Roseville Electric Building,
116 S. Grant Street, 1st Floor

roseville.ca.us

**The City of Roseville welcomes your participation.**

**Meeting Schedule:** Regular meetings of the City Council are held on the first and third Wednesday of each month at 6:00 p.m.

**Two Public Comment Periods for Non-Agenda Items:** A total of twenty-five (25) minutes is allotted for public comments. At the beginning and end of the meeting, each speaker has three (3) minutes to address the Mayor/Chair on issues that are not listed on the agenda and are within the City's jurisdiction. Please submit a yellow speaker card to the City Clerk before the item is heard if you wish to make a comment. You will still have an opportunity to comment if you haven't filled out a yellow speaker card.

**Brown Act:** The City Council cannot discuss or act on items not listed on the agenda. Public Comment on Agenda Items: Each speaker has five (5) minutes to address items that are listed on the agenda.

**Levine Act Provisions:** If you've made a campaign contribution totaling more than $500 ($250 prior to January 1, 2025) to City Council Members in the last twelve (12) months, you must disclose it before addressing an item on the agenda. Please visit Levine Act – City of Roseville for updated forms and information.

**Audio/Visual Presentations:** If making a presentation regarding an agenda item, audio/visual materials must be submitted to the City Clerk for consideration at least 72 hours in advance.

**Americans with Disabilities Act:** If special assistance is required to participate in a meeting, including the need of auxiliary aids or services, please notify the City Clerk at least 72 hours in advance of the meeting. City Clerk 311 Vernon Street cityclerkroseville@roseville.ca.us 916-774-5263 TDD: 916-774-5220

**Security Measures:** All meeting attendees must successfully pass through a security metal detector. Any person with a prohibited item will not be allowed entry. Prohibited items include but are not limited to firearms (even with valid CCW), knives, pepper spray/mace, explosives of any kind/any weapons and/or dangerous devices of any kind, illegal drugs, and alcohol.

**Viewing Options:** The City of Roseville provides three options for viewing meetings:

| In person | Online | On TV |
|---|---|---|
| | |  |
| Meetings take place at the Roseville Electric Building, First Floor 116 S. Grant Street | Watch meetings live on the City's YouTube channel or at **roseville.ca.us/watch**. Past meetings are also available on the City's YouTube channel. | Watch live on government access channel (Comcast 14). |

Krista Bernasconi, Mayor
Karen Alvord, Vice Mayor
Bruce Houdesheldt, Councilmember
Tracy Mendonsa, Councilmember
Pauline Roccucci, Councilmember
Dominick Casey, City Manager
Michelle Sheidenberger, City Attorney
Carmen Avalos, City Clerk

# AGENDA

City Council /Housing Authority Meeting
May 6, 2026
6:00 PM
Roseville Electric Building,
116 S. Grant Street, 1st Floor

**I. CALL TO ORDER**

**II. ROLL CALL**

**III. PLEDGE OF ALLEGIANCE**

**IV. MEETING PROCEDURES**

**V. PUBLIC COMMENTS**

This is the first opportunity to make a public comment on non-agenda items.

**VI. CONSENT CALENDAR**

**1. Environmental Utilities Backflow Prevention Inspection Program - Professional Services Agreements** (ENVIRONMENTAL UTILITIES DEPARTMENT - STRATEGIC AFFAIRS DIVISION )

Summary: Staff recommends approval of two individual professional services agreements with All Pro Backflow, Inc. and Lawson SSP Group, LLC in the amount of $500,000 each to provide backflow device inspection services for the Environmental Utilities Department. Funding is included in the Water Utility Division budget in the Water Operations Fund and the costs will be recovered through backflow inspection fees.

CONTACT: Matt Ocko 916-774-5738 mocko@roseville.ca.us

The City Council will consider the recommendation to:

a. Adopt Resolution No. 26-099 approving a professional services agreement, by and between the City of Roseville and All Pro Backflow, Inc., and authorizing the City Manager to execute it on behalf of the City of Roseville; and

b. Adopt Resolution No. 26-100 approving a professional services agreement, by and between

the City of Roseville and Lawson SSP Group, LLC, and authorizing the City Manager to execute it on behalf of the City of Roseville.

2. **Chemical Tank Replacements - Sole Source Purchase Order** (ENVIRONMENTAL UTILITIES DEPARTMENT - WASTEWATER)

Summary: Staff recommends approval of a sole source purchase order with Goble Sampson, for the purchase of two replacement chemical tanks used in the process of disinfecting water at the Barton Road Water Treatment Plant. The reason for the sole source is the high-density cross-linked polyethylene integrally molded flanged outlet tanks for chemical storage offer several unique benefits which are proprietary to Poly Processing's manufacturing capabilities. Goble Sampson is the manufacturer's representative for Poly Processing specifically in Northern California. The cost of this purchase is $123,348.54 with a ten percent contingency of $12,334.85, bringing the recommended contract authority to $135,683.39. This purchase will be funded from the Environmental Utilities Department's operations budget for the Water Treatment Plant in the Water Operations Fund.

CONTACT: Stephen Peterson 916-746-1996 speterson@roseville.ca.us

The City Council will consider the recommendation to:

a. Approve a sole source purchase order with Goble Sampson, for the purchase of two replacement chemical tanks used in the process of disinfecting water at the Barton Road Water Treatment Plant.

3. **Construction Management Services for Dry Creek Wastewater Treatment Plant Collections Building Expansion Project (RFP #08-173) – Professional Services Agreement** (ENVIRONMENTAL UTILITIES DEPARTMENT - TECHNICAL SERVICES)

Summary: Staff recommends approval of a professional services agreement for construction management services with Inferrera Construction Management Group, Inc. (Inferrera) in the amount of $552,730 for the Dry Creek Wastewater Treatment Plant Collections Building Expansion Project. This agreement will be paid from the project budget in the Wastewater Construction Fund.

CONTACT: Inderpreet Chaggar 916-774-5553 ikchaggar@roseville.ca.us

The City Council will consider the recommendation to:

a. Adopt Resolution No. 26-118 approving a professional services agreement, by and between the City of Roseville and Inferrera Construction Management Group, Inc., and authorizing the City Manager to execute it on behalf of the City of Roseville.

4. **Dry Creek Wastewater Treatment Plant Collections Building Expansion Project (RFP #08-167) – Design-Build Construction Agreement** (ENVIRONMENTAL UTILITIES DEPARTMENT - TECHNICAL SERVICES)

Summary: Staff recommends approval of a design-build agreement to D.G. Granade Inc. for the Dry Creek Wastewater Treatment Plant Collections Building Expansion Project in the amount of

$4,052,856, and authorization for the Environmental Utilities Director or his designee to approve and pay for contract change orders for the agreement that could increase the contract amount by no more than 10 percent ($405,286). This agreement will be paid from the Wastewater Collections Building Expansion Project in the Wastewater Construction Fund.

CONTACT: Inderpreet Chaggar 916-774-5553 ikchaggar@roseville.ca.us

The City Council will consider the recommendation to:

a. Approve Resolution No. 26-119 approving a design-build construction agreement, by and between the City of Roseville and D.G. Granade, Inc., and authorizing the City Manager to execute it on behalf of the City of Roseville.

**5. Electric Residential Customer Program – Amendment** (ELECTRIC DEPARTMENT - CUSTOMER & GOVERNMENT RELATIONS)

Summary: Staff recommends approval of an amendment to the professional services agreement with EnergyHub Incorporated, eliminating enrollment processing support language and reducing costs of $20,000 annually. The updated total cost of the five-year agreement is not to exceed $1,750,000, based on customer participation, and the City is currently in year two of the agreement. The cost for services in FY2026-27 is estimated at $275,000 and funding is included in the proposed FY2026-27 Electric Department budget in the Electric Fund. Future year funding will be included in the respective Electric Department budgets and is contingent on City Council approval.

CONTACT: Andrea Blomquist 916-774-5317 ablomquist@roseville.ca.us

The City Council will consider the recommendation to:

a. Adopt Resolution No. 26-121 approving a first amendment to the Statement of Work, by and between the City of Roseville and Energy Hub, Inc., and authorizing the City Manager to execute it on behalf of the City of Roseville.

**6. Metering Services for Energy Imbalance Market – Professional Services Agreement Amendment** (ELECTRIC DEPARTMENT - RESOURCE PLANNING & GENERATION)

Summary: Staff recommends approval of an amendment to the professional service agreement with Trimark Associates, Inc. for an additional one year for continued metering services for the Energy Imbalance Market. The cost of the one-year amendment is $69,835, bringing the total not-to-exceed amount of the agreement to $236,525. Funding is included in the Electric Department's FY2025-26 budget in the Electric Fund. Funding for future years will be contingent on approval of the respective year's budget.

CONTACT: Joe Pasco 916-746-1663 jpasco@roseville.ca.us

The City Council will consider the recommendation to:

a. Adopt Resolution No. 26-113 approving a first amendment to professional services

agreement, by and between the City of Roseville and Trimark Associates, Inc., and authorizing the City Manager to execute it on behalf of the City of Roseville.

7. **Downtown Library Vision Plan - Professional Design Services Agreement** (PARKS, RECREATION, AND LIBRARIES DEPARTMENT - PARK DEVELOPMENT)

   Summary: Staff recommends approval of a professional design services agreement with Group 4 Architecture Research + Planning, Inc. in the amount of $124,329 to provide architectural services to develop a Downtown Library Vision Plan. Funding is included in the Facilities Rehabilitation Fund approved in the FY2024-25 Capital Improvement Program budget and amended in FY2025-26.

   CONTACT: Tara Gee 916-774-5253 tgee@roseville.ca.us

   The City Council will consider the recommendation to:

   a. Adopt Resolution No. 26-103 approving a professional design services agreement, by and between the City of Roseville and Group 4 Architecture Research + Planning, Inc., and authorizing the City Manager to execute it on behalf of the City of Roseville.

8. **Maidu Park Outfield Renovation - Contract Purchase Agreement** (PARKS, RECREATION, AND LIBRARIES DEPARTMENT - PARK MAINTENANCE)

   Summary: Staff recommends approval of a contract purchase agreement with Zuckerman Heritage Inc. dba Delta Bluegrass Company, in the amount of $167,790 for the renovation of Maidu Ballfield #4 outfield turf. Funding will come from the Parks, Recreation & Libraries FY2025-26 operating budget in the General Fund.

   CONTACT: Brian Castelluccio 916-746-1755 bcastelluccio@roseville.ca.us

   The City Council will consider the recommendation to:

   a. Adopt Resolution No. 26-109 approving a contract purchase agreement, by and between the City of Roseville and Zuckerman Heritage Inc. dba Delta Bluegrass Company, and authorizing the City Manager to execute it on behalf of the City of Roseville.

9. **Woodbridge Pickleball and Tennis Court Renovation Project - Award of Contract** (PARKS, RECREATION, AND LIBRARIES DEPARTMENT - PARK DEVELOPMENT)

   Summary: Staff recommends approval of an agreement with Saenz Landscape Construction Company in the amount of $286,615 for renovation of the tennis courts at Woodbridge Park, and requests that Council authorize staff to approve change orders in an amount not-to-exceed 10% of the contract amount. Funding is approved in the FY2024-25 Parks Recreation & Library Capital Projects Fund.

   CONTACT: Josh Cervantes 916-746-1233 jrcervantes@roseville.ca.us

   The City Council will consider the recommendation to:

a. Adopt Resolution No. 26-110 approving an agreement, by and between the City of Roseville and Saenz Landscape Construction Company, and authorizing the City Manager to execute it on behalf of the City of Roseville.

**10. JM-51 Park Project - Award of Contract and Budget Adjustment** (PARKS, RECREATION, AND LIBRARIES DEPARTMENT - PARK DEVELOPMENT)

Summary: Staff recommends approval of an agreement with Brightview Landscape Development, Inc. in the amount of $1,060,700 for the JM-51 Park Project and a budget adjustment in the amount of $278,373 to increase the budget for the JM-51 Park Project. Funding will be reallocated from savings on the Weber Park Renovation Project and the KT-52 School Park Project, as costs for those projects were lower than anticipated. Funding for construction of this park was included in the FY2025-26 capital improvement project (CIP) budget in the Neighborhood Park - Sierra Vista Fund.

CONTACT: Joel De Jong 916-774-5924 jdejong@roseville.ca.us

The City Council will consider the recommendation to:

a. Adopt Resolution No. 26-111 approving an agreement for the JM-51 Park Project, by and between the City of Roseville and Brightview Landscape Development, Inc., and authorizing the City Manager to execute it on behalf of the City of Roseville; and

b. Adopt Ordinance No. 7066 authorizing certain amendments to the fiscal year 2025-26 budget and declaring this ordinance to be immediately effective as an appropriation measure.

**11. JM-52 Park - Award of Contract and Budget Adjustment** (PARKS, RECREATION, AND LIBRARIES DEPARTMENT - PARK DEVELOPMENT)

Summary: Staff recommends approval of an agreement with PBM Landscape Construction, Inc., in the amount of $741,147 for the JM-52 Neighborhood Park Project. Staff also recommends approval of a budget adjustment in the amount of $264,262 to increase the budget for the JM-52 Neighborhood Park Project. Funding will be reallocated from savings on the Weber Park Renovation Project as costs for that project were lower than anticipated. Funding for construction of this park was included in the FY2025-26 capital improvement project budget in the Neighborhood Park - Sierra Vista Fund.

CONTACT: Josh Cervantes 916-746-1233 jrcervantes@roseville.ca.us

The City Council will consider the recommendation to:

a. Adopt Resolution No. 26-112 approving an agreement for the JM-52 Park Project, by and between the City of Roseville and PBM Construction, Inc., and authorizing the City Manager to execute it on behalf of the City of Roseville; and

b. Adopt Ordinance No. 7067 authorizing certain amendments to the fiscal year 2025-26 budget and declaring this ordinance to be immediately effective as an appropriation measure.

**12. Second Reading - Roseville Municipal Code Amendments - Purchasing System** (FINANCE DEPARTMENT)

Summary: Staff recommends approval of an ordinance for second reading amending Sections 4.12.090, 4.12.095, 4.12.105, and 4.12.110 of Title 4 of the Roseville Municipal Code related to purchasing procedures, cooperative purchasing, and the disposition of real property. The proposed updates are administrative in nature and make minor modifications to align the Municipal Code with City Charter publication requirements, ensure consistency with the Surplus Land Act, clarify that cooperative purchasing agreements may be used for terms of up to five years (including amendments), and provide additional examples of available cooperative purchasing agreements.

CONTACT: Shannon Wiest 916-746-1112 swiest@roseville.ca.us

The City Council will consider the recommendation to:

a. Adopt Ordinance No. 7068 amending sections 4.12.090, 4.12.095, 4.12.105 and 4.12.110 of Chapter 4.12 of Title 4 of the Roseville Municipal Code regarding purchasing system.

**13. Compressed Natural Gas Fleet Repair Bay (RFQ 10-3432) – Contract Purchase Agreement & Budget Adjustment** (FINANCE DEPARTMENT - PURCHASING)

Summary: Staff recommends approval of a contract purchase agreement with TriVel Construction Inc. as the lowest responsive and responsible bidder for Request for Quotations No. 10-3432 Compressed Natural Gas Fleet Repair Bay. The cost of the Agreement is $276,192. Additionally, adopt a resolution authorizing the City Manager to sign the contract purchase agreement and authorizing the Public Works Director or designee to approve change order requests for this project up to 10% ($27,619) as a construction contingency, for a grand total of $303,811. Staff also recommends approval of a budget adjustment of $230,000 in the Fleet Services Fund and Waste Services Rehabilitation Fund to fully fund the project. This adjustment will increase the total project budget to $480,000. Funding for the project will come from the Waste Services Rehabilitation Fund and the Fleet Services Fund, and this action has no direct impact on the General Fund.

CONTACT: Tiffany Valdez 916-746-1109 tvaldez@roseville.ca.us

The City Council will consider the recommendation to:

a. Adopt Resolution No. 26-146 approving a contract purchase agreement, by and between the City of Roseville and Trivel Construction Inc., and authorizing the City Manager to execute it on behalf of the City of Roseville; and

b. Adopt Ordinance No. 7069 authorizing certain amendments to the fiscal year 2025-26 budget and declaring this ordinance to be immediately effective as an appropriation measure.

**14. Fire Department Incident Reporting, Electronic Record and Patient Care Management System - Contract Purchase Agreement Amendment** (FIRE DEPARTMENT)

Summary: Staff recommends approval of an amendment to extend for one year the existing contract purchase agreement with ImageTrend, LLC for the fire department incident reporting, electronic record and patient care management system. The current system is compliant with the National Emergency Response Information System and the National Fire Incident Reporting System, and can integrate with over 50 computer-aided dispatch system vendors, including the one currently used by the City. The total estimated cost of the amended agreement is $221,226.85, with an estimated cost of $97,943.85 for the period of January 15, 2026, to January 14, 2027.

CONTACT: Jamie Pepin 916-774-5400 jpepin@roseville.ca.us

The City Council will consider the recommendation to:

a. Adopt Resolution No. 26-108 approving amendment #1 to contract purchase agreement, by and between the City of Roseville and ImageTrend, LLC, and authorizing the City Manager to execute it on behalf of the City of Roseville.

**15. Personal Protective Equipment - Purchase Order** (FIRE DEPARTMENT)

Summary: Staff recommends approval of a purchase order with AllStar Fire Equipment Co., a Lion Corporation authorized reseller, for the purchase of personal protective equipment based upon the Master Price Agreement for the remainder of the initial term of four years with an optional one-year renewal term as a qualified government member of National Purchasing Partners. The total estimated cost is $800,000 for the remainder of the 48-month term of the contract, from February 26, 2026 to February 25, 2030 and $200,000 for the extension year from February 26, 2030 to February 25, 2031. The current year's funding is included in the Fire Department's FY2025-26 General Fund budget and will be recommended for approval in future year budgets.

CONTACT: Jamie Pepin 916-774-5400 jpepin@roseville.ca.us

The City Council will consider the recommendation to:

a. Adopt Resolution No. 26-102 approving a purchase order for personal protective equipment.

**16. Advanced Life Support and Basic Life Support Medical Supplies - Purchase Order** (FIRE DEPARTMENT)

Summary: Staff recommends approval of a purchase order with Life Assist, Incorporated for advanced life support (ALS) and basic life support medical equipment and supplies, as well as ALS drugs based upon the Master Price Agreement for the remainder of the initial term of four years with an optional one-year renewal term as a qualified government member of National Purchasing Partners. The total estimated cost is $537,500 for the remainder of the 48-month term of the contract, from November 18, 2025, to November 17, 2029, and $150,000 for the extension year from November 18, 2029, to November 17, 2030. The current year's funding is included in the Fire Department's FY2025-26 General Fund budget and will be recommended for approval in future year budgets.

CONTACT: Matthew Lauchner 916-774-5807 mlauchner@roseville.ca.us

The City Council will consider the recommendation to:

a. Adopt Resolution No. 26-101 approving a purchase order for advanced and basic life support medical supplies and medications.

**17. On-Call Geographic Information System Services – Professional Services Agreement** (DEVELOPMENT SERVICES DEPARTMENT - BUSINESS SERVICES DIVISION)

Summary: Staff recommends approval of a professional services agreement with Geographic Technologies Group, Inc., for on-call geographic information system (GIS) services with a not-to-exceed amount of $175,000 for the first term and $150,000 annually for future optional renewals. The funding source is the Development Services Department's Technology Replacement Fund, funded by development through permit fees for development-driven technology improvements. Funding for FY2025-26 is included in the Department's budget. Staff also recommends authorization for the City Manager to execute future amendments to extend the agreement for up to four (4) additional one-year renewal terms on behalf of the City.

CONTACT: Chris Fanucchi 916-746-1353 CFanucchi@roseville.ca.us

The City Council will consider the recommendation to:

a. Adopt Resolution No. 26-104 approving an on-call professional services agreement, by and between the City of Roseville and Geographic Technologies Group, Inc., and authorizing the City Manager to execute it on behalf of the City of Roseville.

**18. Baseline Marketplace Upland Drive Segment 5 - Notice of Completion** (DEVELOPMENT SERVICES DEPARTMENT - ENGINEERING DIVISION)

Summary: Staff recommends approval of the Notice of Completion for the Baseline Marketplace Upland Drive Segment 5 as complete. The Engineering Division has made final inspection of the project and has found the roadway infrastructure work complete in accordance with the improvement plans and City specifications. This action has no impact to the City's General Fund. Construction costs were paid by the developer.

CONTACT: Andrew Druck 916-774-5577 adruck@roseville.ca.us

The City Council will consider the recommendation to:

a. Adopt Resolution No. 26-105 accepting the public work known as Baseline Marketplace Upland Drive Segment 5 project, approving the "Notice of Completion", and authorizing and directing the City Engineer to execute said notice on behalf of the City of Roseville, therefore, and accepting a portion of the dedications offered on the recorded map of the subdivision.

**19. Baseline Marketplace San Fernando Drive - Notice of Completion** (DEVELOPMENT SERVICES DEPARTMENT - ENGINEERING DIVISION)

Summary: Staff recommends approval of the Notice of Completion for the Baseline Marketplace San Fernando Drive as complete. The Engineering Division has made final inspection of the project and has found the roadway infrastructure work complete in accordance with the improvement plans and City specifications. This action has no impact to the City's General Fund. Construction costs were paid by the developer.

CONTACT: Andrew Druck 916-774-5577 adruck@roseville.ca.us

The City Council will consider the recommendation to:

a. Adopt Resolution No. 26-114 accepting the public work known as Baseline Marketplace San Fernando Drive project, approving the "Notice of Completion", and authorizing and directing the City Engineer to execute said notice on behalf of the City of Roseville, therefore, and accepting a portion of the dedications offered on the recorded map of the subdivision.

**20. Baseline Marketplace Pavilion Drive - Notice of Completion** (DEVELOPMENT SERVICES DEPARTMENT - ENGINEERING DIVISION)

Summary: Staff recommends approval of the Notice of Completion for the Baseline Marketplace Pavilion Drive as complete. The Engineering Division has made final inspection of the project and has found the roadway infrastructure work complete in accordance with the improvement plans and City specifications. This action has no impact to the City's General Fund. Construction costs were paid by the developer.

CONTACT: Andrew Druck 916-774-5577 adruck@roseville.ca.us

The City Council will consider the recommendation to:

a. Adopt Resolution No. 26-106 accepting the public work known as Baseline Marketplace Pavilion Drive project, approving the "Notice of Completion", and authorizing and directing the City Engineer to execute said notice on behalf of the City of Roseville, therefore, and accepting a portion of the dedications offered on the recorded map of the subdivision.

**21. Roseville Housing Authority — Administrative Plan Amendments** (ECONOMIC DEVELOPMENT DEPARTMENT - HOUSING)

Summary: Staff recommends approval of the amended Roseville Housing Authority Administrative Plan that incorporates discretionary policy changes, supports cost-saving measures and ensures continued compliance with U.S. Department of Housing and Urban Development regulations. The Administrative Plan has no impact on the City's General Fund.

CONTACT: Suzi Cook-Turner 916-774-5414 smcook-turner@roseville.ca.us

The City Council will consider the recommendation to:

a. Adopt Resolution No. 26-4 approving the updated Roseville Housing Authority Administrative Plan.

**22. Cybersecurity Pentesting Services (RFP 12-038) – Contract Purchase Agreement** (INFORMATION TECHNOLOGY DEPARTMENT - INFRASTRUCTURE SOLUTIONS)

Summary: Staff recommends approval of a contract purchase agreement with BreakPoint Labs, LLC with an estimated annual cost not to exceed $282,600 per year for Cybersecurity Pentesting Services, with an additional 10% contingency per year to accommodate minor adjustments to the scope of services. The agreement covers a three-year term with one optional renewal year. Funding for the first year is included in the Information Technology and Environmental Utilities FY2025-26 operations fund budgets.

CONTACT: Cesar Gamez 916-774-5408 pcgamez@roseville.ca.us

The City Council will consider the recommendation to:

a. Adopt Resolution No. 26-120 approving a contract purchase agreement, by and between the City of Roseville and Breakpoint Labs, LLC, and authorizing the City Manager to execute it on behalf of the City of Roseville.

**23. Low Carbon Transportation Operations Program Allocation – Grant Funding** (PUBLIC WORKS DEPARTMENT - TRANSPORTATION)

Summary: Staff requests that the City Council authorize the City Manager, the Public Works Director, and the Alternative Transportation Manager to apply for and to execute the related forms and agreements necessary to receive FY2025-26 Low Carbon Transit Operations Program (LCTOP) grant funds from the State of California Department of Transportation.

CONTACT: Ed Scofield 916-774-5449 ecscofield@roseville.ca.us

The City Council will consider the recommendation to:

a. Adopt Resolution No. 26-116 authorizing City Manager or his designee to submit Low Carbon Transit Operations Program grant applications and to execute the related grant applications, forms and agreements.

**24. Fiddyment Road Arterial Resurfacing Project - Grant Authorization** (PUBLIC WORKS DEPARTMENT - ENGINEERING - CITY PROJECTS)

Summary: Staff recommends that the City Council adopt a resolution authorizing the City Manager, or his designee, to submit a System Preservation grant application for the Sacramento Area Council of Governments 2026 Federal Funding Program and to execute all grant documents and timely project delivery requirements. The Fiddyment Rd Arterial Resurfacing Project will apply a microsurfacing preventative maintenance resurface treatment on Fiddyment Road from Baseline Road to Blue Oaks Boulevard. The project is estimated to cost $5.5 million and, if successful, will be funded by $3 million from the Surface Transportation Block Grant Program System Preservation grant, and local funds including potentially the General Fund.

CONTACT: Joseph Arino 916-774-5460 jarino@roseville.ca.us

The City Council will consider the recommendation to:

a. Adopt Resolution No. 26-147 authorizing applications for grant funding from the Sacramento Area Council of Governments (SACOG) 2026 Federal Funding Programs; authorizing the City Manager or designee to submit the City of Roseville SACOG 2026 Federal Funding Program application priorities; and authorizing the City Manager or designee to execute all grant documents and timely project delivery requirements.

**25. Proclamation - Public Service Recognition Week**

Summary: Proclaim May 3-9, 2026**,** as Public Service Recognition Week and encourage all citizens to recognize the accomplishments and contributions of government employees at all levels.

CONTACT: Arleta Wagenhals 916-774-5200 amswagenhals@roseville.ca.us

**26. Proclamation - Professional Municipal Clerks Week**

Summary: Proclaim the week of May 3-9, 2026, as Professional Municipal Clerks Week, and further extend appreciation to our Professional Municipal City Clerk's Department, and to all Professional Municipal Clerks for the vital services they perform and their exemplary dedication to the communities they represent.

CONTACT: Arleta Wagenhals 916-774-5200 amswagenhals@roseville.ca.us

**27. Proclamation - National Small Business Month**

Summary: Proclaim May 2026 as National Small Business Month and encourage support of this national effort so America’s small businesses can do what they do best – grow their businesses, create jobs, and ensure that our communities remain as vibrant tomorrow as they are today.

CONTACT: Arleta Wagenhals 916-774-5200 amswagenhals@roseville.ca.us

**28. Resolution - Troy Bergstrom**

Summary: Commend Troy Bergstrom, who is retiring from the Roseville Police Department, for his 26 years of outstanding leadership, unwavering dedication, and extraordinary contributions to public safety and the Roseville community. We express sincere gratitude for his 31 years of distinguished service and extend best wishes to Chief Bergstrom and his family for a well-earned and fulfilling retirement.

CONTACT: Arleta Wagenhals 916-774-5200 amswagenhals@roseville.ca.us

**29. Resolution - Heather Blanco**

Summary: Commend Heather Blanco, who is retiring from the City Managers Office, for her 20 years of outstanding service, dedication and contributions to the community. We extend sincere appreciation and best wishes to Heather for a fulfilling and well-deserved retirement, with gratitude for the lasting impact she has made on the organization and the many lives she has touched.

CONTACT: Arleta Wagenhals 916-774-5200 amswagenhals@roseville.ca.us

**30. Resolution - Julie Manfredi**

Summary: Commend Julie Manfredi, who is retiring from the Electric Department, for 19 years of outstanding service and dedication to the City of Roseville and extend wishes for a long, healthy, and enjoyable retirement.

CONTACT: Arleta Wagenhals 916-774-5200 amswagenhals@roseville.ca.us

**31. Minutes of Prior Meetings** (CITY CLERK DEPARTMENT)

Summary: Staff recommends approval of the minutes of the April 15, 2026, City Council Closed Session Meeting and April 15, 2026 City Council / Natural Gas Financing Authority Meeting.

CONTACT: Christine Mesaros 916-774-5287 crmesaros@roseville.ca.us

The City Council will consider the recommendation to:

a. Approve minutes of the April 15, 2026, City Council Closed Session Meeting and April 15, 2026 City Council / Natural Gas Financing Authority Meeting.

**END OF CONSENT CALENDAR**

## VII. PRESENTATIONS/REPORTS

**32. Council Discretionary Funds - Sober Grad Night** (CITY MANAGER DEPARTMENT - ASSISTANT CITY MANAGER)

Summary: Staff recommends City Council consider a sponsorship to four local high schools in the form of a discretionary fund donation for the Safe and Sober Grad Night events for this year's graduating seniors. The City Council has funded prior years' requests for Safe and Sober Grad Night activities at $500 per school. The balance remaining in the Council Discretionary Funds for FY2025-26 is $6,821. City Council received the following requests for discretionary funding and can at this time discuss and consider each request for approval by motion.

- Roseville High School
- Woodcreek High School
- Oakmont High School
- West Park High School

CONTACT: Heather Blanco 916-746-1171 hblanco@roseville.ca.us

The City Council will consider the recommendation to:

a. Approve Council Discretionary Fund for the Safe and Sober Grad Night events for Roseville, Woodcreek, Oakmont and West Park High Schools in the amount of $500 each.

**33. Roseville Electric - FY2026-27 Proposed Budget Update** (FINANCE DEPARTMENT)

Summary: Staff recommends that the City Council receive an update on the proposed FY2026-27 budget from Roseville Electric.

CONTACT: Joanna Cucchi 916-746-1609 jcucchi@roseville.ca.us

The City Council will consider the recommendation to:

a. This is an informational item and requires no City Council action.

**34. Environmental Utilities Department - FY2026-27 Proposed Budget Update** (FINANCE DEPARTMENT)

Summary: Staff recommends that the City Council receive an update on the proposed FY2026-27 budget for the Environmental Utilities Department.

CONTACT: Brian Craighead 916-774-5783 bcraighead@roseville.ca.us

The City Council will consider the recommendation to:

a. This is an informational item and requires no City Council action.

**35. Capital Improvement Program Proposed Budget Preview for Fiscal Year 2026-27** (PUBLIC WORKS DEPARTMENT - ADMINISTRATION DIVISION )

Summary: Staff will give a presentation on the Capital Improvement Program proposed budget preview for Fiscal Year 2026-27.

CONTACT: Lainie Anderson 916-774-5440 landerson@roseville.ca.us

The City Council will consider the recommendation to:

a. This is an informational item and requires no City Council action.

**36. 2026/2027 Landscaping and Lighting Districts Assessments - Initiate Proceedings, Intent to Levy, Approval of Engineer's Reports** (FINANCE DEPARTMENT)

Summary: Staff recommends approval of the engineer's annual levy reports for Fiscal Year 2026/2027 and ordering the levy and collection of assessments within the described Landscaping and Lighting Districts (individually "LLD" and collectively "LLDs"). The City currently has eight active LLDs. These districts were formed within the City to levy and collect assessments for maintenance of public improvements pursuant to the Landscaping and Lighting Act of 1972, Part 2 of Division 15 of the California Streets and Highways Code (Sections 22500, et seq.) and Article XIII D of the California Constitution. The districts are levied annually to fund landscape services in each LLD. There is no impact to the General Fund.

CONTACT: Jeannine Thrash 916-774-5473 jthrash@roseville.ca.us

The City Council will consider the recommendation to:

a. Adopt Resolution No. 26-122 initiating proceedings for the annual levy of assessments for the

Historic District Landscaping and Lighting District, for fiscal year 2026/2027, pursuant to the provisions of Part 2 of Division 15 of the California Streets and Highways Code; and

b. Adopt Resolution No. 26-123 declaring its intention to levy annual assessments for the Historic District Landscaping and Lighting District, fiscal year 2026/2027; and

c. Adopt Resolution No. 26-124 for preliminary approval of the Engineer's Annual Levy Report for the Historic District Landscaping and Lighting District, fiscal year 2026/2027; and

d. Adopt Resolution No. 26-125 initiating proceedings for the annual levy of assessments for the Infill Area Landscaping and Lighting District, for fiscal year 2026/2027, pursuant to the provisions of Part 2 of Division 15 of the California Streets and Highways Code; and

e. Adopt Resolution No. 26-126 declaring its intention to levy annual assessments for the Infill Area Landscaping and Lighting District, fiscal year 2026/2027; and

f. Adopt Resolution No. 26-127 for preliminary approval of the engineer's annual levy report for the infill area landscaping and lighting district, fiscal year 2026/2027; and

g. Adopt Resolution No. 26-128 initiating proceedings for the levy of assessments for the Johnson Ranch Landscaping and Lighting District, fiscal year 2026/2027, pursuant to the provisions of Part 2 of Division 15 of the California Streets and Highways Code; and

h. Adopt Resolution No. 26-129 declaring its intention to levy annual assessments for the Johnson Ranch Landscaping and Lighting District, fiscal year 2026/2027; and

i. Adopt Resolution No. 26-130 for preliminary approval of the engineer's annual levy report for the Johnson Ranch Landscaping and Lighting District, fiscal year 2026/2027; and

j. Adopt Resolution No. 26-131 initiating proceedings for the levy of assessments for the North Central Roseville Specific Plan Landscaping and Lighting District, fiscal year 2026/2027, pursuant to the provisions of Part 2 of Division 15 of the California Streets and Highways Code; and

k. Adopt Resolution No. 26-132 declaring its intention to levy annual assessments for the North Central Roseville Specific Plan Landscaping and Lighting District, fiscal year 2026/2027; and

l. Adopt Resolution No. 26-133 for preliminary approval of the engineer's annual levy report for the North Central Roseville Specific Plan Landscaping and Lighting District, fiscal year 2026/2027; and

m. Adopt Resolution No. 26-134 initiating proceedings for the annual levy of assessments for the Northwest Roseville Specific Plan Landscaping and Lighting District, fiscal year 2026/2027, pursuant to the provisions of Part 2 of Division 15 of the California Streets and Highways Code; and

n. Adopt Resolution No. 26-135 declaring its intention to levy annual assessments for the Northwest Roseville Specific Plan Landscaping and Lighting District, fiscal year 2026/2027; and

o. Adopt Resolution No. 26-136 for preliminary approval of the engineer's levy report for the Northwest Roseville Specific Plan Landscaping and Lighting District, fiscal year 2026/2027; and

p. Adopt Resolution No. 26-137 initiating proceedings for the annual levy of assessments for the Olympus Pointe Landscaping and Lighting District, fiscal year 2026/2027, pursuant to the provisions of Part 2 of Division 15 of the California Streets and Highways Code; and

q. Adopt Resolution No. 26-138 declaring its intention to levy annual assessments for the Olympus Pointe Landscaping and Lighting District, fiscal year 2026/2027; and

r. Adopt Resolution No. 26-139 for preliminary approval of the engineer's annual levy report for the Olympus Pointe Landscaping and Lighting District, fiscal year 2026/2027; and

s. Adopt Resolution No. 26-140 initiating proceedings for the annual levy of assessments for the Riverside Avenue Landscaping and Lighting District, for fiscal year 2026/2027, pursuant to the provisions of Part 2 of Division 15 of the California Streets and Highways Code; and

t. Adopt Resolution No. 26-141 declaring its intention to levy annual assessments for the Riverside Avenue Landscaping and Lighting District, fiscal year 2026/2027; and

u. Adopt Resolution No. 26-142 for preliminary approval of the engineer's annual levy report for the Riverside Avenue Landscaping and Lighting District, fiscal year 2026/2027; and

v. Adopt Resolution No. 26-143 initiating proceedings for the annual levy of assessments for the Vernon Street Landscaping and Lighting District, for fiscal year 2026/2027, pursuant to the provisions of Part 2 of Division 15 of the California Streets and Highways Code; and

w. Adopt Resolution No. 26-144 declaring its intention to levy annual assessments for the Vernon Street Landscaping and Lighting District, fiscal year 2026/2027; and

x. Adopt Resolution No. 26-145 for preliminary approval of the engineer's annual levy report for the Vernon Street Landscaping and Lighting District, fiscal year 2026/2027.

**VIII. PUBLIC HEARINGS**

**NOTICE TO THE PUBLIC: Public Hearing Process**

City Council, when considering the matter, will take the following actions:

1. Open the Public Hearing
2. Presentation by staff
3. Presentation by applicant or appellant
4. Accept public testimony
5. Appellant or applicant rebuttal period

6. Close the Public Hearing
7. City Council comments and questions
8. City Council action

Any challenges in court about public hearing matters noticed on this agenda may be limited to only those issues, that were raised orally at the public hearing or in written form received by the City on or before the hearing.
Public Hearings listed for continuance will be continued and posting of this agenda will serve as notice of continuation.

**37. Roseville Municipal Code Amendment - Accessory Dwelling Units** (DEVELOPMENT SERVICES - PLANNING)

Summary: Staff recommends amendment to Roseville Municipal Code Chapter 19.60 (Accessory Dwelling Unit Ordinance) and amendment to Roseville Municipal Code Section 19.10.030 to update and reorganize the City's Accessory Dwelling Unit (ADU) Ordinance. Key changes include updating multiple sections to reflect legislation passed in 2025, including changing square footage limitations to be based on square footage of livable space, adding a definition for livable space, revising the number of ADUs permitted to reflect that any combination of permitted units is allowed, revising the Residential Zone General Development standards table of Roseville Municipal Code Section 19.10.030 to refer to Chapter 19.60 instead of stating the number of ADUs permitted, and limiting the owner occupancy requirement for a Junior ADU to cases where sanitation facilities (bathrooms) are shared. Additional changes include removal of the Administrative Permit process which currently allows deviation from standards for ADUs, adding references to the definition of "kitchens" found in Roseville Municipal Code Chapter 19.95, a new definition for "separate entrance" and "separate exterior entrance," and other changes to improve readability and clarity.

CONTACT: Lauren Hocker 916-774-5272 lhocker@roseville.ca.us

The City Council will consider the recommendation to:

a. Adopt the two (2) findings of fact and introduce for first reading an ordinance amending section 19.10.030 of Chapter 19.10 of Title 19 of the Roseville Municipal Code regarding Residential Zone General Development Standards and amending Chapter 19.60 of Title 19 of the Roseville Municipal Code regarding Accessory Dwelling Units.

**38. General Vacation – Portion of Campo Street Right of Way** (DEVELOPMENT SERVICES - PLANNING)

Summary: Staff recommends consideration of the addendum to the Roseville High School Improvement Project Mitigated Negative Declaration, make a finding that the project is consistent with the General Plan, and adopt a resolution to abandon a portion of the Campo Street right of way in the City of Roseville. The proposed project includes a General Vacation to abandon a 23,272 square-foot (.53 acres) portion of the Campo Street right of way. The abandonment is part of the Roseville High School Improvement Project to update and construct

a range of facilities. The project includes upgrades to a portion of the Campo Street right of way, including pavement texture and color connection.

CONTACT: Sean Morales 916-774-5282 smorales@roseville.ca.us

The City Council will consider the recommendation to:

a. Adopt Resolution No. 26-115 ordering general vacation of right of way and all other interests therein, if any—except for the reserved and exempted public utility and emergency vehicle access easements—in a portion of the Campo Street right of way, west of 1 Tiger Way; authorizing the City Manager to execute a Quitclaim Deed and any other documents required to effectuate the transfer of the abandoned right of way to the adjoining school district site; finding this general vacation to be in the City's best interest and consistent with the City's General Plan.

**39. Community Development Block Grant – 2026 Annual Action Plan** (ECONOMIC DEVELOPMENT DEPARTMENT - HOUSING)

Summary: Staff recommends approval of the City's 2026 Annual Action Plan for the federal Community Development Block Grant Program and authorization for the City Manager to execute necessary documents and certifications on behalf of the City. This item does not result in any impact to the City's General Fund.

CONTACT: Danielle OConnell 916-774-5277 doconnell@roseville.ca.us

The City Council will consider the recommendation to:

a. Adopt Resolution No. 26-117 approving the 2026 Annual Action Plan and authorizing the City Manager to execute necessary documents and certifications on behalf of the City of Roseville.

|---|---|
| **Title:** | Environmental Utilities Backflow Prevention Inspection Program - Professional Services Agreements |
| **Contact:** | Matt Ocko 916-774-5738 mocko@roseville.ca.us |

## SUMMARY

Staff recommends approval of two individual professional services agreements with All Pro Backflow, Inc. and Lawson SSP Group, LLC in the amount of $500,000 each to provide backflow device inspection services for the Environmental Utilities Department. Funding is included in the Water Utility Division budget in the Water Operations Fund and the costs will be recovered through backflow inspection fees.

## RECOMMENDATION

Staff recommends that the City Council adopt two resolutions to approve Professional Services Agreements with All Pro Backflow, Inc. and Lawson SSP Group, LLC for Backflow Prevention Inspection Program services, and authorize the City Manager to execute them on behalf of the City of Roseville. Staff additionally requests authority for the City Manager or his designee to execute four (4) additional one (1) year renewals without further City Council approval, provided that the applicable budget is approved by the City Council, or until staff determines that continuing with the consultants is not in the best interest of the City.

## BACKGROUND

The City has over 56,000 water service connections, of which over 5,200 are protected by testable backflow prevention assemblies (BPAs). The City's Water utility, a division of the Environmental Utilities Department, manages the City's water system, including implementation and enforcement of cross-connection control and backflow prevention activities.

In 2024, the State Water Resources Control Board updated its guidance for backflow prevention and cross-connection control in a new regulatory Cross-Connection Control Policy Handbook. To ensure compliance with these regulations, the City is restructuring operations to enable staff to focus on conducting cross-connection hazard assessments and other backflow prevention activities. The restructuring includes outsourcing inspections of non-City-owned backflow prevention assemblies. Of the City's 5,200 BPAs, 700 are City-owned. The City will continue to test City-owned assemblies and is seeking vendor inspection services for the remaining 4,500 BPAs to comply with State Water Resource Control Board regulations.

Contractors will be provided a schedule of inspections, allocated monthly, to be conducted over a 10-month period from January through October of each year. Contractors will be required to submit inspection reports to the City's asset management system through an online portal.

## FISCAL IMPACT

There is no direct fiscal impact due to the cost recovery of backflow inspection fees. Funding is included in

the Water Utility Division budget in the Water Operations Fund.

ENVIRONMENTAL REVIEW

The California Environmental Quality Act (CEQA) does not apply to activities that will not result in a direct or reasonably foreseeable indirect physical change in the environment or is otherwise not considered a project as defined by CEQA Statute §21065 and CEQA State Guidelines §15060(c)(3) and §15378.

The Environmental Utilities Backflow Prevention Inspection Program meets the above criteria and is not subject to CEQA. No additional environmental review is required.

CITY COUNCIL STRATEGIC PLAN/OVERARCHING GOALS

1. Ensure a safe and healthy community
4. Invest in well-planned infrastructure and growth
6. Deliver exceptional City services

Respectfully Submitted,
Matt Ocko, Environmental Utilities Compliance Administrator

Sean Bigley, Environmental Utilities Director

RESOLUTION NO. 26-099

APPROVING A PROFESSIONAL SERVICES AGREEMENT, BY AND BETWEEN THE CITY OF ROSEVILLE AND ALL PRO BACKFLOW, INC., AND AUTHORIZING THE CITY MANAGER TO EXECUTE IT ON BEHALF OF THE CITY OF ROSEVILLE

WHEREAS, a Professional Services Agreement for the Environmental Utilities Backflow Prevention Inspection Program, by and between the City of Roseville and All Pro Backflow, Inc., has been reviewed by the City Council; and

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Roseville that said Professional Services Agreement is hereby approved and that the City Manager is authorized to execute it on behalf of the City of Roseville.

BE IT FURTHER RESOLVED, that the City Manager or his designee is authorized to approve four (4) additional one (1) year renewals without further City Council approval, provided that the applicable budget is approved by the City Council, or until staff determines that continuing with this consultant is not in the best interest of the City.

**PROFESSIONAL SERVICES AGREEMENT**

Backflow Prevention Program Inspection

THIS AGREEMENT is made and entered into this____day of_____, 20___, by and between the City of Roseville, a municipal corporation ("CITY"), and All Pro Backflow, Inc., a California corporation ("CONSULTANT"); and

W I T N E S S E T H:

WHEREAS, CITY desires professional services consisting of annual tests for commercial/residential reduced pressure principle and double check backflow prevention assemblies; and

WHEREAS, CONSULTANT has prepared a proposal dated January 4, 2026, which describes the scope of work to be performed by CONSULTANT, the budget for the work, and the schedule for performance of the work; and

WHEREAS, CONSULTANT is qualified and experienced to provide such professional services.

NOW, THEREFORE, the parties agree as follows:

1. Services. CONSULTANT shall perform, at the direction of CITY, the scope of services as described in EXHIBIT "A," attached hereto and incorporated herein by this reference.

2. Compensation. For its services provided hereunder, CONSULTANT shall be compensated on a time and expense basis in accordance with the budget estimate as described in

EXHIBIT “A”. Total compensation shall not exceed five hundred thousand dollars ($500,000).

CONSULTANT shall submit one monthly invoice for its services. Such invoices shall be delineated by task, the person performing the services, and the hourly rate, which shall be stated in time increments of not greater than one tenth (1/10) hours. CITY shall pay invoices within thirty (30) days after receipt, if the services specified in the invoice have been satisfactorily completed.

3. Indemnification. To the fullest extent allowed by law, CONSULTANT shall defend, indemnify, and save and hold harmless CITY, its officers, agents, employees and volunteers from any claims, suits or actions of every name, kind and description brought forth, or on account of, injuries to or death of any person (including but not limited to workers and the public), or damage to property, resulting from or arising out of CONSULTANT's willful misconduct or negligent act or omission while engaged in the performance of obligations or exercise of rights created by this Agreement, except those matters arising from CITY's sole negligence or willful misconduct. The parties intend that this provision shall be broadly construed.

CONSULTANT agrees to defend and indemnify CITY if, despite the parties intent and practice, any venue, agency, or court with competent jurisdiction determines that CONSULTANT and/or any of its agents, officers, employees, volunteers, independent contractors, or subcontractors, are characterized as employee(s) of CITY.

CONSULTANT’s responsibility for such defense and indemnity obligations shall survive the termination or completion of this Agreement for the full period of time allowed by

law. The defense and indemnity obligations of this Agreement are undertaken in addition to, and shall not in any way be limited by, the insurance obligations contained in this Agreement.

4. Insurance. CONSULTANT agrees to continuously maintain, in full force and effect, the following minimum policies of insurance during the term of this Agreement.

| COVERAGE | LIMITS OF LIABILITY |
|---|---|
| Workers' Compensation | Statutory |
| Commercial General Liability | $1,000,000 each occurrence<br>$2,000,000 aggregate<br>Personal Injury:<br>$1,000,000 each occurrence<br>$2,000,000 aggregate |
| Automobile Liability | $1,000,000 combined single limit |
| Professional Liability (errors and omissions) | $1,000,000 per claim<br>$2,000,000 aggregate |

a. Form. CONSULTANT shall submit a certificate evidencing such coverage for the period covered by this Agreement in a form satisfactory to Risk Management and the City Attorney, prior to undertaking any work hereunder. Any insurance written on a claims made basis is subject to the approval of Risk Management and the City Attorney.

b. Additional Insureds. CONSULTANT shall also provide a separate endorsement form or section of the policy showing CITY, its officers, agents, employees and volunteers as additional insureds for each type of coverage, except for Workers' Compensation and Professional Liability. Such insurance shall specifically cover the contractual liability of CONSULTANT. The additional insured coverage under the CONSULTANT's policy shall be primary and noncontributory, as evidenced by a separate endorsement or section of the policy, and shall not seek contribution from CITY's insurance or self-insurance. In addition, the

additional insured coverage shall be at least as broad as the Insurance Services Office ("ISO") CG 20 01 Endorsement. Any available insurance proceeds in excess of the specified minimum insurance coverage requirements and limits shall be available to the additional insureds. Furthermore, the requirements for coverage and limits shall be: (1) the minimum coverage and limits specified in this Agreement; or (2) the full coverage and maximum limits of any insurance proceeds available to the named insureds, whichever is greater.

c. Cancellation/Modification. CONSULTANT shall provide ten (10) days written notice to CITY prior to cancellation or modification of any insurance required by this Agreement.

d. Umbrella/Excess Insurance. The limits of insurance required in this Agreement may be satisfied by a combination of primary and excess insurance. Any excess insurance shall contain or be endorsed to contain a provision that such coverage shall also apply on a primary and noncontributory basis for the benefit of CITY (if agreed to in a written contract) before CITY's own insurance shall be called upon to protect it as a named insured.

e. Subcontractors. CONSULTANT agrees to include in its contracts with all subcontractors the same requirements and provisions of this Agreement, including the indemnity and insurance requirements, to the extent they apply to the scope of the subcontractor's work. Furthermore, CONSULTANT shall require its subcontractors to agree to be bound to CONSULTANT and CITY in the same manner and to the same extent as CONSULTANT is bound to CITY under this Agreement. Additionally, CONSULTANT shall obligate its subcontractors to comply with these same provisions with respect to any tertiary subcontractor, regardless of tier. A copy of CITY's indemnity and insurance provisions will be furnished to the subcontractor or tertiary subcontractor upon request.

f. Self-Insured Retentions. All self-insured retentions ("SIR") must be disclosed to Risk Management for approval and shall not reduce the limits of liability. Policies containing any SIR provision shall provide or be endorsed to provide that the SIR may be satisfied by either the named insured or CITY. CITY reserves the right to obtain a full certified copy of any insurance policy and endorsements. The failure to exercise this right shall not constitute a waiver of such right.

g. Waiver of Subrogation. CONSULTANT hereby agrees to waive subrogation which any insurer of CONSULTANT may acquire from CONSULTANT by virtue of the payment of any loss under a Workers Compensation, Commercial General Liability or Automobile Liability policy. All Workers Compensation, Commercial General Liability and Automobile Liability policies shall be endorsed with a waiver of subrogation in favor of CITY, its officers, agents, employees and volunteers for all worked performed by CONSULTANT, its employees, agents and subcontractors.

h. Liability/Remedies. Insurance coverage in the minimum amounts set forth herein shall not be construed to relieve CONSULTANT of liability in excess of such coverage, nor shall it preclude CITY from taking such other actions as are available to it under any other provisions of this Agreement or law.

5. Records. CONSULTANT and its subcontractors shall maintain all files and records relating to the services performed hereunder during the term of this Agreement and for a period of not less than one (1) year after the date of termination or expiration. Provided, however, that in the event of litigation or settlement of claims arising from the performance of this Agreement, CONSULTANT and its subcontractors shall maintain all files and records until such litigation, appeals or claims are resolved. Duly authorized representatives of CITY shall

have right of access during normal business hours and after reasonable notice to CONSULTANT's and subcontractors' files and records relating to the services performed hereunder and may review and copy the files and records at appropriate stages during performance of the services and during the one (1) year period following termination or expiration of this Agreement. CONSULTANT shall include this provision in its contracts with all subcontractors.

6. Time is of the Essence. Time is of the essence of this Agreement.

7. Prevailing Wages. When applicable, for purposes of this Agreement, CONSULTANT and its subcontractors shall comply with all applicable prevailing wage laws, e.g., but not limited to, California Labor Code Sections 1770 et seq. In accordance with said Section 1775, CONSULTANT shall forfeit as a penalty to the City two hundred dollars ($200) for each calendar day or portion thereof for each worker paid less than the prevailing rates for such work or craft in which such worker is employed for any work done on-site under the Agreement by CONSULTANT or by any subcontractor in violation of the provisions of the Labor Code and in particular, Labor Code Sections 1770 to 1780, inclusive. In addition to said penalty and pursuant to said Section 1775, the difference between such stipulated prevailing wage rates and the amount paid to each worker for each calendar day or portion thereof for which each worker was paid less than the stipulated prevailing wage shall be paid to each worker by CONSULTANT or the applicable subcontractor.

Pursuant to the provisions of California Labor Code Section 1773, the contracting department has identified the source, stated below, of the general prevailing rate of wages applicable to the site to be done, for straight time, overtime, and holiday work. The holiday wage rate listed shall be applicable to all holidays recognized in the collective bargaining

agreement of the particular craft, classification or type of worker concerned. These wage rates may be obtained from the State Department of Industrial Relations and/or the following website address: http://www.dir.ca.gov/dlsr/DPreWageDetermination.htm.

Pursuant to Labor Code Section 1773.2, general prevailing wage rates set forth above, which forms a part of this Agreement, shall be posted by CONSULTANT at a prominent place at the work site. Prevailing wage rates to be posted at the work site will be furnished by the contracting department. The possibility of wage increases is one of the elements to be considered by CONSULTANT in determining its proposal and will not under any circumstances be considered as the basis of a claim against CITY or the Agreement.

8. Compliance with Laws. CONSULTANT shall comply with all federal, state and local laws, ordinances and policies as may be applicable to the performance of services under this Agreement.

9. Ability to Perform. CONSULTANT agrees and represents that it has the time, ability and professional expertise to perform the services required under this Agreement.

10. Public Contracts: Conflicts of Interest. CONSULTANT's duties and services under this Agreement shall not include preparing or assisting CITY with any portion of the CITY's preparation of a request for proposals, request for qualifications, or any other solicitation regarding a subsequent or additional contract with CITY. CITY shall at all times retain responsibility for public contracting, including with respect to any subsequent phase of this project. CONSULTANT's participation in the planning, discussions, or drawing of project plans or specifications shall be limited to conceptual, preliminary, or initial plans or specifications. CONSULTANT shall cooperate with CITY to ensure that all bidders for a subsequent contract on any subsequent phase of this project have access to the same information, including all

conceptual, preliminary, or initial plans or specifications prepared by CONSULTANT pursuant to this Agreement.

11. Governing Agreement. In the event of any conflict between this Agreement and its EXHIBITS, the provisions of this Agreement shall govern. In the event of any conflict between any of the EXHIBITS, the provisions of the first in order of attachment shall govern.

12. Assignment. CONSULTANT is employed to perform unique personal services. CONSULTANT shall not assign this Agreement without the prior written consent of CITY. CONSULTANT shall not employ or otherwise incur any obligation to pay other specialists or experts for services in connection with this Agreement, without prior written consent of CITY.

13. Independent Contractor. CONSULTANT, inclusive of its agents, officers, employees, volunteers, independent contractors, and subcontractors, shall act as an independent contractor, and covenants and agrees that it will conduct itself consistent with such status, that it will neither hold itself out as, nor claim to be, an officer or employee of CITY by reason of this Agreement.

CONSULTANT and CITY agree that: (a) CONSULTANT is free from the control and direction of CITY in connection with the performance of the work; (b) CONSULTANT is providing services directly to CITY; (c) CONSULTANT has and will maintain at all relevant times a business license; (d) CONSULTANT maintains a business location that is separate from CITY; (e) CONSULTANT is customarily engaged in an independently established business of the same nature as that involved in the work performed hereunder; (f) CONSULTANT actually contracts with other businesses to provide the same or similar services and maintains a clientele without restrictions from CITY; (g) CONSULTANT advertises and holds itself out to the public as available to provide the same or similar services; (h) CONSULTANT provides its own tools, vehicles, and equipment to perform the services; (i) CONSULTANT has negotiated its own

rates; (j) CONSULTANT set its own hours and location of work in accomplishing CITY's on-call needs; and (k) CONSULTANT has the right to control the manner and means of accomplishing the result desired and exercises its own expert independent judgement.

14. Representations and Warranties. CONSULTANT warrants that it has not employed or retained any company or person, other than a bona fide employee working for CONSULTANT, to solicit or secure this Agreement, and that it has not paid or agreed to pay any company or person, other than a bona fide employee, any fee, commission, percentage, brokerage fee, gift or any other consideration, contingent upon or resulting from the award or making of this Agreement. For breach or violation of this warranty, CITY shall have the right to terminate as void this Agreement, without liability, or, in its discretion, to deduct from the Agreement price or consideration, or otherwise recover, the full amount of such fee, commission, percentage, brokerage fee, gift or contingent fee.

15. Successors in Interest. This Agreement shall be binding upon the heirs, successors, executors, administrators and assigns of the respective parties hereto.

16. Copyright, Ownership and Use of Materials. All tangible material ("Material") created or delivered pursuant to this Agreement is considered a work made for hire under the Copyright Act. To the extent such Material does not qualify as a work made for hire, CONSULTANT hereby assigns to CITY all right, title, and interest, including but not limited to all copyrights, in all Material created by CONSULTANT in its performance under this Agreement. Material constitutes the scope of work outlined in Exhibit A and attached hereto, and all written and other tangible expressions, including but not limited to, drawings (including computer aided drawings), papers, documents, reports, surveys, renderings, exhibits, sketches, maps, models, prints, paintings or photographs, in any and all media or formats in which such materials have been created or are maintained. All Material furnished by CONSULTANT is,

and shall remain, the property of CITY.

CONSULTANT shall execute any documents necessary to effectuate such assignment. In the event that CONSULTANT uses, employs, designates, or retains any person or entity who is not an employee of CONSULTANT, to perform any work required of it pursuant to this Agreement, CONSULTANT shall require said person or entity to execute an agreement containing the preceding paragraph.

17. Termination of Agreement. The City may terminate this Agreement without cause by giving CONSULTANT ten (10) days advance written notice from the City Manager. CONSULTANT may terminate this Agreement without cause by giving CITY thirty (30) days advance written notice. In the event of termination through no fault of CONSULTANT, CITY shall compensate CONSULTANT for services performed as of the date of termination, upon the release to CITY of all Material hereunder, in any and all media or formats in which such materials have been created or are maintained. CITY retains the right to receive and use any Material, notwithstanding any termination or any dispute regarding the amount to be paid.

18. Attorney's Fees; Venue; Governing Law. If either party commences any legal action against the other party arising out of this Agreement or the performance hereof, the prevailing party in such action shall be entitled to recover its reasonable litigation expenses, including but not limited to, court costs, expert witness fees, discovery expenses, and attorney's fees. Any action arising out of this Agreement shall be brought in Placer County, California, regardless of where else venue may lie. This Agreement shall be governed by and construed in accordance with the laws of the State of California.

19. Modification. This Agreement and each provision contained herein may be waived, amended, supplemented or eliminated only by mutual written agreement of the parties.

20. Severability. If any of the provisions contained in this Agreement are for any

reason held invalid or unenforceable, such holding shall not affect the remaining provisions or the validity and enforceability of the Agreement as a whole.

21. Notices. Any notices to parties required by this Agreement shall be delivered personally or mailed, U.S. first class postage prepaid, addressed as follows:

| CITY OF ROSEVILLE | CONSULTANT |
|---|---|
| Environmental Utilities Department<br>Attn: Sean Bigley<br>2005 Hilltop Circle<br>Roseville, CA 95747 | All Pro Backflow, Inc.<br>Attn: Jon Lotito<br>4483 Pacific Street<br>Rocklin, CA 95677 |

Either party may amend its address for notice by giving notice to the other party in writing.

22. Integrated Agreement. This is an integrated agreement and contains all of the terms, considerations, understanding and promises of the parties. It shall be read as a whole.

IN WITNESS WHEREOF, the City of Roseville, a municipal corporation, has authorized the execution of this Agreement in duplicate by its City Manager and attested to by its City Clerk under the authority of Resolution No._____, adopted by the Council of the City of Roseville on the____day of_____, 20___, and CONSULTANT has caused this Agreement to be executed.

RE: RFP 08-172
Backflow Prevention Program Inspection

All Pro Backflow, Inc. (Contractor), utilizing the test procedures currently recommended by the University of Southern California Foundation for Cross-Connection Control in accordance with District Administration Regulation 5021, will conduct annual tests for commercial/ residential reduced pressure principle (RP) and double check (DC) backflow prevention assemblies located within the City of Roseville. The Contractor will assume all responsibility as it pertains to the scope of work described in the RFP, and will furnish all labor, materials, tools, equipment, supplies, facilities, vehicles, and supervision necessary to complete all annual testing responsibilities.

The Addendum 1 has been acknowledged, signed and attached in this proposal.

Thank you,

Jon Lotito
All Pro Backflow, Inc.
(President)

# I M P O R T A N T

**11/13/2025**

**TO: Proposers**

**FROM: Rachel Tooker, Environmental Utilities Dept.**

**RE: RFP #08-172**

***************ADDENDUM ONE*************

**Please note the following information, which represents one attachment:**

*This addendum provides the questions and answers discussed at the optional pre-proposal meeting on November 12, 2025 and highlights one clarification to the RFP made during the City's presentation. A copy of the PowerPoint presented at the meeting is posted on Public Purchase.*

***Note that proposers must acknowledge receipt of this information by signing and attaching this addendum to their proposal submission.***

***Clarification:*** In its presentation, the City provided a clarification on the testing process description in the RFP, "no maintenance required" section on page 10 of 60. The RFP states that the Contractor may propose repair services to the backflow owner, if requested by the owner. The contractual relationship for these services will be with the backflow owner and not with the City. The clarification provided is that if a backflow fails inspection, the contractor may not offer services to the tenants/owners during the inspection or make repairs while on site during the inspection. Instead, they must submit failure documentation to the City, which will then review the inspection report and notify the customer of the need for repair. The customer will then take the lead on selecting a repair vendor once they receive this notice.

**Question:** How will invoicing be handled?
**Answer:** At the end of each month (after month close), contractors will submit an invoice detailing the number of tests performed. The invoice will be checked against tests the contractor has logged into the asset management and work order system. Tests will be compensated at the fixed-rate charge stated in the contract. The City will have up to 30 days upon receiving the invoice to send payment to the contractor.

**Question:** When contractors are provided with backflow devices to test, will they have exact locations (address, etc.)?
**Answer:** Each work order for backflow inspection will include the address, physical location, and size, make, and model.

**Question:** How many hours per week should we expect to allocate for a Cross-Connection Control Specialist (CCCS)?

**Answer:** This is an optional service. We do not expect to need services from a CCCS for more than a few hours over the course of a year. The City does have specialists on staff but can envision the need to bring in outside services on occasion for support on a backflow incident, hazard assessment or other circumstance. If we have on call access to a CCCS through one or more contracts with our inspection vendor(s), that will provide ease in bringing in these services if needed.

**TAB A: Firm's Qualifications.** (see Section 6.3)
*Provide answers in boxes below. Boxes are expandable to fit content.*

1. How many years has this firm been in business under its present business name?

27 years

2. What are the prior business names, if any?

None.

3. How many years of experience does the firm have providing the services described in the Scope of Work of this RFP?

27 Years

4. Will any work be provided by a sub-consultant or sub-contractor?
☐ Yes ☒ No If yes, please provide details:

5. What other services does the firm provide?

Freeze protection, Backflow repairs, replacements, installations, and Cross Connection Surveys

6. Does your firm currently possess the equipment and supplies to successfully perform the work required for this project? List equipment owned by the firm to be used on this project.

Yes, we currently have 12 fully stocked service vehicles and 6 test gauges

7. Is this firm currently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from contracting with the Federal Government, State of California, any city or county government, or any utility?
☐ Yes ☒ No If yes, please provide details:

**Tab B. Experience and References** (see Section 6.4).

Provide a description of projects similar in character and scope to the work required for this contract successfully completed by this Contractor during the last five (5) years. The term "completed" means accepted and payment received from the customer. If the work is ongoing, there must be at least 3 years of history with that client. From this list, provide a minimum of three (3) references to include: company name, contact name, phone number, email address, and a description of the work performed for the client. References may be contacted as part of the evaluation process. Proposers may attach additional awards and letters of commendation.

| Company/Customer Name & Address | Contact Name | Phone & email | Dates & Description of Work |
|---|---|---|---|
| City of Napa Parks & Rec. | Cody Weiss | (707) 592-8424 | 5 years; Annual backflow testing of about 500 devices & repairs |
| El Dorado Irrigation District | Marty Johnson | (530) 295-6868 | 10+ years, 200+ annual backflow inspections |
| County of Placer | Dave Weintz | (530) 392-0110 | 10+ Years, around 500 annual backflow inspections & repairs |
| San Juan Water District | Jason Mayorga | (916) 791-0115 | 10+ Years, around 1000 annual backflow inspections |
| | | | |
| | | | |
| | | | |
| | | | |

**Tab C: Qualifications of Team** (see Section 6.5).

Name each firm team member or sub-consultant who will be assigned to the project. For each person named, provide the names and roles of the staff (or sub-contractors) who will perform the work under this contract, including years of experience providing services required in the Scope of Work and any relevant licenses or certifications (expand table as needed).

| Employee/Sub-consultant name and title/role for this project | Years with your firm | Total years' experience doing the type of work required for this contract | Relevant Licenses/Certifications. Must include current CA/NV AWWA Backflow Prevention Assembly General Tester Certification Number; Test kit brand, model, serial number, and calibration date. *If selected, must supply copies of certifications as part of contract negotiations.* |
|---|---|---|---|
| Jonathan Lotito | 17 | 25 | AWWA 12508 / Midwest 835 / 07230835 / 10/14/2025 |
| Brian Rohl | 17 | 17 | AWWA 14926 / Midwest 835 / 03231333 / 6/9/2025 |
| Saxton Brown | 5 | 5 | AWWA 18109 / Midwest 835 / 06200597 / 6/9/2025 |
| Brandon Stine | 3 | 5 | AWWA 19170 / Midwest 835 / 121812111 / 6/9/2025 |
| Brett Hylton | 1 | 10 | AWWA 19754 - Spec. 03855 / Midwest 835 / 07240820 / 7/14/2025 |
| Dylan Ervin | 2 | 2 | AWWA 19870 / Midwest 835 / 12171452 / 12/5/2025 |
| Nicole Lotito | 7 | 20 | Office Manager |
| Jessica Frank | 3 | 9 | Invoice Specialist |
| Hailey Smith | 2 | 5 | Schedule Coordinator and Office Assistant |
| Alynna Mejia | 1 | 5 | Schedule Coordinator and Office Assistant |
| | | | |

**Tab D: Project Understanding** (see Section 6.6).

Based on the available information, supplemental research, field observations, and experience with similar projects, provide a narrative describing your understanding of the services requested in this RFP, your general

approach and any major challenges to achieving the City's stated goals. Include any issues that you believe will require special consideration for this project. Also identify any unique approaches or strengths that your firm may have related to this project. If there is the ability to provide the **optional** services of a Certified Cross-Connection Control Specialist, note whether this individual is a current member of the firm or a sub-consultant, their experience, and availability to provide on-call services. Attach a resumé of the proposed Specialist.

We understand we will be required to test approximately 100 devices per week to successfully complete the contract. As a company we have the experience, staff and professionalism that is required to meet the contracts specifications. Our current employee, Brett Hylton, is our Cross Connection Control Specialist. His resume has been attached.

**Tab E: Project Plan** (see Section 6.7).

Provide a detailed discussion of your firm's approach to the successful implementation of this project. Include thorough discussions of methodologies you believe are essential to accomplishing this project. List any necessary equipment, training or start-up services required.

First we will obtain a list of devices with addresses provided (ideally) in excel format. We will then map out a route for these locations (hopefully this will be included with device list) to provide to the technicians. Our testers will test all of the devices. Office staff will submit all the test results within the City of Roseville test report portal, including failures on the same day of test completion.

**TAB H: Exceptions** (see Sections 6.10 and 10.7).

Describe any and all proposed exceptions, alterations or amendments to the Scope of Services or other requirements of this RFP, including the Sample Contract (**Attachment D**). The nature and scope of your proposed exceptions may negatively affect the evaluation of your submittal and the City's determination of whether it is possible to successfully negotiate a contract with your firm.

Failure test reports will be provided via email at the end of each test days work (by 4:00PM PST)

**TAB I: Competency of Proposers** (see Section 6.11).

Please list and explain any pending bankruptcies, liens, stop payment notices, judgments, lawsuits, arbitrations, mediations, foreclosures, and any similar actions filed or resolved in the past seven (7) years. Please indicate whether a client has ever terminated a contract with your firm for breach, and if so, please explain.

None of these scenarios have occurred,

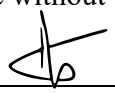
**TAB G: Required Statements/Documents**

**Statements:**

Please review and sign each statement, if agreed to. If not, strike out the section and provide an explanation in your cover letter.

***Assurance of Designated Project Team***

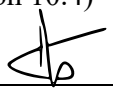
Proposer commits that the designated project team will be used for this project. Additionally, proposer assures that departure or reassignment of, or substitution for, any member of the designated project team shall not be made without the prior written approval of the City.



Signature of Authorized Representative

***Absence of a Conflict of Interest***

Proposer warrants no conflicts of interest as referenced in General Terms and Conditions, Conflict of Interest (Section 10.4)



Signature of Authorized Representative

***Ability and Agreement to Fulfill the Indemnification and Insurance Requirements***

Proposer is able and agrees to fulfill the indemnification and insurance requirements contained in the sample contract.

Signature of Authorized Representative

***Nothing Contained in Submitted Proposal Is Proprietary***

Proposer affirms that nothing contained in this submitted proposal is proprietary.

Signature of Authorized Representative

**Documents** (see Section 6.9). Attach the following documents to this form:

- Proof of registration with the **California Secretary of State, if applicable** (see **Section 1.4**)
- Executed copy of **Proposer's Certification** (see **Section 6.2** Signature Requirements, **Section 10.5**, Undue Influence, and **Attachment A**)
- Executed copy of **Levine Act Disclosure Statement Form** (see **Attachment B**)
- Executed copy of **Non-collusion Declaration** (see **Attachment C**)
- **Technology Security and Standards Matrix** (Services) (see **Attachment H**)

# ATTACHMENT A: PROPOSER'S CERTIFICATION

I hereby propose to furnish the goods or services specified in the Request for Proposals ("RFP"). I agree that my proposal will remain firm for a period of up to ninety (90) days in order to allow the City of Roseville ("City") adequate time to evaluate the qualifications submitted.

I have carefully examined the Request for Proposals and any other documents accompanying or made a part of this RFP. The information contained in this proposal is true and correct to the best of my knowledge and is signed under penalty of perjury under the laws of the State of California. I further certify that I am duly authorized to submit this proposal on behalf of the firm as its authorized agent and that the firm is ready, willing and able to perform if awarded the contract.

I further certify that this proposal is made without prior understanding, agreement, connection, discussion, or conspiracy with any other person, firm or corporation submitting a proposal for the same product or service; that this proposal is fair and made without outside control, collusion, fraud or illegal action; that no officer, employee or agent of the City or any other proposer is financially interested in said proposal; that no undue influence or pressure was used against or in concert with any officer, employee or agent of the City in connection with the award or terms of the contract that will be executed as a result of this RFP; and that the undersigned executed this Proposer's Certification with full knowledge and understanding of the matters therein contained and was duly authorized to do so.

# ATTACHMENT B: LEVINE ACT DISCLOSURE STATEMENT

**(The completed form submitted to the City of Roseville is a public record.)**

California Government Code Section 84308, commonly referred to as the "Levine Act," prohibits any "Officer" (elected or appointed officer, any alternate thereto, and any candidate for elective office) from participating in any consideration or action related to a proceeding if they receive political contribution(s) from a party, or its agent(s), totaling more than $250 within the previous twelve (12) months, while a proceeding is pending, and for twelve (12) months following the date of a final decision in a proceeding concerning a license, permit, other entitlement for use, franchise, or contract (collectively "license, permit, or contract"). For additional information: https://www.roseville.ca.us/government/departments/city_clerk/transparency/levine_act.

City Officers are listed at the following sites:

- The Members of City Council - https://www.roseville.ca.us/government/city_council/meet_council
- Boards & Commission Members - https://www.roseville.ca.us/government/boards_commissions

**Parties and their Agents are responsible for reviewing and disclosing their applicable contributions to City Officers on the record of a proceeding.**

**1.** Have you or your entity, or any agent on behalf of you or your entity, made any political contribution(s) totaling more than $250 to any City Officer in the twelve (12) months preceding the date of the submission of your license, permit, or contract, or the anticipated date of any City Council, Board, or Commission consideration or action related to this license, permit, or contract?

YES _____ NO __X__

If yes, please identify the City Officer(s):_____

**2**. Do you or your entity, or any agent on behalf of you or your entity, anticipate or plan to make any political contribution(s) totaling more than $250 to any City Officer in the twelve (12) months following any City Council, Board, or Commission consideration or action related to this license, permit, or contract?

YES _____ NO __X__

If yes, please identify the City Officer(s):_____

Answering yes to either of the two questions above does not preclude the City of Roseville from considering and/or taking action on a license, permit, or contract. It does, however, potentially preclude the identified City Officers from participating in consideration of and in taking any actions related to the license, permit, or contract. Please accurately complete and sign this form, under the penalty of perjury:

| _____ | Jonathan Lotito / President | All Pro Backflow, Inc. |
|---|---|---|
| (Date) | (Printed Name/Title of Authorized Representative) | (Name of business/legal entity) |

_____

(Signature)

**You must submit a supplemental form if you make any new reportable contribution(s) while the contract, license, permit, or other entitlement is being considered.** If this form has not previously been submitted in connection with a contracting, licensing, entitlement or permitting process, please provide the completed form to the Office of the City Clerk for appropriate departmental routing, at: City Clerk, 311 Vernon St., Roseville, CA 95678, CityClerkRoseville@roseville.ca.us

# ATTACHMENT C: NONCOLLUSION DECLARATION

## NONCOLLUSION DECLARATION TO BE EXECUTED BY BIDDER AND SUBMITTED WITH BID

The undersigned declares:

I am the President of All Pro Backflow, Inc., the party making the foregoing bid.

The bid is not made in the interest of, or on behalf of, any undisclosed person, partnership, company, association, organization, or corporation. The bid is genuine and not collusive or sham. The bidder has not directly or indirectly induced or solicited any other bidder to put in a false or sham bid. The bidder has not directly or indirectly colluded, conspired, connived, or agreed with any bidder or anyone else to put in a sham bid, or to refrain from bidding. The bidder has not in any manner, directly or indirectly, sought by agreement, communication, or conference with anyone to fix the bid price of the bidder or any other bidder, or to fix any overhead, profit, or cost element of the bid price, or of that of any other bidder. All statements contained in the bid are true. The bidder has not, directly or indirectly, submitted his or her bid price or any breakdown thereof, or the contents thereof, or divulged information or data relative thereto, to any corporation, partnership, company, association, organization, bid depository, or to any member or agent thereof, to effectuate a collusive or sham bid, and has not paid, and will not pay, any person or entity for such purpose.

Any person executing this declaration on behalf of a bidder that is a corporation, partnership, joint venture, limited liability company, limited liability partnership, or any other entity, hereby represents that he or she has full power to execute, and does execute, this declaration on behalf of the bidder.

I declare under penalty of perjury under the laws of the State of California that the foregoing is true and correct and that this declaration is executed on 12/23/2025 [date], at Rocklin [city], California [state].

(Signature of Declarant)

# ATTACHMENT H: TECHNOLOGY SECURITY AND STANDARDS MATRIX (SERVICES)

The Technology Security and Standards Matrix ("Matrix") will be used to determine the compatibility of Vendor' services to the technology and security standards of the City of Roseville. In the third column from the left, please enter the response to the requirement based upon the possible responses below. An omitted response or a deviation from the alpha responses provided below will be construed to be a "NO" – not supported and/or is not provided as part of the proposal. If you need to add any comments to further clarify your response, please do so in the column specified

| Response Code | Definition |
|---|---|
| **Y (YES)** | The vendor is in compliance (or agrees) with the described requirement. |
| **N (NO)** | The vendor is not in compliance with the described requirement; explain in the Comments column. |
| **P (PENDING)** | Compliance with the described requirement is planned and will be in place at no additional charge prior to the delivery of services. Please state the estimated date for compliance. |
| **C (COST)** | Compliance with the described requirement is not currently available, but can be provided at an additional cost. The Vendor is to provide an explanation in the Comments column along with the estimated number of hours and cost. |
| **E (EXCEPTION)** | Notes an exception to the requirement (if the Vendor achieves the same or similar outcome with a different standard). |
| **NA (Not Applicable)** | This requirement is not applicable to the Vendor. |

| # | Requirement | Response Code | Comments |
|---|---|---|---|
| | Vulnerability Management | | |
| 1 | Vendor's workstations used to connect to City systems have anti-virus enabled and are patched/updated within industry-standard timeframes (e.g., critical patches within 14 days). | Y | |
| 2 | Vendor won't use any workstations to connect to City systems that has unsupported or end-of-life software components. | Y | |
| | Access Controls | | |
| 3 | Vendor's remote access to City's systems (on-prem or cloud) will be secured using multifactor authentication (MFA) and City-approved secure access method. | Y | |
| 4 | Vendor will use named, unique user accounts for access to any City systems. | Y | |
| 5 | The vendor must use strong, unique passwords or passphrases for their systems and accounts. | Y | |
| 6 | The vendor must never send or share passwords in a way that exposes them as plain, readable text. | Y | |
| | Email and Communications | | |
| 7 | Vendor uses a secure, business-class email account associated with a custom domain owned and managed by the Vendor or their organization (e.g., name@company.com) for all communications in the delivery of services. | Y | |
| 8 | The Vendor's email system enforces multi-factor authentication (MFA) and is protected by up-to-date anti-malware and anti-phishing controls. | Y | |

# ATTACHMENT G: COST PROPOSAL

## TAB F: Cost Proposal (see Section 6.8).

**RFP #08-172**
**Backflow Prevention Program Inspection**

All Pro Backflow, Inc.

**Mailing Address:**

4483 Pacific St

Rocklin, CA 95677

**Phone Number:** (916) 276-7162
**E-mail Address:** service@allprobackflowinc.com

**Bid Submitted By:**

Jonathan Lotito
Printed Name

Signature

President
Title

12/23/2025
Date

Provide a total cost proposal for all products and services to be delivered. The City intends to negotiate uniform pricing across all chosen contractors. If proposing optional services of a Certified Cross-Connection Control Specialist, include a schedule of hourly rates

Contractors need only provide pricing for the quantities they have the ability and resources to perform on an annual basis. For instance, if the contractor can only commit to testing up to 1,000 assemblies within the ten-month testing period, this is the number that should be filed into the estimated annual quantity box in the table below.

The estimated quantity is provided by the Contractor is for bidding purposes only. Payment will be made based on the number of tests assigned and performed each month.

Unit Price shall include all overhead rates to cover costs and other compensation of contractor's officers, executives, principals (of partnership and sole proprietorships), general managers, specialists, accountants, purchasing and contracting agents, clerks and other personnel employed by contractor whether at the site or in

its principal or a branch office for general administration of the work and not specifically included in the list of personnel. Unit price shall also include any part of capital expenses, including necessary transportation, travel and subsistence expense of contractor's employees incurred in discharge of duties connected with performance of the services.

Unit price shall also include expenses connected with performance of the services such as insurance, copies, computers, software, office supplies, postage, communications and any other expense incurred to accomplish the work. Note that no separate charges for these items will be allowed.

| Description | Estimated Annual Qty | Unit Price ($ Each) | Total Amount Bid (Annual Quantity x Unit Price) |
|---|---|---|---|
| Perform Backflow Prevention Assembly Test as per included Request for Proposal and Scope of Work | (X of 5,200) 100 per week per month | $ 80.00 | $ 416,000.00 |
| | | Hourly Rate | |
| Provide optional services of a Certified Cross-Connection Control Specialist. | | $ 125.00 | *Min. 4 Hour Requirement* |

# PROFESSIONAL SERVICES AGREEMENT

Backflow Prevention Program Inspection

THIS AGREEMENT is made and entered into this____day of_____, 20___, by and between the City of Roseville, a municipal corporation ("CITY"), and Lawson SSP Group, LLC, a limited liability company ("CONSULTANT"); and

W I T N E S S E T H:

WHEREAS, CITY desires professional services consisting of annual tests for commercial/residential reduced pressure principle and double check backflow prevention assemblies; and

WHEREAS, CONSULTANT has prepared a proposal dated January 5, 2026, which describes the scope of work to be performed by CONSULTANT, the budget for the work, and the schedule for performance of the work; and

WHEREAS, CONSULTANT is qualified and experienced to provide such professional services.

NOW, THEREFORE, the parties agree as follows:

1. Services. CONSULTANT shall perform, at the direction of CITY, the scope of services as described in EXHIBIT "A," attached hereto and incorporated herein by this reference.

2. Compensation. For its services provided hereunder, CONSULTANT shall be compensated on a time and expense basis in accordance with the budget estimate as described in

BoldSign Document ID: a950977f-1666-44d9-abfa-49fbf9fa2baa

EXHIBIT "A". Total compensation shall not exceed five hundred thousand dollars ($500,000).

CONSULTANT shall submit one monthly invoice for its services. Such invoices shall be delineated by task, the person performing the services, and the hourly rate, which shall be stated in time increments of not greater than one tenth (1/10) hours. CITY shall pay invoices within thirty (30) days after receipt, if the services specified in the invoice have been satisfactorily completed.

3. Indemnification. To the fullest extent allowed by law, CONSULTANT shall defend, indemnify, and save and hold harmless CITY, its officers, agents, employees and volunteers from any claims, suits or actions of every name, kind and description brought forth, or on account of, injuries to or death of any person (including but not limited to workers and the public), or damage to property, resulting from or arising out of CONSULTANT's willful misconduct or negligent act or omission while engaged in the performance of obligations or exercise of rights created by this Agreement, except those matters arising from CITY's sole negligence or willful misconduct. The parties intend that this provision shall be broadly construed.

CONSULTANT agrees to defend and indemnify CITY if, despite the parties intent and practice, any venue, agency, or court with competent jurisdiction determines that CONSULTANT and/or any of its agents, officers, employees, volunteers, independent contractors, or subcontractors, are characterized as employee(s) of CITY.

CONSULTANT's responsibility for such defense and indemnity obligations shall survive the termination or completion of this Agreement for the full period of time allowed by

BoldSign Document ID: a950977f-1666-44d9-abfa-49fbf9fa2baa

law. The defense and indemnity obligations of this Agreement are undertaken in addition to, and shall not in any way be limited by, the insurance obligations contained in this Agreement.

4. Insurance. CONSULTANT agrees to continuously maintain, in full force and effect, the following minimum policies of insurance during the term of this Agreement.

| COVERAGE | LIMITS OF LIABILITY |
|---|---|
| Workers' Compensation | Statutory |
| Commercial General Liability | $1,000,000 each occurrence<br>$2,000,000 aggregate<br>Personal Injury:<br>$1,000,000 each occurrence<br>$2,000,000 aggregate |
| Automobile Liability | $1,000,000 combined single limit |
| Professional Liability (errors and omissions) | $1,000,000 per claim<br>$2,000,000 aggregate |

a. Form. CONSULTANT shall submit a certificate evidencing such coverage for the period covered by this Agreement in a form satisfactory to Risk Management and the City Attorney, prior to undertaking any work hereunder. Any insurance written on a claims made basis is subject to the approval of Risk Management and the City Attorney.

b. Additional Insureds. CONSULTANT shall also provide a separate endorsement form or section of the policy showing CITY, its officers, agents, employees and volunteers as additional insureds for each type of coverage, except for Workers' Compensation and Professional Liability. Such insurance shall specifically cover the contractual liability of CONSULTANT. The additional insured coverage under the CONSULTANT's policy shall be primary and noncontributory, as evidenced by a separate endorsement or section of the policy, and shall not seek contribution from CITY's insurance or self-insurance. In addition, the

BoldSign Document ID: a950977f-1666-44d9-abfa-49fbf9fa2baa

additional insured coverage shall be at least as broad as the Insurance Services Office ("ISO") CG 20 01 Endorsement. Any available insurance proceeds in excess of the specified minimum insurance coverage requirements and limits shall be available to the additional insureds. Furthermore, the requirements for coverage and limits shall be: (1) the minimum coverage and limits specified in this Agreement; or (2) the full coverage and maximum limits of any insurance proceeds available to the named insureds, whichever is greater.

c. Cancellation/Modification. CONSULTANT shall provide ten (10) days written notice to CITY prior to cancellation or modification of any insurance required by this Agreement.

d. Umbrella/Excess Insurance. The limits of insurance required in this Agreement may be satisfied by a combination of primary and excess insurance. Any excess insurance shall contain or be endorsed to contain a provision that such coverage shall also apply on a primary and noncontributory basis for the benefit of CITY (if agreed to in a written contract) before CITY's own insurance shall be called upon to protect it as a named insured.

e. Subcontractors. CONSULTANT agrees to include in its contracts with all subcontractors the same requirements and provisions of this Agreement, including the indemnity and insurance requirements, to the extent they apply to the scope of the subcontractor's work. Furthermore, CONSULTANT shall require its subcontractors to agree to be bound to CONSULTANT and CITY in the same manner and to the same extent as CONSULTANT is bound to CITY under this Agreement. Additionally, CONSULTANT shall obligate its subcontractors to comply with these same provisions with respect to any tertiary subcontractor, regardless of tier. A copy of CITY's indemnity and insurance provisions will be furnished to the subcontractor or tertiary subcontractor upon request.

BoldSign Document ID: a950977f-1666-44d9-abfa-49fbf9fa2baa

f. Self-Insured Retentions. All self-insured retentions ("SIR") must be disclosed to Risk Management for approval and shall not reduce the limits of liability. Policies containing any SIR provision shall provide or be endorsed to provide that the SIR may be satisfied by either the named insured or CITY. CITY reserves the right to obtain a full certified copy of any insurance policy and endorsements. The failure to exercise this right shall not constitute a waiver of such right.

g. Waiver of Subrogation. CONSULTANT hereby agrees to waive subrogation which any insurer of CONSULTANT may acquire from CONSULTANT by virtue of the payment of any loss under a Workers Compensation, Commercial General Liability or Automobile Liability policy. All Workers Compensation, Commercial General Liability and Automobile Liability policies shall be endorsed with a waiver of subrogation in favor of CITY, its officers, agents, employees and volunteers for all worked performed by CONSULTANT, its employees, agents and subcontractors.

h. Liability/Remedies. Insurance coverage in the minimum amounts set forth herein shall not be construed to relieve CONSULTANT of liability in excess of such coverage, nor shall it preclude CITY from taking such other actions as are available to it under any other provisions of this Agreement or law.

5. Records. CONSULTANT and its subcontractors shall maintain all files and records relating to the services performed hereunder during the term of this Agreement and for a period of not less than one (1) year after the date of termination or expiration. Provided, however, that in the event of litigation or settlement of claims arising from the performance of this Agreement, CONSULTANT and its subcontractors shall maintain all files and records until such litigation, appeals or claims are resolved. Duly authorized representatives of CITY shall

BoldSign Document ID: a950977f-1666-44d9-abfa-49fbf9fa2baa

have right of access during normal business hours and after reasonable notice to CONSULTANT's and subcontractors' files and records relating to the services performed hereunder and may review and copy the files and records at appropriate stages during performance of the services and during the one (1) year period following termination or expiration of this Agreement. CONSULTANT shall include this provision in its contracts with all subcontractors.

6. Time is of the Essence. Time is of the essence of this Agreement.

7. Prevailing Wages. When applicable, for purposes of this Agreement, CONSULTANT and its subcontractors shall comply with all applicable prevailing wage laws, e.g., but not limited to, California Labor Code Sections 1770 et seq. In accordance with said Section 1775, CONSULTANT shall forfeit as a penalty to the City two hundred dollars ($200) for each calendar day or portion thereof for each worker paid less than the prevailing rates for such work or craft in which such worker is employed for any work done on-site under the Agreement by CONSULTANT or by any subcontractor in violation of the provisions of the Labor Code and in particular, Labor Code Sections 1770 to 1780, inclusive. In addition to said penalty and pursuant to said Section 1775, the difference between such stipulated prevailing wage rates and the amount paid to each worker for each calendar day or portion thereof for which each worker was paid less than the stipulated prevailing wage shall be paid to each worker by CONSULTANT or the applicable subcontractor.

Pursuant to the provisions of California Labor Code Section 1773, the contracting department has identified the source, stated below, of the general prevailing rate of wages applicable to the site to be done, for straight time, overtime, and holiday work. The holiday wage rate listed shall be applicable to all holidays recognized in the collective bargaining

BoldSign Document ID: a950977f-1666-44d9-abfa-49fbf9fa2baa

agreement of the particular craft, classification or type of worker concerned. These wage rates may be obtained from the State Department of Industrial Relations and/or the following website address: http://www.dir.ca.gov/dlsr/DPreWageDetermination.htm.

Pursuant to Labor Code Section 1773.2, general prevailing wage rates set forth above, which forms a part of this Agreement, shall be posted by CONSULTANT at a prominent place at the work site. Prevailing wage rates to be posted at the work site will be furnished by the contracting department. The possibility of wage increases is one of the elements to be considered by CONSULTANT in determining its proposal and will not under any circumstances be considered as the basis of a claim against CITY or the Agreement.

8. Compliance with Laws. CONSULTANT shall comply with all federal, state and local laws, ordinances and policies as may be applicable to the performance of services under this Agreement.

9. Ability to Perform. CONSULTANT agrees and represents that it has the time, ability and professional expertise to perform the services required under this Agreement.

10. Public Contracts: Conflicts of Interest. CONSULTANT's duties and services under this Agreement shall not include preparing or assisting CITY with any portion of the CITY's preparation of a request for proposals, request for qualifications, or any other solicitation regarding a subsequent or additional contract with CITY. CITY shall at all times retain responsibility for public contracting, including with respect to any subsequent phase of this project. CONSULTANT's participation in the planning, discussions, or drawing of project plans or specifications shall be limited to conceptual, preliminary, or initial plans or specifications. CONSULTANT shall cooperate with CITY to ensure that all bidders for a subsequent contract on any subsequent phase of this project have access to the same information, including all

BoldSign Document ID: a950977f-1666-44d9-abfa-49fbf9fa2baa

conceptual, preliminary, or initial plans or specifications prepared by CONSULTANT pursuant to this Agreement.

11. Governing Agreement. In the event of any conflict between this Agreement and its EXHIBITS, the provisions of this Agreement shall govern. In the event of any conflict between any of the EXHIBITS, the provisions of the first in order of attachment shall govern.

12. Assignment. CONSULTANT is employed to perform unique personal services. CONSULTANT shall not assign this Agreement without the prior written consent of CITY. CONSULTANT shall not employ or otherwise incur any obligation to pay other specialists or experts for services in connection with this Agreement, without prior written consent of CITY.

13. Independent Contractor. CONSULTANT, inclusive of its agents, officers, employees, volunteers, independent contractors, and subcontractors, shall act as an independent contractor, and covenants and agrees that it will conduct itself consistent with such status, that it will neither hold itself out as, nor claim to be, an officer or employee of CITY by reason of this Agreement.

CONSULTANT and CITY agree that: (a) CONSULTANT is free from the control and direction of CITY in connection with the performance of the work; (b) CONSULTANT is providing services directly to CITY; (c) CONSULTANT has and will maintain at all relevant times a business license; (d) CONSULTANT maintains a business location that is separate from CITY; (e) CONSULTANT is customarily engaged in an independently established business of the same nature as that involved in the work performed hereunder; (f) CONSULTANT actually contracts with other businesses to provide the same or similar services and maintains a clientele without restrictions from CITY; (g) CONSULTANT advertises and holds itself out to the public as available to provide the same or similar services; (h) CONSULTANT provides its own tools, vehicles, and equipment to perform the services; (i) CONSULTANT has negotiated its own

BoldSign Document ID: a950977f-1666-44d9-abfa-49fbf9fa2baa

rates; (j) CONSULTANT set its own hours and location of work in accomplishing CITY's on-call needs; and (k) CONSULTANT has the right to control the manner and means of accomplishing the result desired and exercises its own expert independent judgement.

14. Representations and Warranties. CONSULTANT warrants that it has not employed or retained any company or person, other than a bona fide employee working for CONSULTANT, to solicit or secure this Agreement, and that it has not paid or agreed to pay any company or person, other than a bona fide employee, any fee, commission, percentage, brokerage fee, gift or any other consideration, contingent upon or resulting from the award or making of this Agreement. For breach or violation of this warranty, CITY shall have the right to terminate as void this Agreement, without liability, or, in its discretion, to deduct from the Agreement price or consideration, or otherwise recover, the full amount of such fee, commission, percentage, brokerage fee, gift or contingent fee.

15. Successors in Interest. This Agreement shall be binding upon the heirs, successors, executors, administrators and assigns of the respective parties hereto.

16. Copyright, Ownership and Use of Materials. All tangible material ("Material") created or delivered pursuant to this Agreement is considered a work made for hire under the Copyright Act. To the extent such Material does not qualify as a work made for hire, CONSULTANT hereby assigns to CITY all right, title, and interest, including but not limited to all copyrights, in all Material created by CONSULTANT in its performance under this Agreement. Material constitutes the scope of work outlined in Exhibit A and attached hereto, and all written and other tangible expressions, including but not limited to, drawings (including computer aided drawings), papers, documents, reports, surveys, renderings, exhibits, sketches, maps, models, prints, paintings or photographs, in any and all media or formats in which such materials have been created or are maintained. All Material furnished by CONSULTANT is,

BoldSign Document ID: a950977f-1666-44d9-abfa-49fbf9fa2baa

and shall remain, the property of CITY.

CONSULTANT shall execute any documents necessary to effectuate such assignment. In the event that CONSULTANT uses, employs, designates, or retains any person or entity who is not an employee of CONSULTANT, to perform any work required of it pursuant to this Agreement, CONSULTANT shall require said person or entity to execute an agreement containing the preceding paragraph.

17. Termination of Agreement. The City may terminate this Agreement without cause by giving CONSULTANT ten (10) days advance written notice from the City Manager. CONSULTANT may terminate this Agreement without cause by giving CITY thirty (30) days advance written notice. In the event of termination through no fault of CONSULTANT, CITY shall compensate CONSULTANT for services performed as of the date of termination, upon the release to CITY of all Material hereunder, in any and all media or formats in which such materials have been created or are maintained. CITY retains the right to receive and use any Material, notwithstanding any termination or any dispute regarding the amount to be paid.

18. Attorney's Fees; Venue; Governing Law. If either party commences any legal action against the other party arising out of this Agreement or the performance hereof, the prevailing party in such action shall be entitled to recover its reasonable litigation expenses, including but not limited to, court costs, expert witness fees, discovery expenses, and attorney's fees. Any action arising out of this Agreement shall be brought in Placer County, California, regardless of where else venue may lie. This Agreement shall be governed by and construed in accordance with the laws of the State of California.

19. Modification. This Agreement and each provision contained herein may be waived, amended, supplemented or eliminated only by mutual written agreement of the parties.

20. Severability. If any of the provisions contained in this Agreement are for any

BoldSign Document ID: a950977f-1666-44d9-abfa-49fbf9fa2baa

reason held invalid or unenforceable, such holding shall not affect the remaining provisions or the validity and enforceability of the Agreement as a whole.

21. Notices. Any notices to parties required by this Agreement shall be delivered personally or mailed, U.S. first class postage prepaid, addressed as follows:

| CITY OF ROSEVILLE | CONSULTANT |
|---|---|
| Environmental Utilities Department<br>Attn: Sean Bigley<br>2005 Hilltop Circle<br>Roseville, CA 95747 | Lawson SSP Group, LLC.<br>Attn: Eric Fuchino<br>3217 Ramos Circle<br>Sacramento, CA 95827 |

Either party may amend its address for notice by giving notice to the other party in writing.

22. Integrated Agreement. This is an integrated agreement and contains all of the terms, considerations, understanding and promises of the parties. It shall be read as a whole.

IN WITNESS WHEREOF, the City of Roseville, a municipal corporation, has authorized the execution of this Agreement in duplicate by its City Manager and attested to by its City Clerk under the authority of Resolution No._____, adopted by the Council of the City of Roseville on the____day of_____, 20 _, and CONSULTANT has caused this Agreement to be executed.

# Backflow Prevention Program Inspection

## RFP #08-172 RESPONSE

LAWSON SSP GROUP, LLC
3217 RAMOS CIRCLE
SACRAMENTO, CA 95827
P: (844) 368-0500 | F: (916) 362-4905
CA #1109791 | DIR# PW-LR-1001102893

January 5, 2026

City of Roseville
**Attn: City Clerk Department**
311 Vernon Street
Roseville, CA 95678

**Re: RFP #08-172 Backflow Prevention Program Inspection**

City of Roseville Team,

Lawson SSP Group appreciates the opportunity to be included on The City of Roseville Backflow Prevention Program Inspection. We understand that finding a reliable, experienced, and responsive mechanical contractor is of upmost importance to The City of Roseville to ensure that your facilities receive the highest level of service. We are excited to share with your team why we feel Lawson SSP Group is uniquely qualified to be your Backflow Prevention Service Provider, and we hope to have the opportunity to demonstrate our capabilities to support all of The City of Roseville's needs. Lawson SSP Group will perform the services and adhere to the requirements described within the RFP (*including Addendum 1 provided 11/13/2025*).

Lawson Mechanical Contractors a California Corporation (LMC S-Corp) was established in 1947 and incorporated on 6/2/1958 in the State of California. In 2021, Lawson Mechanical Contractors, LLC (LMC, LLC) was formed for succession planning and business purposes. Effective 4/1/2023, construction operations were transferred to LMC, LLC. LMC S-Corp is an 80% member of LMC, LLC. Effective 9/7/2023, Lawson SSP Group, LLC was formed as a separate entity for performance of special projects and service/maintenance work. LMC, LLC is a 90% member of Lawson SSP Group, LLC. David Lawson is the President/CEO of all three entities. Rodney Barbour is the Executive Vice President of all three entities.

With decades of experience specifically supporting local businesses and municipalities, Lawson SSP Group will provide The City of Roseville with a trusted partnership approach that will put the needs of the city in the forefront.  We will take a proactive approach to supporting The City of Roseville's backflow prevention needs and provide the city with recommendations that will provide the most cost-effective and long-term solutions.

Please feel free to reach out to our contact below with regard to any questions pertaining to this RFP or our qualifications:

Angelica Menzie, Vice President — Business Operations
3217 Ramos Circle, Sacramento, CA 95827
P: (844) 368-0500 | C: (916) 296-5561
E: amenzie@lawsonmechanical.com

Thank you for the opportunity to provide this proposal to the City of Roseville. We look forward to working with your team in the near future!

Eric Fuchino
Sr. Vice President, General Manager

**TAB A: Firm's Qualifications.** (see Section 6.3)
*Provide answers in boxes below. Boxes are expandable to fit content.*

1. How many years has this firm been in business under its present business name?

Lawson Mechanical Contractors a California Corporation (LMC S-Corp) was established in 1947 and incorporated on 6/2/1958 in the State of California. In 2021, Lawson Mechanical Contractors, LLC (LMC, LLC) was formed for succession planning and business purposes. Effective 4/1/2023, construction operations were transferred to LMC, LLC. LMC S-Corp is an 80% member of LMC, LLC. Effective 9/7/2023, Lawson SSP Group, LLC was formed as a separate entity for performance of special projects and service/maintenance work. LMC, LLC is a 90% member of Lawson SSP Group, LLC. David Lawson is the President/CEO of all three entities. Rodney Barbour is the Executive Vice President of all three entities.

2. What are the prior business names, if any?

| |
|---|
| See response to #1. |

3. How many years of experience does the firm have providing the services described in the Scope of Work of this RFP?

| |
|---|
| 2.5 years |

4. Will any work be provided by a sub-consultant or sub-contractor?
   ☐ Yes ☒ No If yes, please provide details:

| |
|---|
| |

5. What other services does the firm provide?

| |
|---|
| Lawson's team provides a wide range of mechanical & plumbing services for various types of environments, including HVAC & plumbing service & maintenance, as well as Special Projects construction. City of Roseville has been a recipient of our vast catalog of capabilities over the past few years. |

6. Does your firm currently possess the equipment and supplies to successfully perform the work required for this project? List equipment owned by the firm to be used on this project.

| |
|---|
| Yes. Lawson possesses certified equipment for this scope of work.<br><br>**Brand:** Midwest<br>**Model:** 835-5<br>**Serial:** 04141645<br>**Calibration Date:** 11/15/24 |

7. Is this firm currently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from contracting with the Federal Government, State of California, any city or county government, or any utility?
   ☐ Yes ☒ No If yes, please provide details:

| |
|---|
| |

**Tab B. Experience and References** (see Section 6.4).

Provide a description of projects similar in character and scope to the work required for this contract successfully completed by this Contractor during the last five (5) years. The term "completed" means accepted and payment received from the customer. If the work is ongoing, there must be at least 3 years of history with that client. From this list, provide a minimum of three (3) references to include: company name, contact name, phone number, email address, and a description of the work performed for the client. References may be contacted as part of the evaluation process. Proposers may attach additional awards and letters of commendation.

| Company/Customer Name & Address | Contact Name | Phone & email | Dates & Description of Work |
|---|---|---|---|
| Solidigm | Brain White, Senior Facilities Manager | (916) 300-8118, brain.white@solidigm.com | (2023 – Ongoing) Perform annual backflow certification services for Solidigm's chip manufacturing facilities throughout the Sacramento area |
| UC Davis Rehabilitation Hospital | Leng Her, Director of Plant Operations | (279) 224-6008, leng.her@ucdrh.com | (2023 – Ongoing) Provide annual backflow prevention testing and certification for all of the backflow prevention devices |
| William Jessup University | Regina Davis, Director of Facilities | (916) 577-2381, reginadavis@jessup.edu | (Ongoing) Facility maintenance, repairs & upgrades |
| Jackson Rancheria Casino Resort | Chad Yoccheim, Facilities Manager | (209) 223-8160, cyoccheim@jacksoncasino.com | (Ongoing) Various facility maintenance, upgrades & construction projects |
| The Jackson Laboratory | Kevin Barnes, Facilities Supervisor | (916) 469-2611, kevin.barnes@jax.org | (Ongoing) Various facility repairs, upgrades & construction projects |

**Tab C: Qualifications of Team** (see Section 6.5).

Name each firm team member or sub-consultant who will be assigned to the project. For each person named, provide the names and roles of the staff (or sub-contractors) who will perform the work under this contract, including years of experience providing services required in the Scope of Work and any relevant licenses or certifications (expand table as needed).

| Employee/Sub-consultant name and title/role for this project | Years with your firm | Total years' experience doing the type of work required for this contract | Relevant Licenses/Certifications. Must include current CA/NV AWWA Backflow Prevention Assembly General Tester Certification Number; Test kit brand, model, serial number, and calibration date. *If selected, must supply copies of certifications as part of contract negotiations.* |
|---|---|---|---|
| Robert McClintock | 4 | 2.5 | Service Manager |
| Robert Fore | 13 | 2.5 | Director of Field Operations |
| Kevin Berzin | 4 | 2.5 | Plumbing & Pipefitting Superintendent |

| | | | |
|---|---|---|---|
| Ulises Hermosillo | 5 | 2.5 | AWWA BPAT certified #19270 |
| Evan Pierce | 1 | <1 | AWWA BPAT certified (awaiting certification documentation; to be provided upon receipt) |
| Michael Purscell | 1 | <1 | Currently awaiting to become AWWA BPAT certified |

**Tab D: Project Understanding** (see Section 6.6).

Based on the available information, supplemental research, field observations, and experience with similar projects, provide a narrative describing your understanding of the services requested in this RFP, your general approach and any major challenges to achieving the City's stated goals. Include any issues that you believe will require special consideration for this project. Also identify any unique approaches or strengths that your firm may have related to this project. If there is the ability to provide the **optional** services of a Certified Cross-Connection Control Specialist, note whether this individual is a current member of the firm or a sub-consultant, their experience, and availability to provide on-call services. Attach a resumé of the proposed Specialist.

Lawson SSP Group understands the City of Roseville requires a qualified contractor to perform annual backflow prevention assembly tests across its water service area. We recognize that the primary objective is to ensure the integrity of the public water system by verifying the operational status of both residential and commercial assemblies. Our role is strictly defined as an authorized representative of the City for testing and reporting. Lawson fully understands that while we must report failures, the responsibility for repairs and maintenance lies with the assembly owners.

With regard to the Certified Cross-Connection Control Specialist, our technician is actively pursuing a certification in this skill. Upon completion, we will submit all necessary documentation as requested.

**Tab E: Project Plan** (see Section 6.7).

Provide a detailed discussion of your firm's approach to the successful implementation of this project. Include thorough discussions of methodologies you believe are essential to accomplishing this project. List any necessary equipment, training or start-up services required.

To ensure the successful implementation of the City's backflow testing program, Lawson utilizes a structured project plan that prioritizes regulatory compliance, technician accountability, and seamless data transfer.

Lawson's Project Plan is centered around the following core priorities to ensure all tests are executed accurately & on schedule:

- **Workflow Management:** Lawson will manage all allocated testing work orders utilizing sophisticated dispatching processes to ensure maximum efficiency & streamline output.
- **Standard Testing Procedures:** All personnel will perform testing in strict accordance with City requirements and industry-recognized methodologies.
- **Priority Reporting Protocol:** We will utilize our established "Red Flag" urgency notification system for all failed test results to be reported to the City well within the required 4-hour window, while successful test results are batched for submission, typically by the end of the same business day.

- **Data Verification:** All technicians are required to cross-reference & verify every assembly's information matches the provided data and report any discrepancies to ensure asset management efforts are accurate.
- **Safety:** For devises located in high-traffic areas or medians, Lawson utilizes appropriate equipment to ensure safety of the public & the technician(s) in compliance with all OSHA requirements.
- **Necessary Equipment & Tools:** As per contract requirements, Lawson will supply all resources needed to perform including all approved & calibrated testing devices, safety gear, and any other PPE.
- **Training:** All associated personnel will undergo a mandatory internal orientation to align with the City's specific expectations such as portal walkthroughs, customer interaction protocols, required display of the City-provided ID badge, etc.

**TAB H: Exceptions** (see Sections 6.10 and 10.7).

Describe any and all proposed exceptions, alterations or amendments to the Scope of Services or other requirements of this RFP, including the Sample Contract (**Attachment D**). The nature and scope of your proposed exceptions may negatively affect the evaluation of your submittal and the City's determination of whether it is possible to successfully negotiate a contract with your firm.

Lawson SSP Group does not have any exceptions, alterations or amendments to the Scope of Services of any other requirements as detailed in this RFP, including the provided sample contract.

**TAB I: Competency of Proposers** (see Section 6.11).

Please list and explain any pending bankruptcies, liens, stop payment notices, judgments, lawsuits, arbitrations, mediations, foreclosures, and any similar actions filed or resolved in the past seven (7) years. Please indicate whether a client has ever terminated a contract with your firm for breach, and if so, please explain.

See attached documents.

**TAB G: Required Statements/Documents**

**Statements:**

Please review and sign each statement, if agreed to. If not, strike out the section and provide an explanation in your cover letter.

***Assurance of Designated Project Team***

Proposer commits that the designated project team will be used for this project. Additionally, proposer assures that departure or reassignment of, or substitution for, any member of the designated project team shall not be made without the prior written approval of the City.

Signature of Authorized Representative

***Absence of a Conflict of Interest***

Proposer warrants no conflicts of interest as referenced in General Terms and Conditions, Conflict of Interest (Section 10.4)

Signature of Authorized Representative

***Ability and Agreement to Fulfill the Indemnification and Insurance Requirements***

Proposer is able and agrees to fulfill the indemnification and insurance requirements contained in the sample contract.

Signature of Authorized Representative

***Nothing Contained in Submitted Proposal Is Proprietary***

Proposer affirms that nothing contained in this submitted proposal is proprietary.

Signature of Authorized Representative

**Documents** (see Section 6.9). Attach the following documents to this form:

- Proof of registration with the **California Secretary of State, if applicable** (see **Section 1.4**)
- Executed copy of **Proposer's Certification** (see **Section 6.2** Signature Requirements, **Section 10.5**, Undue Influence, and **Attachment A**)
- Executed copy of **Levine Act Disclosure Statement Form** (see **Attachment B**)
- Executed copy of **Non-collusion Declaration** (see **Attachment C**)
- **Technology Security and Standards Matrix** (Services) (see **Attachment H**)

Date

Provide a total cost proposal for all products and services to be delivered. The City intends to negotiate uniform pricing across all chosen contractors. If proposing optional services of a Certified Cross-Connection Control Specialist, include a schedule of hourly rates

Contractors need only provide pricing for the quantities they have the ability and resources to perform on an annual basis. For instance, if the contractor can only commit to testing up to 1,000 assemblies within the ten-month testing period, this is the number that should be filed into the estimated annual quantity box in the table below.

The estimated quantity is provided by the Contractor is for bidding purposes only. Payment will be made based on the number of tests assigned and performed each month.

Unit Price shall include all overhead rates to cover costs and other compensation of contractor's officers, executives, principals (of partnership and sole proprietorships), general managers, specialists, accountants,

purchasing and contracting agents, clerks and other personnel employed by contractor whether at the site or in its principal or a branch office for general administration of the work and not specifically included in the list of personnel. Unit price shall also include any part of capital expenses, including necessary transportation, travel and subsistence expense of contractor's employees incurred in discharge of duties connected with performance of the services.

Unit price shall also include expenses connected with performance of the services such as insurance, copies, computers, software, office supplies, postage, communications and any other expense incurred to accomplish the work. Note that no separate charges for these items will be allowed.

| Description | Estimated Annual Qty | Unit Price ($ Each) | Total Amount Bid (Annual Quantity x Unit Price) |
|---|---|---|---|
| Perform Backflow Prevention Assembly Test as per included Request for Proposal and Scope of Work | (X of 5,200) | $ 80.00 | $ 416,000.00 |
| | | Hourly Rate | |
| Provide optional services of a Certified Cross-Connection Control Specialist. | | $ 160.00 | |

## QUALIFICATIONS

As one of the largest and most diverse mechanical contractors in Northern California, we operate our own 56,000 square foot pipe and duct manufacturing facility that enables us to provide greater cost controls and the custom fabrication needs to our clients. This gives Lawson the ability to deliver your project or service repair on time and specifically built for The City of Roseville's specifications. Lawson has one of the most advanced and capable BIM CAD/CAM departments on the West Coast. Our expertise in engineering and pre-construction analysis has proven to save thousands of dollars by leveraging advanced modeling technologies to identify design issues and conflicts before they happen in the field. With decades of experience utilizing in-shop materials staging, our team will provide the greatest on-site efficiencies for your project or service repair. The ultimate result of our design and production efforts is a quick and clean installation that keeps costs low, improves the completion schedule, and produces a collaborative working environment.

Our scope of backflow prevention services includes coordinating with customers, inspecting backflow assemblies, reporting test results per defined requirements, and ensuring all work meets state & local standards. Lawson's team provides a wide range of services for various environments including low rise and high-rise commercial buildings, central plants, water treatment facilities, semi-conductor facilities, hospitals, medical office buildings, industrial, educational, gaming facilities, retail, hospitality, detention and correctional facilities.

Lawson's staff includes certified technicians, LEED-accredited professionals, OSHA certified field personnel, and has numerous employees that are active in various industry affiliations such as SMACNA, APMC, Sacramento Builders Exchange, and DBIA to ensure we stay proactive on the latest industry and code requirements.

## ORGANIZATION & LEGAL STATUS

Lawson Mechanical Contractors, a California Corporation (S-Corp) was established in 1947 and incorporated in June of 1958 in the State of California. Lawson is a union company self-performing 85% to 100% of our own work.

In 2021, Lawson Mechanical Contractors, LLC (LMC, LLC) was formed for succession planning

and business purposes. Effective 4/1/2023, construction operations were transferred to LMC, LLC. LMC S-Corp is an 80% member of LMC, LLC. Effective 9/7/2023, Lawson SSP Group, LLC was formed as a separate entity for performance of special projects and service/maintenance work. LMC, LLC is a 90% member of Lawson SSP Group, LLC. David Lawson is the President/CEO of all three entities. Rodney Barbour is the Executive Vice President of all three entities.

### Organizational Charts

Our company & corporate organizational charts are included in Section C: Qualifications of Team.

### Staffing Levels

Current number of employees: 219

Average number of employees:

| | |

Lawson SSP Group is uniquely qualified to support the City of Roseville with an experienced group of individuals led by team members that have an extensive history working with Roseville's facilities group. We can & have supported the City of Roseville with its mechanical, plumbing and refrigeration needs from ground up construction to maintenance & retrofits of existing buildings.

## SERVICE & MAINTENANCE TEAM

### **Robert McClintock,** *Service Manager*

*Years in Industry:* 19 years
*Years with Lawson:* 3.5 years
*Home Office Location:* Sacramento
*Education:* Plumbers & Pipefitters Apprenticeship — Local 447
*Certifications:* CPR & First Aid, Scissor Lift, Forklift

Robert is a seasoned construction professional with a diverse background in plumbing, service, and project management. His hands-on experience as a union plumber and service technician, coupled with his leadership role as a Project Start-Up Commissioning Foreman, provides a unique blend of technical expertise and managerial acumen.

As a key point of contact for the City of Roseville, Robert will leverage his industry insights to efficiently manage proposal and project documentation, ensuring timely completion and client satisfaction. His ability to identify customer needs and deliver effective solutions will be instrumental in the success of this project.

#### RELEVANT CLIENTS/PROJECT EXPERIENCE

- Placer County Office of Education
- Placer County
- William Jessup University
- Twin Rivers Unified School District

## **Robert Fore,** *Director of Field Operations — Nevada*

*Years in Industry:* 37 years
*Years with Lawson:* 13 years
*Home Office Location:* Sacramento
*Education:* Plumbers & Pipefitters Apprenticeship — Local 447
*Certifications:* OSHA 30-Hour, OSHA 1-Hour, CPR & First Aid, Liebert Certified, Climacool Certified, Fan Wall System Certified, Rental & Lift Equipment Certified
*Affiliations:* Instructor, Plumbers & Pipefitters Local 104 Apprenticeship

With over three decades of HVAC industry experience, Robert Fore is a seasoned leader at Lawson. As Sr. Technical Advisor, he drives excellence in technical expertise and operational efficiency. Robert's strong leadership and management skills, honed over 18 years of supervisory experience, will be invaluable in ensuring smooth operations and timely project completion for the City of Roseville. His commitment to safety, quality, and customer satisfaction aligns perfectly with the city's goals.

By overseeing training programs, expanding service capabilities, and implementing new procedures, Robert will contribute to the city's long-term sustainability and operational efficiency. His deep industry knowledge and strategic insights will help identify opportunities for cost savings and energy efficiency, ultimately benefiting the City of Roseville and its residents.

### RELEVANT CLIENTS/PROJECT EXPERIENCE

- Roseville Chamber of Commerce
- Sacramento Housing & Redevelopment
- William Jessup University
- Twin Rivers Unified School District

---

## **Kevin Berzin,** *Plumbing & Pipefitting Superintendent*

*Years in Industry:* 22 years
*Years with Lawson:* 4 years
*Home Office Location:* Sacramento
*Education:* Plumbers & Pipefitters Apprenticeship — Local 447
*Certifications:* CPR & First Aid, OSHA-10, OSHA-30, Brazing, Medical Gas, Scissor Lift, Forklift

Kevin has twenty years of plumbing and pipefitting experience, having completed his apprenticeship in 2005. As a union plumber, he has gained invaluable hands-on experience and technical expertise in the fi eld. He has worked on a variety of projects, ranging in complexity and scope, including federal, medical, office, process/industrial, and data center projects.

In his role, Kevin oversees field personnel and coordinates with owners, subcontractors, and vendors. His responsibilities also include scheduling, inventory control, conducting safety meetings, and ensuring quality control throughout the project life cycle.

### RELEVANT CLIENTS/PROJECT EXPERIENCE

- Intel Corporation — Folsom (Semiconductor)
- Kaiser — South Sacramento
- United Auburn Indian Community HQ

## ACCOUNT PLUMBERS/TECHNICIANS

Lawson SSP Group has a strong team of plumbers & pipefitters that hold and maintain required industry certifications, staying up to date on industry standards. Our plumbing team performs skilled plumbing maintenance duties including inspections, repairs, installations and alterations of sanitary sewer piping, domestic water systems, gas lines and related equipment. Our team can also perform preventative maintenance, routine servicing of equipment and respond to customers service calls, as directed by their supervisors.

In addition, all of our plumbers assigned to the City of Roseville are Roseville residents who are eager and ready to work on your facilities and to support their local community.

### **Ulises Hermosillo,** *2.5 year BPAT experience*

- AWWA BPAT Certified
- OSHA-30
- CPR & First Aid Certified
- Forklift & Scissor Lift

### **Evan Pierce,** *<1 year BPAT experience*

- AWWA BPAT Certified
- OSHA-30
- CPR & First Aid Certified
- Medical Gas Installer Qualified

### **Michael Purscell,** *<1 year BPAT experience*

- CPR & First Aid
- OSHA-10 & OSHA-30
- Brazing Certified
- Forklift & Scissor lift

## COMPANY LEADERSHIP TEAM

### **Eric Fuchino,** *Sr. Vice President & General Manager*

*Years in Industry:* 31 years
*Years with Lawson:* 13 years
*Home Office Location:* Sacramento
*Education:* Sacramento City Jr. College MET Program, Business Management, Strategic Planning
*Certifications:* OSHA 30, HVAC-R Training, DDC Controls
*Affiliations:* National MSCA Education Committee Co-Chair

As General Manager and nationally recognized Safety Director, Eric is a seasoned leader with a proven track record of driving operational excellence and fostering a culture of safety. His strategic approach to business operations, coupled with his deep understanding of risk management and regulatory compliance, will be invaluable in ensuring the successful execution of projects for the City of Roseville.

Eric's expertise in leading diverse teams and his focus on customer satisfaction will contribute to building strong relationships with the city and delivering exceptional results. His leadership will drive increased productivity, cost-effectiveness, and overall project success.

#### RELEVANT CLIENTS/PROJECT EXPERIENCE

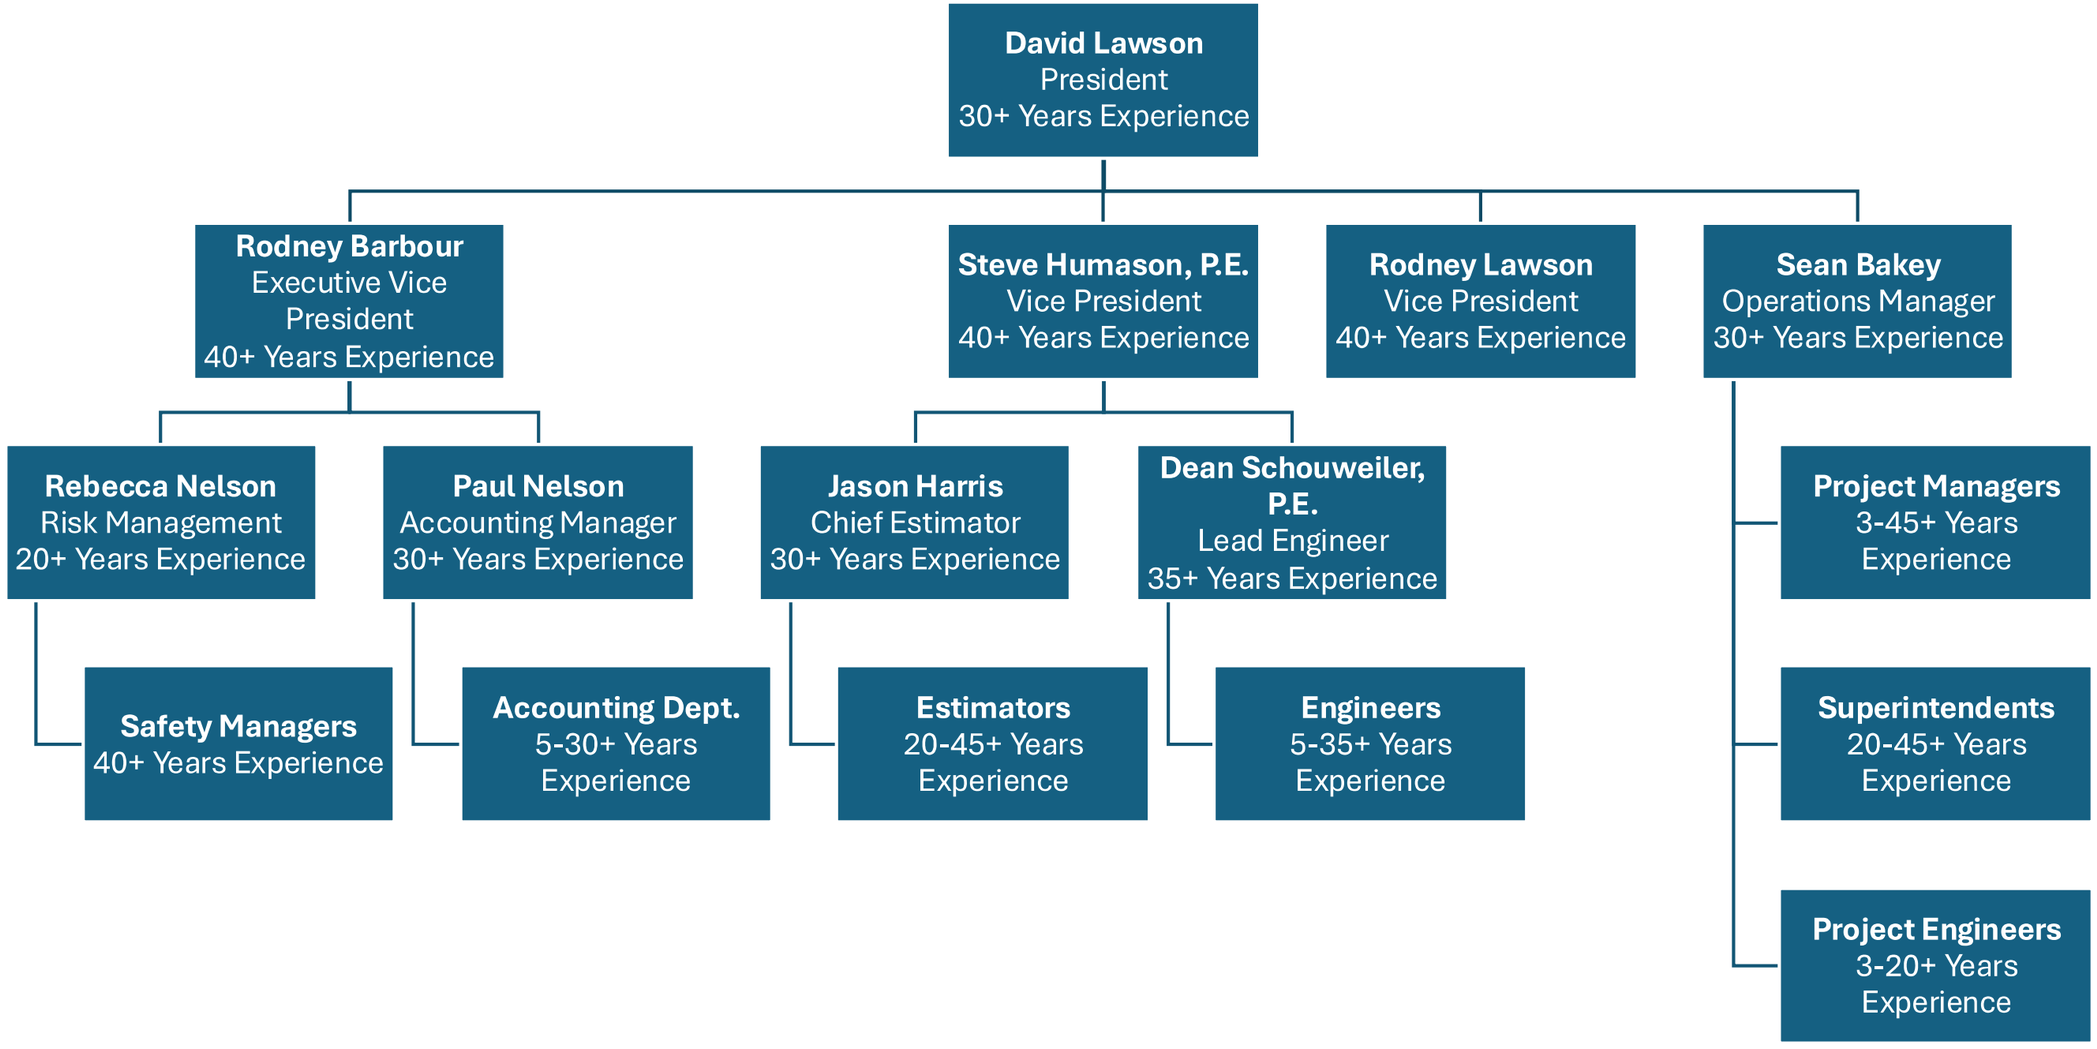
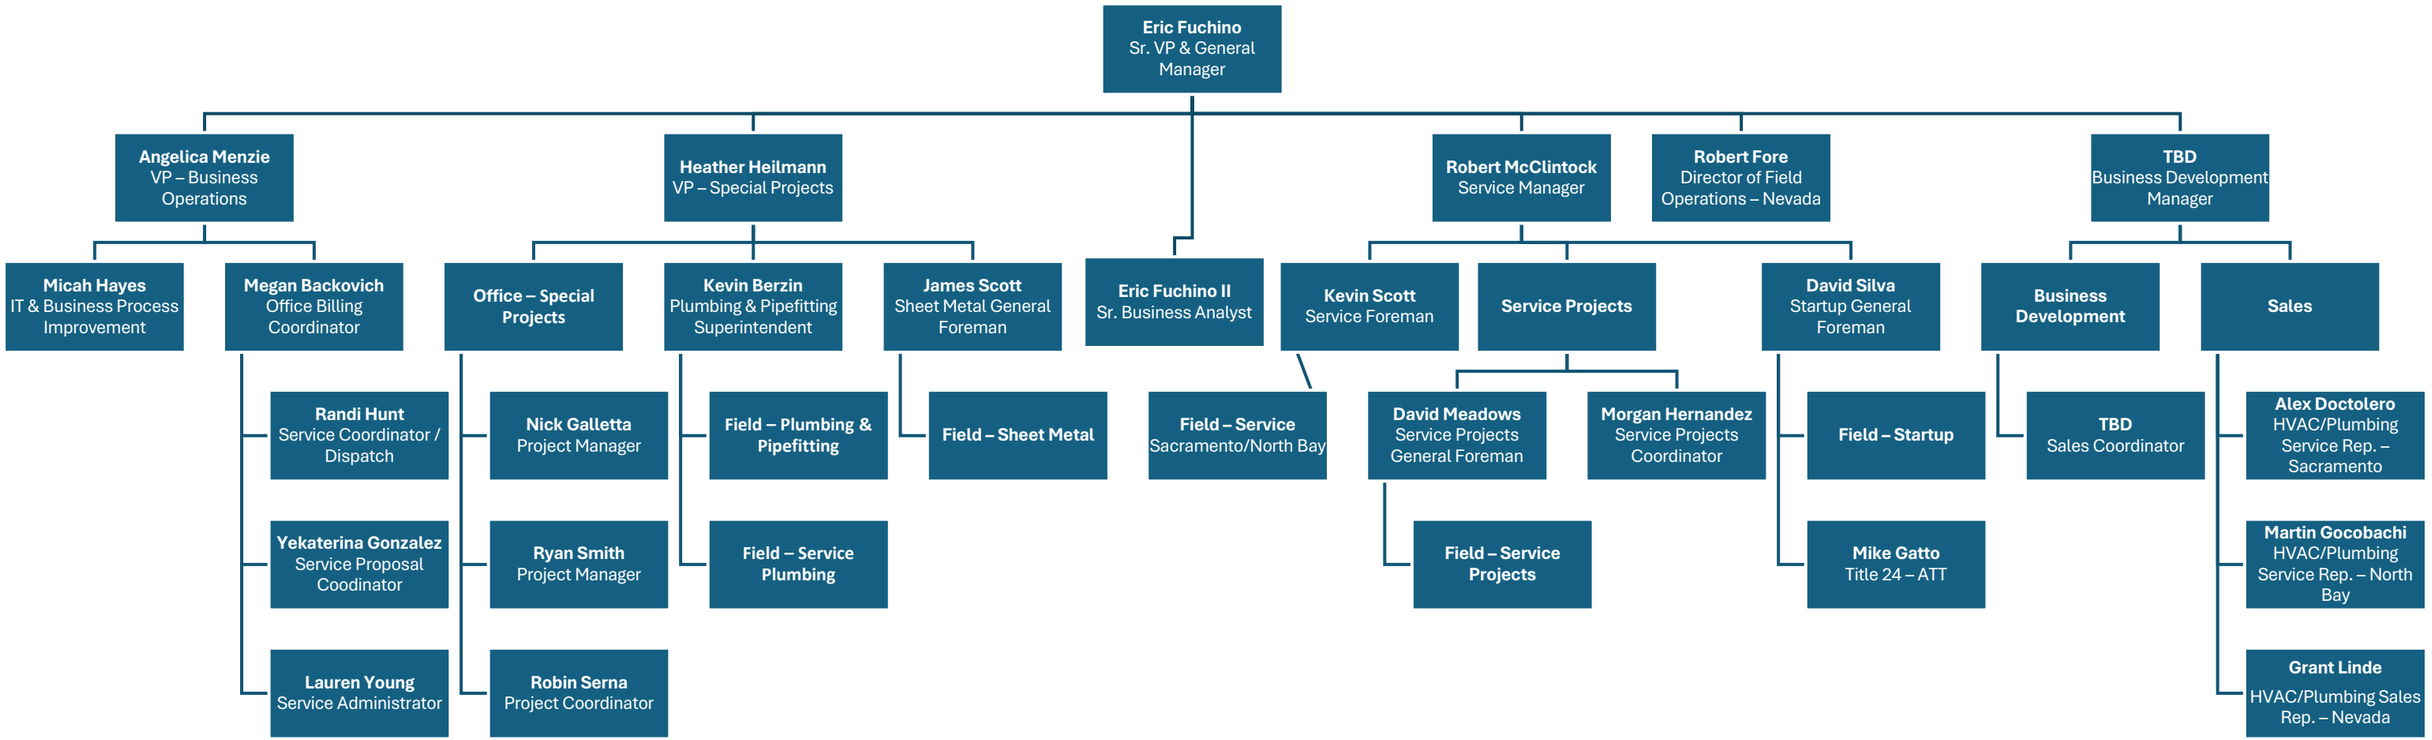
# Lawson Mechanical Contractors
## Corporate Office Organization Chart



# Lawson SSP Group Company Organization Chart



## SCOPE OVERVIEW

Lawson SSP Group understands the City of Roseville requires a qualified contractor to perform annual backflow prevention assembly tests across its water service area. We recognize that the primary objective is to ensure the integrity of the public water system by verifying the operational status of both residential and commercial assemblies. Our role is strictly defined as an authorized representative of the City for testing and reporting. Lawson fully understands that while we must report failures, the responsibility for repairs and maintenance lies with the assembly owners.

With regard to the Certified Cross-Connection Control Specialist, our technician is actively pursuing a certification in this skill. Upon completion, we will submit all necessary documentation as requested.

To ensure the successful implementation of the City's backflow testing program, Lawson utilizes a structured project plan that prioritizes regulatory compliance, technician accountability, and seamless data transfer.

## EXECUTION PLAN

Lawson's Project Plan is centered around the following core priorities to ensure all tests are executed accurately & on schedule:

- **Workflow Management:** Lawson will manage all allocated testing work orders utilizing sophisticated dispatching processes to ensure maximum efficiency & streamline output.
- **Standard Testing Procedures:** All personnel will perform testing in strict accordance with City requirements and industry-recognized methodologies.
- **Priority Reporting Protocol:** We will utilize our established "Red Flag" urgency notification system for all failed test results to be reported to the City well within the required 4-hour window, while successful test results are batched for submission, typically by the end of the same business day.
- **Data Verification:** All technicians are required to cross-reference & verify every assembly's information matches the provided data and report any discrepancies to ensure asset management efforts are accurate.
- **Safety:** For devises located in high-traffic areas or medians, Lawson utilizes appropriate equipment to ensure safety of the public & the technician(s) in compliance with all OSHA requirements.
- **Necessary Equipment & Tools:** As per contract requirements, Lawson will supply all resources needed to perform including all approved & calibrated testing devices, safety gear, and any other PPE.
- **Training:** All associated personnel will undergo a mandatory internal orientation to align with the City's specific expectations such as portal walkthroughs, customer interaction protocols, required display of the City-provided ID badge, etc.

**Phone Number:**
**E-mail Address:**

**Bid Submitted By:**

Eric Fuchino
Printed Name

Signature

Sr. Vice President, General Manager
Title

1/5/2026
Date

Provide a total cost proposal for all products and services to be delivered. The City intends to negotiate uniform pricing across all chosen contractors. If proposing optional services of a Certified Cross-Connection Control Specialist, include a schedule of hourly rates

Contractors need only provide pricing for the quantities they have the ability and resources to perform on an annual basis. For instance, if the contractor can only commit to testing up to 1,000 assemblies within the ten-month testing period, this is the number that should be filed into the estimated annual quantity box in the table below.

The estimated quantity is provided by the Contractor is for bidding purposes only. Payment will be made based on the number of tests assigned and performed each month.

Unit Price shall include all overhead rates to cover costs and other compensation of contractor's officers, executives, principals (of partnership and sole proprietorships), general managers, specialists, accountants,

purchasing and contracting agents, clerks and other personnel employed by contractor whether at the site or in its principal or a branch office for general administration of the work and not specifically included in the list of personnel. Unit price shall also include any part of capital expenses, including necessary transportation, travel and subsistence expense of contractor's employees incurred in discharge of duties connected with performance of the services.

Unit price shall also include expenses connected with performance of the services such as insurance, copies, computers, software, office supplies, postage, communications and any other expense incurred to accomplish the work. Note that no separate charges for these items will be allowed.

| Description | Estimated Annual Qty | Unit Price ($ Each) | Total Amount Bid (Annual Quantity x Unit Price) |
|---|---|---|---|
| Perform Backflow Prevention Assembly Test as per included Request for Proposal and Scope of Work | (X of 5,200) | $ 98.00 | $ 509,600.00 |
| | | Hourly Rate | |
| Provide optional services of a Certified Cross-Connection Control Specialist. | | $ 160.00 | |

## STATEMENTS

### RFP SECTION 5.0 — Assurance of Designated Team

Lawson SSP Group assures that the designated project team, including any subcontractors, will be used for this project. Departure or reassignment of, or substitution of, any member of the designated project team, or subcontractors shall not be made without the prior written approval of the City of Roseville.

### RFP SECTION 10.4 — Conflict of Interest

Lawson SSP Group warrants that no official or employee of the City has an interest, has been employed or retained to solicit or aid in the procuring of the resulting contract, nor that any such person will be employed in the performance of such contract without immediate divulgence of such fact to the City.

### RFP SECTION 10.7 — Indemnification & Insurance Requirements

Lawson SSP Group takes no exception and will comply to the standard indemnification and insurance requirements as provided in Attachment D - Sample Contract.

### RFP SECTION 10.23 — Proprietary Information

Lawson SSP Group assures nothing contained in this proposal is proprietary.

## DOCUMENTS

The following RFP attachments are included:

- Proof of Registration with California Secretary of State
- Attachment A — Proposer's Certification
- Attachment B — Levine Act Disclosure Statement Form
- Attachment C — Non-collusion Declaration
- Attachment H — Technology Security & Standards Matrix
- Signed Addendum #1 provided 11/13/2025

Please review and sign each statement, if agreed to. If not, strike out the section and provide an explanation in your cover letter.

***Assurance of Designated Project Team***

Proposer commits that the designated project team will be used for this project. Additionally, proposer assures that departure or reassignment of, or substitution for, any member of the designated project team shall not be made without the prior written approval of the City.

Signature of Authorized Representative

***Absence of a Conflict of Interest***

Proposer warrants no conflicts of interest as referenced in General Terms and Conditions, Conflict of Interest (Section 10.4)

Signature of Authorized Representative

***Ability and Agreement to Fulfill the Indemnification and Insurance Requirements***

Proposer is able and agrees to fulfill the indemnification and insurance requirements contained in the sample contract.

Signature of Authorized Representative

***Nothing Contained in Submitted Proposal Is Proprietary***

Proposer affirms that nothing contained in this submitted proposal is proprietary.

Signature of Authorized Representative

# ATTACHMENT A: PROPOSER'S CERTIFICATION

I hereby propose to furnish the goods or services specified in the Request for Proposals ("RFP"). I agree that my proposal will remain firm for a period of up to ninety (90) days in order to allow the City of Roseville ("City") adequate time to evaluate the qualifications submitted.

I have carefully examined the Request for Proposals and any other documents accompanying or made a part of this RFP. The information contained in this proposal is true and correct to the best of my knowledge and is signed under penalty of perjury under the laws of the State of California. I further certify that I am duly authorized to submit this proposal on behalf of the firm as its authorized agent and that the firm is ready, willing and able to perform if awarded the contract.

I further certify that this proposal is made without prior understanding, agreement, connection, discussion, or conspiracy with any other person, firm or corporation submitting a proposal for the same product or service; that this proposal is fair and made without outside control, collusion, fraud or illegal action; that no officer, employee or agent of the City or any other proposer is financially interested in said proposal; that no undue influence or pressure was used against or in concert with any officer, employee or agent of the City in connection with the award or terms of the contract that will be executed as a result of this RFP; and that the undersigned executed this Proposer's Certification with full knowledge and understanding of the matters therein contained and was duly authorized to do so.

# ATTACHMENT B: LEVINE ACT DISCLOSURE STATEMENT

**(The completed form submitted to the City of Roseville is a public record.)**

California Government Code Section 84308, commonly referred to as the "Levine Act," prohibits any "Officer" (elected or appointed officer, any alternate thereto, and any candidate for elective office) from participating in any consideration or action related to a proceeding if they receive political contribution(s) from a party, or its agent(s), totaling more than $250 within the previous twelve (12) months, while a proceeding is pending, and for twelve (12) months following the date of a final decision in a proceeding concerning a license, permit, other entitlement for use, franchise, or contract (collectively "license, permit, or contract"). For additional information: https://www.roseville.ca.us/government/departments/city_clerk/transparency/levine_act.

City Officers are listed at the following sites:

- The Members of City Council - https://www.roseville.ca.us/government/city_council/meet_council
- Boards & Commission Members - https://www.roseville.ca.us/government/boards_commissions

**Parties and their Agents are responsible for reviewing and disclosing their applicable contributions to City Officers on the record of a proceeding.**

1. Have you or your entity, or any agent on behalf of you or your entity, made any political contribution(s) totaling more than $250 to any City Officer in the twelve (12) months preceding the date of the submission of your license, permit, or contract, or the anticipated date of any City Council, Board, or Commission consideration or action related to this license, permit, or contract?

YES ____ NO X

If yes, please identify the City Officer(s):_____

2. Do you or your entity, or any agent on behalf of you or your entity, anticipate or plan to make any political contribution(s) totaling more than $250 to any City Officer in the twelve (12) months following any City Council, Board, or Commission consideration or action related to this license, permit, or contract?

YES ____ NO X

If yes, please identify the City Officer(s):_____

Answering yes to either of the two questions above does not preclude the City of Roseville from considering and/or taking action on a license, permit, or contract. It does, however, potentially preclude the identified City Officers from participating in consideration of and in taking any actions related to the license, permit, or contract. Please accurately complete and sign this form, under the penalty of perjury:

| 1/5/2026 | Eric Fuchino, Sr. Vice President & General Manager | Lawson SSP Group, LLC |
|---|---|---|
| (Date) | (Printed Name/Title of Authorized Representative) | (Name of business/legal entity) |

(Signature)

**You must submit a supplemental form if you make any new reportable contribution(s) while the contract, license, permit, or other entitlement is being considered.** If this form has not previously been submitted in connection with a contracting, licensing, entitlement or permitting process, please provide the completed form to the Office of the City Clerk for appropriate departmental routing, at: City Clerk, 311 Vernon St., Roseville, CA 95678, CityClerkRoseville@roseville.ca.us

**(The completed form submitted to the City of Roseville is a public record.)**

| Term | Definition | Law |
|---|---|---|
| **Covered "proceedings"** | A proceeding to grant, deny, revoke, restrict, or modify a license, permit or other entitlement for use, that does not solely involve purely ministerial decisions and is:<br>(1) Applied for by the party;<br>(2) Formally or informally requested by the party; or<br>(3) A contract between the agency and the party or a franchisee granted by the agency to the party, other than a contract that is **competitively bid**, a **labor contract**, or a **personal employment contract**. | FPPC Reg 18438.2(a) |
| **Party** | Any person who files an application for, or is the subject of, a proceeding involving a license, permit, or other entitlement for use. | Gov. Code 84308(a)(1) |
| **Participant** | Any person who is not a party but who actively supports or opposes a particular decision in a proceeding involving a license, permit, or other entitlement for use and who has a financial interest in the decision. A person actively supports or opposes a particular decision in a proceeding if that person lobbies in person the officers or employees of the agency, testifies in person before the agency, or otherwise acts to influence officers of the agency. | Gov. Code 84308(a)(2)<br>FPPC Reg 18438.4 |
| **Agent** | A person who represents a party or participant for compensation and appears before or otherwise communicates with the governmental agency for the purpose of influencing the pending proceeding. See FPPC Reg 18438.3 for exceptions for certain consultants. | FPPC Reg 18438.3 |
| **Competitively Bid** | A contract required by law to be awarded to the lowest responsible bidder with a responsive bid, or, if the successful bidder refuses or fails to execute the contract, to the next lowest bidder with a responsive bid. | FPPC Reg 18438.2(a)(3)(A) |
| **Labor Contract** | A contract or agreement reached through collective bargaining or with a representative group regarding the salary, benefits, or terms and conditions under an employment or retirement policy for employees or retirees, including a project labor agreement entered under Public Contract Code Section 2500. | FPPC Reg 18438.2(a)(3)(B) |
| **Personal Employment Contract** | A contract for employment, including the terms and conditions of employment, between the agency and an agency employee. A contract with an independent contractor is NOT a personal employment contract. | FPPC Reg 18438.2(a)(3)(C)-(D) |

A **party** to a proceeding before an agency involving a license, permit, or other entitlement for use **shall disclose on the record of the proceeding** any contribution in an amount of more than two hundred fifty dollars ($250) made within the preceding 12 months by the party or the party's agent.

A **party**, **or agent to a party**, to a proceeding involving a license, permit, or other entitlement for use pending before any agency or a participant, or agent to a participant, in the proceeding **shall not make a contribution** of more than two hundred fifty dollars ($250) to any officer of that agency during the proceeding and for 12 months following the date a final decision is rendered by the agency in the proceeding.

(Gov. Code, § 84308, emphasis added.)

# ATTACHMENT C: NONCOLLUSION DECLARATION

## NONCOLLUSION DECLARATION TO BE EXECUTED BY BIDDER AND SUBMITTED WITH BID

The undersigned declares:

I am the Sr. Vice President & General Manager of Lawson SSP Group, LLC, the party making the foregoing bid.

The bid is not made in the interest of, or on behalf of, any undisclosed person, partnership, company, association, organization, or corporation. The bid is genuine and not collusive or sham. The bidder has not directly or indirectly induced or solicited any other bidder to put in a false or sham bid. The bidder has not directly or indirectly colluded, conspired, connived, or agreed with any bidder or anyone else to put in a sham bid, or to refrain from bidding. The bidder has not in any manner, directly or indirectly, sought by agreement, communication, or conference with anyone to fix the bid price of the bidder or any other bidder, or to fix any overhead, profit, or cost element of the bid price, or of that of any other bidder. All statements contained in the bid are true. The bidder has not, directly or indirectly, submitted his or her bid price or any breakdown thereof, or the contents thereof, or divulged information or data relative thereto, to any corporation, partnership, company, association, organization, bid depository, or to any member or agent thereof, to effectuate a collusive or sham bid, and has not paid, and will not pay, any person or entity for such purpose.

Any person executing this declaration on behalf of a bidder that is a corporation, partnership, joint venture, limited liability company, limited liability partnership, or any other entity, hereby represents that he or she has full power to execute, and does execute, this declaration on behalf of the bidder.

I declare under penalty of perjury under the laws of the State of California that the foregoing is true and correct and that this declaration is executed on January 5, 2026 [date], at Sacramento [city], CA [state].

(Signature of Declarant)

# ATTACHMENT H: TECHNOLOGY SECURITY AND STANDARDS MATRIX (SERVICES)

The Technology Security and Standards Matrix ("Matrix") will be used to determine the compatibility of Vendor' services to the technology and security standards of the City of Roseville. In the third column from the left, please enter the response to the requirement based upon the possible responses below. An omitted response or a deviation from the alpha responses provided below will be construed to be a "NO" – not supported and/or is not provided as part of the proposal. If you need to add any comments to further clarify your response, please do so in the column specified

| Response Code | Definition |
|---|---|
| **Y (YES)** | The vendor is in compliance (or agrees) with the described requirement. |
| **N (NO)** | The vendor is not in compliance with the described requirement; explain in the Comments column. |
| **P (PENDING)** | Compliance with the described requirement is planned and will be in place at no additional charge prior to the delivery of services. Please state the estimated date for compliance. |
| **C (COST)** | Compliance with the described requirement is not currently available, but can be provided at an additional cost. The Vendor is to provide an explanation in the Comments column along with the estimated number of hours and cost. |
| **E (EXCEPTION)** | Notes an exception to the requirement (if the Vendor achieves the same or similar outcome with a different standard). |
| **NA (Not Applicable)** | This requirement is not applicable to the Vendor. |

| # | Requirement | Response Code | Comments |
|---|---|---|---|
| | Vulnerability Management | | |
| 1 | Vendor's workstations used to connect to City systems have anti-virus enabled and are patched/updated within industry-standard timeframes (e.g., critical patches within 14 days). | Y | |
| 2 | Vendor won't use any workstations to connect to City systems that has unsupported or end-of-life software components. | Y | |
| | Access Controls | | |
| 3 | Vendor's remote access to City's systems (on-prem or cloud) will be secured using multifactor authentication (MFA) and City-approved secure access method. | Y | |
| 4 | Vendor will use named, unique user accounts for access to any City systems. | Y | |
| 5 | The vendor must use strong, unique passwords or passphrases for their systems and accounts. | Y | |
| 6 | The vendor must never send or share passwords in a way that exposes them as plain, readable text. | Y | |
| | Email and Communications | | |
| 7 | Vendor uses a secure, business-class email account associated with a custom domain owned and managed by the Vendor or their organization (e.g., name@company.com) for all communications in the delivery of services. | Y | |
| 8 | The Vendor's email system enforces multi-factor authentication (MFA) and is protected by up-to-date anti-malware and anti-phishing controls. | Y | |

**TO: Proposers**

**FROM: Rachel Tooker, Environmental Utilities Dept.**

**RE: RFP #08-172**

***************ADDENDUM ONE*************

**Please note the following information, which represents one attachment:**

*This addendum provides the questions and answers discussed at the optional pre-proposal meeting on November 12, 2025 and highlights one clarification to the RFP made during the City's presentation. A copy of the PowerPoint presented at the meeting is posted on Public Purchase.*

***Note that proposers must acknowledge receipt of this information by signing and attaching this addendum to their proposal submission.***

***Clarification:*** In its presentation, the City provided a clarification on the testing process description in the RFP, "no maintenance required" section on page 10 of 60. The RFP states that the Contractor may propose repair services to the backflow owner, if requested by the owner. The contractual relationship for these services will be with the backflow owner and not with the City. The clarification provided is that if a backflow fails inspection, the contractor may not offer services to the tenants/owners during the inspection or make repairs while on site during the inspection. Instead, they must submit failure documentation to the City, which will then review the inspection report and notify the customer of the need for repair. The customer will then take the lead on selecting a repair vendor once they receive this notice.

**Question:** How will invoicing be handled?
**Answer:** At the end of each month (after month close), contractors will submit an invoice detailing the number of tests performed. The invoice will be checked against tests the contractor has logged into the asset management and work order system. Tests will be compensated at the fixed-rate charge stated in the contract. The City will have up to 30 days upon receiving the invoice to send payment to the contractor.

**Question:** When contractors are provided with backflow devices to test, will they have exact locations (address, etc.)?
**Answer:** Each work order for backflow inspection will include the address, physical location, and size, make, and model.

**Question:** How many hours per week should we expect to allocate for a Cross-Connection Control Specialist (CCCS)?

**Answer:** This is an optional service. We do not expect to need services from a CCCS for more than a few hours over the course of a year. The City does have specialists on staff but can envision the need to bring in outside services on occasion for support on a backflow incident, hazard assessment or other circumstance. If we have on call access to a CCCS through one or more contracts with our inspection vendor(s), that will provide ease in bringing in these services if needed.

Company Lawson SSP Group Date 1/5/2026

# Exceptions

Lawson SSP Group does not have any exceptions, alterations or amendments to the Scope of Services of any other requirements as detailed in this RFP, including the provided sample contract.

# Competency of Proposers

In accordance with RFP 6.11 Competency of Proposers, the following are a few short responses regarding any pending or outstanding bankruptcies, liens, stop payment notices, judgments, lawsuits, arbitrations, mediations, foreclosures, or any similar actions filed or resolved in the past seven (7) years.

## Has your organization ever failed to complete any work awarded to it?

No.

## Are there any pending or outstanding judgements, claims, arbitration proceedings or lawsuits against your organization or its officers?

No.

## Has your organization filed any lawsuits or requested arbitration regarding construction contracts within the last seven (7) years?

Yes, although Lawson SSP Group, LLC has not filed any lawsuits or requested arbitration regarding construction contracts for its work. Its parent company, Lawson Mechanical Contractors, LLC has been involved in lawsuits regarding projects not performed by Lawson SSP Group, LLC.

See the following page for information regarding those claims.

**LITIGATION DETAILS – LAST SEVEN YEARS**

In the last seven years, LMC was a party to two claims involving litigation/arbitration.

Claim 1:
Project Name: 19th & J Mixed Use Apartment Project
Owner: 19J, LLC (Mohanna Development)
General Contractor: Davis/Reed Construction, Inc.
LMC Scope of Work: Design Build HVAC

LMC performed Design Build HVAC work on the project and was involved in AAA arbitration that included the owner (19J, LLC), general contractor (Davis/Reed Construction, Inc.), and approximately 25 trade subcontractors.

Prior to the filing of the AAA arbitration action, LMC pursued its claims for past due progress payments, retention, and outstanding direct cost change orders through the filing of a mechanic's lien and lender stop notice. LMC was successful in negotiating with the owner for payment of its subcontract balance, including retention, and most of its direct cost change orders.

LMC successfully pursued the collection of its last remaining direct change orders through the contractually mandated arbitration process. This claim was resolved in 2022.

Claim 2:
Project Name: Sacramento State P3 Student Housing
Owner: GEDR Sacramento, LLC, a Delaware Limited Liability Company
General Contractor: Sundt Construction, Inc.
LMC Scope of Work: Mechanical

LMC is currently a party to ongoing litigation with Sundt Construction, Inc. LMC filed an action against Sundt for breach of contract on the above project (complaint filed on 6/13/2022 in Superior Court of California, Sacramento). Sundt wrongfully withheld monies legally due for completed and accepted work related to a property damage claim that was subject to coverage provided under the project's OCIP program.

The claim was mediated beginning in May 2024 and was settled in August 2024. LMC was successful in collecting 100% of its contract balance plus substantially all of its collection costs.

Lawson has been a successful and financially stable mechanical contractor since 1947. We are a union contractor which provides us the capacity to mobilized skilled labor scalable for both large and small projects and service field teams. Our support and administrative team are supported with continuous education plans and office flexibility to maintain a healthy work-life balance.

As a method of financial health, Lawson has chosen to own all tool and equipment assets to be in the best position for quick response and turnkey projects. In addition, maintaining good standing with all vendors, subcontractors, and consultants at all times during the estimating, service or project execution; keeping the line of communication clear to high performance and enthusiasm to strong safety and positive job competition.

In addition to holding ourselves to a high standard of work quality, Lawson has focused on maintaining its financial health even through economic downturns through prudent financial planning and maintaining long standing relationships with our bank and bonding company. As you will see, Lawson is well established and positioned to perform on your service contract.

## Bonding Capacity

- Maximum Single Contract: $40 million
- Maximum Capacity: $100 million

| **Title:** | Chemical Tank Replacements - Sole Source Purchase Order |
| **Contact:** | Stephen Peterson 916-746-1996 speterson@roseville.ca.us |

## SUMMARY

Staff recommends approval of a sole source purchase order with Goble Sampson, for the purchase of two replacement chemical tanks used in the process of disinfecting water at the Barton Road Water Treatment Plant. The reason for the sole source is the high-density cross-linked polyethylene integrally molded flanged outlet tanks for chemical storage offer several unique benefits which are proprietary to Poly Processing's manufacturing capabilities. Goble Sampson is the manufacturer's representative for Poly Processing specifically in Northern California. The cost of this purchase is $123,348.54 with a ten percent contingency of $12,334.85, bringing the recommended contract authority to $135,683.39. This purchase will be funded from the Environmental Utilities Department's operations budget for the Water Treatment Plant in the Water Operations Fund.

## RECOMMENDATION

Staff recommends that the City Council approve a sole source purchase order with Goble Sampson, to purchase two replacement chemical tanks for the Barton Road Water Treatment Plant (BRWTP).

## BACKGROUND

The BRWTP added a chemical storage building in 2000 and expanded the storage tank capacity during the phase III expansion in 2007. The fiberglass reinforced plastic (FRP) chemical tanks use a different internal resin which is dictated by the chemical that is stored. In 2014, both Caustic Soda tanks (2000) were repaired on the lower band at the cost of $5,000 each. In 2015, the original (2000) Sodium Hypochlorite tanks were relined at a cost of $33,000 each. These repairs fell within the tank's expected lifespan of 12–15 years of rigor storing these chemicals. In July 2023, a quote was solicited to reline the caustic tanks due to failing nozzles, and they were quoted at $48,000 each. The price for relining the Sodium Hypochlorite tanks would be even higher than the caustic tanks because the oxidizing nature of the chemical necessitates a more robust lining.

Replacement Plan:
In 2021, the BRWTP completed a condition assessment performed by Carollo Engineers Inc. that flagged the chemical tanks for a possible repair or replacement in 2025. BRWTP staff is proposing to replace the existing FRP tanks with new Crosslinked Polyethylene (XLPE) tanks that are close in cost to the relining of the FRP tanks due to the following identified benefits to the City:

- The expected life span of a new XLPE tank is 20–25 years compared to the 10-12 year life span from relining the existing tanks.
- Spot repairs on the XLPE tanks are expected to be less costly and intrusive to the tank structure if necessary.
- The safety features on XLPE tanks are also better, as the tank can be fully evacuated of all chemicals with the rotomolded nozzles being below the bottom of the tank.

• BRWTP staff intends to uninstall the existing FRP tanks and install the replacement XLPE tanks in-house, which would not be possible if the tanks were to be replaced with FRP tanks. This allows the City to realize cost savings on installation.

The reason for the sole source is Poly Processing Company's high density cross-linked polyethylene IMFO tanks for chemical storage offer several unique benefits which are proprietary to Poly Processing's manufacturing capabilities:

1. The Integrally Molded Flanged Outlet (IMFO) is molded from the same high density crosslinked polyethylene material as the rest of the tank and does not require any metal inserts or penetrations through the tank wall. This has a performance benefit by mitigating the potential for leaks at the outlet and allowing the contents of the tank to be fully drained and flushed out. Flushing out metals and salts that would otherwise accumulate in the chemical storage tank from the delivery tankers helps to extend the life of the tanks. This also helps eliminate a need for personnel to have to go into the tank for cleaning/maintenance since it can be easily flushed out.

2. The crosslinkable polyethylene resin material that the tanks are made out of is Poly Processing's PolyCL resin, which has been developed specifically for rotomolding chemical storage tanks. The PolyCL resin is engineered to have superior values for material properties such as the Environmental Stress Cracking Resistance to give the tanks superior longevity. The PolyCL also has processing characteristics that allow Poly Processing to use interior surface technologies such as OR1000.

3. Poly Processing incorporates a specialized OR1000 interior surface technology for storing strong oxidizing chemicals like sodium hypochlorite. The OR1000 is a resin used to mold the inner surface of the tanks with a polyethylene that has 4 times the antioxidant additives of a standard polyethylene. This gives the inner portion of the tank superior chemical resistance to help maximize its longevity. This inner surface is molecularly bonded to the outer portion of the tank which is made of the high-density crosslinked polyethylene. This combination of the OR1000 used in conjunction with the PolyCL offers a high-density crosslinked tank that has both superior chemical resistance and mechanical integrity.

FISCAL IMPACT

The cost of the replacement tanks is $123,348.54, with a ten percent contingency of $12,334.85, bringing the recommended contract authority to $135,683.39. The funding source will be the Environmental Utilities Department's operations budget for the Water Treatment Plant in the Water Operations Fund.

ENVIRONMENTAL REVIEW

The proposed project involves the maintenance of an existing facility. This activity is categorically exempt from CEQA as a Class 1 Exemption (State CEQA Guidelines Section 15301). The Exemption has been prepared and no further CEQA action is required

CITY COUNCIL STRATEGIC PLAN/OVERARCHING GOALS

1. Ensure a safe and healthy community
4. Invest in well-planned infrastructure and growth
6. Deliver exceptional City services

Auburn, CA 95603

From: City of Roseville
Development Services Dept.
311 Vernon Street
Roseville, CA 95678

**Project Title**: Chemical Tank Replacements – Sole Source Purchase Order

**Project Location(s)**: Barton Road Water Treatment Plant, 9595 Barton Road, Granite Bay, CA 95746.

**Project Description**: The Environmental Utilities Department (EU) recommends City Council approve a sole source purchase order for the purchase and replacement of two chemical tanks used for disinfecting water at the Barton Road Water Treatment Plant (WTP). In the past, the tanks have been relined as part of their ongoing maintenance. EU had a condition assessment completed in 2021 that determined that the tanks would need to be repaired or replaced in 2025. EU determined that the tanks could be completely replaced with new Crosslinked Polyethylene (XLPE) tanks, which are made of superior materials, are safer, and have a longer lifespan of 20 to 20 to 25 years, for nearly the same price as relining the existing tanks. Additionally, repairs and maintenance are less costly and would be less invasive than future repairs on the existing tanks. The proposed tank replacement would not result in any changes to the facility's size, location, or capacity. EU purchased and replaced two tanks in 2025 and is requesting for City Council to authorize the purchase of two additional tanks identical those purchased in 2025 to continue a second phase of the project. The entire project site is paved, and there are no sensitive habitats on the site or immediately adjacent.

**Public Agency Approving Project**: Roseville City Council

**Agency/Individual Carrying Out Project**: City of Roseville Environmental Utilities Department

**Reason why this Project is Exempt:** The project qualifies for a Class 1 Categorical Exemption as described in Section 15301 of the California Environmental Quality Act (CEQA) guidelines which states:

> "Class 1 (Existing Facilities) consists of the… maintenance… of existing public or private structures, facilities, mechanical equipment, or topographical features, involving negligible or no expansion of use. Examples include but are not limited to: (b) Existing facilities of both investor and publicly owned utilities used to provide electric power, natural gas, sewerage, or other public utility services; [and] (d) Restoration or rehabilitation of deteriorated or damaged structures, facilities, or mechanical equipment to meet current standards of public health and safety."

The project consists of the replacement of two chemical tanks at the Barton Road WTP. The project would not result in increased capacity or unplanned expansion of use. Consequently, the Class 1 Categorical Exemption applies.

**Lead Agency Contact Person**: Blaine Wiegel, Roseville Department of Environmental Utilities (916- 746-1833).

|---|---|
| **Title:** | Construction Management Services for Dry Creek Wastewater Treatment Plant Collections Building Expansion Project (RFP #08-173) – Professional Services Agreement |
| **Contact:** | Inderpreet Chaggar 916-774-5553 ikchaggar@roseville.ca.us |

## SUMMARY

Staff recommends approval of a professional services agreement for construction management services with Inferrera Construction Management Group, Inc. (Inferrera) in the amount of $552,730 for the Dry Creek Wastewater Treatment Plant Collections Building Expansion Project. This agreement will be paid from the project budget in the Wastewater Construction Fund.

## RECOMMENDATION

Staff recommends that the City Council approve the Professional Services Agreement with Inferrera Construction Management Group, Inc. for Construction Management Services for the Dry Creek Wastewater Treatment Plant Collections Building Expansion Project and adopt a resolution authorizing the City Manager to execute it on behalf of the City of Roseville.

## BACKGROUND

In 2023, the Wastewater Collections Division of the City's Environmental Utility Department (EUD) initiated a new project at the Dry Creek Wastewater Treatment Plant (DCWWTP) that studied the existing undersized Collections Building. The study confirmed that a larger building is required to accommodate staff growth. The study determined the most effective method for expansion of the building space to add a conference/training room, expand warehouse storage, and add workstations for staff. Utility improvements are also required for the added space. Three improvement alternatives were provided in the study and the City selected the preferred alternatives.

In 2024, the City retained the professional design services of Kennedy/Jenks Consultants to develop the conceptual design documents for a design building construction delivery method.

On November 25, 2025, staff published Request for Proposals (RFP) #08-173 for professional services for construction management services for this project. On January 9, 2026, four (4) firms submitted proposals to the City Clerk's office for review and consideration.

Based upon review of the proposals by EUD's Proposal Evaluation Committee, Inferrera was identified as providing the best value to the City and was ranked the highest based on the evaluation criteria outlined in the RFP. Staff therefore recommends that the contract be awarded to Inferrera.

## FISCAL IMPACT

The cost of the Professional Services Agreement with Inferrera Construction Management Group, Inc is $552,730. This agreement will be paid from the Dry Creek Wastewater Treatment Plant Collections Building Expansion Project in the Wastewater Construction Fund. The approved project budget is

$6,330,000 and a budget adjustment is not required for this phase of the project.

ENVIRONMENTAL REVIEW

The proposed project involves the minor alteration an existing facility. This activity is categorically exempt from CEQA as a Class 1 (State CEQA Guidelines Sections 15301). The Exemption has been prepared and no further CEQA action is required.

**PROFESSIONAL SERVICES AGREEMENT**

Construction Management Services for Dry Creek Wastewater Treatment Plant Collections Building Expansion Project

THIS AGREEMENT is made and entered into this ___ day of _____, 20_, by and between the City of Roseville, a municipal corporation ("CITY"), and Inferrera Construction Management Group, Inc., a California corporation ("CONSULTANT"); and

W I T N E S S E T H:

WHEREAS, CITY desires professional services consisting of construction management and inspection resource allocations for the Construction Management Services for Dry Creek Wastewater Treatment Plant Collections Building Expansion project; and

WHEREAS, CONSULTANT has prepared a proposal dated February 28, 2026, which describes the scope of work to be performed by CONSULTANT, the budget for the work, and the schedule for performance of the work; and

WHEREAS, CONSULTANT is qualified and experienced to provide such professional services.

NOW, THEREFORE, the parties agree as follows:

1. Services. CONSULTANT shall perform, at the direction of CITY, the scope of services as described in EXHIBIT "A," attached hereto and incorporated herein by this reference.

2. Compensation. For its services provided hereunder, CONSULTANT shall be

compensated on a time and expense basis in accordance with the budget estimate as described in EXHIBIT "B," attached hereto and incorporated herein by this reference. Total compensation shall not exceed five hundred fifty-two thousand, seven hundred thirty dollars ($552,730).

CONSULTANT shall submit one monthly invoice for its services. Such invoices shall be delineated by task, the person performing the services, and the hourly rate, which shall be stated in time increments of not greater than one tenth (1/10) hours. CITY shall pay invoices within thirty (30) days after receipt, if the services specified in the invoice have been satisfactorily completed.

3. Indemnification. To the fullest extent allowed by law, CONSULTANT shall defend, indemnify, and save and hold harmless CITY, its officers, agents, employees and volunteers from any claims, suits or actions of every name, kind and description brought forth, or on account of, injuries to or death of any person (including but not limited to workers and the public), or damage to property, resulting from or arising out of CONSULTANT's willful misconduct or negligent act or omission while engaged in the performance of obligations or exercise of rights created by this Agreement, except those matters arising from CITY's sole negligence or willful misconduct. The parties intend that this provision shall be broadly construed.

CONSULTANT agrees to defend and indemnify CITY if, despite the parties intent and practice, any venue, agency, or court with competent jurisdiction determines that CONSULTANT and/or any of its agents, officers, employees, volunteers, independent contractors, or subcontractors, are characterized as employee(s) of CITY.

CONSULTANT's responsibility for such defense and indemnity obligations shall survive the termination or completion of this Agreement for the full period of time allowed by law. The defense and indemnity obligations of this Agreement are undertaken in addition to, and shall not

in any way be limited by, the insurance obligations contained in this Agreement.

