely positioned to serve a community because of location, relationships, or staff skills?

This program would offer dedicated housing navigation services in Placer County for a specific population of systems-involved youth (former foster youth living in Unity Care housing) in Roseville and Rocklin as well as youth and young adult residents of Roseville and Rocklin who have been placed at risk for homelessness or who are currently homeless. While there are multiple programs and agencies with expertise serving adults, Unity Care's niche is working with high needs young adults, especially those of color. There are many considerations to take into account when serving vulnerable young people who have experienced significant trauma, and Unity Care is keenly aware of these; therefore, the agency has developed a service model that ensures the success of youth in services. The proposed program will likely be the only one of its kind in the area delivered by an agency with 30 years of experience serving the population of focus with housing and wraparound services. As a Black-led agency founded on principles of social justice and ensuring equity and inclusion and with 13 years of experience serving systems-involved foster and former foster youth in Placer County, Unity Care is uniquely qualified to implement the program for this population.

18. These funds must be used to benefit extremely low, very low, and low and moderate income persons. You must also collect and report demographic information on persons served. Describe your methods for documenting eligibility for services and collecting demographics.

If you are targeting a low-income area, please describe the area and how you determined it is low-income. If you are serving a population that is presumed to be low-income, please describe. Describe the tools you use to report on persons served.

All Unity Care Group clients are low income and many youth come to us with no income at all. Our intake process documents demographics, income, current status of clients, and more. Unity Care has an extensive data collection, tracking, analysis and reporting system. This process can be modified/updated to gather information based on funder and program requirements. Unity Care utilizes AWARDS, a secure electronic health record (EHR) system, to support data management efforts and reporting. AWARDS allows for entering client history data, service data, basic client information, assessment data, and survey data. We are able to run reports within AWARDS as needed. Additionally, AWARDS can connect with Health Information Exchanges (HIEs), enabling data sharing with partners and funders. UCG staff are trained in the use of the EHR as well as systems used by our funders for reporting, and HMIS.

19. Are you currently participating in and using HMIS? Are you part of coordinated entry? (HOMELESS)

If not, will you begin using HMIS if awarded funding? Will information on persons served under this award be entered into HMIS?

Yes, Unity Care Group currently participates in and uses HMIS and collaborates with coordinated entry in Placer County.

20. How many unduplicated persons are you projecting to serve THIS year (Jul-Jun)? How many of those will be Roseville residents?

If not underway, enter 0. Ignore the automatic total under the table you will see in preview and print.

0	Total unduplicated persons
0	Roseville unduplicated persons
0.00	TOTAL

21. How many unduplicated persons are you projecting to serve NEXT year (Jul-Jun) should you receive this award? How many of those will be Roseville residents?

Ignore the automatic total under the table you will see in preview and print.

55	Total unduplicated persons
30	Roseville unduplicated persons
85.00	TOTAL

22. What is your total cost to serve each unduplicated person? Amount funded by this grant?

Ignore the automatic total under the table you will see in preview and print.

5372.45 Total cost/person (\$)

4126.46 Cost/person funded by this grant (\$)

9,498.91 **TOTAL**

23. Describe the primary unit of service you will provide.

You will propose numbers in the following question. Examples include: meals, homes repaired, hours of service provided, shelter nights.

We propose 1,150 units of service (1 hour of direct service=1 UOS - for services, including: housing assessment, housing plan development, assistance in identifying & applying for housing, identifying & addressing needs, & connecting youth with services.

24. How many units of service (above) do you propose to provide? How many can be attributed to the funding requested?

3900 Total units

1150 Units attributed to funding requested

5,050.00 **TOTAL**

25. This request will ... (SERVICES, FACILITIES, HOMELESS)

Select one

- ☒ Result in an increase in the current level of service provided, or increase the capacity of a facility.
- ☐ Improve access to an existing service, or improve access to an existing facility.
- ☐ Prevent a reduction in the current level of service provided, or reduction in the current capacity of a facility.
- ☐ Correct a currently sub-standard level of service, or correct a sub-standard condition in a facility.

26. Describe all planning/predevelopment steps that have been completed to date. (FACILITIES)

-answer not presented because of the answer to #1-

27. Is this project a multi-phased activity? (FACILITIES)

-answer not presented because of the answer to #1-

28. Is this a new program/service, or an expansion or continuation of an existing program/service? (SERVICES, HOMELESS, ECONOMIC DEVELOPMENT)

- ☒ New
- ☐ Expansion
- ☐ Continuation

29. Enter the number of full-time and part-time jobs that will be created or retained. (ECONOMIC DEVELOPMENT)

-answer not presented because of the answer to #1-

30. Enter the number of full-time and part-time jobs that will be created or retained FOR LOW-INCOME PERSONS. (ECONOMIC DEVELOPMENT)

-answer not presented because of the answer to #1-

31. Provide any additional information in the space below that you would like to be considered for this proposal.

If none, enter "none."

*Note: while this would be a new service provided by Unity Care in Rockin and Roseville, it is also an expansion of the housing navigation services we are currently rolling out in the San Francisco Bay Area and Monterey County.

Funding sources for the overall program include San Francisco Human Services Agency, San Francisco Department of Homelessness and Supportive Housing and the County of Monterey.

32. Have you completed the budget tab?

- ☒ Yes

33. Have you uploaded all required documents?

- ☒ Yes

Program/Project Budget Narrative

Staffing costs: 5% of the Director of Housing's time calculated at \$5,000 (\$100,00/year x 5%)

100% of Housing Specialist salary=\$60,000. This staff member will support youth to become successfully housed, providing 1:1 support, regular check-ins, connections to services, and assistance with challenges that may arise, threatening a participant's ability to remain housed.

Employee Taxes and Benefits: Calculated at 25% of the salaries for the proposed project, which =\$17,250, including: Payroll Taxes at 9% of salaries based on current payroll experience for similar programs, and benefits at 16% of salaries based on Unity Care's employee benefits plan.

Equipment costs: includes cost of a cell phone and line for 1 staff @\$50/month x12=\$600 and 1 laptop at \$600 for use by the Housing Specialist.

Employee mileage: Calculated at .59/mile for 6,973 miles per year and covers reimbursement for program-related travel.

Staff training: Calculated at \$550 based on the annual stipend per year per staff member for training.

Flexible housing funds: An average of \$833 per client x 30=\$25,000. This fund is designed to support costs that would otherwise contribute to housing instability if not provided, such as funds to make repairs for landlords in case of damages and funds for security deposits and rent.

Indirect costs - \$11,680 calculated at 10%. Indirect Costs include Administration, Finance, HR, Compliance, IT, and agency-related overhead, such as audit fees.

EXHIBIT “B”

Performance Measures of Program Outcomes

The City and its grantees will track data on the performance measures as described below. The City will require grantees to collect this information from project participants at program entry and at program exit, or as needed based on timing of submittal of monitoring reports, whichever occurs first. Grantees that do not measure progress or do not make notable progress through the services provided will rank lower or may not be considered for potential future funding rounds. Grantees must utilize the Homeless Management Information System (“HMIS”) intake, update, and exit forms.

Measurement 1: How many people were served?

- # of people served and demographics

Measurement 2: How many secured housing?

- % and # of people who successfully secure housing, separated into transitional or residential treatment facility and permanent housing
- Cost/benefit ratio (number of clients exited to permanent housing/program cost)
- Length of time from program entry to securing permanent housing

Measurement 3: What are the long-term benefits? Are there any impacts to other services?

Housing:

- % and # of people who retain permanent housing at 6 month intervals from placement in permanent housing or obtain permanent housing after time in transitional or residential treatment

Income and Benefits:

- % and # of participants receiving monthly income (employment or permanent benefit)
- % and # of participants receiving CalFresh
- % and # of participants receiving General Assistance
- % and # of people with health insurance

Physical and Behavioral Health:

- % and # of emergency care visits
- % and # of days in psychiatric hospitalization

Criminal Justice Involvement:

- % and # of days in jail
- % and # of arrests/tickets

Measurement 4: Please provide narrative information regarding your local partnerships and how you collaborate with other partners and referral agencies to increase service delivery efficiency and decrease service duplication in Roseville and Rocklin.

Measurement 5: Are participants of your program properly entered and updated in the HMIS database?

Use of Funding: A summary report regarding use of the program grant funding will be required with each monitoring report as well, including a final report on the use of funds.

Performance measurements that are unrelated to a given program can be waived at the discretion of City housing staff.

COUNCIL COMMUNICATION

CC #: 2790

File #: 0400-04-13-1

Title: Creekview Westbrook Boulevard Segment 3 - Notice of Completion

Contact: Troy Galvin 916-223-7441 JTGalvin@roseville.ca.us

Meeting Date: 6/21/2023

Item #: 7.19.

RECOMMENDATION TO COUNCIL

Staff recommends that the City Council adopt the attached resolution accepting Creekview Westbrook Blvd. Segment 3, CWJ # 190462, as complete and authorizing the City Engineer to execute the Notice of Completion.

BACKGROUND

The Engineering Division has made a final inspection of the above project and has found the roadway infrastructure work complete in accordance with the improvement plans and City Specifications.

FISCAL IMPACT

The actions requested as part of this action have no impact to the City's General Fund. Construction costs were paid by the developer.

ENVIRONMENTAL REVIEW

The California Environmental Quality Act (CEQA) does not apply to activities that will not result in a direct or reasonably foreseeable indirect physical change in the environment, or is otherwise not considered a project as defined by CEQA Statute §21065 and CEQA State Guidelines §15060(c)(3) and §15378. Approval of a Notice of Completion meets the above criteria and is not subject to CEQA. No additional environmental review is required.

CITY COUNCIL STRATEGIC PLAN/OVERARCHING GOALS

Goal F - Invest in well-planned infrastructure and growth

Respectfully Submitted,

Troy Galvin, Construction Inspector

Mike Isom, Development Services Director

Dominick Casey, City Manager

COUNCIL COMMUNICATION

CC #: 2785

File #: 0400-07 & 0400-04-15-1

Title: Amoruso Ranch Phase 1 Subphase A1 In-Tract - Final Map and Subdivision Agreement

Contact: Kerry Andrews 916-774-5346 kandrews@roseville.ca.us

Meeting Date: 6/21/2023

Item #: 7.20.

RECOMMENDATION TO COUNCIL

It is recommended that the City Council take the following actions:

1. Approve the final map on file with the City Clerk and accept, on behalf of the public, the public utility easements offered thereon and accept, subject to improvement, Lots C, D, E, F, G, H, I, J, K, L, M, N and O and all rights of way offered thereon; and reject at this time the irrevocable offers of Lots A & B and approve the abandonment of the irrevocable offers of dedication for rights of way and easements as listed thereon.
2. Adopt the attached resolution approving the Subdivision Agreement and authorize the City Manager to execute the agreement on behalf of the City.

BACKGROUND

The Development Services, Engineering Division, has reviewed the subject final map and found that it is in compliance with the Subdivision Map Act and the City's Subdivision Ordinance and all conditions of the tentative map have been met. This map will create 481 residential lots, 13 public landscape lots and 2 public park lots.

FISCAL IMPACT

There is no fiscal impact to the City's General Fund associated with this approval.

ENVIRONMENTAL REVIEW

Approval of the Amoruso Ranch Phase 1 - Subphase A1 In-Tract final map is an action that is subject to California Environmental Quality Act (CEQA). Project level CEQA compliance for the Amoruso Ranch Phase 1 - Subphase A1 In-Tract final map was accomplished with the preparation of the Amoruso Ranch Specific Plan (ARSP) Environmental Impact Report (EIR) and was certified by City Council on June 15, 2016 (SCH#2013102057). Because the Amoruso Ranch Phase 1 Subphase A1 In-Tract final map is consistent with the project evaluated

in the Amoruso Ranch Specific Plan EIR, no new effects would be expected to occur and all applicable mitigation measures from the Amoruso Ranch Specific Plan EIR will be implemented. As such, no additional CEQA action is required at this time.

CITY COUNCIL STRATEGIC PLAN/OVERARCHING GOALS

Goal F - Invest in well-planned infrastructure and growth

Respectfully Submitted,

Kerry Andrews, Assistant Engineer

Mike Isom, Development Services Director

Dominick Casey, City Manager

SURVEYOR'S STATEMENT

THIS FINAL MAP WAS PREPARED BY ME OR UNDER MY DIRECTION AND IS BASED UPON A FIELD SURVEY IN CONFORMANCE WITH THE REQUIREMENTS OF THE SUBDIVISION MAP ACT AND LOCAL ORDINANCE. AT THE REQUEST OF BROOKFIELD SUNSET, IN SEPTEMBER 2019, I HEREBY STATE THAT THIS FINAL MAP SUBSTANTIALLY CONFORMS TO THE CONDITIONALLY APPROVED TENTATIVE MAP; THAT ALL THE MONUMENTS SHOWN HEREON ARE OF THE CHARACTER AND WILL OCCUPY THE POSITIONS AS INDICATED, OR THAT THEY WILL BE SET BY JUNE 30, 2025 AND THAT THE MONUMENTS ARE SUFFICIENT TO ENABLE THE SURVEY TO BE RETRACED.

- 5/8" REBAR CAPPED "LS 9602" WILL BE SET AT ALL REAR LOT CORNERS, ALONG WITH ALL LOT LINE ANGLE POINTS, OR AT A 2.00 FOOT PROJECTION ALONG LOT LINES ADJACENT TO WALLS (2.00 FOOT BY 2.00 FOOT OFFSETS FOR ANGLE POINTS ADJACENT TO WALLS). FRONT CORNERS WILL BE SET WITH A 1" BRASS DISK STAMPED "LS 9554" AT A 1.00 FOOT PROJECTION OF THE PROPERTY LINE ONTO THE SIDEWALK.
- A SOILS REPORT DATED MARCH 24, 2021, WAS PREPARED FOR THIS SUBDIVISION BY ENGEO INCORPORATED. A COPY OF THIS REPORT ENTITLED "AMORUSO RANCH - PHASE A, ROSEVILLE CALIFORNIA, GEOTECHNICAL EXPLORATION, PROJECT NO. 8186.000.004", IS AVAILABLE FOR PUBLIC INSPECTION AT THE OFFICE OF THE CITY OF ROSEVILLE DEVELOPMENT SERVICES - ENGINEERING FILE #308-944.
- PURSUANT TO SECTION 66434(g) OF THE GOVERNMENT CODE, THE FOLLOWING PUBLIC EASEMENTS ARE HEREBY ABANDONED AND ARE NOT SHOWN HEREON:
 - THOSE PORTIONS OF THE IOD/RW DEPICTED ON THE MAP ENTITLED "FINAL MAP OF AMORUSO RANCH PHASE A1", FILED IN BOOK GG OF MAPS, AT PAGE 49, O.R.P.C., WHICH LIE WITHIN THE BOUNDARY OF THIS MAP.
 - THOSE PORTIONS OF THE PUE DEPICTED ON THE MAP ENTITLED "FINAL MAP OF AMORUSO RANCH PHASE A1", FILED IN BOOK GG OF MAPS, AT PAGE 49, O.R.P.C., WHICH LIE WITHIN THE BOUNDARY OF THIS MAP.
 - THOSE PORTIONS OF THE PUE/PE DEPICTED ON THE MAP ENTITLED "FINAL MAP OF AMORUSO RANCH PHASE A1", FILED IN BOOK GG OF MAPS, AT PAGE 49, O.R.P.C., WHICH LIE WITHIN THE BOUNDARY OF THIS MAP.

BASIS OF BEARINGS STATEMENT

THE BASIS OF BEARINGS FOR THIS SURVEY IS THE SOUTH LINE OF THE SOUTHWEST ONE-QUARTER OF SECTION 11, AS SHOWN HEREON, SAID LINE IS TAKEN TO BEAR NORTH 89°38'09" EAST, AS SHOWN ON THE FINAL MAP OF "AMORUSO RANCH PHASE A1" RECORDED DECEMBER 23, 2022, IN BOOK GG OF MAPS, AT PAGE 49.

RESOLUTION NO. 23-269

APPROVING A SUBDIVISION AGREEMENT, BY AND BETWEEN THE CITY OF
ROSEVILLE AND BROOKFIELD SACRAMENTO HOLDINGS, LLC, AND
AUTHORIZING THE CITY MANAGER TO EXECUTE IT ON BEHALF OF
THE CITY OF ROSEVILLE

WHEREAS, a subdivision agreement, by and between the City of Roseville and
Brookfield Sacramento Holdings, LLC, for the Amoruso Ranch Phase 1 – Subphase A1 In-Tract
Subdivision, has been reviewed by the City Council; and

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Roseville that
said agreement is approved and the City Manager is authorized to execute it on behalf of the City
of Roseville.

PASSED AND ADOPTED by the Council of the City of Roseville this ____ day of
_____, 2023, by the following vote on roll call:

SUBDIVISION AGREEMENT

Amoruso Ranch Phase 1 - Subphase A1 In-Tract
SUBDIVISION

THIS AGREEMENT, made and entered into this ____ day of _____,
20__, by and between the CITY OF ROSEVILLE, a municipal corporation ("CITY"), and
Brookfield Sacramento Holdings, LLC

Delaware Limited Liability Company
a _____ ("SUBDIVIDER"),

W I T N E S S E T H

WHEREAS, SUBDIVIDER is possessed of a tract of land lying in the City of Roseville,
County of Placer, known as "**Amoruso Ranch Phase 1 - Subphase A1 In-Tract**
PL21-0184
no. _____; "the Subdivision"); and

WHEREAS, a tentative map of the Subdivision was approved by the City Planning
Commission on the 24 day of **March**, 2022, and the final map of the Subdivision
has been approved subject to the execution of this Agreement; and

WHEREAS, the final map has been filed on the ____ day of _____, 20__ in Book ____ of Parcel/Subdivision Maps at Page ____ in the Official Records, Placer County Recorder, file no. _____; and

WHEREAS, Section 18.20.110 of the Roseville Municipal Code, regulating the subdivision of land in the City, requires that SUBDIVIDER shall execute and file an agreement between itself and CITY relating to the improvements to be made in a subdivision, prior to the approval by the City Council of the final map.

NOW, THEREFORE, the parties agree as follows:

1. Rights-of-Way. Except as otherwise provided by this Agreement, CITY rejects all lands, right-of-ways, and easements offered for dedication on the final map of the Subdivision. All such offers shall, however, remain open, and shall constitute irrevocable offers of dedication in accordance with Government Code Section 66477.2. All such offers may be accepted by CITY in its sole discretion at any later date without further notice to SUBDIVIDER as provided by law.

By way of explanation only, it is the current intention of CITY to accept all or part of such irrevocable offers to dedicate upon acceptance of the improvements called for in this Agreement.

2. Improvements - Time Limit. SUBDIVIDER agrees to cause all improvements to be made and constructed in the Subdivision to fully comply with the requirements of the Roseville Municipal Code and the Subdivision Map Act of the State of California according to the improvement plans for the Subdivision prepared by Wood Rodgers, Inc., dated 3/15/23 and approved by the City Engineer and including any changes or

alterations to such improvements required by the City Engineer, and to install, on or before 3/31/2025, such survey monuments as may be required by the City Engineer ("the Work"). SUBDIVIDER agrees to pay for any materials, provisions or other supplies used in, upon, for or about the performance of the Work, or for any work or labor of any kind done in connection with the Work, or for any amounts due under the Unemployment Insurance Act with respect to such work or labor.

SUBDIVIDER agrees to complete all of the Work on or before twenty-four (24) months from the date of this Agreement. If in the opinion of the City Engineer of CITY, an extension of this Agreement is not detrimental to the public welfare, he or she is, in his or her sole discretion, hereby authorized to extend the time within which the Work shall be completed for a period not to exceed twelve (12) months. Upon a written application made by SUBDIVIDER, further extensions, not to exceed an additional six (6) months, shall be reviewed and approved at the discretion of the City Engineer of CITY. Any such application extension request by SUBDIVIDER shall fully state the grounds and facts relied upon for the granting of additional extensions.

In the event that SUBDIVIDER shall fail to complete the Work within the time provided by this Agreement, CITY may, in its sole discretion and in addition to any other remedy provided in this Agreement or by law, enter upon the Subdivision and complete the Work and recover the full cost and expense of such construction from SUBDIVIDER, SUBDIVIDER's successors and assigns, or from the then owner of the Subdivision, and/or place a lien upon the Subdivision for such cost and expense.

If at anytime prior to the expiration of the time provided by this Agreement the City Engineer of CITY determines that a safety hazard exists within an existing public right-of-

way, the City Engineer shall give written notice to SUBDIVIDER to eliminate the safety hazard. If SUBDIVIDER fails to eliminate the safety hazard within five (5) calendar days of the written notice, CITY may, in its sole discretion and in addition to any other remedy provided in this Agreement or by law, eliminate the safety hazard and recover the full cost and expense of such work from SUBDIVIDER, SUBDIVIDER's successors and assigns, or from the then owner of the Subdivision, and/or place a lien upon the Subdivision for such cost and expense.

3. Acquisition and Dedication of Easements or Rights-of-Ways. If any of the Work is to be constructed or installed on land not within the Subdivision or already existing public right-of-way, no construction or installation shall be commenced before:

a. The irrevocable offer of dedication or conveyance to CITY of appropriate right-of-ways, easements or other interest in real property, and appropriate authorization from the property owner to allow construction or installation of the improvements or work; or

b. The issuance of an order of possession by a court of competent jurisdiction pursuant to the State Eminent Domain Law. SUBDIVIDER shall comply in all respects with any such order of possession.

Nothing in this Section 3 shall be construed as authorizing or granting an extension of time to SUBDIVIDER for completion of the Work.

4. Inspection Fees and Costs. The City Engineer shall inspect all of the Work improvements made in the Subdivision to see that they comply with CITY's subdivision regulations and specifications. SUBDIVIDER shall deposit the estimated inspection fee and reimburse CITY for the cost of such inspections in accordance with Roseville Municipal Code section 18.20.070.

5. Securities.

a. SUBDIVIDER shall file with this Agreement two (2) improvement securities as set forth in Roseville Municipal Code Sections 18.20.150 and 18.20.160. Each security shall be in the amount of one hundred percent (100%) of the total estimated cost of the Work as determined by the City Engineer which amount is the sum of \$ 20,125,008.00. One improvement security shall secure faithful performance of this Agreement as required by Section 66499.3(a) of the Government Code of the State of California (the "faithful performance" security). The second improvement security shall, as required by Section 66499.3(b) of the Government Code of the State of California, secure the obligations set forth in Title 15 (commencing with Section 3082) of Part 4 of Division 3 of the Civil Code of the State of California for payment to the contractor, his subcontractors and to persons renting equipment or furnishing labor or materials to them for the Work (the "payment security"). The improvement securities required under this paragraph shall also secure placement of monumentation and guarantee payment therefor as provided by California Government Code section 66496.

b. SUBDIVIDER shall also file with this Agreement a "guarantee and warranty security" in the amount of ten percent (10%) of the City Engineer's estimated cost of the Work as set forth in Section 18.20.170 of the Roseville Municipal Code to guarantee and warrant the Work for a period of one year following its completion and acceptance against any defective work or labor done, or defective materials furnished, as required by Section 66499(a)(5) of the Government Code of the State of California. The guarantee and warranty security shall be released upon SUBDIVIDER's request following expiration of the warranty period and subject to the reasonable determination of the City Engineer that SUBDIVIDER's warranty obligations have been satisfied.

c. Any bonds submitted as security pursuant to this section shall be executed by a surety company authorized to transact a surety business in the State of California. All required securities shall be in a form approved by the City Attorney of CITY.

6. Successors and Assigns – Covenant Running with the Land. This Agreement shall inure to the benefit of, and be binding upon, the successors and assigns of the respective parties. It shall be recorded in the Office of the Recorder of Placer County concurrently with the final map of the Subdivision, and shall constitute a covenant running with the land and an equitable servitude upon the real property within the Subdivision.

7. Acceptance of Improvements Upon Completion. Upon satisfactory completion of the Work, in accordance with this Agreement, CITY agrees to accept the Work and its improvements and the offers of dedication described in paragraph 1, subject to the provisions of paragraphs 1 and 10 of this Agreement.

8. Notice Regarding Construction. SUBDIVIDER shall notify the City Engineer of CITY in writing three (3) days prior to the commencement of construction of the Work.

9. Subdivider's Obligation to Warn Public During Construction. Until final acceptance of the Work, SUBDIVIDER shall give good and adequate warning to the public of each and every dangerous condition which may exist in the Work, and will take all reasonable actions to protect the public from any such dangerous condition.

10. Warranty.

a. SUBDIVIDER guarantees and warrants the public improvements which constitute the Work required by this Agreement, and agrees to remedy any defects in the improvements or the Work arising from faulty or defective materials or construction of said improvements or the Work occurring within twelve (12) months after their acceptance by CITY.

SUBDIVIDER agrees to permit inspection of all improvements in the Subdivision by the City Engineer of CITY for such period, and to reimburse CITY for the cost of such inspections.

b. If, within the warranty period, the Work or improvement or any part of the Work done, furnished, installed, or constructed fails to fulfill any of the requirements of this Agreement or the improvement plans and specifications, SUBDIVIDER shall, without delay or cost to CITY, repair, replace or reconstruct any defective or otherwise unsatisfactory part or parts of the Work. CITY may, at its sole option, perform such repair or replacement itself if SUBDIVIDER has failed to commence such repair within twenty (20) days after CITY has mailed written notice of default to SUBDIVIDER and to SUBDIVIDER'S Surety. In such event, SUBDIVIDER agrees to pay the cost of such repair and replacement by CITY and CITY may, at its option, recover such cost as a lien against the Subdivision should the cost exceed the inspection fee deposited pursuant to paragraph 4 of this Agreement.

Should CITY determine that the public safety requires repairs or replacements to be made before SUBDIVIDER can be notified, CITY may, in its sole discretion, make the necessary repairs or replacement or perform the necessary work. SUBDIVIDER shall pay to CITY the cost of such repairs and CITY may at its option recover such cost as a lien against the Subdivision.

11. Indemnification. To the fullest extent allowed by law, SUBDIVIDER shall defend, indemnify, and save and hold harmless CITY, its officers, agents, employees and volunteers from any claims, suits or actions of every name, kind and description brought forth, or on account of, injuries to or death of any person (including but not limited to workers and the public), or damage to property, resulting from or arising out of SUBDIVIDER 's willful misconduct or negligent act or omission while engaged in the performance of obligations or

exercise of rights created by this Agreement, except those matters arising from CITY's sole or active negligence or willful misconduct. The parties intend that this provision shall be broadly construed.

SUBDIVIDER's responsibility for such defense and indemnity obligations shall survive the termination or completion of this Agreement for the full period of time allowed by law. The defense and indemnity obligations of this Agreement are undertaken in addition to, and shall not in any way be limited by, the insurance obligations contained in this Agreement.

12. Insurance. SUBDIVIDER agrees to continuously maintain, in full force and effect, at a minimum the following policies of insurance during the term of this Agreement.

COVERAGE

LIMITS OF LIABILITY

General Liability

\$2,000,000 per occurrence

\$4,000,000 aggregate

Personal Injury:

\$2,000,000 per occurrence

\$4,000,000 aggregate

Automobile Liability

\$1,000,000 combined single limit

Workers' Compensation

Statutory

a. Form. SUBDIVIDER shall submit a certificate evidencing such coverage for the period covered by this Agreement in a form satisfactory to Risk Management and the City Attorney, prior to undertaking any work hereunder. Any insurance written on a claims made basis is subject to the approval of Risk Management and the City Attorney.

b. Additional Insureds. SUBDIVIDER shall also provide a separate endorsement form or section of the policy showing CITY, its officers, agents, employees and volunteers as additional insureds for each type of coverage, except for Workers' Compensation, for ongoing and completed operations. Such insurance shall specifically cover the contractual

liability of SUBDIVIDER. The additional insured coverage under the SUBDIVIDER's policy shall be primary and noncontributory, as evidenced by a separate endorsement or section of the policy, and shall not seek contribution from CITY's insurance or self-insurance. In addition, the additional insured coverage shall be at least as broad as the Insurance Services Office ("ISO") CG 20 01 Endorsement. Any available insurance proceeds in excess of the specified minimum insurance coverage requirements and limits shall be available to the additional insureds.

Furthermore, the requirements for coverage and limits shall be: (1) the minimum coverage and limits specified in this Agreement; or (2) the full coverage and maximum limits of any insurance proceeds available to the named insureds, whichever is greater.

c. Cancellation/Modification. SUBDIVIDER shall provide ten (10) days written notice to CITY prior to cancellation or modification of any insurance required by this Agreement.

d. Umbrella/Excess Insurance. The limits of insurance required in this Agreement may be satisfied by a combination of primary and excess insurance. Any excess insurance shall contain or be endorsed to contain a provision that such coverage shall also apply on a primary and noncontributory basis for the benefit of CITY (if agreed to in a written contract) before CITY's own insurance shall be called upon to protect it as a named insured.

e. Self-Insured Retentions. All self-insured retentions ("SIR") must be disclosed to Risk Management for approval and shall not reduce the limits of liability. Policies containing any SIR provision shall provide or be endorsed to provide that the SIR may be satisfied by either the named insured or CITY. CITY reserves the right to obtain a full certified copy of any insurance policy and endorsements. The failure to exercise this right shall not constitute a waiver of such right.

f. Waiver of Subrogation. SUBDIVIDER hereby agrees to waive subrogation which any insurer of SUBDIVIDER may acquire from SUBDIVIDER by virtue of the payment of any loss under a Workers Compensation, Commercial General Liability or Automobile Liability policy. All Workers Compensation, Commercial General Liability and Automobile Liability policies shall be endorsed with a waiver of subrogation in favor of CITY, its officers, agents, employees and volunteers for all work performed by SUBDIVIDER, its employees, agents and subcontractors.

g. Liability/Remedies. Insurance coverage in the minimum amounts set forth herein shall not be construed to relieve SUBDIVIDER of liability in excess of such coverage, nor shall it preclude CITY from taking such other actions as are available to it under any other provisions of this Agreement or law.

13. Irrevocability of Security. The improvement securities furnished pursuant to paragraph 5 shall be irrevocable, shall not be limited as to time (except as to the one-year guarantee and warranty period specified in paragraph 10) and shall provide that they may be released, in whole or part, only upon the written approval of the City Engineer of CITY.

14. Attorney's Fees; Venue; Governing Law. Any action by any party to this Agreement, or any action concerning a security furnished pursuant to paragraph 5, shall be brought in the appropriate court of competent jurisdiction within the County of Placer, State of California, notwithstanding any other provision of law which may provide that such action may be brought in some other location. In the event it becomes necessary for either party to bring an action with respect to enforcement of the provisions of this Agreement, or the security therefor, the prevailing party in such action shall be awarded a reasonable attorney's fee, as may be

determined by the Court. This Agreement shall be governed by and construed in accordance with the laws of the State of California.

15. Release of Faithful Performance Security. Release of faithful performance security shall be in compliance with and pursuant to the procedures set forth in Government Code Section 66499.7. Upon the completion of all secured Work by SUBDIVIDER and written acceptance of that completed Work by CITY, and the furnishing of the warranty security as required by paragraph 5(b), the City Engineer shall authorize the release of the remaining faithful performance security.

16. Release of Payment Security. Thirty-five (35) days after a notice of completion is recorded with respect to the Work, the City Engineer of CITY may authorize the release of the payment security, in the event that no claims have been filed against said security. In the event that claims or actions are filed against the security, the City Engineer may release so much of such security as is in excess of the total of the claims made against it, plus a reasonable amount of costs and attorney's fees.

17. Automatic Termination Upon Completion and Sale of Residential Unit. This Agreement and any lien pursuant hereto shall automatically be terminated, without any further action by either party or need to record any additional document, with respect to any single-family residential lot within a parcel designated by the Specific Plan for residential use, upon completion of construction and issuance by the City of a final inspection for a dwelling unit upon such residential lot and conveyance of such improved residential lot to a bona-fide good faith purchaser thereof. In connection with its issuance of a final inspection for such improved lot, City shall confirm that: (i) all improvements which are required to serve the lot, as determined by City, have been accepted by City; (ii) the lot is included within the Maintenance CFD required

by Section 3.20 or other financing mechanism acceptable to the City, to the extent required hereby; and (iii) if and to the extent applicable to such lot, an affordable purchase or rental housing agreement has been recorded on the lot. Termination of this Agreement for any such residential lot as provided for in this section shall not in any way be construed to terminate or modify any assessment district or Mello-Roos Community Facilities District lien affecting such lot at the time of termination.

18. Failure of Performance. In addition to any other remedies provided in this Agreement or by law, in the event SUBDIVIDER fails to perform one or more of the covenants or conditions of this Agreement, CITY shall have recourse to the security given to guarantee the performance of such acts. CITY may do, or cause to be done, those acts required of SUBDIVIDER, and shall have recourse against so much of the security as is necessary to discharge the responsibility of SUBDIVIDER. In the event CITY seeks recourse against a security, CITY shall also have recourse against SUBDIVIDER for any and all amounts necessary to complete the obligations of SUBDIVIDER in the event the security is insufficient to pay such amounts. All administrative costs, including reasonable attorney's fees pursuant to Section 66499.4 of the Government Code, incurred by CITY, in addition to the costs of the improvements, shall be a proper charge against the security and SUBDIVIDER.

19. Integration. This Agreement is an integrated agreement. It supersedes all prior negotiations, representations, or agreements, either written or oral.

20. Modification. This Agreement and each provision contained herein may be waived, amended, supplemented or eliminated only by mutual written agreement of the parties.

21. Notices. Any notices sent to the parties relating to this Agreement shall be sent by first class mail, postage prepaid or delivered to the following addresses:

Marc Stout, City Engineer
City of Roseville
311 Vernon Street
Roseville, CA 95678

Gonzalo Rodriguez, V.P.
Brookfield Sacramento Holdings, LLC
12657 Alcosta Blvd., Ste 250
San Ramon, CA 94583-4438

Either party may amend its address by giving written notice to the other.

22. Severability. If any of the provisions contained in this Agreement are for any reason held invalid or unenforceable, such holding shall not affect the remaining provisions or the validity and enforceability of the Agreement as a whole.

IN WITNESS WHEREOF, the City of Roseville, a municipal corporation, has authorized the execution of this Agreement in duplicate by its City Manager and attestation by its City Clerk under authority of Resolution No. ____, adopted by the Council of the City of Roseville on the ____ day of _____, 20__, and SUBDIVIDER has caused this Agreement to be executed.

RECOMMENDATION TO COUNCIL

It is recommended that the City Council take the following actions:

1. Approve the final map on file with the City Clerk and accept, on behalf of the public, the public utility easements offered thereon and accept, subject to improvement, Lots A, B, C, D, E, F, G and H and all rights of way offered thereon; and
2. Adopt the attached resolution approving the Subdivision Agreement for the Parcel FD-2 Subdivision and authorize the City Manager to execute the agreement on behalf of the City of Roseville.

BACKGROUND

The Development Services, Engineering section, has reviewed the subject final map and found that it is in compliance with the Subdivision Map Act and the City's Subdivision Ordinance and all conditions of the tentative map have been met. This map will create 120 residential lots and 8 public landscape lots.

FISCAL IMPACT

There is no fiscal impact to the City's General Fund associated with this approval.

ENVIRONMENTAL REVIEW

Approval of the Parcel FD-2 final map is an action that is subject to California Environmental Quality Act (CEQA). Project level CEQA compliance for the Parcel FD-2 final map was accomplished with preparation of the Sierra Vista Specific Plan EIR (Adopted: May 5, 2010) (SCH#2008032017) and the Mitigated Negative Declaration (MND) and associated Mitigation Monitoring Program approved by the City of Roseville on June 6, 2012. Because the Parcel FD-2

final map is consistent with the project evaluated in the Sierra Vista Specific Plan Environmental Impact Report (EIR), no new effects would be expected to occur and all applicable mitigation measures from the Sierra Vista Specific Plan EIR will be implemented. As such, no additional CEQA action is required at this time.

CITY COUNCIL STRATEGIC PLAN/OVERARCHING GOALS

Goal F - Invest in well-planned infrastructure and growth

Respectfully Submitted,

Robert Medina, Assistant Engineer

Mike Isom, Development Services Director

Dominick Casey, City Manager

NOTES:

1.

TOTAL AREA OF THIS SUBDIVISION IS 17.116± ACRES, GROSS, CONSISTING OF 120 RESIDENTIAL LOTS AND 8 LANDSCAPE LOTS.
2.

ALL CURVES ARE DIMENSIONED WITH RADIUS, DELTA, ARC LENGTH, CHORD BEARING AND CHORD LENGTH. DISTANCES SHOWN HEREON ARE IN FEET AND DECIMALS THEREOF AND ARE "GROUND" DISTANCES. DUE TO ROUNDING, THE SUM OF INDIVIDUAL DIMENSIONS MAY NOT EQUAL THE OVERALL DIMENSION.
3.

ALL FRONT LOT CORNERS ARE MARKED BY A 1" BRASS DISC STAMPED "LS 8268" IN THE SIDEWALK OR CONCRETE GUTTER ON THE EXTENSION OF SIDE LOT LINES 1.00 FOOT FROM THE FRONT PROPERTY CORNER.
4.

ALL REAR CORNERS AND ANGLE POINTS, UNLESS SHOWN OTHERWISE, ARE MARKED BY A 5/8" REBAR WITH PLASTIC CAP STAMPED "LS 8268". WHERE REAR CORNERS FALL IN A MASONRY WALL OR FOOTING, A 5/8" REBAR WITH PLASTIC CAP STAMPED "LS 8268" WILL BE SET ON THE SIDE LOT LINE WITH A 4.00' OFFSET TO THE REAR CORNER OR, WHERE AN OFFSET MONUMENT CANNOT BE SET, A 3/4" BRASS TAG STAMPED "LS 8268" WILL BE SET WITH EPOXY TO THE FACE OF WALL 2.00 FEET ABOVE GROUND OR ON TOP OF THE WALL.
5.

A PRELIMINARY SOILS REPORT WAS PREPARED BY YOUNGDAHL CONSULTING GROUP, INC. DATED FEBRUARY, 2017; PROJECT NUMBER E 16372.00 AND ON FILE WITH THE CITY OF ROSEVILLE DEVELOPMENT SERVICES - ENGINEERING DEPARTMENT, FILE No. 308-870.
6.

PURSUANT TO SECTION 66434(G) OF THE GOVERNMENT CODE, THE FOLLOWING EASEMENTS THAT AFFECT THIS MAP, NOT SHOWN HEREON, ARE HEREBY ABANDONED:

A.

THE 12.5' PUBLIC UTILITY EASEMENT (PUE) ALONG THE WESTERLY RIGHT OF WAY OF SILVER SPRUCE DRIVE, LYING WITHIN LOT 17 AS SHOWN IN THAT CERTAIN MAP ENTITLED " FINAL MAP OF SIERRA VISTA - FEDERICO LARGE LOT SUBDIVISION" FILED FOR RECORD IN BOOK EE OF MAPS, AT PAGE 6, PLACER COUNTY RECORDS.

B.

THE 30' PUBLIC UTILITY EASEMENT (PUE) AND PASEO EASEMENT (PE) ALONG THE SOUTHERLY RIGHT-OF-WAY OF EARL RUSH DRIVE (FORMERLY FEDERICO DRIVE), LYING WITHIN LOT 17 AS SHOWN IN THAT CERTAIN MAP ENTITLED "FINAL MAP OF SIERRA VISTA - FEDERICO LARGE LOT SUBDIVISION" FILED FOR RECORD IN BOOK EE OF MAPS, AT PAGE 6, PLACER COUNTY RECORDS.
7.

THIS PROPERTY IS SUBJECT TO THE TERMS, CONDITIONS AND COVENANTS OF A RECIPROCAL EASEMENT AGREEMENT FOR TEMPORARY ACCESS AND TEMPORARY CONSTRUCTION PURPOSES RECORDED ON JUNE 6, 2017, AS DOC. NO. 2017-0041424, OR, SAID EASEMENT, NOT SHOWN HEREON, LIES WITHIN LOTS A, B, C AND D.

BASIS OF BEARINGS:

THE BASIS OF BEARINGS FOR THIS SURVEY IS NORTH 88°23'47" WEST BETWEEN FOUND MONUMENTS ON THE CENTERLINE OF EARL RUSH DRIVE (FORMERLY FEDERICO DRIVE) AS SHOWN ON THAT MAP TITLED "FINAL MAP OF FEDERICO PHASE 2 VILLAGE 1", FILED FOR RECORD ON NOVEMBER 4, 2021, IN BOOK FF OF MAPS, AT PAGE 80, PLACER COUNTY RECORDS.

SUBDIVISION AGREEMENT

PARCEL FD-2 SUBDIVISION

THIS AGREEMENT, made and entered into this ____ day of _____,
20__, by and between the CITY OF ROSEVILLE, a municipal corporation ("CITY"), and
BEAZER HOMES HOLDINGS, LLC, a Delaware limited liability company (the "BUILDER")
and KLLB AIV, LLC, a Delaware limited liability company (the "OWNER"),

W I T N E S S E T H:

WHEREAS, OWNER is possessed of a tract of land lying in the City of Roseville,
County of Placer, known as "Parcel FD-2 Subdivision" (Subdivision no. PL21-0111; "the
Subdivision"); and

WHEREAS, a tentative map of the Subdivision was approved by the City Planning
Commission on the ____ day of _____, 20__, and the final map of the Subdivision
has been approved subject to the execution of this Agreement; and

WHEREAS, the final map has been filed on the ____ day of _____, 20__ in Book _____ of Parcel/Subdivision Maps at Page _____ in the Official Records, Placer County Recorder, file no. _____; and

WHEREAS, BUILDER holds an option to and intends to purchase the Subdivision (“Optioned Property”) from the OWNER; and

WHEREAS, Section 18.20.110 of the Roseville Municipal Code, regulating the subdivision of land in the City, requires that BUILDER shall execute and file an agreement between itself and CITY relating to the improvements to be made in a subdivision, prior to the approval by the City Council of the final map.

NOW, THEREFORE, the parties agree as follows:

1. Rights-of-Way. Except as otherwise provided by this Agreement, CITY rejects all lands, right-of-ways, and easements offered for dedication on the final map of the Subdivision. All such offers shall, however, remain open, and shall constitute irrevocable offers of dedication in accordance with Government Code Section 66477.2. All such offers may be accepted by CITY in its sole discretion at any later date without further notice to BUILDER and OWNER as provided by law.

By way of explanation only, it is the current intention of CITY to accept all or part of such irrevocable offers to dedicate upon acceptance of the improvements called for in this Agreement.

2. Improvements - Time Limit. BUILDER agrees to cause all improvements to be made and constructed in the Subdivision to fully comply with the requirements of the Roseville Municipal Code and the Subdivision Map Act of the State of California according to the

improvement plans for the Subdivision prepared by MacKay & Somps, dated March 2023 and approved by the City Engineer and including any changes or alterations to such improvements required by the City Engineer, and to install, on or before March 31, 2025, such survey monuments as may be required by the City Engineer ("the Work"). BUILDER agrees to pay for any materials, provisions or other supplies used in, upon, for or about the performance of the Work, or for any work or labor of any kind done in connection with the Work, or for any amounts due under the Unemployment Insurance Act with respect to such work or labor.

BUILDER agrees to complete all of the Work on or before twenty-four (24) months from the date of this Agreement. If in the opinion of the City Engineer of CITY, an extension of this Agreement is not detrimental to the public welfare, he or she is, in his or her sole discretion, hereby authorized to extend the time within which the Work shall be completed for a period not to exceed twelve (12) months. Upon a written application made by BUILDER, further extensions, not to exceed an additional six (6) months, shall be reviewed and approved at the discretion of the City Engineer of CITY. Any such application extension request by BUILDER shall fully state the grounds and facts relied upon for the granting of additional extensions.

In the event that BUILDER shall fail to complete the Work within the time provided by this Agreement, CITY may, in its sole discretion and in addition to any other remedy provided in this Agreement or by law, enter upon the Subdivision and complete the Work and recover the full cost and expense of such construction from BUILDER, BUILDER's successors and assigns, or from the then owner of the Subdivision, and/or place a lien upon the Subdivision for such cost and expense.

If at any time prior to the expiration of the time provided by this Agreement the City Engineer of CITY determines that a safety hazard exists within an existing public right-of-way, the City Engineer shall give written notice to BUILDER to eliminate the safety hazard. If BUILDER fails to eliminate the safety hazard within five (5) calendar days of the written notice, CITY may, in its sole discretion and in addition to any other remedy provided in this Agreement or by law, eliminate the safety hazard and recover the full cost and expense of such work from BUILDER, BUILDER's successors and assigns, or from the then owner of the Subdivision, and/or place a lien upon the Subdivision for such cost and expense.

3. Acquisition and Dedication of Easements or Rights-of-Ways. If any of the Work is to be constructed or installed on land not within the Subdivision or already existing public right-of-way, no construction or installation shall be commenced before:

a. The irrevocable offer of dedication or conveyance to CITY of appropriate right-of-ways, easements or other interest in real property, and appropriate authorization from the property owner to allow construction or installation of the improvements or work; or

b. The issuance of an order of possession by a court of competent jurisdiction pursuant to the State Eminent Domain Law. BUILDER shall comply in all respects with any such order of possession.

Nothing in this Section 3 shall be construed as authorizing or granting an extension of time to BUILDER for completion of the Work.

4. Inspection Fees and Costs. The City Engineer shall inspect all of the Work improvements made in the Subdivision to see that they comply with CITY's subdivision regulations and specifications. BUILDER shall deposit the estimated inspection fee and

reimburse CITY for the cost of such inspections in accordance with Roseville Municipal Code section 18.20.070.

5. Securities.

a. BUILDER shall file with this Agreement two (2) improvement securities as set forth in Roseville Municipal Code Sections 18.20.150 and 18.20.160. Each security shall be in the amount of one hundred percent (100%) of the total estimated cost of the Work as determined by the City Engineer which amount is the sum of \$2,203,352. One improvement security shall secure faithful performance of this Agreement as required by Section 66499.3(a) of the Government Code of the State of California (the "faithful performance" security). The second improvement security shall, as required by Section 66499.3(b) of the Government Code of the State of California, secure the obligations set forth in Title 1 (commencing with Section 8000) of Part 6 of Division 4 of the Civil Code of the State of California for payment to the contractor, subcontractors and to persons renting equipment or furnishing labor or materials to them for the Work (the "payment security"). The improvement securities required under this paragraph shall also secure placement of monumentation and guarantee payment therefor as provided by California Government Code section 66496.

b. BUILDER shall also file with this Agreement a "guarantee and warranty security" in the amount of ten percent (10%) of the City Engineer's estimated cost of the Work as set forth in Section 18.20.170 of the Roseville Municipal Code to guarantee and warrant the Work for a period of one year following its completion and acceptance against any defective work or labor done, or defective materials furnished, as required by Section 66499(a)(5) of the Government Code of the State of California. The guarantee and warranty security shall be released upon BUILDER's request following expiration of the warranty period and subject to the

reasonable determination of the City Engineer that BUILDER's warranty obligations have been satisfied.

c. Any bonds submitted as security pursuant to this section shall be executed by a surety company authorized to transact a surety business in the State of California. All required securities shall be in a form approved by the City Attorney of CITY.

6. Successors and Assigns – Covenant Running with the Land. This Agreement shall inure to the benefit of, and be binding upon, the successors and assigns of the respective parties. It shall be recorded in the Office of the Recorder of Placer County concurrently with the final map of the Subdivision, and shall constitute a covenant running with the land and an equitable servitude upon the real property within the Subdivision.

7. Acceptance of Improvements Upon Completion. Upon satisfactory completion of the Work, in accordance with this Agreement, CITY agrees to accept the Work and its improvements and the offers of dedication described in paragraph 1, subject to the provisions of paragraphs 1 and 10 of this Agreement.

8. Notice Regarding Construction. BUILDER shall notify the City Engineer of CITY in writing three (3) days prior to the commencement of construction of the Work.

9. BUILDER's Obligation to Warn Public During Construction. Until final acceptance of the Work, BUILDER shall give good and adequate warning to the public of each and every dangerous condition which may exist in the Work and will take all reasonable actions to protect the public from any such dangerous condition.

10. Warranty.

a. BUILDER guarantees and warrants the public improvements which constitute the Work required by this Agreement, and agrees to remedy any defects in the

improvements or the Work arising from faulty or defective materials or construction of said improvements or the Work occurring within twelve (12) months after their acceptance by CITY. BUILDER agrees to permit inspection of all improvements in the Subdivision by the City Engineer of CITY for such period, and to reimburse CITY for the cost of such inspections.

b. If, within the warranty period, the Work or improvement or any part of the Work done, furnished, installed, or constructed fails to fulfill any of the requirements of this Agreement or the improvement plans and specifications, BUILDER shall, without delay or cost to CITY, repair, replace or reconstruct any defective or otherwise unsatisfactory part or parts of the Work. CITY may, at its sole option, perform such repair or replacement itself if BUILDER has failed to commence such repair within twenty (20) days after CITY has mailed written notice of default to BUILDER and to BUILDER'S Surety. In such event, BUILDER agrees to pay the cost of such repair and replacement by CITY and CITY may, at its option, recover such cost as a lien against the Subdivision should the cost exceed the inspection fee deposited pursuant to paragraph 4 of this Agreement.

Should CITY determine that the public safety requires repairs or replacements to be made before BUILDER can be notified, CITY may, in its sole discretion, make the necessary repairs or replacement or perform the necessary work. BUILDER shall pay to CITY the cost of such repairs and CITY may at its option recover such cost as a lien against the Subdivision.

11. Indemnification. To the fullest extent allowed by law, BUILDER shall defend, indemnify, and save and hold harmless CITY, its officers, agents, employees and volunteers from any claims, suits or actions of every name, kind and description brought forth, or on account of, injuries to or death of any person (including but not limited to workers and the public), or damage to property, resulting from or arising out of BUILDER's willful misconduct

or negligent act or omission while engaged in the performance of obligations or exercise of rights created by this Agreement, except those matters arising from CITY's sole or active negligence or willful misconduct. The parties intend that this provision shall be broadly construed.

BUILDER's responsibility for such defense and indemnity obligations shall survive the termination or completion of this Agreement for the full period of time allowed by law. The defense and indemnity obligations of this Agreement are undertaken in addition to, and shall not in any way be limited by, the insurance obligations contained in this Agreement.

12. Insurance. BUILDER agrees to continuously maintain, in full force and effect, at a minimum the following policies of insurance during the term of this Agreement.

<u>COVERAGE</u>	<u>LIMITS OF LIABILITY</u>
General Liability	\$2,000,000 per occurrence \$4,000,000 aggregate Personal Injury: \$2,000,000 per occurrence \$4,000,000 aggregate
Automobile Liability	\$1,000,000 combined single limit
Workers' Compensation	Statutory

a. Form. BUILDER shall submit a certificate evidencing such coverage for the period covered by this Agreement in a form satisfactory to Risk Management and the City Attorney, prior to undertaking any work hereunder. Any insurance written on a claims made basis is subject to the approval of Risk Management and the City Attorney.

b. Additional Insureds. BUILDER shall also provide a separate endorsement form or section of the policy showing CITY, its officers, agents, employees and volunteers as additional insureds for each type of coverage, except for Workers' Compensation, for ongoing

and completed operations. Such insurance shall specifically cover the contractual liability of BUILDER. The additional insured coverage under the BUILDER's policy shall be primary and noncontributory, as evidenced by a separate endorsement or section of the policy, and shall not seek contribution from CITY's insurance or self-insurance. In addition, the additional insured coverage shall be at least as broad as the Insurance Services Office ("ISO") CG 20 01 Endorsement. Any available insurance proceeds in excess of the specified minimum insurance coverage requirements and limits shall be available to the additional insureds. Furthermore, the requirements for coverage and limits shall be: (1) the minimum coverage and limits specified in this Agreement; or (2) the full coverage and maximum limits of any insurance proceeds available to the named insureds, whichever is greater.

c. Cancellation/Modification. BUILDER shall provide ten (10) days written notice to CITY prior to cancellation or modification of any insurance required by this Agreement.

d. Umbrella/Excess Insurance. The limits of insurance required in this Agreement may be satisfied by a combination of primary and excess insurance. Any excess insurance shall contain or be endorsed to contain a provision that such coverage shall also apply on a primary and noncontributory basis for the benefit of CITY (if agreed to in a written contract) before CITY's own insurance shall be called upon to protect it as a named insured.

e. Self-Insured Retentions. All self-insured retentions ("SIR") must be disclosed to Risk Management for approval and shall not reduce the limits of liability. Policies containing any SIR provision shall provide or be endorsed to provide that the SIR may be satisfied by either the named insured or CITY. CITY reserves the right to obtain a full

certified copy of any insurance policy and endorsements. The failure to exercise this right shall not constitute a waiver of such right.

f. Waiver of Subrogation. BUILDER hereby agrees to waive subrogation which any insurer of BUILDER may acquire from BUILDER by virtue of the payment of any loss under a Workers Compensation, Commercial General Liability or Automobile Liability policy. All Workers Compensation, Commercial General Liability and Automobile Liability policies shall be endorsed with a waiver of subrogation in favor of CITY, its officers, agents, employees and volunteers for all work performed by BUILDER, its employees, agents and subcontractors.

g. Liability/Remedies. Insurance coverage in the minimum amounts set forth herein shall not be construed to relieve BUILDER of liability in excess of such coverage, nor shall it preclude CITY from taking such other actions as are available to it under any other provisions of this Agreement or law.

13. Irrevocability of Security. The improvement securities furnished pursuant to paragraph 5 shall be irrevocable, shall not be limited as to time (except as to the one-year guarantee and warranty period specified in paragraph 10) and shall provide that they may be released, in whole or part, only upon the written approval of the City Engineer of CITY.

14. Attorney's Fees; Venue; Governing Law. Any action by any party to this Agreement, or any action concerning a security furnished pursuant to paragraph 5, shall be brought in the appropriate court of competent jurisdiction within the County of Placer, State of California, notwithstanding any other provision of law which may provide that such action may be brought in some other location. In the event it becomes necessary for either party to bring an action with respect to enforcement of the provisions of this Agreement, or the security therefor,

the prevailing party in such action shall be awarded a reasonable attorney's fee, as may be determined by the Court. This Agreement shall be governed by and construed in accordance with the laws of the State of California.

15. Release of Faithful Performance Security. Release of faithful performance security shall be in compliance with and pursuant to the procedures set forth in Government Code Section 66499.7. Upon the completion of all secured Work by BUILDER and written acceptance of that completed Work by CITY, and the furnishing of the warranty security as required by paragraph 5(b), the City Engineer shall authorize the release of the remaining faithful performance security.

16. Release of Payment Security. Thirty-five (35) days after a notice of completion is recorded with respect to the Work, the City Engineer of CITY may authorize the release of the payment security, in the event that no claims have been filed against said security. In the event that claims or actions are filed against the security, the City Engineer may release so much of such security as is in excess of the total of the claims made against it, plus a reasonable amount of costs and attorney's fees.

17. Automatic Termination Upon Completion and Sale of Residential Unit. This Agreement and any lien pursuant hereto shall automatically be terminated, without any further action by either party or need to record any additional document, with respect to any single-family residential lot within a parcel designated by the Specific Plan for residential use, upon completion of construction and issuance by the City of a final inspection for a dwelling unit upon such residential lot and conveyance of such improved residential lot to a bona-fide good faith purchaser thereof. In connection with its issuance of a final inspection for such improved lot, City shall confirm that: (i) all improvements which are required to serve the lot, as determined by

City, have been accepted by City; (ii) the lot is included within the Maintenance CFD as required or other financing mechanism acceptable to the City, to the extent required hereby; and (iii) if and to the extent applicable to such lot, an affordable purchase or rental housing agreement has been recorded on the lot. Termination of this Agreement for any such residential lot as provided for in this section shall not in any way be construed to terminate or modify any assessment district or Mello-Roos Community Facilities District lien affecting such lot at the time of termination.

18. Failure of Performance. In addition to any other remedies provided in this Agreement or by law, in the event BUILDER fails to perform one or more of the covenants or conditions of this Agreement, CITY shall have recourse to the security given to guarantee the performance of such acts. CITY may do, or cause to be done, those acts required of BUILDER, and shall have recourse against so much of the security as is necessary to discharge the responsibility of BUILDER. In the event CITY seeks recourse against a security, CITY shall also have recourse against BUILDER for any and all amounts necessary to complete the obligations of BUILDER in the event the security is insufficient to pay such amounts. All administrative costs, including reasonable attorney's fees pursuant to Section 66499.4 of the Government Code, incurred by CITY, in addition to the costs of the improvements, shall be a proper charge against the security and BUILDER.

19. Integration. This Agreement is an integrated agreement. It supersedes all prior negotiations, representations, or agreements, either written or oral.

20. Modification. This Agreement and each provision contained herein may be waived, amended, supplemented or eliminated only by mutual written agreement of the parties.

21. Notices. Any notices sent to the parties relating to this Agreement shall be sent by first class mail, postage prepaid or delivered to the following addresses:

CITY

Marc Stout, City Engineer
City of Roseville
311 Vernon Street
Roseville, CA 95678

Title: Parkside at Sierra Vista Community Facilities District No. 1 (Public Facilities) - Abandonment

Contact: Jeannine Thrash 916-774-5473 jthrash@roseville.ca.us
Dennis Kauffman 916-774-5313 dkauffman@roseville.ca.us

Meeting Date: 6/21/2023

Item #: 7.22.

RECOMMENDATION TO COUNCIL

Staff recommends that the City Council adopt a resolution approving recordation of a Notice of Cessation of Special Tax for the City of Roseville Parkside at Sierra Vista Community Facilities District No. 1 (Public Facilities), and authorizing related actions.

BACKGROUND

On December 7, 2022, the City Council adopted Resolution 22-435, which formed the City of Roseville Parkside at Sierra Vista Community Facilities District No. 1 (Public Facilities) and recorded a Notice of Special Tax Lien (Document No. 2022-0089946) with Placer County. No special tax bonds were ever imposed on land within Parkside at Sierra Vista CFD No. 1. The public facilities previously anticipated to be financed through the CFD are now anticipated to be financed through the Villages at Sierra Vista CFD No. 1 (Public Facilities), to which the sole landowner within the CFD has proposed to annex all of the territory currently within the Parkside at Sierra Vista CFD No. 1 boundaries into the Villages at Sierra Vista CFD No. 1.

Therefore, staff recommends that Parkside at Sierra Vista CFD No. 1 have a Notice of Cessation of Special Tax filed to evidence the fact that the special tax for the CFD has ceased and that the lien imposed by the Notice of Special Tax Lien for the CFD, recorded in the Placer County Recorder's Office, is extinguished with respect to all of the real property located within the CFD.

FISCAL IMPACT

The abandonment of Parkside at Sierra Vista CFD No. 1 does not impact the City's General Fund.

ENVIRONMENTAL REVIEW

The California Environmental Quality Act (CEQA) does not apply to activities that will not result in

a direct or reasonably foreseeable indirect physical change in the environment, or is otherwise not considered a project as defined by CEQA Statute §21065 and CEQA State Guidelines §15060(c)(3) and §15378. Adoption of the resolution meets the above criteria and is not subject to CEQA. No additional environmental review is required.

Resolution 23-268

CITY COUNCIL OF THE CITY OF ROSEVILLE

RESOLUTION NO. 23-268

A RESOLUTION APPROVING RECORDATION OF A NOTICE OF CESSATION OF SPECIAL TAX FOR THE CITY OF ROSEVILLE PARKSIDE AT SIERRA VISTA COMMUNITY FACILITIES DISTRICT NO. 1 (PUBLIC FACILITIES), AND AUTHORIZING RELATED ACTIONS

WHEREAS, on December 7, 2022, the City Council (the "Council") adopted Resolution No. 22-435, which formed the City of Roseville Parkside at Sierra Vista Community Facilities District No. 1 (Public Facilities) (the "CFD"); and

WHEREAS, on December 8, 2022, the City recorded in the Placer County Recorder's Office, as Document No. 2022-0089946, a Notice of Special Tax Lien, evidencing the lien of the special taxes authorized to be levied on taxable property within the CFD; and

WHEREAS, special tax bonds have never been issued for the CFD, and a special tax levy has never been imposed on land within the CFD; and

WHEREAS, the public facilities previously anticipated to be financed through the CFD are now anticipated to be financed through the Villages at Sierra Vista Community Facilities District No. 1 (Public Facilities), to which the sole landowner within the CFD has proposed to annex all of the territory currently within the CFD.

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF ROSEVILLE RESOLVES AS FOLLOWS:

SECTION 1. In accordance with Government Code Section 53330.5, the Council hereby finds, determines and declares that the special tax authorized to be levied on taxable property within the CFD shall never be levied, and hereby authorizes and directs the recordation of a Notice of Cessation of Special Tax substantially in the form attached hereto as Exhibit A, to evidence the fact that the special tax for the CFD has ceased and that the lien imposed by the Notice of Special Tax Lien for the CFD, heretofore recorded in the Placer County Recorder's Office, is extinguished with respect to all of the real property located within the CFD.

SECTION 2. The City Clerk and his or her designee (each, an "Authorized Officer") is hereby delegated authority to execute and record, in the Placer County Recorder's Office, a Notice of Cessation of Special Tax regarding the CFD consistent with the requirements of Government Code Section 53330.5.

SECTION 3. The Authorized Officers and other appropriate City staff are hereby authorized and directed to execute and deliver such additional certificates, documents and agreements as they may determine are necessary or helpful to effectuate the purposes of this resolution.

SECTION 4. This Resolution shall take effect immediately upon its adoption.

NOTICE OF CESSATION OF SPECIAL TAX

CITY OF ROSEVILLE
PARKSIDE AT SIERRA VISTA COMMUNITY FACILITIES DISTRICT NO. 1
(PUBLIC FACILITIES)
COUNTY OF PLACER, STATE OF CALIFORNIA

In accordance with Government Code Section 53330.5, the undersigned City Clerk of the City of Roseville ("City") hereby gives notice that the City Council has determined that the special tax authorized to be levied on taxable property within the above-referenced community facilities district (the "CFD") shall cease to be levied, and has directed the recordation of this Notice of Cessation of Special Tax to evidence the fact that the special tax for the CFD has ceased and that the lien imposed by the Notice of Special Tax Lien for the CFD, heretofore recorded in the Office of the Placer County Recorder's Office on December 8, 2022 at 11:55 a.m., as Document No. 2022-0089946, is extinguished with respect to all of the real property located within the CFD.

The territory included within the CFD is set forth in the boundary map of the CFD heretofore recorded in the Placer County Recorder's Office on October 21, 2022 in Book 4 at Page 79, as Document No. 2022-0078831, to which map reference is hereby made. The assessor's tax parcel(s) numbers of all parcels or any portion thereof which are included within the CFD, together with the name(s) of the owner(s) thereof, as they appear on the latest secured assessment roll as of the date of recording hereof or as are otherwise known to the County are as set forth in **Exhibit A**.

For further information concerning this Notice of Cessation of Special Tax, interested persons should contact the Chief Financial Officer, City of Roseville, 311 Vernon Street, Roseville, CA 95678.

Title: Roseville Natural Gas Financing Authority - Fiscal Year 2023-24 Budget

Contact: Teri Quinlan 916-774-5316 tquinlan@roseville.ca.us

Meeting Date: 6/21/2023

Item #: 7.23.

RECOMMENDATION TO COUNCIL

Staff recommends that the City Council, acting as the Roseville Natural Gas Financing Authority (RNGFA), adopt the attached resolution approving the RNGFA FY2023-24 budget.

BACKGROUND

Attached is the RNGFA budget for FY2023-24. The debt service expense budget of \$16,550,843 represents principal and interest payments on the 2007 Gas Revenue Bonds, which financed the prepayment of natural gas used for power generation at the Roseville Energy Park.

FISCAL IMPACT

The budget document provides a financial summary of the revenues and expenses of the RNGFA. Approval of the annual budget has no new fiscal impact.

ENVIRONMENTAL REVIEW

The California Environmental Quality Act (CEQA) does not apply to activities that will not result in a direct or reasonably foreseeable indirect physical change in the environment, or is otherwise not considered a project as defined by CEQA Statute §21065 and CEQA State Guidelines §15060(c)(3) and §15378. Approval of a yearly budget meets the above criteria and is not subject to CEQA. No additional environmental review is required.

Title:	Roseville Aquatics Complex Pump & Motor Replacement and Goto Park Landscape Improvement - Budget Adjustments
Contact:	Eric Dexter 916-746-1769 edexter@roseville.ca.us

Meeting Date: 6/21/2023

Item #: 7.24.

RECOMMENDATION TO COUNCIL

The Parks, Recreation & Libraries (PRL) Department requests that the City Council adopt an ordinance approving a budget adjustment in the amount of \$30,000 for the Roseville Aquatics Complex Competition Pool Pump and Motor Replacement project and a budget adjustment in the amount of \$25,000 for the Goto Park Landscape and Irrigation Upgrades project.

BACKGROUND

Project costs for Roseville Aquatics Complex Competition Pool Pump and Motor Replacement came in higher than originally budgeted due to equipment, material, and labor cost increases. The Roseville Aquatics Complex Competition Pool Pump and Motor Replacement project is a high priority due to the age of the pumps and the amount of use of the facility, which includes City programs and usage by Roseville Joint Union High School District and California Capital Aquatics (CCA).

A \$30,000 budget adjustment is requested, with funding from available resources in the Equipment Replacement Fund, for a total Roseville Aquatics Complex Competition Pool Pump and Motor Replacement project budget of \$80,000.

Goto Park improvements will provide much needed upgrades to the overall aesthetics of the park. Improvements include new natural walking trails, infill and addition of plants, improved irrigation, and refreshed landscape bark. The Uribe Park Landscape and Irrigation Upgrades project was originally intended to update and replace landscaping, but it was determined that this project can be delayed without significant impact on the appearance and/or use of the park. The Uribe Park project will be closed, and the funds transferred to the Goto Park Landscape and Irrigation Upgrade project. A \$25,000 budget adjustment is requested, with funding from the closure of the Uribe Park Landscape and Irrigation Upgrades project, for a total Goto Park Landscape and Irrigation Upgrades project budget of \$75,000.

FISCAL IMPACT

There are sufficient funds to accommodate the recommended budget adjustments in the Equipment Replacement Fund and the closure of the Uribe Park Landscape project. There is no impact on the General Fund.

ENVIRONMENTAL REVIEW

The California Environmental Quality Act (CEQA) does not apply to activities that will not result in a direct or reasonably foreseeable indirect physical change in the environment, or is otherwise not considered a project as defined by CEQA Statute §21065 and CEQA State Guidelines §15060(c)(3) and §15378. Approval of a budget adjustment meets the above criteria and is not subject to CEQA. No additional environmental review is required.

CITY COUNCIL STRATEGIC PLAN/OVERARCHING GOALS

Goal A - Remain fiscally responsible in a changing world
Goal E - Deliver exceptional city services
Goal F - Invest in well-planned infrastructure and growth

FUND BALANCE

ACCOUNT STRING				BUDGET (\$)	DESCRIPTION
Fund	Account	Center	Project	Adjustment	
4031				(30,000)	Reduce available resources in Equipment Replacement Fund
TOTAL				(30,000)	

Justification for Budget Adjustment:

The Parks, Recreation & Libraries (PRL) department is requesting to increase the budgets for 1) the Roseville Aquatics Complex - Competition Pool Pump and Motor Replacement project (500253) by \$30,000 for a total project budget of \$80,000, and 2) the Goto Park - Landscape and Irrigation Upgrades project (500255) by \$25,000 for a total project budget of \$75,000. Project costs for Roseville Aquatics Complex - Competition Pool Pump and Motor Replacement came in higher than originally budgeted due to equipment, material, and labor cost increases. The Roseville Aquatics Complex - Competition Pool Pump and Motor Replacement project (500253) is a high priority due to age of pumps and amount of use of the facility, which is utilized by City programs, Roseville Joint Union High School District and California Capital Aquatics (CCA). The \$30,000 for this request will come from available resources in the Equipment Replacement Fund (4031). The Goto Park - Landscape and Irrigation Upgrade project (500255) requires more funding than originally planned. Staff recently reviewed both Uribe Park and Goto Park sites and determined Goto Park's improvements were a higher priority and will provide much needed upgrades to the overall aesthetics of the park. Improvements include new natural walking trails, infill and addition of plants, improved irrigation, and refreshed landscape bark. The Uribe Park - Landscape and Irrigation Upgrades project (500257) was originally intended to update and replace landscaping, but it was determined that this project can be delayed without significant impact to the appearance and/or use of the park. This project will be canceled and closed with the funds transferred to the Goto Park - Landscape and Irrigation Upgrade project (500255). There is no impact on the General Fund.

Title: Woodcreek Golf Course Emergency Repairs - Budget Adjustment

Contact: Rob Nakamura 915 774 5135 rnakamura@roseville.ca.us

Meeting Date: 6/21/2023

Item #: 7.25.

RECOMMENDATION TO COUNCIL

Staff recommends that the City Council adopt an ordinance to approve a budget adjustment in the amount of \$120,000 from the General Fund for the restoration, repair and/or replacement of the Woodcreek Golf Course kitchen area, fire sprinkler system, flooring, walls, cabinets and walk-in freezer unit.

BACKGROUND

The Parks, Recreation & Libraries (PRL) Department is requesting a budget adjustment to fund emergency facility repairs at the Woodcreek Golf Course kitchen facility including restoration repair or replacement as required.

On May 15, 2023, a fire sprinkler head burst in the walk-in freezer at the Woodcreek Golf Course restaurant causing all sprinklers in the kitchen area to discharge. Although the cause is unknown, the water damage throughout the kitchen facility required emergency restoration services. Repairs and/or replacement of the interior sprinkler system, flooring, walls, cabinetry and the walk-in freezer unit are necessary for operation of the restaurant facility.

FISCAL IMPACT

The Woodcreek Golf Club Flood Repair project will be funded by a \$120,000 transfer from the General Fund Contributions by Developers Fund. Any unspent monies will be returned to the General Fund at the completion of the project. This expense will be evaluated for potential insurance reimbursement.

ENVIRONMENTAL REVIEW

The California Environmental Quality Act (CEQA) does not apply to activities that will not result in a direct or reasonably foreseeable indirect physical change in the environment, or is otherwise not

considered a project as defined by CEQA Statute §21065 and CEQA State Guidelines §15060(c)(3) and §15378. Approval of a budget adjustment meets the above criteria and is not subject to CEQA. No additional environmental review is required.

Fund	Account	Center	Project	Adjustment	
1020				(120,000)	Decrease available resources - General Fund Contribution by Developers Fund
TOTAL				(120,000)	

Justification for Budget Adjustment:

The Parks, Recreation & Libraries (PRL) Department is requesting a budget adjustment of \$120,000 to fund emergency repairs at the Woodcreek Golf Course kitchen facility including restoration repair or replacement. Since the Woodcreek Operating budget for FY2023-24 is not able to cover this cost, funding will come from a transfer from the General Fund Contributions by Developers Fund to the General Fund and then to the Woodcreek Fund (thus there is no net effect on the General Fund). On May 15, 2023, a fire sprinkler head burst in the walk in freezer at the Woodcreek Golf Course restaurant causing all sprinklers in the kitchen area to discharge. Although the cause is unknown, the water damage throughout the kitchen facility required emergency restoration services. Repairs and/or replacement of the interior sprinkler system, flooring, walls, cabinetry and the walk-in freezer unit are necessary for operation of the restaurant facility.

Title: Taylor Road Park and Ride Lot Improvement Project - Award of Contract and Budget Adjustment
Contact: Cathy Gosalvez 916-774-1300 cgosalvez@roseville.ca.us

Meeting Date: 6/21/2023

Item #: 7.26.

RECOMMENDATION TO COUNCIL

Staff recommends that the City Council:

1. Award the Taylor Road Park and Ride Lot Improvement Project to the low bidder, Baldoni Construction Service, Inc.; and
2. Adopt a resolution authorizing the City Manager to execute the agreement and provide a change order authority of 15% of the contract amount; and
3. Adopt the attached ordinance for a budget adjustment in the amount of \$206,330.

BACKGROUND

The City of Roseville Public Works/Alternative Transportation Division currently operates a transit stop within the Caltrans Park and Ride Lot on Taylor Road, providing service for the City's commuter routes to downtown Sacramento. Placer County Transit also utilizes this bus stop for weekday commuter service. While Caltrans owns the Park and Ride Lot, the City owns the existing transit shelter & bike locker improvements.

The proposed project includes an expansion of the concrete bus shelter pad to allow for an additional bus loading area, American with Disabilities (ADA) improvements (including new curb ramps), and the installation of conduit for future data and electrical connections.

On April 19, 2023, the City Council approved the plans and specifications for the project and authorized staff to call for bids. Three bids were received and opened on May 9, 2023.

The engineer's estimate and bids are as follows:

Baldoni Construction Service, Inc.	\$ 99,999.00
Sierra Asphalt, Inc.	\$103,960.00
B&M Builders, Inc.	\$108,395.00

Engineer's Estimate

\$110,000.00

Staff has reviewed the low bid from Baldoni Construction Service, Inc. and has found it to be complete and in order. Construction has been coordinated with the adjacent Golfland Sunsplash Waterpark and is anticipated to begin in September, following the summer season. The project is scheduled to be completed in October.

Public Outreach

Public Works Staff will be working with the Public Works Marketing & Communications Team to develop a public outreach campaign to keep the community informed of the project's progress and traffic impacts during the construction phase of the project. This includes disseminating project information on the City's web page, traffic alerts, and social media.

FISCAL IMPACT

A budget adjustment of \$206,330 is required to fund construction, construction contingency/change order authority, staff time, and construction management costs. The project is funded with Low Carbon Transportation Operations Program (LCTOP) grant funds (\$103,324) and State of Good Repair Program funds (\$103,006.) No General Fund resources will be used for this project.

ENVIRONMENTAL REVIEW

The proposed project involves the minor alteration of an existing facility. This activity is categorically exempt from CEQA as a Class 1 Exemption (State CEQA Guidelines Section 15301). The Exemption has been prepared and no further CEQA action is required.

RESOLUTION NO. 23-289

APPROVING AN AGREEMENT, BY AND BETWEEN THE CITY OF ROSEVILLE AND
BALDONI CONSTRUCTION SERVICE, INC., AND AUTHORIZING THE CITY
MANAGER TO EXECUTE IT ON BEHALF OF THE CITY OF ROSEVILLE

WHEREAS, an Agreement for the Taylor Road Park and Ride Lot Improvement project,
by and between the City of Roseville and Baldoni Construction Service, Inc., has been reviewed
by the City Council; and

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Roseville that
said Agreement is hereby approved and that the City Manager is authorized to execute it on
behalf of the City of Roseville.

BE IT FURTHER RESOLVED that the City Manager or his designee is authorized to
approve change orders for the project, consistent with the contract terms, provided that the net
cost of all change orders shall not exceed fifteen percent (15%) of the contract price.

A G R E E M E N T

THIS AGREEMENT, is made and entered into this ____ day of _____, 20____, by and between the City of Roseville, a municipal corporation, ("CITY"), and Baldoni Construction Service, Inc. _____, a _____ California Corporation _____, ("CONTRACTOR"); and

W I T N E S S E T H:

WHEREAS, the City Council of the CITY, at a meeting held on the 9 day of April, 2023, approved plans and specifications for the Taylor Road Park and Ride Lot Improvement Project and directed the City Clerk to advertise for sealed proposals for doing said work and providing that bids be submitted on the 9 day of May, 2023; and

WHEREAS, the City Clerk, thereafter duly and regularly caused a notice to be published in the manner and for the time prescribed by law; and

WHEREAS, CONTRACTOR, pursuant to the provisions of said notice duly filed a bid with the City Clerk, a true copy of which bid is now on file in the office of the City Clerk, and is hereby referred to and by this reference made a part hereof as fully as if set forth at length herein; and

WHEREAS, all bids received pursuant to said notice were opened and examined and publicly declared at the time specified in said advertisement for bids and at a meeting of the City Council held on the 21 day of June, 2023, the Council found and

declared the bid of CONTRACTOR to be the lowest responsible bid and thereupon awarded a contract to CONTRACTOR to do the work referred to in the aforementioned specifications.

NOW, THEREFORE, the parties agree as follows:

1. THE WORK. CONTRACTOR agrees:

a. To do the work and furnish all the labor, materials, tools, supplies, equipment, superintendence, insurance, and bonds required for the Taylor Road Park and Ride Lot Improvement Project

in accordance with the Contract Documents (the Work).

b. To do and perform the Work contemplated hereby in a good and workmanlike manner under the direction of and to the satisfaction of the Director of Public Works of the City of Roseville.

2. PAYMENT. CITY shall pay CONTRACTOR ninety-nine thousand nine hundred ninety-nine dollars (\$ 99,999.00) for the Work to be done under this Agreement in accordance with the Contract Documents.

3. CONTRACT DOCUMENTS. The complete Agreement between the parties hereto consists of the following documents:

- a. The advertisement for bids (including the notice to bidders, instructions to bidders and proposals);
- b. The accepted bid;
- c. Plans and specifications (including standard construction specifications, special provisions and construction details);
- d. Bonds and insurance required by the specifications; and

e. This contract.

All documents specified above are intended to operate so that any work called for in any one and not mentioned in the other, or vice versa, is to be executed the same as if mentioned in all said documents.

4. LIQUIDATED DAMAGES. In the event CONTRACTOR does not complete the Work within the time specified, CONTRACTOR agrees that CITY will suffer damages. Inasmuch as the actual damages which would result from such breach by CONTRACTOR under this Agreement are uncertain, and would be impractical or extremely difficult to fix, CONTRACTOR agrees that it shall pay, or CITY shall deduct from CONTRACTOR's fee, the amount of \$2,800 per day as liquidated damages, in the event of such delay.

5. TIME OF COMPLETION. Time is of the essence of this Agreement. CONTRACTOR shall complete all Work under the Contract Documents within 20 Days of the date of this Contract. CONTRACTOR shall begin work by the date specified in the "Notice to Proceed" letter and shall diligently prosecute all of the Work under this Contract in all parts and requirements as defined in the Contract Documents.

6. SERVICE OF NOTICE. Any notice required or permitted to be given under this Agreement shall be deemed given when (a) personally delivered to the recipient identified below; (b) mailed by registered or certified mail, return receipt requested, postage pre-paid, to the address specified below; or (c) sent by facsimile, with confirmation of receipt, to the facsimile number identified below.

Department of Public Works/Engineering
311 Vernon Street
Roseville, CA 95678

CONTRACTOR

Baldoni Construction Service, Inc.
9998 Hillview Road
Newcastle, CA 95658

CITY may also act through either its architect or construction manager if CITY expressly gives notice to CONTRACTOR, in writing, that CITY's designee has authority to act for CITY in a specific capacity.

7. DISPUTES. Disputes arising from this Agreement will be determined in accordance with the Contract Documents and Public Contract Code Sections 10240-10240.13.

8. GOVERNING LAW. This Agreement shall be governed by and construed in accordance with the laws of the State of California.

9. INDEPENDENT CONTRACTOR. CONTRACTOR shall act as an independent contractor, and covenants and agrees that it will conduct itself consistent with such status, that it will neither hold itself out as, nor claim to be, an officer or employee of CITY by reason of this Agreement.

10. SUCCESSORS IN INTEREST. This Agreement shall be binding upon the heirs, successors, executors, administrators and assigns of the respective parties hereto.

11. MODIFICATION. This Agreement and each provision contained herein may be waived, amended, supplemented or eliminated only by mutual written agreement of the parties.

12. SEVERABILITY. If any of the provisions contained in this Agreement are for any reason held invalid or unenforceable, such holding shall not affect the remaining provisions or the validity and enforceability of the Agreement as a whole.

13. INTEGRATED AGREEMENT. This is an integrated agreement and contains all of the terms, considerations, understanding and promises of the parties. It shall be read as a whole.

14. CONTRACTORS LICENSE LAW. CONTRACTORS ARE REQUIRED BY LAW TO BE LICENSED AND REGULATED BY THE CONTRACTORS' STATE LICENSE BOARD WHICH HAS JURISDICTION TO INVESTIGATE COMPLAINTS AGAINST CONTRACTORS IF A COMPLAINT REGARDING A PATENT ACT OR OMISSION IS FILED WITHIN FOUR (4) YEARS OF THE DATE OF THE ALLEGED VIOLATION. A COMPLAINT REGARDING A LATENT ACT OR OMISISON PERTAINING TO STRUCUTRAL DEFECTS MUST BE FILED WITHIN TEN (10) YEARS OF THE DATE OF THE ALLEGED VIOLATION. ANY QUESTIONS CONCERNING A CONTRACTOR MAY BE REFERRED TO THE REGISTRAR, CONTRACTORS' STATE LICENSE BOARD, P.O. BOX 26000, SACRAMENTO, CALIFORNIA 95826.

IN WITNESS WHEREOF, the City of Roseville, a municipal corporation, has authorized the execution of this Agreement in duplicate by its City Manager and attestation by its City Clerk under authority of Resolution No. _____, adopted by the Council of the City of Roseville on the ____ day of _____, 20____, and CONTRACTOR has caused this Agreement to be duly executed.

From: City of Roseville
Development Services Dept.
311 Vernon Street
Roseville, CA 95678

Project Title: Taylor Road Park and Ride Lot Improvements Project

Project Location: 1853 Taylor Road (location map attached).

Project Description: The Public Works Department proposes to construct improvements within the existing Taylor Road park and ride lot. Improvements include: construction of a concrete bus shelter pad, ADA ramps, underground conduit and slurry seal application within the existing parking lot.

Public Agency Approving Project: Roseville City Council

Agency/Individual Carrying Out Project: City of Roseville Public Works Department

Reason why this Project is Exempt: This project qualifies for a Class 1 exemption as described in Section 15301 of the California Environmental Quality Act (CEQA) guidelines which states:

"Class 1 consists of minor alteration of existing public facilities,involving negligible or no expansion of use beyond that previously existing.... examples include highways, streets, sidewalks, gutters, and similar facilities...."

The project is confined to existing streets within City right-of-way and would not result in expansion of use. No environmentally sensitive resources are located within the project site; therefore the Class 1 exemption is applicable to the proposed project.

Title: Fiscal Year 2022-23 Year-End Budget Adjustments
Contact: Scott Pettingell 916-746-1306 spettingell@roseville.ca.us

Meeting Date: 6/21/2023

Item #: 7.27.

RECOMMENDATION TO COUNCIL

Staff recommends that the City Council adopt ordinances to approve adjustments to the FY2022-23 budget.

BACKGROUND

Staff monitors and reviews the budget throughout the year to ensure compliance with the annual budget ordinance. Staff has identified the following adjustments to the FY2022-23 budget:

1. Roseville Youth Sports Coalition Fund/Citywide Park Fund

Beginning in FY2019-20, expenditures made on behalf of the Youth Sports Coalition (YSC) were charged to the Citywide Park Fund without the appropriate offsetting reimbursement from the Roseville YSC Fund. This budget adjustment will correct the reimbursement by moving \$45,000 from Fund 1201 to Fund 3303 to ensure the fund balance reflects actual spending by the Youth Sports Coalition. Additionally, Fund 1201 did not have any budget authority for FY2022-23, and this budget adjustment will establish the budget for current expenses totaling \$22,302 for reimbursement to sports leagues and scholarships.

2. Roseville Aquatics Maintenance Fund/General Fund

In FY2021-22, the annual Roseville Aquatics Maintenance Fund transfer to the Aquatics Operations budget in the General Fund was not completed. This budget adjustment will correct this by moving \$78,579 from the Roseville Aquatics Maintenance Fund to the General Fund to ensure the fund balance reflects actual spending per the agreement with the Roseville Joint Union High School District.

3. Roseville Energy Park Exterior Paint Project

This project ended over budget by \$47. This budget adjustment will apply \$47 from the available resources in the Electric Fund to the project budget to correct this overage. This project will then be closed.

4. General Fund Annexation Payments

The City's annexation payments to Placer County (based on tax-sharing agreements with the

County for the City's annexation areas) will come in higher than expected. This budget adjustment will increase the expenditure budget for these payments by \$245,000 but will be offset by an equal revenue increase from secured property taxes, which are higher than budgeted. This adjustment will bring the City's total estimated annexation payments for FY2022-23 to \$10,145,000.

5. American Rescue Plan Act (ARPA) Project Revenue

This \$1,099,308 budget adjustment is requested to recognize revenue for City Council-approved projects using federal American Rescue Plan Act (ARPA) funds.

6. Transit Fund/Transit Shuttle Fee Fund

The Transit Shuttle Service Fee applies to the West Roseville Specific Plan and provides funding for a shuttle service between that area and the I-80/Watt Avenue light rail station. This budget adjustment of \$200,000 is to move FY2022-23 fee revenue collected in the Transit Fund to the new Transit Shuttle Service Fee Fund.

7. General Fund Capital Reserve Fund/Strategic Improvement Fund

This request transfers \$4 million from the General Fund Capital Reserve Fund to the Strategic Improvement Fund to pay for part of the Westbrook Boulevard - Segment 4 project. In May 2023, the City Council approved funding this project with \$4 million from the Strategic Improvement Fund. After City Council approval, staff determined that adequate funds for this project were available in the General Fund Capital Reserve Fund. This \$4 million is fully reimbursable.

8. Emergency Repair at SPCA

This budget adjustment of \$53,400 is needed to fund the replacement of two HVAC units at the Placer SPCA. This request covers the replacement of the units and costs associated with the temporary heating of the space while the new units are on order. In April 2023, these funds were approved for General Fund contingency to facilitate the unit purchases, and now the amount is being transferred into a new project (HVAC Unit Replacement at Placer SPCA) in the Facility Rehabilitation Fund.

9. Closure of the General Capital Projects Fund

This Budget Adjustment is requested to close the General Capital Project (GCP) Fund. Available GCP Fund balances (\$96,336) in the City Facilities Security Improvements (400013) Capital Improvement Project (CIP) will be moved to the General Fund and reappropriated in an equivalent amount within the CIP. The 800 Mhz Radio System Replacement CIP (400091) has a remaining balance of \$244,974 in the GCP Fund. This budget adjustment will reduce this project budget by \$244,974 and prepare the 800 Mhz Radio System Replacement CIP for closure. \$240,403 of this funding will be moved to the IT Replacement Fund and reappropriated in the East Radio Site Project (400126), and \$4,571 will be moved to the FY2020-21 Security Upgrades Project (500121) to address higher than anticipated expenditures. Available GCP Fund balances of \$46,165 in the Saugstad Park Renovations CIP (400122) and \$17,811 in the Children's Art Center CIP (400132) will be moved to the Facility Rehabilitation Fund and reappropriated in the same amount within these CIPs. The remaining available balance of \$7,249 in the GCP Fund will be split between the IT Replacement Fund and the Facility Rehabilitation Fund.

10. Facility Rehabilitation Fund

This \$100,000 budget adjustment is requested to fund unanticipated leave payouts in FY2022-23 and lower than anticipated labor charges to projects.

11. Workers Compensation Fund

This \$550,000 budget adjustment is requested to fund higher than anticipated workers compensation claims in FY2023.

FISCAL IMPACT

There are adequate resources available in each fund for the recommended budget adjustments. The Roseville Aquatics Maintenance Fund budget adjustment provides \$78,579 to the General Fund.

ENVIRONMENTAL REVIEW

The California Environmental Quality Act (CEQA) does not apply to activities that will not result in a direct or reasonably foreseeable indirect physical change in the environment, or is otherwise not considered a project as defined by CEQA Statute §21065 and CEQA State Guidelines §15060(c)(3) and §15378. Approval of budget adjustments meet the above criteria and are not subject to CEQA. No additional environmental review is required.

CITY COUNCIL STRATEGIC PLAN/OVERARCHING GOALS

Goal A - Remain fiscally responsible in a changing world

Respectfully Submitted,

Scott Pettingell, Assistant Finance Director

Dennis Kauffman, Assistant City Manager/Chief Financial Officer

ORDINANCE NO. 6673

ORDINANCE OF THE COUNCIL OF THE CITY OF ROSEVILLE
AUTHORIZING CERTAIN AMENDMENTS TO THE FISCAL YEAR 2022-23
BUDGET AND DECLARING THIS ORDINANCE TO BE IMMEDIATELY
EFFECTIVE AS AN APPROPRIATION MEASURE

THE CITY OF ROSEVILLE ORDAINS:

SECTION 1. The City of Roseville Annual Budget, Fiscal Year 2022-23, is hereby amended as listed on the attached budget adjustment for the Roseville Youth Sports Coalition Fund/Citywide Park Fund.

SECTION 2. This ordinance is hereby declared to be an appropriation measure, immediately effective pursuant to the provisions of Section 5.03 of the Charter.

SECTION 3. The City Clerk is hereby authorized and directed to post a true copy of the foregoing ordinance in each of three (3) conspicuous locations in the City and she shall immediately after such posting enter in the ordinance book, under the record of the ordinance, a certificate under her hand stating the time and place of such publication by posting.

PASSED AND ADOPTED by the Council of the City of Roseville, this _____
day of _____, 2023, by the following vote on roll call:

FUND BALANCE

ACCOUNT STRING				BUDGET (\$)	DESCRIPTION
Fund	Account	Center	Project	Adjustment	
3303				45,000	Increase in available resources
1201				(67,302)	Decrease in available resources
TOTAL				(22,302)	

Justification for Budget Adjustment:

The Parks, Recreation & Libraries Department requests a budget adjustment of \$67,302 to allocate a \$22,302 budget for Fund 1201 (Youth Sports Coalition) and correct a \$45,000 expense charged to Fund 3303 (Citywide Park). Beginning in FY2019-20, expenditures made on behalf of the Youth Sports Coalition (YSC) were charged to Fund 3303 (Citywide Park) without the appropriate offsetting reimbursement from Fund 1201 (YSC). This budget adjustment will correct the reimbursement by moving \$45,000 from Fund 1201 to Fund 3303 to ensure the fund balance reflects actual spending by the Youth Sports Coalition. Additionally, Fund 1201 did not have any budget authority for FY2022-23, and this budget adjustment will establish the budget for current expenses totaling \$22,302 for reimbursement to sports leagues and scholarships. There is no impact on the General Fund.

FUND BALANCE

ACCOUNT STRING				BUDGET (\$)	DESCRIPTION
Fund	Account	Center	Project	Adjustment	
1012				(4,000,000)	Decrease available resources
1030				4,000,000	Increase available resources
TOTAL				-	

Justification for Budget Adjustment:

This request transfers \$4 million from the General Fund Capital Reserve Fund to the Strategic Improvement Fund to pay for part of the Westbrook Boulevard - Segment 4 project (500413). In May 2023, the City Council approved funding this project with \$4 million from the Strategic Improvement Fund. After City Council approval, staff determined that adequate funds for this project were available in the General Fund Capital Reserve Fund. This \$4 million is fully reimbursable.

ORDINANCE NO. 6680

ORDINANCE OF THE COUNCIL OF THE CITY OF ROSEVILLE
AUTHORIZING CERTAIN AMENDMENTS TO THE FISCAL YEAR 2022-23
BUDGET AND DECLARING THIS ORDINANCE TO BE IMMEDIATELY
EFFECTIVE AS AN APPROPRIATION MEASURE

THE CITY OF ROSEVILLE ORDAINS:

SECTION 1. The City of Roseville Annual Budget, Fiscal Year 2022-23, is hereby amended as listed on the attached budget adjustment for emergency repairs at the Placer County Society for the Prevention of Cruelty to Animals facility.

SECTION 2. This ordinance is hereby declared to be an appropriation measure, immediately effective pursuant to the provisions of Section 5.03 of the Charter.

SECTION 3. The City Clerk is hereby authorized and directed to post a true copy of the foregoing ordinance in each of three (3) conspicuous locations in the City and she shall immediately after such posting enter in the ordinance book, under the record of the ordinance, a certificate under her hand stating the time and place of such publication by posting.

PASSED AND ADOPTED by the Council of the City of Roseville, this _____
day of _____, 2023, by the following vote on roll call:

Justification for Budget Adjustment:

This budget adjustment is needed to fund the replacement of two HVAC units at Placer SPCA. This request covers the replacement of the units as well as costs associated with the temporary heating of the space while the new units are ordered. This request will fully fund the replacement of the units. These funds were previously approved for General Fund contingency on 4/11/23 to facilitate the unit purchases and now the amount is being transferred into project 500416 in the Facility Rehabilitation Fund.

FUND BALANCE

ACCOUNT STRING				BUDGET (\$)	DESCRIPTION
Fund	Account	Center	Project	Adjustment	
					See attached
TOTAL				-	

Justification for Budget Adjustment:

This Budget Adjustment is requested to close the General Capital Project (GCP) Fund. Available GCP Fund balances (\$96,336) in the City Facilities Security Improvements (400013) Capital Improvement Project (CIP) will be moved to the General Fund and reappropriated in an equivalent amount within the CIP. The 800 Mhz Radio System Replacement CIP (400091) has a remaining balance of \$244,974 in the GCP Fund. This budget adjustment will reduce this project budget by \$244,974 and prepare the 800 Mhz Radio System Replacement CIP for closure. \$240,403 of this funding will be moved to the IT Replacement Fund and reappropriated in the East Radio Site (400126), and \$4,571 will be moved to the FY2020-21 Security Upgrades Project (500121). Available GCP Fund balances of \$46,165 in the Saugstad Park Renovations CIP (400122) and \$17,811 in the Childrens Art Center CIP (400132) will be moved to the Facility Rehabilitation Fund and reappropriated in the same amount within these CIPs. The remaining available balance of \$7,249 in the GCP Fund will be split between the IT Replacement Fund and the Facility Rehabilitation Fund.

COUNCIL COMMUNICATION

CC #: 2798

File #: 0709-02-01

Title: HOUSING AUTHORITY/CITY COUNCIL - Quarterly Status Update

Contact: Suzi Cook-Turner 916-774-5414 smcook-turner@roseville.ca.us
Trisha Isom 916-746-1239 tisom@roseville.ca.us

Meeting Date: 6/21/2023

Item #: 7.28.

RECOMMENDATION TO COUNCIL

The City Council, acting as the Roseville Housing Authority Board, is not required to take any action on this item. This quarterly report is for informational purposes only.

BACKGROUND

Pursuant to the bylaws of the Roseville Housing Authority (RHA), the City Council, acting as the governing board for the Housing Authority, holds its quarterly meeting the first Wednesday of March, June, September, and December, or as soon as possible thereafter. Staff has prepared the following status report regarding lease-up activity for the Housing Choice Voucher (HCV) Program. The HCV Program provides income-qualified households in Roseville and Rocklin with rental assistance using funding from the US Department of Housing and Urban Development (HUD). This assistance is utilized at rental units that meet program specific housing standards, are owned by a willing property owner, and are within Roseville or Rocklin city limits. This rental assistance ensures that the household can afford to live in safe and decent housing. During the first quarter of 2023 there were 628 vouchers utilized in Roseville, 109 vouchers being utilized in Rocklin, and 2 in other jurisdictions (approved transfers out of the area) for a total of 739 families receiving rental assistance through RHA.

RHA is authorized to provide 823 households with HCV rental assistance. RHA also has several special voucher programs including 50 Emergency Housing Vouchers (EHV) providing rental assistance to individuals and families who are experiencing homelessness or at risk of experiencing homelessness; 75 vouchers allocated specifically for families on the waiting list with a head-of-household or partner that are non-elderly and disabled (NED vouchers) and 43 Mainstream vouchers assist households who have a non-elderly head of household or partner with a disability and are transitioning out of institutional or other segregated settings, are currently homeless, or at risk of becoming homeless.

In its efforts to expand affordable housing opportunities, Roseville Housing Authority continues to

apply for additional vouchers and administrative fees when award or NOFA applications are made available from HUD to Public Housing Authorities (PHAs). RHA applied for additional Veterans Affairs Supportive Housing (VASH) vouchers and was awarded 10 additional vouchers in February 2023 which brings our total to 85 vouchers for veteran households that come via referral from the Veterans Affairs (VA) Department. Veterans receive case management from HUD VASH caseworkers which assist them with managing day to day life challenges, paperwork, and housing search. Close collaboration and communication with the VA and RHA has reduced the time in determining eligibility which allows veterans to receive a voucher quickly and begin the process of finding a suitable unit.

In March 2023 senior staff attended a funding meeting with the Continuum of Care (CoC) where RHA was awarded \$100,000 to assist in landlord recruitment efforts. Advocates for Mentally Ill Housing (AMIH) and RHA collaborated during the meeting to offer an additional \$50,000 in landlord incentives. Current HUD funding does not allow for any incentives. These new funds allowed RHA to create a Landlord Incentive Program and began offering an incentive of \$1,000 for each new contract with a voucher holder to assist with recruitment of new landlords to the HCV program.

RHA administers the Family Self-Sufficiency Program (FSS) which is a component of the HCV program that provides additional assistance to families who are working to become free of public assistance. RHA is collaborating with Placer County Housing Authority (PCHA) in running our FSS programs and our shared Program Coordinating Committee (PCC) is made up of Placer County agencies and businesses to assist the housing authorities in securing commitments of public and private resources for operation of the FSS program. The first quarter meeting of the PCC was exciting and productive with PCHA, Placer County, and RHA establishing an inter-agency referral process.

During the first quarter of 2023, housing authority staff attended the HUD sponsored National Standards for the Physical Inspection of Real Estate (NSPIRE) training in Oakland. The Housing Quality Standards (HQS) inspections will be replaced by NSPIRE. The new model prioritizes health, safety and functional defects over appearance and implements inspections that better reflect the true physical conditions of the property with increased inspection consistency. HUD has given a deadline of October 2023 for Public Housing Authorities (PHAs) operating HCV programs to adopt the NSPIRE model. In February and March 2023 RHA, along with Housing Division staff, took part in two community volunteer opportunities. Staff filled food boxes with the Placer County Food Bank and distributed fresh produce and food to elderly and disabled residents of the Maidu Village Apartment complexes.

Each housing authority is required to be at least 95% leased-up for its voucher allocation or utilizing at least 95% of its annual budget authority to remain in compliance with HUD's requirements. The lease-up rate for a calendar year cannot exceed 100% of its allocation of vouchers (per voucher type), and/or 100% expenditure of its annual budget allocation for the program. Agencies leasing up or expending 98% or more of its allocated vouchers and/or budget can reach high-performing status. RHA continues to meet HUD program requirements for high-performing status through 100% expenditure of its annual budget allocation. The attached table provides a monthly summary of RHA's voucher programs for the first quarter of 2023.

FISCAL IMPACT

This Housing Authority Quarterly Status Report does not create any additional cost to the City's General Fund.

ENVIRONMENTAL REVIEW

The California Environmental Quality Act (CEQA) does not apply to activities that will not result in a direct or reasonably foreseeable indirect physical change in the environment or is otherwise not considered a project as defined by CEQA Statute §21065 and CEQA State Guidelines §15060(c)(3) and §15378. The Roseville Housing Authority Quarterly Report meets the above criteria and is not subject to CEQA. No additional environmental review is required.

CITY COUNCIL STRATEGIC PLAN/OVERARCHING GOALS

Goal C - Maintain a safe and healthy community

Goal D - Enhance economic vitality

Title: Fiscal Year 2022-23 Second Quarter Financial Report

Contact: Scott Pettingell 916-774-1306 spettingell@roseville.ca.us

Meeting Date: 6/21/2023

Item #: 7.29.

RECOMMENDATION TO COUNCIL

This is an informational item and requires no City Council action.

BACKGROUND

The attached second quarter financial report provides a summary of the City's financial position through the second quarter of FY2022-23 for (1) the General Fund, (2) the enterprise operating funds, and (3) revenues in other selected funds. This report is provided pursuant to the Budget Control section of the City Charter (Section 7.15).

FISCAL IMPACT

This item is a financial update only and has no fiscal impact.

ENVIRONMENTAL REVIEW

The California Environmental Quality Act (CEQA) does not apply to activities that will not result in a direct or reasonably foreseeable indirect physical change in the environment, or is otherwise not considered a project as defined by CEQA Statute §20165 and CEQA State Guidelines §15060(c)(3) and §15378. This second quarter financial report meets the above criteria and is not subject to CEQA. No additional environmental review is required.

CITY COUNCIL STRATEGIC PLAN/OVERARCHING GOALS

Goal A - Remain fiscally responsible in a changing world

Respectfully Submitted,

Scott Pettingell, Assistant Finance Director

Dennis Kauffman, Assistant City Manager/Chief Financial Officer

Dominick Casey, City Manager

ATTACHMENTS:

Description

FY2022-23 Second Quarter Financial Report

Fiscal Year 2022-23 Second Quarter Report

Second Quarter Report Fiscal Year 2022-23

Overview

This financial report provides an overview of the City's financial position through the second quarter of the fiscal year (FY) 2022-23 (July 1, 2022, through December 31, 2022) for:

- (1) the General Fund.
- (2) the major enterprise operating funds, and
- (3) revenues in other selected funds.

Considerations

General Fund revenues through the second quarter of FY2022-23 are trending to end the year modestly above estimates. Sales tax (Bradley Burns and Measure B) revenue growth has slowed compared to prior years and the combined revenue is forecasted to end the year slightly under budget by \$1.5 million. Based on the most recent estimates from the County Assessor and Auditor-Controller, property tax revenues are forecast to end the year above the budget estimate by \$1.7 million. With the passage of Measure C in November 2022, the City's transient occupancy tax (TOT), also known as hotel tax, is forecasted to exceed the budget estimate by approximately \$1.6 million. Building permits, plan check fees, and engineering inspection fees will end the year above the budget target, and recreation program revenues have returned to pre-pandemic levels.

General Fund operating revenues collected through the second quarter are 25 percent of the budget. This collection rate is expected and is in line with prior years due to the timing associated with receiving some of the more significant tax revenue sources. The table and graph included in this report show cumulative General Fund operating revenue through the second quarter and a revenue budget to actual comparison. Following the table and graph are additional details on each of the City's major revenue streams.

The following factors should be taken into consideration when analyzing this information:

Sales and Use Tax is the largest General Fund revenue source. The City only receives four months of sales tax revenues by the end of the second quarter of each fiscal year due to the California Department of Tax and Fee Administration (CDTFA) processing timelines. Second quarter revenues are derived from taxable sales through October 2022, received in December.

Property Tax is the second largest General Fund revenue source, but most of this tax is received from the County Assessor and Auditor-Controller in the third (mid-January) and fourth (mid-May) quarters. This distribution schedule is why property tax revenue is tracking low at 2 percent in the following table and graph.

Transient Occupancy Tax (TOT) (also known as hotel tax) is derived from payments received by the City through December for hotel stays through November; therefore, the following charts only reflect five months of TOT revenues collected before the Measure C increase was effective.

Budget to Cumulative Revenue Comparison

Revenue Type	Budget to Cumulative Revenue Comparison (July 1 – December 31)			
	Amended Budget	Cumulative Revenues	Balance Remaining	% of Budget Collected
Sales and Use Tax - Bradley Burns	\$ 74,091,000	\$ 23,479,562	\$ (50,611,438)	32%
Sales and Use Tax - Measure B	28,100,000	9,840,473	(18,259,527)	35%
Sales and Use Tax - State Aid for Public Safety	1,622,000	726,652	(895,348)	45%
Property Tax	64,429,000	1,112,727	(63,316,273)	2%

Bradley Burns and Measure B Sales Tax

The City's Bradley Burns and Measure B sales and use tax revenues collected through the second quarter are 32 percent and 35 percent of the budget estimates, respectively. Sales tax revenue received through the second quarter is derived from taxable sales through October 2022.

To date, the City has received Bradley Burns and Measure B sales tax distributions from taxable sales through March. These amounts total \$52,724,607 in Bradley Burns sales tax and \$21,785,847 in Measure B sales tax. Fortunately, when developing the FY2022-23 budget, staff estimated that sales and use tax would end the year between the City sales tax consultant's conservative and most-likely estimates. The latest sales tax data indicate more slowing in sales and use tax growth than anticipated, which has resulted in our consultant shifting their estimates lower. The slower growth is related to a change in consumer behavior from taxable goods to other areas that were constrained during the pandemic such as services and travel as well as uncertainties around inflation, interest rates, and the potential for a slowdown or recession in 2023. The consultant's adjustment in the forecast indicates that Bradley Burns may end the year under the budget estimate by \$2.9 million, and Measure B may end the year above the estimate by \$1.4 million, for a projected net shortfall in sales tax revenue of just under \$1.5 million. The following charts show the consultant's latest conservative, most likely, and optimistic scenarios and a budget versus forecast comparison.

Updated Consultant Forecast	Conservative	Most-Likely	Optimistic
Sales and Use Tax - Bradley Burns	\$ 65,957,800	\$ 71,228,752	\$ 76,499,700
Sales and Use Tax - Measure B	26,824,100	29,477,064	32,130,000
Total	\$ 92,781,900	\$ 100,705,816	\$ 108,629,700

Budget Versus Updated Forecast	Budget	Most-Likely	Variance
Sales and Use Tax - Bradley Burns	\$ 74,091,000	\$ 71,228,752	\$ (2,862,248)
Sales and Use Tax - Measure B	28,100,000	29,477,064	1,377,064
Total	\$ 102,191,000	\$ 100,705,816	\$ (1,485,184)

The graphs below show Bradley Burns and Measure B Sales and Use Tax revenues through the month of March as compared to budget and the updated year-end projection.

Additional Sales Tax Information: The City's sales tax consultant has prepared a Quarterly Report on Sales Tax and Business Activity. The report provides a list of the top 25 sales tax remitters, a summary of cash receipts, and sales tax data by economic category. A copy of the report is attached.

Secured, Unsecured, and Supplemental Property Tax

Property tax revenue for FY2022-23 is based on the assessed valuation as of January 1, 2022. The City receives most of this funding in the third and fourth quarters of the fiscal year. As of April 2023, the City has received \$36.7 million. Based on the information provided by the County Assessor and Auditor-Controller, and the City's property tax consultant, staff anticipates property tax collections of \$66 million, exceeding budget estimates by approximately \$1.7 million.

Transient Occupancy Tax (TOT)

Through the end of the second quarter, TOT revenues are at 46 percent of estimates (\$1.8 million for the months of July through November). TOT collected through March 2023 totals \$3.6 million, tracking 15 percent higher than budget estimates for the first nine months of the fiscal year. On November 8, 2022, Roseville voters approved Measure C to increase the City's TOT rate from 6 percent to 10 percent. The 10 percent tax rate went into effect on January 1, 2023. Based on the final TOT revenue of nearly \$4.5 million in FY2021-22, the higher rate would have generated an additional \$2.9 million of tax revenue for the General Fund last year. Accounting for Measure C, and assuming current trends continue, staff project that the City will end the year at \$5.6 million (approximately \$1.6 million above estimates). The following graph shows monthly TOT revenues and projected results for FY2022-23 compared to hotel tax revenue received in FY2021-22.

Parks, Recreation & Library (PR&L) Programs

Parks, Recreation & Libraries (PRL) program revenues are slightly above 50 percent for the second quarter at 51 percent, as a result of PRL revenues fluctuating throughout the year due to the seasonality of programming. Based on the current results, staff anticipates PRL is on track to meet its FY2022-23 revenue goals.

Building Permits, Plan Check Fees, Engineering Inspection Fees

Building permit, plan check, and engineering inspection fees are trending higher than budget during the second quarter due to sustained increases in the City's development activity. Staff anticipates that overall revenues will remain higher than budgeted through the end of the fiscal year.

Other Revenues

Other revenues include reimbursements from the State, development reimbursement activity, property transfer tax, business license tax, rental payments, animal licensing, passport processing, permit, franchise, and other fees. As of the end of the second quarter, revenues in this category are tracking lower than target at 36 percent of budget estimates due to seasonality and timing of revenue collection. Revenues under this category are expected to be on budget by the end of the fiscal year.

General Fund: Operating Expenditures

Department	Budget to Cumulative Expenditure Comparison (July 1 – December 31)				% of Budget Expended
		Amended Budget	Cumulative Expenditures	Balance Remaining	
Police	\$	55,485,587	\$ 24,776,448	\$ 30,709,139	45%
Fire		42,278,347	18,275,437	24,002,910	43%
Parks, Recreation & Libraries		31,549,551	14,564,237	16,985,314	46%
General Government⁽¹⁾		12,081,446	4,800,581	7,280,865	40%
Development Services		11,291,582	4,603,846	6,687,736	41%
Public Works		10,301,065	3,955,060	6,346,005	38%
Economic Development & Housing		1,158,171	643,465	514,706	56%
Total	\$	164,145,749	\$ 71,619,074	\$ 92,526,675	44%

⁽¹⁾ General Government includes the following departments: City Council, City Manager's Office, City Attorney's Office, City Clerk, Finance, Public Affairs and Communications, and Human Resources.

General Fund expenditures are tracking below target compared to the budget at 44 percent through the first six months of the fiscal year. The slightly lower spending rate (44 percent versus 50 percent of the year elapsed) is primarily due to cost savings from vacant positions in Police; Fire; Parks, Recreation and Libraries; Development Services; Public Works; and other General Fund departments, and reduced spending levels for the first part of the fiscal year due to the timing of expenditures and supply chain delays.

The expenditure budget consumption for the Police and Fire Departments is below target at 45 percent and 43 percent, respectively. The Police Department experienced a high number of vacancies during the first quarter of the year. Due to the lengthy background check process for officers, the majority of vacant positions were not filled until after the second quarter. Fire expenditures are tracking lower than budget due to vacancies, timing of expenditures, and supply chain delays. The department expects to spend most of its expenditure budget by the end of the fiscal year.

Parks, Recreation, and Libraries Department (PRL) expenditures are at 46 percent of the budget through the second quarter primarily due to temporary and full-time position vacancies.

The lower than budget expenditure trend (41 percent of budget consumption) for Development Services is related to vacancies in the Building Inspection, Engineering, and Code Enforcement Divisions. Likewise, the Public Works department experienced salary savings due to vacancies through the end of the second quarter.

The Economic Development Department is tracking at 56 percent of the budget through the second quarter primarily due to membership and lease payments paid at the beginning of the fiscal year, and the timing associated with processing reimbursements for labor costs in the Housing Division. The Housing Division is budgeted in the General Fund and reimbursed from several housing-related funds (i.e., Housing Authority Housing Choice Voucher and Community Development Block Grant). Staff will process the necessary reimbursements to fully reimburse the General Fund by the end of the fiscal year.

Enterprise Funds: Operating Revenues and Expenditures

Revenues

Operating revenues in the Electric Fund through the second quarter are tracking slightly higher than budget due to increased retail sales attributable to stronger than expected customer usage during warmer than average temperatures. Waste Services

	Budget to Cumulative Revenue Comparison (July 1 – December 31)				% of Budget Collected
	Amended Budget	Cumulative Revenues	Balance Remaining		
Electric Operations	\$ 178,187,911	\$ 92,958,011	\$ (85,229,900)		52%
Water Operations	39,641,469	20,014,828	(19,626,641)		50%
Wastewater Operations	51,090,495	22,768,069	(28,322,426)		45%
Waste Services Operations	37,209,039	19,481,896	(17,727,143)		52%
Transit	7,546,559	276,499	(7,270,060)		4%
Transportation	1,925,345	51,267	(1,874,078)		3%
Youth Development	9,699,997	4,921,897	(4,778,100)		51%

revenues are slightly over budget target through the second quarter due to increased residential consumption and

new development. Wastewater revenues are tracking low at 45 percent due to the timing of expense reimbursements from regional partners expected to be collected during the third and fourth quarters.

The larger budget to actual variances in the Transit and Transportation enterprise funds are due to the timing associated with their primary funding streams. The majority of their revenue is realized in the last two quarters of the fiscal year. Transit operating revenue losses in passenger fares due to low ridership persist during FY2022-23. Transit operations will continue to receive support from the Coronavirus Response and Relief Supplemental Appropriations Act of 2021 during the fiscal year to offset revenue losses.

Revenues in the Youth Development fund are at 51 percent of the budget through the second quarter of the fiscal year. The \$4.9 million cumulative revenues include a \$1.8 million subsidy from the City's allocation of American Rescue Plan Act (ARPA) funding. Without the subsidy, revenues in the Youth Development fund would be tracking at 32 percent of budget. Enrollment trends continue to improve; however, staff estimates that revenues will end the year below the budget target.

	Budget to Cumulative Expenditure Comparison (July 1 – December 31)			
	Amended Budget	Cumulative Expenditures	Balance Remaining	% of Budget Expended
Electric Operations	\$ 154,713,051	\$ 66,648,196	\$ 88,064,855	43%
Water Operations	37,846,414	14,830,128	23,016,286	39%
Wastewater Operations	49,552,662	22,250,382	27,302,280	45%
Waste Services Operations	38,205,760	15,758,036	22,447,724	41%
Transit	7,623,849	3,260,184	4,363,665	43%
Transportation	1,872,281	723,570	1,148,711	39%
Youth Development	9,139,196	3,347,454	5,791,742	37%

Expenditures

Operating expenditures for the Electric fund are under budget through the second quarter, primarily due to the timing of expenditures and lower power supply costs derived from a substantial increase in hydroelectric energy from the

Calaveras and South Feather projects. Environmental Utilities expenditures are tracking lower than budget due to vacancies and savings in professional services, training, and travel.

Transit and Transportation expenditures are lower than anticipated due to the timing of contracted services and vehicle purchases being delayed through the end of the year. Staff anticipates ending the year slightly under budget.

Expenses for the Youth Development Fund are at 37 percent through the second quarter of the fiscal year. While enrollment trends are still recovering, PRL staff continues to take measures to reduce operational costs to offset any revenue shortfall.

Other Revenue

The table presented shows revenues in the Fire Facilities, Public Facilities, and Strategic Improvement Funds (SIF) through the second quarter of

	Budget to Cumulative Revenue Comparison (July 1 – December 31)					% of Budget Collected
	FY2021-22 Actual	Amended Budget	Cumulative Revenues	Balance Remaining		
Fire Facilities	\$ 1,094,436	\$ 1,967,226	\$ 789,067	\$ (1,178,159)		40%
Public Facilities	2,853,280	4,629,811	2,475,890	(2,153,921)		53%
Strategic Improvement	3,644,545	2,444,423	934,719	(1,509,704)		38%

FY2021-22 and FY2022-23. The revenue estimates for these three funds are generally based on a multi-year trend analysis of forecasted single-family, multi-family, commercial development, and prior-year revenue collections. Revenues for the Fire Facilities and Strategic Improvement Funds ended the second quarter under revenue estimates at 40 percent and 38 percent, respectively. Staff anticipates that revenues in these funds will end the year on or above the budget target, due to the increase in development activity during the spring and summer months. The SIF cumulative revenue is significantly lower than the FY2021-22 actuals because the prior year's actuals included a \$2.5 million transfer from the Environmental Utilities Department for 243.4 acres of vacant land for future operational requirements.

COUNCIL COMMUNICATION

CC #: 2810

File #: 0704 & 0200

Title: Roseville Soccer Complex Traffic Signal and Roadway Improvements - Interfund Loan

Contact: Scott Pettingell 916-746-1306 spettingell@roseville.ca.us

Meeting Date: 6/21/2023

Item #: 7.30.

RECOMMENDATION TO COUNCIL

Staff recommends that the City Council approve an interfund loan of \$3,217,833 from the General Fund Capital Reserve Fund to the Traffic Mitigation Fund to construct traffic signal and roadway improvements to accommodate the construction of the Roseville Soccer Complex.

BACKGROUND

A traffic study conducted for the Roseville Soccer Complex indicated that traffic signal and roadway improvements already included in the City's long-term Capital Improvement Program were needed at the intersections of Blue Oaks Boulevard & Westbrook Boulevard, Blue Oaks Boulevard & Hayden Parkway, Westbrook Boulevard & Brookstone Drive (N), and Westbrook Boulevard & Brookstone Drive (S) to accommodate the opening of the Complex under construction east of Westbrook Boulevard. To fully fund and expedite the completion of these improvements, staff recommends that the City Council approve an interfund loan between the General Fund Capital Reserve Fund and the Traffic Mitigation Fund (TMF) of \$3,217,833. The loan is intended to preserve the TMF for current and upcoming TMF priorities already in progress.

FISCAL IMPACT

Pursuant to the interfund loan terms, the TMF Fund will repay the General Fund Capital Reserve Fund over 20 years. The interfund loan includes estimated interest payments totaling \$624,208. The first loan principal repayment is scheduled for FY2026-27. The annual interest rate for this interfund loan will be the City's prior year's average pooled interest rate. The loan terms and amortization schedule are attached to this communication. This interfund loan is consistent with the Council-approved interfund loan policy. The proposed FY2023-24 budget includes this interfund loan to fund the project.

ENVIRONMENTAL REVIEW

The California Environmental Quality Act (CEQA) does not apply to activities that will not result in a direct or reasonably foreseeable indirect physical change in the environment, or is otherwise not considered a project as defined by CEQA Statute §21065 and CEQA State Guidelines §15060(c)(3) and §15378. The interfund loan meets the above criteria and is not subject to CEQA. No additional environmental review is required.

CITY COUNCIL STRATEGIC PLAN/OVERARCHING GOALS

Goal F - Invest in well-planned infrastructure and growth

Description

Interfund Loan

A44 - Function No. 26044**Loan from General Fund Capital Reserve Fund (Fund 1012) to Traffic Mitigation Fund (Fund 3151)**

Loan Purpose - A traffic study conducted for the Roseville Soccer Complex indicated that traffic signal and roadway improvements already included in the City's long term Capital Improvement Program were needed at the intersections of Blue Oaks Boulevard & Westbrook Boulevard, Blue Oaks Boulevard & Hayden Parkway, Westbrook Boulevard & Brookstone Drive (N), and Westbrook Boulevard & Brookstone Drive (S) to accommodate opening of the Complex under construction east of Westbrook Boulevard. To fully fund these improvements, staff recommends that the City Council approve an interfund loan between the Capital Reserve Fund (1012) and the Traffic Mitigation Fund (TMF) (3151) of \$3,217,833. The loan is intended to preserve the TMF for current and upcoming TMF priorities already in progress.

Loan Amount: \$3,217,833

Council Approval Date: 6/21/2023

Interest Rate: The interest rate is based upon the City's prior year average annual pooled interest rate (for example, the City's FY22 average annual pooled interest rate will be used to calculate the FY23 interest amount). This policy was implemented to create more accurate budgeting and to expedite the process of calculating and recording the interest amount each year.

Term: 20 years

Title: Board and Commissions Bi-Annual Vacancies

Contact: Katrina Six 916-774-5267 kmsix@roseville.ca.us

Meeting Date: 6/21/2023

Item #: 8.1.

RECOMMENDATION TO COUNCIL

Recommend that the City Council appoint one (1) individual to the Design Committee to a term expiring June 30, 2027 from the applications received from: Sandra Boyle and Dharmendra Panchal.

Appoint three (3) individuals to the Economic Development Advisory Committee to terms expiring June 30, 2025 from the applications received from: Naaz Alikhan, Herb Bal, Blandon Granger, Lauren Razzano, Jeff Richardson, and Michael Tronnes.

Appoint two (2) individuals to the Grants Advisory Commission to terms expiring June 30, 2027 from the applications received from: Andrew Keller, Lorin Meeks-Harris, Dharmendra Panchal, and Neva Parker.

Appoint three (3) individuals to the Public Utilities Commission to terms expiring June 30, 2027 from the applications received from: Herb Bal, John DeLacy, Andrew Keller, Lorin Meeks-Harris, Scott Sanford, John Speight, Ellen Springer, and Elaine Webb.

BACKGROUND

Appointments to the Design Committee, Economic Development Advisory Committee, Grants Advisory Commission, and Public Utilities Commission are due to be made as part of the bi-annual recruitment process. Recruitment for all vacancies occurred in May 2023, video interviews of the applicants were conducted by the City Clerk Department, and the City Attorney's Office reviewed the Statements of Economic Interest (Form 700) for potential conflicts of interest. The application, video interviews, and confidential attorney review are compiled and provided to the City Council for consideration.

FISCAL IMPACT

Not applicable.

ENVIRONMENTAL REVIEW

The California Environmental Quality Act (CEQA) does not apply to activities that will not result in a direct or reasonably foreseeable indirect physical change in the environment, or is otherwise not considered a project as defined by CEQA Statute §21065 and CEQA State Guidelines §15060(c)(3) and §15378. The appointment of members to boards or commissions meets the above criteria and is not subject to CEQA. No additional environmental review is required.

COUNCIL COMMUNICATION

CC #: 2789

File #: 0206-03-01

Title: Creekview Community Facilities District No. 1, Improvement Area 2, Series 2023 - Bond Issuance

Contact: Jeannine Thrash 916-774-5473 jthrash@roseville.ca.us
Dennis Kauffman 916-774-5313 dkauffman@roseville.ca.us

Meeting Date: 6/21/2023

Item #: 9.1.

RECOMMENDATION TO COUNCIL

Staff recommends that the City Council adopt a Resolution Authorizing the Issuance of Special Tax Bonds for and on Behalf of Improvement Area No. 2 of the City of Roseville Creekview Community Facilities District No. 1 (Public Facilities), Approving and Directing the Execution of a Fiscal Agent Agreement and a Bond Purchase Agreement, Approving the Form of Preliminary Official Statement, Approving Sale of Such Bonds, and Approving Other Related Documents and Actions.

BACKGROUND

Creekview Community Facility District (CFD) No. 1 (Public Facilities) was formed on November 6, 2019, with Resolution 19-456. The maximum authorized indebtedness for the District is allocated as follows: (i) Improvement Area No. 1: \$81,000,000 and (ii) for the Future Annexation Area established for the District, an amount not to exceed \$137,000,000. On August 26, 2020 the first series of bonds were issued in the amount of \$10,905,000. The second series of bonds were issued on December 14, 2021 in the amount of \$12,500,000.

The Series 2023 bonds are being issued at the developer's request, in an amount not to exceed \$17,000,000, to (i) construct and/or acquire certain authorized public facilities, (ii) provide for a deposit to a debt service reserve account for the 2023 Bonds, and (iii) pay costs of issuance of the 2023 Bonds. The 2023 bonds are the first series to be issued for Improvement Area No. 2.

FISCAL IMPACT

The CFD will generate special taxes that will be paid by the property owners sufficient to pay the costs of the debt service, CFD administration, and any authorized pay-as-you-go facilities, as well as provide funding in the future for maintenance/replacement of constructed facilities. The issuance of these bonds will not impact the City's General Fund.

ENVIRONMENTAL REVIEW

The California Environmental Quality Act (CEQA) does not apply to activities that will not result in a direct or reasonably foreseeable indirect physical change in the environment, or is otherwise not considered a project as defined by CEQA Statute §21065 and CEQA State Guidelines §15060(c)(3) and §15378. Adoption of the resolution and approval of the agreements and preliminary official statement described herein, meets the above criteria and is not subject to CEQA. No additional environmental review is required.

COMPLIANCE STATEMENT

In accordance with Government Code 5852.1, the following information consists of estimates of certain costs and charges for the Bonds that have been provided by the City's municipal financial advisor, which has been represented by such party to have been provided in good faith: (1) estimated true interest costs of the Bonds: 5.78%; (2) estimated finance charge of the Bonds (sum of all fees and charges paid to third parties): \$375,000; (3) estimated amount of proceeds of the Bonds received by the City (net of finance charges, reserves and capitalized interest, if any): \$12,838,280; and (4) estimated total payment amount (sum total of all payments to pay debt service on the Bonds plus the finance charge not paid with proceeds of the Bonds) calculated to the final maturity of the Bonds: \$34,063,949.

CITY COUNCIL STRATEGIC PLAN/OVERARCHING GOALS

Goal F - Invest in well-planned infrastructure and growth

Description

Resolution 23-271

Fiscal Agent Agreement

Preliminary Official Statement
Bond Purchase Agreement

RESOLUTION NO. 23-271

A RESOLUTION AUTHORIZING THE ISSUANCE OF SPECIAL TAX BONDS FOR AND ON BEHALF OF IMPROVEMENT AREA NO. 2 OF THE CITY OF ROSEVILLE CREEKVIEW COMMUNITY FACILITIES DISTRICT NO. 1 (PUBLIC FACILITIES), APPROVING AND DIRECTING THE EXECUTION OF A FISCAL AGENT AGREEMENT AND A BOND PURCHASE AGREEMENT, APPROVING THE FORM OF PRELIMINARY OFFICIAL STATEMENT, APPROVING SALE OF SUCH BONDS, AND APPROVING OTHER RELATED DOCUMENTS AND ACTIONS

WHEREAS, this City Council (the "Council") of the City of Roseville (the "City") has conducted proceedings under and pursuant to the Mello-Roos Community Facilities Act of 1982, as amended, Chapter 2.5 of Part 1 of Division 2 of Title 5, commencing at Section 53311, of the California Government Code (the "Act"), to form the Creekview Community Facilities District No. 1 (Public Facilities) (the "District") and the Creekview Community Facilities District No. 1 (Public Facilities) (Future Annexation Area) (the "Future Annexation Area"), to annex property to the District that was designate Improvement Area No. 2 of the Creekview Community Facilities District No. 1 (Public Facilities) ("Improvement Area No. 2"), to authorize the levy of special taxes upon the land within Improvement Area No. 2, and to issue bonds secured by said special taxes for the purpose of providing moneys for the construction and acquisition of authorized improvements for the District; and

WHEREAS, the Council, as legislative body of the District, authorized the incurrence of bonded indebtedness for the District, including the Future Annexation Area, in the maximum aggregate principal amount of \$218,000,000, currently allocated as follows: (i) for Improvement Area No. 1, \$81,000,000 and (ii) for the portion of the Future Annexation Area, an amount not to exceed \$137,000,000; and

WHEREAS, upon annexation of a portion of the Future Annexation Area into the District as Improvement Area No. 2, the amount of \$111,000,000 of the original \$137,000,000 was allocated to Improvement Area No. 2 (the "Authorization"), and the City now desires to issue the first series of special tax bonds for Improvement Area No. 2 under the Authorization (the "Bonds"); and

WHEREAS, there has been submitted to the City Council a Fiscal Agent Agreement (the "Fiscal Agent Agreement") between the City and U.S. Bank Trust Company, National Association, as fiscal agent, providing for the issuance of the Bonds of the City for Improvement Area No. 2 of the District, and the Council, with the aid of City staff, has reviewed the Fiscal Agent Agreement and found it to be in proper order, and now desires to approve the Fiscal Agent Agreement and the issuance of the Bonds; and

WHEREAS, the City proposes to sell the Bonds to Piper Sandler & Co., as underwriter (the "Underwriter"), pursuant to the terms of a Bond Purchase Agreement by and between the City and the Underwriter, and the Underwriter proposes to offer the Bonds to the investing public by means of a Preliminary Official Statement, and the Council, with the aid of City staff, has reviewed the Bond Purchase Agreement and the Preliminary Official Statement and found them to be in proper order, and now desires to approve said documents; and

WHEREAS, the information required to be obtained and disclosed with respect to the Bonds by the City Council in accordance with Section 5852.1 of the California Government Code is set forth in the staff report accompanying this Resolution; and

WHEREAS, all conditions, things and acts required to exist, to have happened and to have been performed precedent to and in the issuance of the Bonds as contemplated by this Resolution and the documents referred to herein exist, have happened and have been performed in due time, form and manner as required by the laws of the State of California, including the Act.

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF ROSEVILLE RESOLVES AS FOLLOWS:

1. **Findings.** This Council finds and determines that it is prudent in the management and development of land in the City and the District to issue the Bonds for the purpose of providing moneys for the construction and acquisition of authorized improvements for the District.

2. **Law Applicable.** For the purposes of these proceedings in and for the District, the Act shall be the authority for the issuance of the Bonds.

3. **Bonds Authorized.** Pursuant to the Act, this Resolution and the Fiscal Agent Agreement, special tax bonds of the City designated as "City of Roseville Creekview Community Facilities District No. 1 (Public Facilities) Improvement Area No. 2 Special Tax Bonds Series 2023" in an aggregate principal amount not to exceed \$17,000,000 are hereby authorized to be issued. The Bonds shall be executed in the form set forth in and otherwise as provided in the Fiscal Agent Agreement.

The Bonds shall not be issued unless the value of the real property within Improvement Area No. 2 subject to the special tax to pay debt service on the Bonds, based on assessed values and/or an appraisal by an independent appraiser hired by the City for the purpose of determining such value, is at least three (3) times the proposed principal amount of the Bonds proposed to be issued and secured by a special tax levied pursuant to the Act on property within Improvement Area No. 2, plus the portion of all other bonds outstanding that are secured by a special tax levied under the Act on property within Improvement Area No. 2 or a special assessment levied on property within Improvement Area No. 2.

4. **Fiscal Agent Agreement.** The Council hereby approves the Fiscal Agent Agreement in the form presented to the Council at this meeting. The City Manager, Chief Financial Officer and such other person or persons as either of them may designate (collectively, the "Authorized Officers"), each acting alone or together with any other Authorized Officer, are each hereby authorized and directed to execute the Fiscal Agent Agreement, for and in the name and on behalf of the City, in such form, together with any additions thereto or changes therein deemed necessary or advisable by the Authorized Officer executing such document upon consultation with Jones Hall, A Professional Law Corporation, as bond counsel to the City ("Bond Counsel"). The proceeds of the Bonds shall be applied by the City for the purposes and in the amounts as set forth in the Fiscal Agent Agreement. The Council hereby authorizes the delivery and performance by the City of the Fiscal Agent Agreement.

5. **Covenant to Foreclose.** The City hereby covenants, for the benefit of the owners of the Bonds, to commence and diligently pursue to completion any foreclosure action regarding delinquent installments of any amount levied as a special tax for the payment of interest or principal of the Bonds, said foreclosure action to be commenced and pursued as more completely set forth in the Fiscal Agent Agreement.

6. **Approval of Official Statement and Continuing Disclosure Certificate.** The Council hereby approves the Preliminary Official Statement with respect to the Bonds, in substantially the form on file with the City Clerk. Distribution of the Preliminary Official Statement by the City and the Underwriter is hereby approved, and, prior to the distribution of the Preliminary Official Statement, and each Authorized Officer, each acting alone or together with any other Authorized Officer, is authorized and directed, on behalf of the City, to deem the Preliminary Official Statement "final" pursuant to Rule 15c2-12 under the Securities Exchange Act of 1934 (the "Rule"). The execution of the final Official Statement, which shall include such changes and additions thereto deemed advisable by the Authorized Officer executing the same, and such information permitted to be excluded from the Preliminary Official Statement pursuant to the Rule, is hereby approved for delivery to the purchasers of the Bonds, and each Authorized Officer, each acting alone or together with any other Authorized Officer, is authorized and directed to execute and deliver the final Official Statement for and on behalf of the City, with final pricing information included and with such changes and additions thereto deemed advisable by the Authorized Officer executing the same.

The Council hereby approves the Continuing Disclosure Certificate to be executed by the City, the form of which is attached as an exhibit to the Preliminary Official Statement. Each of the Authorized Officers is hereby authorized and directed to approve any changes in or additions to a final form of said Continuing Disclosure Certificate, and the execution thereof by an Authorized Officer shall be conclusive evidence of approval of any such changes and additions. The final Continuing Disclosure Certificate shall be executed in the name and on behalf of the City by an Authorized Officer.

7. **Approval of Bond Purchase Agreement.** The Council hereby approves the Bond Purchase Agreement in substantially the form on file with the City Clerk; provided, that the aggregate principal amount of Bonds shall not exceed \$17,000,000 or result in an Underwriter's discount in excess of 1.45% of the par amount of the Bonds, or a true interest cost in excess of 6.75%. Subject to the foregoing parameters, an Authorized Officer is hereby authorized and directed to execute the Bond Purchase Agreement in substantially the form on file with the City Clerk, together with such changes and additions thereto deemed advisable by the Authorized Officer executing the same. The Council hereby finds and determines that the sale of the Bonds at negotiated sale as contemplated by the Bond Purchase Agreement will result in a lower overall cost.

8. **Actions Authorized.** All actions heretofore taken by the officers, employees and agents of the City with respect to the establishment of the District and the Future Annexation Area, the designation of Improvement Area No. 2, and the sale and issuance of the Bonds are hereby approved, confirmed and ratified, and the Authorized Officers of the City are hereby authorized and directed to do any and all things and take any and all actions and execute any and all certificates, agreements and other documents, which they, or any of them, may deem necessary or advisable in order to consummate the lawful issuance and delivery of the Bonds in accordance with this resolution, and any certificate, agreement, and other document described in the documents herein approved. All actions to be taken by a specified Authorized Officer as

specified herein, may be taken by the Authorized Officer or any designee, with the same force and effect as if taken by such Authorized Officer.

9. **Effectiveness.** This Resolution shall take effect upon its adoption.

* * * * *

I hereby certify that the foregoing Resolution was duly adopted by the City Council of the City of Roseville, California, at a regularly scheduled meeting thereof, held on the ____ day of _____, 2023, by the following vote of the City Council:

EXHIBIT A	FORM OF BOND	
EXHIBIT B	OFFICER'S CERTIFICATE REQUESTING DISBURSEMENT FROM IMPROVEMENT FUND	

FISCAL AGENT AGREEMENT

THIS FISCAL AGENT AGREEMENT (the "Agreement") is made and entered into as of July 1, 2023, by and between the City of Roseville, a charter city and public body, corporate and politic, organized and existing under and by virtue of the Constitution and laws of the State of California (the "City") for and on behalf of the City of Roseville Creekview Community Facilities District No. 1 (Public Facilities) (the "District"), and U.S. Bank Trust Company, National Association, as fiscal agent (the "Fiscal Agent").

WITNESSETH:

WHEREAS, the City Council of the City has conducted proceedings under and pursuant to the Mello-Roos Community Facilities Act of 1982, as amended, Chapter 2.5 of Part 1 of Division 2 of Title 5, commencing at Section 53311, of the California Government Code (the "Act"), to form the District and the Creekview Community Facilities District No. 1 (Public Facilities) (Future Annexation Area) (the "Future Annexation Area"), to annex property to the District that was designated Improvement Area No. 2 of the Creekview Community Facilities District No. 1 (Public Facilities) ("Improvement Area No. 2"), to authorize the levy of Special Taxes upon the land within Improvement Area No. 2, and to issue bonds secured by said Special Taxes for the purpose of providing moneys for the construction and acquisition of authorized improvements for the District; and

WHEREAS, the City Council, as legislative body of the District, authorized the incurrence of bonded indebtedness for the District, including the Future Annexation Area, in the maximum aggregate principal amount of \$218,000,000, currently allocated as follows: (i) for Improvement Area No. 1, \$81,000,000 and (ii) for the portion of the Future Annexation Area, an amount not to exceed \$137,000,000; and

WHEREAS, upon annexation of a portion of the Future Annexation Area into the District as Improvement Area No. 2, the amount of \$111,000,000 of the original \$137,000,000 was allocated to Improvement Area No. 2 (the "Authorization"), and the City now desires to issue the first series of special tax bonds for Improvement Area No. 2 under the Authorization; and

WHEREAS, under the provisions of the Act, on _____, 2023, the City Council of the City adopted its Resolution No. _____ (the "Resolution"), which resolution, among other matters, authorized the issuance of its "City of Roseville Creekview Community Facilities District No. 1 (Public Facilities) Improvement Area No. 2 Special Tax Bonds Series 2023" to provide moneys for the construction and acquisition of improvements for the District, and provided that said issuance would be in accordance with the Act and this Agreement and authorized the execution hereof; and

WHEREAS, it is in the public interest and for the benefit of the City, the District, the persons responsible for the payment of Special Taxes and the Owners of the Bonds (as defined herein) that the City enter into this Agreement to provide for the issuance of the Bonds, the disbursement of proceeds of the Bonds, the disposition of the Special Taxes securing the Bonds and any additional bonds authorized to be issued hereunder and the administration and payment of the Bonds; and

WHEREAS, the City has determined that all things necessary to cause the Bonds, when authenticated by the City for Improvement Area No. 2 of the District and issued as in the Act,

the Resolution and this Agreement provided to be legal, valid and binding and special obligations of the City for Improvement Area No. 2 of the District in accordance with their terms, and all things necessary to cause the creation, authorization, execution and delivery of this Agreement and the creation, authorization, execution and issuance of the Bonds, subject to the terms hereof, have in all respects been duly authorized.

NOW, THEREFORE, in consideration of the covenants and provisions herein set forth and for other valuable consideration the receipt and sufficiency of which are hereby acknowledged, the parties hereto do hereby agree as follows:

ARTICLE I

STATUTORY AUTHORITY AND DEFINITIONS

Section 1.01. Authority for this Agreement. This Agreement is entered into pursuant to the provisions of the Act and the Resolution.

Section 1.02. Agreement for Benefit of Bondowners. The provisions, covenants and agreements herein set forth to be performed by or on behalf of the City shall be for the equal benefit, protection and security of the Owners. All of the Bonds, without regard to the time or times of their issuance or maturity, shall be of equal rank without preference, priority or distinction of any of the Bonds over any other thereof, except as expressly provided in or permitted by this Agreement. The Fiscal Agent may become the Owner of any of the Bonds in its own or any other capacity and may otherwise deal with the City or the District with the same rights it would have if it were not Fiscal Agent.

Section 1.03. Definitions. Unless the context otherwise requires, the terms defined in this Section 1.03 shall, for all purposes of this Agreement, of any Supplemental Agreement, and of any certificate, opinion or other document herein mentioned, have the meanings herein specified. All references herein to "Articles," "Sections" and other subdivisions are to the corresponding Articles, Sections or subdivisions of this Agreement, and the words "herein," "hereof," "hereunder" and other words of similar import refer to this Agreement as a whole and not to any particular Article, Section or subdivision hereof.

"Acquisition Agreement" means the Funding, Construction and Acquisition Agreement for the District dated as of September 9, 2020, by and between the City and the Developer.

"Act" means the Mello-Roos Community Facilities Act of 1982, as amended, Section 53311, et seq., of the California Government Code.

"Additional Bonds" means any series of bonds issued on a parity with the 2023 Bonds pursuant to Section 5.17.

"Administrative Expenses" means any or all of the following: the fees and expenses of the Fiscal Agent (including, but not limited to, any fees or expenses of its counsel), the expenses of the City in carrying out its duties hereunder (including, but not limited to, the levying and collection of the Special Taxes, and the foreclosure of the liens of delinquent Special Taxes) including the fees and expenses of its counsel, an allocable share of the salaries of City staff directly related thereto and a proportionate amount of City general administrative overhead related thereto, any amounts paid by the City from its general funds pursuant to Section 6.02, and all other fees, costs and expenses of the City or the Fiscal Agent incurred in connection with the issuance and administration of the Bonds and/or the discharge of their respective duties hereunder (including, but not limited to, the calculation of the levy of the Special Taxes, foreclosures with respect to delinquent taxes, and the calculation of amounts subject to rebate to the United States) and, in the case of the City, in any way related to the administration of the District. Administrative Expenses shall include any such expenses incurred in prior years but not yet paid, and any advances of funds by the City under Section 6.02 hereof.

"Agreement" means this Fiscal Agent Agreement, as it may be amended or supplemented from time to time by any Supplemental Agreement.

“Annual Debt Service” means, for each Bond Year and each series of Outstanding Bonds, the sum of (i) the interest due on the respective series of Outstanding Bonds in such Bond Year, assuming that such Outstanding Bonds are retired as scheduled, and (ii) the principal amount of the respective series of Outstanding Bonds, including any mandatory sinking fund payments, due in such Bond Year.

“Authorized Officer” means the City Manager, Chief Financial Officer, City Attorney or any other officer or employee authorized by the City Council of the City or by an Authorized Officer to undertake the action referenced in this Agreement as required to be undertaken by an Authorized Officer.

“Bond Counsel” means (i) Jones Hall, A Professional Law Corporation or (ii) any other attorney or firm of attorneys acceptable to the City and nationally recognized for expertise in rendering opinions as to the legality and tax-exempt status of securities issued by public entities.

“Bond Fund” means the fund by that name established pursuant to Section 4.02(A) hereof.

“Bond Year” means each twelve-month period beginning on September 2 in any year and extending to the next succeeding September 1, both dates inclusive; except that the first Bond Year shall begin on the Closing Date and end on September 1, 2023.

“Bonds” means the 2023 Bonds and any Additional Bonds.

“Business Day” means any day other than (i) a Saturday or a Sunday or (ii) a day on which banking institutions in the state in which the Principal Office of the Fiscal Agent is located are authorized or obligated by law or executive order to be closed.

“CDIAC” means the California Debt and Investment Advisory Commission of the office of the California State Treasurer or any successor agency or bureau thereto.

“Certificate of the Special Tax Consultant” means a written certificate signed by the special tax consultant or special tax administrator to the City with respect to the Bonds.

“Chief Financial Officer” means the duly acting Chief Financial Officer of the City, or if the City has no Chief Financial Officer, the Finance Director, Treasurer or other officer of the City serving a similar role.

“City” means the City of Roseville, California, and any successor thereto.

“Closing Date” means _____, 2023, the date upon which there is a physical delivery of the 2023 Bonds in exchange for the amount representing the purchase price of the 2023 Bonds by the Original Purchaser.

“Code” means the Internal Revenue Code of 1986 as in effect on the date of issuance of the Bonds or (except as otherwise referenced herein) as it may be amended to apply to obligations issued on the date of issuance of the Bonds, together with applicable temporary and final regulations promulgated, and applicable official public guidance published, under the Code.

“Continuing Disclosure Certificate” means the Continuing Disclosure Certificate, dated as of the Closing Date, executed by the City and Willdan Financial Services, in its capacity as Dissemination Agent, as originally executed and as it may be amended from time to time in accordance with the terms thereof.

“Costs of Issuance” means items of expense payable or reimbursable directly or indirectly by the City and related to the authorization, sale and issuance of the Bonds, which items of expense shall include, but not be limited to, printing costs, costs of reproducing and binding documents, closing costs, filing and recording fees, initial fees, expenses and charges of the Fiscal Agent, including its first annual administration fee, and expenses and fees of counsel to the Fiscal Agent, expenses incurred by the City in connection with the issuance of the Bonds, financial advisor fees, Bond (underwriter’s) discount or underwriting fee, legal fees and charges, including bond counsel, charges for execution, transportation and safekeeping of the Bonds and other costs, charges and fees in connection with the foregoing.

“Costs of Issuance Fund” means the fund by that name established pursuant to Section 3.05(A) hereof.

“Developer” means Anthem United Creekview Developments Limited Partnership, a Washington limited partnership, and its successors and assigns.

“Debt Service” means the scheduled amount of interest and amortization of principal payable on the Bonds during the period of computation, excluding amounts scheduled during such period which relate to principal which has been retired before the beginning of such period.

“Depository” means (i) initially, DTC, and (ii) any other Securities Depository acting as Depository pursuant to Section 2.12.

“District” means the City of Roseville Creekview Community Facilities District No. 1 (Public Facilities) formed pursuant to the Resolution of Formation.

“DTC” means the Depository Trust Company, and its successors and assigns.

“Fair Market Value” means the price at which a willing buyer would purchase the investment from a willing seller in a bona fide, arm’s length transaction (determined as of the date the contract to purchase or sell the investment becomes binding) if the investment is traded on an established securities market (within the meaning of Section 1273 of the Code) and, otherwise, the term “Fair Market Value” means the acquisition price in a bona fide arm’s length transaction (as referenced above) if (i) the investment is a certificate of deposit that is acquired in accordance with applicable regulations under the Code, (ii) the investment is an agreement with specifically negotiated withdrawal or reinvestment provisions and a specifically negotiated interest rate (for example, a guaranteed investment contract, a forward supply contract or other investment agreement) that is acquired in accordance with applicable regulations under the Code, (iii) the investment is a United States Treasury Security—State and Local Government Series that is acquired in accordance with applicable regulations of the United States Bureau of Public Debt, or (iv) the investment is the Local Agency Investment Fund of the State of California, but only if at all times during which the investment is held its yield is reasonably

expected to be equal to or greater than the yield on a reasonably comparable direct obligation of the United States.

“Federal Securities” means any of the following which are non-callable and which at the time of investment are legal investments under the laws of the State of California for funds held by the Fiscal Agent (the Fiscal Agent entitled to rely upon investment direction from the City as a certification that such investment constitutes a legal investment):

(i) Direct general obligations of the United States of America (including obligations issued or held in book-entry form on the books of the United States Department of the Treasury) and obligations, the payment of principal of and interest on which are directly or indirectly guaranteed by the United States of America, including, without limitation, such of the foregoing which are commonly referred to as “stripped” obligations and coupons; or

(ii) Any of the following obligations of the following agencies of the United States of America: (a) direct obligations of the Export-Import Bank, (b) certificates of beneficial ownership issued by the Farmers Home Administration, (c) participation certificates issued by the General Services Administration, (d) mortgage-backed bonds or passthrough obligations issued and guaranteed by the Government National Mortgage Association, (e) project notes issued by the United States Department of Housing and Urban Development, and (f) public housing notes and bonds guaranteed by the United States of America.

“Fiscal Agent” means the Fiscal Agent appointed by the City and acting as an independent fiscal agent with the duties and powers herein provided, its successors and assigns, and any other corporation or association which may at any time be substituted in its place, as provided in Section 7.01.

“Fiscal Year” means the twelve-month period extending from July 1 in a calendar year to June 30 of the succeeding year, both dates inclusive.

“Improvement Area No. 2” means the area designated as Improvement Area No. 2 of the District through the annexation proceedings set forth in the Act.

“Improvement Fund” means the fund by that name established pursuant to Section 3.04(A).

“Information Services” means “EMMA” or the “Electronic Municipal Market Access” system of the Municipal Securities Rulemaking Board; or, in accordance with then-current guidelines of the Securities and Exchange Commission, such other services providing information with respect to called bonds as the City may designate in an Officer’s Certificate delivered to the Fiscal Agent.

“Interest Payment Dates” means March 1 and September 1 of each year, commencing September 1, 2023.

“Maximum Annual Debt Service” means, for each series of Outstanding Bonds, the largest Annual Debt Service for any Bond Year after the calculation is made through the final maturity date of the respective series of Outstanding Bonds.

“Officer’s Certificate” means a written certificate of the City signed by an Authorized Officer of the City.

“Ordinance” means any ordinance of the City levying the Special Taxes.

“Original Purchaser” means, with respect to each series of Bonds, the first purchaser of such Bonds from the City.

“Other Mello-Roos Bonds” has the meaning given that term in Section 5.17.

“Outstanding,” when used as of any particular time with reference to Bonds, means (subject to the provisions of Section 8.04) all Bonds except (i) Bonds theretofore canceled by the Fiscal Agent or surrendered to the Fiscal Agent for cancellation; (ii) Bonds paid or deemed to have been paid within the meaning of Section 9.03; and (iii) Bonds in lieu of or in substitution for which other Bonds shall have been authorized, executed, issued and delivered by the City pursuant to the Agreement or any Supplemental Agreement.

“Owner” or *“Bondowner”* means any person who shall be the registered owner of any Outstanding Bond.

“Participating Underwriter” shall have the meaning ascribed thereto in the Continuing Disclosure Certificate.

“Permitted Investments” means any of the following, to the extent that they are lawful investments for City funds at the time of investment, and are acquired at Fair Market Value (the Fiscal Agent is entitled to rely upon investment direction from the City as a certification that such investment constitutes a legal investment):

(i) Federal Securities;

(ii) any of following obligations of federal agencies not guaranteed by the United States of America: (a) debentures issued by the Federal Housing Administration; (b) participation certificates or senior debt obligations of the Federal Home Loan Mortgage Corporation or Farm Credit Banks (consisting of Federal Land Banks, Federal Intermediate Credit Banks or Banks for Cooperatives); (c) bonds or debentures of the Federal Home Loan Bank Board established under the Federal Home Loan Bank Act, bonds of any federal home loan bank established under said act and stocks, bonds, debentures, participations and other obligations of or issued by the Federal National Mortgage Association, the Student Loan Marketing Association, the Government National Mortgage Association and the Federal Home Loan Mortgage Corporation; and (d) bonds, notes or other obligations issued or assumed by the International Bank for Reconstruction and Development;

(iii) interest-bearing demand or time deposits (including certificates of deposit) in federal or State of California chartered banks (including the Fiscal Agent and its affiliates), provided that (a) in the case of a savings and loan association, such demand or time deposits shall be fully insured by the Federal Deposit Insurance Corporation, or the unsecured obligations of such savings and loan association shall be rated in one of the top two rating categories by a nationally recognized rating service, and (b) in the case of a bank, such demand or time deposits shall be fully insured by the Federal Deposit Insurance Corporation, or the unsecured obligations of such bank

(or the unsecured obligations of the parent bank holding company of which such bank is the lead bank) shall be rated in one of the top two rating categories by a nationally recognized rating service;

(iv) repurchase agreements with a registered broker/dealer subject to the Securities Investors Protection Corporation Liquidation in the event of insolvency, or any commercial bank provided that: (a) the unsecured obligations of such bank shall be rated in one of the top two rating categories by a nationally recognized rating service, or such bank shall be the lead bank of a banking holding company whose unsecured obligations are rated in one of the top two rating categories by a nationally recognized rating service; (b) the most recent reported combined capital, surplus and undivided profits of such bank shall be not less than \$100 million; (c) the repurchase obligation under any such repurchase obligation shall be required to be performed in not more than thirty (30) days; (d) the entity holding such securities as described in clause (c) shall have a pledged first security interest therein for the benefit of the Fiscal Agent under the California Commercial Code or pursuant to the book-entry procedures described by 31 C.F.R. 306.1 *et seq.* or 31 C.F.R. 350.0 *et seq.* and are rated in one of the top two rating categories by a nationally recognized rating service;

(v) bankers' acceptances endorsed and guaranteed by banks described in clause (iv) above;

(vi) obligations, the interest on which is exempt from federal income taxation under Section 103 of the Code and which are rated in one of the top two rating categories by a nationally recognized rating service;

(vii) money market funds which invest solely in Federal Securities or in obligations described in the preceding clause (ii) of this definition, or money market funds which are rated in the highest rating category by Standard & Poor's Ratings Services or Moody's Investor Service, including such funds for which the Fiscal Agent, its affiliates or subsidiaries provide investment advisory or other management services or for which the Fiscal Agent or an affiliate of the Fiscal Agent serves as investment administrator, shareholder servicing agent, and/or custodian or subcustodian, notwithstanding that (a) the Fiscal Agent or an affiliate of the Fiscal Agent receives and retains a fee for services provided to the fund, (b) the Fiscal Agent collects fees for services rendered pursuant to this Agreement, which fees are separate from the fees received from such funds, and (c) services performed for such funds and pursuant to this Agreement may at times duplicate those provided to such funds by the Fiscal Agent or an affiliate of the Fiscal Agent;

(viii) units of a taxable government money market portfolio comprised solely of obligations listed in (i) and (iv) above, such funds for which the Fiscal Agent, its affiliates or subsidiaries provide investment advisory or other management services or for which the Fiscal Agent or an affiliate of the Fiscal Agent serves as investment administrator, shareholder servicing agent, and/or custodian or subcustodian, notwithstanding that (a) the Fiscal Agent or an affiliate of the Fiscal Agent receives and retains a fee for services provided to the fund, (b) the Fiscal Agent collects fees for services rendered pursuant to this Agreement, which fees are separate from the fees received from such funds, and (c) services performed for such funds and pursuant to this Agreement may at times duplicate those provided to such funds by the Fiscal Agent or an affiliate of the Fiscal Agent;

(ix) any investment which is a legal investment for proceeds of the Bonds at the time of the execution of such agreement, and which investment is made pursuant to an agreement between the City or the Fiscal Agent or any successor Fiscal Agent and a financial institution or governmental body whose long term debt obligations are rated in one of the top two rating categories by a nationally recognized rating service;

(x) commercial paper which at the time of purchase is of "prime" quality of the highest ranking or of the highest letter and numerical rating as provided for by Moody's Investors Service, or Standard and Poor's Corporation, of issuing corporations that are organized and operating within the United States and having total assets in excess of five hundred million dollars (\$500,000,000) and having an "AA" or higher rating for the issuer's debentures, other than commercial paper, as provided for by Moody's Investors Service or Standard and Poor's Corporation, and provided that purchases of eligible commercial paper may not exceed 180 days maturity nor represent more than 10 percent of the outstanding paper of an issuing corporation;

(xi) any general obligation of a bank or insurance company whose long term debt obligations are rated in one of the two highest rating categories of a national rating service;

(xii) shares in a common law trust established pursuant to Title 1, Division 7, Charter 5 of the Government Code of the State which invests exclusively in investments permitted by Section 53635 of Title 5, Division 2, Chapter 4 of the Government Code of the State, as it may be amended;

(xiii) shares in the California Asset Management Program; or

(xiii) the Local Agency Investment Fund established pursuant to Section 16429.1 of the Government Code of the State of California, *provided, however*, that the Fiscal Agent shall be permitted to make investments and withdrawals in its own name and the Fiscal Agent may restrict investments in the such fund if necessary to keep moneys available for the purposes of this Fiscal Agent Agreement.

(xiv) any other lawful investment for City funds.

"Prepayment" means moneys received by the City from the prepayment of Special Taxes as provided in the Special Tax Formula.

"Prepayment Account" means the account within the Bond Fund by that name established pursuant to Section 4.02(A).

"Principal Office" means the designated corporate trust office of the Fiscal Agent set forth in Section 9.06, at which at any time its corporate trust business shall be administered, or such other or additional offices as may be designated by the Fiscal Agent, by notice to the District and the Owners, or the designated corporate trust office of any successor Fiscal Agent (or such other address as such successor Fiscal Agent may designate from time to time by notice to the District and Owners).

“Project” means the acquisition and/or construction of the authorized facilities for the District described in the Resolution of Formation, including Administrative Expenses related thereto.

“Qualified Reserve Fund Credit Instrument” means an irrevocable standby or direct-pay letter of credit or surety bond issued by a commercial bank or insurance company and deposited with the Fiscal Agent, provided that all of the following requirements are met: (i) the long-term credit rating of such bank or insurance company is rated in the top two categories (without regard to modifier) by S&P or Moody’s at the time of issuance; (ii) such letter of credit or surety bond has a term of at least 12 months; (iii) such letter of credit or surety bond has a stated amount at least equal to the portion of the Reserve Requirement being met by such instrument or with respect to which funds are proposed to be released pursuant to the Fiscal Agent Agreement; and (iv) the Fiscal Agent is authorized pursuant to the terms of such letter of credit or surety bond to draw thereunder an amount equal to any deficiencies which may exist from time to time in the Bond Fund for the purpose of making payments required pursuant to the Fiscal Agent Agreement.

“Record Date” means the 15th day of the month preceding an Interest Payment Date, whether or not such day is a Business Day.

“Regulations” means temporary and permanent regulations promulgated under the Code.

“Reserve Fund” means the fund by that name established pursuant to Section 4.03(A).

“Reserve Requirement” means, with respect to any series of Bonds, the least of (i) 125% of the average Annual Debt Service with respect to the applicable series of Bonds; (ii) Maximum Annual Debt Service with respect to the applicable series of Bonds; and (iii) 10% of the original principal amount of the applicable series of Bonds (or, if the applicable series of Bonds has more than a de minimis amount of original issue discount or premium, 10% of the issue price of such series of Bonds); provided, that—

(a) the Reserve Requirement for the 2023 Bonds shall not increase after the date of issuance of the 2023 Bonds;

(b) in no event shall the City be obligated to deposit an amount in any reserve account in excess of the amount permitted by the applicable provisions of the Code to be so deposited from the proceeds of tax-exempt bonds without having to restrict the yield of any investment purchased with any portion of such deposit and, if the amount of any such deposit is so limited, the Reserve Requirement shall be only the amount of such deposit as permitted by the Code; and

(c) the City may meet all or a portion of the Reserve Requirement with respect to any series of Bonds by depositing a Qualified Reserve Fund Credit Instrument in accordance with Section 4.03(A).

“Resolution” means Resolution No. _____ adopted by the City Council of the City on _____, 2023, which resolution, among other matters, authorized the issuance of the Bonds.

“Resolution of Formation” means Resolution No. 19-456, adopted by the City Council of the City on November 6, 2019.

“Securities Depositories” means DTC; and, in accordance with then current guidelines of the Securities and Exchange Commission, such other addresses and/or such other securities depositories as the City may designate in an Officer’s Certificate delivered to the Fiscal Agent.

“Special Tax Formula” means the “Rate, Method of Apportionment, and Manner of Collection of Special Tax for City of Roseville Creekview Community Facilities District No. 1 – Improvement Area No. 2 (Public Facilities),” approved by the qualified electors in Improvement Area No. 2, and as it may be amended in the future.

“Special Tax Fund” means the fund by that name established by Section 3.03(A) hereof.

“Special Tax Revenues” means the proceeds of the Special Taxes received by the City, including all scheduled payments and delinquent payments thereof, interest thereon and proceeds of the redemption or sale of property sold as a result of foreclosure of the lien of the Special Taxes, net of the administration charge of the County (currently at 1%), but shall not include any interest in excess of the interest due on the Bonds or any penalties collected in connection with any such foreclosure.

“Special Taxes” means the “Facilities Special Tax” (as defined in the Special Tax Formula) levied within Improvement Area No. 2 pursuant to the Act, the Ordinance, and this Agreement. For clarity, the “Maintenance Special Tax” (as defined in the Special Tax Formula) is not included in this definition of “Special Taxes” and does not constitute security for the repayment of the Bonds.

“Supplemental Agreement” means an agreement the execution of which is authorized by a resolution which has been duly adopted by the City under the Act and which agreement is amendatory of or supplemental to this Agreement, but only if and to the extent that such agreement is specifically authorized hereunder.

“Term 2023 Bonds” means the 2023 Bonds maturing on September 1, _____, September 1, _____, and September 1, _____.

“2023 Bonds” means the City of Roseville Creekview Community Facilities District No. 1 (Public Facilities) Improvement Area No. 2 Special Tax Bonds Series 2023.

“2023 Capitalized Interest Account” means the fund by that name established pursuant to Section 4.02(A) hereof.

“2023 Reserve Account” means the account within the Reserve Fund by that name established pursuant to Section 4.03(A).

ARTICLE II

THE 2023 BONDS

Section 2.01. Principal Amount; Designation. The 2023 Bonds in the aggregate principal amount of \$_____ are hereby authorized to be issued by the City for the District under and subject to the terms of the Resolution and this Agreement, the Act and other applicable laws of the State of California. The 2023 Bonds shall be designated the "City of Roseville Creekview Community Facilities District No. 1 (Public Facilities) Improvement Area No. 2 Special Tax Bonds Series 2023."

Section 2.02. Terms of the 2023 Bonds.

(A) Form; Denominations. The 2023 Bonds shall be issued as fully registered Bonds without coupons in the denomination of \$5,000 or any integral multiple of \$5,000 in excess thereof. The 2023 Bonds shall be lettered and numbered in a customary manner as determined by the Fiscal Agent.

(B) Date of the 2023 Bonds. The 2023 Bonds shall be dated the Closing Date.

(C) CUSIP Identification Numbers. "CUSIP" identification numbers shall be imprinted on the 2023 Bonds, but such numbers shall not constitute a part of the contract evidenced by the 2023 Bonds and any error or omission with respect thereto shall not constitute cause for refusal of any purchaser to accept delivery of and pay for the 2023 Bonds. In addition, failure on the part of the City or the Fiscal Agent to use such CUSIP numbers in any notice to Owners shall not constitute an event of default or any violation of the City's contract with such Owners and shall not impair the effectiveness of any such notice. The Fiscal Agent shall have no liability for any defect in the "CUSIP" numbers as they appear on any 2023 Bonds, notice or elsewhere, and any such notice may state that no representation is made as to the correctness of such numbers either as printed on the 2023 Bonds or as contained in any notice of a redemption and that reliance may be placed only on the other identification numbers printed on the 2023 Bonds, and any such redemption shall not be affected by any defect in or omission of such numbers. The City will promptly notify the Fiscal Agent in writing of any change in the "CUSIP" numbers.

(D) Maturities. The 2023 Bonds shall be issued as serial and term bonds, and shall mature and become payable as follows:

Maturity (Sept. 1)	Principal Amount	Interest Rate	CUSIP† (777870)
-----------------------	---------------------	------------------	--------------------

(E) Interest. The 2023 Bonds shall bear interest at the rates set forth above payable on the Interest Payment Dates in each year. Interest shall be calculated on the basis of a 360-day year composed of twelve 30-day months. Each 2023 Bond shall bear interest from the Interest Payment Date next preceding the date of authentication thereof unless (i) it is authenticated on an Interest Payment Date, in which event it shall bear interest from such date of authentication, or (ii) it is authenticated prior to an Interest Payment Date and after the close of business on the Record Date preceding such Interest Payment Date, in which event it shall bear interest from such Interest Payment Date, or (iii) it is authenticated prior to the Record Date preceding the first Interest Payment Date, in which event it shall bear interest from the Closing Date; provided, however, that if at the time of authentication of a 2023 Bond, interest is in default thereon, such 2023 Bond shall bear interest from the Interest Payment Date to which interest has previously been paid or made available for payment thereon.

(F) Method of Payment. Interest on the 2023 Bonds (including the final interest payment upon maturity or earlier redemption) is payable by check of the Fiscal Agent mailed on the Interest Payment Dates by first class mail to the registered Owner thereof at such registered Owner's address as it appears on the registration books maintained by the Fiscal Agent at the close of business on the Record Date preceding the Interest Payment Date, or by wire transfer made on such Interest Payment Date upon written instructions received by the Fiscal Agent on or before the Record Date preceding the Interest Payment Date of any Owner of \$1,000,000 or more in aggregate principal amount of 2023 Bonds; provided that so long as any 2023 Bonds are in book-entry form, payments with respect to such 2023 Bonds shall be made by wire transfer or such other method acceptable to the Fiscal Agent to the Depository. The principal of the 2023 Bonds and any premium on the 2023 Bonds are payable in lawful money of the United States of America upon surrender of the 2023 Bonds at the Principal Office of the Fiscal Agent. All 2023 Bonds paid by the Fiscal Agent pursuant to this Section shall be cancelled by the Fiscal Agent. The Fiscal Agent shall dispose of the cancelled 2023 Bonds and issue a certificate of disposal thereof to the City at the written request of the City.

Section 2.03. Redemption.

(A) Redemption Dates.

(i) Optional Redemption. The 2023 Bonds may be redeemed prior to maturity at the option of the City from any source of available funds other than prepayment of the Special Tax by property owners, as a whole or in part, on any date on and after September 1, _____ at the following respective redemption prices (expressed as percentages of the principal amount of the 2023 Bonds to be redeemed), plus accrued interest thereon to the date of redemption:

<u>Redemption Dates</u>	<u>Redemption Price</u>
September 1, _____ through August 31, _____	103%
September 1, _____ through August 31, _____	102
September 1, _____ through August 31, _____	101
September 1, _____ and any date thereafter	100

(ii) Mandatory Redemption From Prepayments. The 2023 Bonds shall be subject to mandatory redemption from prepayments of the Special Tax by property owners on any Interest Payment Date, in whole or in part among maturities, and by lot within a maturity, and among the 2023 Bonds and any Additional Bonds, as shall be specified by the City, at the following respective redemption prices (expressed as percentages of the principal amount of the 2023 Bonds to be redeemed), plus accrued interest thereon to the date of redemption:

<u>Redemption Dates</u>	<u>Redemption Price</u>
Interest Payment Dates through and including March 1, 2029	103%
September 1, _____ and March 1, _____	102
September 1, _____ and March 1, _____	101
September 1, _____ and any Interest Payment Date thereafter	100

Prepayments and amounts released from the 2023 Reserve Account in connection with Prepayments will be allocated to the redemption of the 2023 Bonds and any Additional Bonds as nearly as practicable on a proportionate basis based on the outstanding principal amount of the 2023 Bonds and any Additional Bonds and shall be applied to redeem 2023 Bonds and Additional Bonds as nearly as practicable on a pro rata basis among maturities in increments of \$5,000; provided, however, that, for Prepayments of less than \$50,000, the City may specify in an Officer's Certificate that Prepayments be applied to one or more maturities of the 2023 Bonds or Additional Bonds so long as there is delivered to the Fiscal Agent a Certificate of the Special Tax Consultant that, following such redemption from Prepayments, the maximum Special Taxes that may be levied in each Fiscal Year on Developed Parcels in Improvement Area No. 2 is not less than 110% of Maximum Annual Debt Service.

(iii) Mandatory Sinking Fund Redemption. The Term 2023 Bonds maturing September 1, _____, September 1, _____ and September 1, _____ are subject to mandatory sinking payment redemption in part on September 1, _____, September 1, _____ and September 1, _____, respectively, and on each September 1 thereafter to maturity, by lot, at a redemption price equal to 100% of the principal amount thereof to be redeemed, without premium, in the aggregate respective principal amounts as set forth in the following tables:

Term 2023 Bonds Maturing September 1, _____

Mandatory Redemption Date (Sept. 1)	Sinking Fund Payment
---	-------------------------

(maturity)

Term 2023 Bonds Maturing September 1, _____

Mandatory Redemption Date (Sept. 1)	Sinking Fund Payment
---	-------------------------

(maturity)

Term 2023 Bonds Maturing September 1, _____

Mandatory Redemption Date (Sept. 1)	Sinking Fund Payment
---	-------------------------

(maturity)

The amounts in the foregoing tables shall be reduced pro rata, at the direction of the City in an Officer's Certificate, as a result of any prior partial optional or mandatory redemption of the Term 2023 Bonds pursuant to Section 2.03(A)(i) or (ii) above. In the event of a redemption pursuant to Section 2.03(A)(i) or (ii), the City shall provide the Fiscal Agent with a revised sinking fund schedule giving effect to the redemption so completed.

In lieu of redemption under this Section 2.03, moneys in the Bond Fund may be used and withdrawn by the Fiscal Agent for purchase of Outstanding 2023 Bonds, upon the filing with the Fiscal Agent of an Officer's Certificate requesting such purchase, at public or private sale as and when, and at such prices (including brokerage and other charges) as such Officer's Certificate may provide, but in no event may 2023 Bonds be purchased at a price in excess of the principal amount thereof, plus interest accrued to the date of purchase.

(B) Notice to Fiscal Agent. The City shall give the Fiscal Agent an Officer's Certificate containing notice of its intention to redeem 2023 Bonds pursuant to Section 2.03(A)(i) and (ii) not less than 60 days prior to the applicable redemption date.

(C) Redemption Procedure by Fiscal Agent; Rescission. The Fiscal Agent shall, at the expense of the District, cause notice of any redemption to be mailed by first class mail, postage prepaid, at least 20 days but not more than 60 days prior to the date fixed for redemption, to the Securities Depositories and to one or more Information Services, and to the respective registered Owners of any 2023 Bonds designated for redemption, at their addresses appearing on the 2023 Bond registration books in the Principal Office of the Fiscal Agent; but such mailing shall not be a condition precedent to such redemption and failure to mail or to receive any such notice, or any defect therein, shall not affect the validity of the proceedings for the redemption of such 2023 Bonds.

Such notice shall state the redemption date and the redemption price and, if less than all of the then Outstanding 2023 Bonds are to be called for redemption, shall designate the

CUSIP numbers and 2023 Bond numbers of the 2023 Bonds to be redeemed by giving the individual CUSIP number and 2023 Bond number of each 2023 Bond to be redeemed or shall state that all 2023 Bonds between two stated 2023 Bond numbers, both inclusive, are to be redeemed or that all of the 2023 Bonds of one or more maturities have been called for redemption, shall state as to any 2023 Bond called in part the principal amount thereof to be redeemed, and shall require that such 2023 Bonds be then surrendered at the Principal Office of the Fiscal Agent for redemption at the said redemption price, and shall state that further interest on such 2023 Bonds will not accrue from and after the redemption date.

Upon the payment of the redemption price of 2023 Bonds being redeemed, each check or other transfer of funds issued for such purpose shall, to the extent practicable, bear the CUSIP number identifying, by issue and maturity, of the 2023 Bonds being redeemed with the proceeds of such check or other transfer.

The City has the right to rescind any notice of the redemption of 2023 Bonds under Section 2.03(A)(i) by written notice to the Fiscal Agent on or prior to two Business Days prior the date fixed for redemption. Any notice of redemption shall be cancelled and annulled if for any reason funds will not be or are not available on the date fixed for redemption for the payment in full of the 2023 Bonds then called for redemption, and such cancellation shall not constitute an event of default. The City and the Fiscal Agent have no liability to the Owners or any other party related to or arising from such rescission of redemption. The Fiscal Agent, at the expense of the District, shall mail notice of such rescission of redemption in the same manner as the original notice of redemption was sent under this Section.

Whenever provision is made in this Agreement for the redemption of less than all of the 2023 Bonds of any maturity, the Fiscal Agent shall select the 2023 Bonds to be redeemed, from all 2023 Bonds or such given portion thereof of such maturity by lot in any manner which the Fiscal Agent in its sole discretion shall deem appropriate.

Upon surrender of 2023 Bonds redeemed in part only, the City shall execute, and the Fiscal Agent shall authenticate and deliver, to the registered Owner, at the expense of the City, a new 2023 Bond or 2023 Bonds, of the same series and maturity, of authorized denominations in an aggregate principal amount equal to the unredeemed portion of the 2023 Bond or 2023 Bonds.

(D) Effect of Redemption. From and after the date fixed for redemption, if funds available for the payment of the principal of, and interest and any premium on, the 2023 Bonds so called for redemption shall have been deposited in the Bond Fund, such 2023 Bonds so called shall cease to be entitled to any benefit under this Agreement other than the right to receive payment of the redemption price, and no interest shall accrue thereon on or after the redemption date specified in such notice.

All 2023 Bonds redeemed and purchased by the Fiscal Agent pursuant to this Section shall be canceled by the Fiscal Agent. The Fiscal Agent shall dispose of the cancelled 2023 Bonds in accordance with its then-customary procedures and issue a certificate of disposal thereof to the City at the City's written request.

Section 2.04. Form of Bonds. The 2023 Bonds, the form of Fiscal Agent's certificate of authentication and the form of assignment, to appear thereon, shall be substantially in the forms, respectively, set forth in Exhibit A attached hereto and by this reference incorporated

herein, with necessary or appropriate variations, omissions and insertions, as permitted or required by this Agreement, the Resolution and the Act.

Section 2.05. Execution of Bonds. The Bonds shall be executed on behalf of the City by the Mayor and the City Clerk of the City who are in office on the date of adoption of this Agreement or at any time thereafter, and the seal of the City may be impressed, imprinted or reproduced by facsimile signature thereon. If any officer whose signature appears on any Bond ceases to be such officer before delivery of the Bonds to the Owner, such signature shall nevertheless be as effective as if the officer had remained in office until the delivery of the Bonds to the Owner. Any Bond may be signed and attested on behalf of the City by such persons as at the actual date of the execution of such Bond shall be the proper officers of the City although at the nominal date of such Bond any such person shall not have been such officer of the City.

Only such Bonds as shall bear thereon a certificate of authentication in substantially the form set forth in Exhibit A, executed and dated manually or electronically by the Fiscal Agent, shall be valid or obligatory for any purpose or entitled to the benefits of this Agreement, and such certificate of authentication of the Fiscal Agent shall be conclusive evidence that the Bonds registered hereunder have been duly authenticated, registered and delivered hereunder and are entitled to the benefits of this Agreement.

Section 2.06. Transfer of Bonds. Any Bond may, in accordance with its terms, be transferred, upon the books required to be kept pursuant to the provisions of Section 2.08 by the person in whose name it is registered, in person or by his duly authorized attorney, upon surrender of such Bond for cancellation, accompanied by delivery of a duly written instrument of transfer in a form acceptable to the Fiscal Agent. The cost for any services rendered or any fees or expenses incurred by the Fiscal Agent in connection with any such transfer shall be paid by the City. The Fiscal Agent shall collect from the Owner requesting such transfer any tax or other governmental charge required to be paid with respect to such transfer.

The Fiscal Agent shall have no obligation or duty to monitor, determine or inquire as to compliance with any restrictions on transfer imposed under this Agreement or under applicable law with respect to any transfer of any interest in any Bond (including any transfers between or among DTC Participants or Beneficial Owners of interests in any Bond) other than to require delivery of such certificates and other documentation or evidence as are expressly required by, and to do so if and when expressly required by the terms of, this Agreement, and to examine the same to determine substantial compliance as to form with the express requirements hereof. Neither the Fiscal Agent nor any agent shall have any responsibility or liability for any actions taken or not taken by the Securities Depository.

Whenever any Bond or Bonds shall be surrendered for transfer, the City shall execute and the Fiscal Agent shall authenticate and deliver a new Bond or Bonds, for a like aggregate principal amount of Bonds of authorized denominations and of the same maturity.

No transfers of Bonds shall be required to be made (i) within 15 days prior to the date established by the Fiscal Agent for selection of Bonds for redemption or (ii) with respect to a Bond after such Bond has been selected for redemption.

Prior to any transfer of Bonds outside the book-entry system (including, but not limited to, the initial transfer outside the book-entry system), the transferor shall provide or cause to be provided to the Fiscal Agent all information necessary to allow the Fiscal Agent to comply with

any applicable tax reporting obligations, including without limitation any cost basis reporting obligations under Internal Revenue Code Section 6045, as amended. The Fiscal Agent shall conclusively rely on the information provided to it and shall have no responsibility to verify or ensure the accuracy of such information.

Section 2.07. Exchange of Bonds. Bonds may be exchanged at the Principal Office of the Fiscal Agent for a like aggregate principal amount of Bonds of authorized denominations and of the same maturity. The cost for any services rendered or any fees or expenses incurred by the Fiscal Agent in connection with any such exchange shall be paid by the City. The Fiscal Agent shall collect from the Owner requesting such exchange any tax or other governmental charge required to be paid with respect to such exchange.

No exchanges of Bonds shall be required to be made (i) within 15 days prior to the date established by the Fiscal Agent for selection of Bonds for redemption or (ii) with respect to a Bond after such Bond has been selected for redemption.

Section 2.08. Bond Register. The Fiscal Agent will keep or cause to be kept, at its Principal Office, sufficient books for the registration and transfer of the Bonds (the "Bond Register"), which books shall show the series number, date, amount, rate of interest and Owner of each Bond and shall at all times be open to inspection by the City during regular business hours upon reasonable notice; and, upon presentation for such purpose, the Fiscal Agent shall, under such reasonable regulations as it may prescribe, register or transfer or cause to be registered or transferred, on said books, the ownership of the Bonds as hereinbefore provided.

Section 2.09. Temporary Bonds. The Bonds may be initially issued in temporary form exchangeable for definitive Bonds when ready for delivery. The temporary Bonds may be printed, lithographed or typewritten, shall be of such denominations as may be determined by the City, and may contain such reference to any of the provisions of this Agreement as may be appropriate. Every temporary Bond shall be executed by the City upon the same conditions and in substantially the same manner as the definitive Bonds. If the City issues temporary Bonds it will execute and furnish definitive Bonds without delay and thereupon the temporary Bonds shall be surrendered, for cancellation, in exchange for the definitive Bonds at the Principal Office of the Fiscal Agent or at such other location as the Fiscal Agent shall designate, and the Fiscal Agent shall authenticate and deliver in exchange for such temporary Bonds an equal aggregate principal amount of definitive Bonds of authorized denominations. Until so exchanged, the temporary bonds shall be entitled to the same benefits under this Agreement as definitive Bonds authenticated and delivered hereunder.

Section 2.10. Bonds Mutilated, Lost, Destroyed or Stolen. If any Bond shall become mutilated, the City shall execute, and the Fiscal Agent shall authenticate and deliver, a new Bond of like tenor and principal amount in exchange and substitution for the Bond so mutilated, but only upon surrender to the Fiscal Agent of the Bond so mutilated. Every mutilated Bond so surrendered to the Fiscal Agent shall be canceled by it and disposed of by the Fiscal Agent in accordance with its then-customary procedures and shall deliver a certificate of disposal thereof to the City at its written request. If any Bond shall be lost, destroyed or stolen, evidence of such loss, destruction or theft may be submitted to the Fiscal Agent and, if such evidence be satisfactory to it and indemnity for the Fiscal Agent and the City satisfactory to the Fiscal Agent shall be given, the City shall execute, and the Fiscal Agent shall authenticate and deliver, a new Bond of like tenor and principal amount in lieu of and in substitution for the Bond so lost, destroyed or stolen. The City or Fiscal Agent, as applicable, may require payment of a sum not exceeding the actual cost of preparing each new Bond delivered under this Section and of the

fees and expenses which may be incurred by the City and the Fiscal Agent for the preparation, execution, authentication and delivery. Any Bond delivered under the provisions of this Section in lieu of any Bond alleged to be lost, destroyed or stolen shall constitute an original additional contractual obligation on the part of the City whether or not the Bond so alleged to be lost, destroyed or stolen is at any time enforceable by anyone, and shall be equally and proportionately entitled to the benefits of this Agreement with all other Bonds issued pursuant to this Agreement.

Section 2.11. Limited Obligation. All obligations of the City under this Agreement and the Bonds shall be special obligations of the City, payable solely from the Special Tax Revenues and the funds pledged therefore hereunder. Neither the full faith and credit nor the taxing power of the City (except to the limited extent set forth herein) or the State of California or any political subdivision thereof is pledged to the payment of the Bonds.

Section 2.12. Book-Entry Only System. DTC shall act as the initial Depository for the Bonds. One Bond for each maturity of the Bonds shall be initially executed, authenticated, and delivered as set forth herein as a separate fully registered certificate (in printed or typewritten form). Upon initial execution, authentication, and delivery, the ownership of the Bonds shall be registered in the Bond Register kept by the Fiscal Agent for the Bonds in the name of Cede & Co, as nominee of DTC or such nominee as DTC shall appoint in writing.

The Authorized Officers and the Fiscal Agent are hereby authorized to take any and all actions as may be necessary and not inconsistent with this Agreement to qualify the Bonds for the Depository's book-entry system, including the execution of the Depository's required representation letter.

With respect to Bonds registered in the Bond Register in the name of Cede & Co, as nominee of DTC, the Fiscal Agent shall not have any responsibility or obligation to any broker-dealer, bank, or other financial institution for which DTC holds Bonds as Depository from time to time (the "DTC Participants") or to any person for which a DTC Participant acquires an interest in the Bonds (the "Beneficial Owners"). Without limiting the immediately preceding sentence, the Fiscal Agent shall not have any responsibility or obligation with respect to (i) the accuracy of the records of DTC, Cede & Co, or any DTC Participant with respect to any ownership interest in the Bonds, (ii) the delivery to any DTC Participant, any Beneficial Owner, or any other person, other than DTC, of any notice with respect to the Bonds, including any notice of redemption or mandatory tender, (iii) the selection by the Depository of the beneficial interests in the Bonds to be redeemed in the event the City elects to redeem the Bonds in part, (iv) the payment to any DTC Participant, any Beneficial Owner, or any other person, other than DTC, of any amount with respect to the principal of or interest on the Bonds, or (v) any consent given or other action taken by the Depository as Owner of the Bonds.

The Fiscal Agent may treat as and deem DTC to be the absolute Owner of each Bond for which DTC is acting as Depository for the purpose of payment of the principal of and interest on such Bonds, for the purpose of giving notices of prepayment and other matters with respect to such Bonds, for the purpose of registering transfers with respect to such Bonds, and for all purposes whatsoever. The Fiscal Agent shall pay all principal of and interest on the Bonds only to the Owners as shown on the registration books, and all such payments shall be valid and effective to fully satisfy and discharge all obligations with respect to the principal of and interest on the Bonds to the extent of the sums or sums so paid.

No person other than an Owner, as shown on the Bond Register, shall receive a physical Bond. Upon delivery by DTC to the Fiscal Agent of written notice to the effect that DTC has determined to substitute a new nominee in place of Cede & Co., and subject to the transfer provisions in Section 2.06 hereof, references to "Cede & Co." in this Section 2.12 shall refer to such new nominee of DTC.

DTC may determine to discontinue providing its services with respect to the Bonds at any time by giving written notice to the Fiscal Agent and the City during any time that the Bonds are Outstanding, and discharging its responsibilities with respect thereto under applicable law. The City may terminate the services of DTC with respect to the Bonds if it determines that DTC is unable to discharge its responsibilities with respect to the Bonds or that continuation of the system of book-entry transfers through DTC is not in the best interest of the Beneficial Owners, and the City shall promptly mail notice of such termination to the Fiscal Agent.

Upon the termination of the services of DTC as provided in the previous paragraph, and if no substitute Depository willing to undertake the functions hereunder can be found which is willing and able to undertake such functions upon reasonable or customary terms, or if the City determines that it is in the best interest of the Beneficial Owners of the Bonds that they be able to obtain certificated Bonds, the Bonds shall no longer be restricted to being registered in the Bond Register of the Fiscal Agent in the name of Cede & Co., as nominee of DTC, but may be registered in whatever name or names the Owners shall designate at that time, in accordance with Section 2.06.

To the extent that the Beneficial Owners are designated as the transferee by the Owners, in accordance with Section 2.06, the Bonds will be delivered to such Beneficial Owners as soon as practicable.

Section 2.13. No Acceleration. The principal of the Bonds shall not be subject to acceleration hereunder. Nothing in this Section 2.13 shall in any way prohibit the prepayment or redemption of Bonds under Section 2.03 hereof, or the defeasance of the Bonds and discharge of this Agreement under Section 9.03 hereof.

ARTICLE III

ISSUANCE OF BONDS

Section 3.01. Issuance and Delivery of Bonds. At any time after the execution of this Agreement, the City may issue the Bonds for the District in the aggregate principal amount set forth in Section 2.01 (with respect to the 2023 Bonds) or as authorized in any Supplemental Agreement (with respect to any Additional Bonds) and deliver such Bonds to the Original Purchaser. The Authorized Officers of the City are hereby authorized and directed to deliver any and all documents and instruments necessary to cause the issuance of Bonds in accordance with the provisions of the Act, the Resolution and this Agreement, to authorize the payment of Costs of Issuance of the Bonds from the proceeds of the Bonds and to do and cause to be done any and all acts and things necessary or convenient for delivery of the Bonds to the Original Purchaser.

Section 3.02. Application of Proceeds of Sale of 2023 Bonds.

(A) The proceeds of the purchase of the 2023 Bonds by the Original Purchaser in the amount of \$_____ (which is equal to the par amount of the 2023 Bonds, plus/less [net] original issue premium/discount of \$_____ and less the Participating Underwriter's discount of \$_____), shall be paid to the Fiscal Agent, who shall forthwith set aside, pay over and deposit such proceeds on the Closing Date as follows:

- (i) Deposit in the 2023 Reserve Account of the Reserve Fund \$_____, equaling the initial amount of the Reserve Requirement for the 2023 Bonds;
- (ii) Deposit in the Improvement Fund \$_____;
- (iii) Deposit in the 2023 Capitalized Interest Account of the Bond Fund \$_____ to pay interest on the 2023 Bonds through September 1, 2023; and
- (iv) Deposit in the Costs of Issuance Fund \$_____.

(B) The Fiscal Agent may establish such temporary funds and accounts as is necessary to accomplish the purposes of Section 3.02(A).

Section 3.03. Special Tax Fund.

(A) Establishment of Special Tax Fund. There is hereby established as a separate fund to be held by the Chief Financial Officer, the Creekview Community Facilities District No. 1 (Public Facilities) Improvement Area No. 2 Special Tax Bonds Special Tax Fund, to the credit of which the City shall deposit, immediately upon receipt, all Special Tax Revenues received by the City (other than as a result of Prepayments) and any other amounts required hereunder to be deposited in the Special Tax Fund, and within such fund, a Surplus Account, to the credit of which the City shall deposit surplus Special Tax Revenues described in Section 3.03(B) below. Moneys in the Special Tax Fund shall be held in trust by the City for the benefit of the City and the Owners of the Bonds, shall be disbursed as provided below and, pending any disbursement, shall be subject to a lien in favor of the Owners of the Bonds.

