RECOMMENDATION TO COUNCIL

It is recommended that the City Council take the following actions:

1. Adopt a resolution approving the attached Roseville Firefighters, Local 1592 (RFF) Memorandum of Understanding; and
2. Adopt an ordinance to approve RFF Salary Schedule-A (Appendix A) reflecting a salary increase effective January 7, 2017; and
3. Adopt an ordinance to approve a new RFF Salary Schedule-B (Appendix A) effective January 7, 2017.

BACKGROUND

The Memorandum of Understanding (MOU) for RFF expired at the end of the 2016 calendar year. During the negotiations in the last and current cycle with City of Roseville employee bargaining units, the City's goal has been to ensure it is competitive in the marketplace for recruitment and retention purposes while maintaining fiscal responsibility. An important aspect of the City's policy on negotiations is to move towards consistency, wherever appropriate and practicable. In particular, the City has strived to achieve internal equity among the employee group's medical benefits for current employees, deferred compensation, general salary increases, retiree health benefits, retiree COLAs on retirement benefits and strategies to contain pension costs.

Discussion

After multiple bargaining sessions, the City and RFF reached a total tentative agreement on December 7, 2016. The tentative agreement was subsequently ratified by the RFF membership in early January of 2017. The significant provisions of the agreement are aligned with the pattern established for all City bargaining units in order to provide a fair and consistent compensation package for all City employees and to further the City's fiscal goal of reducing pension costs.

The proposed successor MOU with RFF includes the following significant provisions:

Term

The term of the agreement covers two years, January 7, 2017 through December 31, 2018.

Salaries

The proposed salary increases are in line with the pattern that the city has presented to all bargaining units and are as follows:

General

January 2018 - 2.0% salary increase

EPMC Exchange

January 2017 - 2.0% in exchange for 9% Employer Paid Member Contribution (EPMC) no longer being in effect

Deferred Compensation

In line with the goal to bring consistency among the bargaining units, a deferred compensation contribution increase is recommended in addition to the current 2% for RFF covered employees with 5 or more years of continuous service as follows:

January 2017 - 1.0% for a total of 3%

Health and Welfare

In December 2017, all bargaining units will receive a \$25 per month increase in the City medical contribution, bringing the total contribution to \$1321 per month. In line with the goal of consistency among the bargaining units for medical benefits, this contract also provides a monthly increase in year two.

December 2017

\$25/month for a total of \$1321 per month

December 2018

\$26/month for a total of \$1347 per month

New Hires

Several changes are being proposed for employees hired after January 7, 2017. These changes are consistent with the cost controlling strategies negotiated with all other employee groups for new hires.

Lower Salary Schedule B

As mentioned earlier, a total compensation survey was performed for RFF covered employees. As a result, a new lower salary schedule is being proposed for those classifications that were identified to be above the labor market (see below). This new salary schedule will be implemented for all employees hired into the affected classifications after January 7, 2017.

Job Title	January 2017 (% reduction)
Firefighter – EMT I	11.602
Firefighter/Paramedic I/II	11.602
Fire Inspector I/II	11.602
Fire Engineer	11.602
Fire and Environmental Safety Inspector I/II	11.602
Captain	17.932
Fire Inspection Supervisor	17.932
Hazardous Materials Inspector	17.932

Increased Number of Steps in Salary Schedule B

Currently, employees under Schedule A are eligible for annual step increases of 5% of their salary based on merit. For the RFF unit, Schedule B is being proposed with an increased number of merit steps from the current 8 steps to 15 steps. The new merit steps of 2.5% will be effective January 7, 2017.

Service Term Bonus

All bargaining units currently have some sort of Service Term bonus provision. For employees hired after January 7, 2017, the bonus is being transitioned to a non-PERSable annual lump sum amount.

FISCAL IMPACT

The cost to the General Fund of the approved RFF MOU through the end of the current calendar year is \$489,806. This fiscal year 2017 increase will be funded by contingency funds. These amounts will be partially offset by savings or reductions in payroll costs stemming from future retirements and other components of the MOU.

	2017	2018	Ongoing
General Fund	\$489,806	\$478,434	\$501,864

As a result of the new salary schedule B the following job codes have been added:

Job Code	Title
B150	FIRE & ENVIRONMENTAL SAFETY INSPECTOR I
B151	FIRE & ENVIRONMENTAL SAFETY INSPECTOR II
B152	FIRE CAPTAIN
B153	FIRE ENGINEER
B154	FIRE INSPECTION SUPERVISOR
B155	FIRE INSPECTOR I
B156	FIRE INSPECTOR II
B157	FIREFIGHTER PARAMEDIC I
B158	FIREFIGHTER PARAMEDIC II
B159	FIREFIGHTER-EMT I
B160	HAZARDOUS MATERIALS INSPECTOR

ECONOMIC DEVELOPMENT / JOBS CREATED

No new jobs will be created by this action.