4. Insurance. CONSULTANT agrees to continuously maintain, in full force and effect, the following minimum policies of insurance during the term of this Agreement.

| COVERAGE | LIMITS OF LIABILITY |
|---|---|
| Workers' Compensation | Statutory |
| Commercial General Liability | $1,000,000 each occurrence<br>$2,000,000 aggregate<br>Personal Injury:<br>$1,000,000 each occurrence<br>$2,000,000 aggregate |
| Automobile Liability | $1,000,000 combined single limit |
| Professional Liability (errors and omissions) | $1,000,000 per claim<br>$2,000,000 aggregate |

a. Form. CONSULTANT shall submit a certificate evidencing such coverage for the period covered by this Agreement in a form satisfactory to Risk Management and the City Attorney, prior to undertaking any work hereunder. Any insurance written on a claims made basis is subject to the approval of Risk Management and the City Attorney.

b. Additional Insureds. CONSULTANT shall also provide a separate endorsement form or section of the policy showing CITY, its officers, agents, employees and volunteers as additional insureds for each type of coverage, except for Workers' Compensation and Professional Liability. Such insurance shall specifically cover the contractual liability of CONSULTANT. The additional insured coverage under the CONSULTANT's policy shall be primary and noncontributory, as evidenced by a separate endorsement or section of the policy, and shall not seek contribution from CITY's insurance or self-insurance. In addition, the

additional insured coverage shall be at least as broad as the Insurance Services Office ("ISO") CG 20 01 Endorsement. Any available insurance proceeds in excess of the specified minimum insurance coverage requirements and limits shall be available to the additional insureds. Furthermore, the requirements for coverage and limits shall be: (1) the minimum coverage and limits specified in this Agreement; or (2) the full coverage and maximum limits of any insurance proceeds available to the named insureds, whichever is greater.

c. Cancellation/Modification. CONSULTANT shall provide ten (10) days written notice to CITY prior to cancellation or modification of any insurance required by this Agreement.

d. Umbrella/Excess Insurance. The limits of insurance required in this Agreement may be satisfied by a combination of primary and excess insurance. Any excess insurance shall contain or be endorsed to contain a provision that such coverage shall also apply on a primary and noncontributory basis for the benefit of CITY (if agreed to in a written contract) before CITY's own insurance shall be called upon to protect it as a named insured.

e. Subcontractors. CONSULTANT agrees to include in its contracts with all subcontractors the same requirements and provisions of this Agreement, including the indemnity and insurance requirements, to the extent they apply to the scope of the subcontractor's work. Furthermore, CONSULTANT shall require its subcontractors to agree to be bound to CONSULTANT and CITY in the same manner and to the same extent as CONSULTANT is bound to CITY under this Agreement. Additionally, CONSULTANT shall obligate its subcontractors to comply with these same provisions with respect to any tertiary subcontractor, regardless of tier. A copy of CITY's indemnity and insurance provisions will be furnished to the subcontractor or tertiary subcontractor upon request.

f. Self-Insured Retentions. All self-insured retentions ("SIR") must be disclosed to Risk Management for approval and shall not reduce the limits of liability. Policies containing any SIR provision shall provide or be endorsed to provide that the SIR may be satisfied by either the named insured or CITY. CITY reserves the right to obtain a full certified copy of any insurance policy and endorsements. The failure to exercise this right shall not constitute a waiver of such right.

g. Waiver of Subrogation. CONSULTANT hereby agrees to waive subrogation which any insurer of CONSULTANT may acquire from CONSULTANT by virtue of the payment of any loss under a Workers Compensation, Commercial General Liability or Automobile Liability policy. All Workers Compensation, Commercial General Liability and Automobile Liability policies shall be endorsed with a waiver of subrogation in favor of CITY, its officers, agents, employees and volunteers for all worked performed by CONSULTANT, its employees, agents and subcontractors.

h. Liability/Remedies. Insurance coverage in the minimum amounts set forth herein shall not be construed to relieve CONSULTANT of liability in excess of such coverage, nor shall it preclude CITY from taking such other actions as are available to it under any other provisions of this Agreement or law.

5. Records. CONSULTANT and its subcontractors shall maintain all files and records relating to the services performed hereunder during the term of this Agreement and for a period of not less than one (1) year after the date of termination or expiration. Provided, however, that in the event of litigation or settlement of claims arising from the performance of this Agreement, CONSULTANT and its subcontractors shall maintain all files and records until such litigation, appeals or claims are resolved. Duly authorized representatives of CITY shall

have right of access during normal business hours and after reasonable notice to CONSULTANT's and subcontractors' files and records relating to the services performed hereunder and may review and copy the files and records at appropriate stages during performance of the services and during the one (1) year period following termination or expiration of this Agreement. CONSULTANT shall include this provision in its contracts with all subcontractors.

6. Time is of the Essence. Time is of the essence of this Agreement.

7. Prevailing Wages. When applicable, for purposes of this Agreement, CONSULTANT and its subcontractors shall comply with all applicable prevailing wage laws, e.g., but not limited to, California Labor Code Sections 1770 et seq. In accordance with said Section 1775, CONSULTANT shall forfeit as a penalty to the City two hundred dollars ($200) for each calendar day or portion thereof for each worker paid less than the prevailing rates for such work or craft in which such worker is employed for any work done on-site under the Agreement by CONSULTANT or by any subcontractor in violation of the provisions of the Labor Code and in particular, Labor Code Sections 1770 to 1780, inclusive. In addition to said penalty and pursuant to said Section 1775, the difference between such stipulated prevailing wage rates and the amount paid to each worker for each calendar day or portion thereof for which each worker was paid less than the stipulated prevailing wage shall be paid to each worker by CONSULTANT or the applicable subcontractor.

Pursuant to the provisions of California Labor Code Section 1773, the contracting department has identified the source, stated below, of the general prevailing rate of wages applicable to the site to be done, for straight time, overtime, and holiday work. The holiday wage rate listed shall be applicable to all holidays recognized in the collective bargaining

agreement of the particular craft, classification or type of worker concerned. These wage rates may be obtained from the State Department of Industrial Relations and/or the following website address: http://www.dir.ca.gov/dlsr/DPreWageDetermination.htm.

Pursuant to Labor Code Section 1773.2, general prevailing wage rates set forth above, which forms a part of this Agreement, shall be posted by CONSULTANT at a prominent place at the work site. Prevailing wage rates to be posted at the work site will be furnished by the contracting department. The possibility of wage increases is one of the elements to be considered by CONSULTANT in determining its proposal and will not under any circumstances be considered as the basis of a claim against CITY or the Agreement.

8. Compliance with Laws. CONSULTANT shall comply with all federal, state and local laws, ordinances and policies as may be applicable to the performance of services under this Agreement.

9. Ability to Perform. CONSULTANT agrees and represents that it has the time, ability and professional expertise to perform the services required under this Agreement.

10. Public Contracts: Conflicts of Interest. CONSULTANT's duties and services under this Agreement shall not include preparing or assisting CITY with any portion of the CITY's preparation of a request for proposals, request for qualifications, or any other solicitation regarding a subsequent or additional contract with CITY. CITY shall at all times retain responsibility for public contracting, including with respect to any subsequent phase of this project. CONSULTANT's participation in the planning, discussions, or drawing of project plans or specifications shall be limited to conceptual, preliminary, or initial plans or specifications. CONSULTANT shall cooperate with CITY to ensure that all bidders for a subsequent contract on any subsequent phase of this project have access to the same information, including all

conceptual, preliminary, or initial plans or specifications prepared by CONSULTANT pursuant to this Agreement.

11. Governing Agreement. In the event of any conflict between this Agreement and its EXHIBITS, the provisions of this Agreement shall govern. In the event of any conflict between any of the EXHIBITS, the provisions of the first in order of attachment shall govern.

12. Assignment. CONSULTANT is employed to perform unique personal services. CONSULTANT shall not assign this Agreement without the prior written consent of CITY. CONSULTANT shall not employ or otherwise incur any obligation to pay other specialists or experts for services in connection with this Agreement, without prior written consent of CITY.

13. Independent Contractor. CONSULTANT, inclusive of its agents, officers, employees, volunteers, independent contractors, and subcontractors, shall act as an independent contractor, and covenants and agrees that it will conduct itself consistent with such status, that it will neither hold itself out as, nor claim to be, an officer or employee of CITY by reason of this Agreement.

CONSULTANT and CITY agree that: (a) CONSULTANT is free from the control and direction of CITY in connection with the performance of the work; (b) CONSULTANT is providing services directly to CITY; (c) CONSULTANT has and will maintain at all relevant times a business license; (d) CONSULTANT maintains a business location that is separate from CITY; (e) CONSULTANT is customarily engaged in an independently established business of the same nature as that involved in the work performed hereunder; (f) CONSULTANT actually contracts with other businesses to provide the same or similar services and maintains a clientele without restrictions from CITY; (g) CONSULTANT advertises and holds itself out to the public as available to provide the same or similar services; (h) CONSULTANT provides its own tools, vehicles, and equipment to perform the services; (i) CONSULTANT has negotiated its own

rates; (j) CONSULTANT set its own hours and location of work in accomplishing CITY's on-call needs; and (k) CONSULTANT has the right to control the manner and means of accomplishing the result desired and exercises its own expert independent judgement.

14. Representations and Warranties. CONSULTANT warrants that it has not employed or retained any company or person, other than a bona fide employee working for CONSULTANT, to solicit or secure this Agreement, and that it has not paid or agreed to pay any company or person, other than a bona fide employee, any fee, commission, percentage, brokerage fee, gift or any other consideration, contingent upon or resulting from the award or making of this Agreement. For breach or violation of this warranty, CITY shall have the right to terminate as void this Agreement, without liability, or, in its discretion, to deduct from the Agreement price or consideration, or otherwise recover, the full amount of such fee, commission, percentage, brokerage fee, gift or contingent fee.

15. Successors in Interest. This Agreement shall be binding upon the heirs, successors, executors, administrators and assigns of the respective parties hereto.

16. Copyright, Ownership and Use of Materials. All tangible material ("Material") created or delivered pursuant to this Agreement is considered a work made for hire under the Copyright Act. To the extent such Material does not qualify as a work made for hire, CONSULTANT hereby assigns to CITY all right, title, and interest, including but not limited to all copyrights, in all Material created by CONSULTANT in its performance under this Agreement. Material constitutes the scope of work outlined in Exhibit A and attached hereto, and all written and other tangible expressions, including but not limited to, drawings (including computer aided drawings), papers, documents, reports, surveys, renderings, exhibits, sketches, maps, models, prints, paintings or photographs, in any and all media or formats in which such materials have been created or are maintained. All Material furnished by CONSULTANT is,

and shall remain, the property of CITY.

CONSULTANT shall execute any documents necessary to effectuate such assignment. In the event that CONSULTANT uses, employs, designates, or retains any person or entity who is not an employee of CONSULTANT, to perform any work required of it pursuant to this Agreement, CONSULTANT shall require said person or entity to execute an agreement containing the preceding paragraph.

17. Termination of Agreement. The City may terminate this Agreement without cause by giving CONSULTANT ten (10) days advance written notice from the City Manager. CONSULTANT may terminate this Agreement without cause by giving CITY thirty (30) days advance written notice. In the event of termination through no fault of CONSULTANT, CITY shall compensate CONSULTANT for services performed as of the date of termination, upon the release to CITY of all Material hereunder, in any and all media or formats in which such materials have been created or are maintained. CITY retains the right to receive and use any Material, notwithstanding any termination or any dispute regarding the amount to be paid.

18. Attorney's Fees; Venue; Governing Law. If either party commences any legal action against the other party arising out of this Agreement or the performance hereof, the prevailing party in such action shall be entitled to recover its reasonable litigation expenses, including but not limited to, court costs, expert witness fees, discovery expenses, and attorney's fees. Any action arising out of this Agreement shall be brought in Placer County, California, regardless of where else venue may lie. This Agreement shall be governed by and construed in accordance with the laws of the State of California.

19. Modification. This Agreement and each provision contained herein may be waived, amended, supplemented or eliminated only by mutual written agreement of the parties.

20. Severability. If any of the provisions contained in this Agreement are for any

reason held invalid or unenforceable, such holding shall not affect the remaining provisions or the validity and enforceability of the Agreement as a whole.

21. Notices. Any notices to parties required by this Agreement shall be delivered personally or mailed, U.S. first class postage prepaid, addressed as follows:

| CITY OF ROSEVILLE | CONSULTANT |
|---|---|
| Environmental Utilities Department<br>Attn: Sean Bigley<br>2005 Hilltop Circle<br>Roseville, CA 95678 | Inferrera Construction Management Group Inc.<br>Attn: Jeffrey Inferrera<br>7040 Settlers Trail<br>Shingle Springs, CA 95682 |

Either party may amend its address for notice by giving notice to the other party in writing.

22. Integrated Agreement. This is an integrated agreement and contains all of the terms, considerations, understanding and promises of the parties. It shall be read as a whole.

IN WITNESS WHEREOF, the City of Roseville, a municipal corporation, has authorized the execution of this Agreement in duplicate by its City Manager and attested to by its City Clerk under the authority of Resolution No._____, adopted by the Council of the City of Roseville on the___day of_____, 20__, and CONSULTANT has caused this Agreement to be executed.

EXHIBIT “A”

# Exhibit A Scope of Work

**Task 1 Construction Management/Project Management**

- Monthly invoicing with summary of work performed, issues identified, and table showing percent spent versus percent complete for the CM contract.
- Contractor schedule evaluation and tracking (actual vs. planned progress).
- Coordination and communications between City, Design-Build Entity and with external utility representatives.
- Coordination and communications with City inspection support staff including:
  - Wastewater Utility assigned staff member that will be assigned to the project as needed to provide water utility coordination related to water operations, water supply for construction, locates and required repairs.
  - Technical Services Engineer/Project Manager which will be assigned to the project to support efforts required City coordination.
  - City permit inspectors including either City Public Works staff or their assigned consultants.
- Development, implementation, and submittal of a quality control plan for the required work included with the Consultant's scope of work.

**Task 2 – Administration**

- Records management: DB will be using Procore to generate RFIs, inspection reports, file, and log construction photographs, and track as-builts, and pothole data, etc. Consultant will also use Procore for management and tracking of submittals, RFIs, change events, and other CM data management activities on this project. Procore will be provided by the City.
- Progress Meetings: Lead and document the weekly progress meetings. Coordinate, lead and document site meetings with DB and City staff as necessary.
- Develop and maintain equipment and labor tracking logs.
- Review DB's contract execution for compliance with Contract Document requirements.
- Pay Requests: Review DB's pay requests (including certified payroll and labor compliance, and lien releases) and make recommendations to City as to acceptability of request.
- Submittal Management: Screen, process, and track submittals in Procore. Review and route of DB's submittals for compliance with Contract Documents.
- RFI Management: Review and route DB's requests for information (RFIs) and either provide information from Contract Documents or City discussions back to the DB for resolution.
- Revised Documents and Field Orders: Screen, process, and track revised documents to the City and DB.
- As-builts: Track and review of DB's record drawing changes. The Consultant shall be responsible for verifying that as-builts have been accurately updated, for work conducted during each payment cycle, prior to submitting the DB's payment request. The Consultant shall include a signed certification with each payment cycle, indicating that the as-builts submitted during the cycle, accurately reflect the construction modifications from the design plans set.

- Asset Management Submittal: The City uses Maximo for asset management. The newly installed equipment that has required maintenance and as required by the City, shall be documented with an Excel Workbook generated by the City. For this project it will be the Construction Manager's job to coordinate with the DB to complete the Asset Management Excel Workbook with the required information that they will obtain via submittal, inspection records and coordination with the Contractor on other required information.
- Communicate with DB regarding acceptability of work.
- Coordinate with the DB regarding testing and start-up.
- Review DB's compliance with all regulatory permits and mitigation measures.
- Review DB's compliance with workplace safety and health standards and
- notification to City of non-compliance.

**Task 3 – Changes**

- Review submittals in support, and recommendations for resolution, of claims and disputes.
- Investigate and inspect site conditions that differ from those described in the Contract Documents.
- Develop change order requests.
- Review and evaluate of contractor contract change order submittals.
- Coordinate the approval of change orders to City prior to City's authorization for DB to perform work.

**Task 4 – Field Inspection and Material Testing**

- Consultant to provide field inspection staff capable of inspecting civil, mechanical, architectural, structural, electrical, process and instrumentation, construction and specialty coating construction.
- Review and inspect DB's work for compliance with Contract Documents daily.
- Review and monitor of corrective actions taken by DB needed to fix work that is not in compliance with the Contract Documents, and issue non-compliance documentation.
- Complete field inspection diaries within Procore.
- Maintain digital labeled and logged photographic records of construction in progress within Procore.
- Notify City if any safety non-compliance is observed.
- Review of DB's survey layouts.
- Provide special Inspection as required per project documents.
- Provide third party entity to provide material inspection and material testing as needed.

**Task 5 – Final Completion Services**

- Site inspection to determine if facilities are complete and in compliance with Contract Documents.
- Coordinate with the DB to verify required submittals including operations and maintenance manuals (electronic and three (3) hard copies are required), as-builts, warranties, bonds, lien release information, and record drawings have been submitted and approved. Verify Asset Management information has been submitted and approved.

- Coordinate and schedule of construction walk-through, and final inspection with the City and DB.
- Prepare punch list and inspection of punch list item corrective actions.
- Final review submittals of any as-built drawings made by the DB during construction, and record drawings prepared by the DB.
- Recommendation to City as to the release of payments and retention to DB.
- Upload of ICM's set of as-builts through Procore. DB will prepare and submit a complete record set through Procore.
- Conduct Final Inspections. DB will certify, by their registered design professional, that the Project has been completed in accordance with submitted approved drawings and specification and any modifications thereto. ICM will provide City building official with inspection sign off.

**Additional Information**

### Construction Management Services

ICM has proposed a part time construction manager for this Project. His work effort will increase and decrease as needed during the progress of the project but on average a commitment of 60 hours per month should be sufficient to manage the Project. In addition, we have provided you with a construction manager, Jeffrey Inferrera, who is experienced with design build projects. He has completed seven design build projects. He is currently pending DBIA certification.

### Inspection Services

ICM has proposed Paul Lopez as the lead inspector for this Project. His work will be part time in the beginning and end of the project while the Design Builder is completing their design, mobilizing and demobilizing. His work will be flexible and will be onsite as much or as little as needed as the project progresses. We anticipate coordinating with the City building official. The DB will submit plans for approval. ICM will coordinate for inspections performed by City staff, if any. ICM will coordinate transfer of inspection files and inspection verification records, as needed.

### Special Inspection Services

Special inspection services needed are as follows:

- ICC Electrical Inspection - ICM
- ICC Building Inspection - ICM
- ICC Structural Inspection - Youngdahl
- Survey QA Verification - R.E.Y. Engineers
- NACE Coatings Inspection - BACC
- Field Testing for concrete and asphalt - Youngdahl
- Laboratory Testing for concrete - Youngdahl

### Project Approach

The success of a construction project is typically measured in time, money, quality, and claims (or lack thereof). It is our experience that schedule is usually the deciding factor to the success of a project. That is, if a project is completed on time or early, it can be expected that the project finishes

on budget, with good quality, and no claims. Therefore, we try to do those things that help with improving the schedule including the following:

- A management system that streamlines decision making
- A collaborative team approach for problem solving
- Open, honest and transparent communication for all parties
- Fast turnaround times on RFIs and submittals
- Prompt payment of progress payments and changes
- Voluminous documentation of field activities

At the same time, we keep tight track of the quality of construction and the budget.

## Quality Control

Digital cameras have been the greatest benefit, from an inspector's point of view, to the quality of projects. With digital cameras, smart phones, and tablets, our inspectors have the ability to take hundreds of photographs a day as needed, and videos too. This has a huge positive impact on the quality of construction. Based on our experience on our projects, when construction personnel know that their work is photographed and documented the work quality improves. Combine the digital camera with an experienced inspector like Paul Lopez, and we can expect construction to be of high quality. For ICM's internal quality control, our construction manager, Jeffrey Inferrera, will review inspection reports and photographic documentation for thoroughness and completeness.

## Communications

We believe the best communication starts with face-to-face meetings. Weekly progress meetings are fundamental to Project communications. Meetings are supplemented with zoom calls, emails, phone calls, and RFIs as needed. Prompt communication, when there is an issue, is best.

## Conflict Management/Resolution

ICM's approach to avoid conflicts is to adopt a collaborative team approach to problems. Every project has "bumps" along the way. We build trust within the Project team if we can address the issues promptly and openly and resolve them fairly. We believe an honest and fair approach will produce the best results to a successful resolution to a conflict.

## Minimizing Cost and Schedule Impacts

Based on our experience, the best that an Owner, engineer, and construction manager can do to minimize cost and schedule impacts is to promptly attend to every issue that we encounter. There are things we cannot control. For example, the plans and specifications will not be perfect and it is inevitable that there is an error or an omission somewhere, or just the need for more clarity. Also, the subgrade can present unforeseeable conditions. However, we can control how quickly we respond to issues and a quick response is the best way to minimize impacts to cost and schedule.

## Data Management and Record Keeping System

For the City's Project, we propose using three record keeping systems. ProCore will be used to store most of the construction documents as indicated below. Synology will be used to store all of the construction documents with the exception of emails. Emails that are sent and received through any ICM email account will be stored in ICM's server. Project records developed during construction and how we intend to manage them are as follows:

- RFIs - Transmitted and stored in ProCore and Synology
- Submittals - Transmitted and stored in ProCore and Synology
- Change Orders - Transmitted and stored in ProCore and Synology
- As Builts - Stored in ProCore and Synology
- Meeting Agenda and Notes - Stored in ProCore and Synology
- Emails - Transmitted via Outlook, stored in ICM's server
- Letters - Transmitted and stored in ProCore and Synology
- Daily Reports - Transmitted and stored in ProCore and Synology
- Photographs - Transmitted and stored in ProCore and Synology

## Staff Assignments

Staff assignments for this Project are as follows:

- Task 1, 2, 3, 5 - Jeffrey Inferrera - Construction Manager
- Task 4, 5 - Paul Lopez - Lead Inspector
- Task 4 - Matt Livingston - ICC Building Inspector
- Task 4 - Akil Barris - ICC Electrical Inspector
- Task 4 - Youngdahl - Structural Inspector
- Task 2, 5 - Roman Gary - Project Engineer
- Task 2 - Elena Inferrera - Document Controller
- Task 4 - Youngdahl - Field and Laboratory Testing

“EXHIBIT B”

# Exhibit B Fee Schedule

## Budget Tables and Fee Schedules

ICM's Budget Table is attached at the end of Exhibit B. ICM and subconsultant Fee Schedules are presented after the Budget Table.

## Cost Proposal Assumptions

To plan construction management and inspection resource allocation for the Collections Building Expansion Project, we used the requirements of the Plans, Specifications, and Design Build contract and our experience on other similar projects. Assumptions we used to develop our proposed budget are explained below.

**Important Dates and Times**

- We assume that construction management services will start approximately May 2026.
- We assume the Design Builder Notice To Proceed (NTP) will be issued approximately May 2026.
- Based on the Contract requiring 341 calendar days to complete, we estimate a Final Completion Date of April 2027.
- We assume construction management services will end by April 2027.
- We assume Contractor and all of its subcontractors will work 8-hour days, Monday thru Friday.
- We assume that if the Contractor is working typically 9 or 10-hour days that our inspector can arrive and leave so that he works an 8-hour day.
- We assume that the Contractor and all of its subcontractors will start their work day and end their work day at the same time.

**Assumptions for Construction Manager Hours**

For a project this size and complexity, it is our experience that an experienced construction manager, such as Jeffrey Inferrera, will need approximately 60 hours per month throughout the Project.

**Assumptions for Lead Inspector Hours**

For the lead inspector services, we assume that the ICM inspector would need to be onsite whenever the contractor is onsite since we are inside an active treatment plant. Thus, full time inspection may vary from five to eight months depending on the schedule of the contractor and their subcontractors. Part time inspection may be needed for two to four months, again, depending on the schedule of the contractor and subcontractors. Consequently, we have projected a budget of six months full time and three months half time, with an estimate of 1,224 hours. However, we believe that inspection time can be reduced considerably if his presence full time is not required.

**Assumptions for ICC Electrical Special Inspector Budget**

We have assumed that the electrical inspector will be needed on an as needed basis and have made the appropriate estimate of the hours in the Proposed Budget Table.

**Assumptions for ICC Building Special Inspector Budget**
We have assumed that the ICC building inspector will be needed on an as needed basis and have made the appropriate estimate of the hours in the Proposed Budget Table.

**Assumptions for Youngdahl Structural Special Inspection**
We have assumed four site visits for structural inspection of building steel connections, whether welded or bolted.

**Assumptions for R.E.Y. Survey QA**
Based on prior work with R.E.Y. performing the same services for us, we have assumed a budget of $15,000 to check grades and building corners.

**Assumptions for BACC Coatings Inspection**
We have assumed two site visits for a NACE certified coatings inspector to verify the proper installation of industrial coatings, if any. Inspection of typical interior/exterior paint for building walls is excluded.

**Assumptions for Youngdahl Material Testing Inspector Budget**
We have assumed that the Geotechnical Technician will be needed on an as needed basis and have made the appropriate estimate of the hours and laboratory testing in the Proposed Budget Table.

**Assumptions for Document Control and Project Engineering**
Based on other similar projects, the document controller budget and the project engineering budget is 16 hours per month each.

**Other Considerations**

- In the future event that we discover that our assumptions were not accurate, we will need to be afforded the opportunity to adjust our budget accordingly or change our scope of services so that we can meet the City's needs while being properly reimbursed for our services. This is because the actual construction management and inspection budget needed to provide the City with the resource allocation needed to meet their needs is dependent on the contractor's actual schedule, productivity and progression of their work, resource allocation, and material availability and delivery, which is not certain at this time. Additional inspection support and budget above and beyond what is budgeted may be appropriate depending on these and other factors.
- This proposal is based on a time and materials contract. This cost proposal is only an estimate; actual labor effort will be dependent on the contractor’s schedule. Budgeted hours and cost proposal may change based on the actual project schedule. ICM reserves the right to transfer budgeted hours between tasks and subtasks.
- This proposal excludes hiring of an inspector apprentice which can be required by the State Department of Industrial Relations although we have not seen it done to date and have not included hours for an apprentice.

## Cost Proposal Exclusions

1. We exclude the certification and/or warranty of ADA compliance.
2. Our inspectors will note and address SWPPP violations in their normal daily activities. However, ICM will not provide SWPPP special inspection services. We exclude SWPPP plan development, SWPPP certification and SWPPP uploading to State web site. We can provide SWPPP inspection services through a subconsultant such as American River Environmental, as an optional service.
3. We exclude construction staking.
4. We exclude fire system prove out to be performed by City's Fire Department.
5. We exclude inspection of asbestos related work to be performed by City subconsultant.
6. We exclude disinfection and bacteriological testing of potable water service.
7. We exclude warranty services. These are optional services we can add.
8. We exclude litigation, arbitration, or other dispute resolution support. These are optional services we can add.
9. We exclude engineering support services such as technical review of submittals, RFIs and designs with the exception of schedule submittal, schedule of values submittal, and RFIs better answered by our field staff.
10. Not excluded is document routing, including submittals and RFIs, which will be through ICM. Transmission will be by ProCore document management system provided by the City and administered by ICM. Not excluded will be ICM staff assisting the City with review of submittals on an as needed basis, approval of submittals will be by the Owner.
11. We provide daily field reports and daily inspection reports. We exclude building official reports or sign offs as well as project final inspection reports. However, this can be provided as additional services if needed.
12. ICM is not responsible for Contractor's safety or safety program.
13. ICM is not responsible for Contractor's schedule.

# Inferrera Construction Management Group, Inc.
# Fee Schedule
# For the City of Roseville
# Collections Building Expansion Project

## Labor Hourly Rates by Position

| | |
|---|---|
| Construction Manager II - Jeff Inferrera | $290 |
| Construction Manager I | $220 |
| Lead Construction Inspector - Paul Lopez | $190 |
| ICC Special Inspector - Akil Barris, Matt Livingston | $200 |
| Project Engineer - Roman Gary | $140 |
| Administrator - Elena Inferrera | $95 |

## Expense Rates

| | |
|---|---|
| Vehicle per hour | $8 |
| Field Computer, per month | $75 |
| Field Phone/Internet, per month | $175 |
| Other ODCs billed separately | |

## Administrative Fees

| | |
|---|---|
| Expenses | 0% |
| Subconsultants | 5% |

**Notes:**

1. Minimum 4-hour onsite charge per site or off-site visits.
2. Overtime for work performed on Monday thru Friday will be charged 1.5 times the hourly rate for time worked over eight hours a day up to 12 hours, and 2 times the hourly rate for time worked over twelve hours.
3. Work on Saturday will be charged the 1.5 times overtime rate for the first eight hours and 2 times the hourly rate for time worked over 8 hours.
4. Work on Sunday and Holidays will be charged at the 2 times overtime rate.
5. Second shift work performed commencing after 2 p.m. or before 4 a.m. will be charged an additional $20 per hour.
6. Maximum vehicle charge is $1,800 per month per vehicle.
7. This Rate Schedule is valid until December 31, 2026. After December 31, 2026, rates are adjusted by 4 percent per year.

| Clerical | $ | 106.00 | /hr |

* The fees contained within this schedule are considered to be valid through 2026. These fees will be subject to a 3% escalation for any work extending beyond 2026.

**BASIS OF CHARGES**

**Equipment Charges:**
All of the above rates are inclusive of routine test equipment.

***Exceptions:***

- Coring Machine - $200/day
- Generator - $75/day
- High Precision GPS Receiver - $150/day
- Photo-Ionization Detector - $100/day
- Skidmore - $100/day
- Fireproofing Adhesion - $25/test

**Hours are billed portal to portal in accordance with the following minimum charges:**

- Times are rounded up to the nearest ½ hour.
- 2-hour minimum on-site charge for each site visit.
- 4-hour minimum on-site charge for weekend work.
- 2-hour minimum charge for work scheduled that was not cancelled by 5pm the day before.

- 1.5 x hourly rate
- 1.5 x hourly rate
- 2.0 x hourly rate
- 2.0 x hourly rate
- 2.0 x hourly rate
- $10+ hourly rate

**Mobilization Charge:**
A mobilization charge of $ 80.00/site visit will be added for all projects requiring site visits within 40 miles of our corporate yard. For projects beyond 40 miles, a mileage fee will be assessed at $0.95/mile portal to portal per visit from our corporate headquarters address to the project site. Distance will be determined by Google Maps quickest calculated distance.

**BASIS OF CHARGES (Cont.)**

| | |
|---|---|
| **Expert Witness Services:**<br>Mediation, arbitration, deposition, expert witness testimony and public hearing attendance will be billed at 2 times normal hourly rates in 4-hour incremental blocks. | |
| **Rush Charges:**<br><br>Field: | An additional 1 hour of field time at the appropriate personnel rate may be charged to expedite work which requires dispatching after 4:30 pm of the previous day, or the same day, as requested by the contractor or client. |
| **Large Format Plotting:**<br>• Color or Black & White - $12 minimum setup + 0.65 per sq. foot | |

**Miscellaneous Charges:**

- Supplies and outside services are billed at cost +15%
- Airfare, rental vehicles, lodging, and meals for authorized out-of-town travel, will be charged per person per day using the current IRS per diem rate applicable to the area.
- Subcontracted work will be billed at cost +15%
- Projects with specialized accounting protocol required to be filled out for the client will be charged an additional 4% of the project budget
- Copying and distribution for project reporting includes 4 reports. If additional report copying is necessary, a $25.00 charge will be billed for each additional report
- Projects requiring Level C PPE will be charged at 1.5 x normal hourly rate
- $10.00 surcharge may be applied to normal rates for projects where naturally occurring asbestos (NOA) is present.

**TERMS AND CONDITIONS:**

Youngdahl Consulting Group, Inc. shall perform professional services in accordance with the generally accepted professional practice of its profession within the area where the work is performed on behalf of the client. Upon entering into this agreement many risks potentially affect Youngdahl Consulting Group, Inc. The principal risk is the potential for human error by Youngdahl Consulting Group, Inc. Client agrees to limit our liability to Client and to all other parties for damages arising from any and all claims, losses, costs, damages of any nature whatsoever or claims expenses from any cause or causes, including attorneys' fees and costs and expert-witness fees and costs shall be limited to $25,000.00 and Client further agrees to indemnify and hold harmless Youngdahl Consulting Group, Inc. from and against all liabilities in excess of monetary limit established above.

BACC
BAY AREA
COATING CONSULTANTS INC.
Integrity Since 1987

*Celebrating Thirty-Eight Years of Experience & Integrity*

January 9, 2026

Jeff Inferrrera
ICM Group, Inc.
21 E. Natomas St. #150
Folsom, Ca 95630

Subject: 2026 Rate sheet - City of Roseville Collections Building Project

Bay Area Coating Consultants, Inc. will provide AMPP Certified Specialty Inspector for the City of Roseville Collections Building specification requirements. The Inspector will be tasked to ensure the surface preparation meets the contract specifications and the linings are applied as per the manufacture's recommendations. BACC will provide an AMPP Certified inspector to observe the mixing, surface preparation, application of the coating system, and final required testing. BACC will provide daily reports on the surface preparation, testing, and coating operations. BACC will follow all SSPC, NACE, AMPP, ICRI, AWWA, and ASTM current guidelines and standards. All reports will be e-mailed to you for your review. All BACC employees are confined space certified and lead awareness trained, scaffolding trained, and fit tested. The Contractor shall be responsible for safe entry into confined spaces.

# Notice of Exemption

To: Placer County Clerk
Recorder's Office
2954 Richardson Drive
Auburn, CA 95603

From: City of Roseville
Development Services Dept.
311 Vernon Street
Roseville, CA 95678

**Project Title**: Wastewater Collections Building Expansion Project

**Project Location(s)**: 1800 Booth Road, Roseville, CA 95747.

**Project Description**: Wastewater Collections is initiating a new project at the Dry Creek Wastewater Treatment Plant to study and expand the current undersized building to add a conference/training room, expand warehouse storage and possibly add or relocate office space. Utility improvements will also be required for the added building space. Using the study, the City will select final improvements and a preliminary design will be developed for a design build construction. The expansion of the building would result only in new office space and facilities for existing staff and would not result in expansions in capacity or service.

**Public Agency Approving Project**: Roseville City Council

**Agency/Individual Carrying Out Project**: City of Roseville Environmental Utilities Department

**Reason why this Project is Exempt:** The project qualifies for a Class 1 Categorical Exemption as described in Section 15301 of the California Environmental Quality Act (CEQA) guidelines which states:

> "Class 1 (Existing Facilities) consists of … the minor alteration of existing public or private structures, facilities, mechanical equipment, or topographical features, involving negligible or no expansion of existing or former use… Examples include, but are not limited to: (e) additions to existing structures provided that the addition will not result in an increase of more than: (1) 50 percent of the floor areas of the structures before the addition, or 2,500 square feet, whichever is less."

The project consists of the study of an expansion of the building to add a conference/training room, warehouse storage space, and to possibly add or relocate office space for existing staff. The project would not result in expansion of capacity or service. Consequently, the Class 1 Categorical Exemption applies.

**Lead Agency Contact Person**: Tracie Mueller, Roseville Department of Environmental Utilities (916-774-5688).

| | |
|---|---|
| **Title:** | Dry Creek Wastewater Treatment Plant Collections Building Expansion Project (RFP #08-167) – Design-Build Construction Agreement |
| **Contact:** | Inderpreet Chaggar 916-774-5553 ikchaggar@roseville.ca.us |

## SUMMARY

Staff recommends approval of a design-build agreement to D.G. Granade Inc. for the Dry Creek Wastewater Treatment Plant Collections Building Expansion Project in the amount of $4,052,856, and authorization for the Environmental Utilities Director or his designee to approve and pay for contract change orders for the agreement that could increase the contract amount by no more than 10 percent ($405,286). This agreement will be paid from the Wastewater Collections Building Expansion Project in the Wastewater Construction Fund.

## RECOMMENDATION

Staff recommends that the City Council:

1. Approve the Design-Build Construction Agreement with D.G. Granade, Inc. for the Dry Creek Wastewater Treatment Plant Collections Building Expansion Project and adopt a resolution authorizing the City Manager to execute it on behalf of the City.
2. Authorize the City Manager or his designee to approve change orders for the project, consistent with the contract terms, provided that the net cost of all change orders shall not exceed ten percent (10%) of the contract price.

## BACKGROUND

In 2023, the Wastewater Collections Division of the City's Environmental Utility Department (EUD) initiated a new project at the Dry Creek Wastewater Treatment Plant (DCWWTP) that studied the existing undersized Collections Building. The study confirmed that a larger building is required to accommodate staff growth. The study determined the most effective method for expansion of the building space was to add a conference/training room, expand warehouse storage, and add workstations for staff. Utility improvements are also required for the added space. Three improvement alternatives were provided in the study and the City selected the preferred alternatives.

In 2024, the City retained the professional design services of Kennedy/Jenks Consultants to develop the conceptual design documents for a design-build construction delivery method. In 2025, EUD published a Request for Proposals (RFP 08-167) seeking design-build entities to submit proposals for design and construction services for the DCWWTP Collections Building Expansion Project. Two (2) design-build entities submitted proposals to the City Clerk's office for review and consideration. Based upon evaluation of the proposals and negotiation, staff recommends awarding the contract to D.G. Granade, Inc.

## FISCAL IMPACT

The cost of the Design-Build Construction Agreement with D.G. Granade, Inc. is $4,052,856, with an additional 10 percent or $405,286 in contingency for potential change orders, for a total not-to-exceed

agreement amount of $4,458,142. This agreement will be paid from the Wastewater Collections Building Expansion Project in the Wastewater Construction Fund. The approved project budget is $6,330,000, which is adequate to cover this phase of the project.

ENVIRONMENTAL REVIEW

The proposed project involves the minor alteration of an existing facility. This activity is categorically exempt from CEQA as a Class 1 (State CEQA Guidelines Sections 15301). The Exemption has been prepared and no further CEQA action is required.

CITY COUNCIL STRATEGIC PLAN/OVERARCHING GOALS

4. Invest in well-planned infrastructure and growth
6. Deliver exceptional City services

Respectfully Submitted,
Inderpreet Chaggar, Senior Engineer

Sean Bigley, Environmental Utilities Director

RESOLUTION NO. 26-119

APPROVING A DESIGN-BUILD CONSTRUCTION AGREEMENT, BY AND BETWEEN THE CITY OF ROSEVILLE AND D.G. GRANADE, INC., AND AUTHORIZING THE CITY MANAGER TO EXECUTE IT ON BEHALF OF THE CITY OF ROSEVILLE

WHEREAS, a Design-Build Construction Agreement for the Dry Creek Wastewater Treatment Plant Collections Building Expansion Project, by and between City of Roseville and D.G. Granade, Inc., has been reviewed by the City Council; and

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Roseville that said agreement is hereby approved and that the City Manager is authorized to execute it on behalf of the City of Roseville.

BE IT FURTHER RESOLVED that the City Manager or his designee is authorized to approve change orders for the project, consistent with the contract terms, provided that the net cost of all change orders shall not exceed ten percent (10%) of the contract price.

PASSED AND ADOPTED by the Council of the City of Roseville this ___ day of _____, 20__, by the following vote on roll call:

**DESIGN-BUILD CONSTRUCTION AGREEMENT**
**Dry Creek Wastewater Treatment Plant Collections Building Expansion Project**

This Design-Build Construction Agreement ("Agreement") is made and entered into this ____ day of _____, 20___, by and between the City of Roseville, a municipal corporation ("CITY") and D.G. Granade Inc., a California corporation ("CONTRACTOR").

## RECITALS

WHEREAS, CITY has issued a Request for Proposals pursuant to which CITY solicited proposals from design-build contractors to construct the Dry Creek Wastewater Treatment Plant Collections Building Expansion project ("Project"); and

WHEREAS, CONTRACTOR has submitted a Proposal, dated attached hereto and made a part hereof as Exhibit F, and CITY has selected CONTRACTOR to provide design and construction services as set forth in this Agreement; and

WHEREAS, CONTRACTOR is ready, willing and able to perform the aforementioned services required in accordance with the terms and conditions of this Agreement; and

NOW, THEREFORE, CITY and CONTRACTOR agree as follows:

## ARTICLE 1

## DEFINITIONS

**1.1 "Applicable Laws"** means all laws, codes, ordinances, rules and regulations of governmental authorities having jurisdiction over the Site and/or the Work.

**1.2 "Application for Payment"** means the document prepared by CONTRACTOR and submitted to CITY showing CONTRACTOR's entitlement to progress payments, the requirements of which are more fully described in Section 5.3 hereof.

**1.3 "Architect/Engineer"** means a licensed professional(s) (and/or entity(ies)) retained by CONTRACTOR, with the approval of CITY, who provides architectural, design and/or engineering services as may be required by the Work. The Architect/Engineer shall be registered in the State of California and the architect and/or engineer of record for the Work pursuant to their design responsibilities. The Architect/Engineer shall be the Architect/Engineer(s) stated in the Proposal, unless substituted by CONTRACTOR based upon CITY's written pre-approval.

**1.4 "Authorized Representatives"** means the Design-Build Team and those individuals appointed by CITY and CONTRACTOR from time to time in accordance with the provisions of Section 3.1.1.

**1.5 "Business Day"** means any day when the office of the City Clerk of the City of Roseville is open for business.

**1.6 "Certificate of Substantial Completion"** means a certificate prepared by CONTRACTOR in accordance with Section 5.12 and forwarded to CITY.

**1.7 "Certificate of Final Completion"** means a certificate prepared by CONTRACTOR and forwarded to CITY stating that the Project is finally complete and that CONTRACTOR is entitled to Final Payment in accordance with Article 5 hereof.

**1.8 "Change Directive"** means a written order signed by CITY directing a change in the Work. A Change Directive shall state a proposed basis for adjustment, if any, in the GMP or Schedule. CITY may order changes in the Work within the general scope of the Contract, and a Change Directive shall be used in the absence of total agreement on the terms of a Change Order.

**1.9 "Change Order"** means a written order signed by CONTRACTOR and CITY authorizing a change in the Work, which also may adjust the GMP and/or the Schedule, and which shall constitute a Modification. The GMP and/or Schedule may be changed only by Change Order.

**1.10 "Change Proposal"** means a proposal for a Change Order submitted by CONTRACTOR to CITY, either at the request of CITY, or at CONTRACTOR's own initiative.

**1.11 "Construction Allowance Items"** [reserved]

**1.12 "Construction Documents"** means the plans and specifications prepared by the Design-Build Team for the Project, approved by CITY, and incorporated into this Agreement by reference after such approval, to be used to construct the Project. The Construction Documents shall set forth in detail all items necessary to complete the construction of the Project in accordance with the Contract Documents (subject to their completion following commencement of the Construction Phase). All amendments and modifications to the Plans and Specifications must be approved by CITY prior to incorporation into this Agreement. CONTRACTOR's attention is hereby directed to the confidentiality requirements of Section 2.2.

**1.13 "Construction Notice to Proceed"** means the notice given by CITY to CONTRACTOR stating that the Site is available to CONTRACTOR and directing CONTRACTOR to commence construction of the Project in accordance with Section 4.2.1.

**1.14 "Construction Phase"** means the period beginning with the issuance of the Construction Notice to Proceed and ending on the date of Final Completion of the Project.

**1.15 "Construction Work"** means that portion of the Work consisting of the provision of labor, materials, equipment and services in connection with the construction of the Project as set forth in the Contract Documents.

**1.16 "Contingency Costs"** means those items of Cost of the Work attributable to a contingency for which CITY is responsible and which are payable by CITY to CONTRACTOR pursuant to a Change Order as provided in Article 6.

**1.17 "Contract Documents"** means this 1) Agreement, 2) its Exhibits, and 3) the Construction Documents, all of which, together with this Agreement, form the entire integrated agreement between CITY and CONTRACTOR. In the event of a conflict between any of these documents, this Agreement controls, followed by its Exhibits.

**1.18 "Contract" or "Agreement"** means this Design-Build Construction Agreement, its exhibits, and all amendments and/or modifications hereto executed by the parties.

**1.19 "Contract Time"** means the period of time, including authorized adjustments, allotted in the Schedule for the Final Completion of the Work.

**1.20 "CONTRACTOR"** means the individual or entity identified in the preamble to this Agreement.

**1.21 "CONTRACTOR Event of Default"** shall have the meaning set forth in Section 12.1 hereof.

**1.22 "Cost of the Work"** consists of those items of Work, which are paid for by CITY to CONTRACTOR, and consist of those categories of costs set forth as allowable on Exhibit A.

**1.23 "CPM"** means a critical path method schedule in the form of precedents, networks and time sequences.

**1.24 "Day" or "Days"** means calendar days.

**1.25 "Delay Costs"** means those items of Cost of the Work attributable to an Excusable Delay for which CITY is responsible and which are payable by CITY to CONTRACTOR pursuant to a Change Order as provided in Article 6.

**1.26 "Design-Build Team"** includes the following: Architect/Engineer; CONTRACTOR; and/or others as coordinated by CONTRACTOR and CITY.

**1.27 "Design Development Documents"** means the drawings, specifications and other documents prepared by the Design-Build Team for CITY's review and approval prior to the preparation of the Construction Documents. The Design Development Documents shall illustrate the scale and relationship of Project components, outline the nature and structural exterior and three dimensional scale of the Project and shall fix and describe in detail the configuration and character of the Project concerning all items of the Project necessary for the complete and final preparation of the Construction Documents in accordance with the requirements of the Contract Documents, including architectural and electrical systems, materials and such other elements as may be appropriate. CONTRACTOR's attention is hereby directed to the confidentiality requirements of Section 2.2.

**1.28 "Design Materials"** means any and all documents, shop drawings, electronic information, data, plans, drawings, sketches, illustrations, specifications, descriptions, models and other information developed, prepared, furnished, delivered or required to be delivered by CONTRACTOR to CITY under the Contract Documents or developed or prepared by CONTRACTOR specifically to discharge its duties under the Contract Documents. CONTRACTOR's attention is hereby directed to the confidentiality requirements of Section 2.2.

**1.29 "Design Work"** means that portion of the Work consisting of the design services required to be provided in connection with the design of the Project as set forth in the Contract Documents, which shall be performed consistent with the standards of professional care set forth herein.

**1.30 "Excusable Delay"** shall have the meaning set forth in Section 4.4.2 hereof.

**1.31 "Fee"**, if applicable, means the fee payable to CONTRACTOR pursuant to this Contract and as part of the GMP, if shown on Exhibit A attached hereto.

**1.32 "Final Completion"** means the point at which the Work has been completed in accordance with the terms and conditions of the Contract Documents, including completion of all Punch list items.

**1.33 "Force Majeure"** means labor dispute (excluding labor shortage), fire, unusual delay in transportation or delivery, unavoidable casualty, flood (assuming CONTRACTOR has taken reasonable precautions), earthquake, epidemic, civil disturbance, war, freight embargo, riot, sabotage (by persons other than CONTRACTOR or Subcontractors), material shortage or any other similar act or condition, in each case only to the extent the event in question is beyond the reasonable control of and without the fault or negligence of CONTRACTOR.

**1.34 "Governmental Approvals"** means those CITY approvals necessary for the completion of the Project, including, but not limited to, modification of existing zoning, vacation of certain streets and/or alleys, and modifications to or variances from applicable building or zoning regulations.

**1.35 "Guaranteed Maximum Price"** or **"GMP"** means the amount set forth on Exhibit A hereto, which may be increased or decreased in accordance with the provisions of the Contract Documents.

**1.36 "Hazardous Materials"** means those items identified on Exhibit C hereto.

**1.37 "Indemnified Parties"** includes, but is not limited to, CITY, its agents, officers, employees, and volunteers.

**1.38 "Liquidated Damages"** means the damages payable by CONTRACTOR to CITY in the event CONTRACTOR does not achieve Final Completion of the Project by the date required on the Schedule, as adjusted, as more fully described in Section 4.6 hereof.

**1.39 "Modification"** means an amendment to this Agreement executed by the parties after the date hereof.

**1.40 "Party"** shall mean CITY or CONTRACTOR individually, and **"Parties"** shall mean CITY and CONTRACTOR collectively.

**1.41 "Payment and Performance Bonds"** means the payment bond and performance bond issued by an admitted Surety covering the faithful performance and completion of the Construction Work, including payment for all materials and labor furnished or supplied in connection with the Construction Work, by CONTRACTOR. Such bonds shall be in the form described in Exhibit E.

**1.42 "Project"** means the design and construction of the project described in the Recitals, together with all on-site infrastructure, site improvements and appurtenances to be designed, if any, constructed and installed in connection therewith, as more fully set forth and described in the Contract Documents and as required thereby or reasonably inferred therefrom.

**1.43 "Project Manager"** means the person assigned by the director of the CITY administering department to monitor the Project and Work.

**1.44 "Punch List"** means those minor items of Work to be completed after Substantial Completion and prior to Final Completion, which do not prevent the Project from being used for the purpose for which it is intended and which will not prevent beneficial occupancy or use.

**1.45 "Retention"** means the amount withheld from progress payments from CITY to CONTRACTOR from time to time, as more fully described in Article 5 hereof.

**1.46 "Schedule"** means the schedule pursuant to the Proposal and/or other Contract Documents to which CONTRACTOR has agreed to complete the Work. The Schedule shall be adjusted pursuant to the provisions of the Contract Documents. In the event the Schedule is not contained within the Proposal, then CONTRACTOR shall provide to CITY, within fifteen (15) days of issuance of a notice to proceed by CITY, with a complete milestone schedule identifying, among other things, critical paths (if any) and total calendar days until Substantial and Final Completion. In the event the Schedule is contained in the Proposal, the start of the Schedule shall be adjusted by the CONTRACTOR to reflect the date of the Notice To Proceed.

**1.47 "Scheduled Date of Substantial Completion"** means the date CONTRACTOR has agreed to achieve Substantial Completion of the Project in accordance with the Schedule, as adjusted.

**1.48 "Scope Change Costs"** means those items of Cost of the Work attributable to changes in scope of the Work and payable by CITY to CONTRACTOR pursuant to a Change Order, as provided in Article 6.

**1.49 "Separate Contractors"** means those individuals or entities (including, but not limited to, concessionaires) who have entered into arrangements with CITY for the provision of labor, materials or other services in connection with the Project.

**1.50 "Site"** is the real property on which the Project will be located.

**1.51 "Subcontract"** means an agreement between CONTRACTOR and another person or entity engaged to perform a portion of the Work.

**1.52 "Subcontractor"** means an individual or entity who has entered into an agreement with CONTRACTOR or another Subcontractor for the provision of labor, materials or other services required to be performed by CONTRACTOR under the Contract Documents.

**1.53 "Substantial Completion"** means the stage in the progress of the Work when the Work or a designated portion thereof is sufficiently complete in accordance with the Contract Documents so that CITY may use the Project for its intended purpose.

**1.54 "Surety"** means one or more issuers of the Payment and Performance Bonds, each of which shall be admitted and licensed to do business in the State of California.

**1.55 "Unexcusable Delay"** shall have the meaning set forth in Section 4.4.

**1.56 "Work"** or **"Scope of Work"** means the Project, inclusive of all labor, materials and services required to be performed or provided by CONTRACTOR officers, employees, agents, Subcontractors or Suppliers pursuant to the provisions of this Agreement and its Exhibits (including, the entirety of Exhibit F).

## ARTICLE 2
## SCOPE OF WORK / PROJECT REQUIREMENTS

**2.1 Performance of Work.** CONTRACTOR shall perform the Work in accordance with this Agreement. CONTRACTOR covenants and agrees that it shall be responsible for performing and completing, and for causing all Subcontractors (including Architect/Engineer) to perform and complete, the Work in accordance with the Contract Documents, standard professional and trade practices, and Applicable Laws. CONTRACTOR will retain an Architect/Engineer for design services required by the Work and the Architect/Engineer shall be the engineer of record. CONTRACTOR covenants that the Work and the materials provided thereunder shall be appropriate for the purposes stated in the Request for Proposal and Proposal. Although it is the responsibility of CONTRACTOR to conform the Work to Applicable Laws at all times, to the extent there is a change in one or more Applicable Laws after the date of execution of this Contract, and such change has the effect of increasing the cost or time of performance of the Work, such change may be the subject of a Change Order under the provisions of Article 6 hereof.

**2.1.1. Noise and Night Work.** CONTRACTOR shall comply with CITY's noise ordinance.

## 2.2 Professional Standard; Ownership of Documents.

**2.2.1 Standards of Performance.** The Work shall be performed by CONTRACTOR in accordance with the professional standards applicable to projects, buildings or work of complexity, quality and scope comparable to the Work and the Project. CONTRACTOR may make such additions or substitutions to personnel and responsibilities as it deems necessary or appropriate in order to carry out its responsibilities hereunder, provided such personnel shall be suitably qualified. Nothing in this Agreement shall be construed to create any contractual liability with CITY toward any Subcontractor.

### 2.2.2 Design Documents and Materials, and Confidentiality.

**2.2.2.1** CITY shall have unlimited rights to copy and use in connection with the Project all Design Materials, including the right to use same on the Project at no additional cost to CITY, regardless of degree of completion, provided that said services performed have been fully paid for as required by the terms of this Agreement. CONTRACTOR and its Sub-contractors shall keep all design documents confidential, and shall not disclose such documents except as may be required in performance of the Work or pursuant to legal process.

## 2.3 Local Conditions; Environmental Site Conditions.

**2.3.1 Local Conditions.** CONTRACTOR represents that it has taken steps reasonably necessary to ascertain the nature and location of the Work, and that it has investigated and satisfied itself as to the general and local conditions which are applicable to the Work such as (a) conditions bearing on transportation, disposal, handling and storage of materials; (b) the availability of labor, water, power and roads; (c) normal weather conditions; (d) observable physical conditions at the Site; (e) the surface conditions of the ground; and (f) the character of equipment and facilities needed prior to and during the performance of the Work. To the extent CONTRACTOR encounters subsurface or concealed conditions which differ materially from that actually known by CONTRACTOR on the date of this Agreement or from those ordinarily found to exist and generally recognized as inherent in the activities of the character provided in the Contract Documents; then CONTRACTOR shall give notice to CITY promptly before conditions are disturbed and in no event later than two (2) Days after the first observance of the conditions if a Change Order is contemplated by CONTRACTOR due to such condition. Such materially different conditions may entitle CONTRACTOR to an equitable adjustment in the GMP and/or Schedule pursuant to the Change Order provisions of this Agreement.

**2.3.2 Hazardous Materials**. The Parties' agreement as to the handling of Hazardous Materials discovered at the Site (and not brought there by CONTRACTOR or any Subcontractor) is set forth in Exhibit C hereto, and the only duties and responsibilities of CONTRACTOR in connection therewith are as therein specified, notwithstanding any other provision of this Agreement.

## 2.4 Design Development Documents and Construction Documents.

**2.4.1 General.** The Design-Build Team understands that all construction documents, working drawings and specifications ("Submittals") must be coordinated with, and approved by, CITY prior to construction. CONTRACTOR shall allow CITY a minimum of fourteen (14) days for review of Submittals and corrections made thereto. CONTRACTOR shall work with the Design-Build Team to prepare, for the approval of CITY, working drawings and specifications setting forth in detail the requirements for the construction of the Project in its entirety including the necessary bidding information. CITY's review of the Design Development Documents and the Construction Documents shall not relieve CONTRACTOR from its responsibilities under this Agreement, or be deemed to be an approval or waiver by CITY of any deviation from, or of CONTRACTOR's failure to comply with, any provision or requirement of the Contract Documents, unless such deviation or failure has been identified as such in writing in the document submitted for approval by CONTRACTOR and approved by CITY. CONTRACTOR shall comply with all CITY construction standards as deemed applicable by the CITY. CONTRACTOR shall provide CITY with a complete, accurate, full size, and current set of as-built drawings in a hard copy acceptable to City prior to Final Completion.

**2.4.2 Reliance on Approvals.** CONTRACTOR shall be entitled to rely on the approvals of CITY with respect to the Design Materials. If CITY revokes, modifies or otherwise changes in a material way its approval of a given system after such system has been designed and approved, or modifies the original Scope of Work in a material manner requiring modification to one or more systems which have been designed and approved, CONTRACTOR shall be entitled to a Change Order in accordance with the provisions of Article 6 hereof, provided that prior to such approval CONTRACTOR has made CITY aware of future design decisions which may be affected by such approval. No Change Order shall be issued to the extent such modification is due to the fault or neglect of CONTRACTOR.

**2.4.3 Review of Contract Documents and Field Conditions.** CONTRACTOR shall take field measurements and verify field conditions and shall carefully compare such field conditions and other information known to CONTRACTOR with the Contract Documents before commencing activities. CONTRACTOR shall perform the Work in accordance with the Contract Documents and submittals approved in accordance with the procedures set forth in this Agreement.

**2.5 Legal Requirements.** CONTRACTOR shall comply with Applicable Laws, and shall give applicable notices pertaining thereto. Except with respect to Governmental Approvals, CONTRACTOR shall prepare and file all documents required to obtain the necessary approvals of governmental authorities having jurisdiction over the Work and/or the Project and shall secure and pay for permits and governmental fees, licenses and inspections necessary for the proper execution of the Work and completion of the Project. Notwithstanding the foregoing, CITY has informed CONTRACTOR that fees in connection with building permits, street use permits, and similar permits relating to construction will be waived and are not to be included in the GMP. If and to the extent charges in the future for such permits are imposed in the future, such charges shall be paid by CITY, or shall be the subject of a Change Order to the Contract in accordance with the Change Order provisions of this Agreement.

## 2.6 Services and Facilities.

**2.6.1 General.** CONTRACTOR shall provide everything required for the orderly progress and proper execution and completion of the Work and the Project in accordance with the requirements of the Contract Documents, whether temporary or permanent and whether or not incorporated or to be incorporated into the Work, including, but not limited to, services, labor, materials, equipment, furnishings, tools, construction equipment and machinery, utilities, transportation and other facilities and services.

**2.6.2 Supervision.** CONTRACTOR shall supervise and direct the Work in accordance with its best skill and attention. CONTRACTOR shall be solely responsible for and have control over construction means, methods, techniques, sequences and procedures. CONTRACTOR shall be responsible to CITY for the acts and omissions of, and whenever this Contract refers to the negligence, fault or omission of CONTRACTOR, such term shall include the negligence, fault or omission of, CONTRACTOR's employees, Subcontractors and their agents and employees, and other persons performing portions of the Work under an agreement with CONTRACTOR. CONTRACTOR shall not be relieved of obligations to perform the Work in accordance with the Contract Documents by tests, inspections or approvals required or performed by persons other than CONTRACTOR.

**2.6.3 Coordination.** CONTRACTOR shall coordinate construction requirements with governmental agencies, utilities, and all other parties either involved in infrastructure improvements or otherwise affected by the design and construction requirements.

**2.6.3.1 Design-Build Development Coordination.** CONTRACTOR understands and agrees that all Design Development Documents and time schedules prepared by Architect/Engineer must be coordinated with CONTRACTOR and CITY. CONTRACTOR shall participate and provide recommendations in the development of the drawings and other documents to fix and describe the size and character of the Project in its entirety as to structural, and electrical systems, materials and other essentials as may be necessary according to good engineering and architectural practice.

**2.6.3.2 Construction Documents Coordination.** [reserved]

**2.6.4. Cooperation.** CONTRACTOR shall cooperate with the Architect/Engineer, and CITY's financial, design and construction consultants and all other designated representatives during the design and construction of the Project.

**2.6.5 Management.** CONTRACTOR shall implement suitable management systems and work plans for the Project relative to Project safety, quality assurance and managing and controlling the Work.

**2.6.6 Reports.** CONTRACTOR shall prepare and submit to CITY monthly progress reports on the Work accomplished during the previous monthly period, which reports shall be prepared in a manner and in a format reasonably acceptable to CITY. Such reports shall be

furnished at the time of submission of each monthly Application for Payment. As part of such report, CONTRACTOR shall provide an updated Schedule, including CPM, if any, illustrating the progress that has been made, by reference to the initial CPM, and specifying whether the Work is on schedule or behind schedule and actions being taken to correct Schedule slippage. The monthly report shall also set forth CONTRACTOR's projected progress for the forthcoming month.

**2.7 Warranty.** CONTRACTOR warrants to CITY that any and all materials, equipment and furnishings incorporated in the Work will be of good quality and new unless otherwise required or permitted by the Contract Documents, that the Work will be free from defects not inherent in the quality required or permitted, and that the Work will conform with the requirements of the Contract Documents. Work not conforming to these requirements, including substitutions not properly approved and authorized, may be considered defective by CITY at its sole discretion.

**CONTRACTOR shall warranty the Work for a period of one-year commencing upon recording of the notice of completion.** If within this one-year warranty period any of the Work is found to be defective or not in accordance with the requirements of the Contract Documents, CONTRACTOR shall correct it promptly after receipt of written notice from CITY to do so. CITY shall give such notice promptly after discovery of the condition. CONTRACTOR shall bear the cost of correction.

CONTRACTOR's attention is directed to Section 9.3 below regarding Warranty Bond requirements.

**2.8 Taxes.** CONTRACTOR shall pay, as Cost of the Work, all existing and future applicable federal, state and local sales, consumer, use and similar taxes, whether direct or indirect, relating to, or incurred in connection with, the performance of the Work (excluding taxes based on CONTRACTOR's income). In the event CONTRACTOR is obligated to pay any new or increased taxes or duties adopted after the date hereof, the amount of such new or increased taxes shall increase the GMP pursuant to the Change Order provisions of this Contract. In the event CONTRACTOR receives the benefit of a tax exemption or tax reduction taking effect after the date hereof, the amount of such exemption or reduction shall decrease the GMP pursuant to the Change Order provisions of this Contract

**2.9 Access by CITY.** CONTRACTOR shall afford CITY and its authorized designees access to the Project Site at all times, subject to reasonable prior notice for access outside of normal business hours.

**2.10 Use of Site.** CITY shall be permitted beneficial use of the Work.

**2.11 Patents, Trademarks, Copyrights.** CONTRACTOR shall pay, as a Cost of the Work, all-applicable royalties and license fees on any matters arising in connection with the Work. CONTRACTOR shall defend all suits or claims for infringement of patent, trademark, and copyrights against the Indemnified Parties, and shall save the Indemnified Parties harmless from loss on account thereof for any and all matters arising in connection with the Work or the Project (such costs to be paid as Cost of the Work), except with respect to any particular design process

or the product of a particular manufacturer or manufacturers specified and required by CITY, other than pursuant to the recommendation or suggestion of CONTRACTOR or a subcontractor; provided however, if CONTRACTOR has reason to believe that the design, process or product so specified is an infringement of a patent, CONTRACTOR shall be responsible for any loss resulting unless CONTRACTOR has provided CITY with prompt written notice of CONTRACTOR's belief, and CITY has nevertheless elected to go forward with such design, process or product so specified.

**2.12 Rubbish; Debris; Cleanup.** During the performance of all on-site Work, CONTRACTOR shall at all times, as a Cost of the Work, keep the Site and adjacent streets, properties and sidewalks reasonably free from waste materials, debris and/or rubbish, and shall employ adequate dust control measures. If accumulation of such materials, debris, rubbish or dust constitutes a nuisance or safety hazard or is otherwise objectionable in the reasonable opinion of CITY, CONTRACTOR shall promptly remove them. Upon Substantial Completion of the Work, or any portion or component thereof, CONTRACTOR shall remove from the Site, or applicable portion thereof, all tools, construction equipment, machinery, surplus materials, waste materials and rubbish and shall leave the Site in a "broom clean" condition. If CONTRACTOR fails to clean up as provided in the Contract Documents, CITY may do so and the cost thereof shall be charged to CONTRACTOR as a Cost of the Work.

**2.13 Permits, Fees and Notices.** Unless otherwise provided in the Contract Documents, and subject to the provisions of Section 2.5 hereof, CONTRACTOR shall secure all governmental fees, licenses and inspections required by the building code necessary for the proper execution and completion of the Work. To the extent there is a change in the type or cost of any of such permits, fees, licenses or inspection occurring after execution of this Agreement, there shall be an equitable adjustment in the GMP and Schedule on account of such change in accordance with the Change Order provisions. CONTRACTOR shall comply with and give notices required by Applicable Laws.

**2.14 Shop Drawings, Product Data, Samples and Other Submittals.**

**2.14.1 Documents and Samples at the Site.** From and after commencement of the Construction Work, CONTRACTOR shall maintain at the site one record copy of the Construction Documents, and any and all amendments thereto, in good order and marked to record changes and selections made during the Construction Phase. In addition, CONTRACTOR shall maintain at the site approved shop drawings, product data, samples and similar required submittals. These shall be provided to CITY upon completion of the Work.

**2.14.2 Shop Drawings, Product Data, Samples and Other Submittals.**

**2.14.2.1 Shop Drawings** are drawings, diagrams, schedules and other data specially prepared for the Work by CONTRACTOR, a Subcontractor, manufacturer, supplier or distributor to illustrate some portion of the Work.

**2.14.2.2 Product Data** are illustrations, standard schedules, performance charts, instructions, brochures, diagrams and other information furnished by CONTRACTOR to illustrate materials or equipment for some portion of the Work.

**2.14.2.3 Samples** are physical examples, which illustrate materials, equipment or workmanship and establish standards by which the Work will be judged.

**2.14.2.4 Shop Drawings, Product Data, Samples and similar submittals** are not Contract Documents. The purpose of their submittal is to demonstrate for those portions of the Work for which submittals are required the way CONTRACTOR proposes to conform the construction to the Construction Documents.

**2.14.2.5 Submission of items listed in section 2.14.2.4**. [reserved]

**2.14.3 Responsibility**. CONTRACTOR shall not be relieved of responsibility for the deviations from requirements of the Contract Documents by CITY's approval of Shop Drawings, Product Data, Samples or similar submittals unless CONTRACTOR has specifically informed CITY of such deviation at the time of the submittal and CITY has given written approval to the specific deviation. CONTRACTOR shall not be relieved of responsibility for errors or omissions in Shop Drawings, Product Data, Samples or similar submittals by CITY's approval thereof.

## 2.15 Tests and Inspections

**2.15.1 Initial Tests and Inspections.** Tests, inspections and approvals of portions of the Construction Work shall be made as required by the Contract Documents, Applicable Laws or normal construction practices and/or as directed by CITY. Unless otherwise provided, CONTRACTOR shall make arrangements for such tests, inspections and approvals with an independent testing laboratory or entity acceptable to CITY, or with the appropriate public authority. The costs of such tests, inspections and approvals shall be a cost paid by CONTRACTOR. CONTRACTOR shall give CITY timely notice of when and where tests and inspections are to be made so that CITY may observe such procedures. All costs of tests, inspections or approvals imposed upon CONTRACTOR by changes in Applicable Laws occurring after execution of this Agreement shall be an increase to the GMP in accordance with the Change Order provisions herein.

**2.15.2 Additional Tests and Inspections.** If CITY, or any other public authority having jurisdiction, determines that portions of the Construction Work require additional testing, inspection or approval beyond that required by subsection 2.15.1, CITY will instruct CONTRACTOR to make arrangements for such additional testing, inspection or approval by an entity acceptable to CITY, and CONTRACTOR shall give timely notice to CITY of when and where tests and inspections are to be made so CITY may observe such procedures. If such additional tests and/or inspections reveal failure of the portions of the Work to comply with the requirements of the Contract Documents, the costs of such tests and required correction shall be paid as a Cost of the Work, subject to the limitations set forth in Section 2.22 hereof. If the additional tests and/or inspections show that the portions of the Work comply with the

requirements of the Contract Documents, the costs thereof shall be an increase to the GMP in accordance with the Change Order provisions of this Agreement.

**2.15.3 Required Certificates.** Required certificates of testing, inspection or approval shall, unless otherwise required by the Contract Documents, be secured by CONTRACTOR and promptly delivered to CITY.

**2.1 5.4 Timing of Testing.** Tests or inspections conducted pursuant to the Contract Documents shall be made promptly to avoid unreasonable delay in the Work.

**2.16 Execution, Correlation and Intent.**

**2.16.1 Execution of Agreement.** Execution of this Agreement by CONTRACTOR is a representation that CONTRACTOR has visited the Site, become familiar with the local conditions under which the Work is to be performed and correlated personal observations with requirements of the Contract Documents.

**2.16.2 Intent of Contract Documents.** The intent of the Contract Documents is to include all items necessary for the proper execution and completion of the Work by CONTRACTOR. The Contract Documents are complementary and what is required by one shall be as binding as if required by all; performance by CONTRACTOR shall be required only to the extent consistent with the Contract Documents and reasonably inferable from them as being necessary to produce the intended results.

**2.16.3 Organization of Materials.** Organization of the Design Materials into divisions, sections and articles, and arrangement of drawings does not necessarily control CONTRACTOR in dividing the Construction Work among Subcontractors or in establishing the extent of Construction Work performed by any trade.

**2.16.4 Meaning of Words.** Unless otherwise stated in this Agreement, words which have well-known technical or construction industry meanings are used in accordance with such recognized meanings.

**2.17 Labor and Materials; Liens (Stop Payment Notice Claims); Indemnity.** Unless otherwise provided in the Contract Documents, CONTRACTOR shall provide and pay for labor, materials, equipment, tools, construction equipment and machinery, water, heat, utilities, transportation, and other facilities and services necessary for the proper execution and completion of the Work, whether temporary or permanent and whether or not incorporated or to be incorporated in the Work. CONTRACTOR shall enforce strict discipline and good order among CONTRACTOR's employees, subcontractors, and other persons carrying out the Work. CONTRACTOR shall not permit employment of unfit persons or persons not skilled in tasks assigned to them.

CONTRACTOR shall not permit any Subcontractor, materialman, or laborer to place liens on the Project covering any portion of the Work for which CITY has made payment to CONTRACTOR. If any liens (e.g., stop payment notice claims) are imposed, CITY may

withhold payment in the amount of 125% of the claim until such time an unconditional release is provided in a form satisfactory to CITY. CONTRACTOR shall indemnify, defend, and hold harmless CITY regarding any claim or lien that proceeds to, or is the subject of litigation. CITY may withhold payment(s) pending compliance with this provision.

## 2.18 Cutting and Patching.

**2.18.1 Cutting and Patching of the Work.** CONTRACTOR shall be responsible for cutting, fitting, or patching required to complete the Work or to make its parts fit together properly.

**2.18.2 Damage to Work of CITY or Separate Contractors.** CONTRACTOR shall not damage or endanger a portion of the completed Work, fully or partially completed construction of CITY, or work or construction by Separate Contractor(s) by cutting, patching or otherwise altering such construction or work, or by excavation. CONTRACTOR shall not cut or otherwise alter such construction by CITY or a Separate Contractor except with written consent of CITY and of such Separate Contractor, such consent not to be unreasonably withheld.

## 2.19 Uncovering of Construction Work.

**2.19.1 Uncovering.** If a portion of the Construction Work is covered contrary to CITY's written request to observe such work prior to it being covered or contrary to requirements of the Contract Documents, it must, if directed in writing by CITY, be uncovered for CITY's observation and be replaced without change in the Schedule or GMP. The costs of such uncovering and replacement shall be Cost of the Work, subject to the limitation set forth in Section 2.22 hereof.

**2.19.2 Covering of Work Requested to be Observed.** If a portion of the Construction Work has been covered which CITY has not specifically requested to observe prior to it's being covered, CITY may request to see such Construction Work and it shall be uncovered by CONTRACTOR. If such Construction Work is in accordance with the Contract Documents, costs of uncovering and replacement shall, by appropriate Change Order, be charged to CITY and shall increase the GMP. An appropriate time extension shall also be given. If such Construction Work is not in accordance with the Contract Documents, CONTRACTOR shall pay such costs as Cost of the Work, unless such condition was caused by CITY or a Separate Contractor in which event CITY shall be responsible for payment of such costs by appropriate Change Order, and an appropriate time extension shall also be given.

## 2.20 Correction of Work.

**2.20.1 Work Rejected by CITY.** CONTRACTOR shall promptly correct Construction Work rejected by CITY or failing to conform to the requirements of the Contract Documents, whether observed before or after Substantial Completion and whether or not fabricated, installed or completed. CONTRACTOR shall bear the costs of correcting such rejected Construction Work, as a Cost of the Work, including additional testing and inspection and compensation for services and expenses of CITY made necessary thereby.

**2.20.2 [Intentionally deleted].**

**2.20.3 Removal of Work.** CONTRACTOR shall remove from the Site portions of the Construction Work, which are not in accordance with the requirements of the Contract Documents and are neither corrected by CONTRACTOR nor accepted by CITY. The costs incurred in removing such Work shall be a Cost of the Work, subject to the limitation set forth in Section 2.22 hereof.

**2.20.4 Failure to Correct Nonconforming Work.** If CONTRACTOR fails to correct nonconforming Construction Work within a reasonable time, CITY may correct it in accordance with the terms of this Agreement. If CONTRACTOR does not proceed with correction of such nonconforming Construction Work within a reasonable time fixed by written notice from CITY, CITY may remove it and store the salvageable materials or equipment at CONTRACTOR's expense. If CONTRACTOR does not pay costs of such removal and storage within ten (10) Days after written notice, CITY may, upon ten (10) additional Days written notice, sell such materials and equipment at auction or at private sale and shall account for the proceeds thereof, after deducting costs and damages that should have been borne by CONTRACTOR, including compensation for services and expenses made necessary thereby. If such proceeds of sale do not cover costs which CONTRACTOR should have borne, CONTRACTOR shall pay such excess to CITY. If such proceeds are in excess of the costs which CONTRACTOR should have borne, such excess shall be paid by CITY to CONTRACTOR. If such costs arise during the performance of the Work, such costs shall be charged against the Cost of the Work. If such costs arise after Substantial Completion, such costs shall be payable as provided in Section 5.1.

**2.20.5 Damaged or Destroyed Work.** CONTRACTOR shall bear the cost of correcting destroyed or damaged construction, whether completed or partially completed, of CITY or Separate Contractors caused by CONTRACTOR's correction or removal of Construction Work which is not in accordance with the requirements of the Contract Documents. If such costs arise during the performance of the Work, such costs shall be charged against the Cost of the Work. If such costs arise after Substantial Completion, such costs shall be payable as provided in Section 5.1.

**2.20.6 No Limitation.** Nothing contained in this section 2.20 shall be construed to establish a period of limitation with respect to other obligations which CONTRACTOR might have under the Contract Documents.

**2.21 Value Engineering.** CONTRACTOR shall suggest to CITY value engineering to reduce the cost of the Project, which CITY may accept at its sole discretion.

**2.21.1 Subcontractors Bids**. CONTRACTOR shall use its best effort to choose the highest quality of materials, equipment, component systems and types of construction for the most reasonable prices for inclusion in the Construction Documents, and make reasonable adjustments in the scope of the Project so that the total cost bid by the bidding Subcontractors will not exceed the estimate.

**2.22 Acceptance of Nonconforming Work.** If CITY prefers to accept Work, which is not in accordance with the requirements of the Contract Documents, CITY may do so instead of requiring its removal and correction, in which case the GMP will be reduced as appropriate and equitable. Such adjustment shall be effected whether or not final payment has been made.

**2.23 Contractor Registration.** No contractor or subcontractor may work on a public works project unless registered with the Department of Industrial Relations pursuant to Labor Code section 1725.5. During the performance of this Contract, CONTRACTOR and its subcontractors shall have a continuing legal obligation to maintain current registration with the Department of Industrial Relations. CONTRACTOR is hereby notified that this Project is subject to compliance monitoring and enforcement by the Department of Industrial Relations.

## ARTICLE 3
## CITY'S RIGHTS AND RESPONSIBILITIES

### 3.1. Information and Services Required of CITY.

**3.1.1 CITY Designation of Authorized Representative.** Both Parties shall designate, from time to time, one or more representatives authorized to act on their behalf with respect to the Project, together with the scope of his/her respective authority. CONTRACTOR shall not be entitled to rely on directions from anyone outside the scope of that person's authority as set forth in written delegations pursuant to this Agreement. Directions and decisions made by Authorized Representative(s) of CITY shall be subject to any further approval(s) required by any provisions of CITY's Charter or the Roseville Municipal Code.

**3.1.2 Communication.** During the term of this Contract, CITY shall communicate with Subcontractors, suppliers and others performing any part of the Work only through CONTRACTOR's Authorized Representative.

**3.1.3 Governmental Approvals.** CITY shall be responsible for obtaining the Governmental Approvals. Any delay in obtaining the Governmental Approvals may entitle CONTRACTOR to an equitable adjustment in the Schedule and GMP in accordance with the Change Order provisions of this Agreement, except to the extent such delay is due to the fault or neglect of CONTRACTOR.

### 3.2 [Intentionally deleted.]

### 3.3 [Intentionally deleted.]

### 3.4 Activities on the Site by CITY or Separate Contractors.

**3.4.1 CITY's Right to Award Separate Contracts.** CITY reserves the right to perform work or operations related to the Project, with CITY's own forces, and to award separate contracts to Separate Contractors in connection with other portions of the Project.

**3.4.2 Integration of the Work with Separate Contractors.** Following the request of CITY, CONTRACTOR shall prepare a plan in order to integrate the work performed by Separate Contractors with the performance of the Work, and shall submit such plan to CITY for approval. The plan shall be fair and reasonable for CONTRACTOR and the Separate Contractors, and CONTRACTOR shall work with the Separate Contractors to reach agreement on such plan. CONTRACTOR shall arrange the performance of the Work so that the Work and the work of the Separate Contractors are, to the extent applicable, properly integrated, jointed in an acceptable manner, and performed in the proper sequence so that any disruption or damage to the Work or to any work of Separate Contractors is avoided.

**3.4.3 Coordination.** CONTRACTOR shall provide for the coordination of the activities of CONTRACTOR and its Subcontractors with the activities of the Separate Contractors. CONTRACTOR shall participate with all Separate Contractors and CITY in reviewing and coordinating the schedules of the Separate Contractors with the Schedule. CONTRACTOR shall make any revisions to the Schedule deemed necessary to properly incorporate the work of the Separate Contractors with the Work. To the extent (a) the date of Substantial Completion is extended by such Schedule revision; (b) CONTRACTOR is required to perform its Work materially out of sequence, and in a manner which is not as efficient or cost effective as originally planned; or (c) the Scope of Work is increased, an equitable adjustment in the GMP and the Schedule shall be made in accordance with the Change Order provisions of this Agreement.

**3.4.4 Use of Site.** CONTRACTOR shall afford CITY and all Separate Contractors reasonable opportunity for storage of materials and equipment and performance of their work. CONTRACTOR shall also connect and coordinate its Work and operations with CITY and all Separate Contractors' operations as required by the Contract Documents. CITY shall direct the Separate Contractors to cooperate with CONTRACTOR and to avoid actions or omissions, which could interfere with or delay the activities of CONTRACTOR.

**3.4.5 Deficiency in Work of Contractors.** If part of CONTRACTOR's Work depends upon proper execution or results upon construction or operations by CITY or a Separate Contractor, CONTRACTOR shall, prior to proceeding with that portion of the Work, promptly report to the Separate Contractor and CITY apparent discrepancies or defects in such other construction that would render it unsuitable for proper execution and results by CONTRACTOR. CONTRACTOR and the Separate Contractor shall use good faith efforts to resolve any such discrepancies or defects or any disagreements relating thereto. Failure of CONTRACTOR to report such discrepancies or defects shall constitute acceptance by CONTRACTOR of the work of Separate Contractors as fit and proper to receive CONTRACTOR's Work (except as to those defects or discrepancies that are not apparent).

**3.4.6 Claims Involving Separate Contractors.** In the event that CONTRACTOR unnecessarily and unreasonably delays the work of Separate Contractors by not cooperating with them as required hereby, or by not affording them reasonable opportunity to perform their work as stated herein, CONTRACTOR shall, in such event, pay, as Cost of the Work, all reasonable direct incremental costs and expenses incurred by such Separate Contractors due to any such delays. If any Separate Contractor shall assert a claim or bring an action against CITY alleging

damage due to the fault or neglect of CONTRACTOR, CITY shall immediately notify CONTRACTOR, who shall defend such claim. If it is determined that CONTRACTOR was at fault, CONTRACTOR shall pay all costs of defense, including attorney's fees, as well as any resulting judgment or settlement, as a Cost of the Work.

**3.5 Assignment of Separate Contracts.** If CITY determines that it wishes to assign to CONTRACTOR one or more contracts between CITY and a Separate Contractor, it shall give CONTRACTOR written notice of such desire, including in such notice a copy of such contract for CONTRACTOR's review and approval. The Separate Contractor shall be fully qualified to perform the work under the to-be-assigned contract, shall possess the financial capability to perform its obligations under such to-be-assigned contract, and shall provide one hundred percent (100%) payment and performance bonds covering such work from sureties meeting the standards set forth in Section 1.53 hereof. Such contract shall contain provisions similar to those contained in CONTRACTOR's agreements with its Subcontractors with respect to liability, indemnification, retention, payment, labor, warranty, and other material items. Upon CONTRACTOR's approval of the assignment of such contract, which approval shall not be unreasonably withheld, delayed or conditioned, such Separate Contractor shall cease to be a Separate Contractor and shall thereafter be deemed to be a Subcontractor of CONTRACTOR, and the GMP shall be increased by Change Order in the amount of (a) such assigned contract, and (b) the additional Fee pursuant to the provisions of Section 6.5.1.

**3.6 CITY's Right to Stop the Work.** If CONTRACTOR persistently fails to correct Work which is not in accordance with the requirements of the Contract Documents and this Agreement or persistently fails to carry out the Work in accordance with the Contract Documents, CITY, by written order signed by CITY, may deliver a notice to CONTRACTOR setting forth that such a persistent and material failure is occurring and has occurred, and demanding that CONTRACTOR commence a cure of such persistent and material failure within twenty (20) Days and diligently pursue such cure thereafter. In the event that the cure is not commenced and pursued diligently, CITY may, by written notice to CONTRACTOR, order CONTRACTOR to stop the Work, or any portion thereof, until the use for such order has been eliminated; provided, however, that the right of CITY to stop the Work shall not give rise to a duty on the part of CITY to exercise this right for the benefit of CONTRACTOR or any other person or entity and shall not give rise to any liability of CITY to CONTRACTOR resulting from any delay (except to the extent that such order is found to be improper).

**3.7 CITY's Right to Carry out the Work.** If CONTRACTOR defaults or neglects to carry out the Work in accordance with the Contract Documents and fails within a seven (7) Day period after receipt of written notice from CITY to commence and diligently continue correction of such default or neglect with diligence and promptness, CITY may after such seven (7) Day period give CONTRACTOR a second written notice to correct such deficiencies within such second seven (7) Day period. If CONTRACTOR within such second seven (7) Day period after receipt of such second notice fails to commence and diligently continue to correct any deficiencies, CITY, without prejudice to other remedies CITY may have, may correct such deficiencies. In such case an appropriate Change Order shall be issued deducting from payments then or thereafter due to CONTRACTOR the cost of correcting such deficiencies, including Compensation for additional services and expenses made necessary by such default, neglect or

failure. If payments then or thereafter due to CONTRACTOR are insufficient to cover such amounts, CONTRACTOR shall pay the difference to CITY.

## ARTICLE 4
## TIME

**4.1. Progress and Completion.** Time limits stated in the Contract Documents are of the essence of this Agreement. By executing this Agreement, CONTRACTOR confirms that the Contract Time is a reasonable period of time for achieving Final Completion of the Work.

**4.2 Schedule Obligations.**

**4.2.1 Contract Schedule and Notice To Proceed.** CONTRACTOR shall provide a schedule as stated in Section 1.46. CONTRACTOR shall begin work pursuant to this Agreement and in accordance with the Schedule (as described in Exhibit F) within fifteen (15) calendar Days of the date of issuance of a Notice To Proceed by CITY, unless extended at the request made to and at the sole discretion of City. CONTRACTOR shall update said schedule to commence from the date of this Agreement, and the overall timeline shall remain consistent with the original schedule. CITY may issue the Notice To Proceed within fifteen (15) Days of full execution of this Agreement.

**4.2.2 Prosecution of the Work.** CONTRACTOR shall prosecute the Work so that the portion of the Work completed at any point in time shall be not less than as required by the Schedule. If the rate of progress is such that the total amount of Work and/or the degree of completion of the Project accomplished by CONTRACTOR within any time period required by the Schedule is less than the amount therein specified, CONTRACTOR shall so notify CITY. If the delay is an Unexcused Delay, CONTRACTOR shall prepare a recovery schedule for CITY's review and approval, showing how CONTRACTOR will compensate for the delays and achieve Final Completion by the date shown on the Schedule. If CONTRACTOR is unable to demonstrate how it will overcome Unexcused Delays, CONTRACTOR shall employ such extraordinary measures as are necessary to bring the Work into conformity with the Final Completion Date set forth therein, the costs of which shall be a Cost of the Work and not exceed the GMP. If the delay is an Excusable Delay, CITY shall either (a) authorize an equitable extension in the Schedule to account for such delay, and equitably adjust the GMP on account of such delay, to the extent permitted by Article 6; or (b) request that CONTRACTOR prepare a recovery schedule showing how (if possible) CONTRACTOR can achieve Substantial Completion by the date shown on the Schedule (as modified), and equitably adjust the GMP in accordance with the Change Order provisions of this Agreement on account of any extraordinary activities required of CONTRACTOR on account of such recovery schedule. Schedule float (total float) shall be owned by CITY. As float is an expiring resource, if the Work is delayed on the critical path due to a delay caused by the CONTRACTOR and/or Architect/Engineer, the CONTRACTOR may not use any float created by such a delay on any other path without the express written approval of CITY.

**4.3 Pre-construction Activities.** Within thirty (30) Days after execution of this Agreement, CONTRACTOR shall submit to CITY for review a detailed schedule of pre-construction

activities, by expanding the pre-construction activities set forth on the Schedule. This pre-construction schedule shall be prepared using the CPM, and shall show in sufficient detail the starting and completion times sequences of Subcontract award activities of CONTRACTOR, and identify all interface activities of CITY.

**4.4 Extensions of Time.**

**4.4.1 General.** An extension in the scheduled date of Final Completion will only be granted in the event of Excusable Delays affecting Work activities on the critical path.

**4.4.2 Excusable Delays.** Subject to 4.4.1 and 4.5.2, to the extent any of the following events results in an actual delay in the Work affecting Work activities on the critical path, such shall constitute an **"Excusable Delay"** (to the extent not set forth below, a delay will be considered an **"Inexcusable Delay"**).

**4.4.2.1** Failure or inability of CITY to make available any or all of the Site in accordance with the requirements of the Schedule.

**4.4.2.2** Failure or inability of CITY or CONTRACTOR to obtain necessary zoning changes, variances, code changes, permits or approvals from any governmental authority, or failure to obtain any street or alley vacations required for the performance of the Work, except to the extent due to the fault or neglect of CONTRACTOR.

**4.4.2.3** Delays resulting solely from the acts or omissions of Separate Contractors; provided however, only to the extent Separate Contractors perform their work improperly and not in accordance with any applicable critical path schedule.

**4.4.2.4** Delays resulting from Force Majeure.

**4.4.2.5** Differing, unusual or concealed site conditions that could not reasonably have been anticipated by CONTRACTOR in preparing the Schedule.

**4.4.2.6** Delays resulting from the existence or discovery of Hazardous Materials on the Site not brought to the site by CONTRACTOR or any Subcontractor.

**4.4.2.7** Delays resulting from changes in Applicable Laws occurring after the date of execution of this Agreement.

**4.4.2.8** Delays occurring solely due to the acts or omissions of CITY and those within the control of CITY, including, but not limited to, Separate Contractors.

**4.4.2.9** Delays resulting from weather conditions, which shall be determined as follows: Should CONTRACTOR prepare to begin work at the regular starting time of any working day on which inclement weather, or the conditions resulting from the weather, prevents the Work from beginning at the usual starting time and the crew is dismissed as a result thereof and CONTRACTOR does not proceed with at least 75% of the normal labor and equipment force engaged in the current operations for at least 60% of the total daily time being spent,

CONTRACTOR will not be charged for a working day, even if the conditions change during the course of the day. At the start of such days, CONTRACTOR shall notify CITY if CONTRACTOR believes that inclement weather or conditions resulting from the weather exist. A non-working day determination of such conditions shall be made by CITY, who will immediately notify CONTRACTOR.

**4.4.2.10** Delays resulting from unproductive work days, which shall be determined as follows: When CONTRACTOR is prevented from working on current operations due to site conditions, CITY action, or force majeure for at least 60% of the total daily time on the controlling operations. Controlling operations are determined by the critical path method schedule described in the applicable CITY construction standards. The critical path schedule used in this determination shall be no more than thirty (30) days old. CONTRACTOR shall notify CITY if CONTRACTOR believes an unproductive work day exists upon discovery of such condition. A non-working day determination of such conditions shall be made by CITY, who will immediately notify CONTRACTOR.

**4.4.3 Requirements for Schedule Amendment due to Excusable Delays.** In order to obtain an extension of time due to an Excusable Delay, CONTRACTOR shall comply with the following requirements:

**4.4.3.1** CONTRACTOR shall notify CITY of the Excusable Delay as soon as practicable, but in no event more than four (4) Business Days after CONTRACTOR becomes aware of the occurrence of the Excusable Delay. Such notice shall describe the Excusable Delay and shall state the approximate number of Days CONTRACTOR expects to be delayed. After the cessation of the Excusable Delay, CONTRACTOR shall notify CITY of the number of Days CONTRACTOR believes that its activities were in fact delayed by the Excusable Delay. In the event that the delay arises as a result of a Change Order request by CITY, the request for an extension of time contained in the resulting Change Order proposal shall be deemed sufficient for purposes of this subsection.

**4.4.3.2** CONTRACTOR shall demonstrate to the satisfaction of CITY that the Excusable Delay in fact delayed the critical path for performance of the Work (by use of CPM analysis). Any delay that impacts the CPM will be presented to the Project Manager at the monthly meeting, and prior to completion of each activity.

**4.4.4 Decision by CITY.** Within thirty (30) Days after cessation of an event giving rise to either an Excusable Delay or Inexcusable Delay, the parties will use good faith efforts to agree on the extent to which the Work has been delayed and whether the delay is an Excusable Delay or an Inexcusable Delay. In the absence of agreement between the parties as to the then current status of Excusable Delays and Inexcusable Delays, CITY will provide CONTRACTOR with written notice of CITY's determination of the respective number of Days of Excusable Delay and/or Unexcusable Delay within ten (10) Days after receipt by CITY of CONTRACTOR's written request for such determination. The issuance by CITY of such a determination shall not, however, be deemed a concurrence by CONTRACTOR of the matters set forth therein, and CONTRACTOR may invoke the dispute resolution procedures with respect to such determination. Pending completion of dispute resolution procedures, CONTRACTOR may take such acceleration or other measures required on account of CITY's determination of

Inexcusable Delay, and if completion of the dispute resolution procedures results in CITY's determination being changed to Excusable Delay, the costs associated with such measures shall be paid by CITY as an increase to the GMP in accordance with the Change Order provisions of this Agreement.

**4.5 Adjustment in GMP on Account of Extensions of Time.**

**4.5.1 Certain Excusable Delays.** Section 4.5 governs the extent to which CONTRACTOR is entitled to an extension of time due to Excusable Delays. Provisions governing the payment of additional compensation on account of such Excusable Delays, (if any) are set forth in Article 6.

**4.5.2 Concurrent Delays.** To the extent CONTRACTOR is entitled to an extension of time due to an Excusable Delay, but the performance of the Work would have been suspended, delayed or interrupted by the fault or neglect of CONTRACTOR, any subcontractor and/or by an Inexcusable Delay, CONTRACTOR shall not be entitled to any additional costs for the period of such concurrency.

**4.6 Liquidated Damages.**

**4.6.1 General.** CONTRACTOR and CITY acknowledge that in the event that CONTRACTOR fails to achieve Final Completion of the Project by the date established, CITY will incur substantial damages that shall be incapable of accurate measurement. Nonetheless, the parties acknowledge that on the date of this Agreement, the amount of liquidated damages set forth below represents a good faith estimate as to the actual potential damages that CITY would incur as a result of late Completion of the Project. Such liquidated damages shall be in-lieu of actual damages resulting from late completion. The amount of the liquidated damages calculated hereunder does not include any penalty.

**4.6.2 Amount of Liquidated Damages.** If CONTRACTOR fails to achieve Final Completion of the Work on or before the Notice of Completion date, as adjusted for Excusable Delays, CONTRACTOR shall pay to CITY liquidated damages in the amount of $500.00 (five hundred dollars) per Day for each calendar day the date of Final Completion is unexcusably delayed. Payment of liquidated damages shall be made contemporaneously with CITY's required payment to CONTRACTOR, and such payments may be offset against each other.

## ARTICLE 5
## PAYMENT AND COMPLETION

**5.1 Guaranteed Maximum Price ("GMP") and GMP Shared Savings.** CITY shall pay for CONTRACTOR's performance under this Agreement the Cost of the Work and Fee (as described in Exhibit A hereto); provided, however, that the sum of the Cost of the Work and the Fee shall not exceed the GMP, as adjusted by Change Order/Directive in accordance with the Contract Documents. CONTRACTOR bears the risk of its increased costs due to market price increases (including escalating costs for materials).

**5.1.1 Shared Savings.** CONTRACTOR shall be compensated for actual work completed based on the Cost of Work and Fee up to the amount of the GMP. If CONTRACTOR's actual total Cost of the Work and Fee is less than the GMP, upon Final Completion, the CONTRACTOR shall be entitled to receive forty percent (40%) of the GMP Savings. "GMP" Savings shall mean the positive difference, if any, when the actual Total Cost of the Work and Fee is subtracted from the GMP; provided, however, that unused contingency monies, if any, shall not be subject to shared savings.

**5.2 Schedule of Values.** Before the first Application for Payment, CONTRACTOR shall submit to CITY, and CITY shall approve, a schedule of values, setting forth the various portions of the Work, and the portions of the GMP allocated to each portion. This schedule of values shall be used as a basis for payment.

**5.3 Applications for Payment.** CONTRACTOR shall deliver to CITY not more than once each month an Application for Payment covering the Cost of Work and Fee applicable to the Work performed during the immediately preceding month. With each Application for Payment CONTRACTOR shall submit such evidence as may be necessary to demonstrate costs incurred on account of Cost of the Work during such month and the percentage of completion of each category of Work. CITY may reject requests for payment, or portions thereof, for Work, or portions thereof, not performed or completed.

**5.4 Amount of Progress Payments.** CITY shall pay CONTRACTOR the actual Cost of the Work and Fee, if any, through the period covered by the Application for Payment, less Retention as set forth in Section 5.5 below, provided that the aggregate payment amount before retention will not exceed the percentage of completion of the Work multiplied by the GMP (excluding items of the GMP not subject to retention). CITY may additionally withhold from progress payments such amounts pursuant to stop payment notice claims as required by law and CITY administrative regulation 4.01.

**5.5 Retention; Escrow Agreement; Final Payment.** Five percent (5%) Retention shall be withheld from each progress payment until the expiration of thirty-five (35) days following the recordation of the notice of completion; provided however, City shall continue to retain such amount as required by law and/or CITY administrative regulation 4.01. CONTRACTOR may elect to establish an escrow account for securities in-lieu of the five percent (5%) Retention in a form of escrow agreement compliant with law and subject to approval by the City Attorney (form of escrow agreement is attached as Exhibit D). Release of Retention monies shall constitute the Final Payment.

**5.6 Early Release of Subcontractor Retention.** [reserved]

**5.7 Payment for On-Site and Off-Site Stored Materials.** [reserved]

**5.8 Title to Construction Work.** CONTRACTOR warrants that title to all Construction Work covered by an Application for Payment shall pass to CITY no later than the time of payment. CONTRACTOR further warrants that upon submittal of an Application for Payment,

all Construction Work for which Applications for Payment have been previously issued and payments received from CITY shall, to the best of CONTRACTOR's knowledge, information and belief, be free and clear of liens, claims, security interests or encumbrances in favor of CONTRACTOR, Subcontractors, material suppliers, or other persons or entities making a claim by reason of having provided labor, materials or equipment relating to the Construction Work.

**5.9 Withholding of Payment.** CITY may withhold payment on account of an Application for Payment if required or authorized by any Applicable Law, or to the extent necessary to protect CITY from loss because of:

**5.9.1** defective Work not remedied;

**5.9.2** third party claims filed or reasonable evidence indicating probable filing of such claims;

**5.9.3** failure of CONTRACTOR to make payments of undisputed amounts to Subcontractors for labor, materials or equipment;

**5.9.4** damage to CITY or a Separate Contractor caused by the fault or neglect of CONTRACTOR to the extent not reimbursed by insurance; or

**5.9.5** reasonable evidence that the Work will not be Substantially Completed within the Contract Time due to Inexcusable Delay, and that the unpaid balance of the GMP would not be adequate to cover liquidated damages for the anticipated Inexcusable Delay.

**5.10 Failure of Payment; Interest.** In accordance with Public Contract Code §20104.50, CITY shall pay CONTRACTOR interest on any progress payment, which is made by CITY more than thirty (30) days after CITY receives an undisputed and properly submitted written payment request. Said interest shall be equal to the rate set forth in Code of Civil Procedure §685.010(a), and shall begin to accrue upon the expiration of said thirty (30) day period. Any written request for a progress payment which CITY determines to be disputed, improper or not suitable for payment for any reason shall be returned to CONTRACTOR within seven (7) days after receipt by CITY, along with a written statement of the reason or reasons why such request is disputed, improper or not suitable for payment.

**5.11 Occupancy by CITY Prior to Acceptance.** CITY reserves the right to Beneficial Occupancy and without charge by CONTRACTOR. In those areas of the Work which are completed, CITY may store materials, equipment, and supplies, and may perform partial operation.

**5.12 Substantial Completion.** When CONTRACTOR considers the entire Work complete and ready for its intended use, CONTRACTOR shall certify in writing to CITY that the entire Work is substantially complete by providing CITY with a Certificate of Substantial Completion. Within a reasonable time thereafter, CITY and CONTRACTOR shall make an inspection of the Work to determine the status of completion. If CITY does not consider the Work substantially complete, CITY will notify CONTRACTOR in writing giving reasons therefor. If CITY

considers the Work substantially complete, CITY will accept a corresponding partial Certificate of Substantial Completion. There shall be attached to the Certificate a Punch List of items to be completed or corrected before Final Acceptance and Final Payment.

**5.13 Final Completion.** When the Work is fully completed, CONTRACTOR shall provide CITY with a Certificate of Final Completion and shall request final inspection in writing. Additionally, CONTRACTOR shall provide legally effective releases or waivers satisfactory to CITY of all lien rights arising out of or liens filed in connection with the Work. Within ten (10) calendar days of receipt of such completed request form, CITY shall make final inspection. If following final inspection CITY determines that the Work (including all Punch List items) has been fully completed, CITY will process a Notice of Completion. If CITY determines that the Work is not complete after receipt of certification from CONTRACTOR, CONTRACTOR shall be notified in writing of deficiencies. After the deficiencies have been corrected, the procedure for final inspection as set forth above shall again be initiated by CONTRACTOR. In the event CITY determines the Work is fully completed, CITY shall initiate process of attaining a notice of completion.

**5.13.1 Waiver of Claims at Final Payment.** Acceptance of final payment by CONTRACTOR shall constitute a waiver of all claims by CONTRACTOR, except those previously made in writing and identified as unsettled at the time of final payment.

**5.14 Construction Allowance Items.** [reserved]

**5.15 Superintendent.** CONTRACTOR shall employ a competent superintendent and necessary assistants who shall be in attendance at the Project site during performance of the Construction Work. The superintendent shall represent CONTRACTOR, and communications given to the superintendent shall be as binding as if given to CONTRACTOR.

**5.16 Documents and Samples at the Site.** CONTRACTOR shall maintain at the site for CITY one record copy of the drawings, specifications, addenda, Change Order and other Modifications, in good order and marked currently to record changes and selections made during construction, and in addition approved Shop Drawings, Product Data, Samples and similar required submittals. CONTRACTOR shall also prepare one reproducible set of as-built drawings. These shall be provided to CITY upon completion of the Work.

**5.17 Contingency.** [reserved]

## ARTICLE 6
## CHANGES IN THE WORK; CLAIMS

**6.1 Changes.** Changes in the Work shall be performed under applicable provisions of the Contract Documents. If unit prices are stated in the Contract Documents or subsequently agreed upon, and if quantities originally contemplated are so changed in a proposed Change Order or Change Directive that application of such unit prices to quantities of Work proposed will cause substantial inequity to CITY or CONTRACTOR, the applicable unit prices for such change

order/directive shall be equitably adjusted. No GMP adjustment on account of a Change Order shall include CONTRACTOR's or Subcontractor's profit, Fee, home office overhead or a formula allocation of indirect costs unless otherwise specifically allowed hereunder.

**6.2 Change Directives.** The following procedures shall apply with respect to Change Directives:

**6.2.1** Upon receipt of a Change Directive signed by CITY, CONTRACTOR shall promptly proceed with the change in the Work involved and advise CITY of CONTRACTOR's agreement or disagreement with the method, if any, provided in the Change Directive for determining the proposed adjustment in the GMP or the Schedule. If CONTRACTOR receives a written communication signed by CITY which CONTRACTOR believes is a Change Directive but is not so identified, it shall not proceed with the change in the Work until it receives from CITY a written confirmation that such communication is in fact a Change Directive.

**6.2.2** A Change Directive signed by CONTRACTOR indicates the agreement of CONTRACTOR with the contents thereof, and shall convert the Change Directive to a Change Order.

**6.2.3** If CONTRACTOR does not respond promptly or disagrees with the method for adjustment in the GMP or Schedule, the method and adjustment shall be determined as provided in Sections 6.5 or 6.10 below, as applicable. In such case, CONTRACTOR shall keep and present, in such form as CITY may request, an itemized accounting, together with appropriate supporting data.

**6.2.4** Pending final determination of cost to CITY, amounts not in dispute shall be included in Applications for Payment. The amount of credit to be allowed by CONTRACTOR to CITY for a deletion or change which results in a net decrease in the GMP shall be actual net cost. When both additions and credits covering related Work or substitutions are involved in a change, the allowance for Fee shall be figured on the basis of net increase, if any, with respect to that change.

**6.2.5** If CITY and CONTRACTOR do not agree with the adjustment in the Schedule or the GMP, such disagreement shall be submitted for dispute resolution in accordance with the provisions of this Contract.

**6.3 Change Proposals.** If CITY requests CONTRACTOR to submit a Change Proposal which would entitle CONTRACTOR to an increase in the GMP for costs of preparation of such Change Proposal pursuant to the provisions of this Section 6.3, CONTRACTOR shall first estimate the costs of preparing such Change Proposal and inform CITY in writing of such costs. CITY shall then direct CONTRACTOR either to proceed with the Change Proposal or cancel the Change Proposal. If CITY directs CONTRACTOR to proceed with the Change Proposal and then elects not to proceed with the Change Order contemplated therein, a Change Order shall be issued to reimburse CONTRACTOR for costs reasonably incurred by CONTRACTOR on account of such Change Proposal, but only to the extent the Change Order contemplated by such Change Proposal involves a material change to the scope of the Work requiring modification to

one or more systems which have been designed and approved in accordance with the standards set forth in the technical specifications. To the extent the preparation of such Change Proposal impacts the Schedule (e.g., other Work is suspended pending a decision on such Change Proposal or the Design Work is delayed due to the preparation of the Change Proposal), an equitable adjustment in the Schedule shall be made.

**6.4 Claims.** CONTRACTOR shall submit any claims for additional compensation to CITY in writing. The claim shall set forth the reason(s) that CONTRACTOR believes additional compensation will or may be due, the nature of the costs involved, and insofar as possible, the amount of the potential claim. The notice must be given to the Project Manager prior to the time that CONTRACTOR shall have performed the work giving rise to the potential work for additional compensation, if based on an act or failure to act by CITY, or in all other cases within fifteen (15) calendar days after happening of the event, thing or occurrence giving rise to the potential claim. Any and all Claims not presented as required herein shall be waived.

**6.5 Change Orders Increasing or Decreasing Scope.**

**6.5.1 Increased Scope.** With respect to Change Orders which increase the Scope of Work described on Exhibit F, are not due to the errors or omissions of CONTRACTOR and are not attributable to Excusable Delays or the contingencies set forth in Section 6.6 below, the GMP shall be increased by the following "Scope Change Costs":

**6.5.1.1 Construction Work and Mark Ups.**

**6.5.1.1.1** The estimated increase in the Cost of the Work attributable to the Change Order and which would not have been incurred but for the Change Order and/or Work Directive. In addition, CONTRACTOR may add a markup of up to ten percent (10%), subject to the discretion of the Project Manager, to the increase in the Cost of the Work due to the Change Order. This markup shall constitute full compensation for all delay costs, overhead costs and profit. The GMP shall be revised accordingly.

**6.5.1.1.2** When Change Order work is performed by a Subcontractor(s), each Subcontractor may add a markup of up to ten percent (10%), subject to the discretion of the Project Manager, to their direct costs for labor, materials and equipment used in performing the Change Order work. The GMP shall be revised accordingly.

**6.5.2 Decreased Scope.** With respect to Change Orders, which decrease the Scope of Work described on Exhibit F, the GMP shall be decreased by the Cost of Work attributable to such Change Order and/or Work Directive. Furthermore, if the Change Order deletes a part of the Scope of Work, CONTRACTOR shall be entitled to retain a value of five percent (5%) of the full value of the reduction in Cost of Work attributable only to the portion of the Scope of Work deleted from the Scope of Work. The GMP shall be revised accordingly.

**6.6 Change Orders on Account of Contingencies.** With respect to Change Orders which are attributable to the following contingencies, the GMP shall be adjusted (increased or decreased) by the following **"Contingency Costs,"** consisting of the following:

**6.6.1** With respect to new or increased taxes arising after the date of this Agreement (other than taxes assessed based on the income of CONTRACTOR), the Change Order shall consist of the incremental amount of such new or increased taxes only. With respect to reductions in taxes arising after the date of this Agreement (other than taxes assessed based on the income of CONTRACTOR), the Change Order shall consist of the incremental amount of such reduced taxes only.

**6.6.2** With respect to increases or decreases in fees for permits or other governmental certificates or instruments arising after the date of this Agreement, the Change Order shall consist of the incremental amount of such increases or decreases. To the extent this Agreement states that a permit or certificate is not required and CONTRACTOR is later required to procure such permit or certificate, all out-of-pocket costs reasonably associated therewith shall be included in the Change Order.

**6.7 Change Orders on Account of Excusable Delay.** With respect to Change Orders, which are attributable to Excusable Delays, and subject to the exceptions set forth in Section 6.7.3 below, the GMP shall be increased by the following "Delay Costs":

**6.7.1 Construction Work.**

**6.7.1.1** Increased allowable labor costs resulting from wage increases paid due to the delay;

**6.7.1.2** Premiums for overtime and extra shifts incurred in accelerating the Work, but only if acceleration is required in advance by CITY:

**6.7.1.3** Proven increased material costs;

**6.7.1.4** Additional general conditions costs which would not have been incurred but for the delay (itemized, and not based on a formula allocation);

**6.7.1.5** Demobilization and remobilization costs; and

**6.7.1.6** Additional items of Cost of the Work attributable to the Excusable Delay and which would not have been incurred but for the Excusable Delay.

**6.7.2 Intentionally left blank.**

**6.7.3 Exceptions.** The following exceptions to the provisions of Section 6.7.1 above shall apply:

**6.7.3.1** With respect to the Excusable Delay described in Section 4.4.2.1, the cost described in Section 6.7.1 shall not be compensable delay costs if such Excusable Delay occurs prior to the commencement of the Construction Work.

**6.7.3.2** With respect to the Excusable Delay described in Section 4.4.2.2, the cost described in Section 6.7.1 shall not be compensable delay costs if such Excusable Delay occurs prior to the commencement of the Construction Work.

**6.7.3.3** With respect to the Excusable Delay described in Section 4.4.2.4, costs incurred in connection with such delay are chargeable against the Cost of the Work but shall not increase the GMP.

**6.7.3.4** With respect to the Excusable Delay described in Section 4.4.2.5, in addition to the compensation provided in Section 6.7.1, CONTRACTOR shall be entitled to the additional costs set forth in Section 6.10.

**6.7.3.5** With respect to the Excusable Delay described in Section 4.4.2.7, additional compensation shall only be paid if the change in Applicable Law is not a change in law of general application (e.g., CAL/OSHA), but is a change in law specifically affecting the Project.

**6.8 Force Majeure**. There shall be no additional compensation to CONTRACTOR on account of Force Majeure.

**6.9 Intentionally left blank.**

**6.10 Change Orders on Account of Differing Site Conditions.** If CONTRACTOR encounters conditions described in Section 4.4 which constitute Excusable Delay, in addition to the increase in the GMP on account of delay costs incurred by CONTRACTOR (as described in Section 6.7.1), the GMP shall also be increased by the additional Cost of the Work attributable to such conditions which would not have been incurred but for such conditions.

**6.11 Time Extensions on Account of Change Orders.** CONTRACTOR shall be entitled to a time extension in connection with any Change Order to the extent its time of performance is extended due to such Change Order. CONTRACTOR shall present to CITY a CPM analysis showing how the Change Order affects the critical path of the Work.

## ARTICLE 7
## CORRECTION OF WORK

**7.1 Correction of Work Prior to Completion.** Prior to the date of Final Completion, CONTRACTOR shall correct Work which (a) CITY reasonably rejects as being defective or nonconforming to the requirements of the Contract Documents in a written notice delivered to CONTRACTOR or (b) CONTRACTOR recognizes is defective or nonconforming to the Contract Documents. If other portions of the Work are adversely affected by or are damaged by such defective Work, CONTRACTOR shall also correct, repair or replace such affected or damaged Work, as well as any other property of CITY or others damaged by such defective or nonconforming Work. Prior to the date of Final Completion, the cost of correcting any damaged or defective work shall be paid as a Cost of the Work.

**7.2 Correction of Work After Completion.** For defects identified by CITY and for which CITY has notified CONTRACTOR within a period of twelve (12) months after the date of Final Completion, or within such longer period as may be provided by special warranties contained in the Contract Documents, CONTRACTOR shall re-execute, correct, repair or replace all Work found to be defective or nonconforming to the Contract Documents (whether arising from a design or construction defect, error, omission or deficiency). If other portions of the Work are adversely affected by or damaged by such defective Work, CONTRACTOR shall also correct, repair or replace such affected or damaged Work, as well as any other property of CITY or others damaged by such defective or nonconforming Work.

**7.3 Acceptance of Nonconforming Work.** If CITY prefers to accept Work, which is not in accordance with the requirements of the Contract Documents, CITY may do so instead of requiring its removal and correction, in which case the GMP will be reduced as appropriate and equitable. Such adjustment shall be effected whether or not final payment has been made.

**7.4 No Effect on Limitations.** Nothing contained in this Article shall be construed to establish a period of limitation with respect to other obligations, which CONTRACTOR may have under the Contract Documents.

## ARTICLE 8
## SUBCONTRACTORS

### 8.1 Subcontracts

**8.1.1 Incorporation of Contract Documents.** CONTRACTOR may enter into Subcontracts with various Subcontractors for portions of the Work. The Subcontracts shall require each Subcontractor, to the extent of the Work to be performed by such Subcontractor, to assume towards CONTRACTOR all the obligations and responsibilities which CONTRACTOR assumes towards CITY. All Subcontracts shall incorporate the terms of this Agreement and the Contract Documents to the extent applicable to the Work to be performed by the Subcontractor.

**8.1.2 Approval of Subcontractors.** Those portions of the Construction Work that the CONTRACTOR does not intend to perform with CONTRACTOR's own personnel shall be performed under Subcontracts. A proposed list of Subcontractors shall be submitted to CITY for approval. Proposed Subcontractors will be deemed accepted unless CITY objects in writing within five (5) days after submission by CONTRACTOR.

## ARTICLE 9
## INSURANCE AND BONDS; INDEMNIFICATION

### 9.1 Insurance to be provided by CONTRACTOR:

**A. Evidence of Coverage.** CONTRACTOR shall, at all times, maintain in full force and effect at a minimum the insurance required by this section; and CONTRACTOR shall not allow any subcontractor to commence Work until similar insurance required of the subcontractor has been obtained and filed. An original Certificate of Insurance, and copies of all required endorsements, all in a form approved by the Risk Manager, evidencing all required coverage or policies shall be filed after the award of the bid and prior to approval of the Contract by the City Council. CONTRACTOR shall provide ten (10) Days prior written notice to CITY of any reduction of coverage limits or cancellation of the coverage or policies shall be given to the City of Roseville as Certificate holder.

**B. Qualifying Insurers.** With the exception of the State Compensation Insurance Fund, all required insurance policies shall be issued by companies licensed to do business in the State of California and who hold a current policy holders alphabetic and financial size category rating of not less than AVII according to the most recent issue of Best's Insurance Reports.

**C. Insurance Required.** Commercial General Liability, automobile liability, and worker's compensation insurance shall be maintained as follows:

| | | |
|---|---|---|
| 1. | Commercial General Liability<br>Minor Construction Project<br>(Projects under $1,000,000) | $2,000,000 each occurrence<br>$4,000,000 aggregate |
| | | Personal Injury:<br>$2,000,000 each occurrence<br>$4,000,000 aggregate |
| | Commercial General Liability for<br>Major Construction Projects<br>(Projects over $1,000,000) | $5,000,000 each occurrence<br>$10,000,000 aggregate<br>Personal Injury:<br>$5,000,000 each occurrence<br>$10,000,000 aggregate |
| 2. | Professional Liability (errors and omissions) | $2,000,000 per claim<br>$4,000,000 aggregate |

The Commercial General Liability policy shall include coverage or endorsements for:

a. Completed operations.
b. Losses related to independent contractors, products and equipment.
c. Explosion, collapse and underground hazards.

The Commercial General Liability Insurance shall include the following, copies of which shall be provided:

a. Inclusion of the City of Roseville, and its officers, agents, employees and volunteer, as additional insured (except for workers' compensation as respects services or operations under the Contract. The additional insured endorsement for

the general liability policy shall be at least as broad as the Insurance Services Office ("ISO") CG 20 38 04 13 or an equivalent, blanket endorsement or section of the policy. Endorsements must include coverage for on-going and completed operations. Endorsements shall cover the City of Roseville, its officers, agents, employees, and volunteers.

b. Cross liability and severability of interest clauses providing that the insurance applies separately to each insured except with respect to the limits of liability.

c. Stipulation that the insurance is primary and noncontributory, as evidenced by a separate endorsement (CG 20 01 04 13 or an equivalent) or section of the policy, and that neither CITY nor its insurers will be called upon to contribute to a loss.

d. Such insurance shall specifically cover the contractual liability of the CONTRACTOR.

e. Any available insurance proceeds in excess of the specified minimum insurance coverage requirements and limits shall be available to the additional insureds. Furthermore, the requirements for coverage and limits shall be: (1) the minimum coverage and limits specified in this Agreement; or (2) the full coverage and maximum limits of any insurance proceeds available to the named insureds, whichever is greater.

f. Waiver of subrogation endorsement.

g. CONTRACTOR shall furnish a certificate for the period covered.

**SPECIAL NOTICE - CLAIMS MADE COVERAGE:**

**Liability insurance coverage may not be written on a "claims made" basis. The Certificate of Insurance must clearly provide that the coverage is on an "occurrence" basis.**

2. Comprehensive Automobile Liability for bodily injury (including death) and property damage which provides total limits of not less than One Million Dollars ($1,000,000) combined single limits per accident, applicable to all owned, non-owned, and hired vehicles.

3. Statutory Workers' Compensation and Employer's Liability Insurance, including a waiver of subrogation endorsement and a Broad Form "All-States" Endorsement for all employees engaged in services or operations under the Contract. The employer's liability insurance shall provide limits of not less than One Million Dollars ($1,000,000) per occurrence. Both the worker's compensation and employer's liability policies shall contain the Insurer's waiver of subrogation in favor of CITY, its officers, agents, employees, and volunteers.

4. Builder's Risk/Course of Construction Insurance: CONTRACTOR shall be responsible for all loss, damage or destruction whatsoever to the Work called for by this Contract until the approval of a Notice of Completion. CONTRACTOR shall secure "All Risk" type of builder's Risk Insurance of the type covering one hundred percent (100%) of the value of the Work performed under this Contract (the value is presumed to be the Contract amount unless otherwise stated in Supplemental Conditions) and all materials, equipment, or other items to be incorporated therein while the same are located at the construction site, a bonded warehouse, or its place of manufacture. At any time, the policy shall cover the value of the Work completed. The policy shall cover hazards including the losses due to fire, explosion, hail, rain, lightning,

flood (separate insurance as needed), vandalism, malicious mischief, wind, collapse, aircraft, and smoke.

The policies providing such insurance shall name CITY as a loss payee as its respective interests may appear, and certified copies of such policies shall be filed with CITY. The maximum deductible allowable under the Builder's All Risk policy shall be five percent (5%) of the Contract amount.

Builder's Risk Insurance is not required for coverage of losses in excess of five percent (5%) of the Contract amount for damages resulting from earthquake in excess of a magnitude of 3.5 on the Richter scale, or tidal waves. Coverage in the amount of five percent (5%) of the Contract amount for such losses is required.

**D. Other Insurance Provisions.**

1. The requirements of the Contract Conditions as to types and limits of insurance coverage to be maintained by CONTRACTOR, and any approval of insurance by CITY, are not intended to, and shall not in any manner limit or qualify the liabilities and obligations otherwise assumed by CONTRACTOR pursuant to the Contract, including, but not limited to, the provisions concerning indemnification, nor preclude CITY from taking any other action available to it under any other provision of the Contract or law.

2. CITY acknowledges that some insurance requirements contained in the Contract Conditions may be fulfilled by self-insurance on the part of CONTRACTOR. However, this shall not in any way limit liabilities assumed by CONTRACTOR under the Contract. Any self-insurance must be approved in writing by CITY, in its sole discretion and shall not reduce the limits of liability. Any deductibles or self-insured retentions ("SIR") must be declared on the certificate of insurance and approved by CITY in writing. Policies containing any SIR provision shall provide or be endorsed to provide that the SIR may be satisfied by either the named insured or CITY. CITY reserves the right to obtain a full certified copy of any insurance policy and endorsements. The failure to exercise this right shall not constitute a waiver of such right.

3. CONTRACTOR agrees to include in its contracts with all subcontractors the same requirements and provisions of this Contract, including the indemnity and insurance requirements, to the extent they apply to the scope of the subcontractor's work. Furthermore, CONTRACTOR shall require its subcontractors to agree to be bound to CONTRACTOR and CITY in the same manner and to the same extent as CONTRACTOR is bound to CITY under this Contract. Additionally, CONTRACTOR shall obligate its subcontractors to comply with these same provisions with respect to any tertiary subcontractor, regardless of tier. A copy of CITY's indemnity and insurance provisions will be furnished to the subcontractor or tertiary subcontractor upon request. Alternatively, CONTRACTOR may insure subcontractor(s) under its own policy.

4. CITY, its officers, agents, employees and volunteers are to be covered as insureds with respect to liability arising out of automobiles owned, leased, hired or borrowed by or on behalf of CONTRACTOR; and with respect to liability arising out of work or operations

performed by or on behalf of CONTRACTOR including materials, parts or equipment furnished in connection with such work or operations. Coverage shall not extend to any indemnity coverage for the active negligence of the additional insured in any case where an agreement to indemnify the additional insured would be invalid under California Insurance Code Section 11580.04. In addition, the insurance policy may not contain language which prohibits additional insureds or other insurers from satisfying the self-insured retention or deductible.

5. The limits of insurance required in this Contract may be satisfied by a combination of primary and excess insurance. Any excess insurance shall contain or be endorsed to contain a provision that such coverage shall also apply on a primary and noncontributory basis for the benefit of CITY (if agreed to in a written contract) before the CITY's own insurance shall be called upon to protect it as a named insured.

6. Unless provided by CONTRACTOR, CONTRACTOR shall require its Architect/Engineer to provide professional liability (errors and omissions) insurance (certificate and additional insured endorsement).

**7. CITY RESERVES THE RIGHT TO WITHHOLD ANY PROGRESS PAYMENTS TO CONTRACTOR IN THE EVENT OF NONCOMPLIANCE WITH ANY INSURANCE REQUIREMENTS.**

**9.2 Insurance to be provided by CITY.** [not applicable]

**9.3 Payment, Performance and Warranty Bonds.** CONTRACTOR shall furnish and deliver to CITY Performance, Labor & Materials, and Warranty Bonds issued by a surety prior to, and as a condition precedent to, commencement of the Construction Work on the Site; provided, however, the Warranty Bond shall be waived if such bond is not required pursuant to CITY's request for proposals for the Project. The Payment and Performance Bonds shall be in a penal sum equal to one hundred percent (100%) of the GMP, and the Warranty Bond shall be in the penal sum equal to ten percent (10%) of the GMP. All bonds shall be in the form as set forth in Exhibit E hereto. All premiums for the Performance, Labor & Materials, and Warranty Bonds shall be a Cost of the Work. CITY shall have the right to withhold any payment(s) under this Agreement until CONTRACTOR has fully complied with this sub-section.

**9.4 Indemnification.** To the fullest extent allowed by law, CONTRACTOR shall defend, indemnify, and hold harmless, CITY, its officers, employees, agents, and volunteers, and each and every one of them, from and against all actions, damages, claims, losses, expenses or other liabilities of every type and description, including reasonable attorney fees, to which they may be subjected or put, by reason of, or resulting from, the performance of the Work, whether upon or off the Work, including the loss of use thereof, that is caused in whole or in part by willful or reckless misconduct and/or any negligent or wrongful act or omission of CONTRACTOR, any Subcontractor, and anyone directly or indirectly employed by any of them or anyone for whose acts any of them may be liable, whether or not it is caused in part by a party indemnified hereunder, except for such claims arising from the sole or active negligence of CITY. The parties intend that this provision shall be broadly construed.

CONTRACTOR's responsibility for such defense and indemnity obligations shall survive the termination or completion of this Agreement for the full period of time allowed by law. The defense and indemnity obligations of this Agreement are undertaken in addition to, and shall not in any way be limited by, the insurance obligations contained in this Agreement.

## ARTICLE 10
## PROTECTION OF PERSONS AND PROPERTY

### 10.1 Safety Precautions and Programs.

**10.1.1 Site Safety.** CONTRACTOR shall be responsible for initiating, maintaining and providing supervision of safety precautions and programs in connection with the Work, and shall also comply with any and all insurance carrier-mandated safety requirements and programs.

**10.1.2 Safety Notices.** In connection with the performance of the Work, CONTRACTOR shall provide notices and comply with all Applicable Laws bearing on the safety of persons and property and their protection from damage, injury or loss.

### 10.2 Safety of Persons and Property.

It is the intent of the parties that CITY is not an exposing, creating, controlling, or correcting employer under California Labor Code Section 6400. In accordance with generally accepted fabrication and construction practices and all applicable Laws and Standards and Codes, CONTRACTOR shall have the authority and be solely and completely responsible for the safety of all property utilized and all persons performing under this Agreement. Moreover, the CONTRACTOR shall be the controlling employer and has the authority and responsibility to enforce safety for all fabrication, construction work, and Work performed under this Agreement. The services of CITY's contract administrator, if any, in conducting a review of CONTRACTOR's performance under this Agreement is not intended to include a review of the adequacy of CONTRACTOR's work methods, equipment or safety measures. If CITY and/or its contract administrator observes a safety violation related to the CONTRACTOR's performance under this Agreement, then CITY and/or its contract administrator will report the violation to the CONTRACTOR who is then responsible for assuring the violation is abated.

CONTRACTOR is hereby informed that work on this Project could be hazardous. CONTRACTOR shall carefully instruct all personnel performing under this Agreement in potentially hazardous work areas as to potential dangers and shall provide such necessary safety equipment and instructions as are necessary to prevent injury to personnel and damage to property.

All Equipment, Work and materials provided under this Agreement shall be in strict accordance with all applicable Laws and Standards and Codes, and attention is drawn to the requirements of CAL/OSHA.

CONTRACTOR shall perform under this Agreement so as not to expose personnel to, or to discharge into the atmosphere from any materials brought to the Site by CONTRACTOR,

smoke, dust, asbestos, toxic chemicals or other air contaminants in violation of applicable Laws and Standards and Codes.

**10.2.1 Reasonable Precautions.** CONTRACTOR shall take all precautions and implement all safety measures and requirements imposed by any Applicable Law. Without limiting the generality of the foregoing, CONTRACTOR shall take necessary precautions for the safety of, and shall provide necessary protection to prevent damage, injury or loss to:

**10.2.1.1** Employees on the Work and other persons who may be affected thereby;

**10.2.1.2** The Work and materials and equipment to be incorporated therein, whether in storage on or off the Site under care, custody or control of CONTRACTOR; and

**10.2.1.3** Other property at the Site or adjacent thereto, such as trees, shrubs, lawns, walks, pavements, roadways, structures and utilities not designated for removal, relocation or replacement in the course of the Construction Work.

**10.2.2 Safeguards.** CONTRACTOR shall erect and maintain, as required by existing conditions and performance of the Work, reasonable safeguards for safety and protection, including posting danger signs and other warnings against hazards, promulgating safety regulations and notifying CITY and users of adjacent sites and utilities, and shall comply fully with the requirements of CAL/OSHA.

**10.2.3 Use of Explosives.** Use of explosives is prohibited, unless approved in advance in writing by CITY. CITY may impose reasonable conditions on the use of explosives.

**10.2.4 Remedy of Damage.** CONTRACTOR shall promptly remedy damage and loss to property referred to in Sections 10.2.1.2 and 10.2.1.3 caused in whole or in part by CONTRACTOR, or anyone employed by or in control of CONTRACTOR, or any Subcontractor. All costs incurred by CONTRACTOR in connection with its obligations under this Section shall be cost of the Work, but shall not increase the GMP.

**10.2.5 Designation of Safety Coordinator.** [reserved]

**10.2.6 Loads.** CONTRACTOR shall not load or permit any part of the Construction Work or the Site to be loaded so as to endanger its safety.

**10.3 Security.** CONTRACTOR shall take any and all precautions that may be reasonably necessary to render all portions of the Work, the Site and any adjacent areas affected by the Work secure in all material respects, to decrease the likelihood of accidents, and to avoid vandalism and other contingencies which are liable to delay the Work or give rise to claims or liabilities. CONTRACTOR shall furnish and install all necessary facilities to provide safe means of access to all points where Work is being performed. CONTRACTOR shall take all precautions and measures as may be reasonably necessary to secure the Project at all hours,

including evenings, holidays and non-work hours. Such precautions may include provision of security guards.

**10.4 Damage to Property at the Site.** CONTRACTOR shall be responsible for any and all damage or loss to property at the Site, except to the extent caused by the acts or omissions of CITY or its representatives, agents or employees. If such damage or loss is caused by CONTRACTOR, payment of such costs as Cost of the Work shall be limited by the provisions of Section 2.20.5 hereof.

**10.5 Damage to Property of Others.** CONTRACTOR shall avoid damage, as a result of CONTRACTOR's operations, to existing sidewalks, curbs, streets, alleys, pavements, utilities, adjacent property, the work of Separate Contractors and the property of CITY. CONTRACTOR shall repair any such damage caused by the operations of CONTRACTOR.

**10.6 Failure of CONTRACTOR to Repair Damage.** If CONTRACTOR fails to commence the repair of damage to property as set forth in this Article, and/or diligently pursue such repair, then CITY, after ten (10) Days prior written notice to CONTRACTOR (provided CONTRACTOR has not commenced such repair during such ten (10) Day period), may elect to repair such damages with its own forces and to deduct from payments due or to become due to CONTRACTOR amounts paid or incurred by CITY is correcting such damage.

**10.7 Emergencies.** In an emergency affecting the safety of persons or property, CONTRACTOR shall act, at CONTRACTOR's discretion, to prevent threatened damage, injury or loss. Additional costs or extensions of time caused by CONTRACTOR on account of an emergency not caused by the fault or neglect of CONTRACTOR shall be determined as provided in Section 6.2 hereof.

## ARTICLE 11
## DISPUTES

**11.1 Disputes between CITY and CONTRACTOR.** In the event of any dispute arising between CITY and CONTRACTOR regarding any part of the Contract or the Contract Documents, or the Parties' obligations or performance thereunder, and subject to any claims presentation requirements set forth in the Contract Documents, either Party may institute the dispute resolution procedures set forth herein. The Parties shall continue performance of their respective obligation hereunder notwithstanding the existence of a dispute.

**11.2 Dispute Resolution Procedures.** CONTRACTOR must submit all claims as defined in and in accordance with the claim resolution process set forth in Section 9204 of the Public Contract Code. Each such claim must be sent to CITY by registered mail or certified mail with return receipt requested and must contain reasonable documentation to support the claim. All claims must be received prior to acceptance of the Work and will be handled in accordance with the procedures set forth in Section 9204 of the Public Contract Code.

## ARTICLE 12
## EVENTS OF DEFAULT AND REMEDIES; TERMINATION

**12.1 CONTRACTOR Events of Default.** The following shall be considered "CONTRACTOR Events of Default":

**12.1.1** If CONTRACTOR fails or neglects to carry out the Work in accordance with the provisions of the Contract Documents, and fails, after seven (7) Days notice from CITY, to commence a cure to correct such failure or neglect and thereafter diligently pursue such cure to completion;

**12.1.2** If CONTRACTOR materially breaches this Agreement and fails, after seven (7) Days notice from CITY, to commence a cure to correct such breach and thereafter diligently pursue such cure to completion (such breach to include, but not be limited to, failure to make payment to Subcontractors for materials or labor in accordance with the respective agreements between CONTRACTOR and the Subcontractors or violation of Applicable Laws);

**12.1.3** If a custodian, trustee or receiver is appointed for CONTRACTOR, or if CONTRACTOR becomes insolvent or bankrupt, is generally not paying its debts as they become due or makes an assignment for the benefit of creditors, or CONTRACTOR causes or suffers an order for relief to be entered with respect to it under applicable bankruptcy law or applies for or consents to the appointment of a custodian, trustee or receiver for CONTRACTOR, or bankruptcy, reorganization, arrangement or insolvency proceedings, or other proceedings for relief under any bankruptcy or similar law or laws for the relief of debtors, are instituted by or against CONTRACTOR, and in any of the foregoing cases such action is not discharged or terminated within sixty (60) Days of its institution.

**12.2 Remedies of CITY upon a CONTRACTOR Event of Default.**

**12.2.1 Termination of Contract.** Upon the occurrence of a CONTRACTOR Event of Default, CITY shall have the right to terminate this Contract upon an additional seven (7) Days written notice to CONTRACTOR, provided that CONTRACTOR has not commenced a cure within such seven (7) Day period. Without prejudice to any other rights or remedies of CITY, CITY may:

**12.2.1.1** Take possession of the Site and of all materials, equipment, tools and construction equipment thereon owned by CONTRACTOR;

**12.2.1.2** Accept assignment of Subcontracts; and

**12.2.1.3** Finish the Work by whatever reasonable method CITY may deem expedient.

**12.2.1.4** When CITY terminates the Contract as aforesaid, CONTRACTOR shall not be entitled to receive further payment until the Work is finished. If the unpaid balance of the GMP exceeds costs incurred in finishing the Work, such excess shall be paid to

CONTRACTOR, up to the amount due CONTRACTOR for work performed prior to termination. If such costs exceed the unpaid balance of the GMP, CONTRACTOR shall pay the difference to CITY.

**12.2.2 Recourse to Payment and Performance Bonds.** Upon the occurrence of a CONTRACTOR Event of Default and termination of this Contract by CITY, CITY may call upon the Surety to perform its/their obligations under the Payment and Performance Bonds, if applicable.

**12.3 Remedies not Exclusive.** Except as otherwise provided in this Agreement, no remedy hereunder is intended to be exclusive of any other remedy, but each and every such remedy shall be cumulative and shall be in addition to any other available legal or equitable remedy, existing now or hereafter. No delay or omission to exercise any right or power accruing shall impair any such right or power nor shall it be construed to be a waiver of any Event of Default or acquiescence therein, and every such right and power may be exercised from time to time as often as may be deemed expedient.

**12.4 Termination or Suspension for Convenience.**

**12.4.1 Termination for Convenience.** CITY may, without cause, terminate this Contract, or any portion of Work to be performed hereunder at any time by a notice in writing from CITY to CONTRACTOR for CITY's convenience. In such case, CITY shall pay to CONTRACTOR all funds due CONTRACTOR for work performed up to the date of termination, plus all demobilization and close-out costs, including, but not limited to, any amounts payable to Subcontractors for early termination, plus reasonable overhead and profit on Work performed. All funds due hereunder, including unpaid Retention, shall be released within thirty (30) Days of termination of the Contract for convenience, subject to any withholding required or authorized by any Applicable Law. In no event shall such amounts owed to CONTRACTOR exceed the GMP.

**12.4.2 Suspension for Convenience.** CITY may, without cause, order CONTRACTOR in writing to suspend, delay or interrupt the Work in whole or in part for such period of time as CITY may determine. An adjustment shall be made for increases in the cost of performance of the Work, including Fee on the increased cost of performance, caused by the suspension, delay or interruption, in accordance with the Change Order provisions of this Contract. No adjustment shall be made to the extent (1) the performance is, was or would have been so suspended, delayed or interrupted by another cause for which CONTRACTOR is responsible or (2) that an equitable adjustment to the GMP and/or Schedule is made or denied under another provision of this Contract. Adjustments made in the cost of performance may have a mutually agreed fixed or percentage Fee.

## ARTICLE 13
## MISCELLANEOUS PROVISIONS

**13.1 Governing Law.** This Contract shall be construed with and governed by the laws of the State of California.

**13.2 Successors and Assigns.** CITY and CONTRACTOR respectively bind themselves, their partners, shareholders, successors, assigns and legal representatives to the other Party hereto and to shareholders, successors, assigns and legal representatives of such other Party in respect to covenants, agreements and obligations contained in the Contract Documents. Neither Party shall assign the Contract without the prior written consent of the other.

**13.3 Notice.** Any notices to Parties required by this Agreement shall be delivered or mailed, U.S. first class, postage prepaid, addressed as follows:

**If to CITY:**

Sean Bigley
Environmental Utilities Director
2005 Hilltop Circle
Roseville, CA 95747

**If to CONTRACTOR:**

Bob Granade
Vice President
4420 Business Drive
Shingle Springs, CA 95682

Address for Notice may be changed by Notice to the other Party.

**13.4 Prevailing Wages.** For purposes of this Agreement, CONTRACTOR and its Subcontractors shall comply with all applicable prevailing wage laws, e.g., but not limited to, California Labor Code Sections 1770 et seq. In accordance with said Section 1775, CONTRACTOR shall forfeit as a penalty to CITY Two Hundred Dollars ($200) for each calendar Day or portion thereof for each worker paid less than the prevailing rates for such work or craft in which such worker is employed for any work done on-Site under the Agreement by CONTRACTOR or by any Subcontractor in violation of the provisions of the Labor Code and in particular, Labor Code Sections 1770 to 1780, inclusive. In addition to said penalty and pursuant to said Section 1775, the difference between such stipulated prevailing wage rates and the amount paid to each worker for each calendar Day or portion thereof for which each worker was paid less than the stipulated prevailing wage shall be paid to each worker by CONTRACTOR or the applicable Subcontractor.

Pursuant to the provisions of California Labor Code Section 1773, the Department of Industrial Relations has identified the source, stated below, of the General Prevailing Rate of Wages applicable to the work to be done, for straight time, overtime, and holiday work. The holiday wage rate listed shall be applicable to all holidays recognized in the collective bargaining agreement of the particular craft, classification or type of worker concerned. These wage rates may be obtained from the State Department of Industrial Relations and/or the following website address: http://www.dir.ca.gov/dlsr/DPreWageDetermination.htm, which is a part of this Agreement.

Pursuant to Labor Code Section 1773.2, the General Prevailing Wage Rates set forth above by the Department of Industrial Relations, which form a part of this Agreement, shall be posted by CONTRACTOR at a prominent place at the Site.

**13.5 Modifications.** No Modifications or Change Orders shall be valid unless in writing and signed by CITY and CONTRACTOR.

**13.6 Interpretation.** Any and all headings of this Agreement are for convenience of reference only and do not modify, define or limit the provisions thereof. Words of any gender shall be deemed and construed to include correlative words of the other gender. Words importing the singular number shall include the plural number and vice versa, unless the context shall otherwise be deemed to include all supplements and/or amendments to any such exhibits or documents entered into in accordance with the terms hereof and thereof. All references to any person or entity shall be deemed to include any person or entity succeeding to the rights, duties and obligations of such person or entity in accordance with the terms of this Agreement. Where reference is made in this Agreement to another Contract Document, the reference refers to that provision as amended or supplemented by the other provisions of the Contract Documents. In the event of any conflict between or among the Contract Documents, the provisions of this Agreement shall govern.

**13.7 Severability.** If any provision of this Agreement is held to be inoperative or unenforceable as applied in any particular case because it conflicts with any other provision hereof or any constitution, statute, ordinance, rule of law or public policy, or for any other reason, such holding shall not have the effect of rendering the provision in question inoperative or unenforceable in any other case, or of rendering any other provision herein contained inoperative or unenforceable to any extent whatever. The invalidity of any one or more phrases, sentences, clauses or sections contained in this Agreement shall not affect the remaining portions of this Agreement or any part hereof, and they shall otherwise remain in full force and effect.

**13.8 Whole Agreement.** This Agreement, the Exhibits hereto and the Contract Documents, specifications and Drawings shall constitute the entire agreement between the Parties, and no inducements, considerations, promises or other references shall be implied in this Agreement that are not expressly addressed herein

**13.9 Accounting Records.** CONTRACTOR shall keep full and detailed accounts and exercise such controls as may be necessary for proper financial management under this Agreement; the accounting and control systems shall be reasonably satisfactory to CITY. CITY and CITY's accountants shall be afforded access to CONTRACTOR's records, books, correspondence, instructions, drawings, receipts, Subcontracts, vouchers, memoranda and other data relating to this Agreement, and CONTRACTOR shall preserve these for a period of three (3) years after final payment, or for such longer period as may be required by law.

**13.10 Intentionally left blank.**

**13.11 No Waiver.** Neither the inspection by CITY or its agents, nor any order or certificate for payment of money, nor payment for, nor acceptance of the whole or any part of the work by CITY, nor any extensions of time, nor any position taken by CITY or its agents shall operate as a waiver of any provision of this Agreement or of any power herein reserved to CITY or any right

to damages herein provided, nor shall any waiver of any breach of this Agreement be held to be a waiver of any other or subsequent breach.

**13.12 CONTRACTOR Shall Assume Risks.** Until the Final Completion or acceptance by CITY of all Work under this Contract, the Work shall be under CONTRACTOR's responsible care and charge. CONTRACTOR shall rebuild, repair, restore and make good all injuries, damages, corrections, and repairs occasioned or rendered necessary by accidental causes of any nature, to all or any portions of the Work, except as otherwise stipulated.

**13.13 General Liability of CONTRACTOR.** Except as otherwise herein expressly stipulated, CONTRACTOR shall perform all the work and furnish all the labor, materials, tools power and light, and appliances, necessary or proper for performing and completing the Work herein required in the manner within the time herein specified. The mention of any specific duty or liability of CONTRACTOR shall not be construed as a limitation or restriction of any general liability or duty of CONTRACTOR and, any reference to any specific duty or liability shall be construed to be the purpose of explanation.

**13.14 Attorney's Fees and Venue**. If either Party commences any legal action against the other Party arising out of this Agreement or the performance thereof, the prevailing Party shall be entitled to recover its reasonable litigation expenses, including but not limited to, court costs, expert witness fees, discovery expenses, and attorney's fees. Any action arising out of this Agreement shall be brought in Placer County, California, regardless of where else venue may lie. To the extent permitted by applicable law, each Party waives any defense that it may have based on lack of *in personam* jurisdiction or *forum nonconveniens*.

**13.15 Third Party Beneficiaries.** There are no third party beneficiaries to this Agreement.

IN WITNESS WHEREOF, the City of Roseville, a municipal corporation, has authorized the execution of this Agreement in duplicate by its City Manager and attested to by its City Clerk under the authority of Resolution No. _____, adopted by the Council of the City of Roseville on the ___ day of _____, 20___, and CONTRACTOR has caused this Agreement to be executed.

| **Exhibit D** | **In Lieu of Securities Escrow Agreement** |
| **Exhibit E** | **Performance, Labor & Materials, and Warranty Bonds (Note: Warranty Bond may be waived at the option of CITY)** |
| **Exhibit F** | **CONTRACTOR's Proposal** |

## EXHIBIT A

## GUARANTEED MAXIMUM PRICE, FEE, AND COST OF WORK

**A. GUARANTEED MAXIMUM PRICE:** The **Guaranteed Maximum Price** as of the date of execution of this Agreement is four million, fifty-two thousand, eight hundred fifty-six dollars ($4,052,856), U.S. Currency (as described on Attachment E: "Guaranteed Maximum Price, Cost of Work and Fee" to CONTRACTOR's cost proposal to RFP-08-167, dated 11/5/2025, incorporated fully herein and made part of this Exhibit A).

**B. FEE AND CONTINGENCY:** The Fee and Contingency amounts, if any, are as stated in the Proposal.

**C. COST OF THE WORK:**

**1. "Cost of the Work."** The term "Cost of the Work" shall mean costs incurred by CONTRACTOR in the performance of the Work, that do not exceed the GMP. The following are categories of cost and expense to be paid by CITY to CONTRACTOR as Cost of the Work:

**2. Construction Costs.**

**2.1 Labor Costs.**

**2.1.1** Wages of construction workers directly employed by CONTRACTOR to perform the construction of the Work at the Site or, with CITY's agreement, at off-site workshops.

**2.1.2** Wages or salaries of CONTRACTOR's supervisory and administrative personnel when stationed at the Site and wages, salaries and other costs of project management, pre-construction services, form design, foundation engineering, manpower planning, purchasing, estimating and data processing, whether performed at the Site or in CONTRACTOR's offices, including, but not limited to services rendered during the Design Phase of the Project.

**2.1.3** Wages and salaries of CONTRACTOR's supervisory or administrative personnel engaged at factories, workshops or on the road, in expediting the production or transportation of materials or equipment required for the Work, but only for that portion of their time required for the Work.

**2.1.4** Costs paid or incurred by CONTRACTOR for taxes, insurance, contributions, assessments and benefits required by law or collective bargaining agreements and, for personnel not covered by such agreements, customary benefits such as sick leave, medical and health benefits, holidays, vacations and pensions, provided such costs are based on wages and salaries included in subsections 2.1.1 through 2.1.3 above.

**2.2 Subcontract Costs.** Amounts due Subcontractors for work, excluding Change Order work, in accordance with the requirements of the Subcontracts.

**2.3 Costs of Materials and Equipment Incorporated in the Completed Construction.** Costs, including transportation, of materials and equipment incorporated or to be incorporated in the completed construction.

**2.4 Costs of other Materials and Equipment, Temporary Facilities, and Related Items.**

**2.4.1** Costs, including transportation, installation, maintenance, dismantling and removal of materials, supplies, temporary facilities, machinery, equipment and hand tools not customarily owned by the construction workers, which are provided by CONTRACTOR at the Site and fully consumed in the performance of the Work; and cost, less salvage value, on such items if not fully consumed, whether sold to others or retained by CONTRACTOR. Costs for items previously used by CONTRACTOR shall mean fair market value.

**2.4.2** Rental charges for temporary facilities, machinery, equipment and hand tools not customarily owned by the construction workers, which are provided by CONTRACTOR at the Site, whether rented from CONTRACTOR or others, and costs of transportation, installation, minor repairs and replacements, dismantling and removal thereof. Rental charges for equipment owned by CONTRACTOR shall be at then prevailing rates.

**2.4.3** Costs of removal of debris from the Site.

**2.4.4** Costs of facsimiles, telegrams and long distance telephone calls, postage and delivery charges (whether originating at the Site or at the offices of CONTRACTOR or CONTRACTOR), telephone service at the Site and reasonable petty cash expenses of the Site office.

**2.5 Premiums; Taxes; Fees; Royalties.**

**2.5.1** That portion directly attributable to this Agreement of premiums for insurance and the Payment and Performance Bonds.

**2.5.2** Sales, use, gross receipts or similar taxes imposed by a governmental authority, which are related to the Work and for which CONTRACTOR is liable.

**2.5.3** Fees and assessments for any permits, licenses and inspections required by the Contract Documents.

**2.5.4** Fees of testing laboratories for tests required by the Contract Documents or government authorities.

**2.5.5** Royalties and license fees paid for the use of a particular design, process or product required by the Contract Documents. The costs of defending suits or claims for

infringement of patent rights arising from such requirement by the Contract Documents; payments made in accordance with legal judgments against CONTRACTOR or CONTRACTOR resulting from such suits or claims and payments of settlements in connection therewith.

**2.5.6** Deposits lost for cause other than CONTRACTOR's negligence.

**2.6 Emergencies.** Costs incurred in taking action to prevent threatened damage, injury or loss in case of emergency affecting the safety of persons and property, as provided in Section 10.7 of this Agreement.

**2.7 Other Costs.** Other costs incurred in the performance of the Work, if and to the extent approved in writing by CITY, which approval shall not be unreasonably withheld.

**3. Items not Included in Cost of the Work.**

**3.1** Salaries and other compensation of CONTRACTOR's personnel stationed at CONTRACTOR's principal office or offices other than the Site, except as specifically provided in subsections 2.1.2 and 2.1.3 above.

**3.2** Expenses of CONTRACTOR's principal office and offices, other than the Site office.

**3.3** Overhead and general expenses, except as may be included in Sections 1 and 2 above.

**3.4** The capital expenses of CONTRACTOR, including interest on capital employed for the Work.

**3.5** Costs that would cause the GMP to be exceeded.

# EXHIBIT B

# CONSTRUCTION ALLOWANCE ITEMS

**(reserved)**

# EXHIBIT C

## HAZARDOUS MATERIALS

**1. Certain Definitions.**

**1.1 "Hazardous Materials** means any substance:

**1.1.1** the presence of which requires investigation or remediation under federal, state or local law, statute, regulation, ordinance, order, action, policy or common law;

**1.1.2** which is or becomes defined as a "hazardous waste," "hazardous substance," pollutant or contaminant under any federal, state or local law, statute, regulation, rule or ordinance or amendments thereto, including, without limitation, the Comprehensive Environmental Response, Compensation and Liability Act, 42 USC §§9601 et seq. ("CERCLA"), as amended, or the Resource, Conservation and Recovery Act, as amended, 42 USC §§6901 et seq. ("RCRA");

**1.1.3** which is petroleum, including crude oil or any fraction thereof not otherwise designated as a "hazardous substance" under CERCLA, including without limitation gasoline, diesel fuel or other petroleum hydrocarbons;

**1.1.4** which is toxic, explosive, corrosive, flammable, infectious, radioactive, carcinogenic, mutagenic, or otherwise hazardous and is or becomes regulated by any governmental authority or instrumentality;

**1.1.5** the presence of which on the Site causes or threatens to cause a nuisance upon the Site or to the adjacent properties or poses or threatens to pose a hazard to the health or safety of persons on or about the Site; or

**1.1.6** the presence of which on adjacent properties could constitute a trespass by CONTRACTOR or CITY.

**1.2 "Underground Storage Tank"** shall have the definition assigned to that term by RCRA §9001, 42 USC §6991, and also shall include:

**1.2.1** any tank of 1,100 gallons or less capacity used for storing motor fuel;

**1.2.2** any tank used for storing heating oil for consumption on the premises where stored;

**1.2.3** any septic tank; and

**1.2.4** any pipes connected to items 1.2.1-1.2.3.

**1.3 "Environmental Requirements"** means all Applicable Laws, statutes, regulations, rules, ordinances, codes, licenses, permits, orders and similar items of all federal, state or local governmental agencies or other instrumentalities and all applicable judicial, administrative and regulatory decrees, judgments and orders relating to the protection of human health or the environment, including, without limitation:

**1.3.1** all requirements, including but not limited to, those pertaining to reporting, licensing, permitting, investigation and remediation of emissions, discharges, releases or threatened releases of Hazardous Materials into the air, surface water, ground water or land, or relating to the manufacture, processing, distribution, use, treatment, storage, disposal, transport or handling of Hazardous Materials; and

**1.3.2** all requirements pertaining to the protection of the health and safety of employees or the public.

**1.4 "Environmental Damages"** means all claims, judgments, damages, losses, penalties, fines, liabilities, encumbrances, liens, costs and expenses of investigation and defense of any claim, including, without limitation, attorney's fees, which are incurred at any time as a result of the existence of Hazardous Materials upon, about or beneath the Site or migrating or threatening to migrate to or from the Site, and including, without limitation:

**1.4.1** damages for personal injury, or injury to property or to natural resources occurring upon or off the Site;

**1.4.2** fees incurred for the services of attorneys, consultants, CONTRACTOR, experts, laboratories and all other costs incurred in connection with the investigation or remediation of such Hazardous Materials or violation of Environmental Requirements; and

**1.4.3** liability to any third party or governmental agency or political subdivision to indemnify such party, agency or political subdivision for costs expended in connection with the items listed in subparagraph 1.4.2.

**1.5 "Environmental Conditions"** means collectively, Hazardous Materials and Underground Storage Tanks existing on the Site and not brought there by CONTRACTOR or any Subcontractor.

## 2. Investigation of Site.

**2.1** Upon written notice from CITY, CONTRACTOR shall prepare for approval and execution by CITY, one or more contracts ("Environmental Contracts") with suitably qualified consultants and/or engineers ("Environmental Engineers"), for purposes of performing an investigation and analysis of the Site prior to demolition and excavation activities, to determine the presence of any Environmental Conditions on, in or under the Site. The Environmental Contracts shall provide for a commercially reasonable scope of investigation approved by CITY, and may provide for conducting the investigation and testing in phases acceptable to CITY. The Environmental Contracts shall also provide that the Environmental Engineers shall begin their

tests and inspections at the Site as soon as CITY is able to arrange access to the Site, or any portions thereof, for such purposes. The Environmental Contracts shall provide that CONTRACTOR, acting as agent of CITY, shall coordinate the activities of the Environmental Engineers.

**2.2** The Environmental Contracts shall provide that the Environmental Engineers shall prepare such reports, feasibility studies and remedial plans ("Environmental Assessments") as may be reasonably necessary in order to identify and explain the quantity, scope and nature of the Environmental Conditions found to exist at the Site. The Environmental Assessments shall contain a detailed analysis of the Environmental Conditions discovered, and the actions ("Remedial Actions") required for the response, removal, cleanup or remediation of such Environmental Conditions (i) which are required by Environmental Requirements, or (ii) which are reasonably necessary to mitigate Environmental Damages.

**2.3** The Environmental Contracts shall provide that the Environmental Engineers shall promptly provide CITY and CONTRACTOR with a copy of each Environmental Assessment, together with any other reports and test results generated pursuant to the Environmental Contracts. CONTRACTOR shall, promptly after receipt of the foregoing matters from the Environmental Engineers, prepare and submit to CITY a written report setting forth CONTRACTOR's understanding of whether and to what extent any recommended Remedial Actions may result in an amendment to the Schedule and the progress of the Work.

**2.4** The Environmental Contracts shall provide that it shall be the responsibility of the Environmental Engineers to give any necessary notice to the appropriate regulatory agency or agencies of the presence of any Environmental Conditions; to pursue all necessary negotiations with such agencies concerning preparation and approval of a plan for clean-up to the extent required; and to obtain all necessary permits to perform any Remedial Actions.

## 3. Remedial Actions.

**3.1** If so instructed by CITY, based upon the results of the Environmental Assessments, CONTRACTOR shall, as agent for CITY, obtain bids from remediation contractors ("Remediation Contractors) suitably qualified and approved by CITY, to perform the Remedial Actions selected by CITY and shall submit such bids to CITY, together with CONTRACTOR's recommendation of the Remediation Contractor(s) to be retained. If CITY elects to go forward with all or any portion of the Remedial Actions covered by the bids submitted, CITY will so advise CONTRACTOR in a written notice on or before the date which is sixty (60) Days after receipt of the foregoing matters from CONTRACTOR. Promptly after receipt of such notice, CONTRACTOR shall prepare for CITY's execution remediation contracts ("Remediation Contracts") with the Remediation Contractors identified in such notice.

**3.2** CONTRACTOR, as agent for CITY, shall be responsible for coordinating the work and services performed by the Remediation Contractors, and coordinating such remediation work with the Work.

**3.3** If in the course of performance of the Work, CONTRACTOR encounters on the Site any Hazardous Materials not previously disclosed and remediated by the Environmental Engineers or the Remediation Contractors, CONTRACTOR shall immediately suspend the Work in the area affected and promptly thereafter report the condition to CITY.

## 4. Payments: Liability of CONTRACTOR.

**4.1** All payments due under the Environmental Contracts and the Remediation Contracts shall be made by CITY directly to the Environmental Engineers and the Remediation Contractors. Such payments will be based on requisitions, which requisitions shall be approved by CONTRACTOR prior to submission to CITY.

**4.2** All payments due under the Environmental Contracts, the Remediation Contracts and for Environmental Damages, shall not be a part of the GMP, and shall be the sole responsibility of CITY, except as expressly provided otherwise in Section 5 hereof.

**4.3** It is understood and agreed that with respect to any Environmental Conditions existing on the Site, CONTRACTOR is not, and shall not be deemed to be, a generator, arranger, operator, treater, storer, transporter or disposer of, or otherwise responsible for, any such Environmental Conditions. It is understood and agreed that CONTRACTOR shall have no right to direct the means or methods of performance of any Environmental Engineer or Remediation Contractor.

**4.4** CITY shall indemnify, defend and hold harmless CONTRACTOR, from and against any Environmental Damages asserted against or sustained by CONTRACTOR as a result of CONTRACTOR being deemed or determined to be a generator, arranger, operator, treater, storer, transporter or disposer of, or otherwise responsible for, any such Environmental Conditions.

## 5. Environmental Responsibilities of CONTRACTOR.

**5.1** CITY acknowledges and agrees that CONTRACTOR shall not commence or continue any demolition or construction activities on any portion of the Site on or in which Remedial Actions are to be performed until such Remedial Actions are to the point where construction activities will not interfere with such Remedial Actions, as evidenced by appropriate certification by the applicable Environmental Engineer and/or Remediation CONTRACTOR and any required approval of any applicable government agency. CONTRACTOR agrees to use good faith diligent efforts to adjust and reschedule its activities at the Site so as to minimize, to the extent reasonably practical, the adverse effect on the progress of the Work resulting from any Remedial Actions.

**5.2** CONTRACTOR shall not bring Hazardous Materials to the Site, and shall not include Hazardous Materials in any construction materials, unless permitted by Environmental Requirements. CONTRACTOR shall comply, and shall cause all Subcontractors to comply, with all Environmental Requirements regarding the generation, handling, storage, treatment and disposal of Hazardous Materials.

**5.3** CONTRACTOR shall indemnify, defend and hold harmless the Indemnified Parties from and against any Environmental Damages asserted against or sustained by such parties as a result of any Environmental Conditions caused or created by CONTRACTOR or any Subcontractor, or of any violation by CONTRACTOR or the Subcontractors, of any Environmental Requirement arising out of the performance of the Work.

# EXHIBIT D

## IN LIEU OF SECURITIES ESCROW AGREEMENT

**(form of agreement follows this page)**
**(use is optional by Contractor)**

ESCROW No. _____

**ESCROW AGREEMENT FOR SECURITY DEPOSITS IN LIEU OF RETENTION**

**(Project: _____)**

THIS ESCROW AGREEMENT is made and entered into on this ____ day of _____, 20__ by and between the:

City of Roseville, whose address is:

311 Vernon Street
Roseville, CA 95678

(hereinafter called "CITY"); and

_____, whose address is:

_____

_____

(hereinafter called "CONTRACTOR"); and

_____, whose address is:

_____

_____

(hereinafter called "ESCROW AGENT").

For the consideration hereinafter set forth, CITY, CONTRACTOR, and ESCROW AGENT agree as follows:

1. Pursuant to Section 22300 of the Public Contract Code of the State of California, CONTRACTOR has the option to deposit securities, subject to prior approval of CITY, with ESCROW AGENT, as a substitute for retention earnings required to be withheld by CITY pursuant to the contract for public works entered into between the CITY and CONTRACTOR for the Project in the amount of _____

_____ dollars ($_____) dated _____, (hereinafter referred to as the "Contract"). Alternatively, on written request of CONTRACTOR, CITY shall make payments of the retention earnings directly to the ESCROW AGENT.

When CONTRACTOR deposits the securities as a substitute for Contract earnings, the ESCROW AGENT shall notify CITY within ten (10) days of the deposit. The market value of the securities at the time of the substitution shall be at least equal to the cash amount then required to be withheld as retention under the terms of the Contract between CITY and CONTRACTOR. Securities shall be held in the name of ESCROW AGENT, and shall designate CONTRACTOR as the beneficial owner, and shall be limited to those types of acceptable securities as described in Public Contract Code Section 22300.

2. CITY shall make progress payments to CONTRACTOR for those funds which otherwise would be withheld from progress payments pursuant to the Contract provisions, provided that ESCROW AGENT holds securities in the form and amount specified above.

3. When CITY makes payment of retentions earned directly to ESCROW AGENT, ESCROW AGENT shall hold them for the benefit of CONTRACTOR until the time that the escrow created under this Agreement is terminated. CONTRACTOR may direct the investment of the payments into securities. All terms and conditions of this Agreement and the rights and responsibilities of the parties shall be equally applicable and binding when CITY pays ESCROW AGENT directly.

4. CONTRACTOR shall be responsible for paying all fees for the expenses incurred by ESCROW AGENT in administering the Escrow Account and all expenses of CITY. These expenses and payment terms shall be determined by CITY, CONTRACTOR, and ESCROW AGENT.

5. The interest earned on the securities or the money market accounts held in escrow and all interest earning on that interest shall be for the sole account of CONTRACTOR and shall be subject to withdrawal by CONTRACTOR at any time and from time to time without notice to CITY.

6. CONTRACTOR shall have the right to withdraw all or any part of the principal in the Escrow Account only by written notice to ESCROW AGENT accompanied by written authorization from CITY to ESCROW AGENT that CITY consents to the withdrawal of the amount sought to be withdrawn by CONTRACTOR.

7. CITY shall have a right to draw upon the securities in the event of default by CONTRACTOR. Upon seven (7) days' written notice to ESCROW AGENT from CITY of the default, ESCROW AGENT shall immediately convert the securities to cash and shall distribute the cash as instructed by CITY.

8. Only upon receipt of written notification from CITY certifying that the Contract is final and complete, and that CONTRACTOR has complied with all requirements and procedures applicable to the Contract, ESCROW AGENT shall release to CONTRACTOR all securities and interest on deposit less escrow fees and charges of the Escrow Account. The escrow shall be closed immediately upon disbursement of all moneys and securities on deposit and payments of fees and charges.

9. ESCROW AGENT shall rely on the written notifications from CITY and CONTRACTOR pursuant to Sections (5) to (8), inclusive, of this Agreement and CONTRACTOR shall hold ESCROW AGENT harmless from ESCROW AGENT's release and disbursement of the securities and interest as set forth above.

10. The parties hereto mutually agree that this Agreement is substantially similar to the form under Public Contracts Code Section 22300.

11. The names of the persons who are authorized to give written notice or to receive written notice on behalf of CITY and on behalf of CONTRACTOR in connection with the foregoing, and exemplars of their respective signatures are as follows:

**On behalf of CITY**:

12. At the time the Escrow Account is opened, CITY and CONTRACTOR shall deliver to ESCROW AGENT a fully executed counterpart of this Agreement.

IN WITNESS WHEREOF, the City of Roseville, a municipal corporation, has authorized the execution of this Agreement by its City Manager and attestation by its City Clerk under the authority of Resolution No. 87-141, adopted by the Council of the City of Roseville on the 5th day of August, 1987, and CONTRACTOR and ESCROW AGENT have authorized the execution of this Agreement.

# BOND FORMS

Bond No. 0272686
Premium $ 53,505.00

# PERFORMANCE BOND

This Performance Bond ("Performance Bond"), dated April 7, 2026, is in the penal sum of Four Million Fifty Two Thousand Eight Hundred Fifty Six & NO/100---------- Dollars ($ 4,052,856.00), which is an amount not less than one hundred percent (100%) of the Total Contract Price, and is entered into by and between the undersigned D.G. Granade, Inc. ("Principal" or "Contractor") and the undersigned Berkley Insurance Company ("Surety") to ensure the Principal's faithful performance of the Design Build Construction Agreement for the Dry Creek Wastewater Treatment Plant Collections Building Expansion Project project ("Design Build Contract"). This Performance Bond consists of this page and the following Performance Bond Terms and Conditions, Paragraphs 1 through 12. Any singular reference to the Principal, the Surety, the City of Roseville, California ("City") or other party shall be considered plural where applicable.

## BOND TERMS AND CONDITIONS

1. The Principal and the Surety, jointly and severally, bind themselves, their heirs, executors, administrators, successors and assigns to the City for the complete and proper performance of the Design Build Contract, which is incorporated herein by reference.

2. If the Principal completely and properly performs all of its obligations under the Design Build Contract, the Surety and the Principal shall have no further obligation under this Performance Bond, except to participate in conferences as provided in Paragraph 3.1 below.

3. If there is no City Default, the Surety's obligation under this Performance Bond shall arise after:

   3.1 The City has notified the Contractor and the Surety at their respective addresses described in Paragraph 10 below, that the City is considering declaring a Contractor Default and has requested and attempted to arrange a conference with the Contractor and the Surety to be held not later than fifteen (15) days after receipt of such notice to discuss methods of performing the Design Build Contract. If the City, the Contractor and the Surety agree, the Contractor shall be allowed a reasonable time to perform the Design Build Agreement, but such a mutual agreement shall not waive the City's right, if any, subsequently to declare a Contractor Default; and

   3.2 The City has declared a Contractor Default and formally terminated the Contractor's right to complete the Design Build Contract. Such Contractor Default shall not be declared earlier than twenty (20) days after the Contractor and the Surety have received notice as provided in Paragraph 3.1 above.

   3.3 The City has agreed to pay the Balance of the Total Contract Price to:

      3.3.1 The Surety in accordance with the terms of this Performance Bond and the Design Build Contract; or

3.3.2 To a contractor selected to perform the Design Build Contract in accordance with the terms of this Performance Bond and the Design Build Contract.

4. When the City has satisfied the conditions of Paragraph 3 above, the Surety shall promptly (within thirty (30) days) and at the Surety's expense elect to take one of the following actions:

4.1 Arrange for the Contractor, with the City's consent, such consent to be in the City's sole discretion, to perform and complete the Design Build Contract. If the City withholds its consent, the Surety must elect an option described in Paragraphs 4.2, 4.3 or 4.4, below; or

4.2 Undertake to perform and complete the Design Build Contract itself, through its agents or through independent contractors; or

4.3 Obtain proposals from qualified contractors acceptable to the City for a contract for performance and completion of the Design Build Contract, and, upon determination by the City of the best value for the City, arrange for a contract to be prepared for execution by the City and the contractor selected, to be secured with performance and payment bonds executed by a qualified surety equivalent to the bonds issued on the Design Build Contract; and, if the Surety's obligations defined in Paragraph 6 below exceed the Balance of the Total Contract Price, then the Surety shall pay to the City the amount of such excess; or

4.4 Waive its right to perform and complete the Design Build Contract, arrange for completion, or obtain a new contractor and with reasonable promptness under the circumstances, and, after investigation and consultation with the City, determine in good faith the amount for which it may then be liable to the City under Paragraph 6, below, for the performance and completion of the Design Build Contract and, as soon as practicable after the amount is determined, tender payment therefor to the City with full explanation of the payment's calculation. If the City accepts the Surety's tender under this Paragraph 4.4, the City may still hold Surety liable for future damages then unknown or unliquidated resulting from the Seller Default. If the City disputes the amount of Surety's tender under this Paragraph 4.4, the City may exercise all remedies available to it at law to enforce the Surety's liability under Paragraph 6, below.

5. If the Surety does not proceed as provided in Paragraph 4, above, then the Surety shall be deemed to be in default on this Performance Bond ten (10) calendar days after receipt of an additional written notice from City to the Surety demanding that the Surety perform its obligations under this Performance Bond. At all times the City shall be entitled to enforce any remedy available to the City at law or under the Design Build Contract including, without limitation, and by way of example only, rights to perform work, protect work, mitigate damages, or coordinate work with other consultants or contractors at Surety's sole expense.

6. The Surety's monetary obligation under this Performance Bond is limited by the amount of this Performance Bond. Subject to these limits, the Surety's obligations under this Bond are commensurate with the obligations of the Seller under the Design Build Contract. The Surety's obligations shall include, but are not limited to:

6.1 The responsibilities of the Seller under the Design Build Contract for completion of the Design Build Contract and correction of defective work;

6.2 The responsibilities of the Seller under the Design Build Contract to pay liquidated damages, and damages for which no liquidated damages are specified in the Design Build Contract, including but not limited to, all valid and proper back charges, offsets, payments, indemnities, defense costs or other damages; and

6.3 Additional legal, design professional and delay costs resulting from the Seller Default or resulting from the actions or failure to act of the Surety under Paragraph 4, above.

7. The Surety shall not be liable to the City or others for the obligations of the Contractor that are unrelated to the Design Build Contract, and the Balance of the Total Contract Price shall not be reduced or set off on account of any such unrelated obligations. No right of action shall accrue on this Performance Bond to any person or entity other than the City or its heirs, executors, administrators, or successors.

8. The Surety hereby waives notice of any change, alteration or addition to the Design Build Contract or to related subcontracts, purchase orders and other obligations, including but not limited to changes of time. The Surety consents to all terms of the Design Build Contract, including provisions on changes to the Contract Documents. No extension of time, Change Order, alteration, Modification, deletion, or addition to the Contract Documents, or of the work required thereunder, shall release or exonerate Surety on this Performance Bond or in any way affect the obligations of Surety on this Performance Bond.