(B) Disbursements. As soon as practicable after the receipt by the City of any Special Tax Revenues, other than as a result of Prepayments, or the transfer of amounts to the Special Tax Fund pursuant to the terms hereof, but no later than 10 Business Days after such receipt or transfer, the Chief Financial Officer shall withdraw from the Special Tax Fund and transfer to the Fiscal Agent for deposit: (i) in the Bond Fund, an amount, taking into account any amounts then on deposit in the Bond Fund, such that the amount in the Bond Fund equals the principal, premium, if any, and interest due on the Bonds during the then-current Bond Year; (ii) in the Reserve Fund, an amount, taking into account amounts then on deposit in each reserve account within the Reserve Fund, so that the amount in the reserve accounts of the Reserve Fund equals the Reserve Requirement with respect to each series of Bonds. After the transfers under subsections (i) and (ii) have been made, the City may, on or after September 2nd of each year transfer to the Surplus Account the amount remaining in the Special Tax Fund, whereupon such moneys transferred shall be free of the pledge for payment of the Bonds.

From time to time, the City may withdraw from the Surplus Account of the Special Tax Fund amounts needed to pay Administrative Costs, costs of the Project or incidental expenses of the District authorized under the Act and the Acquisition Agreement. Moneys in the Surplus Account may, at the City's discretion, also be used to pay the principal of, premium, if any, and interest on the Bonds or to replenish the Reserve Fund to the amount of the Reserve Requirement.

(C) Investment. Moneys in the Special Tax Fund shall be invested and deposited in accordance with Section 6.01. Interest earnings and profits resulting from such investment and deposit shall be retained in the Special Tax Fund to be used for the purposes thereof.

Section 3.04. Improvement Fund.

(A) Establishment of Improvement Fund. There is hereby established as a separate fund to be held by the Fiscal Agent, the Creekview Community Facilities District No. 1 (Public Facilities) Improvement Area No. 2 Special Tax Bonds Improvement Fund, to the credit of which a deposit shall be made as required by Section 3.02. Moneys in the Improvement Fund shall be held in trust and shall be disbursed as provided in subsection (B) of this Section for the payment or reimbursement of costs of the Project. Each such Officer's Certificate shall be sufficient evidence to the Fiscal Agent of the facts stated therein and the Fiscal Agent shall have no duty to confirm the accuracy of such facts. The City shall determine in good faith whether an architect or engineer is required to execute any disbursement hereunder, and the Fiscal Agent shall in no instance be required to make such determination. For purposes of complying with the requirements of Section 3, the Fiscal Agent may conclusively rely and shall be protected in acting or refraining from acting upon the Officer's Certificate signed by an Authorized Officer. The Fiscal Agent shall not be bound to make an investigation into the facts or matters stated in any such Officer's Certificate of the City. The Fiscal Agent shall not be responsible for determining whether the funds on hand in the Improvement Fund are sufficient to complete the Project. The Fiscal Agent shall not be responsible to collect lien waivers.

(B) Procedure for Disbursement. Disbursements from the Improvement Fund shall be made by the Fiscal Agent upon receipt of an Officer's Certificate substantially in the form of Exhibit B attached hereto which shall:

- (i) set forth the amount required to be disbursed, the purpose for which the disbursement is to be made, the person to which the disbursement is to

be paid and state that such disbursement is for a Project cost; and

- (ii) certify that no portion of the amount then being requested to be disbursed was set forth in any Officers Certificate previously filed requesting disbursement.

Each such Officer's Certificate shall be sufficient evidence to the Fiscal Agent of the facts stated therein and the Fiscal Agent shall have no duty to confirm the accuracy of such facts.

(C) Investment. Moneys in the Improvement Fund and the accounts established thereunder shall be invested and deposited in accordance with Section 6.01. Interest earnings and profits from the investment of amounts in the Improvement Fund shall be retained by the Fiscal Agent in the Improvement Fund to be used for the purposes of the Improvement Fund.

(D) Closing of Fund. Upon the filing of an Officer's Certificate stating that the portion of the Project to be financed from the Improvement Fund and the accounts established thereunder has been completed and that all costs of such portion of the Project and all Administrative Expenses of the District have been paid, the Fiscal Agent shall transfer the amount, if any, remaining in the Improvement Fund to the Bond Fund for application to the payment of principal of and interest on the Bonds in accordance with Section 4.02 and the Improvement Fund shall be closed. At least 30 days prior to closing the Improvement Fund, the City shall notify the Developer at the address for notices set forth in the Acquisition Agreement of its intention to do so.

Section 3.05. Costs of Issuance Fund.

(A) Establishment of Costs of Issuance Fund. There is hereby established as a separate fund to be held by the Fiscal Agent, the Creekview Community Facilities District No. 1 (Public Facilities) Improvement Area No. 2 Special Tax Bonds Costs of Issuance Fund, to the credit of which a deposit shall be made as required by Section 3.02. Moneys in the Costs of Issuance Fund shall be held in trust by the Fiscal Agent and shall be disbursed as provided in subsection (B) of this Section for the payment or reimbursement of Costs of Issuance of the 2023 Bonds.

(B) Disbursement. Amounts in the Costs of Issuance Fund shall be disbursed from time to time to pay Costs of Issuance, as set forth in an Officer's Certificate containing respective amounts to be paid to the designated payees, signed by an Authorized Officer or a designee thereof and delivered to the Fiscal Agent. The Fiscal Agent shall pay all Costs of Issuance of the Bonds upon receipt of an invoice from any such payee which requests payment in an amount which is less than or equal to the amount set forth with respect to such payee in such Officer's Certificate, or upon receipt of an Officer's Certificate requesting payment of a Cost of Issuance not listed on the initial Officer's Certificate delivered to the Fiscal Agent on the Closing Date of the Bonds. Each such Officer's Certificate shall be sufficient evidence to the Fiscal Agent of the facts stated therein and the Fiscal Agent shall have no duty to confirm the accuracy of such facts. With respect to each such Officer's Certificate, the City certifies that it has reviewed any wire instructions set forth in such written disbursement direction to confirm such wire instructions are accurate. The Fiscal Agent shall maintain the Costs of Issuance Fund for a period of 6 months from the Closing Date of the Bonds and then shall transfer any moneys remaining therein, including any investment earnings thereon, to the Bond Fund for payment of debt service on the 2023 Bonds. Thereafter, every invoice received

by the Fiscal Agent shall be submitted to the Chief Financial Officer for payment from amounts on deposit in the Special Tax Fund.

(C) Investment. Moneys in the Costs of Issuance Fund shall be invested and deposited in accordance with Section 6.01. Interest earnings and profits resulting from said investment shall be retained by the Fiscal Agent in the Costs of Issuance Fund to be used for the purposes of such fund.

ARTICLE IV

SPECIAL TAX REVENUES; BOND FUND AND RESERVE FUND

Section 4.01. Pledge of Special Tax Revenues and Other Amounts. All of the Special Tax Revenues and all moneys deposited in the Bond Fund and, until disbursed as provided herein, in the Special Tax Fund are hereby pledged to secure the repayment of the Bonds. In addition, the 2023 Bonds shall be secured by a pledge and lien on the 2023 Reserve Account of the Reserve Fund, and each Series of Additional Bonds shall be secured by a separate reserve account established within the Reserve Fund as set forth in a Supplemental Agreement. Such pledge shall constitute a first lien on the Special Tax Revenues and said amounts. The Special Tax Revenues and all moneys deposited into such funds (except as otherwise provided herein) are hereby dedicated in their entirety to the payment of the principal of, including any mandatory sinking fund payments, and interest and any premium on, the Bonds as provided herein and in the Act until all of the Bonds have been paid and retired or until moneys or Federal Securities have been set aside irrevocably for that purpose in accordance with Section 9.03.

Amounts in the Improvement Fund and in the Costs of Issuance Fund for any series of Bonds are not pledged to the repayment of the Bonds. The facilities acquired with the proceeds of the Bonds are not in any way pledged to pay the Debt Service on the Bonds. Any proceeds of condemnation, destruction or other disposition of any facilities financed with the proceeds of the Bonds are not pledged to pay the Debt Service on the Bonds and are free and clear of any lien or obligation imposed hereunder.

Section 4.02. Bond Fund.

(A) Establishment of Bond Fund. There is hereby established as a separate fund to be held by the Fiscal Agent, the Creekview Community Facilities District No. 1 (Public Facilities) Improvement Area No. 2 Special Tax Bonds Bond Fund, to the credit of which deposits shall be made as required by Section 3.02, Section 3.03(B), Section 4.03 and any other amounts required to be deposited therein by this Agreement or the Act. Moneys in the Bond Fund shall be held in trust by the Fiscal Agent for the benefit of the Owners of the Bonds, shall be disbursed for the payment of the principal of, and interest and any premium on, the Bonds as provided below, and, pending such disbursement, shall be subject to a lien in favor of the Owners of the Bonds.

Within the Bond Fund there is hereby established the Prepayment Account, which shall be used exclusively for the administration of any prepayments of Special Taxes to assure the timely redemption of Bonds. Monies in the Prepayment Account shall be used to redeem Bonds on the redemption date specified in the notice to the Fiscal Agent given pursuant to Section 2.03(B). In the event all of the Special Taxes are prepaid in full, the Prepayment Account shall be closed.

There is also hereby created within the Bond Fund a "2023 Capitalized Interest Account" which account is hereby established for purposes of accounting for the disposition of 2023 Bonds, a portion of the proceeds of which will be deposited to such 2023 Capitalized Interest Account pursuant to Section 3.02(A). The amount deposited to the 2023 Capitalized Interest Account and any investment earnings thereon shall be used solely to make payments on the 2023 Bonds, and the amount deposited to the 2023 Capitalized Interest Account and any investment earnings thereon shall be applied solely to make payments on the 2023 Bonds

through and including September 1, 2023. Any excess amounts therein on September 2, 2023 shall be transferred to the Bond Fund, and the 2023 Capitalized Interest Account shall thereupon be closed.

(B) Disbursements. On each Interest Payment Date, the Fiscal Agent shall withdraw from the Bond Fund and pay to the Owners of the Bonds the principal of, and interest and any premium, then due and payable on the Bonds, including any amounts due on the Bonds by reason of the sinking payments set forth in Section 2.03(A)(iii) or any redemption of the Bonds under Section 2.03(A)(i). Amounts in the 2023 Capitalized Interest Account of the Bond Fund shall be drawn on before any other amounts in the Bond Fund.

In the event that amounts in the Bond Fund are insufficient to pay regularly scheduled payments of principal of and interest on any series of Bonds, the Fiscal Agent shall withdraw from the respective reserve account within the Reserve Fund established for such series of Bonds to the extent of any funds therein, the amount of such insufficiency, and the Fiscal Agent shall provide written notice to the Chief Financial Officer of the amounts so withdrawn from the Reserve Fund. Amounts so withdrawn from the Reserve Fund shall be deposited in the Bond Fund.

If, after the foregoing transfer, there are insufficient funds in the Bond Fund to make the payments provided for to pay regularly scheduled payments of principal of and interest on the Bonds, the Fiscal Agent shall apply the available funds first to the payment of interest on the Bonds, then to the payment of principal due on the Bonds other than by reason of sinking payments, and then to payment of principal due on the Bonds by reason of sinking payments. Any sinking payment not made as scheduled shall be added to the sinking payment to be made on the next sinking payment date.

(C) Investment. Moneys in the Bond Fund shall be invested and deposited in accordance with Section 6.01. Interest earnings and profits resulting from such investment and deposit shall be retained in the Bond Fund to be used for the purposes of such fund.

(D) Deficiency. If 10 days before any Interest Payment Date it appears to the Fiscal Agent that there is a danger of deficiency in the Bond Fund and that the Fiscal Agent may be unable to pay regularly scheduled debt service on the Bonds in a timely manner, the Fiscal Agent shall report to the Chief Financial Officer such fact. The City covenants to increase the levy of the Special Taxes in the next Fiscal Year (subject to the maximum amount authorized by the Special Tax Formula) in accordance with the procedures set forth in the Act for the purpose of curing Bond Fund deficiencies.

If on any Interest Payment Date the Fiscal Agent is unable to pay principal, interest and premium, if any, due on any Interest Payment Date for the Bonds due to insufficient funds in the Bond Fund, or if funds are withdrawn from the Reserve Fund to pay principal and/or interest on the Bonds the Fiscal Agent shall notify the Chief Financial Officer in writing of such fact, and the Chief Financial Officer shall notify CDIAC of such fact within 10 days of such Interest Payment Date. The Fiscal Agent has no obligation under this Agreement to provide notice or disclosure to the Bondowners of insufficient funds or anticipation of deficiency in the Bond Fund.

Section 4.03. Reserve Fund.

(A) Establishment of Fund. There is hereby established as a separate fund to be held by the Fiscal Agent, the Creekview Community Facilities District No. 1 (Public Facilities) Improvement Area No. 2 Special Tax Bonds Reserve Fund, and within the Reserve Fund shall be established a "2023 Reserve Account," to the credit of which a deposit shall be made as required by Section 3.02 and deposits shall be made as provided in Section 3.03(B). For each series of Additional Bonds, the Fiscal Agent shall establish a separate subaccount within the Reserve Fund for such series and moneys in each subaccount shall be held in trust by the Fiscal Agent for the benefit of the Owners of the respective series of Bonds.

The City has the right to either meet the Reserve Requirement at the time of issuance of a series of Bonds or at any time thereafter to cause the Fiscal Agent to release cash from the Reserve Fund, in whole or in part, by tendering to the Fiscal Agent: (1) a Qualified Reserve Fund Credit Instrument, and (2) in the case of a release, an opinion of Bond Counsel stating that such release will not, of itself, cause the portion of the interest on the Bonds secured thereby to become includable in gross income for purposes of federal income taxation. Upon tender of such items to the Fiscal Agent in connection with a release of cash, the Fiscal Agent will transfer such funds to the City. Prior to the expiration of any Qualified Reserve Fund Credit Instrument, if applicable, the City is obligated either to replace such Qualified Reserve Fund Credit Instrument with a new Qualified Reserve Fund Credit Instrument, or to deposit or cause to be deposited with the Fiscal Agent an amount of funds such that the funds on deposit in the Reserve Fund together with all Qualified Reserve Fund Credit Instruments held by the Fiscal Agent is at least equal to the Reserve Requirement (which funds may come from a draw by the Fiscal Agent on the Qualified Reserve Fund Credit Instrument prior to its expiration).

(B) Use of Fund. Except as otherwise provided in this Section, all amounts deposited in a reserve account of the Reserve Fund shall be used and withdrawn by the Fiscal Agent solely for the purpose of making transfers to the Bond Fund in the event of any deficiency within five days prior to any Interest Payment Date in the Bond Fund of the amount required for payment of the principal of, and interest on, the respective series of Bonds on such Interest Payment Date. Whenever transfer is made from the Reserve Fund to the Bond Fund due to a deficiency in the Bond Fund, the Fiscal Agent shall provide written notice thereof to the Chief Financial Officer.

(C) Transfer of Excess of Reserve Requirement. Whenever, on the Business Day prior to any Interest Payment Date, the amount in any reserve account within the Reserve Fund exceeds the Reserve Requirement for the applicable series of Bonds covered by such reserve account (it being understood the City calculates the Reserve Requirement in accordance with the definition thereof), the Fiscal Agent shall provide written notice to the Chief Financial Officer of the amount of the excess. The Chief Financial Officer shall advise the Fiscal Agent in writing of the amount, if any, of any transfer required pursuant to Section 4.03(D) and 6.02 below, and otherwise direct the Fiscal Agent to transfer an amount equal to the excess to the Improvement Fund, if the Project has not been completed as of the date of such transfer, or if the Project has been completed, to the Bond Fund to be used for the payment of the principal of and interest on the Outstanding Bonds covered by the applicable reserve account in accordance with Section 4.02; provided, that to the extent that such excess results from the prepayment of Special Taxes and redemption of Bonds as provided in an Officer's Certificate in accordance with Section 2.03(B), such amount shall be transferred to the Prepayment Account and applied to the corresponding redemption of Bonds.

(D) Transfer for Rebate Purposes. Investment earnings on amounts in the Reserve Fund may be withdrawn from the Reserve Fund for purposes of making payment to the federal government to comply with Section 6.02.

(E) Transfer When Balance Exceeds Outstanding Bonds. Whenever the balance in a reserve account of the Reserve Fund exceeds the amount required to redeem or pay the Outstanding Bonds covered by such reserve account, including interest accrued to the date of payment or redemption and premium, if any, due upon redemption, and after making any transfer required under Section 4.03(D) above and upon receipt of an Officer's Certificate directing it to do so, the Fiscal Agent shall transfer the amount in the applicable reserve account of the Reserve Fund to the Bond Fund to be applied, on the next succeeding Interest Payment Date to the payment and redemption, in accordance with Section 4.02 or 2.03 as applicable, of all such Outstanding Bonds. In the event that the amount so transferred to the Bond Fund exceeds the amount required to pay and redeem the Outstanding Bonds covered by the applicable reserve account, the balance in such reserve account shall be transferred to the City, after payment of any amounts due the Fiscal Agent hereunder, to be used for any lawful purpose of the City.

Notwithstanding the foregoing, no amounts shall be transferred from a reserve account of the Reserve Fund pursuant to this Section 4.03(E) until after the calculation, pursuant to Section 6.02, of any amounts due to the federal government following payment of the respective series of Bonds and withdrawal of any such amount under Section 4.03(D) for purposes of making such payment to the federal government, and payment of any fees and expenses due to the Fiscal Agent.

(F) Investment. Moneys in each reserve account of the Reserve Fund shall be invested and deposited in accordance with Section 6.01. Interest earnings and profits resulting from such investment and deposit shall be retained in the applicable reserve account of the Reserve Fund to be used and disbursed as provided in this Section 4.03.

ARTICLE V

OTHER COVENANTS OF THE CITY

Section 5.01. Punctual Payment. The City will punctually pay or cause to be paid the principal of, and interest and any premium on, the Bonds when and as due in strict conformity with the terms of this Agreement, and it will faithfully observe and perform all of the conditions covenants and requirements of this Agreement and all Supplemental Agreements and of the Bonds.

Section 5.02. Limited Obligation. The Bonds are limited obligations of the City on behalf of the District and are payable solely from and secured solely by the Special Tax Revenues and the amounts in certain funds created hereunder as, and to the extent, set forth in Section 4.01.

Section 5.03. Extension of Time for Payment. In order to prevent any accumulation of claims for interest after maturity, the City shall not, directly or indirectly, extend or consent to the extension of the time for the payment of any claim for interest on any of the Bonds and shall not, directly or indirectly, be a party to the approval of any such arrangement by purchasing or funding said claims for interest or in any other manner. In case any such claim for interest shall be extended or funded, whether or not with the consent of the City, such claim for interest so extended or funded shall not be entitled, in case of default hereunder, to the benefits of this Agreement, except subject to the prior payment in full of the principal of all of the Bonds then Outstanding and of all claims for interest which shall not have been so extended or funded.

Section 5.04. Against Encumbrances. The City will not encumber, pledge or place any charge or lien upon any of the Special Tax Revenues or other amounts pledged to the Bonds superior to or on a parity with the pledge and lien herein created for the benefit of the Bonds, except as permitted by this Agreement.

Section 5.05. Books and Accounts. The City will keep, or cause to be kept, proper books of record and accounts, separate from all other records and accounts of the City, in which complete and correct entries shall be made of all transactions relating to the expenditure of amounts disbursed from the Special Tax Fund and to the Special Tax Revenues. Such books of record and accounts shall at all times during business hours be subject to the inspection of the Fiscal Agent and the Owners of not less than 10% of the principal amount of the Bonds then Outstanding, or their representatives duly authorized in writing.

The Fiscal Agent will keep, or cause to be kept, proper books of record and accounts, separate from all other records and accounts of the Fiscal Agent, in which complete and correct entries shall be made of all transactions relating to the expenditure of amounts disbursed from the Bond Fund, the Reserve Fund, the Improvement Fund and the Costs of Issuance Fund. Such books of record and accounts shall at all times during business hours and upon reasonable prior notice, be subject to the inspection of the City and the Owners of not less than 10% of the principal amount of the Bonds then Outstanding, or their representatives duly authorized in writing.

The Fiscal Agent may establish and maintain for so long as is necessary one or more temporary funds and accounts under this Agreement.

Section 5.06. Protection of Security and Rights of Owners. The City will preserve and protect the security of the Bonds and the rights of the Owners, and will warrant and defend their

rights against all claims and demands of all persons. From and after the delivery of any of the Bonds by the City, the Bonds shall be incontestable by the City.

Section 5.07. Compliance with Law; Completion of Project. The City will comply with all applicable provisions of the Act and the law in completing the acquisition and construction of the Project; provided that the City shall have no obligation to advance any funds to complete the Project in excess of the amounts available therefor in the Improvement Fund.

Section 5.08. Private Activity Bond Limitation. The City shall assure that the proceeds of the 2023 Bonds are not so used as to cause the 2023 Bonds to satisfy the private business tests of Section 141(b) of the Code or the private loan financing test of Section 141(c) of the Code.

Section 5.09. Federal Guarantee Prohibition. The City shall not take any action or permit or suffer any action to be taken if the result of the same would be to cause any of the 2023 Bonds to be "federally guaranteed" within the meaning of Section 149(b) of the Code.

Section 5.10. Collection of Special Tax Revenues. The City shall comply with all requirements of the Act so as to assure the timely collection of Special Tax Revenues, including without limitation, the enforcement of delinquent Special Taxes.

On or within five (5) Business Days of each June 1, the Fiscal Agent shall provide the Chief Financial Officer with a notice stating the amount then on deposit in the Bond Fund and the reserve accounts of the Reserve Fund. The receipt of such notice by the Chief Financial Officer shall in no way affect the obligations of the Chief Financial Officer under the following two paragraphs. Upon receipt of such notice, the Chief Financial Officer shall ascertain the relevant parcels on which the Special Taxes are to be levied, taking into account any parcel splits during the preceding and then current year.

The City shall effect the levy of the Special Taxes each Fiscal Year in accordance with the Ordinance such that the computation of the levy is complete before the final date on which the County Auditor will accept the transmission of the Special Tax amounts for the parcels within Improvement Area No. 2 for inclusion on the next secured real property tax roll. Upon the completion of the computation of the amounts of the levy, the City shall prepare or cause to be prepared, and shall transmit to the Chief Financial Officer, such data as the County Auditor requires to include the levy of the Special Taxes on the next secured real property tax roll.

The City shall fix and levy the amount of Special Taxes within Improvement Area No. 2 required for the payment of principal of and interest on any outstanding Bonds secured by the Special Tax Revenues becoming due and payable during the ensuing Bond Year, including any necessary replenishment or expenditure of amounts in the Reserve Fund and an amount estimated to be sufficient to pay the Administrative Expenses during such year, all in accordance with the Special Tax Formula and the Ordinance. In any event, the Special Taxes so levied shall not exceed the authorized amounts as provided in the proceedings pursuant to the Special Tax Formula.

The Special Taxes shall be payable and be collected in the same manner and at the same time and in the same installment as the general taxes on real property are payable, and have the same priority, become delinquent at the same times and in the same proportionate amounts and bear the same proportionate penalties and interest after delinquency as do the general taxes on real property. Notwithstanding the foregoing, the Special Taxes may be

collected in such other manner as the City shall prescribe if necessary to pay the debt service on the Bonds.

Section 5.11. Further Assurances. The City will adopt, make, execute and deliver any and all such further resolutions, instruments and assurances as may be reasonably necessary or proper to carry out the intention or to facilitate the performance of this Agreement, and for the better assuring and confirming unto the Owners of the rights and benefits provided in this Agreement.

Section 5.12. No Arbitrage. The City shall not take, or permit or suffer to be taken by the Fiscal Agent or otherwise, any action with respect to the gross proceeds of the Bonds which if such action had been reasonably expected to have been taken, or had been deliberately and intentionally taken, on the Closing Date would have caused the Bonds to be "arbitrage bonds" within the meaning of Section 148 of the Code and Regulations.

Section 5.13. Maintenance of Tax-Exemption. The City shall take all actions necessary to assure the exclusion of interest on the Bonds from the gross income of the Owners of the Bonds to the same extent as such interest is permitted to be excluded from gross income under the Code as in effect on the date of issuance of the Bonds.

Section 5.14. Annual State Reports. The following requirements shall apply to the Bonds:

(A) Annual Reporting. Not later than October 30 of each calendar year, beginning with the October 30 first succeeding the date of the Bonds, and in each calendar year thereafter until the October 30 following the final maturity of the Bonds, the City shall prepare and supply the California Debt and Investment Advisory Commission ("CDIAC"), by mail, postage prepaid, with the information required under Section 53359.5(b) of the Act. Not later than January 1 of the year following issuance of the Bonds, and at least once a year thereafter, the Chief Financial Officer shall file a report with the City Council in accordance with the requirements of Government Code Section 53411, which report shall contain: (a) the amount of Special Taxes collected and expended; and (b) if applicable, the status of the Project. In addition, no later than seven months after the end of the City's fiscal year, the City shall prepare and supply to CDIAC the information required by Section 8855(k) of the Government Code. The annual reporting shall be made using such form or forms as may be prescribed by CDIAC.

(B) Other Reporting. If at any time the Fiscal Agent fails to pay principal and interest due on any scheduled payment date for the Bonds, or if funds are withdrawn from the Reserve Fund to pay principal and interest on the Bonds, the Fiscal Agent shall notify the Chief Financial Officer of such failure or withdrawal in writing. An official of the City shall notify CDIAC pursuant to Government Code Section 53359.5(c) within 10 days of the occurrence of any of the following events: (i) the scheduled principal or interest on the Bonds is not paid; or (ii) a draw on the Reserve Fund to pay to pay principal and interest on the Bonds which draw causes the Reserve Fund to be reduced to an amount less than the Reserve Requirement.

(C) Amendment. The reporting requirements of this Section 5.14 shall be amended from time to time, without action by the City or the Fiscal Agent, to reflect any amendments to the applicable provisions of the Government Code, including the Act.

(D) Reports to Bondowners. The Chief Financial Officer shall provide copies of any reports required by this Section to any Bondowner upon the written request of a Bondowner and payment by the person requesting the information of the cost of the City to photocopy and pay any postage or other delivery cost to provide the same, as determined by the Chief Financial Officer. The term “Bondowner” for purposes of this Section shall include any beneficial owner of the Bonds as described in Section 2.12.

(E) No Liability. None of the City and its officers, agents and employees, or the Fiscal Agent shall be liable for any inadvertent error in reporting the information required by this Section.

Section 5.15. Covenant to Foreclose. The City hereby covenants with and for the benefit of the Owners of the Bonds that it will annually on or before September 1 of each year review the public records of the County of Placer relating to the collection of the Special Tax in order to determine the amount of the Special Tax collected in the prior Fiscal Year, and if the City determines on the basis of such review that the amount so collected is deficient by more than 5% of the total amount of the Special Tax levied in such Fiscal Year, it will within 30 days thereafter institute foreclosure proceedings as authorized by the Act in order to enforce the lien of the delinquent installment of the Special Tax against each separate lot or parcel of land in Improvement Area No. 2 for which such installment of the Special Tax is delinquent, and will diligently prosecute and pursue such foreclosure proceedings to judgment and sale; *provided*, that if the City determines on the basis of such review that (a) the amount so collected is deficient by less than 5% of the total amount of the Special Tax levied in Improvement Area No. 2 in such Fiscal Year, but that property owned by any single property owner in Improvement Area No. 2 is delinquent by more than \$5,000 with respect to the Special Tax due and payable by such property owner in such Fiscal Year, or (b) property owned by any single property owner in Improvement Area No. 2 is delinquent cumulatively by more than \$3,250 with respect to the current and past Special Tax due (irrespective of the total delinquencies in Improvement Area No. 2), then the City will institute, prosecute and pursue such foreclosure proceedings in the time and manner provided herein against each such property owner. The Chief Financial Officer shall notify legal counsel of any such delinquency of which it is aware, and such legal counsel shall commence, or cause to be commenced, such actions to collect such delinquencies and subsequent foreclosure proceedings in such a manner as such counsel deems appropriate.

Section 5.16. Continuing Disclosure to Owners. The City hereby covenants and agrees that it will comply with and carry out all of the provisions of the Continuing Disclosure Certificate. Notwithstanding any other provision of this Agreement, failure of the City to comply with the Continuing Disclosure Certificate shall not be considered a default hereunder; *provided*, any Participating Underwriter or any holder or beneficial owner of the Bonds may take such actions as may be necessary and appropriate to compel performance by the City of its obligations thereunder, including seeking mandate or specific performance by court order.

Section 5.17. Additional Bonds.

(A) Issuance of Additional Bonds. In addition to the 2023 Bonds, the City may, by a Supplemental Agreement, authorize the issuance of one or more additional series of special tax bonds (the “Additional Bonds”), payable from Special Taxes and secured by the Special Tax Revenues and other amounts pledged to the Bonds, as and to the extent set forth in Section 4.01, equally and ratably with 2023 Bonds, and the City may issue, and the Fiscal Agent may authenticate and deliver to the purchaser thereof, such Additional Bonds in the principal amount

as shall be determined by the City, subject to the following specific conditions, which are hereby made conditions precedent to the issuance of any such Additional Bonds:

- (i) No default in the 2023 Bonds shall have occurred and then be continuing,
- (ii) The issuance of the Additional Bonds shall have been duly authorized by the City, and not exceed the maximum bonded indebtedness authorized under the Act.
- (iii) The Additional Bonds shall be payable as to principal on September 1 in each year in which principal becomes due, and shall be payable as to interest semiannually on March 1 and September 1.
- (iv) There shall be deposited into a reserve account of the Reserve Fund, an amount at least equal to the Reserve Requirement with respect to such Additional Bonds.
- (v) After giving effect to the issuance of the Additional Bonds:
 - (a) For each Bond Year the Additional Bonds are Outstanding, projected Special Taxes Revenues, if levied at the maximum annual Special Tax rates per the Special Tax Formula, in each Fiscal Year are at least equal to 110% of Debt Service due in the Bond Year that begins in the corresponding Fiscal Year, as calculated by the special tax consultant to the City;
 - (b) The aggregate value of all parcels in Improvement Area No. 2 subject to the Special Tax, including then existing improvements and any facilities to be constructed or acquired with the proceeds of the Additional Bonds, as determined by an MAI appraisal, assessed valuations shown on the then current County tax roll, or by a combination of both methods, is at least 3 times the sum of (1) the aggregate principal amount of all Bonds then Outstanding, plus (2) the aggregate principal amount of the Additional Bonds proposed to be issued, plus (3) the proportionate principal amount of any bonds then outstanding and payable from assessments which are a lien against property in Improvement Area No. 2, plus (4) a portion of the aggregate principal amount of all bonds issued under the Act, other than 2023 Bonds then Outstanding and the Additional Bonds, payable at least partially from special taxes to be levied on parcels of land subject to the Special Tax within Improvement Area No. 2 (the “**Other Mello-Roos Bonds**”) equal to the aggregate principal amount of the Other Mello-Roos Bonds multiplied by a fraction, the numerator of which is the amount of special taxes levied for the Other Mello-Roos Bonds on parcels of land within Improvement Area No. 2 subject to the Special Tax, and the denominator of which is the total amount of special taxes levied for the Other Mello-Roos Bonds on all parcels of land subject to the Special Tax against which the special taxes are levied to pay the Other Mello-Roos Bonds (such fraction to be determined based upon the special taxes which could be levied the year in which the Additional Bonds are issued, as determined by the City), based upon information from the most recent available Fiscal Year.

Nothing in this Section or in this Agreement shall prevent or be construed to prevent the Supplemental Agreement providing for the issuance of Additional Bonds from pledging or

otherwise providing, in addition to the security given or intended to be given by this Agreement, additional security for the benefit of such Additional Bonds or any portion thereof.

Additional Bonds may be issued to finance the Project and/or to refund outstanding Bonds. Additional Bonds may be issued for the purpose of refunding any outstanding Bonds without meeting the foregoing conditions so long as debt service on the refunding Bonds in each Bond Year is less than debt service on the Bonds refunded.

Nothing in this Agreement shall be interpreted to prohibit issuance of bonds or Additional Bonds secured on a subordinate basis to the Bonds.

(B) Proceedings for Issuance of Additional Bonds. Whenever the City shall determine to issue Additional Bonds:

(i) The City shall authorize the execution of a Supplemental Agreement specifying the principal amount and prescribing the forms of the Additional Bonds and providing the terms, conditions, distinctive designation, denominations, methods of numbering, date, maturity date or dates, interest rate or rates (or the manner of determining same), interest payment dates, redemption provisions (including the amount and dates of mandatory sinking fund payments, if any), place or places of payment of principal or redemption price, if any, application of the proceeds thereof and any other provisions respecting the Additional Bonds not inconsistent with the terms of this Agreement, and

(ii) The Fiscal Agent shall receive an Officer's Certificate stating that the requirements of Section 5.17(A) have been met.

Section 5.18. Yield of the Bonds. In determining the yield of the Bonds to comply with Section 5.12 and Section 6.02, the City will take into account redemption (including premium, if any) in advance of maturity based on the reasonable expectations of the City, as of the closing date of the Bonds, without regard to whether or not redemption moneys are received or Bonds are redeemed.

ARTICLE VI

INVESTMENTS; DISPOSITION OF INVESTMENT PROCEEDS; LIABILITY OF THE CITY

Section 6.01. Deposit and Investment of Moneys in Funds. Subject in all respects to the provisions of Section 6.02, moneys in any fund or account created or established by this Agreement and held by the Fiscal Agent, shall be invested by the Fiscal Agent in Permitted Investments, as directed pursuant to an Officer's Certificate filed (including by facsimile transmission) with the Fiscal Agent at least two (2) Business Days in advance of the making of such investments (such Officer's Certificate to specify the particular Permitted Investment to be made). In the absence of any such Officer's Certificate, the Fiscal Agent shall hold such moneys uninvested as cash and notify the Chief Financial Officer that it is doing so until further direction is received from the Chief Financial Officer. Subject in all respects to the provisions of Section 6.02, moneys in any fund or account created or established by this Agreement and held by the Chief Financial Officer shall be invested by the Chief Financial Officer in any lawful investments that the City may make, which by their terms mature prior to the date on which such moneys are required to be paid out hereunder. Obligations purchased as an investment of moneys in any fund shall be deemed to be part of such fund or account, subject, however, to the requirements of this Agreement for transfer of interest earnings and profits resulting from investment of amounts in funds and accounts.

The Fiscal Agent may act as principal or agent in the acquisition or disposition of any investment. The Fiscal Agent shall not incur any liability for losses, fees, taxes or other charges arising from or incurred in connection with any investments, reinvestments or liquidations of any investments made pursuant to this Section and hereunder. Any losses arising from any investments made pursuant to this Section shall be offset against interest earnings and profits retained in the same fund. In the event of a loss on the sale of such investments (after giving effect to any interest or other income thereon except to the extent theretofore paid to the City), the Fiscal Agent shall have no responsibility in respect of such loss except that the Fiscal Agent shall notify the City of the amount of such loss and the District shall promptly pay such amount to the Fiscal Agent to be credited as part of the moneys originally invested.

Except as otherwise provided in the next sentence, all investments of amounts deposited in any fund or account created by or pursuant to this Agreement, or otherwise containing gross proceeds of the Bonds (within the meaning of Section 148 of the Code), shall be acquired, disposed of, and valued (as of the date that valuation is required by this Agreement or the Code) at Fair Market Value. Investments in funds or accounts (or portions thereof) that are subject to a yield restriction under applicable provisions of the Code and (unless valuation is undertaken at least annually) investments in the Reserve Fund shall be valued by the City at their present value (within the meaning of Section 148 of the Code). The Fiscal Agent shall not be liable for verification of the application of such sections of the Internal Revenue Code of 1986, as amended (the "Tax Code"), or for any determination of Fair Market Value or present value and may conclusively rely upon an Officer's Certificate as to such valuations.

Investments in any and all funds and accounts may be commingled in a separate fund or funds for purposes of making, holding and disposing of investments, notwithstanding provisions herein for transfer to or holding in or to the credit of particular funds or accounts of amounts received or held by the Fiscal Agent or the Chief Financial Officer hereunder, provided that the Fiscal Agent or the Chief Financial Officer, as applicable, shall at all times account for such

investments strictly in accordance with the funds and accounts to which they are credited and otherwise as provided in this Agreement.

The Fiscal Agent or the Chief Financial Officer, as applicable, shall sell or present for redemption, any investment security whenever it shall be necessary to provide moneys to meet any required payment, transfer, withdrawal or disbursement from the fund or account to which such investment security is credited and, subject to the second paragraph of this Section, neither the Fiscal Agent nor the Chief Financial Officer shall be liable or responsible for any loss resulting from the acquisition or disposition of such investment security in accordance herewith.

The City acknowledges that to the extent regulations of the Comptroller of the Currency or other applicable regulatory entity grant the City the right to receive brokerage confirmations of security transactions as they occur, the City specifically waives receipt of such confirmations to the extent permitted by law. The Fiscal Agent will furnish the City periodic cash transaction statements which include detail for all investment transactions made by the Fiscal Agent hereunder.

Section 6.02. Rebate of Excess Investment Earnings to the United States. The City covenants to calculate and rebate to the federal government, in accordance with the Regulations, excess investment earnings to the extent required by Section 148(f) of the Code.

The City shall notify the Fiscal Agent of any amounts determined to be due to the federal government, and the Fiscal Agent shall, upon receipt of an Officer's Certificate of the City, withdraw such amounts from the Reserve Fund pursuant to Section 4.03(D), and pay such amounts to the federal government as directed by the Officer's Certificate which shall comply with the requirements of the Code and the Regulations. In the event of any shortfall in amounts available to make such payments under Section 4.03(D), the Fiscal Agent shall notify the Chief Financial Officer in writing of the amount of the shortfall and the Chief Financial Officer shall make such payment from any amounts available in the Special Tax Fund. Any fees or expenses incurred by the Fiscal Agent or the City under or pursuant to this Section 6.02 shall be Administrative Expenses. The Fiscal Agent may rely conclusively and shall be fully protected from liability in conclusively relying upon the City's determinations, calculations, opinions, directions and certifications required by this Section. The Fiscal Agent shall have no responsibility to independently make any calculation or determination or to review the City's calculations hereunder or to confirm the adequacy or correctness of any rebate report. The Fiscal Agent shall be deemed conclusively to have complied with the provisions of this Agreement and any other agreement relating to the Bonds regarding calculation and payment of rebate if it follows the directions of the City or the District, and it shall have no independent duty to review or enforce the City's or District's compliance with such rebate requirements. Except to the extent expressly herein provided, the Fiscal Agent shall in no instance be responsible or liable for the tax treatment of the Bonds, the City's or District's compliance with the Code, or any other tax consequences in connection with the Bonds.

In order to provide for the administration of this Section 6.02, the City may provide for the employment of independent attorneys, accountants and consultants compensated on such reasonable basis as the City may deem appropriate.

Section 6.03. Limited Obligation. The City's obligations hereunder are limited obligations of the City on behalf of the District and are payable solely from and secured solely

by the Special Tax Revenues and the amounts in the Special Tax Fund, the Bond Fund and the Reserve Fund created hereunder.

ARTICLE VII

THE FISCAL AGENT

Section 7.01. Appointment of Fiscal Agent. U.S. Bank Trust Company, National Association, at its Principal Office, is hereby appointed Fiscal Agent for the Bonds. The Fiscal Agent undertakes to perform such duties, and only such duties, as are specifically set forth in this Agreement, and no implied covenants or obligations shall be read into this Agreement against the Fiscal Agent.

Any a bank, national banking association or trust company into which the Fiscal Agent may be merged or converted or with which it may be consolidated or any a bank, national banking association or trust company resulting from any merger, conversion or consolidation to which it shall be a party or any a bank, national banking association or trust company to which the Fiscal Agent may sell or transfer all or substantially all of its corporate trust business and assets as a whole or substantially as a whole, provided such company shall be eligible under the following paragraph of this Section, shall be and shall become the successor to such Fiscal Agent without the execution or filing of any paper or any further act, anything herein to the contrary notwithstanding.

The City may remove the Fiscal Agent initially appointed, and any successor thereto, with 30 days' prior notice, and may appoint a successor or successors thereto, but any such successor shall be a bank, national banking association or trust company having a combined capital (exclusive of borrowed capital) and surplus of at least Fifty Million Dollars (\$50,000,000) including, for such purpose, the combined capital and surplus of any parent holding company, and subject to supervision or examination by federal or state authority. If such bank, national banking association or trust company publishes a report of condition at least annually, pursuant to law or to the requirements of any supervising or examining authority above referred to, then for the purposes of this Section 7.01, combined capital and surplus of such bank, national banking association or trust company shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published.

The Fiscal Agent may at any time resign by giving written notice to the City and by giving to the Owners notice by mail of such resignation. Upon receiving notice of such resignation, the City shall promptly appoint a successor Fiscal Agent by an instrument in writing. Any resignation or removal of the Fiscal Agent shall become effective upon acceptance of appointment by the successor Fiscal Agent.

If no appointment of a successor Fiscal Agent shall be made pursuant to the foregoing provisions of this Section within thirty (30) days after the Fiscal Agent shall have given to the City written notice or after a vacancy in the office of the Fiscal Agent shall have occurred by reason of its inability to act or removal by the City, the Fiscal Agent (at the expense of the City) or any Bondowner may apply to any court of competent jurisdiction to appoint a successor Fiscal Agent. Said court may thereupon, after such notice, if any, as such court may deem proper, appoint a successor Fiscal Agent.

Section 7.02. Liability of Fiscal Agent. The recitals of facts, covenants and agreements herein and in the Bonds contained shall be taken as statements, covenants and agreements of the City, and the Fiscal Agent assumes no responsibility for the correctness of the same, or makes any representations as to the validity or sufficiency of this Agreement or of the Bonds, or shall incur any responsibility in respect thereof, other than in connection with the duties or

obligations herein or in the Bonds assigned to or imposed upon it. The Fiscal Agent shall not be liable in connection with the performance of its duties hereunder, except for its own gross negligence or willful misconduct. The Fiscal Agent assumes no responsibility or liability for any information, statement or recital in any offering memorandum or other disclosure material prepared or distributed with respect to the issuance of the Bonds. All indemnifications, rights, privileges, protections, immunities, benefits and releases from liability granted to the Fiscal Agent hereunder shall extend to the directors, officers and employees of the Fiscal Agent. The Fiscal Agent has no liability regarding the use or applications of the Bonds or the proceeds from the purchase of the Bonds deposited in funds held by the City.

In the absence of bad faith, the Fiscal Agent may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Fiscal Agent and conforming to the requirements of this Agreement, including all Officer's Certificates of the City meeting such requirements; but in the case of any such certificates or opinions by which any provision hereof are specifically required to be furnished to the Fiscal Agent, the Fiscal Agent shall be under a duty to examine the same to determine whether or not they conform, on their face, to the requirements of this Agreement (but need not confirm or investigate the accuracy of mathematical calculations or other facts stated therein). Except as provided above in this paragraph, the Fiscal Agent shall conclusively rely and be protected and shall incur no liability in acting or proceeding, or in not acting or not proceeding, , reasonably and in accordance with the terms of this Agreement, upon any resolution, order, notice, request, consent or waiver, certificate, statement, affidavit, opinion, report, direction, bond, other evidence of indebtedness or other paper or document which it shall believe to be genuine and to have been adopted or signed by the proper person or to have been prepared and furnished pursuant to any provision of this Agreement, and the Fiscal Agent shall not be under any duty to make any investigation or inquiry as to any statements contained or matters referred to in any such instrument.

The Fiscal Agent shall not be liable for any error of judgment made in good faith by a responsible officer unless it shall be proved that the Fiscal Agent was grossly negligent in ascertaining the pertinent facts.

No provision of this Agreement shall require the Fiscal Agent to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers, if it shall have reasonable grounds for believing that repayment of such funds or adequate indemnity satisfactory to the Fiscal Agent against such risk or liability is not reasonably assured to it.

The Fiscal Agent shall be under no obligation to exercise any of the rights or powers vested in it by this Agreement at the request or direction of any of the Owners pursuant to this Agreement unless such Owners shall have offered to the Fiscal Agent reasonable security or indemnity against the costs, expenses and liabilities which might be incurred by it in compliance with such request or direction.

The Fiscal Agent shall in no event be responsible or liable for any failure or delay in the performance of its obligations hereunder or progress in respect thereto in the event of failure or unavoidable delay in the performance of such obligations arising out of or caused by, directly or indirectly, causes beyond its control, including, but not limited to, Acts of God or of the public enemy or terrorists, acts of a government, civil or military disturbance, accidents, acts of the other party, fires, floods, epidemics, pandemics, recognize public emergencies, quarantine restrictions, nuclear or natural catastrophes, strikes, work stoppages, freight embargoes,

earthquakes, explosion, mob violence, riot, inability to procure or general sabotage or rationing of labor, equipment, facilities, sources of energy, material or supplies in the open market, litigation or arbitration involving a party or others relating to zoning or other governmental action or inaction pertaining to the project, malicious mischief, condemnation, unusually severe weather or delays of suppliers or subcontractors due to such causes, interruptions, loss or malfunctions of utilities, communications or computer (software and hardware) services, hacking, cyber-attacks, or other use or infiltration of the Fiscal Agent's technological infrastructure exceeding authorized access or any similar event and/or occurrences beyond the control of the Fiscal Agent.

The Fiscal Agent, in its individual or other capacity, may become the owner of the Bonds with the same rights it would have if it were not the Fiscal Agent.

The Fiscal Agent shall not be concerned with or accountable to anyone for the subsequent use or application of any moneys which shall be released or withdrawn in accordance with the provisions hereof.

In no event shall the Fiscal Agent be responsible or liable for special, indirect, punitive or consequential loss or damage of any kind whatsoever (including, but not limited to, loss of profit) irrespective of whether the Fiscal Agent has been advised of the likelihood of such loss or damage and regardless of the form of action.

The Fiscal Agent shall not be deemed to have notice of any default unless an officer of the Fiscal Agent has actual knowledge thereof or unless written notice of any event which is in fact such a default is received by the Fiscal Agent at the Principal Office of the Fiscal Agent, and such notice references the Bonds and this Agreement.

Before taking any action hereunder at the request or direction of the Beneficial Owners or Owners, the Fiscal Agent may require that security or indemnity satisfactory to it be furnished to it for the reimbursement of its fees, costs, liabilities and all expenses (including attorneys' fees and expenses) which it may incur and to protect it against all liability.

The Fiscal Agent shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture, note, other evidence of indebtedness or other paper or document, but the Fiscal Agent, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit, and, if the Fiscal Agent shall determine to make such further inquiry or investigation, it shall be entitled to examine the books, records and premises of the District, personally or by agent or attorney at the sole cost of the District and shall incur no liability or additional liability of any kind by reason of such inquiry or investigation.

Delivery of any reports, information and documents to the Fiscal Agent is for informational purposes only and the Fiscal Agent's receipt of such shall not constitute constructive notice of any information contained therein or determinable from information contained therein, including the City's or District's compliance with any of its covenants hereunder. The Fiscal Agent shall have no duty to review or make independent investigation with respect to any of the foregoing received by the Fiscal Agent, and shall hold the same solely as repository.

Money held by the Fiscal Agent in trust hereunder need not be segregated from other funds except to the extent required by law. The Fiscal Agent shall be under no liability for interest on any money received by it hereunder except as otherwise agreed in writing with the City.

The permissive right of the Fiscal Agent to do things enumerated in this Agreement shall not be construed as a duty and it shall not be answerable for other than its gross negligence or willful misconduct.

The Fiscal Agent may execute any of the trusts or powers hereof and perform the duties required of it hereunder either directly or by or through attorneys or agents, and shall be entitled to rely on advice of counsel concerning all matters of trust and its duty hereunder.

Section 7.03. Information. The Fiscal Agent shall provide to the City such information relating to the Bonds and the funds and accounts maintained by the Fiscal Agent hereunder as the City shall reasonably request, including but not limited to quarterly statements reporting funds held and transactions by the Fiscal Agent.

Section 7.04. Notice to Fiscal Agent. The Fiscal Agent may conclusively rely and shall be protected in acting or refraining from acting upon any Officer's Certificate, notice, resolution, request, consent, order, certificate, report, facsimile transmission, electronic mail, warrant, statement, opinion, instrument, direction, note, Bond or other paper or document believed by it to be genuine and to have been signed or presented by the proper party or proper parties and given in accordance with the requirements hereof. The Fiscal Agent may execute any of the trusts or powers hereunder or perform any duties hereunder either directly or by or through agents or attorneys and the Fiscal Agent shall not be responsible for any acts, omissions, misconduct or negligence on the part of any agent or attorney appointed with due care by it hereunder. The Fiscal Agent may consult with counsel of its selection, who may be counsel to the City, with regard to legal questions, and the opinion of such counsel shall be full and complete authorization and protection in respect of any action taken, omitted or suffered by it hereunder in good faith and in accordance therewith.

The Fiscal Agent shall have the right to accept and act upon instructions, including funds transfer instructions ("Instructions") given pursuant to this Agreement and delivered using Electronic Means by an Authorized Officer (or his or her designee) ("Electronic Means" shall mean the following communications methods: e-mail, facsimile transmission, other similar unsecure electronic methods, secure electronic transmission containing applicable authorization codes, passwords and/or authentication keys issued by the Fiscal Agent, or another method or system specified by the Fiscal Agent as available for use in connection with its services hereunder); provided, however, that the City shall provide to the Fiscal Agent an incumbency certificate for each person with the authority to provide such Instructions and containing specimen signatures of such persons, which incumbency certificate shall be amended by the City whenever a person is to be added or deleted from the listing. If the City elects to give the Fiscal Agent Instructions using Electronic Means and the Fiscal Agent in its discretion elects to act upon such Instructions, the Fiscal Agent's understanding of such Instructions shall be deemed controlling. The City understands and agrees that the Fiscal Agent cannot determine the identity of the actual sender of such Instructions and that the Fiscal Agent shall conclusively presume that directions that purport to have been sent by an Authorized Officer (or designee) listed on the incumbency certificate provided to the Fiscal Agent have been sent by such Authorized Officer (or designee). The City shall be responsible for ensuring that only Authorized Officers (or their designees) transmit such Instructions to the Fiscal Agent and that the City is

solely responsible to safeguard the use and confidentiality of applicable user and authorization codes, passwords and/or authentication keys upon receipt by the City. The Fiscal Agent shall not be liable for any losses, costs or expenses arising directly or indirectly from the Fiscal Agent's reliance upon and compliance with such Instructions notwithstanding such directions conflict or are inconsistent with a subsequent written instruction. The City agrees: (i) to assume all risks arising out of the use of Electronic Means to submit Instructions to the Fiscal Agent, including without limitation the risk of the Fiscal Agent acting on unauthorized Instructions, and the risk of interception and misuse by third parties; (ii) that it is fully informed of the protections and risks associated with the various methods of transmitting Instructions to the Fiscal Agent and that there may be more secure methods of transmitting Instructions than the method(s) selected by the City; (iii) that the security procedures (if any) to be followed in connection with its transmission of Instructions provide to it a commercially reasonable degree of protection in light of its particular needs and circumstances; and (iv) to notify the Fiscal Agent immediately upon learning of any compromise or unauthorized use of the security procedures.

The Fiscal Agent shall not be bound to recognize any person as the Owner of a Bond unless and until such Bond is submitted for inspection, if required, and his title thereto satisfactorily established, if disputed.

Whenever in the administration of its duties under this Agreement the Fiscal Agent shall deem it necessary or desirable that a matter be proved or established prior to taking or suffering any action hereunder, such matter (unless other evidence in respect thereof be herein specifically prescribed) may, in the absence of willful misconduct on the part of the Fiscal Agent, be deemed to be conclusively proved and established by a certificate of the City, and such certificate shall be full warrant to the Fiscal Agent for any action taken or suffered under the provisions of this Agreement or any Supplemental Agreement upon the faith thereof, but in its discretion the Fiscal Agent may, in lieu thereof, accept other evidence of such matter or may require such additional evidence as to it may seem reasonable.

Section 7.05. Compensation, Indemnification. The City shall pay to the Fiscal Agent from time to time such compensation agreed to in writing from time to time for all services rendered as Fiscal Agent under this Agreement, and also all fees, expenses, charges, counsel fees, advances and other disbursements, including those of their attorneys, agents and employees, incurred in and about the performance of their powers and duties under this Agreement, but the Fiscal Agent shall not have a lien therefor on any funds at any time held by it under this Agreement. The City further agrees, to the extent permitted by applicable law, to indemnify and save the Fiscal Agent, its officers, employees, directors and agents harmless against any costs, claims, expenses, losses, taxes, damages or liabilities, including, without limitation, fees and expenses of its attorneys which it may incur in connection with and arising out of the exercise and performance of its powers and duties hereunder, including the costs and expenses of enforcing the provisions of this Agreement (including this Section) against the District or the City and defending itself against any claim (whether asserted by the District, the City or any Owner or any other person), or liability in connection with the exercise or performance of any of its powers or duties hereunder which are not due to its gross negligence or willful misconduct. The obligation of the City under this Section shall survive resignation or removal of the Fiscal Agent under this Agreement and payment of the Bonds and discharge of this Agreement.

ARTICLE VIII

MODIFICATION OR AMENDMENT OF THIS AGREEMENT

Section 8.01. Amendments Permitted. This Agreement and the rights and obligations of the City and of the Owners of the Bonds may be modified or amended at any time by a Supplemental Agreement pursuant to the affirmative vote at a meeting of Owners, or with the written consent without a meeting, of the Owners of at least 60% in aggregate principal amount of the Bonds then Outstanding, exclusive of Bonds disqualified as provided in Section 8.04. No such modification or amendment shall, with respect to Bonds then Outstanding, (i) extend the maturity of any Bond or reduce the interest rate thereon, or otherwise alter or impair the obligation of the City to pay the principal of, and the interest and any premium on, any Bond, without the express consent of the Owner of such Bond, or (ii) permit the creation by the City of any pledge or lien upon the Special Taxes superior to or on a parity with the pledge and lien created for the benefit of the Bonds (except as otherwise permitted by the Act, the laws of the State of California or this Agreement), or reduce the percentage of Bonds required for the amendment hereof. No such amendment may modify any of the rights or obligations of the Fiscal Agent without its written consent.

This Agreement and the rights and obligations of the City and of the Owners may also be modified or amended at any time by a Supplemental Agreement, without the consent of any Owners, only to the extent permitted by law and only for any one or more of the following purposes:

(A) to add to the covenants and agreements of the City in this Agreement contained, other covenants and agreements thereafter to be observed, or to limit or surrender any right or power herein reserved to or conferred upon the City;

(B) to make modifications not adversely affecting any outstanding series of Bonds in any material respect, including to effectuate the issuance of Additional Bonds in accordance with Section 5.17;

(C) to make such provisions for the purpose of curing any ambiguity, or of curing, correcting or supplementing any defective provision contained in this Agreement, or in regard to questions arising under this Agreement, as the City and the Fiscal Agent may deem necessary or desirable, and which shall not adversely affect the rights of the Owners of the Bonds; or

(D) to make such additions, deletions or modifications as may be necessary or desirable to assure compliance with Section 148 of the Code relating to required rebate of excess investment earnings to the United States or otherwise as may be necessary to assure exclusion from gross income for federal income tax purposes of interest on the Bonds or to conform with the Regulations.

No such amendment may modify any of the rights or obligations of the Fiscal Agent without its written consent.

Section 8.02. Owners' Meetings. The City may at any time call a meeting of the Owners. In such event the City is authorized to fix the time and place of said meeting and to provide for the giving of notice thereof and to fix and adopt rules and regulations for the conduct of said meeting.

Section 8.03. Procedure for Amendment with Written Consent of Owners. The City and the Fiscal Agent may at any time enter into a Supplemental Agreement amending the provisions of the Bonds or of this Agreement or any Supplemental Agreement, to the extent that such amendment is permitted by Section 8.01, to take effect when and as provided in this Section. A copy of such Supplemental Agreement, together with a request to Owners for their consent thereto, if such consent is required under Section 8.01, shall be mailed by first class mail, at the expense of the City, by the Fiscal Agent to each Owner of Bonds Outstanding, but failure to mail copies of such Supplemental Agreement and request shall not affect the validity of the Supplemental Agreement when assented to as in this Section provided.

If consent of the Owners is required under Section 8.01, such Supplemental Agreement shall not become effective unless there shall be filed with the Fiscal Agent the written consents of the Owners of at least 60% in aggregate principal amount of the Bonds then Outstanding (exclusive of Bonds disqualified as provided in Section 8.04) and a notice shall have been mailed as hereinafter in this Section provided. Each such consent shall be effective only if accompanied by proof of ownership of the Bonds for which such consent is given, which proof shall be such as is permitted by Section 9.04. Any such consent shall be binding upon the Owner of the Bonds giving such consent and on any subsequent Owner (whether or not such subsequent Owner has notice thereof) unless such consent is revoked in writing by the Owner giving such consent or a subsequent Owner by filing such revocation with the Fiscal Agent prior to the date when the notice hereinafter in this Section provided for has been mailed.

After the Owners of the required percentage of Bonds shall have filed their consents to the Supplemental Agreement, the City shall mail a notice to the Owners in the manner hereinbefore provided in this Section for the mailing of the Supplemental Agreement, stating in substance that the Supplemental Agreement has been consented to by the Owners of the required percentage of Bonds and will be effective as provided in this Section (but failure to mail copies of said notice shall not affect the validity of the Supplemental Agreement or consents thereto). Proof of the mailing of such notice shall be filed with the Fiscal Agent. A record, consisting of the papers required by this Section 8.03 to be filed with the Fiscal Agent, shall be proof of the matters therein stated until the contrary is proved. The Supplemental Agreement shall become effective upon the filing with the Fiscal Agent of the proof of mailing of such notice, and the Supplemental Agreement shall be deemed conclusively binding (except as otherwise herein above specifically provided in this Article) upon the City and the Owners of all Bonds at the expiration of 60 days after such filing, except in the event of a final decree of a court of competent jurisdiction setting aside such consent in a legal action or equitable proceeding for such purpose commenced within such sixty-day period.

Section 8.04. Disqualified Bonds. Bonds actually known by the Fiscal Agent to be owned or held for the account of the City, excepting any pension or retirement fund, shall not be deemed Outstanding for the purpose of any vote, consent or other action or any calculation of Outstanding Bonds provided for in this Article VIII, and shall not be entitled to vote upon, consent to, or take any other action provided for in this Article VIII. The City shall provide an Officer's Certificate to the Fiscal Agent listing those Bonds which are disqualified pursuant to this Section 8.04.

Section 8.05. Effect of Supplemental Agreement. From and after the time any Supplemental Agreement becomes effective pursuant to this Article VIII, this Agreement shall be deemed to be modified and amended in accordance therewith, the respective rights, duties and obligations under this Agreement of the City and all Owners of Bonds Outstanding shall

thereafter be determined, exercised and enforced hereunder subject in all respects to such modifications and amendments, and all the terms and conditions of any such Supplemental Agreement shall be deemed to be part of the terms and conditions of this Agreement for any and all purposes. The Fiscal Agent may, but shall not be obligated to, enter into any such Supplemental Agreement which affects the Fiscal Agent's own rights, duties or immunities under this Agreement or otherwise.

Section 8.06. Endorsement or Replacement of Bonds Issued After Amendments. The City may determine that Bonds issued and delivered after the effective date of any action taken as provided in this Article VIII shall bear a notation, by endorsement or otherwise, in form approved by the City, as to such action. In that case, upon demand of the Owner of any Bond Outstanding at such effective date and presentation of his Bond for that purpose at the Principal Office of the Fiscal Agent or at such other office as the City may select and designate for that purpose, a suitable notation shall be made on such Bond at the expense of the City. The City may determine that new Bonds, so modified as in the opinion of the City is necessary to conform to such Owners' action, shall be prepared, executed and delivered. In that case, upon demand of the Owner of any Bonds then Outstanding, such new Bonds shall be exchanged at the Principal Office of the Fiscal Agent without cost to any Owner and at the expense of the City, for Bonds then Outstanding, upon surrender of such Bonds.

Section 8.07. Amendatory Endorsement of Bonds. The provisions of this Article VIII shall not prevent any Owner from accepting any amendment as to the particular Bonds held by him, provided that due notation thereof is made on such Bonds.

Section 8.08. Opinion of Counsel Regarding Supplemental Agreement. The Fiscal Agent shall be furnished, upon request, an opinion of counsel that any Supplemental Agreement entered into by the City and the Fiscal Agent complies with the provisions of this Article VIII, and the Fiscal Agent may conclusively rely upon such opinion.

ARTICLE IX

MISCELLANEOUS

Section 9.01. Benefits of Agreement Limited to Parties. Nothing in this Agreement expressed or implied, is intended to give to any person other than the City, the Fiscal Agent and the Owners, any right, remedy, claim under or by reason of this Agreement. Any covenants, stipulations, promises or agreements in this Agreement contained by and on behalf of the City shall be for the sole and exclusive benefit of the Owners and the Fiscal Agent.

Section 9.02. Successor is Deemed Included in All References to Predecessor. Whenever in this Agreement or any Supplemental Agreement either the City or the Fiscal Agent is named or referred to, such reference shall be deemed to include the successors or assigns thereof, and all the covenants and agreements in this Agreement contained by or on behalf of the City or the Fiscal Agent shall bind and inure to the benefit of the respective successors and assigns thereof whether so expressed or not.

Section 9.03. Discharge of Agreement. If the City shall pay and discharge the entire indebtedness on all or any portion of the Bonds Outstanding in any one or more of the following ways:

(A) by well and truly paying or causing to be paid the principal of, and interest and any premium on, such Bonds Outstanding, as and when the same become due and payable;

(B) by depositing with the Fiscal Agent or other fiduciary, at or before maturity, money which, together with (in the event that all of the Bonds are to be defeased) the amounts then on deposit in the funds and accounts provided for in Sections 4.02 and 4.03, is fully sufficient to pay such Bonds Outstanding, including all principal, interest and redemption premiums, or;

(C) by irrevocably depositing with the Fiscal Agent or other fiduciary, cash and Federal Securities in such amount as the City shall determine as confirmed by an independent certified public accountant will, together with the interest to accrue thereon and (in the event that all of the Bonds are to be defeased) moneys then on deposit in the fund and accounts provided for in Sections 4.02 and 4.03, be fully sufficient to pay and discharge the indebtedness on such Bonds (including all principal, interest and redemption premiums) at or before their respective maturity dates;

and if such Bonds are to be redeemed prior to the maturity thereof notice of such redemption shall have been given as in this Agreement provided or provision satisfactory to the Fiscal Agent shall have been made for the giving of such notice, then, at the election of the City, and notwithstanding that any Bonds shall not have been surrendered for payment, the pledge of the Special Taxes and other funds provided for in this Agreement and all other obligations of the City under this Agreement with respect to such Bonds Outstanding shall cease and terminate, except only the obligations of the City (i) under Section 5.13 (Maintenance of Tax-Exemption) and (ii) to pay or cause to be paid to the Owners of the Bonds not so surrendered and paid all sums due thereon and all amounts owing to the Fiscal Agent pursuant to Section 7.05; and thereafter Special Taxes shall not be payable to the Fiscal Agent. Notice of such election shall be filed with the Fiscal Agent.

Any funds thereafter held by the Fiscal Agent upon payments of all fees and expenses of the Fiscal Agent, which are not required for said purpose, shall be paid over to the City. The City shall pay and indemnify the Fiscal Agent against any tax, fee or other charge imposed on or assessed against the Federal Securities deposited pursuant to this Section or the principal and interest received in respect thereof other than any such tax, fee or other charge which by law is for the account of the Owners of Outstanding Bonds.

Section 9.04. Execution of Documents and Proof of Ownership by Owners. Any request, declaration or other instrument which this Agreement may require or permit to be executed by Owners may be in one or more instruments of similar tenor, and shall be executed by Owners in person or by their attorneys appointed in writing.

Except as otherwise herein expressly provided, the fact and date of the execution by any Owner or his attorney of such request, consent, declaration or other instrument, or of such writing appointing such attorney, may be proved by the certificate of any notary public or other officer authorized to take acknowledgments of deeds to be recorded in the state in which he purports to act, that the person signing such request, declaration or other instrument or writing acknowledged to him the execution thereof, or by an affidavit of a witness of such execution, duly sworn to before such notary public or other officer.

Except as otherwise herein expressly provided, the ownership of registered Bonds and the amount, maturity, number and date of holding the same shall be proved by the registry books.

Any request, consent, declaration or other instrument or writing of the Owner of any Bond shall bind all future Owners of such Bond in respect of anything done or suffered to be done by the City or the Fiscal Agent in good faith and in accordance therewith.

Section 9.05. Waiver of Personal Liability. No member, officer, agent or employee of the City shall be individually or personally liable for the payment of the principal of, or interest or any premium on, the Bonds; but nothing herein contained shall relieve any such member, officer, agent or employee from the performance of any official duty provided by law.

Section 9.06. Notices to and Demands on City and Fiscal Agent. Any notice or demand which by any provision of this Agreement is required or permitted to be given or served by the Fiscal Agent to or on the City may be given or served by being deposited postage prepaid in a post office letter box, by overnight courier or by electronic means (with receipt confirmed by telephone) addressed (until another address is filed by the City with the Fiscal Agent) as follows:

City of Roseville
311 Vernon Street
Roseville, California 95678
Attention: Chief Financial Officer
Fax: (916) 746-1220

Any notice or demand which by any provision of this Agreement is required or permitted to be given or served by the City to or on the Fiscal Agent may be given or served by being deposited postage prepaid in a post office letter box, by overnight courier or by electronic means (with receipt confirmed by telephone) addressed (until another address is filed by the Fiscal Agent with the City) as follows:

U.S. Bank Trust Company, National Association
One California Street, Suite 1000
San Francisco, CA 94111
Attention: Global Corporate Trust
Fax: (415) 677-3768

Section 9.07. Partial Invalidity. If any Section, paragraph, sentence, clause or phrase of this Agreement shall for any reason be held illegal or unenforceable, such holding shall not affect the validity of the remaining portions of this Agreement. The City hereby declares that it would have adopted this Agreement and each and every other Section, paragraph, sentence, clause or phrase hereof and authorized the issue of the Bonds pursuant thereto irrespective of the fact that any one or more Sections, paragraphs, sentences, clauses, or phrases of this Agreement may be held illegal, invalid or unenforceable.

Section 9.08. Unclaimed Moneys. Anything contained herein to the contrary notwithstanding, any moneys held by the Fiscal Agent in trust for the payment and discharge of the principal of, and the interest and any premium on, the Bonds which remain unclaimed for two years after the date when the payments of such principal, interest and premium have become payable, if such moneys were held by the Fiscal Agent at such date, shall be repaid by the Fiscal Agent to the City as its absolute property free from any trust, and the Fiscal Agent shall thereupon be released and discharged with respect thereto and the Bond Owners shall look only to the City for the payment of the principal of, and interest and any premium on, such Bonds.

Section 9.09. Applicable Law. This Agreement shall be governed by and enforced in accordance with the laws of the State of California applicable to contracts made and performed in the State of California.

Section 9.10. Conflict with Act. In the event of a conflict between any provision of this Agreement with any provision of the Act as in effect on the Closing Date, the provision of the Act shall prevail over the conflicting provision of this Agreement.

Section 9.11. Conclusive Evidence of Regularity. Bonds issued pursuant to this Agreement shall constitute conclusive evidence of the regularity of all proceedings under the Act relative to their issuance and the levy of the Special Taxes.

Section 9.12. Payment on Business Day. In any case where the date of the maturity of interest or of principal (and premium, if any) of the Bonds or the date fixed for redemption of any Bonds or the date any action is to be taken pursuant to this Agreement is other than a Business Day, the payment of interest or principal (and premium, if any) or the action need not be made on such date but may be made on the next succeeding day which is a Business Day with the same force and effect as if made on the date required and no interest shall accrue for the period from and after such date.

Section 9.13. Counterparts. This Agreement may be executed in counterparts, each of which shall be deemed an original. The exchange of copies of this Agreement and of signature pages by facsimile or PDF transmission shall constitute effective execution and delivery of this Agreement as to the parties hereto and may be used in lieu of the original Agreement and signature pages for all purposes.

Section 9.14. Waiver of Jury Trial. EACH OF THE DISTRICT, THE CITY, THE OWNERS AND THE FISCAL AGENT HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY LEGAL PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT, THE NOTES OR THE TRANSACTIONS CONTEMPLATED HEREBY.

Section 9.15. U.S.A. Patriot Act. The City and the District acknowledge that in accordance with Section 326 of the U.S.A. Patriot Act, the Fiscal Agent, like all financial institutions and in order to help fight the funding of terrorism and money laundering, is required to obtain, verify, and record information that identifies each person or legal entity that establishes a relationship or opens an account with the Fiscal Agent. The City and the District agree that they will provide the Fiscal Agent with such information as it may request in order for the Fiscal Agent to satisfy the requirements of the U.S.A. Patriot Act.

IN WITNESS WHEREOF, the City of Roseville has authorized the execution of this Agreement by its City Manager and attested to by its City Clerk under the authority of Resolution No. _____, adopted by the Council of the City of Roseville on _____, 2023, and the Fiscal Agent has caused this Agreement to be executed.

CUSIP:

REGISTERED OWNER: CEDE & CO.

PRINCIPAL AMOUNT: _____ DOLLARS

The City of Roseville (the "City") for and on behalf of the City of Roseville Creekview Community Facilities District No. 1 (Public Facilities) (the "District"), for value received, hereby promises to pay solely from the Special Tax Revenues (as hereinafter defined) or amounts in certain funds and accounts held under the Agreement (as hereinafter defined), to the Registered Owner named above, or registered assigns (the "Owner"), on the Maturity Date set forth above, unless redeemed prior thereto as hereinafter provided, the Principal Amount set forth above, and to pay interest on such principal amount from the Bond Date shown above, or from the most recent Interest Payment Date (as hereinafter defined) to which interest has been paid or duly provided for, semiannually on March 1 and September 1, commencing March 1, 2023 (the "Interest Payment Dates"), at the Interest Rate set forth above, until the principal amount hereof is paid or made available for payment. The principal of this Bond is payable to the Owner hereof in lawful money of the United States of America upon presentation and surrender of this Bond at the principal corporate trust office of U.S. Bank Trust Company, National Association in San Francisco, California (the "Fiscal Agent"). Interest on this Bond shall be paid by check of the Fiscal Agent mailed by first class mail on each Interest Payment Date to the Owner hereof as of the close of business on the 15th day of the month preceding the month in which the Interest Payment Date occurs whether or not such day is a Business Day (the "Record Date") at such Owner's address as it appears on the registration books maintained by the Fiscal Agent, or by wire transfer made on such Interest Payment Date upon written instructions delivered to the Fiscal Agent by the applicable Record Date of any Owner of \$1,000,000 or more in aggregate principal amount of Bonds.

This Bond is one of a duly authorized issue of bonds approved by resolution of the City Council of the City adopted on _____, 2023 (the "Resolution"), pursuant to the Mello-Roos Community Facilities Act of 1982, as amended, Sections 53311, *et seq.*, of the California Government Code (the "Mello-Roos Act") for the purpose of providing moneys for the construction and acquisition of authorized improvements for the District, and is one of the bonds designated "City of Roseville Creekview Community Facilities District No. 1 (Public Facilities) Improvement Area No. 2 Special Tax Bonds Series 2023" (the "Bonds"). The issuance of the Bonds and the terms and conditions thereof are provided for by a Fiscal Agent Agreement, dated as of July 1, 2023, by and between the City and the Fiscal Agent (the "Agreement") and this reference incorporates the Agreement herein, and by acceptance hereof the Owner of this Bond assents to said terms and conditions. The Agreement is authorized under, this Bond is issued under and both are to be construed in accordance with, the laws of the State of California.

Pursuant to the Mello-Roos Act, the Agreement and the Resolution, the principal of and interest on this Bond are payable solely from Special Tax Revenues and the amounts in certain funds held under the Agreement. "Special Tax Revenues" means the proceeds of the facilities special tax ("Special Taxes") levied under the Mello-Roos Act in Improvement Area No. 2 of the District that are received by the City, including all scheduled payments and delinquent payments thereof, interest thereon and proceeds of the redemption or sale of property sold as a result of foreclosure of the lien of the special taxes, net of a 1% administration charge of the County (as such charge may be changed in the future), but not including interest in excess of the interest due on the Bonds or any penalties collected in connection with any such foreclosure.

Interest on this Bond shall be payable from the Interest Payment Date next preceding the date of authentication hereof, unless (i) it is authenticated on an Interest Payment Date, in which event it shall bear interest from such Interest Payment Date, or (ii) such date of authentication is after a Record Date but on or prior to an Interest Payment Date, in which event interest will be payable from such Interest Payment Date, or (iii) such date of authentication is prior to the first Record Date, in which event interest will be payable from the Bond Date shown above; provided however, that if at the time of authentication of this Bond, interest is in default hereon, this Bond shall bear interest from the Interest Payment Date to which interest has previously been paid or made available for payment hereon.

Any tax for the payment hereof shall be limited to the Special Tax, except to the extent that provision for payment has been made by the City as may be permitted by law. The Bonds do not constitute obligations of the City for which the City is obligated to levy or pledge, or has levied or pledged, general or special taxation other than described herein above.

The Bonds are subject to optional redemption from any source of available funds (other than Prepayments of the Special Tax by property owners), in whole or in part among maturities as specified by the City and by lot within a maturity, on any date on and after September 1, _____ at the following respective redemption prices (expressed as percentages of the principal amount of the Bonds to be redeemed), plus accrued interest thereon to the date of redemption:

<u>Redemption Dates</u>	<u>Redemption Price</u>
September 1, _____ through August 31, _____	103%
September 1, _____ through August 31, _____	102
September 1, _____ through August 31, _____	101
September 1, _____ and any date thereafter	100

The Bonds are subject to mandatory redemption from Prepayments of the Special Tax by property owners, in whole or in part among maturities as specified by the City and by lot within a maturity, on any Interest Payment Date at the following respective redemption prices (expressed as percentages of the principal amount of the Bonds to be redeemed), plus accrued interest thereon to the date of redemption:

<u>Redemption Dates</u>	<u>Redemption Price</u>
Interest Payment Dates through and including March 1, 2029	103%
September 1, _____ and March 1, _____	102
September 1, _____ and March 1, _____	101
September 1, _____ and any Interest Payment Date thereafter	100

The Term 2023 Bonds maturing September 1, _____, September 1, _____ and September 1, _____ are subject to mandatory sinking payment redemption in part on September 1, _____, September 1, _____ and September 1, _____, respectively, and on each September 1 thereafter to maturity, by lot, at a redemption price equal to 100% of the principal amount thereof to be redeemed, without premium, in the aggregate respective principal amounts as set forth in the following tables:

Term 2023 Bonds Maturing September 1, _____

Mandatory Redemption Date <u>(Sept. 1)</u>	Sinking Fund Payment <u>Payment</u>
--	---

(maturity)

Term 2023 Bonds Maturing September 1, _____

Mandatory Redemption Date (Sept. 1)	Sinking Fund Payment
---	-------------------------

(maturity)

Term 2023 Bonds Maturing September 1, _____

Mandatory Redemption Date (Sept. 1)	Sinking Fund Payment
---	-------------------------

(maturity)

The amounts in the foregoing tables will be reduced pro rata, in order to maintain substantially uniform debt service, as a result of any prior partial optional redemption or mandatory redemption of the Bonds.

Notice of redemption with respect to the Bonds to be redeemed shall be given to the Owners thereof, in the manner, to the extent and subject to the provisions of the Agreement.

This Bond shall be registered in the name of the Owner hereof, as to both principal and interest. Each registration and transfer of registration of this Bond shall be entered by the Fiscal Agent in books kept by it for this purpose and authenticated by its manual signature upon the certificate of authentication endorsed hereon.

No transfer or exchange hereof shall be valid for any purpose unless made by the registered owner, by execution of the form of assignment endorsed hereon, and authenticated as herein provided, and the principal hereof, interest hereon and any redemption premium shall be payable only to the registered owner or to such Owner's order. The Fiscal Agent shall require the Owner requesting transfer or exchange to pay any tax or other governmental charge required to be paid with respect to such transfer or exchange. No transfer or exchange hereof shall be required to be made (i) within 15 days prior to the date established by the Fiscal Agent for selection of Bonds for redemption or (ii) with respect to a Bond after such Bond has been selected for redemption.

The Agreement and the rights and obligations of the City thereunder may be modified or amended as set forth therein. The principal of the Bonds is not subject to acceleration upon a default under the Agreement or any other document. This Bond shall not become valid or obligatory for any purpose until the certificate of authentication hereon endorsed shall have been dated and manually signed by the Fiscal Agent. It is hereby certified, recited and declared that all acts, conditions and things required by law to exist, happen and be performed precedent to and in the issuance of this Bond have existed, happened and been performed in due time,

form and manner as required by law, and that the amount of this Bond, together with all other indebtedness of the City, does not exceed any debt limit prescribed by the laws or Constitution of the State of California.

Unless this Bond is presented by an authorized representative of The Depository Trust Company to the Fiscal Agent for registration of transfer, exchange or payment, and any Bond issued is registered in the name of Cede & Co. or such other name as requested by an authorized representative of The Depository Trust Company and any payment is made to Cede & Co., ANY TRANSFER, PLEDGE OR OTHER USE HEREOF FOR VALUE OR OTHERWISE BY OR TO ANY PERSON IS WRONGFUL since the registered owner hereof, Cede & Co., has an interest herein.

IN WITNESS WHEREOF, the City of Roseville has caused this Bond to be executed by the facsimile signatures of the Mayor and the City Clerk of the City, all as of the Bond Date stated above.

REQUISITION NO. _____

The undersigned hereby states and certifies that:

(i) I am an "Authorized Officer" of the City, as such term is defined in that certain Fiscal Agent Agreement, dated as of July 1, 2023 (the "Fiscal Agent Agreement"), by and between the City and U.S. Bank Trust Company, National Association, as fiscal agent (the "Fiscal Agent") and as such, am familiar with the facts herein certified and am authorized to certify the same;

(ii) under Section 3.04(B) of the Fiscal Agent Agreement, the undersigned hereby requests and authorizes the Fiscal Agent to disburse from the Improvement Fund established under the Fiscal Agent Agreement to each payee designated on Schedule A attached hereto and by this reference incorporated herein, the amount set forth opposite such payee, for payment or reimbursement of previous payment of a Project cost (as that term is defined in the Fiscal Agent Agreement) as described on attached Schedule A;

(iii) an obligation in the stated amount has been properly incurred and each such obligation is a proper charge against the Improvement Fund and has not been subject of any previous requisition of the City requesting disbursement;

(iv) there has not been filed with or served upon the City a stop notice or any other notice of any lien, right to lien or attachment upon, or claim affecting the right to receive payment of, any of the money payable to the person named in this Officer's Certificate, which has not been released or will not be released with the payment of such obligation, other than materialmen's or mechanics' liens accruing by mere operation of laws; and

(v) in the case of each payment made under any contract for installation or construction, insofar as such obligation was incurred for work, materials, equipment or supplies, such work was actually performed or such materials, equipment or supplies were actually installed in furtherance of the Project or delivered at the site for that purpose or delivered for storage or fabrication at a place or places approved by the City.

In the opinion of Jones Hall, A Professional Law Corporation, San Francisco, California, Bond Counsel, subject, however to certain qualifications described herein, under existing law, the interest on the 2023 Bonds is excluded from gross income for federal income tax purposes and such interest is not an item of tax preference for purposes of the federal alternative minimum tax. Interest on the Bonds may be subject to the corporate alternative minimum tax. In the further opinion of Bond Counsel, such interest is exempt from California personal income taxes. See "TAX MATTERS" herein.

CREEKVIEW COMMUNITY FACILITIES DISTRICT NO. 1 (PUBLIC FACILITIES)
IMPROVEMENT AREA NO. 2
SPECIAL TAX BONDS
SERIES 2023**

Dated: Date of Delivery

Due: September 1, as shown on inside cover

The bonds captioned above (the "2023 Bonds"), are being issued by the City of Roseville (the "City") by and through Improvement Area No. 2 ("Improvement Area No. 2") of the City of Roseville Creekview Community Facilities District No. 1 (Public Facilities) (the "District"). The 2023 Bonds are special tax obligations of the City, authorized pursuant to the Mello-Roos Community Facilities Act of 1982, as amended, being California Government Code Section 53311, et seq. (the "Act"), and are issued pursuant to the Resolution of Issuance (as defined herein) and a Fiscal Agent Agreement dated as of July 1, 2023, (the "Fiscal Agent Agreement") by and between the City and U.S. Bank Trust Company, National Association, as fiscal agent (the "Fiscal Agent"). The 2023 Bonds are being issued to (i) construct and/or acquire certain authorized public facilities, (ii) provide for a deposit to a debt service reserve account for the 2023 Bonds, (iii) pay capitalized interest on the 2023 Bonds through September 1, 2023 and (iv) pay costs of issuance of the 2023 Bonds. Interest on the 2023 Bonds is payable semiannually on March 1 and September 1 of each year, commencing September 1, 2023. The 2023 Bonds represent the first series of special tax bonds issued for Improvement Area No. 2 and the issuance of additional parity bonds in the future is contemplated, subject to the conditions set forth in the Fiscal Agent Agreement. See "THE BONDS – Authority for Issuance" and "SECURITY AND SOURCES OF PAYMENT FOR THE BONDS – Future Parity Bonds."

The 2023 Bonds are being issued as fully registered bonds, registered in the name of Cede & Co. as nominee of The Depository Trust Company ("DTC"), and will be available to ultimate purchasers in the denomination of \$5,000 or any integral multiple thereof, under the book-entry system maintained by DTC. See "APPENDIX G – DTC AND THE BOOK-ENTRY ONLY SYSTEM."

The 2023 Bonds are secured by and payable from a pledge of Special Tax Revenues (as defined herein) derived from Special Taxes (as defined herein) to be levied by the City on real property within Improvement Area No. 2, from the proceeds of any foreclosure actions brought following a delinquency in the payment of the Special Taxes, and from amounts held in certain funds under the Fiscal Agent Agreement, all as more fully described herein. **Unpaid Special Taxes do not constitute a personal indebtedness of the owners of the parcels within Improvement Area No. 2. In the event of delinquency, proceedings may be conducted only against the parcel of real property securing the delinquent Special Tax. There is no assurance the owners will be able to pay the Special Tax or that they will pay a Special Tax even though financially able to do so.** To provide funds for payment of the 2023 Bonds and the interest thereon as a result of any delinquent Special Taxes, the City will establish a debt service reserve account for the 2023 Bonds from proceeds of the 2023 Bonds, as described herein. See "SECURITY AND SOURCES OF PAYMENT FOR THE BONDS."

Property currently in Improvement Area No. 2 and subject to the Special Tax is proposed to be developed into 561 taxable residential units, which represents "phase 3" and "phase 4" of the "Winding Creek" development ongoing within the Creekview Specific Plan, located in the northwest portion of the City. Final maps creating the 4 villages within phase 3 were recorded in August 2022, with final maps creating the 4 villages in phase 4 anticipated to record in September 2024. Anthem United Creekview Developments Limited Partnership, a Washington limited partnership (the "Master Developer"), which is the master developer of the project, has sold all 4 villages in phase 3 to merchant builders, as described herein. See "IMPROVEMENT AREA NO. 2 PLANNED DEVELOPMENT," "THE MASTER DEVELOPER," and "MERCHANT BUILDER INFORMATION."

The 2023 Bonds are subject to optional and mandatory redemption prior to maturity as described herein. See "THE BONDS – Redemption."

NEITHER THE FAITH AND CREDIT NOR THE TAXING POWER OF THE CITY, THE COUNTY OF PLACER, THE STATE OF CALIFORNIA OR ANY POLITICAL SUBDIVISION THEREOF IS PLEDGED TO THE PAYMENT OF THE 2023 BONDS. THE 2023 BONDS DO NOT CONSTITUTE A DEBT OF THE CITY WITHIN THE MEANING OF ANY STATUTORY OR CONSTITUTIONAL DEBT LIMITATION. THE INFORMATION SET FORTH IN THIS OFFICIAL STATEMENT, INCLUDING INFORMATION UNDER THE HEADING "SPECIAL RISK FACTORS," SHOULD BE READ IN ITS ENTIRETY.

This cover page contains certain information for general reference only. It is not a summary of all of the provisions of the 2023 Bonds. Prospective investors must read the entire Official Statement to obtain information essential to the making of an informed investment decision. See "SPECIAL RISK FACTORS" herein for a discussion of the special risk factors that should be considered, in addition to the other matters and risk factors set forth herein, in evaluating the investment quality of the 2023 Bonds.

The 2023 Bonds are offered when, as and if issued, subject to approval as to their legality by Jones Hall, a Professional Law Corporation, San Francisco, California, Bond Counsel. Certain legal matters will also be passed on by Jones Hall, as Disclosure Counsel, Stradling, Yocca, Carlson & Rauth, a Professional Corporation, Newport Beach, California, as counsel to the Underwriter, and Holland & Knight LLP, San Francisco, California, as counsel to the Master Developer. Certain legal matters will be passed upon for the City by the City Attorney. It is anticipated that the 2023 Bonds will be available for delivery to DTC on or about July ____, 2023.

GENERAL INFORMATION ABOUT THIS OFFICIAL STATEMENT

Use of Official Statement. This Official Statement is submitted in connection with the sale of the 2023 Bonds referred to herein and may not be reproduced or used, in whole or in part, for any other purpose. This Official Statement is not to be construed as a contract with the purchasers of the 2023 Bonds.

Estimates and Forecasts. When used in this Official Statement and in any continuing disclosure by the City, in any press release and in any oral statement made with the approval of an authorized officer of the City, the words or phrases “will likely result,” “are expected to”, “will continue”, “is anticipated”, “estimate”, “project,” “forecast”, “expect”, “intend” and similar expressions identify “forward looking statements.” Such statements are subject to risks and uncertainties that could cause actual results to differ materially from those contemplated in such forward-looking statements. Any forecast is subject to such uncertainties. Inevitably, some assumptions used to develop the forecasts will not be realized and unanticipated events and circumstances may occur. Therefore, there are likely to be differences between forecasts and actual results, and those differences may be material. The information and expressions of opinion herein are subject to change without notice, and neither the delivery of this Official Statement nor any sale made hereunder shall, under any circumstances, give rise to any implication that there has been no change in the affairs of the City since the date hereof.

Limit of Offering. No dealer, broker, salesperson or other person has been authorized by the City to give any information or to make any representations in connection with the offer or sale of the 2023 Bonds other than those contained herein and if given or made, such other information or representation must not be relied upon as having been authorized by the City or the Underwriter. This Official Statement does not constitute an offer to sell or the solicitation of an offer to buy nor shall there be any sale of the 2023 Bonds by a person in any jurisdiction in which it is unlawful for such person to make such an offer, solicitation or sale.

Involvement of Underwriter. The Underwriter has reviewed the information in this Official Statement in accordance with, and as a part of, their responsibilities to investors under the Federal Securities Laws as applied to the facts and circumstances of this transaction, but the Underwriter does not guarantee the accuracy or completeness of such information. The information and expressions of opinions herein are subject to change without notice and neither delivery of this Official Statement nor any sale made hereunder shall, under any circumstances, create any implication that there has been no change in the affairs of the City since the date hereof. All summaries of the documents referred to in this Official Statement, are made subject to the provisions of such documents, respectively, and do not purport to be complete statements of any or all of such provisions.

IN CONNECTION WITH THIS OFFERING, THE UNDERWRITER MAY OVERALLOT OR EFFECT TRANSACTIONS WHICH STABILIZE OR MAINTAIN THE MARKET PRICE OF THE 2023 BONDS AT A LEVEL ABOVE THAT WHICH MIGHT OTHERWISE PREVAIL IN THE OPEN MARKET. SUCH STABILIZING, IF COMMENCED, MAY BE DISCONTINUED AT ANY TIME.

THE 2023 BONDS HAVE NOT BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933, AS AMENDED, IN RELIANCE UPON AN EXCEPTION FROM THE REGISTRATION REQUIREMENTS CONTAINED IN SUCH ACT. THE 2023 BONDS HAVE NOT BEEN REGISTERED OR QUALIFIED UNDER THE SECURITIES LAWS OF ANY STATE.

CITY OF ROSEVILLE
CREEKVIEW COMMUNITY FACILITIES DISTRICT NO. 1 (PUBLIC FACILITIES)
IMPROVEMENT AREA NO. 2
SPECIAL TAX BONDS
SERIES 2023

This Official Statement, including the cover page and all Appendices hereto, is provided to furnish certain information in connection with the issuance by the City of Roseville (the “**City**”) by and through Improvement Area No. 2 (“**Improvement Area No. 2**”) of the City or Roseville Creekview Community Facilities District No. 1 (Public Facilities) (the “**District**”) of the bonds captioned above (the “**2023 Bonds**”).

Any statements made in this Official Statement involving matters of opinion or of estimates, whether or not so expressly stated, are set forth as such and not as representations of fact, and no representation is made that any of the estimates will be realized. Definitions of certain terms used herein and not defined herein have the meaning set forth in the Fiscal Agent Agreement. See “APPENDIX F – SUMMARY OF CERTAIN PROVISIONS OF FISCAL AGENT AGREEMENT.

INTRODUCTION

This introduction is not a summary of this Official Statement. It is only a brief description of and guide to, and is qualified by, more complete and detailed information contained in the entire Official Statement, including the cover page and attached appendices, and the documents summarized or described in this Official Statement. A full review should be made of the entire Official Statement. The offering of the 2023 Bonds to potential investors is made only by means of the entire Official Statement.

The City. The City is located in the Sacramento Valley near the foothills of the Sierra Nevada mountain range, about 16 miles northeast of Sacramento and 110 miles east of San Francisco. With an estimated population as of January 1, 2022 of approximately 151,034, the City is the largest city in Placer County (the “**County**”). For economic and demographic information regarding the area in and around the City, see “APPENDIX C – The City of Roseville and Placer County.”

The District and Improvement Area No. 2. On October 2, 2019, the City Council of the City (the “**City Council**”), as legislative body of the District, adopted a Resolution of Intention to form the District, and designate Improvement Area No. 1 as an improvement area therein, under the Mello-Roos Community Facilities Act of 1982, as amended (the “**Act**”), to levy a special tax and to incur bonded indebtedness for the purpose of financing certain authorized facilities. After

* Preliminary; subject to change.

conducting a noticed public hearing, on November 6, 2019, the City Council adopted a Resolution of Formation (the “**Resolution of Formation**”), which established the District, designated Improvement Area No. 1 as an improvement area therein, and formed a future annexation area for the District (the “**Future Annexation Area**”). In July 2022, the Master Developer (defined below) annexed a portion of the land (comprising phase 3 and phase 4 of the development) within the Future Annexation Area into the District as Improvement Area No. 2, approved the levy of special taxes pursuant to the Special Tax Formula (defined below), and established a bonded indebtedness limit for Improvement Area No. 2 of \$111,000,000.

The Master Developer and the Development. Property currently in Improvement Area No. 2 and subject to the Special Tax is proposed to be developed into 561 taxable residential units, which represents “phase 3” and “phase 4” of the “Winding Creek” development ongoing within the Creekview Specific Plan, located in the northwest portion of the City. Final maps creating the 4 villages within phase 3 recorded in August 2022. Final maps creating the lots within the 4 villages planned for phase 4 are anticipated to record in September 2024. Land in Improvement Area No. 2 also includes 168 HDR units designated as affordable units as part of “phase 3” of the project, which are not subject to the Special Tax and provide no security for repayment of the 2023 Bonds. Anthem United Creekview Developments Limited Partnership, a Washington limited partnership (the “**Master Developer**”), which is the master developer of the project, has sold all 4 villages in phase 3 to merchant builders, as described herein. The Master Developer owns the remaining taxable property in Improvement Area No. 2, consisting of large lots C-6, C-7, C-8 and C-20, which will be developed as “phase 4” of the project. See “IMPROVEMENT AREA NO. 2 PLANNED DEVELOPMENT” and “THE MASTER DEVELOPER.”

Land in Improvement Area No. 2 represents a portion of the larger “Winding Creek” development. Home building and sales in Improvement Area No. 1, which represents “phase 1” and “phase 2” of the project, is well underway, with 381 of the 544 total planned single-family residential units having sold and closed to individual homeowners as of May 2023. Phase 5 of the project (planned for an additional 285 single-family residential units) remains in the Future Annexation Area and will be the final phase to develop. *Only the land in Improvement Area No. 2 is security for the 2023 Bonds.*

The Merchant Builders. Of the planned 561 taxable lots in Improvement Area No. 2, 330 lots, comprising all of “Phase 3” of the project have been acquired by the following merchant builders (collectively, the “**Merchant Builders**”): Lennar Homes of California, LLC, a California limited liability company (“**Lennar Homes**”) (large lot C-5, planned for 74 homes); Meritage Homes of California, Inc., a California corporation (“**Meritage**”) (large lot C-22, planned for 82 homes); Woodside 05N LP, a California limited partnership (“**Woodside**”) (large lot C-9, planned for 97 homes); and Winding Creek C-21 – Roseville, L.P., a California limited partnership (“**Hearthstone Landbank**”), the land bank for D.R. Horton CA2, Inc., a California corporation (“**D.R. Horton**”) (large lot C-21, planned for 77 homes). The table on the following page shows the projected special tax levies for Fiscal Year 2023-24, by ownership. For additional details, see “IMPROVEMENT AREA NO. 2 PLANNED DEVELOPMENT” and “MERCHANT BUILDER INFORMATION.”

Ownership / Development Status / Village / Land Use ⁽¹⁾	No. of Parcels	Planned Units	Appraised Value ⁽²⁾	FY 2023-24 Maximum Tax ⁽³⁾	Projected FY 2023-24 Special Tax Levy * ⁽⁴⁾	Allocable Debt CFD Bonds * ⁽⁵⁾⁽⁶⁾	% of Total CFD Bonded Debt ⁽⁶⁾

Total Phase 4	4	231	\$12,210,000	\$680,942	\$0	\$0	0.00%
Total	334	561	\$56,272,000	\$1,620,579	\$901,550	\$15,600,000	100.00%

* Preliminary, subject to change.

(1) Ownership, Development Status and Land Use as of May 1, 2023.

(2) Appraised Values as of May 1, 2023.

(3) Maximum Tax refers to Maximum Annual Facilities Special Tax.

(4) Special Tax refers to Special Facilities Tax.

(5) Represents the par amount of the 2023 Bonds.

(6) The value to lien ratios of the 4 undeveloped parcels comprising of Phase 4 are shown as "N/A" since this table allocates CFD Bonded Debt using each parcel's share of the projected FY 2023-24 Special Tax levy and none of the Phase 4 territory is expected to be levied in FY 2023-24. Should the appraised value of the Phase 4 parcels be considered in the Improvement Area's overall value to lien ratio, it would be 3.56 to 1.

Sources: Ownership and Development Status - Integra Realty Resources, Inc. and Master Developer; Appraised Value - Integra Realty Resources, Inc.; Land Use and Planned Number of Units - Improvement Area No. 2 Special Tax Formula; PACE Lien Charges - Placer County; Overlapping Debt - California Municipal Statistics, Inc. as compiled by Willdan Financial Services and Maximum Facilities Special Tax - Willdan Financial Services.

Authority for Issuance of the 2023 Bonds. The 2023 Bonds are issued pursuant to the Act, a resolution adopted by the City Council on _____, 2023 (the "**Resolution of Issuance**") and a Fiscal Agent Agreement dated as of July 1, 2023, (the "**Fiscal Agent Agreement**"), between the City and U.S. Bank Trust Company, National Association, as fiscal agent (the "**Fiscal Agent**").

Bond Terms. The 2023 Bonds will be dated as of and bear interest from the date of delivery thereof at the rate or rates set forth on the cover page of this Official Statement. Interest on the 2023 Bonds is payable on March 1 and September 1 of each year (each an "**Interest Payment Date**"), commencing September 1, 2023. The 2023 Bonds will be issued without coupons in denominations of \$5,000 or any integral multiple thereof.

The 2023 Bonds have been sized to provide an estimated 110% annual debt service coverage ratio from Special Tax Revenues for the 2023 Bonds based on the Maximum Annual Facilities Special Tax generated by the 330 taxable parcels within "phase 3" of Improvement Area No. 2, although all the land in Improvement Area No. 2 provides security for the 2023 Bonds. Additional Bonds, secured on parity with the 2023 Bonds, are expected to be issued to finance the acquisition and/or construction of additional Improvements in the future.

Registration of Ownership of 2023 Bonds. The 2023 Bonds will be issued only as fully registered bonds in book-entry form, registered in the name of Cede & Co., as nominee of The Depository Trust Company ("**DTC**"). Ultimate purchasers of 2023 Bonds will not receive physical certificates representing their interest in the 2023 Bonds. So long as the 2023 Bonds are registered in the name of Cede & Co., as nominee of DTC, references herein to the Owners will

mean Cede & Co. and will not mean the ultimate purchasers of the 2023 Bonds. Payments of the principal, premium, if any, and interest on the 2023 Bonds will be made directly to DTC, or its nominee, Cede & Co. so long as DTC or Cede & Co. is the registered owner of the 2023 Bonds. Disbursements of such payments to DTC's Participants is the responsibility of DTC and disbursements of such payments to the Beneficial Owners is the responsibility of DTC's Participants and Indirect Participants, as more fully described herein. See "APPENDIX G – DTC AND THE BOOK-ENTRY ONLY SYSTEM."

Use of Proceeds. Proceeds of the 2023 Bonds will primarily be used to finance a portion of the costs of acquiring and constructing certain authorized infrastructure improvements (the "**Improvements**," as described herein) as part of the development being undertaken by the Master Developer. The Improvements consist generally of roadway, water, wastewater, drainage, and other infrastructure improvements necessary for development of property within the District, as well as park and open space improvements. Proceeds of the 2023 Bonds will also be deposited to a debt service reserve account for the 2023 Bonds, and to pay costs of issuance and to pay capitalized interest through September 1, 2023.

Security and Source of Payment of the 2023 Bonds. As security for the payment of the 2023 Bonds, a facilities special tax applicable to each taxable parcel in Improvement Area No. 2 will be levied and collected according to the facilities tax liability determined by the City Council through the application of the Rate, Method of Apportionment, and Manner of Collection of Special Tax for Improvement Area No. 2 (the "**Special Tax Formula**"). The Special Tax Formula is set forth in its entirety in APPENDIX A hereto. The Special Tax Formula includes a services special tax component which is not security for the 2023 Bonds. Pursuant to the Special Tax Formula, a "Facilities Special Tax" will be levied and collected until the earlier of (i) the "Transition Year" (defined herein) or (ii) Fiscal Year 2086-87, and a "Maintenance Special Tax" will be levied and collected in perpetuity beginning in the Transition Year. *Only the "Facilities Special Tax" is pledged to the payment of the 2023 Bonds, and the definition of "Special Taxes" used in the Fiscal Agent Agreement and this Official Statement refers only to the "Facilities Special Tax" levied in accordance with the Special Tax Formula.* See "SECURITY AND SOURCES OF PAYMENT OF THE BONDS – Special Tax Methodology."

The 2023 Bonds and any Additional Bonds that may be issued in the future pursuant to the terms of the Fiscal Agent Agreement are payable from the "**Special Tax Revenues**," consisting of the proceeds of the Special Taxes received by the City, including all scheduled payments and delinquent payments thereof, interest thereon and proceeds of the redemption or sale of property sold as a result of foreclosure of the lien of the Special Taxes, net of the administration charge of the County (currently at 1%), but do not include any interest in excess of the interest due on the Bonds or any penalties collected in connection with any such foreclosure. The 2023 Bonds are also payable from amounts held in certain funds and accounts pursuant to the Fiscal Agent Agreement, including a debt service reserve account, all as more fully described herein.

The Special Tax represents a lien on each parcel of land subject to the Special Tax, and failure to pay the Special Taxes could result in proceedings to foreclose the delinquent parcel. The Special Taxes do not constitute the personal indebtedness of the owners of taxed parcels. See "SECURITY AND SOURCES OF PAYMENT FOR THE BONDS."

Additional Parity Bonds. The maximum authorized indebtedness for Improvement Area No. 2 is \$111,000,000, and the 2023 Bonds represent the first series of special tax bonds issued under this authorization. As development progresses one or more additional series of parity bonds

may be issued in the future to finance additional infrastructure improvements needed for the development of the project being undertaken by the Master Developer. In addition, the City may utilize a portion of the available authorized bond amount for the funding of certain deferred impact fees owed to the City, as described below under “– Use of Bond Authorization for Development Impact Fee Deferral Bonds.”

The District may issue additional bonds secured by Special Tax Revenues on parity with the 2023 Bonds (the “**Additional Bonds**,” and collectively, the “**Bonds**”), upon the satisfaction of certain conditions set forth in the Fiscal Agent Agreement. Following the issuance of the 2023 Bonds in the amount of \$ _____*, the remaining authorized amount of indebtedness to be issued is \$ _____. Additional Bonds are expected to be issued in the future for additional Improvements, including bonds which may be issued to pay for the Development Impact Fee Deferral (see the following paragraph). The actual aggregate amount of Additional Bonds to fund Improvements and the Development Impact Fee Deferral may vary depending on interest rates at the time of bond issuance, the timing of each bond issue and other factors that may impact the timing and size of each bond issue. So long as the 2023 Bonds are outstanding, issuance of any Additional Bonds must comply with certain conditions set forth in the Fiscal Agent Agreement, and no bonds having a lien senior to the lien of the 2023 Bonds are allowed. See “SECURITY AND SOURCES OF PAYMENT FOR THE BONDS – Future Parity Bonds.”

Use of Bond Authorization for Development Impact Fee Deferral Bonds. In connection with the approval of development in the District (including Improvement Area No. 2), the City agreed that payment of certain impact fees owed by the Master Developer and merchant builders will be deferred (referred to as the “Development Impact Fee Deferral” in the Special Tax Formula) to allow payment of the deferred fees after the 2023 Bonds have been fully paid. The City expects to receive payment for the deferred impact fees either through continued collection of Special Taxes or through the issuance of future bonds after the 2023 Bonds and any Additional Bonds issued during the Initial Bonding Period have matured. If the City chooses to issue bonds to pay deferred impact fees, the remaining authorization will be available to be utilized by the City as a means therefor.

2023 Reserve Account of the Reserve Fund. A debt service reserve fund has been established under the Fiscal Agent Agreement (the “**Reserve Fund**”), and within the Reserve Fund, separate reserve accounts are being established for each series of Bonds. Accordingly, at the time of issuance of the 2023 Bonds, a reserve account will be established within the Reserve Fund for the benefit of the holders of the 2023 Bonds (the “**2023 Reserve Account**”). The 2023 Reserve Account is available solely for the payment of debt service on the 2023 Bonds and no other parity obligations. See “SECURITY AND SOURCES OF PAYMENT FOR THE BONDS – 2023 Reserve Account of the Reserve Fund.”

Appraised Value of Property. Property in Improvement Area No. 2 is security for the Special Tax that secures the Bonds. The City authorized the preparation of an appraisal report (the “**Appraisal**”) for certain real property within Improvement Area No. 2, which sets forth an aggregate value of appraised taxable property currently in Improvement Area No. 2 of \$56,272,000, as of May 1, 2023. The valuation assumes completion of the Improvements funded by the 2023 Bonds (but not any Additional Bonds that may be issued in the future) and accounts for the impact of the lien of the Special Tax on the value of the property. In considering the

* Preliminary; subject to change.

estimates of value evidenced by the Appraisal, it should be noted that the Appraisal is based upon a number of standard and special assumptions, which affect the estimates as to value. See "VALUE OF PROPERTY WITHIN IMPROVEMENT AREA NO. 2 – The Appraisal" and APPENDIX B.

The appraised value of property in Improvement Area No. 2 is 3.56 times the \$15,792,437* aggregate principal amount of the 2023 Bonds (\$15,600,000*) and overlapping general obligation bond debt (\$192,437). This is based on the entirety of Improvement Area No. 2, the value to lien ratio for individual parcels will vary from the average. See "VALUE OF PROPERTY WITHIN IMPROVEMENT AREA NO. 2 – Value to Special Tax Burden Ratios."

Risks of Investment; COVID-19. See the section of this Official Statement entitled "SPECIAL RISK FACTORS" for a discussion of special factors that should be considered, in addition to the other matters set forth herein, in considering the investment quality of the 2023 Bonds. ***In particular, no assurance can be given that the timing of construction of homes and/or sale of homes projected by the Master Developer or the Merchant Builders in this Official Statement will be accomplished. Neither the City nor the Underwriter can predict the impact of COVID-19 on home production and home sales activities or the willingness of owners of land in the District, including the Master Developer, the Merchant Builders, or any subsequent owners, to pay the Special Taxes securing the 2023 Bonds. See "SPECIAL RISK FACTORS – Pandemic Diseases."***

Limited Obligation of the City. The general fund of the City is not liable and the full faith and credit of the City is not pledged for the payment of the interest on, or principal of or redemption premiums, if any, on the 2023 Bonds. The 2023 Bonds are not secured by a legal or equitable pledge of or charge, lien or encumbrance upon any property of the City or any of its income or receipts, except the money in the funds established and pledged to the 2023 Bonds under the Fiscal Agent Agreement, and neither the payment of the interest on nor principal of or redemption premiums, if any, on the 2023 Bonds is a general debt, liability or obligation of the City. The 2023 Bonds do not constitute an indebtedness of the City within the meaning of any constitutional or statutory debt limitation or restrictions, and neither the City Council, the City nor any officer or employee thereof are liable for the payment of the interest on or principal of or redemption premiums, if any, on the 2023 Bonds other than from the proceeds of the Special Taxes and the money in the funds established and pledged to the 2023 Bonds, as provided in the Fiscal Agent Agreement.

Summary of Information. Brief descriptions of certain provisions of the Fiscal Agent Agreement, the Bonds and certain other documents are included herein. The descriptions and summaries of documents herein do not purport to be comprehensive or definitive, and reference is made to each such document for the complete details of all its respective terms and conditions, copies of which are available for inspection at the office of the Chief Financial Officer of the City. All statements herein with respect to certain rights and remedies are qualified by reference to laws and principles of equity relating to or affecting creditors' rights generally. Capitalized terms used in this Official Statement and not otherwise defined herein have the meanings ascribed to such terms in the Fiscal Agent Agreement. The information and expressions of opinion herein speak only as of the date of this Official Statement and are subject to change without notice. Neither delivery of this Official Statement, any sale made hereunder, nor any future use of this Official Statement shall, under any circumstances, create any implication that there have been no changes to the City or the land in Improvement Area No. 2 since the date hereof. *Any statements made in this Official Statement involving matters of opinion or of estimates, whether or not so*

expressly stated, are set forth as such and not as representations of fact, and no representation is made that any of the estimates will be realized.

ESTIMATED SOURCES AND USES OF FUNDS

A summary of the estimated sources and uses of funds associated with the sale of the 2023 Bonds follows:

Estimated Sources of Funds:

Principal Amount of 2023 Bonds	\$
Plus/Less: [Net] Original Issue Premium/Discount	
Total	\$

Estimated Uses of Funds:

Deposit to Improvement Fund	\$
Deposit to Bond Fund ⁽¹⁾	
Deposit to 2023 Reserve Account of the Reserve Fund ⁽²⁾	
Costs of Issuance ⁽³⁾	
Total	\$

(1) To pay capitalized interest on the 2023 Bonds through September 1, 2023.

(2) Equal to the initial Reserve Requirement for the 2023 Bonds.

(3) Includes fees of bond and disclosure counsel, fees, expenses and charges of the Fiscal Agent and its counsel, printing costs, fees of the special tax consultant and administrator, Appraiser, and Municipal Advisor, Underwriter's discount, and other costs of issuance.

THE BONDS

Authority for Issuance

The 2023 Bonds are issued pursuant to the Fiscal Agent Agreement, the Resolution of Issuance and the Act.

The 2023 Bonds have been sized to provide an estimated 110% annual debt service coverage ratio from Special Tax Revenues for the 2023 Bonds based on the Maximum Annual Facilities Special Tax generated by the 330 taxable parcels within “phase 3” of Improvement Area No. 2, although all the land in Improvement Area No. 2 provides security for the 2023 Bonds. Additional Bonds, secured on parity with the 2023 Bonds, are expected to be issued to finance the acquisition and/or construction of additional Improvements in the future. See “SECURITY AND SOURCES OF PAYMENT FOR THE BONDS – Future Parity Bonds.”

Description of the Bonds

Bond Terms. The 2023 Bonds will be dated as of and bear interest from the date of delivery thereof at the rates and mature in the amounts and years, as set forth on the cover page hereof. The 2023 Bonds are being issued in the denomination of \$5,000 or any integral multiple thereof.

Interest on the 2023 Bonds will be payable semiannually on March 1 and September 1 of each year (each an “**Interest Payment Date**”), commencing September 1, 2023. The principal of the 2023 Bonds and premiums due upon the redemption thereof, if any, will be payable in lawful money of the United States of America at the designated principal corporate trust office of the Fiscal Agent in Los Angeles, California, or such other place as designated by the Fiscal Agent, upon presentation and surrender of the 2023 Bonds; provided that so long as any 2023 Bonds are in book-entry form, payments with respect to such 2023 Bonds will be made by wire transfer, or such other method acceptable to the Fiscal Agent, to DTC.

Book-Entry Only System. The 2023 Bonds are being issued as fully registered bonds, registered in the name of Cede & Co., as nominee of The Depository Trust Company (“**DTC**”), and will be available to ultimate purchasers under the book-entry system maintained by DTC. Ultimate purchasers of 2023 Bonds will not receive physical certificates representing their interest in the 2023 Bonds. So long as the 2023 Bonds are registered in the name of Cede & Co., as nominee of DTC, references herein to the Owners will mean Cede & Co., and will not mean the ultimate purchasers of the 2023 Bonds. The Fiscal Agent will make payments of the principal, premium, if any, and interest on the 2023 Bonds directly to DTC, or its nominee, Cede & Co., so long as DTC or Cede & Co. is the registered owner of the 2023 Bonds. Disbursements of such payments to DTC’s Participants are the responsibility of DTC and disbursements of such payments to the Beneficial Owners are the responsibility of DTC’s Participants and Indirect Participants, as more fully described herein. See “APPENDIX G – DTC AND THE BOOK-ENTRY ONLY SYSTEM.”

Calculation and Payment of Interest. Interest on the 2023 Bonds will be computed on the basis of a 360-day year consisting of twelve 30-day months. Interest on the 2023 Bonds (including the final interest payment upon maturity or earlier redemption) is payable by check of the Fiscal Agent mailed on each Interest Payment Date by first class mail to the registered Owner thereof at such registered Owner’s address as it appears on the registration books maintained by the Fiscal Agent at the close of business on the 15th day of the month preceding the month in

which the Interest Payment Date occurs whether or not such day is a Business Day (the “**Record Date**”) preceding the Interest Payment Date, or by wire transfer made on such Interest Payment Date upon written instructions received by the Fiscal Agent on or before the Record Date preceding the Interest Payment Date, of any Owner of \$1,000,000 or more in aggregate principal amount of 2023 Bonds; provided that so long as any 2023 Bonds are in book-entry form, payments with respect to such 2023 Bonds will be made by wire transfer, or such other method acceptable to the Fiscal Agent, to DTC. See “APPENDIX G – DTC AND THE BOOK-ENTRY ONLY SYSTEM.”

Each 2023 Bond will bear interest from the Interest Payment Date next preceding the date of authentication thereof unless (i) it is authenticated on an Interest Payment Date, in which event it will bear interest from such date of authentication, or (ii) it is authenticated prior to an Interest Payment Date and after the close of business on the Record Date preceding such Interest Payment Date, in which event it will bear interest from such Interest Payment Date, or (iii) it is authenticated prior to the Record Date preceding the first Interest Payment Date, in which event it will bear interest from the Dated Date; provided, however, that if at the time of authentication of a 2023 Bond, interest is in default thereon, such 2023 Bond will bear interest from the Interest Payment Date to which interest has previously been paid or made available for payment thereon. So long as the 2023 Bonds are registered in the name of Cede & Co., as nominee of DTC, payments of the principal, premium, if any, and interest on the 2023 Bonds will be made directly to DTC, or its nominee, Cede & Co. Disbursements of such payments to DTC’s Participants are the responsibility of DTC and disbursements of such payments to the Beneficial Owners are the responsibility of DTC’s Participants and Indirect Participants, as more fully described herein. See “APPENDIX G – DTC AND THE BOOK-ENTRY ONLY SYSTEM.”

Redemption*

Optional Redemption. The 2023 Bonds are subject to optional redemption from any source of available funds (other than Prepayments of the Special Tax by property owners), in whole or in part among maturities as specified by the City and by lot within a maturity, on any date on and after September 1, 20__ at the following respective redemption prices (expressed as percentages of the principal amount of the 2023 Bonds to be redeemed), plus accrued interest thereon to the date of redemption:

<u>Redemption Dates</u>	<u>Redemption Price</u>
September 1, 20__ through August 31, 20__	103%
September 1, 20__ through August 31, 20__	102
September 1, 20__ through August 31, 20__	101
September 1, 20__ and any date thereafter	100

Mandatory Redemption From Prepayments. The 2023 Bonds are subject to mandatory redemption from Prepayments of the Special Tax by property owners, in whole or in part among maturities of the 2023 Bonds and any Additional Bonds, as specified by the City, and by lot within a maturity, on any Interest Payment Date at the following respective redemption prices (expressed as percentages of the principal amount of the 2023 Bonds to be redeemed), plus accrued interest thereon to the date of redemption:

* Preliminary; subject to change.

<u>Redemption Dates</u>	<u>Redemption Price</u>
March 1, 2023 through and including March 1, 20__	103%
September 1, 20__ and March 1, 20__	102
September 1, 20__ and March 1, 20__	101
September 1, 20__ and any Interest Payment Date thereafter	100

Prepayments and amounts released from the 2023 Reserve Account in connection with Prepayments will be allocated to the redemption of the 2023 Bonds and any Additional Bonds as nearly as practicable on a proportionate basis based on the outstanding principal amount of the 2023 Bonds and any Additional Bonds and shall be applied to redeem 2023 Bonds and Additional Bonds as nearly as practicable on a pro rata basis among maturities in increments of \$5,000; provided, however, that, for Prepayments of less than \$50,000, the City may specify that Prepayments be applied to one or more maturities of the 2023 Bonds or Additional Bonds so long as there is delivered to the Fiscal Agent a certification of a Special Tax consultant or administrator that, following such redemption from Prepayments, the maximum Special Taxes that may be levied in each Fiscal Year on Developed Property in Improvement Area No. 2 is not less than 110% of Maximum Annual Debt Service.

See "SPECIAL RISK FACTORS – Potential Early Redemption of Bonds from Prepayments" for a discussion of the potential for the 2023 Bonds to be priced with original issue premium and then be redeemed from Special Tax prepayments prior to maturity.

Mandatory Sinking Fund Redemption. The Term 2023 Bonds maturing September 1, 20__ and September 1, 20__ are subject to mandatory sinking payment redemption in part on September 1, 20__ and September 1, 20__, respectively, and on each September 1 thereafter to maturity, by lot, at a redemption price equal to 100% of the principal amount thereof to be redeemed, without premium, in the aggregate respective principal amounts as set forth in the following tables:

Term 2023 Bonds Maturing September 1, 20__

Mandatory Redemption Date <u>(Sept. 1)</u>	Sinking Fund Payment <u>Payment</u>
--	---

(maturity)

Term 2023 Bonds Maturing September 1, 20__

Mandatory
Redemption Date
(Sept. 1)

Sinking Fund
Payment

(maturity)

The amounts in the foregoing tables will be reduced pro rata, in order to maintain substantially uniform debt service, as a result of any prior partial optional redemption or mandatory redemption of the 2023 Bonds.

Purchase In Lieu of Redemption. In lieu of redemption, moneys in the Bond Fund may be used and withdrawn by the Fiscal Agent for purchase of Outstanding 2023 Bonds, upon the filing with the Fiscal Agent of an Officer's Certificate requesting such purchase, at public or private sale as and when, and at such prices (including brokerage and other charges) as such Officer's Certificate may provide, but in no event may 2023 Bonds be purchased at a price in excess of the principal amount thereof, plus interest accrued to the date of purchase.

Redemption Procedure by Fiscal Agent. The Fiscal Agent will cause notice of any redemption to be mailed by first class mail, postage prepaid, at least 20 days but not more than 60 days prior to the date fixed for redemption, to the Securities Depositories and to one or more Information Services, and to the respective registered Owners of any 2023 Bonds designated for redemption, at their addresses appearing on the registration books in the Principal Office of the Fiscal Agent; but such mailing is not a condition precedent to such redemption and failure to mail or to receive any such notice, or any defect therein, will not affect the validity of the proceedings for the redemption of such 2023 Bonds.

Such notice will state the redemption date and the redemption price and, if less than all of the then Outstanding 2023 Bonds are to be called for redemption, will designate the CUSIP numbers and bond numbers of the 2023 Bonds to be redeemed by giving the individual CUSIP number and bond number of each 2023 Bond to be redeemed or will state that all 2023 Bonds between two stated bond numbers, both inclusive, are to be redeemed or that all of the 2023 Bonds of one or more maturities have been called for redemption, will state as to any 2023 Bond called in part the principal amount thereof to be redeemed, and will require that such 2023 Bonds be then surrendered at the Principal Office of the Fiscal Agent for redemption at the said redemption price, and will state that further interest on such 2023 Bonds will not accrue from and after the redemption date.

The City has the right to rescind any notice of the optional redemption of 2023 Bonds and such notice may be cancelled and annulled if for any reason funds will not be or are not available on the date fixed for redemption for the payment in full of the 2023 Bonds then called for redemption.

Whenever provision is made in the Fiscal Agent Agreement for the redemption of less than all of the 2023 Bonds of any maturity, the City will select the 2023 Bonds to be redeemed, from all 2023 Bonds or such given portion thereof of such maturity by lot in any manner which the City in its sole discretion deems appropriate. Upon surrender of 2023 Bonds redeemed in part

only, the City will execute and the Fiscal Agent will authenticate and deliver to the registered Owner, at the expense of the City, a new 2023 Bond or 2023 Bonds, of the same series and maturity, of authorized denominations in aggregate principal amount equal to the unredeemed portion of the 2023 Bond or 2023 Bonds.

Effect of Redemption. From and after the date fixed for redemption, if funds available for the payment of the principal of, and interest and any premium on, the 2023 Bonds so called for redemption are deposited in the Bond Fund, such 2023 Bonds so called will cease to be entitled to any benefit under the Fiscal Agent Agreement other than the right to receive payment of the redemption price, and no interest will accrue thereon on or after the redemption date specified in such notice.

Transfer or Exchange of Bonds

So long as the 2023 Bonds are registered in the name of Cede & Co., as nominee of DTC, transfers and exchanges of 2023 Bonds will be made in accordance with DTC procedures. See “APPENDIX G – DTC AND THE BOOK-ENTRY ONLY SYSTEM.” Any 2023 Bond may, in accordance with its terms, be transferred or exchanged by the person in whose name it is registered, in person or by his duly authorized attorney, upon surrender of such 2023 Bond for cancellation, accompanied by delivery of a duly written instrument of transfer in a form approved by the Fiscal Agent. Whenever any 2023 Bond or 2023 Bonds are surrendered for transfer or exchange, the City will execute and the Fiscal Agent will authenticate and deliver a new 2023 Bond or 2023 Bonds, for a like aggregate principal amount of 2023 Bonds of authorized denominations and of the same maturity. The cost for any services rendered or any fees or expenses incurred by the Fiscal Agent in connection with any such transfer or exchange will be paid by the City. The Fiscal Agent will collect from the Owner requesting such transfer any tax or other governmental charge required to be paid with respect to such transfer or exchange. No transfers or exchanges of 2023 Bonds will be required to be made (i) within 15 days prior to the date established by the Fiscal Agent for selection of 2023 Bonds for redemption or (ii) with respect to a 2023 Bond after such 2023 Bond has been selected for redemption.

SECURITY AND SOURCES OF PAYMENT FOR THE BONDS

Special Taxes

The Bonds (consisting of the 2023 Bonds and any Additional Bonds that may be issued in the future) are payable from and secured by proceeds of the Special Taxes received by the City, including all scheduled payments and delinquent payments thereof, interest and proceeds of the redemption or sale of property sold as a result of foreclosure of the lien of the Special Taxes (but excluding any interest in excess of the interest due on the Bonds or any penalties collected in connection with any such foreclosure), and net of a 1% administration charge of the County (the “**Special Tax Revenues**”). All of the Special Tax Revenues and all moneys deposited in the Bond Fund and, until disbursed as provided herein, in the Special Tax Fund are pledged to secure the repayment of the Bonds. In addition, with respect to each Series of Bonds, all moneys in the applicable Reserve Account within the Reserve Fund for such Series is pledged to secure the repayment of the applicable Series, such that amounts in the 2023 Reserve Account are pledged to the 2023 Bonds. The Special Tax Revenues and all moneys deposited into such funds (except as otherwise provided in the Fiscal Agent Agreement) are dedicated to the payment of the principal of, including any mandatory sinking fund payments, and interest and any premium on,

the Bonds as provided in the Fiscal Agent Agreement and in the Act until all of the Bonds have been paid and retired or defeased in accordance with the Fiscal Agent Agreement.

A Special Tax applicable to each taxable parcel in Improvement Area No. 2 will be levied and collected according to the tax amount determined by the City Council through the application of the Special Tax Formula administered by Willdan Financial Services, Temecula, California (the “**Special Tax Administrator**”) and set forth in APPENDIX A hereto for all taxable properties in Improvement Area No. 2. Prior to remittance of the Special Tax collections to the City, the County deducts and retains a 1% County administration fee, as noted above. Interest and principal on the Bonds is payable from the annual Special Tax Revenues to be paid to the City from Special Tax levies and collections on taxable property within Improvement Area No. 2, from amounts held in certain funds and accounts established under the Fiscal Agent Agreement and from the proceeds, if any, from the sale of such property for delinquency of such Special Taxes.

The Special Taxes are exempt from the property tax limitation of Article XIII A of the California Constitution, pursuant to Section 4 thereof as a “special tax” authorized by a two-thirds vote of the qualified electors. The levy of the Special Taxes was authorized by the City Council, as legislative body of the District, pursuant to the Act in an amount determined according to the Special Tax Formula. See “– Special Tax Methodology” below and APPENDIX A.

The amount of Special Taxes that the City may levy in any year, and from which principal and interest on the Bonds is to be paid, is strictly limited by the maximum rates approved by the qualified electors within Improvement Area No. 2, which is set forth in the Special Tax Formula. Under the Special Tax Formula, Special Taxes for the purpose of making payments on the Bonds will be levied annually in an amount not in excess of the maximum approved amount. The Special Taxes and any interest earned on the Special Taxes constitute a trust fund for the principal of and interest on the Bonds pursuant to the Fiscal Agent Agreement and, so long as the principal of and interest on these obligations remains unpaid, the Special Taxes and investment earnings thereon will not be used for any other purpose, except as permitted by the Fiscal Agent Agreement, and will be held in trust for the benefit of the owners thereof and will be applied pursuant to the Fiscal Agent Agreement. The Special Tax Formula apportions the Annual Facilities Costs (as defined in the Special Tax Formula and described below) among the taxable parcels of real property within Improvement Area No. 2 according to the rate and methodology set forth in the Special Tax Formula. See “– Special Tax Methodology” below. See also “APPENDIX A – RATE AND METHOD OF APPORTIONMENT OF SPECIAL TAX.”

The City may levy the Special Tax up to the amount of the Maximum Annual Facilities Special Tax set forth in the Special Tax Formula, if conditions so require. The City has covenanted to annually levy the Special Taxes in an amount at least sufficient to pay the Annual Facilities Costs (as defined below). Because each Special Tax levy is limited to the Maximum Annual Facilities Special Tax rates authorized as set forth in the Special Tax Formula, no assurance can be given that, in the event of Special Tax delinquencies, the amount of the Annual Facilities Costs will in fact be collected in any given year. In addition, Section 53321(d) of the Act provides that the special tax levied against any parcel for which an occupancy permit for private residential use has been issued may not be increased as a consequence of delinquency or default by the owner of any other parcel within a community facilities district by more than 10% above the amount that would have been levied in such Fiscal Year had there never been any such delinquencies or defaults. See “SPECIAL RISK FACTORS – Tax Delinquencies” herein. The Special Taxes are collected for the City by the County in the same manner and at the same time as *ad valorem* property taxes.

Special Tax Methodology

Pursuant to the Special Tax Formula, a “Facilities Special Tax” will be levied and collected until the earlier of (i) the Transition Year (defined herein) or (ii) Fiscal Year 2086-87, and a “Maintenance Special Tax” will be levied and collected in perpetuity beginning in the Transition Year. *Only the “Facilities Special Tax” is pledged to the payment of the Bonds, and the definition of “Special Taxes” used in the Fiscal Agent Agreement and this Official Statement refers only to the “Facilities Special Tax” levied in accordance with the Special Tax Formula. Capitalized terms set forth in this section and not otherwise defined have the meanings set forth in the Special Tax Formula.*

Determination of Annual Facilities Costs. Each year, the City will determine the Annual Facilities Costs for the upcoming Fiscal Year. The “**Annual Facilities Costs**” includes the following amounts (less any available earnings on any reserve fund, special tax funds, available capitalized interest or any other available revenues):

- (i) Debt Service to be paid from Facilities Special Taxes;
- (ii) the amount needed to replenish bond reserve funds to the level required by Bond documents, to the extent not included in a computation of Annual Facilities Costs in a previous Fiscal Year;
- (iii) Administrative Expenses for such Fiscal Year;
- (iv) the amount needed to (1) cure any delinquencies in the payment of principal or interest on Bonds which have occurred in the prior Fiscal Year, and (2) to fund any foreseeable deficiency of the amount to be available for the payment of principal or interest on Bonds which are expected to occur in such Fiscal Year, in each case to the extent not already included in the calculation of Annual Facilities Costs in the current or any previous Fiscal Year;
- (v) the amount needed to (1) cure any delinquencies in the payment of the Facilities Special Taxes in the prior Fiscal Year, (2) to fund any foreseeable deficiency of the amount to be available for the payment of Facilities Special Taxes which are expected to occur in such Fiscal Year, in each case, to the extent not already included in the calculation of Annual Facilities Costs in the current or any previous Fiscal Year;
- (vi) pay-as-you-go expenditures for authorized improvements; and
- (vii) during the Deferral Bonding Period, the amount needed to pay Development Impact Fee Deferrals not financed by Bonds.

The Annual Facilities Costs is the basis for the amount of Special Tax to be levied within Improvement Area No. 2. In no event may the City levy a Special Tax in any year above the Maximum Annual Facilities Special Tax identified for each parcel in the Special Tax Formula.

Parcels Subject to the Facilities Special Tax. The Special Tax Formula identifies 9 large-lot taxable parcels planned for residential uses within the boundary of Improvement Area No. 2, which large-lot parcels are planned to be subdivided over time. Each fiscal year, the City will prepare a list of the then-current parcels subject to the Special Tax using the records of the City and the County Assessor, and will tax such parcels in accordance with the Special Tax

Formula. Taxable parcels that are acquired by a public agency in the future will remain subject to the Facilities Special Tax unless a “trade” resulting in no loss of Facilities Special Tax revenue can be made, as described in the Special Tax Formula.

Limitation on Increases in Levy of Facilities Special Tax. If owners are delinquent in the payment of Facilities Special Taxes, the City may not increase Facilities Special Tax levies to make up for delinquencies for prior Fiscal Years above the Maximum Facilities Special Tax rates specified for each category of property within Improvement Area No. 2. In addition, Section 53321(d) of the Act provides that the special tax levied against any parcel for which an occupancy permit for private residential use has been issued may not be increased as a consequence of delinquency or default by the owner of any other parcel within a community facilities district by more than 10% above the amount that would have been levied in such Fiscal Year had there never been any such delinquencies or defaults. In cases of significant delinquency, these factors may result in defaults in the payment of principal of and interest on the Bonds. See “SPECIAL RISK FACTORS.”

Duration of the Facilities Special Tax; Transition Year. The Facilities Special Tax will be levied and collected (up to maximum allowable amount) until the earlier of (i) the Transition Year or (ii) Fiscal Year 2086-87. For purposes of Improvement Area No. 2, “Transition Year” means the first Fiscal Year following the Fiscal Year in which the Transition Event occurred, and “Transition Event” means the earlier of (i) after the Initial Bonding Period, the Fiscal Year in which the Administrator determines the Development Impact Fee Deferral has been repaid in full to the City and the City determines funding is no longer needed for Annual Facilities Costs, or (ii) Fiscal Year 2086-87. “Initial Bonding Period” means the period in which Bonds are outstanding or refunded which financed Authorized Facilities (as defined in the Special Tax Formula) costs or refunded prior Bonds, other than the Development Impact Fee Deferral.

Prepayment of the Facilities Special Tax. The Special Tax Formula provides that landowners may prepay some of the Facilities Special Tax by a cash settlement with the City. The amount of the prepayment required is to be calculated according to a formula set forth in the Special Tax Formula, which is generally based on the net present value of the remaining years in which the Facilities Special Tax will be collected, including the effect of a 2% per year escalation factor applicable for the time Bonds remain outstanding using a discount rate equal to the most current yield for the 30-year Treasury Constant Maturity as the discount factor, plus an amount representing the Development Impact Fee Deferral Amount (which amount is not available for prepayment of the Bonds), all as described in Section 8 of the Special Tax Formula set forth in APPENDIX A. Prepayment is only allowed if the City determines that the prepayment does not jeopardize its ability to make timely payments of debt service on outstanding Bonds, and the City maintains at least 110% debt service coverage on the outstanding Bonds.

Reduction of the Maximum Annual Facilities Special Tax Prior to First Bond Sale. The Special Tax Formula includes a provision that, at the request of the developer/builders, the Maximum Annual Special Taxes set forth in the Special Tax Formula could be reduced once prior to the first sale of special tax bonds for Improvement Area No. 2. This provision was not utilized, and is no longer applicable, given the issuance and sale of the 2023 Bonds.

Levy of Annual Special Tax; Maximum Special Tax

General. The annual Special Tax will be calculated by the City and levied to provide money for debt service on the Bonds, replenishment of Reserve Accounts established within the Reserve Fund for each Series of Bonds, certain delinquencies, administration of the District

(including Improvement Area No. 2), and for payment of pay-as-you-go expenditures (to the extent permitted by the City) of the authorized public capital facilities not funded from Bond proceeds. In no event may the City levy a Special Tax in any year above the maximum identified for each taxable parcel in the Special Tax Formula. Land in Improvement Area No. 2 also includes 168 HDR units designated as affordable units as part of “phase 3” of the project, which are not subject to the Special Tax and provide no security for repayment of the Bonds.

Annual Special Tax Levy. The Special Tax will be levied each year by calculating the amount needed to be generated by all Taxable Parcels in Improvement Area No. 2; the Special Tax (up to the maximum allowable amount) will be levied against each Taxable Parcel until the Special Tax revenue equals such amount; however, the Special Tax Formula establishes a priority for which properties will be levied a Special Tax. First, all “Developed Parcels” in Improvement Area No. 2 receive a levy. If additional amounts are needed, a levy is made against each “Small Lot Tentative Map Parcel” in Improvement Area No. 2, then each “Large Lot Parcel” in Improvement Area No. 2, then each “Undeveloped Parcel” in Improvement Area No. 2. For single-family detached property, Developed Parcels are parcels shown on a Final Small Lot Subdivision Map recorded prior to May 1 of the preceding Fiscal Year. See “APPENDIX A – RATE AND METHOD OF APPORTIONMENT OF SPECIAL TAX.”

For Fiscal Year 2023-24, the Assigned Maximum Annual Facilities Special Tax per Unit was \$3,173 for LDR units and \$2,497 for MDR units, respectively.

The City covenants in the Fiscal Agent Agreement to fix and levy the amount of Special Taxes within Improvement Area No. 2 required for the payment of principal of and interest on any outstanding Bonds of Improvement Area No. 2 becoming due and payable during the ensuing year, including any necessary replenishment or expenditure of the Reserve Fund for the Bonds and an amount estimated to be sufficient to pay the Administrative Expenses during such year, all in accordance with the Special Tax Formula. The Special Tax is authorized to be levied in an amount not to exceed the Maximum Special Tax levy as described in the Special Tax Formula notwithstanding that a lower amount is sufficient to pay debt service on the Bonds. The Special Tax Formula provides a mechanism whereby the City may utilize the pay-as-you-go component to pay for and/or reimburse developers for a portion of the cost of Improvements not funded by proceeds of the bonds issued for Improvement Area No. 2. Proceeds of the annual Special Tax levy will first be used to pay the “Annual Facilities Costs” (which include debt service payments on the Bonds) other than pay-as-you-go expenditures, and the City contemplates that the levy will include a pay-as-you-go component in an amount equal to the Maximum Annual Facilities Special Tax on Developed Parcels, for deposit into the Improvement Fund for authorized costs not funded from Bond proceeds. See and “SECURITY AND SOURCES OF PAYMENT FOR THE BONDS – Special Tax Methodology” above. See “APPENDIX A – RATE AND METHOD OF APPORTIONMENT OF SPECIAL TAX” for a copy of the Special Tax Formula.

Annual Escalation of Facilities Special Tax. The Facilities Special Tax escalates by 2% per fiscal year until the Transition Event, and thereafter will no longer be levied. See “APPENDIX A – RATE AND METHOD OF APPORTIONMENT OF SPECIAL TAX” and for a table showing the expected land uses and assigned Maximum Special Taxes, see “Attachment 2” in such Appendix.

Special Tax Fund

When received, the Special Tax Revenues are required under the Fiscal Agent Agreement to be deposited into a Special Tax Fund to be held by the City in trust for the benefit

of the City and the Owners of the Bonds. Within the Special Tax Fund, the City has established and will maintain the Surplus Account, to the credit of which the City will deposit surplus Special Tax Revenue, if any, as described below. Moneys in the Special Tax Fund will be disbursed as provided below and, pending any disbursement, will be subject to a lien in favor of the Owners of the Bonds.

All Special Tax Revenue will be deposited in the Special Tax Fund upon receipt. Prior to each Interest Payment Date, the City will withdraw from the Special Tax Fund and transfer (i) to the Fiscal Agent for deposit in the reserve accounts of the Reserve Fund, an amount which when added to the amount then on deposit therein is equal to the Reserve Requirement with respect to each series of Bonds, and (ii) to the Fiscal Agent for deposit in the Bond Fund an amount, taking into account any amounts then on deposit in the Bond Fund, such that the amount in the Bond Fund equals the principal, premium, if any, and interest due on the Bonds on the next Interest Payment Date; provided, however, that as soon as practicable after the receipt by the City of any prepayments of Special Taxes, but no later than 10 Business Days after such receipt, the City shall transfer such prepayments to the Fiscal Agent for deposit into the Prepayment Account of the Bond Fund to be used for the redemption of Bonds. At such time as deposits to the Special Tax Fund equal the principal, premium if any, and interest becoming due on the Bonds for the current Bond Year and the amount needed to restore the reserve accounts of the Reserve Fund balance to the Reserve Requirement with respect to each series of Bonds, the amount in the Special Tax Fund in excess of such amount may, at the discretion of the City, be transferred to the Surplus Account, which will occur on or after September 2nd of each year. From time to time, the City may withdraw from the Surplus Account of the Special Tax Fund amounts needed to pay the City's administrative expenses and County fees; provided that such transfers will not be in excess of the portion of the Special Tax Revenues collected by the City that represent levies for administrative expenses. Moneys in the Surplus Account may also be transferred, at the City's discretion, to the Improvement Fund to pay for costs of the Improvements (including reimbursements to developers for the cost of Improvements not funded from proceeds of Bonds issued for Improvement Area No. 2) or authorized facility contributions, to pay the principal of, premium, if any, and interest on the Bonds or to replenish amounts in the Reserve Fund.

Delinquent Payments of Special Tax; Covenant for Superior Court Foreclosure

The Special Tax will be collected in the same manner and the same time as *ad valorem* property taxes, except at the City's option, the Special Taxes may be billed directly to property owners or collected at a different time to meet the City's financial obligations. In the event of a delinquency in the payment of any installment of Special Taxes, the City is authorized by the Act to order institution of an action in superior court to foreclose the lien therefor.

The City has covenanted in the Fiscal Agent Agreement with and for the benefit of the Owners of the Bonds that it will annually on or before September 1 of each year review the public records of the County relating to the collection of the Special Tax in order to determine the amount of the Special Tax collected in the prior fiscal year, and if the City determines on the basis of such review that the amount so collected is deficient by more than 5% of the total amount of the Special Tax levied in Improvement Area No. 2 in such Fiscal Year, it will within 30 days thereafter institute foreclosure proceedings as authorized by the Act in order to enforce the lien of the delinquent installment of the Special Tax against each separate lot or parcel of land in Improvement Area No. 2 for which such installment of the Special Tax is delinquent, and will diligently prosecute and pursue such foreclosure proceedings to judgment and sale; *provided*, that if the City determines on the basis of such review that (a) the amount so collected is deficient by less than 5% of the total amount of the Special Tax levied in Improvement Area No. 2 in such Fiscal Year, but that

property owned by any single property owner in Improvement Area No. 2 is delinquent by more than \$5,000 with respect to the Special Tax due and payable by such property owner in such Fiscal Year, or (b) property owned by any single property owner in Improvement Area No. 2 is delinquent cumulatively by more than \$3,250 with respect to the current and past Special Tax due (irrespective of the total delinquencies in Improvement Area No. 2), then the City will institute, prosecute and pursue such foreclosure proceedings in the time and manner provided herein against each such property owner.

Under the Act, foreclosure proceedings are instituted by the bringing of an action in the superior court of the county in which the parcel lies, naming the owner and other interested persons as defendants. The action is prosecuted in the same manner as other civil actions. In such action, the real property subject to the special taxes may be sold at a judicial foreclosure sale for a minimum price that will be sufficient to pay or reimburse the delinquent special taxes.

The owners of the Bonds benefit from the Reserve Fund established pursuant to the Fiscal Agent Agreement; however, if delinquencies in the payment of the Special Taxes with respect to the Bonds are significant enough to completely deplete the Reserve Fund, there could be a default or a delay in payments of principal and interest to the owners of the Bonds pending prosecution of foreclosure proceedings and receipt by the City of the proceeds of foreclosure sales. Provided that it is not levying the Special Tax at the Maximum Annual Facilities Special Tax rates set forth in the Special Tax Formula, the City may adjust the Special Taxes levied on all property within Improvement Area No. 2 subject to the Special Tax to provide an amount required to pay debt service on the Bonds and to replenish the Reserve Fund. However, such adjustment is subject to the Maximum Annual Facilities Special Tax and to the limitation described under the caption “—Special Tax Methodology” above.

Under current law, a judgment debtor (property owner) has at least 120 days from the date of service of the notice of levy to redeem the property to be sold. If a judgment debtor fails to redeem and the property is sold, his or her only remedy is an action to set aside the sale, which must be brought within 90 days of the date of sale. If, as a result of such an action a foreclosure sale is set aside, the judgment is revived and the judgment creditor is entitled to interest on the revived judgment as if the sale had not been made (California Code of Civil Procedure Section 701.680).

Foreclosure by court action is subject to normal litigation delays, the nature and extent of which are largely dependent upon the nature of the defense, if any, put forth by the debtor and the condition of the calendar of the superior court of the county. Such foreclosure actions can be stayed by the superior court on generally accepted equitable grounds or as the result of the debtor’s filing for relief under the Federal bankruptcy laws. The Act provides that, upon foreclosure, the Special Tax lien will have the same lien priority as is provided for *ad valorem* taxes and special assessments. See “VALUE OF PROPERTY WITHIN IMPROVEMENT AREA NO. 2 – Priority of Lien.”

No assurances can be given that the real property subject to a judicial foreclosure sale will be sold or, if sold, that the proceeds of sale will be sufficient to pay any delinquent Special Tax installment. The Act does not require the City to purchase or otherwise acquire any lot or parcel of property foreclosed upon if there is no other purchaser at such sale.

Section 53356.6 of the Act requires that property sold pursuant to foreclosure under the Act be sold for not less than the amount of judgment in the foreclosure action, plus post-judgment interest and authorized costs, unless the consent of the owners of at least 75% of the outstanding

Bonds is obtained. However, under Section 53356.6 of the Act, the City, as judgment creditor, is entitled to purchase any property sold at foreclosure using a “credit bid,” where the City could submit a bid crediting all or part of the amount required to satisfy the judgment for the delinquent amount of the Special Tax. If the City becomes the purchaser under a credit bid, the City must pay the amount of its credit bid into the redemption fund established for the Bonds, but this payment may be made up to 24 months after the date of the foreclosure sale.

2023 Reserve Account of Reserve Fund

A debt service reserve fund has been established under the Fiscal Agent Agreement (the “**Reserve Fund**”), and within the Reserve Fund, separate reserve accounts are being established for each series of Bonds. Accordingly, at the time of issuance of the 2023 Bonds, a reserve account will be established within the Reserve Fund for the benefit of the holders of the 2023 Bonds (the “**2023 Reserve Account**”). The 2023 Reserve Account is available solely for the payment of debt service on the 2023 Bonds and no other parity obligations.

Upon delivery of the 2023 Bonds, the Fiscal Agent will deposit an amount of the proceeds into the 2023 Reserve Account of the Reserve Fund so that the amount therein equals the “**Reserve Requirement**,” which means, with respect to any series of Bonds, the least of (i) 125% of the average Annual Debt Service with respect to the applicable series of Bonds; (ii) Maximum Annual Debt Service with respect to the applicable series of Bonds; and (iii) 10% of the original principal amount of the applicable series of Bonds (or, if the applicable series of Bonds has more than a de minimis amount of original issue discount or premium, 10% of the issue price of such series of Bonds); provided, that—

(a) the Reserve Requirement for the 2023 Bonds shall not increase after the date of issuance of the 2023 Bonds;

(b) in no event shall the City be obligated to deposit an amount in any reserve account in excess of the amount permitted by the applicable provisions of the Code to be so deposited from the proceeds of tax-exempt bonds without having to restrict the yield of any investment purchased with any portion of such deposit and, if the amount of any such deposit is so limited, the Reserve Requirement shall be only the amount of such deposit as permitted by the Code; and

(c) the City may meet all or a portion of the Reserve Requirement with respect to any series of Bonds by depositing a Qualified Reserve Fund Credit Instrument.

As noted above, for each series of Additional Bonds, the Fiscal Agent shall establish a separate subaccount within the Reserve Fund for such series and moneys in each subaccount shall be held in trust by the Fiscal Agent for the benefit of the Owners of the respective series of Bonds.

The City has the right to either meet the Reserve Requirement at the time of issuance of a series of Bonds or at any time thereafter to cause the Fiscal Agent to release cash from the Reserve Fund, in whole or in part, by tendering to the Fiscal Agent: (1) a Qualified Reserve Fund Credit Instrument, and (2) in the case of a release, an opinion of Bond Counsel stating that such release will not, of itself, cause the portion of the interest on the Bonds secured thereby to become includable in gross income for purposes of federal income taxation. Upon tender of such items to the Fiscal Agent in connection with a release of cash, the Fiscal Agent will transfer such funds to the City. Prior to the expiration of any Qualified Reserve Fund Credit Instrument,

if applicable, the City is obligated either to replace such Qualified Reserve Fund Credit Instrument with a new Qualified Reserve Fund Credit Instrument, or to deposit or cause to be deposited with the Fiscal Agent an amount of funds such that the funds on deposit in the Reserve Fund together with all Qualified Reserve Fund Credit Instruments held by the Fiscal Agent is at least equal to the Reserve Requirement (which funds may come from a draw by the Fiscal Agent on the Qualified Reserve Fund Credit Instrument prior to its expiration).

“Qualified Reserve Fund Credit Instrument” means an irrevocable standby or direct-pay letter of credit or surety bond issued by a commercial bank or insurance company and deposited with the Fiscal Agent, provided that all of the following requirements are met: (a) the long-term credit rating of such bank or insurance company is rated in the top two categories (without regard to modifier) by S&P or Moody’s at the time of issuance; (b) such letter of credit or surety bond has a term of at least 12 months; (c) such letter of credit or surety bond has a stated amount at least equal to the portion of the Reserve Requirement being met by such instrument or with respect to which funds are proposed to be released pursuant to the Fiscal Agent Agreement; and (d) the Fiscal Agent is authorized pursuant to the terms of such letter of credit or surety bond to draw thereunder an amount equal to any deficiencies which may exist from time to time in the Bond Fund for the purpose of making payments required pursuant to the Fiscal Agent Agreement.

Whenever, on the Business Day prior to any Interest Payment Date, the amount in any reserve account within the Reserve Fund exceeds the Reserve Requirement for the applicable series of Bonds covered by such reserve account, the Fiscal Agent shall provide written notice to the Chief Financial Officer of the amount of the excess. The Chief Financial Officer shall advise the Fiscal Agent in writing of the amount, if any, of any transfer required pursuant to the Fiscal Agent Agreement, and otherwise direct the Fiscal Agent to transfer an amount equal to the excess to the Improvement Fund, if the Project has not been completed as of the date of such transfer, or if the Project has been completed, to the Bond Fund to be used for the payment of the principal of and interest on the Outstanding Bonds covered by the applicable reserve account in accordance with the Fiscal Agent Agreement; provided, that to the extent that such excess results from the prepayment of Special Taxes and redemption of Bonds, such amount shall be transferred to the Prepayment Account and applied to the corresponding redemption of Bonds.

Whenever the balance in the Reserve Fund exceeds the amount required to redeem or pay the Outstanding Bonds, including interest accrued to the date of payment or redemption and premium, if any, due upon redemption, and make any other transfer required under the Fiscal Agent Agreement, the Fiscal Agent will transfer the amount in the Reserve Fund to the Bond Fund to be applied, on the next succeeding Interest Payment Date, to the payment and redemption of all of the Outstanding Bonds. If the amount so transferred from the Reserve Fund to the Bond Fund exceeds the amount required to pay and redeem the Outstanding Bonds, the balance in the Reserve Fund will be transferred to the City, after payment of any amounts due the Fiscal Agent, to be used for any lawful purpose of the City.

Improvement Fund

Under the Fiscal Agent Agreement, there is established an Improvement Fund, which is to be held in trust by the Fiscal Agent and will be disbursed as provided in the Fiscal Agent Agreement for the payment or reimbursement of the costs of the construction and acquisition of the Improvements in accordance with the Acquisition Agreement (as described herein). Interest earnings from the investment of amounts in the Improvement Fund will be retained in the Improvement Fund to be used for the purposes of the Improvement Fund.

Upon completion of the Improvements and payment to the Master Developer or other entities that are due reimbursement for Improvements, the Fiscal Agent will transfer the amount, if any, remaining in the Improvement Fund to the Bond Fund for application to the payment of principal of and interest on the Bonds in accordance with the Fiscal Agent Agreement, and the Improvement Fund will be closed.

Future Parity Bonds

The proceedings conducted under the Act for the District and Improvement Area No. 2 authorize the issuance of up to \$111,000,000 of special tax bonds for Improvement Area No. 2, of which the 2023 Bonds represent the first series. The City expects that it will, by a Supplemental Agreement, authorize the issuance of one or more additional series of Bonds (previously defined as the “**Additional Bonds**”) payable from Special Taxes and secured by the Special Tax Revenues on a parity with the 2023 Bonds, as development progresses in Improvement Area No. 2 and upon compliance by the City with the conditions set forth in the Fiscal Agent Agreement, which include the following:

(i) There shall be deposited into a reserve account of the Reserve Fund, an amount at least equal to the Reserve Requirement with respect to such Additional Bonds.

(ii) After giving effect to the issuance of the Additional Bonds, for each Bond Year the Additional Bonds are Outstanding, projected Special Tax Revenues (which are net of 1% County collection charge), if levied at the maximum annual Special Tax rates per the Special Tax Formula, in each Fiscal Year are at least equal to 110% of Debt Service due in the Bond Year that begins in the corresponding Fiscal Year, as calculated by the special tax consultant to the City.

(iii) After giving effect to the issuance of the Additional Bonds, the aggregate value of all parcels in Improvement Area No. 2 subject to the Special Tax, including then existing improvements and any facilities to be constructed or acquired with the proceeds of the Additional Bonds, as determined by an MAI appraisal, assessed valuations shown on the then current County tax roll, or by a combination of both methods, is at least 3 times the sum of (1) the aggregate principal amount of all Bonds then Outstanding, plus (2) the aggregate principal amount of the Additional Bonds proposed to be issued, plus (3) the proportionate principal amount of any bonds then outstanding and payable from assessments which are a lien against property in Improvement Area No. 2, plus (4) a portion of the aggregate principal amount of all bonds issued under the Act, other than 2023 Bonds then Outstanding and the Additional Bonds, payable at least partially from special taxes to be levied on parcels of land subject to the Special Tax within Improvement Area No. 2 (the “**Other Mello-Roos Bonds**”) equal to the aggregate principal amount of the Other Mello-Roos Bonds multiplied by a fraction, the numerator of which is the amount of special taxes levied for the Other Mello-Roos Bonds on parcels of land within Improvement Area No. 2 subject to the Special Tax, and the denominator of which is the total amount of special taxes levied for the Other Mello-Roos Bonds on all parcels of land subject to the Special Tax against which the special taxes are levied to pay the Other Mello-Roos Bonds (such fraction to be determined based upon the special taxes which could be levied the year in which the Additional Bonds are issued, as determined by the City), based upon information from the most recent available Fiscal Year.

Additional Bonds may be issued to finance additional improvements and/or to refund outstanding 2023 Bonds. Additional Bonds may be issued for the purpose of refunding any outstanding 2023 Bonds without meeting the foregoing conditions so long as debt service on the refunding Bonds in each Bond Year is less than debt service on the 2023 Bonds refunded.

Nothing in the Fiscal Agent Agreement shall be interpreted to prohibit issuance of bonds or Additional Bonds secured on a subordinate basis to the 2023 Bonds.

In connection with the approval of development in Improvement Area No. 2, the City has agreed that payment of certain impact fees owed by the Master Developer and merchant builders in Improvement Area No. 2 will be deferred (referred to as the "Development Impact Fee Deferral" in the Special Tax Formula) to allow payment of the deferred fees after the 2023 Bonds and any Additional Bonds issued during the Initial Bonding Period have been fully paid. The City expects to receive payment for the deferred impact fees either through continued collection of Special Taxes or through the issuance of future bonds after the 2023 Bonds and any Additional Bonds issued during the Initial Bonding Period have matured. If the City chooses to issue bonds to pay deferred impact fees, the remaining authorization will be available to be utilized by the City as a means therefor.

DEBT SERVICE SCHEDULE

The annual debt service on the 2023 Bonds, assuming no early redemptions other than mandatory sinking fund payments, is set forth below.

THE CREEKVIEW SPECIFIC PLAN

The Creekview Specific Plan (“**Creekview Specific Plan**”) is the primary land use, policy and regulatory document used to guide development of land in Improvement Area No. 2 and the surrounding area. The Creekview Specific Plan establishes a development framework for land use, affordable housing, resource protection, circulation, utilities and services, implementation and design for approximately 461 acres in the northwest portion of the City projected to develop into approximately 2,011 single and multi-family residential units, of which land in Improvement Area No. 2 consists of land planned for 561 taxable residential units as well as non-taxable residential and public/quasi-public uses. The plan area is bounded by Blue Oaks Boulevard to the south, the Fiddymont Ranch portion of the West Roseville Specific Plan to the east and the City’s Johnson Wildlife Area property to the west.

The intent of the Creekview Specific Plan is to promote the systematic and orderly development of the plan area. All subsequent development projects and related activities in the Creekview Specific Plan area are required to be consistent with the Creekview Specific Plan. The Creekview Specific Plan implements the goals and policies of the City of Roseville General Plan and augments these goals and policies by providing specific direction to reflect conditions unique to the project and plan area. The City’s General Plan serves as the long-term policy guide for the physical, economic and environmental growth of the City. The property within the District was included within the Creekview Specific Plan at adoption, and is a component of the Creekview Specific Plan. The full text of the Creekview Specific Plan is available on the City’s website.

Land Use Concept. The Creekview Specific Plan is planned primarily as a residential community, while also providing recreation, open space, employment and educational opportunities. The primary elements that comprise the form of the Creekview Specific Plan land use plan include a commercial area, residential neighborhoods and park/open space areas, as described below.

Blue Oaks/Westbrook Commercial – The intersection of Blue Oaks Boulevard and Westbrook Boulevard creates the plan area’s best opportunity for commercial uses, anticipated to consist of community commercial, business professional and related uses. These uses are anticipated to support approximately 190,000 square feet of commercial/business uses, including a grocery store, drug store, retail services, personal services and professional offices.

Residential Neighborhoods – A variety of housing styles similar to that found elsewhere in the City are planned. The neighborhoods are generally divided by the geography of the site into four irregularly-sized quadrants. Each quadrant has its own adjacent land uses, natural resources and circulation requirements.

Parks and Open Space – Approximately 30% of the plan area is planned for park and open spaces use, which is equivalent to 28 acres of park and open space per 1,000 residents. Open space corridors provide for passive recreation opportunities, preservation of significant resources, viewsheds, potential floodwater conveyance and retention, resource mitigation, wildlife movement corridors, and can function to improve the interface between uses.

Maps. Maps showing the region and local area where Improvement Area No. 2 is located, as well as the boundaries of Improvement Area No. 2 follow.

IMPROVEMENT AREA NO. 2 PLANNED DEVELOPMENT

The information regarding development of the property contained under this caption has been provided by representatives of the Master Developer and the Merchant Builders, and has not been independently confirmed or verified by the Underwriter or the City. Neither the Underwriter nor the City makes any representation as to the accuracy or adequacy of the information contained under this caption. There may be material adverse changes in this information after the date of this Official Statement. See "SPECIAL RISK FACTORS" herein.

The Creekview Development

General. The land within Improvement Area No. 2, planned for 561 taxable single-family homes, is part of a larger residential community referred to as the "Winding Creek" project being developed by the Master Developer in the Creekview Specific Plan (herein, the "**Creekview Development**" or "**Property**" or "**Project**"). The Creekview Development is located north of Blue Oaks Boulevard and west of the Fiddymont Farm development, in the northwest part of the City.

The Creekview Development encompasses property currently within Improvement Area No. 1 and Improvement Area No. 2. The Creekview Specific Plan establishes a development framework for land use, affordable housing, resource protection, circulation, utilities and services, implementation and design for approximately 461.40 acres in the northwest portion of the City projected to develop into approximately 2,011 single and multi-family residential units. The residential portion of the project is planned to include 987 Low Density Residential units on 182.81 acres, 477 Medium Density Residential units on 51.20 acres and 547 High Density Residential units on 17.68 acres. In addition to the residential uses, the project is planned to include open space and parks (153.17 acres), public uses/infrastructure (40.32 acres), commercial (9.22 acres) and an elementary school site (7.0 acres).

Information on land in Improvement Area No. 1 is provided for informational purposes; **only the land in Improvement Area No. 2 is security for the Bonds.**

Planned Development in Improvement Area No. 2. The property in Improvement Area No. 2 consists of approximately 167 acres, which is expected to be developed as a mix of Low Density Residential ("**LDR**"), Medium Density Residential ("**MDR**"), High Density Residential ("**HDR**"), and commercial, as shown in the following table.

Table 1

Phasing of Planned Development. The phasing map on the following page shows each of the Villages planned for Improvement Area No. 2, as well as the Villages planned for the larger Creekview development project being undertaken by the Master Developer which are located outside of Improvement Area No. 2 and therefore do not provide security for the Bonds. See “– The Creekview Development” for additional details on the overall development project, of which the land in Improvement Area No. 2 forms a part, comprised of the area south of the creek. Phase 1 and phase 2 of the Winding Creek project are located in Improvement Area No. 1, phase 3 and phase 4 of the project are located in Improvement Area No. 2 and phase 5 of the project remains in the Future Annexation Area. *Only the land in Improvement Area No. 2 is security for the 2023 Bonds.*

The Master Developer is constructing backbone and in-tract infrastructure necessary to bring all of the property into finished lot condition, at which time the lots would be sold to the Merchant Builders or other builders (for lots not currently under contract).

A map of the planned phasing of the Creekview Development follows on the next page.

Final Map Status. Final maps for the Phase 3 lots (330 lots) were recorded on August 30, 2022. Final maps for the Phase 4 lots (231 lots) are anticipated to be recorded in September 2024. As of May 1, 2023, the property had the following mapping status:

Table 2

(1) Village C-21 is being developed by D.R. Horton through its land bank Winding Creek C-21 – Roseville, an entity formed by Hearthstone. D.R. Horton has an option, but not an obligation, to acquire lots from the land bank pursuant to a takedown schedule. See "MERCHANT BUILDER INFORMATION – D.R. Horton" herein.
Source: Master Developer.

Phase 3 – All Lots Owned by Merchant Builders. Of the proposed 561 taxable lots in Improvement Area No. 2, 330 lots, comprising all of "Phase 3" of the project have been acquired by the following merchant builders (collectively, the "**Merchant Builders**"): Lennar Homes of California, LLC, a California limited liability company ("**Lennar Homes**") (large lot C-5, planned for 74 homes); Meritage Homes of California, Inc., a California corporation ("**Meritage**") (large lot C-22, planned for 82 homes); Woodside 05N LP, a California limited partnership ("**Woodside**") (large lot C-9, planned for 97 homes); and Winding Creek C-21 – Roseville, a California limited partnership ("**Hearthstone Landbank**"), the land bank for D.R. Horton CA2, Inc., a California corporation ("**D.R. Horton**") (large lot C-21, planned for 77 homes).

Future Sales of Multi-Family Site (Non-Taxable Property). Land in Improvement Area No. 2 also includes land designated for 168 high-density-residential (HDR) units that are not subject to the Special Tax and provide no security for repayment of the Bonds.

Future Sales of Phase 4 (Taxable Property). Land in Improvement Area No. 2 also includes land within "phase 4" of the project planned to develop into 231 LDR/MDR units. The Master Developer anticipates selling these lots to the Merchant Builders or other merchant builders as market conditions warrant.

Development Agreement

General. The City entered into a Development Agreement, dated October 3, 2012, and First Amendment to Development Agreement, dated November 6, 2019 (collectively, the “**Development Agreement**”) with certain entities and individuals to which the Master Developer has subsequently succeeded with respect to the land owned by the Master Developer in the District. The Development Agreement’s purpose is to vest development rights, set forth infrastructure improvements and dedication requirements, secure the timing and methods for financing improvements, and specify other performance obligations as related to development in the Creekview Specific Plan area. All of the property in the District is subject to the requirements of the Development Agreement, as well as the Creekview Specific Plan. The Development Agreement was entered into in accordance with Sections 65864 through 65869.5 of the California Government Code, as implemented through Article V, Chapter 19.84 of the City’s Zoning Ordinance No. 3014.

The Development Agreement is the primary implementation tool for the Creekview Specific Plan and creates a binding contract between the City and the parties thereto, and their assigned successors in interest, which sets forth the needed infrastructure improvements, park dedication requirements, timing and method for financing improvements and other specific performance obligations of the City and the Master Developer and its successors, including obligations related to development of the property in the District, with the terms, conditions, rules, regulations, entitlements, vested rights and other provisions relating to the development of the property in the District according to the Creekview Specific Plan entitlements. Included are provisions relating to infrastructure improvements, public dedication requirements, landscaping amenities and other obligations of the parties.

The Development Agreement expires on April 25, 2043, which is 30 years following the annexation of portions of the Creekview Specific Plan into the City. The Development Agreement runs with the property, and may be modified only by mutual consent of the parties, and in a manner consistent with the Creekview Specific Plan. With the Development Agreement in place, subject to compliance with the terms of the Development Agreement, construction of homes within the District may occur upon City approval of subdivision maps, satisfaction of certain design requirements and conditions of such maps and issuance of building permits.

Land use and development entitlements granted under the Development Agreement for property in the District are consistent with the Creekview Specific Plan.

Improvements. The Development Agreement sets forth the responsibility of the Master Developer and its successors for a portion of the costs of certain public improvements required for its development within the Creekview Specific Plan. See “– Backbone Infrastructure and Other Development Conditions” herein for additional details.

Affordable Units. There are affordable housing requirements applicable to property in the District. The original Development Agreement had an affordable housing requirement on Village C-25 (10 middle income units, which are taxable), Village C-41 (40 low income units and 40 very low income units, which are not taxable), and Village C-42 (40 low income units and 41 very low income units, which are not taxable). The Developer and the City recognized that the Development Agreement erroneously stated that the low income and very low income units are located in Village C-42 and Village C-43 (not C-41); originally, the parties anticipated amending the Development Agreement to substitute Village C-41 for Village C-43 in the affordable housing requirements, which is consistent with the development and financing plans set forth in this Official

Statement. Instead, the parties reallocated the affordable units pursuant to a specific plan amendment. See “*Specific Plan and Development Agreement Amendments*” below.

These affordable housing units are regulated by the City’s affordable housing requirements and are not subject to the special tax. Satisfaction of the affordable housing requirements applicable to Village C-43 is not a pre-condition for the Master Developer or any subsequent owner to obtain a final map or building permit with respect to any of the lots within Improvement Area No. 2 and, accordingly, the Master Developer does not believe the affordable housing requirements will impact the timing of development or sale of any those lots.

Specific Plan and Development Agreement Amendments. At the end of January 2021, the Master Developer submitted a series of documents to the City for consideration, including a proposed amendment to the Creekview Specific Plan and a proposed second amendment to the Development Agreement. The specific plan amendment was approved by the Planning Commission on July 22, 2021 and approved by the City Council on August 18, 2021. The second reading of the specific plan amendment was approved by the City Council on September 1, 2021. Following statutory appeal periods, it become effective on October 1, 2021. On October 8, 2021, the Second Amendment of Development Agreement was recorded with the Placer County Recorder’s Office. The specific plan amendment and the Second Amendment of the Development Agreement, among other things, did all of the following:

- Under the prior Creekview Specific Plan, the location of the 201 affordable housing units in the Project were planned to be constructed (i) on the following parcels located in the Future Annexation Area: Parcel C-20 (10 single family units) and Parcel C-22 (20 single family units); and (ii) on the following parcels located in Improvement Area No. 2: Parcel C-25 (10 single family units), Parcel C-42 (80 rental units), and C-43 (81 rental units).
- The approved amended Creekview Specific Plan, and the Second Amendment of Development Agreement located the 201 affordable housing units in the Project as follows: (i) 85 rental units on Parcel C-40 located in the Future Annexation Area; and (ii) 116 rental units on Parcel C-43 in Improvement Area No. 2. The 116 rental units on Parcel C-43 are exempt from the Special Taxes. The previous affordable units in Improvement Area No. 2 that were no longer affordable will now be subject to the special tax rates for market rate units.

Backbone Infrastructure and Other Development Conditions. The Development Agreement requires satisfaction of various items as conditions of development of the Creekview Development. Set forth below is a table describing some of those conditions required for the Creekview Development that impact the property in Improvement Area No. 2 and the status of those conditions:

Table 4
Conditions of Development for Improvement Area No. 2
As of May, 2023

Item	Condition	Status (as of May 1, 2023)
CC&R's	A declaration of Conditions, Covenants and Restrictions (CC&R's), in a form approved by the City Attorney, shall be recorded on the entire property concurrently with the Final/Parcel Map.	CC&R's have been prepared and were approved by the City of Roseville concurrently with the Phase 1 small lot final maps on October 7, 2020. The CC&R's were recorded October 21, 2020.
Bonds	Prior to the recordation of a small lot residential subdivision map for the Property, Master Developer shall provide adequate assurances to City, either in the form of subdivision improvement bonds, issuance and sale of bonds by the CFD or other manner acceptable to the City, that adequate funds are available to finance the completion of all improvements to Arterial Roadways, and Collector Streets to serve the portion of the Property which is the subject of the small lot residential subdivision map; provided, however, Master Developer shall not be required to post security for the portion of the work associated with Road CIP improvements.	<u>Phase 3 Backbone Roads:</u> Subdivision improvement bond is in place for Westbrook Segment 3, expect it to be reduced to a warranty bond in June 2023. <u>Phase 3 Villages:</u> Subdivision Improvement bonds are in place for all villages (5, 9, 21, & 22) <u>Phase 4 Backbone Roads:</u> Subdivision Improvement Bond is in place for Westbrook Segment 4.
Formation of Services CFD No. 2 and Annexation to Municipal Services CFD No. 3	Building permits may not be issued for the Property until a project-specific services CFD (CFD No. 2) is formed and the property annexes into the City's municipal services CFD (CFD No. 3). The CFDs will finance landscaping and open space maintenance for the project, and City-wide services.	Complete.
Bypass Channel	The Pleasant Grove Creek Bypass Channel must be completed prior to development of Improvement Area No. 2.	Complete.
Arterial Roadway,s, Collector Streets, and Rights of Way	Master Developer shall construct backbone and in-tract roads.	Backbone road for Phase 3 (Westbrook Blvd Segment 3 from Pleasant Creek to Creekpark Drive) is 100% complete, scheduled for acceptance by the City of Roseville in June, 2023. Backbone road for Phase 2 (Westbrook Blvd Segment 4 from Creekpark Drive to Benchmark Drive) is 95% complete. Expect 100% completion by June, 2023. In-tract roads for Phase 3 villages are 100% complete. Grading for Phase 4 in-tract improvements is 100% complete. Construction of Phase 4 in-tract improvements is anticipated to begin in Spring of 2024 and be 100% complete by the end of 2024.
Sewer Facilities	Master Developer shall construct on-site sewer facilities.	On-site sewer facilities serving Phase 3 & 4 backbone roads and Phase 3 villages are complete. On-site sewer improvements serving Phase 4 villages are anticipated to begin in the Spring of 2024 and be complete by the end of 2024.
Groundwater Well	Parcel C-84 must be dedicated to be used as a ground water well.	Completed. Parcel C-84 was irrevocably offered for dedication to the City on the Final Map of Creekview Phase 1 Large Lot Subdivision, recorded on June 1, 2020.

Item	Condition	Status (as of May 1, 2023)
Water Facilities	Master Developer shall construct on-site water system facilities.	On-site water facilities serving Phase 3 & 4 backbone roads and Phase 3 villages are complete. On-site water improvements serving Phase 4 villages are anticipated to begin in the Spring of 2024 and be complete by the end of 2024.
Recycled Water Facilities	Master Developer shall construct specified recycled water system facilities.	Recycled Water Facilities serving Improvement Area No. 2 have been constructed in Westpark Drive and Westbrook Blvd. as required to serve the Creekview Specific Plan.
Storm Drains	Master Developer shall construct storm drain mains and laterals in accordance with the Master Drainage Plan for each tributary shed and Phasing Plan and in accordance with the City's then current Improvement standards.	Storm Drain facilities serving Phase 3 & 4 backbone roads and Phase 3 villages are complete. Storm Drain facilities serving Phase 4 villages are anticipated to begin in the Spring of 2024 and be complete by the end of 2024.
On-Site Electric Facilities	Concurrently with the construction of the adjacent roadways and as specified in the Development Agreement, Master Developer agrees to construct, or finance the construction of, on-site 12kv electric distribution facilities as directed by the Electric Utility Director.	On-Site Electric facilities serving Phase 3 & 4 backbone roads and Phase 3 villages are complete. On-Site Electric facilities serving Phase 4 villages are anticipated to begin in the Summer of 2024 and be complete by the end of 2024.
Off-Site Electric Facilities	If the electric infrastructure is not installed to the boundary of the Plan Area prior to the start of construction of the first phase of the Specific Plan, Master Developer agrees to construct, or finance the construction of, off-site 12kv electric distribution facilities as directed by the Electric Utility Director.	Off-Site Utility construction to the boundary of the plan area is complete.
Electric Substation Site	The Master Developer shall, prior to the issuance of the 923rd residential building permit or any combination of building permits within the Creekview Specific Plan, dedicate to City a 0.90 buildable acre site (parcel C-81) (including grading, construction of retaining walls, access roads, and power line corridor) net of easements, wetlands, riparian corridors and required setbacks for use as an electrical substation.	The substation site will be ready for delivery in June, 2023 concurrently with the completion of Westbrook Segment 4 improvements.
Parks	Dedicate 16.3 acres of park land and 136.9 acres of open space land, and pay park fees at building permit.	In Improvement Area No. 2, Park parcels C-60 and C-61 were irrevocably offered for dedication to the City on the Final Map of Creekview Phase 3 Large Lot Subdivision, recorded December 2, 2021. All land for open space and backbone road improvements has been irrevocably offered for dedication to the City on the Final Map of Creekview Phase 3 Large Lot Subdivision. Additional land for landscaping and road improvements have been offered for dedication to the City on the Phase 3 Small Lot Final Maps recorded in August 2022. Additional land for landscaping and road improvements will be offered for dedication to the City when the Phase 4 Small Lot Final Maps are anticipated to record in the Fall of 2024. All park fees will be paid by the Merchant Builders at such time as a building permit is requested.
School Fees	Under a mitigation agreement with the Roseville City School District, the School District agreed to defer a portion of the school fees payable at building permit for the property in Improvement Area No. 2, with the deferred amount payable as a lump sum when the first building permits are pulled in the Future Annexation Area.	The Merchant Builders will pay the reduced school fees in connection with each request for building permits in Improvement Area No. 2. The deferred amounts will be payable by the Master Developer prior to the request for the first building permit in the Future Annexation Area.

Environmental Matters

Flood Hazard Map Information. According to the Federal Emergency Management Agency's flood insurance rate maps (Flood Area Panel Number 06061C-0920H, with an effective date of November 2, 2018), the property in Improvement Area No. 2 is located within Flood Zone X, described as areas of minimal flooding (outside of the 100- and 500-year floodplains).

Wetland Conditions. According to the City's planning department, some jurisdictional wetlands will be affected by the development of the Project; however the impact has been mitigated by the Master Developer. No additional environmental permits are required to be obtained.

Seismic Conditions. None of the property expected to be developed as part of the Project (including land in Improvement Area No. 2) is located within a seismic special studies zone, designated by the California State Division of Mines and Geology, in accordance with the Alquist-Priolo Special Study Zone Act of 1972.

Wildfire Zone. None of the property in Improvement Area No. 2 is within a very high fire hazard severity zone, as defined by CAL-FIRE.

Utilities. It is expected that utility service for the property in Improvement Area No. 2 will be provided by the following entities:

<u>Utility</u>	<u>Provider</u>
Water/Sewer	City of Roseville
Electricity	City of Roseville
Natural Gas	Pacific Gas & Electric
Data/Phone	Comcast/AT&T

THE MASTER DEVELOPER

The information regarding the ownership of the property contained under this caption has been provided by the Master Developer, and has not been independently confirmed or verified by the Underwriter or the City. Neither the Underwriter nor the City makes any representation as to the accuracy or adequacy of the information contained under this caption. There may be material adverse changes in this information after the date of this Official Statement. Neither the Bonds nor the Special Taxes securing the Bonds are personal obligations of the Master Developer, any affiliate of the Master Developer, or any other subsequent property owners within Improvement Area No. 2 (including the Merchant Builders), and, in the event that any property owner defaults in the payment of its Special Taxes, the District may proceed with judicial foreclosure of the delinquent land within Improvement Area No. 2 securing the Bonds, but has no direct recourse to any other assets of any property owner or any affiliate thereof. See "SPECIAL RISK FACTORS" herein.

General

Ownership Structure of Master Developer. The Master Developer is a Washington limited partnership with its primary development executive team having both regional and national development experience in residential, commercial, and municipal projects. Its general partner is Anthem United Creekview Management LLC, a Washington limited liability company

(“**Anthem United**”), and its limited partners are: (1) Anthem United Homes, Inc. (“**Anthem United Homes**”), (2) Granite Bay Development LP, and (3) Sherwood Developments, LLC.

General Partner. Anthem United, together with its affiliates, including Anthem United Homes, is a land development and homebuilding company operating across western North America (Canada and the United States). Anthem United is currently involved with building approximately 14,600 homes in more than 60 communities across more than 5,000 acres of land. Headquartered in Vancouver BC, it also has offices in Calgary and Edmonton AB, and Roseville, California. Anthem United, as the general partner of the Master Developer, has full managerial control of the Master Developer.

Limited Partners. Anthem United Homes is a privately held affiliate of Anthem United responsible primarily for home-building operations undertaken by Anthem United entities. Its President is Eric Carlson. Granite Bay Development LP is privately held affiliate of Anthem United. Eric Carlson is also its President. Sherwood Developments, LLC is privately held, and owned by Cameron Taylor. Its President is Cameron Taylor.

Relevant Experience of Master Developer and Affiliates. Examples of some of the Master Developer’s (or its affiliate’s) other projects include the following:

- Natomas Meadows (Sacramento, CA) – 630 single family detached finished lots, all of which were sold to D.R. Horton, Lennar Homes, Carson, and Woodside.
- Promenade (West Sacramento, CA) – 222 single family detached finished lots, all of which were sold to Anthem United Homes.
- Fiddyment Ranch (Roseville, CA) - 419 single family detached finished lots, all of which were sold to JMC Homes and Taylor Morrison.

Master Developer Financing Plan

Estimated Cost of the Improvements. The Master Developer has expended over \$113 million dollars on improvements for the Creekview Development and intends to finish constructing site improvements and certain backbone infrastructure improvements in both Improvement Area No. 1 and Improvement Area No. 2 and in the remaining future annexation area (collectively, the “**Improvements**”). The following table details the status of the Improvements to be constructed and the estimated costs associated with such Improvements.

Table 5
Master Developer's Estimated Costs of Improvements
As of May 1, 2023

Area	Improvement	Estimated Total Cost	Costs Spent as of 5/1/23	% of Completion	Remaining Costs
Improvement Area No. 1	Backbone Infrastructure	\$36,020,840	\$35,787,714	99.4%	\$233,126
	In-Tract Improvements	\$28,299,014	\$28,299,014	100.0%	\$0
	Subtotal – Improv. Area No. 1	\$64,319,854	\$64,086,728	99.6%	\$233,126
Improvement Area No. 2 – Phase 3	Backbone Infrastructure	\$13,313,374	\$13,267,523	99.7%	\$45,851
	In-Tract Improvements	\$25,765,899	\$25,765,899	100.0%	\$0
	Subtotal Phase 3	\$39,079,273	\$39,033,422	99.9%	\$45,851
Improvement Area No. 2 – Phase 4	Backbone Infrastructure	\$9,926,500	\$9,653,937	97.3%	\$272,563
	In-Tract Improvements	\$12,609,366	\$559,341	4.4%	\$12,050,025
	Subtotal Phase 4	\$22,535,866	\$10,213,278	45.3%	\$12,322,588
Future Annexation Area – Phase 5	Backbone Infrastructure	\$4,645,398	\$188,168	4.1%	\$4,457,230
	In-Tract Improvements	\$16,771,058	\$36,315	0.2%	\$16,734,743
	Subtotal – FAA	\$21,416,456	\$224,483	1.0%	\$21,191,973
TOTAL – Creekview Development		\$147,351,449	\$113,557,911	77.1%	\$33,793,538

Funding Sources. The Master Developer intends to use the following sources of funds to finance the Improvements for the Creekview Development:

- Equity from the partner-entities comprising the Master Developer (see “–The Master Developer,” above, for more information about these entities).
- Draws on a future revolving construction loan (see “– *Revolving Construction Loan*” below).
- Sales of lots in Improvement Area No. 1 and Improvement Area No. 2 to merchant builders and other developers (see “–Pending Sales of Phase 2 Lots to Merchant Builders” herein).
- Proceeds of the Bonds (secured by Improvement Area No. 2) and bonds issued for land within Improvement Area No. 1.
- Pay-as-you-go Special Taxes available to the Master Developer under the Acquisition Agreement (see “– *Acquisition Agreement*” below).

Revolving Construction Loan. The Master Developer is actively seeking a new facility to assist in financing Phases 4 and 5, but nothing has been finalized. The \$107,900,000 revolving credit line the Master Developer had in place for Phases 1-3 was paid in full.

Acquisition Agreement. In connection with the formation of the District, the City and the Master Developer entered into a Funding, Construction and Acquisition Agreement (the “**Acquisition Agreement**”) which provides that the Master Developer will construct (or cause to be constructed or funded) the Improvements, and the City, upon completion of construction and acceptance (or through progress payments prior to completion of the entire Improvement), will purchase the Improvements or reimburse the Master Developer for expended amounts from the proceeds of the Bonds and/or Special Taxes on a pay-as-you-go basis. The Master Developer will be responsible for the portion of the cost of construction of the Improvements not paid with Bond proceeds.

The Rate and Method provides that the funding of Improvement costs can also be made from collections of the Special Tax available as the “pay-as-you-go” component of Special Taxes. The pay-as-you-go funding component is expected to provide for funding of the cost of a portion of the Improvements in excess of the amount provided from Bond proceeds (if such proceeds are not sufficient) through annual Special Tax collections in excess of the amount needed to pay the debt service. The City contemplates utilizing this funding mechanism during the time the Bonds are outstanding. Additionally, after the final maturity date of the Bonds and any additional bonds issued to reimburse developers for costs of the Improvements, the City expects to continue to levy Special Taxes for payment of the “Development Impact Fee Deferral” (as defined in the Rate and Method) which levy may secure future bonds issued after payment in full of the Bonds and any Additional Bonds issued under the Fiscal Agent Agreement.

Cash Flow Statement

The following table shows estimated cash flow sources and uses for the Master Developer related to the development of the land within Improvement Area No. 2 only.

Table 6
Master Developer's Proposed Financing Plan – Improvement Area No. 2
Phase 3 Only⁽¹⁾
As of May 1, 2023

	<i>As of May 1, 2023</i>	<i>Remainder 2023</i>	<i>Total Through 2023</i>
Developer's Sources of Funds			
Owner Equity	\$12,174,900	\$0	\$12,174,900
Revolving LOC ⁽²⁾	44,526,122	0	44,526,122
Village Lot Sales/Acreage Sales	44,802,500	0	44,802,500
CFD Proceeds	0	12,000,000	12,000,000
Recoveries ⁽³⁾	1,916,046	0	1,916,046
Total Sources	\$103,419,568	\$12,000,000	\$115,419,568
Developer's Uses of Funds			
Land Acquisition and Env'l	\$10,568,528	\$0	\$10,568,528
Backbone Infrastructure	13,267,523	45,851	13,313,374
In-Tract Improvements	25,765,899	0	25,765,899
Sales & Marketing	929,509	0	929,509
Planning & Consultants	3,254,302	0	3,254,302
Loan Repayment (principal)	44,526,122	0	44,526,122
Loan Repayment (interest)	1,885,384	0	1,885,384
Total Uses	\$100,197,267	\$45,851	\$100,243,118
Annual Cash Flow (Sources – Uses)	\$3,222,301	\$11,954,149	\$15,176,450
Cumulative Cash Flow	\$3,222,301	\$15,176,450	\$15,176,450

(1) These sources and uses are for Phase 3 only. The development of Phase 4 lots will begin in the Spring of 2024.

(2) Only the amount of the revolving loan applied to Improvement Area No. 2 is shown in Table 6.

(3) Recoveries consist of reimbursements by the City of Roseville for any improvements completed by the Master Developer on behalf of other parties. The flow of funds is managed by the City of Roseville and the Master Developer submits reimbursement requests once the work is complete.

Notwithstanding the belief of the Master Developer that it will have sufficient funds to complete its planned development, no assurance can be given that sources of financing available to the Master Developer will be sufficient to complete such development as currently anticipated. While the Master Developer has made internal financing available in the past for similar activities, there can be no assurance whatsoever of its willingness or ability to do so in the future. Neither the Master Developer nor any of its affiliates has any legal obligation of any kind to make any such funds available or to obtain loans or lines of credit. If and to the extent that internal financing, loan proceeds, lines of credit, or bond proceeds are inadequate to pay the costs to complete the Master Developer's planned development, there could be a shortfall in the funds required to complete such proposed development and portions of such development might not be completed.

MERCHANT BUILDER INFORMATION

The information regarding the ownership of the property contained under this caption has been provided by the respective Merchant Builders, and has not been independently confirmed or verified by the Underwriter or the City. Neither the Underwriter nor the City makes any representation as to the accuracy or adequacy of the information contained under this caption. There may be material adverse changes in this information after the date of this Official Statement. Neither the Bonds nor the Special Taxes securing the Bonds are personal obligations of the Merchant Builders, or any other subsequent property owners within Improvement Area No. 2, and, in the event that any property owner defaults in the payment of its Special Taxes, the District may proceed with judicial foreclosure of the delinquent land within Improvement Area No. 2 securing the Bonds, but has no direct recourse to any other assets of any property owner or any affiliate thereof. As a result, other than as provided in this Official Statement, no financial statements or information is, or will be provided about the Merchant Builders or any other current or subsequent property owner. See "SPECIAL RISK FACTORS" herein.

Lennar Homes

Ownership. Lennar Homes is based in Irvine, California. Lennar Homes has been in the business of developing residential real estate communities in California since 1996. On February 1, 2022, Lennar Homes of California, Inc., a California corporation, was converted to a California limited liability company and is now known as Lennar Homes of California, LLC, a California limited liability company ("**Lennar Homes**"). All references herein to Lennar Homes prior to February 1, 2022 shall mean Lennar Homes of California, Inc. a California corporation, and all references herein to Lennar Homes on and after February 1, 2022 shall mean Lennar Homes of California, LLC, a California limited liability company.

Lennar Homes is wholly-owned by U.S. Home, LLC, a Delaware limited liability company ("**U.S. Home**"). U.S. Home is wholly-owned by Lennar Corporation, which is based in Miami, Florida. Founded in 1954, Lennar Corporation completed its initial public offering in 1971 and listed its common stock on the New York Stock Exchange in 1972. Lennar Corporation's Class A and Class B common stock are listed on the New York Stock Exchange under the symbols "LEN" and "LEN.B." respectively. Lennar Corporation is one of the largest homebuilders in the United States based on home sales revenues and net earnings, and operates under a number of brand names, including Lennar Homes and U.S. Home. Lennar Homes primarily develops residential communities both within the Lennar family of builders and through consolidated and unconsolidated partnerships in which Lennar Homes maintains an interest.

Lennar Corporation is subject to the informational requirements of the Exchange Act and in accordance therewith files reports, proxy statements and other information with the SEC. Such filings, particularly the Annual Report on Form 10-K and its most recent Quarterly Report on Form 10-Q, set forth, among other things, certain data relative to the consolidated results of operations and financial position of Lennar Corporation and its consolidated subsidiaries, including Lennar Homes, as of such dates.

The SEC maintains a website that contains reports, proxy and other information statements and other information regarding registrants that file electronically with the SEC, including Lennar Corporation. The address of such website is www.sec.gov. All documents filed by Lennar Corporation pursuant to the requirements of the Exchange Act after the date of this Periodic Report will be available for inspection in such manner as the SEC prescribes.

Copies of Lennar Corporation's Annual Report and related financial statements, prepared in accordance with generally accepted accounting standards, are available from Lennar Corporation's website at www.lennar.com. *The foregoing website addresses and references to filings with the SEC are given for reference and convenience only, and the information on such websites and on file with the SEC does not form a part of this Official Statement and is not incorporated by reference herein. No representation is made in this Official Statement as to the accuracy or adequacy of the information contained on such websites. Lennar Corporation and Lennar Homes are not obligated to advance funds for construction or development or to pay ad valorem property taxes or the Special Taxes and investors should not rely on the information and financial statements contained on such websites in evaluating whether to buy, hold or sell the Bonds. The information contained on such websites may be incomplete or inaccurate and has not been reviewed by the City or the Underwriter.*

Development Plan. Lennar Homes plans to construct a total of 74 single-family detached homes in Improvement Area No. 2 in a single neighborhood using its "St. Moritz" product line. This product type is already being used in Lennar Homes' "The Ranch" development project, located nearby in the City, and its project in the Winding Creek development represents a continuation of that homebuilding activity.