ENVIRONMENTAL REVIEW

Salary schedule and staffing changes are not considered a “project” as defined by the California Environmental Quality Act (CEQA) (CEQA Guidelines 15378). Consequently no CEQA action is required.

Respectfully Submitted,

Gayle Satchwell, Human Resources Director

Rob Jensen, City Manager

CHAPTER 2. COMPENSATION

A. Salaries

(1) Effective the first full pay period in January 2018, all employees assigned to the classifications listed in Appendix "A" shall receive a base salary increase of 2%.

(2) Employer Paid Member Contribution (EPMC) Exchange

Effective the first full pay period in January of 2017, all employees assigned to the classifications listed in Appendix "A" shall receive a 2% salary increase in exchange for classic safety employees in January 2018 no longer paying the 9% EPMC and instead paying nine (9%) of compensation earnable as the employee's portion of the contribution to CalPERS as set forth in Chapter 5, Article I (A)(1)(b).

B. Salaries – All Employees Hired On/After the first full pay period in January of 2017

Effective the first full pay period in January 2017 or upon approval of the City Council, whichever is latest, for any current benchmark classification and internally tied classification in the bargaining unit above the median in the labor market survey distributed at the October 25th bargaining session, shall be reduced as follows:

C. Annual Merit Step Increases

Effective the first full pay period in January 2017 or upon approval by the Council whichever is latest, the City will create a second salary schedule (B) which will apply to new hires for all listed classifications in the bargaining unit. The salary steps for the new salary schedule will be approximately 2.5% apart for each classification in the bargaining unit. For purposes of this provision, any employee who was initially hired before January 1, 2017 that had a break in City service and was rehired after January 1, 2017 will be deemed a newly hired employee under this provision.

All Employees Hired prior to January 1, 2017-Effective the first full pay period in January 2017, all employees hired before January 1, 2017 will remain on the current salary schedule (A) for all listed classifications in the bargaining unit. All such employees will continue on this salary schedule when promoted or transferred to other classifications within the bargaining unit.

E. City may reopen the economic terms and conditions of the MOU if any of the following occur:

1. General Fund revenue declines, or is projected to decline, by two percent (2%) or more in one year or one percent (1%) per year over two years. The contract can be reopened

- only after: a) closing out the previous fiscal year, b) receiving County property tax projections for the current fiscal year, and c) the Finance Department revising revenue projections for the current fiscal year based on a) and b).
 - 2. General Fund expenses increase by two percent (2%) or more, with no offsetting increase in revenue, based on an unfunded mandate of the State of California or an agency of the State.

- F. Any employee who is promoted to a position in a class with a higher salary range shall be placed in the step in the new higher range which is at least a ten percent (10%) increase over the employee's current salary step. In the event that the top step in the new range is less than ten percent (10%) the employee will then be assigned to the top step in the new salary range.

ARTICLE II. OVERTIME

- A. Overtime work may be required of any employee in order to meet special or unusual service needs that are beneficial to the City and community. Overtime is defined as the number of hours worked in excess, and as an extension, of the normal schedule of work hours as illustrated below:

<u>Employee Work Schedule</u>	<u>Overtime</u>
1. Eight hours per day, and forty hours per week (5/8 plan)	Over eight hours per day five days per week
2. Ten hours per day, four days per week (4/10 plan)	Over ten hours per day and forty hours/week
3. Twenty-four hours per shift (56 hour workweek)	Over twenty-four hours per shift. For shift extensions (see subsection E)
4. A flex-time schedule approved by the City manager in writing	Over the prescribed hours per day and forty hours/week

- B. Overtime in excess of eight (8) minutes or more shall be compensable and shall be rounded to the nearest fifteen (15) minutes.
- C. Overtime shall be compensable at the rate of one and one-half (1 ½) times the employee's base hourly rate except as noted in Subsection "E" of this section.
- D. Employees in the Fire Service who work a twenty-four (24) hour shift shall be compensated as follows for overtime worked:
- 1. Emergency Overtime. Emergency overtime shall be compensated at double the employee's normal hourly rate. "Emergency Overtime" is defined as those calls in which the employee is called back to work on their normal day off to fight a fire, assist in a hazardous spill, assist at a major accident scene, or any emergency classified as an "All-Call."
 - 2. Regular Overtime. Regular overtime shall be compensated at one and one-half (1 ½) the employee's normal hourly rate. "Regular Overtime" is defined to include all extra shift assignments, special assignments and other assignments not specifically mentioned in Subdivision 1 of this subsection. Emergency calls during an extra shift assignment shall be compensated at the regular overtime (one and one-half) rate.
 - 3. Shift Extension. If an employee is called to work early or is worked beyond the employee's normal work shift, compensation for overtime shall be calculated in accordance with Subsection "C" of this section.