9. Any proceeding, legal or equitable, under this Performance Bond shall be instituted in any court of competent jurisdiction in Placer County, California within two (2) years after the Contractor Default or within two (2) years after the Contractor ceased working or within two (2) years after the Surety refuses or fails to perform its obligations under this Performance Bond, whichever occurs first. If the provisions of this Paragraph 9 are void or prohibited by law, the minimum period of limitation available to sureties as a defense in Placer County shall be applicable.

10. Notice to the Surety, the City or the Principal shall be mailed or delivered to the address shown on the signature page.

11. Any provision in this Performance Bond conflicting with any statutory or regulatory requirement shall be deemed deleted herefrom and provisions conforming to such statutory requirement shall be deemed incorporated herein. The intent is that this Performance Bond shall be construed as a statutory bond and not as a common law bond.

12. Definitions.

12.1 Balance of the Total Contract Price: The total amount payable by the City to the Contractor pursuant to the terms of the Design Build Contract after all proper adjustments have been made under the Design Build Contract, including, for example, deductions for progress payments made, deductions for liquidated damages owed, and increases/decreases for approved modifications to the Design Build Contract.

12.2 Design Build Contract: The documents between the City and the Principal identified as the Contract Documents in that certain first above-mentioned Design Build Construction Agreement, including all changes, Addenda and modifications thereto.

12.3 Contractor Default: Material failure of the Contractor, which has neither been remedied nor waived, to perform or otherwise to comply with the terms of the Design Build Contract.

12.4 City Default: Material failure of the City, which has neither been remedied nor waived, to pay the Contractor progress payments due under the Design Build Contract or to perform other material terms of the Design Build Contract, provided such failure is the cause of the asserted Contractor Default and is sufficient to justify Contractor termination of the Design Build Contract.

IN WITNESS WHEREOF, the undersigned obligated parties have executed this instrument.

***END OF DOCUMENT***

POWER OF ATTORNEY
**BERKLEY INSURANCE COMPANY**
WILMINGTON, DELAWARE

KNOW ALL MEN BY THESE PRESENTS, that BERKLEY INSURANCE COMPANY (the "Company"), a corporation duly organized and existing under the laws of the State of Delaware, having its principal office in Greenwich, CT, has made, constituted and appointed, and does by these presents make, constitute and appoint: ***Bryan D. Martin; Erin Bautista; Gordon Scott Gaddy; Halle Bautista; or Susan M. Exline of ABD Insurance & Financial Services, Inc. dba Newfront Insurance Services of San Mateo, CA*** its true and lawful Attorney-in-Fact, to sign its name as surety only as delineated below and to execute, seal, acknowledge and deliver any and all bonds and undertakings including bid related commitments such as Consent of Surety, with the exception of Financial Guaranty Insurance, providing that no single obligation shall exceed **Fifty Million and 00/100 U.S. Dollars (U.S.$50,000,000.00),** to the same extent as if such bonds had been duly executed and acknowledged by the regularly elected officers of the Company at its principal office in their own proper persons.

This Power of Attorney shall be construed and enforced in accordance with, and governed by, the laws of the State of Delaware, without giving effect to the principles of conflicts of laws thereof. This Power of Attorney is granted pursuant to the following resolutions which were duly and validly adopted at a meeting of the Board of Directors of the Company held on January 25, 2010:

**RESOLVED**, that, with respect to the Surety business written by Berkley Surety, the Chairman of the Board, Chief Executive Officer, President or any Vice President of the Company, in conjunction with the Secretary or any Assistant Secretary are hereby authorized to execute powers of attorney authorizing and qualifying the attorney-in-fact named therein to execute bonds, undertakings, recognizances, or other suretyship obligations on behalf of the Company, and to affix the corporate seal of the Company to powers of attorney executed pursuant hereto; and said officers may remove any such attorney-in-fact and revoke any power of attorney previously granted; and further

**RESOLVED**, that such power of attorney limits the acts of those named therein to the bonds, undertakings, recognizances, or other suretyship obligations specifically named therein, and they have no authority to bind the Company except in the manner and to the extent therein stated; and further

**RESOLVED**, that such power of attorney revokes all previous powers issued on behalf of the attorney-in-fact named; and further

**RESOLVED**, that the signature of any authorized officer and the seal of the Company may be affixed by facsimile to any power of attorney or certification thereof authorizing the execution and delivery of any bond, undertaking, recognizance, or other suretyship obligation of the Company; and such signature and seal when so used shall have the same force and effect as though manually affixed. The Company may continue to use for the purposes herein stated the facsimile signature of any person or persons who shall have been such officer or officers of the Company, notwithstanding the fact that they may have ceased to be such at the time when such instruments shall be issued.

IN WITNESS WHEREOF, the Company has caused these presents to be signed and attested by its appropriate officers and its corporate seal hereunto affixed this 2nd day of May, 2024.

# LABOR AND MATERIAL BOND

This Labor and Material Bond ("Labor and Material Bond") dated April 7, 2026, is in the penal sum of Four Million Fifty Two Thousand Eight Hundred Fifty Six & NO/100---------- Dollars ($ 4,052,856.00), which is an amount not less than one hundred percent (100%) of the Total Contract Price, and is entered into by and between the undersigned D.G. Granade, Inc. ("Principal" or "Contractor") and the undersigned Berkley Insurance Company ("Surety") to ensure the Principal's payment of claimants pursuant to the Design Build Construction Agreement for the Dry Creek Wastewater Treatment Plant Collections Building Expansion Project project ("Design Build Contract"). This Labor and Material Bond consists of this page and the following Labor and Material Bond Terms and Conditions, Paragraphs 1 through 15. Any singular reference to the Principal, the Surety, the City of Roseville, California ("City") or other party shall be considered plural where applicable.

## BOND TERMS AND CONDITIONS

1. The Principal and the Surety, jointly and severally, bind themselves, their heirs, executors, administrators, successors and assigns to the City and to Claimants, to pay for labor, materials, Equipment furnished and Services provided in the performance of the Design Build Contract, which is incorporated herein by reference.

2. With respect to the City, this obligation shall become null and void if and when the Principal:

   2.1 Promptly and fully makes payment, directly or indirectly, for all sums due Claimants, and

   2.2 Fully defends, indemnifies and holds harmless the City from all claims, demands, liens or suits by any person or entity who furnished labor, materials or equipment for use in the performance of the Design Build Contact, provided the City has promptly notified the Principal and the Surety (at the address described in Paragraph 10 below) of any claims, demands, liens or suits and has tendered defense of such claims, demands, liens or suits to the Principal and the Surety, and provided there is no City Default.

   Otherwise, this Labor and Material Bond shall be, and remain, in full force and effect.

3. With respect to Claimants, this obligation shall become null and void if and when the Principal promptly and fully makes payment, directly or indirectly through its Subcontractors, for all sums due Claimants; otherwise, this Labor and Material Bond shall be, and remain, in full force and effect.

4. The Surety shall have no obligation to Claimants under this Labor and Material Bond until:

   4.1 Claimants who are employed by or have a direct contract with the Contractor have given notice to the Surety (at the address described in Paragraph 12) and sent a copy, or notice thereof, to the City, stating that a claim is being made under this Labor and Material Bond and, with substantial accuracy, the amount of the claim.

4.2 Claimants who do not have a direct contract with the Contractor:

4.2.1 Have furnished written notice to the Contractor and sent a copy, or notice thereof, to the City, within ninety (90) days after having last performed labor or last furnished materials or equipment included in the claim stating, with substantial accuracy, the amount of the claim and the name of the party to whom the materials were furnished or supplied or for whom the labor was done or performed; and

4.2.2 Have either received a rejection in whole or in part from the Contractor, or have not received within thirty (30) days of furnishing the above notice any communication from the Contractor by which the Contractor has indicated the claim will be paid directly or indirectly; and

4.3.3 Not having been paid within the above thirty (30) days, have sent a written notice to the Surety (at the address described in Paragraph 12) and sent a copy, or notice thereof, to the City, stating that a claim is being made under this Labor and Material Bond and enclosing a copy of the previous written notice furnished to the Contractor.

5. If a notice required by Paragraph 4 above is given by the City to the Contractor or to the Surety, that is sufficient compliance.

6. When the Claimant has satisfied the conditions of Paragraph 4, the Surety shall promptly and at the Surety's expense take the following actions:

6.1 Send an answer to the Claimant, with a copy to the City, within forty-five (45) days after receipt of the claim, stating the amounts that are undisputed and the basis for challenging any amounts that are disputed.

6.2 Pay or arrange for payment of any undisputed amounts.

7. The Surety's total obligation shall not exceed the amount of this Labor and Material Bond, and the amount of this Labor and Material Bond shall be credited for any payments made in good faith by the Surety under this Labor and Material Bond.

8. Amounts due the Contractor under the Design Build Contract shall be applied to satisfy claims, if any, under this Labor and Material Bond.

9. The Surety shall not be liable to the City, Claimants or others for obligations of the Contractor that are unrelated to the Design Build Contract. The City shall not be liable for payment of any costs, expenses, or attorney's fees of any Claimant under this Labor and Material Bond, and shall have no obligations to make payments to, give notices on behalf of, or otherwise have obligations to Claimants under this Labor and Material Bond.

10. The Surety hereby waives notice of any change, alteration or addition to the Design Build Contract or to related subcontracts, purchase orders and other obligations, including but not limited to changes of time. The Surety consents to all terms of the Design Build Contract, including provisions on changes to the Contract Documents. No extension of time, Change Order, alteration, modification, deletion, or addition to the Contract Documents, or of the work required thereunder,

shall release or exonerate Surety on this Labor and Material Bond or in any way affect the obligations of Surety on this Labor and Material Bond.

11. Any proceeding, legal or equitable, under this Labor and Material Bond shall be instituted in any court of competent jurisdiction in Placer County, California within one (1) year from the date on which (i) the Claimant gave the notice required by Paragraph 4.1 or Paragraph 4.3.3, or (ii) the last labor or service was performed by anyone or the last materials or equipment were furnished by anyone under the Design Build Contract, whichever of (i) or (ii) first occurs. If the provisions of this Paragraph 11 are void or prohibited by law, the minimum period of limitation available to sureties as a defense in Placer County shall be applicable.

12. Notice to the Surety, the City or the Principal shall be mailed or delivered to the address shown on the signature page below. Actual receipt of notice by the Surety, the City or the Principal, however accomplished, shall be sufficient compliance as of the date received at the address shown on the signature page below.

13. Any provision in this Labor and Material Bond conflicting with any statutory or regulatory requirement shall be deemed deleted herefrom and provisions conforming to such statutory requirement shall be deemed incorporated herein.
The intent is that this Labor and Material Bond shall be construed as a statutory bond and not as a common law bond.

14. Upon request by any person or entity appearing to be a potential beneficiary of this Labor and Material Bond, the Principal shall promptly furnish a copy of this Labor and Material Bond or shall permit a copy to be made.

15. DEFINITIONS

15.1 CLAIMANT: An individual or entity having a direct contract with the Contractor or with a subcontractor (of any tier) of the Contractor to furnish labor, materials or equipment for use in the performance of the Design Build Contract. The intent of this Labor and Material Bond shall be to include without limitation in the terms "labor, materials or equipment" that part of water, gas, power, light, heat, oil, gasoline, telephone service or rental equipment used in the Design Build Contract, architectural and engineering services used or reasonably required for performance of the work of the Contractor and the Contractor's subcontractors, and all other items for which a mechanic's lien or stop payment notice might be asserted.

15.2 DESIGN BUILD CONTRACT: The documents between the City and the Contractor identified as the Contract Documents in that certain first above-mentioned Design Build Contract, including all changes, Addenda and modifications thereto.

15.3 CITY DEFAULT: Material failure of the City, which has neither been remedied nor waived, to pay the Contractor as required by the Design Build Contract, provided such failure is the cause of the failure of Principal to pay the Claimants and is sufficient to justify Contractor termination of the Design Build Contract.

IN WITNESS WHEREOF, the undersigned obligated parties have executed this security instrument.

# WARRANTY BOND

This Warranty Bond ("Warranty Bond"), dated April 7, 20 26, is in the penal sum of Four Hundred Five Thousand Two Hundred Eight Five & 60/100** for under the Design-Build Construction Agreement for the Dry Creek Wastewater Treatment Plant Collections* project, and is entered into by and between the undersigned D.G. Granade, Inc. ("Principal" or "Contractor") and the undersigned Berkley Insurance Company ("Surety") to guaranty that all Equipment and Services provided by Seller under the above-mentioned Design Build Contract will fulfill the requirements of Principal's warranties and guarantees included in the Contract Documents. This Warranty Bond consists of this page and the following Warranty Bond Terms and Conditions, Paragraphs 1 through 7. Any singular reference to the Principal, the Surety, the City of Roseville, California ("City") or other party shall be considered plural where applicable.

*Building Expansion Project

**$405,285.60

## BOND TERMS AND CONDITIONS

1. The Principal and the Surety, jointly and severally, bind themselves, their heirs, executors, administrators, successors and assigns to the City for a period of one (1) year following the date of Final Acceptance, or such longer period specified in the Contract Documents, its unconditional warranty of the quality and adequacy of all of the work including, without limitation, all equipment and work provided by Contractor and its subcontractors and subvendors of all tiers in connection with the Design Assist Contract.

2. Neither final payment nor use or occupancy of the Equipment or Services performed by the Contractor shall constitute an acceptance of such Equipment or Services not done in accordance with this Warranty Bond or relieve Contractor of liability in respect to any express guarantees, warranties or responsibilities for faulty materials or workmanship, ordinary wear and tear excepted. If within one (1) year after the date of Final Acceptance, or such longer period of time as may be prescribed the terms of the Contract Documents, any Equipment or Services is found to be defective, Contractor and Surety shall promptly, without cost to City and in accordance with City's written instructions, correct such defective Equipment or Services. Contractor and Surety shall remove any defective Equipment rejected by City and replace it with Equipment that is not defective. If Contractor or Surety fails to promptly comply with the terms of such instructions, or in an emergency where delay would cause serious risk of loss or damage, City may have the defective Equipment or Services corrected or removed and replaced. Contractor and Surety shall pay for all claims, costs, losses and damages caused by or resulting from such removal and replacement. Where Contractor and Surety fail to correct defective Equipment or Services, or defects are discovered outside the correction period, City shall have all rights and remedies granted by law.

3. As part of the obligation secured hereby and in addition to the face amount specified therefor, there shall be included costs and reasonable expenses and fees, including reasonable attorney's fees, incurred by City.

4. The Surety hereby waives notice of any change, alteration or addition to the Design Assist Contract or to related subcontracts, purchase orders and other obligations, including but not limited to changes of time. The Surety consents to all terms of the Design Assist Contract, including provisions on changes to the Contract Documents. No extension of time, Change Order, alteration, Modification, deletion, or addition to the Contract Documents, or of the work required thereunder, shall release or exonerate Surety on this Warranty Bond or in any way affect the obligations of Surety on this Warranty Bond.

5. If the Surety does not proceed as provided in Paragraph 2 above, then the Surety shall be deemed to be in default on this Warranty Bond ten (10) calendar days after receipt of an additional written notice from City to the Surety demanding that the Surety perform its obligations under this Warranty Bond. At all times the City shall be entitled to enforce any remedy available to the City at law or under the Design Assist Contract including, without limitation, and by way of example only, rights to perform work as Surety's expense, protect work, mitigate damages, or coordinate work with other consultants or contractors.

6. All abbreviations and definitions of terms used in this Warranty Bond shall have the meanings set forth in the Contract Documents, including, without means of limitation, the Design Assist Contract.

7. The foregoing Warranty Bond is in addition to any other guarantees and warranties of Contractor contained in the Contract Documents, and not in lieu of, any and all other liability imposed on Contractor under the Contract Documents and at law with respect to Contractor's duties, obligations, and performance under the Contract Documents. In the event of any conflict or inconsistency between the terms of this Warranty Bond and any guaranty, warranty or obligation of the Seller under the Contract Documents or at law, such inconsistency or conflict shall be resolved in favor of the higher level of obligation of the Contractor and Surety.

IN WITNESS WHEREOF, the undersigned obligated parties have executed this instrument.

No. BI-10192i-el

POWER OF ATTORNEY
**BERKLEY INSURANCE COMPANY**
WILMINGTON, DELAWARE

KNOW ALL MEN BY THESE PRESENTS, that BERKLEY INSURANCE COMPANY (the "Company"), a corporation duly organized and existing under the laws of the State of Delaware, having its principal office in Greenwich, CT, has made, constituted and appointed, and does by these presents make, constitute and appoint: ***Bryan D. Martin; Erin Bautista; Gordon Scott Gaddy; Halle Bautista; or Susan M. Exline of ABD Insurance & Financial Services, Inc. dba Newfront Insurance Services of San Mateo, CA*** its true and lawful Attorney-in-Fact, to sign its name as surety only as delineated below and to execute, seal, acknowledge and deliver any and all bonds and undertakings including bid related commitments such as Consent of Surety, with the exception of Financial Guaranty Insurance, providing that no single obligation shall exceed **Fifty Million and 00/100 U.S. Dollars (U.S.$50,000,000.00),** to the same extent as if such bonds had been duly executed and acknowledged by the regularly elected officers of the Company at its principal office in their own proper persons.

This Power of Attorney shall be construed and enforced in accordance with, and governed by, the laws of the State of Delaware, without giving effect to the principles of conflicts of laws thereof. This Power of Attorney is granted pursuant to the following resolutions which were duly and validly adopted at a meeting of the Board of Directors of the Company held on January 25, 2010:

**RESOLVED**, that, with respect to the Surety business written by Berkley Surety, the Chairman of the Board, Chief Executive Officer, President or any Vice President of the Company, in conjunction with the Secretary or any Assistant Secretary are hereby authorized to execute powers of attorney authorizing and qualifying the attorney-in-fact named therein to execute bonds, undertakings, recognizances, or other suretyship obligations on behalf of the Company, and to affix the corporate seal of the Company to powers of attorney executed pursuant hereto; and said officers may remove any such attorney-in-fact and revoke any power of attorney previously granted; and further

**RESOLVED**, that such power of attorney limits the acts of those named therein to the bonds, undertakings, recognizances, or other suretyship obligations specifically named therein, and they have no authority to bind the Company except in the manner and to the extent therein stated; and further

**RESOLVED**, that such power of attorney revokes all previous powers issued on behalf of the attorney-in-fact named; and further

**RESOLVED**, that the signature of any authorized officer and the seal of the Company may be affixed by facsimile to any power of attorney or certification thereof authorizing the execution and delivery of any bond, undertaking, recognizance, or other suretyship obligation of the Company; and such signature and seal when so used shall have the same force and effect as though manually affixed. The Company may continue to use for the purposes herein stated the facsimile signature of any person or persons who shall have been such officer or officers of the Company, notwithstanding the fact that they may have ceased to be such at the time when such instruments shall be issued.

IN WITNESS WHEREOF, the Company has caused these presents to be signed and attested by its appropriate officers and its corporate seal hereunto affixed this 2nd day of May, 2024.

**RE: Design-Build Proposal – Collections Building Expansion and New Vehicle Storage Building, Dry Creek Wastewater Treatment Plant (RFP No. 08-167)**

Dear Selection Committee:
On behalf of D.G. Granade, Inc., located at [insert full mailing/physical address], we are pleased to submit this proposal to provide Design-Build Construction services for the Dry Creek Wastewater Treatment Plant Collections Building Expansion and Vehicle Storage Building.

Please direct any correspondence regarding this proposal to:
Contact Person: Bob Granade, Vice President
Telephone: (530) 677-7484
Fax: (530) 677-7550
Email: bob.granade@dggranade.com

D. G. Granade, Inc. hereby affirms our commitment to perform all services described in the RFP and to adhere to the requirements of the Design-Build Construction Agreement. We acknowledge receipt of Addenda Nos. 1, dated 10/15/2025 and 2, dated 10/27/2025, and confirm that they have been incorporated into our proposal.

Since 1989, D.G. Granade has built a strong reputation as a trusted and competitive general contractor in Northern California. Led by President Doug Granade, with over 40 years of experience, and Vice President Bob Granade, with over 20 years, our company has successfully delivered numerous projects that demonstrate both design-build expertise and municipal/public works performance. We specialize in pre-engineered metal building construction, facility expansions, and active-site delivery, all highly relevant to the City's goals for this project.

We firmly believe in the team approach, where close collaboration between the Owner, Architect, and Contractor ensures that each project is designed and built to meet both functional needs and budget realities. Our self-performance capability, integrated design and construction services, and strong relationships with trade partners allow us to provide the City with cost certainty, schedule reliability, and quality assurance from concept through closeout.

We appreciate the opportunity to submit this proposal and would be honored to serve as the City of Roseville's Design-Builder for this important project.

Sincerely,

Robert Granade
Vice President
D.G. Granade, Inc.

# A FIRM'S QUALIFICATIONS

**Firm Overview**
D.G. Granade, Inc., founded in 1989, is a family-owned and operated California corporation with over three decades of experience delivering successful construction projects throughout Northern California. Under the leadership of President Doug Granade (40+ years of experience) and Vice President Bob Granade (20+ years), our firm has established a strong reputation for quality, integrity, and client service. We specialize in pre-engineered metal building (PEMB) systems, new ground-up facilities, and public works delivery, including design-build projects.

**In-House Capabilities**
DG Granade provides all key project management and construction oversight functions in-house, including estimating, scheduling, value engineering, constructability reviews, quality control, and safety management. Our field staff self-perform portions of concrete, carpentry, minor steel erection, and selective demolition — allowing us to directly control schedule, safety, and quality.

**Subconsultants and Subcontractors**
For this project, we will be supported by an integrated team of design professionals and trade partners, including architecture, structural, civil, and geotechnical engineering, along with mechanical, electrical, plumbing, and fire sprinkler subcontractors. Each firm is selected for proven experience with design-build delivery and public works requirements.

**Organizational Structure**
Our company maintains a lean and efficient organizational structure, with clear lines of accountability from ownership to project management to site supervision. An organizational chart is provided following this narrative.

**Staffing Levels (Five-Year Trend)**
DG Granade maintains a consistent staff of approximately 5 skilled field employees, supplemented by long-term trade partners as project needs require. This stable staffing model ensures continuity of leadership and quality oversight, while scaling resources effectively for each project. Our low turnover reflects the family-driven culture of the firm and supports consistent delivery.

**Statement of Qualifications**
DG Granade is fully licensed, bonded, and registered with DIR. Our qualifications are demonstrated through decades of municipal, public works, and design-build experience. We are committed to delivering the City of Roseville's Collections Building Expansion and Vehicle Storage Building with the highest standards of safety, quality, and efficiency, while minimizing operational disruptions and ensuring long-term value.

# B FIRM'S EXPERIENCE & REFERENCES

D. G. Granade has successfully delivered numerous municipal and design-build projects across Northern California. Our portfolio includes pre-engineered metal building (PEMB) facilities, vehicle storage buildings, and operations centers similar to the City of Roseville's project. Each project demonstrates our ability to control cost, maintain schedule, and coordinate construction within active public-agency sites under prevailing wage requirements.

## Experience Summary Table

| Project | Owner/Client | Delivery Method | Reference |

# Project Narratives

## Amador County Sheriff's Hangars (2024)

*Public Works Project – Design-Bid-Build with Design-Build PEMB*

| | |
|---|---|
| Location: | Martell, CA |
| Contract Amount: | $2,410,000.00 |
| Final Cost: | $2,446,353.00 (+1.02% change orders, Owner requested) |
| Scheduled Duration: | 235 calendar days |
| Actual Duration: | 235 calendar days (On schedule) |
| Quality/Performance Notes: | D. G. Granade successfully navigated multiple design challenges during construction by proactively coordinating with the design team and Owner to resolve constructability issues without impacting schedule or budget. The metal building portion, delivered under design-build by D. G. Granade, integrated seamlessly with the wood mezzanine structure and was completed with no rework or delays. |

Project Description:

D. G. Granade served as the general contractor for construction of two new hangar buildings for the Amador County Sheriff's Office. The facilities were designed to support future aircraft operations with future hangar door openings and supports provided in the metal building wall. The metal building portion, delivered design-build by D. G. Granade, was engineered to accommodate an interior wood mezzanine structure and all mechanical and electrical systems. The buildings included 2 restrooms in each and a large finished open space. Despite inherited design coordination issues, D. G. Granade maintained schedule and budget by providing timely constructability feedback, implementing field solutions, and coordinating closely with the Owner and design consultants.

Key Outcomes:

- Completed on schedule and within 1.02% of original budget (*Owner requested changes only*)
- Zero lost-time incidents; no rework.
- Positive Owner feedback for communication and collaboration.

## Williams Tank Lines New Office & Shop (2024-2025)

*Private Works Project – Design-Build PEMB Facility*

| | |
|---|---|
| Location: | West Sacramento, CA |
| Contract Amount: | $2,392,000.00 |
| Final Cost: | $2,392,088.00 (+0.00% change orders, Owner requested) |
| Scheduled Duration: | 165 working days |
| Actual Duration: | 165 working days (On schedule) |
| Quality/Performance Notes: | D. G. Granade delivered the Williams Tank Lines Facility with strong coordination, quality control, and disciplined execution. The design-build approach allowed early resolution of design challenges, ensuring seamless integration of the PEMB and wood mezzanine systems. Despite complex MEP and solar requirements, the project finished on schedule and within budget, with no rework or unapproved change orders. All inspections and commissioning passed on first review, and D. G. Granade's clear communication supported a smooth closeout and immediate occupancy. |

Project Description:

D. G. Granade provided full design-build services for a new 13,400 sq ft pre-engineered metal building with integrated office, shop, and wash-bay facilities for Williams Tank Lines. Scope included civil coordination, building design and engineering, architectural finishes, utilities, landscaping, and site improvements. The PEMB structure incorporated both concrete and wood mezzanines, full interior build-out, and comprehensive mechanical, electrical, plumbing, and fire-protection systems. D. G. Granade led all design disciplines—civil, structural, MEP, and fire protection—through permitting and construction, coordinating Title 24 energy compliance, 10 kW solar installation, and CALGreen EV infrastructure requirements

Key Outcomes:

- Delivered turn-key design-build facility meeting California Building Code, CALGreen, and Title 24 standards.
- Achieved zero change orders outside Owner-requested scope adjustments.
- Completed on schedule and within budget despite market-wide material volatility.
- Successfully integrated PEMB and wood mezzanine systems with no rework or field conflicts.
- Owner appreciated D. G. Granade's proactive communication and clean coordination among design trades.

## Yuba County DRC Shop & Tenant Improvements (2023-2024)

*Public Works Project – Design-Build PEMB Facility*

| | |
|---|---|
| Location: | Martell, CA |
| Contract Amount: | $713,675 (Shell) + $458,108 (Tenant Improvement) |
| Final Cost: | $763,052 (Shell – +6.92% change orders, Owner requested)<br>$476,287 (TI - +4.0% change orders, Owner requested) |
| Scheduled Duration: | 180 calendar days (Shell) + 180 calendar days (TI) |
| Actual Duration: | Both projects finished on schedule without delay. |
| Quality/Performance Notes: | D. G. Granade completed both phases of the Yuba County DRC Shop project, the shell and tenant improvements, with consistent quality control and seamless coordination. The team maintained full Davis-Bacon and ARPA compliance with no findings, delivering both contracts on schedule and within budget. Field coordination resolved design clarifications without rework, and daily communication ensured safe operations around active County facilities. The County project manager commended D. G. Granade's proactive coordination and detailed documentation, resulting in an efficient turnover and a facility that exceeded performance expectations. |

Project Description:

D. G. Granade served as the design-build general contractor for the construction of Yuba County's new DRC Shop, a pre-engineered metal building facility supporting the Sheriff's Department fleet and equipment operations. The initial phase provided complete site development, utilities, and PEMB erection for a new maintenance shop on a restricted downtown parcel. The follow-up tenant improvement contract transformed the shell into a fully functional operations center, including accessible restroom, IDF room, mechanical ventilation, upgraded 400-amp electrical service, fiber-optic connection to the main facility, and installation of two "Big Ass Fans," compressed-air system, and perimeter fencing. Work required compliance with Davis-Bacon and ARPA federal funding provisions, as well as coordination with County Services, Sheriff's Department, and City of Marysville.

Key Outcomes:

- Delivered two sequential design-build contracts—shell and tenant improvement—both on schedule and within budget.
- Achieved zero change orders unrelated to owner-directed scope.
- Maintained full prevailing-wage and Davis-Bacon compliance under ARPA funding.
- Coordinated all MEP and telecom systems within occupied campus without service interruption.

- Owner praised DG Granade's proactive communication and hands-on field management, leading to repeat selection for subsequent County projects.

## Shakori Garage Replacement (2022)

*Public Works Project – Design-Bid-Build with Design-Build PEMB Facility*

| | |
|---|---|
| Location: | Meyers, CA |
| Contract Amount: | $3,988,569 |
| Final Cost: | $4,135,739 (+3.7% change orders, Owner requested) |
| Scheduled Duration: | 353 calendar days |
| Actual Duration: | 353 calendar days |
| Quality/Performance Notes: | D. G. Granade delivered the Shakori Garage Replacement project on schedule and within budget despite tight site access and aging infrastructure. The team resolved design conflicts in the field through close coordination with County inspectors and engineers, avoiding delays or disputes. All inspections were approved on first review, and construction was completed with zero rework or safety incidents. Strong communication and organized documentation ensured a durable, high-quality facility that enhanced County maintenance operations. |

Project Description:

The Shakori Garage Replacement project involved the complete demolition and reconstruction of the existing El Dorado County Road Maintenance garage facility. DG Granade constructed a new pre-engineered metal building (PEMB) structure designed for heavy-duty maintenance operations, integrated with new site utilities, concrete foundations, and interior improvements. The work required coordination with County forces operating adjacent to the project area, maintaining continuous access for road maintenance equipment and personnel throughout construction. All work was performed under public works and prevailing wage compliance, including quality assurance testing, inspection coordination, and environmental protection measures per County and State standards.

Key Outcomes:

- Completed on schedule and within contract budget despite site constraints and ongoing County operations.
- Zero rework and zero safety incidents throughout the project duration.
- Maintained uninterrupted County road maintenance operations during demolition and reconstruction.
- Resolved multiple design clarifications proactively in the field, avoiding change order disputes or delays.
- Delivered a high-performance PEMB structure that met County operational and durability goals.

## El Dorado Irrigation District – Collections Facility Relocation (2022)

*Public Works Project – Design-Bid-Build with Design-Build PEMB Facility*

Location: El Dorado Hills, CA
Contract Amount: $4,602,436
Final Cost: $4,941,972 (+7.4% change orders, Owner requested)
Scheduled Duration: 353 calendar days
Actual Duration: 353 calendar days
Quality/Performance Notes: D. G. Granade maintained strong quality control and schedule adherence despite extensive underground coordination and ongoing District operations nearby. The project team mitigated supply-chain challenges through proactive procurement and early submittal review, achieving full compliance with EID's inspection and testing requirements. All systems were commissioned without deficiencies.

Project Description:

D. G. Granade constructed a new pre-engineered metal building facility and associated site improvements for the El Dorado Irrigation District's wastewater collections operations. The work included complete site development, paving, storm drainage, underground utilities, a covered fueling station, and the erection of a PEMB with full interior build-out for offices, locker rooms, and maintenance areas. The facility also incorporated material bays, and fire, plumbing, mechanical, and electrical systems meeting Title 24 and CALGreen standards

Key Outcomes:

- Completed on schedule and within contract budget.
- Zero rework and no lost-time incidents.
- Fully compliant with prevailing wage and District QA/QC standards.
- Delivered a durable, high-efficiency operations facility meeting EID's long-term service goals.

## Nevada County Operations Center (2020)

*Public Works Project – Design-Bid-Build with Design-Build PEMB Facility*

Location: Grass Valley, CA
Contract Amount: $13,988,000
Final Cost: $14,866,781 (+6.3% change orders, Owner requested)
Scheduled Duration: 450 calendar days
Actual Duration: 450 calendar days
Quality/Performance Notes: D.G. Granade maintained precise coordination and quality control throughout construction of multiple metal building structures and utility systems under a compressed 450-calendar-day schedule. The team proactively resolved conflicts through close coordination with the County, ensuring the project met all requirements without delay. All work was completed in full compliance with prevailing wage and County safety standards. Thorough documentation, submittal management, and schedule discipline resulted in a smooth inspection and occupancy process.

Project Description:

The Nevada County Operations Center in Grass Valley involved the ground-up construction of a new corporation yard featuring a main operations building, sand barn, covered and uncovered bulk material storage, carports, a water station, backup generator enclosure, and trash enclosure. The project also included full site development, paved and gravel laydown yards, septic system, site lighting, security systems, and perimeter fencing.

Key Outcomes:

- Completed within 450 calendar days as required by contract.
- Delivered a fully functional operations facility supporting fleet maintenance, bulk material storage, and administrative operations.
- Achieved zero safety incidents and no corrective change orders.
- Maintained full compliance with public contracting and labor requirements.
- Recognized by the County for clear communication and professional execution on a complex, multi-structure site.

Together, these projects demonstrate D.G. Granade's proven ability to deliver complex municipal and design-build facilities on time, within budget, and to the highest standards of safety and quality.

# C TEAM'S QUALIFICATIONS

D.G. Granade has assembled a proven design-build team with the technical expertise, local experience, and collaborative mindset necessary to deliver the City of Roseville's project efficiently, safely, and within budget. Our team members have successfully completed numerous municipal, industrial, and pre-engineered metal-building (PEMB) projects together and understand the importance of early coordination between design and construction.

Each key individual identified below has the availability and commitment to remain actively engaged for the full duration of this project.

## Key Personnel and Roles

**Bob Granade – Vice President**
Provides executive oversight, design-build guidance, and resource support. Over 25 years of construction management experience and extensive history delivering municipal and industrial facilities in Northern California.

**Chris Granade – Construction Project Manager**
Responsible for daily management of design development, cost control, schedule, and contract administration. 20+ years of construction experience coordinating architects, engineers, and public-works clients.

**Billy Maxwell – Superintendent / Safety & Quality Manager**
Manages field operations, quality assurance, and site safety. Oversees subcontractor coordination, inspection readiness, and adherence to project schedule.

**JK Architect**
Leads facility design, code compliance, and integration of the PEMB system with architectural elements to meet City functional and aesthetic goals.

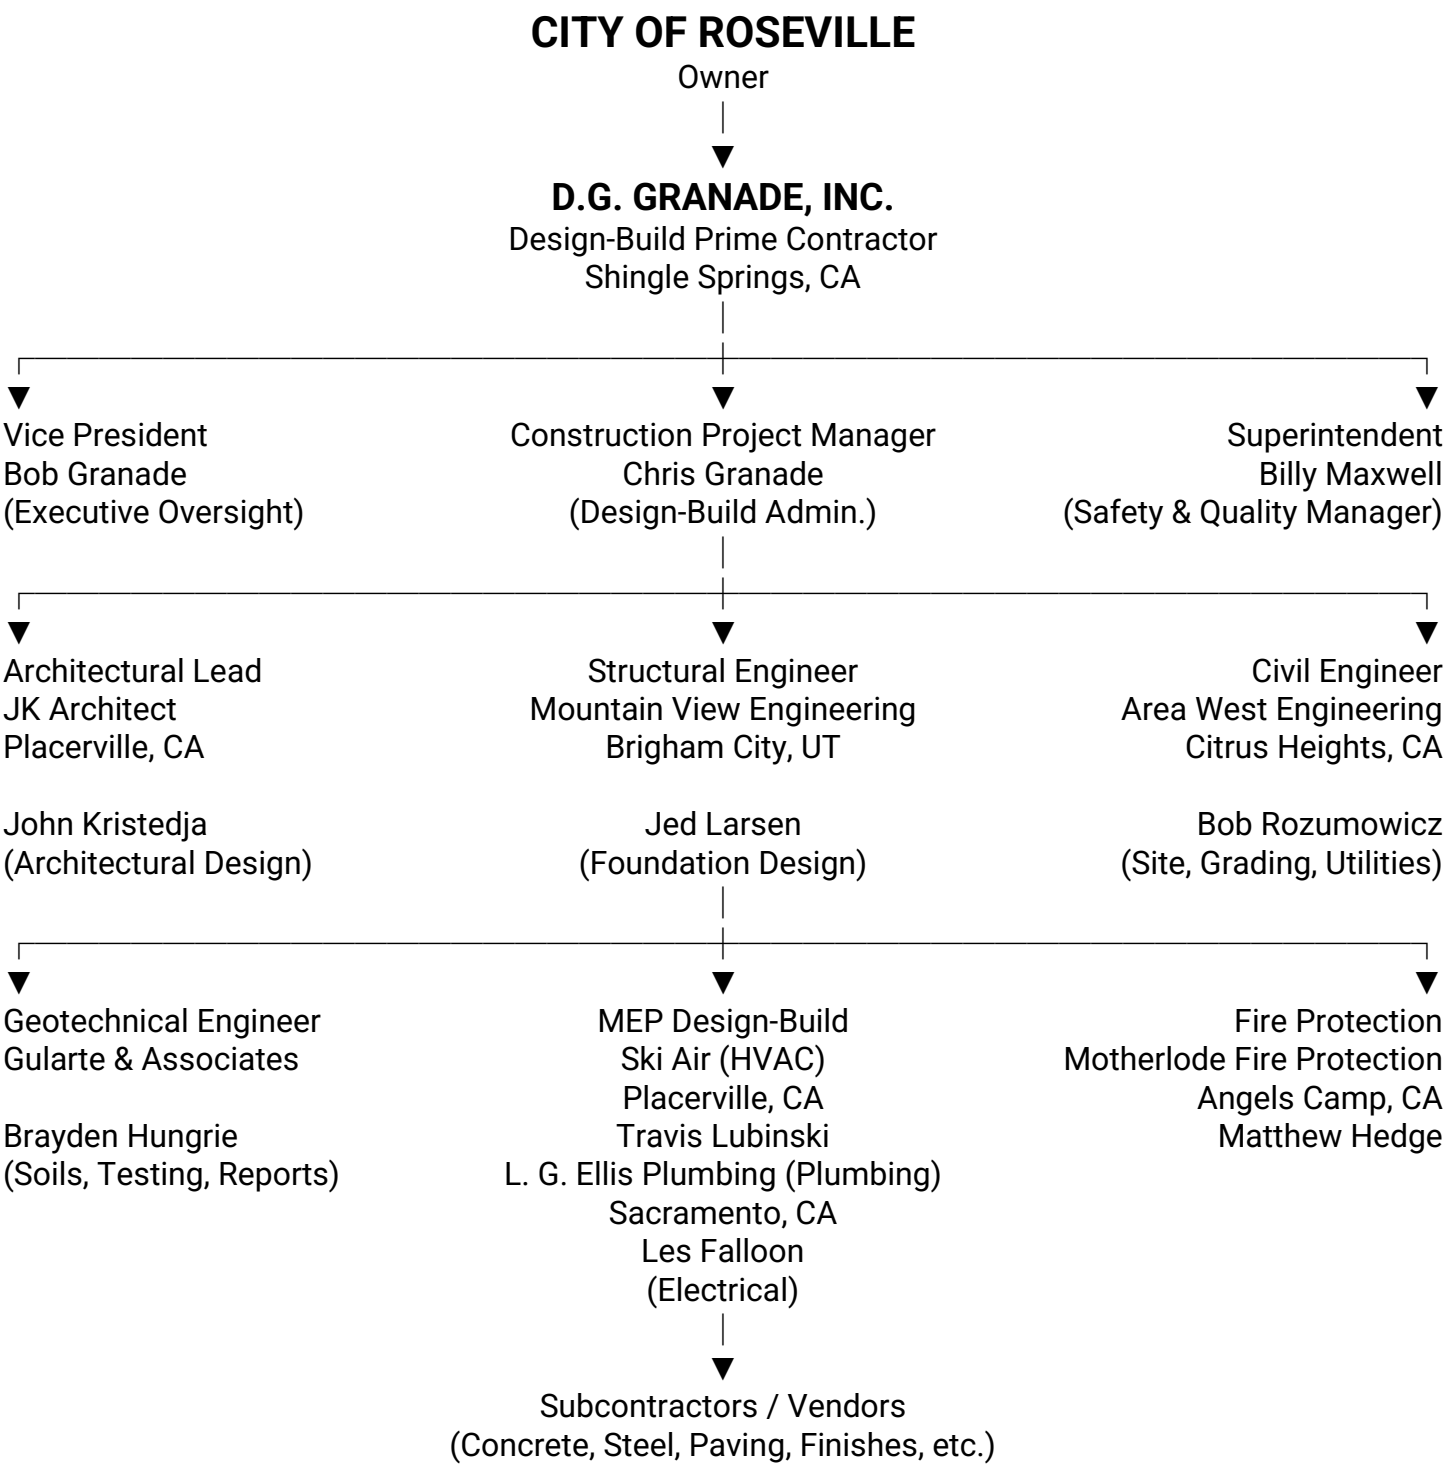
**Mountain View Engineering**
Designs the building's foundation and coordination of PEMB load paths with architectural and civil interfaces.

**Area West Engineering**
Provides site grading, drainage, utilities, and paving design, and coordinates with City review staff for off-site tie-ins.

**Gularte & Associates**
Performs soils investigation, foundation recommendations, and materials testing during construction.

**MEP & Fire Protection Subcontractors**
Design-build partners responsible for mechanical, plumbing, electrical, and fire systems. Provide early constructability input, cost data, and energy-efficiency solutions.

## Organizational Structure



All design and construction disciplines report through DG Granade's Project Manager to ensure single-point accountability to the City of Roseville.

## Team Experience and Collaboration

The proposed team has collaborated on multiple design-build public-works and utility-operations facilities throughout Northern California, including projects for Yuba County, El Dorado County, and the El Dorado Irrigation District.

D. G. Granade's design-build process emphasizes early integration of design, estimating, and scheduling to maintain alignment between scope and budget.

Weekly coordination meetings during design development and bi-weekly site meetings during construction will ensure continuous communication between the City, D. G. Granade, and all design disciplines.
Digital document control and shared submittal tracking will allow the City to monitor progress and approvals in real time.

Our internal QA/QC and safety programs—managed by the on-site superintendent—provide consistent oversight from design through closeout.

## Availability and Commitment

All proposed key personnel are currently available and will remain dedicated to this project for its entire duration.

D. G. Granade recognizes that continuity of leadership and communication is critical to the City's success; therefore, any change in key staff would only occur with prior written approval from the City of Roseville.

## Closing Statement

The D. G. Granade design-build team combines proven municipal project experience, a collaborative approach, and hands-on leadership to deliver the City's project safely, efficiently, and to the highest standard of quality.

# D PROJECT UNDERSTANDING

D. G. Granade understands that the City of Roseville's objective is to expand the Dry Creek Wastewater Treatment Plant's Collections Building to support ongoing utility operations while maintaining full treatment-plant functionality and safety. The new facility must enhance efficiency, provide durable space for staff and equipment, and integrate seamlessly with existing site infrastructure and utilities. The project's success will depend on close coordination with City Operations, adherence to strict environmental and safety standards, and delivery of a long-life, low-maintenance structure that reflects the City's commitment to sustainable public facilities.

Our team recognizes the unique challenges of performing construction within an active wastewater-treatment campus, such as limited site access, ongoing plant operations, and stringent regulatory oversight. We will manage these constraints through early coordination with City staff, well-sequenced work planning, and proactive communication with all stakeholders. DG Granade's recent experience constructing design-build public-works facilities for Yuba County, as well as municipal projects for El Dorado County, and the El Dorado Irrigation District provides the foundation to anticipate logistical, permitting, and technical issues typical of this type of project.

We also understand that the City expects transparent collaboration, accurate cost and schedule control, and strict compliance with all safety and environmental requirements. Our approach emphasizes integration of design and construction from day one—engaging the architect, engineers, and key trade partners early to confirm functional needs, optimize constructability, and maintain alignment with the City's goals for reliability, efficiency, and long-term value.

There are 2 distinct areas of building work as well as associated site work for the project. The existing building shall be renovated to accommodate a new training room, expanded lead worker room, and a new storage area with lockers to be accessed through the existing overhead coiling door. There is a need for a new lactation room which will be met through repurposing space within the existing locker room. There will also be a new building for the storage of a CIPP truck and trailer as well as three vactor trucks. This building will not have any interior tenant improvements done inside it other than lighting and exhaust fans.

# Scope of Work

### *DESIGN & PRECONSTRUCTION*

- Coordinate, schedule, and oversee the design team.
- Meet to periodically review the design with the Owner throughout the design phase.
- Submit the plans for permit to the appropriate reviewing jurisdictions.
- Design services include Architectural, Civil, Landscape (If needed), Structural, Pre-Engineered Metal Building, Mechanical, Plumbing, Electrical, Fire Sprinkler, Fire Alarm, Title 24, and Soils Report.
- Design meetings with Owner and consultants.
- Cost budgets and value engineering throughout the design process.
- Design and construction schedule.

### *GENERAL CONDITIONS*

- Utilize existing connections at the site for temporary power and water required for the project.
- Provide temporary sanitary facilities for the project.
- Provide a temporary job office at the site. The office will be for the sole use of D.G. Granade and its subcontractors for the project.
- Provide a temporary job office at the site for the CM. The trailer shall have 1 office and 1 open area in it and be 8’ x 20’ in size.
- Provide temporary construction fencing, as necessary, to control traffic in and out of the job site.
- Employ a licensed surveyor to stake the site with rough grade stakes prior to start of earthwork activities. Once the staking is in place, we will have our earthwork subcontractor start the work. We will then stake the site with grade stakes once it is close to the final elevation.
- Prior to starting earthwork operations and after the surveyor has staked the perimeter boundaries, we shall install all erosion control measures consisting of, but not limited to, straw waddles, silt fence, straw bales and storm drain filters.
- Continuously monitor the erosion controls and make repairs, corrections or modifications as necessary.
- Provide all necessary waste management for our scope of work as well as our subcontractors scope of work. All waste management will be completed using DG Granade owned dumpsters.

### *EXISTING CONDITIONS*

- Establish safe perimeter controls to allow for all demolition to proceed for the project.
- Demolish the existing non-structural interior walls as necessary to accommodate the construction of the new training room.
- Demolish all of the existing AC paving as shown on the plans.
- Remove the existing gate from the site onto Bedell Lane.

### *EARTHWORK*

- We anticipate scarifying and re-compacting the top 12 inches of soil onsite to make rough grade to provide for the new driveway, parking area, and vehicle storage building
- There is no anticipated import or export of material.

### *EXTERIOR SITE IMPROVEMENTS*

- ½” asphalt paving consisting of 6” AC over 4” class II aggregate base at the new driveway and parking area.
- Painted parking lot striping and code required parking lot signage.
- Install a new slide gate onto Bedell Lane to accommodate larger vehicles accessing the site.
- Install 4” pipe bollards at the new coiling doors at the vehicle storage building.

### *SITE UTILITIES*

- Site fire water, detector check, PIV, fire hydrants, and fire riser.
- Site domestic water from 5’ stub out of the new building.
- Site electrical from existing MSB to new building.
- No new underground storm drain infrastructure is anticipated or included in this proposal.
- No new underground sewer piping is anticipated or included in this proposal.

### *CONCRETE & REINFORCING*

- Piers, footings and reinforcing shall be of a size, shape and strength to adequately support the building as shown by a licensed California engineer.
- We include a 5” thick concrete slab at the vehicle storage building.
- There shall be a minimum of 6 x 6 x 2.9 x 2.9 WWF, in the concrete slab for reinforcement.
- 4” thick granular fill leveling bed beneath the warehouse slab.
- Construction and control joints will be installed as required to check cracking.
- The slab shall be machine troweled to a smooth finish and treated with a sprayed application of cure seal hardener.

### *THERMAL AND MOISTURE PROTECTION*

- 6” thick, 6# density, white reinforced vinyl backed fiberglass blanket insulation in the vehicle storage building walls and roof.
- R-11 batt sound insulation in the interior walls of the existing office area.
- Roof metal panels on the vehicle storage building shall be 24” wide, 24 gauge, mechanically field-seamed, trapezoidal leg standing seal roof system. Panels shall be attached using a floating clip system. Panels shall have a smooth finish.
- Wall metal panels on the vehicle storage building shall be 36” wide, 24 gauge, PBR panels mechanically attached to the wall girts with through-panel fasteners. Panels have a trapezoidal leg at 12” on center.
- Roof and wall metal panels will be finished with a fluorocarbon paint system which combines ceramic pigmentation with polyvinylidene fluoride for a superior, long-lasting finish.
- Gutter with downspouts surface drained.
- All necessary building joint sealants required to ensure a weather tight installation.

### *DOORS AND WINDOWS*

- 6 each exterior doors at the vehicle storage building shall be 3'x 7', 18-gauge hollow metal complete with lockset, latch guard, weather-stripping and closer.
- 4 each interior doors at the remodeled office shall be 3'x 7' solid core paint grade wood with pre-finished Timely frames and appropriate hardware.
- 8 each 16'x 16' overhead coiling doors with chain hoist and inside locks.
- Overhead doors shall have motors complete with 3 button controller and safety beam sensors.

### *FINISHES*

- All drywall shall be 5/8" drywall at the remodeled offices and have a level 5 finish.
- The ceiling at the remodeled offices shall be T-bar ceiling with acoustic panels to match the existing ceiling system.
- Floor coverings shall be sheet vinyl at locations specified on the drawings.
- Top set 4" vinyl base shall be installed at all drywall walls in the remodeled office area.
- All drywall shall be painted with 1 coat of primer and 2 coats of finish paint.
- All steel at the vehicle storage building shall receive finish coat paint after erection of the building.

### *MISCELLANEOUS SPECIALTIES*

- There shall be 5ea 2A10:BC fire extinguishers installed throughout the building.

### *PRE-ENGINEERED BUILDING*

- The building shall be constructed of pre-fabricated steel clear-span main structural members.
- Loading requirements per the 2024 California Building Code with additional 10psf dead load and 10psf collateral load per preliminary plans & specs.
- All steel shall be shop coated with gray primer.
- All anchor bolts, trim, flashing, and fasteners to finish the building in full are included.

### *OVERHEAD FIRE PROTECTION*

- Plans and hydraulic calculations for approval to the Fire Department.
- New automatic wet fire sprinkler system complete with control valve, check valve, drain, gauge, flow switch and alarm bell.
- Inspector's test station and shall hydrostatically test the new system.
- All welded pipe to be black Mega Flow ASTMA A-795.

### *PLUMBING*

- A new floor sink, utility sink, and water for the ice maker in the existing building.
- 4 hose bibbs at the new vehicle storage building.

### *HVAC*

- A complete HVAC system shall be installed in the existing office for the new remodeled office space as shown in the drawings.
- A new hood in the CCTV room.
- 8ea – Exhaust fans to be installed in the new vehicle storage building along with a 36"x48" louver in the walls.

***ELECTRICAL & LOW VOLTAGE***

- A complete code compliant electrical system shall be installed in the existing office for the new remodeled office space as shown in the drawings.
- No photovoltaic is anticipated to be needed under this contract.
- No EV charging stations are anticipated to be needed under this contract.

## Schedule and Milestones

D. G. Granade recognizes the importance of maintaining progress within the City's operational and fiscal calendars. Our preliminary milestone plan reflects a logical, efficient sequencing of activities:

| Phase | Duration | Key Milestone |
|---|---|---|
| Notice of Award / NTP | 2 Weeks | Contract Execution |
| Design Development & City Review | 10–12 Weeks | Permit Submittal |
| Procurement & Fabrication (PEMB, MEP) | 10 Weeks | Fabrication Release |
| Sitework & Foundations | 8 Weeks | Concrete Complete |
| Building Erection & Enclosure | 8 Weeks | Dry-In Achieved |
| Interior Build-Out & Systems | 10–12 Weeks | Substantial Completion |
| Commissioning & Final Acceptance | 4 Weeks | Facility Turnover |

**Estimated Total Duration:** approximately 44 weeks (310 calendar days).

The project schedule will be refined jointly with City staff following Notice to Proceed, then updated bi-weekly during design and construction.

## Cost Control and Quality Management

Cost control begins at design inception. D. G. Granade employs an open-book estimating process, sharing cost updates with the City at each design milestone. Major scopes will be competitively priced and reconciled to budget targets before procurement. Our internal review process tracks potential cost impacts in real time, ensuring fiscal transparency and minimizing change orders.

Quality assurance is maintained through pre-activity meetings, detailed inspection checklists, and daily field reports reviewed by both the Project Manager and Superintendent. Our goal is a "first-time right" installation standard, minimizing rework and ensuring all materials and assemblies meet specification.

## Safety Program and Environmental Considerations

Working within an operating wastewater-treatment facility requires heightened attention to safety, odor control, and environmental compliance. D. G. Granade's safety culture is built on daily communication, accountability, and prevention.

Key elements include:

- Daily site safety meetings and Job Hazard Analyses (JHAs) for all high-risk tasks.
- Designated Safety & Quality Manager (the project superintendent).
- Weekly audits and monthly corporate safety reviews.

- Site-specific controls for traffic, trenching, confined space, and odor exposure.

D. G. Granade maintains an active and continuously improving safety program supported by company leadership and field management. Our current Experience Modification Rate (EMR) is 1.06, reduced from a prior 1.38 EMR that expired in April 2025, and we are projecting a continued downward trend based on five consecutive years of improvement. This steady reduction reflects the effectiveness of our renewed focus on safety training, jobsite accountability, and proactive hazard prevention. DG Granade maintains full compliance with Cal/OSHA standards, conducts daily tailgate meetings, and documents Job Hazard Analyses (JHAs) for all high-risk tasks to ensure every employee and subcontractor returns home safely each day.

## Anticipated Challenges and Mitigation

| Anticipated Challenge | Mitigation Strategy |
|---|---|
| **Active plant operations and limited site access** | Detailed phasing plan coordinated with City operations; restricted work zones; off-peak deliveries. |
| **Long-lead materials (PEMB, switchgear, HVAC)** | Early design finalization and release for fabrication; procurement tracking tied to schedule milestones. |
| **Utility tie-ins and underground conflicts** | Early potholing and field verification prior to construction; coordination with City GIS data. |
| **Weather impacts during foundation and sitework** | Front-load grading and concrete during dry season; contingency float built into schedule. |
| **Permitting and review timelines** | Early engagement with City reviewers; use of digital submittal tracking to shorten review cycles. |

## Closing Statement

D. G. Granade's understanding of the Dry Creek Wastewater Treatment Plant Collections Building Expansion centers on collaboration, safety, and efficiency. Our integrated design-build process ensures that the City's priorities of operational continuity, cost predictability, and long-term facility performance, remain the guiding principles from project kickoff through closeout.

# E PROJECT PLAN

## Overview

D. G. Granade's project plan integrates design and construction management under a single, accountable team to deliver the Dry Creek Wastewater Treatment Plant Collections Building Expansion safely, on time, and within budget. Our approach focuses on collaboration, cost control, and disciplined schedule management while maintaining full operational continuity at the active treatment facility.

The project will be executed under a Guaranteed Maximum Price (GMP), managed transparently through an open-book cost-control process. The City will have visibility into subcontractor bids, supplier quotes, and cost tracking at every design milestone. This ensures alignment between design scope, budget expectations, and construction progress.

## Design-Build Approach

D. G. Granade's design-build process integrates the architect, engineers, and construction management team under a single point of responsibility to deliver the project efficiently and predictably. We initiate with a Design-Kickoff Workshop involving City representatives to confirm program priorities, space utilization, and operational requirements.

Our design-build workflow emphasizes:

- Concurrent design and estimating—cost feedback provided at each design milestone.
- Constructability reviews—led by our superintendent and trade partners.
- Early procurement—identifying long-lead materials such as PEMB components and MEP equipment.
- Permitting coordination—early engagement with the City's review staff to align submittal packages with required approvals.

This collaborative structure reduces rework, maintains scope alignment, and ensures design solutions are grounded in constructability and cost realism from the outset.

## Design Phase Management

D. G. Granade's design phase begins with a **Design Kickoff Workshop** involving the City, design consultants, and key trade partners to confirm functional priorities, site constraints, and permitting pathways.

Our process emphasizes:

- Concurrent development of civil, structural, and architectural packages to accelerate submittals.
- Weekly design coordination meetings with cost and constructability feedback.
- Use of **Autodesk Build** for drawing control, submittal tracking, and issue management.
- Early identification and release of long-lead items such as the PEMB, switchgear, and HVAC equipment, to protect the schedule.

All design documents will undergo internal QA/QC and City review before permit submittal, ensuring accuracy, code compliance, and constructability.

## Construction Phase Management

Field operations will be led by the onsite Superintendent, who also serves as the Safety and Quality Manager. Daily planning meetings, three-week look-ahead schedules, and subcontractor coordination sessions will maintain predictable workflow and accountability.

Construction activities will be sequenced to minimize disruption to ongoing City operations:

1. Mobilization, temporary utilities, and site controls.
2. Sitework, grading, and foundations.
3. PEMB erection and enclosure.
4. Interior build-out and MEP installation.
5. Commissioning, testing, and close-out.

Progress will be tracked against the master schedule and reviewed bi-weekly with the City's representative. All work will be documented through daily reports and verified via inspection checklists.

## Cost and Change Management

D. G. Granade employs an open-book estimating system aligned with the GMP contract. Estimates are updated at schematic, design-development, and construction-document milestones.

Major trade scopes are competitively bid and reconciled with the project budget prior to procurement.

Potential changes are logged, priced, and reviewed with the City for approval before implementation, maintaining budget integrity and preventing disputes.

Value-engineering ideas will be identified early, focusing on constructability, life-cycle cost, and long-term maintenance savings.

## Schedule Control and Updates

D. G. Granade will implement the preliminary schedule outlined in Tab D as the baseline for project execution. This schedule will be developed into a detailed CPM plan following Notice to Proceed, reflecting actual procurement lead times, design review durations, and construction sequencing.

Our project manager will maintain the schedule in Microsoft Project, updating it bi-weekly to reflect progress, field conditions, and approved changes. Three-week look-ahead schedules will guide daily coordination, and monthly reports will summarize schedule status for City review.

Key schedule-control activities include:

- Integration of procurement and submittal tracking into the master schedule.
- Identification of critical-path items and float management.
- Regular coordination meetings to review upcoming work and mitigate conflicts early.

The City will receive updated schedules, narrative reports, and recovery plans (if needed) throughout the project to ensure full transparency and on-time completion.

## Quality and Safety Management

D. G. Granade will manage safety and quality through documented, measurable systems implemented on every project. Our Safety and Quality Manager (Superintendent) will lead pre-task planning, daily tailgate meetings, and Job Hazard Analyses (JHAs) focused on high-risk activities such as confined-space work, crane operations, and trenching.

All incidents, inspections, and corrective actions are logged through our internal reporting platform and reviewed weekly by the Project Manager and corporate Safety Director. Quality control follows a three-phase process; pre-activity meetings, inspection checklists, and close-out verification, ensuring that all work meets contract requirements and City standards.

D. G. Granade's current Experience Modification Rate (EMR) is 1.06, improved from 1.38 (expired April 2025) with a continued downward trend over the past five years. This reflects our company-wide focus on training, accountability, and proactive hazard prevention.

## Communication and Reporting

Transparent communication with the City is central to our plan. We will maintain:

- Weekly design coordination meetings (design phase).
- Bi-weekly construction progress meetings (construction phase).
- Monthly executive-level reviews with City leadership.

All correspondence, RFIs, submittals, and meeting minutes will be processed through Autodesk Build to ensure traceability and real-time visibility. A consolidated progress report summarizing schedule, budget status, and safety metrics will be submitted monthly.

## Risk Management and Mitigation

D. G. Granade manages project risk through proactive planning, consistent communication, and field-driven coordination rather than formal workshops or abstract matrices. Our project managers and superintendents identify potential issues early, verify field conditions before construction activities begin, and adjust sequencing or procurement strategies to prevent delays.

Risk management is built into our daily operations: submittal tracking, look-ahead scheduling, and regular coordination with the City ensure that design clarifications, material availability, and field conditions are addressed before they affect schedule or cost.

Typical risk areas such as permitting, long-lead materials, and existing utility conflicts are mitigated through early engagement with City reviewers, concurrent design and estimating, and direct communication between our field team and design partners.

This hands-on, experience-based approach has proven effective across D. G. Granade's public-works and design-build projects, consistently minimizing change orders and ensuring predictable, well-controlled delivery for our clients.

## Closing Statement

D. G. Granade's Project Plan provides a clear, transparent roadmap for the safe and efficient delivery of the Dry Creek WWTP Collections Building Expansion. Our integrated design-build management system ensures cost accountability, schedule reliability, and consistent quality, supporting the City of Roseville's commitment to operational excellence and long-term public va

# F REQUIRED STATEMENTS/DOCUMENTS

## Statements of Assurance

D. G. Granade assures the City of Roseville that the designated project team, including sub-consultants or sub-contractors, shall be used for this project. Any departure, substitution, or reassignment of any member of the project team, sub-consultant, or sub-contractor shall not be made without prior written approval from the City. (Section 6.0)

D. G. Granade assures that no official or employee of the City has an interest, has been employed or retained to solicit or aid in the procuring of the resulting contract, nor that any such person will be employed in the performance of such contract without immediate divulgence of such fact to the City. (Section 11.4)

D. G. Granade assures that it will meet the insurance requirements specified in Article 9 of the contract for major construction projects as well as professional liability insurance with the limits as described therein. (Section 11.7)

D. G. Granade assures that it will meet the indemnification requirements specified in Article 9 of the contract. (Section 11.7)

D. G. Granade assures that nothing contained within this proposal as submitted shall be considered proprietary. (Section 11.32)

# G EXCEPTIONS

The following exceptions, clarifications, and exclusions are considered material to the acceptance of the proposal and shall be incorporated accordingly.

1. We have not included any permit fees or utility connection fees for the project. This is a City owned project, so no permit fees are anticipated. Section 2.13 of the contract shall have all references to permit costs and fees associated with construction struck from its entirety. These fees are simply to be paid directly by the City to the agency requiring the fees. We will coordinate with the City to ensure that the fees are paid or process any fees as a simple reimbursement.
2. We do not include any costs for testing for the project. Section 2.15 requires testing. This is by a special inspection agency which we cannot contract with as it is a conflict of interest for us to hire our own testing agency. We include any City inspections required by Code. A special testing agency will be needed for compaction, concrete, and high strength bolt testing.
3. We do not accept any liquidated damages caused by permit review timelines that exceed our anticipated timeframe for review. The permit process is a process which we have no control over and we will not be held responsible for an agency not completing their process within the timeframe we anticipate for completion. Agency review time shall be considered an excused delay if it exceeds the timeframe, we anticipate it taking for review.
4. This project has a requirement for insurance limits in excess of our standard insurance carried. The cost for this excess insurance shall be considered a direct cost for this project and shall not be considered an overhead cost.

5. We are a family business, and our corporate officers are also project managers. We take exception to the statement in section 3.4.B that corporate officers cannot charge any hours to the project and will not agree to this language in the contract negotiations.
6. We do not include or anticipate the need for export or import of soil for construction. (See optional voluntary allowance for potential export or import of materials)
7. We do not include any work regarding handling of hazardous materials. If anything is required for hazardous materials, that will be considered an additional cost.

## H COMPETENCY OF PROPOSERS

D. G. Granade, Inc. has no pending bankruptcies, liens, stop payment notices, judgements, lawsuits, arbitrations, mediations, foreclosures, or any similar action filed or resolved in the past seven (7) years to report.

No client has terminated a contract with our firm for breach of contract.

## PRELIMINARY DRAWINGS

## Attachment A: PROPOSER'S CERTIFICATION

I hereby propose to furnish the goods or services specified in the Request for Proposals ("RFP"). I agree that my proposal will remain firm for a period of up to ninety (90) days in order to allow the City of Roseville ("City") adequate time to evaluate the qualifications submitted.

I have carefully examined the Request for Proposals and any other documents accompanying or made a part of this RFP. The information contained in this proposal is true and correct to the best of my knowledge and is signed under penalty of perjury under the laws of the State of California. I further certify that I am duly authorized to submit this proposal on behalf of the firm as its authorized agent and that the firm is ready, willing and able to perform if awarded the contract.

I further certify that this proposal is made without prior understanding, agreement, connection, discussion, or conspiracy with any other person, firm or corporation submitting a proposal for the same product or service; that this proposal is fair and made without outside control, collusion, fraud or illegal action; that no officer, employee or agent of the City or any other proposer is financially interested in said proposal; that no undue influence or pressure was used against or in concert with any officer, employee or agent of the City in connection with the award or terms of the contract that will be executed as a result of this RFP; and that the undersigned executed this Proposer's Certification with full knowledge and understanding of the matters therein contained and was duly authorized to do so.

## Attachment B: LEVINE ACT DISCLOSURE STATEMENT

### LEVINE ACT DISCLOSURE STATEMENT

**(The completed form submitted to the City of Roseville is a public record.)**

California Government Code Section 84308, commonly referred to as the "Levine Act," prohibits any "Officer" (elected or appointed officer, any alternate thereto, and any candidate for elective office) from participating in any consideration or action related to a proceeding if they receive political contribution(s) from a party, or its agent(s), totaling more than $250 within the previous twelve (12) months, while a proceeding is pending, and for twelve (12) months following the date of a final decision in a proceeding concerning a license, permit, other entitlement for use, franchise, or contract (collectively "license, permit, or contract"). For additional information: https://www.roseville.ca.us/government/departments/city_clerk/transparency/levine_act.

City Officers are listed at the following sites:

- The Members of City Council - https://www.roseville.ca.us/government/city_council/meet_council
- Boards & Commission Members - https://www.roseville.ca.us/government/boards_commissions

**Parties and their Agents are responsible for reviewing and disclosing their applicable contributions to City Officers on the record of a proceeding.**

**1.** Have you or your entity, or any agent on behalf of you or your entity, made any political contribution(s) totaling more than $250 to any City Officer in the twelve (12) months preceding the date of the submission of your license, permit, or contract, or the anticipated date of any City Council, Board, or Commission consideration or action related to this license, permit, or contract?

YES _____ NO X

If yes, please identify the City Officer(s):_____

**2.** Do you or your entity, or any agent on behalf of you or your entity, anticipate or plan to make any political contribution(s) totaling more than $250 to any City Officer in the twelve (12) months following any City Council, Board, or Commission consideration or action related to this license, permit, or contract?

YES _____ NO X

If yes, please identify the City Officer(s):_____

Answering yes to either of the two questions above does not preclude the City of Roseville from considering and/or taking action on a license, permit, or contract. It does, however, potentially preclude the identified City Officers from participating in consideration of and in taking any actions related to the license, permit, or contract. Please accurately complete and sign this form, under the penalty of perjury:

| 11/05/2025 | Robert Granade, Vice President | D.G. Granade, Inc. |
|---|---|---|
| (Date) | (Printed Name/Title of Authorized Representative) | (Name of business/legal entity) |

(Signature)

**You must submit a supplemental form if you make any new reportable contribution(s) while the contract, license, permit, or other entitlement is being considered.** If this form has not previously been submitted in connection with a contracting, licensing, entitlement or permitting process, please provide the completed form to the Office of the City Clerk for appropriate departmental routing, at: City Clerk, 311 Vernon St., Roseville, CA 95678, CityClerkRoseville@roseville.ca.us

## LEVINE ACT DISCLOSURE STATEMENT

**(The completed form submitted to the City of Roseville is a public record.)**

| Term | Definition | Law |
|---|---|---|
| **Covered "proceedings"** | A proceeding to grant, deny, revoke, restrict, or modify a license, permit or other entitlement for use, that does not solely involve purely ministerial decisions and is:<br>(1) Applied for by the party;<br>(2) Formally or informally requested by the party; or<br>(3) A contract between the agency and the party or a franchisee granted by the agency to the party, other than a contract that is **competitively bid**, a **labor contract**, or a **personal employment contract**. | FPPC Reg 18438.2(a) |
| **Party** | Any person who files an application for, or is the subject of, a proceeding involving a license, permit, or other entitlement for use. | Gov. Code 84308(a)(1) |
| **Participant** | Any person who is not a party but who actively supports or opposes a particular decision in a proceeding involving a license, permit, or other entitlement for use and who has a financial interest in the decision. A person actively supports or opposes a particular decision in a proceeding if that person lobbies in person the officers or employees of the agency, testifies in person before the agency, or otherwise acts to influence officers of the agency. | Gov. Code 84308(a)(2)<br>FPPC Reg 18438.4 |
| **Agent** | A person who represents a party or participant for compensation and appears before or otherwise communicates with the governmental agency for the purpose of influencing the pending proceeding. See FPPC Reg 18438.3 for exceptions for certain consultants. | FPPC Reg 18438.3 |

| Term | Definition | Law |
|---|---|---|
| **Competitively Bid** | A contract required by law to be awarded to the lowest responsible bidder with a responsive bid, or, if the successful bidder refuses or fails to execute the contract, to the next lowest bidder with a responsive bid. | FPPC Reg 18438.2(a)(3)(A) |
| **Labor Contract** | A contract or agreement reached through collective bargaining or with a representative group regarding the salary, benefits, or terms and conditions under an employment or retirement policy for employees or retirees, including a project labor agreement entered under Public Contract Code Section 2500. | FPPC Reg 18438.2(a)(3)(B) |
| **Personal Employment Contract** | A contract for employment, including the terms and conditions of employment, between the agency and an agency employee. A contract with an independent contractor is NOT a personal employment contract. | FPPC Reg 18438.2(a)(3)(C)-(D) |

A **party** to a proceeding before an agency involving a license, permit, or other entitlement for use **shall disclose on the record of the proceeding** any contribution in an amount of more than two hundred fifty dollars ($250) made within the preceding 12 months by the party or the party's agent.

A **party**, **or agent to a party**, to a proceeding involving a license, permit, or other entitlement for use pending before any agency or a participant, or agent to a participant, in the proceeding **shall not make a contribution** of more than two hundred fifty dollars ($250) to any officer of that agency during the proceeding and for 12 months following the date a final decision is rendered by the agency in the proceeding.

(Gov. Code, § 84308, emphasis added.)

## Attachment C: NONCOLLUSION DECLARATION TO BE EXECUTED BY

BIDDER AND SUBMITTED WITH BID

The undersigned declares:

I am the Vice President of D.G. Granade, Inc., the party making the foregoing bid.

The bid is not made in the interest of, or on behalf of, any undisclosed person, partnership, company, association, organization, or corporation. The bid is genuine and not collusive or sham. The bidder has not directly or indirectly induced or solicited any other bidder to put in a false or sham bid. The bidder has not directly or indirectly colluded, conspired, connived, or agreed with any bidder or anyone else to put in a sham bid, or to refrain from bidding. The bidder has not in any manner, directly or indirectly, sought by agreement, communication, or conference with anyone to fix the bid price of the bidder or any other bidder, or to fix any overhead, profit, or cost element of the bid price, or of that of any other bidder. All statements contained in the bid are true. The bidder has not, directly or indirectly, submitted his or her bid price or any breakdown thereof, or the contents thereof, or divulged information or data relative thereto, to any corporation, partnership, company, association, organization, bid depository, or to any member or agent thereof, to effectuate a collusive or sham bid, and has not paid, and will not pay, any person or entity for such purpose.

Any person executing this declaration on behalf of a bidder that is a corporation, partnership, joint venture, limited liability company, limited liability partnership, or any other entity, hereby represents that he or she has full power to execute, and does execute, this declaration on behalf of the bidder.

I declare under penalty of perjury under the laws of the State of California that the foregoing is true and correct and that this declaration is executed on 11/05/2025 [date], at Shingle Springs [city], CA [state].

(Signature of Declarant)

## Attachment D: LICENSES AND DIR REGISTRATION

List the licenses held by your company and/or employees. The following representations are made under penalty of perjury.

### A. CONTRACTOR'S LICENSES

| CA State License No. | Name on License | Class/Type | Expiration Date |
|---|---|---|---|
| 581408 | D.G. Granade, Inc. | A&B | 05/31/2027 |

## Attachment G: CALIFORNIA AIR RESOURCES BOARD REGULATION COMPLIANCE

Please indicate whether the Contractor is subject to, and/or in compliance with, the following regulations of the California Air Resources Board.

**In-Use Off-Road Diesel-Fueled Fleets Regulation**

1) Will vehicles subject to Cal. Code Regs., tit. 13, §§ 2449 et seq. be used for the project? This includes, but is not limited to:

   a) Vehicles with a diesel-fueled or alternative diesel fueled off-road compression-ignition engine with maximum power (max hp) of 25 horsepower (hp) or greater provided that the vehicle cannot be registered and driven safely on-road or was not designed to be driven on-road, even if it has been modified so that it can be driven safely on-road
   b) Workover rigs
   c) Certain two-engine vehicles

   **Yes** ____ **No** X

2) If you answered "Yes" to 1), you **must** submit with your proposal a valid Certificate of Reported Compliance to the City as provided in Cal. Code Regs., tit. 13, § 2449(n).

**Advanced Clean Fleets Regulation**

Pursuant to Cal. Code Regs., tit. 13, § 2013(i)(1), the Contractor shall submit to the City a document evidencing that it is listed on the CARB Advanced Clean Fleets webpage as a compliant fleet **OR** a signed statement stating that it is not subject to the High Priority and Federal Fleets regulation of title 13, CCR section 2015 through 2015.6.

The High Priority Fleets regulation applies to, without limitation, entities with more than $50 million in gross annual revenues and/or which own, operate, or direct the operation of 50 or more vehicles in the total fleet.

1) Is the Contractor subject to the High Priority and Federal Fleets regulation of title 13, CCR section 2015 through 2015.6? Answering "No" constitutes a statement of exemption as required in Tab G.

   **Yes** ____ **No** X

2) If you answered "Yes" to 1), you **must** submit with your proposal a document evidencing that you are listed on the CARB Advanced Clean Fleets webpage as a compliant fleet.

## Attachment H: ASSEMBLY BILL NO. 626

CHAPTER 810

An act to add and repeal Section 9204 of the Public Contract Code, relating to public contracts.

[Approved by Governor September 29, 2016. Filed with Secretary of State September 29, 2016.]

LEGISLATIVE COUNSEL'S DIGEST

AB 626, Chiu. Public contracts: claim resolution.

Existing law prescribes various requirements regarding the formation, content, and enforcement of state and local public contracts. Existing law applicable to state public contracts generally requires that the resolution of claims related to those contracts be subject to arbitration. Existing law applicable to local agency contracts prescribes a process for the resolution of claims related to those contracts of $375,000 or less.

This bill would establish, for contracts entered into on or after January 1, 2017, a claim resolution process applicable to any claim by a contractor in connection with a public works project. The bill would define a claim as a separate demand by the contractor for one or more of the following: a time extension for relief from damages or penalties for delay, payment of money or damages arising from work done pursuant to the contract for a public work, or payment of an amount disputed by the public entity, as specified.

This bill would require a public entity, defined to exclude certain state entities, upon receipt of a claim sent by registered or certified mail, to review it and, within 45 days, provide a written statement identifying the disputed and undisputed portions of the claim. The bill would authorize the 45-day period to be extended by mutual agreement. The bill would require any payment due on an undisputed portion of the claim to be processed within 60 days, as specified. The bill would require that the claim be deemed rejected in its entirety if the public entity fails to issue the written statement.

This bill would authorize, if the claimant disputes the public entity's written response of if the public entity fails to respond to a claim within the time prescribed, the claimant to demand to meet and confer for settlement of the issues in dispute. The bill would require any disputed portion of the claim that remains in dispute after the meet and confer conference to be subject to nonbinding mediation, as specified. The bill would provide that unpaid claim amounts accrue interest at 7% per annum. The bill would prescribe a procedure by which a subcontractor or lower tier contractor may make a claim through the contractor.

This bill would require the text of these provisions, or a summary, to be set forth in the plans or specifications for any public work which may give rise to a claim. The bill would specify that a waiver of these rights is void and contrary to public policy, except as specified. The bill would also specify that it does not impose liability on a public entity that makes loans or grants available

through a competitive application process, for the failure of an awardee to meet its contractual obligations.

By increasing the duties of local agencies and officials, this bill would impose a state-mandated local program.

This bill would, on January 1, 2020, repeal the provision establishing the claim resolution process.

This bill would specify that these provisions constitute a matter of statewide concern.

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that, if the Commission on State Mandates determines that the bill contains costs mandated by the state, reimbursement for those costs shall be made pursuant to these statutory provisions.

*The people of the State of California do enact as follows:*

SECTION 1. Section 9204 is added to the Public Contract Code, to read: 9204. (a) The Legislature finds and declares that it is in the best interests of the state and its citizens to ensure that all construction business performed on a public works project in the state that is complete and not in dispute is paid in full and in a timely manner.

(b) Notwithstanding any other law, including, but not limited to, Article 7.1 (commencing with Section 10240) of Chapter 1 of Part 2, Chapter 10 (commencing with Section 19100) of Part 2, and Article 1.5 (commencing with Section 20104) of Chapter 1 of Part 3, this section shall apply to any claim by a contractor in connection with a public works project.

(c) For purposes of this section:

(1) "Claim" means a separate demand by a contractor sent by registered mail or certified mail with return receipt requested, for one or more of the following:

(A) A time extension, including, without limitation, for relief from damages or penalties for delay assessed by a public entity under a contract for a public works project.

(B) Payment by the public entity of money or damages arising from work done by, or on behalf of, the contractor pursuant to the contract for a public works project and payment for which is not otherwise expressly provided or to which the claimant is not otherwise entitled.

(C) Payment of an amount that is disputed by the public entity.

(2) "Contractor" means any type of contractor within the meaning of Chapter 9 (commencing with Section 7000) of Division 3 of the Business and Professions Code who has entered into a direct contract with a public entity for a public works project.

(3) (A) "Public entity" means, without limitation, except as provided in subparagraph (B), a state agency, department, office, division, bureau, board, or commission, the California

State University, the University of California, a city, including a charter city, county, including a charter county, city and county, including a charter city and county, district, special district, public authority, political subdivision, public corporation, or nonprofit transit corporation wholly owned by a public agency and formed to carry out the purposes of the public agency.

(B) "Public entity" shall not include the following:

(i) The Department of Water Resources as to any project under the jurisdiction of that department.

(ii) The Department of Transportation as to any project under the jurisdiction of that department.

(iii) The Department of Parks and Recreation as to any project under the jurisdiction of that department.

(iv) The Department of Corrections and Rehabilitation with respect to any project under its jurisdiction pursuant to Chapter 11 (commencing with Section 7000) of Title 7 of Part 3 of the Penal Code.

(v) The Military Department as to any project under the jurisdiction of that department.

(vi) The Department of General Services as to all other projects.

(vii) The High-Speed Rail Authority.

(4) "Public works project" means the erection, construction, alteration, repair, or improvement of any public structure, building, road, or other public improvement of any kind.

(5) "Subcontractor" means any type of contractor within the meaning of Chapter 9 (commencing with Section 7000) of Division 3 of the Business and Professions Code who either is in direct contract with a contractor or is a lower tier subcontractor.

(d) (1) (A) Upon receipt of a claim pursuant to this section, the public entity to which the claim applies shall conduct a reasonable review of the claim and, within a period not to exceed 45 days, shall provide the claimant a written statement identifying what portion of the claim is disputed and what portion is undisputed. Upon receipt of a claim, a public entity and a contractor may, by mutual agreement, extend the time period provided in this subdivision.

(B) The claimant shall furnish reasonable documentation to support the claim.

(C) If the public entity needs approval from its governing body to provide the claimant a written statement identifying the disputed portion and the undisputed portion of the claim, and the governing body does not meet within the 45 days or within the mutually agreed to extension of time following receipt of a claim sent by registered mail or certified mail, return receipt requested, the public entity shall have up to three days following the next duly publicly noticed meeting of the governing body after the 45-day period, or extension, expires to provide the claimant a written statement identifying the disputed portion and the undisputed portion.

(D) Any payment due on an undisputed portion of the claim shall be processed and made within 60 days after the public entity issues its written statement. If the public entity fails to issue a written statement, paragraph (3) shall apply.

(2)(A) If the claimant disputes the public entity's written response, or if the public entity fails to respond to a claim issued pursuant to this section within the time prescribed, the claimant may demand in writing an informal conference to meet and confer for settlement of the issues in dispute. Upon receipt of a demand in writing sent by registered mail or certified mail, return receipt requested, the public entity shall schedule a meet and confer conference within 30 days for settlement of the dispute.

(B) Within 10 business days following the conclusion of the meet and confer conference, if the claim or any portion of the claim remains in dispute, the public entity shall provide the claimant a written statement identifying the portion of the claim that remains in dispute and the portion that is undisputed. Any payment due on an undisputed portion of the claim shall be processed and made within 60 days after the public entity issues its written statement. Any disputed portion of the claim, as identified by the contractor in writing, shall be submitted to nonbinding mediation, with the public entity and the claimant sharing the associated costs equally. Thepublic entity and claimant shall mutually agree to a mediator within 10 business days after the disputed portion of the claim has been identified in writing. If the parties cannot agree upon a mediator, each party shall select a mediator and those mediators shall select a qualified neutral third partyto mediate with regard to the disputed portion of the claim. Each party shallbear the fees and costs charged by its respective mediator in connectionwith the selection of the neutral mediator. If mediation is unsuccessful, the parts of the claim remaining in dispute shall be subject to applicable procedures outside this section.

(C) For purposes of this section, mediation includes any nonbinding process, including, but not limited to, neutral evaluation or a dispute review board , in which an independent third party or board assists the parties in dispute resolution through negotiation or by issuance of an evaluation. Any mediation utilized shall conform to the timeframes in this section.

(D) Unless otherwise agreed to by the public entity and the contractor in writing, the mediation conducted pursuant to this section shall excuse any further obligation under Section 20104.4 to mediate after litigation has been commenced.

(E) This section does not preclude a public entity from requiring arbitration of disputes under private arbitration or the Public Works Contract Arbitration Program, if mediation under this section does not resolve the parties' dispute.

(3) Failure by the public entity to respond to a claim from a contractor within the time periods described in this subdivision or to otherwise meet the time requirements of this section shall result in the claim being deemed rejected in its entirety. A claim that is denied by reason of the public entity's failure to have responded to a claim, or its failure to otherwise meet the time requirements of this section, shall not constitute an adverse finding with regard to the merits of the claim or the responsibility or qualifications of the claimant.

(4) Amounts not paid in a timely manner as required by this section shall bear interest at 7 percent per annum.

(5) If a subcontractor or a lower tier subcontractor lacks legal standing to assert a claim against a public entity because privity of contract does not exist, the contractor may present to the public entity a claim on behalf of a subcontractor or lower tier subcontractor. A subcontractor may request in writing, either on his or her own behalf or on behalf of a lower tier subcontractor, that the contractor present a claim for work which was performed by the subcontractor or by a lower tier subcontractor on behalf of the subcontractor. The subcontractor requesting that the claim be presented to the public entity shall furnish reasonable documentation to support the claim. Within 45 days of receipt of this written

request, the contractor shall notify the subcontractor in writing as to whether the contractor presented the claim to the public entity and, if the original contractor did not present the claim, provide the subcontractor with a statement of the reasons for not having done so.

(e) The text of this section or a summary of it shall be set forth in the plans or specifications for any public works project that may give rise to a claim under this section.

(f) A waiver of the rights granted by this section is void and contrary to public policy, provided, however, that (1) upon receipt of a claim, the parties may mutually agree to waive, in writing, mediation and proceed directly to the commencement of a civil action or binding arbitration, as applicable; and (2) a public entity may prescribe reasonable change order, claim, and dispute resolution procedures and requirements in addition to the provisions of this section, so long as the contractual provisions do not conflict with or otherwise impair the timeframes and procedures set forth in this section.

(g) This section applies to contracts entered into on or after January 1, 2017.

(h) Nothing in this section shall impose liability upon a public entity that makes loans or grants available through a competitive application process, for the failure of an awardee to meet its contractual obligations.

(i) This section shall remain in effect only until January 1, 2020, and as of that date is repealed, unless a later enacted statute, that is enacted before January 1, 2020, deletes or extends that date.

SEC. 2. The Legislature finds and declares that it is of statewide concern to require a charter city, charter county, or charter city and county to follow a prescribed claims resolution process to ensure there are uniform and equitable procurement practices.

SEC. 3. If the Commission on State Mandates determines that this act contains costs mandated by the state, reimbursement to local agencies and school districts for those costs shall be made pursuant to Part 7 (commencing with Section 17500) of Division 4 of Title 2 of the Government Code.

Pre-proposal Meeting Sign in Sheet
Questions and Answers from Pre-Proposal Meeting
Updated Section 5.0 of RFP 08-167_Volume 1 of 4
As-Builts_Collections Building Expansion_2013

### 1. PRE- PROPOSAL MEETING POWER POINT PRESENTATION

Attached to this Addendum 1 is the pre-proposal meeting presentation.

### 2. PRE- PROPOSAL MEETING SIGN-IN SHEET

Attached to this Addendum 1 is the pre-proposal meeting sign-in sheet.

### 3. QUESTIONS AND ANSWERS FROM PRE-PROPOSAL MEETING

1. Are there BMS on HVAC for the existing building?
    a. The building mechanical system for the existing building is shown on the Concept Drawings that are part of the RFP documents (Volume 4 or 4).
2. What is the level of detail required for the preliminary drawings for the proposal?
    a. Requirements for Preliminary Drawing and Specification are specified in Section 7.1.2. Preliminary Drawings can be reproductions of the Concept Drawings provided in the RFP.
3. Will the existing building need to remain in operations during the construction of this project?
    a. Yes. Collections will need the ability to bring their trucks in at 3PM everyday.
4. Where is the electrical service for the new building?
    a. On the outside of the existing building.
5. Is the cost estimate available?
    a. The consultant provided a preliminary cost estimate which due to the lack of detail, City will not be providing.

6. Do the as-builts show existing electrical?
    a. Not much information is shown on the as-builts. Any as-builts will be made available with Addendum 1.
7. Do the A sheets show the existing HVAC system or the new?
    a. The Concept Drawings show the existing.
8. What is the size of existing water main on the street?
    a. 8-inch.
9. Where will the lactating room be located?
    a. The lactating room will be located in the existing Collections Building. The exact location is shown on the Concept Drawings.

## 4. UPDATED SECTION 5.0 OF RFP 08-167_VOLUME 1 OF 4

Attached to this Addendum 1 is the updated section 5.0.

## 5. AS-BUILTS

Attached to this Addendum 1 are the only available As-Builts for the Collections Building Expansion Project, dated 2013.

**Please include a signed copy of this addendum with your proposal.**

I acknowledge receipt of Addendum One

FROM: Inderpreet Chaggar, Senior Engineer, Environmental Utilities Department

RE: RFP 08-167, Design Build Construction of Dry Creek Wastewater Treatment Plant Collections Building Expansion Project

## **********ADDENDUM TWO**********

**This Addendum 2 includes the following attachments:**

Updated Section 5.0 of RFP 08-167_Volume 1 of 4
Updated Attachment E of RFP 08-167_Volume 1 of 4. Note, only Section 6.0 has been revised.

### 1. UPDATED SECTION 5.0 OF RFP 08-167_VOLUME 1 OF 4

Attached to this Addendum 2 is the updated section 5.0.

### 2. UPDATED ATTACHMENT E OF RFP 08-167_VOLUME 1 OF 4

Attached to this Addendum 2 is the updated Attachment E. Note only Section 6.0. has been revised.

**Please include a signed copy of this addendum with your proposal.**

## NOTES

GENERAL

1. THIS PROJECT IS WITHIN CITY OF ROSEVILLE AND PLACER COUNTY RIGHT OF WAY. CONTRACTOR SHALL CONFORM TO CITY OF ROSEVILLE AND PLACER COUNTY ENCROACHMENT PERMIT AND REQUIREMENTS.
2. ALL WORK SHALL BE PERFORMED IN ACCORDANCE WITH CITY OF ROSEVILLE STANDARDS AND APPLICABLE AWWA STANDARDS. IF THERE IS A DISCREPANCY BETWEEN THE REQUIREMENTS SET FORTH IN THE CONTRACT DOCUMENTS AND THE CITY OF ROSEVILLE STANDARDS AND DETAILS, THEN THE REQUIREMENTS SET FORTH IN THE CITY OF ROSEVILLE STANDARDS AND DETAILS GOVERN.
3. A PRE-EXISTING SITE CONDITION VIDEO SHALL BE PROVIDED BY THE CONTRACTOR AND SHALL SHOW EXISTING CONDITIONS OF ALL CONCRETE, ASPHALT, LANDSCAPED AREAS, BUILDING EXTERIOR, ETC. SURROUNDING THE CONSTRUCTION AREAS. VIDEO SHALL BE SUBMITTED TO THE OWNER PRIOR TO BREAKING GROUND. THE CONTRACTOR SHALL TAKE ALL PRECAUTIONARY MEASURES NECESSARY TO PROTECT EXISTING IMPROVEMENTS WHICH ARE TO REMAIN IN PLACE FROM DAMAGE. ALL IMPROVEMENTS DAMAGED BY THE CONTRACTOR'S OPERATIONS SHALL BE EXPEDITIOUSLY REPAIRED OR RECONSTRUCTED AT THE CONTRACTOR'S EXPENSE WITHOUT ADDITIONAL COMPENSATION.
4. EXISTING RAILROAD RAILS AND TIES THAT INTERFERE WITH CONSTRUCTION OF THE NEW PIPELINE SHALL BE REMOVED BY THE CONTRACTOR AND SHALL BE DISPOSED OFF-SITE.
5. ALL BUILDING COORDINATES ARE TO OUTSIDE CORNER OF COLUMN OR BUILDING.
6. CONTRACTOR SHALL RESTORE ALL SURVEY MONUMENTS THAT ARE DAMAGED OR DESTROYED DURING CONSTRUCTION.
7. OBSERVATIONS OF WORK IN PROGRESS DURING SITE VISITS SHALL NOT ALTER THE REQUIREMENTS OF THE CONTRACT DOCUMENTS.

UTILITIES

1. LOCATIONS OF UNDERGROUND UTILITIES SHOWN ON THE DRAWINGS WERE OBTAINED FROM AVAILABLE RECORDS AND ARE SHOWN IN THEIR APPROXIMATE LOCATION. THERE IS NO GUARANTEE THAT ALL EXISTING PIPELINES AND OBSTRUCTIONS ARE SHOWN OR THAT LOCATIONS INDICATED ARE ACCURATE. PRIOR TO THE START OF CONSTRUCTION, THE CONTRACTOR SHALL POTHOLE TO DETERMINE ACTUAL LOCATION AND ELEVATION OF ALL EXISTING UTILITIES IN AND AROUND THE AREAS OF NEW CONSTRUCTION.
2. THE CONTRACTOR SHALL TAKE ALL PRECAUTIONARY MEASURES NECESSARY TO PROTECT ALL REMAINING EXISTING UTILITIES WHETHER SHOWN OR NOT SHOWN.
3. PRIOR TO ANY CONNECTION TO AN EXISTING UTILITY, THE CONTRACTOR SHALL COORDINATE WITH THE UTILITY OWNER.
4. PRIOR TO ANY EXCAVATION IN THE VICINITY OF ANY EXISTING UNDERGROUND FACILITIES, INCLUDING ALL WATER, SEWER, STORM DRAIN, GAS, PETROLEUM PRODUCTS, OR OTHER PIPELINES□ALL BURIED ELECTRIC POWER, COMMUNICATIONS, OR TELEVISION CABLES□ALL TRAFFIC SIGNAL AND STREET LIGHTING FACILITIES□AND ALL ROADWAY, STATE HIGHWAY, AND RAILROAD RIGHTS-OF-WAY, THE CONTRACTOR SHALL NOTIFY THE RESPECTIVE AUTHORITIES REPRESENTING THE OWNERS OR AGENCIES RESPONSIBLE FOR SUCH FACILITIES TO FACILITATE A TIMELY MANNER OF WORK SO THAT A REPRESENTATIVE OF SAID OWNERS OR AGENCIES CAN BE PRESENT DURING SUCH WORK IF THEY SO DESIRE. IN THE CASE OF THE UNDERGROUND UTILITY SERVICE ALERT CENTER, THIS NOTICE WILL GIVE THEM TIME TO MARK THE LOCATION OF THE UTILITIES. THE CONTRACTOR SHALL ALSO NOTIFY UNDERGROUND SERVICES ALERT □USA□AT □811□ IN ACCORDANCE WITH THE SPECIFICATIONS TO FACILITATE A TIMELY MANNER OF WORK, PRIOR TO SUCH EXCAVATION.

## NOTES □CONTINUED□

PERMITTING

CONTRACTOR SHALL OBTAIN APPROPRIATE BUILDING AND ENGINEERING PERMIT FROM THE CITY OF ROSEVILLE AND, IF REQUIRED, PLACER COUNTY, PRIOR TO COMMENCEMENT OF CONSTRUCTION ACTIVITIES.

## GENERAL CONSTRUCTION NOTES

GENERAL NOTES

1. ALL CONSTRUCTION AND MATERIALS SHALL CONFORM TO THESE PLANS AND THE LATEST EDITION AND AMENDMENTS OF THE CITY OF ROSEVILLE DESIGN AND CONSTRUCTION STANDARDS.
2. THE CITY OF ROSEVILLE IS A MEMBER OF THE UNDERGROUND SERVICE ALERT □U.S.A.□ONE-CALL SYSTEM. THE CONTRACTORS SHALL NOTIFY THE U.S.A. CENTER 48 HOURS IN ADVANCE OF PERFORMING ANY EXCAVATION WORK BY CALLING 1-800-227-2600.
3. THE CONTRACTOR SHALL MARK IN WHITE PAINT ALL AREAS TO BE EXCAVATED PRIOR TO CONTACTING U.S.A. ANY AREAS NOT MARKED WILL NOT BE SUBJECT TO U.S.A., AND THE CONTRACTOR SHALL BE RESPONSIBLE FOR ANY DAMAGES RESULTING FROM EXCAVATION.
4. THE CONTRACTOR SHALL EXPOSE AND VERIFY LOCATIONS AND ELEVATIONS OF EXISTING UNDERGROUND UTILITIES PRIOR TO CONSTRUCTION OF THE NEW IMPROVEMENTS CONNECTING TO OR IN THE VICINITY OF THE SAME.
5. THE CONTRACTOR SHALL BE RESPONSIBLE FOR THE PROTECTION OF ALL EXISTING MONUMENTS AND OTHER SURVEY MARKERS ON THE JOB SITE.
6. THE CONTRACTOR SHALL CONDUCT A PRE-CONSTRUCTION MEETING ONE-WEEK PRIOR TO STARTING WORK. THE CITY'S REPRESENTATIVE SHALL BE NOTIFIED BY THE CONTRACTOR AS TO THE DATE AND LOCATION OF THE MEETING AT LEAST TWO-WEEKS PRIOR TO THE MEETING.
7. PRIOR TO EXCAVATION OF TRENCHES 5 FEET OR DEEPER, THE CONTRACTOR SHALL SUBMIT TO THE INSPECTOR A COPY OF THE COMPANY S ANNUAL CALOSHA TRENCHING PERMIT AND A COPY OF THE COMPANY S LETTER INFORMING CALOSHA OF THE TIME THE TRENCHING IS COMMENCING AND THE LOCATION OF THE WORK.
8. FOLLOWING NOTES ARE GENERAL AND APPLY TO ALL SHEETS OF THESE CONTRACT DOCUMENTS AS IF THEY WERE WRITTEN IN THEIR ENTIRETY ON EACH SHEET.
9. CONTRACTOR SHALL VERIFY ALL DIMENSIONS BEFORE STARTING WORK AND SHALL IMMEDIATELY NOTIFY THE ENGINEER OF ANY DISCREPANCIES. CONTRACTOR SHALL BE RESPONSIBLE FOR FIELD VERIFYING ALL EXISTING CONDITIONS INCLUDING LOCATION AND DIMENSIONS OF ALL EXISTING CONSTRUCTION AND UTILITIES. CONTRACTOR SHALL NOTIFY ENGINEER IF THERE IS A CONFLICT BETWEEN THE CONTRACT DOCUMENTS AND EXISTING CONSTRUCTION BEFORE PROCEEDING WITH WORK.
10. UNLESS DETAILED, SPECIFIED, OR OTHERWISE INDICATED ON THE DRAWINGS, CONSTRUCTION SHALL BE AS INDICATED IN THE APPLICABLE TYPICAL DETAILS AND GENERAL NOTES. TYPICAL DETAILS SHALL APPLY EVEN THOUGH NOT REFERENCED AT SPECIFIC LOCATIONS ON DRAWINGS.
11. PRIOR TO EXCAVATION FOR NEW STRUCTURES, ELECTRICAL CONDUIT, FABRICATION OF NEW PIPING AND/OR OTHER PROPOSED UTILITIES, CONTRACTOR SHALL BE RESPONSIBLE FOR VERIFYING THE LOCATION OF ALL EXISTING PIPING AND UTILITIES IN THE CONSTRUCTION AREA. THE CONTRACTOR SHALL TEMPORARILY RELOCATE CONFLICTING EXISTING UTILITIES AT TIE-IN/CONNECTION LOCATIONS AND REINSTALL THEM AS REQUIRED TO ELIMINATE THE CONFLICT AT NO ADDITIONAL COST TO THE OWNER.
12. EXISTING FACILITY AND UTILITY INFORMATION SHOWN ON THE DRAWINGS WAS OBTAINED FROM AVAILABLE RECORDS OR ELECTRONIC FILES. NEITHER THE OWNER NOR ENGINEER ASSUMES ANY RESPONSIBILITY FOR FACILITIES AND UTILITIES NOT SHOWN OR NOT IN THE LOCATION SHOWN. THE CONTRACTOR SHALL FIELD VERIFY ALL LOCATIONS, SI□ES, MATERIAL TYPES, AND ELEVATIONS SHOWN AROUND OR NEAR AREAS OF NEW CONSTRUCTION PRIOR TO START OF CONSTRUCTION.
13. THE CONTRACTOR SHALL TAKE ALL PRECAUTIONARY MEASURES NECESSARY TO PROTECT FROM DAMAGE EXISTING FACILITIES AND UTILITIES SHOWN OR NOT SHOWN THAT ARE TO REMAIN IN PLACE. ALL FACILITIES DAMAGED BY THE CONTRACTOR S OPERATIONS SHALL BE EXPEDITIOUSLY REPAIRED OR RECONSTRUCTED TO THE ORIGINAL OR BETTER CONDITION AT THE CONTRACTOR S EXPENSE WITHOUT ADDITIONAL COMPENSATION.
14. CONTRACTOR SHALL VERIFY LOCATION OF ALL ARCHITECTURAL, MECHANICAL, AND ELECTRICAL ITEMS BEFORE PLACING ANY STRUCTURAL STEEL OR CONCRETE. ALSO, STRUCTURAL DIMENSIONS AND OPENINGS CONTROLLED BY ARCHITECTURAL, MECHANICAL, OR ELECTRICAL EQUIPMENT SHALL BE VERIFIED BY THE CONTRACTOR PRIOR TO CONSTRUCTION.

## GENERAL CONSTRUCTION NOTES □CONT□

EROSION / SEDIMENT CONTROL

1. ALL EROSION AND SEDIMENT CONTROL MEASURES SHALL BE IMPLEMENTED BY OCTOBER 5 OR AS APPROVED BY THE CITY ENGINEER AND SPECIFIED ON THE GRADING PLANS.
2. STRAW BALES SHALL BE STOCKPILED ON SITE AT A RATE OF 1.5 BALES PER ACRE BY SEPTEMBER 25. MEASURES SHALL BE PROVIDED TO KEEP STRAW DRY.
3. ALL SLOPES GREATER THAN 10:1 SHALL BE COVERED WITH BROADCAST STRAW AT A RATE OF 50 BALES OR 4000 POUNDS PER ACRE. FOR SLOPES 4:1 OR STEEPER, STRAW SHALL BE PRESSED IN PLACE. THE ENGINEER DIVISION SHALL APPROVE OTHER METHODS.
4. ALL BARE AREAS, REGARDLESS OF SLOPE, WITHIN 50 FEET OF NATURAL DRAINAGE SHALL BE COVERED WITH STRAW AND PRESSED IN PLACE.
5. WHERE REQUIRED, BROADCAST SEED SHALL BE APPLIED AS FOLLOWS:
   i. BLANDO BROME 12 LBS/ACRE
   ii. ROSE CLOVER 9 LBS/ACRE
6. AREAS WITH SANDY, DRY SOIL SHALL BE:
   i. □ORRO ANNUAL FESCUE: 6 LBS/ACRE
   ii. ROSE CLOVER: 9 LBS/ACRE
7. 16-20-0 FERTILI□ER OR EQUIVALENT SHALL BE APPLIED AT A RATE OF 500 POUNDS PER ACRE. IF HYDROSEEDING/MULCHING IS USED, SEED QUANTITIES SHALL BE INCREASED BY 30 PERCENT.
8. ALL EROSION AND SEDIMENT CONTROL MEASURES SHALL BE CHECKED FOLLOWING ALL STORMS TO ENSURE THAT ALL MEASURES ARE FUNCTIONING PROPERLY.
9. SEDIMENT AND TRASH ACCUMULATED IN DRAINAGE OR DETENTION BASINS SHALL BE REMOVED AS SOON AS POSSIBLE. IN ADDITION, OIL AND MATERIAL FLOATING ON WATER SURFACE MUST BE SKIMMED WEEKLY AND THE DEBRIS PROPERLY DISPOSED OF.
10. CONSTRUCTION ACTIVITIES OCCURRING BETWEEN OCTOBER 15 AND APRIL 1 SHALL HAVE EROSION AND SEDIMENT CONTROL MEASURES IN PLACE OR CAPABLE OF BEING PLACED WITHIN 24 HOURS. THE CONTRACTOR SHALL ENSURE THAT THE CONSTRUCTION SITE IS PREPARED PRIOR TO THE ONSET OF ANY STORM.
11. THE CONTRACTOR SHALL ESTABLISH A SPECIFIC SITE WITHIN THE DEVELOPMENT FOR MAINTENANCE AND STORAGE OF EQUIPMENT OR ANY OTHER ACTIVITY THAT MAY ADVERSELY CONTRIBUTE TO THE WATER QUALITY OF THE RUNOFF. THIS AREA SHALL HAVE A BERM LOCATED AROUND ITS PERIMETER. THIS AREA SHALL BE RESTORED TO ACCEPTABLE CONDITION UPON COMPLETION OF PROJECT.
12. HYDROSEEDING MAY BE CONSIDERED AS AN ALTERNATIVE TO BROADCAST STRAW SUBJECT TO THE ENGINEERING DIVISION BASED ON A REVIEW OF THE EXISTING SITE CONDITIONS □LOCATION, SLOPES, PROXIMITY TO STREAMS□ AND TIME OF YEAR.

## GENERAL CONSTRUCTION NOTES □CONT□

AIR QUALITY

THE FOLLOWING NOTES ARE PROVIDED AS REFERENCE TO APPLICABLE PLACER COUNTY AIR POLLUTION CONTROL DISTRICT ADOPTED RULES AND REGULATIONS. COMPLIANCE WITH ALL APPLICABLE APCD RULES IS THE SOLE RESPONSIBILITY OF THE CONTRACTOR. AIR QUALITY RULES ARE ENFORCED SOLELY BY THE PLACER COUNTY AIR POLLUTION CONTROL DISTRICT.

1. CONSTRUCTION EQUIPMENT EXHAUST EMISSIONS SHALL NOT EXCEED PLACER COUNTY APCD RULE 202 VISIBLE EMISSION LIMITATIONS. OPERATORS OF VEHICLES AND EQUIPMENT FOUND TO EXCEED OPACITY LIMITS ARE TO BE IMMEDIATELY NOTIFIED BY APCD TO CEASE OPERATIONS AND THE EQUIPMENT MUST BE REPAIRED WITHIN 72 HOURS. □BASED ON APCD RULE 202□
2. THE CONTRACTOR SHALL SUSPEND ALL GRADING OPERATIONS WHEN FUGITIVE DUST EXCEEDS PLACER COUNTY APCD RULE 228 □FUGITIVE DUST□ LIMITATIONS. THE PRIME CONTRACTOR SHALL BE RESPONSIBLE FOR HAVING AN INDIVIDUAL WHO IS CARB-CERTIFIED TO PERFORM VISIBLE EMISSIONS EVALUATIONS □VEE□ THIS INDIVIDUAL SHALL EVALUATE COMPLIANCE WITH RULE 228 ON A WEEKLY BASIS. IT IS TO BE NOTED THAT FUGITIVE DUST IS NOT TO EXCEED 40% OPACITY AND NOT GO BEYOND THE PROPERTY BOUNDARY AT ANY TIME. LIME OR OTHER DRYING AGENTS UTILI□ED TO DRY OUT WET GRADING AREAS SHALL NOT EXCEED PLACER COUNTY APCD RULE 228 FUGITIVE DUST LIMITATIONS. OPERATORS OF VEHICLES AND EQUIPMENT FOUND TO EXCEED OPACITY LIMITS WILL BE NOTIFIED BY APCD AND THE EQUIPMENT MUST BE REPAIRED WITHIN 72 HOURS. ALL PROJECTS IN EXCESS OF 5 ACRES SHALL HAVE AN APPROVED DUST CONTROL PLAN FROM THE PLACER COUNTY AIR POLLUTION CONTROL DISTRICT. □BASED ON APCD RULE 228□
3. DURING CONSTRUCTION, TRAFFIC SPEEDS ON ALL UNPAVED SURFACES SHALL BE LIMITED TO 15 MILES PER HOUR OR LESS. □BASED ON APCD RULE 228 / SECTION 401.2□
4. DURING CONSTRUCTION, NO OPEN BURNING OF REMOVED VEGETATION SHALL BE ALLOWED UNLESS PERMITTED BY THE PCAPCD. ALL REMOVED VEGETATIVE MATERIAL SHALL BE EITHER CHIPPED ON SITE OR TAKEN TO AN APPROPRIATE RECYCLING SITE, OR IF A SITE IS NOT AVAILABLE, A LICENSED DISPOSAL SITE. □BASED ON APCD RULE 310□
5. A PERSON SHALL NOT DISCHARGE INTO THE ATMOSPHERE VOLATILE ORGANIC COMPOUNDS VOC S CAUSED BY THE USE OR MANUFACTURE OF CUTBACK OR EMULSIFIED ASPHALTS FOR PAVING, ROAD CONSTRUCTION OR ROAD MAINTENANCE, UNLESS SUCH MANUFACTURE OR USE COMPLIES WITH THE PROVISIONS RULE 217. □BASED ON APCD RULE 217□
6. PROCESSES THAT DISCHARGE 2 POUNDS PER DAY OR MORE OF AIR CONTAMINANTS, AS DEFINED BY HEALTH AND SAFETY CODE SECTION 39013, TO THE ATMOSPHERE MAY REQUIRE A PERMIT. PERMITS MAY BE REQUIRED FOR BOTH CONSTRUCTION AND OPERATION. DEVELOPERS/CONTRACTORS SHOULD CONTACT THE DISTRICT PRIOR TO CONSTRUCTION AND OBTAIN ANY NECESSARY PERMITS PRIOR TO THE ISSUANCE OF A BUILDING PERMIT. □BASED ON THE CALIFORNIA HEALTH & SAFETY CODE SECTION 39013: HTTP://WWW/LEGINFO.CA.GOV/CGI-BINIDISPLAYCODE□SECTION□HSC&GROUP=39001-40000&FILE=39010-39060

## GENERAL CONSTRUCTION NOTES □CONT□

GENERAL FIRE DEPARTMENT NOTES

1. CONSTRUCTION MATERIAL AND VEHICLES SHALL NOT OBSTRUCT FIRE APPARATUS ACCESS TO FIRE APPARATUS ROADS, FIRE HYDRANTS OR THE BUILDING.
2. TEMPORARY ABOVE GROUND FUEL STORAGE TANKS MAY BE USED ON CONSTRUCTION SITES FOR DIESEL FUEL ONLY AND SHALL NOT EXCEED 1,000-GALLON LIQUID CAPACITY. SUCH INSTALLATIONS SHALL COMPLY WITH ALL APPLICABLE PROVISIONS OF THE CITY FIRE CODE. A FIRE DEPARTMENT PERMIT SHALL BE OBTAINED PRIOR TO THE PLACEMENT OF SUCH TANKS ON THE SITE.
3. FIRE SAFETY DURING CONSTRUCTION. CHAPTER 33 OF THE CALIFORNIA FIRE CODE REQUIRES CERTAIN SAFETY PROCEDURES TO BE FOLLOWED DURING NEW CONSTRUCTION AND REMODELS. THIS ARTICLE CONCERNS FIRE SAFETY IN THE FOLLOWING AREAS: ACCESS, WATER SUPPLY, EXTINGUISHERS, STANDPIPES, DEBRIS, MOTORI□ED EQUIPMENT, HEATING DEVICES, SMOKING, CUTTING AND WELDING, FLAME PRODUCING EQUIPMENT, FLAMMABLE LIQUIDS, ASPHALT AND TAR KETTLES, TEMPORARY WIRING, EMERGENCY TELEPHONE MODIFICATION OF EXISTING SYSTEMS, EXITS, BURNING OF ANY MATERIAL, AND FIRE WATCH. IT IS YOUR RESPONSIBILITY TO BECOME FAMILIAR WITH THESE REQUIREMENTS AND SEE THAT ALL PERSONS ON THE JOB SITE COMPLY.
4. THE BURNING OF COMBUSTIBLE CONSTRUCTION MATERIAL AND TRASH IS PROHIBITED.
5. A MINIMUM 3-FOOT CLEAR SPACE SHALL BE PROVIDED AND MAINTAINED AROUND FIRE PROTECTION EQUIPMENT.
6. IF SITE SURVEY OR EARTH MOVING WORK RESULTS IN THE DISCOVERY OF HA□ARDOUS MATERIALS IN CONTAINERS, OR WHAT APPEARS TO BE HA□ARDOUS WASTES RELEASED INTO THE GROUND, THE CONTRACTOR OR APPLICANT SHALL IMMEDIATELY REPORT THE FINDING TO THE SOUTH PLACER FIRE DISTRICT VIA PHONE AT □530□889-7870. ALL SUSPECTED AREAS SHALL BE MARKED OFF WITH APPROVED SIGNAGE OR CAUTION TAPE UNTIL SUCH TIME THAT A REPRESENTATIVE FROM THE FIRE DEPARTMENT DETERMINES WHETHER THE RELEASE IS REPORTABLE OR NOT AND IF SITE REMEDIATION IS REQUIRED.

## CIVIL NOTES

GENERAL

1. OBTAIN PERMITS NECESSARY TO COMPLETE FEATURES WITHIN EASEMENTS, DEDICATIONS AND PUBLIC RIGHT-OF-WAY.
2. COORDINATES ARE PROVIDED AS FOLLOWS UNLESS OTHERWISE NOTED ON DRAWINGS:
   2.1. FACE OF WALL
   2.2. FACE OF CURB
   2.3. CORNER OF EQUIPMENT PADS
3. ORIENT SURFACE FEATURES PARALLEL TO CURB/GUTTER OR WALLS UNLESS OTHERWISE NOTED.
4. PROTECT ALL SURVEY MONUMENTS.
5. SHOULD THE CONTRACTOR DISCOVER ANY DISCREPANCIES BETWEEN THE CONDITIONS EXISTING IN THE FIELD AND THE INFORMATION SHOWN ON THESE DRAWINGS, CONTRACTOR SHALL NOTIFY THE OWNER PRIOR TO PROCEEDING WITH CONSTRUCTION.
6. THE CONTRACTOR SHALL MAINTAIN A COPY OF AN APPROVED SET OF PLANS ON THE CONSTRUCTION SITE AT ALL TIMES.
7. "LIMITS OF GRADING" INDICATES THE MINIMUM DISTURBANCE AREA DUE TO FINISH GRADES. LIMITS OF GRADING MAY NOT BE INCLUSIVE OF ALL PIPING, CONDUITS, OR DUCT BANKS. LIMITS OF GRADING MAY ALSO BE CALLED DAYLIGHT OR CONFORM LINE, WHICH ARE INTENDED TO BE INTERCHANGEABLE.
8. PROVIDE TEMPORARY TRAFFIC SIGNAGE IN ACCORDANCE WITH STATE AND LOCAL AGENCIES DURING THE COURSE OF CONSTRUCTION.
9. THE CONTRACTOR SHALL BE RESPONSIBLE FOR ALL TRAFFIC CONTROL WITHIN THE PUBLIC RIGHT OF WAY IN ACCORDANCE WITH LOCAL ORDINANCES. NO WORK SHALL COMMENCE UNTIL ALL REQUIRED TRAFFIC CONTROL MEASURES ARE IN PLACE.

GRADING

1. ADJUST VALVE BOXES, PULL BOXES, VAULTS, AND MAHOLES TO FINISHED GRADES AND SLOPES SHOWN ON CIVIL GRADING DRAWINGS UNLESS OTHERWISE SHOWN OR SPECIFIED. MANHOLES IN OPEN FIELDS SHALL BE SET ONE FOOT ABOVE GRADE. APPROXIMATE RIM ELEVATIONS ARE SHOWN ON DRAWINGS.
2. GRADES SHOWN ARE TO TOP OF THE FINISHED SURFACE UNLESS OTHERWISE NOTED.

DEMOLITION

1. DEMOLITION EXTENTS INDICATED IN DRAWINGS ARE THE MINIMUM REQUIRED TO COMPLETE THE WORK. EXTENTS OF DEMOLITION REFLECTED IN THE CONTRACTOR'S BID SHALL INCORPORATE DEMOLITION MEANS AND METHODS.
2. PROVIDE COORDINATES OF ABANDONED UTILITIES IN THE RECORD DRAWINGS.

# GENERAL STRUCTURAL NOTES

GENERAL

1. THESE NOTES AS WELL AS THE TYPICAL DETAILS APPLY TO ALL PARTS OF THE PROJECT, UNLESS NOTED OTHERWISE.
2. SHOP DRAWINGS FOR THIS CONTRACT SHALL BE COORDINATED WITH FAVORABLY REVIEWED EQUIPMENT MANUFACTURER'S DRAWINGS.

PERMITS AND INSPECTIONS

1. THE CONTRACTOR IS RESPONSIBLE FOR OBTAINING ALL PERMITS AND INSPECTIONS REQUIRED BY THE LOCAL BUILDING INSPECTOR AND AS DESCRIBED IN THE SPECIFICATIONS.
2. THE CONTRACTOR SHALL SELECT, INSTALL AND MAINTAIN SHORING, SHEETING, BRACING AND SLOPING AS NECESSARY TO MAINTAIN SAFE EXCAVATIONS. THE CONTRACTOR SHALL BE RESPONSIBLE FOR ENSURING FULL COMPLIANCE WITH 29 CFR PART 1926 OSHA SUBPART P EXCAVATIONS AND TRENCHES REQUIREMENTS. ALL EARTHWORK SHALL BE PERFORMED IN STRICT ACCORDANCE WITH APPLICABLE LAW, INCLUDING LOCAL ORDINANCES, CALOSHA, CALIFORNIA CIVIL CODE AND CALIFORNIA DEPARTMENT OF INDUSTRIAL SAFETY REQUIREMENTS , AND APPLICABLE OSHA REQUIREMENTS.

SPECIAL INSPECTIONS AND STRUCTURAL OBSERVATIONS

1. THE CONTRACTOR SHALL NOTIFY THE ENGINEER 48-HOURS BEFORE PLACEMENT OF REINFORCING STEEL AND CONCRETE SO THAT THE SUBGRADE OF EXCAVATIONS MAY BE INSPECTED BY THE GEOTECHNICAL ENGINEER.
2. THE GEOTECHNICAL ENGINEER SHALL VERIFY BACKFILL MATERIAL AND BACKFILLING PROCEDURES AND PROVIDE SOIL COMPACTION TESTS.
3. STRUCTURAL OBSERVATION SHALL BE PROVIDED BY THE DESIGN ENGINEER S OF RECORD OR THEIR AUTHORI ED REPRESENTATIVES IN ACCORDANCE WITH CBC 2022, SECTION 1710. STRUCTURAL OBSERVATION SHALL CONSIST OF SITE VISITS AT INTERVALS APPROPRIATE TO THE STAGE OF CONSTRUCTION TO OBSERVE CONSTRUCTION IN PROGRESS AND REVIEW OF TESTING AND INSPECTION REPORTS FOR GENERAL COMPLIANCE WITH THE CONSTRUCTION DOCUMENTS RELATING TO THE STRUCTURAL WORK AND THE NONSTRUCTURAL COMPONENTS AND EQUIPMENT ANCHORAGE.
4. SPECIAL INSPECTION IN ACCORDANCE WITH CBC 2022, SECTION 1704, SHALL BE REQUIRED AS INDICATED IN THE SPECIAL INSPECTION AND TESTING SCHEDULE PREPARED BY DESIGN ENGINEER.

SOIL AND FOUNDATIONS

1. GEOTECHNICAL INVESTIGATIONS FOR DESIGN PURPOSES FOR THIS PROJECT ARE THE RESPONSIBILITY OF THE DESIGN ENGINEER.
2. SOILS SHALL BE EXCAVATED TO THE ELEVATIONS INDICATED ON THE DRAWINGS FOR FOUNDATIONS. THE SUBGRADE SHALL BE PREPARED AS INDICATED ON THE DRAWINGS AND SPECIFICATIONS AND APPROVED BY THE GEOTECHNICAL ENGINEER. EXCAVATED MATERIAL SHALL BE REPLACED WITH STRUCTURAL FILL AS SHOWN ON THE DRAWINGS. FOUNDATIONS SHALL BE CONSTRUCTED AGAINST UNDISTURBED NATIVE COMPETENT MATERIAL OR COMPACTED STRUCTURAL FILL.

LOADING CRITERIA

1. MINIMUM LOADING REQUIREMENTS PER CHAPTER 16 OF THE 2025 CALIFORNIA BUILDING CODE INCLUDING LATEST REVISION.
2. DEAD LOAD: AS CALCULATED
3. LIVE LOADS:

| | |
|---|---|
| CATWALKS FOR MAINTENANCE ACCESS | 40 PSF UNIFORM, |
| 300 LBS POINT | |
| BALCONIES EXTERIOR | 100 PSF UNIFORM |
| ELEVATED SLABS & WALKWAYS | 100 PSF UNIFORM |
| FIXED LADDERS | 300 LBS POINT |
| FIXED STAIRWAYS & EXIT-WAYS | 100 PSF UNIFORM, |
| 300 LBS POINT PER TREAD | |
| HANDRAILS, GUARDRAILS AND GRAB BARS | 50 PLF AT TOP |
| RAIL, 200 LBS POINT | |
| FLOOR - LIGHT MANUFACTURING/STORAGE | 125 PSF UNIFORM, |
| 2,000 LBS POINT | |
| FLOOR - HEAVY MANUFACTURING/STORAGE | 250 PSF UNIFORM, |
| 3,000 LBS POINT | |
| FLOOR - OFFICE | 50 PSF UNIFORM, |
| 2,000 LBS POINT | |
| FLOOR - FILE & COMPUTER ROOMS | 100 PSF UNIFORM, |
| 2,000 LBS POINT | |
| FLOOR - GARAGE PASSENGER VEHICLES ONLY | 40 PSF UNIFORM, |
| 3,000 LBS POINT | |
| FLOOR - GARAGE TRUCKS | AASHTO HS20-44 |
| ROOF REDUCTION FOR UNIFORM LOAD | 20 PSF UNIFORM, |
| 2,000 LBS POINT | |
| CEILING - WITH STORAGE AREA | 20 PSF UNIFORM |
| GRATING, CHECKERED PLATE, ACCESS HATCHES | EQUAL TO FLOOR |
| LIVE LOAD | |
| SIDEWALKS & VEHICULAR DRIVEWAYS | 250 PSF UNIFORM, |
| 8,000 LBS POINT AASHTO | UNRESTRICTED |
| VEHICULAR ACCESS | HS20-44 |
| CONCRETE VAULTS AND COVERS | AASHTO HS20-44 |

4. DESIGN ENGINEER SHALL DETERMINE APPROPRIATE WIND, SNOW AND SEISMIC LOADING BASED ON GEOTECHNICAL INVESTIGATION AND BUILDING SYSTEMS SELECTED.

NOTES:

1. COORDINATE ALL DIMENSIONS WITH FAVORABLY REVIEWED EQUIPMENT ANCHORAGE AND INSTALLATION SHOP DRAWING.
2. NO THICKENED FOOTING REQUIRED AT SLABS WITH AT LEAST ONE PLAN DIMENSION LESS THAN 6'-0".
3. EQUIPMENT BASEPLATE SHALL BE UNDERLAIN BY A MINIMUM 1/4" NON-SHRINK GROUT.

CONCRETE PAD SCHEDULE[1]

| PAD | WIDTH "W" | LENGTH "L" | THICK "T" | "H" | REINF |

OPTION 2

## GENERAL SHEET NOTES

1. PROVIDE COMPLETE DESIGN OF FOUNDATION AND BUILDING SYSTEM MEETING THE CALIFORNIA BUILDING CODE.
2. IT IS ANTICIPATED THAT FRAMES AT LINE A AND B WILL REQUIRE MOMENT FRAME LATERAL FORCE SYSTEM AT EACH GRIDLINE AS THERE ARE NOT SUFFICIENT SPACES TO PROVIDE BRACES WITHOUT INTERFERING WITH VEHICLE OPERATION.
3. FOUNDATIONS SHALL BE DESIGNED USING GEOTECHNICAL INVESTIGATION RECOMMENDATIONS PROVIDED BY DESIGN ENGINEER.

## FINISH SCHEDULE

| ROOM | | FLOOR | | BASE | | WALL | | | | | | | | CEILING | | |
|---|---|---|---|---|---|---|---|---|---|---|---|---|---|---|---|---|
| | | | | | | NORTH | | WEST | | SOUTH | | EAST | | | | |
| NO. | NAME | MATERIAL | FINISH | MATERIAL | FINISH | MATERIAL | FINISH | MATERIAL | FINISH | MATERIAL | FINISH | MATERIAL | FINISH | MATERIAL | FINISH | HEIGHT |
| 100 | VEHICLE STORAGE | CONC | CFRS | - | - | EXP | - | EXP | - | EXP | - | EXP | - | EXP | INSUL | 20' /- |

## FINISH SCHEDULE ABBREVIATIONS

CFRS = CONCRETE FUEL RESISTANT SEALER
CONC = CONCRETE
EXP = EXPOSED STRUCTURAL FRAMING
INSUL = INSULATION

## FINISH SCHEDULE NOTES

1. PAINT ALL EXTERIOR HOLLOW METAL DOORS AND FRAMES AND OVERHEAD COILING DOOR FRAMES.
2. PAINT ITEMS NOT COVERED ABOVE, INCLUDING:
   2.1. NON-STRUCTURAL METAL FABRICATIONS NOT FACTORY FINISHED
   2.2. SHEET METAL FLASHINGS THAT ARE NOT FACTORY FINISHED
   2.3. ROOF ACCESSORIES THAT ARE NOT FACTORY FINISHED
3. PAINT ALL EXTERIOR BOLLARDS.

PREFINISHED = FACTORY PAINTED ITEMS, STAINLESS STEEL, CHROME, BRASS, BRON E, PLASTIC LAMINATE, ANODI ED ALUMINUM & NAME PLATES. GALVANI ED & PRIMED COATINGS ARE NOT "PREFINISHED."

## NOTES

1. ELECTRICAL INSTALLATION BY THE ELECTRICAL CONTRACTOR IS LIMITED TO THE CONDUIT AND WIRE NECESSARY TO PROVIDE POWER TO THE EQUIPMENT. THE HVAC CONTRACTOR SHALL FURNISH AND INSTALL ALL NECESSARY CONDUIT, WIRING, CONTROLS AND APPURTENANCES FOR A COMPLETE AND OPERABLE HVAC SYSTEM AS SHOWN ON THE DRAWINGS AND DESCRIBED IN THE DESCRIPTION OF SYSTEM OPERATION.
2. ALL SPACE CONDITIONING EQUIPMENT SHALL MEET THE REQUIREMENTS OF THE ENERGY CODE.
3. DUCT AND PIPING SYSTEMS SHOWN IN THESE DRAWINGS ARE SCHEMATIC IN NATURE. THE CONTRACTOR IS RESPONSIBLE TO COORDINATE WITH ALL INVOLVED DISCIPLINES THE FINAL LOCATION OF EQUIPMENT, DUCT AND PIPING.
4. ALL AIR DISTRIBUTION SYSTEM DUCTS SHALL BE INSTALLED, SEALED AND INSULATED IN ACCORDANCE WITH THE ENERGY AND MECHANICAL CODES. PROVIDE DUCTS WITH SOUND ATTENUATING LINING WHERE INDICATED ON THE DRAWINGS. SEE THE SPECIFICATIONS FOR MORE INFORMATION. ALL DUCT DIMENSIONS ARE NET INSIDE DUCT.
5. COORDINATE EXACT LOCATION OF EQUIPMENT PENETRATIONS THROUGH ROOF, FLOORS, AND WALLS WITH ARCHITECTURAL AND STRUCTURAL DRAWINGS PRIOR TO SHOP DRAWING SUBMITTAL.
6. COORDINATE HVAC SYSTEMS WITH WORK OF OTHER SYSTEMS AND TRADES PRIOR TO ANY FABRICATION OR INSTALLATION. PROVIDE ALL FITTINGS, OFFSETS, AND TRANSITIONS AS REQUIRED FOR A COMPLETE AND COORDINATED INSTALLATION.
7. COORDINATE LOCATIONS, FINISH, AND PAINT COLOR OF ALL HVAC DIFFUSERS, REGISTERS, AND GRILLES IN ROOMS WITH GYPSUM BOARD HARD-LID CEILINGS WITH ARCHITECTURAL FINISH SCHEDULE.
8. PROVIDE BRACING FOR HORI ONTAL DUCTWORK IN ACCORDANCE WITH THE LATEST EDITION OF THE SMACNA RESTRAINT MANUAL.
9. PROVIDE ACOUSTICAL LINING FOR ALL DUCTWORK INSTALLED UP TO 10' DOWNSTREAM OF HEAT PUMPS, AIR CONDITIONING UNITS, AND OTHER AIR HANDLING EQUIPMENT.
10. PROVIDE CEILING ACCESS PANELS TO ACCESS DAMPERS INSTALLED ABOVE CEILING. COORDINATE SI E AND LOCATION OF ACCESS PANELS WITH ARCHITECT.
11. ALL MITERED ELBOWS AND TEES SHALL BE PROVIDED WITH TURNING VANES.
12. ALL DIFFUSERS, GRILLES AND REGISTERS SHALL BE PROVIDED WITH MANUAL BALANCING DAMPERS.
13. ALL FIRE DAMPERS SHALL BE PROVIDED WITH AN ACCESS DOOR FOR INSPECTION AND LINK REPLACEMENT.
14. FOR PIPING SYSTEM IDENTIFICATION, REFER TO THE LIST OF PROCESS IDENTIFICATION CODES IN THE GENERAL DISCIPLINE DRAWINGS.
15. FOR EQUIPMENT DESIGNATIONS, REFER TO THE LIST OF EQUIPMENT PREFIXES IN THE GENERAL DISCIPLINE DRAWINGS.
16. FOR INSTRUMENT DESIGNATIONS, REFER TO DRAWING I-1.

## GENERAL SHEET NOTES

1. PROVIDE DUCT SUPPORTS CONFORMING TO CHAPER 5 OF "SMACNA LOW PRESSURE DUCT STANDARDS"
2. PROVIDE FLEXIBLE DUCT CONNECTIONS AT CONNECTIONS TO AIR HANDLERS AND PACKAGED UNITARY EQUIPMENT.
3. PIPE SUPPORT REQUIREMENTS SHALL BE DETERMINED IN THE FIELD AND APPROVED BY THE ENGINEER PRIOR TO INSTALLATION. MAXIMUM SPACING SHALL BE SPECIFIED.

## SHEET KEYNOTES

A. RE-BALANCE REGISTER AIRFLOWS FROM FAN/COIL UNIT F-1 TO THE INDICATED VALUES TO ACCOUNT FOR REMOVAL OF NW OFFICES FROM AIR DISTRIBUTION SYSTEM.

B. RE-BALANCE REGISTER AIRFLOWS FROM FAN/COIL UNIT F-3 TO THE INDICATED VALUES TO ACCOUNT FOR EXPANSION OF LEAD WORKER AREA.

C. CUT EXISTING DUCT NEAR END OF BRANCH TO LEAD WORKER ROOM. INSTALL TEE TO SUPPLY EXISTING CEILING REGISTER IN LEAD WORKER ROOM AND EXPANSION TO NEW CEILING SUPPLY REGISTER.

D. ROUTE SUPPLY AND RETURN DUCTWORK TO SERVE CCTV ROOM AND TRAINING ROOM. ROUTE DUCTWORK ABOVE CEILING SPACES TO 24"X24" PERFORATED CEILING REGISTERS IN TRAINING ROOM. PROVIDE SUPPLY REGISTER FOR CCTV ROOM WITH CEILING REGISTER FOR ROOM EXHAUST.

E. PROVIDE PROGRAMMABLE THERMOSTAT FOR CONTROL OF PACKAGED HEAT PUMP OPERATION. PROVIDE CONTINUOUS INDOOR FAN OPERATION WITH THERMOSTAT CONTROL OF HEATING AND COOLING OPERATION.

F. INSTALL INLINE CENTRIFUGAL FAN. ROUTE 8" ROUND EXHAUST DUCTWORK TO NEW PENETRATION ON NORTH WALL AT 15' AFF. PROVIDE SHEET METAL WALL CAP AT DUCT TERMINATION.

pw:\\kjce-pw.bentley.com:kjce-pw\Documents\Clients\Roseville, City of CA\Projects\WW Collections Building and Vehicle Storage Building_2468032.00\10-Design\10.06-Drawings\Mechanical-Building\2468032.00-P-001

## PLUMBING NOTES

1. PIPING SYSTEMS SHOWN IN THESE DRAWINGS ARE SCHEMATIC IN NATURE. THE CONTRACTOR IS RESPONSIBLE TO COORDINATE WITH ALL INVOLVED DISCIPLINES THE FINAL LOCATION OF EQUIPMENT AND PIPING. PROVIDE ANY NECESSARY REROUTING AND FITTINGS REQUIRED FOR A COMPLETE AND COORDINATED INSTALLATION.
2. VENT AND TRAP PRIMER PIPING NOT SHOWN. PROVIDE TRAPS WITH VENT AND PRIMER CONNECTION AT ALL FLOOR DRAINS UNLESS OTHERWISE INDICATED. VENT FIXTURES IN ACCORDANCE WITH THE PLUMBING CODE.
3. VENT RISERS ARE SHOWN IN APPROXIMATE SI E AND LOCATIONS TO ALLOW THE CONTRACTOR TO CONNECT VENT PIPING TO A VENT RISER. VENT RISERS TO BE SI ED AND LOCATED IN ACCORDANCE WITH THE PLUMBING CODE.
4. INSTALL ALL PIPING TO AVOID ARCHITECTURAL OPENINGS, STRUCTURAL MEMBERS, DUCTS, FIXTURES, AND OTHER OBSTRUCTIONS.
5. ALL PIPING PENETRATIONS THROUGH NEW OR EXISTING WALLS OR FLOORS SHALL BE SEALED TO EQUAL THE RATING OF THE WALL OF FLOOR THROUGH WHICH THE PIPING IS ROUTED.
6. VENTS THROUGH ROOF PENETRATIONS SHALL BE COORDINATED WITH ALL TRADES. SET FINAL LOCATION A MINIMUM OF 10'-0 HORI ONTALLY OR 3'-0" VERTICALLY FROM ALL FRESH AIR INTAKE OPENINGS.
7. PIPE SI ES FOR HOT WATER SUPPLY, COLD WATER SUPPLY, SANITARY DRAIN, AND VENT CONNECTIONS ARE SHOWN ON FIXTURE CONNECTION SCHEDULE.
8. PROVIDE ISOLATION VALVES ON ALL HOT AND COLD WATER BRANCH SUPPLIES TO FIXTURES. PROVIDE WATER HAMMER ARRESTORS PER SPECIFICATIONS.
9. PROVIDE WALL ACCESS DOOR FOR WALL CLEANOUT INSTALLATIONS. PROVIDE CHRISTY G3 VALVE BOX FOR ALL AREA CLEANOUT INSTALLATIONS.
10. THERE SHALL BE NO DIRECT CONTACT BETWEEN PIPES AND HANGER STRAPS OR BUILDING CONSTRUCTION. SEPARATE PIPES FROM HANGERS/BUILDING CONSTRUCTION USING HAIR FELT OF NOT LESS THAN 1/2" THICKNESS.
11. OBTAIN ROUGH-IN DATA AND DIMENSIONS OF ALL SINKS AND PLUMBING FIXTURES TO BE SET WITHIN COUNTERTOPS.
12. PROVIDE LISTED BACKFLOW PREVENTER AND FEED WATER PRESSURE REGULATOR ON SUPPLY PIPING TO BOILERS AND HOT WATER HEATERS.
13. INSPECTION AND TESTING SHALL BE IN ACCORDANCE WITH LOCALLY RECOGNI ED PLUMBING CODES.
14. FOR PIPING SYSTEM IDENTIFICATION, REFER TO THE LIST OF PROCESS IDENTIFICATION CODES IN THE GENERAL DISCIPLINE DRAWINGS.
15. FOR EQUIPMENT DESIGNATIONS, REFER TO THE LIST OF EQUIPMENT PREFIXES IN THE GENERAL DISCIPLINE DRAWINGS.
16. FOR INSTRUMENT DESIGNATIONS, REFER TO DRAWING I-1.

## FIRE PROTECTION NOTES

1. FIRE SPRINKLER LAYOUT IS SHOWN IN ACCORDANCE WITH NFPA 13 PIPE SCHEDULE METHOD. FIRE SPRINKLER RISER AND FIRE SPRINKLER LAYOUTS ARE DIAGRAMMATIC AND DO NOT SHOW ALL DETAILS OR FITTINGS REQUIRED FOR A COMPLETE INSTALLATION. DESIGN DRAWINGS, CALCULATIONS, AND SEISMIC BRACING REQUIREMENTS SHALL BE SUBMITTED FOR APPROVAL BY A C-16 FIRE SPRINKLER CONTRACTOR OR A PROFESSIONAL FIRE PROTECTION ENGINEER LICENSED IN THE STATE OF CALIFORNIA.
2. AUTOMATIC SPRINKLER SYSTEMS SHALL BE SUPERVISED BY AN APPROVED CENTRAL PROPRIETARY OR REMOTE STATION SERVICE, OR SHALL BE PROVIDED WITH A LOCAL ALARM WHICH WILL GIVE AN AUDIBLE SIGNAL AT A CONSTANTLY ATTENDED LOCATION PER CFC SECTION 903.4.1.
3. INSPECTOR'S TEST CONNECTION SHALL BE INSTALLED ON A VERTICAL RISER NO GREATER THAN 6'-6" ABOVE FINISHED GRADE. TEST CONNECTION OUTLET SHALL BE ON EXTERIOR OF BUILDING AND SHALL DISCHARGE TO A SPLASHBLOCK.
4. INSPECTION AND TESTING SHALL BE IN ACCORDANCE WITH NFPA STANDARDS.
5. ALL EXPOSED SPRINKLER PIPING, HANGERS, AND MOUNTING BRACKETS SHALL BE PAINTED. FIRE SPRINKLER RISER, VALVES, AND BACKFLOW PREVENTER SHALL BE PAINTED IN ACCORDANCE WITH THE SPECIFICATION FOR EXTERIOR PAINT. REFER TO ARCHITECTURAL DRAWINGS FOR ADDITIONAL INFORMATION.

## PLUMBING LEGEND

- WH — WATER HEATER - INLINE TYPE

SHEET P-001 OF ---

## GENERAL SHEET NOTES

1. PROVIDE UNIONS AS NECESSARY TO FACILITATE CONVENIENT REMOVAL OF VALVES, PLUMBING FIXTURES, AND APPLIANCES
2. PROVIDE PIPE LABELING TO IDENITFY PIPE USE AND FLOW DIRECTION.

## SHEET KEYNOTES

A. RELOCATE EQUIPMENT FROM COMMON WALL OF BREAK ROOM.

B. ROUTE WATER SUPPLY FOR ICE MAKER, JANITORIAL SINK, AND UTILITY SINK FROM POINT OF CONNECTION AT OUTLET OF BACKFLOW PREVENTER. ROUTE PIPE ALONG WALL AT 8'-0" AFF.

C. ROUTE SEPARATE DRAINS FROM ICE MAKER AND JANITORIAL SINK TO FLOOR SINK AT 1% SLOPE. PROVIDE AIR GAP TERMINATION A FLOOR SINK

D. PLUMB DRAIN OUTLET OF UTILITY SINK TO EXISTING DRAIN PIPE AT LOCATION 6 INCHES ABOVE FLOOR. VENT TO ROOF.

E. PLUMB 3/4" CONDENSATE LINE TO DISCHARGE TO BUILDING EXTERIOR, TERMINATING 6 INCHES ABOVE GRADE. SET PIPE PENTRATION TRHOUGH WALL AT 12 INCHES ABOVE FINISHED FLOOR.

F. BRANCH FIRELINE FROM FIRE RISER TO SERVE THE OUTLINED AREA WITH SUSPENDED CEILINGS. THE EXISTING SPRINKLER LAYOUT BENEATH THE ROOF SHALL BE RETAINED.

## ELECTRICAL NOTES

1. THIS IS A GENERALI ED LEGEND SHEET. THIS CONTRACT MAY NOT USE ALL INFORMATION SHOWN.
2. THE INSTALLATION OF ALL EQUIPMENT, RACEWAYS, CONDUCTORS, AND CABLES SHOWN ON THESE DRAWINGS OR DESCRIBED IN THE SPECIFICATIONS SHALL CONFORM TO THE REQUIREMENTS SET FORTH IN THE LATEST EDITIONS OF THE NATIONAL ELECTRICAL CODE AND ALL APPLICABLE LOCAL CODES AND UTILITY COMPANY STANDARDS. IT IS THE CONTRACTOR'S RESPONSIBILITY TO CONTACT THE UTILITY COMPANY AND VERIFY THEIR REQUIREMENTS.
3. ELECTRICAL CONTRACTOR SHALL VISIT THE SITE PRIOR TO BIDDING THE PROJECT TO VERIFY THE SCOPE OF WORK WITH FIELD CONDITIONS. PARTICULAR ATTENTION SHOULD BE GIVEN TO NEW CONDUIT RUNS IN EXISTING BUILDINGS.
4. NOTIFY THE ENGINEER IMMEDIATELY IN WRITING IF CONFLICTS IN EQUIPMENT LOCATIONS ARE DISCOVERED OR IF PROBLEMS ARISE DUE TO FIELD CONDITIONS, LACK OF INFORMATION OR ANY OTHER REASON. NO PAYMENT WILL BE MADE FOR CHANGES WHICH HAVE NOT BEEN FAVORABLY REVIEWED BY THE ENGINEER.
5. CONDUIT ROUTING SHOWN ON PLAN DRAWINGS IS DIAGRAMMATIC ONLY. RACEWAYS SHALL BE INSTALLED IN A MANNER TO PREVENT CONFLICTS WITH EQUIPMENT OR STRUCTURAL CONDITIONS. EXPOSED RACEWAYS SHALL BE INSTALLED PARALLEL OR PERPENDICULAR TO BEAMS AND WALLS. REFER ALSO TO THE CONTRACT SPECIFICATIONS.
6. VERIFY THE EXACT LOCATION OF TERMINAL BOXES AND CONDUIT ENTRANCES TO ALL EQUIPMENT AGAINST APPROVED SHOP DRAWINGS BEFORE STUBBING UP CONDUITS. CONDUIT STUB-UPS SHALL NOT BE MORE THAN 6 INCHES FROM THE CENTERLINE OF TERMINAL BOXES.
7. CONNECTIONS BETWEEN RIGID CONDUIT AND MOTOR TERMINAL BOXES OR SIMILAR EQUIPMENT SUBJECT TO VIBRATION SHALL BE FLEXIBLE LIQUID-TIGHT CONDUIT.
8. CONDUITS SHALL BE TERMINATED SO AS TO PERMIT NEAT CONNECTION TO MOTORS AND OTHER EQUIPMENT.
9. CONDUITS FOR FUTURE EQUIPMENT OR EXTENSIONS SHALL BE TERMINATED AS SHOWN IN THE DETAILS OR AS SPECIFIED.
10. LOCATIONS OF PULLBOXES ARE APPROXIMATE. COORDINATE EXACT LOCATION IN THE FIELD TO ENSURE 6 INCHES MINIMUM CLEARANCE FROM MECHANICAL PIPING FLOW LINES.
11. ONLY MAJOR PULLBOXES ARE SHOWN. PROVIDE ADDITIONAL PULLBOXES WHERE REQUIRED TO MAKE A WORKABLE INSTALLATION.
12. PERFORM WORK IN ACCORDANCE WITH THE DETAILS WHETHER OR NOT THEY ARE REFERENCED ON THE DRAWINGS.
13. VERIFY ALL COLOR REQUIREMENTS BEFORE ORDERING MATERIALS.
14. THE WIRING DIAGRAMS, QUANTITY AND SI E OF WIRES AND CONDUIT REPRESENT A SUGGESTED ARRANGEMENT BASED UPON SELECTED STANDARD COMPONENTS OF ELECTRICAL EQUIPMENT. MODIFICATIONS ACCEPTABLE TO THE ENGINEER MAY BE MADE BY THE CONTRACTOR TO ACCOMMODATE EQUIPMENT ACTUALLY PURCHASED. THE BASIC SEQUENCE AND METHOD OF CONTROL MUST BE MAINTAINED AS INDICATED ON THE DRAWINGS AND/OR SPECIFICATIONS.
15. REFER TO THE MECHANICAL DRAWINGS FOR CERTAIN CONTROL DIAGRAMS, EXACT LOCATIONS OF MECHANICAL EQUIPMENT, AND FOR CERTAIN CONNECTIONS TO BE MADE TO ELECTRICAL CIRCUITS.
16. CONDUIT SI E AND FILL SHALL BE AS INDICATED ON THE CONDUIT AND CABLE SCHEDULES. WHERE NO SI E IS SHOWN, THE CONDUIT SHALL BE SI ED IN ACCORDANCE WITH THE LATEST EDITION OF THE NATIONAL ELECTRICAL CODE ADOPTED BY THE AUTHORITY HAVING JURISDICTION. MINIMUM CONDUIT SI E IS 3/4 INCH, EXCEPT WHERE ENCASED OR BURIED. MINIMUM ENCASED OR BURIED CONDUIT SI E IS 1 INCH.
17. PROVIDE EXPANSION OR EXPANSION AND DEFLECTION FITTINGS FOR ALL CONDUIT RUNS CROSSING EXPANSION JOINTS. REFER TO THE STRUCTURAL DRAWINGS FOR LOCATIONS OF EXPANSION JOINTS.
18. PROVIDE 3/16 INCH NYLON PULL ROPE IN EACH EMPTY CONDUIT.
19. FOR LIGHTING AND RECEPTACLE SYSTEMS, ONLY CIRCUIT NUMBERS ARE SHOWN. PROVIDE ALL NECESSARY CONDUITS, WIRES, FITTINGS, JUNCTION BOXES AND NECESSARY COMPONENTS SHOWN OR NOT SHOWN ON THE DRAWINGS, TO MAKE THE ELECTRICAL INSTALLATION COMPLETE AND OPERATIONAL. SI E CONDUITS AND WIRING IN ACCORDANCE WITH THE NATIONAL ELECTRICAL CODE. ALL CONDUIT RUNS SHALL BE CONCEALED UNLESS INDICATED OTHERWISE. CIRCUIT LOADING SHALL BE AS INDICATED IN THE PANEL SCHEDULES. ALL LIGHTING AND RECEPTACLE CIRCUITS SHALL INCLUDE GROUND WIRE.
20. MOUNT LUMINAIRES ACCORDING TO THE MOUNTING HEIGHT GIVEN ON THE DRAWINGS, WITH THE DISTANCE BEING MEASURED FROM THE BOTTOM OF THE LUMINAIRE TO THE FINISHED FLOOR. PROVIDE APPROPRIATE BRACKETS AND HARDWARE FOR MOUNTING.
21. ALL RECEPTACLES IN OUTDOOR AND ANTICIPATED WET AREAS SHALL BE GROUND FAULT CIRCUIT INTERRUPTER RECEPTACLES WITH WEATHERPROOF WHILE IN-USE COVERS.
22. ALL FREE STANDING ELECTRICAL EQUIPMENT AND CONTROL PANELS SHALL BE SET ON CONCRETE HOUSEKEEPING PADS WITH LEVELING CHANNELS EMBEDDED IN THE PAD.
23. ALL PANELBOARDS SHALL BE MOUNTED SO THAT THE DISTANCE FROM THE CENTERLINE OF THE TOP CIRCUIT BREAKER OPERATING HANDLE IN THE UPPERMOST POSITION TO THE FINISHED FLOOR SHALL NOT EXCEED 6'-7".
24. ALL SURFACE MOUNTED PANELS AND PANELBOARDS ON THE INTERIOR OF EXTERIOR WALLS ABOVE GRADE OR IN OTHER LOCATIONS CONSIDERED DAMP OR WET SHALL BE MOUNTED SO AS TO MAINTAIN A 1/4 INCH MINIMUM AIR SPACE BETWEEN THE ENCLOSURE AND THE WALL.
25. PROVIDE LOCKOUTS IN STRICT ACCORDANCE WITH OWNER'S REQUIREMENTS.
26. REFER TO THE SINGLE LINE DIAGRAMS, EQUIPMENT ELEVATIONS, PANELBOARD SCHEDULES, AND COMPONENT/DEVICE LABELS IN THE CONTROL SCHEMATICS FOR NAMEPLATE INFORMATION. SEE THE CONTRACT SPECIFICATIONS FOR NAMEPLATE SI E, COLOR, MATERIAL, AND PLACEMENT REQUIREMENTS.
27. "NORMAL" STATUS OF SWITCHES OR CONTACTS SHOWN IN CONTROL SCHEMATICS IS THE SHELF POSITION.

## ELECTRICAL DEMOLITION NOTES

1. BIDDING CONTRACTORS SHALL VISIT THE SITE TO ASSESS THE SCOPE OF DEMOLITION, REMOVAL AND MODIFICATION WORK.
2. ELECTRICAL CONTRACTOR AND THE OWNER SHALL DE-ENERGI E ALL WIRING PRIOR TO REMOVAL OF EQUIPMENT, DEVICES, MOTORS INSTRUMENTATION, CONTROL PANELS, ETC. CONTRACTOR SHALL OBTAIN PRIOR APPROVAL FROM THE OWNER.
3. EXPOSED RACEWAYS: REMOVE CONDUIT, WIRES, AND BOXES. PATCH TO MATCH EXISTING. FINISH ALL OPENINGS LEFT IN WALLS AND FLOORS.
4. CONCEALED CONDUITS IN THE SLAB: REMOVE EXISTING WIRES TO THE EXTENT POSSIBLE AND ABANDON CONDUITS IN THE SLAB. CUT CONDUIT FLUSH AND PATCH THE FLOOR TO MATCH EXISTING.
5. CONTROL PANELS: ELECTRICAL CONTRACTOR SHALL DE-ENERGI E AND REMOVE ALL CONDUIT AND WIRE AS DESCRIBED IN NOTES 3 AND 4. CONTRACTOR SHALL REMOVE PANELS AS NOTED ON THE CONTRACT DRAWINGS.
6. MOTOR CONTROL CENTERS: DISCONNECT AND REMOVE ALL CONDUITS AND WIRING TO EXISTING STARTERS AND/OR BREAKERS, PANELBOARDS, BRANCH CIRCUITS, INTERLOCKS AND STATUS WIRING WITHIN MCC.
7. REFER TO THE CONTRACT SPECIFICATIONS FOR ADDITIONAL ELECTRICAL DEMOLITION AND REMOVAL REQUIREMENTS.

## GENERAL SHEET NOTES

1. EXISTING GATE OPERATOR TO BE DEMOLISHED. IT IS POWERED BY A 30A/1P CIRCUIT BREAKER IN PANEL A. INTERCEPT AND EXTEND EXISTING CONDUIT AND CONDUCTORS TO NEW GATE OPERATOR. PROVIDE NEW CALL BOXES AND PROVIDE CONDUIT AND CONDUCTORS TO COMMUNICATIONS BUILDING. PROVIDE AND INSTALL A COMPLETE AND OPERATIONAL GATE ACCESS SYSTEM. PROVIDE ALL POWER CONTROLS AND INTERCONNECTIONS PER MANUFACTURER'S REQUIREMENTS. PROVIDE KNOX BOX PER FIRE DEPARTMENT REQUIREMENTS.
2. EXTEND EXISTING EXTERIOR VIDEO SURVEILLANCE SYSTEM TO NEW CAMERA LOCATIONS ON EXISTING COLLECTIONS BUILDING AND NEW VEHICLE STORAGE BUILDING. VENDOR AND CONTRACTOR SHALL PROVIDE AND INSTALL A COMPLETE AND OPERATIONAL VIDEO SURVEILLANCE SYSTEM. PROVIDE ALL POWER, CONTROLS AND INTERCONNECTIONS PER MANUFACTURER'S RECOMMENDATIONS. CONNECT TO EXISTING CAMERA NETWORK SYSTEM.
3. CONTRACTOR SHALL COORDINATE WITH OWNER FOR EV CAPABLE SPACES EVCS AND EV CAPABLE SPACES WITH ELECTRIC VEHICLE SUPPLY EQUIPMENT EVSE REQUIREMENTS.

A. PROVIDE VOLUMETRIC LED GRID TROFFER LIGHT FIXTURES WITH LIGHTING CONTROL IN TRAINING ROOM. THE LIGHTING SYSTEM SHALL ACHIEVE AN ILLUMINANCE LEVEL OF BETWEEN 30-50 FOOT CANDLES AND MEET THE REQUIREMENTS OF CALIFORNIA TITLE 24 INCLUDING DIMMING CAPABILITIES AND OCCUPANCY SENSORS. PROVIDE BATTERY PACK FOR EMERGENCY LIGHTING IN FIXTURES TO MAINTAIN 1 FOOTCANDLE ALONG THE PATH OF EGRESS PER NFPA 101.

B. VERIFY MOUNTING HEIGHT OF WALL MOUNTED RECEPTACLES IN THIS ROOM WITH OWNER PRIOR TO ROUGH-IN.

C. PROVIDE VOLUMETRIC LED GRID TROFFER LIGHT FIXTURES TO MATCH EXISTING LIGHT FIXTURES IN LEAD WORKER ROOM. EXTEND LIGHTING CONTROL SYSTEM TO THE FIXTURES. THE LIGHTING SYSTEM SHALL ACHIEVE AN ILLUMINANCE LEVEL OF BETWEEN 30-50 FOOTCANDLES AND MEET THE REQUIREMENTS OF CALIFORNIA TITLE 24 INCLUDING DIMMING CAPABILITIES AND OCCUPANCY SENSORS. PROVIDE BATTERY PACK FOR EMERGENCY LIGHTING IN FIXTURES TO MAINTAIN 1 FOOTCANDLE ALONG THE PATH OF EGRESS PER NFPA 101.

D. EXTEND EXISTING FIRE ALARM SYSTEM TO INCLUDE NEW DEVICES IN TRAINING ROOM AS PART OF A DEFFERED APPROVAL.

E. SAWCUT EXISTING CONCRETE FLOOR FOR INSTALLATION OF 4GANG RECESSED FLOOR BOXES AND CONDUITS.

# APPENDIX - RESUMES

**Robert Granade, Vice President/Project Manager**

**Experience:**

- 20 years in the construction industry.
- Formed El Dorado Design, a design and drafting company (1999)

**Education:**

- Colorado State University – Construction & Engineering (1993)
- Sierra College – Construction Management (1996)
- University of California Davis – Construction Management (1996)

**Industry Experience:**

- Construction engineering and management education that, combined with jobsite experience, assists in all development of designs.

- Responsible for pre-construction service, estimating and management of private and public projects to $15 million.

- Developed computer tracking systems for more efficient project cost management for project managers to use.

- Performs troubleshooting for field personnel while coordinating the rest of the team.

- Responsible for developing project staff, monitoring and updating progress schedule and working with field superintendents on their computers for their daily reports format.

- Served as President of the El Dorado Builders Exchange, working with the county agencies to acquire a better knowledge of the new general plan requirements for construction in El Dorado County.

- Drafted the initial design for the owner to work with on most design-build and private negotiated projects.

## Chris Granade, Superintendent

Experience: 18 years in the construction industry

Education: Certified Welder (1999)
NCI Building Systems Certified Metal Roofing System Installer (2007)
Industry Experience:

- Communicates with the owner and subcontractors at the construction site.
- Familiarizes himself with contract requirements, plans and specifications to identify any coordination concerns or conflicts that may arise or need to be addressed.
- Schedules Subcontractors and holds Pre Construction Meetings prior to start of work to confirm schedules, review submittals and lead times.
- Confirm outline of job site performance and expectations.
- Communicates with Project Manager daily on construction progress, completes Daily Reports and takes job site progress photos.
- Keeps job trailer up to date on all necessary postings.
- Monitors and identifies potential safety issues.
- Conducts weekly job site safety meetings and review safety practices.

**Billy Maxwell, Superintendent**

Experience: 18 years in the construction industry

Education: OSHA 30 Certified
CPR Certified

Industry Experience:

- Communicates with the owner and subcontractors at the construction site.
- Familiarizes himself with contract requirements, plans and specifications to identify any coordination concerns or conflicts that may arise or need to be addressed.
- Schedules Subcontractors and holds Pre-Construction Meetings prior to start of work to confirm schedules, review submittals and lead times.
- Confirm outline of job site performance and expectations.
- Communicates with Project Manager daily on construction progress, completes Daily Reports and takes job site progress photos.
- Keeps job trailer up to date on all necessary postings.
- Monitors and identifies potential safety issues.
- Conducts weekly job site safety meetings and review safety practices.

Completed Projects for DGG:

Echo Water Project (2017-2018)
Heavy Equipment Maintenance Building
$6,300,000.00

UC Davis (2018-2019)
Large Animal Shelter
$3,474,481.00

Buckeye School District (Summer 2018, Summer 2019)
Blue Oak Elementary School Modernization
$7,860,648.00

## E. PRINCIPAL RESUME / CONSULTANT QUALIFICATIONS

**JOHN KRISTEDJA, ARCHITECT, AIA** ***RESUME***
**Principal Architect**

**Education**

Bachelor of Architecture
California State Polytechnic State University, Pomona (1984)

**Registration**

State of California - C22297
State of Nevada – 6461
State of Indiana – AR11000062
State of Texas – 23891
State of Arizona – 56724
State of Utah – 10946337-0301
NCARB Certification - 66171

**Experience**

John began his architectural career in August of 1984 with WLC Architects, shortly after graduating from Cal Poly, Pomona. At the time, WLC was a fledgling architectural firm made up of energetic, passionate architects determined to make an impact upon the community. Because of WLC's specialty in educational, religious, and community/civic projects, John soon learned the skills of how to successfully design and manage these project types, often having to deal with the committee design process along the way. Because the firm adopted the studio concept of project delivery, unlike the departmentalized organization, John learned very quickly how to manage and deliver projects through all the design and construction phases. His experience allowed him to become extremely versed in every aspect of the profession.

At WLC, he became one of the most experienced designers, being named the design director of one of the firm's studios. His design experience includes numerous K-12 educational facilities, college/university facilities, civic/governmental, recreational, religious and commercial projects. His design efforts have garnered him many local, state and national design awards.

In 2006, he founded JK Architects with the desire to provide high-quality service to clients in the religious, commercial, municipal and residential market areas throughout California and Nevada.

As Owner of JK Architects, he will lead the firm's design efforts in all market areas, as well as overall project delivery. He will ensure that every project is designed to meet the programmatic needs as well as the budgetary constraints of the clients. John's experience in conducting numerous community design workshops and charettes will enable JK Architects to receive and process valuable input from the various project stakeholders and owners.

Over the past 36 years, John has completed well over 100 projects ranging from small residential and commercial projects, religious and community facilities, to high schools of 250,000 s.f. See the Highlighted Project Experience for a listing of highlighted projects.

## F. PROJECT APPROACH

Every project undertaken by JK Architects is carefully designed to meet the unique needs of every client. We do not begin any project until we understand completely the needs of the Owner. Every effort is made to design a project that creatively meets the programmatic, aesthetic as well as the budgetary expectations of the Owner. Our systematic approach to the Design process enables the Owner to review the design as it progresses and eliminates 'surprises' at the end of the project. We pride ourselves in our ability to assist Owners in the facilitation of their ideas, evaluating every idea in terms of efficiency, constructability, aesthetics and budget.

**Phase 0.0 Programming / Planning**
Determine Owner Needs
Develop Architectural Program
Develop Project Space Requirements
Determine Project Budget Requirements
Develop Project Master Plan
Prepare Design Review Package as Required by Approving Agency

**Phase 1.0 Schematic Design**
Develop Conceptual/Schematic Design
Prepare Schematic Design Package for Owner Approval
Develop Project Scheduling
Provide Schematic Design Cost Analysis

**Phase 2.0 Design Development**
Develop Design as Approved by Owner
Prepare Design Development Package for Owner Approval
Develop Project Engineering Systems Design
Refine Project Scheduling
Refine Cost Analysis

**Phase 3.0 Construction Documents**
Provide Documentation for Project Construction Requirements
Develop Project Specifications
Assist Owner/Contractor in Project Permit Submission
Develop Final Cost Analysis

**Phase 4.0 Bidding / Negotiations**
Assist Owner in Contractor Selection
Assist Owner in Project Bidding (for bid projects)

**Phase 5.0 Construction Administration**
Assist Owner / Contractor in the Administration of the Construction Contract
Provide Project Representation for Owner
Assist Contractor with Clarifications
Conduct Progress Meetings
Assist Owner in Project Close Out

*Education:*
**Bachelor of Science Degree in Civil Engineering and Masters of Engineering with an emphasis on Structural Engineering, May 2008**
UTAH STATE UNIVERSITY – Logan, Utah

*Licenses:*
**Registered Professional Structural Engineer, State of Utah**

*Experience:*
Mr. Larsen has designed a wide variety of projects, primarily engineering steel, concrete, wood, and masonry construction. His main responsibilities are the structural design of wood framed residential and commercial office buildings, pre-engineered metal building foundations and the design of structural steel fueling canopies. His experience includes over 17 years as an engineer.

Sample Projects

**LOUIS & COMPANY** – 79,000 Square foot commercial warehouse building. Concrete tilt-up structure, SLC, UT

**BINGHAM MEDICAL** – 4,000 $ft^2$ medical office, Blackfoot**,** Idaho

**DAVINCI ACADEMY REMODEL** – 3-story unreinforced masonry building remodel to update structure for updated seismic requirements, Ogden, Utah

**WOLLAN CONSTRUCTION MASONRY BUILDING** – 15,000 $ft^2$ Commercial building, Sandy, Utah

**PRIMARY CARE SPECIALISTS** – 9,000 $ft^2$ commercial building, Pocatello, Idaho

*Area West Engineers, Inc.* (AWE) is a diversified land surveying, land planning and civil engineering firm based in Citrus Heights, California. They are a Certified Small Business in the State of California which was established in 1972 as Speath Engineering. Their name was changed in 1984 to Area West Engineers, Inc. They provide high quality land surveying and civil engineering services to public agencies, developers of commercial and residential properties. Over the past 45 plus years, they have worked on various projects which include improvement plan development, encroachment permits, pipeline design, hydrology studies, roadway design, right-of-way surveys, control surveys, construction staking, topographic mapping, storm water pollution prevention plan preparation, storm water monitoring and inspections, and value engineering. Area West Engineers, Inc. prides themselves on staying up to date with the latest technology available within the surveying field, including the utilization of current instrumentation, software and procedural techniques to ensure that they exceed industry standards for accuracies. Their office is currently staffed with two Professional Civil Engineers, one of whom is also licensed to practice land surveying, one Professional Land Surveyor and five support staff members.

AWE is a Certified Small Business by the Department of General Services of the State of California, Reference #0028787.

AWE is registered with the Department Of Industrial Relations DIR #1000018090

AWE is a member of the following organizations:

- American Council of Engineering Companies (ACEC)
- American Society of Civil Engineers (ASCE)
- Sacramento Area Water Works Association (SAWWA)
- California Land Surveyors Association (CLSA)

Having worked on a multitude of projects within California over the course of many years, AWE has established a trusting relationship with public agencies and has extensive knowledge of a variety of public works standards and procedures.

Richard Rozumowicz, AWE principal, will serve as our Project Engineer. He brings more than forty years of experience to the project design and delivery process. Richard is hands on and participates at all stages of our projects. Richard will also be visible at meetings and will fulfill the QA/QC role.

Andrei Sapun will be responsible for the conceptual site demolition, utility grading and paving plans. He will coordinate his efforts with the project Architect and the Cityt. Andrei has been our project engineering designer for the last eight years. He has a history of working collaboratively with municipalities and agencies in the region. The success of our projects is the result of his innovative design and management solutions combined with sensitivity to economic considerations.

Area West Engineer's approach to the delivery of our services is based on fundamental principles of leadership throughout all phases/tasks of the project planning and delivery process. We are listeners,

communicators and collaborators and look forward to engaging the District Staff, Technical Advisory Committee and the Board of Directors and the District's Consultants and other stakeholders.

This proposal is based on our on-site meeting with you and District Staff, the three conceptual Site Plans developed by 19six Architects and the three "Survey" AutoCAD files you forwarded us.

**Key Area West Inc. Personnel Resume:**

| | | | |
|---|---|---|---|
| **Name:** | Richard Rozumowicz, PE 28217 | **Office Location** | Citrus Heights |
| **Position:** | Principal Area West Engineers, Inc. / Professional Civil Engineer<br>Principal | | |
| **Education:** | BS Civil Engineering, California State University Sacramento | | |
| **Years of Experience:** | 42 | **Years with AWE** | 40 |

**Summary of Experience:** Mr. Richard Rozumowicz is a licensed civil engineer authorized to practice land surveying in the state California. He has over thirty years of professional experience in providing civil engineering, environmental engineering, surveying and construction management services to both the private and public sectors. Mr. Rozumowicz has been the project manager and or project engineer for more than two thousand projects within the greater Sacramento area which include residential, institutional, commercial, industrial, and capital improvement projects. The projects have varied in size and complexity and have consisted of preliminary site reviews, preparing and processing planning entitlements, engineering feasibility studies, governmental processing and approvals, civil engineering improvement plans, grading design, ADA compliant design, horizontal and vertical road design to local and Cal-Trans standards, overlay of existing roads, striping and signage design to local and California MUTCD standards, street light design, water, sewer, drain design, hydrologic / hydraulic modeling, detention modeling, erosion control plan preparation, earthwork quantity calculations, cost estimating, and technical specification preparation, land surveying, construction staking and construction management. Mr. Rozumowicz's engineering experience has aided him in gaining the respect of agency land use planners throughout the Sacramento area. Mr. Rozumowicz takes great pride in knowing and understanding the Zoning Codes for each municipality, giving him the unique ability to make sure his clients get their desired outcome without added time or expense. Mr. Rozumowicz also held a General Engineering Contractor's License (Class A) in the state of California for more than thirty years.

|---|---|---|---|
| **Name:** | Andrei Sapun, PE, QSD/QSP | **Office Location** | Citrus Heights |
| **Position:** | Senior Engineer | | |
| **Education:** | BS Civil Engineering, California State University Sacramento | | |
| **Years of Experience:** | 13 | **Years with AWE** | 8 |

**Summary of Experience:** Mr. Andrei Sapun has been a Licensed Professional Civil Engineer in the State of California since 2014. He has over thirteen years of professional experience in providing civil engineering, environmental engineering, surveying and construction management services to both the private and public sectors. He started his career with Tetra Tech, Inc. where he gained valuable experience with environmental remediation, construction oversight, infrastructure design and evaluation. Mr. Sapun's experience varied from surveying project sites, preparation of grading plans, excavation evaluation, quantity calculations, field characterization of waste, sampling and analysis of waste materials, to field work on a variety of sites involving contaminant investigation, soil remediation and site closure.

Currently, Mr. Sapun is involved in in planning, permitting, design, construction support services, preparation of technical specifications and cost estimates, responding to RFI's, attending on-site meetings with construction crews, environmental engineering and surveying services to private and public sector clients. Mr. Sapun's work also includes development of site improvements for residential and commercial projects, Storm Water Pollution Prevention Plan preparation, construction monitoring and experience in hydrology and hydraulics related to drainage. He has completed numerous studies, has designed a variety of drainage facilities, and has managed several large diameter pipeline projects. Study work includes a variety of open and closed conduit hydraulic studies. Design experience includes a variety of conveyance facilities and structures, mainly related to drainage.