Lennar Homes anticipates that the plan sizes of the homes will range from 2,119 to 3,033 square feet, with base pricing ranging from \$592,000 to \$712,000. Base sales prices are as of May 1, 2023. Base sales prices exclude lot premiums, options and extras and any incentives or price reductions. Base sales prices are subject to change.

Status of Development. Lennar Homes anticipates commencing model homes in October, 2023 and production homes in December 2023. First sales to homeowners are anticipated to start by December 2023.

Financing Plan. Lennar homes purchased finished lots from the Master Developer. Lennar Homes intends to finance the development of its neighborhood within Village C-5 using internal sources (which may include funding from its parent company and home sales proceeds).

No assurance can be given that amounts necessary to fund the planned development by Lennar Homes in Improvement Area No. 2 will be available when needed. Neither Lennar Homes nor any other entity or person is under any legal obligation of any kind to expend funds for the development of the property as planned by Lennar Homes in Improvement Area No. 2. Any contributions by Lennar Homes or any other entity or person to fund the costs of such development are entirely voluntary. Lennar Homes has no legal obligation to Bond holders to make any such funds available for construction or development, or the payment of ad valorem property taxes or the Special Taxes. Many factors beyond Lennar Homes' control, or a decision by Lennar Homes to alter its current plans, may cause the actual sources and uses to differ from the projections.

If and to the extent that internal funding, including but not limited to home sales revenues and corporate financing from Lennar Homes' parent company, is inadequate to pay the costs to complete the planned development by Lennar Homes within Improvement Area No. 2 and other financing by Lennar Homes is not put into place, there could be a shortfall in the funds required to complete the proposed development by Lennar Homes in Improvement Area No. 2 and the remaining portions of Lennar Homes' project in Improvement Area No. 2 may not be developed. See "SPECIAL RISK FACTORS – Property Values and Property Development" herein.

COVID-19 Impact. The development of Lennar Homes' planned development within Improvement Area No. 2 may be subject to delays caused by the COVID-19 pandemic and related public health and governmental authorities' orders and actions. As the impacts caused by the outbreak evolve, there could be an adverse impact on the timing and costs of the planned development within Improvement Area No. 2. See "SPECIAL RISK FACTORS – COVID-19 Pandemic" herein.

Lennar Homes cannot predict the ultimate effects of the COVID-19 outbreak and related public health and governmental authorities' orders and actions (including, without limitation, the scope of restrictions under any shelter in place orders) or whether any such effects would have a material adverse effect on its ability to develop and/or sell homes in Improvement Area No. 2.

Woodside

Ownership. As defined previously in this Official Statement, "Woodside" refers to Woodside 05N, LP, a California limited partnership. Woodside is wholly owned by Woodside Group, LLC, a Nevada limited liability company ("**Woodside Group**"), directly or through its wholly owned subsidiaries. Woodside is owned 99% directly by Woodside Group, as a limited partner. The remaining 1% interest is owned by WDS GP, Inc., a California corporation, as its general partner, which is wholly owned by Woodside Homes of California, Inc., a California corporation, which in turn is wholly owned by Woodside Group. The parent of Woodside Group is Woodside Homes Company, LLC, a Delaware limited liability company ("**Woodside Homes Company**"). Since February 28, 2017, the ultimate parent of Woodside Homes Company has been Sekisui House, Ltd, one of Japan's largest homebuilders, which was founded in 1960 and is headquartered in Osaka, Japan.

Woodside Group's subsidiaries engage in the design, construction, and sale of single-family homes under the brand name of "Woodside Homes." Woodside is one of America's top 30 homebuilders having built more than 40,000 homes across the United States, with current operations in Arizona, California, Nevada, and Utah.

The foregoing internet addresses and references to filings with the SEC are included for reference only, and the information on such internet sites and on file with the SEC are not a part of this Official Statement and are not incorporated by reference into this Official Statement. No representation is made in this Official Statement as to the accuracy or adequacy of the information contained on such sites, and such sites have not been reviewed by the Authority or the Underwriter. Neither Woodside nor any related entity is obligated to advance funds for construction or development or to pay ad valorem property taxes or the Special Taxes, and investors should not rely on the information and financial statements contained on such internet sites in evaluating whether to buy, hold or sell the Bonds.

Development Plan. Woodside plans to construct a total of 97 single-family detached homes in Improvement Area No. 2 in a single neighborhood known as "Wildflower at Winding Creek." The proposed product mix for the homes planned to be constructed by Woodside within this neighborhood is set forth in the following tables.

**“Wildflower at Winding Creek” – Village C-9
(as of May 1, 2023)**

Floor Plan	Square Footage	Total Number of Planned Units	Projected Base Sales Price⁽¹⁾
Plan 1	2,330	26	\$665,990
Plan 2	2,915	25	715,990
Plan 3	3,041	20	725,990
Plan 4	3,217	26	750,000
Totals		97	

(1) Base sales prices are as of May 1, 2023. Base sales prices exclude lot premiums, options and extras and any incentives or price reductions. Base sales prices are subject to change.

Status of Development. Woodside anticipates commencing construction of the model homes and the first phase of production homes in June, 2023. First sales to homeowners are anticipated by August, 2023.

Woodside’s development expectations described above are based on Woodside’s current plans. These plans may change due to changes in economic and market conditions or other factors. No assurance can be given that home construction and sales will be carried out on the schedule and according to the plans described herein, or that the home construction and sale plans or base prices set forth above will not change after the date of this Official Statement. Woodside reserves the right to change its development plans at any time without notice. Additionally, homes under contract to be sold may not result in closed escrows as sales contracts are subject to cancellation by the homebuyer. See “SPECIAL RISK FACTORS — Property Values and Property Development – Risks of Real Estate Secured Investments Generally.”

Financing Plan. Woodside intends to finance the development of its neighborhood within Village C-9 using internal sources, including cash generated from its homebuilding operations and advances from affiliates of its parent Woodside Homes Company. Woodside Homes Company has a \$330 million unsecured term loan. Woodside Homes Company also has an unsecured revolving credit facility with borrowing capacity as of April 1, 2023 of \$200 million, which is not subject to a borrowing base.

As of May 1, 2023, Woodside has expended approximately \$_____ on its development within Improvement Area No. 2, including [land acquisition costs,] site development costs, permits and fees, direct and indirect home construction costs, and marketing and sales costs and expenses, and anticipated expending an additional approximately \$_____ to complete the development, including, site development costs, permits and fees, direct and indirect home construction costs, and marketing and sales costs and expenses.

No assurance can be given that amounts necessary to fund the planned development by Woodside in Improvement Area No. 2 will be available when needed. Neither Woodside nor any other entity or person is under any legal obligation of any kind to expend funds for the development of the property as planned by Woodside in Improvement Area No. 2. Any contributions by Woodside or any other entity or person to fund the costs of such development are entirely voluntary. Woodside has no legal obligation to Bond holders to make any such funds available for construction or development, or the payment of ad valorem property taxes or the

Special Taxes. Many factors beyond Woodside's control, or a decision by Woodside to alter its current plans, may cause the actual sources and uses to differ from the projections.

If and to the extent that internal funding, including but not limited to home sales revenues and corporate financing from affiliates of Woodside's parent company, is inadequate to pay the costs to complete the planned development by Woodside within Improvement Area No. 2 and other financing by Woodside is not put into place, there could be a shortfall in the funds required to complete the proposed development by Woodside in Improvement Area No. 2 and the remaining portions of Woodside's project in Improvement Area No. 2 may not be developed. See "SPECIAL RISK FACTORS – Property Values and Property Development" herein.

Meritage

Ownership. As previously defined in this Official Statement, "Meritage" is Meritage Homes of California, Inc., a California corporation. Meritage is a subsidiary of Meritage Homes Corporation ("**Meritage Homes Corporation**"), a Maryland corporation. Meritage Homes Corporation is a homebuilder focused primarily on high-growth regions of the western and southern United States. Meritage Homes Corporation operates as a holding company, has no independent assets or operations, and is traded on the New York Stock Exchange ("**NYSE**") under the ticker symbol MTH. Homebuilding, construction, development and sales activities are conducted through subsidiaries. As of December 31, 2022, Meritage Homes Corporation was actively selling homes in 271 communities, with base prices ranging from approximately \$250,000 to \$1,400,00. The company's average sales price on both home closings and orders was approximately \$440,000 for the year ended December 31, 2022.

Meritage Homes Corporation is subject to the informational reporting requirements of the Securities and Exchange Act of 1934, as amended (the "**Exchange Act**"), and in accordance therewith files reports, proxy statements and other information, including financial statements, with the Securities and Exchange Commission (the "**SEC**"). Such filings set forth, among other things, certain data relative to the consolidated results of operations and financial position of Meritage Homes Corporation and its subsidiaries (e.g., see Meritage Homes Corporation's Annual Report on Form 10-K for the fiscal year ended December 31, 2022, as filed with the SEC on February 15, 2023 and Quarterly Report on Form 10-Q for the quarterly period ended March 31, 2023, as filed with the SEC on April 28, 2023) as of the dates described therein. The SEC maintains an Internet website that contains reports, proxy and information statements and other information regarding registrants that file electronically with the SEC, including Meritage Homes Corporation. The address of such Internet website is www.sec.gov. All documents subsequently filed by Meritage Homes Corporation pursuant to the requirements of the Exchange Act after the date of this Official Statement will be available for inspection in such manner as the SEC prescribes. Copies of Meritage Homes Corporation's annual report, quarterly reports and current reports, including any amendments, will be available from Meritage Homes Corporation's website at www.meritagehomes.com.

The foregoing internet addresses and references to filings with the SEC are included for reference only, and the information on such internet sites and on file with the SEC are not a part of this Official Statement and are not incorporated by reference into this Official Statement. No representation is made in this Official Statement as to the accuracy or adequacy of the information contained on such sites, and such sites have not been reviewed by the Authority or the Underwriter. Neither Meritage nor Meritage Homes Corporation is obligated to advance funds for construction or development or to pay ad valorem property taxes or the Special Taxes, and

investors should not rely on the information and financial statements contained on such internet sites in evaluating whether to buy, hold or sell the Bonds.

Development Plan. Meritage plans to construct a total of 82 single-family detached homes in Improvement Area No. 2 in a single neighborhood known as “Traverse at Winding Creek.” The proposed product mix for the homes planned to be constructed by Meritage within this neighborhood is set forth in the following tables.

**“Traverse at Winding Creek” – Village C-22
(as of May 1, 2023)**

Floor Plan	Square Footage	Total Number of Planned Units	Projected Base Sales Price⁽¹⁾
Plan 1	1,651	10	\$534,990
Plan 2	1,823	18	550,990
Plan 3	2,020	26	570,990
Plan 4	2,177	28	586,990
Totals		82	

(1) Base sales prices are as of May 1, 2023. Base sales prices exclude lot premiums, options and extras and any incentives or price reductions. Base sales prices are subject to change.

Status of Development. Meritage anticipates commencing construction of the model homes and first phase of production homes in June 2023. First sales to homeowners are anticipated by November 2023.

Meritage’s development expectations described above are based on Meritage’s current plans. These plans may change due to changes in economic and market conditions or other factors. No assurance can be given that home construction and sales will be carried out on the schedule and according to the plans described herein, or that the home construction and sale plans or base prices set forth above will not change after the date of this Official Statement. Meritage reserves the right to change its development plans at any time without notice. Additionally, homes under contract to be sold may not result in closed escrows as sales contracts are subject to cancellation by the homebuyer. See “SPECIAL RISK FACTORS — Property Values and Property Development – Risks of Real Estate Secured Investments Generally.”

Financing Plan. Meritage intends to finance the development of its neighborhood within Village C-22 using internal sources (which may include funding from its parent company and home sales proceeds). As of May 1, 2023, Meritage has expended approximately \$9.3 million on its development in Improvement Area No. 2, including land in acquisition costs, site development costs, permits and fees, direct and indirect home construction costs, and marketing and sales costs and expenses, and anticipated expending an additional approximately \$26.3 million to complete the development, including site development costs, permits and fees, direct and indirect home construction costs, and marketing and sales costs and expenses.

No assurance can be given that amounts necessary to fund the planned development by Meritage in Improvement Area No. 2 will be available when needed. Neither Meritage nor any other entity or person is under any legal obligation of any kind to expend funds for the

development of the property as planned by Meritage in Improvement Area No. 2. Any contributions by Meritage or any other entity or person to fund the costs of such development are entirely voluntary. Meritage has no legal obligation to Bond holders to make any such funds available for construction or development, or the payment of ad valorem property taxes or the Special Taxes. Many factors beyond Meritage's control, or a decision by Meritage to alter its current plans, may cause the actual sources and uses to differ from the projections.

If and to the extent that internal funding, including but not limited to home sales revenues and corporate financing from Meritage's parent company, is inadequate to pay the costs to complete the planned development by Meritage within Improvement Area No. 2 and other financing by Meritage is not put into place, there could be a shortfall in the funds required to complete the proposed development by Meritage in Improvement Area No. 2 and the remaining portions of Meritage's project in Improvement Area No. 2 may not be developed. See "SPECIAL RISK FACTORS – Property Values and Property Development" herein.

D.R. Horton

Ownership. As previously defined in this Official Statement "D.R. Horton" is D.R. Horton CA2, Inc., a California corporation. D.R. Horton is a wholly-owned subsidiary of D.R. Horton, Inc., a Delaware corporation ("**D.R. Horton, Inc.**"). D.R. Horton, Inc. is a public company whose common stock is traded on the NYSE under the symbol "DHI." Founded in 1978 and headquartered in Arlington, Texas, D.R. Horton, Inc. constructs and sells homes through its operating divisions in 106 markets in 33 states under the names of D.R. Horton, America's Builder, Emerald Homes, Express Homes and Freedom Homes.

D.R. Horton, Inc. is subject to the informational requirements of the Exchange Act, and in accordance therewith files reports, proxy statements and other information, including financial statements, with the SEC. Such filings, particularly, D.R. Horton, Inc.'s Annual Report on Form 10-K for the fiscal year ended September 30, 2022, as filed with the SEC on November 18, 2022, and D.R. Horton's Quarterly Report on Form 10-Q for the quarter ended March 31, 2023, as filed with the SEC on April 24, 2023, set forth certain data relative to the consolidated results of operations and financial position of D.R. Horton, Inc. and its subsidiaries, including D.R. Horton, as of such dates.

The SEC maintains an Internet web site that contains reports, proxy and information statements and other information regarding registrants that file electronically with the SEC, including D.R. Horton, Inc. The address of such Internet web site is www.sec.gov. All documents subsequently filed by D.R. Horton, Inc. pursuant to the requirements of the Exchange Act after the date of this Official Statement will be available for inspection in such manner as the SEC prescribes.

Copies of D.R. Horton, Inc.'s Annual Report and each of its other quarterly and current reports, including any amendments, are available from D.R. Horton, Inc.'s website at www.drhorton.com.

The foregoing internet addresses and references to filings with the SEC are included for reference only, and the information on such internet sites and on file with the SEC are not a part of this Official Statement and are not incorporated by reference into this Official Statement. No representation is made in this Official Statement as to the accuracy or adequacy of the information contained on such sites, and such sites have not been reviewed by the Authority or the

Underwriter. Neither D.R. Horton nor D.R. Horton Inc. is obligated to advance funds for construction or development or to pay ad valorem property taxes or the Special Taxes, and investors should not rely on the information and financial statements contained on such internet sites in evaluating whether to buy, hold or sell the Bonds.

Hearthstone Landbank. Hearthstone Landbank is ultimately controlled by Hearthstone, Inc., a California corporation (“**Hearthstone**”). Hearthstone is devoted exclusively to managing institutional capital for residential housing developments. Hearthstone’s investments include single-family subdivisions, condominium and townhouse developments, master planned communities, land development projects and mixed-use communities. Hearthstone was the first, and today is the largest, institutional investment manager in the country that is dedicated to the residential building industry. At the time Hearthstone was organized in 1992, homebuilders across the United States were suffering from a shortage of capital resulting from changes in federal laws affecting the banking industry and from a loss of investor confidence in real estate. Hearthstone was organized in response to this capital shortage and in recognition of the long-term investment opportunity that single-family homebuilding presents for institutional investors. Hearthstone manages funds for numerous public and private pension plans, university endowments, Fortune 100 companies, and large private trusts. Hearthstone invests these funds on behalf of its investors in homebuilding and residential lot development projects with public and private homebuilders in select target markets throughout the United States. Hearthstone has funded and managed over \$16.5 billion in investments to construct over 140,000 homes and lots in 22 states since its inception. Hearthstone’s principal office is located in Calabasas, California.

Development Plan.

As of April 20, 2023, the Master Developer had closed the sale of 77 lots within Improvement Area No. 2 to Hearthstone Landbank. Concurrent with the sale of the 77 lots to Hearthstone Landbank, D.R. Horton entered into a separate option agreement with Hearthstone Landbank whereby D.R. Horton will have the option, but not the obligation, to purchase the 77 lots from Hearthstone Landbank pursuant to the following takedown schedule. There is no guaranty that D.R. Horton will acquire the 77 lots from Hearthstone Landbank as planned.

Takedown Schedule
Under D.R. Horton Option Agreement – For Hearthstone Landbank Lots

Scheduled Acquisition Date	Lots Scheduled to be Acquired	Cumulative Number of Lots to be Acquired
8/9/23	18	18
12/5/23	17	35
3/5/24	16	51
6/6/24	18	69
9/5/24	8	77
Total:	77	

Following acquisition of the 77 lots in Improvement Area No. 2 owned by Hearthstone Landbank, D.R. Horton plans to construct a total of 77 single-family detached homes thereon in a single neighborhood known as Village C-21, to be marketed as “Dragonfly at Winding Creek.” The proposed product mix for the homes planned to be constructed by D.R. Horton within this neighborhood is set forth in the following tables.

**Dragonfly at Winding Creek” – Village C-21
(as of May 1, 2023)**

Floor Plan	Square Footage	Total Number of Planned Units	Projected Base Sales Price⁽¹⁾
Plan 1	1,567	25	TBD
Plan 2	1,615	26	TBD
Plan 7	1,631	26	TBD
Totals		77	

(1) As of May 1, 2023, initial base sales prices were not yet available. Base sales prices exclude lot premiums, options and extras and any incentives or price reductions. Base sales prices are subject to change.

Status of Development. D.R. Horton anticipates commencing construction of the model homes and first phase of production homes in August, 2023. First sales to homeowners are anticipated by October, 2023.

D.R. Horton’s development expectations described above are based on D.R. Horton’s current plans. These plans may change due to changes in economic and market conditions or other factors. No assurance can be given that home construction and sales will be carried out on the schedule and according to the plans described herein, or that the home construction and sale plans or base prices set forth above will not change after the date of this Official Statement. D.R. Horton reserves the right to change its development plans at any time without notice. Additionally, homes under contract to be sold may not result in closed escrows as sales contracts are subject to cancellation by the homebuyer. See “SPECIAL RISK FACTORS — Property Values and Property Development – Risks of Real Estate Secured Investments Generally.”

Financing Plan. D.R. Horton intends to finance the acquisition and development of its neighborhood within Village C-21 using internal sources (which may include funding from its parent company and home sales proceeds). As of May 1, 2023, D.R. Horton has expended approximately \$246,394 on its development within Improvement Area No. 2, which primarily consisted of initial development costs. D.R. Horton anticipates expending an additional approximately \$32,256,009 to complete the development, including land acquisition costs, site development costs, permits and fees, direct and indirect home construction costs, and marketing and sales costs and expenses.

No assurance can be given that amounts necessary to fund the planned development by D.R. Horton in Improvement Area No. 2 will be available when needed. Neither D.R. Horton nor any other entity or person is under any legal obligation of any kind to expend funds for the development of the property as planned by D.R. Horton in Improvement Area No. 2. Any contributions by D.R. Horton or any other entity or person to fund the costs of such development are entirely voluntary. D.R. Horton has no legal obligation to Bond holders to make any such funds available for construction or development, or the payment of ad valorem property taxes or the Special Taxes. Many factors beyond D.R. Horton’s control, or a decision by D.R. Horton to alter its current plans, may cause the actual sources and uses to differ from the projections.

If and to the extent that internal funding, including but not limited to home sales revenues and corporate financing from D.R. Horton' parent company, is inadequate to pay the costs to complete the planned development by D.R. Horton within Improvement Area No. 2 and other financing by D.R. Horton is not put into place, there could be a shortfall in the funds required to complete the proposed development by D.R. Horton in Improvement Area No. 2 and the remaining portions of D.R. Horton' project in Improvement Area No. 2 may not be developed. See "SPECIAL RISK FACTORS – Property Values and Property Development" herein.

Increasing Mortgage Interest Rates and Banking Uncertainty

Most of the purchasers of the Merchant Builders' homes finance their acquisitions with mortgage financing. As such, rising interest rates, decreased availability of mortgage financing or of certain mortgage programs, higher down payment requirements, or increased monthly mortgage costs could have a negative impact on the estimated absorption rates of the Merchant Builders' planned for-sale homes in Improvement Area No. 2. Further, a combination of higher mortgage rates, delays in construction stemming from delays in the supply chain, homebuyers' inability to sell their existing homes and adverse changes in local, regional or national economic conditions, among other factors, could contribute to an increase in the Merchant Builders' rate of home order cancellations. An increase in the level of such cancellations could similarly have a negative impact on the estimated absorption rates of the Merchant Builders' planned for-sale homes in Improvement Area No. 2.

Impact of Economic Conditions on the Development in Improvement Area No. 2

Certain events and factors which negatively affect the regional, State and national economies could have an adverse effect on the pace at which Woodside is able to complete and sell homes and demand by and the ability of individuals to purchase homes within Improvement Area No. 2. Such events and factors could include rising inflation and interest rates, persistent supply chain issues, further impacts of the COVID-19 pandemic and global market instability caused by the war in Ukraine. Any adverse impact of the foregoing and other economic factors on the projects in Improvement Area No. 2 and the real estate market in general cannot be predicted.

Amid an unexpected run on deposits, the Federal Deposit Insurance Corporation (the "FDIC") announced on March 10, 2023 that it had been appointed as receiver for Silicon Valley Bank ("SVB"), a large California bank and the 16th largest bank in the United States, and was liquidating SVB as a going concern. Additionally, on March 12, 2023, the FDIC announced that it had been appointed as receiver for Signature Bank, another large regional bank. However, the United States Treasury Department, the Federal Reserve and the FDIC issued a joint statement that all deposits at both institutions would be honored, regardless of dollar amount. Since such actions, there has been uncertainty and concern in the financial markets that there may be additional bank liquidity issues.

VALUE OF PROPERTY WITHIN IMPROVEMENT AREA NO. 2

The Appraisal

General. Integra Realty Resources, Sacramento, California (the “**Appraiser**”) prepared an appraisal report with a date of value of May 1, 2023 (the “**Appraisal**”). The Appraisal was prepared at the request of the City. The Appraisal is set forth in APPENDIX B hereto. The description herein of the Appraisal is intended for limited purposes only; the Appraisal should be read in its entirety. The conclusions reached in the Appraisal are subject to certain assumptions and qualifications which are set forth in the Appraisal.

Property Appraised. The appraised properties consist of all of the taxable property within Improvement Area No. 2, which consists of “phase 3” and “phase 4” of the larger Creekview Development. The final maps for Phase 3 (330 lots) recorded in August 2022 and lot construction was completed in March 2023. Phase 4 (231 lots) is currently under development; final maps are anticipated to be created and recorded by September 2024. All four villages in phase 3 of the project recently transferred to the Merchant Builders, as described elsewhere herein.

Value Estimates. The Appraisal provides a market value of the appraised property as of the date of value (based on the hypothetical condition the improvements to be financed by the 2023 Bonds were in place as of the date of valuation). The valuation accounts for the impact of the lien of the Special Tax and represents the hypothetical market value (based on the hypothetical condition) of all the land in Improvement Area No. 2. The property appraised excludes property in Improvement Area No. 2 designated for public and quasi-public purposes.

The aggregate value estimate for the appraised properties as of the date of value, using the methodologies described in the Appraisal and subject to the limiting conditions and special assumptions and the hypothetical condition set forth in the Appraisal, and based on the ownership of the property as of that date, is \$56,272,000. For information on how the values were allocated among parcels and ownership, see APPENDIX B.

Hypothetical Condition. *The value estimate is subject to a hypothetical condition, defined as that which is contrary to what exists but is supposed for the purposes of analysis. For purposes of the hypothetical condition, the Appraiser assumed that certain proceeds of the 2023 Bonds are available to reimburse for certain infrastructure improvements already completed or impact fees paid.*

Extraordinary Assumptions. The estimate of value set forth in the Appraisal is based on a number of extraordinary assumptions, including the following:

- According to the cost budget provided to the Appraiser, the Master Developer is obligated to complete significant infrastructure improvements benefitting both the subject property, as well as adjacent projects in Fiddymont Farms, Westpark and the Amoruso Specific Plan. Such development includes improvements to Blue Oaks Boulevard and Westbrook Boulevard. Completion of these improvements will generate City credits and/or reimbursements from future developers.
- The intent of the Appraisal is to capture the increment of benefit associated with completion of the area wide improvements by the Master Developer. Should such credits/reimbursements not be received by the Master Developer, the estimate of value in the Appraisal would likely be negatively impacted.

Assumptions and Limiting Conditions. In considering the estimate of value evidenced by the Appraisal, the Appraisal is based upon a number of standard and special assumptions which affect the estimates as to value. For example, the Appraiser has assumed that there is no adverse soil conditions, toxic substances or other environmental hazards that would interfere or inhibit development of the appraised property. Should future conditions and events reduce the level of permitted development or delay the completion of any projected development, the value of the undeveloped land would likely be reduced from that estimated by the Appraiser. See “APPENDIX B – THE APPRAISAL.”

Accordingly, because the Appraiser arrived at an estimate of current market value based upon certain assumptions which may or may not be fulfilled, no assurance can be given that should the parcels become delinquent due to unpaid Special Taxes, and be foreclosed upon and offered for sale for the amount of the delinquency, that any bid would be received for such property or, if a bid is received, that such bid would be sufficient to pay such delinquent Special Taxes.

Exposure Time. Exposure time is the length of time the subject property would have been exposed for sale in the market had it sold on the effective valuation date at the concluded market value. Exposure time is always presumed to precede the effective date of the Appraisal. Based on the Appraiser’s review of recent sales transactions for similar properties and its analysis of supply and demand in the local land market, the Appraiser’s opinion was that the probable exposure time for the appraised property at the concluded market value stated previously is 12 months.

Marketing Time. Marketing time is an estimate of the amount of time it might take to sell a property at the concluded market value immediately following the effective date of value. As the Appraiser foresees no significant changes in market conditions in the near term, the Appraiser’s opinion was that a reasonable marketing period for the appraised property in bulk is likely to be the same as the exposure time. Accordingly, the Appraiser estimated the marketing period at 12 months or less.

No assurance can be given that a sale of the property in bulk through foreclosure could be achieved or attained over an extended period of time; real estate is cyclical in nature, and it is impossible to accurately forecast and project specific demand over a particular period. See “SPECIAL RISK FACTORS – Property Values and Property Development.”

Limitations of Appraisal Valuation. Property values may not be evenly distributed throughout Improvement Area No. 2; thus, certain parcels may have a greater value than others. This disparity is significant because in the event of nonpayment of the Special Tax, the only remedy is to foreclose against the delinquent parcel.

No assurance can be given that the foregoing valuation can or will be maintained during the period of time that the 2023 Bonds are outstanding in that the City has no control over the market value of the property within Improvement Area No. 2 or the amount of additional indebtedness that may be issued in the future by other public agencies, the payment of which, through the levy of a tax or an assessment, may be on a parity with the Special Taxes. See “–Overlapping Liens and Priority of Lien” below.

For a description of certain risks that might affect the assumptions made in the Appraisal, see “SPECIAL RISK FACTORS” herein.

Value to Special Tax Burden Ratios

In comparing the value of the real property within Improvement Area No. 2 and the principal amount of the Bonds, it should be noted that only the real property upon which there is a delinquent Special Tax can be foreclosed upon, and the real property within Improvement Area No. 2 cannot be foreclosed upon as a whole to pay delinquent Special Taxes of the owners of such parcels within Improvement Area No. 2 unless all of the property is subject to a delinquent Special Tax. In any event, individual parcels may be foreclosed upon separately to pay delinquent Special Taxes levied against such parcels.

Other public agencies whose boundaries overlap those of Improvement Area No. 2 could, without the consent of the City and in certain cases without the consent of the owners of the land within Improvement Area No. 2, impose additional taxes or assessment liens on the land within Improvement Area No. 2. Property owners can also voluntarily add Property Assessed Clean Energy (PACE) assessment liens on their property to finance energy efficiency improvements. The lien created on the land within Improvement Area No. 2 through the levy of such additional taxes or assessments may be on a parity with the lien of the Special Tax. In addition, construction loans may be obtained by the Master Developer and subsequent merchant homebuilders, and home loans may be obtained by ultimate homeowners. The deeds of trust securing such debt on property within Improvement Area No. 2, however, will be subordinate to the lien of the Special Tax.

Appraised Value to Lien Ratios by Development Status and Land Use. The following table sets forth appraised value, maximum special facilities tax, allocable debt, and value to lien ratios by development status and land use in Improvement Area No. 2 as of May 1, 2023 (the Appraiser's date of value), based on the assumptions detailed therein.

Table 7

* Preliminary, subject to change.

(1) Ownership, Development Status and Land Use as of May 1, 2023.

(2) Appraised Values as of May 1, 2023.

(3) Maximum Tax refers to Maximum Annual Facilities Special Tax.

(4) Special Tax refers to Special Facilities Tax.

(5) Represents the [estimated]* par amount of the 2023 Bonds.

(6) The value to lien ratios of the 4 undeveloped parcels comprising of Phase 4 are shown as "N/A" since this table allocates CFD Bonded Debt using each parcel's share of the projected FY 2023-24 Special Tax levy and none of the Phase 4 territory is expected to be levied in FY 2023-24. Should the appraised value of the Phase 4 parcels be considered in the Improvement Area's overall value to lien ratio, it would be 3.56 to 1.

(7) Represents the overlapping debt liens of the Improvement Area's parcels as of June 1, 2023 as summarized under "Table 8 Direct and Overlapping Tax and Assessment Debt" from the overlapping debt report prepared by California Municipal Statistics, Inc. No direct charges related to PACE liens secured by Special Taxes were levied onto the Improvement Area's parcels in FY 2022-23.

No History of Special Tax Collections

Fiscal Year 2023-24 is the first year in which the Special Tax is being levied in Improvement Area No. 2. Accordingly, there is no history of special tax collections.

Overlapping Liens and Priority of Lien

The principal of and interest on the Bonds are payable from the Special Tax authorized to be collected within Improvement Area No. 2, and payment of the Special Tax is secured by a lien on certain real property within Improvement Area No. 2. Such lien is co-equal to and independent of the lien for general taxes and any other liens imposed under the Act, regardless of when they are imposed on the property in Improvement Area No. 2. The imposition of additional special taxes, assessments and general property taxes will increase the amount of independent and co-equal liens which must be satisfied in foreclosure. The City, the County and certain other public agencies are authorized by the Act to form other community facilities districts and improvement areas and, under other provisions of State law, to form special assessment districts, either or both of which could include all or a portion of the land within Improvement Area No. 2.

Set forth below is an overlapping debt table showing the existing direct and overlapping bonded debt payable with respect to property within Improvement Area No. 2. This table has been prepared by California Municipal Statistics Inc. as of the date indicated, and is included for general information purposes only. The City has not reviewed the data for completeness or accuracy and makes no representations in connection therewith. In addition to bonded debt, property in Improvement Area No. 2 is also subject to special taxes authorized to be levied on behalf of the City's Creekview Community Facilities District No. 2 (Public Services) and Community Facilities District No. 3 (Municipal Services) for municipal services, which districts provide for escalating annual special taxes on residential property.

There can be no assurance that the Master Developer, its affiliates or any subsequent owner will not petition for the formation of other community facilities districts and improvement areas or for a special assessment district or districts and that parity special taxes or special assessments will not be levied by the County or some other public agency to finance additional public facilities; however, no other special districts are currently contemplated by the City or the Master Developer.

Private liens, such as deeds of trust securing loans obtained by the Master Developer, may be placed upon property in Improvement Area No. 2 at any time. Under California law, the Special Taxes have priority over all existing and future private liens imposed on property subject to the lien of the Special Taxes.

Estimated Overall Tax Burden

The following table shows the estimated overall tax burden for representative single-family residential homes in Improvement Area No. 2 (both LDR and MDR types), for Fiscal Year 2023-24. As shown in the table, the overall estimated tax burden was approximately 1.63% for MDR homes and 1.67% for LDR homes, respectively.

SPECIAL RISK FACTORS

The purchase of the 2023 Bonds described in this Official Statement involves a degree of risk that may not be appropriate for some investors. The following includes a discussion of some of the risks that should be considered before making an investment decision.

Limited Obligation of the City to Pay Debt Service

The City has no obligation to pay principal of and interest on the 2023 Bonds in the event Special Tax collections are delinquent, other than from amounts, if any, on deposit in the 2023 Reserve Account of the Reserve Fund or funds derived from the tax sale or foreclosure and sale of parcels on which levies of the Special Tax are delinquent, nor is the City obligated to advance funds to pay such debt service on the 2023 Bonds. The 2023 Bonds are not general obligations of the City but are limited obligations of the City, payable solely from the proceeds of the Special Tax and certain funds held under the Fiscal Agent Agreement, including amounts deposited in the 2023 Reserve Account of the Reserve Fund and investment income thereon, and the proceeds, if any, from the sale of property in the event of a foreclosure. See “SECURITY AND SOURCES OF PAYMENT FOR THE BONDS.” Any tax for the payment of the 2023 Bonds will be limited to the Special Tax to be collected within Improvement Area No. 2.

Concentration of Ownership

Land in Improvement Area No. 2 is 100% owned by the Master Developer and the Merchant Builders. No assurance can be given that the Merchant Builders will complete homes on the lots that they purchase and sell the lots to individual homeowners on the timeline projected in this Official Statement or at all. In addition, no assurance can be given that the Master Developer will complete the sale of additional lots to merchant builders and others on the timeline projected by the Master Developer in this Official Statement.

Owners of property are not personally obligated to pay the Special Tax attributable to their property. Rather, the Special Tax is an obligation only against the parcel of property, secured by the amount which could be realized in a foreclosure proceeding against the property, and not by any promise of the owner to pay. If the value of the property is not sufficient, taking into account other obligations also constituting a lien against the property, the City, Fiscal Agent and owners of the 2023 Bonds have no recourse against the owner, such as filing a lawsuit to collect money.

Failure of the Master Developer, any of the Merchant Builders or any other future owner of significant property subject to the Special Taxes in Improvement Area No. 2 to pay installments of Special Taxes when due could cause the depletion of amounts in the 2023 Reserve Account of the Reserve Fund prior to reimbursement from the resale of foreclosed property or payment of the delinquent Special Tax and, consequently, result in the delinquency rate reaching a level that would cause an insufficiency in collection of the Special Tax to timely pay debt service on the 2023 Bonds. In that event, there could be a delay or failure in payments on the 2023 Bonds. See “– Bankruptcy and Foreclosure Delays” below and “SECURITY AND SOURCES OF PAYMENT FOR THE BONDS – Delinquent Payments of Special Tax; Covenant for Superior Court Foreclosure.”

Appraised Values

The Appraisal summarized in APPENDIX B estimates the market value of the taxable property within Improvement Area No. 2. This market value is merely the present opinion of the Appraiser, and is subject to the assumptions and limiting conditions stated in the Appraisal. The City

has not sought the present opinion of any other appraiser of the value of the taxed parcels. A different present opinion of value might be rendered by a different appraiser.

The opinion of value relates to sale by a willing seller to a willing buyer as of the date of valuation, each having similar information and neither being forced by other circumstances to sell or to buy. Consequently, the opinion is of limited use in predicting the selling price at a foreclosure sale, because the sale is forced and the buyer may not have the benefit of full information.

In considering the estimates of value evidenced by the appraisal, it should be noted that the appraisal is based upon a number of standard and special assumptions which affect the estimates as to value, in addition to hypothetical conditions, as set forth in the Appraisal (see APPENDIX B hereto). Some of the improvements to be financed by the 2023 Bonds were not in place as of the date of inspection; thus, the value estimate is subject to a hypothetical condition (of such improvements being in place)

In addition, the opinion is a present opinion. It is based upon present facts and circumstances. Differing facts and circumstances may lead to differing opinions of value. The appraised market value is not evidence of future value because future facts and circumstances may differ significantly from the present.

No assurance can be given that any of the appraised property in Improvement Area No. 2 could be sold in a foreclosure for the estimated market value contained in the Appraisal. Such sale is the primary remedy available to Bondowners if that property should become delinquent in the payment of Special Taxes.

Property Values and Property Development

The value of Taxable Parcels within Improvement Area No. 2 is a critical factor in determining the investment quality of the 2023 Bonds. If a property owner defaults in the payment of the Special Tax, the City may bring an action to foreclose on the delinquent property in an attempt to obtain funds with which to pay debt service on the 2023 Bonds. Land development and land values could be adversely affected by economic and other factors beyond the City's control, such as: a general economic downturn; adverse judgments in future litigation that could affect the scope, timing or viability of development; relocation of employers out of the area; stricter land use regulations; shortages of water, electricity, natural gas or other utilities; destruction of property caused by earthquake, flood or other natural disasters; environmental pollution or contamination.

The Appraisal information included as APPENDIX B sets forth certain assumptions of the Appraiser in estimating the market value of the property within Improvement Area No. 2 as of the date indicated. No assurance can be given that the land values are accurate if these assumptions are incorrect or that the values will not decline in the future if one or more events, such as natural disasters or adverse economic conditions, occur. See "Appraised Values" above.

Neither the City nor the Underwriter has evaluated development risks. Since these are largely business risks of the type that property owners customarily evaluate individually, and inasmuch as changes in land ownership may well mean changes in the evaluation with respect to any particular parcel, the City is issuing the 2023 Bonds without regard to any such evaluation. Thus, the issuance of the 2023 Bonds in no way implies that the City or the Underwriter has evaluated these risks or the reasonableness of these risks.

The following is a discussion of specific risk factors that could affect the timing or scope of property development in Improvement Area No. 2 or the value of property in Improvement Area No. 2. See also “– Covid-19 Pandemic” below.

Land Development. Land values are influenced by the level of development in the area in many respects.

First, undeveloped or partially developed land is generally less valuable than developed land and provides less security to the owners of the 2023 Bonds should it be necessary for the City to foreclose on undeveloped or partially developed property due to the nonpayment of Special Taxes.

Second, failure to complete development on a timely basis could adversely affect the land values of those parcels that have been completed. Lower land values would result in less security for the payment of principal of and interest on the 2023 Bonds and lower proceeds from any foreclosure sale necessitated by delinquencies in the payment of the Special Tax. See “VALUE OF PROPERTY WITHIN IMPROVEMENT AREA NO. 2 – Value to Special Tax Burden Ratios.” No assurance can be given that the proposed development within Improvement Area No. 2 will be completed, and in assessing the investment quality of the 2023 Bonds, prospective purchasers should evaluate the risks of noncompletion.

Neither the Master Developer nor the Merchant Builders provide any assurances to the City that the project will be developed or that sources of financing that will actually be available will be sufficient to complete the currently projected development. Neither the Master Developer nor the Merchant Builders have any obligation to the City or to owners of the 2023 Bonds to complete the project overall or their particular developments therein.

Risks of Real Estate Investment Generally. Continuing development of land within Improvement Area No. 2 may be adversely affected by changes in general or local economic conditions, fluctuations in the real estate market, increased construction costs, development, financing and marketing capabilities of individual property owners, water or electricity shortages, and other similar factors. Development in Improvement Area No. 2 may also be affected by development in surrounding areas, which may compete with development in Improvement Area No. 2. In addition, land development operations are subject to comprehensive federal, state and local regulations, including environmental, land use, zoning and building requirements. There can be no assurance that proposed land development operations within Improvement Area No. 2 will not be adversely affected by future government policies, including, but not limited to, governmental policies to restrict or control development, or future growth control initiatives. There can be no assurance that land development operations within Improvement Area No. 2 will not be adversely affected by these risks. See also “– COVID-19 Pandemic” below.

Natural Disasters. The value of the parcels in Improvement Area No. 2 in the future can be adversely affected by a variety of natural occurrences, particularly those that may affect infrastructure and other public improvements and private improvements on the parcels in Improvement Area No. 2 and the continued habitability and enjoyment of such private improvements. For example, the areas in and surrounding Improvement Area No. 2, like those in much of California, may be subject to earthquakes or other unpredictable seismic activity, however, Improvement Area No. 2 is not located in a seismic special studies zone.

Other natural disasters could include, without limitation, landslides, floods, droughts, wildfires or tornadoes. One or more natural disasters could occur and could result in damage to improvements of varying seriousness. Although the land in Improvement Area No. 2 is not in a high-

risk area (or a special fire hazard severity zone) for wildfires, landslides, floods, or tornadoes, natural disasters such as these are unpredictable and may occur anywhere throughout the State, with devastating consequences. The damage may entail significant repair or replacement costs and that repair or replacement may never occur either because of the cost, or because repair or replacement will not facilitate habitability or other use, or because other considerations preclude such repair or replacement. Under any of these circumstances there could be significant delinquencies in the payment of Special Taxes, and the value of the parcels may well depreciate.

Drought. California has been subject to droughts from time-to-time in the past. Although the City does not believe the current drought or any future drought would impact development in Improvement Area No. 2, no assurances can be given in this regard.

The City employs a portfolio approach to its water supplies which includes the use of surface water, groundwater and recycled water. This portfolio approach is designed to provide a more reliable water supply. Surface water is the City's primary water supply which is delivered from the Folsom Reservoir under contracts with the Bureau of Reclamation and the Placer County Water Agency. The City also uses groundwater to supplement its surface water supplies during emergency and drought conditions. These ground water wells are designated to accommodate Aquifer Storage and Recovery ("**ASR**"). The City's ASR program allows for the storage of treated surface water in the groundwater basin through direct injection through the ASR wells. This water can be extracted later from the same wells for use during emergency or drought conditions. This water "banking" allows the City to use groundwater without significant impact to the ground water table when surface water supplies are limited. The City also uses recycled water generated from its wastewater treatment facilities for irrigation purposes in commercial landscaping, public rights-of way, parks and golf courses. The use of recycled water reduces the demand for treated water for these purposes and leaving more for domestic use. However, no assurance can be given that a future drought affecting homes in Improvement Area No. 2 would not result in decreased values.

The City indicates it has adequate surface water and groundwater supplies to satisfy the planned development of property in Improvement Area No. 2 in accordance with applicable law and regulations. However, in the event that the City's water supply is severely limited or cut off by virtue of future actions beyond its control resulting from ongoing or future drought conditions, development within Improvement Area No. 2 may be delayed or even stopped. The Development Agreement provides that should the City need to restrict development it must do so City-wide and cannot single out the Creekview property in restricting development activity. Any reduction or interruption in the water supply would also likely cause a reduction in the land value and thus a reduction in the security in the event of a need to foreclose on land within Improvement Area No. 2 following a delinquency in the payment of Special Taxes.

Legal Requirements. Other events that may affect the value of a parcel include changes in the law or application of the law. Such changes may include, without limitation, local growth control initiatives, local utility connection moratoriums and local application of statewide tax and governmental spending limitation measures. Development in Improvement Area No. 2 may also be adversely affected by the application of laws protecting endangered or threatened species.

Hazardous Substances. Any discovery of a hazardous substance detected on property within Improvement Area No. 2 would affect the marketability and the value of some or all of the property in Improvement Area No. 2. In that event, the owners and operators of a parcel within Improvement Area No. 2 may be required by law to remedy conditions of the parcel relating to releases or threatened releases of hazardous substances. The federal Comprehensive Environmental Response, Compensation and Liability Act of 1980, sometimes referred to as

“CERCLA” or the “Superfund Act,” is the most well-known and widely applicable of these laws. California laws with regard to hazardous substances are also applicable to property within Improvement Area No. 2 and are as stringent as the federal laws. Under many of these laws, the owner (or operator) is obligated to remedy a hazardous substance condition of property whether or not the owner (or operator) has anything to do with creating or handling the hazardous substance. The effect, therefore, should any of the parcels be contaminated by a hazardous substance is to reduce the marketability and value of the parcel by the costs of remedying the condition, because the purchaser, upon becoming owner, will become obligated to remedy the condition just as is the seller.

The values set forth in the Appraisal do not take into account the possible reduction in marketability and value of any of the parcels within Improvement Area No. 2 by reason of the possible liability of the owner (or operator) for the remedy of a hazardous substance condition on a parcel. Although the City is not aware that the owner (or operator) of any of the property within Improvement Area No. 2 has a current liability for a hazardous substance with respect to any of the parcels, it is possible that such liabilities do currently exist and that the City is not aware of them.

Further, it is possible that liabilities may arise in the future with respect to any of the parcels within Improvement Area No. 2 resulting from the existence, currently, on the parcel of a substance presently classified as hazardous but which has not been released or the release of which is not presently threatened, or may arise in the future resulting from the existence, currently, on the parcel of a substance not presently classified as hazardous but which may in the future be so classified. Further, such liabilities may arise not simply from the existence of a hazardous substance but from the method of handling it. All of these possibilities could significantly affect the value of a parcel within Improvement Area No. 2 that is realizable upon a foreclosure sale.

Endangered and Threatened Species. It is illegal to harm or disturb any plants or animals in their habitat that have been listed as endangered species by the United States Fish & Wildlife Service under the Federal Endangered Species Act or by the California Fish & Game Commission under the California Endangered Species Act without a permit. Although the Master Developer believes that no federally listed endangered or threatened species would be affected by the proposed development within Improvement Area No. 2, other than any that are permitted by the entitlements already received (which allow for the impact of development and specify the mitigation required), the discovery of an endangered plant or animal could delay development of vacant property in Improvement Area No. 2 or reduce the value of undeveloped property.

Levy and Collection of Special Taxes

General. The principal source of payment of principal of and interest on the 2023 Bonds is the proceeds of the annual levy and collection of the Special Tax against property within Improvement Area No. 2.

Limitation on Maximum Special Tax Rate. The annual levy of the Special Tax is subject to the Maximum Annual Facilities Special Tax rate authorized in the Special Tax Formula. The levy cannot be made at a higher rate even if the failure to do so means that the estimated proceeds of the levy and collection of the Special Tax, together with other available funds, will not be sufficient to pay debt service on the 2023 Bonds.

In addition to the Maximum Annual Facilities Special Tax rate limitation in the Special Tax Formula, Section 53321(d) of the Act provides that the special tax levied against any parcel for which an occupancy permit for private residential use has been issued may not be increased as a

consequence of delinquency or default by the owner of any other parcel within a community facilities district by more than 10% above the amount that would have been levied in such Fiscal Year had there never been any such delinquencies or defaults. In cases of significant delinquency, these factors may result in defaults in the payment of principal of and interest on the 2023 Bonds.

No Relationship Between Property Value and Special Tax Levy. Because the Special Tax Formula is not based on property value, the levy of the Special Tax will rarely, if ever, result in a uniform relationship between the value of particular parcels of Taxable Property and the amount of the levy of the Special Tax against those parcels. Thus, there will rarely, if ever, be a uniform relationship between the value of the parcels of Taxable Property and their proportionate share of debt service on the 2023 Bonds, and certainly not a direct relationship.

Factors that Could Lead to Special Tax Deficiencies. The following are some of the factors that might cause the levy of the Special Tax on any particular parcel of Taxable Property to vary from the Special Tax that might otherwise be expected:

Transfers to Governmental Entities. The number of parcels of Taxable Property could be reduced through the acquisition of Taxable Property by a governmental entity and failure of the government to pay the Special Tax based upon a claim of exemption or, in the case of the federal government or an agency thereof, immunity from taxation, thereby resulting in an increased tax burden on the remaining taxed parcels.

Property Tax Delinquencies. Failure of the owners of Taxable Property to pay property taxes (and, consequently, the Special Tax), or delays in the collection of or inability to collect the Special Tax by tax sale or foreclosure and sale of the delinquent parcels, could result in a deficiency in the collection of Special Tax revenues. See “– Tax Delinquencies” below. There is currently no history of tax levies in Improvement Area No. 2.

Delays Following Special Tax Delinquencies and Foreclosure Sales. The Fiscal Agent Agreement generally provides that the Special Tax is to be collected in the same manner as ordinary *ad valorem* property taxes are collected and, except as provided in the special covenant for foreclosure described in “SECURITY AND SOURCES OF PAYMENT FOR THE BONDS – Delinquent Payments of Special Tax; Covenant for Superior Court Foreclosure” and in the Act, is subject to the same penalties and the same procedure, sale and lien priority in case of delinquency as is provided for ordinary *ad valorem* property taxes. Under these procedures, if taxes are unpaid for a period of five years or more, the property is deeded to the State and then is subject to sale by the County.

If sales or foreclosures of property are necessary, there could be a delay in payments to owners of the 2023 Bonds pending such sales or the prosecution of foreclosure proceedings and receipt by the City of the proceeds of sale if the 2023 Reserve Account of the Reserve Fund is depleted. See “SECURITY AND SOURCES OF PAYMENT FOR THE BONDS – Delinquent Payments of Special Tax; Covenant for Superior Court Foreclosure.”

The ability of the City to collect interest and penalties specified by State law and to foreclose against properties having delinquent Special Tax installments may be limited in certain respects with regard to properties in which the Federal Deposit Insurance Corporation (the “**FDIC**”) has or obtains an interest. The FDIC would obtain such an interest by taking over a financial institution that has made a loan that is secured by property within Improvement Area No. 2. See “– FDIC/Federal Government Interests in Properties” below.

Other laws generally affecting creditors' rights or relating to judicial foreclosure may affect the ability to enforce payment of Special Taxes or the timing of enforcement of Special Taxes. For example, the Soldiers and Sailors Civil Relief Act of 1940 affords protections such as a stay in enforcement of the foreclosure covenant, a six-month period after termination of military service to redeem property sold to enforce the collection of a tax or assessment and a limitation on the interest rate on the delinquent tax or assessment to persons in military service if the court concludes the ability to pay such taxes or assessments is materially affected by reason of such service.

FDIC/Federal Government Interests in Properties

General. The ability of the City to foreclose the lien of delinquent unpaid Special Tax installments may be limited with regard to properties in which the Federal Deposit Insurance Corporation (the "**FDIC**"), the Drug Enforcement Agency, the Internal Revenue Service, or other federal agency has or obtains an interest.

Federal courts have held that, based on the supremacy clause of the United States Constitution, in the absence of Congressional intent to the contrary, a state or local agency cannot foreclose to collect delinquent taxes or assessments if foreclosure would impair the federal government interest.

The supremacy clause of the United States Constitution reads as follows: "This Constitution, and the Laws of the United States which shall be made in Pursuance thereof; and all Treaties made, or which shall be made, under the Authority of the United States, shall be the supreme Law of the Land; and the Judges in every State shall be bound thereby, any Thing in the Constitution or Laws of any State to the contrary notwithstanding."

This means that, unless Congress has otherwise provided, if a federal governmental entity owns a parcel that is subject to Special Taxes within Improvement Area No. 2 but does not pay taxes and assessments levied on the parcel (including Special Taxes), the applicable state and local governments cannot foreclose on the parcel to collect the delinquent taxes and assessments.

Moreover, unless Congress has otherwise provided, if the federal government has a mortgage interest in the parcel and the City wishes to foreclose on the parcel as a result of delinquent Special Taxes, the property cannot be sold at a foreclosure sale unless it can be sold for an amount sufficient to pay delinquent taxes and assessments on parity with the Special Taxes and preserve the federal government's mortgage interest. In *Rust v. Johnson* (9th Circuit; 1979) 597 F.2d 174, the United States Court of Appeal, Ninth Circuit held that the Federal National Mortgage Association ("**FNMA**") is a federal instrumentality for purposes of this doctrine, and not a private entity, and that, as a result, an exercise of state power over a mortgage interest held by FNMA constitutes an exercise of state power over property of the United States.

Bankruptcy and Foreclosure Delays

The payment of the Special Tax and the ability of the City to foreclose the lien of a delinquent unpaid tax, as discussed in "SECURITY AND SOURCES OF PAYMENT FOR THE BONDS – Delinquent Payments of Special Tax; Covenant for Superior Court Foreclosure," may be limited by bankruptcy, insolvency or other laws generally affecting creditors' rights or by the laws of the State of California relating to judicial foreclosure. The various legal opinions to be delivered concurrently with the delivery of the 2023 Bonds (including Bond Counsel's approving legal opinion) will be qualified as to the enforceability of the various legal instruments by bankruptcy, insolvency,

reorganization, moratorium and other similar laws affecting creditors' rights, by the application of equitable principles and by the exercise of judicial discretion in appropriate cases.

Although bankruptcy proceedings would not cause the Special Taxes to become extinguished, bankruptcy of a property owner could result in a delay in prosecuting superior court foreclosure proceedings and could result in the possibility of delinquent Special Tax installments not being paid in full. Such a delay would increase the likelihood of a delay or default in payment of the principal of and interest on the 2023 Bonds. To the extent that property in Improvement Area No. 2 continues to be owned by a limited number of property owners, the chances are increased that the 2023 Reserve Account of the Reserve Fund established for the 2023 Bonds could be fully depleted during any such delay in obtaining payment of delinquent Special Taxes. As a result, sufficient moneys would not be available in the 2023 Reserve Account of the Reserve Fund for transfer to the Bond Fund to make up shortfalls resulting from delinquent payments of the Special Tax and thereby to pay principal of and interest on the 2023 Bonds on a timely basis.

To the extent that bankruptcy or similar proceedings were to involve a large property owner, the chances would increase the likelihood that the 2023 Reserve Account of the Reserve Fund could be fully depleted during any resulting delay in receiving payment of delinquent Special Taxes. As a result, sufficient monies would not be available in the 2023 Reserve Account of the Reserve Fund for transfer to the Bond Fund to make up any shortfalls resulting from delinquent payments of the Special Tax and thereby to pay principal of and interest on the 2023 Bonds on a timely basis.

On July 30, 1992, the United States Court of Appeals for the Ninth Circuit issued its opinion in a bankruptcy case entitled *In re Glasply Marine Industries*. In that case, the court held that *ad valorem* property taxes levied by Snohomish County in the State of Washington after the date that the property owner filed a petition for bankruptcy were not entitled to priority over a secured creditor with a prior lien on that property. The court upheld the priority of unpaid *ad valorem* taxes imposed before the bankruptcy petition (the "pre-petition taxes"), but unpaid taxes imposed after the filing of the bankruptcy petition ("post-petition taxes") were declared to be unsecured "administrative expenses" of the bankruptcy estate, and were therefore held to be payable from the bankruptcy estate only after payment of all secured creditors. As a result, the secured creditor of the property was able to foreclose on the property and retain all of the proceeds of the sale except for the amount of the pre-petition taxes.

According to the court's ruling, as administrative expenses, post-petition taxes would have to be paid, but only if the debtor had sufficient assets not subject to other perfected security interests to do so. In certain circumstances, payment of such administrative expenses may also be allowed to be deferred. Once the property is transferred out of the bankruptcy estate (through foreclosure or otherwise) it would at that time again become subject to and would secure liens for then current and future *ad valorem* taxes.

Glasply was controlling precedent on bankruptcy courts in the State of California for several years subsequent to the date of the Ninth Circuit's holding. Pursuant to state law, the lien date for general *ad valorem* property taxes levied in the State of California is the January 1 preceding the fiscal year for which the taxes are levied. Under the *Glasply* holding, a bankruptcy petition filing would have prevented the lien for general *ad valorem* property taxes levied in fiscal years subsequent to the filing of a bankruptcy petition from attaching and becoming a lien so long as the property was a part of the estate in bankruptcy. However, the *Glasply* holding was for the most part subsequently rendered inoperative with respect to the imposition of a lien for and the collection of *ad valorem* taxes by amendments to the federal Bankruptcy Code (Title 11 U.S.C.) which were part of the Bankruptcy Reform Act of 1994 (the "Bankruptcy Reform Act") passed by Congress during the

later part of 1994. The Bankruptcy Reform Act added a provision to the automatic stay section of the Bankruptcy Code which, pursuant to Section 362(b)(18) thereof, excepts from the Bankruptcy Code's automatic stay provisions, "the creation of a statutory lien for an *ad valorem* property tax imposed by . . . a political subdivision of a state, if such tax comes due after the filing of the petition" by a debtor in bankruptcy court. The effect of this provision is to continue the secured interest of *ad valorem* taxes on real property (i.e., post-petition taxes) in effect during the period following the filing of a bankruptcy petition, including during the period bankruptcy proceedings are pending.

Without further clarification by the courts or Congress, the original rationale of the *Glasply* holding could, however, still result in the treatment of post-petition special taxes as "administrative expenses," rather than as tax liens secured by real property, at least during the pendency of bankruptcy proceedings. This treatment might result from the fact that, although the lien of special taxes is of record from the date of the filing of a Notice of Special Tax Lien, the actual special tax is levied annually. As noted above, special taxes have a different lien date than the lien date for general *ad valorem* taxes in the State of California noted above. The lien of a Mello-Roos special tax attaches upon recordation of the notice of the special tax lien, as provided for in Section 53328.3 of the Act, as opposed to the annual January 1 lien date for general *ad valorem* taxes. Thus, in deciding whether the original *Glasply* ruling is applicable to a bankruptcy proceeding involving special taxes rather than general *ad valorem* property taxes, a court might consider the differences in the statutory provisions for creation of the applicable tax lien (general *ad valorem* or special tax) in determining whether there is a basis for post petition special taxes to be entitled to a lien on the property during pending bankruptcy proceedings. If a court were to apply *Glasply* to eliminate the priority of the special tax lien as a secured claim against property with respect to post-petition levies of the Special Taxes made against property owners within Improvement Area No. 2 who file for bankruptcy, collections of the Special Taxes from such property owners could be reduced as the result of being treated as "administrative expenses" of the bankruptcy estate. Also, and most importantly, is the fact that the original holding in *Glasply* and the mitigation of that holding by the Bankruptcy Reform Act of 1994 both appear to be applicable only to general *ad valorem* taxes, and, therefore, the exemption from the automatic stay in Section 362(b)(18) discussed above may not be applicable to special taxes since they were not expressly mentioned or provided for in this section, nor defined to be included within the term "*ad valorem* taxes."

Parity Taxes and Special Assessments; Private Debt

The City, the County and certain other public agencies are authorized by the Act to form other community facilities districts and improvement areas and, under other provisions of State law, to form special assessment districts, either or both of which could include all or a portion of the land within Improvement Area No. 2.

Property in Improvement Area No. 2 is currently subject to certain overlapping tax and assessment liens, as shown in the overlapping debt statement. Property in Improvement Area No. 2 is also subject to the special tax of two additional community facilities districts formed to fund services and known as the Creekview Community Facilities District No. 2 (Public Services) and the City's Community Facilities District No. 3 (Municipal Services). The property is not subject to any other special tax or assessment liens (other than the lien of the Special Tax). See "VALUE OF PROPERTY WITHIN IMPROVEMENT AREA NO. 2 – Estimated Tax Burden on Single Family Home."

In addition, other governmental obligations may be authorized and undertaken or issued in the future, the tax, assessment or charge for which may become an obligation of one or more of the parcels of taxable property and may be secured by a lien on a parity with the lien of the Special Tax

securing the 2023 Bonds. The principal of and interest on the 2023 Bonds are payable from the Special Tax authorized to be collected within Improvement Area No. 2, and payment of the Special Tax is secured by a lien on certain real property within Improvement Area No. 2. Such lien is co-equal to and independent of the lien for general taxes and any other liens imposed under the Act, regardless of when they are imposed on the property in Improvement Area No. 2. The imposition of additional special taxes, assessments and general property taxes will increase the amount of independent and co-equal liens which must be satisfied in foreclosure if unpaid. The City, the County and certain other public agencies are authorized by the Act to form other community facilities districts and improvement areas and, under other provisions of State law, to form special assessment districts, either or both of which could include all or a portion of the land within Improvement Area No. 2. Although the Special Taxes will generally have priority over non-governmental liens on a parcel of taxable property, regardless of whether the non-governmental liens were in existence at the time of the levy of the Special Tax or not, this result may not apply in the case of bankruptcy. See “– Bankruptcy and Foreclosure Delays” above.

There can be no assurance that property owners within Improvement Area No. 2 will not petition for the formation of other community facilities districts and improvement areas or for a special assessment district or districts and that parity special taxes or special assessments will not be levied by the County or some other public agency to finance additional public facilities. This includes PACE assessments which homeowners can request be placed on their home for financing energy improvements. In addition to liens for special taxes or assessments to finance public improvements of benefit to land within Improvement Area No. 2, owners of property may obtain loans from banks or other private sources which loans may be secured by a lien on the parcels in Improvement Area No. 2. Such loans would increase amounts owed by the owner of such parcel with respect to development of its property in Improvement Area No. 2. However, the lien of such private loans would be subordinate to the lien of the Special Taxes.

Tax Delinquencies

Under provisions of the Act, the Special Taxes will be billed to the properties within Improvement Area No. 2 on the regular property tax bills sent to owners of such properties. Such Special Tax installments are due and payable, and bear the same penalties and interest for nonpayment, as do regular property tax installments. Special Tax installment payments cannot be made separately from property tax payments. Therefore, the unwillingness or inability of a property owner to pay regular property tax bills as evidenced by property tax delinquencies may also indicate an unwillingness or inability to make regular property tax payments and Special Tax payments in the future.

The annual Special Tax will be billed and collected in two installments payable without penalty by December 10 and April 10. In the event such Special Taxes are not timely paid, moneys available to pay debt service on the 2023 Bonds becoming due on the subsequent respective March 1 and September 1 may be insufficient, except to the extent moneys are available in the 2023 Reserve Account of the Reserve Fund.

In the event of non-payment of Special Taxes, funds in the 2023 Reserve Account of the Reserve Fund, if available, may be used to pay principal of and interest on the 2023 Bonds. If funds in the 2023 Reserve Account of the Reserve Fund for the 2023 Bonds are depleted, the funds can be replenished from the proceeds of the levy and collection of the Special Tax that are in excess of the amount required to pay all amounts to be paid to the 2023 Bond holders pursuant to the Fiscal Agent Agreement. However, no replenishment from the proceeds of a Special Tax levy can occur as long as the proceeds that are collected from the levy of the Special Tax against property within

Improvement Area No. 2 at the maximum Special Tax rates, together with other available funds, remains insufficient to pay all such amounts. Thus it is possible that the 2023 Reserve Account of the Reserve Fund will be depleted and not be replenished by the levy of the Special Tax.

See “SECURITY AND SOURCES OF PAYMENT FOR THE BONDS – Delinquent Payments of Special Tax; Covenant for Superior Court Foreclosure” for a discussion of the provisions which apply, and procedures which the City is obligated to follow, in the event of delinquency in the payment of Special Taxes. See also “SECURITY AND SOURCES OF PAYMENT FOR THE BONDS – Special Tax Methodology” for a discussion of a limitation imposed by the Act applicable to Special Tax increases on residential property.

No Acceleration Provisions

The 2023 Bonds do not contain a provision allowing for the acceleration of the 2023 Bonds in the event of a payment default or other default under the terms of the 2023 Bonds or the Fiscal Agent Agreement. Under the Fiscal Agent Agreement, a 2023 Bond holder is given the right for the equal benefit and protection of all 2023 Bond holders similarly situated to pursue certain remedies. So long as the 2023 Bonds are in book-entry form, DTC will be the sole 2023 Bond holder and will be entitled to exercise all rights and remedies of 2023 Bond holders.

Ballot Initiatives

From time to time, initiative measures qualify for the State ballot pursuant to the State's constitutional initiative process, and those measures could be adopted by California voters. The adoption of any such initiative might place limitations on the ability of the State, the City, the County or other local districts to increase revenues or to increase appropriations or on the ability of the landowners to complete the development of Improvement Area No. 2. See “–Property Values and Property Development – Land Development” above. See also “–Voter Initiatives” below.

Voter Initiatives

Under the California Constitution, the power of initiative is reserved to the voters for the purpose of enacting statutes and constitutional amendments. Since 1978, the voters have exercised this power through the adoption of Proposition 13 and similar measures, including Proposition 218, which was approved in the general election held on November 5, 1996, and Proposition 26, which was approved on November 2, 2010.

Any such initiative may affect the collection of fees, taxes and other types of revenue by local agencies such as the City. Subject to overriding federal constitutional principles, such collection may be materially and adversely affected by voter-approved initiatives, possibly to the extent of creating cash-flow problems in the payment of outstanding obligations such as the 2023 Bonds.

Proposition 218—Voter Approval for Local Government Taxes—Limitation on Fees, Assessments, and Charges—Initiative Constitutional Amendment, added Articles XIII C and XIII D to the California Constitution, imposing certain vote requirements and other limitations on the imposition of new or increased taxes, assessments and property-related fees and charges.

On November 2, 2010, California voters approved Proposition 26, entitled the “Supermajority Vote to Pass New Taxes and Fees Act”. Section 1 of Proposition 26 declares that Proposition 26 is intended to limit the ability of the State Legislature and local government to circumvent existing restrictions on increasing taxes by defining the new or expanded taxes as “fees.” Proposition 26

amended Articles XIII A and XIII C of the State Constitution. The amendments to Article XIII A limit the ability of the State Legislature to impose higher taxes (as defined in Proposition 26) without a two-thirds vote of the Legislature. Article XIII C requires that all new local taxes be submitted to the electorate before they become effective. Taxes for general governmental purposes require a majority vote and taxes for specific purposes (“special taxes”) require a two-thirds vote.

The levy of the Special Taxes and the issuance of special tax bonds of the City for Improvement Area No. 2 were each authorized by not less than a two-thirds vote of the landowners within Improvement Area No. 2 who constituted the qualified electors at the time of such voted authorization. The District believes, therefore, that issuance of the 2023 Bonds does not require the conduct of further proceedings under the Mello-Roos Act, Proposition 218 or Proposition 26.

Like their antecedents, Proposition 218 and Proposition 26 are likely to undergo both judicial and legislative scrutiny before the impact on Improvement Area No. 2 can be determined. Certain provisions of Proposition 218 and Proposition 26 may be examined by the courts for their constitutionality under both State and federal constitutional law, the outcome of which cannot be predicted.

Case Law Related to the Mello-Roos Act

On August 1, 2014, the California Court of Appeal, Fourth Appellate District, issued its opinion in *City of San Diego v. Melvin Shapiro, et al.* (D063997). The case involved a Convention Center Facilities District (the “CCFD”) established by the City of San Diego. The CCFD is a financing district established under the City’s charter (the “Charter”) and was intended to function much like a community facilities district established under the Mello-Roos Act. The CCFD was comprised of all of the real property in the entire City. However, the CCFD special tax was to be levied only on properties in the CCFD that were improved with a hotel.

At the election to authorize the CCFD special tax, the CCFD proceedings limited the electorate to owners of hotel properties and lessees of real property owned by a governmental entity on which a hotel was located. Registered voters in the City of San Diego were not permitted to vote. This definition of the qualified electors of the CCFD was based on Section 53326(c) of the Mello-Roos Act, which generally provides that, if a special tax will not be apportioned in any tax year on residential property, the legislative body may provide that the vote shall be by the landowners of the proposed community facilities district whose property would be subject to the special tax.

The *San Diego* Court held that the CCFD special tax election did not comply with the City’s Charter and with applicable provisions of the California Constitution -- specifically Article XIII A, section 4 (“Cities, Counties and special districts, by a two-thirds vote of the qualified electors of such district, may impose special taxes on such district....”) and Article XIII C, section 2(d) (“No local government may impose, extend, or increase any special tax unless and until that tax is submitted to the electorate and approved by a two-thirds vote.”) -- because the electors in the CCFD election should have been the registered voters residing within the CCFD (the boundaries of which were coterminous with the boundaries of the City of San Diego).

As to the District (including Improvement Area No. 2), there were no registered voters within the District (including Improvement Area No. 2) at the time of the election to authorize the Special Taxes. Significantly, the *San Diego* Court expressly stated that it was not addressing the validity of a landowner election to impose special taxes on residential property pursuant to the Mello-Roos Act in situations where there are fewer than 12 registered voters. Therefore, by its terms, the *San Diego* Court’s holding does not apply to the special tax election held for Improvement Area No. 2.

Moreover, Sections 53341 and 53359 of the Act establish a limited period of time in which special taxes levied under the Mello-Roos Act may be challenged by a third party:

53341. Any action or proceeding to attack, review, set aside, void, or annul the levy of a special tax or an increase in a special tax pursuant to [the Mello-Roos Act] shall be commenced within 30 days after the special tax is approved by the voters....

53359. An action to determine the validity of bonds issued pursuant to [the Mello-Roos Act] or the validity of any special taxes levied pursuant to [the Mello-Roos Act] ... shall be commenced within 30 days after the voters approve the issuance of the bonds or the special tax ...

Section 53326(b) of the Mello-Roos Act defines the authorized voters for an election in which the special taxes will be levied on residential property: "Except as otherwise provided in subdivision (c), if at least 12 persons, who need not necessarily be the same 12 persons, have been registered to vote within the territory of the proposed community facilities district for each of the 90 days preceding the close of the protest hearing, the vote shall be by the registered voters of the proposed district, with each voter having one vote. Otherwise, the vote shall be by the landowners of the proposed district and each person who is the owner of land at the close of the protest hearing, or the authorized representative thereof, shall have one vote for each acre or portion of an acre of land that he or she owns within the proposed community facilities district not exempt from the special tax...."

Landowner voters approved the Special Taxes and the issuance of bonds for Improvement Area No. 2 in compliance with all applicable requirements of the Mello-Roos Act in 2018. Therefore, pursuant to Sections 53341 and 53359 of the Mello-Roos Act, the statute of limitations period to challenge the validity of the special tax has expired. Because the *San Diego* Court expressly stated that it did not consider the facts presented by Improvement Area No. 2 and because the period for challenging the Special Taxes has passed, the City believes the Special Taxes are valid and cannot be challenged.

Exempt Properties

Certain properties are exempt from the Special Tax in accordance with the Special Tax Formula and the Act, which provides that properties or entities of the state, federal or local government are exempt from the Special Tax; provided, however, that property within the District acquired by a public entity through a negotiated transaction or by gift or devise, which is not otherwise exempt from the Special Tax, will continue to be subject to the Special Tax.

In addition, although the Act provides that if property subject to the Special Tax is acquired by a public entity through eminent domain proceedings, the obligation to pay the Special Tax with respect to that property is to be treated as if it were a special assessment, the constitutionality and operation of these provisions of the Act have not been tested, meaning that such property could become exempt from the Special Tax. The Act further provides that no other properties or entities are exempt from the Special Tax unless the properties or entities are expressly exempted in a resolution of consideration to levy a new special tax or to alter the rate or method of apportionment of an existing special tax.

Changes in Tax Law

H.R. 1 of the 115th U.S. Congress, known as the “Tax Cuts and Jobs Act,” was enacted into law on December 22, 2017 (the “**Tax Act**”). The Tax Act makes significant changes to many aspects of the Code that could have an impact on future property development. The Tax Act reduces the amount of mortgage interest expense and state local income tax and property tax expense that individuals may deduct from their gross income for federal income tax purposes, which could increase the cost of home ownership within Improvement Area No. 2 and could adversely affect the sale of homes by merchant builders that purchase lots from the Master Developer. However, neither the City nor the Master Developer can predict the effect that the Tax Act may have on the cost of home ownership or the price of homes in Improvement Area No. 2, the rate at which homes in Improvement Area No. 2 are sold to individual homeowners, or the ability or willingness of homeowners to pay special taxes or property taxes on Taxable Property within Improvement Area No. 2. The appraised values do not take into account any of the potential impacts of the Tax Act on home values or home sales in Improvement Area No. 2.

Pandemic Diseases

In recent years, public health authorities have warned of threats posed by outbreaks of disease and other public health threats. While adverse consequences from the spread of COVID-19 have reduced since its outbreak, other pandemic diseases arising in the future could have significant adverse health and financial impacts throughout the world, leading to loss of jobs and personal financial hardships, and/or actions by federal, State and local governmental authorities to contain or mitigate the effects of an outbreak.

Taxpayer assistance measures may include deferral of due dates of property taxes, which was an assistance program during the COVID-19 pandemic, and with or without a deferral some taxpayers may be unable to make their property and Special Tax payments. No assurance can be given that the property tax payment dates will not be deferred in the future, which may cause a delay in the receipt of Special Taxes. In addition, home values may be affected by a reduction in demand stemming from personal finances, or general widespread economic circumstances resulting from pandemic diseases.

Cyber Security

The City, like many other public and private entities, relies on computer and other digital networks and systems to conduct its operations. As a recipient and provider of personal, private or other sensitive electronic information, the City is potentially subject to multiple cyber threats, including without limitation hacking, viruses, ransomware, malware and other attacks. No assurance can be given that the City’s efforts to manage cyber threats and attacks will be successful in all cases, or that any such attack will not materially impact the operations or finances of the City, or the administration of the 2023 Bonds. The City is also reliant on other entities and service providers in connection with the administration of the 2023 Bonds, including without limitation the County tax collector for the levy and collection of Special Taxes, the Fiscal Agent, and the dissemination agent. No assurance can be given that the City and these other entities will not be affected by cyber threats and attacks in a manner that may affect the Bond owners.

Potential Early Redemption of Bonds from Prepayments

Property owners within Improvement Area No. 2, including the Master Developer, the merchant builders and individual homeowners, are permitted to prepay their Special Tax obligation

at any time. Such prepayments could also be made from the proceeds of bonds issued by or on behalf of an overlapping special assessment district or community facilities district. Such prepayments will result in a redemption of the Bonds on the interest payment date for which timely notice may be given under the Fiscal Agent Agreement following the receipt of the prepayment. The resulting redemption of Bonds that were purchased at a price greater than par could reduce the otherwise expected yield on such Bonds.

CONSTITUTIONAL LIMITATIONS ON TAXATION AND APPROPRIATIONS

Article XIII A of the California Constitution, commonly known as “**Proposition 13**,” provides that each county will levy the maximum *ad valorem* property tax permitted by Proposition 13 and will distribute the proceeds to local agencies in accordance with an allocation formula based in part on pre-Proposition 13 *ad valorem* property tax rates levied by local agencies.

Article XIII A limits the maximum *ad valorem* tax on real property to 1% of “full cash value,” which is defined as the County Assessor’s valuation of real property as shown on the 1975-76 tax bill under full cash value, or, thereafter, the appraised value of real property when purchased, newly constructed, or a change in ownership has occurred after the 1975 assessment. The full cash value may be adjusted annually to reflect increases of no more than 2% per year or decreases in the consumer price index or comparable local data, or declining property value caused by damage, destruction or other factors.

Article XIII A exempts from the 1% tax limitation any taxes to repay indebtedness approved by the voters prior to July 1, 1978, and requires a vote of two-thirds of the qualified electorate to impose Special Taxes or any additional *ad valorem*, sales, or transaction taxes on real property. In addition, Article XIII A requires the approval of two-thirds of all members of the State Legislature to change any State laws resulting in increased tax revenues. On June 3, 1986, California voters approved an amendment to Article XIII A of the California Constitution to allow local governments and school districts to raise their property tax rates above the constitutionally mandated 1% ceiling for the purpose of paying off certain new general obligation debt issued for the acquisition or improvement of real property and approved by two-thirds of the votes cast by the qualified electorate. If any such voter-approved debt is issued, it may be on a parity with the lien of the Special Tax on the parcels within Improvement Area No. 2.

State and local government agencies in the State, and the State itself are subject to annual appropriation limits, imposed by Article XIII B of the State Constitution. Article XIII B prohibits government agencies and the State from spending “appropriations subject to limitation” in excess of the appropriations limits imposed. “Appropriations subject to limitation” are authorizations to spend “proceeds of taxes,” which consist of tax revenues, certain state subventions and certain other funds, including proceeds from regulatory licenses, user charges or other fees to the extent that such proceeds exceed the cost reasonably borne by such entity in providing the regulation, product or service. No limit is imposed on appropriations of funds which are not “proceeds of taxes” such as debt service on indebtedness existing or authorized before January 1, 1979, or subsequently authorized by the voters, appropriations required to comply with mandates of courts or the federal government, reasonable user charges or fees and certain other non-tax funds.

CONTINUING DISCLOSURE

The City

The City has covenanted for the benefit of owners of the 2023 Bonds to provide certain financial information and operating data relating to Improvement Area No. 2 by not later than nine months after the end of the City's fiscal year (presently June 30) in each year (the "**City Annual Report**") commencing with its report for the 2022-23 fiscal year (due April 1, 2024) and to provide notices of the occurrence of certain enumerated events.

The City Annual Report and notices of listed events will be filed with the Municipal Securities Rulemaking Board. The covenants of the City have been made in order to assist the Underwriter in complying with Securities Exchange Commission Rule 15c2-12(b)(5) (the "**Rule**"). The specific nature of the information to be contained in the Annual Report or the notices of listed events by the City is summarized in "APPENDIX E – FORM OF CONTINUING DISCLOSURE UNDERTAKINGS."

The City believes it currently is in material compliance with all of its continuing disclosure undertakings for the last five years. Notwithstanding the foregoing, in the last five years:

(1) The Annual Report for Fiscal Year 2019-20 for one series of the City's outstanding bonds did not initially fulfill all content requirements; a remedial filing was done approximately 3 months later.

(2) The City has not in a timely manner filed all significant event notices of changes in the ratings of certain then-outstanding obligations resulting from changes in ratings to the bond insurers who insured such obligations or the underlying rates for such obligations. However, the City has submitted all undisclosed significant event notices of changes in ratings occurring during the last five years on all currently outstanding obligations.

The City believes it has made corrective filings to address the know instances during the last five years of past delayed or failure to file annual reports, omissions of required information and/or rating changes to be filed under its prior continuing disclosure undertakings.

The Master Developer

Although not an obligated party under the Rule, the Master Developer has voluntarily covenanted for the benefit of owners of the 2023 Bonds to provide certain information and operating data relating to the property it or its affiliates owns in Improvement Area No. 2 by not later than May 1st and November 1st of each year, beginning with the report due November 1, 2023 (the "Developer Periodic Reports") and to provide notices of the occurrence of certain enumerated events. The obligation of the Master Developer to provide such information is in effect until such time as (A) 90% of the backbone infrastructure improvements for Improvement Area No. 2 only shown in the first line in Table 5 of the Official Statement have been completed and (B) the Master Developer and its affiliates own property in Improvement Area No. 2 collectively responsible for 20% or more of the Special Taxes. The Master Developer's undertaking includes a provision that if a portion of the Master Developer's property in Improvement Area No. 2 that is collectively responsible for 20% or more of the Special Taxes is sold, the reporting obligation may be assumed by the new owner and the Master Developer's obligations with respect to such property will be terminated, or if not so assumed, the Master Developer is to report such required information on behalf of such property until terminated.

The Master Developer has had only one continuing disclosure obligation, and that was associated with the bonds issued in Improvement Area No. 1 of the District. The Master Developer terminated that obligation in December 2021, but was in compliance at all times prior to termination.

The Merchant Builders

General. Although not obligated parties under the Rule, the Master Developer and each of the Merchant Builders has voluntarily covenanted for the benefit of owners of the 2023 Bonds to provide certain information and operating data relating to the property it or its affiliates owns in Improvement Area No. 2 by not later than May 1st and November 1st of each year, beginning with the report due November 1, 2023 (the “**Merchant Builder Periodic Reports**”) and to provide notices of the occurrence of certain enumerated events. The obligation of the Master Developer and the Merchant Builders to provide such information is in effect until such time as the Master Developer (and its affiliates) or a Merchant Builder (and its affiliates), as applicable, no longer own or is under option to acquire property in Improvement Area No. 2 collectively responsible for 20% or more of the Special Taxes.

D.R. Horton Continuing Disclosure Compliance. D.R. Horton's Sacramento Division is the division which will be responsible for complying with its obligations under its Developer Continuing Disclosure Certificate. D.R. Horton has advised the City that, based on a review of prior continuing disclosure obligations in Northern California, encompassing D.R. Horton's Sacramento and Bay Area Divisions, D.R. Horton has not failed to comply in any material respect with any previous undertaking by it to provide periodic continuing disclosure reports or notice of listed events with respect to community facilities district or assessment district financings in Northern California within the past five years.

Lennar Homes Continuing Disclosure Compliance. Lennar Homes has advised the City that, other than as disclosed in this paragraph, to the actual knowledge of Lennar Homes, Lennar Homes has not failed in any material respect to comply with any previous undertaking by it to provide periodic continuing disclosure reports or notices of material events with respect to community facilities districts or assessment districts in California within the past five years. However, (i) in connection with the \$16,780,000 California Municipal Finance Authority Special Tax Revenue Bonds BOLD Program Series 2020B, Lennar Homes inadvertently failed to file the initial Semi-Annual Report by the due date of May 1, 2021, but filed a curative report on May 21, 2021; and (ii) in connection with the \$5,795,000 City of Rancho Cordova Grantline 208 Community Facilities District No. 2018-1 Special Tax Bonds, Series 2021B, Lennar Homes inadvertently failed to file the initial annual report by the due date of April 1, 2022, but filed a curative report on September 21, 2022..

Meritage Prior Continuing Disclosure Compliance. Meritage's Northern California Division is the division that will be responsible for complying with its obligations under its Developer Continuing Disclosure Certificate. Meritage has advised the City that, except as described in the following paragraph, based on a review of prior continuing disclosure obligations in Northern California, Meritage has not failed to comply in any material respect with any previous undertaking by it to provide periodic continuing disclosure reports or notice of listed events with respect to community facilities district or assessment district financings in Northern California within the past five years. However, in connection with a continuing disclosure obligation entered into with respect to the \$14,735,000 Improvement Area No. 2 of the City of Dixon Community Facilities District No. 2019-1 (Homestead) Special Tax Bonds, Series 2020, Meritage was late in filing its first periodic report due June 15, 2021. The oversight was discovered in August 2021, and Meritage promptly filed a curative report on August 23, 2021 or approximately two months after the due date.

Identification of the above-described event does not constitute a representation by Meritage that such event was material.

Woodside Continuing Disclosure Compliance. Woodside's Northern California Division is the division which will be responsible for complying with its obligations under its Developer Continuing Disclosure Certificate. D.R. Horton has advised the City that, based on a review of prior continuing disclosure obligations in Northern California, Woodside has not failed to comply in any material respect with any previous undertaking by it to provide periodic continuing disclosure reports or notice of listed events with respect to community facilities district or assessment district financings in Northern California within the past five years.

UNDERWRITING

The 2023 Bonds were purchased through negotiation by Piper Sandler & Co., as underwriter (the "**Underwriter**"). The Underwriter agreed to purchase the 2023 Bonds at a price of \$_____ (which is equal to the par amount of the 2023 Bonds, plus/less an original issue premium/discount of \$_____ and less the Underwriter's discount of \$_____). The initial public offering prices set forth on the cover page hereof may be changed by the Underwriter. The Underwriter may offer and sell the 2023 Bonds to certain dealers and others at a price lower than the public offering prices set forth on the cover page hereof.

MUNICIPAL ADVISOR

The City has retained Hilltop Securities Inc., Encino, California, as registered municipal advisor (the "**Municipal Advisor**") in connection with the issuance of the 2023 Bonds. The Municipal Advisor is not obligated to undertake, and has not undertaken to make, an independent verification or assume responsibility for the accuracy, completeness, or fairness of the information contained in this Official Statement. The fees of the Municipal Advisor are contingent upon the sale and delivery of the 2023 Bonds.

LEGAL OPINION

The validity of the 2023 Bonds and certain other legal matters are subject to the approving opinion of Jones Hall, a Professional Law Corporation, Bond Counsel. A complete copy of the proposed form of Bond Counsel opinion is contained in APPENDIX D to this Official Statement, and the final opinion will be made available to registered owners of the 2023 Bonds at the time of delivery. The fees of Bond Counsel are contingent upon the sale and delivery of the 2023 Bonds.

TAX MATTERS

Federal Tax Status. In the opinion of Jones Hall, A Professional Law Corporation, San Francisco, California, Bond Counsel, subject, however to the qualifications set forth below, under existing law, the interest on the 2023 Bonds is excluded from gross income for federal income tax purposes and such interest is not an item of tax preference for purposes of the federal alternative minimum tax. Interest on the 2023 Bonds may be subject to the corporate alternative minimum tax.

The opinions set forth in the preceding paragraph are subject to the condition that the City comply with all requirements of the Internal Revenue Code of 1986, as amended (the "**Tax Code**")

relating to the exclusion from gross income for federal income tax purposes of interest on obligations such as the 2023 Bonds. The District has made certain representations and covenants in order to comply with each such requirement. Inaccuracy of those representations, or failure to comply with certain of those covenants, may cause the inclusion of such interest in gross income for federal income tax purposes, which may be retroactive to the date of issuance of the 2023 Bonds.

Tax Treatment of Original Issue Discount and Premium. If the initial offering price to the public at which a 2023 Bond is sold is less than the amount payable at maturity thereof, then such difference constitutes “original issue discount” for purposes of federal income taxes and State of California personal income taxes. If the initial offering price to the public at which a 2023 Bond is sold is greater than the amount payable at maturity thereof, then such difference constitutes “original issue premium” for purposes of federal income taxes and State of California personal income taxes. *De minimis* original issue discount and original issue premium are disregarded.

Under the Tax Code, original issue discount is treated as interest excluded from federal gross income and exempt from State of California personal income taxes to the extent properly allocable to each owner thereof subject to the limitations described in the first paragraph of this section. The original issue discount accrues over the term to maturity of the 2023 Bond on the basis of a constant interest rate compounded on each interest or principal payment date (with straight-line interpolations between compounding dates). The amount of original issue discount accruing during each period is added to the adjusted basis of such 2023 Bonds to determine taxable gain upon disposition (including sale, redemption, or payment on maturity) of such 2023 Bond. The Tax Code contains certain provisions relating to the accrual of original issue discount in the case of purchasers of the 2023 Bonds who purchase the 2023 Bonds after the initial offering of a substantial amount of such maturity. Owners of such 2023 Bonds should consult their own tax advisors with respect to the tax consequences of ownership of 2023 Bonds with original issue discount, including the treatment of purchasers who do not purchase in the original offering, the allowance of a deduction for any loss on a sale or other disposition, and the treatment of accrued original issue discount on such 2023 Bonds under federal individual alternative minimum taxes.

Under the Tax Code, original issue premium is amortized on an annual basis over the term of the 2023 Bond (said term being the shorter of the 2023 Bond’s maturity date or its call date). The amount of original issue premium amortized each year reduces the adjusted basis of the owner of the 2023 Bond for purposes of determining taxable gain or loss upon disposition. The amount of original issue premium on a 2023 Bond is amortized each year over the term to maturity of the 2023 Bond on the basis of a constant interest rate compounded on each interest or principal payment date (with straight-line interpolations between compounding dates). Amortized 2023 Bond premium is not deductible for federal income tax purposes. Owners of premium 2023 Bonds, including purchasers who do not purchase in the original offering, should consult their own tax advisors with respect to State of California personal income tax and federal income tax consequences of owning such 2023 Bonds.

California Tax Status. In the further opinion of Bond Counsel, interest on the 2023 Bonds is exempt from California personal income taxes.

Other Tax Considerations. Current and future legislative proposals, if enacted into law, clarification of the Tax Code or court decisions may cause interest on the 2023 Bonds to be subject, directly or indirectly, to federal income taxation or to be subject to or exempted from state income taxation, or otherwise prevent beneficial owners from realizing the full current benefit of the tax status of such interest. The introduction or enactment of any such legislative proposals, clarification of the Tax Code or court decisions may also affect the market price for, or marketability of, the 2023 Bonds.

It cannot be predicted whether or in what form any such proposal might be enacted or whether, if enacted, such legislation would apply to bonds issued prior to enactment.

The opinions expressed by Bond Counsel are based upon existing legislation and regulations as interpreted by relevant judicial and regulatory authorities as of the date of such opinion, and Bond Counsel has expressed no opinion with respect to any proposed legislation or as to the tax treatment of interest on the 2023 Bonds, or as to the consequences of owning or receiving interest on the 2023 Bonds, as of any future date. Prospective purchasers of the 2023 Bonds should consult their own tax advisors regarding any pending or proposed federal or state tax legislation, regulations or litigation, as to which Bond Counsel expresses no opinion.

Owners of the 2023 Bonds should also be aware that the ownership or disposition of, or the accrual or receipt of interest on, the 2023 Bonds may have federal or state tax consequences other than as described above. Other than as expressly described above, Bond Counsel expresses no opinion regarding other federal or state tax consequences arising with respect to the 2023 Bonds, the ownership, sale or disposition of the 2023 Bonds, or the amount, accrual or receipt of interest on the 2023 Bonds.

NO RATINGS

The City has not applied to a rating agency for the assignment of a rating to the 2023 Bonds and does not contemplate applying for a rating.

NO LITIGATION

At the time of delivery of and payment for the 2023 Bonds, the City Attorney will deliver his opinion that to the best of its knowledge there is no action, suit, proceeding, inquiry or investigation at law or in equity before or by any court or regulatory agency pending against the City affecting its existence or the titles of its officers to office or seeking to restrain or to enjoin the issuance, sale or delivery of the 2023 Bonds, the application of the proceeds thereof in accordance with the Fiscal Agent Agreement, or the collection or application of the Special Tax to pay the principal of and interest on the 2023 Bonds, or in any way contesting or affecting the validity or enforceability of the 2023 Bonds, the Fiscal Agent Agreement or any action of the City contemplated by any of said documents, or in any way contesting the completeness or accuracy of this Official Statement or any amendment or supplement thereto, or contesting the powers of the City or its authority with respect to the 2023 Bonds or any action of the City contemplated by any of said documents.

EXECUTION

The execution and delivery of this Official Statement by the City has been duly authorized by the City Council of the City, as the legislative body of the District.

CITY OF ROSEVILLE

By: _____
Assistant City Manager/
Chief Financial Officer

APPENDIX A

RATE AND METHOD OF APPORTIONMENT OF SPECIAL TAX

APPENDIX B
THE APPRAISAL

APPENDIX C

THE CITY OF ROSEVILLE AND PLACER COUNTY

The District is located in the City of Roseville (the “City”), which is located in southwestern Placer County (the “County”), California (the “State”). Certain financial and economic data for the City, County and State are presented in this appendix for information purposes only. The 2023 Bonds are not a debt or obligation of the City, County or State, but are a limited obligation of the City, secured solely by the Special Tax Revenues and other amounts pledged under the Fiscal Agent Agreement, all as described in more detail in this Official Statement.

General

The City is located in the County, which is located in the Sacramento Valley near the foothills of the Sierra Nevada mountain range, about 16 miles northeast of Sacramento and 110 miles east of San Francisco. The City presently occupies 43 square miles in the southwestern part of the County and is the largest city in the County as well as the residential and business center of the County. It is bordered by Sacramento County to the south, the City of Rocklin to the north and un-incorporated Placer County to the east and west. The estimated population of the City as of January 2023 was approximately 152,928.

The City has warm summers typical of central California, with an average July temperature of 77 degrees. Winter temperatures are moderate; the average January temperature is 46 degrees. The temperature drops below freezing an average of eight days per year. Rainfall averages 20 inches annually and falls mostly during the winter.

The City is predominately comprised of residential housing, small and large businesses, as well as numerous retail centers, the latter of which play a vital role in the economy of the City and contribute significantly to City and County sales tax receipts. The City has the thirteenth highest retail sales of all cities in the State, and the City is considered a regional shopping destination. The Westfield Galleria at Roseville is the main shopping center in the City and the second largest shopping mall in Northern California. Across from the Westfield Galleria lies the “Fountains at Roseville,” a 330,000 square foot retail center, containing additional stores and several recreation centers. Plans call for future construction of hotel, additional retail, and office buildings in connection with the Fountains at Roseville project. In addition to the Westfield Galleria and Fountains at Roseville, the City has many shopping plazas surrounding the Westfield Galleria and the Douglas Boulevard financial corridor. The City is also home to one of the largest auto malls in the United States and a popular water park, Roseville Golf and SunSplash.

Municipal Government

The City was incorporated on April 10, 1909 and is a charter city. The City operates under the council-manager form of government, with a five-member City Council elected by district for staggered four-year terms.

City services include, among others, police and fire protection, library services, street maintenance, and parks and recreation. The City also owns two golf courses and provides its own electricity, water, sewer and refuse services to its citizens.

Population

The following table sets forth population estimates for the City, County and State for the past five years.

POPULATION ESTIMATES
City, County and State
Calendar Years 2019 through 2023, as of January 1

<u>Year</u>	<u>City of Roseville</u>	<u>Placer County</u>	<u>State of California</u>
2019	141,097	395,345	39,605,361

Effective Buying Income

Effective buying income (“**EBI**”) is designated as personal income less personal tax and non-tax payments. Personal income is the aggregate of wages and salaries, other labor income (such as employer contributions to private pension funds), proprietor’s income, rental income (which includes imputed rental income of owner-occupants of non-farm dwellings), dividends paid by corporations, personal interest income from all sources, and transfer payments (such as pensions and welfare assistance). Deducted from this total are personal taxes (federal, state and local), non-tax payments (such as fines, fees, penalties), and personal contributions for social insurance. Effective buying income is a bulk measure of market potential. It indicates the general ability to buy and is essential in comparing, selecting and grouping markets on that basis. The following table demonstrates the growth in annual estimated EBI for the City, the County, the State and the United States.

EFFECTIVE BUYING INCOME (EBI) City, County, State and United States As of January 1, 2019 through 2023

Year	Area	Total Effective Buying Income (000’s Omitted)	Median Household Effective Buying Income
2019	City of Roseville	\$4,981,208	\$75,784

Employment and Industry

The unemployment rate in the Sacramento--Roseville--Arden-Arcade MSA was 3.8 percent in April 2023, down from a revised 4.4 percent in March 2023, and above the year-ago estimate of 3.4 percent. This compares with an unadjusted unemployment rate of 4.3 percent for California and 3.1 percent for the nation during the same period. The unemployment rate was 3.6 percent in El Dorado County, 3.3 percent in Placer County, 3.9 percent in Sacramento County, and 4.3 percent in Yolo County.

The following table summarizes the civilian labor force, employment and unemployment, as well as employment by industry, in the Sacramento--Arden-Arcade--Roseville MSA for the years 2018 through 2022.

Transportation

The County's transportation network is an integral part of its development. Centrally located in the State, the area is the hub of several major highways. Interstate 80 runs through the County, connecting San Francisco to New York. Highway 65 runs north from I-80 to Lincoln and Marysville. Interstate 5, which is west of the County, runs north to Seattle and south to Los Angeles. In the City, the major highways in the area are Interstate 80 and Interstate 5, and State Highways 65, 50, and 99.

Union Pacific Railroad bought Southern Pacific in 1996 and the J.R. Davis Yard, located in Roseville, is the largest rail facility on the West Coast. Union Pacific owns and operates track in 23 states, primarily west of the Mississippi River. Amtrak provides passenger service daily to San Francisco and San Jose, and the California Zephyr connects the County to the Midwest and Chicago.

Greyhound operates a station in Roseville, providing interstate destination services. Greyhound also operates throughout the County, with bus depots or regularly scheduled stops in most of the communities along major highways and roads.

Sacramento International Airport is serves the Roseville area. Served by ten major carriers and several commuter airlines, as well as air freight carriers, the airport handles passenger flights to over 140 cities with more than 130 scheduled departures per day and 4.3 million passengers annually. Nearby Auburn Municipal Airport serves charter and private aircraft for coastal, state and transcontinental flights. Executive air service is available as well. Auburn Municipal has an elevation of 1,520 feet and an east/west runway 3,100 feet in length.

Several trucking companies serve the County, ranging from interstate lines to local haulers, and transporting a wide variety of goods. United Parcel Service, with a distribution center in Rocklin, offers freight transportation services as well.

[Closing Date]

OPINION: \$_____ City of Roseville Creekview Community Facilities District No. 1
(Public Facilities) Improvement Area No. 2 Special Tax Bonds Series 2023

Members of the City Council:

We have acted as bond counsel to the City of Roseville (the “City”) in connection with the issuance by the City of the \$_____ City of Roseville Creekview Community Facilities District No. 1 (Public Facilities) Improvement Area No. 2 Special Tax Bonds Series 2023 (the “Bonds”), pursuant to the Mello-Roos Community Facilities Act of 1982, as amended, constituting Section 53311, et seq. of the California Government Code (the “Act”) and a Fiscal Agent Agreement dated as of July 1, 2023 (the “Fiscal Agent Agreement”), by and between the City, on behalf of the City of Roseville Creekview Community Facilities District No. 1 (Public Facilities), and U.S. Bank Trust Company, National Association, as fiscal agent. We have examined the law and such certified proceedings and other papers as we deem necessary to render this opinion.

As to questions of fact material to our opinion, we have relied upon representations of the City contained in the Fiscal Agent Agreement, and in the certified proceedings and other certifications of public officials furnished to us, without undertaking to verify the same by independent investigation.

Based upon the foregoing, we are of the opinion, under existing law, as follows:

1. The City is duly created and validly existing as a public body, corporate and politic, with the power to adopt the resolution authorizing the issuance of the Bonds, enter into the Fiscal Agent Agreement and perform the agreements on its part contained therein, and to issue the Bonds.
2. The Bonds have been duly authorized, executed and delivered by the City and are valid and binding limited obligations of the City, payable solely from the sources provided therefor in the Fiscal Agent Agreement.
3. The Fiscal Agent Agreement has been duly entered into by the City and constitutes a valid and binding obligation of the City enforceable upon the City.

4. Pursuant to the Act, the Fiscal Agent Agreement creates a valid lien on the funds pledged by the Fiscal Agent Agreement.

5. The interest on the Bonds is excluded from gross income for federal income tax purposes and is not an item of tax preference for purposes of the federal alternative minimum tax. Interest on the Bonds may be subject to the corporate alternative minimum tax. The opinions set forth in the preceding sentence are subject to the condition that the City comply with all requirements of the Internal Revenue Code of 1986, as amended, relating to the exclusion from gross income for federal income tax purposes of interest on obligations such as the Bonds. The City has made certain representations and covenants in order to comply with each such requirement. Inaccuracy of those representations, or failure to comply with certain of those covenants, may cause the inclusion of such interest in gross income for federal income tax purposes, which may be retroactive to the date of issuance of the Bonds.

6. The interest on the Bonds is exempt from personal income taxation imposed by the State of California.

We express no opinion regarding any other tax consequences arising with respect to the ownership, sale or disposition of, or the amount, accrual or receipt of interest on, the Bonds.

The rights of the owners of the Bonds and the enforceability of the Bonds are limited by bankruptcy, insolvency, reorganization, moratorium and other similar laws affecting creditors' rights generally, and by equitable principles, whether considered at law or in equity.

This opinion is given as of the date hereof, and we assume no obligation to revise or supplement this opinion to reflect any facts or circumstances that may hereafter come to our attention, or any changes in law that may hereafter occur. Our engagement with respect to this matter has terminated as of the date hereof.

Respectfully submitted,

A Professional Law Corporation

APPENDIX E

FORMS OF CONTINUING DISCLOSURE UNDERTAKINGS

CONTINUING DISCLOSURE CERTIFICATE (City)

This CONTINUING DISCLOSURE CERTIFICATE (this “Disclosure Certificate”) dated as of July 1, 2023, is executed and delivered by the CITY OF ROSEVILLE (the “City”) in connection with the execution and delivery of its City of Roseville Creekview Community Facilities District No. 1 (Public Facilities) Improvement Area No. 2 Special Tax Bonds Series 2023 (the “Bonds”). The Bonds are being executed and delivered pursuant to a Fiscal Agent Agreement dated as of July 1, 2023 (the “Fiscal Agent Agreement”), by and between the City and U.S. Bank Trust Company, National Association, as fiscal agent (the “Fiscal Agent”).

The District covenants and agrees as follows:

Section 1. Purpose of the Disclosure Certificate. This Disclosure Certificate is being executed and delivered by the City for the benefit of the holders and beneficial owners of the Bonds and in order to assist the Participating Underwriter in complying with S.E.C. Rule 15c2-12(b)(5).

Section 2. Definitions. In addition to the definitions set forth above and in the Fiscal Agent Agreement, which apply to any capitalized term used in this Disclosure Certificate unless otherwise defined in this Section 2, the following capitalized terms shall have the following meanings:

“Annual Report” means any Annual Report provided by the City pursuant to, and as described in, Sections 3 and 4 of this Disclosure Certificate.

“Annual Report Date” means the date that is nine months after the end of the City’s fiscal year (currently April 1 based on the City’s fiscal year end of June 30).

“Dissemination Agent” means Willdan Financial Services, or any successor Dissemination Agent designated in writing by the City and which has filed with the City a written acceptance of such designation.

“Listed Events” means any of the events listed in Section 5(a) of this Disclosure Certificate.

“MSRB” means the Municipal Securities Rulemaking Board, which has been designated by the Securities and Exchange Commission as the sole repository of disclosure information for purposes of the Rule, or any other repository of disclosure information that may be designated by the Securities and Exchange Commission as such for purposes of the Rule in the future.

“Official Statement” means the final official statement executed by the City in connection with the issuance of the Bonds.

“Participating Underwriter” shall mean any of the original underwriters of the Bonds.

“Rule” means Rule 15c2-12(b)(5) adopted by the Securities and Exchange Commission under the Securities Exchange Act of 1934, as it may be amended from time to time.

Section 3. Provision of Annual Reports.

(a) The City shall, or shall cause the Dissemination Agent to, not later than the Annual Report Date, commencing April 1, 2024, with the report for the 2022-23 fiscal year, provide to the MSRB, in an electronic format as prescribed by the MSRB, an Annual Report that is consistent with the requirements of Section 4 of this Disclosure Certificate. Not later than 15 Business Days prior to the Annual Report Date, the City shall provide the Annual Report to the Dissemination Agent (if other than the City). If by 15 Business Days prior to the Annual Report Date the Dissemination Agent (if other than the City) has not received a copy of the Annual Report, the Dissemination Agent shall contact the City to determine if the City is in compliance with the previous sentence. The Annual Report may be submitted as a single document or as separate documents comprising a package, and may include by reference other information as provided in Section 4 of this Disclosure Certificate; provided that the audited financial statements of the City may be submitted separately from the balance of the Annual Report, and later than the Annual Report Date, if not available by that date. If the City’s fiscal year changes, it shall give notice of such change in the same manner as for a Listed Event under Section 5(b). The City shall provide a written certification with each Annual Report furnished to the Dissemination Agent to the effect that such Annual Report constitutes the Annual Report required to be furnished by the City hereunder.

(b) If the City does not provide (or cause the Dissemination Agent to provide) an Annual Report by the Annual Report Date, the City shall provide (or cause the Dissemination Agent to provide) in a timely manner to the MSRB a notice to such effect, in an electronic format as prescribed by the MSRB.

(c) With respect to each Annual Report, the Dissemination Agent shall:

(i) determine prior to each Annual Report Date the then-applicable rules and electronic format prescribed by the MSRB for the filing of annual continuing disclosure reports; and

(ii) if the Dissemination Agent is other than the City, file a report with the City certifying that the Annual Report has been provided pursuant to this Disclosure Certificate, and stating the date it was provided.

Section 4. Content of Annual Reports. The City’s Annual Report shall contain or incorporate by reference the following:

(a) The City’s audited financial statements prepared in accordance with generally accepted accounting principles as promulgated to apply to governmental entities from time to time by the Governmental Accounting Standards Board. If the City’s audited financial statements are not available by the Annual Report Date, the Annual Report shall contain unaudited financial statements in a format similar to the financial statements contained in the Official Statement, and the audited financial statements shall be filed in the same manner as the Annual Report when they become available.

(b) The following information, unless otherwise specified, as of September 30 of the preceding year:

- (i) Principal amount of all outstanding bonds of Improvement Area No. 2.
 - (ii) Balance in the Improvement Fund.
 - (iii) Balance in 2023 Reserve Account of the Reserve Fund, and statement of the Reserve Requirement for the Bonds. Statement of projected draws on the 2023 Reserve Account of the Reserve Fund, if any.
 - (iv) Balance in other funds and accounts held by the City or fiscal agent related to the Bonds.
 - (v) Additional debt authorized by the City and payable from or secured by assessments or special taxes with respect to property within Improvement Area No. 2.
 - (vi) The Special Tax levy, the delinquency rate, total amount of delinquencies, number of parcels delinquent in payment for the five most recent fiscal years.
 - (vii) Notwithstanding the September 30 reporting date, the following information shall be reported as of the last day of the month immediately preceding the date of the Annual Report rather than as of September 30. Identity of each delinquent taxpayer responsible for 5 percent or more of total Special Tax levied, and the following information: assessor parcel number, assessed value of applicable properties, amount of Special Tax levied, amount delinquent by parcel number and status of foreclosure proceedings. If any foreclosure has been completed, summary of results of foreclosure sales or transfers.
 - (viii) Most recently available total assessed value of all parcels subject to the Special Tax.
 - (ix) List of landowners and assessor's parcel number of parcels subject to 20% or more of the Special Tax levy including the following information: development status and land use classification, to the extent shown in City records as of April 30 of the preceding fiscal year and assessed value (land and improvements).
- (c) In addition to any of the information expressly required to be provided under this Disclosure Certificate, the City shall provide such further material information, if any, as may be necessary to make the specifically required statements, in the light of the circumstances under which they are made, not misleading.
- (d) Any or all of the items listed above may be included by specific reference to other documents, including official statements of debt issues of the City or related public entities, which are available to the public on the MSRB's Internet web site or filed with the Securities and Exchange Commission. The City shall clearly identify each such other document so included by reference.

Section 5. Reporting of Significant Events.

(a) The City shall give, or cause to be given, notice of the occurrence of any of the following Listed Events with respect to the Bonds:

- (1) Principal and interest payment delinquencies.
- (2) Non-payment related defaults, if material.
- (3) Unscheduled draws on debt service reserves reflecting financial difficulties.
- (4) Unscheduled draws on credit enhancements reflecting financial difficulties.
- (5) Substitution of credit or liquidity providers, or their failure to perform.
- (6) Adverse tax opinions, the issuance by the Internal Revenue Service of proposed or final determinations of taxability, Notices of Proposed Issue (IRS Form 5701-TEB) or other material notices or determinations with respect to the tax status of the security, or other material events affecting the tax status of the security.
- (7) Modifications to rights of security holders, if material.
- (8) Bond calls, if material, and tender offers.
- (9) Defeasances.
- (10) Release, substitution, or sale of property securing repayment of the securities, if material.
- (11) Rating changes.
- (12) Bankruptcy, insolvency, receivership or similar event of the City or other obligated person.
- (13) The consummation of a merger, consolidation, or acquisition involving the City or an obligated person, or the sale of all or substantially all of the assets of the City or an obligated person (other than in the ordinary course of business), the entry into a definitive agreement to undertake such an action, or the termination of a definitive agreement relating to any such actions, other than pursuant to its terms, if material.
- (14) Appointment of a successor or additional fiscal agent or the change of name of a fiscal agent, if material.
- (15) Incurrence of a financial obligation of the City, if material, or agreement to covenants, events of default, remedies, priority rights, or other similar terms of a financial obligation of the City, any of which affect security holders, if material (for the definition of "financial obligation," see clause (e)).

- (16) Default, event of acceleration, termination event, modification of terms, or other similar events under the terms of a financial obligation of the City, any of which reflect financial difficulties (for the definition of “financial obligation,” see clause (e)).

(b) Whenever the City obtains knowledge of the occurrence of a Listed Event, the City shall, or shall cause the Dissemination Agent (if not the City) to, file a notice of such occurrence with the MSRB, in an electronic format as prescribed by the MSRB, in a timely manner not in excess of 10 business days after the occurrence of the Listed Event. Notwithstanding the foregoing, notice of Listed Events described in subsections (a)(8) and (9) above need not be given under this subsection any earlier than the notice (if any) of the underlying event is given to holders of affected Bonds under the Fiscal Agent Agreement.

(c) The City acknowledges that the events described in subparagraphs (a)(2), (a)(7), (a)(8) (if the event is a bond call), (a)(10), (a)(13), (a)(14) and (a)(15) of this Section 5 contain the qualifier “if material” and that subparagraph (a)(6) also contains the qualifier “material” with respect to certain notices, determinations or other events affecting the tax status of the Bonds. The City shall cause a notice to be filed as set forth in paragraph (b) above with respect to any such event only to the extent that it determines the event’s occurrence is material for purposes of U.S. federal securities law. Whenever the City obtains knowledge of the occurrence of any of these Listed Events, the City will as soon as possible determine if such event would be material under applicable federal securities law. If such event is determined to be material, the City will cause a notice to be filed as set forth in paragraph (b) above. The Dissemination Agent shall not be responsible for determining whether an event is material.

(d) For purposes of this Disclosure Certificate, any event described in paragraph (a)(12) above is considered to occur when any of the following occur: the appointment of a receiver, fiscal agent, or similar officer for the City in a proceeding under the United States Bankruptcy Code or in any other proceeding under state or federal law in which a court or governmental authority has assumed jurisdiction over substantially all of the assets or business of the City, or if such jurisdiction has been assumed by leaving the existing governing body and officials or officers in possession but subject to the supervision and orders of a court or governmental authority, or the entry of an order confirming a plan of reorganization, arrangement, or liquidation by a court or governmental authority having supervision or jurisdiction over substantially all of the assets or business of the City.

(e) For purposes of Section 5(a)(15) and (16), “financial obligation” means a (i) debt obligation; (ii) derivative instrument entered into in connection with, or pledged as security or a source of payment for, an existing or planned debt obligation; or (iii) guarantee of (i) or (ii). The term financial obligation shall not include municipal securities as to which a final official statement has been provided to the MSRB consistent with the Rule.

Section 6. Identifying Information for Filings with the MSRB. All documents provided to the MSRB pursuant to this Disclosure Certificate shall be accompanied by identifying information as prescribed by the MSRB.

Section 7. Termination of Reporting Obligation. The City’s obligations under this Disclosure Certificate shall terminate upon the legal defeasance, prior redemption or payment in full of all of the Bonds. If such termination occurs prior to the final maturity of the Bonds, the City shall give notice of such termination in the same manner as for a Listed Event under Section 5(b).

Section 8. Dissemination Agent. The City may, from time to time, appoint or engage a Dissemination Agent to assist it in carrying out its obligations under this Disclosure Certificate, and may discharge any Dissemination Agent, with or without appointing a successor Dissemination Agent. Any Dissemination Agent may resign by providing 30 days' written notice to the City.

Section 9. Amendment; Waiver. Notwithstanding any other provision of this Disclosure Certificate, the City may amend this Disclosure Certificate, and any provision of this Disclosure Certificate may be waived, provided that the following conditions are satisfied:

(a) if the amendment or waiver relates to the provisions of Sections 3(a), 4 or 5(a), it may only be made in connection with a change in circumstances that arises from a change in legal requirements, change in law, or change in the identity, nature, or status of an obligated person with respect to the Bonds, or type of business conducted;

(b) the undertakings herein, as proposed to be amended or waived, would, in the opinion of nationally recognized bond counsel, have complied with the requirements of the Rule at the time of the primary offering of the Bonds, after taking into account any amendments or interpretations of the Rule, as well as any change in circumstances; and

(c) the proposed amendment or waiver either (i) is approved by holders of the Bonds in the manner provided in the Fiscal Agent Agreement for amendments to the Fiscal Agent Agreement with the consent of holders, or (ii) does not, in the opinion of nationally recognized bond counsel, materially impair the interests of the holders or beneficial owners of the Bonds.

If the annual financial information or operating data to be provided in the Annual Report is amended pursuant to the provisions hereof, the first Annual Report filed pursuant hereto containing the amended operating data or financial information shall explain, in narrative form, the reasons for the amendment and the impact of the change in the type of operating data or financial information being provided.

If an amendment is made to this Disclosure Certificate modifying the accounting principles to be followed in preparing financial statements, the Annual Report for the year in which the change is made shall present a comparison between the financial statements or information prepared on the basis of the new accounting principles and those prepared on the basis of the former accounting principles. The comparison shall include a qualitative discussion of the differences in the accounting principles and the impact of the change in the accounting principles on the presentation of the financial information, in order to provide information to investors to enable them to evaluate the ability of the City to meet its obligations. To the extent reasonably feasible, the comparison shall be quantitative.

A notice of any amendment made pursuant to this Section 9 shall be filed in the same manner as for a Listed Event under Section 5(b).

Section 10. Additional Information. Nothing in this Disclosure Certificate shall be deemed to prevent the City from disseminating any other information, using the means of dissemination set forth in this Disclosure Certificate or any other means of communication, or including any other information in any Annual Report or notice of occurrence of a Listed Event, in addition to that which is required by this Disclosure Certificate. If the City chooses to include any information in any Annual Report or notice of occurrence of a Listed Event in addition to that which is specifically

required by this Disclosure Certificate, the City shall have no obligation under this Disclosure Certificate to update such information or include it in any future Annual Report or notice of occurrence of a Listed Event.

Section 11. Default. If the City fails to comply with any provision of this Disclosure Certificate, the Participating Underwriter or any holder or beneficial owner of the Bonds may take such actions as may be necessary and appropriate, including seeking mandate or specific performance by court order, to cause the City to comply with its obligations under this Disclosure Certificate. A default under this Disclosure Certificate shall not be deemed an Event of Default under the Fiscal Agent Agreement, and the sole remedy under this Disclosure Certificate in the event of any failure of the City to comply with this Disclosure Certificate shall be an action to compel performance.

Section 12. Duties, Immunities and Liabilities of Dissemination Agent.

(a) The Dissemination Agent shall have only such duties as are specifically set forth in this Disclosure Certificate, and the City agrees to indemnify and save the Dissemination Agent, its officers, directors, employees and agents, harmless against any loss, expense and liabilities which they may incur arising out of or in the exercise or performance of its powers and duties hereunder, including the costs and expenses (including attorneys' fees) of defending against any claim of liability, but excluding liabilities due to the Dissemination Agent's negligence or willful misconduct. The Dissemination Agent shall have no duty or obligation to review any information provided to it by the City hereunder and shall not be deemed to be acting in any fiduciary capacity for the City, the Bond holders, or any other party. The obligations of the City under this Section shall survive resignation or removal of the Dissemination Agent and payment of the Bonds.

(b) The Dissemination Agent shall be paid compensation by the City for its services provided hereunder in accordance with its schedule of fees as amended from time to time, and shall be reimbursed for all expenses, legal fees and advances made or incurred by the Dissemination Agent in the performance of its duties hereunder.

Section 13. Beneficiaries. This Disclosure Certificate shall inure solely to the benefit of the City, the Dissemination Agent, the Participating Underwriter and the holders and beneficial owners from time to time of the Bonds, and shall create no rights in any other person or entity.

Section 14. Counterparts. This Disclosure Certificate may be executed in several counterparts, each of which shall be regarded as an original, and all of which shall constitute one and the same instrument.

IN WITNESS WHEREOF, the parties hereto have executed this Disclosure Certificate as of the date first above written.

**CONTINUING DISCLOSURE CERTIFICATE
([Name of Merchant Builder])**

THIS CONTINUING DISCLOSURE AGREEMENT ([NAME OF MERCHANT BUILDER]) (the “**Disclosure Certificate**”) dated as of July 1, 2023, is executed by _____ (the “**Builder**”) in connection with the execution and delivery by the City of Roseville of its City of Roseville Creekview Community Facilities District No. 1 (Public Facilities) Improvement Area No. 2 Special Tax Bonds Series 2023 (the “**Bonds**”). The Bonds are being executed and delivered pursuant to a Fiscal Agent Agreement dated as of July 1, 2023 (the “**Fiscal Agent Agreement**”), by and between the City and U.S. Bank Trust Company, National Association, as fiscal agent.

The Builder covenants and agrees as follows:

Section 1. Purpose of the Disclosure Certificate. This Disclosure Certificate is being executed and delivered by the Builder for the benefit of the holders and beneficial owners of the Bonds.

Section 2. Definitions. In addition to the definitions set forth above and in the Fiscal Agent Agreement, which apply to any capitalized term used in this Disclosure Certificate unless otherwise defined herein, the following capitalized terms shall have the following meanings:

“**Affiliate**” means any person presently directly (or indirectly through one or more intermediaries) under managerial control of the Builder, and about whom information could be material to potential investors in their investment decision regarding the Bonds (including without limitation information relevant to the proposed development of the Property or to the Builder’s ability to pay the Special Taxes levied on the Property prior to delinquency).

“**Assumption Agreement**” means an undertaking of a Major Owner for the benefit of the holders and beneficial owners of the Bonds containing terms substantially similar to this Disclosure Certificate (as modified for such Major Owner’s development and financing plans with respect to property owned by such Major Owner in Improvement Area No. 2), whereby such Major Owner agrees to provide periodic reports and notices of significant events, setting forth the information described in sections 4 and 5 hereof, respectively, with respect to the portion of the Property in Improvement Area No. 2 owned by such Major Owner, at the option of the Builder or such Major Owner, agrees to indemnify the Dissemination Agent (if any) pursuant to a provision substantially in the form of Section 11 hereof.

“**Dissemination Agent**” means the Builder, or any successor Dissemination Agent designated in writing by the Builder, and which has filed with the Builder, the City and the Participating Underwriter a written acceptance of such designation, and which is experienced in providing dissemination agent services such as those required under this Disclosure Certificate.

“**District**” means the City of Roseville Creekview Community Facilities District No. 1 (Public Facilities).

“**Hearthstone Landbank**” means [FOR D.R. HORTON: Winding Creek C-21 – Roseville] [FOR MERITAGE/LENNAR/WOODSIDE: NOT APPLICABLE].

“**Improvement Area No. 2**” means the improvement area designated as such within the District.

“Listed Events” means any of the events listed in Section 5(a) of this Disclosure Certificate.

“Major Owner” means, as of any date of determination, a Person that owns land in Improvement Area No. 2 that is collectively responsible for 20% or more of the Special Taxes in Improvement Area No. 2.

“MSRB” means the Municipal Securities Rulemaking Board, which has been designated by the Securities and Exchange Commission as the sole repository of disclosure information, or any other repository of disclosure information that may be designated by the Securities and Exchange Commission as such in the future.

“Official Statement” means the final Official Statement executed by the City in connection with the issuance of the Bonds.

“Option Agreement” means that [FOR D.R. HORTON: Option and Development Agreement dated _____, between the Hearthstone Landbank and the Builder] [FOR MERITAGE/LENNAR/WOODSIDE: NOT APPLICABLE].

“Participating Underwriter” means Piper Sandler & Co., the original Underwriter of the Bonds.

“Periodic Report” means any Periodic Report provided by the Builder pursuant to, and as described in, Sections 3 and 4 of this Disclosure Certificate.

“Person” means an individual, a corporation, a partnership, a limited liability company, an association, a joint stock company, a trust, any unincorporated organization or a government or political subdivision thereof.

“Property” means, as of the date of determination, the real property within the boundaries of Improvement Area No. 2 that is owned by (i) the Builder, (ii) any Affiliate of the Builder, (iii) [FOR D.R. HORTON ONLY: Hearthstone Landbank (during the term of the Option Agreement),] and (iv) the property in Improvement Area No. 2 that the Builder sold to a Major Owner who has not assumed the undertakings of this Disclosure Certificate under Section 6(b) and that is owned by such Major Owner.

“Report Date” means May 1 and November 1 of each year.

“Special Taxes” means the special taxes levied on the Property for Improvement Area No. 2.

Section 3. Provision of Periodic Reports.

(a) So long as Builder’s obligations under this Disclosure Certificate have not been terminated pursuant to Section 6 below, the Builder shall, or, upon written direction of the Builder the Dissemination Agent shall, not later than the Report Date, commencing November 1, 2023, file or cause to be filed with the MSRB a Periodic Report which is consistent with the requirements of Section 4 of this Disclosure Certificate with a copy to the Participating Underwriter and the City. Not later than 15 calendar days prior to the Report Date, the Builder shall provide the Periodic Report to the Dissemination Agent (if different from the Builder). The Builder shall provide a

written certification with (or included as a part of) each Periodic Report furnished to the Dissemination Agent (if different from the Builder), the Participating Underwriter and the City to the effect that such Periodic Report constitutes the Periodic Report required to be furnished by it under this Disclosure Certificate. The Dissemination Agent (if different than the Builder), the Participating Underwriter and the City may conclusively rely upon such certification of the Builder and shall have no duty or obligation to review the Periodic Report. The Periodic Report may be submitted as a single document or as separate documents comprising a package, and may incorporate by reference other information as provided in Section 4 of this Disclosure Certificate.

(b) If the Dissemination Agent (if different than the Builder) does not receive a Periodic Report by 15 calendar days prior to the Report Date, the Dissemination Agent shall send a reminder notice to the Builder that the Periodic Report has not been provided as required under Section 3(a) above. The reminder notice shall instruct the Builder to determine whether its obligations under this Disclosure Certificate have terminated (pursuant to Section 6 below) and, if so, to provide the Dissemination Agent with a notice of such termination in the same manner as for a Listed Event (pursuant to Section 5 below). If the Builder does not provide, or cause the Dissemination Agent to provide, a Periodic Report to the MSRB by the Report Date as required in subsection (a) above, the Dissemination Agent shall send a notice to the MSRB to such effect, in substantially the form prescribed by the MSRB, with a copy to the City and the Participating Underwriter.

(c) The Dissemination Agent shall:

- (i) determine prior to each Report Date the then-applicable rules and electronic format prescribed by the MSRB for the filing of continuing disclosure reports; and
- (ii) to the extent the Periodic Report has been furnished to it, file a report with the Builder (if the Dissemination Agent is other than the Builder), the City and the Participating Underwriter certifying that the Periodic Report has been provided pursuant to this Disclosure Certificate, and stating the date it was provided.

Section 4. Content of Periodic Reports. Each Periodic Report shall contain or incorporate by reference the information set forth in Exhibit A relating to the Builder, any or all of which may be included by specific reference to other documents, including official statements of debt issues of the Builder or related public entities, which are available to the public on the MSRB's Internet web site or filed with the Securities and Exchange Commission. If the document included by reference is a final official statement, it must be available from the MSRB. The Builder shall clearly identify each such other document so included by reference.

In addition to any of the information expressly required to be provided in Exhibit A, each Periodic Report shall include such further information, if any, as may be necessary to make the specifically required statements, in the light of the circumstances under which they are made, not misleading.

Section 5. Reporting of Significant Events.

(a) So long as Builder's obligations under this Disclosure Certificate have not been terminated pursuant to Section 6 below, the Builder shall give, or cause to be given, notice of the occurrence of any of the following Listed Events with respect to itself or the Property, if material:

(i) bankruptcy or insolvency proceedings commenced by or against the Builder and, if known, any bankruptcy or insolvency proceedings commenced by or against any Affiliate of the Builder, that is reasonably likely to have a significant impact on the Builder's ability to pay Special Taxes or to sell or develop the Property;

(ii) failure to pay any taxes, special taxes (including the Special Taxes) or assessments due with respect to the Property on or prior to the delinquency date to the extent such failure is not promptly cured by the Builder upon discovery thereof;

(iii) filing of a lawsuit of which the Builder is aware against the Builder or an Affiliate seeking damages, which, if successful, could have a material and adverse impact on the Builder's ability to pay Special Taxes prior to delinquency or to sell or develop the Property;

(iv) material damage to or destruction of any of the improvements on the Property; and

(v) any payment default or other material default by the Builder on any loan with respect to the construction of improvements on the Property that continues to exist beyond any applicable notice and cure periods on any loan with respect to the construction of improvements on the Property.

(b) Whenever the Builder obtains knowledge of the occurrence of a Listed Event, the Builder shall as soon as possible determine if such event would be material under applicable Federal securities law.

(c) If the Builder determines that knowledge of the occurrence of a Listed Event would be material under applicable Federal securities law, the Builder shall, or shall cause the Dissemination Agent to, promptly file a notice of such occurrence with the MSRB, with a copy to the City and the Participating Underwriter.

Section 6. Duration of Reporting Obligation.

(a) All the Builder's obligations hereunder shall commence on the date hereof and terminate (except as provided in Section 11) on the earliest to occur of the following:

(i) upon the legal defeasance, prior redemption or payment in full of all the Bonds;

(ii) at such time as the Property in Improvement Area No. 2 is collectively responsible for less than 20% of the Special Taxes; or

(iii) the date on which all of the Special Taxes attributable to the Property are prepaid in full.

The Builder shall give notice of the termination of its obligations under this Disclosure Certificate in the same manner as for a Listed Event under Section 5.

(b) If a portion of the Property is conveyed to a Person that, upon such conveyance, will be a Major Owner, the obligations of the Builder hereunder with respect to the Property

conveyed to the Major Owner may be assumed by such Major Owner, and the Builder's obligations hereunder with respect to the Property conveyed will be terminated. In order to effect such assumption, such Major Owner shall enter into an Assumption Agreement in form and substance equivalent to this Disclosure Certificate or as otherwise satisfactory to the City and the Participating Underwriter. However, a Major Owner shall not be required to enter into an Assumption Agreement if such Major Owner is already a party to a continuing disclosure certificate in form and substance similar to this Disclosure Certificate with respect to the Bonds, and under which the Property conveyed to such Major Owner will become subject to future Periodic Reports. If a Major Owner required by this Section 6(b) to enter into an Assumption Agreement does not enter into an Assumption Agreement, then the Builder shall continue reporting on the Property conveyed to the Major Owner so long as it is owned by such Major Owner or until an Assumption Agreement is executed or until the Builder's obligations may be terminated in accordance with Section 6(a).

Section 7. Dissemination Agent. The Builder may, from time to time, appoint or engage a Dissemination Agent to assist the Builder in carrying out its obligations under this Disclosure Certificate, and may discharge any such Dissemination Agent, with or without appointing a successor Dissemination Agent. The Dissemination Agent may resign by providing thirty days' written notice to the City, the Builder and the Participating Underwriter.

Section 8. Amendment; Waiver. Notwithstanding any other provision of this Disclosure Certificate, the Builder may amend this Disclosure Certificate, and any provision of this Disclosure Certificate may be waived, provided that the following conditions are satisfied (provided, however, that the Dissemination Agent shall not be obligated under any such amendment that modifies or increases its duties or obligations hereunder without its written consent thereto):

(a) if the amendment or waiver relates to the provisions of sections 3(a), 4 or 5(a), it may only be made in connection with a change in circumstances that arises from a change in legal requirements, change in law, or change in the identity, nature, or status of the Builder with respect to the Bonds, or type of business conducted; and

(b) the proposed amendment or waiver either (i) is approved by holders of the Bonds in the manner provided in the Fiscal Agent Agreement, with the consent of holders, or (ii) does not, in the opinion of nationally recognized bond counsel, materially impair the interests of the holders or beneficial owners of the Bonds.

Section 9. Additional Information. Nothing in this Disclosure Certificate shall be deemed to prevent the Builder from disseminating any other information, using the means of dissemination set forth in this Disclosure Certificate or any other means of communication, or including any other information in any Periodic Report or notice of occurrence of a Listed Event, in addition to that which is required by this Disclosure Certificate. If the Builder chooses to include any information in any Periodic Report or notice of occurrence of a Listed Event in addition to that which is specifically required by this Disclosure Certificate, the Builder shall have no obligation under this Disclosure Certificate to update such information or include it in any future Periodic Report or notice of occurrence of a Listed Event.

Section 10. Default. In the event of a failure of the Builder to comply with any provision of this Disclosure Certificate, the City, the Participating Underwriter, and any holder or beneficial owner of the Bonds may take such actions as may be necessary and appropriate, including seeking mandate or specific performance by court order, to cause the Builder to comply with its obligations under this Disclosure Certificate. A default under this Disclosure Certificate shall not

be deemed an Event of Default under the Fiscal Agent Agreement, and the sole and exclusive remedy under this Disclosure Certificate in the event of any failure of the Builder to comply with this Disclosure Certificate shall be an action to compel performance.

Section 11. Duties, Immunities and Liabilities of Dissemination Agent. The Dissemination Agent shall have only such duties as are specifically set forth in this Disclosure Certificate, and the Builder agrees to indemnify and save the Dissemination Agent, its officers, directors, employees and agents (each, an “**Indemnified Party**”), harmless against any loss, expense and liabilities which it may incur arising out of or in the exercise or performance of its powers and duties hereunder, including the reasonable costs and expenses (including attorneys’ fees) of defending against any claim of liability, but excluding (i) losses, liabilities, costs and expenses due to an Indemnified Party’s negligence or willful misconduct or failure to perform its duties hereunder and (ii) losses, expenses and liabilities due to the failure of the City to pay the fees and expenses of the Dissemination Agent. The Dissemination Agent (if other than the Builder) shall be paid compensation for its services provided hereunder from Special Taxes levied for administration of the CFD in accordance with the Dissemination Agent’s schedule of fees as amended from time to time, which schedule, as amended, shall be reasonably acceptable, and all reasonable expenses, reasonable legal fees and advances made or incurred by the Dissemination Agent in the performance of its duties hereunder. The Dissemination Agent shall have no duty or obligation to review any information provided to it hereunder and shall not be deemed to be acting in any fiduciary capacity for the City, the Builder, the Bond owners, or any other party. The obligations of the Builder under this Section shall survive resignation or removal of the Dissemination Agent and payment of the Bonds, but shall be assumed by a Major Owner from and after the date of such assumption when property is sold to a Major Owner and such Major Owner enters into an Assumption Agreement.

Section 12. Notices. Any notice or communications to be among any of the parties to this Disclosure Certificate may be given by electronic, regular, or overnight mail as follows:

To the Builder:

Attn: _____

Email: _____

To the City:

City of Roseville
Attn: CFD Administrator
311 Vernon Street
Roseville, CA 95678

To the Participating
Underwriter:

Piper Sandler & Co.
Attn: Managing Director
2321 Rosecrans Avenue, Suite 3200
El Segundo, CA 90245

Any person may, by written notice to the other persons listed above, designate a different address or telephone number(s) to which subsequent notices or communications should be sent.

Section 13. Beneficiaries. This Disclosure Certificate shall inure solely to the benefit of the City, the Builder (its successors and assigns), the Dissemination Agent, the Participating Underwriter and holders and beneficial owners from time to time of the Bonds, and shall create no rights in any other person or entity. All obligations of the Builder hereunder shall be assumed by any legal successor to the obligations of the Builder as a result of a sale, merger, consolidation or other reorganization.

IN WITNESS WHEREOF, the Builder has executed this Disclosure Certificate as of the date first above written.

PERIODIC REPORT

[MAY 1, ____ / NOVEMBER 1, ____]

\$ _____

CITY OF ROSEVILLE
CREEKVIEW COMMUNITY FACILITIES DISTRICT NO. 1 (PUBLIC FACILITIES)
IMPROVEMENT AREA NO. 2
SPECIAL TAX BONDS
SERIES 2023

This Periodic Report is hereby submitted under Section 4 of the Continuing Disclosure Certificate ([Name of Merchant Builder]) (the “**Disclosure Certificate**”) dated July 1, 2023, executed by the undersigned (the “**Builder**”) in connection with the issuance of the above-captioned bonds by the City of Roseville (the “**City**”) with respect to its City of Roseville Creekview Community Facilities District No. 1 (Public Facilities) (the “**District**”).

Capitalized terms used in this Periodic Report but not otherwise defined have the meanings given to them in the Disclosure Certificate.

I. Property Ownership and Development

The information in this section is provided as of _____ (this date must be not more than 60 days before the due date of this Periodic Report).

A. Description of the Property in Improvement Area No. 2, in substance and form similar to such information in the Official Statement for the Bonds under the heading “MERCHANT BUILDER INFORMATION – [Lennar Homes] [Woodside] [Meritage] [D.R. Horton]”:

B. Updated information regarding land development and home construction activities with respect to the Property described in the Official Statement for the Bonds under the heading “MERCHANT BUILDER INFORMATION – [Lennar Homes] [Woodside] [Meritage] [D.R. Horton]” or the Periodic Report last filed in accordance with the Disclosure Certificate, [FOR D.R. HORTON ONLY: including the number of parcels acquired by the Builder from the Hearthstone Landbank pursuant to the Option Agreement]:

C. Status of building permits and any material changes to the description of land use or development entitlements for the Property described in the Official Statement for the Bonds under the heading “MERCHANT BUILDER INFORMATION – [Lennar Homes] [Woodside] [Meritage] [D.R. Horton]” or the Periodic Report last filed in accordance with the Disclosure Certificate:

D. Status of any land purchase contracts with regard to the Property, including sales of land in Improvement Area No. 2 to other property owners (other than individual homeowners).

II. Legal and Financial Status of Builder

Unless such information has previously been included or incorporated by reference in a Periodic Report, describe any material change in the legal structure of the Builder or the financial condition and financing plan of the Builder that would materially and adversely interfere with its ability to complete the development plan with respect to the Property described in the Official Statement. To the extent that the ownership of the Builder has changed, describe all material terms of the new ownership structure.

III. Change in Development or Financing Plans

Unless such information has previously been included or incorporated by reference in a Periodic Report, describe any development plans or financing plans relating to the Property *that are materially different from* the proposed development and financing plan for the Property described in the Official Statement or in a previous Periodic Report.

IV. Official Statement Updates

Unless such information has previously been included or incorporated by reference in a Periodic Report, describe any other significant changes in the information relating to the Builder or the Property contained in the Official Statement under the heading “MERCHANT BUILDER INFORMATION – [Lennar Homes] [Woodside] [D.R. Horton]” that would materially and adversely interfere with the Builder’s ability to develop and sell the Property as described in the Official Statement.

V. Other Material Information

In addition to any of the information expressly required above, provide such further information, if any, with respect to the Property and the Builder as may be necessary to make the specifically required statements, in the light of the circumstances under which they are made, not misleading.

Certification

On behalf of the Builder, the undersigned officer or authorized representative, based on actual knowledge after reasonable inquiry of employees of Builder and its affiliates, hereby certifies that this Periodic Report constitutes the Periodic Report required to be furnished by the Builder under the Disclosure Certificate.

ANY OTHER STATEMENTS REGARDING THE BUILDER, THE DEVELOPMENT OF THE PROPERTY, THE BUILDER'S FINANCING PLAN OR FINANCIAL CONDITION, OR THE BONDS, OTHER THAN STATEMENTS MADE BY THE BUILDER IN AN OFFICIAL RELEASE, OR FILED WITH THE MUNICIPAL SECURITIES RULEMAKING BOARD, ARE NOT AUTHORIZED BY THE BUILDER. THE BUILDER IS NOT RESPONSIBLE FOR THE ACCURACY, COMPLETENESS OR FAIRNESS OF ANY SUCH UNAUTHORIZED STATEMENTS.

THE BUILDER HAS NO OBLIGATION TO UPDATE THIS PERIODIC REPORT OTHER THAN AS EXPRESSLY PROVIDED IN THE DISCLOSURE CERTIFICATE.

APPENDIX F

SUMMARY OF CERTAIN PROVISIONS OF FISCAL AGENT AGREEMENT

APPENDIX G

DTC AND THE BOOK-ENTRY ONLY SYSTEM

The following description of the Depository Trust Company ("DTC"), the procedures and record keeping with respect to beneficial ownership interests in the 2023 Bonds, payment of principal, interest and other payments on the 2023 Bonds (herein, the "Securities") to DTC Participants or Beneficial Owners, confirmation and transfer of beneficial ownership interest in the Securities and other related transactions by and between DTC, the DTC Participants and the Beneficial Owners is based solely on information provided by DTC. Accordingly, no representations can be made concerning these matters and neither the DTC Participants nor the Beneficial Owners should rely on the foregoing information with respect to such matters, but should instead confirm the same with DTC or the DTC Participants, as the case may be.

Neither the issuer of the Securities (the "Issuer") nor the fiscal agent appointed with respect to the Securities (the "Agent") takes any responsibility for the information contained in this Appendix.

No assurances can be given that DTC, DTC Direct Participants or Indirect Participants will distribute to the Beneficial Owners (a) payments of interest, principal or premium, if any, with respect to the Securities, (b) certificates representing ownership interest in or other confirmation or ownership interest in the Securities, or (c) redemption or other notices sent to DTC or Cede & Co., its nominee, as the registered owner of the Securities, or that they will so do on a timely basis, or that DTC, DTC Direct Participants or DTC Indirect Participants will act in the manner described in this Appendix. The current "Rules" applicable to DTC are on file with the Securities and Exchange Commission and the current "Procedures" of DTC to be followed in dealing with DTC Participants are on file with DTC.

1. The Depository Trust Company ("DTC") will act as securities depository for the securities (the "Securities"). The Securities will be issued as fully-registered securities registered in the name of Cede & Co. (DTC's partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully-registered Security certificate will be issued for each issue of the Securities, each in the aggregate principal amount of such issue, and will be deposited with DTC. If, however, the aggregate principal amount of any issue exceeds \$500 million, one certificate will be issued with respect to each \$500 million of principal amount, and an additional certificate will be issued with respect to any remaining principal amount of such issue.

2. DTC, the world's largest securities depository, is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments (from over 100 countries) that DTC's participants ("Direct Participants") deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants' accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation ("DTCC"). DTCC is the holding

company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("Indirect Participants"). DTC has a Standard & Poor's rating of AA+. The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at www.dtcc.com. *The information contained on this Internet site is not incorporated herein by reference.*

3. Purchases of Securities under the DTC system must be made by or through Direct Participants, which will receive a credit for the Securities on DTC's records. The ownership interest of each actual purchaser of each Security ("Beneficial Owner") is in turn to be recorded on the Direct and Indirect Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Securities are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in Securities, except in the event that use of the book-entry system for the Securities is discontinued.

4. To facilitate subsequent transfers, all Securities deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of Securities with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Securities; DTC's records reflect only the identity of the Direct Participants to whose accounts such Securities are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

5. Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. Beneficial Owners of Securities may wish to take certain steps to augment the transmission to them of notices of significant events with respect to the Securities, such as redemptions, tenders, defaults, and proposed amendments to the Security documents. For example, Beneficial Owners of Securities may wish to ascertain that the nominee holding the Securities for their benefit has agreed to obtain and transmit notices to Beneficial Owners. In the alternative, Beneficial Owners may wish to provide their names and addresses to the registrar and request that copies of notices be provided directly to them.

6. Redemption notices shall be sent to DTC. If less than all of the Securities within an issue are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such issue to be redeemed.

7. Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to Securities unless authorized by a Direct Participant in accordance with DTC's MMI Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to Issuer as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting

rights to those Direct Participants to whose accounts Securities are credited on the record date (identified in a listing attached to the Omnibus Proxy).

8. Redemption proceeds, distributions, and dividend payments on the Securities will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detail information from Issuer or Agent, on payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC, Agent, or Issuer, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of redemption proceeds, distributions, and dividend payments to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of Issuer or Agent, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.

9. DTC may discontinue providing its services as depository with respect to the Securities at any time by giving reasonable notice to Issuer or Agent. Under such circumstances, in the event that a successor depository is not obtained, Security certificates are required to be printed and delivered.

10. Issuer may decide to discontinue use of the system of book-entry-only transfers through DTC (or a successor securities depository). In that event, Security certificates will be printed and delivered to DTC.

11. The information in this section concerning DTC and DTC's book-entry system has been obtained from sources that Issuer and Agent believe to be reliable, but neither Issuer nor Agent takes no responsibility for the accuracy thereof.

IMPROVEMENT AREA NO. 2
SPECIAL TAX BONDS
SERIES 2023

BOND PURCHASE AGREEMENT

_____, 2023

City of Roseville
311 Vernon Street,
Roseville, California 95678

Ladies and Gentlemen:

Piper Sandler & Co. (the “**Underwriter**”), acting not as a fiduciary or agent for you, but on behalf of itself, offers to enter into this Bond Purchase Agreement (the “**Purchase Agreement**”) with the City of Roseville, California (the “**City**”) acting on behalf of the City of Roseville Creekview Community Facilities District No. 1 (Public Facilities) (the “**District**”) which, upon acceptance, will be binding upon the City and upon the Underwriter. This offer is made subject to acceptance of it by the City on the date hereof, and if not accepted will be subject to withdrawal by the Underwriter upon notice delivered to the City at any time prior to the acceptance hereof by the City.

The City acknowledges and agrees that: (i) the purchase and sale of the Bonds (defined below) pursuant to this Purchase Agreement is an arm’s-length commercial transaction between the City and the Underwriter; (ii) in connection therewith and with the discussions, undertakings and procedures leading up to the consummation of such transaction, the Underwriter is and has been acting solely as principal and is not acting as a Municipal Advisor (as defined in Section 15B of the Securities Exchange Act of 1934, as amended); (iii) the Underwriter has not assumed an advisory or fiduciary responsibility in favor of the City with respect to the offering contemplated hereby or the discussions, undertakings and procedures leading thereto (irrespective of whether the Underwriter has provided other services or is currently providing other services to the City on other matters); and (iv) the City has consulted its own legal, financial and other advisors to the extent it has deemed appropriate for this transaction.

1. Purchase, Sale and Delivery of the Bonds.

(a) Subject to the terms and conditions and in reliance upon the representations, warranties and agreements set forth herein, the Underwriter agrees to purchase from the City, and the City agrees to sell to the Underwriter, all (but not less than all) of the City of Roseville Creekview Community Facilities District No. 1 (Public Facilities) Improvement Area No. 2 Special Tax Bonds, Series 2023 (the “**Bonds**”) in the aggregate principal amount specified in Exhibit A hereto. The Bonds shall be dated the Closing Date (hereinafter defined), and bear interest from said date (payable semiannually on March 1 and September 1 in each year, commencing September 1, 2023) at the rates

per annum and maturing on the dates and in the amounts set forth in Exhibit A hereto. The purchase price for the Bonds shall be the amount specified as such in Exhibit A hereto.

(b) The Bonds shall be substantially in the form described in, shall be issued and secured under the provisions of, and shall be payable and subject to redemption as provided in, the Fiscal Agent Agreement dated as of _____ 1, 2023 (the “**Fiscal Agent Agreement**”), by and between the City and U.S. Bank Trust Company, National Association, as fiscal agent (the “**Fiscal Agent**”), and approved by a resolution adopted by the City Council of the City (the “**City Council**”), acting as the legislative body of the District, on _____, 2023 (the “**Resolution of Issuance**”). The Bonds and interest thereon will be payable from a special tax (the “**Special Tax**”) levied and collected on the taxable land within the District in accordance with a Resolution of Intention adopted by the City Council on October 2, 2019, a Resolution of Formation adopted by the City Council on November 6, 2019 (together with the Resolution of Intention, the “**Resolution of Formation**”) and the [Unanimous Consent and Waiver of the Master Developer (as defined herein) (the “**Unanimous Consent**”) allowing for the annexation of Improvement Area No. 2 (“**Improvement Area No. 2**”) to the District]. Proceeds of the sale of the Bonds will be used in accordance with the Fiscal Agent Agreement and the Mello-Roos Community Facilities Act of 1982, as amended (Sections 53311 et seq. of the Government Code of the State of California) (the “**Law**”), to (i) construct and/or acquire certain authorized public facilities, (ii) provide for a deposit to a debt service reserve account for the Bonds, (iii) provide capitalized interest for debt service due on the Bonds through and including September 1, 2021, and (iv) pay costs of issuance of the Bonds. The Resolution of Issuance, the Resolution of Formation and [Ordinance No. 6163, adopted by the City Council on December 4, 2019], are collectively referred to herein as the “**District Resolutions.**”

(c) At or prior to the acceptance hereof by the City, the City shall cause to be delivered to the Underwriter a 15c2-12 Certificate of the City, dated as of the date of this Purchase Agreement (the “**City Certificate**”), in substantially the form attached hereto as Exhibit B, with only such changes therein as shall have been accepted by the Underwriter.

(d) Subsequent to its receipt of the City Certificate deeming the Preliminary Official Statement for the Bonds, dated _____, 2023 (which Preliminary Official Statement, together with the cover page and all appendices thereto, is herein collectively referred to as the “**Preliminary Official Statement**”), final for purposes of Rule 15c2-12 of the Securities and Exchange Commission (“**Rule 15c2-12**”), the Underwriter has distributed copies of the Preliminary Official Statement. The City hereby ratifies the use by the Underwriter of the Preliminary Official Statement and authorizes the Underwriter to use and distribute the final Official Statement dated the date hereof (including all information previously permitted to have been omitted by Rule 15c2-12, and any supplements and amendments thereto as have been approved by the City as evidenced by the execution and delivery of such document by an officer of the City (the “**Official Statement**”), the Fiscal Agent Agreement, the Continuing Disclosure Certificate of the City (the “**City Disclosure Certificate**”), this Purchase Agreement and any other documents or contracts to which the City or the District is a party related to the Bonds, and all information contained therein, and all other documents, certificates and statements furnished by the City to the Underwriter in connection with the transactions contemplated by this Purchase Agreement, in connection with the offer and sale of the Bonds by the Underwriter. The Underwriter hereby agrees to deliver a copy of the Official Statement to the Municipal Securities Rulemaking City Council (the “**MSRB**”) through the Electronic Municipal Marketplace Access website of the MSRB on or before the Closing Date and otherwise to comply with all applicable statutes and regulations in connection with the offering and sale of the Bonds, including, without limitation, MSRB Rule G-32 and Rule 15c2-12.

(e) At 8:00 A.M., Pacific Daylight Time, on _____, 2023, or at such earlier time or date as shall be agreed upon by the Underwriter and the City (such time and date being herein referred to as the “**Closing Date**”), the City will deliver (i) to the Depository Trust Company in New York, New York, the Bonds in definitive form (all Bonds being in book-entry form registered in the name of Cede & Co. and having the CUSIP numbers assigned to them printed thereon), duly executed by the officers of the City, as provided in the Fiscal Agent Agreement, and (ii) to the Underwriter, at the offices of Jones Hall, A Professional Law Corporation, as bond counsel to the City (“**Bond Counsel**”), or at such other place as shall be mutually agreed upon by the City and the Underwriter, the other documents herein mentioned; and the Underwriter shall accept such delivery and pay the purchase price of the Bonds in immediately available funds (such delivery and payment being herein referred to as the “**Closing**”). Notwithstanding the foregoing, the Underwriter may, in their discretion, accept delivery of the Bonds in temporary form upon making arrangements with the City which are satisfactory to the Underwriter relating to the delivery of the Bonds in definitive form.

2. Public Offering and Establishment of Issue Price.

(a) The Underwriter agrees to make a bona fide public offering of the Bonds at the initial public offering price or prices set forth on the inside cover page of the Final Official Statement (as defined herein) and in Exhibit A hereto and subject to Section 2(c) and 2(d) hereof, the Underwriter reserves the right to change such initial public offering prices as the Underwriter deems necessary or desirable, in its sole discretion, in connection with the marketing of the Bonds, and to sell the Bonds to certain dealers (including dealers depositing the Bonds into investment trusts) and others at prices lower than the initial offering prices set forth in the Final Official Statement. A “**bona fide public offering**” shall include an offering to institutional investors or registered investment companies, regardless of the number of such investors to which the Bonds are sold.

(b) The Underwriter agrees to assist the City in establishing the issue price of the Bonds and shall execute and deliver to the City at Closing (defined below) an “**issue price**” or similar certificate, together with copies of supporting pricing wires or equivalent communications, substantially in the form attached hereto as Exhibit C, with such modifications as may be appropriate or necessary, in the reasonable judgment of the Underwriter, the City and Bond Counsel to accurately reflect, as applicable, the sales price or prices or the initial offering price or prices to the public of the Bonds. All actions to be taken by the City under this section to establish the issue price of the Bonds may be taken on behalf of the City by the City’s municipal advisor, Hilltop Securities Inc. (the “**Municipal Advisor**”) and any notice or report to be provided to the City may be provided to the City’s Municipal Advisor.

(c) Except as otherwise set forth in Exhibit A attached hereto, the City will treat the first price at which 10% of each maturity of the Bonds (the “**10% test**”), identified under the column “10% Test Used” in Exhibit A, is sold to the public as the issue price of that maturity. At or promptly after the execution of this Purchase Agreement, the Underwriter shall report to the City the price or prices at which it has sold to the public each maturity of Bonds. If at that time the 10% test has not been satisfied as to any maturity of the Bonds, the Underwriter agrees to promptly report to the City the prices at which it sells the unsold Bonds of that maturity to the public. That reporting obligation shall continue, whether or not the Closing Date has occurred, until either (i) the Underwriter has sold all Bonds of that maturity or (ii) the 10% test has been satisfied as to the Bonds of that maturity, provided that, the Underwriter’s reporting obligation after the Closing Date may be at reasonable periodic intervals or otherwise upon request of the City or Bond Counsel. For purposes

of this section, if Bonds mature on the same date but have different interest rates, each separate CUSIP number within that maturity will be treated as a separate maturity of the Bonds.

The Underwriter confirms that it has offered the Bonds to the public on or before the date of this Purchase Agreement at the offering price or prices (the “**initial offering price**”), or at the corresponding yield or yields, set forth in Exhibit A attached hereto, except as otherwise set forth therein. Exhibit A also sets forth, identified under the column “Hold the Offering Price Rule Used,” as of the date of this Purchase Agreement, the maturities, if any, of the Bonds for which the 10% test has not been satisfied and for which the City and the Underwriter agree that the restrictions set forth in the next sentence shall apply, which will allow the City to treat the initial offering price to the public of each such maturity as of the sale date as the issue price of that maturity (the “**hold-the-offering-price rule**”). So long as the hold-the-offering-price rule remains applicable to any maturity of the Bonds, the Underwriter will neither offer nor sell unsold Bonds of that maturity to any person at a price that is higher than the initial offering price to the public during the period starting on the sale date and ending on the earlier of the following.

(1) the close of the fifth (5th) business day after the sale date; or

(2) the date on which the Underwriter has sold at least 10% of that maturity of the Bonds to the public at a price that is no higher than the initial offering price to the public.

The Underwriter will advise the City promptly after the close of the fifth (5th) business day after the sale date whether it has sold 10% of that maturity of the Bonds to the public at a price that is no higher than the initial offering price to the public.

(d) The Underwriter confirms that:

(1) any selling group agreement and any third-party distribution agreement relating to the initial sale of the Bonds to the public, together with the related pricing wires, contains or will contain language obligating each dealer who is a member of the selling group and each broker-dealer that is a party to such third-party distribution agreement, as applicable:

(A) (i) to report the prices at which it sells to the public the unsold Bonds of each maturity allocated to it, whether or not the Closing Date has occurred, until either all Bonds of that maturity allocated to it have been sold or it is notified by the Underwriter that the 10% test has been satisfied as to the Bonds of that maturity, provided that, the reporting obligation after the Closing Date may be at reasonable periodic intervals or otherwise upon request of the Underwriter, and (ii) to comply with the hold-the-offering-price rule, if applicable, if and for so long as directed by the Underwriter,

(B) to promptly notify the Underwriter of any sales of Bonds that, to its knowledge, are made to a purchaser who is a related party to an underwriter participating in the initial sale of the Bonds to the public (each such term being used as defined below), and

(C) to acknowledge that, unless otherwise advised by the dealer or broker-dealer, the Underwriter shall assume that each order submitted by the dealer or broker-dealer is a sale to the public.

(2) any selling group agreement relating to the initial sale of the Bonds to the public, together with the related pricing wires, contains or will contain language obligating each dealer that is a party to a third-party distribution agreement to be employed in connection with the initial sale of the Bonds to the public to require each broker-dealer that is a party to such third-party distribution agreement to (A) report the prices at which it sells to the public the unsold Bonds of each maturity allocated to it, whether or not the Closing Date has occurred, until either all Bonds of that maturity allocated to it have been sold or it is notified by the Underwriter or the dealer that the 10% test has been satisfied as to the Bonds of that maturity, provided that, the reporting obligation after the Closing Date may be at reasonable periodic intervals or otherwise upon request of the Underwriter or the dealer, and (B) comply with the hold-the-offering-price rule, if applicable, if and for so long as directed by the Underwriter or the dealer and as set forth in the related pricing wires.

(e) The City acknowledges that, in making the representations set forth in this section, the Underwriter will rely on (i) in the event a selling group has been created in connection with the initial sale of the Bonds to the public, the agreement of each dealer who is a member of the selling group to comply with the requirements for establishing issue price of the Bonds, including, but not limited to, its agreement to comply with the hold-the-offering-price rule, if applicable to the Bonds, as set forth in a selling group agreement and the related pricing wires, and (ii) in the event that a third-party distribution agreement was employed in connection with the initial sale of the Bonds to the public, the agreement of each broker-dealer that is a party to such agreement to comply with the requirements for establishing issue price of the Bonds, including, but not limited to, its agreement to comply with the hold-the-offering-price rule, if applicable to the Bonds, as set forth in the third-party distribution agreement and the related pricing wires. The City further acknowledges that the Underwriter shall not be liable for the failure of any dealer who is a member of a selling group, or of any broker-dealer that is a party to a third-party distribution agreement, to comply with its corresponding agreement to comply with the requirements for establishing issue price of the Bonds, including, but not limited to, its agreement to comply with the hold-the-offering-price rule, if applicable to the Bonds.

(f) The Underwriter acknowledges that sales of any Bonds to any person that is a related party to an underwriter participating in the initial sale of the Bonds to the public (each such term being used as defined below) shall not constitute sales to the public for purposes of this section. Further, for purposes of this section:

(1) “**public**” means any person other than an underwriter or a related party;

(2) “**underwriter**” means (A) any person that agrees pursuant to a written contract with the City (or with the lead underwriter to form an underwriting syndicate) to participate in the initial sale of the Bonds to the public and (B) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (A) to participate in the initial sale of the Bonds to the public

(including a member of a selling group or a party to a third-party distribution agreement participating in the initial sale of the Bonds to the public);

(3) a purchaser of any of the Bonds is a “**related party**” to an underwriter if the underwriter and the purchaser are subject, directly or indirectly, to (i) more than 50% common ownership of the voting power or the total value of their stock, if both entities are corporations (including direct ownership by one corporation of another), (ii) more than 50% common ownership of their capital interests or profits interests, if both entities are partnerships (including direct ownership by one partnership of another), or (iii) more than 50% common ownership of the value of the outstanding stock of the corporation or the capital interests or profit interests of the partnership, as applicable, if one entity is a corporation and the other entity is a partnership (including direct ownership of the applicable stock or interests by one entity of the other); and

(4) “**sale date**” means the date of execution of this Purchase Agreement by the City and the Underwriter.

3. Representations, Warranties and Agreements of the City. The City represents, warrants and covenants to and agrees with the Underwriter that:

(a) The City is a municipal corporation and charter city duly organized and existing under the laws of the State of California (the “**State**”) and has duly authorized the formation of the District and the designation of Improvement Area No. 2 therein, pursuant to the Resolution of Formation, [the Unanimous Consent] and the Law. The City Council, as the legislative body of the District, has duly adopted the District Resolutions, and has caused to be recorded in the real property records of Placer County a Notice of Special Tax Lien (the “**Notice of Special Tax Lien**”) (such District Resolutions, [Unanimous Consent] and Notice of Special Tax Lien being collectively referred to herein as the “**Formation Documents**”). Each of the Formation Documents remains in full force and effect as of the date hereof and has not been amended. The District is duly organized and validly existing as a community facilities district under the laws of the State of California and Improvement Area No. 2 therein has been properly designated. The City has, and at the Closing Date will have, as the case may be, full legal right, power and authority (i) to execute, deliver and perform its obligations under this Purchase Agreement and the City Disclosure Certificate, and to carry out all transactions on its part contemplated by each of such agreements, (ii) to issue, sell and deliver the Bonds to the Underwriter pursuant to the Resolution of Issuance and the Fiscal Agent Agreement as provided herein, and (iii) to carry out, give effect to and consummate the transactions on its part contemplated by the Formation Documents and by the Fiscal Agent Agreement, this Purchase Agreement, and the City Disclosure Certificate (collectively, the “**District Documents**”) and the Official Statement.

(b) The City has complied, and will at the Closing Date be in compliance, in all material respects, with the Formation Documents and the District Documents, and any immaterial compliance by the City, if any, will not impair the ability of the City to carry out, give effect to or consummate the transactions on its part contemplated by the foregoing. From and after the date of issuance of the Bonds, the City will continue to comply with the covenants of the City contained in the District Documents that are applicable to such time period.

(c) The City Council has duly and validly: (i) adopted the District Resolutions, (ii) called, held and conducted in accordance with all requirements of the Law, elections within the District to approve the levy of the Special Tax within Improvement Area No. 2 of the District and the issuance of the Bonds and recorded the Notice of Special Tax Lien which established a continuing lien on the land within Improvement Area No. 2 of the District securing the payment of the Special Tax, (iii) authorized and approved the execution, delivery and due performance by the City for the District of the Bonds and the District Documents, (iv) authorized the preparation, delivery and distribution of the Preliminary Official Statement and the Official Statement, and (v) authorized and approved the performance by the City of its obligations contained in, and the taking of any and all action as may be necessary to carry out, give effect to and consummate the transactions on its part contemplated by, each of the District Documents (including, without limitation, the collection of the Special Tax), the Bonds and the Official Statement and at the Closing Date, the Formation Documents will be in full force and effect and the District Documents and the Bonds will constitute the valid, legal and binding obligations of the City for the District and (assuming due authorization, execution and delivery by other parties thereto, where necessary) will be enforceable upon the City in accordance with their respective terms, subject to bankruptcy, insolvency, reorganization, moratorium and other laws affecting the enforcement of creditors' rights in general and to the application of equitable principles if equitable remedies are sought.

(d) To the best of the City's knowledge, neither the District nor the City is in breach of or default under any applicable law or administrative rule or regulation of the State or the United States, or of any department, division, agency or instrumentality thereof, or under any applicable court or administrative decree or order, or under any loan agreement, note, resolution, trust agreement, contract, agreement or other instrument to which the District or the City is a party or is otherwise subject or bound, a consequence of which would be to materially and adversely affect the performance by the District or the City of their obligations under the Bonds, the Formation Documents or the District Documents, and compliance with the provisions of each thereof will not conflict with or constitute a breach of or default under any applicable law or administrative rule or regulation of the State or the United States, or of any department, division, agency or instrumentality thereof, or under any applicable court or administrative decree or order, or a material breach of or default under any loan agreement, note, resolution, trust agreement, contract, agreement or other instrument to which the District or the City, as the case may be, is a party or is otherwise subject or bound.

(e) Except for compliance with the blue sky or other states securities law filings, as to which the City makes no representations, all approvals, consents, authorizations, elections and orders of or filings or registrations with any State governmental authority, board, agency or commission having jurisdiction which would constitute a condition precedent to, or the absence of which would materially adversely affect, the performance by the City of its obligations hereunder, or under the Formation Documents or the District Documents, have been obtained and are in full force and effect.

(f) The Special Tax constituting the security for the Bonds has been duly and lawfully authorized and may be levied under the Law, the State Constitution and the applicable laws of the State, and the Special Tax, when levied, will constitute a valid and legally binding continuing lien on the properties on which it has been levied.

(g) The City shall not supplement or amend the Official Statement or cause the Official Statement to be supplemented or amended without the prior written consent of the

Underwriter. Until the date which is twenty-five (25) days after the “end of the underwriting period” (as hereinafter defined), if any event shall occur of which the City is aware, as a result of which it may be necessary to supplement the Official Statement in order to make the statements in the Official Statement, in light of the circumstances existing at such time, not misleading, the City shall forthwith notify the Underwriter of any such event of which it has knowledge and shall cooperate fully in furnishing any information available to it for any supplement to the Official Statement necessary, in the Underwriter’s opinion, so that the statements therein as so supplemented will not be misleading in light of the circumstances existing at such time and the City shall promptly furnish to the Underwriter a reasonable number of copies of such supplement. As used herein, the term “**end of the underwriting period**” means the later of such time as (i) the City delivers the Bonds to the Underwriter, or (ii) the Underwriter does not retain, directly or as a member of an underwriting syndicate, an unsold balance of the Bonds for sale to the public. Unless the Underwriter gives notice to the contrary, the “end of the underwriting period” shall be deemed to be the Closing Date. Any notice delivered pursuant to this provision shall be written notice delivered to the City at or prior to the Closing Date, and shall specify a date (other than the Closing Date) to be deemed the “end of the underwriting period.”

(h) The Fiscal Agent Agreement creates a valid pledge of the Special Tax Revenues (as defined in the Fiscal Agent Agreement) and the moneys deposited in the Bond Fund and the Reserve Fund established pursuant to the Fiscal Agent Agreement, including the investments thereof, subject in all cases to the provisions of the Fiscal Agent Agreement permitting the application thereof for the purposes and on the terms and conditions set forth therein. Until such time as moneys have been set aside in an amount sufficient to pay all then outstanding Bonds at maturity or to the date of redemption if redeemed prior to maturity, plus unpaid interest thereon to maturity or to the date of redemption if redeemed prior to maturity, and premium, if any, the City will faithfully perform and abide by all of its covenants and undertakings, and the provisions contained in the Fiscal Agent Agreement.

(i) Except as disclosed in the Preliminary Official Statement, no action, suit, proceeding, inquiry or investigation, at law or in equity, before or by any court, regulatory agency, public board or body is pending with respect to which the City has been served with process or, to the best knowledge of the City, threatened (i) which would materially adversely affect the ability of either the City or the District to perform their obligations under the Bonds, the Formation Documents or the District Documents, or (ii) seeking to restrain or to enjoin the issuance, sale or delivery of the Bonds, the application of the proceeds thereof in accordance with the Fiscal Agent Agreement, or the collection or application of the Special Tax pledged or to be pledged to pay the principal of and interest on the Bonds, or the pledge thereof, or in any way contesting or affecting the validity or enforceability of the Bonds, the Formation Documents, the District Documents, or any action contemplated by any of said documents, or (iii) in any way contesting the completeness or accuracy of the Official Statement or the powers or authority of the City or the District with respect to the Bonds, the Formation Documents, the District Documents, or any action of the City or the District contemplated by any of said documents; nor is there any action pending with respect to which the City has been served with process or, to the best knowledge of the City, threatened against the City or the District which alleges that interest on the Bonds is not excludable from gross income for federal income tax purposes or is not exempt from California personal income taxation, or (iv) which would affect or restrain the ability of the owners of property within the District to develop their property as described in the Preliminary Official Statement.

(j) The City will furnish such information, execute such instruments and take such other action in cooperation with the Underwriter as the Underwriter may reasonably request in order for the Underwriter to qualify the Bonds for offer and sale under the “Blue Sky” or other securities laws and regulations of such states and other jurisdictions of the United States as the Underwriter may designate; provided, however, the City shall not be required to register as a dealer or a broker of securities or to consent to service of process in connection with any blue sky filing.

(k) Any certificate signed by any official of the City authorized to do so and delivered to the Underwriter in connection with the Bonds or this Purchase Agreement shall be deemed a representation and warranty to the Underwriter as to the statements made therein.

(l) The City will apply the proceeds of the Bonds in accordance with the Fiscal Agent Agreement as described in the Official Statement.

(m) The information contained in the Preliminary Official Statement (other than under the captions “IMPROVEMENT AREA NO. 2 PLANNED DEVELOPMENT,” “THE MASTER DEVELOPER” and “MERCHANT BUILDER INFORMATION,” as to which no view is expressed) was as of the date thereof, and the information contained in the Official Statement (other than under the captions “IMPROVEMENT AREA NO. 2 PLANNED DEVELOPMENT,” “THE MASTER DEVELOPER” and “MERCHANT BUILDER INFORMATION,” as to which no view is expressed) as of its date and on the Closing Date shall be, true and correct in all material respects and such information does not and shall not contain any untrue or misleading statement of a material fact or omit to state any material fact necessary to make the statements therein, in light of the circumstances under which they were made, not misleading.

(n) The Preliminary Official Statement heretofore delivered to the Underwriter has been deemed final by the City as of its date, except for the omission of such information as is permitted to be omitted in accordance with paragraph (b)(1) of Rule 15c2-12. The City hereby covenants and agrees that, within seven (7) business days from the date hereof, the City shall cause a final printed form of the Official Statement to be delivered to the Underwriter in a quantity mutually agreed upon by the Underwriter and the City so that the Underwriter may comply with paragraph (b)(4) of Rule 15c2-12 and Rules G-12, G-15, G-32 and G-36 of the Municipal Securities Rulemaking Board.

(o) Except as otherwise disclosed in the Preliminary Official Statement, the City is, and has always been, in material compliance with respect to all reporting obligations in the last five years that it has undertaken under Rule 15c2-12 for all indebtedness issued by the City.

(p) Except as otherwise disclosed in the Preliminary Official Statement, the Formation Documents have not been amended, terminated, rescinded or modified.

(q) The City shall not voluntarily undertake any course of action inconsistent with satisfaction of the requirements applicable to the City as set forth in this Purchase Agreement.

(r) The City shall cooperate with the Underwriter in the qualification of the Bonds for offering and sale and the determination of their eligibility for investment under the laws of such jurisdictions as the Underwriter may designate.

(s) The City shall not knowingly take or omit to take any action that, under existing law, may adversely affect the exemption from state income taxation or the exclusion from gross income for federal income tax purposes of the interest on the Bonds.

4. Conditions to the Obligations of the Underwriter. The obligations of the Underwriter to accept delivery of and pay for the Bonds on the Closing Date shall be subject, at the option of the Underwriter, to the accuracy in all material respects of the representations and warranties of the City contained herein, as of the date hereof and as of the Closing Date, to the accuracy in all material respects of the statements of the officers and other officials of the City made in any certificates or other documents furnished pursuant to the provisions hereof, to the performance by the City of its obligations to be performed hereunder at or prior to the Closing Date and to the following additional conditions:

(a) At the Closing Date, the Formation Documents and the District Documents shall be in full force and effect, and shall not have been amended, modified or supplemented, except as may have been agreed to in writing by the Underwriter, and there shall have been taken in connection therewith, with the issuance of the Bonds and with the transactions contemplated thereby and by this Purchase Agreement, all such actions as, in the opinion of Bond Counsel, and Stradling Yocca Carlson & Rauth, a Professional Corporation (“**Stradling**”), counsel to the Underwriter, shall be necessary and appropriate;

(b) The information contained in the Official Statement will, as of the Closing Date and as of the date of any supplement or amendment thereto pursuant to Section 3(g) hereof, be true and correct in all material respects and will not, as of the Closing Date or as of the date of any supplement or amendment thereto pursuant to Section 3(g) hereof, contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading;

(c) Between the date hereof and the Closing Date, the market price or marketability of the Bonds at the initial offering prices set forth in the Official Statement shall not have been materially adversely affected, in the judgment of the Underwriter (evidenced by a written notice to the City terminating the obligation of the Underwriter to accept delivery of and pay for the Bonds), by reason of any of the following:

(1) legislation introduced in or enacted (or resolution passed) by the Congress of the United States of America or recommended to the Congress by the President of the United States, the Department of the Treasury, the Internal Revenue Service, or any member of Congress, or favorably reported for passage to either House of Congress by any committee of such House to which such legislation had been referred for consideration or a decision rendered by a court established under Article III of the Constitution of the United States of America or by the Tax Court of the United States of America, or an order, ruling, regulation (final, temporary or proposed), press release or other form of notice issued or made by or on behalf of the Treasury Department or the Internal Revenue Service of the United States of America, with the purpose or effect, directly or indirectly, of imposing federal income taxation upon the interest that would be received by the owners of the Bonds beyond the extent to which such interest is subject to taxation as of the date hereof;

(2) legislation introduced in or enacted (or resolution passed) by the Congress of the United States of America, or an order, decree or injunction issued by any court of competent jurisdiction, or an order, ruling, regulation (final, temporary or proposed), press release or other form of notice issued or made by or on behalf of the Securities and Exchange Commission (the “SEC”), or any other governmental agency having jurisdiction of the subject matter, to the effect that obligations of the general character of the Bonds, or the Bonds are not exempt from registration under or other requirements of the Securities Act of 1933, as amended, or that the Fiscal Agent Agreement is not exempt from qualification under or other requirements of the Trust Indenture Act of 1939, as amended, or that the issuance, offering or sale of obligations of the general character of the Bonds, or of the Bonds, as contemplated hereby or by the Official Statement or otherwise is or would be in violation of the federal securities laws, rules or regulations as amended and then in effect;

(3) any amendment to the federal or California Constitution or action by any federal or California court, legislative body, regulatory body or other authority materially adversely affecting the tax status of the City or the District, their property, income or securities (or interest thereon), the validity or enforceability of the Special Tax as contemplated by the Formation Documents, the District Documents or the Official Statement;

(4) any event occurring, or information becoming known, which, in the judgment of the Underwriter, makes untrue in any material respect any statement or information contained in the Preliminary Official Statement or the Official Statement, or results in the Preliminary Official Statement or the Official Statement containing any untrue statement of a material fact or omitting to state a material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading;

(5) the declaration of war or the escalation of, or engagement in, military hostilities by the United States or the occurrence of any other national or international emergency or calamity relating to the effective operation of the government of, or the financial community in, the United States which, in the judgment of the Underwriter, makes it impracticable or inadvisable to proceed with the offering or the delivery of the Bonds on the terms and in the manner contemplated in the Preliminary Official Statement or the Official Statement;

(6) the declaration of a general banking moratorium by federal, State of New York or State of California authorities, or the general suspension of trading on any national securities exchange or minimum or maximum prices for trading shall have been fixed and be in force, or maximum ranges for prices for securities shall have been required and be in force on the New York Stock Exchange or other national securities exchange, whether by virtue of determination by that exchange or by order of the SEC or any other governmental authority having jurisdiction that, in the Underwriter’s reasonable judgment, makes it impracticable for the Underwriter to market the Bonds or enforce contracts for the sale of the Bonds;

(7) the imposition by the New York Stock Exchange or other national securities exchange, or any governmental authority, of any material restrictions not

now in force with respect to the Bonds or obligations of the general character of the Bonds or securities generally, or the material increase of any such restrictions now in force, including those relating to the extension of credit by, or the charge to the net capital requirements of, the Underwriter;

(8) the entry of an order by a court of competent jurisdiction which enjoins or restrains the City from issuing permits, licenses or entitlements within Improvement Area No. 2 or which order, in the reasonable opinion of the Underwriter, otherwise materially and adversely affects proposed development of property within the Improvement Area No. 2;

(9) a material disruption in securities settlement, payment or clearance services affecting the Bonds shall have occurred;

(10) there shall have been any material adverse change in the affairs of the City that in the Underwriter's reasonable judgment will materially adversely affect the market for the Bonds or the ability of the Underwriter to enforce contracts for the sale of the Bonds;

(11) there shall be established any new restriction on transactions in securities materially affecting the free market for securities (including the imposition of any limitation on interest rates) or the extension of credit by, or a change to the net capital requirements of, underwriters established by the New York Stock Exchange, the SEC, any other federal or State agency or the Congress of the United States, or by Executive Order;

(12) a stop order, release, regulation, or no-action letter by or on behalf of the SEC or any other governmental agency having jurisdiction of the subject matter shall have been issued or made to the effect that the issuance, offering, or sale of the Bonds, including all the underlying obligations as contemplated hereby or by the Official Statement, or any document relating to the issuance, offering or sale of the Bonds is or would be in violation of any provision of the federal securities laws at the Closing Date, including the Securities Act, the Exchange Act, and the Trust Indenture Act of 1939, as amended; or

(13) filing of or threat of litigation of the type described in Section 3(i) hereof.

(d) On the Closing Date, the Underwriter shall have received counterpart originals or certified copies of the following documents, in each case satisfactory in form and substance to the Underwriter:

(1) The Formation Documents and the District Documents, together with a certificate dated as of the Closing Date of the City Clerk of the City to the effect that each Formation Document is a true, correct and complete copy of the one duly adopted by the City Council;

(2) The Official Statement;

(3) An approving opinion for the Bonds, dated the Closing Date and addressed to the City, of Bond Counsel, in the form attached to the Preliminary Official Statement as Appendix D, and an unqualified letter of such counsel, dated the Closing Date and addressed to the Underwriter, to the effect that such approving opinion addressed to the City may be relied upon by the Underwriter to the same extent as if such opinion was addressed to it;

(4) A supplemental opinion, dated the Closing Date and addressed to the Underwriter, of Bond Counsel, to the effect that (i) this Purchase Agreement and the City Disclosure Certificate have been duly authorized, executed and delivered by the City, and, assuming such agreements constitute a valid and binding obligation of the other respective parties thereto, constitute the legally valid and binding agreements of the City for the District enforceable in accordance with their respective terms, except as enforcement may be limited by bankruptcy, moratorium, insolvency or other laws affecting creditor's rights or remedies and may be subject to general principles of equity (regardless of whether such enforceability is considered in equity or at law); (ii) the Bonds are not subject to the registration requirements of the Securities Act of 1933, as amended, and the Fiscal Agent Agreement is exempt from qualification under the Trust Indenture Act of 1939, as amended; and (iii) the information contained in the Official Statement on the cover and under the captions "INTRODUCTION," "THE BONDS" (other than information relating to DTC and its Book-Entry Only System), "SECURITY AND SOURCES OF PAYMENT FOR THE BONDS," "TAX MATTERS" and Appendices D and F thereof is accurate, insofar as such information purports to summarize or replicate certain provisions of the Law, the Bonds and the Fiscal Agent Agreement and the exclusion from gross income for federal income tax purposes and exemption from State of California personal income taxes of interest on the Bonds;

(5) An opinion, dated the Closing Date and addressed to the Underwriter, of Stradling, as counsel for the Underwriter, in form and substance acceptable to the Underwriter;

(6) A certificate or certificates, dated the Closing Date and signed by an authorized officer of the City, ratifying the use and distribution by the Underwriter of the Preliminary Official Statement and the Official Statement in connection with the offering and sale of the Bonds; and certifying that (i) the representations and warranties of the City contained in Section 3 hereof are true and correct in all material respects on and as of the Closing Date with the same effect as if made on the Closing Date; (ii) to the best of his or her knowledge, no event has occurred since the date of the Official Statement affecting the matters contained therein which should be disclosed in the Official Statement for the purposes for which it is to be used in order to make the statements and information contained in the Official Statement not misleading in any material respect, and the Bonds, the Formation Documents and the District Documents conform as to form and tenor to the descriptions thereof contained in the Official Statement; and (iii) the City has complied with all the agreements and satisfied all the conditions on its part to be performed or satisfied under the Formation Documents, the District Documents and the Official Statement at or prior to the Closing Date;

(7) An opinion, dated the Closing Date and addressed to the Underwriter, of the City Attorney, to the effect that (i) to its current actual knowledge and except as disclosed in the Official Statement, no action, suit, proceeding, inquiry or investigation, at law or in equity, before or by any court, regulatory agency, public board or body is pending with respect to which the City has been served with process or is known to such counsel to be threatened, as to which the City is or would be a party, which would materially adversely affect the ability of the City or the District to perform their obligations under the Bonds, the Formation Documents or the District Documents, or which seeks to restrain or enjoin the issuance, sale and delivery of the Bonds or exclusion from gross income for federal income tax purposes or State of California personal income taxes of interest on the Bonds, or the application of the proceeds thereof in accordance with the Fiscal Agent Agreement, or the collection or application of the Special Tax to pay the principal of and interest on the Bonds, or which in any way contests or affects the validity or enforceability of the Bonds, the Formation Documents or the District Documents or the accuracy of the Official Statement, or any action of the City contemplated by any of said documents or the development of property within the District; (ii) the City is duly organized and validly existing as a public entity under the laws of the State of California, the District is duly organized and validly existing as a community facilities district under the laws of the State of California and Improvement Area No. 2 has been properly designated therein; (iii) the City has full legal right, power and authority to issue the Bonds and to perform all of its obligations under the Formation Documents and the District Documents; (iv) the City has obtained all approvals, consents, authorizations, elections and orders of or filings or registrations with any State governmental authority, board, agency or commission having jurisdiction which constitute a condition precedent to the levy of the Special Tax, the issuance of the Bonds or the performance by the City of its obligations thereunder or under the Fiscal Agent Agreement, except that no opinion need be expressed regarding compliance with blue sky or other securities laws or regulations, whatsoever; (v) the City Council has duly and validly adopted the Formation Documents at meetings of the City Council which were called and held pursuant to law and with all public notice required by law and at which a quorum was present and acting throughout, and the Formation Documents are now in full force and effect and have not been amended; and (vi) the City has duly authorized, executed and delivered the District Documents and the Bonds and has duly authorized the preparation and delivery of the Official Statement;

(8) [One or more certificates dated the Closing Date from Willdan Financial Services (the “**Special Tax Consultant**”) addressed to the City and the Underwriter to the effect that (i) the amount of the Special Taxes that could be levied in each Fiscal Year on all Parcels (as defined in the Rate and Method of Apportionment of Special Tax for Improvement Area No. 2) of Taxable Property in Improvement Area No. 2 less Administrative Expenses (as defined in the Rate and Method of Apportionment of Special Tax for Improvement Area No. 2) of 1%, is at least one hundred ten percent (110%) of the total Annual Debt Service for each such Bond Year that begins in such Fiscal Year on the Bonds, and (ii) all information supplied by the Special Tax Consultant for use in the Official Statement is true and correct as of the date of the Official Statement and as of the Closing Date;]

(9) A certificate of the City dated the Closing Date, in a form acceptable to Bond Counsel, to the effect that the Bonds are not arbitrage bonds within the meaning of Section 148 of the Internal Revenue Code of 1986, as amended;

(10) A certificate of the Fiscal Agent and an opinion of counsel to the Fiscal Agent dated the Closing Date and addressed to the City and the Underwriter to the effect that the Fiscal Agent has authorized the execution and delivery of the Fiscal Agent Agreement and that the Fiscal Agent Agreement is a valid and binding obligation of the Fiscal Agent enforceable in accordance with its terms;

(11) A Letter of Representations of Anthem United Creekview Developments Limited Partnership, a Washington limited partnership, (the “**Master Developer**”) dated the date of the Preliminary Official Statement, substantially in the form attached as Exhibit D hereto (the “**Master Developer Letter of Representations**”) or as such certificate may be modified with the approval of the Underwriter and Stradling, and a closing certificate of the Master Developer dated the Closing Date, substantially in the form attached as Exhibit E hereto (the “**Master Developer Closing Certificate**”);

(12) A continuing disclosure certificate executed by the Master Developer in the form attached in Appendix E to the Preliminary Official Statement (the “**Master Developer Continuing Disclosure Certificate**”);

(13) One or more opinions of counsel to the Master Developer addressed to the District and the Underwriter to the effect that (i) the Master Developer is a Washington limited partnership, duly organized and existing under the laws of the State of Washington and qualified to do business in the State and (ii) except as set forth in the Official Statement, there is no litigation pending against the Master Developer (with service of process to the Master Developer having been duly given and completed) or overtly threatened against the Master Developer which would materially and adversely affect the validity or enforceability of the Master Developer Continuing Disclosure Certificate executed by the Master Developer or the Master Developer’s ability to pay the Special Taxes when due, and a negative assurance letter of counsel to the Master Developer, dated the Closing Date and substantially in the form attached as Exhibit F hereto, or as such letter may be modified with the approval of the Underwriter and Stradling;

(14) A Letter of Representations from each of Lennar Homes of California, LLC, a California limited liability company (“**Lennar Homes**”), Meritage Homes of California, Inc., a California corporation (“**Meritage Homes**”), Woodside 05M LP, a California limited partnership (“**Woodside Homes**”) and D.R. Horton CA2, Inc., a California corporation (“**D.R. Horton Homes**” and, together with Lennar Homes, Meritage Homes and Woodside Homes, the “**Builders**”) dated the date of the Preliminary Official Statement, substantially in the form attached as Exhibit G hereto (each a “**Builder Letter of Representations**”) or as such letters may be modified with the approval of the Underwriter and Stradling, and a closing certificate of each of the Builders dated the Closing Date, substantially in the form attached as Exhibit H hereto (each a “**Builder Closing Certificate**”);

(15) A continuing disclosure certificate executed by each of the Builders in the form included in Appendix E to the Preliminary Official Statement (each a “**Builder Continuing Disclosure Certificate**”);

(16) One or more opinions of counsel to each of the Builders addressed to the District and the Underwriter, in form and substance acceptable to the Underwriter and Stradling, regarding (i) each Builder’s due organization and qualification to do business, (ii) the due authorization and execution of the Bulder Continuing Disclosure Certificate executed by such Builder, (iii) the absence of litigation pending against each Builder (with service of process to such Builder having been duly given and completed) or overtly threatened against such Builder which would materially and adversely affect the validity or enforceability of the Builder Continuing Disclosure Certificate executed by the Builder or the Builder’s ability to pay the Special Taxes when due, and (iv) negative assurance regarding the Preliminary Official Statement and the Official Statement;

(17) G-17 letter from the Underwriter acknowledged by the City;

(18) A letter of Jones Hall, A Professional Law Corporation, as disclosure counsel to the City (“**Disclosure Counsel**”), addressed to the Underwriter and the City, to the effect that nothing has come to such counsel’s attention that would lead them to believe that the Preliminary Official Statement, as of its date, and the Official Statement, as of its date and as of the Closing Date (but excluding therefrom the appendices thereto, financial statements and statistical data, and information regarding The Depository Trust Company and its book-entry system, as to which no opinion need be expressed), contained or contains an untrue statement of a material fact or omitted or omits to state a material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading;

(19) A certificate from Integra Realty Resources (the “**Appraiser**”) consenting to the inclusion of their appraisal report (the “**Appraisal**”) in the Preliminary Official Statement and the final Official Statement and certifying that (i) the information in the Official Statement relating to the Appraisal does not contain an untrue statement of a material fact or omit to state a material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading and (ii) since the date of the Appraisal they are not aware of any facts that would materially affect the conclusions of value set forth therein;

(20) Such additional legal opinions, certificates, instruments and other documents as the Underwriter may reasonably request to evidence the truth and accuracy, as of the date hereof and as of the Closing Date, of the statements and information contained in the Preliminary Official Statement and the Official Statement, of the City’s representations and warranties contained herein and the due performance or satisfaction by the City at or prior to the Closing of all agreements then to be performed and all conditions then to be satisfied by the City and the District in connection with the transactions contemplated hereby and by the Official Statement.

If the City shall be unable to satisfy the conditions to the obligations of the Underwriter to purchase, accept delivery of and pay for the Bonds contained in this Purchase Agreement, or if the obligations of the Underwriter to purchase, accept delivery of and pay for the Bonds shall be terminated for any reason permitted by this Purchase Agreement, this Purchase Agreement shall terminate and neither the Underwriter nor the City shall be under any further obligation hereunder, except that the respective obligations of the City and the Underwriter set forth in Section 5, Section 6 and Section 8 hereof shall continue in full force and effect.

5. Conditions of the City's Obligations. The City's obligations hereunder are subject to the Underwriter's performance of its obligations hereunder, and are also subject to the following conditions:

(a) As of the Closing Date, no litigation shall be pending or, to the knowledge of the duly authorized officer of the City executing the certificate referred to in Section 4(d)(6) hereof, threatened, to restrain or enjoin the issuance or sale of the Bonds or in any way affecting any authority for or the validity of the Bonds, the Formation Documents, the District Documents or the existence or powers of the City or the District, including Improvement Area No. 2 therein; and

(b) As of the Closing Date, the City shall receive the approving opinion of Bond Counsel referred to in Section 4(d)(3) hereof, dated as of the Closing Date.