4. Holidays, sick leave, compensatory time off, vacation leave and floating holidays are considered time worked for the purposes of computing overtime. Fair Labor Standards Act (FLSA) computations (for 24 day work cycle) will not include holiday, sick leave, compensatory time off (CTO), vacation and/or floating holidays as time worked.
5. Workers' Compensation leave, leave without pay requested by the employee, suspension or disciplinary action and a short week worked by a new employee shall not be considered as time worked for the purpose of computing overtime.
6. No employee may be required to work overtime during any scheduled work week in which that employee is on an unpaid status due to disciplinary action.

E. Compensatory Time. Compensatory Time shall be governed as follows:

Operations Staff

1. Subject to FLSA regulations, regular and probationary operations employees may, with the prior approval of their supervisor, accrue up to one hundred and forty-four (144) hours of compensatory time off in lieu of overtime pay. The accrual rate of compensatory time shall be at one and one-half ($1\frac{1}{2}$) times the hourly rate for each hour of compensatory time worked.
2. Once an employee has been credited with compensatory time, one (1) time per year the employee may request to receive a lump sum payment at one and one half ($1\frac{1}{2}$) the hourly rate for the hours accrued.
3. Compensatory time off hours which are not used by December 31 of each year will be cashed out.
4. The employee's immediate supervisor shall determine whether an employee shall accrue compensatory time or be paid overtime. However, the supervisor shall not deny the request for compensatory time for arbitrary or capricious reasons.

Prevention Staff

1. Regular and probationary prevention employees may, with the prior approval of their supervisor, accrue compensatory time off in lieu of overtime pay. The accrual rate of compensatory time shall be one and one half hour ($1\frac{1}{2}$) for each hour of compensatory time worked. Prevention staff are entitled to the annual lump sum cash out of a maximum of one hundred and forty-four (144) hours at straight time.
2. Upon separation the employee will be paid at the employee's current hourly rate or average of last three (3) years, whichever is higher, for the remaining compensatory balance.
3. Fire prevention employees may not exceed two hundred and forty (240) hours of CTO accumulation at any one time on the City's payroll system.
4. The employee's immediate supervisor shall determine whether an employee shall accrue compensatory time or be paid overtime. However, the supervisor shall not deny the request for compensatory time for arbitrary or capricious reasons.

F. Employees assigned to shift work in the Fire Department whose regular work schedule requires work on a holiday shall be compensated at their straight time hourly base rate of pay for performance of work on holidays.

- G. Employees who are entitled to take holidays off work as holidays occur, and who are required to work on a holiday when they would otherwise observe the holiday off, shall be compensated by either of the following methods, the choice of which shall be made by the employee's supervisor in advance of such work:
1. If an employee works the holiday and does not receive any other scheduled work day off in lieu of working the holiday, the employee shall be compensated at the rate of regular pay plus time and one-half the employee's base hourly rate (for the actual number of hours worked on the holiday).
 2. If an employee works the holiday and receives another scheduled work day off in lieu of working the holiday, the employee shall be compensated at the rate of time and one-half the employee's base hourly rate for the actual number of hours worked on the holiday. Under this option, the employee must be given another scheduled work day off within the period of five (5) working days before to five (5) working days after the worked holiday with corresponding notations upon appropriate payroll reports.

ARTICLE III. EMERGENCY WORK HOURS AND DUTY ASSIGNMENTS

(Refer to Section 3.12.040, Personnel Rules)

- A. Many classes of employment in City service are subject to routine or periodic emergency callback work as an inherent and integral part of their assigned job responsibilities in order to provide continuous public services deemed to be necessary and appropriate by the City manager. Classes and positions in City service subject to emergency work hours shall be designated by the City manager.
- B. Employees who occupy positions designated for emergency work hours, including callback, shall be required to keep the City apprised of a current telephone number where they can normally be reached during off-duty hours, and such employees shall be required to respond to such emergency work calls by the City within a reasonable amount of time, unless the employee is incapacitated or can give other just cause for not responding.
- Employees may receive callback pay if fifteen (15) minutes have passed after the employee has been officially released from duty; anything less than fifteen (15) minutes shall be considered as a continuation of the previous call.
- C. All permanent employees are entitled to a minimum call-back pay of two (2) hours at the appropriate overtime rate when said employee is required to return to work after leaving the worksite at the end of their scheduled work day or required to return to work on their scheduled day off. This provision does not apply when employees are required to work beyond their normal work day/shift without having been called to return to work.