Mr. Sapun is a civil engineer with seven years of experience with construction oversight, topographical surveying, sample locations surveying, boundary surveying, improvement plans and civil site engineering. Mr. Sapun gained valuable experience in a wide array of private and public projects, ranging from residential to commercial and industrial developments.

| | | | |
|---|---|---|---|
| **Name:** | Charles Czapkay, PLS 8297 | **Office Location** | Citrus Heights |
| **Position:** | Licensed Land Surveyor | | |
| **Education:** | AS Surveying, Santa Rosa Junior College, California | | |
| **Years of Experience:** | 23 | **Years with AWE** | 23 |

**Summary of Experience:** Mr. Charles Czapkay has been a Licensed Land Surveyor in the State of California since 2007. Throughout his 23 plus year career with Area West Engineers, Inc., he has played a vital role as Field Party Chief and coordinating with consultants and construction site foremen to get the job done right the first time. Project experience includes topographic, boundary, and construction staking on a wide variety of developments which include Corporation Yard Build-out projects. Mr. Czapkay will be responsible for reviewing the survey files provided by the District and coordinating any field and office operations for the project.

Mr. Czapkay is well recognized by our clientele for his hard work ethic, positive attitude, attention to detail, and energetic approach to every project he is a part of. He is also responsible for our "On-Call" Survey contacts with several local water purveyors.

# Part 2 – GMP COST PROPOSAL

## Attachment E: GUARANTEED MAXIMUM PRICE, COST OF WORK AND FEE

### 1.0 TOTAL PROPOSED GUARANTEED MAXIMUM PRICE (GMP)

The undersigned proposes and agrees to contract with the City to perform all of the Work for the Design Build Construction of Dry Creek Wastewater Treatment Plant Collections Building Expansion Project including subsidiary obligations as defined in the Contract, for a **Guaranteed Maximum Price ("GMP")** of
Four million fifty-two thousand eight hundred fifty-six dollars
($4,052,856.00) U.S. Currency

Subject to the provisions of this Proposal, and the Agreement, the costs and expenses which the Contractor may include in the "Cost of Work" for purposes of determining that aspect of the Contractor's compensation are as set forth below. The Contractor's total compensation, including Fee and allowable mark-ups, shall not exceed the GMP.

The GMP may be adjusted by Change Order in accordance with the Agreement.

### 2.0 BREAKDOWN OF GUARANTEED MAXIMUM PRICE

Proposer provides the breakdown of the Contractor's GMP by major items of work as shown in Table E-1. The cost breakdown should sum to a total that equals the GMP given in this Attachment Section 1.0 – Total Proposed Guaranteed Maximum Price.

Table E-1: Breakdown of Guaranteed Maximum Price

| Scope Area | Cost |
|---|---|
| Architectural and Engineering Design Services (60/90/100 percent/Construction documents) and Permitting | $149,498.00 |
| Mobilization, Demobilization, Admin., Bonds, Insurance | $232,308.00 |
| Storm Water Pollution Prevention Plan Implementation | $36,415.00 |
| Demolition Activities | $102,079.00 |
| Sheeting/Shoring/Bracing (From Table E-5) | $15,000.00 |
| Sitework: Grading, Paving, Other Surfacing | $945,660.00 |
| Yard Piping: Trenching<br>All underground utility such as: piping, conduits, vaults, and handholes | $191,989.00 |
| Existing Building Improvements | $41,840.00 |
| New Building Construction: Foundation, Walls, Architectural Components. | $1,085,951.00 |
| Interior Finishes for the Existing Building | $125,745.00 |

| Scope Area | Cost |
|---|---|
| Interior Finishes for the New Building | $52,021.00 |
| HVAC and Plumbing Components for the Existing Building | $114,321.00 |
| HVAC and Plumbing Component for the New Building | $87,261.00 |
| Fire Suppression for the Existing Building | $6,097.00 |
| Fire Suppression for the New Building | $41,057.00 |
| Electrical & Instrumentation Components: Conduit, Lighting, Wire Devices, Motor Drives, Panels, Sensors, Instruments for the Existing Building | $159,978.00 |
| Electrical & Instrumentation Components: Conduit, Lighting, Wire Devices, Motor Drives, Panels, Sensors, Instruments for the New Building | $240,225.00 |
| Calibration Start-up & Commission and Configuration | 0 |
| All Other Work | $336,361.00 |
| Mandatory Allowance Items (From Table E-6) | $80,000 |
| Voluntary Allowance Items Total (From Table E-7) | $8,750.00 |
| **Total GMP:** | $4,052,856.00 |
| | |

## 3.0 COST OF THE WORK

The term "Cost of Work" means the sum of all costs necessarily incurred and paid by the Contractor for labor, materials, equipment, subcontractors, special services, bonds, liability, workers' compensation and errors and omissions insurance, direct job overhead expenses, taxes and other necessary expenses incurred in the performance of the Work, that do not exceed the GMP.

### 3.1 Hourly Field Labor

The cost of hourly field craft labor for workers used in actual and direct performance of the work by the Contractor will be the sum of the following:

**A.** The actual wages paid plus any employer payments to, or on behalf of workers for fringe benefits including health and welfare, pension, vacation and similar purposes.

**B.** All payments imposed by State and Federal Laws including, but not limited to, workers' compensation insurance, and social security payments. The rates used for workers' compensation insurance shall be actual rates paid by the Contractor for each specific craft and broken down by wage rate if applicable to that craft.

**C.** Actual General Liability insurance burden, if applied to Contractor's payroll.

### 3.2 Hourly Field Craft Labor Rates Limitations

The cost of hourly field craft labor for workers used in actual and direct performance of the work by the Contractor will be limited by the following:

**A.** Except as otherwise may be agreed to in writing by the City, the actual wages and benefits paid for manual classifications of Contractor's on-site workers will not, in the aggregate, be greater than the current applicable wage for each classification as established by the State of California Department of Industrial Relations.

**B.** Specifically prohibited from the labor costs are other payroll burden factors such as small tools (as defined in Section 3.6-Construction Equipment), bonuses of any kind and safety incentives.

**C.** The Hourly Field Labor Rates will remain unchanged for the duration of the Project unless changed in accordance with an Industry Master Labor Agreement, if the Contractor is signatory to any such Agreements, changes by the Department of Industrial Relations, or changes made company-wide in the Contractor's organization for a craft classification in the Project's geographic area. All changes to these hourly field labor rates must be submitted by the Contractor to the City for review and approval prior to billing the City for work performed with new hourly labor rates. Increase in labor rates is not an allowable increase in the GMP.

### 3.3 Contractor's Hourly Field Craft Labor Rates

**A.** Based on the requirements and limitations of Sections; 3.1-Hourly Field Craft Labor, and 3.2- Hourly Field Craft Labor Rates Limitations, the undersigned Proposer provides their hourly field labor rates set forth in Table E-2 for all labor employed by Contractor used in the performance all of the Work for the DCWWTP Collections Building Expansion Project.

**B.** The proposer is to list the crafts and classifications, up to foreman level, they anticipate using in the performance of the work when completing Table E-2. Should the contractor ultimately use a craft classification not listed in table below, the contractor will submit backup cost information for that craft classification to the City.

**C.** Contractor shall include the actual travel and/or subsistence costs, if any, as a separate line item under the labor cost category when submitting progress billings to the City. Except as otherwise may be agreed to in writing by the City, the actual travel and/or subsistence costs will not be more than established in an applicable Master Labor Agreement or the State of California Department of Industrial Relations.

**Table E-2: Hourly Rates.** **Contractor Name:** D.G. Granade, Inc.

| Craft | Classification | Base Wage | Fringes Plus Vacation | P/R Tax & Insurance | Straight Time Hourly Rate | Overtime Daily /Saturday Rate (1.5 X) | Overtime Sunday /Holiday Rate (2 X) |
|---|---|---|---|---|---|---|---|
| Laborer - Area 2 | Group 2 | 38.00 | 33.81 | | 71.81 | 90.81 | 109.81 |
| Laborer - Area 2 | Group 3 | 37.90 | 33.81 | | 71.71 | 90.66 | 109.61 |
| Iron Worker - Area 4 | | 50.70 | 35.655 | | 86.355 | 111.705 | 137.055 |
| Carpenter - Area 3 | | 61.13 | 42.40 | | 103.53 | 134.095 | 164.66 |
| Cement Mason | | 49.00 | 34.56 | | 83.56 | 108.06 | 132.56 |
| Sheet Metal Worker | Siding | 52.95 | 41.75 | | 94.70 | 122.31 | 149.91 |
| Metal Roofer | | 46.73 | 21.36 | | 68.09 | 91.455 | 114.82 |
| | | | | | | | |
| | | | | | | | |
| | | | | | | | |

| Craft | Classification | Base Wage | Fringes Plus Vacation | P/R Tax & Insurance | Straight Time Hourly Rate | Overtime Daily /Saturday Rate (1.5 X) | Overtime Sunday /Holiday Rate (2 X) |

### 3.4 Management and Administrative Labor

**A.** Wages and Salaries of Contractor's supervisory and administrative personnel assigned to this Project to directly manage and administer the Work: These positions may include a Principal-in-Charge, On-site Project Manager, On-site Project Engineer, On-site Superintendents, Yardman/Delivery Driver and On-site Administrative Assistant. These positions will be paid in accordance with the following Table E-3 for entire duration of the Project and include all labor burden, overhead and profit mark-ups. The Principal-in-Charge can only charge for hours worked at the Site for this Project and can also charge for attendance of on-site Project Meetings. Any off-site Principal-in-Charge time spent on this Project shall be included in the Contractor's Fee Schedule for the Project under the Contractor's Fee subsection below.

**B.** The Contractor is allowed to charge up to a maximum of fifty (50) hours per week for each full-time assigned supervisory and administrative personnel even if an employee works more than fifty (50) hours in a week. The Contractor can only charge for supervisory and administrative hours if they also pay those same hours to the employee that worked up to fifty (50) hours in any given week. The Contractor is not allowed to charge for any supervisory and administrative personnel hours not paid to any employee.

Other company personnel such as Corporate Officers and Division/Area Managers (unless either are designated as the Principle-in-Charge), Quality Control Managers, Safety Officers, Project Schedulers, Project Coordinators, Estimators, Business Supervisors and Accountants are not allowed to charge any hours to the Project. The Proposer should include the anticipated cost of such personnel in the Contractor's Fee Markup Schedule for the Project under the Contractor's Fee Subsection 9.0 below.

**C.** Based on the above requirements for Management and Administrative Labor, the undersigned Proposer proposes the rates set forth in Table E-3 for all Management and Administrative labor employed by Contractor used in the performance all of the Work for the Dry Creek Wastewater Treatment Plant Collections Building Expansion Project.

**Table E-3: Management and Administrative Labor Rates**

| Management and Administrative Position | Hourly Rate |
|---|---|
| Project Manager | $200 |
| Project Manager Assistant | $125 |
| Superintendent | $150 |
| Payroll Manager | $150 |
| Office Assistant | $100 |
| | |
| | |

## 3.5 Materials

The cost of all materials, including all factory testing, freight and delivery costs of materials, used in performing the work will be the cost to the Contractor from the supplier thereof. All discounts for early payment shall accrue to the Contractor unless the City's payment to Contractor is paid to Contractor before discount payment is due in which case discount savings will be fully credited to the City on next progress billing. All rebates and all returns from the sale of surplus materials shall be credited to the Cost of the Work. Any rebates from future use of re-usable materials, such as concrete forming materials, shall be negotiated between the Contractor and City as materials are evaluated for possible Contractor re-use on other projects.

## 3.6 Construction Equipment

**A.** The undersigned Proposer proposes the initial Contractor Owned Equipment Rates set forth in Table E-4 for all Contractor Owned Equipment used in the performance all of the Work for the DCWWTP Collections Building Expansion Project. The rates found in this table for equipment owned by the Contractor will, in all cases, be understood to cover all fuel, supplies, repairs, maintenance, insurance, ownership, and incidental costs and no further allowances will be made for those items, unless specifically approved in writing by the City.

**B.** Equipment owned by Contractor will only be paid for the actual time equipment is used in performing work and will be rounded to the closest full hour if paid by an hourly rate.

**C.** Compensation for idle time of equipment through delays caused by the City will be made consistent with Article 6-Changes in the Work in the Design-Build Agreement, provided as Attachment D of this RFP; however, that the Owned Equipment Rates set forth below in Table E-4 will apply.

**D.** All changes to these equipment rates must be submitted by the Contractor to the City for review and approval prior to billing the City for work performed with new hourly rates. Approved changes to equipment rates are not an allowable increase in the GMP.

**E.** The Proposer is to list the contractor owned construction equipment they anticipate using in the performance of the work when completing this table. Should the contractor ultimately use equipment not listed in table below, the Contractor will submit backup cost information for that equipment item to the City for approval.

**F.** Equipment not owned by Contractor which is rented by Contractor and used in performing work will be paid by the City based on actual invoiced cost to Contractor, plus actual fuel/lube costs, provided the rental rate is not in excess of rental rates established by distributors or equipment rental companies in the local area. Owner-operated equipment will also be paid by the City based on actual invoiced cost to Contractor provided the City does not deem any charges excessive. All transportation costs to move equipment on and off the Work will be paid by the City up to a maximum of four (4) hours total travel time each way.

**G.** For equipment with a value less than $500.00: The Contractor will be paid an amount of three percent (3%) of total hourly field labor costs as defined in paragraph 3.3-Contractor's Hourly Field Craft Labor Rates above to cover the cost of small tools and safety supplies for work directly performed at the Site.

**Table E-4: Contractor Owned Equipment. Contractor Name:** D.G. Granade, Inc.

| Equipment Description | Hourly Rate | Daily Rate |
|---|---|---|
| None | | |
| | | |
| | | |
| | | |
| | | |
| | | |
| | | |
| | | |
| | | |
| | | |
| | | |
| | | |
| | | |
| | | |

**Attach additional sheets as needed.**

### 3.7 Subcontractors and Sub Tier Subcontractors

The Contractor will be paid for all work performed by a subcontractor at the actual invoiced amount. Should a Subcontractor be required to perform extra work caused by a contract change order, the subcontractor will be allowed a mark-up as provided for in Article 6 of Volume 2 – Sample Agreement of this RFP.

### 3.8 Bonds and Insurance

The Contractor will be paid the actual cost for the 100% payment bond and 100% performance bond, as well as the cost of all insurance costs required for the Work (such costs are deemed a Cost of Work and are therefore contained within the GMP). Additional details regarding requirements for Bonds and Insurance are included in Volume 2 – Sample Agreement of this RFP under Article 9 – Insurance and Bonds; Indemnification.

### 3.9 Direct Job Overhead Expenses

The Contractor will be paid for the actual cost of job overhead expenses which may include such expenses as office trailers, storage vans, temporary fencing/security, toilets, dumpsters, waste removal, water, utility power, jobsite landline telephone costs, jobsite internet provider costs, reasonable room and board subsistence for employees who live farther than 40 miles from the Work Site or as required by California prevailing wage laws, copy machine, water cooler and any office furniture required for the Work needs, including mobilization and demobilization of same. There will be no warranty reserve.

### 3.10 Taxes

The Contractor acknowledges it will be liable for all sales, use, gross receipts or other taxes, tariffs or duties related to the Work and that these taxes and tariffs are included in the GMP. All invoices to the City will include the applicable taxes and tariffs that are the Contractor's responsibility and will not be shown as a separate line item on the Contractor's invoice.

## 4.0 SHEETING AND BRACING

Each Proposal submitted in response to this RFP shall contain, as a separate cost item, adequate sheeting, shoring, and bracing, or equivalent method, for the protection of life or limb in trenches and open excavation, exceeding five (5) feet, which shall conform to applicable safety orders. By entering an amount for this cost item below, the Proposer warrants that its action does not convey tort liability to the City, the Engineer, the Construction Manager, the Funding Agencies and their respective officers, employees, agents, and subconsultants.

**Table E-5: Total Amount for Worker Protection for Sheeting and Bracing**

| Protection in trenches and Open Excavations – Description | Total Cost |
|---|---|
| Shoring | $ 15,000 |

## 5.0 SPECIAL SERVICES

Special work or services are defined as that work not included in this agreement and characterized by extraordinary complexity, sophistication, or innovation or a combination of the foregoing attributes which are unique to the construction industry. These special services may include such services as registered land surveyor, licensed geotechnical engineer, licensed structural engineer, special testing or laboratory work. The Contractor will be paid for special services based on actual invoiced cost, provided the City does not determine any special services costs to be excessive.

## 6.0 MANDATORY PROPOSER ALLOWANCES

The City is allowed to propose allowances for portions of the Work. The following City's cost allowances and allowance amounts must be included in the GMP:

**Table E-6: Mandatory Proposer's Cost Allowances**

| Item# | Allowance Description | Allowance Amount |
|---|---|---|
| 1 | Underground Utility Allowance | $50,000.00 |
| 2 | Cardkey (access) Updates | $30,000.00 |
| | Total of Allowances: | $80,000.00 |

The allowance in this section is limited ONLY for the potential relocation of the existing electrical duct-bank and for the cardkey access updates and shall not be used for any other work. Allowances shall not be considered for compensation as proposed shared savings as defined in Section 8.0 of this Attachment.

## 7.0 VOLUNTARY PROPOSER ALLOWANCES

The Proposer is allowed to propose allowances for minor portions of the Work. Proposers are limited to a maximum of three (3) proposed allowances and the total amount for all proposed allowances cannot exceed One Hundred Fifty Thousand Dollars ($150,000.00).

Each proposed allowance description should be well-defined. There is no scoring points assigned to any proposed allowances, but they may be discussed during the final negotiations with the highest ranked Proposer. Proposers are not required to propose an allowance item; it is strictly voluntary. Unused/Unauthorized Allowance monies, if any, shall not be subject to shared saving as defined in Section 10.0 of this Attachment.

The following Proposer's cost allowances and allowance amounts are included in the GMP:

**Table E-7: Voluntary Proposer's Cost Allowances**

| Item# | Allowance Description | Allowance Amount |
|---|---|---|
| **1** | Import or export up to 250 yards of soil (None anticipated) | **$** 8,750.00 |
| **2** | | **$** |
| **3** | | **$** |
| | **Total of Allowances:** | **$** 8,750.00 |

Allowances shall not be considered for compensation as proposed shared savings as defined in Section 8.0 of this Attachment.

## 8.0 ITEMS NOT INCLUDED IN THE COST OF WORK:

**A.** Salaries and other compensation of Contractor's personnel stationed at Contractor's principal office or offices other than the Site, except as specifically provided in this Attachment E Section 3.4 – Management and Administrative Labor.

**B.** Expenses of Contractor's principal office and offices, other than the Site office.

**C.** Contractor's General Overhead and Expenses, except as specifically provided for in the Contract Documents.

**D.** The capital expenses of Contractor, including interest on capital employed for the Work and charges to Contractor for delinquent payments.

**E.** Hours in excess of fifty (50) hours per week for each full-time assigned supervisory and administrative personnel even if a supervisory or administrative employee works more than fifty (50) hours in a week.

**F.** Costs due to correction of Defective Work, disposal of materials or equipment wrongfully supplied, and making good any damage to property.

**G.** Costs that would cause the GMP to be exceeded.

**H.** Any costs incurred after Owner's Final Acceptance of the Project.

## 9.0 CONTRACTOR'S FEE MARKUPS

**A.** The undersigned Proposer proposes the following mark-up fees for general overhead and profit in the performance all of the Work for the Dry Creek Wastewater Treatment Plant Collections Building Expansion Project as shown in Table E-8.

**Table E-8: Contractor's Fee Mark-up Schedule**

| Attachment E Section | Cost Category | Fee Mark-Ups For General Overhead And Profit |
|---|---|---|
| 3.1-3.3 | Hourly Field Labor | 15 % |
| 3.4 | Management and Administrative Labor | Included in hourly rates |
| 3.5 | Materials | 15 % |
| 3.6 | Construction Equipment | 15 % |
| 3.7 | Subcontractors | 10 % |
| 3.8 | Bonds and Insurance | 1 % |
| 3.9 | Direct Job Overhead Expenses | 15 % |
| 3.10 | Taxes | 15 % |

**B.** Based on the above percentages for each cost category, the Proposed Total Fee Markup-for General Overhead and Profit percentage included in the Contractor's GMP is 12 %.

## 10.0 PROPOSED SHARED SAVINGS

In the event the final Cost of Work, plus the Proposed Total Fee Mark-up for General Overhead and Profit, is less than the GMP, as adjusted by the Change Orders, the undersigned Proposer proposes a sharing of the savings as follows.

100 % of the savings to the City

0 % of the savings to the Contractor

Percent of Savings to the Contractor must be a minimum of 20% plus the Total Fee Markup percentage for General Overhead and Profit as shown in the GMP (Paragraph 9.0.B).

Should there be savings shared, City will pay the Contractor its share of the savings at the same time as the final retention payment.

# Notice of Exemption

To: Placer County Clerk
Recorder's Office
2954 Richardson Drive
Auburn, CA 95603

From: City of Roseville
Development Services Dept.
311 Vernon Street
Roseville, CA 95678

**Project Title**: Wastewater Collections Building Expansion Project

**Project Location(s)**: 1800 Booth Road, Roseville, CA 95747.

**Project Description**: Wastewater Collections is initiating a new project at the Dry Creek Wastewater Treatment Plant to study and expand the current undersized building to add a conference/training room, expand warehouse storage and possibly add or relocate office space. Utility improvements will also be required for the added building space. Using the study, the City will select final improvements and a preliminary design will be developed for a design build construction. The expansion of the building would result only in new office space and facilities for existing staff and would not result in expansions in capacity or service.

**Public Agency Approving Project**: Roseville City Council

**Agency/Individual Carrying Out Project**: City of Roseville Environmental Utilities Department

**Reason why this Project is Exempt:** The project qualifies for a Class 1 Categorical Exemption as described in Section 15301 of the California Environmental Quality Act (CEQA) guidelines which states:

> "Class 1 (Existing Facilities) consists of … the minor alteration of existing public or private structures, facilities, mechanical equipment, or topographical features, involving negligible or no expansion of existing or former use… Examples include, but are not limited to: (e) additions to existing structures provided that the addition will not result in an increase of more than: (1) 50 percent of the floor areas of the structures before the addition, or 2,500 square feet, whichever is less."

The project consists of the study of an expansion of the building to add a conference/training room, warehouse storage space, and to possibly add or relocate office space for existing staff. The project would not result in expansion of capacity or service. Consequently, the Class 1 Categorical Exemption applies.

**Lead Agency Contact Person**: Tracie Mueller, Roseville Department of Environmental Utilities (916-774-5688).

| | |
|---|---|
| **Title:** | Electric Residential Customer Program – Amendment |
| **Contact:** | Andrea Blomquist 916-774-5317 ablomquist@roseville.ca.us |

## SUMMARY

Staff recommends approval of an amendment to the professional services agreement with EnergyHub Incorporated, eliminating enrollment processing support language and reducing costs of $20,000 annually. The updated total cost of the five-year agreement is not to exceed $1,750,000, based on customer participation, and the City is currently in year two of the agreement. The cost for services in FY2026-27 is estimated at $275,000 and funding is included in the proposed FY2026-27 Electric Department budget in the Electric Fund. Future year funding will be included in the respective Electric Department budgets and is contingent on City Council approval.

## RECOMMENDATION

Staff recommends that the City Council adopt a resolution to authorize the City Manager to execute the First Amendment to the Statement of Work for the Bring Your Own Thermostat Agreement with EnergyHub, Inc.

## BACKGROUND

Roseville Electric Utility's (REU) residential demand response program, Power Flex, provides an opportunity for customers to voluntarily enroll through their smart thermostat. Utilizing EnergyHub software, REU will be able to temporarily adjust participating customers' smart thermostats during peak demand and decrease the amount of energy strain on the electrical grid. In return for their participation, customers receive a one-time program sign-up incentive of $25 and an annual bill credit of $25 for continued program participation.

The services provided by EnergyHub included enrollment processing support. Because these services are being completed by City team members, this item is being removed from the agreement, reducing the overall cost of the agreement by $20,000 annually.

## FISCAL IMPACT

The updated total cost of the five-year agreement is estimated not to exceed $1,750,000, based on customer participation, and the City is currently in year two of the agreement. The cost for services in FY2026-27 is estimated at $275,000 and funding is included in the proposed FY2026-27 Electric Department budget in the Electric Fund. Future year funding will be included in the respective Electric Department budgets and is contingent on City Council approval.

## ENVIRONMENTAL REVIEW

The California Environmental Quality Act (CEQA) only applies to projects which have the potential to cause a significant effect on the environment. Where it can be seen with certainty that there is no possibility that the activity in question may have a significant effect on the environment, the activity is not

subject to CEQA. (CEQA Guidelines §15061(b)(3)).
The amendment meets the above criteria and is not subject to CEQA. No additional environmental review is required.

# FIRST AMENDMENT TO THE STATEMENT OF WORK

THIS FIRST AMENDMENT TO THE STATEMENT OF WORK ("Amendment") effective the date of full execution below ("Amendment Effective Date") is made and entered by and between **EnergyHub, Inc.** ("EnergyHub") and **City of Roseville** ("COR"), pursuant to that certain **Bring Your Own Thermostat (BYOT) Agreement** dated as of June 19, 2024 (the "Agreement"), with the Statement of Work ("SOW") dated as of June 19, 2024 incorporated thereto as Exhibit B.

**WHEREAS**, EnergyHub and COR now desire to amend the SOW, as more fully described herein.

**NOW**, **THEREFORE**, for and in consideration of the good and valuable consideration contained herein, the receipt of which and sufficiency of which is hereby acknowledged by the Parties hereto, and intending to be legally bound hereby, as of the Amendment Effective Date, the Parties agree as follows:

1. DEFINITIONS. All capitalized terms used herein, but not otherwise defined, shall have the meanings assigned to them in the Agreement and SOW.

2. MODIFICATIONS. The Parties hereby agree to amend the SOW as follows:

Section 11.1(c) is hereby deleted in its entirety.

The last row of Section 19, "Enrollment processing support" is hereby deleted.

3. EFFECT. The Parties shall, at any time, and from time to time, use their reasonable efforts to take, or cause to be taken, all appropriate action, and to do all things necessary, proper or advisable, to give effect to the transactions contemplated by this Amendment, including, without limitation, executing and delivering any additional instruments, certificates or other documents.

4. NO FURTHER CHANGES. Except as expressly provided herein, the SOW and Agreement shall continue in full force and effect and remain unchanged in all other respects.

5. COUNTERPARTS. This Amendment may be executed in any number of counterparts, each of which shall be deemed an original, but all of which taken together shall constitute one single Amendment between the Parties. The Parties may execute and deliver signatures to this Amendment electronically, including by facsimile or portable document format (PDF) file.

6. CONFLICTS. In the event of a conflict between the terms of this Amendment and the terms of the SOW and Agreement, this Amendment shall control.

Docusign Envelope ID: 4B134271-9737-4363-83CE-FDF6EBBA9D84

IN WITNESS WHEREOF, the Parties have caused their duly authorized officers to execute this Amendment on their behalf as of the Amendment Effective Date set forth above.

|---|---|
| **Title:** | Metering Services for Energy Imbalance Market – Professional Services Agreement Amendment |
| **Contact:** | Joe Pasco 916-746-1663 jpasco@roseville.ca.us |

## SUMMARY

Staff recommends approval of an amendment to the professional service agreement with Trimark Associates, Inc. for an additional one year for continued metering services for the Energy Imbalance Market. The cost of the one-year amendment is $69,835, bringing the total not-to-exceed amount of the agreement to $236,525. Funding is included in the Electric Department's FY2025-26 budget in the Electric Fund. Funding for future years will be contingent on approval of the respective year's budget.

## RECOMMENDATION

Staff recommends that the City Council adopt a resolution authorizing the City Manager to execute the First Amendment to Professional Services Agreement with Trimark Associates, Inc. for metering services.

## BACKGROUND

On September 4, 2019, the Roseville City Council approved execution of a participation agreement with Balancing Authority of Northern California (BANC) to join the California Independent System Operator's (CAISO) Western Energy Imbalance Market (EIM) as part of the BANC Phase 2 EIM implementation effort. A key requirement of participation in EIM is the ability to electronically send validated wholesale meter readings for Roseville's owned power plants and the energy coming into or out of the City to CAISO.

On May 12, 2020, Roseville Electric Utility solicited proposals through Request for Proposals (RFP) 07-077 for metering services for EIM. Trimark Associates, Inc. was selected through the evaluation process. Trimark Associates, Inc., is a leading service provider in California for grid scale metering services. The original contract terms were for a not-to-exceed (NTE) amount of $166,690, which was estimated for approximately 5 years of service. The RFP included three (3) optional one-year extensions after the NTE amount was exhausted. This NTE amount will be exhausted in April 2026.

## FISCAL IMPACT

The cost of the one-year amendment is $69,835, bringing the total NTE amount of the agreement to $236,525. Funding is included in the Electric Department's FY2025-26 budget in the Electric Fund. Funding for future years will be contingent on approval of the respective year's budget.

## ENVIRONMENTAL REVIEW

The California Environmental Quality Act (CEQA) does not apply to activities that will not result in a direct or reasonably foreseeable indirect physical change in the environment, or is otherwise not considered a project as defined by CEQA Statute §21065 and CEQA State Guidelines §15060(c)(3) and §15378. The

approval of the service agreement meets the above criteria and is not subject to CEQA. No additional environmental review is required.

RESOLUTION NO. 26-113

APPROVING A FIRST AMENDMENT TO PROFESSIONAL SERVICES AGREEMENT, BY AND BETWEEN THE CITY OF ROSEVILLE AND TRIMARK ASSOCIATES, INC., AND AUTHORIZING THE CITY MANAGER TO EXECUTE IT ON BEHALF OF THE CITY OF ROSEVILLE

WHEREAS, a First Amendment to Professional Services Agreement for Metering Services for Energy Imbalance Market, by and between the City of Roseville and Trimark Associates, Inc., has been reviewed by the City Council; and

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Roseville that said first amendment is hereby approved and that the City Manager is authorized to execute it on behalf of the City of Roseville.

PASSED AND ADOPTED by the Council of the City of Roseville this ___ day of _____, 2026, by the following vote on roll call:

AYES COUNCILMEMBERS:

NOES COUNCILMEMBERS:

ABSENT COUNCILMEMBERS:

_____
MAYOR

ATTEST:

_____

**FIRST AMENDMENT TO**

**PROFESSIONAL SERVICES AGREEMENT**

Metering Services for Energy Imbalance Market

THIS FIRST AMENDMENT TO AGREEMENT is made and entered into this ___ day of _____, 20__ , by and between the City of Roseville, a municipal corporation ("CITY"), and Trimark Associates, Inc., a California corporation ("CONSULTANT"); and

W I T N E S S E T H:

WHEREAS, CITY and CONSULTANT previously entered into a Professional Services Agreement dated September 16, 2020 ("Agreement") regarding Metering Services for Energy Imbalance Market ("Project"); and

WHEREAS, CITY desires to amend the Agreement to include additional services as described in CONSULTANT's letter/proposal, which is attached hereto as Exhibit "A" and incorporated herein by reference; and

WHEREAS, CONSULTANT is willing and able to provide such additional services.

NOW, THEREFORE, the parties agree as follows:

1. CONSULTANT shall provide additional services as described in Exhibit "A" of this First Amendment to Agreement.

2. Section 2 of the Agreement is amended by adding an additional paragraph to read as follows:

"CITY shall pay sixty-nine thousand, eight hundred thirty-five dollars ($69,835), in consideration of the additional services as set forth in Exhibit "A" to the First Amendment to Agreement. This brings the total not to exceed contract amount to two hundred thirty six thousand, five hundred twenty-five dollars ($236,525)."

3. The Agreement is amended by adding an additional paragraph for compliance with AB334 to read as follows:

"21. Public Contracts: Conflicts of Interest. CONSULTANT's duties and services under this Agreement shall not include preparing or assisting CITY with any portion of the CITY's preparation of a request for proposals, request for qualifications, or any other solicitation regarding a subsequent or additional contract with CITY. CITY shall at all times retain responsibility for public contracting, including with respect to any subsequent phase of this project. CONSULTANT's participation in the planning, discussions, or drawing of project plans or specifications shall be limited to conceptual, preliminary, or initial plans or specifications. CONSULTANT shall cooperate with CITY to ensure that all bidders for a subsequent contract on any subsequent phase of this project have access to the same information, including all conceptual, preliminary, or initial plans or specifications prepared by CONSULTANT pursuant to this Agreement."

4. All other provisions of the Agreement shall remain unchanged and in full force and effect.

IN WITNESS WHEREOF, the City of Roseville, a municipal corporation, has authorized the execution of this First Amendment to Agreement in duplicate by its City Manager and attested to by its City Clerk under the authority of Resolution No. _____, adopted by the

Council of the City of Roseville on the ___ day of _____, 20__, and CONSULTANT has caused this First Amendment to Agreement to be executed.

# 1 Data Management – SCME/SQMD Services

Trimark's scope for this Agreement includes data collection, data validation, and data submittals.

## 1.1 Ongoing SCME/SQMD Services

In the provision of meter data management services, Trimark agrees to do the following:

- Conduct a daily poll of the meter(s) to collect 5-minute interval data;
- Compare data from the primary meter to the data from the backup meter (if installed);
- Apply Validation, Estimation, and Editing (VEE) protocols;
- Maintain accurate records of data estimation and editing performed due to failures;
- Correct, replace, and/or estimate data as required based on VEE results; and
- Highlight any meter or data communications problems and inform the TOC of the need to initiate corrective action.

The meter data produced shall be acceptable for billing or generation settlements. As applicable, Trimark may provide the data to the California Independent System Operator ("CAISO"), Client and/or the Scheduling Coordinator ("SC"). Client's meter data shall be stored in a database at Trimark's headquarters. Trimark shall maintain Client meter data for three (3) years from the date of collection.

### 1.1.1 Data Transfers for CAISO Meter Reading Information System (MRIS)

Client shall notify SC that Trimark has been selected to provide data collection, validation and submittal services on behalf of Client. Consequently, SC shall endorse Trimark as an authorized user of the CAISO MRIS for the Site. Trimark shall send an authorization request to the CAISO User Access Administrator (UAA). Following that, Trimark shall access the CAISO Access and Identify Management (AIM) website to confirm that the request was approved. When all these permissions are in place, Trimark shall begin to submit data to MRIS in the approved format.

### 1.1.2 Data Transfers for Client and SC – Trimark Data Portal / SFTP

Client and SC shall have access to the meter data files via the Trimark meter data portal. If the Trimark meter data portal is not available, Client or SC may request data be transferred using Secure File Transfer Protocol (SFTP). Upon Client request, and where possible through commercially reasonable effort, Trimark shall also provide data access via file extractions or Application Programmer Interfaces (APIs).

### 1.1.3 Exceptions Handling

Meter data management services may uncover data issues or exceptions. Following reassessment of the data by Trimark, any remaining data issues shall be handled collaboratively by the Parties.

## 1.2 Scheduling Coordinator Metered Entity: Audit

Trimark shall annually audit, in compliance with the CAISO Tariff, to support the SC's SQMD Annual Affirmation, as well as provide a bi-annual (every even year) audit and report, in compliance with the CAISO Tariff, to support the SC's Self Audit Attestation. Trimark shall also perform periodic reviews throughout the year to verify compliance with SQMD requirements.

## Attachment A – Sites, Services and Fees

| **Title:** | Metering Services for Energy Imbalance Market - Professional Services Agreement |
| **Contact:** | Joe Pasco 916-746-1663 jpasco@roseville.ca.us |

**Meeting Date: 9/16/2020**
**Item #:** 7-9

## RECOMMENDATION TO COUNCIL

Staff recommends City Council adopt a Resolution authorizing the City Manager to execute a professional services agreement with Trimark Associates, Inc. for metering services required for participation in the Western Energy Imbalance Market (EIM).

## BACKGROUND

On September 4, 2019, the Roseville City Council approved the City of Roseville executing a participation agreement with Balancing Authority of Northern California (BANC) to join the California Independent System Operator's (CAISO) Western Energy Imbalance Market (EIM) as part of the BANC Phase 2 EIM implementation effort (Phase 2).

A key requirement of participation in EIM is the ability to electronically send validated wholesale meter readings for Roseville's owned power plants and the energy coming into or out of the City of Roseville to CAISO.

Roseville Electric Utility currently contracts for wholesale meter reading services, but the existing services do not meet requirements for EIM. Staff solicited proposals through Request for Proposals (RFP) 07-077 for metering services for EIM. Trimark Associates, Inc. was the sole bidder, and is also the leading service provider in California for grid scale metering services. The evaluation team reviewed and scored the proposal, finding Trimark Associates, Inc. to be a suitable vendor to provide the requested scope of services based on their safety, quality, demonstrated experience, completeness of proposal, and price. The new agreement supersedes and enhances existing services to meet participation requirements for EIM, including completion of required meter documentation, setup of data management systems, and testing communication of the meter data. Additionally it includes the required ongoing electronic transfer of validated meter readings to CAISO to enable Roseville and CAISO to settle revenues and costs for Roseville's participation in EIM.

## FISCAL IMPACT

The total cost of services will not exceed $166,690. Costs through June 2021 of $55,170 are included in the Electric Department FY 2020-21 budget. The remaining costs will be budgeted in subsequent fiscal years and subject to City Council approval.

## ENVIRONMENTAL REVIEW

The California Environmental Quality Act (CEQA) does not apply to activities that will not result in a direct or reasonably foreseeable indirect physical change in the environment, or is otherwise not considered a project as defined by CEQA Statute §21065 and CEQA State Guidelines §15060(c)(3) and §15378. Approval of a professional services agreement meets the above criteria and is not subject to CEQA. No additional environmental review is required.

Respectfully Submitted,

Joe Pasco, Electric Business Analyst

Michelle Bertolino, Electric Utility Director

RESOLUTION NO. 20-366

APPROVING A PROFESSIONAL SERVICES AGREEMENT, BY AND BETWEEN THE CITY OF ROSEVILLE AND TRIMARK ASSOCIATES, INC., AND AUTHORIZING THE CITY MANAGER TO EXECUTE IT ON BEHALF OF THE CITY OF ROSEVILLE

WHEREAS, a professional services agreement for Metering Services for Energy Imbalance Market, by and between the City of Roseville and Trimark Associates, Inc., has been reviewed by the City Council; and

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Roseville that said agreement is hereby approved and that the City Manager is authorized to execute it on behalf of the City of Roseville.

PASSED AND ADOPTED by the Council of the City of Roseville this 16th day of September, 2020, by the following vote on roll call:

AYES COUNCILMEMBERS: Bernasconi, Alvord, Roccucci, Houdesheldt, Allard

NOES COUNCILMEMBERS: None

ABSENT COUNCILMEMBERS: None

MAYOR

City Clerk

**PROFESSIONAL SERVICES AGREEMENT**

Metering Services for Energy Imbalance Market

THIS AGREEMENT is made and entered into this 16th day of September, 2020, by and between the City of Roseville, a municipal corporation ("CITY"), and Trimark Associates, Inc., a California corporation ("CONSULTANT"); and

W I T N E S S E T H:

WHEREAS, CITY desires professional services consisting of scheduling coordinator metered entity services for energy imbalance market; and

WHEREAS, CONSULTANT has prepared a proposal dated June 4, 2020, which describes the scope of work to be performed by CONSULTANT, the budget for the work, and the schedule for performance of the work; and

WHEREAS, CONSULTANT is qualified and experienced to provide such professional services.

NOW, THEREFORE, the parties agree as follows:

1. Services. CONSULTANT shall perform, at the direction of CITY, the scope of services as described in EXHIBIT "A," attached hereto and incorporated herein by this reference.

2. Compensation. For its services provided hereunder, CONSULTANT shall be compensated on a time and expense basis in accordance with the budget estimate as described in

EXHIBIT "B," attached hereto and incorporated herein by this reference. Total compensation shall not exceed one hundred sixty-six thousand, six hundred ninety dollars ($166,690.00).

CONSULTANT shall submit one monthly invoice for its services. Such invoices shall be delineated by task, the person performing the services, and the hourly rate, which shall be stated in time increments of not greater than one tenth (1/10) hours. CITY shall pay invoices within thirty (30) days after receipt, if the services specified in the invoice have been satisfactorily completed.

3. Indemnification. To the fullest extent allowed by law, CONSULTANT shall defend, indemnify, and save and hold harmless CITY, its officers, agents, employees and volunteers from any claims, suits or actions of every name, kind and description brought forth, or on account of, injuries to or death of any person (including but not limited to workers and the public), or damage to property, resulting from or arising out of CONSULTANT's willful misconduct or negligent act or omission while engaged in the performance of obligations or exercise of rights created by this Agreement, except those matters arising from CITY's sole negligence or willful misconduct. The parties intend that this provision shall be broadly construed.

CONSULTANT's responsibility for such defense and indemnity obligations shall survive the termination or completion of this Agreement for the full period of time allowed by law. The defense and indemnity obligations of this Agreement are undertaken in addition to, and shall not in any way be limited by, the insurance obligations contained in this Agreement.

4. Insurance. CONSULTANT agrees to continuously maintain, in full force and effect, the following minimum policies of insurance during the term of this Agreement.

| COVERAGE | LIMITS OF LIABILITY |
|---|---|
| Workers' Compensation | Statutory |
| Commercial General Liability | $1,000,000 each occurrence<br>$2,000,000 aggregate<br>Personal Injury:<br>$1,000,000 each occurrence<br>$2,000,000 aggregate |
| Automobile Liability | $1,000,000 combined single limit |
| Professional Liability (errors and omissions) | $1,000,000 per claim<br>$2,000,000 aggregate |

a. Form. CONSULTANT shall submit a certificate evidencing such coverage for the period covered by this Agreement in a form satisfactory to Risk Management and the City Attorney, prior to undertaking any work hereunder. Any insurance written on a claims made basis is subject to the approval of Risk Management and the City Attorney.

b. Additional Insureds. CONSULTANT shall also provide a separate endorsement form or section of the policy showing CITY, its officers, agents, employees and volunteers as additional insureds for each type of coverage, except for Workers' Compensation and Professional Liability. Such insurance shall specifically cover the contractual liability of CONSULTANT. The additional insured coverage under the CONSULTANT's policy shall be primary and noncontributory, as evidenced by a separate endorsement or section of the policy, and shall not seek contribution from CITY's insurance or self-insurance. In addition, the additional insured coverage shall be at least as broad as the Insurance Services Office ("ISO") CG 20 01 Endorsement. Any available insurance proceeds in excess of the specified minimum insurance coverage requirements and limits shall be available to the additional insureds. Furthermore, the requirements for coverage and limits shall be: (1) the minimum coverage and

limits specified in this Agreement; or (2) the full coverage and maximum limits of any insurance proceeds available to the named insureds, whichever is greater.

c. Cancellation/Modification. CONSULTANT shall provide ten (10) days written notice to CITY prior to cancellation or modification of any insurance required by this Agreement.

d. Umbrella/Excess Insurance. The limits of insurance required in this Agreement may be satisfied by a combination of primary and excess insurance. Any excess insurance shall contain or be endorsed to contain a provision that such coverage shall also apply on a primary and noncontributory basis for the benefit of CITY (if agreed to in a written contract) before CITY's own insurance shall be called upon to protect it as a named insured.

e. Subcontractors. CONSULTANT agrees to include in its contracts with all subcontractors the same requirements and provisions of this Agreement, including the indemnity and insurance requirements, to the extent they apply to the scope of the subcontractor's work. Furthermore, CONSULTANT shall require its subcontractors to agree to be bound to CONSULTANT and CITY in the same manner and to the same extent as CONSULTANT is bound to CITY under this Agreement. Additionally, CONSULTANT shall obligate its subcontractors to comply with these same provisions with respect to any tertiary subcontractor, regardless of tier. A copy of CITY's indemnity and insurance provisions will be furnished to the subcontractor or tertiary subcontractor upon request.

f. Self-Insured Retentions. All self-insured retentions ("SIR") must be disclosed to Risk Management for approval and shall not reduce the limits of liability. Policies containing any SIR provision shall provide or be endorsed to provide that the SIR may be satisfied by either the named insured or CITY. CITY reserves the right to obtain a full

certified copy of any insurance policy and endorsements. The failure to exercise this right shall not constitute a waiver of such right.

g. Waiver of Subrogation. CONSULTANT hereby agrees to waive subrogation which any insurer of CONSULTANT may acquire from CONSULTANT by virtue of the payment of any loss under a Workers Compensation, Commercial General Liability or Automobile Liability policy. All Workers Compensation, Commercial General Liability and Automobile Liability policies shall be endorsed with a waiver of subrogation in favor of CITY, its officers, agents, employees and volunteers for all worked performed by CONSULTANT, its employees, agents and subcontractors.

h. Liability/Remedies. Insurance coverage in the minimum amounts set forth herein shall not be construed to relieve CONSULTANT of liability in excess of such coverage, nor shall it preclude CITY from taking such other actions as are available to it under any other provisions of this Agreement or law.

5. Records. CONSULTANT and its subcontractors shall maintain all files and records relating to the services performed hereunder during the term of this Agreement and for a period of not less than one (1) year after the date of termination or expiration. Provided, however, that in the event of litigation or settlement of claims arising from the performance of this Agreement, CONSULTANT and its subcontractors shall maintain all files and records until such litigation, appeals or claims are resolved. Duly authorized representatives of CITY shall have right of access during normal business hours and after reasonable notice to CONSULTANT's and subcontractors' files and records relating to the services performed hereunder, and may review and copy the files and records at appropriate stages during performance of the services and during the one (1) year period following termination or

expiration of this Agreement. CONSULTANT shall include this provisions in its contracts with all subcontractors.

6. Time is of the Essence. Time is of the essence of this Agreement.

7. Compliance with Laws. CONSULTANT shall comply with all federal, state and local laws, ordinances and policies as may be applicable to the performance of services under this Agreement.

8. Ability to Perform. CONSULTANT agrees and represents that it has the time, ability and professional expertise to perform the services required under this Agreement.

9. Governing Agreement. In the event of any conflict between this Agreement and its EXHIBITS, the provisions of this Agreement shall govern. In the event of any conflict between any of the EXHIBITS, the provisions of the first in order of attachment shall govern.

10. Assignment. CONSULTANT is employed to perform unique personal services. CONSULTANT shall not assign this Agreement without the prior written consent of CITY. CONSULTANT shall not employ or otherwise incur any obligation to pay other specialists or experts for services in connection with this Agreement, without prior written consent of CITY.

11. Independent Contractor. CONSULTANT shall act as an independent contractor, and covenants and agrees that it will conduct itself consistent with such status, that it will neither hold itself out as, nor claim to be, an officer or employee of CITY by reason of this Agreement.

12. Representations and Warranties. CONSULTANT warrants that it has not employed or retained any company or person, other than a bona fide employee working for CONSULTANT, to solicit or secure this Agreement, and that it has not paid or agreed to pay any company or person, other than a bona fide employee, any fee, commission, percentage, brokerage fee, gift or any other consideration, contingent upon or resulting from the award or

making of this Agreement. For breach or violation of this warranty, CITY shall have the right to terminate as void this Agreement, without liability, or, in its discretion, to deduct from the Agreement price or consideration, or otherwise recover, the full amount of such fee, commission, percentage, brokerage fee, gift or contingent fee.

13. Successors in Interest. This Agreement shall be binding upon the heirs, successors, executors, administrators and assigns of the respective parties hereto.

14. Copyright, Ownership and Use of Materials. All tangible material ("Material") created or delivered pursuant to this Agreement is considered a work made for hire under the Copyright Act. To the extent such Material does not qualify as a work made for hire, CONSULTANT hereby assigns to CITY all right, title, and interest, including but not limited to all copyrights, in all Material created by CONSULTANT in its performance under this Agreement. Material constitutes the scope of work outlined in Exhibit A and attached hereto, and all written and other tangible expressions, including but not limited to, drawings (including computer aided drawings), papers, documents, reports, surveys, renderings, exhibits, sketches, maps, models, prints, paintings or photographs, in any and all media or formats in which such materials have been created or are maintained. All Material furnished by CONSULTANT is, and shall remain, the property of CITY.

CONSULTANT shall execute any documents necessary to effectuate such assignment. In the event that CONSULTANT uses, employs, designates, or retains any person or entity who is not an employee of CONSULTANT, to perform any work required of it pursuant to this Agreement, CONSULTANT shall require said person or entity to execute an agreement containing the preceding paragraph.

15. Termination of Agreement. The City may terminate this Agreement without cause by giving CONSULTANT ten (10) days advance written notice from the City Manager. CONSULTANT may terminate this Agreement without cause by giving CITY thirty (30) days advance written notice. In the event of termination through no fault of CONSULTANT, CITY shall compensate CONSULTANT for services performed as of the date of termination, upon the release to CITY of all Material hereunder, in any and all media or formats in which such materials have been created or are maintained. CITY retains the right to receive and use any Material, notwithstanding any termination or any dispute regarding the amount to be paid.

16. Attorney's Fees; Venue; Governing Law. If either party commences any legal action against the other party arising out of this Agreement or the performance hereof, the prevailing party in such action shall be entitled to recover its reasonable litigation expenses, including but not limited to, court costs, expert witness fees, discovery expenses, and attorney's fees. Any action arising out of this Agreement shall be brought in Placer County, California, regardless of where else venue may lie. This Agreement shall be governed by and construed in accordance with the laws of the State of California.

17. Modification. This Agreement and each provision contained herein may be waived, amended, supplemented or eliminated only by mutual written agreement of the parties.

18. Severability. If any of the provisions contained in this Agreement are for any reason held invalid or unenforceable, such holding shall not affect the remaining provisions or the validity and enforceability of the Agreement as a whole.

19. Notices. Any notices to parties required by this Agreement shall be delivered personally or mailed, U.S. first class postage prepaid, addressed as follows:

| CITY OF ROSEVILLE | CONSULTANT |
|---|---|
| Electric Director<br>City of Roseville<br>2090 Hilltop Circle<br>Roseville, CA 95747 | Mark Morosky<br>Trimark Associates, Inc.<br>2365 Iron Point Road, Suite 100<br>Folsom, CA 95630 |

Either party may amend its address for notice by giving notice to the other party in writing.

20. Integrated Agreement. This is an integrated agreement and contains all of the terms, considerations, understanding and promises of the parties. It shall be read as a whole.

IN WITNESS WHEREOF, the City of Roseville, a municipal corporation, has authorized the execution of this Agreement in duplicate by its City Manager and attested to by its City Clerk under the authority of Resolution No. 20-366, adopted by the Council of the City of Roseville on the 16th day of September, 2020, and CONSULTANT has caused this Agreement to be executed.

# 5. TAB D: Project Understanding

Roseville Electric has invested a substantial amount of time and resources into understanding whether entry into the CAISO Energy Imbalance Market (EIM) is an appropriate business decision for the utility. Over the course of a year or more, staff has made the effort to understand what is required and what the reward would be.

Based on that effort, Roseville Electric has made the decision to prepare its application to join the EIM. Understanding fully what is required, they are now seeking help from a third party services provider to complete the tasks listed below. We are repeating them here as we believe this is an excellent presentation of the needs for the project and it has enabled Trimark to have a clear understanding of how to respond to the RFP.

## 5.1. Task 1

CAISO EIM implementation metering requirements and deliverables outlined in the CAISO "EIM Track 5 Overview – Metering" Business Practice Manual. Task 1 shall be completed before Roseville's successful entry into EIM, scheduled on April 1, 2021. A summary of these tasks and deliverables may include but are not limited to:

1. Develop and provide an SQMD Plan for review by Roseville Electric and their Scheduling Coordinator (SC) for submittal to the CAISO
2. CAISO approved SQMD Plan
3. CAISO EIM Onboarding tasks
4. Creation of a meter bubble diagram
5. EIM metering portfolio design
6. EIM metering portfolio testing and validation
7. Meter reading plan and data collection timeline using an MV-90 system
8. Coordinating with Roseville Electric and their SC, a validation, editing and estimation (VEE) procedure
9. Assure the meter service entity is properly identified on all appropriate CAISO agreements
10. Be capable and ready to participate in the three phases of Meter Data Submission, including:
    i. EIM Day in the Life activities
    ii. EIM Market Simulation
    iii. EIM Parallel Ops
11. Complete all MV-90 Database Setup including Calculation of City's Native Loads for submittal of required EIM SQMD

## 5.2. Task 2

On-going EIM Meter Data Management Agent (MDMA) services to comply with CAISO Settlement Quality Meter Data (SQMD) submission and reporting requirements which are subject to change by CAISO and may include:

1. Performing defined Validation, Estimation, and Editing (VEE) protocols to produce SQMD. These protocols are applied to all SQMD on a daily and monthly basis to identify and correct erroneous data, fill gaps in missing data and/or provide reasonable estimates for unrecoverable data. Secondary data streams can be provided by Roseville for VEE purposes.

2. Submitting SQMD to the CAISO MRI-S interface at the specified intervals for EIM participation
3. Comply with any other ongoing, day-to-day EIM obligations as described in the Scheduling Coordinators for Scheduling Coordinator Metered Entity Responsibilities section of the CAISO Meter Business Practice Manual.

## 5.3. Task 3

On-going meter operations and maintenance for non-intratie meters, including testing, and compliance in accordance with the BANC local regulatory authority (LRA) compliance requirements

1. Perform meter testing in accordance with the BANC standards, including but not limited to:

   i. Testing performed at least every other year thereafter in accordance with LRA requirements

   ii. Meter measurement interval configuration in accordance with CAISO EIM requirements (5 minute intervals, or as required by CAISO SQMD requirements)

2. Perform meter planned maintenance, emergency support, equipment failure, and meter data communications support services
3. Monitoring on going SQMD and reporting any adverse trends
4. Perform the annual SQMD Plan Affirmation
5. Perform the bi-annual SQMD Plan Attestation

The meters for which we would provide these services are the 8 existing and 1 future Main Meters and 3 Backup Meters listed below.

| Site Name | MW Rating | Main Meter Device ID | Back-up Meter Device ID | Meter Model/Form |
|---|---|---|---|---|
| Roseville Berry Line 1 | 117 | 5818501 | NA | Quad 4+/9S |
| Roseville Berry Line 2 | 110 | 5818503 | NA | Quad 4+/9S |
| Roseville Fiddyment | 96 | 5818505 | NA | Quad 4+/9S |
| Roseville Fiddyment 2 | TBD | Future | TBD | TBD |
| Roseville Unit 1 | 28 | 5910072 | NA | Quad 4+/9S |
| Roseville Unit 2 | 28 | 5910073 | NA | Quad 4+/9S |
| CTG-1 | 45 | 5910597 | 5910598 | MAXsys 2510/9S |
| CTG-2 | 45 | 5910599 | 5910600 | MAXsys 2510/9S |
| STG | 85 | 5910601 | 5910602 | MAXsys 2510/9S |

We anticipate that we will collaborate with the City on a new Service Agreement that will include meter maintenance, meter data communications support and TOC support services along with the Meter Reading work that is currently under an existing Service Agreement.

Re: Addendum to RFP for EIM Metering Services Cost Proposal

Dear City of Roseville Staff,

Thank you for the opportunity to present this addendum for our proposal to the City of Roseville for SCME Services for EIM. In discussions with Roseville Electric staff, we have mutually refined our understanding of the necessary tasks and provide an update to our proposal as listed below.

| EIM SERVICE FEES | | |
|---|---|---|
| **Itemized Services and Coverage** | **Frequency of Fee** | **Price (USD)** |
| Task 1: CAISO Energy Imbalance Market (EIM) Implementation – Note 1 | One Time | Up to $31,330 |
| Task 2: On-going MDMA Services | Annual | $19,800 |
| Task 3: On-going meter O&M Services for 11 Meters | | |
| ~~Meter Maintenance Services~~ – Note 2 | ~~Annual~~ | ~~$18,954~~ |
| SQMD Plan Affirmation Annual Fee | Annual | $4,040 |
| SQMD Plan Attestation Bi-Annual Fee | Bi-Annual | $8,080 |

Note 1: Trimark has included a wide range of activities in Task 1. The necessity of some of these activities is likely to change throughout EIM Implementation. The final set of required tasks their associated fees will be paid using the hourly rates.

Note 2: Roseville staff has concluded that physical Meter Maintenance Services are redundant to services budgeted by Roseville Electric's Generation group. These services, as defined in the RFP, are no longer required in this response.

We look forward to continuing our mutually beneficial business relationship with City of Roseville. If you have any questions, please contact me at 916.350.2954 or via email at dschoeder@TrimarkAssoc.com.

Sincerely,

Dean F. Schoeder

## 1.0 INTRODUCTION

The City of Roseville (hereinafter "City"), is soliciting proposals for Metering Services: Scheduling Coordinator Metered Entity (SCME) Services for Energy Imbalance Market (EIM). This will be a competitive negotiation process. Qualified individuals, firms, contractors, consultants or entities (hereinafter "Consultant(s)"), that meet the requirements set forth in this Request for Proposals (hereinafter "RFP"), and are capable of providing the services requested are encouraged to participate.

### 1.1 BACKGROUND

City of Roseville Electric Utility (Roseville) is seeking a contractor to assist Roseville with:

- Meter planning and validation efforts associated with Roseville's CAISO EIM "Track 5" implementation efforts
- Perform on-going meter testing, calibration, and maintenance in accordance with good utility practice outlined in BANC's metering standards, and
- Provide on-going CAISO settlement quality meter data management (SQMD) services in support of Roseville's EIM settlements.

Roseville will join the California Independent System Operator's (CAISO) Western Energy Imbalance Market (EIM) on April 1, 2021, as part of the Balancing Authority of Northern California (BANC) Phase 2 EIM implementation project, and Roseville will be a Scheduling Coordinator Metered Entity (SCME).

Roseville has a number of meters that will be covered under this service agreement, including the following:

| Site Name | Main Meter Device ID | Meter Model | Back-up Meter Device ID |
|---|---|---|---|
| Roseville Berry Line 1 * | 5818501 | | |
| Roseville Berry Line 2* | 5818503 | | |
| Roseville Fiddyment * | 5818505 | | |
| *Roseville Fiddyment 2*** | | | |
| Roseville Unit 1 | 5910072 | Maxsys 2510 (or Quad 4) | |
| Roseville Unit 2 | 5910073 | Maxsys 2510 (or Quad 4) | |
| CTG-1 Main | 5910597 | Landis and Gyr Maxsys 2510 | 5910598 |
| CTG-2 Main | 5910599 | Landis and Gyr Maxsys 2510 | 5910600 |
| STG Main | 5910601 | Landis and Gyr Maxsys 2510 | 5910602 |

**Intratie meters maintained by WAPA, but read by Contractor*

*** Meter planned for future installation*

## 1.2 **CITY OVERVIEW**

The City of Roseville is an incorporated city with a population of more than 122,000 residents, located in Placer County off of Interstate 80, approximately 16 miles northeast of Sacramento, California. The City of Roseville is a Charter city operating under the City Council/City Manager form of government.

## 1.3 **INSTRUCTIONS**

This RFP includes a description of the scope of services, proposal requirements, and instructions for submitting your proposal. Failure to follow these instructions may result in rejection of your proposal.

No oral representations or interpretations will be made to any proposer as to the meaning of this RFP.

Direct all inquiries regarding this RFP in writing to:

City of Roseville
Roseville Electric
Attn: Jennifer Gonzales
Email: jngonzales@roseville.ca.us

Do not contact other individuals or City departments in this regard. Information provided by anyone other than the above contact may be invalid and proposals which are submitted in accordance with such information may be declared non-responsive.

In the event that it becomes necessary to revise any part of this RFP, written addenda will be issued. Any amendment to this RFP is valid only if it is in writing and issued by the City department issuing the RFP. No oral interpretations or answers shall bind the City unless confirmed by the City in writing.

All addenda for this RFP will be distributed through PublicPurchase.com to proposers who have registered with PublicPurchase.com and who have downloaded the RFP. Additionally, the Notice of Intent to Award will be posted on PublicPurchase.com. **It is the proposer's sole responsibility to monitor PublicPurchase.com for possible addenda to this RFP and for the Notice of Intent to Award**. Failure of proposer to retrieve addenda or the Notice of Intent to Award from PublicPurchase.com shall not relieve him/her of the requirements contained therein or the timelines associated therewith. Additionally, failure of proposer to return a signed addendum, when required, may be cause for rejection of his/her proposal.

# 2.0 **TENTATIVE SCHEDULE**

The following represents the tentative schedule for this RFP. Any change in the scheduled dates for the Deadline for Final Questions or Proposal Submission Deadline will be advertised in the form of an addendum to this RFP. The schedule for the evaluation process and other future dates may be adjusted without notice.

| | |
|---|---|
| RFP Released by the City…… | May 12, 2020 |
| Deadline for Final Questions……... | May 26, 2020 |
| City Responses to Written Questions…….. | May 28, 2020 |
| Proposal Submission Deadline…… | June 4, 2020 |
| Consultant Interviews as needed……. | June 10, 2020 – June 12, 2020 |
| Contract Approval by City Council……. | July 15, 2020 |

| Commencement of Services……. July 17, 2020 |
|---|

## 3.0 SCOPE OF SERVICES

### Contractor's Tasks

The services contractor will assist Roseville Electric with the following tasks:

#### Task 1

CAISO EIM implementation metering requirements and deliverables outlined in the CAISO "EIM Track 5 Overview – Metering" Business Practice Manual. Task 1 shall be completed before Roseville's successful entry into EIM, scheduled on April 1, 2021. A summary of these tasks and deliverables may include but are not limited to:

a. Develop and provide an SQMD Plan for review by Roseville Electric and their Scheduling Coordinator (SC) for submittal to the CAISO
b. CAISO approved SQMD Plan
c. CAISO EIM Onboarding tasks
d. Creation of a meter bubble diagram
e. EIM metering portfolio design
f. EIM metering portfolio testing and validation
g. Meter reading plan and data collection timeline using an MV-90 system
h. Coordinating with Roseville Electric and their SC, a validation, editing and estimation (VEE) procedure
i. Assure the meter service entity is properly identified on all appropriate CAISO agreements
j. Be capable and ready to participate in the three phases of Meter Data Submission, including:
    i. EIM Day in the Life activities
    ii. EIM Market Simulation
    iii. EIM Parallel Ops
k. Complete all MV-90 Database Setup including Calculation of City's Native Loads for submittal of required EIM SQMD

#### Task 2

On-going EIM Meter Data Management Agent (MDMA) services to comply with CAISO Settlement Quality Meter Data (SQMD) submission and reporting requirements which are subject to change by CAISO and may include:

a. Performing defined Validation, Estimation, and Editing (VEE) protocols to produce SQMD. These protocols are applied to all SQMD on a daily and monthly basis to identify and correct erroneous data, fill gaps in missing data and/or provide reasonable estimates for unrecoverable data. Secondary data streams can be provided by Roseville for VEE purposes.

b. Submitting SQMD to the CAISO MRI-S interface at the specified intervals for EIM participation

c. Comply with any other ongoing, day-to-day EIM obligations as described in the Scheduling Coordinators for Scheduling Coordinator Metered Entity Responsibilities section of the CAISO Meter Business Practice Manual.

**Task 3**

On-going meter operations and maintenance for non-intratie meters, including testing, and compliance in accordance with the BANC local regulatory authority (LRA) compliance requirements

a. Perform meter testing in accordance with the BANC standards, including but not limited to:

   i. Testing performed at least every other year thereafter in accordance with LRA requirements

   ii. Meter measurement interval configuration in accordance with CAISO EIM requirements (5 minute intervals, or as required by CAISO SQMD requirements)

b. Perform meter planned maintenance, emergency support, equipment failure, and meter data communications support services

c. Monitoring on going SQMD and reporting any adverse trends

d. Perform the annual SQMD Plan Affirmation

e. Perform the bi-annual SQMD Plan Attestation

3.1 **Multiyear Agreements** - The initial contract will be from date of award through June 30, 2025.

The City reserves the right to renew the contract for three (3) additional years, one year at a time at its sole discretion. The vendor receiving the contract award for the initial contract will retain that contract award throughout the life of the contract, including the optional renewal years.

The initial contract will be awarded based on the prices determined through the initial contract negotiation process. Sixty days prior to the expiration date of the current contract, the City is willing to re-negotiate out-year pricing (increases and/or decreases) based on market fluctuations. The pricing for each renewal year will be evaluated based on what the City deems to be fair and reasonable pricing. Any requests made by the vendor for a price increase must be fully documented utilizing an appropriate Consumer or Producer Price Index or other relevant market data to justify a price change. In its request for price increases Seller shall cite sources, specific conditions, and document how those conditions affect the cost. The City of Roseville is also willing to re-negotiate pricing if it is affected by catastrophic circumstances (example: unforeseen national/world crisis or acts of God).

Price adjustments will not be automatic. They must be mutually agreed upon by both the City and the vendor. The City will review the proposed pricing and determine if it is allowable, fair, reasonable, and in the best interest of the City to extend the agreement.

## 4.0 ASSURANCE OF DESIGNATED PROJECT TEAM

Proposer shall assure that the designated project team, including sub-consultants or sub-contractors (if any), is used for this project. Departure or reassignment of, or substitution for, any member of the designated project team, sub-consultant(s) or sub-contractor(s) shall not be made without the prior written approval of the City.

## 5.0 PROPOSAL FORMAT REQUIREMENTS

Each response to this RFP shall include the information described in this section. Provide the information in the specified order. Failure to include all of the information specified may be cause for rejection. Additional information may be provided, but should be succinct and relevant to the goals of this RFP. Any additional information that a proposing Consultant wishes to include that is not specifically requested should be included in an appendix to the proposal.

Consultants are encouraged to keep the proposals brief and to the point, but sufficiently detailed to allow evaluation of the project approach. Excessive information will not be considered favorably. Unauthorized conditions, omissions, limitations or provisions attached to a proposal will render the proposal non-responsive and may cause its rejection.

Proposers are warned against making erasures or alterations of any kind, without initialing each and every such change. Proposals that contain erasures or irregularities of any kind, without such initialing, or omissions, may be rejected.

The proposal should be bound or contained in a loose leaf binder. Document pages shall be 8-1/2 inches by 11 inches in size or folded to such a size. Use section dividers, tabbed in accordance with this section as specified below.

5.1 **Cover Letter** with the following information:

- Title of this RFP
- Name and Mailing Address of Firm (include physical location if mailing address is a PO Box)
- Contact Person, Telephone Number, Fax Number, and Email Address
- A statement that the submitting Consultant will perform the services and adhere to the requirements described in this RFP, including any addenda (reference the addenda by date and/or number).

5.2 **Signature Requirements** - The attached Proposer's Certification (**Attachment A)** shall be executed by an official(s) legally authorized to bind the Consultant which states that the proposal is valid for ninety (90) days. Include the executed copy of the Proposer's Certification under Tab G. Note: This is ninety (90) days following the closing date for the receipt of all proposals.

- Proposals submitted on behalf of a Partnership shall be signed in the firm name by a partner or the Attorney-in-Fact. If signed by the Attorney-in-Fact, there shall be attached to the

proposal a Power-of-Attorney evidencing authority to sign proposals, dated the same date as the proposal and executed by all partners of the firm.

- Proposals which are submitted on behalf of a Corporation shall have the correct corporate name thereon and the actual signature of the authorized officer of the corporation written (not typed) below the corporate name. The title of the office held by the person signing for the corporation shall appear below the signature of the officer.
- Proposals which are submitted on behalf of a Limited Liability Company ("LLC") shall be signed by the person or persons authorized to bind the LLC under the LLC's articles of organization.
- Proposals which are submitted by an Individual Doing Business under a firm name ("dba") shall be signed in the name of the individual doing business under the proper firm name and style.

5.3 **TAB A: Firm's Qualifications** – Describe your firm and provide a statement of your firm's qualifications for performing the requested services. Identify the services which would be completed by your firm's staff and those that would be provided by sub-consultants or sub-contractors, if any. Identify any sub-consultants or sub-contractors you propose to utilize to supplement your firm's staff. Include the firm's organizational chart, including its constituent parts, and size variation of staffing levels in the past five (5) years.

5.4 **TAB B: Experience and References** – Provide a summary of your firm's experience in providing these or similar services. Provide a minimum of three (3) references for projects or services similar in nature and scope that your firm's team members have completed in the last five (5) years. Include brief descriptions of the projects, dates, client names and contact persons' names, addresses and telephone numbers. Public sector references in California are preferred.

5.5 **TAB C: Qualifications of Team** – Provide a brief summary of the role, qualifications and experience of each team member and designated project manager/lead assigned to this project, including length of service with the firm and the qualifications/experience of any sub-consultant or sub-contractor staff on your project team. A project team organizational diagram and brief resume of each team member and the designated project manager/lead for each applicable category shall be included. The geographic location of the firm and key personnel shall also be identified. Any proposed sub-consultants or sub-contractors shall be listed. Include sub-consultant's and sub-contractor's assigned task(s) and experience. Full resumes may be included in the appendix.

5.6 **TAB D: Project Understanding** – Based on the available information, supplemental research, field observations, and experience with similar projects, provide a narrative describing your understanding of the services requested in this RFP, your general approach and any major challenges to achieving the City's stated goals. Include any issues that you believe will require special consideration for this project. Also identify any unique approaches or strengths that your firm may have related to this project. City staff will assess your understanding of all aspects of the project based on the overview. If you choose to not bid on a specific task, please note explicitly.

5.7 **TAB E: Project Plan** – Provide a detailed discussion of your firm's approach to the successful implementation of the tasks as listed in the Scope of Services. Include thorough discussions of methodologies you believe are essential to accomplishing each task. Include a proposed work schedule to accomplish each of the required tasks within the desired timeline. Identify the staff who

would be assigned to each task, including sub-consultants and sub-contractors. List any necessary equipment, training or installation services required.

5.8 **TAB F: Cost Proposal** – Provide a total cost proposal for all products and services to be delivered, and a breakdown of costs delineated by tasks as described in your project plan for each task defined below. For Task 3 please also include a schedule of pricing for as-needed services (i.e. emergency on-site support). Define any reimbursable expenses requested to be paid by the City.

**Bid Items:**

Contractor shall provide firm pricing as follows:

| Bid Items | Total Amount Payable | Basis of Payment equal or progress based |
|---|---|---|
| Task 1: CAISO Energy Imbalance Market (EIM) implementation | Lump Sum | Equal Monthly Payments over the EIM Implementation Period (ending on April 1, 2021) |
| Task 2: On-going MDMA Services | Annual Amount | Monthly Payments over the Term of the Contract |
| Task 3: On-going meter Operations and Maintenance | Annual Amount | Monthly Payments over the Term of the Contract |

5.9 **TAB G: Required Statements/Documents** – Include statements of assurance regarding the following requirements in the proposal:

- Non-substitution for the designated members of the team without approval by City staff **(Section 4.0)**
- The absence of a conflict of interest **(Section 9.4)**
- Indicate your ability and agreement to fulfill the indemnification and insurance requirements contained in the sample contract **(Section 9.7)**. (Please note that actual certificates of insurance are not required as part of your submittal.)
- A statement that nothing contained in the submitted proposal will be proprietary. (**Section 9.22**)

Submit the following documents with proposal:

- Executed copy of Proposer's Certification (**Attachment A**)

5.10 **TAB H: Exceptions** – Describe any and all proposed exceptions, alterations or amendments to the Scope of Services or other requirements of this RFP, including the Sample Contract (**Attachment B**). The nature and scope of your proposed exceptions may negatively affect the evaluation of your submittal and the City's determination of whether it is possible to successfully negotiate a contract with your firm.

5.11 **TAB I**: **Competency of Proposers** – The City wants to ensure that the successful Consultants has the necessary facilities, ability, experience, and financial resources to provide the services specified herein in a satisfactory and timely manner. Please list and explain any pending bankruptcies, liens, stop payment notices, judgments, lawsuits, arbitrations, mediations, foreclosures, and any similar actions filed or resolved in the past seven (7) years. Please indicate whether a client has ever terminated a contract with your firm for breach, and if so, please explain. Also, furnish a statement of financial resources demonstrating that the Consultant has the ability to maintain a staff of regular employees, sub-consultants or sub-contractors adequate to insure continuous performance of work, and demonstrating that the equipment for the work contemplated is sufficient, adequate and suitable.

## 6.0 SUBMITTAL INSTRUCTIONS

6.1 Proposals shall be submitted not later than the time and date indicated on the cover page of this RFP. All submittals shall be emailed to CityClerkroseville@roseville.ca.us **with the title of the RFP and "Sealed Proposal" in the subject line and the body of the email.**

6.2 Proposals shall be submitted via electronic mail to:

CityClerkroseville@roseville.ca.us

6.3 Faxed or hand delivered proposals will not be accepted.

6.4 The City shall not be responsible for proposals delivered to a person or location other than that specified herein.

6.5 Postmarks will not be accepted and proposals received after the deadline date and time will not be accepted or considered. **No exceptions.**

6.6 The City reserves the right to waive minor defects and/or irregularities in proposals, and shall be the sole judge of the materiality of any such defect or irregularity.

6.7 All costs associated with proposal preparation shall be borne by the proposer.

## 7.0 EVALUATION CRITERIA

The following evaluation criteria and rating schedule will be used to determine the most highly qualified firm(s).

| Evaluation Criteria | Maximum Points Possible |
|---|---|
| A. Experience and qualifications of firm and proposed staff/sub-consultants/sub-contractors (per Sections 5.3 - 5.5) | 35 |
| B. Understanding of the Project – Proposed Project Plan (per Section 5.6 – 5.7) | 35 |
| C. Proposed Cost (per Section 5.8) | 30 |
| **Total Possible Points:** | **100** |

## 8.0 SELECTION PROCESS

8.1 Award of the RFP shall be made to the responsible proposer whose proposal is determined, through a formal evaluation panel process, to be the most advantageous to the City after the evaluation panel has taken into consideration the evaluation factors set forth in the RFP. A master averaged score sheet shall be created based on the evaluation panel's initial evaluation. Proposals shall be scored according to the criteria stated in the RFP.

8.2 Proposals submitted will be reviewed by a selection committee. Consultants that have submitted the best and most complete proposals may be invited to an interview. The number of Consultants invited to an interview may vary depending upon the number of proposals submitted.

8.3 Should the City elect to conduct interviews with any proposers, the following criteria shall be considered and each proposer ranked by the evaluation panel during the interview process: a) Quality of presentation, b) Ability to meet the City's business goals, c) Communication style.

8.4 The City reserves the right to make a selection after review of the proposals without oral interviews; therefore, the proposal should be submitted initially on the most favorable terms that the Consultant might propose.

8.5 A contract will be negotiated with the Consultant considered best meeting the City's need for this project. In the event a mutually satisfactory contract cannot be negotiated with the City's first choice, negotiations may be terminated and commenced with the Consultant considered next best in meeting the City's needs for this particular project.

8.6 The selected Consultant will be required to execute a City prepared contract. The contract may further refine the scope of services and will provide for the terms and conditions of employment.

8.7 The award of any contract is expressly contingent upon City Council approval and the availability of funds. City staff may not legally bind the City to a contract.

8.8 The City reserves the right to reject any or all proposals, or to waive minor irregularities in said proposals, or to negotiate minor deviations with the successful Consultant(s). In the case of differences between written words and figures in a proposal, the amount stated in written words

shall govern. In the case of a difference in unit price versus the extended figure, the unit price shall govern.

8.9 The City reserves the right to seek clarification on any or all proposal submittals to ensure the RFP specifications are met. Proposals may be rejected from any proposer who does not comply with the City's request for clarification.

8.10 Once a decision has been made to award the contract, then a formal notice of the intent to award to the recommended proposer(s) shall be made by the Department.

8.11 A City of Roseville business license as well as all applicable permits, licenses and certifications required by local, state or federal law are required before the award of contract.

## 9.0 **GENERAL TERMS & CONDITIONS**

9.1 **Standard Contract**. Upon completion of the evaluation and recommendation for award, the selected Consultant will be required to execute an agreement prepared by the City, a sample which is included in **Attachment B**.

9.2 **Independent Contractor**. At all times the Consultant shall represent himself/herself to be an independent contractor offering such services to the general public and shall not represent himself/herself, or his/her employees, to be an employee of the City. Therefore, the Consultant shall assume all legal and financial responsibility for taxes, FICA, employee fringe benefits, workers' compensation, employee insurance, minimum wage requirements, overtime, etc., and agrees to indemnify, save, and hold the City, its officers, agents, and employees, harmless from and against, any and all loss, cost (including attorneys' fees), and damage of any kind related to such matters.

9.3 **Non-Appropriation**. The City may terminate any resulting contract at the end of any fiscal year, June 30th, without further liability other than payment of debt incurred during such fiscal year, should funds not be appropriated by its governing body to continue services for which the contract was intended.

9.4 **Conflict of Interest**. The Consultant shall warrant that no official or employee of the City has an interest, has been employed or retained to solicit or aid in the procuring of the resulting contract, nor that any such person will be employed in the performance of such contract without immediate divulgence of such fact to the City. Consultants submitting a proposal in response to this RFP must disclose any actual, apparent, direct, indirect, or potential conflicts of interest that may exist with respect to the Consultant or the Consultant's management or employees relative to the services to be provided to the City. Conflict of interest issues may require consultation with legal counsel. If a Consultant has no conflicts of interest, a statement to that effect must be included in the proposal. Violation of this section shall be a material breach of the contract entitling the City to any and all remedies by law or in equity.

9.5 **Undue Influence**. The Consultant shall warrant via an executed Proposer's Certification (**Attachment A**) that no undue influence or pressure is used against or in concert with any officer or employee of the City in connection with the award or terms of the contract that will be executed as a result of this RFP, including any method of coercion, confidential financial

arrangement or financial inducement. No officer or employee of the City shall receive compensation, directly or indirectly, from the Consultant, or from any officer, employee or agent of the Consultant, in connection with the award of the contract or any work to be conducted as a result of this RFP. Violation of this section shall be a material breach of the contract entitling the City to any and all remedies by law or in equity.

9.6 **Non-Collusion**. Consultant submitting proposals shall warrant via an executed Proposer's Certification (**Attachment A**) that their offer is made without any previous understanding, agreement or connection with any person, firm or corporation submitting a separate proposal for the same project and is in all respects fair, without outside control, collusion, fraud or otherwise illegal action. This condition shall not apply to proposals which are submitted by firms who have partnered with others to submit a cooperative proposal that clearly identifies a primary consultant and the associated sub-consultants or sub-contractors.

9.7 **Indemnification & Insurance Requirements**. The City's standard indemnification and insurance requirements are provided in the sample contract, included in **Attachment B**. All costs of complying with the insurance requirements shall be as included in your pricing. The selected Consultant shall provide complete and valid insurance certificates within ten (10) days of the City's written request. Failure to provide the documents within the time stated may result in rejection of the Consultant's proposal. Alterations to the terms and conditions shall not be allowed.

9.8 **Cost of Preparing Proposal**. The City will not pay any costs incurred by any Consultant in preparing or submitting a proposal in response to this RFP.

9.9 **Proposals Property of the City**. All documents or materials submitted with or in conjunction with any proposal, including but not limited to electronic files, shall become the property of the City after the proposal submission deadline. No submission documents will be returned. During negotiations, the scope of services may be amended by the City and negotiated based upon ideas provided by other proposers or any other source.

9.10 **Proposals are Public Records**. All proposals submitted are subject to the public disclosure requirements under the laws of the State of California, unless the City identifies and exercises a right or obligation to exempt any record from public disclosure. However, proposals will not be disclosed until negotiations are complete and a recommendation for selection and award is made.

9.11 **Protests.**

(a) Protest Requirements

(1) Any proposer who is aggrieved in connection with the solicitation or award of a contract may file a protest with the City Clerk's office. The protest must be received in writing by the City Clerk's office within seven (7) calendar days after such aggrieved proposer 1) knows or should have known of the facts giving rise thereto or 2) the date of the notice of intent to award, whichever is sooner. In no event shall a protest be allowed after an award has been made by City Council. If the seventh calendar day falls on a weekend or City holiday, the protesting party may submit the protest prior to close of business on the first business day following such weekend or holiday. Failure to submit a timely protest shall bar consideration of a protest.

(b) Grounds for Protest

(1) The alleged grounds for protest shall be limited to the following: (a) computation errors, (b) violations of local, state, or federal law, or (c) the City failed to follow the procedures specified in this Policy.

(2) The protest shall state all grounds claimed for the protest and include supporting documentation. Failure to clearly state the grounds for the protest and provide supporting documentation shall be deemed a waiver of all protest rights.

(c) Administrative Review

Upon receipt of the protest and after determining the protest was properly filed, the Department Director shall provide a copy of the protest to other proposers who might become aggrieved as a result of the protest and issue a written decision within fourteen (14) calendar days after receipt of the protest. The protest will be evaluated by the Department Director, the City Attorney's Office, and the Purchasing Manager. The protesting proposer shall promptly provide any information requested by City staff as part of such investigation. The decision shall either deny or uphold the protest and include reasons for the decision. The written decision shall be final.

(d) Stay of Action During a Protest

In the event a protest is filed under Section 10.11, the City shall not proceed further with the award of the contract until the protest is resolved, unless:

(1) The Director of Central Services makes a determination that the award of the contract without delay is necessary to protect a substantial interest of the City, or

(2) The City decides to reject all proposals and issue a new RFP.

9.12 **Rejection of RFP**. The City reserves the right to reject any or all proposals, to waive defects or irregularities in any proposal or in the RFP process, and to offer to negotiate or contract with any Consultant in response to any RFP. This RFP does not constitute any form of offer to contract.

9.13 **Multiple Award.** The City reserves the right to award the contract to multiple contractors when applicable.

9.14 **Increasing/Decreasing Portions of RFP**. The City reserves the right to increase or decrease the amount of any portions of the work represented in the RFP and/or to omit portions of said work, as may be deemed necessary by the City.

9.15 **Rejection as Non-Responsive**. Proposals may be rejected as non-responsive at the City's sole discretion if there are alterations of form, the proposal is conditional or the proposal is incomplete.

9.16 **Modifying RFP**. The City reserves the right to modify any portion of, or to postpone or cancel this RFP at any time, and/or reject any and all submissions without indicating any reason.

9.17 **If no proposal is accepted**, the City may elect to have the services performed in some other manner.

9.18 **Rejecting Team Members, Firms or Sub-consultants**. The City reserves the right to reject individual team members, firms, sub-consultants or sub-contractors and request substitution prior to contract award.

9.19 **Local Business, Small Business, Minority and Women Owned Business**. Although no preferences will be given, the City highly encourages submission of proposals by local businesses, by small business owners, and by minority and women-owned businesses.

9.20 **Withdrawal of Proposals**. Proposals may be withdrawn prior to the date and time specified for proposal submission with a formal written notice by an authorized representative of the proposer delivered to the City Clerk's Office. Proposals submitted will become property of the City after the proposal submission deadline.

Proposals may not be withdrawn for ninety (90) days after the due date unless the City enters into a contract with another Consultant prior to the expiration of that ninety (90) day period.

9.21 **Proposal Postponement and Amendment**. The City reserves the right to revise or amend the RFP or specifications up to the time set for opening of the proposals. Such revisions and amendments, if any, shall be announced by amendments to this RFP through the City's web site. Copies of such amendments shall be furnished to all prospective proposers. Prospective proposers are defined as those proposers who have registered and are on the City's RFP list for this service. If revisions and amendments require changes in quantities, prices or scope of services, the date set for opening of the proposals may be postponed by such number of days as in the opinion of the City shall enable proposers to revise their proposals. Proposals which fail to acknowledge a substantive addendum to the RFP, as determined by the City Attorney's Office, on the City supplied addendum form will be rejected as non-responsive. Any revisions or amendments to the RFP will become incorporated into any contract awarded pursuant to the RFP.

9.22 **Proprietary Information**. Proposers submitting a proposal in response to this RFP must provide a statement that nothing contained in the submitted proposal will be proprietary. However, if a proposer desires to claim a privilege against public disclosure for a trade secret or other proprietary information, such information must be submitted with the proposal in a separate envelope marked "confidential." The City Attorney's Office will determine if the information is in fact proprietary, based on state and federal law. Note that under California law, a price proposal to a public agency is not a trade secret. The Consultant shall defend, indemnify and hold harmless the City regarding any claim by any third party for the public disclosure of the "confidential" portion of the proposal.

9.23 **Right to Request Additional Information**. During the evaluation process, the City reserves the right, where it may serve the best interests of the City, to request additional information and clarifications from proposers. Such information will be requested in writing to the specific proposer. This information will become a part of the original proposal submitted by the specific proposer and will be used by the City in evaluating the proposal and will not be shared with other proposers during the evaluation and negotiation process.

9.24 **Modification of Proposals**. Modification of a proposal already received will be considered only if the modification is received prior to the deadline date for receiving proposals. All modifications shall be made in writing, executed, and submitted in the same form and manner as the original proposal.

9.25 **Examination of Contract Documents**. Each proposer shall thoroughly examine and be familiar with the terms of this RFP, the sample contract attached as **Attachment B**, legal and procedural documents, general conditions, specifications, and addenda (if any), which will constitute the contract documents. Submission of a proposal shall constitute acknowledgement, upon which the City may rely, that the proposer has thoroughly examined and is familiar with the contract documents. Failure or neglect of a proposer to receive or examine any of the contract documents shall in no way relieve the proposer of any obligation with respect to their proposal or to the contract. No claim for additional compensation will be allowed which is based upon lack of knowledge of any contract document.

9.26 **Non-Discrimination**. The City maintains various policies related to contractual service providers. Among these is an anti-discrimination policy, which requires that the City's contractors not discriminate in hiring on the basis of gender, race, religion, sexual orientation, medical condition, and all other categories protected by law. Upon acceptance of a proposal, the City may request that the selected Consultant sign a statement affirming its compliance with this policy.

9.27 **No Assignment or Modifications.** This awarded contract is to be binding on the successors and assigns of the parties hereto. The services called for herein are deemed unique and except as provided herein Consultant shall not assign, transfer, subcontract, or otherwise substitute its interest in the agreement or any of its obligations herein without the written consent of the City. The Agreement may be modified only by a written amendment signed by the parties.

9.28 **Bankruptcy.** Upon filing for any bankruptcy or insolvency proceeding whether voluntary or involuntary, or upon the appointment of a receiver, trustee, or assignee for the benefit of creditors, the Consultant must notify the City immediately. Upon learning the actions herein identified, the City reserves the right, at its sole discretion, to cancel the contract.

## Attachment A

## PROPOSER'S CERTIFICATION

I hereby propose to furnish the goods or services specified in the Request for Proposals ("RFP"). I agree that my proposal will remain firm for a period of up to ninety (90) days in order to allow the City of Roseville ("City") adequate time to evaluate the qualifications submitted.

I have carefully examined the Request for Proposals and any other documents accompanying or made a part of this RFP. The information contained in this proposal is true and correct to the best of my knowledge and is signed under penalty of perjury under the laws of the State of California. I further certify that I am duly authorized to submit this proposal on behalf of the firm as its authorized agent and that the firm is ready, willing and able to perform if awarded the contract.

I further certify that this proposal is made without prior understanding, agreement, connection, discussion, or conspiracy with any other person, firm or corporation submitting a proposal for the same product or service; that this proposal is fair and made without outside control, collusion, fraud or illegal action; that no officer, employee or agent of the City or any other proposer is financially interested in said proposal; that no undue influence or pressure was used against or in concert with any officer, employee or agent of the City in connection with the award or terms of the contract that will be executed as a result of this RFP; and that the undersigned executed this Proposer's Certification with full knowledge and understanding of the matters therein contained and was duly authorized to do so.

## SAMPLE CONTRACT

**PROFESSIONAL SERVICES AGREEMENT**

Project: _____

THIS AGREEMENT is made and entered into this ___ day of _____, 20__, by and between the City of Roseville, a municipal corporation ("CITY"), and _____., a _____ ("CONSULTANT"); and

W I T N E S S E T H:

WHEREAS, CITY desires professional services consisting of _____ _____; and

WHEREAS, CONSULTANT has prepared a proposal dated _____, which describes the scope of work to be performed by CONSULTANT, the budget for the work, and the schedule for performance of the work; and

WHEREAS, CONSULTANT is qualified and experienced to provide professional services related to _____.

NOW, THEREFORE, the parties agree as follows:

1. Services. CONSULTANT shall perform, at the direction of CITY, the scope of services as described in EXHIBIT "A," attached hereto and incorporated herein by this reference.

2. Compensation. For its services provided hereunder, CONSULTANT shall be compensated on a time and expense basis in accordance with the budget estimate as described in

EXHIBIT "B," attached hereto and incorporated herein by this reference. Total compensation shall not exceed _____ dollars ($_____).

CONSULTANT shall submit one monthly invoice for its services. Such invoices shall be delineated by task, the person performing the services, and the hourly rate, which shall be stated in time increments of not greater than one tenth (1/10) hours. CITY shall pay invoices within thirty (30) days after receipt, if the services specified in the invoice have been satisfactorily completed.

3. Indemnification. To the fullest extent allowed by law, CONSULTANT shall defend, indemnify, and save and hold harmless CITY, its officers, agents, employees and volunteers from any claims, suits or actions of every name, kind and description brought forth, or on account of, injuries to or death of any person (including but not limited to workers and the public), or damage to property, resulting from or arising out of CONSULTANT's willful misconduct or negligent act or omission while engaged in the performance of obligations or exercise of rights created by this Agreement, except those matters arising from CITY's sole negligence or willful misconduct. The parties intend that this provision shall be broadly construed.

CONSULTANT's responsibility for such defense and indemnity obligations shall survive the termination or completion of this Agreement for the full period of time allowed by law. The defense and indemnity obligations of this Agreement are undertaken in addition to, and shall not in any way be limited by, the insurance obligations contained in this Agreement.

4. Insurance. CONSULTANT agrees to continuously maintain, in full force and effect, the following minimum policies of insurance during the term of this Agreement.

| COVERAGE | LIMITS OF LIABILITY |
|---|---|
| Workers' Compensation | Statutory |
| Commercial General Liability | $1,000,000 each occurrence<br>$2,000,000 aggregate<br>Personal Injury:<br>$1,000,000 each occurrence<br>$2,000,000 aggregate |
| Automobile Liability | $1,000,000 combined single limit |
| Professional Liability (errors and omissions) | $1,000,000 per claim<br>$2,000,000 aggregate |

a. Form. CONSULTANT shall submit a certificate evidencing such coverage for the period covered by this Agreement in a form satisfactory to Risk Management and the City Attorney, prior to undertaking any work hereunder. Any insurance written on a claims made basis is subject to the approval of Risk Management and the City Attorney.

b. Additional Insureds. CONSULTANT shall also provide a separate endorsement form or section of the policy showing CITY, its officers, agents, employees and volunteers as additional insureds for each type of coverage, except for Workers' Compensation and Professional Liability. Such insurance shall specifically cover the contractual liability of CONSULTANT. The additional insured coverage under the CONSULTANT's policy shall be primary and noncontributory, as evidenced by a separate endorsement or section of the policy, and shall not seek contribution from CITY's insurance or self-insurance. In addition, the additional insured coverage shall be at least as broad as the Insurance Services Office ("ISO") CG 20 01 Endorsement. Any available insurance proceeds in excess of the specified minimum insurance coverage requirements and limits shall be available to the additional insureds. Furthermore, the requirements for coverage and limits shall be: (1) the minimum coverage and

limits specified in this Agreement; or (2) the full coverage and maximum limits of any insurance proceeds available to the named insureds, whichever is greater.

c. Cancellation/Modification. CONSULTANT shall provide ten (10) days written notice to CITY prior to cancellation or modification of any insurance required by this Agreement.

d. Umbrella/Excess Insurance. The limits of insurance required in this Agreement may be satisfied by a combination of primary and excess insurance. Any excess insurance shall contain or be endorsed to contain a provision that such coverage shall also apply on a primary and noncontributory basis for the benefit of CITY (if agreed to in a written contract) before CITY's own insurance shall be called upon to protect it as a named insured.

e. Subcontractors. CONSULTANT agrees to include in its contracts with all subcontractors the same requirements and provisions of this Agreement, including the indemnity and insurance requirements, to the extent they apply to the scope of the subcontractor's work. Furthermore, CONSULTANT shall require its subcontractors to agree to be bound to CONSULTANT and CITY in the same manner and to the same extent as CONSULTANT is bound to CITY under this Agreement. Additionally, CONSULTANT shall obligate its subcontractors to comply with these same provisions with respect to any tertiary subcontractor, regardless of tier. A copy of CITY's indemnity and insurance provisions will be furnished to the subcontractor or tertiary subcontractor upon request.

f. Self-Insured Retentions. All self-insured retentions ("SIR") must be disclosed to Risk Management for approval and shall not reduce the limits of liability. Policies containing any SIR provision shall provide or be endorsed to provide that the SIR may be satisfied by either the named insured or CITY. CITY reserves the right to obtain a full

certified copy of any insurance policy and endorsements. The failure to exercise this right shall not constitute a waiver of such right.

g. Waiver of Subrogation. CONSULTANT hereby agrees to waive subrogation which any insurer of CONSULTANT may acquire from CONSULTANT by virtue of the payment of any loss under a Workers Compensation, Commercial General Liability or Automobile Liability policy. All Workers Compensation, Commercial General Liability and Automobile Liability policies shall be endorsed with a waiver of subrogation in favor of CITY, its officers, agents, employees and volunteers for all worked performed by CONSULTANT, its employees, agents and subcontractors.

h. Liability/Remedies. Insurance coverage in the minimum amounts set forth herein shall not be construed to relieve CONSULTANT of liability in excess of such coverage, nor shall it preclude CITY from taking such other actions as are available to it under any other provisions of this Agreement or law.

5. Records. CONSULTANT and its subcontractors shall maintain all files and records relating to the services performed hereunder during the term of this Agreement and for a period of not less than one (1) year after the date of termination or expiration. Provided, however, that in the event of litigation or settlement of claims arising from the performance of this Agreement, CONSULTANT and its subcontractors shall maintain all files and records until such litigation, appeals or claims are resolved. Duly authorized representatives of CITY shall have right of access during normal business hours and after reasonable notice to CONSULTANT's and subcontractors' files and records relating to the services performed hereunder, and may review and copy the files and records at appropriate stages during performance of the services and during the one (1) year period following termination or

expiration of this Agreement. CONSULTANT shall include this provisions in its contracts with all subcontractors.

6. Time is of the Essence. Time is of the essence of this Agreement.

7. Compliance with Laws. CONSULTANT shall comply with all federal, state and local laws, ordinances and policies as may be applicable to the performance of services under this Agreement.

8. Ability to Perform. CONSULTANT agrees and represents that it has the time, ability and professional expertise to perform the services required under this Agreement.

9. Governing Agreement. In the event of any conflict between this Agreement and its EXHIBITS, the provisions of this Agreement shall govern. In the event of any conflict between any of the EXHIBITS, the provisions of the first in order of attachment shall govern.

10. Assignment. CONSULTANT is employed to perform unique personal services. CONSULTANT shall not assign this Agreement without the prior written consent of CITY. CONSULTANT shall not employ or otherwise incur any obligation to pay other specialists or experts for services in connection with this Agreement, without prior written consent of CITY.

11. Independent Contractor. CONSULTANT shall act as an independent contractor, and covenants and agrees that it will conduct itself consistent with such status, that it will neither hold itself out as, nor claim to be, an officer or employee of CITY by reason of this Agreement.

12. Representations and Warranties. CONSULTANT warrants that it has not employed or retained any company or person, other than a bona fide employee working for CONSULTANT, to solicit or secure this Agreement, and that it has not paid or agreed to pay any company or person, other than a bona fide employee, any fee, commission, percentage, brokerage fee, gift or any other consideration, contingent upon or resulting from the award or

making of this Agreement. For breach or violation of this warranty, CITY shall have the right to terminate as void this Agreement, without liability, or, in its discretion, to deduct from the Agreement price or consideration, or otherwise recover, the full amount of such fee, commission, percentage, brokerage fee, gift or contingent fee.

13. Successors in Interest. This Agreement shall be binding upon the heirs, successors, executors, administrators and assigns of the respective parties hereto.

14. Copyright, Ownership and Use of Materials. All tangible material ("Material") created or delivered pursuant to this Agreement is considered a work made for hire under the Copyright Act. To the extent such Material does not qualify as a work made for hire, CONSULTANT hereby assigns to CITY all right, title, and interest, including but not limited to all copyrights, in all Material created by CONSULTANT in its performance under this Agreement. Material constitutes the scope of work outlined in Exhibit A and attached hereto, and all written and other tangible expressions, including but not limited to, drawings (including computer aided drawings), papers, documents, reports, surveys, renderings, exhibits, sketches, maps, models, prints, paintings or photographs, in any and all media or formats in which such materials have been created or are maintained. All Material furnished by CONSULTANT is, and shall remain, the property of CITY.

CONSULTANT shall execute any documents necessary to effectuate such assignment. In the event that CONSULTANT uses, employs, designates, or retains any person or entity who is not an employee of CONSULTANT, to perform any work required of it pursuant to this Agreement, CONSULTANT shall require said person or entity to execute an agreement containing the preceding paragraph.

15. Termination of Agreement. The City may terminate this Agreement without cause by giving CONSULTANT ten (10) days advance written notice from the City Manager. CONSULTANT may terminate this Agreement without cause by giving CITY thirty (30) days advance written notice. In the event of termination through no fault of CONSULTANT, CITY shall compensate CONSULTANT for services performed as of the date of termination, upon the release to CITY of all Material hereunder, in any and all media or formats in which such materials have been created or are maintained. CITY retains the right to receive and use any Material, notwithstanding any termination or any dispute regarding the amount to be paid.

16. Attorney's Fees; Venue; Governing Law. If either party commences any legal action against the other party arising out of this Agreement or the performance hereof, the prevailing party in such action shall be entitled to recover its reasonable litigation expenses, including but not limited to, court costs, expert witness fees, discovery expenses, and attorney's fees. Any action arising out of this Agreement shall be brought in Placer County, California, regardless of where else venue may lie. This Agreement shall be governed by and construed in accordance with the laws of the State of California.

17. Modification. This Agreement and each provision contained herein may be waived, amended, supplemented or eliminated only by mutual written agreement of the parties.

18. Severability. If any of the provisions contained in this Agreement are for any reason held invalid or unenforceable, such holding shall not affect the remaining provisions or the validity and enforceability of the Agreement as a whole.

19. Notices. Any notices to parties required by this Agreement shall be delivered personally or mailed, U.S. first class postage prepaid, addressed as follows:

| CITY OF ROSEVILLE | CONSULTANT |
|---|---|
| _____ | _____ |
| _____ | _____ |
| _____ | _____ |
| _____ | _____ |

Either party may amend its address for notice by giving notice to the other party in writing.

20. Integrated Agreement. This is an integrated agreement and contains all of the terms, considerations, understanding and promises of the parties. It shall be read as a whole.

IN WITNESS WHEREOF, the City of Roseville, a municipal corporation, has authorized the execution of this Agreement in duplicate by its City Manager and attested to by its City Clerk under the authority of Resolution No. _____, adopted by the Council of the City of Roseville on the ___ day of _____, 20__, and CONSULTANT has caused this Agreement to be executed.

| **Title:** | Downtown Library Vision Plan - Professional Design Services Agreement |
| **Contact:** | Tara Gee 916-774-5253 tgee@roseville.ca.us |

## SUMMARY

Staff recommends approval of a professional design services agreement with Group 4 Architecture Research + Planning, Inc. in the amount of $124,329 to provide architectural services to develop a Downtown Library Vision Plan. Funding is included in the Facilities Rehabilitation Fund approved in the FY2024-25 Capital Improvement Program budget and amended in FY2025-26.

## RECOMMENDATION

Staff recommends that the City Council adopt a resolution to approve a professional design service agreement with Group 4 Architecture Research + Planning, Inc. for the Downtown Library Vision Plan and authorize the City Manager to execute it on behalf of the City of Roseville.

## BACKGROUND

Funding for this project was originally approved as a front desk relocation at the Downtown Library. It was approved during the FY2024-25 CIP budget process.

It was subsequently determined that the library, as currently used, is not effectively being utilized to its fullest potential. This project will re-imagine the Downtown Library, creating a destination place that feels safe and welcoming. This aged facility provides many unique opportunities for more programming, events, additional computer workstations and more. The request to redirect the approved funds from the front desk relocation to hire a Consultant to create a vision plan for the Downtown Library was approved in March 2025. The Downtown Library Vision Plan will incorporate recommendations from the risk assessment and assist in prioritizing building renovation needs, including the costs associated with the recommended renovations. It is anticipated that the vision plan will create a ten-year plan, identifying priorities based on feedback and costs as well as identifying alternative funding sources.

A Request for Proposals (RFP) was issued in October 2025. Eight firms responded to the RFP. The top three ranked were interviewed in January 2026 and the top selection, Group 4 Architecture Research + Planning, Inc. is recommended for award.

## FISCAL IMPACT

Funding for the original front desk relocation project was approved in FY2024-25 through the Facilities Rehabilitation Fund. Approval to redirect these funds to the Downtown Library Vision Plan was provided in March 2025. There will be no additional General Fund impact to develop this Plan.

## ENVIRONMENTAL REVIEW

The California Environmental Quality Act (CEQA) only applies to projects which have the potential to cause a significant effect on the environment. Where it can be seen with certainty that there is no

possibility that the activity in question may have a significant effect on the environment, the activity is not subject to CEQA. (CEQA Guidelines §15061(b)(3)).

CITY COUNCIL STRATEGIC PLAN/OVERARCHING GOALS

1. Ensure a safe and healthy community
4. Invest in well-planned infrastructure and growth
6. Deliver exceptional City services

Respectfully Submitted,

**PROFESSIONAL DESIGN SERVICES AGREEMENT**

Downtown Library Vision Plan

THIS AGREEMENT is made and entered into this ___ day of _____, 20__, by and between the City of Roseville, a municipal corporation ("CITY"), and Group 4 Architecture Research + Planning, Inc., a California corporation("CONSULTANT"); and

W I T N E S S E T H:

WHEREAS, CITY desires professional design services consisting of architectural services assessing the current conditions of the Downtown Library and creating a vision plan to maximize the use of the building or library services, special event and more; and

WHEREAS, CONSULTANT has prepared a proposal dated October 16, 2025, which describes the scope of work to be performed by CONSULTANT, the budget for the work, and the schedule for performance of the work; and

WHEREAS, CONSULTANT is qualified and experienced to provide such professional design services.

NOW, THEREFORE, the parties agree as follows:

1. Services. CONSULTANT shall perform, at the direction of CITY, the scope of services as described in EXHIBIT "A," attached hereto and incorporated herein by this reference.

2. Compensation. For its services provided hereunder, CONSULTANT shall be compensated in accordance with the budget estimate as described in EXHIBIT "B," attached hereto and incorporated herein by this reference. Total compensation shall not exceed one hundred and twenty-four thousand, three hundred and twenty dollars ($124,320).

CONSULTANT shall submit monthly invoices for its services. Such invoices shall be delineated by task, the person performing the services, and the hourly rate, which shall be stated in time increments of not greater than one-tenth (1/10) hours. CITY shall pay invoices within thirty (30) days after receipt, if the services specified in the invoice have been satisfactorily completed.

3. Indemnification. To the fullest extent allowed by law, CONSULTANT agrees to indemnify, including the cost to defend CITY, and its officers, agents, employees and volunteers from any and all claims, demands, costs or liability that arise out of, or pertain to, or relate to the negligence, recklessness, or willful misconduct of CONSULTANT and its agents in the performance of services under this contract, but this indemnity does not apply to liability for damages for death or bodily injury to persons, injury to property, or other loss, arising from the sole negligence, willful misconduct or defects in design by CITY or the agents, servants, or independent contractors who are directly responsible to CITY, or arising from the active negligence of CITY. Notwithstanding any terms of this section, indemnification and defense obligations shall conform to California Civil Code Section 2782.8.

CONSULTANT agrees to defend and indemnify CITY if, despite the parties intent and practice, any venue, agency, or court with competent jurisdiction determines that CONSULTANT and/or any of its agents, officers, employees, volunteers, independent contractors, or subcontractors, are characterized as employee(s) of CITY.

CONSULTANT's responsibility for such defense and indemnity obligations shall survive the termination or completion of this Agreement for the full period of time allowed by law. The defense and indemnity obligations of this Agreement are undertaken in addition to, and shall not in any way be limited by, the insurance obligations contained in this Agreement.

4. Insurance. CONSULTANT agrees to continuously maintain, in full force and effect, the following minimum policies of insurance during the term of this Agreement.

| COVERAGE | LIMITS OF LIABILITY |
|---|---|
| Workers' Compensation | Statutory |
| Commercial General Liability | $2,000,000 each occurrence<br>$4,000,000 aggregate<br>Personal Injury:<br>$2,000,000 each occurrence<br>$4,000,000 aggregate |
| Automobile Liability | $1,000,000 combined single limit |
| Professional Liability (errors and omissions) | $2,000,000 per claim<br>$4,000,000 aggregate |

a. Form. CONSULTANT shall submit a certificate evidencing such coverage for the period covered by this Agreement in a form satisfactory to Risk Management and the City Attorney, prior to undertaking any work hereunder. Any insurance written on a claims made basis is subject to the approval of Risk Management and the City Attorney.

b. Additional Insureds. CONSULTANT shall also provide a separate endorsement form or section of the policy showing CITY, its officers, agents, employees and volunteers as additional insureds for each type of coverage, except for Workers' Compensation and Professional Liability. Such insurance shall specifically cover the contractual liability of CONSULTANT. The additional insured coverage under the CONSULTANT's policy shall be

primary and noncontributory, as evidenced by a separate endorsement or section of the policy, and shall not seek contribution from CITY's insurance or self-insurance. In addition, the additional insured coverage shall be at least as broad as the Insurance Services Office ("ISO") CG 20 01 Endorsement. Any available insurance proceeds in excess of the specified minimum insurance coverage requirements and limits shall be available to the additional insureds. Furthermore, the requirements for coverage and limits shall be: (1) the minimum coverage and limits specified in this Agreement; or (2) the full coverage and maximum limits of any insurance proceeds available to the named insureds, whichever is greater.

c. Cancellation/Modification. CONSULTANT shall provide ten (10) days written notice to CITY prior to cancellation or modification of any insurance required by this Agreement.

d. Umbrella/Excess Insurance. The limits of insurance required in this Agreement may be satisfied by a combination of primary and excess insurance. Any excess insurance shall contain or be endorsed to contain a provision that such coverage shall also apply on a primary and noncontributory basis for the benefit of CITY (if agreed to in a written contract) before CITY's own insurance shall be called upon to protect it as a named insured.

e. Subcontractors. CONSULTANT agrees to include in its contracts with all subcontractors the same requirements and provisions of this Agreement, including the indemnity and insurance requirements, to the extent they apply to the scope of the subcontractor's work. Furthermore, CONSULTANT shall require its subcontractors to agree to be bound to CONSULTANT and CITY in the same manner and to the same extent as CONSULTANT is bound to CITY under this Agreement. Additionally, CONSULTANT shall obligate its subcontractors to comply with these same provisions with respect to any tertiary subcontractor,

regardless of tier. A copy of CITY's indemnity and insurance provisions will be furnished to the subcontractor or tertiary subcontractor upon request.

f. Self-Insured Retentions. All self-insured retentions ("SIR") must be disclosed to Risk Management for approval and shall not reduce the limits of liability. Policies containing any SIR provision shall provide or be endorsed to provide that the SIR may be satisfied by either the named insured or CITY. CITY reserves the right to obtain a full certified copy of any insurance policy and endorsements. The failure to exercise this right shall not constitute a waiver of such right.

g. Waiver of Subrogation. CONSULTANT hereby agrees to waive subrogation which any insurer of CONSULTANT may acquire from CONSULTANT by virtue of the payment of any loss under a Workers Compensation of Professional Liability polity. All Workers Compensation policies shall be endorsed with a waiver of subrogation in favor of CITY, its officers, agents, employees and volunteers for all worked performed by CONSULTANT, its employees, agents and subcontractors.

h. Liability/Remedies. Insurance coverage in the minimum amounts set forth herein shall not be construed to relieve CONSULTANT of liability in excess of such coverage, nor shall it preclude CITY from taking such other actions as are available to it under any other provisions of this Agreement or law.

5. Records. CONSULTANT and its subcontractors shall maintain all files and records relating to the services performed hereunder during the term of this Agreement and for a period of not less than one (1) year after the date of termination or expiration. Provided, however, that in the event of litigation or settlement of claims arising from the performance of this Agreement, CONSULTANT and its subcontractors shall maintain all files and records until

such litigation, appeals or claims are resolved. Duly authorized representatives of CITY shall have right of access during normal business hours and after reasonable notice to CONSULTANT's and subcontractors' files and records relating to the services performed hereunder and may review and copy the files and records at appropriate stages during performance of the services and during the one (1) year period following termination or expiration of this Agreement. CONSULTANT shall include this provision in its contracts with all subcontractors.

6. Time. Consultant's services shall be performed as expeditiously as is consistent with professional skill and care and the orderly progress of the work

7. Prevailing Wages. When applicable, for purposes of this Agreement, CONSULTANT and its subcontractors shall comply with all applicable prevailing wage laws, e.g., but not limited to, California Labor Code Sections 1770 et seq. In accordance with said Section 1775, CONSULTANT shall forfeit as a penalty to the City two hundred dollars ($200) for each calendar day or portion thereof for each worker paid less than the prevailing rates for such work or craft in which such worker is employed for any work done on-site under the Agreement by CONSULTANT or by any subcontractor in violation of the provisions of the Labor Code and in particular, Labor Code Sections 1770 to 1780, inclusive. In addition to said penalty and pursuant to said Section 1775, the difference between such stipulated prevailing wage rates and the amount paid to each worker for each calendar day or portion thereof for which each worker was paid less than the stipulated prevailing wage shall be paid to each worker by CONSULTANT or the applicable subcontractor.

Pursuant to the provisions of California Labor Code Section 1773, the contracting department has identified the source, stated below, of the general prevailing rate of wages

applicable to the site to be done, for straight time, overtime, and holiday work. The holiday wage rate listed shall be applicable to all holidays recognized in the collective bargaining agreement of the particular craft, classification or type of worker concerned. These wage rates may be obtained from the State Department of Industrial Relations and/or the following website address: http://www.dir.ca.gov/dlsr/DPreWageDetermination.htm.

Pursuant to Labor Code Section 1773.2, general prevailing wage rates set forth above, which forms a part of this Agreement, shall be posted by CONSULTANT at a prominent place at the work site. Prevailing wage rates to be posted at the work site will be furnished by the contracting department. The possibility of wage increases is one of the elements to be considered by CONSULTANT in determining its proposal and will not under any circumstances be considered as the basis of a claim against CITY or the Agreement.

8. Compliance with Laws. CONSULTANT shall use due professional care to comply with all federal, state and local laws, ordinances and policies as may be applicable to the performance of services under this Agreement.

9. Public Contracts: Conflicts of Interest. CONSULTANT's duties and services under this Agreement shall not include preparing or assisting CITY with any portion of the CITY's preparation of a request for proposals, request for qualifications, or any other solicitation regarding a subsequent or additional contract with CITY. CITY shall at all times retain responsibility for public contracting, including with respect to any subsequent phase of this project. CONSULTANT's participation in the planning, discussions, or drawing of project plans or specifications shall be limited to conceptual, preliminary, or initial plans or specifications. CONSULTANT shall cooperate with CITY to ensure that all bidders for a subsequent contract

on any subsequent phase of this project have access to the same information, including all conceptual, preliminary, or initial plans or specifications prepared by CONSULTANT pursuant to this Agreement.

10. Ability to Perform. CONSULTANT agrees and represents that it has the time, ability and professional expertise to perform the services required under this Agreement.

11. Governing Agreement. In the event of any conflict between this Agreement and its EXHIBITS, the provisions of this Agreement shall govern. In the event of any conflict between any of the EXHIBITS, the provisions of the first in order of attachment shall govern.

12. Assignment. CONSULTANT is employed to perform unique personal services. CONSULTANT shall not assign this Agreement without the prior written consent of CITY. CONSULTANT shall not employ or otherwise incur any obligation to pay other specialists or experts for services in connection with this Agreement, without prior written consent of CITY.

13. Independent Contractor. CONSULTANT, inclusive of its agents, officers, employees, volunteers, independent contractors, and subcontractors, shall act as an independent contractor, and covenants and agrees that it will conduct itself consistent with such status, that it will neither hold itself out as, nor claim to be, an officer or employee of CITY by reason of this Agreement.

CONSULTANT and CITY agree that: (a) CONSULTANT is free from the control and direction of CITY in connection with the performance of the work; (b) CONSULTANT is providing services directly to CITY; (c) CONSULTANT has and will maintain at all relevant times a business license; (d) CONSULTANT maintains a business location that is separate from CITY; (e) CONSULTANT is customarily engaged in an independently established business of the same nature as that involved in the work performed

hereunder; (f) CONSULTANT actually contracts with other businesses to provide the same or similar services and maintains a clientele without restrictions from CITY; (g) CONSULTANT advertises and holds itself out to the public as available to provide the same or similar services; (h) CONSULTANT provides its own tools, vehicles, and equipment to perform the services; (i) CONSULTANT has negotiated its own rates; (j) CONSULTANT set its own hours and location of work in accomplishing CITY's on-call needs; and (k) CONSULTANT has the right to control the manner and means of accomplishing the result desired and exercises its own expert independent judgement.

14. Representation and Warranties. CONSULTANT warrants that it has not employed or retained any company or person, other than a bona fide employee working for CONSULTANT, to solicit or secure this Agreement, and that it has not paid or agreed to pay any company or person, other than a bona fide employee, any fee, commission, percentage, brokerage fee, gift or any other consideration, contingent upon or resulting from the award or making of this Agreement. For breach or violation of this warranty, CITY shall have the right to terminate as void this Agreement, without liability, or, in its discretion, to deduct from the Agreement price or consideration, or otherwise recover, the full amount of such fee, commission, percentage, brokerage fee, gift or contingent fee.

15. Successors in Interest. This Agreement shall be binding upon the heirs, successors, executors, administrators and assigns of the respective parties hereto.

16. Copyright, Ownership and Use of Materials. All tangible materials ("Material") created or delivered pursuant to this Agreement is considered a work made for hire under the Copyright Act. To the extent such Material does not qualify as a work made for hire, CONSULTANT hereby assigns to CITY all right, title, and interest, including but not limited to

all copyrights, in all Material created by CONSULTANT in its performance under this Agreement. Material constitutes the scope of work outlined in Exhibit A and attached hereto, and all written and other tangible expressions, including but not limited to, drawings, papers, documents, reports, surveys, renderings, exhibits, sketches, maps, models, prints, paintings or photographs, in any and all media or formats in which such materials have been created or are maintained. All Material furnished by CONSULTANT is, and shall remain, the property of CITY.

CONSULTANT shall execute any documents necessary to effectuate such assignment. In the event that CONSULTANT uses, employs, designates, or retains any person or entity who is not an employee of CONSULTANT, to perform any work required of it pursuant to this Agreement, CONSULTANT shall require said person or entity to execute an agreement containing the preceding paragraph.

17. Termination of Agreement. The City may terminate this Agreement without cause by giving CONSULTANT ten (10) days advance written notice from the City Manager. CONSULTANT may terminate this Agreement without cause by giving CITY thirty (30) days advance written notice. In the event of termination through no fault of CONSULTANT, CITY shall compensate CONSULTANT for services performed as of the date of termination, upon the release to CITY of all Material hereunder, in any and all media or formats in which such materials have been created or are maintained. CITY retains the right to receive and use any Material, notwithstanding any termination or any dispute regarding the amount to be paid.

18. Attorney's Fees; Venue; Governing Law. Any action arising out of this Agreement shall be brought in Placer County, California, regardless of where else venue may lie.

This Agreement shall be governed by and construed in accordance with the laws of the State of California.

19. Modification. This Agreement and each provision contained herein may be waived, amended, supplemented or eliminated only by mutual written agreement of the parties.

20. Severability. If any of the provisions contained in this Agreement is for any reason held invalid or unenforceable, such holding shall not affect the remaining provisions or the validity and enforceability of the Agreement as a whole.

21. Notices. Any notices to parties required by this Agreement shall be delivered personally or mailed, U.S. first class postage prepaid, addressed as follows:

| CITY OF ROSEVILLE | CONSULTANT |
|---|---|
| Parks, Recreation & Libraries Department<br>Attn: Tara Gee<br>316 Vernon Street, Suite 400<br>Roseville, CA 95678 | Group 4 Architecture, Research + Planning, Inc.<br>Attn: Andrea Gifford<br>211 Linden Avenue<br>South San Francisco, CA 94080 |

Either party may amend its address for notice by giving notice to the other party in writing.

22. Integrated Agreement. This is an integrated agreement and contains all of the terms, considerations, understanding and promises of the parties. It shall be read as a whole.

IN WITNESS WHEREOF, the City of Roseville, a municipal corporation, has authorized the execution of this Agreement in duplicate by its City Manager and attested to by its City Clerk under the authority of Resolution No. _____, adopted by the Council of the City of Roseville on the ___ day of _____, 20__, and CONSULTANT has caused this Agreement to be executed.

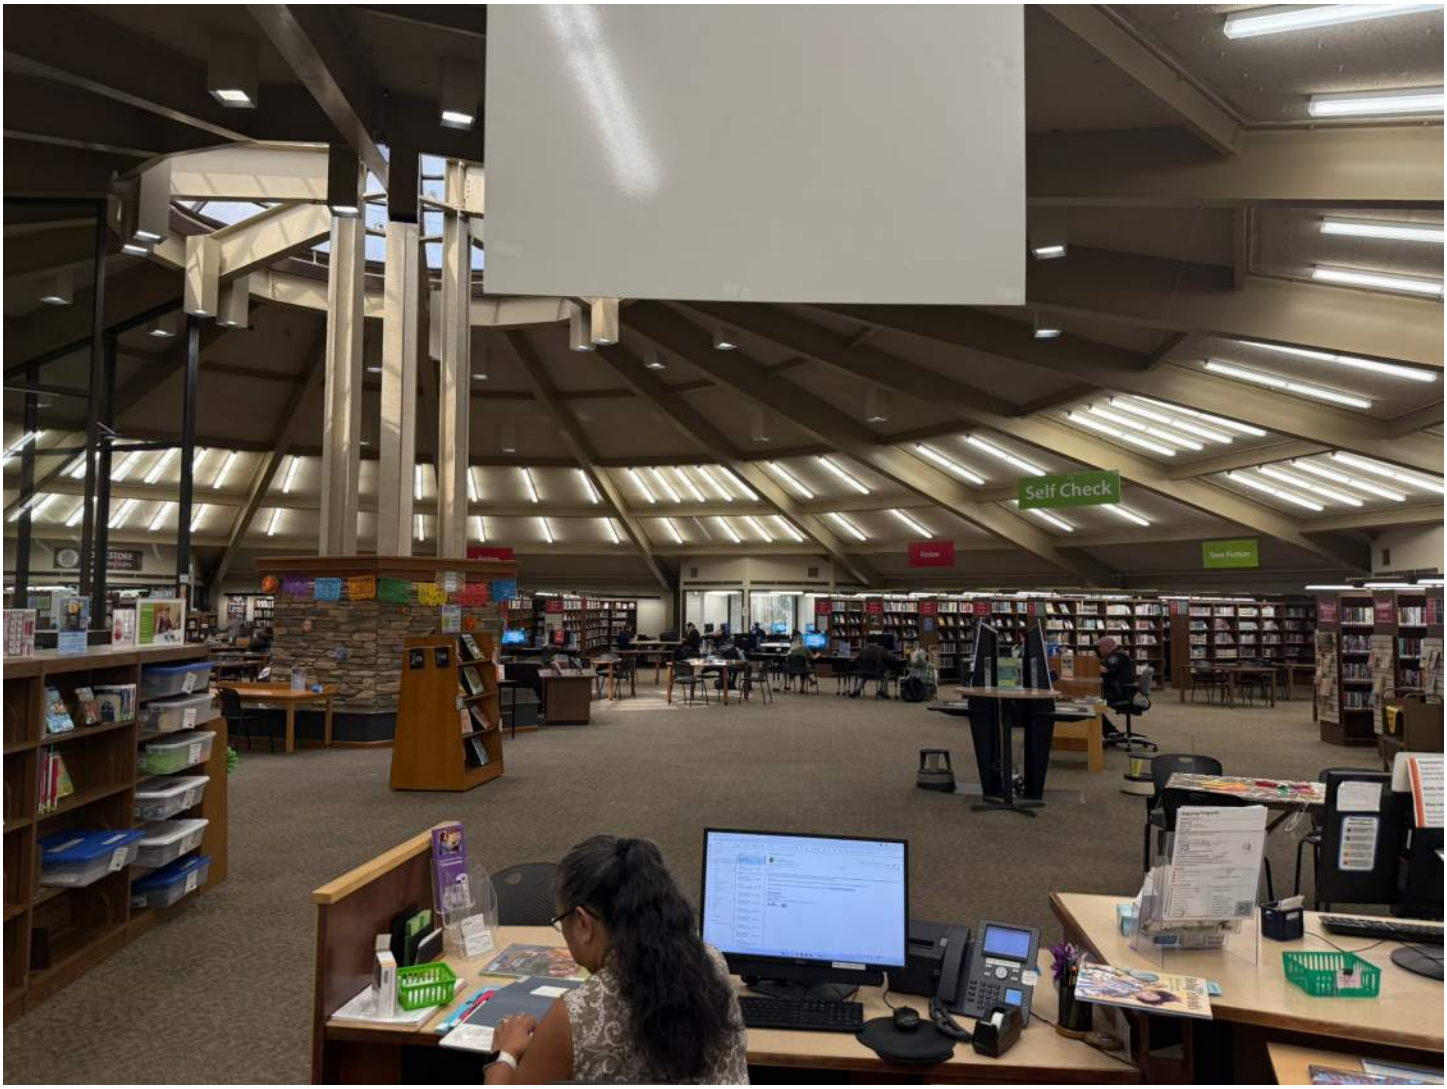
EXHIBIT “A”

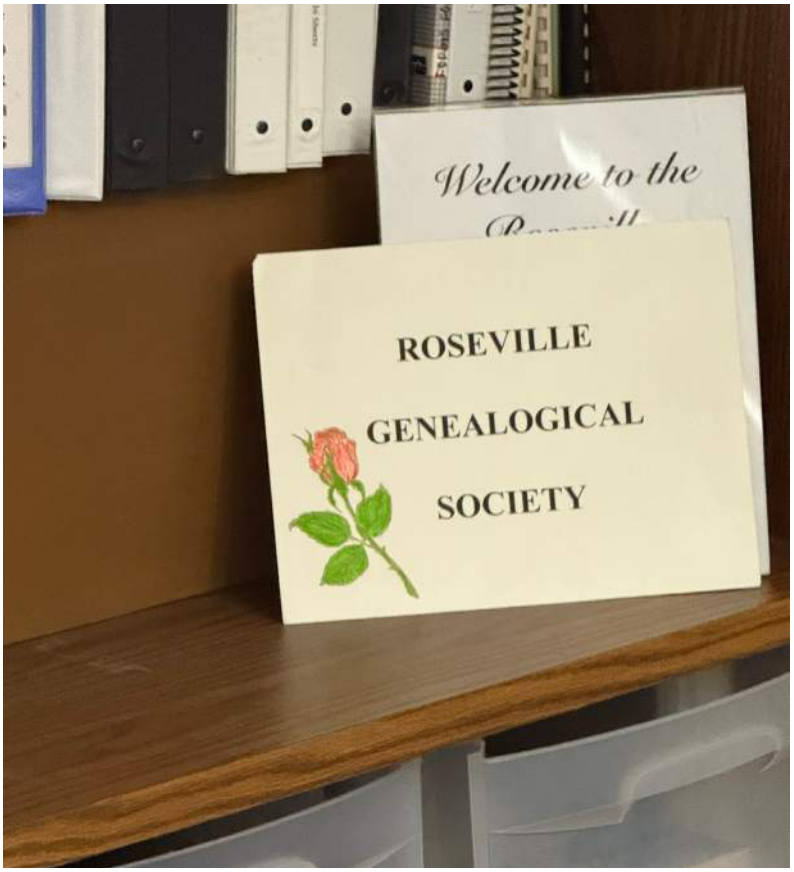
# D. PROJECT UNDERSTANDING



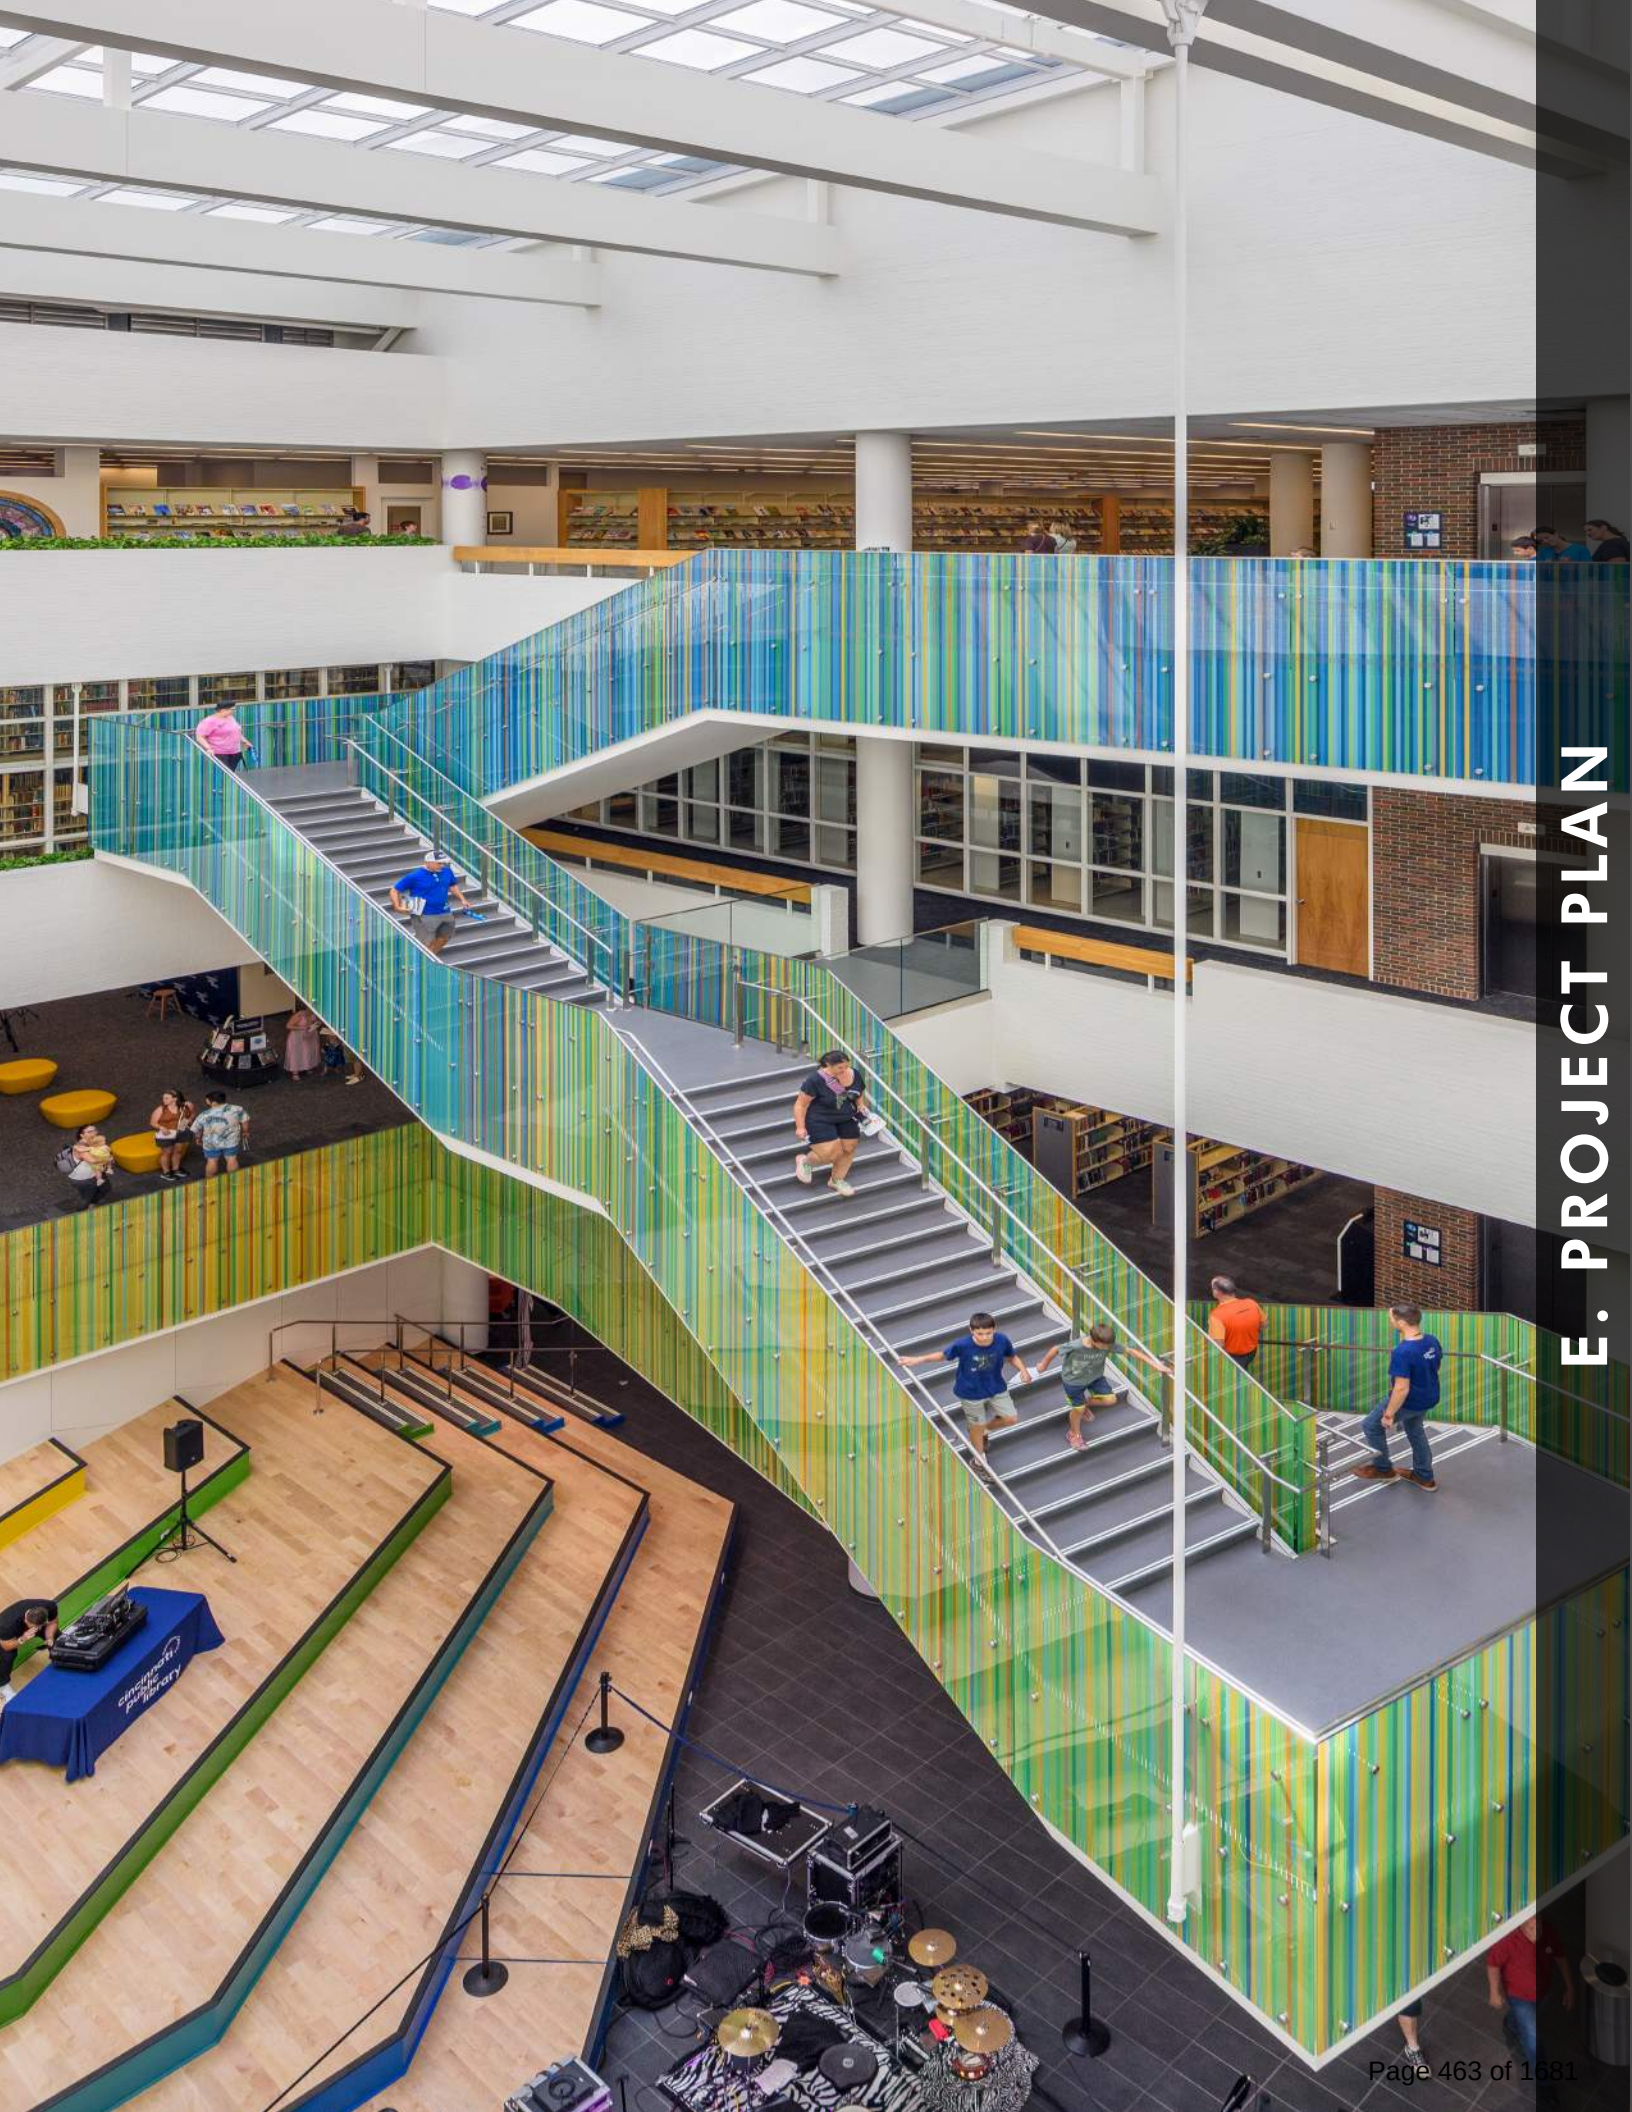
## PROJECT UNDERSTANDING

The City of Roseville seeks to reimagine its 1974 Downtown Library as a civic destination that revitalizes both community and downtown vitality. At roughly 31,600 square feet, this uniquely octagonal facility is a beloved landmark but faces challenges in space efficiency, accessibility, and operations. Currently attracting 120,000 annual visitors within a system serving 151,000 residents, the library provides a strong foundation for growth yet lacks the energy and mix of adaptable spaces and robust programming that define successful modern destination branches.

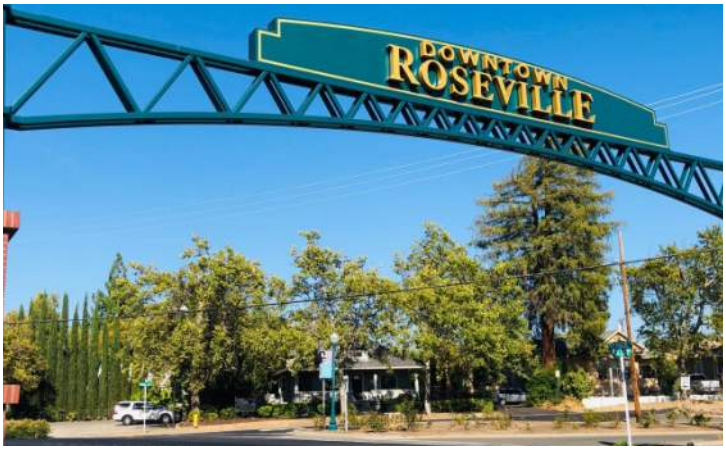
This Vision Plan offers the opportunity to transform the Downtown Library into a dynamic cultural and learning hub—one that supports Roseville's evolving population, embraces the City's Cultural Arts Division, and strengthens connections between library, arts, and public life. Key goals will include optimizing space for children, teens, and adults; creating flexible gathering and event areas; improving public and staff circulation; and exploring activation of the underused ground floor and outdoor areas for arts, gallery, and community use.



The planning process will integrate building assessment (including ADA and mechanical systems), community engagement, and concept-level cost and phasing strategies. Grounded in data and outreach, the Vision Plan will reflect the City's broader downtown reinvestment goals and its aspiration to provide safe, welcoming, inclusive, and efficient civic spaces. The outcome will be an implementable, community-backed roadmap that celebrates Roseville's heritage while positioning its Downtown Library to meet future needs through innovation, collaboration, and cultural expression.



# E. PROJECT PLAN



*The LVP will be a key driver in the City's downtown revitalization efforts*

## LIBRARY VISION PLAN (LVP)

The Roseville Downtown Library Vision Plan will:

- Evaluate current use of space, demographics collections, staffing and resources.
- Identify future space needs.
- Develop options for service model and space program
- Evaluate space needs relative to existing site and building constraints.
- Develop vision plan options.
- Identify projected capital needs for preferred vision option
- A draft and final Library Vision Plan with recommended phasing plan and costs estimates.

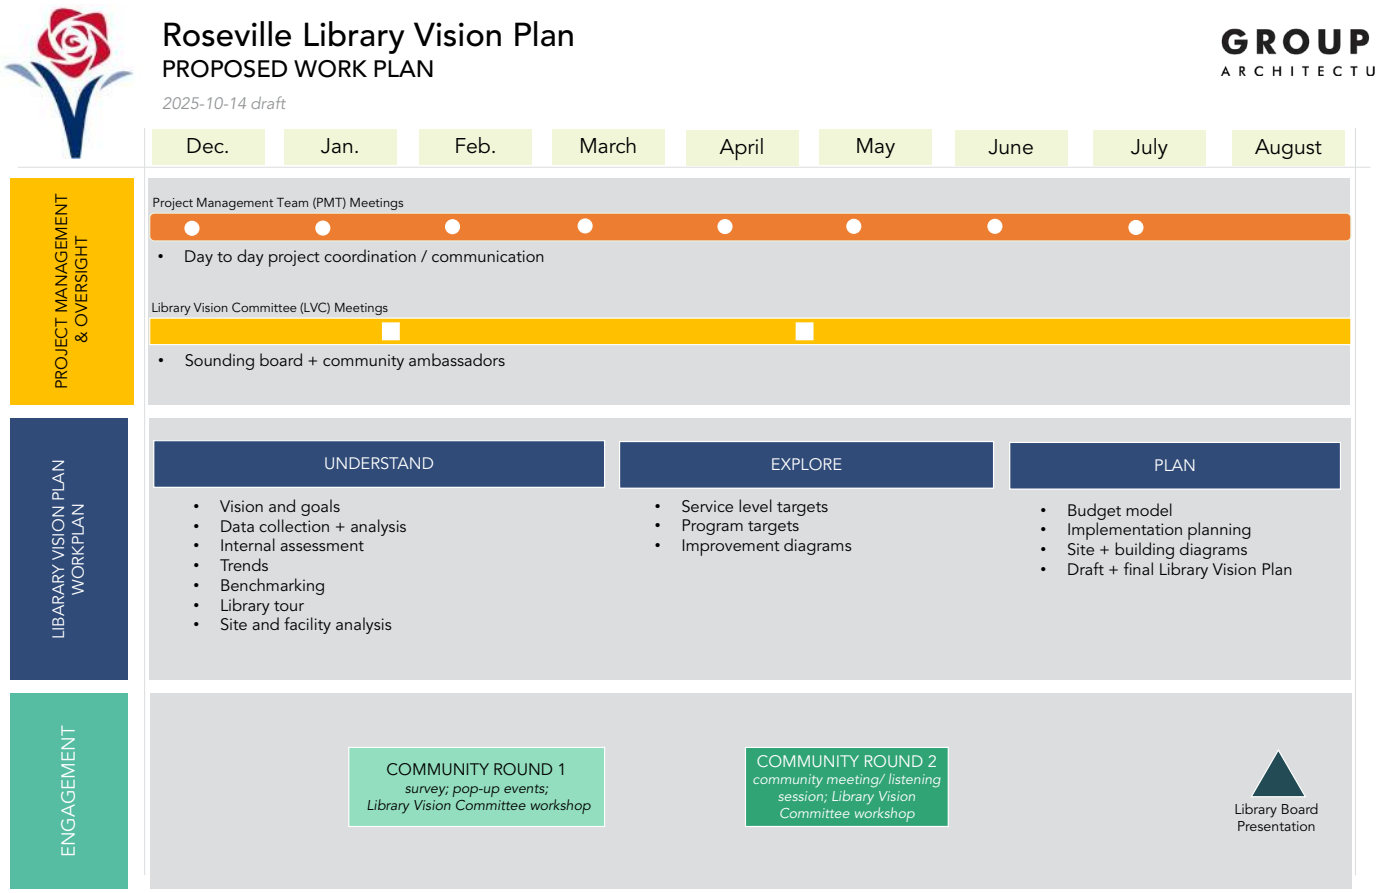
**The LVP process will progress through three phases:**

### UNDERSTAND > EXPLORE > PLAN

The key to successful vision planning is to understand, explore and plan using our judgment and substantial experience to explore solutions that are right for you. We drill down to get at the core issues, achieved through a comprehensive engagement strategy with the community, Library management, the Board and stakeholders. We then present these core findings to your team. Group 4 has the skill, capacity, and demonstrated experience to develop a participation plan that will build consensus, advocacy, and a project poised for implementation. We recommend establishing the following participation groups:

- A **Library Vision Committee (LVC)** will consist of senior staff representatives from the Library plus members of the Friends of the Library, the Library Board, Cultural Arts Team, Blue Line Arts, Teen Advisory Board, and the consultant team. This committee could also include families, children or other key users of the library. This group will be the primary sounding board that will interface with the consultant enabling its members to focus on offering perspectives and feedback on the plan analysis and recommendations throughout the process. The LVC will meet at least twice during the early stages of the project.
- A **Project Management Team (PMT)** will be a nimble group composed of key City and Library staff leadership to meet with Group 4 regularly to review day-to-day project communications and coordination. We will meet with the PMT at approximately three-to-four-week intervals. We will work closely with the PMT during project initiation to refine and confirm the project tasks, work flow, engagement strategies, time frame, communication channels, and collaboration methods. We will review project progress, including the status of deliverables and the project timeline, at each PMT meeting.

- **Community Engagement**. The LVP process will utilize a variety of engagement activities for the vision plan and include topics, information, and input opportunities related to facility improvement directions. For the general public we have found a "love, change, add" exercise to be both fun and effective dialog prompt to solicit input on existing conditions and future opportunities. We often share wonderful images or videos that bring to life some of the other current and emerging library trends of which the public may not be aware. Engagement strategies we will review and confirm with the PMT include:
  - » *a community survey, in multiple languages as appropriate, to learn more about needs, priorities, and desires.*
  - » *pop-up events in community locations across Roseville (e.g., farmers markets, parks, festivals) with goals and content comparable to the community survey. The Group 4 team will design the pop-up event and provide training to library staff on how to conduct this fun and effective methodology.*
  - » *one or two community meetings to share ideas on the roles that the Roseville Library currently plays in the community and how those roles might or should change in the future and/or to solicit feedback on program concepts and potential building options.*

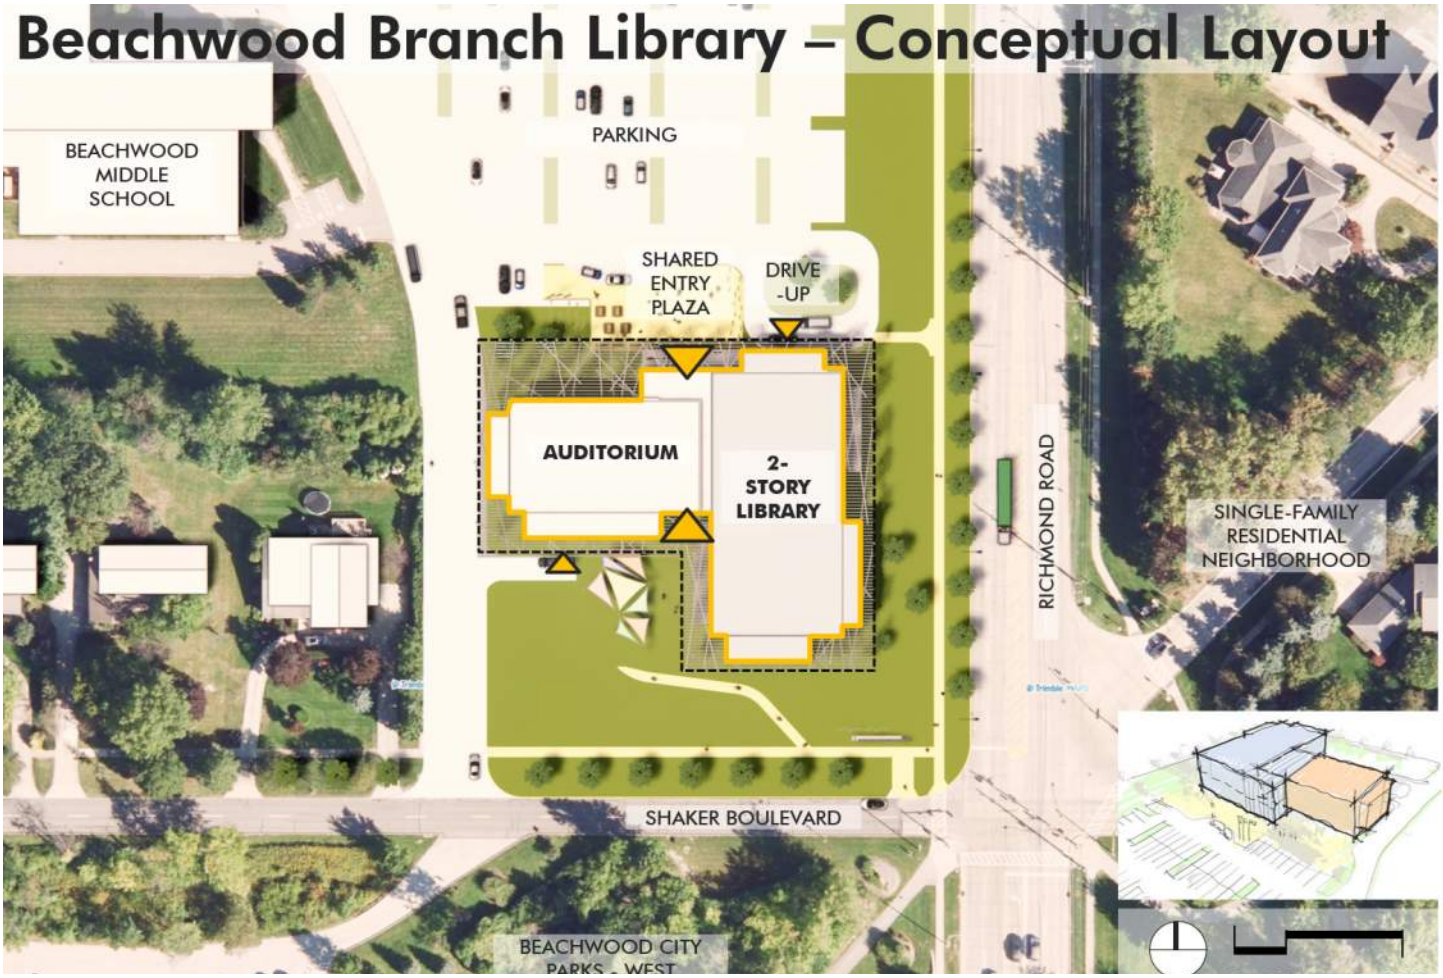


## PROPOSED WORK PLAN – BASIC SERVICES

We have developed our proposed work plan based on our understanding of the proposed Roseville Library Vision Plan project and our experience working with other communities on similar projects. Our proposed work plan has not yet had the benefit of the City's or Library's input. We look forward to working with you to tailor our scope and work plan to meet your project needs and budget requirements.

### TASK 1: UNDERSTAND

- **Data Collection and Analysis.** We will gather existing data that will include demographics, projections, and other available relevant community data provided through sources such as the City's Planning Departments and the US Census, etc.
- **Internal Assessment.** The project team will tour the Roseville Library, guided by staff familiar with the building and its operations, to observe how effectively they align with the Library's vision, supports emerging library service trends, and meets customer expectations. We will observe service-related issues such as layout, allocations of space, materials flow, customer experience, etc. We will review trends and leading practices in public libraries and benchmark the Library relative to other comparable facilities serving similar-sized populations.



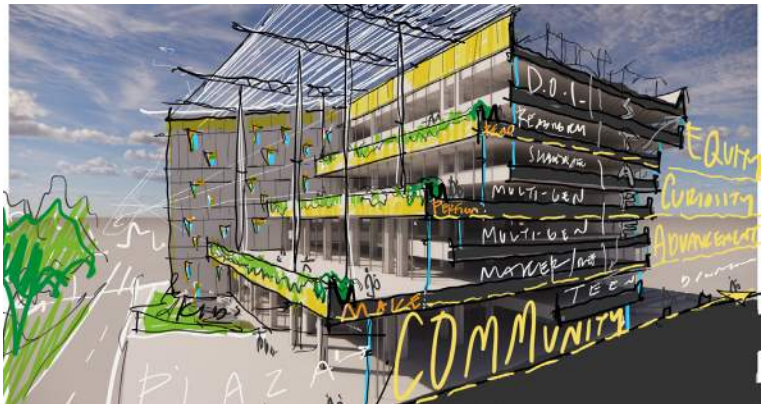
- **Site and Facility Analysis.** We will review architectural plans, historic to recent. Utilizing CAD, BIM (Building Information Model – e.g. Revit), or PDF source files provided by the City, we will prepare illustrative base site plan and floor plans. We will assess existing site parameters, conditions, and opportunities, such as zoning information, development capacity, vehicular/ pedestrian/ transit access, solar/ climatic orientation, views to/from the site, functional relationships with neighboring amenities, etc.

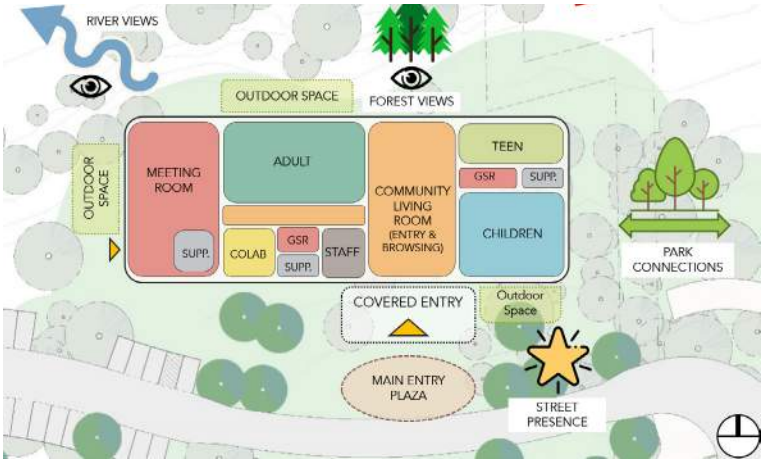
**Task 1 Deliverables:**

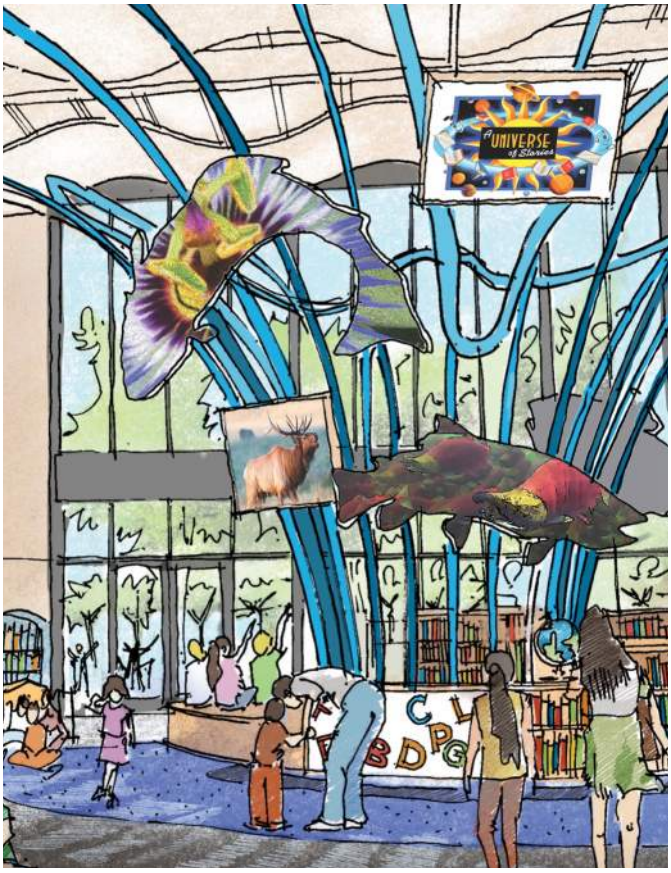
- Meeting agendas, exhibits, and summary notes
- Online survey
- Pop-up event exhibits and facilitation training
- Summary analysis of data collection, assessment, and site and facility analysis

**Task 1 Meetings/Engagement:**

- Project Management Team (PMT) meetings #1, 2, 3
- Library Vision Committee meeting #1
- Community survey – digital, pop-up







## TASK 2: EXPLORE

- **Service Level Targets.** We will work with Library staff to develop targets for key service components, including shelving for general and special collections (e.g., genealogy and local history), seating, computers/ technology, and program space capacity. These targets will incorporate the community's priorities from the online survey. They will form the basis for developing and evaluating different program options for the library.
- **Program Concepts.** We will synthesize the information into preliminary program options. With Library staff and the LVC, we will explore program concepts for public service areas in the library as well as opportunities for outdoor uses, such as children's outdoor program space. We will also work with Library staff to review program concepts and space needs for staff and support areas, including service desks on the public floor as well as back-of-house work space. High-level concepts can be brought to the community through pop-up events and/or community workshop if desired.
- **Library Facility Improvement Options.** We will prepare and present at least two bubble diagrams for different organizational strategies for the existing building for consideration. These will be illustrated with photograph annotated plan diagrams and other information. We will work with the City and the Library to evaluate the options from multiple perspectives, including library service and operations, anticipated project costs, potential funding strategies, and stakeholder and community priorities.

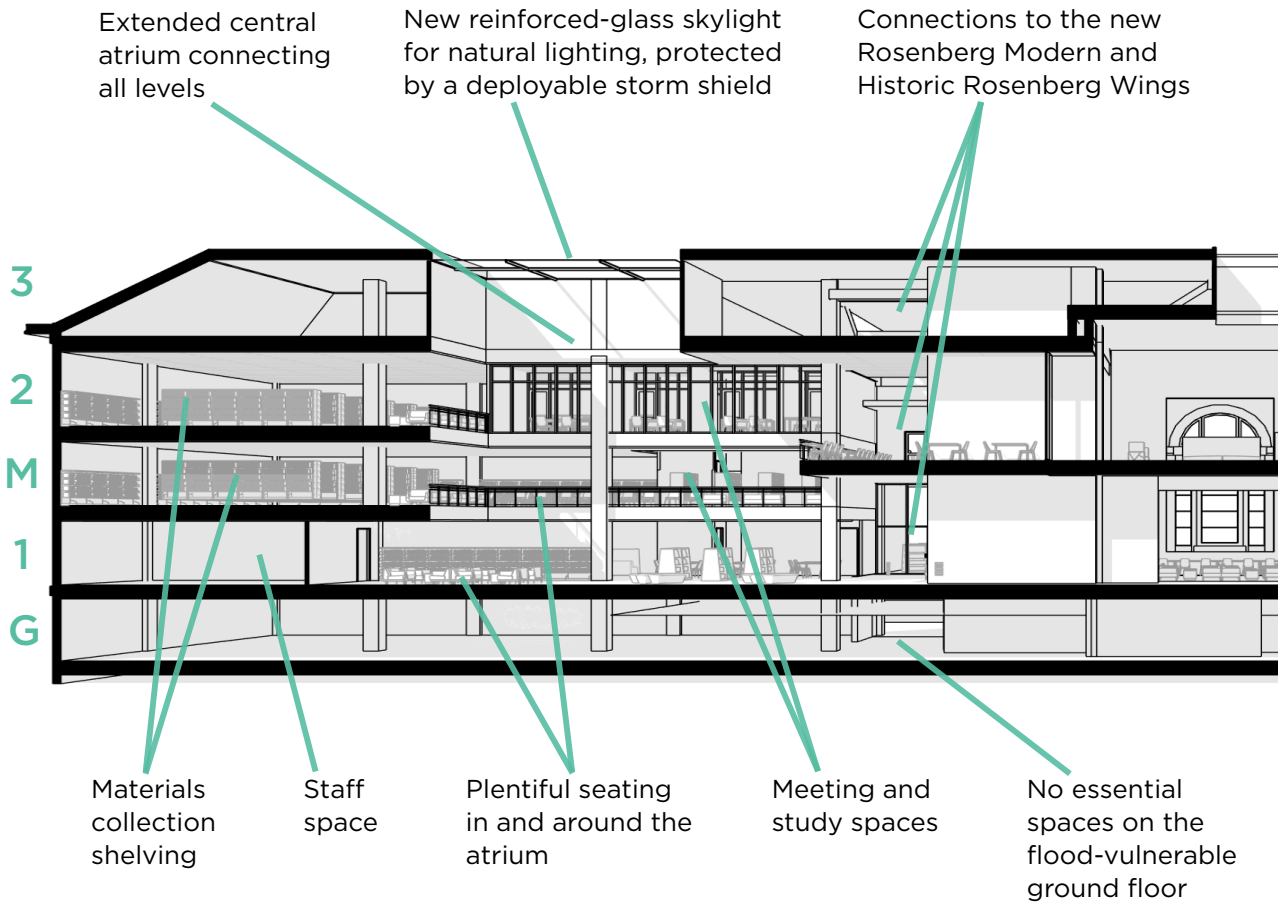
### Task 2 Deliverables:

- Meeting agendas, exhibits, and summary notes
- Service level target and program concepts
- Site and building layout diagrams

### Task 2 Meetings/Engagement:

- Project Management Team (PMT) meetings #4, 5, 6
- Library Vision Committee meeting #2
- Community meeting/ workshop

## CROSS-SECTION OF RENOVATED MOODY WING



*Rosenberg Library & Museum Vision Plan*

### TASK 3: PLAN

- **Project Budgeting.** We will initiate the development of our project cost model, including site and building construction costs, FF&E, shelving, library technology, public art, temporary facilities, moving costs, and other elements of the budget. We will incorporate available information about deferred and projected maintenance needs, as available.
- **Library Vision Plan.** In our final work product, we will prepare a Library Vision Plan. We will prepare a draft report for review by the PMT and will incorporate review comments into a final report document. We will present the recommendations to the Library Board at the conclusion of the project.

**Task 3 Deliverables:**

- Meeting agendas, exhibits, and summary notes
- Draft and final Library Vision Plan – site and building diagrams; project budget; preliminary implementation planning

**Task 3 Meetings/Engagement:**

- Project Management Team (PMT) meetings #7, 8
- Library Board Presentation

## ADDITIONAL SERVICES

Our proposed work plan and associated fee proposal includes the services of Group 4 and our cost consultant. At the City's request, we can provide a range of additional services to enhance the feasibility study and/or move the project into subsequent design phases. Options include a Facility Condition Assessment, an ADA Title II Accessibility Study, and/or other optional services listed in this section.

### OPTIONAL FACILITY CONDITION ASSESSMENT

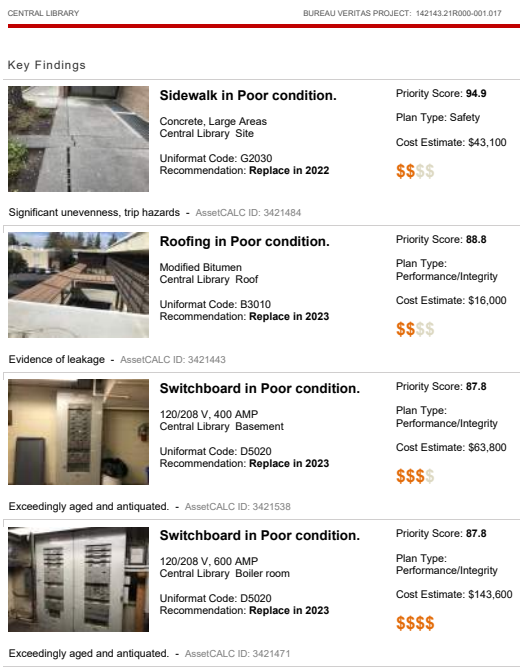
Bureau Veritas (BVTA) can provide a technical facility condition assessment (FCA) of the existing site and building. BVTA will review City-provided information about the facility, including maintenance records, and conduct a thorough walk-through of the building. Based on their observations and information review, they will produce a detailed report for the facility with detailed description of its current condition; estimated life expectancy of building systems and components; identification, prioritization, and recommended corrections for current deficiencies; and recommended renewal and replacement costs and timeline. The recommended projects, timeframe, and cost data can also be provided as a data file suitable for importing into the City's management system.

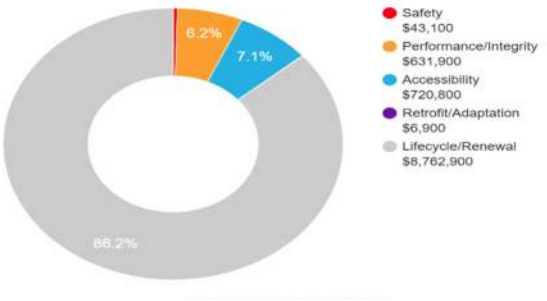
As part of the FCA, BVTA will provide a general statement of the property's conformity to Title III of the Americans with Disabilities Act (ADA), based upon limited visual observation during the walk-through survey of a limited sample of areas. This will not constitute a full ADA survey, but will help identify exposure to issues and rough order of magnitude budgets to address barriers to access in the site and building.

### OPTIONAL ADA TITLE II ACCESSIBILITY STUDY

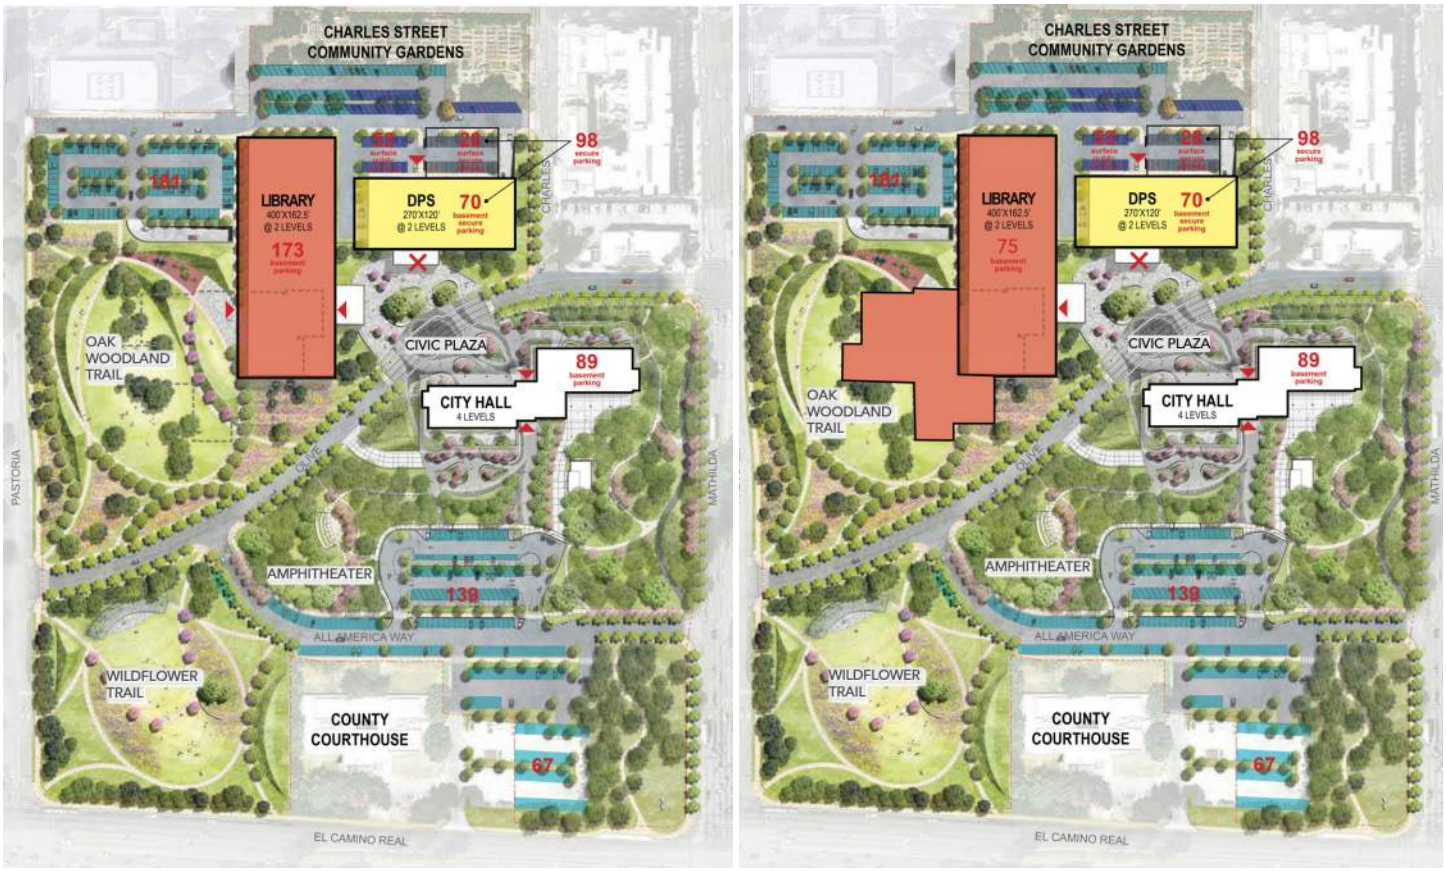
For BVTA can also develop an ADA Title II Accessibility Study. An assessor will visit the property to observe the exterior areas and interior common areas to assess the existing property improvements' compliance with the Americans with Disabilities Act and its implementing regulations for Title II entities (28 C.F.R Part 35), the 2010 ADA Standards for Accessible Design, and applicable state and local accessibility codes. BVTA will produce a report which identifies the facility's compliance with accessibility requirements and identifies specific barriers, with resolutions for barrier removal, and corresponding preliminary order of magnitude cost estimates.