6. Expenses. Whether or not the Bonds are delivered to the Underwriter as set forth herein:

(a) The Underwriter shall be under no obligation to pay, and the City shall pay or cause to be paid (out of any legally available funds of the District) all expenses incident to the performance of the City's obligations hereunder, including, but not limited to, the cost of printing, engraving and delivering the Bonds to the Underwriter, the cost of preparation, printing, distribution and delivery of the Fiscal Agent Agreement, the Preliminary Official Statement, the Official Statement and all other agreements and documents contemplated hereby (and drafts of any thereof) in such reasonable quantities as requested by the Underwriter; and the fees and disbursements of the Municipal Advisor, the Special Tax Consultant, the Fiscal Agent, Bond Counsel, Disclosure Counsel and any accountants, engineers or any other experts or consultants the City has retained in connection with the Bonds; and

(b) The City shall be under no obligation to pay, and the Underwriter shall pay, any fees of the California Debt and Investment Advisory Commission, the cost of preparation of any "blue sky" or legal investment memoranda and this Purchase Agreement; expenses to qualify the Bonds for sale under any "blue sky" or other state securities laws; and all other expenses incurred by the Underwriter in connection with its public offering and distribution of the Bonds (except those specifically enumerated in paragraph (a) of this section), including the fees and disbursements of its counsel and any advertising expenses.

7. Notices. Any notice or other communication to be given to the City under this Purchase Agreement may be given by delivering the same in writing to the City at 311 Vernon Street, Roseville, California 95678, Attention: Assistant City Manager/Chief Financial Officer; and any notice or other communication to be given to the Underwriter under this Purchase Agreement may be given by delivering the same in writing to Piper Sandler & Co., 3626 Fair Oaks Blvd. Suite 100, Sacramento, Ca 95864, Attention: Dennis McGuire.

8. Parties in Interest. This Purchase Agreement is made solely for the benefit of the City, the District and the Underwriter (including their successors or assigns), and no other person shall acquire or have any right hereunder or by virtue hereof.

9. Survival of Representations and Warranties. The representations and warranties of the City set forth in or made pursuant to this Purchase Agreement shall not be deemed to have been discharged, satisfied or otherwise rendered void by reason of the Closing or termination of this Purchase Agreement and regardless of any investigations made by or on behalf of the Underwriter (or statements as to the results of such investigations) concerning such representations and statements of the City and regardless of delivery of and payment for the Bonds.

10. Effective. This Purchase Agreement shall become effective and binding upon the respective parties hereto upon the execution of the acceptance hereof by the City and shall be valid and enforceable as of the time of such acceptance.

11. No Prior Agreements. This Purchase Agreement supersedes and replaces all prior negotiations, agreements and understandings between the parties hereto in relation to the sale of Bonds for the City.

12. Governing Law. This Purchase Agreement shall be governed by the laws of the State applicable to contracts made and performed in the State.

13. Counterparts. This Purchase Agreement may be executed simultaneously in several counterparts, each of which shall be an original and all of which shall constitute one and the same instrument.

Very truly yours,

PIPER SANDLER & CO., as Underwriter

MATURITY SCHEDULE

**CITY OF ROSEVILLE
CREEKVIEW COMMUNITY FACILITIES DISTRICT NO. 1 (PUBLIC FACILITIES)
IMPROVEMENT AREA NO. 2
SPECIAL TAX BONDS
SERIES 2023**

<i>Maturity Date (September 1)</i>	<i>Principal Amount</i>	<i>Interest Rate</i>	<i>Yield</i>	<i>Price</i>	<i>10% Test Used</i>	<i>Hold the Offering Price Used</i>
---	------------------------------------	-----------------------------	---------------------	---------------------	---------------------------------	--

^C Priced to the optional call date of September 1, 20__ at ____%.

^T Term Bond.

The purchase price of the Bonds shall be \$_____, which is the principal amount thereof (\$_____) [plus/less] [net] original issue [premium/discount] of \$_____ and less Underwriter's discount of \$_____.

Optional Redemption. The Bonds are subject to optional redemption from any source of available funds (other than Prepayments of the Special Tax by property owners), in whole or in part among maturities as specified by the City and by lot within a maturity, on any date on and after September 1, 20__ at the following respective redemption prices (expressed as percentages of the principal amount of the Bonds to be redeemed), plus accrued interest thereon to the date of redemption:

<u>Redemption Dates</u>	<u>Redemption Price</u> %
September 1, 20__ through August 31, 20__	
September 1, 20__ through August 31, 20__	
September 1, 20__ through August 31, 20__	
September 1, 20__ and any date thereafter	

Mandatory Redemption from Prepayments. The Bonds are subject to mandatory redemption from Prepayments of the Special Tax by property owners, in whole or in part among maturities as specified by the City and by lot within a maturity, on any Interest Payment Date at the following respective redemption prices (expressed as percentages of the principal amount of the Bonds to be redeemed), plus accrued interest thereon to the date of redemption:

<u>Redemption Dates</u>	<u>Redemption Price</u> %
____ 1, 20__ through and including March 1, 20__	
September 1, 20__ and March 1, 20__	
September 1, 20__ and March 1, 20__	
September 1, 20__ and any Interest Payment Date thereafter	

Mandatory Sinking Fund Redemption. The Term Bonds maturing September 1, 20__ and September 1, 20__ are subject to mandatory sinking payment redemption in part on September 1, 20__ and September 1, 20__, respectively, and on each September 1 thereafter to maturity, by lot, at a redemption price equal to 100% of the principal amount thereof to be redeemed, without premium, in the aggregate respective principal amounts as set forth in the following tables:

Term Bonds Maturing September 1, 20

<u>Sinking Fund Redemption Date (September 1)</u>	<u>Sinking Fund Payment</u>
---	---------------------------------

(maturity)

Term Bonds Maturing September 1, 20__

<u>Sinking Fund Redemption Date (September 1)</u>	<u>Sinking Fund Payment</u>
---	---------------------------------

(maturity)

The amounts in the foregoing tables will be reduced pro rata, in order to maintain substantially uniform debt service, as a result of any prior partial optional redemption or mandatory redemption of the Bonds.

RULE 15c2-12 CERTIFICATE

The undersigned hereby certifies and represents that he is the Assistant City Manager/Chief Financial Officer of the City of Roseville, California (the “**City**”), and, as such, is duly authorized to execute and deliver this certificate and further hereby certifies that:

(1) this certificate is being delivered in connection with the sale and issuance of the City of Roseville Creekview Community Facilities District No. 1 (Public Facilities) Improvement Area No. 2 Special Tax Bonds, Series 2023 (the “**Bonds**”) in order to enable the underwriter of the Bonds to comply with Rule 15c2-12 promulgated under the Securities Exchange Act of 1934, as amended (the “**Rule**”);

(2) in connection with the sale and issuance of the Bonds, there has been prepared a Preliminary Official Statement dated _____, 2023 setting forth information concerning the Bonds and the City of Roseville Creekview Community Facilities District No. 1 (Public Facilities) Improvement Area No. 2 (the “Preliminary Official Statement”); and

(3) except for the Permitted Omissions, the Preliminary Official Statement is deemed final within the meaning of the Rule. As used herein, the term “**Permitted Omissions**” refers to the offering price(s), interest rates(s), selling compensation, aggregate principal amount, principal amount per maturity, delivery dates, ratings and other terms of the Bonds depending on such matters, all as set forth in the Rule.

IN WITNESS WHEREOF, I have hereunto set my hand as of _____, 2023.

EXHIBIT C

FORM OF ISSUE PRICE CERTIFICATE

**CITY OF ROSEVILLE
CREEKVIEW COMMUNITY FACILITIES DISTRICT NO. 1 (PUBLIC FACILITIES)
IMPROVEMENT AREA NO. 2
SPECIAL TAX BONDS
SERIES 2023**

The undersigned, on behalf of Piper Sandler & Co. (“**Piper**”) hereby certifies as set forth below with respect to the sale and issuance of the above-captioned bonds (the “**Bonds**”).

1. ***Sale of the General Rule Maturities.*** As of the date of this certificate, for each Maturity of the General Rule Maturities, the first price at which at least 10% of such Maturity was sold to the Public is the respective price listed in Schedule A.

2. ***[Initial Offering Price of the Hold-the-Offering-Price Maturities.***

(a) Piper offered the Hold-the-Offering-Price Maturities to the Public for purchase at the respective initial offering prices listed in Schedule A (the “**Initial Offering Prices**”) on or before the Sale Date. A copy of the pricing wire or equivalent communication for the Bonds is attached to this certificate as Schedule B.

(b) As set forth in the Bond Purchase Agreement, dated _____, 2023, by and between Piper and the Issuer, Piper has agreed in writing that, (i) for each Maturity of the Hold-the-Offering-Price Maturities, it would neither offer nor sell any of the Bonds of such Maturity to any person at a price that is higher than the Initial Offering Price for such Maturity during the Holding Period for such Maturity (the “hold-the-offering-price rule”), and (ii) any selling group agreement shall contain the agreement of each dealer who is a member of the selling group, and any retail distribution agreement shall contain the agreement of each broker-dealer who is a party to the retail distribution agreement, to comply with the hold-the-offering-price rule. Pursuant to such agreement, no Underwriter (as defined below) has offered or sold any Maturity of the Hold-the-Offering-Price Maturities at a price that is higher than the respective Initial Offering Price for that Maturity of the Bonds during the Holding Period.]

3. ***Reserve Fund.***

The establishment of the Reserve Fund for the in the amount of the Reserve Requirement (as such terms are defined in the Fiscal Agent Agreement dated as of _____ 1, 2023, by and between the City and U.S. Bank Trust Company, National Association, as fiscal agent, pursuant to which the Bonds are being issued) was vital to the marketing of the Bonds and reasonably required to assure payment of debt service on the Bonds.

4. ***Defined Terms.***

(a) ***General Rule Maturities*** means those Maturities of the Bonds listed in Schedule A hereto as the “General Rule Maturities.”

(b) [Hold-the-Offering-Price Maturities means those Maturities of the Bonds listed in Schedule A hereto as the “Hold-the-Offering-Price Maturities.”

(c) Holding Period means, with respect to a Hold-the-Offering-Price Maturity, the period starting on the Sale Date and ending on the earlier of (i) the close of the fifth business day after the Sale Date _____, 2023), or (ii) the date on which Piper has sold at least 10% of such Hold-the-Offering-Price Maturity to the Public at prices that are no higher than the Initial Offering Price for such Hold-the-Offering-Price Maturity.]

(d) Issuer means the City of Roseville.

(e) Maturity means Bonds with the same credit and payment terms. Bonds with different maturity dates, or Bonds with the same maturity date but different stated interest rates, are treated as separate Maturities.

(f) Public means any person (including an individual, trust, estate, partnership, association, company, or corporation) other than an Underwriter or a related party to an Underwriter. The term “related party” for purposes of this certificate generally means any two or more persons who have greater than 50 percent common ownership, directly or indirectly.

(g) [Sale Date means the first day on which there is a binding contract in writing for the sale of a Maturity of the Bonds. The Sale Date of the Bonds is _____, 2023.

(h) Underwriter means (i) any person that agrees pursuant to a written contract with the Issuer (or with the lead underwriter to form an underwriting syndicate) to participate in the initial sale of the Bonds to the Public, and (ii) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (i) of this paragraph to participate in the initial sale of the Bonds to the Public (including a member of a selling group or a party to a retail distribution agreement participating in the initial sale of the Bonds to the Public).]

The representations set forth in this certificate are limited to factual matters only. Nothing in this certificate represents Piper’s interpretation of any laws, including specifically Sections 103 and 148 of the Internal Revenue Code of 1986, as amended, and the Treasury Regulations thereunder. The undersigned understands that the foregoing information will be relied upon by the Issuer with respect to certain of the representations set forth in a Certificate as to Arbitrage and Tax Compliance Procedures for the Bonds and with respect to compliance with the federal income tax rules affecting the Bonds, and by Jones Hall, A Professional Law Corporation in connection with rendering its opinion that the interest on the Bonds is excluded from gross income for federal income tax purposes, the preparation of the Internal Revenue Service Form 8038-G, and other federal income tax advice that it may give to the Issuer from time to time relating to the Bonds.

**LETTER OF REPRESENTATIONS OF ANTHEM UNITED CREEKVIEW
DEVELOPMENTS LIMITED PARTNERSHIP**

_____, 2023

In connection with the issuance and sale of the above-captioned bonds (the “**Bonds**”), and pursuant to Section 4(d)(11) of the Bond Purchase Agreement (the “**Bond Purchase Agreement**”) to be executed by and between City of Roseville, California (the “**City**”), for and on behalf of the City of Roseville Creekview Community Facilities District No. 1 (Public Facilities) (the “**District**”), and Piper Sandler & Co. (the “**Underwriter**”), Anthem United Creekview Developments Limited Partnership, a Washington limited partnership (the “**Master Developer**”), hereby represents, warrants and covenants to the City, the District and the Underwriter as of the date hereof as set forth herein. Unless otherwise indicated, capitalized terms used herein and not defined have the meaning given to them in the Bond Purchase Agreement.

1. The Master Developer is duly organized and validly existing under the laws of the State of Washington and has all requisite right, power, and authority to: (i) execute and deliver this Letter of Representations of Anthem United Creekview Developments Limited Partnership (the “**Letter of Representations**”) and the Master Developer Continuing Disclosure Certificate; and (ii) undertake all of the transactions on its part described in the Preliminary Official Statement.

2. As set forth in the Preliminary Official Statement, certain of the property within Improvement Area No. 2 of the District is held in the name of the Master Developer (herein, the “**Property**”). The undersigned, on behalf of the Master Developer, make the representations herein with respect to all such Property.

3. The Master Developer has, or will have prior to the Closing, duly authorized the execution and delivery of the Master Developer Continuing Disclosure Certificate at the Closing and the performance by the Master Developer of its obligations thereunder.

4. Except as disclosed in the Preliminary Official Statement, to the Actual Knowledge of the Undersigned,¹ (a) the Master Developer and its Affiliates,² are not in breach of or in default

¹ “**Actual Knowledge of the Undersigned**” means the knowledge that the individuals signing on behalf of the Master Developer currently have as of the date of this Letter of Representations or have obtained through: (i) interviews with such current officers and responsible employees of the Master Developer and its Affiliates as the undersigned have determined are reasonably likely, in the ordinary course of their respective duties, to have knowledge of the matters that are set forth in this Letter of Representations; and/or (ii) review of documents that were reasonably available to the undersigned and which the undersigned have reasonably deemed necessary in order for the undersigned to obtain knowledge of the matters that are set forth in this Letter

under any applicable judgment or decree or any loan agreement, option agreement, development agreement, indenture, bond, or note (collectively, the “**Material Agreements**”) to which the Master Developer or its Affiliates are a party or otherwise subject, which breach or default could reasonably be expected to materially and adversely affect the Master Developer’s ability to develop the Property as described in the Preliminary Official Statement or to pay the Special Tax due with respect to the Property (to the extent the responsibility of the Master Developer) prior to delinquency and (b) no event has occurred and is continuing that with the passage of time or giving of notice, or both, would constitute such a breach or default.

5. Except as described in the Preliminary Official Statement, there is no material indebtedness of the Master Developer or its Affiliates that is secured by an interest in the Property. To the Actual Knowledge of the Undersigned, neither the Master Developer nor any of its Affiliates is in default on any obligation to repay borrowed money, which default is reasonably likely to materially and adversely affect the Master Developer’s ability to develop the Property as described in the Preliminary Official Statement or to pay the Special Tax due with respect to the Property (to the extent the responsibility of the Master Developer) prior to delinquency.

6. Except as set forth in the Preliminary Official Statement, no action, suit, proceeding, inquiry, or investigation, at law or in equity, before or by any court, regulatory agency, public board or body is pending against the Master Developer (with proper service of process to the Master Developer having been accomplished) or, to the Actual Knowledge of the Undersigned, is pending against any Affiliate of the Master Developer (with proper service of process to such Affiliate having been accomplished) or to the Actual Knowledge of the Undersigned is overtly threatened in writing against the Master Developer or any such Affiliate which, if successful, is reasonably likely to materially and adversely affect the Master Developer’s ability to develop the Property as described in the Preliminary Official Statement or to pay the Special Tax (to the extent the responsibility of the Master Developer) prior to delinquency.

7. As of the date thereof, to the Actual Knowledge of the Undersigned, the Preliminary Official Statement, solely with respect to information contained therein with respect to the Master Developer, its Affiliates, ownership of the Property, the Master Developer’s development plan, the Master Developer’s financing plan, the Master Developer’s lenders, if any, and contractual arrangements of the Master Developer or any Affiliate of the Master Developer (including, if material to the Master Developer’s development plan or the Master Developer’s financing plan, other

of Representations. The undersigned have not conducted any extraordinary inspection or inquiry other than such inspections or inquiries as are prudent and customary in connection with the ordinary course of the Master Developer’s current business and operations. Officers and employees no longer working for the Master Developer or its Affiliates have not been contacted.

² “**Affiliate**” means, with respect to the Master Developer, any other Person: (i) who directly, or indirectly through one or more intermediaries, is currently controlling, controlled by, or under common control with the Master Developer; and (ii) for whom information, including financial information or operating data, concerning such Person is material to potential investors in their evaluation of the Property and investment decision regarding the Bonds (i.e., information relevant to: (a) the Master Developer’s development plans with respect to the Property and ability to pay the Special Tax on the Property prior to delinquency; or (b) such Person’s assets or funds that would materially affect the Master Developer’s ability to develop the Property as described in the Preliminary Official Statement or to pay the Special Tax on the Property prior to delinquency). “**Person**” means an individual, a corporation, a partnership, a limited liability company, an association, a joint stock company, a trust, any unincorporated organization, or a government or political subdivision thereof. For purposes hereof, the term “**control**” (including the terms “**controlling**,” “**controlled by**” or “**under common control with**”) means the possession, direct or indirect, of the power to direct or cause the direction of the management and policies of a Person, whether through the ownership of voting securities, by contract or otherwise.

loans of such Affiliates) as set forth under the captions entitled “IMPROVEMENT AREA NO. 2 PLANNED DEVELOPMENT”, “THE MASTER DEVELOPER”, “SPECIAL RISK FACTORS—Property Values and Property Development—*Endangered and Threatened Species*” and “CONTINUING DISCLOSURE—The Merchant Builders—*Master Developer Continuing Disclosure Compliance*” (excluding therefrom, in each case, information which is identified as having been provided by a source other than the Master Developer), is true and correct in all material respects and does not contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading.

8. The Master Developer covenants that, while the Bonds or any refunding obligations related thereto are outstanding, the Master Developer and its Affiliates which it controls will not bring any action, suit, proceeding, inquiry or investigation, at law or in equity, before any court, regulatory agency, public board or body that in any way seeks to challenge or overturn the formation of the District, to challenge the adoption of the ordinance of the City levying the Special Tax within the District, to invalidate the District or any of the Bonds or any refunding bonds related thereto, or to invalidate the special tax liens imposed under Section 3115.5 of the Streets and Highways Code based on recordation of the notice of special tax lien relating thereto. The foregoing covenant shall not prevent the Master Developer or any Affiliate in any way from bringing any other action, suit, proceeding, inquiry or investigation, at law or in equity, before any court, regulatory agency, public board or body including, without limitation, (a) an action or suit contending that the Special Tax has not been levied in accordance with the methodologies contained in the District’s Rate, Method of Apportionment, and Manner of Collection of Special Tax pursuant to which the Special Tax is levied, (b) an action or suit with respect to the application or use of the Special Tax levied and collected, (c) an action or suit to enforce the obligations of the City and/or the District under the Formation Documents, the District Documents, or any other agreements among the Master Developer or its Affiliates, the City, and/or the District or to which the Master Developer or its Affiliates is a party or beneficiary (including, but not limited to, the Fiscal Agent Agreement).

9. Except as disclosed in the Preliminary Official Statement or as a matter of public record (including, without limitation, liens for *ad valorem* tax obligations), to the Actual Knowledge of the Undersigned, no public debt secured by a tax or assessment on the Property exists or is in the process of being authorized that would include any portion of the Property.

10. To the Actual Knowledge of the Undersigned, the Master Developer has not been delinquent to any material extent in the payment of any *ad valorem* property tax, special assessment or special tax on property owned by the Master Developer during the period of its ownership included within the boundaries of a community facilities district or an assessment district within California within the last five (5) years that (a) caused a draw on a reserve fund relating to such assessment district or community facilities district financing or (b) resulted in a foreclosure action being commenced in a court of law against the Master Developer.

11. The Master Developer intends to comply with the provision of the Mello-Roos Community Facilities District Act of 1982, as amended relating to the Notice of Special Tax described in Government Code Section 53341.5 in connection with the sale of the Property, or portions thereof.

12. To the Actual Knowledge of the Undersigned, the Master Developer is able to pay its bills as they become due and no legal proceedings are pending against the Master Developer (with

proper service of process to the Master Developer having been accomplished) or, to the Actual Knowledge of the Undersigned, overtly threatened in writing in which the Master Developer may be adjudicated as bankrupt or discharged from any and all of its debts or obligations, or granted an extension of time to pay its debts or obligations, or be allowed to reorganize or readjust its debts, or be subject to control or supervision of the Federal Deposit Insurance Corporation.

13. Based upon its current development plans, including, without limitation, its current budget, and subject to economic conditions and risks generally inherent in the development of real property, many of which are beyond the control of the Master Developer, and except as disclosed in the Preliminary Official Statement including in the sections entitled “IMPROVEMENT AREA NO. 2 PLANNED DEVELOPMENT” and “THE MASTER DEVELOPER,” the Master Developer currently expects that it will have sufficient funds and/or sources of funds to develop the Property as described in the Preliminary Official Statement and to pay the Special Tax (to the extent the responsibility of the Master Developer) levied against the Property prior to delinquency. The Master Developer reserves the right to change its development plan and financing plan for the Property at any time without notice.

14. Solely as to the limited information described in Paragraph 7 above (and subject to the limitations and exclusions set forth in Paragraph 7), the Master Developer agrees to indemnify and hold harmless, to the extent permitted by law, the City, the District, and their officials and employees, and each Person, if any (each, an “**Indemnified Party**” and together, the “**Indemnified Parties**”), who controls any of the foregoing within the meaning of Section 15 of the Securities Act of 1933, as amended, or of Section 20 of the Securities Exchange Act of 1934, as amended, against all claims, damages, or liabilities (collectively, “**Claims**”) incurred by an Indemnified Party under any statute or at law or in equity, to the extent that such Claims arise from an untrue statement by the Master Developer of a material fact contained in the information described in Paragraph 7 above (and subject to the limitations and exclusions set forth in Paragraph 7), as of the date of the Preliminary Official Statement, or the omission by the Master Developer to state in the Preliminary Official Statement, as of its date, a material fact necessary to make the statements made by the Master Developer contained therein, in light of the circumstances under which they were made not misleading. This indemnity provision shall not be construed as a limitation on any other liability which the Master Developer may otherwise have to any Indemnified Party, provided that in no event shall the Master Developer be obligated for double indemnification. Further, in no event shall the Master Developer’s liability under this indemnification provision extend to any claims, damages, liability, losses or costs arising out of or related to the negligence or willful misconduct of an Indemnified Party.

In the event that a covered Claim is brought against any Indemnified Party, such Indemnified Party shall promptly notify the Master Developer in writing; provided that the failure to notify the Master Developer shall not relieve it from any liability that it may have hereunder except to the extent that it has been materially prejudiced (through the forfeiture of substantive rights or defenses) by such failure; and provided, further, that the failure to notify the Master Developer shall not relieve it from any liability that it may have to an Indemnified Party otherwise than under the above paragraph unless such liability was also conditioned upon such notice. If any proceeding shall be brought or asserted against an Indemnified Party upon a covered Claim, and it shall have notified the Master Developer thereof, the Master Developer shall retain counsel reasonably satisfactory to the Indemnified Party (who may be counsel to the Master Developer) to represent the Indemnified Party in such proceeding regarding the covered Claim and shall pay the fees and expenses of such counsel solely with respect to such proceeding, as incurred. Any Indemnified Party shall have the right to retain its own counsel in such

proceeding, but the fees and expenses of such counsel shall be at the expense of such Indemnified Party unless (i) the Master Developer and the Indemnified Party shall have mutually agreed to the contrary; (ii) the Master Developer has failed within a reasonable time to retain counsel reasonably satisfactory to the Indemnified Party; (iii) the Indemnified Party shall have reasonably concluded that there may be legal defenses available to it that are different from or in addition to those available to the Master Developer such that a material conflict of interest exists for such counsel; or (iv) the named parties in any such proceeding (including any impleaded parties) include both the Master Developer and the Indemnified Party and representation of both parties by the same counsel would be inappropriate due to actual or potential differing interest between them. It is understood and agreed that the Master Developer shall not, in connection with any proceeding or related proceedings in the same jurisdiction, be liable for the fees and expenses of more than one separate firm (in addition to any local counsel) for all Indemnified Parties, and that all such fees and expenses, to the extent reasonable, shall be paid or reimbursed as they are incurred. Any such separate firm shall be designated in writing by such Indemnified Parties. The Master Developer shall not be liable for any settlement of any proceeding effected without its written consent. The Master Developer shall not, without the written consent of the Indemnified Party, effect any settlement of any pending or threatened proceeding upon a covered Claim in respect of which any Indemnified Party is a party, unless such settlement (x) includes an unconditional release of such Indemnified Party, in form and substance reasonably satisfactory to such Indemnified Party, from all liability on claims that are the subject matter of such proceeding and (y) does not include any statement as to or any admission of fault, culpability or a failure to act by or on behalf of any Indemnified Party.

15. If, between the date hereof and the Closing Date, to the Actual Knowledge of the Undersigned, any event relating to or affecting the Master Developer, its Affiliates, ownership of the Property, the Master Developer's development plan, the Master Developer's financing plan, the Master Developer's lenders, if any, and contractual arrangements of the Master Developer or any Affiliate of the Master Developer (including, if material to the Master Developer's development plan or the Master Developer's financing plan, other loans of such Affiliates) shall occur which the undersigned believe would cause the information under the sections of the Preliminary Official Statement indicated in Paragraph 7 hereof (and subject to the limitations and exclusions set forth in Paragraph 7), to contain an untrue statement of a material fact or to omit to state a material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading, the undersigned shall notify the City and the Underwriter and if in the opinion of counsel to the City or the Underwriter, such event requires the preparation and publication of a supplement or amendment to the Preliminary Official Statement, the Master Developer shall reasonably cooperate with the City in the preparation of an amendment or supplement to the Preliminary Official Statement in form and substance reasonably satisfactory to counsel to the City and to the Underwriter.

16. On behalf of the Master Developer, we have reviewed the contents of this Certificate and have met with counsel to the Master Developer for the purpose of discussing the meaning of its contents.

The undersigned have executed this Letter of Representations solely in their capacity as authorized representatives of the Master Developer and they will have no personal liability arising from or relating to this Letter of Representations.

**CLOSING CERTIFICATE OF ANTHEM UNITED CREEKVIEW DEVELOPMENTS
LIMITED PARTNERSHIP**

Dated: _____, 2023

In connection with the issuance and sale of the above-captioned bonds (the “**Bonds**”), and pursuant to Section 4(d)(11) of the Bond Purchase Agreement (the “**Bond Purchase Agreement**”) to be executed by and between City of Roseville, California (the “**City**”), for and on behalf of the City of Roseville Creekview Community Facilities District No. 1 (Public Facilities) (the “**District**”), and Piper Sandler & Co. (the “**Underwriter**”), Anthem United Creekview Developments Limited Partnership, a Washington limited partnership (the “**Master Developer**”), hereby represents, warrants and covenants to the City, the District and the Underwriter as of the date hereof. Capitalized terms used herein that are not defined herein shall have the meanings ascribed to such terms in the Letter of Representations of Anthem United Creekview Developments Limited Partnership, dated _____, 2023 (the “**Letter of Representations**”), delivered by the Master Developer.

(1) The undersigned are duly authorized to execute this Closing Certificate of Anthem United Creekview Developments Limited Partnership (the “**Closing Certificate**”) on behalf of the Master Developer.

(2) The Master Developer is duly authorized to execute, deliver and perform its Master Developer Continuing Disclosure Certificate.

(3) The Master Developer has duly executed and delivered the Master Developer Continuing Disclosure Certificate.

(4) Except as disclosed in the final Official Statement relating to the Bonds (the “**Final Official Statement**”), to the Actual Knowledge of the Undersigned, no event has occurred since the date of the Preliminary Official Statement which has materially and adversely affected or is reasonably expected to materially and adversely affect the business, properties, operations or financial condition of the Master Developer.

(5) The representations and warranties made by the Master Developer in the Letter of Representations are true and correct in all material respects on and as of the date hereof, with the same effect as if made on the date hereof, except that all references to the Preliminary Official Statement in the Letter of Representations shall be deemed references to the Final Official Statement.

(6) For the period through 25 days after the “end of the underwriting period” as defined in the Bond Purchase Agreement to mean the Closing Date, if any event relating to or

affecting the Master Developer, its Affiliates, ownership of the Property, the Master Developer's development plan, the Master Developer's financing plan, the Master Developer's lenders, if any, and contractual arrangements of the Master Developer or any Affiliates of the Master Developer (including, if material to the Master Developer's development plan or the Master Developer's financing plan, other loans of such Affiliates) shall occur as a result of which it is necessary, in the opinion of the Underwriter or counsel to the City, to amend or supplement the Official Statement in order to make the information under the sections of the Preliminary Official Statement indicated in Paragraph 7 of the Letter of Representations (and subject to the limitations and exclusions set forth in Paragraph 7 of the Letter of Representations) not misleading in the light of the circumstances existing at the time it is delivered to a purchaser, the Master Developer shall reasonably cooperate with the City and the Underwriter in the preparation of an amendment or supplement to the Official Statement in form and substance reasonably satisfactory to the Underwriter and Disclosure Counsel which will amend or supplement the Official Statement so that it will not contain an untrue statement of a material fact or omit to state a material fact necessary in order to make the statements therein, in the light of the circumstances existing at the time the Official Statement is delivered to a purchaser, not misleading.

The undersigned have executed this Closing Certificate solely in their capacity as authorized representatives of the Master Developer and they will have no personal liability arising from or relating to this Closing Certificate.

Re: \$_____ City of Roseville Creekview Community Facilities District No. 1
 (Public Facilities), Improvement Area No. 2, Special Tax Bonds, Series 2023

Ladies and Gentlemen:

We have acted as special counsel to Anthem United Creekview Developments Limited Partnership, a Washington limited partnership (the “**Master Developer**”), in connection with the development of certain property owned by the Master Developer (the “**Property**”) located within the boundaries of Improvement Area No. 2 of the City of Roseville Creekview Community Facilities District No. 1 (Public Facilities) (the “**District**”) and in connection with the issuance by the District of the City of Roseville Creekview Community Facilities District No. 1 (Public Facilities), Improvement Area No. 2, Special Tax Bonds, Series 2023 (the “**Bonds**”). The Bonds are described in that certain Official Statement dated _____, 2023 (the “**Official Statement**”).

The Bonds are being sold to Piper Sandler & Co., as underwriter (the “**Underwriter**”), pursuant to that certain Bond Purchase Agreement, dated _____, 2023 (the “**Bond Purchase Agreement**”), by and between the Underwriter and the City of Roseville (the “**City**”) on behalf of the District. This letter is provided for the benefit of the District and the Underwriter pursuant to Section 4(d)(13) of the Bond Purchase Agreement.

We advise you that we are not general counsel to the Master Developer and do not represent the Master Developer on a continuing basis. Rather, we represent the Master Developer as requested from time to time on specific matters.

The primary purpose of our professional engagement was not to establish or confirm factual matters or quantitative information. We are not passing upon and do not assume any responsibility

for the accuracy, completeness, or fairness of any of the statements contained in the Official Statement and make no representation that we have independently verified the accuracy, completeness, or fairness of any such statements. However, in our capacity as special counsel to the Master Developer, we reviewed those sections of the Official Statement described below and we participated in conferences with representatives of the Master Developer, the Underwriter, Jones Hall, as Bond and Disclosure Counsel, Stradling Yocca Carlson & Rauth, as Underwriter's Counsel, and others, during which conferences the contents of the Official Statement and related matters were discussed. We have reviewed only the electronic version of the Official Statement delivered to Robert M. Haight, Jr. (robert.haight@hkclaw.com) on _____, 2023, from _____ (the “**Official Electronic Version**”), and we assume that any printed version and all other electronic versions of the Official Statement are identical in all respects to such Official Electronic Version. Our statements herein with respect to the Official Statement do not pertain to any printed or electronic version of the Official Statement that is not identical in all respects to the Official Electronic Version. We also reviewed certain written statements of officers and other representatives of the Master Developer and others as to the existence and consequence of certain factual and other matters.

Based on our participation, review, and reliance as described above, we advise you that no information came to the attention of the lawyers in our firm rendering legal services in connection with such representation that caused us to believe that, as of the date of the Official Statement and as of the date hereof, the statements contained in the Official Statement relating to the Master Developer and its Affiliates (as defined in the Letter of Representations of Anthem Creek United Developments Limited Partnership, dated _____, 2023), ownership of the Property, the Master Developer’s development plan, the Master Developer’s financing plan, the Master Developer’s lenders, if any, and contractual arrangements of the Master Developer or any Affiliate of the Master Developer (including, if material to the Master Developer’s development plan or the Master Developer’s financing plan, other loans of such Affiliates) as set forth under the captions entitled “IMPROVEMENT AREA NO. 2 PLANNED DEVELOPMENT”, “THE MASTER DEVELOPER”, “SPECIAL RISK FACTORS—Property Values and Property Development—*Endangered and Threatened Species*” and “CONTINUING DISCLOSURE—The Merchant Builders—*Master Developer Continuing Disclosure Compliance*” (but, under all captions, excluding any information cited as coming from a source other than the Master Developer, and excluding any information regarding any appraisal, any absorption study, and market value ratio and annual special tax ratio, and except that no belief or view is expressed as to (a) any financial statements and other financial, statistical, economic, demographic, or engineering data or forecasts, numbers, charts, tables, graphs, estimates, projections, assumptions, or expressions of opinion, or (b) any information about valuation, appraisals, market absorption, archaeological, or environmental matters), contained or contains any untrue statement of a material fact or omitted or omits a material fact necessary in order to make the statements therein, in light of the circumstances under which they were made, not misleading. For purposes of this paragraph, “**attention**” refers to the conscious awareness of each of the lawyers in our firm who actively participated in rendering legal services in connection with such representation and “**believe**” refers to the actual, subjective, good faith belief of each of those lawyers. Please be advised that only Robert M. Haight, Jr. has rendered such legal services in connection with such representation.

We express no view or belief as to the applicability or effect on the subject transaction of the securities laws of the State of California or of the United States of America, including but not limited to the Securities Act of 1933, as amended.

No attorney-client relationship has existed or exists between our firm and the City, the District, or the Underwriter in connection with the Bonds or by virtue of this letter. This letter is delivered as of the date hereof and is furnished solely for the benefit of the addressees in connection with the subject transaction and may not be relied upon for any other purpose or furnished to, used, circulated, quoted, or referred to by any other person without our prior written consent. This letter is not intended to, and may not, be relied upon by any owners of the Bonds.

Our engagement with respect to this matter has terminated as of the date hereof, and we do not undertake to advise you of any matters that may come to our attention subsequent to the date hereof that may affect the statements set forth herein.

This letter is limited to the matters expressly set forth herein, and no belief or assurance is implied or may be inferred beyond the matters expressly stated herein.

Sincerely yours,

EXHIBIT G

SPECIAL TAX BONDS
SERIES 2023**

LETTER OF REPRESENTATIONS OF [_____]

_____, 2023

In connection with the issuance and sale of the above-captioned bonds (the “**Bonds**”), and pursuant to Section 4(d)(14) of the Bond Purchase Agreement (the “**Bond Purchase Agreement**”) to be executed by and between City of Roseville, California (the “**City**”), for and on behalf of the City of Roseville Creekview Community Facilities District No. 1 (Public Facilities) (the “**District**”), and Piper Sandler & Co. (the “**Underwriter**”), [_____] a [_____] (the “**Builder**”), hereby represents, warrants and covenants to the City, the District and the Underwriter as of the date hereof as set forth herein. Unless otherwise indicated, capitalized terms used herein and not defined have the meaning given to them in the Bond Purchase Agreement.

1. The Builder is duly organized and validly existing under the laws of the State of [_____] and has all requisite right, power, and authority to: (i) execute and deliver this Letter of Representations (the “**Letter of Representations**”) and a Builder Continuing Disclosure Certificate; and (ii) undertake all of the transactions on its part described in the Preliminary Official Statement.

2. As set forth in the Preliminary Official Statement, certain of the property within Improvement Area No. 2 of the District is held in the name of the Builder [or Winding Creek C-21 – Roseville, a California limited partnership] (herein, the “**Property**”). The undersigned, on behalf of the Builder, make the representations herein with respect to all such Property.

3. The Builder has, or will have prior to the Closing, duly authorized the execution and delivery of a Builder Continuing Disclosure Certificate at the Closing and the performance by the Builder of its obligations thereunder.

4. Except as disclosed in the Preliminary Official Statement, to the Actual Knowledge of the Undersigned,¹ (a) the Builder and its Affiliates,² are not in breach of or in default under any

¹ “**Actual Knowledge of the Undersigned**” means the knowledge that the individuals signing on behalf of the Builder currently have as of the date of this Letter of Representations or have obtained through: (i) interviews with such current officers and responsible employees of the Builder and its Affiliates as the undersigned have determined are reasonably likely, in the ordinary course of their respective duties, to have knowledge of the matters that are set forth in this Letter of Representations; and/or (ii) review of documents that were reasonably available to the undersigned and which the undersigned have reasonably deemed necessary in order for the undersigned to obtain knowledge of the matters that are set forth in this Letter of Representations. The undersigned have not conducted any extraordinary inspection or inquiry other than such inspections or inquiries as are prudent and customary in connection with the ordinary course of the Builder’s current business and operations. Officers and employees no longer working for the Builder or its Affiliates have not been contacted.

applicable judgment or decree or any loan agreement, option agreement, development agreement, indenture, bond, or note (collectively, the “**Material Agreements**”) to which the Builder or its Affiliates are a party or otherwise subject, which breach or default could reasonably be expected to materially and adversely affect the Builder’s ability to develop the Property as described in the Preliminary Official Statement or to pay the Special Tax due with respect to the Property (to the extent the responsibility of the Builder) prior to delinquency and (b) no event has occurred and is continuing that with the passage of time or giving of notice, or both, would constitute such a breach or default.

5. Except as described in the Preliminary Official Statement, there is no material indebtedness of the Builder or its Affiliates that is secured by an interest in the Property. To the Actual Knowledge of the Undersigned, neither the Builder nor any of its Affiliates is in default on any obligation to repay borrowed money, which default is reasonably likely to materially and adversely affect the Builder’s ability to develop the Property as described in the Preliminary Official Statement or to pay the Special Tax due with respect to the Property (to the extent the responsibility of the Builder) prior to delinquency.

6. Except as set forth in the Preliminary Official Statement, no action, suit, proceeding, inquiry, or investigation, at law or in equity, before or by any court, regulatory agency, public board or body is pending against the Builder (with proper service of process to the Builder having been accomplished) or, to the Actual Knowledge of the Undersigned, is pending against any Affiliate of the Builder (with proper service of process to such Affiliate having been accomplished) or to the Actual Knowledge of the Undersigned is overtly threatened in writing against the Builder or any such Affiliate which, if successful, is reasonably likely to materially and adversely affect the Builder’s ability to develop the Property as described in the Preliminary Official Statement or to pay the Special Tax (to the extent the responsibility of the Builder) prior to delinquency.

7. As of the date thereof, to the Actual Knowledge of the Undersigned, the Preliminary Official Statement, solely with respect to information contained therein with respect to the Builder, its Affiliates, ownership of the Property, the Builder’s development plan, the Builder’s financing plan, the Builder’s lenders, if any, and contractual arrangements of the Builder or any Affiliate of the Builder (including, if material to the Builder’s development plan or the Builder’s financing plan, other loans of such Affiliates) as set forth under the captions entitled “**MERCHANT BUILDER INFORMATION—[]**” and “**CONTINUING DISCLOSURE—The Merchant Builders—[]**” (excluding therefrom, in each case, information which is identified as having been provided by a source other than the Builder), is true and correct in all material respects and does not contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading.

² “**Affiliate**” means, with respect to the Builder, any other Person: (i) who directly, or indirectly through one or more intermediaries, is currently controlling, controlled by, or under common control with the Builder; and (ii) for whom information, including financial information or operating data, concerning such Person is material to potential investors in their evaluation of the Property and investment decision regarding the Bonds (i.e., information relevant to: (a) the Builder’s development plans with respect to the Property and ability to pay the Special Tax on the Property prior to delinquency; or (b) such Person’s assets or funds that would materially affect the Builder’s ability to develop the Property as described in the Preliminary Official Statement or to pay the Special Tax on the Property prior to delinquency). “**Person**” means an individual, a corporation, a partnership, a limited liability company, an association, a joint stock company, a trust, any unincorporated organization, or a government or political subdivision thereof. For purposes hereof, the term “**control**” (including the terms “**controlling**,” “**controlled by**” or “**under common control with**”) means the possession, direct or indirect, of the power to direct or cause the direction of the management and policies of a Person, whether through the ownership of voting securities, by contract or otherwise.

8. The Builder covenants that, while the Bonds or any refunding obligations related thereto are outstanding, the Builder and its Affiliates which it controls will not bring any action, suit, proceeding, inquiry or investigation, at law or in equity, before any court, regulatory agency, public board or body that in any way seeks to challenge or overturn the formation of the District, to challenge the adoption of the ordinance of the City levying the Special Tax within the District, to invalidate the District or any of the Bonds or any refunding bonds related thereto, or to invalidate the special tax liens imposed under Section 3115.5 of the Streets and Highways Code based on recordation of the notice of special tax lien relating thereto. The foregoing covenant shall not prevent the Builder or any Affiliate in any way from bringing any other action, suit, proceeding, inquiry or investigation, at law or in equity, before any court, regulatory agency, public board or body including, without limitation, (a) an action or suit contending that the Special Tax has not been levied in accordance with the methodologies contained in the District's Rate, Method of Apportionment, and Manner of Collection of Special Tax pursuant to which the Special Tax is levied, (b) an action or suit with respect to the application or use of the Special Tax levied and collected, (c) an action or suit to enforce the obligations of the City and/or the District under the Formation Documents, the District Documents, or any other agreements among the Builder or its Affiliates, the City, and/or the District or to which the Builder or its Affiliates is a party or beneficiary (including, but not limited to, the Fiscal Agent Agreement).

9. Except as disclosed in the Preliminary Official Statement or as a matter of public record (including, without limitation, liens for *ad valorem* tax obligations), to the Actual Knowledge of the Undersigned, no public debt secured by a tax or assessment on the Property exists or is in the process of being authorized that would include any portion of the Property.

10. To the Actual Knowledge of the Undersigned, the Builder has not been delinquent to any material extent in the payment of any *ad valorem* property tax, special assessment or special tax on property owned by the Builder during the period of its ownership included within the boundaries of a community facilities district or an assessment district within California within the last five (5) years that (a) caused a draw on a reserve fund relating to such assessment district or community facilities district financing or (b) resulted in a foreclosure action being commenced in a court of law against the Builder.

11. The Builder intends to comply with the provision of the Mello-Roos Community Facilities District Act of 1982, as amended relating to the Notice of Special Tax described in Government Code Section 53341.5 in connection with the sale of the Property, or portions thereof.

12. To the Actual Knowledge of the Undersigned, the Builder is able to pay its bills as they become due and no legal proceedings are pending against the Builder (with proper service of process to the Builder having been accomplished) or, to the Actual Knowledge of the Undersigned, overtly threatened in writing in which the Builder may be adjudicated as bankrupt or discharged from any and all of its debts or obligations, or granted an extension of time to pay its debts or obligations, or be allowed to reorganize or readjust its debts, or be subject to control or supervision of the Federal Deposit Insurance Corporation.

13. Based upon its current development plans, including, without limitation, its current budget, and subject to economic conditions and risks generally inherent in the development of real property, many of which are beyond the control of the Builder, and except as disclosed in the Preliminary Official Statement including in the sections entitled "MERCHANT BUILDER INFORMATION—[_____]," the Builder currently expects that it will have sufficient funds

and/or sources of funds to develop the Property as described in the Preliminary Official Statement and to pay the Special Tax (to the extent the responsibility of the Builder) levied against the Property prior to delinquency. The Builder reserves the right to change its development plan and financing plan for the Property at any time without notice.

14. Solely as to the limited information described in Paragraph 7 above (and subject to the limitations and exclusions set forth in Paragraph 7), the Builder agrees to indemnify and hold harmless, to the extent permitted by law, the City, the District, and their officials and employees, and each Person, if any (each, an “**Indemnified Party**” and together, the “**Indemnified Parties**”), who controls any of the foregoing within the meaning of Section 15 of the Securities Act of 1933, as amended, or of Section 20 of the Securities Exchange Act of 1934, as amended, against all claims, damages, or liabilities (collectively, “**Claims**”) incurred by an Indemnified Party under any statute or at law or in equity, to the extent that such Claims arise from an untrue statement by the Builder of a material fact contained in the information described in Paragraph 7 above (and subject to the limitations and exclusions set forth in Paragraph 7), as of the date of the Preliminary Official Statement, or the omission by the Builder to state in the Preliminary Official Statement, as of its date, a material fact necessary to make the statements made by the Builder contained therein, in light of the circumstances under which they were made not misleading. This indemnity provision shall not be construed as a limitation on any other liability which the Builder may otherwise have to any Indemnified Party, provided that in no event shall the Builder be obligated for double indemnification. Further, in no event shall the Builder’s liability under this indemnification provision extend to any claims, damages, liability, losses or costs arising out of or related to the negligence or willful misconduct of an Indemnified Party.

In the event that a covered Claim is brought against any Indemnified Party, such Indemnified Party shall promptly notify the Builder in writing; provided that the failure to notify the Builder shall not relieve it from any liability that it may have hereunder except to the extent that it has been materially prejudiced (through the forfeiture of substantive rights or defenses) by such failure; and provided, further, that the failure to notify the Builder shall not relieve it from any liability that it may have to an Indemnified Party otherwise than under the above paragraph unless such liability was also conditioned upon such notice. If any proceeding shall be brought or asserted against an Indemnified Party upon a covered Claim, and it shall have notified the Builder thereof, the Builder shall retain counsel reasonably satisfactory to the Indemnified Party (who may be counsel to the Builder) to represent the Indemnified Party in such proceeding regarding the covered Claim and shall pay the fees and expenses of such counsel solely with respect to such proceeding, as incurred. Any Indemnified Party shall have the right to retain its own counsel in such proceeding, but the fees and expenses of such counsel shall be at the expense of such Indemnified Party unless (i) the Builder and the Indemnified Party shall have mutually agreed to the contrary; (ii) the Builder has failed within a reasonable time to retain counsel reasonably satisfactory to the Indemnified Party; (iii) the Indemnified Party shall have reasonably concluded that there may be legal defenses available to it that are different from or in addition to those available to the Builder such that a material conflict of interest exists for such counsel; or (iv) the named parties in any such proceeding (including any impleaded parties) include both the Builder and the Indemnified Party and representation of both parties by the same counsel would be inappropriate due to actual or potential differing interest between them. It is understood and agreed that the Builder shall not, in connection with any proceeding or related proceedings in the same jurisdiction, be liable for the fees and expenses of more than one separate firm (in addition to any local counsel) for all Indemnified Parties, and that all such fees and expenses, to the extent reasonable, shall be paid or reimbursed as they are incurred. Any such separate firm shall be designated in writing by such Indemnified Parties. The Builder shall not be liable for any settlement

of any proceeding effected without its written consent. The Builder shall not, without the written consent of the Indemnified Party, effect any settlement of any pending or threatened proceeding upon a covered Claim in respect of which any Indemnified Party is a party, unless such settlement (x) includes an unconditional release of such Indemnified Party, in form and substance reasonably satisfactory to such Indemnified Party, from all liability on claims that are the subject matter of such proceeding and (y) does not include any statement as to or any admission of fault, culpability or a failure to act by or on behalf of any Indemnified Party.

15. If, between the date hereof and the Closing Date, to the Actual Knowledge of the Undersigned, any event relating to or affecting the Builder, its Affiliates, ownership of the Property, the Builder's development plan, the Builder's financing plan, the Builder's lenders, if any, and contractual arrangements of the Builder or any Affiliate of the Builder (including, if material to the Builder's development plan or the Builder's financing plan, other loans of such Affiliates) shall occur which the undersigned believe would cause the information under the sections of the Preliminary Official Statement indicated in Paragraph 7 hereof (and subject to the limitations and exclusions set forth in Paragraph 7), to contain an untrue statement of a material fact or to omit to state a material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading, the undersigned shall notify the City and the Underwriter and if in the opinion of counsel to the City or the Underwriter, such event requires the preparation and publication of a supplement or amendment to the Preliminary Official Statement, the Builder shall reasonably cooperate with the City in the preparation of an amendment or supplement to the Preliminary Official Statement in form and substance reasonably satisfactory to counsel to the City and to the Underwriter.

16. On behalf of the Builder, we have reviewed the contents of this Certificate and have met with counsel to the Builder for the purpose of discussing the meaning of its contents.

The undersigned have executed this Letter of Representations solely in their capacity as authorized representatives of the Builder and they will have no personal liability arising from or relating to this Letter of Representations.

SERIES 2023**

CLOSING CERTIFICATE OF [_____]

Dated: _____, 2023

In connection with the issuance and sale of the above-captioned bonds (the “**Bonds**”), and pursuant to Section 4(d)(15) of the Bond Purchase Agreement (the “**Bond Purchase Agreement**”) to be executed by and between City of Roseville, California (the “**City**”), for and on behalf of the City of Roseville Creekview Community Facilities District No. 1 (Public Facilities) (the “**District**”), and Piper Sandler & Co. (the “**Underwriter**”), [_____], a [_____] (the “**Builder**”), hereby represents, warrants and covenants to the City, the District and the Underwriter as of the date hereof. Capitalized terms used herein that are not defined herein shall have the meanings ascribed to such terms in the Letter of Representations executed by the Builder and dated _____, 2023 (the “**Letter of Representations**”), delivered by the Builder.

(1) The undersigned are duly authorized to execute this Closing Certificate (the “**Closing Certificate**”) on behalf of the Builder.

(2) The Builder is duly authorized to execute, deliver and perform its obligations under a Builder Continuing Disclosure Certificate.

(3) The Builder has duly executed and delivered the Builder Continuing Disclosure Certificate.

(4) Except as disclosed in the final Official Statement relating to the Bonds (the “**Final Official Statement**”), to the Actual Knowledge of the Undersigned, no event has occurred since the date of the Preliminary Official Statement which has materially and adversely affected or is reasonably expected to materially and adversely affect the business, properties, operations or financial condition of the Builder.

(5) The representations and warranties made by the Builder in the Letter of Representations are true and correct in all material respects on and as of the date hereof, with the same effect as if made on the date hereof, except that all references to the Preliminary Official Statement in the Letter of Representations shall be deemed references to the Final Official Statement.

(6) For the period through 25 days after the “end of the underwriting period” as defined in the Bond Purchase Agreement to mean the Closing Date, if any event relating to or affecting the Builder, its Affiliates, ownership of the Property, the Builder’s development plan, the Builder’s financing plan, the Builder’s lenders, if any, and contractual arrangements of the Builder or any Affiliates of the Builder (including, if material to the Builder’s

development plan or the Builder's financing plan, other loans of such Affiliates) shall occur as a result of which it is necessary, in the opinion of the Underwriter or counsel to the City, to amend or supplement the Official Statement in order to make the information under the sections of the Preliminary Official Statement indicated in Paragraph 7 of the Letter of Representations (and subject to the limitations and exclusions set forth in Paragraph 7 of the Letter of Representations) not misleading in the light of the circumstances existing at the time it is delivered to a purchaser, the Builder shall reasonably cooperate with the City and the Underwriter in the preparation of an amendment or supplement to the Official Statement in form and substance reasonably satisfactory to the Underwriter and Disclosure Counsel which will amend or supplement the Official Statement so that it will not contain an untrue statement of a material fact or omit to state a material fact necessary in order to make the statements therein, in the light of the circumstances existing at the time the Official Statement is delivered to a purchaser, not misleading.

The undersigned have executed this Closing Certificate solely in their capacity as authorized representatives of the Builder and they will have no personal liability arising from or relating to this Closing Certificate.

COUNCIL COMMUNICATION

CC #: 2809

File #: 0206-03-01

Title:	The Ranch at Sierra Vista Community Facilities District No. 1, Series 2023 - Bond Issuance
Contact:	Jeannine Thrash 916-774-5473 jthrash@roseville.ca.us Dennis Kauffman 916-774-5313 dkauffman@roseville.ca.us

Meeting Date: 6/21/2023

Item #: 9.2.

RECOMMENDATION TO COUNCIL

Staff recommends that the City Council adopt a resolution authorizing the issuance of special tax bonds for and on behalf of the City of Roseville The Ranch at Sierra Vista Community Facilities District No. 1 (Public Facilities), approving and directing the execution of a supplemental agreement to fiscal agent agreement and bond purchase agreement, approving the form of the preliminary official statement, approving sale of such bonds, and approving other related documents and actions.

BACKGROUND

The Ranch at Sierra Vista CFD No. 1 was formed on January 16, 2019 by Council adoption of Resolution No. 19-30. On September 17, 2020, the first series of bonds were issued for \$20,875,000; and then on December 21, 2021, the second series of bonds were issued in the amount of \$13,290,000.

The 2023 bonds are being issued at the request of the developer for the District to: (i) construct and acquire certain public facilities of benefit to the District, (ii) provide for a deposit to a debt service reserve account for the 2023 bonds, (iii) provide capitalized interest for debt service due on the 2023 bonds, and (iv) pay costs of issuance of the 2023 bonds. The 2023 bonds are the third series of bonds to be issued for the District and have a not-to-exceed amount of \$16,000,000. The maximum aggregate principal indebtedness for the district is not to exceed \$210,000,000.

FISCAL IMPACT

The CFD will generate special taxes that will be paid by the property owners sufficient to pay the costs of the debt service, CFD administration, and any authorized pay-as-you-go facilities, as well as provide funding in the future for maintenance/replacement of constructed facilities. The

issuance of these bonds will not impact the City's General Fund.

ENVIRONMENTAL REVIEW

The California Environmental Quality Act (CEQA) does not apply to activities that will not result in a direct or reasonably foreseeable indirect physical change in the environment, or is otherwise not considered a project as defined by CEQA Statute §21065 and CEQA State Guidelines §15060(c)(3) and §15378. Adoption of the resolution and approval of the other related documents described herein meet the above criteria and are not subject to CEQA. No additional environmental review is required.

COMPLIANCE STATEMENT

In accordance with Government Code 5852.1, the following information consists of estimates of certain costs and charges for the Bonds that have been provided by the City's municipal financial advisor, which has been represented by such party to have been provided in good faith: (1) estimated true interest costs of the Bonds: 5.77%; (2) estimated finance charge of the Bonds (sum of all fees and charges paid to third parties): \$375,000; (3) estimated amount of proceeds of the Bonds received by the City (net of finance charges, reserves and capitalized interest, if any): \$12,626,665; and (4) estimated total payment amount (sum total of all payments to pay debt service on the Bonds plus the finance charge not paid with proceeds of the Bonds) calculated to the final maturity of the Bonds: \$33,154,917.

Description

Resolution 23-290

Preliminary Official Statement

Suppliment No. 2 Fiscal Agent Agreement

Bond Purchase Agreement

RESOLUTION NO. 23-290

A RESOLUTION AUTHORIZING THE ISSUANCE OF SPECIAL TAX BONDS FOR AND ON BEHALF OF THE CITY OF ROSEVILLE THE RANCH AT SIERRA VISTA COMMUNITY FACILITIES DISTRICT NO. 1 (PUBLIC FACILITIES), APPROVING AND DIRECTING THE EXECUTION OF A SUPPLEMENTAL AGREEMENT TO FISCAL AGENT AGREEMENT AND BOND PURCHASE AGREEMENT, APPROVING THE FORM OF PRELIMINARY OFFICIAL STATEMENT, APPROVING SALE OF SUCH BONDS, AND APPROVING OTHER RELATED DOCUMENTS AND ACTIONS

WHEREAS, this City Council (the "Council") of the City of Roseville (the "City") has conducted proceedings under and pursuant to the Mello-Roos Community Facilities Act of 1982, as amended, Chapter 2.5 of Part 1 of Division 2 of Title 5, commencing at Section 53311, of the California Government Code (the "Act"), to form City of Roseville The Ranch at Sierra Vista Community Facilities District No. 1 (Public Facilities) (the "District"), to authorize the levy of special taxes upon the land within the District, and to issue bonds secured by said special taxes for the purpose of providing moneys for the construction and acquisition of authorized improvements for the District; and

WHEREAS, the Council, as legislative body of the District, previously authorized the issuance of special tax bonds of the City for the District in the maximum aggregate principal amount of not to exceed \$210,000,000 (the "Bond Authorization"); and

WHEREAS, the City previously issued for and on behalf of the District, its City of Roseville The Ranch at Sierra Vista Community Facilities District No. 1 (Public Facilities) Special Tax Bonds, Series 2020 (the "2020 Bonds") in the initial principal amount of \$20,875,000 and its City of Roseville The Ranch at Sierra Vista Community Facilities District No. 1 (Public Facilities) Special Tax Bonds, Series 2021 (the "2021 Bonds") in the initial principal amount of \$13,290,000, which 2020 Bonds and 2021 Bonds constituted the first and second series of bonds issued pursuant to the Bond Authorization; and

WHEREAS, City now desires to issue a third series of the special tax bonds pursuant to the Bond Authorization, as described in more detail herein (the "Bonds"); and

WHEREAS, there has been submitted to the Council a Supplemental Agreement No. 2 to Fiscal Agent Agreement (the "Supplement No. 2"), which will supplement and amend the Fiscal Agent Agreement, dated as of September 1, 2020, as supplemented by a Supplemental Agreement No. 1 to Fiscal Agent Agreement dated as of December 1, 2021 (as so supplemented, the "Fiscal Agent Agreement"), between the City and U.S. Bank Trust Company, National Association, as successor fiscal agent, providing for the issuance of the Bonds of the City for the District, and the Council, with the aid of City staff, has reviewed the Supplement No. 2 and found it to be in proper order, and now desires to approve the Supplement No. 2 and the issuance of the Bonds; and

WHEREAS, the City proposes to sell the Bonds to Stifel Nicolaus & Company, Incorporated, as underwriter (the "Underwriter"), pursuant to the terms of a Bond Purchase Agreement by and between the City and the Underwriter, and the Underwriter proposes to offer the Bonds to the investing public by means of a Preliminary Official Statement, and the Council, with the aid of City staff, has reviewed the Bond Purchase Agreement and the Preliminary

Official Statement and found them to be in proper order, and now desires to approve said documents; and

WHEREAS, the information required to be obtained and disclosed with respect to the Bonds by the Council in accordance with Section 5852.1 of the California Government Code is set forth in the staff report accompanying this Resolution; and

WHEREAS, all conditions, things and acts required to exist, to have happened and to have been performed precedent to and in the issuance of the Bonds as contemplated by this Resolution and the documents referred to herein exist, have happened and have been performed in due time, form and manner as required by the laws of the State of California, including the Act.

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF ROSEVILLE RESOLVES AS FOLLOWS:

1. **Findings.** This Council finds and determines that it is prudent in the management and development of land in the City and the District to issue the Bonds, on a parity with the 2020 Bonds and 2021 Bonds, for the purpose of providing moneys for the construction and acquisition of authorized improvements for the District.

2. **Law Applicable.** For the purposes of these proceedings in and for the District, the Act shall be the authority for the issuance of the Bonds.

3. **Bonds Authorized.** Pursuant to the Act, this Resolution and the Fiscal Agent Agreement, special tax bonds of the City for the District designated as "City of Roseville The Ranch at Sierra Vista Community Facilities District No. 1 (Public Facilities) Special Tax Bonds Series 2023" in an aggregate principal amount not to exceed \$16,000,000 are hereby authorized to be issued. The Bonds shall be executed in the form set forth in and otherwise as provided in the Fiscal Agent Agreement.

The Bonds shall not be issued unless the value of the real property within the District subject to the special tax to pay debt service on the Bonds, the 2020 Bonds and the 2021 Bonds, based on assessed values and/or an appraisal by an independent appraiser hired by the City for the purpose of determining such value, is at least three (3) times the proposed principal amount of the outstanding bonds plus the Bonds proposed to be issued and secured by a special tax levied pursuant to the Act on property within the District.

4. **Supplement No. 2.** The Council hereby approves the Supplement No. 2 in the form presented to the Council at this meeting. The City Manager, Assistant City Manager/Chief Financial Officer, and such other person or persons as either of them may designate (collectively, the "Authorized Officers"), each acting alone or together with any other Authorized Officer, are each hereby authorized and directed to execute the Supplement No. 2, in such form, together with any additions thereto or changes therein deemed necessary or advisable by the Authorized Officer executing such document upon consultation with Jones Hall, A Professional Law Corporation, as bond counsel to the City ("Bond Counsel"). The proceeds of the Bonds shall be applied by the City for the purposes and in the amounts as set forth in the Supplement No. 2. The Council hereby authorizes the delivery and performance by the City of the Supplement No. 2 and the Fiscal Agent Agreement.

5. **Covenant to Foreclose.** The City hereby covenants, for the benefit of the owners of the Bonds, to commence and diligently pursue to completion any foreclosure action regarding delinquent installments of any amount levied as a special tax for the payment of interest or principal of the Bonds, said foreclosure action to be commenced and pursued as more completely set forth in the Fiscal Agent Agreement.

6. **Approval of Official Statement and Continuing Disclosure Certificate.** The Council hereby approves the Preliminary Official Statement with respect to the Bonds, in substantially the form on file with the City Clerk. Distribution of the Preliminary Official Statement by the City and the Underwriter is hereby approved, and, prior to the distribution of the Preliminary Official Statement, and each Authorized Officer, each acting alone or together with any other Authorized Officer, is authorized and directed, on behalf of the City, to deem the Preliminary Official Statement "final" pursuant to Rule 15c2-12 under the Securities Exchange Act of 1934 (the "Rule"). The execution of the final Official Statement, which shall include such changes and additions thereto deemed advisable by the Authorized Officer executing the same, and such information permitted to be excluded from the Preliminary Official Statement pursuant to the Rule, is hereby approved for delivery to the purchasers of the Bonds, and each Authorized Officer, each acting alone or together with any other Authorized Officer, is authorized and directed to execute and deliver the final Official Statement for and on behalf of the City, with final pricing information included and with such changes and additions thereto deemed advisable by the Authorized Officer executing the same.

The Council hereby approves the Continuing Disclosure Certificate to be executed by the City, the form of which is attached as an exhibit to the Preliminary Official Statement. Each of the Authorized Officers is hereby authorized and directed to approve any changes in or additions to a final form of said Continuing Disclosure Certificate, and the execution thereof by an Authorized Officer shall be conclusive evidence of approval of any such changes and additions. The final Continuing Disclosure Certificate shall be executed in the name and on behalf of the City by an Authorized Officer.

7. **Approval of Bond Purchase Agreement.** The Council hereby approves the Bond Purchase Agreement between the City and the Underwriter, in substantially the form on file with the City Clerk; provided, that the aggregate principal amount of Bonds shall not exceed \$16,000,000, the true interest cost of the Bonds shall not exceed 6.0%, and the Underwriter's discount shall not exceed 1.75% of the par amount of the Bonds. Subject to the foregoing parameters, an Authorized Officer is hereby authorized and directed to execute the Bond Purchase Agreement in substantially the form on file with the City Clerk, together with such changes and additions thereto deemed advisable by the Authorized Officer executing the same. The Council hereby finds and determines that the sale of the Bonds at negotiated sale as contemplated by the Bond Purchase Agreement will result in a lower overall cost.

8. **Actions Authorized.** All actions heretofore taken by the officers, employees and agents of the City with respect to the establishment of the District and the sale and issuance of the Bonds are hereby approved, confirmed and ratified, and the Authorized Officers of the City are hereby authorized and directed to do any and all things and take any and all actions and execute any and all certificates, agreements and other documents, which they, or any of them, may deem necessary or advisable in order to consummate the lawful issuance and delivery of the Bonds in accordance with this resolution, including any acquisition agreement or amendment to acquisition agreement related to the Bonds, and any certificate, agreement, and other document described in the documents herein approved. All actions to be taken by a

specified Authorized Officer as specified herein, may be taken by the Authorized Officer or any designee, with the same force and effect as if taken by such Authorized Officer.

9. **Effectiveness.** This Resolution shall take effect upon its adoption.

* * * * *

I hereby certify that the foregoing Resolution was duly adopted by the City Council of the City of Roseville, California, at a regularly scheduled meeting thereof, held on the ____ day of _____, 2023, by the following vote of the City Council:

PRELIMINARY OFFICIAL STATEMENT DATED _____, 2023**NEW ISSUE-FULL BOOK ENTRY****NOT RATED**

In the opinion of Jones Hall, A Professional Law Corporation, San Francisco, California, Bond Counsel, subject, however to certain qualifications described herein, under existing law, the interest on the 2023 Bonds is excluded from gross income for federal income tax purposes and such interest is not an item of tax preference for purposes of the federal alternative minimum tax. Interest on the 2023 Bonds may be subject to the corporate alternative minimum tax. In the further opinion of Bond Counsel, such interest is exempt from California personal income taxes. See "TAX MATTERS" herein.

\$ _____ *

CITY OF ROSEVILLE
THE RANCH AT SIERRA VISTA COMMUNITY FACILITIES DISTRICT NO. 1 (PUBLIC FACILITIES)
SPECIAL TAX BONDS
SERIES 2023

Dated: Date of Delivery**Due: September 1, as shown below**

The bonds captioned above (the "2023 Bonds"), are being issued by the City of Roseville (the "City") by and through its The Ranch at Sierra Vista Community Facilities District No. 1 (Public Facilities) (the "District"). The 2023 Bonds are special tax obligations of the City, authorized pursuant to the Mello-Roos Community Facilities Act of 1982, as amended, being California Government Code Section 53311, et seq. (the "Act"), and are issued pursuant to the Resolution of Issuance (as defined herein) and a Fiscal Agent Agreement dated as of September 1, 2020, as amended and supplemented by a Supplemental Agreement No. 1 to Fiscal Agent Agreement, dated as of December 1, 2021 and a Supplemental Agreement No. 2 to Fiscal Agent Agreement, dated as of July 1, 2023 (collectively, the "Fiscal Agent Agreement") by and between the City and U.S. Bank Trust Company, National Association, as successor fiscal agent (the "Fiscal Agent"). The 2023 Bonds are being issued to (i) construct and acquire certain public facilities of benefit to the District, (ii) provide for a deposit to a debt service reserve account for the 2023 Bonds, (iii) pay capitalized interest on the 2023 Bonds through and including September 1, 2023, and (iv) pay costs of issuance of the 2023 Bonds. Interest on the 2023 Bonds is payable semiannually on March 1 and September 1 of each year, commencing September 1, 2023. The 2023 Bonds represent the third series of special tax bonds issued for the District, following issuance of special tax bonds for the District in 2020 and 2021 (the "2020 Bonds" and the "2021 Bonds," respectively), and the issuance of additional parity bonds is contemplated in the future, subject to the conditions set forth in the Fiscal Agent Agreement. See "THE BONDS – Authority for Issuance" and "SECURITY AND SOURCES OF PAYMENT FOR THE BONDS – Future Parity Bonds."

The 2023 Bonds are being issued as fully registered bonds, registered in the name of Cede & Co. as nominee of The Depository Trust Company ("DTC"), and will be available to ultimate purchasers in the denomination of \$5,000 or any integral multiple thereof, under the book-entry system maintained by DTC. See "APPENDIX G – DTC AND THE BOOK-ENTRY ONLY SYSTEM."

The 2023 Bonds, 2021 Bonds and 2020 Bonds and anticipated future parity bonds are secured by and payable from a pledge of Special Tax Revenues (as defined herein) derived from Special Taxes (as defined herein) to be levied by the City on taxable real property within the boundaries of the District, from the proceeds of any foreclosure actions brought following a delinquency in the payment of the Special Taxes, and from amounts held in certain funds under the Fiscal Agent Agreement, all as more fully described herein. **Unpaid Special Taxes do not constitute a personal indebtedness of the owners of the parcels within the District. In the event of delinquency, proceedings may be conducted only against the parcel of real property securing the delinquent Special Tax. There is no assurance the owners will be able to pay the Special Tax or that they will pay a Special Tax even though financially able to do so.** To provide funds for payment of the 2023 Bonds and the interest thereon as a result of any delinquent Special Taxes, the City will establish a debt service reserve account for the 2023 Bonds from proceeds of the 2023 Bonds, as described herein. The 2020 Bonds and 2021 Bonds are secured by separate debt service reserve accounts. See "SECURITY AND SOURCES OF PAYMENT FOR THE BONDS."

Property currently in the District and subject to the Special Tax is planned for 1,163 single-family homes in the Sierra Vista Specific Plan area, which is located in the western portion of the City. Sierra Vista Communities, LLC, which is the master developer of the project (the "Master Developer"), has been undertaking the backbone infrastructure improvements, which are now nearly complete. In May 2022, the Master Developer and Lennar Homes of California, LLC sold 651 lots to a landbank with an option for Lennar Homes to purchase the lots over time. As of June 10, 2023 Lennar Homes had acquired 279 of the lots. As of the May 1, 2023 date of value in the Appraisal (described herein) 545 homes were owned by individual homeowners. For additional development information, see "OWNERSHIP OF PROPERTY WITHIN THE DISTRICT" and "DEVELOPMENT IN THE DISTRICT."

The 2023 Bonds are subject to optional and mandatory redemption prior to maturity as described herein. See "THE BONDS – Redemption."

NEITHER THE FAITH AND CREDIT NOR THE TAXING POWER OF THE CITY, THE COUNTY OF PLACER, THE STATE OF CALIFORNIA OR ANY POLITICAL SUBDIVISION THEREOF IS PLEDGED TO THE PAYMENT OF THE 2023 BONDS, EXCEPT TO THE LIMITED EXTENT DESCRIBED HEREIN. THE 2023 BONDS DO NOT CONSTITUTE A DEBT OF THE CITY WITHIN THE MEANING OF ANY STATUTORY OR CONSTITUTIONAL DEBT LIMITATION. THE INFORMATION SET FORTH IN THIS OFFICIAL STATEMENT, INCLUDING INFORMATION UNDER THE HEADING "SPECIAL RISK FACTORS," SHOULD BE READ IN ITS ENTIRETY.

This cover page contains certain information for general reference only. It is not a summary of all of the provisions of the 2023 Bonds. Prospective investors must read the entire Official Statement to obtain information essential to the making of an informed investment decision. See "SPECIAL RISK FACTORS" herein for a discussion of the special risk factors that should be considered, in addition to the other matters and risk factors set forth herein, in evaluating the investment quality of the 2023 Bonds.

The 2023 Bonds are offered when, as and if issued, subject to approval as to their legality by Jones Hall, a Professional Law Corporation, San Francisco, California, Bond Counsel. Certain legal matters will also be passed on by Jones Hall, as Disclosure Counsel, and Stradling, Yocca, Carlson & Rauth, a Professional Corporation, Newport Beach, California, as counsel to the Underwriter. Certain legal matters will be passed upon for the City by the City Attorney. It is anticipated that the 2023 Bonds will be available for delivery to DTC on or about July ____, 2023.

GENERAL INFORMATION ABOUT THIS OFFICIAL STATEMENT

Use of Official Statement. This Official Statement is submitted in connection with the sale of the 2023 Bonds referred to herein and may not be reproduced or used, in whole or in part, for any other purpose. This Official Statement is not to be construed as a contract with the purchasers of the 2023 Bonds.

Estimates and Forecasts. When used in this Official Statement and in any continuing disclosure by the City, in any press release and in any oral statement made with the approval of an authorized officer of the City, the words or phrases “will likely result,” “are expected to”, “will continue”, “is anticipated”, “estimate”, “project,” “forecast”, “expect”, “intend” and similar expressions identify “forward looking statements.” Such statements are subject to risks and uncertainties that could cause actual results to differ materially from those contemplated in such forward-looking statements. Any forecast is subject to such uncertainties. Inevitably, some assumptions used to develop the forecasts will not be realized and unanticipated events and circumstances may occur. Therefore, there are likely to be differences between forecasts and actual results, and those differences may be material. The information and expressions of opinion herein are subject to change without notice, and neither the delivery of this Official Statement nor any sale made hereunder shall, under any circumstances, give rise to any implication that there has been no change in the affairs of the City since the date hereof.

Limit of Offering. No dealer, broker, salesperson or other person has been authorized by the City to give any information or to make any representations in connection with the offer or sale of the 2023 Bonds other than those contained herein and if given or made, such other information or representation must not be relied upon as having been authorized by the City or the Underwriter. This Official Statement does not constitute an offer to sell or the solicitation of an offer to buy nor shall there be any sale of the 2023 Bonds by a person in any jurisdiction in which it is unlawful for such person to make such an offer, solicitation or sale.

Involvement of Underwriter. The Underwriter has reviewed the information in this Official Statement in accordance with, and as a part of, their responsibilities to investors under the Federal Securities Laws as applied to the facts and circumstances of this transaction, but the Underwriter does not guarantee the accuracy or completeness of such information. The information and expressions of opinions herein are subject to change without notice and neither delivery of this Official Statement nor any sale made hereunder shall, under any circumstances, create any implication that there has been no change in the affairs of the City since the date hereof. All summaries of the documents referred to in this Official Statement, are made subject to the provisions of such documents, respectively, and do not purport to be complete statements of any or all of such provisions.

IN CONNECTION WITH THIS OFFERING, THE UNDERWRITER MAY OVERALLOT OR EFFECT TRANSACTIONS WHICH STABILIZE OR MAINTAIN THE MARKET PRICE OF THE 2023 BONDS AT A LEVEL ABOVE THAT WHICH MIGHT OTHERWISE PREVAIL IN THE OPEN MARKET. SUCH STABILIZING, IF COMMENCED, MAY BE DISCONTINUED AT ANY TIME.

THE 2023 BONDS HAVE NOT BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933, AS AMENDED, IN RELIANCE UPON AN EXCEPTION FROM THE REGISTRATION REQUIREMENTS CONTAINED IN SUCH ACT. THE 2023 BONDS HAVE NOT BEEN REGISTERED OR QUALIFIED UNDER THE SECURITIES LAWS OF ANY STATE.

**CITY OF ROSEVILLE
THE RANCH AT SIERRA VISTA COMMUNITY FACILITIES DISTRICT NO. 1
(PUBLIC FACILITIES)
SPECIAL TAX BONDS
SERIES 2023**

This Official Statement, including the cover page and all Appendices hereto, is provided to furnish certain information in connection with the issuance by the City of Roseville (the “**City**”) by and through its The Ranch at Sierra Vista Community Facilities District No. 1 (Public Facilities) (the “**District**”) of the bonds captioned above (the “**2023 Bonds**”).

Any statements made in this Official Statement involving matters of opinion or of estimates, whether or not so expressly stated, are set forth as such and not as representations of fact, and no representation is made that any of the estimates will be realized. Definitions of certain terms used herein and not defined herein have the meaning set forth in the Fiscal Agent Agreement. See APPENDIX F.

INTRODUCTION

This introduction is not a summary of this Official Statement. It is only a brief description of and guide to, and is qualified by, more complete and detailed information contained in the entire Official Statement, including the cover page and attached appendices, and the documents summarized or described in this Official Statement. A full review should be made of the entire Official Statement. The offering of the 2023 Bonds to potential investors is made only by means of the entire Official Statement.

The City. The City is located in the County of Placer (the “**County**”), which is located in the Sacramento Valley near the foothills of the Sierra Nevada mountain range, about 16 miles northeast of Sacramento and 110 miles east of San Francisco. The City presently occupies 43 square miles in the southwestern part of the County and is the largest city in the County as well as the residential and business center of the County. It is bordered by Sacramento County to the south, the City of Rocklin to the north and unincorporated County to the east and west. For additional information on the City and the County, see APPENDIX C.

The District. On November 28, 2018, the City Council of the City (the “**City Council**”), as legislative body of the District, adopted a Resolution of Intention to form the District under the Mello-Roos Community Facilities Act of 1982, as amended (the “**Act**”), to levy a special tax and to incur bonded indebtedness for the purpose of financing the Improvements and making contributions to certain public facilities. After conducting a noticed public hearing, on January 16,

* Preliminary; subject to change.

2019, the City Council adopted a Resolution of Formation (the “**Resolution of Formation**”), which established the District and a future annexation area for the District (the “**Future Annexation Area**”), set forth the Rate and Method within the District and set forth the necessity to incur bonded indebtedness in a total amount not to exceed \$210,000,000. On the same day, an election was held within the District in which the qualified elector in the District approved the proposed bonded indebtedness and the levy of the Special Tax.

Since the District was formed, three annexations of property from the Future Annexation Area into the District have occurred. Property currently in the District and subject to the Special Tax is planned for 1,163 single-family homes in the Sierra Vista Specific Plan area, which is located in the western portion of the City. The entire project is planned for 1,281 residential units, which includes a 118-unit parcel in the Future Annexation Area zoned for high-density residential (HDR) uses. This does not include 99 acres of commercial, office or mixed-use development planned for the adjacent area. Only the land developing into 1,163 single-family homes within the District currently serves as security for the Bonds.

Sierra Vista Communities, LLC, a California limited liability company (the “**Master Developer**”), which is the master developer of the project, has been undertaking the backbone infrastructure improvements, which are now nearly complete. In May 2022, the Master Developer and Lennar Homes of California, LLC (“**Lennar Homes**”) sold 651 lots to AG EHC II (LEN) CA 2, L.P., a Delaware limited partnership (the “**Landbank Owner**”) with an option for Lennar Homes to purchase the lots over time. As of June 10, 2023 Lennar Homes had acquired 279 of the lots pursuant to an option agreement and Lennar Homes is scheduled to acquire the remainder of the lots monthly through September 2025. For additional development information, see “OWNERSHIP OF PROPERTY WITHIN THE DISTRICT” and “DEVELOPMENT OF PROPERTY WITHIN THE DISTRICT.”

As of the May 1, 2023 date of the Appraisal (described herein) 545 homes have been sold by Lennar Homes to individual homeowners.

Authority for Issuance of the 2023 Bonds. The 2023 Bonds are issued pursuant to the Act, a resolution adopted by the City Council on June 21, 2023 (the “**Resolution of Issuance**”) and a Fiscal Agent Agreement dated as of September 1, 2020, as amended and supplemented by a Supplemental Agreement No. 1 to Fiscal Agent Agreement, dated as of December 1, 2021 and Supplemental Agreement No. 2 to Fiscal Agent Agreement, dated as of July 1, 2023 (collectively, the “**Fiscal Agent Agreement**”), between the City and U.S. Bank Trust Company, National Association, as successor fiscal agent (the “**Fiscal Agent**”).

Bond Terms. The 2023 Bonds will be dated as of and bear interest from the date of delivery thereof at the rate or rates set forth on the cover page of this Official Statement. Interest on the 2023 Bonds is payable on March 1 and September 1 of each year (each an “**Interest Payment Date**”), commencing September 1, 2023. The 2023 Bonds will be issued without coupons in denominations of \$5,000 or any integral multiple thereof.

Registration of Ownership of 2023 Bonds. The 2023 Bonds will be issued only as fully registered bonds in book-entry form, registered in the name of Cede & Co., as nominee of The Depository Trust Company (“**DTC**”). Ultimate purchasers of 2023 Bonds will not receive physical certificates representing their interest in the 2023 Bonds. So long as the 2023 Bonds are registered in the name of Cede & Co., as nominee of DTC, references herein to the Owners will mean Cede & Co., and will not mean the ultimate purchasers of the 2023 Bonds. Payments of the principal, premium, if any, and interest on the 2023 Bonds will be made directly to DTC, or its

nominee, Cede & Co. so long as DTC or Cede & Co. is the registered owner of the 2023 Bonds. Disbursements of such payments to DTC's Participants is the responsibility of DTC and disbursements of such payments to the Beneficial Owners is the responsibility of DTC's Direct Participants and Indirect Participants, as more fully described herein. See "APPENDIX G – DTC AND THE BOOK-ENTRY ONLY SYSTEM."

Use of Proceeds. Proceeds of the 2023 Bonds will primarily be used to finance a portion of the costs of acquiring and constructing certain public infrastructure improvements (the "**Improvements**," as described herein) as part of the development being undertaken by the Master Developer in the District. The Improvements consist generally of water, wastewater, drainage, roadway and other infrastructure improvements necessary for development of property within the District and the surrounding area, as well as park and open space improvements (which include environmental mitigation costs) and related fees. See "THE IMPROVEMENTS." Proceeds of the 2023 Bonds will also be used to fund a debt service reserve account for the 2023 Bonds, fund capitalized interest for the 2023 Bonds through and including September 1, 2023, and pay costs of issuance.

Security and Source of Payment of the 2023 Bonds. As security for the payment of the 2023 Bonds, outstanding parity bonds and any future parity bonds, a special tax applicable to each taxable parcel in the District will be levied and collected according to the tax liability determined by the City Council through the application of the Rate, Method of Apportionment, and Manner of Collection of Special Tax for the District, which has been amended to reflect the annexation of property subsequent to the formation of the District (as so amended, the "**Rate and Method**"). The Rate and Method is set forth in its entirety in APPENDIX A hereto. Pursuant to the Rate and Method, a "Facilities Special Tax" will be levied and collected until the earlier of (i) the Transition Year or (ii) Fiscal Year 2082-83, and a "Maintenance Special Tax" will be levied and collected beginning in the Transition Year. *Only the "Facilities Special Tax" is pledged to the payment of the 2023 Bonds, and the definition of "**Special Taxes**" used in the Fiscal Agent Agreement and this Official Statement refers only to the "Facilities Special Tax" levied in accordance with the Rate and Method.* See "SECURITY AND SOURCES OF PAYMENT OF THE BONDS – Special Tax Methodology."

The 2023 Bonds are payable from the "**Special Tax Revenues**," consisting of the proceeds of the Special Taxes received by the City, including all scheduled payments and delinquent payments thereof, interest thereon and proceeds of the redemption or sale of property sold as a result of foreclosure of the lien of the Special Taxes, net of the administration charge of the County (currently at 1%), but do not include any interest in excess of the interest due on the Bonds or any penalties collected in connection with any such foreclosure. The 2023 Bonds are also payable from amounts held in certain funds and accounts pursuant to the Fiscal Agent Agreement, including a reserve fund, all as more fully described herein. See "–2023 Reserve Account of the Reserve Fund," below.

The Special Taxes represent liens on the parcels of land subject to a Special Tax, and failure to pay the Special Taxes could result in proceedings to foreclose the delinquent property. The Special Taxes do not constitute the personal indebtedness of the owners of taxed parcels. See "SECURITY AND SOURCES OF PAYMENT FOR THE BONDS – Special Tax Methodology" and "APPENDIX A – RATE AND METHOD OF APPORTIONMENT OF SPECIAL TAX."

Parity Bonds. The maximum authorized indebtedness for the District is \$210,000,000, and the 2023 Bonds constitute the third series of special tax bonds issued under this authorization. The first series of special tax bonds for the District, the City of Roseville The Ranch at Sierra Vista

Community Facilities District No. 1 (Public Facilities) Special Tax Bonds Series 2020 (the “**2020 Bonds**”), were issued in the principal amount of \$20,875,000. The second series of special tax bonds for the District, the City of Roseville The Ranch at Sierra Vista Community Facilities District No. 1 (Public Facilities) Special Tax Bonds Series 2021 (the “**2021 Bonds**”), were issued in the principal amount of \$13,290,000. Following issuance of the 2023 Bonds in the principal amount of \$_____, remaining bond authorization for the District will be \$_____*. In addition, the bond authorization includes an expectation that the City may utilize a portion of the available authorized bond amount for the funding of certain deferred impact fees owed to the City, anticipated to occur subsequent to payment in full of the 2020 Bonds, the 2021 Bonds and the 2023 Bonds, as described herein.

Any future parity bonds of the District (“**Additional Bonds**” and collectively with the 2020 Bonds, 2021 Bonds and the 2023 Bonds, the “**Bonds**”) are required to meet certain conditions of issuance as set forth in the Fiscal Agent Agreement. See “SECURITY AND SOURCES OF PAYMENT FOR THE BONDS – Future Parity Bonds.”

Additional Bonds may be issued in the future to pay for additional Improvements and/or to pay for the Development Impact Fee Deferral as described below. However, the actual aggregate amount of Additional Bonds to fund Improvements and the Development Impact Fee Deferral may vary depending on interest rates at the time of bond issuance, the timing of each bond issue and other factors that may impact the timing and size of each bond issue.

2023 Reserve Account of the Reserve Fund. In connection with the issuance of the 2020 Bonds, a Reserve Fund (the “**Reserve Fund**”) was established by the Fiscal Agent under the Fiscal Agent Agreement. For each series of Bonds, separate reserve accounts will be established within the Reserve Fund. Accordingly, at the time of issuance of the 2023 Bonds, a reserve account for the 2023 Bonds will be established within the Reserve Fund for the benefit of the 2023 Bonds (the “**2023 Reserve Account**”) in the amount of the Reserve Requirement (defined herein) for the 2023 Bonds. If there are additional delinquencies after depletion of funds in the 2023 Reserve Account of the Reserve Fund, the City is not obligated to pay the 2023 Bonds or supplement the 2023 Reserve Account of the Reserve Fund except to the extent Special Tax Revenues are available for such purpose. See “SECURITY AND SOURCES OF PAYMENT FOR THE BONDS — Reserve Fund.”

Development and Ownership of Property in District. As noted above, property currently in the District and subject to the Special Tax is planned for 1,163 single-family homes in the Sierra Vista Specific Plan area, which is located in the western portion of the City.

* Preliminary, subject to change.

The Master Developer, which began as a joint venture between Lennar Homes and certain other entities as described herein, is now 100% owned by Lennar Homes. Construction of infrastructure by the Master Developer is underway and mostly complete. Home construction and sales are ongoing in all phases of the project. As of May 1, 2023, 545 homes were owned by individual homeowners.

The Master Developer and Lennar Homes have transferred certain lots in the District to the Landbank Owner, as described herein. See “OWNERSHIP OF PROPERTY WITHIN THE DISTRICT” and “DEVELOPMENT OF PROPERTY WITHIN THE DISTRICT.”

Value Estimate of Property in District. Taxable real property within the District is security for the Special Tax securing the Bonds. The County Assessor has reflected home values for 194 completed single family homes on the fiscal year 2023 assessment roll (the “**Assessed Property**”). For the balance of the taxable property in the District, the City authorized the preparation of an appraisal report with a May 1, 2023 date of value (the “**Appraisal**”) for property planned for 969 homes (collectively, the “**Appraised Property**”). The Assessed Property and the Appraised Property together provide a composite value for the District. As of the date of value, the total estimated value (the “**Composite Value**”) was estimated as follows:

Ownership	No. of Parcels/Lots	Aggregate Value
Aggregate Value of Appraised Properties	969	\$311,000,000
Aggregate Value of Existing Homes based on Assessed Value	<u>194</u>	<u>123,519,390</u>
Total Composite Value	1,163	\$434,519,390

A complete copy of the Appraisal is attached to this Official Statement as APPENDIX B. In considering the estimates of value evidenced by the Appraisal, it should be noted that the Appraisal is based upon a number of standard and special assumptions and conditions which affect the estimates as to value and should be carefully reviewed by prospective investors in their entirety. See “VALUE OF PROPERTY WITHIN THE DISTRICT – The Appraisal.”

Value-to-Lien Ratio. As shown above, the Composite Value of taxable land in the District as of May 1, 2023 was \$434,519,390, which is approximately 7.86* times the \$55,252,964* aggregate estimated principal amount of the Bonds (consisting of the 2020 Bonds, the 2021 Bonds and 2023 Bonds) and overlapping debt. Value-to-lien ratios on individual parcels may vary considerably from this average. See “APPENDIX B – The Appraisal” and “VALUE OF PROPERTY WITHIN THE DISTRICT – Value to Special Tax Burden Ratios” herein.

Risks of Investment. See the section of this Official Statement entitled “SPECIAL RISK FACTORS” for a discussion of special factors that should be considered, in addition to the other matters set forth herein, in considering the investment quality of the 2023 Bonds. ***In particular, no assurance can be given that the timing of construction of homes and/or sale of homes projected by Lennar Homes in this Official Statement will not be delayed as a result of the COVID-19 pandemic. Neither the City nor the Underwriter can predict the impact of COVID-19 on home production and home sales activities or the willingness of owners of land in the District, including Lennar Homes, to pay the Special Taxes securing the 2023 Bonds. See “SPECIAL RISK FACTORS – COVID-19 Pandemic.”***

Limited Obligation of the City. The general fund of the City is not liable and the full faith and credit of the City is not pledged for the payment of the interest on, or principal of or redemption premiums, if any, on the 2023 Bonds. The 2023 Bonds are not secured by a legal or equitable pledge of or charge, lien or encumbrance upon any property of the City or any of its income or receipts, except the money in the funds established and pledged to the 2023 Bonds under the

* Preliminary; subject to change.

Fiscal Agent Agreement, and neither the payment of the interest on nor principal of or redemption premiums, if any, on the 2023 Bonds is a general debt, liability or obligation of the City. The 2023 Bonds do not constitute an indebtedness of the City within the meaning of any constitutional or statutory debt limitation or restrictions, and neither the City Council, the City nor any officer or employee thereof are liable for the payment of the interest on or principal of or redemption premiums, if any, on the 2023 Bonds other than from the proceeds of the Special Taxes and the money in the funds established and pledged to the 2023 Bonds, as provided in the Fiscal Agent Agreement.

Summary of Information. Brief descriptions of certain provisions of the Fiscal Agent Agreement, the Bonds and certain other documents are included herein. The descriptions and summaries of documents herein do not purport to be comprehensive or definitive, and reference is made to each such document for the complete details of all its respective terms and conditions, copies of which are available for inspection at the office of the Chief Financial Officer of the City. All statements herein with respect to certain rights and remedies are qualified by reference to laws and principles of equity relating to or affecting creditors' rights generally. Capitalized terms used in this Official Statement and not otherwise defined herein have the meanings ascribed to such terms in the Fiscal Agent Agreement. The information and expressions of opinion herein speak only as of the date of this Official Statement and are subject to change without notice. Neither delivery of this Official Statement, any sale made hereunder, nor any future use of this Official Statement shall, under any circumstances, create any implication that there has been no change in the affairs of the City or the District since the date hereof.

Any statements made in this Official Statement involving matters of opinion or of estimates, whether or not so expressly stated, are set forth as such and not as representations of fact, and no representation is made that any of the estimates will be realized.

ESTIMATED SOURCES AND USES OF FUNDS

A summary of the estimated sources and uses of funds associated with the sale of the 2023 Bonds follows:

Estimated Sources of Funds:

Principal Amount of 2023 Bonds	\$
Plus/Less: [Net] Original Issue Premium/Discount	
Total	\$

Estimated Uses of Funds:

Deposit to Improvement Fund	\$
Deposit to 2023 Reserve Account of the Reserve Fund ⁽¹⁾	
Deposit to Capitalized Interest Account of Bond Fund ⁽²⁾	
Costs of Issuance ⁽³⁾	
Total	\$

(1) Equal to the Reserve Requirement for the 2023 Bonds.

(2) Capitalized interest on the 2023 Bonds through and including September 1, 2023.

(3) Includes fees of bond and disclosure counsel, fees, expenses and charges of the Fiscal Agent, printing costs, fees of the special tax administrator, appraiser, and municipal advisor, Underwriter's discount, and other costs of issuance.

THE BONDS

Authority for Issuance

General. The 2023 Bonds are issued pursuant to the Fiscal Agent Agreement, the Resolution of Issuance and the Act.

On November 28, 2018, the City Council adopted a Resolution of Intention to form a community facilities district under the Act, to levy a special tax and to incur bonded indebtedness for the purpose of financing the Improvements and making contributions to certain public facilities. After conducting a noticed public hearing, on January 16, 2019, the City Council adopted the Resolution of Formation, which established the District and the Future Annexation Area, set forth the Rate and Method within the District and set forth the necessity to incur bonded indebtedness in a total amount not to exceed \$210,000,000. On the same day, an election was held within the District in which the Master Developer, as the sole qualified elector in the District, approved the proposed bonded indebtedness and the levy of the Special Tax.

In 2020 the City issued a first series of special tax bonds in the principal amount of \$20,875,000, and in 2021 issued a second series in the amount of \$13,290,000,

Use of Bond Authorization for Development Impact Fee Deferral Bonds. In connection with the approval of development in the District, the City agreed that payment of certain impact fees owed by the Master Developer and Lennar Homes in the District will be deferred (referred to as the “Development Impact Fee Deferral” in the Rate and Method) to allow payment of the deferred fees after the 2020 Bonds have been fully paid. The City expects to receive payment for the deferred impact fees either through continued collection of Special Taxes or through the issuance of future bonds after the 2020 Bonds have matured. If the City chooses to issue bonds to pay deferred impact fees, the remaining authorization will be available to be utilized by the City as a means therefor.

Description of the Bonds

Bond Terms. The 2023 Bonds will be dated as of and bear interest from the date of delivery thereof at the rates and mature in the amounts and years, as set forth on the cover page hereof. The 2023 Bonds are being issued in the denomination of \$5,000 or any integral multiple thereof.

Interest on the 2023 Bonds will be payable semiannually on March 1 and September 1 of each year (each an “**Interest Payment Date**”), commencing September 1, 2023. The principal of the 2023 Bonds and premiums due upon the redemption thereof, if any, will be payable in lawful money of the United States of America at the designated corporate trust office of the Fiscal Agent, or such other place as designated by the Fiscal Agent, upon presentation and surrender of the 2023 Bonds; provided that so long as any 2023 Bonds are in book-entry form, payments with respect to such 2023 Bonds will be made by wire transfer, or such other method acceptable to the Fiscal Agent, to DTC.

Book-Entry Only System. The 2023 Bonds are being issued as fully registered bonds, registered in the name of Cede & Co., as nominee of The Depository Trust Company (“**DTC**”), and will be available to ultimate purchasers under the book-entry system maintained by DTC. Ultimate purchasers of 2023 Bonds will not receive physical certificates representing their interest in the 2023 Bonds. So long as the 2023 Bonds are registered in the name of Cede & Co., as nominee of DTC, references herein to the Owners will mean Cede & Co., and will not mean the

ultimate purchasers of the 2023 Bonds. The Fiscal Agent will make payments of the principal, premium, if any, and interest on the 2023 Bonds directly to DTC, or its nominee, Cede & Co., so long as DTC or Cede & Co. is the registered owner of the 2023 Bonds. Disbursements of such payments to DTC's Participants are the responsibility of DTC and disbursements of such payments to the Beneficial Owners are the responsibility of DTC's Direct Participants and Indirect Participants, as more fully described herein. See "APPENDIX G – DTC AND THE BOOK-ENTRY ONLY SYSTEM."

Calculation and Payment of Interest. Interest on the 2023 Bonds will be computed on the basis of a 360-day year consisting of twelve 30-day months. Interest on the 2023 Bonds (including the final interest payment upon maturity or earlier redemption) is payable by check of the Fiscal Agent mailed on each Interest Payment Date by first class mail to the registered Owner thereof at such registered Owner's address as it appears on the registration books maintained by the Fiscal Agent at the close of business on the 15th day of the month preceding the month in which the Interest Payment Date occurs whether or not such day is a Business Day (the "**Record Date**") preceding the Interest Payment Date, or by wire transfer made on such Interest Payment Date upon written instructions received by the Fiscal Agent on or before the Record Date preceding the Interest Payment Date, of any Owner of \$1,000,000 or more in aggregate principal amount of 2023 Bonds; provided that so long as any 2023 Bonds are in book-entry form, payments with respect to such 2023 Bonds will be made by wire transfer, or such other method acceptable to the Fiscal Agent, to DTC. See "APPENDIX G – DTC AND THE BOOK-ENTRY ONLY SYSTEM."

Each 2023 Bond will bear interest from the Interest Payment Date next preceding the date of authentication thereof unless (i) it is authenticated on an Interest Payment Date, in which event it will bear interest from such date of authentication, or (ii) it is authenticated prior to an Interest Payment Date and after the close of business on the Record Date preceding such Interest Payment Date, in which event it will bear interest from such Interest Payment Date, or (iii) it is authenticated prior to the Record Date preceding the first Interest Payment Date, in which event it will bear interest from the closing date for the 2023 Bonds; provided, however, that if at the time of authentication of a 2023 Bond, interest is in default thereon, such 2023 Bond will bear interest from the Interest Payment Date to which interest has previously been paid or made available for payment thereon. So long as the 2023 Bonds are registered in the name of Cede & Co., as nominee of DTC, payments of the principal, premium, if any, and interest on the 2023 Bonds will be made directly to DTC, or its nominee, Cede & Co. Disbursements of such payments to DTC's Participants are the responsibility of DTC and disbursements of such payments to the Beneficial Owners are the responsibility of DTC's Direct Participants and Indirect Participants, as more fully described herein. See "APPENDIX G – DTC AND THE BOOK-ENTRY ONLY SYSTEM."

Redemption*

Optional Redemption. The 2023 Bonds are subject to optional redemption from any source of available funds (other than Prepayments of the Special Tax by property owners), in whole or in part among maturities as specified by the City and by lot within a maturity, on any date on and after September 1, 20__ at the following respective redemption prices (expressed as percentages of the principal amount of the 2023 Bonds to be redeemed), plus accrued interest thereon to the date of redemption:

* Preliminary; subject to change.

<u>Redemption Dates</u>	<u>Redemption Price</u>
September 1, 20__ through August 31, 20__	103%
September 1, 20__ through August 31, 20__	102
September 1, 20__ through August 31, 20__	101
September 1, 20__ and any date thereafter	100

Mandatory Redemption From Prepayments. The 2023 Bonds are subject to mandatory redemption from Prepayments of the Special Tax by property owners, in whole or in part among maturities as specified by the City and by lot within a maturity, on any Interest Payment Date at the following respective redemption prices (expressed as percentages of the principal amount of the 2023 Bonds to be redeemed), plus accrued interest thereon to the date of redemption:

<u>Redemption Dates</u>	<u>Redemption Price</u>
Interest Payment Dates through and including March 1, 20__	103%
September 1, 20__ and March 1, 20__	102
September 1, 20__ and March 1, 20__	101
September 1, 20__ and any Interest Payment Date thereafter	100

Prepayments will be allocated to the redemption of each series of Bonds as nearly as practicable on a proportionate basis based on the outstanding principal amount of each series. Such allocations shall be applied to redeem each series as nearly as practicable on a pro rata basis among maturities of each respective series, in increments of \$5,000; provided, however, that, for Prepayments of less than \$50,000, the City may specify in an Officer's Certificate that Prepayments be applied to one or more maturities of one or more series so long as there is delivered to the Fiscal Agent a Certificate of the Special Tax Consultant that, following such redemption from Prepayments, the maximum Special Taxes that may be levied in each Fiscal Year is not less than 110% of Maximum Annual Debt Service.

In connection with receipt of a Prepayment, the City may release from the Reserve Account related to each series of Bonds an amount corresponding to the applicable credit to be received based on the principal amount of each series prepaid, as determined by the City, provided that the release shall not cause the amount in each such Reserve Account to be less than the applicable Reserve Requirement.

See "SPECIAL RISK FACTORS – Potential Early Redemption of Bonds from Prepayments" for a discussion of the potential for the 2023 Bonds to be priced with original issue premium and then be redeemed from Special Tax prepayments prior to maturity.

Mandatory Sinking Fund Redemption. The Term 2023 Bonds maturing September 1, 20__ and September 1, 20__ are subject to mandatory sinking payment redemption in part on September 1, 20__ and September 1, 20__, respectively, and on each September 1 thereafter to maturity, by lot, at a redemption price equal to 100% of the principal amount thereof to be redeemed, without premium, in the aggregate respective principal amounts as set forth in the following tables:

Term 2023 Bonds Maturing September 1, 20__

Mandatory Redemption Date (Sept. 1)	Sinking Fund Payment
---	-------------------------

(maturity)

Term 2023 Bonds Maturing September 1, 20__

Mandatory Redemption Date (Sept. 1)	Sinking Fund Payment
---	-------------------------

(maturity)

The amounts in the foregoing tables may be reduced pro rata, in order to maintain substantially proportional debt service coverage, as a result of any prior partial optional redemption or mandatory redemption of the 2023 Bonds.

Purchase in Lieu of Redemption. In lieu of redemption, moneys in the Bond Fund may be used and withdrawn by the Fiscal Agent for purchase of Outstanding 2023 Bonds, upon the filing with the Fiscal Agent of an Officer's Certificate requesting such purchase, at public or private sale as and when, and at such prices (including brokerage and other charges) as such Officer's Certificate may provide, but in no event may 2023 Bonds be purchased at a price in excess of the principal amount thereof, plus interest accrued to the date of purchase.

Redemption Procedure by Fiscal Agent. The Fiscal Agent will cause notice of any redemption to be mailed by first class mail, postage prepaid, at least 20 days but not more than 60 days prior to the date fixed for redemption, to the Securities Depositories and to one or more Information Services, and to the respective registered Owners of any 2023 Bonds designated for redemption, at their addresses appearing on the registration books in the Principal Office of the Fiscal Agent; but such mailing is not a condition precedent to such redemption and failure to mail or to receive any such notice, or any defect therein, will not affect the validity of the proceedings for the redemption of such 2023 Bonds.

Such notice will state the redemption date and the redemption price and, if less than all of the then Outstanding 2023 Bonds are to be called for redemption, will designate the CUSIP numbers and bond numbers of the 2023 Bonds to be redeemed by giving the individual CUSIP number and bond number of each 2023 Bond to be redeemed or will state that all 2023 Bonds between two stated bond numbers, both inclusive, are to be redeemed or that all of the 2023 Bonds of one or more maturities have been called for redemption, will state as to any 2023 Bond called in part the principal amount thereof to be redeemed, and will require that such 2023 Bonds be then surrendered at the Principal Office of the Fiscal Agent for redemption at the said redemption price, and will state that further interest on such 2023 Bonds will not accrue from and after the redemption date.

The City has the right to rescind any notice of the optional redemption of 2023 Bonds and such notice may be cancelled and annulled if for any reason funds will not be or are not available on the date fixed for redemption for the payment in full of the 2023 Bonds then called for redemption.

Whenever provision is made in the Fiscal Agent Agreement for the redemption of less than all of the 2023 Bonds of any maturity, the City will select the 2023 Bonds to be redeemed, from all 2023 Bonds or such given portion thereof of such maturity by lot in any manner which the City in its sole discretion deems appropriate. Upon surrender of 2023 Bonds redeemed in part only, the City will execute and the Fiscal Agent will authenticate and deliver to the registered Owner, at the expense of the City, a new 2023 Bond or 2023 Bonds, of the same series and maturity, of authorized denominations in aggregate principal amount equal to the unredeemed portion of the 2023 Bond or 2023 Bonds.

Effect of Redemption. From and after the date fixed for redemption, if funds available for the payment of the principal of, and interest and any premium on, the 2023 Bonds so called for redemption are deposited in the Bond Fund, such 2023 Bonds so called will cease to be entitled to any benefit under the Fiscal Agent Agreement other than the right to receive payment of the redemption price, and no interest will accrue thereon on or after the redemption date specified in such notice.

Transfer or Exchange of Bonds

So long as the 2023 Bonds are registered in the name of Cede & Co., as nominee of DTC, transfers and exchanges of 2023 Bonds will be made in accordance with DTC procedures. See "APPENDIX G – DTC AND THE BOOK-ENTRY ONLY SYSTEM." Any 2023 Bond may, in accordance with its terms, be transferred or exchanged by the person in whose name it is registered, in person or by his duly authorized attorney, upon surrender of such 2023 Bond for cancellation, accompanied by delivery of a duly written instrument of transfer in a form approved by the Fiscal Agent. Whenever any 2023 Bond or 2023 Bonds are surrendered for transfer or exchange, the City will execute and the Fiscal Agent will authenticate and deliver a new 2023 Bond or 2023 Bonds, for a like aggregate principal amount of 2023 Bonds of authorized denominations and of the same maturity. The cost for any services rendered or any expenses incurred by the Fiscal Agent in connection with any such transfer or exchange will be paid by the City. The Fiscal Agent will collect from the Owner requesting such transfer any tax or other governmental charge required to be paid with respect to such transfer or exchange. No transfers or exchanges of 2023 Bonds will be required to be made (i) within 15 days prior to the date established by the Fiscal Agent for selection of 2023 Bonds for redemption or (ii) with respect to a 2023 Bond after such 2023 Bond has been selected for redemption.

SECURITY AND SOURCES OF PAYMENT FOR THE BONDS

Special Taxes

The Bonds (consisting of the 2020 Bonds, the 2021 Bonds, the 2023 Bonds and any Additional Bonds that may be issued in the future) are payable from and secured by proceeds of the Special Taxes received by the City, including all scheduled payments and delinquent payments thereof, interest and penalties thereon and proceeds of the redemption or sale of property sold as a result of foreclosure of the lien of the Special Taxes (but excluding any interest in excess of the interest due on the Bonds or any penalties collected in connection with any such foreclosure), and net of administration charges of the County (currently 1%) (the “**Special Tax Revenues**”). All of the Special Tax Revenues and all moneys deposited in the Bond Fund and, until disbursed as provided herein, in the Improvement Fund and the Special Tax Fund are pledged to secure the repayment of the Bonds. In addition, with respect to each Series of Bonds, all moneys in the applicable subaccount of the Reserve Fund for such Series is pledged to secure the repayment of the applicable Series. The Special Tax Revenues and all moneys deposited into such funds (except as otherwise provided in the Fiscal Agent Agreement) are dedicated to the payment of the principal of, including any mandatory sinking fund payments, and interest and any premium on, the Bonds as provided in the Fiscal Agent Agreement and in the Act until all of the Bonds have been paid and retired or defeased in accordance with the Fiscal Agent Agreement.

A Special Tax applicable to each taxable parcel in the District will be levied and collected according to the tax amount determined by the City Council through the application of the Rate and Method administered by Willdan Financial Services, Temecula, California (the “**Special Tax Administrator**”) and set forth in APPENDIX A hereto for all taxable properties in the District. In August 2021 the Rate and Method was amended to account for one of the three annexations of land into the District from the Future Annexation Area. See APPENDIX A.

Prior to remittance of the Special Tax collections to the City, the County deducts and retains a 1% County administration fee, as noted above. Interest and principal on the Bonds is payable from the annual Special Tax Revenues to be paid to the City from Special Tax levies and collections on taxable property within the District, from amounts held in certain funds and accounts established under the Fiscal Agent Agreement and from the proceeds, if any, from the sale of such property for delinquency of such Special Taxes.

The Special Taxes are exempt from the property tax limitation of Article XIII A of the California Constitution, pursuant to Section 4 thereof as a “special tax” authorized by a two-thirds vote of the qualified electors. The levy of the Special Taxes was authorized by the City pursuant to the Act in an amount determined according to the Rate and Method approved by the City. See “Special Tax Methodology” below and “APPENDIX A – RATE AND METHOD OF APPORTIONMENT OF SPECIAL TAX.”

The amount of Special Taxes that the City may levy in any year, and from which principal and interest on the Bonds is to be paid, is strictly limited by the maximum rates approved by the qualified electors within the District, which is set forth in the Rate and Method. Under the Rate and Method, Special Taxes for the purpose of making payments on the Bonds will be levied annually in an amount not in excess of the maximum approved amount. The Special Taxes and any interest earned on the Special Taxes constitute a trust fund for the principal of and interest on the Bonds pursuant to the Fiscal Agent Agreement and, so long as the principal of and interest on these obligations remains unpaid, the Special Taxes and investment earnings thereon will not

be used for any other purpose, except as permitted by the Fiscal Agent Agreement, and will be held in trust for the benefit of the owners thereof and will be applied pursuant to the Fiscal Agent Agreement. The Rate and Method apportions the Annual Facilities Costs (as defined in the Rate and Method and described below) among the taxable parcels of real property within the District according to the rate and methodology set forth in the Rate and Method. See “Special Tax Methodology” below. See also “APPENDIX A – RATE AND METHOD OF APPORTIONMENT OF SPECIAL TAX.”

Special Tax Methodology

As security for the payment of the 2023 Bonds, as well as the outstanding 2020 and 2021 parity bonds and any future parity bonds, a special tax applicable to each taxable parcel in the District will be levied and collected according to the tax liability determined by the City Council through the application of the Rate, Method of Apportionment, and Manner of Collection of Special Tax for the District, which has been amended to reflect the annexation of property subsequent to the formation of the District (as so amended, the “**Rate and Method**”). The Rate and Method is set forth in its entirety in APPENDIX A hereto.

Pursuant to the Rate and Method, a “Facilities Special Tax” will be levied and collected until the earlier of (i) the Transition Year or (ii) Fiscal Year 2082-83, and a “Maintenance Special Tax” will be levied and collected beginning in the Transition Year. For the definition of “Transition Year” and related matters, see APPENDIX A. *Only the “Facilities Special Tax” is pledged to the payment of the Bonds, and the definition of “**Special Taxes**” used in the Fiscal Agent Agreement and this Official Statement refers only to the “Facilities Special Tax” levied in accordance with the Rate and Method. Capitalized terms set forth in this section and not otherwise defined have the meanings set forth in the Rate and Method.*

The City may levy the Special Tax up to the amount of the Maximum Annual Facilities Special Tax set forth in the Rate and Method, if conditions so require. The City has covenanted to annually levy the Special Taxes in an amount at least sufficient to pay the Annual Facilities Costs (as defined below). Because each Special Tax levy is limited to the Maximum Annual Facilities Special Tax rates authorized as set forth in the Rate and Method, no assurance can be given that, in the event of Special Tax delinquencies, the amount of the Annual Facilities Costs will in fact be collected in any given year. In addition, Section 53321(d) of the Act provides that the special tax levied against any parcel for which an occupancy permit for private residential use has been issued may not be increased as a consequence of delinquency or default by the owner of any other parcel within a community facilities district by more than 10% above the amount that would have been levied in such Fiscal Year had there never been any such delinquencies or defaults. See “SPECIAL RISK FACTORS – Tax Delinquencies” herein. The Special Taxes are collected for the City by the County in the same manner and at the same time as *ad valorem* property taxes.

Determination of Annual Facilities Costs. Each year, the City will determine the Annual Facilities Costs of the District for the upcoming Fiscal Year. The “**Annual Facilities Costs**” includes the following amounts (less any available earnings on any reserve fund, special tax funds, available capitalized interest or any other available revenues):

- (i) Debt Service to be paid from Facilities Special Taxes;

(ii) the amount needed to replenish bond reserve funds to the level required by Bond documents, to the extent not included in a computation of Annual Facilities Costs in a previous Fiscal Year;

(iii) Administrative Expenses for such Fiscal Year;

(iv) the amount needed to (1) cure any delinquencies in the payment of principal or interest on Bonds which have occurred in the prior Fiscal Year, and (2) to fund any foreseeable deficiency of the amount to be available for the payment of principal or interest on Bonds which are expected to occur in the current or any previous Fiscal Year, to the extent not already included in the calculation of Annual Facilities Costs;

(v) the amount needed to (1) cure any delinquencies in the payment of the Facilities Special Taxes in the prior Fiscal Year, (2) to fund any foreseeable deficiency of the amount to be available for the payment of Facilities Special Taxes which are expected to occur in such Fiscal Year, in each case, to the extent not already included in the calculation of Annual Facilities Costs;

(vi) pay-as-you-go expenditures for authorized improvements; and

(vii) during the Deferral Bonding Period, the amount needed to pay Development Impact Fee Deferrals not financed by Bonds.

The Annual Facilities Costs is the basis for the amount of Special Tax to be levied within the District. In no event may the City levy a Special Tax in any year above the Maximum Annual Facilities Special Tax identified for each parcel in the Rate and Method.

Parcels Subject to the Facilities Special Tax. For each fiscal year in which the Facilities Special Tax will be levied, the City will prepare a list of the parcels subject to the Special Tax using the records of the City and the County Assessor. The City will tax parcels within each zone within the District pursuant to the Rate and Method. Taxable Parcels that are acquired by a public agency after the District is formed will remain subject to the Facilities Special Tax unless a “trade” resulting in no loss of Facilities Special Tax revenue can be made, as described in the Rate and Method. See APPENDIX A.

Limitation on Increases in Levy of Facilities Special Tax. If owners are delinquent in the payment of Facilities Special Taxes, the City may not increase Facilities Special Tax levies to make up for delinquencies for prior Fiscal Years above the Maximum Facilities Special Tax rates specified for each category of property within the District. In addition, Section 53321(d) of the Act provides that the special tax levied against any parcel for which an occupancy permit for private residential use has been issued may not be increased as a consequence of delinquency or default by the owner of any other parcel within a community facilities district by more than 10% above the amount that would have been levied in such Fiscal Year had there never been any such delinquencies or defaults. In cases of significant delinquency, these factors may result in defaults in the payment of principal of and interest on the Bonds. See “SPECIAL RISK FACTORS.”

Duration of the Facilities Special Tax; Transition Year. The Facilities Special Tax will be levied and collected (up to maximum allowable amount) until the earlier of (i) the Transition Year or (ii) Fiscal Year 2082-83. Transition Year means the first Fiscal Year following the Fiscal Year in which the Transition Event occurred, and Transition Event means the earlier of (i) after the period in which bonds are outstanding or refunded which financed costs other than the

Development Impact Fee Deferral (defined in the Rate and Method as the “Initial Bonding Period”), the Fiscal Year in which the Administrator determines the Development Impact Fee Deferral has been repaid in full to the City and the City determines funding is no longer needed for Annual Facilities Costs, or (ii) Fiscal Year 2083-84. Initial Bonding Period means the period in which Bonds are outstanding or refunded which financed Authorized Facilities costs other than the Development Impact Fee Deferral.

Prepayment of the Facilities Special Tax. The Rate and Method provides that landowners may prepay some of the Facilities Special Tax by a cash settlement with the City. The amount of the prepayment required is to be calculated according to a formula set forth in the Rate and Method, which is generally based on the net present value of the remaining years in which the Facilities Special Tax will be collected, including the effect of a 2% per year escalation factor applicable for the time Bonds remain outstanding using a discount rate equal to the most current yield for the 30-year Treasury Constant Maturity as the discount factor, plus an amount representing the Development Impact Fee Deferral Amount (which amount is not available for prepayment of the Bonds), all as described in Section 8 of the Rate and Method set forth in APPENDIX A. Prepayment is only allowed if the City determines that the prepayment does not jeopardize its ability to make timely payments of debt service on outstanding Bonds.

Levy of Annual Special Tax; Maximum Special Tax

The annual Special Tax will be calculated by the City and levied to provide money for debt service on the Bonds, replenishment of the Reserve Fund, certain delinquencies, administration of the District, and for payment of pay-as-you-go expenditures (to the extent permitted by the City) for the authorized District-funded facilities not funded from Bond proceeds. In no event may the City levy a Special Tax in any year above the maximum identified for each parcel in the Rate and Method. The attachments to the Rate and Method set forth the maximum Special Tax that may be levied in each fiscal year. See APPENDIX A.

The annual Special Tax was first levied for fiscal year 2021-22. The Special Tax levy is calculated each year by determining the amount needed to be generated by all Taxable Parcels in the District. The Special Tax (up to the maximum allowable amount) is levied against each Taxable Parcel until the Special Tax revenue equals such amount, however the Rate and Method establishes a priority for which properties will be levied a Special Tax. First, the Special Tax will be levied against all “Developed Parcels” in the District. If additional amounts are needed, a levy is made against each “Small Lot Tentative Map Parcel” in the District, then each “Large Lot Parcel” in the District, then each “Undeveloped Parcel” in the District. For single-family detached property, Developed Parcels are parcels shown on a Final Small Lot Subdivision Map recorded prior to May 1 of the preceding Fiscal Year. See “APPENDIX A – RATE AND METHOD OF APPORTIONMENT OF SPECIAL TAX.”

The City covenants in the Fiscal Agent Agreement to fix and levy the amount of Special Taxes within the District required for the payment of principal of and interest on any outstanding Bonds of the District becoming due and payable during the ensuing year, including any necessary replenishment or expenditure of the Reserve Fund for the Bonds and an amount estimated to be sufficient to pay the Administrative Expenses during such year, all in accordance with the Rate and Method. The Special Tax is authorized to be levied in an amount not to exceed the Maximum Special Tax levy as described in the Rate and Method notwithstanding that a lower amount is sufficient to pay debt service on the Bonds. The Rate and Method provides a mechanism whereby the City may utilize the pay-as-you-go component to pay for and/or reimburse developers for a portion of the cost of Improvements not funded by proceeds of the bonds issued for the District.

Proceeds of the annual Special Tax levy will first be used to pay the “Annual Facilities Costs” (which include debt service payments on the Bonds) other than pay-as-you-go expenditures, and the City contemplates that the levy will include a pay-as-you-go component in an amount up to the Maximum Annual Facilities Special Tax on Developed Parcels, for deposit, after deducting for debt service and administration, into the Improvement Fund for authorized costs not funded from Bond proceeds. See “THE IMPROVEMENTS” and “VALUE OF PROPERTY WITHIN THE DISTRICT.” See also “SECURITY AND SOURCES OF PAYMENT FOR THE BONDS – Special Tax Methodology” above. See “APPENDIX A – RATE AND METHOD OF APPORTIONMENT OF SPECIAL TAX” for a copy of the Rate and Method.

Special Tax Fund

When received, the Special Tax Revenues are required under the Fiscal Agent Agreement to be deposited into a Special Tax Fund to be held by the City in trust for the benefit of the City and the Owners of the Bonds. Within the Special Tax Fund, the City has established and will maintain the Surplus Account, to the credit of which the City will deposit surplus Special Tax Revenue, if any, as described below. Moneys in the Special Tax Fund will be disbursed as provided below and, pending any disbursement, will be subject to a lien in favor of the Owners of the Bonds.

All Special Tax Revenue will be deposited in the Special Tax Fund upon receipt. Prior to each Interest Payment Date, the City will withdraw from the Special Tax Fund and transfer (i) to the Fiscal Agent for deposit in the reserve accounts of the Reserve Fund, an amount which when added to the amount then on deposit therein is equal to the Reserve Requirement with respect to each series of Bonds, and (ii) to the Fiscal Agent for deposit in the Bond Fund an amount, taking into account any amounts then on deposit in the Bond Fund, such that the amount in the Bond Fund equals the principal, premium, if any, and interest due on the Bonds on the next Interest Payment Date; provided, however, that as soon as practicable after the receipt by the City of any prepayments of Special Taxes, but no later than 10 Business Days after such receipt, the City shall transfer such prepayments to the Fiscal Agent for deposit into the Prepayment Account of the Bond Fund to be used for the redemption of Bonds. At such time as deposits to the Special Tax Fund equal the principal, premium if any, and interest becoming due on the Bonds for the current Bond Year and the amount needed to restore the reserve accounts of the Reserve Fund balance to the Reserve Requirement with respect to each series of Bonds, the amount in the Special Tax Fund in excess of such amount may, at the discretion of the City, be transferred to the Surplus Account, which will occur on or after September 2nd of each year. From time to time, the City may withdraw from the Surplus Account of the Special Tax Fund amounts needed to pay the City’s administrative expenses and County fees; provided that such transfers will not be in excess of the portion of the Special Tax Revenues collected by the City that represent levies for administrative expenses. Moneys in the Surplus Account may also be transferred, at the City’s discretion, to the Improvement Fund to pay for costs of the Improvements (including reimbursements to developers for the cost of Improvements not funded from proceeds of bonds issued for the District) or authorized facility contributions, to pay the principal of, premium, if any, and interest on the Bonds or to replenish amounts in the Reserve Fund. See “THE IMPROVEMENTS – Construction and Acquisition of the Improvements.”

Delinquent Payments of Special Tax; Covenant for Superior Court Foreclosure

The Special Tax will be collected in the same manner and the same time as *ad valorem* property taxes, except at the City’s option, the Special Taxes may be billed directly to property owners or collected at a different time to meet the City’s financial obligations. In the event of a

delinquency in the payment of any installment of Special Taxes, the City is authorized by the Act to order institution of an action in superior court to foreclose the lien therefor.

The City has covenanted in the Fiscal Agent Agreement with and for the benefit of the Owners of the Bonds that it will annually on or before September 1 of each year review the public records of the County relating to the collection of the Special Tax in order to determine the amount of the Special Tax collected in the prior fiscal year, and if the City determines on the basis of such review that the amount so collected is deficient by more than 5% of the total amount of the Special Tax levied in the District in such Fiscal Year, it will within 30 days thereafter institute foreclosure proceedings as authorized by the Act in order to enforce the lien of the delinquent installment of the Special Tax against each separate lot or parcel of land in the District for which such installment of the Special Tax is delinquent, and will diligently prosecute and pursue such foreclosure proceedings to judgment and sale; *provided*, that if the City determines on the basis of such review that (a) the amount so collected is deficient by less than 5% of the total amount of the Special Tax levied in the District in such Fiscal Year, but that property owned by any single property owner in the District is delinquent by more than \$5,000 with respect to the Special Tax due and payable by such property owner in such Fiscal Year, or (b) property owned by any single property owner in the District is delinquent cumulatively by more than \$3,250 with respect to the current and past Special Tax due (irrespective of the total delinquencies in the District), then the City will institute, prosecute and pursue such foreclosure proceedings in the time and manner provided herein against each such property owner.

Under the Act, foreclosure proceedings are instituted by the bringing of an action in the superior court of the county in which the parcel lies, naming the owner and other interested persons as defendants. The action is prosecuted in the same manner as other civil actions. In such action, the real property subject to the special taxes may be sold at a judicial foreclosure sale for a minimum price that will be sufficient to pay or reimburse the delinquent special taxes.

The owners of the Bonds benefit from the 2023 Reserve Account of the Reserve Fund established pursuant to the Fiscal Agent Agreement; however, if delinquencies in the payment of the Special Taxes with respect to the Bonds are significant enough to completely deplete the 2023 Reserve Account of the Reserve Fund, there could be a default or a delay in payments of principal and interest to the owners of the Bonds pending prosecution of foreclosure proceedings and receipt by the City of the proceeds of foreclosure sales. Provided that it is not levying the Special Tax at the Maximum Annual Facilities Special Tax rates set forth in the Rate and Method, the City may adjust the Special Taxes levied on all property within the District subject to the Special Tax to provide an amount required to pay debt service on the Bonds and to replenish the reserve accounts within the Reserve Fund. However, such adjustment is subject to the Maximum Annual Facilities Special Tax and to the limitation described under the caption “–Special Tax Methodology” above.

Under current law, a judgment debtor (property owner) has at least 120 days from the date of service of the notice of levy to redeem the property to be sold. If a judgment debtor fails to redeem and the property is sold, his or her only remedy is an action to set aside the sale, which must be brought within 90 days of the date of sale. If, as a result of such an action a foreclosure sale is set aside, the judgment is revived and the judgment creditor is entitled to interest on the revived judgment as if the sale had not been made (California Code of Civil Procedure Section 701.680).

Foreclosure by court action is subject to normal litigation delays, the nature and extent of which are largely dependent upon the nature of the defense, if any, put forth by the debtor and

the condition of the calendar of the superior court of the county. Such foreclosure actions can be stayed by the superior court on generally accepted equitable grounds or as the result of the debtor's filing for relief under the Federal bankruptcy laws. The Act provides that, upon foreclosure, the Special Tax lien will have the same lien priority as is provided for *ad valorem* taxes and special assessments. See "VALUE OF PROPERTY WITHIN THE DISTRICT – Priority of Lien."

No assurances can be given that the real property subject to a judicial foreclosure sale will be sold or, if sold, that the proceeds of sale will be sufficient to pay any delinquent Special Tax installment. The Act does not require the District to purchase or otherwise acquire any lot or parcel of property foreclosed upon if there is no other purchaser at such sale.

Section 53356.6 of the Act requires that property sold pursuant to foreclosure under the Act be sold for not less than the amount of judgment in the foreclosure action, plus post-judgment interest and authorized costs, unless the consent of the owners of 75% of the outstanding Bonds is obtained. However, under Section 53356.6 of the Act, the District, as judgment creditor, is entitled to purchase any property sold at foreclosure using a "credit bid," where the District could submit a bid crediting all or part of the amount required to satisfy the judgment for the delinquent amount of the Special Tax. If the District becomes the purchaser under a credit bid, the District must pay the amount of its credit bid into the redemption fund established for the Bonds, but this payment may be made up to 24 months after the date of the foreclosure sale.

2023 Reserve Account of Reserve Fund

In connection with the issuance of the 2020 Bonds, a Reserve Fund was established by the Fiscal Agent under the Fiscal Agent Agreement (the "**Reserve Fund**"). For each series of Bonds, separate reserve accounts have been and will be established within the Reserve Fund. Accordingly, at the time of issuance of the 2023 Bonds, a reserve account for the 2023 Bonds will be established within the Reserve Fund for the benefit of the 2023 Bonds (the "**2023 Reserve Account**") in the amount of the Reserve Requirement (defined herein) for the 2023 Bonds. If there are additional delinquencies after depletion of funds in the 2023 Reserve Account of the Reserve Fund, the City is not obligated to pay the 2023 Bonds or supplement the 2023 Reserve Account of the Reserve Fund except to the extent Special Tax Revenues are available for such purpose.

As used in the Fiscal Agent Agreement, "**Reserve Requirement**" means, with respect to any series of Bonds, the least of (i) 125% of the average Annual Debt Service with respect to the applicable series of Bonds; (ii) Maximum Annual Debt Service with respect to the applicable series of Bonds; and (iii) 10% of the original principal amount of the applicable series of Bonds (or, if the applicable series of Bonds has more than a de minimis amount of original issue discount or premium, 10% of the issue price of such series of Bonds); provided, that—

(a) the Reserve Requirement for each series of Bonds shall not increase after the date of issuance of such series of Bonds;

(b) in no event shall the City be obligated to deposit an amount in any reserve fund in excess of the amount permitted by the applicable provisions of the Code to be so deposited from the proceeds of tax-exempt bonds without having to restrict the yield of any investment purchased with any portion of such deposit and, if the amount of any such deposit is so limited, the Reserve Requirement shall be only the amount of such deposit as permitted by the Code; and

(c) the City may meet all or a portion of the Reserve Requirement with respect to any series of Bonds by depositing a Qualified Reserve Fund Credit Instrument.

For each series of Additional Bonds, the Fiscal Agent shall establish a separate subaccount within the Reserve Fund for such series and moneys in each subaccount shall be held in trust by the Fiscal Agent for the benefit of the Owners of the respective series of Bonds.

The City has the right to either meet the Reserve Requirement at the time of issuance of a series of Bonds or at any time thereafter to cause the Fiscal Agent to release cash from the Reserve Fund, in whole or in part, by tendering to the Fiscal Agent: (1) a Qualified Reserve Fund Credit Instrument, and (2) in the case of a release, an opinion of Bond Counsel stating that such release will not, of itself, cause the portion of the interest on the Bonds secured thereby to become includable in gross income for purposes of federal income taxation. Upon tender of such items to the Fiscal Agent in connection with a release of cash, the Fiscal Agent will transfer such funds to the City. Prior to the expiration of any Qualified Reserve Fund Credit Instrument, if applicable, the City is obligated either to replace such Qualified Reserve Fund Credit Instrument with a new Qualified Reserve Fund Credit Instrument, or to deposit or cause to be deposited with the Fiscal Agent an amount of funds such that the funds on deposit in the Reserve Fund together with all Qualified Reserve Fund Credit Instruments held by the Fiscal Agent is at least equal to the Reserve Requirement (which funds may come from a draw by the Fiscal Agent on the Qualified Reserve Fund Credit Instrument prior to its expiration).

“Qualified Reserve Fund Credit Instrument” means an irrevocable standby or direct-pay letter of credit or surety bond issued by a commercial bank or insurance company and deposited with the Fiscal Agent, provided that all of the following requirements are met: (a) the long-term credit rating of such bank or insurance company is rated in the top two categories (without regard to modifier) by S&P or Moody’s at the time of issuance; (b) such letter of credit or surety bond has a term of at least 12 months; (c) such letter of credit or surety bond has a stated amount at least equal to the portion of the Reserve Requirement being met by such instrument or with respect to which funds are proposed to be released pursuant to the Fiscal Agent Agreement; and (d) the Fiscal Agent is authorized pursuant to the terms of such letter of credit or surety bond to draw thereunder an amount equal to any deficiencies which may exist from time to time in the Bond Fund for the purpose of making payments required pursuant to the Fiscal Agent Agreement.

Whenever, on the Business Day prior to any Interest Payment Date, the amount in any reserve account within the Reserve Fund exceeds the Reserve Requirement for the applicable series of Bonds covered by such reserve account, the Fiscal Agent shall provide written notice to the Chief Financial Officer of the amount of the excess. The Chief Financial Officer shall advise the Fiscal Agent in writing of the amount, if any, of any transfer required pursuant to the Fiscal Agent Agreement, and otherwise direct the Fiscal Agent to transfer an amount equal to the excess to the Improvement Fund, if the Project has not been completed as of the date of such transfer, or if the Project has been completed, to the Bond Fund to be used for the payment of the principal of and interest on the Outstanding Bonds covered by the applicable reserve account in accordance with the Fiscal Agent Agreement; provided, that to the extent that such excess results from the prepayment of Special Taxes and redemption of a portion of a series of Bonds, such amount shall be transferred to the Prepayment Account of the Bond Fund and applied to the redemption of the corresponding series of Bonds.

Whenever the balance in the Reserve Fund exceeds the amount required to redeem or pay the Outstanding Bonds, including interest accrued to the date of payment or redemption and premium, if any, due upon redemption, and make any other transfer required under the Fiscal Agent Agreement, the Fiscal Agent will transfer the amount in the Reserve Fund to the Bond Fund to be applied, on the next succeeding Interest Payment Date, to the payment and redemption of all of the Outstanding Bonds. If the amount so transferred from the Reserve Fund to the Bond Fund exceeds the amount required to pay and redeem the Outstanding Bonds, the balance in the Reserve Fund will be transferred to the City, after payment of any amounts due the Fiscal Agent, to be used for any lawful purpose of the City.

Improvement Fund

Under the Fiscal Agent Agreement, there is established an Improvement Fund, which is to be held in trust by the Fiscal Agent and will be disbursed as provided in the Fiscal Agent Agreement for the payment or reimbursement of the costs of the construction and acquisition of the Improvements in accordance with the Acquisition Agreement (as described herein). Interest earnings from the investment of amounts in the Improvement Fund will be retained in the Improvement Fund to be used for the purposes of the Improvement Fund.

Upon completion of the Improvements and payment to the Master Developer or other entities that are due reimbursement for Improvements, the Fiscal Agent will transfer the amount, if any, remaining in the Improvement Fund to the Bond Fund for application to the payment of principal of and interest on the Bonds in accordance with the Fiscal Agent Agreement, and the Improvement Fund will be closed. See "THE IMPROVEMENTS."

Future Parity Bonds

In 2020 the City issued a first series of special tax bonds in the principal amount of \$20,875,000, and in 2021 issued a second series in the amount of \$13,290,000, The Resolution of Formation authorizes the issuance of up to \$210,000,000 of special tax bonds for the District, of which the 2023 Bonds represent the third series. The City may, by a Supplemental Agreement, authorize the issuance of one or more additional series of Bonds (previously defined as the "**Additional Bonds**") payable from Special Taxes and secured by the Special Tax Revenues on a parity with the 2020 Bonds, the 2021 Bonds and the 2023 Bonds, as development progresses in the District, and upon compliance by the City with the conditions set forth in the Fiscal Agent Agreement, which include the following:

(i) There shall be deposited into a reserve account of the Reserve Fund, an amount at least equal to the Reserve Requirement with respect to such Additional Bonds.

(ii) For each Bond Year the Additional Bonds are Outstanding, projected Special Taxes Revenues, if levied at the maximum annual Special Tax rates per the Rate and Method, in each Fiscal Year are at least equal to 110% of Debt Service due in the Bond Year that begins in the corresponding Fiscal Year, as calculated by the special tax consultant to the City.

(iii) Both of the following conditions are met:

(A) Regarding All Parcels in the District: The aggregate value of all parcels in the District subject to the Special Tax, including then existing improvements and any facilities to be constructed or acquired with the proceeds

of the Additional Bonds, as determined by an MAI appraisal, assessed valuations shown on the then current County tax roll, or by a combination of both methods, is at least 3.00 times the sum of (1) the aggregate principal amount of all Bonds then Outstanding, plus (2) the aggregate principal amount of the Additional Bonds proposed to be issued, plus (3) the proportionate principal amount of any bonds then outstanding and payable from assessments which are a lien against property in the District, plus (4) a portion of the aggregate principal amount of all bonds issued under the Act, other than Bonds then Outstanding and the Additional Bonds, payable at least partially from special taxes to be levied on parcels of land subject to the Special Tax within the District (the “**Other Mello-Roos Bonds**”) equal to the aggregate principal amount of the Other Mello-Roos Bonds multiplied by a fraction, the numerator of which is the amount of special taxes levied for the Other Mello-Roos Bonds on parcels of land within the District subject to the Special Tax, and the denominator of which is the total amount of special taxes levied for the Other Mello-Roos Bonds on all parcels of land subject to the Special Tax against which the special taxes are levied to pay the Other Mello-Roos Bonds (such fraction to be determined based upon the special taxes which could be levied the year in which the Additional Bonds are issued, as determined by the City), based upon information from the most recent available Fiscal Year.

(B) Regarding Recently Annexed Parcels: The aggregate value of the Recently Annexed Parcels, including then existing improvements and any facilities to be constructed or acquired with the proceeds of the Additional Bonds, as determined by an MAI appraisal, assessed valuations shown on the then current County tax roll, or by a combination of both methods, is at least 3.00 times the sum of (1) the Attributable Principal Amount of all Bonds then Outstanding, plus (2) the Attributable Principal Amount of the Additional Bonds proposed to be issued, plus (3) the proportionate amount of any bonds then outstanding and payable from assessments which are a lien against the Recently Annexed Parcels, plus (4) the allocation of Other Mello-Roos Bonds determined to be applicable to the Recently Annexed Parcels pursuant to subsection (A) directly above.

As used herein, “*Recently Annexed Parcels*” means all parcels in the District subject to the Special Tax which were annexed into the District following the closing date for the then-most recently issued series of Bonds, and “*Attributable Principal Amount*” means for the Bonds or any Additional Bonds, calculated separately, an amount equal to the aggregate outstanding principal amount of such Bonds and Additional Bonds multiplied by a fraction, the numerator of which is the amount of special taxes that will be levied for such Bonds and Additional Bonds on Recently Annexed Parcels in the first fiscal year in which the levy includes debt service for the applicable series of Additional Bonds, and the denominator of which is the total amount of special taxes that will be levied for the Bonds and Additional Bonds on all parcels of land in the District against which the special taxes are levied to pay the Bonds and Additional Bonds in such fiscal year.

Additional Bonds may be issued for the purpose of refunding any outstanding Bonds without meeting the foregoing conditions so long as debt service on the aggregate debt service on all Outstanding Bonds in each Bond Year after the refunding is less than aggregate debt service on the Bonds before the refunding. Nothing in the Fiscal Agent Agreement shall be interpreted to prohibit issuance of bonds or Additional Bonds secured on a subordinate basis to the Bonds.

In connection with the approval of development in the District, the City has agreed that payment of certain impact fees owed by the Master Developer and Lennar Homes in the District will be deferred (referred to as the "Development Impact Fee Deferral" in the Rate and Method) to allow payment of the deferred fees after the 2020 Bonds have been fully paid. The City expects to receive payment for the deferred impact fees either through continued collection of Special Taxes or through the issuance of future bonds after the 2020 Bonds have matured. If the City chooses to issue bonds to pay deferred impact fees, the remaining authorization will be available to be utilized by the City as a means therefor.

DEBT SERVICE SCHEDULE

The annual debt service on the 2020 Bonds and 2023 Bonds, based on the interest rates and maturity schedule for each series, and assuming no optional or extraordinary redemptions for prepayments, is set forth below.

THE SIERRA VISTA SPECIFIC PLAN

The Sierra Vista Specific Plan (“SVSP”) is the primary land use, policy and regulatory document used to guide development in the District and vicinity of the project area. The Specific Plan establishes a development framework for land use, affordable housing, resource protection, circulation, utilities and services, implementation and design. The intent is to promote the systematic and orderly development of the plan area. All subsequent development projects and related activities in the SVSP area are required to be consistent with the SVSP. The SVSP implements the goals and policies of the City of Roseville General Plan and augments these goals and policies by providing specific direction to reflect conditions unique to the project and Plan Area. The General Plan serves as the long-term policy guide for the physical, economic and environmental growth of the City. The property within the District was included within the SVSP at adoption, and is a component of the SVSP. The full text of the SVSP is available on the City’s website.

Land Use Concept. The SVSP area is planned primarily as a residential community, with a significant commercial and employment center along Baseline Road, which properties are not part of the District and not subject to the Special Taxes securing the Bonds. The overall mix and intensity of uses is similar to that found in adjacent portions of the City. The SVSP also provides for recreation, open space, employment and educational opportunities available to residents both within and outside the SVSP area.

The primary elements that comprise the form of the SVSP land use plan include: the residential neighborhoods; a range of commercial and employment uses, schools, parks and open space, as more particularly described below.

Residential Neighborhoods - A variety of housing styles similar to that found elsewhere in the City are planned, including affordable housing and designated age restricted neighborhoods. High density residential comprises approximately 30% of planned residential uses.

Commercial and Employment - A range of commercial and employment uses are proposed within the SVSP, including commercial mixed-use, business professional mixed-use, and community commercial uses. Conventional commercial sites are provided as well, typically along arterial roadways. The SVSP’s employment and service uses are intended to complement and further diversify the City’s employment, retail, service, and revenue base.

Neighborhood Parks - Neighborhood parks are proposed throughout the SVSP, some are located adjacent to the elementary schools and middle school sites, maximizing the potential for joint-use opportunities with the outdoor recreation facilities. Park facilities range from approximately one to approximately 10 acres in size. Some of the SVSP’s neighborhood parks would be linked to a system of paseos, providing a comprehensive network of pedestrian and bikeway connections to the SVSP’s parks and open space system. Neighborhood parks typically include a mix of soccer and baseball fields, tot lots, playgrounds, picnic area, and hard surface game courts.

Open Space - Approximately 317 acres of the SVSP are proposed as Open Space, comprising approximately 15 percent of the total project site acreage. Open Space land use and zoning is generally applied to lands that are environmentally sensitive or otherwise significant due to habitat, natural features, or man-made features. Open space

corridors provide for passive recreation opportunities, preservation of significant resources, viewsheds, potential floodwater conveyance and retention, resource mitigation, wildlife movement corridors, and can function to improve the interface between uses. In many locations, the preserve area accommodates a dedicated Class I pedestrian pathway to be shared with a vehicle maintenance road for maintenance activities. In addition, open space areas could accommodate utility lines and provide the conduit for drainage and space for storm water treatment and detention facilities within the SVSP area. Any disturbance or construction within open space preserve areas of the SVSP would comply with the provisions of the Army Corps of Engineers approved Open Space Management Plan and Section 404 permit requirements.

Land Use Plan. The SVSP land use plan includes a blend of residential, service, employment, open space and public uses. The SVSP is planned for a total of 8,679 dwelling units on approximately 2,064 gross acres. Proposed land uses include a total of approximately 317 acres set aside in open space; 106 acres for dedication to parks; 71 acres of public/quasi-public uses; 190 acres of community commercial; 27 acres of business professional; and 41 acres of commercial mixed use.

THE DISTRICT

Location and Description of the District and the Immediate Area

Location. The District is located in the western part of the City and within the Sierra Vista Specific Plan area described above. The surrounding neighborhoods are primarily those from Blue Oaks Boulevard to the north, Woodcreek Oaks Boulevard to the east, Baseline Road to the south and the City limits to the west. Access to the District is via Westbrook Boulevard and Vista Grande Boulevard. Vista Grande Boulevard is an east-west surface street that connects with Fiddymont Road to the east. Westbrook Boulevard is a north-south surface street that provides access to the Westpark master planned community and currently terminates at the northern boundaries of the Sierra Vista Specific Plan area. Approximately 5 miles northeast of the District is State Highway 65, a north-south route that provides access to Lincoln, Wheatland and Yuba City to the north and Interstate 80 to the south.

District Overview. Property currently in the District and subject to the Special Tax is developing into 1,163 single-family homes in a development known as The Ranch at Sierra Vista. The project is also planned to include an elementary school site of approximately 12 acres, and a multi-family site of approximately 7.5 acres planned for 118 high-density residential (HDR) units, for a total of 1,281 planned residential units.

Maps. A map showing the entire project, as well as land currently in the District, are shown on the following pages.

[Reserved for CFD Boundary Map (including annexations)]

[Reserved for Project Phasing Map]

OWNERSHIP OF PROPERTY WITHIN THE DISTRICT

In August 2018, Lennar Homes, Baseline 80 and Baseline P&R formed a new limited liability company called Sierra Vista Communities, LLC (the Master Developer herein). At the time of formation of the District, the Master Developer was the sole owner of all of the land in the initial District boundary. In December 2021, Lennar Homes entered into agreements with Baseline 80 and Baseline P&R pursuant to which Lennar Homes purchased and acquired all of the membership interests in Sierra Vista Communities, LLC owned by Baseline 80 and Baseline P&R. As a result, Lennar Homes is presently the sole member and manager of Sierra Vista Communities, LLC (the Master Developer herein) and as of the date hereof, the Master Developer no longer owns any lots in the District.

Unpaid Special Taxes do not constitute a personal indebtedness of the owners of the property within the District. There is no assurance that the present property owners or any subsequent owners will have the ability to pay the Special Taxes or that, even if they have the ability, they will choose to pay the Special Taxes. An owner may elect to not pay the Special Taxes when due and cannot be legally compelled to do so. Neither the City nor any Bond Owner will have the ability at any time to seek payment directly from the owners of property within the District of the Special Tax or the principal or interest on the Bonds, or the ability to control who becomes a subsequent owner of any property within the District.

Lennar Homes has provided the information set forth in the section entitled, "OWNERSHIP OF PROPERTY WITHIN THE DISTRICT." No assurance can be given that all information is complete. In addition, any Internet addresses included below are for reference only, and the information on those Internet sites is not a part of this Official Statement or incorporated by reference into this Official Statement.

No assurance can be given that development of land in the District will be completed, or that it will be completed in a timely manner, as described herein. The Special Taxes are not personal obligations of the Master Developer, Lennar Homes or of any subsequent landowners; the Bonds are secured only by the Special Taxes and moneys available under the Fiscal Agent Agreement. See "SECURITY AND SOURCES OF PAYMENT FOR THE BONDS" and "SPECIAL RISK FACTORS" herein.

The following information restates or updates the corresponding information contained in the Official Statement or in any prior Periodic Reports, as applicable. Information contained in the Official Statement or in any prior Periodic Report that is not updated herein has not changed in any manner that would materially and adversely interfere with Master Developer's ability to develop the Property as described in the Official Statement.

Lennar Option Agreement with Landbank

The Master Developer no longer owns any lots within the District. The remaining undeveloped lots are subject to the Lennar Option Agreement, as described herein.

The Landbank Structure. In connection with a land banking transaction, Sierra Vista Communities, LLC, a California limited liability company ("**Master Developer**") and Lennar Homes of California, LLC, a California limited liability company ("**Lennar Homes**") transferred 651 lots in the District (the "**Landbank Lots**") to AG EHC II (LEN) CA 2, L.P., a Delaware limited partnership (the "**Landbank Owner**"). In connection therewith, Lennar Homes and the Landbank

Owner entered into that certain Option Agreement, dated May 27, 2022 (the "**Lennar Option Agreement**") whereby Lennar Homes has the option, but not the obligation, to purchase the Landbank Lots from the Landbank Owner pursuant to a takedown schedule agreed upon between Lennar Homes and the Landbank Owner.

Under the terms of the Lennar Option Agreement, the Landbank Owner agreed to provide Lennar Homes the exclusive right and option to purchase the Landbank Lots in consideration for (a) an initial option payment, which payment has been made to the Landbank Owner; (b) the covenants of Lennar Homes to timely pay the additional payments under the Lennar Option Agreement; and (c) upon exercise of the option, the payment of the purchase price for each set of lots acquired.

In addition to the Option Agreement, Lennar Homes and the Landbank Owner entered into a Construction Agreement ("**Lennar Construction Agreement**") requiring Lennar Homes to cause the completion and satisfaction of certain onsite and offsite improvements to the Landbank Lots (to the extent not previously completed). The Lennar Option Agreement and Lennar Construction Agreement also grant Lennar Homes the right and license to enter upon the Landbank Lots for the purpose of, among other things, constructing model homes and production dwelling units on the Landbank Lots before Lennar Homes acquires the Landbank Lots from the Landbank Owner.

During the term of the Lennar Option Agreement, Lennar Homes is obligated to pay all taxes on the Landbank Lots, including the Special Taxes.

The Landbank Lots must, in certain circumstances, be purchased in certain groups and in a specified order, although Lennar Homes may acquire more lots than scheduled and at earlier times so long as the minimum number of required lots are acquired by the applicable takedown date.

Takedown Schedule. Under the Lennar Option Agreement, the Landbank Lots must be acquired pursuant to the following schedule, although the Lennar Option Agreement contains a provision allowing for a limited number of one month extensions on acquisition of lots subject to the payment of an extension fee and other conditions. As of May 1, 2023 date of value in the Appraisal, Lennar Homes had acquired 239 of the Landbank Lots from the Landbank Owner. In accordance with the agreed upon schedule, as of June 10, 2023 Lennar Homes had acquired a total of 279 lots from the Landbank Owner. The remainder of the takedown schedule is shown in the table below.

Remaining Takedown Schedule Under Lennar Option Agreement

Option Period	Date Option Period Expires	Number of Lots to be Acquired
14	07/10/2023	299
15	08/10/2023	319
16	09/10/2023	341
17	10/10/2023	363
18	11/10/2023	383
19	12/10/2023	401
20	01/10/2024	419
21	02/10/2024	437
22	03/10/2024	455
23	04/10/2024	473
24	05/10/2024	491
25	06/10/2024	505
26	07/10/2024	518
27	08/10/2024	528
28	09/10/2024	538
29	10/10/2024	548
30	11/10/2024	558
31	12/10/2024	568
32	01/10/2025	579
33	02/10/2025	585
34	03/10/2025	591
35	04/10/2025	597
36	05/10/2025	603
37	06/10/2025	609
38	07/10/2025	615
39	08/10/2025	621
40	09/10/2025	651

The takedown option under the Lennar Option Agreement expires on the earlier of (i) the last date permitted for the final takedown specified on the takedown schedule and the expiration of any applicable cure period, or (ii) the date Lennar Homes has acquired all of the Landbank Lots in accordance with the Lennar Option Agreement. The failure to timely acquire lots could result in the termination of the option and Lennar Homes will no longer have a right to purchase any of the remaining units under the Lennar Option Agreement.

In the event that Lennar Homes does not exercise its option on the Landbank Lots or the right to purchase the Landbank Lots expires or is terminated, the Landbank Owner being an investor only and not a homebuilder, would likely attempt to sell such Landbank Lots to another merchant builder.

The Landbank Owner. The Landbank is an affiliate of, and managed by, Angelo Gordon & Co., L.P. (“Angelo Gordon”). Angelo Gordon is a privately-held alternative investment firm founded in 1988 and headquartered in New York, with associated offices across the United States, Europe and Asia. Angelo Gordon manages approximately \$52 billion across a broad range of credit and real estate strategies. Affiliates of the Landbank Owner have entered into landbanking arrangements with Lennar Corporation and its affiliated entities on approximately 216 residential development projects as of September 30, 2022.

Information Regarding Lennar Homes

Lennar Homes is based in Irvine, California. Lennar Homes has been in the business of developing residential real estate communities in California since 1996. On February 1, 2022, Lennar Homes of California, Inc., a California corporation, was converted to a California limited liability company and is now known as Lennar Homes of California, LLC, a California limited liability company ("**Lennar Homes**"). All references herein to Lennar Homes prior to February 1, 2022 shall mean Lennar Homes of California, Inc. a California corporation, and all references herein to Lennar Homes on and after February 1, 2022 shall mean Lennar Homes of California, LLC, a California limited liability company.

Lennar Homes is wholly-owned by U.S. Home, LLC, a Delaware limited liability company ("**U.S. Home**"). U.S. Home is wholly-owned by Lennar Corporation, which is based in Miami, Florida. Founded in 1954, Lennar Corporation completed its initial public offering in 1971 and listed its common stock on the New York Stock Exchange in 1972. Lennar Corporation's Class A and Class B common stock are listed on the New York Stock Exchange under the symbols "LEN" and "LEN.B." respectively. Lennar Corporation is one of the largest homebuilders in the United States based on home sales revenues and net earnings, and operates under a number of brand names, including Lennar Homes and U.S. Home. Lennar Homes primarily develops residential communities both within the Lennar family of builders and through consolidated and unconsolidated partnerships in which Lennar Homes maintains an interest.

Lennar Corporation is subject to the informational requirements of the Exchange Act and in accordance therewith files reports, proxy statements and other information with the SEC. Such filings, particularly the Annual Report on Form 10-K and its most recent Quarterly Report on Form 10-Q, set forth, among other things, certain data relative to the consolidated results of operations and financial position of Lennar Corporation and its consolidated subsidiaries, including Lennar Homes, as of such dates.

The SEC maintains a website that contains reports, proxy and other information statements and other information regarding registrants that file electronically with the SEC, including Lennar Corporation. The address of such website is www.sec.gov. All documents filed by Lennar Corporation pursuant to the requirements of the Exchange Act after the date of this Periodic Report will be available for inspection in such manner as the SEC prescribes.

Copies of Lennar Corporation's Annual Report and related financial statements, prepared in accordance with generally accepted accounting standards, are available from Lennar Corporation's website at www.lennar.com. *The foregoing website addresses and references to filings with the SEC are given for reference and convenience only, and the information on such websites and on file with the SEC does not form a part of this Official Statement and is not incorporated by reference herein. No representation is made in this Official Statement as to the accuracy or adequacy of the information contained on such websites. Lennar Corporation and Lennar Homes are not obligated to advance funds for construction or development or to pay ad valorem property taxes or the Special Taxes and investors should not rely on the information and financial statements contained on such websites in evaluating whether to buy, hold or sell the Bonds. The information contained on such websites may be incomplete or inaccurate and has not been reviewed by the City or the Underwriter.*

DEVELOPMENT WITHIN THE DISTRICT

Entitlements and Anticipated Development

The Master Developer and Lennar Homes have provided the following information with respect to entitlements and current and anticipated development of land in the District. No assurance can be given that all information is complete. No assurance can be given that development of land in the District will be completed, or that it will be completed in a timely manner. Since the ownership of the parcels is subject to change, the development plans outlined below may not be continued by the subsequent owners if parcels are sold, although development by any subsequent owner will be subject to the SVSP, the Development Agreement described herein and the policies and requirements of the City. No assurance can be given that the plans or projections detailed below will actually occur.

Overview. Land within the current District boundary is developing into 1,163 single-family homes, consistent with the SVSP land uses configured to reinforce the neighborhood identity and sense of community. See “THE SIERRA VISTA SPECIFIC PLAN” above.

Entitlements. The entitlements permit a development proposal related to a particular parcel to proceed through tentative map subdivision and design-review permitting processes to final mapping provided the development application is in accord with the entitlements and the final map conditions. The Master Developer received full land use approval in 2010, including, but not limited to, approval of Specific Plan Zoning and a Development Agreement, and subsequently received a Section 404 (wetlands) permit, California Water Board Section 401 Certification, and U.S. Fish and Wildlife Service Biological Opinion. The Master Developer also received a grading permit and site improvement plans to complete all planned 1,163 lots in the District from the City.

There are no units in the current District boundary that are designated as affordable high-density residential units not subject to a Special Tax. The Master Developer may annex additional lots into the District in the future. However, the timing of each annexation and number of lots in each annexation may vary based on market conditions.

Table 1 on the following page shows the entitlements for all of the land within the current boundary of the District and remaining in the Future Annexation Area.

Table 1

KT-51	Park	4.3	--
KT-80B	Open Space	17.3	--
Total		103.8	118

(1) KT-3A is planned to include 88 Meribel homes and a mix of Andorra, Lumiere and St. Moritz model homes.

Development Agreement

General. The City entered into a Development Agreement, dated March 19, 2010 (the “**Development Agreement**”) with Baseline P&R, LLC, a California limited liability company (“**Baseline P&R**”), which subsequently assigned its rights and obligations thereunder to the Master Developer. All of the property in the District and Future Annexation Area is subject to the requirements of the Development Agreement, as well as the SVSP. The Development Agreement was entered into in accordance with Sections 65864 through 65869.5 of the California Government Code, as implemented through Article V, Chapter 19.84 of the City’s Zoning Ordinance No. 802.

The Development Agreement is the primary implementation tool for the SVSP and is intended to create a binding contract between the City and the Master Developer, and their assigned successors in interest, which set forth the needed infrastructure improvements, park dedication requirements, timing and method for financing improvements and other specific performance obligations of the City and the Master Developer and its successors, including obligations related to development of the property in the District, with the terms, conditions, rules, regulations, entitlements, vested rights and other provisions relating to the development of the property in the District according to the SVSP entitlements. Included are provisions relating to

infrastructure improvements, public dedication requirements, landscaping amenities and other obligations of the parties. The Development Agreement has a 30-year term, runs with the property, and may be modified only by mutual consent of the City and the Master Developer and in a manner consistent with the SVSP. With the Development Agreement in place, subject to compliance with the terms of the Development Agreement, construction of homes within the District may occur upon City approval of subdivision maps, satisfaction of certain design requirements and conditions of such maps and issuance of building permits.

Land use and development entitlements granted under the Development Agreement for property in the District are consistent with the SVSP as described under the caption “THE SIERRA VISTA SPECIFIC PLAN” and summarized above.

Improvements. The Development Agreement sets forth the responsibility of the Master Developer and its successors for a portion of the costs of certain public improvements required for its development within the Sierra Vista Specific Plan; Lennar Homes does not believe any of these improvements will impair its ability to timely obtain building permits.

Funding of the Improvements with the 2023 Bonds and Additional Bond proceeds will satisfy a portion, but not all, of the relevant obligations of the District for infrastructure improvements required by the Development Agreement. See Table 5 herein for a sources and uses table. The improvements not funded from the 2023 Bonds and Additional Bond proceeds or Special Taxes are required to be funded by the Master Developer and subsequent successors in interest. See “THE IMPROVEMENTS” below.

No Affordable Units. There are no affordable unit requirements within the current District boundary.

Information Regarding the Master Developer

Environmental Matters

Flood Hazard Map Information. According to the Federal Emergency Management Agency’s flood insurance rate maps (Flood Area Panel Number 060243, with an effective date of November 2, 2018), the developable portions of the property in the District are located within Flood Zone X, described as areas of minimal flooding (outside of the 100 and 500-year floodplains).

Seismic Conditions. The property expected to be developed as part of the project (including land in the District) is not located within a seismic special studies zone, designated by the California State Division of Mines and Geology, in accordance with the Alquist-Priolo Special Study Zone Act of 1972.

Environmental Mitigation. According to the Master Developer, all environmental mitigation requirements have been met for all of the lots within the current boundary of the District.

Planned and Ongoing Development

Backbone Infrastructure. The Master Developer is responsible for the cost of construction of the infrastructure improvements and other costs required to complete development in the District boundary. Upon completion of various components of such infrastructure, the Master Developer is eligible to be reimbursed for the cost thereof from proceeds

of the Bonds as provided in an acquisition agreement entered into with the City, provided such proceeds are available. See “THE IMPROVEMENTS – Estimated Cost of the Improvements.”

As of May 1, 2023, the Master Developer had completed the vast majority of the backbone and in-tracts infrastructure for the project, with approximately \$12.2 million remaining. For additional details on the costs expended by the Master Developer and its projected development timeline, see Table 4 herein.

In-Tract Infrastructure. The in-tract infrastructure required for phase 1 and phase 2 have the project has been 100% completed by the Master Developer.

Utilities. All typical urban utility services for finished lots are available at the lots in the District or will be extended to the lots at the time of home-building activities. These utilities include electric power, natural gas, telephone, cable television, water, refuse, and sanitary sewer and storm water facilities. The City provides electric, water, sewer refuse and storm water facilities, and police and fire services. Pacific Gas & Electric provides natural gas.

Home Plans and Sizes Lennar Homes expects to continue development in the District into six distinct neighborhoods: “Lumiere,” “Meribel,” “St. Moritz,” “Andorra,” “Windham,” and “Breckenridge. Production home construction has been ongoing, with 23 model homes (in KT-3A and KT-21A) completed and 545 homes sold as of May 1, 2023. The following table sets forth Lennar Homes’ expectations as of June 1, 2023 with respect to floorplans and sizes of homes of the remaining 618 homes planned for the land currently in the District. Sales prices shown are subject to change and exclude options, upgrades, lot premiums and any incentives or price reductions being offered. The pace of home construction in the District will be determined by Lennar Homes, largely by market conditions and demand for homes. Additional details regarding Lennar Homes’ planned sales activities are set forth in the table[s] below. However, no assurance can be given that such timing will be accomplished.

THE IMPROVEMENTS

Eligible Facilities

The Bonds will provide a funding source for moneys expended to finance the public infrastructure and facilities authorized to be financed by the levy of Special Taxes in the District, which are referred to herein as the Improvements. The list of eligible Improvements is set forth in Exhibit A to the Resolution of Formation, adopted by the City Council, as the legislative body of the District. These Improvements generally consist of backbone roads and other transportation improvements, potable and non-potable water system improvements, drainage system improvements, wastewater system improvements, solid waste improvements, parks and paseos, and open space.

Estimated Cost of the Improvements

Funding Sources. In connection with the issuance of the Bonds, the City and the Master Developer have entered into a Funding, Construction and Acquisition Agreement (the “**Acquisition Agreement**”) which provides that the Master Developer will construct (or cause to be constructed or funded) the Improvements and related facilities, and the City, upon completion of construction and acceptance by the City, or through progress payments prior to completion of the entire improvement, will purchase the Improvements or reimburse the Master Developer for expended amounts using a portion of the proceeds of the Bonds pursuant to the terms of the Acquisition Agreement. The Master Developer will be responsible for the portion of the cost of construction of the Improvements not paid with Bond proceeds. There are currently no construction loans or deeds of trust encumbering the property in the initial boundary of the District.

The Rate and Method provides that the funding of improvement costs can also be made from collections of the Special Tax available as the “pay-as-you-go” component of Special Taxes. The pay-as-you-go funding component is expected to provide for funding of the cost of a portion of the Improvements in excess of the amount provided from bond proceeds (if such proceeds are not sufficient) through annual Special Tax collections in excess of the amount needed to pay the debt service. The City contemplates utilizing this funding mechanism during the time the Bonds are outstanding. Additionally, after the final maturity date of the Bonds and any additional bonds issued to reimburse developers for costs of the Improvements, the City expects to continue to levy Special Taxes for payment of the “Development Impact Fee Deferral” (as defined in the Rate and Method) which levy may secure future bonds issued after payment in full of the Bonds and any additional bonds issued under the Fiscal Agent Agreement. See “SECURITY AND SOURCES OF PAYMENT FOR THE BONDS – Special Tax Methodology” and “ – Special Tax Fund.

Sources and Uses. The following table shows the Master Developer’s estimated sources and uses of funds for the construction of the backbone infrastructure and in-tract infrastructure needed for all 1,163 lots planned for The Ranch at Sierra Vista development project. A portion of these costs are eligible for reimbursement from the proceeds of the Bonds and other District sources.

VALUE OF PROPERTY WITHIN THE DISTRICT

The Appraisal

General. Integra Realty Resources, Sacramento, California (the “**Appraiser**”) prepared an appraisal report, with a date of value of May 1, 2023 (the “**Appraisal**”). The Appraisal was prepared at the request of the City. The Appraisal is set forth in APPENDIX B hereto. The description herein of the Appraisal is intended for limited purposes only; the Appraisal should be read in its entirety. The conclusions reached in the Appraisal are subject to certain assumptions and qualifications which are set forth in the Appraisal.

Property Appraised. The Appraised Property consist of all of the taxable property currently in the District, which is developing into 1,163 single-family residential units. As of the date of value (May 1, 2023), the land was owned by (i) Lennar Homes, (ii) the Landbank Owner, and (iii) individual homeowners. The Appraised Property excludes property in the District designated for public and quasi-public purposes. See “THE DISTRICT.”

Value Estimates. The Appraisal provides an estimated value of the Appraised Property. With respect to homes owned by individual homeowners and by Lennar Homes, a value per parcel was assigned based on the smallest floor plan for each applicable product type. With respect to land owned by the Landbank Owner, the Appraiser provided a market value, in bulk, as of the date of value (based on the hypothetical condition the improvements to be financed by the 2023 Bonds were in place as of the date of valuation). The bulk sale value represents the most probable price, in a sale of parcels within the District, to a single purchaser or sales to multiple buyers, over a reasonable absorption period discounted to present value. The valuation accounts for the impact of the lien of the Special Tax and represents the estimated market value (based on the hypothetical condition and other conditions and limitations of the Appraisal) of all the taxable land in the District.

The County Assessor has reflected home values for 194 completed single family homes on the fiscal year 2023 assessment roll (the “**Assessed Property**”). For the balance of the taxable property in the District, the City authorized the preparation of an appraisal report with a May 1, 2023 date of value (the “**Appraisal**”) for property planned for 969 homes (collectively, the “**Appraised Property**”). The Assessed Property and the Appraised Property together provide a composite value for the District. As of the May 1, 2023 date of value, using the methodologies described in the Appraisal and subject to the limiting conditions and special assumptions set forth in the Appraisal, and based on the ownership of the property as of that date, together with the assessed value of property in the District not appraised, is \$434,519,390, as follows:

Ownership	No. of Parcels/Lots	Aggregate Value
Aggregate Value of Appraised Properties	969	\$311,000,000
Aggregate Value of Existing Homes based on Assessed Value	<u>194</u>	<u>123,519,390</u>
Total Composite Value	1,163	\$434,519,390

Hypothetical Condition. The value estimate is subject to a hypothetical condition, defined as that which is contrary to what exists but is supposed for the purposes of analysis. For purposes of the hypothetical condition, the Appraiser assumed that certain proceeds of the 2023 Bonds are available to finance the completion of certain infrastructure improvements.

Assumptions and Limiting Conditions. In considering the estimate of value evidenced by the Appraisal, the Appraisal is based upon a number of standard and special assumptions which affect the estimates as to value, some of which include the following. See “APPENDIX B – THE APPRAISAL.”

- According to the Master Developer, total remaining development costs are \$12,263,169. Estimated bond construction funds for the project are \$9,710,000, which are eligible to be used for infrastructure costs and/or impact fees. As such, only \$2,553,169 in infrastructure costs will be accounted for in the appraiser’s analysis. If, at some future date, it is determined that cost estimates or input factors yielding the anticipated Developer contribution for remaining costs are different than actual, the values contained herein could be affected.

Exposure Time. Exposure time is the length of time the subject property would have been exposed for sale in the market had it sold on the effective valuation date at the concluded market value. Exposure time is always presumed to precede the effective date of the Appraisal. Based on the Appraiser’s review of recent sales transactions for similar properties and its analysis of supply and demand in the local land market, the Appraiser’s opinion was that the probable exposure time for the appraised property at the concluded market value stated previously is 12 months.

Marketing Time. Marketing time is an estimate of the amount of time it might take to sell a property at the concluded market value immediately following the effective date of value. As the Appraiser foresees no significant changes in market conditions in the near term, the Appraiser’s opinion was that a reasonable marketing period for the appraised property in bulk is likely to be the same as the exposure time. Accordingly, the Appraiser estimated the marketing period at 12 months.

No assurance can be given that a sale of the property in bulk by Lennar Homes could be achieved or attained over an extended period of time; real estate is cyclical in nature, and it is impossible to accurately forecast and project specific demand over a particular period. See “SPECIAL RISK FACTORS – Property Values and Property Development.”

Limitations of Appraisal Valuation. Property values may not be evenly distributed throughout the District; thus, certain parcels may have a greater value than others. This disparity is significant because in the event of nonpayment of the Special Tax, the only remedy is to foreclose against the delinquent parcel.

No assurance can be given that the foregoing valuation can or will be maintained during the period of time that the 2023 Bonds are outstanding in that the City has no control over the market value of the property within the District or the amount of additional indebtedness that may be issued in the future by other public agencies, the payment of which, through the levy of a tax or an assessment, may be on a parity with the Special Taxes. See “—Overlapping Liens and Priority of Lien” below.

For a description of certain risks that might affect the assumptions made in the Appraisal, see “SPECIAL RISK FACTORS” herein.

Value to Special Tax Burden Ratios

In comparing the value of the real property within the District and the principal amount of the Bonds, it should be noted that only the real property upon which there is a delinquent Special

Tax can be foreclosed upon, and the real property within the District cannot be foreclosed upon as a whole to pay delinquent Special Taxes of the owners of such parcels within the District unless all of the property is subject to a delinquent Special Tax. In any event, individual parcels may be foreclosed upon separately to pay delinquent Special Taxes levied against such parcels.

Other public agencies whose boundaries overlap those of the District could, without the consent of the City and in certain cases without the consent of the owners of the land within the District, impose additional taxes or assessment liens on the land within the District. Property owners can also voluntarily add Property Assessed Clean Energy (PACE) assessment liens on their property to finance energy efficiency improvements. The lien created on the land within the District through the levy of such additional taxes or assessments may be on a parity with the lien of the Special Tax. In addition, construction loans may be obtained by Lennar Homes, and home loans may be obtained by ultimate homeowners. The deeds of trust securing such debt on property within the District, however, will be subordinate to the lien of the Special Tax.

Value to Lien Ratios. The following table sets forth appraised value, maximum special tax, allocable District debt, and value to lien ratios for each of the villages in the District, based on the estimated value of land in the District as of May 1, 2023 (the Appraiser's date of value), and on the projected special tax levy for Fiscal Year 2023-24 given development as of such date.

* Preliminary, subject to change.

- (1) Ownership and development status as of May 1, 2023. For the purposes of determining each parcel's development status for the District's FY 2023-24 Special Tax levy, each parcel for which a Final Small Lot Subdivision Map was recorded prior to May 1, 2023 is considered a Developed Parcel and shall be taxed at 100% of its Maximum Special Tax before any other taxable parcels are levied. Any parcel for which a Small Lot Tentative Map was approved prior to May 1, 2023 and which has not recorded a Small Lot Final Map by May 1, 2022 is considered a Tentative Map Parcel.
- (2) Composite Value represents the Appraised Values as of May 1, 2023 or the latest Assessed Value. Those parcels not appraised are instead valued above using Assessed Value. Existing single-family homes showing a complete assessed value for both land and improvements were not appraised.
- (3) Special Tax and the Projected Special Tax Levy in this table refer to Special Facilities Tax
- (4) Maximum Tax in this table refers to Maximum Annual Facilities Special Tax.
- (5) Represents the outstanding balance of the 2020 Bonds and 2021 Bonds together with the estimated par amount of \$15,960,000* of the 2023 Bonds.
- (6) This table allocates the CFD Bonded Debt based upon each parcel's share of the District's FY 2023-24 Maximum Special Tax.
- (7) Overlapping debt of the District parcels as of June 1, 2023 as summarized under the "Direct and Overlapping Tax and Assessment Debt" table prepared by California Municipal Statistics, Inc. No direct charges related to PACE liens secured by Special Taxes were levied onto the District parcels in FY 2022-23.
- (8) Represents homes within the District held by individual homeowners as of May 1, 2023 per Appraiser and Master Developer.
- (9) A partially completed home represents a single family lot upon which a building permit has been issued together with construction towards the completion of the structure footings or more.

* Preliminary, subject to change.

- (1) This table allocates the CFD Bonded Debt using each parcel's share of the District's total projected FY 2023-24 Special Tax levy rather than allocating based upon Maximum Special Tax. This allocation method results in the District's undeveloped parcel receiving a higher value to lien ratio than if the bonded debt was allocated by each parcel's share of the District's total Maximum Special Tax.
- (2) Composite Value represents the Appraised Values as of May 1, 2023 or the latest Assessed Value. Existing single-family homes showing a complete assessed value for both land and improvements were not appraised. Those parcels not appraised are instead valued above using Assessed Value.
- (3) Maximum Tax in this table refers to Maximum Annual Facilities Special Tax; Special Tax and the Projected Special Tax Levy in this table refer to Special Facilities Tax.
- (4) Represents the \$34,030,000 outstanding principal balance of the 2020 Bonds and 2021 Bonds together with the [estimated]* par amount of 2023 Bonds.
- (5) General Obligation Bonded debt of the District parcels as of June 1, 2023 as summarized under the "Direct and Overlapping Tax and Assessment Debt" table prepared by California Municipal Statistics, Inc. No direct charges related to PACE liens secured by Special Taxes were levied onto the District parcels in FY 2022-23. No direct charges related to PACE liens secured by Special Taxes were levied onto the District parcels in FY 2022-23.

Overlapping Liens and Priority of Lien

The principal of and interest on the Bonds are payable from the Special Tax authorized to be collected within the District, and payment of the Special Tax is secured by a lien on certain real property within the District. Such lien is co-equal to and independent of the lien for general taxes and any other liens imposed under the Act, regardless of when they are imposed on the property in the District. The imposition of additional special taxes, assessments and general property taxes will increase the amount of independent and co-equal liens which must be satisfied in foreclosure. The City, the County and certain other public agencies are authorized by the Act to form other community facilities districts and improvement areas and, under other provisions of State law, to form special assessment districts, either or both of which could include all or a portion of the land within the District.

Set forth below is an overlapping debt table showing the existing direct and overlapping bonded debt payable with respect to property within the District. This table has been prepared by California Municipal Statistics Inc. as of the date indicated, and is included for general information purposes only. The City has not reviewed the data for completeness or accuracy and makes no representations in connection therewith. In addition to bonded debt, property in the District is also subject to special taxes levied on behalf of the City's Sierra Vista Community Facilities District No. 2 (Public Services) and Community Facilities District No. 3 (Municipal Services) for municipal services, which districts provide for escalating annual special taxes on residential property (as shown in Table 8 below), and subject to annual escalation of up to 4% each fiscal year.

There can be no assurance that Lennar Homes or subsequent owners will not petition for the formation of other community facilities districts and improvement areas or for a special assessment district or districts and that parity special taxes or special assessments will not be levied by the County or some other public agency to finance additional public facilities; however, no other special districts are currently contemplated by the City or Lennar Homes.

Private liens, such as deeds of trust securing loans obtained by Lennar Homes or another merchant builder, may be placed upon property in the District at any time. Under California law, the Special Taxes have priority over all existing and future private liens imposed on property subject to the lien of the Special Taxes.

Estimated Tax Burden on Single-Family Home

Based on sales price information provided by Lennar Homes to the Appraiser prior to the date of value of the Appraisal and tax rates for Fiscal Year 2022-23, the Special Tax Consultant projected that the estimated overall tax burden for homes in the District would be as shown in the following table. Since that time, Lennar Homes has increased the base price range of some of the homes it is selling in the District, as shown in Table 2. In addition, the projected overall tax burden for more expensive homes is expected to be smaller and the projected overall tax burden for less expensive homes is expected to be larger, as a percentage of the projected assessed value of the homes, respectively.

SPECIAL RISK FACTORS

The purchase of the 2023 Bonds described in this Official Statement involves a degree of risk that may not be appropriate for some investors. The following includes a discussion of some of the risks that should be considered before making an investment decision.

Limited Obligation of the City to Pay Debt Service

The City has no obligation to pay principal of and interest on the 2023 Bonds in the event Special Tax collections are delinquent, other than from amounts, if any, on deposit in the 2023 Reserve Account of the Reserve Fund or funds derived from the tax sale or foreclosure and sale of parcels on which levies of the Special Tax are delinquent, nor is the City obligated to advance funds to pay such debt service on the 2023 Bonds. The 2023 Bonds are not general obligations of the City but are limited obligations of the City and the District payable solely from the proceeds of the Special Tax and certain funds held under the Fiscal Agent Agreement, including amounts deposited in the 2023 Reserve Account of the Reserve Fund and investment income thereon, and the proceeds, if any, from the sale of property in the event of a foreclosure. See “SECURITY AND SOURCES OF PAYMENT FOR THE BONDS.”

Concentration of Ownership

As of May 10, 2023, nearly half of land in the District was owned by Lennar Homes or the Landbank Owner. Owners of property are not personally obligated to pay the Special Tax attributable to their property. Rather, the Special Tax is an obligation only against the parcel of property, secured by the amount which could be realized in a foreclosure proceeding against the property, and not by any promise of the owner to pay. If the value of the property is not sufficient, taking into account other obligations also constituting a lien against the property, the City, Fiscal Agent and owners of the Bonds have no recourse against the owner, such as filing a lawsuit to collect money.

Failure of Lennar Homes, the Landbank Owner or any future owner of significant property subject to the Special Taxes in the District to pay installments of Special Taxes when due could cause the depletion of amounts in the 2023 Reserve Account of the Reserve Fund prior to reimbursement from the resale of foreclosed property or payment of the delinquent Special Tax and, consequently, result in the delinquency rate reaching a level that would cause an insufficiency in collection of the Special Tax to meet the District’s obligations on the 2023 Bonds. For a description of Lennar Homes, see “OWNERSHIP OF PROPERTY WITHIN THE DISTRICT.” In that event, there could be a delay or failure in payments on the 2023 Bonds. See “– Bankruptcy and Foreclosure Delays” below and “SECURITY AND SOURCES OF PAYMENT FOR THE BONDS – Delinquent Payments of Special Tax; Covenant for Superior Court Foreclosure.”

Property Values

The Appraisal included in APPENDIX B estimates the market value of 969 parcels of taxable property within the District. This market value is merely the present opinion of the Appraiser, and is subject to the assumptions and limiting conditions stated in the Appraisal. In addition to the appraised parcels, the estimated valuation of property in the District includes the current County assessed valuation of 194 completed single family homes. Both the appraised value and the County assessed values are value estimates and may not reflect market values of parcels. The City has not sought the present opinion of any other appraiser of the value of the taxable parcels. A different present opinion of value might be rendered by a different appraiser.

The opinion of value relates to sale by a willing seller to a willing buyer as of the date of valuation, each having similar information and neither being forced by other circumstances to sell or to buy. Consequently, the opinion is of limited use in predicting the selling price at a foreclosure sale, because the sale is forced and the buyer may not have the benefit of full information.

In considering the estimates of value evidenced by the Appraisal, it should be noted that the Appraisal is based upon a number of standard and special assumptions which affect the estimates as to value, in addition to hypothetical conditions, as set forth in the Appraisal (see APPENDIX B hereto). The opinion is a present opinion of the Appraised and is based upon present facts and circumstances. Differing facts and circumstances may lead to differing opinions of value. The appraised market value is not evidence of future value because future facts and circumstances may differ significantly from the present.

No assurance can be given that any of the property in the District could be sold in a foreclosure for the estimated market values. Such sale is the primary remedy available to Bondowners if that property should become delinquent in the payment of Special Taxes.

Property Values and Property Development

The value of Taxable Parcels within the District is a critical factor in determining the investment quality of the 2023 Bonds. If a property owner defaults in the payment of the Special Tax, the District's only remedy is to foreclose on the delinquent property in an attempt to obtain funds with which to pay the delinquent Special Tax. Land development and land values could be adversely affected by economic and other factors beyond the City's control, such as: a general economic downturn; adverse judgments in future litigation that could affect the scope, timing or viability of development; relocation of employers out of the area; stricter land use regulations; shortages of water, electricity, natural gas or other utilities; destruction of property caused by earthquake, flood or other natural disasters; environmental pollution or contamination.

No assurance can be given that the value estimates set forth in this Official Statement are accurate or that the values will not decline in the future if one or more events, such as natural disasters or adverse economic conditions, occur. See "Property Values" above.

Neither the Underwriter nor the City has evaluated development risks. Since these are largely business risks of the type that property owners customarily evaluate individually, and inasmuch as changes in land ownership may well mean changes in the evaluation with respect to any particular parcel, the City is issuing the 2023 Bonds without regard to any such evaluation. Thus, the creation of the District and the issuance of the 2023 Bonds in no way implies that the District, the Underwriter, or the City has evaluated these risks or the reasonableness of these risks.

The following is a discussion of specific risk factors that could affect the timing or scope of property development in the District or the value of property in the District.

Land Development. Land values are influenced by the level of development in the area in many respects.

First, undeveloped or partially developed land is generally less valuable than developed land and provides less security to the owners of the 2023 Bonds should it be necessary for the District to foreclose on undeveloped or partially developed property due to the nonpayment of Special Taxes.

Second, failure to complete development on a timely basis could adversely affect the land values of those parcels that have been completed. Lower land values would result in less security for the payment of principal of and interest on the 2023 Bonds and lower proceeds from any foreclosure sale necessitated by delinquencies in the payment of the Special Tax. See "VALUE OF PROPERTY WITHIN THE DISTRICT – Value to Special Tax Burden Ratios." No assurance can be given that the proposed development within the District will be completed, and in assessing the investment quality of the 2023 Bonds, prospective purchasers should evaluate the risks of noncompletion.

Neither the Master Developer nor Lennar Homes provides any assurances to the City that the project will be developed or that sources of financing that will actually be available will be sufficient to complete the currently projected development. Neither the Master Developer nor Lennar Homes has an obligation to the City or to owners of the 2023 Bonds to complete the project.

Risks of Real Estate Investment Generally. Continuing development of land within the District may be adversely affected by changes in general or local economic conditions, fluctuations in the real estate market, increased construction costs, development, financing and marketing capabilities of individual property owners, water or electricity shortages, and other similar factors. Development in the District may also be affected by development in surrounding areas, which may compete with the District. In addition, land development operations are subject to comprehensive federal, state and local regulations, including environmental, land use, zoning and building requirements. There can be no assurance that proposed land development operations within the District will not be adversely affected by future government policies, including, but not limited to, governmental policies to restrict or control development, or future growth control initiatives. There can be no assurance that land development operations within the District will not be adversely affected by these risks.

Natural Disasters. The value of the parcels in the District in the future can be adversely affected by a variety of natural occurrences, particularly those that may affect infrastructure and other public improvements and private improvements on the parcels in the District and the continued habitability and enjoyment of such private improvements. For example, the areas in and surrounding the District, like those in much of California, may be subject to earthquakes or other unpredictable seismic activity, however, the District is not located in a seismic special studies zone.

Other natural disasters could include, without limitation, landslides, floods, droughts, wildfires or tornadoes. One or more natural disasters could occur and could result in damage to improvements of varying seriousness. Although the District is not in a high-risk area for

landslides, floods, wildfires or tornadoes, natural disasters such as these are unpredictable and may occur anywhere throughout the State, with devastating consequences. The damage may entail significant repair or replacement costs and that repair or replacement may never occur either because of the cost, or because repair or replacement will not facilitate habitability or other use, or because other considerations preclude such repair or replacement. Under any of these circumstances there could be significant delinquencies in the payment of Special Taxes, and the value of the parcels may well depreciate.

Drought. California is subject to droughts from time-to-time. Although the City does not believe the recently ended or any future drought would impact development in the District, no assurances can be given in this regard.

The City employs a portfolio approach to its water supplies which includes the use of surface water, groundwater and recycled water. This portfolio approach is designed to provide a more reliable water supply. Surface water is the City's primary water supply which is delivered from the Folsom Reservoir under contracts with the Bureau of Reclamation and the Placer County Water Agency. The City also uses groundwater to supplement its surface water supplies during emergency and drought conditions. These groundwater wells are designated to accommodate Aquifer Storage and Recovery ("**ASR**"). The City's ASR program allows for the storage of treated surface water in the groundwater basin through direct injection through the ASR wells. This water can be extracted later from the same wells for use during emergency or drought conditions. This water "banking" allows the City to use groundwater without significant impact to the groundwater table when surface water supplies are limited. The City also uses recycled water generated from its wastewater treatment facilities for irrigation purposes in commercial landscaping, public rights-of way, parks and golf courses. The use of recycled water reduces the demand for treated water for these purposes and leaving more for domestic use.

The City indicates it has adequate surface water and groundwater supplies to meet the allocation for all phases of planned development for the project in accordance with applicable law and regulations. However, in the event that the City's water supply is severely limited or cut off by virtue of future actions beyond its control resulting from ongoing or future drought conditions, development within the District may be delayed or even stopped. The Development Agreement provides that should the City need to restrict development it must do so City-wide and cannot single out the property in the District in restricting development activity. In turn, the anticipated diversity of land ownership within the District could also be reduced, making the owners of the 2023 Bonds more dependent upon owners of undeveloped land for the timely payment of the Special Taxes levied on undeveloped property. Furthermore, such an increased period of concentrated ownership of undeveloped land increases the potential negative impact of any bankruptcy or other financial difficulties experienced by the Landbank Owner, Lennar Homes or successor owners. Any reduction or interruption in the water supply would also likely cause a reduction in the land value and thus a reduction in the security in the event of a need to foreclose on land within the District following a delinquency in the payment of Special Taxes.

Legal Requirements. Other events that may affect the value of a parcel include changes in the law or application of the law. Such changes may include, without limitation, local growth control initiatives, local utility connection moratoriums and local application of statewide tax and governmental spending limitation measures. Development in the District may also be adversely affected by the application of laws protecting endangered or threatened species.

Hazardous Substances. Any discovery of a hazardous substance detected on property within the District would affect the marketability and the value of some or all of the property in the

District. In that event, the owners and operators of a parcel within the District may be required by law to remedy conditions of the parcel relating to releases or threatened releases of hazardous substances. The federal Comprehensive Environmental Response, Compensation and Liability Act of 1980, sometimes referred to as “CERCLA” or the “Superfund Act,” is the most well-known and widely applicable of these laws. California laws with regard to hazardous substances are also applicable to property within the District and are as stringent as the federal laws. Under many of these laws, the owner (or operator) is obligated to remedy a hazardous substance condition of property whether or not the owner (or operator) has anything to do with creating or handling the hazardous substance. The effect, therefore, should any of the parcels be contaminated by a hazardous substance is to reduce the marketability and value of the parcel by the costs of remedying the condition, because the purchaser, upon becoming owner, will become obligated to remedy the condition just as is the seller.

The values set forth in the Appraisal do not take into account the possible reduction in marketability and value of any of the parcels within the District by reason of the possible liability of the owner (or operator) for the remedy of a hazardous substance condition on a parcel. Although the City is not aware that the owner (or operator) of any of the property within the District has a current liability for a hazardous substance with respect to any of the parcels, it is possible that such liabilities do currently exist and that the City is not aware of them.

Further, it is possible that liabilities may arise in the future with respect to any of the parcels within the District resulting from the existence, currently, on the parcel of a substance presently classified as hazardous but which has not been released or the release of which is not presently threatened, or may arise in the future resulting from the existence, currently, on the parcel of a substance not presently classified as hazardous but which may in the future be so classified. Further, such liabilities may arise not simply from the existence of a hazardous substance but from the method of handling it. All of these possibilities could significantly affect the value of a parcel within the District that is realizable upon a foreclosure sale.

Endangered and Threatened Species. It is illegal to harm or disturb any plants or animals in their habitat that have been listed as endangered species by the United States Fish & Wildlife Service under the Federal Endangered Species Act or by the California Fish & Game Commission under the California Endangered Species Act without a permit. Although the Master Developer and Lennar Homes believe that no federally listed endangered or threatened species would be affected by the proposed development within the District, other than any that are permitted by the entitlements already received (which allow for the impact of development and specify the mitigation required), the discovery of an endangered plant or animal could delay development of vacant property in the District or reduce the value of undeveloped property.