ARTICLE IV. MEAL BREAK

The City agrees that any employee required to work at least two (2) hours beyond or prior to the employee's normal workshift shall be eligible for meals as provided below:

- A. Employees required to work between two (2) to four (4) extra hours shall be entitled to one (1) meal break.

ARTICLE V. WORKING OUT OF CLASS

The principle for paying employees for performing higher level job responsibilities due to operational necessity is based on such considerations as: the employee's ability and qualifications to perform at a higher level, whether the employee would be required to perform only routine or a significant range of the higher job responsibilities, and the length of time necessary for an employee to perform in a higher class.

The purpose of compensating employees for performing work in a higher class is to establish a system by which employees will continuously receive a pay rate comparable to those job factors that establish pay for each class of work in City service. Authorization for an assignment to work in a higher class requires approval by the employee's supervisor and the Duty Chief, except under emergency conditions.

The following conditions shall prevail as the definition and standards of compensation:

- A. In order to receive out of class pay, the employee must be formally assigned to the higher classification and such employee must be on a current promotional/eligibility list for the higher class with the following exceptions:
 - 1. When a person is not available on the appropriate promotional/eligibility list or if no list exists, the appointment is from employees who meet the minimum qualifications for the assignment and have passed a department qualifying process.
 - 2. To meet the requirements of an emergency condition that threatens life, property, or the general welfare of the City, the City Manager may authorize the employment of such persons that meet the minimum qualifications, as may be needed for the period of the emergency, without regard to examination or appointment regulations in this MOU or the Personnel Rules.
- B. Employees are required to work at least one (1) hour in the higher class to receive the higher class pay and then for the nearest one-half (1/2) hour thereafter.
- C. Employees assigned to work in a higher class shall be compensated for the actual number of hours worked in the higher class as follows:

Pursuant to Roseville Municipal Code Section 3.07.080, no employee shall be required to perform duties which are not closely related both in kind of work and in level of responsibility to duties formerly assigned to positions in the class, except on a short-term, temporary, or emergency basis. However, if a supervisor assigns an employee to work out-of-class the employee shall be

paid out of class pay equal to ten percent (10%) or top step of the higher class where there is not ten percent (10%) differential between the two classes.

Work periods in higher class assignments shall not apply toward seniority or time-in-class considerations for promotional or lay-off purposes as regards the higher class.

These contributions will be irrevocable and deducted from an employee's bi-weekly paycheck and will end upon retirement. In addition, no employee will be entitled to receive a refund of the monies for any reason and any employee who leaves City employment prior to being vested in the benefit will forfeit any contributions. The employee will be required to make up all mandatory contributions by a lump sum pre-tax deduction from his or her paycheck within sixty (60) days after the date the employee has sufficient funds to pay the required contributions through payroll, or, if this lump sum payment is not made during this time frame, the City will deduct double the normal deduction amount from each paycheck on a pre-tax basis until all missed contributions have been paid in full.

NOTICE OF TEMPORARY LAYOFF/FURLOUGH

The Human Resources Director shall provide written notice to each department classified employee affected by a temporary layoff (furlough) at least fifteen (15) calendar days prior to the effective date of the action. Notice shall be personally delivered to the employee, or sent by U.S. first class mail to the employee's last known address. The notice will state the duration of the temporary layoff. An employee may respond to the notice but shall not have a right to appeal such action.

BUMPING

Employees who are subject to a temporary layoff are not eligible to exercise bumping rights under this chapter.

ARTICLE XIX. EDUCATIONAL REIMBURSEMENT

Effective the first full pay period in January 2017, employees may be reimbursed for the tuition and fees connected with approved job related educational courses not to exceed \$500 per year for Firefighter/Paramedic I/II, \$400 per year for Fire Engineer and \$300 per year for Fire Captain. The cost of books is not covered in this Agreement. The employee will submit the request for reimbursement to the Training Battalion Chief, who will accept or reject the request. The request must be made before the class has been completed. The request will then be forwarded with the Fire Chief's recommendation to the Human Resources Department, who will make the final decision to accept or reject the request. No payment will be made until the final proof of a passing grade is submitted to the Human Resources Department. The City has established a \$6,000 educational reimbursement fund to be administered by the Human Resources Department. Once the fund balance is depleted, no further reimbursements will be approved.

The terms and conditions of this Memorandum of Understanding are executed this day of 5th of January 2017 by the Employer-Employee representatives whose signatures appear below on behalf of their respective organizations.