All City-controlled features of the property will be subject to observation, including but not be limited to parking lots, sidewalks, ramps, curb ramps, stairs, and restrooms. All exterior elements and elements within the interior areas, which are subject to accessibility regulation, will be observed.





*Samples from BVTA's Facility Condition Assessments for the Sonoma County Library Facilities Master Plan*



*Sunnyvale Main Library Concept Options*

## OTHER OPTIONAL ADDITIONAL SERVICES

Group 4 is a full-service planning and architectural practice and can provide a range of services beyond those requested in the RFP, including without limitation:

- Additional meetings, presentations, and engagement strategies beyond those identified in Basic Services.
- Civil engineering
- Parking/traffic studies
- Other engineering or specialty consultants
- Environmental studies
- Computer modeling/animation
- Physical scale models
- Renderings
- Design and construction-phase services

Re: DOWNTOWN LIBRARY VISION PLAN: RFP #13-174

Dear Ms. Gee and Members of the Selection Committee:

Group 4 is proposing the fees below associated with the basic services scope, work plan, and project schedule described in our proposal. These fees include Group 4's work as well as the services of our cost consultant. Our schedule of hourly rates is enclosed with this letter.

| | Basic Services | Fee | Expenses Allowance | Total NTE |
|---|---|---|---|---|
| Task 1 | Understand | $ 49,100 | | |
| Task 2 | Explore | $ 44,300 | | |
| Task 3 | Plan | $ 25,000 | | |
| | Basic Services: | $ 118,400 | $ 5,920 | $ 124,320 |

At the City's option, we can also add Bureau Veritas Technical Services to the team for Facility Condition Assessment ($7,700.00) and/or ADA Title II Assessment ($6,600.00) services.

We look forward to the opportunity to review our proposed approach, timeline, and fees with the City to meet your project and budget needs. Please do not hesitate to contact me with questions. '

Sincerely,

**SCHEDULE OF PROFESSIONAL SERVICES**
**Effective through December 31, 2025**

| | Hourly Rate |
|---|---|
| Principal in Charge | $280.00 |
| Principal | $270.00 |
| Associate | $250.00 |
| Project Manager | $215.00 |
| Architect III | $210.00 |
| Architect II | $200.00 |
| Architect I | $195.00 |
| Architectural Staff III | $185.00 |
| Architectural Staff II | $175.00 |
| Architectural Staff I | $165.00 |
| Interior Designer II / Planner II | $175.00 |
| Interior Designer I / Planner I | $165.00 |
| Project Support | $140.00 -$250.00 |
| Consulting Principal | $345.00 |

Consultants to the Architect will be billed at 1.15 times direct cost.

Reimbursable expenses related to the project, whether for in-house, consultant or client use, will be billed at 1.15 times direct cost. Such expenses include, but are not necessarily limited to:

- Plotting of check sets and presentation drawings.
- Outside service scanning, printing, copying of drawings and documents of any size.
- In-house project-related printing/copying (black/white and color), including draft and final reports, specifications, and drawings.
- Outside telephone conferencing services.
- Postage, delivery and messenger service.
- Overtime expenses with prior client approval.
- Architectural renderings, physical and digital scale models and animations.
- Videos, web services, opinion surveys.
- Travel expenses, including mileage, tolls, lodging and meals.
- Sub-consultant costs.
- Presentation boards.
- Facilitation tools.
- Workshop accessories and facilitation materials.
- Software purchase and licensure on behalf of the client.

The above-listed rates are adjusted annually. The next adjustment will be 1 January 2026.

# City Council Communication

**Meeting Date: 5/6/2026**
**Item #: VI.8**
**File #: 0704-01**
**Item ID: 2026-295**

| | |
|---|---|
| **Title:** | Maidu Park Outfield Renovation - Contract Purchase Agreement |
| **Contact:** | Brian Castelluccio 916-746-1755 bcastelluccio@roseville.ca.us |

## SUMMARY

Staff recommends approval of a contract purchase agreement with Zuckerman Heritage Inc. dba Delta Bluegrass Company, in the amount of $167,790 for the renovation of Maidu Ballfield #4 outfield turf. Funding will come from the Parks, Recreation & Libraries FY2025-26 operating budget in the General Fund.

## RECOMMENDATION

Staff recommends that the City Council adopt a resolution authorizing the City Manager to execute a Contract Purchase Agreement with Zuckerman Heritage Inc. dba Delta Bluegrass Company to perform the outfield turf renovation on field #4 at Maidu Park.

## BACKGROUND

In November and December 2025, the outfield of Maidu Field #4 was significantly vandalized due to multiple incidents involving individuals driving trucks onto the saturated field and performing “donuts” following storm events. These actions caused extensive damage, including deep ruts and the loss of large sections of turf. One individual was apprehended by the Roseville Police Department in connection with two of the incidents, and the case has been referred to the Placer County District Attorney for prosecution.

The extent of the damage rendered the field unsafe and unplayable for permitted use. Maidu Field #4 is regularly utilized by a variety of internal and external user groups, and the loss of this field has had a considerable impact. All City athletic fields are fully allocated, leaving no alternative locations to accommodate displaced users. Additionally, these fields generate revenue through rentals, youth league allocations, and hosting regional and national tournaments.

Given these factors, it was critical to proceed with repairs as quickly as possible to minimize disruption to user groups and to ensure installation of new sod during the optimal growing season, prior to rising temperatures. Accordingly, the City entered into a contract with Zuckerman Heritage Inc., doing business as Delta Bluegrass, with City Manager approval due to its immediate need. This item is now being brought forward to City Council for formal approval.

## FISCAL IMPACT

The service agreement has a not-to-exceed amount of $167,790 for the total contract, which includes a 10% contingency. Funding will come from the Parks, Recreation & Libraries FY2025-26 operating budget in the General Fund.

## ENVIRONMENTAL REVIEW

The proposed project involves the repair and maintenance of exiting facilities. This activity is categorically

exempt from CEQA as a Class 1 Exemption (State CEQA Guidelines Section 15301). The Exemption has been prepared and no further CEQA action is required.

CITY COUNCIL STRATEGIC PLAN/OVERARCHING GOALS

1. Ensure a safe and healthy community
6. Deliver exceptional City services

Respectfully Submitted,
Brian Castelluccio, Parks Recreation and Libraries Manager

Jill Geller, Parks Recreation and Libraries Director

**Contract Terms and Conditions**

1. To the fullest extent allowed by law, Contractor shall defend, indemnify, and save and hold harmless the City, its officers, agents, employees and volunteers from any claims, suits or actions of every name, kind and description brought forth, or on account of, injuries to or death of any person (including but not limited to workers and the public), or damage to property, resulting from or arising out of Contractor's willful misconduct or negligent act or omission while engaged in the performance of obligations or exercise of rights created by this Agreement, except those matters arising from City's sole or active negligence or willful misconduct. The parties intend that this provision shall be broadly construed. Contractor's responsibility for such defense and indemnity obligations shall survive the termination or completion of this Agreement for the full period of time allowed by law. The defense and indemnity obligations of this Agreement are undertaken in addition to, and shall not in any way be limited by, the insurance obligations contained in this Agreement.
2. Contractor is an independent contractor, and shall not be considered an officer, agent, or employee of the City.
3. Without the written consent of the City, this Agreement is not assignable by Contractor either in whole or in part.
4. Time is of the essence of this Agreement.
5. At any time during the term of this Agreement, the City has the right to terminate this Agreement, provided Contractor is given thirty (30) days written notice. City's termination shall be without further liability to City; however, Contractor shall be entitled to all costs reasonably incurred prior to the date of termination. Contractor acknowledges that City may terminate this Agreement should funds not be appropriated by its governing body to continue services under this Agreement.
6. This Agreement may only be amended or modified in writing. It is integrated and contains the complete understanding of the parties.
7. All equipment, supplies and services sold to the City of Roseville shall conform to the general safety orders of the State of California.
8. Unless notified to the contrary, in writing, the City assumes that the Contractor has accepted the work in accordance with the plans and specifications (if any) and agrees to do the work in compliance with this Agreement.
9. All prevailing wages and fair employment practices must be adhered to. For prevailing wage contracts over $25,000, copies of certified payroll must be submitted with invoices. Prevailing wage rates may be obtained from the State Department of Industrial Relations and/or the following website address: http://www.dir.ca.gov/dlsr/DPreWageDetermination.htm. In compliance with Labor Code Section 1773.2, as may be amended from time to time, Contractor shall cause a copy of this website to be posted at each jobsite, as applicable.
10. Contractor agrees to the below insurance requirements:
    a. Unless otherwise specified, the Contractor shall maintain the policies of insurance outlined in Attachment A, incorporated herein by this reference, in full force and effect during the term of this Agreement. The City of Roseville retains sole discretion in determining the types and proper levels of insurance coverage.
    b. Form. Contractor shall submit a certificate evidencing such coverage for the period covered by this Agreement in a form satisfactory to Risk Management and the City Attorney, prior to undertaking any work hereunder. Any insurance written on a claims made basis is subject to the approval of Risk Management

and the City Attorney.

c. Additional Insureds. Contractor shall also provide a separate endorsement or section of the policy showing City, its officers, agents, employees, and volunteers as additional insureds for each type of coverage (except Workers' Compensation) and for ongoing and completed operations. Such insurance shall specifically cover the contractual liability of Contractor. The additional insured coverage under the Contractor's policy shall be primary and noncontributory, as evidenced by a separate endorsement or section of the policy, and shall not seek contribution from City's insurance or self-insurance. In addition, the additional insured coverage shall be at least as broad as the Insurance Services Office (ISO) CG 20 01 Endorsement. Any available insurance proceeds in excess of the specified minimum insurance coverage requirements and limits shall be available to the additional insureds. Furthermore, the requirements for coverage and limits shall be:

(1) the minimum coverage and limits specified in this Agreement; or
(2) the full coverage and maximum limits of any insurance proceeds available to the named insureds, whichever is greater.

d. Cancellation/Modification. Contractor shall provide thirty (30) days written notice to City prior to cancellation or modification of any insurance required by this Agreement.

e. Umbrella/Excess Insurance. The limits of insurance required in this Agreement may be satisfied by a combination of primary and excess insurance. Any excess insurance shall contain or be endorsed to contain a provision that such coverage shall also apply on a primary and noncontributory basis for the benefit of City (if agreed to in a written contract) before City's own insurance shall be called upon to protect it as a named insured.

f. Subcontractors. Contractor agrees to include in its contracts with all subcontractors the same requirements and provisions of this Agreement, including the indemnity and insurance requirements, to the extent they apply to the scope of the subcontractor's work. Furthermore, Contractor shall require its subcontractors to agree to be bound to Contractor and City in the same manner and to the same extent as Contractor is bound to City under this Agreement. Additionally, Contractor shall obligate its subcontractors to comply with these same provisions with respect to any tertiary subcontractor, regardless of tier. A copy of City's indemnity and insurance provisions will be furnished to the subcontractor or tertiary subcontractor upon request.

g. Self-Insured Retentions. All self-insured retentions (SIR) must be disclosed to Risk Management for approval and shall not reduce the limits of liability. Policies containing any SIR provision shall provide or be endorsed to provide that the SIR may be satisfied by either the named insured or City. City reserves the right to obtain a full certified copy of any insurance policy and endorsements. The failure to exercise this right shall not constitute a waiver of such right.

h. Waiver of Subrogation. Contractor hereby agrees to waive subrogation which any insurer of Contractor may acquire from Contractor by virtue of the payment of any loss under a Workers Compensation, Commercial General Liability or Automobile Liability policy. All Workers Compensation, Commercial General Liability and Automobile Liability policies shall be endorsed with a waiver of subrogation in favor of City, its officers, agents, employees and volunteers for all work performed by Contractor, its employees, agents and subcontractors.

i. Liability/Remedies. Insurance coverage in the minimum amounts set forth herein shall not be construed to relieve Contractor of liability in excess of such coverage, nor shall it preclude City from taking such other actions as are available to it under any other provisions of this Agreement or law.

11. Contractor shall comply with all federal, state and local laws and ordinances, including but not limited to the City's storm water regulations, as may be applicable to the performance of services under this Agreement. Failure to comply with local ordinances may result in monetary fines and cancellation of this Agreement. Refer to www.roseville.ca.us/stormwater for links to more information on the City's storm water regulations.
12. In the event that the terms of any attachment or exhibit conflict with any terms of this Agreement, the terms of this Agreement shall control.
13. This Agreement may be executed in one or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument. In the event that any signature is delivered by facsimile transmission or by e-mail delivery of a ".pdf" format data file, such signature shall create a valid and binding obligation of the party executing (or on whose behalf such signature is executed) with the same force and effect as if such facsimile or ".pdf" signature page were an original thereof.
14. If either party commences any legal action against the other party arising out of this Agreement or the performance thereof, the prevailing party in such action shall be entitled to recover its reasonable litigation expenses, including but not limited to, court costs, expert witness fees, discovery expenses, and attorneys' fees. Any action arising out of this Agreement shall be brought in Placer County, California, regardless of where else venue may lie. This Agreement shall be governed by and construed in accordance with the laws of the State of California.
15. This Agreement shall be binding upon the heirs, successors, executors, administrators and assigns of the respective parties hereto.
16. If any of the provisions contained in this Agreement are for any reason held invalid or unenforceable, such holding shall not affect the remaining provisions or the validity and enforceability of the Agreement as a whole.
17. For purposes of this Agreement, the terms "Contractor," "Consultant," and "Supplier" are used interchangeably.
18. No contractor or subcontractor may work on a public works project unless registered with the Department of Industrial Relations pursuant to Labor Code section 1725.5. During the performance of this agreement, Contractor and its subcontractors shall have a continuing legal obligation to maintain current registration with the Department of Industrial Relations. Contractor is hereby notified that this project is subject to compliance monitoring and enforcement by the Department of Industrial Relations.
19. Vehicles with a gross vehicle weight rating (GVWR) greater than 8,500 lbs. and light-duty package delivery vehicles operated in California may be subject to the California Air Resources Board (CARB) Advanced Clean Fleets regulations. Such vehicles may therefore be subject to requirements to reduce emissions and air pollutants. For more information, visit the CARB Advanced Clean Fleet webpage at https://ww2.arb.ca.gov/our-work/programs/advanced-clean-fleets.
20. Contractor/consultant's duties and services under this agreement shall not include preparing or assisting the public entity with any portion of the public entity's preparation of a request for proposals, request for qualifications, or any other solicitation regarding a subsequent or additional contract with the public entity. The public entity entering this agreement shall at all times retain responsibility for public contracting, including with respect to any subsequent phase of this project. Contractor/consultant's participation in the planning, discussions, or drawing of project plans or specifications, if any, shall be limited to conceptual, preliminary, or initial plans or specifications. Contractor/consultant shall cooperate with the public entity to ensure that all bidders for a subsequent contract on any subsequent phase of this project have access to the same information, including all conceptual, preliminary, or initial plans or specifications prepared by contractor pursuant to this agreement.
21. Contractor must submit all claims as defined in and in accordance with the claim

resolution process set forth in Section 9204 of the Public Contract Code. Each such claim must be sent to the City by registered mail or certified mail with return receipt requested and must contain reasonable documentation to support the claim. All claims must be received prior to acceptance of the work.

22. Contractor certifies that Contractor, its employees, directors, officers, agents, subcontractors, vendors, and volunteers are not presently debarred, excluded, suspended, declared ineligible, voluntarily excluded, or proposed for debarment, exclusion, suspension, or ineligibility by any federal, state, or local department or agency.

23. The Levine Act (Govt. Code, Section 84308) requires a Party (and its agent(s), if any) to a Proceeding before the City of Roseville that involves any action or consideration related to their contract, license, permit, or other entitlement for use, to disclose any campaign contributions made to City elected or appointed officers totaling more than $250 within the twelve (12) months prior to the City decision and while a proceeding is pending, and includes certain prohibitions on contribution activity thereafter. If applicable campaign contributions have been made by Contractor and/or its agent(s), Contractor is responsible for compliance, including for its disclosure obligations, if any, as further described at: https://www.roseville.ca.us/government/departments/city_clerk/transparency/levine_act.

24. This Agreement may be amended via change order, but only if such change order is made in writing, approved by the City, and signed by both parties.

25. CONTRACTOR agrees to defend and indemnify CITY if, despite the parties intent and practice, any venue, agency, or court with competent jurisdiction determines that CONTRACTOR and/or any of its agents, officers, employees, volunteers, independent contractors, or subcontractors, are characterized as employee(s) of CITY.

    CONTRACTOR and CITY agree that: (a) CONTRACTOR is free from the control and direction of CITY in connection with the performance of the work; (b) CONTRACTOR is providing services directly to CITY; (c) CONTRACTOR has and will maintain at all relevant times a business license; (d) CONTRACTOR maintains a business location that is separate from CITY; (e) CONTRACTOR is customarily engaged in an independently established business of the same nature as that involved in the work performed hereunder; (f) CONTRACTOR actually contracts with other businesses to provide the same or similar services and maintains a clientele without restrictions from CITY; (g) CONTRACTOR advertises and holds itself out to the public as available to provide the same or similar services; (h) CONTRACTOR provides its own tools, vehicles, and equipment to perform the services; (i) CONTRACTOR has negotiated its own rates; (j) CONTRACTOR set its own hours and location of work in accomplishing CITY's on-call needs; and (k) CONTRACTOR has the right to control the manner and means of accomplishing the result desired and exercises its own expert independent judgement.

**Insurance Submission Process**

The City of Roseville Human Resources/Risk Management Department uses a service called EBIX to manage our insurance certificate tracking.

**How It Works**

- The vendor's contact information is entered into EBIX. EBIX will contact the vendor to request proof of insurance.
- The Vendor can forward the request to their Insurance Agent(s) if necessary.
- Vendor/Insurance Agent submits insurance to EBIX by email to roseville@ebix.com or by fax to (770) 325-5727. After faxing or emailing the certificate, please DO NOT send the certificate by mail to EBIX. Please do not mail, email or fax any certificates to the City of Roseville.
- Once submitted, EBIX reviews the insurance documentation. If there are deficiencies, EBIX will send a follow up letter or email requesting additional information.

**Questions Regarding Insurance Submission: Contact EBIX at (951) 652-4239**
**Questions Regarding Insurance Requirements Contact Risk Management at (916) 774-5202**

Auburn, CA 95603

From: City of Roseville
Development Services Dept.
311 Vernon Street
Roseville, CA 95678

**Project Title**: Maidu Ballfield #4 Renovation

**Project Location(s)**: 1550 Maidu Drive (APN 469-020-004), Roseville CA 95661

**Project Description**: The Parks, Recreation and Libraries Department proposes to repair the outfield of Maidu Field #4 at Maidu Park. This includes repairing deep ruts and the installation of new sod during the optimal growing season. The field was significantly vandalized in November and December 2025, making the field unsafe for play and unusable. Field #4 is highly and regularly used by a variety of internal and external user groups, and the loss of this field has had a considerable impact on services and the ability to generate revenue through field rentals. The project would restore the field to its previous condition and would not result in an increase of its use or capacity.

**Public Agency Approving Project**: Roseville City Council

**Agency/Individual Carrying Out Project**: City of Roseville Parks, Recreation and Libraries Department

**Reason why this Project is Exempt:** This project qualifies for a Class 1 Exemption as described in Section 15301 of the California Environmental Quality Act (CEQA) guidelines which states:

> "Class 1 consists of the...repair…of existing public or private…facilities...involving negligible or no expansion of existing or former use…"

The project would repair and restore Field #4 to its previous condition and would not expand its use beyond existing levels. Furthermore, no environmentally sensitive resources are located within the project site; and therefore the Class 1 Exemption is applicable to the proposed project.

**Lead Agency Contact Person**: Brian Castelluccio, Parks, Recreation and Libraries Department, 316 Vernon Street, Roseville, CA 95678. (916) 746-1755.

|---|---|
| **Title:** | Woodbridge Pickleball and Tennis Court Renovation Project - Award of Contract |
| **Contact:** | Josh Cervantes 916-746-1233 jrcervantes@roseville.ca.us |

## SUMMARY

Staff recommends approval of an agreement with Saenz Landscape Construction Company in the amount of $286,615 for renovation of the tennis courts at Woodbridge Park, and requests that Council authorize staff to approve change orders in an amount not-to-exceed 10% of the contract amount. Funding is approved in the FY2024-25 Parks Recreation & Library Capital Projects Fund.

## RECOMMENDATION

Staff recommends that the City Council:

1. Adopt a resolution to approve an Agreement with Saenz Landscape Construction Company in the amount of $286,615 and authorize the City Manager to execute it on behalf of the City of Roseville; and
2. Authorize the City Manager or his designee to approve change orders for the project, consistent with the contract terms, provided that the net cost of all change orders do not exceed ten percent (10%) of the contract amount.

## BACKGROUND

### Location and Size

Woodbridge Park is a 7.2-acre neighborhood park located at 415 Sierra Blvd in Roseville, California. This park features a variety of recreational amenities, including a covered picnic area, playgrounds, a half basketball court, two bocce ball courts, two tennis courts, and restrooms. The foundation of the park's existing tennis courts, which included a striping overlay for pickleball, have aged significantly and are due for renovation.

The scope of work for this project includes renovating the entire court foundation, re-establishing one of the two tennis courts, maintaining the pickleball striping overlay on the one tennis court, converting the second tennis court into two pickleball-only courts, and adding a new shaded seating area for the pickleball courts.

The base bid includes replacing the foundation slab, installing new striping and equipment, color-coat resurfacing the court area, upgrading entrances to ensure ADA compliance, adding new benches, and the installation of a new shaded seating area.

Add alternatives were also identified as follows:

1. Installation of protective windscreens around the perimeter of the existing tennis/pickleball court;
2. Removal and installation of new bark mulch along the Landscape Frontage of Mariposa

Street and;

3. Noise reducing fabric along the tennis/pickleball fence frontage along Mariposa Street.

Bidding Timeline

Council initially approved the plans and specifications and authorized staff to bid the project at the March 19, 2025, Council Meeting.

This first bid resulted in a rejection of all bids and staff received an authorization to re-bid at the May 21, 2025, Council Meeting.

The project was re-bid in June 2025 and received three prospective bidders. After thorough review, it was determined that the two lowest bids received were deemed as unresponsive, while the third bid came in over budget. Therefore, staff received approval at the August 8, 2025, Council Meeting for the rejection of all bids with the plan to re-bid the project in early 2026.

Bid Summary (Early 2026)

The project was re-bid in February 2026 with bids opened on March 10, 2026. The bid results and engineers estimate are as follows:

| Bidder: | Total Lump Sum Bid: |
|---|---|
| Saenz Landscape Construction Co. | $286,615.00 |
| *Engineers Estimate* | *$270,000.00* |

Staff recommends award of the base bid and all add alternates, for a total contract award amount of $286,615.00 to Saenz Landscape Construction Company.

## FISCAL IMPACT

Funding for this Project was approved in the Parks Recreation & Library Capital Projects Fund in the FY2024-25 budget process. The recommended project award is within the approved budget.

## ENVIRONMENTAL REVIEW

The proposed project involves the minor alterations of an existing facility. This activity is categorically exempt from CEQA as a Class 1 Exemption (State CEQA Guidelines Section 15301). The Exemption has been prepared and no further CEQA action is required. The project would improve the existing tennis court and add a new tennis court and two new pickleball courts at Woodbridge Park. This would not result in expansion of use beyond existing levels. Furthermore, no environmentally sensitive resources are located within the project sites; therefore, the Class 1 Exemption is applicable to the proposed project.

## CITY COUNCIL STRATEGIC PLAN/OVERARCHING GOALS

1. Ensure a safe and healthy community
4. Invest in well-planned infrastructure and growth
5. Support community engagement and advocacy

6. Deliver exceptional City services

Respectfully Submitted,
Josh Cervantes, Park Development Project Manager

Jill Geller, Parks Recreation and Libraries Director

RESOLUTION NO. 26-110

APPROVING AN AGREEMENT, BY AND BETWEEN THE CITY OF ROSEVILLE AND SAENZ LANDSCAPE CONSTRUCTION COMPANY, AND AUTHORIZING THE CITY MANAGER TO EXECUTE IT ON BEHALF OF THE CITY OF ROSEVILLE

WHEREAS, an Agreement for the Woodbridge Pickleball and Tennis Court Renovation Project, by and between the City of Roseville and Saenz Landscape Construction Company, has been reviewed by the City Council; and

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Roseville that said Agreement is hereby approved and that the City Manager is authorized to execute it on behalf of the City of Roseville.

BE IT FURTHER RESOLVED by the City Council of the City of Roseville that the City Manager or his designee is authorized to approve change orders for the project, consistent with the contract terms, provided that the net cost of all change orders shall not exceed ten percent (10%) of the contract amount.

PASSED AND ADOPTED by the Council of the City of Roseville this ___ day of _____, 2026, by the following vote on roll call:

# AGREEMENT

THIS AGREEMENT, is made and entered into this _____day of _____, 20_____, by and between the City of Roseville, a municipal corporation, ("CITY"), and Saenz Landscape Construction Company, a California Partnership, ("CONTRACTOR"); and

## WITNESSETH:

WHEREAS, the City Council of the CITY, at a meeting held on the 20th day of August, 2025, approved plans and specifications for the Woodbridge Park Tennis and Pickleball Court Renovation Project Re-Bid and directed the City Clerk to advertise for sealed proposals for doing said work and providing that bids be submitted on the 10th day of March, 2026; and

WHEREAS, the City Clerk, thereafter duly and regularly caused a notice to be published in the manner and for the time prescribed by law; and

WHEREAS, CONTRACTOR, pursuant to the provisions of said notice duly filed a bid with the City Clerk, a true copy of which bid is now on file in the office of the City Clerk, and is hereby referred to and by this reference made a part hereof as fully as if set forth at length herein; and

WHEREAS, all bids received pursuant to said notice were opened and examined and publicly declared at the time specified in said advertisement for bids and at a meeting of the City Council held on the _____ day of _____, 20_____, the Council found and

declared the bid of CONTRACTOR to be the lowest responsible bid and thereupon awarded a contract to CONTRACTOR to do the work referred to in the aforementioned specifications.

NOW, THEREFORE, the parties agree as follows:

1. THE WORK. CONTRACTOR agrees:

a. To do the work and furnish all the labor, materials, tools, supplies, equipment, superintendence, insurance, and bonds required for the Woodbridge Park Tennis and Pickleball Court Renovation Project Re-Bid in accordance with the Contract Documents (the Work).

b. To do and perform the Work contemplated hereby in a good and workmanlike manner under the direction of and to the satisfaction of the Director of Public Works of the City of Roseville.

2. PAYMENT. CITY shall pay CONTRACTOR Two hundred eighty-six thousand, six hundred fifteen dollars and zero cents. dollars ($286,615.00) for the Work to be done under this Agreement in accordance with the Contract Documents.

3. CONTRACT DOCUMENTS. The complete Agreement between the parties hereto consists of the following documents:

a. The advertisement for bids (including the notice to bidders, instructions to bidders and proposals);

b. The accepted bid;

c. Plans and specifications (including standard construction specifications, special provisions and construction details);

d. Bonds and insurance required by the specifications; and

e. This contract.

All documents specified above are intended to operate so that any work called for in any one and not mentioned in the other, or vice versa, is to be executed the same as if mentioned in all said documents.

4. LIQUIDATED DAMAGES. In the event CONTRACTOR does not complete the Work within the time specified, CONTRACTOR agrees that CITY will suffer damages. Inasmuch as the actual damages which would result from such breach by CONTRACTOR under this Agreement are uncertain, and would be impractical or extremely difficult to fix, CONTRACTOR agrees that it shall pay, or CITY shall deduct from CONTRACTOR's fee, the amount of $ 1,000 per day as liquidated damages, in the event of such delay.

5. TIME OF COMPLETION. Time is of the essence of this Agreement. CONTRACTOR shall complete all Work under the Contract Documents within 45 Days of the date of this Contract. CONTRACTOR shall begin work by the date specified in the "Notice to Proceed" letter and shall diligently prosecute all of the Work under this Contract in all parts and requirements as defined in the Contract Documents.

6. SERVICE OF NOTICE. Any notice required or permitted to be given under this Agreement shall be deemed given when (a) personally delivered to the recipient identified below; (b) mailed by registered or certified mail, return receipt requested, postage pre-paid, to the address specified below; or (c) sent by facsimile, with confirmation of receipt, to the facsimile number identified below.

| CITY OF ROSEVILLE | CONTRACTOR |
|---|---|
| Jill Geller | Michael Saenz |
| Parks, Recreation & Libraries Director | Saenz Landscape Construction Company |
| 316 Vernon Street, Suite 400 | 12167 Folsom Blvd Suite D |
| Roseville, CA 95678 | Rancho Cordova, CA, 95742 |

CITY may also act through either its architect or construction manager if CITY expressly gives notice to CONTRACTOR, in writing, that CITY's designee has authority to act for CITY in a specific capacity.

7. DISPUTES. Disputes arising from this Agreement will be determined in accordance with the Contract Documents and Public Contract Code Sections 10240-10240.13.

8. GOVERNING LAW. This Agreement shall be governed by and construed in accordance with the laws of the State of California.

9. INDEPENDENT CONTRACTOR. CONTRACTOR shall act as an independent contractor, and covenants and agrees that it will conduct itself consistent with such status, that it will neither hold itself out as, nor claim to be, an officer or employee of CITY by reason of this Agreement.

10. SUCCESSORS IN INTEREST. This Agreement shall be binding upon the heirs, successors, executors, administrators and assigns of the respective parties hereto.

11. MODIFICATION. This Agreement and each provision contained herein may be waived, amended, supplemented or eliminated only by mutual written agreement of the parties.

12. SEVERABILITY. If any of the provisions contained in this Agreement are for any reason held invalid or unenforceable, such holding shall not affect the remaining provisions or the validity and enforceability of the Agreement as a whole.

13. INTEGRATED AGREEMENT. This is an integrated agreement and contains all of the terms, considerations, understanding and promises of the parties. It shall be read as a whole.

14. CONTRACTORS LICENSE LAW. CONTRACTORS ARE REQUIRED BY LAW TO BE LICENSED AND REGULATED BY THE CONTRACTORS' STATE LICENSE BOARD WHICH HAS JURISDICTION TO INVESTIGATE COMPLAINTS AGAINST CONTRACTORS IF A COMPLAINT REGARDING A PATENT ACT OR OMISSION IS FILED WITHIN FOUR (4) YEARS OF THE DATE OF THE ALLEGED VIOLATION. A COMPLAINT REGARDING A LATENT ACT OR OMISISON PERTAINING TO STRUCUTRAL DEFECTS MUST BE FILED WITHIN TEN (10) YEARS OF THE DATE OF THE ALLEGED VIOLATION. ANY QUESTIONS CONCERNING A CONTRACTOR MAY BE REFERRED TO THE REGISTRAR, CONTRACTORS' STATE LICENSE BOARD, P.O. BOX 26000, SACRAMENTO, CALIFORNIA 95826.

IN WITNESS WHEREOF, the City of Roseville, a municipal corporation, has authorized the execution of this Agreement in duplicate by its City Manager and attestation by its City Clerk under authority of Resolution No. _____, adopted by the Council of the City of Roseville on the ____day of _____, 20_____, and CONTRACTOR has caused this Agreement to be duly executed.

Roseville, CA 95678

**Project Title**: Woodbridge Park Tennis and Pickleball Courts

**Project Location(s)**: Woodbridge Park, 415 Sierra Boulevard, Roseville, CA 95678 (APN 011-170-004-000)

**Project Description**: The project would approve an authorization to bid for improvements at Woodbridge Park. The improvements would include: asphalt court removal and new installation, as well as installation of two new pickleball courts with striping and equipment, one new tennis court with striping and equipment, two new court entrances via chainlink swing gate, new surface mount benches, and a new covered shading seating area. All work will occur within the existing park, and there are no environmentally sensitive resources located onsite. The improvements would not result in expansion of use.

**Public Agency Approving Project**: Roseville City Council

**Agency/Individual Carrying Out Project**: City of Roseville Parks, Recreation and Libraries Department

**Reason why this Project is Exempt:** This project qualifies for a Class 1 Exemption as described in Section 15301 of the California Environmental Quality Act (CEQA) guidelines which states:

> "Class 1 consists of the….minor alteration of existing public or private structures, facilities… involving negligible or no expansion of existing or former use…"

The project would improve the existing tennis court and add a new tennis court and two new pickleball courts at Woodbridge Park. This would not result in expansion of use beyond existing levels. Furthermore, no environmentally sensitive resources are located within the project sites; therefore, the Class 1 Exemption is applicable to the proposed project.

**Lead Agency Contact Person**: Josh Cervantes, Parks, Recreation and Libraries Department, 316 Vernon Street, Roseville, CA 95678. (916) 746-1233

| **Title:** | JM-51 Park Project - Award of Contract and Budget Adjustment |
| **Contact:** | Joel De Jong 916-774-5924 jdejong@roseville.ca.us |

SUMMARY

Staff recommends approval of an agreement with Brightview Landscape Development, Inc. in the amount of $1,060,700 for the JM-51 Park Project and a budget adjustment in the amount of $278,373 to increase the budget for the JM-51 Park Project. Funding will be reallocated from savings on the Weber Park Renovation Project and the KT-52 School Park Project, as costs for those projects were lower than anticipated. Funding for construction of this park was included in the FY2025-26 capital improvement project (CIP) budget in the Neighborhood Park - Sierra Vista Fund.

RECOMMENDATION

Staff recommends that the City Council award the JM-51 Park Project to Brightview Landscape Development, Inc., adopt a resolution to authorize the City Manager to execute an agreement and authorize staff to approve change order requests in an amount not to exceed 10% of the contracted amount.

Staff also recommends that the City Council adopt an ordinance to approve a budget adjustment of $278,373 to increase the budget for the JM-51 Park Project. Funding will be reallocated from savings on the Weber Park Renovation Project and the KT-52 School Park Project, as costs for those projects were lower than anticipated.

BACKGROUND

JM-51 Park is a 2.6-acre neighborhood park located off at Shimmer Falls Drive and Lakehaven Drive in Sierra Vista. Amenities planned for the park include a playground, shaded picnic area, walking paths, turf area, planting and irrigation. Add alternates were identified for budget purposes to allow for “menu style” bidding, and include a half-court basketball court, additional turf and irrigation, sod in lieu of seeded turf, and additional concrete pathways.

City Council approved the plans and specifications and authorized the call for bids at the March 4, 2026, meeting. Bids were opened on March 24, 2026, and staff received five bids for the project. The bid results, including all add alternates, are as follows:

| Bidder | Grand Total Bid Price |
|---|---|
| Brightview Landscape Development, Inc. | $1,122,100 |
| PBM Construction | $1,165,947 |
| Saenz Landscape | $1,187,477 |
| Procida Landscape | $1,206,810 |
| TJR Resources | $1,233,429 |

Engineers' Estimate $890,396

Staff recommends awarding the base bid plus add alternates #1 (additional grass area) and #4 (half-court basketball) for a total contract award amount of $1,060,700 to Brightview Landscape Development, Inc. The selected add alternates were chosen based on resident feedback collected during the initial public outreach meetings and two-week write-in period prior to master plan approval. Additional grass and a half-court basketball court were identified as priorities.

CONTINGENCY

During the course of a construction project, it is common to encounter unanticipated or changed conditions in the field which necessitate additions or other changes to the project and the contract. Due to the complexity of this project, staff requests authorization to approve change order requests in an amount not to exceed 10% of the contract price in accordance with the terms and conditions of the contract.

FISCAL IMPACT

Funding for construction of this park was included in the FY2025-26 capital improvement project (CIP) budget in the Neighborhood Park - Sierra Vista Fund. Maintenance costs will be approximately $16,000/acre/year and will be funded by the Sierra Vista Community Facilities District No. 2 (Public Services). The recommended budget adjustment in the amount of $278,373 will increase the budget for the JM-51 Park Project, fully funding the project. Funding will be reallocated from savings on the Weber Park Renovation Project and the KT-52 School Park Project, as costs for those projects were lower than anticipated.

ENVIRONMENTAL REVIEW

Development of the JM-51 Neighborhood Park master plan was previously evaluated in the Sierra Vista Specific Plan EIR (certified May 5, 2010, SCH No. 2008032115) and identified in the associated Sierra Vista Specific Plan. As proposed, construction of the JM-51 Park is within the scope of the project covered by the SVSP Final EIR. As discussed in the Specific Plan EIR, the EIR provides environmental analyses of community infrastructure and facilities, including parks, pedestrian bridges, and bike trails, to the extent applicable. Because the project is consistent with the SVSP Final EIR and Specific Plan, no new effects would be expected to occur and all applicable mitigation measures from the SVSP EIR will be implemented during the design and construction of the JM-51 Park. The proposed project meets the requirements identified in Section 15183 of the State CEQA Guidelines, therefore, no additional CEQA review is required.

CITY COUNCIL STRATEGIC PLAN/OVERARCHING GOALS

1. Ensure a safe and healthy community
4. Invest in well-planned infrastructure and growth
6. Deliver exceptional City services

Respectfully Submitted,
Joel De Jong, Park Development Project Manager

Jill Geller, Parks Recreation and Libraries Director

# AGREEMENT

THIS AGREEMENT, is made and entered into this _____ day of _____, 20_____, by and between the City of Roseville, a municipal corporation, ("CITY"), and Brightview Landscape Development, Inc., a Corporation, ("CONTRACTOR"); and

## WITNESETH:

WHEREAS, the City Council of the CITY, at a meeting held on the 4th day of March, 20 26, approved plans and specifications for the JM-51 Park Project and directed the City Clerk to advertise for sealed proposals for doing said work and providing that bids be submitted on the 24th day of March, 20 26; and

WHEREAS, the City Clerk, thereafter duly and regularly caused a notice to be published in the manner and for the time prescribed by law; and

WHEREAS, CONTRACTOR, pursuant to the provisions of said notice duly filed a bid with the City Clerk, a true copy of which bid is now on file in the office of the City Clerk, and is hereby referred to and by this reference made a part hereof as fully as if set forth at length herein; and

WHEREAS, all bids received pursuant to said notice were opened and examined and publicly declared at the time specified in said advertisement for bids and at a meeting of the City Council held on the _____ day of _____, 20_____, the Council found and

declared the bid of CONTRACTOR to be the lowest responsible bid and thereupon awarded a contract to CONTRACTOR to do the work referred to in the aforementioned specifications.

NOW, THEREFORE, the parties agree as follows:

1. THE WORK. CONTRACTOR agrees:

a. To do the work and furnish all the labor, materials, tools, supplies, equipment, superintendence, insurance, and bonds required for the JM-51 Park Project including Base bid and add-alternates #1 (turf area) and #4 (basketball). in accordance with the Contract Documents (the Work).

b. To do and perform the Work contemplated hereby in a good and workmanlike manner under the direction of and to the satisfaction of the Director of Public Works of the City of Roseville.

2. PAYMENT. CITY shall pay CONTRACTOR One million, sixty thousand, seven hundred and 00/100 dollars ($ 1,060,700.00 ) for the Work to be done under this Agreement in accordance with the Contract Documents.

3. CONTRACT DOCUMENTS. The complete Agreement between the parties hereto consists of the following documents:

a. The advertisement for bids (including the notice to bidders, instructions to bidders and proposals);

b. The accepted bid;

c. Plans and specifications (including general conditions, supplemental conditions, special provisions and construction details);

d. Bonds and insurance required by the specifications; and

e. This contract.

All documents specified above are intended to operate so that any work called for in any one and not mentioned in the other, or vice versa, is to be executed the same as if mentioned in all said documents.

4. LIQUIDATED DAMAGES. In the event CONTRACTOR does not complete the Work within the time specified, CONTRACTOR agrees that CITY will suffer damages. Inasmuch as the actual damages which would result from such breach by CONTRACTOR under this Agreement are uncertain, and would be impractical or extremely difficult to fix, CONTRACTOR agrees that it shall pay, or CITY shall deduct from CONTRACTOR's fee, the amount of $ 1,000 per day as liquidated damages, in the event of such delay.

5. TIME OF COMPLETION. Time is of the essence of this Agreement. CONTRACTOR shall complete all Work under the Contract Documents within 90 Days of the date of this Contract. CONTRACTOR shall begin work by the date specified in the "Notice to Proceed" letter and shall diligently prosecute all of the Work under this Contract in all parts and requirements as defined in the Contract Documents.

6. SERVICE OF NOTICE. Any notice required or permitted to be given under this Agreement shall be deemed given when (a) personally delivered to the recipient identified below; (b) mailed by registered or certified mail, return receipt requested, postage pre-paid, to the address specified below; ~~or (c) sent by facsimile, with confirmation of receipt, to the facsimile number identified below.~~

CITY may also act through either its architect or construction manager if CITY expressly gives notice to CONTRACTOR, in writing, that CITY's designee has authority to act for CITY in a specific capacity.

7. DISPUTES. Disputes arising from this Agreement will be determined in accordance with the Contract Documents and Public Contract Code Sections 10240-10240.13.

8. GOVERNING LAW. This Agreement shall be governed by and construed in accordance with the laws of the State of California.

9. INDEPENDENT CONTRACTOR. CONTRACTOR shall act as an independent contractor, and covenants and agrees that it will conduct itself consistent with such status, that it will neither hold itself out as, nor claim to be, an officer or employee of CITY by reason of this Agreement.

10. SUCCESSORS IN INTEREST. This Agreement shall be binding upon the heirs, successors, executors, administrators and assigns of the respective parties hereto.

11. MODIFICATION. This Agreement and each provision contained herein may be waived, amended, supplemented or eliminated only by mutual written agreement of the parties.

12. SEVERABILITY. If any of the provisions contained in this Agreement are for any reason held invalid or unenforceable, such holding shall not affect the remaining provisions or the validity and enforceability of the Agreement as a whole.

13. INTEGRATED AGREEMENT. This is an integrated agreement and contains all of the terms, considerations, understanding and promises of the parties. It shall be read as a whole.

14. CONTRACTORS LICENSE LAW. CONTRACTORS ARE REQUIRED BY LAW TO BE LICENSED AND REGULATED BY THE CONTRACTORS' STATE LICENSE

BOARD WHICH HAS JURISDICTION TO INVESTIGATE COMPLAINTS AGAINST CONTRACTORS IF A COMPLAINT REGARDING A PATENT ACT OR OMISSION IS FILED WITHIN FOUR (4) YEARS OF THE DATE OF THE ALLEGED VIOLATION. A COMPLAINT REGARDING A LATENT ACT OR OMISISON PERTAINING TO STRUCUTRAL DEFECTS MUST BE FILED WITHIN TEN (10) YEARS OF THE DATE OF THE ALLEGED VIOLATION. ANY QUESTIONS CONCERNING A CONTRACTOR MAY BE REFERRED TO THE REGISTRAR, CONTRACTORS' STATE LICENSE BOARD, P.O. BOX 26000, SACRAMENTO, CALIFORNIA 95826.

IN WITNESS WHEREOF, the City of Roseville, a municipal corporation, has authorized the execution of this Agreement in duplicate by its City Manager and attestation by its City Clerk under authority of Resolution No. _____, adopted by the Council of the City of Roseville on the ____day of _____, 20_____, and CONTRACTOR has caused this Agreement to be duly executed.

| | 3601 | 00000 | 000000 | | |
| FUND BALANCE TOTAL | | | | - | |

**Justification for Budget Adjustment:**

The Parks, Recreation & Libraries Department (PRL) is requesting a budget adjustment of $278,373 to increase the budget for JM-51 Neighborhood Park Project (500289) to fully fund its construction. Its new total budget will be $1,510,076. Funding will be reallocated from General Fund savings ($128,373) on the Weber Park Renovation Project (500246) and from Neiborhood Park- Sierra Vista Fund savings($150,000) on the KT-52 School Park Project (500241) due to costs coming in lower than anticipated. There is no net impact on either fund.

| **Title:** | JM-52 Park - Award of Contract and Budget Adjustment |
| **Contact:** | Josh Cervantes 916-746-1233 jrcervantes@roseville.ca.us |

## SUMMARY

Staff recommends approval of an agreement with PBM Landscape Construction, Inc., in the amount of $741,147 for the JM-52 Neighborhood Park Project. Staff also recommends approval of a budget adjustment in the amount of $264,262 to increase the budget for the JM-52 Neighborhood Park Project. Funding will be reallocated from savings on the Weber Park Renovation Project as costs for that project were lower than anticipated. Funding for construction of this park was included in the FY2025-26 capital improvement project budget in the Neighborhood Park - Sierra Vista Fund.

## RECOMMENDATION

Staff recommends that the City Council:

1. Award an Agreement to PBM Construction Inc. as the lowest responsive bidder for the JM-52 Park project; and
2. Adopt a resolution authorizing the City Manager to execute the agreement on behalf of the City of Roseville and authorize the City Manager or his designee to approve change orders for the project, consistent with the contract terms, provided that the net cost of all change orders shall not exceed ten percent (10%) of the contract amount; and
3. Adopt an ordinance to approve a budget adjustment in the amount of $264,262.00 for the project.

## BACKGROUND

JM-52 Park is a 1.5-acre neighborhood park located at Bright Star Rd. and Misty Ridge Dr. in Sierra Vista. This park backs up to an open space area. The master plan for this park was approved by the City Council on May 21, 2025. Amenities planned for the park include a playground, paved and natural walking paths, picnic area and seating, turf area, planting and irrigation. Add alternates have been identified, which include a shade structure and a bark mulch buffer separating the park and adjacent open space area.

Council approved the plans and specifications and authorized staff to bid the project at the March 4, 2026 Council meeting.

## BID SUMMARY

The bids were opened on March 25, 2026. The bid results and engineer's estimate are as follows:

Bidder: *Total Lump Sum Bid:

| | |
|---|---|
| TJR Resources Inc. | $831,408.00 |
| Saenz Landscape Construction Company | $677,466.00 |
| Brightview Landscape Development, Inc. | $828,001.00 |
| **PBM Construction Inc.** | **$824,800.00** |
| *Engineers Estimate* | *$475,000.00* |

*Total lump sum bid includes the base bid and six (6) add alternates.

The apparent low bidder, Saenz Landscape Construction Company, withdrew their bid, thereby making PBM Construction, Inc., the new low bidder.

Staff recommends awarding the project to PBM Construction, Inc., in the amount of $741,147, which includes the base bid and add alternates for the shade structure at the picnic area and a bark mulch buffer separating the park from the adjacent open space area.

## CONTINGENCY

During the course of a construction project, it is common to encounter unanticipated or changed conditions in the field which necessitate additions or other changes to the project and the contract. Due to the complexity of this project, staff requests authorization to approve change order requests in an amount not to exceed 10% of the contract price in accordance with the terms and conditions of the contract.

## FISCAL IMPACT

Funding for construction of this park was included in the FY2025-26 capital improvement project budget in the Neighborhood Park - Sierra Vista Fund. Maintenance costs will be approximately $16,000/acre/year and will be funded by the Sierra Vista Community Facilities District No. 2 (Public Services). This requested budget adjustment in the amount of $264,262 will increase the budget for the JM-52 Neighborhood Park Project, fully funding its construction. Funding will be reallocated from savings on the Weber Park Renovation project as costs for the project were lower than anticipated.

## ENVIRONMENTAL REVIEW

Development of the JM-52 Neighborhood Park master plan was previously evaluated in the Sierra Vista Specific Plan EIR (certified May 5, 2010, SCH No. 2008032115) and identified in the associated Sierra Vista Specific Plan. As proposed, construction of the JM-52 Park is within the scope of the project covered by the SVSP Final EIR. As discussed in the Specific Plan EIR, the EIR provides environmental analyses of community infrastructure and facilities, including parks, pedestrian bridges, and bike trails, to the extent applicable. Because the project is consistent with the SVSP Final EIR and Specific Plan, no new effects would be expected to occur and all applicable mitigation measures from the SVSP EIR will be implemented during the design and construction of the JM-51 Park. The proposed project meets the requirements identified in Section 15183 of the State CEQA Guidelines, therefore, no additional CEQA review is required.

## CITY COUNCIL STRATEGIC PLAN/OVERARCHING GOALS

1. Ensure a safe and healthy community
4. Invest in well-planned infrastructure and growth
5. Support community engagement and advocacy
6. Deliver exceptional City services

RESOLUTION NO. 26-112

APPROVING AN AGREEMENT FOR THE JM-52 PARK PROJECT, BY AND BETWEEN THE CITY OF ROSEVILLE AND PBM CONSTRUCTION, INC., AND AUTHORIZING THE CITY MANAGER TO EXECUTE IT ON BEHALF OF THE CITY OF ROSEVILLE

WHEREAS, an Agreement for the JM-52 Park Project, by and between the City of Roseville and PBM Construction, Inc., has been reviewed by the City Council; and

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Roseville that said agreement is hereby approved and that the City Manager is authorized to execute it on behalf of the City of Roseville.

BE IT FURTHER RESOLVED by the City Council of the City of Roseville that the City Manager or his designee is authorized to approve change orders for the project, consistent with the contract terms, provided that the net cost of all change orders shall not exceed ten percent (10%) of the contract amount.

PASSED AND ADOPTED by the Council of the City of Roseville this ___ day of _____, 2026, by the following vote on roll call:

# AGREEMENT

THIS AGREEMENT, is made and entered into this _____day of _____, 20_____, by and between the City of Roseville, a municipal corporation, ("CITY"), and PBM Construction, INC, a Corporation, ("CONTRACTOR"); and

## WITNESSETH:

WHEREAS, the City Council of the CITY, at a meeting held on the 4th day of March, 2026, approved plans and specifications for the JM-52 Park Project and directed the City Clerk to advertise for sealed proposals for doing said work and providing that bids be submitted on the 25 day of March, 2026; and

WHEREAS, the City Clerk, thereafter duly and regularly caused a notice to be published in the manner and for the time prescribed by law; and

WHEREAS, CONTRACTOR, pursuant to the provisions of said notice duly filed a bid with the City Clerk, a true copy of which bid is now on file in the office of the City Clerk, and is hereby referred to and by this reference made a part hereof as fully as if set forth at length herein; and

WHEREAS, all bids received pursuant to said notice were opened and examined and publicly declared at the time specified in said advertisement for bids and at a meeting of the City Council held on the _____ day of _____, 20_____, the Council found and

declared the bid of CONTRACTOR to be the lowest responsible bid and thereupon awarded a contract to CONTRACTOR to do the work referred to in the aforementioned specifications.

NOW, THEREFORE, the parties agree as follows:

1. THE WORK. CONTRACTOR agrees:

a. To do the work and furnish all the labor, materials, tools, supplies, equipment, superintendence, insurance, and bonds required for the JM-52 Park Project: Including Base bid and Add Alternate #4 (Bark Mulch Buffer) & Add Alternate #6 (Shade Sail) in accordance with the Contract Documents (the Work).

b. To do and perform the Work contemplated hereby in a good and workmanlike manner under the direction of and to the satisfaction of the Director of Public Works of the City of Roseville.

2. PAYMENT. CITY shall pay CONTRACTOR Seven hundred forty-one thousand, one hundred forty-seven dollars and zero cents. dollars ($741,147) for the Work to be done under this Agreement in accordance with the Contract Documents.

3. CONTRACT DOCUMENTS. The complete Agreement between the parties hereto consists of the following documents:

a. The advertisement for bids (including the notice to bidders, instructions to bidders and proposals);

b. The accepted bid;

c. Plans and specifications (including standard construction specifications, special provisions and construction details);

d. Bonds and insurance required by the specifications; and

e. This contract.

All documents specified above are intended to operate so that any work called for in any one and not mentioned in the other, or vice versa, is to be executed the same as if mentioned in all said documents.

4. LIQUIDATED DAMAGES. In the event CONTRACTOR does not complete the Work within the time specified, CONTRACTOR agrees that CITY will suffer damages. Inasmuch as the actual damages which would result from such breach by CONTRACTOR under this Agreement are uncertain, and would be impractical or extremely difficult to fix, CONTRACTOR agrees that it shall pay, or CITY shall deduct from CONTRACTOR's fee, the amount of $ 1,000 per day as liquidated damages, in the event of such delay.

5. TIME OF COMPLETION. Time is of the essence of this Agreement. CONTRACTOR shall complete all Work under the Contract Documents within 100 Days of the date of this Contract. CONTRACTOR shall begin work by the date specified in the "Notice to Proceed" letter and shall diligently prosecute all of the Work under this Contract in all parts and requirements as defined in the Contract Documents.

6. SERVICE OF NOTICE. Any notice required or permitted to be given under this Agreement shall be deemed given when (a) personally delivered to the recipient identified below; (b) mailed by registered or certified mail, return receipt requested, postage pre-paid, to the address specified below; or (c) sent by facsimile, with confirmation of receipt, to the facsimile number identified below.

| CITY OF ROSEVILLE | CONTRACTOR |
|---|---|
| Jill Geller | |
| Parks, Recreation & Libraries Director | PBM Construction Inc |
| 316 Vernon Street, Suite 400 | 4500 Yankee Hill CT Suite A |
| Roseville, CA 95678 | Rocklin, CA 95677 |

CITY may also act through either its architect or construction manager if CITY expressly gives notice to CONTRACTOR, in writing, that CITY's designee has authority to act for CITY in a specific capacity.

7. DISPUTES. Disputes arising from this Agreement will be determined in accordance with the Contract Documents and Public Contract Code Sections 10240-10240.13.

8. GOVERNING LAW. This Agreement shall be governed by and construed in accordance with the laws of the State of California.

9. INDEPENDENT CONTRACTOR. CONTRACTOR shall act as an independent contractor, and covenants and agrees that it will conduct itself consistent with such status, that it will neither hold itself out as, nor claim to be, an officer or employee of CITY by reason of this Agreement.

10. SUCCESSORS IN INTEREST. This Agreement shall be binding upon the heirs, successors, executors, administrators and assigns of the respective parties hereto.

11. MODIFICATION. This Agreement and each provision contained herein may be waived, amended, supplemented or eliminated only by mutual written agreement of the parties.

12. SEVERABILITY. If any of the provisions contained in this Agreement are for any reason held invalid or unenforceable, such holding shall not affect the remaining provisions or the validity and enforceability of the Agreement as a whole.

13. INTEGRATED AGREEMENT. This is an integrated agreement and contains all of the terms, considerations, understanding and promises of the parties. It shall be read as a whole.

14. CONTRACTORS LICENSE LAW. CONTRACTORS ARE REQUIRED BY LAW TO BE LICENSED AND REGULATED BY THE CONTRACTORS' STATE LICENSE BOARD WHICH HAS JURISDICTION TO INVESTIGATE COMPLAINTS AGAINST CONTRACTORS IF A COMPLAINT REGARDING A PATENT ACT OR OMISSION IS FILED WITHIN FOUR (4) YEARS OF THE DATE OF THE ALLEGED VIOLATION. A COMPLAINT REGARDING A LATENT ACT OR OMISISON PERTAINING TO STRUCUTRAL DEFECTS MUST BE FILED WITHIN TEN (10) YEARS OF THE DATE OF THE ALLEGED VIOLATION. ANY QUESTIONS CONCERNING A CONTRACTOR MAY BE REFERRED TO THE REGISTRAR, CONTRACTORS' STATE LICENSE BOARD, P.O. BOX 26000, SACRAMENTO, CALIFORNIA 95826.

IN WITNESS WHEREOF, the City of Roseville, a municipal corporation, has authorized the execution of this Agreement in duplicate by its City Manager and attestation by its City Clerk under authority of Resolution No. _____, adopted by the Council of the City of Roseville on the ____day of _____, 20_____, and CONTRACTOR has caused this Agreement to be duly executed.

ORDINANCE NO. 7067

ORDINANCE OF THE COUNCIL OF THE CITY OF ROSEVILLE AUTHORIZING CERTAIN AMENDMENTS TO THE FISCAL YEAR 2025-26 BUDGET AND DECLARING THIS ORDINANCE TO BE IMMEDIATELY EFFECTIVE AS AN APPROPRIATION MEASURE

THE CITY OF ROSEVILLE ORDAINS:

SECTION 1. The City of Roseville Annual Budget, Fiscal Year 2025-26, is hereby amended as listed on the attached budget adjustment for the JM-52 Park project.

SECTION 2. This ordinance is hereby declared to be an appropriation measure, immediately effective pursuant to the provisions of Section 5.03 of the Charter.

SECTION 3. The City Clerk is hereby authorized and directed to post a true copy of the foregoing ordinance in each of three (3) conspicuous locations in the City and she shall immediately after such posting enter in the ordinance book, under the record of the ordinance, a certificate under her hand stating the time and place of such publication by posting.

**Justification for Budget Adjustment:**

The Parks, Recreation & Libraries Department (PRL) is requesting a budget adjustment of $264,262 to increase the budget for JM-52 Neighborhood Park Project (500298) to fully fund its construction. Funding will be reallocated from General Fund savings on the Weber Park Renovation Project (500246) due to costs coming in lower than anticipated. There is no net impact on the General Fund.

|---|---|
| **Title:** | Second Reading - Roseville Municipal Code Amendments - Purchasing System |
| **Contact:** | Shannon Wiest 916-746-1112 swiest@roseville.ca.us |

SUMMARY

Staff recommends approval of an ordinance for second reading amending Sections 4.12.090, 4.12.095, 4.12.105, and 4.12.110 of Title 4 of the Roseville Municipal Code related to purchasing procedures, cooperative purchasing, and the disposition of real property. The proposed updates are administrative in nature and make minor modifications to align the Municipal Code with City Charter publication requirements, ensure consistency with the Surplus Land Act, clarify that cooperative purchasing agreements may be used for terms of up to five years (including amendments), and provide additional examples of available cooperative purchasing agreements.

RECOMMENDATION

Staff recommends approval and adoption of an ordinance for second reading amending Sections 4.12.090, 4.12.095, 4.12.105, and 4.12.110 of Chapter 4.12 of Title 4 of the Roseville Municipal Code related to purchasing procedures, cooperative purchasing, and real property disposition.

BACKGROUND

Chapter 4.12 of the Roseville Municipal Code outlines the City's purchasing and contracting requirements, including formal bidding procedures for supplies, public works, and services, the use of cooperative purchasing agreements, and the sale or disposition of surplus real property.

Staff is proposing a limited set of updates to these sections to improve clarity and consistency, align with City Charter publication requirements, and ensure compliance with applicable state law, including the Surplus Land Act. The proposed amendments include:

**Sections 4.12.090 and 4.12.095 (Formal Bidding):** Update publication requirements to allow for the use of the City's website, consistent with City Charter provisions.

**Section 4.12.105 (Cooperative Purchasing):** Clarify and expand the use of cooperative purchasing agreements, including allowing agreements to be used for up to five years (including agreements entered into or amended within that timeframe), and providing additional examples of eligible cooperative purchasing programs.

**Section 4.12.110 (Real Property):** Update language to ensure the sale or disposition of surplus real property complies with applicable laws, including the Surplus Land Act.

These changes are administrative in nature and are intended to improve clarity, efficiency, and compliance while maintaining appropriate purchasing oversight.

FISCAL IMPACT

The recommended Municipal Code changes have no impact on the City's budget, including the General Fund.

ENVIRONMENTAL REVIEW

The California Environmental Quality Act (CEQA) only applies to projects which have the potential to cause a significant effect on the environment. Where it can be seen with certainty that there is no possibility that the activity in question may have a significant effect on the environment, the activity is not subject to CEQA environment (CEQA Guidelines §15061(b)(3)).

CITY COUNCIL STRATEGIC PLAN/OVERARCHING GOALS

6. Deliver exceptional City services

Respectfully Submitted,
Shannon Wiest, Purchasing and Warehouse Manager

ORDINANCE NO. 7068

ORDINANCE OF THE COUNCIL OF THE CITY OF ROSEVILLE AMENDING SECTIONS 4.12.090, 4.12.095, 4.12.105 AND 4.12.110 OF CHAPTER 4.12 OF TITLE 4 OF THE ROSEVILLE MUNICIPAL CODE REGARDING PURCHASING SYSTEM

THE CITY OF ROSEVILLE ORDAINS:

SECTION 1. The sections of the Roseville Municipal code listed above are hereby amended to read as shown on Attachment "A"

SECTION 2. This ordinance shall be effective at the expiration of thirty (30) days from the date of adoption.

SECTION 3. The City Clerk is hereby directed to cause this ordinance to be published in full at least once within fourteen (14) days after it is adopted in a newspaper of general circulation in the City, or shall within fourteen (14) days after its adoption cause this ordinance to be posted in full in at least three (3) public places in the City and enter in the Ordinance Book a certificate stating the time and place of said publication by posting.

**§ 4.12.090. Purchasing of supplies—Formal bidding procedure.**

A. Purchase of supplies or equipment of an estimated value equal to or greater than the bid amount established in the City Charter, shall be by written purchase order with the lowest responsible bidder in accordance with this section.

B. Notice to Bidders. The purchasing officer shall prepare and send to prospective bidders a notice inviting bids and detailed specifications of the supplies or equipment.

1. Published Notice. The notice inviting bids shall be published at least five working days before the date of bid opening. For purposes of this section, “working days” means Monday through Friday, except federal holidays. The notice shall be published at least once in a newspaper of general circulation in the city and/or on the City's website, and shall include a general description of the articles to be purchased. The notice shall state where bid specifications may be obtained.

2. Bidders List. The purchasing officer shall also solicit bids from all responsible persons whose names are on the bidders list (see Section 4.12.030(J)) or who have requested their names to be added to the bidders list.

C. Bidders Security. The purchasing officer may, in his or her discretion, demand as security a deposit or bid bond from each bidder in an amount which shall be specified in the call for bids. The security of the successful bidder shall be held to secure the capacity, readiness, and willingness of the successful bidder to execute the purchase order. The successful bidder shall forfeit the security upon refusal or failure to execute the purchase order within 15 calendar days after the notice of award of purchase order has been mailed, unless the city is responsible for the delay. The city council may, on refusal or failure of the successful bidder to execute the purchase order, award the purchase order to the next lowest responsible bidder; the amount of the successful bidder’s security shall be applied by the city to the difference between the successful bid and the next lowest responsible bid; and the surplus, if any, shall be returned to the successful bidder that refused or failed to execute the purchase order. The securities of unsuccessful bidders shall be returned following the execution of the purchase order by the successful bidder.

D. Bid Opening. All bids shall be submitted to the city clerk, and shall be opened by the person and at the time and place stated in the published notice. Bids shall be identified as bids on the envelope. Bids shall be reviewed by the purchasing officer in consultation with the using department, if any, and a recommendation submitted to the city council for award. A tabulation of all bids received shall be made available for public inspection.

E. Rejection of Bids. At its discretion, the city council may reject any and all bids presented or may request that the notice inviting bids be readvertised.

F. Award of Bids. Bids shall be awarded by the city council, and a purchase order issued by the purchasing officer, to the lowest responsible bidder except as otherwise provided herein.

G. Tie Bids. If two or more bids received are for the same total amount or unit price, quality and service being equal, the city council may, in its discretion, either accept the one it chooses, or accept the lowest bid made by negotiation with the tie bidders.

H. Bid Irregularity. Relief from bidder's errors may be granted in the sole discretion of the city council as provided in the specifications of a particular bid.

I. Standardization. Where the purchasing officer has determined that it is required by the health, safety or welfare of the people of the city, or by the effectiveness and efficiency of city operations, standardization of supplies or equipment with existing supplies or equipment, or with supplies or equipment needed for regional task forces or partnerships, is permitted and the specifications may limit the purchase to a single brand or trade name. The factors that shall be considered in determining to standardize on a single brand or trade name include:

1. Repair and maintenance costs would be minimized.

2. User personnel training would be facilitated.

3. Supplies or spare parts would be minimized.

4. Modifications to existing equipment would be minimized or made unnecessary.

5. Training requirements for repair and maintenance personnel would be minimized.

6. Proper operation of a function or program requires single brand or trade name supplies or equipment to be compatible with existing supplies or equipment.

7. Overall purchase or operational costs would be minimized.

**§ 4.12.095. Public works and services—Formal bidding and contract procedure.**

A. Contracts for public works or services estimated to have a value equal to or greater than, or to cost equal to or greater than, the bid amount established in the City Charter, shall be awarded to the lowest responsible bidder after receipt of sealed formal bids in accordance with this section.

B. Notice to Bidders. The using department shall prepare and send to prospective bidders a notice inviting bids and detailed plans and specifications of the public works or service being bid. The plans and specifications shall be approved by the city council prior to requesting bids.

1. Published Notice. The notice to bidders shall be published at least five working days before the date of bid opening. The notice shall be published at least once in a newspaper of general circulation in the city and/or on the City's website, and shall include a general description of the public work or services. The notice shall state where bid specifications may be secured, and the time and place for bid opening.

2. Bidders List. The using department shall also solicit bids from all responsible persons whose names are on a bidders list or who have requested their names to be added thereto.

C. Bids for public works shall require a bidder's bond or security in the amount of 10 percent of the amount of the bid. The security of the successful bidder shall be held to secure the capacity, readiness, and willingness of the successful bidder to execute the contract. The successful bidder shall forfeit the security upon refusal or failure to execute the contract within 15 calendar days after the notice of award of contract has been mailed, unless the city is responsible for the delay. The city council may, on refusal or failure of the successful bidder to execute the contract, award the contract to the next lowest responsible bidder. If the city council awards the contract to the next lowest responsible bidder, the amount of the successful bidder's security shall be applied by the city to the difference between the successful bid and the next lowest responsible bid, and the surplus, if any, shall be returned to the successful bidder that refused or failed to execute the contract. The deposits shall be returned to the unsuccessful bidders following the execution of the contract by the successful bidder.

D. Bid Opening. All bids shall be submitted to the city clerk, and shall be opened by the person and at the time and place stated in the published notice. Bids shall be identified as bids on the envelope. Bids shall be reviewed by the using department, and a recommendation submitted to the city council for award. A tabulation of all bids received shall be made available for public inspection.

E. Rejection of Bids. At its discretion, the city council may reject any and all bids presented or may request that bids be readvertised.

F. Award of Contracts. Contracts shall be awarded by the city council to the lowest responsible bidder except as otherwise provided herein.

G. Tie Bids. If two or more bids received are for the same total amount or unit price, quality and service being equal, if the public interest will not permit the delay of readvertising for the bids, the city council may accept the one it chooses or accept the lowest bid made by negotiation with the tie bidders.

H. Bid Irregularity. Relief from bidder's errors may be granted in the sole discretion of the city council as provided in the specifications of a particular bid.

I. Use of City Employees. In lieu of the bidding and contract procedures set forth in this section, public works and services may be performed by city employees at the discretion of the city manager.

**§ 4.12.105. Cooperative purchasing.**

A. Local Agencies. The purchasing officer may purchase services, supplies and equipment without complying with the bidding requirements of this chapter, if such purchases are made under an agreement or cooperative purchasing program entered into by any local governmental jurisdiction or public agency, regardless of whether the city is a named party to the agreement or an actual participant in such a program. However, the provisions of this subsection may be utilized only if: (1) the agreement or cooperative purchasing program was

entered into pursuant to a bidding or request for proposal (RFP) process which substantially conforms to the city's competitive bidding or RFP requirements; and (2) the agreement or cooperative purchasing program is still in full force and effect, but was not entered into or amended by the local governmental jurisdiction or public agency more than five (5) years prior to the city's approval of a binding obligation to purchase services, supplies, or equipment.

B. State and Federal Government. The purchasing officer may purchase services, supplies and equipment without complying with the bidding or RFP requirements of the city, if such purchases are based on any master agreement, cooperative agreement, or other types of agreements entered into by any state or the United States of America that would offer the city the benefits of those entities' buying power, regardless of whether the city is a named party to such agreements. Examples include, but are not limited to, National Association of State Procurement Officials Value Point (NASPO Value Point), Sourcewell, Houston-Galveston Area Council (H-GAC), National Purchasing Partners (NPP), or Omnia Partners Contracts.

C. Multiple-Award Schedules. The purchasing officer may purchase services, supplies and equipment without complying with the bidding or RFP requirements of the city, if such purchases are based on any multiple-award schedules developed through a competitive process, regardless of whether the city is a named party to such schedules. Examples include, but are not limited to, California Multiple Award Schedules (CMAS) and the Federal General Services Administration (GSA).

When purchasing pursuant to subsection B or C above, the city should select the best value vendor. In determining best value, the city shall consider the following factors:

1. Price, including any additional price reductions offered;
2. Past performance;
3. Special features of the services, supplies or equipment required for effective performance;
4. Trade-in considerations;
5. Probable life of the item selected when compared with that of a comparable item;
6. Warranty considerations;
7. Maintenance availability and expense;
8. Environmental and energy efficiency considerations;
9. Delivery terms;
10. Location of the vendor.

D. Best Interests. Prior to purchasing any services, supplies or equipment under this section, the purchasing officer must determine that the procurement is in the best interests of the city.

E. Price. Any services, supplies or equipment purchased under this section must be purchased at the same or lower price as the local, state or federal governmental jurisdiction, or public agency, except that the city may approve variation in price of not more than 15 percent for

customizing the order or for modifications or variations in the city's best interests. In the event the agreement, cooperative agreement, or multiple award schedule offers a list of services, supplies or equipment for the local, state or federal governmental jurisdiction, or public agency to choose from, the city may select any of the offered services, supplies or equipment, so long as the services, supplies or equipment are offered at the same or lower price as the services, supplies or equipment offered to the local, state or federal governmental jurisdiction, or public agency.

**§ 4.12.110. Real property—City council responsible for sale or other disposition.**

A. After following all applicable laws, including the Surplus Land Act as may be amended from time to time, real property found to be surplus to the needs of the city by the city council shall be sold by sealed bids. The terms and conditions of each such sale shall be established by council resolution.

B. The provisions of subsection A of this section notwithstanding, excess real property determined by the council to be unusable except by the owner of adjoining privately owned real property, or real property needed by another public entity, public utility, or a nonprofit public benefit corporation which has its principal place of business in the city, may be offered for sale to such adjoining landowner, or to such public entity, public utility, or nonprofit public benefit corporation which has its principal place of business in the city, at a price determined by the city council to be equitable to the purchaser and the city. Additionally, any interest in real property may be sold or otherwise disposed of pursuant to a finding by the city council that such disposition is in the city's best interest. Provided, however, that notice of the terms and conditions of such proposed sale or disposition pursuant to this subsection and the date of confirmation thereof shall be published in a newspaper of general circulation in the city and/or on the City's website at least 10 days prior to final approval and confirmation of the proposed sale or disposition. Such sales and dispositions shall be confirmed and approved upon a four-fifths' affirmative vote of the city council.

| **Title:** | Compressed Natural Gas Fleet Repair Bay (RFQ 10-3432) – Contract Purchase Agreement & Budget Adjustment |
| **Contact:** | Tiffany Valdez 916-746-1109 tvaldez@roseville.ca.us |

## SUMMARY

Staff recommends approval of a contract purchase agreement with TriVel Construction Inc. as the lowest responsive and responsible bidder for Request for Quotations No. 10-3432 Compressed Natural Gas Fleet Repair Bay. The cost of the Agreement is $276,192. Additionally, adopt a resolution authorizing the City Manager to sign the contract purchase agreement and authorizing the Public Works Director or designee to approve change order requests for this project up to 10% ($27,619) as a construction contingency, for a grand total of $303,811. Staff also recommends approval of a budget adjustment of $230,000 in the Fleet Services Fund and Waste Services Rehabilitation Fund to fully fund the project. This adjustment will increase the total project budget to $480,000. Funding for the project will come from the Waste Services Rehabilitation Fund and the Fleet Services Fund, and this action has no direct impact on the General Fund.

## RECOMMENDATION

Staff recommends that the City Council:

1. Adopt a resolution approving Contract Purchase Agreement #3005248 with TriVel Construction Inc., as the lowest responsive and responsible bidder, for Request for Quotations No. 10-3432 Compressed Natural Gas (CNG) Fleet Repair Bay and authorize the City Manager to execute the agreement on behalf of the City of Roseville.

2. Authorize the City Manager or his designee to approve change orders, consistent with the contract terms, provided that the net cost of all change orders shall not exceed ten percent (10%) of the contract price.

3. Adopt an ordinance approving a budget adjustment of $230,000 in the Fleet Services and Waste Services Rehabilitation Funds for the Fleet - Construction of Compressed Natural Gas Fleet Repair Bay Project.

## BACKGROUND

Fleet and Environmental Utilities currently operate 15 compressed natural gas (CNG) refuse trucks, with an additional 31 units on order. This project necessitates the development of a dedicated, compliant CNG service bay to support full fleet maintenance operations. The proposed project will retrofit and reconstruct the existing diesel repair bay at the Corporation Yard to meet applicable safety and ventilation standards required for servicing CNG vehicles.

In addition, improvements to the Corporation Yard Fleet Services Building will ensure compliance with

ADA accessibility requirements, including upgrades to the path of travel and parking areas.

A formal bid was issued with the following vendor responses:

| Bidder | Total Price |
|---|---|
| **TriVel Construction Inc.<br>Elk Grove, CA** | **$276,192** |
| PRIDE Industries<br>Rocklin, CA | $310,000 |
| ICOR, Inc.<br>Nevada City, CA | $389,000 |
| Kaler General Contractors Inc<br>Rancho Cordova, CA | $395,000 |
| Nicosia Consulting International, LLC<br>Cape Coral, FL | $554,961 |

FISCAL IMPACT

The cost of the Agreement is $276,192. Authorized change orders, on an as-needed basis up to 10% ($27,619), will serve as a construction contingency and bring the total contract authority amount to $303,811.

The recommended budget adjustment appropriates additional resources in the Waste Services Rehabilitation Fund and Fleet Services Fund. This adjustment increases the total project budget from $250,000 to $480,000 to cover the contract purchase agreement with TriVel Construction Inc., internal staff labor costs, and construction bids that came in higher than originally estimated.

The Fleet - Construction of Compressed Natural Gas Fleet Repair Bay Project is currently funded solely by the Waste Services Rehabilitation Fund. Fleet Services Fund resources are being added to reflect shared use of the repair bays for non-solid waste compressed natural gas (CNG) heavy-duty vehicles, as needed. Funding will be reallocated from existing Fleet Services Fund projects where costs have come in below budget and will not impact the scope or delivery of those projects. This action has no direct impact on the General Fund.

ENVIRONMENTAL REVIEW

The proposed project involves the minor alteration of an existing facility. This activity is categorically exempt from CEQA as a Class 1 Exemption (State CEQA Guidelines Section 15301). The Exemption has been prepared and no further CEQA action is required.

CITY COUNCIL STRATEGIC PLAN/OVERARCHING GOALS

1. Ensure a safe and healthy community

6. Deliver exceptional City services
4. Invest in well-planned infrastructure and growth

## Contract Terms and Conditions

1. To the fullest extent allowed by law, Contractor shall defend, indemnify, and save and hold harmless the City, its officers, agents, employees and volunteers from any claims, suits or actions of every name, kind and description brought forth, or on account of, injuries to or death of any person (including but not limited to workers and the public), or damage to property, resulting from or arising out of Contractor's willful misconduct or negligent act or omission while engaged in the performance of obligations or exercise of rights created by this Agreement, except those matters arising from City's sole or active negligence or willful misconduct. The parties intend that this provision shall be broadly construed. Contractor's responsibility for such defense and indemnity obligations shall survive the termination or completion of this Agreement for the full period of time allowed by law. The defense and indemnity obligations of this Agreement are undertaken in addition to, and shall not in any way be limited by, the insurance obligations contained in this Agreement.
2. Contractor is an independent contractor, and shall not be considered an officer, agent, or employee of the City.
3. Without the written consent of the City, this Agreement is not assignable by Contractor either in whole or in part.
4. Time is of the essence of this Agreement.
5. At any time during the term of this Agreement, the City has the right to terminate this Agreement, provided Contractor is given thirty (30) days written notice. City's termination shall be without further liability to City; however, Contractor shall be entitled to all costs reasonably incurred prior to the date of termination. Contractor acknowledges that City may terminate this Agreement should funds not be appropriated by its governing body to continue services under this Agreement.
6. This Agreement may only be amended or modified in writing. It is integrated and contains the complete understanding of the parties.
7. All equipment, supplies and services sold to the City of Roseville shall conform to the general safety orders of the State of California.
8. Unless notified to the contrary, in writing, the City assumes that the Contractor has accepted the work in accordance with the plans and specifications (if any) and agrees to do the work in compliance with this Agreement.
9. All prevailing wages and fair employment practices must be adhered to. For prevailing wage contracts over $25,000, copies of certified payroll must be submitted with invoices. Prevailing wage rates may be obtained from the State Department of Industrial Relations and/or the following website address: http://www.dir.ca.gov/dlsr/DPreWageDetermination.htm. In compliance with Labor Code Section 1773.2, as may be amended from time to time, Contractor shall cause a copy of this website to be posted at each jobsite, as applicable.
10. Contractor agrees to the below insurance requirements:
    a. Unless otherwise specified, the Contractor shall maintain the policies of insurance outlined in Attachment A, incorporated herein by this reference, in full force and effect during the term of this Agreement. The City of Roseville retains sole discretion in determining the types and proper levels of insurance coverage.
    b. Form. Contractor shall submit a certificate evidencing such coverage for the period covered by this Agreement in a form satisfactory to Risk Management and the City Attorney, prior to undertaking any work hereunder. Any insurance written on a claims made basis is subject to the approval of Risk Management

Docusign Envelope ID: CE267911-BC8F-4AA4-8AC3-85EB632F927A

and the City Attorney.

c. Additional Insureds. Contractor shall also provide a separate endorsement or section of the policy showing City, its officers, agents, employees, and volunteers as additional insureds for each type of coverage (except Workers' Compensation) and for ongoing and completed operations. Such insurance shall specifically cover the contractual liability of Contractor. The additional insured coverage under the Contractor's policy shall be primary and noncontributory, as evidenced by a separate endorsement or section of the policy, and shall not seek contribution from City's insurance or self-insurance. In addition, the additional insured coverage shall be at least as broad as the Insurance Services Office (ISO) CG 20 01 Endorsement. Any available insurance proceeds in excess of the specified minimum insurance coverage requirements and limits shall be available to the additional insureds. Furthermore, the requirements for coverage and limits shall be:

(1) the minimum coverage and limits specified in this Agreement; or
(2) the full coverage and maximum limits of any insurance proceeds available to the named insureds, whichever is greater.

d. Cancellation/Modification. Contractor shall provide thirty (30) days written notice to City prior to cancellation or modification of any insurance required by this Agreement.

e. Umbrella/Excess Insurance. The limits of insurance required in this Agreement may be satisfied by a combination of primary and excess insurance. Any excess insurance shall contain or be endorsed to contain a provision that such coverage shall also apply on a primary and noncontributory basis for the benefit of City (if agreed to in a written contract) before City's own insurance shall be called upon to protect it as a named insured.

f. Subcontractors. Contractor agrees to include in its contracts with all subcontractors the same requirements and provisions of this Agreement, including the indemnity and insurance requirements, to the extent they apply to the scope of the subcontractor's work. Furthermore, Contractor shall require its subcontractors to agree to be bound to Contractor and City in the same manner and to the same extent as Contractor is bound to City under this Agreement. Additionally, Contractor shall obligate its subcontractors to comply with these same provisions with respect to any tertiary subcontractor, regardless of tier. A copy of City's indemnity and insurance provisions will be furnished to the subcontractor or tertiary subcontractor upon request.

g. Self-Insured Retentions. All self-insured retentions (SIR) must be disclosed to Risk Management for approval and shall not reduce the limits of liability. Policies containing any SIR provision shall provide or be endorsed to provide that the SIR may be satisfied by either the named insured or City. City reserves the right to obtain a full certified copy of any insurance policy and endorsements. The failure to exercise this right shall not constitute a waiver of such right.

h. Waiver of Subrogation. Contractor hereby agrees to waive subrogation which any insurer of Contractor may acquire from Contractor by virtue of the payment of any loss under a Workers Compensation, Commercial General Liability or Automobile Liability policy. All Workers Compensation, Commercial General Liability and Automobile Liability policies shall be endorsed with a waiver of subrogation in favor of City, its officers, agents, employees and volunteers for all work performed by Contractor, its employees, agents and subcontractors.

i. Liability/Remedies. Insurance coverage in the minimum amounts set forth herein shall not be construed to relieve Contractor of liability in excess of such coverage, nor shall it preclude City from taking such other actions as are available to it under any other provisions of this Agreement or law.

Docusign Envelope ID: CE267911-BC8F-4AA4-8AC3-85EB632F927A

11. Contractor shall comply with all federal, state and local laws and ordinances, including but not limited to the City's storm water regulations, as may be applicable to the performance of services under this Agreement. Failure to comply with local ordinances may result in monetary fines and cancellation of this Agreement. Refer to www.roseville.ca.us/stormwater for links to more information on the City's storm water regulations.
12. In the event that the terms of any attachment or exhibit conflict with any terms of this Agreement, the terms of this Agreement shall control.
13. This Agreement may be executed in one or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument. In the event that any signature is delivered by facsimile transmission or by e-mail delivery of a ".pdf" format data file, such signature shall create a valid and binding obligation of the party executing (or on whose behalf such signature is executed) with the same force and effect as if such facsimile or ".pdf" signature page were an original thereof.
14. If either party commences any legal action against the other party arising out of this Agreement or the performance thereof, the prevailing party in such action shall be entitled to recover its reasonable litigation expenses, including but not limited to, court costs, expert witness fees, discovery expenses, and attorneys' fees. Any action arising out of this Agreement shall be brought in Placer County, California, regardless of where else venue may lie. This Agreement shall be governed by and construed in accordance with the laws of the State of California.
15. This Agreement shall be binding upon the heirs, successors, executors, administrators and assigns of the respective parties hereto.
16. If any of the provisions contained in this Agreement are for any reason held invalid or unenforceable, such holding shall not affect the remaining provisions or the validity and enforceability of the Agreement as a whole.
17. For purposes of this Agreement, the terms "Contractor," "Consultant," and "Supplier" are used interchangeably.
18. No contractor or subcontractor may work on a public works project unless registered with the Department of Industrial Relations pursuant to Labor Code section 1725.5. During the performance of this agreement, Contractor and its subcontractors shall have a continuing legal obligation to maintain current registration with the Department of Industrial Relations. Contractor is hereby notified that this project is subject to compliance monitoring and enforcement by the Department of Industrial Relations.
19. Vehicles with a gross vehicle weight rating (GVWR) greater than 8,500 lbs. and light-duty package delivery vehicles operated in California may be subject to the California Air Resources Board (CARB) Advanced Clean Fleets regulations. Such vehicles may therefore be subject to requirements to reduce emissions and air pollutants. For more information, visit the CARB Advanced Clean Fleet webpage at https://ww2.arb.ca.gov/our-work/programs/advanced-clean-fleets.
20. Contractor/consultant's duties and services under this agreement shall not include preparing or assisting the public entity with any portion of the public entity's preparation of a request for proposals, request for qualifications, or any other solicitation regarding a subsequent or additional contract with the public entity. The public entity entering this agreement shall at all times retain responsibility for public contracting, including with respect to any subsequent phase of this project. Contractor/consultant's participation in the planning, discussions, or drawing of project plans or specifications, if any, shall be limited to conceptual, preliminary, or initial plans or specifications. Contractor/consultant shall cooperate with the public entity to ensure that all bidders for a subsequent contract on any subsequent phase of this project have access to the same information, including all conceptual, preliminary, or initial plans or specifications prepared by contractor pursuant to this agreement.
21. Contractor must submit all claims as defined in and in accordance with the claim

Docusign Envelope ID: CE267911-BC8F-4AA4-8AC3-85EB632F927A

resolution process set forth in Section 9204 of the Public Contract Code. Each such claim must be sent to the City by registered mail or certified mail with return receipt requested and must contain reasonable documentation to support the claim. All claims must be received prior to acceptance of the work.

22. Contractor certifies that Contractor, its employees, directors, officers, agents, subcontractors, vendors, and volunteers are not presently debarred, excluded, suspended, declared ineligible, voluntarily excluded, or proposed for debarment, exclusion, suspension, or ineligibility by any federal, state, or local department or agency.

23. The Levine Act (Govt. Code, Section 84308) requires a Party (and its agent(s), if any) to a Proceeding before the City of Roseville that involves any action or consideration related to their contract, license, permit, or other entitlement for use, to disclose any campaign contributions made to City elected or appointed officers totaling more than $250 within the twelve (12) months prior to the City decision and while a proceeding is pending, and includes certain prohibitions on contribution activity thereafter. If applicable campaign contributions have been made by Contractor and/or its agent(s), Contractor is responsible for compliance, including for its disclosure obligations, if any, as further described at: https://www.roseville.ca.us/government/departments/city_clerk/transparency/levine_act.

24. This Agreement may be amended via change order, but only if such change order is made in writing, approved by the City, and signed by both parties.

25. CONTRACTOR agrees to defend and indemnify CITY if, despite the parties intent and practice, any venue, agency, or court with competent jurisdiction determines that CONTRACTOR and/or any of its agents, officers, employees, volunteers, independent contractors, or subcontractors, are characterized as employee(s) of CITY.

    CONTRACTOR and CITY agree that: (a) CONTRACTOR is free from the control and direction of CITY in connection with the performance of the work; (b) CONTRACTOR is providing services directly to CITY; (c) CONTRACTOR has and will maintain at all relevant times a business license; (d) CONTRACTOR maintains a business location that is separate from CITY; (e) CONTRACTOR is customarily engaged in an independently established business of the same nature as that involved in the work performed hereunder; (f) CONTRACTOR actually contracts with other businesses to provide the same or similar services and maintains a clientele without restrictions from CITY; (g) CONTRACTOR advertises and holds itself out to the public as available to provide the same or similar services; (h) CONTRACTOR provides its own tools, vehicles, and equipment to perform the services; (i) CONTRACTOR has negotiated its own rates; (j) CONTRACTOR set its own hours and location of work in accomplishing CITY's on-call needs; and (k) CONTRACTOR has the right to control the manner and means of accomplishing the result desired and exercises its own expert independent judgement.

**The supplier named hereon by the acceptance of this order agrees to the provisions of this document titled "Contract Purchase Agreement" and all accompanying terms, conditions, and attachments.**

## Asbestos-Containing Materials in City-Owned Buildings

California Health and Safety Code Section 25915 requires that all City of Roseville employees, contractors and lessees be notified annually of the presence of asbestos in City-owned buildings constructed prior to 1979. Please post this notice in an area(s) accessible to all employees, contractors and lessees. Contact Facility Maintenance & Operations at (916) 774-5740 for more information about Asbestos Containing Materials (ACMs) in specific City-owned buildings. For more information about asbestos refer to the OSHA website.

The City of Roseville is committed to maintaining a safe and healthy work environment. The City's Facility Maintenance & Operations staff conducts ongoing inspections to identify and safely manage previously installed asbestos-containing products. Renovation of City-owned buildings **MUST** be reviewed in advance by Facility Maintenance & Operations to ensure the City is in compliance with building codes, Americans with Disabilities Act and that no ACMs are disturbed without proper safeguards. Work that requires removal or repair of ACMs is restricted to trained and qualified persons only. **Facility Maintenance & Operations will need to approve the qualified contractors**.

Use the following measures to protect you and others from exposure to airborne asbestos:

- Presume all building materials contain asbestos until determined otherwise by Facility Maintenance & Operations.
- Do not install walls, closets, cabinets, ceilings.
- Do not remove, cut, drill, sand, grind or otherwise disturb any material in the buildings, including carpet and tile.
- Do not paint (this includes any walls, ceilings, floors and electrostatic painting of office furniture).
- Do not remove any items nailed or screwed to the walls (this includes pictures, cabinets, electrical, etc.).
- Do not go above ceilings, behind walls or into building spaces such as attics and crawlspaces unless these areas have been inspected and cleared by Facility Maintenance & Operations.
- Do not pull cable or wiring through above-ceiling spaces with asbestos.
- Do not install screws, pins, nails or hangers into asbestos ceiling or wall plaster.
- Be careful not to damage walls, ceilings or floors when moving furniture or equipment. It is recommended that Facility Maintenance & Operations be contacted prior to moving furniture or equipment.
- Do not brush, sweep or vacuum textured asbestos ceiling plaster or plaster debris.
- Immediately report any damage or deterioration of suspect building materials to Facility Maintenance & Operations or Risk Management.

It is important to note that the presence of asbestos does not mean you have been exposed. Exposure results when friable asbestos particles are inhaled or ingested. Asbestos becomes friable when material containing asbestos is drilled, sanded or disturbed by remodeling or demolition work or when the ACM has deteriorated. Intact, bonded, sealed or undisturbed asbestos does not pose a hazard.

Employees may review the asbestos survey reports, results of bulk sampling or air monitoring conducted in City-owned buildings. All asbestos data will be available by appointment with Facility Maintenance & Operations.

April, 2022

**RE: Contractor and Grantee Compliance with Economic Sanctions Imposed in Response to Russia's Actions in Ukraine**

Dear Vendor:

On March 4, 2022, Governor Gavin Newsom issued Executive Order N-6-22 (EO) regarding sanctions in response to Russian aggression in Ukraine. The EO is located at https://www.gov.ca.gov/wp-content/uploads/2022/03/3.4.22-Russia-Ukraine-Executive-Order.pdf.

The EO directs all agencies and departments that are subject to the Governor's authority to take certain immediate steps, including notifying all contractors and grantees of their obligations to comply with existing economic sanctions imposed by the U.S. government in response to Russia's actions in Ukraine, as well as any sanctions imposed under state law.

This correspondence serves as a notice under the EO that as a contractor or grantee, compliance with the economic sanctions imposed in response to Russia's actions in Ukraine is required, including with respect to, but not limited to, the federal executive orders identified in the EO and the sanctions identified on the U.S. Department of the Treasury website (https://home.treasury.gov/policy-issues/financial-sanctions/sanctions-programs-and-country-information/ukraine-russia-related-sanctions). Failure to comply may result in the termination of contracts or grants, as applicable.

Please note that for any agreements or grants valued at $5 million or more you must report to the City of Roseville your compliance with economic sanctions including steps you have taken in response to Russia's actions in Ukraine, including, but not limited to, desisting from making new investments in, or engaging in financial transactions with, Russian entities, not transferring technology to Russia or Russian entities, and directly providing support to the government and people of Ukraine.

Sincerely,

ORDINANCE NO. 7069

ORDINANCE OF THE COUNCIL OF THE CITY OF ROSEVILLE AUTHORIZING CERTAIN AMENDMENTS TO THE FISCAL YEAR 2025-26 BUDGET AND DECLARING THIS ORDINANCE TO BE IMMEDIATELY EFFECTIVE AS AN APPROPRIATION MEASURE

THE CITY OF ROSEVILLE ORDAINS:

SECTION 1. The City of Roseville Annual Budget, Fiscal Year 2025-26, is hereby amended as listed on the attached budget adjustment for the Compressed Natural Gas Fleet Repair Bay project.

SECTION 2. This ordinance is hereby declared to be an appropriation measure, immediately effective pursuant to the provisions of Section 5.03 of the Charter.

SECTION 3. The City Clerk is hereby authorized and directed to post a true copy of the foregoing ordinance in each of three (3) conspicuous locations in the City and she shall immediately after such posting enter in the ordinance book, under the record of the ordinance, a certificate under her hand stating the time and place of such publication by posting.

| | | | | | |
| | | | | | |
| | | | | | |
| | | | REVENUES/TRANSFERS IN TOTAL | - | |

| | | |
|---|---|---|
| NET ADJUSTMENT | 100,000 | |

**FUND BALANCE**

| ACCOUNT STRING | | | | BUDGET ($) | DESCRIPTION |
|---|---|---|---|---|---|
| Fund | Account | Center | Project | Adjustment | |
| 6330 | 3601 | 00000 | 000000 | (100,000) | Decrease EU Waste Services Fund Balance |
| | 3601 | 00000 | 000000 | | |
| | 3601 | 00000 | 000000 | | |
| | 3601 | 00000 | 000000 | | |
| | | | FUND BALANCE TOTAL | (100,000) | |

**Justification for Budget Adjustment:**

Public Works is requesting an additional $230,000 for Project 500473 – Fleet: Construction of a Compressed Natural Gas (CNG) Fleet Repair Bay due to construction bids coming in higher than originally estimated.

To fully fund the project, existing appropriations will be reallocated from Fleet Services Fund (4001) projects where costs have come in below budget. The funding sources are as follows:

500474 – Fleet Project: Light Duty Lift Installation: $67,800
500402 – Fleet Project: Parts Room Rehabilitation: $39,600
500401 – Fleet Project: Facility Rehabilitation: $22,600

The reallocation of these funds will not impact the scope or delivery of the contributing projects.

Project 500473 is currently funded solely by the Waste Services Rehabilitation Fund. Fleet Operations funding is being added to reflect shared use of the repair bays for non-solid waste CNG heavy-duty vehicles, as needed.

The current project budget is $250,000. With this adjustment, the revised project budget will total $480,000.

**Notice of Exemption**

To: Placer County Clerk
Recorder's Office
2954 Richardson Drive
Auburn, CA 95603

From: City of Roseville
Development Services Dept.
311 Vernon Street
Roseville, CA 95678

**Project Title**: Compressed Natural Gas (CNG) Fleet Repair Bay

**Project Location(s)**: 2005, 2025, 2075, 2080, and 2090 Hilltop Circle, Roseville, California 95678 (APNs 473-110-007, 008, 009, 010, -011, -012, -013, -014, -015, -021 -022).

**Project Description**: This project would retrofit and reconstruct an existing diesel repair bay at the Corporation Yard to provide a repair bay for maintaining City fleet vehicles operated by Compressed Natural Gas (CNG). The CNG repair bay would meet safety and ventilation requirements, and the project would provide path of travel and parking upgrades to ensure compliance with accessibility requirements per the Americans with Disabilities Act (ADA) standards and local building codes. There would be no expansion of use.

**Public Agency Approving Project**: Roseville City Council

**Agency/Individual Carrying Out Project**: City of Roseville Finance Department

**Reason why this Project is Exempt:** This project qualifies for a Class 1 Exemption as described in Section 15301 of the California Environmental Quality Act (CEQA) guidelines which states:

> "Class 1 consists of the …minor alteration of existing public…structures, facilities, [or] mechanical equipment…involving negligible or no expansion of existing or former use…

The project is located entirely within the Corporation Yard and converts an existing repair bay for diesel-operated fleet vehicles to one that can provide service for CNG-operated fleet vehicles. The project would not result in expansion of use, and no environmentally sensitive resources are located within or near the property; therefore the Class 1 exemption is applicable to the proposed project.

|---|---|
| **Title:** | Fire Department Incident Reporting, Electronic Record and Patient Care Management System - Contract Purchase Agreement Amendment |
| **Contact:** | Jamie Pepin 916-774-5400 jpepin@roseville.ca.us |

## SUMMARY

Staff recommends approval of an amendment to extend for one year the existing contract purchase agreement with ImageTrend, LLC for the fire department incident reporting, electronic record and patient care management system. The current system is compliant with the National Emergency Response Information System and the National Fire Incident Reporting System, and can integrate with over 50 computer-aided dispatch system vendors, including the one currently used by the City. The total estimated cost of the amended agreement is $221,226.85, with an estimated cost of $97,943.85 for the period of January 15, 2026, to January 14, 2027.

## RECOMMENDATION

Staff recommends that the City Council adopt a resolution to approve Amendment #1 to Contract Purchase Agreement (3004184) with ImageTrend, LLC for the Fire Department's incident reporting, electronic record and patient care management system, and authorize the City Manager to execute it on behalf of the City of Roseville.

Additionally, staff requests authority for the City Manager or his designee to execute three (3), one (1) year renewals without further Council approval, provided that the applicable budget is approved by the City Council, or until staff determines that continuing with the same vendor is not in the best interest of the City.

## BACKGROUND

The Roseville Fire Department has statutory requirements for incident reporting, electronic record keeping and patient care management. The ImageTrend system provides the efficiencies of single entry and allows for integration with the community's ground ambulance transport provider. ImageTrend Elite Rescue seamlessly connects patient care reporting and fire records management. The current system is NERIS and NFIRS compliant, and can integrate with over 50 CAD vendors, including the current one used by the City.

## FISCAL IMPACT

The total estimated cost of the amended agreement is $221,226.85, with an estimated cost of $97,943.85 for the period of January 15, 2026, to January 14, 2027. Moving forward, the estimated annual spend for renewals may include an increase not to exceed 7% and will be contingent upon Council approval of the budget. Funding for this reporting system is included in the Fire Department's FY 2025-26 General Fund budget and will be recommended for approval in future budgets.

## ENVIRONMENTAL REVIEW

The California Environmental Quality Act (CEQA} does not apply to activities that will not result in a direct

or reasonably foreseeable indirect physical change in the environment, or is otherwise not considered a project as defined by CEQA Statute §21065 and CEQA State Guidelines § 15060M(3) and § 15378. The contract purchase order amendment meets the above criteria and is not subject to CEQA. No additional environmental review is required.

CITY COUNCIL STRATEGIC PLAN/OVERARCHING GOALS

1. Ensure a safe and healthy community
6. Deliver exceptional City services

Respectfully Submitted,
Jamie Pepin, Fire Division Chief

Ryan Harrigan, Fire Chief

RESOLUTION NO. 26-108

APPROVING AMENDMENT #1 TO CONTRACT PURCHASE AGREEMENT, BY AND BETWEEN THE CITY OF ROSEVILLE AND IMAGETREND, LLC, AND AUTHORIZING THE CITY MANAGER TO EXECUTE IT ON BEHALF OF THE CITY OF ROSEVILLE

WHEREAS, Amendment #1 to Contract Purchase Agreement (3004184) for the Fire Department's incident reporting, electronic record and patient care management system, by and between the City of Roseville and ImageTrend, LLC, has been reviewed by the City Council; and

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Roseville that said amendment is hereby approved and the City Manager is authorized to execute it on behalf of the City of Roseville.

BE IT FURTHER RESOLVED, that the City Manager or his or her designee is authorized to execute three (3) additional one (1) year renewal without further City Council approval, provided that the applicable budget is approved by the City Council, or until staff determines that continuing with the same vendor is not in the best interest of the City.

# AMENDMENT TO CONTRACT PURCHASE AGREEMENT 3004184

**This Agreement** (hereinafter referred to as this "Agreement") is made as of the date executed by the last of the parties named below:

**BETWEEN:** **ImageTrend, LLC**, Minnesota corporation (hereinafter "Consultant")

**AND:** **City of Roseville** (hereinafter "City").

The City and Consultant mutually agree to the following changes to the Original Contract between the City of Roseville and ImageTrend, LLC.

1. The purpose of this Amendment is for City to amend the following:
2. The term of the Original Contract is hereby extended through January 14, 2027. Upon expiration of this term, the City has three (3) twelve (12) month options to renew the Agreement under the same terms and conditions. If City does not intend to renew the Agreement, City must provide no less than sixty (60) days' notice prior to the end of the current Subscription Term.
3. Provision Number 5 of the Original Contract shall be deleted in its entirety and replaced with the following:

   5. Termination for Cause. A Party may terminate this Agreement for cause (a) upon written notice to the other Party of a material breach by the other Party if such breach remains materially uncured after thirty (30) days from the date of receipt of such notice; or (b) if the other Party becomes the subject of a petition in bankruptcy or any other proceeding relating to insolvency, receivership, liquidation, or assignment for the benefit of creditors.

   Consultant will refund any prepaid fees covering the remainder of the Subscription Term as of the effective date of termination if this Agreement is terminated by City in accordance with this Section for Consultant's uncured material breach.

   City must pay any unpaid fees covering the remainder of the Subscription Term pursuant to all applicable Service Order if Consultant terminates this Agreement for City's material breach in accordance with this Section. In no event will Consultant's termination for cause relieve City of its obligation to pay any fees payable to Consultant for the period prior to termination.

   Non-Appropriation. In the event City does not receive sufficient funds from the legislature that appropriates its budget, City will provide Consultant with written notice of such non-appropriation. In such event, the Agreement and any applicable Order Forms and Statements of Work will be terminated at the end of the then-existing Term. Consultant will be entitled to payment for Service(s) and any implementation services or Professional Services provided through the date of notification or a date determined by such legislature, whichever is later.
4. Attachment C of the Original Contract is hereby replaced with the attached Attachment C-1.
5. All other terms and conditions remain the same.

# City Council Communication

**Meeting Date: 5/6/2026**
**Item #: VI.15**
**File #: 0203-12**
**Item ID: 2026-315**

| | |
|---|---|
| **Title:** | Personal Protective Equipment - Purchase Order |
| **Contact:** | Jamie Pepin 916-774-5400 jpepin@roseville.ca.us |

## SUMMARY

Staff recommends approval of a purchase order with AllStar Fire Equipment Co., a Lion Corporation authorized reseller, for the purchase of personal protective equipment based upon the Master Price Agreement for the remainder of the initial term of four years with an optional one-year renewal term as a qualified government member of National Purchasing Partners. The total estimated cost is $800,000 for the remainder of the 48-month term of the contract, from February 26, 2026 to February 25, 2030 and $200,000 for the extension year from February 26, 2030 to February 25, 2031. The current year's funding is included in the Fire Department's FY2025-26 General Fund budget and will be recommended for approval in future year budgets.

## RECOMMENDATION

Staff recommends that the City Council adopt a resolution to approve a purchase order with Allstar Fire Equipment Co. to obtain personal protective equipment utilizing the League of Oregon Cities contract number PS26210 through National Purchasing Partners (NPPGov).

Additionally, staff requests that the City Manager or his designee be authorized to approve an additional one (1) year renewal without further City Council approval, upon verification of the approved optional renewal year on the piggyback contract, provided that the applicable budget is approved, until the contract expires or until staff determines that continuing with this vendor is not in the City's best interest.

## BACKGROUND

The Fire Department has an ongoing requirement to maintain proper personal protective equipment (PPE) for the operational staff. The PPE requirements and recommendations are outlined in the guidelines from the National Fire Protection Association and Occupational Safety Health Administration regulations. This includes a life span of ten years for structural turnout clothing. The structural turnout clothing (PPE) is used by fire and rescue personnel when fighting fires, responding to vehicles, and when incidents such as gas leaks occur. The clothing provides protection from heat, steam, blood borne pathogens, falling objects, and provides for visibility/identification. It is imperative that this equipment is in good working order at all times. Every firefighter is assigned two sets of structural turnout clothing (PPE) to allow for cleaning, inspections, repair and if necessary replacement. As new staff are hired, new sets need to be purchased for those individuals.

## FISCAL IMPACT

The total estimated cost for Fire Department personal protective equipment with AllStar Fire Equipment-Lion Brand is $800,000 for the remainder of the initial 48-month term of the contract, from February 26, 2026 to February 25, 2030, and $200,000 for the extension year from February 26, 2030 to February 25, 2031. The current year's funding is included in the Fire Department's FY2025-26 General Fund budget and

will be recommended for approval in future year budgets.

ENVIRONMENTAL REVIEW

The California Environmental Quality Act (CEQA) does not apply to activities that will not result in a direct or reasonably foreseeable indirect physical change in the environment, or is otherwise not considered a project as defined by CEQA Statute §21065 and CEQA State Guidelines §15060(c)(3) and §15378. The purchase order for firefighter equipment meets the above criteria and is not subject to CEQA. No additional environmental review is required.

CITY COUNCIL STRATEGIC PLAN/OVERARCHING GOALS

1. Ensure a safe and healthy community
6. Deliver exceptional City services

Respectfully Submitted,
Jamie Pepin, Fire Division Chief

Ryan Harrigan, Fire Chief

RESOLUTION NO. 26-102

APPROVING A PURCHASE ORDER FOR PERSONAL PROTECTIVE EQUIPMENT

WHEREAS, a purchase order for personal protective equipment, by and between the City of Roseville and AllStar Fire Equipment Co., utilizing the League of Oregon Cities contract number PS26210 through National Purchasing Partners (NPPGov), has been reviewed by the City Council; and

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Roseville that said purchase order is approved.

BE IT FURTHER RESOLVED, that the City Manager or his designee is authorized to approve an additional one (1) year renewal without further City Council approval, provided that the applicable budget is approved by the City Council, or until staff determines that continuing with this vendor is not in the best interest of the City.

# ***LEAGUE OF OREGON CITIES***

# ***MASTER PRICE AGREEMENT***

This Master Price Agreement is effective as of the date of the last signature below (the "Effective Date") by and between the LEAGUE OF OREGON CITIES, an Oregon public corporation under ORS Chapter 190 ("LOC" or "Purchaser") and LION First Responders PPE, Inc ("Vendor").

## RECITALS

WHEREAS, the Vendor is in the business of selling certain Fire Fighting Equipment, SCBA, and Protective Gear, as further described herein; and

WHEREAS, the Vendor desires to sell and the Purchaser desires to purchase certain products and related services all upon and subject to the terms and conditions set forth herein; and

WHEREAS, through a solicitation for Fire Fighting Equipment, SCBA, and Protective Gear, the Vendor was awarded the opportunity to complete a Master Price Agreement with the LEAGUE OF OREGON CITIES as a result of its response to Request for Proposal No. 2555 for Fire Fighting Equipment, SCBA, and Protective Gear; and

WHEREAS, the LEAGUE OF OREGON CITIES asserts that the solicitation and Request for Proposal meet Oregon public contracting requirements (ORS 279, 279A, 279B and 279C et. seq.); and

WHEREAS, Purchaser and Vendor desire to extend the terms of this Master Price Agreement to benefit other qualified government members of National Purchasing Partners, LLC dba Public Safety GPO, dba First Responder GPO, dba Law Enforcement GPO and dba NPPGov;

NOW, THEREFORE, Vendor and Purchaser, intending to be legally bound, hereby agree as follows:

## ARTICLE 1 – CERTAIN DEFINITIONS

1.1 "Agreement" shall mean this Master Price Agreement, including the main body of this Agreement and Attachments A-G attached hereto and by this reference incorporated herein, including Purchaser's Request for Proposal No. 2555 (herein "RFP") and Vendor's Proposal submitted in response to the RFP (herein "Vendor's Proposal") as referenced and incorporated herein as though fully set forth (sometimes referred to collectively as the "Contract Documents").

1.2 "Applicable Law(s)" shall mean all applicable federal, state, tribal, and local laws, statutes, ordinances, codes, rules, regulations, standards, orders and other governmental requirements of any kind.

1.3 "Employee Taxes" shall mean all taxes, assessments, charges and other amounts whatsoever payable in respect of, and measured by the wages of, the Vendor's employees (or subcontractors), as required by the Federal Social Security Act and all amendments thereto and/or any other applicable federal, state, tribal or local law.

1.4 "Purchaser's Destination" shall mean such delivery location(s) or destination(s) as Purchaser may prescribe from time to time.

Docusign Envelope ID: B731A01D-FCA3-492C-BFE2-9E5003B76948

1.5 “Products and Services” shall mean the products and/or services to be sold by Vendor hereunder as identified and described on Attachment A hereto and incorporated herein, as may be updated from time to time by Vendor to reflect products and/or services offered by Vendor generally to its customers.

1.6 “Purchase Order” shall mean any authorized written order for Products and Services sent by Purchaser to Vendor via mail, courier, overnight delivery service, email, fax and/or other mode of transmission as Purchaser and Vendor may from time to time agree.

1.7 “Unemployment Insurance” shall mean the contribution required of Vendor, as an employer, in respect of, and measured by, the wages of its employees (or subcontractors) as required by any applicable federal, state or local unemployment insurance law or regulation.

1.8 “National Purchasing Partners” or “(NPP)” is a subsidiary of two nonprofit health care systems. The Government Division of NPP, hereinafter referred to as “NPPGov”, provides group purchasing marketing and administrative support for governmental entities within the membership. NPPGov’s membership includes participating public entities across North America.

1.9 “Lead Contracting Agency” shall mean the LEAGUE OF OREGON CITIES, which is the governmental entity that issued the Request for Proposal and awarded this resulting Master Price Agreement.

1.10 “Participating Agencies” shall mean members of National Purchasing Partners for which Vendor has agreed to extend the terms of this Master Price Agreement pursuant to Article 2.6 and Attachment C herein. For purposes of cooperative procurement, “Participating Agency” shall be considered “Purchaser” under the terms of this Agreement.

1.11 “Party” and “Parties” shall mean the Purchaser and Vendor individually and collectively as applicable.

## ARTICLE 2 – AGREEMENT TO SELL

2.1 Vendor hereby agrees to sell to Purchaser such Products and Services as Purchaser may order from time to time by Purchase Order, all in accordance with and subject to the terms, covenants and conditions of this Agreement. Purchaser agrees to purchase those Products and Services ordered by Purchaser by Purchase Order in accordance with and subject to the terms, covenants and conditions of this Agreement.

2.2 Vendor may add additional products and services to the contract provided that any additions reasonably fall within the intent of the original RFP specifications. Pricing on additions shall be equivalent to the percentage discount for other similar products. Vendor may provide a web-link with current product listings, which may be updated periodically, as allowed by the terms of the resulting Master Price Agreement. Vendor may replace or add product lines to an existing contract if the line is replacing or supplementing products on contract, is equal or superior to the original products offered, is discounted in a similar or to a greater degree, and if the products meet the requirements of the solicitation. No products may be added to avoid competitive procurement requirements. LOC may reject any additions without cause.

2.3 All Purchase Orders issued by Purchaser to Vendor for Products during the term (as hereinafter defined) of this Agreement are subject to the provisions of this Agreement as though fully set forth in such Purchase Order. The Vendor retains authority to negotiate above and beyond the terms of this Agreement to meet the Purchaser or Vendor contract requirements.

Docusign Envelope ID: B731A01D-FCA3-492C-BFE2-9E5003B76948

2.4 Notwithstanding any other provision of this Agreement to the contrary, the Lead Contracting Agency shall have no obligation to order or purchase any Products and Services hereunder and the placement of any Purchase Order shall be in the sole discretion of the Participating Agencies. This Agreement is not exclusive. Vendor expressly acknowledges and agrees that Purchaser may purchase at its sole discretion, Products and Services that are identical or similar to the Products and Services described in this Agreement from any third party.

2.5 In case of any conflict or inconsistency between any of the Contract Documents, the documents shall prevail and apply in the following order of priority:

(i) This Agreement;
(ii) The RFP;
(iii) Vendor's Proposal;

2.6 Extension of contract terms to Participating Agencies:

2.6.1 Vendor agrees to extend the same terms, covenants and conditions available to Purchaser under this Agreement to Participating Agencies, that have executed an Intergovernmental Cooperative Purchasing Agreement ("IGA") as may be required by each Participating Agency's local laws and regulations, in accordance with Attachment C. Each Participating Agency will be exclusively responsible for and deal directly with Vendor on matters relating to ordering, delivery, inspection, acceptance, invoicing, and payment for Products and Services in accordance with the terms and conditions of this Agreement as if it were "Purchaser" hereunder. Any disputes between a Participating Agency and Vendor will be resolved directly between them under and in accordance with the laws of the State in which the Participating Agency exists. Pursuant to the IGA, the Lead Contracting Agency shall not incur any liability as a result of the access and utilization of this Agreement by other Participating Agencies.

2.6.2 *This Solicitation meets the public contracting requirements of the Lead Contracting Agency and may not be appropriate under or meet Participating Agencies' procurement laws. Participating Agencies are urged to seek independent review by their legal counsel to ensure compliance with all local, tribal, and state solicitation requirements.*

2.6.3 Vendor acknowledges execution of the Vendor Administration Fee Agreement, Contract Number VA26210, with NPPGov, pursuant to the terms of the RFP.

2.7 Oregon Public Agencies are prohibited from use of Products and Services offered under this Agreement that are already provided by qualified nonprofit agencies for disabled individuals as listed on the Department of Administrative Service's Procurement List ("Procurement List") pursuant to ORS 279.835-.855. See www.OregonRehabilitation.org/qrf for more information. Vendor shall not sell products and services identified on the Procurement List (e.g., reconditioned toner cartridges) to Purchaser or Participating Agencies within the state of Oregon.

## ARTICLE 3 – TERM AND TERMINATION

3.1 The initial contract term shall be for four (4) calendar years from the Effective Date of this Agreement ("Initial Term"). Upon termination of the original four (4) year term, this Agreement shall automatically extend for a one (1) year period; ("Renewal Term"); provided, however, that the Lead Contracting Agency and/or the Vendor may opt to decline extension of the MPA by providing notification in writing at least thirty (30) calendar days prior to the annual automatic extension anniversary of the Initial Term.

Docusign Envelope ID: B731A01D-FCA3-492C-BFE2-9E5003B76948

3.2 Either Vendor or the Lead Contracting Agency may terminate this Agreement by written notice to the other party if the other Party breaches any of its obligations hereunder and fails to remedy the breach within thirty (30) days after receiving written notice of such breach from the non-breaching party.

## ARTICLE 4 – PRICING, INVOICES, PAYMENT AND DELIVERY

4.1 Purchaser shall pay Vendor for all Products and Services ordered and delivered in compliance with the terms and conditions of this Agreement at the pricing specified for each such Product and Service on Attachment A, including shipping. Unless Attachment A expressly provides otherwise, the pricing schedule set forth on Attachment A hereto shall remain fixed for the Initial Term of this Agreement; provided that manufacturer pricing is not guaranteed and may be adjusted based on the next manufacturer price increase. Pricing contained in Attachment A shall be extended to all NPPGov, Public Safety GPO, First Responder GPO and Law Enforcement GPO members upon execution of the IGA.

4.2 Vendor shall submit original invoices to Purchaser in form and substance and format reasonably acceptable to Purchaser. All invoices must reference the Purchaser's Purchase Order number, contain an itemization of amounts for Products and Services purchased during the applicable invoice period and any other information reasonably requested by Purchaser, and must otherwise comply with the provisions of this Agreement. Invoices shall be addressed as directed by Purchaser.

4.3 Unless otherwise specified, Purchaser is responsible for any and all applicable sales taxes. Attachment A or Vendor's Proposal (Attachment E) shall specify any and all other taxes and duties of any kind which Purchaser is required to pay with respect to the sale of Products and Services covered by this Agreement and all charges for packing, packaging and loading.

4.4 Except as specifically set forth on Attachments A and G, Purchaser shall not be responsible for any additional costs or expenses of any nature incurred by Vendor in connection with the Products and Services, including without limitation travel expenses, clerical or administrative personnel, long distance telephone charges, etc. ("Incidental Expenses").

4.5 Price reductions or discount increases may be offered at any time during the contract term and shall become effective upon notice of acceptance from Purchaser.

4.6 Notwithstanding any other agreement of the Parties as to the payment of shipping/delivery costs, and subject to Attachments A, E, and G herein, Vendor shall offer delivery and/or shipping costs prepaid FOB Destination. If there are handling fees, these also shall be included in the pricing.

4.7 Unless otherwise directed by Purchaser for expedited orders, Vendor shall utilize such common carrier for the delivery of Products and Services as Vendor may select; provided, however, that for expedited orders Vendor shall obtain delivery services hereunder at rates and terms not less favorable than those paid by Vendor for its own account or for the account of any other similarly situated customer of Vendor.

4.8 Vendor shall have the risk of loss of or damage to any Products until delivery to Purchaser. Purchaser shall have the risk of loss of or damage to the Products after delivery to Purchaser. Title to Products shall not transfer until the Products have been delivered to and accepted by Purchaser at Purchaser's Destination.

## ARTICLE 5 – INSURANCE

5.1 During the term of this Agreement, Vendor shall maintain at its own cost and expense (and shall cause any subcontractor to maintain) insurance policies providing insurance of the kind and in the amounts

Docusign Envelope ID: B731A01D-FCA3-492C-BFE2-9E5003B76948

generally carried by reasonably prudent manufacturers in the industry, with one or more reputable insurance companies licensed to do business in Oregon and any other state or jurisdiction where Products and Services are sold hereunder. Such certificates of insurance shall be made available to the Lead Contracting Agency upon 48 hours' notice. BY SIGNING THE AGREEMENT PAGE THE VENDOR AGREES TO THIS REQUIREMENT AND FAILURE TO MEET THIS REQUIREMENT WILL RESULT IN CANCELLATION OF THIS MASTER PRICE AGREEMENT.

5.2 All insurance required herein shall be maintained in full force and effect until all work or service required to be performed under the terms of this Agreement is satisfactorily completed and formally accepted. Any failure to comply with the claim reporting provisions of the insurance policies or any breach of an insurance policy warranty shall not affect coverage afforded under the insurance policies to protect the Lead Contracting Agency. The insurance policies may provide coverage that contains deductibles or self-insured retentions. Such deductible and/or self-insured retentions shall not be applicable with respect to the coverage provided to the Lead Contracting Agency under such policies. Vendor shall be solely responsible for the deductible and/or self-insured retention and the Lead Contracting Agency, at its option, may require Vendor to secure payment of such deductibles or self-insured retentions by a surety bond or an irrevocable and unconditional letter of credit.

5.3 Vendor shall carry Workers' Compensation insurance to cover obligations imposed by federal and state statutes having jurisdiction over Vendor's employees engaged in the performance of the work or services, as well as Employer's Liability insurance. Vendor waives all rights against the Lead Contracting Agency and its agents, officers, directors and employees for recovery of damages to the extent these damages are covered by the Workers' Compensation and Employer's Liability or commercial umbrella liability insurance obtained by Vendor pursuant to this Agreement.

5.4 Insurance required herein shall not be permitted to expire, be canceled, or materially changed without thirty days (30 days) prior written notice to the Lead Contracting Agency.

5.5 Vendor waives and must require (by endorsement or otherwise) all its insurers to waive subrogation rights against Purchaser and other additional insureds for losses paid under the insurance policies required by this Agreement. The waiver must apply to all deductibles and/or self-insured retentions applicable to the necessary insurance that the Vendor maintains.

## ARTICLE 6 – INDEMNIFICATION AND HOLD HARMLESS

6.1 Vendor agrees that it shall indemnify, defend and hold harmless Lead Contracting Agency, its respective officials, directors, employees, members and agents (collectively, the "Indemnitees"), from and against any and all damages, claims, losses, expenses, costs, obligations and liabilities (including, without limitation, reasonable attorney's fees), suffered directly or indirectly by any of the Indemnitees to the extent of, or arising out of, (i) any breach of any covenant, representation or warranty made by Vendor in this Agreement, (ii) any failure by Vendor to perform or fulfill any of its obligations, covenants or agreements set forth in this Agreement, (iii) the negligence or intentional misconduct of Vendor, any subcontractor of Vendor, or any of their respective employees or agents, (iv) any failure of Vendor, its subcontractors, or their respective employees to comply with any Applicable Law, (v) any litigation, proceeding or claim by any third party relating in any way to the obligations of Vendor under this Agreement or Vendor's performance under this Agreement, (vi) any Employee Taxes or Unemployment Insurance, or (vii) any claim alleging that the Products and Services or any part thereof infringe any third party's U.S. patent, copyright, trademark, trade secret or other intellectual property interest. Such obligation to indemnify shall not apply where the damage, claim, loss, expense, cost, obligation or liability is due to the breach of this Agreement by, or negligence or willful misconduct of, Lead Contracting Agency or its officials, directors, employees, agents or contractors. The amount and type of insurance coverage requirements set forth herein will in no way be construed as

Docusign Envelope ID: B731A01D-FCA3-492C-BFE2-9E5003B76948

limiting the scope of the indemnity in this paragraph. The indemnity obligations of Vendor under this Article shall survive the expiration or termination of this Agreement for two years.

6.2 LIMITATION OF LIABILITY: IN NO EVENT SHALL EITHER PARTY BE LIABLE FOR ANY SPECIAL, INDIRECT, INCIDENTAL, CONSEQUENTIAL OR EXEMPLARY DAMAGES IN CONNECTION WITH OR ARISING OUT OF THIS AGREEMENT, INCLUDING, BUT NOT LIMITED TO, DAMAGES FOR INJURIES TO PERSONS OR TO PROPERTY OR LOSS OF PROFITS OR LOSS OF FUTURE BUSINESS OR REPUTATION, WHETHER BASED ON TORT OR BREACH OF CONTRACT OR OTHER BASIS, EVEN IF IT HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.

6.3 The same terms, conditions and pricing of this Agreement may be extended to government members of National Purchasing Partners, LLC. In the event the terms of this Agreement are extended to other government members, each government member (procuring party) shall be solely responsible for the ordering of Products and Services under this Agreement. A non-procuring party shall not be liable in any fashion for any violation by a procuring party, and the procuring party shall hold non-procuring parties or unrelated purchasing parties harmless from any liability that may arise from action or inaction of the procuring party.

## ARTICLE 7 – WARRANTIES

Purchaser shall refer to Vendor's Proposal for all Vendor and manufacturer express warranties, as well as those warranties provided under Attachment B herein.

## ARTICLE 8 - INSPECTION AND REJECTION

8.1 Purchaser shall have the right to inspect and test Products at any time prior to shipment, and within a reasonable time after delivery to the Purchaser's Destination. Products not inspected within a reasonable time after delivery shall be deemed accepted by Purchaser. The payment for Products shall in no way impair the right of Purchaser to reject nonconforming Products, or to avail itself of any other remedies to which it may be entitled.

8.2 If any of the Products are found at any time to be defective in material or workmanship, damaged, or otherwise not in conformity with the requirements of this Agreement or any applicable Purchase Order, as its exclusive remedy, Purchaser may at its option and at Vendor's sole cost and expense, elect either to (i) return any damaged, non-conforming or defective Products to Vendor for correction or replacement, or (ii) require Vendor to inspect the Products and remove or replace damaged, non-conforming or defective Products with conforming Products. If Purchaser elects option (ii) in the preceding sentence and Vendor fails promptly to make the necessary inspection, removal and replacement, Purchaser, at its option, may inspect the Products and Vendor shall bear the cost thereof. Payment by Purchaser of any invoice shall not constitute acceptance of the Products covered by such invoice, and acceptance by Purchaser shall not relieve Vendor of its warranties or other obligations under this Agreement.

8.3 The provisions of this Article shall survive the expiration or termination of this Agreement.

## ARTICLE 9 – SUBSTITUTIONS

Except as otherwise permitted hereunder, Vendor may not make any substitutions of Products, or any portion thereof, of any kind without the prior written consent of Purchaser.

## ARTICLE 10 - COMPLIANCE WITH LAWS

Docusign Envelope ID: B731A01D-FCA3-492C-BFE2-9E5003B76948

10.1 Vendor agrees to comply with all Applicable Laws and at Vendor's expense, secure and maintain in full force during the term of this Agreement, all licenses, permits, approvals, authorizations, registrations and certificates, if any, required by Applicable Laws in connection with the performance of its obligations hereunder. At Purchaser's request, Vendor shall provide to Purchaser copies of any or all such licenses, permits, approvals, authorizations, registrations and certificates.

10.2 Purchaser has taken all required governmental action to authorize its execution of this Agreement and there is no governmental or legal impediment against Purchaser's execution of this Agreement or performance of its obligations hereunder.

10.3 When a Participating Agency procures Products and Services under this Agreement using United States federal funds, including but not limited to federal grants or FEMA funding, the procurement shall be subject to the terms and conditions set forth in Attachment D – Requirements for Procurements Utilizing Federal Funds and Grants, which is incorporated herein by reference. The Vendor shall comply with all applicable federal laws, regulations, and requirements outlined in Attachment D, including but not limited to those specified in 2 C.F.R. § 200, as amended, and any additional stipulations based on the source of funding. All references to "federal" in this section and Attachment D pertain exclusively to the United States federal government.

10.4 When a Participating Agency accesses Vendor's Products and Services with United States federal funds, Vendor shall comply with the provisions set forth in Attachment D – Provisions for Non-United States Federal Entity Procurements Under United States Federal Awards or Other Awards, which is incorporated herein by reference.

## ARTICLE 11 – PUBLICITY / CONFIDENTIALITY

11.1 No news releases, public announcements, advertising materials, or confirmation of same, concerning any part of this Agreement or any Purchase Order issued hereunder shall be issued or made without the prior written approval of the Parties. Neither Party shall in any advertising, sales materials or in any other way use any of the names or logos of the other Party without the prior written approval of the other Party.

11.2 Any knowledge or information which Vendor or any of its affiliates shall have disclosed or may hereafter disclose to Purchaser, and which in any way relates to the Products and Services covered by this Agreement shall not, unless otherwise designated by Vendor, be deemed to be confidential or proprietary information, and shall be acquired by Purchaser, free from any restrictions, as part of the consideration for this Agreement.

## ARTICLE 12 - RIGHT TO AUDIT

Subject to Vendor's reasonable security and confidentiality procedures, Purchaser, or any third party retained by Purchaser, may at any time upon prior reasonable notice to Vendor, during normal business hours, audit the books, records and accounts of Vendor to the extent that such books, records and accounts pertain to sale of any Products and Services hereunder or otherwise relate to the performance of this Agreement by Vendor. Vendor shall maintain all such books, records and accounts for a period of at least three (3) years after the date of expiration or termination of this Agreement. The Purchaser's right to audit under this Article 12 and Purchaser's rights hereunder shall survive the expiration or termination of this Agreement for a period of three (3) years after the date of such expiration or termination.

## ARTICLE 13 - REMEDIES

Docusign Envelope ID: B731A01D-FCA3-492C-BFE2-9E5003B76948

Except as otherwise provided herein, any right or remedy of Vendor or Purchaser set forth in this Agreement shall not be exclusive, and, in addition thereto, Vendor and Purchaser shall have all rights and remedies under Applicable Law, including without limitation, equitable relief. The provisions of this Article shall survive the expiration or termination of this Agreement.

## ARTICLE 14 - RELATIONSHIP OF PARTIES

Vendor is an independent contractor and is not an agent, servant, employee, legal representative, partner or joint venture of Purchaser. Nothing herein shall be deemed or construed as creating a joint venture or partnership between Vendor and Purchaser. Neither Party has the power or authority to bind or commit the other.

## ARTICLE 15 - NOTICES

All notices required or permitted to be given or made in this Agreement shall be in writing. Such notice(s) shall be deemed to be duly given or made if delivered by hand, by certified or registered mail or by nationally recognized overnight courier to the address specified below:

If to Lead Contracting Agency:

LEAGUE OF OREGON CITIES
1201 Court St. NE
Suite 200
Salem OR 97301
ATTN: Kevin Toon
Email: rfp@ORCities.org

If to Vendor:

LION First Responders PPE, Inc
7200 Poe Avenue
Dayton, OH 45385
ATTN: Melissa Kirk
Email: mkirk@lionprotects.com

Either Party may change its notice address by giving the other Party written notice of such change in the manner specified above.

## ARTICLE 16 - FORCE MAJEURE

Except for Purchaser's obligation to pay for Products and Services delivered, delay in performance or non-performance of any obligation contained herein shall be excused to the extent such failure or non-performance is caused by force majeure. For purposes of this Agreement, "force majeure" shall mean any cause or agency preventing performance of an obligation which is beyond the reasonable control of either Party hereto, including without limitation, fire, flood, sabotage, shipwreck, embargo, strike, explosion, labor trouble, accident, riot, acts of governmental authority (including, without limitation, acts based on laws or regulations now in existence as well as those enacted in the future), acts of nature, and delays or failure in obtaining raw materials, supplies or transportation. A Party affected by force majeure shall promptly provide notice to the other, explaining the nature and expected duration thereof, and shall act diligently to remedy the interruption or delay if it is reasonably capable of being remedied. In the event of a force majeure situation,

Docusign Envelope ID: B731A01D-FCA3-492C-BFE2-9E5003B76948

deliveries or acceptance of deliveries that have been suspended shall not be required to be made upon the resumption of performance.

## ARTICLE 17 - WAIVER

No delay or failure by either Party to exercise any right, remedy or power herein shall impair such Party's right to exercise such right, remedy or power or be construed to be a waiver of any default or an acquiescence therein; and any single or partial exercise of any such right, remedy or power shall not preclude any other or further exercise thereof or the exercise of any other right, remedy or power. No waiver hereunder shall be valid unless set forth in writing executed by the waiving Party and then only to the extent expressly set forth in such writing.

## ARTICLE 18 - PARTIES BOUND; ASSIGNMENT

This Agreement shall inure to the benefit of and shall be binding upon the respective successors and assigns of the Parties hereto, but it may not be assigned in whole or in part by Vendor without prior written notice to Purchaser which shall not be unreasonably withheld or delayed.

## ARTICLE 19 - SURVIVABILITY/PARTICIPATING AGENCY DISCRETIONARY EXTENSION

Provided the laws of the jurisdiction of the Participating Agency permit survivability of the contract term through a mutually agreed upon extension of the agreement between the Participating Agency and the Vendor beyond the term of the publicly awarded Agreement, to be determined and confirmed by the Participating Agency at its sole discretion, all applicable agreements and warranties that were entered into between Vendor and the Participating Agency under the terms and conditions of the Agreement shall survive the expiration or termination of the Agreement if mutually agreed upon between the Vendor and the Participating Agency. All purchase orders issued and accepted by Vendor shall survive expiration or termination of the Agreement for the term of the purchase order or subscription, unless the Participating Agency terminates the purchase order sooner. However, regardless of the term of the purchase order or subscription, no purchase order shall survive the expiration or termination of the Agreement unless the Participating Agency makes an express finding and justification for the longer term as mutually agreed upon by the Participating Agency and Vendor. The finding and justification must either be included in the purchase order or referenced in the purchase order and maintained in the Participating Agency's procurement record. Contract maintenance and adjustments contemplated after the maturity date of the Lead Public Agency cooperative procurement contract, and prior to the expiration date of the Purchase Order or subscription, shall be individually negotiated directly between the awarded Vendor and the Participating Agency identified in that Purchase Order or subscription. Rights and obligations under this Agreement which by their nature should survive, including, but not limited to, the administrative fee provided in the Vendor Administrative Agreement and any and all payment obligations invoiced prior to the termination or expiration hereof, obligations of confidentiality, and indemnification will remain in effect after termination or expiration hereof.

## ARTICLE 20 - SEVERABILITY

To the extent possible, each provision of this Agreement shall be interpreted in such a manner as to be effective and valid under Applicable Law. If any provision of this Agreement is declared invalid or unenforceable, by judicial determination or otherwise, such provision shall not invalidate or render unenforceable the entire Agreement, but rather the entire Agreement shall be construed as if not containing the particular invalid or unenforceable provision or provisions and the rights and obligations of the Parties shall be construed and enforced accordingly.

## ARTICLE 21 - INCORPORATION; ENTIRE AGREEMENT

Docusign Envelope ID: B731A01D-FCA3-492C-BFE2-9E5003B76948

21.1 All the provisions of the Attachments hereto are hereby incorporated herein and made a part of this Agreement. In the event of any apparent conflict between any provision set forth in the main body of this Agreement and any provision set forth in the Attachments, including the RFP and/or Vendor's Proposal, the provisions shall be interpreted, to the extent possible, as if they do not conflict. If such an interpretation is not possible, the provisions set forth in the main body of this Agreement shall control.

21.2 This Agreement (including Attachments and Contract Documents hereto) constitutes the entire Agreement of the Parties relating to the subject matter hereof and supersedes any and all prior written and oral agreements or understandings relating to such subject matter.

## ARTICLE 22 - HEADINGS

Headings used in this Agreement are for convenience of reference only and shall in no way be used to construe or limit the provisions set forth in this Agreement.

## ARTICLE 23 - MODIFICATIONS

This Agreement may be modified or amended only in writing executed by Vendor and the Lead Contracting Agency. The Lead Contracting Agency and each Participating Agency contracting hereunder acknowledge and agree that any agreement entered into in connection with any Purchase Order hereunder shall constitute a modification of this Agreement as between the Vendor and the Participating Agency. Any modification of this Agreement as between Vendor and any Participating Agency shall not be deemed a modification of this Agreement for the benefit of the Lead Contracting Agency or any other Participating Agency.

## ARTICLE 24 - GOVERNING LAW

This Agreement shall be governed by and interpreted in accordance with the laws of the State of Oregon or in the case of a Participating Agency's use of this Agreement, the laws of the State in which the Participating Agency exists, without regard to its choice of law provisions.

## ARTICLE 25 - COUNTERPARTS

This Agreement may be executed in counterparts all of which together shall constitute one and the same Agreement.

IN WITNESS WHEREOF, the Parties have executed this Agreement as of the day and year last written below.

## PARTICIPATING AGENCIES

The Lead Contracting Agency in cooperation with National Purchasing Partners (NPPGov) entered into this Agreement on behalf of other government agencies that desire to access this Agreement to purchase Products and Services. Vendor must work directly with any Participating Agency concerning the placement of orders, issuance of the purchase orders, contractual disputes, invoicing, and payment. The Lead Contracting Agency shall not be held liable for any costs, damages, etc., incurred by any Participating Agency.

Any subsequent contract entered into between Vendor and any Participating Agency shall be construed to be in accordance with and governed by the laws of the State in which the Participating Agency exists. Each Participating Agency is directed to execute an Intergovernmental Cooperative Purchasing Agreement ("IGA"), as set forth on the NPPGov web site, www.nppgov.com. The IGA allows the Participating Agency to purchase Products and Services from the Vendor in accordance with each Participating Agency's legal requirements as if it were the "Purchaser" hereunder.

## REQUIREMENTS FOR PROCUREMENTS UTILIZING FEDERAL FUNDS AND GRANTS

Summary of Key Provisions for Participating Agencies Utilizing U.S. Federal Funds

Participating Agencies acquiring goods or services through this contract using United States federal grants or FEMA funding are subject to specific requirements, including those outlined in 2 C.F.R. § 200. Additional stipulations may apply based on the source of funding. For reference, “federal” pertains exclusively to the United States federal government.

The following provisions are applicable solely when a Participating Agency procures Vendor equipment, products, or services with United States federal funds:

A. Equal Employment Opportunity

Contracts classified as “federally assisted construction contracts” under 41 C.F.R. § 60-1.3 must incorporate the Equal Opportunity clause pursuant to 41 C.F.R. § 60-1.4(b), ensuring compliance with Executive Order 11246 (as amended) and relevant Department of Labor regulations. This provision is included by reference.

B. Davis-Bacon Act, as Amended (40 U.S.C. § 3141-3148)

Prime construction contracts exceeding $2,000 require adherence to the Davis-Bacon Act and related Department of Labor regulations (29 C.F.R. § 5). Contractors must pay at least the prevailing wage determined by the Secretary of Labor, with weekly payments mandated. Each solicitation must feature the current wage determination, and any violations must be reported to the awarding agency. Compliance with the Copeland “Anti-Kickback” Act (40 U.S.C. § 3145; 29 C.F.R. § 3) is also required.

C. Contract Work Hours and Safety Standards Act (40 U.S.C. § 3701-3708)

Contracts exceeding $100,000 involving mechanics or laborers must comply with 40 U.S.C. §§ 3702 and 3704, and 29 C.F.R. § 5. Wages must reflect a standard 40-hour work week, with overtime compensated at no less than one and a half times the basic rate. Workers must not be subjected to hazardous or unsafe conditions. These rules exclude supply purchases and transportation contracts. The Vendor confirms compliance throughout the contract duration.

D. Rights to Inventions Made Under a Contract or Agreement

If the federal award qualifies as a “funding agreement” per 37 C.F.R. § 401.2(a), recipients contracting with small businesses or nonprofit organizations for research must observe 37 C.F.R. § 401 and associated regulations.

E. Clean Air Act and Federal Water Pollution Control Act

For contracts and subgrants exceeding $150,000, full compliance with the Clean Air Act (42 U.S.C. § 7401–7671Q) and Federal Water Pollution Control Act (33 U.S.C. § 1251–1387) is mandatory. Any violations should be reported to both the awarding agency and the EPA. Vendors certify their compliance.

Docusign Envelope ID: B731A01D-FCA3-492C-BFE2-9E5003B76948

F. Debarment and Suspension (Executive Orders 12549 and 12689)

No contract shall be awarded to entities listed in the System for Award Management (SAM) exclusions under 2 C.F.R. § 180 and Executive Orders 12549 and 12689. Vendors confirm they are neither debarred nor excluded by any federal agency.

G. Byrd Anti-Lobbying Amendment (31 U.S.C. § 1352)

Vendors must submit requisite certifications and refrain from utilizing federal funds to influence government officials in relation to contracts, grants, or awards. All lobbying with non-federal funds must be disclosed and communicated across all tiers. Vendors agree to adhere strictly to the Byrd Anti-Lobbying Amendment.

H. Record Retention Requirements

Vendors shall retain records in accordance with 2 C.F.R. § 200.333 for three years beyond final report submission and until all matters have been resolved.

I. Energy Policy and Conservation Act Compliance

Where relevant, Vendors must comply with mandatory energy efficiency standards detailed in the state energy conservation plan under the Energy Policy and Conservation Act.

J. Buy American Provisions Compliance

When applicable, Vendors must comply with the Buy American Act and ensure purchases adhere to procurement rules that require free and open competition.

K. Access to Records (2 C.F.R. § 200.336)

Vendors grant authorized representatives of federal agencies access to pertinent books, documents, papers, and records for audits, examinations, excerpts, and transcriptions, as well as personnel interviews relating to such records.

L. Procurement of Recovered Materials (2 C.F.R. § 200.322)

Non-federal entities that are state agencies or political subdivisions and their contractors must comply with Section 6002 of the Solid Waste Disposal Act, as amended by the Resource Conservation and Recovery Act. This includes procuring items designated in EPA guidelines (40 C.F.R. § 247) containing the highest practical percentage of recovered materials, maximizing energy and resource recovery for solid waste management, and establishing affirmative procurement programs for recovered materials as specified by EPA.

Entities utilizing United States federal grant or FEMA funds for procurement may be subject to further requirements, including those under 2 C.F.R. § 200, with all references to “federal” denoting the United States federal government.

Entities using U.S. federal grant or FEMA funds for procurement may be subject to additional requirements under 2 C.F.R. § 200. All references to “federal” are specific to the United States federal government.

# 2025 LION Customer Policies — Terms/Warranty

## 2025 LION CUSTOMER POLICIES — TERMS AND CONDITIONS OF DOMESTIC SALE, 48 CONTIGUOUS STATES

These are the General Terms and Conditions of Sale and Delivery ("General Terms") of Lion First Responder PPE, Inc., with its place of business at 7200 Poe Avenue, Suite #400, Dayton, OH 45414, and companies or enterprises affiliated therewith (hereinafter jointly referred to as "Seller").

**1. APPLICABILITY**

a. These General Terms and Conditions of Delivery and Services apply to all offers, services, deliveries and agreements for the sale of uniforms and personal protective equipment ("PPE") (all the foregoing hereinafter referred to as "Products") contracted as such with Seller.

b. These General Terms may only be departed from if Seller expressly states or acknowledges this in writing.

c. Other general terms and conditions, including but not limited to the terms and conditions of any counterparty (including but not limited to buyers or commissioning parties, that Seller has concluded an agreement with or is in negotiation of concluding any agreement) (all hereinafter to be referred to as "Buyer"), shall, where not in accordance with these General Terms, be explicitly rejected. Such other general terms and conditions shall only apply if and insofar as explicitly confirmed by Seller in a separate document. These terms and conditions supersede any prior or contemporaneous agreement or correspondence between the parties. Acceptance of these General Terms (including all provisions hereto), is a key stipulation of Seller, and forms an integral part of its offer.

**2. OFFERS, CONTRACTS & CHANGES**

a. Unless otherwise stated, Prices listed are suggested retail list and do not include individual distributor discounts, which may vary across product lines.

b. Unless the offer stipulates a period for acceptance, all offers are non-binding. In all offers, prices stated do not include any state, local or federal governmental taxes, duties and/or customs charges unless specifically stated. Up to one (1) week after acceptance of a non-binding offer, Seller may withdraw the offer. A non-binding offer remains valid for a maximum period of thirty (30) days, unless explicitly stated otherwise in the offer.

c. The agreement is contracted as soon as Buyer's full and unconditional acceptance of the offer has been received by Seller. This acceptance implies that the Buyer consents to the applicability of these General Terms and, insofar as necessary, waives the declaration of applicability of the Buyer's own general terms and conditions of purchase (or of whatever kind).

d. Seller is only bound by offers and contracts produced and/or concluded by representatives, commercial agents or intermediaries after a written order confirmation by Seller.

e. Information and data provided by the Buyer to Seller for the purposes of the agreement contracted, such as drawings, etc., will be assumed by Seller to be correct, and Seller will base its offer on such information. Seller is not responsible, and bears no responsibility, for specifications or designs developed and supplied by Buyer and/or information, drawings, etc. supplied by the Buyer as referred to in the preceding sentence, regardless of whether Seller has advised the Buyer thereon. This applies accordingly to parts and materials that the Buyer makes available or prescribes to Seller.

f. In reading the measures, sizes, weights, colors and technical data contained in the offers, the Buyer agrees to allow for minor discrepancies which do not exceed the normal limits.

g. All orders are subject to credit department approval.

h. Delivery, minimums and surcharges of the Products may apply and will vary according to the product line; all such variations will be stated in proposals, quotes or bid documents.

i. Possession of a price list of Seller does not constitute an offer to sell.

j. For all turnout gear, a One Hundred and Twenty-Five U.S. Dollar ($125) (list) minimum order surcharge may apply to special cuts or special production runs and to custom sizes or over-sizes outside Seller's standard sizing (see appropriate sizing charts). On non-turnout Products, a ten percent (10%) minimum surcharge may apply to special cuts or special production runs and to custom sizes or over-sizes outside Seller's standard sizing (see appropriate sizing charts).

k. Seller is entitled to adjust offered or agreed prices if there is a material change in circumstances outside of the control of the Seller, including but not limited to material increases in the costs of labor, materials, transportation or duties, discovered after the offer is made by the Seller or the agreement made by the parties, but before the performance by the Seller.

**3. DELIVERY & RISK OF LOSS**

a. For PPE Products, freight term for domestic orders delivered within the 48 contiguous U.S. states is F.O.B. Destination unless otherwise stated on quote.

b. Contact Seller for terms and conditions of sale for International, Alaskan/Hawaiian or other non-continental U.S. destinations.

c. No C.O.D. orders.

d. Unless expressly agreed otherwise, stated delivery times are approximate only and shall not be regarded as contractual deadlines. In the event of late delivery, the Buyer must give Seller due notice before Seller can be in default.

e. Seller reserves the right to ship partial orders unless complete shipment is stated on the order.

f. Rush orders for custom make-to-order Products are subject to a twenty percent (20%) rush fee.

g. The delivery period commences on the date on which Seller has confirmed the order to the Buyer, or otherwise on the date agreed by the parties in writing.

h. Seller is authorized to determine the method of transport.

i. The Products shall be delivered by Seller in the packaging it deems appropriate. If the Buyer prescribes different packaging, Seller is entitled to invoice the Buyer separately for the cost of such packaging.

j. Seller is entitled to have deliveries made or services performed by third parties.

k. Documentation provided by third party carriers shall be conclusive evidence of proof of delivery and Buyer assumes risk of loss after delivery by carrier to designated destination, and Buyer shall be responsible for insuring Product after delivery.

**4. PAYMENT & TRANSFER OF OWNERSHIP**

a. All orders for make-to stock Products are subject to a handling charge of Four and 25/100 U.S. Dollars ($4.25). All orders amounting to less than Fifty U.S. Dollars ($50.00) will be subject to a handling charge of Fifteen U.S. Dollars ($15.00).

b. All payments must be made within thirty (30) days after the date of invoice, unless any other payment term is explicitly agreed in writing (the "Payment Date"). Payment must be made without any deduction or offsetting, at the offices of Seller or by means of transfer to a bank account stipulated by Seller.

c. Seller retains full (and sole) ownership of the Products until such time as the due purchase sum, including any statutory interest, and collection costs, has been paid in full and received by Seller, even if the Products have meanwhile been processed or incorporated into other Products.

d. If the Buyer does not pay by the Payment Date, it shall be deemed to be legally in default without the requirement of any warning or notice of default.

e. For amounts owed after the Payment Date, Buyer shall pay two percent (2%) interest, or the maximum statutory rate, whichever is greater, as well as legal and other costs incurred in order to secure the performance of the contract, unless otherwise determined by a court judgment.

f. Buyer shall be liable for collection costs on unpaid sums, which shall amount to the greater of fifteen percent (15%) of the outstanding sum or Three Hundred U.S. Dollars ($300.00).

*continued on next page*

Docusign Envelope ID: B731A01D-FCA3-492C-BFE2-9E5003B76948

# 2025 LION Customer Policies — Terms/Warranty (Continued)

g. As long as the ownership of the Products delivered has not been transferred to the Buyer: (i) the Buyer is not permitted to transfer the ownership of the Products delivered, to encumber these Products with real rights or rights under the law of obligations, or to alienate them under any title whatsoever except agreed in writing; (ii) the Buyer is obliged to observe due care in maintaining custody of the Products and to hold them as the identifiable property of Seller (any marks or signs of Seller applied in, on or to the Products delivered must remain clearly visible; and (iii) the Buyer is obliged to store Products delivered that are defined exclusively by type and weight separately and ensure that they are clearly identifiable as property of Seller.

h. Seller is entitled to reclaim the Products delivered under retention of title, if and insofar as the Buyer remains in default of the fulfillment of any obligation toward Seller, or in the opinion of Seller, is unable to pay the amounts owed.

i. The Buyer hereby grants Seller nunc pro tunc the irrevocable right to enter the Buyer's business premises or to allow a third party designated by Seller to do so in the event that Seller wishes to reclaim the delivered Products.

**5. RETURNS**

a. The Buyer must contact Seller within forty-five (45) days of receipt of shipment to receive a Return Authorization Number. Seller will not accept Products returned without written permission. Except for items covered under Seller's warranty:
   i. Products that have been worn, laundered, altered or soiled are non-returnable;
   ii. Personalized garments (e.g., with names, letters or heat transfer emblems) are non-returnable;
   iii. Custom manufactured, custom sizes, made-to-order and special cut Products are non-returnable;
   iv. Products that have been discontinued or redesigned are non-returnable;
   v. Boots that have been worn are non-returnable;
   vi. CBRN Products are non-returnable.

b. Return of stock Products are subject to a fifteen percent (15%) restocking fee for PPE and 25% for uniforms.

c. Custom made-to-order Products are not returnable.

d. Amounts due Seller in no case shall be entitled for offset by Buyer.

**6. FORCE MAJEURE**

a. Except for the payment of money, neither party shall be held responsible for any delay or failure in performance of any part of this Agreement to the extent that the delay or failure is caused by a Force Majeure Event. A Force Majeure Event shall mean any act of God; war; riot; civil strife; act of terrorism, domestic or foreign; embargo; governmental rule, regulation or decree; flood, fire, hurricane, tornado, or other casualty; epidemic, pandemic, outbreak of communicable disease, viral outbreak, quarantine or national or regional emergency; action of any governmental authority; earthquake; strike, lockout, or other labor disturbance; the unavailability of labor or materials to the extent beyond the control of the party delayed or unable to perform (the "Delayed Party"); or any other events or circumstances not within the reasonable control of the Delayed Party, whether similar or dissimilar to any of the foregoing.

   If any Force Majeure Event occurs, the Delayed Party shall give prompt notice to the other party (the "Affected Party"), and the Delayed Party, upon giving prompt notice to the Affected Party, shall be excused from performance under this Agreement for the duration of the Force Majeure Event;, provided, however, that the Delayed Party shall take all reasonable steps and cooperate with the Affected Party to avoid or remove the cause of non-performance and shall resume performance hereunder with dispatch when the cause is removed; and provided further that if the Delayed Party cannot within sixty (60) days remove the cause of non-performance, the Affected Party may terminate this Agreement.

**7. DISPUTES & APPLICABLE LAW**

a. All legal relationships between the parties are governed exclusively by the laws of the state of Ohio.

b. The Vienna Sales Convention (CISG) is not applicable, nor are any other international rulings from which exclusion is permitted.

c. All disputes will be settled exclusively by a court of competent jurisdiction in Dayton, Ohio. Nonetheless, the parties will first attempt in good faith to resolve any dispute or claim amicably through negotiations between representatives of each party with authority to settle the relevant dispute.

d. No action by a Buyer may be brought at any time more than twelve (12) months after the facts occurred upon which the cause of action arose.

**8. LIMITATION OF LIABILITY**

Seller assumes no liability for consequential damages, incidental damages, anticipated or lost profits, indirect damages, loss of time, or other losses incurred by Customer or any third party in connection with the Products..

**9. INTELLECTUAL & INDUSTRIAL PROPERTY RIGHTS**

a. All rights of intellectual property with regard to the Products and/or services as well as the designs, drawings, software, documentation and all other materials developed and/or used in the preparation or performance of the agreement between Seller and the Buyer or agreements resulting there from are owned by and vest exclusively in Seller. The delivery of Products and/or services does not transfer intellectual property rights.

b. The Buyer acquires only a license for the non-exclusive and non-transferable right to use the Products and results of the services for the agreed purposes. The license is only valid if the Buyer fulfils the financial obligations connected with making available the relevant intellectual property.

c. The license applies solely to the use of the design or invention in question by the Buyer alone. Use of the license by third parties is not permitted except after written permission has been obtained by Seller.

d. Without the prior written consent of Seller, the Buyer shall not in any way disclose, duplicate, reverse-engineer or allow third-party access to any or all of the Products, services, and results thereof.

e. The Buyer shall not remove or alter references of Seller or its Sellers concerning copyrights, trademarks, trade names or other intellectual property rights.

f. Seller warrants that it is authorized to extend the rights of use as described above to the Buyer, and indemnifies the Buyer against any claims of third parties in this regard. This provision does not apply if and insofar as the Products, services and/or their results are altered and/or if they are delivered in conjunction with Products of third parties, in this latter case excepting where the Buyer demonstrates that the claims of third parties pertain exclusively to the Products, services and/or results delivered by Seller.

**10. TERMINATION**

a. Seller is entitled to terminate any agreements with Buyer in the event of:
   i. the Buyer's late payment of amounts due or a suspension of Buyer's payments;
   ii. the Buyer's filing bankruptcy;
   iii. the Buyer's being placed under trusteeship; or
   iv. liquidation of the Buyer's business.

b. Termination of an agreement by either party renders all outstanding claims between the parties immediately fully payable. The Buyer is liable for the damages suffered by Seller, including but not limited to loss of profit (calculated at a minimum of 25% of the sales price) and freight costs.

Docusign Envelope ID: B731A01D-FCA3-492C-BFE2-9E5003B76948

# 2025 LION Customer Policies — Terms/Warranty (Continued)

## 11. WARRANTY

a. Seller warrants that all its firefighter and emergency responder protective clothing, NFPA certified uniforms and equipment meet all applicable NFPA standards in effect at the time of their manufacture and further warrants that such Products are free from any defect in workmanship or any patent material defect. Non-certified uniforms are not warranted to be compliant with NFPA standards.

b. Conditions of use are outside the control of Seller. It is the responsibility of Buyer to inspect and maintain the product to assure it remains fit for its intended purpose. In order to maximize the useful life of these Products and maintain the warranty, the Products are to be used only by appropriately trained personnel following proper firefighting or emergency response techniques and in accordance with the Products' warning, use, inspection, maintenance, care, storage and retirement instructions. Failure to do so will void the warranty.

c. If the agreement involves the processing of material supplied by the Buyer, Seller warrants the product incorporating the material for a period of six (6) months after delivery. If the processing proves to be unsound, Seller may, at its own discretion, either remedy the fault or perform the processing again using material to be delivered by the Buyer, or refund a proportionate amount of the agreed contract price.

d. EXCEPT AS SET FORTH ABOVE, SELLER MAKES NO OTHER WARRANTIES, EXPRESSED OR IMPLIED, INCLUDING BUT NOT LIMITED TO, ANY WARRANTIES OF MERCHANTABILITY, FITNESS FOR ANY PARTICULAR USE OR NON-INFRINGEMENT OF ANY THIRD PARTY RIGHTS

e. Under the above warranties, Seller will repair or replace, at its option, any product which does not meet the above warranties. Such repair or replacement will be the Buyer's sole remedy and Seller will not be responsible for any incidental, consequential or other damages based upon or arising in any way from breach of the warranties contained herein or the Buyer's use of such Product.

f. The Products replaced under this warranty will be the property of Seller.

g. These warranty obligations apply only to any Product, part or component which is returned to Seller or a Seller Authorized Clean and Repair Center with prior authorization and proof of purchase, and which Seller agrees to be defective as covered by this warranty.

h. The word "Product" in section g above includes the Product itself and any parts or labor furnished by Seller with the sales, delivery or servicing of the Product.

i. USEFUL LIFE: Useful life is the period of time that Product, which has been properly cared for, can be expected to provide reasonable limited protection.

j. Turnout Gear: NFPA 1971 performance requirements are based on new, unworn Garments and composites. Useful life is the period of time that Garments that have been properly cared for can be expected to provide reasonable limited protection. Useful life of Garments can be as little as 3 to 5 years with heavy wear and tear and improper maintenance and/or storage. Useful life can be as long as 7 to 10 years if Garments have been subject to relatively lower levels of wear and tear and have been consistently maintained in a regular cleaning and maintenance program and stored properly. In compliance with NFPA 1851, Garments or Garment elements must be retired no more than 10 years from the date of manufacture A Garment should be retired when the costs of repair would exceed 50% of the replacement cost.

k. Helmets: NFPA 1971 performance requirements are based on new, unworn Helmets. Useful life is the period of time that the Product, which has been properly cared for, can be expected to provide reasonable limited protection. Useful life of Helmets or Helmet components can be as little as 3 to 5 years with heavy wear and tear and improper maintenance and/or storage. Useful life can be as long as 7 to 10 years if Helmets have been subject to relatively lower levels of wear and tear and have been consistently maintained in a regular cleaning and maintenance program and stored properly. In compliance with NFPA 1851, Helmets must be retired no more than 10 years from the date of manufacture.

l. LION will replace any helmet shells, impact caps and suspension systems damaged during normal fire department firefighting activities, for a period up to five (5) years after date of manufacture, and all other components for 18 months.

m. NFPA 1992 and 1994 Garments: Useful life will vary according to type and frequency of use, along with the weight and type of materials used in the product. Useful life is normally five (5) wearings or five (5) launderings, depending upon the conditions of wear, maintenance and storage. Other factors may require the garment to be retired before it has been worn or laundered five (5) times. Useful life is unlikely to be more than 10 years. Garments 10 years old must be retired! Useful life will vary according to type and frequency of use, along with the weight and type of materials used in the product. Useful life is normally five (5) wearings or five (5) launderings, depending upon the conditions of wear, maintenance and storage. Other factors may require the garment to be retired before it has been worn or laundered five (5) times. Useful life is unlikely to be more than 10 years. Garments 10 years old must be retired!

n. "Defects in workmanship and materials" means poorly manufactured seams, stitching or components (e.g., loose or broken seams, zippers or snaps that fall off or do not function properly), and fabrics which have such flaws as holes, uneven spots, weak areas, pilling or other flaws caused by irregularities in their manufacture. On helmets, chipped or cracked shells, or broken impact caps.

o. This limited warranty does not cover the following items after receipt of the product by Buyer:
   i. Claims made after thirty (30) days from the date of receipt for damage caused by shipment, incorrect materials, misplacement or other minor errors with lettering, parts or suspenders; size or quantity discrepancies, design or pattern errors, and minor sewing irregularities;
   ii. Damage or color change from exposure of materials to direct or indirect sunlight or fluorescent light;
   iii. Shade variations among textiles used or shade changes to fabrics caused by wear and tear and/or washing;
   iv. Color loss due to abrasion (creases, folds, pleats, edges, collar points, etc.);
   v. Damage caused by improper washing, decontamination, disinfecting or maintenance (for example, use of chlorine or petrochemicals to clean);
   vi. Damage caused by repair work not performed to factory specifications;
   vii. Damage from routine exposure to common hazards which may cause stains, rips, tears, burn damage or abrasion, including but not limited to trim, knit components, cuff hems and other high wear areas;
   viii. Loss of retroreflectivity of reflective trim due to normal wear and tear and/or heat exposure;
   ix. Detachment of reflective trim due to thread abrasion and/or heat exposure;
   x. Replacement of zippers or closures worn partially sealed and/or damaged by heavy wear and tear after 1 year
   xi. Missing, lost, or broken hardware, including buttons, snaps and rivets, after 1 year.
   xii. Loose or broken stitching if caused by normal wear and tear.

# GENERAL TERMS AND CONDITIONS OF SALE AND DELIVERY OF PPE AND UNIFORMS (U.S.) - (Updated 6/5/2025)

These are the General Terms and Conditions of Sale and Delivery ("General Terms") of Lion First Responder PPE, Inc., with its place of business at 7200 Poe Avenue, Suite #400, Dayton, OH 45414, and companies or enterprises affiliated therewith (hereinafter jointly referred to as "Seller").

## 1. APPLICABILITY

a. These General Terms and Conditions of Delivery and Services apply to all offers, services, deliveries and agreements for the sale of uniforms and personal protective equipment ("PPE") (all the foregoing hereinafter referred to as "Products") contracted as such with Seller.
b. These General Terms may only be departed from if Seller expressly states or acknowledges this in writing.
c. Other general terms and conditions, including but not limited to the terms and conditions of any counterparty (including but not limited to buyers or commissioning parties, that Seller has concluded an agreement with or is in negotiation of concluding any agreement) (all hereinafter to be referred to as "Buyer"), shall, where not in accordance with these General Terms, be explicitly rejected. Such other general terms and conditions shall only apply if and insofar as explicitly confirmed by Seller in a separate document. These terms and conditions supersede any prior or contemporaneous agreement or correspondence between the parties. Acceptance of these General Terms (including all provisions hereto), is a key stipulation of Seller, and forms an integral part of its offer.

## 2. OFFERS, CONTRACTS & CHANGES

a. Unless otherwise stated, Prices listed are suggested retail list and do not include individual distributor discounts, which may vary across product lines.
b. Unless the offer stipulates a period for acceptance, all offers are non-binding. In all offers, prices stated do not include any state, local or federal governmental taxes, duties and/or customs charges unless specifically stated. Up to one (1) week after acceptance of a non-binding offer, Seller may withdraw the offer. A non-binding offer remains valid for a maximum period of thirty (30) days, unless explicitly stated otherwise in the offer.
c. The agreement is contracted as soon as Buyer's full and unconditional acceptance of the offer has been received by Seller. This acceptance implies that the Buyer consents to the applicability of these General Terms and, insofar as necessary, waives the declaration of applicability of the Buyer's own general terms and conditions of purchase (or of whatever kind).
d. Seller is only bound by offers and contracts produced and/or concluded by representatives, commercial agents or intermediaries after a written order confirmation by Seller.
e. Information and data provided by the Buyer to Seller for the purposes of the agreement contracted, such as drawings, etc., will be assumed by Seller to be correct, and Seller will base its offer on such information. Seller is not responsible, and bears no responsibility, for specifications or designs developed and supplied by Buyer and/or information, drawings, etc. supplied by the Buyer as referred to in the preceding sentence, regardless of whether Seller has advised the Buyer thereon. This applies accordingly to parts and materials that the Buyer makes available or prescribes to Seller.
f. In reading the measures, sizes, weights, colors and technical data contained in the offers, the Buyer agrees to allow for minor discrepancies which do not exceed the normal limits.
g. All orders are subject to credit department approval.
h. Delivery, minimums and surcharges of the Products may apply and will vary according to the product line; all such variations will be stated in proposals, quotes or bid documents.
i. Possession of a price list of Seller does not constitute an offer to sell.
j. For all turnout gear, a One Hundred and Twenty-Five U.S. Dollar ($125) (list) minimum order surcharge may apply to special cuts or special production runs and to custom sizes or over-sizes outside Seller's standard sizing (see appropriate sizing charts). On non-turnout Products, a ten percent (10%) minimum surcharge may apply to special cuts or special production runs and to custom sizes or over-sizes outside Seller's standard sizing (see appropriate sizing charts).
k. Seller is entitled to adjust offered or agreed prices if there is a material change in circumstances outside of the control of the Seller, including but not limited to material increases in the costs of labor, materials, transportation or duties, discovered after the offer is made by the Seller or the agreement made by the parties, but before the performance by the Seller.

## 3. DELIVERY & RISK OF LOSS

a. For PPE Products, freight term for domestic orders delivered within the 48 contiguous U.S. states is F.O.B. Destination unless otherwise stated on quote.
b. Contact Seller for terms and conditions of sale for International, Alaskan/Hawaiian or other non-continental U.S. destinations.
c. No C.O.D. orders.
d. Unless expressly agreed otherwise, stated delivery times are approximate only and shall not be regarded as contractual deadlines. In the event of late delivery, the Buyer must give Seller due notice before Seller can be in default.
e. Seller reserves the right to ship partial orders unless complete shipment is stated on the order.
f. Rush orders for custom make-to-order Products are subject to a twenty percent (20%) rush fee.
g. The delivery period commences on the date on which Seller has confirmed the order to the Buyer, or otherwise on the date agreed by the parties in writing.
h. Seller is authorized to determine the method of transport.
i. The Products shall be delivered by Seller in the packaging it deems appropriate. If the Buyer prescribes different packaging, Seller is entitled to invoice the Buyer separately for the cost of such packaging.
j. Seller is entitled to have deliveries made or services performed by third parties.
k. Documentation provided by third party carriers shall be conclusive evidence of proof of delivery and Buyer assumes risk of loss after delivery by carrier to designated destination, and Buyer shall be responsible for insuring Product after delivery.

## 4. PAYMENT & TRANSFER OF OWNERSHIP

a. All orders for make-to stock Products are subject to a handling charge of Four and 25/100 U.S. Dollars ($4.25). All orders amounting to less than Fifty U.S. Dollars ($50.00) will be subject to a handling charge of Fifteen U.S. Dollars ($15.00).
b. All payments must be made within thirty (30) days after the date of invoice, unless any other payment term is explicitly agreed in writing (the "Payment Date"). Payment must be made without any deduction or offsetting, at the offices of Seller or by means of transfer to a bank account stipulated by Seller.
c. Seller retains full (and sole) ownership of the Products until such time as the due purchase sum, including any statutory interest, and collection costs, has been paid in full and received by Seller, even if the Products have meanwhile been processed or incorporated into other Products.
d. If the Buyer does not pay by the Payment Date, it shall be deemed to be legally in default without the requirement of any warning or notice of default.
e. For amounts owed after the Payment Date, Buyer shall pay two percent (2%) interest, or the maximum statutory rate, whichever is greater, as well as legal and other costs incurred in order to secure the performance of the contract, unless otherwise determined by a court judgment.
f. Buyer shall be liable for collection costs on unpaid sums, which shall amount to the greater of fifteen percent (15%) of the outstanding sum or Three Hundred U.S. Dollars ($300.00).
g. As long as the ownership of the Products delivered has not been transferred to the Buyer: (i) the Buyer is not permitted to transfer the ownership of the Products delivered, to encumber these Products with real rights or rights under the law of obligations, or to alienate them under any title whatsoever except agreed in writing; (ii) the Buyer is obliged to observe due care in maintaining custody of the Products and to hold them as the identifiable property of Seller (any marks or signs of Seller applied in, on or to the Products delivered must remain clearly visible; and (iii) the Buyer is obliged to store Products delivered that are defined exclusively by type and weight separately and ensure that they are clearly identifiable as property of Seller.
h. Seller is entitled to reclaim the Products delivered under retention of title, if and insofar as the Buyer remains in default of the fulfillment of any obligation toward Seller, or in the opinion of Seller, is unable to pay the amounts owed.
i. The Buyer hereby grants Seller nunc pro tunc the irrevocable right to enter the Buyer's business premises or to allow a third party designated by Seller to do so in the event that Seller wishes to reclaim the delivered Products.

## 5. RETURNS

a. The Buyer must contact Seller within forty-five (45) days of receipt of shipment to receive a Return Authorization Number. Seller will not accept Products returned without written permission. Except for items covered under Seller's warranty:
   i. Products that have been worn, laundered, altered or soiled are non-returnable;
   ii. Personalized garments (e.g., with names, letters or heat transfer emblems) are non-returnable;
   iii. Custom manufactured, custom sizes, made-to-order and special cut Products are non-returnable;
   iv. Products that have been discontinued or redesigned are non-returnable;
   v. Boots that have been worn are non-returnable;
   vi. CBRN Products are non-returnable.
b. Return of stock Products are subject to a fifteen percent (15%) restocking fee for PPE and 25% for uniforms.
c. Custom made-to-order Products are not returnable.
d. Amounts due Seller in no case shall be entitled for offset by Buyer.