Levy and Collection of Special Taxes

General. The principal source of payment of principal of and interest on the 2023 Bonds is the proceeds of the annual levy and collection of the Special Tax against property within the District.

Limitation on Maximum Special Tax Rate. The annual levy of the Special Tax is subject to the Maximum Annual Facilities Special Tax rate authorized in the Rate and Method. The levy cannot be made at a higher rate even if the failure to do so means that the estimated proceeds of the levy and collection of the Special Tax, together with other available funds, will not be sufficient to pay debt service on the 2023 Bonds.

In addition to the Maximum Annual Facilities Special Tax rate limitation in the Rate and Method, Section 53321(d) of the Act provides that the special tax levied against any parcel for which an occupancy permit for private residential use has been issued may not be increased as a consequence of delinquency or default by the owner of any other parcel within a community facilities district by more than 10% above the amount that would have been levied in such Fiscal Year had there never been any such delinquencies or defaults. In cases of significant delinquency, these factors may result in defaults in the payment of principal of and interest on the 2023 Bonds.

No Relationship Between Property Value and Special Tax Levy. Because the Rate and Method is not based on property value, the levy of the Special Tax will rarely, if ever, result in a uniform relationship between the value of particular parcels of Taxable Property and the amount of the levy of the Special Tax against those parcels. Thus, there will rarely, if ever, be a uniform relationship between the value of the parcels of Taxable Property and their proportionate share of debt service on the 2023 Bonds, and certainly not a direct relationship.

Factors that Could Lead to Special Tax Deficiencies. The following are some of the factors that might cause the levy of the Special Tax on any particular parcel of Taxable Property to vary from the Special Tax that might otherwise be expected:

Transfers to Governmental Entities. The number of parcels of Taxable Property could be reduced through the acquisition of Taxable Property by a governmental entity and failure of the government to pay the Special Tax based upon a claim of exemption or, in the case of the federal government or an agency thereof, immunity from taxation, thereby resulting in an increased tax burden on the remaining taxed parcels.

Property Tax Delinquencies. Failure of the owners of Taxable Property to pay property taxes (and, consequently, the Special Tax), or delays in the collection of or inability to collect the Special Tax by tax sale or foreclosure and sale of the delinquent parcels, could result in a deficiency in the collection of Special Tax revenues. See “– Tax Delinquencies” below. There is currently no history of tax levies in the District.

Delays Following Special Tax Delinquencies and Foreclosure Sales. The Fiscal Agent Agreement generally provides that the Special Tax is to be collected in the same manner as ordinary *ad valorem* property taxes are collected and, except as provided in the special covenant for foreclosure described in “SECURITY AND SOURCES OF PAYMENT FOR THE BONDS – Delinquent Payments of Special Tax; Covenant for Superior Court Foreclosure” and in the Act, is subject to the same penalties and the same procedure, sale and lien priority in case of delinquency as is provided for ordinary *ad valorem* property taxes. Under these procedures, if taxes are unpaid for a period of five years or more, the property is deeded to the State and then is subject to sale by the County.

If sales or foreclosures of property are necessary, there could be a delay in payments to owners of the 2023 Bonds pending such sales or the prosecution of foreclosure proceedings and receipt by the City of the proceeds of sale if the Reserve Fund is depleted. See “SECURITY AND SOURCES OF PAYMENT FOR THE BONDS – Delinquent Payments of Special Tax; Covenant for Superior Court Foreclosure.”

The ability of the City to collect interest and penalties specified by State law and to foreclose against properties having delinquent Special Tax installments may be limited in certain respects with regard to properties in which the Federal Deposit Insurance Corporation (the

“**FDIC**”) has or obtains an interest. The FDIC would obtain such an interest by taking over a financial institution that has made a loan that is secured by property within the District. See “ – FDIC/Federal Government Interests in Properties” below.

Other laws generally affecting creditors’ rights or relating to judicial foreclosure may affect the ability to enforce payment of Special Taxes or the timing of enforcement of Special Taxes. For example, the Soldiers and Sailors Civil Relief Act of 1940 affords protections such as a stay in enforcement of the foreclosure covenant, a six-month period after termination of military service to redeem property sold to enforce the collection of a tax or assessment and a limitation on the interest rate on the delinquent tax or assessment to persons in military service if the court concludes the ability to pay such taxes or assessments is materially affected by reason of such service.

FDIC/Federal Government Interests in Properties

General. The ability of the District to foreclose the lien of delinquent unpaid Special Tax installments may be limited with regard to properties in which the Federal Deposit Insurance Corporation (the “**FDIC**”), the Drug Enforcement Agency, the Internal Revenue Service, or other federal agency has or obtains an interest.

Federal courts have held that, based on the supremacy clause of the United States Constitution, in the absence of Congressional intent to the contrary, a state or local agency cannot foreclose to collect delinquent taxes or assessments if foreclosure would impair the federal government interest.

The supremacy clause of the United States Constitution reads as follows: “This Constitution, and the Laws of the United States which shall be made in Pursuance thereof; and all Treaties made, or which shall be made, under the Authority of the United States, shall be the supreme Law of the Land; and the Judges in every State shall be bound thereby, any Thing in the Constitution or Laws of any State to the contrary notwithstanding.”

This means that, unless Congress has otherwise provided, if a federal governmental entity owns a parcel that is subject to Special Taxes within the District but does not pay taxes and assessments levied on the parcel (including Special Taxes), the applicable state and local governments cannot foreclose on the parcel to collect the delinquent taxes and assessments.

Moreover, unless Congress has otherwise provided, if the federal government has a mortgage interest in the parcel and the District wishes to foreclose on the parcel as a result of delinquent Special Taxes, the property cannot be sold at a foreclosure sale unless it can be sold for an amount sufficient to pay delinquent taxes and assessments on parity with the Special Taxes and preserve the federal government’s mortgage interest. In *Rust v. Johnson* (9th Circuit; 1979) 597 F.2d 174, the United States Court of Appeal, Ninth Circuit held that the Federal National Mortgage Association (“**FNMA**”) is a federal instrumentality for purposes of this doctrine, and not a private entity, and that, as a result, an exercise of state power over a mortgage interest held by FNMA constitutes an exercise of state power over property of the United States.

Bankruptcy and Foreclosure Delays

The payment of the Special Tax and the ability of the District to foreclose the lien of a delinquent unpaid tax, as discussed in “SECURITY AND SOURCES OF PAYMENT FOR THE BONDS – Delinquent Payments of Special Tax; Covenant for Superior Court Foreclosure,” may

be limited by bankruptcy, insolvency or other laws generally affecting creditors' rights or by the laws of the State of California relating to judicial foreclosure. The various legal opinions to be delivered concurrently with the delivery of the 2023 Bonds (including Bond Counsel's approving legal opinion) will be qualified as to the enforceability of the various legal instruments by bankruptcy, insolvency, reorganization, moratorium and other similar laws affecting creditors' rights, by the application of equitable principles and by the exercise of judicial discretion in appropriate cases.

Although bankruptcy proceedings would not cause the Special Taxes to become extinguished, bankruptcy of a property owner could result in a delay in prosecuting superior court foreclosure proceedings and could result in the possibility of delinquent Special Tax installments not being paid in full. Such a delay would increase the likelihood of a delay or default in payment of the principal of and interest on the 2023 Bonds. To the extent that property in the District continues to be owned by a limited number of property owners, the chances are increased that the 2023 Reserve Account of the Reserve Fund established for the 2023 Bonds could be fully depleted during any such delay in obtaining payment of delinquent Special Taxes. As a result, sufficient moneys would not be available in the 2023 Reserve Account of the Reserve Fund for transfer to the Bond Fund to make up shortfalls resulting from delinquent payments of the Special Tax and thereby to pay principal of and interest on the 2023 Bonds on a timely basis.

To the extent that bankruptcy or similar proceedings were to involve a large property owner, the chances would increase the likelihood that the 2023 Reserve Account of the Reserve Fund could be fully depleted during any resulting delay in receiving payment of delinquent Special Taxes. As a result, sufficient monies would not be available in the 2023 Reserve Account of the Reserve Fund for transfer to the Bond Fund to make up any shortfalls resulting from delinquent payments of the Special Tax and thereby to pay principal of and interest on the 2023 Bonds on a timely basis.

On July 30, 1992, the United States Court of Appeals for the Ninth Circuit issued its opinion in a bankruptcy case entitled *In re Glasply Marine Industries*. In that case, the court held that *ad valorem* property taxes levied by Snohomish County in the State of Washington after the date that the property owner filed a petition for bankruptcy were not entitled to priority over a secured creditor with a prior lien on that property. The court upheld the priority of unpaid *ad valorem* taxes imposed before the bankruptcy petition (the "pre-petition taxes"), but unpaid taxes imposed after the filing of the bankruptcy petition ("post-petition taxes") were declared to be unsecured "administrative expenses" of the bankruptcy estate, and were therefore held to be payable from the bankruptcy estate only after payment of all secured creditors. As a result, the secured creditor of the property was able to foreclose on the property and retain all of the proceeds of the sale except for the amount of the pre-petition taxes.

According to the court's ruling, as administrative expenses, post-petition taxes would have to be paid, but only if the debtor had sufficient assets not subject to other perfected security interests to do so. In certain circumstances, payment of such administrative expenses may also be allowed to be deferred. Once the property is transferred out of the bankruptcy estate (through foreclosure or otherwise) it would at that time again become subject to and would secure liens for then current and future *ad valorem* taxes.

Glasply was controlling precedent on bankruptcy courts in the State of California for several years subsequent to the date of the Ninth Circuit's holding. Pursuant to state law, the lien date for general *ad valorem* property taxes levied in the State of California is the January 1 preceding the fiscal year for which the taxes are levied. Under the *Glasply* holding, a bankruptcy

petition filing would have prevented the lien for general *ad valorem* property taxes levied in fiscal years subsequent to the filing of a bankruptcy petition from attaching and becoming a lien so long as the property was a part of the estate in bankruptcy. However, the *Glasply* holding was for the most part subsequently rendered inoperative with respect to the imposition of a lien for and the collection of *ad valorem* taxes by amendments to the federal Bankruptcy Code (Title 11 U.S.C.) which were part of the Bankruptcy Reform Act of 1994 (the “Bankruptcy Reform Act”) passed by Congress during the later part of 1994. The Bankruptcy Reform Act added a provision to the automatic stay section of the Bankruptcy Code which, pursuant to Section 362(b)(18) thereof, excepts from the Bankruptcy Code’s automatic stay provisions, “the creation of a statutory lien for an *ad valorem* property tax imposed by . . . a political subdivision of a state, if such tax comes due after the filing of the petition” by a debtor in bankruptcy court. The effect of this provision is to continue the secured interest of *ad valorem* taxes on real property (i.e., post-petition taxes) in effect during the period following the filing of a bankruptcy petition, including during the period bankruptcy proceedings are pending.

Without further clarification by the courts or Congress, the original rationale of the *Glasply* holding could, however, still result in the treatment of post-petition special taxes as “administrative expenses,” rather than as tax liens secured by real property, at least during the pendency of bankruptcy proceedings. This treatment might result from the fact that, although the lien of special taxes is of record from the date of the filing of a Notice of Special Tax Lien, the actual special tax is levied annually. As noted above, special taxes have a different lien date than the lien date for general *ad valorem* taxes in the State of California noted above. The lien of a Mello-Roos special tax attaches upon recordation of the notice of the special tax lien, as provided for in Section 53328.3 of the Act, as opposed to the annual January 1 lien date for general *ad valorem* taxes. Thus, in deciding whether the original *Glasply* ruling is applicable to a bankruptcy proceeding involving special taxes rather than general *ad valorem* property taxes, a court might consider the differences in the statutory provisions for creation of the applicable tax lien (general *ad valorem* or special tax) in determining whether there is a basis for post petition special taxes to be entitled to a lien on the property during pending bankruptcy proceedings. If a court were to apply *Glasply* to eliminate the priority of the special tax lien as a secured claim against property with respect to post-petition levies of the Special Taxes made against property owners within the District who file for bankruptcy, collections of the Special Taxes from such property owners could be reduced as the result of being treated as “administrative expenses” of the bankruptcy estate. Also, and most importantly, is the fact that the original holding in *Glasply* and the mitigation of that holding by the Bankruptcy Reform Act of 1994 both appear to be applicable only to general *ad valorem* taxes, and, therefore, the exemption from the automatic stay in Section 362(b)(18) discussed above may not be applicable to special taxes since they were not expressly mentioned or provided for in this section, nor defined to be included within the term “*ad valorem* taxes.”

Parity Taxes and Special Assessments; Private Debt

The City, the County and certain other public agencies are authorized by the Act to form other community facilities districts and improvement areas and, under other provisions of State law, to form special assessment districts, either or both of which could include all or a portion of the land within the District.

Property in the District is currently subject to certain overlapping tax and assessment liens, as shown in the overlapping debt statement. Property in the District is also subject to the special tax of two additional community facilities districts formed to fund services and known as the Sierra Vista Community Facilities District No. 2 (Public Services) and the City’s Community Facilities District No. 3 (Municipal Services). The property is not subject to any other special tax or

assessment liens (other than the lien of the Special Tax). See “VALUE OF PROPERTY WITHIN THE DISTRICT – Estimated Tax Burden on Single Family Home.”

In addition, other governmental obligations may be authorized and undertaken or issued in the future, the tax, assessment or charge for which may become an obligation of one or more of the parcels of taxable property and may be secured by a lien on a parity with the lien of the Special Tax securing the Bonds. The principal of and interest on the Bonds are payable from the Special Tax authorized to be collected within the District, and payment of the Special Tax is secured by a lien on certain real property within the District. Such lien is co-equal to and independent of the lien for general taxes and any other liens imposed under the Act, regardless of when they are imposed on the property in the District. The imposition of additional special taxes, assessments and general property taxes will increase the amount of independent and co-equal liens which must be satisfied in foreclosure if unpaid. The City, the County and certain other public agencies are authorized by the Act to form other community facilities districts and improvement areas and, under other provisions of State law, to form special assessment districts, either or both of which could include all or a portion of the land within the District. Although the Special Taxes will generally have priority over non-governmental liens on a parcel of taxable property, regardless of whether the non-governmental liens were in existence at the time of the levy of the Special Tax or not, this result may not apply in the case of bankruptcy. See “– Bankruptcy and Foreclosure Delays” above.

There can be no assurance that property owners within the District will not petition for the formation of other community facilities districts and improvement areas or for a special assessment district or districts and that parity special taxes or special assessments will not be levied by the County or some other public agency to finance additional public facilities. In addition to liens for special taxes or assessments to finance public improvements of benefit to land within the District, owners of property may obtain loans from banks or other private sources which loans may be secured by a lien on the parcels in the District. Such loans would increase amounts owed by the owner of such parcel with respect to development of its property in the District. However, the lien of such loans would be subordinate to the lien of the Special Taxes.

Tax Delinquencies

Under provisions of the Act, the Special Taxes will be billed to the properties within the District on the regular property tax bills sent to owners of such properties. Such Special Tax installments are due and payable, and bear the same penalties and interest for nonpayment, as do regular property tax installments. Special Tax installment payments cannot be made separately from property tax payments. Therefore, the unwillingness or inability of a property owner to pay regular property tax bills as evidenced by property tax delinquencies may also indicate an unwillingness or inability to make regular property tax payments and Special Tax payments in the future.

The annual Special Tax will be billed and collected in two installments payable without penalty by December 10 and April 10. In the event such Special Taxes are not timely paid, moneys available to pay debt service on the Bonds becoming due on the subsequent respective March 1 and September 1 may be insufficient, except to the extent moneys are available in the 2023 Reserve Account of the Reserve Fund.

In the event of non-payment of Special Taxes, funds in the 2023 Reserve Account of the Reserve Fund, if available, may be used to pay principal of and interest on the 2023 Bonds. If funds in the 2023 Reserve Account of the Reserve Fund for the 2023 Bonds are depleted, the

funds can be replenished from the proceeds of the levy and collection of the Special Tax that are in excess of the amount required to pay all amounts to be paid pursuant to the Fiscal Agent Agreement. However, no replenishment from the proceeds of a Special Tax levy can occur as long as the proceeds that are collected from the levy of the Special Tax against property within the District at the maximum Special Tax rates, together with other available funds, remains insufficient to pay all such amounts. Thus it is possible that the 2023 Reserve Account of the Reserve Fund will be depleted and not be replenished by the levy of the Special Tax.

See “SECURITY AND SOURCES OF PAYMENT FOR THE BONDS – Delinquent Payments of Special Tax; Covenant for Superior Court Foreclosure” for a discussion of the provisions which apply, and procedures which the City is obligated to follow, in the event of delinquency in the payment of Special Taxes. See also “SECURITY AND SOURCES OF PAYMENT FOR THE BONDS – Special Tax Methodology” for a discussion of a limitation imposed by the Act applicable to Special Tax increases on residential property.

No Acceleration Provisions

The 2023 Bonds do not contain a provision allowing for the acceleration of the 2023 Bonds in the event of a payment default or other default under the terms of the 2023 Bonds or the Fiscal Agent Agreement. Under the Fiscal Agent Agreement, a 2023 Bond holder is given the right for the equal benefit and protection of all 2023 Bond holders similarly situated to pursue certain remedies. So long as the 2023 Bonds are in book-entry form, DTC will be the sole 2023 Bond holder and will be entitled to exercise all rights and remedies of 2023 Bond holders.

Ballot Initiatives

From time to time, initiative measures qualify for the State ballot pursuant to the State’s constitutional initiative process, and those measures could be adopted by California voters. The adoption of any such initiative might place limitations on the ability of the State, the City, the County or other local districts to increase revenues or to increase appropriations or on the ability of the landowners to complete the development of the District. See “–Property Values and Property Development – Land Development” above. See also “–Voter Initiatives” below.

Voter Initiatives

Under the California Constitution, the power of initiative is reserved to the voters for the purpose of enacting statutes and constitutional amendments. Since 1978, the voters have exercised this power through the adoption of Proposition 13 and similar measures, including Proposition 218, which was approved in the general election held on November 5, 1996, and Proposition 26, which was approved on November 2, 2010.

Any such initiative may affect the collection of fees, taxes and other types of revenue by local agencies such as the District. Subject to overriding federal constitutional principles, such collection may be materially and adversely affected by voter-approved initiatives, possibly to the extent of creating cash-flow problems in the payment of outstanding obligations such as the 2023 Bonds.

Proposition 218—Voter Approval for Local Government Taxes—Limitation on Fees, Assessments, and Charges—Initiative Constitutional Amendment, added Articles XIIIC and XIIID to the California Constitution, imposing certain vote requirements and other limitations on the imposition of new or increased taxes, assessments and property-related fees and charges.

On November 2, 2010, California voters approved Proposition 26, entitled the “Supermajority Vote to Pass New Taxes and Fees Act”. Section 1 of Proposition 26 declares that Proposition 26 is intended to limit the ability of the State Legislature and local government to circumvent existing restrictions on increasing taxes by defining the new or expanded taxes as “fees.” Proposition 26 amended Articles XIII A and XIII C of the State Constitution. The amendments to Article XIII A limit the ability of the State Legislature to impose higher taxes (as defined in Proposition 26) without a two-thirds vote of the Legislature. Article XIII C requires that all new local taxes be submitted to the electorate before they become effective. Taxes for general governmental purposes require a majority vote and taxes for specific purposes (“special taxes”) require a two-thirds vote.

The Special Taxes and the issuance of special tax bonds of the District were each authorized by not less than a two-thirds vote of the landowners within the District who constituted the qualified electors at the time of such voted authorization. The District believes, therefore, that issuance of the 2023 Bonds does not require the conduct of further proceedings under the Mello-Roos Act, Proposition 218 or Proposition 26.

Like their antecedents, Proposition 218 and Proposition 26 are likely to undergo both judicial and legislative scrutiny before the impact on the District can be determined. Certain provisions of Proposition 218 and Proposition 26 may be examined by the courts for their constitutionality under both State and federal constitutional law, the outcome of which cannot be predicted.

Case Law Related to the Mello-Roos Act

On August 1, 2014, the California Court of Appeal, Fourth Appellate District, issued its opinion in *City of San Diego v. Melvin Shapiro, et al.* (D063997). The case involved a Convention Center Facilities District (the “CCFD”) established by the City of San Diego. The CCFD is a financing district established under the City’s charter (the “Charter”) and was intended to function much like a community facilities district established under the Mello-Roos Act. The CCFD was comprised of all of the real property in the entire City. However, the CCFD special tax was to be levied only on properties in the CCFD that were improved with a hotel.

At the election to authorize the CCFD special tax, the CCFD proceedings limited the electorate to owners of hotel properties and lessees of real property owned by a governmental entity on which a hotel was located. Registered voters in the City of San Diego were not permitted to vote. This definition of the qualified electors of the CCFD was based on Section 53326(c) of the Mello-Roos Act, which generally provides that, if a special tax will not be apportioned in any tax year on residential property, the legislative body may provide that the vote shall be by the landowners of the proposed community facilities district whose property would be subject to the special tax.

The *San Diego* Court held that the CCFD special tax election did not comply with the City’s Charter and with applicable provisions of the California Constitution -- specifically Article XIII A, section 4 (“Cities, Counties and special districts, by a two-thirds vote of the qualified electors of such district, may impose special taxes on such district...”) and Article XIII C, section 2(d) (“No local government may impose, extend, or increase any special tax unless and until that tax is submitted to the electorate and approved by a two-thirds vote.”) -- because the electors in the CCFD election should have been the registered voters residing within the CCFD (the boundaries of which were coterminous with the boundaries of the City of San Diego).

As to the District, there were no registered voters within the District at the time of the election to authorize the Special Taxes. Significantly, the *San Diego* Court expressly stated that it was not addressing the validity of a landowner election to impose special taxes on residential property pursuant to the Mello-Roos Act in situations where there are fewer than 12 registered voters. Therefore, by its terms, the *San Diego* Court's holding does not apply to the special tax election in the District.

Moreover, Sections 53341 and 53359 of the Act establish a limited period of time in which special taxes levied under the Mello-Roos Act may be challenged by a third party:

53341. Any action or proceeding to attack, review, set aside, void, or annul the levy of a special tax or an increase in a special tax pursuant to [the Mello-Roos Act] shall be commenced within 30 days after the special tax is approved by the voters....

53359. An action to determine the validity of bonds issued pursuant to [the Mello-Roos Act] or the validity of any special taxes levied pursuant to [the Mello-Roos Act] ... shall be commenced within 30 days after the voters approve the issuance of the bonds or the special tax ...

Section 53326(b) of the Mello-Roos Act defines the authorized voters for an election in which the special taxes will be levied on residential property: "Except as otherwise provided in subdivision (c), if at least 12 persons, who need not necessarily be the same 12 persons, have been registered to vote within the territory of the proposed community facilities district for each of the 90 days preceding the close of the protest hearing, the vote shall be by the registered voters of the proposed district, with each voter having one vote. Otherwise, the vote shall be by the landowners of the proposed district and each person who is the owner of land at the close of the protest hearing, or the authorized representative thereof, shall have one vote for each acre or portion of an acre of land that he or she owns within the proposed community facilities district not exempt from the special tax...."

Landowner voters approved the Special Taxes and the issuance of bonds for the District in compliance with all applicable requirements of the Mello-Roos Act on April 16, 2014. Therefore, pursuant to Sections 53341 and 53359 of the Mello-Roos Act, the statute of limitations period to challenge the validity of the special tax has expired. Because the *San Diego* Court expressly stated that it did not consider the facts presented by the District and because the period for challenging the Special Taxes has passed, the City believes the Special Taxes are valid and cannot be challenged.

Changes in Tax Law

H.R. 1 of the 115th U.S. Congress, known as the "Tax Cuts and Jobs Act," was enacted into law on December 22, 2017 (the "**Tax Act**"). The Tax Act made significant changes to many aspects of the Code that could have an impact on property development. The Tax Act reduced the amount of mortgage interest expense and state local income tax and property tax expense that individuals may deduct from their gross income for federal income tax purposes, which could increase the cost of home ownership within the District and could adversely affect the sale of homes by the Developer and the merchant homebuilders. Future changes in tax law could also have a material adverse impact on home sales in the District.

Pandemic Diseases

In recent years, public health authorities have warned of threats posed by outbreaks of disease and other public health threats. On February 11, 2020, the WHO announced the official name for the outbreak of COVID-19, an upper respiratory tract illness. COVID-19 has since spread across the globe. The spread of COVID-19 had significant adverse health and financial impacts throughout the world. The WHO declared the COVID-19 outbreak to be a pandemic, and states of emergency were declared by the Governor of the State and the President of the United States.

Taxpayer assistance measures may include deferral of due dates of property taxes, which was an assistance program during the COVID-19 pandemic, and with or without a deferral some taxpayers may be unable to make their property and Special Tax payments. No assurance can be given that the property tax payment dates will not be deferred in the future, which may cause a delay in the receipt of Special Taxes. In addition, home values may be affected by a reduction in demand stemming from personal finances, or general widespread economic circumstances resulting from pandemic diseases. Such actions may affect the ability of the Master Developer or Lennar Homes to complete their planned developments in the time periods and within the cost estimates described in this Official Statement.

Cyber Security

The City, like many other public and private entities, relies on computer and other digital networks and systems to conduct its operations. As a recipient and provider of personal, private or other sensitive electronic information, the City is potentially subject to multiple cyber threats, including without limitation hacking, viruses, ransomware, malware and other attacks. No assurance can be given that the City's efforts to manage cyber threats and attacks will be successful in all cases, or that any such attack will not materially impact the operations or finances of the City or the District, or the administration of the Bonds. The City is also reliant on other entities and service providers in connection with the administration of the Bonds, including without limitation the County tax collector for the levy and collection of Special Taxes, the fiscal agent, and the dissemination agent. No assurance can be given that the City, the District and these other entities will not be affected by cyber threats and attacks in a manner that may affect the Bond owners.

Potential Early Redemption of Bonds from Prepayments

Property owners within the District, including the Developer, merchant homebuilders and individual homeowners, are permitted to prepay a portion of their Special Tax obligation at any time. Such prepayments could also be made from the proceeds of bonds issued by or on behalf of an overlapping special assessment district or community facilities district. Such prepayments will result in a redemption of the 2023 Bonds on the interest payment date for which timely notice may be given under the Fiscal Agent Agreement following the receipt of the prepayment. The resulting redemption of 2023 Bonds that were purchased at a price greater than par could reduce the otherwise expected yield on such 2023 Bonds.

CONSTITUTIONAL LIMITATIONS ON TAXATION AND APPROPRIATIONS

Article XIII A of the California Constitution, commonly known as “**Proposition 13**,” provides that each county will levy the maximum *ad valorem* property tax permitted by Proposition 13 and will distribute the proceeds to local agencies in accordance with an allocation formula based in part on pre-Proposition 13 *ad valorem* property tax rates levied by local agencies.

Article XIII A limits the maximum *ad valorem* tax on real property to 1% of “full cash value,” which is defined as the County Assessor’s valuation of real property as shown on the 1975-76 tax bill under full cash value, or, thereafter, the appraised value of real property when purchased, newly constructed, or a change in ownership has occurred after the 1975 assessment. The full cash value may be adjusted annually to reflect increases of no more than 2% per year or decreases in the consumer price index or comparable local data, or declining property value caused by damage, destruction or other factors.

Article XIII A exempts from the 1% tax limitation any taxes to repay indebtedness approved by the voters prior to July 1, 1978, and requires a vote of two-thirds of the qualified electorate to impose Special Taxes or any additional *ad valorem*, sales, or transaction taxes on real property. In addition, Article XIII A requires the approval of two-thirds of all members of the State Legislature to change any State laws resulting in increased tax revenues. On June 3, 1986, California voters approved an amendment to Article XIII A of the California Constitution to allow local governments and school districts to raise their property tax rates above the constitutionally mandated 1% ceiling for the purpose of paying off certain new general obligation debt issued for the acquisition or improvement of real property and approved by two-thirds of the votes cast by the qualified electorate. If any such voter-approved debt is issued, it may be on a parity with the lien of the Special Tax on the parcels within the District.

State and local government agencies in the State, and the State itself are subject to annual appropriation limits, imposed by Article XIII B of the State Constitution. Article XIII B prohibits government agencies and the State from spending “appropriations subject to limitation” in excess of the appropriations limits imposed. “Appropriations subject to limitation” are authorizations to spend “proceeds of taxes,” which consist of tax revenues, certain state subventions and certain other funds, including proceeds from regulatory licenses, user charges or other fees to the extent that such proceeds exceed the cost reasonably borne by such entity in providing the regulation, product or service. No limit is imposed on appropriations of funds which are not “proceeds of taxes” such as debt service on indebtedness existing or authorized before January 1, 1979, or subsequently authorized by the voters, appropriations required to comply with mandates of courts or the federal government, reasonable user charges or fees and certain other non-tax funds.

CONTINUING DISCLOSURE

The City

The City has covenanted for the benefit of owners of the 2023 Bonds to provide certain financial information and operating data relating to the District by not later than nine months after the end of the City's fiscal year (presently June 30) in each year (the "**City Annual Report**") commencing with its report for the 2022-23 fiscal year (due April 1, 2024) and to provide notices of the occurrence of certain enumerated events.

The City Annual Report and notices of listed events will be filed with the Municipal Securities Rulemaking Board. The covenants of the City have been made in order to assist the Underwriter in complying with Securities Exchange Commission Rule 15c2-12(b)(5) (the "**Rule**"). The specific nature of the information to be contained in the Annual Report and the notices of listed events by the City is summarized in "APPENDIX E – FORM OF CONTINUING DISCLOSURE UNDERTAKINGS."

The City believes it currently is in material compliance with all of its continuing disclosure undertakings for the last five years. Notwithstanding the foregoing, in the last five years:

(1) The Annual Report for Fiscal Year 2019-20 for one series of the City's outstanding bonds did not initially fulfill all content requirements; a remedial filing was done approximately 3 months later.

(2) The City has not in a timely manner filed all significant event notices of changes in the ratings of certain then-outstanding obligations resulting from changes in ratings to the bond insurers who insured such obligations or the underlying rates for such obligations. However, the City has submitted all undisclosed significant event notices of changes in ratings occurring during the last five years on all currently outstanding obligations.

The Master Developer and Lennar Homes

Neither the Master Developer nor Lennar Homes is an obligated party under the Rule, but the Master Developer has voluntarily agreed to provide, for the benefit of the owners of the Bonds, semiannual continuing disclosure and notice of certain enumerated events with respect to itself, Lennar Homes, and their respective property within the District. The Master Developer will enter into a Continuing Disclosure Certificate (Developer) and provide such information until the earlier of (i) the date that the property owned by the Master Developer and Lennar Homes combined is responsible for less than 20% of the special tax levy in the District or (ii) the date that the Master Developer and Lennar Homes own a combined 110 or fewer residential lots in the District (or property that may be subdivided into less than 110 or fewer residential lots in the District).

The specific nature of the information to be contained in its semiannual reports and the notices of listed events by the Master Developer is summarized in "APPENDIX E — FORM OF CONTINUING DISCLOSURE UNDERTAKINGS." The continuing disclosure undertaking will be the second for the Master Developer.

The Master Developer has not failed in any material respect to comply with any previous undertaking to provide periodic continuing disclosure reports or notices of material events with

respect to community facilities districts or assessment districts in California within the past five years.

Lennar Homes represents that, other than as disclosed in this paragraph, to the actual knowledge of Lennar Homes, Lennar Homes has not failed in any material respect to comply with any previous undertaking by it to provide periodic continuing disclosure reports or notices of material events with respect to community facilities districts or assessment districts in California within the past five years. However, (i) in connection with the \$16,780,000 California Municipal Finance Authority Special Tax Revenue Bonds BOLD Program Series 2020B, Lennar Homes inadvertently failed to file the initial Semi-Annual Report by the due date of May 1, 2021, but filed a curative report on May 21, 2021; and (ii) in connection with the \$5,795,000 City of Rancho Cordova Grantline 208 Community Facilities District No. 2018-1 Special Tax Bonds, Series 2021B, Lennar Homes inadvertently failed to file the initial annual report by the due date of April 1, 2022, but filed a curative report on September 21, 2022..

UNDERWRITING

The 2023 Bonds were purchased through negotiation by Stifel, Nicolaus & Company, Incorporated, as underwriter (the “**Underwriter**”). The Underwriter agreed to purchase the 2023 Bonds at a price of \$_____ (which is equal to the par amount of the 2023 Bonds, plus/less an original issue premium/discount of \$_____ and less the Underwriter’s discount of \$_____). The initial public offering prices set forth on the cover page hereof may be changed by the Underwriter. The Underwriter may offer and sell the 2023 Bonds to certain dealers and others at a price lower than the public offering prices set forth on the cover page hereof.

The Underwriter has entered into an agreement with its affiliate, Vining-Sparks IBG, LLC for the distribution of certain municipal securities offerings at the original issue price. Pursuant to that distribution agreement, Vining-Sparks IBG, LLC may purchase the 2023 Bonds from the Underwriter at the original issue price less a negotiated portion of the selling concession applicable to any 2023 Bonds that Vining-Sparks IBG, LLC sells.

MUNICIPAL ADVISOR

The City has retained Hilltop Securities Inc., Encino, California, as registered municipal advisor (the “**Municipal Advisor**”) in connection with the issuance of the 2023 Bonds. The Municipal Advisor is not obligated to undertake, and has not undertaken to make, an independent verification or assume responsibility for the accuracy, completeness, or fairness of the information contained in this Official Statement. The fees of the Municipal Advisor are contingent upon the sale and delivery of the 2023 Bonds.

LEGAL OPINION

The validity of the 2023 Bonds and certain other legal matters are subject to the approving opinion of Jones Hall, a Professional Law Corporation, Bond Counsel. A complete copy of the proposed form of Bond Counsel opinion is contained in APPENDIX D to this Official Statement, and the final opinion will be made available to registered owners of the 2023 Bonds at the time of delivery. The fees of Bond Counsel are contingent upon the sale and delivery of the 2023 Bonds.

TAX MATTERS

Federal Tax Status. In the opinion of Jones Hall, A Professional Law Corporation, San Francisco, California, Bond Counsel, subject, however to the qualifications set forth below, under existing law, the interest on the 2023 Bonds is excluded from gross income for federal income tax purposes and such interest is not an item of tax preference for purposes of the federal alternative minimum tax. Interest on the Bonds may be subject to the corporate alternative minimum tax.

The opinions set forth in the preceding paragraph are subject to the condition that the District comply with all requirements of the Internal Revenue Code of 1986, as amended (the “**Tax Code**”) relating to the exclusion from gross income for federal income tax purposes of interest on obligations such as the 2023 Bonds. The District has made certain representations and covenants in order to comply with each such requirement. Inaccuracy of those representations, or failure to comply with certain of those covenants, may cause the inclusion of such interest in gross income for federal income tax purposes, which may be retroactive to the date of issuance of the 2023 Bonds.

Tax Treatment of Original Issue Discount and Premium. If the initial offering price to the public at which a 2023 Bond is sold is less than the amount payable at maturity thereof, then such difference constitutes “original issue discount” for purposes of federal income taxes and State of California personal income taxes. If the initial offering price to the public at which a 2023 Bond is sold is greater than the amount payable at maturity thereof, then such difference constitutes “original issue premium” for purposes of federal income taxes and State of California personal income taxes. *De minimis* original issue discount and original issue premium are disregarded.

Under the Tax Code, original issue discount is treated as interest excluded from federal gross income and exempt from State of California personal income taxes to the extent properly allocable to each owner thereof subject to the limitations described in the first paragraph of this section. The original issue discount accrues over the term to maturity of the 2023 Bond on the basis of a constant interest rate compounded on each interest or principal payment date (with straight-line interpolations between compounding dates). The amount of original issue discount accruing during each period is added to the adjusted basis of such 2023 Bonds to determine taxable gain upon disposition (including sale, redemption, or payment on maturity) of such 2023 Bond. The Tax Code contains certain provisions relating to the accrual of original issue discount in the case of purchasers of the 2023 Bonds who purchase the 2023 Bonds after the initial offering of a substantial amount of such maturity. Owners of such 2023 Bonds should consult their own tax advisors with respect to the tax consequences of ownership of 2023 Bonds with original issue discount, including the treatment of purchasers who do not purchase in the original offering, the allowance of a deduction for any loss on a sale or other disposition, and the treatment of accrued original issue discount on such 2023 Bonds under federal individual alternative minimum taxes.

Under the Tax Code, original issue premium is amortized on an annual basis over the term of the 2023 Bond (said term being the shorter of the 2023 Bond's maturity date or its call date). The amount of original issue premium amortized each year reduces the adjusted basis of the owner of the 2023 Bond for purposes of determining taxable gain or loss upon disposition. The amount of original issue premium on a 2023 Bond is amortized each year over the term to maturity of the 2023 Bond on the basis of a constant interest rate compounded on each interest or principal payment date (with straight-line interpolations between compounding dates). Amortized 2023 Bond premium is not deductible for federal income tax purposes. Owners of premium 2023 Bonds, including purchasers who do not purchase in the original offering, should consult their own tax advisors with respect to State of California personal income tax and federal income tax consequences of owning such 2023 Bonds.

California Tax Status. In the further opinion of Bond Counsel, interest on the 2023 Bonds is exempt from California personal income taxes.

Other Tax Considerations. Current and future legislative proposals, if enacted into law, clarification of the Tax Code or court decisions may cause interest on the 2023 Bonds to be subject, directly or indirectly, to federal income taxation or to be subject to or exempted from state income taxation, or otherwise prevent beneficial owners from realizing the full current benefit of the tax status of such interest. The introduction or enactment of any such legislative proposals, clarification of the Tax Code or court decisions may also affect the market price for, or marketability of, the 2023 Bonds. It cannot be predicted whether or in what form any such proposal might be enacted or whether, if enacted, such legislation would apply to bonds issued prior to enactment.

The opinions expressed by Bond Counsel are based upon existing legislation and regulations as interpreted by relevant judicial and regulatory authorities as of the date of such opinion, and Bond Counsel has expressed no opinion with respect to any proposed legislation or as to the tax treatment of interest on the 2023 Bonds, or as to the consequences of owning or receiving interest on the 2023 Bonds, as of any future date. Prospective purchasers of the 2023 Bonds should consult their own tax advisors regarding any pending or proposed federal or state tax legislation, regulations or litigation, as to which Bond Counsel expresses no opinion.

Owners of the 2023 Bonds should also be aware that the ownership or disposition of, or the accrual or receipt of interest on, the 2023 Bonds may have federal or state tax consequences other than as described above. Other than as expressly described above, Bond Counsel expresses no opinion regarding other federal or state tax consequences arising with respect to the 2023 Bonds, the ownership, sale or disposition of the 2023 Bonds, or the amount, accrual or receipt of interest on the 2023 Bonds.

NO RATINGS

The City has not applied to a rating agency for the assignment of a rating to the 2023 Bonds and does not contemplate applying for a rating.

NO LITIGATION

At the time of delivery of and payment for the 2023 Bonds, the City Attorney will deliver his opinion that to the best of its knowledge there is no action, suit, proceeding, inquiry or investigation at law or in equity before or by any court or regulatory agency pending against the City affecting its existence or the titles of its officers to office or seeking to restrain or to enjoin the issuance, sale or delivery of the 2023 Bonds, the application of the proceeds thereof in accordance with the Fiscal Agent Agreement, or the collection or application of the Special Tax to pay the principal of and interest on the 2023 Bonds, or in any way contesting or affecting the validity or enforceability of the 2023 Bonds, the Fiscal Agent Agreement or any action of the City contemplated by any of said documents, or in any way contesting the completeness or accuracy of this Official Statement or any amendment or supplement thereto, or contesting the powers of the City or its authority with respect to the 2023 Bonds or any action of the City contemplated by any of said documents.

EXECUTION

The execution and delivery of this Official Statement by the City has been duly authorized by the City Council on behalf of the District.

RATE AND METHOD OF APPORTIONMENT OF SPECIAL TAX

APPENDIX B
THE APPRAISAL

APPENDIX C

THE CITY OF ROSEVILLE AND PLACER COUNTY

*The District is located in the City of Roseville (the “**City**”), which is located in southwestern Placer County (the “**County**”), California (the “**State**”). Certain financial and economic data for the City, County and State are presented in this appendix for information purposes only. The 2023 Bonds are not a debt or obligation of the City, County or State, but are a limited obligation of the City, secured solely by the Special Tax Revenues and other amounts pledged under the Fiscal Agent Agreement, all as described in more detail in this Official Statement.*

General

The City is located in the County, which is located in the Sacramento Valley near the foothills of the Sierra Nevada mountain range, about 16 miles northeast of Sacramento and 110 miles east of San Francisco. The City presently occupies 43 square miles in the southwestern part of the County and is the largest city in the County as well as the residential and business center of the County. It is bordered by Sacramento County to the south, the City of Rocklin to the north and un-incorporated Placer County to the east and west. The estimated population of the City as of January 2023 was approximately 152,928.

The City has warm summers typical of central California, with an average July temperature of 77 degrees. Winter temperatures are moderate; the average January temperature is 46 degrees. The temperature drops below freezing an average of eight days per year. Rainfall averages 20 inches annually and falls mostly during the winter.

The City is predominately comprised of residential housing, small and large businesses, as well as numerous retail centers, the latter of which play a vital role in the economy of the City and contribute significantly to City and County sales tax receipts. The City has the thirteenth highest retail sales of all cities in the State, and the City is considered a regional shopping destination. The Westfield Galleria at Roseville is the main shopping center in the City and the second largest shopping mall in Northern California. Across from the Westfield Galleria lies the “Fountains at Roseville,” a 330,000 square foot retail center, containing additional stores and several recreation centers. Plans call for future construction of hotel, additional retail, and office buildings in connection with the Fountains at Roseville project. In addition to the Westfield Galleria and Fountains at Roseville, the City has many shopping plazas surrounding the Westfield Galleria and the Douglas Boulevard financial corridor. The City is also home to one of the largest auto malls in the United States and a popular water park, Roseville Golf and SunSplash.

Municipal Government

The City was incorporated on April 10, 1909 and is a charter city. The City operates under the council-manager form of government, with a five-member City Council elected by district for staggered four-year terms.

City services include, among others, police and fire protection, library services, street maintenance, and parks and recreation. The City also owns two golf courses and provides its own electricity, water, sewer and refuse services to its citizens.

Population

The following table sets forth population estimates for the City, County and State for the past five years.

POPULATION ESTIMATES
City, County and State
Calendar Years 2019 through 2023, as of January 1

Effective Buying Income

Effective buying income (“**EBI**”) is designated as personal income less personal tax and non-tax payments. Personal income is the aggregate of wages and salaries, other labor income (such as employer contributions to private pension funds), proprietor’s income, rental income (which includes imputed rental income of owner-occupants of non-farm dwellings), dividends paid by corporations, personal interest income from all sources, and transfer payments (such as pensions and welfare assistance). Deducted from this total are personal taxes (federal, state and local), non-tax payments (such as fines, fees, penalties), and personal contributions for social insurance. Effective buying income is a bulk measure of market potential. It indicates the general ability to buy and is essential in comparing, selecting and grouping markets on that basis. The following table demonstrates the growth in annual estimated EBI for the City, the County, the State and the United States.

EFFECTIVE BUYING INCOME (EBI) City, County, State and United States As of January 1, 2019 through 2023

Year	Area	Total Effective Buying Income (000's Omitted)	Median Household Effective Buying Income

Employment and Industry

The unemployment rate in the Sacramento--Roseville--Arden-Arcade MSA was 3.8 percent in April 2023, down from a revised 4.4 percent in March 2023, and above the year-ago estimate of 3.4 percent. This compares with an unadjusted unemployment rate of 4.3 percent for California and 3.1 percent for the nation during the same period. The unemployment rate was 3.6 percent in El Dorado County, 3.3 percent in Placer County, 3.9 percent in Sacramento County, and 4.3 percent in Yolo County.

The following table summarizes the civilian labor force, employment and unemployment, as well as employment by industry, in the Sacramento--Arden-Arcade--Roseville MSA for the years 2018 through 2022.

Transportation

The County's transportation network is an integral part of its development. Centrally located in the State, the area is the hub of several major highways. Interstate 80 runs through the County, connecting San Francisco to New York. Highway 65 runs north from I-80 to Lincoln and Marysville. Interstate 5, which is west of the County, runs north to Seattle and south to Los Angeles. In the City, the major highways in the area are Interstate 80 and Interstate 5, and State Highways 65, 50, and 99.

Union Pacific Railroad bought Southern Pacific in 1996 and the J.R. Davis Yard, located in Roseville, is the largest rail facility on the West Coast. Union Pacific owns and operates track in 23 states, primarily west of the Mississippi River. Amtrak provides passenger service daily to San Francisco and San Jose, and the California Zephyr connects the County to the Midwest and Chicago.

Greyhound operates a station in Roseville, providing interstate destination services. Greyhound also operates throughout the County, with bus depots or regularly scheduled stops in most of the communities along major highways and roads.

Sacramento International Airport is serves the Roseville area. Served by ten major carriers and several commuter airlines, as well as air freight carriers, the airport handles passenger flights to over 140 cities with more than 130 scheduled departures per day and 4.3 million passengers annually. Nearby Auburn Municipal Airport serves charter and private aircraft for coastal, state and transcontinental flights. Executive air service is available as well. Auburn Municipal has an elevation of 1,520 feet and an east/west runway 3,100 feet in length.

Several trucking companies serve the County, ranging from interstate lines to local haulers, and transporting a wide variety of goods. United Parcel Service, with a distribution center in Rocklin, offers freight transportation services as well.

APPENDIX D
FORM OF OPINION OF BOND COUNSEL

[Closing Date]

City Council
City of Roseville
311 Vernon Street
Roseville, California 95678

OPINION: \$_____ City of Roseville The Ranch at Sierra Vista Community
Facilities District No. 1 (Public Facilities) Special Tax Bonds Series 2023 _____

Members of the City Council:

We have acted as bond counsel to the City of Roseville (the "City") in connection with the issuance by the City of the \$_____ City of Roseville The Ranch at Sierra Vista Community Facilities District No. 1 (Public Facilities) Special Tax Bonds Series 2023 (the "Bonds"), pursuant to the Mello-Roos Community Facilities Act of 1982, as amended, constituting Section 53311, et seq. of the California Government Code (the "Act") and a Fiscal Agent Agreement dated as of September 1, 2020, as amended and supplemented by a Supplemental Agreement No. 1 to Fiscal Agent Agreement, dated as of December 1, 2021 and a Supplemental Agreement No. 2 to Fiscal Agent Agreement, dated as of July 1, 2023 (collectively, the "Fiscal Agent Agreement"), by and between the City, on behalf of the City of Roseville The Ranch at Sierra Vista Community Facilities District No. 1 (Public Facilities), and U.S. Bank Trust Company, National Association, as successor fiscal agent. We have examined the law and such certified proceedings and other papers as we deem necessary to render this opinion.

As to questions of fact material to our opinion, we have relied upon representations of the City contained in the Fiscal Agent Agreement, and in the certified proceedings and other certifications of public officials furnished to us, without undertaking to verify the same by independent investigation.

Based upon the foregoing, we are of the opinion, under existing law, as follows:

1. The City is duly created and validly existing as a public body, corporate and politic, with the power to adopt the resolution authorizing the issuance of the Bonds, enter into Supplemental Agreement No. 2 to Fiscal Agent Agreement, dated as of July 1, 2023, to perform the agreements on its part contained therein and in the Fiscal Agent Agreement, and to issue the Bonds.

2. The Bonds have been duly authorized, executed and delivered by the City and are valid and binding limited obligations of the City, payable solely from the sources provided therefor in the Fiscal Agent Agreement.

3. The Fiscal Agent Agreement has been duly entered into by the City and constitutes a valid and binding obligation of the City enforceable upon the City.

4. Pursuant to the Act, the Fiscal Agent Agreement creates a valid lien on the funds pledged by the Fiscal Agent Agreement.

5. The interest on the Bonds is excluded from gross income for federal income tax purposes and is not an item of tax preference for purposes of the federal alternative minimum tax. Interest on the Bonds may be subject to the corporate alternative minimum tax. The opinions set forth in the preceding sentences are subject to the condition that the City comply with all requirements of the Internal Revenue Code of 1986, as amended, relating to the exclusion from gross income for federal income tax purposes of interest on obligations such as the Bonds. The City has made certain representations and covenants in order to comply with each such requirement. Inaccuracy of those representations, or failure to comply with certain of those covenants, may cause the inclusion of such interest in gross income for federal income tax purposes, which may be retroactive to the date of issuance of the Bonds.

6. The interest on the Bonds is exempt from personal income taxation imposed by the State of California.

We express no opinion regarding any other tax consequences arising with respect to the ownership, sale or disposition of, or the amount, accrual or receipt of interest on, the Bonds.

The rights of the owners of the Bonds and the enforceability of the Bonds are limited by bankruptcy, insolvency, reorganization, moratorium and other similar laws affecting creditors' rights generally, and by equitable principles, whether considered at law or in equity.

This opinion is given as of the date hereof, and we assume no obligation to revise or supplement this opinion to reflect any facts or circumstances that may hereafter come to our attention, or any changes in law that may hereafter occur. Our engagement with respect to this matter has terminated as of the date hereof.

Respectfully submitted,

A Professional Law Corporation

APPENDIX E

FORMS OF CONTINUING DISCLOSURE UNDERTAKINGS

CONTINUING DISCLOSURE CERTIFICATE (City)

This CONTINUING DISCLOSURE CERTIFICATE (this “Disclosure Certificate”) dated as of July 1, 2023, is executed and delivered by the CITY OF ROSEVILLE (the “City”) in connection with the execution and delivery of its City of Roseville The Ranch at Sierra Vista Community Facilities District No. 1 (Public Facilities) Special Tax Bonds Series 2023 (the “Bonds”). The Bonds are being executed and delivered pursuant to a Fiscal Agent Agreement dated as of September 1, 2020, as amended and supplemented by a Supplemental Agreement No. 1 to Fiscal Agent Agreement, dated as of December 1, 2021 and a Supplemental Agreement No. 2 to Fiscal Agent Agreement, dated as of July 1, 2023 (collectively, the “Fiscal Agent Agreement”), by and between the City and U.S. Bank Trust Company, National Association, as successor fiscal agent (the “Fiscal Agent”).

The District covenants and agrees as follows:

Section 1. Purpose of the Disclosure Certificate. This Disclosure Certificate is being executed and delivered by the City for the benefit of the holders and beneficial owners of the Bonds and in order to assist the Participating Underwriter in complying with S.E.C. Rule 15c-12(b)(5).

Section 2. Definitions. In addition to the definitions set forth above and in the Fiscal Agent Agreement, which apply to any capitalized term used in this Disclosure Certificate unless otherwise defined in this Section 2, the following capitalized terms shall have the following meanings:

“Annual Report” means any Annual Report provided by the City pursuant to, and as described in, Sections 3 and 4 of this Disclosure Certificate.

“Annual Report Date” means the date that is nine months after the end of the City’s fiscal year (currently April 1 based on the City’s fiscal year end of June 30).

“Dissemination Agent” means Willdan Financial Services, or any successor Dissemination Agent designated in writing by the City and which has filed with the City a written acceptance of such designation.

“Listed Events” means any of the events listed in Section 5(a) of this Disclosure Certificate.

“MSRB” means the Municipal Securities Rulemaking Board, which has been designated by the Securities and Exchange Commission as the sole repository of disclosure information for purposes of the Rule, or any other repository of disclosure information that may be designated by the Securities and Exchange Commission as such for purposes of the Rule in the future.

“Official Statement” means the final official statement executed by the City in connection with the issuance of the Bonds.

“Participating Underwriter” shall mean any of the original underwriters of the Bonds.

“Rule” means Rule 15c2-12(b)(5) adopted by the Securities and Exchange Commission under the Securities Exchange Act of 1934, as it may be amended from time to time.

Section 3. Provision of Annual Reports.

(a) The City shall, or shall cause the Dissemination Agent to, not later than the Annual Report Date, commencing April 1, 2024, with the report for the 2022-23 fiscal year, provide to the MSRB, in an electronic format as prescribed by the MSRB, an Annual Report that is consistent with the requirements of Section 4 of this Disclosure Certificate. Not later than 15 Business Days prior to the Annual Report Date, the City shall provide the Annual Report to the Dissemination Agent (if other than the City). If by 15 Business Days prior to the Annual Report Date the Dissemination Agent (if other than the City) has not received a copy of the Annual Report, the Dissemination Agent shall contact the City to determine if the City is in compliance with the previous sentence. The Annual Report may be submitted as a single document or as separate documents comprising a package, and may include by reference other information as provided in Section 4 of this Disclosure Certificate; provided that the audited financial statements of the City may be submitted separately from the balance of the Annual Report, and later than the Annual Report Date, if not available by that date. If the City’s fiscal year changes, it shall give notice of such change in the same manner as for a Listed Event under Section 5(b). The City shall provide a written certification with each Annual Report furnished to the Dissemination Agent to the effect that such Annual Report constitutes the Annual Report required to be furnished by the City hereunder.

(b) If the City does not provide (or cause the Dissemination Agent to provide) an Annual Report by the Annual Report Date, the City shall provide (or cause the Dissemination Agent to provide) in a timely manner to the MSRB, in an electronic format as prescribed by the MSRB, a notice in substantially the form attached as Exhibit A to this Disclosure Certificate.

(c) With respect to each Annual Report, the Dissemination Agent shall:

(i) determine prior to each Annual Report Date the then-applicable rules and electronic format prescribed by the MSRB for the filing of annual continuing disclosure reports; and

(ii) if the Dissemination Agent is other than the City, file a report with the City certifying that the Annual Report has been provided pursuant to this Disclosure Certificate, and stating the date it was provided.

Section 4. Content of Annual Reports. The City’s Annual Report shall contain or incorporate by reference the following:

(a) The City’s audited financial statements prepared in accordance with generally accepted accounting principles as promulgated to apply to governmental entities from time to time by the Governmental Accounting Standards Board. If the City’s audited financial statements are not available by the Annual Report Date, the Annual Report shall contain unaudited financial statements in a format similar to the financial statements contained in the Official Statement, and

the audited financial statements shall be filed in the same manner as the Annual Report when they become available.

(b) The following information, unless otherwise specified, as of September 30 of the preceding year:

(i) Principal amount of all outstanding bonds of the District.

(ii) Balance in the Improvement Fund.

(iii) Balance in each reserve account of the Reserve Fund, and statement of the Reserve Requirement for the Bonds. Statement of projected draws on any reserve account in the Reserve Fund, if any.

(iv) Balance in other funds and accounts held by the City or fiscal agent related to the Bonds.

(v) Additional debt authorized by the City and payable from or secured by assessments or special taxes with respect to property within the District.

(vi) The Special Tax levy, the delinquency rate, total amount of delinquencies, number of parcels delinquent in payment for the five most recent fiscal years.

(vii) Notwithstanding the September 30 reporting date, the following information shall be reported as of the last day of the month immediately preceding the date of the Annual Report rather than as of September 30. Identity of each delinquent taxpayer responsible for 5 percent or more of total Special Tax levied, and the following information: assessor parcel number, assessed value of applicable properties, amount of Special Tax levied, amount delinquent by parcel number and status of foreclosure proceedings. If any foreclosure has been completed, summary of results of foreclosure sales or transfers.

(viii) Most recently available total assessed value of all parcels subject to the Special Tax.

(ix) List of landowners and assessor's parcel number of parcels subject to 20% or more of the Special Tax levy including the following information: development status to the extent shown in City records, land use classification, assessed value (land and improvements).

(c) In addition to any of the information expressly required to be provided under this Disclosure Certificate, the City shall provide such further material information, if any, as may be necessary to make the specifically required statements, in the light of the circumstances under which they are made, not misleading.

(d) Any or all of the items listed above may be included by specific reference to other documents, including official statements of debt issues of the City or related public entities, which are available to the public on the MSRB's Internet web site or filed with the Securities and Exchange Commission. The City shall clearly identify each such other document so included by reference.

Section 5. Reporting of Significant Events.

(a) The City shall give, or cause to be given, notice of the occurrence of any of the following Listed Events with respect to the Bonds:

- (1) Principal and interest payment delinquencies.
- (2) Non-payment related defaults, if material.
- (3) Unscheduled draws on debt service reserves reflecting financial difficulties.
- (4) Unscheduled draws on credit enhancements reflecting financial difficulties.
- (5) Substitution of credit or liquidity providers, or their failure to perform.
- (6) Adverse tax opinions, the issuance by the Internal Revenue Service of proposed or final determinations of taxability, Notices of Proposed Issue (IRS Form 5701-TEB) or other material notices or determinations with respect to the tax status of the security, or other material events affecting the tax status of the security.
- (7) Modifications to rights of security holders, if material.
- (8) Bond calls, if material, and tender offers.
- (9) Defeasances.
- (10) Release, substitution, or sale of property securing repayment of the securities, if material.
- (11) Rating changes.
- (12) Bankruptcy, insolvency, receivership or similar event of the City or other obligated person.
- (13) The consummation of a merger, consolidation, or acquisition involving the City or an obligated person, or the sale of all or substantially all of the assets of the City or an obligated person (other than in the ordinary course of business), the entry into a definitive agreement to undertake such an action, or the termination of a definitive agreement relating to any such actions, other than pursuant to its terms, if material.
- (14) Appointment of a successor or additional fiscal agent or the change of name of the fiscal agent, if material.
- (15) Incurrence of a financial obligation of the City, if material, or agreement to covenants, events of default, remedies, priority rights, or other similar terms of a financial obligation of the City, any of which affect

security holders, if material (for the definition of “financial obligation,” see clause (e)).

(16) Default, event of acceleration, termination event, modification of terms, or other similar events under the terms of a financial obligation of the City, any of which reflect financial difficulties (for the definition of “financial obligation,” see clause (e)).

(b) Whenever the City obtains knowledge of the occurrence of a Listed Event, the City shall, or shall cause the Dissemination Agent (if not the City) to, file a notice of such occurrence with the MSRB, in an electronic format as prescribed by the MSRB, in a timely manner not in excess of 10 business days after the occurrence of the Listed Event. Notwithstanding the foregoing, notice of Listed Event described in subsection (a)(8) above need not be given under this subsection any earlier than the notice (if any) of the underlying event is given to holders of affected Bonds under the Fiscal Agent Agreement.

(c) The City acknowledges that the events described in subparagraphs (a)(2), (a)(7), (a)(8) (if the event is a bond call), (a)(10), (a)(13), (a)(14) and (a)(15) of this Section 5 contain the qualifier “if material” and that subparagraph (a)(6) also contains the qualifier “material” with respect to certain notices, determinations or other events affecting the tax status of the Bonds. The City shall cause a notice to be filed as set forth in paragraph (b) above with respect to any such event only to the extent that it determines the event’s occurrence is material for purposes of U.S. federal securities law. Whenever the City obtains knowledge of the occurrence of any of these Listed Events, the City will as soon as possible determine if such event would be material under applicable federal securities law. If such event is determined to be material, the City will cause a notice to be filed as set forth in paragraph (b) above. The Dissemination Agent shall not be responsible for determining whether an event is material.

(d) For purposes of this Disclosure Certificate, any event described in paragraph (a)(12) above is considered to occur when any of the following occur: the appointment of a receiver, fiscal agent, or similar officer for the City in a proceeding under the United States Bankruptcy Code or in any other proceeding under state or federal law in which a court or governmental authority has assumed jurisdiction over substantially all of the assets or business of the City, or if such jurisdiction has been assumed by leaving the existing governing body and officials or officers in possession but subject to the supervision and orders of a court or governmental authority, or the entry of an order confirming a plan of reorganization, arrangement, or liquidation by a court or governmental authority having supervision or jurisdiction over substantially all of the assets or business of the City.

(e) For purposes of Section 5(a)(15) and (16), “financial obligation” means a (i) debt obligation; (ii) derivative instrument entered into in connection with, or pledged as security or a source of payment for, an existing or planned debt obligation; or (iii) guarantee of (i) or (ii). The term financial obligation shall not include municipal securities as to which a final official statement has been provided to the MSRB consistent with the Rule.

Section 6. Identifying Information for Filings with the MSRB. All documents provided to the MSRB pursuant to this Disclosure Certificate shall be accompanied by identifying information as prescribed by the MSRB.

Section 7. Termination of Reporting Obligation. The City’s obligations under this Disclosure Certificate shall terminate upon the legal defeasance, prior redemption or payment in

full of all of the Bonds. If such termination occurs prior to the final maturity of the Bonds, the City shall give notice of such termination in the same manner as for a Listed Event under Section 5(b).

Section 8. Dissemination Agent. The City may, from time to time, appoint or engage a Dissemination Agent to assist it in carrying out its obligations under this Disclosure Certificate, and may discharge any Dissemination Agent, with or without appointing a successor Dissemination Agent. Any Dissemination Agent may resign by providing 30 days' written notice to the City.

Section 9. Amendment; Waiver. Notwithstanding any other provision of this Disclosure Certificate, the City may amend this Disclosure Certificate, and any provision of this Disclosure Certificate may be waived, provided that the following conditions are satisfied:

- (a) if the amendment or waiver relates to the provisions of Sections 3(a), 4 or 5(a), it may only be made in connection with a change in circumstances that arises from a change in legal requirements, change in law, or change in the identity, nature, or status of an obligated person with respect to the Bonds, or type of business conducted;
- (b) the undertakings herein, as proposed to be amended or waived, would, in the opinion of nationally recognized bond counsel, have complied with the requirements of the Rule at the time of the primary offering of the Bonds, after taking into account any amendments or interpretations of the Rule, as well as any change in circumstances; and
- (c) the proposed amendment or waiver either (i) is approved by holders of the Bonds in the manner provided in the Fiscal Agent Agreement for amendments to the Fiscal Agent Agreement with the consent of holders, or (ii) does not, in the opinion of nationally recognized bond counsel, materially impair the interests of the holders or beneficial owners of the Bonds.

If the annual financial information or operating data to be provided in the Annual Report is amended pursuant to the provisions hereof, the first Annual Report filed pursuant hereto containing the amended operating data or financial information shall explain, in narrative form, the reasons for the amendment and the impact of the change in the type of operating data or financial information being provided.

If an amendment is made to this Disclosure Certificate modifying the accounting principles to be followed in preparing financial statements, the Annual Report for the year in which the change is made shall present a comparison between the financial statements or information prepared on the basis of the new accounting principles and those prepared on the basis of the former accounting principles. The comparison shall include a qualitative discussion of the differences in the accounting principles and the impact of the change in the accounting principles on the presentation of the financial information, in order to provide information to investors to enable them to evaluate the ability of the City to meet its obligations. To the extent reasonably feasible, the comparison shall be quantitative.

A notice of any amendment made pursuant to this Section 9 shall be filed in the same manner as for a Listed Event under Section 5(b).

Section 10. Additional Information. Nothing in this Disclosure Certificate shall be deemed to prevent the City from disseminating any other information, using the means of dissemination set forth in this Disclosure Certificate or any other means of communication, or including any other

information in any Annual Report or notice of occurrence of a Listed Event, in addition to that which is required by this Disclosure Certificate. If the City chooses to include any information in any Annual Report or notice of occurrence of a Listed Event in addition to that which is specifically required by this Disclosure Certificate, the City shall have no obligation under this Disclosure Certificate to update such information or include it in any future Annual Report or notice of occurrence of a Listed Event.

Section 11. Default. If the City fails to comply with any provision of this Disclosure Certificate, the Participating Underwriter or any holder or beneficial owner of the Bonds may take such actions as may be necessary and appropriate, including seeking mandate or specific performance by court order, to cause the City to comply with its obligations under this Disclosure Certificate. A default under this Disclosure Certificate shall not be deemed an Event of Default under the Fiscal Agent Agreement, and the sole remedy under this Disclosure Certificate in the event of any failure of the City to comply with this Disclosure Certificate shall be an action to compel performance.

Section 12. Duties, Immunities and Liabilities of Dissemination Agent.

(a) The Dissemination Agent shall have only such duties as are specifically set forth in this Disclosure Certificate, and the City agrees to indemnify and save the Dissemination Agent, its officers, directors, employees and agents, harmless against any loss, expense and liabilities which they may incur arising out of or in the exercise or performance of its powers and duties hereunder, including the costs and expenses (including attorneys' fees) of defending against any claim of liability, but excluding liabilities due to the Dissemination Agent's negligence or willful misconduct. The Dissemination Agent shall have no duty or obligation to review any information provided to it by the City hereunder and shall not be deemed to be acting in any fiduciary capacity for the City, the Bond holders, or any other party. The obligations of the City under this Section shall survive resignation or removal of the Dissemination Agent and payment of the Bonds.

(b) The Dissemination Agent shall be paid compensation by the City for its services provided hereunder in accordance with its schedule of fees as amended from time to time, and shall be reimbursed for all expenses, legal fees and advances made or incurred by the Dissemination Agent in the performance of its duties hereunder.

Section 13. Beneficiaries. This Disclosure Certificate shall inure solely to the benefit of the City, the Dissemination Agent, the Participating Underwriter and the holders and beneficial owners from time to time of the Bonds, and shall create no rights in any other person or entity.

Section 14. Counterparts. This Disclosure Certificate may be executed in several counterparts, each of which shall be regarded as an original, and all of which shall constitute one and the same instrument.

IN WITNESS WHEREOF, the parties hereto have executed this Disclosure Certificate as of the date first above written.

FORM OF CONTINUING DISCLOSURE CERTIFICATE (Developer)

THIS CONTINUING DISCLOSURE AGREEMENT (the “Disclosure Certificate”) dated as of July 1, 2023, is executed by Sierra Vista Communities, LLC, a California limited liability company (the “Master Developer”) in connection with the execution and delivery by the City of Roseville of its City of Roseville The Ranch at Sierra Vista Community Facilities District No. 1 (Public Facilities) Special Tax Bonds Series 2023 (the “Bonds”). The Bonds are being executed and delivered pursuant to a Fiscal Agent Agreement, dated as of September 1, 2020, as amended and supplemented by a Supplemental Agreement No. 1 to Fiscal Agent Agreement, dated as of December 1, 2021 and a Supplemental Agreement No. 2 to Fiscal Agent Agreement, dated as of July 1, 2023 (together, the “Fiscal Agent Agreement”), by and between the City and U.S. Bank Trust Company, National Association, as successor fiscal agent (the “Fiscal Agent”).

The Master Developer covenants and agrees as follows:

Section 1. Purpose of the Disclosure Certificate. This Disclosure Certificate is being executed and delivered by the Master Developer for the benefit of the holders and beneficial owners of the Bonds.

Section 2. Definitions. In addition to the definitions set forth above and in the Fiscal Agent Agreement, which apply to any capitalized term used in this Disclosure Certificate unless otherwise defined in this Section, the following capitalized terms shall have the following meanings:

“Affiliate” of another Person means (a) a Person directly or indirectly owning, controlling, or holding with power to vote, 5% or more of the outstanding voting securities of such other Person, (b) any Person, 5% or more of whose outstanding voting securities are directly or indirectly owned, controlled, or held with power to vote, by such other Person, and (c) any Person directly or indirectly controlling, controlled by, or under common control with, such other Person. For purposes hereof, “control” means the power to exercise a controlling influence over the management or policies of a Person, unless such power is solely the result of an official position with such Person. For purposes of this Disclosure Certificate, Lennar Homes shall be considered an Affiliate of the Master Developer, and the Master Developer will provide information pursuant to this Disclosure Certificate regarding Lennar Homes and the Property owned by Lennar Homes.

“Assumption Agreement” means an undertaking of a Major Owner, or an Affiliate thereof, for the benefit of the holders and beneficial owners of the Bonds containing terms substantially similar to this Disclosure Certificate (as modified for such Major Owner’s development and financing plans with respect to the District), whereby such Major Owner or Affiliate agrees to provide periodic reports and notices of significant events, setting forth the information described in sections 4 and 5 hereof, respectively, with respect to the portion of the property in the District owned by such Major Owner and its Affiliates and, at the option of the Master Developer or such Major Owner, agrees to indemnify the Dissemination Agent (if any) pursuant to a provision substantially in the form of Section 11 hereof. Notwithstanding the foregoing, the sale of all or a portion of the Property to Lennar Homes shall not require an Assumption Agreement because the Master Developer has agreed to provide information on Lennar Homes and its property under this Disclosure Certificate.

“Dissemination Agent” means a dissemination agent designated in writing by the Master Developer, and which has filed with the Master Developer and the City a written acceptance of

such designation, and which is experienced in providing dissemination agent services such as those required under this Disclosure Certificate. The initial Dissemination Agent shall be the Master Developer.

“District” means the City of Roseville The Ranch at Sierra Vista Community Facilities District No. 1 (Public Facilities).

“Lennar Homes” means Lennar Homes of California, LLC, a California limited liability company.

“Listed Events” means any of the events listed in Section 5(a) of this Disclosure Certificate.

“Major Owner” means, as of any Report Date, an owner of land in the District that (i) is to be developed into 110 or more residential lots or (ii) is responsible in the aggregate for 20% or more of the Special Taxes in the District anticipated to be levied at any time during the then-current fiscal year.

“MSRB” means the Municipal Securities Rulemaking Board, which has been designated by the Securities and Exchange Commission as the sole repository of disclosure information for purposes of the Rule, or any other repository of disclosure information that may be designated by the Securities and Exchange Commission as such for purposes of the Rule in the future.

“Official Statement” means the final official statement executed by the City in connection with the issuance of the Bonds.

“Participating Underwriter” means Stifel, Nicolaus & Company, Incorporated, the original Underwriter of the Bonds.

“Periodic Report” means any Periodic Report provided by the Master Developer pursuant to, and as described in, Sections 3 and 4 of this Disclosure Certificate.

“Person” means an individual, a corporation, a partnership, a limited liability company, an association, a joint stock company, a trust, any unincorporated organization or a government or political subdivision thereof.

“Property” means the property owned by the Master Developer or Lennar Homes in the District.

“Report Date” means May 1 and November 1 of any fiscal year.

“Rule” means Rule 15c2-12(b)(5) adopted by the Securities and Exchange Commission under the Securities Exchange Act of 1934, as the same may be amended from time to time.

“Special Taxes” means the special taxes of the District levied on taxable property within the District.

Section 3. Provision of Periodic Reports.

(a) Until the Master Developer’s obligations under this Disclosure Certificate are terminated in accordance with Section 6 herein, the Master Developer shall, or, upon written direction of the Master Developer the Dissemination Agent shall, not later than the Report Date,

commencing November 1, 2023, file or cause to be filed with the MSRB a Periodic Report which is consistent with the requirements of Section 4 of this Disclosure Certificate with a copy to the Participating Underwriter and the City. Not later than 15 calendar days prior to the Report Date, the Master Developer shall provide the Periodic Report to the Dissemination Agent (if different from the Master Developer). The Master Developer shall provide a written certification with (or included as a part of) each Periodic Report furnished to the Dissemination Agent (if different from the Master Developer), the Participating Underwriter and the City to the effect that such Periodic Report constitutes the Periodic Report required to be furnished by it under this Disclosure Certificate. The Dissemination Agent, the Participating Underwriter and the City may conclusively rely upon such certification of the Master Developer and shall have no duty or obligation to review the Periodic Report. The Periodic Report may be submitted as a single document or as separate documents comprising a package, and may incorporate by reference other information as provided in Section 4 of this Disclosure Certificate.

(b) If the Dissemination Agent does not receive a Periodic Report by 15 calendar days prior to the Report Date, the Dissemination Agent shall send a reminder notice to the Master Developer that the Periodic Report has not been provided as required under Section 3(a) above. The reminder notice shall instruct the Master Developer to determine whether its obligations under this Disclosure Certificate have terminated (pursuant to Section 6 below) and, if so, to provide the Dissemination Agent with a notice of such termination in the same manner as for a Listed Event (pursuant to Section 5 below). If the Master Developer does not provide, or cause the Dissemination Agent to provide, a Periodic Report to the MSRB by the Report Date as required in subsection (a) above, the Dissemination Agent shall, in a timely manner, send a notice to the MSRB in substantially the form attached hereto as Exhibit A, with a copy to the City and the Participating Underwriter.

(c) With respect to the Periodic Report, the Dissemination Agent shall, to the extent the Periodic Report has been furnished to it, file the Periodic Report with the MSRB and file a report with the Master Developer (if the Dissemination Agent is other than the Master Developer), the City and the Participating Underwriter certifying that the Periodic Report has been provided pursuant to this Disclosure Certificate, stating the date it was provided to and filed with the MSRB.

Section 4. Content of Periodic Reports. The Master Developer's Periodic Report shall contain or incorporate by reference the information set forth in Exhibit B relating to the Master Developer (which information shall track the format of Table 2 to the Official Statement, to the extent possible), any or all of which may be included by specific reference to other documents, including official statements of debt issues, which have been submitted to the MSRB or the Securities and Exchange Commission. If the document included by reference is a final official statement, it must be available from the MSRB. The Master Developer shall clearly identify each such other document so included by reference.

In addition to any of the information expressly required to be provided in Exhibit B, the Master Developer's Periodic Report shall include such further information, if any, as may be necessary to make the statements required by Exhibit B, in the light of the circumstances under which they are made, not misleading.

Section 5. Reporting of Significant Events.

(a) Until the Master Developer's obligations under this Disclosure Certificate are terminated in accordance with Section 6 herein, the Master Developer shall give, or cause to be

given, notice of the occurrence of any of the following Listed Events with respect to itself or the Property, if material:

(i) bankruptcy or insolvency proceedings commenced by or against the Master Developer and Lennar Homes and, if known, any bankruptcy or insolvency proceedings commenced by or against any Affiliate of the Master Developer that is reasonably likely to have a significant impact on the Master Developer's or Lennar Homes' ability to pay Special Taxes or to sell or develop the Property;

(ii) failure to pay any taxes, special taxes (including the Special Taxes) or assessments due with respect to the Property owned by the Master Developer or Lennar Homes on or prior to the delinquency date;

(iii) filing of a lawsuit of which the Master Developer is aware against the Master Developer, Lennar Homes, or an Affiliate seeking damages, which is reasonably likely to have a significant impact on the Master Developer's or Lennar Homes' ability to pay Special Taxes or to sell or develop the Property;

(iv) material damage to or destruction of any of the improvements on the Property; and

(v) any payment default or other material default by the Master Developer or Lennar Homes on any loan with respect to the construction of improvements on the Property.

(b) Whenever the Master Developer obtains knowledge of the occurrence of a Listed Event, the Master Developer shall as soon as possible determine if such event would be material under applicable Federal securities law.

(c) If the Master Developer determines that knowledge of the occurrence of a Listed Event would be material under applicable Federal securities law, the Master Developer shall, or shall cause the Dissemination Agent to, promptly file a notice of such occurrence with the MSRB, with a copy to the City and the Participating Underwriter.

Section 6. Duration of Reporting Obligation.

(a) All the Master Developer's obligations hereunder shall commence on the date hereof and terminate (except as provided in Section 11) on the earliest to occur of the following:

(i) upon the legal defeasance, prior redemption or payment in full of all the Bonds, or

(ii) the earlier of (i) the date that the property owned by the Master Developer and Lennar Homes combined is responsible for less than 20% of the special tax levy in the District or (ii) the date that the Master Developer and Lennar Homes combined own less than 110 residential lots in the District (or property that may be subdivided into less than 110 residential lots in the District), or

(iii) the date on which the Master Developer prepays in full all of the Special Taxes attributable to the Property owned by the Master Developer and Lennar Homes.

The Master Developer shall give notice of the termination of its obligations under this Disclosure Certificate in the same manner as for a Listed Event under Section 5.

(b) If a portion of the Property owned by the Master Developer, or any Affiliate of the Master Developer, is conveyed to a Person that, upon such conveyance, will be a Major Owner, the obligations of the Master Developer hereunder with respect to the property in the District owned by such Major Owner and its Affiliates may be assumed by such Major Owner or by an Affiliate thereof, and if so assumed the Master Developer's obligations hereunder with respect to such portion of the Property will be terminated. In order to effect such an assumption, such Major Owner or Affiliate shall enter into an Assumption Agreement. If not so assumed, the Master Developer shall report the information, as applicable to the transferee, required herein so long as the transferee is a Major Owner.

Section 7. Dissemination Agent. The Master Developer may, from time to time, appoint or engage a Dissemination Agent to assist the Master Developer in carrying out its obligations under this Disclosure Certificate, and may discharge any such Dissemination Agent, with or without appointing a successor Dissemination Agent. The Dissemination Agent may resign by providing thirty days' written notice to the City, the Master Developer and the Participating Underwriter.

Section 8. Amendment; Waiver. Notwithstanding any other provision of this Disclosure Certificate, the Master Developer may amend this Disclosure Certificate, and any provision of this Disclosure Certificate may be waived, provided that the following conditions are satisfied (provided, however, that the Dissemination Agent shall not be obligated under any such amendment that modifies or increases its duties or obligations hereunder without its written consent thereto):

(a) if the amendment or waiver relates to the provisions of sections 3(a), 4 or 5(a), it may only be made in connection with a change in circumstances that arises from a change in legal requirements, change in law, or change in the identity, nature, or status of an obligated person with respect to the Bonds, or type of business conducted; and

(b) the proposed amendment or waiver either (i) is approved by holders of the Bonds in the manner provided in the Fiscal Agent Agreement, with the consent of holders, or (ii) does not, in the opinion of nationally recognized bond counsel, materially impair the interests of the holders or beneficial owners of the Bonds.

Section 9. Additional Information. Nothing in this Disclosure Certificate shall be deemed to prevent the Master Developer from disseminating any other information, using the means of dissemination set forth in this Disclosure Certificate or any other means of communication, or including any other information in any Periodic Report or notice of occurrence of a Listed Event, in addition to that which is required by this Disclosure Certificate. If the Master Developer chooses to include any information in any Periodic Report or notice of occurrence of a Listed Event in addition to that which is specifically required by this Disclosure Certificate, the Master Developer shall have no obligation under this Disclosure Certificate to update such information or include it in any future Periodic Report or notice of occurrence of a Listed Event.

Section 10. Default. In the event of a failure of the Master Developer to comply with any provision of this Disclosure Certificate, the Participating Underwriter and any holder or beneficial owner of the Bonds may, take such actions as may be necessary and appropriate, including seeking mandate or specific performance by court order, to cause the Master Developer to comply

with its obligations under this Disclosure Certificate. A default under this Disclosure Certificate shall not be deemed an Event of Default under the Fiscal Agent Agreement, and the sole and exclusive remedy under this Disclosure Certificate in the event of any failure of the Master Developer to comply with this Disclosure Certificate shall be an action to compel performance.

Section 11. Duties, Immunities and Liabilities of Dissemination Agent. The Dissemination Agent shall have only such duties as are specifically set forth in this Disclosure Certificate, and the Master Developer agrees to indemnify and save the Dissemination Agent, its officers, directors, employees and agents (each, an "Indemnified Party"), harmless against any loss, expense and liabilities which it may incur arising out of or in the exercise or performance of its powers and duties hereunder, including the reasonable costs and expenses (including attorneys' fees) of defending against any claim of liability, but excluding loss, liabilities, costs and expenses due to an Indemnified Party's negligence or willful misconduct or failure to perform its duties hereunder. If the Dissemination Agent is someone other than the Master Developer, the Dissemination Agent shall be paid compensation for its services provided hereunder in accordance with its schedule of fees as amended from time to time, which schedule, as amended, shall be reasonably acceptable, and all reasonable expenses, reasonable legal fees and advances made or incurred by the Dissemination Agent in the performance of its duties hereunder. If the Dissemination Agent is someone other than the Master Developer, the Dissemination Agent shall have no duty or obligation to review any information provided to it hereunder. The Dissemination Agent shall not be deemed to be acting in any fiduciary capacity for the City, the Master Developer, the Bond owners, or any other party. The obligations of the Master Developer under this Section shall survive resignation or removal of the Dissemination Agent and payment of the Bonds.

Section 12. Notices. Any notice or communications to be among any of the parties to this Disclosure Certificate may be given by regular, overnight or electronic mail as follows:

To the Master Developer	Sierra Vista Communities, LLC 1025 Creekside Ridge Drive, Suite 240 Roseville, CA 95678 Email: Larry.Gualco@Lennar.com Email: Jack.Sevey@Lennar.com
To the Issuer/City:	City of Roseville 311 Vernon Street Roseville, CA 95678 Attn: CFD Administrator Email: jthrash@roseville.ca.us
To the Participating Underwriter:	Stifel, Nicolaus & Company, Incorporated One Montgomery Street San Francisco, CA 94104 Attn: Eileen Gallagher Email: egallagher@stifel.com

Any person may, by written notice to the other persons listed above, designate a different address or telephone number(s) to which subsequent notices or communications should be sent.

Section 13. Beneficiaries. This Disclosure Certificate shall inure solely to the benefit of the City, the Master Developer (its successors and assigns), the Dissemination Agent, the Participating Underwriter and holders and beneficial owners from time to time of the Bonds, and shall create no rights in any other person or entity. All obligations of the Master Developer hereunder shall be assumed by any legal successor to the obligations of the Master Developer as a result of a sale, merger, consolidation or other reorganization.

Section 14. Counterparts. This Disclosure Certificate may be executed in several counterparts, each of which shall be an original and all of which shall constitute but one and the same instrument.

IN WITNESS WHEREOF, the Master Developer has executed this Disclosure Certificate as of the date first above written.

EXHIBIT B
PERIODIC REPORT

This Periodic Report is hereby submitted under Section 4 of the Continuing Disclosure Certificate (the "Disclosure Certificate") dated July 1, 2023, executed by the undersigned (the "Master Developer") in connection with the issuance of the Bonds by the City of Roseville (the "City") with respect to its City of Roseville The Ranch at Sierra Vista Community Facilities District No. 1 (Public Facilities) (the "District").

Capitalized terms used in this Periodic Report but not otherwise defined have the meanings given to them in the Disclosure Certificate.

I. Property Ownership and Development

The information in this section is provided as of _____ (this date must be not more than 60 days before the date that this Periodic Report is due for filing).

A. Property currently owned by the Master Developer and Lennar Homes in the District (the "Property"):

Development name: _____

Number of lots (acreage, if un-subdivided): _____

B. Status of land development or construction activities:

C. Status of building permits and any significant amendments to land use or development entitlements:

D. Aggregate property sold, optioned or leased by the Master Developer and Lennar Homes to end users or merchant builders:

Since the Date of Issuance
of the Bonds

Since the Last Periodic
Report

Acres* _____
Lots _____
Bldg. Sq. Ft. _____

Acres* _____
Lots _____
Bldg. Sq. Ft. _____

* For bulk land sales only (excluding sales of finished lots or completed buildings).

E. Status of any land purchase contracts with regard to the Property, whether acquisition of land in the District by the Master Developer or sales of land in the District to other

property owners, distinguishing between (i) end users (e.g., condominiums), (ii) developers and (iii) merchant builders.

II. Legal and Financial Status of Master Developer and Lennar Homes

Unless such information has previously been included or incorporated by reference in a Periodic Report, describe any change in the legal structure of the Master Developer and Lennar Homes or the financial condition and financing plan of the Master Developer and Lennar Homes that would materially and adversely interfere with its ability to complete its development plan described in the Official Statement.

III. Change in Development or Financing Plans

Unless such information has previously been included or incorporated by reference in a Periodic Report, describe any development plans or financing plans relating to the Property *that are materially different from* the proposed development and financing plan described in the Official Statement.

IV. Official Statement Updates

Unless such information has previously been included or incorporated by reference in a Periodic Report, describe any other significant changes in the information relating to the Master Developer and Lennar Homes or the Property contained in the Official Statement under the heading "OWNERSHIP OF PROPERTY WITHIN THE DISTRICT" that would materially and adversely interfere with the Master Developer's or Lennar Homes' ability to develop and sell the Property as described in the Official Statement.

V. Other Material Information

In addition to any of the information expressly required above, provide such further information, if any, as may be necessary to make the specifically required statements, in the light of the circumstances under which they are made, not misleading.

Certification

The undersigned Master Developer hereby certifies that this Periodic Report constitutes the Periodic Report required to be furnished by the Master Developer under the Disclosure Certificate.

ANY STATEMENTS REGARDING THE MASTER DEVELOPER, THE DEVELOPMENT OF THE PROPERTY, THE MASTER DEVELOPER'S FINANCING PLAN OR FINANCIAL CONDITION, OR THE BONDS, OTHER THAN STATEMENTS MADE BY THE MASTER DEVELOPER IN AN OFFICIAL RELEASE, OR FILED WITH THE MUNICIPAL SECURITIES RULEMAKING BOARD, ARE NOT AUTHORIZED BY THE MASTER DEVELOPER. THE MASTER DEVELOPER IS NOT RESPONSIBLE FOR THE ACCURACY, COMPLETENESS OR FAIRNESS OF ANY SUCH UNAUTHORIZED STATEMENTS.

THE MASTER DEVELOPER HAS NO OBLIGATION TO UPDATE THIS PERIODIC REPORT OTHER THAN AS EXPRESSLY PROVIDED IN THE DISCLOSURE CERTIFICATE.

APPENDIX F

SUMMARY OF CERTAIN PROVISIONS OF FISCAL AGENT AGREEMENT

APPENDIX G

DTC AND THE BOOK-ENTRY ONLY SYSTEM

The following description of the Depository Trust Company (“DTC”), the procedures and record keeping with respect to beneficial ownership interests in the 2023 Bonds, payment of principal, interest and other payments on the 2023 Bonds (herein, the “Securities”) to DTC Participants or Beneficial Owners, confirmation and transfer of beneficial ownership interest in the Securities and other related transactions by and between DTC, the DTC Participants and the Beneficial Owners is based solely on information provided by DTC. Accordingly, no representations can be made concerning these matters and neither the DTC Participants nor the Beneficial Owners should rely on the foregoing information with respect to such matters, but should instead confirm the same with DTC or the DTC Participants, as the case may be.

Neither the issuer of the Securities (the “Issuer”) nor the fiscal agent appointed with respect to the Securities (the “Agent”) takes any responsibility for the information contained in this Appendix.

No assurances can be given that DTC, Direct Participants or Indirect Participants will distribute to the Beneficial Owners (a) payments of interest, principal or premium, if any, with respect to the Securities, (b) certificates representing ownership interest in or other confirmation or ownership interest in the Securities, or (c) redemption or other notices sent to DTC or Cede & Co., its nominee, as the registered owner of the Securities, or that they will so do on a timely basis, or that DTC, Direct Participants or Indirect Participants will act in the manner described in this Appendix. The current “Rules” applicable to DTC are on file with the Securities and Exchange Commission and the current “Procedures” of DTC to be followed in dealing with DTC Participants are on file with DTC.

1. The Depository Trust Company (“DTC”) will act as securities depository for the securities (the “Securities”). The Securities will be issued as fully-registered securities registered in the name of Cede & Co. (DTC’s partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully-registered Security certificate will be issued for each issue of the Securities, each in the aggregate principal amount of such issue, and will be deposited with DTC. If, however, the aggregate principal amount of any issue exceeds \$500 million, one certificate will be issued with respect to each \$500 million of principal amount, and an additional certificate will be issued with respect to any remaining principal amount of such issue.

2. DTC, the world’s largest securities depository, is a limited-purpose trust company organized under the New York Banking Law, a “banking organization” within the meaning of the New York Banking Law, a member of the Federal Reserve System, a “clearing corporation” within the meaning of the New York Uniform Commercial Code, and a “clearing agency” registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments (from over 100 countries) that DTC’s participants (“Direct Participants”) deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities through electronic computerized book-entry transfers and pledges between Direct Participants’ accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation (“DTCC”). DTCC is the holding

company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("Indirect Participants"). DTC has a Standard & Poor's rating of AA+. The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at www.dtcc.com. *The information contained on this Internet site is not incorporated herein by reference.*

3. Purchases of Securities under the DTC system must be made by or through Direct Participants, which will receive a credit for the Securities on DTC's records. The ownership interest of each actual purchaser of each Security ("Beneficial Owner") is in turn to be recorded on the Direct and Indirect Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Securities are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in Securities, except in the event that use of the book-entry system for the Securities is discontinued.

4. To facilitate subsequent transfers, all Securities deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of Securities with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Securities; DTC's records reflect only the identity of the Direct Participants to whose accounts such Securities are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

5. Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. Beneficial Owners of Securities may wish to take certain steps to augment the transmission to them of notices of significant events with respect to the Securities, such as redemptions, tenders, defaults, and proposed amendments to the Security documents. For example, Beneficial Owners of Securities may wish to ascertain that the nominee holding the Securities for their benefit has agreed to obtain and transmit notices to Beneficial Owners. In the alternative, Beneficial Owners may wish to provide their names and addresses to the registrar and request that copies of notices be provided directly to them.

6. Redemption notices shall be sent to DTC. If less than all of the Securities within an issue are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such issue to be redeemed.

7. Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to Securities unless authorized by a Direct Participant in accordance with DTC's MMI Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to Issuer as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting

rights to those Direct Participants to whose accounts Securities are credited on the record date (identified in a listing attached to the Omnibus Proxy).

8. Redemption proceeds, distributions, and dividend payments on the Securities will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detail information from Issuer or Agent, on payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC, Agent, or Issuer, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of redemption proceeds, distributions, and dividend payments to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of Issuer or Agent, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.

9. DTC may discontinue providing its services as depository with respect to the Securities at any time by giving reasonable notice to Issuer or Agent. Under such circumstances, in the event that a successor depository is not obtained, Security certificates are required to be printed and delivered.

10. Issuer may decide to discontinue use of the system of book-entry-only transfers through DTC (or a successor securities depository). In that event, Security certificates will be printed and delivered to DTC.

11. The information in this section concerning DTC and DTC's book-entry system has been obtained from sources that Issuer believes to be reliable, but Issuer and Agent take no responsibility for the accuracy thereof.

EXHIBIT A - FORM OF 2023 BONDS

SUPPLEMENTAL AGREEMENT NO. 2 TO FISCAL AGENT AGREEMENT

THIS SUPPLEMENTAL AGREEMENT NO. 2 TO FISCAL AGENT AGREEMENT (this "Supplemental Agreement No. 2" or "Agreement"), dated as of June 1, 2023, is by and between the CITY OF ROSEVILLE, a charter city and public body, corporate and politic, organized and existing under and by virtue of the Constitution and laws of the State of California (the "City") for and on behalf of the City of Roseville The Ranch at Sierra Vista Community Facilities District No. 1 (Public Facilities) (the "District"), and U.S. BANK TRUST COMPANY, NATIONAL ASSOCIATION, as successor to The Bank of New York Mellon Trust Company, N.A., as fiscal agent (the "Fiscal Agent") under a Fiscal Agent Agreement, dated as of September 1, 2020 (the "Original Fiscal Agent Agreement") by and between the Fiscal Agent and the City.

RECITALS:

WHEREAS, the City Council of the City has formed the District under the provisions of the Mello-Roos Community Facilities Act of 1982, as amended (constituting Section 53311 *et seq.* of the California Government Code) (the "Act") and Resolution No. 19-30 of the City Council adopted on January 16, 2019; and

WHEREAS, the City Council, as the legislative body of the District, is authorized under the Act to levy special taxes to pay for the costs of facilities within the District and to authorize the issuance of bonds secured by said special taxes under the Act; and

WHEREAS, the Council, as legislative body of the District, previously authorized the issuance of special tax bonds of the City for the District in the maximum aggregate principal amount of not to exceed \$210,000,000 (the "Bond Authorization"); and

WHEREAS, the City has previously issued, for and on behalf of the District, its City of Roseville The Ranch at Sierra Vista Community Facilities District No. 1 (Public Facilities) Special Tax Bonds Series 2020 (the "2020 Bonds") in the initial principal amount of \$20,875,000 and its City of Roseville The Ranch at Sierra Vista Community Facilities District No. 1 (Public Facilities) Special Tax Bonds Series 2021 (the "2021 Bonds") in the initial principal amount of \$13,290,000, for the purpose of financing various public improvements authorized to be funded by the District, which 2020 Bonds and 2021 Bonds constituted the first and second series of bonds issued pursuant to the Bond Authorization; and

WHEREAS, Section 5.17 of the Original Fiscal Agent Agreement authorizes the issuance by Supplemental Agreement of Additional Bonds (as such terms are defined in the Original Fiscal Agent Agreement) payable on parity with the 2020 Bonds, and the 2021 Bonds were so issued under Supplemental Agreement No. 1 to Fiscal Agent Agreement, dated December 1, 2021; and

WHEREAS, after due investigation and deliberation, the City has determined that it is in the interests of the City and the District at this time for the City, for and on behalf of the District, to provide for the issuance of its City of Roseville The Ranch at Sierra Vista Community Facilities District No. 1 (Public Facilities) Special Tax Bonds Series 2023 (the "2023 Bonds"), to provide moneys needed to construct and acquire additional facilities necessary for development of property within the District; and

WHEREAS, this Supplemental Agreement No. 2 is a "Supplemental Agreement" as defined in Section 1.03 of the Original Fiscal Agent Agreement and the 2023 Bonds are "Additional Bonds" as defined in Section 1.03 of the Original Fiscal Agent Agreement and secured under the Original Fiscal Agent Agreement, as amended and supplemented by Supplemental Agreement No. 1 and this Supplemental Agreement No. 2, on parity with the 2020 Bonds and 2021 Bonds;

WHEREAS, the City and the Fiscal Agent desire to enter into this Supplemental Agreement No. 2 pursuant to Sections 5.17 of the Original Fiscal Agent Agreement to provide for the issuance of the 2023 Bonds;

WHEREAS, in providing for the issuance of the 2023 Bonds, it is necessary to supplement and amend the Original Fiscal Agent Agreement, as more particularly provided in Section 1 and Section 2 hereof, as such supplements and amendments are authorized by Sections 5.17 and 8.01 of the Original Fiscal Agent Agreement; and

WHEREAS, the City has determined that all acts and proceedings required by law necessary to make the 2023 Bonds, when executed by the City for the District, authenticated and delivered by the Fiscal Agent and duly issued, the valid, binding and legal special obligations of the City for the District, and to constitute the Original Fiscal Agent Agreement, as amended and supplemented by this Supplemental Agreement No. 2, a valid and binding agreement for the uses and purposes herein and therein set forth, in accordance with its terms, have been done or taken and the execution and delivery of this Supplemental Agreement No. 2 have been in all respects duly authorized.

AGREEMENT:

NOW, THEREFORE, in consideration of the premises and the mutual agreements herein contained, and for other consideration the receipt and sufficiency of which are hereby acknowledged, the parties hereto do hereby agree as follows:

SECTION 1. Supplement to Original Fiscal Agent Agreement. In accordance with the provisions of Section 5.17 and 8.01 of the Original Fiscal Agent Agreement, the Original Fiscal Agent Agreement is hereby amended by adding a new article thereto, to be designated as Article XI. Such Article XI shall read in its entirety as follows:

ARTICLE XI

2023 BONDS

Section 11.01. Definitions. The Original Fiscal Agent Agreement is amended to add and/or modify the following definitions to Section 1.03.

"Article XI" means this Article XI which has been incorporated in and made a part of this Agreement pursuant to Supplemental Agreement No. 2, together with all amendments of and supplements to this Article XI entered into pursuant to the provisions of Section 8.01.

"Closing Date" means with respect to each series of Bonds, the date upon which there is a physical delivery of the Bonds in exchange for the amount representing the purchase price of the Bonds by the Original Purchaser thereof, for the 2023 Bonds being _____, 2023.

“Continuing Disclosure Certificate” means (i) with respect to the 2020 Bonds, the Continuing Disclosure Certificate, dated as of September 17, 2020, and (ii) with respect to the 2021 Bonds, the Continuing Disclosure Certificate, dated as of December 21, 2023, and (iii) with respect to the 2023 Bonds, the Continuing Disclosure Certificate, dated as of _____, 2023, each by and among the City and Willdan Financial Services in its capacity as Dissemination Agent (as defined therein), as originally executed and as may be amended from time to time in accordance with the terms thereof.

“Interest Payment Dates” means (i) with respect to the 2020 Bonds, March 1 and September 1 of each year, commencing March 1, 2020, (ii) with respect to the 2021 Bonds, March 1 and September 1 of each year, commencing March 1, 2023, and (iii) with respect to the 2023 Bonds, March 1 and September 1 of each year, commencing September 1, 2023.

“Supplemental Agreement No. 2” means this Supplemental Agreement No. 2 to Fiscal Agent Agreement, dated as of June 1, 2023, between the City, for and on behalf of the District, and the Fiscal Agent.

“2023 Bonds” means the City of Roseville The Ranch at Sierra Vista Community Facilities District No. 1 (Public Facilities) Special Tax Bonds Series 2023, authorized to be issued under Section 11.02.

“2023 Capitalized Interest Account” means the account by that name established in Section 3(D) of this Supplemental Agreement No. 2.

“2023 Costs of Issuance” means items of expense payable or reimbursable directly or indirectly by the City and related to the authorization, sale and issuance of the 2023 Bonds, which items of expense shall include, but not be limited to, printing costs, costs of reproducing and binding documents, closing costs, filing and recording fees, initial fees, expenses and charges of the Fiscal Agent including its first annual administration fee, expenses incurred by the City in connection with the issuance of the 2023 Bonds, financial advisor fees, 2023 Bond (underwriter’s) discount or underwriting fee, expenses and charges, including bond counsel, disclosure counsel, charges for execution, transportation and safekeeping of the 2023 Bonds and other costs, charges and fees in connection with the foregoing.

“2023 Costs of Issuance Fund” means the fund by that name established and held by the Fiscal Agent pursuant to Section 11.07.

“2023 Improvement Account” means the account by that name established in Section 3(B) of this Supplemental Agreement No. 2.

“2023 Reserve Account of the Reserve Fund” means the account by that name established in Section 11.06(B).

“Term 2023 Bonds” means the 2023 Bonds maturing September 1, _____, September 1, _____ and September 1, _____.

Section 11.02. Authorization of 2023 Bonds. 2023 Bonds in the aggregate principal amount of \$_____ are hereby authorized to be issued as Additional Bonds under and subject to the terms of this Agreement, the Act, and other applicable laws of the State of California.

Section 11.03. Terms of 2023 Bonds.

(A) Form; Denominations. The 2023 Bonds shall be issued as fully registered Bonds without coupons in the denomination of \$5,000 or any integral multiple of \$5,000 in excess thereof.

(B) Date of Bonds. The 2023 Bonds shall be dated the Closing Date for the 2023 Bonds.

(C) CUSIP Identification Numbers. "CUSIP" identification numbers shall be imprinted on the 2023 Bonds, but such numbers shall not constitute a part of the contract evidenced by the 2023 Bonds and any error or omission with respect thereto shall not constitute cause for refusal of any purchaser to accept delivery of and pay for the 2023 Bonds. The Fiscal Agent shall have no liability for any defect in the CUSIP numbers as they appear on any Bond, notice or elsewhere, and any such notice may state that no representation is made as to the correctness of such numbers either as printed on the Bonds or as contained in any notice of a redemption and that reliance may be placed only on the other identification numbers printed on the Bonds, and any such redemption shall not be affected by any defect in or omission of such numbers. The City will promptly notify the Fiscal Agent in writing of any change in the CUSIP numbers. In addition, failure on the part of the City or the Fiscal Agent to use such CUSIP numbers in any notice to Owners shall not constitute an event of default or any violation of the City's contract with such Owners and shall not impair the effectiveness of any such notice.

(D) Maturities, Interest Rates. The 2023 Bonds shall mature and become payable on September 1 in each of the years, and shall bear interest at the rates per annum (based on a 360-day year composed of 12 30-day months) as follows:

Maturity (Sept. 1)	Principal Amount	Interest Rate	CUSIP (777870)
-----------------------	---------------------	------------------	-------------------

(E) Interest and Method of Payment. Interest on the 2023 Bonds shall be payable as provided in Section 2.02(E) of this Agreement, with the Closing Date as used therein being the Closing Date as defined in Section 1.03, and payments shall be made on the 2023 Bonds as provided in Section 2.02(F), with the first Interest Payment Date being March 1, 2023.

Section 11.04. Redemption of 2023 Bonds.

(A) Redemption.

(i) Optional Redemption. The 2023 Bonds may be redeemed prior to maturity at the option of the City from any source of available funds other than prepayment of the Special Tax by property owners, as a whole or in part, on any date on

and after September 1, _____ at the following respective redemption prices (expressed as percentages of the principal amount of the 2023 Bonds to be redeemed), plus accrued interest thereon to the date of redemption:

<u>Redemption Dates</u>	<u>Redemption Price</u>
September 1, _____ through August 31, _____	103%
September 1, _____ through August 31, _____	102
September 1, _____ through August 31, _____	101
September 1, _____ and any date thereafter	100

(ii) *Mandatory Redemption From Prepayments.* The 2023 Bonds shall be subject to mandatory redemption from prepayments of the Special Tax by property owners on any Interest Payment Date, in whole or in part among maturities, and by lot within a maturity, and among the 2023 Bonds and any Additional Bonds, as shall be specified by the City, at the following respective redemption prices (expressed as percentages of the principal amount of the 2023 Bonds to be redeemed), plus accrued interest thereon to the date of redemption:

<u>Redemption Dates</u>	<u>Redemption Price</u>
Interest Payment Dates through and including March 1, 2029	103%
September 1, _____ and March 1, _____	102
September 1, _____ and March 1, _____	101
September 1, _____ and any Interest Payment Date thereafter	100

(iii) *Mandatory Sinking Payment Redemption.* The Term 2023 Bonds maturing September 1, _____, September 1, _____ and September 1, _____ are subject to mandatory sinking payment redemption in part on September 1, _____, September 1, _____ and September 1, _____ and on each September 1 thereafter to maturity, by lot, at a redemption price equal to 100% of the principal amount thereof to be redeemed, without premium, in the aggregate respective principal amounts as set forth in the following table:

Term 2023 Bonds Maturing September 1, _____

Mandatory Redemption Date (Sept. 1)	Sinking Fund Payment
---	-------------------------

(maturity)

Term 2023 Bonds Maturing September 1, _____

Mandatory Redemption Date (Sept. 1)	Sinking Fund Payment
---	-------------------------

(maturity)

Term 2023 Bonds Maturing September 1, _____

Mandatory Redemption Date (Sept. 1)	Sinking Fund Payment
---	-------------------------

(maturity)

The amounts in the foregoing tables shall be reduced pro rata, in order to maintain substantially uniform debt service, as a result of any prior partial optional redemption or mandatory redemption of the 2023 Bonds as directed by the City in an Officer's Certificate. In the event of a redemption pursuant to Section 11.04(A)(i) or (ii), the City shall provide the Fiscal Agent with a revised sinking fund schedule giving effect to the redemption so completed.

(B) Notice to Fiscal Agent. The City shall give the Fiscal Agent an Officer's Certificate containing notice of its intention to redeem 2023 Bonds pursuant to subsections (A)(i) and (A)(ii) not less than 45 days prior to the applicable redemption date, unless waived by the Fiscal Agent.

(C) Purchase of Bonds in Lieu of Redemption. In lieu of redemption under Section 11.04(A), moneys in the Bond Fund may be used and withdrawn by the Fiscal Agent for purchase of Outstanding 2023 Bonds, upon the filing with the Fiscal Agent of an Officer's Certificate requesting such purchase, at public or private sale as and when, and at such prices (including brokerage and other charges) as such Officer's Certificate may provide, but in no event may 2023 Bonds be purchased at a price in excess of the principal amount thereof, plus interest accrued to the date of purchase and any premium which would otherwise be due if such 2023 Bonds were to be redeemed in accordance with this Agreement.

(D) Redemption Procedure by Fiscal Agent. The Fiscal Agent shall cause notice of any redemption to be mailed by electronic or first class mail, postage prepaid, at least 20 days but not more than 60 days prior to the date fixed for redemption, to the Securities Depositories and to the Municipal Securities Rulemaking Board, and to the respective registered Owners of any 2023 Bonds designated for redemption, at their addresses appearing on the 2023 Bond registration books in the designated Principal Office of the Fiscal Agent; but such mailing shall not be a condition precedent to such redemption and failure to mail or to receive any such notice, or any defect therein, shall not affect the validity of the proceedings for the redemption of such 2023 Bonds.

Such notice shall state the redemption date and the redemption price and, if less than all of the then Outstanding 2023 Bonds are to be called for redemption, shall designate the CUSIP numbers and 2023 Bond numbers of the 2023 Bonds to be redeemed by giving the individual CUSIP number and 2023 Bond number of each 2023 Bond to be redeemed or shall state that all 2023 Bonds between two stated 2023 Bond numbers, both inclusive, are to be redeemed or that all of the 2023 Bonds of one or more maturities have been called for redemption, shall state as to any 2023 Bond called in part the principal amount thereof to be redeemed, and shall require that such 2023 Bonds be then surrendered at the designated Principal Office of the Fiscal Agent for redemption at the said redemption price, and shall state that further interest on such 2023 Bonds will not accrue from and after the redemption date.

The City has the right to rescind any notice of the optional redemption of 2023 Bonds under Section 11.04(A)(i) by written notice to the Fiscal Agent on or prior to two Business Days prior to the date fixed for redemption. Any notice of redemption shall be cancelled and annulled if for any reason funds will not be or are not available on the date fixed for redemption for the payment in full of the 2023 Bonds then called for redemption, and such cancellation shall not constitute an event of default. The City and the Fiscal Agent have no liability to the Owners or any other party related to or arising from such rescission of redemption. The Fiscal Agent shall mail notice of such rescission of redemption in the same manner as the original notice of redemption was sent under this Section.

Upon the payment of the redemption price of 2023 Bonds being redeemed, each check or other transfer of funds issued for such purpose shall, to the extent practicable, bear the CUSIP number identifying, by issue and maturity, of the 2023 Bonds being redeemed with the proceeds of such check or other transfer.

Whenever provision is made in this Agreement for the redemption of less than all of the 2023 Bonds of any maturity, the Fiscal Agent shall select the 2023 Bonds to be redeemed, from all 2023 Bonds or such given portion thereof of such maturity by lot in any manner which the Fiscal Agent in its sole discretion shall deem appropriate.

Upon surrender of 2023 Bonds redeemed in part only, the City shall execute and the Fiscal Agent shall authenticate and deliver to the registered Owner, at the expense of the City, a new 2023 Bond or 2023 Bonds, of the same series and maturity, of authorized denominations in aggregate principal amount equal to the unredeemed portion of the 2023 Bond or 2023 Bonds.

(E) Effect of Redemption. From and after the date fixed for redemption, if funds available for the payment of the principal of, and interest and any premium on, the 2023 Bonds so called for redemption shall have been deposited in the Bond Fund, such 2023 Bonds so called shall cease to be entitled to any benefit under this Agreement other than the right to receive payment of the redemption price, and no interest shall accrue thereon on or after the redemption date specified in such notice.

All 2023 Bonds redeemed and purchased by the Fiscal Agent pursuant to this Section shall be canceled by the Fiscal Agent. The Fiscal Agent shall dispose of the canceled 2023 Bonds in accordance with its then-customary procedures and issue a certificate of disposal thereof to the City upon the written request of the City.

Section 11.05. Form of 2023 Bonds; Authentication and Delivery.

(A) Form of 2023 Bonds. The 2023 Bonds, the form of Fiscal Agent's certificate of authentication, and the form of assignment to appear thereon, shall be substantially in the respective forms set forth in Exhibit D attached hereto and by this reference incorporated herein, with necessary or appropriate variations, omissions and insertions, as permitted or required by this Agreement and the Act.

(B) Execution of 2023 Bonds. The 2023 Bonds shall be executed on behalf of the City by the Mayor and the City Clerk of the City who are in office on the date of adoption of this Agreement or at any time thereafter, and the seal of the City shall be impressed, imprinted or reproduced by facsimile signature thereon. If any officer whose signature appears on any 2023 Bond ceases to be such officer before delivery of the 2023 Bonds to the Owner, such signature shall nevertheless be as effective as if the officer had remained in office until the delivery of the 2023 Bonds to the Owner. Any 2023 Bond may be signed and attested on behalf of the City by such persons as at the actual date of the execution of such 2023 Bond shall be the proper officers of the City although at the nominal date of such 2023 Bond any such person shall not have been such officer of the City.

Only such of the 2023 Bonds as shall bear thereon a certificate of authentication in the form set forth in Exhibit D, manually or electronically executed and dated by the Fiscal Agent, shall be valid or obligatory for any purpose or entitled to the benefits of this Agreement, and such certificate of the Fiscal Agent shall be conclusive evidence that such 2023 Bonds have been duly authenticated and delivered hereunder and are entitled to the benefits of this Agreement.

(C) Authentication and Delivery of 2023 Bonds. At any time after the execution of Supplemental Agreement No. 2 and delivery by the City of an Officer's Certificate that the requirements of Section 5.17 for the issuance of the 2023 Bonds as Additional Bonds have been met, the City may issue the 2023 Bonds for the District in the aggregate principal amount set forth in Section 11.02 and deliver the 2023 Bonds to the Original Purchaser. The Authorized Officers of the City are hereby authorized and directed to deliver any and all documents and instruments necessary to cause the issuance of the 2023 Bonds in accordance with the provisions of the Act and this Agreement, as supplemented by Supplemental Agreement No. 2, to authorize the payment of 2023 Costs of Issuance and costs of the Project by the Fiscal Agent from the proceeds of the 2023 Bonds and to do and cause to be done any and all acts and things necessary or convenient for delivery of the 2023 Bonds to the Original Purchaser. The provisions of Sections 2.06 through 2.13 of the Original Fiscal Agent Agreement shall apply to the 2023 Bonds in a like manner as applied to the 2023 Bonds.

Section 11.06. Application of Proceeds of Sale of 2023 Bonds.

(A) The proceeds of the purchase of the 2023 Bonds by the Original Purchaser in the amount of \$_____ (which is equal to the par amount of the 2023 Bonds, plus an original issue premium of \$_____ and less the underwriter's discount of \$_____), shall be paid to the Fiscal Agent, who shall forthwith set aside, pay over and deposit such proceeds on the Closing Date as follows:

(i) Deposit in the 2023 Improvement Account of the Improvement Fund
\$_____;

(ii) Deposit in the 2023 Reserve Account of the Reserve Fund \$ _____, which is equal to the Reserve Requirement for the for the 2023 Bonds;

(iii) Deposit in the 2023 Capitalized Interest Account of the Bond Fund \$ _____; and

(iv) Deposit in the 2023 Costs of Issuance Fund \$ _____.

(B) In accordance with Section 4.03(A), the Fiscal Agent shall establish a separate subaccount within the Reserve Fund known as the “2023 Reserve Account,” into which the amounts set forth in Section 11.06(A)(ii) shall be deposited. The 2023 Reserve Account shall be held by the Fiscal Agent within the Reserve Fund, and administered as set forth in this Agreement. Amounts available in the 2023 Reserve Account shall be available to pay interest and principal on the 2023 Bonds in accordance with this Agreement.

(c) The Fiscal Agent may, in its discretion, establish a temporary fund or account in its books and records to facilitate transfers required under this Section 11.06.

Section 11.07. 2023 Costs of Issuance Fund. There is hereby established a separate fund to be known as the “2023 Costs of Issuance Fund”, which shall be held by the Fiscal Agent in trust. Amounts in the Costs of Issuance Fund shall be disbursed from time to time to pay 2023 Costs of Issuance, as set forth in an Officer’s Certificate containing respective amounts to be paid to the designated payees, signed by an Authorized Officer and delivered to the Fiscal Agent. The Fiscal Agent shall pay all 2023 Costs of Issuance upon receipt of an invoice from any such payee which requests payment in an amount which is less than or equal to the amount set forth with respect to such payee in such Officer’s Certificate, or upon receipt of an Officer’s Certificate requesting payment of a 2023 Costs of Issuance not listed on the initial Officer’s Certificate delivered to the Fiscal Agent on the Closing Date. Each such Officer’s Certificate shall be sufficient evidence to the Fiscal Agent of the facts stated therein and the Fiscal Agent shall have no duty to confirm the accuracy of such facts. With respect to each such Officer’s Certificate, the City certifies that it has reviewed any wire instructions set forth in such written disbursement direction to confirm such wire instructions are accurate. The Fiscal Agent shall maintain the 2023 Costs of Issuance Fund until 60 days after the Closing Date, and shall transfer any moneys remaining therein on such date, including any investment earnings thereon, to the 2023 Improvement Account. Thereafter, every invoice received by the Fiscal Agent shall be paid from amounts on deposit in the 2023 Improvement Account and the Fiscal Agent shall close the 2023 Costs of Issuance Fund. Moneys in the 2023 Costs of Issuance Fund shall be invested and deposited in accordance with Section 6.01. Interest earnings and profits resulting from said investment shall be retained by the Fiscal Agent in the 2023 Costs of Issuance Fund to be used for the purposes of such fund.

Section 11.08. Procedure for Disbursement of 2023 Improvement Account.

(A) Disbursements. Disbursements from the 2023 Improvement Account shall be made by the Fiscal Agent according to the procedure set forth in Section 3.04, and an Officer’s Certificate substantially in the form of Exhibit B to the Original Fiscal Agent Agreement (except that in such Officer’s Certificate, reference shall be made to the 2023 Improvement Account and to the 2023 Bonds).

(B) Investment. Moneys in the Improvement Fund and the accounts established thereunder shall be invested and deposited in accordance with Section 6.01. Interest earnings and profits from the investment of amounts in the 2023 Improvement Fund shall be retained by the Fiscal Agent in the 2023 Improvement Fund to be used for the purposes of the 2023 Improvement Fund.

(C) Closing of Fund. Upon the filing of an Officer's Certificate stating that the portion of the Project to be financed from the 2023 Improvement Fund and the accounts established thereunder have been completed and that all costs of such portion of the Project have been paid or are not required to be paid from the 2023 Improvement Fund, the Fiscal Agent shall transfer the amount, if any, remaining in the 2023 Improvement Fund to the Bond Fund for application to the payment of principal of and interest on the 2023 Bonds in accordance with Section 4.02 and the 2023 Improvement Fund shall be closed.

Section 11.09. Security for 2023 Bonds. The 2023 Bonds shall be Additional Bonds which shall be secured in the manner and to the extent set forth in Articles IV and V, and in this Article XI.

Section 11.10. Effect of this Article XI. Except as in this Article XI expressly provided or except to the extent inconsistent with any provision of this Article XI, the 2023 Bonds shall be deemed to be "Bonds" under and within the meaning of Section 1.03, and every term and condition contained in the foregoing provisions of this Agreement shall apply to the 2023 Bonds with full force and effect, with such omissions, variations and modifications thereof as may be appropriate to make the same conform to this Article XI.

SECTION 2. Attachment of Exhibit D. The Original Fiscal Agent Agreement is hereby further amended by incorporating therein an Exhibit D setting forth the form of the 2023 Bonds, which shall read in its entirety as set forth in Exhibit A attached hereto and hereby made a part hereof.

SECTION 3. Additional Amendments to Original Fiscal Agent Agreement. The Original Fiscal Agent Agreement was previously amended and is hereby further amended as follows:

(A) Section 2.03(A)(ii) of the Original Fiscal Agent Agreement was amended in 2021 to replace the last paragraph thereof with the following:

Prepayments will be allocated to the redemption of each series of Bonds as nearly as practicable on a proportionate basis based on the outstanding principal amount of each series. Such allocations shall be applied to redeem each series as nearly as practicable on a pro rata basis among maturities of each respective series, in increments of \$5,000; provided, however, that, for Prepayments of less than \$50,000, the City may specify in an Officer's Certificate that Prepayments be applied to one or more maturities of one or more series so long as there is delivered to the Fiscal Agent a Certificate of the Special Tax Consultant that, following such redemption from Prepayments, the maximum Special Taxes that may be levied in each Fiscal Year is not less than 110% of Maximum Annual Debt Service.

In connection with receipt of a Prepayment, the City may release from the Reserve Account related to each series of Bonds an amount corresponding to the applicable credit to be received based on the principal amount of each series prepaid, as determined by the City, provided that the release shall not cause the amount in each such Reserve Account to be less than the applicable Reserve Requirement.

(B) Section 2.06 of the Original Fiscal Agent Agreement was amended in 2020 to add an additional paragraph thereto at the beginning of the Section which reads as follows:

“Prior to any transfer of the Bonds outside the book-entry system (including, but not limited to, the initial transfer outside the book-entry system) the transferor shall provide or cause to be provided to the Fiscal Agent all information necessary to allow the Fiscal Agent to comply with any applicable tax reporting obligations, including without limitation any cost basis reporting obligations under Internal Revenue Code Section 6045, as amended. The Fiscal Agent shall conclusively rely on the information provided to it and shall have no responsibility to verify or ensure the accuracy of such information.”

(C) Section 3.04(A) of the Original Fiscal Agent Agreement is hereby amended by adding thereto, as a new third sentence thereof, the following: “There is also hereby created within the Improvement Fund a separate account designated as the “2023 Improvement Account” of the Improvement Fund, which account is hereby established for purposes of accounting for the use and disposition of 2023 Bond proceeds directed to the Improvement Fund pursuant to Section 11.06 and 11.08.

(D) Section 4.02(A) of the Original Fiscal Agent Agreement is hereby amended by adding thereto, as a new last sentence of the first paragraph thereof, the following: “There is also hereby created within the Bond Fund a “2023 Capitalized Interest Account” which account is hereby established for purposes of accounting for the disposition of 2023 Bonds, a portion of the proceeds of which will be deposited to such 2023 Capitalized Interest Account pursuant to Section 11.06. The amount deposited to the 2023 Capitalized Interest Account and any investment earnings thereon shall be used solely to make payments on the 2023 Bonds, and the amount deposited to the 2023 Capitalized Interest Account and any investment earnings thereon shall be applied solely to make payments on the 2023 Bonds as follows:

September 1, 2023: The amount necessary, taking into account any amounts then on deposit in the Bond Fund available for such purpose, to pay interest on the 2023 Bonds on such Interest Payment Date.

(E) Subsection (a) of the definition of “Reserve Requirement” is amended to read as follows:

“(a) the Reserve Requirement for each series of Bonds shall not increase after the date of issuance of such series of Bonds;”

(F) Subsection 4.03 of the Original Fiscal Agent Agreement is amended to add the following:

Establishment of 2023 Reserve Account of the Reserve Fund. There is hereby established as a separate account within the Reserve Fund to be held by the Fiscal Agent, the “2023 Reserve Account,” to the credit of which a deposit shall be made as required by Section 11.06(A)(ii) and deposits shall be made as applicable to each series of Bonds as provided in Section 4.03(B). Moneys in the 2023 Reserve Account shall be held in trust by the Fiscal Agent for the benefit of the Owners of the 2023 Bonds for the payment of principal of, and interest on,

all Outstanding 2023 Bonds and shall be subject to a lien in favor of the Owners of the 2023 Bonds on an equal basis.

(G) The second paragraph of Section 8.01 of the Agreement was previously amended by deleting the period at the end of clause (D) thereof and by inserting therein, in lieu thereof, the following: “; and (E) in connection with the issuance of Additional Bonds under Section 5.17 hereof.”

(H) References in the Original Fiscal Agent Agreement to any particular series of Bonds which, if the context requires reference to all series of Bonds in order to maintain the parity relationship of all series of Bonds and the security therefor, shall be deemed to refer to “Bonds” as defined in the Original Fiscal Agent Agreement rather than any particular series.

(I) Article V of the Agreement was amended in 2021 by adding thereto, as a new and additional section, designated Section 5.19, the following:

“Section 5.19. No Enforced Sanctions. The City covenants and represents that (i) neither it nor any of its subdivisions affiliates, subsidiaries, directors or officers are the target or subject of any sanctions enforced by the US Government, (including, the Office of Foreign Assets Control of the US Department of the Treasury (“OFAC”)), the United Nations Security Council, the European Union, HM Treasury, or other relevant sanctions authority (collectively “Sanctions”); and (ii) neither it nor any of its subdivisions affiliates, subsidiaries, directors or officers will use any payments made pursuant to this Agreement (i) to fund or facilitate any activities of or business with any person who, at the time of such funding or facilitation, is the subject or target of Sanctions, (ii) to fund or facilitate any activities of or business with any country or territory that is the target or subject of Sanctions, or (iii) in any other manner that will result in a violation of Sanctions by any person.”

SECTION 4. Fiscal Agent Disclaimer. The Fiscal Agent accepts the amendments of the Original Fiscal Agent Agreement effected by this Supplemental Agreement No. 2, on the terms and conditions set forth in the Original Fiscal Agent Agreement, including the terms and provisions defining and limiting the liabilities and responsibilities of the Fiscal Agent. The Fiscal Agent shall not be responsible in any manner whatsoever for or with respect to any of the recitals contained herein or with respect to (i) the validity or sufficiency of this Supplemental Agreement No. 2 or any of the terms or provisions hereof, (ii) the proper authorization hereof by the City by action or otherwise, or (iii) the due execution hereof by the City.

SECTION 5. Partial Invalidity. If any section, paragraph, sentence, clause or phrase of this Supplemental Agreement No. 2 shall for any reason be held illegal, invalid or unenforceable, such holding shall not affect the validity of the remaining portions of this Supplemental Agreement No. 2. The City hereby declares that it would have entered into this Supplemental Agreement No. 2 and each and every other Section, paragraph, sentence, clause or phrase hereof and authorized the issue of the 2023 Bonds pursuant thereto irrespective of the fact that any one or more Sections, paragraphs, sentences, clauses, or phrases of this Supplemental Agreement No. 2 may be held illegal, invalid or unenforceable.

SECTION 6. Execution in Counterparts. This Supplemental Agreement No. 2 may be executed in several counterparts, each of which shall be an original and all of which shall constitute but one and the same instrument. The exchange of copies of this Supplemental Agreement No. 2 and of signature pages by facsimile or PDF transmission shall constitute effective execution and delivery of this Supplemental Agreement No. 2 as to the parties hereto

and may be used in lieu of the original Supplemental Agreement No. 2 and signature pages for all purposes.

SECTION 7. Governing Law. This Supplemental Agreement No. 2 shall be construed and governed in accordance with the laws of the State of California applicable to contracts made and performed in such State.

IN WITNESS WHEREOF, the City and the Fiscal Agent have caused this Supplemental Agreement No. 2 to Fiscal Agent Agreement to be executed as of June 1, 2023.

REGISTERED OWNER: CEDE & CO.

PRINCIPAL AMOUNT: _____ DOLLARS

The City of Roseville (the "City") for and on behalf of the City of Roseville The Ranch at Sierra Vista Community Facilities District No. 1 (Public Facilities) (the "District"), for value received, hereby promises to pay solely from the Special Tax (as hereinafter defined) to be collected in the District or amounts in certain funds and accounts held under the Agreement (as hereinafter defined), to the Registered Owner named above, or registered assigns (the "Owner"), on the Maturity Date set forth above, unless redeemed prior thereto as hereinafter provided, the Principal Amount set forth above, and to pay interest on such principal amount from the Bond Date shown above, or from the most recent Interest Payment Date (as hereinafter defined) to which interest has been paid or duly provided for, semiannually on March 1 and September 1, commencing September 1, 2023 (the "Interest Payment Dates"), at the Interest Rate set forth above, until the principal amount hereof is paid or made available for payment. The principal of this 2023 Bond is payable to the Owner hereof in lawful money of the United States of America upon presentation and surrender of this 2023 Bond at a designated Principal office of U.S. Bank Trust Company, National Association (the "Fiscal Agent"). Interest on this 2023 Bond shall be paid by check of the Fiscal Agent mailed by first class mail on each Interest Payment Date to the Owner hereof as of the close of business on the 15th day of the month preceding the month in which the Interest Payment Date occurs (the "Record Date") at such Owner's address as it appears on the registration books maintained by the Fiscal Agent, or by wire transfer made on such Interest Payment Date upon written instructions delivered to the Fiscal Agent by the applicable Record Date of any Owner of \$1,000,000 or more in aggregate principal amount of 2023 Bonds.

This 2023 Bond is one of a duly authorized issue of bonds approved by resolution of the City Council of the City on _____, 2023 (the "Resolution"), pursuant to the Mello-Roos Community Facilities Act of 1982, as amended, Sections 53311, *et seq.*, of the California Government Code (the "Mello-Roos Act") for the purpose of providing moneys for the construction and acquisition of improvements within the District, and is one of the bonds designated "City of Roseville The Ranch at Sierra Vista Community Facilities District No. 1 (Public Facilities) Special Tax Bonds Series 2023" (the "2023 Bonds"). The issuance of the 2023 Bonds and the terms and conditions thereof are provided for by a Fiscal Agent Agreement, dated as of September 1, 2020, as amended and supplemented, including by Supplemental Agreement No. 1 to Fiscal Agent Agreement dated as of December 1, 2021 and Supplemental Agreement No. 2 to Fiscal Agent Agreement dated as of June 1, 2023 (together, the "Agreement"), by and between the City and the Fiscal Agent and this reference incorporates the Agreement, as supplemented, herein, and by acceptance hereof the Owner of this 2023 Bond assents to said terms and conditions. The Agreement is authorized under, this 2023 Bond is issued under and both are to be construed in accordance with, the laws of the State of California.

Pursuant to the Mello-Roos Act, the Agreement and the Resolution, the principal of and interest on this 2023 Bond are payable, on parity with bonds previously issued by the City for the District in 2020 and 2021, solely from the annual special tax authorized under the Mello-Roos Act to be collected within the District (the "Special Tax") and certain funds held under the Agreement.

Interest on this 2023 Bond shall be payable from the Interest Payment Date next preceding the date of authentication hereof, unless (i) it is authenticated on an Interest Payment Date, in which event it shall bear interest from such Interest Payment Date, or (ii) such date of authentication is after a Record Date but on or prior to an Interest Payment Date, in which event interest will be payable from such Interest Payment Date, or (iii) such date of authentication is prior to the first Record Date, in which event interest will be payable from the 2023 Bond Date shown above; provided however, that if at the time of authentication of this 2023 Bond, interest is in default hereon, this 2023 Bond shall bear interest from the Interest Payment Date to which interest has previously been paid or made available for payment hereon.

Any tax for the payment hereof shall be limited to the Special Tax, except to the extent that provision for payment has been made by the City as may be permitted by law. The 2023 Bonds do not constitute obligations of the City for which the City is obligated to levy or pledge, or has levied or pledged, general or special taxation other than described herein above.

The 2023 Bonds may be redeemed prior to maturity at the option of the City from any source of available funds other than prepayment of the Special Tax by property owners, as a whole or in part, on any date on and after September 1, _____ at the following respective redemption prices (expressed as percentages of the principal amount of the 2023 Bonds to be redeemed), plus accrued interest thereon to the date of redemption:

<u>Redemption Dates</u>		<u>Redemption Price</u>
September 1, _____	through August 31, _____	103%
September 1, _____	through August 31, _____	102
September 1, _____	through August 31, _____	101
September 1, _____	and any date thereafter	100

The 2023 Bonds shall be subject to mandatory redemption from prepayments of the Special Tax by property owners on any Interest Payment Date, in whole or in part among maturities, and by lot within a maturity, and among the 2023 Bonds and any Additional Bonds, as shall be specified by the City, at the following respective redemption prices (expressed as percentages of the principal amount of the 2023 Bonds to be redeemed), plus accrued interest thereon to the date of redemption:

<u>Redemption Dates</u>	<u>Redemption Price</u>
Interest Payment Dates through and including March 1, 2029	103%
September 1, _____ and March 1, _____	102
September 1, _____ and March 1, _____	101
September 1, _____ and any Interest Payment Date thereafter	100

The Term 2023 Bonds maturing September 1, _____, September 1, _____ and September 1, _____ are subject to mandatory sinking payment redemption in part on September 1, _____, September 1, _____ and September 1, _____ and on each September 1 thereafter to maturity, by lot, at a redemption price equal to 100% of the principal amount thereof to be redeemed, without premium, in the aggregate respective principal amounts as set forth in the following table:

Term 2023 Bonds Maturing September 1, _____

Mandatory Redemption Date (Sept. 1)	Sinking Fund Payment
---	-------------------------

(maturity)

Term 2023 Bonds Maturing September 1, _____

Mandatory Redemption Date (Sept. 1)	Sinking Fund Payment
---	-------------------------

(maturity)

Term 2023 Bonds Maturing September 1, _____

Mandatory Redemption Date (Sept. 1)	Sinking Fund Payment
---	-------------------------

(maturity)

The amounts in the foregoing table shall be reduced pro rata, in order to maintain substantially uniform debt service, as a result of any prior partial optional redemption or mandatory redemption of the 2023 Bonds as directed by the City in an Officer's Certificate.

Notice of redemption with respect to the 2023 Bonds to be redeemed shall be given to the Owners thereof, in the manner, to the extent and subject to the provisions of the Agreement.

This 2023 Bond shall be registered in the name of the Owner hereof, as to both principal and interest. Each registration and transfer of registration of this 2023 Bond shall be entered by the Fiscal Agent in books kept by it for this purpose and authenticated by its manual signature upon the certificate of authentication endorsed hereon.

No transfer or exchange hereof shall be valid for any purpose unless made by the registered owner, by execution of the form of assignment endorsed hereon, and authenticated as herein provided, and the principal hereof, interest hereon and any redemption premium shall be payable only to the registered owner or to such Owner's order. The Fiscal Agent shall require the Owner requesting transfer or exchange to pay any tax or other governmental charge required to be paid with respect to such transfer or exchange. No transfer or exchange hereof shall be required to be made (i) within 15 days prior to the date established by the Fiscal Agent for selection of 2023 Bonds for redemption or (ii) with respect to a 2023 Bond after such 2023 Bond has been selected for redemption.

The Agreement and the rights and obligations of the City thereunder may be modified or amended as set forth therein. The principal of the 2023 Bonds is not subject to acceleration upon a default under the Agreement or any other document.

This 2023 Bond shall not become valid or obligatory for any purpose until the certificate of authentication hereon endorsed shall have been dated and manually signed by the Fiscal Agent.

It is hereby certified, recited and declared that all acts, conditions and things required by law to exist, happen and be performed precedent to and in the issuance of this 2023 Bond have existed, happened and been performed in due time, form and manner as required by law, and that the amount of this 2023 Bond, together with all other indebtedness of the City, does not exceed any debt limit prescribed by the laws or Constitution of the State of California.

Unless this 2023 Bond is presented by an authorized representative of The Depository Trust Company to the Fiscal Agent for registration of transfer, exchange or payment, and any 2023 Bond issued is registered in the name of Cede & Co. or such other name as requested by an authorized representative of The Depository Trust Company and any payment is made to

Cede & Co., ANY TRANSFER, PLEDGE OR OTHER USE HEREOF FOR VALUE OR OTHERWISE BY OR TO ANY PERSON IS WRONGFUL since the registered owner hereof, Cede & Co., has an interest herein.

IN WITNESS WHEREOF, the City of Roseville has caused this 2023 Bond to be dated June 1, 2023, to be signed by the manual or facsimile signature of its Mayor and attested by the manual or facsimile signature of its City Clerk.

THE RANCH AT SIERRA VISTA COMMUNITY FACILITIES DISTRICT NO. 1
(PUBLIC FACILITIES)
SPECIAL TAX BONDS
SERIES 2023

BOND PURCHASE AGREEMENT

_____, 2023

City of Roseville
311 Vernon Street,
Roseville, California 95678

Ladies and Gentlemen:

Stifel, Nicolaus & Company, Incorporated (the “**Underwriter**”), acting not as a fiduciary or agent for you, but on behalf of the Underwriter, offers to enter into this Bond Purchase Agreement (the “**Purchase Agreement**”) with the City of Roseville, California (the “**City**”) acting on behalf of The Ranch at Sierra Vista Community Facilities District No. 1 (Public Facilities) (the “**District**”) which, upon acceptance, will be binding upon the City and upon the Underwriter. This offer is made subject to acceptance of it by the City on the date hereof, and if not accepted will be subject to withdrawal by the Underwriter upon notice delivered to the City at any time prior to the acceptance hereof by the City.

The City acknowledges and agrees that: (i) the purchase and sale of the Bonds (defined below) pursuant to this Purchase Agreement is an arm’s-length commercial transaction between the City and the Underwriter; (ii) in connection therewith and with the discussions, undertakings and procedures leading up to the consummation of such transaction, the Underwriter is and has been acting solely as principal and is not acting as a Municipal Advisor (as defined in Section 15B of the Securities Exchange Act of 1934, as amended); (iii) the Underwriter has not assumed an advisory or fiduciary responsibility in favor of the City with respect to the offering contemplated hereby or the discussions, undertakings and procedures leading thereto (irrespective of whether the Underwriter has provided other services or is currently providing other services to the City on other matters); and (iv) the City has consulted its own legal, financial and other advisors to the extent it has deemed appropriate for this transaction.

1. Purchase, Sale and Delivery of the Bonds.

(a) Subject to the terms and conditions and in reliance upon the representations, warranties and agreements set forth herein, the Underwriter agrees to purchase from the City, and the City agrees to sell to the Underwriter, all (but not less than all) of the City of Roseville The Ranch at Sierra Vista Community Facilities District No. 1 (Public Facilities) Special Tax Bonds, Series 2023 (the “**Bonds**”) in the aggregate principal amount specified in Exhibit A hereto. The Bonds shall be

dated the Closing Date (hereinafter defined), and bear interest from said date (payable semiannually on March 1 and September 1 in each year, commencing _____, 2023) at the rates per annum and maturing on the dates and in the amounts set forth in Exhibit A hereto. The purchase price for the Bonds shall be the amount specified as such in Exhibit A hereto.

(b) The Bonds shall be substantially in the form described in, shall be issued and secured under the provisions of, and shall be payable and subject to redemption as provided in, the Fiscal Agent Agreement dated as of September 1, 2020, as amended and supplemented by a Supplemental Agreement No. 1 to Fiscal Agent Agreement dated as of December 1, 2021 and a Supplemental Agreement No. 2 to Fiscal Agent Agreement dated as of _____ 1, 2023 (collectively, the “**Fiscal Agent Agreement**”), each by and between the City and U.S. Bank Trust Company, National Association, as successor fiscal agent (the “**Fiscal Agent**”), approved by a resolution adopted by the City Council of the City (the “**City Council**”), acting as the legislative body of the District, on _____, 2023 (the “**Resolution of Issuance**”). The Bonds and interest thereon will be payable from a special tax (the “**Special Tax**”) levied and collected on the taxable land within the District in accordance with a Resolution of Intention adopted by the City Council on November 28, 2018, and a Resolution of Formation adopted by the City Council on January 16, 2019 (together with the Resolution of Intention, the “**Resolution of Formation**”) on a parity with the City of Roseville The Ranch at Sierra Vista Community Facilities District No. 1 (Public Facilities) Special Tax Bonds Series 2020 (the “**2020 Bonds**”) and the City of Roseville The Ranch at Sierra Vista Community Facilities District No. 1 (Public Facilities) Special Tax Bonds Series 2021 (the “**2021 Bonds**” and, together with the 2020 Bonds, the “**Parity Bonds**”). Proceeds of the sale of the Bonds will be used in accordance with the Fiscal Agent Agreement and the Mello-Roos Community Facilities Act of 1982, as amended (Sections 53311 et seq. of the Government Code of the State of California) (the “**Law**”), to (i) construct and acquire certain public facilities of benefit to the District, (ii) provide for a deposit to a debt service reserve account for the Bonds, (iii) provide capitalized interest for debt service due on the Bonds through _____ 1, 20____, and (iv) pay costs of issuance of the Bonds. The Resolution of Issuance, the Resolution of Formation, and Ordinance No. 6055, adopted by the City Council on February 20, 2019, are collectively referred to herein as the “**District Resolutions**.”

(c) At or prior to the acceptance hereof by the City, the City shall cause to be delivered to the Underwriter a 15c2-12 Certificate of the City, dated as of the date of this Purchase Agreement (the “**City Certificate**”), in substantially the form attached hereto as Exhibit B, with only such changes therein as shall have been accepted by the Underwriter.

(d) Subsequent to its receipt of the City Certificate deeming the Preliminary Official Statement for the Bonds, dated _____, 2023 (which Preliminary Official Statement, together with the cover page and all appendices thereto, is herein collectively referred to as the “**Preliminary Official Statement**”), final for purposes of Rule 15c2-12 of the Securities and Exchange Commission (“**Rule 15c2-12**”), the Underwriter has distributed copies of the Preliminary Official Statement. The City hereby ratifies the use by the Underwriter of the Preliminary Official Statement and authorizes the Underwriter to use and distribute the final Official Statement dated the date hereof (including all information previously permitted to have been omitted by Rule 15c2-12, and any supplements and amendments thereto as have been approved by the City as evidenced by the execution and delivery of such document by an officer of the City (the “**Official Statement**”), the Fiscal Agent Agreement, the Continuing Disclosure Certificate of the City (the “**City Disclosure Certificate**”), this Purchase Agreement and any other documents or contracts to which the City or the District is a party related to the Bonds, and all information contained therein, and all other documents, certificates and statements furnished by the City to the Underwriter in connection with the transactions contemplated by this

Purchase Agreement, in connection with the offer and sale of the Bonds by the Underwriter. The Underwriter hereby agrees to deliver a copy of the Official Statement to the Municipal Securities Rulemaking City Council (the “**MSRB**”) through the Electronic Municipal Marketplace Access website of the MSRB on or before the Closing Date and otherwise to comply with all applicable statutes and regulations in connection with the offering and sale of the Bonds, including, without limitation, MSRB Rule G-32 and Rule 15c2-12.

(e) At 8:00 A.M., Pacific Daylight Time, on _____, 2023, or at such earlier time or date as shall be agreed upon by the Underwriter and the City (such time and date being herein referred to as the “**Closing Date**”), the City will deliver (i) to the Depository Trust Company in New York, New York, the Bonds in definitive form (all Bonds being in book-entry form registered in the name of Cede & Co. and having the CUSIP numbers assigned to them printed thereon), duly executed by the officers of the City, as provided in the Fiscal Agent Agreement, and (ii) to the Underwriter, at the offices of Jones Hall, A Professional Law Corporation, as bond counsel to the City (“**Bond Counsel**”), or at such other place as shall be mutually agreed upon by the City and the Underwriter, the other documents herein mentioned; and the Underwriter shall accept such delivery and pay the purchase price of the Bonds in immediately available funds (such delivery and payment being herein referred to as the “**Closing**”). Notwithstanding the foregoing, the Underwriter may, in their discretion, accept delivery of the Bonds in temporary form upon making arrangements with the City which are satisfactory to the Underwriter relating to the delivery of the Bonds in definitive form.

2. Public Offering and Establishment of Issue Price.

(a) The Underwriter agrees to make a bona fide public offering of the Bonds at the initial public offering price or prices set forth on the inside cover page of the Final Official Statement (as defined herein) and in Exhibit A hereto and subject Section 2(c) and 2(d) hereof, the Underwriter reserves the right to change such initial public offering prices as the Underwriter deems necessary or desirable, in its sole discretion, in connection with the marketing of the Bonds, and to sell the Bonds to certain dealers (including dealers depositing the Bonds into investment trusts) and others at prices lower than the initial offering prices set forth in the Final Official Statement. A “**bona fide public offering**” shall include an offering to institutional investors or registered investment companies, regardless of the number of such investors to which the Bonds are sold.

(b) The Underwriter agrees to assist the City in establishing the issue price of the Bonds and shall execute and deliver to the City at Closing (defined below) an “**issue price**” or similar certificate, together with copies of supporting pricing wires or equivalent communications, substantially in the form attached hereto as Exhibit I, with such modifications as may be appropriate or necessary, in the reasonable judgment of the Underwriter, the City and Bond Counsel to accurately reflect, as applicable, the sales price or prices or the initial offering price or prices to the public of the Bonds. All actions to be taken by the City under this section to establish the issue price of the Bonds may be taken on behalf of the City by the City’s municipal advisor, First Southwest, a Division of Hilltop Securities Inc. (the “**Municipal Advisor**”) and any notice or report to be provided to the City may be provided to the City’s Municipal Advisor.

(c) Except as otherwise set forth in Exhibit A, the City will treat the first price at which 10% of each maturity of the Bonds (the “**10% test**”), identified under the column “10% Test Used” in Exhibit A, is sold to the public as the issue price of that maturity. At or promptly after the execution of this Purchase Agreement, the Underwriter shall report to the City the price or prices at which it has sold to the public each maturity of Bonds. If at that time the 10% test has not been satisfied

as to any maturity of the Bonds, the Underwriter agrees to promptly report to the City the prices at which it sells the unsold Bonds of that maturity to the public. That reporting obligation shall continue, whether or not the Closing Date has occurred, until either (i) the Underwriter has sold all Bonds of that maturity or (ii) the 10% test has been satisfied as to the Bonds of that maturity, provided that, the Underwriter's reporting obligation after the Closing Date may be at reasonable periodic intervals or otherwise upon request of the City or Bond Counsel. For purposes of this section, if Bonds mature on the same date but have different interest rates, each separate CUSIP number within that maturity will be treated as a separate maturity of the Bonds.

(d) The Underwriter confirms that it has offered the Bonds to the public on or before the date of this Purchase Agreement at the offering price or prices (the “**initial offering price**”), or at the corresponding yield or yields, set forth in Exhibit A, except as otherwise set forth therein. Exhibit A also sets forth, identified under the column “Hold the Offering Price Rule Used,” as of the date of this Purchase Agreement, the maturities, if any, of the Bonds for which the 10% test has not been satisfied and for which the City and the Underwriter agree that the restrictions set forth in the next sentence shall apply, which will allow the City to treat the initial offering price to the public of each such maturity as of the sale date as the issue price of that maturity (the “**hold-the-offering-price rule**”). So long as the hold-the-offering-price rule remains applicable to any maturity of the Bonds, the Underwriter will neither offer nor sell unsold Bonds of that maturity to any person at a price that is higher than the initial offering price to the public during the period starting on the sale date and ending on the earlier of the following:

(1) the close of the fifth (5th) business day after the sale date; or

(2) the date on which the Underwriter has sold at least 10% of that maturity of the Bonds to the public at a price that is no higher than the initial offering price to the public.

(e) The Underwriter shall promptly advise the City when it has sold 10% of that maturity of the Bonds to the public at a price that is no higher than the initial offering price to the public, if that occurs prior to the close of the fifth (5th) business day after the sale date.

(f) The Underwriter confirms that:

(1) any selling group agreement and any third-party distribution agreement relating to the initial sale of the Bonds to the public, together with the related pricing wires, contains or will contain language obligating each dealer who is a member of the selling group and each broker-dealer that is a party to such third-party distribution agreement, as applicable:

(A) (i) to report the prices at which it sells to the public the unsold Bonds of each maturity allocated to it, whether or not the Closing Date has occurred, until either all Bonds of that maturity allocated to it have been sold or it is notified by the Underwriter that the 10% test has been satisfied as to the Bonds of that maturity, provided that, the reporting obligation after the Closing Date may be at reasonable periodic intervals or otherwise upon request of the Underwriter, and (ii) to comply with the hold-the-offering-price rule, if applicable, if and for so long as directed by the Underwriter,

(B) to promptly notify the Underwriter of any sales of Bonds that, to its knowledge, are made to a purchaser who is a related party to an underwriter participating in the initial sale of the Bonds to the public (each such term being used as defined below), and

(C) to acknowledge that, unless otherwise advised by the dealer or broker-dealer, the Underwriter shall assume that each order submitted by the dealer or broker-dealer is a sale to the public.

(2) any selling group agreement relating to the initial sale of the Bonds to the public, together with the related pricing wires, contains or will contain language obligating each dealer that is a party to a third-party distribution agreement to be employed in connection with the initial sale of the Bonds to the public to require each broker-dealer that is a party to such third-party distribution agreement to (A) report the prices at which it sells to the public the unsold Bonds of each maturity allocated to it, whether or not the Closing Date has occurred, until either all Bonds of that maturity allocated to it have been sold or it is notified by the Underwriter or the dealer that the 10% test has been satisfied as to the Bonds of that maturity, provided that, the reporting obligation after the Closing Date may be at reasonable periodic intervals or otherwise upon request of the Underwriter or the dealer, and (B) comply with the hold-the-offering-price rule, if applicable, if and for so long as directed by the Underwriter or the dealer and as set forth in the related pricing wires.

(g) The City acknowledges that, in making the representations set forth in this section, the Underwriter will rely on (i) in the event a selling group has been created in connection with the initial sale of the Bonds to the public, the agreement of each dealer who is a member of the selling group to comply with the requirements for establishing issue price of the Bonds, including, but not limited to, its agreement to comply with the hold-the-offering-price rule, if applicable to the Bonds, as set forth in a selling group agreement and the related pricing wires, and (ii) in the event that a third-party distribution agreement was employed in connection with the initial sale of the Bonds to the public, the agreement of each broker-dealer that is a party to such agreement to comply with the requirements for establishing issue price of the Bonds, including, but not limited to, its agreement to comply with the hold-the-offering-price rule, if applicable to the Bonds, as set forth in the third-party distribution agreement and the related pricing wires. The City further acknowledges that the Underwriter shall not be liable for the failure of any dealer who is a member of a selling group, or of any broker-dealer that is a party to a third-party distribution agreement, to comply with its corresponding agreement to comply with the requirements for establishing issue price of the Bonds, including, but not limited to, its agreement to comply with the hold-the-offering-price rule, if applicable to the Bonds.

(h) The Underwriter acknowledges that sales of any Bonds to any person that is a related party to an underwriter participating in the initial sale of the Bonds to the public (each such term being used as defined below) shall not constitute sales to the public for purposes of this section. Further, for purposes of this section:

(1) “**public**” means any person other than an underwriter or a related party;

(2) “**underwriter**” means (A) any person that agrees pursuant to a written contract with the City (or with the lead underwriter to form an underwriting syndicate)

to participate in the initial sale of the Bonds to the public and (B) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (A) to participate in the initial sale of the Bonds to the public (including a member of a selling group or a party to a third-party distribution agreement participating in the initial sale of the Bonds to the public);

(3) a purchaser of any of the Bonds is a “**related party**” to an underwriter if the underwriter and the purchaser are subject, directly or indirectly, to (i) more than 50% common ownership of the voting power or the total value of their stock, if both entities are corporations (including direct ownership by one corporation of another), (ii) more than 50% common ownership of their capital interests or profits interests, if both entities are partnerships (including direct ownership by one partnership of another), or (iii) more than 50% common ownership of the value of the outstanding stock of the corporation or the capital interests or profit interests of the partnership, as applicable, if one entity is a corporation and the other entity is a partnership (including direct ownership of the applicable stock or interests by one entity of the other); and

(4) “**sale date**” means the date of execution of this Purchase Agreement by all parties.

3. Representations, Warranties and Agreements of the City. The City represents, warrants and covenants to and agrees with the Underwriter that:

(a) The City is a municipal corporation and charter city duly organized and existing under the laws of the State of California (the “**State**”) and has duly authorized the formation of the District pursuant to the Resolution of Formation and the Law, including the annexation of a additional property into the District in August 2021 (the “**Annexed Property**”) via a unanimous approval consent form executed by Sierra Vista (as defined herein) (the “**Unanimous Consent**”). The City Council, as the legislative body of the District, has duly adopted the District Resolutions, and has caused to be recorded in the real property records of Placer County a Notice of Special Tax Lien, including as amended to reflect the annexation of the Annexed Property via the Unanimous Consent (the “**Notice of Special Tax Lien**”) (such District Resolutions and Notice of Special Tax Lien being collectively referred to herein as the “**Formation Documents**”). Each of the Formation Documents remains in full force and effect as of the date hereof and has not been amended. The District is duly organized and validly existing as a community facilities district under the laws of the State of California. The City has, and at the Closing Date will have, as the case may be, full legal right, power and authority (i) to execute, deliver and perform its obligations under this Purchase Agreement and the City Disclosure Certificate, and to carry out all transactions on its part contemplated by each of such agreements, (ii) to issue, sell and deliver the Bonds to the Underwriter pursuant to the Resolution of Issuance and the Fiscal Agent Agreement as provided herein, and (iii) to carry out, give effect to and consummate the transactions on its part contemplated by the Formation Documents and by the Fiscal Agent Agreement, this Purchase Agreement, and the City Disclosure Certificate (collectively, the “**District Documents**”) and the Official Statement.

(b) The City has complied, and will at the Closing Date be in compliance, in all material respects, with the Formation Documents and the District Documents, and any immaterial compliance by the City, if any, will not impair the ability of the City to carry out, give effect to or consummate the transactions on its part contemplated by the foregoing. From and after the date of issuance of the Bonds, the City will continue to comply with the covenants of the City contained in the District Documents that are applicable to such time period.

(c) The City Council has duly and validly: (i) adopted the District Resolutions, (ii) called, held and conducted in accordance with all requirements of the Law elections within the District to approve the levy of the Special Tax within the District and the issuance of the Bonds and recorded the Notice of Special Tax Lien which established a continuing lien on the land within the District securing the payment of the Special Tax, (iii) authorized and approved the execution, delivery and due performance by the City for the District of the Bonds and the District Documents, (iv) authorized the preparation, delivery and distribution of the Preliminary Official Statement and the Official Statement, and (v) authorized and approved the performance by the City of its obligations contained in, and the taking of any and all action as may be necessary to carry out, give effect to and consummate the transactions on its part contemplated by, each of the District Documents (including, without limitation, the collection of the Special Tax), the Bonds and the Official Statement and at the Closing Date, the Formation Documents will be in full force and effect and the District Documents and the Bonds will constitute the valid, legal and binding obligations of the City for the District and (assuming due authorization, execution and delivery by other parties thereto, where necessary) will be enforceable upon the City in accordance with their respective terms, subject to bankruptcy, insolvency, reorganization, moratorium and other laws affecting the enforcement of creditors' rights in general and to the application of equitable principles if equitable remedies are sought.

(d) To the best of the City's knowledge, neither the District nor the City is in breach of or default under any applicable law or administrative rule or regulation of the State or the United States, or of any department, division, agency or instrumentality thereof, or under any applicable court or administrative decree or order, or under any loan agreement, note, resolution, trust agreement, contract, agreement or other instrument to which the District or the City is a party or is otherwise subject or bound, a consequence of which would be to materially and adversely affect the performance by the District or the City of their obligations under the Bonds, the Formation Documents or the District Documents, and compliance with the provisions of each thereof will not conflict with or constitute a breach of or default under any applicable law or administrative rule or regulation of the State or the United States, or of any department, division, agency or instrumentality thereof, or under any applicable court or administrative decree or order, or a material breach of or default under any loan agreement, note, resolution, trust agreement, contract, agreement or other instrument to which the District or the City, as the case may be, is a party or is otherwise subject or bound.

(e) Except for compliance with the blue sky or other states securities law filings, as to which the City makes no representations, all approvals, consents, authorizations, elections and orders of or filings or registrations with any State governmental authority, board, agency or commission having jurisdiction which would constitute a condition precedent to, or the absence of which would materially adversely affect, the performance by the City of its obligations hereunder, or under the Formation Documents or the District Documents, have been obtained and are in full force and effect.

(f) The Special Tax constituting the security for the Bonds has been duly and lawfully authorized and may be levied under the Law, the State Constitution and the applicable laws of the State, and the Special Tax, when levied, will constitute a valid and legally binding continuing lien on the properties on which it has been levied.

(g) The City shall not supplement or amend the Official Statement or cause the Official Statement to be supplemented or amended without the prior written consent of the Underwriter. Until the date which is twenty-five (25) days after the "end of the underwriting period" (as hereinafter defined), if any event shall occur of which the City is aware, as a result of which it may

be necessary to supplement the Official Statement in order to make the statements in the Official Statement, in light of the circumstances existing at such time, not misleading, the City shall forthwith notify the Underwriter of any such event of which it has knowledge and shall cooperate fully in furnishing any information available to it for any supplement to the Official Statement necessary, in the Underwriter's opinion, so that the statements therein as so supplemented will not be misleading in light of the circumstances existing at such time and the City shall promptly furnish to the Underwriter a reasonable number of copies of such supplement. As used herein, the term **"end of the underwriting period"** means the later of such time as (i) the City delivers the Bonds to the Underwriter, or (ii) the Underwriter do not retain, directly or as a member of an underwriting syndicate, an unsold balance of the Bonds for sale to the public. Unless the Underwriter gives notice to the contrary, the "end of the underwriting period" shall be deemed to be the Closing Date. Any notice delivered pursuant to this provision shall be written notice delivered to the City at or prior to the Closing Date, and shall specify a date (other than the Closing Date) to be deemed the "end of the underwriting period."

(h) The Fiscal Agent Agreement creates a valid pledge of the Special Tax Revenues (as defined in the Fiscal Agent Agreement) and the moneys deposited in the Bond Fund and the Reserve Fund established pursuant to the Fiscal Agent Agreement, including the investments thereof, subject in all cases to the provisions of the Fiscal Agent Agreement permitting the application thereof for the purposes and on the terms and conditions set forth therein. Until such time as moneys have been set aside in an amount sufficient to pay all then outstanding Bonds at maturity or to the date of redemption if redeemed prior to maturity, plus unpaid interest thereon to maturity or to the date of redemption if redeemed prior to maturity, and premium, if any, the City will faithfully perform and abide by all of its covenants and undertakings, and the provisions contained in the Fiscal Agent Agreement.

(i) Except as disclosed in the Preliminary Official Statement, no action, suit, proceeding, inquiry or investigation, at law or in equity, before or by any court, regulatory agency, public board or body is pending with respect to which the City has been served with process or, to the best knowledge of the City, threatened (i) which would materially adversely affect the ability of either the City or the District to perform their obligations under the Bonds, the Formation Documents or the District Documents, or (ii) seeking to restrain or to enjoin the issuance, sale or delivery of the Bonds, the application of the proceeds thereof in accordance with the Fiscal Agent Agreement, or the collection or application of the Special Tax pledged or to be pledged to pay the principal of and interest on the Bonds, or the pledge thereof, or in any way contesting or affecting the validity or enforceability of the Bonds, the Formation Documents, the District Documents, or any action contemplated by any of said documents, or (iii) in any way contesting the completeness or accuracy of the Official Statement or the powers or authority of the City or the District with respect to the Bonds, the Formation Documents, the District Documents, or any action of the City or the District contemplated by any of said documents; nor is there any action pending with respect to which the City has been served with process or, to the best knowledge of the City, threatened against the City or the District which alleges that interest on the Bonds is not excludable from gross income for federal income tax purposes or is not exempt from California personal income taxation, or (iv) which would affect or restrain the ability of the owners of property within the District to develop their property as described in the Preliminary Official Statement.

(j) The City will furnish such information, execute such instruments and take such other action in cooperation with the Underwriter as the Underwriter may reasonably request in order for the Underwriter to qualify the Bonds for offer and sale under the "Blue Sky" or other securities laws and regulations of such states and other jurisdictions of the United States as the Underwriter may

designate; provided, however, the City shall not be required to register as a dealer or a broker of securities or to consent to service of process in connection with any blue sky filing.

(k) Any certificate signed by any official of the City authorized to do so and delivered to the Underwriter in connection with the Bonds or this Purchase Agreement shall be deemed a representation and warranty to the Underwriter as to the statements made therein.

(l) The City will apply the proceeds of the Bonds in accordance with the Fiscal Agent Agreement as described in the Official Statement.

(m) The information contained in the Preliminary Official Statement (other than under the captions “THE BONDS — Description of the Bonds” as they relate to DTC and the Book-Entry Only System, “OWNERSHIP OF PROPERTY WITHIN THE DISTRICT” and in Appendix G thereto, as to which no view is expressed) was as of the date thereof, and the information contained in the Official Statement (other than under the captions “THE BONDS — Description of the Bonds” as they relate to DTC and the Book-Entry Only System, “OWNERSHIP OF PROPERTY WITHIN THE DISTRICT” and in Appendix G thereto, as to which no view is expressed) as of its date and on the Closing Date shall be, true and correct in all material respects and such information does not and shall not contain any untrue or misleading statement of a material fact or omit to state any material fact necessary to make the statements therein, in light of the circumstances under which they were made, not misleading.

(n) The Preliminary Official Statement heretofore delivered to the Underwriter has been deemed final by the City as of its date, except for the omission of such information as is permitted to be omitted in accordance with paragraph (b)(1) of Rule 15c2-12. The City hereby covenants and agrees that, within seven (7) business days from the date hereof, the City shall cause a final printed form of the Official Statement to be delivered to the Underwriter in a quantity mutually agreed upon by the Underwriter and the City so that the Underwriter may comply with paragraph (b)(4) of Rule 15c2-12 and Rules G-12, G-15, G-32 and G-36 of the Municipal Securities Rulemaking Board.

(o) Except as otherwise disclosed in the Preliminary Official Statement, the City is, and has always been, in material compliance with respect to all reporting obligations in the last five years that it has undertaken under Rule 15c2-12 for all indebtedness issued by the City.

(p) Except as otherwise disclosed in the Preliminary Official Statement, the Formation Documents have not been amended, terminated, rescinded or modified.

(q) The City shall not voluntarily undertake any course of action inconsistent with satisfaction of the requirements applicable to the City as set forth in this Purchase Agreement.

(r) The City shall cooperate with the Underwriter in the qualification of the Bonds for offering and sale and the determination of their eligibility for investment under the laws of such jurisdictions as the Underwriter may designate.

(s) The City shall not knowingly take or omit to take any action that, under existing law, may adversely affect the exemption from state income taxation or the exclusion from gross income for federal income tax purposes of the interest on the Bonds.

4. Conditions to the Obligations of the Underwriter. The obligations of the Underwriter to accept delivery of and pay for the Bonds on the Closing Date shall be subject, at the option of the Underwriter, to the accuracy in all material respects of the representations and warranties of the City contained herein, as of the date hereof and as of the Closing Date, to the accuracy in all material respects of the statements of the officers and other officials of the City made in any certificates or other documents furnished pursuant to the provisions hereof, to the performance by the City of its obligations to be performed hereunder at or prior to the Closing Date and to the following additional conditions:

(a) At the Closing Date, the Formation Documents and the District Documents shall be in full force and effect, and shall not have been amended, modified or supplemented, except as may have been agreed to in writing by the Underwriter, and there shall have been taken in connection therewith, with the issuance of the Bonds and with the transactions contemplated thereby and by this Purchase Agreement, all such actions as, in the opinion of Bond Counsel, and Stradling Yocca Carlson & Rauth, a Professional Corporation (“**Stradling**”), counsel to the Underwriter, shall be necessary and appropriate;

(b) The information contained in the Official Statement will, as of the Closing Date and as of the date of any supplement or amendment thereto pursuant to Section 3(g) hereof, be true and correct in all material respects and will not, as of the Closing Date or as of the date of any supplement or amendment thereto pursuant to Section 3(g) hereof, contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading;

(c) Between the date hereof and the Closing Date, the market price or marketability of the Bonds at the initial offering prices set forth in the Official Statement shall not have been materially adversely affected, in the judgment of the Underwriter (evidenced by a written notice to the City terminating the obligation of the Underwriter to accept delivery of and pay for the Bonds), by reason of any of the following:

(1) legislation introduced in or enacted (or resolution passed) by the Congress of the United States of America or recommended to the Congress by the President of the United States, the Department of the Treasury, the Internal Revenue Service, or any member of Congress, or favorably reported for passage to either House of Congress by any committee of such House to which such legislation had been referred for consideration or a decision rendered by a court established under Article III of the Constitution of the United States of America or by the Tax Court of the United States of America, or an order, ruling, regulation (final, temporary or proposed), press release or other form of notice issued or made by or on behalf of the Treasury Department or the Internal Revenue Service of the United States of America, with the purpose or effect, directly or indirectly, of imposing federal income taxation upon the interest that would be received by the owners of the Bonds beyond the extent to which such interest is subject to taxation as of the date hereof;

(2) legislation introduced in or enacted (or resolution passed) by the Congress of the United States of America, or an order, decree or injunction issued by any court of competent jurisdiction, or an order, ruling, regulation (final, temporary or proposed), press release or other form of notice issued or made by or on behalf of the Securities and Exchange Commission (the “**SEC**”), or any other governmental agency having jurisdiction of the subject matter, to the effect that obligations of the general

character of the Bonds, or the Bonds are not exempt from registration under or other requirements of the Securities Act of 1933, as amended, or that the Fiscal Agent Agreement is not exempt from qualification under or other requirements of the Trust Indenture Act of 1939, as amended, or that the issuance, offering or sale of obligations of the general character of the Bonds, or of the Bonds, as contemplated hereby or by the Official Statement or otherwise is or would be in violation of the federal securities laws, rules or regulations as amended and then in effect;

(3) any amendment to the federal or California Constitution or action by any federal or California court, legislative body, regulatory body or other authority materially adversely affecting the tax status of the City or the District, their property, income or securities (or interest thereon), the validity or enforceability of the Special Tax as contemplated by the Formation Documents, the District Documents or the Official Statement;

(4) any event occurring, or information becoming known, which, in the judgment of the Underwriter, makes untrue in any material respect any statement or information contained in the Preliminary Official Statement or the Official Statement, or results in the Preliminary Official Statement or the Official Statement containing any untrue statement of a material fact or omitting to state a material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading;

(5) the declaration of war or the escalation of, or engagement in, military hostilities by the United States or the occurrence of any other national or international emergency or calamity relating to the effective operation of the government of, or the financial community in, the United States which, in the judgment of the Underwriter, makes it impracticable or inadvisable to proceed with the offering or the delivery of the Bonds on the terms and in the manner contemplated in the Preliminary Official Statement or the Official Statement;

(6) the declaration of a general banking moratorium by federal, State of New York or State of California authorities, or the general suspension of trading on any national securities exchange or minimum or maximum prices for trading shall have been fixed and be in force, or maximum ranges for prices for securities shall have been required and be in force on the New York Stock Exchange or other national securities exchange, whether by virtue of determination by that exchange or by order of the SEC or any other governmental authority having jurisdiction that, in the Underwriter's reasonable judgment, makes it impracticable for the Underwriter to market the Bonds or enforce contracts for the sale of the Bonds;

(7) the imposition by the New York Stock Exchange or other national securities exchange, or any governmental authority, of any material restrictions not now in force with respect to the Bonds or obligations of the general character of the Bonds or securities generally, or the material increase of any such restrictions now in force, including those relating to the extension of credit by, or the charge to the net capital requirements of, the Underwriter;

(8) the entry of an order by a court of competent jurisdiction which enjoins or restrains the City from issuing permits, licenses or entitlements within the District or which order, in the reasonable opinion of the Underwriter, otherwise materially and adversely affects proposed development of property within the District;

(9) a material disruption in securities settlement, payment or clearance services affecting the Bonds shall have occurred;

(10) there shall have been any material adverse change in the affairs of the City that in the Underwriter's reasonable judgment will materially adversely affect the market for the Bonds or the ability of the Underwriter to enforce contracts for the sale of the Bonds;

(11) there shall be established any new restriction on transactions in securities materially affecting the free market for securities (including the imposition of any limitation on interest rates) or the extension of credit by, or a change to the net capital requirements of, underwriters established by the New York Stock Exchange, the SEC, any other federal or State agency or the Congress of the United States, or by Executive Order;

(12) a stop order, release, regulation, or no-action letter by or on behalf of the SEC or any other governmental agency having jurisdiction of the subject matter shall have been issued or made to the effect that the issuance, offering, or sale of the Bonds, including all the underlying obligations as contemplated hereby or by the Official Statement, or any document relating to the issuance, offering or sale of the Bonds is or would be in violation of any provision of the federal securities laws at the Closing Date, including the Securities Act, the Exchange Act, and the Trust Indenture Act of 1939, as amended; or

(13) filing of or threat of litigation of the type described in Section 2(i) hereof.

(d) On the Closing Date, the Underwriter shall have received counterpart originals or certified copies of the following documents, in each case satisfactory in form and substance to the Underwriter:

(1) The Formation Documents and the District Documents, together with a certificate dated as of the Closing Date of the City Clerk of the City to the effect that each Formation Document is a true, correct and complete copy of the one duly adopted by the City Council;

(2) The Official Statement;

(3) An approving opinion for the Bonds, dated the Closing Date and addressed to the City, of Bond Counsel, in the form attached to the Preliminary Official Statement as Appendix D, and an unqualified letter of such counsel, dated the Closing Date and addressed to the Underwriter, to the effect that such approving opinion addressed to the City may be relied upon by the Underwriter to the same extent as if such opinion was addressed to it;

(4) A supplemental opinion, dated the Closing Date and addressed to the Underwriter, of Bond Counsel, to the effect that (i) this Purchase Agreement and the City Disclosure Certificate have been duly authorized, executed and delivered by the City, and, assuming such agreements constitute a valid and binding obligation of the other respective parties thereto, constitute the legally valid and binding agreements of the City for the District enforceable in accordance with their respective terms, except as enforcement may be limited by bankruptcy, moratorium, insolvency or other laws affecting creditor's rights or remedies and may be subject to general principles of equity (regardless of whether such enforceability is considered in equity or at law); (ii) the Bonds are not subject to the registration requirements of the Securities Act of 1933, as amended, and the Fiscal Agent Agreement is exempt from qualification under the Trust Indenture Act of 1939, as amended; and (iii) the information contained in the Official Statement on the cover and under the captions "INTRODUCTION," "THE BONDS" (other than information relating to DTC and its Book-Entry Only System), "SECURITY AND SOURCES OF PAYMENT FOR THE BONDS," "TAX MATTERS" and Appendices D and F thereof is accurate, insofar as such information purports to summarize or replicate certain provisions of the Law, the Bonds and the Fiscal Agent Agreement and the exclusion from gross income for federal income tax purposes and exemption from State of California personal income taxes of interest on the Bonds;

(5) An opinion, dated the Closing Date and addressed to the Underwriter, of Stradling, as counsel for the Underwriter, in form and substance acceptable to the Underwriter;

(6) A certificate or certificates, dated the Closing Date and signed by an authorized officer of the City, ratifying the use and distribution by the Underwriter of the Preliminary Official Statement and the Official Statement in connection with the offering and sale of the Bonds; and certifying that (i) the representations and warranties of the City contained in Section 3 hereof are true and correct in all material respects on and as of the Closing Date with the same effect as if made on the Closing Date; (ii) to the best of his or her knowledge, no event has occurred since the date of the Official Statement affecting the matters contained therein which should be disclosed in the Official Statement for the purposes for which it is to be used in order to make the statements and information contained in the Official Statement not misleading in any material respect, and the Bonds, the Formation Documents and the District Documents conform as to form and tenor to the descriptions thereof contained in the Official Statement; and (iii) the City has complied with all the agreements and satisfied all the conditions on its part to be performed or satisfied under the Formation Documents, the District Documents and the Official Statement at or prior to the Closing Date;

(7) An opinion, dated the Closing Date and addressed to the Underwriter, of the City Attorney, to the effect that (i) to its current actual knowledge and except as disclosed in the Official Statement, no action, suit, proceeding, inquiry or investigation, at law or in equity, before or by any court, regulatory agency, public board or body is pending with respect to which the City has been served with process or is known to such counsel to be threatened, as to which the City is or would be a party, which would materially adversely affect the ability of the City or the District to perform their obligations under the Bonds, the Formation Documents or the District Documents, or

which seeks to restrain or enjoin the issuance, sale and delivery of the Bonds or exclusion from gross income for federal income tax purposes or State of California personal income taxes of interest on the Bonds, or the application of the proceeds thereof in accordance with the Fiscal Agent Agreement, or the collection or application of the Special Tax to pay the principal of and interest on the Bonds, or which in any way contests or affects the validity or enforceability of the Bonds, the Formation Documents or the District Documents or the accuracy of the Official Statement, or any action of the City contemplated by any of said documents or the development of property within the District; (ii) the City is duly organized and validly existing as a public entity under the laws of the State of California and the District is duly organized and validly existing as a community facilities district under the laws of the State of California, and the City has full legal right, power and authority to issue the Bonds and to perform all of its obligations under the Formation Documents and the District Documents; (iii) the City has obtained all approvals, consents, authorizations, elections and orders of or filings or registrations with any State governmental authority, board, agency or commission having jurisdiction which constitute a condition precedent to the levy of the Special Tax, the issuance of the Bonds or the performance by the City of its obligations thereunder or under the Fiscal Agent Agreement, except that no opinion need be expressed regarding compliance with blue sky or other securities laws or regulations, whatsoever; (iv) the City Council has duly and validly adopted the Formation Documents at meetings of the City Council which were called and held pursuant to law and with all public notice required by law and at which a quorum was present and acting throughout, and the Formation Documents are now in full force and effect and have not been amended; and (v) the City has duly authorized, executed and delivered the District Documents and the Bonds and has duly authorized the preparation and delivery of the Official Statement;

(8) One or more certificates dated the Closing Date from Economic & Planning Systems, Inc. (the “**Special Tax Consultant**”) addressed to the City and the Underwriter to the effect that (i) the amount of the Special Taxes that could be levied in each Fiscal Year on all Parcels (as defined in the Rate and Method of Apportionment of Special Tax for the District) of Taxable Property in the District less Administrative Expenses (as defined in the Rate and Method of Apportionment of Special Tax for the District) of 1%, is at least one hundred ten percent (110%) of the total Annual Debt Service for each such Fiscal Year on the Bonds and the Parity Bonds, and (ii) all information supplied by the Special Tax Consultant for use in the Official Statement is true and correct as of the date of the Official Statement and as of the Closing Date;

(9) A certificate of the City dated the Closing Date, in a form acceptable to Bond Counsel, to the effect that the Bonds are not arbitrage bonds within the meaning of Section 148 of the Internal Revenue Code of 1986, as amended;

(10) A certificate of the Fiscal Agent and an opinion of counsel to the Fiscal Agent dated the Closing Date and addressed to the City and the Underwriter to the effect that the Fiscal Agent has authorized the execution and delivery of the Fiscal Agent Agreement and that the Fiscal Agent Agreement is a valid and binding obligation of the Fiscal Agent enforceable in accordance with its terms;

(11) A Letter of Representations of Sierra Vista Communities, LLC, a California limited liability company (“**Sierra Vista**”) dated the date of the Preliminary Official Statement, substantially in the form attached as Exhibit D hereto (the “**Sierra Vista Certificate**”) or as such certificate may be modified with the approval of the Underwriter and Stradling, and a closing certificate of Sierra Vista dated the Closing Date, to the effect that the representations in the Sierra Vista Certificate are true and correct as of the Closing Date (except that all references to the Preliminary Official Statement in the Sierra Vista Certificate shall be deemed references to the final Official Statement);

(12) A continuing disclosure certificate executed by Sierra Vista in the form attached in Appendix E to the Preliminary Official Statement (the “**Sierra Vista Continuing Disclosure Certificate**”);

(13) An opinion letter or opinion letters from counsel to Sierra Vista, dated the Closing Date and addressed to the City and the Underwriter substantially in the form attached hereto as Exhibit E;

(14) A Letter of Representations of Lennar Homes of California, LLC., a California limited liability company (“**Lennar**”) dated the date of the Preliminary Official Statement, substantially in the form attached as Exhibit F hereto (the “**Lennar Certificate**”) or as such certificate may be modified with the approval of the Underwriter and Stradling, and a closing certificate of Lennar dated the Closing Date, to the effect that the representations in the Lennar Certificate are true and correct as of the Closing Date (except that all references to the Preliminary Official Statement in the Lennar Certificate shall be deemed references to the final Official Statement);

(15) An opinion letter or opinion letters from counsel to Lennar, dated the Closing Date and addressed to the City and the Underwriter substantially in the form attached hereto as Exhibit G;

(16) A Certificate of AG EHC II (LEN) CA 2, L.P., a Delaware limited partnership (the “**Landbank**”) dated the date of the Preliminary Official Statement, substantially in the form attached as Exhibit H hereto (the “**Landbank Certificate**”) or as such certificate may be modified with the approval of the Underwriter and Stradling, and a closing certificate of Landbank dated the Closing Date, to the effect that the representations in the Landbank Certificate are true and correct as of the Closing Date (except that all references to the Preliminary Official Statement in the Landbank Certificate shall be deemed references to the final Official Statement);

(17) G-17 letter from the Underwriter acknowledged by the City;

(18) A letter of Jones Hall, A Professional Law Corporation, as disclosure counsel to the City (“**Disclosure Counsel**”), addressed to the Underwriter and the City, to the effect that nothing has come to such counsel’s attention that would lead them to believe that the Preliminary Official Statement, as of its date, and the Official Statement, as of its date and as of the Closing Date (but excluding therefrom the appendices thereto, financial statements and statistical data, and information regarding The Depository Trust Company and its book-entry system, as to which no opinion need

be expressed), contained or contains an untrue statement of a material fact or omitted or omits to state a material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading;

(19) A certificate from Integra Realty Resources (the “**Appraiser**”) consenting to the inclusion of their appraisal report (the “**Appraisal**”) in the Preliminary Official Statement and the final Official Statement and certifying that (i) the information in the Official Statement relating to the Appraisal does not contain an untrue statement of a material fact or omit to state a material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading and (ii) since the date of the Appraisal they are not aware of any facts that would materially affect the conclusions of value set forth therein;

(20) The certificate required by Section 5.17 of the Fiscal Agent Agreement stating that the requirements of Section 5.17(A) of the Fiscal Agent Agreement for the issuance of the Bonds as Additional Bonds under the Fiscal Agent Agreement have been met.

(21) The Unanimous Consent duly executed by Sierra Vista;

(22) Such additional legal opinions, certificates, instruments and other documents as the Underwriter may reasonably request to evidence the truth and accuracy, as of the date hereof and as of the Closing Date, of the statements and information contained in the Preliminary Official Statement and the Official Statement, of the City’s representations and warranties contained herein and the due performance or satisfaction by the City at or prior to the Closing of all agreements then to be performed and all conditions then to be satisfied by the City and the District in connection with the transactions contemplated hereby and by the Official Statement.

If the City shall be unable to satisfy the conditions to the obligations of the Underwriter to purchase, accept delivery of and pay for the Bonds contained in this Purchase Agreement, or if the obligations of the Underwriter to purchase, accept delivery of and pay for the Bonds shall be terminated for any reason permitted by this Purchase Agreement, this Purchase Agreement shall terminate and neither the Underwriter nor the City shall be under any further obligation hereunder, except that the respective obligations of the City and the Underwriter set forth in Section 5, Section 6 and Section 8 hereof shall continue in full force and effect.

5. Conditions of the City’s Obligations. The City’s obligations hereunder are subject to the Underwriter’s performance of its obligations hereunder, and are also subject to the following conditions:

(a) As of the Closing Date, no litigation shall be pending or, to the knowledge of the duly authorized officer of the City executing the certificate referred to in Section 4(d)(6) hereof, threatened, to restrain or enjoin the issuance or sale of the Bonds or in any way affecting any authority for or the validity of the Bonds, the Formation Documents, the District Documents or the existence or powers of the City or the District; and

(b) As of the Closing Date, the City shall receive the approving opinion of Bond Counsel referred to in Section 4(d)(3) hereof, dated as of the Closing Date.

6. Expenses. Whether or not the Bonds are delivered to the Underwriter as set forth herein:

(a) The Underwriter shall be under no obligation to pay, and the City shall pay or cause to be paid (out of any legally available funds of the District) all expenses incident to the performance of the City's obligations hereunder, including, but not limited to, the cost of printing, engraving and delivering the Bonds to the Underwriter, the cost of preparation, printing, distribution and delivery of the Fiscal Agent Agreement, the Preliminary Official Statement, the Official Statement and all other agreements and documents contemplated hereby (and drafts of any thereof) in such reasonable quantities as requested by the Underwriter; and the fees and disbursements of the Municipal Advisor, the Special Tax Consultant, the Special Tax Administrator, the Fiscal Agent, Bond Counsel, Disclosure Counsel and Lumesis and any accountants, engineers or any other experts or consultants the City has retained in connection with the Bonds; and

(b) The City shall be under no obligation to pay, and the Underwriter shall pay, any fees of the California Debt and Investment Advisory Commission, the cost of preparation of any "blue sky" or legal investment memoranda and this Purchase Agreement; expenses to qualify the Bonds for sale under any "blue sky" or other state securities laws; and all other expenses incurred by the Underwriter in connection with its public offering and distribution of the Bonds (except those specifically enumerated in paragraph (a) of this section), including the fees and disbursements of its counsel and any advertising expenses.

7. Notices. Any notice or other communication to be given to the City under this Purchase Agreement may be given by delivering the same in writing to the City at 311 Vernon Street, Roseville, California 95678, Attention: City Manager; and any notice or other communication to be given to the Underwriter under this Purchase Agreement may be given by delivering the same in writing to Stifel, Nicolaus & Company, Incorporated, One Montgomery Street, 35th Floor, San Francisco, California 94104, Attention: Eileen Gallagher, Managing Director.

8. Parties in Interest. This Purchase Agreement is made solely for the benefit of the City, the District and the Underwriter (including their successors or assigns), and no other person shall acquire or have any right hereunder or by virtue hereof.

9. Survival of Representations and Warranties. The representations and warranties of the City set forth in or made pursuant to this Purchase Agreement shall not be deemed to have been discharged, satisfied or otherwise rendered void by reason of the Closing or termination of this Purchase Agreement and regardless of any investigations made by or on behalf of the Underwriter (or statements as to the results of such investigations) concerning such representations and statements of the City and regardless of delivery of and payment for the Bonds.

10. Effective. This Purchase Agreement shall become effective and binding upon the respective parties hereto upon the execution of the acceptance hereof by the City and shall be valid and enforceable as of the time of such acceptance.

11. No Prior Agreements. This Purchase Agreement supersedes and replaces all prior negotiations, agreements and understandings between the parties hereto in relation to the sale of Bonds for the City.

12. Governing Law. This Purchase Agreement shall be governed by the laws of the State applicable to contracts made and performed in the State.

13. Counterparts. This Purchase Agreement may be executed simultaneously in several counterparts, each of which shall be an original and all of which shall constitute one and the same instrument.

Very truly yours,

STIFEL, NICOLAUS & COMPANY,
INCORPORATED, as Underwriter

RULE 15c2-12 CERTIFICATE

The undersigned hereby certifies and represents that he is the Chief Financial Officer of the City of Roseville, California (the “City”), and, as such, is duly authorized to execute and deliver this certificate and further hereby certifies that:

(1) this certificate is being delivered in connection with the sale and issuance of the City of Roseville The Ranch at Sierra Vista Community Facilities District No. 1 (Public Facilities) Special Tax Bonds, Series 2023 (the “Bonds”) in order to enable the underwriter of the Bonds to comply with Rule 15c2-12 promulgated under the Securities Exchange Act of 1934, as amended (the “Rule”);

(2) in connection with the sale and issuance of the Bonds, there has been prepared a Preliminary Official Statement dated _____, 2023 setting forth information concerning the Bonds and the City of Roseville The Ranch at Sierra Vista Community Facilities District No. 1 (Public Facilities) (the “Preliminary Official Statement”); and

(3) except for the Permitted Omissions, the Preliminary Official Statement is deemed final within the meaning of the Rule. As used herein, the term “Permitted Omissions” refers to the offering price(s), interest rates(s), selling compensation, aggregate principal amount, principal amount per maturity, delivery dates, ratings and other terms of the Bonds depending on such matters, all as set forth in the Rule.

IN WITNESS WHEREOF, I have hereunto set my hand as of _____, 2023.

CITY OF ROSEVILLE, CALIFORNIA

EXHIBIT C

FORM OF ISSUE PRICE CERTIFICATE

**CITY OF ROSEVILLE
THE RANCH AT SIERRA VISTA COMMUNITY FACILITIES DISTRICT NO. 1
(PUBLIC FACILITIES)
SPECIAL TAX BONDS
SERIES 2023**

The undersigned, on behalf of Stifel, Nicolaus & Company, Incorporated (“Stifel”) hereby certifies as set forth below with respect to the sale and issuance of the above-captioned bonds (the “Bonds”).

1. ***Sale of the General Rule Maturities.*** As of the date of this certificate, for each Maturity of the General Rule Maturities, the first price at which at least 10% of such Maturity was sold to the Public is the respective price listed in Schedule A.

2. ***Initial Offering Price of the Hold-the-Offering-Price Maturities.***

(a) Piper offered the Hold-the-Offering-Price Maturities to the Public for purchase at the respective initial offering prices listed in Schedule A (the “**Initial Offering Prices**”) on or before the Sale Date. A copy of the pricing wire or equivalent communication for the Bonds is attached to this certificate as Schedule B.

(b) As set forth in the Bond Purchase Agreement, dated _____, 2023, by and between Piper and the Issuer, Piper has agreed in writing that: (i) for each Maturity of the Hold-the-Offering-Price Maturities, it would neither offer nor sell any of the Bonds of such Maturity to any person at a price that is higher than the Initial Offering Price for such Maturity during the Holding Period for such Maturity (the “**hold-the-offering-price rule**”); and (ii) any selling group agreement shall contain the agreement of each dealer who is a member of the selling group, and any retail distribution agreement shall contain the agreement of each broker-dealer who is a party to the retail distribution agreement, to comply with the hold-the-offering-price rule. Pursuant to such agreement, no Underwriter (as defined below) has offered or sold any Maturity of the Hold-the-Offering-Price Maturities at a price that is higher than the respective Initial Offering Price for that Maturity of the Bonds during the Holding Period.

3. ***Reserve Fund.***

The deposit to the Reserve Fund required to bring the amount on deposit therein to the Reserve Requirement (as such terms are defined in the Fiscal Agent Agreement dated as of September 1, 2020, as supplemented by a Supplemental Agreement No. 1 to Fiscal Agent Agreement dated as of December 1, 2021 and a Supplemental Agreement No. 2 to Fiscal Agent Agreement dated as of _____ 1, 2023, each by and between the City and U.S. Bank Trust Company, National Association, as successor fiscal agent, pursuant to which the Bonds are being issued) was vital to the marketing of the Bonds at the initial offering prices and reasonably required to assure payment of debt service on the Bonds.

4. ***Defined Terms.***

(a) General Rule Maturities means those Maturities of the Bonds listed in Schedule A hereto as the “General Rule Maturities.”

(b) Hold-the-Offering-Price Maturities means those Maturities of the Bonds listed in Schedule A hereto as the “Hold-the-Offering-Price Maturities.”

(c) Holding Period means, with respect to a Hold-the-Offering-Price Maturity, the period starting on the Sale Date and ending on the earlier of (i) the close of the fifth business day after the _____, 2023 (the Sale Date), or (ii) the date on which the Underwriter has sold at least 10% of such Hold-the-Offering-Price Maturity to the Public at prices that are no higher than the Initial Offering Price for such Hold-the-Offering-Price Maturity.

(d) Issuer means the City of Roseville.

(e) Maturity means Bonds with the same credit and payment terms. Bonds with different maturity dates, or Bonds with the same maturity date but different stated interest rates, are treated as separate Maturities.

(f) Public means any person (including an individual, trust, estate, partnership, association, company, or corporation) other than an Underwriter or a related party to an Underwriter. The term “related party” for purposes of this certificate generally means any two or more persons who have greater than 50 percent common ownership, directly or indirectly.

(g) Sale Date means the first day on which there is a binding contract in writing for the sale of a Maturity of the Bonds. The Sale Date of the Bonds is _____, 2023.

(h) Underwriter means: (i) any person that agrees pursuant to a written contract with the Issuer (or with the lead underwriter to form an underwriting syndicate) to participate in the initial sale of the Bonds to the Public; and (ii) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (i) of this paragraph to participate in the initial sale of the Bonds to the Public (including a member of a selling group or a party to a retail distribution agreement participating in the initial sale of the Bonds to the Public).

The representations set forth in this certificate are limited to factual matters only. Nothing in this certificate represents Stifel’s interpretation of any laws, including specifically Sections 103 and 148 of the Internal Revenue Code of 1986, as amended, and the Treasury Regulations thereunder. The undersigned understands that the foregoing information will be relied upon by the Issuer with respect to certain of the representations set forth in a Certificate as to Arbitrage and Tax Compliance Procedures for the Bonds and with respect to compliance with the federal income tax rules affecting the Bonds, and by Jones Hall, A Professional Law Corporation in connection with rendering its opinion that the interest on the Bonds is excluded from gross income for federal income tax purposes, the preparation of the Internal Revenue Service Form 8038-G, and other federal income tax advice that it may give to the Issuer from time to time relating to the Bonds.