## 6. FORCE MAJEURE

a. Except for the payment of money, neither party shall be held responsible for any delay or failure in performance of any part of this Agreement to the extent that the delay or failure is caused by a Force Majeure Event. A Force Majeure Event shall mean any act of God; war; riot; civil strife; act of terrorism, domestic or foreign; embargo; governmental rule, regulation or decree; flood, fire, hurricane, tornado, or other casualty; epidemic, pandemic, outbreak of communicable disease, viral outbreak, quarantine or national or regional emergency; action of any governmental authority; earthquake; strike, lockout, or other labor disturbance; the unavailability of labor or materials to the extent beyond the control of the party delayed or unable to perform (the "Delayed Party"); or any other events or circumstances not within the reasonable control of the Delayed Party, whether similar or dissimilar to any of the foregoing.

   If any Force Majeure Event occurs, the Delayed Party shall give prompt notice to the other party (the "Affected Party"), and the Delayed Party, upon giving prompt notice to the Affected Party, shall be excused from performance under this Agreement for the duration of the Force Majeure Event;, provided, however, that the Delayed Party shall take all reasonable steps and cooperate with the Affected Party to avoid or remove the cause of non-performance and shall resume performance hereunder with dispatch when the cause is removed; and provided further that if the Delayed Party cannot within sixty (60) days remove the cause of non-performance, the Affected Party may terminate this Agreement.

## 7. DISPUTES & APPLICABLE LAW

a. All legal relationships between the parties are governed exclusively by the laws of the state of Ohio.
b. The Vienna Sales Convention (CISG) is not applicable, nor are any other international rulings from which exclusion is permitted.
c. All disputes will be settled exclusively by a court of competent jurisdiction in Dayton, Ohio. Nonetheless, the parties will first attempt in good faith to resolve any dispute or claim amicably through negotiations between representatives of each party with authority to settle the relevant dispute.
d. No action by a Buyer may be brought at any time more than twelve (12) months after the facts occurred upon which the cause of action arose.

## 8. LIMITATION OF LIABILITY

Seller assumes no liability for consequential damages, incidental damages, anticipated or lost profits, indirect damages, loss of time, or other losses incurred by Customer or any third party in connection with the Products.

## 9. INTELLECTUAL & INDUSTRIAL PROPERTY RIGHTS

a. All rights of intellectual property with regard to the Products and/or services as well as the designs, drawings, software, documentation and all other materials developed and/or used in the preparation or performance of the agreement between Seller and the Buyer or agreements resulting there from are owned by and vest exclusively in Seller. The delivery of Products and/or services does not transfer intellectual property rights.
b. The Buyer acquires only a license for the non-exclusive and non-transferable right to use the Products and results of the services for the agreed purposes. The license is only valid if the Buyer fulfils the financial obligations connected with making available the relevant intellectual property.
c. The license applies solely to the use of the design or invention in question by the Buyer alone. Use of the license by third parties is not permitted except after written permission has been obtained by Seller.
d. Without the prior written consent of Seller, the Buyer shall not in any way disclose, duplicate, reverse-engineer or allow third-party access to any or all of the Products, services, and results thereof.
e. The Buyer shall not remove or alter references of Seller or its Sellers concerning copyrights, trademarks, trade names or other intellectual property rights.
f. Seller warrants that it is authorized to extend the rights of use as described above to the Buyer, and indemnifies the Buyer against any claims of third parties in this regard. This provision does not apply if and insofar as the Products, services and/or their results are altered and/or if they are delivered in conjunction with Products of third parties, in this latter case excepting where the Buyer demonstrates that the claims of third parties pertain exclusively to the Products, services and/or results delivered by Seller.

## 10. TERMINATION

a. Seller is entitled to terminate any agreements with Buyer in the event of:
   i. the Buyer's late payment of amounts due or a suspension of Buyer's payments;

i. the Buyer's filing bankruptcy;
ii. the Buyer's being placed under trusteeship; or
iii. liquidation of the Buyer's business.

b. Termination of an agreement by either party renders all outstanding claims between the parties immediately fully payable. The Buyer is liable for the damages suffered by Seller, including but not limited to loss of profit (calculated at a minimum of 25% of the sales price) and freight costs.

**2. WARRANTY**

a. Seller warrants that all its firefighter and emergency responder protective clothing, NFPA certified uniforms and equipment meet all applicable NFPA standards in effect at the time of their manufacture and further warrants that such Products are free from any defect in workmanship or any patent material defect. Non-certified uniforms are not warranted to be compliant with NFPA standards.

b. Conditions of use are outside the control of Seller. It is the responsibility of Buyer to inspect and maintain the product to assure it remains fit for its intended purpose. In order to maximize the useful life of these Products and maintain the warranty, the Products are to be used only by appropriately trained personnel following proper firefighting or emergency response techniques and in accordance with the Products' warning, use, inspection, maintenance, care, storage and retirement instructions. Failure to do so will void the warranty.

c. If the agreement involves the processing of material supplied by the Buyer, Seller warrants the product incorporating the material for a period of six (6) months after delivery. If the processing proves to be unsound, Seller may, at its own discretion, either remedy the fault or perform the processing again using material to be delivered by the Buyer, or refund a proportionate amount of the agreed contract price.

d. EXCEPT AS SET FORTH ABOVE, SELLER MAKES NO OTHER WARRANTIES, EXPRESSED OR IMPLIED, INCLUDING BUT NOT LIMITED TO, ANY WARRANTIES OF MERCHANTABILITY, FITNESS FOR ANY PARTICULAR USE OR NON-INFRINGEMENT OF ANY THIRD PARTY RIGHTS

e. Under the above warranties, Seller will repair or replace, at its option, any product which does not meet the above warranties. Such repair or replacement will be the Buyer's sole remedy and Seller will not be responsible for any incidental, consequential or other damages based upon or arising in any way from breach of the warranties contained herein or the Buyer's use of such Product.

f. The Products replaced under this warranty will be the property of Seller.

g. These warranty obligations apply only to any Product, part or component which is returned to Seller or a Seller Authorized Clean and Repair Center with prior authorization and proof of purchase, and which Seller agrees to be defective as covered by this warranty.

h. The word "Product" in section g above includes the Product itself and any parts or labor furnished by Seller with the sales, delivery or servicing of the Product.

i. USEFUL LIFE: Useful life is the period of time that Product, which has been properly cared for, can be expected to provide reasonable limited protection.

j. Turnout Gear: NFPA 1971 performance requirements are based on new, unworn Garments and composites. Useful life is the period of time that Garments that have been properly cared for can be expected to provide reasonable limited protection. Useful life of Garments can be as little as 3 to 5 years with heavy wear and tear and improper maintenance and/or storage. Useful life can be as long as 7 to 10 years if Garments have been subject to relatively lower levels of wear and tear and have been consistently maintained in a regular cleaning and maintenance program and stored properly. In compliance with NFPA 1851, Garments or Garment elements must be retired no more than 10 years from the date of manufacture A Garment should be retired when the costs of repair would exceed 50% of the replacement cost.

k. Helmets: NFPA 1971 performance requirements are based on new, unworn Helmets. Useful life is the period of time that the Product, which has been properly cared for, can be expected to provide reasonable limited protection. Useful life of Helmets or Helmet components can be as little as 3 to 5 years with heavy wear and tear and improper maintenance and/or storage. Useful life can be as long as 7 to 10 years if Helmets have been subject to relatively lower levels of wear and tear and have been consistently maintained in a regular cleaning and maintenance program and stored properly. In compliance with NFPA 1851, Helmets must be retired no more than 10 years from the date of manufacture.

l. LION will replace any helmet shells, impact caps and suspension systems damaged during normal fire department firefighting activities, for a period up to five (5) years after date of manufacture, and all other components for 18 months.

m. NFPA 1992 and 1994 Garments: Useful life will vary according to type and frequency of use, along with the weight and type of materials used in the product. Useful life is normally five (5) wearings or five (5) launderings, depending upon the conditions of wear, maintenance and storage. Other factors may require the garment to be retired before it has been worn or laundered five (5) times. Useful life is unlikely to be more than 10 years. Garments 10 years old must be retired! Useful life will vary according to type and frequency of use, along with the weight and type of materials used in the product. Useful life is normally five (5) wearings or five (5) launderings, depending upon the conditions of wear, maintenance and storage. Other factors may require the garment to be retired before it has been worn or laundered five (5) times. Useful life is unlikely to be more than 10 years. Garments 10 years old must be retired!

n. "Defects in workmanship and materials" means poorly manufactured seams, stitching or components (e.g., loose or broken seams, zippers or snaps that fall off or do not function properly), and fabrics which have such flaws as holes, uneven spots, weak areas, pilling or other flaws caused by irregularities in their manufacture. On helmets, chipped or cracked shells, or broken impact caps.

o. This limited warranty does not cover the following items after receipt of the product by Buyer:
i. Claims made after thirty (30) days from the date of receipt for damage caused by shipment, incorrect materials, misplacement or other minor errors with lettering, parts or suspenders; size or quantity discrepancies, design or pattern errors, and minor sewing irregularities;
ii. Damage or color change from exposure of materials to direct or indirect sunlight or fluorescent light;
iii. Shade variations among textiles used or shade changes to fabrics caused by wear and tear and/or washing;
iv. Color loss due to abrasion (creases, folds, pleats, edges, collar points, etc.);
v. Damage caused by improper washing, decontamination, disinfecting or maintenance (for example, use of chlorine or petrochemicals to clean);
vi. Damage caused by repair work not performed to factory specifications;
vii. Damage from routine exposure to common hazards which may cause stains, rips, tears, burn damage or abrasion, including but not limited to trim, knit components, cuff hems and other high wear areas;
viii. Loss of retroreflectivity of reflective trim due to normal wear and tear and/or heat exposure;
ix. Detachment of reflective trim due to thread abrasion and/or heat exposure;
x. Replacement of zippers or closures worn partially sealed and/or damaged by heavy wear and tear after 1 year
xi. Missing, lost, or broken hardware, including buttons, snaps and rivets, after 1 year.
xii. Loose or broken stitching if caused by normal wear and tear.

|---|---|
| **Title:** | Advanced Life Support and Basic Life Support Medical Supplies - Purchase Order |
| **Contact:** | Matthew Lauchner 916-774-5807 mlauchner@roseville.ca.us |

SUMMARY

Staff recommends approval of a purchase order with Life Assist, Incorporated for advanced life support (ALS) and basic life support medical equipment and supplies, as well as ALS drugs based upon the Master Price Agreement for the remainder of the initial term of four years with an optional one-year renewal term as a qualified government member of National Purchasing Partners. The total estimated cost is $537,500 for the remainder of the 48-month term of the contract, from November 18, 2025, to November 17, 2029, and $150,000 for the extension year from November 18, 2029, to November 17, 2030. The current year's funding is included in the Fire Department's FY2025-26 General Fund budget and will be recommended for approval in future year budgets.

RECOMMENDATION

Staff recommends that the City Council adopt a resolution to approve a purchase order with Life-Assist, Incorporated to obtain advanced life support (ALS) and basic life support (BLS) medical supplies and medications utilizing the League of Oregon Cities contract number PS25830 through National Purchasing Partners (NPPGOV).

Additionally, staff requests that the City Manager or his designee be authorized to approve an additional one (1) year renewal without further City Council approval, upon verification of the approved optional renewal year on the piggyback contract, provided the applicable budget is approved, until the contract expires or until staff determines that continuing with this vendor is not in the City's best interest.

BACKGROUND

The Fire Department has an annual requirement for various ALS and BLS medical supplies and medications to be stocked on the fire engines for use in emergency medical responses. These supplies are used to treat any person in need of medical aid, supporting the 21,000 projected calls for service and meeting the Sierra Sacramento Valley (S-SV) EMS Agency's requirements for approved fire apparatus and minimum medical equipment for the advanced life support program.

The City will be utilizing National Purchasing Partners (NPPGov) cooperative contract number PS25830, which was competitively bid and awarded by lead public agency, League of Oregon Cities. The initial contract award is for four (4) consecutive years, with an optional one (1) year renewal available.

FISCAL IMPACT

The total estimated cost for Fire Department ALS and BLS medical supplies and medications is $537,500 for the remainder of the initial 48-month term of the contract from November 18, 2025 to November 17, 2029, and $150,000 for extension year November 18, 2029, to November 17, 2030. The current fiscal year's funding is included in the Fire Department's FY2025-26 budget in the General Fund and will be

recommended for approval in future year budgets.

ENVIRONMENTAL REVIEW

The California Environmental Quality Act (CEQA) does not apply to activities that will not result in a direct or reasonably foreseeable indirect physical change in the environment, or is otherwise not considered a project as defined by CEQA Statute §21065 and CEQA State Guidelines §15060(c)(3) and §15378. The purchase order for medical supplies and medications meets the above criteria and is not subject to CEQA. No additional environmental review is required.

CITY COUNCIL STRATEGIC PLAN/OVERARCHING GOALS

1. Ensure a safe and healthy community
6. Deliver exceptional City services

Respectfully Submitted,
Matthew Lauchner, Assistant Fire Chief

Ryan Harrigan, Fire Chief

RESOLUTION NO. 26-101

APPROVING A PURCHASE ORDER FOR ADVANCED AND BASIC LIFE SUPPORT MEDICAL SUPPLIES AND MEDICATIONS

WHEREAS, a purchase order for advanced and basic life support medical supplies and medications, by and between the City of Roseville and Life-Assist, Incorporated, utilizing the League of Oregon Cities contract number PS25830 through National Purchasing Partners (NPPGov), has been reviewed by the City Council; and

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Roseville that said purchase order is approved.

BE IT FURTHER RESOLVED, that the City Manager or his designee is authorized to approve an additional one (1) year renewal without further City Council approval, provided that the applicable budget is approved by the City Council, or until staff determines that continuing with this vendor is not in the best interest of the City.

# ***LEAGUE OF OREGON CITIES***

# ***MASTER PRICE AGREEMENT***

This Master Price Agreement is effective as of the date of the last signature below (the "Effective Date") by and between the LEAGUE OF OREGON CITIES, an Oregon public corporation under ORS Chapter 190 ("LOC" or "Purchaser") and Life-Assist, Inc. ("Vendor").

## RECITALS

WHEREAS, the Vendor is in the business of selling certain Medical Products, Monitors, Software, Data Transmission, and Related Services, as further described herein; and

WHEREAS, the Vendor desires to sell and the Purchaser desires to purchase certain products and related services all upon and subject to the terms and conditions set forth herein; and

WHEREAS, through a solicitation for Medical Products, Monitors, Software, Data Transmission, and Related Services the Vendor was awarded the opportunity to complete a Master Price Agreement with the LEAGUE OF OREGON CITIES as a result of its response to Request for Proposal No. 2535 for Medical Products, Monitors, Software, Data Transmission, and Related Services; and

WHEREAS, the LEAGUE OF OREGON CITIES asserts that the solicitation and Request for Proposal meet Oregon public contracting requirements (ORS 279, 279A, 279B and 279C et. seq.); and

WHEREAS, Purchaser and Vendor desire to extend the terms of this Master Price Agreement to benefit other qualified government members of National Purchasing Partners, LLC dba Public Safety GPO, dba First Responder GPO, dba Law Enforcement GPO and dba NPPGov;

NOW, THEREFORE, Vendor and Purchaser, intending to be legally bound, hereby agree as follows:

## ARTICLE 1 – CERTAIN DEFINITIONS

1.1 "Agreement" shall mean this Master Price Agreement, including the main body of this Agreement and Attachments A-G attached hereto and by this reference incorporated herein, including Purchaser's Request for Proposal No. 2535 (herein "RFP") and Vendor's Proposal submitted in response to the RFP (herein "Vendor's Proposal") as referenced and incorporated herein as though fully set forth (sometimes referred to collectively as the "Contract Documents").

1.2 "Applicable Law(s)" shall mean all applicable federal, state, tribal, and local laws, statutes, ordinances, codes, rules, regulations, standards, orders and other governmental requirements of any kind.

1.3 "Employee Taxes" shall mean all taxes, assessments, charges and other amounts whatsoever payable in respect of, and measured by the wages of, the Vendor's employees (or subcontractors), as required by the Federal Social Security Act and all amendments thereto and/or any other applicable federal, state, tribal or local law.

1.4 "Purchaser's Destination" shall mean such delivery location(s) or destination(s) as Purchaser may prescribe from time to time.

Docusign Envelope ID: BD7801DA-2F22-4B0E-921E-647D3BBC7532

1.5 "Products and Services" shall mean the products and/or services to be sold by Vendor hereunder as identified and described on Attachment A hereto and incorporated herein, as may be updated from time to time by Vendor to reflect products and/or services offered by Vendor generally to its customers.

1.6 "Purchase Order" shall mean any authorized written order for Products and Services sent by Purchaser to Vendor via mail, courier, overnight delivery service, email, fax and/or other mode of transmission as Purchaser and Vendor may from time to time agree.

1.7 "Unemployment Insurance" shall mean the contribution required of Vendor, as an employer, in respect of, and measured by, the wages of its employees (or subcontractors) as required by any applicable federal, state or local unemployment insurance law or regulation.

1.8 "National Purchasing Partners" or "(NPP)" is a subsidiary of two nonprofit health care systems. The Government Division of NPP, hereinafter referred to as "NPPGov", provides group purchasing marketing and administrative support for governmental entities within the membership. NPPGov's membership includes participating public entities across North America.

1.9 "Lead Contracting Agency" shall mean the LEAGUE OF OREGON CITIES, which is the governmental entity that issued the Request for Proposal and awarded this resulting Master Price Agreement.

1.10 "Participating Agencies" shall mean members of National Purchasing Partners for which Vendor has agreed to extend the terms of this Master Price Agreement pursuant to Article 2.6 and Attachment C herein. For purposes of cooperative procurement, "Participating Agency" shall be considered "Purchaser" under the terms of this Agreement.

1.11 "Party" and "Parties" shall mean the Purchaser and Vendor individually and collectively as applicable.

## ARTICLE 2 – AGREEMENT TO SELL

2.1 Vendor hereby agrees to sell to Purchaser such Products and Services as Purchaser may order from time to time by Purchase Order, all in accordance with and subject to the terms, covenants and conditions of this Agreement. Purchaser agrees to purchase those Products and Services ordered by Purchaser by Purchase Order in accordance with and subject to the terms, covenants and conditions of this Agreement.

2.2 Vendor may add additional products and services to the contract provided that any additions reasonably fall within the intent of the original RFP specifications. Pricing on additions shall be equivalent to the percentage discount for other similar products. Vendor may provide a web-link with current product listings, which may be updated periodically, as allowed by the terms of the resulting Master Price Agreement. Vendor may replace or add product lines to an existing contract if the line is replacing or supplementing products on contract, is equal or superior to the original products offered, is discounted in a similar or to a greater degree, and if the products meet the requirements of the solicitation. No products may be added to avoid competitive procurement requirements. LOC may reject any additions without cause.

2.3 All Purchase Orders issued by Purchaser to Vendor for Products during the term (as hereinafter defined) of this Agreement are subject to the provisions of this Agreement as though fully set forth in such Purchase Order. The Vendor retains authority to negotiate above and beyond the terms of this Agreement to meet the Purchaser or Vendor contract requirements.

Docusign Envelope ID: BD7801DA-2F22-4B0E-921E-647D3BBC7532

2.4 Notwithstanding any other provision of this Agreement to the contrary, the Lead Contracting Agency shall have no obligation to order or purchase any Products and Services hereunder and the placement of any Purchase Order shall be in the sole discretion of the Participating Agencies. This Agreement is not exclusive. Vendor expressly acknowledges and agrees that Purchaser may purchase at its sole discretion, Products and Services that are identical or similar to the Products and Services described in this Agreement from any third party.

2.5 In case of any conflict or inconsistency between any of the Contract Documents, the documents shall prevail and apply in the following order of priority:

(i) This Agreement;
(ii) The RFP;
(iii) Vendor's Proposal;

2.6 Extension of contract terms to Participating Agencies:

2.6.1 Vendor agrees to extend the same terms, covenants and conditions available to Purchaser under this Agreement to Participating Agencies, that have executed an Intergovernmental Cooperative Purchasing Agreement ("IGA") as may be required by each Participating Agency's local laws and regulations, in accordance with Attachment C. Each Participating Agency will be exclusively responsible for and deal directly with Vendor on matters relating to ordering, delivery, inspection, acceptance, invoicing, and payment for Products and Services in accordance with the terms and conditions of this Agreement as if it were "Purchaser" hereunder. Any disputes between a Participating Agency and Vendor will be resolved directly between them under and in accordance with the laws of the State in which the Participating Agency exists. Pursuant to the IGA, the Lead Contracting Agency shall not incur any liability as a result of the access and utilization of this Agreement by other Participating Agencies.

2.6.2 *This Solicitation meets the public contracting requirements of the Lead Contracting Agency and may not be appropriate under or meet Participating Agencies' procurement laws. Participating Agencies are urged to seek independent review by their legal counsel to ensure compliance with all local, tribal, and state solicitation requirements.*

2.6.3 Vendor acknowledges execution of the Vendor Administration Fee Agreement, Contract Number VA25830, with NPPGov, pursuant to the terms of the RFP.

2.7 Oregon Public Agencies are prohibited from use of Products and Services offered under this Agreement that are already provided by qualified nonprofit agencies for disabled individuals as listed on the Department of Administrative Service's Procurement List ("Procurement List") pursuant to ORS 279.835-.855. See www.OregonRehabilitation.org/qrf for more information. Vendor shall not sell products and services identified on the Procurement List (e.g., reconditioned toner cartridges) to Purchaser or Participating Agencies within the state of Oregon.

## ARTICLE 3 – TERM AND TERMINATION

3.1 The initial contract term shall be for four (4) calendar years from the Effective Date of this Agreement ("Initial Term"). Upon termination of the original four (4) year term, this Agreement shall automatically extend for a one (1) year period; ("Renewal Term"); provided, however, that the Lead Contracting Agency and/or the Vendor may opt to decline extension of the MPA by providing notification in writing at least thirty (30) calendar days prior to the annual automatic extension anniversary of the Initial Term.

Docusign Envelope ID: BD7801DA-2F22-4B0E-921E-647D3BBC7532

3.2 Either Vendor or the Lead Contracting Agency may terminate this Agreement by written notice to the other party if the other Party breaches any of its obligations hereunder and fails to remedy the breach within thirty (30) days after receiving written notice of such breach from the non-breaching party.

## ARTICLE 4 – PRICING, INVOICES, PAYMENT AND DELIVERY

4.1 Purchaser shall pay Vendor for all Products and Services ordered and delivered in compliance with the terms and conditions of this Agreement at the pricing specified for each such Product and Service on Attachment A, including shipping. Unless Attachment A expressly provides otherwise, the pricing schedule set forth on Attachment A hereto shall remain fixed for the Initial Term of this Agreement; provided that manufacturer pricing is not guaranteed and may be adjusted based on the next manufacturer price increase. Pricing contained in Attachment A shall be extended to all NPPGov, Public Safety GPO, First Responder GPO and Law Enforcement GPO members upon execution of the IGA.

4.2 Vendor shall submit original invoices to Purchaser in form and substance and format reasonably acceptable to Purchaser. All invoices must reference the Purchaser's Purchase Order number, contain an itemization of amounts for Products and Services purchased during the applicable invoice period and any other information reasonably requested by Purchaser, and must otherwise comply with the provisions of this Agreement. Invoices shall be addressed as directed by Purchaser.

4.3 Unless otherwise specified, Purchaser is responsible for any and all applicable sales taxes. Attachment A or Vendor's Proposal (Attachment E) shall specify any and all other taxes and duties of any kind which Purchaser is required to pay with respect to the sale of Products and Services covered by this Agreement and all charges for packing, packaging and loading.

4.4 Except as specifically set forth on Attachments A and G, Purchaser shall not be responsible for any additional costs or expenses of any nature incurred by Vendor in connection with the Products and Services, including without limitation travel expenses, clerical or administrative personnel, long distance telephone charges, etc. ("Incidental Expenses").

4.5 Price reductions or discount increases may be offered at any time during the contract term and shall become effective upon notice of acceptance from Purchaser.

4.6 Notwithstanding any other agreement of the Parties as to the payment of shipping/delivery costs, and subject to Attachments A, E, and G herein, Vendor shall offer delivery and/or shipping costs prepaid FOB Destination. If there are handling fees, these also shall be included in the pricing.

4.7 Unless otherwise directed by Purchaser for expedited orders, Vendor shall utilize such common carrier for the delivery of Products and Services as Vendor may select; provided, however, that for expedited orders Vendor shall obtain delivery services hereunder at rates and terms not less favorable than those paid by Vendor for its own account or for the account of any other similarly situated customer of Vendor.

4.8 Vendor shall have the risk of loss of or damage to any Products until delivery to Purchaser. Purchaser shall have the risk of loss of or damage to the Products after delivery to Purchaser. Title to Products shall not transfer until the Products have been delivered to and accepted by Purchaser at Purchaser's Destination.

## ARTICLE 5 – INSURANCE

5.1 During the term of this Agreement, Vendor shall maintain at its own cost and expense (and shall cause any subcontractor to maintain) insurance policies providing insurance of the kind and in the amounts

Docusign Envelope ID: BD7801DA-2F22-4B0E-921E-647D3BBC7532

generally carried by reasonably prudent manufacturers in the industry, with one or more reputable insurance companies licensed to do business in Oregon and any other state or jurisdiction where Products and Services are sold hereunder. Such certificates of insurance shall be made available to the Lead Contracting Agency upon 48 hours' notice. BY SIGNING THE AGREEMENT PAGE THE VENDOR AGREES TO THIS REQUIREMENT AND FAILURE TO MEET THIS REQUIREMENT WILL RESULT IN CANCELLATION OF THIS MASTER PRICE AGREEMENT.

5.2 All insurance required herein shall be maintained in full force and effect until all work or service required to be performed under the terms of this Agreement is satisfactorily completed and formally accepted. Any failure to comply with the claim reporting provisions of the insurance policies or any breach of an insurance policy warranty shall not affect coverage afforded under the insurance policies to protect the Lead Contracting Agency. The insurance policies may provide coverage that contains deductibles or self-insured retentions. Such deductible and/or self-insured retentions shall not be applicable with respect to the coverage provided to the Lead Contracting Agency under such policies. Vendor shall be solely responsible for the deductible and/or self-insured retention and the Lead Contracting Agency, at its option, may require Vendor to secure payment of such deductibles or self-insured retentions by a surety bond or an irrevocable and unconditional letter of credit.

5.3 Vendor shall carry Workers' Compensation insurance to cover obligations imposed by federal and state statutes having jurisdiction over Vendor's employees engaged in the performance of the work or services, as well as Employer's Liability insurance. Vendor waives all rights against the Lead Contracting Agency and its agents, officers, directors and employees for recovery of damages to the extent these damages are covered by the Workers' Compensation and Employer's Liability or commercial umbrella liability insurance obtained by Vendor pursuant to this Agreement.

5.4 Insurance required herein shall not be permitted to expire, be canceled, or materially changed without thirty days (30 days) prior written notice to the Lead Contracting Agency.

5.5 Vendor waives and must require (by endorsement or otherwise) all its insurers to waive subrogation rights against Purchaser and other additional insureds for losses paid under the insurance policies required by this Agreement. The waiver must apply to all deductibles and/or self-insured retentions applicable to the necessary insurance that the Vendor maintains.

## ARTICLE 6 – INDEMNIFICATION AND HOLD HARMLESS

6.1 Vendor agrees that it shall indemnify, defend and hold harmless Lead Contracting Agency, its respective officials, directors, employees, members and agents (collectively, the "Indemnitees"), from and against any and all damages, claims, losses, expenses, costs, obligations and liabilities (including, without limitation, reasonable attorney's fees), suffered directly or indirectly by any of the Indemnitees to the extent of, or arising out of, (i) any breach of any covenant, representation or warranty made by Vendor in this Agreement, (ii) any failure by Vendor to perform or fulfill any of its obligations, covenants or agreements set forth in this Agreement, (iii) the negligence or intentional misconduct of Vendor, any subcontractor of Vendor, or any of their respective employees or agents, (iv) any failure of Vendor, its subcontractors, or their respective employees to comply with any Applicable Law, (v) any litigation, proceeding or claim by any third party relating in any way to the obligations of Vendor under this Agreement or Vendor's performance under this Agreement, (vi) any Employee Taxes or Unemployment Insurance, or (vii) any claim alleging that the Products and Services or any part thereof infringe any third party's U.S. patent, copyright, trademark, trade secret or other intellectual property interest. Such obligation to indemnify shall not apply where the damage, claim, loss, expense, cost, obligation or liability is due to the breach of this Agreement by, or negligence or willful misconduct of, Lead Contracting Agency or its officials, directors, employees, agents or contractors. The amount and type of insurance coverage requirements set forth herein will in no way be construed as

Docusign Envelope ID: BD7801DA-2F22-4B0E-921E-647D3BBC7532

limiting the scope of the indemnity in this paragraph. The indemnity obligations of Vendor under this Article shall survive the expiration or termination of this Agreement for two years.

6.2 LIMITATION OF LIABILITY: IN NO EVENT SHALL EITHER PARTY BE LIABLE FOR ANY SPECIAL, INDIRECT, INCIDENTAL, CONSEQUENTIAL OR EXEMPLARY DAMAGES IN CONNECTION WITH OR ARISING OUT OF THIS AGREEMENT, INCLUDING, BUT NOT LIMITED TO, DAMAGES FOR INJURIES TO PERSONS OR TO PROPERTY OR LOSS OF PROFITS OR LOSS OF FUTURE BUSINESS OR REPUTATION, WHETHER BASED ON TORT OR BREACH OF CONTRACT OR OTHER BASIS, EVEN IF IT HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.

6.3 The same terms, conditions and pricing of this Agreement may be extended to government members of National Purchasing Partners, LLC. In the event the terms of this Agreement are extended to other government members, each government member (procuring party) shall be solely responsible for the ordering of Products and Services under this Agreement. A non-procuring party shall not be liable in any fashion for any violation by a procuring party, and the procuring party shall hold non-procuring parties or unrelated purchasing parties harmless from any liability that may arise from action or inaction of the procuring party.

## ARTICLE 7 – WARRANTIES

Purchaser shall refer to Vendor's Proposal for all Vendor and manufacturer express warranties, as well as those warranties provided under Attachment B herein.

## ARTICLE 8 - INSPECTION AND REJECTION

8.1 Purchaser shall have the right to inspect and test Products at any time prior to shipment, and within a reasonable time after delivery to the Purchaser's Destination. Products not inspected within a reasonable time after delivery shall be deemed accepted by Purchaser. The payment for Products shall in no way impair the right of Purchaser to reject nonconforming Products, or to avail itself of any other remedies to which it may be entitled.

8.2 If any of the Products are found at any time to be defective in material or workmanship, damaged, or otherwise not in conformity with the requirements of this Agreement or any applicable Purchase Order, as its exclusive remedy, Purchaser may at its option and at Vendor's sole cost and expense, elect either to (i) return any damaged, non-conforming or defective Products to Vendor for correction or replacement, or (ii) require Vendor to inspect the Products and remove or replace damaged, non-conforming or defective Products with conforming Products. If Purchaser elects option (ii) in the preceding sentence and Vendor fails promptly to make the necessary inspection, removal and replacement, Purchaser, at its option, may inspect the Products and Vendor shall bear the cost thereof. Payment by Purchaser of any invoice shall not constitute acceptance of the Products covered by such invoice, and acceptance by Purchaser shall not relieve Vendor of its warranties or other obligations under this Agreement.

8.3 The provisions of this Article shall survive the expiration or termination of this Agreement.

## ARTICLE 9 – SUBSTITUTIONS

Except as otherwise permitted hereunder, Vendor may not make any substitutions of Products, or any portion thereof, of any kind without the prior written consent of Purchaser.

## ARTICLE 10 - COMPLIANCE WITH LAWS

Docusign Envelope ID: BD7801DA-2F22-4B0E-921E-647D3BBC7532

10.1 Vendor agrees to comply with all Applicable Laws and at Vendor's expense, secure and maintain in full force during the term of this Agreement, all licenses, permits, approvals, authorizations, registrations and certificates, if any, required by Applicable Laws in connection with the performance of its obligations hereunder. At Purchaser's request, Vendor shall provide to Purchaser copies of any or all such licenses, permits, approvals, authorizations, registrations and certificates.

10.2 Purchaser has taken all required governmental action to authorize its execution of this Agreement and there is no governmental or legal impediment against Purchaser's execution of this Agreement or performance of its obligations hereunder.

10.3 When a Participating Agency procures Products and Services under this Agreement using United States federal funds, including but not limited to federal grants or FEMA funding, the procurement shall be subject to the terms and conditions set forth in Attachment D – Requirements for Procurements Utilizing Federal Funds and Grants, which is incorporated herein by reference. The Vendor shall comply with all applicable federal laws, regulations, and requirements outlined in Attachment D, including but not limited to those specified in 2 C.F.R. § 200, as amended, and any additional stipulations based on the source of funding. All references to "federal" in this section and Attachment D pertain exclusively to the United States federal government.

10.4 When a Participating Agency accesses Vendor's Products and Services with United States federal funds, Vendor shall comply with the provisions set forth in Attachment D – Provisions for Non-United States Federal Entity Procurements Under United States Federal Awards or Other Awards, which is incorporated herein by reference.

## ARTICLE 11 – PUBLICITY / CONFIDENTIALITY

11.1 No news releases, public announcements, advertising materials, or confirmation of same, concerning any part of this Agreement or any Purchase Order issued hereunder shall be issued or made without the prior written approval of the Parties. Neither Party shall in any advertising, sales materials or in any other way use any of the names or logos of the other Party without the prior written approval of the other Party.

11.2 Any knowledge or information which Vendor or any of its affiliates shall have disclosed or may hereafter disclose to Purchaser, and which in any way relates to the Products and Services covered by this Agreement shall not, unless otherwise designated by Vendor, be deemed to be confidential or proprietary information, and shall be acquired by Purchaser, free from any restrictions, as part of the consideration for this Agreement.

## ARTICLE 12 - RIGHT TO AUDIT

Subject to Vendor's reasonable security and confidentiality procedures, Purchaser, or any third party retained by Purchaser, may at any time upon prior reasonable notice to Vendor, during normal business hours, audit the books, records and accounts of Vendor to the extent that such books, records and accounts pertain to sale of any Products and Services hereunder or otherwise relate to the performance of this Agreement by Vendor. Vendor shall maintain all such books, records and accounts for a period of at least three (3) years after the date of expiration or termination of this Agreement. The Purchaser's right to audit under this Article 12 and Purchaser's rights hereunder shall survive the expiration or termination of this Agreement for a period of three (3) years after the date of such expiration or termination.

## ARTICLE 13 - REMEDIES

Docusign Envelope ID: BD7801DA-2F22-4B0E-921E-647D3BBC7532

Except as otherwise provided herein, any right or remedy of Vendor or Purchaser set forth in this Agreement shall not be exclusive, and, in addition thereto, Vendor and Purchaser shall have all rights and remedies under Applicable Law, including without limitation, equitable relief. The provisions of this Article shall survive the expiration or termination of this Agreement.

## ARTICLE 14 - RELATIONSHIP OF PARTIES

Vendor is an independent contractor and is not an agent, servant, employee, legal representative, partner or joint venture of Purchaser. Nothing herein shall be deemed or construed as creating a joint venture or partnership between Vendor and Purchaser. Neither Party has the power or authority to bind or commit the other.

## ARTICLE 15 - NOTICES

All notices required or permitted to be given or made in this Agreement shall be in writing. Such notice(s) shall be deemed to be duly given or made if delivered by hand, by certified or registered mail or by nationally recognized overnight courier to the address specified below:

If to Lead Contracting Agency:

LEAGUE OF OREGON CITIES
1201 Court St. NE
Suite 200
Salem OR 97301
ATTN: Kevin Toon
Email: rfp@ORCities.org

If to Vendor:

Life-Assist, Inc
11277 Sunrise Park Drive
Rancho Cordova, CA 95742
ATTN: Andy Selby
Email: andy.selby@life-assist.com

Either Party may change its notice address by giving the other Party written notice of such change in the manner specified above.

## ARTICLE 16 - FORCE MAJEURE

Except for Purchaser's obligation to pay for Products and Services delivered, delay in performance or non-performance of any obligation contained herein shall be excused to the extent such failure or non-performance is caused by force majeure. For purposes of this Agreement, "force majeure" shall mean any cause or agency preventing performance of an obligation which is beyond the reasonable control of either Party hereto, including without limitation, fire, flood, sabotage, shipwreck, embargo, strike, explosion, labor trouble, accident, riot, acts of governmental authority (including, without limitation, acts based on laws or regulations now in existence as well as those enacted in the future), acts of nature, and delays or failure in obtaining raw materials, supplies or transportation. A Party affected by force majeure shall promptly provide notice to the other, explaining the nature and expected duration thereof, and shall act diligently to remedy the interruption or delay if it is reasonably capable of being remedied. In the event of a force majeure situation,

Docusign Envelope ID: BD7801DA-2F22-4B0E-921E-647D3BBC7532

deliveries or acceptance of deliveries that have been suspended shall not be required to be made upon the resumption of performance.

## ARTICLE 17 - WAIVER

No delay or failure by either Party to exercise any right, remedy or power herein shall impair such Party's right to exercise such right, remedy or power or be construed to be a waiver of any default or an acquiescence therein; and any single or partial exercise of any such right, remedy or power shall not preclude any other or further exercise thereof or the exercise of any other right, remedy or power. No waiver hereunder shall be valid unless set forth in writing executed by the waiving Party and then only to the extent expressly set forth in such writing.

## ARTICLE 18 - PARTIES BOUND; ASSIGNMENT

This Agreement shall inure to the benefit of and shall be binding upon the respective successors and assigns of the Parties hereto, but it may not be assigned in whole or in part by Vendor without prior written notice to Purchaser which shall not be unreasonably withheld or delayed.

## ARTICLE 19 - SURVIVABILITY/PARTICIPATING AGENCY DISCRETIONARY EXTENSION

Provided the laws of the jurisdiction of the Participating Agency permit survivability of the contract term through a mutually agreed upon extension of the agreement between the Participating Agency and the Vendor beyond the term of the publicly awarded Agreement, to be determined and confirmed by the Participating Agency at its sole discretion, all applicable agreements and warranties that were entered into between Vendor and the Participating Agency under the terms and conditions of the Agreement shall survive the expiration or termination of the Agreement if mutually agreed upon between the Vendor and the Participating Agency. All purchase orders issued and accepted by Vendor shall survive expiration or termination of the Agreement for the term of the purchase order or subscription, unless the Participating Agency terminates the purchase order sooner. However, regardless of the term of the purchase order or subscription, no purchase order shall survive the expiration or termination of the Agreement unless the Participating Agency makes an express finding and justification for the longer term as mutually agreed upon by the Participating Agency and Vendor. The finding and justification must either be included in the purchase order or referenced in the purchase order and maintained in the Participating Agency's procurement record. Contract maintenance and adjustments contemplated after the maturity date of the Lead Public Agency cooperative procurement contract, and prior to the expiration date of the Purchase Order or subscription, shall be individually negotiated directly between the awarded Vendor and the Participating Agency identified in that Purchase Order or subscription. Rights and obligations under this Agreement which by their nature should survive, including, but not limited to, the administrative fee provided in the Vendor Administrative Agreement and any and all payment obligations invoiced prior to the termination or expiration hereof, obligations of confidentiality, and indemnification will remain in effect after termination or expiration hereof.

## ARTICLE 20 - SEVERABILITY

To the extent possible, each provision of this Agreement shall be interpreted in such a manner as to be effective and valid under Applicable Law. If any provision of this Agreement is declared invalid or unenforceable, by judicial determination or otherwise, such provision shall not invalidate or render unenforceable the entire Agreement, but rather the entire Agreement shall be construed as if not containing the particular invalid or unenforceable provision or provisions and the rights and obligations of the Parties shall be construed and enforced accordingly.

## ARTICLE 21 - INCORPORATION; ENTIRE AGREEMENT

Docusign Envelope ID: BD7801DA-2F22-4B0E-921E-647D3BBC7532

21.1 All the provisions of the Attachments hereto are hereby incorporated herein and made a part of this Agreement. In the event of any apparent conflict between any provision set forth in the main body of this Agreement and any provision set forth in the Attachments, including the RFP and/or Vendor's Proposal, the provisions shall be interpreted, to the extent possible, as if they do not conflict. If such an interpretation is not possible, the provisions set forth in the main body of this Agreement shall control.

21.2 This Agreement (including Attachments and Contract Documents hereto) constitutes the entire Agreement of the Parties relating to the subject matter hereof and supersedes any and all prior written and oral agreements or understandings relating to such subject matter.

## ARTICLE 22 - HEADINGS

Headings used in this Agreement are for convenience of reference only and shall in no way be used to construe or limit the provisions set forth in this Agreement.

## ARTICLE 23 - MODIFICATIONS

This Agreement may be modified or amended only in writing executed by Vendor and the Lead Contracting Agency. The Lead Contracting Agency and each Participating Agency contracting hereunder acknowledge and agree that any agreement entered into in connection with any Purchase Order hereunder shall constitute a modification of this Agreement as between the Vendor and the Participating Agency. Any modification of this Agreement as between Vendor and any Participating Agency shall not be deemed a modification of this Agreement for the benefit of the Lead Contracting Agency or any other Participating Agency.

## ARTICLE 24 - GOVERNING LAW

This Agreement shall be governed by and interpreted in accordance with the laws of the State of Oregon or in the case of a Participating Agency's use of this Agreement, the laws of the State in which the Participating Agency exists, without regard to its choice of law provisions.

## PARTICIPATING AGENCIES

The Lead Contracting Agency in cooperation with National Purchasing Partners (NPPGov) entered into this Agreement on behalf of other government agencies that desire to access this Agreement to purchase Products and Services. Vendor must work directly with any Participating Agency concerning the placement of orders, issuance of the purchase orders, contractual disputes, invoicing, and payment. The Lead Contracting Agency shall not be held liable for any costs, damages, etc., incurred by any Participating Agency.

Any subsequent contract entered into between Vendor and any Participating Agency shall be construed to be in accordance with and governed by the laws of the State in which the Participating Agency exists. Each Participating Agency is directed to execute an Intergovernmental Cooperative Purchasing Agreement ("IGA"), as set forth on the NPPGov web site, www.nppgov.com. The IGA allows the Participating Agency to purchase Products and Services from the Vendor in accordance with each Participating Agency's legal requirements as if it were the "Purchaser" hereunder.

## REQUIREMENTS FOR PROCUREMENTS UTILIZING FEDERAL FUNDS AND GRANTS

Summary of Key Provisions for Participating Agencies Utilizing U.S. Federal Funds

Participating Agencies acquiring goods or services through this contract using United States federal grants or FEMA funding are subject to specific requirements, including those outlined in 2 C.F.R. § 200. Additional stipulations may apply based on the source of funding. For reference, “federal” pertains exclusively to the United States federal government.

The following provisions are applicable solely when a Participating Agency procures Vendor equipment, products, or services with United States federal funds:

A. Equal Employment Opportunity

Contracts classified as “federally assisted construction contracts” under 41 C.F.R. § 60-1.3 must incorporate the Equal Opportunity clause pursuant to 41 C.F.R. § 60-1.4(b), ensuring compliance with Executive Order 11246 (as amended) and relevant Department of Labor regulations. This provision is included by reference.

B. Davis-Bacon Act, as Amended (40 U.S.C. § 3141-3148)

Prime construction contracts exceeding $2,000 require adherence to the Davis-Bacon Act and related Department of Labor regulations (29 C.F.R. § 5). Contractors must pay at least the prevailing wage determined by the Secretary of Labor, with weekly payments mandated. Each solicitation must feature the current wage determination, and any violations must be reported to the awarding agency. Compliance with the Copeland “Anti-Kickback” Act (40 U.S.C. § 3145; 29 C.F.R. § 3) is also required.

C. Contract Work Hours and Safety Standards Act (40 U.S.C. § 3701-3708)

Contracts exceeding $100,000 involving mechanics or laborers must comply with 40 U.S.C. §§ 3702 and 3704, and 29 C.F.R. § 5. Wages must reflect a standard 40-hour work week, with overtime compensated at no less than one and a half times the basic rate. Workers must not be subjected to hazardous or unsafe conditions. These rules exclude supply purchases and transportation contracts. The Vendor confirms compliance throughout the contract duration.

D. Rights to Inventions Made Under a Contract or Agreement

If the federal award qualifies as a “funding agreement” per 37 C.F.R. § 401.2(a), recipients contracting with small businesses or nonprofit organizations for research must observe 37 C.F.R. § 401 and associated regulations.

E. Clean Air Act and Federal Water Pollution Control Act

For contracts and subgrants exceeding $150,000, full compliance with the Clean Air Act (42 U.S.C. § 7401–7671Q) and Federal Water Pollution Control Act (33 U.S.C. § 1251–1387) is mandatory. Any violations should be reported to both the awarding agency and the EPA. Vendors certify their compliance.

Docusign Envelope ID: BD7801DA-2F22-4B0E-921E-647D3BBC7532

F. Debarment and Suspension (Executive Orders 12549 and 12689)

No contract shall be awarded to entities listed in the System for Award Management (SAM) exclusions under 2 C.F.R. § 180 and Executive Orders 12549 and 12689. Vendors confirm they are neither debarred nor excluded by any federal agency.

G. Byrd Anti-Lobbying Amendment (31 U.S.C. § 1352)

Vendors must submit requisite certifications and refrain from utilizing federal funds to influence government officials in relation to contracts, grants, or awards. All lobbying with non-federal funds must be disclosed and communicated across all tiers. Vendors agree to adhere strictly to the Byrd Anti-Lobbying Amendment.

H. Record Retention Requirements

Vendors shall retain records in accordance with 2 C.F.R. § 200.333 for three years beyond final report submission and until all matters have been resolved.

I. Energy Policy and Conservation Act Compliance

Where relevant, Vendors must comply with mandatory energy efficiency standards detailed in the state energy conservation plan under the Energy Policy and Conservation Act.

J. Buy American Provisions Compliance

When applicable, Vendors must comply with the Buy American Act and ensure purchases adhere to procurement rules that require free and open competition.

K. Access to Records (2 C.F.R. § 200.336)

Vendors grant authorized representatives of federal agencies access to pertinent books, documents, papers, and records for audits, examinations, excerpts, and transcriptions, as well as personnel interviews relating to such records.

L. Procurement of Recovered Materials (2 C.F.R. § 200.322)

Non-federal entities that are state agencies or political subdivisions and their contractors must comply with Section 6002 of the Solid Waste Disposal Act, as amended by the Resource Conservation and Recovery Act. This includes procuring items designated in EPA guidelines (40 C.F.R. § 247) containing the highest practical percentage of recovered materials, maximizing energy and resource recovery for solid waste management, and establishing affirmative procurement programs for recovered materials as specified by EPA.

Entities utilizing United States federal grant or FEMA funds for procurement may be subject to further requirements, including those under 2 C.F.R. § 200, with all references to “federal” denoting the United States federal government.

Entities using U.S. federal grant or FEMA funds for procurement may be subject to additional requirements under 2 C.F.R. § 200. All references to “federal” are specific to the United States federal government.

TERMS AND CONDITIONS

==========
WARRANTIES AND LIABILITY LIMITS
==========
Warranties are limited to those offered by the manufacturer. Life-Assist, Inc. gives no express or implied warranties on any items shown in its catalog, price list, or otherwise offered for sale and shall not be responsible for the proper use and servicing of goods purchased nor does the company give any express or implied warranty that goods purchased are merchantable or fit for a particular purpose. Life-Assist, Inc. shall not be liable for special or consequential damage or injury to person or property which results from the use of these products. All products sold by Life-Assist, Inc. are intended for use by trained medical personnel.
========
SHIPPING
========
Free Standard Shipping within the contiguous U.S. on orders over $100! Orders under $100 will be charged a $14.50 shipping and handling fee. All other orders are shipped FOB origin and freight charges will be applied at time of shipment.

It is our service policy to ship orders the same day we receive them, providing the order is placed by 4:00 pm Monday through Friday. Most orders are shipped by UPS ground complete within 24 hours (M-F). If, by chance, an item is backordered, it will be shipped to you immediately upon our receipt.

Refrigerated items are only shipped Monday – Wednesday and will arrive in 1 – 2 days. Destinations outside of the 2-day shipping zone must be shipped 2nd Day Air and the air freight charges will apply. Refrigerated items cannot be returned.

Freight charges will be applied to special orders, overweight orders, oversized products, and requested rush deliveries.
=======
RETURNS
=======
If a product does not meet your specifications, you may return the item in its original and unaltered* packaging, in resalable condition, within 45 days. Prior to returning any purchase, please contact Customer Care at (800) 824-6016 or email CustomerCare@life-assist.com to obtain a return authorization number.

*Please note, we are unable to provide credit for items where packaging has been altered (i.e., marked with permanent marker or internal agency labels affixed).

Returned merchandise must be sent freight prepaid and be received in new, resalable condition.

To expedite the process, please have your shipping or invoice document available for reference.

Docusign Envelope ID: BD7801DA-2F22-4B0E-921E-647D3BBC7532

Items returned within 45 days of shipment will not be subject to a restocking fee. Items returned 46 days or more will be subject to a 15% restocking fee ($25.00 minimum) plus freight.

Non-returnable items include:
Pharmaceutical products
Custom / special order items
Refrigerated products
Items listed as non-returnable
Short dated or expired products
Items not in original packaging

Some goods, such as refrigerated items, special order items, short dated product and/or items more than 90 days old, etc., are not be eligible for credit. Products shipped directly from vendor partners require a vendor return authorization and are subject to the vendor's return policy and any applicable fees. If we make an error in filling or shipping your order, we will promptly rectify the mistake at no cost to you.

Please note: Issuance of a Return Authorization Number is required and does not guarantee credit. Credit will be issued only after the product is received, inspected, and confirmed to meet our return requirements.

If a damaged shipment is received, please note the extent of the damage to the carrier at the time of delivery. Keep all boxes and packaging materials and immediately contact Customer Care at (800) 824-6016 or email CustomerCare@life-assist.com.
Damage claims must be made within 5 days of receipt of merchandise.

======
CREDIT
======
Municipalities, fire and police departments, recognized volunteer organizations, government agencies and related: may purchase on terms of Net 30 days from shipping date without prior arrangement. Please fax or mail your first order on agency letterhead.

Commercial businesses: may apply for open account status by submitting a completed Life-Assist, Inc. Credit Application Form.

Resellers may request price quotations online only. Rx items are not available for resale.

Overdue accounts: will be assessed a 1 1/2% monthly (18% year) charge. Payment on account will be credited upon receipt at Life-Assist's office in Rancho Cordova, California. Delinquent accounts will be referred for collection. Purchaser will be liable for all costs of collection on overdue accounts, plus reasonable attorney's fees. A $20 service charge will be assessed on all returned checks.

| **Title:** | On-Call Geographic Information System Services – Professional Services Agreement |
| **Contact:** | Chris Fanucchi 916-746-1353 CFanucchi@roseville.ca.us |

## SUMMARY

Staff recommends approval of a professional services agreement with Geographic Technologies Group, Inc., for on-call geographic information system (GIS) services with a not-to-exceed amount of $175,000 for the first term and $150,000 annually for future optional renewals. The funding source is the Development Services Department's Technology Replacement Fund, funded by development through permit fees for development-driven technology improvements. Funding for FY2025-26 is included in the Department's budget. Staff also recommends authorization for the City Manager to execute future amendments to extend the agreement for up to four (4) additional one-year renewal terms on behalf of the City.

## RECOMMENDATION

Staff recommends that the City Council adopt a resolution to approve a Professional Services Agreement with Geographic Technologies Group, Inc. for on-call geographic information system services and authorize the City Manager to execute it on behalf of the City of Roseville.

Staff additionally requests authority for the City Manager or his designee to execute four (4) additional one (1) year renewals without further City Council approval, provided that the applicable budget is approved by the City Council each year, or until City staff determines that continuing with the same vendor is not in the City's best interest.

## BACKGROUND

The Development Services Department’s Geographic Information System (GIS) program maintains the citywide basemap and manages addressing and street naming on behalf of the City. The GIS team maintains, updates, and creates critical datasets, including parcels, addresses, and street centerlines, which support City operations and are integrated into business systems across departments and public-facing applications. The accuracy and reliability of this data are essential to support life-safety services, utility billing, operational efficiency, and informed decision-making.

The Development Services Department’s GIS team currently consists of one GIS Analyst and one GIS Technician, both fully allocated to ongoing operational needs. As demand for GIS services continues to grow, additional support is needed to maintain service levels and advance strategic initiatives. The use of on-call support services will supplement staff capacity, provide specialized expertise, support priority projects, and offer opportunities for knowledge transfer and mentorship to enhance the team’s overall expertise.

To support these needs, the City conducted a competitive Request for Proposals (RFP) process to solicit qualified firms for on-call GIS support services, including data maintenance, application development, automation, strategic planning, mentorship, and project coordination. Proposals were evaluated based on

experience and qualifications, service approach, and cost. Geographic Technologies Group, Inc. (GTG) was identified as the highest-ranked proposer and determined to provide the best overall value to the City.

The proposed agreement will enable the Department to respond more effectively to changing service needs, improve operations, and expand public-facing GIS tools and civic engagement.

FISCAL IMPACT

The not-to-exceed amount for the recommended agreement is $175,000 for the first term and $150,000 annually for future optional renewals. The funding source is the Development Services Department's Technology Replacement Fund, funded by development through permit fees for development-driven technology improvements. Funding for FY2025-26 is included in the Department's budget.

ENVIRONMENTAL REVIEW

The California Environmental Quality Act (CEQA) only applies to projects which have the potential to cause a significant effect on the environment. Where it can be seen with certainty that there is no possibility that the activity in question may have a significant effect on the environment, the activity is not subject to CEQA (CEQA Guidelines §15061(b)(3)). No additional environmental review is required.

CITY COUNCIL STRATEGIC PLAN/OVERARCHING GOALS

4. Invest in well-planned infrastructure and growth
6. Deliver exceptional City services

Respectfully Submitted,
Chris Fanucchi, Business Systems Administrator

Mike Isom, Development Services Director

RESOLUTION NO. 26-104

APPROVING AN ON-CALL PROFESSIONAL SERVICES AGREEMENT, BY AND BETWEEN THE CITY OF ROSEVILLE AND GEOGRAPHIC TECHNOLOGIES GROUP, INC., AND AUTHORIZING THE CITY MANAGER TO EXECUTE IT ON BEHALF OF THE CITY OF ROSEVILLE

WHEREAS, an On-Call Professional Services Agreement for On-Call Geographic Information System Services, by and between the City of Roseville and Geographic Technologies Group, Inc., has been reviewed by the City Council; and

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Roseville that said On-Call Professional Services Agreement is hereby approved and that the City Manager is authorized to execute it on behalf of the City of Roseville.

BE IT FURTHER RESOLVED, that the City Manager or his designee is authorized to execute four (4) additional one (1) year renewals without further City Council approval, provided that the applicable budget is approved by the City Council, or until staff determines that continuing with this consultant is not in the best interest of the City.

PASSED AND ADOPTED by the Council of the City of Roseville this ___ day of _____, 2026, by the following vote on roll call:

City Clerk

**ON-CALL PROFESSIONAL SERVICES AGREEMENT**

On-Call Geographic Information System (GIS) Professional Services

THIS AGREEMENT is made and entered into this ___ day of _____, 20____, by and between the City of Roseville, a municipal corporation ("CITY"), and Geographic Technologies Group, Inc., a North Carolina corporation ("CONSULTANT"); and

W I T N E S S E T H:

WHEREAS, CITY issued Request for Proposal # 06-0011 for professional services consisting of on-call geographic information system (GIS) professional services; and

WHEREAS, CONSULTANT has prepared a response to the Request for Proposal dated December 11, 2025, which describes the scope of services to be performed by CONSULTANT, and the hourly rates for performance of such services; and

WHEREAS, CONSULTANT is qualified and experienced to provide professional on-call GIS professional services on an on-call basis.

NOW, THEREFORE, the parties agree as follows:

1. Term. The term of this Agreement shall commence upon execution and expire on June 30, 2027. The City Manager may, in his or her discretion, elect to extend the Agreement in one (1) year increments for up to an additional four (4) years by giving CONSULTANT thirty (30) days advance written notice of each optional one (1) year renewal. Such extensions shall be memorialized by a written amendment to this Agreement.

2. Services. CONSULTANT shall perform, at the direction of CITY, the scope of the on-call services as described in EXHIBIT "A," attached hereto and incorporated herein by this reference. Individual tasks will be awarded by CITY on an as-needed basis. CITY may assign work to one, or more than one consultant from an approved qualified list. CITY reserves the right to unilaterally assign work to any consultant as it deems prudent or, if no services are required, no work. CITY makes no specific guarantee of a minimum or maximum number of hours or amount of tasks or services, which shall be required of any single consultant. In addition, the inclusion of any consultant on any qualified list, if so utilized by CITY, shall in no way be considered an exclusive agreement to provide service for CITY.

3. Compensation. For its services provided hereunder, CONSULTANT shall be compensated on a time and expense basis in accordance with the hourly rates as described in EXHIBIT "B," attached hereto and incorporated herein by this reference. Any proposed increase in the effective rates for future services must be preceded by at least a 90-day written notice to the contracting department. Total compensation shall not exceed one hundred, seventy-five thousand dollars ($175,000) for the initial term. Total compensation for optional renewal years of this Agreement shall not exceed one hundred, fifty thousand dollars ($150,000). Total compensation for the initial term and all optional renewal years shall not exceed seven hundred, seventy-five thousand dollars ($775,000). Adjustment to the total compensation per year shall require a written amendment to this Agreement, subject to approval by the City Council.

CONSULTANT shall submit one monthly invoice for its services. Such invoices shall be delineated by task, the person performing the services, and the hourly rate, which shall be stated in time increments of not greater than one tenth (1/10) hours. CITY shall pay invoices within

thirty (30) days after receipt, if the services specified in the invoice have been satisfactorily completed.

4. Indemnification. To the fullest extent allowed by law, CONSULTANT shall defend, indemnify, and save and hold harmless CITY, its officers, agents, employees and volunteers from any claims, suits or actions of every name, kind and description brought forth, or on account of, injuries to or death of any person (including but not limited to workers and the public), or damage to property, resulting from or arising out of CONSULTANT's willful misconduct or negligent act or omission while engaged in the performance of obligations or exercise of rights created by this Agreement, except those matters arising from CITY's sole negligence or willful misconduct. The parties intend that this provision shall be broadly construed.

CONSULTANT agrees to defend and indemnify CITY if, despite the parties intent and practice, any venue, agency, or court with competent jurisdiction determines that CONSULTANT and/or any of its agents, officers, employees, volunteers, independent contractors, or subcontractors, are characterized as employee(s) of CITY.

CONSULTANT's responsibility for such defense and indemnity obligations shall survive the termination or completion of this Agreement for the full period of time allowed by law. The defense and indemnity obligations of this Agreement are undertaken in addition to, and shall not in any way be limited by, the insurance obligations contained in this Agreement.

5. Insurance. CONSULTANT agrees to continuously maintain, in full force and effect, the following minimum policies of insurance during the term of this Agreement.

| COVERAGE | LIMITS OF LIABILITY |
|---|---|
| Workers' Compensation | Statutory |
| Commercial General Liability | $1,000,000 each occurrence<br>$2,000,000 aggregate<br>Personal Injury:<br>$1,000,000 each occurrence<br>$2,000,000 aggregate |
| Automobile Liability | $1,000,000 combined single limit |
| Professional Liability (errors and omissions) | $1,000,000 per claim<br>$2,000,000 aggregate |

a. Form. CONSULTANT shall submit a certificate evidencing such coverage for the period covered by this Agreement in a form satisfactory to Risk Management and the City Attorney, prior to undertaking any work hereunder. Any insurance written on a claims made basis is subject to the approval of Risk Management and the City Attorney.

b. Additional Insureds. CONSULTANT shall also provide a separate endorsement form or section of the policy showing CITY, its officers, agents, employees and volunteers as additional insureds for each type of coverage, except for Workers' Compensation and Professional Liability. Such insurance shall specifically cover the contractual liability of CONSULTANT. The additional insured coverage under the CONSULTANT's policy shall be primary and noncontributory, as evidenced by a separate endorsement or section of the policy, and shall not seek contribution from CITY's insurance or self-insurance. In addition, the additional insured coverage shall be at least as broad as the Insurance Services Office ("ISO") CG 20 01 Endorsement. Any available insurance proceeds in excess of the specified minimum insurance coverage requirements and limits shall be available to the additional insureds. Furthermore, the requirements for coverage and limits shall be: (1) the minimum coverage and

limits specified in this Agreement; or (2) the full coverage and maximum limits of any insurance proceeds available to the named insureds, whichever is greater.

c. Cancellation/Modification. CONSULTANT shall provide ten (10) days written notice to CITY prior to cancellation or modification of any insurance required by this Agreement.

d. Umbrella/Excess Insurance. The limits of insurance required in this Agreement may be satisfied by a combination of primary and excess insurance. Any excess insurance shall contain or be endorsed to contain a provision that such coverage shall also apply on a primary and noncontributory basis for the benefit of CITY (if agreed to in a written contract) before CITY's own insurance shall be called upon to protect it as a named insured.

e. Subcontractors. CONSULTANT agrees to include in its contracts with all subcontractors the same requirements and provisions of this Agreement, including the indemnity and insurance requirements, to the extent they apply to the scope of the subcontractor's work. Furthermore, CONSULTANT shall require its subcontractors to agree to be bound to CONSULTANT and CITY in the same manner and to the same extent as CONSULTANT is bound to CITY under this Agreement. Additionally, CONSULTANT shall obligate its subcontractors to comply with these same provisions with respect to any tertiary subcontractor, regardless of tier. A copy of CITY's indemnity and insurance provisions will be furnished to the subcontractor or tertiary subcontractor upon request.

f. Self-Insured Retentions. All self-insured retentions ("SIR") must be disclosed to Risk Management for approval and shall not reduce the limits of liability. Policies containing any SIR provision shall provide or be endorsed to provide that the SIR may be satisfied by either the named insured or CITY. CITY reserves the right to obtain a full

certified copy of any insurance policy and endorsements. The failure to exercise this right shall not constitute a waiver of such right.

g. Waiver of Subrogation. CONSULTANT hereby agrees to waive subrogation which any insurer of CONSULTANT may acquire from CONSULTANT by virtue of the payment of any loss under a Workers Compensation, Commercial General Liability or Automobile Liability policy. All Workers Compensation, Commercial General Liability and Automobile Liability policies shall be endorsed with a waiver of subrogation in favor of CITY, its officers, agents, employees and volunteers for all worked performed by CONSULTANT, its employees, agents and subcontractors.

h. Liability/Remedies. Insurance coverage in the minimum amounts set forth herein shall not be construed to relieve CONSULTANT of liability in excess of such coverage, nor shall it preclude CITY from taking such other actions as are available to it under any other provisions of this Agreement or law.

6. Records. CONSULTANT and its subcontractors shall maintain all files and records relating to the services performed hereunder during the term of this Agreement and for a period of not less than one (1) year after the date of termination or expiration. Provided, however, that in the event of litigation or settlement of claims arising from the performance of this Agreement, CONSULTANT and its subcontractors shall maintain all files and records until such litigation, appeals or claims are resolved. Duly authorized representatives of CITY shall have right of access during normal business hours and after reasonable notice to CONSULTANT's and subcontractors' files and records relating to the services performed hereunder and may review and copy the files and records at appropriate stages during performance of the services and during the one (1) year period following termination or

expiration of this Agreement. CONSULTANT shall include this provision in its contracts with all subcontractors.

7. Prevailing Wages. When applicable, for purposes of this Agreement, CONSULTANT and its subcontractors shall comply with all applicable prevailing wage laws, e.g., but not limited to, California Labor Code Sections 1770 et seq. In accordance with said Section 1775, CONSULTANT shall forfeit as a penalty to the City two hundred dollars ($200) for each calendar day or portion thereof for each worker paid less than the prevailing rates for such work or craft in which such worker is employed for any work done on-site under the Agreement by CONSULTANT or by any subcontractor in violation of the provisions of the Labor Code and in particular, Labor Code Sections 1770 to 1780, inclusive. In addition to said penalty and pursuant to said Section 1775, the difference between such stipulated prevailing wage rates and the amount paid to each worker for each calendar day or portion thereof for which each worker was paid less than the stipulated prevailing wage shall be paid to each worker by CONSULTANT or the applicable subcontractor.

Pursuant to the provisions of California Labor Code Section 1773, the contracting department has identified the source, stated below, of the general prevailing rate of wages applicable to the site to be done, for straight time, overtime, and holiday work. The holiday wage rate listed shall be applicable to all holidays recognized in the collective bargaining agreement of the particular craft, classification or type of worker concerned. These wage rates may be obtained from the State Department of Industrial Relations and/or the following website address: http://www.dir.ca.gov/dlsr/DPreWageDetermination.htm.

Pursuant to Labor Code Section 1773.2, general prevailing wage rates set forth above, which forms a part of this Agreement, shall be posted by CONSULTANT at a prominent place at

the work site. Prevailing wage rates to be posted at the work site will be furnished by the contracting department. The possibility of wage increases is one of the elements to be considered by CONSULTANT in determining its proposal and will not under any circumstances be considered as the basis of a claim against CITY or the Agreement.

8. Contractor Registration. No contractor or subcontractor may work on a public works project unless registered with the Department of Industrial Relations pursuant to Labor Code section 1725.5. During the performance of this Agreement, CONSULTANT and its subcontractors shall have a continuing legal obligation to maintain current registration with the Department of Industrial Relations. CONSULTANT is hereby notified that this Agreement is subject to compliance monitoring and enforcement by the Department of Industrial Relations.

9. Time is of the Essence. Time is of the essence of this Agreement.

10. Compliance with Laws. CONSULTANT shall comply with all federal, state and local laws, ordinances and policies as may be applicable to the performance of services under this Agreement.

11. Public Contracts: Conflicts of Interest. CONSULTANT's duties and services under this Agreement shall not include preparing or assisting CITY with any portion of the CITY's preparation of a request for proposals, request for qualifications, or any other solicitation regarding a subsequent or additional contract with CITY. CITY shall at all times retain responsibility for public contracting, including with respect to any subsequent phase of this project. CONSULTANT's participation in the planning, discussions, or drawing of project plans or specifications shall be limited to conceptual, preliminary, or initial plans or specifications. CONSULTANT shall cooperate with CITY to ensure that all bidders for a subsequent contract on any subsequent phase of this project have access to the same information, including all

conceptual, preliminary, or initial plans or specifications prepared by CONSULTANT pursuant to this Agreement.

12. Ability to Perform. CONSULTANT agrees and represents that it has the time, ability and professional expertise to perform the services required under this Agreement.

13. Governing Agreement. In the event of any conflict between this Agreement and its EXHIBITS, the provisions of this Agreement shall govern. In the event of any conflict between any of the EXHIBITS, the provisions of the first in order of attachment shall govern.

14. Assignment. CONSULTANT is employed to perform unique personal services. CONSULTANT shall not assign this Agreement without the prior written consent of CITY. CONSULTANT shall not employ or otherwise incur any obligation to pay other specialists or experts for services in connection with this Agreement, without prior written consent of CITY.

15. Independent Contractor. CONSULTANT, inclusive of its agents, officers, employees, volunteers, independent contractors, and subcontractors, shall act as an independent contractor, and covenants and agrees that it will conduct itself consistent with such status, that it will neither hold itself out as, nor claim to be, an officer or employee of CITY by reason of this Agreement.

CONSULTANT and CITY agree that: (a) CONSULTANT is free from the control and direction of CITY in connection with the performance of the work; (b) CONSULTANT is providing services directly to CITY; (c) CONSULTANT has and will maintain at all relevant times a business license; (d) CONSULTANT maintains a business location that is separate from CITY; (e) CONSULTANT is customarily engaged in an independently established business of the same nature as that involved in the work performed hereunder; (f) CONSULTANT actually contracts with other businesses to provide the same or

similar services and maintains a clientele without restrictions from CITY; (g) CONSULTANT advertises and holds itself out to the public as available to provide the same or similar services; (h) CONSULTANT provides its own tools, vehicles, and equipment to perform the services; (i) CONSULTANT has negotiated its own rates; (j) CONSULTANT set its own hours and location of work in accomplishing CITY's on-call needs; and (k) CONSULTANT has the right to control the manner and means of accomplishing the result desired and exercises its own expert independent judgement.

16. Representations and Warranties. CONSULTANT warrants that it has not employed or retained any company or person, other than a bona fide employee working for CONSULTANT, to solicit or secure this Agreement, and that it has not paid or agreed to pay any company or person, other than a bona fide employee, any fee, commission, percentage, brokerage fee, gift or any other consideration, contingent upon or resulting from the award or making of this Agreement. For breach or violation of this warranty, CITY shall have the right to terminate as void this Agreement, without liability, or, in its discretion, to deduct from the Agreement price or consideration, or otherwise recover, the full amount of such fee, commission, percentage, brokerage fee, gift or contingent fee.

17. Successors in Interest. This Agreement shall be binding upon the heirs, successors, executors, administrators and assigns of the respective parties hereto.

18. Copyright, Ownership and Use of Materials.

a. Definitions: For the purposes of this Agreement:

(1) "**Background IP**" means any and all Intellectual Property existing and owned or controlled by either Party to the Agreement on or before the Effective Date of the Agreement.

(2) "**Improvements**" means any and all improvements, enhancements, modifications, derivative works or upgrades to any Intellectual Property made, conceived, reduced to practice, affixed or otherwise developed by a Party during the term of the Agreement arising from or related CONSULTANT's performance of any obligations under the Agreement.

(3) "**Intellectual Property**" means recognized protectable rights and interests such as: patents (whether or not issued), copyrights, trademarks, service marks, applications for any of the foregoing, inventions, Confidential Information, trade secrets, trade dress, domain names, logos, insignia, color combinations, slogans, moral rights, right of publicity, author's rights, contract and licensing rights, works, mask works, industrial design rights, rights of priority, know-how, design flows, methodologies, devices, business processes, developments, innovations, goodwill and all other legal rights protecting intangible proprietary information as may exist now and/or hereafter come into existence, and all registrations, renewals and extensions, regardless of whether those rights arise under the laws of the United States, or any other state, country or jurisdiction.

(4) "**Inventions**" means inventions and discoveries (whether patentable or not) which are made, conceived, reduced to practice, generated by or arising out of the performance of either Party's obligations under the Agreement.

(5) "**Work Product**" means any and all data, general methodologies, processes, concepts, know-how, ideas and any other non-confidential or non-customized approaches or other elements of general application in the field of

CONSULTANT's work developed from or related to CONSULTANT's performance of any obligations under the Agreement.

(6) "**Material**" means final tangible document developed by CONSULTANT and delivered to City by CONSULTANT; provided, however, that Material excludes any and all Background IP, Work Product, or Improvements owned by CONSULTANT pursuant to this Agreement. All Material are considered a work made for hire under the Copyright Act.

b. Background IP and Cross Licenses:

(1) CONSULTANT retains sole and exclusive ownership of all rights of any nature throughout the world in and to its Background IP and any and all Work Product conceived, created or otherwise generated as a result of CONSULTANT's performance of any of its obligations under the Agreement, and has the unfettered and unencumbered right to use any and all of CONSULTANT's Background IP and Work Product in the pursuit of its business or projects for other clients.

(2) City retains sole and exclusive ownership of all rights of any nature throughout the world in and to its Background IP and any and all Material, as defined in the Agreement, conceived, created or otherwise generated under the Agreement, and has the unfettered and unencumbered right to use any and all of City's Background IP and Material in the pursuit of its internal governmental purposes and operations.

(3) City hereby grants to CONSULTANT a fully paid-up, royalty free, sublicensable, transferable, perpetual, irrevocable license to use any non-confidential element of the Material in the pursuit of its business or projects for other clients.

(4) City is hereby granted a revocable, non-sublicensable, non-transferable license to use any element of CONSULTANT's Background IP or Work Product incorporated into the Material for its internal governmental purposes and operations. For clarity, this license only permits City to use CONSULTANT's Background IP or Work Product as incorporated into Material.

(5) Any third-party licensed materials remain subject to original license terms.

c. Improvements:

(1) CONSULTANT shall solely and exclusively own all rights, title and interest in and to any Improvements to CONSULTANT's Background IP regardless of whether such Improvements were made, conceived and reduced to practice by CONSULTANT or City or their respective personnel.

(2) City shall solely and exclusively own all rights, title and interest in and to any Improvements to City's Background IP regardless of whether such Improvements were made, conceived and reduced to practice by CONSULTANT or City or their respective personnel.

(3) Each Party ("Party A") irrevocably assigns to and in favor of the other Party ("Party B"), and Party B accepts, every right, title and interest in and to any and all Improvements to their respective Background IP immediately following the creation thereof, for all time, and irrevocably waives in favor of Party B all rights of integrity and other moral rights to all Improvements to their respective Background IP, immediately following the creation thereof, for all time.

19. Termination of Agreement. CITY may terminate this Agreement without cause by giving CONSULTANT ten (10) days advance written notice from the City Manager.

CONSULTANT may terminate this Agreement without cause by giving CITY thirty (30) days advance written notice. CONSULTANT understands that continuation of this Agreement past June 30th of any given year is contingent upon appropriation of funds for such purpose in the budget of the City of Roseville in the sole discretion of the City Council. In the event of termination through no fault of CONSULTANT, CITY shall compensate CONSULTANT for services performed as of the date of termination, upon the release to CITY of all Material hereunder, in any and all media or formats in which such materials have been created or are maintained. CITY retains the right to receive and use any MATERIAL, notwithstanding any termination or any dispute regarding the amount to be paid.

20. Attorney's Fees; Venue; Governing Law. If either party commences any legal action against the other party arising out of this Agreement or the performance hereof, the prevailing party in such action shall be entitled to recover its reasonable litigation expenses, including but not limited to, court costs, expert witness fees, discovery expenses, and attorney's fees. Any action arising out of this Agreement shall be brought in Placer County, California, regardless of where else venue may lie. This Agreement shall be governed by and construed in accordance with the laws of the State of California.

21. Modification. This Agreement and each provision contained herein may be waived, amended, supplemented or eliminated only by mutual written agreement of the parties.

22. Severability. If any of the provisions contained in this Agreement are for any reason held invalid or unenforceable, such holding shall not affect the remaining provisions or the validity and enforceability of the Agreement as a whole.

23. Notices. Any notices to parties required by this Agreement shall be delivered personally or mailed, U.S. first class postage prepaid, addressed as follows:

| CITY OF ROSEVILLE | CONSULTANT |
|---|---|
| Development Services Department<br>Attn: Mike Isom<br>311 Vernon Street<br>Roseville, CA 95678 | Geographic Technologies Group, Inc.<br>Attn: Curt Hinton<br>1299 B Parkway Drive<br>Goldsboro, NC 27534 |

Either party may amend its address for notice by giving notice to the other party in writing.

24. Integrated Agreement. This is an integrated agreement and contains all of the terms, considerations, understanding and promises of the parties. It shall be read as a whole.

IN WITNESS WHEREOF, the City of Roseville, a municipal corporation, has authorized the execution of this Agreement in duplicate by its City Manager and attested to by its City Clerk under the authority of Resolution No. _____, adopted by the Council of the City of Roseville on the ___ day of _____, 20__, and CONSULTANT has caused this Agreement to be executed.

PROPOSAL FOR

# City of Roseville | CA

RFP: 06-0011 On-Call GIS Professional Services

## WHY CHOOSE US?

**Local Knowledge and Proven Work in Roseville -** GTG completed the City of Roseville's original GIS plan more than ten years ago and brings a long understanding of the City's GIS environment, operations, and objectives. With over 100 California clients, including active work in nearby West Sacramento, GTG offers regional insight and immediate familiarity with municipal GIS needs.

**Accurate and Reliable Data Maintenance Services -** GTG delivers precise and consistent data updates that strengthen parcel, address, zoning, and land use layers. Our structured QA and data management processes ensure Roseville's enterprise datasets remain accurate, organized, and ready for daily operations.

**Experienced Public Sector GIS Partner -** With 28 years of focused government GIS experience and more than 1,000 public sector clients served, GTG brings unmatched depth in enterprise GIS support, integration, modernization, and on-call services.

**Esri Gold Partner Technical Strength -** GTG maintains advanced expertise across the full ArcGIS platform, including ArcGIS Pro, Enterprise 11.x, ArcGIS Online, Experience Builder, StoryMaps, Python automation, and FME. Roseville receives solutions grounded in Esri best practices and emerging capabilities.

**Full-Service GIS Team Supporting Every Need -** Our team includes specialists in enterprise architecture, strategic planning, application development, automation, data modeling, system configuration, and mobile solutions. This multidisciplinary expertise ensures comprehensive support for all on-call tasks.

**Quality Focus and Long-Term Sustainability -** GTG applies structured documentation standards, workflow governance, and repeatable processes that promote consistency and reduce risk. Our approach ensures reliability, transparency, and lasting value for the City of Roseville.

## TESTIMONIALS

"GTG quickly understood our GIS operations and delivered reliable, high-quality support that improved the accuracy and organization of our core datasets. Their team is responsive, knowledgeable, and committed to helping cities strengthen daily GIS workflows."
***-City of Fairfield, CA***

"GTG significantly improved the quality and consistency of our parcel, addressing, and zoning datasets. Their attention to detail, structured QA, and ability to resolve longstanding data issues resulted in more accurate and reliable information for daily operations."
***-Solano County, CA***

"GTG completed our original GIS Strategic Plan and is now leading our current enterprise GIS planning effort. Their team understands municipal GIS at a practical level and continues to bring clarity, strong communication, and effective solutions. Their work has strengthened our data quality, workflows, and long-term GIS direction."
***– City of West Sacramento, CA***

**To the Selection Committee:**

Geographic Technologies Group (GTG) is pleased to submit this proposal to support the City of Roseville with on-call GIS professional services. Our team brings a long history of partnership with California communities, a deep understanding of local government GIS operations, and a proven record of delivering reliable, high-quality services. **GTG completed Roseville's original GIS Plan** and we would be honored to once again support the City as it advances its enterprise GIS program.

GTG brings extensive experience providing on-call support, data maintenance, automation, application development, and enterprise GIS consulting to public agencies across the region. In addition to our current work on the City of West Sacramento's GIS Strategic Plan, GTG has supported numerous Northern California clients, including Yuba County, Placer-region communities such as Folsom, Elk Grove, Fairfield, Napa, Benicia, Vacaville, and Solano County. This strong local presence gives us a clear understanding of regional datasets, operational standards, and California-specific workflows that directly benefit Roseville.

As an Esri Gold Partner, GTG maintains advanced expertise across ArcGIS Pro, Enterprise 11.x, ArcGIS Online, Experience Builder, StoryMaps, and Python and FME automation. This ensures that Roseville receives solutions aligned with Esri best practices and emerging capabilities. We also place a strong emphasis on documentation, workflow clarity, QA processes, and sustainable governance. Our focus is to be a trusted, long-term partner who supports the City's staff, advances operational efficiency, and strengthens the value of GIS across all departments.

GTG is committed to providing prompt, dependable, and high-quality on-call services for the City of Roseville. We appreciate the opportunity to be considered and look forward to the possibility of continuing our work with the City. If you have any questions or need additional information, please contact me at any time.

Thank you for your consideration.

Sincerely,

**Mr. Curt Hinton, BA, MA, GISP**
Managing Partner, Geographic Technologies Group (GTG)

# Tab A: Firm's Qualifications

## Firm Overview

*A trusted GIS partner for the California cities for decades. Your continued success is important to us.*

Geographic Technologies Group (GTG) is a full-service GIS consulting firm specializing in the planning, design, implementation, and long-term support of enterprise GIS programs for local governments. Established in 1997, GTG has grown into a team of approximately 40 GIS professionals, including project managers, analysts, enterprise architects, database specialists, and application developers. Our firm has delivered geospatial solutions for more than 1,000 public-sector clients across the United States and brings more than 28 years of proven experience supporting city and county governments with a broad range of GIS services.

GTG is an Esri Gold Partner and maintains a long-standing technical relationship with Esri, ensuring our clients benefit from best practices, modern tools, and solutions that remain sustainable as the platform evolves. Our services encompass the full lifecycle of municipal GIS needs from strategic planning and system design to day-to-day operational support and long-term modernization.

## Firm Qualifications

GTG's qualifications are rooted in our depth of experience supporting local government GIS programs and our ability to provide flexible, scalable services that align with each client's technical environment, staffing capacity, and organizational goals. Our team possesses extensive expertise in:

- Enterprise GIS planning, system modernization, and program development
- ArcGIS Enterprise and ArcGIS Online deployment and administration
- GIS data collection, conversion, QA/QC, and schema development
- Integration of CAD and as-built drawings into authoritative GIS datasets
- Workflow automation and application integration
- Web and mobile GIS application development
- On-call GIS support, troubleshooting, and surge capacity
- Staff training and operational knowledge transfer

GTG performs all core GIS services in-house. Our internal team covers the full spectrum of GIS needs strategic planning, enterprise system design, database development, application configuration, QA/QC, automation, and long-term support. Because of this broad expertise, GTG does not typically rely on sub-consultants or sub-contractors for GIS service delivery and does not propose the use of sub-consultants for this contract.

## Sub-Consultants / Sub-Contractors

GTG does not anticipate using sub-consultants or sub-contractors for the services described in this RFP. All work will be performed by GTG's internal staff. If specialized services outside typical GIS scopes are requested by the City in the future (e.g., highly specialized surveying, custom system integrations requiring vendor participation), GTG would coordinate with the City before proposing any supplemental resources. At this time, none are proposed.

> *"GTG consistently delivers high-quality GIS services that improve data accuracy, streamline operations, and provide our organization with clear, actionable insights."*
>
> **Savita Chaudhary**
> Director, Information Technology - Fairfield, CA

## Organizational Structure

GTG operates as a single, integrated consulting organization with project teams structured to meet the needs of each engagement. Our organizational framework consists of:

- Executive Leadership – Provides oversight, quality assurance, and strategic direction
- Project Management – Leads day-to-day coordination, scheduling, communication, and deliverable management
- GIS Analysts & Technicians – Perform data development, analysis, QA/QC, mapping, and application configuration
- Enterprise GIS & System Architects – Support system design, deployments, upgrades, integration, and performance optimization
- Software Developers – Support automation, scripting, web GIS customization, and application development
- Support & Training Specialists – Provide help-desk support, documentation, and end-user instruction

PMI-PBA® Professional Certification

GIS Certification Institute GISP

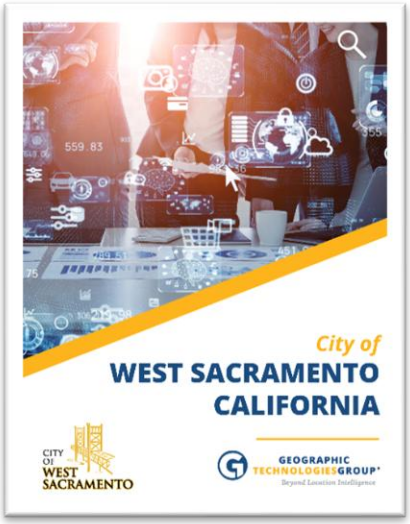
## Staffing Levels and Capacity

GTG has maintained a stable staffing profile over the past five years, ranging from approximately 45 full-time GIS professionals. This consistency ensures that GTG can provide sustained support for on-call contracts, maintain responsiveness to day-to-day needs, and scale capacity as task orders ramp up or new initiatives are added. Our staffing model includes cross-functional technical depth, enabling multiple team members to support similar functions and ensuring continuity throughout the contract period.

GTG's size and structure allow us to respond flexibly to urgent needs while maintaining the quality and reliability expected of a long-term GIS partner. The firm has sufficient staff capacity to fully support the City of Roseville with the requested services.

# Tab B: Experience and References

Geographic Technologies Group (GTG) has more than 28 years of experience providing GIS consulting services to city and county governments across the United States. Our work spans enterprise GIS planning, system modernization, data development and integration, GIS application deployment, workflow automation, and ongoing on-call technical support. GTG specializes in supporting municipal organizations with practical, scalable geospatial solutions that strengthen operations across utilities, public works, planning, transportation, public safety, parks, and administrative departments.



GTG has completed more than 1,000 public-sector GIS projects and maintains long-term relationships with agencies that rely on our team for strategic guidance, daily operational support, and multi-year enterprise improvements. Our experience supporting California municipalities including extensive work for the City of West Sacramento provides us with direct insight into the operational needs, regulatory considerations, and system environments specific to local government agencies in the state.

The following representative projects demonstrate GTG's ability to deliver services similar in nature and scope to those requested by the City of Roseville.

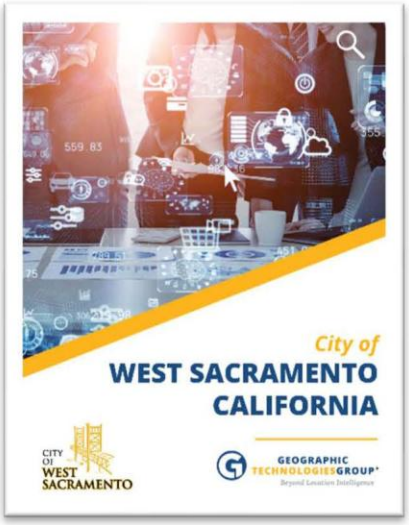
# CITY OF WEST SACRAMENTO, CA

GIS Needs Assessment, Implementation Planning, and Application Development



## KEY SERVICES PROVIDED

- **Enterprise GIS Needs Assessment –** Reviewed existing GIS conditions, workflows, and needs.
- **GIS Implementation Plan Development –** Delivered a multi-phase roadmap for system growth.
- **Strategic Funding Model Development –** Implemented a permit-based fee to support GIS.
- **Application Design and Development –** Built key applications for planning, public safety, and utilities.
- **Intranet-Based GIS Tools –** Deployed internal tools for parcels, labels, and SOI mapping.
- **Ongoing GIS Advisory Support –** Provided continued guidance for testing and rollout.

## OVERVIEW

The City of West Sacramento partnered with Geographic Technologies Group (GTG) to transform its early, fragmented GIS efforts into a fully viable, modern enterprise system. After years of limited progress using internal resources and CAD-based approaches, the City recognized the need for expert guidance, structured planning, and sustainable funding strategies to support long-term GIS growth.

With support from a Community Development Block Grant and an innovative technology fee program tied to new development permits, West Sacramento engaged GTG to conduct a comprehensive GIS needs assessment and develop an actionable implementation plan. GTG worked closely with City leadership, IT management, and departmental staff to evaluate existing conditions, prioritize requirements, and deliver a roadmap aligned with operational, financial, and community objectives. Following plan adoption, GTG assisted the City in rapidly developing a suite of new GIS applications—focusing on internal efficiency, cross-departmental coordination, and future public-facing access. Early successes renewed organizational confidence in GIS, enabling departments to streamline workflows, visualize key datasets, and prepare for broader online service delivery.

West Sacramento's GIS program continues to evolve using the foundation established through GTG's planning effort, supporting data-driven decision making and enhanced communication across the community.

## OVERVIEW

GTG created a three-year GIS Strategic Master Plan for the City of Tulare, CA, as well as designed, built, and implemented several GIS expansion solutions for the city's operation. After performing a Needs Assessment and identifying critical data layers, GTG designed a database and handled the creation, migration, and conversion of the layers for inclusion in the central repository. GTG also converted the city's existing water utility data into a comprehensive GIS database, and GTG designed and deployed ArcGIS Hub, a geospatial affordable housing portal (internal and external), and StoryMaps for the city. GTG trained staff on these upgrades and continues to maintain and support the systems, ensuring their ongoing value to the city.

In addition to these foundational efforts, GTG implemented a structured, phased approach to ensure sustainable growth and long-term value for Tulare's GIS program. This included the development of standardized workflows for ongoing data maintenance, the establishment of quality assurance/quality control (QA/QC) protocols, and the configuration of automated processes to streamline data updates. GTG also provided advanced support for integrating GIS data with other city systems and assisted with the design of spatial analysis tools to inform planning and decision-making. Regular knowledge transfer sessions and hands-on workshops empowered City staff to manage and expand their GIS capabilities with confidence. GTG's ongoing partnership with Tulare continues to focus on innovation, scalability, and alignment with the City's operational and community development goals.

## OVERVIEW

GTG was selected through a competitive bid process to support Solano County, CA, with its tax parcel mapping system. GTG has provided two full-time staff to assist with the maintenance of the county's property maps, and GTG improves the map datasets by updating them through the heads-up digitizing method. The county has contracted GTG to create a suite of tools for its Emergency Operations Center, and the resulting development is to include dashboards, an ArcGIS Hub, and a common operational picture.

Additionally, GTG was recently selected to maintain and improve Solano County's street centerline and address point layers, which the county will use to improve its Next Generation 911 system. As such, GTG continues to strengthen its relationship with Solano County and prove the value of its role in long-term GIS partnerships.

Building on these efforts, GTG has also collaborated with multiple County departments to ensure that geospatial datasets are accurate, accessible, and aligned with evolving operational needs. This includes the integration of cross-departmental data sources, implementation of advanced QA/QC workflows, and development of solutions that support emergency preparedness and public safety. GTG's long-term commitment ensures that Solano County benefits from continuously evolving GIS technology, reliable data infrastructure, and a responsive, skilled support team.

## OVERVIEW

The City of Fairfield, CA, selected GTG to develop a GIS Needs Assessment and Strategy that addressed all of the city's departments and allowed for the structured growth of its systems. GTG worked with the city on a seven-step Enterprise GIS Assessment and Strategy Plan focused on the following six components: the city's GIS mission and vision, GIS database and program needs, organizational goals, enterprise GIS strategic guidelines, current and recommended governance structure, and overall city objectives. GTG also designed a capital improvement projects hub and dashboard for the city to allow for real-time updates and improved transparency, and GTG implemented GreenCityGIS to help the city make informed decisions on sustainability and environmental stewardship.

In parallel with these strategic initiatives, GTG provided extensive technical support and implementation services to modernize the City's GIS environment. This included optimizing the City's ArcGIS Online platform, developing custom web maps and dashboards, conducting data cleanup and migration, and integrating GIS workflows into City operations. GTG worked closely with City staff to establish data governance protocols, configure mobile data collection tools, and deliver targeted staff training across multiple departments. The result was a more connected, responsive, and sustainable GIS program that supports Fairfield's operational priorities and enhances public engagement. GTG continues to serve as a trusted partner, providing on-call GIS support and strategic guidance as the City's needs evolve.

## OVERVIEW

The City of Fremont, CA, hired GTG to develop a GIS Strategic Plan and provide ad hoc GIS professional services support. The city sought to deploy ArcGIS Hub as a platform, update their ArcGIS Online home page, troubleshoot spatial database engine issues, and train staff for the ArcGIS Pro transition.

GTG provided all of these services and also created a specialized ArcGIS Hub user guide and standard operating procedures for city staff. GTG created three new StoryMaps for the city, including a city council district StoryMap, a historical parks StoryMap, and a parks and recreation StoryMap. GTG also assisted in the creation of city mockups and the deployment of its Community Engagement and Patrol and Small Cell License web apps.

In addition, GTG partnered with City staff to advance the integration of GIS into operational workflows, with a focus on cross-departmental collaboration and data-driven decision-making. GTG conducted a comprehensive review of existing datasets, performed data cleanup and schema optimization, and helped modernize data maintenance practices to improve accuracy and consistency. The team also configured mobile data collection solutions using Field Maps and Survey123 to support field operations, and provided targeted training to ensure successful adoption. Through this work, GTG helped Fremont strengthen its GIS foundation, expand public transparency through modern web-based tools, and foster a more sustainable GIS program aligned with long-term City priorities.

**Website:** www.berkeleyca.gov

## OVERVIEW

GTG planned, designed, and implemented a GIS Master Plan to align with the long-term vision and goals of the City of Berkeley, CA. Working closely with the city's GIS staff, GTG delivered a multi-phased plan that combined benchmarking analysis, governance recommendations, and a five-year action plan to guide GIS advancement.

As part of this effort, GTG conducted a detailed assessment of the city's 300+ GIS data layers, reviewing ownership, responsibilities, limitations, and maintenance practices. The assessment drew on existing metadata, GIS Master Plan findings, and city input to populate data review tables and provide targeted recommendations for improvement. GTG also developed a comprehensive task list and schedule to help ensure a thriving GIS environment across all departments.

In parallel, GTG provided technical assistance to accelerate GIS modernization, including ArcGIS Online optimization, dashboard configuration, and advanced staff training. GTG supported mobile data collection enhancements, creation of public-facing StoryMaps, and the establishment of documentation and QA/QC protocols to strengthen long-term data quality, metadata integrity, and consistency. GTG remains a trusted partner to Berkeley, providing on-call GIS services that continue to drive innovation and deliver lasting value citywide.

## OVERVIEW

Geographic Technologies Group (GTG) is partnering with the City of Santa Barbara, California, to develop a five-year GIS Strategic Plan focused on sustainability, scalability, and actionable outcomes. The plan is designed to guide the city's enterprise GIS program through technical and tactical improvements that support more effective, data-driven decision-making. GTG began the project with a citywide GIS Needs Assessment, engaging all major departments to evaluate current capabilities, identify challenges, and uncover opportunities.

Building on the assessment, GTG reviewed the city's GIS data, systems, and workflows to inform a targeted Gap Analysis and Implementation Plan. These deliverables outline practical steps, resource needs, and timelines for executing the strategic vision. GTG is also conducting a Return-on-Investment (ROI) Analysis to evaluate the long-term value of proposed improvements and help the city prioritize efforts that will deliver measurable impact.

To ensure lasting success, GTG is supporting data integration efforts and providing ongoing training to city staff. These services will enhance internal GIS capacity, promote user adoption, and position Santa Barbara for continued advancement of its geospatial capabilities well beyond the project's completion.

## TESTIMONIALS

# Tab C: Qualification of Team

Geographic Technologies Group (GTG) proposes a well-coordinated project team with extensive experience supporting municipal GIS programs across California. This team has worked together on multiple successful engagements, including the West Sacramento GIS program, and brings the strategic insight, technical depth, and operational capacity needed to support the City of Roseville's ongoing and future GIS initiatives.

**Project Manager Trey Hinton** will serve as Roseville's primary point of contact, overseeing task coordination, communication, and delivery. He is supported by **Senior Advisor Curt Hinton**, GTG's founder, who provides high-level guidance, quality oversight, and strategic direction to ensure work aligns with industry's best practices and remains scalable for long-term program growth.

Technical leadership is provided by **GIS Systems Architect Josh Taylor**, specializing in ArcGIS Enterprise configuration, upgrades, and performance optimization, and **Senior GIS Developer Tim Western**, who supports workflow automation, application configuration, and system integration to increase organizational efficiency.

Operational support will be delivered by **Senior GIS Analyst Cristi Delgado** and **GIS Analyst Dan Quintela**, both of whom bring strong California municipal experience. Cristi contributes advanced expertise in enterprise administration and AGOL solutions, while Dan provides responsive local support for data development, QA/QC, analysis, and mapping. **GIS Technician Peyton Brown** offers additional production support for data editing and maintenance to ensure accurate and consistent GIS datasets.

All services will be performed by GTG staff. **No sub-consultants or subcontractors are proposed.** An organizational chart is included, and full resumes for key personnel are provided in the Appendix as required.

## Curt Hinton, Project Advisor

*BA, MS, GISP, PMP / 34 years of Experience*

Curt Hinton is a nationally recognized GIS authority with decades of experience guiding local and state governments. As Project Advisor, he brings expertise in GIS strategic planning, governance, and program development, having authored more than 300 GIS, data, and technology plans. Curt has advised agencies across the U.S. and internationally on integrating GIS with enterprise systems, utilities, and public safety operations. His role ensures West Sacramento benefits from proven best practices, innovative solutions, and a clear vision for maximizing the value of its GIS investments.

## Trey Hinton, Project Manager

*BS, MS / 6 Years of Experience*

Trey Hinton is a GIS Project Manager with over six years of experience delivering enterprise GIS solutions. He is proficient in Esri's suite of Desktop and Enterprise tools and applies Agile project management to ensure projects are delivered efficiently and aligned with client goals. Trey's expertise includes geodatabase design, data development, QA/QC, and deploying ArcGIS Online applications, with a focus on enhancing data accessibility and reliability for government stakeholders. As Project Manager, he will oversee day-to-day project delivery, ensuring West Sacramento receives accurate, reliable, and timely GIS services.

## Jessy Beasley, Senior GIS Analyst

*BS, MS / 8 Years of Experience*

Jessy Beasley has worked with GIS data and Esri products for over seven years. As a GIS Specialist for GTG, she has completed GIS Data Assessments, performed QA/QC, deployed software, and migrated data to Esri's ArcGIS Utility Network schemas. She has assisted in the planning, data gathering, design, and deployment of ArcGIS Hub solutions for several clients. She has also developed GIS Training Plans and Standard Operating Procedures (SOPs)8 . She uses Esri's ArcGIS Data Reviewer to manage and control data quality for GIS projects and regularly conducts spatial modeling and analysis to enhance decision-making capabilities.

## Tim Western, Software Developer

*BS / 21 Years of Experience*

Mr. Western is a Software Developer with over 20 years of experience in custom GIS application development and workflow automation. He specializes in ArcGIS API integrations, Experience Builder, and FME Flow to create applications and automated processes that streamline operations, reduce staff workload, and increase efficiency. Tim's expertise ensures West Sacramento can leverage technology to deliver practical, time-saving GIS solutions.

## Josh Taylor, GIS Systems Architect

*BA, GISP / 8 Years of Experience*

Josh Taylor is a GIS Systems Architect with extensive experience in enterprise GIS design, deployment, and integration. A former Esri Enterprise Support Analyst, he specializes in architecture planning, system migrations, and complex integrations, ensuring seamless implementation of GIS solutions within enterprise environments. Josh's expertise will support West Sacramento's GIS infrastructure by optimizing system performance, enhancing data accessibility, and integrating GIS across City operations.

## Cristi Delgado, Senior GIS Analyst

*MS, BS, GISP / 18 Years of Experience*

Cristi is a Senior GIS Analyst with over a decade of experience leading the Enterprise GIS program for the City of Berkeley, CA. She is an expert in Esri's ArcGIS solutions and has designed, implemented, and managed more than 30 enterprise GIS products, including web applications, maps, services, portals, and public data resources. Cristi is also highly experienced in staff training, having provided hands-on GIS instruction to more than 100 agency staff annually and maintaining a dedicated training portal. Her deep technical expertise with ArcGIS Enterprise, ArcGIS Online, SQL Server, and web technologies, combined with her strong California local government background, ensures practical, effective GIS solutions for the City of West Sacramento.

## Dan Quintela, GIS Analyst (CA Local Staff)

*BS / 5 Years of Experience*

Daniel is a California-based GIS Analyst with five years of experience supporting local government projects. He specializes in geospatial and tabular data analysis, mapping, and QA/QC of complex datasets, ensuring accuracy and reliability. Proficient in Python, SQL, and Arcade, Dan develops automated workflows to streamline geoprocessing tasks and enhance efficiency. His skills in web and third-party application development, data visualization, and technical documentation provide West Sacramento with reliable, locally based support and practical solutions tailored to the City's GIS needs.

## Peyton Brown, GIS Technician

*BS / 1 Year of Experience*

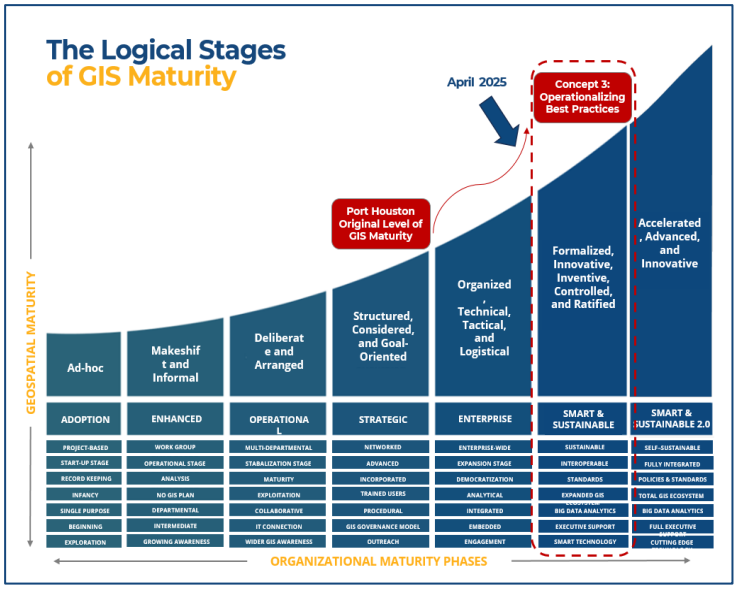
Peyton supports data collection, editing, and maintenance, ensuring that enterprise GIS databases remain accurate and up to date. His role provides essential operational support to senior staff and ensures rapid turnaround for time-sensitive task order.

# Tab D: Project Understanding

## Project Understanding

The City of Roseville maintains a mature and widely used enterprise GIS environment that supports critical functions across nearly every City department. From infrastructure planning and utility management to transportation operations, engineering workflows, public safety readiness, development review, and community engagement, GIS serves as an essential operational and decision-support system. GTG understands that the City is seeking a partner who can provide responsive, reliable, and technically sophisticated on-call GIS services that strengthen this environment, support departmental priorities, and enhance the City's ability to deliver high-quality public services.

Roseville's GIS program must balance daily operational needs with long-term system maintenance and modernization. The City manages a large and diverse collection of datasets including parcels, utilities, land use, transportation, environmental layers, and capital project information that require ongoing updates, validation, and governance. Departments rely on accurate, authoritative layers to support field inspections, asset management, engineering design reviews, permitting processes, environmental compliance, and public transparency. As infrastructure expands and demands for City services grow, the accuracy and reliability of this information become increasingly important.



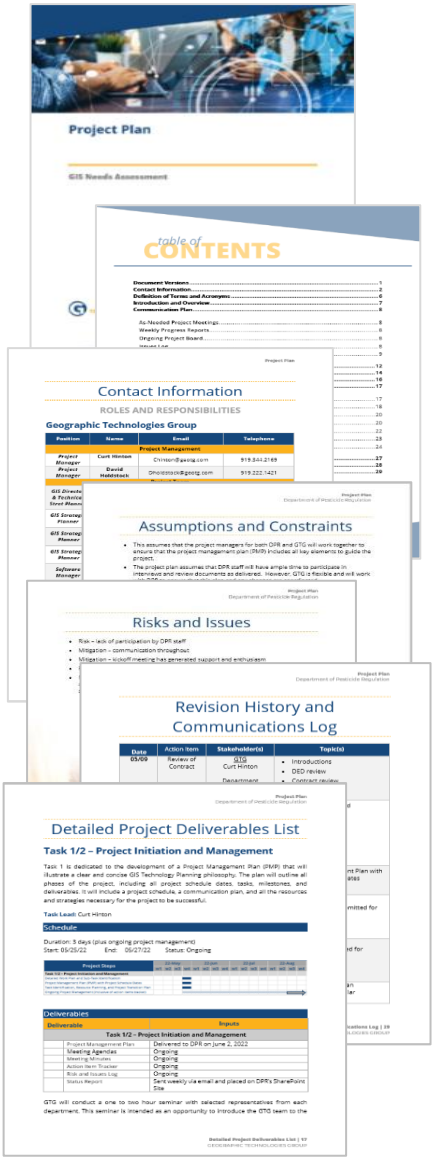
*GTG Will Partner with the City to Optimize GIS - Example GIS Maturity*

In addition to data stewardship, Roseville depends on a broad ecosystem of GIS applications, including ArcGIS Enterprise, ArcGIS Online, Experience Builder, Field Maps, Survey123, dashboards, analytical models, and internal map services. These tools must be well-designed, intuitive for users, and kept current with evolving Esri capabilities. Maintaining, enhancing, and troubleshooting these applications requires specialized expertise particularly as many City staff work across

departments, systems, and disciplines with varying levels of GIS proficiency.

GTG also recognizes that on-call GIS support must seamlessly integrate with the City's existing workflows. Roseville requires a partner capable of responding quickly to ad-hoc requests, providing targeted technical assistance, and supporting projects of varying scale and urgency. Some requests will involve straightforward mapping or data updates; others will require deeper analysis, automation, application development, integration support, or strategic guidance. A successful partner must be able to triage needs, communicate effectively with City staff, and deliver high-quality work that aligns with enterprise standards and remains sustainable over time.

Finally, we understand that the City expects a forward-looking consultant one who not only completes tasks but also identifies opportunities to improve workflows, strengthen data quality, modernize applications, enhance field mobility, increase automation, and support the long-term evolution of the GIS program. GTG's role is to help Roseville maintain a reliable and high-performing GIS environment today while preparing the City for tomorrow's demands.



This understanding forms the foundation for our general approach, described in the next section.

# General Approach

GTG's approach to supporting the City of Roseville combines deep technical expertise with a practical, operations-focused understanding of how GIS functions within municipal government. We approach every engagement whether a small, urgent task or a complex multi-step initiative with the same foundational principles: listen carefully, understand the operational context, implement best practices, and deliver solutions that are both technically sound and sustainable over time. Our philosophy is rooted in partnership, responsiveness, and a commitment to helping the City strengthen the long-term reliability and value of its enterprise GIS program. This approach applies consistently across all service areas described in the RFP, including data maintenance and enhancement, application development, automation, strategic consultation, and ongoing project coordination.

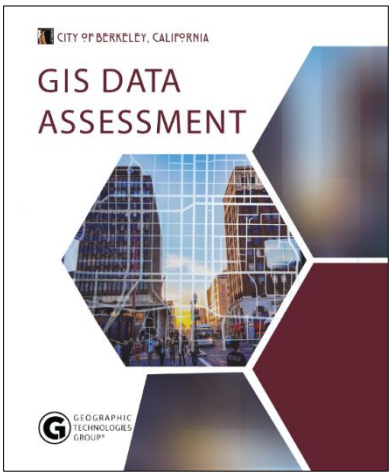
## Understanding the Request and Operational Context

For each task initiated under this on-call contract, GTG begins by clarifying the City's objectives, identifying the departments involved, and understanding the operational needs driving the request. Whether the task involves parcel maintenance, a new Experience Builder application, a workflow automation opportunity, or consultation on emerging Esri capabilities, GTG evaluates the relevant datasets, applications, workflows, and system configuration to determine the most efficient and reliable path forward. This ensures our work aligns with Roseville's established standards, integrates seamlessly into the existing ArcGIS Enterprise environment, and supports downstream business processes without introducing unnecessary complexity.

This context-focused approach allows GTG to effectively support the City's needs across:

| | |
|---|---|
| **Data Maintenance & Enhancement** | Verifying datasets, schemas, and dependencies |
| **Application Development** | Understanding departmental workflows before configuring apps |
| **Automation & Workflow Efficiency** | Identifying processes suitable for scripting or automation |
| **Technical Consultation** | Assessing how recommendations align with long-term goals |
| **Project Coordination** | Setting expectations and confirming priorities early |

# Data Maintenance and Enhancement

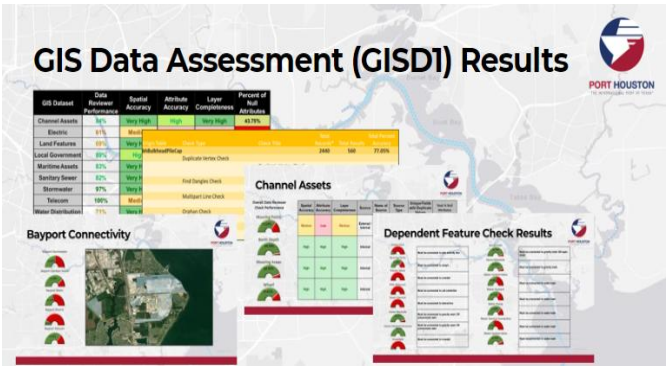


Effective data maintenance is foundational to the City's ability to make informed decisions, support daily operations, and deliver accurate information to internal users and the public. GTG understands that the City's parcel dataset and its related layers such as address points, land use, and zoning serve as critical system-of-record datasets driving numerous departmental workflows. Our approach centers on creating a repeatable, well-documented maintenance process within the City's ArcGIS Enterprise environment that ensures long-term accuracy, consistency, and usability across all datasets.

GTG will provide ongoing maintenance and enhancement services by updating existing datasets, performing targeted data cleanup, and conducting routine quality control reviews. This begins with validating authoritative sources, update frequency, and required data standards for each dataset. Our team then applies structured data management workflows rooted in Esri best practices and GTG's 28 years of municipal GIS experience to ensure that all edits are correct, traceable, and aligned with the City's geodatabase schema.

Our analysts regularly perform parcel fabric maintenance, address point updates, zoning and land-use classifications, attribute normalization, and topology corrections for cities and counties nationwide (i.e. Solano County, Berkeley, Fairfield). Using ArcGIS Pro and enterprise geodatabases, we employ a blend of automated geoprocessing tools and meticulous manual verification to identify and resolve issues such as polygon slivers, invalid geometries, incomplete attributes, and schema deviations. GTG also conducts cross-layer validation to ensure parcel updates remain consistent with associated datasets, reducing the potential for downstream inconsistencies.

Beyond routine updates, GTG supports data enhancement by modernizing data structures, improving metadata, introducing new attribute fields, consolidating redundant datasets, and transitioning legacy information to updated Esri data models. We also develop and refine standard operating procedures (SOPs) to formalize maintenance workflows, including versioning



*Data Assessment Example*

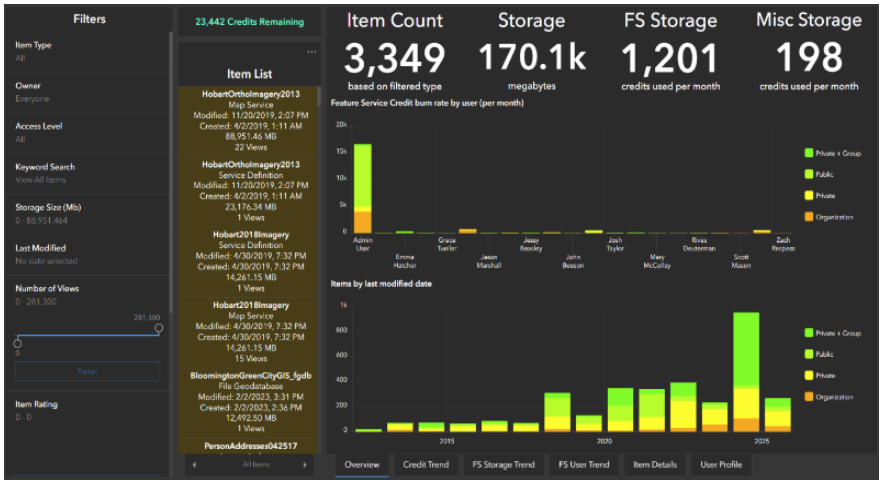
practices, update protocols, naming conventions, and documentation standards ensuring reliable and consistent data stewardship over time.

This comprehensive approach ensures that the City's enterprise GIS remains current, authoritative, and operationally ready for integration with permitting systems, asset management platforms, public-facing applications, and analytical workflows. By pairing rigorous QA/QC with efficient and transparent processes, GTG helps maintain the integrity of the City's spatial data and extends the long-term value of its enterprise GIS investment.

To align closely with the RFP's expectations and the City's operational priorities, GTG emphasizes the following key focus areas within our maintenance and enhancement services:

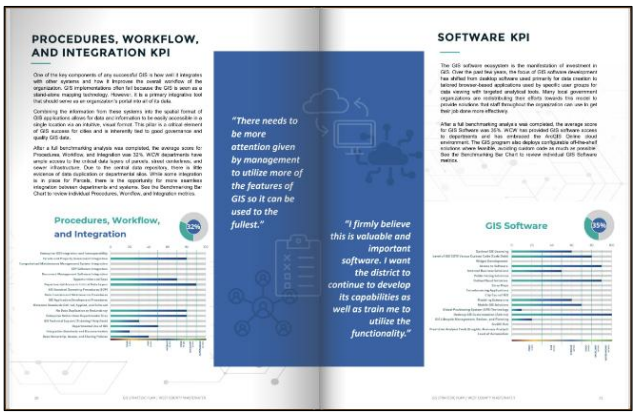
- Maintaining parcels and related datasets as authoritative, synchronized systems of record
- Performing thorough data cleanup and ongoing QA/QC checks to ensure accuracy and consistency
- Organizing and structuring datasets to meet Esri best practices and City standards
- Enhancing and modernizing datasets to support evolving departmental and enterprise needs
- Standardizing and documenting workflows to ensure sustainable, repeatable maintenance processes
- Verifying operational readiness for system integrations and downstream applications
- Collaborating closely with City staff and ensuring effective knowledge transfer

Together, these activities form a unified and sustainable approach to maintaining and enhancing the City's core GIS datasets ensuring the reliability, usability, and longevity of the enterprise GIS environment.



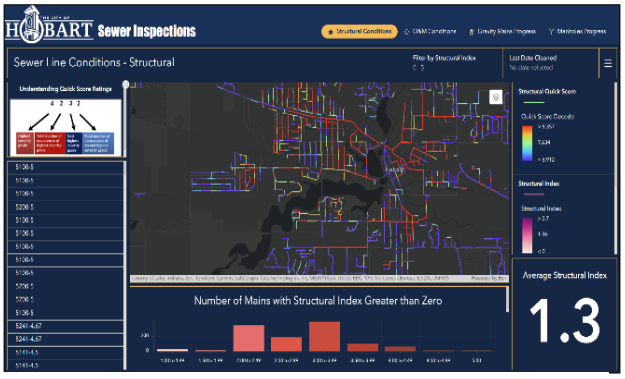
*ArcGIS Online Data Monitoring Example*

# Application Development



Modern GIS applications play a critical role in delivering accessible, meaningful information to staff, leadership, and the public. GTG understands that the City relies on ArcGIS Online and ArcGIS Enterprise Portal applications to support daily workflows, improve transparency, guide decision-making, and streamline how spatial information is shared across departments. Our approach emphasizes designing and developing intuitive, scalable applications using tools such as ArcGIS Experience Builder, StoryMaps, Dashboards, and supporting web services ensuring each solution is aligned with City goals, branding, and functional requirements.

GTG begins by working closely with City staff to define user needs, map data flows, clarify desired functionality, and determine required integrations. With these needs identified, we apply a structured design process rooted in Esri's application development best practices. This includes creating wireframes, user interface prototypes, accessibility considerations, and mobile-responsive layouts to ensure each application is intuitive and highly usable. GTG leverages the strengths of Experience Builder for configurable, task-driven interfaces and StoryMaps for narrative-based communication, allowing the City to deliver both operational and public-facing content effectively.



*GTG has an Expert Level with Esri Software Solutions for Every Department*

Our development workflows emphasize efficiency, sustainability, and long-term maintainability. GTG builds applications using a modular design approach, ensuring that interface components, data connections, queries, and widgets are cleanly structured and easy to modify. Applications are configured to dynamically consume data from the City's enterprise geodatabases, ensuring that updates to authoritative datasets automatically propagate to maps, tools, and dashboards without redundant editing. We incorporate both server-side and client-side performance optimization techniques to support responsive, high-performance applications, even when consuming complex datasets.

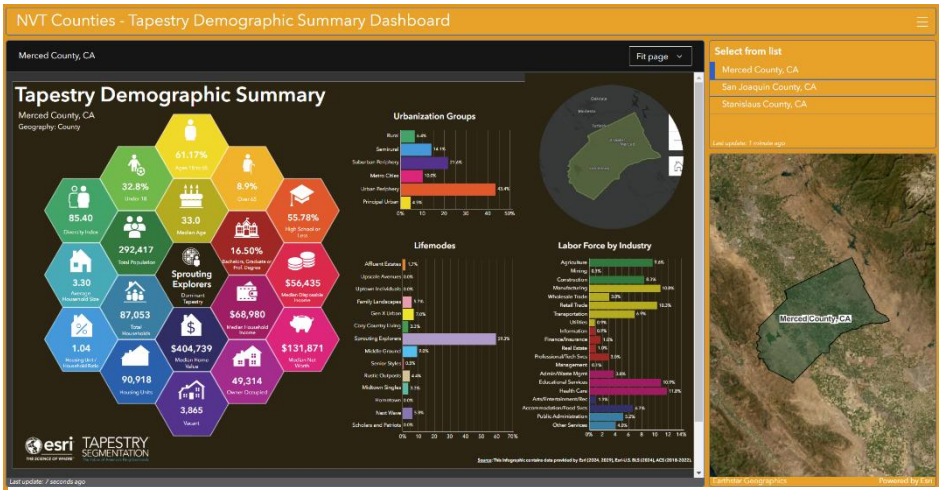
In addition to developing new tools, GTG provides ongoing enhancement and modernization of existing applications. This includes updating workflows, improving performance, refining user interfaces, integrating new datasets or services, redesigning outdated tools within Experience Builder, and transitioning legacy Web AppBuilder applications into contemporary Esri frameworks. GTG ensures each application is supported with documentation, training resources, and clear ownership roles to promote sustainability and internal adoption.

Through this comprehensive approach, the City's GIS applications remain modern, stable, visually compelling, and aligned with Esri's evolving technology stack. Our goal is to help the City deliver applications that are not only functional but impactful, supporting staff productivity, enhancing public transparency, and extending the value of the City's GIS investments.

To ensure full alignment with the RFP and the City's operational needs, GTG emphasizes the following key focus areas in our application development services:

- Designing and developing new GIS applications within ArcGIS Online and ArcGIS Enterprise Portal
- Building intuitive, task-focused interfaces using ArcGIS Experience Builder
- Creating engaging narrative tools and public-facing content using ArcGIS StoryMaps
- Modernizing existing applications and migrating legacy Web AppBuilder tools to Experience Builder
- Ensuring applications dynamically leverage authoritative enterprise GIS datasets
- Implementing performance optimization, role-based access, and best-practice security configurations
- Providing training, documentation, and knowledge transfer to ensure long-term maintainability
- Supporting iterative enhancement cycles as departmental needs and Esri capabilities evolve

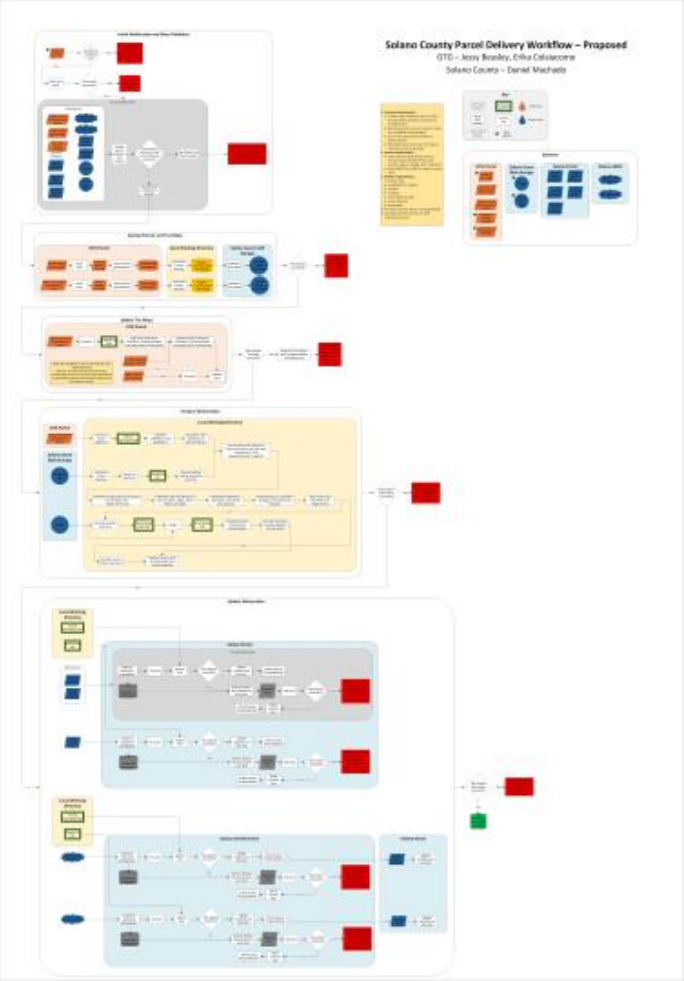
Together, these efforts ensure that the City's GIS applications remain flexible, current, and capable of supporting both internal workflows and public engagement.



*Integrated GIS Application and Data Dashboard*

# Automation and Workflow Efficiency

Automating routine GIS tasks offers the City significant long-term benefits by reducing manual effort, increasing accuracy, accelerating turnaround times, and ensuring consistency across departments. GTG recognizes that many of the City's recurring processes such as data updates, validation checks, reporting, and dataset synchronization can be streamlined using modern geospatial automation tools. Our approach focuses on building efficient, transparent, and maintainable workflows leveraging Esri ModelBuilder, Python scripting, Safe Software's FME, and relevant APIs to support operational efficiency within the City's GIS program.



*Example Complex Workflow Developed and Deployed by GTG that identifies each Deliverable, Task, Automated Process, Step, and Responsible Party*

GTG begins by evaluating existing City workflows to identify tasks that are repetitive, time-intensive, or prone to human error. Once identified, we design automation processes that follow Esri and industry best practices, ensuring that automated steps are reliable, traceable, and adaptable as City workflows evolve. Our team has extensive experience developing ModelBuilder tools for routine geoprocessing tasks, building Python scripts for complex data transformations, and creating FME workbenches for integrations, batch updates, and advanced validation. These solutions enable the City to shift staff time from manual editing and error detection to higher-value analytical and planning work.

Automation development is guided by a modular and scalable methodology. GTG constructs tools that are clearly documented, parameter-driven, and easily executed by City staff without requiring programming experience. This includes building user-friendly interfaces, embedding logging and error reporting, and ensuring that workflows integrate directly with the City's ArcGIS Enterprise environment. Automated processes may run on-demand, on a schedule, or as triggered events within Portal or FME Server, depending on operational requirements.

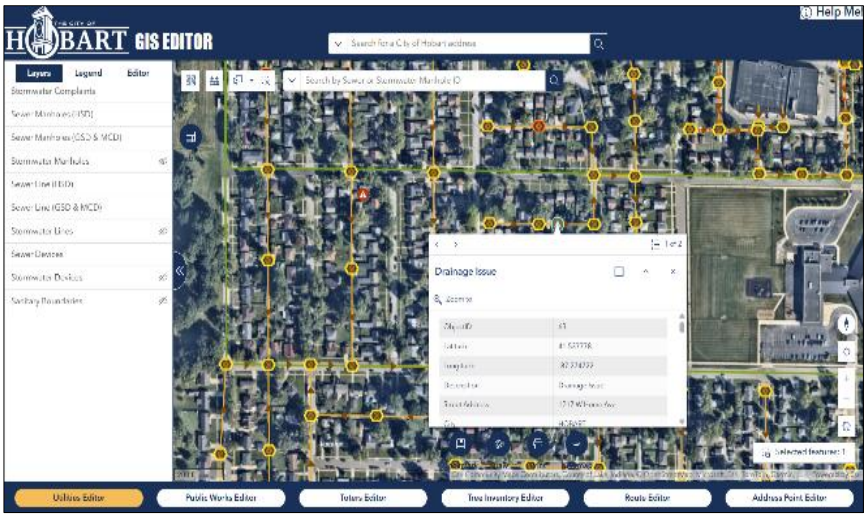
GTG also supports ongoing optimization by modernizing outdated scripts, consolidating redundant tools, and integrating new data sources or APIs. In addition, we ensure that automated workflows align with the City's data governance practices, versioning strategy, and QA/QC expectations. Our approach provides flexibility and long-term sustainability, allowing the City to expand automation efforts as new needs arise or as Esri technology evolves.

Through thoughtful automation design and implementation, GTG helps the City increase operational efficiency, reduce errors, streamline data maintenance activities, and maximize the return on investment of its enterprise GIS systems.

To fully align with the RFP and the City's operational priorities, GTG emphasizes the following key service focus areas for automation and workflow efficiency:

- Identifying repetitive, manual, or error-prone GIS tasks that can be automated
- Developing ModelBuilder tools for structured, repeatable geoprocessing workflows
- Creating Python scripts for advanced data transformation, validation, and integration
- Building and maintaining FME workbenches to support complex ETL processes and cross-system data synchronization
- Leveraging APIs including ArcGIS REST, geoprocessing services, and third-party APIs to expand workflow capabilities
- Integrating automated tasks with ArcGIS Enterprise, scheduled services, and FME Server
- Embedding QA/QC logic, logging, reporting, and exception handling within automated workflows
- Documenting automation processes and providing training to ensure internal staff can run, manage, and extend these tools
- Modernizing legacy scripts or tools to align with current Esri and industry best practices

Together, these efforts ensure that the City benefits from efficient, resilient, and scalable GIS workflows that reduce manual burden and support consistent, high-quality data management.



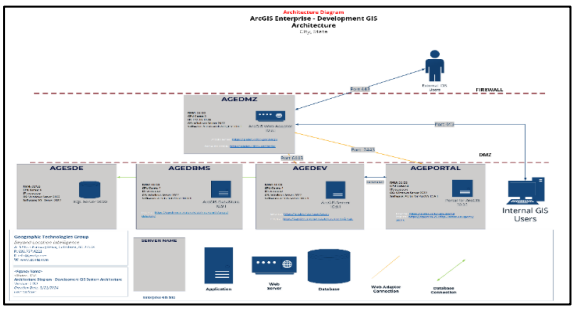
*Example of ETL Derived Data Being Viewed in*

# Technical Consultation

A strong GIS program requires not only accurate data and effective applications but also a clear strategic vision supported by informed technical decision-making. GTG recognizes that the City benefits from ongoing guidance on emerging Esri capabilities, evolving technology trends, and modern best practices that influence how GIS supports departmental operations. Our approach provides the City with continuous access to senior-level GIS expertise, helping leadership and staff make well-informed choices regarding system architecture, data governance, application deployment, and long-term enterprise planning.

GTG's consultants bring decades of experience advising local governments on the development and implementation of enterprise GIS strategies. We work collaboratively with City staff to assess current capabilities, identify areas of opportunity, and align GIS initiatives with broader operational goals. This includes evaluating technology adoption readiness, recommending appropriate Esri tools or upgrades, identifying opportunities for automation or integration, and ensuring that proposed solutions fit within the City's existing enterprise architecture.

A key component of our approach is departmental engagement. GTG routinely conducts interviews, workshops, and workflow assessments to understand how each department uses GIS and how it could be better leveraged. These insights drive the creation of targeted strategic plans, prioritized implementation roadmaps, staffing recommendations, governance models, and detailed technical recommendations tailored to each department's functional needs. Whether supporting Planning, Public Works, Utilities, Public Safety, or Finance, GTG ensures that each area receives guidance that reflects its operational realities and long-term objectives.



*GTG Supports the City of Roseville's Systems and Upgrades*

GTG also provides continuous mentorship and knowledge transfer to empower internal staff. This includes coaching on new Esri features, modern application frameworks, data management practices, emerging tools such as ArcGIS Knowledge or ArcGIS Utility Network, and recommended

governance approaches. Our guidance helps the City stay ahead of technology changes while building internal capacity to manage and expand the GIS program confidently.

City of Tulare, CA
ArcGIS Pro Training - Introduction

Contents

Learning the ArcGIS Pro Environment ..... 2
Terms & Definitions ..... 2
Core Concepts ..... 4

By pairing deep industry experience with forward-focused consultation, GTG helps the City evaluate options, reduce risk, and make strategic choices that strengthen the enterprise GIS for years to come.

To ensure full alignment with the RFP and to support informed, long-term decision-making, GTG emphasizes the following key focus areas within our strategic planning and consultation services:

- Providing high-level technical guidance on Esri's evolving capabilities, tools, and system architecture
- Advising on enterprise GIS governance, data management standards, and modernization strategies
- Supporting department-specific GIS strategic planning, road mapping, and prioritization
- Assessing current workflows, technology usage, and opportunities for improved efficiency
- Recommending appropriate applications, integrations, and technology investments
- Guiding Esri Enterprise upgrades, licensing strategies, and cloud/on-premise deployment considerations
- Mentoring internal staff on best practices, emerging trends, and effective GIS program management
- Helping evaluate impacts, benefits, and risks associated with adopting new Esri features or retiring legacy tools
- Ensuring strategic recommendations align with long-term City objectives and operational constraints

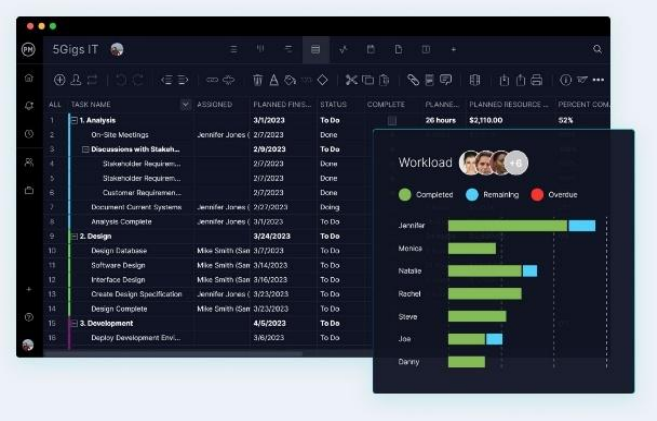
Together, these services ensure that the City receives forward-thinking, technically sound guidance that strengthens its enterprise GIS environment, supports departmental needs, and positions the organization to adopt emerging technologies with confidence.

# Project Coordination

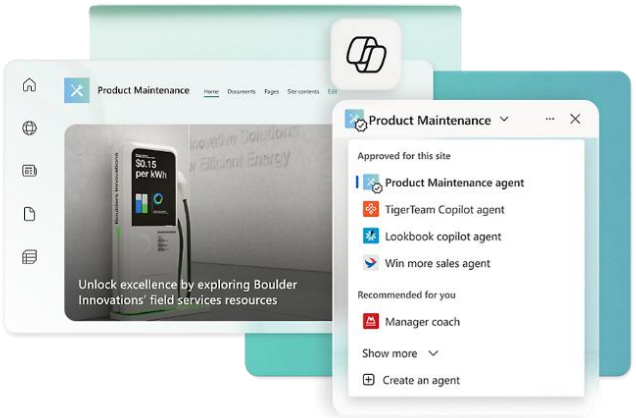
Successful GIS projects rely on clear communication, well-structured collaboration, and consistent coordination between the City and its consulting team. GTG places strong emphasis on maintaining open dialogue, establishing predictable communication rhythms, and ensuring that all work is aligned with the City's goals, schedule, and operational needs. Our coordination approach ensures that project progress is transparent, requirements are fully understood, and City staff remain informed and engaged throughout the duration of each task.

*GTG Employs PMI Certified PMP's for our GIS Projects.*

GTG's project coordination begins with defining expectations clarifying communication channels, establishing points of contact, and confirming preferred meeting cadences. We work closely with City stakeholders to gather requirements, validate assumptions, and confirm priorities before work begins. This collaborative approach allows us to align scope, resources, and deliverables with departmental needs and the City's overall GIS objectives.



*ProjectManager.com Tool Used by GTG PM's*



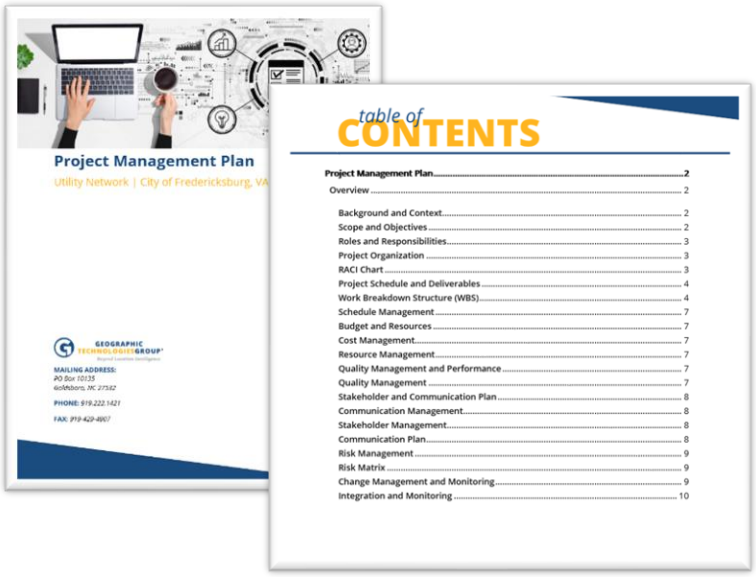
Throughout the project lifecycle, GTG provides structured updates and maintains continuous interaction with City staff. This includes coordinating task assignments, preparing progress summaries, documenting decisions, and quickly addressing questions or clarifications as they arise. Our project managers use organized workflows and communication best practices to ensure that tasks remain on schedule, dependencies are identified early, and the City has full visibility into milestones, risks, and accomplishments. When project adjustments are needed, we work collaboratively with staff to reprioritize tasks or refine the approach to ensure the most effective outcome.

GTG also promotes a collaborative working environment where City staff are encouraged to review work products, participate in decision-making, and provide feedback. This partnership model helps ensure that deliverables are aligned with City expectations, and that staff remain engaged in shaping the outcomes of the project. Our coordination efforts support not only the successful execution of the current scope, but also the long-term strengthening of the City's GIS capabilities by fostering communication, shared understanding, and efficient teamwork.

To fully align with the RFP and the City's operational needs, GTG emphasizes the following key project coordination focus areas:

- Establishing clear communication channels and defined points of contact
- Collaborating with City staff to gather requirements and validate project objectives
- Coordinating work activities, schedules, and task sequencing across departments
- Providing regular progress updates, status reports, and documented meeting summaries
- Identifying risks, dependencies, or issues early and working collaboratively to resolve them
- Facilitating feedback cycles to ensure deliverables meet City expectations
- Maintaining transparency and visibility into project milestones, timelines, and decisions
- Supporting an efficient, collaborative working environment throughout all phases of the project

Together, these coordination practices ensure that all project activities proceed smoothly, expectations remain aligned, and the City receives consistent visibility and partnership throughout the duration of the engagement.



## Designing Sustainable, Maintainable Solutions

GTG's general approach emphasizes accuracy, clarity, repeatability, and maintainability. Whether performing parcel data cleanup, developing an Experience Builder application for internal or public use, optimizing map services in ArcGIS Enterprise, or automating recurring processes using Python, ModelBuilder, or FME, every solution is designed with long-term sustainability in mind.

We avoid brittle, one-off configurations. Instead, we design tools and workflows that City staff can easily maintain, adapt, and improve as operational needs evolve. This is particularly important for Roseville's core service categories, where long-term maintainability directly influences operational efficiency and cost control.

Our commitment to maintainability ensures that work performed today supports the City's needs well into the future whether applied to parcel updates, zoning layers, dashboards, scripted automations, or enterprise configuration improvements.

## Open, Proactive Communication

We approach each assignment as a collaboration. GTG maintains consistent communication with City staff confirming expectations, updating progress, identifying risks, and discussing alternative approaches when appropriate.

Clear communication is especially critical in on-call engagements where task priorities may shift, and multiple departments rely on timely GIS support. GTG's proactive coordination ensures the City has full visibility in our work, supporting smoother decision-making and minimizing the likelihood of rework. This communication-focused approach strengthens our delivery in all service categories, including application development cycles, dataset maintenance initiatives, workflow automations, and ongoing technical consultation.

## Incremental Improvement and Value-Added Recommendations

A key aspect of GTG's approach is our practice of identifying opportunities to enhance the City's GIS workflows beyond the immediate task at hand. As we work on datasets, applications, or automations, we naturally observe opportunities for:

- **Workflow simplification**
- **Schema refinement or standardization**
- **Automation of repetitive processes**
- **Application usability improvements**
- **Performance enhancements in map services**
- **Strengthening data governance principles**
- **Leveraging new or emerging Esri capabilities**

Many of these improvements can be implemented with minimal additional effort and produce meaningful operational benefits. GTG shares these recommendations with City staff when appropriate, supporting Roseville's continuous improvement goals and helping the City move strategically toward a more efficient, modernized GIS environment.

## Minimizing Operational Disruption

GTG executes work in a way that avoids interference with the City's ongoing operations. Tasks involving ArcGIS Enterprise configuration changes, schema adjustments, application migrations, or new automation deployments are planned in coordination with staff to maintain system availability and reduce downtime.

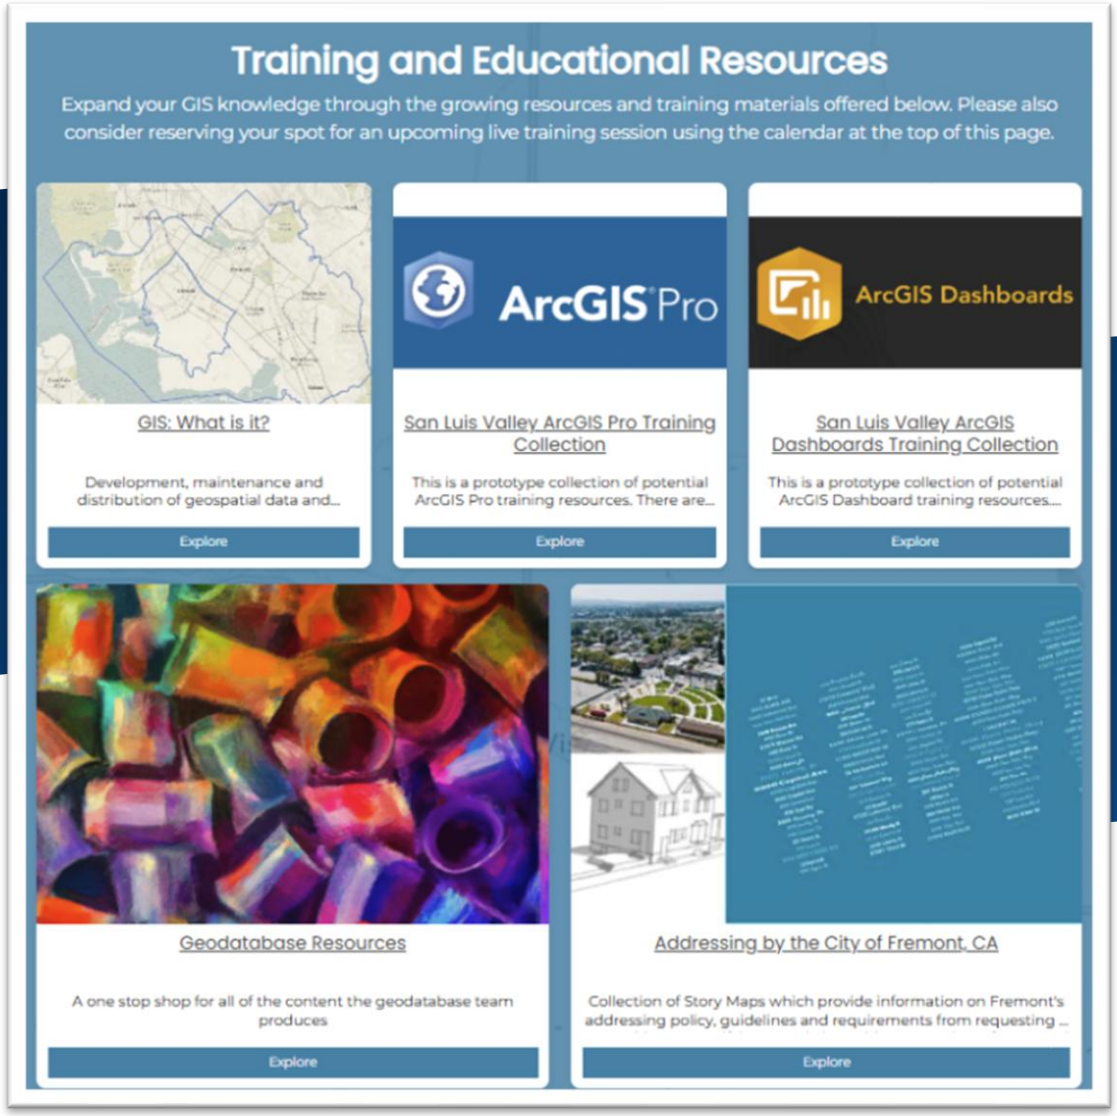
Completed work is always accompanied by clear documentation, SOPs, or implementation notes to ensure City staff understand the solution and can support it confidently moving forward.

This approach is essential across all service categories particularly **data maintenance**, **application development**, and **automation**, where updates must be introduced carefully to avoid disrupting dependent workflows.

## Building Consistency and Long-Term Reliability

GTG's approach is designed not only to complete individual tasks but to strengthen the City's enterprise GIS environment with each engagement. By aligning our methods with Roseville's operational goals and technical realities, we help create a GIS program that is more stable, efficient, and adaptable.

Over time, GTG builds familiarity with the City's datasets, configurations, system architecture, and departmental workflows. This continuity enables us to deliver increasingly efficient, high-quality support and ensures that Roseville receives consistent, knowledgeable assistance across all five RFP service categories.



# City GIS Challenges and GTG Strengths

Cities like Roseville operate GIS environments that support complex, interconnected operations across planning, engineering, utilities, public safety, transportation, and community services. Based on our experience working with similar agencies, GTG understands the challenges that frequently arise in maintaining a modern municipal GIS and we bring targeted strengths that directly align with the five service areas outlined in the RFP: **Data Maintenance & Enhancement; Application Development; Automation & Workflow Efficiency; Strategic Technical Consultation; and Project Coordination.**

The following challenges and corresponding GTG strengths illustrate our readiness to support Roseville with high-value, practical solutions.

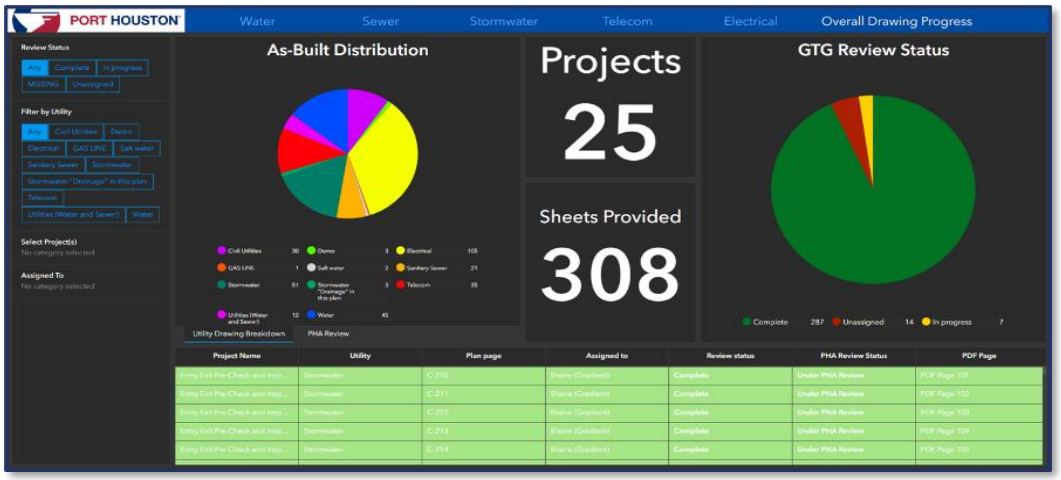
## 1. Managing High-Volume, Multi-Source Enterprise Data

Roseville's diverse GIS datasets evolve continually through development activity, engineering updates, as-built submissions, and departmental edits. Without disciplined practices, inconsistencies accumulate affecting analysis, application performance, and decision-making.

### GTG's Strength & Solution (Data Maintenance & Enhancement)

GTG specializes in municipal data governance. We apply structured QA/QC routines, enforce standardized schemas, resolve geometry issues, and integrate CAD/as-built files into authoritative layers with repeatable translation methods.

***Result:***
Datasets remain accurate, aligned, and operationally trustworthy for every department.



*Data Cleanup Dashboard*

## 2. Supporting Diverse Departmental Workflows Within a Unified System

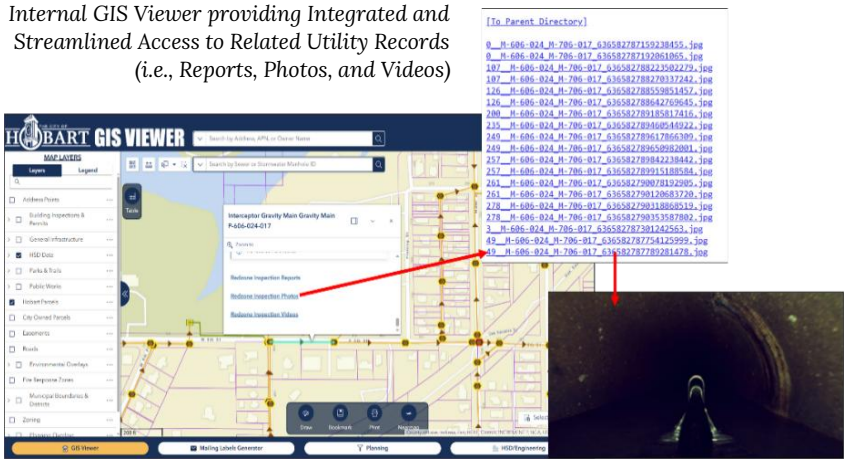
Departments across the City use GIS differently and have distinct priorities. Tools must be intuitive for occasional users while remaining robust enough to support analysts, planners, engineers, and field staff.

### GTG's Strength & Solution (Application Development)

GTG designs thoughtful applications in AGOL and Portal Experience Builder apps, dashboards, StoryMaps, and specialized viewers tailored to departmental workflows while preserving enterprise consistency.

***Result:*** Departments receive tools that meet their needs without fragmenting the City's GIS environment.

*Internal GIS Viewer providing Integrated and Streamlined Access to Related Utility Records (i.e., Reports, Photos, and Videos)*



## 3. Keeping Pace With Rapid Esri Platform Evolution

ArcGIS Enterprise, AGOL, Experience Builder, Field Maps, and Python APIs evolve quickly. Updates can introduce major capability improvements but also risk disruptions if not managed strategically.

### GTG's Strength & Solution (Technical Consultation)

As an Esri Gold Partner, GTG provides proactive lifecycle guidance, upgrade planning, system tuning, and architecture recommendations. We help the City take advantage of Esri advancements while maintaining security, stability, and compatibility.

***Result:*** Roseville stays modern, supported, and future-ready with minimal operational disruption.

> ***It's good to have a trusted partner and a sense of long- term stability in a world of unknowns and change.***
>
> City of St. Paul

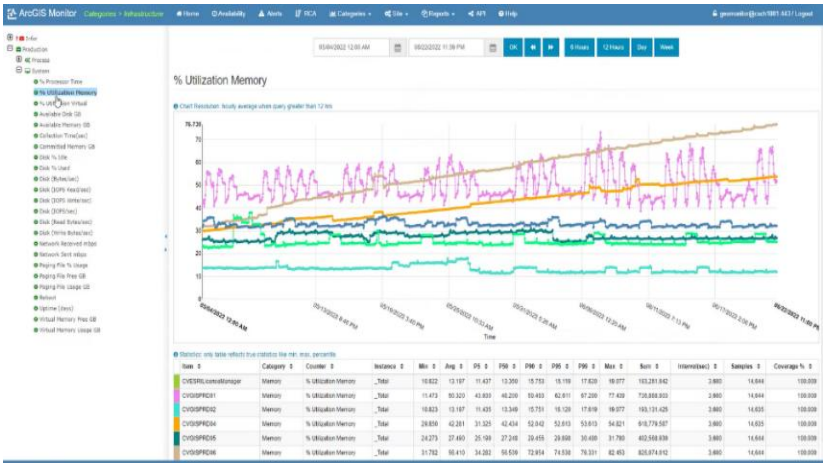
## 4. Ensuring System Performance and Operational Reliability

A growing GIS environment with more datasets, apps, and users places increased demands for Enterprise services. Slow maps, unoptimized layers, or unindexed datasets can impede departmental productivity.

### GTG's Strength & Solution (Technical Consultation + Data Maintenance)

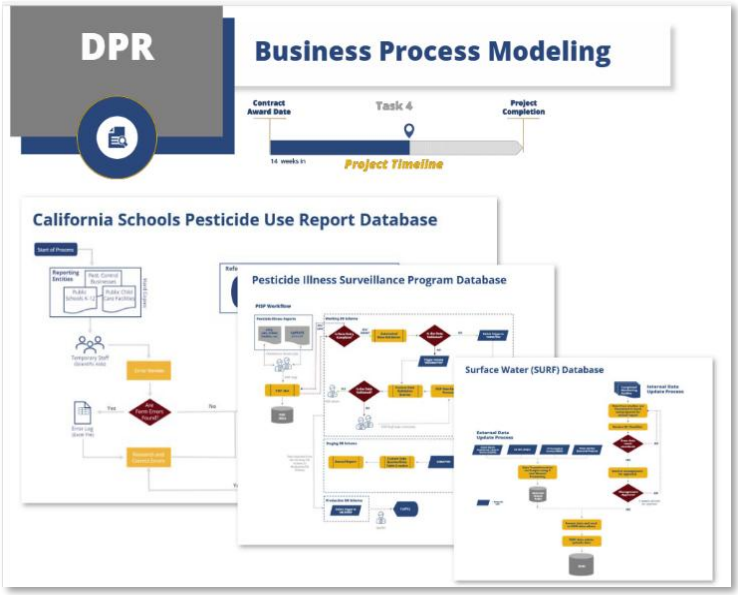
GTG conducts service optimization, indexing, caching improvements, symbology refinements, and structural evaluations. We identify bottlenecks early and implement best practices that keep systems running smoothly.

***Result:*** Fast, stable map services and reliable application performance for internal and public users.



*Utilization and Bandwidth Monitoring*

## 5. Integrating GIS With Business Systems and Streamlining Workflows



*GTG is the World Leader in GIS Planning and Documentation - Example CA Department of Pesticide Regulation*

Departments depend on GIS to interface with asset management, permitting, inspections, and reporting systems. Manual updates or fragmented workflows increase risk and consume staff time.

### GTG's Strength & Solution (Automation & Workflow Efficiency)

Our team develops automations using Python, ModelBuilder, FME, and REST APIs to synchronize datasets, validate data, generate reports, and streamline processes.

***Result:*** Staff spend less time on repetitive tasks, and systems remain synchronized and accurate.

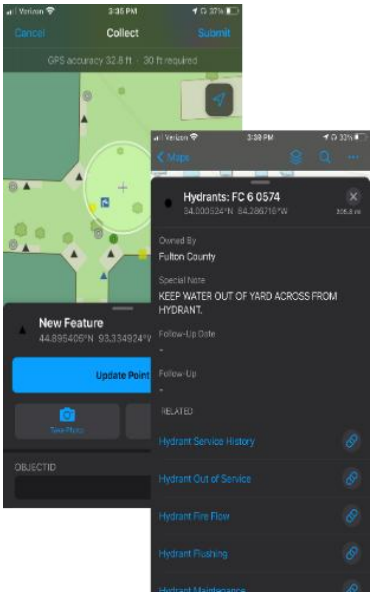
## 6. Designing Reliable Mobile and Field Workflows

Field crews require simple, intuitive, and accurate workflows for inspections, data capture, and service-related updates. Poor design can create data quality issues or reduce adoption.

### GTG's Strength & Solution (Application Development + Automation)

GTG configures Field Maps and Survey123 solutions that include smart validation, offline capabilities, and automated syncing into Enterprise geodatabases.

***Result:*** High-quality field data flows seamlessly into authoritative systems, improving operations.



*ArcGIS Field Maps Deployment for Inventorying Assets and Performing Annual Inspections*

## 7. Rising GIS Service Demand With Limited Internal Staff Capacity

GIS staff must balance system administration, data updates, mapping requests, departmental support, and strategic initiatives often all at once.

### GTG's Strength & Solution (Project Coordination)

GTG's on-call support model provides scalable bandwidth. We absorb surge workloads, handle complex technical tasks, and support departments directly allowing City staff to focus on priority activities.

***Result:*** Roseville gains reliable, flexible capacity without increasing internal workload.

## 8. Preserving Institutional Knowledge and Workflow Consistency

Without documentation, knowledge can be lost over time particularly in evolving systems or during staff transitions.

### GTG's Strength & Solution (Strategic Consultation + Project Coordination)

GTG embeds documentation into every task: SOPs, schema definitions, app notes, metadata, and workflow diagrams. This ensures that solutions remain maintainable and understandable for staff regardless of turnover or system growth.

***Result:*** The City gains long-term stability and reduced operational risk.

## Summary of GTG's Integrated Challenge-and-Solution Approach

GTG's strengths align directly with the challenges inherent in the City's on-call GIS environment. Our experience, tools, and methods combined with an understanding of Roseville's operational realities ensure that every task delivers measurable value. Through our integrated approach, GTG helps Roseville:

- **Maintain a modern, reliable enterprise GIS**
- **Improve workflow efficiency and data integrity**
- **Reduce staff workload through automation**
- **Enhance application usability across departments**
- **Strengthen mobile and field operations**
- **Prepare for future system expansions and Esri advancements**

GTG's ability to pair challenges with proven, effective solutions reinforces our readiness to support the City of Roseville today and elevate its GIS program for the future.

# Tab F: Cost Proposal

GTG's cost proposal is structured to provide the City of Roseville with a transparent, flexible, and scalable pricing model that aligns with the City's on-call needs and the full scope of services outlined in the RFP. Our proposed labor categories and estimated hours reflect GTG's understanding of the City's operational GIS environment, the variety of technical tasks typically requested under an on-call contract, and the level of expertise required to ensure high-quality, sustainable results.

The team included in this cost proposal represents a blend of senior strategic leadership, experienced enterprise GIS practitioners, developers, analysts, and technicians. This structure allows GTG to assign each request to the most appropriate resource level ensuring the City receives expert execution while optimizing cost efficiency. Senior staff provide oversight, architectural guidance, QA/QC, and technical leadership, while analysts and technicians handle day-to-day configuration, data maintenance, mapping, mobile workflows, and application support.

The estimated hours below were developed based on similar California municipal on-call engagements, GTG's internal benchmarks for typical task requests, and the City's anticipated workload for data cleanup, application development, automation, enterprise system support, and on-call assistance. These estimates provide a realistic modeling of expected resource needs; however, GTG will always coordinate with the City at the task-order level to confirm actual hours before work begins.

The City may adjust the mix of hours over the life of the contract based on evolving demand. GTG's flexible structure ensures that Roseville receives responsive, high-value support while maintaining clear fiscal control. Hourly rates will be inserted into the table upon final pricing approval.

# Rate Sheet by Position

| Personnel | Role Description | Estimated Hours | Hourly Rate |
|---|---|---|---|
| ***Curt Hinton –*** *Project Advisor* | Executive oversight, strategic guidance, best practices review | 5 | $180 |
| ***Trey Hinton –*** *Project Manager* | Task coordination, scheduling, communication, QA/QC | 100 | $135 |
| ***Josh Taylor –*** *GIS Systems Architect* | Enterprise configuration, performance tuning, upgrades, integrations | 110 | $165 |
| ***Cristi Delgado and Jessy Beasley –*** *Senior GIS Analyst* | Data cleanup, application development, field workflows, schema design | 100 | $145 |
| ***Tim Western –*** *Software Developer* | Automation (Python, FME, APIs), Experience Builder development | 60 | $155 |
| ***Dan Quintela –*** *GIS Analyst* | Data editing, mapping, AGOL configuration, routine QA/QC | 105 | $122 |
| ***Peyton Brown –*** *GIS Technician* | Data maintenance, attribute updates, map preparation, rapid turnaround tasks | 225 | $80 |

# Level of Effort and Price by RFP Task Category

| RFP Task Category | Description | Estimated Hours | Applicable Personnel | Blended Rate(s) | Total Price |
|---|---|---|---|---|---|
| ***1. Data Maintenance and Enhancement*** | Parcel updates, address points, zoning, land use, data cleanup, schema alignment, QC/QA in ArcGIS Pro and Enterprise 11.1 | **250 hrs** | 5% PM, 95% Technician | $83 | $20,688 |
| ***2. Application Development*** *(AGOL/Portal)* | Experience Builder apps, StoryMaps, dashboards, map services, modernization of existing applications | **180 hrs** | 5% PM, 55% Sr. Analyst, 45% Analyst | $135 | $24,354 |
| ***3. Automation and Workflow Efficiency*** | Python scripting, ModelBuilder tools, FME processes, REST API automations, scheduled tasks | **140 hrs** | 5% PM, 25% Developer, 45% Systems Architect, 25% Analyst | $148 | $20,755 |
| ***4. Strategic Planning & Technical Consultation*** | Esri best-practice recommendations, GIS road mapping, system optimization guidance, staff mentoring | **80 hrs** | 5% PM, 95% Systems Architect | $164 | $13,080 |
| ***5. Project Coordination*** | Meetings, scoping, progress reporting, cross-department coordination, documentation | **70 hrs** | 75% PM, 25% Project Advisor | $137 | $9,607 |

**Total Estimated Annual Hours and Cost:** ~700 hrs - $88,485

# Tab G: Required Statements and Documents

## Non-Substitution

GTG affirms that all designated project personnel identified in this proposal will remain assigned to the project for the duration of the contract.

No substitutions, replacements, or reassignments of these individuals will be made without prior written approval from the City of Roseville.

GTG fully understands and agrees to comply with this requirement.

## Conflict of Interest

GTG certifies that we have no existing or potential conflicts of interest that would affect our ability to perform the services requested by the City of Roseville.

We further certify that no circumstances exist that would create an appearance of impropriety or compromise GTG's ability to carry out the duties of this contract impartially and in the best interests of the City.

## Indemnification and Insurance Requirements

GTG confirms our ability and agreement to meet all indemnification and insurance requirements outlined in the RFP and the sample contract.

We maintain the necessary insurance coverage, limits, and endorsements required to perform work of this nature.

We also acknowledge that while actual certificates of insurance are not required at this stage, GTG will provide all required documentation upon contract execution.

## Proprietary Information

GTG affirms that nothing contained in this proposal is proprietary.

All materials, descriptions, methodologies, and statements submitted are provided without restriction and may be used, reproduced, or disclosed by the City of Roseville in accordance with the terms of the RFP.

# Executed copy of Proposer's Certification (Attachment A)

**Attachment A**

**PROPOSER'S CERTIFICATION**

I hereby propose to furnish the goods or services specified in the Request for Proposals ("RFP"). I agree that my proposal will remain firm for a period of up to ninety (90) days in order to allow the City of Roseville ("City") adequate time to evaluate the qualifications submitted.

I have carefully examined the Request for Proposals and any other documents accompanying or made a part of this RFP. The information contained in this proposal is true and correct to the best of my knowledge and is signed under penalty of perjury under the laws of the State of California. I further certify that I am duly authorized to submit this proposal on behalf of the firm as its authorized agent and that the firm is ready, willing and able to perform if awarded the contract.

I further certify that this proposal is made without prior understanding, agreement, connection, discussion, or conspiracy with any other person, firm or corporation submitting a proposal for the same product or service; that this proposal is fair and made without outside control, collusion, fraud or illegal action; that no officer, employee or agent of the City or any other proposer is financially interested in said proposal; that no undue influence or pressure was used against or in concert with any officer, employee or agent of the City in connection with the award or terms of the contract that will be executed as a result of this RFP; and that the undersigned executed this Proposer's Certification with full knowledge and understanding of the matters therein contained and was duly authorized to do so.

# Levine Act Disclosure Statement Form (Attachment B)

**Attachment B**

## LEVINE ACT DISCLOSURE STATEMENT

**(The completed form submitted to the City of Roseville is a public record.)**

California Government Code Section 84308, commonly referred to as the "Levine Act," prohibits any "Officer" (elected or appointed officer, any alternate thereto, and any candidate for elective office) from participating in any consideration or action related to a proceeding if they receive political contribution(s) from a party, or its agent(s), totaling more than $250 within the previous twelve (12) months, while a proceeding is pending, and for twelve (12) months following the date of a final decision in a proceeding concerning a license, permit, other entitlement for use, franchise, or contract (collectively "license, permit, or contract"). For additional information: https://www.roseville.ca.us/government/departments/city_clerk/transparency/levine_act.

City Officers are listed at the following sites:

- The Members of City Council - https://www.roseville.ca.us/government/city_council/meet_council
- Boards & Commission Members - https://www.roseville.ca.us/government/boards_commissions

**Parties and their Agents are responsible for reviewing and disclosing their applicable contributions to City Officers on the record of a proceeding.**

1. Have you or your entity, or any agent on behalf of you or your entity, made any political contribution(s) totaling more than $250 to any City Officer in the twelve (12) months preceding the date of the submission of your license, permit, or contract, or the anticipated date of any City Council, Board, or Commission consideration or action related to this license, permit, or contract?

YES _____ NO X

If yes, please identify the City Officer(s):_____

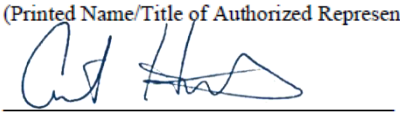
2. Do you or your entity, or any agent on behalf of you or your entity, anticipate or plan to make any political contribution(s) totaling more than $250 to any City Officer in the twelve (12) months following any City Council, Board, or Commission consideration or action related to this license, permit, or contract?

YES _____ NO X

If yes, please identify the City Officer(s):_____

Answering yes to either of the two questions above does not preclude the City of Roseville from considering and/or taking action on a license, permit, or contract. It does, however, potentially preclude the identified City Officers from participating in consideration of and in taking any actions related to the license, permit, or contract. Please accurately complete and sign this form, under the penalty of perjury:

| 12/11/2025 | Curt Hinton, Principal and Co-Founder | Geographic Technologies Group, Inc |
|---|---|---|
| (Date) | (Printed Name/Title of Authorized Representative) | (Name of business/legal entity) |



(Signature)

**You must submit a supplemental form if you make any new reportable contribution(s) while the contract, license, permit, or other entitlement is being considered.** If this form has not previously been submitted in connection with a contracting, licensing, entitlement or permitting process, please provide the completed form to the Office of the City Clerk for appropriate departmental routing, at: City Clerk, 311 Vernon St., Roseville, CA 95678, CityClerkRoseville@roseville.ca.us

# Executed copy of Non-collusion Declaration (Attachment C)

**Attachment C**

**NONCOLLUSION DECLARATION TO BE EXECUTED BY BIDDER AND SUBMITTED WITH BID**

The undersigned declares:

I am the Principal and Co-Founder of Geographic Technologies Group, Inc, the party making the foregoing bid.

The bid is not made in the interest of, or on behalf of, any undisclosed person, partnership, company, association, organization, or corporation. The bid is genuine and not collusive or sham. The bidder has not directly or indirectly induced or solicited any other bidder to put in a false or sham bid. The bidder has not directly or indirectly colluded, conspired, connived, or agreed with any bidder or anyone else to put in a sham bid, or to refrain from bidding. The bidder has not in any manner, directly or indirectly, sought by agreement, communication, or conference with anyone to fix the bid price of the bidder or any other bidder, or to fix any overhead, profit, or cost element of the bid price, or of that of any other bidder. All statements contained in the bid are true. The bidder has not, directly or indirectly, submitted his or her bid price or any breakdown thereof, or the contents thereof, or divulged information or data relative thereto, to any corporation, partnership, company, association, organization, bid depository, or to any member or agent thereof, to effectuate a collusive or sham bid, and has not paid, and will not pay, any person or entity for such purpose.

Any person executing this declaration on behalf of a bidder that is a corporation, partnership, joint venture, limited liability company, limited liability partnership, or any other entity, hereby represents that he or she has full power to execute, and does execute, this declaration on behalf of the bidder.

I declare under penalty of perjury under the laws of the State of California that the foregoing is true and correct and that this declaration is executed on 12/11/2025 [date], at Goldsboro [city], NC [state].

(Signature of Declarant)

# Tab H: Exceptions

GTG has reviewed the Scope of Services, all requirements contained in the RFP, and the Sample Contract (Attachment D). We confirm that **we have no exceptions, alterations, or amendments** to any portion of the RFP or the Sample Contract. GTG is fully prepared to perform the services requested in accordance with all stated terms, conditions, and specifications.

# Tab I: Competency of Proposers

GTG confirms that we possess the facilities, staffing capacity, technical expertise, and financial resources necessary to perform the services described in the RFP in a timely and satisfactory manner.

GTG has **no history** of any of the following within the past seven (7) years:

- Bankruptcies
- Liens or stop payment notices
- Judgments
- Lawsuits, arbitrations, or mediations related to performance
- Foreclosures
- Similar financial or legal actions

Additionally, **no client has ever terminated a contract with GTG for breach** at any point in the company's history.

GTG maintains strong financial standing, long-term client relationships, and a proven track record of successfully completing projects for cities, counties, states, and federal agencies.

**Jessy Beasley** has worked with GIS data and Esri products for over seven years. As a GIS Specialist for GTG, she has completed GIS Data Assessments, performed QA/QC, deployed software, and migrated data to Esri's ArcGIS Utility Network schemas. She has provided ongoing GIS technical support to clients, including troubleshooting, user assistance, and solution implementation—demonstrating a strong client-centered approach to GIS support. Jessy has assisted in the planning, data gathering, design, and deployment of ArcGIS Hub solutions for several clients. She has also developed GIS Training Plans and Standard Operating Procedures (SOPs). Jessy has collaborated with analysts at county and state levels to develop GIS solutions that meet operational and stakeholder needs. She uses Esri's ArcGIS Data Reviewer to manage and control data quality for GIS projects and regularly conducts spatial modeling and analysis to enhance decision-making capabilities.

Daniel Quintela is a GIS Analyst at GTG with five years of experience. He specializes in performing exploratory and statistical analyses, applying quality assurance/quality control procedures to complex geospatial datasets, and developing data analysis workflows across different phases of projects. He is proficient in several scripting languages, including Python, SQL, and Arcade, and has written scripts to automate large numbers of geoprocessing tasks and analyze structured data of various formats in databases and spreadsheets. Mr. Quintela demonstrates strong skills in geospatial and tabular data analysis, mapping and cartography, oral communication, and technical writing. He also excels in web and third-party application development. His versatile abilities enable effective data visualization, clear documentation, and robust web solutions, making him an asset to any GIS project.

# DANIEL QUINTELA

GIS Analyst | **5 Years of Experience**

(954) 809-8868 dquintela@geotg.com

## Education

**Bachelor of Arts | Anthropology (Archaeology)**

*University of Oklahoma*

## Technical Skills

Python

SQL

Arcade

ModelBuilder

ArcGIS Enterprise

ArcGIS Pro

Portal for ArcGIS

ArcGIS Online

ArcGIS Field Maps

Mr. Quintela's experience extends to the publishing and management of content in ArcGIS Online and Portal, and he has developed custom widgets to aid in data visualization and progress tracking. As a highly proficient technical writer and oral communicator, has authored visualizations and analysis reports on geospatial data and provided training to stakeholders and other technical staff to cultivate technical literacy.

## Key Experience

- Geospatial and Tabular Data Analysis
- Mapping and Cartography
- Oral communication and technical writing
- Web and Third-Party Application Development

## Similar Projects

- **CAL FIRE** – Developed with Python scripting and performed road centerline dataset analysis and quality assurance/quality control (QA/QC) services.
- **City of Hobart, IN –** Developed with Python scripting and performed utility GIS support, network improvement, data update, and technical support services.
- **City of Tulare, CA –** Performed utility GIS data update, CAD conversion, and as-built digitizing services.
- **Port Houston Authority, TX –** Performed utility GIS data update, CAD conversion, and as-built digitizing services.
- **City of Bloomington, MN** – Performed GreenCityGIS field data collection, data editing, and QA/QC services.
- **Port of Tacoma, WA** – Performed GIS consulting and technical support services, as well as transitioned ArcMap to ArcGIS Pro.

Peyton Brown is a GIS Technician at Geographic Technologies Group (GTG), where he supports geospatial data development, map creation, and application configuration for a variety of public sector clients. After completing a two-year internship with GTG from May 2023 to May 2025, he transitioned into a full-time technician role, contributing to a wide range of GIS projects across the country. Mr. Brown has supported critical initiatives for CAL FIRE, the Port of Houston, the City of Tulare, the North Carolina Railroad Company (NCRR), and the cities of Hobart, IN and Denton, TX. His project work has included statewide road network adjustments, CAD-to-GIS conversion, as-built digitizing, Python scripting for data segmentation, utility agreement updates, and the creation of web-based dashboards for municipal use.

|---|---|
| **Title:** | Baseline Marketplace Upland Drive Segment 5 - Notice of Completion |
| **Contact:** | Andrew Druck 916-774-5577 adruck@roseville.ca.us |

## SUMMARY

Staff recommends approval of the Notice of Completion for the Baseline Marketplace Upland Drive Segment 5 as complete. The Engineering Division has made final inspection of the project and has found the roadway infrastructure work complete in accordance with the improvement plans and City specifications. This action has no impact to the City's General Fund. Construction costs were paid by the developer.

## RECOMMENDATION

Staff recommends that the City Council adopt the attached resolution accepting Baseline Marketplace Upland Drive Segment 5, CWJ # 191102 as complete and authorizing the City Engineer to execute the Notice of Completion.

## BACKGROUND

The Engineering Division has made a final inspection of the above project and has found the roadway infrastructure work complete in accordance with the improvement plans and City specifications.

## FISCAL IMPACT

The actions requested as part of this action have no impact to the City's General Fund. Construction costs were paid by the developer.

## ENVIRONMENTAL REVIEW

The California Environmental Quality Act (CEQA) does not apply to activities that will not result in a direct or reasonably foreseeable indirect physical change in the environment, or is otherwise not considered a project as defined by CEQA Statute §21065 and CEQA State Guidelines §15060(c)(3) and §15378. The Notice of Completion meets the above criteria and is not subject to CEQA. No additional environmental review is required.

## CITY COUNCIL STRATEGIC PLAN/OVERARCHING GOALS

4. Invest in well-planned infrastructure and growth

Respectfully Submitted,
Andrew Druck, Senior Construction Inspector

Mike Isom, Development Services Director

## ATTACHMENTS:

1. Resolution 26-105
2. NOC
3. Vicinity Map
4. Final Map 302-958 (PavilionDr. & Upland Dr.)

RESOLUTION NO. 26-105

RESOLUTION OF THE COUNCIL OF THE CITY OF ROSEVILLE ACCEPTING THE PUBLIC WORK KNOWN AS BASELINE MARKETPLACE UPLAND DRIVE SEGMENT 5 PROJECT, APPROVING THE "NOTICE OF COMPLETION", AND AUTHORIZING AND DIRECTING THE CITY ENGINEER TO EXECUTE SAID NOTICE ON BEHALF OF THE CITY OF ROSEVILLE, THEREFORE, AND ACCEPTING A PORTION OF THE DEDICATIONS OFFERED ON THE RECORDED MAP OF THE SUBDIVISION.

BE IT RESOLVED by the Council of the City of Roseville as follows:

1. The "Notice of Completion" on file in the City Clerk's Department relative to that public work known as the Baseline Marketplace Upland Drive Segment 5 is hereby approved and the public work accepted.

2. A portion of the right-of-way and easements offered for dedication on the final map of **Baseline Marketplace DF Properties, Inc Large Lot** recorded in Book **GG** of Maps, Page **59** in the office of the recorder of Placer County, is hereby accepted by the City in part as said dedications relates to the improvement plan set known as Baseline Marketplace Upland Drive Segment 5.

3. The City Engineer is hereby authorized and directed to execute said Notice on behalf of the City of Roseville.

PASSED AND ADOPTED by the Council of the City of Roseville, this_____day of _____, 20____ , by the following vote on roll call:

## NOTES:

1. ALL CURVES ARE DIMENSIONED WITH RADIUS, DELTA, ARC LENGTH, CHORD BEARING AND CHORD LENGTH. DUE TO ROUNDING THE SUM OF INDIVIDUAL DIMENSIONS MAY NOT EQUAL THE OVERALL DIMENSION. ALL DISTANCES SHOWN ARE IN FEET AND DECIMALS THEREOF AND ARE "GROUND" DISTANCES.

2. TOTAL AREA FOR THIS SUBDIVISION IS 81.229± ACRES, CONSISTING OF 28 LARGE LOTS AND 1 OPEN SPACE LOT.

3. PURSUANT TO SECTION 66499.20.2 OF THE GOVERNMENT CODE, THE LANDS SHOWN HEREON ARE HEREBY MERGED AND RESUBDIVIDED, AND THE FOLLOWING IRREVOCABLE OFFERS OF DEDICATION AND EASEMENTS THAT FALL WITHIN THE SUBJECT PROPERTY, NOT SHOWN HEREON, ARE HEREBY ABANDONED:
   A. RIGHT-OF-WAY OF UPLAND DRIVE AND A PORTION OF SAN FERNANDO DRIVE AND BASELINE ROAD AS SHOWN ON FF MAPS 21.
   B. PUBLIC UTILITY EASEMENTS, PEDESTRIAN EASEMENTS AND LANDSCAPE EASEMENTS AS SHOWN ON FF MAPS 21.

4. PRIOR TO OR CONCURRENT WITH THE FIRST CONVEYANCE, BY THE SUBDIVIDER, OF A LOT CREATED WITH THIS MAP, RECIPROCAL EASEMENTS FOR ACCESS, PARKING, PRIVATE DRAINAGE AND UTILITIES, INCLUDING THE INSTALLATION AND MAINTENANCE THEREOF, SHALL BE RECORDED BY SEPARATE EASEMENT DOCUMENT(S) OR A DECLARATION OF COVENANTS, CONDITIONS AND RESTRICTIONS. IF SUBDIVIDER DEVELOPS ANY LOT PRIOR TO CONVEYANCE, A DECLARATION OF COVENANTS, CONDITIONS AND RESTRICTIONS SHALL BE RECORDED PRIOR TO CITY APPROVAL OF THE FIRST SITE PLAN PERMIT.

5. THE TEMPORARY CONSTRUCTION AND ACCESS EASEMENT IN DEED RECORDED JUNE 6, 2017, AS INSTRUMENT NO. 2017-0041424, OFFICIAL RECORDS OF PLACER COUNTY IS FULLY CONTAINED IN THE RIGHT OF WAY AND PUBLIC UTILITY EASEMENTS SHOWN HEREON. THE TERM OF SAID EASEMENT TERMINATES ONE YEAR FOLLOWING ACCEPTANCE OF THE IMPROVEMENTS BY THE CITY OF ROSEVILLE.

| **Title:** | Baseline Marketplace San Fernando Drive - Notice of Completion |
| **Contact:** | Andrew Druck 916-774-5577 adruck@roseville.ca.us |

## SUMMARY

Staff recommends approval of the Notice of Completion for the Baseline Marketplace San Fernando Drive as complete. The Engineering Division has made final inspection of the project and has found the roadway infrastructure work complete in accordance with the improvement plans and City specifications. This action has no impact to the City's General Fund. Construction costs were paid by the developer.

## RECOMMENDATION

Staff recommends that the City Council adopt the attached resolution accepting Baseline Marketplace San Fernando Drive, CWJ # 191094 as complete and authorizing the City Engineer to execute the Notice of Completion.

## BACKGROUND

The Engineering Division has made a final inspection of the above project and has found the roadway infrastructure work complete in accordance with the improvement plans and City specifications.

## FISCAL IMPACT

The actions requested as part of this action have no impact to the City's General Fund. Construction costs were paid by the developer.

## ENVIRONMENTAL REVIEW

The California Environmental Quality Act (CEQA) does not apply to activities that will not result in a direct or reasonably foreseeable indirect physical change in the environment, or is otherwise not considered a project as defined by CEQA Statute §21065 and CEQA State Guidelines §15060(c)(3) and §15378. The Notice of Completion meets the above criteria and is not subject to CEQA. No additional environmental review is required.

## CITY COUNCIL STRATEGIC PLAN/OVERARCHING GOALS

4. Invest in well-planned infrastructure and growth

Respectfully Submitted,
Andrew Druck, Senior Construction Inspector

Mike Isom, Development Services Director

## ATTACHMENTS:

1. Resolution 26-114

RESOLUTION NO. 26-114

RESOLUTION OF THE COUNCIL OF THE CITY OF ROSEVILLE ACCEPTING THE PUBLIC WORK KNOWN AS BASELINE MARKETPLACE SAN FERNANDO DRIVE PROJECT, APPROVING THE "NOTICE OF COMPLETION", AND AUTHORIZING AND DIRECTING THE CITY ENGINEER TO EXECUTE SAID NOTICE ON BEHALF OF THE CITY OF ROSEVILLE, THEREFORE, AND ACCEPTING A PORTION OF THE DEDICATIONS OFFERED ON THE RECORDED MAP OF THE SUBDIVISION.

BE IT RESOLVED by the Council of the City of Roseville as follows:

1. The "Notice of Completion" on file in the City Clerk's Department relative to that public work known as the Baseline Marketplace San Fernando Drive is hereby approved and the public work accepted.

2. A portion of the right-of-way and easements offered for dedication on the final map of **Sierra Vista DF Properties, Inc Large Lot** recorded in Book **FF** of Maps, Page **21** in the office of the recorder of Placer County, is hereby accepted by the City in part as said dedications relates to the improvement plan set known as Baseline Marketplace San Fernando Drive.
3. The City Engineer is hereby authorized and directed to execute said Notice on behalf of the City of Roseville.

# City Council Communication

**Meeting Date: 5/6/2026**
**Item #: VI.20**
**File #: 0400-04-12-1**
**Item ID: 2025-520**

| | |
|---|---|
| **Title:** | Baseline Marketplace Pavilion Drive - Notice of Completion |
| **Contact:** | Andrew Druck 916-774-5577 adruck@roseville.ca.us |

## SUMMARY

Staff recommends approval of the Notice of Completion for the Baseline Marketplace Pavilion Drive as complete. The Engineering Division has made final inspection of the project and has found the roadway infrastructure work complete in accordance with the improvement plans and City specifications. This action has no impact to the City's General Fund. Construction costs were paid by the developer.

## RECOMMENDATION

Staff recommends that the City Council adopt the attached resolution accepting Baseline Marketplace Pavilion Drive, CWJ # 191111 as complete and authorizing the City Engineer to execute the Notice of Completion.

## BACKGROUND

The Engineering Division has made a final inspection of the above project and has found the roadway infrastructure work complete in accordance with the improvement plans and City specifications.

## FISCAL IMPACT

The actions requested as part of this action have no impact to the City's General Fund. Construction costs were paid by the developer.

## ENVIRONMENTAL REVIEW

The California Environmental Quality Act (CEQA) does not apply to activities that will not result in a direct or reasonably foreseeable indirect physical change in the environment, or is otherwise not considered a project as defined by CEQA Statute §21065 and CEQA State Guidelines §15060(c)(3) and §15378. The Notice of Completion meets the above criteria and is not subject to CEQA. No additional environmental review is required.

## CITY COUNCIL STRATEGIC PLAN/OVERARCHING GOALS

4. Invest in well-planned infrastructure and growth

Respectfully Submitted,
Andrew Druck, Senior Construction Inspector

Mike Isom, Development Services Director

## ATTACHMENTS:

1. Resolution 26-106

2. NOC

RESOLUTION NO. 26-106

RESOLUTION OF THE COUNCIL OF THE CITY OF ROSEVILLE ACCEPTING THE PUBLIC WORK KNOWN AS BASELINE MARKETPLACE PAVILION DRIVE PROJECT, APPROVING THE "NOTICE OF COMPLETION", AND AUTHORIZING AND DIRECTING THE CITY ENGINEER TO EXECUTE SAID NOTICE ON BEHALF OF THE CITY OF ROSEVILLE, THEREFORE, AND ACCEPTING A PORTION OF THE DEDICATIONS OFFERED ON THE RECORDED MAP OF THE SUBDIVISION.

BE IT RESOLVED by the Council of the City of Roseville as follows:

1. The "Notice of Completion" on file in the City Clerk's Department relative to that public work known as the Baseline Marketplace Pavilion Drive is hereby approved and the public work accepted.

2. A portion of the right-of-way and easements offered for dedication on the final map of **Baseline Marketplace DF Properties, Inc Large Lot** recorded in Book **GG** of Maps, Page **59** in the office of the recorder of Placer County, is hereby accepted by the City in part as said dedications relates to the improvement plan set known as Baseline Marketplace Pavilion Drive.
3. The City Engineer is hereby authorized and directed to execute said Notice on behalf of the City of Roseville.

## NOTES:

1. ALL CURVES ARE DIMENSIONED WITH RADIUS, DELTA, ARC LENGTH, CHORD BEARING AND CHORD LENGTH. DUE TO ROUNDING THE SUM OF INDIVIDUAL DIMENSIONS MAY NOT EQUAL THE OVERALL DIMENSION. ALL DISTANCES SHOWN ARE IN FEET AND DECIMALS THEREOF AND ARE "GROUND" DISTANCES.

2. TOTAL AREA FOR THIS SUBDIVISION IS 81.229± ACRES, CONSISTING OF 28 LARGE LOTS AND 1 OPEN SPACE LOT.

3. PURSUANT TO SECTION 66499.20.2 OF THE GOVERNMENT CODE, THE LANDS SHOWN HEREON ARE HEREBY MERGED AND RESUBDIVIDED, AND THE FOLLOWING IRREVOCABLE OFFERS OF DEDICATION AND EASEMENTS THAT FALL WITHIN THE SUBJECT PROPERTY, NOT SHOWN HEREON, ARE HEREBY ABANDONED:
   A. RIGHT-OF-WAY OF UPLAND DRIVE AND A PORTION OF SAN FERNANDO DRIVE AND BASELINE ROAD AS SHOWN ON FF MAPS 21.
   B. PUBLIC UTILITY EASEMENTS, PEDESTRIAN EASEMENTS AND LANDSCAPE EASEMENTS AS SHOWN ON FF MAPS 21.

4. PRIOR TO OR CONCURRENT WITH THE FIRST CONVEYANCE, BY THE SUBDIVIDER, OF A LOT CREATED WITH THIS MAP, RECIPROCAL EASEMENTS FOR ACCESS, PARKING, PRIVATE DRAINAGE AND UTILITIES, INCLUDING THE INSTALLATION AND MAINTENANCE THEREOF, SHALL BE RECORDED BY SEPARATE EASEMENT DOCUMENT(S) OR A DECLARATION OF COVENANTS, CONDITIONS AND RESTRICTIONS. IF SUBDIVIDER DEVELOPS ANY LOT PRIOR TO CONVEYANCE, A DECLARATION OF COVENANTS, CONDITIONS AND RESTRICTIONS SHALL BE RECORDED PRIOR TO CITY APPROVAL OF THE FIRST SITE PLAN PERMIT.

5. THE TEMPORARY CONSTRUCTION AND ACCESS EASEMENT IN DEED RECORDED JUNE 6, 2017, AS INSTRUMENT NO. 2017-0041424, OFFICIAL RECORDS OF PLACER COUNTY IS FULLY CONTAINED IN THE RIGHT OF WAY AND PUBLIC UTILITY EASEMENTS SHOWN HEREON. THE TERM OF SAID EASEMENT TERMINATES ONE YEAR FOLLOWING ACCEPTANCE OF THE IMPROVEMENTS BY THE CITY OF ROSEVILLE.

| **Title:** | Roseville Housing Authority — Administrative Plan Amendments |
| **Contact:** | Suzi Cook-Turner 916-774-5414 smcook-turner@roseville.ca.us |

SUMMARY

Staff recommends approval of the amended Roseville Housing Authority Administrative Plan that incorporates discretionary policy changes, supports cost-saving measures and ensures continued compliance with U.S. Department of Housing and Urban Development regulations. The Administrative Plan has no impact on the City's General Fund.

RECOMMENDATION

Staff recommends that the City Council, acting as the Roseville Housing Authority Board, adopt a resolution approving the proposed amendments to the Housing Authority Administrative Plan.

BACKGROUND

The U.S. Department of Housing and Urban Development (HUD) requires each housing authority to adopt a written administrative plan that establishes federal, state and local policies for administering the Housing Choice Voucher (HCV) rental assistance program. The Roseville Housing Authority (RHA) is required to revise its administrative plan, as necessary, to comply with HUD regulations and must include revisions to the Housing Authority's discretionary policies. Revisions to the plan must be formally adopted.

To ensure that RHA remains in full compliance with current HUD regulations and continues to apply its discretionary policies consistently and equitably, staff is recommending several key updates to the Administrative Plan. These revisions are necessary to clarify existing procedures, incorporate recent HUD guidance, and strengthen policy transparency for program participants. Collectively, these changes support fair housing practices, improve administrative accuracy, incorporate cost-saving measures, and enhance the overall effectiveness of the HCV Program. The proposed updates to the Administrative Plan include the following key revisions:

**Project-Based Voucher (PBV) Unit Offer and Refusal Policy** - Revisions introduce a formal policy outlining procedures to offer PBV units to eligible households, as well as the conditions under which applicants or participants may refuse a PBV unit without jeopardizing their status on the waitlist.

**Determination of Voucher Size, Corrections, and Reasonable Accommodation Policies** - Updates clarify the methodology for determining the appropriate voucher size, establish procedures for downsizing, and create an exception process for reasonable accommodation. This includes adding a grace period for households with an approved live-in aide, ensuring compliance with fair housing requirements and supporting participant needs.

**Restrictions on Elective Moves** - Modifications refine and clarify the conditions under which moves may be denied, ensuring that policies remain up to date with HUD guidance and incorporate the Housing

Authority's discretionary options.

**Family Composition During Port-In** – RHA will review and verify household composition provided by the initial PHA. RHA will not change, expand, or otherwise modify the family composition during the port-in process except in limited circumstances required by federal regulation.

Staff requests that the Roseville Housing Authority Board approve the proposed updates to the Administrative Plan to incorporate discretionary policy changes, support cost-saving measures and ensure continued compliance with HUD regulations.

FISCAL IMPACT

The HCV Program is federally funded through the US Department of Housing and Urban Development (HUD). Through this HUD-funded program, RHA provides an important social service locally to ensure safe and affordable housing for residents, which is an essential component of the foundation of the community's economic stability. Through monthly rental assistance payments, the HCV Program invests over $12 million into the local rental economy annually.

This Housing Authority Administrative Plan revision does not create any additional cost to the City's General Fund.

ENVIRONMENTAL REVIEW

The California Environmental Quality Act (CEQA) does not apply to activities that will not result in a direct or reasonably foreseeable indirect physical change in the environment (CEQA Guidelines §15061(b)(3)). Updates to Roseville Housing Authority's Administrative Plan does not include the potential for a significant environmental effect, and therefore is not subject to CEQA.

CITY COUNCIL STRATEGIC PLAN/OVERARCHING GOALS

1. Ensure a safe and healthy community
3. Enhance economic vitality

Respectfully Submitted,
Suzi Cook-Turner, Housing Supervisor

Melissa Anguiano, Economic Development Director

HOUSING AUTHORITY OF THE CITY OF ROSEVILLE
RESOLUTION NO. 26-4

APPROVING THE UPDATED ROSEVILLE HOUSING AUTHORITY ADMINISTRATIVE PLAN

WHEREAS, the U.S. Department of Housing and Urban Development (HUD) requires each housing authority to adopt a written administrative plan that establishes local policies for administering the Housing Choice Voucher Rental Assistance Program; and

WHEREAS, staff has proposed revisions to Roseville Housing Authority's Administrative Plan that incorporate discretionary policy changes, support cost-saving measures and ensure continued compliance with HUD regulations; and

WHEREAS, the Housing Authority has reviewed the proposed changes to the Roseville Housing Authority Administrative Plan.

NOW, THEREFORE, BE IT RESOLVED by the Housing Authority of the City of Roseville that it hereby approves the updated Roseville Housing Authority Administrative Plan.

PASSED AND ADOPTED by the Housing Authority of the City of Roseville this ___ day of _____, 20__, by the following vote on roll call:

_____
Secretary

# Chapter 4

# APPLICATIONS, WAITING LIST AND TENANT SELECTION

## INTRODUCTION

When a family wishes to receive assistance under the HCV program, the family must submit an application that provides the PHA with the information needed to determine the family's eligibility. HUD requires the PHA to place all families that apply for assistance on a waiting list. When HCV assistance becomes available, the PHA must select families from the waiting list in accordance with HUD requirements and PHA policies as stated in the administrative plan and the annual plan.

The PHA is required to adopt clear policies and procedures for accepting applications, placing families on the waiting list, selecting families from the waiting list and must follow these policies and procedures consistently. The actual order in which families are selected from the waiting list can be affected if a family has certain characteristics designated by HUD or the PHA that justify their selection. Examples of this are the selection of families for income targeting and the selection of families that qualify for targeted funding.

HUD regulations require that all families have an equal opportunity to apply for and receive housing assistance, and that the PHA affirmatively further fair housing goals in the administration of the program [24 CFR 982.53, HCV GB p. 4-1]. Adherence to the selection policies described in this chapter ensures that the PHA will be in compliance with all relevant fair housing requirements, as described in Chapter 2.

This chapter describes HUD and PHA policies for taking applications, managing the waiting list and selecting families for HCV assistance. The policies outlined in this chapter are organized into three sections, as follows:

> Part I: The Application Process. This part provides an overview of the application process and discusses how applicants can obtain and submit applications. It also specifies how the PHA will handle the applications it receives.
>
> Part II: Managing the Waiting List. This part presents the policies that govern how the PHA's waiting list is structured, when it is opened and closed, and how the public is notified of the opportunity to apply for assistance. It also discusses the process the PHA will use to keep the waiting list current.
>
> Part III: Selection for HCV Assistance. This part describes the policies that guide the PHA in selecting families for HCV assistance as such assistance becomes available. It also specifies how the PHA has the information needed to make a final eligibility determination.

## PART I: THE APPLICATION PROCESS

### 4-I.A. OVERVIEW

This part describes the PHA policies for making applications available, accepting applications, making preliminary determinations of eligibility, and the placement of applicants on the waiting list. This part also describes the PHA's obligation to ensure the accessibility of the application process to elderly persons, people with disabilities, and people with limited English proficiency (LEP).

### 4-I.B. APPLYING FOR ASSISTANCE [HCV GB, pp. 4-11 – 4-16]

Any family that wishes to receive HCV assistance must apply for admission to the program. HUD permits the PHA to determine the format and content of HCV applications, as well as how such applications will be made available to interested families and how applications will be accepted by the PHA. The PHA must include Form HUD-92006, Supplement to Application for Federally Assisted Housing, as part of the PHA's application.

**Roseville Housing Authority (RHA) Policy**

**RHA initially will require families to provide only the information needed to make an initial assessment of the family's eligibility, and to determine the family's placement on the waiting list. The family will be required to provide all of the information necessary to establish family eligibility and level of assistance when the family is selected from the waiting list.**

**When the Housing Choice Voucher Waiting List is open, families must apply by means of online application. The family will be able to access the online applications from any computer or mobile device with Internet access. The application process will not be restricted to business hours. The family will have the option to print a receipt for their application.**

**If targeted funding is received for families receiving specific services through social service agencies, applications will be forwarded directly from those agencies with certification by the agency and family that the applicant(s) meets the specific funding criteria.**

### 4-I.C. ACCESSIBILITY OF THE APPLICATION PROCESS

#### Elderly and Disabled Populations [24 CFR 8 and HCV GB, pp. 4-11 – 4-13]

The PHA must take steps to ensure that the application process is accessible to those people who might have difficulty complying with the normal, standard PHA application process. The PHA must provide reasonable accommodation to the needs of individuals with disabilities. Chapter 2 provides a full discussion of the PHA's policies related to providing reasonable accommodations for people with disabilities.

**Roseville Housing Authority (RHA) Policy**

**If a person with disabilities is unable to access a computer to apply for the HCV Waiting List due to the nature of their disability (and is unable to have someone apply online on their behalf) they may request a reasonable accommodation for**

**assistance with the application process. The written request must be received by RHA during the normal business hours within the dates that online waiting list applications are being accepted. If the reasonable accommodation is not approved there will be no accommodation for applying for HCV assistance after the HCV waiting list has closed.**

### Limited English Proficiency

PHAs are required to take reasonable steps to ensure equal access to their programs and activities by persons with limited English proficiency [24 CFR 1]. Chapter 2 provides a full discussion on the PHA's policies related to ensuring access to people with limited English proficiency (LEP).

## 4-I.D. PLACEMENT ON THE WAITING LIST

The PHA must review each complete application received and make a preliminary assessment of the family's eligibility. The PHA must accept applications from families for whom the list is open unless there is good cause for not accepting the application (such as denial of assistance) for the grounds stated in the regulations [24 CFR 982.206(b)(2)]. Where the family is determined to be ineligible, the PHA must notify the family in writing [24 CFR 982.201(f)]. Where the family is not determined to be ineligible, the family will be placed on a waiting list of applicants.

No applicant has a right or entitlement to be listed on the waiting list, or to any particular position on the waiting list [24 CFR 982.202(c)].

### Lottery to Limit Number of Pre-applications Added to the Waiting List

**Roseville Housing Authority (RHA) Policy**

**Prior to opening the waiting list RHA may elect to limit the number of pre-applications to be added to the waiting list. All pre-applications received online will be entered into a computer-generated lottery that will factor in the preferences marked on the application when assigning random numbers. The predetermined number of pre-applications to be added the RHA waiting list.**

### Ineligible for Placement on the Waiting List

**Roseville Housing Authority (RHA) Policy**

**If RHA can determine from the information provided that a family is ineligible, the family will not be placed on the waiting list. Where a family is determined to be ineligible, RHA will send written notification of the ineligibility determination to the applicant. The notice will specify the reasons for ineligibility and will inform the family of its right to request an informal review and explain the process for doing so (see Chapter 16).**

### Eligible for Placement on the Waiting List

**Roseville Housing Authority (RHA) Policy**

**A computer-generated lottery will rank the applicants by the preferences marked on the application. RHA will contact the highest ranked applicants who indicated on their application that they qualify for the Targeted, Resident, Family, or Displaced**

**preferences and ask that they verify the preferences within 10 working days of the date of the letter.**

Once the due date for verifying preferences has passed, all preferences that have not been verified are removed. A final lottery will be run for applicants that have verified their preferences, adding the predetermined number of applicants to the waiting list. Those who are chosen in this lottery will be placed on the waiting list according to the preference(s) for which they qualify. This lottery will be to place the applicants in number order.

**Placement on the waiting list does not indicate that the family is, in fact, eligible for assistance. A final determination of eligibility will be made when the family is selected from the waiting list.**

**The RHA will contact applicants:**

- **When updating information for the waiting list;**
- **When their names have come to the top of the waiting list; or**
- **If it appears that the family is ineligible for assistance.**

## PART II: MANAGING THE WAITING LIST

### 4-II.A. OVERVIEW

The PHA must have policies regarding various aspects of organizing and managing the waiting list of applicant families. This includes opening the list to new applicants, closing the list to new applicants, notifying the public of waiting list openings and closings, updating waiting list information, purging the list of families that are no longer interested in or eligible for assistance, as well as conducting outreach to ensure a sufficient number of applicants.

In addition, HUD imposes requirements on how a PHA may structure its waiting list and how families must be treated if they apply for assistance from a PHA that administers more than one assisted housing program.

### 4-II.B. ORGANIZATION OF THE WAITING LIST [24 CFR 982.204 and 205]

The PHA's HCV waiting list must be organized in such a manner to allow the PHA to accurately identify and select families for assistance in the proper order, according to the admissions policies described in this plan.

The waiting list must contain the following information for each applicant listed:

- Applicant name;
- Family unit size;
- Date of application;
- Qualification for any local preference;
- Racial or ethnic designation of the head of household.

HUD requires the PHA to maintain a single waiting list for the HCV program unless it serves more than one county or municipality. Such PHAs are permitted, but not required, to maintain a separate waiting list for each county or municipality served.

**Roseville Housing Authority (RHA) Policy**

**RHA will maintain a single waiting list for the HCV program.**

### 4-II.C. OPENING AND CLOSING THE WAITING LIST [24 CFR 982.206]

The waiting list cannot be opened until the PHA publishes a notice in local newspapers of general circulation, minority media, and other suitable media outlets. The notice must comply with HUD fair housing requirements and must specify who may apply and where applications will be accepted. The notice will also state the date range that the PHA will accept applications.

**Roseville Housing Authority (RHA) Policy**

**RHA will announce the opening of the waiting list at least 10 business days prior to the date applications will first be accepted. If the list is only being reopened for certain categories of families, this information will be contained in the notice.**

**RHA will give public notice by publishing the relevant information in suitable media outlets including, but not limited to:**

- **RHA Website**
- **The Press-Tribune**
- **El Hispano**
- **Placer Herald**

## 4-II.D. FAMILY OUTREACH [HCV GB, pp. 4-2 to 4-4]

The PHA must conduct outreach as necessary to ensure that the PHA has a sufficient number of applicants on the waiting list to use the HCV resources it has been allotted.

Because HUD requires the PHA to admit a specified percentage of extremely low-income families to the program (see Chapter 4, Part III), the PHA may need to conduct special outreach to ensure that an adequate number of such families apply for assistance [HCV GB, p. 4-20 to 4-21].

PHA outreach efforts must comply with fair housing requirements. This includes:

- Analyzing the housing market area and the populations currently being served to identify underserved populations
- Ensuring that outreach efforts are targeted to media outlets that reach eligible populations that are underrepresented in the program
- Avoiding outreach efforts that prefer or exclude people who are members of a protected class

PHA outreach efforts must be designed to inform qualified families about the availability of assistance under the program. These efforts may include, as needed, any of the following activities:

- Submitting press releases to local newspapers, including minority newspapers
- Developing informational materials and flyers to distribute to other agencies
- Providing application forms to other public and private agencies that serve the low-income population
- Developing partnerships with other organizations that serve similar populations, including agencies that provide services for persons with disabilities

## 4-II.E. REPORTING CHANGES IN FAMILY CIRCUMSTANCES

**Roseville Housing Authority (RHA) Policy**

**While the family is on the waiting list, the family must inform RHA of changes in contact information, including current residence and mailing address. The changes must be submitted in writing within 10 business days of the change. Mail from RHA will not be forwarded by the Post Office.**

## 4-II.F. UPDATING THE WAITING LIST [24 CFR 982.204]

HUD requires the PHA to establish policies to use when removing applicant names from the waiting list.

### Purging the Waiting List

The decision to remove an applicant family that includes a person with disabilities from the waiting list is subject to reasonable accommodation. If the PHA determines that an applicant did

not respond to a PHA request for information or updates because of the family member's disability, the PHA must reinstate the applicant family to their former position on the waiting list [24 CFR 982.204(c)(2)].

**Roseville Housing Authority (RHA) Policy**

**Annually, RHA will determine if an update of the waiting list is needed, and if so, the portion of the waiting list it will update. The number of applicants to be updated will be determined by a projection of future lease-up needs.**

**To update the waiting list, RHA will send an update request via first class mail to each family on the waiting list to determine whether the family continues to be interested in, and to qualify for, the program. This update request will be sent to the last address that RHA has on record for the family. The update request will provide a deadline by which the family must respond and will state that failure to respond will result in the applicant's name being removed from the waiting list.**

**The family's response must be through AssistanceCheck (an online secure database). If the family fails to create and/or update their AssistanceCheck account within 14 days, the family will be removed from the waiting list. A letter will be sent to the last known address for the applicant explaining that they have been deleted from the list for not responding to an update. The letter will also explain how to request an informal review regarding RHA's decision (see Chapter 16) [24 CFR 982.201(f)].**

**If the letter is returned by the post office, the applicant will be removed from the waiting list without further notice.**

**If a family is removed from the waiting list for failure to respond, the PHA may reinstate the family if it is determined that the lack of response was due to PHA error, or to circumstances beyond the family's control, as a result of a family member's disability, or as a direct result of status as a victim of domestic violence, dating violence, sexual assault, stalking, or human trafficking, including an adverse factor resulting from such abuse.**

**Removal from the Waiting List**

**Roseville Housing Authority (RHA) Policy**

**If at any time an applicant family is on the waiting list, RHA determines that the family is not eligible for assistance (see Chapter 3), the family will be removed from the waiting list.**

**If a family is removed from the waiting list because RHA has determined the family is not eligible for assistance, a notice will be sent to the family's address of record. The notice will state the reasons the family was removed from the waiting list and will inform the family how to request an informal review regarding RHA's decision (see Chapter 16) [24 CFR 982.201(f)].**

## PART III: SELECTION FOR HCV ASSISTANCE

### 4-III.A. OVERVIEW

As vouchers become available, families on the waiting list must be selected for assistance in accordance with the policies described in this part.

The order in which families are selected from the waiting list depends on the selection method chosen by the PHA and is impacted in part by any selection preferences for which the family qualifies. The availability of targeted funding also may affect the order in which families are selected from the waiting list.

The PHA must maintain a clear record of all information required to verify that the family is selected from the waiting list according to the PHA's selection policies [24 CFR 982.204(b) and 982.207(e)].

### 4-III.B. SELECTION AND HCV FUNDING SOURCES

#### Special Admissions [24 CFR 982.203]

HUD may award funding for specifically named families living in specified types of units (e.g., a family that is displaced by demolition of public housing; a non-purchasing family residing in a HOPE 1 or 2 projects). In these cases, the PHA may admit such families whether or not they are on the waiting list, and, if they are on the waiting list, without considering the family's position on the waiting list. These families are considered non-waiting list selections. The PHA must maintain records showing that such families were admitted with special program funding.

#### Targeted Funding [24 CFR 982.204(e)]

HUD may award a PHA funding for a specified category of families on the waiting list. The PHA must use this funding only to assist the families within the specified category. In order to assist families within a targeted funding category, the PHA may skip families that do not qualify within the targeted funding category. Within this category of families, the order in which such families are assisted is determined according to the policies provided in Section 4-III.C.

**Roseville Housing Authority (RHA) Policy**

**RHA administers the following types of targeted funding:**

**RHA administers HUD's Rental Assistance for Non-Elderly Persons with Disabilities (NED) Program and Veterans Affairs Supportive Housing (VASH) program, Mainstream Voucher program, Emergency Housing Vouchers, and Foster Youth Initiative Vouchers.**

#### Regular HCV Funding

Regular HCV funding may be used to assist any eligible family on the waiting list. Families are selected from the waiting list according to the policies provided in Section 4-III.C.

## 4-III.C. SELECTION METHOD

PHAs must describe the method for selecting applicant families from the waiting list, including the system of admission preferences that the PHA will use [24 CFR 982.202(d)].

### Local Preferences [24 CFR 982.207; HCV p. 4-16]

PHAs are permitted to establish local preferences, and to give priority to serving families that meet those criteria. HUD specifically authorizes and places restrictions on certain types of local preferences. HUD also permits the PHA to establish other local preferences, at its discretion. Any local preferences established must be consistent with the PHA plan and the consolidated plan and must be based on local housing needs and priorities that can be documented by generally accepted data sources. (See page 4-14 for preferences)

### Income Targeting Requirement [24 CFR 982.201(b)(2)]

HUD requires that extremely low-income (ELI) families make up at least 75% of the families admitted to the HCV program during the PHA's fiscal year. ELI families are those with annual incomes at or below the federal poverty level or 30% of the area median income, whichever number is higher. To ensure this requirement is met, a PHA may skip non-ELI families on the waiting list in order to select an ELI family.

Low-income families admitted to the program that are "continuously assisted" under the 1937 Housing Act [24 CFR 982.4(b)], as well as low-income or moderate-income families admitted to the program that are displaced as a result of the prepayment of the mortgage or voluntary termination of an insurance contract on eligible low-income housing, are not counted for income targeting purposes [24 CFR 982.201(b)(2)(v)].

**Roseville Housing Authority (RHA) Policy**

**RHA will monitor progress in meeting the ELI requirement throughout the fiscal year. Extremely low-income families will be selected ahead of other eligible families on an as-needed basis to ensure the income targeting requirement is met.**

**If there are not enough extremely low-income families on the waiting list, we will conduct outreach on a non-discriminatory basis to attract extremely low-income families to reach the statutory requirement.**

### Order of Selection

The PHA system of preferences may select families either according to the date and time of application, or by a random selection process [24 CFR 982.207(c)]. When selecting families from the waiting list PHAs are required to use targeted funding to assist only those families who meet the specified criteria, and PHAs are not permitted to skip down the waiting list to a family that it can afford to subsidize when there are not sufficient funds to subsidize the family at the top of the waiting list [24 CFR 982.204(d) and (e)].

**Roseville Housing Authority (RHA) Policy**

**Families will be selected from the waiting list based on the targeted funding or selection preference(s) for which they qualify, and in accordance with RHA's hierarchy of preferences, if applicable. Families will be selected from the waiting list**

**by a computer-generated lottery system in conjunction with local preference criteria and targeted funding where applicable.**

**Preferences**

**Roseville Housing Authority Policy**

**The Roseville Housing Authority will select families based on the following preferences. When pre-applications are received by the Roseville Housing Authority, staff will review the following ranking preference categories and will apply them in the following order.**

**Insufficient HCV Funding Termination = 50 points**

**RHA will offer a preference to families who have had their Housing Choice Voucher revoked/suspended due to HUD HAP funding shortfalls within the last 12 months.**

**Emergency Housing Voucher (EHV) Tiered Preference - Housing Choice Vouchers Program**

**To support the transition of families from the Emergency Housing Voucher (EHV) program into the Housing Choice Voucher (HCV) program, the Housing Authority has adopted a tiered local preference structure. This preference is designed to prioritize EHV families who are at risk of losing assistance due to the exhaustion of EHV program funding.**

**Eligible applicants must be current EHV participants and meet the criteria outlined below:**

**Tier 1 – High Vulnerability =**

**Priority is given to EHV families where the head of household, spouse, or co-head meets one or more of the following:**

- **Are elderly (age 62 or older)**
- **Has a documented disability**
- **Is fleeing or attempting to flee domestic violence, dating violence, sexual assault, stalking, or human trafficking**
- **Has dependent children under the age of 18**

**General EHV Preference =**

**Remaining EHV families who do not meet Tier 1 criteria but are:**

- **Are recently homeless and at high risk of housing instability**
- **Are at risk of homelessness due to loss of EHV assistance**
- **Have been continuously housed under the EHV program for at least 12 months**

**Emergency Housing Voucher (EHV) Preference for Mainstream Vouchers =**

**The Housing Authority has established a local preference for families currently assisted under the Emergency Housing Voucher (EHV) program who meet the eligibility criteria for the Mainstream Voucher program and are at risk of losing assistance due to exhaustion of EHV program funding.**

**To qualify for this preference, the household must:**

- **Be actively receiving EHV assistance through Roseville Housing Authority; and**
- **Be at risk of losing EHV assistance due to lack of program funding; and**
- **Meet the eligibility requirements for the Mainstream Voucher program, including:**
    - **The head of household, spouse, or co-head must be a non-elderly person with a disability (age 18–61); and**
    - **The household must be transitioning out of institutional or other segregated settings, at serious risk of institutionalization, homeless, or at risk of homelessness.**

**This preference will be applied to the Mainstream Voucher waiting list in accordance with 24 CFR 982.207(a)(2).**

**<u>Elderly/Disabled Preference</u> = 30 points**

**An elderly preference applies if the head, spouse, or co-head is a person who is age 62 or older. A disabled person preference is given if any family member receives Social Security or Supplemental Security benefits or otherwise meets the definition of disabled as defined under Section 223 of the Social Security Act.**

**<u>Residency Preference</u> = 15 points**

**Resident (live or work within the cities of Roseville/Rocklin, at time of application, or at any time during the applicant's term on the waiting list)**

**<u>United States Veteran</u> = 10 points**

**A veteran is defined as a person who served in the active military, naval, or air service and who was discharged or released from such service under conditions other than dishonorable.**

**<u>Involuntarily Displaced Preference</u> = 10 points**

**Households that are currently involuntarily displaced or become displaced (at any time during the applicant's term on the waiting list), and are not living in standard permanent replacement housing, due to the following actions: Disaster, Government Action (such as condemnation from the Building Department), Action of Housing Owner, Inaccessibility, Property Disposition. (Re-established from a former Federal Preference Category)**

- **Standard permanent replacement housing is decent, safe, sanitary housing of adequate size occupied by a family under a lease or occupancy agreement.**
- **Standard permanent replacement housing does not include transient facilities, such as motels, hotels, or temporary shelters for homeless families or victims of domestic violence.**

**Not subject to involuntary displacement action.**

**<u>Lease-In Place Preference</u> = 50 points**

**Households who intend to lease the unit in which they are currently residing, provided the unit is located within RHA's jurisdiction and the owner agrees to participate in the Housing Choice Voucher Program. To verify eligibility for this preference, applicants must provide:**

- **A copy of the current lease for the unit, which must be appropriately sized for the family, and**
- **Utility bills for the most recent three-month period showing the applicant's name and address to confirm residency.**

**Ranking of Preferences**

Based on the above preferences, an applicant with a family preference (30 points) will be offered housing before an applicant with only a residency preference (15 points). The preference points accumulate, for example, an applicant, who has a family with minor children, is a Roseville resident and is involuntarily displaced would get 55 points. This applicant would get assistance before a family with minor children, is a Roseville resident, but *not* involuntarily displaced, as the second applicant would get 45 points.

The above points system is currently being used by the Roseville Housing Authority; however, the Housing Authority reserves the right to change the system as long as the system maintains the same type of ranking structure.

## 4-III.D. NOTIFICATION OF SELECTION

When a family has been selected from the waiting list, the PHA must notify the family [24 CFR 982.554(a)].

**Roseville Housing Authority (RHA) Policy**

**RHA will notify the family by first class mail when it is selected from the waiting list. The notice will inform the family of the following:**

**Update application must be completed and returned.**

**Documents that must be provided in order to verify the preferences that were indicated on the initial waiting list application.**

**Due date for the required documents.**

**Failure to return the update application will cause the family to be removed from the waiting list.**

**Failure to verify preferences will result in the loss of the preference(s) and the family will be returned to the waiting list.**

**If the notice is returned by the post office, the applicant will be removed from the waiting list without further notice.**

**Project-Based Voucher (PBV) Unit Offer and Refusal Policy**

In accordance with 24 CFR 983.251, PHAs maintain separate waiting lists for Project-Based Voucher (PBV) units or PBV projects. Applicants will be selected from the PBV waiting list in the order of their position on the list, subject to eligibility, applicable preferences, and unit availability. PHAs may use site-based waiting lists for PBV units consistent with HUD regulations.

Applicants on the PBV waiting list will be notified when a PBV unit that matches the applicant's

household composition and eligibility becomes available. The PHA will ensure equal opportunity and nondiscrimination in selecting families for PBV assistance.

**Roseville Housing Authority (RHA) Policy**

**The Roseville Housing Authority will make reasonable efforts to offer eligible applicants appropriate available PBV units in accordance with 24 CFR 983.251. Applicants on the PBV waiting list will be offered units based on eligibility, preference ranking (if applicable), and unit availability.**

**To ensure efficient use of PBV units and timely leasing, the following policy applies to applicant refusals:**

- **Applicants who refuse one (1) appropriate PBV unit offer will remain on the waiting list.**
- **Applicants who refuse two (2) appropriate PBV unit offers without good cause will be removed from the PBV waiting list.**

**Applicants removed under this provision may reapply to the waiting list in accordance with RHA's standard application procedures, subject to the status of the waiting list at the time of reapplication.**

**Good cause for refusing a PBV unit includes, but is not limited to:**

- **Verified disability-related accommodation needs**
- **Documented medical circumstances that prevent acceptance of the unit**
- **Household size mismatch due to PHA error**
- **Condition of unit does not meet HQS at the time of offer**
- **Other circumstances as approved by the Housing Supervisor in compliance with reasonable accommodation requirements and fair housing law**

**Applicants claiming good cause must provide verification within the timeframe stated in the unit-offer notice.**

## 4-III.E. COMPLETING THE APPLICATION PROCESS

The PHA must confirm that the family is qualified for any special admission, targeted admission, or selection preference that affected the order in which the family was selected from the waiting list.

**Roseville Housing Authority (RHA) Policy**

**Pending disclosure and documentation of social security numbers, RHA will allow the family to retain its place on the waiting list for 30 days. RHA will grant an additional 30-day extension if needed for reasons beyond the applicant's control such as delayed processing of the SSN application by the SSA, death in the family or other emergency. If the applicant fails to comply with SSN disclosure and documentation requirements upon expiration of the provided time period, the PHA will deny the applicant's assistance.**

**If RHA determines that the family is ineligible, RHA will send written notification of the ineligibility determination. The notice will specify the reasons for ineligibility**

**and will inform the family of its right to request an informal review (Chapter 16).**

**If a family fails to qualify for any criteria that affected the order in which it was selected from the waiting list (e.g. targeted funding, extremely low-income), the family will be returned to the waiting list. RHA will notify the family in writing that it has been returned to the waiting list and will specify the reasons for it.**

**If RHA determines that the family appears to be eligible to receive assistance, RHA will invite the family to attend a briefing in accordance with the policies in Chapter 5.**

# Chapter 5

# BRIEFINGS AND VOUCHER ISSUANCE

## INTRODUCTION

This chapter explains the briefing and voucher issuance process. When a family is determined to be eligible for the Housing Choice Voucher (HCV) program, the PHA must ensure that the family fully understands the way the program operates and the family's obligations under the program. This is accomplished through both an oral briefing and provision of a briefing packet containing the HUD-required documents and other information the family needs to know. Once the family is fully informed of the program's requirements, the PHA issues the family a voucher. The voucher includes the unit size for which the family qualifies based on the PHA's subsidy standards, as well as issue and expiration date of the voucher. The voucher is the document that authorizes the family to begin its search for a unit and limits the amount of time the family has to successfully locate an acceptable unit.

This chapter describes HUD regulations and PHA policies related to these topics in two parts:

Part I: Briefings and Family Obligations. This part details the program's requirements for briefing families orally, and for providing written materials describing the program and its requirements. It includes a particular focus on the family's obligations under the program.

Part II: Subsidy Standards and Voucher Issuance. This part discusses the PHA's standards for determining how many bedrooms a family of a given composition qualifies for, which in turn affects the amount of subsidy the family can receive. It also discusses the policies that dictate how vouchers are issued, and how long families have to locate a unit.

## PART I: BRIEFINGS AND FAMILY OBLIGATIONS

### 5-I.A. OVERVIEW

HUD regulations require the PHA to conduct mandatory briefings for applicant families who qualify for a voucher. The briefing provides a broad description of owner and family responsibilities, explains the PHA's procedures, and includes instructions on how to lease a unit. This part describes how oral briefings will be conducted, specifies what written information will be provided to families, and lists the family's obligations under the program.

### 5-I.B. BRIEFING [24 CFR 982.301]

The PHA must give the family an oral briefing and provide the family with a briefing packet containing written information about the program. Families may be briefed individually or in groups. At the briefing, the PHA must ensure effective communication in accordance with Section 504 requirements (Section 504 of the Rehabilitation Act of 1973) and ensure that the briefing site is accessible to individuals with disabilities. For a more thorough discussion of accessibility requirements, refer to Chapter 2.

**Roseville Housing Authority (RHA) Policy**

**Briefings will generally be conducted in group meetings.**

**The head of household and all other adult household members are required to attend the briefing. If the head of household or any adult household member is unable to attend, RHA may invite the absent household members to a future briefing.**

**When a family member becomes an adult at the age of 18, a briefing will be scheduled to explain all family obligations under the HCV program. The head of household will also be required to attend this briefing. During the briefing, the 18-year-old household member will be required to complete and sign all necessary program forms and documents and will be provided the opportunity to ask questions regarding their rights and responsibilities under the HCV Program.**

**Briefings will be conducted in English. For Limited English Proficient (LEP) applicants, RHA will provide translation services in accordance with RHA's LEP plan (See Chapter 2).**

**Notification and Attendance**

**Roseville Housing Authority (RHA) Policy**

**When applicant households are invited to attend a briefing, the notice will specify who is required to attend as well as the date, time, and location of the scheduled briefing. If the notice is returned by the Post Office as undeliverable, the applicant will be removed from the waiting list.**

**Applicants who fail to attend a scheduled briefing without prior approval from RHA will be removed from the waiting list. However, RHA may allow applicants to reschedule a missed briefing for good cause.**

**If the applicant does not attend the rescheduled briefing, they will be removed from**

**the waiting list. Applicants will be notified in writing of this action and provided their informal review rights.**

**RHA will notify the family of the date and time of the rescheduled (second) briefing. Applicants who fail to attend two scheduled briefings without RHA approval will be denied assistance (see Chapter 3).**

### Oral Briefing [24 CFR 982.301(a)]

Each briefing must provide information on the following subjects:

- How the Housing Choice Voucher program works;
- Family and owner responsibilities;
- Where the family can lease a unit, including renting a unit inside or outside the PHA's jurisdiction;
- An explanation of how portability works. The PHA may not discourage the family from choosing to live anywhere in the PHA jurisdiction or outside the PHA jurisdiction under portability, unless otherwise expressly authorized by statute, regulation, PIH Notice, or court order;
- The PHA must inform the family of how portability may affect the family's assistance through screening, subsidy standards, payment standards, and any other elements of the portability process which may affect the family's assistance;
- A reminder that there are advantages of areas that do not have a high concentration of low-income families.

### Briefing Packet [24 CFR 982.301(b)]

Documents and information provided in the briefing packet must include the following:

- The term of the voucher, voucher suspensions, and the PHA's policies on any extensions. If the PHA allows extensions, the packet must explain how the family can request an extension.
- A description of the method used to calculate the housing assistance payment for a family, including how the PHA determines the payment standard for a family, how the PHA determines total tenant payment for a family, and information on the payment standard and utility allowance schedule.
- An explanation of how the PHA determines the maximum allowable rent for an assisted unit.
- Where the family may lease a unit and an explanation of how portability works, including information on how portability may affect the family's assistance through screening, subsidy standards, payment standards, and any other elements of the portability process that may affect the family's assistance.
- The HUD-required tenancy addendum, which must be included in the lease.
- The form the family must use to request approval of tenancy**,** and a description of the procedure for requesting approval for a tenancy.
- A statement of the PHA policy on providing information about families to prospective owners.
- The PHA subsidy standards including when and how exceptions are made.

- The HUD brochure on how to select a unit.
- Materials (e.g. brochures) on how to select a unit.
- The HUD pamphlet on lead-based paint entitled *Protect Your Family from Lead in Your Home.*
- Information on federal, state and local equal opportunity laws and a copy of the housing discrimination complaint form.
- A list of landlords known to the PHA who may be willing to lease a unit to the family or other resources (e.g. newspapers, organizations, online search tools) known to the PHA that may assist the family in locating a unit. PHAs must ensure that the list of landlords or other resources covers outside areas of poverty or minority concentration.
- Notice that if the family includes a person with disabilities, the family may request a list of available accessible units known to the PHA.
- The family obligations under the program.
- The grounds on which the PHA may terminate assistance for a participant family because of family action or failure to act.
- PHA informal hearing procedures including when the PHA is required to offer a participant family the opportunity for an informal hearing, and how to request the hearing.

If the PHA is located in a metropolitan area, the following additional information must be included in the briefing packet in order to receive full points under SEMAP Indicator 7, Expanding Housing Opportunities [24 CFR 985.3(g)]:

- Maps showing areas with housing opportunities outside areas of poverty or minority concentration including information about job opportunities, schools and services.
- An explanation of how portability works, including a list of portability contact persons for neighboring PHAs including with names, addresses, and telephone numbers.

### Additional Items to Be Included in the Briefing Packet

In addition to items required by the regulations, PHAs may wish to include supplemental materials to help explain the program to both participants and owners [HCV GB p. 8-7 Notice PIH 2010-19].

**Roseville Housing Authority (RHA) Policy**

**RHA will provide the following additional materials in the briefing packet:**

**Information about how to fill out and file a housing discrimination complaint form.**

**Information about the protections afforded by the Violence against Women Act of 2013 (VAWA) to victims of domestic violence, dating violence, sexual assault, and stalking (see section 16-IX.C)**

## 5-I.C. FAMILY OBLIGATIONS

Obligations of the family are described in the housing choice voucher (HCV) regulations and on the voucher itself. These obligations include responsibilities the family is required to fulfill, as well as prohibited actions. The PHA must inform families of these obligations during the oral briefing, and the same information must be included in the briefing packet. When the family's unit is approved and the HAP contract is executed, the family must meet those obligations in order to continue participating in the program. Violation of any family obligation may result in termination of assistance, as described in Chapter 12.

### Time Frames for Reporting Changes Required By Family Obligations

**Roseville Housing Authority (RHA) Policy**

**Immediately report in writing to the Housing Authority any changes in income or assets, and if any family member no longer lives in the unit. All family composition and income changes must be reported within 15 days and MUST BE IN WRITING.**

### Family Obligations [24 CFR 982.551]

The family obligations of the voucher are listed as follows:

- The family must supply any information that the PHA or HUD determines to be necessary, including submission of required evidence of citizenship or eligible immigration status.
- The family must supply any information requested by the PHA or HUD for use in a regularly scheduled reexamination or interim reexamination of family income and composition.

  **Roseville Housing Authority (RHA) Policy**

  **The family must not share bank or financial accounts with anyone other than current approved household members. All deposits may be counted toward household income.**

- The family must disclose and verify social security numbers and sign and submit consent forms for obtaining information.
- Any information supplied by the family must be true and complete.
- The family is responsible for any Housing Quality Standards (HQS) breach by the family caused by failure to pay tenant-provided utilities or appliances, or damages to the dwelling unit or premises beyond normal wear and tear caused by any member of the household or guest.
- The family must allow the PHA to inspect the unit at reasonable times and after reasonable notice, as described in Chapter 8 of this plan.
- The family must not commit any serious or repeated violation of the lease.

  **Roseville Housing Authority (RHA) Policy**

  **RHA will determine if a family has committed serious or repeated violations of the lease based on available evidence, including but not limited to, a court-ordered eviction, police reports, or other credible parties with direct knowledge.**

***Serious and repeated lease violations*** **will include, but not be limited to, disturbance of neighbors, destruction of property, or living or housekeeping habits that cause damage to the unit or premises and criminal activity. Generally, the criterion to be used will be whether or not the reason for the eviction was the fault of the tenant or guests. Any incidents of, or criminal activity related to, domestic violence, dating violence, sexual assault, stalking, or human trafficking will not be construed as serious or repeated lease violations by the victim [see 24 CFR 5.2005(c)(1)].**

- The family must notify the PHA and the owner before moving out of the unit or terminating the lease.

  **Roseville Housing Authority (RHA) Policy**

  **The family must comply with lease requirements regarding written notice to the owner. The family must provide written notice to RHA at the same time the owner is notified.**

- The family must promptly give the PHA a copy of any owner eviction notice.
- The family must use the assisted unit for residence by the family. The unit must be the family's only residence.
- The composition of the assisted family residing in the unit must be approved by the PHA. The family must promptly notify the PHA in writing of the birth, adoption, or court-awarded custody of a child. The family must request PHA approval to add any other family member as an occupant of the unit.

  **Roseville Housing Authority (RHA) Policy**

  **The request to add a family member must be submitted in writing and approved by the property owner and RHA prior to the person moving into the unit. RHA will determine eligibility of the new member in accordance with the policies in Chapter 3.**

  **The family must not allow anyone other than current approved household members to use the address of the assisted unit for their mailing address.**

- The family must promptly notify the PHA in writing if any family member no longer lives in the unit.
- If the PHA has given approval, a foster child or a live-in aide may reside in the unit. The PHA has the discretion to adopt reasonable policies concerning residency by a foster child or a live-in aide, and to define when PHA consent may be given or denied. For policies related to the request and approval/disapproval of foster children, foster adults, and live-in aides, see Chapter 3 (Sections I.K and I.M), and Chapter 11 (Section II.B).
- The family must not sublease the unit, assign the lease, or transfer the unit.

  **Roseville Housing Authority (RHA) Policy**

  **Subleasing includes receiving payment to cover rent and utility costs by a person living in the unit who is not listed as a family member (i.e. roommates).**

- The family must supply any information requested by the PHA to verify that the family is living in the unit or information related to family absence from the unit.

- The family must promptly notify the PHA when the family is absent from the unit.

  **Roseville Housing Authority (RHA) Policy**

  **The family may be absent from the unit for up to 60 days. Absences exceeding 60 days will require RHA approval of a reasonable accommodation request. An authorized absence may not exceed 180 days. Any family absent for more than 60 days without authorization will be terminated from the program.**

- The family must pay utility bills and provide and maintain any appliances that the owner is not required providing under the lease [Form HUD-52646, Voucher].
- The family must not own or have any interest in the unit, (other than in a cooperative and owners of a manufactured home leasing a manufactured home space).
- Family members must not commit fraud, bribery, or any other corrupt or criminal act in connection with the program. (See Chapter 14, Program Integrity for additional information).
- Family members must not engage in drug-related criminal activity or violent criminal activity or other criminal activity that threatens the health, safety or right to peaceful enjoyment of other residents and persons residing in the immediate vicinity of the premises. See Chapter 12 for HUD and PHA policies related to drug-related and violent criminal activity.
- Members of the household must not engage in abuse of alcohol in a way that threatens the health, safety or right to peaceful enjoyment of the other residents and persons residing in the immediate vicinity of the premises. See Chapter 12 for a discussion of HUD and PHA policies related to alcohol abuse.
- An assisted family or member of the family must not receive HCV program assistance while receiving another housing subsidy, for the same unit or a different unit under any other federal, state or local housing assistance program.
- A family must not receive HCV program assistance while residing in a unit owned by a parent, child, grandparent, grandchild, sister or brother of any member of the family, unless the PHA has determined (and has notified the owner and the family of such determination) that approving rental of the unit, notwithstanding such relationship, would provide reasonable accommodation for a family member who is a person with disabilities. [Form HUD-52646, Voucher]

## PART II: SUBSIDY STANDARDS AND VOUCHER ISSUANCE

### 5-II.A. OVERVIEW

The PHA must establish subsidy standards that determine the number of bedrooms needed for families of different sizes and compositions. This part presents the policies that will be used to determine the family unit size (also known as the voucher size) a particular family should receive, and the policies that govern making exceptions to those standards. The PHA must also establish policies related to the issuance of the voucher, to the voucher term, and to any extensions of the voucher term.

### 5-II.B. DETERMINING FAMILY UNIT (VOUCHER) SIZE [24 CFR 982.402]

For each family, the PHA determines the appropriate number of bedrooms under the PHA subsidy standards and enters the family unit size on the voucher that is issued to the family. The family unit size does not dictate the size of unit the family must actually lease, nor does it determine who within a household will share a bedroom/sleeping room.

The following requirements apply when the PHA determines family unit size:

- The subsidy standards must provide for the smallest number of bedrooms needed to house a family without overcrowding.
- The subsidy standards must be consistent with space requirements under the housing quality standards.
- The subsidy standards must be applied consistently for all families of like size and composition.
- A child who is temporarily away from the home because of placement in foster care is considered a member of the family in determining the family unit size.
- A family that consists of a pregnant woman (with no other persons) must be treated as a two-person family.
- Any live-in aide (approved by the PHA to reside in the unit to care for a family member who is disabled or is at least 50 years of age) must be counted in determining the family unit size.
- Unless a live-in-aide resides with a family, the family voucher size for any family consisting of a single person must be either a zero- or one-bedroom unit, as determined under the PHA subsidy standards.

**Roseville Housing Authority (RHA) Policy**

**One bedroom will be assigned per two household members.**

~~**Effective for vouchers issued beginning May 1, 2013**~~

~~**Effective with annuals beginning September 2013**~~

**Age and gender of household members is not considered as RHA is not determining where household members will be sleeping.**

**Approved live-in caregivers will be provided a separate bedroom. No additional bedrooms will be provided for the caregiver's family. Additions of family members will not necessarily result in a larger voucher size. Requests for exceptions must be in writing and will be considered on a case-by- case basis.**

**Consistent with Housing Quality Standards under 24 CFR 982.402 and RHA's subsidy standards, the living room may be considered an additional sleeping area when**

**determining appropriate unit size. Therefore, in addition to the bedrooms in a unit, the living room may be used as a sleeping area for occupancy purposes.**

### 5-II.B.1 VOUCHER SIZE CORRECTIONS

HUD regulations do not mandate when changes to voucher size must be implemented. The PHA has discretion to establish local policies governing the timing of voucher size determinations and corrections in accordance with 24 CFR § 982.402.

**Roseville Housing Authority (RHA) Policy**

**RHA will not wait until the next annual reexamination to adjust (downsize) a family's voucher size upon verified household composition changes that results in the family qualifying for a smaller voucher under RHA's subsidy standards.**

**The new voucher size and corresponding payment standard will be effective on the first day of the month following a 30-day written notice, unless otherwise required by HUD or federal law.**

**Voucher size corrections may be initiated at any time based on:**

- **A reported or verified change in household composition including the departure of a live-in aide.**
- **A PHA-initiated review of subsidy standards**
- **A move request**
- **A PHA audit or quality-control review**
- **Any other event indicating the family is no longer eligible for its current voucher size**

**When a voucher size is reduced under this policy:**

- **The payment standard will be based on the new, lower voucher size.**
- **The revised payment standard will be applied at the effective date of the voucher size change and will not be deferred to the next annual reexamination.**

**5-II.B.2. Exception for Reasonable Accommodation: Live-In Aide Grace Period**

**Roseville Housing Authority (RHA) Policy**

**If a participant has an approved reasonable accommodation for a live-in aide and the aide departs the household, RHA will allow the family up to 90 days from the date the aide vacates to secure a new eligible live-in aide before reducing the voucher size.**

- **The voucher size and payment standard will remain unchanged during the 90-day grace period.**
- **If the family notifies RHA in writing that a new live-in aide has been identified and approved within the 90-day period, the voucher size will not be reduced.**

**If no approved live-in aide is secured within 90 days, RHA will issue a 30-day written notice of voucher downsizing. The new, lower voucher size and corresponding payment standard will take effect on the first day of the month following the notice, consistent with 24 CFR § 982.505(c)(4).**

**RHA may extend the 90-day period if the family demonstrates:**

- **good-faith efforts to secure a new live-in aide; and**

- **continued need for the accommodation.**

## 5-II.C. EXCEPTIONS TO SUBSIDY STANDARDS

In determining family unit size for a particular family, the PHA may grant an exception to its established subsidy standards if the PHA determines that the exception is justified by the age, sex, health, disability, or relationship of family members or other personal circumstances [24 CFR 982.402(b)(8)].

For a single person who is not elderly, disabled, or a remaining family member, an exception cannot override the regulatory limit of a zero or one bedroom [24 CFR 982.402(b)(8)].

**Roseville Housing Authority (RHA) Policy**

**RHA will consider granting an exception payment standard as a reasonable accommodation for a person with disabilities.**

**The family must request any exception to the subsidy standards in writing. The request must explain the need or justification for a larger family unit size and must include appropriate documentation. The need for the request must be verified by a knowledgeable professional source, unless the disability and the disability–related need for the requested accommodation is readily apparent or otherwise known. The family's continued need for an additional bedroom due to special medical equipment must be re-verified at annual inspection.**

**Exception payment standards will be stated as a percent of the FMR. At annual recertifications the payment standard will be the higher of:**

**The current FMR x the percent stated for the exception payment standard OR the current payment standard for their voucher size (or the unit size if smaller than their voucher size).**

**If the current payment standard will be used since it is higher than the exception payment standard, the following note will be made in the file:**

**The exception payment standard ended effective [date of annual] since it longer provided a benefit as the current payment standard was a higher amount.**

**RHA will notify the family of its determination within 10 business days of receiving the family's fully documented request. If a participant family's request is denied, the notice will inform the family of their right to request an informal hearing.**

PHAs have had the authority to approve an exception payment standard up to 110% of the applicable fair market rent (FMR). HUD Field office approval has been required for exceptions from 111% to 120% of FMR, and HUD headquarters approval is required for exceptions above 120%. Option 4 of Notice PIH 2013-03 (extended by Notice PIH 2013-26) which is effective until March 31, 2015, temporarily eliminates the requirement for field office approval, and permits the PHA to approve exception payment standards of up to 120% of FMR in this situation. Exceptions above 120% of FMR still require approval from HUD headquarters.

**Roseville Housing Authority Policy**

**While allowed by HUD, RHA will implement Option 4 of Notice PIH 2013-03 and will comply with all HUD requirements.**

**When a family that includes a person with disabilities requires an exception payment standard as a reasonable accommodation, RHA will approve or deny requests for exceptions up to 120% of the applicable FMR.**

**Requests for exception payment standards over 120% of FMR will be forwarded to HUD headquarters, with supporting documentation as described in Notice PIH 2010-11.**

**RHA will maintain file documentation as required by HUD, including documentation of rent reasonableness and documentation of unit features required by the disabled family member.**

## 5-II.D. VOUCHER ISSUANCE [24 CFR 982.302]

When a family is selected from the waiting list (or as a special admission as described in Chapter 4), or when a participant family wants to move to another unit, the PHA issues a Housing Choice Voucher, form HUD-52646. This chapter deals only with voucher issuance for applicants. For voucher issuance associated with moves of program participants, please refer to Chapter 10.

The voucher is the family's authorization to search for housing. It specifies the unit size for which the family qualifies and includes both the date of voucher issuance and date of expiration. It contains a brief description of how the program works and explains the family obligations under the program. The voucher is evidence that the PHA has determined the family to be eligible for the program, and that the PHA expects to have money available to subsidize the family if the family finds an approvable unit. However, the PHA does not have any liability to any party by the issuance of the voucher, and the voucher does not give the family any right to participate in the PHA's housing choice voucher program [Voucher, form HUD-52646]

A voucher can be issued to an applicant family only after the PHA has determined that the family is eligible for the program based on information received within the 60 days prior to issuance [24 CFR 982.201(e)] and after the family has attended an oral briefing [HCV 8-1].

**Roseville Housing Authority (RHA) Policy**

**Vouchers will be issued to eligible applicants once income and assets which were reported at the briefing have been verified.**

The PHA should have sufficient funds to house an applicant before issuing a voucher. If funds are insufficient to house a family who has already attended an oral briefing, the PHA must wait until it has adequate funds before it calls another family from the list [HCV GB p. 8-10].

**Roseville Housing Authority (RHA) Policy**

**Prior to issuing any vouchers, RHA will determine whether it has sufficient funding in accordance with the policies in Part VIII of Chapter 16.**

If the PHA determines that there is insufficient funding after a voucher has been issued, the PHA may rescind the voucher and place the affected family back on the waiting list.

## 5-II.E. VOUCHER TERM AND EXTENSIONS

### Voucher Term [24 CFR 982.303]

The initial term of a voucher must be at least 60 calendar days. The initial term must be stated on the voucher [24 CFR 982.303(a)].

**Roseville Housing Authority (RHA) Policy**

**The initial voucher term will be 60 calendar days.**

**The family must submit a Request for Tenancy Approval and proposed lease within the 60-day period unless the PHA grants an extension.**

### Extensions of Voucher Term [24 CFR 982.303(b)]

The PHA has the authority to grant extensions of search time, to specify the length of an extension, and to determine the circumstances under which extensions will be granted. There is no limit on the number of extensions that the PHA can approve. Discretionary policies related to extension and expiration of search time must be described in the PHA's administrative plan [24 CFR 982.54].

PHAs must approve additional search time if needed as a reasonable accommodation to make the program accessible to and usable by a person with disabilities. The extension period must be reasonable for the purpose.

The family must be notified in writing of the PHA's decision to approve or deny an extension. The PHA's decision to deny a request for an extension of the voucher term is not subject to informal review [24 CFR 982.554(c)(4)].

**Roseville Housing Authority (RHA) Policy**

**RHA may approve up to four 30-day extensions upon receiving a request from the family with submittal of a completed Housing Search Report.**

**RHA will approve additional extensions only in the following circumstances:**

**It is necessary as a reasonable accommodation for a person with disabilities.**

**It is necessary due to reasons beyond the family's control, as determined by the PHA. Following is a list of extenuating circumstances that the PHA may consider in making its decision. The presence of these circumstances does not guarantee that an extension will be granted:**

- **Serious illness or death in the family**
- **Other family emergency**
- **Obstacles due to employment**
- **Whether the family has already submitted requests for tenancy approval that were not approved by the PHA**
- **Whether family size or other special circumstances make it difficult to find a suitable unit.**

**Any request for an additional extension must include the reason(s) an additional extension is necessary. RHA may require the family to provide documentation to support the request.**

**All requests for extensions to the voucher term must be made in writing and submitted to RHA prior to the expiration date of the voucher (or extended term of the voucher).**

**RHA will decide whether to approve or deny an extension request within 10 business days of the date the request is received and will provide the family written notice of its decision.**

### Suspensions of Voucher Term [24 CFR 982.303(c)]

The PHA must provide for suspension of the initial or any extended term of the voucher from the date the family submits a request for PHA approval of the tenancy until the date the PHA notifies the family in writing whether the request has been approved or denied.

### Expiration of Voucher Term

Once a family's housing choice voucher term (including any extensions) expires, the family is no longer eligible to search for housing under the program. If the family still wishes to receive assistance, the PHA may require that the family reapply, or may place the family on the waiting list with a new application date but without requiring reapplication. Such a family does not become ineligible for the program on the grounds that it was unable to locate a unit before the voucher expired [HCV GB p. 8-13].

**Roseville Housing Authority (RHA) Policy**

**If an applicant family's voucher term or extension expires before RHA has approved a tenancy, RHA will require the family to reapply for assistance.**

# Chapter 10

## MOVING WITH CONTINUED ASSISTANCE AND PORTABILITY

## INTRODUCTION

Freedom of housing choice is a hallmark of the housing choice voucher (HCV) program. In general, HUD regulations impose few restrictions on where families may live or move with HCV assistance. This chapter sets forth HUD regulations and PHA policies governing moves within or outside the PHA's jurisdiction in two parts:

Part I: Moving with Continued Assistance. This part covers the general rules that apply to all moves by a family assisted under the PHA's HCV program, whether the family moves to another unit within the PHA's jurisdiction or to a unit outside the PHA's jurisdiction under portability.

Part II: Portability. This part covers the special rules that apply to moves by a family under portability, whether the family moves out of or into the PHA's jurisdiction. This part also covers the special responsibilities that the PHA has under portability regulations and procedures.

## PART I: MOVING WITH CONTINUED ASSISTANCE

### 10-I.A. ALLOWABLE MOVES

HUD lists six regulatory conditions under which an assisted family is allowed to move to a new unit with continued assistance. Permission to move is subject to the restrictions set forth in section 10-I.B.

- The family has a right to terminate the lease on notice to the owner (for the owner's breach or otherwise) and has given a notice of termination to the owner in accordance with the lease [24 CFR 982.354(b)(3)]. If the family terminates the lease on notice to the owner, the family must give the PHA a copy of the notice at the same time [24 CFR 982.314(d)(1)].
- The lease for the family's unit has been terminated by mutual agreement of the owner and the family [24 CFR 982.354(b)(1)(ii)].

  **Roseville Housing Authority (RHA) Policy**

  **If the family and the owner mutually agree to terminate the lease for the family's unit, the family must give RHA a copy of the termination agreement.**

- The owner has given the family a notice to vacate, has commenced an action to evict the family, or has obtained a court judgment or other process allowing the owner to evict the family [24 CFR 982.354(b)(2)]. The family must promptly give the PHA a copy of any owner eviction notice [24 CFR 982.551(g)].
- The family or a member of the family is or has been the victim of domestic violence, dating violence, sexual assault, or stalking and the move is needed to protect the health or safety of the family or family member [24 CFR 982.354(b)(4)]. This condition applies even when the family has moved out of its unit in violation of the lease, with or without prior notification to the PHA, if the family or family member who is the victim reasonably believed that he or she was imminently threatened by harm from further violence if he or she remained in the unit [24 CFR 982.354(b)(4), 24 CFR 982.353(b)].

  **Roseville Housing Authority (RHA) Policy**

  **If a family requests permission to move with continued assistance based on a claim that the move is necessary to protect the health or safety of a family member who is or has been the victim of domestic violence, dating violence, sexual assault, or stalking, the PHA will request documentation in accordance with Chapter 16 of this plan.**

  **RHA reserves the right to waive the documentation requirement if it determines that a statement or other corroborating evidence from the family or family member will suffice. In such cases the PHA will document the waiver in the family's file.**

- The PHA has terminated the assisted HAP contract for the family's unit for the owner's breach [24 CFR 982.354(b)(1)(i)].
- The PHA determines that the family's current unit does not meet the HQS space standards because of an increase in family size or a change in family composition. In such cases, the PHA must issue the family a new voucher, and the family and PHA must try to find an acceptable unit as soon as possible. If an acceptable unit is available for the family, the PHA

must terminate the HAP contract for the family's old unit in accordance with the HAP contract terms and must notify both the family and the owner of the termination. The HAP contract terminates at the end of the calendar month that follows the calendar month in which the PHA gives notice to the owner. [24 CFR 982.403(a) and (c)]

## 10-I.B. RESTRICTIONS ON MOVES

A family's right to move is generally contingent upon the family's compliance with program requirements [24 CFR 982.1(b)(2)]. HUD specifies two conditions under which a PHA may deny a family permission to move and two ways in which a PHA may restrict moves by a family.

### Denial of Moves

HUD regulations permit the PHA to deny a family permission to move under the following conditions:

#### *Insufficient Funding*

The PHA may deny a family permission to move either within or outside the PHA's jurisdiction if the PHA does not have sufficient funding for continued assistance [24 CFR 982.354(e)(1)]. However, Notice PIH 2012-42 significantly restricts the ability of PHAs to deny permission to move due to insufficient funding and places further requirements on PHAs regarding moves denied due to lack of funding. The requirements found in this notice are mandatory.

**Roseville Housing Authority (RHA) Policy**

**RHA will deny a family permission to move on grounds that RHA does not have sufficient funding for continued assistance if (a) the move is initiated by the family, not the owner or RHA; (b) RHA can demonstrate that the move will, in fact, result in higher subsidy costs; and (c) RHA can demonstrate, in accordance with the policies in Part VIII of Chapter 16, that it does not have sufficient funding in its annual budget to accommodate the higher subsidy costs.**

**The PHA will create a list of families whose moves have been denied due to insufficient funding. When funds become available, the families on the list will take precedence over families on the waiting list.**

**The PHA will inform the family of its policy regarding moves denied due to insufficient funding in a letter to the family at the time the move is denied.**

#### *Grounds for Denial or Termination of Assistance*

The PHA may deny a family permission to move if it has grounds for denying or terminating the family's assistance [24 CFR 982.354(e)(2)].

**Roseville Housing Authority (RHA) Policy**

**If RHA has grounds for denying or terminating a family's assistance or is in the process of termination, accordance with the regulations and policies set forth in Chapters 3 and 12, RHA will act on those grounds and deny the move. However, RHA retains the discretion to permit moves under special circumstances.**

### Restrictions on Elective Moves [24 CFR 982.354(c)]

HUD regulations permit the PHA to prohibit any elective move by a participant family during the family's initial lease term. They also permit the PHA to prohibit more than one elective move by a participant family during any 12-month period. However, such prohibitions, if adopted, do not apply when the family or a member of the family is or has been the victim of domestic violence, dating violence, sexual assault, or stalking and the move is needed to protect the health or safety of the family or family member. (For policy on documentation of abuse, see section 10-I-A.) In addition, the PHA may not establish a policy permitting moves only at reexamination [Notice PIH 2012-42].

**Roseville Housing Authority (RHA) Policy**

**RHA's policy is to deny a family permission to make an elective move during the family's initial lease term. This policy applies to moves within RHA's jurisdiction or outside the jurisdiction (portability).**

**RHA's policy is to deny a family permission to make more than one elective move during any 12-month period. This policy applies to all assisted families residing in RHA's jurisdiction.**

~~**RHA will consider exceptions to these policies for the following reasons: to protect the health or safety of a family member (e.g., lead-based paint hazards, domestic violence, and witness protection programs), to accommodate a change in family circumstances (e.g., new employment, school attendance in a distant area), or to address an emergency situation over which a family has no control.**~~

~~**In addition, RHA will allow exceptions to these policies for purposes of reasonable accommodation of a family member who is a person with disabilities (see Chapter 2).**~~ **RHA may deny a family's request to move for any of the following reasons:**

- **Outstanding rent or damages owed to the landlord.**
- **Unpaid repayment agreements with RHA.**
- **Accounts receivable debt owed to RHA.**
- **The family is not compliant with their family obligations under 24 CFR 982.551, including failure to supply requested information or allowing unauthorized occupants.**
- **The family has violated program requirements or is currently under investigation for a program violation.**

## 10-I.C. MOVING PROCESS

### Notification

If a family wishes to move to a new unit, the family must give a written 30-day notice to the PHA and the owner before moving out of the old unit or terminating the lease [24 CFR 982.354(d)(2)]. If the family wishes to move to a unit outside the PHA's jurisdiction under portability, the notice to the PHA must specify the area where the family wishes to move [24 CFR 982.354(d)(2), Notice PIH 2012-42]. The notices must be in writing [24 CFR 982.5].

### Approval

**Roseville Housing Authority (RHA) Policy**

**Upon receipt of a family's notification that it wishes to move, RHA will determine whether the move is approvable in accordance with the regulations and policies set forth in sections 10-I.A and 10-I.B. RHA will notify the family in writing of its determination within 10 business days following receipt of the family's notification.**

### Reexamination of Family Income and Composition

**Roseville Housing Authority (RHA) Policy**

**For families approved to move to a new unit within RHA's jurisdiction, RHA will perform a new annual reexamination in accordance with the policies set forth in Chapter 11 of this plan. If all of the most recent annual reexamination paperwork is less than 120 days old, RHA will process an Other Change of Unit.**

**For families moving into or families approved to move out of RHA's jurisdiction under portability, RHA will follow the policies set forth in Part II of this chapter.**

### Voucher Issuance and Briefing

**Roseville Housing Authority (RHA) Policy**

**For families approved to move to a new unit within RHA's jurisdiction, RHA will issue a new voucher within 10 business days of RHA's approval to move. No briefing is required for these families. RHA will follow the policies set forth in Chapter 5 on voucher term, extension and expiration. If a family does not locate a new unit within the term of the voucher and any extensions, the family may remain in its current unit with continued voucher assistance if the owner agrees and RHA approves. Otherwise, the family will lose its assistance.**

**For families moving into or families approved to move out of RHA's jurisdiction under portability, RHA will follow the policies set forth in Part II of this chapter.**

### Housing Assistance Payments [24 CFR 982.311(d)]

When a family moves out of an assisted unit, the PHA may not make any housing assistance payment to the owner for any month **after** the month the family moves out.

If a participant family moves from an assisted unit with continued tenant-based assistance, the term of the assisted lease for the new assisted unit may begin during the month the family moves out of the first assisted unit. Overlap of the last housing assistance payment (for the month when the family moves out of the old unit) and the first assistance payment for the new unit, is not considered to constitute a duplicative housing subsidy.

**Roseville Housing Authority (RHA) Policy**

**RHA allows the overlap of HAP for a maximum of one day. Exceptions may be considered as a reasonable accommodation if needed for persons with disabilities.**

## PART II: PORTABILITY

### 10-II.A. OVERVIEW

Within the limitations of the regulations and this plan, a participant family or an applicant family, with portability rights, that has been issued a voucher has the right to use tenant-based voucher assistance to lease a unit anywhere in the United States providing that the unit is located within the jurisdiction of a PHA administering a tenant-based voucher program [24 CFR 982.353(b)]. The process by which a family obtains a voucher from one PHA and uses it to lease a unit in the jurisdiction of another PHA is known as portability. The PHA that issues the voucher is called the **initial PHA.** The PHA that has jurisdiction in the area to which the family wants to move is called the **receiving PHA.**

The receiving PHA has the option of administering the family's voucher for the initial PHA or absorbing the family into its own program. Under the first option, the receiving PHA provides all housing services for the family and bills the initial PHA for the family's housing assistance payments and the fees for administering the family's voucher. Under the second option, the receiving PHA pays for the family's assistance with its own program funds, and the initial PHA has no further relationship with the family. The initial PHA must contact the receiving PHA via email or other confirmed delivery method to determine whether the receiving PHA's response, the initial PHA must determine whether they will approve or deny the portability request {Notice PIH 2012-42].

PHAs commonly act both as the initial and receiving PHA because families may move into or out of their jurisdiction under portability. Each role involves different responsibilities. The PHA will follow the rules and policies in section 10-II.B when it is acting as the initial PHA for a family. It will follow the rules and policies in section 10-II.C when it is acting as the receiving PHA for a family.

In administering portability, the initial PHA and the receiving PHA must comply with financial procedures required by HUD, including the use of HUD-required forms [24 CFR 982.355(e)(5)].

PHAs must also comply with billing and payment deadlines. HUD may reduce an administrative fee to an initial or receiving PHA if the PHA does not comply with HUD portability requirements [24 CFR 982.355(e)(7)].

### 10-II.B. INITIAL PHA ROLE

#### Allowable Moves under Portability

A family may move with voucher assistance only to an area where there is at least one PHA administering a voucher program [24 CFR 982.353(b)]. If there is more than one PHA in the area, initial PHA provides the family with the contact information for the receiving PHAs that serve the area, and the family selects the receiving PHA. The family must inform the initial PHA which PHA it has selected. If the family prefers not to select the receiving PHA, the initial PHA will select the receiving PHA on behalf of the family (24 CFR 982.255(b).

Applicant families that have been issued vouchers as well as participant families may qualify to lease a unit outside the PHA's jurisdiction under portability. HUD regulations and PHA policy determine whether a family qualifies.

### *Applicant Families*

HUD gives the PHA discretion to deny a portability move by an applicant family for the same two reasons that it may deny any move by a participant family: insufficient funding and grounds for denial or termination of assistance. If a PHA intends to deny a family permission to move under portability due to insufficient funding, the PHA must notify HUD within 10 business days of the determination to deny the move [24 CFR 982.355(e)].

**Roseville Housing Authority (RHA) Policy**

**Applicant families with the residency preference that choose to move under portability to a jurisdiction with a voucher program will be permitted to transfer their voucher under portability. Applicant families without the residency preference do not have the right to move under portability until 12 months after they are admitted to the program [24 CFR 982.353(c)].**

**RHA will consider exceptions to this policy for purposes of reasonable accommodation (see Chapter 2), or reasons related to domestic violence, dating violence or stalking.**

**In determining whether or not to deny an applicant family permission to move under portability because RHA lacks sufficient funding or has grounds for denying assistance to the family, the initial PHA will follow the policies established in section 10-I.B of this chapter.**

### *Participant Families*

The initial PHA must not provide portable assistance for a participant if a family has moved out of its assisted unit in violation of the lease [24 CFR 982.353(b)]. The Violence against Women Act of 2013 (VAWA) creates an exception to this prohibition for families who are otherwise in compliance with program obligations but have moved to protect the health or safety of a family member who is or has been a victim of domestic violence, dating violence, sexual assault, or stalking and who reasonably believed he or she was imminently threatened by harm from further violence if they remained in the unit [24CFR 982.353(b)].

**Roseville Housing Authority (RHA) Policy**

**RHA will determine whether a participant family may move out of RHA's jurisdiction with continued assistance in accordance with the regulations and policies set forth here and in sections 10-I.A and 10-I.B of this chapter. RHA will notify the family of its determination in accordance with the approval policy set forth in section 10-I.C of this chapter.**

**A family may not exercise portability if they owe money to the Housing Authority.**

**Determining Income Eligibility**

***Applicant Families***

An applicant family may lease a unit in a particular area under portability only if the family is income eligible for admission to the voucher program in that area [24 CFR 982.353(d)(3)]. The family must specify the area to which the family wishes to move [24 CFR 982.355 (c)(1).

The initial PHA is responsible for determining whether the family is income eligible in the area to which the family wishes to move [24 CFR 982.355(c)(1)]. If the applicant family is not income eligible in that area, the PHA must inform the family that it may not move there and receive voucher assistance [Notice PIH 2012-42].

***Participant Families***

The income eligibility of a participant family is not redetermined if the family moves to a new jurisdiction under portability [24 CFR 982.353(d)(2)]

**Reexamination of Family Income and Composition**

No new reexamination of family income and composition is required for an applicant family.

**Briefing**

The regulations and policies on briefings set forth in Chapter 5 of this plan require the PHA to provide information on portability to all applicant families that qualify to lease a unit outside the PHA's jurisdiction under the portability procedures. Therefore, no special briefing is required for these families.

**Roseville Housing Authority (RHA) Policy**

**No formal briefing will be required for a participant family wishing to move outside the PHA's jurisdiction under portability. However, the PHA will provide the family with the same oral and written explanation of portability that it provides to applicant families selected for admission to the program (see Chapter 5).**

**The PHA will provide the name, address, and phone of the contact for the PHAs in the jurisdiction to which they wish to move. If there is more than one PHA with jurisdiction over the area to which the family wishes to move, the PHA will advise the family that the family must select the receiving PHA and notify the initial PHA of which receiving PHA was selected. The PHA will further inform the family that if the family prefers not to select the receiving PHA, the initial PHA will select the receiving PHA on behalf of the family.**

**The PHA will advise the family that they will be under the RHA's policies and procedures, including screening, subsidy standards, voucher extension policies, and payment standards.**

**Voucher Issuance and Term**

An applicant family has no right to portability until after the family has been issued a voucher [24 CFR 982.353(b)]. In issuing vouchers to applicant families, the PHA will follow the regulations and procedures set forth in Chapter 5.

**Roseville Housing Authority (RHA) Policy**

**For families approved to move under portability, RHA will issue a new voucher within 10 business days of the PHA's receipt of written portability request.**

**The initial term of the voucher will be 90 days.**

### Voucher Extensions and Expiration

**Roseville Housing Authority (RHA) Policy**

**RHA will approve no extensions to a voucher issued to an applicant or participant family porting out of RHA's jurisdiction except under the following circumstances: (a) the initial term of the voucher will expire before the portable family will be issued a voucher by the receiving PHA, (b) the family decides to return to the initial PHA's jurisdiction and search for a unit there, or (c) the family decides to search for a unit in a third PHA's jurisdiction. In such cases, the policies on voucher extensions set forth in Chapter 5, section 5-II.E, of this plan will apply, including the requirement that the family apply for an extension in writing prior to the expiration of the initial voucher term.**

**To receive or continue receiving assistance under the initial PHA's voucher program, a family that moves to another PHA's jurisdiction under portability must be under HAP contract in the receiving PHA's jurisdiction within 90 days following the expiration date of the initial PHA's voucher term (including any extensions). (See below under "Initial Billing Deadline" for one exception to this policy.)**

### Preapproval Contact with the Receiving PHA

Prior to approving a family's request to move under portability, the initial PHA must contact the receiving PHA via e-mail or other confirmed delivery method to determine whether the receiving PHA will administer or absorb the family's voucher. Based on the receiving PHA's response, the initial PHA must determine whether it will approve or deny the move [Notice PIH 2012-42].

**Roseville Housing Authority (RHA) Policy**

**The PHA will use e-mail, when possible, to contact the receiving PHA regarding whether the receiving PHA will administer or absorb the family's voucher.**

### Initial Notification to the Receiving PHA

After approving a family's request to move under portability, the initial PHA must promptly notify the receiving PHA via email or other confirmed delivery method to expect the family [24 CFR 982.355(c)(3); 24 CFR 982.355(c)(7)]. The initial PHA must also advise the family how to contact and request assistance from the receiving PHA [24 CFR 982.355(c)(6)].

### Sending Documentation to the Receiving PHA

The initial PHA is required to send the receiving PHA the following documents:

- Form HUD-52665, Family Portability Information, with Part I filled out [Notice PIH 2012-42]

- A copy of the family's voucher [Notice PIH 2012-42]
- A copy of the family's most recent form HUD-50058, Family Report, or, if necessary, in the case of an applicant family, family and income information in a format similar to that of form HUD-50058 [24 CFR 982.355(c)(7), Notice PIH 2012-42]
- Copies of the income verifications backing up the form HUD-50058 including a copy of the family's current EIV data. [24 CFR 982.355(c)(7), Notice PIH 2012-42]

**Roseville Housing Authority (RHA) Policy**

**In addition to these documents, RHA will provide the following information, if available, to the receiving PHA:**

- **Social security numbers (SSNs)**
- **Documentation of SSNs for all nonexempt household members whose SSNs have not been verified through the EIV system**
- **HUD-52675 Debts Owed form**
- **Documentation of citizenship or eligible immigration status**
- **Documentation of participation in the earned income disallowance (EID) benefit**
- **Documentation of participation in a Family Self-Sufficiency (FSS) program**

**Initial Billing Deadline [Notice PIH 2012-42, Letter to Executive Directors, 9/15/15]**

The deadline is for submission of initial billing is 90 days following the expiration date of the voucher issued to the family by the initial PHA. If the initial PHA does not receive a billing notice by the deadline and does not intend to honor a late billing submission, it must contact the receiving PHA to determine the status of the family. If the receiving PHA reports that the family is not yet under HAP contract, the initial PHA may refuse to accept a late billing submission.

**Roseville Housing Authority (RHA) Policy**

**If RHA has not received an initial billing notice from the receiving PHA within 90 days of expiration of the IHA's voucher, it will contact the receiving PHA by phone, fax, or e-mail. If the PHA reports that the family is not yet under HAP contract, RHA will inform the receiving PHA that it will not honor a late billing submission and will return any subsequent billings that it receives on behalf of the family. RHA will send the receiving PHA a written confirmation of its decision by mail.**

**RHA will allow an exception to this policy if the family includes a person with disabilities and the late billing is a result of a reasonable accommodation granted to the family by the receiving PHA.**

**Monthly Billing Payments [24 CFR 982.355(e), Notice PIH 2012-42]**

If the receiving PHA is administering the family's voucher the receiving PHA bills the initial PHA for housing assistance payments and administrative fees. When reimbursing for administrative fees, the initial PHA must promptly reimburse the receiving PHA for the lesser of 80 percent of the initial PHA ongoing administrative fee or 100 percent of the receiving PHA's

ongoing administrative fee for each program unit under contract on the first day of the month for which the receiving PHA is billing the initial PHA under portability. If the administrative fees are prorated for the HCV program, the proration will apply to the amount of the administrative fee for which the receiving PHA may bill [24 CFR 982.355(e)(2).The initial PHA may not terminate or delay making payments under existing portability billing arrangements as a result of over leasing or funding shortfalls. The PHA must manage its tenant-based program in a manner that ensures that it has the financial ability to provide assistance for families that move out of its jurisdiction under portability and are not absorbed by receiving PHAs as well as for families that remain within its jurisdiction.

**Annual Updates of Form HUD-50058**

If the initial PHA is being billed on behalf of a portable family, it should receive an updated form HUD-50058 each year from the receiving PHA. If the initial PHA fails to receive an updated 50058 by the family's annual reexamination date, the initial PHA should contact the receiving PHA to verify the status of the family.

**Denial or Termination of Assistance [24 CFR 982.355(c)(17)]**

At any time, either the initial PHA or the receiving PHA may make a determination to deny or terminate assistance with the family in accordance with 24 CFR 982.552 and 24 CFR 982.553. (For PHA policies on denial and termination, see Chapters 3 and 12, respectively.)

## 10-II.C. RECEIVING PHA ROLE

### 10-II.C.1 FAMILY COMPOSITION DURING PORT-IN

When a family ports from one Housing Authority to another jurisdiction, the PHA will review and verify the household composition listed on the HUD-52665 and the most recent HUD-50058 provided by the Initial PHAuse the current family composition.

**Roseville Housing Authority (RHA) Policy**

**Only the individuals listed on the HUD-52665 and confirmed through the Initial PHA's most recent HUD-50058 will be recognized as the assisted household upon port-in. RHA will not add any additional household members during the port-in process except for mandatory additions under HUD regulation, which include:**

- **Birth of a child**
- **Adoption**
- **Court-awarded custody**

**These additions must be reported promptly and verified before RHA updates the household record. All other requests to add household members, regardless of relationship, need, or prior living arrangement, will not be approved during the port-in intake period. The family must complete the port-in process first and then follow RHA's standard policy for requesting household additions.**

**The family must request and obtain written approval from RHA before any person may join the household. This requirement is consistent with RHA's established family obligations language. Any person not approved by RHA is considered an unauthorized household member, subject to program violation procedures under 24 CFR 982.551(e)**

**and (h).**

If a family has a right to lease a unit in the receiving PHA's jurisdiction under portability, the receiving PHA must provide assistance for the family [24 CFR 982.355(10)].

HUD may determine in certain instances that a PHA is not required to accept incoming portable families, such as a PHA in a declared disaster area. However, the PHA must have approval in writing from HUD before refusing any incoming portable families [24 CFR 982.355(b)].

Administration of the voucher must be in accordance with the receiving PHA's policies. This requirement also applies to policies of Moving to Work agencies. The receiving PHA procedures and preferences for selection among eligible applicants do not apply to the family, and the receiving PHA waiting list is not used [24 CFR 982.355(c)(10)]. The family's unit, or voucher, size is determined in accordance with the subsidy standards of the receiving PHA [24 CFR 982.355(c)(12)], and the receiving PHA's policies on extensions of the voucher term apply [24 CFR 982.355(c)(14)].

**Responding to Initial PHA's Request [24 CFR 982.355(c)]** The receiving PHA must respond via e-mail or other confirmed delivery method to the initial PHA's inquiry to determine whether the family's voucher will be billed or absorbed [24 CFR 982.355(c)(3)]. If the receiving PHA informs the initial PHA that it will be absorbing the voucher, the receiving PHA cannot reverse its decision at a later date without consent of the initial PHA (24 CFR 982.355(c)(4).

**Roseville Housing Authority (RHA) Policy**

**RHA will use e-mail, when possible, to notify the initial PHA whether it will administer or absorb the family's voucher.**

# City Council Communication

**Meeting Date: 5/6/2026**

|---|---|
| **Title:** | Cybersecurity Pentesting Services (RFP 12-038) – Contract Purchase Agreement |
| **Contact:** | Cesar Gamez 916-774-5408 pcgamez@roseville.ca.us |

## SUMMARY

Staff recommends approval of a contract purchase agreement with BreakPoint Labs, LLC with an estimated annual cost not to exceed $282,600 per year for Cybersecurity Pentesting Services, with an additional 10% contingency per year to accommodate minor adjustments to the scope of services. The agreement covers a three-year term with one optional renewal year. Funding for the first year is included in the Information Technology and Environmental Utilities FY2025-26 operations fund budgets.

## RECOMMENDATION

Staff recommends that the City Council adopt a resolution to approve a Contract Purchase Agreement (3005332) with BreakPoint Labs, LLC, for Cybersecurity Pentesting Services and authorize the City Manager to execute it on behalf of the City of Roseville.

Staff further requested that they City Council authorize the City Manager or his designee to approve change orders, consistent with the contract terms, provided that the net cost of all change orders shall not exceed ten percent (10%) of the contract price.

## BACKGROUND

The Information Technology, Public Works, Electric and Environmental Utilities departments perform cybersecurity penetration testing to help staff identify vulnerabilities in the City's technology infrastructure, systems, and applications. These proactive assessments are a critical component of the City's cybersecurity program, ensuring that emerging threats are addressed before they can be exploited. Partnering with an experienced external provider ensures consistent, objective review and reinforces the City's commitment to protecting data, maintaining reliable public services, and reducing organizational cyber risk. These tests also support compliance with industry best practices and strengthen the City's overall security posture.

## FISCAL IMPACT

The annual cost of the agreement is not to exceed $282,600 per year, plus a 10% contingency each year for the duration of the contract. The first year costs are included in the FY2025-26 Information Technology and Environmental Utilities operations fund budgets. Future year expenditures will be contingent upon Council approval of annual budgets and may include funding contributions from the Information Technology and Environmental Utilities operations funds, as well as the Electric Fund.

## ENVIRONMENTAL REVIEW

The California Environmental Quality Act (CEQA) does not apply to activities that will not result in a direct or reasonably foreseeable indirect physical change in the environment, or is otherwise not considered a project as defined by CEQA Statute §21065 and CEQA State Guidelines §15060(c)(3) and §15378. The

Contract Purchase Agreement meets the above criteria and is not subject to CEQA. No additional environmental review is required.

CITY COUNCIL STRATEGIC PLAN/OVERARCHING GOALS

1. Ensure a safe and healthy community
4. Invest in well-planned infrastructure and growth
6. Deliver exceptional City services

Respectfully Submitted,
Cesar Gamez, Information Security Administrator

Hong Sae, Chief Information Officer

RESOLUTION NO. 26-120

APPROVING A CONTRACT PURCHASE AGREEMENT, BY AND BETWEEN THE CITY OF ROSEVILLE AND BREAKPOINT LABS, LLC, AND AUTHORIZING THE CITY MANAGER TO EXECUTE IT ON BEHALF OF THE CITY OF ROSEVILLE

WHEREAS, a Contract Purchase Agreement (3005332) for Cybersecurity Pentesting Services, by and between the City of Roseville and BreakPoint Labs, LLC, has been reviewed by the City Council; and

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Roseville that said agreement is hereby approved and the City Manager is authorized to execute it on behalf of the City of Roseville.

BE IT FURTHER RESOLVED that the City Manager or his designee is authorized to approve change orders, consistent with the contract terms, provided that the net cost of all change orders shall not exceed ten percent (10%) of the contract price.

**Contract Terms and Conditions**

1. To the fullest extent allowed by law, Consultant shall defend, indemnify, and save and hold harmless City, its officers, agents, employees and volunteers from any claims, suits or actions of every name, kind and description brought forth, or on account of, injuries to or death of any person (including but not limited to workers and the public), or damage to property, resulting from or arising out of Consultant's willful misconduct or negligent act or omission while engaged in the performance of obligations or exercise of rights created by this Agreement, except those matters arising from City's sole negligence or willful misconduct. The parties intend that this provision shall be broadly construed. Consultant's responsibility for such defense and indemnity obligations shall survive the termination or completion of this Agreement for the full period of time allowed by law. The defense and indemnity obligations of this agreement are undertaken in addition to, and shall not in any way be limited by, the insurance obligations contained in this Agreement.

2. Consultant is an independent contractor, and shall not be considered an officer, agent, or employee of the City.

3. Without the written consent of the City, this Agreement is not assignable by Consultant either in whole or in part.

4. Time is of the essence of this Agreement.

5. At any time during the term of this Agreement, the City has the right to terminate this Agreement, provided Consultant is given thirty (30) days written notice. City's termination shall be without further liability to City; however, Consultant shall be entitled to all costs reasonably incurred prior to the date of termination. Consultant acknowledges that City may terminate this Agreement should funds not be appropriated by its governing body to continue services under this Agreement.

6. This Agreement may only be amended or modified in writing. It is integrated and contains the complete understanding of the parties.

7. All equipment, supplies and services sold to the City of Roseville shall conform to the general safety orders of the State of California.

8. Unless notified to the contrary, in writing, the City assumes that the Consultant has accepted the work in accordance with the plans and specifications (if any) and agrees to do the work in compliance with this Agreement. Any work product created for City pursuant to this Agreement is deemed owned by City.

9. All prevailing wages and fair employment practices must be adhered to. For prevailing wage contracts over $25,000, copies of certified payroll must be submitted with invoices. Prevailing wage rates may be obtained from the State Department of Industrial Relations and/or the following website address: _____http://www.dir.ca.gov/dlsr/DPreWageDetermination.htm_____. In compliance with Labor Code Section 1773.2, as may be amended from time to time, Contractor shall cause a copy of this website to be posted at each jobsite, as applicable.
10. Consultant agrees to the below insurance requirements:

    a. Unless otherwise specified, the Consultant shall maintain the policies of insurance outlined in Attachment A, incorporated herein by this reference, in full force and effect during the term of this Agreement. The City of Roseville retains sole discretion in determining the types and proper levels of insurance coverage.

Docusign Envelope ID: A43F44C4-630E-468D-9354-D09BC76C9335

b. Form. Consultant shall submit a certificate evidencing such coverage for the period covered by this Agreement in a form satisfactory to Risk Management and the City Attorney, prior to undertaking any work hereunder. Any insurance written on a claims made basis is subject to the approval of Risk Management and the City Attorney.

c. Additional Insureds. Consultant shall also provide a separate endorsement or section of the policy showing City, its officers, agents, employees, and volunteers as additional insureds for each type of coverage, except for Workers' Compensation and Professional Liability. Such insurance shall specifically cover the contractual liability of Consultant. The additional insured coverage under the Consultant's policy shall be primary and noncontributory, as evidenced by a separate endorsement or section of the policy and shall not seek contribution from City's insurance or self-insurance. In addition, the additional insured coverage shall be at least as broad as the Insurance Services Office (ISO) CG 20 01 Endorsement. Any available insurance proceeds in excess of the specified minimum insurance coverage requirements and limits shall be available to the additional insureds. Furthermore, the requirements for coverage and limits shall be:

(1) the minimum coverage and limits specified in this Agreement; or

(2) the full coverage and maximum limits of any insurance proceeds available to the named insureds, whichever is greater.

d. Cancellation/Modification. Consultant shall provide thirty (30) days written notice to City prior to cancellation or modification of any insurance required by this Agreement.

e. Umbrella/Excess Insurance. The limits of insurance required in this Agreement may be satisfied by a combination of primary and excess insurance. Any excess insurance shall contain or be endorsed to contain a provision that such coverage shall also apply on a primary and noncontributory basis for the benefit of City (if agreed to in a written contract) before City's own insurance shall be called upon to protect it as a named insured.

f. Subconsultants. Consultant agrees to include in its contracts with all subconsultants the same requirements and provisions of this Agreement, including the indemnity and insurance requirements, to the extent they apply to the scope of the subconsultants work. Furthermore, Consultant shall require its subconsultants to agree to be bound to Consultant and City in the same manner and to the same extent as Consultant is bound to City under this Agreement. Additionally, Consultant shall obligate its subconsultants to comply with these same provisions with respect to any tertiary subconsultant, regardless of tier. A copy of City's indemnity and insurance provisions will be furnished to the subconsultant or tertiary subconsultant upon request.

g. Self-Insured Retentions. All self-insured retentions (SIR) must be disclosed to Risk Management for approval and shall not reduce the limits of liability. Policies containing any SIR provision shall provide or be endorsed to provide that the SIR may be satisfied by either the named insured or City. City reserves the right to obtain a full certified copy of any insurance policy and endorsements. The failure to exercise this right shall not constitute a waiver of such right.

h. Waiver of Subrogation. Consultant hereby agrees to waive subrogation which any insurer of Consultant may acquire from Consultant by virtue of the payment of any loss under a Workers Compensation, Commercial General Liability or Automobile Liability policy. All Workers Compensation, Commercial General Liability and Automobile Liability policies shall be endorsed with a waiver of subrogation in favor of City, its officers, agents, employees, and volunteers for all worked performed by Consultant, its employees, agents, and sub consultants.

i. Liability/Remedies. Insurance coverage in the minimum amounts set forth herein shall

Docusign Envelope ID: A43F44C4-630E-468D-9354-D09BC76C9335

not be construed to relieve Consultant of liability in excess of such coverage, nor shall it preclude City from taking such other actions as are available to it under any other provisions of this Agreement or law.

11. Consultant shall comply with all federal, state, local laws, ordinances, and policies as may be applicable to the performance of services under this Agreement. Failure to comply with local ordinances may result in monetary fines and cancellation of this Agreement.

12. In the event that the terms of any attachment or exhibit conflict with any terms of this Agreement, the terms of this Agreement shall control.

13. This Agreement may be executed in one or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument. In the event that any signature is delivered by facsimile transmission or by e-mail delivery of a ". pdf" format data file, such signature shall create a valid and binding obligation of the party executing (or on whose behalf such signature is executed) with the same force and effect as if such facsimile or ".pdf" signature page were an original thereof.

14. If either party commences any legal action against the other party arising out of this Agreement or the performance thereof, the prevailing party in such action shall be entitled to recover its reasonable litigation expenses, including but not limited to, court costs, expert witness fees, discovery expenses, and attorneys' fees. Any action arising out of this Agreement shall be brought in Placer County, California, regardless of where else venue may lie. This Agreement shall be governed by and construed in accordance with the laws of the State of California.

15. This Agreement shall be binding upon the heirs, successors, executors, administrators and assigns of the respective parties hereto.

16. If any of the provisions contained in this Agreement are for any reason held invalid or unenforceable, such holding shall not affect the remaining provisions or the validity and enforceability of the Agreement as a whole.

17. For purposes of this Agreement, the terms "Contractor," "Consultant," and "Supplier" are used interchangeably.

18. Consultant agrees that any and all information furnished by City shall be deemed proprietary and confidential. All such information, to the extent previously, presently, or subsequently disclosed to Consultant and/or processed and derived by Consultant services is the property of City and such property shall be deemed and treated as "Confidential Information" of City. Consultant acknowledges that such Confidential Information may contain information provided and/or generated by third-parties. Consultant agrees that such Confidential Information shall not be disclosed to any third party without written permission from City, except as required by law. Consultant shall not use the Confidential Information except to perform Consultant's services as directed by City.

19. All facilities, devices, networks, and services used to store, deliver, process, backup or purge Confidential Information will employ administrative, physical, technical, and procedural safeguards and best practices at a level sufficient to secure Confidential Information from unauthorized access, destruction, use, modification, or disclosure. Such measures will be no less protective than those used to secure Consultant's own information of a similar type, and in no event less than reasonable in view of the type and nature of the information involved. It is the City's expectation that Consultant, at its own expense, shall perform annual audits for any data centers that house Confidential Information, using an independent third-party audit that meets industry standards applicable to the services under this Agreement, and provide the audit report or certification upon request to City.

20. Consultant will retain Confidential Information until deleted by City or City-authorized third

Docusign Envelope ID: A43F44C4-630E-468D-9354-D09BC76C9335

party, or for a time period mutually agreed upon by the parties to this Agreement.

21. Upon termination or expiration of this Agreement, Consultant will ensure that all Confidential Information is securely transferred to City within thirty (30) calendar days. Consultant will ensure that any transfer of Confidential Information is accomplished by methods that are compatible with the relevant City systems, and that City will have access to all Confidential Information during any such transfer. Consultant shall securely dispose of all Confidential Information when requested by City and Consultant will provide written notification to City once all Confidential Information has been securely disposed of.

22. Consultant shall report to City any data compromise or unauthorized access to Confidential Information within twenty-four (24) hours after Consultant discovers such data compromise or unauthorized access. Consultant will take commercially reasonable measures to address any such data compromise or unauthorized access in a timely manner. Except as otherwise required by law, Consultant will not provide notice to end users or other entities of any such data compromise or unauthorized access without written permission from City. Consultant will promptly reimburse City in full for all fees and costs incurred by City in any investigation, remediation or litigation resulting from any such data compromise or unauthorized access, including identity protection and restoration services for each person, who in the City's sole discretion, could be impacted by identity theft.

23. Consultant may not advertise that City is a client, list City as a reference or otherwise use City's name, logos, trademarks, or service marks without prior written permission from City.

24. Consultant acknowledges that services rendered under this agreement (including but not limited to service levels and operational levels) shall be performed in accordance with industry standards.

25. If the project referenced on this agreement is a Public Works project, then the following shall apply: No contractor or subcontractor may work on a public works project unless registered with the Department of Industrial Relations pursuant to Labor Code section 1725.5. During the performance of this agreement, Contractor and its subcontractors shall have a continuing legal obligation to maintain current registration with the Department of Industrial Relations. Contractor is hereby notified that this project is subject to compliance monitoring and enforcement by the Department of Industrial Relations.

26. If the project referenced on this agreement is a Public Works project, then the following shall apply: Contractor must submit all claims as defined in and in accordance with the claim resolution process set forth in Section 9204 of the Public Contract Code. Each such claim must be sent to the City by registered mail or certified mail with return receipt requested and must contain reasonable documentation to support the claim. All claims must be received prior to acceptance of the work.

27. Contractor/consultant's duties and services under this agreement shall not include preparing or assisting the public entity with any portion of the public entity's preparation of a request for proposals, request for qualifications, or any other solicitation regarding a subsequent or additional contract with the public entity. The public entity entering this agreement shall at all times retain responsibility for public contracting, including with respect to any subsequent phase of this project. Contractor/consultant's participation in the planning, discussions, or drawing of project plans or specifications, if any, shall be limited to conceptual, preliminary, or initial plans or specifications. Contractor/consultant shall cooperate with the public entity to ensure that all bidders for a subsequent contract on any subsequent phase of this project have access to the same information, including all conceptual, preliminary, or initial plans or specifications prepared by contractor pursuant to this agreement.

28. Consultant certifies that Consultant, its employees, directors, officers, agents, subcontractors, vendors, and volunteers are not presently debarred, excluded, suspended, declared ineligible, voluntarily excluded, or proposed for debarment, exclusion, suspension, or ineligibility by

Docusign Envelope ID: A43F44C4-630E-468D-9354-D09BC76C9335

any federal, state, or local department or agency.

29. The Levine Act (Govt. Code, Section 84308) requires a Party (and its agent(s), if any) to a Proceeding before the City of Roseville that involves any action or consideration related to their contract, license, permit, or other entitlement for use, to disclose any campaign contributions made to City elected or appointed officers totaling more than $500 within the twelve (12) months prior to the City decision and while a proceeding is pending, and includes certain prohibitions on contribution activity thereafter. If applicable campaign contributions have been made by Contractor and/or its agent(s), Contractor is responsible for compliance, including for its disclosure obligations, if any, as further described at: https://www.roseville.ca.us/government/departments/city_clerk/transparency/levine_act.

30. This Agreement may be amended via change order, but only if such change order is made in writing, approved by the City, and signed by both parties.

31. CONSULTANT agrees to defend and indemnify CITY if, despite the parties intent and practice, any venue, agency, or court with competent jurisdiction determines that CONSULTANT and/or any of its agents, officers, employees, volunteers, independent contractors, or subcontractors, are characterized as employee(s) of CITY.

    CONSULTANT and CITY agree that: (a) CONSULTANT is free from the control and direction of CITY in connection with the performance of the work; (b) CONSULTANT is providing services directly to CITY; (c) CONSULTANT has and will maintain at all relevant times a business license; (d) CONSULTANT maintains a business location that is separate from CITY; (e) CONSULTANT is customarily engaged in an independently established business of the same nature as that involved in the work performed hereunder; (f) CONSULTANT actually contracts with other businesses to provide the same or similar services and maintains a clientele without restrictions from CITY; (g) CONSULTANT advertises and holds itself out to the public as available to provide the same or similar services; (h) CONSULTANT provides its own tools, vehicles, and equipment to perform the services; (i) CONSULTANT has negotiated its own rates; (j) CONSULTANT set its own hours and location of work in accomplishing CITY's on-call needs; and (k) CONSULTANT has the right to control the manner and means of accomplishing the result desired and exercises its own expert independent judgement.

32. If Consultant produces any "web content" pursuant to this Agreement, as that term is defined in section 35.104 of Title 28 of the Code of Federal Regulations, as may be amended, Consultant shall ensure that any such web content is in full compliance with all applicable requirements of the most current version of the Web Content Accessibility Guidelines, the Americans with Disabilities Act, Code of Federal Regulations and/or California law. Consultant shall defend, indemnify, and hold harmless City, its officers, employees, and agents from and against any and all claims, liabilities, damages, or expenses arising out of Consultant's failure to comply with such requirements. This provision shall survive expiration and/or termination of this Agreement.

**The supplier named hereon by the acceptance of this order agrees to the provisions of this document titled "Contract Purchase Agreement" and all accompanying terms, conditions, and attachments.**

**Insurance Submission Process**

The City of Roseville Human Resources/Risk Management Department uses a service called EBIX to manage our insurance certificate tracking.

**How It Works**

- The vendor's contact information is entered into EBIX. EBIX will contact the vendor to request proof of insurance.
- The Vendor can forward the request to their Insurance Agent(s) if necessary.
- Vendor/Insurance Agent submits insurance to EBIX by email to roseville@ebix.com or by fax to (770) 325-5727. After faxing or emailing the certificate, please DO NOT send the certificate by mail to EBIX. Please do not mail, email or fax any certificates to the City of Roseville.
- Once submitted, EBIX reviews the insurance documentation. If there are deficiencies, EBIX will send a follow up letter or email requesting additional information.

**Questions Regarding Insurance Submission: Contact EBIX at (951) 652-4239**
**Questions Regarding Insurance Requirements Contact Risk Management at (916) 774-5202**

CITY OF ROSEVILLE CALIFORNIA

April, 2022

**RE: Contractor and Grantee Compliance with Economic Sanctions Imposed in Response to Russia's Actions in Ukraine**

Dear Vendor:

On March 4, 2022, Governor Gavin Newsom issued Executive Order N-6-22 (EO) regarding sanctions in response to Russian aggression in Ukraine. The EO is located at https://www.gov.ca.gov/wp-content/uploads/2022/03/3.4.22-Russia-Ukraine-Executive-Order.pdf.

The EO directs all agencies and departments that are subject to the Governor's authority to take certain immediate steps, including notifying all contractors and grantees of their obligations to comply with existing economic sanctions imposed by the U.S. government in response to Russia's actions in Ukraine, as well as any sanctions imposed under state law.

This correspondence serves as a notice under the EO that as a contractor or grantee, compliance with the economic sanctions imposed in response to Russia's actions in Ukraine is required, including with respect to, but not limited to, the federal executive orders identified in the EO and the sanctions identified on the U.S. Department of the Treasury website (https://home.treasury.gov/policy-issues/financial-sanctions/sanctions-programs-and-country-information/ukraine-russia-related-sanctions). Failure to comply may result in the termination of contracts or grants, as applicable.

Please note that for any agreements or grants valued at $5 million or more you must report to the City of Roseville your compliance with economic sanctions including steps you have taken in response to Russia's actions in Ukraine, including, but not limited to, desisting from making new investments in, or engaging in financial transactions with, Russian entities, not transferring technology to Russia or Russian entities, and directly providing support to the government and people of Ukraine.

Sincerely,

# TAB A: FIRM'S QUALIFICATIONS

## A.1 COMPANY OVERVIEW

BreakPoint Labs, LLC (BPL) is a certified small business headquartered in Falls Church, Virginia, specializing in offensive cybersecurity services. BPL has delivered cybersecurity assessment services, including penetration testing, red team operations, vulnerability assessments, and security audits, for more than ten (10) years across municipal government, federal government, Department of Defense, academic, and private-sector clients.

BPL maintains an approximately 65-person workforce, with 95% or more holding active DoD security clearances, 75% holding active Top Secret (SCI eligible) clearances, and over 50% holding active TS/SCI clearances. BPL holds an active DCSA-authorized Facility Clearance (FCL) at the Top Secret level.

BPL currently operates a DoD Cyber Red Team (DCRT) tasked with conducting penetration testing and red team engagements of critical infrastructures in coordination with U.S. Cyber Command (USCYBERCOM) and the National Security Agency (NSA). BPL operators conduct specialized offensive security assessments of both IT and operational technology (OT) assets supporting critical infrastructure on the DoD Information Network (DODIN), utilizing adversarial tactics, techniques, and procedures to identify cyber vulnerabilities in systems and the networks that support them.

BPL holds the following corporate certifications and quality designations:

| Certification | Status |
|---|---|
| CMMI-Services Level 4 (Program Management / Service Delivery) | Active |
| ISO 9001:2015 (Quality Management) | Active |
| ISO 27001:2022 (Information Security) | Active |
| CMMC Level 2 C3PAO Assessment | Completed |
| Great Place To Work™ | Certified 20256 |
| DCSA Facility Clearance — Top Secret | Active |

## A.2 QUALIFICATIONS FOR REQUESTED SERVICES

BPL's qualifications for the City of Roseville's cybersecurity penetration testing services are grounded in the following:

**Methodology Alignment.** BPL utilizes established penetration testing methodologies aligned with NIST SP 800-115, the OWASP Testing Guide, the Penetration Testing Execution Standard (PTES), NIST 800-53, and the MITRE ATT&CK Framework.

**IT and OT Expertise.** BPL has developed and maintains an IT/OT penetration testing methodology that incorporates risk scoring, tradecraft, and dependencies. This methodology follows industry best standards in planning, execution, and post-implementation while operating safely within OT and other sensitive environments. BPL regularly performs specialized penetration testing of production OT environments for municipal clients, military, and healthcare without negative impact on operations. Several of the proposed personnel are currently or have previously been members of the US Army Corps of Engineers (USACE) DoD Red Team tasked specifically with assessing and securing ICS/SCADA environments essential to the security of the nation.

Docusign Envelope ID: A43F44C4-630E-468D-9354-D09BC76C9335

**Municipal Government Experience.** BPL has direct experience providing cybersecurity assessment services to local and county governments, as shown by our provided references. The penetration testing services provided to these customers include external, internal, web application, SCADA/ICS OT, physical, wireless, cloud, supply chain, purple team engagements, and social engineering exercises.

**Credentialed Workforce.** BPL personnel hold advanced degrees and industry-recognized certifications including CISSP, OSCP, OSCE, GICSP, GPEN, GWAPT, GCIH, PMP, CEH, and numerous others.

## A.3 SERVICES PERFORMED BY BREAKPOINT LABS STAFF

All services described in this proposal will be performed by BPL employees. BPL does not require the use of sub-contractors or third parties and will accomplish all penetration testing services using BPL personnel. 100% of proposed personnel are current US-based BPL employees and available immediately upon contract award.

## A.4 ORGANIZATIONAL CHART

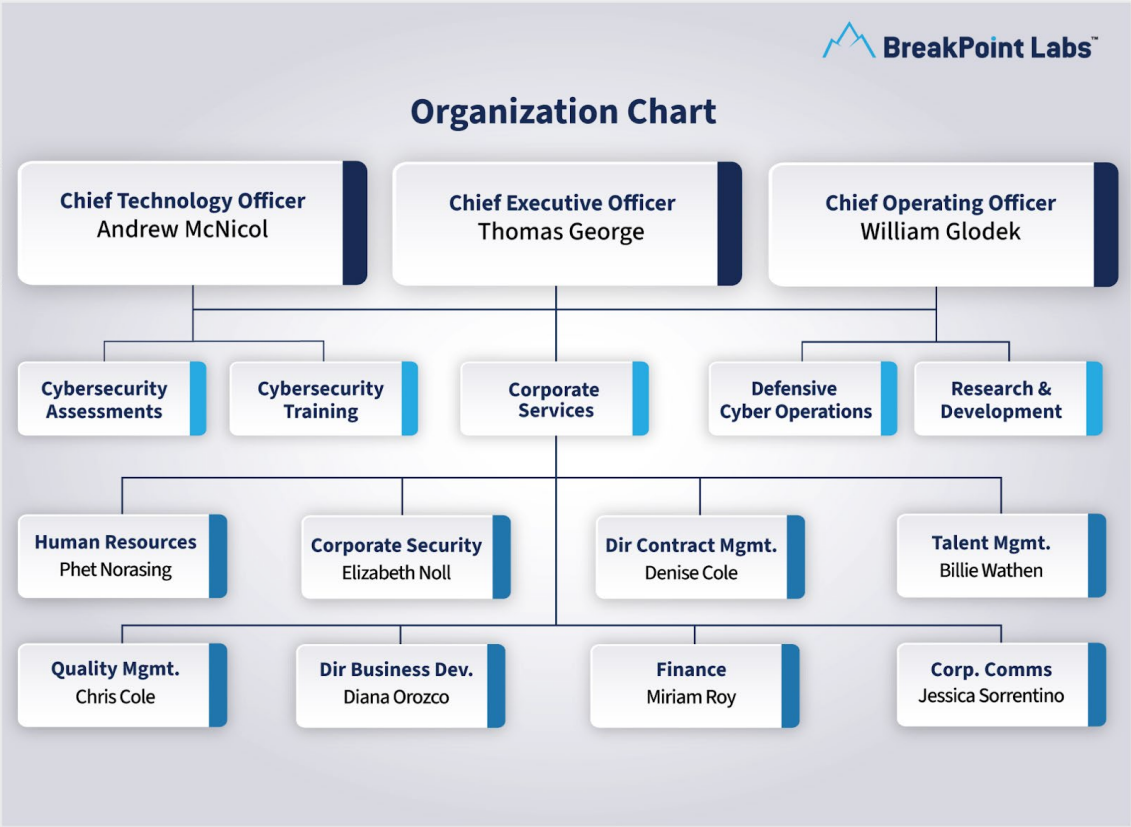

*Figure 1 - BreakPoint Labs Organizational Chart*

## A.5 STAFFING LEVEL HISTORY (PAST FIVE YEARS)

BPL has an exceptional history of employee and contract retention. BPL staffing levels have remained consistent above 50 full-time employees for the last 5 years and are currently around 65 at the time of this response. Further details can be provided upon request.

Docusign Envelope ID: A43F44C4-630E-468D-9354-D09BC76C9335

# TAB B: EXPERIENCE AND REFERENCES

## B.1 EXPERIENCE SUMMARY

BreakPoint Labs (BPL) has more than ten (10) years of experience delivering cybersecurity assessment services including penetration testing, red team operations, vulnerability assessments, and security audits. BPL's client base spans municipal and county governments, federal agencies, the Department of Defense, academic institutions, and private-sector organizations.

BPL's municipal and county government penetration testing experience is directly relevant to the City of Roseville's requirements. These engagements have encompassed the same categories of testing services identified in this RFP, including external and internal network penetration testing, web application testing, wireless assessments, cloud testing, physical security, ICS/SCADA OT engagements, configuration validation, and more, customized to each customer's needs.

## B.2 REFERENCES

Our full references, including points of contact, are in the Tab B and E attachment.

# TAB C: QUALIFICATIONS OF TEAM

## C.1 GEOGRAPHIC LOCATION

**Headquarters:**
BreakPoint Labs, LLC
8116 Arlington Blvd., #255
Falls Church, VA 22042

All proposed personnel are US citizens and operate remotely from within the United States with the ability to deploy onsite to client locations as required. For each personnel listed, the state location is noted. BPL does not require the use of any subcontractors or third parties for the services described in this RFP.

## C.2 PROJECT TEAM ORGANIZATION DIAGRAM

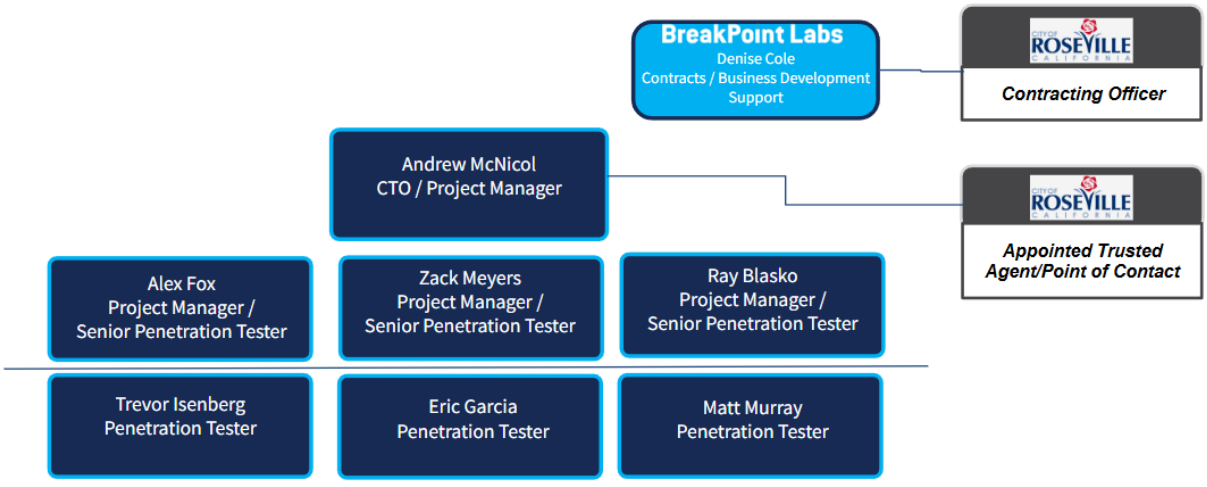

*Figure 2 - BreakPoint Labs Proposed Personnel Diagram*

Full resumes for all proposed personnel are located in Appendix A.

Docusign Envelope ID: A43F44C4-630E-468D-9354-D09BC76C9335

# TAB D: PROJECT UNDERSTANDING

## D.1 UNDERSTANDING OF REQUESTED SERVICES

The City of Roseville seeks a qualified cybersecurity consultant to perform comprehensive penetration testing services across its Information Technology (IT), Business Technology (BT), and Operational Technology (OT) environments. The engagement is structured as a multi-year contract — three (3) years with one (1) optional renewal year — with annual penetration testing engagements of approximately one to two weeks of active testing each .

The City's technology environment supports critical municipal functions including public safety (police and fire), utilities (electric, water, wastewater), and general administrative services. These systems operate under multiple regulatory frameworks, including:

- **CJIS Security Policy** — governing criminal justice information systems used by public safety departments
- **PCI-DSS** — governing payment card processing systems
- **NIST SP 800-82** — guiding the security of industrial control systems

Docusign Envelope ID: A43F44C4-630E-468D-9354-D09BC76C9335

- **IEC 62443** — addressing industrial automation and control systems security
- **NERC CIP** — governing critical infrastructure protection for electric utility systems

The RFP specifies eight (8) required testing service categories: external network penetration testing, internal network penetration testing, web application penetration testing, wireless network penetration testing, cloud infrastructure testing, social engineering testing (as authorized by the City), configuration and security control validation, and SCADA/ICS testing. Additionally, the City may request optional/specialized services during the contract term, including mobile application testing, API security testing, MDM/endpoint testing, IoT/embedded device testing, physical security testing, third-party/supply chain assessments, red/blue/purple team engagements, and insider threat simulation. BPL and its personnel have the experience and credentials necessary to support all of these testing services.

## D.2 GENERAL METHODOLOGY

BPL's approach to the City of Roseville engagement follows a structured, phased methodology aligned with industry standards including MITRE ATT&CK Framework, NIST SP 800-115, the OWASP Testing Guide, and the Penetration Testing Execution Standard (PTES). BPL has over 10 years of experience conducting penetration testing using this methodology blended with practical lessons learned from hundreds of engagements across municipal government, federal, DoD, academic, and commercial clients.

Each engagement will proceed through the following phases, which are further explained within Tab E:

1. **Planning and Scoping** — Kick-off meeting with City staff to review objectives, define scope, establish Rules of Engagement (ROE), confirm testing windows, and identify blacklisted/sensitive systems. Scope will be finalized in coordination with City IT and department stakeholders. Specific test cases, areas of concern, and other considerations are discussed to further customize the project execution to the City's needs.
2. **Reconnaissance and Enumeration** — Systematic identification of the City's attack surface using both passive and active techniques. External reconnaissance leverages OSINT tools (Shodan, Censys.io, DNS enumeration, search engine analysis) to map the external footprint. Internal reconnaissance maps network topology, Active Directory domains, services, and segmentation.
3. **Active Testing** — Combined automated and manual testing. Automated tools provide a preliminary evaluation; manual testing goes beyond scanner output to identify vulnerabilities commonly missed by automated means. BPL conducts targeted, in-depth testing to validate exploitability and clearly distinguish between theoretical and demonstrated risks.
4. **Exploitation and Post-Exploitation** — With City authorization and within the approved ROE, BPL validates vulnerabilities through controlled exploitation to demonstrate actual impact. Post-exploitation activities assess the extent of potential compromise, lateral movement paths, and privilege escalation opportunities. All exploitation follows two-person integrity (TPI) checks and continuous communication with City stakeholders.
5. **Analysis and Reporting** — Reporting will include an Executive Report with testing summaries and high-level takeaways, as well as a more detailed Technical Report with finding details. Each finding include a description of the finding, an attacker/exploitation scenario detailing how exploitation was or could be carried out and the resulting impact, and

Docusign Envelope ID: A43F44C4-630E-468D-9354-D09BC76C9335

full remediation steps and options to assist the City in mitigating the finding. All findings rated using CVSS v3.1 scoring and mapped to CIS Controls and NIST CSF. Outbriefs to both management and technical levels can be supported. Final reports are delivered within 2 weeks of the end of active testing.

6. **Retesting and Validation** — BPL stands behind its work by providing remote remediation services at no charge for all customers. At any point after testing, BPL operators can retest any reported findings to ensure the effectiveness of mitigations.

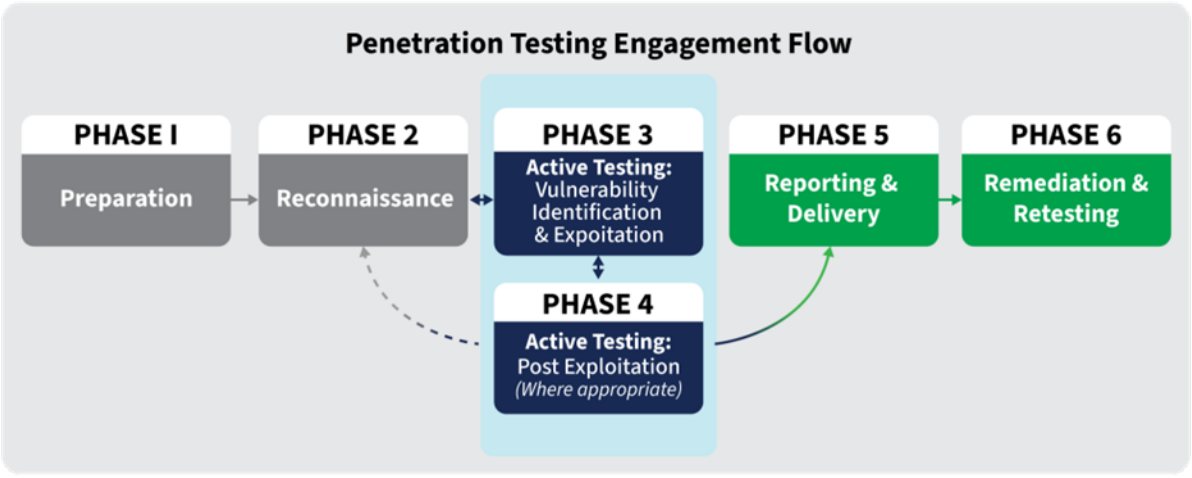

*Figure 3 - Penetration Testing Engagement Flow*

## D.3 MAJOR CHALLENGES AND CONSIDERATIONS

### D.3.1 OT Testing Sensitivity

Testing production OT environments requires extreme care to avoid operational disruption. BPL addresses this through a "low-and-slow" methodology that prioritizes manual enumeration over aggressive automated scanning. BPL regularly performs specialized penetration testing of production OT environments for municipal clients, military, and healthcare without negative impact on operations. Several of the proposed personnel are currently or have previously been members of the US Army Corps of Engineers (USACE) DoD Red Team tasked specifically with assessing and securing ICS/SCADA environments essential to the security of the nation. BPL offensive security testing has never negatively affected operations on production environments.

### D.3.2 Coordinating Around 24/7 Public Safety Operations

Public safety systems supporting police and fire operations cannot tolerate downtime. Testing of CJIS-protected systems and public safety networks requires careful scheduling around operational windows, advance notice of all testing activities, and immediate escalation protocols for any critical findings. BPL will coordinate testing schedules with the City to avoid operational disruption, provide advance notice of testing windows, and immediately notify the City of any critical or high-risk findings discovered during testing.

### D.3.3 Multi-Year Engagement Continuity and Evolution

A three-year engagement requires consistent methodology, staffing, and institutional knowledge across assessment cycles. BPL thrives on continuity and has an exceptional track record of both employee and customer retention. BPL personnel also continuously keep methodologies and TTPs up-to-date and relevant to today’s threat landscape. Year-over-year continuity allows BPL to track

Docusign Envelope ID: A43F44C4-630E-468D-9354-D09BC76C9335

remediation progress, identify recurring vulnerabilities, rapidly adjust methodologies to meet emerging threats, and adapt testing focus areas based on the City's evolving risk profile.

### D.3.4 Social Engineering with Deep Fakes

The RFP identifies social engineering testing, including deep fakes, as a testing category available only if explicitly authorized by the City. Social engineering requires special care in tailoring to the City's needs and truly emulating real threats that may target the City of Roseville. BPL has extensive social engineering testing capabilities using a variety of communication methods and attack paths, including deep fake generation, and knows how to design and execute customized social engineering campaigns that drive real awareness and defensive improvement.

## D.4 UNIQUE APPROACHES AND STRENGTHS

**TS/SCI Cleared Workforce.** BPL maintains an active DCSA-authorized Facility Clearance at the Top Secret level, with 75% of personnel holding active Top Secret (SCI eligible) clearances and over 50% holding TS/SCI. This clearance profile provides assurance of personnel trustworthiness and the ability to handle sensitive municipal data with the highest standards of care.

**Municipal Government Track Record.** BPL has direct penetration testing experience with multiple municipal and county governments. These engagements have encompassed the full range of testing services requested in this RFP, including ICS/SCADA assessments of public safety organizations and public utility infrastructure.

**Manual Testing Emphasis.** BPL's approach prioritizes manual testing techniques over reliance on automated scanners. This approach has consistently identified critical vulnerabilities missed by prior third-party assessments at other organizations, including previously undiscovered Active Directory escalation paths, custom remote code execution vulnerabilities, and SMTP injection flaws.

**OT Experience and GICSP-Certified Team Members.** BPL has 10 years of experience in high-profile OT security assessments and employs personnel holding the GIAC Industrial Cyber Security Professional (GICSP) certification — a concentration of ICS/OT expertise directly applicable to the City's SCADA testing requirements. This depth of ICS-certified personnel ensures that OT assessments are conducted by qualified specialists who understand both the technical and operational implications of testing industrial control systems.

**No Subcontractors.** All services will be performed by BPL employees. 100% of proposed personnel are long-term BPL employees available immediately upon contract award.

# TAB E: PROJECT PLAN

Our full, detailed project plan, including considerations and methodologies, is located in the Tab B and E attachment document.

## E.1 PROPOSED WORK SCHEDULE

BPL proposes the following schedule for each engagement:

| Phase | Duration | Activities |
|---|---|---|
| **Week 1** | Planning & Preparation | Kick-off meeting, scope confirmation, ROE |

Docusign Envelope ID: A43F44C4-630E-468D-9354-D09BC76C9335

| | | |
|---|---|---|
| | | finalization, access provisioning |
| **Weeks 2–3** | Active Testing | Active testing of the services scoped for the assessment |
| **Week 4-5** | Reporting & Delivery | Report compilation and delivery, debriefs, remediation planning |
| **Post-Delivery** | Remediation Testing | Validation of remediated vulnerabilities upon City request |

Personnel assigned for each engagement will match the service areas under test, and will come from the proposed team members within this response. No substitutions will be made without the prior written approval of the City, as required.

### E.2 EQUIPMENT, TOOLS, AND INFRASTRUCTURE

All equipment and tools are provided and managed by BPL. No City equipment is required beyond standard network/VPN access and provisioned user accounts for gray-box testing.

### E.3 DATA HANDLING, STORAGE, AND DESTRUCTION

All data collected, generated, or derived during the engagement — including scan results, screenshots, logs, credentials, configurations, exploit artifacts, and reports — will be handled as confidential City information.

**Storage:**

- Encryption at rest: AES-256 or stronger
- Encryption in transit: TLS 1.2 or higher
- Access restricted to authorized BPL engagement personnel only
- All City data stored on servers located within the continental United States
- No City data transferred outside approved jurisdictions without prior written City authorization
- No reuse of City data for testing, training, marketing, or demonstration purposes

**Destruction:**

- All City data, including backups and archival copies, permanently destroyed or securely deleted upon engagement completion
- Written attestation of data destruction provided upon City request
- No copies retained beyond agreed retention period unless explicitly authorized in writing by the City

## TAB F: COST PROPOSAL

Pricing has been estimated based on known scoping details but will need to be adjusted to fit each engagement's specific scope. For each engagement, BPL will provide a firm fixed price after scoping discussions with the City, and is open to negotiation to meet the City's needs while still providing a high-quality service.

When multiple services are covered during the same assessment, there will be efficiencies across them that will reduce total price. For example, doing cloud and external services during the same engagement can use combined reconnaissance efforts and will have reduced overhead during the reporting phase.

Docusign Envelope ID: A43F44C4-630E-468D-9354-D09BC76C9335

As scope has been estimated based on past work with cities of similar size to Roseville, this pricing will vary based on actual scope under test and desired outcomes. BPL has an extensive history of working closely with customers in the preparation phase to ensure each engagement is tailored to the customer's specific needs, including costs.

### F.1 REQUIRED SERVICES COST

| Service Area | Estimated Price | Hourly Rate |
|---|---|---|
| **External** | $19,200 | $160 |
| **Internal** | $32,000 | $160 |
| **Web Application (broad, 300-400 apps)** | $19,200 | $160 |
| **Web Application (single, deep dive)** | $6,400 | $160 |
| **Wireless (on-site required)** | $6,400 | $160 |
| **Cloud** | $19,200 | $160 |
| **Social Engineering** | $12,800 | $160 |
| **Configuration and Security Control Validation** | $28,800 | $160 |
| **ICS/SCADA (on-site required)** | $36,000 | $180 |
| **Remediation Testing (all remote services)** | Free | Free |
| **Travel (on-site services only)** | $1,700 / person / week | - |

### F.2 OPTIONAL SERVICES COST

| Service Area | Estimated Price | Hourly Rate |
|---|---|---|
| **Mobile App (single app)** | $6,400 | $160 |
| **API Testing (single API)** | $6,400 | $160 |
| **Mobile Device Management and Endpoint Security Testing** | $10,800 | $180 |
| **IoT** | $10,800 | $180 |
| **Physical** | $9,600 | $160 |
| **Supply Chain** | $12,800 | $160 |
| **Purple Team (Internal scope)** | $36,000 | $180 |
| **Insider Threat Simulation** | $6,400 | $160 |

## TAB G: REQUIRED STATEMENTS/DOCUMENTS

### G.1 STATEMENT 1: TEAM NON-SUBSTITUTION

BreakPoint Labs assures the City of Roseville that the designated project team identified in this proposal will be used for this project. BPL will not make any departure, reassignment, or substitution of any member of the designated project team without the prior written approval of the City, in accordance with Section 4.0 of the RFP. BPL does not propose any sub-consultants or sub-contractors for this engagement; all services will be performed by BPL employees.

Docusign Envelope ID: A43F44C4-630E-468D-9354-D09BC76C9335

## G.2 STATEMENT 2: ABSENCE OF CONFLICT OF INTEREST

BreakPoint Labs affirms that no conflict of interest exists with respect to this proposal or the performance of the services described herein, in accordance with Section 10.4 of the RFP. BPL has no financial, contractual, organizational, or other relationships that would create a conflict of interest or appearance of a conflict of interest with the City of Roseville or any party to this procurement.

## G.3 STATEMENT 3: INDEMNIFICATION AND INSURANCE

BreakPoint Labs affirms its ability and agreement to fulfill the indemnification and insurance requirements contained in the Sample Contract (Attachment A), Section 10.7. BPL maintains network security and privacy insurance coverage that meets or exceeds standard industry limits, including cyber liability coverage. BPL is prepared to provide certificates of insurance upon contract award demonstrating compliance with the City's insurance requirements, including Professional Liability and Cyber Liability coverage at $2,000,000 per occurrence as specified for IT Services engagements.

## G.4 STATEMENT 4: NON-PROPRIETARY

BreakPoint Labs affirms that nothing contained in this submitted proposal is proprietary, in accordance with Section 10.23 of the RFP.

## G.5 REQUIRED FORMS AND DOCUMENTS

Provided with this response is Appendix C which contains the following requested documents:

- Screenshot of Active State of California Business Registration
- Executed copy of Proposer's Certification (Attachment B)
- Levine Act Disclosure Statement Form (Attachment C)
- Executed copy of Non-collusion Declaration (Attachment D)

# TAB H: EXCEPTIONS

BreakPoint Labs takes no exceptions to the Scope of Services, requirements of this RFP, or the Sample Contract (Attachment A). BPL agrees to all terms and conditions as stated.

# TAB I: COMPETENCY OF PROPOSERS

## I.1 LEGAL AND FINANCIAL HISTORY

BreakPoint Labs has no pending or resolved bankruptcies, liens, stop payment notices, judgments, lawsuits, arbitrations, mediations, foreclosures, or similar actions filed or resolved in the past ten (10) years. BPL's principals, directors, and employees have not been involved in any litigation, arbitration, investigations, or similar actions related to services provided.

No client has ever terminated a contract with BreakPoint Labs for breach.

BreakPoint Labs has not been debarred from providing services to any state or federal agency.

## I.2 FINANCIAL RESOURCES

BreakPoint Labs is a financially stable, established cybersecurity firm with the resources to ensure continuous performance of work under this contract:

- **Workforce:** BPL maintains an approximately 65-person workforce, all of whom are current

Docusign Envelope ID: A43F44C4-630E-468D-9354-D09BC76C9335

BPL employees. BPL does not rely on subcontractors or third-party staffing to fulfill engagement requirements.

- **Operational History:** BPL has delivered cybersecurity assessment services for more than 10 years across municipal government, federal government, Department of Defense, academic, and private-sector clients, demonstrating sustained organizational capacity.
- **Corporate Certifications:** BPL holds CMMI-Services Level 4, ISO 9001:2015 (Quality Management), and ISO 27001:2022 (Information Security) certifications, reflecting mature organizational processes and financial investment in quality management systems.
- **Federal Contract History:** BPL holds active federal contracts including multi-year engagements, demonstrating financial capacity to sustain concurrent operations.
- **CPARS Ratings:** Exceptional Contractor Performance Assessment Reporting System (CPARS) ratings are available from federal government clients, including Federal OIGs.

If additional financial resource validation is required, it can be discussed and provided during negotiations to sufficiently ease City concerns.

## TAB J: TECHNOLOGY PROJECTS

Included in Appendix B is the completed Standards Matrix (Attachment E) as requested.

### J.1 SUPPORT DURING ENGAGEMENTS

**Point of Contact:** The assigned project manager for each engagement will serve as the primary point of contact for the City, along with a direct backup point of contact.

**Availability During Testing Windows:** BPL's project manager and assigned testing team are available during all active testing windows for coordination, status updates, and escalation communications. BPL coordinates testing schedules with the City and provides advance notice of all testing activities.

**Communication Channels:**

- Email: Designated project team email addresses (@breakpoint-labs.com)
- Phone: Direct phone contact with the project manager
- Secure file transfer: Will be discussed with the City during engagement planning

### J.2 ESCALATION FOR CRITICAL FINDINGS

During active testing, any vulnerability classified as Critical or High severity will be immediately reported to the City's designated point of contact via phone and followed up with a written interim finding report within 24 hours. This ensures the City can take immediate protective action on critical vulnerabilities without waiting for the final report.

### J.3 SUPPORT AFTER ENGAGEMENTS

Between annual testing cycles, BPL maintains availability to answer follow-up questions regarding findings, remediation guidance, and retesting coordination. BPL has a track record of maintaining client contact after engagement completion to provide advice and assistance.

### J.4 TERMS AND CONDITIONS

BreakPoint Labs proposes no additional terms and conditions beyond those contained in the City's

Docusign Envelope ID: A43F44C4-630E-468D-9354-D09BC76C9335

**Attachment B**

**PROPOSER'S CERTIFICATION**

I hereby propose to furnish the goods or services specified in the Request for Proposals ("RFP"). I agree that my proposal will remain firm for a period of up to ninety (90) days in order to allow the City of Roseville ("City") adequate time to evaluate the qualifications submitted.

I have carefully examined the Request for Proposals and any other documents accompanying or made a part of this RFP. The information contained in this proposal is true and correct to the best of my knowledge and is signed under penalty of perjury under the laws of the State of California. I further certify that I am duly authorized to submit this proposal on behalf of the firm as its authorized agent and that the firm is ready, willing and able to perform if awarded the contract.

I further certify that this proposal is made without prior understanding, agreement, connection, discussion, or conspiracy with any other person, firm or corporation submitting a proposal for the same product or service; that this proposal is fair and made without outside control, collusion, fraud or illegal action; that no officer, employee or agent of the City or any other proposer is financially interested in said proposal; that no undue influence or pressure was used against or in concert with any officer, employee or agent of the City in connection with the award or terms of the contract that will be executed as a result of this RFP; and that the undersigned executed this Proposer's Certification with full knowledge and understanding of the matters therein contained and was duly authorized to do so.

## LEVINE ACT DISCLOSURE STATEMENT

**(The completed form submitted to the City of Roseville is a public record.)**

California Government Code Section 84308, commonly referred to as the "Levine Act," prohibits any "Officer" (elected or appointed officer, any alternate thereto, and any candidate for elective office) from participating in any consideration or action related to a proceeding if they receive political contribution(s) from a party, or its agent(s), totaling more than $250 within the previous twelve (12) months, while a proceeding is pending, and for twelve (12) months following the date of a final decision in a proceeding concerning a license, permit, other entitlement for use, franchise, or contract (collectively "license, permit, or contract"). For additional information: https://www.roseville.ca.us/government/departments/city_clerk/transparency/levine_act.

City Officers are listed at the following sites:

- The Members of City Council - https://www.roseville.ca.us/government/city_council/meet_council
- Boards & Commission Members - https://www.roseville.ca.us/government/boards_commissions

**Parties and their Agents are responsible for reviewing and disclosing their applicable contributions to City Officers on the record of a proceeding.**

**1.** Have you or your entity, or any agent on behalf of you or your entity, made any political contribution(s) totaling more than $250 to any City Officer in the twelve (12) months preceding the date of the submission of your license, permit, or contract, or the anticipated date of any City Council, Board, or Commission consideration or action related to this license, permit, or contract?

YES _____ NO X

If yes, please identify the City Officer(s):_____

**2**. Do you or your entity, or any agent on behalf of you or your entity, anticipate or plan to make any political contribution(s) totaling more than $250 to any City Officer in the twelve (12) months following any City Council, Board, or Commission consideration or action related to this license, permit, or contract?

YES _____ NO X

If yes, please identify the City Officer(s):_____

Answering yes to either of the two questions above does not preclude the City of Roseville from considering and/or taking action on a license, permit, or contract. It does, however, potentially preclude the identified City Officers from participating in consideration of and in taking any actions related to the license, permit, or contract. Please accurately complete and sign this form, under the penalty of perjury:

| 03/11/2026 | Denise Cole | BreakPoint Labs, LLC |
|---|---|---|
| (Date) | (Printed Name/Title of Authorized Representative) | (Name of business/legal entity) |

(Signature)

**You must submit a supplemental form if you make any new reportable contribution(s) while the contract, license, permit, or other entitlement is being considered.** If this form has not previously been submitted in connection with a contracting, licensing, entitlement or permitting process, please provide the completed form to the Office of the City Clerk for appropriate departmental routing, at: City Clerk, 311 Vernon St., Roseville, CA 95678, CityClerkRoseville@roseville.ca.us

Docusign Envelope ID: A43F44C4-630E-468D-9354-D09BC76C9335

# LEVINE ACT DISCLOSURE STATEMENT

**(The completed form submitted to the City of Roseville is a public record.)**

| Term | Definition | Law |
|---|---|---|
| **Covered "proceedings"** | A proceeding to grant, deny, revoke, restrict, or modify a license, permit or other entitlement for use, that does not solely involve purely ministerial decisions and is:<br>(1) Applied for by the party;<br>(2) Formally or informally requested by the party; or<br>(3) A contract between the agency and the party or a franchisee granted by the agency to the party, other than a contract that is **competitively bid**, a **labor contract**, or a **personal employment contract**. | FPPC Reg 18438.2(a) |
| **Party** | Any person who files an application for, or is the subject of, a proceeding involving a license, permit, or other entitlement for use. | Gov. Code 84308(a)(1) |
| **Participant** | Any person who is not a party but who actively supports or opposes a particular decision in a proceeding involving a license, permit, or other entitlement for use and who has a financial interest in the decision. A person actively supports or opposes a particular decision in a proceeding if that person lobbies in person the officers or employees of the agency, testifies in person before the agency, or otherwise acts to influence officers of the agency. | Gov. Code 84308(a)(2)<br>FPPC Reg 18438.4 |
| **Agent** | A person who represents a party or participant for compensation and appears before or otherwise communicates with the governmental agency for the purpose of influencing the pending proceeding. See FPPC Reg 18438.3 for exceptions for certain consultants. | FPPC Reg 18438.3 |
| **Competitively Bid** | A contract required by law to be awarded to the lowest responsible bidder with a responsive bid, or, if the successful bidder refuses or fails to execute the contract, to the next lowest bidder with a responsive bid. | FPPC Reg 18438.2(a)(3)(A) |
| **Labor Contract** | A contract or agreement reached through collective bargaining or with a representative group regarding the salary, benefits, or terms and conditions under an employment or retirement policy for employees or retirees, including a project labor agreement entered under Public Contract Code Section 2500. | FPPC Reg 18438.2(a)(3)(B) |
| **Personal Employment Contract** | A contract for employment, including the terms and conditions of employment, between the agency and an agency employee. A contract with an independent contractor is NOT a personal employment contract. | FPPC Reg 18438.2(a)(3)(C)-(D) |

A **party** to a proceeding before an agency involving a license, permit, or other entitlement for use **shall disclose on the record of the proceeding** any contribution in an amount of more than two hundred fifty dollars ($250) made within the preceding 12 months by the party or the party's agent.

Docusign Envelope ID: A43F44C4-630E-468D-9354-D09BC76C9335

A **party**, **or agent to a party**, to a proceeding involving a license, permit, or other entitlement for use pending before any agency or a participant, or agent to a participant, in the proceeding **shall not make a contribution** of more than two hundred fifty dollars ($250) to any officer of that agency during the proceeding and for 12 months following the date a final decision is rendered by the agency in the proceeding.

(Gov. Code, § 84308, emphasis added.)

**Attachment D**

## NONCOLLUSION DECLARATION TO BE EXECUTED BY BIDDER AND SUBMITTED WITH BID

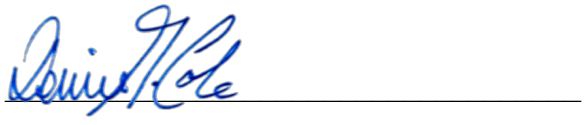
The undersigned declares:

I am the Director of Contracts of BreakPoint Labs, LLC, the party making the foregoing bid.

The bid is not made in the interest of, or on behalf of, any undisclosed person, partnership, company, association, organization, or corporation. The bid is genuine and not collusive or sham. The bidder has not directly or indirectly induced or solicited any other bidder to put in a false or sham bid. The bidder has not directly or indirectly colluded, conspired, connived, or agreed with any bidder or anyone else to put in a sham bid, or to refrain from bidding. The bidder has not in any manner, directly or indirectly, sought by agreement, communication, or conference with anyone to fix the bid price of the bidder or any other bidder, or to fix any overhead, profit, or cost element of the bid price, or of that of any other bidder. All statements contained in the bid are true. The bidder has not, directly or indirectly, submitted his or her bid price or any breakdown thereof, or the contents thereof, or divulged information or data relative thereto, to any corporation, partnership, company, association, organization, bid depository, or to any member or agent thereof, to effectuate a collusive or sham bid, and has not paid, and will not pay, any person or entity for such purpose.

Any person executing this declaration on behalf of a bidder that is a corporation, partnership, joint venture, limited liability company, limited liability partnership, or any other entity, hereby represents that he or she has full power to execute, and does execute, this declaration on behalf of the bidder.

I declare under penalty of perjury under the laws of the State of California that the foregoing is true and correct and that this declaration is executed on 11 March 2026 [date], at Falls Church [city], VA [state].



(Signature of Declarant)

## Technology Security and Standards Matrix (Services)

The Technology Security and Standards Matrix ("Matrix") will be used to determine the compatibility of Vendor' services to the technology and security standards of the City of Roseville. In the third column from the left, please enter the response to the requirement based upon the possible responses below. An omitted response or a deviation from the alpha responses provided below will be construed to be a "NO" – not supported and/or is not provided as part of the proposal. If you need to add any comments to further clarify your response, please do so in the column specified

| Response Code | Definition |
|---|---|
| **Y (YES)** | The vendor is in compliance (or agrees) with the described requirement. |
| **N (NO)** | The vendor is not in compliance with the described requirement; explain in the Comments column. |
| **P (PENDING)** | Compliance with the described requirement is planned and will be in place at no additional charge prior to the delivery of services. Please state the estimated date for compliance. |
| **C (COST)** | Compliance with the described requirement is not currently available, but can be provided at an additional cost. The Vendor is to provide an explanation in the Comments column along with the estimated number of hours and cost. |
| **E (EXCEPTION)** | Notes an exception to the requirement (if the Vendor achieves the same or similar outcome with a different standard). |
| **NA (Not Applicable)** | This requirement is not applicable to the Vendor. |

| # | Requirement | Response Code | Comments |
|---|---|---|---|
| | Vulnerability Management | | |
| 1 | Vendor will patch their systems used to deliver services within industry-standard timeframes (e.g., critical patches within 14 days, zero-days within 72 hours). | Y | Full compliance |
| 2 | Vendor won't use any unsupported or end-of-life software components in the delivery of services. | Y | Full compliance |
| 3 | Vendor follows secure coding practices (e.g., OWASP Top 10) for any scripting, automation, or integration provided in the delivery of services. | Y | Full compliance<br>OWASP Top 10 followed |
| | Data Security | | |
| 4 | All City data will be stored on servers located solely within the continental United States, including backup data and Disaster Recovery locations. Please provide exact geographical location of servers. | Y | Any City data stored externally will be on US-based AWS infrastructure only |
| 5 | Vendor warrants that all City data will be encrypted in transit and at-rest using encryption consistent with validated cryptography standards as specified in National Institute of Standards and Technology Security Requirements. | Y | Full compliance |
| | Data Retention and Disposal | | |
| 6 | Vendor will only retain City data as long as necessary for the delivery of services. | Y | Full compliance |
| | Access Controls | | |
| 7 | Vendor's remote access to City's systems (on-prem or cloud) will be secured using multifactor authentication (MFA) and City-approved secure access method. | Y | Full compliance |

Docusign Envelope ID: A43F44C4-630E-468D-9354-D09BC76C9335

| | | | |
|---|---|---|---|
| 8 | Vendor will use named, unique user accounts for access to any City systems. | Y | Full compliance |
| 9 | Vendor uses unique complex passwords (or passphrases) and password management that follows industry best practices (e.g., NIST SP 800-63B, CJIS Security Policy). | Y | Full compliance |
| 10 | Vendor will not transmit passwords in plaintext. | Y | Full compliance |
| 11 | Vendor follows the principle of least privilege (PoLP) and role-based access controls (RBAC) in the delivery of services. | Y | Full compliance |
| | Email and Communications | | |
| 12 | Vendor uses a secure, business-class email account associated with a custom domain owned and managed by the Vendor or their organization (e.g., name@company.com) for all communications in the delivery of services. | Y | Full compliance @breakpoint-labs.com |
| 13 | The Vendor's email system enforces multi-factor authentication (MFA) and is protected by up-to-date anti-malware and anti-phishing controls. | Y | Full compliance |

## TAB E: PROJECT PLAN

### Methodology Overview

BPL employs a comprehensive, repeatable, risk-based methodology derived from industry standards including NIST SP 800-115 (Technical Guide to Information Security Testing and Assessment), the OWASP Testing Guide, the Penetration Testing Execution Standard (PTES), and the MITRE ATT&CK Framework. This methodology is applied across all penetration testing service categories and has been validated through hundreds of engagements across federal, state, municipal government, academic, and commercial clients over more than 10 years.

BPL's core differentiator is an emphasis on manual testing that goes beyond automated tool output. BPL engineers adopt an attacker mindset and leverage advanced tactics, techniques, and

Docusign Envelope ID: A43F44C4-630E-468D-9354-D09BC76C9335

procedures (TTPs) to identify vulnerabilities that automated scanners routinely miss. Automated tools provide a preliminary evaluation; manual testing cross-validates findings, eliminates false positives, and discovers vulnerabilities that require human-driven analysis to uncover — such as Active Directory misconfigurations, business logic flaws, and chained attack paths.

All testing will adhere to the following operational requirements specified in the RFP:

- Testing schedules coordinated with the City to avoid operational disruption
- Advance notice of testing windows and escalation contacts provided
- Immediate notification to the City of any critical or high-risk findings during testing
- No denial-of-service or destructive testing unless explicitly authorized in writing by the City
- All findings rated using CVSS v3.1 scoring and mapped to CIS Controls and NIST CSF
- Detailed logs of all testing activities maintained throughout each engagement

The general engagement phases are provided below, as well as the specific methodologies used for each service area.

## General Engagement Phases

**Phase 1: Planning and Scoping**

BPL will conduct a kick-off meeting with City staff to review key objectives, scheduled activities, assumptions, and constraints. During this phase:

- Scope confirmation: Define in-scope systems, IP ranges, applications, and environments for the annual engagement
- Rules of Engagement (ROE): Establish testing parameters, authorized techniques, blacklisted systems, escalation contacts, and communication protocols
- Testing windows: Coordinate schedules with City departments to minimize operational impact
- Credential provisioning: For gray-box testing components, coordinate provisioning of standard user accounts, VPN access, and application credentials as appropriate

**Phase 2: Reconnaissance and Enumeration**

BPL operators will perform systematic identification of the City's attack surface using both passive and active techniques, tailored to each testing category within the approved scope.

External reconnaissance leverages OSINT tools (Shodan, Censys.io, Google Dorks, DNS enumeration, metadata analysis, historical archives) and compromised data repositories to map the external footprint, identify publicly accessible services, and discover potential attack paths. Any additional potential scope items discovered during reconnaissance will be sent to the City for confirmation before testing.

Internal reconnaissance maps network topology, Active Directory domains, group policies, service accounts, certificate services, trust relationships, and network segmentation. Cloud environments are enumerated from both authenticated and unauthenticated perspectives.

**Phase 3: Active Testing and Exploitation**

BPL will employ both automated and manual testing techniques. Manual testing goes beyond scanner output to identify vulnerabilities commonly missed by automated means.

Docusign Envelope ID: A43F44C4-630E-468D-9354-D09BC76C9335

BPL validates exploitability of identified vulnerabilities where feasible, clearly distinguishing between theoretical and demonstrated risks as required by the RFP. All exploitation methods consider the target's criticality, process-sensitive components, and system interconnections.

Any successful exploitation resulting in a "High" or "Critical" severity vulnerability will be immediately reported to the appropriate City stakeholder(s) as an interim writeup.

Active testing for specific service areas is further detailed in the Service Area Methodologies section below.

**Phase 4: Post-Exploitation**
With City authorization and within the approved ROE, BPL will conduct post-exploitation testing to determine the impact and further attack paths once exploitation is achieved. Post-exploitation is conducted by senior penetration testers with two-person integrity (TPI) checks to ensure safety.

**Phase 5: Reporting and Deliverables**
After testing activities, BPL will compile detailed reports with the following structure:

1. **Executive Report** - High-level overview of assessment findings, methodology description, analytics/metrics, timeline, and observations. Tailored for City leadership and executive management stakeholders.
2. **Detailed Technical Report** - Comprehensive attacker narrative, methodology description, key assessment activities, and security control observations. Each finding includes:
    - Description of the finding, its severity (CVSS v3.1), systems affected, and business impact
    - Evidence of exploitation or attack scenarios with screenshots
    - Mapping to relevant compliance frameworks (CIS Controls, NIST CSF)
    - Actionable remediation recommendations with prioritization based on risk
    - External references to industry standards and frameworks

Final reports will be delivered within two weeks of active testing completion. As part of the delivery process, BPL will debrief engagement results for technical and/or executive stakeholders. Debriefs are tailored based on the target audience, focusing on risk-based objectives and creating an actionable remediation plan.

**Phase 6: Retesting and Validation**
Following the City's remediation efforts, BPL provides retesting services to verify that identified vulnerabilities have been effectively addressed. Retesting validates that remediation actions were successful and did not introduce new vulnerabilities. Results are documented and provided as a supplemental report.

## Service Area Methodologies

### 1. External Network Penetration Testing

BPL will assess all in-scope internet-facing systems, services, and infrastructure. The methodology follows a phased approach:

- **Reconnaissance:** Enumerate external footprint using Shodan, Censys.io, Nmap, DNS

Docusign Envelope ID: A43F44C4-630E-468D-9354-D09BC76C9335

analysis, and OSINT techniques. Identify publicly accessible services, web applications, VPN endpoints, mail servers, and DNS infrastructure.

- **Automated Testing:** Commercial and open-source tools scan for known vulnerabilities and misconfigurations.
- **Manual Testing:** Targeted testing of external services including web application testing, business logic flaws, password spraying (low-and-slow within lockout thresholds), and service-specific exploitation.
- **Exploitation:** Validate exploitability and impact of identified vulnerabilities. If external access leads to internal network access (e.g., through VPN compromise, web application exploitation, or credential discovery), scope expansion will be coordinated with the City before proceeding.

**2. Internal Network Penetration Testing**

BPL will evaluate internal networks from an assumed-breach or gray-box perspective using City-provisioned access:

- **Reconnaissance:** Map network topology, enumerate Active Directory domains, identify services, assess network segmentation, and evaluate security controls.
- **Active Directory Assessment:** Enumerate domain trusts, group memberships, GPOs, service accounts, certificate services, and authentication mechanisms. Identify misconfigured permissions and escalation paths.
- **Manual Testing:** Targeted exploitation of identified vulnerabilities — credential harvesting, lateral movement via WMI/SMB/RDP, privilege escalation through AD misconfigurations, Kerberos attacks (Pass-the-Hash, Pass-the-Ticket, Kerberoasting), and certificate abuse.
- **Post-Exploitation:** With City authorization, demonstrate full impact of compromise through lateral movement, persistence, and data access.

**3. Web Application Penetration Testing**

BPL will assess web applications using a combination of automated and manual techniques aligned with the OWASP Testing Guide:

- **DAST (Dynamic Application Security Testing):** Automated and manual vulnerability discovery utilizing Burp Suite Professional and supplementary tools.
- **Manual Testing:** Request-based testing using web proxy tools to identify authentication flaws, injection vulnerabilities (SQL injection, XSS, SSRF, command injection), business logic weaknesses, authorization bypass, and session management issues.
- **Authenticated Testing:** Where credentials are provided, in-depth review of post-authentication content to identify privilege escalation, insecure direct object references, and data exposure.
- All identified vulnerabilities reported against the OWASP Top 10 framework with actionable remediation recommendations.

**4. Wireless Network Penetration Testing**

Wireless penetration testing requires physical proximity and will be conducted onsite at City facilities:

- **Wireless Discovery:** Identify all wireless networks within range of City facilities, including authorized and rogue access points.

Docusign Envelope ID: A43F44C4-630E-468D-9354-D09BC76C9335

- **Encryption Analysis:** Evaluate encryption protocols (WPA2/WPA3) for weaknesses, misconfigurations, and downgrade attack susceptibility.
- **Authentication Testing:** Attempt to bypass wireless authentication controls, including WPA-Enterprise (802.1X/RADIUS) and captive portal implementations.
- **Segmentation Validation:** Verify that wireless networks are properly segmented from sensitive internal networks, OT/SCADA environments, and CJIS-protected systems.

BPL will deploy personnel onsite for the duration of the wireless assessment phase. All travel and logistics are managed by BPL.