CITY OF ROSEVILLE THE RANCH AT SIERRA VISTA COMMUNITY FACILITIES DISTRICT NO. 1 (PUBLIC FACILITIES) SPECIAL TAX BONDS SERIES 2023

LETTER OF REPRESENTATIONS OF SIERRA VISTA COMMUNITIES, LLC

In connection with the issuance and sale of the above-captioned bonds (the “**Bonds**”), and pursuant to Section 4(d)(11) of the Bond Purchase Agreement (the “**Bond Purchase Agreement**”) to be executed by and between City of Roseville, California (the “**City**”), for and on behalf of the City of Roseville The Ranch at Sierra Vista Community Facilities District No. 1 (Public Facilities) (the “**District**”), and Stifel, Nicolaus & Company, Incorporated (the “**Underwriter**”), Sierra Vista Communities, LLC, a California limited liability company (“**Sierra Vista**”), hereby represents, warrants and covenants to the City, the District and the Underwriter as of the date hereof that:

1. Sierra Vista is duly organized and validly existing under the laws of the State of California, is qualified to transact business in the State of California and has all requisite limited liability company right, power and authority to: (i) execute and deliver this Letter of Representations and the Sierra Vista Continuing Disclosure Certificate; and (ii) develop the Property (as defined below) as described in the Preliminary Official Statement.

2. As set forth in the Preliminary Official Statement, certain property within the District is held in the name of Sierra Vista (herein, the “**Property**”). Except as otherwise described in the Preliminary Official Statement, Sierra Vista is the party responsible for the development of the Property.

3. Sierra Vista has, or will have prior to the Closing, duly authorized the execution and delivery at the Closing of the Sierra Vista Continuing Disclosure Certificate and the performance by Sierra Vista of its obligations thereunder and under the Development Agreement (as defined in the Preliminary Official Statement).

4. Except as disclosed in the Preliminary Official Statement, to the Actual Knowledge of the Undersigned,¹ Sierra Vista and its Affiliates² have not violated any applicable law or administrative

¹ As used in this Certificate, the phrase “**Actual Knowledge of the Undersigned**” shall mean the actual (as opposed to constructive) knowledge that the undersigned currently has as of the date of this Certificate or has obtained from (i) interviews with such current officers and responsible employees of Sierra Vista as the undersigned has determined are likely, in the ordinary course of their respective duties, to have knowledge of the matters set forth in this Certificate, and/or (ii) a review of such documents as the undersigned determined were reasonably necessary to obtain knowledge of the matters set forth in this Certificate. The undersigned has not conducted any extraordinary inspection or inquiry other than such inspections or inquiries as are prudent and customary in connection with the ordinary course of Sierra Vista’s current business and operations. The undersigned has not contacted individuals who are no longer employed by Sierra Vista.

² “**Affiliate**” means, with respect to a Person (i) any other Person directly, or indirectly through one or more intermediaries, controlling, controlled by or under common control with such Person, and (ii) for whom information, including financial information or operating data, concerning such Person referenced in clause (i) is material to an evaluation of the District and the Bonds (i.e., information relevant to Sierra Vista’s development plans with respect to its Property and the payment of its Special Tax, or such Person’s assets or funds that would materially affect Lennar’s ability to develop its Property as described in the Preliminary Official Statement or to pay its Special Tax (to the extent the responsibility of Sierra Vista) prior to delinquency).

regulation of the State of California or the United States of America, or any agency or instrumentality of either, which violation could reasonably be expected to materially and adversely affect Sierra Vista's ability to pay Special Taxes due with respect to the Property.

5. Except as disclosed in the Preliminary Official Statement, to the Actual Knowledge of the Undersigned, (a) Sierra Vista and its Affiliates are not in breach of or in default under any applicable judgment or decree or any loan agreement, option agreement, development agreement, indenture, bond or note (collectively, the “**Material Agreements**”) to which Sierra Vista or its Affiliates are a party or otherwise subject, which breach or default could reasonably be expected to materially and adversely affect Sierra Vista's ability to complete the development of the Property as proposed in the Preliminary Official Statement or to pay the Special Taxes due with respect to the Property (to the extent the responsibility of Sierra Vista) prior to delinquency, and (b) no event has occurred and is continuing that with the passage of time or giving of notice, or both, would constitute such a breach or default.

6. Except as described in the Preliminary Official Statement, there is no material indebtedness of Sierra Vista or its Affiliates that is secured by an interest in the Property. To the Actual Knowledge of the Undersigned, neither Sierra Vista nor any of its Affiliates is in default on any obligation to repay borrowed money, which default is reasonably likely to materially and adversely affect Sierra Vista's ability to complete the development of the Property as proposed in the Preliminary Official Statement or to pay the Special Taxes due with respect to the Property (to the extent the responsibility of Sierra Vista) prior to delinquency.

7. Except as set forth in the Preliminary Official Statement, no action, suit, proceeding, inquiry or investigation at law or in equity, before or by any court, regulatory agency, public board or body is pending against Sierra Vista (with proper service of process or proper notice to Sierra Vista having been accomplished) or, to the Actual Knowledge of the Undersigned, is pending against any current Affiliate of Sierra Vista (with proper service of process to such Affiliate having been accomplished) or to the Actual Knowledge of the Undersigned is overtly threatened in writing against Sierra Vista or any such Affiliate which, if successful, is reasonably likely to materially and adversely affect Sierra Vista's ability to complete the development of the Property as described in the Preliminary Official Statement or to pay the Special Tax on the Property (to the extent the responsibility of Sierra Vista) prior to delinquency.

8. As of the date thereof, to the Actual Knowledge of the Undersigned, the Preliminary Official Statement, solely with respect to information contained therein with respect to Sierra Vista, its Affiliates, ownership of the Property, Sierra Vista's development plan, Sierra Vista's financing plan, Sierra Vista's lenders, if any, and contractual arrangements of Sierra Vista or any Affiliate of Sierra Vista (including, if material to Sierra Vista's development plan or Sierra Vista's financing plan, other loans of such Affiliates) as set forth under the captions “THE DISTRICT”, “OWNERSHIP OF PROPERTY WITHIN THE DISTRICT—Information Regarding the Master Developer,” “DEVELOPMENT WITHIN THE DISTRICT,” “THE IMPROVEMENTS”, “SPECIAL RISK

“**Person**” means an individual, a corporation, a partnership, a limited liability company, an association, a joint stock company, a trust, any unincorporated organization or a government or political subdivision thereof. For purposes hereof, the term “control” (including the terms “controlling,” “controlled by” or “under common control with”) means the possession, direct or indirect, of the power to direct or cause the direction of the management and policies of a Person, whether through the ownership of voting securities, by contract or otherwise.

FACTORS—Property Values and Property Development—*Endangered and Threatened Species*” and “CONTINUING DISCLOSURE—The Master Developer and Lennar Homes” (but only as such information relates to Sierra Vista and its development within the District) (excluding therefrom, in each case, information which is identified as having been provided by a source other than Sierra Vista), is true and correct in all material respects and did not contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading.

9. Sierra Vista covenants that, while the Bonds or any refunding obligations related thereto are outstanding, Sierra Vista and its Affiliates which it controls will not bring any action, suit, proceeding, inquiry or investigation, at law or in equity, before any court, regulatory agency, public board or body that in any way seeks to challenge or overturn the formation of the District, to challenge the adoption of the ordinance of the City levying Special Taxes within the District, to invalidate the District or any of the Bonds or any refunding bonds related thereto, or to invalidate the special tax liens imposed under Section 3115.5 of the Streets and Highways Code based on recordation of the amended notice of special tax lien relating thereto. The foregoing covenant shall not prevent Sierra Vista or any Affiliate in any way from bringing any other action, suit or proceeding including, without limitation, (a) an action or suit contending that the Special Tax has not been levied in accordance with the methodologies contained in the District’s Rate and Method of Apportionment of Special Taxes pursuant to which the Special Taxes are levied, (b) an action or suit with respect to the application or use of the Special Taxes levied and collected or (c) an action or suit to enforce the obligations of the City and/or the District under the Formation Documents, the District Documents, or any other agreements among Sierra Vista, the City, and/or the District or to which Sierra Vista is a beneficiary.

10. Except as disclosed in the Preliminary Official Statement or as a matter of public record (including, without limitation, liens for *ad valorem* tax obligations and liens for District), to the Actual Knowledge of the Undersigned, no public debt secured by a tax or assessment on the Property exists or is in the process of being authorized and Sierra Vista has not taken any action to form any assessment districts or community facilities districts that would include any portion of the Property.

11. Sierra Vista has been developing or has been involved in the development of numerous projects over an extended period of time. It is likely that Sierra Vista has been delinquent at one time or another in the payment of ad valorem property taxes, special assessments or special taxes. However, except as disclosed in the Preliminary Official Statement, to the Actual Knowledge of the Undersigned, Sierra Vista is not currently in default in, or, in the last five years, has ever defaulted to any material extent in, the payment of special taxes or assessments in connection with the District or any other community facilities districts or assessment districts in California that (a) would have caused a draw on a reserve fund relating to such assessment district or community facilities district financing or (b) was not cured prior to the institution of any enforcement action with a court of law.

12. Sierra Vista consents to the issuance of the Bonds. Sierra Vista acknowledges that the City intends to use the net proceeds of the Bonds in the manner described in the Preliminary Official Statement.

13. Sierra Vista intends to comply with the provision of the Mello-Roos Community Facilities District Act of 1982, as amended relating to the Notice of Special Tax described in Government Code Section 53341.5 in connection with the sale of the Property, or portions thereof.

14. To the Actual Knowledge of the Undersigned, Sierra Vista is able to pay its bills as they become due and no legal proceedings are pending against Sierra Vista (with proper service of process to Sierra Vista having been accomplished) or, to the Actual Knowledge of the Undersigned, threatened in writing in which Sierra Vista may be adjudicated as bankrupt or discharged from any and all of its debts or obligations, or granted an extension of time to pay its debts or obligations, or be allowed to reorganize or readjust its debts, or be subject to control or supervision of the Federal Deposit Insurance Corporation.

15. Based upon its current development plans, including, without limitation, its current budget, and subject to economic conditions and risks generally inherent in the development of real property, many of which are beyond the control of Sierra Vista, and except as disclosed in the Preliminary Official Statement including in the sections entitled “THE DISTRICT,” “OWNERSHIP OF PROPERTY WITHIN THE DISTRICT” and “DEVELOPMENT WITHIN THE DISTRICT,” Sierra Vista currently expects that it will have sufficient funds and/or sources of funds to complete the development of the Property as described in the Preliminary Official Statement and to pay Special Taxes levied against the Property (to the extent the responsibility of Sierra Vista) prior to delinquency and does not anticipate that the City or the District will be required to resort to a draw on the Reserve Fund for payment of principal of or interest on the Bonds due to Sierra Vista’s nonpayment of Special Taxes. Sierra Vista reserves the right to change its development plan and financing plan for the Property at any time without notice.

16. Solely as to the limited information described in Paragraph 8 above concerning Sierra Vista its Affiliates, ownership of the Property, Sierra Vista’s development plan, Sierra Vista’s financing plan, Sierra Vista’s lenders, if any, and contractual arrangements of Sierra Vista or any Affiliates (including, if material to Sierra Vista’s development plan or Sierra Vista’s financing plan, other loans of such Affiliates) as set forth in the Preliminary Official Statement and information in the Preliminary Official Statement relating to Sierra Vista under the caption “CONTINUING DISCLOSURE—The Master Developer and Lennar Homes” (excluding therefrom information which is identified as having been provided by a source other than Sierra Vista), Sierra Vista agrees to indemnify and hold harmless, to the extent permitted by law, the City, the District, and their officials and employees, and each Person, if any (each, an “**Indemnified Party**” and together, the “**Indemnified Parties**”), who controls any of the foregoing within the meaning of Section 15 of the Securities Act of 1933, as amended, or of Section 20 of the Securities Exchange Act of 1934, as amended, against any and all losses, claims, damages or liabilities, joint or several, to which such indemnified party may become subject under any statute or at law or in equity or otherwise and shall reimburse any such indemnified party for any reasonable legal or other expense reasonably incurred by it in connection with investigating any such claim against it and defending any such action, only to the extent that such losses, claims, damages, liabilities or actions arise from any untrue statement by Sierra Vista of a material fact contained in the above referenced information in the Preliminary Official Statement, as of its date, or the omission by Sierra Vista to state in the Preliminary Official Statement, as of its date, a material fact necessary to make the statements made by Sierra Vista contained therein, in light of the circumstances under which they were made not misleading. This indemnity provision shall not be construed as a limitation on any other liability which Sierra Vista may otherwise have to any indemnified party, provided that in no event shall Sierra Vista be obligated for double indemnification, or for the negligence or willful misconduct of an indemnified party.

If any suit, action, proceeding (including any governmental or regulatory investigation), claim or demand shall be brought or asserted against any Indemnified Party in respect of which indemnification may be sought pursuant to the above paragraph, such Indemnified Party shall promptly

notify Sierra Vista in writing; provided that the failure to notify Sierra Vista shall not relieve it from any liability that it may have hereunder except to the extent that it has been materially prejudiced (through the forfeiture of substantive rights or defenses) by such failure; and provided, further, that the failure to notify Sierra Vista shall not relieve it from any liability that it may have to an Indemnified Party otherwise than under the above paragraph. If any such proceeding shall be brought or asserted against an Indemnified Party and it shall have notified Sierra Vista thereof, Sierra Vista shall retain counsel reasonably satisfactory to the Indemnified Party (who shall not, without the consent of the Indemnified Party, be counsel to Sierra Vista) to represent the Indemnified Party in such proceeding and shall pay the fees and expenses of such counsel related to such proceeding, as incurred. In any such proceeding, any Indemnified Party shall have the right to retain its own counsel, but the fees and expenses of such counsel shall be at the expense of such Indemnified Party unless (i) Sierra Vista and the Indemnified Party shall have mutually agreed to the contrary; (ii) Sierra Vista has failed within a reasonable time to retain counsel reasonably satisfactory to the Indemnified Party; (iii) the Indemnified Party shall have reasonably concluded that there may be legal defenses available to it that are different from or in addition to those available to Sierra Vista; or (iv) the named parties in any such proceeding (including any impleaded parties) include both Sierra Vista and the Indemnified Party and representation of both parties by the same counsel would be inappropriate due to actual or potential differing interest between them. It is understood and agreed that Sierra Vista shall not, in connection with any proceeding or related proceedings in the same jurisdiction, be liable for the fees and expenses of more than one separate firm (in addition to any local counsel) for all Indemnified Parties, and that all such fees and expenses, to the extent reasonable, shall be paid or reimbursed as they are incurred. Any such separate firm shall be designated in writing by such Indemnified Parties. Sierra Vista shall not be liable for any settlement of any proceeding effected without its written consent, but if settled with such consent or if there be a final judgment for the plaintiff, Sierra Vista agrees to indemnify each Indemnified Party from and against any loss or liability by reason of such settlement or judgment. Notwithstanding the foregoing sentence, if at any time an Indemnified Party shall have requested that Sierra Vista reimburse the Indemnified Party for fees and expenses of counsel as contemplated by this paragraph, Sierra Vista shall be liable for any settlement of any proceeding effected without its written consent if (i) such settlement is entered into more than 60 days after receipt by Sierra Vista of such request and (ii) Sierra Vista shall not have reimbursed the Indemnified Party in accordance with such request prior to the date of such settlement (provided that the foregoing shall not be applicable to any failure to reimburse if Sierra Vista is disputing such payment in good faith and shall have paid any amounts not in dispute). Sierra Vista shall not, without the written consent of the Indemnified Party, effect any settlement of any pending or threatened proceeding in respect of which any Indemnified Party is or could have been a party and indemnification could have been sought hereunder by such Indemnified Party, unless such settlement (x) includes an unconditional release of such Indemnified Party, in form and substance reasonably satisfactory to such Indemnified Party, from all liability on claims that are the subject matter of such proceeding and (y) does not include any statement as to or any admission of fault, culpability or a failure to act by or on behalf of any Indemnified Party.

17. If, between the date hereof and the Closing Date any event relating to or affecting Sierra Vista, its Affiliates, ownership of the Property, Sierra Vista's development plan, Sierra Vista's financing plan, Sierra Vista's lenders, if any, and contractual arrangements of Sierra Vista or any Affiliate of Sierra Vista (including, if material to Sierra Vista's development plan or Sierra Vista's financing plan, other loans of such Affiliates) shall occur of which the undersigned has Actual Knowledge and which the undersigned believes would cause the information under the sections of the Preliminary Official Statement indicated in Paragraph 8 hereof, to contain an untrue statement of a material fact or to omit to state a material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading, the undersigned shall notify the City

and the Underwriter and if in the opinion of counsel to the City or the Underwriter, such event requires the preparation and publication of a supplement or amendment to the Preliminary Official Statement, Sierra Vista shall reasonably cooperate with the City in the preparation of an amendment or supplement to the Preliminary Official Statement in form and substance reasonably satisfactory to counsel to the City and to the Underwriter.

18. For the period through 25 days after the “end of the underwriting period” as defined in the Bond Purchase Agreement, if any event relating to or affecting Sierra Vista, its Affiliates, ownership of the Property, Sierra Vista’s development plan, Sierra Vista’s financing plan, Sierra Vista’s lenders, if any, and contractual arrangements of Sierra Vista or any Affiliates of Sierra Vista (including, if material to Sierra Vista’s development plan or Sierra Vista’s financing plan, other loans of such Affiliates) shall occur as a result of which it is necessary, in the opinion of the Underwriter or counsel to the City, to amend or supplement the Official Statement in order to make the Official Statement not misleading in the light of the circumstances existing at the time it is delivered to a purchaser, Sierra Vista shall reasonably cooperate with the City and the Underwriter in the preparation of an amendment or supplement to the Official Statement in form and substance reasonably satisfactory to the Underwriter and Disclosure Counsel which will amend or supplement the Official Statement so that it will not contain an untrue statement of a material fact or omit to state a material fact necessary in order to make the statements therein, in the light of the circumstances existing at the time the Official Statement is delivered to a purchaser, not misleading.

19. On behalf of Sierra Vista, I have reviewed the contents of this Certificate and have met with counsel to Sierra Vista for the purpose of discussing the meaning of its contents.

Unless otherwise indicated, capitalized terms used herein and not defined have the meaning given to them in the Bond Purchase Agreement. The undersigned has executed this Certificate solely in his or her capacity as an authorized officer or representative of Sierra Vista and he or she will have no personal liability arising from or relating to this Certificate.

FORM OF DEVELOPER'S COUNSEL OPINION

[Closing Date]

City of Roseville
311 Vernon Street,
Roseville, California 95678

Stifel, Nicolaus & Company, Incorporated
One Montgomery Street, 35th Floor
San Francisco, California 94104

Re: \$_____ **City of Roseville**
 The Ranch at Sierra Vista Community Facilities District No. 1 (Public Facilities)
 Special Tax Bonds Series 2023

Ladies and Gentlemen:

We have acted as counsel to Sierra Vista Communities, LLC, a California limited liability company (the “Developer”) in connection with the issuance and sale by the City of Roseville, on behalf of the City of Roseville The Ranch at Sierra Vista Community Facilities District No. 1 (Public Facilities) (the “District”) of \$_____ City of Roseville The Ranch at Sierra Vista Community Facilities District No. 1 (Public Facilities) Special Tax Bonds Series 2023 (the “Bonds”). This opinion is rendered pursuant to the Bond Purchase Agreement dated _____, 2023 (the “Bond Purchase Agreement”), entered into in connection therewith. Capitalized terms used herein without definition shall have the meanings set forth in the Bond Purchase Agreement.

In rendering the opinions set forth herein, we have reviewed and examined such documents as we have determined to be appropriate, including the following documents:

1. The Bond Purchase Agreement;
2. The Preliminary Official Statement
3. The Official Statement (together, the “Official Statement”);
4. The Continuing Disclosure Certificate of the Developer dated as of _____, 2023, executed by the Developer (the “Developer Disclosure Certificate”); and
5. The Letter of Representations of Sierra Vista Communities, LLC dated _____, 2023, and the Closing Certificate of Sierra Vista Communities, LLC, dated _____, 2023, both as required pursuant to Section 4(d)(11) of the Bond Purchase Agreement (collectively, the “Developer Certificate”).

For purposes of this opinion, the term “Litigation Search” shall mean a litigation search of Developer, performed in the Superior Court of the State of California, County of Placer; the California Court of Appeal, Third Appellate District; the United States District Court, Eastern District of California; the United States Bankruptcy Court, Eastern District of California; and the United States Ninth Circuit Court of Appeal, conducted by Corporation Service Company (Order Date _____, 2023; Order Number _____ (the “Litigation Search”), but without warranty as to the completeness and accuracy thereof due to the potential for errors or inaccuracies in the data and files made available from the applicable courts.

With respect to factual matters underlying our opinions herein, we have made no independent investigation or inquiry and have relied solely upon the Developer’s Certificate and the Litigation Search. We advise you that the phrase “to our knowledge,” as used herein, means that no facts have come to our attention, based upon an inquiry of attorneys in this firm who devote substantive legal attention to Developer, or as a result of our examination of the Developer’s Certificate and the Litigation Search, that indicate to us anything contrary to the statement to which the phrase relates. Except as expressly set forth above, the phrase does not mean that we have conducted any investigation or inquiry or performed any other examination or review. We have no reason to believe that any factual matters or assumptions relied upon by us are not true, correct and complete.

Our opinions herein are limited to the internal laws of the State of California and the federal laws of the United States of America. We express no opinion whatsoever with respect to the laws of any other jurisdiction and assume no responsibility for the applicability of such laws.

In rendering our opinions herein, we have assumed the following, with your approval:

(i) The genuineness and authenticity of all signatures on original documents submitted to us (other than any signatures on behalf of Developer); the authenticity and completeness of all documents submitted to us as originals; the conformity to originals of all documents submitted to us as copies; where any signature, other than any signature on behalf of Developer purports to have been made in a corporate, governmental, fiduciary or other capacity, the person who affixed such signature had the full power and authority to do so;

(ii) The due authorization, execution and delivery of the applicable agreements by the parties thereto, other than the Developer, and the legality, validity, binding effect and enforceability against such parties of their respective obligations under such agreements;

(iii) The truth, accuracy and completeness of all factual representations and warranties of all parties under the documents described in paragraphs 1 through 4, above;

(iv) The constitutionality or validity of a relevant statute, rule, regulation or agency action is not in issue unless a reported decision in the State of California has specifically addressed but not resolved, or has established, its unconstitutionality or invalidity; and

(v) All official public records relied upon by us are accurate and complete.

Based upon the foregoing and in reliance thereon, and based on our examination of such questions of law as we have deemed appropriate under the circumstances, and subject to any

further assumptions, comments, exceptions, qualifications and limitations set forth below, as of the date hereof, it is our opinion that:

1. Developer is a limited liability company, duly formed, validly existing and in good standing under the laws of the State of California, and has full power and authority to enter into the Developer Disclosure Certificate.

2. The Developer has duly and validly executed and delivered the Developer Disclosure Certificate, and the Developer Disclosure Certificate constitutes the legal, valid and binding obligation of the Developer, enforceable against Developer in accordance with its terms.

3. To our knowledge, the execution and delivery by Developer of the Developer Disclosure Certificate and the performance of its obligations thereunder do not and will not result in a violation of any provision of, or in default under any agreement or other instrument to which Developer is a party.

4. To our knowledge, Developer is not in violation of any provision of or in default under, its organizational documents or any agreement or other instrument, violation or default under which would materially and adversely affect the business, properties, assets, liabilities or conditions (financial or other) of the Developer with respect to Developer's ability to develop real property owned by Developer within the District.

5. To our knowledge, except as set forth in the Official Statement, there is no litigation pending against Developer (with service of process to Developer having been duly given and completed) or overtly threatened against Developer which would materially and adversely affect the validity or enforceability of the Developer Disclosure Certificate, Developer's ability to complete the development of its property as proposed in the Official Statement or to pay the Special Taxes.

6. Without having undertaken to determine independently the accuracy, completeness or fairness of the statements contained in the Preliminary Official Statement or the Official Statement under the caption THE DISTRICT," "OWNERSHIP OF PROPERTY WITHIN THE DISTRICT—Information Regarding the Master Developer," "DEVELOPMENT WITHIN THE DISTRICT," "THE IMPROVEMENTS," "SPECIAL RISK FACTORS—Property Values and Property Development—*Endangered and Threatened Species*" and information relating to Sierra Vista under the caption "CONTINUING DISCLOSURE—The Master Developer and Lennar Homes" (except that no opinion or belief need to be expressed as to any information relating to The Depository Trust Company, or any information relating to CUSIP numbers, or with respect to any financial, statistical or engineering information, data or forecasts, numbers, charts, estimates, projections, assumptions or expressions of opinion, assessed valuations or appraised values, or to any information which is attributable to a source other than the Developer, contained in the Preliminary Official Statement or the Official Statement), no facts came to our attention during the course of our representation of the Developer that would lead us to believe that the information under said captions of the Preliminary Official Statement, as of its date, or the Official Statement, as of its date and as of the date hereof, relating to the Developer and the Developer's organizations, activities, properties and financial condition, and its proposed development of the Property, contained or contains any untrue statement of a material fact or omitted or omits any material fact

necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading.

In addition, all of our opinions expressed hereinabove are specifically subject to and limited by the following:

a) We express no opinion as to matters governed by any laws other than the substantive laws of California which are in effect as of the date hereof, and we assume no obligation to modify or supplement this opinion with respect to changes in such laws after the date hereof.

b) As counsel to the Developer in this matter, we have not rendered financial advice to the Developer and do not represent, by this opinion or otherwise, that we have reviewed or made any assessment about, nor do we offer any opinion about, the financial condition of the Developer, past, present or future, including any financial information contained in the Developer Disclosure Certificate; nor have we reviewed the financial feasibility of this transaction or those matters which the proceeds of the Bonds will fund or any of its components and, accordingly, we offer no opinion whatsoever regarding such financial feasibility.

c) The effect of laws or court decisions relating to bankruptcy, insolvency, fraudulent conveyance, equitable subordination, reorganization, arrangement, moratorium or other laws or court decisions relating to or affecting creditors' rights generally.

d) Limitations imposed by California or federal law or equitable principles upon the availability of the remedy of specific performance of any of the remedies, covenants or other provisions of any document or agreement and upon the availability of injunctive relief or other equitable remedies.

In addition, we express no opinion as to the title of the property within the District or any entitlements, permits, approvals or other assets relating to the Developer's development of its property as proposed in the Official Statement.

We express no opinion as to any matter other than as expressly set forth above, and, in conjunction therewith, specifically express no opinion concerning the application of or compliance with any federal securities law, including, but not limited to, the Securities Act of 1933, as amended, and the Trust Indenture Act of 1939, as amended, any state securities or "Blue Sky" law, or any federal, state or local tax law, as respecting the Bonds.

This letter is intended solely for your use in relation to the Bond Purchase Agreement and may not be reproduced or filed publicly or relied upon for any other purpose by you or for any purpose whatsoever by any other party without the express written consent of the undersigned except that this opinion may be copied and distributed as part of a closing book of the bond transaction documents, provided that such distribution shall not expand in any way the permitted uses of this letter.

We assume no responsibility for the effect of any fact or circumstance occurring subsequent to the date of this letter, including, without limitation, legislative or other changes in the law. Further, we assume no responsibility to advise you of any facts or circumstances of which

we become aware after the date hereof, regardless of whether or not they may affect our opinions herein. This opinion is given as of the date hereof, and we assume no obligation to update our opinions herein after the date hereof.

Very truly yours,

EXHIBIT F

CITY OF ROSEVILLE THE RANCH AT SIERRA VISTA COMMUNITY FACILITIES DISTRICT NO. 1 (PUBLIC FACILITIES) SPECIAL TAX BONDS SERIES 2023

LETTER OF REPRESENTATIONS OF LENNAR HOMES OF CALIFORNIA, LLC

In connection with the issuance and sale of the above-captioned bonds (the “**Bonds**”), and pursuant to Section 4(d)(14) of the Bond Purchase Agreement (the “**Bond Purchase Agreement**”) to be executed by and between City of Roseville, California (the “**City**”), for and on behalf of the City of Roseville The Ranch at Sierra Vista Community Facilities District No. 1 (Public Facilities) (the “**District**”), and Stifel, Nicolaus & Company, Incorporated (the “**Underwriter**”), Lennar Homes of California, LLC, a California limited liability company (“**Lennar**”), hereby represents, warrants and covenants to the City, the District and the Underwriter as of the date hereof that:

1. Lennar is duly organized and validly existing under the laws of the State of California, is qualified to transact business in the State of California and has all requisite limited liability company right, power and authority to: (i) execute and deliver this Letter of Representations; and (ii) develop the Property (as defined below) as described in the Preliminary Official Statement.

2. As set forth in the Preliminary Official Statement, certain property within the District is held in the name of Lennar (herein, the “**Property**”). Except as otherwise described in the Preliminary Official Statement, Lennar is the party responsible for the development of the Property.

3. Except as disclosed in the Preliminary Official Statement, to the Actual Knowledge of the Undersigned,¹ Lennar and its Affiliates² have not violated any applicable law or administrative

¹ As used in this Certificate, the phrase “**Actual Knowledge of the Undersigned**” shall mean the actual (as opposed to constructive) knowledge that the undersigned currently has as of the date of this Certificate or has obtained from (i) interviews with such current officers and responsible employees of Lennar as the undersigned has determined are likely, in the ordinary course of their respective duties, to have knowledge of the matters set forth in this Certificate, and/or (ii) a review of such documents as the undersigned determined were reasonably necessary to obtain knowledge of the matters set forth in this Certificate. The undersigned has not conducted any extraordinary inspection or inquiry other than such inspections or inquiries as are prudent and customary in connection with the ordinary course of Lennar’s current business and operations. The undersigned has not contacted individuals who are no longer employed by Lennar. Lennar further notes that Lennar Corporation, a Delaware corporation (“Lennar Corporation”) completed a merger with CalAtlantic Group, Inc., a Delaware corporation (“CalAtlantic”) in February, 2018, pursuant to which CalAtlantic merged with and into a subsidiary of Lennar Corporation, with the subsidiary of Lennar Corporation being the surviving entity. Separate and apart from Lennar Corporation’s due diligence efforts for purposes of completing the acquisition of CalAtlantic, for purposes of this Certificate, individuals who were employees and officers of CalAtlantic and its subsidiaries prior to the merger have not been consulted or contacted and documents entered into by CalAtlantic and its subsidiaries or related to their properties and projects have not been reviewed.

² “**Affiliate**” means, with respect to a Person (i) any other Person directly, or indirectly through one or more intermediaries, controlling, controlled by or under common control with such Person, and (ii) for whom information, including financial information or operating data, concerning such Person referenced in clause (i) is material to an evaluation of the District and the Bonds (i.e., information relevant to the Developer’s development plans with respect to its Property and the payment of its Special Tax, or such Person’s assets or funds that would materially affect Lennar’s ability to develop its Property as described in the Preliminary Official Statement or to pay its Special Tax (to the extent the responsibility of Lennar) prior to delinquency). “**Person**” means an individual, a corporation, a partnership, a limited liability company, an association, a joint stock company, a trust, any unincorporated organization or a government or political subdivision thereof. For purposes hereof, the term “control” (including

regulation of the State of California or the United States of America, or any agency or instrumentality of either, which violation could reasonably be expected to materially and adversely affect Lennar's ability to pay Special Taxes due with respect to the Property.

4. Except as disclosed in the Preliminary Official Statement, to the Actual Knowledge of the Undersigned, (a) Lennar and its Affiliates are not in breach of or in default under any applicable judgment or decree or any loan agreement, option agreement, development agreement, indenture, bond or note (collectively, the “**Material Agreements**”) to which Lennar or its Affiliates are a party or otherwise subject, which breach or default could reasonably be expected to materially and adversely affect Lennar's ability to complete the development of the Property as proposed in the Preliminary Official Statement or to pay the Special Taxes due with respect to the Property (to the extent the responsibility of Lennar) prior to delinquency, and (b) no event has occurred and is continuing that with the passage of time or giving of notice, or both, would constitute such a breach or default.

5. Except as described in the Preliminary Official Statement, there is no material indebtedness of Lennar or its Affiliates that is secured by an interest in the Property. To the Actual Knowledge of the Undersigned, neither Lennar nor any of its Affiliates is in default on any obligation to repay borrowed money, which default is reasonably likely to materially and adversely affect Lennar's ability to complete the development of the Property as proposed in the Preliminary Official Statement or to pay the Special Taxes due with respect to the Property (to the extent the responsibility of Lennar) prior to delinquency.

6. Except as set forth in the Preliminary Official Statement, no action, suit, proceeding, inquiry or investigation at law or in equity, before or by any court, regulatory agency, public board or body is pending against Lennar (with proper service of process or proper notice to Lennar having been accomplished) or, to the Actual Knowledge of the Undersigned, is pending against any current Affiliate of Lennar (with proper service of process to such Affiliate having been accomplished) or to the Actual Knowledge of the Undersigned is overtly threatened in writing against Lennar or any such Affiliate which, if successful, is reasonably likely to materially and adversely affect Lennar's ability to complete the development of the Property as described in the Preliminary Official Statement or to pay the Special Tax on the Property (to the extent the responsibility of Lennar) prior to delinquency.

7. As of the date thereof, to the Actual Knowledge of the Undersigned, the Preliminary Official Statement, solely with respect to information contained therein with respect to Lennar, its Affiliates, ownership of the Property, Lennar's development plan, Lennar's financing plan, Lennar's lenders, if any, and contractual arrangements of Lennar or any Affiliate of Lennar (including, if material to Lennar's development plan or Lennar's financing plan, other loans of such Affiliates) as set forth under the captions “OWNERSHIP OF PROPERTY WITHIN THE DISTRICT” (excluding information under the caption “—Information Regarding the Master Developer”), “DEVELOPMENT WITHIN THE DISTRICT,” “THE IMPROVEMENTS,” “SPECIAL RISK FACTORS—Property Values and Property Development—*Endangered and Threatened Species*” (but only as such information relates to Lennar and its development within the District) (excluding therefrom, in each case, information which is identified as having been provided by a source other than Lennar), is true and correct in all material respects and did not contain any untrue statement of a material fact or omit

the terms “controlling,” “controlled by” or “under common control with”) means the possession, direct or indirect, of the power to direct or cause the direction of the management and policies of a Person, whether through the ownership of voting securities, by contract or otherwise.

to state a material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading.

8. Lennar covenants that, while the Bonds or any refunding obligations related thereto are outstanding, Lennar and its Affiliates which it controls will not bring any action, suit, proceeding, inquiry or investigation, at law or in equity, before any court, regulatory agency, public board or body that in any way seeks to challenge or overturn the formation of the District, to challenge the adoption of the ordinance of the City levying Special Taxes within the District, to invalidate the District or any of the Bonds or any refunding bonds related thereto, or to invalidate the special tax liens imposed under Section 3115.5 of the Streets and Highways Code based on recordation of the amended notice of special tax lien relating thereto. The foregoing covenant shall not prevent Lennar or any Affiliate in any way from bringing any other action, suit or proceeding including, without limitation, (a) an action or suit contending that the Special Tax has not been levied in accordance with the methodologies contained in the District's Rate and Method of Apportionment of Special Taxes pursuant to which the Special Taxes are levied, (b) an action or suit with respect to the application or use of the Special Taxes levied and collected or (c) an action or suit to enforce the obligations of the City and/or the District under the Formation Documents, the District Documents, or any other agreements among Lennar, the City, and/or the District or to which Lennar is a beneficiary.

9. Except as disclosed in the Preliminary Official Statement or as a matter of public record (including, without limitation, liens for *ad valorem* tax obligations and liens for District), to the Actual Knowledge of the Undersigned, no public debt secured by a tax or assessment on the Property exists or is in the process of being authorized and Lennar has not taken any action to form any assessment districts or community facilities districts that would include any portion of the Property.

10. Lennar has been developing or has been involved in the development of numerous projects over an extended period of time. It is likely that Lennar has been delinquent at one time or another in the payment of ad valorem property taxes, special assessments or special taxes. However, except as disclosed in the Preliminary Official Statement, to the Actual Knowledge of the Undersigned, Lennar is not currently in default in, or, in the last five years, has ever defaulted to any material extent in, the payment of special taxes or assessments in connection with the District or any other community facilities districts or assessment districts in California that (a) would have caused a draw on a reserve fund relating to such assessment district or community facilities district financing or (b) was not cured prior to the institution of any enforcement action with a court of law.

11. Lennar consents to the issuance of the Bonds. Lennar acknowledges that the City intends to use the net proceeds of the Bonds in the manner described in the Preliminary Official Statement.

12. Lennar intends to comply with the provision of the Mello-Roos Community Facilities District Act of 1982, as amended relating to the Notice of Special Tax described in Government Code Section 53341.5 in connection with the sale of the Property, or portions thereof.

13. To the Actual Knowledge of the Undersigned, Lennar is able to pay its bills as they become due and no legal proceedings are pending against Lennar (with proper service of process to Lennar having been accomplished) or, to the Actual Knowledge of the Undersigned, threatened in writing in which Lennar may be adjudicated as bankrupt or discharged from any and all of its debts or obligations, or granted an extension of time to pay its debts or obligations, or be allowed to reorganize

or readjust its debts, or be subject to control or supervision of the Federal Deposit Insurance Corporation.

14. Based upon its current development plans, including, without limitation, its current budget, and subject to economic conditions and risks generally inherent in the development of real property, many of which are beyond the control of Lennar, and except as disclosed in the Preliminary Official Statement including in the sections entitled “OWNERSHIP OF PROPERTY WITHIN THE DISTRICT” and “DEVELOPMENT WITHIN THE DISTRICT,” Lennar currently expects that it will have sufficient funds and/or sources of funds to complete the development of the Property as described in the Preliminary Official Statement and to pay Special Taxes levied against the Property (to the extent the responsibility of Lennar) prior to delinquency and does not anticipate that the City or the District will be required to resort to a draw on the Reserve Fund for payment of principal of or interest on the Bonds due to Lennar’s nonpayment of Special Taxes. Lennar reserves the right to change its development plan and financing plan for the Property at any time without notice.

15. Solely as to the limited information described in Paragraph 7 above concerning Lennar its Affiliates, ownership of the Property, Lennar’s development plan, Lennar’s financing plan, Lennar’s lenders, if any, and contractual arrangements of Lennar or any Affiliates (including, if material to Lennar’s development plan or Lennar’s financing plan, other loans of such Affiliates) as set forth in the Preliminary Official Statement (excluding therefrom information which is identified as having been provided by a source other than Lennar), Lennar agrees to indemnify and hold harmless, to the extent permitted by law, the City, the District, and their officials and employees, and each Person, if any (each, an “**Indemnified Party**” and together, the “**Indemnified Parties**”), who controls any of the foregoing within the meaning of Section 15 of the Securities Act of 1933, as amended, or of Section 20 of the Securities Exchange Act of 1934, as amended, against any and all losses, claims, damages or liabilities, joint or several, to which such indemnified party may become subject under any statute or at law or in equity or otherwise and shall reimburse any such indemnified party for any reasonable legal or other expense reasonably incurred by it in connection with investigating any such claim against it and defending any such action, only to the extent that such losses, claims, damages, liabilities or actions arise from any untrue statement by Lennar of a material fact contained in the above referenced information in the Preliminary Official Statement, as of its date, or the omission by Lennar to state in the Preliminary Official Statement, as of its date, a material fact necessary to make the statements made by Lennar contained therein, in light of the circumstances under which they were made not misleading. This indemnity provision shall not be construed as a limitation on any other liability which Lennar may otherwise have to any indemnified party, provided that in no event shall Lennar be obligated for double indemnification, or for the negligence or willful misconduct of an indemnified party.

If any suit, action, proceeding (including any governmental or regulatory investigation), claim or demand shall be brought or asserted against any Indemnified Party in respect of which indemnification may be sought pursuant to the above paragraph, such Indemnified Party shall promptly notify Lennar in writing; provided that the failure to notify Lennar shall not relieve it from any liability that it may have hereunder except to the extent that it has been materially prejudiced (through the forfeiture of substantive rights or defenses) by such failure; and provided, further, that the failure to notify Lennar shall not relieve it from any liability that it may have to an Indemnified Party otherwise than under the above paragraph. If any such proceeding shall be brought or asserted against an Indemnified Party and it shall have notified Lennar thereof, Lennar shall retain counsel reasonably satisfactory to the Indemnified Party (who shall not, without the consent of the Indemnified Party, be counsel to Lennar) to represent the Indemnified Party in such proceeding and shall pay the fees and expenses of such counsel related to such proceeding, as incurred. In any such proceeding, any Indemnified Party shall

have the right to retain its own counsel, but the fees and expenses of such counsel shall be at the expense of such Indemnified Party unless (i) Lennar and the Indemnified Party shall have mutually agreed to the contrary; (ii) Lennar has failed within a reasonable time to retain counsel reasonably satisfactory to the Indemnified Party; (iii) the Indemnified Party shall have reasonably concluded that there may be legal defenses available to it that are different from or in addition to those available to Lennar; or (iv) the named parties in any such proceeding (including any impleaded parties) include both Lennar and the Indemnified Party and representation of both parties by the same counsel would be inappropriate due to actual or potential differing interest between them. It is understood and agreed that Lennar shall not, in connection with any proceeding or related proceedings in the same jurisdiction, be liable for the fees and expenses of more than one separate firm (in addition to any local counsel) for all Indemnified Parties, and that all such fees and expenses, to the extent reasonable, shall be paid or reimbursed as they are incurred. Any such separate firm shall be designated in writing by such Indemnified Parties. Lennar shall not be liable for any settlement of any proceeding effected without its written consent, but if settled with such consent or if there be a final judgment for the plaintiff, Lennar agrees to indemnify each Indemnified Party from and against any loss or liability by reason of such settlement or judgment. Notwithstanding the foregoing sentence, if at any time an Indemnified Party shall have requested that Lennar reimburse the Indemnified Party for fees and expenses of counsel as contemplated by this paragraph, Lennar shall be liable for any settlement of any proceeding effected without its written consent if (i) such settlement is entered into more than 60 days after receipt by Lennar of such request and (ii) Lennar shall not have reimbursed the Indemnified Party in accordance with such request prior to the date of such settlement (provided that the foregoing shall not be applicable to any failure to reimburse if Lennar is disputing such payment in good faith and shall have paid any amounts not in dispute). Lennar shall not, without the written consent of the Indemnified Party, effect any settlement of any pending or threatened proceeding in respect of which any Indemnified Party is or could have been a party and indemnification could have been sought hereunder by such Indemnified Party, unless such settlement (x) includes an unconditional release of such Indemnified Party, in form and substance reasonably satisfactory to such Indemnified Party, from all liability on claims that are the subject matter of such proceeding and (y) does not include any statement as to or any admission of fault, culpability or a failure to act by or on behalf of any Indemnified Party.

16. If, between the date hereof and the Closing Date any event relating to or affecting Lennar, its Affiliates, ownership of the Property, Lennar's development plan, Lennar's financing plan, Lennar's lenders, if any, and contractual arrangements of Lennar or any Affiliate of Lennar (including, if material to Lennar's development plan or Lennar's financing plan, other loans of such Affiliates) shall occur of which the undersigned has Actual Knowledge and which the undersigned believes would cause the information under the sections of the Preliminary Official Statement indicated in Paragraph 8 hereof, to contain an untrue statement of a material fact or to omit to state a material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading, the undersigned shall notify the City and the Underwriter and if in the opinion of counsel to the City or the Underwriter, such event requires the preparation and publication of a supplement or amendment to the Preliminary Official Statement, Lennar shall reasonably cooperate with the City in the preparation of an amendment or supplement to the Preliminary Official Statement in form and substance reasonably satisfactory to counsel to the City and to the Underwriter.

17. For the period through 25 days after the "end of the underwriting period" as defined in the Bond Purchase Agreement, if any event relating to or affecting Lennar, its Affiliates, ownership of the Property, Lennar's development plan, Lennar's financing plan, Lennar's lenders, if any, and contractual arrangements of Lennar or any Affiliates of Lennar (including, if material to Lennar's development plan or Lennar's financing plan, other loans of such Affiliates) shall occur as a result of

which it is necessary, in the opinion of the Underwriter or counsel to the City, to amend or supplement the Official Statement in order to make the Official Statement not misleading in the light of the circumstances existing at the time it is delivered to a purchaser, Lennar shall reasonably cooperate with the City and the Underwriter in the preparation of an amendment or supplement to the Official Statement in form and substance reasonably satisfactory to the Underwriter and Disclosure Counsel which will amend or supplement the Official Statement so that it will not contain an untrue statement of a material fact or omit to state a material fact necessary in order to make the statements therein, in the light of the circumstances existing at the time the Official Statement is delivered to a purchaser, not misleading.

18. On behalf of Lennar, I have reviewed the contents of this Certificate and have met with counsel to Lennar for the purpose of discussing the meaning of its contents.

Unless otherwise indicated, capitalized terms used herein and not defined have the meaning given to them in the Bond Purchase Agreement. The undersigned has executed this Certificate solely in his or her capacity as an authorized officer or representative of Lennar and he or she will have no personal liability arising from or relating to this Certificate.

Re: \$_____ **City of Roseville**
 The Ranch at Sierra Vista Community Facilities District No. 1 (Public Facilities)
 Special Tax Bonds Series 2023

Ladies and Gentlemen:

We have acted as counsel to Lennar Homes of California, LLC, a California limited liability company (the "Developer") in connection with the issuance and sale by the City of Roseville, on behalf of the City of Roseville The Ranch at Sierra Vista Community Facilities District No. 1 (Public Facilities) (the "District") of \$_____ City of Roseville The Ranch at Sierra Vista Community Facilities District No. 1 (Public Facilities) Special Tax Bonds Series 2023 (the "Bonds"). This opinion is rendered pursuant to the Bond Purchase Agreement dated _____, 2023 (the "Bond Purchase Agreement"), entered into in connection therewith. Capitalized terms used herein without definition shall have the meanings set forth in the Bond Purchase Agreement.

In rendering the opinions set forth herein, we have reviewed and examined such documents as we have determined to be appropriate, including the following documents:

1. The Bond Purchase Agreement;
2. The Preliminary Official Statement;
3. The final Official Statement; and
4. The Letter of Representations of Lennar Homes of California, LLC dated _____, 2023, and the Closing Certificate of Lennar Homes of California, LLC, dated _____, 2023, both as required pursuant to Section 4(d)(14) of the Bond Purchase Agreement (collectively, the "Developer Certificate").

For purposes of this opinion, the term "Litigation Search" shall mean a litigation search of Developer, performed in the Superior Court of the State of California, County of Placer; the

California Court of Appeal, Third Appellate District; the United States District Court, Eastern District of California; the United States Bankruptcy Court, Eastern District of California; and the United States Ninth Circuit Court of Appeal, conducted by Corporation Service Company (Order Date _____, 2023; Order Number _____) (the “Litigation Search”), but without warranty as to the completeness and accuracy thereof due to the potential for errors or inaccuracies in the data and files made available from the applicable courts.

With respect to factual matters underlying our opinions herein, we have made no independent investigation or inquiry and have relied solely upon the Developer’s Certificate and the Litigation Search. We advise you that the phrase “to our knowledge,” as used herein, means that no facts have come to our attention, based upon an inquiry of attorneys in this firm who devote substantive legal attention to Developer, or as a result of our examination of the Developer’s Certificate and the Litigation Search, that indicate to us anything contrary to the statement to which the phrase relates. Except as expressly set forth above, the phrase does not mean that we have conducted any investigation or inquiry or performed any other examination or review. We have no reason to believe that any factual matters or assumptions relied upon by us are not true, correct and complete.

Our opinions herein are limited to the internal laws of the State of California and the federal laws of the United States of America. We express no opinion whatsoever with respect to the laws of any other jurisdiction and assume no responsibility for the applicability of such laws.

In rendering our opinions herein, we have assumed the following, with your approval:

- (i) The genuineness and authenticity of all signatures on original documents submitted to us (other than any signatures on behalf of Developer); the authenticity and completeness of all documents submitted to us as originals; the conformity to originals of all documents submitted to us as copies; where any signature, other than any signature on behalf of Developer purports to have been made in a corporate, governmental, fiduciary or other capacity, the person who affixed such signature had the full power and authority to do so;
- (ii) The due authorization, execution and delivery of the applicable agreements by the parties thereto, other than the Developer, and the legality, validity, binding effect and enforceability against such parties of their respective obligations under such agreements;
- (iii) The truth, accuracy and completeness of all factual representations and warranties of all parties under the documents described in paragraphs 1 through 4, above;
- (iv) The constitutionality or validity of a relevant statute, rule, regulation or agency action is not in issue unless a reported decision in the State of California has specifically addressed but not resolved, or has established, its unconstitutionality or invalidity; and
- (v) All official public records relied upon by us are accurate and complete.

Based upon the foregoing and in reliance thereon, and based on our examination of such questions of law as we have deemed appropriate under the circumstances, and subject to any further assumptions, comments, exceptions, qualifications and limitations set forth below, as of the date hereof, it is our opinion that:

1. To our knowledge, Developer is not in violation of any provision of or in default under, its organizational documents or any agreement or other instrument, violation or default under which would materially and adversely affect the business, properties, assets, liabilities or conditions (financial or other) of the Developer with respect to Developer's ability to develop real property owned by Developer within the District.

2. To our knowledge, except as set forth in the Official Statement, there is no litigation pending against Developer (with service of process to Developer having been duly given and completed) or overtly threatened against Developer which would materially and adversely affect the Developer's ability to complete the development of its property as proposed in the Official Statement or to pay the Special Taxes.

3. Without having undertaken to determine independently the accuracy, completeness or fairness of the statements contained in the Preliminary Official Statement or the Official Statement under the captions "OWNERSHIP OF PROPERTY WITHIN THE DISTRICT" (excluding information under the caption "—Information Regarding the Master Developer"), "DEVELOPMENT WITHIN THE DISTRICT," "THE IMPROVEMENTS," and "SPECIAL RISK FACTORS—Property Values and Property Development—*Endangered and Threatened Species*" (except that no opinion or belief need to be expressed as to any information relating to The Depository Trust Company, or any information relating to CUSIP numbers, or with respect to any financial, statistical or engineering information, data or forecasts, numbers, charts, estimates, projections, assumptions or expressions of opinion, assessed valuations or appraised values, or to any information which is attributable to a source other than the Developer, contained in the Preliminary Official Statement or the Official Statement), no facts came to our attention during the course of our representation of the Developer that would lead us to believe that the information under said captions of the Preliminary Official Statement, as of its date, or the Official Statement, as of its date and as of the date hereof, relating to the Developer and the Developer's organizations, activities, properties and financial condition, and its proposed development of the Property, contained or contains any untrue statement of a material fact or omitted or omits any material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading.

In addition, all of our opinions expressed hereinabove are specifically subject to and limited by the following:

a) We express no opinion as to matters governed by any laws other than the substantive laws of California which are in effect as of the date hereof, and we assume no obligation to modify or supplement this opinion with respect to changes in such laws after the date hereof.

b) As counsel to the Developer in this matter, we have not rendered financial advice to the Developer and do not represent, by this opinion or otherwise, that we have reviewed or made any assessment about, nor do we offer any opinion about, the financial condition of the Developer, past, present or future; nor have we reviewed the financial feasibility of this transaction or those matters which the proceeds of the Bonds will fund or any of its components and, accordingly, we offer no opinion whatsoever regarding such financial feasibility.

c) The effect of laws or court decisions relating to bankruptcy, insolvency, fraudulent conveyance, equitable subordination, reorganization, arrangement, moratorium or other laws or court decisions relating to or affecting creditors' rights generally.

d) Limitations imposed by California or federal law or equitable principles upon the availability of the remedy of specific performance of any of the remedies, covenants or other provisions of any document or agreement and upon the availability of injunctive relief or other equitable remedies.

In addition, we express no opinion as to the title of the property within the District or any entitlements, permits, approvals or other assets relating to the Developer's development of its property as proposed in the Official Statement.

We express no opinion as to any matter other than as expressly set forth above, and, in conjunction therewith, specifically express no opinion concerning the application of or compliance with any federal securities law, including, but not limited to, the Securities Act of 1933, as amended, and the Trust Indenture Act of 1939, as amended, any state securities or "Blue Sky" law, or any federal, state or local tax law, as respecting the Bonds.

This letter is intended solely for your use in relation to the Bond Purchase Agreement and may not be reproduced or filed publicly or relied upon for any other purpose by you or for any purpose whatsoever by any other party without the express written consent of the undersigned except that this opinion may be copied and distributed as part of a closing book of the bond transaction documents, provided that such distribution shall not expand in any way the permitted uses of this letter.

We assume no responsibility for the effect of any fact or circumstance occurring subsequent to the date of this letter, including, without limitation, legislative or other changes in the law. Further, we assume no responsibility to advise you of any facts or circumstances of which we become aware after the date hereof, regardless of whether or not they may affect our opinions herein. This opinion is given as of the date hereof, and we assume no obligation to update our opinions herein after the date hereof.

Very truly yours,

**CITY OF ROSEVILLE
THE RANCH AT SIERRA VISTA COMMUNITY FACILITIES DISTRICT NO. 1
(PUBLIC FACILITIES)
SPECIAL TAX BONDS
SERIES 2023**

CERTIFICATE OF AG EHC II (LEN) CA 2, L.P.

In connection with the issuance and sale of the above-captioned bonds (the “**Bonds**”), and pursuant to Section 4(d)(16) of the Bond Purchase Agreement (the “**Bond Purchase Agreement**”) to be executed by and between City of Roseville, California (the “**City**”), for and on behalf of the City of Roseville The Ranch at Sierra Vista Community Facilities District No. 1 (Public Facilities) (the “**District**”), and Stifel, Nicolaus & Company, Incorporated (the “**Underwriter**”), AG EHC II (LEN) CA 2, L.P., a Delaware limited partnership, a Delaware limited partnership (the “**Landowner**”), hereby represents, warrants and covenants to the City, the District and the Underwriter as of the date hereof that:

1. The Landowner is a limited partnership validly existing and in good standing as a limited partnership under the laws of the State of Delaware and is duly registered to transact business in the State of California as a foreign limited partnership and is in good standing in the State of California and has all requisite right, power and authority: (i) to execute and deliver this Letter of Representations; and (ii) to undertake all of the transactions on its part described in the Preliminary Official Statement.

2. As set forth in the Preliminary Official Statement, certain property within the District is held in the name of the Landowner (herein the “**Property**”). The undersigned, on behalf of the Landowner, makes the representations herein with respect to all such Property owned by Landowner.

3. As of the date thereof, the Preliminary Official Statement, solely with respect to information contained therein with respect to the Landowner and ownership of the Property by Landowner as set forth under the caption [“OWNERSHIP OF PROPERTY WITHIN THE DISTRICT—_____”] is true and correct in all material respects and did not contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading.

4. The Landowner covenants that, while the Bonds or any refunding obligations related thereto are outstanding, the Landowner will not bring any action, suit, proceeding, inquiry or investigation at law or in equity, before any court, regulatory agency, public board or body, that in any way seeks to challenge or overturn the formation of the District, to challenge the adoption of Ordinance No. 6055 of the City levying Special Taxes within the District, to invalidate the District or any of the Bonds or any refunding bonds related thereto, or to invalidate the special tax liens imposed under Section 3115.5 of the Streets and Highways Code based on recordation of the amended notice of special tax lien relating thereto. The foregoing covenant shall not prevent the Landowner in any way from bringing any other action, suit or proceeding including, without limitation, (a) an action or suit contending that the Special Taxes have not been levied in accordance with the methodologies contained in the District’s Rate and Method of Apportionment of Special Taxes pursuant to which the Special Taxes are levied, or (b) an action or suit with respect to the application or use of the Special Taxes levied and collected.

5. Except as disclosed in the Preliminary Official Statement, the Landowner is not aware that any other public debt secured by a tax or assessment on the Property exists or is in the process of being authorized or any assessment districts or community facilities districts have been or are in the process of being formed that include any portion of the Property.

6. To the undersigned's actual knowledge, the Landowner has not been delinquent to any material extent in the payment of any *ad valorem* property tax, special assessment or special tax on property owned by the Landowner within the boundaries of a community facilities district or an assessment district within California that (a) would have caused a draw on a reserve fund relating to such assessment district or community facilities district financing or (b) resulted in a foreclosure action being commenced against the Landowner.

The undersigned has executed this Certificate solely in his or her capacity as the manager of the authorized agent of the Landowner and he or she will have no personal liability arising from or relating to this Certificate.

AG EHC II (LEN) CA 2, L.P., a Delaware limited partnership

COUNCIL COMMUNICATION

CC #: 2787

File #: 0201 & 0103-03-02 & 0103-29-02

Title: City of Roseville FY2023-24 Citywide Budget, Position Allocation Schedule, Roseville Housing Authority Budget, and Roseville Finance Authority Budget

Contact: Scott Pettingell 916-746-1306 spettingell@roseville.ca.us

Meeting Date: 6/21/2023

Item #: 10.1.

RECOMMENDATION TO COUNCIL

Staff recommends that the City Council adopt:

- 1) An ordinance approving the proposed City of Roseville FY2023-24 citywide budget, and approving new vehicle requests and the citywide position allocation schedule, as incorporated into the FY2023-24 budget document, effective July 1, 2023; and
- 2) A resolution approving the Roseville Housing Authority budget for FY2023-24; and
- 3) A resolution approving the Roseville Finance Authority budget for FY2023-24.

BACKGROUND

CITYWIDE BUDGET

Fiscal Summary: The FY2023-24 proposed expenditure budget totals approximately \$784 million from all funding sources.

Positions: The proposed budget includes a net increase of 30 positions that align with the City Council's strategic plan and address critical service level requirements. These recommended positions will increase the total citywide position count from 1,328 to 1,358. The citywide position allocation schedule is incorporated into the FY2023-24 budget document.

City Council Strategic Plan Goals: The following City Council strategic plan goals guided the budget process. The FY2023-24 budget document highlights the budget augmentations, accomplishments, City services, and performance measures aligned with these goals:

- Maintain a safe and healthy community
- Remain fiscally responsible in a changing world
- Enhance economic vitality
- Invest in well-planned infrastructure and growth
- Support community engagement and advocacy

- Deliver exceptional city services

Process: The proposed budget results from an extensive process that includes a City Council strategic planning workshop, budget development updates, a utilities budget update, a Capital Improvement Program budget overview, financial policies update, and a budget hearing.

Awareness and Outreach: The budget process included a public outreach effort that involved publishing budget information on the City website, including the Budget in Brief, e-newsletters, and social media. It also included outreach to the Roseville Coalition of Neighborhood Associations, Sun City Roseville, Roseville Chamber of Commerce, and City employees. The proposed budget and an overview Budget in Brief can be viewed at Roseville.ca.us/budget.

Budget Ordinance: The recommended budget ordinance includes the following modifications:

Section 3.20 - The City Manager is authorized to increase or decrease Capital Improvement Projects and Non-Capital Multiyear Projects revenues and expenditure budgets by up to \$75,000 for each project.

Section 3.21 - The City Manager is authorized to adjust the Development Services revenue budget for the General Plan Update Fee to reflect actual revenues received and adjust the expenditure budget by a like amount in the General Plan Update CIP. This authority will also apply to the FY2022-23 budget.

General Fund

Fiscal Summary: The budget for the General Fund is \$229.3 million, which includes operating (\$213.6 million) and non-operating expenditures (\$15.7 million). Per Council's financial policies, the General Fund budget matches budgeted expenses with projected revenues, with resources available to increase reserves up to Council-adopted targets, and address underfunded pension liabilities including transferring funds to the Pension Reserve Trust Fund and making an additional discretionary payment to CalPERS.

Measure B: The proposed budget includes \$29.8 million in Measure B local sales tax revenues. These revenues allow the City to maintain current service levels, restore services, and strategically invest in high-priority areas while still achieving a balanced budget.

General Fund Stabilization Reserve: The FY2023-24 budget includes a transfer of approximately \$2.1 million from the General Fund to the Stabilization Reserve to bring the total reserve balance to \$30.2 million or 15 percent of the General Fund operations budget before one-time transfers and the CalPERS additional discretionary payment. The General Fund Stabilization Reserve Fund may be used strategically to allow time for the City to restructure its operation deliberately in an economic downturn while minimizing service disruption. Use of the Stabilization Reserve will only take place in the context of a Council-adopted long-term plan.

General Fund Emergency Reserve: The FY2023-24 budget includes a transfer of approximately \$1.3 million from the General Fund into the Emergency Reserve to bring the total reserve balance to \$20.1 million or 10 percent of the General Fund operations budget before one-time transfers and the CalPERS additional discretionary payment. The purpose of this reserve is to have the ability to fund significant short-term issues such as expenditures during declared emergencies should the need arise.

ROSEVILLE HOUSING AUTHORITY BUDGET

The Roseville Housing Authority (RHA) was formed in October 1974 and administers the Housing Choice Voucher (HCV) Program and provides rental assistance for low-income residents to access quality, affordable, and safe housing. RHA ensures housing stability and economic self-sufficiency for up to 823 families, seniors, disabled persons, and veterans annually. Rental assistance for income-qualified participants is paid directly to property owners participating in the HCV Program. The Housing Authority receives funding from the Federal Department of Housing and Urban Development (HUD). Roseville's HCV program infuses over \$7.2 million in federal funds into the local economy each year, including administration revenue that covers most of the staff costs to administer the program.

Budget Analysis: RHA is a separate legal entity from the City, and therefore its budget is approved by its Board of Directors, who the City Council represents. Financial activities are audited annually as part of the citywide audit, and its financial statements are included in the City of Roseville's annual comprehensive financial report. The detail for the FY2023-24 revenues and expenditures are presented in the Budget Item Detail (Attachment A) and are further discussed below. RHA has budgeted \$8,099,622 for housing assistance payments (HAP) revenue for all vouchers. When a participating household finds rental housing that meets program requirements, written agreements are signed between the owner, tenant, and RHA, outlining their respective rights and responsibilities. Program participants pay approximately 30 percent of their income on rent and utilities, and RHA pays the balance of the contract rent directly to the property owner each month. An additional \$5,000 in fraud recovery for HAP payments is also included in the revenue estimate.

Rental Assistance Programs & Family Self-Sufficiency Funding/Revenue – Administration

RHA administers regular Housing Choice Vouchers, Non-Elderly Disabled (NED), Veterans Affairs Supportive Housing (VASH), Mainstream, Emergency Housing (EHV), and Project-Based Vouchers. Each year, the Housing Authority also participates in HUD's Family Self-Sufficiency (FSS) Program, encouraging families assisted through the HCV Program to increase their earned income and reduce their dependency on state and federal assistance and rental subsidies. In this program, each time a participant's income increases, a portion of their housing assistance payment is diverted to an interest-bearing account. During their participation in the FSS program, participants set goals to decrease their dependency on welfare subsidies. Once participants complete the required objectives of their program plan, they have access to the escrow account. They may use the funds for various needs, such as a down payment on a house, a car, education loans, or other items that further their self-sufficiency goals. HUD awards FSS grants to Housing Authorities who compete for the funding. The FSS funding for FY2023-24 of \$79,200 offsets a portion of the salaries and benefits of the program coordinator and other staff who help administer the program.

Administrative and Other Miscellaneous Revenues

RHA earns administrative revenues based on the number of vouchers that have been leased up. The estimated payments total \$937,286. RHA also administers a portion of the HCV Program for tenants who live in the City of Rocklin and charges the City of Rocklin a minimum administrative fee to recoup costs for this service. The administrative fee budgeted for FY2023-24 is \$27,500 and is based on an existing agreement with Rocklin. Interest, Portability Billing, and Fraud Recovery are estimated to be \$5,000, for a total of \$969,786.

Personnel and Other Administrative Costs

The following table illustrates the estimated revenues and expenditures needed to manage the HCV program in FY2023-24 successfully. Materials, services, supplies, and indirect costs total \$328,564, and salaries, wages, and benefits are \$737,161 for a total of \$1,065,725.

HAP Admin funds earned from projected lease-ups:	\$937,286
FSS Administrative funds:	79,200
Other Revenues (Rocklin, Repayments, and Interest):	144,060
Total Available Revenues & Resources:	1,160,546
Materials, Services, Supplies & Indirects:	232,766
Reimbursed Indirect Costs - Charged:	95,798
Salaries, Wages & Benefits:	737,161
Total Administrative Costs:	\$1,065,725

ROSEVILLE FINANCE AUTHORITY BUDGET

Debt service payments of \$2,384,992 reflect scheduled payments on the Certificates of Participation (COPs) for the Corporation Yard, golf courses, and 316 Vernon Street. The Authority has issued other bonds and COPs, but that debt service is reflected in the City's budget within each respective fund. For CFD bond issues, the Authority acts as a conduit to collect payments through the County property tax levy process to repay the outstanding debt of these special districts.

Transfers out of the RFA capital projects fund of \$690,980 represent savings from community facilities districts (CFDs) bond refundings transferred to various CFDs and to the Citywide Parks Fund for the repayment of a loan from the Fleet Replacement Fund, which partially funded the construction of Harry Crabb Park.

The Roseville Finance Authority budget for FY2023-24 is available in attached C.

FISCAL IMPACT

The City of Roseville FY2023-24 citywide budget document provides a financial summary for each fund, department, capital improvement project, and non-capital multi-year project. Attachments A and B provide financial summaries of the FY2023-24 Roseville Housing Authority budget. Attachment C provides a financial summary of the FY2023-24 Roseville Finance Authority budget.

ENVIRONMENTAL REVIEW

The California Environmental Quality Act (CEQA) does not apply to activities that will not result in a direct or reasonably foreseeable indirect physical change in the environment, or is otherwise not considered a project as defined by CEQA Statute §20165 and CEQA State Guidelines §15060(c)(3) and §15378. The Fiscal Year 2023-24 Citywide Budget, Position Allocation Schedule, Housing Authority Budget, and Roseville Finance Authority Budget meet the above criteria and are not subject to CEQA. No additional environmental review is required.

CITY COUNCIL STRATEGIC PLAN/OVERARCHING GOALS

Adoption of the City's FY2023-24 Budget provides policy direction and legal appropriation authority to continue efforts to accomplish City Council's strategic plan goals.

Respectfully Submitted,

Scott Pettingell, Assistant Finance Director

Dennis Kauffman, Assistant City Manager/Chief Financial Officer

Dominick Casey, City Manager

ORDINANCE NO. 6684

ORDINANCE OF THE COUNCIL OF THE CITY OF ROSEVILLE
ADOPTING THE ANNUAL BUDGET FOR THE FISCAL YEAR 2023-2024,
ADOPTING BUDGET CONTROL POLICIES, ADOPTING AN APPROPRIATIONS LIMIT,
ADOPTING THE BUDGET FOR THE SUCCESSOR AGENCY OF THE ROSEVILLE
REDEVELOPMENT AGENCY, TO BE EFFECTIVE IMMEDIATELY
AS AN URGENCY MEASURE THE CITY OF ROSEVILLE ORDAINS:

SECTION 1. The proposed budget for the City of Roseville entitled "Proposed Budget Fiscal Year 2023-2024, City of Roseville, California," a copy of which is on file in the office of the City Clerk, is hereby adopted as the "Annual Budget Fiscal Year 2023-2024, City of Roseville, California."

SECTION 2. The proposed expenses, expenditures, transfers out, revenues, and transfers in shown in the fund, department operating budget and project summaries of the budget document, which are incorporated herein, are hereby appropriated to the departments and activities in the amounts and purposes therein stated. Encumbrances, expenses and expenditures of the various appropriations described in the budget document shall be made by those departments and employees designated therein as the requisitioning authorities.

SECTION 3. The following budget control policies shall become effective upon the adoption of this ordinance:

1. The operating budget of the City of Roseville and the Successor Agency of the Roseville Redevelopment Agency shall be approved by the following major expenditure/expense summary categories:

- a. Salaries and Wages
- b. Benefits
- c. Materials, Supplies, and Services
- d. Internal Reimbursements
- e. Capital Outlay
- f. Debt Service
- g. Transfers Out

2. The City Manager or designee shall apply prudent monitoring procedures to assure that actual expenditures/expenses of the City and the Successor Agency of the Roseville Redevelopment Agency do not exceed the appropriations at the department level by fund.

3. The City Council delegates authority to the City Manager or designee to approve the movement of City Council approved appropriations within the same fund, excluding Capital Improvement and Non-Capital Multiyear Projects.

4. The City Manager and Assistant City Manager/Chief Financial Officer are directed to ensure that the budget complies with City Council approved financial policies.

5. The City Manager or designee is authorized to increase the Fiscal Year 2023-24 budget appropriations for the remaining unspent appropriations from the prior fiscal year for City Council approved fleet replacement.

6. Capital Improvement Plan. The Capital Budget of the City of Roseville and the Successor Agency of the Roseville Redevelopment Agency shall be approved by Capital Improvement Project. Capital project appropriations shall be used solely for the original purpose approved by the City Council.

7. Non-Capital Multiyear Projects. The non-capital multiyear project budget for the City of Roseville and the Successor Agency of the Roseville Redevelopment Agency shall be approved by Non-Capital Multiyear Project. Non-Capital project appropriations shall be used solely for the original purpose approved by the City Council.

8. City Council approval is required to establish or cancel (without completion) new Capital Improvement Projects or Non-Capital Multi-Year Projects.

9. The City Manager or designee is authorized to carryover any unspent appropriations in Capital and Non-Capital Multi-Year Improvements Projects.

10. Annually, completed or inactive Capital Improvement Projects and Non-Capital Multi-Year Improvement Projects will be closed, except for projects that have existing litigation, payment disputes or other extenuating circumstances. An inactive project is defined as one where transaction activity is less than \$1,000 over the prior three years. Closures are the responsibility of the designated project manager. The managing department and the City Manager or designee have the authority to take the necessary steps to close completed or inactive projects, including appropriate decreases to the budget.

11. All encumbrances for valid purchase orders and contracts in effect as of June 30, 2022, will remain in effect in the following fiscal year. The City Manager or designee is authorized to increase the Fiscal Year 2023-24 budget appropriations, and any associated revenue or reimbursement budgets, in the amount of the outstanding encumbrances for valid purchase orders and contracts as of June 30, 2023.

12. The City Manager or designee is authorized to eliminate funds as required for proper accounting and fiscal management when the purpose of a fund has expired and its fund balance has been expended.

13. The City Manager is authorized to revise any appropriation made in the Adopted Budget where the revision does not increase total appropriations by fund and is consistent with City Council intent.

14. The City Manager is authorized to increase appropriations in any department or project from the General Fund Administrative Contingency.

15. The City Manager is authorized to increase appropriations in the Environmental Utilities funds from the respective fund's contingency budget.

16. The City Manager is authorized to increase revenue estimates and appropriations for Council-approved bond issuances.

17. The City Manager is authorized to decrease the revenue and expenditure budget for the Development Services reimbursable development projects to match the actual amount of revenues received and expenditures incurred each fiscal year.

18. All increases and decreases to the total adopted budget require City Council approval, except as otherwise authorized in this Ordinance.

19. The City Manager is authorized to refine/add content, as may be needed to meet Government Finance Officers Association (GFOA) and California Society of Municipal Finance Officers (CSMFO) budgeting award requirements, in the Proposed Budget to create the FY2023-24 Approved Budget.

20. The City Manager is authorized to increase or decrease Capital Improvement Projects and Non-Capital Multiyear Projects revenues and expenditure budgets by up to \$75,000 for each project.

21. The City Manager is authorized to adjust the Development Services revenue budget for the General Plan Update Fee to reflect actual revenues received and adjust the expenditure budget by a like amount in the General Plan Update CIP. This authority will also apply to the FY2022-23 budget.

SECTION 4. Pursuant to Article XIII B of the California Constitution, the appropriations limit for the City of Roseville is hereby established in the FY2023-24 Approved Budget. The State Department of Finance provides the City the annual adjustment factors used in the appropriation limit calculation. The factors are the changes in the California Per Capita Personal Income and population levels for the City or the County.

SECTION 5. It is hereby ordered that a copy of this ordinance and the budget document be certified by the City Clerk and filed in the office of the City Clerk. The City Clerk is directed to post a copy of this ordinance in three (3) conspicuous locations in the City and enter the posting thereof in the Ordinance Book.

SECTION 6. This ordinance is required for the orderly operation and maintenance of municipal activities and the appropriations for usual and current expenses of the City and the Successor Agency of the Roseville Redevelopment Agency during the 2023-2024 fiscal year. Therefore, this ordinance shall take effect immediately upon passage hereof as an urgency ordinance, pursuant to Section 5.03 of the Charter of the City of Roseville.

COUNCIL COMMUNICATION

CC #: 2793

File #: 0800-03 & 0201-01

Title: Electric Utility Department Operations Center Project - Budget Adjustment

Contact: Eric Campbell 916-774-5626 ecampbell@roseville.ca.us

Meeting Date: 6/21/2023

Item #: 10.2.

RECOMMENDATION TO COUNCIL

Staff recommends that the City Council adopt an ordinance to approve a budget adjustment for the Electric Department of \$750,000 to fund and create the Electric Utility's Department Operations Center (DOC) capital project.

BACKGROUND

The Electric Utility's Department Operations Center (DOC) will improve situational awareness, outage management, and disaster preparedness capabilities by supporting a flexible, sustainable, secure, and strategically located command center that will further the City's ability to provide safe and reliable electricity. The DOC potentially may serve in the future as the City's Emergency Operations Center central command and control, responsible for carrying out emergency and disaster management to ensure continuity of operations for the City and enhance the safety of the residents of Roseville. The DOC will be located on the 1st Floor of 116 S. Grant Street and allow leadership to quickly assemble to assess incident priorities, assess resource needs, coordinate with outside agencies, and effectively communicate information to response team members in the field as well as the public. The DOC would be "always active", requiring no setup. This will allow incident management to begin immediately.

FISCAL IMPACT

Approval of the ordinance will result in a budget adjustment that will increase the FY2022-23 budget authority and decrease the Electric Fund balance by \$750,000.

ENVIRONMENTAL REVIEW

The California Environmental Quality Act (CEQA) does not apply to activities that will not result in a direct or reasonably foreseeable indirect physical change in the environment, or is otherwise not considered a project as defined by CEQA Statute §21065 and CEQA State Guidelines §15060(c)(3) and §15378. Approval of a budget adjustment meets the above criteria and is not subject to CEQA. No additional environmental review is required.

CITY COUNCIL STRATEGIC PLAN/OVERARCHING GOALS

Goal F - Invest in well-planned infrastructure and growth

Respectfully Submitted,

Eric Campbell, Assistant Electric Utility Director

Dan Beans, Electric Utility Director

Dominick Casey, City Manager

Ordinance 6686

Budget Adjustment

ORDINANCE NO. 6686

ORDINANCE OF THE COUNCIL OF THE CITY OF ROSEVILLE
AUTHORIZING CERTAIN AMENDMENTS TO THE FISCAL YEAR 2022-23
BUDGET AND DECLARING THIS ORDINANCE TO BE IMMEDIATELY
EFFECTIVE AS AN APPROPRIATION MEASURE

THE CITY OF ROSEVILLE ORDAINS:

SECTION 1. The City of Roseville Annual Budget, Fiscal Year 2022-23, is hereby amended as listed on the attached budget adjustment for the Electric Utility Department Operations Center Project.

SECTION 2. This ordinance is hereby declared to be an appropriation measure, immediately effective pursuant to the provisions of Section 5.03 of the Charter.

SECTION 3. The City Clerk is hereby authorized and directed to post a true copy of the foregoing ordinance in each of three (3) conspicuous locations in the City and she shall immediately after such posting enter in the ordinance book, under the record of the ordinance, a certificate under her hand stating the time and place of such publication by posting.

ACCOUNT STRING				BUDGET (\$)	DESCRIPTION
Fund	Account	Center	Project	Adjustment	
6001				(750,000)	Reduction of Electric Fund Balance
TOTAL				(750,000)	

Justification for Budget Adjustment:

Staff recommends this budget adjustment to establish the budget for the Electric Utility's Department Operations Center (DOC), which will be located on the 1st Floor of 116 S. Grant Street. The DOC will improve situational awareness, outage management, and disaster preparedness capabilities by supporting a flexible, sustainable, secure, and strategically located command center to further the City's ability to provide safe and reliable electricity. The DOC may eventually serve as the City's Emergency Operations Center (EOC) central command and control, responsible for carrying out emergency and disaster management to ensure continuity of operations for the City and enhance the safety of the residents of Roseville. The DOC/EOC will allow leadership to quickly assemble to assess incident priorities and resource needs, coordinate with outside agencies, and effectively communicate information to response team members in the field and the public. The DOC/EOC will be "always active", requiring no setup and allowing incident management to begin immediately.

Title: Request for Council Discretionary Funds - Sober Grad Night

Contact: Melissa Lipp 916-774-5268 mlipp@roseville.ca.us

Meeting Date: 6/21/2023

Item #: 11.1.

RECOMMENDATION TO COUNCIL

The City Council has received the following request for discretionary funding and can at this time discuss and consider the request for approval by motion:

- Granite Bay High School

The balance remaining in the Council's Discretionary Funds for FY22-23 is \$7,821.83

Safe and Sober Grad Night Activities

One of the eight local high schools in the Roseville Joint Union High School District have submitted a request for the City Council to provide a sponsorship in the form of a discretionary funds donation for the Safe and Sober Grad Night events for this year's graduating seniors. The City Council has funded prior years' requests for Safe and Sober Grad night activities at \$500 per school.

The written request has been included with this report for your review. In addition, a representative from the high school has been invited to attend the meeting and may be available to answer any questions for Council.

BACKGROUND

The Citizens' Benefit Fund was established in 1993 with the net proceeds from the sale of the Roseville Hospital. The City Council may, after receiving the recommendation of the Roseville Grants Advisory Commission, annually appropriate up to 90 percent of the annual earnings of the Citizens' Benefit Fund for the purpose of improving the quality of life for the citizens of the City of Roseville. In addition, the City Council, without the recommendation of the Roseville Grants Advisory Commission, may annually appropriate a minor amount up to \$15,000.00 of the annual earnings for the purpose of improving the quality of life in Roseville.

FISCAL IMPACT

There is no fiscal impact to the City's general fund. Annually the City Treasurer allocates \$15,000 of the annual earnings on the Citizens' Benefit Fund per section 4.06.04 in the Municipal Code and is included in the annual budget along with the Citizen's Benefit Funds available for appropriation each year. These earnings are restricted for the purpose of improving the quality of life for the citizens in Roseville and appropriated by the City Council.

ENVIRONMENTAL REVIEW

The Council discretionary funds is not considered a project as defined by the California Environmental Quality Act (CEQA) (CEQA Guidelines §15378). Consequently, no CEQA action is required.

Description

Sober Grad Night Request-Granite Bay High School

June 08, 2023

Dear Roseville City Council Members,

For the past 23 years, Granite Bay High School has hosted our Sober Grad Night at Roseville Golf and Sunsplash. This year, we hosted 325 of the 470 students from the class of 2023 on Saturday, June 03. We would like to request funds from the City of Roseville to offset some of the costs of scholarships. This year, we provided scholarship tickets to 16 students who would not have been able to attend this important final event with their classmates otherwise.

We solicit and receive in-kind donations from local businesses within our community to feed students as well as offer prizes and activities throughout the night. 150 students walked away with a prize.

I have had the pleasure of working on this event for the past 10 years. Years ago, we had an abundance of donations to offset the costs plus 200 volunteers to work. That is not the case in recent years. In preparation for 2020 Sober Grad Night, we overhauled the event to simplify and reduce the amount of volunteers needed as well as reduce the overall cost. The budget of this event was \$60,000 and we have reduced it to \$45,000, and the volunteers to 100. This has been critical post-Covid as volunteers and donations have decreased significantly.

I believe the last year you contributed to our event was 2018. We appreciate your consideration to donate this year.

Thank you for all that you do for our community!

**With gratitude,
Margot Birch, Event Chair

Title: Request for Council Discretionary Funds - Kelli's Cookies for Goodness Bakes

Contact: Melissa Lipp 916-774-5268 mllipp@roseville.ca.us

Meeting Date: 6/21/2023

Item #: 11.2.

RECOMMENDATION TO COUNCIL

Recommend City Council discuss and consider by motion a request from Kelli's Cookies for Goodness Bakes for Council Discretionary Funds. Kelli's Cookies for Goodness Bakes is requesting \$3,500 sponsorship for their annual fundraiser "Taste of Placer." Funds from this event help support their program to offer their services to more local youth in need.

The balance remaining in the Council's Discretionary Funds for FY2022-23 is \$7,821.83.

BACKGROUND

The Citizens' Benefit Fund was established in 1993 with the net proceeds from the sale of the Roseville Hospital. The City Council may, after receiving the recommendation of the Roseville Grants Advisory Commission, annually appropriate up to 90 percent of the annual earnings of the Citizens' Benefit Fund for the purpose of improving the quality of life for the citizens of the City of Roseville. In addition, the City Council, without the recommendation of the Roseville Grants Advisory Commission, may annually appropriate a minor amount up to \$15,000.00 of the annual earnings for the purpose of improving the quality of life in Roseville.

FISCAL IMPACT

There is no fiscal impact to the City's general fund. Annually the City Treasurer allocates \$15,000.00 of the annual earnings on the Citizens' Benefit Fund per section 4.06.04 in the Municipal Code and is included in the annual budget along with the Citizens' Benefit funds available for appropriation each year. These earnings are restricted for the purpose of improving the quality of life for the citizens in Roseville and appropriated by the City Council.

ENVIRONMENTAL REVIEW

The California Environmental Quality Act (CEQA) does not apply to activities that will not result in

a direct or reasonable foreseeable indirect physical change in the environment (CEQA Guidelines §15061(b) (3)). The award of funds does not include the potential for a significant environmental effect, and therefore is not subject to CEQA.

Description

Kelli's Cookies for Goodness Bakes

To: Honorable Mayor and Members of the City Council

From: Carmen Avalos, City Clerk
Melissa Lipp, City Clerk Technician

Date: 6/1/2023

Subject: Request for Council Discretionary Funds

The Council's Discretionary Fund provides a means for the City Council to support non-profit and community organizations for events and programs with the purpose of improving the quality of life for the citizens of Roseville. Annually the City Council has the option of allocating up to \$15,000 of the annual earnings (plus any carryover of unspent funds) from the Citizens' Benefit Fund in a process separate from that of the Roseville Grants Advisory Commission. The City Council has \$9,821.83 available at this time in the FY2022-23 budget.

Kelli's Cookies for Goodness Bakes is requesting Council Discretionary funds. The organization would greatly appreciate \$3,500 sponsorship for their annual Taste of Placer event being held in October. Funds from this event help support their program to offer their services to more local youth in need.

Public Agencies, schools, and non-profit 501(c) 3 or 501(c) 4 organizations serving citizens of Roseville are eligible to make a request. Agencies or organizations receiving grant monies from the Citizens' Benefit Fund in the same fiscal year as the request for discretionary funding are not eligible. Requests can be made by religious organizations, but the activity, project or program cannot include the promotion of a particular religious belief.

Any one member of the City Council may direct staff to place this request on an upcoming Council agenda for consideration and Council action. To do so, please notify the City Clerk at (916) 774-5269 or Melissa Lipp at (916) 774-5268.

To whom it may concern:

Kelli's Cookies for Goodness Bakes is a non profit 501c3 organization in Roseville with a mission to mentor, employ and inspire foster and at-risk youth in the greater Placer and Sacramento regions. Our goal is to empower them to achieve independence, as well as financial and social prosperity.

We are hosting our annual fundraiser "Taste of Placer" this year in October, which is crucial to support our non profit. Funds from this event help support our program to offer our services to more local youth in need.

We are asking for your support to partner with our efforts by a grant or by sponsoring our event as a "Diamond Sponsor" at \$3,500. Your sponsorship would include having the City of Roseville listed as a supporter at the event with signage, social media shout outs, logo on our event plates and other marketing material given out to our guests.

Thank you for your consideration to support our efforts for at risk local youth. Feel free to contact me with any questions or more details of this event.

With appreciation,

Kelli Ridenour

Title: Advanced Metering Infrastructure Project Update
Contact: Caitlin Ornelas 916-774-5178 COornelas@roseville.ca.us

Meeting Date: 6/21/2023
Item #: 11.3.

RECOMMENDATION TO COUNCIL

Staff recommends City Council receive an update from Roseville Electric on the Advanced Metering Infrastructure project.

BACKGROUND

The Advanced Metering Infrastructure (AMI) project is a joint, multi-year effort with the electric and water utilities to modernize the City's metering infrastructure. The AMI project is implementing an integrated system of meters, communications networks, and data management systems that enables two-way communication between utilities and customers. AMI provides utilities with the means to optimize electricity and water flows on the distribution systems, enhance customer service, create greater operational efficiencies, grid optimization, and respond to outages, leaks and reports of theft faster.

Due to regulatory requirements and operational efficiencies provided by AMI technology, over 90% of California residents and businesses currently have utility-installed AMI meters in use.

In March 2023, the project successfully launched the first stage of meter installations in over 800 residential and commercial utility customers in the Blue Oaks Blvd. and Woodcreek Oaks Blvd. area. The first stage provided valuable information regarding network communication, meter and system performance, integration between Roseville's Meter Data Management System (MDMS) and Customer Information System (CIS), and has begun to generate utility specific data, which will be used to enhance our customer service and create greater operational efficiencies.

With the successful completion of the first stage of installations, the AMI project is preparing for the full deployment of meter installations, beginning July 2023. The full deployment stage will take place over a 12-14 month timeline and target all residential and commercial utility customers. During full deployment, the project team will focus on the establishment and optimization of network communication, meter communication performance, utilization of systems integration and systems stability.

A comprehensive outreach plan has been developed to notify impacted customers, including a

postcard, a pre-installation door hanger, a post-installation door hanger, newsletter articles, social media messaging, and updated information on the City's website. This outreach will begin in late June in preparation for full deployment installations.

FISCAL IMPACT

This informational presentation has no fiscal impact.

ENVIRONMENTAL REVIEW

The California Environmental Quality Act (CEQA) does not apply to activities that will not result in a direct or reasonably foreseeable indirect physical change in the environment, or is otherwise not considered a project as defined by CEQA Statute §21065 and CEQA State Guidelines §15060(c)(3) and §15378. A project update meets the above criteria and is not subject to CEQA. No additional environmental review is required.

CITY COUNCIL STRATEGIC PLAN/OVERARCHING GOALS

Item #: 12.1.

RECOMMENDATION TO COUNCIL

Staff recommends that Council adopt the following resolutions and ordinances:

For Amoruso Ranch Community Facilities District ("CFD") No. 1 (Public Facilities):

- A Resolution of the City Council of the City of Roseville to Form a Community Facilities District, Designate an Improvement Area Therein, Establish a Future Annexation Area, Provide for Additional Future Improvement Areas Therein, and to Authorize the Levy of a Special Tax Therein to Finance Public Facilities and Public Services in and for Such Community Facilities District
- A Resolution Determining Necessity to Incur Bonded Indebtedness of the City Council of the City of Roseville for the City of Roseville Amoruso Ranch Community Facilities District No. 1 (Public Facilities)
- A Resolution Calling Special Election of the City Council of the City of Roseville Regarding the City of Roseville Amoruso Ranch Community Facilities District No. 1 (Public Facilities)
- A Resolution Declaring Results of Special Election and Directing Recording of Notice of Special Tax Lien Regarding City of Roseville Amoruso Ranch Community Facilities District No. 1 (Public Facilities)
- An Ordinance of the City Council of the City of Roseville Levying Special Taxes Within City of Roseville Amoruso Ranch Community Facilities District No. 1 (Public Facilities)

For Amoruso Ranch CFD No. 2 (Public Services):

- A Resolution of Formation of Community Facilities District - City of Roseville Amoruso Ranch Community Facilities District No. 2 (Public Services)
- A Resolution Calling Special Landowner Election for Community Facilities District - City of Roseville Amoruso Ranch Community Facilities District No. 2 (Public Services)
- A Resolution Declaring Results of Special Landowner Election and Directing Recording of Notice of Special Tax Lien-City of Roseville Amoruso Ranch Community Facilities District No. 2 (Public Services)
- Ordinance of the City Council of the City of Roseville Levying Special Tax Within Amoruso

Ranch Community Facilities District No. 2 (Public Services)

For CFD No. 3 (Municipal Services), Annexation 28 (Amoruso Ranch):

- A Resolution of Annexation of Territory to Community Facilities District, Authorizing the Levy of a Special Tax and Submitting Levy of Tax to Qualified Electors - City of Roseville Community Facilities District No. 3 (Municipal Services), Annexation 28 (Amoruso Ranch)
- A Resolution Declaring Results of Special Annexation Election, Determining Validity of Prior Proceedings, and Directing Recording of Amended Notice of Special Tax Lien - City of Roseville Community Facilities District No. 3 (Municipal Services), Annexation 28 (Amoruso Ranch)

BACKGROUND

Brookfield Properties, the landowner proposed to be included in the public infrastructure district, has requested the City form a Community Facilities District ("CFD") under the Mello-Roos Community Facilities Act of 1982, as amended, Chapter 2.5 of Part 1 of Division 2 of Title 5, commencing with Section 53311, of the California Government Code, to provide funding for certain authorized public facilities within the property, as detailed in the List of Authorized Facilities and Services (for Amoruso Ranch CFD No. 1, Public Facilities). The objective of establishing a CFD is to create a land-secured funding mechanism to be used to fund construction and acquisition of authorized facilities of the CFD.

The landowner is obligated per the Development Agreement to form a Public Services CFD and annex into CFD No. 3 (Municipal Services), prior to the issuance of the first residential building permit. Amoruso Ranch CFD No. 2 (Public Services) is being formed in order to fund the maintenance of landscaping, open space and neighborhood parks. The property is being annexed into CFD No. 3 in order to offset the property's impact on City General Fund resources available to pay for municipal services citywide, including the project area.

On April 5, 2023, the City Council adopted resolutions of intent for the three CFDs: Resolution 23-118 for Amoruso Ranch CFD No. 1 (Public Facilities), Resolution 23-120 for Amoruso Ranch CFD No. 2 (Public Services), and Resolution 23-121 for CFD No. 3 (Municipal Services), Annexation 28 (Amoruso Ranch).

FISCAL IMPACT

The CFDs will generate special taxes that will be paid by the property owners sufficient to pay the costs for the debt service, maintenance, CFD administration, and any authorized pay-as-you-go facilities. The formation, annexation, and administration of the CFDs will not impact the City's General Fund.

ENVIRONMENTAL REVIEW

The California Environmental Quality Act (CEQA) does not apply to activities that will not result in a direct or reasonably foreseeable indirect physical change in the environment, or is otherwise not considered a project as defined by CEQA Statute §21065 and CEQA State Guidelines §15060(c)(3) and §15378. Adoption of the resolutions, ordinances, and other documents

described herein, meets the above criteria and is not subject to CEQA. No additional environmental review is required.

NOTICE OF PUBLIC HEARING

To Form a Community Facilities District and Authorize Bonds

City of Roseville Amoruso Ranch Community Facilities District No. 1 (Public Facilities)

The City of Roseville is considering the formation of a community facilities district (the "CFD") under the authority of the Mello-Roos Community Facilities District Act of 1982, as amended, to fund certain public facilities related to new development within the City of Roseville, and to incur bonded indebtedness of the CFD.

This Notice contains a brief summary of the proposal, but you are referred to the City Council's Resolution to Form a Community Facilities District, Designate and Improvement Area Therein, Establish a Future Annexation Area, Provide for Additional Future Improvement Areas Therein, and to Authorize the Levy of a Special Tax Therein to Finance Public Facilities and Public Services in and for Such Community Facilities District (No. 23-118, adopted April 5, 2023) and its Resolution of Intention to Incur Bonded Indebtedness (No. 23-119, adopted April 5, 2023) for details of the proposals.

The proposal is to subject the property within the CFD to a special tax which will be used to pay for facilities of benefit to land within the CFD, including paying principal and interest on bonds used to build facilities, and will expire when the bonds are retired and all eligible facilities are financed. The proceeds of the bonds will be used to pay for the facilities and other expenses set forth in the resolutions referred to in the preceding paragraph. A map showing the land proposed to be included in the CFD is on file with the City Clerk.

The proposal also includes authority to issue bonds in an amount up to \$594,000,000, initially allocated as follows: (i) for Improvement Area No. 1, \$124,000,000 and (ii) for the Future Annexation Area, 470,000,000, to be repaid by the special tax. Neither the City of Roseville nor any person outside the CFD has any liability for the special tax or the bonds. The security for the bonds is limited to the property subject to the special tax within the CFD.

In order to confer the authority upon the Roseville City Council to levy the special tax and to issue the bonds, a public hearing must be held on the proposal, then the City Council will decide whether to form the CFD, and finally the qualified electors within the CFD must approve the proposal by a two-thirds vote. Where the CFD is uninhabited (as is the case here) the qualified electors are, pursuant to law, the owners of property within the CFD.

This is the notice of the public hearing. The public hearing will be held during the City Council meeting on Wednesday, May 17, 2023, at 6:00 p.m., in the Roseville Civic Center Council Chambers located at 311 Vernon Street, Roseville, California 95678.

At the hearing, the testimony of all interested persons or potential special taxpayers for or against the formation of the proposed community facilities district, the authorization to levy the special tax, and the authorization to issue the bonds will be heard. If written protests against the proposed CFD are delivered to the City Clerk at or before the time set for the hearing by either registered voters residing within, or the owners of property within, the proposed CFD, they will be counted toward a possible majority protest. Such protests by a majority of the registered voters residing within the CFD or by the owners of a majority of the land area within CFD which is or will be subject to the special tax, if not withdrawn prior to the close of the hearing so as to reduce the value of the protests to less than

a majority, will require the proposed CFD to be eliminated from immediate consideration, and prevent its being included in a subsequent proceedings for at least one year.

If this Council, after the public hearing, determines that a majority protest under Section 53324 of the Government Code was not made at the hearing, the Council may conduct an election by mailed ballot to levy a special tax.

Questions should be directed to the undersigned, telephone (916) 774-5263.

Dated as of _____, 2023

City Clerk, City of Roseville

NOTICE OF PUBLIC HEARING

To Form a Community Facilities District

City of Roseville Amoruso Ranch Community Facilities District No. 2 (Public Services)

The City of Roseville is considering the formation of a community facilities district (the "CFD") under the authority of the Mello-Roos Community Facilities District Act of 1982, as amended, to fund certain public services related to new development within the City of Roseville.

This Notice contains a brief summary of the proposal, but you are referred to the City Council's Resolution to Form a Community Facilities District (No. 23-120, adopted April 5, 2023) for details of the proposal. The proposal is to subject the property within the CFD to a special tax which will be used to pay for public services of benefit to land within the CFD. A map showing the land proposed to be included in the CFD is on file with the City Clerk. The tax rate varies and is shown in an exhibit to the resolution.

In order to confer the authority upon the Roseville City Council to levy the special tax, a public hearing must be held on the proposal, then the City Council will decide whether to form the CFD, and finally the qualified electors within the CFD must approve the proposal by a two-thirds vote. Where the CFD is uninhabited (as is the case here) the qualified electors are, pursuant to law, the owners of property within the CFD.

This is the notice of the public hearing. The public hearing will be held during the City Council meeting on Wednesday, May 17, 2023, at 6:00 p.m., in the Roseville Civic Center Council Chambers located at 311 Vernon Street, Roseville, California 95678.

At the hearing, the testimony of all interested persons or potential special taxpayers for or against the formation of the proposed community facilities district and the authorization to levy the special tax will be heard. If written protests against the proposed CFD are delivered to the City Clerk at or before the time set for the hearing by either registered voters residing within, or the owners of property within, the proposed CFD, they will be counted toward a possible majority protest. Such protests by a majority of the registered voters residing within the CFD or by the owners of a majority of the land area within CFD which is or will be subject to the special tax, if not withdrawn prior to the close of the hearing so as to reduce the value of the protests to less than a majority, will require the proposed CFD to be eliminated from immediate consideration, and prevent its being included in a subsequent proceedings for at least one year.

If this Council, after the public hearing, determines that a majority protest under Section 53324 of the Government Code was not made at the hearing, the Council may conduct an election by mailed ballot to levy a special tax.

Questions should be directed to the undersigned, telephone (916) 774-5263.

Dated as of _____, 2023

City Clerk, City of Roseville

NOTICE OF PUBLIC HEARING

CITY OF ROSEVILLE Community Facilities District No. 3 (Municipal Services)

Annexation No. 28 (Amoruso Ranch)

Notice is hereby given by the City of Roseville (the "City") with respect to its Community Facilities District No. 3 (Municipal Services) (the "CFD") that on April 5, 2023, the City Council of the City, as the legislative body for the CFD, adopted its Resolution No. 23-121, "A Resolution of Intention to Annex Territory to Community Facilities District and to Authorize the Levy of Special Taxes Therein" (the "Resolution of Intention"). Reference is hereby made to the Resolution of Intention, on file with the City Clerk of the City for further particulars. The following is a summary of the provisions of the Resolution of Intention.

Pursuant to the Resolution of Intention, the Council determined that the public convenience and necessity require that certain territory, as more particularly described in the Resolution of Intention, be annexed to the existing CFD, all as provided in the Mello-Roos Community Facilities Act of 1982, as amended (Sections 53311 et seq., California Government Code (the "Act"). The Resolution of Intention provides that the special taxes heretofore caused to be levied in the CFD for financing the services provided through the CFD shall be levied in the territory proposed to be annexed, subject to public hearing and landowner election proceedings as specified in the Act.

Notice is further given that Wednesday, May 17, 2023 at 6:00 p.m. or as soon as possible thereafter, either virtually (if so noticed by the City) or at the City of Roseville Civic Center Council Chambers located at 311 Vernon Street, Roseville, California 95678, as the time and place when and where the Council of the City as the legislative body for the CFD, will conduct a public hearing on the annexation of the territory described in the Resolution of Intention to the CFD and finally consider and determine whether the public convenience and necessity require the annexation of said territory to the CFD and the levy of special taxes therein.

Notice is further given that at the hearing, the testimony of all interested persons for and against the annexation of said territory to the CFD or the levying of special taxes within the territory proposed to be annexed will be heard.

1. Introduction

Background

The City of Roseville (City) retained Economic & Planning Systems, Inc. (EPS) to support its efforts to create a Mello-Roos Community Facilities District (CFD) for the Amoruso Ranch Specific Plan (Project) development, consisting of an approximately 695-acre site located in the northwest edge of the City of Roseville. The objective of establishing a CFD is to create a land-secured funding mechanism to help fund construction of authorized facilities of the CFD that then would transition, after a specified period, to help fund authorized services. With consideration to the anticipated phasing of development, the CFD boundary initially is proposed to include a subset of the Project area reflecting the anticipated first phase of development. This initial phase will be identified as Improvement Area No. 1 (IA No. 1). The remainder of the Project area has been designated as a future annexation area with the ability to annex into the CFD as a new Improvement Area(s) as subsequent phases of development proceed.

The overall Project area is approved for approximately 2,827 dwelling units (approximately 1,100 low-density residential [LDR] units, 695 medium-density residential [MDR] units, 1,032 high-density residential [HDR] units and approximately 51.1 acres of commercial uses. The Project land uses within the initial CFD boundary (IA No. 1) include approximately 289 LDR, 192 MDR, and 0 HDR units over roughly 93 acres. Following IA No. 1, the remainder of the Project area that could annex into the CFD as one or more Improvement Areas includes 810 LDR units, 503 MDR units, and 1,032 HDR units.

Purpose of the IA No. 1

The IA No. 1 is being formed to fund major road improvements, potable and non-potable water system improvements, drainage system improvements, wastewater system improvements, solid waste improvements, park and paseo improvements, open space improvements, utilities, and other authorized facilities under the Mello-Roos Act, serving the Project as a condition of the City's approval of the development.

Through the transition of the facilities special tax to the maintenance special tax, the IA No. 1 may also fund long-term repair and replacement of authorized facilities once IA No. 1 bonds have been defeased and other obligations of the IA No. 1 for authorized facilities have been fulfilled. Once these facilities special tax obligations have been fulfilled, the City has the discretion to levy the maintenance special tax to help fund long-term repair and replacement of such facilities.

Authorized to issue up to \$124 million in bonds, the first series of bonds is anticipated to be issued during the 2023-24 fiscal year. **Map 1** shows the proposed boundaries of the IA No. 1.

Organization of the Report

This report consists of these 5 chapters and 2 exhibits:

- **Chapter 1** includes this introduction.
- **Chapter 2** describes the proposed land uses in the IA No. 1.
- **Chapter 3** describes authorized facilities to be funded in the IA No. 1, the costs, and the cost allocations.
- **Chapter 4** describes the maximum IA No. 1 bond authorization and the maximum annual special tax.
- **Chapter 5** describes the structure of the IA No. 1.
- **Exhibit A** provides the Rate and Method of Apportionment and Manner of Collection of Special Tax (RMA).
- **Exhibit B** provides the List of Authorized Facilities and Services.

2. Land Uses

The City intends to form the Project IA No. 1 over a portion of the Project in the southwesterly portion of the Project. Overall, the Project area includes more than 695 acres approved for approximately 2,827 dwelling units (approximately 1,100 LDR units, 695 MDR units, 1,032 HDR units, and approximately 51.1 acres of commercial uses). The entire Project property is anticipated to be developed over several phases, with development activity beginning in the final quarter of 2022.

The IA No. 1 land uses within the initial IA No. 1 boundary include approximately 289 LDR units, 192 MDR units, and 0 HDR units over roughly 93 acres.

Table 1 shows all original IA No. 1 parcels and land uses included in IA No. 1 and shows parcels and land uses included in future annexations area(s). Future areas are anticipated to be annexed into the CFD in one or more future Improvement Area(s) rather than annexing into IA No. 1, though the latter is not prohibited. Following IA No. 1, the remainder of the Project area that could annex into the CFD includes 811 LDR units, 503 MDR units, and 1,032 HDR units.

The objective of establishing IA No. 1 is to create a land-secured funding mechanism to be used to fund construction of authorized facilities of the IA No. 1. With consideration to the anticipated phasing of development, the IA No. 1 boundary initially is proposed to include a subset of the Project area reflecting the anticipated first phase of development.

3. Authorized Facilities and Estimated Facility Costs

This chapter describes the authorized facilities eligible to be financed or otherwise funded through the IA No. 1 with the proceeds of IA No. 1 bonds and pay-as-you-go costs from special taxes levied under the IA No. 1.

Authorized Facilities of the IA No. 1

The IA No. 1 is authorized to fund certain facilities required to serve the Project. Authorized facilities are identified in the List of Authorized Facilities (**Exhibit B** of this report). Authorized facilities are briefly discussed below.

Transportation Improvements

Public roadway improvements designed to meet the needs of the project, including those improvements identified in the project Development Agreement (DA), including but not limited to:

- Westbrook Boulevard.
- West Sunset Boulevard.

Eligible roadway improvements include the following items: acquisition of land and easements; roadway design; project management; geotechnical engineering, testing and observations; bridge crossings and culverts; clearing, grubbing, and demolition; grading, intract subdivision roadway improvements, soil import/export, paving (including slurry seal), and decorative/enhanced pavement concrete or pavers; power pole relocations; joint trenches, underground utilities, and undergrounding of existing utilities; dry utilities and appurtenances; curbs, gutters, sidewalks, bike trails (including on- and off-site), park and ride facilities, bus rapid transit improvements, including transfer stations and regional public transit improvements; retaining walls, sound walls, enhanced fencing, and access ramps; street lights, signalization, and traffic signal control systems; bus turnouts; signs and striping; erosion control; median and parkway landscaping and irrigation; entry monumentation; bus shelters; masonry walls; traffic control and agency fees; and other improvements related thereto. Eligible improvements for the roads listed above also include any and all necessary underground potable and non-potable water, sanitary sewer, dry utilities, and storm drainage system improvements.

Potable and Non-Potable Water System Improvements

Authorized facilities include any and all on- and off-site backbone water facilities designed to meet the needs of development of the project. These facilities include potable and non-potable mains, valves, services, and appurtenances; wells; and water treatment and storage facilities, and related improvements, including but not limited to: site clearing, grading, and paving; curbs and gutters; recycled water storage tanks, booster pump stations, and all appurtenances thereto; wells; water treatment; stand-by generator; site lighting, drainage, sanitary sewer, and water service; landscaping and irrigation; access gates and fencing; striping and signage; and the following:

- Water lines in/associated with authorized facility roads.
- Recycled water lines in/associated with authorized facility roads.
- Well construction or financial contributions thereto.
- Water Tank Site Improvements.
- Recycled Water Storage Tank Facility or financial contributions thereto.

Drainage System Improvements

Authorized facilities include any and all on- and off-site backbone drainage and storm drainage improvements designed to meet the needs of development of the project. These facilities include mains, pipelines and appurtenances, outfalls and water quality measures, temporary drainage facilities, detention/retention basins, and drainage pretreatment facilities; drainage ways/channels, pump stations, landscaping, and irrigation; access roads, gates, and fencing; striping and signage; and the following:

- All storm drain lines and facilities in/associated with authorized facility roadways.
- Retention, detention, hydro-modification, and other drainage facilities.

Wastewater System Improvements

Authorized facilities include any and all on- and off-site backbone wastewater facilities designed to meet the needs of development of the project. These facilities include pipelines and all appurtenances thereto; manholes; tie-in to existing main line; force mains; lift stations; storage tanks; odor-control facilities; sewer treatment plant improvements and permitting related thereto; and related sewer system improvements, including but not limited to:

- All wastewater facilities in/associated with authorized facility roadways.
- Sewer pump station/lift station.

Park, Landscape Corridor, and Paseo Improvements

Authorized facilities include any and all improvements to parks, landscape corridors and paseos located in the project, including but not limited to:

- Construction of Park Sites.
- Construction of Paseos.
- Construction of Trails.

Open Space Improvements

Authorized facilities include any and all open space improvements designed to meet the needs of development of the project, including bike trails, bike/pedestrian bridges, storm drain crossings, storm drain detention/retention, wetland mitigation, tree mitigation, on-and off-site hawk/raptor mitigation, agricultural mitigation or other environmental mitigation, property acquisition, endowment payments/PCA fees for open space management monitoring, landscaping and irrigation, access gates and fencing, and related open space improvements, including but not limited to:

- Improvements related to all Preserved and General Open Space Parcels.
- Wetland creation mitigation monitoring, fencing, etc.

Utilities

Authorized facilities include any and all on- and off-site utility improvements designed to meet the needs of development of the project. All utility improvements, easement payments, and land acquisition not located under or alongside transportation improvements are considered authorized facilities. Authorized facilities also shall include costs related to the off-site electric substation site; site clearing; grading; street frontage improvements, including curbs, gutters, and paving; and construction of an all-weather access road to the site from the nearest public street or extension of temporary overhead lines as described in the project DA, including but not limited to:

- Electric Substation improvements.

Other Public Facilities

Authorized facilities include any and all public facilities or infrastructure, including the project's improvements to the fire station site, site clearing, grading, and street frontage improvements including curbs, gutters, and paving.

Development Impact Fees

Authorized facilities include development impact fees paid and not otherwise reimbursed, whether standard City or County fees levied at the time of the issuance of a building permit or required as part of the DA for the property. Fees include, but are not limited to, City Traffic Fees, Placer Conservation Authority (PCA) Fee, the South Placer Regional Transportation Authority Tier II Traffic Fee, City of Roseville City Wide Park Fee, City of Roseville Public Facilities Fee, Pre-paid DA Fees, and Public Benefit Fee.

Formation, Administrative, and Incidental Expenses

In addition to the above facilities, other expenses incidental to the above and authorized by the Mello-Roos Community Facilities Act of 1982, including but not limited to the cost of planning, permitting, and designing the facilities (including the cost of environmental evaluation, orthophotography, environmental remediation/mitigation monitoring, and preparation of an overarching Operation and Maintenance Plan for the City of Roseville Open Space Preserves); land acquisition and easement payments for the facilities; project management; construction staking; engineering studies and reports; utility relocation and demolition costs incidental to construction of the facilities, wetland/Species mitigation purchase; reimbursements to other areas for infrastructure facilities or planning serving development in the IA No. 1; Amoruso Ranch Specific Plan planning, legal, engineering, technical studies costs related to the facilities and any other expenses incidental to the construction, completion, and inspection of the facilities.

In addition, costs eligible to be financed by the IA No. 1 shall include all costs associated with the formation and ongoing administration of the IA No.1 and issuance of bonds; determination of the amount of taxes and collection of taxes; inspection, plan check and other costs related to acceptance of the facilities by the City, payment of taxes; and any other costs incurred to carry out the authorized purposes of the IA No. 1.

Authorized Services

The authorized services to be funded from the levy and collection of annual maintenance special taxes are the provision of public services, maintenance and operation related to any facilities authorized to be funded by the IA No. 1 with a useful life of five or more years, including but not limited to performance by employees of functions and repair activities. Maintenance as used herein includes replacement and the creation and funding of a reserve fund to pay for a replacement of such facilities. The maintenance special taxes shall only fund authorized services to the extent that they are in addition to those provided to land within the IA No. 1 prior to the creation of the IA No. 1.

Authorized Facilities Estimated Costs

The developer is about to begin construction of infrastructure with costs estimated to be approximately \$58.3 million, as illustrated in **Table 2**. Costs are shown in 2023 dollars.

In the future, properties included in the CFD annexation area may annex into this IA No. 1. If those annexations occur, the developer will seek to fund additional backbone infrastructure through the issuance of one or more series of IA No. 1 bond sales. As is often the case, during buildout of the Project, the developer anticipates being required to construct more backbone infrastructure than would be able to be entirely reimbursed through IA No. 1 bond proceeds.

Development Impact Fee Deferrals

In addition to backbone infrastructure, the IA No. 1 is authorized to fund deferred impact fees. Through the DA, including any amendments thereto, the developer is entitled to defer certain impact fees. Fees eligible for deferral include the South Placer Regional Transportation Authority (SPRTA) Tier II Traffic Fees. In addition to those fees identified in the DA, authorized facilities also includes the ability to pay the Roseville City School District Fee. As described in more detail later in this report, repayment of impact fee deferrals will follow reimbursement for eligible backbone infrastructure.

Table 2
Amoruso Ranch CFD No. 1 (Public Infrastructure)
Authorized Facilities Costs (2023 \$s)

Item	Cost (2023 \$s)
Westbrook Boulevard	\$5,293,678
Backbone Infrastructure	\$11,651,729
Sewer Pump Station	\$5,063,620
Intracts (\$35K per lot)	\$16,835,000
Contingency (15%)	\$5,826,604

4. IA No. 1 Bond Authorization and Maximum Annual Special Tax

This chapter will discuss the maximum IA No. 1 bond authorization and maximum annual special taxes as proposed by the developer for each taxable land use type. The CFD will have special taxes for the funding of authorized facilities. This annual facilities special tax will be transitioned to an annual maintenance special tax to fund authorized services of the IA No. 1 when authorized facilities obligations of the IA No. 1 have been fulfilled. These special tax programs will be discussed further in **Chapter 5** of this report.

CFD Bond Authorization and Funding Strategy

The DA authorized the use of the IA No. 1 to fund authorized facilities of the IA No. 1 and outlined a basic structure for the CFD.

The DA identified the following sources of potential funding for authorized facilities of the IA No. 1:

- IA No. 1 Bonds.
- IA No. 1 Pay-As-You-Go.
- Owner Equity/Private Financing.

Each funding source is discussed below.

Maximum IA No. 1 Bond Authorization

The IA No. 1 is authorized to issue up to \$124 million in bonds. The property owner is anticipated to ask the City to sell the first series of bonds during the 2023-24 fiscal year. Depending on market conditions and the structure of the first series of IA No. 1 bonds, subsequent series of CFD bonds may be issued in multiple sales following the first IA No. 1 bond sale.

IA No. 1 Pay-As-You-Go

Special taxes levied and not needed to fund IA No. 1 bond debt service or City administration of the IA No. 1 may be used for pay-as-you-go expenditures for authorized IA No. 1 facilities not reimbursed with IA No. 1 bond proceeds. As memorialized in the DA, the City has agreed to provide pay-as-you-go funding to the developer for the first 30 years of the IA No. 1.

Following developer use of IA No. 1 pay-as-you-go revenues, the City reserves the right to continue the special tax levy to pay the development impact fee deferral on a pay-as-you-go basis. The City also has discretion to reimburse deferred fees through an IA No. 1 bond sale in addition to pay-as-you-go revenues.

Owner Equity/Private Financing

To the extent there are any shortfalls in the funding sources for authorized facilities, owner equity or private financing will be used to fund construction of such facilities.

Maximum Annual Special Tax

A facilities special tax will be assigned to taxable parcels at formation of the IA No. 1. This facilities special tax initially will be used to fund the costs of authorized facilities (as defined in the previous chapter). Once all special tax obligations to fund facilities have been completed, the maintenance special tax will be assigned to taxable parcels for the City's use for long-term repair and replacement of authorized facilities. The IA No. 1 RMA includes the following two special taxes:

- Facilities Special Tax.
- Maintenance Special Tax.

The facilities special tax will be assigned and collected before the "transition event" for the special tax programs. Following the transition event, the facilities special tax will no longer be assigned to taxable parcels and will be replaced by the maintenance special tax. The transition event is discussed in detail in the following chapter.

Each special tax program is discussed below.

Facilities Special Tax

The developer provided the City with recommended maximum annual special taxes for various land use categories, based on market conditions and the range of maximum annual special tax rates in neighboring City areas. **Table 3**, which is **Attachment 2** of the RMA, shows the maximum annual special tax rates for the following tax categories:

- LDR.
- MDR.
- Medium-density affordable—middle.
- HDR.
- High-density affordable—low.
- High-density affordable—very low.

- Nonresidential.

Table 3 shows the maximum annual special tax per tax category in the base year of Fiscal Year (FY) 2023-24. There are two maximum annual special tax for LDR units—\$4,300 and \$3,600—based on the large lot parcel assigned to each tax rate. **Table 3** identifies the large lot numbers associated with each maximum annual special tax rate for LDR product.

The maximum annual special tax for MDR units is \$3,000. The maximum annual special tax for MDR affordable units is \$1,500. The maximum annual special tax for HDR uses—whether for sale or for rent—is \$0. HDR affordable and very-low affordable units and nonresidential uses are assigned a maximum annual special tax of \$0 at IA No. 1 formation. While the special tax is set at \$0, the HDR low and very-low and nonresidential land uses were identified at IA No. 1 formation to clarify that if those land uses were to be included in the IA No. 1, their tax rates would be set to \$0. Finally, **Table 4**, which is **Attachment 3** of the RMA, shows the maximum annual special tax for each original IA No. 1 parcel in the base year.

Maintenance Special Tax

The maximum maintenance special tax is shown in **Table 5** for all tax categories. The maintenance special tax is set at 50 percent of the maximum facilities special tax in the base year. The maintenance special tax will not be levied at the same time as the facilities special tax and would be assigned only to taxable parcels following the transition event.

Overall Tax Burden for Single-Family Residential

The DA and City policies stipulate that the overall tax burden after formation of a IA No. 1 cannot exceed 2 percent of the estimated sales price of a single-family residential home. Estimated sales prices of residential homes were provided by the developer. **Table 6** shows the estimated total effective tax rate for prototypical uses in the IA No. 1. The test includes all current ad valorem property taxes, the IA No. 1 special tax, an estimated services CFD special tax, and the City CFD No. 3. Three different residential products are shown in **Table 5**:

- LDR.
- MDR.

Ad valorem property tax rates were derived from copies of the FY 2022-23 property tax bills. The overall tax burden for single-family residential homes proposed for the IA No. 1 ranges from 1.82 percent to 1.89 percent.

Table 3
Amoruso Ranch CFD No. 1 (Public Infrastructure)
Maximum Annual Facilities Special Taxes by Tax Category
for the Base Year of FY 2023-24 (Improvement Area No. 1) [1]

Expected Land Uses (Tax Category)	Facilities Special Tax per Unit/Taxable Acre	
	Before Transition Event [1]	After Transition Event
Residential Uses	<u>per Unit</u>	<u>per Unit</u>
Low Density Residential (LDR)	\$4,300.00	\$0.00
Large Lots AR-4, AR-5, AR-6, AR-11, AR-34, AR-35		
Low Density Residential (LDR)	\$3,600.00	\$0.00
Large Lots AR-12, AR-13, AR-22, AR-24, AR-26, AR-30		
Medium Density Residential (MDR)	\$3,000.00	\$0.00
High Density Residential (HDR) [2]		
High Density Residential (HDR) For-Sale [2]	\$0.00	\$0.00
High Density Residential (HDR) For-Rent [2]	\$0.00	\$0.00
Affordable Medium Density Residential	\$1,500.00	\$0.00
Affordable High Density Residential [2]	\$0.00	\$0.00
Very Low Affordable High Density Residential [2]	\$0.00	\$0.00
Nonresidential Uses [2]	<u>per Taxable Acre</u>	<u>per Taxable Acre</u>
Mixed Use (MU) [2]	\$0.00	\$0.00
Business Professional (BP) [2]	\$0.00	\$0.00
Community Commercial (CC) [2]	\$0.00	\$0.00
Undeveloped Property	\$27,772.37	\$0.00

att2

[1] This amount is subject to increase by the Tax Escalation Factor in each Fiscal Year following the Base Year as described in this RMA.

[2] If a Low Density Residential, Medium Density Residential or Affordable Medium Density Residential Parcel with a Special Tax is rezoned to a use with an identified Special Tax of \$0 in this attachment, the Special Tax would be assigned to the Parcel using the provisions of Section 4 of this RMA.

5. Structure of the IA No. 1

Description of the IA No. 1

The IA No. 1 is being formed to fund backbone infrastructure and other facilities, both local and regional, that will serve the Project. The attached exhibits are documents contained in the Resolution of Formation (ROF). **Exhibit A** is the IA No. 1 RMA. **Exhibit B** is the List of Authorized Facilities and Services. Through the transition of the facilities special tax to the maintenance special tax, the IA No. 1 also may fund long-term repair and replacement of authorized facilities once IA No. 1 bonds have been defeased and other obligations of the IA No. 1 for authorized facilities have been fulfilled. Once these facilities special tax obligations have been fulfilled, the City has the discretion to levy the maintenance special tax to help fund long-term repair and replacement of such facilities.

The IA No. 1 Funding Program

The IA No. 1 will be authorized to levy and collect the special tax to pay all annual costs of the IA No. 1, including funding for authorized facilities not funded through IA No. 1 bond proceeds, which is anticipated to be paid on a pay-as-you-go basis, during the first 30 years of the special tax levy.

The IA No. 1 will be authorized to levy and collect the special tax to pay all annual maintenance costs of the IA No. 1 following the transition event.

Transition Event for Special Taxes

The special taxes for the IA No. 1 are intended to first fund authorized facilities of the IA No. 1 and then fund authorized services of the IA NO. 1. As described below, the facilities special tax shall be effective during an initial bonding period and thereafter during a deferral bonding period. The idea is that the facilities special tax may be levied to fund authorized facilities and to repay any deferred impact fees. The full estimated term of the deferred bonding period may not be required if deferred development impact fees are funded through special tax revenues on a pay-as-you-go basis.

Once all obligations to fund authorized facilities have been satisfied, the facilities special tax will “transition” to a maintenance special tax to fund long-term repair and replacement costs for authorized facilities. The Transition Event from the levy of the annual facilities special tax to the maintenance special tax is discussed in further detail below.

Determining the Maximum Annual Special Tax

As stated in the previous chapter, the maximum annual special tax rates for the various tax categories were provided by the developer and based, in part, on maximum annual special tax rates for other neighboring City areas. The maximum annual special tax rates are designed to be competitive with other residential development projects in south Placer County. **Table 3** shows the maximum annual special tax rates by tax category for the facilities special tax. **Table 5** shows the maximum annual special tax rates by tax category for the maintenance special tax.

Base Year

The base year is FY 2023-24. A base year is defined in the RMA as a means of defining the special tax base in a given fiscal year that is allowed to increase by a given factor over a period of time.

Annual Tax Escalation Factor

The administrator shall increase the maximum annual facilities special tax, the maximum annual maintenance special tax, and the related maximum annual special tax rates by the tax escalation factor in all fiscal years following the base year, up to the Transition Event. After the Transition Event, the maximum annual maintenance special tax may be increased up to 2 percent annually at the City's discretion.

Duration of the Special Tax

The facilities special tax will be levied and collected until the earlier of (1) the transition year or (2) FY 2088-89. The maintenance special tax may be levied and collected in perpetuity beginning with the transition year and in each year thereafter at the discretion of the City. The maintenance special tax will be levied and collected beginning in the transition year.

For parcels in the Future Annexation Area annexed into an Improvement Area other than IA No. 1, the facilities special tax will be levied and collected until the earlier of (1) the transition year or (2) 65 fiscal years following the first full fiscal year after the date of creation of such Improvement Area.

Definition of Initial Bonding Period

Because the IA No. 1 includes payment of deferred development impact fees, the IA No. 1 RMA distinguishes between the initial bonding period during which authorized facilities may be financed and the subsequent period where development impact fees may be reimbursed. As defined in the RMA, the Initial Bond Period is “the period in which Bonds are outstanding which financed Authorized Facilities costs or refunded prior Bonds other than the Development Impact Fee Deferral.” Each Improvement Area of the IA No. 1 will have its own Initial Bonding Period.

Definition of Annual Facilities Costs

The maximum annual facilities special tax established under the RMA is the maximum exposure to an annual facilities special tax levy for a given parcel of land. The actual amount of the levy is derived through determining the “annual facilities costs” of the IA No. 1. The RMA describes the annual facilities costs components in detail. Each item is discussed briefly below.

Debt Service

Debt service is that portion of the maximum annual special tax required to pay a parcel’s share of the debt service. The proposed financing structure of the IA No. 1 anticipates that one or more series of IA No. 1 bonds may be issued.

Amount Needed to Replenish Reserve Fund

In the event the reserve fund is drawn on to pay debt service or expenses of the IA NO. 1, a facilities special tax may be levied to replenish the bond reserve fund to required funding levels. A facilities special tax should be levied once for each draw on the bond reserve fund, to the extent the bond reserve fund can be brought back to required funding levels with just one such levy. If for any reason the bond reserve fund remains underfunded in a fiscal year following the fiscal year in which facilities special taxes were levied to replenish it, a second facilities special tax levy should not be required to replenish the bond reserve fund.

Administrative Expenses

Administrative expenses of the IA No. 1 are the reasonable costs of administering the IA No. 1 each fiscal year. Examples of administrative expenses are costs of computing facilities special taxes and preparing annual facilities special taxes collection schedules; costs of collecting the facilities special taxes; costs of remitting the facilities special taxes to the Trustee; costs of the Trustee (including its legal counsel) in the discharge of the duties required of it under the Bond Indenture; costs to the City, IA No. 1, or their designees of complying with

arbitrage rebate requirements; costs complying with the City, IA No. 1, or obligated persons disclosure requirements; costs associated with preparing special taxes disclosure statements; costs incurred in responding to public inquiries regarding the facilities special taxes; costs related to any appeal of the facilities special taxes; and amounts estimated to be advanced or advanced by the City for any other administrative purposes, including attorney's fees and other costs related to collection of the facilities special taxes and commencing and pursuing to completion any foreclosure for delinquent special taxes.

Amounts for Unpaid Facilities Special Taxes and Anticipated Delinquencies

The RMA allows for the levy of a facilities special tax to fund costs of unpaid facilities special taxes from a previous fiscal year or to fund anticipated facilities special tax delinquencies that may occur in the current fiscal year for which facilities special taxes are being levied. To the extent an amount is levied for a past delinquency, a second facilities special tax levy should not be levied for a facilities special tax delinquency that has already been accounted for in a previous year facilities special tax levy.

Generally, facilities special taxes eventually are brought current, either through payment by a property owner or through judicial foreclosure proceedings. When facilities special tax installments are paid current, the amount needed to fund debt service and IA No. 1 administration will have been collected for previous years, including additional amounts that were needed only to cover delinquencies that are now current. As such, these additional amounts should be considered available by the IA No. 1 to fund annual facilities costs in the following fiscal year.

Authorized Facilities Funded on a Pay-As-You-Go Basis

During the first 30 years, the DA entitles the developer to use pay-as-you-go revenues to fund authorized facilities. As such, facilities special tax revenues not needed to pay debt service during the first 30 years of the facilities special tax levy may be used to fund authorized IA No. 1 costs not otherwise funded with IA No. 1 bond proceeds.

Development Impact Fee Deferrals

As stated earlier, the DA entitles the developer to defer certain development impact fees identified in the DA, which may be amended from time to time. Eligible fees include the SPRTA Tier II Traffic Fee and school district fees. To preserve the City's ability to reimburse any deferred fees, each series of IA No. 1 bonds that may be issued will be structured based on the revenues pledged toward that bond sale without consideration of wrapping debt service around a previous IA No. 1 bond sale. The concept generally is that once a taxable parcel has been taxed as a developed parcel for 30 years and that tax was used to pay

debt service on a series of IA No. 1 bonds, the future facilities special tax levy on that parcel should be available for the City to reimburse deferred impact fees for that parcel.

By way of a simple example, assume an initial IA No. 1 bond sale (Series A bonds) was sized (in IA No. 1 year 1) assuming maximum annual facilities special tax revenue from 400 units, even though all 400 units were not considered developed parcels at the time of the IA No. 1 bond sale. If a second series of IA No. 1 bonds were being issued in year 4 (Series B bonds) based on another project phase with 300 dwelling units, the IA No. 1 Series B bond sizing would not count on IA No. 1 facilities special tax revenues from any of the first 400 units in years 31, 32, and 33 when facilities special tax revenues from those first 400 units would no longer be needed to service outstanding bond debt for the Series A bonds. In this example, facilities special tax revenues from the first 400 units, beginning in Year 31, would be available to reimburse for deferred impact fees for those first 400 units.

Earnings on Reserve Funds, Special Tax Funds, and Other Funds

All interest earnings on bond reserve funds, facilities special tax funds, or other funds should be used to offset annual costs when determining the amount required for the annual facilities special tax levy.

Transition Event and Maintenance Special Taxes

Following the initial bonding period for IA No. 1, and when the administrator determines that the development impact fee deferral has been repaid in full, or beginning FY 2089-90 (whichever occurs first), the administrator will determine that the Transition Event has occurred. In the fiscal year following the Transition Event, the City shall no longer levy and collect the facilities special tax and will in turn begin the levy and collection of the maintenance special tax to fund the costs of authorized services, as defined in a previous chapter.

The Transition Event will be established separately for future Improvement Areas of the IA No. 1.

Definition of Annual Maintenance Costs

The maximum annual maintenance special tax established under the RMA is the maximum exposure to an annual maintenance special tax levy for a given parcel of land. The actual amount of the levy is derived through determining the annual maintenance costs of the IA No. 1. The RMA identifies the annual maintenance costs components as these:

- a. Authorized services costs to be paid from maintenance special taxes.
- b. Administrative expenses for such fiscal year.
- c. The amount needed (1) to cure any delinquencies in the payment of the maintenance special tax in the prior fiscal year, to the extent not otherwise included in a computation of annual maintenance costs in the current or any previous fiscal year and (2) to fund any foreseeable deficiency in the payment of the maintenance special tax for that fiscal year, which is expected to occur in such fiscal year, to the extent not included in a computation of annual maintenance costs in the current or any previous fiscal year.
- d. Less any available earnings on any reserve fund, maintenance special tax funds, or any other available revenues of the IA No. 1 or the City that may be used to fund annual maintenance costs.

Assignment of Maximum Annual Special Tax

Sections 4 and 5 of the RMA describe in detail the precise method for assigning the maximum annual facilities special tax, maximum annual maintenance special tax, and maximum annual special tax to parcels in the IA No. 1. The RMA assigns a total maximum annual special tax to taxable parcels based on parcel configurations at the time of formation of the IA No. 1 and then as subdivision maps are recorded. Original parcels are those parcel configurations when the IA No. 1 is formed. Successor parcels are created as large lot subdivision maps are recorded, and then small lot final maps are recorded, defining individual buildable residential lots.

Original Parcels

Original parcels are assigned a maximum annual facilities special tax using **Attachment 3** of the RMA. **Attachment 3 (Table 4)** of this document shows the total maximum facilities annual special tax and maximum annual facilities special tax per unit or per acre for each of the 5 original parcels.

Attachment 4 of the RMA (**Table 5** of this document) shows the assigned maximum annual maintenance special tax, before and after the Transition Event, for all tax categories.

Successor Parcels

Successor parcels are created when original parcels are subdivided by the recording of large lot subdivision maps or other parcel reconfigurations, such as through a lot line adjustment, and further subdivided into buildable residential lots. The RMA provides specific detail and definitions used in allocating the

maximum annual facilities special tax to parcels in their final use, whether as residential or nonresidential parcels.

Attachment 3 (Table 4 of this document) shows the maximum annual facilities special tax for planned large lot parcels. Each large lot is assigned one tax category, the number of planned residential units, and a maximum annual facilities special tax per unit or per acre. The maximum annual facilities special tax for a large lot parcel is the sum of the number of units in the tax category multiplied by the maximum annual facilities special tax for the tax category.

If fewer units are realized at recordation of a final map defining buildable lots than shown in **Table 4**, the maximum annual facilities special tax for the large lot parcel is divided by the actual number of residential units created by the final map to determine the maximum annual facilities special tax per unit. If more residential units are created by a final map than shown in **Table 4**, the maximum annual facilities special tax per unit is that amount shown in **Table 4**.

The RMA is structured to ensure that the maximum annual facilities special tax for a large lot is not reduced over time by anticipated development of each large lot. The facilities special tax revenue for large lot parcels may increase if higher densities are realized over time.

Maximum annual maintenance special taxes are identified for tax categories in **Attachment 4 (Table 5** of this document).

Annexation Parcels

Parcels are anticipated to be annexed into CFD in the future. Future annexation parcels will be annexed into new Improvement Areas. There may be future annexations into IA No. 1 using existing tax rates.

If parcels are annexed into the IA No. 1 after formation, the maximum annual facilities special tax, maximum annual maintenance special tax, and maximum annual special tax will be assigned to these annexation parcels using the definitions in **Section 2** of the RMA and the maximum annual facilities special tax per unit or per acre shown in **Attachment 2** of the RMA (**Table 3** of this document) as adjusted by the tax escalation factor applied by the administrator, unless the annexation parcels are annexed with a new set of maximum annual facilities special taxes. **Attachment 3 (Table 4)** will be amended, or a new attachment created, to include the annexation parcels and, if necessary, the applicable tax rates. If new maximum annual facilities special taxes are created, **Attachments 2 and 3** should be amended to reflect the maximum annual facilities special taxes for the annexation parcels. Once annexed, these annexed parcels will be considered original and successor parcels and will be subject to the same procedures for assignment of the maximum annual facilities special tax to successor parcels described in **Section 4.d** of the RMA. The owner of the annexation parcels will be responsible for paying all costs associated with

annexing the annexation parcels into the IA No. 1 but otherwise will not be required to pay any other charge, fee, or catch-up special tax in connection with or as a condition of such annexation, unless otherwise agreed to by the owner of the annexation parcel in connection with the annexation.

Maximum annual maintenance special taxes are identified for tax categories in **Attachment 4 (Table 5)** of this document).

Affordable Units

The RMA recognizes affordable housing units may be built in the IA No. 1. Affordable high-density units are assigned zero tax rates for facilities taxes and maintenance taxes. Affordable medium-density units are assigned lower maximum annual special tax rates than market-rate units. **Section 4.d** of the RMA discusses the assignment of the maximum annual special tax to residential lots and to those residential lots anticipated to include affordable units.

Transfer of the Assigned Maximum Annual Facilities Special Tax

The City may, in its sole discretion, allow for a transfer of the maximum annual facilities special tax from one large lot parcel to another. Such a transfer will be allowed only if (1) all adjustments are agreed to in writing by the affected property owners and the Finance Director and (2) there is no reduction in the IA NO. 1 maximum annual facilities special tax revenues as a result of the transfer. Provisions for such a transfer are discussed in **Section 4.f** of the RMA.

Conversion of a Tax-Exempt Parcel to a Taxable Parcel

If a tax-exempt parcel is not needed for public use or other nontaxable use and is converted to a taxable use or transferred to a private owner, it will become subject to the special tax. The maximum annual special tax for the newly assigned tax category for such a parcel is determined using the provisions of **Sections 4** and **5** of the RMA.

Taxable Parcels Acquired by a Public Agency

A taxable parcel that is acquired by a public agency after the IA No. 1 is formed will remain subject to the applicable special tax unless the special tax obligation is satisfied pursuant to Section 53317.5 of the Government Code. An exception to

this may be made if a public parcel, such as a school site, is relocated to a taxable parcel, in which case, the previously tax-exempt parcel of comparable acreage becomes a taxable parcel and the maximum annual special tax from the previously taxable parcel is transferred to the new taxable parcel. This trading of a parcel from a taxable parcel to a public parcel will be permitted to the extent there is no net loss in maximum IA No. 1 special tax revenue and the transfer is agreed to by the owners of the parcels involved in the transfer and the Finance Director.

Determination of Parcels Subject to Special Tax

By June 30 of each fiscal year, using the definitions in **Section 2** of the RMA, the parcel records of the Assessor's Secured Tax Roll as of January 1, and other City development approval records, the Administrator will cause:

1. Each parcel to be classified as a taxable parcel or a tax-exempt parcel.
2. Each parcel to be classified as a developed parcel, a small lot tentative map parcel, a large lot parcel (including remainder parcels), or an undeveloped parcel.

Setting the Facilities Special Tax Levy for Taxable Parcels

To determine the annual levy, the administrator will use the process presented in **Section 7** of the RMA. In general, the provisions of **Section 7** describe the following procedures to set the annual facilities special tax levy for each taxable parcel for each Improvement Area separately:

- First, the administrator must compute the annual facilities costs using the definitions in **Section 2** of the RMA. Next, the administrator will levy the facilities special tax proportionately on all developed parcels, up to the amount of annual facilities costs or 100 percent of the maximum facilities special tax for developed property, whichever is less.
- If additional revenue is needed for annual facilities costs, the administrator shall levy the facilities special tax proportionately on all small lot tentative map parcels, such that when added to the levy on developed parcels, is up to the amount of annual facilities costs or up to 100 percent of the maximum facilities special tax for small lot tentative map parcels, whichever is less.
- If additional revenue is needed for annual facilities costs, the administrator shall levy the facilities special tax proportionately on all large lot parcels, such that when added to the levies on parcels described above, is up to the amount

of annual facilities costs or up to 100 percent of the maximum facilities special tax for large lot parcels, whichever is less.

- If additional revenue is needed for annual facilities costs, the administrator shall levy the facilities special tax proportionately on all undeveloped parcels, such that when added to the levies on parcels described above, is up to the amount of annual facilities costs or up to 100 percent of the maximum facilities special tax for large lot parcels, whichever is less.

Once the facilities special tax levy is determined for a fiscal year, the administrator will create the tax schedule to deliver to the County Auditor-Controller.

Setting the Maintenance Special Tax Levy for Taxable Parcels

Beginning in the Transition Year, the administrator will use the process presented in **Section 7** of the RMA to set the annual maintenance special tax levy. In general, the provisions of **Section 7** describe the following procedures to set the annual maintenance special tax levy for each taxable parcel separately for each Improvement Area:

- First, the administrator must compute the annual maintenance costs using the definitions in **Section 2** of the RMA. Next, the administrator will levy the maintenance special tax proportionately on all developed parcels, up to the amount of annual maintenance costs or 100 percent of the maximum maintenance special tax for developed property, whichever is less.
- If additional revenue is needed for annual maintenance costs, the administrator shall levy the maintenance special tax proportionately on all small lot tentative map parcels, such that when added to the levy on developed parcels, is up to the amount of annual maintenance costs or up to 100 percent of the maximum maintenance special tax for small lot tentative map parcels, whichever is less.
- If additional revenue is needed for annual maintenance costs, the administrator shall levy the maintenance special tax proportionately on all large lot parcels, such that when added to the levies on parcels described above, is up to the amount of annual maintenance costs or up to 100 percent of the maximum maintenance special tax for large lot parcels, whichever is less.
- If additional revenue is needed for annual maintenance costs, the administrator shall levy the maintenance special tax proportionately on all undeveloped parcels, such that when added to the levies on parcels described above, is up to the amount of annual maintenance costs or up to 100 percent

of the maximum maintenance special tax for large lot parcels, whichever is less.

Once the maintenance special tax levy is determined for a fiscal year, the administrator will create the tax schedule to deliver to the County Auditor-Controller.

Prepayment of the Special Tax Obligation

Calculations of a prepayment shall reflect the Improvement Area in which the parcel seeking to prepay resides. A property owner may at any time prepay either 25 percent or 50 percent of the full prepayment, except that the City may allow a partial prepayment of any percentage up to 50 percent of the full prepayment to be made as a "buy down" of the rate for purposes of marketing the property by a builder or developer of land to be sold for residential use. In the event such a builder or developer has prepaid a portion of the facilities special tax, the allowable 25 percent or 50 percent partial prepayment of the facilities special tax that can be made by a subsequent owner shall be reduced by the amount so prepaid by the builder or developer. Full prepayment is permitted only for nonresidential use parcels; full prepayment is not allowable for residential use parcels.

Prepayments must be made in sufficient time to, in the City's opinion, have the prepayment reflected in the following fiscal year's special tax levy.

In addition to the above, full or partial prepayment is permitted only under the following conditions:

- The landowner prepaying the facilities special tax on a parcel has paid any delinquent facilities special tax and penalties on that parcel at or before prepayment.
- Following prepayment, amounts in any debt service reserve fund are equal to or greater than the reserve fund requirement.
- The City determines the prepayment will not jeopardize its ability to make timely payments of debt service and maintain a 110 percent annual debt service coverage based on maximum annual special tax revenues in all years in which issued bonds will be outstanding.
- The portion of the prepayment for the development impact fee deferral shall be used only to pay for the development impact fee deferral whether it was or is to be funded through annual special tax payments or through bonded indebtedness.

The full and partial prepayment calculations are described in detail in **Section 8** of the RMA. Partial prepayments also must account for collection of any development impact fee deferral for a given parcel.

Interpretation, Application, and Appeal of Special Tax Formula and Procedures

Any taxpayer who feels the amount of the special tax assigned to a parcel is in error may file a notice with the administrator appealing the levy of the special tax. The administrator then will promptly review the appeal and, if necessary, meet with the applicant. If the administrator verifies that the tax should be modified or changed, the special tax levy will be corrected and, if applicable in any case, a credit or refund will be granted.

Interpretations may be made by the City, without resolution or ordinance of the City Council, for purposes of clarifying any vagueness or ambiguity as it relates to the special tax rate, the method of apportionment, the classification of properties, or any definition applicable to the IA No. 1.

Without City Council approval, the Finance Director may make minor, non-substantive administrative and technical changes to the provisions of the RMA that do not materially affect the rate, method of apportionment, or manner of collection of the special tax for purposes of administrative efficiency or convenience or to comply with new applicable federal, state, or local law.

Manner of Collection

The special tax will be collected in the same manner and at the same time as ad valorem property taxes. As specified in **Section 10** of the RMA, the administrator or their designee may directly bill the special tax and may collect the special tax at a different time, such as on a monthly or other periodic basis, or in a different manner, if necessary, to meet the City's financial obligations.

Rate, Method of Apportionment, and
Manner of Collection of Special Tax

EXHIBIT A

Improvement Area No. 1 of the
City of Roseville
Amoruso Ranch Community Facilities District No. 1

(Public Facilities)
Placer County, State of California

RATE, METHOD OF APPORTIONMENT, AND
MANNER OF COLLECTION OF SPECIAL TAX

1. Basis of Special Tax Levy

A Special Tax authorized under the Mello-Roos Community Facilities Act of 1982 (Act) applicable to the land in Improvement Area No. 1 of the City of Roseville Amoruso Ranch Community Facilities District No. 1 (Public Facilities) shall be levied and collected according to the tax liability determined by the City through the application of the appropriate amount or rate, as described below.

2. Definitions

"Acre" or **"Acreage"** means the land area of an Assessor's Parcel as shown on an Assessor's Parcel Map, or if the land area is not shown on an Assessor's Parcel Map, the land area shown on the applicable final map or other Development Plan.

"Act" means the Mello-Roos Community Facilities Act of 1982, as amended, Sections 53311 and following of the California Government Code.

"Administrative Expenses" means the actual or reasonably estimated costs related to the administration of Improvement Area No. 1, including, but not limited to, these for Improvement Area No. 1:

- a. Costs of computing Special Taxes and preparing annual Special Tax collection schedules (whether by the City or any designee thereof or both).
- b. Costs of collecting the Special Taxes (whether by the County, the City, or otherwise).
- c. Costs of remitting the Special Taxes to the Trustee.
- d. Costs of the Trustee (including its legal counsel) in the discharge of the duties required of it under the Bond Indenture.
- e. Costs to the City, CFD, or any designee thereof, of complying with arbitrage rebate requirements.

- f. Costs to the City, CFD, or any designee thereof, of complying with City, CFD, or Master Builder disclosure requirements.
- g. Costs associated with preparing Special Tax disclosure statements.
- h. Costs incurred in responding to public inquiries regarding the Special Taxes.
- i. Costs to the City, CFD, or designee thereof related to any appeal of the Special Taxes.
- j. Costs associated with the release of funds from an escrow account, if any.
- k. Costs to the City for the issuance of Bonds authorized by the CFD that are not recovered through the Bond sale proceeds.
- l. Amounts estimated to be advanced or already advanced by the City for any other administrative purposes, including attorney's fees and other costs related to collection of the Special Taxes and commencing and pursuing to completion any foreclosure of delinquent Special Taxes.

“Administrator” means a City official in the Finance Department, or their designee responsible for determining or overseeing the levy and collection of the Special Taxes.

“Affordable Housing Director” means, at any point in time, the person in the City who serves as head of the department that is in charge of the City's affordable housing program.

“Affordable Unit” means a Unit built on a Residential Use Parcel for which an Affordable Unit agreement has been entered into for the property designating the Unit as affordable. A Multifamily Parcel may have only a portion of the Units assigned as Affordable Units. The City Manager, or his or her designee, shall determine which Units are designated as Affordable Units and maintain an Affordable Unit listing, which shall contain all designated buildable parcels by tract and lot number, and in the case of Large Lot Parcels remaining before May 1 of the preceding Fiscal Year, the number of designated Affordable Units for each such Large Lot Parcel; all entries shall indicate the effective date of designation. The Affordable Unit listing also shall be updated to reflect those Units no longer qualifying as Affordable Units, also known as Market-Rate Units. The Affordable Unit listing, which shall contain all qualifying Affordable Units as of April 30, shall be made available to the Administrator by July 1 of each year for purposes of determining the Maximum Annual Special Tax for Parcels pursuant to **Section 4**.

“Annexation Parcels” means a Parcel or Parcels annexed to Improvement Area No. 1 of the CFD after formation. The Maximum Annual Special Tax will be assigned to Parcels in the annexation area using the provisions of **Section 4**.

“Annual Facilities Costs” means, for any Fiscal Year, the total of these for Improvement Area No. 1:

- a. Debt Service to be paid from Facilities Special Taxes.

- b. The amount needed to replenish the reserve fund for the Bonds to the level required under the Bond Indenture, to the extent not included in a computation of Annual Facilities Costs in a previous Fiscal Year.
- c. Administrative Expenses for such Fiscal Year.
- d. The amount needed to (1) cure any delinquencies in the payment of the Facilities Special Tax in the prior Fiscal Year, to the extent not otherwise included in a computation of Annual Facilities Costs in the current or any previous Fiscal Year, and (2) to fund any foreseeable deficiency in the payment of the Facilities Special Tax for that Fiscal Year which is expected to occur in such Fiscal Year, to the extent not included in a computation of Annual Facilities Costs in the current or any previous Fiscal Year.
- e. Authorized Pay-As-You-Go Costs so long as the inclusion of these costs does not increase the Special Tax levy on Undeveloped Property, Large Lot Parcels, Small Lot Tentative Map Parcel, or Final Use Small Lot Parcels.
- f. During the Deferral Bonding Period, the amount needed to pay Development Impact Fee Deferrals not financed by Bonds.
- g. Less any available earnings on any reserve fund or Facilities Special Tax funds, available capitalized interest or any other available revenues of Improvement Area No. 1 or the City that may be used to fund Annual Facilities Costs.

"Annual Maintenance Costs" means, for any Fiscal Year, the total of these for Improvement Area No. 1:

- a. Authorized Services costs to be paid from Maintenance Special Taxes.
- b. Administrative Expenses for such Fiscal Year.
- c. The amount needed to (1) cure any delinquencies in the payment of the Maintenance Special Tax in the prior Fiscal Year, to the extent not otherwise included in a computation of Annual Maintenance Costs in the current or any previous Fiscal Year, and (2) to fund any foreseeable deficiency in the payment of the Maintenance Special Tax for that Fiscal Year which is expected to occur in such Fiscal Year, to the extent not included in a computation of Annual Maintenance Costs in the current or any previous Fiscal Year.
- d. Less any available earnings on any reserve fund, Maintenance Special Tax funds or any other available revenues of Improvement Area No. 1 or the City that may be used to fund Annual Maintenance Costs.

"Anticipated Construction Proceeds" means the amount anticipated to be available through Improvement Area No. 1 for acquiring or constructing Authorized Facilities, which is equal to \$27.8 million at formation of Improvement Area No. 1 of the CFD. This amount is increased on July 1 of the current Fiscal Year for the prior calendar year by the average increase in the ENR-CCI.

“Assessor’s Parcel” means a lot or Parcel with an assigned Assessor’s Parcel Number in the maps used by the County Assessor in preparing the tax roll.

“Assessor’s Parcel Map” means an official map of the County Assessor designating Parcels by Assessor’s Parcel Number.

“Assessor’s Parcel Number” means the Parcel and Parcel Number as assigned by the County Assessor on the equalized tax roll.

“Assigned Maximum Annual Special Tax” means the maximum Facilities Special Tax or Maintenance Special Tax assigned to each Large Lot Parcel that is an Original Parcel based on the Expected Land Uses for Improvement Area No. 1 at the CFD formation, or at annexation, as shown in **Attachment 1**.

“Authorized Facilities” means those facilities and fees to be financed by the CFD (including Improvement Area No. 1), as identified in the resolution forming the CFD.

“Authorized Services” means those services authorized to be funded by the CFD (including Improvement Area No. 1), as defined in the resolution forming the CFD.

“Base Year” means the Fiscal Year beginning July 1, 2023, and ending June 30, 2024.

“Benefit Share” means the Maximum Annual Facilities Special Tax for a Parcel divided by the Maximum Annual Facilities Special Tax Revenue for all Taxable Parcels at their assigned Maximum Annual Facilities Special Tax.

“Bond(s)” means any bond(s) issued by the City for Improvement Area No. 1 under the Act secured by Special Taxes and any other debt, as defined in the Act, the City incurs that is secured by Special Taxes to further the CFD’s purposes.

“Bond Indenture(s)” means the indenture(s), resolution(s), fiscal agent agreement(s), or other financing document(s) pursuant to which any Bonds are issued.

“Bond Share” means the share of Outstanding Bonds assigned to a Parcel as specified in **Section 8** hereof.

“Building Permit” means a permit issued by the City for the construction of a Residential Use or Nonresidential Use structure.

“Business Professional” means a Parcel or Parcels zoned to provide for office uses and other uses that are related to and supportive of office uses.

“CFD” means the City of Roseville Amoroso Ranch Community Facilities District No. 1 (Public Facilities), Placer County, State of California, including all Improvement Areas therein.

“Chief Financial Officer” or **“CFO”** means the Chief Financial Officer of the City, or his/her designee.

“City” means the City of Roseville in Placer County, California.

“Council” means the City Council of the City acting for the CFD under the Act.

"County" means the County of Placer, California.

"Debt Service" means the total annual amount of Bond principal, interest, and the scheduled sinking fund payments of the Bonds in a calendar year.

"Deferral Bonding Period" means the period, for Improvement Area No. 1, after the Initial Bonding Period has ended and during which the City finances the Development Impact Fee Deferral.

"Developed Parcel" means, in any Fiscal Year:

- a. For Single-Family Parcels: All Parcels for which a Final Small Lot Subdivision Map was recorded before May 1 of the preceding Fiscal Year.
- b. For Multifamily Parcels: All Parcels for which a Building Permit for new construction of a Residential Use structure was issued before May 1 of the preceding Fiscal Year.
- c. For all Nonresidential Use Parcels: All Parcels for which a Building Permit for new construction of a Nonresidential Use structure was issued before May 1 of the preceding Fiscal Year.

Once a Parcel is defined as a Developed Parcel it shall remain as a Developed Parcel.

"Development Agreement" means the Development Agreement By and Between the City of Roseville and Brookfield Sunset, LLC, Brookfield Sacramento Holdings, LLC, and Angela Eisenpress relative to the Amoruso Ranch Specific Plan dated May 11, 2022, or as may be amended from time to time.

"Development Impact Fee Deferral" means the deferred payment of development impact fees due to the City or the South Placer Regional Transportation Authority (SPRTA) for Developed Parcels, using the approach and amounts identified in the Development Agreement, which may be amended from time to time.

"Development Plan" means a condominium plan, apartment plan, site plan, or other development plan that identifies such information as the type of structure, acreage, square footage, or number of Units that are approved to be developed on Single-Family Parcels, Multifamily Parcels, and Nonresidential Parcels.

"ENR-CCI" means the Engineering News Record—Construction Cost Index for San Francisco in the prior calendar year, as determined on July 1 of the current Fiscal Year.

"Expected Land Use(s)" means, for Improvement Area No. 1, the total number of Units or Acres of each land use type by Tax Category expected in each Large Lot Parcel and Original Parcel at CFD formation as identified in **Attachment 3** of this RMA, or as to Annexation Parcels, the total number of Units or Acres of each land use type by Tax Category expected in each Large Lot Parcel and Original Parcel at the time of annexation as identified in a subsequent attachment to RMA.

"Facilities Special Tax" means the Special Tax authorized to be levied in Improvement Area No. 1 to fund Annual Facilities Cost. Facilities Special Taxes are shown in

Attachments 2 and 3, or as to Annexation Parcels, as shown in a subsequent attachment to the RMA.

“Final Use Small Lot Parcel” means a Parcel designated for development as a single-family residence, which is part of a Final Small Lot Subdivision Map.

“Final Small Lot Subdivision Map” means a recorded map designating the final Parcel subdivision for individual Single-Family Parcels.

“First Bond Sale” means issuance of the first series of Bonds secured, in whole or in part, by Facilities Special Taxes levied and collected from Parcels in Improvement Area No. 1.

“Fiscal Year” means the period starting July 1 and ending the following June 30.

“Full Prepayment” means the fulfillment of a Parcel’s Facilities Special Tax obligation, as determined by following the procedures in **Section 8**.

“High Density Residential” means, per the Amoruso Ranch Specific Plan, a land use designation that primarily accommodates attached housing, but depending on the unit type, could also include detached housing, within the density range of 13.0 or greater dwelling units per gross developable acre. Typical housing product types include, but shall not be limited to, detached townhomes, courtyard townhomes/condominiums, garden-style apartments, and podium design apartments/condominiums.

“Improvement Area No. 1” means the area designated as such on **Map 1**.

“Initial Bonding Period” means, for Improvement Area No. 1, the period in which Bonds are outstanding, whether issued in a single or multiple series, which financed Authorized Facilities costs or refunded prior Bonds other than the Development Impact Fee Deferral.

“Large Lot Parcel” means a Parcel created by a Large Lot Subdivision Map.

“Large Lot Subdivision Map” means a recorded subdivision map creating Parcels by land use. However, the Large Lot Subdivision Map does not delineate Final Use Small Lot Parcels. A Final Small Lot Subdivision Map will create individual Single-Family Parcels.

“Low Density Residential” means, per the Amoruso Ranch Specific Plan, a land use designation that supports single-family detached homes on conventional lots within the density range of up to 6.9 dwelling units per gross developable acre. Typical housing product types include, but shall not be limited to, standard, alley-loaded, or clustered, single-family detached units.

“Maintenance Special Tax” means the Special Tax authorized to fund Annual Maintenance Costs. The Maintenance Special Tax will be levied and collected beginning with the Transition Year. Maintenance Special Taxes are shown in **Attachment 4**.

“Market-Rate Unit” means a Unit that is not an Affordable Unit.

“Master Builder” means Brookfield Sacramento Holdings LLC and its successors and assigns.

"Maximum Annual Special Tax" means the greatest amount of Facilities Special Tax or Maintenance Special Tax that can be levied against a Parcel in a given Fiscal Year, as shown in **Attachments 2, 3, and 4.**

"Maximum Annual Facilities Special Tax" means the greatest amount of Facilities Special Tax that can be levied against a Parcel in a given Fiscal Year, as shown in **Attachments 2, 3, or 4.**

"Maximum Annual Maintenance Special Tax" means the greatest amount of Maintenance Special Tax that can be levied against a Parcel in a given Fiscal Year, as shown in **Attachments 2, 3, or 4.**

"Maximum Annual Special Tax Rate" means the maximum rate of Facilities Special Tax or Maintenance Special Tax charged per Unit or per Taxable Acre each Fiscal Year, as shown in **Attachments 2, 3, and 4**, as subsequently escalated by the Tax Escalation Factor.

"Maximum Annual Facilities Special Tax Revenue" means the greatest amount of Facilities Special Tax revenue that can be collected in total from a group of Parcels (such as Developed Parcels) by levying the Maximum Annual Facilities Special Tax.

"Maximum Annual Maintenance Special Tax Revenue" means the greatest amount of Maintenance Special Tax revenue that can be collected in total from a group of Parcels (such as Developed Parcels) by levying the Maximum Annual Maintenance Special Tax.

"Maximum Annual CFD Special Tax Revenue" means the sum of the Maximum Annual Special Tax levied on all Taxable Parcels in the CFD in a Fiscal Year.

"Medium Density Residential" means, per the Amoruso Ranch Specific Plan, a land use designation that accommodates both single-family detached homes and attached homes within the density range of 7.0 to 12.9 dwelling units per gross developable acre. Typical housing product types include, but shall not be limited to, standard or alley-loaded lots, courtyard lots, green court lots, auto courts, alley clusters, zero-lot lines, or z-shaped lots. In addition, duet/half-plex homes, townhomes, or condominiums may be accommodated in Medium Density Residential areas.

"Mixed Use Parcel" means a Parcel or Parcels designated for a combination of Residential Uses and Nonresidential Uses.

"Multifamily For-Rent" or **"Multifamily For-Rent Parcel"** means any Parcel designated or developed for more than one residential dwelling Unit per Parcel and where such units are initially offered for rent to the general public and cannot be purchased by individual homeowners. Such uses may consist of apartments or structures such as duplexes or triplexes, including land uses defined as High Density Residential. Each residential dwelling Unit within Multifamily For-Rent or Multifamily For-Rent Parcels is not expected to have its own distinct Assessor's Parcel Number.

"Multifamily For-Sale" or **"Multifamily For-Sale Parcel"** means any Parcel designated or developed for more than one residential dwelling Unit within a single building or structure and that may share at least one common wall where such units are not initially

offered for rent to the general public and initially may be offered for sale to individual homeowners. Such uses may consist of condominiums or buildings such as half-plexes or time-share units, including land uses defined as High Density Residential. Multifamily For-Sale Parcels are anticipated to have their own distinct Assessor's Parcel Number as is the case in residential condominium projects. Once designated as Multifamily For-Sale or Multifamily For-Sale Parcel, the Parcel shall remain so designated unless the original structures are demolished.

"Nonresidential Use" means a Taxable Parcel zoned for land uses other than Residential Uses which may include Business Professional, Community Commercial and Mixed Use.

"Original Parcel" means a Taxable Parcel in Improvement Area No. 1 identified in **Attachment 1** at formation of the CFD.

"Outstanding Bonds" means the total principal amount of Bonds that have been issued and not fully repaid or legally defeased.

"Parcel" means any Assessor's Parcel in Improvement Area No. 1 based on the equalized tax rolls of the County as of January 1 of each Fiscal Year.

"Partial Prepayment" means the partial fulfillment of a Parcel's Facilities Special Tax obligation, as determined by following the procedures in **Section 8**.

"Pay-As-You-Go Costs" means that portion of costs of acquisition, construction, and improvement of Authorized Facilities not financed by Bonds that are eligible for funding from the Facilities Special Tax.

"Prepayment" means the Full Prepayment or Partial Prepayment of a Parcel's Facilities Special Tax obligation, as determined by following the procedures in **Section 8**.

"Proportionately" means that the ratio of the actual Special Tax levy to the Maximum Annual Special Tax is equal for all Developed Parcels. For Small Lot Tentative Map Parcels, Proportionately means that the ratio of the actual Special Tax levy to the Maximum Annual Special Tax is equal for all Small Lot Tentative Map Parcels. For Large Lot Parcels, Proportionately means that the ratio of the actual Special Tax levy to the Maximum Annual Special Tax is equal for all Large Lot Parcels. For Undeveloped Parcels, Proportionately means that the ratio of the actual Special Tax levy to the Maximum Annual Special Tax is equal for all Undeveloped Parcels.

"Public Parcel" means any Parcel that is or is intended to be publicly owned, as designated in any final map, that is normally exempt from the levy of general ad valorem property taxes under California law, including, but not limited to, public streets, schools, parks, and public drainageways, landscaping, wetlands, greenbelts, and open space.

"Remainder Parcel" means a portion of a unit of land that is created as a result of the recording of a Large Lot Parcel Map or Final Small Lot Subdivision Map, which results in a designated remainder as defined in Government Code Section 66424.6(a) (Remainder Parcel). Such a Remainder Parcel may contain taxable and tax-exempt uses, such as Residential Uses, and Public Parcels, such as park sites. Once designated as a Remainder

Parcel, such Parcel will be considered a Large Lot Parcel for the purposes of future Subdivisions and for the provisions of **Sections 4** through **6**.

“Remaining Facilities Costs” means the amount of Anticipated Construction Proceeds less construction proceeds from previous Bond issuances and less costs of Authorized Facilities funded on a Pay-As-You-Go Basis from the levy of the Special Tax.

“Remaining Facilities Cost Share” means the Remaining Facilities Costs multiplied by the Benefit Share.

“Residential Use” means a Parcel designated for residential use, such as single-family residential Units, residential condominiums, townhouses, or apartments that would be included in the definitions of Low-Density Residential, Medium Density Residential or High Density Residential.

“RMA” means this Rate and Method of Apportionment, and Manner of Collection of Special Tax, as it may be amended from time to time in connection with Annexation Parcels or otherwise.

“Single-Family Parcel” means, in any Fiscal Year, all Parcels in Improvement Area No. 1 for which a building permit was issued or may be issued for construction of a Unit that is a single-family residential, residential condominium, or townhouse Unit.

“Small Lot Tentative Map” means a map that is approved by the City for the purpose of showing the design of a proposed Subdivision, including the individual buildable lots expected in the Subdivision, as well as the conditions pertaining thereto. The Small Lot Tentative Map designation for this RMA is in reference only to the areas shown on the map on which Low-Density Residential and Medium-Density Residential uses would be permitted. A Small Lot Tentative Map is not based on a detailed survey of the property in the map and is not recorded at the County Recorder’s Office to create legal lots.

“Small Lot Tentative Map Parcel” means, in any Fiscal Year, all Parcels included in a Small Lot Tentative Map that was approved before May 1 of the prior Fiscal Year that are planned for Low-Density Residential and Medium-Density Residential and which have not yet become a Developed Parcel.

“Special Tax(es)” mean(s) any tax levy under the Act in Improvement Area No. 1.

“Subdivision” or **“Subdivided”** means a division of a Parcel into two or more Parcels through Parcel reconfiguration, lot-line adjustments, or the Subdivision Map Act process. A Subdivision also may include the merging of two or more Parcels to create new Parcels.

“Successor Parcel” means a Parcel created by the Subdivision of an Original Parcel or a Successor Parcel.

“Tax Category” means the categories of taxable land uses shown in **Attachments 2, 3,** and **4**.

“Tax Collection Schedule” means the document prepared by the Administrator for the County Auditor-Controller to use in levying and collecting the Special Taxes each Fiscal Year.

"Tax Escalation Factor" means a factor of 2 percent by which the Maximum Annual Facilities Special Tax, Maximum Annual Maintenance Special Tax and related Maximum Annual Special Tax Rates shall be increased annually until the Transition Event. In the Fiscal Year following the Transition Event, the Maximum Annual Maintenance Special Tax may be increased up to 2 percent annually at the City's discretion. The Administrator should refer to Section 4a for application of the Tax Escalation Factor.

"Taxable Acreage" means that area of a Parcel determined by the Administrator to become a Taxable Parcel or Parcels upon further Subdivision. An example might be that a Large Lot Parcel Map creates a Remainder Parcel that, according to **Attachment 1**, contains both taxable uses and tax-exempt uses.

"Taxable Parcel" means any Parcel that is not a Tax-Exempt Parcel.

"Tax-Exempt Parcel" means a Parcel not subject to the Annual Special Tax. Tax-Exempt Parcels include (a) Public Parcels, and (b) Parcels owned by the City, school districts, special districts, or the state or federal government. A Taxable Parcel that is acquired by a public agency shall remain a Taxable Parcel as per the provisions of **Section 4.i**.

Certain privately-owned Parcels also may be exempt from the levy of Annual Special Taxes, including common areas owned by homeowner's associations or property owner associations, wetlands, detention basins, water quality ponds, and open space, as determined by the Administrator.

"Transition Event" means for Improvement Area No. 1, the earlier of (a) after the Initial Bonding period, the Fiscal Year in which the Administrator determines the Development Impact Fee Deferral, including any Debt Service and Administrative Expenses associated with any Bonds issued to satisfy Development Impact Fee Deferrals, and any eligible Pay-As-You-Go Costs have been repaid in full to the City and City determines funding is no longer needed for Annual Facilities Costs, or (b) Fiscal Year 2088-89.

"Transition Year" means, for Improvement Area No. 1, the first Fiscal Year following the Fiscal Year in which the Transition Event occurred.

"Trustee" means a national banking association organized and existing under the laws of the United States acting as a trustee or fiscal agent for Bonds.

"Undeveloped Parcel" means a Taxable Parcel that is not a Developed Parcel, Small Lot Tentative Map Parcel, or a Large Lot Parcel.

"Unit" means, for a Single-Family Parcel, the individual residential unit on such Parcel, or for a Multifamily For-Rent Parcel or Multifamily For-Sale Parcel, an individual residential unit in a multifamily building.

3. Duration of the Special Tax

The Facilities Special Tax will be levied and collected until the earlier of (i) the Transition Year or (ii) Fiscal Year 2088-89. The Maintenance Special Tax will be levied and collected beginning in the Transition Year. The Maintenance Special Tax will thereafter be collected in perpetuity.

4. Administrative Tasks for the Facilities Special Tax

The provisions of Section 4 shall apply to Improvement Area No. 1:

- a. Annual Special Tax Escalation. Until the Fiscal Year following the Transition Event, the Administrator shall increase the Maximum Annual Facilities Special Tax, the Maximum Annual Maintenance Special Tax and Maximum Annual Special Tax Rates by the Tax Escalation Factor in all Fiscal Years following the Base Year. In the Transition Year and thereafter, the City, in its sole discretion, may determine whether to apply the Tax Escalation Factor to the Maximum Annual Maintenance Special Tax in any Fiscal Year.
- b. Assignment of the Maximum Annual Facilities Special Tax to Original Parcels. **Attachment 3** identifies the Assigned Maximum Annual Facilities Special Tax for each Original Parcel included in Improvement Area No. 1, which is determined for each Large Lot Parcel based on the Expected Land Uses in each Large Lot Parcel at CFD Formation. The Assigned Maximum Annual Facilities Special Tax shall continue to apply to the geographic area to which it was assigned. If, before further Subdivision, the Administrator determines there are multiple Assessor's Parcels in a Large Lot Parcel, the Administrator shall assign the Maximum Annual Facilities Special Tax to each Assessor's Parcel on a pro rata basis to all Assessor's Parcels in that Large Lot Parcel based on the percentage share of Taxable Acreage identified for each Assessor's Parcel. Similarly, if the Administrator determines there are multiple Large Lot Parcels in an Assessor's Parcel, the Maximum Annual Facilities Special Tax shall equal the sum of the Assigned Maximum Annual Facilities Special Tax for all Large Lot Parcels in that Assessor's Parcel.
- c. Assignment of the Maximum Annual Facilities Special Tax to Annexation Parcels. Upon annexation of property to Improvement Area No. 1, Parcels will be assigned Maximum Annual Facilities Special Taxes using **Attachments 2, 3, and 4**. Once annexed, these annexed Parcels shall be considered Original and Successor Parcels and will be subject to the same procedures for assignment of the Maximum Annual Facilities Special Tax to Successor Parcels described in **Section 4.d**. The owner of the Annexation Parcels shall be responsible for paying all costs associated with annexing the Annexation Parcels to Improvement Area No. 1, but otherwise shall not be required to pay any other charge, fee or catch-up special tax in connection with or as a condition of such annexation unless otherwise agreed to by the owner of the Annexation Parcel in connection with the annexation.
- d. Assignment of the Maximum Annual Facilities Special Tax to Successor Parcels. As Original Parcels and Successor Parcels are Subdivided through creation of Final Small Lot Subdivision Maps, lot line adjustments or other Parcel amendments through the Subdivision Map Act process, the Administrator shall use the following steps to assign the Maximum Annual Facilities Special Tax to new Successor Parcels. As a result of each assignment of the Maximum Annual Facilities Special Tax upon Subdivision of an Original Parcel or Successor Parcel, the sum of the Maximum Annual Facilities Special Taxes assigned to the newly created Taxable Parcels shall never be less, but may be

greater, than the Assigned Maximum Annual Facilities Special Tax for that Original Parcel or Successor Parcel.

1. If an Original Parcel or Successor Parcel is Fully Subdivided into Single-Family Parcels with No Remainder Parcel(s). There shall be no net loss of Maximum Annual CFD Special Tax Revenue as a result of the assignment of the Maximum Annual Facilities Special Tax to Single-Family Parcels. The Administrator shall use the following procedures to assign the Maximum Annual Facilities Special Tax to Single-Family Parcels. All references to Maximum Annual Facilities Special Taxes in the attachments are subject to application by the Tax Escalation Factor by the Administrator:
 - A. Multiply the Maximum Annual Facilities Special Tax per Unit by Tax Category from **Attachment 2** by the number of Units for each Single-Family Parcel created by the Subdivision. Sum the Maximum Annual Facilities Special Taxes for all Single-Family Parcels created by the Subdivision.
 - B. If the sum of Maximum Annual Facilities Special Taxes calculated in Step 4.d.1.A above is equal to or greater than the Assigned Maximum Annual Facilities Special Tax for the Original or Successor Parcel that was Subdivided, assign the Maximum Annual Facilities Special Tax per Unit by Tax Category as calculated in Step 4.1.d.A above to each Single-Family Parcel created by the Subdivision.
 - C. If the sum of Maximum Annual Facilities Special Taxes calculated in Step 4.d.1.A above is less than the Assigned Maximum Annual Facilities Special Tax for the Original or Successor Parcel that was Subdivided, unless 100 percent of the Units are designated Affordable Units, (i) assign the Maximum Annual Facilities Special Tax for Affordable Units shown in **Attachment 2** to each Affordable Unit (if any) and, (ii) Proportionately increase the Maximum Annual Facilities Special Tax per Unit for all Units that are not Affordable Units until the sum of resulting Maximum Annual Facilities Special Taxes from all Units (including Affordable Units) equals the Assigned Maximum Annual Facilities Special Tax for the Original or Successor Parcel that was Subdivided. Assign the Maximum Annual Facilities Special Tax calculated in this step to each new Single-Family Parcel created by the Subdivision.
 - D. If the sum of Maximum Annual Facilities Special Taxes calculated in Step 4.d.1.A above is less than the Assigned Maximum Annual Facilities Special Tax for the Original or Successor Parcel that was Subdivided **and** if 100 percent of the Single-Family Parcels created by Subdivision are designated as Affordable Units, increase Proportionately the Maximum Annual Facilities Special Tax per Unit for each Affordable Unit until the sum of Maximum Annual Facilities Special Taxes from all Affordable Units on the new Single-Family Parcels created by the Subdivision equal the Assigned Maximum Annual Facilities Special Tax for the Original or Successor Parcel that was Subdivided. Assign the Maximum Annual Facilities Special Tax calculated in this step to each new Single-Family Parcel created by the Subdivision.

2. If Original or Successor Parcel Is Subdivided into Single-Family Parcels and One or More Remainder Parcels. When an Original or Successor Parcel is Subdivided into Single-Family Parcels and one or more Large Lot Parcels (or Remainder Parcels), the Assigned Maximum Annual Facilities Special Tax is apportioned to the Single-Family Parcels and Large Lot Parcels created by the Subdivision in the following manner:
- A. Apportion the Assigned Maximum Annual Facilities Special Tax to the area(s) that is/are being Subdivided into Single-Family Parcels and to the area(s) that will be Remainder Parcel(s) on a pro rata basis, based on the percentage share of Taxable Acreage represented by each such area as compared to the total area of the Original or Successor Parcel.
 - B. For each area Subdivided into Single-Family Parcels, multiply the Maximum Annual Facilities Special Tax per Unit by Tax Category from **Attachment 2** by the number of Units for each Single-Family Parcel created by the Subdivision. Sum the Maximum Annual Facilities Special Taxes for all Single-Family Parcels created by the Subdivision.
 - C. For each area Subdivided into Single-Family Parcels, if the sum of Maximum Annual Facilities Special Taxes calculated in Step 4.d.2.B above is equal to or greater than the Assigned Maximum Annual Facilities Special Tax apportioned to that area of the Original or Successor Parcel that was Subdivided into Single-Family Parcels, assign the Maximum Annual Facilities Special Tax per Unit by Tax Category as calculated in Step 4.d.2.B above to each Single-Family Parcel created by the Subdivision.
 - D. For each area Subdivided into Single-Family Parcels, if the sum of Maximum Annual Facilities Special Taxes calculated in Step 4.d.2.B above is less than the Assigned Maximum Annual Facilities Special Tax apportioned to that area of the Original or Successor Parcel that was Subdivided into Single-Family Parcels, unless 100 percent of the Units are designated Affordable Units, (i) assign the Maximum Annual Facilities Special Tax for Affordable Units shown in **Attachment 2** to each Affordable Unit (if any) and, (ii) Proportionately increase the Maximum Annual Facilities Special Tax per Unit for all Units that are not Affordable Units until the sum of resulting Maximum Annual Facilities Special Taxes from all Units (including Affordable Units) equals the Assigned Maximum Annual Facilities Special Tax apportioned to that area of the Original or Successor Parcel that was Subdivided into Single-Family Parcels. Assign the Maximum Annual Facilities Special Tax calculated in this step to each new Single-Family Parcel created by the Subdivision.
 - E. For each area Subdivided into Single-Family Parcels, if the sum of Maximum Annual Facilities Special Taxes calculated in Step 4.d.2.B above is less than the Assigned Maximum Annual Facilities Special Tax apportioned to that area of the Original or Successor Parcel that was Subdivided into Single-Family Parcels **and** if 100 percent of the Single-Family Parcels created by Subdivision are designated as Affordable Units, increase Proportionately the Maximum

Annual Facilities Special Tax per Unit for each Affordable Unit until the sum of Maximum Annual Facilities Special Taxes from all Affordable Units on the new Single-Family Parcels created by the Subdivision equal the Assigned Maximum Annual Facilities Special Tax apportioned to that area of the Original or Successor Parcel that was Subdivided into Single-Family Parcels. Assign the Maximum Annual Facilities Special Tax calculated in this step to each new Single-Family Parcel created by the Subdivision.

- F. For the Remainder Parcel or Parcels, identify the Maximum Annual Facilities Special Tax for the entire Original or Successor Parcel that has been Subdivided. Sum the Maximum Annual Facilities Special Tax for all Single-Family Parcels created by the Subdivision, including Single-Family Parcels with Affordable Units. Subtract the sum of the Maximum Annual Facilities Special Tax for all Single-Family Parcels from the Assigned Maximum Annual Facilities Special Tax for the Original or Successor Parcel being subdivided and compare it to the Maximum Annual Facilities Special Tax assigned to the Remainder Parcel or Parcels in Step 4.d.2.A. Assign to each Remainder Parcel, the lesser of the calculations in this step or in Step 4.d.2.A, but in no event less than the difference between the previously Assigned Maximum Annual Facilities Special Tax for the Original Parcel or Successor Parcel being Subdivided and the total of the Maximum Annual Facilities Special Tax for all Single-Family Parcels created by such Subdivision.

Once designated as a Remainder Parcel, such Parcel will be considered a Large Lot Parcel for the purposes of future Subdivisions and for the provisions of **Sections 4** through **6**.

3. If an Original or Successor Parcel is Subdivided creating multiple land uses and Tax Categories or for any rezones of land uses on Original or Successor Parcels:
 - A. Identify the Assigned Maximum Annual Facilities Special Tax for the Original Parcel or Successor Parcel that is being Subdivided or rezoned.
 - B. For each Taxable Parcel subject to rezone or created by Subdivision multiply the Maximum Annual Facilities Special Tax per Unit or per Acre by the number of Units or by the number of Acres by the appropriate Tax Category. For each Taxable Parcel created by Subdivision that includes Affordable Units, multiply the number of Affordable Units by the Tax per Unit for such Affordable Units.
 - C. Sum the Maximum Annual Facilities Special Tax for each Taxable Parcel and compare it to the Assigned Maximum Annual Facilities Special Tax of the Original or Successor Parcel that is subject to rezone or is being Subdivided. If the sum of Maximum Annual Facilities Special Tax for each Taxable Parcel is greater than the Assigned Maximum Annual Facilities Special Tax for the Original Parcel, the Administrator shall apply the Maximum Annual Facilities Special Tax calculated above for each Taxable Parcel.
 - D. If the Assigned Maximum Annual Facilities Special Tax for the Original Parcel or Successor Parcel subject to rezone or that is being subdivided is greater

than the sum of Maximum Annual Facilities Special Tax for each Successor Parcel being created, increase Proportionately the Maximum Annual Facilities Special Tax per Unit or per Acre for all Tax Categories on each Taxable Parcel such that the sum of Maximum Annual Facilities Special Tax for all Taxable Parcels equals the Assigned Maximum Annual Facilities Special Tax for the Original Parcel.

4. If Multifamily Residential Units are Constructed on an Original or Successor Parcel: If a Building Permit for Multifamily Residential—For Rent uses is issued for an Original or Successor Parcel, identify the Maximum Annual Facilities Special Tax for the Taxable Parcel in **Attachment 3**. Assign this amount as the Maximum Annual Facilities Special Tax for the Parcel.

If a Building Permit for Multifamily Residential—For Sale uses is issued for an Original or Successor Parcel, use the following procedure to assign the Maximum Annual Facilities Special Tax to Successor Parcels.

- A. Multiply the Maximum Annual Facilities Special Tax per Unit for High Density Residential Units from **Attachment 2** by the number of High Density Residential Units (excluding Affordable Units) created by the Building Permit. Sum the Maximum Annual Facilities Special Taxes for all High Density Residential Units created by the Building Permit.
 - B. Multiply the Maximum Annual Facilities Special Tax per Unit High Density Residential Affordable Units from **Attachment 2** by the number of High Density Residential Affordable Units created by the Building Permit. Sum the Maximum Annual Facilities Special Taxes for all High Density Residential Affordable Units created by the Building Permit.
 - C. Sum the results from **Section 4.d.4.A** and **Section 4.d.4.B.** and compare it to the Assigned Maximum Annual Facilities Special Tax of the Original or Successor Parcel with the issued Building Permit. If the sum of Maximum Annual Facilities Special Tax for each Taxable Parcel is greater than the Assigned Maximum Annual Facilities Special Tax for the Original Parcel, the Administrator shall apply the Maximum Annual Facilities Special Tax calculated above for each Taxable Parcel.
 - D. If the Assigned Maximum Annual Facilities Special Tax for the Original Parcel or Successor Parcel subject to the Building Permit is greater than the sum of Maximum Annual Facilities Special Tax for each Successor Parcel being created, increase Proportionately the Maximum Annual Facilities Special Tax per Unit for all Tax Categories on each Taxable Parcel such that the sum of Maximum Annual Facilities Special Tax for all Taxable Parcels equals the Assigned Maximum Annual Facilities Special Tax for the Original Parcel.
- e. Affordable Units that Become Market-Rate Units. If, in any Fiscal Year, the City Manager, or his or her designee, determines that a Unit that previously had been designated as an Affordable Unit no longer qualifies as such, the Affordable Housing Director shall update the Affordable Unit listing by denoting the change in status of

the Unit, together with the effective date thereof. For all Affordable Units that are converted to Market-Rate Units, such Units shall be assigned the Maximum Annual Facilities Special Tax per Unit based on their Tax Category as shown in **Attachment 2**, as adjusted by the Tax Escalation Factor so long as the Special Tax does not decrease on such a Unit.

- f. Transfer of the Assigned Maximum Annual Facilities Special Tax from One Large Lot Parcel to Another. The Maximum Annual Facilities Special Taxes shown in **Attachment 3** were determined based on the Expected Land Uses for each Large Lot Parcel shown in **Attachment 1**. If the number of planned residential Units or Nonresidential Acreage is transferred from one Large Lot Parcel to another before recording a Final Small Lot Subdivision Map in any portion of the Large Lot Parcel, the City may, in its sole discretion, allow for a transfer of the Maximum Annual Facilities Special Tax from one Large Lot Parcel to another. Such a transfer shall be allowed only if (1) all adjustments are agreed to in writing by the affected property owners and the CFO, and (2) there is no reduction in the Maximum Annual CFD Special Tax Revenues as a result of the transfer. Should a transfer result in an amendment to **Attachments 2, 3, or 4** of the Notice of Special Tax Lien, the requesting property owner shall bear the costs to effect the transfer in the CFD records and prepare the required amendments to the Notice of Special Tax Lien and **Attachments 2, 3, or 4**. Before the transfer, the City may require a deposit from the requesting property owner for such costs.
- g. Reduction of the Maximum Annual Facilities Special Tax Prior to First Bond Sale. At the request of the Master Builder, the Maximum Annual Special Taxes set forth in **Attachments 2, 3 and 4** may be reduced for a given Tax Category, once, prior to the First Bond Sale. The reduction in this paragraph (g) may occur in a single Tax Category or multiple Tax Categories, and there shall be no requirement that the reduction in one Tax Category be proportionate to the reduction in another Tax Category. Such reduction shall be made without a vote of the qualified electors within the CFD following discussion with the Master Builder and the City. Any such reduction shall occur at least 30 days prior to the First Bond Sale. The Special Tax reductions permitted pursuant to this paragraph shall be reflected in an Amended Notice of Special Tax Lien, which the Administrator shall cause to be recorded.
- h. Conversion of a Tax-Exempt Parcel to a Taxable Parcel. If a Tax-Exempt Parcel is not needed for public use and is converted to a taxable use or transferred to a private owner, it shall become subject to the Facilities Special Tax. The Maximum Annual Facilities Special Tax for the newly Taxable Parcel will be determined using the provisions of **Sections 4 and 5** of the RMA.
- i. Taxable Parcels Acquired by a Public Agency. A Taxable Parcel that is acquired by a public agency after the CFD is formed will remain subject to the applicable Special Tax unless the Special Tax obligation is satisfied pursuant to Section 53317.5 of the Government Code. An exception to this may be made if a Public Parcel, such as a park site, is relocated to a Taxable Parcel, in which case the previously Tax-Exempt Parcel of comparable acreage becomes a Taxable Parcel and the Maximum Annual Facilities Special Tax from the previously Taxable Parcel is transferred to the new

Taxable Parcel. This trading of a Parcel from a Taxable Parcel to a Public Parcel will be permitted to the extent there is no net loss in Maximum Annual CFD Special Tax Revenue and the transfer is agreed to by the owners of the Parcels involved in the transfer and the CFO.

5. Administrative Tasks for the Maintenance Special Tax

This section discusses the administrative tasks for the Maintenance Special Tax, which shall be applicable after the Transition Event.

The provisions of **Section 5** shall apply to Improvement Area No. 1. as set forth below:

- a. Assignment of the Maximum Annual Maintenance Special Tax to Developed Parcels.
In the Fiscal Year following the Transition Event, the Administrator shall assign the Maximum Annual Maintenance Special Tax to all Developed Parcels using the Maximum Annual Special Tax Rates for the Maintenance Special Tax by Tax Category shown in **Attachment 4**, as adjusted by the Tax Escalation Factor.
- b. Assignment of the Maximum Annual Maintenance Special Tax to Successor Parcels.
After the Transition Event, if Original Parcels and Successor Parcels are Subdivided through creation of Final Small Lot Subdivision Maps, lot line adjustments or other Parcel amendments through the Subdivision Map Act process, the Administrator shall use the steps in **Section 4.d** to assign the Maximum Annual Maintenance Special Tax to new Successor Parcels. ***When applying Section 4.d after the Transition Event, the Administrator shall substitute Maintenance Special Tax for Facilities Special Tax and shall substitute Maximum Annual Maintenance Special Tax for Maximum Annual Facilities Special Tax.***
- c. Assignment of the Maximum Annual Maintenance Special Tax to Annexation Parcels.
If Parcels are annexed to Improvement Area No. 1 after formation, the Maximum Annual Maintenance Special Tax shall be assigned to these Annexation Parcels using the definitions in **Section 2** and the Maximum Annual Maintenance Special Tax per Unit or Acre shown in **Attachment 4** as adjusted by the Tax Escalation Factor applied by the Administrator, unless the Annexation Parcels are annexed with a new set of Maximum Annual Maintenance Special Taxes. **Attachment 1** may be amended, or a new attachment created, to include the Annexation Parcels and, if necessary, the applicable tax rates. If new Maximum Annual Maintenance Special Taxes are created, **Attachment 4** should be amended to reflect the Maximum Annual Maintenance Special Taxes for the Annexation Parcels. Once annexed, these annexed Parcels shall be considered Original and Successor Parcels and will be subject to the same procedures for assignment of the Maximum Annual Maintenance Special Tax to Successor Parcels described in this section. The owner of the Annexation Parcels shall be responsible for paying all costs associated with annexing the Annexation Parcels to Improvement Area No. 1, but otherwise shall not be required to pay any other charge, fee or catch-up special tax in connection with or as a condition of such annexation unless otherwise agreed to by the owner of the Annexation Parcel in connection with the annexation.

- d. Affordable Units that Become Market-Rate Units. If, in any Fiscal Year, the City Manager, or his or her designee, determines that a Unit that previously had been designated as an Affordable Unit no longer qualifies as such, the Affordable Housing Director shall update the Affordable Unit listing by denoting the change in status of the Unit, together with the effective date thereof. For all Affordable Units that are converted to Market-Rate Units, such Units shall be assigned the Maximum Annual Maintenance Special Tax per Unit based on their Tax Category as shown in **Attachment 4**, as adjusted by the Tax Escalation Factor.
- e. Conversion of a Tax-Exempt Parcel to a Taxable Parcel. If a Tax-Exempt Parcel is not needed for public use and is converted to a taxable use or transferred to a private owner, it shall become subject to the Maintenance Special Tax. The Maximum Annual Maintenance Special Tax for the newly Taxable Parcel will be determined using the provisions of **Sections 5** and **6** of the RMA.
- f. Taxable Parcels Acquired by a Public Agency. A Taxable Parcel that is acquired by a public agency after the CFD is formed will remain subject to the applicable Special Tax unless the Special Tax obligation is satisfied pursuant to Section 53317.5 of the Government Code. An exception to this may be made if a Public Parcel, such as a park site, is relocated to a Taxable Parcel, in which case the previously Tax-Exempt Parcel of comparable acreage becomes a Taxable Parcel and the Maximum Annual Maintenance Special Tax from the previously Taxable Parcel is transferred to the new Taxable Parcel. This trading of a Parcel from a Taxable Parcel to a Public Parcel will be permitted to the extent there is no net loss in Maximum Annual CFD Special Tax Revenue and the transfer is agreed to by the owners of the Parcels involved in the transfer and the CFO.