**5. Cloud Infrastructure Testing**

BPL will assess cloud-hosted environments (AWS, Azure, GCP, or other platforms as applicable) from both authenticated and unauthenticated perspectives:

- **Unauthenticated Assessment:** Enumerate public-facing cloud resources including S3 buckets, Azure blobs, and publicly accessible API endpoints.
- **Authenticated Assessment:** Using provisioned credentials, evaluate IAM policies, role assignments, privilege escalation paths, network segmentation, security group configurations, and resource access controls. Assess the security of cloud projects and services as applicable.
- **Cloud-to-On-Premises Pivot:** Assess whether cloud access could enable lateral movement into on-premises networks or vice versa.

**6. Social Engineering Testing**

BPL will perform social engineering testing only upon receiving explicit written authorization from the City, with scope and boundaries clearly defined in the Rules of Engagement. BPL's social engineering capabilities include:

- **Spear Phishing Campaigns:** Clone targeted websites and craft phishing emails to test user security awareness. Campaigns can be customized to determine click/open rates or capture credentials via fake authentication portals, including MFA bypass considerations.
- **Vishing (Voice Phishing):** Telephone-based social engineering to test user compliance with security policies.
- **Physical Social Engineering:** Onsite pretexting, tailgating, and facility access testing.
- **Deep Fakes:** As noted in the RFP, deep fake social engineering will be performed only if explicitly authorized and in close collaboration with City points of contact.

Upon completion, BPL will deliver an executive summary of the approach with compiled metrics and recommendations for security awareness training.

**7. Configuration and Security Control Validation**

BPL will validate the effectiveness of the City's security configurations and controls through:

- **Firewall and ACL Review:** Validate that network access controls enforce intended segmentation and restrict unauthorized traffic.
- **Endpoint Security Evaluation:** Assess the effectiveness of endpoint detection and response (EDR), antivirus, and host-based security controls against BPL's TTPs.
- **Logging and Monitoring Validation:** Coordinate with City defenders to assess whether testing activities trigger appropriate alerts and detection mechanisms (purple team approach).

Docusign Envelope ID: A43F44C4-630E-468D-9354-D09BC76C9335

**8. SCADA / Industrial Control Systems (ICS) Testing**

BPL will perform specialized assessment of the City's SCADA/ICS environments:

- **Safe Testing Methodology:** BPL employs a "low-and-slow" approach that prioritizes manual enumeration over aggressive automated scanning to ensure operational stability. BPL has performed production SCADA environment testing for municipal clients, military infrastructure, and healthcare environments without negative impact on operations.
- **Network Segmentation:** Validate separation between IT and OT networks and assess boundary controls.
- **Vulnerability Enumeration:** Identify ICS components and assess firmware versions, default credentials, and known vulnerabilities.
- **Protocol Analysis:** Evaluate ICS-specific protocols (Modbus, DNP3, OPC, EtherNet/IP) for authentication weaknesses and unauthorized access.
- **Compliance Mapping:** Map findings to applicable ICS frameworks including NIST SP 800-82, IEC 62443, and NERC CIP.

All team members assigned to ICS/SCADA assessments have extensive training and experience in performing ICS/SCADA assessments safely and effectively. BPL has 10 years' experience performing offensive assessments against high-profile ICS/SCADA targets without impacting operations and will work closely with City personnel to develop a thorough understanding of the systems under test before an engagement begins.

## Optional / Specialized Testing Capabilities

BPL also has experience in each of the following optional and specialized testing services and can provide these dedicated services if requested during the contract term:

- Mobile Application Penetration Testing
- API Security Testing (REST, SOAP, GraphQL)
- MDM and Endpoint Security Testing
- IoT / Embedded Device Testing
- Physical Security Testing
- Third-Party / Supply Chain Security Assessment
- Red/Blue/Purple Team Engagements
- Insider Threat Simulation

It should be noted that Purple Teaming is one of BPL's specialities and is a highly sought after service by our customers. Purple Teaming efforts can be added for any of the other service areas for additional collaborative detection/prevention efforts.

|---|---|
| **Title:** | Low Carbon Transportation Operations Program Allocation – Grant Funding |
| **Contact:** | Ed Scofield 916-774-5449 ecscofield@roseville.ca.us |

## SUMMARY

Staff requests that the City Council authorize the City Manager, the Public Works Director, and the Alternative Transportation Manager to apply for and to execute the related forms and agreements necessary to receive FY2025-26 Low Carbon Transit Operations Program (LCTOP) grant funds from the State of California Department of Transportation.

## RECOMMENDATION

Staff recommends that the City Council adopt a resolution authorizing the City Manager, the Public Works Director, or the Alternative Transportation Manager to apply for and to execute the related forms and agreements necessary to receive FY2025-26 Low Carbon Transit Operations Program (LCTOP) grant funds from the State of California Department of Transportation.

## BACKGROUND

The Low Carbon Transit Operating Program (LCTOP) is a formula-based grant program established in 2014 by Senate Bill 862. The funds provide operating and capital assistance to transit agencies with the goal of reducing greenhouse gas (GHG) emissions and improving mobility. Funding for the LCTOP program is derived from California Air Resources Board (ARB) Cap-and-Trade auction proceeds. The California Department of Transportation (Caltrans) is responsible for administering the program in coordination with the California ARB and the State Controller's Office.

LCTOP funds are annually allocated to the Placer County Transportation Planning Agency (PCTPA), which then distributes the funds to local jurisdictions based on a population and fare revenue formula. The Placer County region, excluding the Lake Tahoe Basin, was allocated $622,523 of FY2025-26 Cycle A LCTOP funds pursuant to the Public Utilities Code Sections 99313 and 99314 eligible allocation distribution formulas. For FY2025-26, the region's LCTOP funds are proposed to be allocated to the City of Roseville to support operations of the South Placer Express service (Rapid Link). These funds would help cover three years of operations for the new pilot program.

Operated by Roseville Transit, Rapid Link service is expected to launch later this year and will provide weekday express bus service between Lincoln, the Roseville Galleria Mall, Kaiser and Sutter medical centers in Roseville, and the Watt/I-80 light rail station in Sacramento County. The service will use battery-electric buses, supported by on-route charging infrastructure to ensure reliable ongoing operations.

## FISCAL IMPACT

Three years of Rapid Link operations is expected to cost approximately $4.75 million. With the addition of

$622,523 in FY2025-26 LCTOP funds, the region will have secured over $3.8 million for operations. Fare box revenue is anticipated to bring in an additional $700,000 total for the three years, which results in a minimal shortfall of approximately $200,000. Roseville will work with PCTPA and Placer County Transit to secure the remaining funds to cover three years of Rapid Link operations. No General Fund resources will be used for the South Placer Transit Project.

ENVIRONMENTAL REVIEW

The California Environmental Quality Act (CEQA) does not apply to activities that will not result in a direct or reasonably foreseeable indirect physical change in the environment, or is otherwise not considered a project as defined by CEQA Statute §21065 and CEQA State Guidelines §15060(c)(3) and §15378. The South Placer Transit Project meets the above criteria and is not subject to CEQA. No additional environmental review is required.

CITY COUNCIL STRATEGIC PLAN/OVERARCHING GOALS

3. Enhance economic vitality
4. Invest in well-planned infrastructure and growth
6. Deliver exceptional City services

Respectfully Submitted,
Ed Scofield, Alternative Transportation Planner

Jason Shykowski, Public Works Director

RESOLUTION NO. 26-116

AUTHORIZING CITY MANAGER OR HIS DESIGNEE TO SUBMIT LOW CARBON TRANSIT OPERATIONS PROGRAM GRANT APPLICATIONS AND TO EXECUTE THE RELATED GRANT APPLICATIONS, FORMS AND AGREEMENTS

WHEREAS, the City of Roseville is eligible to receive state funding from the Low Carbon Transit Operations Program (LCTOP) for transit projects; and

WHEREAS, $622,523 is available to the City of Roseville for Fiscal Year 2025-26; and

WHEREAS, the statutes related to state-funded transit projects require a local implementing agency to abide by various regulations; and

WHEREAS, Senate Bill 862 (2014) named the California Department of Transportation as the administrative agency for the LCTOP; and

WHEREAS, there are guidelines for the purpose of administering and distributing LCTOP funds to eligible local agencies; and

WHEREAS, staff recommends applying for available LCTOP funds in order to support operations of the South Placer Express service (Rapid Link); and

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Roseville that as the fund recipient, the City of Roseville agrees to comply with all conditions and requirements set forth in the Certification and Assurances and the Authorized Agent documents and applicable statutes, regulations and guidelines for all LCTOP funded transit projects; and

BE IT FURTHER RESOLVED, that the City Council of the City of Roseville hereby authorizes the City Manager or his designee to submit Low Carbon Transit Operations Program Grant applications and to execute the related grant applications, forms and agreements.

PASSED AND ADOPTED by the Council of the City of Roseville this ___ day of _____, 20__, by the following vote on roll call:

## Authorized Agent

***AS THE*** **City Manager**
(Chief Executive Officer/Director/President/Secretary)

***OF THE*** **City of Roseville**
(Name of County/City/Transit Organization)

I hereby authorize the following individual(s) to execute for and on behalf of the named Regional Entity/Transit Operator, any actions necessary for the purpose of obtaining Low Carbon Transit Operations Program (LCTOP) funds provided by the California Department of Transportation, Division of Local Assistance. I understand that if there is a change in the authorized agent, the project sponsor must submit a new form. This form is required even when the authorized agent is the executive authority himself. I understand the Board must provide a resolution approving the Authorized Agent. The Board Resolution appointing the Authorized Agent is attached.

# FY 2025-2026 LCTOP
## Certifications and Assurances

**Lead Agency:** City of Roseville

**Project Title:** South Placer Transit Express (Rapid Link) Service Operations

**Prepared by:** Kimberly Goulet

The California Department of Transportation (Caltrans) has adopted the following Certifications and Assurances for the Low Carbon Transit Operations Program (LCTOP). As a condition of the receipt of LCTOP funds, Lead Agency must comply with these terms and conditions.

### A. General

1. The Lead Agency agrees to abide by the current LCTOP Guidelines and applicable legal requirements.

2. The Lead Agency must submit to Caltrans a signed Authorized Agent form designating the representative who can submit documents on behalf of the project sponsor and a copy of the board resolution appointing the Authorized Agent.

### B. Project Administration

1. The Lead Agency certifies that required environmental documentation is complete before requesting an allocation of LCTOP funds. The Lead Agency assures that projects approved for LCTOP funding comply with Public Resources Code § 21100 and § 21150.

2. The Lead Agency certifies that a dedicated bank account for LCTOP funds only will be established within 30 days of receipt of LCTOP funds.

3. The Lead Agency certifies that when LCTOP funds are used for a transit capital project, that the project will be completed and remain in operation for its useful life.

4. The Lead Agency certifies that it has the legal, financial, and technical capacity to carry out the project, including the safety and security aspects of that project.

5. The Lead Agency certifies that they will notify Caltrans of pending litigation, dispute, or negative audit findings related to the project, before receiving an allocation of funds.

6. The Lead Agency must maintain satisfactory continuing control over the use of project equipment and facilities and will adequately maintain project equipment and facilities for the useful life of the project.

7. Any interest the Lead Agency earns on LCTOP funds must be used only on approved LCTOP projects.

8. The Lead Agency must notify Caltrans of any changes to the approved project with a Corrective Action Plan (CAP).

9. Under extraordinary circumstances, a Lead Agency may terminate a project prior to completion. In the event the Lead Agency terminates a project prior to completion, the Lead Agency must (1) contact Caltrans in writing and follow-up with a phone call verifying receipt of such notice; (2) pursuant to verification, submit a final report indicating the reason for the termination and demonstrating the expended funds were used on the intended purpose; (3) submit a request to reassign the funds to a new project within 180 days of termination.

**C. Reporting**

1. **The Lead Agency must submit the following LCTOP reports:**
   a. **Annual Project Activity Reports October 30th each year.**

   b. **A Close Out Report within six months of project completion.**

   c. **The annual audit required under the Transportation Development Act (TDA), to verify receipt and appropriate expenditure of LCTOP funds. A copy of the audit report must be submitted to Caltrans within six months of the close of the year (December 31) each year in which LCTOP funds have been received or expended.**

   d. **Project Outcome Reporting as defined by CARB Funding Guidelines.**

   e. **Jobs Reporting as defined by CARB Funding Guidelines.**

2. Other Reporting Requirements: CARB develops and revises Funding Guidelines that will include reporting requirements for all State agencies that receive appropriations from the Greenhouse Gas Reduction Fund. Caltrans and project sponsors will need to submit reporting information in accordance with CARB's Funding Guidelines, including reporting on greenhouse gas reductions and benefits to disadvantaged communities.

**D. Cost Principles**

1. The Lead Agency agrees to comply with Title 2 of the Code of Federal Regulations 225 (2 CFR 225), Cost Principles for State and Local Government, and 2 CFR, Part 200, Uniform Administrative Requirements for Grants and Cooperative Agreements to State and Local Governments.

2. The Lead Agency agrees, and will assure that its contractors and subcontractors will be obligated to agree, that:
   a. Contract Cost Principles and Procedures, 48 CFR, Federal Acquisition Regulations System, Chapter 1, Part 31, et seq., shall be used to determine the allow ability of individual project cost items and

b. Those parties shall comply with Federal administrative procedures in accordance with 2 CFR, Part 200, Uniform Administrative Requirements for Grants and Cooperative Agreements to State and Local Governments. Every sub-recipient receiving LCTOP funds as a contractor or sub-contractor shall comply with
Federal administrative procedures in accordance with 2 CFR, Part 200, Uniform Administrative Requirements for Grants and Cooperative Agreements to State and Local Governments.

3. Any project cost for which the Lead Agency has received funds that are determined by subsequent audit to be unallowable under 2 CFR 225, 48 CFR, Chapter 1, Part 31 or 2 CFR, Part 200, are subject to repayment by the Lead Agency to the State of California (State). All projects must reduce greenhouse gas emissions, as required under Public Resources Code section 75230, and any project that fails to reduce greenhouse gases shall also have its project costs submit to repayment by the Lead Agency to the State. Should the Lead Agency fail to reimburse moneys due to the State within thirty (30) days of demand, or within such other period as may be agreed in writing between the Parties hereto, the State is authorized to intercept and withhold future payments due the Lead Agency from the State or any third-party source, including but not limited to, the State Treasurer and the State Controller.

**A. Record Retention**

1. The Lead Agency agrees and will assure that its contractors and subcontractors shall establish and maintain an accounting system and records that properly accumulate and segregate incurred project costs and matching funds by line item for the project. The accounting system of the Lead Agency, its contractors and all subcontractors shall conform to Generally Accepted Accounting Principles (GAAP) and enable the determination of incurred costs at interim points of completion. All accounting records and other supporting papers of the Lead Agency, its contractors and subcontractors connected with LCTOP funding shall be maintained for a minimum of three (3) years after the "Project Closeout" report or final Phase 2 report is submitted (per CARB Funding Guidelines, Vol. 3, page 3.A-16), and shall be held open to inspection, copying, and audit by representatives of the State and the California State Auditor. Copies thereof will be furnished by the Lead Agency, its contractors, and subcontractors upon receipt of any request made by the State or its agents. In conducting an audit of the costs claimed, the State will rely to the maximum extent possible on any prior audit of the Lead Agency pursuant to the provisions of federal and State law. In the absence of such an audit, any acceptable audit work performed by the Lead Agency's external and internal auditors may be relied upon and used by the State when planning and conducting additional audits.

2. For the purpose of determining compliance with Title 21, California Code of Regulations, Section 2500 et seq., when applicable, and other matters connected with

the performance of the Lead Agency's contracts with third parties pursuant to Government Code § 8546.7, the project sponsor, its contractors and subcontractors and the State shall each maintain and make available for inspection all books, documents, papers, accounting records, and other evidence pertaining to the performance of such contracts, including, but not limited to, the costs of administering those various contracts. All of the above referenced parties shall make such materials available at their respective offices at all reasonable times during the entire project period and for three (3) years from the date of final payment. The State, the California State Auditor, or any duly authorized representative of the State, shall each have access to any books, records, and documents that are pertinent to a project for audits, examinations, excerpts, and transactions, and the Lead Agency shall furnish copies thereof if requested.

3. The Lead Agency, its contractors and subcontractors will permit access to all records of employment, employment advertisements, employment application forms, and other pertinent data and records by the Civil Rights Department, or any other agency of the State of California designated by the State, for the purpose of any investigation to ascertain compliance with this document.

**F. Special Situations**

Caltrans may perform an audit and/or request detailed project information of the project sponsor's LCTOP funded projects at Caltrans' discretion at any time prior to the completion of the LCTOP.

I certify all these conditions will be met.

| **Title:** | Fiddyment Road Arterial Resurfacing Project - Grant Authorization |
| **Contact:** | Joseph Arino 916-774-5460 jarino@roseville.ca.us |

SUMMARY

Staff recommends that the City Council adopt a resolution authorizing the City Manager, or his designee, to submit a System Preservation grant application for the Sacramento Area Council of Governments 2026 Federal Funding Program and to execute all grant documents and timely project delivery requirements. The Fiddyment Rd Arterial Resurfacing Project will apply a microsurfacing preventative maintenance resurface treatment on Fiddyment Road from Baseline Road to Blue Oaks Boulevard. The project is estimated to cost $5.5 million and, if successful, will be funded by $3 million from the Surface Transportation Block Grant Program System Preservation grant, and local funds including potentially the General Fund.

RECOMMENDATION

Staff Recommends that the City Council adopt a resolution authorizing the City Manager, or his designee, to submit a Surface Transportation Block Grant Program (STBG) System Preservation grant application for the Sacramento Area Council of Governments (SACOG) 2026 Federal Funding Program and to execute all grant documents and timely project delivery requirements.

BACKGROUND

SACOG recently released a notification of a funding opportunity for the Surface Transportation Block Grant Program (STBG) System Preservation 2026 Federal Funding program. The funding program is a competitive grant opportunity that provides agencies in the greater six-county Sacramento area with funding to assist with maintaining the transportation network. The program's goal is to help direct federal transportation dollars to the region's highest priority projects. Staff are confident that the Fiddyment Rd Arterial Resurfacing Project will compete well for this grant.

As part of the City's proactive street preventative pavement maintenance program, the Fiddyment Rd Arterial Resurfacing Project will resurface Fiddyment Road from Baseline Road to Blue Oaks Boulevard. Preservation projects are designed to seal, protect, and preserve the underlying pavement by placing relatively affordable asphalt resurfacing products. Preventative maintenance surface treatments extend the useful life of roadways by providing a wearing course that is designed to seal and protect the existing asphalt pavement.

The project scope includes the removal and replacement of failed pavement, and the application of a Microsurfacing preventative maintenance surface treatment to the pavement. Other improvements to replace non-compliant ADA curb ramps and aging traffic signal detection will be included as needed. Depending on the grant award, construction is tentatively scheduled for the summer of 2029.

FISCAL IMPACT

The project is estimated to cost $5.5 million and, if successful, will be funded by $3 million from the 2026 SACOG System Preservation Funding Program and $2.5 million of local funds, including potentially the General Fund.

ENVIRONMENTAL REVIEW

The California Environmental Quality Act (CEQA) only applies to projects which have the potential to cause a significant effect on the environment. Where it can be seen with certainty that there is no possibility that the activity in question may have a significant effect on the environment, the activity is not subject to CEQA. (CEQA Guidelines §15061(b)(3)). The requested grant authorization meets this criteria and no additional review is required.

RESOLUTION NO. 26-147

A RESOLUTION OF THE CITY OF ROSEVILLE AUTHORIZING APPLICATIONS FOR GRANT FUNDING FROM THE SACRAMENTO AREA COUNCIL OF GOVERNMENTS (SACOG) 2026 FEDERAL FUNDING PROGRAMS; AUTHORIZING THE CITY MANAGER OR DESIGNEE TO SUBMIT THE CITY OF ROSEVILLE SACOG 2026 FEDERAL FUNDING PROGRAM APPLICATION PRIORITIES; AND AUTHORIZING THE CITY MANAGER OR DESIGNEE TO EXECUTE ALL GRANT DOCUMENTS AND TIMELY PROJECT DELIVERY REQUIREMENTS

WHEREAS, the Sacramento Area Council of Governments (SACOG) has announced three 2026 Federal Funding Cycle Programs (Funding Programs), which are open to sponsoring agencies within the six-county SACOG region: System Preservation Program, System Performance Program, and Next Generation Solutions & Clean Air Program; and

WHEREAS, the System Preservation Program invests in maintaining and resurfacing major roadways that keep people and goods moving; and

WHEREAS, eligible projects for Funding Programs must be listed in the 2025 Blueprint or fit within 2025 Blueprint lump-sum project categories including but not limited to road maintenance and reconstruction, transit vehicle replacements, operational improvements, Intelligent Transportation Systems, and bicycle and pedestrian investments; and

WHEREAS, SACOG limits Funding Programs grant applications to no more than three applications per sponsoring agency for any one of the three different Funding Programs to SACOG, up to a maximum of nine total applications per sponsoring agency; and

WHEREAS, applicants shall affirm their commitment to delivering projects in accordance with the requirements of Surface Transportation Block Grant (STBG) Program and Congestion Mitigation & Air Quality (CMAQ) Improvement Program, as applicable; and

WHEREAS, grant proposals for construction work shall obligate Funding Program dollars for construction activities no later than the end of federal fiscal year 2028-29; and

WHEREAS, SACOG will not provide additional federal or state funding in the event that cost overruns are identified; and

WHEREAS, project sponsors shall commit to providing local matching dollars, typically 11.47% of the total project cost; and

WHEREAS, SACOG requires that if awarded federal funds by the SACOG Board, City of Roseville staff responsible for project delivery must attend quarterly project delivery meetings with SACOG staff to receive assistance until project closeout.

NOW, THEREFORE, BE IT RESOLVED that the City Council of the City of Roseville as follows:

SECTION 1. City Manager or designee is authorized to execute all documents necessary to committing the City of Roseville to federal, state and regional funding and project delivery requirements, including but not limited to abiding by Funding Program guidelines.

SECTION 2. Acknowledges that in the event of receiving an award by the SACOG Board of Funding Program dollars, that the City of Roseville will be required to abide by multiple timely use of funding requirements described in Funding Program guidelines and SACOG's Regional Delivery Policies, including but not limited to, obligating federal funding no later than the end of federal fiscal year 2028-2029 for construction activities, committing to securing required local match dollars, acknowledge that SACOG does not cover cost overruns, and commits staff to attend delivery meetings until project closeout.

SECTION 3. City Manager or designee is directed to submit an application for 2026 Six-County Federal Funding Cycle Programs for the Fiddyment Road Arterial Resurfacing Project. The project scope includes the removal and replacement of failed pavement, the application of a Microsurfacing preventative maintenance surface treatment to the pavement, and other improvements as necessary including but not limited to replacement of non-compliant ADA curb ramps and aging traffic signal detection, etc.

PASSED AND ADOPTED by the Council of the City of Roseville this ___ day of _____, 20__, by the following vote on roll call:

## PUBLIC SERVICE RECOGNITION WEEK
MAY 3-9, 2026

In honor of the millions of public employees at federal, state, county, and city levels:

**WHEREAS,** Americans are served every day by public servants at the federal, state, county, and city levels, and these unsung heroes do the work that keeps our nation functioning; and

**WHEREAS,** public employees take oaths to perform their jobs; and

**WHEREAS,** many public servants, including police officers, firefighters, military personnel, border patrol officers, embassy employees, and health care professionals, risk their lives each day in service to the people of the United States and around the world; and

**WHEREAS,** public servants include: utility workers, inspectors, engineers, teachers, scientists, social workers, safety inspectors, dispatchers, laborers, parks, recreation and library workers, computer technicians, and countless other occupations, and day in and day out they provide the diverse services demanded by the American people of their government with efficiency and integrity; and

**WHEREAS,** without these public servants at every level, continuity would be impossible in a democracy that regularly changes its leaders and elected officials.

**NOW, THEREFORE, I, KRISTA BERNASOCNI, MAYOR OF THE CITY OF ROSEVILLE, CALIFORNIA,** do hereby proclaim **May 3-9, 2026,** as **PUBLIC SERVICE RECOGNITION WEEK** and encourage all citizens to recognize the accomplishments and contributions of government employees at all levels.

**SIGNED AND APPROVED this 6th day of May 2026.**

## NATIONAL SMALL BUSINESS MONTH
MAY 2026

**WHEREAS,** the U.S. Chamber of Commerce annually declares May as National Small Business Month, recognizing the critical contributions of America's entrepreneurs and small business owners; and

**WHEREAS,** in the U.S. more than 99% of businesses are small, accounting for more than 36.2 million small businesses, employing more than 45% of private sector workers, and the economic activity from small businesses make up approximately 44% of the Gross Domestic Product; and

**WHEREAS,** in Roseville, small businesses account for over 95% of all businesses; and

**WHEREAS,** the City's Economic Development Strategy includes goals to support partnerships, entrepreneurship and small business by building a supportive ecosystem that creates reliable pathways for businesses to confidently start and grow locally; and

**WHEREAS,** consistent with the Strategy, the City's Roseville Venture Lab is a resource for the region, dedicated to strengthening local startup businesses, spurring job growth, and fostering a community of entrepreneurs through programs, events, partnerships, and workforce development initiatives; and

**WHEREAS,** the Roseville Area Chamber of Commerce and the Roseville Venture Lab work in partnership to offer programs, events, and advocacy to help small business and startup owners begin and succeed; and

**WHEREAS,** in recognition of the hard work, ingenuity, and dedication of small businesses and their contribution to the economy, the Roseville Area Chamber of Commerce and the City of Roseville's Economic Development Department join in this national effort to celebrate small businesses.

**NOW, THEREFORE, I, KRISTA BERNASCONI, MAYOR OF THE CITY OF ROSEVILLE, CALIFORNIA,** do hereby proclaim **May 2026** as **NATIONAL SMALL BUSINESS MONTH** and encourage support of this national effort so America's small businesses can do what they do best – grow their businesses, create jobs, and ensure that our communities remain as vibrant tomorrow as they are today.

# Resolution

**WHEREAS**, Troy Bergstrom has dedicated more than 31 years of exemplary service to law enforcement, including 26 years with the City of Roseville, beginning his career in 1995 with the San Mateo Police Department before joining the Roseville Police Department in 2000; and

**WHEREAS**, Chief Bergstrom promoted through the ranks of the Roseville Police Department—serving as Sergeant in 2003, Lieutenant in 2010, Captain in 2016, Acting Chief in 2020, and ultimately being appointed as the City's 18th Chief of Police in March 2021—demonstrating exceptional leadership, professionalism, and commitment at every level; and

**WHEREAS**, throughout his distinguished career, Chief Bergstrom has served in and supervised nearly every division within the department, including Patrol, K-9, Field Training, and specialized assignments such as being the first Sergeant of the Crime Suppression Unit and serving ten years as Commander of the Special Operations Unit, overseeing SWAT, the Bomb Squad, the Crisis Negotiation Team, and the Unmanned Aerial Systems Team; and

**WHEREAS**, Chief Bergstrom's leadership as Chief of Police has been defined by transformational achievements, including strengthening organizational culture resulting in a fully staffed department, implementing a comprehensive strategic plan, completing the Beat 7 expansion and initiating Beat 8 development, rebuilding community programs following the COVID-19 pandemic, and establishing the Community Leaders Breakfast to enhance community engagement; and

**WHEREAS**, under his leadership, the Roseville Police Department advanced public safety through innovation and modernization, including the creation of the Real Time Crime Center, the enhancement of the Crime Suppression Unit, and the replacement and upgrading of critical equipment to improve officer safety, operational effectiveness, and investigative capabilities; and

**WHEREAS**, Chief Bergstrom championed community-oriented policing and expanded services to meet evolving community needs, including strengthening the Social Services Unit with additional officers and social work professionals, and introducing innovative programs such as a crisis care K-9, demonstrating a deep commitment to serving vulnerable populations, including unsheltered veterans; and

**WHEREAS**, his steady, values-driven leadership contributed to measurable outcomes, including sustained reductions in crime—even as the City continues to grow—with notable year-over-year decreases, including an 8 percent reduction in 2025, while maintaining strong community partnerships and public trust; and

**WHEREAS**, Chief Bergstrom has made significant contributions to the law enforcement profession through his involvement in organizations including the International Association of Chiefs of Police, the FBI National Academy Association, the California Police Chiefs Association, the Placer Law Enforcement Agencies Executive Committee, and the Roseville Police Activities League; and

**WHEREAS**, Chief Bergstrom is a two-time graduate of California State University, Sacramento, earning both Bachelor's and Master's degrees in Criminal Justice, and is a graduate of the prestigious FBI National Academy, reflecting his dedication to professional excellence and lifelong learning; and

**WHEREAS**, throughout his career, Chief Bergstrom has been recognized with numerous honors reflecting his leadership, service, and impact, including multiple Officer of the Year recognitions, the PLEA Distinguished Service Award, multiple Pride of Roseville Awards including Outstanding Leadership and City Manager Awards, and multiple Critical Incident Response Awards, collectively demonstrating a career defined by excellence, dedication, and service above self; and

**WHEREAS**, beyond his accomplishments, Chief Bergstrom is widely respected as a transformational leader, mentor, and friend, known for fostering a strong sense of family within the department and investing deeply in the people he served alongside; and

**WHEREAS**, in his own words, Chief Bergstrom reflects on his career as "the best job in the world," highlighting his lifelong passion for service and his enduring desire to make a difference in the community; and

**WHEREAS**, Chief Bergstrom leaves the Roseville Police Department in a strong and stable position, ensuring continued success for future generations of officers and the community they serve.

**NOW, THEREFORE, BE IT RESOLVED BY THE COUNCIL OF THE CITY OF ROSEVILLE, CALIFORNIA**, that **THE CHIEF OF POLICE TROY BERGSTROM** be honored and commended for his outstanding leadership, unwavering dedication, and extraordinary contributions to public safety and the community. We express sincere gratitude for his 31 years of distinguished service and extend best wishes to Chief Bergstrom and his family for a well-earned and fulfilling retirement.

**WHEREAS,** Heather Blanco began her career with the City of Roseville on August 23, 2005, as a Police Records Clerk II in the Police Department; and

**WHEREAS,** during her tenure in the Police Department, Heather served in a variety of critical roles, including a special assignment in Investigations as a Crime Analyst Clerk from 2006 to 2010, where she supported investigative efforts and found particular meaning in assisting with locating missing persons; and

**WHEREAS,** Heather continued her service in the Police Department from 2010 to 2015, including as an Investigations Clerk and CSI Team Member, contributing to complex cases and supporting public safety operations; and

**WHEREAS,** on October 17, 2015, Heather transitioned to the City Clerk's Office as a Deputy City Clerk II, expanding her service to support the City's legislative processes and public transparency; and

**WHEREAS,** Heather was promoted to the Development Services Department on April 15, 2017, as a Permit Technician, where she provided exceptional customer service and technical support to the community and development stakeholders; and

**WHEREAS,** on April 27, 2019, Heather joined the City Manager's Office as a Management Assistant II and was later promoted to Executive Assistant on January 1, 2022, where she played a vital role in supporting executive leadership, coordinating operations, and ensuring the smooth functioning of the organization; and

**WHEREAS,** throughout her distinguished career, Heather demonstrated a willingness to take on any task—no matter how large or small—with enthusiasm and professionalism, from stocking office supplies to managing complex executive calendars; and

**WHEREAS,** Heather is widely recognized for her bright personality, positive attitude, and sense of humor, consistently bringing energy, warmth, and a smile to the workplace, along with a well-timed story to lift the spirits of those around her; and

**WHEREAS,** Heather has been present for and contributed to the City's response to numerous significant events over the years, including major police incidents, fires, and other emergencies, providing steady support during critical moments in the City's history; and

**WHEREAS,** Heather's outstanding service has been consistently recognized across departments through multiple awards honoring her excellence in customer service, innovation, teamwork, and overall performance, reflecting both her individual contributions and her role as a valued member of high-performing teams; and

**WHEREAS,** through her service across multiple departments, Heather has built lasting relationships and lifelong friendships, becoming a valued colleague and friend to many, and a part of a broader community whose lives and families have grown together over the years; and

**WHEREAS,** after more than 20 years of dedicated service, Heather Blanco will retire on May 5, 2026, leaving behind a legacy of professionalism, positivity, and unwavering commitment to the City of Roseville.

**NOW, THEREFORE, BE IT RESOLVED BY THE COUNCIL OF THE CITY OF ROSEVILLE, CALIFORNIA**, that **HEATHER BLANCO** be commended for her outstanding service, dedication and contributions to the community. We extend sincere appreciation and best wishes to Heather for a fulfilling and well-deserved retirement, with gratitude for the lasting impact she has made on the organization and the many lives she has touched.

**WHEREAS,** Julie founded the Compliance Networking Team for Northern California Public Utilities in 2016, which has since played a vital role in fostering collaboration, advancing the exchange of best practices, and enhancing compliance standards throughout the region; and

**WHEREAS,** Julie was promoted to Electric Compliance Analyst II in 2018; and

**WHEREAS,** Julie received a Commendation for Excellence as a member of the team awarded the 2024 Pride of Roseville Outstanding Work Performance – Top Team Award for their work on the Distributed Electricity Backup Assets (DEBA) Program, and through her contributions to Roseville Electric's successful application to the California Energy Commission for funding to complete efficiency upgrades to the RPEAK units at Roseville Energy Park, helped advance a key step toward the City obtaining ownership of these units from the State of California and positioning Roseville Electric to secure a critical energy asset that will strengthen grid reliability and support the City's long-term sustainability goals; and

**WHEREAS,** Julie was awarded the 2025 Individual Pride of Roseville Award for Outstanding Work Performance for her exceptional work updating Roseville Electric's CEC licenses and PCAPCD operating permits, streamlining regulatory requirements, clarifying operating conditions, and optimizing operating hours for Roseville Electric's generation facilities.

**NOW, THEREFORE, BE IT RESOLVED BY THE COUNCIL OF THE CITY OF ROSEVILLE, CALIFORNIA**, that **JULIE MANFREDI** be commended for her outstanding service and dedication to the City of Roseville. We congratulate her for her many accomplishments, and wish her a long, healthy, and enjoyable retirement.

CITY OF ROSEVILLE
INCORPORATED APRIL 10, 1909

**SIGNED and APPROVED this 6th day of May 2026.**

**KRISTA BERNASCONI, MAYOR**

SUMMARY

Staff recommends approval of the minutes of the April 15, 2026, City Council Closed Session Meeting and April 15, 2026 City Council / Natural Gas Financing Authority Meeting.

RECOMMENDATION

Staff recommends approval of the minutes of the April 15, 2026, City Council Closed Session Meeting and April 15, 2026 City Council / Natural Gas Financing Authority Meeting.

BACKGROUND

Not applicable.

FISCAL IMPACT

There is no fiscal impact associated with this request.

ENVIRONMENTAL REVIEW

The California Environmental Quality Act (CEQA) does not apply to activities that will not result in a direct or reasonably foreseeable indirect physical change in the environment, or is otherwise not considered a project as defined by CEQA Statute §21065 and CEQA State Guidelines §15060(c)(3) and §15378. The City Council minutes are not subject to CEQA. No additional environmental review is required.

CITY COUNCIL STRATEGIC PLAN/OVERARCHING GOALS

6. Deliver exceptional City services

Respectfully Submitted,
Christine Mesaros, City Clerk Technician

Carmen Avalos, City Clerk

Tracy Mendonsa, Councilmember
Pauline Roccucci, Councilmember
Dominick Casey, City Manager
Michelle Sheidenberger, City Attorney
Carmen Avalos, City Clerk

# MINUTES

City Council /Natural Gas Financing Authority Meeting
April 15, 2026
6:00 PM
Roseville Electric Building,
116 S. Grant Street, 1st Floor

## I. CALL TO ORDER

Vice Mayor Alvord called the meeting to order at 6:00 PM.

## II. ROLL CALL

Present: Vice Mayor Alvord, Councilmember Houdesheldt, Councilmember Roccucci.
Absent: Mayor Bernasconi, Councilmember Mendonsa.

## III. PLEDGE OF ALLEGIANCE

Assistant City Manager Ryan DeVore led the Pledge of Allegiance.

## IV. MEETING PROCEDURES

City Clerk Carmen Avalos announced the procedures for addressing the City Council.

## V. PUBLIC COMMENTS

This is the first opportunity to make a public comment on non-agenda items.

Donald Gould - Spoke on police efforts, traffic camera needs and donations for the police department.

David Lund - Spoke on traffic/speeding concerns on various roads in the city.

Jennifer Chapman - Spoke on Grants Commission meeting, the Cirby Creek Mitigation Plan workshop and support for more workshops.

## VI. CONSENT CALENDAR

Motion by Councilmember Houdeshedt, seconded by Councilmember Roccucci, to drop item 19 to be re-agendized at a future council meeting and to approve the remaining items as recommended. The motion passed.

Ayes: Vice Mayor Alvord, Councilmember Houdesheldt, Councilmember Roccucci.

Absent: Mayor Bernasconi, Councilmember Mendonsa.

1. **Electric New Services and Surplus Transfer - Budget Adjustments** (ELECTRIC DEPARTMENT - FINANCIAL & ADMINISTRATIVE)

   Summary: Staff recommends approval of two budget adjustments: $2,500,000 for the existing Electric New Services Capital Improvement Project and Contribution in Aid of Construction revenues and $6,500,000 for a transfer from the Electric Fund to the Electric Rate Stabilization Fund. These budget adjustments increase capital expenses and capital revenues for the Electric New Services project in the Electric Fund, and transfer surplus operating funds from the Electric Fund to the Rate Stabilization Fund.

   CONTACT: Matt Nelson 916-774-5618 mnelson@roseville.ca.us

   The City Council will consider the recommendation to:

   a. Adopt Ordinance No. 7058 authorizing certain amendments to the fiscal year 2025-26 budget and declaring this ordinance to be immediately effective as an appropriation measure; and

   b. Adopt Ordinance No. 7059 authorizing certain amendments to the fiscal year 2025-26 budget and declaring this ordinance to be immediately effective as an appropriation measure.

2. **Sunset Energy Center Project - Budget Adjustment and Change Order Increase** (ELECTRIC DEPARTMENT - ENGINEERING)

   Summary: Staff recommends approval of a budget adjustment appropriating $4,000,000 in the Electric Fund to the Sunset Energy Center Project, formerly known as the Roseville Power Plant #2 Repower Project. Staff also requests authorization for the City Manager, or designee, to increase change order authority by an additional five percent (5%) to a total of ten percent (10%) of the contract price for the Design-Build Construction Agreement with Integrated Engineers and Contractors Corporation dba IEC Corporation for a total not to exceed amount of $42,719,517.

   CONTACT: Ozro Corulli 916-774-5586 ocorulli@roseville.ca.us

   The City Council will consider the recommendation to:

   a. Adopt Ordinance No. 7064 authorizing certain amendments to the fiscal year 2025-26 budget and declaring this ordinance to be immediately effective as an appropriation measure; and

   b. Adopt Resolution No. 26-092 approving an increase in change order authority.

3. **Parcel FD-21 Phase A - Notice of Completion** (DEVELOPMENT SERVICES DEPARTMENT - ENGINEERING DIVISION)

   Summary: Staff recommends approval of the Notice of Completion for Parcel FD-21 Phase A as complete. The Engineering Division has made final inspection of the project and has found the civil improvement work complete in accordance with the improvement plans and City specifications. This action has no impact to the City's General Fund. Construction costs were paid by the developer.

CONTACT: Pablo Macias 916-746-1324 pmacias@roseville.ca.us

The City Council will consider the recommendation to:

a. Adopt Resolution No. 26-081 accepting the public work known as Parcel FD-21 Phase A project, approving the "Notice of Completion", and authorizing and directing the City Engineer to execute said notice on behalf of the City of Roseville, therefore, and accepting all dedications offered on the recorded map of the subdivision.

**4. Parcel FD-21 Phase B - Notice of Completion** (DEVELOPMENT SERVICES DEPARTMENT - ENGINEERING DIVISION)

Summary: Staff recommends approval of the Notice of Completion for Parcel FD-21 Phase B as complete. The Engineering Division has made final inspection of the project and has found the civil improvement work complete in accordance with the improvement plans and City specifications. This action has no impact to the City's General Fund. Construction costs were paid by the developer.

CONTACT: Pablo Macias 916-746-1324 pmacias@roseville.ca.us

The City Council will consider the recommendation to:

a. Adopt Resolution No. 26-082 accepting the public work known as Parcel FD-21 Phase B project, approving the "Notice of Completion", and authorizing and directing the City Engineer to execute said notice on behalf of the City of Roseville, therefore, and accepting all dedications offered on the recorded map of the subdivision.

**5. 2025 Street Condition Assessment and Road Matrix - Contract Purchase Agreement Amendment** (PUBLIC WORKS DEPARTMENT - STREET MAINTENANCE)

Summary: Staff recommends approval of an amendment to the existing contract purchase agreement with Stantec Consulting Services Inc. to provide 45 additional miles of pavement condition survey. The additional miles were not included in the initial proposal. The additional mileage was identified as part of the scope map after the survey began. The contract amendment will increase the cost of the contract by $5,895 to a total of $115,460. The additional amount is needed to cover the added pavement/maintenance areas in the City due to new development. Funding will come from the Highway Users Tax Fund; no General Fund resources will be used for the project.

CONTACT: James Shelton 916-746-1192 jshelton@roseville.ca.us

The City Council will consider the recommendation to:

a. Adopt Resolution No. 26-083 approving a contract purchase agreement amendment, by and between the City of Roseville and Stantec Consulting Services Inc., and authorizing the City Manager to execute it on behalf of the City of Roseville.

**6. Stoney Point Way Drainage Repair Project — Award of Construction Agreement and Budget Adjustment** (PUBLIC WORKS DEPARTMENT - ENGINEERING - CITY PROJECTS)

Summary: Staff recommends approval of a construction agreement with T.P.A Construction, Inc. in the amount of $1,544,922 for the Stoney Point Way Drainage Repair Project, along with the associated budget adjustment. The project includes rehabilitating two manhole bases, inspecting existing pipes, patching damaged sections, and applying a concrete spray liner to the interior of the pipes. The budget adjustment will increase project funding from the Highway User Tax fund by $1,700,000 for a total budget of $1,900,000. No General Fund resources will be used for this project.

CONTACT: Laura Salcedo 916-774-5437 lsalcedo@roseville.ca.us

The City Council will consider the recommendation to:

a. Adopt Resolution No. 26-087 approving an agreement, by and between the City of Roseville and T.P.A Construction, Inc., and authorizing the City Manager to execute it on behalf of the City of Roseville;

b. Adopt Ordinance No. 7057 authorizing certain amendments to the fiscal year 2025-26 budget and declaring this ordinance to be immediately effective as an appropriation measure.

**7. Roseville Parkway Widening Phase 1 Project - Agreement for Acquisition of Real Property** (PUBLIC WORKS DEPARTMENT - ENGINEERING - CITY PROJECTS)

Summary: Staff recommends approval of the agreement for Acquisition of Real Property with Urban Roseville LLC in the amount of $31,199.25 for the purchase of property for the Roseville Parkway Widening - Phase 1 Project. The scope of the Project consists of widening portions of Roseville Parkway from West Drive to Creekside Ridge Drive and adding a third left-turn lane at southbound Pleasant Grove Boulevard onto eastbound Roseville Parkway. The construction of the project is estimated to cost $3.5 million and will be primarily funded by the special tax revenue generated in the North Central Roseville Community Facilities District No. 1. No General Fund resources will be used for the project.

CONTACT: Karen Vences 916-774-5412 kavences@roseville.ca.us

The City Council will consider the recommendation to:

a. Adopt Resolution No. 26-089 approving an agreement for acquisition of real property, by and between the City of Roseville and Urban Roseville LLC, and authorizing the City Manager to execute it on behalf of the City of Roseville.

**8. Staffing and Salary Schedule Updates** (HUMAN RESOURCES DEPARTMENT)

Summary: Staff recommends that the City Council approve the recommended classifications and salary range adjustments and associated allocation schedules for Roseville Police Association (RPA), Management, Temporary, and International Union of Operating Engineers, Stationary Engineers, Local 39 (Local 39) bargaining units. The estimated total cost of the recommended classification and salary range adjustments to the General Services Fund will be $10,303 for the remainder of FY 2025-26, which can be absorbed by existing appropriations; therefore, no budget adjustment is required at this time. For the Water, Wastewater and Waste Services

Operations Funds will be a cost savings of $10,075 for the remainder of FY2025-26. Beyond this fiscal year, the recommended changes have an annual ongoing impact of $53,576 on the General Services Fund and a cost saving of $52,389 on the Water, Wastewater and Waste Services Operations Funds.

CONTACT: Macy Dippert 916-774-5215 mdippert@roseville.ca.us

The City Council will consider the recommendation to:

a. Adopt Ordinance No. 7060 amending Ordinance No. 7046, the salary Ordinance for non-sworn employees represented by the Roseville Police Association, as amended by appendix “H” to be effective April 18, 2026, as an urgency measure; and

b. Adopt Ordinance No. 7061 amending Ordinance No. 7054, the salary Ordinance for Seasonal/Temporary Employees, as amended by appendix “C” to be effective April 18, 2026, as an urgency measure; and

c. Adopt Ordinance No. 7062 amending Ordinance No. 7021, the salary Ordinance for employees represented by the International Union of Operating Engineers, Stationary Engineers, Local 39, as amended by appendix “K” to be effective April 18, 2026, as an urgency measure; and

d. Adopt Ordinance No. 7063 amending Ordinance No. 7047, the salary Ordinance for Management Employees, as amended by appendix “P” to be effective April 18, 2026, as an urgency measure.

**9. Operation and Maintenance of Woodcreek Intertie Improvements - Agreement**
(ENVIRONMENTAL UTILITIES DEPARTMENT - WATER)

Summary: Staff recommends approval of an agreement with Placer County Water Agency for Operation and Maintenance of the Woodcreek Intertie Improvements which specifies the provisions and conditions of the annual water entitlement amounts, supply reliability exchanges, emergency deliveries, and capacity sharing. This agreement has no General Fund impact.

CONTACT: Janice Gainey 916-774-5535 jrgainey@roseville.ca.us

The City Council will consider the recommendation to:

a. Adopt Resolution No. 26-090 approving an agreement for the Operation and Maintenance of the Woodcreek Intertie Improvements, by and between the City of Roseville and Placer County Water Agency and authorizing the City Manager to execute it on behalf of the City of Roseville.

**10. Fire Department Strike Team Reimbursements - Budget Adjustment** (FIRE DEPARTMENT)

Summary: Staff recommends approval of a budget adjustment to recognize $552,627 in additional overtime expenses, $4,898 in other reimbursable items/logistics, $792,360 in revenue related to the department's participation in reimbursable strike teams, and a $234,835 positive impact contribution to the General Fund available resources for fleet usage and overhead.

CONTACT: Matthew Lauchner 916-774-5807 mlauchner@roseville.ca.us

The City Council will consider the recommendation to:

a. Adopt Ordinance No. 7056 authorizing certain amendments to the fiscal year 2025-26 budget and declaring this ordinance to be immediately effective as an appropriation measure.

**11. Self-Contained Breathing Apparatus Purchases, Service and Testing - Contract Purchase Agreement** (FIRE DEPARTMENT)

Summary: Staff recommends approval of a contract purchase agreement with MES Service Company, LLC for Self-Contained Breathing Apparatus (SCBA) equipment, maintenance, service and testing on an as-needed basis by the Roseville Fire Department based upon the Master Price Agreement for the remainder of the initial term of 4 years with an optional one-year renewal term as a qualified government member of National Purchasing Partners. The City will utilize the League of Oregon Cities contract number PS26240 through National Purchasing Partners. The total estimated cost for Fire Department SCBA equipment, maintenance and repair costs is $600,000 for the remainder of the 48-month term of the contract, March 18, 2026, to March 18, 2030, and $150,000 for the extension year from March, 18, 2030 to March 18, 2031.

CONTACT: Jamie Pepin 916-774-5400 jpepin@roseville.ca.us

The City Council will consider the recommendation to:

a. Adopt Resolution No. 26-084 approving a contract purchase agreement, by and between the City of Roseville and MES I Acquisition Inc. dba MES Service Company, LLC and authorizing the City Manager to execute it on behalf of the City of Roseville.

**12. Roseville Municipal Code Amendments - Purchasing System** (FINANCE DEPARTMENT)

Summary: Staff recommends that the City Council introduce for first reading an ordinance amending Sections 4.12.090, 4.12.095, 4.12.105, and 4.12.110 of Title 4 of the Roseville Municipal Code related to purchasing procedures, cooperative purchasing, and the disposition of real property. The proposed updates are administrative in nature and make minor modifications to align the Municipal Code with City Charter publication requirements, ensure consistency with the Surplus Land Act, clarify that cooperative purchasing agreements may be used for terms of up to five years (including amendments), and provide additional examples of available cooperative purchasing agreements.

CONTACT: Shannon Wiest 916-746-1112 swiest@roseville.ca.us

The City Council will consider the recommendation to:

a. Introduce, for first reading, an ordinance amending Sections 4.12.090, 4.12.095, 4.12.105, and 4.12.110 of Chapter 4.12 of Title 4 of the Roseville Municipal Code related to purchasing procedures, cooperative purchasing, and real property disposition.

**13. Business Operations Tax Consulting Administration - Professional Services Agreement** (FINANCE DEPARTMENT)

Summary: Staff recommends approval of a professional services agreement with Hinderliter, De Llamas & Associates dba HdL Companies (HdL) to provide business operations tax administration consulting services. The agreement includes an annual not-to-exceed amount of $340,000. This consists of a 35% fee on recovered revenue from discovery and audit services and 25% for collection services. Actual costs will vary based on activity levels and revenues generated through HdL's efforts. Adequate funding is available in the FY2025-26 adopted budget to support this agreement. Funding for future years will be included in the proposed FY2026-27 General Fund budget and future budgets.

CONTACT: Jeannine Thrash 916-774-5473 jthrash@roseville.ca.us

The City Council will consider the recommendation to:

a. Adopt Resolution No. 26-088 approving a professional services agreement, by and between the City of Roseville and Hinderliter, De Llamas & Associates dba HdL Companies and authorizing the City Manager to execute it on behalf of the City of Roseville.

**14. Tax Revenue Consulting - Short-Term Rental Administrative Services - Professional Services Agreement Amendment** (FINANCE DEPARTMENT)

Summary: Staff recommends approval of a fourth amendment to the professional services agreement with Hinderliter, de Llamas & Associates, dba HdL Companies, to extend short-term rental administration services for an additional six months in order to complete a request for proposals competitive procurement process. Sufficient funding is available in the Finance Department's FY2025-26 General Fund budget to support this extension through the end of the fiscal year. The Finance Department will fund the remaining portion of the agreement within the proposed FY2026-27 General Fund budget.

CONTACT: Jeannine Thrash 916-774-5473 jthrash@roseville.ca.us

The City Council will consider the recommendation to:

a. Adopt Resolution No. 26-094 approving a fourth amendment to professional services agreement, by and between the City of Roseville and Hinderliter, de Llamas & Associates dba HdL Companies, and authorizing the City Manager to execute it on behalf of the City of Roseville.

**15. Annual Audit Reports** (FINANCE DEPARTMENT)

Summary: Staff recommends the City Council receive four informational financial reports for the fiscal year ended June 30, 2025: Single Audit, Electric Enterprise Fund, Other Post-Employment Benefit Trust Fund, and Roseville Natural Gas Financing Authority, along with five required auditor communication letters; and one informational financial report for the fiscal year ended June 30, 2024, Transportation Development Act Funds, along with one management letter. There is no impact to the City's General Fund.

CONTACT: Teri Quinlan 916-774-5316 tquinlan@roseville.ca.us

The City Council will consider the recommendation to:

a. Receive the Annual Audit Reports.

**16. 2026 Legislative and Regulatory Platform for State and Federal Advocacy** (PUBLIC AFFAIRS AND COMMUNICATIONS DEPARTMENT)

Summary: Staff recommends adoption of the 2026 Legislative and Regulatory Platform for State and Federal Advocacy. The proposed 2026 Legislative and Regulatory Platform establishes the City's priorities and positions for state and federal advocacy, aligned with City Council goals. Adoption of the platform authorizes the City to actively engage in legislative, regulatory, and funding efforts, including taking positions on legislation and participating in advocacy and legal actions when appropriate. The platform provides a consistent framework to guide City advocacy throughout the year and is updated annually to reflect evolving priorities and external conditions.

CONTACT: Rob Baquera 916-746-1170 rbaquera@roseville.ca.us

The City Council will consider the recommendation to:

a. Adopt the 2026 Legislative and Regulatory Platform for State and Federal Advocacy.

**17. Downtown Roseville Property and Business Improvement District - 2025 Annual Report and 2026 Budget** (ECONOMIC DEVELOPMENT DEPARTMENT)

Summary: Staff recommends approval of the 2025 Downtown Roseville Property and Business Improvement District Annual Report and the 2026 Budget for the Downtown Roseville Partnership. The City contributes to the Property and Business Improvement District each year in the form of parcel assessments for City-owned property in Downtown Roseville. Receiving the annual report has no impact on the General Fund and a maximum of 2% of the property assessment will be retained by the City to cover the costs of administration of the management agreement.

CONTACT: Gina McColl 916-774-5452 gmccoll@roseville.ca.us

The City Council will consider the recommendation to:

a. Adopt Resolution No. 26-091 approving the 2025 Downtown Roseville Property and Business Improvement District Annual Report and 2026 Budget.

**18. Electronic Content Management System Upgrade – Contract Purchase Agreement Amendment** (INFORMATION TECHNOLOGY DEPARTMENT - CLIENT & INNOVATION SERVICES)

Summary: Staff recommends approval of a contract purchase agreement amendment with Naviant Holdings LLC dba Naviant LLC to include professional services for the upgrade of the existing OnBase Solution. The contract amendment will increase the cost of the contract by $4,516, to a total of $490,783. Funding is included in the Information Technology Operations Fund FY2025-26 budget.

CONTACT: Melissa Patrick 916-774-5127 mpatrick@roseville.ca.us

The City Council will consider the recommendation to:

a. Adopt Resolution No. 26-085 approving amendment #3 to contract purchase agreement, by and between the City of Roseville and Naviant Holdings LLC dba Naviant LLC and authorizing the City Manager to execute it on behalf of the City of Roseville.

**19. Impound Fee for Out-of-Class Electric Bicycles** (POLICE DEPARTMENT)

Summary: Staff recommends adopting an electric bicycle impound fee in the amount of $252.50 pursuant to California Vehicle Code Section 22651.08 and to incorporate such fee into the City's most current master Schedule of User and Regulatory Fees. There is no fiscal impact associated with the proposed action.

CONTACT: Courtney Scurria 916-746-1051 CScurria@roseville.ca.us

The City Council will consider the recommendation to:

a. Adopt Resolution No. 26-086 adopting impound fee for out-of-class electric bicycles and incorporating the fee into the schedule of User and Regulatory Fees.

Item dropped to be relisted on a future agenda.

**20. Minutes of Prior Meetings** (CITY CLERK DEPARTMENT)

Summary: Staff recommends approval of the minutes of the April 1, 2026, City Council Meeting.

CONTACT: Christine Mesaros 916-774-5287 crmesaros@roseville.ca.us

The City Council will consider the recommendation to:

a. Approve the minutes of the April 1, 2026, City Council Meeting.

**END OF CONSENT CALENDAR**

## VII. PRESENTATIONS/REPORTS

**21. International Brotherhood of Electrical Workers, Local 1245 (IBEW) Successor Memorandum of Understanding and Salary Schedule Update** (HUMAN RESOURCES DEPARTMENT)

Summary: Staff recommends the City Council approve a successor Memorandum of Understanding (MOU) with the International Brotherhood of Electrical Workers, Local 1245 (IBEW) for a term beginning April 18, 2026, to April 30, 2030. The cost to the Fiscal Year (FY) 2025-2026 budget will be $577,000, which has no impact on the General Fund. These costs will be covered by existing appropriations in the Environmental Utilities and Electric funds. The overall ongoing projected costs of salary and benefit increases over the MOU four-year term is $13.2 million. The total contract cost accounts for labor market adjustments and benefit costs in year 1 and compounded through the term of the MOU. The costing does not account for labor

market adjustments in years 2, 3, and 4 that will be presented to the City Council each respective year to remain competitive in the utility labor market.

CONTACT: Stacey Peterson 916-774-5374 slpeterson@roseville.ca.us

The City Council will consider the recommendation to:

a. Adopt Resolution No. 26-098 approving a Successor Master Memorandum of Understanding for employees represented by the International Brotherhood of Electrical Workers, Local 1245, and authorizing the City Manager to execute it on behalf of the City of Roseville; and

b. Adopt Ordinance No. 7065 amending Ordinance 7020, the salary Ordinance for Personnel represented by the International Brotherhood of Electrical Workers, Local 1245, as amended by appendix "A" to be effective April 18, 2026, as an urgency measure.

Human Resources Director Stacey Peterson made the presentation to the City Council.

No public comment received.

Motion by Councilmember Roccucci, seconded by Councilmember Houdesheldt, to adopt Resolution No. 26-098 approving a Successor Master Memorandum of Understanding for employees represented by the International Brotherhood of Electrical Workers, Local 1245, and authorizing the City Manager to execute it on behalf of the City of Roseville; and adopt Ordinance No. 7065 amending Ordinance 7020, the salary Ordinance for Personnel represented by the International Brotherhood of Electrical Workers, Local 1245, as amended by appendix "A" to be effective April 18, 2026, as an urgency measure. The motion passed.

Ayes: Vice Mayor Alvord, Councilmember Houdesheldt, Councilmember Roccucci.
Absent: Mayor Bernasconi, Councilmember Mendonsa.

**22. Local Sales Tax Citizens' Oversight Committee - Report to the City Council** (FINANCE DEPARTMENT)

Summary: Staff recommends Council receive an informational report and presentation from the Local Sales Tax Citizens’ Oversight Committee on the FY2024-25 revenue and expenditures of the Measure B sales and use tax.

CONTACT: Scott Pettingell 916-746-1306 spettingell@roseville.ca.us

The City Council will consider the recommendation to:
This is an informational item and requires no City Council action.

Local Sales Tax Citizens' Oversight Committee Chairman Jordan Binnel made the presentation to the City Council.

No public comment received.

Item for informational only; No action required.

## VIII. PUBLIC HEARINGS

**NOTICE TO THE PUBLIC: Public Hearing Process**

City Council, when considering the matter, will take the following actions:

1. Open the Public Hearing
2. Presentation by staff
3. Presentation by applicant or appellant
4. Accept public testimony
5. Appellant or applicant rebuttal period
6. Close the Public Hearing
7. City Council comments and questions
8. City Council action

Any challenges in court about public hearing matters noticed on this agenda may be limited to only those issues, that were raised orally at the public hearing or in written form received by the City on or before the hearing.
Public Hearings listed for continuance will be continued and posting of this agenda will serve as notice of continuation.

**23. Compliance with Assembly Bill 2561/Government Code Section 3502.3 Regarding Vacancies and Recruitment and Retention Efforts** (HUMAN RESOURCES DEPARTMENT)

Summary: Staff recommends Council receive a presentation on AB 2561 which requires public agencies to hold at least one (1) public hearing per fiscal year to discuss vacancies, recruitment, and retention efforts. The presentation discusses the City's legal obligations under the law, which took effect January 1, 2025. This presentation is for informational purposes only regarding the status of the City's vacancies and recruitment and retention efforts.

CONTACT: Macy Dippert 916-774-5215 mdippert@roseville.ca.us

The City Council will consider the recommendation to:

a. This is an informational item and requires no City Council action.

Vice Mayor Alvord opened the public hearing at 6:32 P.M.

Human Resources Manager Macy Dippert made the presentation to the City Council.

No public comment received.

Vice Mayor Alvord closed the public hearing at 6:44 P.M.

Item for informational only; No action required.

**24. 2026 Weed Abatement - Public Hearing** (FIRE DEPARTMENT)

Summary: Staff recommends Council adopt a resolution overruling all objections to the proposed abatement of all weeds, rubbish, dirt and/or rank growth, as well as ordering the Fire Chief to abate, or cause to be abated, the subject nuisances within the City of Roseville in accordance with the law. This item is the second and final step necessary to initiate the 2026 Weed Abatement Program. Owners of private parcels that are abated by the City are responsible for the costs associated with providing abatement services. A bill is sent to each property owner detailing the abatement costs, as well as an administrative fee. If the property owner fails to pay the bill, the City places a lien on the subject property and the monies owed are reimbursed through the property tax collection process.

CONTACT: Jordan Paul 916-774-5802 jpaul@roseville.ca.us

The City Council will consider the recommendation to:

a. Adopt Resolution No. 26-095 ordering the destruction or removal of all weeds, dirt, rubbish, and/or rank growths within the City of Roseville and overruling any and all objections thereto.

Vice Mayor Alvord opened the public hearing at 6:44 P.M.

Fire Chief Ryan Harrigan introduced Fire Division Chief Jordan Paul and Parks and Natural Resources Superintendent Eric Dexter.

Fire Division Chief Jordan Paul made the presentation.

Parks and Natural Resources Superintendent Eric Dexter continued the presentation.

Jennifer Chapman - Spoke on weed abatement in the creeks.

Vice Mayor Alvord closed the public hearing at 6:50 P.M.

Motion by Councilmember Houdesheldt, seconded by Councilmember Roccucci, to adopt Resolution No. 26-095 ordering the destruction or removal of all weeds, dirt, rubbish, and/or rank growths within the City of Roseville and overruling any and all objections thereto. The motion passed.

Ayes: Vice Mayor Alvord, Councilmember Houdesheldt, Councilmember Roccucci.
Absent: Mayor Bernasconi, Councilmember Mendonsa.

**25. Adoption of User and Regulatory Fees** (FINANCE DEPARTMENT)

Summary: Staff recommends adopting the Schedule of User and Regulatory Fees, effective July 1, 2026. The City's Schedule of User and Regulatory Fees identifies fees for services and activities provided at the request of, or on behalf of, a single party, as opposed to the public at large. The Fee Schedule is intended to be reviewed annually, with staff conducting biennial studies to identify the City’s cost of providing fee-related services based on current labor rates and service delivery methods. The proposed fee schedule, effective July 1, 2026, through June 30, 2027, is based on the results of a User and Regulatory Fee Study completed in March 2026. The

anticipated annual revenue impact of the proposed changes included in the Fee Schedule update is approximately $485,000 citywide. It is important to note that while adjusting fees will provide a fiscal impact in the form of additional revenue, the revenue is not intended to fund new services; rather, it is intended to offset the costs of providing existing services that are recoverable from fees.

CONTACT: Jeannine Thrash 916-774-5473 jthrash@roseville.ca.us

The City Council will consider the recommendation to:

a. Adopt Resolution No. 26-096 adopting a Master Schedule of User and Regulatory Fees, effective July 1, 2026.

Vice Mayor Alvord opened the public hearing at 6:51 P.M.

Finance Director Scott Pettingell introduced Terry Madsen with ClearSouce Financial Consulting.

ClearSource President and Principal Consultant Terry Madsen made the presentation.

Finance Director Scott Pettingell continued the presentation.

No public comment received.

Vice Mayor Alvord closed the public hearing at 7:02 P.M.

Motion by Councilmember Houdesheldt, seconded by Councilmember Roccucci, to adopt Resolution No. 26-096 adopting a Master Schedule of User and Regulatory Fees, effective July 1, 2026. The motion passed.

Ayes: Vice Mayor Alvord, Councilmember Houdesheldt, Councilmember Roccucci.
Absent: Mayor Bernasconi, Councilmember Mendonsa.

**26. Tax Equity and Fiscal Responsibility Act Hearing for Flyland Holdings LLC** (FINANCE DEPARTMENT)

Summary: Staff recommends Council conduct a Tax Equity and Fiscal Responsibility Act Hearing (TEFRA Hearing) and approve the issuance of Bonds by the Public Finance Authority. A request was received for the City to conduct the public hearing, as the governmental unit having jurisdiction over the geographical location of the subject project. Flyland Holdings LLC (the "Borrower") has requested that the Public Finance Authority, a Wisconsin commission and entity (the "PFA") serve as the issuer of tax-exempt and/or taxable revenue bonds in an aggregate principal amount not to exceed $750,000,000 (the "Bonds") for projects spanning multiple states, with portions of the proceeds financing project(s) within the City's geographical jurisdiction not to exceed $11,000,000. The Bonds will be issued as limited obligations of the PFA, payable solely from revenues and receipts derived from a loan to be made by the PFA to the Borrower with the Bond proceeds. The City bears no liability with respect to the issuance of the Bonds and there is no fiscal impact to the City. Further, the City is not a party to any of the

financing documents related to the Bond issuance and is not named in any of the disclosure documents describing the Bonds or the proposed financing.

CONTACT: Jeannine Thrash 916-774-5473 jthrash@roseville.ca.us

The City Council will consider the recommendation to:

a. Adopt Resolution No. 26-097 approving the issuance of the Public Finance Authority Revenue Bonds, (Flyland Holdings LLC Obligated Group) series 2026 in an aggregate principal amount not to exceed $750,000,000 and certain other matters relating thereto.

Vice Mayor Alvord opened the public hearing at 7:03 P.M.

Finance Director Scott Pettingell made the presentation to the City Council.

Jennifer Chapman inquired if the business owns the facility and where the source of money is from.

Vice Mayor Alvord closed the public hearing at 7:10 P.M.

Motion by Councilmember Roccucci, seconded by Councilmember Houdesheldt, to adopt Resolution No. 26-097 approving the issuance of the Public Finance Authority Revenue Bonds, (Flyland Holdings LLC Obligated Group) series 2026 in an aggregate principal amount not to exceed $750,000,000 and certain other matters relating there-to. The motion passed.

Ayes: Vice Mayor Alvord, Councilmember Houdesheldt, Councilmember Roccucci.
Absent: Mayor Bernasconi, Councilmember Mendonsa.

## IX. PUBLIC COMMENTS

This is the second opportunity to make a public comment on non-agenda items.

No public comment received.

## X. STAFF/COUNCIL REPORTS

Councilmember Roccucci reported on various community events.

**Northern California Power Agency Meeting** - Councilmember Roccucci reported on attendance.

**Sites Reservoir Meeting** - Councilmember Roccucci reported on attendance.

**Placer County Water Agency Meeting** - Councilmember Houdesheldt reported on attendance.

**Sites Reservoir Meeting** - Councilmember Houdesheldt reported on attendance.

**Sacramento Area Council of Governments Meeting** - Councilmember Houdesheldt reported on attendance.

Vice Mayor Alvord reported on various community events.

## XI. ADJOURNMENT

Vice Mayor Alvord adjourned the meeting at 7:20 P.M.

|---|---|
| **Title:** | Council Discretionary Funds - Sober Grad Night |
| **Contact:** | Heather Blanco 916-746-1171 hblanco@roseville.ca.us |

## SUMMARY

Staff recommends City Council consider a sponsorship to four local high schools in the form of a discretionary fund donation for the Safe and Sober Grad Night events for this year's graduating seniors. The City Council has funded prior years' requests for Safe and Sober Grad Night activities at $500 per school. The balance remaining in the Council Discretionary Funds for FY2025-26 is $6,821. City Council received the following requests for discretionary funding and can at this time discuss and consider each request for approval by motion.

- Roseville High School
- Woodcreek High School
- Oakmont High School
- West Park High School

## RECOMMENDATION

Staff recommends City Council consider a sponsorship to four local high schools in the form of a discretionary fund donation for the Safe and Sober Grad Night events for this year's graduating seniors. The City Council has funded prior years' requests for Safe and Sober Grad Night activities at $500 per school. The balance remaining in the Council Discretionary Funds for FY2025-26 is $6,821. The City Council has received the following requests for discretionary funding and can at this time discuss and consider each request for approval by motion.

- Roseville High School
- Woodcreek High School
- Oakmont High School
- West Park High School

## BACKGROUND

The Citizens' Benefit Fund was established in 1993 with the net proceeds from the sale of the Roseville Hospital. The City Council may, after receiving the recommendation of the Roseville Grants Advisory Commission, annually appropriate up to 90 percent of the annual earnings of the Citizens' Benefit Fund for the purpose of improving the quality of life for the citizens of the City of Roseville. The City Council, without the recommendation of the Roseville Grants Advisory Commission, may annually appropriate a minor amount up to $15,000 of the annual earnings for the purpose of improving the quality of life in Roseville.

## FISCAL IMPACT

There is no fiscal impact to the City's General Fund. Annually, the Assistant City Manager/Chief Financial Officer allocates $15,000 of the annual earnings on the Citizens' Benefit Fund per section 4.06.040 in the Municipal Code and includes it in the annual budget along with the Citizens' Benefit Fund resources available for appropriation each year. These earnings are restricted for the purpose of improving the

quality of life for Roseville residents and appropriated by the City Council. The balance remaining in the Council's Discretionary Funds for FY2025-26 is $6,821.

ENVIRONMENTAL REVIEW

The California Environmental Quality Act (CEQA) does not apply to activities that will not result in a direct or reasonably foreseeable indirect physical change in the environment, or is otherwise not considered a project as defined by CEQA Statute §21065 and CEQA State Guidelines §15060(c)(3) and §15378. The award of funds meets the above criteria and is not subject to CEQA. No additional environmental review is required.

CITY COUNCIL STRATEGIC PLAN/OVERARCHING GOALS

5. Support community engagement and advocacy

Respectfully Submitted,
Heather Blanco, Executive Assistant

Dennis Kauffman, Chief Financial Officer/Assistant City Manager

# Roseville High School
# Sober Grad Night 2026

Dear Valued Community Member,

We hope this letter finds you well! As we approach a significant milestone for the Class of 2026, we are excited to announce our plans for Sober Grad Night - a safe and alcohol-free celebration for our graduating seniors. This event, scheduled for May 29th, aims to provide a fun and memorable experience for our students as they celebrate their accomplishments and look forward to the future.

Sober Grad Night is more than just a celebration; it is an opportunity to promote a healthy and supportive environment for our young adults during this pivotal time. To make this event a success, we are reaching out to our community for support. We would greatly appreciate any contributions, whether in the form of financial donations, goods, gift cards, or services. Your generosity will help us cover expenses such as food, entertainment, prizes, provide safety measures to ensure a memorable night for our graduates, in addition to providing scholarships for students who are unable to financially afford the event.

Here are a few ways you can help:

- **Monetary Donations**: Any amount, large or small, will make a difference.
- **Goods and gift cards**: If you own a business or can provide items for the event, such as food, decorations, or gift cards/prizes, we would love to collaborate!

Your support is vital in making Sober Grad Night a success and showing our students that our community cares about their well-being. If you are able to contribute, please contact us at RHSsgn2026@gmail.com.

Roseville High School Booster Club is a 501-C non-profit organization and all donations are tax deductible. We can provide your business with a receipt if necessary. Our tax ID number is 94-2578164.

Thank you for considering this opportunity to invest in our youth and their future. Together, we can create a night to remember for the Class of 2026!

Warm regards,

Amy Pettersen
Sober Grad Night Chair 2026, Roseville High School

RECEIVED
FEB 10 2026
CITY MANAGER OFFICE

Dear Friends, Families & Community Businesses of Woodcreek High School,

**The Woodcreek High School Class of 2026** is excited to be planning their Annual Sober Grad Nite! The Grad Nite Booster Club is an independent, non-profit organization run by parents and volunteers. Our goal is to provide a safe, substance-free celebration for our graduates! This year we are taking our grads to Disneyland!

Graduating seniors load buses after graduation for an all-night road trip to Disneyland! They spend an entire day "hopping" between the two Disney parks in Anaheim and then participate in Disney's special evening festivities for graduates! Communities that provide grad nite celebrations have virtually eliminated alcohol and drug related injuries after graduation!

Your support and generosity will help guarantee the success of Grad Nite 2026 and lessen the cost for our graduates! We are asking for contributions in the form of:

a. Cash Donations (Payable to WHS Sober Grad Nite)
b. Gift Certificates (for bus travel raffles)
c. Merchandise (supplies / snacks for the bus ride)

Your contribution is tax deductible, and a receipt will be sent to you. Donations of $500 or more will be recognized on social media along with future postings.

Sponsorships or donations by check:

Made out to: Woodcreek Timberwolf Boosters (with Sober Grad Nite in the memo)

Send to: **Lisa Botwinik & Kim Homma, Sober Grad Nite President**
% Woodcreek High School
2551 Woodcreek Oaks Blvd
Roseville, CA 95747

Your business will be showcased on our Facebook page and any other publications we utilize. We deeply appreciate your help.

Very truly yours,

Lisa Botwinik & Kim Homma
Sober Grad Nite 2025 President
WoodcreekSoberGradNite@gmail.com
916-474-0122 (Lisa) / 530-320-5577 (Kim)

| **Title:** | 2026/2027 Landscaping and Lighting Districts Assessments - Initiate Proceedings, Intent to Levy, Approval of Engineer's Reports |
| **Contact:** | Jeannine Thrash 916-774-5473 jthrash@roseville.ca.us |

SUMMARY

Staff recommends approval of the engineer's annual levy reports for Fiscal Year 2026/2027 and ordering the levy and collection of assessments within the described Landscaping and Lighting Districts (individually "LLD" and collectively "LLDs"). The City currently has eight active LLDs. These districts were formed within the City to levy and collect assessments for maintenance of public improvements pursuant to the Landscaping and Lighting Act of 1972, Part 2 of Division 15 of the California Streets and Highways Code (Sections 22500, et seq.) and Article XIII D of the California Constitution. The districts are levied annually to fund landscape services in each LLD. There is no impact to the General Fund.

RECOMMENDATION

Staff recommends that the City Council adopt the following resolutions:

1. Resolution of the City Council of the City of Roseville, California, Initiating Proceedings for the Annual Levy of Assessments for the Historic District Landscaping and Lighting District for Fiscal Year 2026/2027.

Resolution of the City Council of the City of Roseville, California, Declaring Its Intention to Levy Annual Assessments for the Historic District Landscaping and Lighting District for Fiscal Year 2026/2027.

Resolution of the City Council of the City of Roseville, California, Preliminary Approval of the Engineer's Annual Levy Report for the Historic District Landscaping and Lighting District for Fiscal Year 2026/2027.

2. Resolution of the City Council of the City of Roseville, California, Initiating Proceedings for the Annual Levy of Assessments for the Infill Area Landscaping and Lighting District for Fiscal Year 2026/2027.

Resolution of the City Council of the City of Roseville, California, Declaring Its Intention to Levy Annual Assessments for the Infill Area Landscaping and Lighting District for Fiscal Year 2026/2027.

Resolution of the City Council of the City of Roseville, California, Preliminary Approval of the Engineer's Annual Levy Report for the Infill Area Landscaping and Lighting District for Fiscal Year 2026/2027.

3. Resolution of the City Council of the City of Roseville, California, Initiating Proceedings for the Annual Levy of Assessments for the Johnson Ranch Landscaping and Lighting District for Fiscal Year 2026/2027.

Resolution of the City Council of the City of Roseville, California, Declaring Its Intention to Levy Annual Assessments for the Johnson Ranch Landscaping and Lighting District for Fiscal Year 2026/2027.

Resolution of the City Council of the City of Roseville, California, Preliminary Approval of the Engineer's

Annual Levy Report for the Johnson Ranch Landscaping and Lighting District for Fiscal Year 2026/2027.

4. Resolution of the City Council of the City of Roseville, California, Initiating Proceedings for the Annual Levy of Assessments for the North Central Roseville Specific Plan Landscaping and Lighting District for Fiscal Year 2026/2027.

Resolution of the City Council of the City of Roseville, California, Declaring Its Intention to Levy Annual Assessments for the North Central Roseville Specific Plan Landscaping and Lighting District for Fiscal Year 2026/2027.

Resolution of the City Council of the City of Roseville, California, Preliminary Approval of the Engineer's Annual Levy Report for the North Central Roseville Specific Plan Landscaping and Lighting District for Fiscal Year 2026/2027.

5. Resolution of the City Council of the City of Roseville, California, Initiating Proceedings for the Annual Levy of Assessments for the Northwest Roseville Specific Plan Landscaping and Lighting District for Fiscal Year 2026/2027.

Resolution of the City Council of the City of Roseville, California, Declaring Its Intention to Levy Annual Assessments for the Northwest Roseville Specific Plan Landscaping and Lighting District for Fiscal Year 2026/2027.

Resolution of the City Council of the City of Roseville, California, Preliminary Approval of the Engineer's Annual Levy Report for the Northwest Roseville Specific Plan Landscaping and Lighting District for Fiscal Year 2026/2027.

6. Resolution of the City Council of the City of Roseville, California, Initiating Proceedings for the Annual Levy of Assessments for the Olympus Pointe Landscaping and Lighting District for Fiscal Year 2026/2027.

Resolution of the City Council of the City of Roseville, California, Declaring Its Intention to Levy Annual Assessments for the Olympus Pointe Landscaping and Lighting District for Fiscal Year 2026/2027.

Resolution of the City Council of the City of Roseville, California, Preliminary Approval of the Engineer's Annual Levy Report for the Olympus Pointe Landscaping and Lighting District for Fiscal Year 2026/2027.

7. Resolution of the City Council of the City of Roseville, California, Initiating Proceedings for the Annual Levy of Assessments for the Riverside Avenue Landscaping and Lighting District for Fiscal Year 2026/2027.

Resolution of the City Council of the City of Roseville, California, Declaring Its Intention to Levy Annual Assessments for the Riverside Avenue Landscaping and Lighting District for Fiscal Year 2026/2027.

Resolution of the City Council of the City of Roseville, California, Preliminary Approval of the Engineer's Annual Levy Report for the Riverside Avenue Landscaping and Lighting District for Fiscal Year 2026/2027.

8. Resolution of the City Council of the City of Roseville, California, Initiating Proceedings for the Annual

Levy of Assessments for the Vernon Street Landscaping and Lighting District for Fiscal Year 2026/2027.

Resolution of the City Council of the City of Roseville, California, Declaring Its Intention to Levy Annual Assessments for the Vernon Street Landscaping and Lighting District for Fiscal Year 2026/2027.

Resolution of the City Council of the City of Roseville, California, Preliminary Approval of the Engineer's Annual Levy Report for the Vernon Street Landscaping and Lighting District for Fiscal Year 2026/2027.

Staff also recommends that June 3, 2026, at 6 p.m. be set as the date and time to hold the public hearing.

Each Engineer's Report submitted for the Public Hearing will include an affidavit signed by the Engineer. The Engineer shall sign the affidavit for each following Council's preliminary approval of the Engineer's Reports.

BACKGROUND

The City of Roseville currently has eight active Landscaping and Lighting Districts (LLDs). These districts were formed within the City of Roseville to levy and collect assessments for maintenance of public improvements pursuant to the Landscaping and Lighting Act of 1972, Part 2 of Division 15 of the California Streets and Highways Code (Sections 22500, et seq.) and Article XIII D of the California Constitution.

The Historic District Landscaping and Lighting District was formed in 2006 to levy and collect assessments for the maintenance and operation of improvements benefiting parcels within the District. The cost of maintaining the streetscape improvements is spread equally to the subject properties, based on their percentage of total front footage of all affected parcels. The District is located in the Historic Old Town area in Downtown Roseville.

The Infill Area Landscaping and Lighting District was formed in 1995 to levy and collect assessments for the maintenance of certain public improvements that benefit parcels within the District. The District is located in the Infill Plan area.

The Johnson Ranch Landscaping and Lighting District was formed in 1989 to levy and collect assessments for the maintenance of certain public landscape, open space, floodway and stream courses located within the Southeast Roseville Specific Plan area.

The Northwest Roseville Specific Plan Landscaping and Lighting District was formed in 1989 to fund the maintenance of public landscape medians and corridors, vernal pool preserves, bike trails, and certain park improvements. The district does not cover the entire Northwest Specific Plan area and only funds improvements within its established boundaries. In 2004, the Dunmore Junction subdivision was annexed into the district as Zone A, and the Legacy subdivision was annexed as Zone B. Unlike the majority of the other LLDs, this district does not include an inflationary escalator, and the annual assessment has remained unchanged since 1989. The City sought voter approval to increase the assessment and add an annual escalator in 2006, 2011, and 2021; however, these adjustments were not approved by property owners within the district, and the assessment remains unchanged.

The Olympus Pointe Landscaping and Lighting District was formed in 1989 to levy and collect assessments for the maintenance of certain public improvements within the Northeast Roseville Specific

Plan Area. In 2005, the property owners in the district approved, through a mailed ballot, an assessment increase and an annual escalation factor. This allows the City to keep pace with increasing maintenance costs.

The Riverside Avenue Landscaping and Lighting District was formed in 2007 to levy and collect assessments for the maintenance and operation of improvements benefiting parcels within the District. The cost of maintaining the streetscape improvements is spread equally to the subject properties, based on their percentage of the total front footage of all affected parcels.

The Vernon Street Landscaping and Lighting District was formed in 2001 to levy and collect assessments for maintenance of streetscape improvements within the district boundaries. The cost of maintaining the streetscape improvements is spread equally to the subject properties based on their percentage of total front footage of all affected parcels.

Assessment Statistics

| District | Proposed FY 2026-27 Levy | Maximum Annual Assessment | Levied Parcels | % Change from FY 2025-26 | *Prior year* FY 2025-26 Levy |
|---|---|---|---|---|---|
| Historic District LLD | $46,156.78 | $46,157.32 | 60 | 3% | $44,812.42 |
| Infill Area LLD | $33,349.44 | $44,132.80 | 222 | 8% | $30,983.04 |
| Johnson Ranch LLD | $48,115.26 | $56,507.12 | 1,044 | 0% | $48,051.78 |
| North Central LLD | $827,914.72 | $843,330.01 | 3,505 | 5% | $785,936.30 |
| Northwest LLD | $481,336.00 | $481,336.00 | 4,752 | 0% | $481,336.00 |
| Olympus Pointe LLD | $254,246.06 | $482,425.98 | 826 | 7% | $236,613.82 |
| Riverside Avenue LLD | $51,549.44 | $51,550.66 | 76 | 3.00% | $50,048.54 |
| Vernon Street LLD | $48,009.30 | $48,010.11 | 60 | 3.04% | $46,593.08 |
| **Totals** | **$1,790,677.00** | **$2,053,450.01** | **10,545** | | |

FISCAL IMPACT

All charges are needed to fund landscape services in each LLD. There is no impact on the General Fund.

ENVIRONMENTAL REVIEW

The California Environmental Quality Act (CEQA) does not apply to activities that will not result in a direct or reasonably foreseeable indirect physical change in the environment, or is otherwise not considered a project as defined by CEQA Statute §21065 and CEQA State Guidelines §15060(c)(3) and §15378. Adoption of these resolutions meets the above criteria and is not subject to CEQA. No additional environmental review is required.

CITY COUNCIL STRATEGIC PLAN/OVERARCHING GOALS

2. Remain fiscally responsible in a changing world

6. Deliver exceptional City services

**RESOLUTION NO. 26-122**

**A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF ROSEVILLE, CALIFORNIA, INITIATING PROCEEDINGS FOR THE ANNUAL LEVY OF ASSESSMENTS FOR THE HISTORIC DISTRICT LANDSCAPING AND LIGHTING DISTRICT, FOR FISCAL YEAR 2026/2027, PURSUANT TO THE PROVISIONS OF PART 2 OF DIVISION 15 OF THE CALIFORNIA STREETS AND HIGHWAYS CODE**

The City Council of the City of Roseville, California (hereafter referred to as the "City Council") does resolve as follows:

**WHEREAS,** the City Council has, by previous resolutions, formed the Historic District Landscaping and Lighting District (hereafter referred to as the "District") pursuant to the provisions of the *Landscaping and Lighting Act of 1972, Part 2 of Division 15 of the Streets and Highways Code of California, beginning with Section 22500* (hereafter referred to as the "Act"), which provides for the levy and collection of assessments by the County of Placer for the City of Roseville to pay for the maintenance and services of street lighting, landscaping, and all appurtenant facilities and operations related thereto; and

**WHEREAS,** the City Council has retained Willdan Financial Services (hereafter "Engineer") for the purpose of assisting with the establishment of the assessments, the annexation of territory, and the preparation and filing of an Engineer's Annual Levy Report (hereafter referred to as the "Engineer's Report") with the City Clerk in accordance with the Act, and the California Constitution, Articles XIIIC and XIIID;

**NOW, THEREFORE, BE IT RESOLVED, DETERMINED, AND ORDERED BY THE CITY COUNCIL FOR THE HISTORIC DISTRICT LANDSCAPING AND LIGHTING DISTRICT, AS FOLLOWS:**

**Section 1** Engineer's Report: The City Council hereby orders the Engineer to prepare and file with the City Clerk the Engineer's Report concerning the levy of assessments for the District in accordance with *Chapter 3, Section 22622* of the Act.

**Section 2** Proposed improvements and any substantial changes in existing improvements: The District improvements include: maintenance and operation of, and the furnishing of, services, materials and/or improvements for landscape, lighting, streetscape and hardscape areas, and other public improvements within the street rights-of-way and all appurtenant facilities related thereto as further described in the Engineer's Report. The Engineer's Report describes all new improvements or substantial changes in existing improvements.

**A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF ROSEVILLE, CALIFORNIA, DECLARING ITS INTENTION TO LEVY ANNUAL ASSESSMENTS FOR THE HISTORIC DISTRICT LANDSCAPING AND LIGHTING DISTRICT, FISCAL YEAR 2026/2027**

The City Council of the City of Roseville, California (hereafter referred to as the "City Council") does resolve as follows:

**WHEREAS,** the City Council has, by previous resolutions, formed the Historic District Landscaping and Lighting District (hereafter referred to as the "District"), and initiated proceedings for Fiscal Year 2026/2027, pursuant to the provisions of the *Landscaping and Lighting Act of 1972*, *Part 2 of Division 15 of the Streets and Highways Code of California*, *beginning with Section 22500* (hereafter referred to as the "Act"), which provides for the levy and collection of assessments by the County of Placer for the City of Roseville to pay for the maintenance, operation, and servicing of all improvements and facilities related thereto; and

**WHEREAS,** the City Council has retained Willdan Financial Services for the purpose of assisting with the Annual Levy of the District and the preparation and filing of a report (hereinafter referred to as the "Engineer's Report") with the City Clerk in accordance with the Act; and

**NOW, THEREFORE, BE IT RESOLVED, DETERMINED, AND ORDERED BY THE CITY COUNCIL FOR THE HISTORIC DISTRICT LANDSCAPING AND LIGHTING DISTRICT, PURSUANT TO *CHAPTER 3, SECTION 22624* OF THE ACT, AS FOLLOWS:**

**Section 1** Intention: The City Council hereby declares that it is its intention to seek the Annual Levy of the District pursuant to the Act, over and including the land within the District boundary, and to levy and collect assessments on all such land to pay for the annual costs of the improvements.

**Section 2** Proposed improvements and any substantial changes in existing improvements: The District improvements include: the maintenance and operation of, and the furnishing of, services, materials or improvements for landscape, lighting, streetscape and hardscape areas, including fencing, walls, signage, monuments, ground cover, shrubs, plants, irrigation systems, drainage systems, and other public improvements within the street right-of-way areas and all appurtenant facilities related thereto as further described in the Engineer's Report. The Engineer's Report also describes all new improvements or substantial changes in existing improvements.

**Section 3** Boundaries and Designation: The boundaries of the District as previously defined in the formation documents of the original District. The District is known and designated as:

**"Historic District Landscaping and Lighting District"**

**Section 4** Proposed Assessment Amounts: The proposed assessments are outlined in the Engineer's Report. District Assessments are calculated in accordance with the method of apportionment established for the District and do not exceed the assessment rates and annual inflationary adjustment previously authorized by the City Council and approved by the property owners in accordance with the provisions of the California State Constitution, Article XIIID.

**Section 5** Public Hearing: The City Council hereby declares its intention to conduct a Public Hearing annually concerning the levy of assessments for the District in accordance with *Chapter 3, Section 22626* of the Act.

**Section 6** Notice: The City Clerk shall give notice of the time and place of the Public Hearing by causing this resolution to be published once in the local newspaper not less than ten (10) days before the date of the hearing and by posting a copy of this resolution on the official bulletin board customarily used by the City Council for the posting of notices.

**Section 7** Time and Place of Public Hearing: Notice is hereby given that a Public Hearing on these matters will be held by the City Council on **Wednesday, June 3, 2026, at 6:00 p.m.**, or as soon thereafter as feasible in the regular meeting chambers located at 311 Vernon Street, Roseville, California.

**RESOLUTION NO. 26-124**

**A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF ROSEVILLE, CALIFORNIA, FOR PRELIMINARY APPROVAL OF THE ENGINEER'S ANNUAL LEVY REPORT FOR THE HISTORIC DISTRICT LANDSCAPING AND LIGHTING DISTRICT, FISCAL YEAR 2026/2027**

The City Council of the City of Roseville, California (hereafter referred to as the "City Council") does resolve as follows:

**WHEREAS,** the City Council has, by previous resolutions, ordered the preparation of an Annual Levy Report (hereafter referred to as the "Engineer's Report") for the district known and designated as the Historic District Landscaping and Lighting District (hereafter referred to as the "District"), pursuant to the provisions of the *Landscaping and Lighting Act of 1972, Part 2 of Division 15 of the Streets and Highways Code of California*, *beginning with Section 22500* (hereinafter referred to as the "Act"); and

**WHEREAS**, the City Council has retained Willdan Financial Services (hereinafter "Engineer"), for the purpose of assisting with the establishment of the assessments and the preparation and filing of an Engineer's Report with the City Clerk in accordance with the Act and the requirements of the California Constitution, Articles XIIIC and XIIID; and

**WHEREAS,** there has now been presented to this City Council the Engineer's Report as required by *Chapter 1, Article 4, Section 22566* of said Act; and

**WHEREAS,** this City Council has carefully examined and reviewed the Engineer's Report as presented, and is preliminarily satisfied with the District and with each of the budget items and documents set forth therein, and further finds that the assessments, on a preliminary basis, have been spread in accordance with the benefits received from the improvements, operation, maintenance, and services to be performed within the District, as set forth in said Engineer's Report; and

**NOW, THEREFORE, BE IT RESOLVED, DETERMINED, AND ORDERED BY THE CITY COUNCIL FOR THE HISTORIC DISTRICT LANDSCAPING AND LIGHTING DISTRICT, AS FOLLOWS:**

**Section 1** That the above recitals are all true and correct.

**Section 2** That the Engineer's Report, as presented, consists of the following:

a. A Description of Improvements
b. The Annual Budget (Costs and Expenses of Maintenance, Services, Operations, and District Administration)
c. The Assessment Roll containing the Fiscal Year 2026/2027 Levy for each Assessor Parcel within the District

**Section 3** The Engineer's Report is hereby approved on a preliminary basis and ordered to be filed in the Office of the City Clerk as a permanent record and to remain open to public inspection.

**Section 4** The City Clerk shall certify to the passage and adoption of this resolution, and the minutes of this meeting shall reflect the presentation of the Engineer's Report.

# I. OVERVIEW

## A. INTRODUCTION

The City of Roseville ("City") annually levies and collects special assessments in order to maintain the improvements within the Historic District Landscaping and Lighting District ("District"). The District was formed on April 5, 2006 and is levied annual assessments pursuant to the Landscaping and Lighting Act of 1972, Part 2 of Division 15 of the California Streets and Highways Code ("1972 Act").

The Engineer's Report ("Report") describes the District, any new annexations, changes to the District, and the proposed assessments for the period of July 1, 2025 through June 30, 2027. The special benefit assessments are based on historical and estimated costs to maintain the District improvements. These assessments, which provide a direct and special benefit to properties within the District, will provide funding for the operation and maintenance of District improvements.

The word "parcel," for the purposes of this Report, refers to an individual property assigned its own Assessor's Parcel Number ("APN") by the Placer County Assessor's Office. The Placer County Auditor/Controller uses Assessor's Parcel Numbers and specific Tax Code Accounts, to identify on the County's tax roll, properties assessed for special district benefit assessments.

Following approval of the Report, the City Council will by resolution order the improvements to be made and confirm the levy and collection of assessments herein pursuant to the 1972 Act. The assessment rates and method of apportionment described in this Report as approved or modified by the City Council define the assessments to be applied to each parcel within the District for Fiscal Year ("FY") 2026/27. The assessments as approved will be submitted to the Placer County Auditor/Controller to be included on the property tax roll for each parcel.

If any parcel submitted for collection is identified by the County Auditor/Controller to be an invalid parcel number for the Current Fiscal Year, a corrected parcel number and/or new parcel numbers will be identified and resubmitted to the County Auditor/Controller. The assessment amount to be levied and collected for the resubmitted parcel or parcels shall be based on the method of apportionment and assessment rate approved by the City Council.

## B. COMPLIANCE WITH THE CURRENT LEGISLATION

The City Council, pursuant to the provisions of the "Landscaping and Lighting Act of 1972", being Division 15, Part 2 of the Streets and Highways Code of the State of California, beginning with Section 22500 (the "1972 Act"); Article XIIID of the Constitution of the State of California ("Article XIIID"); and the Proposition 218 Omnibus Implementation Act, beginning with Government Code Section 53750 (the "Implementation Act") (the 1972 Act, Article XIIID and the Implementation Act are referred to collectively as the "Assessment Law") initiated proceedings for the formation of the District on February 15, 2006 and to levy and collect annual assessments against lots and parcels within the District for FY 2006/07. On April 5, 2006, pursuant to Assessment Law, the City conducted a Public Hearing and tabulated the returned ballots. The City determined that a majority protest did not exist and approved the District's maximum assessment rate and annual inflationary adjustment factor.

Pursuant to the 1972 Act, an annual Public Hearing is conducted by the City Council to accept property owner and public comments, to review the Engineer's Annual Levy Report prior to approving the annual assessments to be levied on the County tax rolls. The assessments described in this Report have been prepared in accordance with the 1972 Act and Assessment Law.

## C. DESCRIPTION OF DISTRICT BOUNDARIES

The territory within the District consists of all lots, parcels and subdivisions of land as shown on the Boundary Map titled "Boundary Map of Historic District Landscaping and Lighting District" as referenced in Appendix A-1 of this Report.

The District is located within the City's Historic Old Town, west of Highway 80, south of Pleasant Street, north and east of Washington Boulevard, and north and west of the Union Pacific Railroad. The District consists of mostly commercial parcels in a concentrated area of the Downtown primarily fronting the following streets: Church Street northeast of Washington Boulevard, Main Street between Washington Boulevard and Lincoln Street, Pacific Street and Lincoln Street where the improvements end approximately one block south of Pleasant Street.

## D. IMPROVEMENTS AUTHORIZED BY THE 1972 ACT

As applicable or may be applicable to a proposed District, the 1972 Act defines improvements to mean one or any combination of the following:

- The installation or planting of landscaping.
- The installation or construction of statuary, fountains, and other ornamental structures and facilities.
- The installation or construction of public lighting facilities.
- The installation or construction of any facilities which are appurtenant to any of the foregoing or which are necessary or convenient for the maintenance or servicing thereof, including, but not limited to, grading, clearing, removal

of debris, the installation or construction of curbs, gutters, walls, sidewalks, or paving, or water, irrigation, drainage, or electrical facilities.

- The maintenance or servicing, or both, of any of the foregoing.
- The acquisition of any existing improvement otherwise authorized pursuant to this section.

Incidental expenses associated with the improvements including, but not limited to:

The cost of preparation of the report, including plans, specifications, estimates, diagram, and assessment;

- The costs of printing, advertising, and the publishing, posting, and mailing of notices;
- Compensation payable to the County for collection of assessments;
- Compensation of any engineer or attorney employed to render services;
- Any other expenses incidental to the construction, installation, or maintenance and servicing of the improvements;
- Any expenses incidental to the issuance of bonds or notes pursuant to Section 22662.5.
- Costs associated with any elections held for the approval of a new or increased assessment.

The 1972 Act defines "Maintain" or "maintenance" to mean furnishing of services and materials for the ordinary and usual maintenance, operation, and servicing of any improvement, including:

- Repair, removal, or replacement of all or any part of any improvement.
- Providing for the life, growth, health, and beauty of landscaping, including cultivation, irrigation, trimming, spraying, fertilizing, or treating for disease or injury.
- The removal of trimmings, rubbish, debris, and other solid waste.
- The cleaning, sandblasting, and painting of walls and other improvements to remove or cover graffiti.

Furthermore, the 1972 Act specifies that where the cost of improvements (other than maintenance and operations) is greater than can be conveniently raised from a single annual assessment, an assessment to be levied and collected in annual installments. In that event, the governing body may choose to do any of the following:

- Provide for the accumulation of the moneys in an improvement fund until there are sufficient moneys to pay all or part of the cost of the improvements.
- Provide for a temporary advance to the improvement fund from any available and unencumbered funds of the local agency to pay all or part of

the cost of the improvements and collect those advanced moneys from the annual installments collected through the assessments.

- Borrow an amount necessary to finance the estimated cost of the proposed improvements. The amount borrowed, including amounts for bonds issued to finance the estimated cost of the proposed improvements.

## E. DESCRIPTION OF THE IMPROVEMENTS AND MAINTENANCE

The District, through the levy of special assessments, provides funding for ongoing maintenance, operation and servicing of landscaping and lighting improvements located within the public rights-of-ways and dedicated easements located within the District. These improvements may include, but are not limited to, all materials, equipment, utilities, labor, and appurtenant facilities related to the ongoing maintenance of the improvements. Maintenance services will be provided by City personnel and/or private contractors. The proposed improvements to be maintained and services are generally described as follows:

### Landscaping Improvements

The landscaping improvements have been designed to enhance the area within the District and may include, but are not limited to ground cover, shrubs and plants, trees, irrigation and drainage systems, trash receptacles, ornamental lighting, masonry walls or other fencing, hardscape improvements, monuments and landmarks, recreational facilities and associated appurtenances located within the street rights-of-way and public areas within the District. Specifically, the proposed landscape improvement areas for this District are:

- Parkway landscaping and hardscape improvements within the public right of ways of the streets within the district including, but not limited to, Lincoln Street, Main Street, Church Street, Pacific Street, and the northeast side of Washington Boulevard estimated at 14,450 square feet of landscaping;
- Various amenities associated with the landscape improvements and public areas within the District, including, but not limited to, trash receptacles, street furniture, bike racks, entry signs, sidewalks, fencing, and retaining walls.

Specifically, not included as District improvements are those improvements located on private property, improvements and facilities that are outside the boundaries of the District and/or are funded by other sources available to the City, including those portions of the median and parkway landscaping on Washington Boulevard (southwest side of the street) that are outside the District boundaries.

## Public Lighting Improvements

The lighting improvements may include, but are not limited to, the cost of providing, maintaining, and servicing of lighting fixtures, poles, meters, conduits, electrical cable, and associated appurtenant facilities associated with:

- Lighting facilities within the landscaped areas and public areas including safety lights, security lights or ornamental lights installed as part of the District improvements; and
- Public street light improvements located on the streets within the District.

Specifically excluded from the assessment are the street light energy costs. These costs will continue to be paid for by the City from other revenue sources.

Detailed maps of the locations and descriptions of the specific improvements to be maintained by the District are on file in the Office of Public Works and by reference are made part of this Report.

## Description of Maintenance and Services

Maintenance means the furnishing of services and materials for the ordinary and usual maintenance, operation and servicing of landscaping and street lighting improvements facilities and appurtenant facilities, including repair, removal or replacement of all or part of any of the landscaping and street lighting improvements, or appurtenant facilities; providing for the life, growth, health and beauty of landscaping improvements including cultivation, irrigation, trimming, mowing, spraying, fertilizing and treating for disease or injury; the removal of trimmings, rubbish, debris and other solid waste; and the cleaning sandblasting, and painting of walls and other improvements to remove or cover graffiti.

Servicing means the furnishing of water and electricity for the irrigation of the landscape improvements or appurtenant facilities and the furnishing of electric current or energy for the operation of the landscaping improvements or appurtenant facilities. The street lighting improvements shall be maintained to provide adequate illumination; however, the City will be paying the actual energy costs to provide illumination.

# II. METHOD OF APPORTIONMENT

## A. GENERAL

The 1972 Act permits the establishment of assessment districts by agencies for the purpose of providing certain public improvements which include the construction, maintenance and servicing of public lights, landscaping, and appurtenant facilities. The 1972 Act further requires that the cost of these improvements be levied according to benefit rather than assessed value:

> *"The net amount to be assessed upon lands within an assessment district may be apportioned by any formula or method which fairly distributes the net amount among all assessable lots or parcels in proportion to the estimated benefits to be received by each such lot or parcel from the improvements."*

The formula used for calculating assessments in the District therefore reflects the composition of the parcels, and the Improvements and services provided, to fairly apportion the costs based on estimated benefit to each parcel.

## B. BENEFIT ANALYSIS

In conjunction with the provisions of the 1972 Act, the California Constitution Article XIIID addresses several key criteria for the levy of assessments, notably:

Article XIIID Section 2d defines District as follows:

"District means an area determined by an agency to contain all parcels which will receive a special benefit from a proposed public improvement or property-related service";

Article XIIID Section 2i defines Special Benefit as follows:

"Special benefit" means a particular and distinct benefit over and above general benefits conferred on real property located in the district or to the public at large. General enhancement of property value does not constitute "special benefit."

Article XIIID Section 4a defines proportional special benefit assessments as follows:

"An agency which proposes to levy an assessment shall identify all parcels which will have a special benefit conferred upon them and upon which an assessment will be imposed. The proportionate special benefit derived by each identified parcel shall be determined in relationship to the entirety of the capital cost of a public improvement, the maintenance and operation expenses of a public improvement, or the cost of the property related service being provided. No assessment shall be

imposed on any parcel which exceeds the reasonable cost of the proportional special benefit conferred on that parcel."

This District was formed to establish and provide for the improvements that enhance the presentation of the surrounding properties and developments. These improvements will directly benefit the parcels to be assessed within the District. The assessments and method of apportionment is based on the premise that the assessments will be used to construct and install landscape and lighting improvements within the District as well as provide for the annual maintenance of those improvements, and the assessment revenues generated by District will be used solely for such purposes.

The costs of the proposed improvements have been identified and allocated to properties within the District based on special benefit. The improvements to be provided by this District and for which properties will be assessed have been identified as an essential component and local amenity that provides a direct reflection and extension of the properties within the District which the property owners and residents have expressed a high level of support.

The method of apportionment (method of assessment) set forth in the Report is based on the premise that each assessed property receives special benefits from the landscape and lighting improvements within the District, and the assessment obligation for each parcel reflects that parcel's proportional special benefits as compared to other properties that receive special benefits.

To identify and determine the proportional special benefit to each parcel within the District, it is necessary to consider the entire scope of the improvements provided as well as the properties that benefit from those improvements. The improvements and the associated costs described in this Report have been carefully reviewed and have been identified and allocated based on a benefit rationale and calculations that proportionally allocate the net cost of only those improvements determined to be of special benefit to properties within the District. The various public improvements and the associated costs have been identified as either "general benefit" (not assessed) or "special benefit".

The City initiated and conducted property owner protest ballot proceedings in accordance with Article XIIID. Each of the proposed Improvements, the associated costs and assessments were identified and allocated based on special benefit pursuant to the provisions of Article XIIID and 1972 Act. Additionally, the Improvements and the annual costs of ensuring the maintenance and operation of the Improvements are of direct and special benefit to the properties.

The City annually levies and collects special benefit assessments in order to maintain and service the District Improvements. The District provides for specific Improvements and services that include the maintenance and operation of landscaping and lighting Improvements and associated appurtenances located within the District's public rights-of-way and dedicated easements. The annual

assessment is based on the historical and estimated costs to maintain the Improvements that provide a benefit to properties within these Districts. The Improvements within the District and the costs of those Improvements are identified and budgeted separately, including all expenditures, deficits, surpluses, revenues, and reserves.

All Improvements within the District and the properties associated with those Improvements were reviewed for benefit prior to the formation of the District. Because the Improvements affront the benefited parcels, it has been determined that there is no measurable general benefit to properties outside the District or to the public at large. In making this determination it should be noted that similar improvements within California are typically maintained by individual property owners, through some type of association or a special district as allowed by State Law since the on-going maintenance of these improvements are a special benefit to the properties associated with those improvements.

The method of apportionment (method of assessment) for the District is based on the premise that each of the assessed parcels within the District receives special benefit from the Improvements maintained and financed by District assessments. The presence of these Improvements and the close proximity of the Improvements to the properties within the District enhance the desirability and security of properties within the District.

The landscape Improvements provided by the District may include landscaped parkways, perimeters, entryways, local medians, slopes, internal amenities and appurtenant facilities. Street lighting Improvements may include all energy costs and necessary maintenance to the facilities related thereto. The annual assessments outlined in this Report are proposed to cover the estimated costs to provide all necessary service, operation, administration, and maintenance required to keep these Improvements in a healthy, vigorous, and satisfactory condition. The special benefits associated with the local landscaping Improvements are specifically:

The special benefits associated with all landscaping Improvements are specifically:

- Enhanced desirability of properties through association with the Improvements.
- Improved aesthetic appeal of properties providing a positive representation of the area and properties.
- Enhanced adaptation of the urban environment within the natural environment from adequate landscaping.
- Environmental enhancement through improved dust and debris control, and fire prevention.
- Increased sense of pride in ownership of property within the District resulting from well-maintained Improvements associated with the properties.

- Enhanced quality of life through well-maintained landscaped areas.
- Reduced criminal activity and property-related crimes (especially vandalism) against properties in the District through well-maintained surroundings and amenities including abatement of graffiti.
- Enhanced environmental quality of the parcels by moderating temperatures, providing oxygenation and attenuating noise.

The special benefits of street lighting are the convenience, safety, and security of property, improvements, and goods. Specifically:

- Enhanced deterrence of crime and the aid to police protection.
- Increased nighttime safety on streets and roads within the Districts.
- Improved ability of pedestrians and motorists to see.
- Improved ingress and egress to property.
- Reduced vandalism and other criminal acts and damage to Improvements or property.
- Improved traffic circulation and reduced nighttime accidents and personal property loss.
- Increased promotion of business during nighttime hours in the case of commercial properties.

All of the preceding special benefits contribute to a specific enhancement and desirability of each of the assessed parcels within the District.

## C. DESCRIPTION OF THE METHOD OF APPORTIONMENT

To establish the special benefit to the individual parcels within the District a formula that spreads the costs of the maintenance based on the special benefit must be established. The improvements have been reviewed and the following formula has been established to apportion the maintenance costs based on benefit.

For purposes of the Assessment Methodology, the terms hereinafter set forth have been the following meanings:

**Acreage** means the land area of an Assessor's Parcel as shown on an Assessor's Parcel map-, or if the land area is not shown on an Assessor's parcel map, the land area shown on the applicable final map, parcel map, condominium plan, record of survey or other recorded document creating and describing such area of land.

**Multi-Family Residential** means a residence for which building permits have been issued for attached residential units for rental purposes.

**Single-Family Residential Unit** means a single residential home. This land use includes detached or attached for sale units intended for single-family occupancy.

**Commercial** means property being used or zoned for either commercial or industrial use.

Three components were used in the methodology to determine each parcels assessment; 1) Front footage of parcels along the proposed street improvements; 2) acreage of benefiting parcels; and 3) Current land use of parcels. Based on these three components the assessments were determined as follows:

First, the parcels Front Footage was determined based on Assessor's Parcel maps or other sources. Only Front footage on streets that will be improved was used. For parcels with Front Footage on more than one side (corner lots), the total Front Footage was divided by two to provide an average Front Footage. It was determined that twenty percent (20%) of the total budget was reasonably attributed to Front Footage; therefore twenty percent (20%) of the budget was spread to Front Footage.

Second, each parcel's Acreage was calculated based on Assessors Parcels map. It was determined that eighty percent (80%) of the budget was reasonably attributed to Acreage; therefore eighty (80%) of the budget was spread on Acreage. In the event that common area parcels are created subsequent to the formation of the District, the acreage of any such common area parcels shall be apportioned to the remaining assessable parcels of the subdivision and/or parcel split(s) related to the creation of the common area parcel(s).

Third, the current land use of the parcel was determined using the County's secured roll. Parcels currently used as a Single-Family Residence or Multi-Family Residences were determined to receive twenty-five (25%) of the benefit in relation to commercial parcels. Additionally, it was determined that single Family Residential Parcels benefit equally from the improvements, therefore the total assessment calculated based on the formula was averaged between the five Single Family Residential parcels to determine a Single-Family Residential rate per Unit.

The base year maximum assessment rates approved to be levied in FY 2006/07 are provided in the table below.

| Base Year (FY 2006/07) Maximum Assessment Rates | | | |
|---|---|---|---|
| Land Use | Front Footage | Acreage Rate | Flat Rate |
| Commercial | $1.99 per Front Foot | $2,582.41 per Acre | N/A |
| Multi-Family Residential | $0.50 per Front Foot | $645.60 per Acre | N/A |
| Single-Family Residential | N/A | N/A | $132.00 per Unit |

The following formula is used to calculate each parcel's assessment (proportional benefit) for those parcels that are not Single-Family Residential parcels.

**Front Footage Rate x Parcel's Adjusted Front Footage = Parcel Front Footage Levy**

**Acreage Rate x Parcel's Adjusted Acreage = Parcel Acreage Levy**

**Proposed Levy per Parcel = Parcel Front Footage Levy + Parcel Acreage Levy**

The Assessment Range Formula shall be applied to all future assessments within the District beginning in fiscal year 2007/08. Generally, if the proposed annual assessment for the current fiscal year is less than or equal to the calculated Maximum Assessment, then the Assessment is equal to the initial Assessment (approved by property owners within the District) adjusted annually by three percent (3%).

Beginning in the second fiscal year (Fiscal Year 2007/08) and each fiscal year thereafter, the Maximum Assessment would be recalculated, and a new Maximum Assessment established within the District.

The Maximum Assessment is adjusted annually and is calculated independent of the District's annual budget and proposed annual assessment. Any proposed annual assessment is not considered an increased assessment, even if the proposed assessment is greater than the assessment applied in the prior fiscal year.

Although the Maximum Assessment will increase each year, the actual assessment may remain unchanged. The Maximum Assessment adjustment is designed to establish a reasonable limit on assessments. The Maximum Assessment calculated each year does not require or facilitate an increase to the annual assessment and neither does it restrict assessments to the adjustment maximum amount. If the budget and assessment for the fiscal year do not require an increase, or the increase is less than the adjusted Maximum Assessment, the required budget and assessment may be applied without additional property owner balloting. If the budget and assessments calculated requires an increase greater than the adjusted Maximum Assessment, then the assessment is considered an increased assessment and would be subject to balloting.

## D. ANNUAL INFLATIONARY ADJUSTMENT

If the proposed assessment rates increase over the prior fiscal year's maximum assessment rates by a percentage no greater than the 3%, then the proposed assessment rates are not considered an increase.

# III. DISTRICT BUDGET

## A. FY 2026/27 BUDGET

| DESCRIPTION | AMOUNT (FUND 2021) |
|---|---|
| **DIRECT COSTS** | |
| Contract Maintenance - Landscaping | $13,855.56 |
| Repair & Maintenance - Landscaping | 8,055.00 |
| Repair & Maintenance - Lighting | 1,545.00 |
| Repair and Maintenance - Streetscape and Signage | 0.00 |
| Repair and Maintenance - Tree Work | 2,400.00 |
| Utilities | 12,000.00 |
| Rehab Reserve Expenditures - Non-Routine Tree Work | 2,935.95 |
| Rehab Reserve Project Expenditures | 9,800.00 |
| **Total Direct Costs** | **$50,591.51** |
| **ADMINISTRATION COSTS** | |
| City Administration | $897.00 |
| Contract Administration - Park's Dept | 2,200.00 |
| County Auditor Fees | 461.57 |
| Consulting & Professional Services | 4,360.00 |
| Public Hearing Publishing Costs | 383.00 |
| **Total Administrative Costs** | **$8,301.57** |
| **Total Direct and Administration Costs** | **$58,893.08** |
| **BUDGET ADJUSTMENTS** | |
| Replenishment/(Use) of Operating Reserve | $0.20 |
| Contribution for /(Use of) Rehab Reserve | (12,735.95) |
| Rounding Adjustment | (0.55) |
| **Total Adjustments** | **($12,736.30)** |
| **BALANCE TO LEVY** | **$46,156.78** |

Fund balance information is reported in Section C on the following page.

## B. FY 2026/27 ASSESSMENT RATES

| DESCRIPTION | AMOUNT (FUND 2021) |
|---|---|
| **FY 2026/27 ASSESSMENT DATA** | |
| Number of Assessable Parcels | 60 |
| Total Front Footage - Commercial | 2,283.19 |
| Total Front Footage - MFR | 691.68 |
| Total Assessable Acreage - Commercial | 6.3090 |
| Total Assessable Acreage - MFR | 2.4819 |
| Total Single Family Residences | 21 |
| Applied Assessment Rate per Front Foot - Commercial | $3.5942 |
| Applied Assessment Rate per Front Foot - MFR | $0.9031 |
| Applied Assessment Rate per Acre - Commercial | $4,664.1197 |
| Applied Assessment Rate per Acre - MFR | $1,166.0254 |
| Applied Assessment Rate per SF Residence | $238.4067 |
| Maximum Assessment Rate per Front Foot - Commercial | $3.5942 |
| Maximum Assessment Rate per Front Foot - MFR | $0.9031 |
| Maximum Assessment Rate per Acre - Commercial | $4,664.1197 |
| Maximum Assessment Rate per Acre - MFR | $1,166.0254 |
| Maximum Assessment Rate per SF Residence | $238.4067 |
| **Potential Maximum Assessment** | **$46,157.32** |

## C. FY 2026/27 FUND BALANCE INFORMATION

| DESCRIPTION | AMOUNT (FUND 2021) |
|---|---|
| **OPERATING RESERVE** | |
| **Beginning Operating Reserve Balance 7-1-2026 (est.)** | **$33,637.97** |
| add: Replenishment from FY 2026/27 Levy | 0.20 |
| less: Use for FY 2026/27 Expenses | |
| Transfer from/(to) the Rehab Reserve | (8,342.42) |
| **Ending Operating Reserve Balance 6-30-2027 (est.)** | **$25,295.75** |
| **REHABILITATION RESERVE** | |
| **Beginning Rehab Reserve Balance 7-1-2026 (est.)** | **$55,642.03** |
| add: Collect from FY 2026/27 Levy | |
| less: Use for FY 2026/27 Rehab Projects | (12,735.95) |
| Transfer from/(to) the Operating Reserve | 8,342.42 |
| **Ending Rehab Reserve Balance 6-30-2027 (est.)** | **$51,248.50** |

## D. DESCRIPTION OF BUDGET ITEMS

Description of the terms used in the preceding Budget, Assessment Rates and Fund Balance tables are listed below:

## BUDGET:

### DIRECT COSTS

**Contract Maintenance - Landscaping** - Includes all regularly scheduled contract labor, required to properly maintain and ensure the satisfactory condition of all landscaping, irrigation and drainage systems and appurtenant facilities.

**Repair and Maintenance - Landscaping** - This item includes landscape improvement repair and maintenance costs that are generally unforeseen and not normally included in the annual maintenance contract costs. This may include repair of damaged amenities due to vandalism, storms, etc. Planned replacements or upgrades that provide a direct benefit to the District during the Current Fiscal Year may also be included. Costs could include the renovation of improvements such as irrigation systems.

**Repair and Maintenance - Lighting** - This item includes lighting improvement repair and maintenance costs. This may include repair of damaged amenities due to vandalism, storms, etc. Planned replacements or upgrades that provide a direct benefit to the District during the Current Fiscal Year may also be included.

**Repair and Maintenance** - **Streetscape and Signage** - This item includes repair and maintenance costs of streetscape and sign improvements. Streetscape improvements include street furniture, sidewalks, curbs, gutters, parking stripes, brick pavers, benches, bike racks, and trash receptacles. This may include repair of damaged amenities due to vandalism, storms, etc. May include planned replacements or upgrades not listed below that provide a direct benefit to the District.

**Repair & Maintenance – Tree Work** - This line item includes annual costs for tree maintenance not included in the annual contract maintenance portion of the budget. If zero, this line item may not be shown in the budget.

**Utilities** - The furnishing of water and electricity required for the operation and maintenance of the improvements.

**Rehab Reserve Expenditures - Non-Routine Tree Work** – Expected costs to maintain trees other than costs of annual repair and maintenance. If zero, this line item may not be shown in the budget.

**Rehab Reserve Project Expenditures** – Expected costs for installation, replacement or planned upgrades of District improvements for the current year that

were previously funded or accumulated in the Rehabilitation Reserve. The Rehabilitation Reserve is used to accumulate funds for costs associated with the future rehabilitation or replacement of District improvements that cannot be conveniently raised from a single year's assessment. If zero, this line item may not be shown in the budget.

## ADMINISTRATION COSTS

**City Administration** – Estimated costs incurred by the City Finance Department and other departments in preparing the annual budget for the Engineer's Report, together with other financial information required to determine the annual assessment. These costs would also include the preparation, posting and publishing of public notices required for City Council action relating to the District, as well as the costs to perform legal review of documents.

**Contract Administration – Parks Dept** – Estimated Costs of the Parks, Recreation and Libraries Department ("Parks Department") to coordinate and oversee the maintenance contracts and overall repair and maintenance of the District. This amount also includes the cost of the Parks Department's estimates and analysis of certain budget items, estimated costs and useful lives of certain District Improvements.

**County Auditor Fees** - A fee of 1% of the total levy amount that is charged to the District by the County for placing assessments on property tax bills.

**Consulting and Professional Services** – Includes the costs and expenses of contracting with various professionals to provide legal, engineering and district administration services directly related to the District, including the calculation of the annual assessment amounts, the preparation of the Engineer's' Report.

**Public Hearing Publishing Costs** –Includes the out of pocket costs to publish public notices required for City Council action relating to the District.

**Total Direct and Administration Costs** – The total expected costs of the District.

## BUDGET ADJUSTMENTS

**Replenishment/(Use) of Operating Reserve** – A "Replenishment" increases the levy in order to replenish the Operating Reserve. On the other hand, a "Use" of the Operating Reserve decreases the levy by drawing funds from the Operating Reserve for current year expenditures. If zero, this line item may not be shown in the budget. Further information regarding the function of the Operating Reserve is provided under "FUND BALANCE INFORMATION" in the following pages of this Section.

**Contribution for / (Use of) Rehab Reserve** — A "Contribution" increases the levy in order to generate funding for the Rehabilitation Reserve. This reserve allows for the accumulation of funds for possible rehabilitation projects or replacements in future years. On the other hand, a "Use of" of the Rehabilitation Reserve provides current year funding of rehabilitation projects or replacements from available funds within the Rehabilitation Reserve. If zero, this line item may not be shown in the budget. Further information regarding the function of the Rehabilitation Reserve is provided under "FUND BALANCE INFORMATION" in the following pages of this Section.

**Rounding Adjustment** – The necessary rounding adjustment(s) due to limitations of the County property tax system that requires even penny levy amounts to be placed on the secured tax roll.

**BALANCE TO LEVY** - This is the total amount to be levied and collected through assessments for the current fiscal year for each zone. The Balance to Levy represents the sum of the total District costs together with any applicable adjustments to the budget as described above.

## ASSESSMENT RATES:

**Number of Assessable Parcels -** The total number of parcels that are expected to be assessed. Non-assessable lots or parcels include government-owned land, public utility-owned property, land principally encumbered by public rights-of-way or easements, common areas, and/or parcels within the boundaries of the District currently do not benefit from the improvements and are therefore not assessed.

**Total Assessable Front Footage** – the total number of Front Feet within the District, adjusted for corner parcels, Multi-Family Residential and Single-Family Residential Parcels will be assessed as calculated in accordance with the methodology set out in Section C of this Report.

**Total Assessable Acreage** – the total Acreage within the District, adjusted for Multi-Family Residential and Single-Family Residential Parcels that will be assessed as calculated in accordance with the methodology set out in Section C of this Report.

**Total Single-Family Residential Parcels** – the total number of parcels currently being used as Single-Family Residences.

**Applied Assessment Rates** – The applied assessment rates for each of the District's land use types.

**Maximum Assessment Rates per Front Foot –** The maximum dollar amount that can be assessed per Adjusted Front Foot for the District's land use type for the current fiscal year.

**Maximum Assessment Rates per Acre –** The maximum dollar amount that can be assessed per Adjusted Acreage Foot for the District's land use type for the current fiscal year.

**Maximum Assessment Rate per SF Residential Unit –** The maximum dollar amount that can be assessed per Single Family Unit within the District for the current fiscal year.

**Potential Maximum Assessment –** The total amount that is expected to be assessed against all parcels within the District for the Current Fiscal Year.

## FUND BALANCE INFORMATION:

### OPERATING RESERVE

**Beginning Operating Reserve Balance 7-1-2026 (est.)** - The anticipated beginning balance of cash and receivables net of any unpaid prior year obligations for each Zone. These beginning balances shall be used to fund each Zone's expenditures from July 1, 2026 to December 31, 2026, as the Operating Reserve is required to compensate for the approximate six-month delay between the start of the District's fiscal year and the receipt of the collections from the County. All Rehabilitation Reserve balances, if any, are excluded from the Operating Reserve balances and shall be shown separately in the Report.

**Replenish from FY 2026/27 Levy** – This amount is added to the FY 2026/27 levy in order to replenish the Operating Reserve. Due to the six-month delay from the District's receipt of assessment collections, the Operating Reserve balance shall be sufficiently funded to provide for expenditures from July 1, 2026 (the beginning of the Fiscal Year) through December 31, 2026. If zero, this line item may not be shown in the budget.

**Use for FY 2026/27 Expenses** – The amount of the Operating Reserve to be used to fund FY 2026/27 expenses. Portions of the Operating Reserve may be slated for current year expenditures in order to reduce the Ending Operating Reserve Balance to an amount no greater than the expected District costs for the period of July 1, 2026 (the beginning of the Fiscal Year) through December 31, 2026. If zero, this line item may not be shown in the budget.

**Transfer from/(to) the Rehab Reserve** — The amount of Operating Reserve monies to be transferred to or from the Rehabilitation Reserve. Periodically, funds held in a Rehabilitation Reserve may be needed to respond to changing maintenance needs of the improvements or other factors. Accordingly, any or all funds held in a Rehabilitation Reserve are subject to transfer into the same zone's Operating Reserve, at the discretion of the Parks Department, in order to provide

for the maintenance and operation of the improvements. If zero, this line item may not be shown in the budget.

**Ending Operating Reserve Balance 6-30-2027 (est.)** - This amount represents the anticipated Operating Reserve balance/(deficit) for each Zone as of June 30, 2027. The size of each Zone's Operating Reserve is limited by Streets and Highways Code 22569 which states that an Operating Reserve shall not exceed the estimated costs of maintenance, service and incidental expenses from the first day of the fiscal year (July 1) to the date that the Agency expects to receive the first apportionment of collections from the County, which is estimated to be December 31. Therefore, each Zone may retain an Operating Reserve amounting to the District's first six-months of expenses in order to meet ongoing obligations until the first collections are received from the County. All Rehabilitation Reserve balances, if any, are excluded from the Operating Reserve balances and shall be shown separately in the Report.

## REHABILITATION RESERVE

**Beginning Rehab Reserve Balance 7-1-2026 (est.)** — The projected balance of funds in the Rehabilitation Reserve as of July 1, 2026. Streets and Highways Code 22660 allows the District to generate and accumulate funds over several years to fund District improvements that cannot be conveniently raised from a single year's assessment.

**Collect from FY 2026/27 Levy** — This amount is added to the FY 2026/27 levy to accumulate funding of future year rehabilitation projects, replacements, restorations or upgrades of District improvements. If zero, this line item may not be shown in the budget.

**Use for FY 2026/27 Rehab Projects** – The amount of Rehabilitation Reserve monies expected to be transferred out of the Rehabilitation Reserve to fund the costs of installation, replacement or planned upgrades of District improvements for the current year. If zero, this line item may not be shown in the budget.

**Transfer from/(to) the Operating Reserve** — The amount of Rehabilitation Reserve monies to be transferred to or from the Operating Reserve. Periodically, funds held in a Rehabilitation Reserve may be needed to respond to changing maintenance needs of the improvements or other factors. Accordingly, any or all funds held in a Rehabilitation Reserve are subject to transfer into the same zone's Operating Reserve, at the discretion of the Parks Department, in order to provide for the maintenance and operation of the improvements. If zero, this line item may not be shown in the budget.

**Ending Rehab Reserve Balance 6-30-2027 (est.)** - The projected balance of funds in the Rehabilitation Reserve as of June 30, 2027. These funds shall be used to provide for future year rehabilitation projects, replacements, restorations or

upgrades of District improvements which cannot be conveniently raised from a single year's assessment.

Should the District have no Rehabilitation Reserve balances or related activity, no Rehabilitation Reserve information shall be presented in the Report.

## E. REHABILITATION RESERVE – CAPITAL IMPROVEMENT PLAN

*Streets and Highways Code 22660* allows the District to generate and accumulate funds over several years to fund District improvements that cannot be conveniently raised from a single year's assessment.

The Report provides a five-year Capital Improvement Plan ("CIP") which shows projected expenditures related to the rehabilitation, restoration and/or replacement of District improvements, and other allowable costs. The Current Fiscal Year CIP is shown in the preceding Budget Section A. The projected CIP costs for the remaining four years are provided below.

| Description | FY 2027-28 | FY 2028-29 | FY 2029-30 | FY 2030-31 | 4 Year Total |
|---|---|---|---|---|---|
| Repair, replace and/or refurbish street furniture (pots) | $3,000 | $3,000 | $3,000 | $3,000 | $12,000 |
| Repair, replace streetscape and hardscape | 1,400 | 1,600 | 1,800 | 2,000 | 6,800 |
| Replace, repair, renovate and/or refurbish plants, landscape & related mat'ls | 2,900 | 3,100 | 3,300 | 2,501 | 11,801 |
| Replace, repair lighting fixtures | 2,000 | 2,000 | 2,000 | 2,000 | 8,000 |
| Non-routine tree work | 3,023 | 3,114 | 3,207 | 3,303 | 12,647 |
| **Total Projected Expenditures** | **$12,323** | **$12,814** | **$13,307** | **$12,804** | **$51,248** |

From time to time, funds held in a Rehabilitation Reserve may be needed to respond to changing needs due to the condition of the improvements or other factors. Accordingly, any or all funds held in a Rehabilitation Reserve are subject to transfer into the Districts' Operating Reserve, at the discretion of the Parks Department, in order to provide for the maintenance and/or operation of the improvements.

# APPENDIX A – DISTRICT BOUNDARY MAP

The boundary map for the District has previously been submitted to the Clerk of the City in the format required under the 1972 Act and is, by reference, hereby made part of this Report. These District Boundary Maps are available for inspection at the office of the City Clerk during normal business hours.

For general reference purposes, a summary of the District's Boundaries is presented herein.

# APPENDIX B — FY 2026/27 ASSESSMENT ROLL

Parcel identification, for each lot or parcel within the District, shall be the parcel as shown on the Placer County Assessor's map for the year in which this Report is prepared.

A listing of parcels to be assessed within this District, along with the proposed assessment amounts, shall be submitted to the City Clerk, under separate cover, and by reference is made part of this Report.

Non-assessable lots or parcels may include areas of public streets and other roadways (typically not assigned an APN by the County); dedicated public easements, open space areas and rights-of-ways including public greenbelts and parkways; utility rights-of-ways; common areas; landlocked parcels, small parcels vacated by the County, bifurcated lots, and any other property that cannot be developed, excepting common area parcels. These types of parcels are considered to receive little or no benefit from the improvements and are therefore exempted from assessment.

At the conclusion of the public hearing for the District and the proposed assessments, approval of the Report (as submitted or as modified) confirms the method of apportionment and the assessment rate to be levied against each eligible parcel and thereby constitutes the approved levy and collection of assessments for FY 2026/27. The listing of parcels and the amount of assessment to be levied shall be submitted to the County Auditor/Controller and included on the FY 2026/27 property tax roll for each parcel.

If any parcel submitted for collection is identified by the County Auditor/Controller to be an invalid parcel number for the Current Fiscal Year, a corrected parcel number and/or new parcel numbers will be identified and resubmitted to the County Auditor/Controller. The assessment amount to be levied and collected for the resubmitted parcel or parcels shall be based on the method of apportionment and assessment rate approved in this Report. Therefore, if a single parcel has changed to multiple parcels, the assessment amount applied to each of the new parcels shall be recalculated and applied according to the approved method of apportionment and assessment rate rather than a proportionate share of the original assessment.

**RESOLUTION NO 26-125**

**A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF ROSEVILLE, CALIFORNIA, INITIATING PROCEEDINGS FOR THE ANNUAL LEVY OF ASSESSMENTS FOR THE INFILL AREA LANDSCAPING AND LIGHTING DISTRICT, FOR FISCAL YEAR 2026/2027, PURSUANT TO THE PROVISIONS OF PART 2 OF DIVISION 15 OF THE CALIFORNIA STREETS AND HIGHWAYS CODE**

The City Council of the City of Roseville, California (hereafter referred to as the "City Council") does resolve as follows:

**WHEREAS,** the City Council has, by previous resolutions, formed the Infill Area Landscaping and Lighting District and annexed territory therein (hereafter referred to as the "District") and annexed territory therein pursuant to the provisions of the *Landscaping and Lighting Act of 1972, Part 2 of Division 15 of the Streets and Highways Code of California, beginning with Section 22500* (hereafter referred to as the "Act"), which provides for the levy and collection of assessments by the County of Placer for the City of Roseville to pay for the maintenance and services relating to landscaping, all appurtenant facilities and operations related thereto; and

**WHEREAS,** the City Council has retained Willdan Financial Services (hereafter "Engineer") for the purpose of assisting with the establishment of the assessments, the annexation of territory, and the preparation and filing of an Engineer's Annual Levy Report (hereafter referred to as the "Engineer's Report") with the City Clerk in accordance with the Act, and the California Constitution, Articles XIIIC and XIIID;

**NOW, THEREFORE, BE IT RESOLVED, DETERMINED, AND ORDERED BY THE CITY COUNCIL FOR THE INFILL AREA LANDSCAPING AND LIGHTING DISTRICT, AS FOLLOWS:**

**Section 1** Engineer's Report: The City Council hereby orders the Engineer to prepare and file with the City Clerk the Engineer's Report concerning the levy of assessments for the District in accordance with *Chapter 3, Section 22622* of the Act.

**Section 2** Proposed improvements and any substantial changes in existing improvements: The District improvements include: maintenance and operation of and the furnishing of services, materials and/or improvements for the landscape and lighting areas adjacent to property within the Pheasant Run, Cirby Oaks II and Reuter Ranch subdivisions, and other public improvements within the street right-of-way areas and all appurtenant facilities related thereto as further described in the Engineer's Report. The Engineer's Report also describes all new improvements or substantial changes in existing improvements.

**RESOLUTION NO.26-126**

**A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF ROSEVILLE, CALIFORNIA, DECLARING ITS INTENTION TO LEVY ANNUAL ASSESSMENTS FOR THE INFILL AREA LANDSCAPING AND LIGHTING DISTRICT, FISCAL YEAR 2026/2027**

The City Council of the City of Roseville, California (hereafter referred to as the "City Council") does resolve as follows:

**WHEREAS,** the City Council has, by previous resolutions, formed the Infill Area Landscaping and Lighting District (hereafter referred to as the "District"), and initiated proceedings for Fiscal Year 2026/2027, pursuant to the provisions of the *Landscaping and Lighting Act of 1972*, *Part 2 of Division 15 of the Streets and Highways Code of California*, *beginning with Section 22500* (hereafter referred to as the "Act"), which provides for the levy and collection of assessments by the County of Placer for the City of Roseville to pay for the maintenance, operation and servicing of all improvements and facilities related thereto; and,

**WHEREAS,** the City Council has retained Willdan Financial Services for the purpose of assisting with the Annual Levy of the District and the preparation and filing of a report (hereinafter referred to as the "Engineer's Report") with the City Clerk in accordance with the Act;

**NOW, THEREFORE, BE IT RESOLVED, DETERMINED, AND ORDERED BY THE CITY COUNCIL FOR THE INFILL AREA LANDSCAPING AND LIGHTING DISTRICT, PURSUANT TO *CHAPTER 3, SECTION 22624* OF THE ACT, AS FOLLOWS:**

**Section 1** Intention: The City Council hereby declares that it is its intention to seek the Annual Levy of the District pursuant to the Act, over and including the land within the District boundary, and to levy and collect assessments on all such land to pay for the annual costs of the improvements.

**Section 2** Proposed improvements and any substantial changes in existing improvements: The District improvements include: maintenance and operation of and the furnishing of services, materials or improvements for the landscape and lighting areas, including turf, ground cover, shrubs and trees, irrigation systems, drainage systems, and other public improvements within the street right-of-way areas and all appurtenant facilities related thereto as further described in the Engineer's Report. The Engineer's Report also describes all new improvements or substantial changes in existing improvements.

**Section 3** Boundaries and Designation: The boundaries of the District as previously defined in the formation documents of the original District and any annexations thereto. The District includes the parcels within the areas known as the Pheasant Run, Cirby Oaks II and Reuter Ranch subdivisions. The District is known and designated as:

**"Infill Area Landscaping and Lighting District"**

**Section 4** Proposed Assessment Amounts: The proposed assessments are outlined in the Engineer's Report. District Assessments are calculated in accordance with the method of apportionment established for the District and do not exceed the assessment rates.

**Section 5** Public Hearing: The City Council hereby declares its intention to conduct a Public Hearing annually concerning the levy of assessments for the District in accordance with *Chapter 3, Section 22626* of the Act.

**Section 6** Notice: The City Clerk shall give notice of the time and place of the Public Hearing by causing this resolution to be published once in the local newspaper not less than ten (10) days before the date of the hearing and by posting a copy of this resolution on the official bulletin board customarily used by the City Council for the posting of notices.

**Section 7** Time and Place of Public Hearing: Notice is hereby given that a Public Hearing on these matters will be held by the City Council on **Wednesday, June 3, 2026 at 6:00 p.m.**, or as soon thereafter as feasible in the regular meeting chambers located at 311 Vernon Street, Roseville, California.

**RESOLUTION NO. 26-127**

**A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF ROSEVILLE, CALIFORNIA, FOR PRELIMINARY APPROVAL OF THE ENGINEER'S ANNUAL LEVY REPORT FOR THE INFILL AREA LANDSCAPING AND LIGHTING DISTRICT, FISCAL YEAR 2026/2027**

The City Council of the City of Roseville, California (hereafter referred to as the "City Council") does resolve as follows:

**WHEREAS,** the City Council has, by previous Resolutions, ordered the preparation of an Annual Levy Report (hereafter referred to as the "Engineer's Report") for the district known and designated as the Infill Area Landscaping and Lighting District (hereafter referred to as the "District"), pursuant to the provisions of the *Landscaping and Lighting Act of 1972, Part 2 of Division 15 of the Streets and Highways Code of California*, *beginning with Section 22500* (hereinafter referred to as the "Act"); and

**WHEREAS**, the City Council has retained Willdan Financial Services (hereinafter "Engineer"), for the purpose of assisting with the establishment of the assessments and the preparation and filing of an Engineer's Report with the City Clerk in accordance with the Act and the requirements of the California Constitution, Articles XIIIC and XIIID; and

**WHEREAS,** there has now been presented to this City Council the Engineer's Report as required by *Chapter 1, Article 4, Section 22566* of said Act; and

**WHEREAS,** this City Council has carefully examined and reviewed the Engineer's Report as presented, and is preliminarily satisfied with the District and with each of the budget items and documents set forth therein, and further finds that the assessments, on a preliminary basis, have been spread in accordance with the benefits received from the improvements, operation, maintenance, and services to be performed within each Zone, as set forth in said Engineer's Report; and

**NOW, THEREFORE, BE IT RESOLVED, DETERMINED, AND ORDERED BY THE CITY COUNCIL FOR THE INFILL AREA LANDSCAPING AND LIGHTING DISTRICT, AS FOLLOWS:**

**Section 1** That the above recitals are all true and correct.

**Section 2** That the Engineer's Report, as presented, consists of the following:

a. A Description of Improvements
b. The Annual Budget (Costs and Expenses of Maintenance, Services, Operations and District Administration)
c. The Assessment Roll containing the Fiscal Year 2026/2027 Levy for each Assessor Parcel within the District

**Section 3** The Engineer's Report is hereby approved on a preliminary basis and ordered to be filed in the Office of the City Clerk as a permanent record and to remain open to public inspection.

**Section 4** That the City Clerk shall certify to the passage and adoption of this Resolution, and the minutes of this meeting shall reflect the presentation of the Engineer's Report.

**RESOLUTION NO. 26-127**

# I. OVERVIEW

## A. INTRODUCTION

The City of Roseville ("City") annually levies and collects special assessments in order to maintain the improvements within the City's existing Infill Area Landscaping and Lighting District ("District"). The District was formed and levies annual assessments pursuant to the Landscaping and Lighting Act of 1972, Part 2 of Division 15 of the California Streets and Highways Code (the "Act").

The Engineer's Report ("Report") describes the District, any new annexations, changes to the District, and the proposed assessments for the period of July 1, 2026 through June 30, 2027 (hereafter "Fiscal Year" or "FY 2026/27"). The special benefit assessments are based on historical and estimated costs to maintain the District improvements. These assessments, which provide a direct and special benefit to properties within the District, will provide funding for the operation and maintenance of District improvements.

The District consists of three (3) zones of benefit, Zones A, B and C (individually the "Zone" and collectively the "Zones"). The improvements that benefit properties within each Zone and the costs to maintain and service those improvements are identified and budgeted separately by Zone. The total cost of landscape maintenance within a Zone is equitably spread among only the benefiting parcels.

The word "parcel," for the purposes of this Report, refers to an individual property assigned its own Assessor's Parcel Number ("APN") by the County of Placer ("County") Assessor. The County Auditor-Controller ("Auditor-Controller") uses Assessor's Parcel Numbers and specific tax code accounts, to identify on the County's tax roll, properties assessed for special district benefit assessments.

Following approval of the Report, the Roseville City Council (the "City Council") will by resolution, order the improvements to be made, if any, and confirm the levy and collection of assessments pursuant to the Act. The assessment rates and method of apportionment described in this Report, as approved, or modified by the City Council, define the assessments to be applied to each parcel within the District and respective Zones for FY 2026/27. The assessments as approved will be submitted to the Placer County Auditor-Controller to be included on the FY 2026/27 property tax roll for each parcel.

If any parcel submitted for collection is identified by the County Auditor-Controller to be an invalid parcel number for the current Fiscal Year, a corrected parcel number and/or new parcel numbers will be identified and resubmitted to the Auditor-Controller. The assessment amount to be levied and collected for the resubmitted parcel or parcels shall be based on the method of apportionment and assessment rates approved by the City Council.

## B. COMPLIANCE WITH CURRENT LEGISLATION

All assessments described in this Report and approved by the City Council are prepared in accordance with the Act and are in compliance with the substantive and procedural requirements of the California State Constitution Articles XIIIC and XIIID ("Articles XIIIC and XIIID") and the provisions of the Proposition 218 Omnibus Implementation Act [Government Code Section 53750 and following] (the "Implementation Act"). Articles XIIIC and XIIID and the Implementation Act collectively are hereinafter referred to as "Proposition 218".

Pursuant to the California Constitution Article XIIID Section 5, certain existing assessments are exempt from the substantive and procedural requirements of Article XIIID Section 4 and property owner balloting for the assessments is not required until such time that the assessments are increased. Specifically, the City determined that all improvements and the annual assessments originally established for the District were part of the conditions of property development and approved by the original property owner (developer). As such, pursuant to Article XIIID Section 5(b), all the property owners approved the existing District assessments at the time the assessments were created (originally imposed pursuant to a 100% landowner petition). Therefore, the pre-existing assessment amounts (the maximum assessment rates of Zones A, B, & C identified in this Report) are exempt from the procedural requirements Article XIIID Section 4, provided the assessments are not increased above these previously approved maximum assessment rates.

The District and all Zones therein have been formed pursuant to the Act. Pursuant to the Act, an annual Public Hearing is conducted by the City Council to accept property owner and public comments, to review the Report prior to approving the annual assessments to be levied on the County tax rolls. The assessments described in this Report have been prepared in accordance with the Act.

## C. DESCRIPTION OF DISTRICT BOUNDARIES

The three Zones within the District are comprised of three non-contiguous residential subdivisions, namely Pheasant Run, Cirby Oaks II and Reuter Ranch, are located in the southern portion of the City and are within the boundaries of the City's "Infill Planning Area." A general depiction of the boundaries of each Zone can be found in Appendix A of this Report.

## D. IMPROVEMENTS AUTHORIZED BY THE 1972 ACT

As applicable or may be applicable to a proposed District, the 1972 Act defines improvements to mean one or any combination of the following:

- The installation or planting of landscaping.
- The installation or construction of statuary, fountains, and other ornamental structures and facilities.
- The installation or construction of public lighting facilities.
- The installation or construction of any facilities which are appurtenant to any of the foregoing, or which are necessary or convenient for the maintenance or servicing thereof, including, but not limited to, grading, clearing, removal of debris, the installation or construction of curbs, gutters, walls, sidewalks, or paving, or water, irrigation, drainage, or electrical facilities.
- The maintenance or servicing, or both, of any of the foregoing.
- The acquisition of any existing improvement otherwise authorized pursuant to this section.

Incidental expenses associated with the improvements including, but not limited to:

- The cost of preparation of the Report, including plans, specifications, estimates, diagram, and assessment;
- The costs of printing, advertising, and the publishing, posting, and mailing of notices;
- Compensation payable to the County for collection of assessments;
- Compensation of any engineer or attorney employed to render services;
- Any other expenses incidental to the construction, installation, or maintenance and servicing of the improvements;
- Any expenses incidental to the issuance of bonds or notes pursuant to Section 22662.5.
- Costs associated with any elections held for the approval of a new or increased assessment.

The 1972 Act defines "maintain" or "maintenance" to mean furnishing of services and materials for the ordinary and usual maintenance, operation, and servicing of any improvement, including:

- Repair, removal, or replacement of all or any part of any improvement.
- Providing for the life, growth, health, and beauty of landscaping, including cultivation, irrigation, trimming, spraying, fertilizing, or treating for disease or injury.
- The removal of trimmings, rubbish, debris, and other solid waste.

- The cleaning, sandblasting, and painting of walls and other improvements to remove or cover graffiti.

Furthermore, the 1972 Act specifies that where the cost of improvements (other than maintenance and operations) is greater than can be conveniently raised from a single annual assessment, an assessment to be levied and collected in annual installments. In that event, the governing body may choose to do any of the following:

- Provide for the accumulation of the moneys in an improvement fund until there are sufficient moneys to pay all or part of the cost of the improvements.
- Provide for a temporary advance to the improvement fund from any available and unencumbered funds of the local agency to pay all or part of the cost of the improvements and collect those advanced moneys from the annual installments collected through the assessments.
- Borrow an amount necessary to finance the estimated cost of the proposed improvements. The amount borrowed, including amounts for bonds issued to finance the estimated cost of the proposed improvements.

## E. DESCRIPTION OF IMPROVEMENTS AND BENEFITS

This District, by special benefit assessments, provides funding for the maintenance and operation of certain landscaping improvements located within the public rights-of-way and dedicated easements:

The District provides all services necessary to maintain the landscaped corridors adjacent to the privately-owned parcels comprising the three subdivisions. Improvements include shrubs, trees, and other landscaping vegetation, as well as irrigation controllers, automatic valves, and irrigation systems. Services provided include all necessary services, operations, and maintenance required in keeping the improvements in a healthy, vigorous condition and in proper working order.

The District encompasses three subdivisions, each of which is located in a separate Zone. The Zones have specific improvements and costs associated with those improvements that benefit the parcels within each respective Zone. The total cost of landscape maintenance within a Zone is equitably spread among only the benefiting parcels within the Zone and only parcels that receive a Special Benefit from the improvements are assessed.

The specific locations of the improvements within each Zone of the District are described as follows:

**Zone A – Pheasant Run**

Maintenance of 6,880 square feet of landscaping and related improvements within the Pheasant Run subdivision.

**Zone B – Cirby Oaks**

Maintenance of 7,447 square feet of landscaping and related improvements within the Cirby Oaks II subdivision.

**Zone C – Reuter Ranch**

Maintenance of 24,700 square feet of landscaping and related improvements within the Reuter Ranch subdivision. A larger amount of landscaping benefits the properties within Reuter Ranch and typically results in a larger per parcel assessment for these properties as compared to Zones A and B.

# II. METHOD OF APPORTIONMENT

## A. GENERAL

The Act permits the establishment of assessment districts by agencies for the purpose of providing certain public improvements which include the construction, maintenance and servicing of public lights, landscaping, and appurtenant facilities. The Act further requires that the cost of these improvements be levied according to benefit rather than assessed value:

> *"The net amount to be assessed upon lands within an assessment district may be apportioned by any formula or method which fairly distributes the net amount among all assessable lots or parcels in proportion to the estimated benefits to be received by each such lot or parcel from the improvements."*

The formula used for calculating assessments in each Zone of the District therefore reflects the composition of the parcels, and the improvements and services provided, to fairly apportion the costs based on estimated benefit to each parcel.

## B. SPECIAL BENEFIT ANALYSIS

In conjunction with the provisions of the 1972 Act, the California Constitution Article XIIID addresses several key criteria for the levy of assessments, notably:

Article XIIID Section 2d defines District as follows:

"District means an area determined by an agency to contain all parcels which will receive a Special Benefit from a proposed public improvement or property-related service;"

Article XIIID Section 2i defines Special Benefit as follows:

"Special Benefit" means a particular and distinct benefit over, and above general benefits conferred on real property located in the district or to the public at large. General enhancement of property value does not constitute "Special Benefit."

Article XIIID Section 4a defines proportional Special Benefit assessments as follows:

"An agency which proposes to levy an assessment shall identify all parcels which will have a Special Benefit conferred upon them and upon which an assessment will be imposed. The proportionate Special Benefit derived by each identified parcel shall be determined in relationship to the entirety of the capital cost of a public improvement, the maintenance and operation expenses of a public improvement, or the cost of the property related service being provided. No

assessment shall be imposed on any parcel which exceeds the reasonable cost of the proportional Special Benefit conferred on that parcel."

These improvements will directly benefit the parcels to be assessed within the District. The assessments and method of apportionment is based on the premise that the assessments will be used to construct and install landscape and lighting improvements within the District as well as provide for the annual maintenance of those improvements, and the assessment revenues generated by District will be used solely for such purposes.

Each of the proposed improvements; the associated costs and assessments have been reviewed, identified, and allocated based on Special Benefit pursuant to the Act. All improvements associated with the Zones were necessary and required through the conditions of property development. Therefore, the improvements and the annual costs of ensuring the maintenance and operation of the improvements are of direct and Special Benefit to the properties.

The method of apportionment (method of assessment) is based on the premise that each assessed parcel within each Zone receives a Special Benefit from the improvements. The desirability and security of properties is enhanced by well-maintained landscaping in close proximity to those properties.

The special benefits associated with all landscaping improvements are specifically:

- Enhanced desirability of properties through association with the improvements.
- Improved aesthetic appeal of properties providing a positive representation of the area and properties.
- Enhanced adaptation of the urban environment within the natural environment from adequate green space and landscaping.
- Environmental enhancement through improved erosion resistance, dust and debris control, and fire prevention.
- Increased sense of pride in ownership of property within the Zones resulting from well-maintained improvements associated with the properties.
- Enhanced quality of life through well-maintained green belts and landscaped areas.
- Reduced criminal activity and property-related crimes (especially vandalism) against properties in the Zones through well-maintained surroundings and amenities including abatement of graffiti.
- Enhanced environmental quality of the parcels by moderating temperatures, providing oxygenation, and attenuating noise.

All of the preceding special benefits allowed the property to be developed for the enjoyment of the property owners and contribute to a specific enhancement and desirability of each of the assessed parcels within the Zones.

The improvements are for Special Benefit, enhancement, and use of properties within the Zones. Although the improvements include public easements, rights-of-way, streets, and other amenities available or visible to the public at large, the construction and installation of these improvements are only necessary for the development of properties within the Zones and are not required nor necessarily desired by any properties or developments outside the Zone's boundaries. Therefore, any public access or use of the improvements by others is incidental and there is no measurable general benefit to properties outside the Zones or to the public at large.

## C. RATE AND METHOD OF APPORTIONMENT

Pursuant to the Act, the costs of each Zone of the District must be spread to each parcel based upon a benefit formula. Each assessable parcel in the District receives a direct and Special Benefit from the improvements in the Zone. This direct and Special Benefit was determined to be equal for all dwelling units within each Zone; costs for each Zone shall be calculated separately within each respective Zone. Each single-family residence is equal to one dwelling unit (unit) and the formula used to arrive at each parcel's annual assessment is described below. Public parcels lying within the landscape corridors are considered to receive no benefit from the improvements and are therefore not assessed.

Costs associated with each Zone are to be charged only to assessable parcels within the respective Zone as follows:

$$\frac{\textit{Balance to Levy in Zone}}{\textit{Total Units in Zone}} = \textit{Assessment Per Unit in Zone}$$

The Maximum Annual Assessment Rates are not to exceed $193.32 per unit for Zone A and $200.00 per unit for Zones B and C.

# III. DISTRICT BUDGET

## A. FY 2026/27 BUDGET

| DESCRIPTION | ZONE A (Pheasant Run) Fund 2014 | ZONE B (Cirby Oaks II) Fund 2015 | ZONE C (Reuter Ranch) Fund 2017 |
|---|---|---|---|
| **DIRECT COSTS** | | | |
| Contract Maintenance - Landscaping | $1,532.64 | $2,237.16 | $4,375.44 |
| Repair & Maintenance - Landscaping | 3,000.00 | 3,000.00 | 2,000.00 |
| Repair & Maintenance - Tree Work | 648.00 | 936.00 | 1,669.80 |
| Utilities | 3,166.00 | 1,340.00 | 2,998.00 |
| Utilities – Telecom | 0.00 | 200.00 | 0.00 |
| Rehab Reserve Expenditures - Non-Routine Tree Work | 500.00 | 1,000.00 | 1,820.45 |
| Rehab Reserve Project Expenditures | 0.00 | 2,500.00 | 1,000.00 |
| **Total Direct Costs** | **$8,846.64** | **$11,213.16** | **$13,863.69** |
| **ADMINISTRATION COSTS** | | | |
| City Administration | $112.00 | $325.00 | $185.00 |
| Contract Administration - Park's Dept | 1,150.00 | 1,213.00 | 1,954.00 |
| County Auditor Fees | 77.33 | 124.17 | 132.00 |
| Consulting & Professional Services | 832.00 | 2,416.00 | 1,372.00 |
| Public Hearing Publishing Costs | 69.00 | 201.00 | 114.00 |
| **Total Administrative Costs** | **$2,240.33** | **$4,279.17** | **$3,757.00** |
| **Total Direct and Administration Costs** | **$11,086.97** | **$15,492.33** | **$17,620.69** |
| **BUDGET ADJUSTMENTS** | | | |
| Replenishment/(Use) of Operating Reserve | ($2,854.17) | $425.10 | ($1,600.24) |
| Contribution for /(Use of) Rehab Reserve | (500.00) | (3,500.00) | (2,820.45) |
| Rounding Adjustment | | (0.79) | |
| **Total Adjustments** | **($3,354.17)** | **($3,075.69)** | **($4,420.69)** |
| **BALANCE TO LEVY** | **$7,732.80** | **$12,416.64** | **$13,200.00** |

Fund balance information for each Zone is reported in Section C on the following page. Total balance to levy for the District is $33,349.44.

## B. FY 2026/27 ASSESSMENT RATES

| DESCRIPTION | ZONE A (Pheasant Run) Fund 2014 | ZONE B (Cirby Oaks II) Fund 2015 | ZONE C (Reuter Ranch) Fund 2017 |

## D. DESCRIPTION OF BUDGET ITEMS

Description of the terms used in the preceding Budget, Assessment Rates and Fund Balance tables are listed below:

## BUDGET:

### DIRECT COSTS

**Contract Maintenance - Landscaping** - Includes all regularly scheduled contract labor, materials, supplies, and equipment required to properly maintain and ensure the satisfactory condition or maintenance of all landscaping corridors, street medians, entryways, irrigation, and related drainage systems as well as maintenance of appurtenant facilities (the “improvements”).

**Repair & Maintenance – Landscaping** - This line item includes repairs that are generally unforeseen and not normally included in the annual maintenance contract costs. This may include repair of damaged amenities due to vandalism, storms, etc. If zero, this line item may not be shown in the budget.

**Repair & Maintenance – Tree Work** - This line item includes annual costs for tree maintenance not included in the annual contract maintenance portion of the budget. If zero, this line item may not be shown in the budget.

**Utilities** - The furnishing of water and electricity required for the operation and maintenance of the improvements.

**Utilities Telecom** – connectivity services required for the operation of certain improvements.

**Rehab Reserve Expenditures – Non-Routine Tree Work** – Expected costs to maintain trees other than costs of annual repair and maintenance. If zero, this line item may not be shown in the budget.

**Rehab Reserve Project Expenditures** – Expected costs for installation, replacement, or planned upgrades of District improvements for the current year that were previously funded or accumulated in the Rehabilitation Reserve. The Rehabilitation Reserve is used to accumulate funds for costs associated with the future rehabilitation or replacement of District improvements that cannot be conveniently raised from a single year's assessment. If zero, this line item may not be shown in the budget.

## ADMINISTRATION COSTS

**City Administration** – Estimated costs incurred by the City's Finance Department and other departments in preparing the annual budget for the Report, together with other financial information required to determine the annual assessment. These costs would also include the preparation, posting and publishing of public notices required for City Council action relating to the District, as well as costs to perform legal review of documents.

**Contract Administration – Parks Dept** – Estimated Costs of the Parks, Recreation and Libraries Department ("Parks Department") to coordinate and oversee the maintenance contracts and overall repair and maintenance of the District. This amount also includes the cost of the Parks Department's estimates and analysis of certain budget items, estimated costs and useful lives of certain District Improvements.

**County Auditor Fees** - A fee of 1% of the total levy amount that is charged to the District by the County for placing assessments on property tax bills.

**Consulting and Professional Services** – Includes the costs and expenses of contracting with various professionals to provide legal, engineering and district administration services directly related to the District, including the calculation of the annual assessment amounts and the preparation of the Report and any out-of-pocket costs related to district administration.

**Public Hearing Publishing Costs** – Includes the out-of-pocket costs to publish public notices required for City Council action relating to the District.

**Total Direct and Administration Costs** – The total expected costs of the District.

**BUDGET ADJUSTMENTS**

**Replenishment/(Use) of Operating Reserve** – A "Replenishment" increases the levy in order to replenish the Operating Reserve. On the other hand, a "Use" of the Operating Reserve decreases the levy by drawing funds from the Operating Reserve for current year expenditures. If zero, this line item may not be shown in the budget. Further information regarding the function of the Operating Reserve is provided under "FUND BALANCE INFORMATION" in the following pages of this Section.

**Contribution for / (Use of) Rehab Reserve** — A "Contribution" increases the levy in order to generate funding for the Rehabilitation Reserve. This reserve allows for the accumulation of funds for possible rehabilitation projects or replacements in future years. On the other hand, a "Use of" the Rehabilitation Reserve provides current year funding of rehabilitation projects or replacements from available funds within the Rehabilitation Reserve. If zero, this line item may not be shown in the budget. Further information regarding the function of the Rehabilitation Reserve is provided under "FUND BALANCE INFORMATION" in the following pages of this Section.

**Rounding Adjustment** – The necessary rounding adjustment(s) due to limitations of the County property tax system that requires even penny levy amounts to be placed on the secured tax roll.

**BALANCE TO LEVY** - This is the total amount to be levied and collected through assessments for the current Fiscal Year for each Zone. The Balance to Levy represents the sum of the total District costs together with any applicable adjustments to the budget as described above.

## ASSESSMENT RATES:

**Number of Assessable Units** - The total number of residential units that are expected to be assessed. Non-assessable lots or parcels include government-owned land, public utility-owned property, land principally encumbered by public rights-of-way or easements, common areas, and/or parcels within the boundaries

of the District currently do not benefit from the improvements and are therefore not assessed.

**Applied Assessment Rate per Unit** - The per unit assessment rates to be applied to the non-exempt parcels within the District for the current Fiscal Year.

**Maximum Assessment Rate per Unit** - The per unit maximum assessment rates for the current Fiscal Year.

**Potential Maximum Assessment Per Zone** – The total amount that can be assessed against all parcels within each Zone for the current Fiscal Year based upon the expected number of units to be assessed.

## FUND BALANCE INFORMATION:

### OPERATING RESERVE

**Beginning Operating Reserve Balance 7-1-2026 (est.)** - The anticipated beginning balance of cash and receivables net of any unpaid prior year obligations for each Zone. These beginning balances shall be used to fund each Zone's expenditures from July 1, 2026 to December 31, 2026, as the Operating Reserve is required to compensate for the approximate six-month delay between the start of the District's Fiscal Year and the receipt of the collections from the County. All Rehabilitation Reserve balances, if any, are excluded from the Operating Reserve balances and shall be shown separately in the Report.

**Replenish from FY 2026/27 Levy** – This amount is added to the FY 2026/27 levy in order to replenish the Operating Reserve. Due to the six-month delay from the District's receipt of assessment collections, the Operating Reserve balance shall be sufficiently funded to provide for expenditures from July 1, 2026 (the beginning of the Fiscal Year) through December 31, 2026. If zero, this line item may not be shown in the budget.

**Use for FY 2026/27 Expenses** – The amount of the Operating Reserve to be used to fund FY 2026/27 expenses. Portions of the Operating Reserve may be slated for current year expenditures in order to reduce the Ending Operating Reserve Balance to an amount no greater than the expected District costs for the period of July 1, 2026 (the beginning of the Fiscal Year) through December 31, 2026. If zero, this line item may not be shown in the budget.

**Transfer from/(to) the Rehab Reserve** — The amount of Operating Reserve money to be transferred to or from the Rehabilitation Reserve. Periodically, funds held in a Rehabilitation Reserve may be needed to respond to changing maintenance needs of the improvements or other factors. Accordingly, any or all funds held in a Rehabilitation Reserve are subject to transfer into the same Zone's Operating Reserve, at the discretion of the Parks Department, in order to provide

for the maintenance and operation of the improvements. If zero, this line item may not be shown in the budget.

**Ending Operating Reserve Balance 6-30-2027 (est.)** - This amount represents the anticipated Operating Reserve balance/(deficit) for each Zone as of June 30, 2027. The size of each Zone's Operating Reserve is limited by Streets and Highways Code 22569 which states that an Operating Reserve shall not exceed the estimated costs of maintenance, service and incidental expenses from the first day of the fiscal year (July 1) to the date that the Agency expects to receive the first apportionment of collections from the County, which is estimated to be December 31. Therefore, each Zone may retain an Operating Reserve amounting to the District's first six-months of expenses in order to meet ongoing obligations until the first collections are received from the County. All Rehabilitation Reserve balances, if any, are excluded from the Operating Reserve balances and shall be shown separately in the Report.

## REHABILITATION RESERVE

**Beginning Rehab Reserve Balance 7-1-2026 (est.)** — The projected balance of funds in the Rehabilitation Reserve as of July 1, 2026. Streets and Highways Code 22660 allows the District to generate and accumulate funds over several years to fund District improvements that cannot be conveniently raised from a single year's assessment.

**Collect from FY 2026/27 Levy** — This amount is added to the FY 2026/27 levy to accumulate funding for future year rehabilitation projects, replacements, restorations, or upgrades of District improvements. If zero, this line item may not be shown in the budget.

**Use for FY 2026/27 Rehab Projects** – The amount of Rehabilitation Reserve money expected to be transferred out of the Rehabilitation Reserve to fund the costs of installation, replacement, or planned upgrades of District improvements in FY 2026/27. If zero, this line item may not be shown in the budget.

**Transfer from/(to) the Operating Reserve** — The amount of Rehabilitation Reserve moneys to be transferred to or from the Operating Reserve. Periodically, funds held in a Rehabilitation Reserve may be needed to respond to changing maintenance needs of the improvements or other factors. Accordingly, any or all funds held in a Rehabilitation Reserve are subject to transfer into the same Zone's Operating Reserve, at the discretion of the Parks Department, in order to provide for the maintenance and operation of the improvements. If zero, this line item may not be shown in the budget.

**Ending Rehab Reserve Balance 6-30-2027 (est.)** - The projected balance of funds in the Rehabilitation Reserve as of June 30, 2027. These funds shall be used to provide for future year rehabilitation projects, replacements, restorations, or

upgrades of District improvements which cannot be conveniently raised from a single year's assessment.

## E. REHABILITATION RESERVE – CAPITAL IMPROVEMENT PLAN

*Streets and Highways Code 22660* allows the District to generate and accumulate funds over several years to fund District improvements that cannot be conveniently raised from a single year's assessment.

The Report provides a five-year Capital Improvement Plan ("CIP") which shows projected expenditures by Zone related to the rehabilitation, restoration and/or replacement of District improvements, and other allowable costs. The Current Fiscal Year CIP is shown in the preceding Budget Section A. The projected CIP costs for the remaining four years are shown in the table below.

### Zone A

| Description | FY 2027-28 | FY 2028-29 | FY 2029-30 | FY 2030-31 | 4 Year Total |
|---|---|---|---|---|---|
| Repair and/or refurbish sound wall improvements | $0 | $0 | $3,000 | $0 | $3,000 |
| Replace, repair, renovate and/or refurbish plants, landscape & related mat'ls | 500 | 500 | 500 | 0 | 1,500 |
| Non-routine tree work | 0 | 400 | 500 | 0 | 900 |
| **Total Projected Expenditures** | **$500** | **$900** | **$4,000** | **$0** | **$5,400** |

### Zone B

| Description | FY 2027-28 | FY 2028-29 | FY 2029-30 | FY 2030-31 | 4 Year Total |
|---|---|---|---|---|---|
| Repair and/or refurbish sound wall improvements | $0 | $8,200 | $10,000 | $1,298 | $19,498 |
| Replace, repair, renovate and/or refurbish plants, landscape & related mat'ls | 2,600 | 2,700 | 2,800 | 2,900 | 11,000 |
| Non-routine tree work | 1,030 | 1,061 | 1,093 | 1,126 | 4,309 |
| **Total Projected Expenditures** | **$3,630** | **$11,961** | **$13,893** | **$5,324** | **$34,807** |

### Zone C

| Description | FY 2027-28 | FY 2028-29 | FY 2029-30 | FY 2030-31 | 4 Year Total |
|---|---|---|---|---|---|
| Repair and/or refurbish sound wall improvements | $0 | $7,000 | $0 | $0 | $7,000 |
| Replace, repair, renovate and/or refurbish plants, landscape & related mat'ls | 2,100 | 0 | 0 | 0 | 2,100 |
| Non-routine tree work | 1,875 | 1,931 | 1,989 | 2,048 | 7,843 |
| **Total Projected Expenditures** | **$3,975** | **$8,931** | **$1,989** | **$2,048** | **$16,943** |

Periodically, funds held in a Rehabilitation Reserve may be needed to respond to changing maintenance needs of the improvements or other factors. Accordingly, any or all funds held in a Rehabilitation Reserve are subject to transfer into the same Zone's Operating Reserve, at the discretion of the Parks Department, in order to provide for the maintenance and operation of the improvements.

# APPENDIX A – DISTRICT BOUNDARY MAPS

The Assessment Diagrams for the District have previously been submitted to the City Clerk in the format required under the Act and are, by reference, made part of this Report. The boundary maps are available for inspection at the office of the City Clerk during normal business hours.

For general reference purposes, a rendering of the District and Zone Boundaries are presented herein.

# APPENDIX B — FY 2026/27 ASSESSMENT ROLL

Parcel identification, for each lot or parcel within the District, shall be the parcel as shown on the Placer County Assessor's map for the year in which this Report is prepared.

A listing of parcels to be assessed within this District, along with the proposed assessment amounts, may be submitted to the City Clerk, under a separate cover, and by reference is made part of this Report.

Non-assessable lots or parcels may include areas of public streets and other roadways (typically not assigned an APN by the County); dedicated public easements, open space areas and rights-of-way, including public greenbelts and parkways; utility rights-of-way; small parcels vacated by the County, bifurcated lots, and other property that cannot be developed, excepting common area parcels. These types of parcels are considered to receive little or no benefit from the improvements and are therefore exempt from assessment.

At the conclusion of the public hearing for the District and the proposed assessments, approval of the Report (as submitted or as modified) confirms the method of apportionment and the assessment rate to be levied against each eligible parcel and thereby constitutes the approved levy and collection of assessments for FY 2026/27. The listing of parcels and the amount of assessment to be levied shall be submitted to the County Auditor/Controller and included on the FY 2026/27 property tax roll for each parcel.

If any parcel submitted for collection is identified by the County Auditor/Controller to be an invalid parcel number for the current Fiscal Year, a corrected parcel number and/or new parcel numbers will be identified and resubmitted to the County Auditor/Controller. The assessment amount to be levied and collected for the resubmitted parcel or parcels shall be based on the method of apportionment and assessment rate approved in this Report. Therefore, if a single parcel has changed to multiple parcels, the assessment amount applied to each of the new parcels shall be recalculated and applied according to the approved method of apportionment and assessment rate rather than a proportionate share of the original assessment.