6. Assignment of the Maximum Annual Special Tax

The Administrator shall assign the Maximum Annual Special Tax using the procedures identified below:

- a. Classification of Parcels. For purposes of the next Fiscal Year tax levy, by June 30 of each Fiscal Year, using the Definitions in **Section 2**, the Parcel records of the Assessor's secured tax roll as of January 1, and other City development approval records, the Administrator shall cause:
 - 1. Each Parcel to be classified as a Taxable Parcel or Tax-Exempt Parcel.
 - 2. Each Parcel to be classified as a Developed Parcel, a Small Lot Tentative Map Parcel, a Large Lot Parcel (including Remainder Parcels), or an Undeveloped Parcel.
- b. Assignment of the Maximum Annual Facilities Special Tax to Taxable Parcels. The Maximum Annual Facilities Special Tax will be assigned to each Taxable Parcel each Fiscal Year using the procedures (not all steps may be applicable for each such Parcel) in **Section 4**.

- c. Assignment of the Maximum Annual Maintenance Special Tax to Taxable Parcels. In the Fiscal Year following the Transition Event, the Maximum Annual Maintenance Special Tax will be assigned to each Taxable Parcel each Fiscal Year using the procedures (not all steps may be applicable for each such Parcel) in **Sections 4 and 5.**

7. Calculating Annual Special Taxes

This section discusses the levy of the Facilities Special Tax and the Maintenance Special Tax. Collectively, these Special Taxes are included in the discussion of the assignment of the Maximum Annual Special Taxes. For the period following CFD formation until the Fiscal Year in which the Transition Event occurs, the Maximum Annual Special Tax shall refer to the Facilities Special Tax. Beginning with the Transition Year, the Maximum Annual Special Tax shall refer to the Maintenance Special Tax.

The Administrator will compute the Annual Facilities Costs or Annual Maintenance Costs and determine the annual Special Tax levy for each Taxable Parcel based on the assignment of the Special Tax in **Sections 4, 5, and 6.** The Administrator then will determine the tax levy for each Taxable Parcel using the following process.

Facilities Special Tax Levy

- a. Compute the Annual Facilities Costs using the definition of Annual Facilities Costs in **Section 2.**
- b. For all Taxable Parcels, calculate the Facilities Special Tax levy for each using the following steps:
 - Step 7.b.1. The Facilities Special Tax shall be levied proportionately on all Developed Parcels up to the amount of Annual Facilities Cost or up to 100 percent of the Maximum Annual Facilities Special Tax Revenue for all Developed Parcels, whichever is less.
 - Step 7.b.2. If additional revenue is needed after *Step 7.b.1.*, the Facilities Special Tax shall be levied proportionately on each Small Lot Tentative Map Parcel until the revenue from the Facilities Special Tax levy in this step, when added to the levy amount computed in *Step 7.b.1.*, equals the Annual Facilities Costs, or up to 100 percent of the Maximum Annual Facilities Special Tax Revenue for all Small Lot Tentative Map Parcels. As necessary, the Facilities Special Tax shall be levied on Small Lot Tentative Map Parcels for the entire portion of Annual Facilities Costs, excluding Pay-As-You-Go Costs.
 - Step 7.b.3. If additional revenue is needed after *Step 7.b.2.*, the Facilities Special Tax shall be levied proportionately on each Large Lot Parcel until the revenue from the Facilities Special Tax levy in this step, when added to the levy amount computed through *Step 7.b.2.*, equals the Annual Facilities Costs, or up to 100 percent of the Maximum Annual Facilities Special Tax Revenue for all Large Lot Parcels. As necessary, the

Facilities Special Tax shall be levied on Large Lot Parcels for the entire portion of Annual Facilities Costs, excluding Pay-As-You-Go Costs.

- Step 7.b.4. If additional revenue is needed after *Step 7.b.3.*, the Facilities Special Tax shall be levied on each Undeveloped Parcel until the revenue from the Facilities Special Tax levy in this step, when added to the levy amounts computed through *Step 7.b.3.*, equals the Annual Facilities Costs, or up to 100 percent of the Maximum Annual Facilities Special Tax Revenue for all Undeveloped Parcels. As necessary, the Facilities Special Tax shall be levied on Undeveloped Parcels for the entire portion of Annual Facilities Costs, excluding Pay-As-You-Go Costs.

Maintenance Special Tax Levy

- c. Beginning in the Transition Year, compute the Annual Maintenance Cost using the definition of Annual Maintenance Costs in **Section 2**.
- d. For all Taxable Parcels, calculate the Maintenance Special Tax levy for each using the following steps:

Step 7.d.1. The Maintenance Special Tax shall be levied proportionately on all Developed Parcels up to the amount of Annual Maintenance Cost or up to 100 percent of the Maximum Annual Maintenance Special Tax Revenue for all Developed Parcels, whichever is less.

Step 7.d.2. If additional revenue is needed after *Step 7.d.1.*, the Maintenance Special Tax shall be levied proportionately on each Small Lot Tentative Map Parcel until the revenue from the Maintenance Special Tax levy in this step, when added to the levy amount computed in *Step 7.d.1.*, equals the Annual Maintenance Costs, or up to 100 percent of the Maximum Annual Maintenance Special Tax Revenue for all Small Lot Tentative Map Parcels.

Step 7.d.3. If additional revenue is needed after *Step 7.d.2.*, the Maintenance Special Tax shall be levied proportionately on each Large Lot Parcel until the revenue from the Maintenance Special Tax levy in this step, when added to the levy amount computed through *Step 7.d.2.*, equals the Annual Maintenance Costs, or up to 100 percent of the Maximum Annual Maintenance Special Tax Revenue for all Large Lot Parcels.

Step 7.d.4. If additional revenue is needed after *Step 7.d.3.*, the Maintenance Special Tax shall be levied on each Undeveloped Parcel until the revenue from the Maintenance Special Tax levy in this step, when added to the levy amounts computed through *Step 7.d.3.*, equals the Annual Maintenance Costs, or up to 100 percent of the Maximum Annual Maintenance Special Tax Revenue for all Undeveloped Parcels.

- e. Levy on each Taxable Parcel the amount calculated above.
- f. Prepare the Tax Collection Schedule and, unless an alternative method of collection has been selected pursuant to **Section 10**, send it to the County Auditor requesting

that it be placed on the general, secured property tax roll for the Fiscal Year. The Tax Collection Schedule will be sent no later than the date required by the County Auditor for such inclusion.

The Administrator will make every effort to calculate the Special Tax correctly for each Parcel. It will be the burden of the taxpayer to identify any errors in determining which Parcels are subject to the tax and their Special Tax assignments.

8. Prepayment of the Facilities Special Tax Obligation

Calculations of a Prepayment shall reflect the Improvement Area within which the Parcel seeking to prepay resides. A property owner may at any time prepay either 25 percent or 50 percent of the Full Prepayment, except that the City may allow a partial prepayment of any percentage up to 50 percent of the Full Prepayment to be made as a “buy down” of the rate for purposes of marketing the property by a builder or developer of land to be sold for Residential Use. In the event such a builder or developer has prepaid a portion of the Facilities Special Tax, the allowable 25 percent or 50 percent partial prepayment of the Facilities Special Tax that can be made by a subsequent owner shall be reduced by the amount so prepaid by the builder or developer. Full Prepayment is permitted only for Nonresidential Use Parcels; Full Prepayment is not allowable for Residential Use Parcels.

Prepayments must be made in sufficient time to, in the City’s opinion, have the Prepayment reflected in the following Fiscal Year’s Special Tax levy.

Prepayment is permitted only under the following additional conditions:

- The landowner prepaying the Facilities Special Tax on a Parcel has paid any delinquent Facilities Special Tax and penalties on that Parcel at or before or at the time of Prepayment.
- Following Prepayment, amounts in any debt service reserve fund are equal to or greater than the reserve fund requirement.
- The City determines that the Prepayment will not jeopardize its ability to make timely payments of Debt Service and maintain a 110 percent annual Debt Service coverage based on Maximum Annual Special Tax Revenues in all years in which issued Bonds will be outstanding.
- The portion of the Prepayment for the Development Impact Fee Deferral shall only be used to pay for the Development Impact Fee Deferral whether it was or is to be funded through annual special tax payments or through bonded indebtedness.

When permitted, the Administrator shall calculate Prepayments using the following steps:

- a. The Full Prepayment amount shall be established by following the steps below:

Step 8.a.1: Determine the percentage of the Maximum Facilities Special Tax for the Taxable Parcel for which the Facilities Special Tax is to be prepaid using

the provisions of **Sections 4, 5, and 6**. If the Parcel is not designated as a Developed Parcel, determine the applicable Facilities Special Tax for the Parcel assuming it is a Developed Parcel.

Step 8.a.2: Increase the Maximum Facilities Special Tax by 2 percent per annum for the longer of (i) 30 years from the year in which the Parcel was first subject to the Facilities Special Tax as a Developed Parcel, or (ii) the end of the then-remaining Initial Bonding Period.

Step 8.a.3: Using a discounted rate equal to the most current yield for the 30-Year Treasury Constant Maturity, calculate the net present value of the revenue stream determined *Step 8.a.2*. If this yield is no longer available, the Administrator will select a yield rate from the most comparable type of security.

Step 8.a.4: Calculate this Parcel's Maximum Annual Facilities Special Tax as a percentage of the Maximum Annual Facilities Special Tax Revenue, assuming all Taxable Parcels are Developed Parcels to determine the Benefit Share for the prepaying Parcel. Multiply the Benefit Share by the Outstanding Bonds to determine the Bond Share for the prepaying Parcel. Multiply the Benefit Share by the Remaining Facilities Costs, as increased by ENR-CCI from the Base Year, to determine the Remaining Facilities Cost Share for the prepaying Parcel. Add the Bond Share to Remaining Facilities Cost Share for the prepaying Parcel.

Step 8.a.5: Use the greater of the amounts determined in Step 8.a.3 or Step 8.a.4 for the following calculations.

Step 8.a.6: Add to the amount from in *Step 8.a.5* interest on the Bonds being redeemed to the next redemption date.

Step 8.a.7: Add to the amount calculated in *Step 8.a.6* a redemption premium on the Bonds being redeemed (if any) as identified in the Bond Indenture(s).

Step 8.a.8: Add to the amount calculated in *Step 8.a.7* the Development Impact Fee Deferral amount applicable to the Parcel, as adjusted for inflation. If Bonds have been issued to finance the Development Impact Fee Deferral, follow *Steps 8.a.2 and 8.a.3*, using for *Step 8.a.2* the longer of (i) 30 years from the year in which the Parcel was first subject to the Facilities Special Tax during the Deferral Bonding Period, or (ii) the end of the then-remaining Deferral Bonding Period.

Step 8.a.9: Add the administrative cost of processing the Prepayment to the amount calculated in *Step 8.a.8*.

Step 8.a.10: The amount in *Step 8.a.9* is the amount of the Full Prepayment of the Maximum Annual Special Tax for the Taxable Parcel.

b. Partial Prepayments will be calculated as described below:

The amount of any Partial Prepayment is limited to a maximum of 50 percent of the Full Prepayment amount determined in Step 8. a.10. When a Partial Prepayment is made, the full amount of Administrative fees and expenses determined in *Step 8.a.7* shall be included in the Partial Prepayment calculation. The Facilities Special Tax that can be levied on a Parcel after a Partial Prepayment is made is equal to the Maximum Facilities Special Tax multiplied by one minus the percentage that has been prepaid.

9. Interpretation, Application, and Appeal of Special Tax Formula and Procedures

Any taxpayer who feels the amount of the Special Tax assigned to a Parcel is in error may file a notice with the CFO appealing the levy of the Special Tax. The CFO then will promptly review the appeal and, if necessary, will meet with the applicant. If the CFO verifies that the tax should be modified or changed, the Special Tax levy will be corrected and, if applicable in any case, a credit or refund will be granted.

Interpretations may be made by the City, without Resolution or Ordinance of the Council, for purposes of clarifying any vagueness or ambiguity as it relates to the Special Tax rate, the method of apportionment, the classification of properties, or any definition applicable to the CFD.

Without Council approval, the CFO may make minor, non-substantive administrative and technical changes to the provisions of this RMA that do not materially affect the rate, method of apportionment, or manner of collection of the Special Tax for purposes of administrative efficiency or convenience or to comply with new applicable federal, state, or local law.

The City, upon request of an owner of land in Improvement Area No. 1 that is not a Developed Parcel, also may amend this RMA in any manner acceptable to the City, without Resolution or Ordinance of the Council, upon the affirmative vote of such owner and without the vote of owners of any other land in Improvement Area No. 1, provided such amendment is only applicable to such owner's land and does not reduce the total Maximum Annual CFD Special Tax Revenue.

10. Manner of Collection

The Special Tax will be collected in the same manner and at the same time as ad valorem property taxes, provided, however, the Administrator or its designee may directly bill the Special Tax and may collect the Special Tax at a different time, such as on a monthly or other periodic basis, or in a different manner, if necessary, to meet the City's financial obligations.

Facilities and Services**

EXHIBIT B

City of Roseville
Amoruso Ranch Specific Plan
Community Facilities District No. 1
(Public Facilities)
Placer County, California

LIST OF AUTHORIZED FACILITIES AND SERVICES

Authorized Facilities

Transportation Improvements

Public roadway improvements designed to meet the needs of the project, including those improvements identified in the project Development Agreement (DA), including but not limited to;

- Westbrook Boulevard
- West Sunset Boulevard

Eligible roadway improvements include the following items: acquisition of land and easements; roadway design; project management; geotechnical engineering, testing and observations; bridge crossings and culverts; clearing, grubbing, and demolition; grading, intract subdivision roadway improvements, soil import/export, paving (including slurry seal), and decorative/enhanced pavement concrete or pavers; power pole relocations; joint trenches, underground utilities, and undergrounding of existing utilities; dry utilities and appurtenances; curbs, gutters, sidewalks, bike trails (including on- and off-site), park and ride facilities, bus rapid transit improvements, including transfer stations and regional public transit improvements; retaining walls, sound walls, enhanced fencing, and access ramps; street lights, signalization, and traffic signal control systems; bus turnouts; signs and striping; erosion control; median and parkway landscaping and irrigation; entry monumentation; bus shelters; masonry walls; traffic control and agency fees; and other improvements related thereto. Eligible improvements for the roads listed above also include any and all necessary underground potable and non-potable water, sanitary sewer, dry utilities, and storm drainage system improvements.

Potable and Non-Potable Water System Improvements

Authorized facilities include any and all on- and off-site backbone water facilities designed to meet the needs of development of the project. These facilities include potable and non-potable mains, valves, services, and appurtenances; wells; and water treatment and storage facilities, and related improvements, including but not limited to: site clearing, grading, and paving; curbs and gutters; recycled water storage tanks, booster pump stations, and all appurtenances thereto; wells; water treatment; stand-by generator; site lighting, drainage, sanitary sewer, and

water service; landscaping and irrigation; access gates and fencing; striping and signage; and the following:

- Water lines in/associated with authorized facility roads
- Recycled water lines in/associated with authorized facility roads
- Well construction or financial contributions thereto
- Water Tank Site Improvements
- Recycled Water Storage Tank Facility or financial contributions thereto

Drainage System Improvements

Authorized facilities include any and all on- and off-site backbone drainage and storm drainage improvements designed to meet the needs of development of the project. These facilities include mains, pipelines and appurtenances, outfalls and water quality measures, temporary drainage facilities, detention/retention basins, and drainage pretreatment facilities; drainage ways/channels, pump stations, landscaping, and irrigation; access roads, gates, and fencing; striping and signage; and the following:

- All storm drain lines and facilities in/associated with authorized facility roadways
- Retention, detention, hydro-modification, and other drainage facilities

Wastewater System Improvements

Authorized facilities include any and all on- and off-site backbone wastewater facilities designed to meet the needs of development of the project. These facilities include pipelines and all appurtenances thereto; manholes; tie-in to existing main line; force mains; lift stations; storage tanks; odor-control facilities; sewer treatment plant improvements and permitting related thereto; and related sewer system improvements, including but not limited to:

- All wastewater facilities in/associated with authorized facility roadways
- Sewer pump station/lift station

Solid Waste Improvements

Authorized facilities include any and all backbone solid waste improvements designed to meet the needs of development of the project. Eligible improvements also include the project's pro-rata contribution to shared facilities.

Park, Landscape Corridor and Paseo Improvements

Authorized facilities include any and all improvements to parks, landscape corridors and paseos located in the project, including but not limited to:

- Construction of Park Sites
- Construction of Paseos
- Construction of Trails

Open Space Improvements

Authorized facilities include any and all open space improvements designed to meet the needs of development of the project, including bike trails, bike/pedestrian bridges, storm drain crossings, storm drain detention/retention, wetland mitigation, tree mitigation, on-and off-site hawk/raptor mitigation, agricultural mitigation or other environmental mitigation, property acquisition, endowment payments/PCA fees for open space management monitoring, landscaping and irrigation, access gates and fencing, and related open space improvements, including but not limited to:

- Improvements related to all Preserved and General Open Space Parcels
- Wetland creation mitigation monitoring, fencing, etc.

Utilities

Authorized facilities include any and all on- and off-site utility improvements designed to meet the needs of development of the project. All utility improvements, easement payments, and land acquisition not located under or alongside transportation improvements are considered authorized facilities. Authorized facilities also shall include costs related to the off-site electric substation site; site clearing; grading; street frontage improvements, including curbs, gutters, and paving; and construction of an all-weather access road to the site from the nearest public street or extension of temporary overhead lines as described in the project DA, including but not limited to:

- Electric Substation improvements

Other Public Facilities

Authorized facilities include any and all public facilities or infrastructure, including the project's improvements to the fire station site, site clearing, grading, and street frontage improvements including curbs, gutters, and paving.

Development Impact Fees

Authorized facilities include development impact fees paid and not otherwise reimbursed, whether standard City or County fees levied at the time of the issuance of a building permit or required as part of the DA for the property. Fees include, but are not limited to, City Traffic Fees, Placer Conservation Authority (PCA) Fee, the South Placer Regional Transportation Authority Tier II Traffic Fee, City of Roseville City Wide Park Fee, City of Roseville Public Facilities Fee, Pre-paid DA Fees, and Public Benefit Fee.

Formation, Administrative, and Incidental Expenses

In addition to the above facilities, other expenses incidental to the above and authorized by the Mello-Roos Community Facilities Act of 1982, including but not limited to: the cost of planning, permitting, and designing the facilities (including the cost of environmental evaluation, orthophotography, environmental remediation/mitigation monitoring, and preparation of an overarching Operation and Maintenance Plan for the City of Roseville Open Space Preserves); land acquisition and easement payments for the facilities; project management; construction

staking; engineering studies and reports; utility relocation and demolition costs incidental to construction of the facilities, wetland/Species mitigation purchase; reimbursements to other areas for infrastructure facilities or planning serving development in the CFD; Amoruso Ranch Specific Plan planning, legal, engineering, technical studies costs related to the facilities and any other expenses incidental to the construction, completion, and inspection of the facilities.

In addition, costs eligible to be financed by the CFD shall include all costs associated with the formation and ongoing administration of the CFD and issuance of bonds; determination of the amount of taxes and collection of taxes; inspection, plan check and other costs related to acceptance of the facilities by the City, payment of taxes; and any other costs incurred to carry out the authorized purposes of the CFD.

Authorized Services

The authorized services to be funded from the levy and collection of annual maintenance special taxes are the provision of public services, maintenance and operation related to any facilities authorized to be funded by the CFD with a useful life of five or more years, including but not limited to performance by employees of functions and repair activities. Maintenance as used herein includes replacement and the creation and funding of a reserve fund to pay for a replacement of such facilities. The maintenance special taxes shall only fund authorized services to the extent that they are in addition to those provided to land within the CFD prior to the creation of the CFD.

CITY COUNCIL OF THE CITY OF ROSEVILLE

RESOLUTION NO. 23-292

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF ROSEVILLE TO FORM A COMMUNITY FACILITIES DISTRICT, DESIGNATE AN IMPROVEMENT AREA THEREIN, ESTABLISH A FUTURE ANNEXATION AREA, PROVIDE FOR ADDITIONAL FUTURE IMPROVEMENT AREAS THEREIN, AND TO AUTHORIZE THE LEVY OF A SPECIAL TAX THEREIN TO FINANCE PUBLIC FACILITIES AND PUBLIC SERVICES IN AND FOR SUCH COMMUNITY FACILITIES DISTRICT

WHEREAS, on April 5, 2023, the City Council (the "City Council") of the City of Roseville (the "City") adopted a resolution entitled "A RESOLUTION OF INTENTION OF THE CITY COUNCIL OF THE CITY OF ROSEVILLE TO FORM A COMMUNITY FACILITIES DISTRICT, DESIGNATE AN IMPROVEMENT AREA THEREIN, ESTABLISH A FUTURE ANNEXATION AREA, PROVIDE FOR ADDITIONAL FUTURE IMPROVEMENT AREAS THEREIN, AND TO AUTHORIZE THE LEVY OF A SPECIAL TAX THEREIN TO FINANCE PUBLIC FACILITIES AND PUBLIC SERVICES IN AND FOR SUCH COMMUNITY FACILITIES DISTRICT" (the "Resolution of Intention"), stating its intention to form "City of Roseville Amoruso Ranch Community Facilities District No. 1 (Public Facilities)" (the "CFD"), and "City of Roseville Amoruso Ranch Community Facilities District No. 1 (Public Facilities) (Future Annexation Area)" (the "Future Annexation Area"), pursuant to the Mello-Roos Community Facilities Act of 1982, as amended, Chapter 2.5 of Part 1 of Division 2 of Title 5, commencing with Section 53311, of the California Government Code (the "Act"); and

WHEREAS, the Resolution of Intention, describing a map of the proposed boundaries of the CFD and the Future Annexation Area, including territory within the CFD to be designated, pursuant to Section 53350 of the Act, as "Improvement Area No. 1 of the City of Roseville Amoruso Ranch Community Facilities District No. 1 (Public Facilities)" ("Improvement Area No. 1"), and stating the facilities and services to be provided by the CFD, the rate and method of apportionment of the special tax to be levied within the CFD, and the expectation to use bonds to finance authorized facilities, is on file with the City Clerk and the provisions thereof are incorporated herein by this reference as if fully set forth herein; and

WHEREAS, on this date, this City Council held a noticed public hearing as required by the Act and the Resolution of Intention relative to the proposed formation of the CFD, the designation of Improvement Area No. 1, and the designation of the Future Annexation Area; and

WHEREAS, at the hearing all interested persons desiring to be heard on all matters pertaining to the formation of the CFD, the designation of Improvement Area No. 1, and the designation of the Future Annexation Area, the facilities and services to be provided therein and the levy of said special tax were heard and a full and fair hearing was held; and

WHEREAS, at the hearing evidence was presented to this City Council on said matters before it, including a report caused to be prepared by the Chief Financial Officer of the City (the "Report") as to the facilities and services to be provided through the CFD and the costs thereof, a copy of which is on file with the City Clerk, and this City Council at the conclusion of said hearing is fully advised in the premises; and

WHEREAS, written protests with respect to the proposed establishment of the CFD, the designation of Improvement Area No. 1, the furnishing of specified types of facilities and services

and the rate and method of apportionment of the special taxes have not been filed with the City Clerk by 50% or more of the registered voters residing within the territory of the CFD or property owners of one-half or more of the area of land within the CFD and not exempt from the proposed special tax or 50% or more of the registered voters residing within the territory of the CFD or property owners of one-half or more of the area of land within the CFD and not exempt from the proposed special tax; and

WHEREAS, written protests against the proposed establishment of the Future Annexation Area and future annexation of parcels therein to the CFD have not been filed with the City Clerk by (i) 50% or more of the registered voters, or six registered voters, whichever is more, residing in the proposed boundaries of the CFD, or (ii) 50% or more of the registered voters, or six registered voters, whichever is more, residing in the Future Annexation Area, (iii) owners of one-half or more of the area of land in the proposed CFD or (iv) owners of one-half or more of the area of land in the Future Annexation Area; and

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF ROSEVILLE RESOLVES AS FOLLOWS:

1. **Recitals Correct.** The foregoing recitals are true and correct.
2. **No Majority Protest.** The establishment of the CFD, the designation of Improvement Area No. 1, the furnishing of specified types of facilities and services and the rate and method of apportionment of the special taxes within Improvement Area No. 1 of the CFD have not been precluded by majority protest pursuant to Section 53324 of the Act; and the establishment of the Future Annexation Area and the furnishing of specified types of facilities and services therein and the establishment of the Future Annexation Area have not been precluded by majority protest pursuant to Section 53339.6 of the Act.
3. **Prior Proceedings Valid.** All prior proceedings taken by this City Council in connection with the establishment of the CFD, the designation of Improvement Area No. 1, the designation of the Future Annexation Area, and the levy of the special tax have been duly considered and are hereby found and determined to be valid and in conformity with the Act.
4. **Name of CFD and Future Annexation Area; Designation of Improvement Area No. 1.** "City of Roseville Amoruso Ranch Community Facilities District No. 1 (Public Facilities)" is hereby established pursuant to the Act and "City of Roseville Amoruso Ranch Community Facilities District No. 1 (Public Facilities) (Future Annexation Area)" is hereby established as a Future Annexation Area to the CFD pursuant to the Act.

Within the CFD an area to be known as "Improvement Area No. 1 of the City of Roseville Amoruso Ranch Community Facilities District No. 1 (Public Facilities)" is hereby designated in accordance with Section 53350 of the Act.

5. **Future Annexations.** Territory annexed to the CFD from the Future Annexation Area may be annexed into Improvement Area No. 1, may be annexed into an improvement area (herein, an "Improvement Area") subsequently designated, or may be annexed into a newly-designated Improvement Area (each, a "Future Improvement Area").

Parcels within the Future Annexation Area shall be annexed only with the unanimous approval (each, a "Unanimous Approval") of the owner or owners of each parcel or parcels at the

time that parcel or those parcels are annexed to the CFD, without any requirement for further public hearings or additional proceedings.

The designation of a parcel or parcels as a Future Improvement Area shall be specified and approved by the Unanimous Approval at the time that the parcel or parcels are annexed to the CFD. After the designation of a parcel or parcels as a Future Improvement Area, the establishment of an appropriations limit, the rate and method of apportionment and manner of collection of special taxes, and the authorization to incur bonded indebtedness may differ from other areas of the CFD, all as set forth in the Unanimous Approval, and shall apply only to the parcel or parcels within such Future Improvement Area, all without any requirement for further public hearings or additional proceedings.

6. Boundaries of CFD, Improvement Area No. 1 and Future Annexation Area. The boundaries of the CFD, Improvement Area No. 1 and the Future Annexation Area, as set forth in the map of the CFD heretofore recorded in the Placer County Recorder's Office on April 11, 2023 in Book 4 at Page 83, as Document No. 2023-0018570 of Maps of Assessment and Community Facilities Districts, are hereby approved, are incorporated herein by reference and shall be the boundaries of the CFD, Improvement Area No. 1 and the Future Annexation Area, respectively.

7. Description of Facilities and Services. The type of public facilities and services proposed to be financed by the CFD and each Improvement Area thereof pursuant to the Act shall consist of those items listed as facilities and services in Exhibit B hereto and by this reference incorporated herein (the "Facilities" and "Services"). The financing of the costs of Facilities may include, without limitation, the payment of principal of and interest on bonds together with all direct, indirect periodic, and/or other related costs (including, without limitation, costs of administering the CFD, levying the Special Tax and administering the bonds, and establishing and replenishing reserve funds).

The Services authorized are those in addition to those provided in the territory of the CFD and the Future Annexation Area as of the date hereof and will not supplant services already available within the territory of the CFD as of the date hereof and, as to annexed territory, will not supplant services already available within the territory of the territory annexed from the Future Annexation Area. The City intends to provide the Services on an equal basis within the original territory of the CFD and, when it has been annexed to the CFD, the territory within the Future Annexation Area.

Upon designation of a parcel or parcels as within a new Future Improvement Area, the Facilities financed by such area may include facilities which differ from other areas of the CFD as set forth in the Unanimous Approval, and shall be financed only by the parcel or parcels within such Future Improvement Area, without any requirement for further public hearings or additional proceedings. Bonds may be issued secured by special taxes of any single Improvement Area or any combination of Improvement Areas.

8. Special Tax.

a. Except to the extent that funds are otherwise available to pay for the Facilities and/or Services, to pay the principal and interest on bonds and other debt (as defined in the Act) of the CFD issued for any Improvement Area, to the repayment of funds advanced by the City for the CFD or any Improvement Area and including the repayment under any agreement (which shall not constitute a debt or liability of the City) of advances

of funds or reimbursement for the lesser of the value or cost of work in-kind provided by any person for any Improvement Area, a special tax (the respective “Facilities Special Tax” and “Maintenance Special Tax” and together, the “Special Tax”) sufficient to pay the costs thereof, secured by the recordation of a continuing lien against all non-exempt real property is intended to be levied annually and collected in the same manner as ordinary *ad valorem* property taxes or in such other manner as may be prescribed by this Council.

b. The proposed rate and method of apportionment of the Special Tax among the parcels of real property within Improvement Area No. 1 of the CFD, in sufficient detail to allow each landowner within Improvement Area No. 1 of the CFD to estimate the maximum amount such owner will have to pay, is attached hereto as Exhibit A and is hereby incorporated herein (the “Rate and Method”).

c. The Special Tax shall be levied in the amount and for the duration set forth in the applicable Rate and Method. The Special Tax to finance the Facilities to be levied on any parcel used for private residential purposes in any Improvement Area shall not be levied beyond the period of time permitted in the Rate and Method, except that a Special Tax that was lawfully levied in or before the final tax year and that remains delinquent may be collected in subsequent years. Under no circumstances shall the Special Tax levied against any parcel used for private residential purposes be increased as a consequence of delinquency or default by the owner of any other parcel or parcels within Improvement Area No. 1 of the CFD by more than 10 percent, in contravention of the Act, including Section 53321(d) of the Act.

For Future Improvement Areas, a different rate and method may be adopted than the Rate and Method adopted for Improvement Area No. 1 if the annexed territory is designated as a separate zone or improvement area. No supplements to the Rate and Method for any of the Future Improvement Areas and no new rate and method will cause the maximum tax rate in the then-existing territory of the CFD (including Improvement Area No. 1) to increase. The designation as an improvement area of any territory annexing to the CFD, the maximum amount of bonded indebtedness and other debt for such improvement area, the facilities to be financed, the rate and method of apportionment of special tax for such improvement area and the appropriations limit for such improvement area shall be identified and approved in the Unanimous Approval executed by the applicable property owner(s) in connection with each annexation to the CFD from the Future Annexation Area. The annexation and related matters described in the Unanimous Approval shall be implemented and completed without the need for City Council approval as long as the following conditions are met:

(i) The rate and method of apportionment of special tax for the new improvement area is prepared by a special tax consultant retained by the City.

(ii) The rate and method of apportionment of special tax for the new improvement area substantially complies with the City’s local goals and policies concerning the use of the Act.

(iii) The rate and method of apportionment of special tax for the new improvement area includes a mechanism that protects against revenue loss as a result of land use changes.

(iv) The Special Tax proposed to pay for the Facilities to be supplied within the territory annexed will be equal to the Special Taxes levied to pay for the same Facilities in previously-existing areas of the CFD and Improvement Area No. 1, except that (a) a higher Special Tax may be levied on territory annexing into the CFD to pay for the same Facilities to compensate for the interest and principal previously paid from Special Taxes in the original area of the CFD and Improvement Area No. 1, less any depreciation allocable to the financed Facilities, and (b) a higher Special Tax may be levied on territory annexing into the CFD to pay for new or additional Facilities, with or without bond financing.

No supplements or amendments to the Rate and Method established in connection with the annexation of territory to an Improvement Area shall cause the maximum tax rate in the then-existing territory of the CFD to increase.

d. As required by Section 53339.3(d) of the Act, the Council hereby determines that the Special Tax proposed to pay for one or more Facilities to be supplied within the Future Annexation Area will be equal to the Special Taxes levied to pay for the same Facilities in previously-existing areas of the CFD, except that (i) a higher Special Tax may be levied within any Improvement Area to pay for the same Facilities to compensate for the interest and principal previously paid from Special Taxes in any other Improvement Area, less any depreciation allocable to the financed Facilities and (ii) a higher Special Tax may be levied within any Improvement Area established from the Future Annexation Area to pay for new or additional Facilities, with or without bond financing.

As required by Section 53339.3(d) of the Act, the Council hereby further determines that the Special Tax proposed to pay for Services to be supplied within the Future Annexation Area shall be equal to any Special Tax levied to pay for the same Services in the in other areas of the CFD, except that a higher or lower tax may be levied within the Future Annexation Area to the extent that the actual cost of providing the Services in the Future Annexation Area is higher or lower than the cost of providing those Services in other areas of the CFD. In so finding, the Council does not intend to limit its ability to levy a Special Tax within the Future Annexation Area to provide new or additional services beyond those supplied within the existing CFD and the Improvement Areas.

9. **Increased Demands.** It is hereby found and determined that the Facilities and Services are necessary to meet increased demands placed upon local agencies as the result of development occurring in the CFD.

10. **Responsible Official.** The Assistant City Manager/Chief Financial Officer of the City of Roseville, 311 Vernon Street, Roseville, CA 95678, (916) 774-5313, is the officer of the City who will be responsible for preparing annually a current roll of special tax levy obligations by assessor's parcel number and who will be responsible for estimating future special tax levies pursuant to the Act.

11. **Tax Lien.** Upon recordation of a notice of special tax lien pursuant to Section 3114.5 of the Streets and Highways Code of California, a continuing lien to secure each levy of the special tax shall attach to all nonexempt real property in the CFD and this lien shall continue in force and effect until the special tax obligation is prepaid and permanently satisfied and the lien canceled in accordance with law or until collection of the tax by the City ceases.

Upon annexation into the CFD by Unanimous Approval, the Clerk shall record an amended notice of special tax lien pursuant to Section 3117.5 of the Streets & Highways Code, or a new notice of special tax lien pursuant to Section 3114.5, as appropriate.

12. **Appropriations Limit.** In accordance with the Act, the annual appropriations limit, as defined by subdivision (h) of Section 8 of Article XIII B of the California Constitution, of the CFD is hereby preliminarily established at \$594,000,000; and said CFD appropriations limit shall be submitted to the voters of the CFD as hereafter provided. The proposition establishing said annual appropriations limit shall become effective if approved by the qualified electors voting thereon and shall be adjusted in accordance with the applicable provisions of the Act.

The designation as an improvement area of any territory annexing to the CFD, the rate and method of apportionment of special tax for such improvement area and the appropriations limit for such improvement area shall be identified and approved in the Unanimous Approval executed by property owners in connection with their annexation to the CFD.

13. Pursuant to Section 53314.9 of the Act, at any time either before or after the formation of the CFD, the legislative body may accept advances of funds or work in kind from any source, including, but not limited to, private persons or entities, and may provide, for the use of those funds or that work in kind for any authorized purpose, under all of the following conditions: (a) the proposal to repay the funds or the value or cost of the work in kind, whichever is less, is included in both the Resolution of Intention and in this Resolution pursuant to Section 53325.1; (b) any proposed Special Taxes are approved by the qualified electors of the CFD at the time of formation or annexation pursuant to the Act; and (c) any work in kind accepted pursuant to Section 53314.9 of the Act is performed or constructed as if the work had been performed or constructed under the direction and supervision, or under the authority of a local public agency. This Council finds that the City may accept advances of funds or work in kind if necessary, and may enter into an agreement (an "Acquisition Agreement"), by resolution, with the person or entity advancing the work in-kind, to reimburse the person or entity for the value, or cost, whichever is less, of the work in-kind, as determined by the City Council, with or without interest, under the conditions specified in the Act and an Acquisition Agreement. The City and the developer of the project intend to enter into an Acquisition Agreement.

14. **Election.** Pursuant to the provisions of the Act, the proposition of the levy of the special tax and the proposition of the establishment of the appropriations limit specified above shall be submitted to the qualified electors of the CFD at an election. The time, place and conditions of the election shall be as specified by a separate resolution of this City Council.

15. **Effective Date.** This resolution shall take effect upon its adoption.

ATTEST:

Mayor

City Clerk

EXHIBIT A

Improvement Area No. 1 of the
City of Roseville
Amoruso Ranch Community Facilities District No. 1

(Public Facilities)
Placer County, State of California

RATE, METHOD OF APPORTIONMENT, AND MANNER OF COLLECTION OF SPECIAL TAX

1. Basis of Special Tax Levy

A Special Tax authorized under the Mello-Roos Community Facilities Act of 1982 (Act) applicable to the land in Improvement Area No. 1 of the City of Roseville Amoruso Ranch Community Facilities District No. 1 (Public Facilities) shall be levied and collected according to the tax liability determined by the City through the application of the appropriate amount or rate, as described below.

2. Definitions

"Acre" or "Acreage" means the land area of an Assessor's Parcel as shown on an Assessor's Parcel Map, or if the land area is not shown on an Assessor's Parcel Map, the land area shown on the applicable final map or other Development Plan.

"Act" means the Mello-Roos Community Facilities Act of 1982, as amended, Sections 53311 and following of the California Government Code.

"Administrative Expenses" means the actual or reasonably estimated costs related to the administration of Improvement Area No. 1, including, but not limited to, these for Improvement Area No. 1:

- a. Costs of computing Special Taxes and preparing annual Special Tax collection schedules (whether by the City or any designee thereof or both).
- b. Costs of collecting the Special Taxes (whether by the County, the City, or otherwise).
- c. Costs of remitting the Special Taxes to the Trustee.
- d. Costs of the Trustee (including its legal counsel) in the discharge of the duties required of it under the Bond Indenture.
- e. Costs to the City, CFD, or any designee thereof, of complying with arbitrage rebate requirements.

- f. Costs to the City, CFD, or any designee thereof, of complying with City, CFD, or Master Builder disclosure requirements.
- g. Costs associated with preparing Special Tax disclosure statements.
- h. Costs incurred in responding to public inquiries regarding the Special Taxes.
- i. Costs to the City, CFD, or designee thereof related to any appeal of the Special Taxes.
- j. Costs associated with the release of funds from an escrow account, if any.
- k. Costs to the City for the issuance of Bonds authorized by the CFD that are not recovered through the Bond sale proceeds.
- l. Amounts estimated to be advanced or already advanced by the City for any other administrative purposes, including attorney's fees and other costs related to collection of the Special Taxes and commencing and pursuing to completion any foreclosure of delinquent Special Taxes.

"Administrator" means a City official in the Finance Department, or their designee responsible for determining or overseeing the levy and collection of the Special Taxes.

"Affordable Housing Director" means, at any point in time, the person in the City who serves as head of the department that is in charge of the City's affordable housing program.

"Affordable Unit" means a Unit built on a Residential Use Parcel for which an Affordable Unit agreement has been entered into for the property designating the Unit as affordable. A Multifamily Parcel may have only a portion of the Units assigned as Affordable Units. The City Manager, or his or her designee, shall determine which Units are designated as Affordable Units and maintain an Affordable Unit listing, which shall contain all designated buildable parcels by tract and lot number, and in the case of Large Lot Parcels remaining before May 1 of the preceding Fiscal Year, the number of designated Affordable Units for each such Large Lot Parcel; all entries shall indicate the effective date of designation. The Affordable Unit listing also shall be updated to reflect those Units no longer qualifying as Affordable Units, also known as Market-Rate Units. The Affordable Unit listing, which shall contain all qualifying Affordable Units as of April 30, shall be made available to the Administrator by July 1 of each year for purposes of determining the Maximum Annual Special Tax for Parcels pursuant to Section 4.

"Annexation Parcels" means a Parcel or Parcels annexed to Improvement Area No. 1 of the CFD after formation. The Maximum Annual Special Tax will be assigned to Parcels in the annexation area using the provisions of Section 4.

"Annual Facilities Costs" means, for any Fiscal Year, the total of these for Improvement Area No. 1:

- a. Debt Service to be paid from Facilities Special Taxes.

- b. The amount needed to replenish the reserve fund for the Bonds to the level required under the Bond Indenture, to the extent not included in a computation of Annual Facilities Costs in a previous Fiscal Year.
- c. Administrative Expenses for such Fiscal Year.
- d. The amount needed to (1) cure any delinquencies in the payment of the Facilities Special Tax in the prior Fiscal Year, to the extent not otherwise included in a computation of Annual Facilities Costs in the current or any previous Fiscal Year, and (2) to fund any foreseeable deficiency in the payment of the Facilities Special Tax for that Fiscal Year which is expected to occur in such Fiscal Year, to the extent not included in a computation of Annual Facilities Costs in the current or any previous Fiscal Year.
- e. Authorized Pay-As-You-Go Costs so long as the inclusion of these costs does not increase the Special Tax levy on Undeveloped Property, Large Lot Parcels, Small Lot Tentative Map Parcel, or Final Use Small Lot Parcels.
- f. During the Deferral Bonding Period, the amount needed to pay Development Impact Fee Deferrals not financed by Bonds.
- g. Less any available earnings on any reserve fund or Facilities Special Tax funds, available capitalized interest or any other available revenues of Improvement Area No. 1 or the City that may be used to fund Annual Facilities Costs.

"Annual Maintenance Costs" means, for any Fiscal Year, the total of these for Improvement Area No. 1:

- a. Authorized Services costs to be paid from Maintenance Special Taxes.
- b. Administrative Expenses for such Fiscal Year.
- c. The amount needed to (1) cure any delinquencies in the payment of the Maintenance Special Tax in the prior Fiscal Year, to the extent not otherwise included in a computation of Annual Maintenance Costs in the current or any previous Fiscal Year, and (2) to fund any foreseeable deficiency in the payment of the Maintenance Special Tax for that Fiscal Year which is expected to occur in such Fiscal Year, to the extent not included in a computation of Annual Maintenance Costs in the current or any previous Fiscal Year.
- d. Less any available earnings on any reserve fund, Maintenance Special Tax funds or any other available revenues of Improvement Area No. 1 or the City that may be used to fund Annual Maintenance Costs.

"Anticipated Construction Proceeds" means the amount anticipated to be available through Improvement Area No. 1 for acquiring or constructing Authorized Facilities, which is equal to \$27.8 million at formation of Improvement Area No. 1 of the CFD. This amount is increased on July 1 of the current Fiscal Year for the prior calendar year by the average increase in the ENR-CCI.

"Assessor's Parcel" means a lot or Parcel with an assigned Assessor's Parcel Number in the maps used by the County Assessor in preparing the tax roll.

"Assessor's Parcel Map" means an official map of the County Assessor designating Parcels by Assessor's Parcel Number.

"Assessor's Parcel Number" means the Parcel and Parcel Number as assigned by the County Assessor on the equalized tax roll.

"Assigned Maximum Annual Special Tax" means the maximum Facilities Special Tax or Maintenance Special Tax assigned to each Large Lot Parcel that is an Original Parcel based on the Expected Land Uses for Improvement Area No. 1 at the CFD formation, or at annexation, as shown in Attachment 1.

"Authorized Facilities" means those facilities and fees to be financed by the CFD (including Improvement Area No. 1), as identified in the resolution forming the CFD.

"Authorized Services" means those services authorized to be funded by the CFD (including Improvement Area No. 1), as defined in the resolution forming the CFD.

"Base Year" means the Fiscal Year beginning July 1, 2023, and ending June 30, 2024.

"Benefit Share" means the Maximum Annual Facilities Special Tax for a Parcel divided by the Maximum Annual Facilities Special Tax Revenue for all Taxable Parcels at their assigned Maximum Annual Facilities Special Tax.

"Bond(s)" means any bond(s) issued by the City for Improvement Area No. 1 under the Act secured by Special Taxes and any other debt, as defined in the Act, the City incurs that is secured by Special Taxes to further the CFD's purposes.

"Bond Indenture(s)" means the indenture(s), resolution(s), fiscal agent agreement(s), or other financing document(s) pursuant to which any Bonds are issued.

"Bond Share" means the share of Outstanding Bonds assigned to a Parcel as specified in Section 8 hereof.

"Building Permit" means a permit issued by the City for the construction of a Residential Use or Nonresidential Use structure.

"Business Professional" means a Parcel or Parcels zoned to provide for office uses and other uses that are related to and supportive of office uses.

"CFD" means the City of Roseville Amoroso Ranch Community Facilities District No. 1 (Public Facilities), Placer County, State of California, including all Improvement Areas therein.

"Chief Financial Officer" or "CFO" means the Chief Financial Officer of the City, or his/her designee.

"City" means the City of Roseville in Placer County, California.

"Council" means the City Council of the City acting for the CFD under the Act.

"County" means the County of Placer, California.

"Debt Service" means the total annual amount of Bond principal, interest, and the scheduled sinking fund payments of the Bonds in a calendar year.

"Deferral Bonding Period" means the period, for Improvement Area No. 1, after the Initial Bonding Period has ended and during which the City finances the Development Impact Fee Deferral.

"Developed Parcel" means, in any Fiscal Year:

- a. For Single-Family Parcels: All Parcels for which a Final Small Lot Subdivision Map was recorded before May 1 of the preceding Fiscal Year.
- b. For Multifamily Parcels: All Parcels for which a Building Permit for new construction of a Residential Use structure was issued before May 1 of the preceding Fiscal Year.
- c. For all Nonresidential Use Parcels: All Parcels for which a Building Permit for new construction of a Nonresidential Use structure was issued before May 1 of the preceding Fiscal Year.

Once a Parcel is defined as a Developed Parcel it shall remain as a Developed Parcel.

"Development Agreement" means the Development Agreement By and Between the City of Roseville and Brookfield Sunset, LLC, Brookfield Sacramento Holdings, LLC, and Angela Eisenpress relative to the Amoroso Ranch Specific Plan dated May 11, 2022, or as may be amended from time to time.

"Development Impact Fee Deferral" means the deferred payment of development impact fees due to the City or the South Placer Regional Transportation Authority (SPRTA) for Developed Parcels, using the approach and amounts identified in the Development Agreement, which may be amended from time to time.

"Development Plan" means a condominium plan, apartment plan, site plan, or other development plan that identifies such information as the type of structure, acreage, square footage, or number of Units that are approved to be developed on Single-Family Parcels, Multifamily Parcels, and Nonresidential Parcels.

"ENR-CCI" means the Engineering News Record—Construction Cost Index for San Francisco in the prior calendar year, as determined on July 1 of the current Fiscal Year.

"Expected Land Use(s)" means, for Improvement Area No. 1, the total number of Units or Acres of each land use type by Tax Category expected in each Large Lot Parcel and Original Parcel at CFD formation as identified in Attachment 3 of this RMA, or as to Annexation Parcels, the total number of Units or Acres of each land use type by Tax Category expected in each Large Lot Parcel and Original Parcel at the time of annexation as identified in a subsequent attachment to RMA.

"Facilities Special Tax" means the Special Tax authorized to be levied in Improvement Area No. 1 to fund Annual Facilities Cost. Facilities Special Taxes are shown in

Attachments 2 and 3, or as to Annexation Parcels, as shown in a subsequent attachment to the RMA.

“Final Use Small Lot Parcel” means a Parcel designated for development as a single-family residence, which is part of a Final Small Lot Subdivision Map.

“Final Small Lot Subdivision Map” means a recorded map designating the final Parcel subdivision for individual Single-Family Parcels.

“First Bond Sale” means issuance of the first series of Bonds secured, in whole or in part, by Facilities Special Taxes levied and collected from Parcels in Improvement Area No. 1.

“Fiscal Year” means the period starting July 1 and ending the following June 30.

“Full Prepayment” means the fulfillment of a Parcel’s Facilities Special Tax obligation, as determined by following the procedures in Section 8.

“High Density Residential” means, per the Amoruso Ranch Specific Plan, a land use designation that primarily accommodates attached housing, but depending on the unit type, could also include detached housing, within the density range of 13.0 or greater dwelling units per gross developable acre. Typical housing product types include, but shall not be limited to, detached townhomes, courtyard townhomes/condominiums, garden-style apartments, and podium design apartments/condominiums.

“Improvement Area No. 1” means the area designated as such on Map 1.

“Initial Bonding Period” means, for Improvement Area No. 1, the period in which Bonds are outstanding, whether issued in a single or multiple series, which financed Authorized Facilities costs or refunded prior Bonds other than the Development Impact Fee Deferral.

“Large Lot Parcel” means a Parcel created by a Large Lot Subdivision Map.

“Large Lot Subdivision Map” means a recorded subdivision map creating Parcels by land use. However, the Large Lot Subdivision Map does not delineate Final Use Small Lot Parcels. A Final Small Lot Subdivision Map will create individual Single-Family Parcels.

“Low Density Residential” means, per the Amoruso Ranch Specific Plan, a land use designation that supports single-family detached homes on conventional lots within the density range of up to 6.9 dwelling units per gross developable acre. Typical housing product types include, but shall not be limited to, standard, alley-loaded, or clustered, single-family detached units.

“Maintenance Special Tax” means the Special Tax authorized to fund Annual Maintenance Costs. The Maintenance Special Tax will be levied and collected beginning with the Transition Year. Maintenance Special Taxes are shown in Attachment 4.

“Market-Rate Unit” means a Unit that is not an Affordable Unit.

“Master Builder” means Brookfield Sacramento Holdings LLC and its successors and assigns.

"Maximum Annual Special Tax" means the greatest amount of Facilities Special Tax or Maintenance Special Tax that can be levied against a Parcel in a given Fiscal Year, as shown in Attachments 2, 3, and 4.

"Maximum Annual Facilities Special Tax" means the greatest amount of Facilities Special Tax that can be levied against a Parcel in a given Fiscal Year, as shown in Attachments 2, 3, or 4.

"Maximum Annual Maintenance Special Tax" means the greatest amount of Maintenance Special Tax that can be levied against a Parcel in a given Fiscal Year, as shown in Attachments 2, 3, or 4.

"Maximum Annual Special Tax Rate" means the maximum rate of Facilities Special Tax or Maintenance Special Tax charged per Unit or per Taxable Acre each Fiscal Year, as shown in Attachments 2, 3, and 4, as subsequently escalated by the Tax Escalation Factor.

"Maximum Annual Facilities Special Tax Revenue" means the greatest amount of Facilities Special Tax revenue that can be collected in total from a group of Parcels (such as Developed Parcels) by levying the Maximum Annual Facilities Special Tax.

"Maximum Annual Maintenance Special Tax Revenue" means the greatest amount of Maintenance Special Tax revenue that can be collected in total from a group of Parcels (such as Developed Parcels) by levying the Maximum Annual Maintenance Special Tax.

"Maximum Annual CFD Special Tax Revenue" means the sum of the Maximum Annual Special Tax levied on all Taxable Parcels in the CFD in a Fiscal Year.

"Medium Density Residential" means, per the Amoruso Ranch Specific Plan, a land use designation that accommodates both single-family detached homes and attached homes within the density range of 7.0 to 12.9 dwelling units per gross developable acre. Typical housing product types include, but shall not be limited to, standard or alley-loaded lots, courtyard lots, green court lots, auto courts, alley clusters, zero-lot lines, or z-shaped lots. In addition, duet/half-plex homes, townhomes, or condominiums may be accommodated in Medium Density Residential areas.

"Mixed Use Parcel" means a Parcel or Parcels designated for a combination of Residential Uses and Nonresidential Uses.

"Multifamily For-Rent" or "Multifamily For-Rent Parcel" means any Parcel designated or developed for more than one residential dwelling Unit per Parcel and where such units are initially offered for rent to the general public and cannot be purchased by individual homeowners. Such uses may consist of apartments or structures such as duplexes or triplexes, including land uses defined as High Density Residential. Each residential dwelling Unit within Multifamily For-Rent or Multifamily For-Rent Parcels is not expected to have its own distinct Assessor's Parcel Number.

"Multifamily For-Sale" or "Multifamily For-Sale Parcel" means any Parcel designated or developed for more than one residential dwelling Unit within a single building or structure and that may share at least one common wall where such units are not initially

offered for rent to the general public and initially may be offered for sale to individual homeowners. Such uses may consist of condominiums or buildings such as half-plexes or time-share units, including land uses defined as High Density Residential. Multifamily For-Sale Parcels are anticipated to have their own distinct Assessor's Parcel Number as is the case in residential condominium projects. Once designated as Multifamily For-Sale or Multifamily For-Sale Parcel, the Parcel shall remain so designated unless the original structures are demolished.

"Nonresidential Use" means a Taxable Parcel zoned for land uses other than Residential Uses which may include Business Professional, Community Commercial and Mixed Use.

"Original Parcel" means a Taxable Parcel in Improvement Area No. 1 identified in Attachment 1 at formation of the CFD.

"Outstanding Bonds" means the total principal amount of Bonds that have been issued and not fully repaid or legally defeased.

"Parcel" means any Assessor's Parcel in Improvement Area No. 1 based on the equalized tax rolls of the County as of January 1 of each Fiscal Year.

"Partial Prepayment" means the partial fulfillment of a Parcel's Facilities Special Tax obligation, as determined by following the procedures in Section 8.

"Pay-As-You-Go Costs" means that portion of costs of acquisition, construction, and improvement of Authorized Facilities not financed by Bonds that are eligible for funding from the Facilities Special Tax.

"Prepayment" means the Full Prepayment or Partial Prepayment of a Parcel's Facilities Special Tax obligation, as determined by following the procedures in Section 8.

"Proportionately" means that the ratio of the actual Special Tax levy to the Maximum Annual Special Tax is equal for all Developed Parcels. For Small Lot Tentative Map Parcels, Proportionately means that the ratio of the actual Special Tax levy to the Maximum Annual Special Tax is equal for all Small Lot Tentative Map Parcels. For Large Lot Parcels, Proportionately means that the ratio of the actual Special Tax levy to the Maximum Annual Special Tax is equal for all Large Lot Parcels. For Undeveloped Parcels, Proportionately means that the ratio of the actual Special Tax levy to the Maximum Annual Special Tax is equal for all Undeveloped Parcels.

"Public Parcel" means any Parcel that is or is intended to be publicly owned, as designated in any final map, that is normally exempt from the levy of general ad valorem property taxes under California law, including, but not limited to, public streets, schools, parks, and public drainageways, landscaping, wetlands, greenbelts, and open space.

"Remainder Parcel" means a portion of a unit of land that is created as a result of the recording of a Large Lot Parcel Map or Final Small Lot Subdivision Map, which results in a designated remainder as defined in Government Code Section 66424.6(a) (Remainder Parcel). Such a Remainder Parcel may contain taxable and tax-exempt uses, such as Residential Uses, and Public Parcels, such as park sites. Once designated as a Remainder

Parcel, such Parcel will be considered a Large Lot Parcel for the purposes of future Subdivisions and for the provisions of Sections 4 through 6.

"Remaining Facilities Costs" means the amount of Anticipated Construction Proceeds less construction proceeds from previous Bond issuances and less costs of Authorized Facilities funded on a Pay-As-You-Go Basis from the levy of the Special Tax.

"Remaining Facilities Cost Share" means the Remaining Facilities Costs multiplied by the Benefit Share.

"Residential Use" means a Parcel designated for residential use, such as single-family residential Units, residential condominiums, townhouses, or apartments that would be included in the definitions of Low-Density Residential, Medium Density Residential or High Density Residential.

"RMA" means this Rate and Method of Apportionment, and Manner of Collection of Special Tax, as it may be amended from time to time in connection with Annexation Parcels or otherwise.

"Single-Family Parcel" means, in any Fiscal Year, all Parcels in Improvement Area No. 1 for which a building permit was issued or may be issued for construction of a Unit that is a single-family residential, residential condominium, or townhouse Unit.

"Small Lot Tentative Map" means a map that is approved by the City for the purpose of showing the design of a proposed Subdivision, including the individual buildable lots expected in the Subdivision, as well as the conditions pertaining thereto. The Small Lot Tentative Map designation for this RMA is in reference only to the areas shown on the map on which Low-Density Residential and Medium-Density Residential uses would be permitted. A Small Lot Tentative Map is not based on a detailed survey of the property in the map and is not recorded at the County Recorder's Office to create legal lots.

"Small Lot Tentative Map Parcel" means, in any Fiscal Year, all Parcels included in a Small Lot Tentative Map that was approved before May 1 of the prior Fiscal Year that are planned for Low-Density Residential and Medium-Density Residential and which have not yet become a Developed Parcel.

"Special Tax(es)" mean(s) any tax levy under the Act in Improvement Area No. 1.

"Subdivision" or "Subdivided" means a division of a Parcel into two or more Parcels through Parcel reconfiguration, lot-line adjustments, or the Subdivision Map Act process. A Subdivision also may include the merging of two or more Parcels to create new Parcels.

"Successor Parcel" means a Parcel created by the Subdivision of an Original Parcel or a Successor Parcel.

"Tax Category" means the categories of taxable land uses shown in Attachments 2, 3, and 4.

"Tax Collection Schedule" means the document prepared by the Administrator for the County Auditor-Controller to use in levying and collecting the Special Taxes each Fiscal Year.

"Tax Escalation Factor" means a factor of 2 percent by which the Maximum Annual Facilities Special Tax, Maximum Annual Maintenance Special Tax and related Maximum Annual Special Tax Rates shall be increased annually until the Transition Event. In the Fiscal Year following the Transition Event, the Maximum Annual Maintenance Special Tax may be increased up to 2 percent annually at the City's discretion. The Administrator should refer to Section 4a for application of the Tax Escalation Factor.

"Taxable Acreage" means that area of a Parcel determined by the Administrator to become a Taxable Parcel or Parcels upon further Subdivision. An example might be that a Large Lot Parcel Map creates a Remainder Parcel that, according to Attachment 1, contains both taxable uses and tax-exempt uses.

"Taxable Parcel" means any Parcel that is not a Tax-Exempt Parcel.

"Tax-Exempt Parcel" means a Parcel not subject to the Annual Special Tax. Tax-Exempt Parcels include (a) Public Parcels, and (b) Parcels owned by the City, school districts, special districts, or the state or federal government. A Taxable Parcel that is acquired by a public agency shall remain a Taxable Parcel as per the provisions of Section 4.i.

Certain privately-owned Parcels also may be exempt from the levy of Annual Special Taxes, including common areas owned by homeowner's associations or property owner associations, wetlands, detention basins, water quality ponds, and open space, as determined by the Administrator.

"Transition Event" means for Improvement Area No. 1, the earlier of (a) after the Initial Bonding period, the Fiscal Year in which the Administrator determines the Development Impact Fee Deferral, including any Debt Service and Administrative Expenses associated with any Bonds issued to satisfy Development Impact Fee Deferrals, and any eligible Pay-As-You-Go Costs have been repaid in full to the City and City determines funding is no longer needed for Annual Facilities Costs, or (b) Fiscal Year 2088-89.

"Transition Year" means, for Improvement Area No. 1, the first Fiscal Year following the Fiscal Year in which the Transition Event occurred.

"Trustee" means a national banking association organized and existing under the laws of the United States acting as a trustee or fiscal agent for Bonds.

"Undeveloped Parcel" means a Taxable Parcel that is not a Developed Parcel, Small Lot Tentative Map Parcel, or a Large Lot Parcel.

"Unit" means, for a Single-Family Parcel, the individual residential unit on such Parcel, or for a Multifamily For-Rent Parcel or Multifamily For-Sale Parcel, an individual residential unit in a multifamily building.

3. Duration of the Special Tax

The Facilities Special Tax will be levied and collected until the earlier of (i) the Transition Year or (ii) Fiscal Year 2088-89. The Maintenance Special Tax will be levied and collected beginning in the Transition Year. The Maintenance Special Tax will thereafter be collected in perpetuity.

4. Administrative Tasks for the Facilities Special Tax

The provisions of Section 4 shall apply to Improvement Area No. 1:

- a. Annual Special Tax Escalation. Until the Fiscal Year following the Transition Event, the Administrator shall increase the Maximum Annual Facilities Special Tax, the Maximum Annual Maintenance Special Tax and Maximum Annual Special Tax Rates by the Tax Escalation Factor in all Fiscal Years following the Base Year. In the Transition Year and thereafter, the City, in its sole discretion, may determine whether to apply the Tax Escalation Factor to the Maximum Annual Maintenance Special Tax in any Fiscal Year.
- b. Assignment of the Maximum Annual Facilities Special Tax to Original Parcels. Attachment 3 identifies the Assigned Maximum Annual Facilities Special Tax for each Original Parcel included in Improvement Area No. 1, which is determined for each Large Lot Parcel based on the Expected Land Uses in each Large Lot Parcel at CFD Formation. The Assigned Maximum Annual Facilities Special Tax shall continue to apply to the geographic area to which it was assigned. If, before further Subdivision, the Administrator determines there are multiple Assessor's Parcels in a Large Lot Parcel, the Administrator shall assign the Maximum Annual Facilities Special Tax to each Assessor's Parcel on a pro rata basis to all Assessor's Parcels in that Large Lot Parcel based on the percentage share of Taxable Acreage identified for each Assessor's Parcel. Similarly, if the Administrator determines there are multiple Large Lot Parcels in an Assessor's Parcel, the Maximum Annual Facilities Special Tax shall equal the sum of the Assigned Maximum Annual Facilities Special Tax for all Large Lot Parcels in that Assessor's Parcel.
- c. Assignment of the Maximum Annual Facilities Special Tax to Annexation Parcels. Upon annexation of property to Improvement Area No. 1, Parcels will be assigned Maximum Annual Facilities Special Taxes using Attachments 2, 3, and 4. Once annexed, these annexed Parcels shall be considered Original and Successor Parcels and will be subject to the same procedures for assignment of the Maximum Annual Facilities Special Tax to Successor Parcels described in Section 4.d. The owner of the Annexation Parcels shall be responsible for paying all costs associated with annexing the Annexation Parcels to Improvement Area No. 1, but otherwise shall not be required to pay any other charge, fee or catch-up special tax in connection with or as a condition of such annexation unless otherwise agreed to by the owner of the Annexation Parcel in connection with the annexation.
- d. Assignment of the Maximum Annual Facilities Special Tax to Successor Parcels. As Original Parcels and Successor Parcels are Subdivided through creation of Final Small Lot Subdivision Maps, lot line adjustments or other Parcel amendments through the Subdivision Map Act process, the Administrator shall use the following steps to assign the Maximum Annual Facilities Special Tax to new Successor Parcels. As a result of each assignment of the Maximum Annual Facilities Special Tax upon Subdivision of an Original Parcel or Successor Parcel, the sum of the Maximum Annual Facilities Special Taxes assigned to the newly created Taxable Parcels shall never be less, but may be

greater, than the Assigned Maximum Annual Facilities Special Tax for that Original Parcel or Successor Parcel.

1. If an Original Parcel or Successor Parcel is Fully Subdivided into Single-Family Parcels with No Remainder Parcel(s). There shall be no net loss of Maximum Annual CFD Special Tax Revenue as a result of the assignment of the Maximum Annual Facilities Special Tax to Single-Family Parcels. The Administrator shall use the following procedures to assign the Maximum Annual Facilities Special Tax to Single-Family Parcels. All references to Maximum Annual Facilities Special Taxes in the attachments are subject to application by the Tax Escalation Factor by the Administrator:
 - A. Multiply the Maximum Annual Facilities Special Tax per Unit by Tax Category from Attachment 2 by the number of Units for each Single-Family Parcel created by the Subdivision. Sum the Maximum Annual Facilities Special Taxes for all Single-Family Parcels created by the Subdivision.
 - B. If the sum of Maximum Annual Facilities Special Taxes calculated in Step 4.d.1.A above is equal to or greater than the Assigned Maximum Annual Facilities Special Tax for the Original or Successor Parcel that was Subdivided, assign the Maximum Annual Facilities Special Tax per Unit by Tax Category as calculated in Step 4.1.d.A above to each Single-Family Parcel created by the Subdivision.
 - C. If the sum of Maximum Annual Facilities Special Taxes calculated in Step 4.d.1.A above is less than the Assigned Maximum Annual Facilities Special Tax for the Original or Successor Parcel that was Subdivided, unless 100 percent of the Units are designated Affordable Units, (i) assign the Maximum Annual Facilities Special Tax for Affordable Units shown in Attachment 2 to each Affordable Unit (if any) and, (ii) Proportionately increase the Maximum Annual Facilities Special Tax per Unit for all Units that are not Affordable Units until the sum of resulting Maximum Annual Facilities Special Taxes from all Units (including Affordable Units) equals the Assigned Maximum Annual Facilities Special Tax for the Original or Successor Parcel that was Subdivided. Assign the Maximum Annual Facilities Special Tax calculated in this step to each new Single-Family Parcel created by the Subdivision.
 - D. If the sum of Maximum Annual Facilities Special Taxes calculated in Step 4.d.1.A above is less than the Assigned Maximum Annual Facilities Special Tax for the Original or Successor Parcel that was Subdivided and if 100 percent of the Single-Family Parcels created by Subdivision are designated as Affordable Units, increase Proportionately the Maximum Annual Facilities Special Tax per Unit for each Affordable Unit until the sum of Maximum Annual Facilities Special Taxes from all Affordable Units on the new Single-Family Parcels created by the Subdivision equal the Assigned Maximum Annual Facilities Special Tax for the Original or Successor Parcel that was Subdivided. Assign the Maximum Annual Facilities Special Tax calculated in this step to each new Single-Family Parcel created by the Subdivision.

2. If Original or Successor Parcel Is Subdivided into Single-Family Parcels and One or More Remainder Parcels. When an Original or Successor Parcel is Subdivided into Single-Family Parcels and one or more Large Lot Parcels (or Remainder Parcels), the Assigned Maximum Annual Facilities Special Tax is apportioned to the Single-Family Parcels and Large Lot Parcels created by the Subdivision in the following manner:
- A. Apportion the Assigned Maximum Annual Facilities Special Tax to the area(s) that is/are being Subdivided into Single-Family Parcels and to the area(s) that will be Remainder Parcel(s) on a pro rata basis, based on the percentage share of Taxable Acreage represented by each such area as compared to the total area of the Original or Successor Parcel.
 - B. For each area Subdivided into Single-Family Parcels, multiply the Maximum Annual Facilities Special Tax per Unit by Tax Category from Attachment 2 by the number of Units for each Single-Family Parcel created by the Subdivision. Sum the Maximum Annual Facilities Special Taxes for all Single-Family Parcels created by the Subdivision.
 - C. For each area Subdivided into Single-Family Parcels, if the sum of Maximum Annual Facilities Special Taxes calculated in Step 4.d.2.B above is equal to or greater than the Assigned Maximum Annual Facilities Special Tax apportioned to that area of the Original or Successor Parcel that was Subdivided into Single-Family Parcels, assign the Maximum Annual Facilities Special Tax per Unit by Tax Category as calculated in Step 4.d.2.B above to each Single-Family Parcel created by the Subdivision.
 - D. For each area Subdivided into Single-Family Parcels, if the sum of Maximum Annual Facilities Special Taxes calculated in Step 4.d.2.B above is less than the Assigned Maximum Annual Facilities Special Tax apportioned to that area of the Original or Successor Parcel that was Subdivided into Single-Family Parcels, unless 100 percent of the Units are designated Affordable Units, (i) assign the Maximum Annual Facilities Special Tax for Affordable Units shown in Attachment 2 to each Affordable Unit (if any) and, (ii) Proportionately increase the Maximum Annual Facilities Special Tax per Unit for all Units that are not Affordable Units until the sum of resulting Maximum Annual Facilities Special Taxes from all Units (including Affordable Units) equals the Assigned Maximum Annual Facilities Special Tax apportioned to that area of the Original or Successor Parcel that was Subdivided into Single-Family Parcels. Assign the Maximum Annual Facilities Special Tax calculated in this step to each new Single-Family Parcel created by the Subdivision.
 - E. For each area Subdivided into Single-Family Parcels, if the sum of Maximum Annual Facilities Special Taxes calculated in Step 4.d.2.B above is less than the Assigned Maximum Annual Facilities Special Tax apportioned to that area of the Original or Successor Parcel that was Subdivided into Single-Family Parcels and if 100 percent of the Single-Family Parcels created by Subdivision are designated as Affordable Units, increase Proportionately the Maximum

Annual Facilities Special Tax per Unit for each Affordable Unit until the sum of Maximum Annual Facilities Special Taxes from all Affordable Units on the new Single-Family Parcels created by the Subdivision equal the Assigned Maximum Annual Facilities Special Tax apportioned to that area of the Original or Successor Parcel that was Subdivided into Single-Family Parcels. Assign the Maximum Annual Facilities Special Tax calculated in this step to each new Single-Family Parcel created by the Subdivision.

- F. For the Remainder Parcel or Parcels, identify the Maximum Annual Facilities Special Tax for the entire Original or Successor Parcel that has been Subdivided. Sum the Maximum Annual Facilities Special Tax for all Single-Family Parcels created by the Subdivision, including Single-Family Parcels with Affordable Units. Subtract the sum of the Maximum Annual Facilities Special Tax for all Single-Family Parcels from the Assigned Maximum Annual Facilities Special Tax for the Original or Successor Parcel being subdivided and compare it to the Maximum Annual Facilities Special Tax assigned to the Remainder Parcel or Parcels in Step 4.d.2.A. Assign to each Remainder Parcel, the lesser of the calculations in this step or in Step 4.d.2.A, but in no event less than the difference between the previously Assigned Maximum Annual Facilities Special Tax for the Original Parcel or Successor Parcel being Subdivided and the total of the Maximum Annual Facilities Special Tax for all Single-Family Parcels created by such Subdivision.

Once designated as a Remainder Parcel, such Parcel will be considered a Large Lot Parcel for the purposes of future Subdivisions and for the provisions of Sections 4 through 6.

3. If an Original or Successor Parcel is Subdivided creating multiple land uses and Tax Categories or for any rezones of land uses on Original or Successor Parcels:
 - A. Identify the Assigned Maximum Annual Facilities Special Tax for the Original Parcel or Successor Parcel that is being Subdivided or rezoned.
 - B. For each Taxable Parcel subject to rezone or created by Subdivision multiply the Maximum Annual Facilities Special Tax per Unit or per Acre by the number of Units or by the number of Acres by the appropriate Tax Category. For each Taxable Parcel created by Subdivision that includes Affordable Units, multiply the number of Affordable Units by the Tax per Unit for such Affordable Units.
 - C. Sum the Maximum Annual Facilities Special Tax for each Taxable Parcel and compare it to the Assigned Maximum Annual Facilities Special Tax of the Original or Successor Parcel that is subject to rezone or is being Subdivided. If the sum of Maximum Annual Facilities Special Tax for each Taxable Parcel is greater than the Assigned Maximum Annual Facilities Special Tax for the Original Parcel, the Administrator shall apply the Maximum Annual Facilities Special Tax calculated above for each Taxable Parcel.
 - D. If the Assigned Maximum Annual Facilities Special Tax for the Original Parcel or Successor Parcel subject to rezone or that is being subdivided is greater

than the sum of Maximum Annual Facilities Special Tax for each Successor Parcel being created, increase Proportionately the Maximum Annual Facilities Special Tax per Unit or per Acre for all Tax Categories on each Taxable Parcel such that the sum of Maximum Annual Facilities Special Tax for all Taxable Parcels equals the Assigned Maximum Annual Facilities Special Tax for the Original Parcel.

4. If Multifamily Residential Units are Constructed on an Original or Successor Parcel: If a Building Permit for Multifamily Residential—For Rent uses is issued for an Original or Successor Parcel, identify the Maximum Annual Facilities Special Tax for the Taxable Parcel in Attachment 3. Assign this amount as the Maximum Annual Facilities Special Tax for the Parcel.

If a Building Permit for Multifamily Residential—For Sale uses is issued for an Original or Successor Parcel, use the following procedure to assign the Maximum Annual Facilities Special Tax to Successor Parcels.

- A. Multiply the Maximum Annual Facilities Special Tax per Unit for High Density Residential Units from Attachment 2 by the number of High Density Residential Units (excluding Affordable Units) created by the Building Permit. Sum the Maximum Annual Facilities Special Taxes for all High Density Residential Units created by the Building Permit.
- B. Multiply the Maximum Annual Facilities Special Tax per Unit High Density Residential Affordable Units from Attachment 2 by the number of High Density Residential Affordable Units created by the Building Permit. Sum the Maximum Annual Facilities Special Taxes for all High Density Residential Affordable Units created by the Building Permit.
- C. Sum the results from Section 4.d.4.A and Section 4.d.4.B. and compare it to the Assigned Maximum Annual Facilities Special Tax of the Original or Successor Parcel with the issued Building Permit. If the sum of Maximum Annual Facilities Special Tax for each Taxable Parcel is greater than the Assigned Maximum Annual Facilities Special Tax for the Original Parcel, the Administrator shall apply the Maximum Annual Facilities Special Tax calculated above for each Taxable Parcel.
- D. If the Assigned Maximum Annual Facilities Special Tax for the Original Parcel or Successor Parcel subject to the Building Permit is greater than the sum of Maximum Annual Facilities Special Tax for each Successor Parcel being created, increase Proportionately the Maximum Annual Facilities Special Tax per Unit for all Tax Categories on each Taxable Parcel such that the sum of Maximum Annual Facilities Special Tax for all Taxable Parcels equals the Assigned Maximum Annual Facilities Special Tax for the Original Parcel.
- e. Affordable Units that Become Market-Rate Units. If, in any Fiscal Year, the City Manager, or his or her designee, determines that a Unit that previously had been designated as an Affordable Unit no longer qualifies as such, the Affordable Housing Director shall update the Affordable Unit listing by denoting the change in status of

the Unit, together with the effective date thereof. For all Affordable Units that are converted to Market-Rate Units, such Units shall be assigned the Maximum Annual Facilities Special Tax per Unit based on their Tax Category as shown in Attachment 2, as adjusted by the Tax Escalation Factor so long as the Special Tax does not decrease on such a Unit.

- f. Transfer of the Assigned Maximum Annual Facilities Special Tax from One Large Lot Parcel to Another. The Maximum Annual Facilities Special Taxes shown in Attachment 3 were determined based on the Expected Land Uses for each Large Lot Parcel shown in Attachment 1. If the number of planned residential Units or Nonresidential Acreage is transferred from one Large Lot Parcel to another before recording a Final Small Lot Subdivision Map in any portion of the Large Lot Parcel, the City may, in its sole discretion, allow for a transfer of the Maximum Annual Facilities Special Tax from one Large Lot Parcel to another. Such a transfer shall be allowed only if (1) all adjustments are agreed to in writing by the affected property owners and the CFO, and (2) there is no reduction in the Maximum Annual CFD Special Tax Revenues as a result of the transfer. Should a transfer result in an amendment to Attachments 2, 3, or 4 of the Notice of Special Tax Lien, the requesting property owner shall bear the costs to effect the transfer in the CFD records and prepare the required amendments to the Notice of Special Tax Lien and Attachments 2, 3, or 4. Before the transfer, the City may require a deposit from the requesting property owner for such costs.
- g. Reduction of the Maximum Annual Facilities Special Tax Prior to First Bond Sale. At the request of the Master Builder, the Maximum Annual Special Taxes set forth in Attachments 2, 3 and 4 may be reduced for a given Tax Category, once, prior to the First Bond Sale. The reduction in this paragraph (g) may occur in a single Tax Category or multiple Tax Categories, and there shall be no requirement that the reduction in one Tax Category be proportionate to the reduction in another Tax Category. Such reduction shall be made without a vote of the qualified electors within the CFD following discussion with the Master Builder and the City. Any such reduction shall occur at least 30 days prior to the First Bond Sale. The Special Tax reductions permitted pursuant to this paragraph shall be reflected in an Amended Notice of Special Tax Lien, which the Administrator shall cause to be recorded.
- h. Conversion of a Tax-Exempt Parcel to a Taxable Parcel. If a Tax-Exempt Parcel is not needed for public use and is converted to a taxable use or transferred to a private owner, it shall become subject to the Facilities Special Tax. The Maximum Annual Facilities Special Tax for the newly Taxable Parcel will be determined using the provisions of Sections 4 and 5 of the RMA.
- i. Taxable Parcels Acquired by a Public Agency. A Taxable Parcel that is acquired by a public agency after the CFD is formed will remain subject to the applicable Special Tax unless the Special Tax obligation is satisfied pursuant to Section 53317.5 of the Government Code. An exception to this may be made if a Public Parcel, such as a park site, is relocated to a Taxable Parcel, in which case the previously Tax-Exempt Parcel of comparable acreage becomes a Taxable Parcel and the Maximum Annual Facilities Special Tax from the previously Taxable Parcel is transferred to the new

Taxable Parcel. This trading of a Parcel from a Taxable Parcel to a Public Parcel will be permitted to the extent there is no net loss in Maximum Annual CFD Special Tax Revenue and the transfer is agreed to by the owners of the Parcels involved in the transfer and the CFO.

5. Administrative Tasks for the Maintenance Special Tax

This section discusses the administrative tasks for the Maintenance Special Tax, which shall be applicable after the Transition Event.

The provisions of Section 5 shall apply to Improvement Area No. 1. as set forth below:

- a. Assignment of the Maximum Annual Maintenance Special Tax to Developed Parcels.
In the Fiscal Year following the Transition Event, the Administrator shall assign the Maximum Annual Maintenance Special Tax to all Developed Parcels using the Maximum Annual Special Tax Rates for the Maintenance Special Tax by Tax Category shown in Attachment 4, as adjusted by the Tax Escalation Factor.
- b. Assignment of the Maximum Annual Maintenance Special Tax to Successor Parcels.
After the Transition Event, if Original Parcels and Successor Parcels are Subdivided through creation of Final Small Lot Subdivision Maps, lot line adjustments or other Parcel amendments through the Subdivision Map Act process, the Administrator shall use the steps in Section 4.d to assign the Maximum Annual Maintenance Special Tax to new Successor Parcels. *When applying Section 4.d after the Transition Event, the Administrator shall substitute Maintenance Special Tax for Facilities Special Tax and shall substitute Maximum Annual Maintenance Special Tax for Maximum Annual Facilities Special Tax.*
- c. Assignment of the Maximum Annual Maintenance Special Tax to Annexation Parcels.
If Parcels are annexed to Improvement Area No. 1 after formation, the Maximum Annual Maintenance Special Tax shall be assigned to these Annexation Parcels using the definitions in Section 2 and the Maximum Annual Maintenance Special Tax per Unit or Acre shown in Attachment 4 as adjusted by the Tax Escalation Factor applied by the Administrator, unless the Annexation Parcels are annexed with a new set of Maximum Annual Maintenance Special Taxes. Attachment 1 may be amended, or a new attachment created, to include the Annexation Parcels and, if necessary, the applicable tax rates. If new Maximum Annual Maintenance Special Taxes are created, Attachment 4 should be amended to reflect the Maximum Annual Maintenance Special Taxes for the Annexation Parcels. Once annexed, these annexed Parcels shall be considered Original and Successor Parcels and will be subject to the same procedures for assignment of the Maximum Annual Maintenance Special Tax to Successor Parcels described in this section. The owner of the Annexation Parcels shall be responsible for paying all costs associated with annexing the Annexation Parcels to Improvement Area No. 1, but otherwise shall not be required to pay any other charge, fee or catch-up special tax in connection with or as a condition of such annexation unless otherwise agreed to by the owner of the Annexation Parcel in connection with the annexation.

- d. Affordable Units that Become Market-Rate Units. If, in any Fiscal Year, the City Manager, or his or her designee, determines that a Unit that previously had been designated as an Affordable Unit no longer qualifies as such, the Affordable Housing Director shall update the Affordable Unit listing by denoting the change in status of the Unit, together with the effective date thereof. For all Affordable Units that are converted to Market-Rate Units, such Units shall be assigned the Maximum Annual Maintenance Special Tax per Unit based on their Tax Category as shown in Attachment 4, as adjusted by the Tax Escalation Factor.
- e. Conversion of a Tax-Exempt Parcel to a Taxable Parcel. If a Tax-Exempt Parcel is not needed for public use and is converted to a taxable use or transferred to a private owner, it shall become subject to the Maintenance Special Tax. The Maximum Annual Maintenance Special Tax for the newly Taxable Parcel will be determined using the provisions of Sections 5 and 6 of the RMA.
- f. Taxable Parcels Acquired by a Public Agency. A Taxable Parcel that is acquired by a public agency after the CFD is formed will remain subject to the applicable Special Tax unless the Special Tax obligation is satisfied pursuant to Section 53317.5 of the Government Code. An exception to this may be made if a Public Parcel, such as a park site, is relocated to a Taxable Parcel, in which case the previously Tax-Exempt Parcel of comparable acreage becomes a Taxable Parcel and the Maximum Annual Maintenance Special Tax from the previously Taxable Parcel is transferred to the new Taxable Parcel. This trading of a Parcel from a Taxable Parcel to a Public Parcel will be permitted to the extent there is no net loss in Maximum Annual CFD Special Tax Revenue and the transfer is agreed to by the owners of the Parcels involved in the transfer and the CFO.

6. Assignment of the Maximum Annual Special Tax

The Administrator shall assign the Maximum Annual Special Tax using the procedures identified below:

- a. Classification of Parcels. For purposes of the next Fiscal Year tax levy, by June 30 of each Fiscal Year, using the Definitions in Section 2, the Parcel records of the Assessor's secured tax roll as of January 1, and other City development approval records, the Administrator shall cause:
 - 1. Each Parcel to be classified as a Taxable Parcel or Tax-Exempt Parcel.
 - 2. Each Parcel to be classified as a Developed Parcel, a Small Lot Tentative Map Parcel, a Large Lot Parcel (including Remainder Parcels), or an Undeveloped Parcel.
- b. Assignment of the Maximum Annual Facilities Special Tax to Taxable Parcels. The Maximum Annual Facilities Special Tax will be assigned to each Taxable Parcel each Fiscal Year using the procedures (not all steps may be applicable for each such Parcel) in Section 4.

- c. Assignment of the Maximum Annual Maintenance Special Tax to Taxable Parcels. In the Fiscal Year following the Transition Event, the Maximum Annual Maintenance Special Tax will be assigned to each Taxable Parcel each Fiscal Year using the procedures (not all steps may be applicable for each such Parcel) in Sections 4 and 5.

7. Calculating Annual Special Taxes

This section discusses the levy of the Facilities Special Tax and the Maintenance Special Tax. Collectively, these Special Taxes are included in the discussion of the assignment of the Maximum Annual Special Taxes. For the period following CFD formation until the Fiscal Year in which the Transition Event occurs, the Maximum Annual Special Tax shall refer to the Facilities Special Tax. Beginning with the Transition Year, the Maximum Annual Special Tax shall refer to the Maintenance Special Tax.

The Administrator will compute the Annual Facilities Costs or Annual Maintenance Costs and determine the annual Special Tax levy for each Taxable Parcel based on the assignment of the Special Tax in Sections 4, 5, and 6. The Administrator then will determine the tax levy for each Taxable Parcel using the following process.

Facilities Special Tax Levy

- a. Compute the Annual Facilities Costs using the definition of Annual Facilities Costs in Section 2.
- b. For all Taxable Parcels, calculate the Facilities Special Tax levy for each using the following steps:

Step 7.b.1. The Facilities Special Tax shall be levied proportionately on all Developed Parcels up to the amount of Annual Facilities Cost or up to 100 percent of the Maximum Annual Facilities Special Tax Revenue for all Developed Parcels, whichever is less.

Step 7.b.2. If additional revenue is needed after *Step 7.b.1.*, the Facilities Special Tax shall be levied proportionately on each Small Lot Tentative Map Parcel until the revenue from the Facilities Special Tax levy in this step, when added to the levy amount computed in *Step 7.b.1.*, equals the Annual Facilities Costs, or up to 100 percent of the Maximum Annual Facilities Special Tax Revenue for all Small Lot Tentative Map Parcels. As necessary, the Facilities Special Tax shall be levied on Small Lot Tentative Map Parcels for the entire portion of Annual Facilities Costs, excluding Pay-As-You-Go Costs.

Step 7.b.3. If additional revenue is needed after *Step 7.b.2.*, the Facilities Special Tax shall be levied proportionately on each Large Lot Parcel until the revenue from the Facilities Special Tax levy in this step, when added to the levy amount computed through *Step 7.b.2.*, equals the Annual Facilities Costs, or up to 100 percent of the Maximum Annual Facilities Special Tax Revenue for all Large Lot Parcels. As necessary, the

Facilities Special Tax shall be levied on Large Lot Parcels for the entire portion of Annual Facilities Costs, excluding Pay-As-You-Go Costs.

- Step 7.b.4. If additional revenue is needed after *Step 7.b.3.*, the Facilities Special Tax shall be levied on each Undeveloped Parcel until the revenue from the Facilities Special Tax levy in this step, when added to the levy amounts computed through *Step 7.b.3.*, equals the Annual Facilities Costs, or up to 100 percent of the Maximum Annual Facilities Special Tax Revenue for all Undeveloped Parcels. As necessary, the Facilities Special Tax shall be levied on Undeveloped Parcels for the entire portion of Annual Facilities Costs, excluding Pay-As-You-Go Costs.

Maintenance Special Tax Levy

- c. Beginning in the Transition Year, compute the Annual Maintenance Cost using the definition of Annual Maintenance Costs in Section 2.
- d. For all Taxable Parcels, calculate the Maintenance Special Tax levy for each using the following steps:

Step 7.d.1. The Maintenance Special Tax shall be levied proportionately on all Developed Parcels up to the amount of Annual Maintenance Cost or up to 100 percent of the Maximum Annual Maintenance Special Tax Revenue for all Developed Parcels, whichever is less.

Step 7.d.2. If additional revenue is needed after *Step 7.d.1.*, the Maintenance Special Tax shall be levied proportionately on each Small Lot Tentative Map Parcel until the revenue from the Maintenance Special Tax levy in this step, when added to the levy amount computed in *Step 7.d.1.*, equals the Annual Maintenance Costs, or up to 100 percent of the Maximum Annual Maintenance Special Tax Revenue for all Small Lot Tentative Map Parcels.

Step 7.d.3. If additional revenue is needed after *Step 7.d.2.*, the Maintenance Special Tax shall be levied proportionately on each Large Lot Parcel until the revenue from the Maintenance Special Tax levy in this step, when added to the levy amount computed through *Step 7.d.2.*, equals the Annual Maintenance Costs, or up to 100 percent of the Maximum Annual Maintenance Special Tax Revenue for all Large Lot Parcels.

Step 7.d.4. If additional revenue is needed after *Step 7.d.3.*, the Maintenance Special Tax shall be levied on each Undeveloped Parcel until the revenue from the Maintenance Special Tax levy in this step, when added to the levy amounts computed through *Step 7.d.3.*, equals the Annual Maintenance Costs, or up to 100 percent of the Maximum Annual Maintenance Special Tax Revenue for all Undeveloped Parcels.

- e. Levy on each Taxable Parcel the amount calculated above.
- f. Prepare the Tax Collection Schedule and, unless an alternative method of collection has been selected pursuant to Section 10, send it to the County Auditor requesting

that it be placed on the general, secured property tax roll for the Fiscal Year. The Tax Collection Schedule will be sent no later than the date required by the County Auditor for such inclusion.

The Administrator will make every effort to calculate the Special Tax correctly for each Parcel. It will be the burden of the taxpayer to identify any errors in determining which Parcels are subject to the tax and their Special Tax assignments.

8. Prepayment of the Facilities Special Tax Obligation

Calculations of a Prepayment shall reflect the Improvement Area within which the Parcel seeking to prepay resides. A property owner may at any time prepay either 25 percent or 50 percent of the Full Prepayment, except that the City may allow a partial prepayment of any percentage up to 50 percent of the Full Prepayment to be made as a “buy down” of the rate for purposes of marketing the property by a builder or developer of land to be sold for Residential Use. In the event such a builder or developer has prepaid a portion of the Facilities Special Tax, the allowable 25 percent or 50 percent partial prepayment of the Facilities Special Tax that can be made by a subsequent owner shall be reduced by the amount so prepaid by the builder or developer. Full Prepayment is permitted only for Nonresidential Use Parcels; Full Prepayment is not allowable for Residential Use Parcels.

Prepayments must be made in sufficient time to, in the City’s opinion, have the Prepayment reflected in the following Fiscal Year’s Special Tax levy.

Prepayment is permitted only under the following additional conditions:

- The landowner prepaying the Facilities Special Tax on a Parcel has paid any delinquent Facilities Special Tax and penalties on that Parcel at or before or at the time of Prepayment.
- Following Prepayment, amounts in any debt service reserve fund are equal to or greater than the reserve fund requirement.
- The City determines that the Prepayment will not jeopardize its ability to make timely payments of Debt Service and maintain a 110 percent annual Debt Service coverage based on Maximum Annual Special Tax Revenues in all years in which issued Bonds will be outstanding.
- The portion of the Prepayment for the Development Impact Fee Deferral shall only be used to pay for the Development Impact Fee Deferral whether it was or is to be funded through annual special tax payments or through bonded indebtedness.

When permitted, the Administrator shall calculate Prepayments using the following steps:

- a. The Full Prepayment amount shall be established by following the steps below:

Step 8.a.1: Determine the percentage of the Maximum Facilities Special Tax for the Taxable Parcel for which the Facilities Special Tax is to be prepaid using

the provisions of Sections 4, 5, and 6. If the Parcel is not designated as a Developed Parcel, determine the applicable Facilities Special Tax for the Parcel assuming it is a Developed Parcel.

Step 8.a.2: Increase the Maximum Facilities Special Tax by 2 percent per annum for the longer of (i) 30 years from the year in which the Parcel was first subject to the Facilities Special Tax as a Developed Parcel, or (ii) the end of the then-remaining Initial Bonding Period.

Step 8.a.3: Using a discounted rate equal to the most current yield for the 30-Year Treasury Constant Maturity, calculate the net present value of the revenue stream determined *Step 8.a.2*. If this yield is no longer available, the Administrator will select a yield rate from the most comparable type of security.

Step 8.a.4: Calculate this Parcel's Maximum Annual Facilities Special Tax as a percentage of the Maximum Annual Facilities Special Tax Revenue, assuming all Taxable Parcels are Developed Parcels to determine the Benefit Share for the prepaying Parcel. Multiply the Benefit Share by the Outstanding Bonds to determine the Bond Share for the prepaying Parcel. Multiply the Benefit Share by the Remaining Facilities Costs, as increased by ENR-CCI from the Base Year, to determine the Remaining Facilities Cost Share for the prepaying Parcel. Add the Bond Share to Remaining Facilities Cost Share for the prepaying Parcel.

Step 8.a.5: Use the greater of the amounts determined in Step 8.a.3 or Step 8.a.4 for the following calculations.

Step 8.a.6: Add to the amount from in *Step 8.a.5* interest on the Bonds being redeemed to the next redemption date.

Step 8.a.7: Add to the amount calculated in *Step 8.a.6* a redemption premium on the Bonds being redeemed (if any) as identified in the Bond Indenture(s).

Step 8.a.8: Add to the amount calculated in *Step 8.a.7* the Development Impact Fee Deferral amount applicable to the Parcel, as adjusted for inflation. If Bonds have been issued to finance the Development Impact Fee Deferral, follow *Steps 8.a.2* and *8.a.3*, using for *Step 8.a.2* the longer of (i) 30 years from the year in which the Parcel was first subject to the Facilities Special Tax during the Deferral Bonding Period, or (ii) the end of the then-remaining Deferral Bonding Period.

Step 8.a.9: Add the administrative cost of processing the Prepayment to the amount calculated in *Step 8.a.8*.

Step 8.a.10: The amount in *Step 8.a.9* is the amount of the Full Prepayment of the Maximum Annual Special Tax for the Taxable Parcel.

b. Partial Prepayments will be calculated as described below:

The amount of any Partial Prepayment is limited to a maximum of 50 percent of the Full Prepayment amount determined in Step 8. a.10. When a Partial Prepayment is made, the full amount of Administrative fees and expenses determined in Step 8.a.7 shall be included in the Partial Prepayment calculation. The Facilities Special Tax that can be levied on a Parcel after a Partial Prepayment is made is equal to the Maximum Facilities Special Tax multiplied by one minus the percentage that has been prepaid.

9. Interpretation, Application, and Appeal of Special Tax Formula and Procedures

Any taxpayer who feels the amount of the Special Tax assigned to a Parcel is in error may file a notice with the CFO appealing the levy of the Special Tax. The CFO then will promptly review the appeal and, if necessary, will meet with the applicant. If the CFO verifies that the tax should be modified or changed, the Special Tax levy will be corrected and, if applicable in any case, a credit or refund will be granted.

Interpretations may be made by the City, without Resolution or Ordinance of the Council, for purposes of clarifying any vagueness or ambiguity as it relates to the Special Tax rate, the method of apportionment, the classification of properties, or any definition applicable to the CFD.

Without Council approval, the CFO may make minor, non-substantive administrative and technical changes to the provisions of this RMA that do not materially affect the rate, method of apportionment, or manner of collection of the Special Tax for purposes of administrative efficiency or convenience or to comply with new applicable federal, state, or local law.

The City, upon request of an owner of land in Improvement Area No. 1 that is not a Developed Parcel, also may amend this RMA in any manner acceptable to the City, without Resolution or Ordinance of the Council, upon the affirmative vote of such owner and without the vote of owners of any other land in Improvement Area No. 1, provided such amendment is only applicable to such owner's land and does not reduce the total Maximum Annual CFD Special Tax Revenue.

10. Manner of Collection

The Special Tax will be collected in the same manner and at the same time as ad valorem property taxes, provided, however, the Administrator or its designee may directly bill the Special Tax and may collect the Special Tax at a different time, such as on a monthly or other periodic basis, or in a different manner, if necessary, to meet the City's financial obligations.

LIST OF AUTHORIZED FACILITIES AND SERVICES

AUTHORIZED FACILITIES

Transportation Improvements

Public roadway improvements designed to meet the needs of the project, including those improvements identified in the project Development Agreement (DA), including but not limited to;

- Westbrook Boulevard
- West Sunset Boulevard

Eligible roadway improvements include the following items: acquisition of land and easements; roadway design; project management; geotechnical engineering, testing and observations; bridge crossings and culverts; clearing, grubbing, and demolition; grading, intract subdivision roadway improvements, soil import/export, paving (including slurry seal), and decorative/enhanced pavement concrete or pavers; power pole relocations; joint trenches, underground utilities, and undergrounding of existing utilities; dry utilities and appurtenances; curbs, gutters, sidewalks, bike trails (including on- and off-site), park and ride facilities, bus rapid transit improvements, including transfer stations and regional public transit improvements; retaining walls, sound walls, enhanced fencing, and access ramps; street lights, signalization, and traffic signal control systems; bus turnouts; signs and striping; erosion control; median and parkway landscaping and irrigation; entry monumentation; bus shelters; masonry walls; traffic control and agency fees; and other improvements related thereto. Eligible improvements for the roads listed above also include any and all necessary underground potable and non-potable water, sanitary sewer, dry utilities, and storm drainage system improvements.

Potable and Non-Potable Water System Improvements

Authorized facilities include any and all on- and off-site backbone water facilities designed to meet the needs of development of the project. These facilities include potable and non-potable mains, valves, services, and appurtenances; wells; and water treatment and storage facilities, and related improvements, including but not limited to: site clearing, grading, and paving; curbs and gutters; recycled water storage tanks, booster pump stations, and all appurtenances thereto; wells; water treatment; stand-by generator; site lighting, drainage, sanitary sewer, and water service; landscaping and irrigation; access gates and fencing; striping and signage; and the following:

- Water lines in/associated with authorized facility roads
- Recycled water lines in/associated with authorized facility roads
- Well construction or financial contributions thereto
- Water Tank Site Improvements

- Recycled Water Storage Tank Facility or financial contributions thereto

Drainage System Improvements

Authorized facilities include any and all on- and off-site backbone drainage and storm drainage improvements designed to meet the needs of development of the project. These facilities include mains, pipelines and appurtenances, outfalls and water quality measures, temporary drainage facilities, detention/retention basins, and drainage pretreatment facilities; drainage ways/channels, pump stations, landscaping, and irrigation; access roads, gates, and fencing; striping and signage; and the following:

- All storm drain lines and facilities in/associated with authorized facility roadways
- Retention, detention, hydro-modification, and other drainage facilities

Wastewater System Improvements

Authorized facilities include any and all on- and off-site backbone wastewater facilities designed to meet the needs of development of the project. These facilities include pipelines and all appurtenances thereto; manholes; tie-in to existing main line; force mains; lift stations; storage tanks; odor-control facilities; sewer treatment plant improvements and permitting related thereto; and related sewer system improvements, including but not limited to:

- All wastewater facilities in/associated with authorized facility roadways
- Sewer pump station/lift station

Solid Waste Improvements

Authorized facilities include any and all backbone solid waste improvements designed to meet the needs of development of the project. Eligible improvements also include the project's pro-rata contribution to shared facilities.

Park, Landscape Corridor and Paseo Improvements

Authorized facilities include any and all improvements to parks, landscape corridors and paseos located in the project, including but not limited to:

- Construction of Park Sites
- Construction of Paseos
- Construction of Trails

Open Space Improvements

Authorized facilities include any and all open space improvements designed to meet the needs of development of the project, including bike trails, bike/pedestrian bridges, storm drain crossings, storm drain detention/retention, wetland mitigation, tree mitigation, on-and off-site hawk/raptor mitigation, agricultural mitigation or other environmental mitigation, property acquisition, endowment payments/PCA fees for open space management monitoring, landscaping and irrigation, access gates and fencing, and related open space improvements, including but not limited to:

- Improvements related to all Preserved and General Open Space Parcels

- Wetland creation mitigation monitoring, fencing, etc.

Utilities

Authorized facilities include any and all on- and off-site utility improvements designed to meet the needs of development of the project. All utility improvements, easement payments, and land acquisition not located under or alongside transportation improvements are considered authorized facilities. Authorized facilities also shall include costs related to the off-site electric substation site; site clearing; grading; street frontage improvements, including curbs, gutters, and paving; and construction of an all-weather access road to the site from the nearest public street or extension of temporary overhead lines as described in the project DA, including but not limited to:

- Electric Substation improvements

Other Public Facilities

Authorized facilities include any and all public facilities or infrastructure, including the project's improvements to the fire station site, site clearing, grading, and street frontage improvements including curbs, gutters, and paving.

Development Impact Fees

Authorized facilities include development impact fees paid and not otherwise reimbursed, whether standard City or County fees levied at the time of the issuance of a building permit or required as part of the DA for the property. Fees include, but are not limited to, City Traffic Fees, Placer Conservation Authority (PCA) Fee, the South Placer Regional Transportation Authority Tier II Traffic Fee, City of Roseville City Wide Park Fee, City of Roseville Public Facilities Fee, Pre-paid DA Fees, and Public Benefit Fee.

Formation, Administrative, and Incidental Expenses

In addition to the above facilities, other expenses incidental to the above and authorized by the Mello-Roos Community Facilities Act of 1982, including but not limited to: the cost of planning, permitting, and designing the facilities (including the cost of environmental evaluation, orthophotography, environmental remediation/mitigation monitoring, and preparation of an overarching Operation and Maintenance Plan for the City of Roseville Open Space Preserves); land acquisition and easement payments for the facilities; project management; construction staking; engineering studies and reports; utility relocation and demolition costs incidental to construction of the facilities, wetland/Species mitigation purchase; reimbursements to other areas for infrastructure facilities or planning serving development in the CFD; Amoruso Ranch Specific Plan planning, legal, engineering, technical studies costs related to the facilities and any other expenses incidental to the construction, completion, and inspection of the facilities.

In addition, costs eligible to be financed by the CFD shall include all costs associated with the formation and ongoing administration of the CFD and issuance of bonds; determination of the amount of taxes and collection of taxes; inspection, plan check and other costs related to acceptance of the facilities by the City, payment of taxes; and any other costs incurred to carry out the authorized purposes of the CFD.

AUTHORIZED SERVICES

The authorized services to be funded from the levy and collection of annual maintenance special taxes are the provision of public services, maintenance and operation related to any facilities authorized to be funded by the CFD with a useful life of five or more years, including but not limited to performance by employees of functions and repair activities. Maintenance as used herein includes replacement and the creation and funding of a reserve fund to pay for a replacement of such facilities. The maintenance special taxes shall only fund authorized services to the extent that they are in addition to those provided to land within the CFD prior to the creation of the CFD.

CITY COUNCIL OF THE CITY OF ROSEVILLE

RESOLUTION NO. 23-293

**A RESOLUTION DETERMINING NECESSITY TO INCUR BONDED INDEBTEDNESS
OF THE CITY COUNCIL OF THE CITY OF ROSEVILLE FOR THE CITY OF ROSEVILLE
AMORUSO RANCH COMMUNITY FACILITIES DISTRICT NO. 1
(PUBLIC FACILITIES)**

WHEREAS, on April 5, 2023, the City Council (the "City Council") of the City of Roseville (the "City") adopted a resolution entitled "A RESOLUTION OF INTENTION OF THE CITY COUNCIL OF THE CITY OF ROSEVILLE TO FORM A COMMUNITY FACILITIES DISTRICT, DESIGNATE AN IMPROVEMENT AREA THEREIN, ESTABLISH A FUTURE ANNEXATION AREA, PROVIDE FOR ADDITIONAL FUTURE IMPROVEMENT AREAS THEREIN, AND TO AUTHORIZE THE LEVY OF A SPECIAL TAX THEREIN TO FINANCE PUBLIC FACILITIES AND PUBLIC SERVICES IN AND FOR SUCH COMMUNITY FACILITIES DISTRICT" (the "Resolution of Intention"), stating its intention to form "City of Roseville Amoruso Ranch Community Facilities District No. 1 (Public Facilities)" (the "CFD"), and "City of Roseville Amoruso Ranch Community Facilities District No. 1 (Public Facilities) (Future Annexation Area)" (the "Future Annexation Area"), pursuant to the Mello-Roos Community Facilities Act of 1982, as amended, Chapter 2.5 of Part 1 of Division 2 of Title 5, commencing with Section 53311, of the California Government Code (the "Act"); and

WHEREAS, also in the Resolution of Intention, this Council further stated its intention to create an initial improvement area within the CFD and determined that it may be necessary to designate additional improvement areas in the CFD as a result of the annexation of territory from the Future Annexation Area (each, a "Future Improvement Area"); and

WHEREAS, on April 5, 2023, this City Council also adopted a resolution entitled "A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF ROSEVILLE OF INTENTION TO INCUR BONDED INDEBTEDNESS TO FINANCE THE ACQUISITION AND CONSTRUCTION OF CERTAIN PUBLIC FACILITIES IN AND FOR THE CITY OF ROSEVILLE AMORUSO RANCH COMMUNITY FACILITIES DISTRICT NO. 1 (PUBLIC FACILITIES) AND IMPROVEMENT AREAS THEREIN" (the "Resolution of Intention to Incur Indebtedness") stating its intention to incur bonded indebtedness secured by land within the boundaries of the CFD and the Future Annexation Area for the purpose of financing the costs of certain facilities specified in the Resolution of Intention; and

WHEREAS, this City Council has held a noticed public hearing as required by the Act about the determination to proceed with the formation of the CFD and the establishment of the Future Annexation Area, the provision of certain public facilities and services by the CFD and the rate and method of apportionment of the special tax to be levied within the CFD to pay the principal and interest on the proposed bonded indebtedness in the CFD and the administrative costs of the City relative to the CFD; and

WHEREAS, subsequent to the public hearing, this City Council adopted a resolution entitled "A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF ROSEVILLE TO FORM A COMMUNITY FACILITIES DISTRICT, DESIGNATE AN IMPROVEMENT AREA THEREIN, ESTABLISH A FUTURE ANNEXATION AREA, PROVIDE FOR ADDITIONAL FUTURE ANNEXATION AREAS THEREIN, AND TO AUTHORIZE THE LEVY OF A SPECIAL TAX

THEREIN TO FINANCE PUBLIC FACILITIES AND PUBLIC SERVICES IN AND FOR SUCH COMMUNITY FACILITIES DISTRICT” (the “Resolution of Formation”); and

WHEREAS, under the Act, for purposes of financing or contributing to the financing of public facilities, the City Council may designate areas within the CFD as separate improvement areas, and in the Resolution of Formation the City designated an area to be known as “Improvement Area No. 1” and provided that additional improvement areas may be designated as to parcels within the Future Annexation Area; and

WHEREAS, this City Council has also held a noticed public hearing as required by the Act relative to the matters material to the questions set forth in the Resolution of Intention to Incur Indebtedness; and

WHEREAS, no written protests with respect to the matters material to the questions set forth in the Resolution of Intention to Incur Indebtedness have been filed with the City Clerk.

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF ROSEVILLE RESOLVES AS FOLLOWS:

1. **Recitals.** The foregoing recitals are true and correct.

2. **Necessity.** This City Council deems it necessary to incur bonded indebtedness for the CFD, including the Future Annexation Area, in the maximum aggregate principal amount of \$594,000,000 (the “Authorization”), initially allocated as follows: (i) for Improvement Area No. 1, \$124,000,000 and (ii) for the Future Annexation Area, \$470,000,000 (the “Future Improvement Area Indebtedness Limit”) for the purpose of financing the costs of all or a portion of the facilities defined in the Resolution of Formation (the “Facilities”) for the property in the initial boundaries of the CFD, including, but not limited to, the costs of issuing and selling bonds to finance all or a portion of the Facilities and the costs of the City in establishing and administering the CFD.

In the event all or a portion of the Future Annexation Area is annexed as one or more Future Improvement Areas, the maximum indebtedness of each such Future Improvement Area shall be identified and approved in the Unanimous Approval (as defined in the Resolution of Formation) executed by property owners in connection with their annexation to the CFD, as described in the Resolution of Formation, at the time of the annexation as an allocation of the Future Improvement Area Indebtedness Limit, subject to review and approval by an authorized officer of the City, and the amount of the maximum indebtedness for the Future Improvement Area shall be subtracted from the Future Improvement Area Indebtedness Limit.

3. **Bonds for CFD.** Bonds in the maximum amounts set forth in the preceding section are hereby authorized subject to voter approval. Indebtedness subject to this limit shall only include indebtedness evidenced by bonds or notes secured by the special tax levied in the initial boundaries of the CFD, and shall not include bonds described in Section 53364.2(e) of the Act. The bonds may be issued in one or more series and mature and bear interest at such rate or rates, payable semiannually or in such other manner, all as the Council or its designee shall determine, at the time or times of sale of such bonds; provided, however, that the interest rate or rates shall not to exceed the maximum interest rate permitted by applicable law at the time of sale of the bonds and the bonds or any series thereof shall have a maximum term of not to exceed forty (40) years.

In the event all or a portion of the Future Annexation Area is annexed as one or more Future Improvement Areas, bonds in the maximum amount for each such Future Improvement Area shall be identified in the Unanimous Approval at the time of the annexation as an allocation of the Future Improvement Area Indebtedness Limit and the Unanimous Approval shall constitute the voter approval of such amount by the property owner or owners.

Bonds may be issued secured by special taxes of any single improvement area or any combination of improvement areas, in amounts not in excess of the bonded indebtedness authorization amounts established herein.

4. **Election.** The proposition of incurring the bonded indebtedness herein authorized shall be submitted to the qualified electors of the CFD and shall be consolidated with elections on the proposition of levying special taxes within the CFD and the establishment of an appropriations limit for the CFD pursuant to Section 53353.5 of the Act. The time, place and further particulars and conditions of such election shall be as specified by separate resolution of this City Council. The initial qualified electors of the CFD are the landowners of the parcels within Improvement Area No. 1. In the event all or a portion of the Future Annexation Area is annexed as one or more Future Improvement Areas, the Unanimous Approval shall constitute the voter approval of the proposition of incurring the bonded indebtedness with respect to such Future Improvement Area by the property owner or owners.

5. **Effective Date.** This Resolution shall take effect upon its adoption.

CITY COUNCIL OF THE CITY OF ROSEVILLE

RESOLUTION NO. 23-294

A RESOLUTION CALLING SPECIAL ELECTION OF THE CITY COUNCIL OF THE CITY OF ROSEVILLE REGARDING THE CITY OF ROSEVILLE AMORUSO RANCH COMMUNITY FACILITIES DISTRICT NO. 1 (PUBLIC FACILITIES)

WHEREAS, the City Council (the “City Council”) of the City of Roseville (the “City”) has adopted a resolution entitled “A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF ROSEVILLE TO FORM A COMMUNITY FACILITIES DISTRICT, DESIGNATE AN IMPROVEMENT AREA THEREIN, ESTABLISH A FUTURE ANNEXATION AREA, PROVIDE FOR ADDITIONAL FUTURE ANNEXATION AREAS THEREIN, AND TO AUTHORIZE THE LEVY OF A SPECIAL TAX THEREIN TO FINANCE PUBLIC FACILITIES AND PUBLIC SERVICES IN AND FOR SUCH COMMUNITY FACILITIES DISTRICT” (the “Resolution of Formation”), ordering the formation of the “City of Roseville Amoruso Ranch Community Facilities District No. 1 (Public Facilities)” (the “CFD”) and Improvement Area No. 1 therein, and “City of Roseville Amoruso Ranch Community Facilities District No. 1 (Public Facilities) (Future Annexation Area)”, authorizing the levy of a special tax on property within the CFD and preliminarily establishing an appropriations limit for the CFD, all pursuant to the Mello-Roos Community Facilities Act of 1982, Chapter 2.5 of Part 1 of Division 2 of Title 5, commencing with Section 53311, of the California Government Code (the “Act”); and

WHEREAS, this City Council has also adopted a resolution entitled “A Resolution Determining Necessity to Incur Bonded Indebtedness of the City Council of the City of Roseville for the City of Roseville Amoruso Ranch Community Facilities District No. 1 (Public Facilities)” (the “Resolution Determining Necessity”), determining the necessity to incur bonded indebtedness in the maximum aggregate principal amount of \$594,000,000 for the CFD, initially allocated as follows: (i) for Improvement Area No. 1, \$124,000,000 and (ii) for the portion of the CFD that is not in Improvement Area No. 1, \$470,000,000, pursuant to the Act; and

WHEREAS, pursuant to the provisions of the Resolution of Formation and the Resolution Determining Necessity, the propositions of the levy of the special tax, the establishment of the appropriations limit and the incurring of the bonded indebtedness shall be submitted to the qualified electors of the CFD as required by the provisions of the Act.

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF ROSEVILLE RESOLVES AS FOLLOWS:

1. **Issues Submitted.** Pursuant to Sections 53326, 53351 and 53325.7 of the Act, the issues of the levy of the special tax, the incurring of bonded indebtedness and the establishment of the appropriations limit for the initial boundaries of the CFD shall be submitted to the qualified electors (as defined below) of the CFD at an election called therefor as provided below.

2. **Qualified Electors.** This City Council hereby finds that fewer than 12 persons have been registered to vote within the territory of the CFD for each of the 90 days preceding the close of the public hearings heretofore conducted and concluded by this Council for the purposes of these proceedings. Accordingly, and pursuant to Section 53326 of the Act, this City Council finds that, for these proceedings, the qualified electors are the landowners within the

CFD and that the vote shall be by such landowners or their authorized representatives, each having one vote for each acre or portion thereof such landowner owns in the CFD as of the close of the public hearings.

3. **Conduct of Election.** This City Council hereby calls a special election to consider the measures described in section 1 above, which election shall be held on June 21, 2023, and the results thereof canvassed at the meeting of this City Council on June 21, 2023. The City Clerk is hereby designated as the official to conduct the election and to receive all ballots until 6:00 p.m. on the election date. It is hereby acknowledged that the City Clerk has on file the Resolution of Formation, a certified map of the boundaries of the CFD, and a sufficient description to allow the City Clerk to determine the electors of the CFD. Pursuant to Section 53327 of the Act, the election shall be conducted by messenger or mail-delivered ballot pursuant to Section 4000 of the California Elections Code. This City Council hereby finds that paragraphs (a), (b), and (c) (1) of Section 4000 and Section 4108 are applicable to this special election, except that Sections 53326 and 53327 of the Act shall govern for purposes of determining the date of the election.

4. **Ballot.** As authorized by Section 53353.5 of the Act, the three propositions described in section 1 above shall be combined into a single ballot measure, the form of which is attached hereto as Exhibit "A" and by this reference incorporated herein and the form of ballot is hereby approved. The City Clerk is hereby authorized and directed to cause a ballot, in substantially the form of Exhibit "A," to be delivered to each of the qualified electors of the CFD. Each ballot shall indicate the number of votes to be voted by the respective landowner to which the ballot pertains. Each ballot shall be accompanied by all supplies and written instructions necessary for the use and return of the ballot. The envelope to be used to return the ballot was enclosed with the ballot, had the return postage prepaid, and contained the following: (a) the name and address of the landowner, (b) a declaration, under penalty of perjury, stating that the voter is the owner of record or authorized representative of the landowner entitled to vote and is the person whose name appears on the envelope, (c) the printed name, signature and address of the voter, (d) the date of signing and place of execution of the declaration pursuant to clause (b) above, and (e) a notice that the envelope contains an official ballot and is to be opened only by the election official.

5. **Waivers.** This Council hereby further finds that the provisions of Section 53326 of the Act requiring a minimum of 90 days following the adoption of the Resolution of Formation to elapse before the special election are for the protection of the qualified electors of the CFD. There is on file with the City Clerk a written waiver executed by all of the qualified electors of the CFD allowing for a shortening of the time for the special election to expedite the process of formation of the CFD and waiving any requirement for notice, analysis and arguments in connection with the election. Accordingly, this Council finds and determines that the qualified electors have been fully apprised of and have agreed to the shortened time for the election and waiver of analysis and arguments, and have thereby been fully protected in these proceedings. This Council also finds and determines that the City Clerk has concurred in the shortened time for the election. Analysis and arguments with respect to the ballot measures are hereby waived, as provided in Section 53327 of the Act.

6. **Accountability.** The City Council hereby finds that the proposed debt issuance constitutes a "local bond measure" within the meaning of Sections 53410, et seq. of the California Government Code. As a result, the bond measure shall include the propositions set forth above and the following: (a) the specific purpose of the bonds shall be as set forth in the propositions; (b) any proceeds received from the sale of any bonds shall be applied only to the

purposes set forth in the propositions; (c) the proceeds of any bonds shall be deposited into special accounts to be created therefor as part of the issuance of the bonds; and (d) the City shall cause a report to be prepared annually under Section 53411 of the Government Code.

7. **Effective Date.** This Resolution shall take effect upon its adoption.

**OFFICIAL BALLOT
SPECIAL TAX ELECTION**

This ballot is for a special, landowner election. You must return this ballot in the enclosed postage paid envelope to the office of the City Clerk of the City of Roseville no later than the hour of 6:00 p.m. on June 21, 2023, either by mail or in person. The City Clerk's office is located at 311 Vernon Street, Roseville, California 95678.

To vote, mark a cross (X) on the voting line after the word "YES" or after the word "NO". All marks otherwise made are forbidden. All distinguishing marks are forbidden and make the ballot void. If you wrongly mark, tear, or deface this ballot, return it to the City Clerk of the City of Roseville and obtain another.

The amount of money to be raised annually by the special tax within the initial boundary of the CFD is \$1,713,000 in the base year (and subject to escalation annually), the duration of the special tax is perpetual, and the rate of the special tax shall be determined in accordance with the rate, method of apportionment, and manner of collection of special tax for the CFD.

BALLOT MEASURE: Shall the measure pursuant to which (i) the City of Roseville shall incur an indebtedness and issue bonds in the maximum aggregate principal amount of not to exceed \$594,000,000 (the "Authorization"), initially allocated as follows: (i) for Improvement Area No. 1, \$124,000,000 and (ii) for the Future Annexation Area, \$470,000,000, (excluding bonds described in Section 53364.2(e) of the California Government Code) with interest at a rate or rates not to exceed the maximum interest rate permitted by law at the time of sale of such bonds on behalf of the City of Roseville Amoruso Ranch Community Facilities District No. 1 (Public Facilities) (the "CFD"), the proceeds of which bonds will be used to acquire and/or construct certain facilities and pay for the costs of issuing the bonds and related expenses; (ii) a special tax payable solely from lands within the CFD shall be levied annually, commencing in the City's fiscal year 2023-24, upon lands within the CFD to pay for the principal and interest upon such bonds, to pay the costs of the City in administering the CFD, and to pay for the costs of acquiring and/or constructing certain facilities and pay for certain public services; and (iii) the annual appropriations limit of the CFD shall be established in an amount equal to the bond authorization be adopted?	YES: _____ NO: _____
---	---

By execution in the space provided below, you also indicate your waiver of (i) the time limit pertaining to the conduct of the election, (ii) any requirement for analysis and arguments with respect to the ballot measure, and (iii) any irregularity in the proceedings that may be claimed as a result of the application of such waivers.

CITY COUNCIL OF THE CITY OF ROSEVILLE

RESOLUTION NO. 23-295

**A RESOLUTION DECLARING RESULTS OF SPECIAL ELECTION AND DIRECTING
RECORDING OF NOTICE OF SPECIAL TAX LIEN REGARDING CITY OF ROSEVILLE
AMORUSO RANCH COMMUNITY FACILITIES DISTRICT NO. 1
(PUBLIC FACILITIES)**

WHEREAS, the City Council (the "City Council") of the City of Roseville (the "City") has adopted a resolution entitled "A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF ROSEVILLE TO FORM A COMMUNITY FACILITIES DISTRICT, DESIGNATE AN IMPROVEMENT AREA THEREIN, ESTABLISH A FUTURE ANNEXATION AREA, PROVIDE FOR ADDITIONAL FUTURE ANNEXATION AREAS THEREIN, AND TO AUTHORIZE THE LEVY OF A SPECIAL TAX THEREIN TO FINANCE PUBLIC FACILITIES AND PUBLIC SERVICES IN AND FOR SUCH COMMUNITY FACILITIES DISTRICT" (the "Resolution of Formation"), ordering the formation of the "City of Roseville Amoruso Ranch Community Facilities District No. 1 (Public Facilities)" (the "CFD") and Improvement Area No. 1 therein, and "City of Roseville Amoruso Ranch Community Facilities District No. 1 (Public Facilities) (Future Annexation Area)", authorizing the levy of a special tax on property within the CFD and preliminarily establishing an appropriations limit for the CFD, all pursuant to the Mello-Roos Community Facilities Act of 1982, Chapter 2.5 of Part 1 of Division 2 of Title 5, commencing with Section 53311, of the California Government Code (the "Act"); and

WHEREAS, this City Council has also adopted a resolution entitled "A RESOLUTION DETERMINING NECESSITY TO INCUR BONDED INDEBTEDNESS OF THE CITY COUNCIL OF THE CITY OF ROSEVILLE FOR THE CITY OF ROSEVILLE AMORUSO RANCH COMMUNITY FACILITIES DISTRICT NO. 1 (PUBLIC FACILITIES)" (the "Resolution of Necessity"), determining the necessity to incur bonded indebtedness in the maximum aggregate principal amount of \$594,000,000 for the CFD, initially allocated as follows: (i) for Improvement Area No. 1, \$124,000,000 and (ii) for the portion of the CFD that is not in Improvement Area No. 1, \$470,000,000, pursuant to the Act; and

WHEREAS, under the provisions of the Resolution of Formation and the Resolution Necessity and pursuant to "A RESOLUTION CALLING SPECIAL ELECTION OF THE CITY COUNCIL OF THE CITY OF ROSEVILLE REGARDING THE CITY OF ROSEVILLE AMORUSO RANCH COMMUNITY FACILITIES DISTRICT NO. 1 (PUBLIC FACILITIES)" (the "Election Resolution") heretofore adopted by this City Council the propositions of the levy of the special tax, the establishment of the appropriations limit and the incurring of the bonded indebtedness were submitted to the qualified electors of the CFD as required by the provisions of the Act; and

WHEREAS, pursuant to the terms of the Election Resolution, which are by this reference incorporated herein, the special election has been held and the City Clerk has on file a Canvass and Statement of Results of Election (the "Canvass"), a copy of which is attached hereto as Exhibit A; and

WHEREAS, this City Council has reviewed the Canvass, finds it appropriate and wishes to complete its proceedings for the CFD.

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF ROSEVILLE RESOLVES AS FOLLOWS:

1. **Recitals.** The foregoing recitals are all true and correct.
2. **Issues Presented.** The issues presented at the special election were the levy of a special tax within the CFD, the incurring of a bonded indebtedness in the maximum aggregate principal amount of \$594,000,000 for the CFD, initially allocated as follows: (i) for Improvement Area No. 1, \$124,000,000 and (ii) for the portion of the CFD that is not in Improvement Area No. 1, \$470,000,000, and the approval of an annual appropriations limit in an amount equal to the bond authorization, all pursuant to the Resolution of Formation and the Resolution of Necessity.
3. **Canvass and Issues Approved.** The Council hereby approves the Canvass and finds that it shall be a permanent part of the record of its proceedings for the CFD. Pursuant to the Canvass, the issues presented at the special election were approved by the qualified electors of the CFD by more than two-thirds (2/3) of the votes cast at the special election.
4. **Proceedings Approved.** Pursuant to the voter approval, the CFD is hereby declared to be fully formed with the authority to levy the special taxes, to incur the approved bonded indebtedness and to have the established appropriations limit, all as heretofore provided in these proceedings and in the Act. It is hereby found that all prior proceedings and actions taken by this City Council with respect to the CFD were valid and in conformity with the Act.
5. **Notice of Tax Lien.** The City Clerk is hereby directed to complete, execute and cause to be recorded in the office of the County Recorder of the County of Placer a notice of special tax lien in the form required by the Act, such recording to occur no later than fifteen (15) days following adoption by the Council of this Resolution.
6. **Effective Date.** This Resolution shall take effect upon its adoption.

ORDINANCE NO. 6689

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROSEVILLE LEVYING SPECIAL TAXES WITHIN CITY OF ROSEVILLE AMORUSO RANCH COMMUNITY FACILITIES DISTRICT NO. 1 (PUBLIC FACILITIES)

WHEREAS, on April 5, 2023, this City Council (the "City Council") of the City of Roseville (the "City"), adopted a resolution stating its intention to establish "City of Roseville Amoruso Ranch Community Facilities District No. 1 (Public Facilities)" (the "CFD") and Improvement Area No. 1 therein, and "City of Roseville Amoruso Ranch Community Facilities District No. 1 (Public Facilities) (Future Annexation Area)" (the "Future Annexation Area") pursuant to the Mello-Roos Community Facilities Act of 1982, as amended, sections 53311, *et. seq.*, of the California Government Code (the "Act"), to finance certain public services and the acquisition and construction of certain facilities; and

WHEREAS, parcels within the Future Annexation Area shall be annexed to the CFD only with the unanimous approval (each, a "Unanimous Approval") of the owner or owners of each parcel or parcels at the time that parcel or those parcels are annexed to the CFD, without any requirement for further public hearings or additional proceedings; and

WHEREAS, in connection with any future annexation, the City may designate a parcel or parcels as an improvement area (each, a "Future Improvement Area") within the CFD without additional hearings or procedures, and thereafter all proceedings for approval of the appropriations limit, the rate and method of apportionment and manner of collection of special taxes, and the authorization to incur bonded indebtedness for the improvement area, which may be different from other areas of the CFD, shall apply only to the Future Improvement Area; and

WHEREAS, notice was published as required by the Act relative to the intention of this City Council to form the CFD and the Future Annexation Area, to provide for certain facilities and services, and to incur bonded indebtedness for the initial boundaries of the CFD; and

WHEREAS, this City Council has held noticed public hearings as required by the Act relative to (i) the determination to proceed with the formation of the CFD and the Future Annexation Area, and the rate and method of apportionment of the special tax to be levied within the CFD to finance a portion of the costs of the facilities and services and (ii) the issuance of not to exceed \$ \$594,000,000 of bonded indebtedness (the "Authorization"), initially allocated as follows: (i) for Improvement Area No. 1, \$124,000,000 and (ii) for the Future Annexation Area, \$470,000,000, secured by the special tax levied in the initial boundaries of the CFD (excluding bonds described in Section 53364.2(e) of the California Government Code) for the CFD; and

WHEREAS, at said hearing all persons desiring to be heard on all matters pertaining to the formation of the CFD and the Future Annexation Area, and the levy of said special taxes within the CFD were heard, substantial evidence was presented and considered by this City Council and a full and fair hearing was held; and

WHEREAS, subsequent to the hearing, this City Council adopted resolutions entitled "A Resolution of the City Council of the City of Roseville to Form a Community Facilities District,

Designate an Improvement Area Therein, Establish a Future Annexation Area, Provide for Additional Future Improvement Areas Therein, and to Authorize the Levy of a Special Tax Therein to Finance Public Facilities and Public Services in and for such Community Facilities District (the "Resolution of Formation"), "A Resolution Determining Necessity to Incur Bonded Indebtedness of the City Council of the City of Roseville for the City of Roseville Amoruso Ranch Community Facilities District No. 1 (Public Facilities)" (the "Resolution of Necessity") and "A Resolution Calling Special Election of the City Council of the City of Roseville Regarding the City of Roseville Amoruso Ranch Community Facilities District No. 1 (Public Facilities)," which resolutions defined the public facilities and services to be financed by the CFD (the "Facilities" and "Services," respectively), established the CFD and the Future Annexation Area, authorized the levy of a special tax with the CFD, determined the necessity to incur bonded indebtedness in the CFD and called an election within the CFD on the propositions of incurring indebtedness, levying a special tax, and establishing an appropriations limit within the CFD, respectively; and

WHEREAS, on June 21, 2023, a special election was held within the CFD at which the eligible landowner-electors approved such propositions by the two-thirds vote required by the Act.

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ROSEVILLE, as follows:

Section 1. By the passage of this Ordinance, the City Council hereby authorizes and levies special taxes within the CFD (including any parcels in the Future Annexation Area that annex into the CFD) and each Future Improvement Area, if any, pursuant to the Act, at the rate and in accordance with the rate and method of apportionment of special tax for Improvement Area No. 1 of the CFD set forth as an exhibit to the Resolution of Formation or the rate and method of apportionment of special tax for the Future Improvement Area set forth in the Unanimous Approval(s) for such Future Improvement Area (each, a "Rate and Method"), which Resolution of Formation and Unanimous Approval(s) are by this reference incorporated herein. For Future Improvement Areas, a different rate and method may be adopted if the annexed territory is designated as a separate improvement area, as provided in the Resolution of Formation. The special taxes for the payment of Facilities and Services are hereby levied commencing in fiscal year 2023-24 and in each fiscal year thereafter as provided in each applicable Rate and Method. A special tax shall not be levied to finance the Facilities and Services after the fiscal year identified in the applicable Rate and Method, except that a special tax that was lawfully levied in or before the final tax year and that remains delinquent may be collected in subsequent years.

Section 2. The Chief Financial Officer of the City is hereby authorized and directed each fiscal year to determine the specific special tax rate and amount to be levied for the next ensuing fiscal year for each parcel of real property within the CFD and each Future Improvement Area, if any, in the manner and as provided in the Resolution of Formation.

Section 3. Except as set forth in the Rate and Method, properties or entities of the State, federal or local governments shall be exempt from any levy of the special taxes. In no event shall the special taxes be levied on any parcel within the CFD (including any parcels in the Future Annexation Area that annex into the CFD) or a Future Improvement Area, if any, in excess of the maximum tax specified in the Resolution of Formation and the applicable Rate and Method.

Section 4. All of the collections of the special tax shall be used as provided for in the Act, the applicable Rate and Method and in the Resolution of Formation including, but not limited to, the payment of principal and interest on bonds secured by the special taxes (the "Bonds"), the replenishment of the reserve fund for the Bonds, the payment of the costs of the Facilities and Services, the payment of the costs of the City in administering the CFD (including any parcels in the Future Annexation Area that annex into the CFD), or a Future Improvement Area, if any, and the costs of collecting and administering the special tax.

Section 5. The special taxes shall be collected in the same manner as ordinary ad valorem taxes are collected and shall have the same lien priority, and be subject to the same penalties and the same procedure and sale in cases of delinquency as provided for ad valorem taxes; provided, however, that this City Council may provide for other appropriate methods of collection by resolutions of this City Council. In addition, the provisions of Section 53356.1 of the Act shall apply to delinquent special tax payments. The Chief Financial Officer of the City is hereby authorized and directed to provide all necessary information to the auditor/tax collector of the County of Placer in order to effect proper billing and collection of the special tax, so that the special tax shall be included on the secured property tax roll of the County of Placer for fiscal year 2023-20 and for each fiscal year thereafter as provided in each applicable Rate and Method.

Section 6. If for any reason any portion of this Ordinance is found to be invalid, or if the special tax is found inapplicable to any particular parcel within the CFD (including any parcels in the Future Annexation Area that annex into the CFD), or a Future Improvement Area, if any, by a court of competent jurisdiction, the balance of this Ordinance and the application of the special tax to the remaining parcels within the CFD or a Future Improvement Area, if any, shall not be affected.

Section 7. The Mayor shall sign this Ordinance and the City Clerk shall cause the same to be published within fifteen (15) days after its passage at least once in a newspaper of general circulation published and circulated in the City.

Section 8. This Ordinance shall take effect 30 days from the date of final passage.

NOTICE OF SPECIAL TAX LIEN

CITY OF ROSEVILLE
AMORUSO RANCH COMMUNITY FACILITIES DISTRICT NO. 1
(PUBLIC FACILITIES)
COUNTY OF PLACER, STATE OF CALIFORNIA

Pursuant to the requirements of Section 3114.5 of the Streets and Highways Code and Section 53328.3 of the Government Code, the undersigned, City Clerk of the City of Roseville, hereby gives notice that a lien to secure payment of a special tax which the City Council of the City of Roseville, County of Placer, State of California is authorized to levy is hereby imposed. The special tax secured by this lien is authorized to be levied for the purpose of paying for the facilities and services described in Exhibit A attached hereto, including paying principal and interest on bonds, the proceeds of which are being used to finance facilities, paying the cost of administering the CFD (defined below) and the incidental expenses related thereto.

The special tax is authorized to be levied within City of Roseville Amoruso Ranch Community Facilities District No. 1 (Public Facilities) (the "CFD") which has now been officially formed and the lien of the special tax is a continuing lien which shall secure each annual levy of the special tax and which shall continue in force and effect until the special tax obligation is prepaid, permanently satisfied, and canceled in accordance with law, or until the special tax ceases to be levied and a notice of cessation of special tax is recorded in accordance with Section 53330.5 of the Government Code.

The rate and method of apportionment of the authorized special tax is shown on Exhibit B attached hereto and hereby incorporated herein by this reference. The special tax authorized to be levied in the CFD is comprised of a component to be used to finance facilities and component to be used to finance services. Conditions under which the obligation to pay the component of the special tax to be used to facilities may be prepaid and permanently satisfied is set forth in Exhibit B. The special tax proceeds to be used for services is not levied simultaneously with the levy of the special tax to be used for facilities, and may not be prepaid; the special tax to be used for services commences at the time the special tax for facilities is no longer levied on any property within the CFD.

Notice is further given that upon the recording of this notice in the office of the county recorder, the obligation to pay the special tax levy shall become a lien upon all nonexempt real property within the CFD in accordance with Section 3115.5 of the Streets and Highways Code.

The names of the owners and the assessor's parcel numbers of the real property included within this community facilities district and not exempt from the special tax are set forth on Exhibit C hereto.

Reference is made to the Boundary Map of the CFD recorded in the Placer County Recorder's Office on April 11, 2023 in Book 4 at Page 83, as Document No. 2023-0018570 of Maps of Assessment and Community Facilities Districts, which map is now the final boundary map of the CFD. The map includes a designated improvement area and a future annexation area.

For further information concerning the current and estimated future tax liability of owners or purchasers of real property subject to this special tax lien, interested persons should contact the Finance Director, City of Roseville, 311 Vernon Street, Roseville, CA 95678.

Dated: _____, 2023

City Clerk of the City of Roseville

EXHIBIT A

List of Authorized Facilities And Services

AUTHORIZED FACILITIES

Transportation Improvements

Public roadway improvements designed to meet the needs of the project, including those improvements identified in the project Development Agreement (DA), including but not limited to;

- Westbrook Boulevard
- West Sunset Boulevard

Eligible roadway improvements include the following items: acquisition of land and easements; roadway design; project management; geotechnical engineering, testing and observations; bridge crossings and culverts; clearing, grubbing, and demolition; grading, intract subdivision roadway improvements, soil import/export, paving (including slurry seal), and decorative/enhanced pavement concrete or pavers; power pole relocations; joint trenches, underground utilities, and undergrounding of existing utilities; dry utilities and appurtenances; curbs, gutters, sidewalks, bike trails (including on- and off-site), park and ride facilities, bus rapid transit improvements, including transfer stations and regional public transit improvements; retaining walls, sound walls, enhanced fencing, and access ramps; street lights, signalization, and traffic signal control systems; bus turnouts; signs and striping; erosion control; median and parkway landscaping and irrigation; entry monumentation; bus shelters; masonry walls; traffic control and agency fees; and other improvements related thereto. Eligible improvements for the roads listed above also include any and all necessary underground potable and non-potable water, sanitary sewer, dry utilities, and storm drainage system improvements.

Potable and Non-Potable Water System Improvements

Authorized facilities include any and all on- and off-site backbone water facilities designed to meet the needs of development of the project. These facilities include potable and non-potable mains, valves, services, and appurtenances; wells; and water treatment and storage facilities, and related improvements, including but not limited to: site clearing, grading, and paving; curbs and gutters; recycled water storage tanks, booster pump stations, and all appurtenances thereto; wells; water treatment; stand-by generator; site lighting, drainage, sanitary sewer, and water service; landscaping and irrigation; access gates and fencing; striping and signage; and the following:

- Water lines in/associated with authorized facility roads
- Recycled water lines in/associated with authorized facility roads
- Well construction or financial contributions thereto
- Water Tank Site Improvements
- Recycled Water Storage Tank Facility or financial contributions thereto

Drainage System Improvements

Authorized facilities include any and all on- and off-site backbone drainage and storm drainage improvements designed to meet the needs of development of the project. These facilities include mains, pipelines and appurtenances, outfalls and water quality measures, temporary drainage facilities, detention/retention basins, and drainage pretreatment facilities; drainage ways/channels, pump stations, landscaping, and irrigation; access roads, gates, and fencing; striping and signage; and the following:

- All storm drain lines and facilities in/associated with authorized facility roadways
- Retention, detention, hydro-modification, and other drainage facilities

Wastewater System Improvements

Authorized facilities include any and all on- and off-site backbone wastewater facilities designed to meet the needs of development of the project. These facilities include pipelines and all appurtenances thereto; manholes; tie-in to existing main line; force mains; lift stations; storage tanks; odor-control facilities; sewer treatment plant improvements and permitting related thereto; and related sewer system improvements, including but not limited to:

- All wastewater facilities in/associated with authorized facility roadways
- Sewer pump station/lift station

Solid Waste Improvements

Authorized facilities include any and all backbone solid waste improvements designed to meet the needs of development of the project. Eligible improvements also include the project's pro-rata contribution to shared facilities.

Park, Landscape Corridor and Paseo Improvements

Authorized facilities include any and all improvements to parks, landscape corridors and paseos located in the project, including but not limited to:

- Construction of Park Sites
- Construction of Paseos
- Construction of Trails

Open Space Improvements

Authorized facilities include any and all open space improvements designed to meet the needs of development of the project, including bike trails, bike/pedestrian bridges, storm drain crossings, storm drain detention/retention, wetland mitigation, tree mitigation, on-and off-site hawk/raptor mitigation, agricultural mitigation or other environmental mitigation, property acquisition, endowment payments/PCA fees for open space management monitoring, landscaping and irrigation, access gates and fencing, and related open space improvements, including but not limited to:

- Improvements related to all Preserved and General Open Space Parcels
- Wetland creation mitigation monitoring, fencing, etc.

Utilities

Authorized facilities include any and all on- and off-site utility improvements designed to meet the needs of development of the project. All utility improvements, easement payments, and land acquisition not located under or alongside transportation improvements are considered authorized facilities. Authorized facilities also shall include costs related to the off-site electric substation site; site clearing; grading; street frontage improvements, including curbs, gutters, and paving; and construction of an all-weather access road to the site from the nearest public street or extension of temporary overhead lines as described in the project DA, including but not limited to:

- Electric Substation improvements

Other Public Facilities

Authorized facilities include any and all public facilities or infrastructure, including the project's improvements to the fire station site, site clearing, grading, and street frontage improvements including curbs, gutters, and paving.

Development Impact Fees

Authorized facilities include development impact fees paid and not otherwise reimbursed, whether standard City or County fees levied at the time of the issuance of a building permit or required as part of the DA for the property. Fees include, but are not limited to, City Traffic Fees, Placer Conservation Authority (PCA) Fee, the South Placer Regional Transportation Authority Tier II Traffic Fee, City of Roseville City Wide Park Fee, City of Roseville Public Facilities Fee, Pre-paid DA Fees, and Public Benefit Fee.

Formation, Administrative, and Incidental Expenses

In addition to the above facilities, other expenses incidental to the above and authorized by the Mello-Roos Community Facilities Act of 1982, including but not limited to: the cost of planning, permitting, and designing the facilities (including the cost of environmental evaluation, orthophotography, environmental remediation/mitigation monitoring, and preparation of an overarching Operation and Maintenance Plan for the City of Roseville Open Space Preserves); land acquisition and easement payments for the facilities; project management; construction staking; engineering studies and reports; utility relocation and demolition costs incidental to construction of the facilities, wetland/Species mitigation purchase; reimbursements to other areas for infrastructure facilities or planning serving development in the CFD; Amoroso Ranch Specific Plan planning, legal, engineering, technical studies costs related to the facilities and any other expenses incidental to the construction, completion, and inspection of the facilities.

In addition, costs eligible to be financed by the CFD shall include all costs associated with the formation and ongoing administration of the CFD and issuance of bonds; determination of the amount of taxes and collection of taxes; inspection, plan check and other costs related to acceptance of the facilities by the City, payment of taxes; and any other costs incurred to carry out the authorized purposes of the CFD.

AUTHORIZED SERVICES

The authorized services to be funded from the levy and collection of annual maintenance special taxes are the provision of public services, maintenance and operation related to any facilities authorized to be funded by the CFD with a useful life of five or more years, including but not limited to performance by employees of functions and repair activities. Maintenance as used herein includes replacement and the creation and funding of a reserve fund to pay for a replacement of such facilities. The maintenance special taxes shall only fund authorized services to the extent that they are in addition to those provided to land within the CFD prior to the creation of the CFD.

EXHIBIT B

Rate and Method of Apportionment

[INSERT RMA]

EXHIBIT B

Improvement Area No. 1 of the
City of Roseville
Amoruso Ranch Community Facilities District No. 1

(Public Facilities)
Placer County, State of California

RATE, METHOD OF APPORTIONMENT, AND
MANNER OF COLLECTION OF SPECIAL TAX

1. Basis of Special Tax Levy

A Special Tax authorized under the Mello-Roos Community Facilities Act of 1982 (Act) applicable to the land in Improvement Area No. 1 of the City of Roseville Amoruso Ranch Community Facilities District No. 1 (Public Facilities) shall be levied and collected according to the tax liability determined by the City through the application of the appropriate amount or rate, as described below.

2. Definitions

"Acre" or **"Acreage"** means the land area of an Assessor's Parcel as shown on an Assessor's Parcel Map, or if the land area is not shown on an Assessor's Parcel Map, the land area shown on the applicable final map or other Development Plan.

"Act" means the Mello-Roos Community Facilities Act of 1982, as amended, Sections 53311 and following of the California Government Code.

"Administrative Expenses" means the actual or reasonably estimated costs related to the administration of Improvement Area No. 1, including, but not limited to, these for Improvement Area No. 1:

- a. Costs of computing Special Taxes and preparing annual Special Tax collection schedules (whether by the City or any designee thereof or both).
- b. Costs of collecting the Special Taxes (whether by the County, the City, or otherwise).
- c. Costs of remitting the Special Taxes to the Trustee.
- d. Costs of the Trustee (including its legal counsel) in the discharge of the duties required of it under the Bond Indenture.
- e. Costs to the City, CFD, or any designee thereof, of complying with arbitrage rebate requirements.

- f. Costs to the City, CFD, or any designee thereof, of complying with City, CFD, or Master Builder disclosure requirements.
- g. Costs associated with preparing Special Tax disclosure statements.
- h. Costs incurred in responding to public inquiries regarding the Special Taxes.
- i. Costs to the City, CFD, or designee thereof related to any appeal of the Special Taxes.
- j. Costs associated with the release of funds from an escrow account, if any.
- k. Costs to the City for the issuance of Bonds authorized by the CFD that are not recovered through the Bond sale proceeds.
- l. Amounts estimated to be advanced or already advanced by the City for any other administrative purposes, including attorney's fees and other costs related to collection of the Special Taxes and commencing and pursuing to completion any foreclosure of delinquent Special Taxes.

“Administrator” means a City official in the Finance Department, or their designee responsible for determining or overseeing the levy and collection of the Special Taxes.

“Affordable Housing Director” means, at any point in time, the person in the City who serves as head of the department that is in charge of the City's affordable housing program.

“Affordable Unit” means a Unit built on a Residential Use Parcel for which an Affordable Unit agreement has been entered into for the property designating the Unit as affordable. A Multifamily Parcel may have only a portion of the Units assigned as Affordable Units. The City Manager, or his or her designee, shall determine which Units are designated as Affordable Units and maintain an Affordable Unit listing, which shall contain all designated buildable parcels by tract and lot number, and in the case of Large Lot Parcels remaining before May 1 of the preceding Fiscal Year, the number of designated Affordable Units for each such Large Lot Parcel; all entries shall indicate the effective date of designation. The Affordable Unit listing also shall be updated to reflect those Units no longer qualifying as Affordable Units, also known as Market-Rate Units. The Affordable Unit listing, which shall contain all qualifying Affordable Units as of April 30, shall be made available to the Administrator by July 1 of each year for purposes of determining the Maximum Annual Special Tax for Parcels pursuant to **Section 4**.

“Annexation Parcels” means a Parcel or Parcels annexed to Improvement Area No. 1 of the CFD after formation. The Maximum Annual Special Tax will be assigned to Parcels in the annexation area using the provisions of **Section 4**.

“Annual Facilities Costs” means, for any Fiscal Year, the total of these for Improvement Area No. 1:

- a. Debt Service to be paid from Facilities Special Taxes.

- b. The amount needed to replenish the reserve fund for the Bonds to the level required under the Bond Indenture, to the extent not included in a computation of Annual Facilities Costs in a previous Fiscal Year.
- c. Administrative Expenses for such Fiscal Year.
- d. The amount needed to (1) cure any delinquencies in the payment of the Facilities Special Tax in the prior Fiscal Year, to the extent not otherwise included in a computation of Annual Facilities Costs in the current or any previous Fiscal Year, and (2) to fund any foreseeable deficiency in the payment of the Facilities Special Tax for that Fiscal Year which is expected to occur in such Fiscal Year, to the extent not included in a computation of Annual Facilities Costs in the current or any previous Fiscal Year.
- e. Authorized Pay-As-You-Go Costs so long as the inclusion of these costs does not increase the Special Tax levy on Undeveloped Property, Large Lot Parcels, Small Lot Tentative Map Parcel, or Final Use Small Lot Parcels.
- f. During the Deferral Bonding Period, the amount needed to pay Development Impact Fee Deferrals not financed by Bonds.
- g. Less any available earnings on any reserve fund or Facilities Special Tax funds, available capitalized interest or any other available revenues of Improvement Area No. 1 or the City that may be used to fund Annual Facilities Costs.

"Annual Maintenance Costs" means, for any Fiscal Year, the total of these for Improvement Area No. 1:

- a. Authorized Services costs to be paid from Maintenance Special Taxes.
- b. Administrative Expenses for such Fiscal Year.
- c. The amount needed to (1) cure any delinquencies in the payment of the Maintenance Special Tax in the prior Fiscal Year, to the extent not otherwise included in a computation of Annual Maintenance Costs in the current or any previous Fiscal Year, and (2) to fund any foreseeable deficiency in the payment of the Maintenance Special Tax for that Fiscal Year which is expected to occur in such Fiscal Year, to the extent not included in a computation of Annual Maintenance Costs in the current or any previous Fiscal Year.
- d. Less any available earnings on any reserve fund, Maintenance Special Tax funds or any other available revenues of Improvement Area No. 1 or the City that may be used to fund Annual Maintenance Costs.

"Anticipated Construction Proceeds" means the amount anticipated to be available through Improvement Area No. 1 for acquiring or constructing Authorized Facilities, which is equal to \$27.8 million at formation of Improvement Area No. 1 of the CFD. This amount is increased on July 1 of the current Fiscal Year for the prior calendar year by the average increase in the ENR-CCI.

“Assessor’s Parcel” means a lot or Parcel with an assigned Assessor’s Parcel Number in the maps used by the County Assessor in preparing the tax roll.

“Assessor’s Parcel Map” means an official map of the County Assessor designating Parcels by Assessor’s Parcel Number.

“Assessor’s Parcel Number” means the Parcel and Parcel Number as assigned by the County Assessor on the equalized tax roll.

“Assigned Maximum Annual Special Tax” means the maximum Facilities Special Tax or Maintenance Special Tax assigned to each Large Lot Parcel that is an Original Parcel based on the Expected Land Uses for Improvement Area No. 1 at the CFD formation, or at annexation, as shown in **Attachment 1**.

“Authorized Facilities” means those facilities and fees to be financed by the CFD (including Improvement Area No. 1), as identified in the resolution forming the CFD.

“Authorized Services” means those services authorized to be funded by the CFD (including Improvement Area No. 1), as defined in the resolution forming the CFD.

“Base Year” means the Fiscal Year beginning July 1, 2023, and ending June 30, 2024.

“Benefit Share” means the Maximum Annual Facilities Special Tax for a Parcel divided by the Maximum Annual Facilities Special Tax Revenue for all Taxable Parcels at their assigned Maximum Annual Facilities Special Tax.

“Bond(s)” means any bond(s) issued by the City for Improvement Area No. 1 under the Act secured by Special Taxes and any other debt, as defined in the Act, the City incurs that is secured by Special Taxes to further the CFD’s purposes.

“Bond Indenture(s)” means the indenture(s), resolution(s), fiscal agent agreement(s), or other financing document(s) pursuant to which any Bonds are issued.

“Bond Share” means the share of Outstanding Bonds assigned to a Parcel as specified in **Section 8** hereof.

“Building Permit” means a permit issued by the City for the construction of a Residential Use or Nonresidential Use structure.

“Business Professional” means a Parcel or Parcels zoned to provide for office uses and other uses that are related to and supportive of office uses.

“CFD” means the City of Roseville Amoroso Ranch Community Facilities District No. 1 (Public Facilities), Placer County, State of California, including all Improvement Areas therein.

“Chief Financial Officer” or **“CFO”** means the Chief Financial Officer of the City, or his/her designee.

“City” means the City of Roseville in Placer County, California.

“Council” means the City Council of the City acting for the CFD under the Act.

"County" means the County of Placer, California.

"Debt Service" means the total annual amount of Bond principal, interest, and the scheduled sinking fund payments of the Bonds in a calendar year.

"Deferral Bonding Period" means the period, for Improvement Area No. 1, after the Initial Bonding Period has ended and during which the City finances the Development Impact Fee Deferral.

"Developed Parcel" means, in any Fiscal Year:

- a. For Single-Family Parcels: All Parcels for which a Final Small Lot Subdivision Map was recorded before May 1 of the preceding Fiscal Year.
- b. For Multifamily Parcels: All Parcels for which a Building Permit for new construction of a Residential Use structure was issued before May 1 of the preceding Fiscal Year.
- c. For all Nonresidential Use Parcels: All Parcels for which a Building Permit for new construction of a Nonresidential Use structure was issued before May 1 of the preceding Fiscal Year.

Once a Parcel is defined as a Developed Parcel it shall remain as a Developed Parcel.

"Development Agreement" means the Development Agreement By and Between the City of Roseville and Brookfield Sunset, LLC, Brookfield Sacramento Holdings, LLC, and Angela Eisenpress relative to the Amoruso Ranch Specific Plan dated May 11, 2022, or as may be amended from time to time.

"Development Impact Fee Deferral" means the deferred payment of development impact fees due to the City or the South Placer Regional Transportation Authority (SPRTA) for Developed Parcels, using the approach and amounts identified in the Development Agreement, which may be amended from time to time.

"Development Plan" means a condominium plan, apartment plan, site plan, or other development plan that identifies such information as the type of structure, acreage, square footage, or number of Units that are approved to be developed on Single-Family Parcels, Multifamily Parcels, and Nonresidential Parcels.

"ENR-CCI" means the Engineering News Record—Construction Cost Index for San Francisco in the prior calendar year, as determined on July 1 of the current Fiscal Year.

"Expected Land Use(s)" means, for Improvement Area No. 1, the total number of Units or Acres of each land use type by Tax Category expected in each Large Lot Parcel and Original Parcel at CFD formation as identified in **Attachment 3** of this RMA, or as to Annexation Parcels, the total number of Units or Acres of each land use type by Tax Category expected in each Large Lot Parcel and Original Parcel at the time of annexation as identified in a subsequent attachment to RMA.

"Facilities Special Tax" means the Special Tax authorized to be levied in Improvement Area No. 1 to fund Annual Facilities Cost. Facilities Special Taxes are shown in

Attachments 2 and 3, or as to Annexation Parcels, as shown in a subsequent attachment to the RMA.

"Final Use Small Lot Parcel" means a Parcel designated for development as a single-family residence, which is part of a Final Small Lot Subdivision Map.

"Final Small Lot Subdivision Map" means a recorded map designating the final Parcel subdivision for individual Single-Family Parcels.

"First Bond Sale" means issuance of the first series of Bonds secured, in whole or in part, by Facilities Special Taxes levied and collected from Parcels in Improvement Area No. 1.

"Fiscal Year" means the period starting July 1 and ending the following June 30.

"Full Prepayment" means the fulfillment of a Parcel's Facilities Special Tax obligation, as determined by following the procedures in **Section 8**.

"High Density Residential" means, per the Amoruso Ranch Specific Plan, a land use designation that primarily accommodates attached housing, but depending on the unit type, could also include detached housing, within the density range of 13.0 or greater dwelling units per gross developable acre. Typical housing product types include, but shall not be limited to, detached townhomes, courtyard townhomes/condominiums, garden-style apartments, and podium design apartments/condominiums.

"Improvement Area No. 1" means the area designated as such on **Map 1**.

"Initial Bonding Period" means, for Improvement Area No. 1, the period in which Bonds are outstanding, whether issued in a single or multiple series, which financed Authorized Facilities costs or refunded prior Bonds other than the Development Impact Fee Deferral.

"Large Lot Parcel" means a Parcel created by a Large Lot Subdivision Map.

"Large Lot Subdivision Map" means a recorded subdivision map creating Parcels by land use. However, the Large Lot Subdivision Map does not delineate Final Use Small Lot Parcels. A Final Small Lot Subdivision Map will create individual Single-Family Parcels.

"Low Density Residential" means, per the Amoruso Ranch Specific Plan, a land use designation that supports single-family detached homes on conventional lots within the density range of up to 6.9 dwelling units per gross developable acre. Typical housing product types include, but shall not be limited to, standard, alley-loaded, or clustered, single-family detached units.

"Maintenance Special Tax" means the Special Tax authorized to fund Annual Maintenance Costs. The Maintenance Special Tax will be levied and collected beginning with the Transition Year. Maintenance Special Taxes are shown in **Attachment 4**.

"Market-Rate Unit" means a Unit that is not an Affordable Unit.

"Master Builder" means Brookfield Sacramento Holdings LLC and its successors and assigns.

"Maximum Annual Special Tax" means the greatest amount of Facilities Special Tax or Maintenance Special Tax that can be levied against a Parcel in a given Fiscal Year, as shown in **Attachments 2, 3, and 4.**

"Maximum Annual Facilities Special Tax" means the greatest amount of Facilities Special Tax that can be levied against a Parcel in a given Fiscal Year, as shown in **Attachments 2, 3, or 4.**

"Maximum Annual Maintenance Special Tax" means the greatest amount of Maintenance Special Tax that can be levied against a Parcel in a given Fiscal Year, as shown in **Attachments 2, 3, or 4.**

"Maximum Annual Special Tax Rate" means the maximum rate of Facilities Special Tax or Maintenance Special Tax charged per Unit or per Taxable Acre each Fiscal Year, as shown in **Attachments 2, 3, and 4**, as subsequently escalated by the Tax Escalation Factor.

"Maximum Annual Facilities Special Tax Revenue" means the greatest amount of Facilities Special Tax revenue that can be collected in total from a group of Parcels (such as Developed Parcels) by levying the Maximum Annual Facilities Special Tax.

"Maximum Annual Maintenance Special Tax Revenue" means the greatest amount of Maintenance Special Tax revenue that can be collected in total from a group of Parcels (such as Developed Parcels) by levying the Maximum Annual Maintenance Special Tax.

"Maximum Annual CFD Special Tax Revenue" means the sum of the Maximum Annual Special Tax levied on all Taxable Parcels in the CFD in a Fiscal Year.

"Medium Density Residential" means, per the Amoruso Ranch Specific Plan, a land use designation that accommodates both single-family detached homes and attached homes within the density range of 7.0 to 12.9 dwelling units per gross developable acre. Typical housing product types include, but shall not be limited to, standard or alley-loaded lots, courtyard lots, green court lots, auto courts, alley clusters, zero-lot lines, or z-shaped lots. In addition, duet/half-plex homes, townhomes, or condominiums may be accommodated in Medium Density Residential areas.

"Mixed Use Parcel" means a Parcel or Parcels designated for a combination of Residential Uses and Nonresidential Uses.

"Multifamily For-Rent" or **"Multifamily For-Rent Parcel"** means any Parcel designated or developed for more than one residential dwelling Unit per Parcel and where such units are initially offered for rent to the general public and cannot be purchased by individual homeowners. Such uses may consist of apartments or structures such as duplexes or triplexes, including land uses defined as High Density Residential. Each residential dwelling Unit within Multifamily For-Rent or Multifamily For-Rent Parcels is not expected to have its own distinct Assessor's Parcel Number.

"Multifamily For-Sale" or **"Multifamily For-Sale Parcel"** means any Parcel designated or developed for more than one residential dwelling Unit within a single building or structure and that may share at least one common wall where such units are not initially

offered for rent to the general public and initially may be offered for sale to individual homeowners. Such uses may consist of condominiums or buildings such as half-plexes or time-share units, including land uses defined as High Density Residential. Multifamily For-Sale Parcels are anticipated to have their own distinct Assessor's Parcel Number as is the case in residential condominium projects. Once designated as Multifamily For-Sale or Multifamily For-Sale Parcel, the Parcel shall remain so designated unless the original structures are demolished.

"Nonresidential Use" means a Taxable Parcel zoned for land uses other than Residential Uses which may include Business Professional, Community Commercial and Mixed Use.

"Original Parcel" means a Taxable Parcel in Improvement Area No. 1 identified in **Attachment 1** at formation of the CFD.

"Outstanding Bonds" means the total principal amount of Bonds that have been issued and not fully repaid or legally defeased.

"Parcel" means any Assessor's Parcel in Improvement Area No. 1 based on the equalized tax rolls of the County as of January 1 of each Fiscal Year.

"Partial Prepayment" means the partial fulfillment of a Parcel's Facilities Special Tax obligation, as determined by following the procedures in **Section 8**.

"Pay-As-You-Go Costs" means that portion of costs of acquisition, construction, and improvement of Authorized Facilities not financed by Bonds that are eligible for funding from the Facilities Special Tax.

"Prepayment" means the Full Prepayment or Partial Prepayment of a Parcel's Facilities Special Tax obligation, as determined by following the procedures in **Section 8**.

"Proportionately" means that the ratio of the actual Special Tax levy to the Maximum Annual Special Tax is equal for all Developed Parcels. For Small Lot Tentative Map Parcels, Proportionately means that the ratio of the actual Special Tax levy to the Maximum Annual Special Tax is equal for all Small Lot Tentative Map Parcels. For Large Lot Parcels, Proportionately means that the ratio of the actual Special Tax levy to the Maximum Annual Special Tax is equal for all Large Lot Parcels. For Undeveloped Parcels, Proportionately means that the ratio of the actual Special Tax levy to the Maximum Annual Special Tax is equal for all Undeveloped Parcels.

"Public Parcel" means any Parcel that is or is intended to be publicly owned, as designated in any final map, that is normally exempt from the levy of general ad valorem property taxes under California law, including, but not limited to, public streets, schools, parks, and public drainageways, landscaping, wetlands, greenbelts, and open space.

"Remainder Parcel" means a portion of a unit of land that is created as a result of the recording of a Large Lot Parcel Map or Final Small Lot Subdivision Map, which results in a designated remainder as defined in Government Code Section 66424.6(a) (Remainder Parcel). Such a Remainder Parcel may contain taxable and tax-exempt uses, such as Residential Uses, and Public Parcels, such as park sites. Once designated as a Remainder

Parcel, such Parcel will be considered a Large Lot Parcel for the purposes of future Subdivisions and for the provisions of **Sections 4** through **6**.

“Remaining Facilities Costs” means the amount of Anticipated Construction Proceeds less construction proceeds from previous Bond issuances and less costs of Authorized Facilities funded on a Pay-As-You-Go Basis from the levy of the Special Tax.

“Remaining Facilities Cost Share” means the Remaining Facilities Costs multiplied by the Benefit Share.

“Residential Use” means a Parcel designated for residential use, such as single-family residential Units, residential condominiums, townhouses, or apartments that would be included in the definitions of Low-Density Residential, Medium Density Residential or High Density Residential.

“RMA” means this Rate and Method of Apportionment, and Manner of Collection of Special Tax, as it may be amended from time to time in connection with Annexation Parcels or otherwise.

“Single-Family Parcel” means, in any Fiscal Year, all Parcels in Improvement Area No. 1 for which a building permit was issued or may be issued for construction of a Unit that is a single-family residential, residential condominium, or townhouse Unit.

“Small Lot Tentative Map” means a map that is approved by the City for the purpose of showing the design of a proposed Subdivision, including the individual buildable lots expected in the Subdivision, as well as the conditions pertaining thereto. The Small Lot Tentative Map designation for this RMA is in reference only to the areas shown on the map on which Low-Density Residential and Medium-Density Residential uses would be permitted. A Small Lot Tentative Map is not based on a detailed survey of the property in the map and is not recorded at the County Recorder’s Office to create legal lots.

“Small Lot Tentative Map Parcel” means, in any Fiscal Year, all Parcels included in a Small Lot Tentative Map that was approved before May 1 of the prior Fiscal Year that are planned for Low-Density Residential and Medium-Density Residential and which have not yet become a Developed Parcel.

“Special Tax(es)” mean(s) any tax levy under the Act in Improvement Area No. 1.

“Subdivision” or **“Subdivided”** means a division of a Parcel into two or more Parcels through Parcel reconfiguration, lot-line adjustments, or the Subdivision Map Act process. A Subdivision also may include the merging of two or more Parcels to create new Parcels.

“Successor Parcel” means a Parcel created by the Subdivision of an Original Parcel or a Successor Parcel.

“Tax Category” means the categories of taxable land uses shown in **Attachments 2, 3, and 4**.

“Tax Collection Schedule” means the document prepared by the Administrator for the County Auditor-Controller to use in levying and collecting the Special Taxes each Fiscal Year.

"Tax Escalation Factor" means a factor of 2 percent by which the Maximum Annual Facilities Special Tax, Maximum Annual Maintenance Special Tax and related Maximum Annual Special Tax Rates shall be increased annually until the Transition Event. In the Fiscal Year following the Transition Event, the Maximum Annual Maintenance Special Tax may be increased up to 2 percent annually at the City's discretion. The Administrator should refer to Section 4a for application of the Tax Escalation Factor.

"Taxable Acreage" means that area of a Parcel determined by the Administrator to become a Taxable Parcel or Parcels upon further Subdivision. An example might be that a Large Lot Parcel Map creates a Remainder Parcel that, according to **Attachment 1**, contains both taxable uses and tax-exempt uses.

"Taxable Parcel" means any Parcel that is not a Tax-Exempt Parcel.

"Tax-Exempt Parcel" means a Parcel not subject to the Annual Special Tax. Tax-Exempt Parcels include (a) Public Parcels, and (b) Parcels owned by the City, school districts, special districts, or the state or federal government. A Taxable Parcel that is acquired by a public agency shall remain a Taxable Parcel as per the provisions of **Section 4.i**.

Certain privately-owned Parcels also may be exempt from the levy of Annual Special Taxes, including common areas owned by homeowner's associations or property owner associations, wetlands, detention basins, water quality ponds, and open space, as determined by the Administrator.

"Transition Event" means for Improvement Area No. 1, the earlier of (a) after the Initial Bonding period, the Fiscal Year in which the Administrator determines the Development Impact Fee Deferral, including any Debt Service and Administrative Expenses associated with any Bonds issued to satisfy Development Impact Fee Deferrals, and any eligible Pay-As-You-Go Costs have been repaid in full to the City and City determines funding is no longer needed for Annual Facilities Costs, or (b) Fiscal Year 2088-89.

"Transition Year" means, for Improvement Area No. 1, the first Fiscal Year following the Fiscal Year in which the Transition Event occurred.

"Trustee" means a national banking association organized and existing under the laws of the United States acting as a trustee or fiscal agent for Bonds.

"Undeveloped Parcel" means a Taxable Parcel that is not a Developed Parcel, Small Lot Tentative Map Parcel, or a Large Lot Parcel.

"Unit" means, for a Single-Family Parcel, the individual residential unit on such Parcel, or for a Multifamily For-Rent Parcel or Multifamily For-Sale Parcel, an individual residential unit in a multifamily building.

3. Duration of the Special Tax

The Facilities Special Tax will be levied and collected until the earlier of (i) the Transition Year or (ii) Fiscal Year 2088-89. The Maintenance Special Tax will be levied and collected beginning in the Transition Year. The Maintenance Special Tax will thereafter be collected in perpetuity.

4. Administrative Tasks for the Facilities Special Tax

The provisions of Section 4 shall apply to Improvement Area No. 1:

- a. Annual Special Tax Escalation. Until the Fiscal Year following the Transition Event, the Administrator shall increase the Maximum Annual Facilities Special Tax, the Maximum Annual Maintenance Special Tax and Maximum Annual Special Tax Rates by the Tax Escalation Factor in all Fiscal Years following the Base Year. In the Transition Year and thereafter, the City, in its sole discretion, may determine whether to apply the Tax Escalation Factor to the Maximum Annual Maintenance Special Tax in any Fiscal Year.
- b. Assignment of the Maximum Annual Facilities Special Tax to Original Parcels. **Attachment 3** identifies the Assigned Maximum Annual Facilities Special Tax for each Original Parcel included in Improvement Area No. 1, which is determined for each Large Lot Parcel based on the Expected Land Uses in each Large Lot Parcel at CFD Formation. The Assigned Maximum Annual Facilities Special Tax shall continue to apply to the geographic area to which it was assigned. If, before further Subdivision, the Administrator determines there are multiple Assessor's Parcels in a Large Lot Parcel, the Administrator shall assign the Maximum Annual Facilities Special Tax to each Assessor's Parcel on a pro rata basis to all Assessor's Parcels in that Large Lot Parcel based on the percentage share of Taxable Acreage identified for each Assessor's Parcel. Similarly, if the Administrator determines there are multiple Large Lot Parcels in an Assessor's Parcel, the Maximum Annual Facilities Special Tax shall equal the sum of the Assigned Maximum Annual Facilities Special Tax for all Large Lot Parcels in that Assessor's Parcel.
- c. Assignment of the Maximum Annual Facilities Special Tax to Annexation Parcels. Upon annexation of property to Improvement Area No. 1, Parcels will be assigned Maximum Annual Facilities Special Taxes using **Attachments 2, 3, and 4**. Once annexed, these annexed Parcels shall be considered Original and Successor Parcels and will be subject to the same procedures for assignment of the Maximum Annual Facilities Special Tax to Successor Parcels described in **Section 4.d**. The owner of the Annexation Parcels shall be responsible for paying all costs associated with annexing the Annexation Parcels to Improvement Area No. 1, but otherwise shall not be required to pay any other charge, fee or catch-up special tax in connection with or as a condition of such annexation unless otherwise agreed to by the owner of the Annexation Parcel in connection with the annexation.
- d. Assignment of the Maximum Annual Facilities Special Tax to Successor Parcels. As Original Parcels and Successor Parcels are Subdivided through creation of Final Small Lot Subdivision Maps, lot line adjustments or other Parcel amendments through the Subdivision Map Act process, the Administrator shall use the following steps to assign the Maximum Annual Facilities Special Tax to new Successor Parcels. As a result of each assignment of the Maximum Annual Facilities Special Tax upon Subdivision of an Original Parcel or Successor Parcel, the sum of the Maximum Annual Facilities Special Taxes assigned to the newly created Taxable Parcels shall never be less, but may be

greater, than the Assigned Maximum Annual Facilities Special Tax for that Original Parcel or Successor Parcel.

1. If an Original Parcel or Successor Parcel is Fully Subdivided into Single-Family Parcels with No Remainder Parcel(s). There shall be no net loss of Maximum Annual CFD Special Tax Revenue as a result of the assignment of the Maximum Annual Facilities Special Tax to Single-Family Parcels. The Administrator shall use the following procedures to assign the Maximum Annual Facilities Special Tax to Single-Family Parcels. All references to Maximum Annual Facilities Special Taxes in the attachments are subject to application by the Tax Escalation Factor by the Administrator:
 - A. Multiply the Maximum Annual Facilities Special Tax per Unit by Tax Category from **Attachment 2** by the number of Units for each Single-Family Parcel created by the Subdivision. Sum the Maximum Annual Facilities Special Taxes for all Single-Family Parcels created by the Subdivision.
 - B. If the sum of Maximum Annual Facilities Special Taxes calculated in Step 4.d.1.A above is equal to or greater than the Assigned Maximum Annual Facilities Special Tax for the Original or Successor Parcel that was Subdivided, assign the Maximum Annual Facilities Special Tax per Unit by Tax Category as calculated in Step 4.1.d.A above to each Single-Family Parcel created by the Subdivision.
 - C. If the sum of Maximum Annual Facilities Special Taxes calculated in Step 4.d.1.A above is less than the Assigned Maximum Annual Facilities Special Tax for the Original or Successor Parcel that was Subdivided, unless 100 percent of the Units are designated Affordable Units, (i) assign the Maximum Annual Facilities Special Tax for Affordable Units shown in **Attachment 2** to each Affordable Unit (if any) and, (ii) Proportionately increase the Maximum Annual Facilities Special Tax per Unit for all Units that are not Affordable Units until the sum of resulting Maximum Annual Facilities Special Taxes from all Units (including Affordable Units) equals the Assigned Maximum Annual Facilities Special Tax for the Original or Successor Parcel that was Subdivided. Assign the Maximum Annual Facilities Special Tax calculated in this step to each new Single-Family Parcel created by the Subdivision.
 - D. If the sum of Maximum Annual Facilities Special Taxes calculated in Step 4.d.1.A above is less than the Assigned Maximum Annual Facilities Special Tax for the Original or Successor Parcel that was Subdivided **and** if 100 percent of the Single-Family Parcels created by Subdivision are designated as Affordable Units, increase Proportionately the Maximum Annual Facilities Special Tax per Unit for each Affordable Unit until the sum of Maximum Annual Facilities Special Taxes from all Affordable Units on the new Single-Family Parcels created by the Subdivision equal the Assigned Maximum Annual Facilities Special Tax for the Original or Successor Parcel that was Subdivided. Assign the Maximum Annual Facilities Special Tax calculated in this step to each new Single-Family Parcel created by the Subdivision.

2. If Original or Successor Parcel Is Subdivided into Single-Family Parcels and One or More Remainder Parcels. When an Original or Successor Parcel is Subdivided into Single-Family Parcels and one or more Large Lot Parcels (or Remainder Parcels), the Assigned Maximum Annual Facilities Special Tax is apportioned to the Single-Family Parcels and Large Lot Parcels created by the Subdivision in the following manner:
- A. Apportion the Assigned Maximum Annual Facilities Special Tax to the area(s) that is/are being Subdivided into Single-Family Parcels and to the area(s) that will be Remainder Parcel(s) on a pro rata basis, based on the percentage share of Taxable Acreage represented by each such area as compared to the total area of the Original or Successor Parcel.
 - B. For each area Subdivided into Single-Family Parcels, multiply the Maximum Annual Facilities Special Tax per Unit by Tax Category from **Attachment 2** by the number of Units for each Single-Family Parcel created by the Subdivision. Sum the Maximum Annual Facilities Special Taxes for all Single-Family Parcels created by the Subdivision.
 - C. For each area Subdivided into Single-Family Parcels, if the sum of Maximum Annual Facilities Special Taxes calculated in Step 4.d.2.B above is equal to or greater than the Assigned Maximum Annual Facilities Special Tax apportioned to that area of the Original or Successor Parcel that was Subdivided into Single-Family Parcels, assign the Maximum Annual Facilities Special Tax per Unit by Tax Category as calculated in Step 4.d.2.B above to each Single-Family Parcel created by the Subdivision.
 - D. For each area Subdivided into Single-Family Parcels, if the sum of Maximum Annual Facilities Special Taxes calculated in Step 4.d.2.B above is less than the Assigned Maximum Annual Facilities Special Tax apportioned to that area of the Original or Successor Parcel that was Subdivided into Single-Family Parcels, unless 100 percent of the Units are designated Affordable Units, (i) assign the Maximum Annual Facilities Special Tax for Affordable Units shown in **Attachment 2** to each Affordable Unit (if any) and, (ii) Proportionately increase the Maximum Annual Facilities Special Tax per Unit for all Units that are not Affordable Units until the sum of resulting Maximum Annual Facilities Special Taxes from all Units (including Affordable Units) equals the Assigned Maximum Annual Facilities Special Tax apportioned to that area of the Original or Successor Parcel that was Subdivided into Single-Family Parcels. Assign the Maximum Annual Facilities Special Tax calculated in this step to each new Single-Family Parcel created by the Subdivision.
 - E. For each area Subdivided into Single-Family Parcels, if the sum of Maximum Annual Facilities Special Taxes calculated in Step 4.d.2.B above is less than the Assigned Maximum Annual Facilities Special Tax apportioned to that area of the Original or Successor Parcel that was Subdivided into Single-Family Parcels **and** if 100 percent of the Single-Family Parcels created by Subdivision are designated as Affordable Units, increase Proportionately the Maximum

Annual Facilities Special Tax per Unit for each Affordable Unit until the sum of Maximum Annual Facilities Special Taxes from all Affordable Units on the new Single-Family Parcels created by the Subdivision equal the Assigned Maximum Annual Facilities Special Tax apportioned to that area of the Original or Successor Parcel that was Subdivided into Single-Family Parcels. Assign the Maximum Annual Facilities Special Tax calculated in this step to each new Single-Family Parcel created by the Subdivision.

- F. For the Remainder Parcel or Parcels, identify the Maximum Annual Facilities Special Tax for the entire Original or Successor Parcel that has been Subdivided. Sum the Maximum Annual Facilities Special Tax for all Single-Family Parcels created by the Subdivision, including Single-Family Parcels with Affordable Units. Subtract the sum of the Maximum Annual Facilities Special Tax for all Single-Family Parcels from the Assigned Maximum Annual Facilities Special Tax for the Original or Successor Parcel being subdivided and compare it to the Maximum Annual Facilities Special Tax assigned to the Remainder Parcel or Parcels in Step 4.d.2.A. Assign to each Remainder Parcel, the lesser of the calculations in this step or in Step 4.d.2.A, but in no event less than the difference between the previously Assigned Maximum Annual Facilities Special Tax for the Original Parcel or Successor Parcel being Subdivided and the total of the Maximum Annual Facilities Special Tax for all Single-Family Parcels created by such Subdivision.

Once designated as a Remainder Parcel, such Parcel will be considered a Large Lot Parcel for the purposes of future Subdivisions and for the provisions of **Sections 4** through **6**.

3. If an Original or Successor Parcel is Subdivided creating multiple land uses and Tax Categories or for any rezones of land uses on Original or Successor Parcels:
 - A. Identify the Assigned Maximum Annual Facilities Special Tax for the Original Parcel or Successor Parcel that is being Subdivided or rezoned.
 - B. For each Taxable Parcel subject to rezone or created by Subdivision multiply the Maximum Annual Facilities Special Tax per Unit or per Acre by the number of Units or by the number of Acres by the appropriate Tax Category. For each Taxable Parcel created by Subdivision that includes Affordable Units, multiply the number of Affordable Units by the Tax per Unit for such Affordable Units.
 - C. Sum the Maximum Annual Facilities Special Tax for each Taxable Parcel and compare it to the Assigned Maximum Annual Facilities Special Tax of the Original or Successor Parcel that is subject to rezone or is being Subdivided. If the sum of Maximum Annual Facilities Special Tax for each Taxable Parcel is greater than the Assigned Maximum Annual Facilities Special Tax for the Original Parcel, the Administrator shall apply the Maximum Annual Facilities Special Tax calculated above for each Taxable Parcel.
 - D. If the Assigned Maximum Annual Facilities Special Tax for the Original Parcel or Successor Parcel subject to rezone or that is being subdivided is greater

than the sum of Maximum Annual Facilities Special Tax for each Successor Parcel being created, increase Proportionately the Maximum Annual Facilities Special Tax per Unit or per Acre for all Tax Categories on each Taxable Parcel such that the sum of Maximum Annual Facilities Special Tax for all Taxable Parcels equals the Assigned Maximum Annual Facilities Special Tax for the Original Parcel.

4. If Multifamily Residential Units are Constructed on an Original or Successor Parcel: If a Building Permit for Multifamily Residential—For Rent uses is issued for an Original or Successor Parcel, identify the Maximum Annual Facilities Special Tax for the Taxable Parcel in **Attachment 3**. Assign this amount as the Maximum Annual Facilities Special Tax for the Parcel.

If a Building Permit for Multifamily Residential—For Sale uses is issued for an Original or Successor Parcel, use the following procedure to assign the Maximum Annual Facilities Special Tax to Successor Parcels.

- A. Multiply the Maximum Annual Facilities Special Tax per Unit for High Density Residential Units from **Attachment 2** by the number of High Density Residential Units (excluding Affordable Units) created by the Building Permit. Sum the Maximum Annual Facilities Special Taxes for all High Density Residential Units created by the Building Permit.
 - B. Multiply the Maximum Annual Facilities Special Tax per Unit High Density Residential Affordable Units from **Attachment 2** by the number of High Density Residential Affordable Units created by the Building Permit. Sum the Maximum Annual Facilities Special Taxes for all High Density Residential Affordable Units created by the Building Permit.
 - C. Sum the results from **Section 4.d.4.A** and **Section 4.d.4.B.** and compare it to the Assigned Maximum Annual Facilities Special Tax of the Original or Successor Parcel with the issued Building Permit. If the sum of Maximum Annual Facilities Special Tax for each Taxable Parcel is greater than the Assigned Maximum Annual Facilities Special Tax for the Original Parcel, the Administrator shall apply the Maximum Annual Facilities Special Tax calculated above for each Taxable Parcel.
 - D. If the Assigned Maximum Annual Facilities Special Tax for the Original Parcel or Successor Parcel subject to the Building Permit is greater than the sum of Maximum Annual Facilities Special Tax for each Successor Parcel being created, increase Proportionately the Maximum Annual Facilities Special Tax per Unit for all Tax Categories on each Taxable Parcel such that the sum of Maximum Annual Facilities Special Tax for all Taxable Parcels equals the Assigned Maximum Annual Facilities Special Tax for the Original Parcel.
- e. Affordable Units that Become Market-Rate Units. If, in any Fiscal Year, the City Manager, or his or her designee, determines that a Unit that previously had been designated as an Affordable Unit no longer qualifies as such, the Affordable Housing Director shall update the Affordable Unit listing by denoting the change in status of

the Unit, together with the effective date thereof. For all Affordable Units that are converted to Market-Rate Units, such Units shall be assigned the Maximum Annual Facilities Special Tax per Unit based on their Tax Category as shown in **Attachment 2**, as adjusted by the Tax Escalation Factor so long as the Special Tax does not decrease on such a Unit.

- f. Transfer of the Assigned Maximum Annual Facilities Special Tax from One Large Lot Parcel to Another. The Maximum Annual Facilities Special Taxes shown in **Attachment 3** were determined based on the Expected Land Uses for each Large Lot Parcel shown in **Attachment 1**. If the number of planned residential Units or Nonresidential Acreage is transferred from one Large Lot Parcel to another before recording a Final Small Lot Subdivision Map in any portion of the Large Lot Parcel, the City may, in its sole discretion, allow for a transfer of the Maximum Annual Facilities Special Tax from one Large Lot Parcel to another. Such a transfer shall be allowed only if (1) all adjustments are agreed to in writing by the affected property owners and the CFO, and (2) there is no reduction in the Maximum Annual CFD Special Tax Revenues as a result of the transfer. Should a transfer result in an amendment to **Attachments 2, 3, or 4** of the Notice of Special Tax Lien, the requesting property owner shall bear the costs to effect the transfer in the CFD records and prepare the required amendments to the Notice of Special Tax Lien and **Attachments 2, 3, or 4**. Before the transfer, the City may require a deposit from the requesting property owner for such costs.
- g. Reduction of the Maximum Annual Facilities Special Tax Prior to First Bond Sale. At the request of the Master Builder, the Maximum Annual Special Taxes set forth in **Attachments 2, 3 and 4** may be reduced for a given Tax Category, once, prior to the First Bond Sale. The reduction in this paragraph (g) may occur in a single Tax Category or multiple Tax Categories, and there shall be no requirement that the reduction in one Tax Category be proportionate to the reduction in another Tax Category. Such reduction shall be made without a vote of the qualified electors within the CFD following discussion with the Master Builder and the City. Any such reduction shall occur at least 30 days prior to the First Bond Sale. The Special Tax reductions permitted pursuant to this paragraph shall be reflected in an Amended Notice of Special Tax Lien, which the Administrator shall cause to be recorded.
- h. Conversion of a Tax-Exempt Parcel to a Taxable Parcel. If a Tax-Exempt Parcel is not needed for public use and is converted to a taxable use or transferred to a private owner, it shall become subject to the Facilities Special Tax. The Maximum Annual Facilities Special Tax for the newly Taxable Parcel will be determined using the provisions of **Sections 4 and 5** of the RMA.
- i. Taxable Parcels Acquired by a Public Agency. A Taxable Parcel that is acquired by a public agency after the CFD is formed will remain subject to the applicable Special Tax unless the Special Tax obligation is satisfied pursuant to Section 53317.5 of the Government Code. An exception to this may be made if a Public Parcel, such as a park site, is relocated to a Taxable Parcel, in which case the previously Tax-Exempt Parcel of comparable acreage becomes a Taxable Parcel and the Maximum Annual Facilities Special Tax from the previously Taxable Parcel is transferred to the new

Taxable Parcel. This trading of a Parcel from a Taxable Parcel to a Public Parcel will be permitted to the extent there is no net loss in Maximum Annual CFD Special Tax Revenue and the transfer is agreed to by the owners of the Parcels involved in the transfer and the CFO.

5. Administrative Tasks for the Maintenance Special Tax

This section discusses the administrative tasks for the Maintenance Special Tax, which shall be applicable after the Transition Event.

The provisions of **Section 5** shall apply to Improvement Area No. 1. as set forth below:

- a. Assignment of the Maximum Annual Maintenance Special Tax to Developed Parcels.
In the Fiscal Year following the Transition Event, the Administrator shall assign the Maximum Annual Maintenance Special Tax to all Developed Parcels using the Maximum Annual Special Tax Rates for the Maintenance Special Tax by Tax Category shown in **Attachment 4**, as adjusted by the Tax Escalation Factor.
- b. Assignment of the Maximum Annual Maintenance Special Tax to Successor Parcels.
After the Transition Event, if Original Parcels and Successor Parcels are Subdivided through creation of Final Small Lot Subdivision Maps, lot line adjustments or other Parcel amendments through the Subdivision Map Act process, the Administrator shall use the steps in **Section 4.d** to assign the Maximum Annual Maintenance Special Tax to new Successor Parcels. ***When applying Section 4.d after the Transition Event, the Administrator shall substitute Maintenance Special Tax for Facilities Special Tax and shall substitute Maximum Annual Maintenance Special Tax for Maximum Annual Facilities Special Tax.***
- c. Assignment of the Maximum Annual Maintenance Special Tax to Annexation Parcels.
If Parcels are annexed to Improvement Area No. 1 after formation, the Maximum Annual Maintenance Special Tax shall be assigned to these Annexation Parcels using the definitions in **Section 2** and the Maximum Annual Maintenance Special Tax per Unit or Acre shown in **Attachment 4** as adjusted by the Tax Escalation Factor applied by the Administrator, unless the Annexation Parcels are annexed with a new set of Maximum Annual Maintenance Special Taxes. **Attachment 1** may be amended, or a new attachment created, to include the Annexation Parcels and, if necessary, the applicable tax rates. If new Maximum Annual Maintenance Special Taxes are created, **Attachment 4** should be amended to reflect the Maximum Annual Maintenance Special Taxes for the Annexation Parcels. Once annexed, these annexed Parcels shall be considered Original and Successor Parcels and will be subject to the same procedures for assignment of the Maximum Annual Maintenance Special Tax to Successor Parcels described in this section. The owner of the Annexation Parcels shall be responsible for paying all costs associated with annexing the Annexation Parcels to Improvement Area No. 1, but otherwise shall not be required to pay any other charge, fee or catch-up special tax in connection with or as a condition of such annexation unless otherwise agreed to by the owner of the Annexation Parcel in connection with the annexation.

- d. Affordable Units that Become Market-Rate Units. If, in any Fiscal Year, the City Manager, or his or her designee, determines that a Unit that previously had been designated as an Affordable Unit no longer qualifies as such, the Affordable Housing Director shall update the Affordable Unit listing by denoting the change in status of the Unit, together with the effective date thereof. For all Affordable Units that are converted to Market-Rate Units, such Units shall be assigned the Maximum Annual Maintenance Special Tax per Unit based on their Tax Category as shown in **Attachment 4**, as adjusted by the Tax Escalation Factor.
- e. Conversion of a Tax-Exempt Parcel to a Taxable Parcel. If a Tax-Exempt Parcel is not needed for public use and is converted to a taxable use or transferred to a private owner, it shall become subject to the Maintenance Special Tax. The Maximum Annual Maintenance Special Tax for the newly Taxable Parcel will be determined using the provisions of **Sections 5** and **6** of the RMA.
- f. Taxable Parcels Acquired by a Public Agency. A Taxable Parcel that is acquired by a public agency after the CFD is formed will remain subject to the applicable Special Tax unless the Special Tax obligation is satisfied pursuant to Section 53317.5 of the Government Code. An exception to this may be made if a Public Parcel, such as a park site, is relocated to a Taxable Parcel, in which case the previously Tax-Exempt Parcel of comparable acreage becomes a Taxable Parcel and the Maximum Annual Maintenance Special Tax from the previously Taxable Parcel is transferred to the new Taxable Parcel. This trading of a Parcel from a Taxable Parcel to a Public Parcel will be permitted to the extent there is no net loss in Maximum Annual CFD Special Tax Revenue and the transfer is agreed to by the owners of the Parcels involved in the transfer and the CFO.

6. Assignment of the Maximum Annual Special Tax

The Administrator shall assign the Maximum Annual Special Tax using the procedures identified below:

- a. Classification of Parcels. For purposes of the next Fiscal Year tax levy, by June 30 of each Fiscal Year, using the Definitions in **Section 2**, the Parcel records of the Assessor's secured tax roll as of January 1, and other City development approval records, the Administrator shall cause:
 - 1. Each Parcel to be classified as a Taxable Parcel or Tax-Exempt Parcel.
 - 2. Each Parcel to be classified as a Developed Parcel, a Small Lot Tentative Map Parcel, a Large Lot Parcel (including Remainder Parcels), or an Undeveloped Parcel.
- b. Assignment of the Maximum Annual Facilities Special Tax to Taxable Parcels. The Maximum Annual Facilities Special Tax will be assigned to each Taxable Parcel each Fiscal Year using the procedures (not all steps may be applicable for each such Parcel) in **Section 4**.

- c. Assignment of the Maximum Annual Maintenance Special Tax to Taxable Parcels. In the Fiscal Year following the Transition Event, the Maximum Annual Maintenance Special Tax will be assigned to each Taxable Parcel each Fiscal Year using the procedures (not all steps may be applicable for each such Parcel) in **Sections 4 and 5.**

7. Calculating Annual Special Taxes

This section discusses the levy of the Facilities Special Tax and the Maintenance Special Tax. Collectively, these Special Taxes are included in the discussion of the assignment of the Maximum Annual Special Taxes. For the period following CFD formation until the Fiscal Year in which the Transition Event occurs, the Maximum Annual Special Tax shall refer to the Facilities Special Tax. Beginning with the Transition Year, the Maximum Annual Special Tax shall refer to the Maintenance Special Tax.

The Administrator will compute the Annual Facilities Costs or Annual Maintenance Costs and determine the annual Special Tax levy for each Taxable Parcel based on the assignment of the Special Tax in **Sections 4, 5, and 6.** The Administrator then will determine the tax levy for each Taxable Parcel using the following process.

Facilities Special Tax Levy

- a. Compute the Annual Facilities Costs using the definition of Annual Facilities Costs in **Section 2.**
- b. For all Taxable Parcels, calculate the Facilities Special Tax levy for each using the following steps:
- Step 7.b.1. The Facilities Special Tax shall be levied proportionately on all Developed Parcels up to the amount of Annual Facilities Cost or up to 100 percent of the Maximum Annual Facilities Special Tax Revenue for all Developed Parcels, whichever is less.
- Step 7.b.2. If additional revenue is needed after *Step 7.b.1.*, the Facilities Special Tax shall be levied proportionately on each Small Lot Tentative Map Parcel until the revenue from the Facilities Special Tax levy in this step, when added to the levy amount computed in *Step 7.b.1.*, equals the Annual Facilities Costs, or up to 100 percent of the Maximum Annual Facilities Special Tax Revenue for all Small Lot Tentative Map Parcels. As necessary, the Facilities Special Tax shall be levied on Small Lot Tentative Map Parcels for the entire portion of Annual Facilities Costs, excluding Pay-As-You-Go Costs.
- Step 7.b.3. If additional revenue is needed after *Step 7.b.2.*, the Facilities Special Tax shall be levied proportionately on each Large Lot Parcel until the revenue from the Facilities Special Tax levy in this step, when added to the levy amount computed through *Step 7.b.2.*, equals the Annual Facilities Costs, or up to 100 percent of the Maximum Annual Facilities Special Tax Revenue for all Large Lot Parcels. As necessary, the

Facilities Special Tax shall be levied on Large Lot Parcels for the entire portion of Annual Facilities Costs, excluding Pay-As-You-Go Costs.

- Step 7.b.4. If additional revenue is needed after *Step 7.b.3.*, the Facilities Special Tax shall be levied on each Undeveloped Parcel until the revenue from the Facilities Special Tax levy in this step, when added to the levy amounts computed through *Step 7.b.3.*, equals the Annual Facilities Costs, or up to 100 percent of the Maximum Annual Facilities Special Tax Revenue for all Undeveloped Parcels. As necessary, the Facilities Special Tax shall be levied on Undeveloped Parcels for the entire portion of Annual Facilities Costs, excluding Pay-As-You-Go Costs.

Maintenance Special Tax Levy

- c. Beginning in the Transition Year, compute the Annual Maintenance Cost using the definition of Annual Maintenance Costs in **Section 2**.
- d. For all Taxable Parcels, calculate the Maintenance Special Tax levy for each using the following steps:

Step 7.d.1. The Maintenance Special Tax shall be levied proportionately on all Developed Parcels up to the amount of Annual Maintenance Cost or up to 100 percent of the Maximum Annual Maintenance Special Tax Revenue for all Developed Parcels, whichever is less.

Step 7.d.2. If additional revenue is needed after *Step 7.d.1.*, the Maintenance Special Tax shall be levied proportionately on each Small Lot Tentative Map Parcel until the revenue from the Maintenance Special Tax levy in this step, when added to the levy amount computed in *Step 7.d.1.*, equals the Annual Maintenance Costs, or up to 100 percent of the Maximum Annual Maintenance Special Tax Revenue for all Small Lot Tentative Map Parcels.

Step 7.d.3. If additional revenue is needed after *Step 7.d.2.*, the Maintenance Special Tax shall be levied proportionately on each Large Lot Parcel until the revenue from the Maintenance Special Tax levy in this step, when added to the levy amount computed through *Step 7.d.2.*, equals the Annual Maintenance Costs, or up to 100 percent of the Maximum Annual Maintenance Special Tax Revenue for all Large Lot Parcels.

Step 7.d.4. If additional revenue is needed after *Step 7.d.3.*, the Maintenance Special Tax shall be levied on each Undeveloped Parcel until the revenue from the Maintenance Special Tax levy in this step, when added to the levy amounts computed through *Step 7.d.3.*, equals the Annual Maintenance Costs, or up to 100 percent of the Maximum Annual Maintenance Special Tax Revenue for all Undeveloped Parcels.

- e. Levy on each Taxable Parcel the amount calculated above.
- f. Prepare the Tax Collection Schedule and, unless an alternative method of collection has been selected pursuant to **Section 10**, send it to the County Auditor requesting

that it be placed on the general, secured property tax roll for the Fiscal Year. The Tax Collection Schedule will be sent no later than the date required by the County Auditor for such inclusion.

The Administrator will make every effort to calculate the Special Tax correctly for each Parcel. It will be the burden of the taxpayer to identify any errors in determining which Parcels are subject to the tax and their Special Tax assignments.

8. Prepayment of the Facilities Special Tax Obligation

Calculations of a Prepayment shall reflect the Improvement Area within which the Parcel seeking to prepay resides. A property owner may at any time prepay either 25 percent or 50 percent of the Full Prepayment, except that the City may allow a partial prepayment of any percentage up to 50 percent of the Full Prepayment to be made as a “buy down” of the rate for purposes of marketing the property by a builder or developer of land to be sold for Residential Use. In the event such a builder or developer has prepaid a portion of the Facilities Special Tax, the allowable 25 percent or 50 percent partial prepayment of the Facilities Special Tax that can be made by a subsequent owner shall be reduced by the amount so prepaid by the builder or developer. Full Prepayment is permitted only for Nonresidential Use Parcels; Full Prepayment is not allowable for Residential Use Parcels.

Prepayments must be made in sufficient time to, in the City’s opinion, have the Prepayment reflected in the following Fiscal Year’s Special Tax levy.

Prepayment is permitted only under the following additional conditions:

- The landowner prepaying the Facilities Special Tax on a Parcel has paid any delinquent Facilities Special Tax and penalties on that Parcel at or before or at the time of Prepayment.
- Following Prepayment, amounts in any debt service reserve fund are equal to or greater than the reserve fund requirement.
- The City determines that the Prepayment will not jeopardize its ability to make timely payments of Debt Service and maintain a 110 percent annual Debt Service coverage based on Maximum Annual Special Tax Revenues in all years in which issued Bonds will be outstanding.
- The portion of the Prepayment for the Development Impact Fee Deferral shall only be used to pay for the Development Impact Fee Deferral whether it was or is to be funded through annual special tax payments or through bonded indebtedness.

When permitted, the Administrator shall calculate Prepayments using the following steps:

- a. The Full Prepayment amount shall be established by following the steps below:

Step 8.a.1: Determine the percentage of the Maximum Facilities Special Tax for the Taxable Parcel for which the Facilities Special Tax is to be prepaid using

the provisions of **Sections 4, 5, and 6**. If the Parcel is not designated as a Developed Parcel, determine the applicable Facilities Special Tax for the Parcel assuming it is a Developed Parcel.

Step 8.a.2: Increase the Maximum Facilities Special Tax by 2 percent per annum for the longer of (i) 30 years from the year in which the Parcel was first subject to the Facilities Special Tax as a Developed Parcel, or (ii) the end of the then-remaining Initial Bonding Period.

Step 8.a.3: Using a discounted rate equal to the most current yield for the 30-Year Treasury Constant Maturity, calculate the net present value of the revenue stream determined *Step 8.a.2*. If this yield is no longer available, the Administrator will select a yield rate from the most comparable type of security.

Step 8.a.4: Calculate this Parcel's Maximum Annual Facilities Special Tax as a percentage of the Maximum Annual Facilities Special Tax Revenue, assuming all Taxable Parcels are Developed Parcels to determine the Benefit Share for the prepaying Parcel. Multiply the Benefit Share by the Outstanding Bonds to determine the Bond Share for the prepaying Parcel. Multiply the Benefit Share by the Remaining Facilities Costs, as increased by ENR-CCI from the Base Year, to determine the Remaining Facilities Cost Share for the prepaying Parcel. Add the Bond Share to Remaining Facilities Cost Share for the prepaying Parcel.

Step 8.a.5: Use the greater of the amounts determined in Step 8.a.3 or Step 8.a.4 for the following calculations.

Step 8.a.6: Add to the amount from in *Step 8.a.5* interest on the Bonds being redeemed to the next redemption date.

Step 8.a.7: Add to the amount calculated in *Step 8.a.6* a redemption premium on the Bonds being redeemed (if any) as identified in the Bond Indenture(s).

Step 8.a.8: Add to the amount calculated in *Step 8.a.7* the Development Impact Fee Deferral amount applicable to the Parcel, as adjusted for inflation. If Bonds have been issued to finance the Development Impact Fee Deferral, follow *Steps 8.a.2 and 8.a.3*, using for *Step 8.a.2* the longer of (i) 30 years from the year in which the Parcel was first subject to the Facilities Special Tax during the Deferral Bonding Period, or (ii) the end of the then-remaining Deferral Bonding Period.

Step 8.a.9: Add the administrative cost of processing the Prepayment to the amount calculated in *Step 8.a.8*.

Step 8.a.10: The amount in *Step 8.a.9* is the amount of the Full Prepayment of the Maximum Annual Special Tax for the Taxable Parcel.

b. Partial Prepayments will be calculated as described below:

The amount of any Partial Prepayment is limited to a maximum of 50 percent of the Full Prepayment amount determined in Step 8. a.10. When a Partial Prepayment is made, the full amount of Administrative fees and expenses determined in *Step 8.a.7* shall be included in the Partial Prepayment calculation. The Facilities Special Tax that can be levied on a Parcel after a Partial Prepayment is made is equal to the Maximum Facilities Special Tax multiplied by one minus the percentage that has been prepaid.

9. Interpretation, Application, and Appeal of Special Tax Formula and Procedures

Any taxpayer who feels the amount of the Special Tax assigned to a Parcel is in error may file a notice with the CFO appealing the levy of the Special Tax. The CFO then will promptly review the appeal and, if necessary, will meet with the applicant. If the CFO verifies that the tax should be modified or changed, the Special Tax levy will be corrected and, if applicable in any case, a credit or refund will be granted.

Interpretations may be made by the City, without Resolution or Ordinance of the Council, for purposes of clarifying any vagueness or ambiguity as it relates to the Special Tax rate, the method of apportionment, the classification of properties, or any definition applicable to the CFD.

Without Council approval, the CFO may make minor, non-substantive administrative and technical changes to the provisions of this RMA that do not materially affect the rate, method of apportionment, or manner of collection of the Special Tax for purposes of administrative efficiency or convenience or to comply with new applicable federal, state, or local law.

The City, upon request of an owner of land in Improvement Area No. 1 that is not a Developed Parcel, also may amend this RMA in any manner acceptable to the City, without Resolution or Ordinance of the Council, upon the affirmative vote of such owner and without the vote of owners of any other land in Improvement Area No. 1, provided such amendment is only applicable to such owner's land and does not reduce the total Maximum Annual CFD Special Tax Revenue.

10. Manner of Collection

The Special Tax will be collected in the same manner and at the same time as ad valorem property taxes, provided, however, the Administrator or its designee may directly bill the Special Tax and may collect the Special Tax at a different time, such as on a monthly or other periodic basis, or in a different manner, if necessary, to meet the City's financial obligations.

1. Introduction

Background

The City of Roseville (City) retained Economic & Planning Systems, Inc. (EPS) to support its efforts to create a Mello-Roos Community Facilities District (CFD) for the Amoruso Ranch Specific Plan (ARSP). The objective of establishing a CFD is to create a land-secured funding mechanism to be used to fund maintenance of authorized services of the CFD. The CFD is being formed for the entire project area included in the ARSP. The ARSP consists of an approximately 695-acre site located in the northwest edge of the City of Roseville. The overall project area is approved for approximately 2,827 dwelling units (approximately 1,100 low-density residential [LDR] units, 695 medium-density residential [MDR] units, 1,032 high-density residential [HDR] units and approximately 51.1 acres of commercial uses.

The CFD boundary initially is proposed to include all of the territory included in ARSP.

Formation of the City's CFD No. 2 (Public Services) has been initiated with the adoption of the Resolution of Intention (ROI) to form the CFD. The City Council (Council) adopted the ROI on April 5, 2023. The Resolution of Formation (ROF) will be considered by the Council on May 17, 2023.

Purpose of the CFD

The CFD is being formed to fund maintenance and operation of authorized services of the ARSP under the Mello-Roos Act. **Map 1** shows the boundaries of the CFD.

Organization of the Report

This report consists of these 4 chapters and 2 exhibits:

- **Chapter 1** includes this introduction.
- **Chapter 2** describes the proposed land uses in the CFD.
- **Chapter 3** describes authorized services to be funded in the CFD and the estimated maintenance costs.
- **Chapter 4** describes the structure of the CFD.
- **Exhibit A** provides the Rate, Method of Apportionment, and Manner of Collection of Special Tax (RMA).
- **Exhibit B** provides the List of Authorized Services.

2. Land Uses

The City intends to form Amoruso Ranch CFD No. 2 over the territory included in the ARSP. The ARSP consists of an approximately 695-acre site located in the northwest edge of the City of Roseville. The overall project area is approved for approximately 2,827 dwelling units (approximately 1,100 low-density residential [LDR] units, 695 medium-density residential [MDR] units, 1,032 high-density residential [HDR] units and approximately 51.1 acres of commercial uses.

Table 1, below, identifies the villages as designated in the ARSP that are within the proposed CFD boundary.

Table 1

3. Authorized Services and Estimated Services Costs

This chapter describes the authorized services eligible to be funded through the CFD from special taxes levied under the CFD.

Authorized Services of the CFD

The CFD is authorized to fund certain services required to serve the project. Authorized services are identified in the List of Authorized Services (**Exhibit B** of this report). Authorized services are briefly discussed below.

Open Space

Services include open space improvement, operations and management, monitoring, maintenance (including, but not limited to, general maintenance, signage, benches, striping, City owned fence maintenance, trash and debris collection, and bike trails and their appurtenances [drainage culverts or pipes from adjacent subdivisions] within open space), creation and maintenance of fire breaks, Permits, Vandalism/Graffiti, Flood Conveyance (Vegetation/tree removals), Beaver dam removals, Outfall/drainage swale maintenance, Erosion control/bank stabilization, Native planting/replanting, Pre and post emergent, environmental mitigation monitoring, and the annual review thereof, as required by the Mitigation Monitoring Plan related to the Environmental Impact Report, maintenance activities as required by the 404 permit and Open Space Overarching Maintenance & Management Plan and repair and replacement of facilities within open space areas.

Landscape Corridors

Services include maintenance of on-site landscape corridors and paseos designed to serve the territory within the CFD, including, but not limited to, general maintenance, masonry walls, accent lighting, water and utility costs.

Medians, Entries, and Entry Monumentation

Services include the maintenance of medians, entries, and entry monumentation.

Leaf Pickup and Street Sweeping

The performance of leaf pick-up and street sweeping designed to serve the territory within the CFD, including along the following roads:

- Westbrook Boulevard.
- West Sunset Boulevard.

Neighborhood Parks

Services include neighborhood park maintenance and repair and replacement.

Storm Water Management

Services include storm water management, water quality structural controls, including, but not limited to, drainage swales constructed between storm drain facilities and receiving waters, and maintenance of flood control facilities including, but not limited to, detention basins and created wetlands.

Transit

Services include bus transfer station, bus shelters, bus stops, and any park-and-ride lots, as well as bus signs.

Other Services

Other services include miscellaneous costs related to any of the items described above, including planning, engineering, GIS, legal, and city and county administration costs. They also include the levy of special taxes to accumulate sinking funds for anticipated future repairs or replacement costs of landscape corridors, irrigation facilities, medians, entries and entry monumentation, lighting, neighborhood parks, storm water management, and other facilities maintained by the CFD as determined by the Administrator.

Formation, Administrative, and Incidental Expenses

Costs eligible to be financed by the CFD shall include all costs associated with the formation and ongoing administration of the CFD and issuance of bonds; determination of the amount of taxes and collection of taxes; inspection, plan check, and other costs related to acceptance of the facilities by the City; payment of taxes; and any other costs incurred to carry out the authorized purposes of the CFD.

Authorized Services Estimated Costs

The City, with assistance from consultants, prepared estimates of the annual cost of providing authorized services within the initial territory included in the CFD. A cost per unit was established for each of the authorized services of the CFD.

City staff, in conjunction with the developer and developer consultants, developed a cash flow model to establish initial-year cost estimates for the various land uses. The results of the analysis became the basis for the initial special tax rates for the CFD.

Table 2 shows the preliminary estimated maintenance costs for major maintenance activities are \$1,133,795 (in 2022 dollars).

Table 2
Amoruso Ranch CFD No. 2 (Public Services)
Authorized Services Costs (2022 \$s)

Item	Quantity	Cost per Unit/ per Year	Total Annual Cost
Residential/Nonresidential Improvements			
Landscape Corridors	18.0 acres	\$13,028	\$234,496
Paseos	10.8 acres	\$13,028	\$140,697
Open Space Corridors		n/a	
NAPOTS	49.3 acres	\$690	\$33,999
Preserve	108.5 acres	\$743	\$80,597

4. Structure of the CFD

Description of the CFD

The CFD is being formed to fund authorized services of the CFD. The attached exhibits are documents contained in the ROF. **Exhibit A** is the CFD RMA. **Exhibit B** is the List of Authorized Services.

The CFD Funding Program

The CFD will be authorized to levy and collect the special tax to pay all annual costs of the CFD.

Allocation of CFD Annual Costs to Taxable Land Uses

Table 3 shows the cost allocation assumptions for residential and nonresidential land uses. Costs are allocated to residential land uses based on an assumed persons-per-household for residential land uses, and an assumed building square footage per employee for nonresidential land uses.

Affordable housing units are not assigned an assumed person-per-household and therefore are not allocated any annual CFD costs.

Determining the Maximum Annual Special Tax

The maximum annual special tax rates for the various land uses (tax categories) are determined using the results of the cost allocations shown in **Table 3**.

Table 4 shows the maximum annual special tax rates by tax category in the base year.

Table 5 shows the assignment of the maximum annual special tax per large lot parcel, using the maximum annual special tax rates per unit/acre times the planned units or acres assigned to each large lot parcel.

"att2"

[1] The Maximum Annual Special Tax per Unit/Acre and Maximum Annual Special Tax per Large Lot is increased by the Tax Escalation Factor in each Fiscal Year following the Base Year of FY 2023-24.

Base Year

The base year is Fiscal Year (FY) 2023-24. A base year is defined in the RMA as a means of defining the special tax base in a given fiscal year that is allowed to increase by a given factor over a period of time.

Annual Tax Escalation Factor

The annual tax escalation factor is a factor not to exceed 4 percent, as determined by the Administrator, in every fiscal year following the base year.

Termination of the Special Tax

The special tax is authorized to be levied and collected in perpetuity.

Definition of Annual Costs

The maximum annual special tax established under the RMA is the maximum exposure to an annual special tax levy for a given parcel of land. The actual amount of the levy is derived through determining the "annual costs" of the CFD. The RMA identifies the annual costs components as these:

- a. Cost of Authorized Services.
- b. Administrative expenses.
- c. The amount needed to cure any delinquencies in the payment of the special tax in the current or prior fiscal year.

Assignment of Maximum Annual Special Tax

Sections 4 and 5 of the RMA describe in detail the precise method for assigning the maximum annual special tax to parcels in the CFD. The RMA assigns a total maximum annual special tax to taxable parcels based on parcel configurations at the time of formation of the CFD, and then as subdivision maps are recorded. Original parcels are those parcel configurations when the CFD is formed. Successor parcels are created as large lot subdivision maps are recorded, and then small lot final maps are recorded, defining individual buildable residential lots.

Original Parcels

Original parcels are assigned a maximum annual special tax using Attachment 1 of the RMA. Attachment 1 (**Table 5** of this document) shows the total maximum annual special tax and maximum annual special tax per unit or per acre for original parcels.

Successor Parcels

Successor parcels are created when original parcels are subdivided by the recording of large lot subdivision maps, and further subdivided into buildable residential lots. The RMA provides specific detail and definitions used in allocating the maximum annual special tax to parcels in their final use, whether as residential or nonresidential parcels.

Attachment 1 (**Table 5** of this document) shows the maximum annual special tax for planned large lot parcels. Each large lot is assigned one tax category, the number of planned residential units, and a maximum annual special tax per unit or per acre. The maximum annual special tax for a large lot parcel is the sum of the number of units in the tax category multiplied by the maximum annual special tax for the tax category.

If fewer units are realized at the recordation of a final map defining buildable lots than shown in **Table 5**, the maximum annual special tax for the large lot parcel is divided by the actual number of residential units created by the final map to determine the maximum annual special tax per unit. If more residential units are created by a final map than shown in **Table 5**, the maximum annual special tax per unit is that amount shown in **Table 5**.

The RMA is structured to ensure that the maximum annual special tax for a large lot is not reduced over time by anticipated development of each large lot. The special tax revenue for large lot parcels may increase if higher densities are realized over time.

Affordable Units

The RMA recognizes affordable housing units may be built in the CFD. HDR units are assigned a maximum annual special tax rate of zero. MDR affordable units are assigned a maximum annual special tax that is 50-percent of the amount assigned to market rate MDR units. An affordable unit that becomes a market-rate unit will be assigned a maximum annual special tax based on the instruction in Section 4.e of the RMA.

Transfer of the Assigned Maximum Annual Special Tax

The City may, in its sole discretion, allow for a transfer of the maximum annual special tax from one large lot parcel to another. Such a transfer shall be allowed only if (1) all adjustments are agreed to in writing by the affected property owners and the Chief Financial Officer and (2) there is no reduction in the CFD maximum annual special tax revenues as a result of the transfer. Provisions for such a transfer are discussed in Section 4.f of the RMA.

Conversion of a Tax-Exempt Parcel to a Taxable Parcel

If a tax-exempt parcel is not needed for public use or other nontaxable use and is converted to a taxable use or transferred to a private owner, it shall become subject to the special tax. The maximum annual special tax for the newly assigned tax category for such a parcel is determined using the provisions of Sections 4 and 5 of the RMA.

Taxable Parcels Acquired by a Public Agency

A taxable parcel that is acquired by a public agency after the CFD is formed will be determined to be a tax-exempt parcel.

Determination of Parcels Subject to the Special Tax

By June 30 of each fiscal year, using the definitions in Section 2 of the RMA, the parcel records of the Assessor's Secured Tax Roll as of January 1, and other City development approval records, the Administrator shall cause:

1. Each parcel to be classified as a Taxable Parcel or Tax-Exempt Parcel.
2. Each parcel to be classified as a Developed Parcel, a Final Use Small Lot Parcel, a Small Lot Tentative Map Parcel, a Large Lot Parcel (including Remainder Parcels), or an Undeveloped Parcel.

Setting the Special Tax Levy for Taxable Parcels

To determine the annual levy, the Administrator will use the process presented in Section 6 of the RMA. In general, the provisions of Section 6 describe the following procedures to set the annual special tax levy for each taxable parcel:

- First, the Administrator must compute the annual costs using the definitions in Section 2 of the RMA. Next, the Administrator shall levy the special tax proportionately on all developed parcels, up to the amount of annual costs, or 100 percent of the maximum special tax for developed property, whichever is less.
- If additional revenue is needed for annual costs, the Administrator shall levy the special tax proportionately on all final use small lot parcels, such that when added to the levy on developed parcels, is up to the amount of annual costs, or up to 100 percent of the maximum special tax for final use small lot parcels, whichever is less.
- If additional revenue is needed for annual costs, the Administrator shall levy the special tax proportionately on all small lot tentative map parcels, such that when added to the levy on developed parcels, is up to the amount of annual costs, or up to 100 percent of the maximum special tax for small lot tentative map parcels, whichever is less.
- If additional revenue is needed for annual costs, the Administrator shall levy the special tax proportionately on all large lot parcels, such that when added to the levies on parcels described above, is up to the amount of annual costs, or up to 100 percent of the maximum special tax for large lot parcels, whichever is less.
- If additional revenue is needed for annual costs, the Administrator shall levy the special tax proportionately on all undeveloped parcels, such that when added to the levies on parcels described above, is up to the amount of annual costs, or up to 100 percent of the maximum special tax for large lot parcels, whichever is less.

Once the special tax levy is determined for a fiscal year, the Administrator creates the tax schedule to deliver to the County Auditor-Controller.

Prepayment of the Special Tax Obligation

The special tax obligation may not be prepaid.

Interpretation, Application, and Appeal of Special Tax Formula and Procedures

Any taxpayer who feels the amount of the special tax assigned to a parcel is in error may file a notice with the Administrator appealing the levy of the special tax. The Administrator then will promptly review the appeal and, if necessary, meet with the applicant. If the Administrator verifies that the tax should be modified or changed, the special tax levy will be corrected and, if applicable in any case, a credit or refund will be granted.

Interpretations may be made by the City, without resolution or ordinance of the Council, for purposes of clarifying any vagueness or ambiguity as it relates to the special tax rate, the method of apportionment, the classification of properties, or any definition applicable to the CFD.

Without Council approval, the Finance Director may make minor, non-substantive administrative and technical changes to the provisions of the RMA that do not materially affect the rate, the method of apportionment, or the manner of collection of the special tax for purposes of administrative efficiency or convenience or to comply with new applicable federal, state, or local law.

Manner of Collection

The special tax will be collected in the same manner and at the same time as ad valorem property taxes. As specified in Section 9 of the RMA, the Administrator or its designee may directly bill the special tax and may collect the special tax at a different time, such as on a monthly or other periodic basis, or in a different manner, if necessary, to meet the City's financial obligations.

Amoruso Ranch Community Facilities District No. 2
(Public Services)
Placer County, California

RATE, METHOD OF APPORTIONMENT, AND MANNER OF COLLECTION OF SPECIAL TAX

1. Basis of Special Tax Levy

A Special Tax authorized under the Mello-Roos Community Facilities Act of 1982 (Act) applicable to the land in the City of Roseville Amoruso Ranch Community Facilities District No. 2 (Public Services) shall be levied and collected according to the tax liability determined by the City through the application of the appropriate amount or rate, as described below.

2. Definitions

"Acre" or **"Acreage"** means the land area of an Assessor's Parcel as shown on an Assessor's Parcel Map or, if the land area is not shown on an Assessor's Parcel Map, the land area shown on the applicable final map or other Development Plan.

"Act" means the Mello-Roos Community Facilities Act of 1982, as amended, Section 53311 and following of the California Government Code.

"Administrative Expenses" mean the actual or estimated costs incurred by the City to form the CFD and to determine, levy, and collect the Special Taxes, including compensation of City employees for administrative work performed in relation to the CFD, the fees of consultants and legal counsel, the costs of collecting installments of the Special Taxes on the general tax rolls, preparation of required reports, the cost of GIS mapping services, and any other costs required to administer the CFD as determined by the City.

"Administrator" means a City official in the Finance Department or their designee responsible for determining the levy and collection of the Special Taxes.

"Affordable Housing Director" means, at any point in time, the person in the City who serves as head of the department that oversees the City's affordable housing program.

"Affordable Unit" means a Unit built on a Residential Use Parcel for which an Affordable Unit agreement has been entered into for the property designating the Unit as affordable or is determined to be exempt from the Special Tax under applicable law. A Multifamily For Rent Parcel may have only a portion of the Units assigned as Affordable Units. The City Manager, or their designee, shall determine which Units are designated as Affordable Units and maintain an Affordable Unit listing, which shall contain all designated buildable parcels by tract and lot

number and, in the case of Large Lot Parcels remaining before May 1 of the preceding Fiscal Year, the number of designated Affordable Units for each such Large Lot Parcel; all entries shall indicate the effective date of designation. The Affordable Unit listing also shall be updated to reflect those Units no longer qualifying as Affordable Units, also known as Market-Rate Units. The Affordable Unit listing, which shall contain all qualifying Affordable Units as of April 30, shall be made available to the Administrator by July 1 of each year for purposes of determining the Maximum Annual Special Tax for Parcels pursuant to **Section 4**.

"Annexation Parcels" mean a Parcel or Parcels annexed into the CFD after formation. The Maximum Annual Special Tax will be assigned to such Parcels using the provisions of **Section 4.c** of this RMA. Annexation Parcels may be assigned a different Maximum Annual Special Tax Rate or Maximum Annual Special Tax per Parcel using a methodology different from other Parcels in the CFD and may be placed in an area designated as a separate zone of the CFD, all of which shall be set forth in revised attachments hereto as needed, without further CFD proceedings.

"Annual Costs" mean, for any Fiscal Year, the total of the following items: (1) Authorized Services; (2) Administrative Expenses; and (3) any amounts needed to cure actual or estimated delinquencies in Special Taxes for the current or previous Fiscal Year.

"Assessor's Parcel" means a lot or Parcel with an assigned Assessor's Parcel Number in the maps used by the County Assessor in preparing the tax roll.

"Assessor's Parcel Map" means an official map of the County Assessor designating Parcels by Assessor's Parcel Number.

"Assessor's Parcel Number" means the Parcel and Parcel Number as assigned by the County Assessor on the equalized tax roll.

"Assigned Maximum Annual Special Tax" means the Maximum Annual Special Tax assigned to each Large Lot Parcel that is an Original Parcel based on the Expected Land Uses at CFD formation, as shown in **Attachment 1**. For any Annexation Parcels that do not have approved Large Lot Parcels, Expected Land Uses will be based on the approved Specific Plan land uses for each Assessor's Parcel that is annexed. In this instance, the Assigned Maximum Annual Special Tax will be assigned to Assessor Parcel Number(s) and added to **Attachment 1**.

"Authorized Services" mean those services listed in the resolution forming the CFD.

"Base Year" means the Fiscal Year beginning July 1, 2023, and ending June 30, 2024.

"Building Permit" means a permit issued by the City for construction of a Residential Use or Nonresidential Use structure.

"Business Professional" means a Parcel or Parcels zoned to provide for a wide variety of office uses and other uses related to and supporting office uses.

"CFD" means the City of Roseville Amoroso Ranch Community Facilities District No. 2 (Public Services) , Placer County, California.

"Chief Financial Officer" means the Chief Financial Officer for the City, or their designee.

"City" means the City of Roseville in Placer County, California.

“Community Commercial” means a Parcel or Parcels zoned to serve the principal retail shopping needs of the entire community by providing areas for shopping centers and other retail and service uses.

“Council” means the City Council of the City acting for the CFD under the Act.

“County” means the County of Placer, California.

“Developed Parcel” means, in any Fiscal Year, any Taxable Parcel for which a Building Permit was issued before May 1 of the preceding Fiscal Year for Residential Uses on Single-Family Parcels, Multifamily For-Rent Parcels, Multifamily For-Sale Parcels, or for Nonresidential Uses on Nonresidential Use Parcels.

“Development Plan” means a condominium plan, apartment plan, site plan, or other development plan that identifies such information as the type of structure, Acreage, square footage, or number of Units that are approved to be developed on a Single-Family Parcel, Multifamily For-Rent Parcels, Multifamily For-Sale Parcels, and Nonresidential Parcels.

“Expected Land Use(s)” mean(s) the total number of Units or Acres of each land use type by Tax Category expected in each Large Lot Parcel and Original Parcel at CFD formation as identified in **Attachment 1** of this RMA. Future Annexation Parcels may not have approved Large Lot Parcels with an assigned total number of Units. Such Annexation Parcels will be assigned an Assigned Maximum Annual Special tax per Unit or per Acre and added to **Attachment 1**.

“Final Use Small Lot Parcel” means a Parcel designated for development as a single-family residence, which is part of a Final Small Lot Subdivision Map.

“Final Small Lot Subdivision Map” means a recorded map designating the final Parcel subdivision for individual Single-Family Parcels.

“Fiscal Year” means the period starting July 1 and ending the following June 30.

“High-Density Residential” means, based on the Amoruso Ranch Specific Plan, a land use designation that primarily accommodates attached housing but, depending on the Unit type, could also include detached housing, within the density range of 13.0 or greater dwelling units per gross developable Acre. Typical housing product types include detached townhomes, courtyard townhomes/condominiums, garden-style apartments, and podium-design apartments/condominiums.

“Large Lot Parcel” means a Parcel created by a Large Lot Subdivision Map.

“Large Lot Subdivision Map” means a recorded subdivision map creating Parcels by land use. However, the Large Lot Subdivision Map does not delineate Single-Family Parcels. A Final Small Lot Subdivision Map will create individual Single-Family Parcels.

“Light Industrial” mean Parcels zoned by the City as Light Industrial (Tech./Business Park).

“Low-Density Residential” means, based on the Amoruso Ranch Specific Plan, a land use designation that supports single-family detached homes on conventional lots within the density range of up to 6.9 dwelling units per gross developable Acre. Typical housing product types include standard, alley-loaded, or clustered, single-family detached Units.

"Market-Rate Unit" means a Unit that is not an Affordable Unit.

"Maximum Annual CFD Special Tax Revenue" means the sum of the Maximum Annual Special Tax levied on all Taxable Parcels in the CFD in a Fiscal Year.

"Maximum Annual Special Tax" means the greatest amount of Special Tax that can be levied against a Parcel in a given Fiscal Year, as shown in **Attachments 1 and 2**.

"Maximum Annual Special Tax Rate" means the rate of Maximum Annual Special Tax charged per Unit or per Acre, as shown in **Attachments 1 and 2**.

"Maximum Annual Special Tax Revenue" means the greatest amount of revenue that can be collected in total from a group of Parcels (such as Developed Parcels) by levying the Maximum Annual Special Tax.

"Medium-Density Residential" means, based on the Amoruso Ranch Specific Plan, a land use designation that accommodates both single-family detached homes and attached homes within the density range of 7.0 to 12.9 dwelling units per gross developable Acre. Typical housing product types include standard or alley-loaded lots, courtyard lots, green court lots, auto courts, alley clusters, zero-lot lines, or z-shaped lots. In addition, duet/half-plex homes, townhomes, or condominiums may be accommodated in Medium-Density Residential areas.

"Mixed-Use" means a Parcel or Parcels designated for a combination of Residential Uses and Nonresidential Uses.

"Multifamily For-Rent" or **"Multifamily For-Rent Parcel"** means any Parcel designated or developed for more than one residential dwelling Unit per Parcel, and where such Units initially are offered for rent to the general public and cannot be purchased by individual homeowners. Such uses may consist of apartments or structures such as duplexes or triplexes, including land uses defined as High-Density Residential. Each residential dwelling Unit in Multifamily For-Rent Parcels is not expected to have its own distinct Assessor's Parcel Number.

"Multifamily For-Sale" or **"Multifamily For-Sale Parcel"** means any Parcel designated or developed for more than one residential dwelling Unit in a single building or structure and that may share at least one common wall where such units are not initially offered for rent to the general public and initially may be offered for sale to individual homeowners. Such uses may consist of condominiums or buildings such as half-plexes or time-share units, including land uses defined as High-Density Residential. Multifamily For-Sale Parcels are anticipated to have their own distinct Assessor's Parcel Number as is the case in residential condominium projects. Once designated as Multifamily For-Sale or a Multifamily For-Sale Parcel, the Parcel shall remain so designated unless the original structures are demolished.

"Nonresidential Use" means a Taxable Parcel with land uses other than Residential Uses that may include Business Professional, Community Commercial, Light Industrial, and Mixed-Use.

"Original Parcel" means a Taxable Parcel identified in **Attachment 1** (and shown in **Map 1**) at formation of the CFD. **Attachment 1** and **Map 1** shall be updated, or additional maps may be added with each new annexation into the CFD.

"Parcel" means any Assessor's Parcel in the CFD based on the equalized tax rolls of the County as of January 1 of each Fiscal Year.

“Proportionately” means that the ratio of the actual Special Tax levy to the Maximum Annual Special Tax is equal for all Developed Parcels. For Final Use Small Lot Parcels, Proportionately means that the ratio of the actual Special Tax levy to the Maximum Annual Special Tax is equal for all Final Use Small Lot Parcels. For Small Lot Tentative Map Parcels, Proportionately means that the ratio of the actual Special Tax levy to the Maximum Annual Special Tax is equal for all Small Lot Tentative Map Parcels. For Large Lot Parcels, Proportionately means that the ratio of the actual Special Tax levy to the Maximum Annual Special Tax is equal for all Large Lot Parcels. For Undeveloped Parcels, Proportionately means that the ratio of the actual Special Tax levy to the Maximum Annual Special Tax is equal for all Undeveloped Parcels.

“Public Parcel” means any Parcel that is or is intended to be publicly owned, as designated in any final map that is normally exempt from the levy of general ad valorem property taxes under California law, including public streets; schools; parks; and public drainageways, landscaping, wetlands, greenbelts, and open space.

“Remainder Parcel” means a portion of land that is created as a result of the recording of a Large Lot Parcel Map or Final Small Lot Subdivision Map, which results in a designated remainder as defined in Government Code Section 66424.6(a). Such a Remainder Parcel may contain taxable and tax-exempt uses, such as Residential Uses, and Public Parcels, such as park sites. Once designated as a Remainder Parcel, such Parcel will be considered a Large Lot Parcel for the purposes of future Subdivisions and for the provisions of **Sections 4** through **6**.

“Residential Use” means a Parcel designated for residential use, such as single-family residential Units, residential condominiums, townhouses, or apartments that would be included in the definitions of Low-Density Residential, Medium-Density Residential or High-Density Residential.

“RMA” means this Rate, Method of Apportionment, and Manner of Collection of Special Tax.

“Single-Family Parcel” means, in any Fiscal Year, all Parcels in the CFD for which a building permit was issued or may be issued for construction of a Unit that is a single-family residential, residential condominium, or townhouse Unit.

“Small Lot Tentative Map” means a map that is approved by the City for the purpose of showing the design of a proposed Subdivision, including the individual buildable lots expected in the Subdivision, as well as the conditions pertaining thereto. A Small Lot Tentative Map is not based on a detailed survey of the property in the map and is not recorded at the County Recorder’s Office to create legal lots.

“Small Lot Tentative Map Parcel” means, in any Fiscal Year, all Parcels included in a Small Lot Tentative Map that was approved before May 1 of the prior Fiscal Year and which have not yet become a Final Use Small Lot Parcel or a Developed Parcel.

“Special Tax(es)” mean(s) any tax levy under the Act in the CFD.

“Subdivision” or **“Subdivided”** means division of a Parcel into two or more Parcels through Parcel reconfiguration, lot-line adjustments, or the Subdivision Map Act process. A Subdivision also may include the merging of two or more Parcels to create new Parcels.

"Successor Parcel" means a Parcel created by the Subdivision of an Original Parcel or a Successor Parcel.

"Tax Category" means the categories of taxable land uses shown in **Attachments 1 and 2**.

"Tax Collection Schedule" means the document prepared by the Administrator for the County Auditor-Controller to use in levying and collecting the Special Taxes each Fiscal Year.

"Tax Escalation Factor" means a factor not to exceed 4 percent, determined by the Administrator in any Fiscal Year following the Base Year by which the Maximum Annual Special Tax for the previous Fiscal Year will be increased to provide sufficient services for the current Fiscal Year.

"Taxable Acreage" means that area of a Parcel determined by the Administrator to become a Taxable Parcel or Parcels upon further Subdivision. An example might be that a Large Lot Parcel Map creates a Remainder Parcel that, according to **Attachment 1**, contains both taxable and tax-exempt uses, such as a park site.

"Taxable Parcel" means any Parcel that is not a Tax-Exempt Parcel.

"Tax-Exempt Parcel" means a Parcel not subject to the Special Tax. Tax-Exempt Parcels include (a) Public Parcels, (b) Parcels owned by the City, school districts, special districts, or the state or federal government, and (c) Affordable Units.

Certain privately owned Parcels also may be exempt from the levy of Annual Special Taxes, including common areas owned by homeowners' associations or property owner associations, wetlands, detention basins, water quality ponds, and open space, as determined by the Administrator.

"Undeveloped Parcel" means a Taxable Parcel that is not a Developed Parcel, Final Use Small Lot Parcel, Small Lot Tentative Map Parcel, or a Large Lot Parcel.

"Unit" means, for a Single-Family Parcel, the individual residential Unit on such Parcel or, for a Multifamily For-Rent Parcel or Multifamily For-Sale Parcel, an individual residential Unit in a multifamily building.

3. Duration of the Special Tax

Parcels in the CFD will remain subject to the Special Tax in perpetuity.

If the Special Tax ceases to be levied, the City will direct the County Recorder to record a Notice of Cessation of Special Tax. Such notice will state that the obligation to pay the Special Tax has ceased and the lien imposed by the Notice of Special Tax Lien is extinguished. The Notice of Cessation of Special Tax, in addition, will identify the book and page of the Book of Maps of Assessment and Community Facilities Districts where the map of the boundaries of the CFD is recorded.

4. Administrative Tasks

Tasks required of the Administrator are discussed below:

- a. Annual Special Tax Escalation. The Administrator shall increase the Maximum Annual Special Tax by the Tax Escalation Factor in each Fiscal Year following the Base Year.
- b. Assignment of the Maximum Annual Special Tax to Original Parcels. **Attachment 1** identifies the Assigned Maximum Annual Special Tax for each Original Parcel at CFD formation, which is determined for each Large Lot Parcel based on the Expected Land Uses in each Large Lot Parcel at CFD Formation. Original Parcels are identified by Large Lot Number in **Map 1**. The Assigned Maximum Annual Special Tax shall continue to apply to the geographic area to which it was assigned. If, before further Subdivision, the Administrator determines there are multiple Assessor's Parcels in a Large Lot Parcel, the Administrator shall assign the Maximum Annual Special Tax to each Assessor's Parcel on a pro rata basis to all Assessor's Parcels in that Large Lot Parcel based on the percentage share of Taxable Acreage identified for each Assessor's Parcel. Similarly, if the Administrator determines there are multiple Large Lot Parcels in an Assessor's Parcel, the Maximum Annual Special Tax shall equal the sum of the Assigned Maximum Annual Special Tax for all Large Lot Parcels in that Assessor's Parcel.
- c. Assignment of the Maximum Annual Special Tax to Annexation Parcels. If Parcels are annexed into the CFD after formation, the Maximum Annual Special Tax shall be assigned to these Annexation Parcels using the definitions in **Section 2** and the Maximum Annual Special Tax per Unit or Acre shown in **Attachment 2**, as adjusted by the Tax Escalation Factor applied by the Administrator, unless the Annexation Parcels are annexed with a new set of Maximum Annual Special Taxes under a new zone. **Attachment 1** shall be amended, or a new attachment created, to include the Annexation Parcels and, if necessary, the applicable Special Taxes by zone. If new Maximum Annual Special Taxes are created, **Attachments 1** and **2** should be amended to reflect the Maximum Annual Special Taxes and zone(s) for the Annexation Parcels. Once annexed, these annexed Parcels shall be considered Original and Successor Parcels and will be subject to the same procedures for assigning the Maximum Annual Special Tax to Successor Parcels described in **Section 4.d**. The owner of the Annexation Parcels shall be responsible for paying all costs associated with annexing the Annexation Parcels to the CFD, but otherwise shall not be required to pay any other charge or fee in connection with or as a condition of such annexation unless otherwise agreed to by the owner of the Annexation Parcel in connection with the annexation.
- d. Assignment of the Maximum Annual Special Tax to Successor Parcels. As Original Parcels and Successor Parcels are created through recordation of Final Small Lot Subdivision Maps, lot line adjustments or other Parcel amendments through the Subdivision Map Act process, the Administrator shall use the following steps to assign the Maximum Annual Special Tax to new Successor Parcels. As necessary, the assignment of the Maximum Annual Special Tax to Successor Parcels should use the Maximum Annual Special Tax Rates within which the Original Parcel and Successor Parcel resides. As a result of each assignment of the Maximum Annual Special Tax upon Subdivision of an Original Parcel or Successor Parcel, the sum of the Maximum Annual Special Taxes assigned to the newly created Taxable Parcels shall never be less, but may be greater, than the Assigned Maximum Annual Special Tax for that Original Parcel or Successor Parcel.
 1. If an Original Parcel or Successor Parcel is Fully Subdivided into Single-Family Parcels with No Remainder Parcel(s). There shall be no net loss of Maximum CFD Special Tax Revenue as a result of the assignment of the Maximum Annual Special Tax to Single-

Family Parcels. The Administrator shall use the following procedures to assign the Maximum Annual Special Tax to Single-Family Parcels. All references to Maximum Annual Special Taxes in the attachments are subject to application of the Tax Escalation Factor by the Administrator:

- A. Multiply the Maximum Annual Special Tax per Unit by Tax Category from **Attachment 2** by the number of Units for each Single-Family Parcel created by the Subdivision. Sum the Maximum Annual Special Taxes for all Single-Family Parcels created by the Subdivision.
 - B. If the sum of Maximum Annual Special Taxes calculated in Step 4.d.1.A above is equal to or greater than the Assigned Maximum Annual Special Tax for the Original or Successor Parcel that was Subdivided, assign the Maximum Annual Special Tax per Unit by Tax Category as calculated in Step 4.d.1.A above to each Single-Family Parcel created by the Subdivision.
 - C. If the sum of Maximum Annual Special Taxes calculated in Step 4.d.1.A above is less than the Assigned Maximum Annual Special Tax for the Original or Successor Parcel that was Subdivided, Proportionately increase the Maximum Annual Special Tax per Unit for all Units until the sum of resulting Maximum Annual Special Taxes from all Units equals the Assigned Maximum Annual Special Tax for the Original or Successor Parcel that was Subdivided. Assign the Maximum Annual Special Tax calculated in this step to each new Single-Family Parcel created by the Subdivision.
2. If Original or Successor Parcel Is Subdivided into Single-Family Parcels and One or More Remainder Parcels. When an Original or Successor Parcel is Subdivided into Single-Family Parcels and one or more Large Lot Parcels (or Remainder Parcels), the Maximum Annual Special Tax is assigned to the Single-Family Parcels and Large Lot Parcels created by the Subdivision in the following manner:
- A. Apportion the Assigned Maximum Annual Special Tax to the area(s) that is/are being Subdivided into Single-Family Parcels and to the area(s) that will be Remainder Parcel(s) on a pro rata basis, based on the percentage share of Taxable Acreage represented by each such area as compared to the total area of the Original or Successor Parcel.
 - B. For each area Subdivided into Single-Family Parcels, multiply the Maximum Annual Special Tax per Unit by Tax Category from **Attachment 2** by the number of Units for each Single-Family Parcel created by the Subdivision. Sum the Maximum Annual Special Taxes for all Single-Family Parcels created by the Subdivision.
 - C. For each area Subdivided into Single-Family Parcels, if the sum of Maximum Annual Special Taxes calculated in Step 4.d.2.B above is equal to or greater than the Assigned Maximum Annual Special Tax apportioned to that area of the Original or Successor Parcel that was Subdivided into Single-Family Parcels, assign the Maximum Annual Special Tax per Unit by Tax Category as calculated in Step 4.d.2.B above to each Single-Family Parcel created by the Subdivision.
 - D. For each area Subdivided into Single-Family Parcels, if the sum of Maximum Annual Special Taxes calculated in Step 4.d.2.B above is less than the Assigned Maximum

Annual Special Tax apportioned to that area of the Original or Successor Parcel that was Subdivided into Single-Family Parcels, Proportionately increase the Maximum Annual Special Tax per Unit for all Units until the sum of resulting Maximum Annual Special Taxes from all Units equals the Assigned Maximum Annual Special Tax apportioned to that area of the Original or Successor Parcel that was Subdivided into Single-Family Parcels. Assign the Maximum Annual Special Tax calculated in this step to each new Single-Family Parcel created by the Subdivision.

- E. For the Remainder Parcel or Parcels, identify the Maximum Annual Special Tax for the entire Original or Successor Parcel that has been Subdivided. Sum the Maximum Annual Special Tax for all Single-Family Parcels created by the Subdivision. Subtract the sum of the Maximum Annual Special Tax for all Single-Family Parcels from the Assigned Maximum Annual Special Tax for the Original or Successor Parcel being subdivided and compare it to the Maximum Annual Special Tax assigned to the Remainder Parcel or Parcels in Step 4.d.2.A. Assign to each Remainder Parcel, the lesser of the calculations in this step or in Step 4.d.2.A, but in no event less than the difference between the previously Assigned Maximum Annual Special Tax for the Original Parcel or Successor Parcel being Subdivided and the total of the Maximum Annual Special Tax for all Single-Family Parcels created by such Subdivision.

Once designated as a Remainder Parcel, such Parcel will be considered a Large Lot Parcel for the purposes of future Subdivisions and for the provisions of **Sections 4** through **6**.

3. If an Original or Successor Parcel designated as Nonresidential Parcel is Subdivided creating multiple Nonresidential Parcels:

- A. Identify the Assigned Maximum Annual Special Tax for the Original Parcel or Successor Parcel that is being Subdivided.
- B. Determine the Taxable Acreage for all new Successor Parcels being created by the Subdivision.
- C. Sum the Taxable Acreage for all new Successor Parcels from Step 4.d.3.B.
- D. Divide the Taxable Acreage for each Successor Parcel by the results from Step 4.d.3.C to determine the percentage allocation of the Assigned Maximum Annual Special Tax from Step 4.d.3.A.
- E. Multiply the percentage derived in Step 4.d.3.D times the Assigned Maximum Annual Special Tax from Step 4.d.3.A to determine the Assigned Maximum Annual Special Tax for each Successor Parcel created by the Subdivision.

4. If an Original or Successor Parcel designated as a Multifamily For-Rent or For-Sale Parcel has a Building Permit issued:

- A. Identify the Assigned Maximum Annual Special Tax per Unit for High Density Residential shown in **Attachment 2**.
- B. Identify the number of Market Rate Units for the Parcel.

- C. For a Multifamily For-Rent Parcel, multiply the Market Rate Units times the Maximum Annual Special Tax per Unit from Step 4.d.4.A times the number of Units from Step 4.d.4.B to derive the Maximum Annual Special Tax for the Multifamily For-Rent Parcel.
- D. For a Multifamily For-Sale Parcel, assign the Maximum Annual Special Tax per Unit from Step 4.d.4.A to each Market Rate Unit to derive the Maximum Annual Special Tax for each Parcel.
- 5. If an Original or Successor Parcel is Subdivided creating multiple land uses and Tax Categories or for any rezones of land uses on Original or Successor Parcels:
 - A. Identify the Assigned Maximum Annual Special Tax for the Original Parcel or Successor Parcel that is being Subdivided or rezoned.
 - B. For each Taxable Parcel subject to rezone or created by Subdivision multiply the Maximum Annual Special Tax per Unit or per Acre by the number of Units or by the number of Acres by the appropriate Tax Category.
 - C. Sum the Maximum Annual Special Tax for each Taxable Parcel and compare it to the Assigned Maximum Annual Special Tax of the Original or Successor Parcel that is subject to rezone or is being Subdivided. If the sum of Maximum Annual Special Tax for each Taxable Parcel is greater than the Assigned Maximum Annual Special Tax for the Original Parcel, the Administrator shall apply the Maximum Annual Special Tax calculated above for each Taxable Parcel.
 - D. If the Assigned Maximum Annual Special Tax for the Original Parcel or Successor Parcel subject to rezone or that is being Subdivided is greater than the sum of Maximum Annual Special Tax for each Taxable Parcel being created, increase Proportionately the Maximum Annual Special Tax per Unit or per Acre on each Taxable Parcel such that the sum of Maximum Annual Special Tax for all Taxable Parcels equals the Maximum Annual Special Tax for the Original Parcel.
- e. Affordable Units that Become Market-Rate Units. If, in any Fiscal Year, the City Manager, or his or her designee, determines that a Unit that previously had been designated as an Affordable Unit no longer qualifies as such, the Affordable Housing Director shall update the Affordable Unit listing by denoting the change in status of the Unit, together with the effective date thereof. For all Affordable Units that are converted to Market-Rate Units, such Units shall be assigned the Maximum Annual Special Tax per Unit based on their Tax Category as shown in **Attachment 1**, as adjusted by the Tax Escalation Factor.
- f. Transfer of the Assigned Maximum Annual Special Tax from One Large Lot Parcel to Another. The Maximum Annual Special Taxes shown in **Attachment 1** were determined based on the Expected Land Uses for each Large Lot Parcel shown in **Attachment 1**. If the number of planned residential Units or Nonresidential Acreage is transferred from one Large Lot Parcel to another before recording of a Final Small Lot Subdivision Map in any portion of the Large Lot Parcel, the City may, in its sole discretion, allow for a transfer of the Maximum Annual Special Tax from one Large Lot Parcel to another. Such a transfer shall be allowed only if (1) all adjustments are agreed to in writing by the affected property owners and the Chief

Financial Officer, and (2) there is no reduction in the Maximum Annual CFD Special Tax Revenues as a result of the transfer. Should a transfer result in an amendment to **Attachment 1** of the Notice of Special Tax Lien, the requesting property owner shall bear the costs to affect the transfer in the CFD records and prepare the required amendments to the Notice of Special Tax Lien and **Attachment 1**. Before the transfer, the City may require a deposit from the requesting property owner for such costs.

- g. Conversion of a Tax-Exempt Parcel to a Taxable Parcel. If a Tax-Exempt Parcel fails to qualify as a Tax-Exempt Parcel it shall become subject to the Special Tax. The Maximum Annual Special Tax for the newly assigned Tax Category for such a Parcel is determined using the provisions of **Sections 4** and **5**.
- h. Taxable Parcels That Become Tax-Exempt. A Taxable Parcel that qualifies as a Tax-Exempt Parcel shall be reclassified as a Tax-Exempt Parcel.

5. Assignment of the Maximum Annual Special Tax

- a. Classification of Parcels. For purposes of the next Fiscal Year tax levy, by June 30 of each Fiscal Year, using the Definitions in **Section 2**, the Parcel records of the Assessor's secured tax roll as of January 1, and other City development approval records, the Administrator shall cause:
 - 1. Each Parcel to be classified as a Taxable Parcel or Tax-Exempt Parcel.
 - 2. Each Parcel to be classified as a Developed Parcel, a Final Use Small Lot Parcel, a Small Lot Tentative Map Parcel, a Large Lot Parcel (including Remainder Parcels), or an Undeveloped Parcel.
 - 3. Each Unit to be classified as a Market-Rate Unit or an Affordable Unit.
- b. Assignment of the Maximum Annual Special Tax to Taxable Parcels. The Maximum Annual Special Tax will be assigned to each Taxable Parcel each Fiscal Year using the procedures (not all steps may be applicable for each such Parcel) in **Section 4**.

6. Calculating Annual Special Taxes

The Administrator will compute the Annual Costs and determine the annual Special Tax levy for each Taxable Parcel based on the assignment of the Special Tax in **Sections 4** and **5**. All calculations and steps described in this section shall be done for all areas within the CFD. The Administrator then will determine the tax levy for each Taxable Parcel using the following process:

- a. Compute the Annual Costs using the definition of Annual Costs in **Section 2**.
- b. For all Taxable Parcels, calculate the Special Tax levy for each using the following steps:
 - Step 1: Compute 100 percent of the Maximum Annual Special Tax Revenue for all Developed Parcels.
 - Step 2: Compare the Annual Costs with the amount calculated in the previous step.

- Step 3: If the Annual Costs are lower than the amount calculated in Step 1, decrease Proportionately the Maximum Annual Special Tax levy for each Developed Parcel until the revenue from the Special Tax levy equals the Annual Costs.
- Step 4: If the Annual Costs are greater than the amount calculated in Step 1, levy Proportionately the Maximum Annual Special Tax for each Final Use Small Lot Parcel until the revenue from the Special Tax levy equals the Annual Costs, or 100 percent of the Maximum Annual Special Tax for all Final Use Small Lot Parcels, if needed to fund Annual Costs.
- Step 5: If the Annual Costs are greater than the amount calculated in Step 1 and Step 4, levy Proportionately the Maximum Annual Special Tax for each Small Lot Tentative Map Parcel until the revenue from the Special Tax levy equals the Annual Costs, or 100 percent of the Maximum Annual Special Tax for all Small Lot Tentative Map Parcels, if needed to fund Annual Costs.
- Step 6: If the Annual Costs are greater than the amount calculated in Step 1, Step 4, and Step 5, levy Proportionately the Maximum Annual Special Tax for each Large Lot Parcel until the revenue from the Special Tax levy equals the Annual Costs, or 100 percent of the Maximum Annual Special Tax for all Large Lot Parcels, if needed to fund Annual Costs.
- Step 7: If the Annual Costs are greater than the amount calculated in Step 1, Step 4, Step 5, and Step 6, levy Proportionately the Maximum Annual Special Tax for each Undeveloped Parcel until the revenue from the Special Tax levy equals the Annual Costs, or 100 percent of the Maximum Annual Special Tax for all Undeveloped Parcels, if needed to fund Annual Costs.
- c. Levy on each Taxable Parcel the amount calculated above.
- d. Prepare the Tax Collection Schedule and, unless an alternative method of collection has been selected pursuant to **Section 8**, send it to the County Auditor requesting that it be placed on the general, secured property tax roll for the Fiscal Year. The Tax Collection Schedule will not be sent later than the date required by the County Auditor for such inclusion.

The Administrator will make every effort to calculate the Special Tax correctly for each Parcel. It will be the burden of the taxpayer to correct any errors in determining which Parcels are subject to the tax and their Special Tax assignments.

7. Interpretation, Application, and Appeal of Special Tax Formula and Procedures

Any taxpayer who feels the amount of the Special Tax assigned to a Parcel is in error may file a notice with the Chief Financial Officer appealing the levy of the Special Tax. The Chief Financial Officer then will promptly review the appeal and, if necessary, will meet with the applicant. If the Chief Financial Officer verifies that the tax should be modified or changed, the Special Tax levy will be corrected and, if applicable in any case, a credit or refund will be granted.

Interpretations may be made by the City, without Resolution or Ordinance of the Council, for purposes of clarifying any vagueness or ambiguity as it relates to the Special Tax rate, the method of apportionment, the classification of properties, or any definition applicable to the CFD.

Without Council approval, the Chief Financial Officer may make minor, non-substantive administrative and technical changes to the provisions of this RMA that do not materially affect the rate, method of apportionment, or manner of collection of the Special Tax for purposes of administrative efficiency or convenience or to comply with new applicable federal, state, or local law.

The City, upon request of an owner of land in the CFD that is not a Developed Parcel, also may amend this RMA in any manner acceptable to the City, without Resolution or Ordinance of the Council, upon the affirmative vote of such owner and without the vote of owners of any other land in the CFD, provided such amendment only affects such owner's land and does not reduce the total Maximum Annual Special Tax Revenue for the CFD.

8. Manner of Collection

The Special Tax will be collected in the same manner and at the same time as ad valorem property taxes, provided, however, the Administrator or its designee may directly bill the Special Tax and may collect the Special Tax at a different time, such as on a monthly or other periodic basis, or in a different manner, if necessary, to meet the City's financial obligations.

EXHIBIT B:
**List of Authorized
Facilities and Services**

EXHIBIT B

**Amoruso Ranch
Community Facilities District No. 2 (Public Services)
City of Roseville
Placer County, California**

The authorized services to be funded from the levy and collection of annual special taxes shall consist of those items set forth below, in addition to the costs associated with collecting and administering the special taxes and annual administering the CFD. The authorized services to be funded for the Amoruso Ranch Community Facilities District (CFD) No. 2 (Public Services) include these:

1. Open Space improvement, operations and management, monitoring, maintenance (including, but not limited to, general maintenance, signage, benches, striping, City owned fence maintenance, trash and debris collection, and bike trails and their appurtenances [drainage culverts or pipes from adjacent subdivisions] within open space), creation and maintenance of fire breaks, Permits, Vandalism/Graffiti, Flood Conveyance (Vegetation/tree removals), Beaver dam removals, Outfall/drainage swale maintenance, Erosion control/bank stabilization, Native planting/replanting, Pre and post emergent, environmental mitigation monitoring, and the annual review thereof, as required by the Mitigation Monitoring Plan related to the Environmental Impact Report, maintenance activities as required by the 404 permit and Open Space Overarching Maintenance & Management Plan and repair and replacement of facilities within open space areas.
2. The maintenance of on-site landscape corridors and paseos designed to serve the territory within the CFD, including, but not limited to, general maintenance, masonry walls, accent lighting, water and utility costs.
3. The maintenance of medians, entries, and entry monumentation.
4. The performance of leaf pick-up and street sweeping designed to serve the territory within the CFD, including along the following roads:
 - Westbrook Boulevard.
 - West Sunset Boulevard.
5. Neighborhood park maintenance, and repair and replacement.
6. Storm water management, water quality structural controls, including, but not limited to, drainage swales constructed between storm drain facilities and receiving waters, and maintenance of flood control facilities including, but not limited to, detention basins and created wetlands.
7. Bus Transfer Station, bus shelters, bus stops and any park and ride lots as well as bus signs.

8. Miscellaneous costs related to any of the items described above, including but not limited to planning, engineering, GIS, legal, and City and County administration costs.
9. The levy of special taxes to accumulate sinking funds for anticipated future repairs or replacement costs of landscape corridors, irrigation facilities, medians, entries and entry monumentation, lighting, neighborhood parks, storm water management and other facilities authorized to be maintained by the CFD or for which the City is authorized to finance services through the CFD, as determined by the Administrator.

CITY COUNCIL OF THE CITY OF ROSEVILLE

RESOLUTION NO. 23-296

A RESOLUTION OF FORMATION OF COMMUNITY FACILITIES DISTRICT

**City of Roseville
Amoruso Ranch Community Facilities District No. 2
(Public Services)**

WHEREAS, on April 5, 2023, the City Council (the "Council") of the City of Roseville (the "City") adopted a resolution entitled "A Resolution of Intention to Form Amoruso Ranch Community Facilities District No. 2 (Public Services)" (the "Resolution of Intention"), stating its intention to form "City of Roseville Amoruso Ranch Community Facilities District No. 2 (Public Services)" (the "CFD"), pursuant to Chapter 2.5 of Part 1 of Division 2 of Title 5, commencing with Section 53311, of the California Government Code (the "Act");

WHEREAS, the Resolution of Intention, incorporating a map of the proposed boundaries of the CFD and stating the services to be provided and the rate and method of apportionment of the special tax to be levied within the CFD to pay for the services, is on file with the City Clerk and the provisions thereof are incorporated herein by this reference as if fully set forth herein;

WHEREAS, on this date, this Council held a noticed public hearing as required by the Act and the Resolution of Intention relative to the proposed formation of the CFD;

WHEREAS, at the hearing all interested persons desiring to be heard on all matters pertaining to the formation of the CFD, the services to be provided therein and the levy of such special tax were heard and a full and fair hearing was held;

WHEREAS, at the hearing evidence was presented to this Council on such matters before it, including a special report (the "Report") as to the services to be provided through the CFD and the costs thereof, a copy of which is on file with the City Clerk, and this Council at the conclusion of said hearing is fully advised in the premises; and

WHEREAS, written protests with respect to the formation of the CFD, the furnishing of specified types of services and the rate and method of apportionment of the special taxes have not been filed with the City Clerk by 50% or more of the registered voters residing within the territory of the CFD or property owners of one-half or more of the area of land within the CFD and not exempt from the proposed special taxes.

NOW, THEREFORE, be it resolved by the City Council of the City of Roseville:

1. Recitals Correct. The foregoing recitals are true and correct.
2. No Majority Protest. The proposed CFD and the special tax to be levied within the CFD have not been precluded by majority protest pursuant to section 53324 of the Act.
3. Prior Proceedings Valid. All prior proceedings taken by this City Council in connection with the establishment of the CFD and the levy of the special tax within the CFD

have been duly considered and are hereby found and determined to be valid and in conformity with the Act.

4. Name of CFD. The community facilities district designated “City of Roseville Amoruso Ranch Community Facilities District No. 2 (Public Services)” is hereby established pursuant to the Act.

5. Boundaries of CFD. The boundaries of the CFD, as set forth in the map of the CFD recorded in the Placer County Recorder’s Office on April 11, 2023 in Book 4 at Page 84 of Maps of Assessment and Community Facilities Districts as Document No. 2023-0018571, are hereby approved, are incorporated herein by reference and shall be the boundaries of the CFD.

6. Description of Services. The type of public services proposed to be financed by the CFD and pursuant to the Act shall consist of those items shown in Exhibit B hereto and by this reference incorporated herein (the “Services”).

7. Special Tax.

a. Except to the extent that funds are otherwise available to the CFD to pay for the Services, a special tax (the “Special Tax”) sufficient to pay the costs thereof, secured by the recordation of a continuing lien against all non-exempt real property in the CFD, is intended to be levied annually within the CFD, and collected in the same manner as ordinary *ad valorem* property taxes or in such other manner as may be prescribed by this Council.

b. The proposed rate and method of apportionment of the Special Tax among the parcels of real property within the CFD, in sufficient detail to allow each landowner within the proposed CFD to estimate the maximum amount such owner will have to pay, are shown in Exhibit A attached hereto and hereby incorporated herein. As contemplated by the rate and method of apportionment of the Special Tax included as Exhibit A, parcels may annex into the CFD in the future within a different tax zone(s) and may have different maximum annual special tax rate(s).

c. This Council hereby finds that the provisions of Section 53313.6, 53313.7 and 53313.9 of the Act (relating to adjustments to ad valorem property taxes and schools financed by a community facilities district) are inapplicable to the proposed CFD.

d. Except as may otherwise be provided by law or by the rate and method of apportionment of the Special Tax for the CFD, all lands owned by any public entity, including the United States, the State of California, the County and/or the City, or any departments or political subdivisions thereof, shall be omitted from the levy of the Special Tax to be made to cover the costs and expenses of the Services and the CFD. In the event that a portion of the property within the CFD shall become for any reason exempt, wholly or in part, from the levy of the Special Tax, this Council will, on behalf of the CFD, increase the levy to the extent necessary upon the remaining property within the CFD which is not exempt in order to yield the annual expenses of the CFD, if any, subject to the provisions of the rate and method of apportionment of the Special Tax.

8. Increased Demands. It is hereby found and determined that the Services are necessary to meet increased demands placed upon local agencies, including the City, as the result of development occurring in the CFD. The Services are in addition to those provided in

the territory of the CFD as of the date hereof and will not supplant services already available within the territory of the CFD as of the date hereof.

9. Responsible Official. The Chief Financial Officer of the City of Roseville, 311 Vernon Street, Roseville, CA 95678, (916) 774-5313, is the officer of the City who will be responsible for preparing annually a current roll of the levy of the Special Tax obligations by assessor's parcel number and who will be responsible for estimating future levies of the Special Tax.

10. Tax Lien. Upon recordation of a notice of special tax lien pursuant to Section 3114.5 of the California Streets and Highways Code, a continuing lien to secure each levy of the Special Tax shall attach to all nonexempt real property in the CFD and this lien shall continue in force and effect until the Special Tax obligation is prepaid and permanently satisfied and the lien canceled in accordance with law or until collection of the Special Tax by the City ceases.

11. Appropriations Limit. In accordance with the Act, the initial annual appropriations limit, as defined by subdivision (h) of Section 8 of Article XIII B of the California Constitution, of the CFD is hereby preliminarily established at \$2,400,000 and such appropriations limit shall be submitted to the voters of the CFD as hereafter provided. The proposition establishing such annual appropriations limit shall become effective if approved by the qualified electors voting thereon and shall be adjusted in accordance with the applicable provisions of the Act and the Constitution.

12. Election. Pursuant to the provisions of the Act, the proposition of the levy of the Special Tax and the proposition of the establishment of the appropriations limit specified above shall be submitted to the qualified electors of the CFD at an election the time, place and conditions of which election shall be as specified by a separate resolution of this Council.

13. Effective Date. This resolution shall take effect upon its adoption.

* * * * *

I hereby certify that the foregoing Resolution was duly adopted by the City Council of the City of Roseville, California, at a regularly scheduled meeting thereof, held on the _____ day of _____ 2023, by the following vote of the City Council:

AYES:	COUNCILMEMBERS
NOES:	COUNCILMEMBERS

ABSTAIN:	COUNCILMEMBERS

Mayor

ATTEST:

City Clerk of the City of Roseville

EXHIBIT A

City of Roseville
Amoruso Ranch Community Facilities District No. 2
(Public Services)
Placer County, California

RATE, METHOD OF APPORTIONMENT, AND MANNER OF COLLECTION OF SPECIAL TAX

1. Basis of Special Tax Levy

A Special Tax authorized under the Mello-Roos Community Facilities Act of 1982 (Act) applicable to the land in the City of Roseville Amoruso Ranch Community Facilities District No. 2 (Public Services) shall be levied and collected according to the tax liability determined by the City through the application of the appropriate amount or rate, as described below.

2. Definitions

"Acre" or "Acreage" means the land area of an Assessor's Parcel as shown on an Assessor's Parcel Map or, if the land area is not shown on an Assessor's Parcel Map, the land area shown on the applicable final map or other Development Plan.

"Act" means the Mello-Roos Community Facilities Act of 1982, as amended, Section 53311 and following of the California Government Code.

"Administrative Expenses" mean the actual or estimated costs incurred by the City to form the CFD and to determine, levy, and collect the Special Taxes, including compensation of City employees for administrative work performed in relation to the CFD, the fees of consultants and legal counsel, the costs of collecting installments of the Special Taxes on the general tax rolls, preparation of required reports, the cost of GIS mapping services, and any other costs required to administer the CFD as determined by the City.

"Administrator" means a City official in the Finance Department or their designee responsible for determining the levy and collection of the Special Taxes.

"Affordable Housing Director" means, at any point in time, the person in the City who serves as head of the department that oversees the City's affordable housing program.

"Affordable Unit" means a Unit built on a Residential Use Parcel for which an Affordable Unit agreement has been entered into for the property designating the Unit as affordable or is determined to be exempt from the Special Tax under applicable law. A Multifamily For Rent Parcel may have only a portion of the Units assigned as Affordable Units. The City Manager, or their designee, shall determine which Units are designated as Affordable Units and maintain an Affordable Unit listing, which shall contain all designated buildable parcels by tract and lot

number and, in the case of Large Lot Parcels remaining before May 1 of the preceding Fiscal Year, the number of designated Affordable Units for each such Large Lot Parcel; all entries shall indicate the effective date of designation. The Affordable Unit listing also shall be updated to reflect those Units no longer qualifying as Affordable Units, also known as Market-Rate Units. The Affordable Unit listing, which shall contain all qualifying Affordable Units as of April 30, shall be made available to the Administrator by July 1 of each year for purposes of determining the Maximum Annual Special Tax for Parcels pursuant to Section 4.

"Annexation Parcels" mean a Parcel or Parcels annexed into the CFD after formation. The Maximum Annual Special Tax will be assigned to such Parcels using the provisions of Section 4.c of this RMA. Annexation Parcels may be assigned a different Maximum Annual Special Tax Rate or Maximum Annual Special Tax per Parcel using a methodology different from other Parcels in the CFD and may be placed in an area designated as a separate zone of the CFD, all of which shall be set forth in revised attachments hereto as needed, without further CFD proceedings.

"Annual Costs" mean, for any Fiscal Year, the total of the following items: (1) Authorized Services; (2) Administrative Expenses; and (3) any amounts needed to cure actual or estimated delinquencies in Special Taxes for the current or previous Fiscal Year.

"Assessor's Parcel" means a lot or Parcel with an assigned Assessor's Parcel Number in the maps used by the County Assessor in preparing the tax roll.

"Assessor's Parcel Map" means an official map of the County Assessor designating Parcels by Assessor's Parcel Number.

"Assessor's Parcel Number" means the Parcel and Parcel Number as assigned by the County Assessor on the equalized tax roll.

"Assigned Maximum Annual Special Tax" means the Maximum Annual Special Tax assigned to each Large Lot Parcel that is an Original Parcel based on the Expected Land Uses at CFD formation, as shown in Attachment 1. For any Annexation Parcels that do not have approved Large Lot Parcels, Expected Land Uses will be based on the approved Specific Plan land uses for each Assessor's Parcel that is annexed. In this instance, the Assigned Maximum Annual Special Tax will be assigned to Assessor Parcel Number(s) and added to Attachment 1.

"Authorized Services" mean those services listed in the resolution forming the CFD.

"Base Year" means the Fiscal Year beginning July 1, 2023, and ending June 30, 2024.

"Building Permit" means a permit issued by the City for construction of a Residential Use or Nonresidential Use structure.

"Business Professional" means a Parcel or Parcels zoned to provide for a wide variety of office uses and other uses related to and supporting office uses.

"CFD" means the City of Roseville Amoruso Ranch Community Facilities District No. 2 (Public Services) , Placer County, California.

"Chief Financial Officer" means the Chief Financial Officer for the City, or their designee.

"City" means the City of Roseville in Placer County, California.

"Community Commercial" means a Parcel or Parcels zoned to serve the principal retail shopping needs of the entire community by providing areas for shopping centers and other retail and service uses.

"Council" means the City Council of the City acting for the CFD under the Act.

"County" means the County of Placer, California.

"Developed Parcel" means, in any Fiscal Year, any Taxable Parcel for which a Building Permit was issued before May 1 of the preceding Fiscal Year for Residential Uses on Single-Family Parcels, Multifamily For-Rent Parcels, Multifamily For-Sale Parcels, or for Nonresidential Uses on Nonresidential Use Parcels.

"Development Plan" means a condominium plan, apartment plan, site plan, or other development plan that identifies such information as the type of structure, Acreage, square footage, or number of Units that are approved to be developed on a Single-Family Parcel, Multifamily For-Rent Parcels, Multifamily For-Sale Parcels, and Nonresidential Parcels.

"Expected Land Use(s)" mean(s) the total number of Units or Acres of each land use type by Tax Category expected in each Large Lot Parcel and Original Parcel at CFD formation as identified in Attachment 1 of this RMA. Future Annexation Parcels may not have approved Large Lot Parcels with an assigned total number of Units. Such Annexation Parcels will be assigned an Assigned Maximum Annual Special tax per Unit or per Acre and added to Attachment 1.

"Final Use Small Lot Parcel" means a Parcel designated for development as a single-family residence, which is part of a Final Small Lot Subdivision Map.

"Final Small Lot Subdivision Map" means a recorded map designating the final Parcel subdivision for individual Single-Family Parcels.

"Fiscal Year" means the period starting July 1 and ending the following June 30.

"High-Density Residential" means, based on the Amoruso Ranch Specific Plan, a land use designation that primarily accommodates attached housing but, depending on the Unit type, could also include detached housing, within the density range of 13.0 or greater dwelling units per gross developable Acre. Typical housing product types include detached townhomes, courtyard townhomes/condominiums, garden-style apartments, and podium-design apartments/condominiums.

"Large Lot Parcel" means a Parcel created by a Large Lot Subdivision Map.

"Large Lot Subdivision Map" means a recorded subdivision map creating Parcels by land use. However, the Large Lot Subdivision Map does not delineate Single-Family Parcels. A Final Small Lot Subdivision Map will create individual Single-Family Parcels.

"Light Industrial" mean Parcels zoned by the City as Light Industrial (Tech./Business Park).

"Low-Density Residential" means, based on the Amoruso Ranch Specific Plan, a land use designation that supports single-family detached homes on conventional lots within the density range of up to 6.9 dwelling units per gross developable Acre. Typical housing product types include standard, alley-loaded, or clustered, single-family detached Units.

"Market-Rate Unit" means a Unit that is not an Affordable Unit.

"Maximum Annual CFD Special Tax Revenue" means the sum of the Maximum Annual Special Tax levied on all Taxable Parcels in the CFD in a Fiscal Year.

"Maximum Annual Special Tax" means the greatest amount of Special Tax that can be levied against a Parcel in a given Fiscal Year, as shown in Attachments 1 and 2.

"Maximum Annual Special Tax Rate" means the rate of Maximum Annual Special Tax charged per Unit or per Acre, as shown in Attachments 1 and 2.

"Maximum Annual Special Tax Revenue" means the greatest amount of revenue that can be collected in total from a group of Parcels (such as Developed Parcels) by levying the Maximum Annual Special Tax.

"Medium-Density Residential" means, based on the Amoruso Ranch Specific Plan, a land use designation that accommodates both single-family detached homes and attached homes within the density range of 7.0 to 12.9 dwelling units per gross developable Acre. Typical housing product types include standard or alley-loaded lots, courtyard lots, green court lots, auto courts, alley clusters, zero-lot lines, or z-shaped lots. In addition, duet/half-plex homes, townhomes, or condominiums may be accommodated in Medium-Density Residential areas.

"Mixed-Use" means a Parcel or Parcels designated for a combination of Residential Uses and Nonresidential Uses.

"Multifamily For-Rent" or "Multifamily For-Rent Parcel" means any Parcel designated or developed for more than one residential dwelling Unit per Parcel, and where such Units initially are offered for rent to the general public and cannot be purchased by individual homeowners. Such uses may consist of apartments or structures such as duplexes or triplexes, including land uses defined as High-Density Residential. Each residential dwelling Unit in Multifamily For-Rent Parcels is not expected to have its own distinct Assessor's Parcel Number.

"Multifamily For-Sale" or "Multifamily For-Sale Parcel" means any Parcel designated or developed for more than one residential dwelling Unit in a single building or structure and that may share at least one common wall where such units are not initially offered for rent to the general public and initially may be offered for sale to individual homeowners. Such uses may consist of condominiums or buildings such as half-plexes or time-share units, including land uses defined as High-Density Residential. Multifamily For-Sale Parcels are anticipated to have their own distinct Assessor's Parcel Number as is the case in residential condominium projects. Once designated as Multifamily For-Sale or a Multifamily For-Sale Parcel, the Parcel shall remain so designated unless the original structures are demolished.

"Nonresidential Use" means a Taxable Parcel with land uses other than Residential Uses that may include Business Professional, Community Commercial, Light Industrial, and Mixed-Use.

"Original Parcel" means a Taxable Parcel identified in Attachment 1 (and shown in Map 1) at formation of the CFD. Attachment 1 and Map 1 shall be updated, or additional maps may be added with each new annexation into the CFD.

"Parcel" means any Assessor's Parcel in the CFD based on the equalized tax rolls of the County as of January 1 of each Fiscal Year.

"Proportionately" means that the ratio of the actual Special Tax levy to the Maximum Annual Special Tax is equal for all Developed Parcels. For Final Use Small Lot Parcels, Proportionately means that the ratio of the actual Special Tax levy to the Maximum Annual Special Tax is equal for all Final Use Small Lot Parcels. For Small Lot Tentative Map Parcels, Proportionately means that the ratio of the actual Special Tax levy to the Maximum Annual Special Tax is equal for all Small Lot Tentative Map Parcels. For Large Lot Parcels, Proportionately means that the ratio of the actual Special Tax levy to the Maximum Annual Special Tax is equal for all Large Lot Parcels. For Undeveloped Parcels, Proportionately means that the ratio of the actual Special Tax levy to the Maximum Annual Special Tax is equal for all Undeveloped Parcels.

"Public Parcel" means any Parcel that is or is intended to be publicly owned, as designated in any final map that is normally exempt from the levy of general ad valorem property taxes under California law, including public streets; schools; parks; and public drainageways, landscaping, wetlands, greenbelts, and open space.

"Remainder Parcel" means a portion of land that is created as a result of the recording of a Large Lot Parcel Map or Final Small Lot Subdivision Map, which results in a designated remainder as defined in Government Code Section 66424.6(a). Such a Remainder Parcel may contain taxable and tax-exempt uses, such as Residential Uses, and Public Parcels, such as park sites. Once designated as a Remainder Parcel, such Parcel will be considered a Large Lot Parcel for the purposes of future Subdivisions and for the provisions of Sections 4 through 6.

"Residential Use" means a Parcel designated for residential use, such as single-family residential Units, residential condominiums, townhouses, or apartments that would be included in the definitions of Low-Density Residential, Medium-Density Residential or High-Density Residential.

"RMA" means this Rate, Method of Apportionment, and Manner of Collection of Special Tax.

"Single-Family Parcel" means, in any Fiscal Year, all Parcels in the CFD for which a building permit was issued or may be issued for construction of a Unit that is a single-family residential, residential condominium, or townhouse Unit.

"Small Lot Tentative Map" means a map that is approved by the City for the purpose of showing the design of a proposed Subdivision, including the individual buildable lots expected in the Subdivision, as well as the conditions pertaining thereto. A Small Lot Tentative Map is not based on a detailed survey of the property in the map and is not recorded at the County Recorder's Office to create legal lots.

"Small Lot Tentative Map Parcel" means, in any Fiscal Year, all Parcels included in a Small Lot Tentative Map that was approved before May 1 of the prior Fiscal Year and which have not yet become a Final Use Small Lot Parcel or a Developed Parcel.

"Special Tax(es)" mean(s) any tax levy under the Act in the CFD.

"Subdivision" or "Subdivided" means division of a Parcel into two or more Parcels through Parcel reconfiguration, lot-line adjustments, or the Subdivision Map Act process. A Subdivision also may include the merging of two or more Parcels to create new Parcels.

"Successor Parcel" means a Parcel created by the Subdivision of an Original Parcel or a Successor Parcel.

"Tax Category" means the categories of taxable land uses shown in Attachments 1 and 2.

"Tax Collection Schedule" means the document prepared by the Administrator for the County Auditor-Controller to use in levying and collecting the Special Taxes each Fiscal Year.

"Tax Escalation Factor" means a factor not to exceed 4 percent, determined by the Administrator in any Fiscal Year following the Base Year by which the Maximum Annual Special Tax for the previous Fiscal Year will be increased to provide sufficient services for the current Fiscal Year.

"Taxable Acreage" means that area of a Parcel determined by the Administrator to become a Taxable Parcel or Parcels upon further Subdivision. An example might be that a Large Lot Parcel Map creates a Remainder Parcel that, according to Attachment 1, contains both taxable and tax-exempt uses, such as a park site.

"Taxable Parcel" means any Parcel that is not a Tax-Exempt Parcel.

"Tax-Exempt Parcel" means a Parcel not subject to the Special Tax. Tax-Exempt Parcels include (a) Public Parcels, (b) Parcels owned by the City, school districts, special districts, or the state or federal government, and (c) Affordable Units.

Certain privately owned Parcels also may be exempt from the levy of Annual Special Taxes, including common areas owned by homeowners' associations or property owner associations, wetlands, detention basins, water quality ponds, and open space, as determined by the Administrator.

"Undeveloped Parcel" means a Taxable Parcel that is not a Developed Parcel, Final Use Small Lot Parcel, Small Lot Tentative Map Parcel, or a Large Lot Parcel.

"Unit" means, for a Single-Family Parcel, the individual residential Unit on such Parcel or, for a Multifamily For-Rent Parcel or Multifamily For-Sale Parcel, an individual residential Unit in a multifamily building.

3. Duration of the Special Tax

Parcels in the CFD will remain subject to the Special Tax in perpetuity.

If the Special Tax ceases to be levied, the City will direct the County Recorder to record a Notice of Cessation of Special Tax. Such notice will state that the obligation to pay the Special Tax has ceased and the lien imposed by the Notice of Special Tax Lien is extinguished. The Notice of Cessation of Special Tax, in addition, will identify the book and page of the Book of Maps of Assessment and Community Facilities Districts where the map of the boundaries of the CFD is recorded.

4. Administrative Tasks

Tasks required of the Administrator are discussed below:

- a. Annual Special Tax Escalation. The Administrator shall increase the Maximum Annual Special Tax by the Tax Escalation Factor in each Fiscal Year following the Base Year.
- b. Assignment of the Maximum Annual Special Tax to Original Parcels. Attachment 1 identifies the Assigned Maximum Annual Special Tax for each Original Parcel at CFD formation, which is determined for each Large Lot Parcel based on the Expected Land Uses in each Large Lot Parcel at CFD Formation. Original Parcels are identified by Large Lot Number in Map 1. The Assigned Maximum Annual Special Tax shall continue to apply to the geographic area to which it was assigned. If, before further Subdivision, the Administrator determines there are multiple Assessor's Parcels in a Large Lot Parcel, the Administrator shall assign the Maximum Annual Special Tax to each Assessor's Parcel on a pro rata basis to all Assessor's Parcels in that Large Lot Parcel based on the percentage share of Taxable Acreage identified for each Assessor's Parcel. Similarly, if the Administrator determines there are multiple Large Lot Parcels in an Assessor's Parcel, the Maximum Annual Special Tax shall equal the sum of the Assigned Maximum Annual Special Tax for all Large Lot Parcels in that Assessor's Parcel.
- c. Assignment of the Maximum Annual Special Tax to Annexation Parcels. If Parcels are annexed into the CFD after formation, the Maximum Annual Special Tax shall be assigned to these Annexation Parcels using the definitions in Section 2 and the Maximum Annual Special Tax per Unit or Acre shown in Attachment 2, as adjusted by the Tax Escalation Factor applied by the Administrator, unless the Annexation Parcels are annexed with a new set of Maximum Annual Special Taxes under a new zone. Attachment 1 shall be amended, or a new attachment created, to include the Annexation Parcels and, if necessary, the applicable Special Taxes by zone. If new Maximum Annual Special Taxes are created, Attachments 1 and 2 should be amended to reflect the Maximum Annual Special Taxes and zone(s) for the Annexation Parcels. Once annexed, these annexed Parcels shall be considered Original and Successor Parcels and will be subject to the same procedures for assigning the Maximum Annual Special Tax to Successor Parcels described in Section 4.d. The owner of the Annexation Parcels shall be responsible for paying all costs associated with annexing the Annexation Parcels to the CFD, but otherwise shall not be required to pay any other charge or fee in connection with or as a condition of such annexation unless otherwise agreed to by the owner of the Annexation Parcel in connection with the annexation.
- d. Assignment of the Maximum Annual Special Tax to Successor Parcels. As Original Parcels and Successor Parcels are created through recordation of Final Small Lot Subdivision Maps, lot line adjustments or other Parcel amendments through the Subdivision Map Act process, the Administrator shall use the following steps to assign the Maximum Annual Special Tax to new Successor Parcels. As necessary, the assignment of the Maximum Annual Special Tax to Successor Parcels should use the Maximum Annual Special Tax Rates within which the Original Parcel and Successor Parcel resides. As a result of each assignment of the Maximum Annual Special Tax upon Subdivision of an Original Parcel or Successor Parcel, the sum of the Maximum Annual Special Taxes assigned to the newly created Taxable Parcels shall never be less, but may be greater, than the Assigned Maximum Annual Special Tax for that Original Parcel or Successor Parcel.
 1. If an Original Parcel or Successor Parcel is Fully Subdivided into Single-Family Parcels with No Remainder Parcel(s). There shall be no net loss of Maximum CFD Special Tax Revenue as a result of the assignment of the Maximum Annual Special Tax to Single-

Family Parcels. The Administrator shall use the following procedures to assign the Maximum Annual Special Tax to Single-Family Parcels. All references to Maximum Annual Special Taxes in the attachments are subject to application of the Tax Escalation Factor by the Administrator:

- A. Multiply the Maximum Annual Special Tax per Unit by Tax Category from Attachment 2 by the number of Units for each Single-Family Parcel created by the Subdivision. Sum the Maximum Annual Special Taxes for all Single-Family Parcels created by the Subdivision.
 - B. If the sum of Maximum Annual Special Taxes calculated in Step 4.d.1.A above is equal to or greater than the Assigned Maximum Annual Special Tax for the Original or Successor Parcel that was Subdivided, assign the Maximum Annual Special Tax per Unit by Tax Category as calculated in Step 4.d.1.A above to each Single-Family Parcel created by the Subdivision.
 - C. If the sum of Maximum Annual Special Taxes calculated in Step 4.d.1.A above is less than the Assigned Maximum Annual Special Tax for the Original or Successor Parcel that was Subdivided, Proportionately increase the Maximum Annual Special Tax per Unit for all Units until the sum of resulting Maximum Annual Special Taxes from all Units equals the Assigned Maximum Annual Special Tax for the Original or Successor Parcel that was Subdivided. Assign the Maximum Annual Special Tax calculated in this step to each new Single-Family Parcel created by the Subdivision.
2. If Original or Successor Parcel Is Subdivided into Single-Family Parcels and One or More Remainder Parcels. When an Original or Successor Parcel is Subdivided into Single-Family Parcels and one or more Large Lot Parcels (or Remainder Parcels), the Maximum Annual Special Tax is assigned to the Single-Family Parcels and Large Lot Parcels created by the Subdivision in the following manner:
- A. Apportion the Assigned Maximum Annual Special Tax to the area(s) that is/are being Subdivided into Single-Family Parcels and to the area(s) that will be Remainder Parcel(s) on a pro rata basis, based on the percentage share of Taxable Acreage represented by each such area as compared to the total area of the Original or Successor Parcel.
 - B. For each area Subdivided into Single-Family Parcels, multiply the Maximum Annual Special Tax per Unit by Tax Category from Attachment 2 by the number of Units for each Single-Family Parcel created by the Subdivision. Sum the Maximum Annual Special Taxes for all Single-Family Parcels created by the Subdivision.
 - C. For each area Subdivided into Single-Family Parcels, if the sum of Maximum Annual Special Taxes calculated in Step 4.d.2.B above is equal to or greater than the Assigned Maximum Annual Special Tax apportioned to that area of the Original or Successor Parcel that was Subdivided into Single-Family Parcels, assign the Maximum Annual Special Tax per Unit by Tax Category as calculated in Step 4.d.2.B above to each Single-Family Parcel created by the Subdivision.
 - D. For each area Subdivided into Single-Family Parcels, if the sum of Maximum Annual Special Taxes calculated in Step 4.d.2.B above is less than the Assigned Maximum

Annual Special Tax apportioned to that area of the Original or Successor Parcel that was Subdivided into Single-Family Parcels, Proportionately increase the Maximum Annual Special Tax per Unit for all Units until the sum of resulting Maximum Annual Special Taxes from all Units equals the Assigned Maximum Annual Special Tax apportioned to that area of the Original or Successor Parcel that was Subdivided into Single-Family Parcels. Assign the Maximum Annual Special Tax calculated in this step to each new Single-Family Parcel created by the Subdivision.

- E. For the Remainder Parcel or Parcels, identify the Maximum Annual Special Tax for the entire Original or Successor Parcel that has been Subdivided. Sum the Maximum Annual Special Tax for all Single-Family Parcels created by the Subdivision. Subtract the sum of the Maximum Annual Special Tax for all Single-Family Parcels from the Assigned Maximum Annual Special Tax for the Original or Successor Parcel being subdivided and compare it to the Maximum Annual Special Tax assigned to the Remainder Parcel or Parcels in Step 4.d.2.A. Assign to each Remainder Parcel, the lesser of the calculations in this step or in Step 4.d.2.A, but in no event less than the difference between the previously Assigned Maximum Annual Special Tax for the Original Parcel or Successor Parcel being Subdivided and the total of the Maximum Annual Special Tax for all Single-Family Parcels created by such Subdivision.

Once designated as a Remainder Parcel, such Parcel will be considered a Large Lot Parcel for the purposes of future Subdivisions and for the provisions of Sections 4 through 6.

3. If an Original or Successor Parcel designated as Nonresidential Parcel is Subdivided creating multiple Nonresidential Parcels:

- A. Identify the Assigned Maximum Annual Special Tax for the Original Parcel or Successor Parcel that is being Subdivided.
- B. Determine the Taxable Acreage for all new Successor Parcels being created by the Subdivision.
- C. Sum the Taxable Acreage for all new Successor Parcels from Step 4.d.3.B.
- D. Divide the Taxable Acreage for each Successor Parcel by the results from Step 4.d.3.C to determine the percentage allocation of the Assigned Maximum Annual Special Tax from Step 4.d.3.A.
- E. Multiply the percentage derived in Step 4.d.3.D times the Assigned Maximum Annual Special Tax from Step 4.d.3.A to determine the Assigned Maximum Annual Special Tax for each Successor Parcel created by the Subdivision.

4. If an Original or Successor Parcel designated as a Multifamily For-Rent or For-Sale Parcel has a Building Permit issued:

- A. Identify the Assigned Maximum Annual Special Tax per Unit for High Density Residential shown in Attachment 2.
- B. Identify the number of Market Rate Units for the Parcel.

- C. For a Multifamily For-Rent Parcel, multiply the Market Rate Units times the Maximum Annual Special Tax per Unit from Step 4.d.4.A times the number of Units from Step 4.d.4.B to derive the Maximum Annual Special Tax for the Multifamily For-Rent Parcel.
- D. For a Multifamily For-Sale Parcel, assign the Maximum Annual Special Tax per Unit from Step 4.d.4.A to each Market Rate Unit to derive the Maximum Annual Special Tax for each Parcel.
- 5. If an Original or Successor Parcel is Subdivided creating multiple land uses and Tax Categories or for any rezones of land uses on Original or Successor Parcels:
 - A. Identify the Assigned Maximum Annual Special Tax for the Original Parcel or Successor Parcel that is being Subdivided or rezoned.
 - B. For each Taxable Parcel subject to rezone or created by Subdivision multiply the Maximum Annual Special Tax per Unit or per Acre by the number of Units or by the number of Acres by the appropriate Tax Category.
 - C. Sum the Maximum Annual Special Tax for each Taxable Parcel and compare it to the Assigned Maximum Annual Special Tax of the Original or Successor Parcel that is subject to rezone or is being Subdivided. If the sum of Maximum Annual Special Tax for each Taxable Parcel is greater than the Assigned Maximum Annual Special Tax for the Original Parcel, the Administrator shall apply the Maximum Annual Special Tax calculated above for each Taxable Parcel.
 - D. If the Assigned Maximum Annual Special Tax for the Original Parcel or Successor Parcel subject to rezone or that is being Subdivided is greater than the sum of Maximum Annual Special Tax for each Taxable Parcel being created, increase Proportionately the Maximum Annual Special Tax per Unit or per Acre on each Taxable Parcel such that the sum of Maximum Annual Special Tax for all Taxable Parcels equals the Maximum Annual Special Tax for the Original Parcel.
- e. Affordable Units that Become Market-Rate Units. If, in any Fiscal Year, the City Manager, or his or her designee, determines that a Unit that previously had been designated as an Affordable Unit no longer qualifies as such, the Affordable Housing Director shall update the Affordable Unit listing by denoting the change in status of the Unit, together with the effective date thereof. For all Affordable Units that are converted to Market-Rate Units, such Units shall be assigned the Maximum Annual Special Tax per Unit based on their Tax Category as shown in Attachment 1, as adjusted by the Tax Escalation Factor.
- f. Transfer of the Assigned Maximum Annual Special Tax from One Large Lot Parcel to Another. The Maximum Annual Special Taxes shown in Attachment 1 were determined based on the Expected Land Uses for each Large Lot Parcel shown in Attachment 1. If the number of planned residential Units or Nonresidential Acreage is transferred from one Large Lot Parcel to another before recording of a Final Small Lot Subdivision Map in any portion of the Large Lot Parcel, the City may, in its sole discretion, allow for a transfer of the Maximum Annual Special Tax from one Large Lot Parcel to another. Such a transfer shall be allowed only if (1) all adjustments are agreed to in writing by the affected property owners and the Chief

Financial Officer, and (2) there is no reduction in the Maximum Annual CFD Special Tax Revenues as a result of the transfer. Should a transfer result in an amendment to Attachment 1 of the Notice of Special Tax Lien, the requesting property owner shall bear the costs to affect the transfer in the CFD records and prepare the required amendments to the Notice of Special Tax Lien and Attachment 1. Before the transfer, the City may require a deposit from the requesting property owner for such costs.

- g. Conversion of a Tax-Exempt Parcel to a Taxable Parcel. If a Tax-Exempt Parcel fails to qualify as a Tax-Exempt Parcel it shall become subject to the Special Tax. The Maximum Annual Special Tax for the newly assigned Tax Category for such a Parcel is determined using the provisions of Sections 4 and 5.
- h. Taxable Parcels That Become Tax-Exempt. A Taxable Parcel that qualifies as a Tax-Exempt Parcel shall be reclassified as a Tax-Exempt Parcel.

5. Assignment of the Maximum Annual Special Tax

- a. Classification of Parcels. For purposes of the next Fiscal Year tax levy, by June 30 of each Fiscal Year, using the Definitions in Section 2, the Parcel records of the Assessor's secured tax roll as of January 1, and other City development approval records, the Administrator shall cause:
 - 1. Each Parcel to be classified as a Taxable Parcel or Tax-Exempt Parcel.
 - 2. Each Parcel to be classified as a Developed Parcel, a Final Use Small Lot Parcel, a Small Lot Tentative Map Parcel, a Large Lot Parcel (including Remainder Parcels), or an Undeveloped Parcel.
 - 3. Each Unit to be classified as a Market-Rate Unit or an Affordable Unit.
- b. Assignment of the Maximum Annual Special Tax to Taxable Parcels. The Maximum Annual Special Tax will be assigned to each Taxable Parcel each Fiscal Year using the procedures (not all steps may be applicable for each such Parcel) in Section 4.

6. Calculating Annual Special Taxes

The Administrator will compute the Annual Costs and determine the annual Special Tax levy for each Taxable Parcel based on the assignment of the Special Tax in Sections 4 and 5. All calculations and steps described in this section shall be done for all areas within the CFD. The Administrator then will determine the tax levy for each Taxable Parcel using the following process:

- a. Compute the Annual Costs using the definition of Annual Costs in Section 2.
- b. For all Taxable Parcels, calculate the Special Tax levy for each using the following steps:
 - Step 1: Compute 100 percent of the Maximum Annual Special Tax Revenue for all Developed Parcels.
 - Step 2: Compare the Annual Costs with the amount calculated in the previous step.

Step 3: If the Annual Costs are lower than the amount calculated in Step 1, decrease Proportionately the Maximum Annual Special Tax levy for each Developed Parcel until the revenue from the Special Tax levy equals the Annual Costs.

Step 4: If the Annual Costs are greater than the amount calculated in Step 1, levy Proportionately the Maximum Annual Special Tax for each Final Use Small Lot Parcel until the revenue from the Special Tax levy equals the Annual Costs, or 100 percent of the Maximum Annual Special Tax for all Final Use Small Lot Parcels, if needed to fund Annual Costs.

Step 5: If the Annual Costs are greater than the amount calculated in Step 1 and Step 4, levy Proportionately the Maximum Annual Special Tax for each Small Lot Tentative Map Parcel until the revenue from the Special Tax levy equals the Annual Costs, or 100 percent of the Maximum Annual Special Tax for all Small Lot Tentative Map Parcels, if needed to fund Annual Costs.

Step 6: If the Annual Costs are greater than the amount calculated in Step 1, Step 4, and Step 5, levy Proportionately the Maximum Annual Special Tax for each Large Lot Parcel until the revenue from the Special Tax levy equals the Annual Costs, or 100 percent of the Maximum Annual Special Tax for all Large Lot Parcels, if needed to fund Annual Costs.

Step 7: If the Annual Costs are greater than the amount calculated in Step 1, Step 4, Step 5, and Step 6, levy Proportionately the Maximum Annual Special Tax for each Undeveloped Parcel until the revenue from the Special Tax levy equals the Annual Costs, or 100 percent of the Maximum Annual Special Tax for all Undeveloped Parcels, if needed to fund Annual Costs.

c. Levy on each Taxable Parcel the amount calculated above.

d. Prepare the Tax Collection Schedule and, unless an alternative method of collection has been selected pursuant to Section 8, send it to the County Auditor requesting that it be placed on the general, secured property tax roll for the Fiscal Year. The Tax Collection Schedule will not be sent later than the date required by the County Auditor for such inclusion.

The Administrator will make every effort to calculate the Special Tax correctly for each Parcel. It will be the burden of the taxpayer to correct any errors in determining which Parcels are subject to the tax and their Special Tax assignments.

7. Interpretation, Application, and Appeal of Special Tax Formula and Procedures

Any taxpayer who feels the amount of the Special Tax assigned to a Parcel is in error may file a notice with the Chief Financial Officer appealing the levy of the Special Tax. The Chief Financial Officer then will promptly review the appeal and, if necessary, will meet with the applicant. If the Chief Financial Officer verifies that the tax should be modified or changed, the Special Tax levy will be corrected and, if applicable in any case, a credit or refund will be granted.

Interpretations may be made by the City, without Resolution or Ordinance of the Council, for purposes of clarifying any vagueness or ambiguity as it relates to the Special Tax rate, the method of apportionment, the classification of properties, or any definition applicable to the CFD.

Without Council approval, the Chief Financial Officer may make minor, non-substantive administrative and technical changes to the provisions of this RMA that do not materially affect the rate, method of apportionment, or manner of collection of the Special Tax for purposes of administrative efficiency or convenience or to comply with new applicable federal, state, or local law.

The City, upon request of an owner of land in the CFD that is not a Developed Parcel, also may amend this RMA in any manner acceptable to the City, without Resolution or Ordinance of the Council, upon the affirmative vote of such owner and without the vote of owners of any other land in the CFD, provided such amendment only affects such owner's land and does not reduce the total Maximum Annual Special Tax Revenue for the CFD.

8. Manner of Collection

The Special Tax will be collected in the same manner and at the same time as ad valorem property taxes, provided, however, the Administrator or its designee may directly bill the Special Tax and may collect the Special Tax at a different time, such as on a monthly or other periodic basis, or in a different manner, if necessary, to meet the City's financial obligations.

Amoruso Ranch
Community Facilities District No. 2 (Public Services)
City of Roseville
Placer County, California

The authorized services to be funded from the levy and collection of annual special taxes shall consist of those items set forth below, in addition to the costs associated with collecting and administering the special taxes and annual administering the CFD. The authorized services to be funded for the Amoruso Ranch Community Facilities District (CFD) No. 2 (Public Services) include these:

1. Open Space improvement, operations and management, monitoring, maintenance (including, but not limited to, general maintenance, signage, benches, striping, City owned fence maintenance, trash and debris collection, and bike trails and their appurtenances [drainage culverts or pipes from adjacent subdivisions] within open space), creation and maintenance of fire breaks, Permits, Vandalism/Graffiti, Flood Conveyance (Vegetation/tree removals), Beaver dam removals, Outfall/drainage swale maintenance, Erosion control/bank stabilization, Native planting/replanting, Pre and post emergent, environmental mitigation monitoring, and the annual review thereof, as required by the Mitigation Monitoring Plan related to the Environmental Impact Report, maintenance activities as required by the 404 permit and Open Space Overarching Maintenance & Management Plan and repair and replacement of facilities within open space areas.
2. The maintenance of on-site landscape corridors and paseos designed to serve the territory within the CFD, including, but not limited to, general maintenance, masonry walls, accent lighting, water and utility costs.
3. The maintenance of medians, entries, and entry monumentation.
4. The performance of leaf pick-up and street sweeping designed to serve the territory within the CFD, including along the following roads:
 - Westbrook Boulevard.
 - West Sunset Boulevard.
5. Neighborhood park maintenance, and repair and replacement.
6. Storm water management, water quality structural controls, including, but not limited to, drainage swales constructed between storm drain facilities and receiving waters, and maintenance of flood control facilities including, but not limited to, detention basins and created wetlands.
7. Bus Transfer Station, bus shelters, bus stops and any park and ride lots as well as bus signs.

8. Miscellaneous costs related to any of the items described above, including but not limited to planning, engineering, GIS, legal, and City and County administration costs.
9. The levy of special taxes to accumulate sinking funds for anticipated future repairs or replacement costs of landscape corridors, irrigation facilities, medians, entries and entry monumentation, lighting, neighborhood parks, storm water management and other facilities authorized to be maintained by the CFD or for which the City is authorized to finance services through the CFD, as determined by the Administrator.

CITY COUNCIL OF THE CITY OF ROSEVILLE

RESOLUTION NO. 23-297

**A RESOLUTION CALLING SPECIAL LANDOWNER ELECTION
FOR COMMUNITY FACILITIES DISTRICT**

**City of Roseville
Amoruso Ranch Community Facilities District No. 2
(Public Services)**

WHEREAS, the City Council (the “Council”) of the City of Roseville (the “City”) has adopted a resolution entitled “A Resolution of Formation of Community Facilities District” (the “Resolution of Formation”), ordering the formation of the “City of Roseville Amoruso Ranch Community Facilities District No. 2 (Public Services)” (the “CFD”), defining the public services (the “Services”) to be provided by the CFD, authorizing the levy of a special tax on property within the CFD and preliminarily establishing an appropriations limit for the CFD, all pursuant to Chapter 2.5 of Part 1 of Division 2 of Title 5, commencing with Section 53311, of the California Government Code (the “Act”); and

WHEREAS, pursuant to the provisions of the Resolution of Formation, the propositions of the levy of the special tax and the establishment of the appropriations limit shall be submitted to the qualified electors of the CFD as required by the provisions of the Act.

NOW, THEREFORE, be it resolved by the City Council of the City of Roseville:

1. Issues Submitted. Pursuant to the Act, the issues of the levy of the special tax and the establishment of the appropriations limit shall be submitted to the qualified electors (as defined below) of the CFD at an election called therefor as provided below.

2. Qualified Electors. This Council hereby finds that fewer than 12 persons have been registered to vote within the territory of the CFD for each of the 90 days preceding the close of the public hearings heretofore conducted and concluded by this Council for the purposes of these proceedings. Accordingly, and pursuant to Section 53326 of the Act, this Council finds that, for these proceedings, the qualified electors are the landowners within the CFD and that the vote shall be by such landowners or their authorized representatives, each having one vote for each acre or portion thereof such landowner owns in the CFD as of the close of the public hearing.

3. Conduct of Election. This Council hereby calls a special election to consider the issues described in Section 2, above, which election shall be held on June 21, 2023, and the results thereof canvassed at the meeting of this Council on June 21, 2023. The City Clerk is hereby designated as the official to conduct the election and to receive all ballots until the close of business on the election date. It is hereby acknowledged that the Clerk has on file the Resolution of Formation, a map of the boundaries of the CFD, and a sufficient description to allow the Clerk to determine the electors of the CFD. Pursuant to Section 53327 of the Act, the election shall be conducted by messenger or mail-delivered ballot pursuant to Section 4000 of the California Elections Code. This Council hereby finds that paragraphs (a), (b), (c)(1) of

Section 4000 and Section 4108 are applicable to this special election, except that Sections 53326 and 53327 of the Act shall govern for purposes of determining the date of the election.

4. Ballot. As authorized by Section 53353.5 of the Act, the issues described in section 1 above shall be combined into a single ballot measure, the form of which as attached hereto as Exhibit "A" is hereby approved. The City Clerk is hereby authorized and directed to cause a ballot, in substantially the form of Exhibit "A," to be delivered to each of the qualified electors of the CFD. Each ballot shall indicate the number of votes to be voted by the respective landowner to which the ballot pertains and other applicable details.

5. Waivers. This Council hereby further finds that the provisions of Section 53326 of the Act requiring a minimum of 90 days following the adoption of the Resolution of Formation to elapse before the special election are for the protection of the qualified electors of the CFD. There is on file with the Clerk a written waiver executed by all of the qualified electors of the CFD allowing for a shortening of the time for the special election to expedite the process of formation of the CFD and waiving any requirement for notice, analysis and arguments in connection with the election. Accordingly, this Council finds and determines that the qualified electors have been fully apprised of and have agreed to the shortened time for the election and waiver of analysis and arguments, and have thereby been fully protected in these proceedings. This Council also finds and determines that the City Clerk has concurred in the shortened time for the election. Analysis and arguments with respect to the ballot measures are hereby waived, as provided in Section 53327 of the Act.

6. Accountability. Under Section 50075.1 of the Government Code, the following accountability provisions shall apply to the special taxes: (a) the provision of the Services shall constitute the specific purpose of the Special Tax; (b) the proceeds shall be applied only to the specific purpose identified in (a) above; (c) there shall be created special account(s) or funds(s) into which the proceeds shall be deposited; and (d) there shall be caused to be prepared an annual report if required by Section 50075.3 of the Government Code.

7. Effective Date. This Resolution shall take effect upon its adoption.

* * * * *

I hereby certify that the foregoing Resolution was duly adopted by the City Council of the City of Roseville, California, at a regularly scheduled meeting thereof, held on the ____ day of _____, 2023, by the following vote of the City Council:

AYES:	COUNCILMEMBERS
NOES:	COUNCILMEMBERS
ABSENT:	COUNCILMEMBERS

ATTEST:

City Clerk of the City of Roseville

EXHIBIT A

**City of Roseville
Amoruso Ranch Community Facilities District No. 2
(Public Services)**

**OFFICIAL BALLOT
SPECIAL TAX ELECTION**

This ballot is for a special, landowner election for the City of Roseville Amoruso Ranch Community Facilities District No. 2 (Public Services). You must return this ballot to the office of the City Clerk of the City of Roseville **no later than the hour of 6:00 p.m. on June 21, 2023, either by mail or in person.** The Clerk's office is located at 311 Vernon Street, Roseville, CA 95678.

To vote, mark a cross (X) on the voting line after the word "YES" or after the word "NO." All marks otherwise made are forbidden. All distinguishing marks are forbidden and make the ballot void. If you wrongly mark, tear, or deface this ballot, return it to the City Clerk and obtain another.

The amount of money to be raised annually by the special tax within the initial boundary of the CFD is \$1,135,193 in the base year of 2022-23 (and subject to escalation annually), the duration of the special tax is perpetual, and the rate of the special tax shall be determined in accordance with the rate, method of apportionment, and manner of collection of special tax for the CFD.

BALLOT MEASURE: Shall the measure pursuant to which (i) the City of Roseville shall annually levy a special tax solely on lands within the City of Roseville Amoruso Ranch Community Facilities District No. 2 (Public Services) (the "CFD") in accordance with the rate and method contained in the Resolution of Formation of the CFD adopted by the City Council of the City on June 21, 2023, commencing in the City's fiscal year 2022-23, to pay for the public services specified in the Resolution of Formation for the CFD and to pay the costs of the City in administering the CFD, and (ii) the annual appropriations limit of the CFD shall be established in the amount of \$2,400,000 be adopted?	YES: _____
	NO: _____

By execution in the space provided below, you also indicate your waiver of (i) the time limit pertaining to the conduct of the election, (ii) any requirement for analysis and arguments with respect to the ballot measure, and (iii) any irregularity in the proceedings that may be claimed as a result of the this vote or the application of such waivers.

CITY COUNCIL OF THE CITY OF ROSEVILLE

RESOLUTION NO. 23-298

**A RESOLUTION DECLARING RESULTS OF SPECIAL LANDOWNER ELECTION
AND DIRECTING RECORDING OF NOTICE OF SPECIAL TAX LIEN**

**City of Roseville
Amoruso Ranch Community Facilities District No. 2
(Public Services)**

WHEREAS, the City Council (the "Council") of the City of Roseville (the "City") has adopted a resolution entitled "A Resolution of Formation of Community Facilities District" (the "Resolution of Formation"), ordering the formation of the "City of Roseville Community Facilities District No. 2 (Public Services)" (the "CFD"), authorizing the levy of a special tax on property within the CFD and preliminarily establishing an appropriations limit for the CFD, all pursuant to Chapter 2.5 of Part 1 of Division 2 of Title 5, commencing with Section 53311, of the California Government Code (the "Act");

WHEREAS, under the provisions of the Resolution of Formation and pursuant to a resolution entitled "A Resolution Calling Special Landowner Election for Community Facilities District" (the "Election Resolution") heretofore adopted by this Council, the propositions of the levy of the special tax and the establishment of the appropriations limit were submitted to the qualified electors of the CFD as required by the provisions of the Act;

WHEREAS, pursuant to the terms of the Election Resolution, which are by this reference incorporated herein, the special election has been held and the City Clerk has on file a Canvass and Statement of Results of Election, (the "Canvass") a copy of which is attached hereto as Exhibit A; and

WHEREAS, this Council has been informed of the Canvass, finds it appropriate and wishes to complete its proceedings for the CFD.

NOW, THEREFORE, be it resolved by the City Council of the City of Roseville:

- 1. Recitals.** The foregoing recitals are all true and correct.
- 2. Issues Presented.** The issues presented at the special election were the levy of a special tax within the CFD and the establishment of an annual appropriations limit of \$2,400,000, all pursuant to the Resolution of Formation.
- 3. Canvass and Issues Approved.** The Council hereby approves the Canvass and finds that it shall be a permanent part of the record of its proceedings for the CFD. Pursuant to the Canvass, the issues presented at the special election were approved by the qualified electors of the CFD by more than two-thirds of the votes cast at the special election.
- 4. Proceedings Approved.** Pursuant to the voter approval, the CFD is hereby declared to be fully formed with the authority to levy the special taxes and to have the established appropriations limit, all as heretofore provided in these proceedings and in the Act.

It is hereby found that all prior proceedings and actions taken by this Council with respect to the CFD were valid and in conformity with the Act.

5. Notice of Tax Lien. The City Clerk is hereby directed to complete, execute and cause to be recorded in the office of the County Recorder of the County of Placer a notice of special tax lien in the form required by the Act, such recording to occur no later than 15 days following adoption of this resolution by the Council

6. Effective Date. This Resolution shall take effect upon its adoption.

City Clerk
City of Roseville

ORDINANCE NO. 6690

ORDINANCE OF THE COUNCIL OF THE CITY OF ROSEVILLE
LEVYING SPECIAL TAX WITHIN
AMORUSO RANCH COMMUNITY FACILITIES DISTRICT NO. 2
(PUBLIC SERVICES)

WHEREAS, pursuant to the Mello-Roos Community Facilities Act of 1982, as amended, sections 53311, *et. seq.*, of the California Government Code (the "Act"), on April 5, 2023, this City Council (the "Council") of the City of Roseville (the "City"), adopted its resolution entitled "A Resolution of Intention to Form Amoruso Ranch Community Facilities District No. 2 (Public Services)" (the "Resolution of Intention"), and has conducted proceedings (the "Proceedings") to establish "City of Roseville Amoruso Ranch Community Facilities District No. 2 (Public Services)" (the "CFD") pursuant to the Mello-Roos Community Facilities Act, Chapter 2.5 of Part 1 of Division 2 of Title 5, commencing with Section 53311, of the California Government Code (the "Act") to finance certain public services (the "Services") as provided in the Act;

WHEREAS, pursuant to notice as specified in the Act, and as part of the Proceedings, the Council has held a public hearing under the Act relative to the determination to proceed with the formation of the CFD and the rate and method of apportionment of the special tax ("Special Tax") to be levied within the CFD to finance the Services, and at such hearing all persons desiring to be heard on all matters pertaining to the formation of the CFD and the levy of the Special Tax were heard, substantial evidence was presented and considered by this Council and a full and fair hearing was held;

WHEREAS, upon the conclusion of the hearing, this Council adopted its "A Resolution of Formation of Community Facilities District" (the "Resolution of Formation"), pursuant to which it completed the Proceedings for the establishment of the CFD, the authorization of the levy of the Special Tax within the CFD and the calling of an election within the CFD on the propositions of levying the Special Tax and establishing an appropriations limit within the CFD, respectively; and

WHEREAS, on June 21, 2023, a special election was held among the landowner voters within the CFD at which such voters approved such propositions by the two-thirds vote required by the Act, which approval has been confirmed by resolution of this Council.

NOW, THEREFORE, THE CITY OF ROSEVILLE ORDAINS:

SECTION 1. By the passage of this Ordinance, the Council hereby authorizes and levies the Special Tax within the CFD (including any parcel or parcels that annex into the CFD in the future) pursuant to the Act, at the rate and in accordance with the rate, method of apportionment and manner of collection of special tax for the CFD set forth in the Resolution of Formation (as may be supplemented at the time of any future annexation), which rate and method is by this reference incorporated herein. As contemplated by the rate and method of apportionment of the Special Tax, parcels may annex into the CFD in the future within a different tax zone(s) and may have different maximum annual special tax rate(s). The Special Tax is hereby authorized to be levied commencing in fiscal year 2022-23, and in each fiscal year thereafter to pay for the Services for the CFD, as contemplated by the Resolution of Formation and the Proceedings and all costs of administering the CFD.

SECTION 2. The Chief Financial Officer of the City or designee, or an employee or consultant of the City, is hereby authorized and directed each fiscal year to determine the specific Special Tax to be levied for the next ensuing fiscal year for each parcel of real property within the CFD, in the manner and as provided in the Resolution of Formation.

SECTION 3. Exemptions from the levy of the Special Tax shall be as provided in the Resolution of Formation and the applicable provisions of the Act. In no event shall the Special Tax be levied on any parcel within the CFD in excess of the maximum Special Tax specified in the Resolution of Formation.

SECTION 4. All of the collections of the Special Tax shall be used as provided in the Act and in the Resolution of Formation, including, but not limited to, the payment of costs of the Services, the payment of the costs of the City in administering the CFD, and the costs of collecting and administering the Special Tax.

SECTION 5. The Special Tax shall be collected in the same manner as ordinary ad valorem taxes are collected and shall have the same lien priority, and be subject to the same penalties and the same procedure and sale in cases of delinquency as provided for ad valorem taxes; provided, however, that the Council may provide for other appropriate methods of collection by resolution(s) of the Council. In addition, the provisions of Section 53356.1 of the Act shall apply to delinquent Special Tax payments. The Chief Financial Officer of the City is hereby authorized and directed to provide all necessary information to the auditor/tax collector of Placer County in order to effect proper billing and collection of the Special Tax, so that the Special Tax shall be included on the secured property tax roll of Placer County for fiscal year 2020-21 and for each fiscal year thereafter until no longer required to pay for the Services or until otherwise terminated by the City.

SECTION 6. If for any reason any portion of this ordinance is found to be invalid, or if the Special Tax is found inapplicable to any particular parcel within the CFD, by a court of competent jurisdiction, the balance of this ordinance and the application of the Special Tax to the remaining parcels within the CFD shall not be affected.

SECTION 7. This ordinance shall be effective at the expiration of thirty (30) days from the date of its adoption.

SECTION 8. The City Clerk is hereby directed to cause this ordinance to be published in full at least once within fourteen (14) days after it is adopted in a newspaper of general circulation in the City, or shall within fourteen (14) days after its adoption cause this ordinance to be posted in full in at least three (3) public places in the City and enter in the Ordinance Book a certificate stating the time and place of said publication by posting.

NOTICE OF SPECIAL TAX LIEN

**City of Roseville
Amoruso Ranch Community Facilities District No. 2
(Public Services)**

Pursuant to the requirements of Section 3114.5 of the Streets and Highways Code of California and the Mello-Roos Community Facilities Act of 1982, as amended, Chapter 2.5 of Part 1 of Division 2 of Title 5, commencing with Section 53311, of the California Government Code (the "Act"), the undersigned City Clerk of the City of Roseville, County of Placer, State of California, hereby gives notice that a lien to secure payment of a special tax levied is hereby imposed by the City Council of the City of Roseville, County of Placer. The special tax secured by this lien is authorized to be levied for the purpose of providing all or a portion of the public services described on Exhibit B attached hereto and hereby made a part hereof.

The special tax is authorized to be levied within "City of Roseville Amoruso Ranch Community Facilities District No. 2 (Public Services)" (the "CFD") which has now been officially formed and the lien of the special tax is a continuing lien which shall secure each annual levy of the special tax and which shall continue in force and effect until the special tax obligation is prepaid, permanently satisfied, and canceled in accordance with law or until the special tax ceases to be levied and a notice of cessation of special tax is recorded in accordance with section 53330.5 of the Government Code.

The rate, method of apportionment, and manner of collection of the authorized special tax is as set forth in Exhibit A attached hereto and hereby made a part hereof. Conditions under which the obligation to pay the special tax may be prepaid and permanently satisfied and the lien of the special tax canceled are: None.

Notice is further given that upon the recording of this notice in the office of the County Recorder of the County of Placer, the obligation to pay the special tax levy shall become a lien upon all nonexempt real property within the CFD in accordance with Section 3115.5 of the Streets and Highways Code of California.

The name(s) of the owner(s) and the assessor's tax parcel numbers of the real property included within the area of the CFD and not exempt from the special tax are as set forth in Exhibit C attached hereto and hereby made a part hereof.

Reference is made to the boundary map of the CFD recorded on April 11, 2023 in Book 4 at Page 84 of Maps of Assessment and Community Facilities Districts as Document No. 2023-0018571, in the office of the County Recorder for the County of Placer, State of California, which map is now the final boundary map of the CFD.

For further information concerning the current and estimated future tax liability of owners or purchasers of real property subject to this special tax lien, interested persons should contact the Chief Financial Officer, City of Roseville, 311 Vernon Street, Roseville, CA 95678.

EXHIBIT C - PROPERTY OWNERS AND PARCEL NUMBERS

EXHIBIT A

City of Roseville
Amoruso Ranch Community Facilities District No. 2
(Public Services)
Placer County, California

RATE, METHOD OF APPORTIONMENT, AND MANNER OF COLLECTION OF SPECIAL TAX

1. Basis of Special Tax Levy

A Special Tax authorized under the Mello-Roos Community Facilities Act of 1982 (Act) applicable to the land in the City of Roseville Amoruso Ranch Community Facilities District No. 2 (Public Services) shall be levied and collected according to the tax liability determined by the City through the application of the appropriate amount or rate, as described below.

2. Definitions

"Acre" or **"Acreage"** means the land area of an Assessor's Parcel as shown on an Assessor's Parcel Map or, if the land area is not shown on an Assessor's Parcel Map, the land area shown on the applicable final map or other Development Plan.

"Act" means the Mello-Roos Community Facilities Act of 1982, as amended, Section 53311 and following of the California Government Code.

"Administrative Expenses" mean the actual or estimated costs incurred by the City to form the CFD and to determine, levy, and collect the Special Taxes, including compensation of City employees for administrative work performed in relation to the CFD, the fees of consultants and legal counsel, the costs of collecting installments of the Special Taxes on the general tax rolls, preparation of required reports, the cost of GIS mapping services, and any other costs required to administer the CFD as determined by the City.

"Administrator" means a City official in the Finance Department or their designee responsible for determining the levy and collection of the Special Taxes.

"Affordable Housing Director" means, at any point in time, the person in the City who serves as head of the department that oversees the City's affordable housing program.

"Affordable Unit" means a Unit built on a Residential Use Parcel for which an Affordable Unit agreement has been entered into for the property designating the Unit as affordable or is determined to be exempt from the Special Tax under applicable law. A Multifamily For Rent Parcel may have only a portion of the Units assigned as Affordable Units. The City Manager, or their designee, shall determine which Units are designated as Affordable Units and maintain an Affordable Unit listing, which shall contain all designated buildable parcels by tract and lot

number and, in the case of Large Lot Parcels remaining before May 1 of the preceding Fiscal Year, the number of designated Affordable Units for each such Large Lot Parcel; all entries shall indicate the effective date of designation. The Affordable Unit listing also shall be updated to reflect those Units no longer qualifying as Affordable Units, also known as Market-Rate Units. The Affordable Unit listing, which shall contain all qualifying Affordable Units as of April 30, shall be made available to the Administrator by July 1 of each year for purposes of determining the Maximum Annual Special Tax for Parcels pursuant to **Section 4**.

"Annexation Parcels" mean a Parcel or Parcels annexed into the CFD after formation. The Maximum Annual Special Tax will be assigned to such Parcels using the provisions of **Section 4.c** of this RMA. Annexation Parcels may be assigned a different Maximum Annual Special Tax Rate or Maximum Annual Special Tax per Parcel using a methodology different from other Parcels in the CFD and may be placed in an area designated as a separate zone of the CFD, all of which shall be set forth in revised attachments hereto as needed, without further CFD proceedings.

"Annual Costs" mean, for any Fiscal Year, the total of the following items: (1) Authorized Services; (2) Administrative Expenses; and (3) any amounts needed to cure actual or estimated delinquencies in Special Taxes for the current or previous Fiscal Year.

"Assessor's Parcel" means a lot or Parcel with an assigned Assessor's Parcel Number in the maps used by the County Assessor in preparing the tax roll.

"Assessor's Parcel Map" means an official map of the County Assessor designating Parcels by Assessor's Parcel Number.

"Assessor's Parcel Number" means the Parcel and Parcel Number as assigned by the County Assessor on the equalized tax roll.

"Assigned Maximum Annual Special Tax" means the Maximum Annual Special Tax assigned to each Large Lot Parcel that is an Original Parcel based on the Expected Land Uses at CFD formation, as shown in **Attachment 1**. For any Annexation Parcels that do not have approved Large Lot Parcels, Expected Land Uses will be based on the approved Specific Plan land uses for each Assessor's Parcel that is annexed. In this instance, the Assigned Maximum Annual Special Tax will be assigned to Assessor Parcel Number(s) and added to **Attachment 1**.

"Authorized Services" mean those services listed in the resolution forming the CFD.

"Base Year" means the Fiscal Year beginning July 1, 2023, and ending June 30, 2024.

"Building Permit" means a permit issued by the City for construction of a Residential Use or Nonresidential Use structure.

"Business Professional" means a Parcel or Parcels zoned to provide for a wide variety of office uses and other uses related to and supporting office uses.

"CFD" means the City of Roseville Amoroso Ranch Community Facilities District No. 2 (Public Services) , Placer County, California.

"Chief Financial Officer" means the Chief Financial Officer for the City, or their designee.

"City" means the City of Roseville in Placer County, California.

“Community Commercial” means a Parcel or Parcels zoned to serve the principal retail shopping needs of the entire community by providing areas for shopping centers and other retail and service uses.

“Council” means the City Council of the City acting for the CFD under the Act.

“County” means the County of Placer, California.

“Developed Parcel” means, in any Fiscal Year, any Taxable Parcel for which a Building Permit was issued before May 1 of the preceding Fiscal Year for Residential Uses on Single-Family Parcels, Multifamily For-Rent Parcels, Multifamily For-Sale Parcels, or for Nonresidential Uses on Nonresidential Use Parcels.

“Development Plan” means a condominium plan, apartment plan, site plan, or other development plan that identifies such information as the type of structure, Acreage, square footage, or number of Units that are approved to be developed on a Single-Family Parcel, Multifamily For-Rent Parcels, Multifamily For-Sale Parcels, and Nonresidential Parcels.

“Expected Land Use(s)” mean(s) the total number of Units or Acres of each land use type by Tax Category expected in each Large Lot Parcel and Original Parcel at CFD formation as identified in **Attachment 1** of this RMA. Future Annexation Parcels may not have approved Large Lot Parcels with an assigned total number of Units. Such Annexation Parcels will be assigned an Assigned Maximum Annual Special tax per Unit or per Acre and added to **Attachment 1**.

“Final Use Small Lot Parcel” means a Parcel designated for development as a single-family residence, which is part of a Final Small Lot Subdivision Map.

“Final Small Lot Subdivision Map” means a recorded map designating the final Parcel subdivision for individual Single-Family Parcels.

“Fiscal Year” means the period starting July 1 and ending the following June 30.

“High-Density Residential” means, based on the Amoruso Ranch Specific Plan, a land use designation that primarily accommodates attached housing but, depending on the Unit type, could also include detached housing, within the density range of 13.0 or greater dwelling units per gross developable Acre. Typical housing product types include detached townhomes, courtyard townhomes/condominiums, garden-style apartments, and podium-design apartments/condominiums.

“Large Lot Parcel” means a Parcel created by a Large Lot Subdivision Map.

“Large Lot Subdivision Map” means a recorded subdivision map creating Parcels by land use. However, the Large Lot Subdivision Map does not delineate Single-Family Parcels. A Final Small Lot Subdivision Map will create individual Single-Family Parcels.

“Light Industrial” mean Parcels zoned by the City as Light Industrial (Tech./Business Park).

“Low-Density Residential” means, based on the Amoruso Ranch Specific Plan, a land use designation that supports single-family detached homes on conventional lots within the density range of up to 6.9 dwelling units per gross developable Acre. Typical housing product types include standard, alley-loaded, or clustered, single-family detached Units.

"Market-Rate Unit" means a Unit that is not an Affordable Unit.

"Maximum Annual CFD Special Tax Revenue" means the sum of the Maximum Annual Special Tax levied on all Taxable Parcels in the CFD in a Fiscal Year.

"Maximum Annual Special Tax" means the greatest amount of Special Tax that can be levied against a Parcel in a given Fiscal Year, as shown in **Attachments 1 and 2**.

"Maximum Annual Special Tax Rate" means the rate of Maximum Annual Special Tax charged per Unit or per Acre, as shown in **Attachments 1 and 2**.

"Maximum Annual Special Tax Revenue" means the greatest amount of revenue that can be collected in total from a group of Parcels (such as Developed Parcels) by levying the Maximum Annual Special Tax.

"Medium-Density Residential" means, based on the Amoruso Ranch Specific Plan, a land use designation that accommodates both single-family detached homes and attached homes within the density range of 7.0 to 12.9 dwelling units per gross developable Acre. Typical housing product types include standard or alley-loaded lots, courtyard lots, green court lots, auto courts, alley clusters, zero-lot lines, or z-shaped lots. In addition, duet/half-plex homes, townhomes, or condominiums may be accommodated in Medium-Density Residential areas.

"Mixed-Use" means a Parcel or Parcels designated for a combination of Residential Uses and Nonresidential Uses.

"Multifamily For-Rent" or **"Multifamily For-Rent Parcel"** means any Parcel designated or developed for more than one residential dwelling Unit per Parcel, and where such Units initially are offered for rent to the general public and cannot be purchased by individual homeowners. Such uses may consist of apartments or structures such as duplexes or triplexes, including land uses defined as High-Density Residential. Each residential dwelling Unit in Multifamily For-Rent Parcels is not expected to have its own distinct Assessor's Parcel Number.

"Multifamily For-Sale" or **"Multifamily For-Sale Parcel"** means any Parcel designated or developed for more than one residential dwelling Unit in a single building or structure and that may share at least one common wall where such units are not initially offered for rent to the general public and initially may be offered for sale to individual homeowners. Such uses may consist of condominiums or buildings such as half-plexes or time-share units, including land uses defined as High-Density Residential. Multifamily For-Sale Parcels are anticipated to have their own distinct Assessor's Parcel Number as is the case in residential condominium projects. Once designated as Multifamily For-Sale or a Multifamily For-Sale Parcel, the Parcel shall remain so designated unless the original structures are demolished.

"Nonresidential Use" means a Taxable Parcel with land uses other than Residential Uses that may include Business Professional, Community Commercial, Light Industrial, and Mixed-Use.

"Original Parcel" means a Taxable Parcel identified in **Attachment 1** (and shown in **Map 1**) at formation of the CFD. **Attachment 1** and **Map 1** shall be updated, or additional maps may be added with each new annexation into the CFD.

"Parcel" means any Assessor's Parcel in the CFD based on the equalized tax rolls of the County as of January 1 of each Fiscal Year.

“Proportionately” means that the ratio of the actual Special Tax levy to the Maximum Annual Special Tax is equal for all Developed Parcels. For Final Use Small Lot Parcels, Proportionately means that the ratio of the actual Special Tax levy to the Maximum Annual Special Tax is equal for all Final Use Small Lot Parcels. For Small Lot Tentative Map Parcels, Proportionately means that the ratio of the actual Special Tax levy to the Maximum Annual Special Tax is equal for all Small Lot Tentative Map Parcels. For Large Lot Parcels, Proportionately means that the ratio of the actual Special Tax levy to the Maximum Annual Special Tax is equal for all Large Lot Parcels. For Undeveloped Parcels, Proportionately means that the ratio of the actual Special Tax levy to the Maximum Annual Special Tax is equal for all Undeveloped Parcels.

“Public Parcel” means any Parcel that is or is intended to be publicly owned, as designated in any final map that is normally exempt from the levy of general ad valorem property taxes under California law, including public streets; schools; parks; and public drainageways, landscaping, wetlands, greenbelts, and open space.

“Remainder Parcel” means a portion of land that is created as a result of the recording of a Large Lot Parcel Map or Final Small Lot Subdivision Map, which results in a designated remainder as defined in Government Code Section 66424.6(a). Such a Remainder Parcel may contain taxable and tax-exempt uses, such as Residential Uses, and Public Parcels, such as park sites. Once designated as a Remainder Parcel, such Parcel will be considered a Large Lot Parcel for the purposes of future Subdivisions and for the provisions of **Sections 4** through **6**.

“Residential Use” means a Parcel designated for residential use, such as single-family residential Units, residential condominiums, townhouses, or apartments that would be included in the definitions of Low-Density Residential, Medium-Density Residential or High-Density Residential.

“RMA” means this Rate, Method of Apportionment, and Manner of Collection of Special Tax.

“Single-Family Parcel” means, in any Fiscal Year, all Parcels in the CFD for which a building permit was issued or may be issued for construction of a Unit that is a single-family residential, residential condominium, or townhouse Unit.

“Small Lot Tentative Map” means a map that is approved by the City for the purpose of showing the design of a proposed Subdivision, including the individual buildable lots expected in the Subdivision, as well as the conditions pertaining thereto. A Small Lot Tentative Map is not based on a detailed survey of the property in the map and is not recorded at the County Recorder’s Office to create legal lots.

“Small Lot Tentative Map Parcel” means, in any Fiscal Year, all Parcels included in a Small Lot Tentative Map that was approved before May 1 of the prior Fiscal Year and which have not yet become a Final Use Small Lot Parcel or a Developed Parcel.

“Special Tax(es)” mean(s) any tax levy under the Act in the CFD.

“Subdivision” or **“Subdivided”** means division of a Parcel into two or more Parcels through Parcel reconfiguration, lot-line adjustments, or the Subdivision Map Act process. A Subdivision also may include the merging of two or more Parcels to create new Parcels.

"Successor Parcel" means a Parcel created by the Subdivision of an Original Parcel or a Successor Parcel.

"Tax Category" means the categories of taxable land uses shown in **Attachments 1 and 2**.

"Tax Collection Schedule" means the document prepared by the Administrator for the County Auditor-Controller to use in levying and collecting the Special Taxes each Fiscal Year.

"Tax Escalation Factor" means a factor not to exceed 4 percent, determined by the Administrator in any Fiscal Year following the Base Year by which the Maximum Annual Special Tax for the previous Fiscal Year will be increased to provide sufficient services for the current Fiscal Year.

"Taxable Acreage" means that area of a Parcel determined by the Administrator to become a Taxable Parcel or Parcels upon further Subdivision. An example might be that a Large Lot Parcel Map creates a Remainder Parcel that, according to **Attachment 1**, contains both taxable and tax-exempt uses, such as a park site.

"Taxable Parcel" means any Parcel that is not a Tax-Exempt Parcel.

"Tax-Exempt Parcel" means a Parcel not subject to the Special Tax. Tax-Exempt Parcels include (a) Public Parcels, (b) Parcels owned by the City, school districts, special districts, or the state or federal government, and (c) Affordable Units.

Certain privately owned Parcels also may be exempt from the levy of Annual Special Taxes, including common areas owned by homeowners' associations or property owner associations, wetlands, detention basins, water quality ponds, and open space, as determined by the Administrator.

"Undeveloped Parcel" means a Taxable Parcel that is not a Developed Parcel, Final Use Small Lot Parcel, Small Lot Tentative Map Parcel, or a Large Lot Parcel.

"Unit" means, for a Single-Family Parcel, the individual residential Unit on such Parcel or, for a Multifamily For-Rent Parcel or Multifamily For-Sale Parcel, an individual residential Unit in a multifamily building.

3. Duration of the Special Tax

Parcels in the CFD will remain subject to the Special Tax in perpetuity.

If the Special Tax ceases to be levied, the City will direct the County Recorder to record a Notice of Cessation of Special Tax. Such notice will state that the obligation to pay the Special Tax has ceased and the lien imposed by the Notice of Special Tax Lien is extinguished. The Notice of Cessation of Special Tax, in addition, will identify the book and page of the Book of Maps of Assessment and Community Facilities Districts where the map of the boundaries of the CFD is recorded.

4. Administrative Tasks

Tasks required of the Administrator are discussed below:

- a. Annual Special Tax Escalation. The Administrator shall increase the Maximum Annual Special Tax by the Tax Escalation Factor in each Fiscal Year following the Base Year.
- b. Assignment of the Maximum Annual Special Tax to Original Parcels. **Attachment 1** identifies the Assigned Maximum Annual Special Tax for each Original Parcel at CFD formation, which is determined for each Large Lot Parcel based on the Expected Land Uses in each Large Lot Parcel at CFD Formation. Original Parcels are identified by Large Lot Number in **Map 1**. The Assigned Maximum Annual Special Tax shall continue to apply to the geographic area to which it was assigned. If, before further Subdivision, the Administrator determines there are multiple Assessor's Parcels in a Large Lot Parcel, the Administrator shall assign the Maximum Annual Special Tax to each Assessor's Parcel on a pro rata basis to all Assessor's Parcels in that Large Lot Parcel based on the percentage share of Taxable Acreage identified for each Assessor's Parcel. Similarly, if the Administrator determines there are multiple Large Lot Parcels in an Assessor's Parcel, the Maximum Annual Special Tax shall equal the sum of the Assigned Maximum Annual Special Tax for all Large Lot Parcels in that Assessor's Parcel.
- c. Assignment of the Maximum Annual Special Tax to Annexation Parcels. If Parcels are annexed into the CFD after formation, the Maximum Annual Special Tax shall be assigned to these Annexation Parcels using the definitions in **Section 2** and the Maximum Annual Special Tax per Unit or Acre shown in **Attachment 2**, as adjusted by the Tax Escalation Factor applied by the Administrator, unless the Annexation Parcels are annexed with a new set of Maximum Annual Special Taxes under a new zone. **Attachment 1** shall be amended, or a new attachment created, to include the Annexation Parcels and, if necessary, the applicable Special Taxes by zone. If new Maximum Annual Special Taxes are created, **Attachments 1** and **2** should be amended to reflect the Maximum Annual Special Taxes and zone(s) for the Annexation Parcels. Once annexed, these annexed Parcels shall be considered Original and Successor Parcels and will be subject to the same procedures for assigning the Maximum Annual Special Tax to Successor Parcels described in **Section 4.d**. The owner of the Annexation Parcels shall be responsible for paying all costs associated with annexing the Annexation Parcels to the CFD, but otherwise shall not be required to pay any other charge or fee in connection with or as a condition of such annexation unless otherwise agreed to by the owner of the Annexation Parcel in connection with the annexation.
- d. Assignment of the Maximum Annual Special Tax to Successor Parcels. As Original Parcels and Successor Parcels are created through recordation of Final Small Lot Subdivision Maps, lot line adjustments or other Parcel amendments through the Subdivision Map Act process, the Administrator shall use the following steps to assign the Maximum Annual Special Tax to new Successor Parcels. As necessary, the assignment of the Maximum Annual Special Tax to Successor Parcels should use the Maximum Annual Special Tax Rates within which the Original Parcel and Successor Parcel resides. As a result of each assignment of the Maximum Annual Special Tax upon Subdivision of an Original Parcel or Successor Parcel, the sum of the Maximum Annual Special Taxes assigned to the newly created Taxable Parcels shall never be less, but may be greater, than the Assigned Maximum Annual Special Tax for that Original Parcel or Successor Parcel.
 1. If an Original Parcel or Successor Parcel is Fully Subdivided into Single-Family Parcels with No Remainder Parcel(s). There shall be no net loss of Maximum CFD Special Tax Revenue as a result of the assignment of the Maximum Annual Special Tax to Single-

Family Parcels. The Administrator shall use the following procedures to assign the Maximum Annual Special Tax to Single-Family Parcels. All references to Maximum Annual Special Taxes in the attachments are subject to application of the Tax Escalation Factor by the Administrator:

- A. Multiply the Maximum Annual Special Tax per Unit by Tax Category from **Attachment 2** by the number of Units for each Single-Family Parcel created by the Subdivision. Sum the Maximum Annual Special Taxes for all Single-Family Parcels created by the Subdivision.
 - B. If the sum of Maximum Annual Special Taxes calculated in Step 4.d.1.A above is equal to or greater than the Assigned Maximum Annual Special Tax for the Original or Successor Parcel that was Subdivided, assign the Maximum Annual Special Tax per Unit by Tax Category as calculated in Step 4.d.1.A above to each Single-Family Parcel created by the Subdivision.
 - C. If the sum of Maximum Annual Special Taxes calculated in Step 4.d.1.A above is less than the Assigned Maximum Annual Special Tax for the Original or Successor Parcel that was Subdivided, Proportionately increase the Maximum Annual Special Tax per Unit for all Units until the sum of resulting Maximum Annual Special Taxes from all Units equals the Assigned Maximum Annual Special Tax for the Original or Successor Parcel that was Subdivided. Assign the Maximum Annual Special Tax calculated in this step to each new Single-Family Parcel created by the Subdivision.
2. If Original or Successor Parcel Is Subdivided into Single-Family Parcels and One or More Remainder Parcels. When an Original or Successor Parcel is Subdivided into Single-Family Parcels and one or more Large Lot Parcels (or Remainder Parcels), the Maximum Annual Special Tax is assigned to the Single-Family Parcels and Large Lot Parcels created by the Subdivision in the following manner:
- A. Apportion the Assigned Maximum Annual Special Tax to the area(s) that is/are being Subdivided into Single-Family Parcels and to the area(s) that will be Remainder Parcel(s) on a pro rata basis, based on the percentage share of Taxable Acreage represented by each such area as compared to the total area of the Original or Successor Parcel.
 - B. For each area Subdivided into Single-Family Parcels, multiply the Maximum Annual Special Tax per Unit by Tax Category from **Attachment 2** by the number of Units for each Single-Family Parcel created by the Subdivision. Sum the Maximum Annual Special Taxes for all Single-Family Parcels created by the Subdivision.
 - C. For each area Subdivided into Single-Family Parcels, if the sum of Maximum Annual Special Taxes calculated in Step 4.d.2.B above is equal to or greater than the Assigned Maximum Annual Special Tax apportioned to that area of the Original or Successor Parcel that was Subdivided into Single-Family Parcels, assign the Maximum Annual Special Tax per Unit by Tax Category as calculated in Step 4.d.2.B above to each Single-Family Parcel created by the Subdivision.
 - D. For each area Subdivided into Single-Family Parcels, if the sum of Maximum Annual Special Taxes calculated in Step 4.d.2.B above is less than the Assigned Maximum

Annual Special Tax apportioned to that area of the Original or Successor Parcel that was Subdivided into Single-Family Parcels, Proportionately increase the Maximum Annual Special Tax per Unit for all Units until the sum of resulting Maximum Annual Special Taxes from all Units equals the Assigned Maximum Annual Special Tax apportioned to that area of the Original or Successor Parcel that was Subdivided into Single-Family Parcels. Assign the Maximum Annual Special Tax calculated in this step to each new Single-Family Parcel created by the Subdivision.

- E. For the Remainder Parcel or Parcels, identify the Maximum Annual Special Tax for the entire Original or Successor Parcel that has been Subdivided. Sum the Maximum Annual Special Tax for all Single-Family Parcels created by the Subdivision. Subtract the sum of the Maximum Annual Special Tax for all Single-Family Parcels from the Assigned Maximum Annual Special Tax for the Original or Successor Parcel being subdivided and compare it to the Maximum Annual Special Tax assigned to the Remainder Parcel or Parcels in Step 4.d.2.A. Assign to each Remainder Parcel, the lesser of the calculations in this step or in Step 4.d.2.A, but in no event less than the difference between the previously Assigned Maximum Annual Special Tax for the Original Parcel or Successor Parcel being Subdivided and the total of the Maximum Annual Special Tax for all Single-Family Parcels created by such Subdivision.

Once designated as a Remainder Parcel, such Parcel will be considered a Large Lot Parcel for the purposes of future Subdivisions and for the provisions of **Sections 4** through **6**.

3. If an Original or Successor Parcel designated as Nonresidential Parcel is Subdivided creating multiple Nonresidential Parcels:

- A. Identify the Assigned Maximum Annual Special Tax for the Original Parcel or Successor Parcel that is being Subdivided.
- B. Determine the Taxable Acreage for all new Successor Parcels being created by the Subdivision.
- C. Sum the Taxable Acreage for all new Successor Parcels from Step 4.d.3.B.
- D. Divide the Taxable Acreage for each Successor Parcel by the results from Step 4.d.3.C to determine the percentage allocation of the Assigned Maximum Annual Special Tax from Step 4.d.3.A.
- E. Multiply the percentage derived in Step 4.d.3.D times the Assigned Maximum Annual Special Tax from Step 4.d.3.A to determine the Assigned Maximum Annual Special Tax for each Successor Parcel created by the Subdivision.

4. If an Original or Successor Parcel designated as a Multifamily For-Rent or For-Sale Parcel has a Building Permit issued:

- A. Identify the Assigned Maximum Annual Special Tax per Unit for High Density Residential shown in **Attachment 2**.
- B. Identify the number of Market Rate Units for the Parcel.

- C. For a Multifamily For-Rent Parcel, multiply the Market Rate Units times the Maximum Annual Special Tax per Unit from Step 4.d.4.A times the number of Units from Step 4.d.4.B to derive the Maximum Annual Special Tax for the Multifamily For-Rent Parcel.
- D. For a Multifamily For-Sale Parcel, assign the Maximum Annual Special Tax per Unit from Step 4.d.4.A to each Market Rate Unit to derive the Maximum Annual Special Tax for each Parcel.
- 5. If an Original or Successor Parcel is Subdivided creating multiple land uses and Tax Categories or for any rezones of land uses on Original or Successor Parcels:
 - A. Identify the Assigned Maximum Annual Special Tax for the Original Parcel or Successor Parcel that is being Subdivided or rezoned.
 - B. For each Taxable Parcel subject to rezone or created by Subdivision multiply the Maximum Annual Special Tax per Unit or per Acre by the number of Units or by the number of Acres by the appropriate Tax Category.
 - C. Sum the Maximum Annual Special Tax for each Taxable Parcel and compare it to the Assigned Maximum Annual Special Tax of the Original or Successor Parcel that is subject to rezone or is being Subdivided. If the sum of Maximum Annual Special Tax for each Taxable Parcel is greater than the Assigned Maximum Annual Special Tax for the Original Parcel, the Administrator shall apply the Maximum Annual Special Tax calculated above for each Taxable Parcel.
 - D. If the Assigned Maximum Annual Special Tax for the Original Parcel or Successor Parcel subject to rezone or that is being Subdivided is greater than the sum of Maximum Annual Special Tax for each Taxable Parcel being created, increase Proportionately the Maximum Annual Special Tax per Unit or per Acre on each Taxable Parcel such that the sum of Maximum Annual Special Tax for all Taxable Parcels equals the Maximum Annual Special Tax for the Original Parcel.
- e. Affordable Units that Become Market-Rate Units. If, in any Fiscal Year, the City Manager, or his or her designee, determines that a Unit that previously had been designated as an Affordable Unit no longer qualifies as such, the Affordable Housing Director shall update the Affordable Unit listing by denoting the change in status of the Unit, together with the effective date thereof. For all Affordable Units that are converted to Market-Rate Units, such Units shall be assigned the Maximum Annual Special Tax per Unit based on their Tax Category as shown in **Attachment 1**, as adjusted by the Tax Escalation Factor.
- f. Transfer of the Assigned Maximum Annual Special Tax from One Large Lot Parcel to Another. The Maximum Annual Special Taxes shown in **Attachment 1** were determined based on the Expected Land Uses for each Large Lot Parcel shown in **Attachment 1**. If the number of planned residential Units or Nonresidential Acreage is transferred from one Large Lot Parcel to another before recording of a Final Small Lot Subdivision Map in any portion of the Large Lot Parcel, the City may, in its sole discretion, allow for a transfer of the Maximum Annual Special Tax from one Large Lot Parcel to another. Such a transfer shall be allowed only if (1) all adjustments are agreed to in writing by the affected property owners and the Chief

Financial Officer, and (2) there is no reduction in the Maximum Annual CFD Special Tax Revenues as a result of the transfer. Should a transfer result in an amendment to **Attachment 1** of the Notice of Special Tax Lien, the requesting property owner shall bear the costs to affect the transfer in the CFD records and prepare the required amendments to the Notice of Special Tax Lien and **Attachment 1**. Before the transfer, the City may require a deposit from the requesting property owner for such costs.

- g. Conversion of a Tax-Exempt Parcel to a Taxable Parcel. If a Tax-Exempt Parcel fails to qualify as a Tax-Exempt Parcel it shall become subject to the Special Tax. The Maximum Annual Special Tax for the newly assigned Tax Category for such a Parcel is determined using the provisions of **Sections 4** and **5**.
- h. Taxable Parcels That Become Tax-Exempt. A Taxable Parcel that qualifies as a Tax-Exempt Parcel shall be reclassified as a Tax-Exempt Parcel.

5. Assignment of the Maximum Annual Special Tax

- a. Classification of Parcels. For purposes of the next Fiscal Year tax levy, by June 30 of each Fiscal Year, using the Definitions in **Section 2**, the Parcel records of the Assessor's secured tax roll as of January 1, and other City development approval records, the Administrator shall cause:
 - 1. Each Parcel to be classified as a Taxable Parcel or Tax-Exempt Parcel.
 - 2. Each Parcel to be classified as a Developed Parcel, a Final Use Small Lot Parcel, a Small Lot Tentative Map Parcel, a Large Lot Parcel (including Remainder Parcels), or an Undeveloped Parcel.
 - 3. Each Unit to be classified as a Market-Rate Unit or an Affordable Unit.
- b. Assignment of the Maximum Annual Special Tax to Taxable Parcels. The Maximum Annual Special Tax will be assigned to each Taxable Parcel each Fiscal Year using the procedures (not all steps may be applicable for each such Parcel) in **Section 4**.

6. Calculating Annual Special Taxes

The Administrator will compute the Annual Costs and determine the annual Special Tax levy for each Taxable Parcel based on the assignment of the Special Tax in **Sections 4** and **5**. All calculations and steps described in this section shall be done for all areas within the CFD. The Administrator then will determine the tax levy for each Taxable Parcel using the following process:

- a. Compute the Annual Costs using the definition of Annual Costs in **Section 2**.
- b. For all Taxable Parcels, calculate the Special Tax levy for each using the following steps:
 - Step 1: Compute 100 percent of the Maximum Annual Special Tax Revenue for all Developed Parcels.
 - Step 2: Compare the Annual Costs with the amount calculated in the previous step.

- Step 3: If the Annual Costs are lower than the amount calculated in Step 1, decrease Proportionately the Maximum Annual Special Tax levy for each Developed Parcel until the revenue from the Special Tax levy equals the Annual Costs.
- Step 4: If the Annual Costs are greater than the amount calculated in Step 1, levy Proportionately the Maximum Annual Special Tax for each Final Use Small Lot Parcel until the revenue from the Special Tax levy equals the Annual Costs, or 100 percent of the Maximum Annual Special Tax for all Final Use Small Lot Parcels, if needed to fund Annual Costs.
- Step 5: If the Annual Costs are greater than the amount calculated in Step 1 and Step 4, levy Proportionately the Maximum Annual Special Tax for each Small Lot Tentative Map Parcel until the revenue from the Special Tax levy equals the Annual Costs, or 100 percent of the Maximum Annual Special Tax for all Small Lot Tentative Map Parcels, if needed to fund Annual Costs.
- Step 6: If the Annual Costs are greater than the amount calculated in Step 1, Step 4, and Step 5, levy Proportionately the Maximum Annual Special Tax for each Large Lot Parcel until the revenue from the Special Tax levy equals the Annual Costs, or 100 percent of the Maximum Annual Special Tax for all Large Lot Parcels, if needed to fund Annual Costs.
- Step 7: If the Annual Costs are greater than the amount calculated in Step 1, Step 4, Step 5, and Step 6, levy Proportionately the Maximum Annual Special Tax for each Undeveloped Parcel until the revenue from the Special Tax levy equals the Annual Costs, or 100 percent of the Maximum Annual Special Tax for all Undeveloped Parcels, if needed to fund Annual Costs.
- c. Levy on each Taxable Parcel the amount calculated above.
- d. Prepare the Tax Collection Schedule and, unless an alternative method of collection has been selected pursuant to **Section 8**, send it to the County Auditor requesting that it be placed on the general, secured property tax roll for the Fiscal Year. The Tax Collection Schedule will not be sent later than the date required by the County Auditor for such inclusion.

The Administrator will make every effort to calculate the Special Tax correctly for each Parcel. It will be the burden of the taxpayer to correct any errors in determining which Parcels are subject to the tax and their Special Tax assignments.

7. Interpretation, Application, and Appeal of Special Tax Formula and Procedures

Any taxpayer who feels the amount of the Special Tax assigned to a Parcel is in error may file a notice with the Chief Financial Officer appealing the levy of the Special Tax. The Chief Financial Officer then will promptly review the appeal and, if necessary, will meet with the applicant. If the Chief Financial Officer verifies that the tax should be modified or changed, the Special Tax levy will be corrected and, if applicable in any case, a credit or refund will be granted.

Interpretations may be made by the City, without Resolution or Ordinance of the Council, for purposes of clarifying any vagueness or ambiguity as it relates to the Special Tax rate, the method of apportionment, the classification of properties, or any definition applicable to the CFD.

Without Council approval, the Chief Financial Officer may make minor, non-substantive administrative and technical changes to the provisions of this RMA that do not materially affect the rate, method of apportionment, or manner of collection of the Special Tax for purposes of administrative efficiency or convenience or to comply with new applicable federal, state, or local law.

The City, upon request of an owner of land in the CFD that is not a Developed Parcel, also may amend this RMA in any manner acceptable to the City, without Resolution or Ordinance of the Council, upon the affirmative vote of such owner and without the vote of owners of any other land in the CFD, provided such amendment only affects such owner's land and does not reduce the total Maximum Annual Special Tax Revenue for the CFD.

8. Manner of Collection

The Special Tax will be collected in the same manner and at the same time as ad valorem property taxes, provided, however, the Administrator or its designee may directly bill the Special Tax and may collect the Special Tax at a different time, such as on a monthly or other periodic basis, or in a different manner, if necessary, to meet the City's financial obligations.

DESCRIPTION OF SERVICES

The authorized services to be funded from the levy and collection of annual special taxes shall consist of those items set forth below, in addition to the costs associated with collecting and administering the special taxes and annual administering the CFD. The authorized services to be funded for the Amoruso Ranch Community Facilities District (CFD) No. 2 (Public Services) include these:

1. Open Space improvement, operations and management, monitoring, maintenance (including, but not limited to, general maintenance, signage, benches, striping, City owned fence maintenance, trash and debris collection, and bike trails and their appurtenances [drainage culverts or pipes from adjacent subdivisions] within open space), creation and maintenance of fire breaks, Permits, Vandalism/Graffiti, Flood Conveyance (Vegetation/tree removals), Beaver dam removals, Outfall/drainage swale maintenance, Erosion control/bank stabilization, Native planting/replanting, Pre and post emergent, environmental mitigation monitoring, and the annual review thereof, as required by the Mitigation Monitoring Plan related to the Environmental Impact Report, maintenance activities as required by the 404 permit and Open Space Overarching Maintenance & Management Plan and repair and replacement of facilities within open space areas.
2. The maintenance of on-site landscape corridors and paseos designed to serve the territory within the CFD, including, but not limited to, general maintenance, masonry walls, accent lighting, water and utility costs.
3. The maintenance of medians, entries, and entry monumentation.
4. The performance of leaf pick-up and street sweeping designed to serve the territory within the CFD, including along the following roads:
 - Westbrook Boulevard.
 - West Sunset Boulevard.
5. Neighborhood park maintenance, and repair and replacement.
6. Storm water management, water quality structural controls, including, but not limited to, drainage swales constructed between storm drain facilities and receiving waters, and maintenance of flood control facilities including, but not limited to, detention basins and created wetlands.

7. Bus Transfer Station, bus shelters, bus stops and any park and ride lots as well as bus signs.
8. Miscellaneous costs related to any of the items described above, including but not limited to planning, engineering, GIS, legal, and City and County administration costs.
9. The levy of special taxes to accumulate sinking funds for anticipated future repairs or replacement costs of landscape corridors, irrigation facilities, medians, entries and entry monumentation, lighting, neighborhood parks, storm water management and other facilities authorized to be maintained by the CFD or for which the City is authorized to finance services through the CFD, as determined by the Administrator.

CITY COUNCIL OF THE CITY OF ROSEVILLE

RESOLUTION NO. 23-299

A RESOLUTION OF ANNEXATION OF TERRITORY TO COMMUNITY FACILITIES DISTRICT, AUTHORIZING THE LEVY OF A SPECIAL TAX AND SUBMITTING LEVY OF TAX TO QUALIFIED ELECTORS

**CITY OF ROSEVILLE
Community Facilities District No. 3
(Municipal Services)**

Annexation No. 28 (Amoruso Ranch)

WHEREAS, the City Council (the “Council”) of the City of Roseville (the “City”) on April 5, 2023 adopted Resolution No. 23-121, entitled “A Resolution of Intention to Annex Territory to Community Facilities District and to Authorize the Levy of Special Taxes Therein” (the “Resolution of Intention”), stating its intention to annex territory to the City’s Community Facilities District No. 3 (Municipal Services) (the “CFD”), pursuant to the Mello-Roos Community Facilities Act of 1982, as amended (the “Act”);

WHEREAS, a copy of the Resolution of Intention, incorporating a description and map of the proposed boundaries of the territory to be annexed to the CFD and stating the services to be provided and the rate and method of apportionment of the special tax to be levied within the territory to be annexed to the CFD, is on file with the City Clerk and the provisions thereof are fully incorporated herein by this reference as if fully set forth herein;

WHEREAS, said annexation boundary map, labeled Annexation Map No. 28 of Community Facilities District No. 3 (Municipal Services) (Amoruso Ranch), has been recorded with the County Recorder of the County of Placer at Page 4 in Book 85 of Maps of Assessment and Community Facilities Districts, which map shows the territory to be annexed to the CFD;

WHEREAS, on the date hereof, this Council held a noticed public hearing as required by the Act and the Resolution of Intention relative to the proposed annexation of territory to the CFD;

WHEREAS, at said hearing all interested persons desiring to be heard on all matters pertaining to the annexation of territory to the CFD and the levy of said special taxes within the area proposed to be annexed were heard and a full and fair hearing was held; and

WHEREAS, prior to the time fixed for said hearing, written protests had not been filed against the proposed annexation of territory to the CFD by (i) 50% or more of the registered voters, or six registered voters, whichever is more, residing in the existing CFD, or (ii) 50% or more of the registered voters, or six registered voters, whichever is more, residing in the territory proposed to be annexed to the CFD, or (iii) owners of one-half or more of the area of land in the territory proposed to be annexed to the CFD.

NOW, THEREFORE, be it resolved by the City Council of the City of Roseville:

1. All prior proceedings taken by this Council with respect to the CFD and the proposed annexation of territory thereto have been duly considered and are hereby determined to be valid and in conformity with the Act, and the CFD has been validly established pursuant to the Act.

2. The description and map of the boundaries of the territory to be annexed to CFD, as described in the aforementioned Annexation Map No. 28 on file with the Clerk are hereby finally approved, are incorporated herein by reference, and shall be included within the boundaries of the CFD, and said territory is hereby ordered annexed to the CFD, subject to voter approval of the levy of the special taxes therein as hereinafter provided.

3. The provisions of the Resolution of Intention as heretofore adopted by this Council are by this reference incorporated herein, as if fully set forth herein.

4. Pursuant to the provisions of the Act, the proposition of the levy of the special tax within the territory to be annexed to the CFD shall be submitted to the voters of the area to be annexed to the CFD at an election called therefor as hereinafter provided.

5. This Council hereby finds that fewer than 12 persons have been registered to vote within the territory proposed to be annexed to the CFD for each of the 90 days preceding the close of the hearing heretofore conducted and concluded by this Council for the purposes of these annexation proceedings. Accordingly, and pursuant to Section 53326 of the Act, this Council finds that for purposes of these proceedings the qualified electors are the landowners within the territory proposed to be annexed to the CFD and that the vote shall be by said landowners, each having one vote for each acre or portion thereof such landowner owns in the territory proposed to be annexed to the CFD.

6. Pursuant to Section 53326 of the Act, the election shall be conducted by mail ballot under Section 4000 of the California Elections Code. This Council hereby determines that paragraphs (a), (b), and (c)(1) of said Section 4000 and Section 4108 of the California Elections Code are applicable to this election, provided however, the City has received written waivers from the owner of all the territory to be annexed and the election may be expedited.

7. The Council hereby calls a special election to consider the measure described in the ballot referred to in paragraph 8 below, which election shall be held on June 21, 2023 either virtually (if so noticed by the City) or at the City of Roseville Civic Center Council Chambers located at 311 Vernon Street, Roseville, California 95678.

8. The City Clerk is hereby appointed as the election official to conduct the election and cause to be provided to each landowner(s) in the territory to be annexed to the CFD, a ballot in the form of Exhibit A hereto, which form is hereby approved.

9. The City Clerk shall accept the ballots of the qualified electors received prior to 6:00 p.m. on June 21, 2023, whether received by mail or by personal delivery.

10. This Council hereby further finds that the provision of Section 53326 of the Act requiring a minimum of 90 days to elapse before said election is for the protection of voters, that the voters have waived such requirement and the date for the election hereinabove specified is established accordingly.

11. Under Section 50075.1 of the Government Code, the following accountability provisions shall apply to the special taxes: (a) the provision and/or acquisition of the services

and the incidental costs thereof, all as defined in the Resolution of Intention, shall constitute the specific single purpose; (b) the proceeds shall be applied only to the specific purposes identified in (a) above; (c) there shall be created special account(s) or funds(s) into which the proceeds shall be deposited; and (d) there shall be caused to be prepared an annual audit and report of the CFD.

**OFFICIAL BALLOT
SPECIAL TAX ELECTION**

This ballot is for the special landowner election to annex property into City of Roseville Community Facilities District No. 3 (Municipal Service). You must return this ballot to the office of the City Clerk of the City of Roseville **no later than the hour of 6:00 p.m. on June 21, 2023, either by mail or in person.** The Clerk's office is located at 311 Vernon Street, Roseville, CA 95678.

To vote, mark a cross (X) on the voting line after the word "YES" or after the word "NO." All marks otherwise made are forbidden. All distinguishing marks are forbidden and make the ballot void. If you wrongly mark, tear, or deface this ballot, return it to the City Clerk and obtain another.

AN "X" OR OTHER MARK WILL CAST ALL VOTES ASSIGNED TO THIS BALLOT, OR THE VOTER MAY WRITE NUMBERS IN THE SPACES PROVIDED.

The amount of money at build out that could be raised annually by the special tax levied in the territory to be annexed is \$1,003,842.52 for Fiscal Year 2022-2023 (and subject to escalation annually), the duration of the special tax is perpetual, and the rate of the special tax shall be determined in accordance with the rate, method of apportionment, and manner of collection of special tax for the CFD.

BALLOT MEASURE: Shall the City of Roseville (the "City"), by and for its Community Facilities District No. 3 (Municipal Services) (the "CFD"), be authorized to levy special taxes within the territory annexed to the CFD pursuant to and as described in "A Resolution of Annexation of Territory to Community Facilities District, Authorizing the Levy of a Special Tax and Submitting Levy of Tax to Qualified Electors," adopted by the City Council of the City on June 21, 2023?	YES: _____ NO: _____

CITY COUNCIL OF THE CITY OF ROSEVILLE

RESOLUTION NO. 23-300

**A RESOLUTION DECLARING RESULTS OF SPECIAL ANNEXATION ELECTION,
DETERMINING VALIDITY OF PRIOR PROCEEDINGS, AND DIRECTING RECORDING OF
AMENDED NOTICE OF SPECIAL TAX LIEN**

**CITY OF ROSEVILLE
Community Facilities District No. 3
(Municipal Services)**

Annexation No. 28 (Amoruso Ranch)

WHEREAS, in proceedings heretofore conducted by the City Council (the "Council") of the City of Roseville (the "City") pursuant to the Mello-Roos Community Facilities Act of 1982, as amended (the "Act"), this Council has heretofore adopted a resolution calling a special election of the qualified landowner electors in the territory of land proposed to be annexed to Community Facilities District No. 3 (Municipal Services) (the "CFD");

WHEREAS, pursuant to the terms of the resolution which is hereby incorporated herein by this reference, the special election has been held and the City Clerk has filed a Canvass of Votes Cast in Special Election, a copy of which is attached hereto as Exhibit A; and

WHEREAS, this Council has reviewed the Canvass and hereby approves it;

NOW, THEREFORE, be it resolved by the City Council of the City of Roseville:

1. The issue presented at the special election was the levy of a special tax within the territory annexed to the CFD, to be levied in accordance with the formula heretofore approved by this Council on April 5, 2023, entitled, "A Resolution of Annexation of Territory to Community Facilities District, Authorizing the Levy of a Special Tax and Submitting Levy of Tax to Qualified Electors."

2. Pursuant to the Canvass on file with the City Clerk, the issue presented at the special election was approved by the landowners of the territory annexed to the CFD by more than two-thirds of the landowners voting at the special election.

3. Pursuant to the voter approval, said annexed territory to the CFD is hereby declared to be fully annexed to and part of the CFD and this Council may levy special taxes therein as heretofore provided in these proceedings.

4. It is hereby found that all prior proceedings and actions taken by this Council pursuant to the CFD and the territory annexed thereto were valid and in conformity with the Act.

5. Within 15 days of the date hereof, the City Clerk shall execute and cause to be recorded in the office of the County Recorder of the County of Placer, an amendment to the Notice of Special Tax Lien as required by Section 3117.5 of the California Streets and Highways Code.

AMENDMENT TO NOTICE OF SPECIAL TAX LIEN

CITY OF ROSEVILLE
COMMUNITY FACILITIES DISTRICT NO. 3 (MUNICIPAL SERVICES)
COUNTY OF PLACER, STATE OF CALIFORNIA

ANNEXATION NO. 28 (AMORUSO RANCH)

Pursuant to the requirements of Section 3117.5 of the Streets and Highways Code of California and the Mello-Roos Community Facilities Act of 1982, as amended, section 53311, et. seq., of the California Government Code (the "Act"), the undersigned City Clerk of the City of Roseville (the "City"), County of Placer, State of California, hereby gives notice that a lien to secure payment of a special tax which the City is authorized to levy for Community Facilities District No. 3 (Municipal Services) (the "CFD"), County of Placer, State of California, is hereby imposed on the property described herein. The special tax secured by this lien is authorized to be levied for the purpose of paying the costs of public services in and according to the rate and method of apportionment set forth in that certain Notice of Special Tax Lien heretofore recorded in the Office of the County Recorder of the County of Placer, State of California on October 22, 2004, as Document No. 2004-0140669, to which recorded Notice of Special Tax Lien and amendment thereto reference is hereby made and the provisions of which are hereby incorporated by this reference.

This Amended Notice of Special Tax Lien amends the Notice of Special Tax Lien to add to the territory of Community Facilities District No. 3 (Municipal Services) of the City Roseville the lands set forth in that certain "Annexation Map No. 28" to Community Facilities District No. 3 (Municipal Services), County of Placer, State of California," heretofore recorded on April 11, 2023 at Book 4 Maps of Assessment and Community Facilities Districts at Page 85 in the office of the County Recorder of the County of Placer, State of California.

Pursuant to the requirements of Section 3114.5 of the Streets and Highways Code and Section 53324 of the Government Code, the undersigned, City Clerk of the City of Roseville, hereby gives notice that a lien to secure payment of a special tax which the City Council of the City of Roseville, County of Placer, State of California is authorized to levy is hereby imposed.

The special tax secured by this lien is authorized to be levied for the purpose of paying for public services as described in **Exhibit A** attached hereto, and the incidental expenses related thereto.

The assessor's tax parcel(s) numbers of all parcels or any portion thereof which have been annexed to Community Facilities District No. 3 (Municipal Services), as shown in the Annexation Map referred to above, are thus included in this Amended Notice of Special Tax Lien, together with the name(s) of the owner(s) thereof, as they appear on the latest secured assessment roll as of the date of recording hereof or as are otherwise known to the City are as set forth in **Exhibit C** attached hereto and hereby made a part hereof.

The special tax is authorized to be levied against the parcel(s) described in **Exhibit C** attached hereto, which parcel(s) has been annexed into Community Facilities District No. 3 (Municipal Services), City of Roseville, County of Placer, State of California, which has been officially formed and the lien of the special tax is a continuing lien which shall secure each annual levy of the special tax and which shall continue in force and effect unless the special tax obligation is canceled in accordance with law or the special tax ceases to be levied and a notice of cessation of special tax is recorded in accordance with Section 53330.5 of the Government Code.

The amended rate, method of apportionment and the manner of collection of the authorized special tax is shown on **Exhibit B** attached hereto. The rate, method of apportionment, and the manner of collection of the authorized special tax does not contain conditions under which the obligation to pay the special tax may be prepaid and permanently satisfied.

Notice is further given that upon the recording of this notice in the office of the county recorder, the obligation to pay the special tax levy shall become a lien upon all nonexempt real property within the Community Facilities District No. 3 (Municipal Services), City of Roseville, in accordance with Section 3115.5 of the Streets and Highways Code.

For further information concerning the current and estimated future tax liability of owners or purchasers of real property subject to this special tax lien, interested persons should contact the City Administrator of the City of Roseville, 311 Vernon Street, Roseville, CA 95678, telephone number (916) 774-5319.

EXHIBIT A

CITY OF ROSEVILLE COMMUNITY FACILITIES DISTRICT NO. 3 (MUNICIPAL SERVICES)

LIST OF AUTHORIZED SERVICES

The Community Facilities District No. 3 (Municipal Services) (the "CFD") shall include the City services authorized under Section 53313 of the Community Facilities Act of 1982, Chapter 2.5 of Division 2 of Title 5 of the California Government Code, commencing with Section 53311 (the "Act"), which include the following services, to the extent that such services are in addition to those provided in the territory of the CFD before the CFD was created (or, as to territory which may be annexed to the CFD, before such territory was annexed to the CFD.) In accordance with Section 53313 of the Act, the additional services may not supplant services already available within the territory when the district was created.

- (a) Police protection services, including, but not limited to, criminal justice services. However, criminal justice services are limited to providing services for jails, detention facilities, and juvenile halls.
- (b) Fire protection and suppression services, and ambulance and paramedic services.
- (c) Recreation program services, library services, maintenance services for elementary and secondary school sites and structures, and the operation and maintenance of museums and cultural facilities, subject to the limitations contained in Section 53313 of the Act.
- (d) Maintenance of parks, parkways, and open space.
- (e) Flood and storm protection services, including, but not limited to, the operation and maintenance of storm drainage systems, and sandstorm protection systems.
- (f) Services with respect to removal or remedial action for the cleanup of any hazardous substance released or threatened to be released into the environment, subject to the limitations contained in Section 53313 of the Act.

EXHIBIT B

CITY OF ROSEVILLE COMMUNITY FACILITIES DISTRICT NO. 3 (MUNICIPAL SERVICES)

RATE AND METHOD OF APPORTIONMENT OF SPECIAL TAX

A Special Tax applicable to each Assessor's Parcel in Community Facilities District No. 3 (Municipal Services) [herein "CFD No. 3"] shall be levied and collected according to the tax liability determined by the City Council, acting in its capacity as the legislative body of CFD No. 3, through the application of the appropriate Special Tax rate, as described below. All of the property in CFD No. 3, unless exempted by law or by the provisions of Section E below, shall be taxed for the purposes, to the extent, and in the manner herein provided.

A. DEFINITIONS

The terms hereinafter set forth have the following meanings:

"Acreage" or **"Acre"** means the land area making up an Assessor's Parcel as shown on an Assessor's Parcel Map, or if the land area is not shown on an Assessor's Parcel Map, the land area shown on the applicable final subdivision map or other parcel map recorded at the County Recorder's Office.

"Administrative Expenses" means the costs incurred by the City to determine, levy and collect the Special Tax, including salaries of City employees and fees of consultants and the costs of collecting installments of the Special Taxes upon the general tax rolls; preparation of required reports, and any other costs required to administer the CFD as determined by the Finance Director.

"Administrator" means the person or firm designated by the City to administer the Special Taxes according to this Rate and Method of Apportionment of Special Tax.

"Affordable Housing Director" means, at any point in time, the person within the City who services as head of the department that is in charge of the City's affordable housing program.

"Affordable Unit" means a Unit built on a Parcel for which an Affordable Purchase Development Agreement or similar agreement has been recorded on title of the property designating the Unit as affordable (as determined by the City) and resulting in a deed of trust on the Parcel in favor of the City. The City's Affordable Housing Director shall determine which Units are designated as Affordable Units and maintain an Affordable Unit Listing which shall contain all designated buildable parcels by tract and lot number. The Affordable Unit Listing shall also be updated to reflect those Units no longer qualifying as Affordable Units, also known as Market Rate Units. The Affordable Unit Listing, which shall contain all qualifying Affordable Units as of April 30, shall be made available to the Administrator by July 1 of each year for purposes of determining the Maximum Special Tax for Parcels pursuant to Section C.

“Affordable Unit Assignment” means a reduction in the Maximum Special Tax for a Parcel due to the assignment of an Affordable Unit(s) to the Parcel.

“Annual Tax Escalation Factor” means an annual increase in the Maximum Special Tax following the Base Year in an amount equal to the lesser of: (i) the combined percentage increase, if any, in the City of Roseville General Fund Operating Budget for police and fire services, or (ii) four percent (4%).

“Assessor’s Parcel” or **“Parcel”** means a lot or parcel shown in an Assessor’s Parcel Map with an assigned Assessor’s Parcel number.

“Assessor’s Parcel Map” means an official map of the County Assessor designating parcels by Assessor’s Parcel number.

“Authorized Services” means the public services authorized to be funded by CFD No. 3 as set forth in the documents adopted by the City Council when the CFD was formed.

“Base Year” means Fiscal Year 2010-11.

“City” means the City of Roseville.

“City Council” means the City Council of the City of Roseville, acting as the legislative body of CFD No. 3.

“County” means the County of Placer.

“Developed Property” means, in any Fiscal Year, both of the following:

- For Condominium Conversion Parcels, all individual Units for which an escrow has closed prior to June 30 of the preceding Fiscal Year; and
- All other Parcels of Taxable Property within the CFD for which a use permit or building permit for new construction of a residential or non-residential structure was issued prior to June 30 of the preceding Fiscal Year.

“Finance Director” means the Finance Director for the City of Roseville or his or her designee or successor.

“Fiscal Year” means the period starting on July 1 and ending on the following June 30.

“Land Use Designation” means the land use designated to be built on a particular Parcel based on reference to an adopted community plan or specific plan or, to the extent that such a plan has not been approved for a Parcel, to the City’s general plan.

“Market Rate Unit” means a Unit that is not an Affordable Unit.

“Multi-Family Property” means, in any Fiscal Year, all Parcels in CFD No. 3 for which a building permit was issued or may be issued for construction of a residential structure with multiple units that share common walls, all of which are offered for rent to the general public.

“Maximum Special Tax” means the maximum Special Tax determined in accordance with Section C below that can be levied on Taxable Property in any Fiscal Year.

“Public Property” means any property within the boundaries of CFD No. 3 that is owned by the federal government, State of California, County, City, or other public agency.

“Single Family Attached Property” means, in any Fiscal Year, all Parcels in CFD No. 3 for which a building permit was issued for construction of a residential structure consisting of two or more Units that share common walls and are offered as for-sale Units, including such residential structures that meet the statutory definition of a condominium contained in Civil Code Section 1351.

“Single Family Detached Property” means, in any Fiscal Year, all Parcels in CFD No. 3 for which a building permit was issued for construction of a Unit that does not share a common wall with another Unit.

“Special Tax” means any tax levied to pay for Authorized Services.

“Taxable Property” means all Assessor’s Parcels within the boundaries of CFD No. 3 which are not exempt from the Special Tax pursuant to law or Section E below.

“Unit” means an individual single-family detached unit or an individual residential unit within a duplex, triplex, fourplex, townhome, condominium, or apartment structure.

“Zoning Designation” means, for a particular Parcel, the designation of zoning for the Parcel based on the zoning map symbols set forth in the City’s zoning ordinance or, if the designation is inconsistent with the City’s zoning ordinance, as determined by the Administrator.

B. CATEGORIZING PARCELS FOR ANNUAL TAX LEVY

Each Fiscal Year, the Administrator shall identify the current Assessor’s Parcel numbers for all Parcels of Developed Property within CFD No. 3. The Administrator shall then identify the Land Use Designation for each Parcel of Developed Property to determine the appropriate Maximum Special Tax pursuant to Section C below. If a Land Use Designation has not been assigned to a Parcel of Developed Property, the Administrator shall determine the Zoning Designation for the Parcel and reference Table 1 below to determine the Maximum Special Tax associated with that Zoning Designation. If the Zoning Designation for the Parcel applies to more than one Land Use Designation as reflected in Table 1, the Administrator shall determine the appropriate Maximum Special Tax rate for the Parcel by identifying the Maximum Special Tax shown in Table 1 for the land use category that is most similar to the land use that will be built on the Parcel.

For Single Family Attached Property or multi-family property, the number of Units shall be determined by referencing the condominium plan, apartment plan, site plan or other development plan for the property. For Condominium Parcels, the Administrator shall also determine the date of which escrow closed for any Units that were sold to individual buyers in the prior Fiscal Year.

For Parcels with a Land Use Designation of Residential, Mixed Use; Village Center – Medium Density Residential; Village Center – High Density Residential; or Commercial, Mixed Use, the Administrator shall determine whether (i) residential units that have been or will be built on the

Parcel will be offered for sale to individual home buyers and (ii) a separate Assessor's Parcel number will be assigned to the airspace parcel associated with each residential unit. Once separate Parcel numbers have been assigned to the residential airspace Parcels, the Administrator shall assign a Maximum Special Tax to the airspace Parcel for each residential unit. In addition, the Administrator shall tax the commercial land uses on the Parcel using the Maximum Special Tax for the appropriate commercial Land Use Designation in Table 1 below. The acreage to be used to calculate the Maximum Special Tax on the commercial uses shall be the full land area of the underlying Assessor's Parcel on which the residential and commercial land uses are located.

Upon recordation of each Final Map creating Single Family Detached Property and/or Single Family Attached Property, the ECS Director is to determine the number of Affordable Units included within the Final Map. When building permits are issued for the Affordable Units designated on each Parcel, the Administrator shall reduce the Maximum Special Tax for each Affordable Unit to fifty percent (50%) of the Maximum Special Tax that applies to the Market Rate Units with the same Zoning Designation. After May 1 of each Fiscal Year, the Administrator shall obtain the Affordable Unit Listing from the Affordable Housing Director to confirm which Parcels qualify for an Affordable Unit Adjustment in the following Fiscal Year.

C. MAXIMUM SPECIAL TAX

All Taxable Property within the CFD shall be subject to a Maximum Special Tax that will be levied each Fiscal Year to pay for Authorized Services. As discussed above, the Administrator shall rely first on the Land Use Designation for a Parcel to determine the appropriate Maximum Special Tax in Table 1 below but, in the absence of an assigned Land Use Designation, the Administrator shall refer to the Zoning Designation and land use to be built on the Parcel. The following Maximum Special Tax rates apply to all Parcels of Developed Property within CFD No. 3:

Table 1 Maximum Special Taxes		
Land Use Designation	Zoning Designation	Maximum Special Tax (Fiscal Year 2004-05) *
Low Density Residential [LDR]	R1	\$293 per Unit
Medium Density Residential [MDR]	RS, R2, R3	\$293 per Unit
High Density Residential [HDR] or [HDR (Senior)]	R3	\$196 per Unit
Residential, Mixed Use or Village Center – Medium Density Residential or Village Center – High Density Residential	R3, RMU	\$196 per Unit
Community Commercial	CC	\$1,604 per Acre
General Commercial	GC	\$1,604 per Acre
Highway Commercial	HC	\$1,604 per Acre
Regional Commercial	RC	\$1,604 per Acre
Central Business District	CBD	\$1,604 per Acre

* Beginning July 1, 2005 and each July 1 thereafter, the Maximum Special Taxes shown above shall be adjusted by applying the Annual Tax Escalation Factor. The Maximum Special Tax for Affordable Units within a particular Zoning Designation shall be fifty percent (50%) of the amount shown above for that Zoning Designation, as adjusted by the Annual Tax Escalation Factor.

D. METHOD OF LEVY AND COLLECTION OF SPECIAL TAX

Each Fiscal Year, the Administrator shall levy the Maximum Special Tax on each Parcel of Developed Property in CFD No. 3. The Special Tax for CFD No. 3 shall be collected in the same manner and at the same time as ordinary ad valorem property taxes provided, however, that CFD No. 3 may (under the authority of Government Code Section 53340) in any particular case bill the taxes directly to the property owner off the County tax roll, and the Special Tax will be equally subject to foreclosure if delinquent.

E. LIMITATIONS

Notwithstanding any other provision of this Rate and Method of Apportionment of Special Tax, no Special Tax shall be levied on Public Property.

F. INTERPRETATION OF SPECIAL TAX FORMULA

The City reserves the right to make minor administrative and technical changes to this document that does not materially affect the rate and method of apportioning the Special Taxes. In addition, the interpretation and application of any section of this document shall be left to the City's discretion. Interpretations may be made by the City by ordinance or resolution for purposes of clarifying any vagueness or ambiguity in this Rate and Method of Apportionment of Special Tax.

AMENDED MAXIMUM SPECIAL TAX RATES

COMMUNITY FACILITIES DISTRICT NO. 3
(MUNICIPAL SERVICES)
ANNEXATION NO. 28 (AMORUSO RANCH)

Planned Land Uses	(Base Year FY 2022/23) Maximum Special Tax Rates*	Units/Acres	Anticipated FY 2022/23 Maximum Special Tax if Built Out
Low Density Residential	\$377.00 per unit	1,099 units	\$414,323.00
Medium Density Residential	\$377.00 per unit	695 units	262,015.00
High Density Residential	\$233.74 per unit	873 units	204,055.02
Commercial	\$1,249.39 per acre	23.71 acres	29,623.04
Village District Commercial	\$1,249.39 per acre	27.12 acres	33,883.46
Village District Residential	\$377.00 per unit	159 units	59,943.00
Total Maximum Special Tax			\$ 1,003,842.52

*The Maximum Special Tax following the Base Year (FY 2022-23) will increase in an amount equal to the lesser of; (i) the combined percentage increase, if any, in the City of Roseville General Fund Operating Budget for police and fire services, or (ii) four percent (4%).

If, in any Fiscal Year, the Land Use of a Property is not listed in Section C, the Maximum Special Tax for each such Parcel shall be determined by the Administrator based upon (i) the Special Tax per unit or acre for other District Properties having similar land use designations or (ii) a new Maximum Special Tax rate suitable for the Land Use, whichever is greater.
